WHEREAS, given the unique and specialized expertise required for design of tanks and pump stations, it was determined that a consultant would be necessary to provide design services for this project, and

WHEREAS, the scope of services to be provided under this agreement includes completing 35% design services for the project and summarizing the design and cost estimate in a Preliminary Design Report (PDR), and

WHEREAS, upon completion, this report will be presented to City Council for acceptance, and

WHEREAS, it is then intended to execute a consultant agreement in order to prepare final design documents which will be bid for construction, and

WHEREAS, in compliance with Administrative Directive 3.1, Selection Procedures for Professional Consultants who Provide Architectural and Engineering Services for Capital Projects, approval was granted from the Director of Utility Planning & Projects to issue a combined Request for Qualifications and Request for Proposal (RFQ / RFP), and

WHEREAS, these RFQ/RFP's were mailed to 111 civil engineering firms, both local and non-local, and

WHEREAS, of those 111 firms, the City received 8 responses, and

WHEREAS, the selection committee, consisting of two UP&P Engineering staff and one Public Works Operations supervisor, reviewed all 8 of the submitted Statements of Qualifications and Proposals, and narrowed the selection to four consultants, and

WHEREAS, these top four firms were then selected to interview with the City, and

WHEREAS, NorthStar Engineering (NorthStar) was determined to be the most qualified consultant of the four firms to provide the required services for the project, and

WHEREAS, following this determination by the selection committee, a final consultant agreement scope, cost and schedule were negotiated with NorthStar, and

WHEREAS, as part of the RFQ/RFP, all responding consultants were required to indicate the total percentage of their estimated cost that would be applied to local firms, and

WHEREAS, in accordance with Administrative Directive 3.1, this percentage of local participation was then used as one of the scoring criteria in review of the RFQ/RFP, and

WHEREAS, NorthStar is a local firm, and is using local subconsultants for electrical design and geotechnical engineering services, and

WHEREAS, NorthStar has included a larger, non-local firm, Carollo Engineers, Inc. for purposes of providing peer review of their work product, and

WHEREAS, Based on the final negotiated cost of the agreement, 91.0% of the total agreement cost will be paid to local firms, and

WHEREAS, City staff recommends approving a Consultant Agreement with NorthStar for preparation of Preliminary Design Report for Del Rio Tank, Pump Station, and New Well as the City does not have the staffing level to complete the PDR for the Del Rio Tank, Pump Station, and New Well project, and current workload levels do not provide for timely in-house solutions/responses,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Consultant Agreement for Preliminary Design Reports for Del Rio Tank, Pump Station, and New Well with NorthStar Engineering Group, Inc. for an

amount not to exceed \$143,989 for the identified scope of services, plus \$14,399 for additional services (if needed), for a maximum total amount of \$158,388.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-243**

**RESOLUTION APPROVING AN AGREEMENT BETWEEN THE CITY OF
MODESTO AND SUE FISCOE, DBA FISCOE MANAGEMENT, AUTHORIZING
THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE
AGREEMENT; AND RESCINDING RESOLUTION NO. 2011-275**

WHEREAS, the City of Modesto owns, operates and manages the Municipal Golf Course (“Muni”), Dryden Park Municipal Golf Course (“Dryden Course”), Dryden Park Municipal Golf Course Driving Range (“Dryden Range”), Creekside Municipal Golf Course (“Creekside Course”) and Creekside Municipal Golf Course Driving Range (“Creekside Range”), and

WHEREAS, on April 28, 2009, the City Council, by Resolution No. 2009-185, approved an agreement between the City of Modesto and FM Golf retaining FM Golf as golf course professional to provide golf professional services at Muni Golf Course, Dryden Course, Dryden Range, Creekside Course, Creekside Range, and to provide concession services at Municipal Course, Dryden Course Clubhouse and Creekside Clubhouse, and

WHEREAS, on March 24, 2011, an amendment to the above-mentioned agreement between the City of Modesto and FM Golf was approved by the City Manager to incorporate management changes through June 30, 2011 and to then revert back to all original language of the April 2009 agreement, and

WHEREAS, on July 12, 2011, the City Council, by Resolution No. 2011-275, approved a new agreement between the City of Modesto and FM to retain FM as golf course professional services at Dryden Course, Dryden Range, Creekside Course,

Creekside Range, and to provide concession services at Dryden Course Clubhouse and Creekside Clubhouse, and

WHEREAS, a new agreement between the City of Modesto and FM Golf is required to retain FM Golf as golf course professional to provide golf professional services and golf management services at Dryden Course, Dryden Range, Creekside Course, Creekside Range, and to provide concession services at Dryden Course Clubhouse and Creekside Clubhouse, and

WHEREAS, the City and FM have agreed to a two (2) year contract with two additional five (5) year extension options, and

WHEREAS, on June 2, 2009, the City Council, by Resolution No. 2009-236, established new green fee rates at all three Modesto Municipal golf courses, and

WHEREAS, on May 24, 2011, the City Council, by Resolution No. 2011-178, granted the Director of Parks, Recreation & Neighborhoods Department the authority to offer or approve golf specials at the City of Modesto golf courses, and

WHEREAS, the City desires that green fee rates be set by the contracted golf course professionals at the City of Modesto golf courses,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Agreement between the City of Modesto and Susan Fiscoe, dba Fiscoe Management to provide golf professional services and golf management services at Dryden Course, Dryden Range, Creekside Course and Creekside Range and to provide concession services at Dryden Course Clubhouse and Creekside Clubhouse effective July 1, 2012.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

BE IT FURTHER RESOLVED that Resolution No. 2011-275 is hereby rescinded removing the authority of the City of Modesto set green fee rates effective July 1, 2012.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2012, by Councilmember Burnside, who moved its adoption, which motion being duly seconded by Councilmember Lopez, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-244

**A RESOLUTION APPROVING BUDGET GOALS AND BUDGET PRINCIPLES
AS OUTLINED IN THE MAYOR'S BUDGET MESSAGE AND
RECOMMENDED BY THE CITY COUNCIL FINANCE COMMITTEE AS
PART OF THE FY 2012-2013 BUDGET DEVELOPMENT PROCESS**

WHEREAS, as part of the Mayor's Proposed Budget for FY 2012-2013, the Mayor included Proposed Budget Goals and Budget Principles for the Council's consideration, and

WHEREAS, each year the City Council's Finance Committee makes recommendations regarding the upcoming Fiscal Year operating budget and capital improvement program, and

WHEREAS, in the development of the FY 2012-2013 operating budget, the Finance Committee reviewed and recommended for City Council consideration the **attached** Proposed Budget Goals and Budget Principles,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Proposed Budget Goals and Budget Principles as shown in **Attachments 4 and 5**, which are incorporated by reference herein.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of June, 2012, by Councilmember Cogdill, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

FY 2012-13 Proposed Budget Goals

Focus resources on vital public services.

Continue efforts which will result in long-term structural budget changes.

Reduce deferred maintenance.

Increase the City's economic opportunities.

Recommended Budget Principles

1. Annually Adopt a Structurally Balanced Budget

A structurally balanced budget means on-going revenues and on-going expenditures are in balance with on-going revenues meeting or exceeding expenditures during the same time period. If a structural imbalance occurs, a plan must be developed and implemented to bring the budget back into balance.

2. Use of One-Time Resources

Once brought into balance, one-time revenues (excess reserves about reasonable risk calculations, revenue spikes, prior year budget savings, sale of property, etc) shall not be used for current or new on-going operating costs. Examples of appropriate uses of one-time revenues include early retirement of debt, capital expenditures without significant operating or maintenance costs, and other non-reoccurring expenditures.

3. Budget Revisions

New programs, services, or staffing requests are considered in light of the Council's priorities and shall include a spending offset at the time of the request so that the request has a net-zero impact on the budget.

4. Reserves

All City funds must maintain an adequate reserve level and/or ending fund balance as determined annually as appropriate for each fund. For the General Fund, the contingency reserve amount, which a minimum of 8% of the operating budget shall be maintained. Any use of the General Fund contingency reserve will require a majority vote of the Council.

5. Debt Issuance

Long-term General Fund debt will not be incurred to support on-going operating costs (other than debt service) unless such issuance achieves net operating cost savings and such savings can be independently verified. All General Fund debt issuances shall identify a method of repayment or have a dedicated revenue source.

6. Employee Compensation

Recognizing that employees are the City's major resource, negotiations for employee compensation shall focus on the total compensation costs (e.g. increases in salary, steps, and benefit costs) while considering the City's fiscal condition, revenue growth, and changes in the cost of living.

7. Capital Improvement Projects

Capital Improvement Projects shall not proceed for projects with annual operating and maintenance costs in the General Fund without City Council certification that funding will be available in the applicable year of the cost impact. Certification shall demonstrate that the entire cost of the project, including operating and maintenance costs, will not require a decrease in the City's core services.

8. Fees and Charges

The development of fees and fee increases shall be utilized where appropriate to assure fee program costs are fully recovered by fee revenue.

9. Grants

Staff will seek out, apply for, and effectively administer grants that address the City's priorities, policy objectives, and provide an overall positive benefit to the City. Before a grant is pursued, staff shall provide a detailed fiscal analysis addressing both the immediate and long-term costs and benefits of the grant. With the exception of pilot projects, one-time grant revenues shall not be used to begin or support the costs of on-going programs.

10. General Plan

The General Plan is the primary long-term fiscal planning tool. Recommendations to create new development capacity beyond the existing General Plan shall be analyzed to ensure that capital improvements and operating/maintenance costs are within the City's financial capabilities.

11. Performance Measurement

All requests for funding shall include performance measure data so funding requests can be reviewed and approved in light of anticipated service level outcomes.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-245**

**A RESOLUTION APPOINTING GILLIAN WEGENER AS THE POET
LAUREATE OF THE CITY OF MODESTO FOR A TWO-YEAR TERM FROM
JULY 1, 2012 THROUGH JUNE 30, 2014**

WHEREAS, on July 13, 1993, by Resolution No. 93-412, the City Council established a non-salaried honorary position to be known as "The Poet Laureate of the City of Modesto", and

WHEREAS, the Culture Commission has the responsibility for nominating and recommending appointments to the Poet Laureate position, and

WHEREAS, the purpose of a Poet Laureate is to present original poems at various official occasions, and

WHEREAS, a copy of the City of Modesto Policy regarding said non-salaried honorary Poet Laureate position is on file in the office of the City Clerk, and

WHEREAS, the Culture Commission met on March 26, 2012 and concluded that Gillian Wegener met the criteria for fulfilling the obligations as Poet Laureate of the City of Modesto, and

WHEREAS, the Culture Commission recommended the appointment of Gillian Wegener as Poet Laureate of the City of Modesto, and

WHEREAS, the Safety and Communities Committee met on May 7, 2012 and supported the Culture Commission's recommendation to appoint Gillian Wegener as the City of Modesto's Poet Laureate, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves the appointment of Gillian Wegener as the Poet Laureate of the City of Modesto from July 1, 2012 through June 30, 2014.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

MODESTO CITY COUNCIL
RESOLUTION NO. 2012-250

RESOLUTION AMENDING THE FISCAL YEAR 2012-2013 ANNUAL
OPERATING BUDGET

WHEREAS, a recommendation was made when the Fiscal Year 2012-2013 budget was adopted on June 21, 2012, and it has been determined that budget adjustments are required to the Annual Budget of the City of Modesto for Fiscal Year 2012-2013,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the Fiscal Year 2012-2013 annual operating budget as shown in **Exhibit A**, which is **attached** hereto and incorporated by reference herein.

BE IT FURTHER RESOLVED that the Director of Finance, or her designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following votes:

AYES: Councilmembers: Burnside, Cogdill, Geer, Gunderson, Lopez, Muratore, Mayor Marsh

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-251**

**RESOLUTION REJECTING ALL BIDS FOR THE THIRD PARTY
ADMINISTRATION OF GENERAL LIABILITY CLAIMS**

WHEREAS, the City Manager authorized the Purchasing Manager to issue formal Request for Proposals (RFP) for the furnishing of General Liability Third Party Administration Services, and

WHEREAS, the Purchasing Division issued RFP No. 1112-02 General Liability Third Party Administrative Services to twenty-six (26) prospective proposers, two (2) of which were local companies, posted the bid on the City's website and formally advertised as required by law, and

WHEREAS, Proposals were formally opened in the City Clerk's Office. Nine (9) companies chose to respond, one of which was a local vendor. All nine (9) companies provided responsive and responsible proposals, and

WHEREAS, an evaluation committee on one City staff member and three (3) technical experts from outside the City evaluated and graded the proposals, and

WHEREAS, City staff requests proposal rejections based on the following reasons:

- Amount of services more costly than anticipated,
- Regulations regarding federally mandated Medicare reporting of general liability settlements has become less demanding since the RFP process was initiated, and
- Outsourcing would not lead to staff reduction.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes RFP rejection for the furnishing General Liability Third Party Administration Services for the Department of Human Resources Department, Risk Management Division.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-252**

**RESOLUTION APPROVING A JOB SHARING AGREEMENT WITH THE
CITY OF OAKDALE FOR THE SERVICES OF AN ASSOCIATE PLANNER ON
A PART-TIME BASIS THROUGH FISCAL YEAR 2012-13; AND
AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE
THE AGREEMENT**

WHEREAS, on August 10, 2010, the City Council, by Resolution No. 2010-352, approved a job sharing agreement with the City of Oakdale for Associate Planner services on a part-time basis through Fiscal Year 2010-11, and

WHEREAS, on September 6, 2011, the City Council, by Resolution No. 2011-361, approved an extension of the job sharing agreement with the City of Oakdale for the services of an Associate Planner on a part-time basis through Fiscal Year 2011-12, and

WHEREAS, the City of Oakdale has submitted a letter expressing interest to extend job sharing services through Fiscal Year 2012-13, and

WHEREAS, the City of Oakdale seeks the services of a qualified Associate Planner from the City of Modesto on a part-time basis, and

WHEREAS, the City of Modesto represents that it has qualified Associate Planners able to provide planning services required by the City of Oakdale including, but not limited to, current planning, advanced (long-range) planning, environmental analysis, design review, growth management, redevelopment, and a variety of other duties as by the City of Oakdale Community Development & Services Director, and

WHEREAS, the number of hours of service by an Associate Planner is anticipated to be 16 hours per week, or 832 hours through Fiscal Year 2012/13, and

WHEREAS, the agreement continues in effect through June 30, 2013, unless terminated in accordance with the provisions of the termination clause of the Agreement, and

WHEREAS, the Agreement enables planning services to be shared between two cities, serves as a revenue source to the City of Modesto, and serves to retain experienced and well trained planning staff,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a job sharing Agreement with the City of Oakdale for the services of an Associate Planner on a part-time basis through Fiscal Year 2012-13.

BE IT FURTHER RESOLVED that the City Manager, or designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

MODESTO CITY COUNCIL
RESOLUTION NO. 2012-254

RESOLUTION ESTABLISHING THE CALCULATION FOR THE
APPROPRIATION LIMIT FOR THE FISCAL YEAR 2012-2013 ANNUAL
BUDGET

WHEREAS, Proposition IV of the California State Constitution requires the City to establish an appropriation limit calculation each fiscal year, and

WHEREAS, Article XIII B of the California Constitution specifies that appropriations made by State and local governments may increase annually by a factor comprised of the change in population combined with either the change in California per capita personal income or the change in the local assessment roll due to local nonresidential construction, and

WHEREAS, the **attached** schedule shows the preferred price and population factors to be used and the appropriation limit with the recommended factors in calculating the limit are the price factor of "state growth in per capita income" and the population factor of "growth rate in the city limits of Modesto", and

WHEREAS, a copy of said report is on file in the City of Modesto Finance Department,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the appropriation limit calculation is hereby established as shown on Schedule A, **attached** hereto, and made a part hereof.

BE IT FURTHER RESOLVED that the Finance Director, or her designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following votes:

FISCAL YEAR 2012-2013

PROPOSITION 4

APPROPRIATION LIMIT CALCULATION

FY2011-2012 Appropriation Limit	\$328,704,401
---------------------------------	---------------

Adjustment Factors

Per Capita Personal Income Change	3.77%
-----------------------------------	-------

Population Change (Modesto)	0.68%
-----------------------------	-------

Per Capita converted to a ratio	1.0377
---------------------------------	--------

Population converted to a ratio	1.0068
---------------------------------	--------

Calculation of factor for FY2012-2013	1.0448
---------------------------------------	--------

Adjustment	<u>\$14,725,957</u>
------------	---------------------

FY2012-2013 Appropriation Limit	<u><u>\$343,430,358</u></u>
---------------------------------	-----------------------------

Article XIII B places a limit on most, but not all, government revenue sources. The limit applies to appropriations from proceeds of taxes from both the general fund and special funds of government entities. Proceeds of taxes include tax revenues, interest earnings on invested tax revenues, and any revenues collected by a regulatory license fee or user charge in excess of the amount needed to cover the cost of providing the regulation, product, or service.

Appropriations from nontax revenues, including the City's enterprise funds, are not subject to the limit.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-255**

RESOLUTION AUTHORIZING THE AWARD OF BID FOR THE PURCHASE OF AIRCRAFT RESCUE FIRE FIGHTING (ARFF) EQUIPMENT, TOOLS AND CLOTHING, THROUGH THE PUBLIC WORKS DEPARTMENT, MODESTO-CITY AIRPORT DIVISION, TO L.N. CURTIS & SONS, OAKLAND, CA, FOR AN ESTIMATED TOTAL COST OF \$58,676

WHEREAS, the Modesto City-County Airport is required to maintain an FAA approved level of fire/rescue support for commercial airline operations. The on-airport fire station is staffed by Modesto Fire personnel during commercial operations and is equipped with two specialized ARFF trucks, and

WHEREAS, the Federal Aviation Administration grant was approved on June 10, 2008, the City Council, by Resolution No. 2008-346, accepted Federal Airport Improvement Grant Offer AIP # 3-06-0153-32 in the amount of \$1,045,000 that included funding for the new Aircraft Rescue Fire Fighting Truck, Tools, Equipment and Clothing, and

WHEREAS, the City Council, by Resolution No. 2008-592, authorized the Purchasing Manager to issue formal Request for Bids (RFB), for equipment through various competitive processes with the Purchasing Division coming back to Council for award authorization, and

WHEREAS, the Purchasing Division issued RFB No. 1112-28 for the purchase of ARFF Equipment, Tools and Clothing to twenty-eight (28) prospective bidders, posted the bid on the City's website and formally advertised as required by law. No local vendors can provide this type of specialized equipment, tools and clothing, and

WHEREAS, RFB's were formally opened in the City Clerk's office. Of the twenty-eight (28) prospective bidders, six (6) companies chose to respond. All six (6) companies provided responsive and responsible bids, and

WHEREAS, sufficient funds are budgeted in Fiscal Year 2011-12, in CIP # 100422, and

WHEREAS, a Federal Aviation Administration (FAA) Airport Improvement Program Grant is providing 95% of the funding for this equipment, tools and clothing acquisition. The remaining 5% of the cost is reimbursable by the Passenger Facility Charge collected on airline passengers, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. The award of bid for the purchase of Aircraft Rescue Fire Fighting Equipment, Tools and Clothing to L.N. Curtis & Sons, Oakland, CA, conforms to the Modesto Municipal Code,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of bid for the purchase of Aircraft Rescue Fire Fighting (ARFF) Equipment, Tools and Clothing, through the Public Works Department, Modesto-City Airport Division, to L.N. Curtis & Sons, Oakland, CA.

BE IT FURTHER RESOLVED that the Purchasing Manager, or his designee, is hereby authorized to issue a purchase order for a total estimated cost of \$58,676.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-256**

RESOLUTION AUTHORIZING THE AWARD OF BID FOR THE PURCHASE OF A TRUCK WITH AERIAL BUCKET FOR THE PARKS, RECREATION AND NEIGHBORHOODS DEPARTMENT, PRUNED REFUSE COLLECTION DIVISION, THROUGH THE PUBLIC WORKS DEPARTMENT, FLEET SERVICES DIVISION, TO TEREX UTILITIES INC., WATERTOWN, SD, FOR AN ESTIMATED COST OF \$175,778

WHEREAS, the City Manager authorized the Purchasing Manager to issue formal Request for Bids (RFB) for new vehicles and heavy equipment, through various competitive processes, with the Purchasing Division coming back to Council for award authorization. The truck with aerial bucket is included in the new vehicles and heavy equipment list authorized by the City Manager, and

WHEREAS, the truck with aerial bucket is used by the Parks, Recreation and Neighborhoods Department, Pruned Refuse Collection Division. The truck with aerial bucket has been subjected to a thorough evaluation and has met or exceeded the replacement criteria before being placed on the replacement list. The truck with aerial bucket falls under the City's compliance program, approved by the California Air Resources Board, requiring a progressive program to remove older diesel trucks from service, and

WHEREAS, the Purchasing Division issued RFB No. 1112-31 for the purchase of a truck with aerial bucket to twelve (12) prospective bidders, posted the bid on the City's website and formally advertised as required by law. No local vendors can provide this type of vehicle, and

WHEREAS, RFB's were formally opened in the City Clerk's office. Of the twelve (12) prospective bidders, two (2) companies chose to respond. One company provided a responsive and responsible bid, and

WHEREAS, based on providing the lowest responsive and responsible bid, City staff recommends the award of bid for the purchase of a truck with aerial bucket to Terex Utilities, Inc., Watertown, SD, for a total estimated cost of \$175,778, and

WHEREAS, Sufficient funds are budgeted in Fiscal Year 2011-12, in account # 5410-53241-57003, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. The award of bid for the purchase of a truck with aerial bucket to Terex Utilities, Inc., Watertown, SD, conforms to the Modesto Municipal Code.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of bid for the purchase of a truck with aerial bucket for the Parks, Recreation and Neighborhoods Department, Pruned Refuse Collection Division, through the Public Works Department, Fleet Services Division, to Terex Utilities Inc., Watertown, SD.

BE IT FURTHER RESOLVED that the Purchasing Manager or his designee to issue a purchase order for a total estimated cost of \$175,778.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION AUTHORIZING THE AWARD OF BID FOR THE PURCHASE OF A UTILITY TRUCK WITH CRANE FOR THE PUBLIC WORKS DEPARTMENT, WASTEWATER DIVISION, THROUGH THE FLEET SERVICES DIVISION, TO TOWNE FORD, REDWOOD CITY, CA, FOR AN ESTIMATED TOTAL COST OF \$80,613

WHEREAS, the City Manager authorized the Purchasing Manager to issue formal Request for Bids (RFB) for new vehicles and heavy equipment, through various competitive processes, with the Purchasing Division coming back to Council for award authorization. The utility truck with crane is included in the new vehicles and heavy equipment list authorized by the City Manager, and

WHEREAS, the utility truck with crane is used by the Public Works Department, Wastewater Division. The utility truck with crane has been subjected to a thorough evaluation and has met or exceeded the replacement criteria before being placed on the replacement list. The utility truck with crane falls under the City's compliance program, approved by the California Air Resources Board, requiring a progressive program to remove older diesel trucks from service, and

WHEREAS, the Purchasing Division issued RFB No. 1112-21 for the purchase of a utility truck with crane to nineteen (19) prospective bidders, posted the bid on the City's website and formally advertised as required by law. Two (2) of the bidders are located within Stanislaus County, one of which is a local vendor, and

WHEREAS, RFB's were formally opened in the City Clerk's office. Of the nineteen (19) prospective bidders, three (3) companies chose to respond. The local vendor did not submit a bid. All three (3) companies provided responsive and responsible bids, and

WHEREAS, Based on providing the lowest responsive and responsible bid, City staff recommends the award of bid for the purchase of a utility truck with crane to Towne Ford, Redwood City, CA, for a total estimated cost of \$80,613, and

WHEREAS, sufficient funds are budgeted in Fiscal Year 2011-12, in account # 5410-53241-57003, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. The award of bid for the purchase of a utility truck with crane to Towne Ford, Redwood City, CA, conforms to the Modesto Municipal Code.

WHEREAS, the City has an ongoing need to manage the education and government access channels on AccessModesto, and

WHEREAS, the City of Modesto and the County of Stanislaus entered into a Cost Sharing Agreement for the operation of Government and Educational Programming on AccessModesto Community Television, effective July 2, 2002, for a period of ten years, and

WHEREAS, the City of Modesto and the County of Stanislaus have shared equally the costs for the management of the education and government access channel on AccessModesto, and

WHEREAS, the Cost Sharing Agreement between the City of Modesto and the County of Stanislaus will expire on July 2, 2012, and

WHEREAS, the City of Modesto and the County of Stanislaus wish to extend the term of the Cost Sharing Agreement for an additional two (2) years,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Amendment to the Cost Sharing Agreement between the City of Modesto and the County of Stanislaus to extend the Agreement for an additional two (2) years.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Amendment to Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-261**

A RESOLUTION APPROVING AN AMENDMENT TO THE BUDGET TO EXTEND THE TERM OF THE ORIGINAL COST SHARING AGREEMENT BETWEEN THE CITY OF MODESTO AND THE COUNTY OF STANISLAUS FOR THE OPERATION OF THE EDUCATION AND GOVERNMENT PROGRAMMING ON ACCESSMODESTO COMMUNITY TELEVISION FOR AN ADDITIONAL TWO (2) YEARS IN THE AMOUNT OF \$284,720 IN FY 13-14 TO BE EQUALLY SHARED IN THE AMOUNT OF \$142,360

WHEREAS, the City has an ongoing need to manage the education and government access channels on AccessModesto, and

WHEREAS, the City of Modesto and the County of Stanislaus entered into a Cost Sharing Agreement for the operation of Government and Educational Programming on AccessModesto Community Television, effective July 2, 2002, for a period of ten years, and

WHEREAS, the City of Modesto and the County of Stanislaus have shared equally the costs for the management of the education and government access channel on AccessModesto, and

WHEREAS, the Cost Sharing Agreement between the City of Modesto and the County of Stanislaus will expire on July 2, 2012, extended, and

WHEREAS, the City of Modesto and the County of Stanislaus County wish to extend the term of the Cost Sharing Agreement for an additional two (2) years, and

WHEREAS, there will be an increase in costs for the continued operation of AccessModesto between the City of Modesto and the County of Stanislaus to be shared equally in the amount of \$142,360,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the FY 13/14 budget in the amount of \$284,720 to be

shared equally in the amount of \$142,360 between the City of Modesto and the County of Stanislaus for the operation of education and government programming on AccessModesto.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-262**

**RESOLUTION APPROVING THE FREEZING OF THE ANNUAL
INFLATIONARY ADJUSTMENT FOR THE WASTEWATER CAPACITY
CHARGE AND THE WATER CONNECTION CHARGE FOR FISCAL YEAR
2012/2013**

WHEREAS, Section 5-6.801 of the Modesto Municipal Code (MMC) provides that the Council may establish by resolution charges for the connection of property to the sewage system, and

WHEREAS, on May 8, 2007, by Resolution No. 2007-287, the City Council authorized the Director of Public Works to administratively make an annual inflation adjustment to the Wastewater Capacity Charges, and

WHEREAS, Resolution No. 2007-287 was superseded by Resolution 2012-164, which did not alter provision for making inflationary adjustments but refined the definition of the Director responsible for applying the inflationary adjustment, and

WHEREAS, Section 11-1.04 of the MMC authorizes the Council, by resolution, to establish charges for water service installation, and MMC Section 11-1.05 authorizes the Council, by resolution, to establish charges for water main connection charges, and MMC Section 11-6.05 authorizes the Council, by resolution, to establish charges for metered water services, and MMC Section 11-6.06 authorizes the Council, by resolution, to establish charges for unmetered water services, and

WHEREAS, on November 23, 2004, the City Council, by Resolution No. 2004-627, rescinded all previous water fee resolutions, establishing a single rate base, and establishing fees for the provision of water and all fees associated with water operations and management, and

WHEREAS, on April 26, 2005, the City Council, by Resolution No. 2005-204, amended Sections 3 and 14 of Resolution No. 2004-267 to clarify that water connection charges are actual hookup fees and are not land based, and

WHEREAS, on October 4, 2005, the City Council, by Resolution No. 2005-492, amended and restated Resolution No. 2005-282 to add section 10A clarifying policy issues on water connection fees and amending Section 14, footnote 1 to clarify inflation adjustment for connection charges, and

WHEREAS, on July 7, 2009, the City Council, by Resolution 2009-299, authorized the Director of Public Works to administratively make an annual inflation adjustment to the Water Connection Charges, and

WHEREAS, on November 4, 2009, the City Council, by Resolution No. 2009-519, established the Utility Planning and Projects Department and the position of Director of Utility Planning and Projects who would assume a portion of the duties previously assigned to the Director of Public Works, and

WHEREAS, on July 5, 2011, the City Council, by Resolution 2011-266, froze the annual inflationary adjustment due to the unprecedented economic situation,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves freezing the annual inflationary adjustment for the Wastewater Capacity Charge and the Water Connection Charge for Fiscal Year 2012/2013.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO 2012-263**

A RESOLUTION APPROVING THE AMENDED AND RESTATED SERVICE AGREEMENT FOR THE SUPPLY AND ACCEPTANCE OF SOLID WASTE WITH COVANTA STANISLAUS, INC., AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE NEW SERVICE AGREEMENT

WHEREAS, on December 17, 1985, the City of Modesto and County of Stanislaus (Contracting Communities) entered into an agreement for administration of the City/County Service Agreement with the Stanislaus Waste Energy Company (now Covanta Stanislaus) for supply and acceptance of solid waste, and

WHEREAS, since that time, the City has been partners with Stanislaus County and Covanta Stanislaus in the Stanislaus Resource Recovery Facility (the "Waste-to-Energy" or "WTE" Facility), and

WHEREAS, the City and County operate the project as a Joint Powers Agency under a Joint Powers Agreement, with the County acting as the Treasurer, and

WHEREAS, under the current Service Agreement, the Contracting Communities pay Covanta a service fee to operate the facility and are also responsible for all pass through costs associated with the facility such as taxes, insurance, air permit fees, ash disposal, etc., and

WHEREAS, the Contracting Communities are also responsible for any costs associated with unforeseen circumstances such as changes in law, major upgrades or any acts, events or conditions that have a material adverse effect on the operation of the facility, and

WHEREAS, the Contracting Communities are responsible for delivering wastes to the facility under a minimum tonnage guarantee of 243,300 tons, and Covanta uses this

waste to generate electricity, which it sells to PG&E under a Power Purchase Agreement (PPA), and

WHEREAS, the Contracting Communities currently retain 90% of the electric revenue generated by the facility, all of the disposal fees, 50% of metal recycling revenue and 30% of supplemental waste revenue, which revenues are used to offset costs, and

WHEREAS, the existing Service Agreement was set to expire on December 31, 2009, and in 2007, staff from the County Department of Environmental Resources and the City of Modesto Solid Waste Division began negotiations on a new contract with Covanta, and

WHEREAS, those negotiations proved unsuccessful with Covanta asking for more concessions that staff were willing to agree to, so in May 2009, the County and the City of Modesto exercised an option given in the original contract to extend the contract under the same terms an additional six years through December 31, 2015, and

WHEREAS, when the Power Purchase Agreement (PPA) with PG&E expired in January, 2010, Covanta elected to extend its contract with PG&E under extension provisions pursuant to California Public Utilities Commission (CPUC) Decision No. 07-09-040, and

WHEREAS, those provisions caused the price paid for power to revert to the Short Run Avoided Cost, or "SRAC", which was about \$55 per MW at the time and has since dropped even further, and

WHEREAS, this pricing also did not include a premium for renewable energy, and the capacity payment was reduced, and as a result, revenues from electricity generation declined sharply resulting in a significant operating deficit, and

WHEREAS, both the Contracting Communities and Covanta recognized that it would be in our joint interests to return to the negotiating table and secure a long term commitment that would motivate Covanta to negotiate a new PPA at much more favorable rates than current SRAC rates, and

WHEREAS, a new negotiating team was formed and reopened negotiations with Covanta, with the objectives of preserving the current RRA balance, a stable and predictable tipping fee, a commitment to no increased importation of waste, meeting diversion requirements and preserving landfill capacity, and reducing City//County risk exposure from change-in-law, public perception, and change in science/technology, and

WHEREAS, the Contracting Communities negotiating team has met on a regular basis over the past year and has provided periodic updates on the status of negotiations to the Solid Waste-to-Energy Executive Committee and the City-County Liaison Committee, and

WHEREAS, major deal points from the negotiations were agreed upon by the team and Covanta and were outlined in a Term Sheet approved by the Council and Board of Supervisors, and

WHEREAS, the negotiating team and Legal Counsel to the Executive Committee, Sidley Austin LLP, have negotiated a new Service Agreement and Lease Agreement with Covanta, to become effective on July 1, 2012, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves the new Service Agreement with Covanta Stanislaus, Inc., a copy of which is **attached** hereto as Attachment "A" and incorporated herein by reference.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to sign the New Service Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Burnside, Cogdill, Geer, Gunderson, Lopez, Muratore, Mayor Marsh

AMENDED AND RESTATED SERVICE AGREEMENT
FOR THE SUPPLY AND ACCEPTANCE
OF SOLID WASTE

This AMENDED AND RESTATED SERVICE AGREEMENT FOR THE SUPPLY AND ACCEPTANCE OF SOLID WASTE (this "*Agreement*") is entered into as of July 1, 2012, by and among Covanta Stanislaus, Inc., a California corporation (the "*Company*"), the County of Stanislaus, a political subdivision of the State of California, acting by and through its Board of Supervisors (the "*County*"), and the City of Modesto, a municipal corporation, acting by and through its City Council (the "*City*"). The County and City are collectively referred to herein as the "*Contracting Communities*."

Recitals

WHEREAS, the Company and the Contracting Communities are parties to that certain Amended and Restated Service Agreement for the Supply and Acceptance of Solid Waste dated as of June 1986, as amended by Amendment No. 1 to such Agreement dated as of September 27, 1988, Amendment No. 2 to such Agreement dated as of May 17, 1990, Amendment No. 3 to such Agreement dated as of February 2, 2000 and Amendment No. 4 to such Agreement dated as of May 21, 2001(as so amended, the "*Original Agreement*");

WHEREAS, pursuant to the Original Agreement, the Company has designed and built, and currently is operating and maintaining, a mass burn resource recovery facility for disposing of Acceptable Waste (defined below), producing saleable electricity and recovering other Recovered Resources (defined below), which facility is located at 4040 Fink Road, Crows Landing, California 95313 (together with all additions, replacements, appurtenant structures, improvements and equipment in connection therewith, the "*Facility*").

WHEREAS, Contracting Communities and the Company wish to amend and restate the Original Agreement in its entirety as provided herein; and

WHEREAS, the Contracting Communities and the Company intend that this Agreement become legally effective as of the date first above written (the "*Contract Date*" or the "*Service Commencement Date*"), become operative and commence governing rights, obligations, use, operation and maintenance of the Facility thereon and continue until the 15th anniversary of the Service Commencement Date, subject to earlier termination in accordance with the provisions of this Agreement (the "*Service Term*").

AGREEMENT

NOW, THEREFORE, for and in consideration of the premises and of the mutual obligations undertaken herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound, the Company and the Contracting Communities hereby agree as follows:

ARTICLE I – DEFINITIONS AND INTERPRETATION

1.01 Incorporation by Reference.

The above Recitals are incorporated into this Agreement by this reference. Schedules 1 through 6 attached to this Agreement are incorporated into this Agreement by this reference.

1.02 Definitions.

The following terms shall have the following meaning:

“Acceptable Waste” means that portion of Solid Waste which has characteristics such as that collected and disposed of as part of normal collection of Solid Waste in the Contracting Communities, such as, but not limited to: garbage, trash, rubbish, refuse, offal, beds, mattresses, sofas, bicycles, baby carriages, automobile or small vehicle tires, as well as processible portions of commercial (including cannery) and industrial Solid Waste, and logs if no more than four (4) feet long and six (6) inches in diameter, branches, leaves, twigs, grass and plant cuttings, excepting, however, Unacceptable Waste and Hazardous Waste.

“Affiliate” means a Person that controls, is controlled by, or is under common control with the Company.

“Alternate Disposal Methods” means the use of the Landfill or other reasonable methods of disposal of Acceptable Waste, other than the normal operation of the Facility, either through the use of the Facility, the Facility Site or any portion thereof, or otherwise through the use of alternate equipment or facilities (including a permitted sanitary landfill), subject to the reasonable approval of the Contracting Communities.

“Applicable Laws” means all applicable federal, State, County or local laws ordinances and regulations.

“Amortized Portion” has the meaning specified in Section 6.05(c)(4) hereof.

“Billing Period” means each calendar month in each Contract Year, except that (a) the first Billing Period shall begin on the Service Commencement Date and shall continue to the last day of the month in which the Service Commencement Date occurs and (b) the last Billing Period shall end on the last day of the final Contract Year.

“Billing Period Tonnage” means for each Billing Period that quantity of Acceptable Waste set forth for such Billing Period on Schedule 1 for delivery to the Facility (subject to

adjustments pursuant to Section 4.02(b)), the sum total of which in each Contract Year shall be equal to the Guaranteed Tonnage.

“*BTU*” means British thermal unit.

“*By-Pass Waste*” means Acceptable Waste that the Company is obligated to accept but that is rejected upon delivery at the Facility, directed by the Company to be disposed of by Alternate Disposal Methods, or that is removed from the Facility before Processing for reasons other than Contracting Communities Fault or Unforeseen Circumstances.

“*Cap & Trade Costs*” has the meaning specified in Section 6.05(c)(2)(ii) hereof.

“*Capital Cost*” has the meaning specified in Section 6.05(c)(4) hereof.

“*Change in Law*” means (a) the enactment, promulgation, amendment or official interpretation or reinterpretation by any order, decision or judgment of any federal, state or local court, administrative agency or governmental body after the Contract Date of (i) any federal statute or regulation not enacted, promulgated, amended, interpreted or reinterpreted on or before the Contract Date, as applicable, or (ii) any state, County or City statute, ordinance, or regulation that was not so enacted, promulgated, amended, interpreted or reinterpreted on or before the Contract Date, as applicable, or (b) the imposition of any material conditions in connection with the issuance, renewal, or modification of any official permit, license, or approval after the Contract Date, including any change in specific permit emission limitations pursuant to a condition in the Prevention of Significant Deterioration Permit authorizing modification of such limitations subsequent to issuance of said permit, which in the case of either (a) or (b) establishes requirements making the ownership, operation or maintenance of the Facility more burdensome than the most stringent requirements (x) in effect as of the Contract Date, (y) agreed to in any applications of the Company for official permits, licenses, or approvals, or (z) contained in any official permits, licenses, or approvals with respect to the Facility obtained as of the Contract Date; provided that except for Discriminatory Taxes (defined below), a change in federal, State, County, City, or any other tax law shall not be a Change in Law.

“*Company Indemnified Parties*” has the meaning specified in Section 9.02(b) hereof.

“*Consulting Engineer*” means a nationally recognized consulting engineering company, with demonstrated experience in the area of resource recovery facilities, which is designated in writing by the Contracting Communities.

“*Contract Date*” has the meaning specified in the Fourth Recital.

“*Contract Year*” means the fiscal year ending June 30th. The first Contract Year shall commence on the Service Commencement Date and shall end on the following June 30th. The last Contract Year shall commence on July 1 and end on the last day of the Service Term of this Agreement. Annual quantities described herein shall be ratably adjusted if the first and last Contract Years are less than three hundred sixty-five (365) days. Each Contract Year after the first Contract Year shall commence on the July 1st following the termination of the prior Contract Year.

“Contracting Communities Fault” means any act or failure to act on the part of the City or the County that constitutes a breach of its obligations under this Agreement or a violation of any duty of the City or County to the Company imposed under law.

“Contracting Communities Indemnified Parties” has the meaning specified in Section 9.02(a) hereof.

“Cost Substantiation” means (a) with respect to any cost incurred by the Company, delivery to the Contracting Communities of a certificate signed by the chief financial officer or principal engineering officer, as applicable, of the Company, or his or her respective designee, setting forth the amount of such cost and the reason why such cost is properly chargeable to the Contracting Communities, and stating that such cost is an arm’s length and competitive price for the service or materials supplied, and (b) with respect to any cost incurred by the Contracting Communities delivery to the Company of a certificate signed by the Chief Executive Officer of the County and the City Manager or their designees, setting forth the amount of such cost and the reason why such cost is properly chargeable to the Company, and stating that such cost is an arm’s length and competitive price for the service or materials supplied, and (c) in either case, such other documentation as may be reasonably necessary to properly evidence such costs.

“Discriminatory Taxes” has the meaning specified in Section 6.02(b) hereof.

“Energy Revenues” all revenues derived from the sale of electric energy, capacity or ancillary services from the Facility, including any benefit of environmental attributes reflected in the price of the foregoing, if the environmental attributes are included in the sale transaction for energy, capacity or ancillary services by operation of law and such sale transaction does not include a separate certificate evidencing the sale of such environmental attributes.

“Event of Default” has the meaning specified in Sections 8.01 and 8.02 hereof.

“Excess Electric Revenues” has the meaning specified in Section 6.05(c)(2)(ii) hereof.

“Excess Tipping Fee Revenues” has the meaning specified in Section 4.03(b).

“Excess Waste” has the meaning specified in Section 4.01(b).

“Excess Waste Tipping Fee” has the meaning specified in Section 6.01 hereof.

“Facility” has the meaning set forth in the Second Recital.

“Facility Site” means the real property described on Schedule 2, upon which the Facility is located.

“Facility Site Lease Agreement” means the Amended and Restated Facility Site Lease Agreement between the Company and the County for the Facility Site, as amended from time to time, the form of which is attached hereto as Schedule 3.

“Fair Market Value” has the meaning specified in Section 9.16.

“Guaranteed Tonnage” means 243,300 Tons of Acceptable Waste which the Contracting Communities are obligated to deliver to the Facility in each Contract Year, to be measured by calculating the sum of the Billing Period Tonnages for the Contract Year.

“Guaranteed Tonnage Tipping Fee” has the meaning specified in Section 6.01 hereof.

“Hauler” means any Person licensed by the County or the City to collect and transport waste to the Facility or, as applicable, to alternate facilities in accordance with Alternate Disposal Methods; a list of all Haulers so licensed by the County or City shall be prepared by the Contracting Communities and provided to the Company on or before each Contract Year and revised from time to time, as necessary.

“Hazardous Waste” means that portion of Solid Waste which, by reason of its composition or characteristics, is: (a) hazardous waste as defined in the Solid Waste Disposal Act, 42 USC §§6901 et seq., and the regulations thereunder, the California Health & Safety Code, Div. 20, Chs. 6.5, 6.7 and 6.8, the California Administrative Code, Title 22, Div. 4, Ch. 30, and any similar or substituted legislation or regulations or amendments to the foregoing; (b) any other materials which any governmental agency or unit having appropriate jurisdiction shall determine from time to time is harmful, toxic, or dangerous, or otherwise ineligible for disposal through the Facility; and (c) any material, other than residential or commercial Solid Waste of the type historically collected by the County and the City as acceptable for disposal into non-Hazardous Waste landfills, which would result in Process Residue being Hazardous Waste under (a) or (b) above.

“Initial UCC Termination Threshold” has the meaning specified in Section 6.05(d) hereof.

“Landfill” means the Fink Road landfill located immediately adjacent to the Facility Site.

“Landfill Tipping Fee” has the meaning specified in Section 5.03 hereof.

“Legal Holidays” means those holidays observed by the Contracting Communities and specified by the Contracting Communities in a list delivered to the Company at least thirty (30) days before the beginning of each Contract Year.

“Limit of Liability” has the meaning specified in Section 8.04(a).

“Martin, GmbH” means Martin GmbH fur Umwelt and Energietechnik, a limited liability company under the laws of the Federal Republic of Germany, having an office in Munich, Germany.

“MWH” means megawatt hour.

“Original Agreement” has the meaning set forth in the First Recital.

“Other Amounts” has the meaning specified in Section 6.04(a)(ii)(C) hereof.

“Overdue Rate” means the maximum annual rate of interest permitted by the laws of the State, if applicable, or one percent (1%) per annum over the then current rate which Bank of America (or its successor) loans money to its preferred commercial borrowers and is publicly announced as its “prime rate,” whichever rate is lower.

“Parent” means Covanta Holding Corporation and its successors and assigns.

“Parent Guaranty” means the guaranty agreement provided by the Parent substantially in the form of Schedule 4.

“Person” means a corporation, political subdivision, municipal corporation, public benefit corporation, partnership, business trust, trust, joint venture, company, firm, or individual.

“Process Rejects” means Unacceptable Waste and Hazardous Waste which is inadvertently accepted by Company.

“Process,” “Processing,” or “Processed,” as applicable, means the combustion of Acceptable Waste in the Facility.

“Processing Capacity” means the actual Processing capacity of the Facility but not more than 310,000 Tons per Contract Year unless the Contracting Communities consent to the establishment of a greater amount, which consent for a greater amount shall not be unreasonably withheld, conditioned or delayed if the basis for the Processing Capacity being set above 310,000 Tons per Contract Year is due to the lower heating value of the waste then being Processed at the Facility. This definition of Processing Capacity shall not alter or diminish the Company’s obligation to accept the Guaranteed Tonnage.

“Process Residue” means bottom ash, fly ash, grate siftings, and other material derived from Acceptable Waste which remains after the combustion of Acceptable Waste.

“Procurement Commission” has the meaning specified in Section 4.03(b).

“Receiving Times” means the hours between 4:00 a.m. and 6:00 p.m. Monday through Sunday, excluding Legal Holidays, or any other times agreed upon by Company and the Contracting Communities, provided, however, that between the hours of 4:00 a.m. and 6:00 a.m. each day, and from 4:00 p.m. to 6:00 p.m. each day, and all day Sunday, an electronic ticket entry is required and there is no staffing.

“Recovered Resources” means (i) steam, electric energy, capacity, ancillary services, ferrous and non-ferrous metals, ash and such other materials of whatever nature or description as the Company may from time-to-time recover from Solid Waste, Process Residue or any other material, whether at the Facility or elsewhere, as determined by the Company in its sole and absolute discretion, and (ii) offsets, credits or benefits of whatever nature or description, for emissions, pollution, green house gas, renewable energy generation, investment, production, taxes or any certificate, grant or intangible entitlement relating to the Facility or its operation, exclusive of diversion credits from the State for waste processed by the Facility.

“Scale Operators” has the meaning specified in Section 4.09(a) hereof.

“*Second Notice*” has the meaning specified in Section 6.05(c)(1) hereof.

“*Service Commencement Date*” has the meaning specified in the Fourth Recital.

“*Service Fee*” has the meaning specified in Section 6.01 hereof.

“*Service Term*” has the meaning specified in the Fourth Recital.

“*Shortfall Payment*” has the meaning specified in Section 4.03(b) hereof.

“*Solid Waste*” means all materials or substances discarded or rejected as being spent, useless, worthless, or in excess to the owners at the time of such discard or rejection, including but not limited to garbage, refuse, industrial and commercial waste, sludges from air or water pollution control facilities or water supply treatment facilities, rubbish, ashes, contained gaseous materials, incinerator residue, demolition and construction debris and offal, but excluding sewage and other highly diluted water-carried materials or substances and those in gaseous form, or special nuclear or by-product materials within the meaning of the Atomic Energy Act of 1954, as amended.

“*Special Waste*” means Acceptable Waste requiring special handling or secure or certified destruction for Processing.

“*State*” means the State of California.

“*Subsequent UCC Termination Threshold*” has the meaning specified in Section 6.05(d) hereof.

“*Termination Avoidance Amount*” has the meaning specified in Section 6.05(d) hereof.

“*Termination Payment*” has the meaning specified in Section 6.05(e) hereof.

“*Third Party Tipping Fee*” has the meaning specified in Section 4.03(b) hereof.

“*Ton*” means a “short ton” of 2,000 pounds.

“*UCC Termination*” has the meaning specified in Section 6.05(d) hereof.

“*Unacceptable Waste*” means that portion of Solid Waste, exclusive of Hazardous Waste, such as, but not limited to: explosives, pathological and biological waste (unless sterilized and otherwise processed to permit incineration in the Facility in accordance with all applicable health and environmental requirements), radioactive materials, ashes, wet cannery waste, foundry sand, sewage sludge unless processed to permit incineration, cesspool and other human waste, human and animal remains, motor vehicles, including such major motor vehicle parts as automobile transmissions, rear ends, springs and fenders, agricultural and farm machinery and equipment, marine vessels and major parts thereof, any other large type of machinery or equipment, liquid wastes, nonburnable construction materials and/or demolition debris, or any other material which (a) may represent a substantial endangerment to public health or safety, as confirmed by an appropriate public health or safety official, or (b) which would

cause applicable air quality or water effluent standards to be violated by virtue of a change in the composition of waste which prevents the Facility from operating as designed and in accordance with applicable environmental and other permits or (c) material not normally collected as part of residential and commercial collections and which has a reasonable possibility of adversely affecting the operation of the Facility, unless such Unacceptable Waste is delivered in minimal quantities and concentrations as part of normal collections but still classified under Applicable Law as Acceptable Waste.

“Unforeseen Circumstance” means any act, event, or condition that has had, or, at the time of the occurrence of such act, event or condition may reasonably be expected to have, a material adverse effect on the rights or the obligations of the parties under this Agreement, or a material adverse effect on the Facility, or the ownership, possession, or operation of the Facility by the Company or its permitted assigns pursuant to Section 9.01 of this Agreement, if such act, event, or condition is beyond the reasonable control of the party relying thereon as justification for not performing an obligation or complying with any condition required of such party under this Agreement and is the proximate cause of such failure to perform or comply; provided that no act, event, or condition that results from the Company’s failure to maintain the Facility in accordance with Article IV shall be deemed an Unforeseen Circumstance. Such acts or events may include, but shall not be limited to, the following:

(a) An act of God, including volcanic eruption, landslide, lightning, earthquake, fire, flood (but excluding reasonably anticipated weather conditions for the geographic area of the Facility); explosion, sabotage, or similar occurrence; acts of a public enemy, extortion, terrorism, war, blockade, or insurrection, riot or civil disturbance;

(b) The order and/or judgment of any federal, state, or local court, administrative agency or governmental body, excepting decisions of federal courts interpreting the federal tax laws and decisions of state courts interpreting state tax laws (or, in the case of ownership of the Facility for tax purposes, excepting the decision of or regulations promulgated by any federal, state, or local court, administrative agency or governmental body), if it is not also the result of the willful or negligent action or inaction of the party relying thereon; provided that neither the contesting in good faith of any such order and/or judgment nor the failure to so contest shall constitute or be construed as a willful or negligent action or inaction of such party;

(c) The failure to issue, suspension, termination, interruption, denial or failure of renewal of any permit, license, consent, authorization or approval essential to the ownership, operation or maintenance of the Facility, but excluding the license or consent of Martin, GmbH, provided that such act or event is the result of the imposition of standards or requirements exceeding those in effect on the Contract Date; provided further that such act or event shall not be the result of the willful or negligent action or inaction of the party relying or seeking to rely thereon but that neither the contesting in good faith of any such order nor the failure to so contest shall be construed as a willful or negligent action or inaction of such party;

(d) A Change in Law;

(e) The failure of any appropriate federal, state, County, City, or local public agency or private utility having operational jurisdiction in the area in which the Facility is

located, to provide and maintain utilities, services, water, and sewer lines and power transmission lines to the Facility Site which are required for and essential to the ownership, operation or maintenance of the Facility;

(f) The failure of any subcontractor or supplier to furnish labor, services, materials, or equipment on the dates agreed to; provided that such failure is itself caused by an Unforeseen Circumstance and materially adversely affects the Company's ability to perform its obligations, and the Company was not reasonably able to foresee such event and is not reasonably able to obtain substitute labor, services, materials, or equipment on the agreed-upon dates;

(g) The condemnation, taking, seizure, involuntary conversion, or requisition of title to or use of the Facility, the Facility Site, or any material portion or part thereof by the action of any federal, State, or local government or governmental agency or authority; or

(h) Any action or failure to act of any Hauler if at the time of such action or failure to act such Person is on the Facility Site and not under the specific direction and control of the Company or the Parent, except as provided for in Section 5.02.

It is expressly understood and agreed that, subject to Applicable Law, the following shall not constitute an Unforeseen Circumstance if not the result of any of the events or conditions specifically described in subparagraphs (a) through (h) above;

(i) adverse changes in the financial ability of any party to perform its obligations hereunder or of the Parent to perform its obligations under the Parent Guaranty;

(ii) the consequences of errors of design, construction, start up, operation or maintenance on the part of the Company or any of its employees, agents, contractors, subcontractors, suppliers or affiliates;

(iii) the failure of the Company to secure licenses or other legal rights in connection with the technology necessary to own, operate or maintain the Facility;

(iv) the lack of fitness for use, or the failure to comply with specifications or design, of any materials, equipment or parts constituting part of the Facility provided that such lack or failure shall not have been the result of the occurrence of a Change in Law;

(v) the result of changed economic circumstances, or impracticability of technology to perform;

(vi) labor disputes other than strikes, lock-outs or breaches of the peace;

"Unforeseen Circumstance Costs" has the meaning specified in Section 6.05(c)(4).

"Waste Delivery Shortfall" has the meaning specified in Section 4.03(b) hereof.

1.03 Interpretation.

In this Agreement, unless the context otherwise requires:

(a) The terms “hereof”, “herein”, “hereunder” and any similar terms, as used in this Agreement, refer to this entire Agreement.

(b) Words of the masculine gender shall mean and include correlative words of the feminine and neuter genders and words importing the singular number shall mean and include the plural number or vice versa.

(c) The terms “including” and “includes”, as used in this Agreement, shall be deemed to be followed by the phrase “without limitation”, whether such phrase or words of similar import actually follow or not.

(d) The term “delivered on behalf of the Contracting Communities” and similar terms shall mean delivered by Haulers under contract or franchise arrangement with the Contracting Communities or by other local governmental authorities on behalf of the Contracting Communities.

ARTICLE II – CONDITIONS PRECEDENT

The obligations and liabilities of each party hereunder shall be subject to the satisfaction of each of the conditions precedent to the obligations and liabilities of such party, as set forth in this Article II, on or prior to the Service Commencement Date.

2.01 Conditions Precedent to the Obligations and Liabilities of the Contracting Communities.

The obligations and liabilities of the Contracting Communities shall be subject to the satisfaction of each of the following conditions precedent on or prior to the Service Commencement Date:

(a) The Parent shall have entered into the Parent Guaranty for the benefit of the Contracting Communities, and the Contracting Communities shall have received a legal opinion from counsel for Guarantor as to the due authorization, execution and delivery of the Guaranty, and to its enforceability, in a form reasonably acceptable to counsel to the Contracting Communities.

(b) The representations of the Company set forth in Section 3.03 hereof shall be true and correct in all material respects as of the Service Commencement Date as if made on and as of such date.

(c) no action, suit, proceeding, or official investigation shall have been overtly threatened, publicly announced, or commenced by any federal, state, or local governmental authority or agency, or by any party in any federal, state, or local court, that seeks to enjoin, assess civil or criminal penalties against, assess civil damages against or obtain any judgment,

order or consent decree with respect to any party to this Agreement as a result of such party's participation or intended participation in any transaction contemplated hereby.

(d) The Amended and Restated Facility Site Lease Agreement in the form set forth in Schedule 3 hereto shall have been duly executed and delivered between the Company and the County.

2.02 Conditions Precedent to the Obligations and Liabilities of the Company.

The obligations and liabilities of the Company shall be subject to the satisfaction of each of the following conditions precedent on or prior to the Service Commencement Date:

(a) The representations of the Contracting Communities in Sections 3.01 and 3.02 hereof shall be true and correct in all material respects as of the Service Commencement Date as if made on and as of such date.

(b) No action, suit, proceeding, or official investigation shall have been overtly threatened, publicly announced or commenced by any federal, state, or local government authority or agency, or by any party in any federal, state, or local court, that seeks to enjoin, assess civil or criminal penalties against, assess civil damages against or obtain any judgment, order, or consent decree with respect to any party to this Agreement as a result of such party's participation or intended participation in any transaction contemplated thereby.

(c) The Amended and Restated Facility Site Lease Agreement in the form set forth in Schedule 3 hereto shall have been duly executed and delivered between the Company and the County.

2.03 Satisfaction of Conditions Precedent.

The parties shall exercise good faith and due diligence in satisfying the foregoing conditions precedent and each party shall give prompt notice to the other party when such conditions precedent shall have been satisfied or waived in writing by the party whose obligation is conditioned thereon.

ARTICLE III – REPRESENTATIONS

3.01 Representations of the County.

The County represents that as of the Contract Date:

(a) The County is a political subdivision of the State, acting by and through its Board of Supervisors, and is duly qualified and authorized to carry on the governmental functions and operations as contemplated by this Agreement, and each other agreement or instrument entered into or to be entered into by the County pursuant to this Agreement.

(b) The County has the power, authority, and legal right to enter into and perform this Agreement, and each other agreement or instrument entered into or to be entered into by the County pursuant to this Agreement, and the execution, delivery, and performance hereof and

thereof (i) have been duly authorized, (ii) do not require the approval of any other governmental body, (iii) will not violate any judgment, order, law, or regulation applicable to the County and (iv) do not (A) conflict with, (B) constitute a default under, or (C) result in the creation in favor of any third party of any lien, charge, encumbrance or security interest upon any assets of the County under, any agreement or instrument to which the County is a party or by which the County or its assets may be bound or affected.

(c) This Agreement, and each other agreement or instrument entered into by the County pursuant to this Agreement, have been duly entered into and constitute, and each agreement or instrument to be entered into by the County pursuant to this Agreement, when entered into, will be duly entered into and will constitute, legal, valid, and binding obligations of the County, enforceable in accordance with their respective terms, except to the extent that enforceability may be limited by the operation of bankruptcy, insolvency or similar laws affecting the rights of creditors generally and to the extent that the enforceability of the Agreement is subject to general principles of equity.

(d) There are no pending or threatened actions or proceedings before any court or administrative agency which would materially and adversely affect the ability of the County to perform its obligations under this Agreement, or any other agreement or instrument entered into or to be entered into by the County pursuant to this Agreement.

3.02 Representations of the City

The City represents that as of the Contract Date:

(a) The City is a municipal corporation under State law acting by and through its City Council, and is duly qualified and authorized to carry on the governmental functions and operations as contemplated by this Agreement and each other agreement or instrument entered into or to be entered into by the City pursuant to this Agreement.

(b) The City has the power, authority, and legal right to enter into and perform this Agreement, and each other agreement or instrument entered into or to be entered into by the City pursuant to this Agreement, and the execution, delivery, and performance hereof and thereof (i) have been duly authorized, (ii) do not require the approval of any other governmental body (other than the County), (iii) will not violate any judgment, order, law, or regulation applicable to the City and (iv) do not (A) conflict with, (B) constitute a default under, or (C) result in the creation of any lien, charge, encumbrance or security interest upon any assets of the City under, any agreement or instrument to which the City is a party or by which the City or its assets may be bound or affected.

(c) This Agreement, and each other agreement or instrument entered into by the City pursuant to this Agreement, have been duly entered into and constitute, and each agreement or instrument to be entered into by the City pursuant to this Agreement, when entered into, will be duly entered into and will constitute, legal, valid, and binding obligations of the City, enforceable in accordance with their respective terms, except to the extent that enforceability may be limited by the operation of bankruptcy, insolvency or similar laws affecting the rights of creditors

generally and to the extent that the enforceability of the Agreement is subject to general principles of equity.

(d) There are no pending or threatened actions or proceedings before any court or administrative agency which would materially and adversely affect the ability of the City to perform its obligations under this Agreement, or any other agreement or instrument entered into or to be entered into by the City pursuant to this Agreement.

3.03 Representations of the Company.

The Company represents that as of the Contract Date:

(a) The Company is a corporation duly organized, validly existing, and in good standing under the laws of the State of California and has all necessary corporate power and authority to own, lease, and operate its properties and to carry on its business as now being conducted by it, and is duly qualified to do business and is in good standing in all other jurisdictions in which the nature of the Company's business or of its properties makes such qualification necessary, and is in compliance in all material respects with all laws, regulations, and requirements where failure to so comply would have material adverse effect on the Company's business.

(b) The Company has the power, authority, legal capacity, and right to enter into, and to perform, its obligations under this Agreement, and each other agreement or instrument entered into or to be entered into by the Company pursuant to this Agreement, and the execution, delivery, and performance hereof and thereof and the transactions contemplated hereby and thereby (i) have been duly authorized by the Company's Board of Directors and, if necessary, by the Company's shareholders, (ii) have the requisite approval of all governmental bodies other than permits or approvals which have been or, in due course, will be applied for, but are not yet issued, (iii) will not result in a violation of any of the terms or provisions of the Articles of Incorporation or Bylaws of the Company, of any indenture or other agreement to which the Company may be a party or by which the Company may otherwise be bound, or of any law, rule, license, regulation, judgment, order, ruling, or decree governing or affecting the operation of the Company or its business, nor will the same constitute an event permitting termination of any agreement or the acceleration of any indebtedness, (iv) do not (A) conflict with, (B) constitute a default under, or (C) result in the creation of any lien, charge, encumbrance, or security interest upon any assets of the Company under any agreement or instrument to which the Company is a party or by which the Company or its assets may be bound or affected.

(c) The Company holds, or is expressly authorized under, the necessary operating permits, patent rights, licenses, and franchises to operate the Facility consistent with, and as may be required by, this Agreement.

(d) This Agreement, and each other agreement or instrument entered into by the Company pursuant to this Agreement, have been duly entered into and constitutes, and each agreement or instrument to be entered into by the Company pursuant to this Agreement, when entered into, will be duly entered into and will constitute, legal, valid, and binding obligations of the Company, enforceable in accordance with their respective terms, except to the extent that

enforceability may be limited by the operation of bankruptcy, insolvency or similar laws affecting the rights of creditors generally and to the extent that the enforceability of the Agreement is subject to general principles of equity.

(e) No suit, action, arbitration, or legal, administrative, or other proceeding or governmental investigation is pending or threatened against the Company, the business of the Company, or any related assets before any court or administrative agency which would materially adversely affect the financial condition of the Company, or the ability of the Company to perform its obligations under this Agreement, or any other agreement or instrument entered into or to be entered into by the Company pursuant to this Agreement.

**ARTICLE IV – OPERATION OF FACILITY;
DELIVERY AND PROCESSING OF WASTE**

4.01 Commitment to Deliver Waste.

(a) On and after the Service Commencement Date, the Contracting Communities shall deliver or cause to be delivered to the Facility or, as applicable, in accordance with Alternate Disposal Methods, on a put-or-pay basis, the Billing Period Tonnage for each Billing Period and the Guaranteed Tonnage for each Contract Year. Acceptable Waste delivered or tendered for delivery to the Facility by or on behalf of the Contracting Communities and rejected by the Company due to one or more scheduled maintenance outages during any Contract Year which aggregate more than 672 hours shall count towards such put-or-pay obligation of the Contracting Communities, in addition to other remedies, if any, applicable to such rejection under this Agreement.

(b) In addition to the Guaranteed Tonnage, the Contracting Communities may tender for delivery, and if so tendered and if Processing Capacity at the Facility is available, the Company shall accept, additional Acceptable Waste (originating within the territorial limits of the Contracting Communities) in excess of the Guaranteed Tonnage up to the Processing Capacity of the Facility (“*Excess Waste*”).

(c) In order to assist the Contracting Communities and their Haulers in cost-effective routing of waste to alternative disposal sites when necessary, the Company shall continue to notify the Contracting Communities promptly of any unscheduled outage at the Facility. In addition, the Company shall continue to notify the Contracting Communities no less than 12 (twelve) hours in advance of any known or readily identifiable operational condition at the Facility, such as a quantity of waste in the pit which would cause the Facility to not meet permitted pit turnover requirements, which would cause the Facility to be unable to accept Acceptable Waste for processing and to divert such Acceptable Waste to an alternate disposal site. Said notice shall include the approximate duration of the diversion and shall be provided to both the City and the County Solid Waste Offices via e-mail or other method mutually acceptable to the parties, so that City and County can notify their Haulers to use alternative disposal sites.

(d) The Contracting Communities hereby designate the Facility as the Contracting Communities’ resource recovery facility for the disposal of not less than the Guaranteed

Tonnage each Contract Year and agree to maintain such designation during the term of this Agreement.

4.02 Commitment to Accept, Process and/or Dispose of Waste.

(a) The Company shall accept and Process, and/or dispose of Acceptable Waste utilizing the Facility or Alternate Disposal Methods, in an amount at least equal to the Billing Period Tonnage for each Billing Period and in an amount at least equal to the Guaranteed Tonnage for each Contract Year.

(b) Upon either party's request, the monthly schedule of Billing Period Tonnage in Schedule 1 shall be reviewed for potential annual adjustments to accommodate scheduled maintenance and other anticipated downtime of the Facility, seasonal variations in waste generation, and maximization of electricity generation during peak electric demand periods. Such annual adjustments shall only be made upon the mutual consent of the Contracting Communities and the Company, the consent for which from each party shall not be unreasonably withheld.

(c) In the event the Facility is unable to Process any Billing Period Tonnage, or the Guaranteed Tonnage for any Contract Year and the Company is in compliance with Section 4.03 below, the Company shall be entitled to fulfill its obligations to accept, Process, and/or dispose of Acceptable Waste by using Alternate Disposal Methods, which use of Alternate Disposal Methods may include use of the Facility as a transfer station. If the Company determines to use an Alternate Disposal Method during any Billing Period, the Company shall, as promptly as practicable, notify the Contracting Communities by telephone (which notice shall be confirmed in writing within five (5) days) of such determination and shall consult with the Contracting Communities with regard to (i) the use of any Alternate Disposal Method and (ii) the amount of County or City Tons, per day, delivered by the County or City pursuant to such Alternate Disposal Methods; provided that the Company shall continue to accept Acceptable Waste at the Facility for thirty-six (36) hours after giving such telephonic notice to the extent that such acceptance will not violate any environmental permit or Applicable Laws. The Company shall give the Contracting Communities equivalent notice of its intention to terminate use of Alternate Disposal Methods and will consult with the Contracting Communities regarding the need for any additional alternate facility.

(d) The Company has the right, without any obligation to pay damages or adjustments during any Billing Period, to not Process Acceptable Waste from the Contracting Communities for up to 672 hours in each Contract Year for scheduled maintenance outages, provided that this right shall be subject to the Company's obligations under this Agreement to Process the Guaranteed Tonnage and the Company's obligations under Section 4.03 below.

4.03 Contracting Communities Right of First Use.

(a) Unused Capacity. The Contracting Communities shall have a right of first use of all Processing Capacity at the Facility in accordance with this Section 4.03. If at any time and from time to time, the Contracting Communities have not delivered sufficient Acceptable Waste to fill the Processing Capacity of the Facility, then within twenty-four (24) hours of the

Company's notice to the Contracting Communities of the existence of unused Processing Capacity at the Facility, the Company shall have the right to market, for the benefit of both the Contracting Communities and the Company, as provided in Sections 4.03(b) and (c) below, the difference between the Processing Capacity and the total of Acceptable Waste being delivered by the Contracting Communities.

(b) Shortfalls in Delivery. If the Company procures waste from third parties to mitigate a shortfall in the Contracting Communities meeting their scheduled Billing Period Tonnage and/or Guaranteed Tonnage deliveries (a "*Waste Delivery Shortfall*"), then the Company shall be entitled to, and the Contracting Communities shall owe, a procurement commission of 15% (the "*Procurement Commission*") of the tipping fee paid by third parties (the "*Third Party Tipping Fee*") for the procurement of such waste. In addition, if the Third Party Tipping Fee is less than the Guaranteed Tonnage Tipping Fee, then, in addition to the Procurement Commission, (a) the Contracting Communities shall pay to the Company the difference between the Third Party Tipping Fee and the then current Guaranteed Tonnage Tipping Fee ("*Shortfall Payment*"), but (b) the Contracting Communities shall have the right, upon forty-eight (48) hours notice to the Company, to terminate any such Company waste supply arrangement which results in net payments by the Contracting Communities and direct the Company to accept Acceptable Waste from alternative sources procured by the Contracting Communities in order to reduce the Waste Delivery Shortfall. If the Third Party Tipping Fee is greater than the then current Guaranteed Tonnage Tipping Fee, the "*Excess Tipping Fee Revenues*" derived therefrom shall be separately accounted for and used as a credit against past, present and/or future Shortfall Payments. For the purposes of this calculation, it is assumed that the Procurement Commission in such cases will be paid separately by the Contracting Communities to the Company, and the Contracting Communities may permit such Excess Tipping Fee Revenues to be applied toward such purpose. Any such Excess Tipping Fee Revenues remaining at the expiration or termination of this Agreement shall be entirely for the Company's account.

(c) Fees from Excess Waste and Special Waste. If the Company is procuring Excess Waste (other than Special Waste) from third parties, (i) the Company shall retain for its own account the portion of the Third Party Tipping Fee for such Excess Waste up to the then applicable Excess Waste Tipping Fee, and (ii) the portion of such Third Party Tipping Fee in excess of the then applicable Excess Waste Tipping Fee shall be split 60% to the Company and 40% to Contracting Communities. The Company shall retain for its own account the entire Third Party Tipping Fee for Special Waste. The Company agrees that the Contracting Communities may dispose at the Facility, free of charge, Special Waste arising out of governmental activities occurring within Stanislaus County, such as illegal drugs confiscated by law enforcement agencies.

(d) Waste Delivery Priorities. Acceptable Waste delivered by the Contracting Communities pursuant to this Agreement shall have Processing priority over any waste arranged by the Company, except that Excess Waste delivered by the Contracting Communities shall be subordinate as follows:

(i) From July 1, 2012 until January 1, 2016, up to 7,300 Tons per Contract Year of Special Waste arranged by the Company, shall have priority over Contracting Communities Excess Waste; and

(ii) From January 2, 2016 until July 1, 2027, up to 12,200 Tons per Contract Year of Special Waste arranged by the Company shall have priority over Contracting Communities Excess Waste.

Special Waste deliveries to the Facility arranged by the Company shall in no event exceed the amounts set forth in Section 4.03(d)(i) and (ii) above for the periods set forth therein.

4.04 Operation of the Facility.

(a) The Company shall operate and maintain the Facility in such manner as to ensure that the Facility is able on a continuous basis, subject to the requirements of sound operating practice, to receive and Process Acceptable Waste as required by this Agreement.

(b) (1) By the Service Commencement Date, the County and the City shall each designate in writing a person to act as the service coordinator with respect to matters which may arise during the performance of this Agreement, and such person shall have authority to transmit instructions, receive information and confer with the Company's service coordinator.

(2) By the Service Commencement Date, the Company shall designate in writing a person to act as the Company's service coordinator with respect to matters which may arise during the performance of this Agreement, and such person shall have authority to transmit instructions and receive information and confer with the County and the City service coordinators.

(3) At any time after the initial designation by either party of its service coordinator, such party may designate a successor service coordinator by notice to the other party.

4.05 Facility Maintenance.

(a) Safety of Persons and Property. The Company represents that it shall on and after the Service Commencement Date at its cost and expense: (i) take all reasonable precautions for the safety of, and provide all reasonable protection to prevent damage, injury, or loss by reason of or related to the operation of the Facility to, (A) all employees working in the Facility and all other persons who may be involved with the operation or maintenance of the Facility, (B) all materials and equipment under the care, custody, or control of the Company, and (C) other property on the Facility Site, including trees, shrubs, lawns, walks, pavements, roadways, structures, and utilities; (ii) establish and maintain the safety procedures of the Facility at a level consistent with Applicable Law and normal boiler and electrical generating plant practice; (iii) establish and enforce all reasonable safeguards for safety and protection, including posting danger signs and other warnings against hazards and promulgation of safety regulations; (iv) give all notices and comply with all Applicable Laws, rules, and lawful orders of any public authority relating to the safety of persons or property or their protection from damage, injury, or loss; and (v) designate a qualified, responsible member of its organization at the Facility whose

duty shall be plant safety, the prevention of fires and accidents, and the coordination of related activities, as necessary with federal, State, County and City officials.

(b) Repair and Maintenance. The Company shall, on and after the Service Commencement Date and at its cost and expense, maintain the Facility and Facility Site at all times in good, clean, orderly condition, including implementing necessary repairs, purchasing necessary replacement equipment or parts for the Facility and clean-up consistent with industry standards relating to Acceptable Waste handling. The Company may at its own cost and without changing the rights and obligations of the parties hereunder incur any Capital Cost at the Facility at any time without the approval of the Contracting Communities. The Company shall, however, provide 30 days prior notice to the Contracting Communities of, and consider in good faith the comments received from the Contracting Communities during such 30-day period relating to, any proposed Capital Cost at the Facility in excess of \$500,000.

(c) Staffing. The Company shall at its cost and expense staff the Facility during the entire Service Term with the appropriate number of hourly and salaried employees consistent with good management practice. The Company will make reasonable efforts to staff the Facility with residents of the County.

(d) Facility Equipment Services. The Company shall on and after the Service Commencement Date: (i) at its cost and expense, keep the Facility in good operating condition and repair, ordinary wear and tear excepted, and replace the same if necessary to enable performance consistent with this Agreement.; (ii) not permit anyone other than those adequately trained to use, repair, or overhaul the Facility; (iii) operate, at its cost and expense, the Facility in compliance with all applicable federal, State, County and City laws, rules, and regulations, including those pertaining to the environment and the federal Occupational Safety and Health Act, as amended, and the equivalent California requirements; and (iv) notify the Contracting Communities promptly if the Facility should be seriously damaged, irrespective of cause.

4.06 Contracting Communities' Visits and Inspections; Record Keeping and Reporting; Testing.

(a) The Contracting Communities and their representatives shall have (i) at any reasonable time during the term of this Agreement and upon prior reasonable notice to the Company, the right to visit and inspect, and (ii) upon reasonable notice from the Contracting Communities and the consent of the Company, which shall not be unreasonably withheld, to take visitors through the Facility, in order to observe and to permit others to observe the various services which the Company performs; provided that such visits shall be conducted in a manner so as to minimize interference with the Company's performance under this Agreement.

(b) In connection with such inspections or visits, the Contracting Communities shall, on their behalf, and on behalf of their agents and representatives, comply, and cause their agents and representatives to comply with all reasonable rules and regulations adopted by the Company, including a requirement that each person inspecting or visiting the Facility sign a statement agreeing (1) to assume the risk of being in the Facility, but not the risk of injury due to the intentional or grossly negligent acts of the Company and (2) not to disclose or use, consistent with Applicable Law, any confidential information of the Company other than for the purpose

for which it was furnished. The Company shall maintain and calibrate all Facility instrumentation at its cost and expense, except as otherwise provided in Section 4.09(b). If, upon inspection, the Contracting Communities shall discover any deficiencies in the cleanliness, repair, replacement or appearance of the Facility, the Contracting Communities may, but shall not be required to, give the Company written notification thereof.

(c) (1) The Company shall establish and maintain an information system to provide storage and ready retrieval of Facility operating data, including all information necessary to verify calculations made pursuant to this Article IV and pursuant to Article VI.

(2) The Company shall prepare and maintain proper, accurate, and complete books and records and accounts of all transactions related to the Facility.

(3) The Company shall provide the Contracting Communities with monthly operations reports no later than five (5) working days after the close of the previous calendar month, including, but not limited to the following operating data: (A) the amount of Tons of Acceptable Waste and Excess Waste delivered by or on behalf of the Contracting Communities by truck with appropriate identification, indicating date and time of arrival; (B) the amount of Acceptable Waste delivered by third parties and not on behalf of the Contracting Communities, if any; (C) the total quantity of Process Rejects and Process Residue leaving the Facility; (D) the Tons of Contracting Communities By-Pass Waste; (E) the amount of Special Waste delivered (i) that was arranged by the Company or delivered by third parties, or (ii) by the Contract Communities; and (F) a statement of the amount of Excess Electric Revenue (defined below) and Excess Tipping Fee Revenue (defined above) received. These reports shall present the data in a form reasonably acceptable to the Contracting Communities and the Consulting Engineer.

(4) The Company shall provide the Contracting Communities, its auditors, and the Consulting Engineer with reasonable access, including compatible computer data communication links, to the scale house and Facility meters and those records necessary to substantiate the Service Fee including records relating to quantities of Acceptable Waste delivered to the Facility, Excess Electric Revenues, Excess Tipping Fee Revenues, Contracting Communities By-Pass Waste and Process Residue leaving the Facility.

(d) The Contracting Communities shall have the right to cause an independent third party to audit the books and records of the Company relating to the accounting of all revenues, costs, liabilities or expenditures that affect the rights, obligations or liabilities of the Contracting Communities under this Agreement, by providing to the Company written notice of exercise of such audit right within three years after the closing of the books for any period to be audited. The independent third party shall enter into a confidentiality agreement reasonably acceptable to the Company and the Contracting Communities before accessing such books and records of the Company. Following execution of such confidentiality agreement, the Company shall cooperate in all reasonable respects with the audit. The parties shall reconcile any discrepancy revealed by the audit within 60 days after the conclusion thereof. The Company shall maintain and calibrate all Facility instrumentation at its cost and expense.

4.07 Rejection Rights.

(a) Rejection of Deliveries. The Company may reject Acceptable Waste (i) delivered at hours other than the Receiving Times, or (ii) in excess, in any applicable period, of the number of Tons set forth on Schedule 1 applicable thereto, but subject to the Contracting Communities rights hereunder to deliver Excess Waste pursuant to Section 4.01(b) and to the Company's rights under Section 4.03. The Company may not reject any Acceptable Waste (including Excess Waste) brought by or on behalf of the Contracting Communities while it is accepting Waste from any other sources, except as otherwise provided in Section 4.03. Acceptable Waste which the Company so rejects shall not be included in the computation of the Guaranteed Tonnage or other calculations herein.

(b) Composition of Acceptable Waste. Nothing in this Agreement shall be construed to mean that the Contracting Communities guarantee the composition of any Acceptable Waste as it pertains to the proportion of any material contained therein or the energy value thereof; provided that this Section 4.07(b) shall not limit any right the Company may have to seek an equitable adjustment of the Service Fee or the Guaranteed Tonnage or the Billing Period Tonnages pursuant to Section 6.03 to reflect extensive change in the energy content of Acceptable Waste.

4.08 Receiving and Operating Hours.

(a) On and after the Service Commencement Date, the Company shall keep the Facility, and alternate facilities under the control of the Company, if any, as Alternate Disposal Methods, open for the receiving of Acceptable Waste during the Receiving Times.

(b) If the Company requests and the Contracting Communities agree, the Contracting Communities shall deliver and the Company shall accept Acceptable Waste at times other than the Receiving Times at no additional cost to the Contracting Communities.

(c) Upon the Contracting Communities' request and if permitted under Applicable Law and permit conditions, the Company shall accept deliveries of Acceptable Waste at times other than the Receiving Times upon seven (7) days' prior written notice (or such shorter notice as may be practicable in the event of the occurrence of a natural disaster or other emergency condition). If the Company accepts waste pursuant to this Section 4.08(c), or otherwise agrees to accept such waste other than pursuant to Section 4.08(b), at hours other than the Receiving Times, the Contracting Communities shall pay all additional costs, if any, incurred by the Company as a result of extending the hours of Receiving Times, upon submission of Cost Substantiation.

4.09 Weighing of Waste Deliveries, Etc. The Company shall cooperate to minimize unloading delays at the Facility during the Receiving Times.

(a) The County, on and after the Service Commencement Date, shall operate weighing facilities at the Fink Road Landfill for the purpose of determining the total Tons of Acceptable Waste delivered to the Facility and the respective Tons of all categories of materials leaving the Facility. The County shall be responsible for providing qualified County employees (the "*Scale Operators*") for the operation of the weighing facilities from 8:00 a.m. to 4:00 p.m.

Monday through Saturday, but not on Sundays or Legal Holidays. The County shall operate the scalehouse at all Receiving Times (which may be done without staff) and whenever the Contracting Communities request, pursuant to Section 4.08(c), that the Company accept deliveries of Acceptable Waste at times other than the Receiving Times. Such operation of the scalehouse shall be at the expense of the County. Upon the Company's request, the County shall operate the scalehouse at times other than the Receiving Times upon thirty (30) days prior written notice, unless a shorter time period is necessary or reasonable under the circumstances and agreed to by the County. If the County operates the scalehouse at hours other than the Receiving Times at the Company's request, the Company shall pay all additional costs, if any, incurred by the County as a result of extending the hours of Receiving Times, within thirty (30) days after submission of Cost Substantiation.

(b) The County shall be solely responsible for the compensation of the Scale Operators. The Scale Operators shall at all times be under the supervision, direction and control of the County. The County shall be responsible for and bear the cost of supplies and materials incidental to operation of the scalehouse computer system (including hardware and software), and for labor and materials required for purposes of housekeeping in the scalehouse. The Company shall be responsible for and bear the cost of the installation, maintenance and repair (other than repairs required due to the negligence or other wrongful conduct of County personnel), of such weighing facilities, including the scales and the scalehouse itself (excluding the computer and its hardware and software systems). The Company shall retain ownership of the scale, the scalehouse, the scalehouse computer system and the customary office equipment provided by the Company related thereto. The computer equipment and software shall be the sole responsibility of the County, acting in its sole discretion. Software or computer equipment changes may be proposed at any time by the Company. All determinations of whether to utilize any new equipment or software shall be made by the County and the cost thereof shall be an expense of the Contracting Communities.

(c) If at any time testing of the weighing facilities indicates that the scales do not meet the accuracy requirements of the Stanislaus County Agricultural Commission and Sealer of Weights and Measures, any adjustments of scale records actually recorded during the preceding thirty (30) days shall be negotiated by the Contracting Communities and the Company. If all weighing facilities are incapacitated or are being tested, the County, in consultation with the Company, shall estimate the quantity of Acceptable Waste delivered on the basis of truck volumes and estimated data obtained through historical information pertinent to the Company. These estimates shall be the basis for records during the scale outage and shall take the place of actual weighing records during the scale outage.

(d) The County shall provide daily computer printouts or copies of all weight tickets or electronic delivery of the data to the City, the Company, and the applicable Hauler. Copies of all daily records and weight tickets shall be maintained by the County for a period of at least two (2) years.

(e) The Company hereby reserves the right to have its representatives present at the Facility's scalehouse during the Receiving Times, or other hours that the Facility is open to receive Acceptable Waste pursuant to Section 4.08, to monitor the County's compliance with the provisions of this Section 4.09. If the Company, during the term of this Agreement or any

extension hereof, reasonably believes the County has failed to provide satisfactory operation of the scalehouse, computer or software system, the Company shall give the County written notice of the alleged lack of satisfactory performance. The Company shall specify the nature of the alleged unsatisfactory performance and the County shall have thirty (30) days in which to cure the alleged unsatisfactory performance. If the Company substantially prevails in an action alleging such unsatisfactory performance by the County, the Company may, at its option, take over operation of the scalehouse and operate it pursuant to the provisions of this Section 4.09.

(f) In addition to the indemnification and liability provisions otherwise contained herein, the County will be responsible for and shall indemnify the Company and the City against any property damage caused by the Scale Operators while in the scalehouse or on the Facility Site or the scalehouse grounds, except to the extent such damage is due to the negligent acts or negligent omissions of the Company. This includes amounts required to repair such damage that are not covered by the insurance to be maintained by the Company in accordance with Schedule 5 hereto, including but not limited to the self-insurance and deductible portions thereof.

4.10 Storage.

After delivery to the Facility and acceptance by the Company, no waste may be stored outside the Facility structure, except during an emergency or an Unforeseen Circumstance and then only if applicable environmental and safety requirements are met.

4.11 Regulation of Haulers.

(a) On and after the Service Commencement Date, the Contracting Communities shall require that each Hauler: (i) meet the requirements of Schedule 6 for the issuance of a franchise authorizing collection and/or transportation, or (ii) apply for such franchise from the Contracting Communities in accordance with such Schedule 6 requirements and otherwise take such actions as may be necessary to comply with the requirements of Schedule 6 in respect of the issuance of such franchise; and (iii) obtain and maintain such franchise.

(b) Notwithstanding the foregoing and any provisions set forth in Schedule 6 that may specify other requirements, the Contracting Communities shall require, as a condition of the issuance and maintenance of a franchise to any Hauler that such Hauler obtain and maintain commercial general liability insurance in form sufficient to insure against damage to and loss or destruction of property and injury to persons, in an amount at least equal to \$2,000,000 for each occurrence. Each policy of such insurance shall (i) name the Contracting Communities and the Company as additional insureds and (ii) provide that such policy shall not be cancelled, terminated, amended, or permitted to lapse upon less than ten (10) days' prior written notice to the Contracting Communities and to the Company.

(c) The Contracting Communities shall (i) use all reasonable efforts to enforce the requirements referred to in Section 4.11(a) above and Schedule 6, and (ii) cause the Haulers to comply with all reasonable traffic and safety rules, issued in writing by the Company, for the Facility.

4.12 Assistance with Water and Utilities.

The Contracting Communities shall, upon the reasonable request of the Company, provide assistance in obtaining access to suitable water and utilities for the operation of the Facility, including the use of existing Contracting Communities' roads, easements, and rights-of-way, but the primary responsibility shall remain with the Company.

**ARTICLE V – DISPOSAL OF PROCESS
RESIDUE AND PROCESS REJECTS**

5.01 Disposal.

(a) The Company shall be responsible for removing from the Facility, and transporting and disposing of, all Process Residue and By-Pass Waste. Such removal, transport and disposal shall be performed in accordance with all Applicable Laws regulating such material, its transportation and disposal.

(b) The Company shall remove ferrous metals from the Process Residue and shall sell or dispose of such ferrous metal at a location other than the Landfill.

(c) The Company shall have the sole and absolute right, at the Company's option, and pursuant to such terms and conditions as the Company determines in its sole and absolute discretion, to sell, trade, donate or otherwise alienate any and all Recovered Resources, solely for the account of the Company (except as provided in Section 6.05(c)).

5.02 Inadvertent Deliveries of Process Rejects.

(a) The Contracting Communities shall use all reasonable efforts to cause only Acceptable Waste to be delivered to the Facility and in connection with the use of Alternate Disposal Methods. However, the parties agree that any inadvertent deliveries by the Contracting Communities of Process Rejects to the Facility or, as applicable, in using Alternate Disposal Methods shall not constitute a breach of the Contracting Communities' obligations hereunder. The Company shall remove from the Facility or, as applicable, any alternate facility being used by the Company as Alternate Disposal Methods, all Unacceptable Waste delivered by the Contracting Communities and transport and dispose of such, at a site or sites as directed by the Contracting Communities, at the cost and expense of the Contracting Communities based on the Company's direct costs. The removal, transport, and disposal of Unacceptable Waste shall be performed in accordance with Applicable Laws. The Company shall provide Cost Substantiation for all direct costs incurred under this Section 5.02.

(b) The Company in its sole discretion shall have the right to inspect on the Facility Site the contents of any vehicle, including the right to require the Hauler operating such vehicle to unload the contents in the receiving area for purposes of inspection, to determine the possible presence of Process Rejects. If any such vehicle is found to contain Process Rejects, the Company may reject delivery of a portion or all of the contents of such vehicle and (i) if such vehicle contains Unacceptable Waste, disposal of such Unacceptable Waste shall be the sole responsibility of the Hauler operating such vehicle or (ii) if such vehicle contains Hazardous Waste, the Company shall follow the procedures and have the obligations set forth in

paragraph (c) of this Section 5.02. The Company shall promptly notify the Contracting Communities by telephone (followed by written notification) of any Hauler delivering, or suspected of delivering, significant amounts of Unacceptable Waste or Hazardous Waste to the Facility and provide to the Contracting Communities any data collected or records prepared related to such delivery.

(c) The Contracting Communities shall be solely responsible for the storage, identification, testing, protection, containment and prompt removal from the Facility Site of Hazardous Waste delivered by or on behalf of the Contracting Communities. This includes any Haulers delivering waste pursuant to contracts or franchise arrangements with the Contracting Communities and any third party delivering waste as part of the Guaranteed Tonnage of the Contracting Communities. With regard to Hazardous Waste delivered by or on behalf of the Contracting Communities, the Company's sole obligations are as follows, at the cost and expense of the Contracting Communities:

(i) Upon discovery of Hazardous Waste delivered by or on behalf of the Contracting Communities on the Facility Site, whether such discovery is made by way of an inspection pursuant to Section 5.02(b) or otherwise, the Company shall notify the Contracting Communities of such discovery;

(ii) The Company shall follow the reasonable directions of the Contracting Communities regarding removal of such Hazardous Waste delivered by or on behalf of the Contracting Communities from the pit, tipping floor or any other location on the Facility Site and placement of such Hazardous Waste at a safe location, if any, on the Facility Site; provided that the Company shall use any reasonable methods immediately available to it to prevent Hazardous Waste from causing dangerous conditions to life or property or from violating any Applicable Laws related to Hazardous Waste prior to its removal from the Facility Site;

(iii) The Company shall cooperate with the Contracting Community with regard to the Contracting Community's obligations to store, identify, test, protect, contain and promptly transport from the Facility Site such Hazardous Waste; and

(iv) The Company shall use reasonable care with regard to Hazardous Waste when such Hazardous Waste is on the Facility Site.

(d) If Unacceptable Waste or Hazardous Waste is delivered to the Facility by or on behalf of third parties that were not engaged by the Contracting Communities, the Contracting Communities' share of the cost incurred to remedy such delivery shall be in accordance with the benefit to the Contracting Communities of the tipping fee revenue from the delivery of such waste to the Facility had it been Acceptable Waste pursuant to Section 4.03.

(e) The Company shall be excused from failure or delay in performance of its obligations under this Agreement to the extent such failure or delay is caused by the delivery of Hazardous Waste by or on behalf of the Contracting Communities but not delivery of Hazardous Waste by any third parties on behalf of the Company.

5.03 Provision of Disposal Site.

Commencing on the Service Commencement Date and continuing through the Service Term, the Contracting Communities shall provide disposal capacity at the Fink Road Landfill (the "*Landfill*") for the Company's disposal of all Process Residue, Unacceptable Waste and By-Pass Waste from the Facility. The Company may dispose of all Process Residue, Unacceptable Waste and By-Pass Waste from the Facility at the Landfill and shall pay to the Contracting Communities (collectively, the "*Landfill Tipping Fee*"): (i) a tipping fee of \$26 for each Ton of Process Residue, and (ii) the then-posted gate rate at the Landfill for By-Pass Waste delivered to the Landfill. The portion of the Landfill Tipping Fee for Process Residue shall escalate annually at the same time and by the same percentage as the Guaranteed Tonnage Tipping Fee for Acceptable Waste escalates, after giving effect to the limiting parameters in the definition of such term set forth in Section 6.01 below. The Company may dispose of Unacceptable Waste delivered to the Facility by or on behalf of the Contracting Communities at the Landfill free of charge. The Contracting Communities shall not be obligated to pay to the Company any tipping fee for Unacceptable Waste delivered to the Facility by or on behalf of the Contracting Communities but shall only pay to the Company substantiated incremental handling, removal and transport costs for removing such Unacceptable Waste from the Facility, provided that the Contracting Communities make the Landfill available to the Company for disposal of such Unacceptable Waste free of charge. The Contracting Communities shall keep the Landfill open between the hours of 8:00 a.m. and 4:00 p.m., Monday through Saturday, and exclusive of Sundays and Legal Holidays. If because of an Unforeseen Circumstance, the Contracting Communities are unable to make or to continue to make the Landfill available to the Company, the Contracting Communities shall nevertheless make available to the Company other properly permitted sanitary landfills or suitable emergency disposal sites sufficient to satisfy the provisions of this Section.

ARTICLE VI – SERVICE FEE AND OTHER PAYMENTS

6.01 Service Fee.

Commencing with the first Billing Period and for each Billing Period thereafter, the Company shall be paid a Service Fee by the Contracting Communities for accepting, Processing, and/or disposing of Acceptable Waste that the Contracting Communities deliver to the Facility during each such Billing Period, but subject to Section 4.03(b) above, the aggregate Service Fee for each Billing Period shall not be less than what the aggregate Service Fee for such Billing Period would have been if the Contracting Communities had delivered the Billing Period Tonnage to the Facility during such Billing Period. Subject to the foregoing, the "*Service Fee*" shall be calculated in accordance with the following formula:

$$SF = GTTF + EWTF - LTF \pm OA$$

WHERE:

SF = Service Fee
GTTF = Guaranteed Tonnage Tipping Fee
EWTF = Excess Waste Tipping Fee
LTF = Landfill Tipping Fee
OA = Other Amounts

WHERE:

“Guaranteed Tonnage Tipping Fee” means \$32 per Ton of Acceptable Waste in the first Contract Year; the then-current Guaranteed Tonnage Tipping Fee shall be escalated annually effective on July 1st of each Contract Year, beginning July 1, 2013, by the percentage increase, as of the immediately preceding January 1st compared to the next preceding January 1st, in the Consumer Price Index, “Urban Wage Earners and Clerical Workers, All items, West – Size B/C (1996 = 100, not seasonally adjusted)” or if no longer published, a replacement index substituted by agreement of the parties each acting in good faith. At the time of each annual escalation, the as-escalated tip fee shall be (a) no greater than 120% of the average of the posted gate rates per Ton for the landfills (whether or not owned by the County) within a geometric radius of 50 miles from the Facility; and (b) no less than \$32 per Ton; and if 120% of such average is less than \$32 per Ton, then the Guaranteed Tonnage Tipping Fee for such Contract Year shall nevertheless be \$32 per Ton;

“Excess Waste Tipping Fee” means for the first 10,000 Tons per Contract Year of Excess Waste, \$2.00 per Ton less than the then applicable Guaranteed Tonnage Tipping Fee, and for all further Excess Waste in such Contract Year, \$4.00 per Ton less than the then applicable Guaranteed Tonnage Tipping Fee;

“Landfill Tipping Fee” has the meaning given it in Section 5.03 above; and

“Other Amounts” has the meaning given it in Section 6.04(a)(ii) below.

6.02 Costs and Benefits of Facility.

(a) Except as expressly otherwise provided herein, or in the Facility Site Lease, Covanta shall solely bear all costs and risks, and have all benefits of ownership, operation and maintenance of the Facility, including casualties, liability and Unforeseen Circumstances (except as provided in Section 6.05 with respect to Unforeseen Circumstances).

(b) Notwithstanding Section 6.02(a), the Contracting Communities shall reimburse Covanta for any taxes, assessments or fees imposed by the County, the City, or any special taxing district or authority under the control of the County or City, that are imposed on Covanta, the Facility, its operation or the solid waste industry and that are not generally applicable throughout the entire County (collectively, **“Discriminatory Taxes”**). Except for Discriminatory Taxes, Covanta will be responsible for the payment of any ad valorem taxes, personal or business taxes, and possessory interest lease or property taxes.

6.03 BTU Values.

If, in the Company's reasonable judgment, the energy content of waste delivered to the Facility shall, on a weekly average basis over any period of twelve (12) consecutive weeks or more, either be more than 5200 BTU, (HHV) per pound, or less than 3800 BTU higher heating value (HHV) per pound, the Company may propose in writing to the Contracting Communities adjustments in the Service Fee or the Billing Period Tonnages and the Guaranteed Tonnage to reflect such a change in the energy content of the waste. In its proposal, the Company shall set forth in reasonable detail the results of measurements made and tests conducted during the period in question which tests and results shall be reasonably acceptable to, and confirmed by, the Consulting Engineer, demonstrating that waste with an energy content outside the above limits was Processed through the Facility during such period. As soon as practicable after the Contracting Communities receive the Company's proposal, the Contracting Communities and the Company shall undertake discussions of such proposal in good faith.

6.04 Billing and Payments.

(a) (i) The Company shall render a statement to the Contracting Communities after the last day of each Billing Period which shall set forth in reasonable detail the calculation of the Service Fee for the Billing Period, including, without limitation, the Guaranteed Tonnage Tipping Fee, Excess Waste Tipping Fee, and the credit for any Landfill Tipping Fee.

(ii) Each such statement shall also include for such Billing Period:

(A) all other amounts payable by the Contracting Communities to the Company hereunder;

(B) all amounts payable by the Company to the Contracting Communities hereunder; and

(C) and with respect to items (ii)(A) and (ii)(B) above, the balance due to, or from, the Contracting Communities (the "**Other Amounts**"). Other Amounts also includes:

- (1) Any amount due from the Contracting Communities for any damages paid, or credits provided, to the Contracting Communities by the Company during such Contract Year for failure to Process any Billing Period Tonnage, or portion thereof, if at the end of such Contract Year the Company has Processed the Guaranteed Tonnage, and
- (2) Unforeseen Circumstance Costs, and
- (3) Any other amounts payable under this Agreement by one party to the other for such Billing Period including amounts payable under Section 8.03(c).

(b) The Contracting Communities shall pay to Covanta the Service Fee (if positive) within twenty (20) days of their receipt of such statement. If the Service Fee is negative, Covanta shall pay the difference to the Contracting Communities within twenty (20) days of the date of the statement.

(c) To the extent that the actual value of any item in any Billing Period statement cannot be accurately determined at the Billing Period statement date, such item shall be billed on an estimated basis and an adjustment shall be made to reflect the difference between such estimated amount and the actual amount of such item on the Billing Period statement next following the date on which the Company learns the exact amount of such item.

(d) Thirty days (30) prior to the end of each Contract Year, the Company shall provide to the Contracting Communities a written statement setting forth its reasonable estimate of the aggregate Service Fee for the next Contract Year, which statement shall not be binding on the Company.

(e) Within forty-five (45) days after the end of each Contract Year the Company shall deliver to the Contracting Communities an annual statement, which shall show the computation of the Service Fee and the Other Amounts for such Contract Year, including corrections to all estimated amounts, and other adjustments due to the Company or the Contracting Communities.

(f) If the annual statement reflects (i) any balance due to the Contracting Communities, then the Company shall, within thirty (30) days of delivery of the annual statement, pay such balance due to the Contracting Communities or (ii) any balance due to the Company, then the Contracting Communities shall, within thirty (30) days of receipt of the annual statement, pay to the Company such balance due.

6.05 Unforeseen Circumstances.

(a) General. The obligations of the Company and of the Contracting Communities, respectively, to perform under this Agreement (other than an obligation to pay money due and owing) shall be excused due to the occurrence of one or more Unforeseen Circumstances, and the Service Fee shall be subject to potential increase for Unforeseen Circumstance Costs (to be included in the Other Amounts component of the Service Fee), as provided in this Section 6.05.

(b) Excuse of Performance. Neither the Contracting Communities nor the Company shall be liable to the other for any failure or delay in performance of any obligation under this Agreement (other than an obligation to pay money due and owing) if such failure or delay in performance is a result of the occurrence of an Unforeseen Circumstance. The party whose performance under this Agreement has been, or is imminently expected to be, affected by an Unforeseen Circumstance shall provide prompt notice (the "*First UCC Notice*") to the other party of (i) the Unforeseen Circumstance; and (ii) in the case of the Company, a preliminary, non-binding estimate of the Unforeseen Circumstance Costs (hereinafter defined) and the ways and manner that Unforeseen Circumstance Costs might be mitigated or reduced. The Consulting Engineer shall review and ascertain for the Contracting Communities the validity of the Company's written notice that an Unforeseen Circumstance has occurred. Whenever an Unforeseen Circumstance shall occur, the party claiming to be adversely affected thereby shall,

as quickly as reasonably possible, mitigate the cause thereof, undertake alternative performance if commercially reasonable under the circumstances, and shall to the extent commercially reasonable under the circumstances, reduce costs. The affected party shall, without limitation, also pursue applicable insurance proceeds and shall resume performance under this Agreement, as quickly as reasonably possible. The parties shall limit costs incurred in anticipation of an Unforeseen Circumstance to those reasonably calculated to prevent or diminish the loss or damage. Any insurance proceeds shall be applied to offset incurred Unforeseen Circumstance Costs.

(c) Cost Recovery.

(1) Cost of Unforeseen Circumstances. Within 180 days after the occurrence of an Unforeseen Circumstance affecting the Facility, (i) the Company shall determine whether, and to what extent, the Unforeseen Circumstance is reasonably expected to permanently reduce the ability of the Facility to accept or Process Acceptable Waste, the estimated net cost of any necessary repairs or reconstruction, and the estimated net increase in any operation or maintenance costs caused by the Unforeseen Circumstance, and (ii) the Company shall provide written notice thereof to the Contracting Communities (the "*Second UCC Notice*"). Subject to the provisions of Sections 6.05(c), (d) and (e) below or termination under Section 10.01(h) of Facility Site Lease Agreement, the Company shall diligently perform the necessary repairs or reconstruction of the Facility.

(2) From July 1, 2012 until January 1, 2016:

(i) the Company shall bear 75% of Unforeseen Circumstance Costs (including Cap and Trade Costs as defined below) and the Contracting Communities shall bear 25% of such Unforeseen Circumstance Costs, subject to Cost Substantiation.

(ii) the Company shall separately account for the portion of Electric Revenues in excess of \$82.50/MWH (the "*Excess Electric Revenues*"). Excess Electric Revenues shall be deemed to reduce the costs of complying with legislation or regulations imposing a cap and trade program on greenhouse gas emissions ("*Cap & Trade Costs*"), including without limitation, regulations promulgated pursuant to the Global Warming Solutions Act of 2006, if any, before the allocation between the parties described in Section 6.05(c)(2)(i) above is applied, and the Contracting Communities shall have no responsibility for Cap & Trade Costs in excess of 25% of the net amount remaining after such deemed reduction. In addition, any Cap & Trade Costs resulting from an increase in the Processing Capacity of the Facility beyond 310,000 Tons per Contract Year shall be solely the Company's responsibility, unless otherwise agreed to by the Contracting Communities. If on January 2, 2016, this Agreement remains in effect and there are any Excess Electric Revenues which have not been applied as contemplated by this Section 6.05(c)(2)(ii), then any such balance of Excess Electric Revenues shall be added to the amounts provided under Section 6.05(c)(3)(ii) below and applied as provided therein. However, if there is a termination of this Agreement before January 2, 2016, and there is any balance of Excess Electric Revenues remaining, then such balance shall be for the account of the Company.

(3) From January 2, 2016 until the termination of this Agreement:

(i) the Company shall bear 75% of Unforeseen Circumstance Costs and the Contracting Communities shall bear 25% of Unforeseen Circumstance Costs, subject to Cost Substantiation.

(ii) the Company shall separately account for Excess Electric Revenues from Electric Revenues in excess of \$92.50/MWH. Such Excess Electric Revenues, together with any balance transferred in accordance with Section 6.05(c)(2)(ii) above, shall be deemed to reduce any and all Unforeseen Circumstance Costs before the allocation between the parties described in Section 6.05(c)(3)(i) above is applied, and the Contracting Communities shall have no responsibility for Unforeseen Circumstance Costs in excess of 25% of the net amount remaining after such deemed reduction. If upon expiration or termination of this Agreement on or after January 2, 2016 there is any balance of such Excess Electric Revenues remaining, then such balance shall be for the account of the Company.

(4) Unforeseen Circumstance Costs. “*Unforeseen Circumstance Costs*” means

(i) the actual net increase in operation and maintenance costs of the Facility required by the Unforeseen Circumstance, and (ii) the Amortized Portion (defined below) of Capital Costs (defined below). The Contracting Communities share of Unforeseen Circumstance Costs, consistent with the foregoing provisions of this Section 6.05(c), shall be included in the amount billed for the Service Fee, commencing with the first Billing Period after the Billing Period in which any such cost increases are incurred by the Company and continuing when and for so long as such cost increases are incurred by the Company. The Company shall invoice accordingly, and the Contracting Communities shall pay such invoices as provided in Section 6.04 above. The “*Amortized Portion*” shall be the monthly debt service associated with the actual, or hypothetical (as described below), financing of the Capital Cost (defined below) of any asset or project required as a result of an Unforeseen Circumstance that has a useful life greater than one year. The “*Capital Cost*” of any such asset or project, includes without limitation or duplication, (A) the purchase price and delivery costs, and out-of-pocket (including any internal staff costs directly related to the required work but excluding overhead expenses of the Company) and installation and construction costs, (B) transaction costs of any financing thereof, and (C) capitalized interest associated with the Unforeseen Circumstance financing, less, without limitation or duplication, (X) interest earnings during construction on any funds advanced on the Unforeseen Circumstance financing, (Y) insurance proceeds actually received by the Company on account of such Unforeseen Circumstance and (Z) amounts corresponding to insurance proceeds that would have been received for any insurable Unforeseen Circumstance, to the extent of the coverage required under this Agreement but not secured by the Company. As a first step, the parties shall determine the total Capital Cost of any asset or project resulting from an Unforeseen Circumstance and its expected useful life and then apply one of the following four methods, as appropriate. For each of the four methods below, the parties agree that any financing, or hypothetical financing, shall result in approximately equal monthly debt service payments over the term of the financing. If the actual financing includes a construction loan followed by a permanent financing, then the Amortized Portion during the construction period shall be the actual interest payments on such construction loan. The parties shall utilize reasonable efforts to minimize the Capital Cost and financing costs of the Unforeseen

Circumstance, including, without limitation, the use of tax-exempt or private activity or other tax exempt bonds:

(i) If the entire Capital Cost of the asset or project is financed over a term equal to the expected useful life of the asset or project, then the Amortized Portion shall be the actual debt service associated with such financing;

(ii) If the entire Capital Cost of the asset or project is financed over a term that is less than the useful life of the asset, then the Amortized Portion shall be determined by calculating a hypothetical monthly debt service assuming the entire capital cost is financed using the actual monthly interest rate (or annual interest rate divided by 12) associated with such financing, but repaid assuming a level monthly mortgage style repayment schedule over the useful life of the asset or project;

(iii) If the Company internally funds the entire Capital Cost of the asset or project, then the Amortized Portion shall be determined by calculating a hypothetical monthly debt service which would be payable on a loan having a principal amount equal to the Capital Cost of such capital asset or project. The hypothetical loan shall assume (i) an interest rate equal to the Overdue Rate for the number of years equal to the useful life of the asset or project, and (ii) a level monthly mortgage style repayment schedule over the useful life of the asset or project; or

(iv) If a portion of the Capital Cost of the asset or project is financed and the balance is internally funded by the Company, then the Amortized Portion shall be the sum of (i) or (ii) above for the financed portion, whichever applies, and (iii) above for the Company funded portion.

The “**useful life**” of any asset shall be consistent with generally accepted accounting principles (“**GAAP**”), but if GAAP provides a range of values for the useful life of an asset, each party reserves the right to claim, as applicable, a value from such range, and the parties shall endeavor in good faith to agree on the appropriate value for the asset’s useful life. In the event there is a dispute such dispute shall be resolved pursuant to Section 9.20 of this Agreement.

(d) Unforeseen Circumstance Cost Limit. If the cumulative total Unforeseen Circumstance Costs incurred from the Service Commencement Date collectively by the Company and by the Contracting Communities exceeds \$15,000,000, excluding Excess Electric Revenues applied pursuant to Section 6.05(c)(2)(ii) or Section 6.05(c)(3)(ii) above (such net amount being the “**Initial UCC Termination Threshold**”), then each of the Company, on the one hand, and the Contracting Communities, acting jointly on the other hand, shall have the right to terminate this Agreement without payment of the Termination Payment (defined below) or any other termination fee (a “**UCC Termination**”) by providing written notice thereof to the other within 90 days after receiving written notice that such Initial UCC Termination Threshold has been reached. The party to whom such notice of termination is given shall have the right to avoid the UCC Termination by paying to the party giving the notice, within 30 days after receipt of the notice, the amount incurred in excess of \$3.75 million in the case of the Contracting Communities, and the amount incurred in excess of \$11.25 million in the case of the Company (each a “**Termination Avoidance Amount**”). If neither party timely exercises an applicable UCC

Termination or if a party avoids the UCC Termination pursuant to the immediately preceding sentence, this Agreement shall continue uninterrupted and in full force and effect, unless and until additional Unforeseen Circumstance Costs, in excess of the Initial UCC Termination Threshold, incurred collectively by the Company and by the Contracting Communities exceed a cumulative total of \$1,500,000 (a "***Subsequent UCC Termination Threshold***"), at which time a UCC Termination right shall arise for each party again in accordance with the foregoing provisions of this Section 6.05(d), based on a Subsequent UCC Termination Threshold amount of \$1,500,000 (rather than \$15,000,000) and including the termination avoidance provisions with Termination Avoidance Amounts of \$375,000 for the Contracting Communities and \$1,125,000 for the Company. If neither party timely exercises the UCC Termination when the Subsequent UCC Termination Threshold is reached, or if a party avoids the UCC Termination pursuant to the immediately preceding sentence, then this same process shall apply each time a new Subsequent UCC Termination Threshold is reached during the Service Term.

(e) Constructive Total Loss. In the event the Second UCC Notice states that the Unforeseen Circumstance is expected to result in aggregate Capital Costs together with net increases in operation and maintenance costs of the Facility, over the remainder of the Service Term in each case ("***Restoration Costs***") in excess of \$22 million (the "***Loss Termination Threshold***"), the Company shall include clear and convincing evidence of such Restoration Costs in the Second UCC Notice. The Contracting Communities will state in their response notice, to be delivered within twenty (20) days of receipt of the Second UCC Notice, whether they agree or disagree that the Restoration Costs will exceed the Loss Termination Threshold. If the Contracting Communities do not so agree, then such disagreement will be subject to dispute resolution pursuant to Section 9.20. If the Contracting Communities state in their response notice that they agree that the Restoration Costs will be greater than the Loss Termination Threshold, or the decision delivered in the arbitration so determines, as applicable (either being a "***Restoration Cost Substantiation***"), then each of the Company and the Contracting Communities shall have the right to terminate this Agreement by providing to the other no less than 180 days and no more than 240 days written notice of termination (a "***Termination Notice***"). Such Termination Notice shall be delivered within thirty (30) days after Restoration Cost Substantiation. On or before the termination date set forth in the Termination Notice, the Contracting Communities shall pay to the Company a termination payment equal to 25% of the Capital Costs of prior Unforeseen Circumstances occurring on or after the Contract Date that were not included in any prior Amortized Portions paid by the Contracting Communities, less unapplied Excess Electric Revenues (the "***Termination Payment***"). If the calculation pursuant to the immediately preceding sentence yields a negative number, the Termination Payment shall be zero. Upon payment of the Termination Payment, the Facility Site Lease Agreement shall terminate, Section 7.04 of the Facility Site Lease Agreement will apply and neither the Contracting Communities nor the Company shall have any further rights or obligations under this Agreement, except for any rights or obligations which expressly survive termination of this Agreement.

(f) Site Lease Termination. This Agreement shall automatically terminate if the Facility Site Lease Agreement terminates in accordance with its terms, contemporaneously with such termination.

6.06 No Offset or Waiver.

The obligation of the Contracting Communities to pay the Service Fee shall not be subject to (i) any set-off, counterclaim, warranty claim, recoupment, defense or any other right which the Contracting Communities may have against the Company for any reason whatsoever whether in connection with the transactions contemplated hereby or in unrelated transactions, or (ii) the Contracting Communities at any time having immunity from suit on the grounds of sovereignty or otherwise. The payment by the Contracting Communities of the Service Fee shall neither constitute a waiver or an estoppel of any right or remedy of the Contracting Communities hereunder, nor shall it preclude the Contracting Communities from asserting any such right or remedy against the Company in a separate action.

6.07 Contracting Communities' Permit Obligations.

To the extent that any permit or license which the Company is obligated to obtain contains conditions or requirements which are capable of being satisfied only by the Contracting Communities, the Contracting Communities shall use all reasonable efforts to satisfy such conditions or requirements; provided that the cost to the Contracting Communities shall be reasonable. The Contracting Communities agree that they will not, either individually or collectively, exercise any condemnation or like power available to them to take the Facility or the Facility Site, or any portion thereof, which in the Company's reasonable judgment shall interfere with its ability to perform its obligations under this Agreement and that any such taking shall be deemed an Event of Default pursuant to Section 8.02(b) of this Agreement; provided, however, that any such taking which is required by Applicable Law or for the protection of public health and safety shall not be deemed an Event of Default but shall be an Unforeseen Circumstance.

ARTICLE VII – FURTHER AGREEMENTS

7.01 Licenses, Approvals and Permits.

The Contracting Communities shall provide all such cooperation as may reasonably be requested by the Company in connection with obtaining in a timely manner and maintaining the permits, licenses, and approvals required to be obtained and maintained by the Company in connection with the ownership, operation and maintenance of the Facility. The Company shall use all reasonable efforts to obtain and/or maintain all permits, licenses, and approvals required to be obtained and/or maintained by the Company in connection with the ownership, operation and maintenance of the Facility.

7.02 Nondiscrimination.

The Company shall not discriminate or permit discrimination against any person because of race, color, religion, national origin, or sex. This provision prohibiting discrimination is a material term of this Agreement.

7.03 Insurance.

The Company shall maintain the insurance coverages set forth in Schedule 5 subject to each party's right to request an adjustment to existing coverage, so that the insurance coverage hereunder is consistent with that of similar facilities, provided that the adjusted coverage is available on commercially reasonable terms. The Contracting Communities shall be made additional insureds under all such property and liability insurance policies of the Company and the Contracting Communities shall be insured thereunder for any State diversion credit losses that occur as a result of a necessary diversion of waste from the Facility following a casualty insured by the required business interruption and extra expense coverages as set forth in Schedule 5. The Company shall be liable for any monetary loss caused by Unforeseen Circumstances, to the extent that any such Unforeseen Circumstance was required to be covered by insurance to be maintained by the Company pursuant to this provision, but was not, and, subject to any rights to terminate this Agreement pursuant to the terms hereof, shall be obligated to restore the Facility whether or not there are sufficient insurance proceeds therefor.

7.04 Joint and Several Obligations.

The obligations of the County and the City hereunder shall be joint and several.

ARTICLE VIII – DEFAULT AND TERMINATION

8.01 Events of Default by the Company.

The following shall constitute "*Events of Default*" on the part of the Company:

- (a) Failure of the Company to accept Acceptable Waste from the Contracting Communities as required hereunder;
- (b) Violation by the Company of the Processing priority provisions of Section 4.03(d);
- (c) Failure of the Company to make any payment that is owed to the Contracting Communities and past due hereunder within ten business (10) days following receipt of the Contracting Communities' notice of non-payment to the Company;
- (d) Persistent and repeated failure of the Company to timely perform any material obligation under this Agreement, other than as set forth in Sections 8.01(a), (b) or (c) above, such as, but not limited to, operation of the Facility in violation of the environmental standards or permits, failure to properly maintain the Facility, and disregard for laws, ordinances, rules, regulations or orders of any public authority having jurisdiction over the Facility, the Facility Site, the Company or the Company's obligations under this Agreement; or
- (e) (i) the Company's or the Parent's being or becoming insolvent or bankrupt or ceasing to pay its debts as they mature, or making an arrangement with or for the benefit of its creditors or consenting to or acquiescing in the appointment of a receiver, trustee, or liquidator for the Facility or for any substantial part of its property, or (ii) a bankruptcy, winding up, reorganization, insolvency arrangement, or similar proceeding instituted by or against the

Company or the Parent under the laws of any jurisdiction, which proceeding has not been stayed or dismissed within thirty (30) days, or (iii) any action or answer by the Company or the Parent approving of, consenting to, or acquiescing in any such proceeding, or (iv) the levy of any distress, execution, or attachment upon the property of the Company or the Parent which shall substantially interfere with its performance hereunder.

8.02 Events of Default by Contracting Communities.

The following shall constitute “*Events of Default*” on the part of the Contracting Communities:

(a) failure of the Contracting Communities to make any payment that is owed to the Company and past due hereunder within ten (10) business days following receipt of the Company’s notice of non-payment to the Contracting Communities;

(b) the commencement by one or both of the Contracting Communities of a proceeding for taking or condemning the Facility or the Facility Site, or any portion thereof which in the reasonable judgment of the Company shall interfere with its ability to perform its obligations under this Agreement; provided that any such taking which is required by Applicable Law or for the protection of public health and safety shall not be an Event of Default;

(c) Persistent and repeated failure of the Contracting Communities to timely perform any material obligation under this Agreement, other than the obligations described in Sections 8.02(a) and (b) above; or

(d) (i) The Contracting Communities being or becoming insolvent or bankrupt or ceasing to pay its debts as they mature or making an arrangement with or for the benefit of its creditors or consenting to or acquiescing in the appointment of a receiver, trustee, or liquidator for a substantial part of its property, or (ii) a bankruptcy, winding up, reorganization, insolvency arrangement, or similar proceeding instituted by or against the Contracting Communities under the laws of any jurisdiction, which proceeding has not been stayed or dismissed within thirty (30) days, or (iii) any action or answer by the Contracting Communities approving of, consenting to, or acquiescing in, any such proceeding, or (iv) the levy of any distress, execution, or attachment upon the property of the Contracting Communities which shall substantially interfere with its performance hereunder.

8.03 Event of Default Remedies.

(a) Company Opportunity to Cure. If a Company Event of Default described in Section 8.01(a), (b) and/or (d) has occurred, the Company shall have an opportunity to cure such Event of Default by commencing to cure within thirty (30) days after the Contracting Communities have given the Company notice of such Event of Default in reasonable detail and continuing to pursue the cure with due diligence thereafter. An Event of Default described in Section 8.01(c) shall require notice and provide an opportunity to cure only as provided therein. An Event of Default described in Section 8.01(e) shall not require any notice by the Contracting Communities and shall provide an opportunity to cure only as provided in (ii) therein.

(b) Contracting Communities Opportunity to Cure. If a Contracting Communities Event of Default described in Section 8.02(b) and/or (d) has occurred, the Contracting Communities shall have an opportunity to cure such Event of Default by commencing to cure within thirty (30) days after the Company has given the Contracting Communities notice of such Event of Default in reasonable detail and continuing to pursue the cure with due diligence thereafter. An Event of Default described in Section 8.02(a) shall require notice and provide an opportunity to cure only as provided therein. An Event of Default described in Section 8.02(d) shall not require any notice by the Company and shall provide an opportunity to cure only as provided therein.

(c) Direct Damages & Termination. Events of Default shall give the non-defaulting party the right to pursue the defaulting party for direct, actual damages, subject to Section 8.04 below, and/or the right, subject to Sections 8.03(a) and (b) above, to terminate this Agreement by providing at least sixty (60) days written notice of termination.

(d) Additional Remedies/Damages in Special Circumstances.

(i) If the Company Event of Default is under Section 8.01(b), then the Contracting Communities shall have as an additional remedy the right to seek a decree of specific performance to enforce its right of Processing priority and to preliminary and permanent injunctive relief in connection therewith and/or similar remedies in equity.

(ii) If the Contracting Communities Event of Default is a failing to meet their obligations to deliver Acceptable Waste to the Facility while delivering Acceptable Waste to locations other than the Facility, then the Company shall have as an additional remedy the right to seek a decree of specific performance to enforce such delivery obligations and to preliminary and permanent injunctive relief in connection therewith and/or similar remedies in equity.

(e) The remedies described in this Section 8.03 shall be the sole and exclusive remedies of the parties for Events of Default.

8.04 Limit of Liability.

(a) Notwithstanding any other provision of this Agreement, in no event shall the Company, on the one hand, or the Contracting Communities, on the other hand, be obligated to pay damages to the other for any and all breaches and/or Events of Default under this Agreement, from and after the Contract Date, as determined by a court or an arbitration decision or agreed upon between the parties or actually paid by one party to the other, in a cumulative amount in excess of \$25 million (the "*Limit of Liability*"). For purposes of determining if the Limit of Liability of a party has been reached at any time, the following amounts previously paid or then payable by such party shall not be included: (i) Unforeseen Circumstance Costs and (ii) the Guaranteed Tonnage Tipping Fee and Excess Waste Tipping Fee or the Landfill Tipping Fee, as applicable, and for disposal services rendered in each case. Also excluded from such Limit of Liability are tort claims for injury to persons or damage to property, even if pursued under a provision of contractual indemnity. For the purposes of determining if the Limit of Liability of a party has been reached at any time, any amounts received by that party from the other party as damages for any and all such breaches and/or Events of Default shall be ignored.

(b) If either party reaches the Limit of Liability, it shall give written notice thereof to the other party, and the other party shall have the right to terminate this Agreement by providing written notice thereof within sixty (60) days after receipt of the notice of reaching the Limit of Liability and such termination will be effective sixty (60) days from the date thereof. A party's obligation to pay damages arising on or before the date of or as a result of termination, up to the Limit of Liability, shall survive termination of this Agreement.

8.05 Special Termination Right.

The Company shall have a one-time right to terminate this Agreement, for its convenience and without payment of any fee or damages, effective December 31, 2016. The Company may exercise such right of termination only by providing to the Contracting Communities written notice thereof by December 31, 2014. If the Company exercises such right of termination, then the Facility Site Lease Agreement shall also terminate effective December 31, 2016 and the provisions of Section 7.04 thereof shall be applicable.

ARTICLE IX – MISCELLANEOUS

9.01 Assignment.

(a) This Agreement may not be assigned by any party without the prior written consent of the other parties, except that the Company may, without such consent, assign its interest hereunder to an Affiliate that shall assume all the obligations under this Agreement; provided that the Company shall remain principally obligated for the full performance of the Company's obligations under this Agreement, and the Parent shall acknowledge in writing the continuing effectiveness and enforceability of the Parent Guaranty.

(b) This Agreement shall be binding upon and inure to the benefit of the permitted successors and assigns of the parties hereto pursuant to this Section 9.01. Any attempted assignment made contrary to this Section 9.01 shall be void.

(c) Notwithstanding the above, the Company may collaterally assign this Agreement as security for financings secured by the Facility in accordance with Articles 12 and 13 of the Facility Site Lease Agreement.

9.02 Indemnification.

(a) Company Indemnity. The Company agrees that it shall protect, indemnify and hold harmless the Contracting Communities and their officials, officers, members, employees, and agents (the "*Contracting Communities Indemnified Parties*") from and against all liabilities, actions, damages, claims, demands, judgments, losses, costs, expenses, suits and attorneys' fees, and shall defend the Contracting Communities Indemnified Parties in any suit, including appeals, for personal injury or death, or loss of, or damage to, property arising out of (i) the negligent acts, negligent omissions or intentional wrongful conduct of the Company or any of its officials, agents, or employees in connection with its obligations or rights under this Agreement, or (ii) the nonperformance of the Company's obligations under this Agreement. The Company is not required, however, to reimburse or indemnify any Contracting Communities Indemnified Party for loss or claim due to the negligent acts, negligent omissions or intentional

wrongful conduct of any Contracting Communities Indemnified Party, and the Contracting Communities shall reimburse the Company for the costs of defending any related suit.

(b) Contracting Communities Indemnity. The Contracting Communities agree that they shall protect, indemnify and hold harmless the Company, the Parent, their subcontractors of any tier, and their respective officers, members, employees, and agents (the “*Company Indemnified Parties*”) from and against all liabilities, actions, damages, claims, demands, judgments, losses, costs, expenses, suits, or actions and attorneys’ fees, and shall defend the Company Indemnified Parties in any suit, including appeals, for personal injury or death, or loss of or damage to property of persons not parties to this Agreement arising out of (i) the negligent acts, negligent omissions or intentional wrongful conduct of the Contracting Communities or any of its officials, agents, or employees, contractors, or subcontractors in connection with the obligations or rights under this Agreement, or (ii) the nonperformance of the Contracting Communities obligations under this Agreement. The Contracting Communities are not required, however, to reimburse or indemnify any Company Indemnified Party for loss or claim due to the negligent act, negligent omission or intentional wrongful conduct of any Company Indemnified Party, and the Company shall reimburse the Contracting Communities for the costs of defending any related suit.

(c) Waiver of Subrogation. The Company and the Contracting Communities hereby waive any and every claim for recovery from the other for any and all loss or damage to each other resulting from the performance of this Agreement, to the extent such loss or damage is recovered under the applicable party’s own insurance policies.

9.03 Effect of Termination.

Upon the expiration or earlier termination of this Agreement, pursuant to the terms of this Agreement, the obligations of the Company and the Contracting Communities for the payment of money or indemnification, arising from the conduct of the parties pursuant to this Agreement prior to such expiration or earlier termination of this Agreement, shall survive such expiration or earlier termination.

9.04 Overdue Obligations to Bear Interest.

All amounts due hereunder, whether as damages, credits, revenue, or reimbursements, that are not paid when due shall bear interest at the Overdue Rate on the amount outstanding from time to time, on the basis of a 360-day year, counting the actual number of days elapsed, and all such interest accrued at any time shall, to the extent permitted by Applicable Law, be deemed added to the amount due, as accrued.

9.05 Exclusion of Liability.

(a) IN NO EVENT, WHETHER BECAUSE OF A BREACH, EVENT OF DEFAULT OR ANY OTHER CAUSE, WHETHER BASED IN CONTRACT, TORT, WARRANTY, OR OTHERWISE, ARISING OUT OF THE PERFORMANCE OR NONPERFORMANCE OF THIS AGREEMENT, SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR, OR BE OBLIGATED IN ANY MANNER TO PAY, SPECIAL,

INCIDENTAL, CONSEQUENTIAL OR INDIRECT DAMAGES, EXCEPT AS EXPRESSLY PROVIDED OTHERWISE IN THIS AGREEMENT.

(b) THE REMEDIES PROVIDED TO EACH PARTY IN THIS AGREEMENT SHALL BE EXCLUSIVE OF ANY OTHER REMEDIES AVAILABLE AT LAW OR IN EQUITY; PROVIDED THAT THE PARTIES HERETO MAY ENFORCE THEIR REMEDIES PROVIDED HEREIN BY APPROPRIATE PROCEEDINGS IN COURTS OF LAW OR IN EQUITY HAVING JURISDICTION.

9.06 Intellectual Property Rights.

The Company shall pay all royalties and license fees relating to the Facility. The Company hereby warrants that the Facility and the contemplated operation of the Facility or the use of any component unit thereof, or the use of any patent, trademark or copyright, data, patented article, machine, or process, or a combination of any or all of the aforesaid, as contemplated by this Agreement shall not infringe any patent, trademark, or copyright or constitute the unauthorized use of a third person's trade secrets. The Company shall: (i) defend any claim or lawsuit brought against the Contracting Communities or any of their officials, agents, employees, or representatives for infringement of any such patent, trademark, or copyright, or for the unauthorized use of trade secrets by reason of the design, construction, or operation of the Facility, or (ii) at the Company's option, and at its sole cost, may acquire the rights of use under infringed patents, or modify or replace infringing equipment with equipment equivalent in quality, performance, useful life, and technical characteristics and development so that such equipment does not infringe, and the Company shall indemnify the Contracting Communities and their officials, agents, employees, and representatives against all liability, judgments, decrees, damages, interest, costs, and expenses (including reasonable attorneys' fees) recovered against the Contracting Communities, or any of its officials, agents, employees, or representatives sustained by any or all of the foregoing by reason of any actual or alleged infringement or unauthorized use. The Company is not, however, required to reimburse or indemnify any person for loss or claim due to the negligence or intentional wrongful conduct of such person.

9.07 Relationship of the Parties.

Except as otherwise expressly provided herein, no party to this Agreement shall have any responsibility whatsoever with respect to services provided or contractual obligations assumed by any other party. Nothing in this Agreement shall be deemed to constitute any party a partner, franchisee, franchisor, agent, or legal representative of any other party or to create any fiduciary relationship between or among the parties. The Contracting Communities shall not have, through this Agreement or otherwise, except as provided by any applicable provision of the Facility Site Lease Agreement, (a) any title to or ownership interest in the Facility or (b) physical possession of or control over the Facility, during the term of this Agreement.

9.08 Notices.

Any notices or communication required or permitted hereunder other than notices under Article VIII hereof shall be in writing and shall be sufficiently given if (i) delivered in person,

(ii) sent by overnight courier and evidence of delivery is obtained, (iii) sent by e-mail with evidence of receipt of such email, or (iv) sent by certified or registered mail, return receipt requested, postage prepaid, in each case properly addressed as provided below. Notices under Article VIII hereof shall be in writing and shall be sufficiently given only if given as provided in clause (i), (ii) or (iv) of the immediately preceding sentence. Notice addresses for the parties are as follows:

If to the Company:

445 South Street
Morristown, NJ 07960
Attention: Sr. Vice President, Business Management
E-Mail: pstauder@covantaenergy.com

With a copy to:

Covanta Energy Corporation
445 South Street
Morristown, NJ 07960
Attention: Vice President & Deputy General Counsel
E-Mail: kbily@covantaenergy.com

If to the Contracting Communities:

Chairman, Stanislaus County Board of Supervisors
1010 Tenth Street
Modesto, California 95354
E-Mail: Ferroc@stancounty.com

With a copy to:

Responsible person/department for County designated in Section 4.04.

and to:

Mayor, City of Modesto
1010 Tenth Street
Modesto, California 95354
E-Mail: kespinozal@modestogov.com

With a copy to:

Responsible person/department for City designated in Section 4.04.

Changes in the respective addresses to which such notices may be directed may be made from time to time by any party by written notice to the other party.

9.09 No Waiver.

The waiver by any party of an Event of Default or a breach of any provision of this Agreement by any other party shall not operate or be construed to operate as a waiver of any other provision or any subsequent Event of Default or breach. The making of, or the acceptance of a payment by any party with knowledge of the existence of an Event of Default or breach shall not operate or be construed to operate as a waiver of any subsequent Event of Default or breach.

9.10 Entire Agreement; Modifications.

The provisions of this Agreement, including the Schedules hereto, shall (a) constitute the entire agreement among the parties on the subject matter hereof, superseding all prior agreements and negotiations, and (b) be modified only by written agreement duly executed by the parties.

9.11 Headings.

Captions, headings, titles, the table of contents and the list of schedules in this Agreement are for ease of reference only, and do not constitute a part of this Agreement.

9.12 Governing Law.

This Agreement and any question concerning its validity, construction, or performance shall be governed by the laws of the State of California.

9.13 Counterparts.

This Agreement may be executed in more than one counterpart, each of which shall be deemed to be an original, but all of which taken together shall be deemed a single instrument.

9.14 Severability.

In the event that any provision of this Agreement shall for any reason be determined to be invalid, illegal, or unenforceable in any respect, the parties hereto shall negotiate in good faith and agree to such amendments, modifications, or supplements of or to this Agreement or such other appropriate actions as shall, to the maximum extent practicable in light of such determination, implement and give effect to the intentions of the parties as reflected herein, and the other provisions of this Agreement shall, as so amended, modified, or supplemented, or otherwise affected by such action, remain in full force and effect.

9.15 Right of First Refusal.

During the Service Term, the Contracting Communities shall have a right of first refusal to purchase the Facility, on the same terms and conditions and for the same price, as set forth in an offer to purchase from a third party that the Company is willing to accept. The Company shall provide notice and a copy of such offer to the Contracting Communities, and the Contracting Communities shall have a period of sixty (60) days following such notice during which to exercise their right of first refusal by irrevocably and unconditionally accepting in writing the price, terms and conditions set forth in the offer. If the Contracting Communities do

not so exercise their right of first refusal within such sixty (60) day period, then the right of first refusal shall lapse at the end of such period. The right of first refusal will not be triggered by one or more sales of equity interests in the Company or its direct or indirect parent companies.

9.16 Fair Market Value Purchase Option.

(a) At the expiration of the Service Term of this Agreement or any extension hereof, the Contracting Communities may, at their option, purchase the Facility, on an “as is” basis, at its “**Fair Market Value**,” and such term is defined in subsection (b) below. The Contracting Communities shall provide notice of such purchase to the Company at least nine (9) months prior to the expiration of the Service Term. If the Contracting Communities do not timely provide notice of such purchase, then the option to purchase shall lapse.

(b) Determination of Fair Market Value.

(1) The “**Fair Market Value**” of the Facility shall be the value which would be obtained for the Facility in an arm’s length transaction between an informed and willing buyer under no compulsion to buy, and an informed and willing seller, under no compulsion to sell, based upon the highest and best use of the Facility utilizing generally recognized professional criteria for the appraisal of industrial real estate, as the same shall be specified by mutual agreement of the Company and the Contracting Communities, taking into account the cost to remove and/or remediate all contamination on the Facility Site, if any, and assuming a rental for the Facility Site in accordance with Section 4.01(c) of the Facility Site Lease Agreement. If the Company and the Contracting Communities cannot agree as to the Fair Market Value of the Facility within thirty (30) days after notice of such purchase, then said value shall be mutually determined in an appraisal prepared and delivered by two (2) disinterested, Master Appraisal Institute certified and licensed industrial real estate appraisers, one of which shall be appointed by the Company, and the other of which shall be appointed by the Contracting Communities, each of which appointments shall be made within sixty (60) days after notice of such purchase. If the appraisers thus appointed cannot mutually agree upon the Fair Market Value of the Facility within seventy-five (75) days of the appointment of the second appraiser, each such appraiser shall within fifteen (15) days thereafter (i) simultaneously submit in writing to the other appraiser and to the parties his or her final appraisal of the Fair Market Value of the Facility, and (ii) appoint a third disinterested, Master Appraisal Institute certified and licensed industrial real estate appraiser who shall, within sixty (60) days of his or her appointment, select one of the final appraisals so provided by the first two appraisers, which shall then become the Fair Market Value of the Facility upon such selection.

(2) If either party fails to appoint an appraiser within the time period herein provided, the other party may request the appointment of such appraiser by application to the Appraisal Institute, Chicago, Illinois or if it no longer exists, a similar institute providing qualified, disinterested real estate appraisers that is mutually acceptable to the parties.

(3) If the two appraisers fail to agree upon the appointment of a third appraiser within the time period herein provided, either party may request the appointment of such appraiser by application to the Appraisal Institute, Chicago, Illinois or if it no longer exists,

a similar institute providing qualified, disinterested real estate appraisers that is mutually acceptable to the parties.

(4) The appraiser, or appraisers as the case may be, shall give written notice to the parties stating the determination of Fair Market Value in accordance with this Section and shall furnish to each party a signed copy of such determination. In the event of the failure, refusal, or inability of any appraiser or appraisers to act, a new appraiser or appraisers shall be appointed, which appointment(s) shall be made in the same manner as hereinabove provided for the appointment of the appraiser or appraisers who failed, refused, or were unable to act. The expenses of the appraisal conducted in accordance with the provisions of this Section 9.17 shall be borne equally by the Company and the Contracting Communities.

9.17 Cooperation Regarding Claims.

If either party hereto shall receive notice or have knowledge of any claim, demand, action, suit, or proceeding that may result in either (i) a claim for indemnification by such party against the other party pursuant to Section 9.02, or (ii) an Unforeseen Circumstance as to such party, such party shall, as promptly as possible, give the other party notice of such claim, demand, action, suit, or proceeding, including a reasonably detailed description of the facts and circumstances relating to such claim, demand, action, suit, or proceeding, and a complete copy of all notices, pleadings, and other papers related thereto, and, in the case of a claim for indemnification pursuant to Section 9.02 such claim and the basis therefore in reasonable detail; provided that failure promptly to give such notice or to provide such information and documents shall not relieve the other party of any obligation of indemnification it may have under Section 9.02 except to the extent such failure shall materially diminish the ability of such other party to respond to, or to defend the party failing to give such notice against such claim, demand, action, suit, or proceeding. The parties hereto shall consult with each other and cooperate in respect of the response to and the defense of any such claim, demand, action, suit, or proceeding and, in the case of a claim for indemnification pursuant to Section 9.02, the party against whom indemnification is claimed shall, upon its acknowledgement in writing of its obligation to indemnify the party seeking indemnification, be entitled to assume the defense or to represent the interests of the party seeking indemnification in respect of such claim, demand, action, suit, or proceeding, which shall include the right to select and direct legal counsel and other consultants, appear in proceedings on behalf of such party and to propose, accept, or reject offers of settlement if the sole adverse effect of any such offer of settlement is an obligation to pay damages that is being fully indemnified against hereunder.

9.18 Venue.

The Contracting Communities and the Company hereby agree that any action, suit, or proceeding arising out of this Agreement or any transaction contemplated hereby shall be brought solely in the Superior Court of California for the County of Stanislaus, and that neither the Contracting Communities nor the Company shall object to the institution or maintenance of any such action, suit, or proceeding in such court based on improper venue, forum non-conveniens or any other ground relating to the appropriate forum for such action, suit, or proceeding.

9.19 Further Assurances.

The Company and the Contracting Communities further covenant to cooperate with one another in all respects reasonably necessary to insure the successful consummation of the transactions contemplated by this Agreement, and each will take all actions within its authority to insure reasonable cooperation of its officials, officers, agents, and other third parties including, in the case of the Contracting Communities, enforcement of the terms of the franchises of the Haulers.

9.20 Arbitration.

(a) Agreement to Arbitrate. In the event any dispute arises between the Company and the Contracting Communities under this Agreement then, in such case, either party may serve written notice of such dispute on the other party and each party shall undertake in good faith to resolve the dispute. Except as may be otherwise agreed to by the parties hereto, if the parties do not resolve the dispute within fifteen (15) days after such written notice, either party may, by further written notice (an "*Arbitration Notice*") to the other party, commence an arbitration proceeding, under, and in accordance with, the provisions of Article 19 of the Facility Site Lease Agreement, except that in an arbitration under this Agreement, the City and County shall act jointly as one party and notwithstanding such provisions of Article 19, either party may at any time initiate an action in court in respect of any equitable remedy to which such party is expressly entitled pursuant to this Agreement.

IN WITNESS WHEREOF, the parties hereto have signed this Amended and Restated Service Agreement, as of the day and year first above written.

SCHEDULE 1
WASTE DELIVERY SCHEDULE

The Guaranteed Tonnage of 243,300 Tons of Acceptable Waste for each Contract Year shall be appropriately prorated for any Contract Year of less than 12 calendar months. The Billing Period Tonnage for each Billing Period in any Contract Year shall be determined at least 60 days prior to the beginning of each Contract Year by the mutual consent of the Company and the Contracting Communities in the form of an annual appendix (Appendix) to this Schedule 1. In the absence of such mutual consent, the Appendix applicable for the immediately preceding Contract Year shall apply again. The sum of the Billing Period Tonnages for the Billing Periods in any Contract Year shall equal the Guaranteed Tonnage for such Contract Year.

In any event, delivery of Contracting Communities Tons shall not exceed One Thousand Seven Hundred (1,700) Tons in any one day or Five Thousand Six Hundred 5,600 Tons in any one week. The Company and the Contracting Communities may revise the Appendix for the current Contract Year at any time by mutual consent.

SCHEDULE 2

FACILITY SITE DESCRIPTION

Is as set forth in Schedule 1 in the Facility Site Lease Agreement

SCHEDULE 3
AMENDED AND RESTATED FACILITY SITE LEASE AGREEMENT
[TO BE INSERTED]

SCHEDULE 4 – PARENT GUARANTY

GUARANTY AGREEMENT

THIS GUARANTY AGREEMENT (this “**Guaranty**”) is entered into as of the 1st day of July, 2012, by Covanta Holding Corporation, a Delaware corporation, as guarantor (the “**Guarantor**”), for the benefit of the County of Stanislaus, a political subdivision of the State of California, acting by and through its Board of Supervisors (the “**County**”), and the City of Modesto, a municipal corporation, acting by and through its City Council (the “**City**”). The County and City are collectively referred to herein as the “**Contracting Communities**.”

WITNESSETH:

WHEREAS, Covanta Stanislaus, Inc. (the “**Company**”) and the Contracting Communities are entering into, contemporaneously herewith, that certain AMENDED AND RESTATED SERVICE AGREEMENT FOR THE SUPPLY AND ACCEPTANCE OF SOLID WASTE (the “**Service Agreement**”), which provides for the Contracting Communities to deliver or cause to be delivered Acceptable Waste to the Facility and the Company to accept, process and/or dispose of Acceptable Waste at the Facility; Capitalized terms used but not defined in this Guaranty shall have the meanings ascribed to such terms in the Service Agreement; and

WHEREAS, the Company and the County are entering into, contemporaneously herewith, that certain AMENDED & RESTATED FACILITY SITE LEASE AGREEMENT (the “**Lease**”), which provides for the leasing of the Facility Site from the County to the Company; and

WHEREAS, as a condition of, and in accordance with, the Service Agreement and the Lease, the Company is required to cause this Guaranty to be executed and delivered to the Contracting Communities; and

WHEREAS, the Company is a wholly-owned, indirect subsidiary of the Guarantor, and the Guarantor will receive a benefit from the Company and the Contracting Communities as a result of their entering into the Service Agreement and the Company and the County entering into the Lease; and

WHEREAS, the Guarantor, as an inducement to the Contracting Communities to enter into the Service Agreement and as an inducement to the County to enter into the Lease, is entering into this Guaranty; and

WHEREAS, the term “parties,” as used herein, shall mean the Guarantor and the two beneficiaries of this Guaranty, the County and the City.

NOW, THEREFORE, for the purposes described in the foregoing recitals and intending to be legally bound, the Guarantor hereby agrees as follows:

ARTICLE I –
Representations and Warranties of the Guarantor

- 1.01 **Representations and Warranties.** The Guarantor represents and warrants that:
- (a) The Guarantor is a Delaware corporation in good standing;
 - (b) The Guarantor possesses all requisite power and authority under applicable laws to enter into and to perform all of the covenants and agreements set forth in this Guaranty;
 - (c) The Guarantor has duly authorized all necessary action on its part to enter into this Guaranty in accordance with applicable laws; and
 - (d) Guarantor has duly executed and delivered this Guaranty.

ARTICLE II –
Covenants and Agreements of the Guarantor

2.01 **Unconditional Guaranty.** The Guarantor hereby guarantees, absolutely, unconditionally and irrevocably, for the benefit of the Contracting Communities, the full and prompt performance of all obligations of the Company to the Contracting Communities under the Service Agreement and, for the benefit of the County, the full and prompt performance of the obligations of the Company under Section 7.04 of the Lease, each in accordance with their respective provisions, including without limitation, the obligation to pay money or damages owed by the Company for its failure to so perform such obligations (collectively, the “**Guaranteed Obligations**”). If any Guaranteed Obligation is not duly and timely performed by the Company in accordance with the Service Agreement or the Lease, as applicable, then the Guarantor shall immediately perform the same, or cause the performance thereof, itself, as if it were a party to the Service Agreement or to the Lease, as applicable.

2.02 **Manner of Payment.** All payments required to be made by the Guarantor under this Guaranty shall be made in lawful money of the United States of America.

2.03 **Obligations of Guarantor Absolute.** The obligations of the Guarantor under this Guaranty shall be absolute, irrevocable and unconditional, and, except as expressly set forth in the Service Agreement or in the Lease, as applicable, as an underlying right of the Company, shall not be subject to any set-off, counterclaim, reduction or diminution on account of any claim of Guarantor or the Company against the Contracting Communities or their assigns, or any other person, or because of any event or condition affecting the ability of the Company to perform the obligations of the Company in accordance with the Service Agreement or Lease (other than events or conditions for which, under the specific provisions of the Service Agreement or Lease, there is a discharge, release, or such performance is otherwise excused), or to any requirement in any case that the Contracting Communities (or any such assignee) first enforce any remedies that they or it may have against the Company or any other person, or seek to compel the Company to perform under the Service Agreement or Lease before proceeding against Guarantor hereunder; provided, that no such set-off, counterclaim, reduction or diminution is hereby waived or released, and any of the same may be asserted by Guarantor in a separate proceeding against the Contracting Communities or County as applicable, or any such assignee, and shall remain in full

force and effect until the Guaranteed Obligations shall have been fully performed, and the Guaranteed Obligations shall not be affected, modified, diminished or impaired upon the happening, from time to time, of any of the following events, each of which is hereby expressly waived as a defense to its liability hereunder:

(a) The failure of the Guarantor to receive notice of the occurrence of a default under the Service Agreement or under the Lease;

(b) The neglect or failure of the Company to enforce, to assert, or to exercise or preserve, any right, or rights of action, or power or remedy, against any party, person or property;

(c) The compromise, settlement, release, alteration, indulgence, waiver or any other change or modification of any obligation or liability of the Company under the Service Agreement or the Lease, except to the extent to which such obligation or liability shall have been expressly compromised, settled, released, altered, indulged, waived, changed or modified in writing by the Contracting Communities or by the County, as applicable;

(d) Any neglect or failure, omission or delay on the part of the Contracting Communities to enforce, to assert, or to exercise or preserve any right, right of action, power or remedy conferred upon or vested in the Contracting Communities hereunder or under the Service Agreement, or any neglect or failure, omission or delay on the part of the County to enforce, to assert, or to exercise or preserve any right, right of action, power or remedy conferred upon or vested in the County hereunder or under the Lease;

(e) The voluntary or involuntary liquidation, dissolution, sale or other disposition of all or substantially all the assets, marshalling of assets and liabilities, receivership, insolvency, bankruptcy, assignment for the benefit of creditors, reorganization, arrangement, composition with creditors or readjustments or other similar proceedings relating to the Company, or either of the Contract Communities, or any of their respective assets;

(f) The release of the Guarantor from performance or observance of any obligation, covenant or agreement contained in this Guaranty, except to the extent such may be expressly released in writing by the Contracting Communities or by the County, as applicable;

(g) The default or failure of the Guarantor fully to perform any of its obligations set forth in this Guaranty; or

(h) Guarantor's assignment or delegation by operation of law or otherwise of this Guaranty or its obligations hereunder, except as provided in Section 2.05 below.

(i) Any allegation or contest of the validity of this Guaranty in any proceeding;

(j) The invalidity, irregularity, illegality, or unenforceability of, or any defect in, the Service Agreement or the Lease;

(k) Any present or future law or order of any government or of any agency thereof, purporting to reduce, amend or otherwise affect the Service Agreement or the Lease or to vary any terms of payment or performance under the Service Agreement or the Lease;

(l) The transfer, assignment or encumbrance, or the purported or attempted transfer, assignment or encumbrance, by the Company of all or any part of its interest in the Facility or its rights under the Service Agreement or the Lease, or any failure of or defect in title with respect to the interest of the Company in the Facility or the Company's rights under the Lease, or of the interest of the County in the Facility Site;

(m) Any default or failure of Guarantor fully to perform any of its obligations under this Guaranty.

2.04 Obligations of Guarantor Not Affected by Bankruptcy. The obligations of the Guarantor hereunder shall not be affected by any bankruptcy, arrangement of creditors, reorganization or other similar proceedings of the Company; and the Guarantor specifically waives any right or benefit which could accrue to it by reason of any such proceeding and agrees that the same shall not affect the liability of the Guarantor hereunder, regardless of the effect that such proceedings may have with respect to the obligations of the Company.

2.05 Change of Guarantor. The Guarantor may assign this Guaranty and delegate its obligations hereunder (a "**Transfer**") only (i) to a transferee who (a) assumes in writing all of Guarantor's obligations under this Guaranty, and (b) posts an irrevocable and unconditional letter of credit, securing the Guaranteed Obligations in both the Service Agreement and Lease, in a form reasonably satisfactory to the Contracting Communities and in an amount equal to the Limit of Liability (as such term is defined in the Service Agreement), and (ii) if the Guarantor provides to the Contracting Communities (a) at least ten business days advance written notice of the Transfer, and (b) a fully-executed original of the written assumption described in clause (i)(a) above and the letter of credit required by clause (i)(b). Upon satisfaction of all clause (i) and (ii) requirements, the Guarantor shall automatically be released of all liability under this Guaranty. In the alternative, the transferee and the agreements effectuating the transfer may all be consented to in writing by the Contracting Communities, which consent shall not be unreasonably withheld.

ARTICLE III – Miscellaneous

3.01 Time When Guaranty Effective. As the Service Agreement has been fully executed and delivered by the Company and the Contracting Communities and the Lease has been fully executed and delivered by the Company and the County, as of the date hereof, the obligations of the Guarantor hereunder shall be effective as of the date hereof.

3.02 Remedies of Contracting Communities. In the event of default by the Guarantor in the punctual discharge of its obligations hereunder the Contracting Communities with respect to the Service Agreement, or the County with respect to the Lease, shall be entitled to enforce this Guaranty to the fullest extent provided by applicable law.

3.03 **Pursuit; Waiver.** No remedy conferred upon or reserved to the Contracting Communities or County hereunder is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Guaranty or now or hereafter existing at law or in equity or by statute. The Contracting Communities or the County, as the case may be, shall have no obligation to pursue their remedies against the Company before pursuing the Guarantor under this Guaranty. If the Company has breached or defaulted on any obligations that are Guaranteed Obligations hereunder, Guarantor shall be obligated hereunder upon receipt of notice thereof given as provided in Section 3.06. In order to entitle the Contracting Communities or the County, as the case may be, to exercise any remedy reserved in this Guaranty, it shall not be necessary to give any notice, other than such notice. No delay or omission to exercise any right or power accruing upon any default, omission or failure of performance hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised, from time to time, and as often as may be deemed expedient. In the event any provision contained in this Guaranty should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder. No waiver, amendment, release or modification hereof shall be established by conduct, custom or course of dealing, but shall be established solely by an instrument, in writing, duly executed by the appropriate parties.

3.04 **Entire Agreement.** This Guaranty constitutes the entire agreement, and supersedes all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof.

3.05 **Expenses.** Guarantor shall pay to the Contracting Communities or the County, as the case may be, all reasonable costs and expenses (including the fees and disbursements of counsel) incurred in the enforcement of their rights against Guarantor hereunder.

3.06 **Notices.** All notices or demands and other communications to Guarantor under this Guaranty shall be in writing and shall be sufficiently given if (i) delivered in person, (ii) sent by overnight courier and evidence of delivery is obtained, (iii) sent by e-mail with evidence of receipt of such email, or (iv) sent by certified or registered mail, return receipt requested, postage prepaid, and (where applicable) addressed as provided below:

To Guarantor: 445 South Street
Morristown, NJ 07960
Attention: Chief Operating Officer
Email: smyones@covantaenergy.com

With a copy to: 445 South Street
Morristown, NJ 07960
Attention: Chief Legal Officer
Email: tsimpson@covantaenergy.com

3.07 **Severability.** The provisions of this Guaranty shall be severable; and in the event of the invalidity or unenforceability of any one or more phrases, sentences, clauses, Articles,

Sections or parts contained in this Guaranty, such invalidity or unenforceability shall not affect the validity or enforceability of any remaining portions thereof.

3.08 **Choice of Law.** This Guaranty shall be construed in accordance with and shall be governed by the laws of the State of California, without regard to conflict of laws principles.

3.09 **Term.** This Guaranty shall remain in full force and effect until the Guaranteed Obligations shall have been fully performed.

3.10 **Amendment.** This Guaranty may be amended and/or supplemented, from time to time, only by a written document duly executed by all the parties hereto.

IN WITNESS WHEREOF, the Guarantor, intending to be legally bound and pursuant to proper authorization of its governing body, does hereby cause this Guaranty to be executed by its duly authorized officer, all as of the day and year first above written.

Title: _____

SCHEDULE 5

REQUIRED INSURANCE

1. Required Insurance. Company shall obtain, pay for and maintain the following insurance with respect to the operation and maintenance of the Facility:
 - (a)
 - (i) Workers' Compensation Insurance Coverage in compliance with the Workers' Compensation Law of the State extended by the Broad Form All States Endorsement, the United States Longshore and Harborworker's Coverage Endorsement and the Voluntary Compensation Coverage Endorsement.
 - (ii) Employers' Liability Insurance Coverage subject to the minimum Limit of Primary Bodily Injury Liability Insurance required to support the purchase of the Umbrella Liability Insurance set forth in subparagraph 1 (d) of this Schedule 5.
 - (b) Commercial General Liability Insurance. Commercial General Liability Form covering all premises and operations including independent contractors, products, and operations, to be extended by the following endorsements:
 - (i) The applicable limit of liability shall be the minimum Combined Single Limit of Primary Insurance required to support the purchase of the Umbrella Liability Insurance set forth in subparagraph 1 (d) of this Schedule 5.
 - (c) Comprehensive Automobile Liability Insurance Coverage applicable to all owned, hired and non-owned vehicles subject to the minimum Combined Single Limit of Primary Insurance required to support the purchase of the Umbrella Liability Insurance set forth in subparagraph 1 (d) of this Schedule 5.
 - (d) Umbrella Liability Insurance. The total Limit of Liability shall be \$25 million per occurrence and, as applicable, in the aggregate.
 - (e) All Risk Property Insurance.
 - (i) Coverage on All Risks Basis in an amount not less than 100% of the replacement cost of the Facility to protect against loss of, damage to or destruction of the Facility.
 - (f) Business Interruption and Extra Expense Insurance. Business Interruption and Extra Expense Insurance on the Facility to protect the Company and the Contracting Communities as their interests may appear covering the loss of revenues attributable to the Facility (and extra expense incurred), including the loss of any Contracting

Communities' State Diversion Credit, by reason of the total or partial suspension of, or interruption in, the operation of the Facility caused by a loss or damage to or destruction of any part of the Facility or Facility Site as a result of the perils insured against pursuant to subparagraph 1 (e) of this Schedule 5 covering a period of suspension or interruption of no less than one year and sufficient to facilitate reinstatement of the facility to its pre-loss condition and in an amount equal to the Facility's gross revenues less discontinuing expenses during any such period. All policies obtained pursuant to subparagraph 1 (e) of this Schedule 5 may be subject to normal exclusions relating to nuclear risks, war risks and such other perils as are general imposed by Insurers on similar properties and contain deductibles and sublimits that are commercially reasonable.

- (g) Boilers and machinery insurance in the aggregate amount of full replacement value of the boilers and machinery.
2. Additional Insureds. The Company shall name the Contracting Communities (including their respective officers, members, employees and agents) as additional insureds (the "Additional Insureds") on all insurance policies required pursuant to this Schedule 5 (other than subparagraph 1 (a) (i) hereof) as their respective interests may appear in accordance with the contracts and agreements (related to the Facility and Facility Site) to which they are a party.
3. Special Insurance Provisions.
- (a) Such coverages shall not be cancelled without giving the Contracting Communities at least sixty (60) days prior written notification thereof.
 - (b) The Insurers shall have no recourse against the Additional Insureds for payment of any insurance premium.
 - (c) If at any time the insurance set forth in this Schedule 5 shall fail to comply with the insurance requirements specified, the Company shall, upon notice to that effect, promptly apply for a new policy and when obtained, file a certificate thereof with the Contracting Communities. Failure of the Company to take out and/or maintain any required insurance shall not relieve the Company from any liability hereunder.
 - (d) The Company and any subcontractors shall evidence compliance with the Worker's Compensation law by supplying following attested documentation:
 - (i) A Workers' Compensation certificate, prescribed for proof of compliance with the Compliance law;
 - (ii) If the Company shall claim that it is not required to carry a Workers' Compensation Policy, a temporary permit shall be obtained by the Company,

which shall complete all requisite documentation and send one copy of the same to the Contracting Communities. The Company shall transmit the other copy of the completed documentation to the State's Workers' Compensation Board for the investigation and a report; and

(iii) If the Company shall be self-insured for Workers Compensation, it shall present a certificate from the State Workers' Compensation Board evidencing that fact to the Contracting Communities.

(e) Such liability insurance as is afforded by the insurance set forth in subparagraphs 1 (a) (ii), (b), (c) and (d) of this Schedule 5 shall be primary without the right of contribution from any other policies of insurance that are carried (or self-insured) by an Additional Insured with respect to their interests in the Facility or the Facility Site and, further, such liability insurances shall expressly provide that all of the provisions thereof, except the limits of liability, shall operate in the same manner as if there were a separate policy covering each Insured.

(f) The Company shall arrange for appropriate certificates of insurance to be issued to Additional Insured for coverage required by this Schedule 5.

(g) To the extent reasonably available, the company shall maintain the insurance set forth in this Schedule 5 with Insurers that carry an A.M. Best's "A-" or equivalent rating and a financial category size of VII or better. Further, the Company shall maintain such insurance only with companies that are authorized to do business in the State.

4. Waiver of Subrogation. The Company and the Contracting Communities hereby waive any and every claim for recovery from the other for any and all loss or damage to each other resulting from the performance of this Agreement, which loss or damage is covered by valid and collectible insurance policies to the extent that such loss or damage is recovered under said insurance policies. Inasmuch as this mutual waiver will preclude the assignment of any such claim to the extent of such recovery, by subrogation (or otherwise) to an insurance company (or any other person), the Company and each Contracting Community agree to give to each insurance company which has issued, or may issue in the future policies of insurance, written notice of the terms of this mutual waiver, and to have said insurance policies properly endorsed; if necessary, to prevent the invalidation of said insurance coverage by reason of said waiver.

SCHEDULE 6
HAULER REQUIREMENTS

Pursuant to the Stanislaus County Ordinance Code and the Modesto Municipal Code, the County and City may designate the disposal site for solid waste collected, removed or transported within the City and unincorporated areas of the County by solid waste collection companies. These haulers operate under franchise agreements (in the case of the County) to collect residential, industrial and commercial solid waste within the unincorporated areas of the County, and collection agreements (in the case of the City) to collect residential, industrial and commercial solid waste within the City.

Private operators of transfer stations located in Stanislaus County receive solid waste from City collectors and certain County franchisees and transport such solid waste to approved disposal sites (the remaining County franchisees deliver their solid waste directly to such approved disposal sites). Transfer Stations must receive and adhere to solid waste facilities permits issued by the California Department of Resources Recycling and Recovery (formerly known as the California Integrated Waste Management Board). Pursuant to existing authorities of the Stanislaus County Ordinance Code and the Modesto Municipal Code, franchise agreements and collection agreements with the haulers, and the provisions of the new Service Agreement relating to the delivery and processing of wastes at the Facility, the County and City will designate the Facility as the disposal site to be used for the disposal of acceptable waste by all County franchisees and City collectors.

**MODESTO CITY COUNCIL
RESOLUTION NO 2012-264**

**A RESOLUTION APPROVING THE AMENDED AND RESTATED FACILITY
SITE LEASE AGREEMENT COVANTA STANISLAUS, INC.**

WHEREAS, on December 17, 1985, the City of Modesto and County of Stanislaus (Contracting Communities) entered into an agreement for administration of the City/County Service Agreement with the Stanislaus Waste Energy Company (now Covanta Stanislaus) for supply and acceptance of solid waste, and

WHEREAS, since that time, the City has been partners with Stanislaus County and Covanta Stanislaus in the Stanislaus Resource Recovery Facility (the "Waste-to-Energy" or "WTE" Facility), and

WHEREAS, the City and County operate the project as a Joint Powers Agency under a Joint Powers Agreement, with the County acting as the Treasurer, and

WHEREAS, under the current Service Agreement, the Contracting Communities pay Covanta a service fee to operate the facility and are also responsible for all pass through costs associated with the facility such as taxes, insurance, air permit fees, ash disposal, etc., and

WHEREAS, the Contracting Communities are also responsible for any costs associated with unforeseen circumstances such as changes in law, major upgrades or any acts, events or conditions that have a material adverse effect on the operation of the facility, and

WHEREAS, the Contracting Communities are responsible for delivering wastes to the facility under a minimum tonnage guarantee of 243,300 tons, and Covanta uses this

waste to generate electricity, which it sells to PG&E under a Power Purchase Agreement (PPA), and

WHEREAS, the Contracting Communities currently retain 90% of the electric revenue generated by the facility, all of the disposal fees, 50% of metal recycling revenue and 30% of supplemental waste revenue, which revenues are used to offset costs, and

WHEREAS, the existing Service Agreement was set to expire on December 31, 2009, and in 2007, staff from the County Department of Environmental Resources and the City of Modesto Solid Waste Division began negotiations on a new contract with Covanta, and

WHEREAS, those negotiations proved unsuccessful with Covanta asking for more concessions that staff were willing to agree to, so in May 2009, the County and the City of Modesto exercised an option given in the original contract to extend the contract under the same terms an additional six years through December 31, 2015, and

WHEREAS, when the Power Purchase Agreement (PPA) with PG&E expired in January, 2010, Covanta elected to extend its contract with PG&E under extension provisions pursuant to California Public Utilities Commission (CPUC) Decision No. 07-09-040, and

WHEREAS, those provisions caused the price paid for power to revert to the Short Run Avoided Cost, or "SRAC", which was about \$55 per MW at the time and has since dropped even further, and

WHEREAS, this pricing also did not include a premium for renewable energy, and the capacity payment was reduced, and as a result, revenues from electricity generation declined sharply resulting in a significant operating deficit, and

WHEREAS, both the Contracting Communities and Covanta recognized that it would be in our joint interests to return to the negotiating table and secure a long term commitment that would motivate Covanta to negotiate a new PPA at much more favorable rates than current SRAC rates, and

WHEREAS, a new negotiating team was formed and reopened negotiations with Covanta, with the objectives of preserving the current RRA balance, a stable and predictable tipping fee, a commitment to no increased importation of waste, meeting diversion requirements and preserving landfill capacity, and reducing City/County risk exposure from change-in-law, public perception, and change in science/technology, and

WHEREAS, the Contracting Communities negotiating team has met on a regular basis over the past year and has provided periodic updates on the status of negotiations to the Solid Waste-to-Energy Executive Committee and the City-County Liaison Committee, and

WHEREAS, major deal points from the negotiations were agreed upon by the team and Covanta and were outlined in a Term Sheet approved by the Council and Board of Supervisors, and

WHEREAS, the negotiating team and Legal Counsel to the Executive Committee, Sidley Austin LLP, have negotiated a new Service Agreement and Facility Site Lease Agreement with Covanta, to become effective on July 1, 2012, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves the new Facility Site Lease Agreement with Covanta Stanislaus, Inc., a copy of which is **attached** hereto as Attachment "A" and incorporated herein by reference.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Burnside, Cogdill, Geer, Gunderson, Lopez, Muratore, Mayor Marsh

SCHEDULE 1

Description of Facility Site and Drawing

AMENDED & RESTATED
FACILITY SITE LEASE AGREEMENT

Recitals

THIS AMENDED & RESTATED FACILITY SITE LEASE AGREEMENT (this “Lease” or this “Agreement”), made and entered into as of July 1, 2012, by and between the County of Stanislaus, having its main office at 1010 Tenth Street, Modesto, California 95354 (the “County” or “Lessor”), and Covanta Stanislaus, Inc. (hereinafter the “Company” or “Lessee”), having an office at 445 South Street, Morristown, New Jersey 07960.

WHEREAS, pursuant to an Amended and Restated Service Agreement dated as of September 27, 1988, as amended prior to the date hereof (the “Original Service Agreement”) among the City of Modesto, California, a municipal corporation, (the “City”), the County (collectively the “Contracting Communities”), and Stanislaus Waste Energy Company (the “Original Company”), the Original Company agreed to design, construct, startup, test, own and operate a solid waste/resource recovery facility (the “Facility”) to be located in the County for the purpose of processing Acceptable Waste (as defined in the Original Service Agreement) and producing saleable electric energy, all in accordance with the terms of the Service Agreement; and

WHEREAS, pursuant to a new Amended and Restated Service Agreement, dated the date hereof, between the Contracting Communities and the Company (the “Service Agreement”), the Company agrees to accept, process and/or dispose of Acceptable Waste and the Contracting Communities agree to deliver, or cause Acceptable Waste to be delivered, to the Facility; and

WHEREAS, pursuant to the Facility Site Lease Agreement, dated as of June 1986 (the “Lease Effective Date”), the County entered into a site lease for the Facility with the Original Company (the “Original Facility Site Lease”); and

WHEREAS, the Facility site is described more particularly in Schedule 1 attached hereto (which site, together with all easements, rights of way and consents granted herein or pursuant to or in connection with this Lease, is referred to in this Lease as the “Facility Site”); and

WHEREAS, the Contracting Communities and the Company now wish to amend and restate in its entirety the Original Facility Site Lease as provided herein, effective as of July 1, 2012 (the “Amended & Restated Lease Effective Date”); and

WHEREAS, the County is empowered to enter into the transactions contemplated by this Lease and carry out its obligations hereunder and, by proper action of the members of the Board of Supervisors of the County, the County has duly authorized the execution, delivery and performance of this Agreement.

NOW, THEREFORE, in consideration of Ten Dollars (\$10.00), and the entering into of the New Service Agreement between the parties hereto, and other good and valuable consideration, each to the other in hand paid, and the mutual covenants contained herein, and the promises and the respective representations and agreements hereinafter contained, the receipt and adequacy of which is hereby acknowledged, and intending to be legally bound hereby, the parties hereby amend and restate in its entirety the Original Facility Site Lease as follows:

ARTICLE 1. DEFINITIONS, SCHEDULES
INCORPORATED BY REFERENCE AND INTERPRETATION

Section 1.01. Definitions. All capitalized terms used in this Agreement, unless otherwise expressly defined herein, shall have the meanings given to such terms in the Service Agreement as in effect on the date hereof whether or not the Service Agreement shall be in effect or amended (such meanings to apply equally to all forms of such terms).

Section 1.02. Schedules Incorporated by Reference. The following Schedule is hereby incorporated by reference and expressly made a part hereof:

Schedule 1 - Description of Facility Site and Drawing

Section 1.03. Interpretation.

(1) In this Agreement, any headings preceding the texts of the several Articles and Sections of this Agreement, and any table of contents, shall be solely for convenience of reference and shall not constitute a part of this Agreement, nor shall they affect its meaning, construction or effect.

(2) Whenever the Lessor or Lessee is named or referred to, it shall be deemed to include its successors and assigns whether so expressed or not; provided that nothing in this Section 1.03 shall be deemed to constitute a consent to either party to the assignment of this Lease contrary to the provisions hereof. All of the covenants, stipulations, obligations and agreements by or on behalf of, and other provisions for the benefit of, the Lessor or Lessee contained in this Agreement shall bind and inure to the benefit of such successors and assigns and shall bind and inure to the benefit of any officer, board, commission, authority, agency or instrumentality to whom or to which there shall be transferred by or in accordance with law any right, power or duty of the Lessor or Lessee, or of their successors or assigns, the possession of which is necessary or appropriate in order to comply with any such covenants, stipulations, obligations, agreements or other provisions hereof.

(3) Nothing in this Agreement is intended or shall be construed to confer upon, or to give to, any Person, other than the parties hereto, any right, remedy or claim under or by reason of this Agreement or any covenant, condition or stipulation thereof.

(4) The representations and warranties contained herein shall survive the execution and delivery of this Agreement.

ARTICLE 2. REPRESENTATIONS

Section 2.01. Representations.

(a) Lessor hereby represents, warrants, and covenants as follows:

(1) Lessor holds title to the Facility Site, free and clear of liens created by the Lessor other than “**Permitted Liens**”, being those described in the title report obtained by the Lessor pursuant to Section 2.04(o) of the Original Service Agreement (the “**Title Report**”). Lessor has the full right, power and authority to grant and convey to Lessee or its assignee the rights with respect thereto as are provided for in this Agreement.

(2) The Lessor is a political subdivision of the State and has the full power, authority and legal right to own or hold under lease real property and has the power, authority, and legal right to enter into this Lease, and the execution, delivery, and performance of this Agreement (i) has been duly authorized, (ii) will not violate any judgment, order, law, or regulation applicable to the Lessor, and (iii) do not (A) conflict with, (B) constitute a default under, (C) result in the creation of any lien, charge, encumbrance or security interest (other than Permitted Liens) upon the Facility Site, under any agreement or instrument to which the Lessor is a party or by which the Lessor or its assets may be bound or affected other than those contemplated hereby and by the Indenture.

(3) This Agreement constitutes a legal, valid and binding obligation of the Lessor, enforceable in accordance with its terms.

(4) Lessor has not given to any corporation, partnership, venture, person or other entity other than Lessee, any option to purchase or right of first refusal, entered or granted an option to enter into any lease, or entered into any other agreement (whether fixed or optional) granting any license, easement, other right of acquisition, use, or consideration with respect to the Facility Site, inconsistent with or which could diminish or otherwise negatively impact the rights conveyed to Lessee pursuant to this Lease, except as appears on the Title Report.

(5) The Lessor has the full right, power, and authority to grant the ingress and egress rights provided for in Section 7.05 below and shall not undertake any activities inconsistent therewith. Lessor reserves the non-exclusive right to utilize said access route on a non-exclusive basis and in a manner consistent with the foregoing rights of the Lessee.

(6) Lessor has no actual knowledge of any pending or threatened government or private proceedings against it with respect to the ownership, condition or maintenance of the Facility Site which could prohibit, restrict or otherwise negatively impact Lessor’s ability to grant and convey to Lessee the rights with respect to the Facility Site as are provided for in this Lease, or the ability of the Lessee to utilize the Facility Site for the uses permitted herein.

(b) The Lessee hereby represents, warrants, and covenants as follows:

(1) The Lessee is a corporation duly organized and existing in good standing under the laws of the State of California and has the full legal and corporate right, power and authority to own or hold under lease real property and to enter into and perform its obligations under this Lease.

(2) The Lessee has the power, authority and legal right to enter into and perform each other agreement or instrument entered into or to be entered into by the Lessee in connection with the operation of the Facility on the Facility Site, and the execution, delivery and performance of this Agreement and those instruments (i) has been duly authorized, (ii) will not violate any judgment, order, law or regulation applicable to the Lessee or any provisions of the Lessee's articles of incorporation or by-laws, and (iii) do not (A) conflict with, (B) constitute a default under, or (C) result in the creation of any lien, charge, encumbrance or security interest (other than Permitted Liens) upon any assets of the Lessee, under any agreement or instrument to which the Lessee is a party or by which the Lessee or its assets may be bound or affected other than those contemplated hereby and by the Indenture.

(3) This Agreement constitutes a legal, valid and binding obligation of the Lessee, enforceable in accordance with its terms.

(4) There are no pending or, to the knowledge of the Lessee, threatened actions or proceedings before any court or administrative agency which would have a material adverse affect on the ability of the Lessee to perform its obligations under this Agreement.

ARTICLE 3. LEASED LAND AND TERM

Section 3.01. Leased Land. Lessor leases to Lessee, and Lessee hires from Lessor, the Facility Site, located in the County, consisting of 16.55 acres more or less and all access easements, together with any and all appurtenances, rights, privileges and easements benefiting, belonging or pertaining thereto, in front of or adjoining the Facility Site, and together with any strips and gores relating to the Facility Site, described more particularly in Schedule 1, which is attached to and made a part of this Lease.

Section 3.02. Initial Term. This Lease becomes effective on the Lease Effective Date and shall expire on the day preceding the fifteenth (15th) anniversary of the Amended & Restated Lease Effective Date (the "**Initial Term**"), subject to the right of renewal in Section 3.03.

Section 3.03. Lessee's Right to Renew Lease.

If it is the desire of Lessee to renew this Lease on the expiration of the Initial Term, Lessee shall have an option to renew for an additional period of up to fifteen (15) years from the expiration of the Initial Term (the "**Renewal Period**") on the same terms, covenants,

and conditions herein contained, except as expressly provided otherwise herein, by giving notice of the extension and the time period thereof (in full months) no less than six (6) months prior to the expiration of the Initial Term and provided Lessee is not in default beyond any applicable grace period under this Lease at the time of giving notice (the "**Renewal Option**"). (The "**Initial Term**" together with the "**Renewal Term**" shall constitute the "**Term**" of this Lease.)

ARTICLE 4. RENT

Section 4.01. Amount and Payment of Rent.

(a) For the Initial Term and provided the Service Agreement is in effect, Lessee agrees to pay to Lessor for the use of the Facility Site, in lawful money of the United States, an annual base rent ("**Annual Base Rent**") in the sum of ONE HUNDRED NINETY EIGHT THOUSAND AND NO/100THS DOLLARS, (\$198,000.00), payable without notice or demand in one annual payment, in advance on or before the first day of each June during the term hereof; provided that the Rent for any No Service Agreement Period shall be determined pursuant to Section 4.01(c). As hereinafter used the term "**Rent**" shall be deemed to include Annual Base Rent and any other amounts payable by the Lessee under this Agreement ("**Additional Rent**").

(b) Except as may be expressly provided otherwise in this Lease, payment of the Rent required to be made under this Article 4, or payments to be made under any other Article of this Lease, shall be made without any set-off or counter-claim or defense, and shall be made payable to and sent to Lessor at such place as Lessor may from time to time designate by notice to Lessee; provided that during the term of the Service Agreement, the Lessee shall have a right of offset against Rent to the extent that the Contracting Communities have defaulted on their obligation to reimburse the Lessee for Unforeseen Circumstance Costs and/or Discriminatory Taxes as required by the Service Agreement. In the event of a dispute relating to whether such Rent is payable, the dispute shall be resolved pursuant to Article 19.

(c) During the Renewal Period, and at any time during the Initial Term hereof that the Service Agreement is not in effect (a "**No Service Agreement Period**"), Lessee shall pay fixed rent at a fair market rate fixed by mutual agreement of the parties or if the parties are unable to mutually agree on the fair market rate, with an appropriate adjustment mechanism to account for inflation, the fair market rate for rent, based upon the highest and best use (without consideration of the Facility, any related improvements or the Service Agreement), shall be established through the procedure set forth in Section 10.01(g), (the "**Appraisal Procedure**"), through which appraisers will determine the fair market rental therein. Such fair market rental shall then be the Annual Base Rent.

ARTICLE 5. TAXES

Section 5.01. Taxes. (a) Pursuant to California Revenue and Taxation Code Section 107.6, Lessee acknowledges that the property interest created by this Lease may be subject to property taxation, and that the Lessee will be obligated to make payment of property taxes levied on such interest during the Term of this Agreement. The Lessee shall pay punctually as Additional Rent (in the same manner as Annual Base Rent) all taxes, payments in

lieu of taxes, special and general assessments, charges, and other governmental impositions and charges of every kind and nature whatsoever (collectively referred to as “Taxes”), and each and every installment thereof, which become due and payable, with respect to the Facility Site or any part thereof in the manner and to the place that property taxes to the County are then being paid. The obligation of the Lessee to pay such Additional Rents shall, so long as the Service Agreement is in effect, be reduced to the extent that any “Discriminatory Taxes” are levied against the Facility Site and Lessee has paid such Discriminatory Taxes, and has not been reimbursed pursuant to Section 6.02(b) of the Service Agreement. As used here “Discriminatory Taxes” shall mean any taxes, assessments or fees imposed by the County, the City, or any special taxing district or authority under the control of the County or City, that are imposed on the Company, the Facility, its operation or the solid waste industry and that are not generally applicable throughout the entire County.

(b) The Lessee shall be deemed to have complied with the covenants of Section 5.01(a) if payment of such Taxes (other than Discriminatory Taxes) shall have been made either within any period allowed by law or by the governmental authority imposing the same during which payment is permitted without penalty or interest or before the same shall become a lien upon the Facility Site, and the Lessee shall produce and exhibit to the County satisfactory evidence of such payment, if the County shall demand the same in writing.

(c) The Lessee agrees that if there shall be any refunds or rebates on account of Discriminatory Taxes paid by the Lessee which have been reimbursed to the Lessee under the Service Agreement, such refund or rebate shall be paid to the County.

(d) Lessee shall have the right, subject to applicable law, to contest, in good faith and with due diligence, the amount or validity of any Taxes by appropriate legal proceedings, provided that if the contested Tax is not paid before the start of legal proceedings, then before instituting any proceedings, Lessee shall furnish to Lessor a surety bond, cash deposit, or other security reasonably satisfactory to Lessor, in an amount sufficient to pay the Tax, together with all interest and penalties and all charges that may be assessed against the Premises in the legal proceedings, as security for the payment of the Tax. In the event of any default by Lessee to pay Taxes such will constitute a default hereunder and Lessor is authorized to use the security deposited under this Section to pay the Tax. The balance, if any, shall be paid to Lessee. Lessee shall at all times keep the Facility Site free from Tax liens by bond, payment under protest or other arrangement.

ARTICLE 6. USE

Section 6.01. Description of Use.

(a) During the Term, Lessee may use and occupy the Facility Site for operating, maintaining, modifying and improving the Facility for the purpose of accepting, storing and processing Acceptable Waste and storing Solid Waste (as such terms are defined in the Service Agreement) and for purposes necessary or incidental in connection with the foregoing, which for purposes of this Agreement shall include use of the site for a waste recovery facility and, while the Service Agreement is in effect, will use the Facility Site for no

other purpose. In connection with Lessee's permitted use, Lessee may install and construct structures, buildings, furnaces, steam turbine/generators and incidental facilities necessary to operate the Facility. Subject to the terms and provisions of the Service Agreement, all improvements to the Facility Site shall be at Lessee's sole cost and expense, and Lessee shall indemnify and hold Lessor free and harmless from any and all damages, costs, expenses, liabilities, losses, fines, penalties, claims and demands, including reasonable counsel fees, that may in any manner relate thereto (except to the extent resulting from the negligent acts, negligent omissions or intentional wrongful conduct of Lessor).

(b) All waste materials stored or kept on the Facility Site during the Term by Lessee shall be maintained in a manner so as not to cause a nuisance or violate any law, ordinance, use permit, or government regulation and shall be removed at the expiration or sooner termination of this Lease at Lessee's sole cost and expense.

(c) Lessee shall, at its own cost and expense, promptly observe and comply with all present and future federal, State, county, and city laws, ordinances, requirements, orders, directives, rules, and regulations affecting the Facility Site or improvements or structures thereon or appurtenances thereto or any part thereof, and the Lessee shall pay all costs, expenses, liabilities, losses, County damages, fines, penalties, claims and demands, including reasonable counsel fees, that may in any manner arise out of or be imposed upon the County or the Lessee because of the failure of the Lessee to comply with the covenants of this Section 6.01 except to the extent resulting from the negligent acts, negligent omissions or intentional wrongful conduct of Lessor.

ARTICLE 7. IMPROVEMENTS AND EQUIPMENT

Section 7.01. Improvements. Lessee may improve the Facility Site at its sole cost and expense, subject to the terms and conditions of the Service Agreement when in effect, and for those permitted uses which are set forth in Section 6.01 of this Agreement.

Section 7.02. Utilities. Lessee shall determine the availability of, and is hereby authorized to cause to be installed in, on and about the Facility Site, such other facilities for its use as it may determine appropriate for supply of water, sewage, gas, electricity, telephone and other like services which may be required in Lessee's operations, all in accordance with the terms of the Service Agreement.

Section 7.03. Lessor's Cooperation. Subject to applicable law, Lessor agrees that it shall cooperate and assist Lessee in obtaining any required consents, approvals, licenses, and/or nonexclusive easements on terms which do not interfere with Lessee's rights or obligations under the Service Agreement and which are reasonably required for Lessee's proposed development and use of the Facility upon the Facility Site.

Section 7.04. Rights and Obligations upon Termination.

(a) Upon any expiration or earlier termination of this Lease in accordance with its terms, including without limitation, pursuant to Section 6.05(e) or Section 8.05 of the Service Agreement, the Lessor shall have the right, exercisable only by providing written notice

of exercise to the Lessee at least one hundred twenty (120) days prior to expiration of this Lease and no more than sixty (60) days following any earlier termination, to either (i) accept from the Lessee title to the Facility in its then "as is" condition (free and clear of all mortgages or liens securing debt arising by, through or under Lessee) without payment of consideration of any kind therefor and otherwise in accordance with the provisions of Section 7.04(b) below (the "**As-is Option**"), or (ii) instruct the Lessee to decommission the Facility in accordance with Section 7.04(c) below (the "**Decommission Option**"). The Lessee shall permit the Lessor and its representatives to inspect the Facility during such one hundred twenty (120) day period, subject to the provisions of Section 17.01 hereof. If the Lessor does not timely exercise either such right, then it shall be deemed to have exercised the As-is Option.

(b) If the Lessor has exercised (or is deemed to have exercised) the As-is Option, then the Lessee shall deliver a quit claim bill of sale for the Facility and all improvements on the Facility Site and physical possession of the Facility to the Lessor within ten (10) business days of such exercise (or deemed exercise). The Lessee may remove personal property only if it is not incorporated into the Facility and not used in its operation.

(c) If the Lessor has exercised the Decommission Option, then Lessee shall within one (1) year from such exercise date, remove any and all equipment, machinery, materials, and any other property erected or maintained by Lessee on the Facility Site (excluding the storage pit and pilings), and shall fully de-commission, demolish and remove the Facility , and shall fully restore the Facility Site to the condition it was in upon commencement of the Original Facility Site Lease, except that, subject to Section 7.04(d), the storage pit and cement bottom thereof and pilings may be left in place if filled and covered to grade level with clean soil, in compliance with applicable law. Lessor shall grant Lessee reasonable rights of access to the Facility Site for the purpose of effecting such removals during such one (1) year period. Any of Lessee's property thereafter remaining on the Facility Site after the one-year period shall become the property of Lessor without the payment of any consideration therefor. Lessee shall have any and all right of salvage for its own account (except computer equipment and scales in the scalehouse, notwithstanding that such scales may not be on the Facility Site) if Lessor has exercised the Decommission Option.

(d) Regardless of which Section 7.04(a) option Lessor has exercised (or has been deemed to have exercised), Lessee shall remove or fully remediate any contamination on or in the Facility Site resulting from any acts or omissions of Lessee, including any contamination in or below the storage pit or the pilings, and indemnify and defend Lessor from and against any claims, costs, expenses, liabilities, losses, damages, fines, penalties, claims and demands, including reasonable counsel fees, relating thereto. Either party may engage, at its own cost and with notice to the other party, an independent environmental engineer to investigate the level of contamination, the proposed form and method of removal and/or remediation, and to provide confirmation that the Facility Site is either clean or has been fully remediated and in compliance with all applicable laws and regulations.

(e) Upon expiration or other termination of the Lease, Lessee shall provide a signed statement, in recordable form, that this Facility Site Lease Agreement has terminated. Lessee shall, however, continue to have access to the Site as reasonably required to complete its

obligations under this Section, subsequent to a termination of the Lease, if the Decommission Option has been selected. If either party so requests, the parties will in good faith and acting reasonably, enter into an access agreement to allow completion of the required work hereunder. Upon the earlier of completion of all required work under Section 7.04(c) or the end of the one year period set forth therein, Lessee agrees to execute, acknowledge, and deliver to Lessor a proper instrument in writing releasing and quitclaiming to Lessor all right, title and interest of Lessee in and to all equipment, machinery, materials and other property, or improvements on the Facility Site free of all mortgages or liens securing debt arising by, through or under Lessee.

(f) The obligations set forth in this Section 7.04 shall survive expiration or earlier termination of this Lease, and shall be included as obligations of the Parent Company in the Parent Guaranty to be provided in accordance with Section 20.01 hereof.

Section 7.05. Ingress and Egress During Lease Term.

(a) Lessor understands and acknowledges that Lessee requires ingress and egress to and from the Facility Site over other property owned or controlled by Lessor. The Lessor hereby grants to Lessee a forty (40) foot wide non-exclusive easement for right of ingress and egress to and from the Facility Site over the County's adjacent real properties and generally following the existing roads as shown upon the routes indicated on Schedule 1 attached hereto. In the event said access route becomes impassible, the Lessor shall provide an alternate route. The Lessor agrees that this covenant shall run with its land.

(b) The Lessor also will, at the request of the Lessee, grant to other persons such rights of way or easements over, across or under, the Facility Site, or other adjacent property owned or controlled by Lessor, or grant permits or licenses with respect to the use thereof, as shall be necessary or convenient for the operation or use of the Facility Site, including but not limited to leases, easements or rights of way for utility, roadway, railroad or similar purposes in connection with the Facility Site, as well as access to such facilities or installations, or for the utilization of any real property adjacent to the Facility Site which is owned by the Lessor or leased to the Lessor. The Lessor agrees, at the cost and expense of the Lessee, to execute and deliver any and all instruments necessary or appropriate to confirm and grant any such right of way or easement or any such permit or license.

(c) No conveyance effected under the provisions of this section shall entitle the Lessee to any abatement or diminution of the rent payable hereunder or the other payments required to be made by the Lessee under this Agreement.

Section 7.06. Improvements and Maintenance of Routes For Ingress and Egress. The cost and responsibility of creating, improving, maintaining or repairing any route(s) for ingress and egress to and from the Facility Site as provided for in Section 7.05(a) shall be at the sole cost and sole responsibility of Lessor unless otherwise mutually agreed in writing between the parties.

Section 7.07. No Lessor Improvements. Except as may otherwise be provided in the Service Agreement, or such other agreement as may be in effect between the parties hereto,

the Lessor shall not be required to furnish any services or facilities or to make any improvements, repairs, or alterations in or to the Facility Site during the Term of this Agreement.

Section 7.08. Quiet Enjoyment. The Lessee upon paying the Rent and all other sums and charges to be paid by it as herein provided, and observing and keeping all covenants, warranties, agreements and conditions of this Lease on its part to be kept, shall have a right of quiet enjoyment of the Facility Site during the Term without hindrance or molestation by, through or under the County.

ARTICLE 8. REPAIRS

Section 8.01. Lessee's Duty to Maintain Premises. At all times during the Term of this Lease, Lessee shall keep and maintain the Facility Site and all improvements thereon in accordance with the maintenance standards set forth herein and in the Service Agreement. As long as Lessee continues to operate the Facility, whether or not under the Service Agreement, the maintenance standards as set forth in the Service Agreement then in effect (or if no Service Agreement is then in effect, the maintenance standards that were in effect at the termination of the Service Agreement) shall be followed and adhered to until there is another agreement relating to maintenance standards between Lessor and Lessee.

ARTICLE 9. MECHANIC'S LIENS

Section 9.01. Prohibition Against Mechanic's Liens — Indemnification of Lessor. Except for Permitted Liens, Lessee shall not suffer or permit to be enforced against the Facility Site, or any part thereof, any mechanic's, materialman's, contractor's, or subcontractor's liens arising from, or any claim for damage growing out of the work of, any construction, repair, restoration, replacement, or improvement, and Lessee shall (subject to Section 9.02 hereof) pay or cause to be paid all such liens, claims, or demands before any action is brought to enforce the same against the Facility Site; and Lessee agrees to indemnify and hold Lessor and the Facility Site free and harmless from all liability for any and all such liens, claims, and demands together with reasonable attorney fees and all costs and expenses in connection therewith.

Section 9.02. Contest by Lessee—Surety Bond. If Lessee shall in good faith contest the validity of any such liens or claim, then Lessee shall, at its expense, defend itself and Lessor against the same and shall pay and satisfy any adverse judgment that may be rendered thereon before the enforcement thereof against Lessor or the Facility Site.

Section 9.03. Lessor's Right to Remove Lien. If Lessee fails to discharge such lien or to furnish a bond against the foreclosure thereof as required by the law of the State, Lessor may, but is not obligated to, discharge such lien or take such other action as is reasonably necessary to prevent a judgment of foreclosure upon said lien from being executed against the property, and all costs and expenses, including reasonable attorney fees incurred by Lessor, shall be repaid by Lessee upon demand, and if unpaid may be treated as Additional Rent.

Section 9.04. Notices of Nonresponsibility. Nothing in this Lease shall be deemed or construed in any way as constituting the request or assumption of responsibility by Lessor, expressed or implied, by inference or otherwise, for any contractor, subcontractor,

laborer, or materialman for the performance of any labor or the furnishing of any materials for any specific improvement, alteration, or repair of or to the Facility Site, any buildings or improvements thereof, or any part thereof. Lessor shall have the right at all reasonable times to post and keep posted on the Facility Site such notices relating to the nonresponsibility/liability of Lessor as Lessor may reasonably deem necessary for the protection of Lessor and the fee of the Facility Site from mechanic's and materialman's liens.

ARTICLE 10. CONDEMNATION/DAMAGE TO FACILITY

Section 10.01. Loss Events.

(a) If at any time during the Term hereof the whole or a part of the Facility or the Facility Site shall be damaged or destroyed, or there shall be a taking by any governmental authority under the power of condemnation (either of which shall be called a "**Loss Event**"), then the Lessee will promptly give written notice of such Loss Event to the Lessor, generally describing the nature thereof.

(b) Upon the occurrence of any Loss Event consisting of damage to, or destruction of the Facility, Lessee shall be entitled to receive and keep all "net proceeds" that consist of insurance proceeds payable under policies it maintains pursuant to the Service Agreement or otherwise. For the purposes of this Article 10, "**net proceeds**" shall mean the total proceeds of insurance or condemnation less the costs and expenses incurred in connection with negotiating and collecting such proceeds including, without limitation, legal fees.

(c) The Lessor shall have no obligation to rebuild, replace, repair or restore the Facility at any time during the term. However, subject to Section 10.01(h) below and to Sections 6.05(c), (d) or (e) of the Service Agreement, Lessee shall restore the Facility following any Loss Event occurring while the Service Agreement is in effect whether or not Lessee receives adequate insurance or condemnation proceeds for such restoration.

(d) If a Loss Event consisting of a taking by any governmental authority under the power of condemnation shall occur, the net proceeds of such taking shall be divided between Lessor and Lessee in proportion to the fair market sales value (determined in accordance with the "**Appraisal Procedure**" in Section 10.01(g) below) of their respective interests in the Facility and/or the Facility Site so condemned or taken and in a manner consistent with the provisions of this Article 10.

(e) Any awards for a taking for a temporary period of all or part of the Facility or the Facility Site by any governmental authority under the power of condemnation or agreement in lieu thereof, so long as such taking period does not extend beyond the expiration or termination of this Lease, shall be payable solely to Lessee, and Lessee will be obligated to continue to pay the Annual Base Rent during such period.

(f) [Intentionally Omitted].

(g) As used in this Article, "**Appraisal Procedure**" shall mean the procedure specified in the succeeding sentences for determining the fair market rate for rent as provided in

Section 4.01(c), or the fair market sales value described in Section 10.01(d) or any other Section hereof that refers to this Section 10.01(g). In determining the Lessee's interest in the Facility Site under Section 10.01(d), the appraisers hereunder shall assume that the term of this Agreement includes both the Initial Term and the Renewal Period except if the period to extend such renewal has lapsed and such renewal has not been exercised. If either the Lessor or the Lessee shall give written notice to the other requesting a determination of value by appraisal in accordance with this Section 10.01(g), the Lessor and the Lessee shall consult for the purpose of appointing a mutually acceptable qualified independent appraiser. If such parties shall be unable to agree on a single appraiser within 20 days of the giving of notice, such value shall be determined by independent appraisers. One such appraiser shall be selected by the Lessee and another shall be selected by the Lessor; provided, that if either the Lessee or the Lessor shall fail to select an appraiser within 30 days after the giving of such notice, such appraiser upon application of the other party, shall be selected by the American Institute of Real Estate Appraisers (or its successor). The appraiser or appraisers appointed pursuant to the foregoing procedure shall be instructed to determine such amount or value in writing within 45 days after such appointment and such determination shall be final and binding upon the parties. If the two appraisers selected as aforesaid, after making their own written appraisal, shall fail to agree upon the required valuation within such 45 day period, the two appraisers shall select a third appraiser, and if they shall be unable to agree on a third appraiser within 10 days after each of such two appraisers shall have been selected, such third appraiser shall be selected by the American Institute of Real Estate Appraisers (or its successor) upon application of either party. The third appraiser shall select one of the other two appraisals as the final determination of the appraisers. The fees and expenses of the appraiser appointed or deemed appointed by the Lessee shall be paid by the Lessee, the fees and expenses of the appraiser appointed or deemed appointed by the Lessor shall be paid by the Lessor and the fees and expenses of the third appraiser, or of a single appraiser if only one is appointed, shall be divided equally between the Lessee and the Lessor.

(h) This Lease shall terminate upon the occurrence of the following Loss Events: (i) a taking or condemnation of the entire Facility Site or of so substantial a part thereof as to render the Facility Site incapable of being used for the purposes set forth in this Agreement, (ii) while the Service Agreement is in effect, pursuant to Section 6.05(e) of the Service Agreement, or (iii) while the Service Agreement is in effect but within one year of its stated expiration date or during a No Service Agreement Period, upon Lessee providing to Lessor at least sixty (60) days written notice of termination following such Loss Event.

(i) Unless otherwise agreed, in the event of condemnation or the threat of condemnation, settlement negotiations shall be conducted by the Lessee if the proposed taking involves the Facility, and by the Lessor and the Lessee if the proposed taking involves only the Facility Site (and no portion of the Facility) and no settlement shall be concluded in such latter case without the prior written consent of the other party. In the event the condemnation proceeding in such latter case will be going to trial in a court, both the Lessor and the Lessee shall be entitled to be represented by counsel. In the event in such latter case either the Lessor or the Lessee desires to appeal from a judgment, or the condemnor appeals, the parties agree to prosecute or defend such appeal jointly.

(j) The Lessee shall be entitled to any condemnation award attributable to ownership of the Facility (not including components owned by the Contracting Communities) and the machinery, equipment, spare parts or other property (other than computer equipment and software owned by Lessor) installed in and constituting part of the Facility or used in connection therewith.

(k) The Lessee shall not be entitled to share in any award or awards made in condemnation proceedings for the taking of any property outside of the boundaries of the Facility Site, or any rights in, under or above the streets adjoining the Facility Site, or any rights and benefits of light or air or any rights and benefits of space, below the surface of, or above the Facility Site except to the extent that such award or awards upon any such taking may represent compensation for physical damage to the Facility Site and/or the cost of repairing or restoring the Facility Site by reason of a change in grade of any adjoining public street and then only in accordance with Section 10.01 of this Agreement.

Section 10.02. Rent Abatement. If such taking shall not result in termination of this Lease pursuant to Section 10.01(h), then this Lease shall continue in full force and effect as to the remainder of the Facility Site, and the fixed rental payable by Lessee for the balance of the Term shall be reduced proportionally according to the ratio of the value of the portion of the land taken to the value of the full Facility Site. In case of an inability to agree on the appropriate reduction in fixed rent, the Appraisal Procedures in Section 10.01(g) may be invoked by either party.

Section 10.03. Allocation of Taking Award during Facility Operation. All compensation and damages awarded for the taking of the Facility Site or any portion thereof which does not include a taking of any part of the Facility shall belong to and be the sole property of Lessor. Lessee shall be entitled to any award that may be made for the taking of, or the diminished commercial utility of the Facility, or injury to the Facility or on account of any loss Lessee may sustain in the removal of Lessee's fixtures or equipment or as a result of any alterations or modifications which may be reasonably required by Lessee in order to place the remaining portion of the Facility Site not so condemned in a suitable condition for the continuance of Lessee's operation of the Facility.

Section 10.04. Effect of Termination. If this Lease is terminated, in whole or in part, pursuant to any of the provisions of this Article 10, all rentals and other charges theretofore paid hereunder by Lessee to Lessor prior to condemnor taking actual physical possession shall be retained by Lessor. All future rental payments shall be reduced as provided in Section 10.02.

ARTICLE 11. INSURANCE

Section 11.01. Lessee's Worker's Compensation Insurance. Lessee, at its expense, shall at all times during this Lease, carry full and adequate insurance against any risk or loss under the Workers Compensation Act of the State of California.

Section 11.02. Lessee's Insurance. The Lessee, at all times during the Term of this Agreement, at its expense, will procure, maintain and keep in force, (i) during the term of the

Service Agreement, the insurance described in Section 7.03 of the Service Agreement, and (ii) thereafter, (a) commercial general liability insurance for claims for personal injury, death, or property damage, occurring in or about the Facility Site, with limits equal to the limits in effect as of the date of termination of the Service Agreement, but subject to each party's right to request an adjustment to existing coverage, so that the insurance coverage hereunder is consistent with that of similar facilities, provided such adjusted coverage is available on commercially reasonable terms, and (b) property insurance for loss or damage to the Facility (in an amount equal to the cost of the Decommissioning Option under Section 7.04. The Lessee will cause to have the Lessor named as an additional insured on all such insurance policies.

Certificates of insurance for such policies will be delivered to the Lessor. The policy or policies of insurance will be issued by a company or companies licensed in the State of California and will provide that such policy or policies will not be cancelled, terminated, suspended or modified without the insurance company first giving the Lessor written notice thereof, at least thirty (30) days before any such cancellation, termination, suspension or modification shall become effective.

ARTICLE 12. ASSIGNMENTS AND SUBLETTING

Section 12.01. Lessor's Approval Required.

(a) Except with respect to (i) any collateral assignment or granting of a security interest by Lessee in connection with the financing for the Facility in accordance with Article 13, (ii) any assignment or sublease by Lessee under any management or operating agreement entered into by Lessee in connection with the Facility, and/or (iii) any assignment by Lessee in lieu of foreclosure in connection with the enforcement of the collateral assignment or security interest granted pursuant to the immediately preceding clause (i), as to which assignments or subleases Lessor hereby consents, Lessee shall not encumber, assign, or otherwise transfer this Lease, or any right or interest hereunder, and Lessee shall not assign or sublet any or all of its interests in the Facility Site in whole or in part without the prior written consent and approval of Lessor (which consent shall not be unreasonably withheld).

(b) Other than as provided in Section 12.01(a), the Lessee may not at any time assign or transfer this Agreement, or sublet the whole of the Facility Site without the prior written consent of the Lessor (which consent shall not be unreasonably withheld); provided that in the event of a permitted assignment, transfer or sublease, (i) the Lessee shall nevertheless remain liable to the extent herein provided to the Lessor for the payment of all Rent and for the full performance of all of the terms, covenants and conditions of this Agreement and of any other security document related to the Facility or Facility Site to which it shall be a party and its Parent Company (as defined in Section 20.01) shall acknowledge in writing the continuing effectiveness and enforceability of the Parent Guaranty (as defined in Section 20.01), (ii) any assignee, transferee or sublessee of the Lessee shall have assumed in writing and have agreed to keep and perform all of the terms of this Agreement on the part of the Lessee to be kept and performed, shall be jointly and severally liable with the Lessee for the performance thereof, shall be subject to service of process in the State, and, if a corporation, shall be qualified to do business in the State, (iii) in the opinion of counsel, such assignment, transfer or sublease shall not legally

impair in any material respect the obligations of the Lessee for the payment of Rent nor for the full performance of any and all of the terms, covenants and conditions of this Agreement, and (iv) if during the term of the Service Agreement, such sublessee, or the Facility Operator meets the standards set forth in the Service Agreement. The Lessee shall furnish or cause to be furnished to the Lessor, a copy of any such assignment, transfer or sublease in substantially final form at least thirty (30) days prior to the date of execution thereof.

(c) The Lessee may not at any time sublet any portion of the Facility without the prior written consent of the Lessor (which consent shall not be unreasonably withheld); provided that in the event of such permitted subletting (i) such sublease shall not violate any provision of this Agreement; and (ii) in the opinion of counsel such sublease shall not legally impair or limit in any respect the obligations of the Lessee for the payment of Rent nor for the full performance of all of the terms, covenants and conditions of this Agreement or of any other security document related to the Facility or the Facility Site to which the Lessee shall be a party. The Lessee shall furnish or cause to be furnished to the Lessor a copy of any such proposed sublease in substantially final form at least thirty (30) days prior to the date of execution thereof. Any consent by the Lessor, to any act of assignment shall be held to apply only to the specific transaction thereby authorized. Such consent shall not be construed as a waiver of the duty of the Lessee, or the successors or assigns of the Lessee, to obtain from the Lessor, consent to any other or subsequent assignment, transfer or sublease, or as modifying or limiting the rights of the Lessor.

(d) If this Agreement shall be assigned, the Lessor may and is hereby empowered to collect Rent from the assignee. If the Facility Site or any part thereof be sublet or occupied by any Person other than the Lessee, the Lessor, in the event of the default of the Lessee in the payment of Rent may, and is hereby empowered to, collect rent from the subtenant or occupant during the continuance of any such default. In either of such events, the Lessor may apply the net collection to the Rent reserved in this Agreement but no such assignment, subletting, occupancy or collection of rent shall be deemed a waiver of the covenant herein against assignment, transfer or sublease of this Agreement, or constitute the acceptance of the subtenant or occupant as tenant, or a release of the Lessee from the further performance of the covenants herein contained on the part of the Lessor.

Section 12.02. Termination. Except as provided in subparagraph 12.01(a) above, should Lessee suffer to be made any such assignment, transfer, or subletting without Lessor's consent, thereupon Lessor may, at its option, terminate this Lease forthwith by written notice, and upon such termination this Lease shall cease, and end and be of no further force or effect, except as hereinafter otherwise provided.

Section 12.03. Effect of Lessor's Consent. Should Lessor consent to any such encumbrance, assignment, transfer, or subletting for which Lessor's consent is required, none of the restrictions of this Section shall be thereby waived except as to the subject of such consent, but the same shall apply to each successive assignment, transfer, or subletting hereunder, if any, and shall be severally binding upon each and every encumbrance, assignee, transferee, subtenant, and other successor in interest of Lessee.

Section 12.04. Written Assumption Agreement. In the event of any transfer or assignment as provided for herein (except as security to a Facility Lender in conjunction with financing or refinancing the Facility, in accordance with Article 13), then before such transfer or assignment becomes effective for any purpose, the transferees and assignees must, in writing, assume all the obligations of this Lease and agree to be bound by all terms of this Lease.

ARTICLE 13. RIGHTS OF FACILITY LENDERS

As used herein:

“Facility Lender” means any Acceptable Lender that holds a Leasehold Mortgage.

“Acceptable Lender” shall mean any of the following:

1. A bank, savings and loan association, investment bank, insurance company, trust company, commercial credit corporation, real estate investment trust, pension or retirement fund, or pension advisory firm or mutual fund, or

2. An investment company, money management firm or “qualified institutional buyer” within the meaning of Rule 144A under the Securities Act of 1933, as amended, which is regularly engaged in the business of making or owning commercial mortgage loans of a similar type.

“Leasehold Mortgage” means any mortgage, deed of trust, collateral assignment or other security agreement that creates or constitutes a lien on Lessee’s interest in this Lease and the leasehold estate created hereby.

To be the beneficiary of the rights provided for in this Article and be recognized as a “Secured Facility Lender”, a Facility Lender shall deliver to Lessor a true or photostatic copy of its Leasehold Mortgage which Leasehold Mortgage shall comply with the provisions of this Lease (as well as with copies of all related loan documents), together with a certification by Lessee and the Facility Lender confirming that said copies include a true copy of the Leasehold Mortgage and all related documents, and the name and address of the Facility Lender and its counsel and contact information therefor in writing.

Section 13.03. Notice to Facility Lenders. Lessor shall send to each Secured Facility Lender, a copy of each notice of default given hereunder from Lessor to Lessee at the same time as such notice is sent to Lessee, addressed to such Facility lender at its address for notices last furnished to Lessor hereunder. No notice of default to Lessee hereunder shall be validly given hereunder unless and until a copy thereof shall have been so sent to each Secured Facility Lender as provided in the preceding sentence *provided, however* that in no event will Lessor be required to deliver notices to more than two Secured Facility Lenders.

Section 13.04. Right of Facility Lender to Cure Lessee Defaults. Subject to the provisions of this Article 13, Secured Facility Lenders shall have the same rights to cure defaults hereunder as are available to Lessee.

Section 13.05. Extension of Time in the Event of Bankruptcy, Etc. If Lessee shall be subject to any bankruptcy or insolvency proceedings at the time a notice of default is given under Section 13.03 hereof, or during the period within which a Secured Facility Lender or foreclosure sale purchaser shall be entitled to cure a default, or if it shall be necessary to obtain the appointment of a receiver for Lessee, or if the exercise of remedies by a Secured Facility Lender is otherwise delayed or hindered, the times for giving notices and effecting a cure of such default shall be extended by (i) the period required in order to obtain a permission of the court having jurisdiction over such proceedings necessary in order to permit the actions called for by this Article 13, or (ii) such period required for such Secured Facility Lender or foreclosure sale purchaser to obtain possession of the Facility.

Section 13.06. Consequences of Cure. If all defaults (other than a default under Article 16) shall be cured by a Secured Facility Lender or any purchaser at a foreclosure sale, any notice by Lessor advising of the existence of such default or any action of Lessor to terminate this Lease or to interfere with the occupancy, use or enjoyment of the Facility Site by reason of such default shall be deemed to be terminated, except with respect to Lessee, and this Lease shall continue in full force and effect with respect to such Secured Facility Lender or foreclosure sale purchaser. Lessee irrevocably requests Lessor to accept, and Lessor hereby agrees to accept, performance of and compliance with any of the terms hereof by a Secured Facility Lender or purchaser at a foreclosure sale if such performance is rendered in compliance with this Article 13, with the same force and effect as though kept, observed or performed by Lessee.

Section 13.07. No Personal Liability. Except as otherwise expressly agreed by the parties, no Secured Facility Lender or foreclosure sale purchaser shall become personally liable for the performance or observance of any covenants or conditions to be performed or observed by Lessee hereunder unless and until such Secured Facility Lender or foreclosure sale purchaser shall have succeeded to Lessee's interest hereunder and then only for so long as such Person owns such interest or is the operator of the Facility.

Section 13.08. Survival. The provisions of this Article 13 with respect to Secured Facility Lenders shall survive termination of this Lease and shall continue in full force and effect thereafter to the same extent as if this Article were a separate and independent contract among Lessor, Lessee and such Secured Facility Lenders.

Section 13.09. Amendments. Lessor and Lessee shall cooperate in including in this Lease, by a suitable amendment at the time of the closing of the financing with a prospective Secured Facility Lender, or a refinancing, such provisions which may reasonably be required by such prospective Secured Facility Lender for the purpose of facilitating the implementation of the protection provisions herein; *provided, however*, that no such amendment shall in any way affect the Rent or the Term of this Lease, or affect adversely in any material respect any rights or

interests of Lessor hereunder or increase in any material respect any obligations of Lessor hereunder.

Section 13.10. Lessee Not Relieved of Obligations. Nothing contained in this Article 13, or in any security agreement relating to any Leasehold Mortgage, shall be deemed or construed to relieve Lessee from the full and faithful observance and performance of its covenants, conditions and agreements contained in this Lease, or from liability for the non-observance or non-performance thereof, or to require or provide for the subordination to the lien of any security agreement of any estate, right, title or interest of Lessor in or to the Facility Site or this Lease.

Section 13.11. No Encumbrance on Facility Site. No Leasehold Mortgage or other security agreement or instrument shall create or be a lien or encumbrance on the fee simple interest of Lessor in the Facility Site or any part thereof.

ARTICLE 14. DEFAULT AND REMEDIES

Section 14.01. Termination for Lessee's Defaults. Should Lessee (i) default in the payment of any installment of Rent, or (ii) default in the performance of or materially breach any other term, covenant, condition, or restriction of this Lease herein provided to be kept or performed by Lessee, and if any such default or breach described in clause (i) shall continue for a period of ten business (10) days from and after service upon Lessee of written notice by Lessor and in the case of clause (ii) shall continue for a period of thirty (30) days thereafter and if in the case of clause (ii), the Lessor's notice is of a default of such a nature that it cannot be cured within such thirty (30) day period, but which the Lessee can establish is curable with the exercise of due diligence, then such default shall not be deemed to continue so long as the Lessee, after receiving such notice, proceeds to diligently cure the default in good faith as soon as reasonably possible, then Lessor may, at its option but subject to the rights of mortgagees provided in Article 13 hereof, terminate this Lease by giving Lessee written notice of termination. Upon the giving of such notice to Lessee, the rights of Lessee in and to the Facility Site shall cease and end, and Lessor may, without further notice or demand or legal process, re-enter and take possession of the Facility Site and all improvements thereon and oust Lessee and all persons claiming under Lessee therefrom and Lessee and all such persons shall quit and surrender possession of the Facility Site and all improvements thereon to Lessor. In the event of a termination of this Agreement, Lessee shall be entitled to rights of access to the Facility Site in accordance with the terms of Section 7.04.

Section 14.02. Other Remedies. Any termination of this Lease as herein provided shall not relieve Lessee from the payment of any sum or sums that shall then be due and payable to Lessor hereunder or any claim for damages then and theretofore accrued against Lessee hereunder, and any such termination shall not prevent Lessor from enforcing the payment of any such sum or sums or claim for damages from Lessee for any default hereunder. All rights, options, and remedies of Lessor contained in this Lease shall be construed and held to be cumulative, and no one of them shall be exclusive of the other, and Lessor shall have the right to pursue any one or all of such remedies or any other remedy or relief which may be provided by law, whether or not stated in this Lease. No waiver by Lessor of a breach of any of the

covenants, conditions, or restrictions of this Lease shall be construed or held to be a waiver of any succeeding or preceding breach of the same or any other covenant, condition or restriction herein contained.

Section 14.03. Limitation of Default. Notwithstanding anything to the contrary in this Article 14, there shall be no default of Lessee under this Agreement if any such default is caused by (i) any failure of the Contracting Communities to perform under the Service Agreement, or (ii) any default of the Contracting Communities under the Service Agreement, or (iii) any failure of the Lessor to meet its obligations under this Agreement, including its covenant to grant the Lessee quiet enjoyment herein, or (iv) by a condemnation or taking by the Lessor.

ARTICLE 15. SURRENDER AND REMOVAL

Subject to Section 7.04 hereof, upon the expiration or sooner termination of this Agreement, the Lessee shall quit and peacefully surrender the Facility Site. In the event Lessee remains in possession after expiration or termination hereof, other than as provided in Section 7.04, Lessee shall be deemed to be occupying the Facility Site as a month to month tenant at a fixed rent equal to one and half times the Annual Base Rent.

ARTICLE 16. BANKRUPTCY AND INSOLVENCY

If, after the Lease Effective Date (a) the Lessee then having the title to the leasehold estate created hereunder shall while having such title be adjudicated a bankrupt or adjudged to be insolvent; (b) a receiver or trustee shall be appointed for the property and affairs of the Lessee; (c) the Lessee shall make an assignment for the benefit of creditors or shall file a petition in bankruptcy or insolvency or for reorganization or shall make application for the appointment of a receiver; or (d) any execution or attachment shall be issued against the Lessee or any of the property of the Lessee, whereby the Facility Site or any building or buildings or any improvements thereon shall be taken or occupied or attempted to be taken or occupied by someone other than the Lessee, except as may herein be permitted, and such adjudication, appointment, assignment, petition, execution or attachment shall not be set aside, vacated, discharged, or bonded within three months after the issuance of the same, then a default hereunder shall be deemed to have occurred so that the provisions of Article 14 hereof shall become effective and the Lessor shall have the rights and remedies provided for therein; provided that any such event under clause (a), (b), (c) or (d) above shall not be an event of default as long as the Lessee continues to pay Rent and to otherwise meet or cause to be met its obligations under this Agreement.

ARTICLE 17. LESSOR'S GENERAL PROTECTION PROVISIONS

Section 17.01. Lessor's Right of Entry and Inspection. Lessee shall permit, upon reasonable notice to Lessee, Lessor or Lessor's agents, representatives, or employees to enter upon the Facility Site during normal business hours for the purpose of inspection or to determine whether agreements in this Lease are being complied with, so long as such entrances upon the Facility Site do not unreasonably interfere with Lessee's use of such Facility Site and Lessee's

performance of its obligations under the Service Agreement. Lessor shall likewise have the right to cross over or upon the Facility Site at reasonable times in conjunction with Lessor's use of other properties owned or leased by Lessor provided the same shall not unreasonably interfere with Lessee's use of the Facility Site.

In connection with such visits, the Lessor shall, on behalf of itself and its representative, comply, and cause its agents and representatives to comply, with all reasonable operating rules and regulations adopted by the Lessee, including a requirement that each person visiting the Facility Site sign a statement agreeing (i) to assume the risk of the visit but not the risk of injury due to the intentional or negligent acts of the Lessee and (ii) not to disclose or use, consistent with applicable law, any confidential information of the Lessee other than for the purpose for which it was furnished.

Section 17.02. Joint and Several Liability. If more than one lessee or lessor shall exist under this Lease, the obligation of all such lessees or lessors shall be joint and several.

ARTICLE 18. GENERAL PROVISIONS

Section 18.01. Conditions and Covenants. All of the provisions of this Lease shall be deemed as running with the land, and construed to be "conditions", as well as "covenants", as though the words specifically expressing or imparting covenant and condition status to such provisions were used in each such provision.

Section 18.02. No Waiver of Breach. No failure by either Lessor or Lessee to insist upon the strict performance by the other of any covenant, agreement, term, or condition of this Lease or to exercise any right or remedy consequent upon a breach thereof, shall constitute a waiver of any such future breach or of such covenant, agreement, term, or condition. No waiver of any breach shall affect or alter this Lease, but each and every covenant, condition, agreement, and term of this Lease shall continue in full force and effect with respect to any other then existing or subsequent breach.

Section 18.03. Time of Essence. Time is of the essence of this Lease, and of each provision.

Section 18.04. Computation of Time. The time in which any act provided by this Lease is to be done is computed by excluding the first day and including the last, unless the last day is a Saturday, Sunday, or holiday, and then it is also excluded. The term "holiday" shall mean all holidays specified in Sections 6700 and 6701 of the California Government Code.

Section 18.05. Unavoidable Delay-Force Majeure. As long as the Service Agreement is in effect, either party shall be excused from its performance hereunder (except for the payment of Rent) by reason of Unforeseen Circumstances as defined in the Service Agreement, but shall be excused only to the extent provided under the Service Agreement. Thereafter, if either party shall be delayed or prevented from the performance of any acts required by this Lease by reason of acts of God, strikes, lockouts, labor troubles, inability to procure materials, restrictive governmental laws, or regulations or other cause, without fault and beyond the reasonable control of the party obligated (financial inability excepted), performance

of such act shall be excused for the period of the delay; and the nonperformance of any such act shall be excused for the period of the delay and the period of the performance of any such act shall be extended for a period equivalent to the period of such delay, *provided, however*, nothing in this section shall excuse Lessee from the prompt payment of any rental or other charge required of Lessee except as may be expressly provided elsewhere in this Lease.

Section 18.06. Successors in Interest. Each and all of the covenants, rights, conditions, and restrictions in this Lease shall inure to the benefit of and be binding upon the successors in interest of Lessor, and subject to the restrictions of Article 12, the authorized encumbrances, assignees, tenants, subtenants, licensees, and other successors in interest of Lessor and Lessee.

Section 18.07. Governing Law. This Agreement and the performance thereof, shall be governed, interpreted, construed and regulated by the laws of the State of California.

Section 18.08. Entire Agreement. This Lease contains the entire agreement of the parties with respect to the matters covered by this Lease, and no other agreement, statement, or promise made by any party, or to any employee, officer, or agent of any party, which is not contained in this Lease shall be binding or valid.

Section 18.09. Amendments or Modifications. This Agreement shall not be modified, amended, terminated or rescinded, except by written instrument executed by the parties hereto.

Section 18.10. Partial Invalidity. If any term, covenant, condition, or provision of this Lease is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions shall remain in full force and effect and shall in no way be affected, impaired, or invalidated.

Section 18.11. Conflict with Provisions of Service Agreement. In the event any provision of this Agreement shall conflict with the provisions of the Service Agreement, the provisions of the Service Agreement shall control.

Section 18.12. Relationship of Parties. Nothing contained in this Lease shall be deemed or construed by the parties or by any third person to create the relationship of principal and agent or of partnership, joint venture, or any other association between Lessor and Lessee, and neither the method of computation of rent or any other provisions contained in this Lease nor any acts of the parties shall be deemed to create any relationship between Lessor and Lessee, other than the relationship of Lessor and Lessee.

Section 18.13. No Merger. If Lessor's and Lessee's estates in the Facility Site become vested in the same owner, this Lease shall, nevertheless, not be destroyed by application of the doctrine of merger, unless a merger is expressly agreed to in writing by Lessor and Lessee.

Section 18.14. Attorney Fees. In the event either Lessor or Lessee shall bring any action or proceeding for damages for an alleged breach of any provision of this Lease, to

recover Rent, or to endorse, protect, or establish any right or remedy of either party, the prevailing party shall be entitled to recover as a part of such action or proceedings reasonable attorney fees and court costs.

Section 18.15. Delivery of Rent and Notices—Method and Time. All rents or other sums, notices, demands, or requests from one party to another shall be personally delivered or sent by mail, certified or registered, postage prepaid, to the addresses stated in this section, and shall be deemed to have been given at the time of personal delivery or at the time of mailing.

Section 18.16. Payment of Rent. All Rent and other sums payable by Lessee to Lessor shall be in lawful money delivered in person or mailed to Lessor at the following address: Department of Environmental Resources, Accounting Division, 3800 Cornucopia Way, Suite C, Modesto, California 95358.

Section 18.17. Estoppel Certificates. Either party hereto, without charge, at any time and from time to time, within ten days after receipt of written request by the other party hereto, shall deliver a written instrument, duly executed, certifying to such requesting party, or any other person, firm or corporation specified by such requesting party:

(a) That this Lease is unmodified and in full force and effect, or if there has been any modification, that the same is in full force and effect as so modified, and identifying any such modification;

(b) Whether or not to the knowledge of such party there are then existing any offsets or defenses in favor of such party against the enforcement of any of the terms, covenants and conditions of this Lease and, if so, specifying the same, and also whether or not to the knowledge of such party the other party has observed and performed all of the terms, covenants and conditions on its part to be observed and performed, and, if not, specifying the same; and

(c) The dates to which Rent has been paid.

Any written instrument given hereunder may be relied upon by the recipient of such instrument, except to the extent the recipient has actual knowledge of facts contrary to those contained in the instrument.

The failure of either Lessor or Lessee to deliver such statement within such ten-day period shall constitute a default hereunder and shall be conclusive upon the requesting party or any other person, firm or corporation for whose benefit the statement was requested, that this Lease is in full force and effect without modification except as may be represented by the requesting party and that there are no uncured defaults on the part of the requesting party.

Section 18.18. Notice to Lessor. All notices, demands, or requests from Lessee to Lessor shall be in writing and if under Article 14, shall be delivered by registered mail, return receipt requested, by overnight carrier service with receipt of delivery, or in person to Lessor at Department of Environmental Resources, Accounting Division, 3800 Cornucopia Way, Suite C, Modesto, California 95358.

Section 18.19. Notice to Lessee. All notices, demands, or requests from Lessor to Lessee shall be in writing and if under Article 14, shall be delivered by registered or certified mail return receipt requested, by overnight carrier service with receipt of delivery, or in person to Lessee at:

445 South Street
Morristown, NJ 07960
Attention: President, Americas

with a copy to

Covanta Energy Corporation
445 South Street
Morristown, NJ 07960
Attention: Vice President & Deputy General Counsel

Other notices hereunder may be delivered by facsimile or by e-mail provided proof of receipt is obtained in each case.

Section 18.20. Recording. A memorandum of this Lease may be recorded by the Lessee in the appropriate office of the County of Stanislaus County, California.

ARTICLE 19. DISPUTE RESOLUTION

Section 19.01. Agreement to Arbitrate. In the event any dispute arises between the Lessee and the Lessor, either party may serve written notice of such dispute on the other party and each party shall undertake in good faith to resolve such dispute. Except where a dispute or issue hereunder is required to be resolved in accordance with Section 10.01(g) (Appraisal Procedure), or as may be otherwise agreed to by the parties hereto, if the parties have not resolved the dispute within fifteen (15) days after such written notice, either party may, by further written notice (an "**Arbitration Notice**") to the other party, commence an arbitration proceeding pursuant to this Article 19. Except as otherwise provided in this Article 19, the parties hereby agree to submit exclusively to arbitration any and all disputes arising under this Agreement, and the determination of the Arbitrator (hereinafter defined) shall be final and binding (the "**Award**"). The Award shall determine (i) whether each party's obligations were met and (ii) what damages or remedies are due to either the County or the Lessee under the terms of this Agreement. The agreement to arbitrate contained in this Article 19 shall be specifically enforceable under the prevailing arbitration law, and shall survive termination of this Agreement. Judgment upon the Award rendered by the arbitrator or arbitration panel may be entered in accordance with applicable law in any court having jurisdiction.

Section 19.02. Contents of Arbitration Notice. The Arbitration Notice shall be filed simultaneously with the American Arbitration Association ("AAA"), and shall contain a statement of the amount in controversy and a description of the dispute, and shall attach a copy of the arbitration provisions of this Agreement. The parties shall prepare in writing a statement of their positions, together with counterclaims, with supporting facts, data, and affidavits, if any, for the Arbitrator and the other party within ten (10) days after the Appointment Date

(hereinafter defined). The arbitration shall be conducted in accordance with the Commercial Arbitration Rules of the AAA (the “**Rules**”).

Section 19.03. Selection of Arbitrator. The arbitration shall be conducted before a single arbitrator (the “**Arbitrator**”), who shall be neutral and impartial. Neither party to this Agreement shall have the right to remove the Arbitrator except in accordance with the Rules and as provided in this Section. The parties will attempt in good faith to agree on the selection of the Arbitrator and, in the event that the initial Arbitrator resigns, is unable to serve, or is disqualified, the successor Arbitrator. If the parties have not agreed upon the Arbitrator, whether initial or successor, as the case may be, within fifteen (15) days from either the Arbitration Notice or the date that a then-current Arbitrator resigns, is unable to serve, or is disqualified, the following procedure shall be used to select the initial Arbitrator (and all subsequent successor Arbitrators): The parties shall obtain from the AAA a list of ten (10) candidates together with full AAA disclosures on each candidate. (The date of receipt of such list and of all such disclosures is the “**Nomination Date**”). Each candidate shall be approved by AAA and deemed qualified and unbiased by AAA and be willing to serve if selected and no candidate, nor any member of his or her family, or firm or company, shall have had a prior relationship, directly or indirectly with either party. Each party also hereby represents and covenants that it will not engage an Arbitrator, or any family member, for a period of at least five years following issuance of an Award by such Arbitrator. If either party fails to submit a list of ranked candidates within ten (10) days of the Nomination Date, the third name listed on the list provided by the party submitting a list shall be deemed to be the Arbitrator.

Each party shall rank the ten candidates in its order of preference and submit the ranked list to the other party within ten (10) days after the Nomination Date; the candidate with the highest combined ranking of mutual preference shall be the Arbitrator. If there is a tie, the arbitrator with smallest difference between the rankings of the two parties (e.g., if one candidate scores a 4 on each list and one scores a 1 and a 7, the candidate with two rankings of 4 shall be the one selected) shall be selected the Arbitrator and if there is still a tie, the candidate who has been an AAA arbitrator the longest shall become the Arbitrator. The parties shall promptly notify AAA of the selected Arbitrator (the “**Appointment Date**”). The Arbitrator shall serve for one arbitration unless he or she earlier resigns, is unable to serve, or is disqualified.

Section 19.04. Discovery. The parties to such arbitration shall have, for a period of ninety (90) days after the service of the Arbitration Notice, subject to extensions of such period by the Arbitrator (not to exceed sixty (60) days in the aggregate) upon a showing of good cause by either party (the “**Discovery Period**”), all rights of discovery provided in the commercial arbitration rules of the AAA, except that all responses to discovery requests shall be served within ten (10) days of such discovery request, unless such time period is extended by the parties or by the Arbitrator, provided extensions by the Arbitrator do not exceed 20 days in the aggregate.

Section 19.05. Continuance of Performance. Unless otherwise agreed in writing or as provided herein, the parties shall continue to perform their respective obligations under this Agreement during any arbitration proceedings.

Section 19.06. Costs of Arbitration. Each party shall bear its own costs for arbitration, subject to reimbursement as determined by the Arbitrator in the Award.

Section 19.07. Site of Arbitration. Arbitration shall, unless the parties otherwise agree in writing, take place in Modesto, California.

Section 19.08. Equitable Relief Not Precluded. Nothing contained in this Article 19 shall preclude, or be deemed, construed or interpreted to preclude any party from seeking interim equitable relief, except that no party shall be entitled to seek a stay of any arbitration proceeding brought hereunder.

Section 19.09. Limited Court Challenge. The Award shall not be subject to appeal to, or review by, any court or administrative body except as to (i) compliance with the requirements of this Article 19, (ii) the existence of, or a failure of the Arbitrator to have disclosed, any conflict, contacts or relationships set forth in the questions contained (as of the time the Arbitration Notice is given) in the Notice of Appointment/Disclosure Guidelines of the International Centre for Dispute Resolution (a Division of the AAA), or its successor, unless the party adversely affected shall have waived objection thereto in writing, (iii) evidence of partiality on the part of the Arbitrator, or improper contacts with the Arbitrator by a party or its representatives or witnesses between the Appointment Date and the issuance of the Award, or (iv) any of the grounds provided in Section 10.01 of the Federal Arbitration Act.

ARTICLE 20. PARENT GUARANTY

Section 20.01. Parent Guaranty. As a condition precedent to the obligations and liabilities of Lessor hereunder, Covanta Holding Corporation, its successors and assigns, (the "**Parent Company**") shall have entered into the Parent Guaranty as defined in and required by the Service Agreement for the benefit of the Contracting Communities, which Parent Guaranty shall include guaranties of Lessee's obligations under Section 7.04 of this Lease. Lessor shall receive a legal opinion from counsel for the Parent Company as to the due authorization, execution and delivery of the Parent Guaranty, and to its enforceability, in a form reasonably acceptable to counsel to the County.

IN WITNESS WHEREOF, the County of Stanislaus, California and Covanta Stanislaus, Inc. have caused this Facility Site Lease Agreement to be signed in their respective corporate names all as of the day and year first above written.

**MODESTO CITY COUNCIL
RESOLUTION NO 2012-265**

**A RESOLUTION APPROVING AMENDMENT NO. 3 TO THE AGREEMENT
BETWEEN CITY OF MODESTO AND COUNTY OF STANISLAUS RELATING
TO ADMINISTRATION OF SERVICE AGREEMENT FOR SUPPLY AND
ACCEPTANCE OF SOLID WASTE WITH THE COUNTY OF STANISLAUS
AND AUTHORIZING THE MAYOR TO EXECUTE THE AMENDMENT**

WHEREAS, on December 17, 1985, the City of Modesto and County of Stanislaus entered into an agreement for administration of the City/County Service Agreement with the Stanislaus Waste Energy Company (now Covanta Stanislaus) for supply and acceptance of solid waste, and

WHEREAS, since that time, the City has been partners with Stanislaus County and Covanta Stanislaus in the Stanislaus Resource Recovery Facility (the "Waste-to-Energy" or "WTE" Facility), and

WHEREAS, the City and County operate the project as a Joint Powers Agency under a Joint Powers Agreement, with the County acting as the Treasurer, and

WHEREAS, under the current Service Agreement, the Contracting Communities pay Covanta a service fee to operate the facility and are also responsible for all pass through costs associated with the facility such as taxes, insurance, air permit fees, ash disposal, etc., and

WHEREAS, the Contracting Communities are also responsible for any costs associated with unforeseen circumstances such as changes in law, major upgrades or any acts, events or conditions that have a material adverse effect on the operation of the facility, and

WHEREAS, the Contracting Communities are responsible for delivering wastes to the facility under a minimum tonnage guarantee of 243,300 tons, and Covanta uses this

waste to generate electricity, which it sells to PG&E under a Power Purchase Agreement (PPA), and

WHEREAS, the Contracting Communities currently retain 90% of the electric revenue generated by the facility, all of the disposal fees, 50% of metal recycling revenue and 30% of supplemental waste revenue, which revenues are used to offset costs, and

WHEREAS, the existing Service Agreement was set to expire on December 31, 2009, and in 2007, staff from the County Department of Environmental Resources and the City of Modesto Solid Waste Division began negotiations on a new contract with Covanta, and

WHEREAS, those negotiations proved unsuccessful with Covanta asking for more concessions that staff were willing to agree to, so in May 2009, the County and the City of Modesto exercised an option given in the original contract to extend the contract under the same terms an additional six years through December 31, 2015, and

WHEREAS, when the Power Purchase Agreement (PPA) with PG&E expired in January, 2010, Covanta elected to extend its contract with PG&E under extension provisions pursuant to California Public Utilities Commission (CPUC) Decision No. 07-09-040, and

WHEREAS, those provisions caused the price paid for power to revert to the Short Run Avoided Cost, or "SRAC", which was about \$55 per MW at the time and has since dropped even further, and

WHEREAS, this pricing also did not include a premium for renewable energy, and the capacity payment was reduced, and as a result, revenues from electricity generation declined sharply resulting in a significant operating deficit, and

WHEREAS, both the Contracting Communities and Covanta recognized that it would be in our joint interests to return to the negotiating table and secure a long term commitment that would motivate Covanta to negotiate a new PPA at much more favorable rates than current SRAC rates, and

WHEREAS, a new negotiating team was formed and reopened negotiations with Covanta, with the objectives of preserving the current RRA balance, a stable and predictable tipping fee, a commitment to no increased importation of waste, meeting diversion requirements and preserving landfill capacity, and reducing City/County risk exposure from change-in-law, public perception, and change in science/technology, and

WHEREAS, the Contracting Communities negotiating team has met on a regular basis over the past year and has provided periodic updates on the status of negotiations to the Solid Waste-to-Energy Executive Committee and the City-County Liaison Committee, and

WHEREAS, the negotiating team and Legal Counsel to the Executive Committee, Sidley Austin LLP, have negotiated a new Service Agreement and Lease Agreement with Covanta, to become effective on July 1, 2012, and

WHEREAS, as the Contracting Communities enter into a new contractual arrangement with Covanta, it will also be important to discuss and clarify a number of areas relative to the ongoing working relationship between the County and City, such as the disposition of the Resource Recovery Account (RRA), guaranteed tonnage obligations, gate processing, notifications, etc., through the negotiation of an Amendment to the JPA Agreement.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves Amendment No. 3 to the Agreement Between City Of Modesto And County Of Stanislaus Relating To Administration Of Service Agreement For Supply And Acceptance Of Solid Waste with the County of Stanislaus regarding the disposition of the Resource Recovery Account and other operating procedures upon commencement of a new Service Agreement, effective July 1, 2012, and authorizes the Mayor to execute the Amendment.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO 2012-266**

**A RESOLUTION AUTHORIZING AN INCREASE IN THE COST OF THE
AGREEMENT WITH SIDLEY AUSTIN LLP FOR LEGAL SERVICES
RELATED TO THE DEVELOPMENT OF A NEW SERVICE AGREEMENT
WITH COVANTA STANISLAUS IN AN AMOUNT NOT TO EXCEED \$142,000**

WHEREAS, on December 17, 1985, the City of Modesto and County of Stanislaus entered into an agreement for administration of the City/County Service Agreement with the Stanislaus Waste Energy Company (now Covanta Stanislaus) for supply and acceptance of solid waste, and

WHEREAS, since that time, the City has been partners with Stanislaus County and Covanta Stanislaus in the Stanislaus Resource Recovery Facility (the "Waste-to-Energy" or "WTE" Facility), and

WHEREAS, as the initial term of the contract was nearing its end, both the Contracting Communities and Covanta recognized that it would be in our joint interests to return to the negotiating table and secure a long term commitment to provide Waste-to-Energy services, and

WHEREAS, a new negotiating team was formed and reopened negotiations with Covanta, with the objectives of preserving the current RRA balance, a stable and predictable tipping fee, a commitment to no increased importation of waste, meeting diversion requirements and preserving landfill capacity, and reducing City/County risk exposure from change-in-law, public perception, and change in science/technology, and

WHEREAS, Sidley Austin LLP was retained by the Contracting Communities to act as Legal Counsel in negotiations with Covanta, and the amount of this contract was set at \$110,000 on January 10, 2012, and

WHEREAS, the Contracting Communities negotiating team has met on a regular basis over the past year and has provided periodic updates on the status of negotiations to the Solid Waste-to-Energy Executive Committee and the City-County Liaison Committee, and

WHEREAS, major deal points from the negotiations were agreed upon by the team and Covanta and were outlined in a Term Sheet approved by the Council and Board of Supervisors, and

WHEREAS, the negotiating team and Legal Counsel to the Executive Committee, Sidley Austin LLP, have negotiated a new Service Agreement and Lease Agreement with Covanta, to become effective on July 1, 2012, and

WHEREAS, due to the complexity of issues related to the Service Agreement and Site Lease, it is necessary to increase funding for legal services.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby authorizes an increase in the amount of the agreement with Sidley Austin LLP for legal services related to development of a new Service Agreement in an amount not to exceed \$142,000.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

MODESTO CITY COUNCIL
RESOLUTION NO. 2012-267

A RESOLUTION APPROVING ADJUSTMENTS TO THE MAXIMUM RATE SCHEDULE FOR CITY RESIDENTIAL, COMMERCIAL, AND INDUSTRIAL SOLID WASTE COLLECTION SERVICES, TO BECOME EFFECTIVE JANUARY 1, 2012, INCLUDING FUEL COST; AND RESCINDING RESOLUTION NO. 2011-446

WHEREAS, with the adoption of Ordinance No. 3068-C.S. in November of 1997, the City no longer sets rates for the collection of garbage in Modesto, and instead performs a comprehensive review of cost information submitted by the contract garbage haulers, and

WHEREAS, the City sets a maximum rate that the haulers may charge for the various types of services provided under the contracts based on cost data provided by the lowest cost hauler, and

WHEREAS, Section f (2) of the City's Service Agreements with its solid waste collectors requires that when the City makes adjustments to the collection services provided under the Agreements, any additional costs should be covered by adjustments to the maximum rates, and

WHEREAS, in addition, maximum rates for solid waste collection services are reviewed annually as requested by the City's garbage collection companies, and

WHEREAS, the City conducted an analysis using the audited financial statements provided by the garbage haulers, supplemental data provided by the garbage haulers, and fuel price information and forecast prices developed by the United States Department of Energy, and

WHEREAS, staff has adjusted the fuel component of the maximum rates and has incorporated the fuel component adjustment into the schedule of Maximum Charges for

Garbage Service **attached** hereto, marked **Exhibit "1"** and incorporated herein by reference, and

WHEREAS, on January 10, 2012, the Board of Supervisors and Council approved a Term Sheet to be used in the development of a new service agreement with Covanta Stanislaus, Inc., for the operation of the Waste-to-Energy (WTE) facility, and

WHEREAS, the term sheet approved by the Board of Supervisors and Council included an increase in the current base disposal fee at the facility from \$22 per ton to \$32 per ton with an annual escalator, and

WHEREAS, in addition to the base tip fee, there are also AB 939 (\$3 per ton) and Household Hazardous Waste (\$3 per ton) program fees, and scale house and administrative costs (\$1.00 per ton), that need to be incorporated into the disposal fee at the facility, and

WHEREAS, when those fees are added to the base disposal fee, the new disposal fee would be \$39 per ton, an \$11 per ton increase from the current disposal fee of \$28 per ton, and

WHEREAS, this \$11 per ton increase equates to an increase of \$1.20 per month on residential rates and \$0.37 cubic yard on commercial bin rates (drop box rates are not affected by this increase, since most drop box waste does not get taken to the Waste-to-Energy Facility), and

WHEREAS, on November 25, 2008, by Resolution No. 2008-650, the Council approved the assessment of an AB 939 Green Waste Diversion fee that would be assessed on a per ton basis on residential, commercial bin, and drop box wastes generated in the City of Modesto, and

WHEREAS, on June 11, 2012 the Economic Development Committee approved sending a recommendation to the Council to increase the AB 939 Green Waste Diversion fees in order to fully fund the purchase of green waste collection equipment that complies with the California Air Resources Board's (CARB) emissions regulations by FY 2014-2015, and

WHEREAS, the Committee recommended that the fee on wastes from residential sources be increased to \$1.93 per month, the fee on wastes from commercial bins be increased to \$3.46 per cubic yard per month, and the fee on wastes from industrial bins be increased to \$8.72 per ton to fund this purchase, and

WHEREAS, the above noted fees and charges to the collection companies have been incorporated into the recommended schedules of maximum rates shown as **Exhibit 1** hereto, and

WHEREAS, a report dated June 6, 2011, from the Parks, Recreation and Neighborhoods Department, a copy of which is on file in the office of the City Clerk, sets forth said recommendations, and

WHEREAS, said matter was set for a public hearing of the City Council to be held at 5:30 p.m. on June 26, 2012, in the Tenth Street Place Chambers, located at 1010 Tenth Street, Modesto California, at which date and time a duly noticed public hearing was held at said time and place, at which time evidence, both oral and documentary, was received and considered, and

WHEREAS, it was found and determined by the Council of the City of Modesto that the existing schedules of rates and charges for garbage service in the City of Modesto

should be revised as recommended, and that quarterly adjustments to the fuel component of the maximum rates should be made,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Maximum Charges for Garbage Service as **attached** hereto marked **Exhibit "1"** and incorporated herein by reference. Said Maximum Charges for Garbage Service includes twice-a-year bulky item pickup for residential customers and all other residential services as stipulated in the Service Agreements and shall become effective July 1, 2012, and shall remain in effect until revised by Council.

BE IT FURTHER RESOLVED that any person who has prepaid garbage service charges for residential garbage service shall be entitled to receive garbage service for the balance of said prepaid period at the prepaid rates.

BE IT FURTHER RESOLVED that Resolution No. 2011-446 is hereby rescinded effective July 1, 2012.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Burnside, Cogdill, Geer, Gunderson, Lopez, Muratore, Mayor Marsh

MAXIMUM CHARGES FOR GARBAGE SERVICE

STANDARD CONTAINERS

Maximum Monthly Rates
(Once a Week Pickup Service)

Standard container service shall include the following:

- One, 96-gallon container for garbage
- One, 96-gallon container for green waste, food, paper, and other organics
- Countertop container for kitchen scraps
- Drop-off of old TV and computer tubes
- Two bulky item collections per year by appointment
- Pruned Refuse Collection

Standard container service customers may opt for smaller containers; however, maximum rates apply. Containers must be placed in a location set forth in Section 5-5.111 of the Municipal Code.

1. Standard container service –

- a. The maximum rate for new sign ups for service or changes in service that occur after July 1, 1996, shall be **\$26.73 per month** regardless of size of container. A fuel component of \$1.36 per month is included in the maximum rate for the quarter beginning July 1, 2012 and ending September 30, 2012. The fuel component may be adjusted quarterly.
- b. The maximum rate for each additional garbage container shall be **\$19.88 per month, and \$10.07 per month** for each additional green waste container.

2. 60-gallon container service (grandfathered customers) –

- a. The maximum rate for customers with 60-gallon containers who subscribed to service at an address prior to July 1, 1996 and who have not changed their service address shall be **\$22.42 per month.** A fuel component of \$1.36 per month is included in the maximum rate for the quarter beginning July 1, 2012 and ending September 30, 2012. The fuel component may be adjusted quarterly.
- b. The maximum rate for each additional 60-gallon garbage container shall be **\$19.40 per month.**

- #### **3. Fuel Component adjustments** - The fuel component shall be analyzed quarterly and adjustments shall be made as necessary. The adjustment shall be based on the average price of fuel for a preceding quarter as follows: July 1/January-March; October 1/April-June; January 1/July-September; April 1/October-December. Average prices shall be determined based on published prices for California from the Department of Energy, Energy Information Agency.

\$10.12	\$11.00	\$12.10	\$15.40	\$20.24	\$25.08	\$29.92

NOTATIONS

- The above maximum rates include a \$0.25 per month residential recycling fee; a \$0.05 per cubic yard (\$0.22/cubic yard/month) commercial recycling fee; and a \$5.00 per pull (\$0.25 per ton) industrial recycling fee, a \$0.15 per month residential litter abatement fee, and a \$0.05 per cubic yard (\$0.22/cubic yard/month) commercial litter abatement fee.
- The above residential maximum rates include a \$1.93 per month per household AB 939 Green Waste Diversion Fee.
- The above commercial bin and front-loader compactor maximum rates include an AB 939 Green Waste Diversion Fee of \$3.46 per yard/month.
- The above maximum rates include Carpenter Road Landfill Mitigation Fees of \$0.25 per month on residential wastes, \$0.21 per cubic yard (\$0.90/cubic yard/month) on commercial wastes; and \$5.00 per pull on industrial wastes.
- Pursuant to Section 11-6.16(c)(2) of the Modesto Municipal Code, the garbage company may require a deposit equivalent to two (2) months service charge from customers prior to beginning service. The deposit will be credited back to the customer after 18 months under specified conditions.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-268**

**A RESOLUTION APPROVING THE ANNUAL INFLATIONARY
ADJUSTMENT OF CERTAIN DEVELOPMENT USER FEES AS IDENTIFIED
IN THE DEVELOPMENT USER FEE SCHEDULE, PER RESOLUTION NO.
2011-106**

WHEREAS, Resolution Nos. 2003-446 and 2005-278 previously allowed for an automatic annual inflationary adjustment to fees, and

WHEREAS, on March 22, 2011, the City Council, by Resolution No. 2011-106, approved amending those resolutions to require Finance Committee and City Council review and approval for the annual inflationary adjustment to fees, and

WHEREAS, the adjustment is based on the U.S. Department of Labor Employment Cost Index-State & Local Government Employees, as published by the Bureau of Labor Statistics, and

WHEREAS, these figures are published on a quarterly basis, and

WHEREAS, the Development User Fees annual adjustment is based on the 4th quarter adjustment figure for the previous calendar year, ending December 31st, and

WHEREAS, the adjustment percent for the 4th quarter ending December 31, 2011, was 1.3%,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the 1.3% annual inflationary adjustment of certain Development User Fees as identified in the Development User Fee Schedule.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2012, by Councilmember Muratore, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-269**

A RESOLUTION AUTHORIZING THE DEPARTMENT OF PUBLIC WORKS TO NEGOTIATE AN AGREEMENT WITH VEOLIA TRANSPORTATION SERVICES (VEOLIA), INC, TO OPERATE THE MODESTO AREA EXPRESS (MAX) TRANSIT SERVICE COMMENCING ON SEPTEMBER 29, 2012 AND TERMINATING ON JUNE 30, 2017, AND SUBMIT THE FINAL AGREEMENT TO CITY COUNCIL FOR CONSIDERATION

WHEREAS, the existing agreement with MV Transportation to operate the MAX service expires September 28, 2012, and

WHEREAS, the City wishes to continue providing MAX service to the citizens of Modesto, and

WHEREAS, a Request for Proposals (RFP) was issued soliciting proposals from qualified firms for a new contract to be effective September 29, 2012, and

WHEREAS, Veolia submitted a proposal that was determined to be reasonable and cost effective, and

WHEREAS, an evaluation panel reviewed all proposals and best and final offers and interviewed proposers in the competition range, and

WHEREAS, after such evaluation the panel scored Veolia highest utilizing the scoring criteria included in the RFP and recommended award of the contract to Veolia,

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the Department of Public Works to negotiate an agreement with Veolia Transportation Services, Inc to operate the Modesto Area Express transit service commencing on September 29, 2012 and terminating on June 30, 2017, and submit the final agreement for City Council consideration.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of June, 2012, by Councilmember Muratore, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-270**

A RESOLUTION APPROVING THE FINAL MAP OF CORNERSTONE PLAZA FOR CONDOMINIUM PURPOSES AT 2000 BRIGGSMORE AVENUE IN THE CITY OF MODESTO, AND AUTHORIZING THE CITY CLERK TO SIGN THE FINAL MAP AND RECORD IT WITH THE COUNTY CLERK RECORDER'S OFFICE

WHEREAS, California Equity Management Group Inc ("OWNER"), is the owner of the Cornerstone Plaza Project located at 2000 Briggsmore Ave in the City of Modesto ("DEVELOPMENT"), and

WHEREAS, the OWNER has requested that the final map for Condominium purposes be filed with the County Recorder, and

WHEREAS, the DEVELOPMENT is comprised of one existing building and one proposed building, and

WHEREAS, the Map will allow up to 11 units to be set up on this property, and

WHEREAS, the Planning Commission and the City Engineer have reviewed and approved the Final Map for recording, and

WHEREAS, the Final Map is in general Compliance with the Tentative Map that was approved by the Planning Commission on September 19, 2011, and

WHEREAS, this item is exempt from CEQA under section 15268(b) (3), which exempts ministerial action, such as approval of final maps, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that:

1. The City Clerk is hereby authorized to sign the Final Map.
2. The City Clerk is hereby authorized to record the final Map with the County Clerk Recorder.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-271**

**RESOLUTION AMENDING THE POSITION CLASSIFICATION PLAN FOR
THE CITY OF MODESTO TO CREATE THE CLASSIFICATION OF WATER
METER TECHNICIAN**

WHEREAS, a Position Classification Plan for the City of Modesto was adopted by Modesto City Council Resolution No. 2008-681 pursuant to Rule 2.2 of the Personnel Rules and Regulations of the City of Modesto, and

WHEREAS, the City Manager has recommended to the Council amendments to the Position Classification Plan, and

WHEREAS, Rule 2.2 of the City of Modesto Personnel Rules provides that revisions to the Classification Plan shall be effective upon adoption of resolution of the City Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION I: CLASSIFICATION CREATED. The Position Classification Plan of the City of Modesto is hereby amended to create the classification of Water Meter Technician at salary range 124. The job specification for Water Meter Technician is being created to provide technical support for effective water resource management and accurate billing of residential and commercial water usage; to ensure water meters and related equipment are performing properly and providing accurate information: to calibrate and repair meters; to gather data, perform analysis and to make recommendations related to the repair and replacement of water meter equipment, as shown in **attached Exhibit "A,"** which is made a part of this resolution by reference, is

hereby approved and made part of the Position Classification Plan of the City of Modesto.

SECTION 2: EFFECTIVE DATE. This resolution shall become effective on and after July 3, 2012.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 3rd day of July, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

CITY OF MODESTO
NO. 6698

WATER METER TECHNICIAN

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

DEFINITION

To provide technical support for effective water resource management and accurate billing of residential and commercial water usage; to ensure water meters and related equipment are performing properly and providing accurate information: to calibrate and repair meters; to gather data, perform analysis and to make recommendations related to the repair and replacement of water meter equipment. Incumbents must possess Grade III Water Distribution Operator Certificate issued by the State of California, Department of Health Services.

SUPERVISION RECEIVED AND EXERCISED

Receives general supervision from higher level supervisory and management staff.

May provide functional/technical direction or leadership to less experienced staff.

ESSENTIAL AND MARGINAL FUNCTION STATEMENTS - Essential and other important responsibilities may include, but are not limited to, the following:

Essential Functions:

Locate, inspect, clean, repair, test, calibrate and adjust water meters and related metering equipment.

Perform skilled repair work on water meters, pumps, valves, and other mechanical equipment.

Gather data and make recommendations on the repair and replacement of water meters and related equipment.

Conduct special tests of meters upon customer request; document and maintain records of service.

Investigate, analyze, develop and prepare special studies or projects, as requested.

Analyze reports and/or data and flag discrepancies and or issues of concern.

Maintain records, supplies and equipment; carry out all required safety procedures including required use of safety equipment.

Contact customers to plan shutdowns and to schedule meter repairs/testing, as assigned.

EXHIBIT A

Essential Functions (Continued):

Respond to billing issues related to problems that may include leaks, low water pressure, meter connects and disconnects, and unusual meter readings; identify and resolve problem.

Install remote meters including wiring and mounting.

Tactfully respond to requests and inquiries from water utility customers and from the general public.

Identify equipment needs for each assigned project; read and interpret diagrams, sketches and specifications requiring the use of GIS and mapping, systems control and engineering drawings.

Observe proper safety precautions and maintain tools, supplies, equipment and the work site in a safe condition; clean up work area after job completed.

Perform work in emergency situations as required.

Marginal Functions:

Perform related duties as assigned.

MINIMUM QUALIFICATIONS

Knowledge of:

Methods, techniques, tools, and the operational characteristics of mechanical equipment used in the maintenance and repair of water meters and in the testing and calibrating of meters.

Methods and procedures used in monitoring water systems.

Basic arithmetic principles and related computer applications.

Safe work practices.

Applicable Federal, State and local laws, codes and regulations.

Ability to:

Test, adjust and calibrate residential and commercial water meters; inspect, remove and install meters; disassemble, clean, inspect, repair, assemble, and calibrate meters.

Test and determine the efficiencies of all types of meters and replace or rebuild as needed.

Ability to (Continued):

Identify equipment, tools and materials needed for each project.

Use and operate hand tools, mechanical equipment, power tools, and other equipment required for the work in a safe and efficient manner.

Understand and follow oral and written instructions.

Read meters accurately and interpret basic maps, blueprints, mechanical drawings and specifications.

Use and operate a personal computer and a handheld meter reading unit including applicable software.

Analyze facts, make sound recommendations, prepare technical reports and make presentations.

Communicate effectively, both orally and in writing.

Identify and respond to public issues and concerns.

Establish and maintain cooperative relationships with those contacted during the course of work.

Ability to expedite work on a daily basis

Experience and Training Guidelines

Any combination of experience, education and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Experience:

Two years of increasingly responsible technical experience involving the installation, operation, maintenance, reading, testing, repair, calibration and analysis of water meters. Work experience within a municipal or private water utility is highly desirable.

Training:

Equivalent to graduation from High School or possession of a G.E.D. certificate.

License and Certificate

Possession of a Grade III Water Distribution Operator Certificate issued by the State of California, Department of Health Services at the time of appointment.

Possession of or ability to obtain an appropriate valid California driver's license.

PHYSICAL AND MENTAL REQUIREMENTS

Mobility: frequent performance of heavy manual labor; frequent standing for long period of time; frequent bending and squatting. **Lifting:** frequent lifting up to 50 pounds; occasional lifting up to 100 pounds. **Vision:** constant use of overall vision. **Dexterity:** frequent grasping, holding, and reaching. **Hearing/Talking:** frequent hearing and talking in person. May be required to wear ear protection or hear in noisy conditions. **Emotional/ Psychological:** frequent coworker contact; frequent customer and public contact; occasional working alone. **Environmental:** frequent exposure to loud noise; frequent exposure to chemicals, fumes, and other environmental substances; frequent work outdoors in hot and cold temperatures and inclement weather.

WORKING CONDITIONS

Work is performed in a typical outdoor environment on a year-round basis subject to typical street or field noise and environment including exposure to loud equipment and machinery. Some positions may be assigned to remote locations. Positions may require occasional overtime or weekend work and travel is rare. Positions may be required to perform standby on-call duties as scheduled, report to appropriate agencies and liaison with Police, Fire, and the Environmental Health Department.

May be required to work evenings, weekends and holidays; may be required to work overtime and irregular hours.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-273**

RESOLUTION ACCEPTING THE 2012 ALCOHOLIC BEVERAGE CONTROL GRANT PROJECT IN THE AMOUNT OF \$100,000 FROM THE STATE DEPARTMENT OF ALCOHOLIC BEVERAGE CONTROL TO COMBAT ALCOHOL RELATED CRIMES; AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE NECESSARY GRANT DOCUMENTS

WHEREAS, the City of Modesto Police Department desires to undertake a certain project designated as the Modesto ABC Project to be funded in part from funds made available through the Grant Assistance to Local Law Enforcement Agencies Project administered by the Department of Alcoholic Beverage Control (hereafter referred to as "ABC"), and

WHEREAS, the Police Department was awarded a grant in the amount of \$100,000 from the State Department of Alcoholic Beverage Control, and

WHEREAS, this \$100,000 grant will allow agencies in Stanislaus County and other outlying areas to work in collaboration to proactively address alcohol related-crimes in Stanislaus County,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby accepts the 2012 Alcoholic Beverage Control Grant Project in the amount of \$100,000 from the State Department of Alcoholic Beverage Control to combat alcohol related crimes.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the necessary grant documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 3rd day of July, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-277**

A RESOLUTION APPROVING THE AGREEMENT BETWEEN THE CITY OF MODESTO AND THE CALIFORNIA DEPARTMENT OF TRANSPORTATION (CALTRANS) FOR MAINTENANCE OF IMPROVEMENTS WITHIN STATE HIGHWAY RIGHT OF WAY ON ROUTE 99 (PELANDALE AVENUE) WITHIN THE CITY OF MODESTO FOR THE STATE ROUTE 99 AND PELANDALE AVENUE INTERCHANGE RECONSTRUCTION PROJECT AND AUTHORIZING THE CITY MANAGER, OR DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, the State Route 99 and Pelandale Interchange improvement project is a State Project to address the traffic congestion problem at Pelandale Avenue and Highway 99 Interchange, and

WHEREAS, On February 21, 1995, the City of Modesto entered into a Freeway Maintenance Agreement 10-052 with the State of California, acting by and through its Department of Transportation (Caltrans) for maintenance responsibilities, and

WHEREAS, the City of Modesto is the lead agency for preparation of Plans, Specifications and Estimates (PS&E), and

WHEREAS, on May 22, 2012, the City Council of Modesto approved a Cooperative Agreement, Resolution 2012-176, with Caltrans for construction phase of the project, and

WHEREAS, the City of Modesto is the lead agency for construction phase of the project, and

WHEREAS, this Maintenance Agreement is required by Caltrans prior to start of construction

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Maintenance Agreement between the City of Modesto and the

California State Department of Transportation (Caltrans) for construction of State Route 99 and Pelandale Avenue Interchange Reconstruction Project.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-278**

RESOLUTION APPROVING A PURCHASE AND SALE AGREEMENT WITH JOSEPH R. SOUZA AND ZELMA P. SOUZA, TRUSTEES OF THE JOSEPH R. SOUZA AND ZELMA P. SOUZA TRUST, FOR ACQUISITION OF 10,249 SQUARE FEET FEE ACQUISITION AND 3,031 SQUARE FEET GRANT OF EASEMENT OF A PARCEL LOCATED AT 3949 SYLVAN AVENUE (APN 084-003-002), IN THE AMOUNT OF \$99,000, FOR THE SYLVAN AND LITT IMPROVEMENT PROJECT, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT AND ALL RELATED DOCUMENTS REQUIRED TO CLOSE ESCROW

WHEREAS, the Sylvan and Litt Improvement Project is included in the Village One Facilities Master Plan and is a Priority 3 project on the Village One Project Prioritization List, and

WHEREAS, the project includes roadway improvements on Sylvan Avenue from west of Litt Road to Claus Road and on Litt Road from Sylvan Avenue to the north end of the future Grogan Park site, and

WHEREAS, the proposed street widening project also includes land acquisition for the needed right-of-way and abandonment of the south portion of Litt Road that will no longer be used for road purposes due to the realignment, and

WHEREAS, staff has identified a portion of a parcel located at 3949 Sylvan Avenue (APN 084-003-002), to place improvements as a part of the capital improvements identified for the Sylvan and Litt Improvement Project, and

WHEREAS, an Agreement is needed for the acquisition of the property and staff has investigated the subject property to ensure it is suitable for this purpose, and therefore recommends approving the Purchase and Sale Agreement for acquisition of the property.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Purchase and Sale Agreement with Joseph R. Souza and Zelma

P. Souza, Trustees of the Joseph R. Souza and Zelma P. Souza Trust, for 10,249 square feet fee acquisition and 3,031 square feet grant of easement of a parcel located at 3949 Sylvan Avenue (APN 084-003-002), in the amount of \$99,000, for the Sylvan and Litt Improvement Project.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Purchase and Sale Agreement, and all related documents required to close escrow.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-280**

RESOLUTION APPROVING A WILL SERVE LETTER FOR THE PROPERTY LOCATED AT 12000 YOSEMITE BOULEVARD IN WATERFORD, APN: 080-045-054 TO CONNECT TO CITY OF MODESTO'S EXISTING WATER SYSTEM, AND AUTHORIZING THE CITY MANAGER TO SIGN THE WILL SERVE LETTER

WHEREAS, on May 22, 2012, the City Council approved a resolution number 2012-203 and

WHEREAS, it amended city of Modesto Municipal Code section 11-1.05 and Council Policy 5.001 relating to water connection charges and

WHEREAS, it required that the City Manager upon the recommendation of the Director responsible for utility system planning to request City Council approval for all extensions of water and sewer services into unincorporated areas.

WHEREAS, the property located at 12000 Yosemite Boulevard is not connected to City's water system and

WHEREAS, this property is located within the City of Waterford, outside Modesto City limits, and in the City's Sphere of Influence and

WHEREAS, this property is inside, continuous to, or near the former service area of the Del Este Water company and

WHEREAS, City staff has completed an analysis and determined that it is reasonable for the City of Modesto to extend water service to this property and

WHEREAS, it has been determined that a sufficient quantity of potable water is available for normal usage by the proposed development and

WHEREAS, the proposed building meets all if the Stanislaus Consolidated Fire District's fire code requirements and

WHEREAS, the water connection fees are paid and associated permits be obtained prior to beginning any on site construction and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Will Serve letter for a property located at 12000 Yosemite Blvd. (APN 080-045-054) in Waterford.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to approve the Will Serve letter.

RESOLUTION NO. 2012-282**

RESOLUTION AUTHORIZING THE AWARD OF PROPOSAL FOR THE FURNISHING OF TRANSIT TICKETS FOR THE DEPARTMENT OF PUBLIC WORKS, TRANSIT DIVISION, TO DILLINGHAM TICKET CO., BALDWIN PARK, CA, FOR A TWO (2) YEAR AGREEMENT WITH THREE (3) ONE-YEAR EXTENSION OPTION AT THE SOLE DISCRETION OF THE CITY, AND AUTHORIZING THE PURCHASING MANAGER, OR HIS DESIGNEE, TO ISSUE A PURCHASE AGREEMENT FOR AN ESTIMATED ANNUAL COST OF \$17,211

WHEREAS, the City Manager authorized the Purchasing Manager to issue formal Request for Proposals (RFP) for the furnishing of transit tickets, and

WHEREAS, the Purchasing Division issued RFP No. 1112-24 Transit Ticket Printing to fifteen (15) prospective proposers, eight (8) of which were local vendors, posted the RFP on the City's website and formally advertised as required by law, and

WHEREAS, proposals were formally opened in the City Clerk's Office. One company chose to respond. The company provided a responsive and responsible proposal, and

WHEREAS, based on providing a responsive and responsible proposal, City staff recommends the award of proposal for the furnishing of transit tickets to Dillingham Ticket Co., Baldwin Park, CA, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. The award of proposal for the furnishing of transit tickets to Dillingham Ticket Co., Baldwin Park, CA, conforms to the Modesto Municipal Code, and

WHEREAS, funds shall be budgeted for the furnishing of transit tickets in
Appropriation Unit: 4540-53472-52015,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto
that it hereby authorizes the award of proposal for the furnishing of transfer tickets for the
Department of Public Works, Transit Division, to Dillingham Ticket Co., Baldwin Park,
CA.

BE IT FURTHER RESOLVED that the Purchasing Manager, or his designee, is
hereby authorized to issue a purchase agreement for an estimated annual cost of \$17,211.

RESOLUTION NO. 2012-283**

**APPROVING AMENDMENT TO THE BY-LAWS OF THE TUOLUMNE RIVER
REGIONAL PARK CITIZEN'S ADVISORY COMMITTEE TO EXTEND THE
TERMS FROM CURRENT TWO (2) YEAR TERMS TO FOUR (4) YEAR
TERMS**

WHEREAS, the Tuolumne River Regional Park (TRRP) is a Joint Powers Authority between the cities of Modesto and Ceres and the County of Stanislaus, and

WHEREAS, the City of Modesto is the managing partner for the TRRP, and

WHEREAS, the TRRP Citizen's Advisory Committee (CAC) by-laws specify terms of two-years, and

WHEREAS, most City of Modesto Boards, Committees and Commissions have terms of four-years, and

WHEREAS, the change of terms was brought to the TRRP Commission at their February 2012 meeting, and

WHEREAS, the TRRP Commission is made up of representatives from each of the JPA Partners, and

WHEREAS, the TRRP Commission approved recommending the extension of terms for the CAC,

NOW THEREFORE, BE IT HEREBY RESOLVED by the Council of the City of Modesto as follows:

The by-laws of the Tuolumne River Regional Park Citizen's Advisory Committee terms be extended to four (4) year terms.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto, held on the 10th day of July, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-284**

**RESOLUTION AUTHORIZING THE CITY MANAGER TO VOTE ON
BEHALF OF THE CITY OF MODESTO IN A PROPOSITION 218 VOTE TO
ESTABLISH LEVEE MAINTENANCE ASSESSMENT FOR THE OPERATION
OF RECLAMATION DISTRICT NO. 2091**

WHEREAS, Reclamation District No. 2091 (RD 2091) was established on January 12, 1959, for the purpose of maintaining 7.59 miles of levee on the San Joaquin River, and

WHEREAS, RD 2091 is made up of 26 landowners representing approximately 7,015 acres surrounding and including the Jennings Wastewater Treatment Plant, and

WHEREAS, the District is moving forward with the Proposition 218 voting process to establish an assessment to landowners, and

WHEREAS, as the largest land owner in RD 2091, the City is afforded a weighted voted based on its land ownership, and

WHEREAS, passage of a Proposition 218 vote would provide funding from the land owners within RD 2091 for operations and maintenance of the levee and pump station, and

WHEREAS, if Proposition 218 fails, RD 2091 will be forced to ask the State of California Army Corps of Engineers to maintain the levee and pump station, and

WHEREAS this would be a more expensive option and the higher costs would then be distributed to the land owners including the City of Modesto.

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the City Manager to vote on behalf of the City of Modesto in a

Proposition 218 vote to establish levee maintenance assessment for the operation of Reclamation District No. 2091.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-288**

A RESOLUTION AUTHORIZING AWARD OF THE MANAGED COMPETITION PROPOSAL FOR THE MANAGEMENT, MAINTENANCE, AND OPERATIONS OF THE MODESTO CENTRE PLAZA (MCP) TO MODESTO HOSPITALITY LESSEE, LLC (DOUBLE TREE) FOR A THREE (3) YEAR AGREEMENT WITH TWO (2) ONE-YEAR EXTENSION OPTIONS FOR AN ESTIMATED AVERAGE ANNUAL COST OF \$133,000, PLUS INCENTIVE FEES, FOR A FIVE (5) YEAR COST OF \$663,075, PLUS INCENTIVE FEES AND DIRECTING STAFF TO NEGOTIATE A MANAGEMENT AGREEMENT WITH MODESTO HOSPITALITY LESSEE, LLC FOR THE MANAGEMENT, MAINTENANCE AND OPERATIONS OF THE MODESTO CENTRE PLAZA

WHEREAS, the City of Modesto currently manages, maintains, and operates the Modesto Centre Plaza a multipurpose convention center, and

WHEREAS, the Centre Plaza was created to serve the community, and

WHEREAS, the City's internal auditing firm Moss Adams LLP was tasked with conducting a management review of the Centre Plaza, and

WHEREAS, one of the objectives of the management review was to evaluate the ongoing financial stability of the operation and subsidy levels and determine whether the business was a candidate for outsourcing or privatization, and

WHEREAS, the Moss Adams concluded that options did exist for outsourcing the operations, and

WHEREAS, given that conclusion and the tough economic conditions the City seeks to explore the option of outsourcing the management, maintenance and operations of the Centre Plaza in order to reduce the City's overall cost of operations, and

WHEREAS, the outsourcing option was conducted through a managed competition formal Request for Proposal (RFP) process, and

WHEREAS, by authority of Council Resolution No. 96-676 titled “Competitive Delivery of City Services” representatives of both the Modesto City Employees Association (MCEA) and the Modesto Confidential and Management Association (MCMA) were noticed of the proposed RFP and were given the opportunity to submit a proposal, and

WHEREAS, the resolution also gives the City Manager the authority to consider retaining consultant assistance to help the City team prepare its proposal and the City Manager granted that assistance at a departmental cost of \$25,000 for the services, and

WHEREAS, RFP No. 1112-07 was issued to seven (7) prospective proposers and three (3) responses were received. Two (2) responses were deemed responsive. The two (2) responsive proposers were:

Modesto Confidential Management Association (MCMA) and Modesto City Employees Association (MCEA)

Modesto Hospitality Lessee, LLC (Double Tree), and

WHEREAS, responses were evaluated by a committee comprised of City and County staff, a subject matter expert (SME), a representative from a local non-profit organization and an auditor from the City’s audit firm Moss Adams, and

WHEREAS, the issuance of the formal RFP conformed to Section 8-3.203 of the Modesto Municipal Code

WHEREAS, based on scoring highest in total evaluation criteria as determined by the evaluation committee, a majority (3/2) of the evaluation committee members recommended award of proposal to Modesto Hospitality Lessee, LLC (Double Tree)

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of the managed competition proposal for the management, maintenance, and operations of the Modesto Centre Plaza (MCP) to Modesto Hospitality Lessee, LLC (Double Tree) for a three (3) year agreement with two (2) one-year extension options for an estimated average annual cost of \$133,000, plus incentive fees, for a five (5) year cost of \$663,075, plus incentive fees and directing staff to negotiate a management agreement with Modesto Hospitality Lessee, LLC for the management, maintenance and operations of the Modesto Centre Plaza (MCP).

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2012, by Councilmember Cogdill, who moved its adoption, which motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following vote:

California
Public Employees' Retirement System

AMENDMENT TO CONTRACT

Between the
Board of Administration
California Public Employees' Retirement System
and the
City Council
City of Modesto

The Board of Administration, California Public Employees' Retirement System, hereinafter referred to as Board, and the governing body of the above public agency, hereinafter referred to as Public Agency, having entered into a contract effective August 1, 1946, and witnessed July 27, 1946, and as amended effective December 1, 1950, July 1, 1956, July 1, 1959, November 1, 1959, January 1, 1960, October 1, 1962, January 1, 1969, May 1, 1973, May 1, 1974, June 24, 1975, March 28, 1978, July 4, 1978, November 1, 1980, October 20, 1981, June 29, 1982, October 15, 1985, June 24, 1986, April 14, 1987, November 22, 1991, July 25, 1997, November 7, 2000, June 19, 2001, July 2, 2002, June 26, 2007, August 1, 2008, March 6, 2009 and January 17, 2012 which provides for participation of Public Agency in said System, Board and Public Agency hereby agree as follows:

- A. Paragraphs 1 through 16 are hereby stricken from said contract as executed effective January 17, 2012, and hereby replaced by the following paragraphs numbered 1 through 16 inclusive:

1. All words and terms used herein which are defined in the Public Employees' Retirement Law shall have the meaning as defined therein unless otherwise specifically provided. "Normal retirement age" shall mean age 55 for local miscellaneous members entering membership in the miscellaneous classification on or prior to January 17, 2012, age 60 for local miscellaneous members entering membership for the first time in the miscellaneous classification after January 17, 2012, age 50 for local fire members entering membership in the fire classification on or prior to January 17, 2012 and for those local police members entering membership in the police classification on or prior to the effective date of this amendment to contract, age 55 for local fire members entering membership for the first time in the fire classification after January 17, 2012 and for local police members entering membership for the first time in the police classification after the effective date of this amendment to contract.
2. Public Agency shall participate in the Public Employees' Retirement System from and after August 1, 1946 making its employees as hereinafter provided, members of said System subject to all provisions of the Public Employees' Retirement Law except such as apply only on election of a contracting agency and are not provided for herein and to all amendments to said Law hereafter enacted except those, which by express provisions thereof, apply only on the election of a contracting agency.
3. Public Agency agrees to indemnify, defend and hold harmless the California Public Employees' Retirement System (CalPERS) and its trustees, agents and employees, the CalPERS Board of Administration, and the California Public Employees' Retirement Fund from any claims, demands, actions, losses, liabilities, damages, judgments, expenses and costs, including but not limited to interest, penalties and attorneys fees that may arise as a result of any of the following:
 - (a) Public Agency's election to provide retirement benefits, provisions or formulas under this Contract that are different than the retirement benefits, provisions or formulas provided under the Public Agency's prior non-CalPERS retirement program.
 - (b) Public Agency's election to amend this Contract to provide retirement benefits, provisions or formulas that are different than existing retirement benefits, provisions or formulas.
 - (c) Public Agency's agreement with a third party other than CalPERS to provide retirement benefits, provisions, or formulas that are different than the retirement benefits, provisions or formulas provided under this Contract and provided for under the California Public Employees' Retirement Law.

- (d) Public Agency's election to file for bankruptcy under Chapter 9 (commencing with section 901) of Title 11 of the United States Bankruptcy Code and/or Public Agency's election to reject this Contract with the CalPERS Board of Administration pursuant to section 365, of Title 11, of the United States Bankruptcy Code or any similar provision of law.
- (e) Public Agency's election to assign this Contract without the prior written consent of the CalPERS' Board of Administration.
- (f) The termination of this Contract either voluntarily by request of Public Agency or involuntarily pursuant to the Public Employees' Retirement Law.
- (g) Changes sponsored by Public Agency in existing retirement benefits, provisions or formulas made as a result of amendments, additions or deletions to California statute or to the California Constitution.

- 4. Employees of Public Agency in the following classes shall become members of said Retirement System except such in each such class as are excluded by law or this agreement:
 - a. Local Fire Fighters (herein referred to as local safety members);
 - b. Local Police Officers (herein referred to as local safety members);
 - c. Employees other than local safety members (herein referred to as local miscellaneous members).
- 5. In addition to the classes of employees excluded from membership by said Retirement Law, the following classes of employees shall not become members of said Retirement System:
 - a. **POLICE COURT EMPLOYEES;**
 - b. **ALL HOURLY RATED OR HOURLY BASIS EMPLOYEES HIRED ON AND AFTER OCTOBER 1, 1962; AND**
 - c. **CITY COUNCIL MEMBERS ELECTED INTO OFFICE ON OR AFTER AUGUST 1, 2008.**

6. Assets heretofore accumulated with respect to members in the local retirement system have been transferred to the Public Employees' Retirement System and applied against the liability for prior service incurred thereunder. That portion of the assets so transferred which represent the accumulated contributions (plus interest thereof) required of the employees under said local system has been credited to the individual membership account of each such employee under the Public Employees' Retirement System.
7. The percentage of final compensation to be provided for each year of credited prior and current service as a local miscellaneous member entering membership in the miscellaneous classification on or prior to January 17, 2012 shall be determined in accordance with Section 21354 of said Retirement Law, subject to the reduction provided therein for service on and after January 1, 1956, the effective date of Social Security coverage, and prior to June 30, 1978, termination of Social Security, for members whose service has been included in Federal Social Security (2% at age 55 Full and Modified).
8. The percentage of final compensation to be provided for each year of credited current service as a local miscellaneous member entering membership for the first time in the miscellaneous classification after January 17, 2012 shall be determined in accordance with Section 21353 of said Retirement Law (2% at age 60 Full).
9. The percentage of final compensation to be provided for each year of credited prior and current service as a local fire members entering membership in the fire classification on or prior to January 17, 2012 and for those local police members entering membership in the police classification on or prior to the effective date of this amendment to contract shall be determined in accordance with Section 21362.2 of said Retirement Law (3% at age 50 Full).
10. The percentage of final compensation to be provided for each year of credited current service as a local fire member entering membership for the first time in the fire classification after January 17, 2012 and for those local police members entering membership for the first time in the police classification after the effective date of this amendment to contract shall be determined in accordance with Section 21363.1 of said Retirement Law (3% at age 55 Full).
11. Public Agency elected and elects to be subject to the following optional provisions:
 - a. Section 21222.1 (One-Time 5% Increase - 1970). Legislation repealed said Section effective January 1, 1980.

- b. Section 21222.2 (One-Time 5% Increase - 1971). Legislation repealed said Section effective January 1, 1980.
- c. Section 21319 (One-Time 15% Increase for Local Miscellaneous Members Who Retired or Died Prior to July 1, 1971). Legislation repealed said Section effective January 1, 2002.
- d. Section 21572 (Increased Level of 1959 Survivor Benefits) for local miscellaneous members only.
- e. Section 20042 (One-Year Final Compensation) for local fire members entering membership on or prior to January 17, 2012 and miscellaneous members entering membership on or prior to January 17, 2012 and for those local police members entering membership on or prior to the effective date of this amendment to contract.
- f. Section 21427 (Improved Nonindustrial Disability Allowance) for local miscellaneous members only.
- g. Sections 21624, 21626 and 21628 (Post-Retirement Survivor Allowance) for local safety members and local miscellaneous members entering membership on or prior to October 20, 1981.
- h. Section 21325 (One-Time 3% to 15% Increase For Local Miscellaneous Members and Local Safety Members Who Retired or Died Prior to January 1, 1974). Legislation repealed said Section effective January 1, 2002.
- i. Section 20475 (Different Level of Benefits). Sections 21624, 21626, and 21628 (Post-Retirement Survivor Allowance) are not applicable to local miscellaneous members entering membership for the first time in the miscellaneous classification after October 20, 1981.

Section 21353 (2% @ 60 Full formula) and Section 20037 (Three-Year Final Compensation) are applicable to local miscellaneous members entering membership for the first time in the miscellaneous classification after January 17, 2012.

Section 21363.1 (3% @ 55 Full formula) and Section 20037 (Three-Year Final Compensation) are applicable to local fire members entering membership for the first time in the fire classification after January 17, 2012.

Section 21363.1 (3% @ 55 Full formula) and Section 20037 (Three-Year Final Compensation) are applicable to local police members entering membership for the first time in the police classification after the effective date of this amendment to contract.

- j. Section 21322 (One-Time 4% Increase For Local Miscellaneous Members and Local Safety Members Who Retired or Died Prior to January 1, 1981). Legislation repealed said Section effective January 1, 2002.
 - k. Section 21317 (One-Time 15% Increase for Certain Local Safety Members Who Retired for Service Retirement). Legislation repealed said Section effective January 1, 2002.
 - l. Section 21024 (Military Service Credit as Public Service).
 - m. Section 21574.5 (Indexed Level of 1959 Survivor Benefits) for local safety members only.
 - n. Section 21547.7 (Alternate Death Benefit for Local Fire Members Credited with 20 or More Years of Service).
 - o. Section 21118 (Partial Service Retirement) for local miscellaneous members only.
12. Public Agency, in accordance with Government Code Section 20790, ceased to be an "employer" for purposes of Section 20834 effective on March 28, 1978. Accumulated contributions of Public Agency shall be fixed and determined as provided in Government Code Section 20834, and accumulated contributions thereafter shall be held by the Board as provided in Government Code Section 20834.
13. Public Agency shall contribute to said Retirement System the contributions determined by actuarial valuations of prior and future service liability with respect to local miscellaneous members and local safety members of said Retirement System.
14. Public Agency shall also contribute to said Retirement System as follows:
- a. Contributions required per covered member on account of the 1959 Survivor Benefits provided under Section 21574.5 of said Retirement Law. (Subject to annual change.) In addition, all assets and liabilities of Public Agency and its employees shall be pooled in a single account, based on term insurance rates, for survivors of all local safety members.

- b. A reasonable amount, as fixed by the Board, payable in one installment within 60 days of date of contract to cover the costs of administering said System as it affects the employees of Public Agency, not including the costs of special valuations or of the periodic investigation and valuations required by law.
 - c. A reasonable amount, as fixed by the Board, payable in one installment as the occasions arise, to cover the costs of special valuations on account of employees of Public Agency, and costs of the periodic investigation and valuations required by law.
15. Contributions required of Public Agency and its employees shall be subject to adjustment by Board on account of amendments to the Public Employees' Retirement Law, and on account of the experience under the Retirement System as determined by the periodic investigation and valuation required by said Retirement Law.
16. Contributions required of Public Agency and its employees shall be paid by Public Agency to the Retirement System within fifteen days after the end of the period to which said contributions refer or as may be prescribed by Board regulation. If more or less than the correct amount of contributions is paid for any period, proper adjustment shall be made in connection with subsequent remittances. Adjustments on account of errors in contributions required of any employee may be made by direct payments between the employee and the Board.

B. This amendment shall be effective on the 11 day of September, 2012.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-290**

A RESOLUTION APPROVING A SEVERANCE PACKAGE WHICH INCLUDES SEVERANCE PAY, HEALTH BENEFITS, EMPLOYEE ASSISTANCE PROGRAM AND INTERVIEW LEAVE FOR EMPLOYEES SUBJECT TO LAYOFF DUE TO AN AUTHORIZED REDUCTION IN FORCE

WHEREAS, the City has projected a budget shortfall for Fiscal Year 2012-13 as a result of the economic downturn, and

WHEREAS, the layoff of some full time employees is inevitable, and the City desires to establish a severance package to include Severance Pay, Health Benefits and Interview Leave for employees subject to an authorized reduction in force due to budget reductions,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the City to offer a Severance Package to eligible employees upon layoff as outlined in **Exhibit A**, entitled, "City of Modesto Severance Package Upon Layoff."

BE IT FURTHER RESOLVED, that the City Manager, or his designee, is hereby authorized to sign implementation documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2012, by Councilmember Gunderson, who moved its adoption, which motion being duly seconded by Councilmember Lopez, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Burnside, Cogdill, Geer, Gunderson, Lopez, Muratore, Mayor Marsh

**City of Modesto
Layoff and Severance Benefits
FY 12-13**

Important Note: The benefits listed below for Severance Pay, Health Contribution, Interview Leave and Extended EAP Benefits have been negotiated by the City and the Modesto Confidential and Management Association (MCMA).

Severance Pay

Employees in the classified service shall be paid Severance Pay in the amount of two (2) pay periods (four weeks) base salary upon layoff. Such pay shall be calculated based upon the employee's regular base pay, excluding acting pay, assignment pay, shift differential or other special pays.

In addition, employees with six (6) or more full years of service are eligible for additional severance pay as follows: Employees with six (6) to eight (8) years of services would receive one additional week of severance pay for a total of five (5) weeks, employees with nine (9) to eleven (11) years of service would receive two additional weeks of severance pay for a total of six (6) weeks, employees with twelve (12) to fourteen (14) years of service would receive three additional weeks of severance pay for a total of seven (7) weeks and employees with more than fourteen (14) years of service would receive a total of eight (8) weeks of severance.

At time of layoff, an employee shall have the option to receive Severance Pay in a lump sum payment or in the form of a contribution of equal value by the City to the employee's deferred compensation plan, subject to all appropriate IRS regulations and limitations.

If you elect to have all or part of your severance pay in the form of deferred compensation, please contact the Employee Benefits Coordinator **immediately** at 577-5209.

These severance benefits are offered to employees by the City as an indication of the value the City places on its employees. It is a requirement that should the employee be re-hired by the City within four (4) weeks from the date of separation, the employee shall return the salary portion of the severance package less the period of time the employee was separated from the City.

Health Contribution

Employees in the classified service who receive Severance Pay shall also be eligible to receive the City's contribution to health, dental and vision premiums for a period of four (4) to eight (8) weeks following layoff. The amount of this contribution shall be the same as that provided to active employees, except that that amount shall not include the equivalent of any in-lieu deferred compensation. The duration of the premium contributions shall be for the same number of weeks as the severance pay provision (4-8 weeks depending on years of service). The contribution shall be paid directly to the insurance carriers. (See section below on continuation of coverage under COBRA.)

Interview Leave

Employee in the classified service shall be eligible for Interview Leave upon notification by their Department Director that they may be laid off. Employees who elect to demote in-lieu of layoff are also eligible. An employee may be granted up to fifteen (15) hours of paid leave for the purpose of participating in employment interviews or examinations with other employers. As with other leave requests, Interview Leave is subject to approval, in advance, by the supervisor. Employees must provide supervisors with sufficient advance notice and employees may be required to provide verification of the scheduled interview or examination. Interview Leave in excess of fifteen (15) hours may be granted with the written approval of the Department Director. **For timesheet recording of Interview Leave, use pay code 59.**

Cashout of Leave Accruals

Employees who are laid off shall be paid for all accrued and earned holiday, vacation, overtime and management/confidential leave. Employees with at least five (5) years of continuous City service may cash out sick leave at 25% of accrued hours, or the employee may elect to leave sick leave on the books. If the sick leave is left on the books and the employee is not reinstated within two (2) years from the date of layoff, (and/or in accordance with the appropriate MOU), the employee shall be paid for said accrued sick leave (25%) at the employee's hourly rate of compensation at the time of layoff. If you elect to leave your sick leave on the books, please contact the Human Resources Department immediately.

Employees with less than five (5) years of continuous City service will automatically have their sick leave left on the books. However, if they are not reinstated within two (2) years, or in accordance with the appropriate MOU, there shall be no payout of the sick leave hours.

Deferred Compensation (ICMA Retirement Corporation)

Most regular employees have been contributing a percentage of their salary into a deferred compensation plan. The City has been contributing another 1% - 2.5% for the employee to the same account.

In addition, if an employee does not have dependent coverage on health benefits or has opted-out of health coverage, the City has been making in-lieu contributions to the employee's account. If an employee has one or more years of service at the time of layoff, the employee is entitled to a refund of the City's contributions as well as the employee's contributions upon layoff. Employees with less than one year of service are entitled to a refund of the employee's contributions, only.

Refund payments from the employee's deferred compensation account may be made according to any of the following schedules:

1. in a one-time lump sum,

2. payment over a specified period of years,
3. payment over life expectancy, until account is exhausted,
4. equal payments until account is exhausted,
5. irregular schedule option.

Refunds are usually issued within 30 days, if requests are received by ICMA by the first day of a month.

Deferred Compensation forms will be provided to employees upon layoff (ICMA will not accept withdrawal forms in advance).

Public Employees' Retirement System

When employees leave City service, they are entitled to receive a refund from the Public Employees' Retirement System or they have the option of leaving their contributions in the retirement system. Those employees wishing to cash out will receive a refund of the employee's contributions plus interest. A refund terminates your membership, and you will not be eligible for any retirement benefits unless you return to PERS membership at a later date. **There are advantages to leaving your contributions on deposit with PERS, especially if you are hoping to be reinstated to City of Modesto employment or if you might seek employment with another PERS-covered agency or an agency that has reciprocity with PERS (e.g. Stanislaus County).** If you eventually return to the City or to other PERS-covered employment and you have cashed out your contributions, your previous years of service with the City will not count toward your retirement.

While you can "buy back" these PERS service credits at a later date, you can only do so while you are employed by a PERS-covered agency, and it can be very expensive. Employees are encouraged to carefully consider whether withdrawing PERS contributions is the right choice for their particular situation.

Once application is made to PERS for a withdrawal, it usually takes 6 to 8 weeks for a refund. The City does not keep account balances for PERS accounts. However, the Employee Benefits Coordinator in the City's Human Resources Office may be able to assist you in estimating your PERS balance.

Withdrawal forms will be provided to employees upon layoff. (PERS will not accept withdrawal forms in advance).

Continuation of Health, Dental and Vision Benefits (COBRA)

COBRA allows employees and their eligible dependents to elect to continue group health, dental and vision benefits under the health plan the employee is currently enrolled in, at the **employee's expense**. (See section on Health Contribution, providing for 4-8 weeks premium contribution by the City). In the event of a "qualifying event," an employee has 60 days to elect coverage under COBRA. An employee's layoff is considered a "qualifying event." If an employee has access to another group health plan, the COBRA conversion does not apply.

Based on the Federal guidelines, if an employee is laid off, the employee may continue health benefits for up to 36 months. Monthly premium payments are made by the employee to the City of Modesto. As long as payments are made in a timely manner, there will not be a lapse in coverage.

The premium varies depending on the health plan. Premiums can be paid to continue coverage for the employee only, as well as the employee with dependents. Under most plans, coverage can be limited to health (dropping dental and vision) if the employee so chooses.

If you have any questions about continuing health, dental and vision coverage, please contact the Employee Benefits Coordinator at 577-5403.

Employee Assistance Program

Employees currently have available to them an Employee Assistance Program (EAP) counseling benefit. The City's EAP provides assessment, counseling and referral services for personal problems that may affect employees and their families.

This confidential counseling is provided by the PacifiCare Behavioral Health. To schedule an appointment, simply call PacifiCare Behavioral Health and identify yourself as an employee (or spouse) of the City of Modesto. The phone number is 1-800-999-9585. Current employees and dependents are covered for up to three visits each, per year (July 1 - June 30).

The EAP counseling benefit will be extended to the laid off employee and/or spouse for a period of six (6) months from date of layoff, not to exceed six (6) visits per family. This benefit will be at no cost to the employee.

If you have any questions regarding the EAP, please feel free to call PacifiCare Behavioral Health, or the City's Employee Benefits Coordinator at 577-5209. All calls and inquiries will be confidential.

Reinstatement

Employees who are laid off shall have their names placed on a departmental reinstatement list, by classification and by reverse order of layoff. Vacant positions within the department and the classification series (customary promotional progression) shall first be offered to employees on the appropriate classification reinstatement list for that department. Employees who are laid off will also be considered for vacancies in other departments. Employees on a reinstatement list will be strongly considered for vacancies, Citywide, for their specific classification, (and may be given preference) prior to the City considering applicants on a valid eligible list for that classification.

The eligibility of individuals on the reinstatement list shall extend for a period of two (2) years from date of layoff and/or in accordance with the appropriate MOU. Eligibles not responding to a written notification of an opening within fourteen (14) calendar days shall have their names removed from the reinstatement list. It is the individual's responsibility

to keep the City of Modesto Human Resources Department informed of any change of address.

If an individual is reinstated from a reinstatement list within six (6) months of layoff to the same position in the same department, no new probationary period shall be required. All other appointments from a reinstatement list shall require that a new probationary period be served.

The City encourages Departments to consider employees on these reinstatement lists for interviews when filling vacancies that would be considered lateral moves or demotions for the employee (where the vacancy is at the same, or lower, Salary Range as the employee, where the employee holds the minimum knowledges, skills, abilities, experience and/or education of the vacant position, but where the vacant position is not in the customary promotional progression of the laid off employee).

Job Search Assistance

For a period of three (3) months following date of layoff, Human Resources Department staff and administrative support staff from other departments will provide job search and job application assistance to laid off employees.

Assistance will include:

- * Preparation of resumes
- * Typing of application and/or resumes
- * Free photocopying of applications and/or resumes
- * Free photocopying of job flyers from other agencies
- * Brochures on benefits and job search from E.D.D.
- * A staff prepared guide to Resume Preparation
- * A staff prepared guide to Job Search and Interviewing
- * A list of local Regular and Temporary Employment Agencies
- * Access to an assortment of job flyers from other agencies

In addition, laid off employees are encouraged to provide resumes to the Human Resources Department so that staff can contact them by phone in the event job leads are reported to the Human Resources Department.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-291**

RESOLUTION APPROVING A PROPOSED AGREEMENT INCLUDING LANGUAGE CHANGES FOR A SUCCESSOR MEMORANDUM OF UNDERSTANDING BETWEEN THE CITY OF MODESTO AND MODESTO CONFIDENTIAL AND MANAGEMENT ASSOCIATION (MCMA) FOR A TERM OF JUNE 19, 2012 TO SEPTEMBER 23, 2013 AND AUTHORIZING THE DIRECTOR OF HUMAN RESOURCES AND CITY MANAGER TO TAKE THE NECESSARY ADMINISTRATIVE ACTION TO IMPLEMENT THE AGREEMENT

WHEREAS, the current Memorandum of Understanding (MOU) between the City of Modesto (CITY) and the Modesto Confidential and Management Association (MCMA) expired on June 18, 2012, and

WHEREAS, representatives of the CITY and the MCMA have met and conferred in good faith concerning wages, hours, terms and conditions of employment for employees in said bargaining unit, and

WHEREAS, the CITY and MCMA have reached agreement on language changes for a successor MOU which, upon execution, shall be attached hereto and made a part hereof, and

WHEREAS, the MOU provides as follows:

SECTION 1. TERM. The term of the MOU shall be from June 19, 2012 to September 23, 2013.

SECTION 2. MANDATORY FURLOUGHS. For FY 2012-13, each bargaining unit member shall take 40-hours of mandatory furloughs totaling 1.9% salary deduction taken in equalized payroll deductions. Bargaining unit members will take these furlough hours on December 24, 26-28, and 31, 2012.

SECTION 3. SALARY RATES AND RANGES. On July 2, 2013, employees will receive a 1.5% salary increase.

SECTION 4. INITIAL STEP PLACEMENT. Salary range will be converted from a nine (9) step progression to a five (5) step progression.

SECTION 5. SICK LEAVE. Employees hired on or before December 31, 2010 who retire from the City on or after August 14, 2012 will have the option to have ninety percent (90%) of their unused sick leave accrued up to August 13, 2012 applied upon retirement toward health insurance premiums. All sick leave hours accrued on or after August 14, 2012 shall not be converted toward retiree medical.

SECTION 6. CATASTROPHIC LEAVE. MCMA desires to initiate participation in State Disability Insurance (SDI) program for all employees in the unit. The City agrees to the coordination of benefits so long as there is no financial or administrative cost to the City. Two full quarters after implementation of SDI, the parties agree to eliminate the Catastrophic Leave Program.

SECTION 7. LICENSE CERTIFICATES, REGISTRATION. Employees required to obtain a certificate, license or registration in order to carry out the duties assigned, except a California Class C Driver's License, the City will reimburse the costs associated with obtaining and renewing the license, certificate or registration subject to Department Director approval for standard preparatory training and study material; required prerequisite classes or training; for non-exempt employees, the time required to attend any required class or exam to obtain or renew a license, certificate or registration shall be considered as hours worked; and sufficient CEU eligible activities for the employee to retain eligibility for renewal of the license, certificate or registration.

SECTION 8. PAY DIFFERENTIALS. Police Civilian Supervisor shall be paid shift differential of \$6.00 per hour for any shift beginning on or after 12 noon up to 4:29pm and \$8.00 per hour for any shift beginning on or after 4:30pm.

SECTION 9. RETIREE HEALTH INSURANCE. Employees hired on or before December 31, 2010 who retire from the City on or after August 14, 2012, the monthly contribution towards medical for retirees who converted sick leave hours accrued on or before August 13, 2012, shall be frozen and not exceed the following amounts: Up to \$1,100 for retirees with dependent coverage; up to \$621 for retirees without dependent coverage.

Effective July 2, 2013, employees hired on or before December 31, 2010 shall receive a contribution of \$25.00 per month into a Health Reimbursement Arrangement (HRA) account.

SECTION 10. RETIREMENT. Effective July 17, 2012 employees hired prior to January 17, 2012 (Tier 1) shall increase their portion of the employee contribution from four-tenths (0.4%) percent by three and three tenths (3.3%) percent for a total of three and seven tenths (3.7%) percent contribution.

SECTION 11. RETIREMENT. Effective July 2, 2013 employees hired prior to January 17, 2012 (Tier 1) shall increase their portion of the employee contribution from three and seven-tenths (3.7%) percent by three and three tenths (3.3%) percent for a total of seven (7%) percent contribution.

SECTION 12. LABOR MANAGEMENT COMMITTEE. The City and MCMA agree to hold no less than three (3) meetings commencing no later than August 1, 2012 and completed by October 1, 2012 to resolve the following:

1. Define leave accrual exhaustion requirement for exempt employees
2. Clarify call duty requirement for exempt employees
3. Discuss removal of management leave exhaustion requirement

SECTION 13. CONTINUATION OF REMAINING PROVISIONS. Except as provided above, the remaining provisions of the June 22, 2010, through June 18, 2012, MOU between the CITY and MCMA shall continue in the new MOU.

The exact language of all provisions shall be set forth in the MOU between the CITY and MCMA.

WHEREAS, the Council considered this matter at its meeting of July 10, 2012,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves the language changes for a successor Memorandum of Understanding between the City of Modesto and the Modesto Confidential and Management Association, which covers a term from June 19, 2012 through September 23, 2013, and upon execution of same, a copy of the MOU will be on file in the office of the City Clerk.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-292**

RESOLUTION AMENDING A LABOR POLICY FOR PAYING AND REPORTING THE VALUE OF EMPLOYER PAID MEMBER CONTRIBUTIONS TO THE CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM (CALPERS) ON BEHALF OF EMPLOYEES REPRESENTED BY THE MODESTO CONFIDENTIAL AND MANAGEMENT ASSOCIATION (MCMA)

WHEREAS, by Resolution No 2012-17 adopted by the Council, the City adopted a labor policy providing for Public Employees' Retirement System (PERS) employee contributions to be paid by the City on behalf of employees and for reporting of employer-paid normal member contributions to PERS as compensation, and

WHEREAS, the governing body of the City of Modesto has the authority to implement Government Code Section 20636(c)(4) pursuant to Section 20691, and

WHEREAS, the governing body of the City of Modesto has a written labor policy or agreement which specifically provides for the normal member contributions to be paid by the employer, and reported as additional compensation, and

WHEREAS, one of the steps in the procedures to implement Section 20691 is the adoption by the governing body of the City of Modesto of a Resolution to commence paying and reporting the value of said Employer Paid Member Contributions, and

WHEREAS, the governing body has the authority to amend all members in a group or class of employment pursuant to Government Code Section 20691.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

Effective July 17, 2012, Miscellaneous employees hired before January 17, 2012, the City of Modesto elects to pay three and three-tenths percent (3.3%) of the normal

member contributions of seven percent (7%) as employer paid member contributions and report the same value to CalPERS as compensation earnable as additional compensation.

Effective July 17, 2012, Miscellaneous employees hired on or after January 17, 2012, the City of Modesto elects to pay zero percent (0%) of the normal member contributions of seven percent (7%). No payment shall be implemented pursuant to the provisions of Section 20636 (c)(4) of the California Government Code.

Effective July 2, 2013, the City of Modesto elects to pay zero percent (0%) of the normal member contributions of seven percent (7%) for all Miscellaneous employees. No payment shall be implemented pursuant to the provisions of Section 20636 (c)(4) of the California Government Code.

BE IT FURTHER RESOLVED that this Resolution shall become effective on July 17, 2012.

BE IT FURTHER RESOLVED that effective July 17, 2012 Resolution No. 2012-17 is hereby repealed in its entirety.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of July, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-293**

RESOLUTION APPROVING A PURCHASE AGREEMENT FOR A TEMPORARY CONSTRUCTION EASEMENT BETWEEN THE CITY OF MODESTO AND MOHAMMED S. HUSSAIN & KHAIRUL N. HUSSAIN, FOR A 907 SQ. FT. (0.021 ACRES) PARCEL OF LAND (APN 135-029-049), IN THE AMOUNT OF \$3,200.00, FOR THE PELANDALE AVENUE/SR 99 INTERCHANGE RECONSTRUCTION PROJECT, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT AND ALL RELATED DOCUMENTS REQUIRED TO CLOSE ESCROW

WHEREAS, the City of Modesto is planning a project to reconstruct the Pelandale Avenue/SR 99 Interchange, and

WHEREAS, the Project will alleviate congestion and improve operations of the Pelandale Avenue and SR 99 Interchange, and

WHEREAS, the City of Modesto has obtained lead agency status from the California Department of Transportation for the Project, and

WHEREAS, staff has identified a 907 sq. ft. (0.021 acres) portion of a parcel of APN 135-029-049 for a Temporary Construction Easement to improve the roadway on Salida Boulevard as part of the capital improvements identified for the Project, and

WHEREAS, staff has completed the required environmental review for the Project, and

WHEREAS, an Agreement is needed for the acquisition interests of the property,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Purchase Agreement between the City of Modesto and Mohammed S. Hussain & Khairul N. Hussain, for a 907 sq. ft. (0.021 acres) Temporary Construction Easement, located at 4324 Salida Boulevard. (APN 135-029-049), in the amount of \$3,200 for the Pelandale Avenue/SR 99 Interchange Reconstruction Project.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement, and all related documents required to finalize the acquisition.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-294**

RESOLUTION AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO SIGN THE CERTIFICATE OF ACCEPTANCE FOR THE TEMPORARY CONSTRUCTION EASEMENT FOR THE ACQUISITION OF PROPERTY INTERESTS LOCATED AT 4324 SALIDA BOULEVARD, OWNED BY MOHAMMED S. HUSSAIN & KHAIRUL N. HUSSAIN, (APN 135-029-049) TO BE PURCHASED BY THE CITY OF MODESTO FOR THE PELANDALE AVENUE/SR 99 INTERCHANGE RECONSTRUCTION PROJECT

WHEREAS, Section 27281 of the Government Code requires a public agency to accept real property prior to the recordation of a deed or adopt a resolution accepting real property, and

WHEREAS, the City of Modesto desires to acquire a 907 sq. ft. (0.021 acres) portion of land for a Temporary Construction Easement located on Salida Boulevard, owned by Mohammed S. Hussain & Khairul N. Hussain., (APN 135-029-049), to be purchased by the City of Modesto for the Pelandale Avenue/SR 99 Interchange Reconstruction Project,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the City Manager, or his designee, is hereby authorized to sign the Certificate of Acceptance for the Temporary Construction Easement for the acquisition of property interests located at 4324 Salida Boulevard, owned by Mohammed S. Hussain & Khairul N. Hussain, (APN 135-029-049) to be purchased by the City of Modesto for the Pelandale Avenue/SR 99 Interchange Reconstruction Project.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-295**

A RESOLUTION APPROVING A MAINTENANCE AGREEMENT BETWEEN THE CITY OF MODESTO AND THE CALIFORNIA DEPARTMENT OF TRANSPORTATION FOR MAINTENANCE OF IMPROVEMENTS WITHIN STATE HIGHWAY RIGHT OF WAY ON ROUTE 132 WITHIN THE CITY OF MODESTO; AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, the project widened existing two-lane State Route 132 to a divided four-lane conventional highway from Riverside Drive to Garner/Clause Road to reduce congestion and improve traffic operations and safety of this arterial, and

WHEREAS, on October 30, 2006, Stanislaus Council of Governments entered into a Construction Co-operative Agreement with California Department of Transportation for construction phase of the project, and

WHEREAS, roadway construction for this project is completed, and the project is currently in close out process, and

WHEREAS, this Maintenance Agreement is required by Caltrans prior to close out of the project,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Maintenance Agreement between the City of Modesto and the California State Department of Transportation for maintenance of improvements within state highway right of way on Route 132 within the City of Modesto.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-296**

RESOLUTION APPROVING A WILL SERVE LETTER FOR THE PROPERTY LOCATED AT 2200 HOOVER AVENUE, MODESTO (APN: 036-001-078) FOR A WATER FIRE SPRINKLER SYSTEM CONNECTION TO CITY OF MODESTO'S EXISTING WATER SYSTEM, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE TO SIGN THE WILL SERVE LETTER

WHEREAS, on May 22, 2012, the City Council, by Resolution No. 2012-203, approved amending City Council Policy 5.001, and

WHEREAS, Policy 5.001 requires that the City Manager, upon the recommendation of the Director responsible for utility system planning, request City Council approval for all extensions of water and sewer services into unincorporated areas, and WHEREAS, the property located at 2200 Hoover Avenue is currently connected to the City water system for domestic use but requires a 6" connection for fire sprinklers, and

WHEREAS, the property is located within the Beard Industrial Area within Modesto City limits, and in the City's Sphere of Influence, and

WHEREAS, the property is inside, continuous to, or near the former service area of the Del Este Water Company, and

WHEREAS, City staff has completed an analysis and determined that it is reasonable for the City of Modesto to extend water fire service to this property, and

WHEREAS, it has been determined that sufficient water pressure and flow is available for fire usage by the proposed development, and

WHEREAS, the proposed building meets all of the Stanislaus Consolidated Fire District's Fire Code requirements, and

WHEREAS, the water connection fees are paid and associated permits will be obtained prior to beginning any on site construction,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Water Will Serve letter for a water fire sprinkler system connection for the property located at 2200 Hoover Avenue, Modesto (APN 036-001-078).

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to sign the Water Will Serve letter.

A RESOLUTION ADOPTING THE REVISED DEBT MANAGEMENT POLICY

WHEREAS, pursuant to the City of Modesto Debt Management Policy, the City of Modesto is required to periodically review and update its Debt Management Policy to address changes to the primary objectives related to the City's debt and financing related activities, and

WHEREAS, staff has identified the need to update the City's Debt Management Policy in order to continue to maintain cost-effective access to capital markets through prudent yet flexible policies; moderate debt principal and debt service payments through effective planning and project cash management; and achieve the highest practical credit ratings, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto, that it hereby adopts the Debt Management Policy, for consideration by this City Council,

BE IT FURTHER RESOLVED that City staff is hereby authorized and directed to proceed with any and all actions deemed necessary or advisable, following the adopted policy guidelines pursuant to this Resolution, in connection with the future issuances of the City Debt, for future consideration by this City Council.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-298**

RESOLUTION APPROVING A CONSULTING CONTRACT WITH CGI TECHNOLOGIES AND SOLUTIONS INC. IN THE AMOUNT NOT TO EXCEED \$56,000 TO ANALYZE AND PRODUCE W-2c FORMS FOR CITY OF MODESTO EMPLOYEES AND MAGNETIC MEDIA FOR THE IRS FOR THE FOLLOWING FOUR CALENDAR YEARS: 2007, 2008, 2009, AND 2010 AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE ANY AND ALL RELATED DOCUMENTS

WHEREAS, the City determined during the implementation of the COSMO ERP system that non-taxable wages in Box 12 on past years' W-2 forms were incorrectly reported by the legacy accounting system; and

WHEREAS, taxable wages on past years' W-2 forms were correctly stated and not impacted by this error; and

WHEREAS, the IRS informed the City that W-2 forms must be reissued for at least 4 prior calendar years to reflect updated and corrected information; and

WHEREAS, the COSMO system generated correct W-2 forms for the 2011 calendar year; and

WHEREAS, City staff does not possess the technical IT expertise required to generate the revised W-2c forms from the legacy accounting system; and

WHEREAS, the City paid CGI Technologies \$8,000 to verify that the City's legacy accounting system could produce corrected W-2c forms for calendar years 2007, 2008, 2009, and 2010; and

WHEREAS, CGI Technologies possesses the expertise and ability to produce W-2c forms for calendar years 2007, 2008, 2009, and 2010; and

WHEREAS, CGI Technologies possesses the expertise and ability to generate the magnetic media for submittal to the IRS for calendar years 2007, 2008, 2009, and 2010; and

WHEREAS, CGI Technologies will provide this service for an additional \$48,000 for a total contract cost not to exceed \$56,000.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Consulting Agreement with CGI Technologies and Solutions Inc. of the following interests: analyze and produce W-2c forms for City of Modesto employees and magnetic media for the IRS for the following four calendar years: 2007, 2008, 2009, and 2010.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement and all related documents.

RESOLUTION NO. 2012-299**

**A RESOLUTION APPROVING AN ANNUAL RETAIL ADVERTISING
CONTRACT WITH THE MODESTO BEE (MCCLATCHY NEWSPAPER
GROUP); AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE,
TO EXECUTE THE CONTRACT**

WHEREAS, the City of Modesto is currently using the Modesto Bee (McClatchy Newspaper Group) as its primary advertising source for its advertising requirements, and

WHEREAS, the advertising services are required for classified and legal advertisements as required by law, and for retail advertisements for public information purposes, and

WHEREAS, the City's Purchasing Manager annually meets with the Modesto Bee and based on advertising volume commitments over the prior year identifies retail contract options which would best meet the City's retail advertising needs, and

WHEREAS, the current retail contract has expired, and

WHEREAS, the City's Purchasing Manager once again met with the Modesto Bee to discuss what contract renewal options would be available to the City, and

WHEREAS, the Modesto Bee has agreed to renew the retail advertising contract for another year, and

WHEREAS, the "non-profit no-commitment" will be at a contract rate of \$51.68 per column inch, and

WHEREAS, once signed, the advertising contract shall be implemented and tracked by the City's Purchasing Manager, and with the City's Public Information Officer assisting departments with their advertising needs,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an annual retail advertising contract with the Modesto Bee (McClatchy Newspaper Group), consisting of one contract for a retail "no-commitment" non-profit rate of \$51.68 per column inch, and

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the contract.

MODESTO CITY COUNCIL
RESOLUTION NO. 2012-300

RESOLUTION AMENDING THE FISCAL YEAR 2011-2012 AND FISCAL YEAR
2012-2013 ANNUAL OPERATING BUDGETS

WHEREAS, a financial analysis has been completed and it has been determined that a budget adjustment is required to the Annual Budgets of the City of Modesto for Fiscal Years 2011-2012 and 2012-2013,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the Fiscal Years 2011-2012 and 2012-2013 annual operating budgets as shown in **Exhibit A**, which is **attached** hereto and incorporated by reference herein.

BE IT FURTHER RESOLVED that the Director of Finance, or her designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following votes:

AYES: Councilmembers: Burnside, Cogdill, Geer, Gunderson, Lopez,
Muratore, Mayor Marsh

SUSANA ALCALA WOOD, City Attorney

EXHIBIT A

The following budget adjustments relate to FY 2011/12:

FINANCE

A budget adjustment is necessary for Fiscal Year 2011-2012 to reduce \$100,000 from CA Transportation grant revenue and increase \$100,000 for a Surface Transportation Fund grant match transfer due to preliminary engineering cost incurring before the project was awarded which are considered ineligible cost and not covered through the Cal Transportation grant.

An adjustment is necessary to modify the budgeted expenses and revenues for the operating cost centers in the Surface Transportation Fund (1700). Due to various changes made to the adopted budget or recognized revenues the amount of gas tax funding necessary to fund the expenses needs to be modified to ensure only the essential amount is transferred to fund operations.

PARKS, RECREATION AND NEIGHBORHOODS

A budget adjustment is necessary to increase the existing transfer of \$492,530 to \$682,530, an increase of \$190,000, from General Fund Reserves to the Community Center Operations Fund (4700), Centre Plaza, due to lower than expected room rental revenue.

POLICE

A budget adjustment is necessary to appropriate \$150,000 from General Fund Reserves to the Traffic Offender Fund (1610) to accommodate a shortfall caused from a reduction in vehicle release revenues. Funding for this transfer will be obtained from FY2011-12 departmental savings.

PUBLIC WORKS

A budget adjustment is necessary to appropriate \$350,000 from Transit Reserves to Transit Maintenance to accommodate an increase in fuel costs in Fiscal Year 2011-2012 for Modesto Area Express (MAX) buses.

A budget adjustment is necessary to appropriate \$350,000 from Transit Reserves to Transit Services for purchased transportation. The contract for purchased transportation includes an allowance for annual increases in the CPI, and the CPI increase for Fiscal Year 2011-12 was larger than anticipated.

The initial purchase of non-General Fund vehicles and equipment is expensed in the Fleet Replacement Fund 5410. Once the purchase has been completed, and approved by Fleet, the Fleet Replacement Fund 5410 is reimbursed by the purchasing departments Fleet Replacement Fund. In some cases, purchases can span over multiple fiscal years. The following adjustments fall into this situation and require adjustments to be completed in fiscal year 2011-2012:

A budget adjustment is necessary to appropriate \$742,828 from Water Replacement Fund (4109) to Fleet Replacement Fund (5410) for the following equipment; in FY 09/10 (2) Trucks w/Air Comp; FY10/11 (1) Truck w/Transfer Body; (4) ¾ ton Trucks w/Utility Body; FY11/12 (2) Trucks w/Dump Body 14yd.

A budget adjustment is necessary to appropriate \$478,640 from Wastewater Replacement Fund (4219) to Fleet Replacement Fund (5410) for the following equipment; in FY09/10 (1) Truck w/Boom Crane; FY10/11 (2) ½ ton Extended Cab PU Trucks; (1) Truck w/Dump Body 3-4yd; (1) Truck w Vacuum Body (Vac-Con).

A budget adjustment is necessary to appropriate \$124,735 fro Surface Replacement Fund 1709 to Fleet Replacement Fund 5410 for the following equipment; in FY10/11 (1) Truck Tractor w/Wet Kit; FY 11/12 (6) Compactor Vibraplates.

A budget adjustment is necessary to appropriate \$1,230,343 from Storm Replacement Fund 4489 to Fleet Replacement Fund 5410 for the following equipment; in FY09/10 (1) Truck w/Boom Crane ID41148; FY 10/11 (2) Truck 66K Vacon; FY11/12 (1) Truck w/Vacuum body (Vac-Con)

The Water Capital Improvement Project Fund (4180) receives annual reimbursements from the Water Bond Fund (4130), Water Development Fund (4101), and Water Fund Reserves for expenses incurred from various Capital Improvement Projects. A budget adjustment is necessary to create a transfer from the above mentioned funds to the Capital Improvement Project Fund (4180) to accommodate expense incurred from various projects.

Annually, the Water Fund (4100) reimburses the 2008 Water Bond Debt Service operating budget for debt service payments. The adopted FY2011-12 transfer did not include interest payment. A budget adjustment is necessary to appropriate \$295,098 from Water Fund Reserves to the 2008 Water Bond Debt Service (4130) operating budget for this expense.

A budget adjustment is necessary to appropriate \$920,000 from capacity charge revenues in the Wastewater Development Fees Fund (4211) to Capital Improvement Project 100546, Wastewater Phase 1 A Tertiary for growth related Wastewater project expense.

The following budget adjustments relate to FY 2012/13:

PARKS, RECREATION AND NEIGHBORHOODS

On February 27, 2012 the Finance Committee recommended that PRN move forward with a budget adjustment to assist with major vandalism needed within the City for electrical repairs, graffiti, restroom plumbing and irrigation lines repairs. A budget adjustment is necessary to appropriate \$112,783 from General Fund Reserves to Parks Operations to conduct the repairs.

PUBLIC WORKS

A budget adjustment is necessary to appropriate \$175,000 from Water Fund Reserves to the Water General Cost Center (41410) to pay for anticipated legal services related to the Water Rights litigation.

A budget adjustment is necessary to appropriate \$150,000 from Wastewater Fund Reserves to the Wastewater General Cost Center (41310) to pay for anticipated legal services related to the Stanislaus Foods litigation.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-301**

**RESOLUTION AMENDING THE POSITION ALLOCATION FOR FISCAL
YEAR 12/13 AS ADOPTED IN THE OPERATING BUDGET**

WHEREAS, a Position Allocation for the City of Modesto was adopted by Modesto City Council on June 21, 2012, as part of the Annual Budget of the City of Modesto for Fiscal Year 2012-2013, and

WHEREAS, a Clerical Review Committee recently met to evaluate four separate positions, due to changes in the level of their work assignments, and

WHEREAS, the Committee concluded that the assigned duties and responsibilities of these four positions exceeded the essential functions of their current classification and recommended re-allocation to a higher level,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the Position Allocation for Fiscal Year 2012-13 as follows:

1. City Clerk's Department to reallocate one (1) Administrative Office Assistant II (\$2,533-\$3,079 monthly) to one (1) Administrative Office Assistant III (Confidential) (\$2,927- \$3,567 monthly) in Cost Center 05010;
2. Parks, Recreation and Neighborhoods-Housing Department to reallocate one (1) Administrative Office Assistant II (\$2,533-\$3,079 monthly) to one (1) Administrative Office Assistant III (\$2,796-\$3,399 monthly) in Cost Center 38200;
3. Public Works Waste Water Services Department to reallocate one (1) Administrative Office Assistant III (\$2,796-\$3,399 monthly) to one (1) Senior Administrative Office Assistant (\$3,087-\$3,752 monthly) in Cost Center 54310;
4. Community and Economic Development-IFP Department to reallocate one (1) Administrative Office Assistant II (\$2,533- \$3,079 monthly) to one (1) Senior Administrative Office Assistant (\$3,087-\$3,752 monthly) in Cost Center 14160.

This resolution shall become effective on and after August 8, 2012.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 8th day of August 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-302**

**A RESOLUTION APPROVING AN AGREEMENT BETWEEN THE CITY OF
MODESTO AND OFFICER JESSE GUTIERREZ, JR. FOR THE PURCHASE OF
RETIRED CITY OF MODESTO POLICE CANINE, ZAK; AND AUTHORIZING
THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, the Police Chief for the City of Modesto, from time to time,
officially retires police canines from departmental service, and

WHEREAS, City of Modesto police canine handler, Officer Gutierrez, Jr., wishes
to purchase and assume possession of his assigned canine, Zak, upon the dog's official
retirement, and

WHEREAS, it is necessary to adopt a resolution authorizing the purchase of a
City of Modesto police canine by its assigned handler,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto
that it hereby approves the agreement between the City of Modesto and Officer Gutierrez,
Jr. for the purchase of retired police canine, Zak.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby
authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-307**

RESOLUTION APPROVING A PURCHASE AND SALE AGREEMENT WITH A. E. KLINE, TRUSTEE OF THE A. E. KLINE LIVING TRUST FOR ACQUISITION OF THE FOLLOWING PROPERTY INTERESTS: (1) A 600 S. F. PERMANENT UTILITY EASEMENT, AND (2) A 1,400 S. F. TEMPORARY CONSTRUCTION EASEMENT, LOCATED AT 3924 OAKDALE ROAD (APN 083-004-041), IN THE AMOUNT OF \$7,640, FOR THE DOWNSTREAM WATER IMPROVEMENTS TIER 2 PRESSURE REGULATING VALVES PROJECT, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT AND ALL RELATED DOCUMENTS REQUIRED TO CLOSE ESCROW

WHEREAS, the City of Modesto is continuing to make improvements to the overall quality, quantity and efficiency of the drinking water to its users, and

WHEREAS, the improvements in this project include installing special pressure regulating valves (PRVs) throughout the City, and

WHEREAS, these valves are part of the City's Downstream Water System Improvements and will be used to control the flow of treated surface water to the City's distribution system, and

WHEREAS, due to safety and operational requirements, some of these valve stations will need to be constructed on private property, outside of existing City rights-of-way and easements, and

WHEREAS, City staff is recommending acquisition of permanent utility easements and temporary construction easements for installation of these valve stations, and staff has investigated the subject property to ensure it is suitable for this purpose, and

WHEREAS, an agreement is needed for the acquisition of the easements and City staff recommends approving the Purchase and Sale Agreement for acquisition of the property.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Purchase and Sale Agreement with A. E. Kline, Trustee of the A. E. Kline Living Trust for acquisition of the following property interests: (1) a 600 s. f. Permanent Utility Easement, and (2) a 1,400 s. f. Temporary Construction Easement, located at 3924 Oakdale Road (APN 083-004-041), in the amount of \$7,640, for the Downstream Water Improvements Tier 2 Pressure Regulating Valves Project.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement, and all related documents required to close escrow.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-311**

RESOLUTION APPROVING LOAN DOCUMENTS IN THE AMOUNT OF \$1,000,000 FOR HABITAT FOR HUMANITY, STANISLAUS COUNTY (HABITAT) FOR ACQUISITION OF REAL PROPERTY NOT TO EXCEED \$315,000 OR CURRENT MARKET APPRAISED VALUE, PRE-DEVELOPMENT, AND CONSTRUCTION COSTS FOR A 21-UNIT SUBDIVISION LOCATED AT SIGNATURE COURT IN MODESTO ALSO KNOWN AS SPORTSMEN ESTATES CONTINGENT UPON THE SATISFACTORY COMPLETION OF ENVIRONMENTAL REVIEW. HABITAT TO LEVERAGE FUNDS WITH APPROXIMATELY \$1.8 MILLION IN NON-NSP3 FUNDS; AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO SIGN ANY AND ALL RELATED DOCUMENTS

WHEREAS, on February 8, 2011, the City Council, by Resolution No. 2011-41, approved the Neighborhood Stabilization Program 3 (NSP3) grant award in the amount of \$2,951,549, and

WHEREAS, the U.S. Department of Housing and Urban Development (HUD) approved the City's original NSP3 Plan on March 9, 2011, and

WHEREAS, on May 22, 2012, the City Council authorized staff to prepare subrecipient and developer agreements with Habitat for Humanity, Stanislaus County (Habitat) to implement the NSP3 Plan, and.

WHEREAS, on July 19, 2012, the City received Authority to Use Grant Funds from HUD, and

WHEREAS, the City will provide NSP3 funding to its partners in the form of forgivable and/or assumable acquisition and construction loans for each unit and will impose affordability restrictions on these units for a period of at least 20 years, and

WHEREAS, Habitat's homeownership units will be sold to eligible homebuyers through Habitat for Humanity's Homebuyer Program in which homebuyers assume no-interest, amortized loans with Habitat as lender, and

WHEREAS, Habitat will retain the proceeds from the monthly mortgage payments, and

WHEREAS, rental proceeds will be retained by HACS or STANCO as net operating income to operate, maintain, and repair the units, and

WHEREAS, the NSP3 loan documents were reviewed by the Citizens' Housing and Community Development Committee on July 18, 2012,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves loan documents in the amount of \$1,000,000 for Habitat for Humanity, Stanislaus County for Acquisition or real property not to exceed \$315,000 or current market appraised value pre-development, and construction costs for 21-unit subdivision located at Signature Court in Modesto, also known as Sportsman Estates.

BE IT FURTHER RESOLVED that Habitat to leverage funds with approximately \$1.8 million in non-NSP3 funds.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to sign all related documents contingent upon the satisfactory completion of environmental review and receipt by City of Modesto of a release of funds from the U.S. Department of Housing and Urban Development under 24 CFR Part 58.

MODESTO CITY COUNCIL
RESOLUTION NO. 2012-312

RESOLUTION AMENDING FISCAL YEAR 2011-2012 ANNUAL OPERATING BUDGET TO ADD \$339,613 TO THE INSURANCE SETTLEMENT FUND BUDGET IN COST CENTER 32010 OF THE GENERAL FUND (0100) FOR REPAIRS AND RENOVATIONS OF THE MCHENRY MANSION DUE TO FIRE DAMAGE, AND AUTHORIZING THE FINANCE DIRECTOR, OR HER DESIGNEE, TO IMPLEMENT THE PROVISION OF THIS RESOLUTION

WHEREAS, a fire occurred at the McHenry Mansion on December 6, 2011, and

WHEREAS, an early evaluation of the extent of damage and cost to repair said damage is less than actual, and

WHEREAS, repair and renovation expenses due to the fire at the McHenry Mansion are now estimated at \$2,400,000, and

WHEREAS, all expenses are pre-approved by the insurance carrier (Traveler's Insurance) prior to work being completed, and

Whereas, the City of Modesto will be reimbursed for all expenses associated with this project minus the \$100,000 deductible which has been provided by the Property Fund,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the Fiscal Year 2011-12 annual operating budget as shown in **Exhibit A**, which is **attached** hereto and incorporated by reference herein.

BE IT FURTHER RESOLVED that the Director of Finance, or her designer, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-314**

A RESOLUTION APPROVING A FOUR-YEAR, NINE-MONTH AGREEMENT WITH VEOLIA TRANSPORTATION SERVICES, INC. COMMENCING SEPTEMBER 29, 2012, AND TERMINATING JUNE 30, 2017, TO PROVIDE DRIVERS AND OTHER SERVICES FOR THE OPERATION OF THE MODESTO AREA EXPRESS TRANSIT SYSTEM AT AN ANNUAL COST OF APPROXIMATELY \$6,934,794, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, the existing agreement with MV Transportation to operate the MAX service expires September 28, 2012, and

WHEREAS, the City wishes to continue providing MAX service to the citizens of Modesto, and

WHEREAS, a Request for Proposals (RFP) was issued soliciting proposals from qualified firms for a new contract to be effective September 29, 2012, and

WHEREAS, Veolia submitted a proposal that was determined to be reasonable and cost effective, and

WHEREAS, an evaluation panel reviewed all proposals and best and final offers and interviewed proposers in the competitive range, and

WHEREAS, after such evaluation the panel scored Veolia highest utilizing the scoring criteria included in the RFP and recommended award of the contract to Veolia, and

WHEREAS, on June 26, 2012, the City Council, by Resolution No. 2012-269, authorized staff of the Department of Public Works to negotiate an agreement with Veolia and return it to the City Council for final approval, and

WHEREAS, an agreement has been finalized and is now ready for City Council approval,

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a four-year, nine-month agreement with Veolia Transportation Services, Inc. commencing September 29, 2012, and terminating June 30, 2017, to provide drivers and other services for the operation of the Modesto Area Express transit system at an annual cost of approximately \$6,934,794.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8th day of August, 2012 by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-315**

**A RESOLUTION DECLARING THE RESULTS OF THE PROPERTY OWNER
PROTEST BALLOT PROCEEDINGS CONDUCTED FOR THE LEVY OF
ASSESSMENTS RELATED TO THE FORMATION OF LANDSCAPE
MAINTENANCE ASSESSMENT DISTRICT NO. 2012-1**

WHEREAS, the City Council of the City of Modesto (the “City”) pursuant to the provisions of the Landscaping and Lighting Act of 1972, being Part 2, Division 15 of the California Streets and Highways Code, commencing with Section 22500 (hereafter referred to as the “Act”), did by previous resolutions, initiate proceedings for the formation of a landscape maintenance district to be known and designated as the City of Modesto Landscape Maintenance Assessment District No. 2012-1 (hereafter referred to as the “District”), and declared its intention to conduct a protest balloting for the levy of new assessments within the District commencing in Fiscal Year 2012/2013 for the special benefits received by properties therein from the improvements related thereto, and

WHEREAS, in accordance with the provisions of the California Constitution, Article XIIIID, the City Council has caused and conducted a property owner protest ballot proceeding for the proposed new assessments to be levied on properties within the District, and

WHEREAS, the assessments presented to each property owner of record within the District reflects the proportional annual special benefit assessment amount for the parcel identified on the ballot for the costs and expenses related to the ongoing operation, maintenance, servicing, and incidental expenses related to the local landscaping improvements associated with Landscape Maintenance Assessment District No. 2012-1 as authorized by the Act and the provisions of the California Constitution. The notice and

ballot presented to the property owners of record clearly identified the total amount balloted to all properties; the proposed assessment rate and the inflationary adjustment applicable to future assessments; and the proportional annual amount for the parcel identified on the ballot commencing with Fiscal Year 2012/2013, and

WHEREAS, upon the close of the Public Hearing held on August 8, 2012, the protest ballots returned by the landowners of record within the District, were opened and tabulated, the results of which are illustrated below:

Yes: \$4,966.72

No: \$17,054.40

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the foregoing recitals are true and correct.

BE IT FURTHER RESOLVED that the protest ballot proceedings were conducted with the notices and ballots of the proposed new assessments being presented to the qualified property owners of record within the District as required by law, with a required receipt of the returned ballots to the City Clerk prior to the close of the Public Hearing on August 8, 2012.

BE IT FURTHER RESOLVED that the canvass of the protest ballots cast for the proposed District, received prior to the close of the public hearing, and weighted according to the proportional financial obligation of the affected properties is hereby approved and confirmed.

BE IT FURTHER RESOLVED that the City Clerk is hereby directed to enter this Resolution on the minutes of this meeting, which shall constitute the official declaration of the result of such property owner protest ballot proceeding.

BE IT FURTHER RESOLVED that this Resolution shall become effective immediately upon its adoption.

BE IT FURTHER RESOLVED that the City Clerk shall certify the adoption of this Resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8th day of August, 2012, by Councilmember Burnside, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-316**

**A RESOLUTION CONFIRMING THE FISCAL YEAR 2012-2013 DIAGRAM
AND ASSESSMENT, AND ORDERING THE LEVY AND COLLECTION OF
CHARGES WITHIN LANDSCAPE MAINTENANCE ASSESSMENT DISTRICT
NO. 1 FOR DRY CREEK MEADOWS SUBDIVISIONS NOS. 1-6**

WHEREAS, on June 12, 2012, the City Council, by Resolution No. 2012-229, declared its intent to levy charges or assessments for the purpose of administering the maintenance of landscaping in the public right-of-way within the street medians and adjacent to the access control walls in Dry Creek Meadows Subdivisions Nos. 1-6 under the provisions of the California Streets and Highways Code Sections 22500 through 22679, more commonly known as the Landscape and Lighting Act of 1972, and

WHEREAS, the charges against the real property are not levied with regard to property values but rather by allocated cost reports prepared by the Engineer of Work, and

WHEREAS, the City of Modesto has determined and certifies that the charges are either exempt from or in compliance with all the provisions of Proposition 218, which was passed by the voters in November 1996. The City of Modesto has further determined the charges are in compliance with all laws pertaining to the levy of such charges,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby orders the levy and collection of such charges within City of Modesto Landscape Maintenance Assessment District No. 1 for Dry Creek Meadows Subdivisions Nos. 1-6 for Fiscal Year 2012-2013, and in each subsequent fiscal year in which the charges may validly be levied.

BE IT FURTHER RESOLVED that a certified copy of this resolution and **attached** documentation shall be delivered to the Auditor-Controller of the County of Stanislaus for placement of such charges on the 2012-2013 County Tax Roll, and in each subsequent fiscal year in which the charges may validly be levied.

BE IT FURTHER RESOLVED that the diagram of said assessment district and amount of levy thereon is hereby confirmed.

The foregoing resolution was introduced at a regular meeting of the City Council of the City of Modesto held on the 8th day of August, 2012 by Councilmember Cogdill, who moved its adoption, which motion being duly seconded by Councilmember Lopez, was upon roll call carried and the resolution adopted by the following votes:

AYES: Councilmembers: Burnside, Cogdill, Geer, Gunderson, Lopez, Muratore, Mayor Marsh

NOES: Councilmembers: None

ABSENT: Councilmembers: None

V.	Annual Assessment District Diagram
VI.	Annual Assessments List by Parcel & Property Owner

SECTION I HISTORY

On December 12, 1988, Landscape Maintenance Assessment District No. 1 ("LMAD No. 1") was formed in accordance with the Landscape and Lighting Act of 1972 (California Streets and Highway Code §22500 through §22679) ("the Act"), to administer the maintenance of landscaping in the public right-of-way within the street medians and adjacent to the access control walls in Dry Creek Meadows Subdivisions Nos. 1-6. All costs for the LMAD No. 1 are funded by the annual assessments levied on each property within the district. The Act requires several courses of action on the part of City staff and City Council prior to August 10th of each year.

The Act initially requires the City Council to order, prepare, and file an Engineer's Annual Report for the City Council. This report is prepared for the purpose of detailing the plans and specifications for the maintenance of work, the estimates of costs for landscape maintenance performed by City contractors, utility service charges, City street tree pruning costs, City staff time to administer the maintenance contract, and additional work to be performed by the City Contractor at the request of the City.

LMAD No. 1 is located east of North McClure Road and southwest of MID Lateral #2 and Claus Road. It is comprised of 749 single-family residential lots and two (2) public agency owned parcels. An annual assessment of \$26 per single-family residential parcel has remained the same since 1996. The total assessment to be levied for LMAD No. 1 for Fiscal Year 2012-2013 is \$19,474.

Upon the City Council's approval of the Engineer's Annual Report, the City Council adopts a resolution declaring its intent to levy and collect assessments within LMAD No. 1 for the following fiscal year and schedules a public hearing. This public hearing and proposed resolution levying the proposed assessments is in accordance with the annual assessment procedures.

Finally, in compliance with the Act, the City Council conducts the public hearing and adopts certain resolutions in accordance with the California Streets and Highways Code §22625 through §22641. The City Clerk is required to give the Modesto Bee notice of the public hearing no less than 10 days prior to the scheduled hearing date. All interested persons are afforded the opportunity to be heard during the public hearing. Should there be any protests, whether written or oral, the City Council may choose to continue the hearing to a later date and/or may change any part of the Engineer's Annual Report to address the concerns of the property owner(s). The adopted resolution is then forwarded to the Auditor-Controller of the County of Stanislaus for placement of such charges on the upcoming year's County Tax Roll.

ATTACHMENT 2

Proposed Changes for Fiscal Year 2012-2013:

The proposed budget for fiscal year 2012-2013 is based on the revenue that is currently able to be generated within LMAD No. 1. These expenditures do not represent the actual amount needed for a good service level within LMAD No. 1. City staff has heard from many area residents that they desire a higher level maintenance than is currently provided. The City contracted with Willdan Financial Services, Inc. ("Willdan") to perform a thorough evaluation of both LMAD No. 1 and neighboring Landscape and Maintenance Assessment District No. 2. For economy and efficiency reasons, Willdan has recommended and the City has pursued consolidation of the LMADs. Additionally, Willdan has developed a budget option that provides the residents of both LMADs an opportunity to vote on combining the LMADS and increasing their annual assessments. The increased annual assessments will allow a higher maintenance standard to be provided.

A separate City Council action is being processed concurrently to move forward with consolidation of the LMADs and allows the residents to vote on the consolidation and increase in the annual assessment. In the event the consolidation and increase are defeated, the existing LMAD assessments, as determined in this report, will be levied and current maintenance levels will continue.

SECTION II ANNUAL ASSESSMENT REVIEW AND SUMMARY

A. PARCEL REVIEW

1. Single Family Residential Parcels:
There are 749 single-family residential parcels located within LMAD No. 1.
2. Multi-Family Residential Parcels:
There are no multi-family residential parcels located within LMAD No. 1.
3. Commercial/Industrial Parcels:
There are no commercial or industrial parcels located within LMAD No. 1.
4. Public Agency Parcels:
There are two (2) parcels owned by the City of Modesto (Creekwood Park and the Pedestrian Overcrossing at Claus Road) and one (1) parcel owned by the Empire School District (Bernard Hughes School). According to Section 22663 of the California Streets and Highways Code, public property owned by any public agency and in use in the performance of a public function shall not be subject to assessment.

B. 2012-2013 ANNUAL ASSESSMENTS

All single-family residential parcels are levied at a flat rate of \$26.00 per parcel. Each parcel receives equal benefits from the District. The annual assessments levied are calculated by multiplying the total number of parcels by the flat rate.

\$ 26.00	Annual assessment per parcel
x 749	Single-family residential parcels
\$ 19,474.00	Total annual assessment

C. COMPARISON TO PREVIOUS FISCAL YEAR

The proposed Fiscal Year 2012-2013 annual assessment is the same as the annual assessment for Fiscal Year 2011-2012 of \$26.00 per single-family residential parcel.

Services City Forces	54500	\$ (2,136)	\$ (4,893)
ISF - Mail Services - Inside	58010	\$ -	\$ (254)
<i>Estimated - Water Utility Expenses</i>	53043	\$ (500)	
<i>Estimated - Repair and Maintenance Services</i>	53165	\$ (1,200)	
<i>Estimated - Professional Services</i>	53300	\$ -	
<i>Estimated - Services City Forces</i>	54500	\$ (143)	
Total Expenses		\$ (21,286)	\$ (16,897)
Ending Fund Balance		-1,917	660

Footnotes:

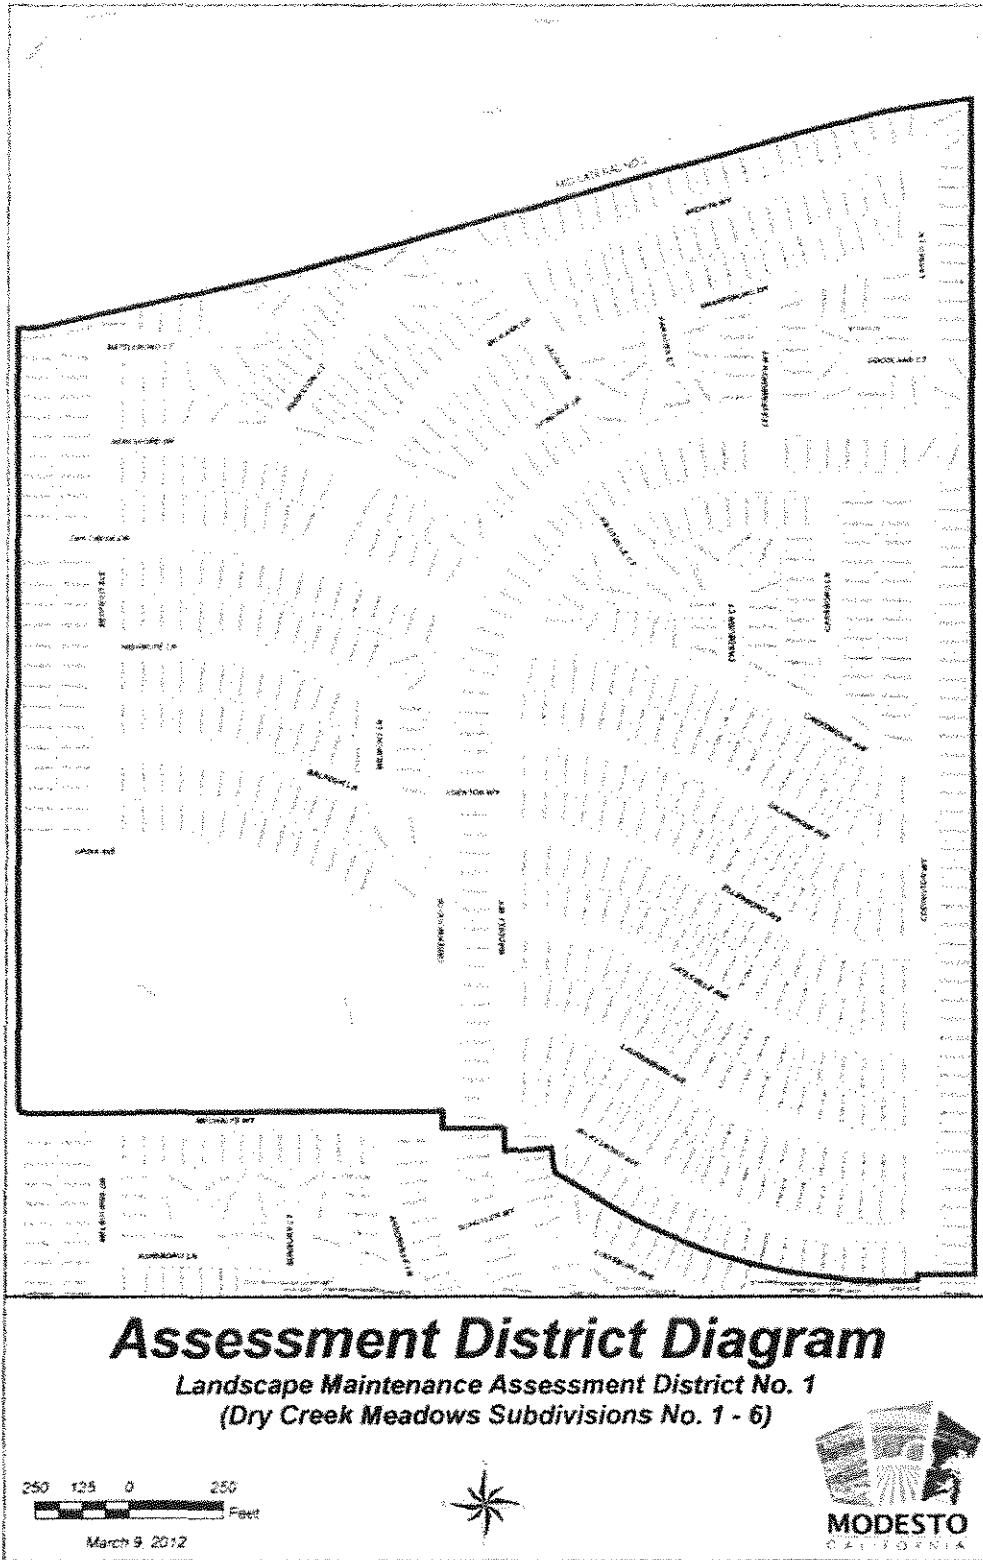

¹The estimated amount shows what has been expended as of 05-22-2012. There will be more expenses through the end of the fiscal year (June); these are shown as *Estimated*.

²The estimated expenditures for FY 2012-13 are based on the revenue that is currently able to be generated within LMAD #1. These expenditures do not represent the actual amount needed for a good service level within LMAD #1. The City has initiated the process of consolidating LMAD #1 & #2 into one district and increasing the assessment in the new district adequate to provide good level of service. A Proposition 218 election will occur in early August, 2012.

SECTION IV MAINTENANCE & PLAN SPECIFICATIONS

Plans and specifications are available for review in the Parks, Recreation, and Neighborhood's Department, located at 501 N. Jefferson Street, Modesto, CA 95354. For more information, contact Kelly Gallagher, Parks Operations Supervisor at (209) 524-2330.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-317**

A RESOLUTION CONFIRMING THE FISCAL YEAR 2012-2013 DIAGRAM AND ASSESSMENT, AND ORDERING THE LEVY AND COLLECTION OF CHARGES WITHIN LANDSCAPE MAINTENANCE ASSESSMENT DISTRICT NO. 2 FOR DRY CREEK MEADOWS SUBDIVISIONS NOS. 7-10, CREEKWOOD MEADOWS SUBDIVISION AND YOSEMITE MEADOWS SUBDIVISION UNITS 1 & 2

WHEREAS, on June 12, 2012, the City Council, by Resolution No. 2012-230, declared its intent to levy charges or assessments for the purpose of administering the maintenance of landscaping in the public right-of-way within the street medians and adjacent to the access control walls in Dry Creek Meadows Subdivisions Nos. 7-10, Creekwood Meadows Subdivisions, and Yosemite Meadows Subdivision Units 1 and 2 under the provisions of California Streets and Highways Code Sections 22500 through 22679, more commonly known as the Landscape and Lighting Act of 1972, and

WHEREAS, the charges against the real property are not levied with regard to property values but rather by allocated cost reports prepared by the Engineer of Work, and

WHEREAS, the City of Modesto has determined and certifies that the charges are either exempt from or in compliance with all the provisions of Proposition 218, which was passed by the voters in November 1996. The City of Modesto has further determined the charges are in compliance with all laws pertaining to the levy of such charges,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby orders the levy and collection of such charges within City of Modesto Landscape Maintenance Assessment District No. 2 for Dry Creek Meadows Subdivisions

Nos. 7-10, Creekwood Meadows Subdivisions, and Yosemite Meadows Subdivision Units 1 and 2 for Fiscal Year 2012-2013, and in each subsequent fiscal year in which the charges may validly be levied.

BE IT FURTHER RESOLVED that a certified copy of this resolution and **attached** documentation shall be delivered to the Auditor-Controller of the County of Stanislaus for placement of such charges on the 2012-2013 County Tax Roll, and in each subsequent fiscal year in which the charges may validly be levied.

BE IT FURTHER RESOLVED that the diagram of said assessment district and amount of levy thereon is hereby confirmed.

The foregoing resolution was introduced at a regular meeting of the City Council of the City of Modesto held on the 8th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following votes:

AYES: Councilmembers: Burnside, Cogdill, Geer, Gunderson, Lopez, Muratore, Mayor Marsh

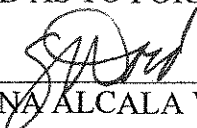

NOES: Councilmembers: None

ABSENT: Councilmembers: None

ATTEST:

SECTION I HISTORY

On April 4, 1989, Landscape Maintenance Assessment District No. 2 ("LMAD No. 2") was formed in accordance with the Landscape and Lighting Act of 1972 (California Streets and Highway Code §22500 through §22679) ("the Act") to administer the maintenance of landscaping in the public right-of-way within the street medians and adjacent to the access control walls in Dry Creek Meadows Subdivisions Nos. 7-10, Creekwood Meadows Subdivision, and Yosemite Meadows Subdivision Units 1 and 2. All costs for the LMAD No. 2 are funded by the annual assessments levied on each property within the district. The Act requires several courses of action on the part of City staff and City Council prior to August 10th of each year.

The Act initially requires the City Council to order, prepare, and file an Engineer's Annual Report for the City Council. This report is prepared for the purpose of detailing the plans and specifications for the maintenance of work, the estimates of costs for landscape maintenance performed by the City Contractor, utility service charges, City street tree pruning costs, City staff time to administer the maintenance contract, and additional work to be performed by the City Contractor at the request of the City.

Prompted by negative reserve balances in LMAD No. 2, staff successfully completed a Proposition 218 ballot in June 2000. This ballot added an annual cost of living increase based on the Building Cost Index ("BCI"). As a result of this ballot, the approved "inflater" adjusts each year's assessment. California Government Code §54954.6(a) and (c) requires that a notice be mailed no less than 45 days in advance of the public hearing to all property owners if costs will increase.

Upon City Council's approval of the Engineer's Annual Report, the City Council adopts a resolution declaring its intent to levy and collect assessments within LMAD No. 2 for the following fiscal year and schedules a public hearing. This public hearing and proposed resolution levying the proposed assessments is in accordance with the annual assessment procedures.

Finally, in compliance with the Act, the City Council conducts the public hearing and adopts certain resolutions in accordance with the California Streets and Highways Code §22625 through 22641. The City Clerk is required to give the Modesto Bee notice of the public hearing no less than 10 days prior to the scheduled hearing date. All interested persons are afforded the opportunity to be heard during the public hearing. Should there be any protests, whether written or oral, the City Council may choose to continue the hearing to a later date and/or may change any part of the Engineer's Annual Report to address the concerns of the property owner(s). The adopted resolution is then forwarded to the Auditor-Controller of the County of Stanislaus for placement of such charges on the upcoming year's County Tax Roll.

ATTACHMENT 2

Proposed Changes for Fiscal Year 2012-2013:

The proposed budget for fiscal year 2012-2013 is based on the revenue that is currently able to be generated within LMAD No. 2. These expenditures do not represent the actual amount needed for a good service level within LMAD No. 2. City staff has heard from many area residents that they desire a higher level maintenance than is currently provided. The City contracted with Willdan Financial Services, Inc. ("Willdan") to perform a thorough evaluation of both LMAD No. 2 and neighboring Landscape and Maintenance Assessment District No. 1. For economy and efficiency reasons, Willdan has recommended and the City has pursued consolidation of the LMADs. Additionally, Willdan has developed a budget option that provides the residents of both LMADs an opportunity to vote on combining the LMADS and increasing their annual assessments. The increased annual assessments will allow a higher maintenance standard to be provided.

A separate City Council action is being processed concurrently to move forward with consolidation of the LMADs and allows the residents to vote on the consolidation and increase in the annual assessment. In the event the consolidation and increase are defeated, the existing LMAD assessments, as determined in this report, will be levied and current maintenance levels will continue.

SECTION II ANNUAL ASSESSMENT REVIEW AND SUMMARY

A. PARCEL REVIEW

Total Acreage:	135.20 Acres
Total Assessed Acreage	134.173 Acres
1. Single-Family Residential:	116.073 acres (590 Parcels)
2. Commercial	18.100 acres(18 Parcels)
3. Publicly- Owned	1.027 acres (2 Parcels)
a) One (1) parcel owned by the City of Modesto (0.03 acres) which is utilized as a traffic island.	
b) One (1) parcel owned by the Empire School District (1.0 acres) which is utilized as its District Offices.	

According to the Section 22663 of the California Streets and Highways Code, public property owned by any public agency and in use in the performance of a public function shall not be subject to assessment.

B. ANNUAL ASSESSMENTS

Each parcel receives equal benefits from LMAD No. 2. The annual assessment levied is calculated by dividing the total cost estimate by the total number of acres.

1. The single-family residential properties are levied on a flat rate, which is calculated by dividing the total cost estimate by the number of residential acres and subsequently by the total number of residential parcels.
2. Commercial properties are levied based on actual acreage.

The annual assessment is adjusted annually according to the BCI for the San Francisco Bay Area, as reported in the Engineer News Record the first week of March. The inflationary adjustment is applied when the district has minimal or negative reserves to offset the total cost estimates for the upcoming fiscal year. The increase for fiscal year 2012-2013 is 2.69263015% (March 12, 2012 BCI = 5144.49 divided by March 7, 2011 BCI = 5009.6). It should be noted that due to the unavailability of the BCI for the first week of March 2012, the second week reporting (March 12, 2012) was utilized.

ATTACHMENT 2

The total annual assessment for LMAD No. 2 for Fiscal Year 2012-2013 is \$18,746.70. (Fiscal Year 2011-2012 assessment \$18,255.16 x.69263015%).

C. PROJECTED ANNUAL ASSESSMENT SUMMARY

1. Single-Family Residential Annual Assessment – 590 Parcels

\$18,746.70	Annual Assessment for fiscal year 2012-2013
÷ 134.173	Total assessed acres
\$139.72	Annual assessment per acre
\$139.72	Annual assessment per Acre
x 116.073	Residential acres
\$16,217.72	Total residential annual assessment
\$16,217.72	Total residential annual assessment
÷ 590	# Parcels
\$27.48766*	Total residential annual assessment/parcel

* For levying purposes, the total annual assessment has been rounded down to \$27.48 per residential parcel for a total annual residential assessment of \$16,213.20

2. Commercial Annual Assessment – 18 Parcels

APN	Acres	\$/Acre	Fiscal Year 2012-2013 Annual Assessment*
079-025-005	0.495	\$139.72	\$69.86
079-025-011	1.370	\$139.72	\$191.42
079-025-015	0.011	\$139.72	\$1.56
079-025-017	0.630	\$139.72	\$88.04
079-025-018	0.530	\$139.72	\$74.08
079-025-019	0.660	\$139.72	\$92.24
079-025-020	2.620	\$139.72	\$366.06
079-026-005	0.595	\$139.72	\$83.84
079-026-006	0.215	\$139.72	\$30.74
079-026-007	0.195	\$139.72	\$27.94
079-026-008	1.538	\$139.72	\$214.90
079-026-009	0.251	\$139.72	\$35.06
079-026-010	0.275	\$139.72	\$38.42
079-026-011	0.298	\$139.72	\$41.64
079-026-012	0.289	\$139.72	\$40.38
079-026-013	6.270	\$139.72	\$876.04
079-026-014	1.360	\$139.72	\$190.02
079-027-097	0.498	\$139.72	\$69.86

* For levying purposes, the total annual assessment for all eighteen (18) commercial parcels has been rounded up slightly from \$2,528.93 to \$2,533.50. The \$4.57 difference has been allocated to the commercial parcels.

ATTACHMENT 2

D. COMPARISON TO PREVIOUS FISCAL YEAR

The proposed 2012-2013 annual assessment for single-family residential parcels has increased from \$26.72 to \$27.48 per parcel. The proposed 2012-2013 annual assessment for commercial parcels has increased from \$136.05 to \$139.72 per acre.

Total Expenses		\$ (28,068)	\$ (22,892)
Ending Fund Balance		\$ 4,959	\$ 813

Footnotes:

¹The estimated amount shows what has been expended as of 05-22-2012. There will be more expenses through the end of the fiscal year (June); these are shown as Estimated.

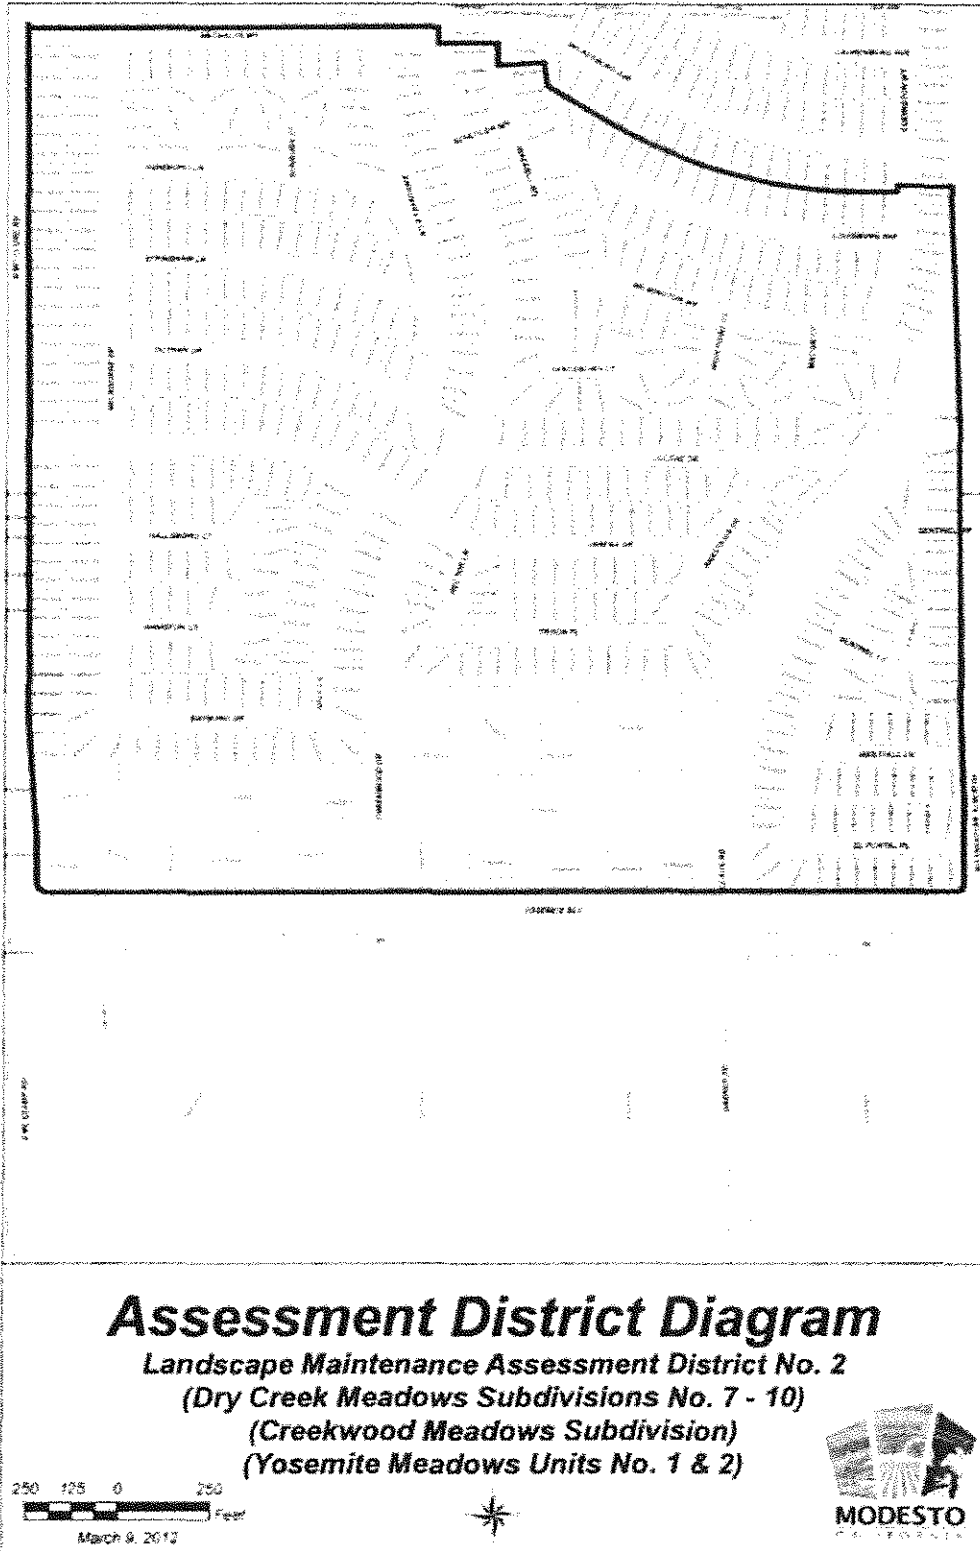

²The estimated expenditures for FY 2012-13 are based on the revenue that is currently able to be generated within LMAD #2. The City has initiated the process of consolidating LMAD #1 & #2 into one district and increasing the assessment in the new district adequate to provide good level of service. A Proposition 218 election will occur in early August, 2012.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-318**

A RESOLUTION CONFIRMING THE FISCAL YEAR 2012-2013 DIAGRAM AND ASSESSMENT, AND ORDERING THE LEVY AND COLLECTION OF CHARGES WITHIN THE SHACKELFORD LANDSCAPE AND LIGHTING DISTRICT

WHEREAS, the City of Modesto has by Resolution No. 2012-224, adopted on June 14, 2012, declared its intent to levy charges or assessments for the purpose of administering the maintenance of seventy-seven 200-watt high pressure sodium street lights in the Shackelford Landscape and Lighting District under the provisions of California Streets and Highways Code Sections 22500 through 22679, more commonly known as the Landscape and Lighting Act of 1972, and

WHEREAS, the charges against the real property are not levied with regard to property values but rather by allocated cost reports prepared by the Engineer of Work, and

WHEREAS, the City of Modesto has determined and certifies that the charges are either exempt from or in compliance with all the provisions of Proposition 218, which was passed by the voters in November 1996. The City of Modesto has further determined the charges are in compliance with all laws pertaining to the levy of such charges,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it orders the levy and collection of such charges within City of Modesto Shackelford Landscape and Lighting District for Fiscal Year 2012-2013, and in each subsequent fiscal year in which the charges may validly be levied; that a certified copy of this resolution and **attached** documentation shall be delivered to the Auditor-Controller of the County of

Stanislaus for placement of such charges on the 2012-2013 County Tax Roll, and in each subsequent fiscal year in which the charges may validly be levied.

BE IT FURTHER RESOLVED that the diagram of said assessment district and amount of levy thereon is hereby confirmed.

The foregoing resolution was introduced at a regular meeting of the City Council of the City of Modesto held on the 8th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following votes:

AYES: Councilmembers: Burnside, Cogdill, Geer, Gunderson, Lopez, Muratore, Mayor Marsh

ENGINEER'S REPORT AFFIDAVIT

County of Stanislaus, State of California

SHACKELFORD LANDSCAPE AND LIGHTING DISTRICT

This report describes the District and all relevant zones therein including the budget(s), parcels and assessments to be levied for the Fiscal Year 2012-2013. Reference is hereby made to the Stanislaus County Assessor's maps for a detailed description of the lines and dimensions of parcels within the Shackelford Landscape and Lighting District (LLD).

The undersigned respectfully submits the enclosed report as directed by the Board of Supervisors.

Dated this 23rd day of July, 2012

MATT MACHADO, DIRECTOR, PE
Stanislaus County Department of Public Works

**SHACKELFORD LANDSCAPE AND LIGHTING DISTRICT
ANNUAL ENGINEER'S REPORT
FISCAL YEAR 2012-2013**

INTRODUCTION:

The Shackelford Landscape and Lighting District (hereinafter referred to as "District") was established on June 29, 1999, by Board Resolution No. 1999-528, following a ballot procedure conforming to the requirements of Proposition 218. The District was created to install and maintain streetlights to deter crime, promote traffic safety, and help law enforcement officers. The boundary of the District is shown on Exhibit "A"; attached hereto and made a part of this Engineer's Report.

Streets and Highways Code Sections 22565 through 22574 require that a written report containing a description of each parcel of real property receiving the particular extended service and the amount of the assessment for each parcel be prepared once a year and filed with the Clerk of the Board of Supervisors.

PART I – PLANS AND SPECIFICATIONS

A. Description of the Lighting District

There are 496 Assessor's parcels within the District, unless otherwise determined, and it is assumed each parcel receives equal benefit from the streetlights. The streetlights only provide a special benefit to the parcels within the District; therefore, no general benefit has been assigned. The annual assessment is levied without regard to property valuation. The boundary of the District is shown on Exhibit "A"; attached hereto and made a part of this Engineer's Report. The District is generally located:

- North of Hatch Road
- South of State Highway 99
- East of Crows Landing Road

There are 77 streetlights within the District, which are owned and maintained by Turlock Irrigation District (TID). The streetlights are 200 watt high pressure sodium lights. An anticipated increase of 7.85% in the TID street light rates is expected in February 2013. The 77 lights are projected to cost \$22,500 for Fiscal Year 2012-2013.

B. Description of Improvements and Services

The purpose of this District is to ensure the ongoing maintenance, operation and servicing of the District. The special benefit assessments to be levied for this District are intended to provide a revenue source for all the maintenance, and servicing of the District's improvements including, but not limited to the materials, equipment, labor and administrative expenses. However, the assessments are not intended to fund reconstruction or major renovations of the improvements and facilities.

The following services maintain facilities and improvements provided by the District as a

special benefit to the parcel owners within the District; the cost of the services is paid entirely by the assessments levied by the District:

- Payment to local utility company for monthly power costs of energizing street lights in the District
- Payment to local utility company for maintenance of street lights in the District that the utility company owns (usually those lights that are mounted on wooden poles)
- Maintenance provided by Stanislaus County Public Works for street lights in the District that are owned by Stanislaus County (usually those lights that are mounted on steel poles)

PART II - METHOD OF APPORTIONMENT

A. Benefit Analysis

The method of apportionment described in this report for allocation of special benefit assessments utilizes commonly accepted engineering practices. The formula used for calculating the annual assessment (hereinafter referred to as the "Method"), is the total cost to operate and maintain the street lights (Turlock Irrigation District energy charges, and any charges for the repair and/or replacement of the street lights), plus an amount needed to cover administration costs and to create and maintain an operational reserve (which would be used to pay for unexpected or emergency expenses incurred by the District during the year which were neither contemplated nor estimated as part of the District operation and maintenance costs), divided equally by the number of benefiting parcels within the District. The annual assessment calculated using the Method is proportional to the special benefit derived by each identified parcel in relationship to all of the costs of the services being provided by the District. Unless otherwise determined, it is assumed that each parcel benefits equally by the services provided. Therefore, the total cost to operate the District will be divided equally among all the parcels within the District. The formula used for calculating assessments for the District reflects the composition of the parcels and improvements provided to fairly apportion the costs based on special benefits to each parcel. Furthermore, pursuant to the California Constitution Article XIII D Section 4, a parcel's assessment may not exceed the reasonable cost of the proportional special benefit conferred on that parcel and a parcel may only be assessed for special benefits received.

All the improvements and services associated with the District have been identified as necessary, required and/or desired for the orderly development of the properties within the District to their full potential and consistent with the proposed development plans. As such, these improvements would be necessary and required of individual property owners for the development of such properties and the ongoing operation, servicing and maintenance of the improvements and facilities would be the financial obligation of those properties. Therefore, the District facilities, infrastructure, and the annual costs of ensuring the maintenance and operation of these improvements provide special benefits to the properties within the District.

Each parcel receives equal benefit from the District. The District only provides a special benefit to the parcels within Shackelford Landscape and Lighting District; therefore, no

general benefit has been assigned.

PART III – BUDGET ANALYSIS

A. Fund Balance

It is estimated there will be a fund balance on June 30, 2012, of \$8,819. An amount of \$1,000 will be set aside from fund balance to establish an operational reserve. This reserve will be used to offset unforeseen accident, vandalism or theft costs without affecting the assessment.

The assessment for Fiscal Year 2012-2013 is \$52.28. This is an increase of \$2.92 per EBU (5.9% increase from the prior year's assessment of \$49.36). The increase is due to the TID rate increase for streetlight utilities.

The fiscal year is the 12-month period from July 1st through June 30th of the following year. The assessment is received with property taxes collected in December and April. This means the fiscal year starts July 1st, but the first installment of the assessment is not collected until December, creating a six-month lag in receiving the money necessary to operate and maintain the streetlights. There are insufficient funds available to cover expenditures during this period, therefore; an amount of \$3,431 has been added to the balance to levy in order to rebuild fund balance.

B. Budget Formula

The method that is being used to calculate the assessment is the total cost to operate and maintain the District divided equally by the number of parcels within Shackelford Landscape and Lighting District. The formula can be stated as follows:

Amount of Annual Assessment = (Estimated Operation & Maintenance Costs for Current Year + Administration and Operational Reserve - Fund Balance From Previous Year - Estimated Property Tax Revenue For Current Year) / Number of Benefiting Parcels In District.

PART IV – SERVICE AREA BUDGET
Shackelford

EXPENSE DESCRIPTION	TOTAL BUDGET
ADMINISTRATION	
County Administration	\$500
Miscellaneous/Other Admin Fees	\$0
Total	\$500
PARKS & RECREATION	
Parks Labor	\$0
Parks Utilities	\$0
Parks Other Supplies	\$0
Total	\$0
PUBLIC WORKS	
Lighting Maintenance	\$0
Utilities/Street Lights	\$22,000
Utilities/Landscaping	\$0
Total	\$22,000
Capital Improvement Reserve	\$0
Total Administration, Parks & Rec, Public Works Budget	\$22,500
Fund Balance Information	
Beginning Fund Balance (Estimated for 2012-13)	\$8,819
Operational Reserve (-)	(\$1,000)
Available Fund Balance	\$7,819
Adjustments to Available Fund Balance	
General Fund (or PW) Loan Repayment/Advance (+)	\$0
Other Revenues/General Fund (Contributions i.e. Grants) (+)	\$0
Capital Improvement Expenditure (pumps etc.) (-)	\$0
6 Months Operating Reserve (-)	(\$11,250)
Total Adjustments	(\$11,250)
Remaining Available Fund Balance	(\$3,431)
Total Administration, Parks & Rec, Public Works Budget	\$22,500
Use of Fund Balance (-)	\$3,431
Balance to Levy	\$25,931
District Statistics	
Total Parcels	496
Assessment per Parcel	\$52.28
Reserve Target	\$3,000

PART V - ASSESSMENTS

2012-2013 Assessment = \$25,931 / 496 EBU = \$52.28 per EBU

2011-2012 Assessment = \$24,433 / 496 EBU = \$49.36 per EBU

The proposed annual assessment is an increase of \$2.92 (5.9%) from the Fiscal Year 2011-2012 assessment. The increase is due to the TID rate increase for streetlight utilities.

Because a method for calculating the annual assessment has been approved per Proposition 218, no ballot procedure is necessary to approve the increase. Therefore, the Fiscal Year 2012-2013 assessment is in compliance with Proposition 218.

The parcels subject to the annual assessment are listed on Exhibit "B"; attached hereto and made a part of this Engineer's Report.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-319**

**A RESOLUTION DIRECTING STAFF TO NEGOTIATE AN AGREEMENT
WITH STANISLAUS COUNTY AND GOODWIN CONSULTING GROUP, INC.
FOR PREPARATION OF A SALIDA ANNEXATION FISCAL IMPACT
ANALYSIS**

WHEREAS, Salida is an unincorporated area within Stanislaus County, and

WHEREAS, there has been considerable discussion of the Salida area incorporating; however, current economic conditions have made incorporation less viable, and

WHEREAS, discussions have turned to the possibility of annexation, and

WHEREAS, the County of Stanislaus and the City of Modesto have agreed to jointly fund an in-depth, financial analysis by an independent consulting firm that will be objective and impartial, and

WHEREAS, both the County of Stanislaus and the City of Modesto have past history and experience with Goodwin Consulting Group, Inc., and

WHEREAS, Goodwin Consulting Group, Inc. was asked to submit a scope and budget for a Salida Annexation Fiscal Impact Analysis, and

WHEREAS, the proposed scope and budget will be the basis of the joint agreement between the City, the County and Goodwin Consulting Group, Inc., and

WHEREAS, the City's share of the Salida Annexation Fiscal Impact Analysis will not exceed \$33,000, and

WHEREAS, the Salida Annexation Fiscal Impact Analysis is intended to review and discuss the impact of annexation so that both policy makers and the impacted communities can make informed decisions about a possible annexation,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby directs staff to negotiate an agreement with Stanislaus County and Goodwin Consulting Group, Inc. for preparation of a Salida Annexation Fiscal Impact Analysis.

The foregoing resolution was introduced at a regular meeting of the City Council of the City of Modesto held on the 8th day of August, 2012 by Councilmember Cogdill, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following votes:

AYES: Councilmembers: Burnside, Cogdill, Geer, Gunderson, Lopez, Muratore, Mayor Marsh

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-321**

CONSIDER AUTHORIZING THE AWARD OF PROPOSAL AND CONTRACT FOR THE FURNISHING OF UNIFORM AND LAUNDRY SERVICES FOR CITYWIDE USE TO ARAMARK UNIFORM SERVICES, MODESTO, CA, FOR A TWO (2) YEAR AGREEMENT WITH THREE (3) ONE-YEAR EXTENSION OPTIONS AT THE SOLE DISCRETION OF THE CITY, FOR AN ESTIMATED ANNUAL COST OF \$100,000

WHEREAS, the City Manager authorized the Purchasing Manager to issue formal Request for Proposals (RFP) for the furnishing of uniform and laundry services, and

WHEREAS, the Purchasing Division issued RFP No. 1112-26 Uniform and Laundry Services to six (6) prospective proposers, two (2) of which were local vendors, posted the RFP on the City's website and formally advertised as required by law, and

WHEREAS, proposals were formally opened in the City Clerk's Office. Two (2) companies choose to respond, both of which were local vendors. Both companies provided responsive and responsible proposals, and

WHEREAS, an evaluation committee comprised of four (4) City staff members evaluated and graded the proposals, and

WHEREAS, based on being ranked highest in total evaluation criteria the evaluation committee recommends the award of proposal and contract for the furnishing of uniform and laundry services for Citywide use to Aramark Uniform Services, Modesto, CA, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. The award of proposal for the furnishing of uniform and laundry

services to Aramark Uniform Services, Modesto, CA, conforms to the Modesto Municipal Code, and

WHEREAS, funds shall be budgeted for the furnishing of uniform and laundry services in Appropriation Units:

0100-33320-53170, 0100-35010-53170, 0100-35220-53170, 1310-37020-53170, 1370-37030-53170, 1700-14540-53170, 1700-14560-53170, 1700-53130-53170, 1700-53142-53170, 4000-53250-53170, 4100-55050-53170, 4100-55060-53170, 4100-55080-53170, 4100-55090-53170, 4100-55110-53170, 4210-54115-53170, 4210-54117-53170, 4210-54212-53170, 4210-54312-53170, 4210-54313-53170, 4210-54314-53170, 4210-54410-53170, 4310-53312-53170, 4480-53150-53170, 4480-54114-53170, 4540-53244-53170, 4700-34200-53170, 4890-37040-53170, 5110-12530-53170, 5400-53255-53170, 5800-35120-53170, 5800-35130-53170, 6500-80060-53170

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of proposal for the furnishing of uniform and laundry services for Citywide use to Aramark Uniform Services, Modesto, CA.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to issue an agreement for an estimated annual cost of \$100,000.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-322**

RESOLUTION AUTHORIZING THE AWARD OF BID FOR THE FURNISHING OF SODIUM HYPOCHLORITE FOR THE PUBLIC WORKS DEPARTMENT, WATER DIVISION, TO OLIN CHLOR ALKALI PRODUCTS, TRACY, CA, FOR A TWO (2) YEAR AGREEMENT WITH THREE (3) ONE-YEAR EXTENSION OPTIONS AT THE SOLE DISCRETION OF THE CITY, AND AUTHORIZING THE PURCHASING MANAGER, OR HIS DESIGNEE, TO ISSUE A PURCHASE AGREEMENT FOR AN ESTIMATED ANNUAL COST OF \$75,000

WHEREAS, the City Manager authorized the Purchasing Manager to issue formal Request for Bids (RFB) for the furnishing of Sodium Hypochlorite, and

WHEREAS, the City of Modesto operates and maintains one-hundred and fourteen (114) wells and nine (9) tanks. State regulations require the Water Division to disinfect the water to kill or inactivate most microorganisms. Sodium Hypochlorite is used to disinfect the wells throughout the City's water system, and

WHEREAS, the Purchasing Division issued RFB No. 1112-32 Sodium Hypochlorite, to fifteen (15) prospective bidders, posted the bid on the City's website and formally advertised as required by law. There is no local vendor that can provide this type of chemical, and

WHEREAS, bids were formally opened in the City Clerks office. Three (3) companies chose to respond. All three (3) companies provided responsive and responsible bids, and

WHEREAS, based on providing the lowest responsive and responsible bid, City staff recommends the award of bid for the furnishing of Sodium Hypochlorite to Olin Chlor Alkali Products, Tracy, CA. for an estimated annual cost of \$75,000 and over five (5) years of \$375,000, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. The award of bid for the furnishing of Sodium Hypochlorite for the Public Works Department, Water Division, to Olin Chlor Alkali Products, Tracy, CA, conforms to the Modesto Municipal Code, and

WHEREAS, sufficient funds are budgeted in Fiscal Year 2012-13 in the following appropriation unit, 4100-55090-52190.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of bid for the furnishing of Sodium Hypochlorite for the Public Works Department, Water Division, to Olin Chlor Alkali Products, Tracy, CA.

BE IT FURTHER RESOLVED that the Purchasing Manager or his designee to issue a purchase agreement for an estimated annual cost of \$75,000.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-323**

RESOLUTION AUTHORIZING THE AWARD OF BID FOR THE PURCHASE OF THREE (3) FRONT LOADERS FOR THE PARKS, RECREATION AND NEIGHBORHOODS DEPARTMENT, SOLID WASTE PRUNED REFUSE COLLECTION DIVISION, THROUGH THE PUBLIC WORKS DEPARTMENT, FLEET SERVICES DIVISION, TO PAPE MACHINERY, FRENCH CAMP, CA, AND AUTHORIZING THE PURCHASING MANAGER TO ISSUE A PURCHASE ORDER FOR A TOTAL ESTIMATED COST OF \$281,048

WHEREAS, the City Manager authorized the Purchasing Manager to issue formal Request for Bids (RFB) for new vehicles and heavy equipment, throughout FY 11/12 through various competitive processes, with the Purchasing Division coming back to Council for award authorization. The three (3) front loaders were included in the FY 11/12 new vehicles and heavy equipment list authorized by the City Manager, and

WHEREAS, front loaders are used by the Parks, Recreation and Neighborhoods Department, Solid Waste Pruned Refuse Collection Division. The front loaders have been subjected to a thorough evaluation and have met or exceeded the replacement criteria before being placed on the replacement list. The front loaders fall under the City's compliance program, approved by the California Air Resources Board, requiring a progressive program to remove older diesel equipment from service, and

WHEREAS, the Purchasing Division issued RFB No. 1112-36 for the purchase of three (3) front loaders to nine (9) prospective bidders, posted the bid on the City's website and formally advertised as was required by law. There is no local vendor for this type of equipment, and

WHEREAS, RFB's were formally opened in the City Clerk's office. Of the nine (9) prospective bidders, three (3) companies chose to respond. All three (3) companies provided responsive and responsible bids, and

WHEREAS, based on providing the lowest responsive and responsible bid, City staff recommends the award of bid for the purchase of three (3) front loaders to Pape Machinery, French Camp, CA, for an estimated cost of \$281,048, and

WHEREAS, sufficient funds are budgeted in Fiscal Year 2012-13 in the following appropriation unit 5410-53241-57003, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. The award of bid for the purchase of three (3) front loaders to Pape Machinery, French Camp, CA for the Parks, Recreation and Neighborhoods Department, Solid Waste Pruned Refuse Collection Division, through the Public Works Department, Fleet Services Division, conforms to the Modesto Municipal Code.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of bid for the purchase of three (3) front loaders for the Parks, Recreation and Neighborhoods Department, Solid Waste Pruned Refuse Collection Division, through the Public Works Department, Fleet Services Division to Pape Machinery, French Camp, CA.

BE IT FURTHER RESOLVED that the Purchasing Manager or his designee to issue a purchase order for a total estimated cost of \$281,048.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-324**

**RESOLUTION AMENDING THE POSITION CLASSIFICATION PLAN FOR
THE CITY OF MODESTO TO AMEND THE CLASSIFICATION OF CHIEF OF
POLICE**

WHEREAS, a Position Classification Plan for the City of Modesto was adopted by Modesto City Council Resolution No. 2008-681 pursuant to Rule 2.2 of the Personnel Rules and Regulations of the City of Modesto, and

WHEREAS, the City Manager has recommended to the Council amendments to the Position Classification Plan, and

WHEREAS, Rule 2.2 of the City of Modesto Personnel Rules provides that revisions to the Classification Plan shall be effective upon adoption of resolution of the City Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. CLASSIFICATION AMENDED. The Position Classification Plan of the City of Modesto is hereby amended to revise the Chief of Police classification. The Chief of Police job specification is being revised to expand consideration to potential candidates with broad and extensive supervisory experience which does not include experience as a Captain. The revised Chief of Police class specification, as shown in **attached Exhibit "A,"** which is made a part of this resolution by reference, is hereby approved and made part of the Position Classification Plan of the City of Modesto.

SECTION 2. EFFECTIVE DATE. This resolution shall become effective on and after August 14, 2012.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

CITY OF MODESTO
NO. 1720

CHIEF OF POLICE

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

DEFINITION

To plan, organize, direct and review the activities and operations of the Police Department including patrol, traffic enforcement, investigation, animal control and administrative support services; to provide leadership to the department and the City organization; to coordinate assigned activities with other City departments and outside agencies; and to provide highly responsible and complex administrative support to the City Manager.

SUPERVISION RECEIVED AND EXERCISED

Receives policy direction from the City Manager and/or Deputy City Manager.

Exercises direct supervision over management, supervisory, sworn, technical and administrative support personnel.

ESSENTIAL AND MARGINAL FUNCTION STATEMENTS - *Essential and other important responsibilities and duties may include, but are not limited to, the following:*

Essential Functions:

Develop, plan, and implement Department goals and objectives; recommend and administer policies and procedures.

Coordinate Department activities with those of other departments and outside agencies and organizations; provide staff assistance to the City Manager and City Council; prepare and present staff reports and other necessary correspondence.

Direct, oversee and participate in the development of the Department's work plan; assign work activities, projects and programs; monitor work flow; review and evaluate work products, methods and procedures.

Supervise and participate in the development and administration of the Police Department budget; direct the forecast of additional funds needed for staffing, equipment, materials, and supplies; monitor and approve expenditures; implement mid-year adjustments.

Select, train, motivate and evaluate personnel; provide or coordinate staff training; conduct performance evaluations; implement discipline procedures; maintain discipline and high standards necessary for the efficient and professional operation of the Department.

Essential Functions: (Continued)

Develop and implement long and short-term strategic plans in support of department and City-wide goals and objectives.

Confer with citizens and City officials on law enforcement problems and assist in the development of innovative municipal law enforcement policies.

Ensure responsive, appropriate service delivery by conferring with civic, professional, service, fraternal and other community groups.

Coordinate law enforcement activities with the activities of other City departments and other law enforcement agencies.

Initiate internal investigations when appropriate and provide corrective action as needed.

Represent the Department to outside groups and organizations; participate in outside community and professional groups and committees; provide technical assistance as necessary.

Research, prepare and present technical and administrative reports and studies to Council, commissions and a variety of committees; prepare written correspondence.

Build and maintain positive working relationships with Senior Executive Team, Mayor, City Council, co-workers, other City employees and the public using principles of good customer service.

Marginal Functions

Perform related duties as assigned.

MINIMUM QUALIFICATIONS

Knowledge of:

Principles, practices and techniques of police administration, organization and operation.

Principles and practices of leadership, motivation, team building and conflict resolution.

Use of firearms and other modern police equipment.

Knowledge of: (Continued)

Technical and administrative phases of crime prevention and law enforcement, including investigation and identification, patrol, traffic control, animal control, records management, care and custody of persons and property and environmental protection.

Pertinent local, State and Federal laws, rules and regulations.

Organizational and management practices as applied to the analysis and evaluation of programs.

Principles and practices of organization, administration and personnel management.

Principles and practices of budget preparation and administration.

Ability to:

Plan, direct and control the administration and operations of the Police Department.

Prepare and administer department budgets.

Develop and implement department policies and procedures.

Supervise, train and evaluate assigned personnel.

Gain cooperation through discussion and persuasion.

Analyze problems, identify alternative solutions, project consequences of proposed actions and implement recommendations in support of goals.

Interpret and apply Federal, State, local and department policies, procedures, laws and regulations.

Meet the physical requirements necessary to safely and effectively perform the assigned duties.

Act quickly and calmly in emergencies.

Identify and respond to public and City Council issues and concerns.

Ability to: (Continued)

Communicate clearly and concisely, both orally and in writing.

Establish and maintain cooperative working relationships with those contacted in the course of work.

Experience and Training Guidelines

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Experience:

Seven years of broad and extensive supervisory experience in municipal police work, ~~including three years as a Captain.~~

Training:

Equivalent to a Bachelor's degree from an accredited college or university with major course work in police science, public or business administration or a related field.

License or Certificate:

Possession of, or ability to obtain, an appropriate, valid California driver's license.

Possession of a P.O.S.T. Basic Certification within two years of appointment.

PHYSICAL AND MENTAL REQUIREMENTS

Mobility: frequent use of keyboard; frequent sitting for long periods of time; occasional bending or squatting. **Lifting:** frequently up to 10 pounds; occasionally up to 25 pounds. **Vision:** constant use of overall vision; frequent reading and close-up work; occasional color and depth vision. **Dexterity:** frequent repetitive motion; frequent writing; frequent grasping, holding, and reaching. **Hearing/Talking:** frequent hearing and talking, in person and on the phone. **Emotional/Psychological:** frequent decision-making and concentration; frequent public and/or coworker contact; occasional working alone. **Environmental:** frequent exposure to noise.

WORKING CONDITIONS

Work is performed in a typical temperature controlled office environment subject to typical office noise and environment. Positions require regular overtime or weekend work and the ability to travel.

Individuals appointed into positions in this classification after February 5, 2008 are in the Unclassified Service and serve at the will of the City Manager.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-325**

A RESOLUTION APPROVING THE PLANS AND SPECIFICATIONS FOR THE “EMPIRE AVENUE STREET IMPROVEMENTS FROM HILLSIDE DRIVE TO MONTEREY AVENUE” PROJECT, ACCEPTING THE BID, AND APPROVING A CONTRACT WITH KNIFE RIVER CONSTRUCTION OF STOCKTON, CA, IN THE AMOUNT OF \$395,783.30; AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE , TO EXECUTE THE CONTRACT

WHEREAS, the “Empire Avenue Street Improvements from Hillside Drive to Monterey Avenue” Project is located within the Airport Neighborhood which is designated as a Neighborhood Revitalization Strategy area, and

WHEREAS, plans and specifications have been prepared for the Project, and

WHEREAS, the bids received for the project were opened on July 10, 2012, and later tabulated by the Director of the Parks, Recreation & Neighborhoods Department for Council consideration, and

WHEREAS, staff recommends the bid of \$395,783.30 received from Knife River Construction be accepted as the lowest responsible bid and the contract be awarded to Knife River Construction,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the plans and specifications for the “Empire Avenue Street Improvements from Hillside Drive to Monterey Avenue” Project, accepts the bid of Knife River Construction in the amount of \$395,783.30, and awards Knife River Construction the contract.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the contract.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-326**

**RESOLUTION REJECTING ALL BIDS FOR THE AIRPORT
NEIGHBORHOOD COMMUNITY CENTER PROJECT, AND AUTHORIZING
STAFF TO RE-ADVERTISE THE PROJECT**

WHEREAS, the bids received for project 100698 Airport Neighborhood Community Center were opened at 11:00 a.m. on July 26, 2012, and later tabulated by the Director of Parks Recreation & Neighborhoods Department for the consideration of the Council, and

WHEREAS, City staff have reviewed all information and has determined it is in the best interest of the City to recommend that all bids be rejected, and

WHEREAS, City staff will discuss with the Consultant potential revisions in the project scope for the Airport Neighborhood Community Center Project that may result in lower bids, and

WHEREAS, City staff recommends re-advertising the project for the Airport Neighborhood Community Center with revisions to the project scope,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby rejects all bids received for Project 100698 the Airport Neighborhood Community Center.

BE IT FURTHER RESOLVED that staff is hereby authorized to re-advertise the project for the Airport Neighborhood Community Center with revisions to the project scope.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-327**

RESOLUTION APPROVING AN AGREEMENT WITH RECLAMATION DISTRICT 2091 FOR THE ANNUAL MAINTENANCE OF THE DISTRICT'S LEVEE SYSTEM LOCATED AT THE JENNINGS WASTEWATER TREATMENT PLANT, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, the Reclamation District 2091 (District) was established on January 12, 1959, for the purpose of maintaining 7.59 miles of levee on the San Joaquin River, and

WHEREAS, the District is made up of 26 landowners who represent approximately 7,015 acres located at and near the Jennings Wastewater Treatment Plant (Jennings), and

WHEREAS, the City owns approximately 4,500 acres of the 7,015 acres along the levee, and

WHEREAS, the Wastewater maintenance section at Jennings has maintained the levee on this property at no charge to District, and

WHEREAS, on August 10, 2010, the City sent a letter to the District notifying them that a levee maintenance agreement must be established to relieve the City of any liability, and to equitably distribute the cost of levee maintenance amongst the landowners, and

WHEREAS, the cost to maintain the levee is \$38,771 per year, and

WHEREAS, this agreement will allow the City to continue to maintain the levee for the District, as well as authorize the City to do any emergency maintenance, repairs, and/or projects, and to also apply for any grants and reimbursements available to fund levee work,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an agreement with Reclamation District 2091 for the annual maintenance of the District's levee system located at the Jennings Wastewater Treatment Plant.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-328**

**A RESOLUTION APPROVING A ONE-TIME, NON-PRECEDENT SETTING
WAIVER OF WASTEWATER CAPACITY CHARGES TO SQUAB
PRODUCERS IN THE AMOUNT OF \$198,753**

WHEREAS, Infrastructure for wastewater capacity is funded by growth or new development, and

WHEREAS, on May 8, 2007, City Council, by Resolution 2007-287, established wastewater capacity charges, and

WHEREAS, on July 10, 2007, City Council, by Resolution 2007-422, implemented the principles regarding capacity charges to industrial users, including when a user is required to purchase additional wastewater capacity, and

WHEREAS, between 2008 and 2011 Squab Producers (Squab) exceeded its allocated discharge capacity granted in 2007, and

WHEREAS, this triggered the need to purchase additional wastewater capacity in the amount of \$198,753, and

WHEREAS, in 2011, Squab lost significant business due to the economic downturn and no longer needs the additional capacity, and

WHEREAS, Resolution No. 2007-422 has no provisions for waiving capacity charges when capacity is no longer required, and

WHEREAS, Resolution No. 2007-422 requires the City to charge a capacity charge if the allocated capacity is exceeded by more than 10 percent for two consecutive years or three years in a five-year period, and

WHEREAS, while Squab's wastewater needs triggered this requirement, its current needs are well below the threshold and there is no expectation that they will need additional capacity in the near future, and

WHEREAS, Squab will be subject to all the terms in Resolution No. 2007-422 should it need additional capacity at some point in the future,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a one-time, non-precedent setting waiver of wastewater capacity charges to Squab Producers in the amount of \$198,753.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-329**

RESOLUTION ACCEPTING A FEDERAL AIRPORT IMPROVEMENT PROGRAM GRANT OFFER FROM THE FEDERAL AVIATION ADMINISTRATION (FAA) FOR UP TO \$183,250.80, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO ACCEPT THE GRANT OFFER

WHEREAS, Modesto City-County Airport is a commercial service airport that is a part of the federal airport system and is eligible for federal funding, and

WHEREAS, as airport sponsor, the City is eligible each year for entitlement and discretionary funds from the Airport Improvement Program (AIP) in order to execute FAA- approved airport projects or improvements, and

WHEREAS, the Federal Aviation Administration (FAA) requests that the City submit a new funding application annually for Modesto City-County Airport capital expense funding, and

WHEREAS, the City submitted a Grant Application to the FAA on July 23, 2012, requesting funding for CEQA/NEPA Environmental Studies totaling \$203,612, and

WHEREAS, these studies are in support of FAA mandated tree trimming and removal adjacent to the Airport, and

WHEREAS, the local 10% match (\$20,361.20) required for this grant offer will be paid from future Passenger Facility Charges (PFCs) collected by the airlines from enplaning passengers,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the acceptance of a Federal Airport Improvement Program (AIP) Grant Offer for up to \$183,250.80 from the Federal Aviation Administration.

BE IT FURTHER RESOLVED, that the City Manager, or his designee, is hereby authorized to execute the Grant Offer.

TITLED, "DALE ROAD CCTV AND CCTV SYSTEM UPGRADE" IN THE
AMOUNT OF \$24,446.00**

WHEREAS, on August 3, 2011, the City Council, by Resolution No. 2011-290, awarded a \$214,800.00 contract to Hansen Electric to construct the Dale Road CCTV and CCTV System Upgrade project, and

WHEREAS, additional work not included in the original bid needed to be added to the Project to allow for completion of the Project, and

WHEREAS, the cost of the extra work has been estimated to be \$24,446.00, an amount which exceeds the Director's authority for the Project as established by the "Change Order Approval Policy" approved by the City Council on July 19, 1994, by Resolution No. 94-443, and

WHEREAS, the Director of Utility Planning and Projects currently has authority to approve change orders up to a cumulative amount of \$25,000,

NOW, THEREFORE BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes change orders in the amount of \$24,446.00 for the Dale Road CCTV and CCTV System Upgrade Project.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-333**

RESOLUTION ACCEPTING THE WORK BY DANS WATER WELL & PUMP SERVICE, INC., FOR THE "HICKMAN TEST WELL" PROJECT AS COMPLETE, AUTHORIZING THE CITY CLERK TO FILE A NOTICE OF COMPLETION WITH THE STANISLAUS COUNTY RECORDER UPON RECEIPT OF APPROVED WARRANTY BOND, AND AUTHORIZING PAYMENT OF AMOUNTS TOTALING \$146,366

WHEREAS, a report has been filed by the Director of Utility Planning and Projects that the Hickman Test Well project has been completed by Dan's Water Well & Pump Service, Inc., in accordance with the contract agreement dated January 24, 2012,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Hickman Test Well project is hereby accepted as complete from said contractor Dan's Water Well & Pump Service, Inc., that the City Clerk is authorized to file a Notice of Completion with the Stanislaus County Recorder upon receipt of approved Warranty Bond, and that payment of amounts totaling \$146,366 is authorized as provided in the contract.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-334**

RESOLUTION APPROVING AN AMENDMENT TO THE AGREEMENT WITH HARRIS & ASSOCIATES, INC. FOR CONSTRUCTION MANAGEMENT SERVICES FOR THE CARPENTER ROAD BRIDGE SEISMIC RETROFIT PROJECT AT NO ADDITIONAL COST TO THE ORIGINAL CONTRACT, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AMENDMENT TO AGREEMENT

WHEREAS, the existing Carpenter Road Bridge was studied, under the direction of the State of California, Department of Transportation (Caltrans), through the Local Agency Seismic Retrofit Program, and

WHEREAS, the study determined that the bridge structure was seismically deficient and needs retrofitting, and

WHEREAS, due to the complexity of this project and amount of staff hours to support construction, a construction management firm is required for management and inspection of this project, and

WHEREAS, on March 27, 2012, by Resolution No. 2012-123, the City Council approved an agreement with Harris & Associates for construction management service for the Carpenter Road Bridge Seismic Retrofit project in the amount of \$1,086,406, and

WHEREAS, the agreement with Harris & Associates needs to be amended to provide additional construction management services for the completion of the project, and

WHEREAS, this amendment is accomplished by using cost savings resulting in no change to the original contract cost,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Amendment to the Agreement with Harris & Associates for construction management services for the Carpenter Road Bridge Seismic Retrofit project at no additional cost to the original agreement for the identified scope of services.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Amendment to Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

CITIZENS' DISTRICTING COMMISSION**

WHEREAS, the Citizens' Districting Commission was appointed by the City Council on October 25, 2011, in response to the City's receipt of the 2010 Federal Decennial Information, and

WHEREAS, the Commission held a series of public hearings and meetings throughout the City from October 27, 2011 to January 5, 2012, and

WHEREAS, the Commission gathered testimony from all interested citizens during its meetings, and

WHEREAS, the Commission, at its meeting of January 5, 2012, by unanimous vote, approved selection of the Updated Council District Map,

WHEREAS, the Commission also recommended a second map including the Shackelford area, should that area be annexed into the City of Modesto,

WHEREAS, the Shackelford area was annexed into the City of Modesto on June 1, 2012.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Updated Council District Map, including the Shackelford area, as recommended by the Citizens' Districting Commission and **attached** to this Resolution as **Exhibit "A"**.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-336**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MODESTO,
CALIFORNIA, AUTHORIZING A SHORT-TERM EXTENSION OF THE
IRREVOCABLE DIRECT PAY LETTER OF CREDIT SUPPORTING THE
GENERAL FUND'S LEASE REVENUE REFUNDING BONDS, SERIES 2008**

WHEREAS, the City has issued General Fund Lease Revenue Refunding Bonds, Series 2008 (Bonds) with an outstanding amount of \$62,130,000; and

WHEREAS, the Bonds were issued to refund the Series 1998 and Series 2007 Lease Revenue Bonds (together the "Prior Bonds"); and

WHEREAS, the Prior Bonds were issued in order to assist in the financing of certain public capital improvements in the City which consist of the following: (i) the Redevelopment Agency's parking garage, (ii) the City's one-half interest in the City-County JPA's administration building, (iii) the City's police headquarters building and police operations building, (iv) certain miscellaneous City properties and (v) the City's one-half undivided interest in the Communications Dispatch Center; and

WHEREAS, the City has an irrevocable direct pay Letter of Credit (LOC) with Bank of America; and

WHEREAS, the Bank of America LOC has an annual fee of 1.40%; and

WHEREAS, the Bank of America LOC expires on September 30, 2012; and

WHEREAS, the Bonds require the City maintain this liquidity support; and

WHEREAS, the City Manager must execute a short-term extension of its existing LOC prior to August 30, 2012 in order to allow enough time to execute documents associated with a replacement LOC.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the City Manager, or his designee, to execute short-term extension of the irrevocable direct pay Letter of Credit supporting the Bonds.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-337**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MODESTO,
CALIFORNIA, RELATING TO MODESTO PUBLIC FINANCING AUTHORITY
LEASE REVENUE REFUNDING BONDS SERIES 2008 APPROVING THE
EXTENSION OF A CREDIT FACILITY AND APPROVING THE FORM OF
AND AUTHORIZING THE EXECUTION AND DELIVERY OF AN
AMENDMENT TO THE AMENDED AND RESTATED REIMBURSEMENT
AGREEMENT AND AN AMENDMENT TO THE FEE LETTER; AND
AUTHORIZING CERTAIN OTHER RELATED ACTIONS**

WHEREAS, the City has issued General Fund Lease Revenue Refunding Bonds, Series 2008 (Bonds) with an outstanding amount of \$62,130,000; and

WHEREAS, the Bonds were issued to refund the Series 1998 and Series 2007 Lease Revenue Bonds (together the "Prior Bonds"); and

WHEREAS, the Prior Bonds were issued in order to assist in the financing of certain public capital improvements in the City which consist of the following: (i) the Redevelopment Agency's parking garage, (ii) the City's one-half interest in the City-County JPA's administration building, (iii) the City's police headquarters building and police operations building, (iv) certain miscellaneous City properties and (v) the City's one-half undivided interest in the Communications Dispatch Center; and

WHEREAS, Bank of America, N.A., as Credit Facility Provider (the "Bank"), the City, and the Modesto Public Financing Authority (the "Authority") entered into a Reimbursement Agreement pursuant to which the Bank issued its irrevocable direct-pay Letter of Credit (the "Credit Facility") to provide credit support for the 2008 Bonds;

WHEREAS, the Bank subsequently extended the Stated Expiration Date of the Credit Facility to September 30, 2012, and, in connection therewith, the City, the

Authority and the Bank entered into an Amended and Restated Reimbursement Agreement (the "Reimbursement Agreement") and related Fee Letter (the "Fee Letter");

WHEREAS, the City has now determined that it is in its best interest to extend the Stated Expiration Date of the Credit Facility to November 30, 2013;

WHEREAS, in connection with the extension of the Credit Facility's State Expiration Date, the Bank, the City and the Authority will enter in to an amendment to the Reimbursement Agreement (the "Reimbursement Agreement Amendment") and an amendment to the Fee Letter (the "Fee Letter Amendment"); and

WHEREAS, all acts, conditions and things required by the laws of the State of California to exist, to have happened and to have been performed precedent to and in connection with the consummation of the transactions authorized hereby do exist, have happened and have been performed in regular and due time, form and manner as required by law, and the Authority is now duly authorized and empowered, pursuant to each and every requirement of law, to consummate such transactions for the purpose, in the manner and upon the terms herein provided.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

Section 1. Findings. The Council of the City of Modesto hereby specifically finds and determines that the statements, findings and determinations set forth above and in the preambles of the documents approved herein are true and correct.

Section 2. Approval of the Reimbursement Agreement Amendment and Fee Letter Amendment. The Reimbursement Agreement Amendment and Fee Letter

Amendment, proposed to be executed and entered into by and among the Authority, the City and the Bank, in the forms presented at this meeting and on file with the City Clerk, are hereby approved and the City Manager is hereby authorized to execute and deliver the Reimbursement Agreement Amendment and Fee Letter Amendment in substantially said forms, with such changes therein as such officer executing the Reimbursement Agreement Amendment and Fee Letter Amendment may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof.

Section 3. Approval of the Extension of the Stated Expiration Date. The City Council hereby approves the extension of the Stated Expiration Date of the Credit Facility.

Section 4. Attestations. The City Clerk is hereby authorized and directed to attest the signatures of each Authorized Officer in connection with the documents approved by this Resolution.

Section 5. Other Actions. The City Manager is hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or desirable in order to consummate the transactions authorized hereby and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution, the Reimbursement Agreement Amendment and Fee Letter Amendment, and all such actions heretofore taken by such officers are hereby ratified, confirmed and approved.

Section 6. Effective Date. This Resolution shall take effect immediately upon its passage.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-338**

RESOLUTION AUTHORIZING THE ISSUANCE OF CHANGE ORDERS UP TO 25.7% (\$101,415) OF THE ORIGINAL CONTRACT PRICE WITH HASKELL & HASKELL ENGINEERING & CONSTRUCTION SERVICES, INC. FOR THE MODESTO WEST BASIN IMPROVEMENTS PROJECT

WHEREAS, the City Council, on March 6, 2012, by Resolution No. 2012-084, awarded a \$394,731.06 contract to Haskell & Haskell Engineering & Construction Services, Inc. to construct the Modesto West Basin Improvements project, and

WHEREAS, additional costs not included in the original bid need to be added to the project to allow for termination of the project contract, and

WHEREAS, the cost of the additional work, delay costs and lost profit is \$101,415, an amount which exceeds the Director's authority for the project as established by the Council's Change Order Approval Policy adopted by Resolution No. 94-443, on July 19, 1994, and

WHEREAS, the Director of Utility Planning and Projects currently has authority to approve change orders up to a cumulative amount of \$39,473,

NOW, THEREFORE BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the issuance of change orders up to 25.7% (\$101,415) of the original contract price with Haskell & Haskell Engineering & Construction Services, Inc. for the Modesto West Basin Improvements project.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2012, by Councilmember Cogdill, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-339**

**RESOLUTION TERMINATING THE CURRENT CONSTRUCTION
CONTRACT WITH HASKELL & HASKELL ENGINEERING &
CONSTRUCTION SERVICES, INC. FOR THE MODESTO WEST BASIN
IMPROVEMENTS PROJECT**

WHEREAS, due to certain unforeseen circumstances it is recommended to terminate the current contract with Haskell & Haskell Engineering & Construction Services, Inc. for the Modesto West Basin Improvements project, and

WHEREAS, the contractor, Haskell & Haskell Engineering & Construction Services, Inc., has agreed to voluntarily terminate the contract in accordance with the terms of the contract,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby terminates the current contract with Haskell & Haskell Engineering & Construction Services, Inc. for the Modesto West Basin Improvements project.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of August, 2012, by Councilmember Cogdill, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-340**

**RESOLUTION AMENDING THE FISCAL YEAR 2012-2013 CAPITAL
IMPROVEMENT PROGRAM BUDGET IN THE AMOUNT OF \$173,678 TO BE
TRANSFERRED INTO THE PROJECT FROM STORM DRAIN FUND
RESERVES IN ORDER TO FUND CONSTRUCTION AND CONTINGENCY
FOR THE MODESTO WEST BASIN IMPROVEMENTS PROJECT**

WHEREAS, certain budgetary transactions are necessary in the amount of \$173,678, in order to fund construction and contingency for the Modesto West Basin Improvements project, and

WHEREAS, the Fiscal Year 2012-2013 Capital Improvement Program Budget must be amended as shown in **Exhibit A**, which is incorporated by reference herein,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the amendment of the Fiscal Year 2012-2013 Capital Improvement Program Budget as shown in **Exhibit A**.

BE IT FURTHER RESOLVED that the Director of Finance, or her designee, is hereby authorized to implement the provisions of this resolution.

Exhibit A

Due to the increase of estimated construction and contingency costs for CIP Account #100094 "West Basin Erosion Control", the total project costs need to be increased by \$173,678. This would be done by adjusting Construction by \$72,263 and Contingency by \$101,415.

To fund the above account, funds will be transferred from Storm Drain Fund Reserves to Village One #2 CFD Fund, then reappropriate funds to CIP Account 100094 for the project.

**MODESTO CITY COUNCIL

RESOLUTION APPROVING A WATER WILL SERVE LETTER FOR THE PROPERTY LOCATED AT 7414 RIVER NINE DRIVE, MODESTO (APN: 004-092-016), FOR A DOMESTIC WATER CONNECTION TO THE CITY OF MODESTO'S EXISTING WATER SYSTEM; AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO SIGN THE WATER WILL SERVE LETTER

WHEREAS, on May 22, 2012, the City Council, by Resolution No. 2012-203, approved amending City Council Policy 5.002, and

WHEREAS, Policy 5.001 requires that the City Manager, upon the recommendation of the Director responsible for utility system planning, request City Council approval for all extensions of water and sewer services into unincorporated areas, and

WHEREAS, the property located at 7414 River Nine Drive is currently not connected to the City water system for domestic use, and

WHEREAS, the property is located outside the Modesto City limits, and outside the City's Sphere of Influence, and

WHEREAS, the property is inside, continuous to, or near the former service area of the Del Este Water Company, and

WHEREAS, City staff has completed an analysis and determined that it is reasonable for the City of Modesto to extend water fire service to this property, and

WHEREAS, it has been determined that sufficient water pressure and flow is available for fire usage by the proposed property, and

WHEREAS, the proposed property meets all of the Stanislaus Consolidated Fire District's Fire Code requirements, and

WHEREAS, the water connection fees will be paid and associated permits will be obtained prior to beginning any on site construction,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Water Will Serve letter for a domestic water connection for the property located at 7414 River Nine Drive, Modesto (APN 004-092-016).

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to sign the Water Will Serve letter.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-347**

RESOLUTION APPROVING A WATER WILL SERVE LETTER FOR THE PROPERTY LOCATED AT 7410 RIVER NINE DRIVE, MODESTO (APN: 004-093-021), TO CONNECT TO THE CITY OF MODESTO'S EXISTING WATER SYSTEM; AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO SIGN THE WATER WILL SERVE LETTER

WHEREAS, on May 22, 2012, the City Council, by Resolution No. 2012-203, amended City Council Policy 5.001 relating to water connection charges, and

WHEREAS, it required that the City Manager, upon the recommendation of the Director responsible for utility system planning, to request City Council approval for all extensions of water and sewer services into unincorporated areas, and

WHEREAS, the property located at 7410 River Nine Drive is not connected to the City's water system, and

WHEREAS, the property is located outside Modesto City limits, and outside the City's Sphere of Influence, and

WHEREAS, the property is inside, contiguous to, or near the former service area of the Del Este Water Company, and

WHEREAS, City staff has completed an analysis and determined that it is reasonable for the City of Modesto to extend water service to the property, and

WHEREAS, it has been determined that a sufficient quantity of potable water is available for normal usage by the property, and

WHEREAS, the property meets all if the Stanislaus Consolidated Fire District's Fire Code requirements, and

WHEREAS, the water connection fees shall be paid and associated permits obtained prior to connecting to the City water system,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Water Will Serve letter for a property located at 7410 River Nine Drive, Modesto (APN 004-093-021).

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to sign the Water Will Serve letter.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-349**

RESOLUTION AUTHORIZING THE AWARD OF PROPOSAL AND CONTRACT FOR THE FURNISHING OF AN EMPLOYEE GROUP INSURANCE PROGRAM FOR THE DEPARTMENT OF HUMAN RESOURCES TO GALLAGHER BENEFIT SERVICES, INC., FRESNO, CA, FOR A TWO (2) YEAR AGREEMENT WITH THREE (3) ONE-YEAR EXTENSION OPTIONS AT THE SOLE DISCRETION OF THE CITY, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO ISSUE AN AGREEMENT FOR AN ESTIMATED ANNUAL COST OF \$43,000

WHEREAS, the City Manager authorized the Purchasing Manager to issue formal Request for Proposals (RFP) for the furnishing an employee group insurance program, and

WHEREAS, the Purchasing Division issued RFP No. 1112-29 Employee Group Insurance Program to eight (8) prospective proposers, one of which was a local vendor, posted the RFP on the City's website and formally advertised as required by law, and

WHEREAS, proposals were formally opened in the City Clerk's Office. Five (5) companies choose to respond, one of which was a local vendor. All five (5) companies provided responsive and responsible proposals, and

WHEREAS, an evaluation committee comprised of three (3) City staff members and two (2) technical experts outside the City evaluated and graded the proposals, and

WHEREAS, based on being ranked highest in total evaluation criteria, the evaluation committee recommends the award of proposal and contract for the furnishing of an employee group insurance program for the Department of Human Resources to Gallagher Benefits Services, Inc., Fresno, CA, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services

to be formally bid. The award of proposal for the furnishing of an employee group insurance program to Gallagher Benefits Services, Inc., Fresno, CA, conforms to the Modesto Municipal Code, and

WHEREAS, funds shall be budgeted in Fiscal Year 2012-13 for the furnishing of an employee group insurance program in Appropriation Unit: 5520-03160-53300.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of proposal for the furnishing of an employee group insurance program for the Department of Human Resources to Gallagher Benefits Services, Inc., Fresno, CA.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to issue an agreement for an estimated annual cost of \$43,000.

MODESTO CITY COUNCIL
RESOLUTION NO. 2012-350

RESOLUTION AMENDING A LABOR POLICY FOR PAYING AND REPORTING THE VALUE OF EMPLOYER PAID MEMBER CONTRIBUTIONS TO THE CALIFORNIA PUBLIC EMPLOYEES RETIREMENT SYSTEM (CALPERS) ON BEHALF OF EMPLOYEES REPRESENTED BY THE MODESTO POLICE OFFICERS ASSOCIATION; AND RESCINDING RESOLUTION NO. 2003-82

WHEREAS, on February 11, 2003, the City Council, by Resolution No 2003-82 adopted a labor policy providing for Public Employees' Retirement System (PERS) employee contributions to be paid by the City on behalf of employees and for reporting of employer-paid normal member contributions to PERS as compensation, and

WHEREAS, the City amended its contract with CalPERS to provide a second tier retirement formula 3% @ 55 to local police safety members entering employment with the City of Modesto for the first time in the police classification effective September 11, 2012, and

WHEREAS, the governing body of the City of Modesto has the authority to implement Government Code Section 20636(c) (4) pursuant to Section 20691, and

WHEREAS, the governing body of the City of Modesto has a written labor policy or agreement which specifically provides for the normal member contributions to be paid by the employer, and reported as additional compensation, and

WHEREAS, one of the steps in the procedures to implement Section 20691 is the adoption by the governing body of the City of Modesto of a Resolution to commence paying and reporting the value of said Employer Paid Member Contributions, and

WHEREAS, the governing body has the authority to amend all members in a group or class of employment pursuant to Government Code Section 20691,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

For Police Safety employees hired before September 11, 2012, the City of Modesto elects to pay seven and one half percent (7.5%) of the normal member contributions of nine percent (9%) as employer paid member contributions and report the same value to CalPERS as compensation earnable as additional compensation.

For Police Safety employees hired on or after September 11, 2012, the City of Modesto elects to pay zero percent (0%) of the normal member contributions of nine percent (9%). No payment shall be implemented pursuant to the provisions of Section 20636 (c) (4) of the California Government Code.

This benefit shall apply to all employees represented by the Modesto Police Officers Association (MPOA) who are classified police safety members by PERS.

BE IT FURTHER RESOLVED that this Resolution shall become effective on September 4, 2012.

BE IT FURTHER RESOLVED that effective September 4, 2012 Resolution No. 2003-82 is hereby rescinded.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-353**

**RESOLUTION AMENDING THE POSITION ALLOCATION FOR FISCAL
YEAR 12/13 AS ADOPTED IN THE OPERATING BUDGET**

WHEREAS, a Position Allocation for the City of Modesto was adopted by Modesto City Council on June 21, 2012, as part of the Annual Budget of the City of Modesto for Fiscal Year 2012-2013, and

WHEREAS, the Community and Economic Development department budget for Fiscal Year 2012-2013 was approved with funding to add one (1) allocation for a Development Services Technician II.

WHEREAS, the inclusion of this position was omitted in error from the position allocation list approved with the FY 12/13 budget.

WHEREAS, the Parks, Recreation and Neighborhoods department redistributed workload from vacant positions to maintain services levels in HUD, budget, personnel and special projects.

WHEREAS, a Recreation Coordinator has assumed additional responsibilities that include oversight of the customer services unit and special projects on a limited term basis until a departmental reorganization can be finalized.

WHEREAS, the Parks, Recreation and Neighborhoods department budget for Fiscal Year 2012-2013 included a .25 position reduction of one (1) Senior Administrative Office Assistant in Cultural Services.

WHEREAS, the Parks, Recreation and Neighborhoods department received funding from the Museum Society and Mansion Foundation to temporarily increase the allocation by .25 to make it a full time allocation through FY 12/13.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the Position Allocation for Fiscal Year 2012-13 as follows:

1. Community and Economic Development Department to reallocate add one (1) Development Services Technician II position (\$3,855-\$4,686 monthly) in Cost Center 14210;
2. Parks, Recreation and Neighborhoods Department to reallocate one (1) Recreation Coordinator .75 allocation to one (1) Recreation Coordinator 1.0 allocation for a limited term through the end of FY 12/13 in Cost Center 33130;
3. Parks, Recreation and Neighborhoods Department to reallocate one (1) Senior Administrative Office Assistant .25 allocation to one (1) Senior Administrative Office Assistant 1.0 allocation for a limited term through the end of FY 12/13 in Cost Center 34110.

This resolution shall become effective on and after September 11, 2012.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-354**

RESOLUTION ACCEPTING A GRANT IN THE AMOUNT OF \$96,450.00 FROM THE OFFICE OF TRAFFIC SAFETY SOBRIETY CHECKPOINT GRANT PROGRAM, TO CONDUCT SOBRIETY CHECKPOINTS; AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE ANY NECESSARY PROGRAM DOCUMENTS

WHEREAS, the Modesto Police Department received an announcement for the solicitation of applications for the “Sobriety Checkpoint Grant Program” from the Office of Traffic Safety (OTS), through the National Highway Traffic Safety Administration (NHTSA), and

WHEREAS, the grant is for personnel overtime costs to conduct sobriety checkpoint operations during the period from October 1, 2012 to September 30, 2013, and

WHEREAS, a checkpoint cannot exceed \$5,000 for overtime to conduct the checkpoint and includes funding for police officers and support personnel (Community Services Officers), and

WHEREAS, this award includes a maximum of \$6,450.00 for the purchase of OST-approved checkpoint supplies, and

WHEREAS, on August 3, 2012, the Modesto Police Department received notification that it was awarded \$96,450.00 for the operation of up to eighteen sobriety checkpoints in Modesto, and

WHEREAS, this grant will result in increased grant revenue of \$96,450.00 to the City,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby accepts a grant in the amount of \$96,450.00 from the Office of Traffic Safety Sobriety Checkpoint Grant Program to conduct sobriety checkpoints.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute any necessary program documents.

RESOLUTION NO. 2012-356**

A RESOLUTION ACCEPTING THE 2012 SELECTIVE TRAFFIC ENFORCEMENT PROGRAM GRANT IN THE AMOUNT OF APPROXIMATELY \$100,000 FROM THE OFFICE OF TRAFFIC SAFETY TO INCREASE ENFORCEMENT FOR SPEED, DUI, AND OTHER SPECIAL TRAFFIC ENFORCEMENT OPERATIONS; AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE NECESSARY DOCUMENTS

WHEREAS, the City of Modesto Police Department desires to undertake a certain project designated as the Selective Traffic Enforcement Program (STEP) grant from the Office of Traffic Safety (OTS), and

WHEREAS, the Police Department was awarded a grant in the sum of approximately \$100,000 from OTS, and

WHEREAS, acceptance of said \$100,000 grant will increase enforcement for speed, DUI, and other special traffic enforcement operations, while also reducing collisions with speed, DUI, and special operations, and

WHEREAS, OTS will pay overtime for officers, training, and equipment to assist in traffic studies and other traffic related enforcement equipment, and

WHEREAS, the term of this grant will be from October 1, 2012, through September 30, 2013,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby accepts the Selective Traffic Enforcement Program Grant in the amount of approximately \$100,000 from the Office of Traffic Safety to increase enforcement for speed, DUI, and other special traffic enforcement operations.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-358**

RESOLUTION APPROVING AGREEMENTS FOR HOME COMMUNITY HOUSING DEVELOPMENT ORGANIZATION (CHDO) OPERATING FUNDS IN THE AMOUNT OF \$50,000 TO STANISLAUS COUNTY AFFORDABLE HOUSING CORPORATION (STANCO) AND \$50,000 TO HABITAT FOR HUMANITY, STANISLAUS (HABITAT) AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE CHDO AGREEMENTS

WHEREAS, the City of Modesto reserves up to 5% of the total HOME program allocation to be used by CHDO's for administration and operating expenses in conjunction with running a CHDO program, and

WHEREAS, if funds for operating expenses are provided to a CHDO that is also receiving CHDO reserve funds for the development of housing, the City will enter into a written agreement with the CHDO that states they are expected to receive CHDO reserve funds within 24 months of receiving funds for operating expenses and specifies the terms and conditions upon which this expectation is based, and

WHEREAS, applicants for CHDO operating funds must be an approved CHDO through the City of Modesto. A CHDO is a specific type of private nonprofit entity and must meet certain requirements pertaining to their legal status; organizational structure; and capacity and experience. HUD Notice CPD 97-11 24 and CFR Part 92 detail these requirements, and

WHEREAS, Citizens Housing and Community Development Committee (CH&CDC) met on April 18, 2012 and recommended forwarding to Council approval to allocate CHDO operating funds in the amount of \$50,000 to STANCO and \$50,000 to Habitat, and

WHEREAS, on May 8, 2012 City Council, by Resolution No. 2012-169, approved the allocation of HOME Community Housing Development Organization (CHDO) operating funds in the amount of \$50,000 to STANCO and \$50,000 to Habitat.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves agreements for HOME Community Housing Development Organization (CHDO) operating funds in the amount of \$50,000 to Stanislaus County Affordable Housing Corporation (STANCO) and \$50,000 to Habitat for Humanity, Stanislaus (Habitat).

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to sign the CHDO agreements.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-359**

RESOLUTION AUTHORIZING THE PURCHASE OF PARTS AND SERVICES FROM ENVIROGEN TECHNOLOGIES, INC., RANCHO CUCAMONGA, CA, FOR REPAIRS AT THE GRAYSON WATER SYSTEM FOR A COST NOT TO EXCEED \$80,182.23

WHEREAS, in 1994, the City of Modesto purchased the Del Este Water Company, which included the Grayson water system serving a population of approximately 1,200 customers, and

WHEREAS, since this is Grayson's only source of potable water, it is important that the system be in good working order to ensure reliability and provide safe drinking water to the Grayson community, and

WHEREAS, the California Department of Public Health mandates that the City of Modesto remove the nitrates to safe drinking levels before the water enters the Grayson distribution system, and

WHEREAS, the treatment system is aging and repairs and equipment replacement will exceed \$50,000, and

WHEREAS, Modesto Municipal Code (MMC) Section 8-3.203 requires all purchases, which meet or exceed \$50,000 for material, equipment, or contractual services be properly bid,

WHEREAS, staff requested bids and a cost breakdown from three Vendors, with Envirogen Technologies, Inc. being the lowest bid at \$80,182.23.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the Purchasing Manager to purchase parts and services from

Envirogen Technologies, Inc., Rancho Cucamonga, Ca., for Repairs at the Grayson Water System for a cost not to exceed \$80,182.23.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-360**

RESOLUTION ACCEPTING THE WORK BY COLLINS ELECTRICAL COMPANY, INC., FOR THE "ARRA MODESTO CENTRE PLAZA LIGHTING IMPROVEMENTS" PROJECT AS COMPLETE, AUTHORIZING THE CITY CLERK TO FILE A NOTICE OF COMPLETION WITH THE STANISLAUS COUNTY RECORDER UPON RECEIPT OF APPROVED WARRANTY BOND, AND AUTHORIZING PAYMENT OF AMOUNTS TOTALING \$679,523.41

WHEREAS, a report has been filed by the Director of Utility Planning and Projects that the ARRA Modesto Centre Plaza Lighting Improvements project has been completed by Collins Electrical Company, Inc., in accordance with the contract agreement dated September 6, 2011,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the ARRA Modesto Centre Plaza Lighting Improvements project is hereby accepted as complete from said contractor, Collins Electrical Company, Inc., that the City Clerk is authorized to file a Notice of Completion with the Stanislaus County Recorder upon receipt of approved Warranty Bond, and that payment of amounts totaling \$679,523.41 is authorized as provided in the contract.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of September, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

EXHIBIT B.

**CITY OF MODESTO NEIGHBORHOOD STABILIZATION PROGRAM 2
LOAN AGREEMENT**

This CITY OF MODESTO NEIGHBORHOOD STABILIZATION PROGRAM 2 (hereafter referred to as "NSP2 Loan Agreement") is entered into this _____ day of _____, 2012 (the "Effective Date"), by and between CITY OF MODESTO, a municipal corporation of the State of California ("CITY") and the HOUSING AUTHORITY OF THE COUNTY OF STANISLAUS, a California public entity ("BORROWER").

RECITALS

WHEREAS, CITY has received Neighborhood Stabilization Program 2 ("NSP2") funds from the United States Department of Housing and Urban Development ("HUD") under Section 2301 of Title III, Division B, of the Housing and Economic Recovery Act of 2008, Title XII, Division A, of the American Recovery and Reinvestment Act of 2009 (the "NSP2 Act"), and implementing regulations, including but not limited to 24 CFR 570 et seq., and applicable guidance, including but not limited to the Notices of Allocations, Application Procedures, Regulatory Waivers Granted to and Alternative Requirements for Emergency Assistance for Development of Abandoned and Foreclosed Homes Grantees under HERA and such corrections (including, but not limited to, Docket Nos. FR-5255-N-01, FR-5255-N-02, FR-5321-N-03, FR-5435-N-01, and FR-5447-N-01), as amended (the "NSP2 Regulations"); and

WHEREAS, except as otherwise prescribed by the NSP2 Act and NSP2 Regulations, the statutory and regulatory provisions that govern the Community Development Block Grant ("CDBG") program under Title I of the Housing and Community Development Act of 1974 (42 U.S.C. 5301 et seq.), as amended (including those at 24 C.F.R. part 570 subparts A, C, D, J, K, and O, as appropriate, apply with equal force to the NSP2 funds (the "CDBG Regulations"). Together, the NSP2 Act, NSP2 Regulations, and CDBG Regulations are the "NSP2 Requirements;" and

WHEREAS, pursuant to the NSP2 Requirements, CITY is authorized to provide the NSP2 funds to qualified developers or subrecipients to perform eligible activities under the NSP2 program in the City of Modesto; and

WHEREAS, BORROWER is a qualified subrecipient for purposes of receipt and use of the NSP2 Funds; and

WHEREAS, pursuant to said NSP2, CITY is undertaking to fund certain programs, activities and services to promote affordable rental housing and/or affordable home ownership housing for Eligible Households, as defined below, in the City of Modesto (the "NSP2 Program"); and

WHEREAS, BORROWER desires to purchase real property commonly described as _____, Modesto, California and more fully described as _____ attached hereto as Exhibit A and made a part hereof (the "Property"); and

WHEREAS, the Property includes certain improvements consisting of a _____; and

WHEREAS, the Property is an Eligible Property as that term is defined in Section 2.1 herein and as used in the NSP2 Requirements and as defined and used in that certain agreement between CITY and BORROWER titled City of Modesto Neighborhood Stabilization Program 2 Memorandum of Understanding (the "MOU") the terms of which are incorporated herein by this reference, a true and correct copy of the MOU is attached herein as Exhibit D; and

WHEREAS, BORROWER intends to [**INSERT: acquire and/or acquire and rehabilitate, as applicable**] the Property and sell the Property as affordable homeownership housing to a Qualified Homebuyer, as defined in Section 2.1, or if unable to sell the Property to a Qualified Homebuyer in accordance with the MOU and this NSP2 Loan Agreement, BORROWER intends to rent the Property as affordable rental housing to a Qualified Tenant, as defined in Section 2.1, pursuant to the MOU and this NSP2 Loan Agreement; and

WHEREAS, CITY desires to loan BORROWER funds to assist in financing the [**INSERT: purchase and/or purchase and rehabilitation, as applicable**] of the Property by BORROWER; provided, BORROWER sells the Property to a Qualified Homebuyer or, if necessary, rents the Property to a Qualified Tenant; and

WHEREAS, CITY has conditionally agreed to make the loan to BORROWER in an amount not to exceed _____ Dollars (\$ _____) (the "NSP2 Loan") pursuant to, and with funds provided by the NSP2 Program in accordance with the NSP2 Requirements, and

[DELETE IF NO REHAB] WHEREAS, the NSP2 Loan amount shall be allocated as follows: _____ Dollars (\$ _____) represents the purchase price for acquisition of the Property; the balance of the NSP2 Loan funds shall be allocated to the rehabilitation of the Property; and

WHEREAS, BORROWER acknowledges that CITY's desire to expand the inventory of affordable housing units available for rent or sale to Very Low Income Households, Low Income Households, and Middle Income Households, also referred herein as "Eligible Households," in the City of Modesto; and

WHEREAS, BORROWER acknowledges that CITY would not enter into this NSP2 Loan Agreement to loan NSP2 funds to BORROWER but for BORROWER's covenant and agreement to sell the Property to a Qualified Homebuyer after the Property is [**INSERT: acquired or acquired and rehabilitated**], or if necessary, rent the Property to Qualified Homebuyer after using best efforts to sell the Property to a Qualified Homebuyer; and

WHEREAS, BORROWER shall execute a promissory note of even date herewith (the "NSP2 Note") consisting of a promissory note evidencing BORROWER's obligation to repay the NSP2 Loan. BORROWER shall execute a deed of trust of even date with this NSP2 Loan Agreement signed by BORROWER as Trustor in favor of CITY as beneficiary conveying BORROWER's interest in the Property as security for the NSP2 Loan as evidenced by the NSP2 Note (the "NSP2 Deed of Trust"). The NSP2 Deed of Trust shall be recorded against the Property as security for the NSP2 Note. BORROWER further agrees to execute a City of Modesto Neighborhood Stabilization Program 2 Regulatory Agreement (the "NSP2 Regulatory Agreement") containing covenants, conditions and restrictions regarding the ownership, rental, and use of the Property. BORROWER agrees to be bound by all terms and conditions of the NSP2 Note, the NSP2 Deed of Trust, and the NSP2 Regulatory Agreement. This NSP2 Loan Agreement, the NSP2 Note, the NSP2 Deed of Trust, and the NSP2 Regulatory Agreement are collectively referred to herein as the "NSP2 Loan Documents" and/or the "Loan Documents;" and

WHEREAS, to assist an Eligible Household in purchasing the Property at an affordable price from BORROWER, CITY will make second mortgage loans to the Eligible Household by converting a portion of the NSP2 Loan into loans to the Eligible Household.

NOW, THEREFORE, CITY and BORROWER agree as follows:

SECTION 1. RECITALS.

The foregoing Recitals are part of this NSP2 Loan Agreement.

SECTION 2. DEFINITIONS AND EXHIBITS.

Section 2.1 Definitions. As used in this NSP2 Loan Agreement and in addition to the definitions set forth in the Recitals, the following terms shall have the respective meanings indicated opposite each of them:

(a) Abandoned Property. Abandoned Property shall mean real property located in the City of Modesto, County of Stanislaus improved with a home or residential structure meeting at least one of the following criteria : (a) a mortgage, tribal leasehold, or tax lien payment is at least ninety (90) days delinquent; (b) a code enforcement inspection has determined that the property is not habitable and the property owner has taken no corrective action within ninety (90) days of notification of the deficiency; or (c) the property is subject to a court ordered receivership or nuisance abatement order related to abandonment pursuant to state or local law or otherwise meets a state definition of abandoned home or residential property.

(b) Acquisition Costs. Acquisition Costs shall mean the costs directly related to acquiring title in fee simple absolute to the Property, including the Purchase Price and closing costs, and including, but not limited to, due diligence costs, payment of tax liens, and title and escrow costs, and broker fees.

(c) Activity Delivery Fee. Activity Delivery Fee shall mean a fee in an amount not to exceed three percent (3%) of the Acquisition Cost **[INSERT, if applicable: or Rehabilitation Cost]** payable to BORROWER by CITY from the NSP2 Loan funds, for the salary costs, overhead costs, or other eligible activity delivery costs associated with carrying out the acquisition or rehabilitation, as applicable, of the Property. The Activity Delivery Fee shall only include direct costs related to carrying out the acquisition **[INSERT, delete and replace with: acquisition and rehabilitation]** of the Property.

(d) Affordable Rent. Affordable Rent shall mean the maximum rent paid by an Eligible Household to occupy the Property pursuant to 24 CFR 92.252.

(e) Appraised Value at Purchase. Appraised Value at Purchase shall mean the value established through an appraisal that is (a) commissioned by BORROWER; (b) performed by an appraiser approved by CITY; (c) made in conformity with the appraisal regulations of the Uniform Relocation Assistance and Real Property Acquisition Policies Act at 49 CFR 24.103; and (d) completed within sixty (60) days of the final offer made for the Property.

(f) **[DELETE IF NO REHAB]** Appraised Value at Resale. Appraised Value at Resale shall mean the value of (a) the rehabilitated Property established through an appraisal that is commission by BORROWER; (b) performed by an appraiser approved by CITY; (c) made in conformity with the appraisal regulations of the Uniform Relocation Assistance and Real Property Acquisition Policies Act at 49 CFR 24.103; and (d) completed within sixty (60) days of the final offer made for the Property.

(g) CITY Second Mortgage Loan Documents. CITY Second Mortgage Loan Documents shall mean the documents evidencing CITY Second Mortgage Loans to be executed by the Qualified Homebuyer receiving a CITY Second Mortgage Loan, including the Homebuyer Note, Homebuyer Deed of Trust, and Homebuyer Disclosure Statement.

(h) CITY Second Mortgage Loan. CITY Second Mortgage Loan shall mean a loan of NSP2 funds by CITY to the Qualified Homebuyer in an amount equal to twenty percent (20%) to fifty percent (50%) of the Sales Price, to be used to pay part of the purchase price for the Property.

(i) Continued Affordability Period. Continued Affordability Period shall mean the period of no less than twenty (20) consecutive years from (i) the close of escrow of the sale of the Property to a Qualified Homebuyer or (ii) in the event the Property is rented pursuant to Section 6.4 below, the date the NSP2 Regulatory Agreement is recorded against the Property.

(j) Eligible Household. Eligible Household shall mean a Very Low Income Household, Low Income Household, or a Middle Income Household.

(k) Eligible Property. Eligible Property shall mean an Abandoned Property, Foreclosed Property, or Vacant Property located in Census Tracts 19.00; 20.04; 20.03; 9.06;

9.05; 9.12; 21.00; 18.00; 12.00; 10.02; 10.01; 11.00; 13.00; 16.01; 22.00; 16.04; 6.02; 8.03; 8.05; 8.01; 9.09; 9.10; 9.11; 8.07; 24.00; 23.01; 23.01; 15.00; 25.01; 17.00; 14.00; 16.03; 8.06; 9.07; 9.08; and 28.03 in the City of Modesto, County of Stanislaus improved with a permanent residential structure that is a single family home, townhouse, condominium unit, or multi-unit rental complex.

(l) Foreclosed Property. Foreclosed Property shall mean residential real property located in the City of Modesto, County of Stanislaus improved with a permanent residential structure that meets at least one (1) of the following criteria: (a) payment under any mortgage, deed of trust or equivalent is delinquent at least sixty (60) days under the Mortgage Bankers of America delinquency calculation and the property owner has received notification of the delinquency; (b) the property owner is ninety (90) days or more delinquent on tax payments; (c) foreclosure proceedings have been initiated or completed under state, local or tribal law; or (d) foreclosure proceedings have been completed and title to the property has been transferred to an intermediary aggregator or servicer that is not a NSP2 grantee, subrecipient, contractor, developer, or end user.

(m) Homebuyer Deed of Trust. Homebuyer Deed of Trust shall mean the deed of trust, in a form to be provided by CITY, to be executed and delivered to CITY by the Qualified Homebuyer receiving a CITY Second Mortgage Loan.

(n) Homebuyer Disclosure Statement. Homebuyer Disclosure Statement shall mean the disclosure statement in a form to be provided by CITY, to be executed and delivered to CITY by the Qualified Homebuyer receiving a CITY Second Mortgage Loan.

(o) Homebuyer Note. Homebuyer Note shall mean the promissory note, in the form to be provided by CITY, to be executed and delivered to CITY, by the Qualified Homebuyer receiving a CITY Second Mortgage Loan.

(p) Low Income Household. Low Income Household shall mean a person or household whose annual income does not exceed sixty percent (60%) of area median income adjusted for family size based on guidelines published by HUD.

(q) Middle Income Household. Middle Income Household shall mean a person or household whose annual income does not exceed one-hundred twenty percent (120%) of area median income adjusted for family size based on guidelines published by HUD.

(r) Net Sales Proceeds. Net Sales Proceeds shall mean the gross proceeds received by BORROWER from the sale of a NSP2 Assisted Unit to a Qualified Homebuyer less closing costs paid by BORROWER.

(s) [DELETE IF NO REHAB] Prime Contractor. Prime Contractor shall mean a third-party contractor who in contract with BORROWER to oversee the rehabilitation of the Property.

(t) Purchase Price. Purchase Price shall mean a sum that BORROWER will pay to acquire the Property. The Purchase Price to acquire a Foreclosed Property shall be a minimum of one percent (1%) below the Appraised Value at Purchase of the Foreclosed Property.

(u) Qualified Homebuyer. Qualified Homebuyer shall mean a person or household who has (a) been income qualified as an Eligible Household by CITY; (b) completed eight (8) hours of home ownership counseling training through a counseling agency certified by HUD; (c) occupies or intends to occupy a the Property as a primary residence; (d) agrees to secure a CITY Second Mortgage Loan; and (e) intends to purchase the Property at the Sales Price under the NSP2 Program.

(v) Qualified Tenant. Qualified Tenant shall mean a person or household who has (a) been income qualified as an Eligible Household by BORROWER; (b) occupies or intends to occupy the Property as a primary residence; and (c) intends to pay Affordable Rent to BORROWER for the Property for the Continued Affordability Period.

(w) ~~[DELETE IF NO REHAB]~~ Rehabilitation Costs. Rehabilitation Costs shall mean the costs of improvements required to make the Property safe and habitable and in compliance with HUD Housing Quality Standards (HQS), state and local building codes/regulations and other housing standards including but not limited to accessibility standards of 24 CFR Part 8, and green building and energy efficient standards, including material and labor, permits and fees, holding costs and other soft costs.

(x) Sales Price. Sales Price shall mean the maximum price for the sale of the Property to a Qualified Homebuyer by BORROWER. ~~[INSERT if ONLY Acquisition: The Sales Price shall not exceed the lesser of the Appraised Value at Purchase or the Acquisition Costs, as documented by BORROWER to CITY.]~~ ~~[INSERT if Acquisition and Rehab: The Sales Price shall not exceed the lesser of the Appraised Value at Resale or the Total Costs of Development.]~~

(y) ~~[DELETE IF NOT REHAB]~~ Total Cost of Development. Total Cost of Development shall mean the Acquisition Costs and Rehabilitation Costs, as documented by BORROWER to CITY.

(z) Vacant Property. Vacant Property shall mean improved real property located in the City of Modesto, County of Stanislaus that has been unoccupied for at least ninety (90) days and has no bona fide tenant with rights of occupancy.

(aa) Very Low Income Household. Very Low Income Household shall mean a person or household whose annual income does not exceed fifty percent (50%) of area median income adjusted for family size based on guidelines published by HUD and used by City of Modesto.

(bb) Term. Term shall have the meaning set forth in Section 3.2 below.

Section 2.2 Exhibits.

The following exhibits are attached to this NSP2 Loan Agreement and incorporated into this NSP2 Loan Agreement by this reference:

Exhibit A: Legal Description of the Property

Exhibit B: Project Budget

Exhibit C: Project Timeline

Exhibit D: City of Modesto Neighborhood Stabilization Program 2 Memorandum of Understanding

Exhibit E: NSP2 National Objectives Certification

SECTION 3. LOAN PROVISIONS.

Section 3.1 NSP2 Loan Amount.

CITY shall loan BORROWER the principal sum not to exceed _____ Dollars (\$_____) (the "NSP2 Loan") subject to Section 5.3 below and to the terms and conditions set forth in this NSP2 Loan Agreement and the Loan Documents as defined herein.

Section 3.2 Term.

The Term of this NSP2 Loan Agreements shall commence on the Effective Date, and expires, unless sooner terminated in accordance with this NSP2 Loan Agreement on the twentieth (20th) anniversary of the Effective Date, subject to any extension agreed to in writing by CITY and BORROWER.

Section 3.3 Interest.

(a) Subject to the provisions of subsection (b) below, the outstanding principal balance of the Loan shall bear no interest.

(b) Upon the occurrence of an Event of Default, the NSP2 Loan will begin to accrue, as of the date of the Event of Default and continue until such time as the NSP2 Loan is repaid in full or the Event of Default is cured, at the default rate of ten percent (10%), simple interest annually.

Section 3.4 Use of NSP2 Loan Funds.

(a) BORROWER shall use the NSP2 Loan for acquisition [INSERT, as applicable: and rehabilitation] of the Property, consistent with the Project Budget, as attached hereto as Exhibit B.

(b) BORROWER shall not use the NSP2 Loan funds for any other purpose without the prior written consent of CITY.

(c) BORROWER shall comply with the MOU in the use of the NSP2 Loan funds.

Section 3.5 Activity Delivery Fee.

Except upon an Event of Default by BORROWER, CITY shall pay the Activity Delivery Fee to BORROWER following receipt of documentation evidencing the requested Activity Delivery Fee pursuant to Sections 5.3 and 10 of the MOU.

Section 3.6 Security.

BORROWER shall secure its obligation to repay the NSP2 Loan as evidenced by the NSP2 Note, be executing the NSP2 Deed of Trust, and recording it as a lien against the Property, subject only to the lien of the NSP2 Regulatory Agreement to be recorded against the Property.

Section 3.7 Conditions Precedent to Disbursement of NSP2 Funds for Purchase.

CITY shall have no commitment to BORROWER under this NSP2 Loan Agreement and shall have no obligation to disburse any NSP2 funds for the acquisition of the Property unless and until BORROWER complies with and continues to satisfy the following conditions:

(a) There exists no Event of Default nor any act, failure, omission or condition that would constitute an Event of Default under this NSP2 Loan Agreement or the MOU; and

(b) BORROWER is acquiring title to the Property simultaneously with the disbursement of the NSP2 Loan proceeds; and

(c) BORROWER has executed and delivered to CITY a copy of the purchase agreement under which BORROWER agrees to purchase the Property for the Purchase Price;

(d) CITY has approved the Project Budget, as attached hereto as Exhibit B or further amendments to the Project Budget, as applicable; and

(e) CITY has approved the Project Timeline, as attached hereto as Exhibit C or further amendments to the Project Timeline, as applicable; and

(f) The Purchase Price of the Property does not exceed the Purchase Price set forth in the Project Budget, as attached hereto as Exhibit B; and

(g) BORROWER has received and/or confirmed all sources of funding for the acquisition [**INSERT, as applicable: and rehabilitation**] of the Property; and

(h) BORROWER has delivered to CITY a copy of a resolution adopted by BORROWER's Board of Commissioners authorizing BORROWER's Executive Director, or his designee, to obtain the NSP2 Loan, execute the Loan Documents, acquire **[INSERT, as applicable: and rehabilitate]** the Property, and execute any and all related documents on behalf of BORROWER; and

(i) BORROWER has executed and delivered to CITY all documents, instruments, and policies required under the NSP2 Loan Documents and MOU; and

(j) BORROWER has furnished CITY with evidence of the insurance coverage meeting the requirements of Section 7.16 below; AND

(k) A Title insurer reasonably acceptable to CITY is unconditionally and irrevocably committed to issuing an ALTA loan policy of insurance insuring the priority of the NSP2 Deed of Trust in the amount of the NSP2 Loan, subject only to such exceptions and exclusions as may be reasonably acceptable to CITY, and containing such endorsements as CITY may reasonably require; and

(l) The NSP2 Regulatory Agreement and the NSP2 Deed of Trust will be recorded against the Property in the Office of the Recorder of the County of Stanislaus simultaneously with the disbursement of the NSP2 Loan proceeds; and

(m) BORROWER has delivered to CITY the required National Environmental Policy Act and/or California Environmental Quality Act documentation; and

(n) BORROWER has delivered to CITY written confirmation in a form satisfactory to CITY that BORROWER has complied with all applicable laws, regulations, and guidelines, including, but not limited to the NSP2 Requirements, relating to tenant protections governing receipt and use of the NSP2 funds.

Section 3.8 Conditions Precedent to Disbursement of NSP2 Funds for Rehabilitation.
[DELETE IF NO REHAB]

CITY shall have no commitment to BORROWER under this NSP2 Loan Agreement and shall have no obligation to disburse any NSP2 funds for the rehabilitation of the Property unless and until BORROWER complies with and continues to satisfy the following conditions:

(a) All the conditions precedent set forth in Section 3.8 have been timely satisfied; and

(b) There exists no Event of Default nor any act, failure, omission or condition that would constitute an Event of Default under this NSP2 Loan Agreement or the MOU; and

(c) CITY has approved the Project Budget, as attached hereto as Exhibit B or further amendments to the Project Budget, as applicable; and

(d) CITY has approved the Project Timeline, as attached hereto as Exhibit C or further amendments to the Project Timeline, as applicable; and

(e) CITY has received and approved the conceptual plans/drawings, if applicable, for rehabilitation of the Property; and

(f) BORROWER has received all permits and approvals necessary to perform the planned rehabilitation work; and

(g) CITY has received and approved all contracts that BORROWER has entered or proposed to enter for rehabilitation of the Property; and

(h) CITY has received and approved the final scope of rehabilitation work for the Property; and

(i) The Initial Property Inspection and Walkthrough has been completed and signed by CITY and BORROWER; and

(j) BORROWER is in compliance with all requirements of this NSP2 Loan Agreement concerning rehabilitation of the Property, including the timing as set forth in the Project Timeline; and

(k) BORROWER has completed, executed and submitted to CITY a Request For Project Draw Down form, in a form acceptable to CITY, indicating BORROWER's request for disbursement of NSP2 Loan funds and setting forth the proposed use, the amount needed, and, where applicable, a copy of the billing or invoice covering the costs to be incurred. BORROWER agrees that no request for NSP2 Loan funds shall be submitted until the NSP2 Loan funds are needed for payment of eligible costs, and that each request shall be limited to the amount needed. BORROWER shall supply CITY other documentation or information as CITY in its discretion deems necessary to substantiate the amount and nature of the eligible cost(s). All disbursements are on a reimbursement basis only. BORROWER is required to have all work, purchases, and services completed prior to submittal of the required invoice form. If there is the need for an advance of NSP2 Loan funds, BORROWER shall submit a copy of any and all bids and cost estimates to CITY. Any and all advance disbursements of the NSP2 Loan funds by CITY shall be determined by CITY, in its sole discretion.

(l) BORROWER has delivered to CITY written confirmation in a form satisfactory to CITY that BORROWER has complied with all applicable laws, regulations, and guidelines, including, but not limited to the NSP2 Requirements, relating to tenant protections governing receipt and use of the NSP2 funds.

Section 3.9 Repayment.

The NSP2 Loan shall be repaid as follows:

(a) Provided that no Event of Default exists, upon sale of the Property to a Qualified Homebuyer and the execution of the CITY Second Mortgage Loan Documents by the Qualified Homebuyer, CITY shall credit repayment of the NSP2 Loan in the amount set forth in the Homebuyer Note. If the Net Sales Proceeds are insufficient to permit payment of the outstanding balance of the NSP2 Loan, the NSP2 Loan will be deemed to be paid in full if any and all Net Sales Proceeds are applied to repay the outstanding balance of the NSP2 Loan.

(b) Provided that no Event of Default exists and the Property is rented to a Qualified Tenant in compliance with Section 6.4 below, CITY shall forgive the NSP2 Loan upon expiration of the Term.

(c) Subject to subsection (a) or (b) above, BORROWER shall pay all outstanding principal and accrued interest on the NSP2 Loan, in full, on the earliest to occur of (i) a Transfer, (ii) an Event of Default, and (iii) the expiration of the Term.

(d) BORROWER may prepay the NSP2 Loan at any time without premium or penalty. Regardless of any prepayment or Transfer, BORROWER acknowledges that the provisions of this NSP2 Loan Agreement, including but not limited to the requirement that the Property be sold to a Qualified Homebuyer, or if necessary, the Property be rented to a Qualified Tenant, are applicable even if BORROWER has prepaid all or a portion of the NSP2 Loan amount.

SECTION 4. ACQUISITION OF THE PROPERTY.

Section 4.1 Purchase Price.

BORROWER warrants that the purchase price of the Property is _____ (_____). The Purchase Price to acquire a Foreclosed Property shall be a minimum of one percent (1%) below the Appraised Value at Purchase of the Foreclosed Property.

Section 4.2 Eligibility of Property.

(a) BORROWER hereby makes the following representations and warranties to CITY concerning the compliance of the acquisition and rehabilitation of the Property with the NSP2 Requirements.

(i) The Property is an Eligible Property.

(ii) Seller has complied with NSP2 Requirements regarding proper notification to bona-fide tenants of the Property, if applicable.

(iii) BORROWER has provided a voluntary acquisition letter, if applicable.

(iv) The price to be paid pursuant to a purchase agreement between the BORROWER and seller for the purchase of the Property does not exceed the Purchase Price.

(b) BORROWER has submitted the following required documentation to CITY and received written approval from CITY that the acquisition **[INSERT, if applicable, and rehabilitation of the Property]** is eligible for NSP2 funding:

- (i) The address of the Property and the assessor's parcel number.
- (ii) A copy of the purchase agreement, as applicable, with the seller.
- (iii) A copy of an appraisal.
- (iv) Evidence that the Property is an Abandoned Property, Foreclosed Property, or Vacant Property.
- (v) Evidence that the seller has complied with NSP2 Requirements regarding proper notification to bona-fide tenants of the Property, as applicable.

Section 4.3 Property Condition.

(a) BORROWER understands and acknowledges that it, or its representatives, has inspected the Property and is acquiring the Property in reliance on its own investigations and due diligence and that no representations, warranties or statements of any kind whatsoever, express or implied have been made by CITY with regard to the condition of the Property and its suitability for the operation and use intended by BORROWER.

(b) BORROWER understands and acknowledges that it has not relied upon any representations, warranties or statements of CITY, or any agent, employee, attorney or representative of CITY which are not set forth in the Loan Documents. BORROWER further acknowledges and understands that as of the date of this NSP2 Loan Agreement, BORROWER will be aware of (1) the condition of the Property and its suitability for BORROWER's intended use and (2) zoning, subdivision and environmental regulations and requirements which may be applicable to the Property, or the impact, if any, of such requirements or regulations on BORROWER's intended use of the Property.

(c) BORROWER expressly assumes all risk caused by, related to, or arising from the condition of the Property, including but not limited to, any liability, damage, loss, cost, expense, demand, or penalty that may occur as a result of the existence, presence, storage, leak, discharge, emission or disposal of hazardous and toxic materials or otherwise harmful substances of any kind whatsoever on, under or above the Property or which, in contact with the Property or affect other properties, regardless of whether or not any such condition was in existence before BORROWER's acquisition of the Property.

SECTION 5. REHABILITATION OF THE PROPERTY [DELETE IF NO REHAB]

Section 5.1 Permits and Approvals.

BORROWER shall apply for all necessary building permits and approvals for the rehabilitation of the Property within thirty (30) days of BORROWER's acquisition of the Property. Copies of all permits and approvals necessary to commence rehabilitation of the Property must be received by CITY.

Section 5.2 Plans and Specifications.

Before commencement of rehabilitation, BORROWER shall submit to CITY for its review and approval the final plans and specifications, including material and color samples for rehabilitation of the Property. BORROWER shall develop the Property in full conformance with the plans and specifications and any modifications thereto approved by CITY.

Section 5.3 Changes in Plans.

BORROWER shall inform CITY of changes in the approved plans and specifications. The CITY Manager or CITY's Director of the Parks, Recreation and Neighborhoods Department is authorized to amend this NSP2 Loan Agreement and increase the NSP2 Loan up to Twenty Thousand Dollars (\$20,000) if such increase is required pursuant to a change order necessary to rehabilitate the Property. In no event shall such increase exceed the Total Costs of Development of One Hundred Sixty-Five Thousand Dollars (\$165,000) for a single-family unit or One Hundred Twenty-Five Thousand (\$125,000) for a multi-family unit. BORROWER shall be responsible to ensure adequate funds are available to pay for increased costs due to change orders.

Section 5.4 Commencement and Completion of Rehabilitation.

BORROWER shall commence rehabilitation of the Property on or before _____ and complete rehabilitation of the Property on or before _____. Rehabilitation shall be considered complete upon acceptance of final inspection by CITY for the Property.

Section 5.5 Rehabilitation Pursuant to Plans and Laws.

(a) BORROWER shall cause all work performed in connection with the Property to be performed in compliance with (i) all applicable laws, ordinances, rules and regulations of federal, state, county or municipal governments or agencies now in force or that may be enacted hereafter, including (without limitation and where applicable) the prevailing wage provisions of the federal Davis-Bacon Act and the California Labor Code and implementing rules and regulations), (ii) the County Building Code and any applicable City building code, and (iii) all directions, rules and regulations of any fire marshal, health officer, building inspector, or other officer of every governmental agency now having or hereafter acquiring jurisdiction. BORROWER shall permit the work to proceed only after procurement of each permit, license, or other authorization that may be required by any governmental agency having jurisdiction, and BORROWER is responsible to CITY for the procurement and maintenance thereof, as may be required of BORROWER and all entities engaged in work on the Property.

(b) BORROWER shall comply with the environmentally sensitive ("green") and energy efficient building standards set forth in the NSP2 Requirements.

(c) BORROWER shall ensure that all asbestos abatement and lead paint remediation, if applicable, is performed by a contractor(s) licensed and certified to perform such abatement and remediation. BORROWER shall also ensure that all such abatement and remediation is performed in accordance with applicable local, state and federal law.

(d) As more fully set forth in Section 7.3, BORROWER shall comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. Section 1701u, requiring that to the greatest extent feasible opportunities for training and employment be given to lower income residents of the project area and agreements for work in connection with the Property be awarded to business concerns which are located in, or owned in substantial part by persons residing in, the areas of the Property.

Section 5.6 Construction Bonds.

If applicable, prior to commencement of rehabilitation of the Property, BORROWER shall deliver to CITY copies of labor and material bonds and performance bonds for the construction of the Property in an amount equal to one hundred percent (100%) of the Rehabilitation Costs of the Property. Such bonds shall name CITY as a co-obligee.

Section 5.7 Contractors and Subcontractors.

(a) BORROWER shall utilize a procurement policy as approved by HUD and Procurement Handbook for Public Housing Agencies 7460.8 rev-2 for all procurement, including contracting and subcontracting.

(b) All construction work and professional services for the rehabilitation shall be performed by persons or entities licensed or otherwise authorized to perform applicable construction work or service in the State of California. All costs incurred in the preparation for rehabilitation of the Property shall be the responsibility and obligation solely of BORROWER.

(c) For the performance of any construction work on the Property, BORROWER shall use contractors who are not on the Federal Debarred List and are appropriately licensed by, and in good standing with, the California State Contractor's License Board and shall ensure that the contractor and any successor thereto shall only contract with subcontractors which are so licensed.

(d) BORROWER shall procure from all contractors and subcontractors of any tier all warranty documents, including warranties on all appliances and building components (such as roof, etc.) and all service manuals, and operating instructions pertaining to the Property.

(e) Should BORROWER decide to employ a Prime Contractor to serve as a contractor of record for the project, BORROWER agrees that it shall not retain or hire any such contractor until CITY has provided written consent of such retention/hiring. BORROWER shall

obtain CITY's approval of all written contracts/agreements between BORROWER and contractor for work on the Property.

(f) BORROWER shall submit to CITY certified payroll records for each and every contractor and subcontractor working on the rehabilitation of the Property, if applicable.

Section 5.8 Scheduling and Extension of Time.

It shall be the responsibility of BORROWER to coordinate and schedule the work to be performed so that commencement and completion of the rehabilitation will take place in accordance with the provisions of this NSP2 Loan Agreement. CITY may extend the time for commencement or completion of the rehabilitation in writing in its sole and absolute discretion. Any time extension granted to BORROWER to enable BORROWER to complete the work shall not constitute a waiver of any other rights of CITY under this NSP2 Loan Agreement or the Loan Documents.

Section 5.9 Access. Inspections. No Duty to Inspect.

For purposes of assuring compliance with this NSP2 Loan Agreement, representatives of CITY shall have reasonable right of access to the Property to inspect all work, materials, material invoices and other relevant data pertaining to the development of the Project and maintenance and operation of the Project.

CITY shall not have any affirmative duty to make any inspection, to make any investigation, or to supervise or inform BORROWER or any third party as to any aspect of the project development and shall not incur any liability for failing to do so. Any inspection, investigation, or review undertaken by CITY shall be solely to determine whether BORROWER is properly discharging its obligations to CITY and may not be relied upon by BORROWER or any third party. Once having undertaken any such inspection, investigation or review, CITY shall not incur any liability for failing to do so properly or for failing to complete the same. CITY owes no duty of care to BORROWER or any third party to protect against, or to inform BORROWER or any third party of any negligent, faulty, inadequate or defective design or construction of the Project.

Section 5.10 BORROWER Not Relieved of Obligation.

The fact that inspection, investigation or review of the design or construction of the development may or may not have been made by CITY shall not relieve BORROWER or the contractor of any obligation that they may otherwise have to inspect the Property or to otherwise comply with the terms of this NSP2 Loan Agreement or the Loan Documents.

Section 5.11 Rehabilitation Responsibilities.

BORROWER shall be solely responsible for all aspects of conduct in connection with the rehabilitation of the Property, including, but not limited to, the supervision of construction work,

and the qualifications, financial conditions, and performance of all architects, engineers, contractors, subcontractors, suppliers, consultants, and property managers and the accuracy of all applications for payment and the proper application of all disbursements. Any review or inspection undertaken by CITY with reference to the rehabilitation of the Property is solely for the purpose of determining whether BORROWER is properly discharging its obligations to CITY, and should not be relied upon by BORROWER or by any third parties as a warranty or representation by CITY as to the quality of the construction of the project.

Section 5.12 Purchase of Materials under Title Retention Agreement.

BORROWER shall not purchase or install or permit to be purchased or installed any materials, equipment, fixtures, or other part of the project under any agreements or other arrangements wherein the supplier or seller reserves or purports to reserve the right to remove or repossess any such items or to consider them personal property after their incorporation into the project, unless authorized in writing by CITY.

Section 5.13 Lead-Based Paint Responsibilities.

(a) BORROWER shall be responsible and ensure compliance with the Lead-Based Poisoning Prevention Act (42 U.S.C. 4821, et seq. and amendments) as it applies. BORROWER is also responsible for testing and abatement activities with respect to construction and maintenance of the rehabilitation project.

(b) BORROWER and its contractors and subcontractors shall not use lead-based paint in the development or construction of the Property.

Section 5.14 Financial Accounting and Post-Completion Audits.

BORROWER shall provide to CITY a financial accounting of all sources and uses of funds for the rehabilitation of the Property no later than sixty (60) days after rehabilitation of the Property is complete.

Section 5.15 Mechanics Liens, Stop Notices, and Notices of Completion.

(a) If any claim or lien is filed against the Property or a stop notice affecting the Loan is served on CITY or any other lender or other third party in connection with the Property, then BORROWER shall, within twenty (20) days after such filing or service, either pay and fully discharge the lien or stop notice, effect the release of such lien or stop notice by delivering to CITY a surety bond in sufficient form and amount, or provide CITY with other assurance satisfactory to CITY that the claim or lien or stop notice will be paid or discharged.

(b) If BORROWER fails to discharge any lien, encumbrance, charge, or claim in the manner required in this Section, then in addition to any other right or remedy, CITY may (but is under no obligation to) discharge such lien, encumbrance, charge, or claim at BORROWER's expense. Alternately, CITY may require BORROWER to immediately deposit

with CITY the amount necessary to satisfy such lien or claim and any costs, pending resolution thereof. CITY may use such deposit to satisfy any claim or lien that is adversely determined against BORROWER.

(c) BORROWER shall file a valid notice of cessation or notice of completion upon cessation of rehabilitation on the Property for a continuous period of thirty (30) days or more, and take all other reasonable steps to forestall the assertion of claims of lien against the Property. CITY may, but is not obligated to, record any notices of completion or cessation of labor, or any other notice that CITY deems necessary or desirable to protect its interest in the Property.

Section 5.16 Discretion of CITY.

CITY's execution of this NSP2 Loan Agreement in no way limits the discretion of CITY in the permit and approval process in connection with any construction or improvement of the Property by BORROWER.

SECTION 6. RENTAL AND SALE OF THE PROPERTY.

Section 6.1 Sale of the Property to a Qualified Homebuyer.

Subject to Section 6.4 below, the Property shall be sold to a Qualified Homebuyer at the Sales Price pursuant to this NSP2 Loan Agreement, the MOU, and the NSP2 Regulatory Agreement. The sale of the Property to a Qualified Homebuyer shall be completed within twelve (12) months of the date of [INSERT: acquisition or completion of rehabilitation] of the Property.

Section 6.2 CITY Second Mortgage Documents.

(a) To assist a Qualified Homebuyer in acquiring the Property, CITY shall convert the total principal amounts of the NSP2 Loan to a CITY Second Mortgage Loan. The CITY Second Mortgage Loan made to a Qualified Homebuyer shall be in an amount equal to twenty percent (20%) to fifty percent (50%) of the Sales Price, with the final amount of CITY Second Mortgage Loan to be determined by CITY prior to the sale of the Property to the Qualified Homebuyer. In no event shall the total of all CITY contribution to the CITY Second Mortgage Loan exceed (i) fifty percent (50%) of the Sales Price or (ii) the outstanding principal balance of the NSP2 Loan.

(b) Pursuant to the Homebuyer Note, the Qualified Homebuyer shall repay a portion or all of the City Second Mortgage Loan upon sale of the Property to a non-qualifying third-party during the Continued Affordability Period;

(c) As a condition of purchase of the Property, the Qualified Homebuyer shall be required to execute CITY Second Mortgage Loan Documents. Within one hundred twenty

(120) days after the closing of the NSP2 Loan, CITY and BORROWER shall agree on the form of CITY Second Mortgage Loan Documents and the method of calculation of the amount of CITY Second Mortgage Loan.

Section 6.3 Other Homebuyer Financing.

Subject to prior approval by CITY, the Qualified Home Buyer shall secure the necessary private financing to purchase the Property at the Sales Price ("Approved Financing"). In no event shall the CITY Second Mortgage Loan and Approved Financing exceed the Sales Price for the Property.

Section 6.4 Rental of the Property.

Notwithstanding the provisions in this NSP2 Loan Agreement, BORROWER may elect to rent the Property to a Qualified Tenant. BORROWER shall provide written notice to CITY that it intends to rent the Property to a Qualified Tenant (the "Rental Notice"). Upon issuance of the Rental Notice, CITY and BORROWER may mutually agree in writing to rent the Property as follows:

(b) The Property shall be rented to a Qualified Tenant pursuant to the term of a one-year lease, in a form approved by CITY.

(c) BORROWER shall rent the Property only to Qualified Tenants during the Continued Affordability Period.

(d) The Qualified Tenant shall pay no more than the Affordable Rent to BORROWER during the Continued Affordability Period. The Affordable Rent shall be used by BORROWER to pay maintenance costs and property taxes of the Property. Any remaining Affordable Rent following payment of the maintenance costs and property taxes of the Property shall be retained by BORROWER.

(e) BORROWER shall be solely responsible for maintenance and repair of the Property in accordance with CITY policies until the expiration of the NSP2 Regulatory Agreement.

(f) BORROWER shall be solely responsible for the payment of property taxes of the Property. In no event shall BORROWER permit a tax or delinquency lien to be secured against the Property.

SECTION 7. LOAN REQUIREMENTS. BORROWER'S OBLIGATIONS AND CONDITIONS

Section 7.1 Compliance with MOU.

BORROWER shall comply with the terms of the MOU and any breach under the MOU, subject to the notice and cure periods set forth in Section 9 below, is a Default under this NSP2

Loan Agreement. The MOU is hereby incorporated into this NSP2 Loan Agreement by this reference.

Section 7.2 Anti-Speculation Requirements.

BORROWER recognizes and acknowledges the importance of developing and maintaining affordable rental housing and affordable home ownership housing for Eligible Households to the general welfare of the City of Modesto. BORROWER covenants and agrees, for itself and its successors, assigns and transferees that each Eligible Property will be used exclusively for the operation of affordable home ownership housing and affordable rental housing for Eligible Households in accordance with the NSP2 Regulatory Agreement and not for any form of speculation and landholding. BORROWER understands and agrees that, without the advance written consent of CITY, BORROWER is prohibited from selling, transferring, conveying or assigning an Eligible Property or any interest therein.

Section 7.3 NSP2 Requirements.

BORROWER shall comply with all applicable laws and regulations governing the use of the NSP2 Funds as set forth in the NSP2 Requirements. In the event of any conflict between this NSP2 Loan Agreement, the NSP2 Note, the NSP2 Deed of Trust, or the NSP2 Regulatory Agreement, the NSP2 Requirements shall govern.

(a) The laws and regulations governing the use of the NSP2 Loan include (but are not limited to) the following:

(i) Environmental and Historic Preservation. 24 C.F.R. Part 58, which prescribes procedures for compliance with the National Environmental Policy Act of 1969 (42 U.S.C. 4321-4361), and the additional laws and authorities listed at 24 C.F.R. 58.5.

(ii) Applicability of OMB Circulars. The applicable policies, guidelines, and requirements of OMB Circulars Nos. A-87, A-102, Revised, A-110, A-122, and A-133.

(iii) Debarred, Suspended or Ineligible Contractors. The prohibition on the use of debarred, suspended, or ineligible contractors set forth in 24 C.F.R. Part 24.

(iv) Civil Rights, Housing and Community Development, and Age Discrimination Acts.

(1) Compliance. BORROWER shall comply with the Fair Housing Act (42 U.S.C. 3601 et seq.) and implementing regulations at 24 C.F.R. Part 100; Title VI of the Civil Rights Act of 1964 as amended; Title VIII of the Civil Rights Act of 1968 as amended; Section 104(b) and Section 109 of Title I of the Housing and Community Development Act of 1974 as amended; Section 504 of the Rehabilitation Act of 1973 (29 USC 794, et seq.); the Age Discrimination Act of 1975 (42 USC 6101, et seq.); Executive Order 11063 as amended by Executive Order 12259 and implementing regulations at 24 C.F.R. Part

107; Executive Order 11246 as amended by Executive Orders 11375, 12086, 11478, 12107; Executive Order 11625 as amended by Executive Order 12007; Executive Order 12432; Executive Order 12138 as amended by Executive Order 12608.

(2) Non-Discrimination. BORROWER shall comply with the non-discrimination in employment and contracting opportunities laws, regulations and executive orders referenced in 24 C.F.R. 570.607, as revised by Executive Order 13279, and the applicable non-discrimination provisions in Section 109 of the Housing and Community Development Act of 1974, and may not discriminate against any employee or applicant for employment because of race, color, creed, religion, ancestry, national origin, sex, disability, age, marital status, or status with regard to public assistance. BORROWER shall take affirmative action to ensure that all employment practices are free from such discrimination. Such employment practices include but are not limited to the following: hiring, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff, termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. BORROWER shall post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

(3) Land Covenants. This Agreement is subject to the requirements of Title VI of the Civil Rights Act of 1964 (P.L. 88-352) and 24 C.F.R. 570.601. In regard to the sale, lease, or other transfer of land acquired, cleared or improved with assistance provided under this NSP2 Loan Agreement, BORROWER shall cause or require a covenant running with the land to be inserted in the deed or lease for such transfer, prohibiting discrimination as herein defined, in the sale, lease or rental, or in the use or occupancy of such land, or in any improvements erected or to be erected thereon, providing that CITY and the United States are beneficiaries of and entitled to enforce such covenants. BORROWER, in undertaking its obligation to carry out the program assisted hereunder, agrees to take such measures as are necessary to enforce such covenant, and will not itself so discriminate.

(v) Lead-Based Paint. The requirement of the Lead-Based Paint Poisoning Prevention Act, as amended (42 U.S.C. 4821 et seq.), the Residential Lead-Based Paint Hazard Reduction Act (42 U.S.C. 4851 et seq.), and implementing regulations at 24 C.F.R. Part 35.

(vi) Relocation. The requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. 4601, et seq.), and implementing regulations at 49 C.F.R. Part 24 (as modified by the NSP2 Requirements); 24 C.F.R. 570.606; Section 104(d) of the Housing and Community Development Act of 1974 and implementing regulations at 24 C.F.R. 42 et seq.; and California Government Code Section 7260 et seq. and implementing regulations at 25 California Code of Regulations Sections 6000 et seq., relating to the acquisition and disposition of all real property purchased with NSP2 Funds, and to the permanent or temporary displacement of persons, businesses, nonprofit organizations and farms occurring as a direct result of any acquisition or rehabilitation of real property made with NSP2 Funds, and state and local relocation laws. If, and to the extent that the rehabilitation of the Property results in the permanent or temporary displacement of residential tenants,

homeowners, or businesses, then BORROWER shall comply with all applicable local, state, and federal statutes and regulations with respect to relocation planning, advisory assistance, and payment of monetary benefits. BORROWER shall prepare and submit a relocation plan to CITY for approval. BORROWER is solely responsible for payment of any relocation benefits to any displaced persons and any other obligations associated with complying with such relocation laws. BORROWER shall indemnify, defend (with counsel reasonably chosen by CITY), and hold harmless CITY, its council members, officers, representatives, agents, assigns and employees against all claims that arise out of relocation obligations to residential tenants, homeowners, or businesses permanently or temporarily displaced by the Property. The requirements in this subsection shall survive repayment of the NSP2 Loan and the reconveyance of the NSP2 Deed of Trust.

(vii) Discrimination against the Disabled. The requirements of the Fair Housing Act (42 U.S.C. 3601 et seq.) and implementing regulations at 24 C.F.R. Part 100; Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), and federal regulations issued pursuant thereto, which prohibit discrimination against the disabled in any federally assisted program, the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) and the applicable requirements of Title II and/or Title III of the Americans with Disabilities Act of 1990 (42 U.S.C. 12131 et seq.), and federal regulations issued pursuant thereto.\

(viii) Clean Air and Water Acts. The Clean Air Act, as amended, 42 U.S.C. 7401 et seq., the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq., and the regulations of the Environmental Protection Agency with respect thereto, at 40 C.F.R. Part 1500, as amended from time to time.

(ix) Uniform Administrative Requirements. If applicable, the requirements of applicable sections of 24 C.F.R. Part 85, as amended from time-to-time, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments" and 24 C.F.R. 570.502 regarding cost and auditing requirements.

(x) Training Opportunities. The requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u ("Section 3"), requiring that to the greatest extent feasible opportunities for training and employment be given to lower income residents of the project area and agreements for work in connection with the project be awarded to business concerns which are located in, or owned in substantial part by persons residing in, the areas of the project. BORROWER agrees to include the following language in all subcontracts executed under this NSP2 Loan Agreement:

(1) The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u. The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very

low-income persons, particularly persons who are recipients of HUD assistance for housing.

(2) The parties to this contract agree to comply with HUD's regulations in 24 C.F.R. Part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.

(3) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause; and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference; shall set forth minimum number and job titles subject to hire; availability of apprenticeship and training positions; the qualifications for each; the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

(4) The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 C.F.R. Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 C.F.R. Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 C.F.R. Part 135.

(5) The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 C.F.R. Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 C.F.R. Part 135.

(6) Noncompliance with HUD's regulations in 24 C.F.R. Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

(7) With respect to work performed in connection with Section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian

organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

(xi) Labor Standards. The labor requirements set forth in 24 C.F.R. Section 570.603; the prevailing wage requirements of the Davis-Bacon Act and implementing rules and regulations (40 U.S.C. 3141-3148); the Copeland "Anti-Kickback" Act (40 U.S.C. 276(c)) which requires that workers be paid at least once a week without any deductions or rebates except permissible deductions; the Contract Work Hours and Safety Standards Act – CWHSSA (40 U.S.C. 3701-3708) which requires that workers receive "overtime" compensation at a rate of 1-1/2 times their regular hourly wage after they have worked forty (40) hours in one (1) week; and Title 29, Code of Federal Regulations, Subtitle A, Parts 1, 3 and 5 are the regulations and procedures issued by the Secretary of Labor for the administration and enforcement of the Davis-Bacon Act, as amended.

(xii) Drug Free Workplace. The requirements of the Drug Free Workplace Act of 1988 (P.L. 100-690) and implementing regulations at 24 C.F.R. Part 24.

(xiii) Anti-Lobbying; Disclosure Requirements. The disclosure requirements and prohibitions of 31 U.S.C. 1352 and implementing regulations at 24 C.F.R. Part 87.

(xiv) Historic Preservation. The historic preservation requirements set forth in the National Historic Preservation Act of 1966, as amended (16 U.S.C. Section 470) and the procedures set forth in 36 C.F.R. Part 800. If archeological, cultural, or historic period resources are discovered during construction, all construction work must come to a halt and BORROWER shall immediately notify the County. BORROWER shall not shall alter or move the discovered material(s) until all appropriate procedures for "post-review discoveries" set forth in Section 106 of the National Historic Preservation Act have taken place, which include, but are not limited to, consultation with the California State Historic Preservation Officer and evaluation of the discovered material(s) by a qualified professional archeologist.

(xv) Flood Disaster Protection. The requirements of the Flood Disaster Protection Act of 1973 (P.L. 93-234) (the "Flood Act"). No portion of the assistance provided under this NSP2 Loan Agreement is approved for acquisition or construction purposes as defined under Section 3(a) of the Flood Act, for use in an area identified by HUD as having special flood hazards which is not then in compliance with the requirements for participation in the national flood insurance program pursuant to Section 201(d) of the Flood Act. The use of any assistance provided under this NSP2 Loan Agreement for such acquisition or construction in such identified areas in communities then participating in the National Flood Insurance Program is subject to the mandatory purchase of flood insurance requirements of Section 102(a) of the Flood Act. If the Property is located in an area identified by HUD as having special flood hazards and in which the sale of flood insurance has been made available under the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4001 et seq., the property owner and its successors or assigns must obtain and maintain, during the ownership of the Property, such flood

insurance as required with respect to financial assistance for acquisition or construction purposes under Section 102(s) of the Flood Act. Such provisions are required notwithstanding the fact that the construction on the Property is not itself funded with assistance provided under this NSP2 Loan Agreement.

(xvi) Procurement.

(1) Compliance. CITY has the right to require BORROWER to comply with any or all current CITY's NSP2 Policies and Procedures Manual concerning the purchase of equipment and shall maintain an inventory record of all non-expendable personal property (as defined by CITY policy) as may be procured with funds provided herein. All property assets (unexpended program income, property, equipment, etc.) shall revert to CITY upon termination of this NSP2 Loan Agreement.

(2) OMB Standards. BORROWER shall procure materials in accordance with the requirements of 24 C.F.R. 84.40-48 and the procurement standards set forth in OMB Circular A-133, and shall subsequently follow the property standards, covering utilization and disposal of property, set forth in OMB Circular A-133.

(xvii) Documentation and Record-Keeping.

(1) Records to be Maintained. BORROWER shall maintain all records required by the federal regulations specified in 24 C.F.R. Part 570.506 and the NSP2 Requirements, and satisfactory to CITY staff, and that are pertinent to the activities to be funded under this NSP2 Loan Agreement. Such records include but are not be limited to:

(A) Records providing a full description of each activity undertaken;

(B) Certification executed by BORROWER in substantially the same form as attached as Exhibit E, demonstrating that each activity undertaken meets one of the National Objectives of the CDBG and NSP2 Program;

(C) Records required to determine the eligibility of activities;

(D) Records required to document the acquisition, improvement, use or disposition of real property acquired or improved with CDBG and NSP2 assistance;

(E) Records documenting compliance with the fair housing and equal opportunity components of the CDBG and NSP2 Program;

(F) Records documenting compliance with the changes in use restrictions specified in 24 C.F.R. Part 570.505 (for any properties that are retained).

(G) Records as required by 24 C.F.R. Part 570.502, 24 C.F.R. 84.21-28 and OMB Circular A-133; and

(H) Other records necessary to document compliance with Subpart K of 24 C.F.R. 570 and the NSP2 Requirements.

(2) Insufficient Records. CITY shall notify BORROWER of any records it deems insufficient. BORROWER shall have thirty (30) calendar days after the receipt of such a notice to correct any deficiency in the records specified by CITY in such notice, or if a period longer than thirty (30) days is reasonably necessary to correct the deficiency, then BORROWER shall begin to correct the deficiency within thirty (30) days and correct the deficiency as soon as reasonably possible.

(3) Retention of Records. BORROWER shall retain all financial records, supporting documents, statistical records, and all other records pertinent to services performed and expenditures incurred under this NSP2 Loan Agreement for a period of five (5) years after the termination of all activities funded under this NSP2 Loan Agreement, or after the resolution of all litigation, claims, federal audits, negotiation or other actions that involve any of the records cited, whichever occurs later. BORROWER shall retain records for non-expendable property acquired with funds under this NSP2 Loan Agreement for five (5) years after final disposition of such property. Records for any displaced person must be kept for five (5) years after he/she has received final payment.

(4) National Objectives. Pursuant to subsection (1)(B) above, BORROWER shall execute and submit to CITY a certification in substantially the same form as attached as Exhibit E, for approval by the City that the activities carried out with funds provided under this NSP2 Loan Agreement meet the low/moderate/middle income national objective under the NSP2 Program.

(5) Close-Outs. BORROWER's obligation to CITY does not end until all close-out requirements are completed. Close-out period requirements include, but are not limited to: submission of close-out report; making final payments; disposing of property assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and receivable accounts to CITY); and determining the custodianship of records.

(6) Audits and Inspections. CITY shall notify BORROWER of any records it deems insufficient. BORROWER shall have fifteen (15) calendar days after the receipt of such a notice to correct any deficiency in the records specified by CITY in such notice, or if a period longer than fifteen (15) days is reasonably necessary to correct the deficiency, then BORROWER shall begin to correct the deficiency within fifteen (15) days and correct the deficiency as soon as reasonably possible.

(xviii) Hatch Act. BORROWER agrees that no funds provided, nor personnel employed under this NSP2 Loan Agreement, shall be in any way, or to any extent engaged, in the conduct of political activities in violation of 5 U.S.C. 15.

(xix) Conflict of Interest. BORROWER agrees to abide by the provisions of 24 C.F.R. 84.42 and 24 C.F.R. 570.611 with respect to conflicts of interest, which include (but are not limited to) the following:

(1) BORROWER shall maintain a written code or standards of conduct that shall govern the performance of its officers, employees or agents engaged in the award and administration of contracts supported by federal funds.

(2) In accordance with Government Code Section 1090 and the Political Reform Act, Government Code Section 87100 et seq., no person who is a director, officer, partner, trustee or employee or consultant of BORROWER, or immediate family member of any of the preceding, shall make or participate in a decision, made by CITY or a CITY board, commission or committee, if it is reasonably foreseeable that the decision will have a material effect on any source of income, investment or interest in real property of that person or BORROWER. Interpretation of this Section shall be governed by the definitions and provisions used in the Political Reform Act, Government Code Section 87100 et seq., its implementing regulations manual and codes, and Government Code Section 1090.

(3) No employee, officer or agent of BORROWER shall participate in the selection, or in the award, or administration of, a contract supported by federal funds if a conflict of interest, real or apparent, would be involved.

(4) BORROWER covenants that it presently has no financial interest and shall not acquire any financial interest, direct or indirect, which would conflict in any manner or degree with the performance of services required under this NSP2 Loan Agreement. BORROWER further covenants that in the performance of this NSP2 Loan Agreement no person having such a financial interest shall be employed or retained by BORROWER hereunder.

(5) Except for approved eligible administrative or personnel costs, no person described in this subsection who exercises or has exercised any functions or responsibilities with respect to the activities funded pursuant to this NSP2 Loan Agreement or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a personal or financial interest or benefit from the activity, or have an interest in any contract, subcontract or agreement with respect thereto, or the proceeds thereunder, either for themselves or those with whom they have family or business ties, during, or at any time after, such person's tenure. BORROWER shall exercise due diligence to ensure that the prohibition in this subsection is followed. The conflict of interest provisions of this subsection apply to any person who is an employee, agent, consultant, officer, or any immediate family member of such person, or any elected or appointed official of CITY, or any person related within the third (3rd) degree of such person.

(xx) Section 2304 Requirements. BORROWER shall comply with Section 2304 of Title III of Division B of the Housing and Economic Recovery Act of 2008, which states that no NSP2 Funds may be distributed to: (a) an organization that has been indicted for a violation under federal law relating to an election for federal office; or (b) an organization that employs applicable individuals. An "applicable individual" means an individual who has been indicted for a violation under federal law relating to an election for federal office and is: (a) employed by the organization in a permanent or temporary capacity or is contracted or retained by the organization; or (b) acting on behalf of, or with the express or apparent authority of the organization.

(xxi) Recovery of Capital Costs. BORROWER shall not attempt to recover any capital costs of public improvements assisted with CDBG or NSP2 Funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements. However, if NSP2 Funds are used to pay the proportion of a fee or assessment attributable to the capital costs of public improvements (assisted in part with NSP2 Funds) financed from other revenue sources, an assessment or charge may be made against the Property Parcel with respect to the public improvement financed by a source other than CDBG or NSP2 Funds.

(xxii) Subcontracts.

(1) Approvals. BORROWER may not enter into any subcontracts in an amount greater than Ten Thousand Dollars (\$10,000) with any entity or individual in the performance of this NSP2 Loan Agreement without the written consent of CITY prior to the execution of such subcontract.

(2) Monitoring. BORROWER shall monitor all subcontracted services on a regular basis to assure contract compliance. BORROWER shall summarize the results of monitoring efforts in written reports that are supported by documented evidence of follow-up actions taken to correct any areas of noncompliance.

(3) Content. BORROWER shall cause all of the provisions of this NSP2 Loan Agreement in its entirety to be included in and made a part of any subcontract executed in the performance of this NSP2 Loan Agreement.

(4) Selection Process. BORROWER shall undertake to ensure that all subcontracts let in the performance of this NSP2 Loan Agreement are awarded on a fair and open competitive basis in accordance with applicable procurement requirements. BORROWER shall forward executed copies of all subcontracts to CITY along with documentation concerning the selection process.

(xxiii) Lobbying. BORROWER hereby certifies that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of CITY, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

(2) If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of CITY, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions;

(3) It will require that the following language be included in the award documents for all sub-awards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all sub-contractors shall certify and disclose accordingly:

"This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S.C. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure."

(4) This certification is a material representation of fact upon which reliance was placed when this NSP2 Loan Agreement was made or entered into. Submission of this certification is a prerequisite for making or entering into this NSP2 Loan Agreement imposed by 31 U.S.C. Section 1352. Any person who fails to file the required certification will be subject to a civil penalty of not less than Ten Thousand Dollars (\$10,000) and not more than One Hundred Thousand Dollars (\$100,000) for such failure.

(xxiv) Religious Organization. BORROWER agrees that funds provided under this NSP2 Loan Agreement will not be utilized for religious activities, to promote religious interests, or for the benefit of a religious organization in accordance with the federal regulations specified in 24 C.F.R. 570.200(j).

(xxv) Buy American. BORROWER shall comply with Section 1605 of the NSP2 Act which offers government-wide guidance at 2 CFR 176, with regards to the Buy American Program and the responsibilities and compliance requirements connected thereto. BORROWER assumes responsibility for the acts of its employees and sub-contractors as they relate to the procurement of building materials in connection to the "Buy American" Program.

(xxvi) HUD Regulations. Any other HUD regulations present or as may be amended, added, or waived in the future pertaining to the NSP2 Loan funds.

Section 7.4 Progress Reports.

Until such time as BORROWER has sold the Property, BORROWER shall provide CITY with certified quarterly progress reports regarding the status of its acquisition, **[INSERT, if applicable: rehabilitation]**, rental, and sale.

Section 7.5 Environmental Indemnity.

As an inducement to CITY to enter into this NSP2 Loan Agreement, BORROWER agrees that from and after the close of escrow for purchase of the Property, BORROWER assumes the risk of and agrees to indemnify and hold CITY harmless, and to defend CITY against and from any and all claims, liabilities, judgments, damages, losses, administrative actions, litigation, response costs, penalties, expenses (including without limitation costs and attorneys fees), or demands CITY might otherwise incur to any party, including any applicable federal, state or local governmental body which relate to the existence, presence, storage, lease, discharge, emission or disposal of hazardous and toxic materials or otherwise harmful substances of any kind whatsoever on, under or above the property or which come into contact with the property and affect other properties, regardless of when such condition came into existence. This indemnification shall attach and bind BORROWER under BORROWER's ownership of the Property and shall also serve, as between CITY and BORROWER, to fully insulate CITY from liability and responsibility under any future third party ownership of the Property to the fullest extent under applicable law.

Section 7.6 Inspections. Right of Access.

For purposes of assuring compliance with the Loan Documents, authorized representatives and agents of CITY shall have reasonable right of access to the Property, without charges or fees, to conduct inspection of the use, operation and maintenance of the Property.

Section 7.7 Prohibition Against Transfer and Assignment of Agreement

(a) For purposes of this NSP2 Loan Agreement, "Transfer" means any sale, assignment, or transfer, whether voluntary or involuntary, of (i) any rights and/or duties under this NSP2 Loan Agreement, and/or (ii) any interest in the Property, including (but not limited to) a fee simple interest, a joint tenancy interest, a life estate, a partnership interest, a leasehold interest, a security interest, or an interest evidenced by a land contract by which possession of the Property is transferred and BORROWER retains title. The term "Transfer" excludes the sale to a Qualified Homebuyer or lease to a Qualified Tenant of the Property in compliance with the NSP2 Regulatory Agreement.

(b) No Transfer is permitted without the prior written consent of CITY, which CITY may withhold in its sole discretion. The NSP2 Loan will automatically accelerate and be due in full upon any Transfer made without the prior written consent of CITY.

(c) In the absence of specific written agreement by CITY, no Transfer or the approval thereof by CITY, shall be deemed to relieve BORROWER or any other party from any obligations under this NSP2 Loan Agreement.

(d) BORROWER acknowledges and understands in the event of a Transfer, without advance written consent of CITY, any proceeds received in excess of the unpaid balance of the NSP2 Loan is subject to recapture by CITY pursuant to regulations governing NSP2 funds.

Section 7.8 Obligation to Refrain from Discrimination.

BORROWER covenants and agrees for itself, its successors, its assigns and every successor in interest to the Property or any part thereof, that there shall be no discrimination against or segregation of any person, or group of persons on account of race, color, creed, religion, sex, age, marital status, ancestry, national origin, physical handicap or other arbitrary factor in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Property or any part thereof, nor shall BORROWER itself or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the Property or any part thereof. The foregoing covenants shall run with the land and shall remain in effect in perpetuity. The NSP2 Regulatory Agreement shall contain appropriate reference and provision to carry out the purpose of this Section.

Section 7.9 Maintenance of the Property.

(a) BORROWER agrees to maintain the improvements and landscaping on the Property in a clean and orderly condition and in good condition and repair and keep the Property free from any accumulation of debris and waste materials. If there arises a condition in contravention of this requirement, and if BORROWER has not cured such condition within thirty (30) days after receiving a CITY notice of such a condition, then in addition to any other rights available to CITY, CITY may perform all acts necessary to cure such condition, and to establish or enforce a lien or other encumbrance against the Property, subject to the provisions provided in subsection (b) below.

(b) Subject to the requirements of senior lenders, and if economically feasible in CITY's judgment after consultation with BORROWER, if any improvement now or in the future on the Property is damaged or destroyed, then BORROWER shall, at its cost and expense, diligently undertake to repair or restore such improvement consistent with the plans and specifications approved by CITY with such changes as have been approved by CITY. Such work or repair is to be commenced no later than the later of one hundred twenty (120) days, or such longer period approved by CITY in writing, after the damage or loss occurs or thirty (30)

days following receipt of the insurance proceeds, and is to be complete within one (1) year thereafter. Any insurance proceeds collected for such damage or destruction are to be applied to the cost of such repairs or restoration and, if such insurance proceeds are insufficient for such purpose, then BORROWER shall make up the deficiency. If BORROWER does not promptly make such repairs then any insurance proceeds collected for such damage or destruction are to be promptly delivered by BORROWER to CITY as a special repayment of the Loan, subject to the rights of any senior lenders, if any.

Section 7.10 Books and Accounts.

BORROWER shall maintain complete books of accounts and other records for the project and for the use of the Loan Funds; including, but not limited to, records of preliminary notices, lien releases, invoices, receipts and certificates of insurance pertaining to the contractor and each subcontractor; and the same shall be available for inspection and copying by CITY upon reasonable notice to BORROWER.

Section 7.11 Fees and Taxes.

BORROWER is solely responsible for payment of all fees, assessments, taxes, charges, and levies imposed by any public authority or utility company with respect to the Property, and shall pay such charges prior to delinquency. However, BORROWER is not required to pay and discharge any such charge so long as (i) the legality thereof is being contested diligently and in good faith and by appropriate proceedings, and (ii) if requested by CITY, BORROWER deposits with CITY any funds or other forms of assurance that the County in good faith from time to time determines appropriate to protect CITY from the consequences of the contest being unsuccessful.

Section 7.12 Notice of Litigation.

BORROWER shall promptly notify CITY in writing of any litigation that has the potential to materially affect BORROWER or the Property and of any claims or disputes that involve a material risk of such litigation.

Section 7.13 Insurance Requirements.

BORROWER shall provide at its own expense and maintain at all times through the term of the NSP2 Note, an all-risk property insurance policy with an insurance company licensed in the State of California insuring the Property in an amount equal to the full replacement value of the structures on the Property. The policy shall name CITY as loss payee and shall contain a statement of obligation on behalf of the insurer to notify CITY of any material change, cancellation or termination of coverage at least thirty (30) days in advance of the effective date of such material change, cancellation or termination. The notices required by the preceding sentence shall be given to the Risk Manager of the City of Modesto by certified mail, return receipt requested. BORROWER shall deliver a copy of the certificate of insurance and loss payee endorsement to the Risk Manager of the City of Modesto within (30) days of the Effective Date, and BORROWER shall annually deliver a copy of the certificate of insurance and a loss

payee endorsement, signed by an authorized agent of the insurer setting forth the general provisions of coverage.

In addition, BORROWER shall provide at its own expense and maintain at all times through the term of the Note, the following insurance with insurance companies licensed in the State of California and shall provide written evidence of such insurance to the Risk Manager of the City of Modesto no later than the Effective Date, and annually thereafter within thirty (15) days of the renewal of such policies. The policies or certificates thereof shall provide that thirty (30) days prior to cancellation or material change in the policy, notices of same shall be given to the Risk Manager of the City of Modesto by certified mail, return receipt requested, for all of the following stated insurance policies:

(a) General Liability insurance with a minimum limit of liability per occurrence of \$1,000,000.00 for bodily injury and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit. This insurance shall indicate on the certificate of insurance the following coverages and indicate the policy aggregate limit applying to: premises and operation; broad form contractual; independent consultants and subcontractors; products and completed operations as applicable.

(b) Worker's Compensation insurance in compliance with the statutes of the State of California, plus employer's liability with a minimum limit of liability of \$1,000,000.00.

(c) Automobile Liability insurance with a minimum limit of liability per occurrence of \$1,000,000.00 for bodily injury and property damage. This insurance shall cover any automobile used in the course and scope of BORROWER's business for bodily injury and property damage.

(d) Except for Workers Compensation, each policy of insurance shall name CITY, its agents, officers and employees as an additional insured. BORROWER shall provide CITY with separate endorsements evidencing proof of CITY's additional insured status as to both the general liability and automobile liability insurance policies. In addition, BORROWER shall provide CITY with a Workers Compensation subrogation waiver by way of a separate endorsement. All endorsements referenced above must include the applicable policy number. BORROWER shall deliver all certificates of the existence of insurance, loss payee endorsements and additional insured certificates to the Risk Manager of CITY on or before the Effective Date, and annually thereafter within thirty (30) days of the renewal of such policies, signed by an authorized agent of the insurance carrier setting forth the general provisions of coverage. BORROWER's insurance policies shall include a provision that the coverage is primary as respects to CITY and shall include no special limitations to coverage provided to additional insured; and shall be placed with insurer(s) with acceptable Best's rating of A:VII or with approval of the Risk Manager.

If at any time any of said policies shall be unsatisfactory to CITY, as to form or substance, or if a company issuing such policy shall be unsatisfactory to CITY, the BORROWER shall promptly obtain a new policy, submit the same to the Risk Manager for approval and submit a certificate thereof as hereinabove provided. Upon failure of the BORROWER to furnish, deliver or maintain such insurance and certificates as above provided, this NSP2 Loan Agreement, at the election of CITY, may be forthwith declared suspended or terminated. Failure of the BORROWER to obtain and/or maintain any required insurance shall not relieve the BORROWER from any liability under this NSP2 Loan Agreement, nor shall the insurance requirements be construed to conflict with or otherwise limit the obligations of the BORROWER concerning indemnification. The CITY, its agents, officers, employees and volunteers shall be named as an additional insured on all the insurance policies required herein, except the Workers Compensation. The Workers Compensation insurer shall agree to waive all rights of subrogation against CITY, its agents, officers, employees and volunteers for losses arising from work performed by BORROWER for CITY or in relation to the project.

For any claims related to the Property or the rehabilitation or operation of the Property, BORROWER's insurance coverage shall be primary insurance as respects CITY, its agents, officers, employees and volunteers. Any insurance or self-insurance maintained by CITY, its officers, employees or volunteers shall be excess of the BORROWER's insurance and shall not contribute with it.

Failure of BORROWER to obtain and/or maintain any required insurance shall not relieve BORROWER from any liability under this NSP2 Loan Agreement nor shall the insurance requirements be construed to conflict with or otherwise limit the obligations of BORROWER relating to indemnification.

SECTION 8. REPRESENTATIONS, WARRANTIES AND CERTIFICATIONS.

BORROWER represents, warrants, and certifies to CITY as follows:

Section 8.1 Organization. BORROWER is duly organized, validly existing and in good standing under the laws of the State of California and has the power and authority to own, [INSERT, if applicable: rehabilitate], operate and maintain the Property.

Section 8.2 Authority of BORROWER. BORROWER has full power and authority to execute and deliver this NSP2 Loan Agreement, the Regulatory Agreement all other Loan Documents or instruments executed and delivered, or to be executed and delivered, pursuant to this NSP2 Loan Agreement, and to perform and observe the terms and provisions of all of the above.

Section 8.3 Authority of Persons Executing Documents. The Loan documents and all documents or instruments executed and delivered, or to be executed and delivered, pursuant to this NSP2 Loan Agreement, have been executed and delivered by persons who are duly authorized to execute and deliver the same for and on behalf of BORROWER. All actions required under BORROWER's organizational documents and applicable governing law for the

authorization, execution, delivery and performance of this NSP2 Loan Agreement, the other Loan Documents and all documents or instruments executed and delivered, or to be executed and delivered, pursuant to this NSP2 Loan Agreement, have been duly taken.

Section 8.4 Valid Binding Agreements. The Loan Documents and all documents or instruments executed and delivered pursuant to or in connection with this NSP2 Loan Agreement constitute or, if not yet executed or delivered, will when so executed and delivered, constitute legal, valid and binding obligations of BORROWER, enforceable against BORROWER in accordance with their respective terms.

Section 8.5 No Breach of Law or Agreement. None of the execution or delivery of the Loan Documents or of any document or instrument executed and delivered, or to be executed or delivered, pursuant to this NSP2 Loan Agreement, or the performance of any provision, condition, covenant or other term hereof or thereof, will conflict with or result in a breach of any statute, rule or regulation, or any judgment, decree or order of any court, board, commission, or agency whatsoever binding on BORROWER or any provision of the organizational documents of BORROWER, will conflict with or constitute a breach of or a default under any agreement to which BORROWER is a party, or will result in the creation or imposition of any lien upon any assets or property of BORROWER, other than the liens approved by CITY.

Section 8.6 Compliance with Laws: Consents and Approvals. BORROWER will comply with all applicable laws, ordinances, rules and regulations of federal (including, but not limited, to the HUD Housing Quality Standards pursuant to 24 C.F.R. 887.109, Section 504 of the Rehabilitation Act of 1973 as amended and the American with Disabilities Act of 1992), state and local governments and agencies having jurisdiction over either BORROWER or the Property and with all applicable directions, rules and regulations of the fire marshal, health officer, building inspector and other officers of any such government or agency including, but not limited, to the HUD Housing Quality Standards pursuant to 24 C.F.R. 92.251, 24 C.F.R. 887.109 and Section 504 of the Rehabilitation Act of 1973 as amended and the American with Disabilities Act of 1992.

Section 8.7 Permits. All permits, consents, permissions and licenses required by any federal, state or local government or agency to which BORROWER or the Property is subject, which may be necessary in relation to this NSP2 Loan Agreement or the development, construction, operation or ownership of the Property, at, prior, or subsequent to the commencement of construction, have been, or will be, obtained, and none of such consents, permissions and licenses are subject to appeal or to conditions which have not been met.

Section 8.8 Pending Proceedings. BORROWER is not in default under any law or regulation or under any order of any court, board, commission or agency whatsoever, and there are no claims, actions, suits or proceedings pending or, to the knowledge of BORROWER, threatened against or affecting BORROWER or the Property, at law or in equity, before or by any court, board, commission or agency whatsoever which might, if determined adversely to BORROWER, materially affect BORROWER's ability to rehabilitate or operate the Property or repay the loan or impair the security to be given to CITY pursuant hereto.

Section 8.9 Hazardous Materials. BORROWER shall perform a due diligence review of the condition of the Property including a review to disclose the possible existence of asbestos, lead, and toxic or hazardous materials prior to the acquisition of the Property.

Section 8.10 Violations of Law. BORROWER is not presently disbarred, suspended, proposed for debarment, declared ineligible, or involuntarily excluded from covered transactions (see Title 24 C.F.R.24) by any federal department or agency; has not within a three (3) year period preceding this NSP2 Loan Agreement, been convicted of or had a civil judgment rendered against it for commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements or receiving stolen property; is not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission or any of the offenses enumerated in this paragraph; and has not within a three (3) year period preceding this NSP2 Loan Agreement had one or more public transactions (federal, state or local) terminated for cause or default.

Section 8.11 Adequacy of Loan. The amount of the Loan, together with any funds to be provided by BORROWER or to BORROWER from any other source, is adequate to purchase the Property and complete rehabilitation thereof in accordance with this NSP2 Loan Agreement. BORROWER will be responsible for all construction and operational costs greater than the NSP2 Loan.

Section 8.12 Availability of Utilities. All utilities necessary for the operation of the Property are available at or within the boundaries of the Property and all steps necessary to assure that such utility services will be available upon occupancy.

Section 8.13 Title to Property. Upon recordation of the NSP2 Deed of Trust, BORROWER shall have good and marketable title to the Property.

Section 8.14 Eligible Property. The Property is an Eligible Property as defined in the MOU and as required by regulations and laws governing receipt and use of NSP2 Loan funds.

SECTION 9. EVENT OF DEFAULT.

The occurrence of any of the following shall constitute an "Event of Default" under this NSP2 Loan Agreement and the NSP2 Loan Documents, following notice to BORROWER by CITY, specifying (a) the applicable event; (b) the action required to cure the default; and (c) a date, which shall not be fewer than thirty (30) days after the date of notice is mailed to BORROWER, by which such action must be taken by BORROWER to cure the default, unless CITY extends the cure period.

(a) Performance of Obligations. BORROWER's default under any of the Loan Documents, or BORROWER's failure to perform its obligations under this NSP2 Loan Agreement within the cure period.

(b) Sale of Property. BORROWER sells the Property to a person who is not a Qualified Homebuyer.

(c) Rental of Property. BORROWER rents the Property to a person who is not a Qualified Tenant.

(d) Transfer. BORROWER sells, transfers, conveys, assigns, encumbers or leases the Property, or any part thereof, without written consent of CITY.

(e) Insurance. BORROWER fails to obtain or maintain insurance coverage as required and specified in Section 7.15.

(f) Liens. Attachment of an involuntary lien or liens of any kind or character to the Property.

(g) Representation and Warranties. Any of BORROWER's representations, warranties or certifications herein were untrue when made by BORROWER and cease to be true thereafter;

(h) Voluntary Bankruptcy; Insolvency; Dissolution. BORROWER's (i) filing of a petition for relief under any state or federal law regarding bankruptcy, reorganization or other relief to debtors; (ii) filing any pleading in any involuntary proceeding under any state or federal law regarding bankruptcy, reorganization or other relief to debtors which admits the jurisdiction of the court or the petition's material allegations regarding BORROWER's insolvency; (iii) making a general assignment for the benefit of creditors; (iv) applying for, or the appointment of, a receiver, trustee, custodian or liquidator of BORROWER, or any of its properties; (v) inability or admission in writing of its inability to pay debts as they are due; or (6) filing by BORROWER of a petition seeking the liquidation or dissolution of BORROWER or the commencement of any other procedures to liquidate or dissolve BORROWER; or

(i) Involuntary Bankruptcy. BORROWER's failure to effect a full dismissal of any involuntary (i) petition under any state or federal law regarding bankruptcy, reorganization or other relief to debtor; (ii) proceeding for the appointment of a receiver, trustee or liquidator for BORROWER or all or a material part of the assets of BORROWER; or (iii) petition or proceeding under other state or federal law regarding bankruptcy, reorganization or other relief to debtors that is filed against BORROWER.

SECTION 10. NOTICE OF DEFAULT.

Upon the occurrence of an Event of Default, CITY shall give BORROWER written Notice of Default by specifying:

(a) The nature of the event, deficiency or noncompliance giving rise to the default; and

(b) The action required to cure the default if action to cure is possible; and

(c) A date, which shall be not fewer than thirty (30) calendar days from the date the written notice of default was provided to BORROWER, by which such action to cure must be taken. CITY, in its reasonable discretion, may provide additional time to cure if BORROWER has commenced and is diligently pursuing a cure in good faith.

If BORROWER fails to take corrective action to cure the default within the time specified, CITY may, without further notice, seek any remedies available under this MOU or applicable law.

SECTION 11. DEFAULT REMEDIES.

On the happening of an Event of Default under Section 9 of this NSP2 Loan Agreement, and the expiration of the applicable cure period, CITY's obligation to disburse proceeds of the NSP2 Loan shall terminate and CITY shall have the right to either apply all or part of the remaining proceeds of the NSP2 Loan to payment of accrued interest and principal due under any obligations of BORROWER hereunder. On the happening of an Event of Default, and the expiration of the applicable cure period, CITY may, in addition to other rights and remedies permitted by the NSP2 Loan Agreement or applicable law, proceed with any or all of the following remedies in any order or combination CITY may choose in its sole discretion:

(a) Terminate this NSP2 Loan Agreement in which event the entire unpaid principal amount under the NSP2 Note shall immediately become due and payable at the option of CITY; or

(b) Bring an action in equitable relief seeking specific performance by BORROWER of the terms and conditions of this NSP2 Loan Agreement or enjoining, abating, or preventing any violation of said terms and conditions of this MOU or seeking declaratory relief; or

(c) Institute legal action to cure, correct or remedy any default, to recover damages for any default or to obtain any other remedy consistent with the purpose of this NSP2 Loan Agreement; or

(d) Initiate and pursue any private and/or judicial foreclosure action allowed under applicable law and the owner of sale provision in the NSP2 Deed of Trust; or

(e) Compel BORROWER to convey and transfer the Property to CITY in exchange for the cancelation of BORROWER's obligation to repay the unpaid balance of NSP2 Note; or

(f) Pursue any other remedy allowed at law or equity.

Nothing in this section is intended or shall be construed as precluding CITY from proceeding with a non-judicial foreclosure under the power of sale contained in the NSP2 Deed of Trust in the event of default by BORROWER or its assignee.

SECTION 12. LEGAL ACTION OR OTHER ACTION TO ENFORCE AGREEMENT OR SEEK REMEDY.

In the event any party to this NSP2 Loan Agreement institutes a lawsuit or other action to enforce or interpret any part of this NSP2 Loan Agreement or the Loan Documents, or to seek a remedy for any breach of any Loan Document, the prevailing party shall recover, in addition to any other remedies, all costs of suit, including reasonable attorneys fees (to include the reasonable costs of in-house attorneys) and costs.

SECTION 13. NOTICES.

All notices pursuant to this NSP2 Loan Agreement shall be in writing and served on the other party (a) by personal delivery or (b) by certified mail, return receipt requested, to the respective addresses as set forth below. Receipt shall be deemed to have occurred on the date shown on a written receipt as the date of delivery or refusal of delivery (or attempted delivery if undeliverable).

Housing Authority of the County of Stanislaus
1701 Robertson Road
Modesto, CA 95351
Attn: Executive Director

SECTION 14. INDEMNIFICATION.

BORROWER shall indemnify and hold CITY and its officers, agents, officials, and employees free and harmless against any losses, damages, liability, claims, demands, judgments, actions, court costs, and legal or other expenses (including attorney's fees) which arise out of or in connection with this NSP2 Loan Agreement or the acquisition, use or operation of the Property. This indemnity obligation shall not extend to any claim arising from the gross negligence or willful misconduct of CITY, its officers, agents, officials and employees. The provisions of this section shall survive the expiration of the term of this NSP2 Loan Agreement.

SECTION 15. PUBLICITY.

Any publicity generated by BORROWER for the Property funded herein during the term of this NSP2 Loan Agreement and for one year thereafter, shall make reference to the contribution of CITY in making the project possible. The words "City of Modesto, Parks, Recreation and Neighborhoods Department" shall be explicitly stated in any and all pieces of publicity, including, but not limited to, flyers, press releases, and posters.

SECTION 16. SUCCESSORS AND ASSIGNS.

The terms of this NSP2 Loan Agreement shall be binding upon and inure to the benefit of the successors and assigns of the parties.

SECTION 17. RELATIONSHIP OF PARTIES.

The relationship of BORROWER and CITY under the Loan Documents, is, and shall at all times remain, solely that of borrower and lender. CITY neither undertakes nor assumes any responsibility or duty to BORROWER or to any third party with respect to the Property, except expressly provided in the Loan Documents. Nothing contained in this NSP2 Loan Agreement shall be interpreted or understood by any of the parties, or by any third person, as creating the relationship of employer and employee, principal and agent, limited or general partnership, or joint venture between CITY and BORROWER or its agents, employees or contractors. Except as CITY may specify in writing, BORROWER shall have no authority to act as an agent of CITY or to bind CITY to any obligation.

SECTION 18. AMENDMENTS.

This NSP2 Loan Agreement, including other Loan Documents, shall not be altered or amended except in writing, signed by the parties. Any amendment or addendum to the Loan Documents shall expressly refer to the Loan Document being amended. BORROWER agrees that any other agreement entered into by BORROWER relating to the performance of this NSP2 Loan Agreement shall be subject to the written approval of CITY.

SECTION 19. NON-LIABILITY OF OFFICIALS, EMPLOYEES AND AGENTS.

Section 19.1 No member, official, employee or agent of CITY shall be personally liable to BORROWER in the event of any default or breach by CITY or for any amount that may become due to BORROWER or any obligation under the terms of this NSP2 Loan Agreement.

Section 19.2 No member, official, employee or agent of BORROWER shall be personally liable to CITY the event of any default or breach by BORROWER or for any amount that may become due to CITY or any obligation under the terms of this NSP2 Loan Agreement.

SECTION 20. GOVERNING LAW.

The Loan Documents shall be governed by, and construed in accordance with, the laws of the State of California, except to the extent preempted by federal laws.

SECTION 21. VENUE.

Should either party institute suit or arbitration for enforcement or interpretation of any provision contained herein, the venue of such action shall be in Stanislaus County, California.

SECTION 22. SEVERABILITY.

If any provision of the Loan Documents shall be determined by a court of competent jurisdiction to be invalid, illegal, or unenforceable, that portion shall be deemed severed from the Loan Documents and the remaining parts shall remain in full force as though the invalid, illegal or unenforceable portion had never been part of the Loan Documents.

SECTION 23. RIGHTS CUMULATIVE. NO WAIVER.

All CITY's rights and remedies provided in the Loan Documents, granted by law or otherwise, are cumulative and, except as provided herein, may be exercised by CITY at any time. Any waiver by CITY of any obligation or condition in this NSP2 Loan Agreement must be in writing and shall be limited to its specific terms. No waiver will be implied from any delay or failure by CITY to take action on any breach or default of BORROWER or to pursue any remedy allowed hereunder or applicable law. Any extension of time granted to BORROWER to perform any obligation hereunder shall not operate as a waiver or release from any of its obligations under this NSP2 Loan Agreement. Consent by CITY to any act or omission by BORROWER shall not be construed to be a consent to any other or subsequent act or omission or to waive the requirement for CITY's written consent to future waivers.

SECTION 24. TITLE OF PARTS AND SECTIONS.

Any titles of the sections or subsections of this NSP2 Loan Agreement are inserted for convenience of reference only and shall be disregarded in interpreting any part of the Agreement's provisions.

SECTION 25. LANGUAGE CONSTRUCTION.

The language of each and all paragraphs, terms and/or provisions of this NSP2 Loan Agreement, shall, in all cases and for any and all purposes, and in any way and all circumstances whatsoever, be construed as a whole, according to its fair meaning, and not for or against any party hereto and with no regard whatsoever to the identity or status of any person or persons who drafted all or any portion of this NSP2 Loan Agreement.

SECTION 26. AUTHORITY OF THE PARTIES.

Each individual executing this NSP2 Loan Agreement on behalf of the respective parties represents and warrants that he/she is duly authorized to execute this NSP2 Loan Agreement on behalf of the respective parties.

SECTION 27. NO THIRD PARTIES BENEFITTED.

No person other than CITY and BORROWER and their permitted successors and assigns shall have any right of action under any of the Loan Documents.

SECTION 28. PARTIES BOUND; COVENANTS RUNNING WITH THE LAND; EFFECT AND DURATION OF COVENANTS.

Except as otherwise limited herein, the provisions of this NSP2 Loan Agreement shall be binding upon and inure to the benefit of the parties and their heirs, executors, administrators, legal representatives, successors, transferees, and all assigns.

SECTION 29. NO ENCUMBRANCES.

Save and except the NSP2 Deed of Trust, BORROWER shall not create, permit, file or record against the Property without the prior written consent of CITY any deed of trust lien or other lien, inferior or superior to the lien of the NSP2 Deed of Trust in favor of CITY, other than liens for taxes not yet due and payable.

Any transaction in violation of this Section 30 will cause all indebtedness, irrespective of the maturity dates, at the option of CITY and without demand or notice, to be immediately due and payable to CITY.

SECTION 30. APPROVAL OF CITY COUNCIL.

This NSP2 Loan Agreement shall not be binding until approved by the City Council of the City of Modesto, as evidenced by a resolution adopted by the City Council.

SECTION 31. FORCE MAJEURE.

In addition to specific provisions of this NSP2 Loan Agreement, performance by either Party will not be deemed to be in default where delays or defaults are due to war; insurrection; strikes; lock-outs; riots; floods; earthquakes; fires; quarantine restrictions; freight embargoes; lack of transportation; or court order; or any other similar causes (other than lack of funds of BORROWER or BORROWER's inability to finance the rehabilitation of the Property) beyond the control or without the fault of the Party claiming an extension of time to perform. An extension of time for any cause will be deemed granted if notice by the Party claiming such extension is sent to the other within ten (10) days from the commencement of the cause and such extension of time is not rejected in writing by the other Party within ten (10) days of receipt of the notice. In no event is CITY required to agree to cumulative delays in excess of one hundred eighty (180) days.

SECTION 32. MULTIPLE ORIGINALS; COUNTERPART.

This NSP2 Loan Agreement may be executed in multiple originals, each of which is deemed to be an original, and may be signed in counterparts.

SECTION 33. ENTIRE AGREEMENT.

This NSP2 Loan Agreement, and any exhibits attached hereto or documents referred to herein, constitute the sole and entire Agreement of the parties hereto with respect to the matters herein and correctly sets forth the rights, duties, and obligations of each to the other as of the date first written above.

SECTION 34. TIME.

Time is the essence of each item of the Loan Documents.

CITY OF MODESTO

NEIGHBORHOOD STABILIZATION PROGRAM 2

REGULATORY AGREEMENT

(NSP2 Regulatory Agreement)

This CITY OF MODESTO NEIGHBORHOOD STABILIZATION PROGRAM 3
REGULATORY AGREEMENT (the "NSP2 Regulatory Agreement") is entered into this _____
day of _____, 20_____, by and between the CITY OF MODESTO, a municipal
corporation of the State of California (the "CITY") and HOUSING AUTHORITY OF THE
COUNTY OF STANISLAUS, a California public entity (the "BORROWER") with reference to
the following:

RECITALS

A. WHEREAS, CITY and BORROWER are concurrently with the execution
herewith entering into that certain City of Modesto Neighborhood Stabilization Program 2 Loan

Agreement of even date herewith (the "NSP2 Loan Agreement") which is incorporated herein by reference.

B. WHEREAS, CITY desires to increase the supply of affordable ownership and rental housing for Very Low Income Households, Low Income Households, and Middle Income Households in the City of Modesto.

C. WHEREAS, pursuant to the NSP2 Loan Agreement, CITY has made a loan to BORROWER in the sum of _____ (_____) ("NSP2 Loan") for the purpose of assisting BORROWER in the purchase **[INSERT, if applicable: and rehabilitation]** of certain real property located in the City of Modesto, County of Stanislaus, State of California (the "Property") as more fully described in Exhibit "A" attached hereto.

D. WHEREAS, the Property is being purchased **[INSERT, if applicable: and rehabilitated]** by BORROWER for the sole purpose of selling the Property at an affordable cost to a qualified Very Low Income Household, Low Income Household, or Middle Income Household, also referred to as a Qualified Homebuyer, or upon mutual agreement by BORROWER and CITY, BORROWER may rent the Property as affordable rental housing to a qualified Very Low Income Household, Low Income Household, or Middle Income Household, also referred to as a Qualified Tenant.

E. WHEREAS, it is the intent of the parties hereto that the Property remain affordable and available exclusively to a qualified Very Low Income Household, Low Income Household, or Middle Income Household for an affordability period of no less than twenty (20) consecutive years from the close of escrow on the sale of the Property by BORROWER to a Qualified Homebuyer or in the event BORROWER is unable to sell the Property to a Qualified Homebuyer pursuant to the NSP2 Loan Agreement, the date this Regulatory Agreement is

recorded against the Property. This shall be known as the "Continued Affordability Period."

F. WHEREAS, as a condition of receiving NSP2 Loan, BORROWER must agree to place specified restrictions upon the use and transfer of the Property (24 CFR Sec. 92.252 and 92.254). It is the intent of the parties hereto to evidence BORROWER's compliance with the NSP2 Requirements, as defined in the NSP2 Loan Agreement, and place such restrictions upon the use and transfer of the Property to ensure continued affordability, as required by the NSP2 Requirements.

NOW, THEREFORE, in consideration of the foregoing covenants and other consideration, and in order to induce CITY to enter into the NSP2 Loan with BORROWER, the receipt and sufficiency of which are hereby acknowledged, CITY and BORROWER agree as follows:

1. **Recitals.** The foregoing recitals are part of this NSP2 Regulatory Agreement.
2. **Definitions.** Unless definitions of terms have been expressly set out herein, each term shall have the same definition as set forth in the NSP2 Loan Agreement and that certain City of Modesto Neighborhood Stabilization Program 2 Memorandum of Understanding between CITY and BORROWER, dated _____ ("MOU"). The NSP2 Loan Agreement and MOU are incorporated herein by this reference.
3. **Declarations.** The Property is and shall be subject to the covenants and restrictions hereafter set forth, and shall be binding on and enforceable against BORROWER and any future owner of the Property. The covenants and restrictions herein are established and agreed upon for the purpose of expanding and preserving the availability of affordable ownership and rental housing for Very Low Income Households, Low Income Households, and Middle Income Households in the City of Modesto.

4. [DELETE IF NO REHAB]Use Restrictions and Covenants During Rehabilitation of the Property. During the period of rehabilitation of the Property, BORROWER covenants and agrees that it shall not rent, lease, license, or transfer the Property, or use the Property, or any part thereof, for any commercial purpose, including the production of income, or for any other purposes unrelated to the provisions of the NSP2 Loan.

5. Continued Use Restrictions and Covenants of the Property. The following covenants and restrictions on the use and enjoyment of the Property shall be in addition to any other covenants and restrictions affecting the Property, and all such covenants and restrictions are for the benefit and protection of CITY, and shall run with the land and be binding on BORROWER, its successors, assigns, transferees and future owner(s) of the Property and enure to the benefit of and be enforceable by CITY.

BORROWER, on behalf of itself and its successors and assigns, and, hereby covenants and agrees:

(a) Subject to subsection (d) below, BORROWER shall sell the Property at affordable sales price to a Qualified Homebuyer in accordance with the NSP2 Loan Agreement. The sale shall be completed within twelve (12) months of the date of [INSERT: acquisition or completion of rehabilitation] of the Property.

(b) BORROWER shall require the Qualified Homebuyer to secure a CITY Second Mortgage Loan to purchase the Property and execute a promissory note, in favor of the CITY and evidencing the CITY Second Mortgage Loan (the "Homebuyer Note"), and a deed of trust, securing the Homebuyer Note to be recorded against the Property. Pursuant to the Homebuyer Note, the Qualified Homebuyer must occupy the Property as his or her primary residence and repay all or a portion of the CITY Second Mortgage Loan upon sale of the

Property to a non-eligible third-party during the Continued Affordability Period.

(c) Upon sale of the Property to a Qualified Homebuyer and the execution of the CITY Second Mortgage Loan Documents by the Qualified Homebuyer, the CITY shall execute and record a reconveyance of this NSP2 Regulatory Agreement and the NSP2 Deed of Trust.

(d) Upon mutual agreement by BORROWER and CITY, BORROWER may rent the Property to a Qualified Tenant for the entire Continued Affordability Period in accordance with Section 6.4 of the NSP2 Loan Agreement, subject to the following additional requirements:

(1) Occupancy Requirements. The Property shall be rented to and occupied by households that qualify as a Very Low Income Household, Low Income Households, and Middle Income Household.

(2) Affordable Rent. In accordance with subsection 2, the monthly rent paid by the Qualified Tenant to occupy the Property shall not exceed the maximum rent set forth in 24 CFR 92.252.

(i) Very Low Income Rent. The rent ("Very Low Income Rent") paid by a Very Low Income Household shall not exceed thirty percent (30%) of fifty percent (50%) of the area median income adjusted for family size based on guidelines published by HUD ("Median Income").

(ii) Low Income Rent. The rent ("Low Income Rent") paid by Low Income Households shall not exceed thirty percent (30%) of sixty-five percent (65%) of the Median Income.

(iii) Middle Income Rent. The rent ("Middle Income Rent")

paid by Middle Income Households shall not exceed thirty percent (30%) of the annual income of all persons in the Middle Income Households as calculated in accordance with 24 C.F.R. Section 5.611 (the "Adjusted Income").

(iv) Approval of Initial and Subsequent Rents. Rents for all NSP2 Assisted Units are subject to CITY approval prior to occupancy by Qualified Tenants, and are subject to the NSP2 Requirements

(v) Rent Increases. All rent increases for the NSP2 Assisted Units are subject to CITY approval and are subject to the NSP2 Requirements. Such rent may not be increased more often than once every twelve (12) months. BORROWER will provide each Qualified Tenant with at least sixty (60) days written notice of any increase in rent applicable to such Qualified Tenant.

(3) Increased Income of Qualified Tenants.

(i) Increased income above Very Low but below Low Income Limit. Subject to subsection 2(v) above, in the event that, upon recertification of the income of a Very Low Income Household, the Borrower determines that such household no longer qualifies as a Very Low Income Household, but does qualify as a Low Income Household, such household may continue to occupy the NSP2 Assisted Unit and, upon sixty (60) days written notice to the such household, BORROWER may increase the household's rent to the maximum rent published by HUD for a Low Income Household for the applicable bedroom size as set forth in 24 C.F.R. 92.252(a) (also known as "High HOME Rent"). Borrower shall then rent the next available NSP2-Assisted Unit designated as a NSP2 Rental Unit to a Very Low Income Household.

(ii) Increased Income Above Low But Below Middle Income

Limit. Subject to subsection 2(v) above, in the event that, upon recertification of the income of a Low Income Household, BORROWER determines that such household no longer qualifies as a Low Income Household, but does qualify as a Middle Income Household, such household may continue to occupy the NSP2 Assisted Unit and, upon sixty (60) days written notice to such household, Borrower may increase the household's rent to the lesser of one-twelfth (1/12th) of thirty percent (30%) of actual Adjusted Income of the household, or fair market rent (subject to 24 C.F.R. 92.252(i)(2) regarding low income housing tax credit requirements). Borrower shall then rent the next available NSP2 Assisted Unit designated as a NSP2 Rental Unit to a Low Income Household.

(iii) Non-Qualifying Household. If, upon recertification of the income of a Qualified Tenant, BORROWER determines that a former Low Income Household has an Adjusted Income exceeding the maximum qualifying income for a Low Income Household, such household shall be permitted to continue occupying the NSP2 Assisted Unit and, upon expiration of the household's lease and upon sixty (60) days written notice, the rent shall be increased to the lesser of one-twelfth (1/12th) of thirty percent (30%) of the actual Adjusted Income of the household, or fair market rent. When the household vacates the NSP2 Assisted Unit, BORROWER shall rent such NSP2 Assisted Unit to a Middle Income Household.

(iv) Termination of Occupancy. Upon termination of occupancy of a NSP2 Assisted Unit by a Qualified Tenant, such unit shall be deemed to be continuously occupied by a household of the same income level as the initial income level of the vacating Qualified Tenant, until such unit is reoccupied, at which time the income character of the NSP2 Assisted Unit shall be redetermined to meet the occupancy requirements set forth herein.

(4) Income Certification. BORROWER will obtain, complete and maintain on file, immediately prior to initial occupancy and annually thereafter, income certifications from each Qualified Tenant's household. BORROWER shall make a good faith effort to verify the accuracy of the income provided by the applicant or occupying household, as the case may be, in an income certification. To verify the information, BORROWER shall take two or more of the following steps: (i) obtain a pay stub for the most recent pay period; (ii) obtain an income tax return for the most recent tax year; (iii) conduct a credit agency or similar search; (iv) obtain an income verification form from the applicant's current employer; (v) obtain an income verification form from the Social Security Administration and/or the California Department of Social Services if the applicant receives assistance from either of such agencies; or (vi) if the applicant is unemployed and does not have a tax return, obtain another form of independent verification. Copies of Qualified Tenant income certifications shall be available to CITY upon request.

(5) Qualified Tenant Selection Plan. BORROWER shall not make material modifications to its tenant selection plan without the prior written approval of CITY, which approval shall not be unreasonably withheld. Such tenant selection plan shall comply with the NSP2 Requirements.

(6) Lease Provisions. In leasing the Property, BORROWER shall use a form of Qualified Tenant lease approved by CITY. The form of Qualified Tenant lease shall also comply with all requirements of this NSP2 Regulatory Agreement and the NSP2 Loan Agreement, and shall, among other matters:

(i) provide for termination of the lease and consent by a Qualified Tenant to immediate eviction for failure: (a) to provide any information required

under this NSP2 Regulatory Agreement or reasonably requested by BORROWER to establish or recertify a Qualified Tenant's qualification, or the qualification of a Qualified Tenant's household, for occupancy in the Property in accordance with the standards set forth in this NSP2 Regulatory Agreement, or (b) to qualify as a Very Low Income Household, Low Income Household, or Middle Income Household, as applicable, as a result of any material misrepresentation made by such Qualified Tenant with respect to the income computation.

(ii) be for an initial term of not less than one (1) year, unless by mutual agreement between a Qualified Tenant and BORROWER, and provide for no increase in the Affordable Rent during such year. After the initial year of tenancy, the lease may be month-to-month by mutual agreement of BORROWER and a Qualified Tenant.

(7) Lease Termination. Any termination of a lease or refusal to renew a lease for the Property shall be in conformance with the NSP2 Requirements, including, but not limited to, 24 C.F.R. 253(c), and the requirements of applicable state law.

(8) Nondiscrimination. The Property shall be available for occupancy on a continuous basis to members of the general public who are income eligible. BORROWER shall not give preference to any particular class or group of persons in renting or selling the Property, except as may be required pursuant to this NSP2 Regulatory Agreement.

BORROWER herein covenants by and for BORROWER, assigns, and all persons claiming under or through BORROWER, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, sexual orientation, marital status, national origin, source of income (e.g., SSI), ancestry, or disability, in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of the Property nor shall BORROWER or any person claiming under or through BORROWER, establish or permit any

such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees of the Property or in connection with the employment of persons for the construction, operation and management of the Property.

(9) Section 8 Tenants. BORROWER will accept as Qualified Tenants, on the same basis as all other prospective Qualified Tenants, persons who are recipients of federal certificates for rent subsidies pursuant to the existing housing program under Section 8 of the United States Housing Act, or its successor. BORROWER shall not apply selection criteria to Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective Qualified Tenants, nor shall BORROWER apply or permit the application of management policies or lease provisions with respect to the Property which have the effect of precluding occupancy of the Property by such prospective Qualified Tenants.

(10) Records. BORROWER shall maintain complete, accurate and current records pertaining to the Property, and shall permit any duly authorized representative of CITY to inspect records, including records pertaining to income and household size of Qualified Tenant. All Qualified Tenant lists, applications and waiting lists relating to the Property shall at all times be kept separate and identifiable from any other business of BORROWER and shall be maintained as required by CITY, in a reasonable condition for proper audit and subject to examination during business hours by representatives of CITY. BORROWER shall retain copies of all materials obtained or produced with respect to occupancy of the Property for a period of at least five (5) years.

(11) Management Responsibilities. BORROWER is responsible for all management functions with respect to the Property, including without limitation the selection of

Qualified Tenants, certification and recertification of household size and income, evictions, collection of rents and deposits, maintenance, landscaping, routine and extraordinary repairs, replacement of capital items, and security. CITY shall have no responsibility over management of the Property. BORROWER shall retain a professional property management company approved by CITY in its reasonable discretion to perform its management duties hereunder. BORROWER may request CITY for written approval to self-manage the Property.

(12) Management Agent; Periodic Reports. The Property shall at all times be managed by an experienced management agent reasonably acceptable to CITY, with demonstrated ability to operate residential facilities like the Property in a manner that will provide decent, safe, and sanitary housing (as approved, the "Management Agent"). CITY hereby pre-approves BORROWER as the Management Agent).

(13) Periodic Performance Review. CITY reserves the right to conduct an annual (or more frequently, if deemed necessary by CITY) review of the management practices and financial status of the Property. The purpose of each periodic review will be to enable CITY to determine if the Property is being operated and managed in accordance with the NSP2 Requirements and the provisions of this NSP2 Regulatory Agreement. BORROWER shall cooperate with CITY in such reviews.

(14) Replacement of Management Agent. If, as a result of a periodic review, CITY determines in its reasonable judgment that the Property is not being operated and managed in accordance with any of the material requirements and standards of this NSP2 Regulatory Agreement, CITY shall deliver notice to BORROWER of its determination that the Property does not satisfy the requirements of this NSP2 Regulatory Agreement, such notice may include a request to cause replacement of the Management Agent, including the reasons therefor.

Within fifteen (15) days after receipt by BORROWER of such written notice, CITY staff and BORROWER shall meet in good faith to consider methods for improving the financial and operating status of the Property, including, without limitation, replacement of the Management Agent.

If, after such meeting, CITY staff recommends in writing the replacement of the Management Agent, BORROWER shall be dismissed as the Management Agent, and CITY shall appoint as the Management Agent a person or entity meeting the standards for a management agent set forth in subsection (12) above. Failure to remove the Management Agent in accordance with the provisions of this Section shall constitute default under this NSP2 Regulatory Agreement, and CITY may enforce this provision through legal proceedings as specified in Section 10 below.

(f) On-site Inspection. CITY shall have the right to perform an on-site inspection of the Property when deemed necessary by CITY, and subject to the rights of a Qualified Homebuyer or Qualified Tenant, upon delivery of reasonable notice to BORROWER, subject to the requirements of state law. BORROWER agrees to cooperate in and attend such inspection and request Qualified Homebuyers or Qualified Tenants cooperate with such inspections.

(g) Annual Report. BORROWER shall submit to CITY annual reports in a form approved by CITY, no later than two hundred seventy (270) days after the end of BORROWER's fiscal year. The reports shall contain such information as CITY may require, including, but not limited to, the following:

(i) A statement of the fiscal condition of the Property, including a financial statement indicating surpluses or deficits in operating accounts for the period covered, a

detailed itemized listing of income and expenses, and the amounts of the Property reserves. The report due after the end of each fiscal year shall contain an audited version of this statement.

Such audit shall be prepared in accordance with the requirements of CITY and certified at BORROWER's expense by an independent Certified Public Accountant licensed by the State of California. BORROWER shall also follow audit requirements of the Single Audit Act and OMB Circulars A-122 and 110; and

(ii) The substantial physical defects in the Property, if any, including a description of any major repair or maintenance work undertaken in the reporting period; and

(iii) Information concerning the occupancy of the Property.

Upon request of CITY, BORROWER shall furnish, within fifteen (15) days, any other information or completed form requested by CITY.

(h) Additional Information. BORROWER shall provide any additional information reasonably requested by CITY. CITY shall have the right to examine and make copies of all books, records or other documents of BORROWER which pertain to the Property.

(i) Taxes and Assessments. If applicable, BORROWER shall pay all real and personal property taxes, assessments and charges and all franchise, income, employment, old age benefit, withholding, sales, and other taxes assessed against it, or payable by it, at such times and in such manner as to prevent any penalty from accruing, or any lien or charge from attaching to the Property; provided, however, that BORROWER may contest in good faith, any such taxes, assessments, or charges. In the event BORROWER exercises its right to contest any tax, assessment, or charge against it, BORROWER, on final determination of the proceeding or contest, shall immediately pay or discharge any decision or judgment rendered against it, together with all costs, charges and interest.

(j) Property Maintenance. BORROWER agrees, for the entire Term of this NSP2 Regulatory Agreement, to maintain all interior and exterior improvements, including landscaping, on the Property in good condition and repair (and, as to landscaping, in a healthy condition) and in accordance with all applicable laws, rules, ordinances, orders and regulations of all federal, state, county, municipal, and other governmental agencies and bodies having or claiming jurisdiction and all their respective departments, bureaus, and officials, and in accordance with the following maintenance conditions:

CITY places prime importance on quality maintenance to protect its investment and to ensure that all CITY-assisted affordable housing projects are not allowed to deteriorate due to below-average maintenance. Normal wear and tear of the Property will be acceptable to CITY assuming BORROWER agrees to provide all necessary improvements to assure the Property is maintained in good condition. BORROWER shall make all repairs and replacements necessary to keep the improvements in good condition and repair.

In the event that BORROWER breaches any of the covenants contained in this subsection and such default continues for a period of fifteen business (15) days after written notice from CITY with respect to graffiti, debris, waste material, and general maintenance or thirty (30) days after written notice from CITY with respect to landscaping and building improvements, then CITY, in addition to whatever other remedy it may have at law or in equity, shall have the right to enter upon the Property and perform or cause to be performed all such acts and work necessary to cure the default. Pursuant to such right of entry, CITY shall be permitted (but is not required) to enter upon the Property and perform all acts and work necessary to protect, maintain, and preserve the improvements and landscaped areas on the Property, and to attach a lien on the Property, or to assess the Property, in the amount of the expenditures arising

from such acts and work of protection, maintenance, and preservation by CITY and/or costs of such cure, which amount shall be promptly paid by BORROWER to CITY upon demand.

(k) Asset Management. BORROWER is responsible for all asset management functions with respect to the Property, including without limitation the oversight of the Management Agent, as applicable, maintaining accurate and current books and records for the Property and promptly paying costs incurred in connection with the Property. CITY shall have no responsibility over asset management of the Property.

6. Term of Use Restrictions and Covenants. The covenants and restrictions established in Section 5 of this NSP2 Regulatory Agreement shall, without regard to technical classification and designation, be binding on BORROWER, its successors and assigns and each future owner of the Property, for the benefit of and in favor of the CITY, and shall remain in effect and enforceable until the twentieth (20th) anniversary of the date of recordation of this NSP2 Regulatory Agreement or reconveyance of this NSP2 Regulatory Agreement by CITY. This NSP2 Regulatory Agreement shall remain without regard to the term of any mortgage or deed of trust or the transfer of ownership, excluding the sale of the Property to a Qualified Homebuyer.

7. Written Notifications. BORROWER, and any future owner of the Property, covenants and agrees to include the requirements and restrictions contained in this NSP2 Regulatory Agreement and any document transferring title of the Property to another person, to the end that such transferee has notice of, and is bound by, such restrictions and covenants, and to obtain the agreement from any transferee to abide by all the covenants and restrictions of this NSP2 Regulatory Agreement.

8. Acceptance and Ratification. BORROWER and future owners of the Property

shall be subject to and shall comply with the Use Restrictions and Covenants herein. The acceptance of a deed of conveyance to the Property shall constitute an agreement that the Use Restrictions and Covenants are accepted and ratified by such future owners, and such Use Restrictions and Covenants shall run with the land and bind such future owners.

9. **Enforcement of Restrictions and Covenants.** If BORROWER or any future owner defaults in the performance or observance of any covenant or restriction set forth in this NSP2 Regulatory Agreement and if such default remains uncured for a period of thirty (30) days after notice thereof shall have been given by CITY, then CITY acting on its own behalf may declare an Event of Default to have occurred, and, at its option, may take any one or more of the following steps:

(a) By mandamus, or other suit, action or proceeding at law or in equity, require BORROWER or any future owner of the Property to perform its obligations and covenants hereunder, including the remedy of specific performance, or to enjoin any act or thing in violation of any covenant or restriction of this NSP2 Regulatory Agreement; or

(b) Subject to the provisions of the NSP2 Loan Agreement, and the NSP2 Note entered into by BORROWER and CITY evidencing BORROWER's indebtedness to CITY for NSP2 Loan, declare a default and accelerate the indebtedness evidenced by the NSP2 Note;

or

(c) Take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and restrictions hereunder, including (i) compelling BORROWER to sell the Property to CITY at a sales price equal to the unpaid balance of amount of NSP2 Loan, or (ii) the commencement of foreclosure proceedings; or

(d) Exercise any other remedy provided under the NSP2 Loan Agreement.

10. **Notices.** All notices pursuant to this NSP2 Regulatory Agreement shall be in writing and served on the other party (a) by personal delivery or (b) by certified mail, return receipt requested, to the respective addresses as set forth below. Receipt shall be deemed to have occurred on the date shown on a written receipt as the date of delivery or refusal of delivery (or attempted delivery if undeliverable).

BORROWER: By Personal Delivery or Mail:

HOUSING AUTHORITY OF THE COUNTY OF STANISLAUS
1701 Robertson Road
Modesto, CA 95351
Attn: Executive Director

11. **Indemnity.** BORROWER shall indemnify and hold CITY, and their officers, agents, officials, and employees free and harmless against any losses, damages, liability, claims, demands, judgments, actions, court costs, and legal or other expenses (including attorney's fees) which arise out of or in connection with this NSP2 Regulatory Agreement. This indemnity obligation shall not extend to any claim arising solely from the negligence or willful misconduct of CITY, their officers, agents, officials and employees. The provisions of this section shall

survive the expiration of the term of this NSP2 Regulatory Agreement.

12. **Relationship of Parties.** Nothing contained in this NSP2 Regulatory Agreement shall be interpreted or understood by any of the parties, or by any third person, as creating the relationship of employer and employee, principal and agent, limited or general partnership, or joint venture between CITY and BORROWER or its agents, employees or contractors. Except as CITY may specify in writing, BORROWER shall have no authority to act as an agent of CITY or to bind CITY to any obligation.

13. **Superiority of Agreement.** BORROWER covenants that BORROWER has not, and shall not, enter into or execute any other agreement with provisions contrary to the provision of this NSP2 Regulatory Agreement, or contrary to the intent of maintaining the affordability restrictions for the full Continued Affordability Period.

14. **Parties Bound; Covenants Running with the Land.** Except as otherwise limited in Section 7 herein, the provisions of this NSP2 Regulatory Agreement shall be binding upon and enure to the benefit of the parties and their successors, transferees, and assigns. This NSP2 Regulatory Agreement is intended to run with the land and shall bind BORROWER and its successors, assigns, transferees in the Property and future owners of the Property for the entire Continued Affordability Period regardless of any assignment, payment, expiration, extinguishment of any loan or note, any reconveyance of deed of trust, or any conveyance or transfer of the Property, and the benefits hereof shall enure to the benefit of City and its successors and assigns.

15. **Interpretation: Affordability.** It is the intention of the parties to this NSP2 Regulatory Agreement that affordability be interpreted in view of the express goals of the NSP2 Requirements and specifically including the affordability regulations of Title 24 CFR Part 92. It

is the purpose of this NSP2 Regulatory Agreement to limit and restrict the use and resale of the Property in order to maintain the Property's affordability for the entire Continued Affordability Period.

16. **Amendments.** This NSP2 Regulatory Agreement, including any exhibits hereto, shall not be amended except in writing, signed by the Parties. Any amendment or addendum hereto shall expressly refer to this NSP2 Regulatory Agreement.

17. **No Liability.** No member, official, employee or agent of CITY shall be personally liable to BORROWER in the event of any default or breach by CITY or for any amount that may become due to BORROWER or any obligation under the terms of this NSP2 regulatory Agreement. No member, official, employee or agent of BORROWER shall be personally liable to CITY in the event of any default or breach by BORROWER or for any amount that may become due to CITY or any obligation under the terms of this NSP2 regulatory Agreement.

18. **Governing Law.** This NSP2 Regulatory Agreement shall be interpreted under and be governed by the laws of the State of California.

19. **Venue.** Should either party institute suit or arbitration for enforcement or interpretation of any provision contained herein, the venue of such action shall be in Stanislaus County, California.

20. **Costs and Attorney Fees.** In the event that any legal or administrative action is commenced to interpret or to enforce the terms of this NSP2 Regulatory Agreement, the prevailing party in such action shall be entitled to recover all reasonable attorney's fees and costs incurred in such action.

21. **Severability.** Every provision of this NSP2 regulatory Agreement is intended to

be severable. If any provision of this NSP2 Regulatory Agreement shall be held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired.

22. **No Waiver.** Any waiver by CITY of any obligation or condition in this NSP2 Regulatory Agreement must be in writing. No waiver will be implied from any delay or failure by CITY to take action on any breach or default of BORROWER, its assignee or transferee, or to pursue any remedy allowed under this NSP2 Regulatory Agreement or applicable law. Any extension of time granted to BORROWER, its assignee or transferee, to perform any obligation hereunder shall not operate as a waiver or release from any of its obligations under this NSP2 Regulatory Agreement. Consent by CITY to any act or omission by BORROWER, its assignee or transferee, shall not be construed to be a consent to any other or subsequent act or omission or to waive the requirement for CITY's written consent to future waivers.

23. **Titles.** Any titles of the sections or subsections of this NSP2 Regulatory Agreement are inserted for convenience of reference only and shall be disregarded in interpreting any part of the NSP2 Regulatory Agreement's provisions.

24. **Interpretation.** The language of each and all paragraphs, terms and/or provisions of this NSP2 Regulatory Agreement, shall, in all cases and for any and all purposes, and in any way and all circumstances whatsoever, be construed as a whole, according to its fair meaning, and not for or against any party hereto and with no regard whatsoever to the identity or status of any person or persons who drafted all or any portion of this agreement.

25. **Discretion Retained by CITY.** CITY's execution of this NSP2 Regulatory Agreement in no way limits the discretion of CITY in the permit and approval process in connection with any improvements by BORROWER.

26. **Recordation.** BORROWER acknowledges and agrees that this NSP2 Regulatory Agreement shall be recorded against the Property in the Office of the Recorder of the County of Stanislaus.

27. **Authority to Execute.** Each individual executing this NSP2 Regulatory Agreement on behalf of BORROWER represents and warrants that he/she is duly authorized to execute this NSP2 Regulatory Agreement on behalf of BORROWER

28. **Compliance With NSP2 Requirements.** BORROWER agrees that at all times its acts regarding the property and the use of NSP2 funds shall be in conformity with the NSP2 Requirements. BORROWER acknowledges that it is familiar with such applicable provisions and has been professionally advised to the extent necessary for the purpose of enabling BORROWER to fully comply with such provisions.

IN WITNESS WHEREOF, the City of Modesto, a municipal corporation, has authorized the execution of this NSP2 Regulatory Agreement by its City Manager and attestation by its City Clerk by Resolution No. _____ adopted by the Council on the _____ day of _____, and BORROWER has caused this NSP2 Regulatory Agreement to be duly executed.

PROMISSORY NOTE

(insert address of property)

\$ _____
[insert loan amount]

_____ (insert date)

FOR VALUE RECEIVED, the undersigned HOUSING AUTHORITY OF THE COUNTY OF STANISLAUS, a California public entity (the "Borrower") hereby promises to pay to the order of the CITY OF MODESTO, a municipal corporation (the "Holder"), 1010 Tenth Street, Suite _____, Modesto, California 95354, Attention: Director of Parks, Recreation and Neighborhoods Department, a principal amount equal to _____ Dollars (\$ _____), plus interest thereon pursuant to Section 2 below.

1. Borrower's Obligation. This promissory note (the "Note") evidences the Borrower's obligation to pay the Holder the principal amount of _____ Dollars (\$ _____) (the "NSP2 Loan") for the funds loaned to the Borrower by Holder to finance the acquisition [INSERT, if applicable: and rehabilitation] of the Property located at _____ pursuant to the City of Modesto Neighborhood Stabilization Program 2 Loan Agreement between the Borrower and the Holder of even date herewith (the "Loan Agreement"). All capitalized terms not otherwise defined in this Note shall have the meanings set forth in the Loan Agreement.

2. Interest.

(a) Subject to the provisions of subsection (b) below, the outstanding principal balance of this Note shall bear no interest.

(b) Upon the occurrence of an Event of Default, the interest on the principal balance of this Note will begin to accrue, as of the date of the Event of Default and continue until such time as the NSP2 Loan is repaid in full or the Event of Default is cured, at the default rate of ten percent (10%), simple interest annually.

3. Term and Repayment Requirements. Payments due under this Note are due in accordance with Section 3.9 of the Loan Agreement.

4. No Assumption. This Note shall not be assumable by the successors and assigns of Borrower without the prior written consent of the Holder.

5. Security. This Note is secured by a Deed of Trust with Assignment of Rents, Security Agreement, and Fixture Filing (the "Deed of Trust"), of even date herewith, wherein the Borrower is the Trustor and the Holder is the Beneficiary, covering the Property.

6. Terms of Payment.

(a) All payments due under this Note shall be paid in currency of the United States of America, which at the time of payment is lawful for the payment of public and private debts.

(b) All payments on this Note shall be paid to Holder at City of Modesto, 1010 Tenth Street, Suite _____, Modesto, California 95354, Attention:: Director of Parks, Recreation and Neighborhoods Department, or to such other place as the Holder of this Note may from time to time designate.

(c) All payments on this Note shall be without expense to the Holder, and the Borrower agrees to pay all costs and expenses, including re-conveyance fees and reasonable attorney's fees of the Holder, incurred in connection with the payment of this Note and the release of any security hereof.

(d) Notwithstanding any other provision of this Note, or any instrument securing the obligations of the Borrower under this Note, if, for any reason whatsoever, the payment of any sums by the Borrower pursuant to the terms of this Note would result in the payment of interest which would exceed the amount that the Holder may legally charge under the laws of the State of California, then the amount by which payments exceeds the lawful interest rate shall automatically be deducted from the principal balance owing on this Note, so that in no event shall the Borrower be obligated under the terms of this Note to pay any interest which would exceed the lawful rate.

7. Default.

(a) Any of the following shall constitute an event of default under this Note:

(i) Any failure to pay, in full, any payment required under this Note on the date such payment is due;

(ii) Any failure in the performance by the Borrower of any other term, condition, provision or covenant set forth in this Note, subject to the notice and cure period set forth in Section 9 of the Loan Agreement;

(iii) The occurrence of any event of default under the Loan Agreement, the Deed of Trust, or other instrument securing the obligations of the Borrower under this Note or under any other promissory notes hereafter issued by the Borrower to the Holder pursuant to the Loan Agreement or the Deed of Trust, subject to notice and cure periods, if any, set forth therein.

(b) Upon the occurrence of such an event of default, the entire unpaid principal balance, together with all interest thereon, and together with all other sums then payable under this Note and the Deed of Trust shall at the option of the Holder become immediately due and payable upon written notice by the Holder to the Borrower without further demand.

(c) The failure to exercise the remedy set forth in Subsection 7(b) above or any other remedy provided by law upon the occurrence of one or more of the foregoing events of default shall not constitute a waiver of the right to exercise any remedy at any subsequent time in respect to the same or any other default. The acceptance by Holder hereof of any payment which is less than the total of all amounts due and payable at the time of such payment shall not constitute a waiver of the right to exercise any of the foregoing remedies or options at that time or at any subsequent time, or nullify any prior exercise of any such remedy or option, without the express consent of the Holder, except as and to the extent otherwise provided by law.

8. Waivers.

(a) The Borrower hereby waives diligence, presentment, protest and demand, and notice of protest, notice of demand, and notice of dishonor of this Note. The Borrower expressly agrees that this Note or any payment hereunder may be extended from time to time, and that the Holder may accept further security or release any security for this Note, all without in any way affecting the liability of the Borrower.

(b) No extension of time for payment of this Note or any installment hereof made by agreement by the Holder with any person now or hereafter liable for payment of this note shall operate to release, discharge, modify, change or affect the original liability of the Borrower under this Note, either in whole or in part.

(c) The obligations of the Borrower under this Note shall be absolute and the Borrower waives any and all rights to offset, deduct or withhold any payments or charges due under this Note for any reason whatsoever.

9. Miscellaneous Provisions.

(a) All notices to the Holder or the Borrower shall be given in the manner and at the addresses set forth in the Loan Agreement, or to such addresses as the Holder and the Borrower may hereinafter designate. Copies of notices to Borrower from Holder shall also be provided by Holder to any limited partner of Borrower who requests such notice in writing and provides the Holder with written notice of its address.

(b) The Borrower promises to pay all costs and expenses, including reasonable attorney's fees, incurred by the Holder in the enforcement of the provision of this Note, regardless of whether suit is filed to seek enforcement.

(c) This Note may not be changed orally, but only by an agreement in writing signed by the party against whom enforcement of any waiver, change, modification or discharge is sought.

(d) This Note shall be governed by and construed in accordance with the laws of the State of California.

(e) The times for the performance of any obligations hereunder shall be strictly construed, time being of the essence.

(f) This document, together with the Loan Documents, contains the entire agreement between the parties as to the Loan. It may not be modified except upon written consent of the parties.

DEED OF TRUST WITH ASSIGNMENT OF RENTS, SECURITY AGREEMENT, AND
FIXTURE FILING

(NSP2 Loan)

(Insert address)

THIS DEED OF TRUST WITH ASSIGNMENT OF RENTS, SECURITY AGREEMENT, AND FIXTURE FILING ("Deed of Trust") is made as of _____, 20___, by and among the Housing Authority of the County of Stanislaus, a California public entity ("Trustor"), _____ Title Company [INSERT NAME OF TITLE COMPANY], a California corporation ("Trustee"), and the City of Modesto, a municipal corporation of the State of California ("Beneficiary").

FOR GOOD AND VALUABLE CONSIDERATION, including the indebtedness herein recited and the trust herein created, the receipt of which is hereby acknowledged, Trustor hereby irrevocably grants, transfers, conveys and assigns to Trustee, IN TRUST, WITH POWER OF SALE, for the benefit and security of Beneficiary, under and subject to the terms and conditions hereinafter set forth, Trustor's fee interest in the property located in the City of Modesto, Stanislaus County, State of California, that is described in the attached Exhibit A, incorporated herein by this reference (the "Property"). **[If the property is a condominium unit, then include the following sentence: "A condominium rider is attached hereto as Exhibit B and incorporated herein by this reference."]**

TOGETHER WITH all interest, estates or other claims, both in law and in equity which Trustor now has or may hereafter acquire in the Property and the rents;

TOGETHER WITH all easements, rights-of-way and rights used in connection therewith or as a means of access thereto, including (without limiting the generality of the foregoing) all tenements, hereditaments and appurtenances thereof and thereto;

TOGETHER WITH any and all buildings and improvements of every kind and description now or hereafter erected thereon, and all property of the Trustor now or hereafter affixed to or placed upon the Property;

TOGETHER WITH all building materials and equipment now or hereafter delivered to said property and intended to be installed therein;

TOGETHER WITH all right, title and interest of Trustor, now owned or hereafter acquired, in and to any land lying within the right-of-way of any street, open or proposed, adjoining the Property, and any and all sidewalks, alleys and strips and areas of land adjacent to or used in connection with the Property;

TOGETHER WITH all estate, interest, right, title, other claim or demand, of every nature, in and to such property, including the Property, both in law and in equity, including, but not limited to, all deposits made with or other security given by Trustor to utility companies, the proceeds from any or all of such property, including the Property, claims or demands with respect to the proceeds of insurance in effect with respect thereto, which Trustor now has or may hereafter acquire, any and all awards made for the taking by eminent domain or by any proceeding or purchase in lieu thereof of the whole or any part of such property, including without limitation, any awards resulting from a change of grade of streets and awards for severance damages to the extent Beneficiary has an interest in such awards for taking as provided in Paragraph 4.1 herein;

TOGETHER WITH all of Trustor's interest in all articles of personal property or fixtures now or hereafter attached to or used in and about the building or buildings now erected or hereafter to be erected on the Property which are necessary to the complete and comfortable use and occupancy of such building or buildings for the purposes for which they were or are to be erected, including all other goods and chattels and personal property as are ever used or furnished in operating a building, or the activities conducted therein, similar to the one herein described and referred to, and all renewals or replacements thereof or articles in substitution therefor, whether or not the same are, or shall be attached to said building or buildings in any manner; and

TOGETHER WITH all of Trustor's interest in all building materials, fixtures, equipment, work in process and other personal property to be incorporated into the Property; all goods, materials, supplies, fixtures, equipment, machinery, furniture and furnishings, signs and other personal property now or hereafter appropriated for use on the Property, whether stored on the Property or elsewhere, and used or to be used in connection with the Property; all rents, issues and profits, and all inventory, accounts, accounts receivable, contract rights, general intangibles, chattel paper, instruments, documents, notes drafts, letters of credit, insurance policies, insurance and condemnation awards and proceeds, trade names, trademarks and service marks arising from or related to the Property and any business conducted thereon by Trustor; all replacements, additions, accessions and proceeds; and all books, records and files relating to any of the foregoing.

All of the foregoing, together with the Property, is herein referred to as the "Security." To have and to hold the Security together with acquittances to the Trustee, its successors and assigns forever.

FOR THE PURPOSE OF SECURING:

A. Payment of just indebtednesses of Trustor to Beneficiary as set forth in the Note (defined in Article 1 below) until paid or cancelled. Said principal and other payments shall be due and payable as provided in the Note. Said Note and all its terms are incorporated herein by reference, and this conveyance shall secure any and all extensions thereof, however evidenced; and

B. Payment of any sums advanced by Beneficiary to protect the Security pursuant to the terms and provisions of this Deed of Trust following a breach of Trustor's obligation to advance said sums and the expiration of any applicable cure period, with interest thereon as provided herein; and

C. Performance of every obligation, covenant or agreement of Trustor contained herein and in the Loan Documents (defined in Article 1 below).

AND TO PROTECT THE SECURITY OF THIS DEED OF TRUST, TRUSTOR COVENANTS AND AGREES:

ARTICLE 1:
DEFINITIONS

In addition to the terms defined elsewhere in this Deed of Trust, the following terms shall have the following meanings in this Deed of Trust:

Section 1.1 [If the property is a condominium unit, then include the following sentence: "The term "Condominium Rider" means that certain Condominium Rider attached hereto as Exhibit B in the event the Security is a condominium unit."]

Section 1.2 The term "Loan Agreement" means that certain City of Modesto Neighborhood Stabilization Program 2 Loan Agreement between Trustor and Beneficiary, of even date herewith, providing for the Beneficiary to loan to the Trustor _____ Dollars (\$) [insert loan amount] for the acquisition of the Property.

Section 1.3 The term "Loan Documents" means this Deed of Trust, [If the property is a condominium unit add "the Condominium Rider,"], the Loan Agreement, the MOU, the Note, and the Regulatory Agreement and any other debt, loan or security instruments between Trustor and the Beneficiary relating to the Property.

Section 1.4 The term "MOU" means the "City of Modesto Neighborhood Stabilization Program 2 Memorandum of Understanding" dated _____, 20____ by and between the Beneficiary and the Trustor.

Section 1.5 The term "Note" means that certain promissory note in the amount of _____ Dollars (\$_____) [insert loan amount], of even date herewith, executed by the Trustor in favor of the Beneficiary, the payment of which is secured by this Deed of Trust. (Copies of the Note are on file with the Beneficiary and terms and provisions of the Note are incorporated herein by reference.)

Section 1.6 The term "Principal" means the aggregate of the amounts required to be paid under the Note.

Section 1.7 The term "Regulatory Agreement" means the City of Modesto Neighborhood Stabilization Program 2 Regulatory Agreement of even date herewith and recorded against the Property concurrently herewith.

ARTICLE 2:
MAINTENANCE AND MODIFICATION OF THE PROPERTY AND SECURITY

Section 2.1 Maintenance and Modification of the Property by Trustor.

The Trustor agrees that at all times prior to full payment of the sum owed under the Note, the Trustor will, at the Trustor's own expense, maintain, preserve and keep the Security or cause the Security to be maintained and preserved in good condition. The Trustor will from time to time make or cause to be made all repairs, replacements and renewals deemed proper and necessary by it. The Beneficiary shall have no responsibility in any of these matters or for the making of improvements or additions to the Security.

Trustor agrees to pay fully and discharge (or cause to be paid fully and discharged) all claims for labor done and for material and services furnished in connection with the Security, diligently to file or procure the filing of a valid notice of cessation upon the event of a cessation of labor on the work or construction on the Security for a continuous period of thirty (30) days or more, and to take all other reasonable steps to forestall the assertion of claims of lien against the Security of any part thereof. Trustor irrevocably appoints, designates and authorizes Beneficiary as its agent (said agency being coupled with an interest) with the authority, but without any obligation, to file for record any notices of completion or cessation of labor or any other notice that Beneficiary deems necessary or desirable to protect its interest in and to the Security or the Loan Documents; provided, however, that Beneficiary shall exercise its rights as agent of Trustor only in the event that Trustor shall fail to take, or shall fail to diligently continue to take, those actions as hereinbefore provided.

Upon demand by Beneficiary, Trustor shall make or cause to be made such demands or claims as Beneficiary shall reasonably specify upon laborers, materialmen, subcontractors or other persons who have furnished or claim to have furnished labor, services or materials in connection with the Security. Nothing herein contained shall require Trustor to pay any claims

for labor, materials or services which Trustor in good faith disputes and is diligently contesting provided that Trustor shall, within thirty (30) days after the filing of any claim of lien, record in the Office of the Recorder of Stanislaus County, a surety bond in an amount 1 and 1/2 times the amount of such claim item to protect against a claim of lien.

Section 2.2 Granting of Easements.

Trustor may not grant easements, licenses, rights-of-way or other rights or privileges in the nature of easements with respect to any property or rights included in the Security except those required or desirable for installation and maintenance of public utilities including, without limitation, water, gas, electricity, sewer, telephone and telegraph, or those required by law and as approved, in writing, by Beneficiary.

Section 2.3 Assignment of Rents.

As part of the consideration for the indebtedness evidenced by the Note, Trustor hereby absolutely and unconditionally assigns and transfers to Beneficiary all the rents and revenues of the Property including those now due, past due, or to become due by virtue of any lease or other agreement for the occupancy or use of all or any part of the Property, regardless of to whom the rents and revenues of the Property are payable. Trustor hereby authorizes Beneficiary or Beneficiary's agents to collect the aforesaid rents and revenues and hereby directs each tenant of the Property to pay such rents to Beneficiary or Beneficiary's agents; provided, however, that prior to written notice given by Beneficiary to Trustor of the breach by Trustor of any covenant or agreement of Trustor in the Loan Documents, Trustor shall collect and receive all rents and revenues of the Property as trustee for the benefit of Beneficiary and Trustor to apply the rents and revenues so collected to the sums secured by this Deed of Trust with the balance, so long as no such breach has occurred, to the account of Trustor, it being intended by Trustor and Beneficiary that this assignment of rents constitutes an absolute assignment and not an assignment for additional security only. Upon delivery of written notice by Beneficiary to Trustor of the breach by Trustor of any covenant or agreement of Trustor in the Loan Documents, and without the necessity of Beneficiary entering upon and taking and maintaining full control of the Property in person, by agent or by a court-appointed receiver, Beneficiary shall immediately be entitled to possession of all rents and revenues of the Property as specified in this Section 2.3 as the same becomes due and payable, including but not limited to rents then due and unpaid, and all such rents shall immediately upon delivery of such notice be held by Trustor as trustee for the benefit of Beneficiary only; provided, however, that the written notice by Beneficiary to Trustor of the breach by Trustor shall contain a statement that Beneficiary exercises its rights to such rents. Trustor agrees that commencing upon delivery of such written notice of Trustor's breach by Beneficiary to Trustor, each tenant of the Property shall make such rents payable to and pay such rents to Beneficiary or Beneficiary's agents on Beneficiary's written demand to each tenant therefor, delivered to each tenant personally, by mail or by delivering such demand to each rental unit, without any liability on the part of said tenant to inquire further as to the existence of a default by Trustor.

Trustor hereby covenants that Trustor has not executed any prior assignment of said rents, that Trustor has not performed, and will not perform, any acts or has not executed and will not execute, any instrument which would prevent Beneficiary from exercising its rights under

this Section 2.3, and that at the time of execution of this Deed of Trust, there has been no anticipation or prepayment of any of the rents of the Property for more than two (2) months prior to the due dates of such rents. Trustor covenants that Trustor will not hereafter collect or accept payment of any rents of the Property more than two (2) months prior to the due dates of such rents. Trustor further covenant that Trustor will execute and deliver to Beneficiary such further assignments of rents and revenues of the Property as Beneficiary may from time to time request.

Upon Trustor's breach of any covenant or agreement of Trustor in the Loan Documents, Beneficiary may in person, by agent or by a court-appointed receiver, regardless of the adequacy of Beneficiary's security, enter upon and take and maintain full control of the Property in order to perform all acts necessary and appropriate for the operation and maintenance thereof including, but not limited to, the execution, cancellation or modification of leases, the collection of all rents and revenues of the Property, the making of repairs to the Property and the execution or termination of contracts providing for the management or maintenance of the Property, all on such terms as are deemed best to protect the security of this Deed of Trust. In the event Beneficiary elects to seek the appointment of a receiver for the Property upon Trustor's breach of any covenant or agreement of Trustor in this Deed of Trust, Trustor hereby expressly consents to the appointment of such receiver. Beneficiary or the receiver shall be entitled to receive a reasonable fee for so managing the Property.

All rents and revenues collected subsequent to delivery of written notice by Beneficiary to Trustor of the breach by Trustor of any covenant or agreement of Trustor in the Loan Documents shall be applied first to the costs, if any, of taking control of and managing the Property and collecting the rents, including, but not limited to, attorney's fees, receiver's fees, premiums on receiver's bonds, costs of repairs to the Property, premiums on insurance policies, taxes, assessments and other charges on the Property, and the costs of discharging any obligation or liability of Trustor as lessor or landlord of the Property and then to the sums secured by this deed of Trust. Beneficiary or the receiver shall have access to the books and records used in the operation and maintenance of the Property and shall be liable to account only for those rents actually received. Beneficiary shall not be liable to Trustor, anyone claiming under or through Trustor or anyone having an interest in the Property by reason of anything done or left undone by Beneficiary under this Section 2.3.

If the rents of the Property are not sufficient to meet the costs, if any, of taking control of and managing the Property and collecting the rents, any funds expended by Beneficiary for such purposes shall become indebtedness of Trustor to Beneficiary secured by this Deed of Trust pursuant to Section 3.3 hereof. Unless Beneficiary and Trustor agree in writing to other terms of payment, such amounts shall be payable upon notice from Beneficiary to Trustor requesting payment thereof and shall bear interest from the date of disbursement at the rate stated in Section 3.3.

Any entering upon and taking and maintaining of control of the Property by Beneficiary or the receiver and any application of rents as provided herein shall not cure or waive any default hereunder or invalidate any other right or remedy of Beneficiary under applicable law or provided herein. This assignment of rents of the Property shall terminate at such time as this Deed of Trust ceases to secure indebtedness held by Beneficiary.

ARTICLE 3:
TAXES AND INSURANCE; ADVANCES

Section 3.1 Taxes, Other Governmental Charges and Utility Charges.

Trustor shall pay, or cause to be paid, at least fifteen (15) days prior to the date of delinquency, all taxes, assessments, charges and levies imposed by any public authority or utility company which are or may become a lien affecting the Security or any part thereof; provided, however, that Trustor shall not be required to pay and discharge any such tax, assessment, charge or levy so long as (a) the legality thereof shall be promptly and actively contested in good faith and by appropriate proceedings, and (b) Trustor maintains reserves adequate to pay any liabilities contested pursuant to this Section 3.1. With respect to taxes, special assessments or other similar governmental charges, Trustor shall pay such amount in full prior to the attachment of any lien therefor on any part of the Security; provided, however, if such taxes, assessments or charges may be paid in installments, Trustor may pay in such installments. Except as provided in clause (b) of the first sentence of this paragraph, the provisions of this Section 3.1 shall not be construed to require that Trustor maintain a reserve account, escrow account, impound account or other similar account for the payment of future taxes, assessments, charges and levies.

In the event that Trustor shall fail to pay any of the foregoing items required by this Section to be paid by Trustor, Beneficiary may (but shall be under no obligation to) pay the same, after the Beneficiary has notified the Trustor in writing of such failure to pay and the Trustor fails to fully pay such items within seven (7) business days after receipt of such notice. Any amount so advanced therefor by Beneficiary, together with interest thereon from the date of such advance at the maximum rate permitted by law, shall become an additional obligation of Trustor to the Beneficiary and shall be secured hereby, and Trustor agrees to pay all such amounts.

Section 3.2 Provisions Respecting Insurance.

Trustor agrees to provide insurance conforming in all respects to that required under the Loan Documents during the course of construction and following completion, and at all times until all amounts secured by this Deed of Trust have been paid and all other obligations secured hereunder fulfilled, and this Deed of Trust reconveyed.

All such insurance policies and coverages shall be maintained at Trustor's sole cost and expense. Certificates of insurance for all of the above insurance policies, showing the same to be in full force and effect, shall be delivered to the Beneficiary upon demand therefor at any time prior to the Beneficiary's receipt of the entire Principal and all amounts secured by this Deed of Trust.

The Trustor is aware that California Civil Code Section 2955.5(a) provides as follows: "No lender shall require a borrower, as a condition of receiving or maintaining a loan secured by real property, to provide hazard insurance coverage against risks to the improvements on that real property in an amount exceeding the replacement value of the improvements on the property."

Section 3.3 Advances.

In the event the Trustor shall fail to maintain the full insurance coverage required by this Deed of Trust or shall fail to keep the Security in accordance with the Loan Documents, the Beneficiary, after at least seven (7) days' prior written notice to Trustor, may (but shall be under no obligation to) take out the required policies of insurance and pay the premiums on the same or may make such repairs or replacements as are necessary and provide for payment thereof; and all amounts so advanced therefor by the Beneficiary shall become an additional obligation of the Trustor to the Beneficiary (together with interest as set forth below) and shall be secured hereby, which amounts the Trustor agrees to pay on the demand of the Beneficiary, and if not so paid, shall bear interest from the date of the advance at the lesser of ten percent (10%) per annum or the maximum rate permitted by law.

ARTICLE 4:
DAMAGE, DESTRUCTION OR CONDEMNATION

Section 4.1 Awards and Damages.

All judgments, awards of damages, settlements and compensation made in connection with or in lieu of (1) taking of all or any part of or any interest in the Property by or under assertion of the power of eminent domain, (2) any damage to or destruction of the Property or in any part thereof by insured casualty, and (3) any other injury or damage to all or any part of the Property ("Funds") are hereby assigned to and shall be paid to the Beneficiary by a check made payable to the Beneficiary. The Beneficiary is authorized and empowered (but not required) to collect and receive any funds and is authorized to apply them in whole or in part upon any indebtedness or obligation secured hereby, in such order and manner as the Beneficiary shall determine at its sole option. Following an Event of Default, the Beneficiary shall be entitled to settle and adjust all claims under insurance policies provided under this Deed of Trust and may deduct and retain from the proceeds of such insurance the amount of all expenses incurred by it in connection with any such settlement or adjustment. All or any part of the amounts so collected and recovered by the Beneficiary may be released to Trustor upon such conditions as the Beneficiary may impose for its disposition. Application of all or any part of the Funds collected and received by the Beneficiary or the release thereof shall not cure or waive any default under this Deed of Trust. The rights of the Beneficiary under this Section 4.1 are subject to the rights of any senior mortgage lender. The Beneficiary shall release the Funds to Trustor to be used to reconstruct the improvements on the Property provided that Beneficiary reasonably determines that Trustor (when taking into account the Funds) has sufficient funds to rebuild the improvements in substantially the form such improvements existed prior to the casualty or condemnation.

ARTICLE 5:
AGREEMENTS AFFECTING THE PROPERTY; FURTHER
ASSURANCES; PAYMENT OF PRINCIPAL AND INTEREST

Section 5.1 Other Agreements Affecting Property.

The Trustor shall duly and punctually perform all terms, covenants, conditions and agreements binding upon it under the Loan Documents and any other agreement of any nature whatsoever now or hereafter involving or affecting the Security or any part thereof.

Section 5.2 Agreement to Pay Attorneys' Fees and Expenses.

In the event of any Event of Default (as defined below) hereunder, and if the Beneficiary should employ attorneys or incur other expenses for the collection of amounts due or the enforcement of performance or observance of an obligation or agreement on the part of the Trustor in this Deed of Trust, the Trustor agrees that it will, on demand therefor, pay to the Beneficiary the reasonable fees of such attorneys and such other reasonable expenses so incurred by the Beneficiary (including, but not limited to, other professional services fees and costs); and any such amounts paid by the Beneficiary shall be added to the indebtedness secured by the lien of this Deed of Trust, and shall bear interest from the date such expenses are incurred at the lesser of ten percent (10%) per annum or the maximum rate permitted by law.

Section 5.3 Payment of the Principal.

The Trustor shall pay to the Beneficiary the Principal and any other payments as set forth in the Note in the amounts and by the times set out therein.

Section 5.4 Personal Property.

To the maximum extent permitted by law, the personal property subject to this Deed of Trust shall be deemed to be fixtures and part of the real property and this Deed of Trust shall constitute a fixtures filing under the California Commercial Code. As to any personal property not deemed or permitted to be fixtures, this Deed of Trust shall constitute a security agreement under the California Commercial Code. The Trustor hereby grants the Beneficiary a security interest in such items.

Section 5.5 Financing Statement.

The Trustor shall execute and deliver to the Beneficiary such financing statements pursuant to the appropriate statutes, and any other documents or instruments as are required to convey to the Beneficiary a valid perfected security interest in the Security. The Trustor agrees to perform all acts which the Beneficiary may reasonably request so as to enable the Beneficiary to maintain such valid perfected security interest in the Security in order to secure the payment of the Note in accordance with its terms. The Beneficiary is authorized to file a copy of any such financing statement in any jurisdiction(s) as it shall deem appropriate from time to time in order to protect the security interest established pursuant to this instrument. Trustor shall pay all costs of filing such financing statements and any extensions, renewals, amendments, and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements, and releases thereof, as the Beneficiary may reasonably require. Without the prior written consent of the Beneficiary, Trustor shall not create or suffer to be created pursuant to the

California Commercial Code any other security interest in the Security, including replacements and additions thereto.

Section 5.6 Operation of the Security.

The Trustor shall operate the Security (and, in case of a transfer of a portion of the Security subject to this Deed of Trust, the transferee shall operate such portion of the Security) in full compliance with the Loan Documents.

Section 5.7 Inspection of the Security.

At any and all reasonable times upon seventy-two (72) hours' notice, the Beneficiary and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right, without payment of charges or fees, to inspect the Security.

Section 5.8 Nondiscrimination.

The Trustor herein covenants by and for itself, its heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, sexual orientation, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Security, nor shall the Trustor itself or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the Security. The foregoing covenants shall run with the land.

Section 5.9 Relocation.

The Trustor shall comply with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. Section 4601, et seq.), and implementing regulations at 49 C.F.R. Part 24; Section 104(d) of the Housing and Community Development Act of 1974 and implementing regulations at 24 C.F.R. Part 42; 24 C.F.R. Section 570.606; and California Government Code Section 7260 et seq. and implementing regulations at 25 California Code of Regulations Section 6000 et seq. The Trustor acknowledges and agrees that the Security is required to be vacant in order to qualify for purchase under the Loan Agreement; however, if and to the extent that acquisition and rehabilitation of the Security results in the permanent or temporary displacement of residential tenants, homeowners, or businesses, then the Trustor shall comply with all applicable local, state, and federal statutes and regulations with respect to relocation planning, advisory assistance, and payment of monetary benefits. The Trustor shall be solely responsible for payment of any relocation benefits to any displaced persons and any other obligations associated with complying with such relocation laws. The Trustor shall indemnify, defend (with counsel reasonably chosen by the Beneficiary), and hold harmless the Beneficiary against all claims which arise out of relocation obligations to residential tenants, homeowners, or businesses permanently or temporarily displaced by the acquisition or rehabilitation of the Security.

ARTICLE 6:
HAZARDOUS WASTE

Trustor shall keep and maintain the Property in compliance with, and shall not cause or permit the Property to be in violation of any federal, state or local laws, ordinances or regulations relating to industrial hygiene or to the environmental conditions on, under or about the Property including, but not limited to, soil and ground water conditions. Trustor shall not use, generate, manufacture, store or dispose of on, under, or about the Property or transport to or from the Property any flammable explosives, radioactive materials, hazardous wastes, toxic substances or related materials, including without limitation, any substances defined as or included in the definition of "hazardous substances," "hazardous wastes," "hazardous materials," or "toxic substances" under any applicable federal or state laws or regulations (collectively referred to hereinafter as "Hazardous Materials") except such of the foregoing as are used in construction of projects of the improvements on the Property or as may be customarily kept and used in and about residential property.

Trustor shall immediately advise Beneficiary in writing if at any time it receives written notice of (i) any and all enforcement, cleanup, removal or other governmental or regulatory actions instituted, completed or threatened against Trustor or the Property pursuant to any applicable federal, state or local laws, ordinances, or regulations relating to any Hazardous Materials, ("Hazardous Materials Law"); (ii) all claims made or threatened by any third party against Trustor or the Property relating to damage, contribution, cost recovery compensation, loss or injury resulting from any Hazardous Materials (the matters set forth in clauses (i) and (ii) above are hereinafter referred to as "Hazardous Materials Claims"); and (iii) Trustor's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Property that could cause the Property or any part thereof to be classified as "border-zone property" under the provision of California Health and Safety Code, Sections 25220 et seq., or any regulation adopted in accordance therewith, or to be otherwise subject to any restrictions on the ownership, occupancy, transferability or use of the Property under any Hazardous Materials Law.

Beneficiary shall have the right to join and participate in, as a party if it so elects, any legal proceedings or actions initiated in connection with any Hazardous Materials Claims and to have its reasonable attorneys' fees in connection therewith paid by Trustor. Trustor shall indemnify and hold harmless Beneficiary and its boardmembers, supervisors, directors, officers, employees, agents, successors and assigns from and against any loss, damage, cost, expense or liability directly or indirectly arising out of or attributable to the use, generation, storage, release, threatened release, discharge, disposal, or presence of Hazardous Materials on, under, or about the Property including without limitation: (a) all foreseeable consequential damages; (b) the costs of any required or necessary repair, cleanup or detoxification of the Property and the preparation and implementation of any closure, remedial or other required plans; and (c) all reasonable costs and expenses incurred by Beneficiary in connection with clauses (a) and (b), including but not limited to reasonable attorneys' fees and consultant's fees.

Without Beneficiary's prior written consent, which shall not be unreasonably withheld, Trustor shall not take any remedial action in response to the presence of any Hazardous Materials on, under or about the Property, nor enter into any settlement agreement, consent

decree, or other compromise in respect to any Hazardous Material Claims, which remedial action, settlement, consent decree or compromise might, in Beneficiary's reasonable judgment, impair the value of the Beneficiary's security hereunder; provided, however, that Beneficiary's prior consent shall not be necessary in the event that the presence of Hazardous Materials on, under, or about the Property either poses an immediate threat to the health, safety or welfare of any individual or is of such a nature that an immediate remedial response is necessary and it is not reasonably possible to obtain Beneficiary's consent before taking such action, provided that in such event Trustor shall notify Beneficiary as soon as practicable of any action so taken. Beneficiary agrees not to withhold its consent, where such consent is required hereunder, if either (i) a particular remedial action is ordered by a court of competent jurisdiction, (ii) Trustor will or may be subjected to civil or criminal sanctions or penalties if it fails to take a required action; (iii) Trustor establishes to the reasonable satisfaction of Beneficiary that there is no reasonable alternative to such remedial action which would result in less impairment of Beneficiary's security hereunder; or (iv) the action has been agreed to by Beneficiary.

The Trustor hereby acknowledges and agrees that (i) this Article is intended as the Beneficiary's written request for information (and the Trustor's response) concerning the environmental condition of the Property as required by California Code of Civil Procedure Section 726.5, and (ii) each representation and warranty in this Deed of Trust or any of the other Loan Documents (together with any indemnity applicable to a breach of any such representation and warranty) with respect to the environmental condition of the property is intended by the Beneficiary and the Trustor to be an "environmental provision" for purposes of California Code of Civil Procedure Section 736.

In the event that any portion of the Property is determined to be "environmentally impaired" (as that term is defined in California Code of Civil Procedure Section 726.5(e)(3)) or to be an "affected parcel" (as that term is defined in California Code of Civil Procedure Section 726.5(e)(1)), then, without otherwise limiting or in any way affecting the Beneficiary's or the Trustee's rights and remedies under this Deed of Trust, the Beneficiary may elect to exercise its rights under California Code of Civil Procedure Section 726.5(a) to (1) waive its lien on such environmentally impaired or affected portion of the Property and (2) exercise (a) the rights and remedies of an unsecured creditor, including reduction of its claim against the Trustor to judgment, and (b) any other rights and remedies permitted by law. For purposes of determining the Beneficiary's right to proceed as an unsecured creditor under California Code of Civil Procedure Section 726.5(a), the Trustor shall be deemed to have willfully permitted or acquiesced in a release or threatened release of hazardous materials, within the meaning of California Code of Civil Procedure Section 726.5(d)(1), if the release or threatened release of hazardous materials was knowingly or negligently caused or contributed to by any lessee, occupant, or user of any portion of the Property and the Trustor knew or should have known of the activity by such lessee, occupant, or user which caused or contributed to the release or threatened release. All costs and expenses, including (but not limited to) attorneys' fees, incurred by the Beneficiary in connection with any action commenced under this paragraph, including any action required by California Code of Civil Procedure Section 726.5(b) to determine the degree to which the Property is environmentally impaired, plus interest thereon at the lesser of ten percent (10%) or the maximum rate permitted by law, until paid, shall be added to the indebtedness secured by this Deed of Trust and shall be due and payable to the Beneficiary upon its demand made at any time following the conclusion of such action.

ARTICLE 7:
EVENTS OF DEFAULT AND REMEDIES

Section 7.1 Events of Default.

The following shall constitute Events of Default: (1) failure to make any payment to be paid by Trustor under the Loan Documents at the time such payment is due; (2) failure to observe or perform any of Trustor's other covenants, agreements or obligations under the Loan Documents, including, without limitation, the provisions concerning discrimination, subject to applicable notice and cure periods, if any, included in the Loan Documents; or (3) failure to make any payment or perform any of Trustor's other covenants, agreements, or obligations under any other debt instruments or regulatory agreement secured by the Property, which default shall not be cured within the times and in the manner provided therein.

Section 7.2 Acceleration of Maturity.

If an Event of Default shall have occurred and be continuing, then at the option of the Beneficiary, the amount of any payment related to the Event of Default and the unpaid Principal of the Note shall immediately become due and payable, upon written notice by the Beneficiary to the Trustor (or automatically where so specified in the Loan Documents), and no omission on the part of the Beneficiary to exercise such option when entitled to do so shall be construed as a waiver of such right.

Section 7.3 The Beneficiary's Right to Enter and Take Possession.

If an Event of Default shall have occurred and be continuing, the Beneficiary may:

(a) Either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court, and without regard to the adequacy of its security, enter upon the Security and take possession thereof (or any part thereof) and of any of the Security, in its own name or in the name of Trustee, and do any acts which it deems necessary or desirable to preserve the value or marketability of the Property, or part thereof or interest therein, increase the income therefrom or protect the security thereof. The entering upon and taking possession of the Security shall not cure or waive any Event of Default or Notice of Default (as defined below) hereunder or invalidate any act done in response to such Default or pursuant to such Notice of Default and, notwithstanding the continuance in possession of the Security, Beneficiary shall be entitled to exercise every right provided for in this Deed of Trust, or by law upon occurrence of any Event of Default, including the right to exercise the power of sale;

(b) Commence an action to foreclose this Deed of Trust as a mortgage, appoint a receiver, or specifically enforce any of the covenants hereof;

(c) Deliver to Trustee a written declaration of default and demand for sale, and a written notice of default and election to cause Trustor's interest in the Security to be sold

("Notice of Default and Election to Sell"), which notice Trustee or Beneficiary shall cause to be duly filed for record in the Official Records of Stanislaus County; or

(d) Exercise all other rights and remedies provided herein, in the instruments by which the Trustor acquires title to any Security, or in any other document or agreement now or hereafter evidencing, creating or securing all or any portion of the obligations secured hereby, or provided by law.

Section 7.4 Foreclosure By Power of Sale.

Should the Beneficiary elect to foreclose by exercise of the power of sale herein contained, the Beneficiary shall give notice to the Trustee (the "Notice of Sale") and shall deposit with Trustee this Deed of Trust which is secured hereby (and the deposit of which shall be deemed to constitute evidence that the unpaid Principal amount of the Note is immediately due and payable), and such receipts and evidence of any expenditures made that are additionally secured hereby as Trustee may require.

(a) Upon receipt of such notice from the Beneficiary, Trustee shall cause to be recorded, published and delivered to Trustor such Notice of Default and Election to Sell as then required by law and by this Deed of Trust. Trustee shall, without demand on Trustor, after lapse of such time as may then be required by law and after recordation of such Notice of Default and Election to Sell and after Notice of Sale having been given as required by law, sell the Security, at the time and place of sale fixed by it in said Notice of Sale, whether as a whole or in separate lots or parcels or items as Trustee shall deem expedient and in such order as it may determine unless specified otherwise by the Trustor according to California Civil Code Section 2924g(b), at public auction to the highest bidder, for cash in lawful money of the United States payable at the time of sale. Trustee shall deliver to such purchaser or purchasers thereof its good and sufficient deed or deeds conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed or any matters of facts shall be conclusive proof of the truthfulness thereof. Any person, including, without limitation, Trustor, Trustee or Beneficiary, may purchase at such sale, and Trustor hereby covenants to warrant and defend the title of such purchaser or purchasers.

(b) After deducting all reasonable costs, fees and expenses of Trustee, including costs of evidence of title in connection with such sale, Trustee shall apply the proceeds of sale to payment of: (i) the unpaid Principal amount of the Note; (ii) all other amounts owed to Beneficiary under the Loan Documents; (iii) all other sums then secured hereby; and (iv) the remainder, if any, to Trustor.

(c) Trustee may postpone sale of all or any portion of the Property by public announcement at such time and place of sale, and from time to time thereafter, and without further notice make such sale at the time fixed by the last postponement, or may, in its discretion, give a new Notice of Sale.

Section 7.5 Receiver.

If an Event of Default shall have occurred and be continuing, Beneficiary, as a matter of right and without further notice to Trustor or anyone claiming under the Security, and without regard to the then value of the Security or the interest of Trustor therein, shall have the right to apply to any court having jurisdiction to appoint a receiver or receivers of the Security (or a part thereof), and Trustor hereby irrevocably consents to such appointment and waives further notice of any application therefor. Any such receiver or receivers shall have all the usual powers and duties of receivers in like or similar cases, and all the powers and duties of Beneficiary in case of entry as provided herein, and shall continue as such and exercise all such powers until the date of confirmation of sale of the Security, unless such receivership is sooner terminated.

Section 7.6 Remedies Cumulative.

No right, power or remedy conferred upon or reserved to the Beneficiary by this Deed of Trust is intended to be exclusive of any other right, power or remedy, but each and every such right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or now or hereafter existing at law or in equity.

Section 7.7 No Waiver.

(a) No delay or omission of the Beneficiary to exercise any right, power or remedy accruing upon any Event of Default shall exhaust or impair any such right, power or remedy, or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every right, power and remedy given by this Deed of Trust to the Beneficiary may be exercised from time to time and as often as may be deemed expeditious by the Beneficiary. Beneficiary's express or implied consent to breach, or waiver of, any obligation of the Trustor hereunder shall not be deemed or construed to be a consent to any subsequent breach, or further waiver, of such obligation or of any other obligations of the Trustor hereunder. Failure on the part of the Beneficiary to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, shall not constitute a waiver by the Beneficiary of its right hereunder or impair any rights, power or remedies consequent on any Event of Default by the Trustor.

(b) If the Beneficiary (i) grants forbearance or an extension of time for the payment of any sums secured hereby, (ii) takes other or additional security or the payment of any sums secured hereby, (iii) waives or does not exercise any right granted in the Loan Documents, (iv) releases any part of the Security from the lien of this Deed of Trust, or otherwise changes any of the terms, covenants, conditions or agreements in the Loan Documents, (v) consents to the granting of any easement or other right affecting the Security, or (vi) makes or consents to any agreement subordinating the lien hereof, any such act or omission shall not release, discharge, modify, change or affect the original liability under this Deed of Trust, or any other obligation of the Trustor or any subsequent purchaser of the Security or any part thereof, or any maker, co-signer, endorser, surety or guarantor (unless expressly released); nor shall any such act or omission preclude the Beneficiary from exercising any right, power or privilege herein granted or intended to be granted in any Event of Default then made or of any subsequent Event of Default, nor, except as otherwise expressly provided in an instrument or instruments executed by the Beneficiary shall the lien of this Deed of Trust be altered thereby.

Section 7.8 Suits to Protect the Security.

The Beneficiary shall have power to (a) institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Security and the rights of the Beneficiary as may be unlawful or any violation of this Deed of Trust, (b) preserve or protect its interest (as described in this Deed of Trust) in the Security, and (c) restrain the enforcement of or compliance with any legislation or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement for compliance with such enactment, rule or order would impair the Security thereunder or be prejudicial to the interest of the Beneficiary.

Section 7.9 Trustee May File Proofs of Claim.

In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition or other proceedings affecting the Trustor, its creditors or its property, the Trustee and/or the Beneficiary, to the extent permitted by law, shall be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of the Beneficiary allowed in such proceedings and for any additional amount which may become due and payable by the Trustor hereunder after such date.

Section 7.10 Waiver.

The Trustor waives presentment, demand for payment, notice of dishonor, notice of protest and nonpayment, protest, notice of interest on interest and late charges, and diligence in taking any action to collect any sums owing under the Note or in proceedings against the Security, in connection with the delivery, acceptance, performance, default, endorsement or guaranty of this Deed of Trust.

ARTICLE 8:
MISCELLANEOUS

Section 8.1 Amendments.

This instrument cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing signed by Beneficiary and Trustor.

Section 8.2 Reconveyance by Trustee.

Upon written request of Beneficiary stating that all sums secured hereby have been paid or forgiven and all performance secured hereby has been satisfactorily completed, and upon surrender of this Deed of Trust to Trustee for cancellation and retention, and upon payment by Trustor of Trustee's reasonable fees, Trustee shall reconvey the Security to Trustor, or to the person or persons legally entitled thereto.

Section 8.3 Notices.

If at any time after the execution of this Deed of Trust it shall become necessary or convenient for one of the parties hereto to serve any notice, demand or communication upon the other party, such notice, demand or communication shall be in writing and shall be served personally, by reputable overnight delivery service (which provides a delivery receipt) or by depositing the same in the registered United States mail, return receipt requested, postage prepaid and (1) if intended for Beneficiary shall be addressed to:

By Personal Delivery:

City of Modesto
Parks, Recreation and Neighborhoods Department
Attn: Director
1010 Tenth Street, Suite _____
Modesto, CA 95354

By Mail:

City of Modesto
Parks, Recreation and Neighborhoods Department
P O Box 642
Modesto, CA 95353
Attn: Director

and (2) if intended for Trustor shall be addressed to:

By Personal Delivery or Mail:

Housing Authority of the County of Stanislaus
1701 Robertson Road
Modesto, CA 95351
Attn: Executive Director

Any notice, demand or communication shall be deemed given, received, made or communicated on the date personal delivery is effected or, if mailed in the manner herein specified, on the delivery date or date delivery is refused by the addressee, as shown on the return receipt. Either party may change its address at any time by giving written notice of such change to Beneficiary or Trustor as the case may be, in the manner provided herein, at least ten (10) days prior to the date such change is desired to be effective.

Section 8.4 Successors and Joint Trustors.

Where an obligation is created herein binding upon Trustor, the obligation shall also apply to and bind any transferee or successors in interest. Where the terms of the Deed of Trust have the effect of creating an obligation of the Trustor and a transferee, such obligation shall be deemed to be a joint and several obligation of the Trustor and such transferee. Where more than one entity or person is signing as Trustor, all obligations of Trustor shall be deemed to be a joint and several obligation of each and every entity and person signing as Trustor.

Section 8.5 Captions.

The captions or headings at the beginning of each Section hereof are for the convenience of the parties and are not a part of this Deed of Trust.

Section 8.6 Invalidity of Certain Provisions.

Every provision of this Deed of Trust is intended to be severable. In the event any term or provision hereof is declared to be illegal or invalid for any reason whatsoever by a court or other body of competent jurisdiction, such illegality or invalidity shall not affect the balance of the terms and provisions hereof, which terms and provisions shall remain binding and enforceable. If the lien of this Deed of Trust is invalid or unenforceable as to any part of the debt, or if the lien is invalid or unenforceable as to any part of the Security, the unsecured or partially secured portion of the debt, and all payments made on the debt, whether voluntary or under foreclosure or other enforcement action or procedure, shall be considered to have been first paid or applied to the full payment of that portion of the debt which is not secured or partially secured by the lien of this Deed of Trust.

Section 8.7 Governing Law.

This Deed of Trust shall be governed by and construed in accordance with the laws of the State of California.

Section 8.8 Gender and Number.

In this Deed of Trust the singular shall include the plural and the masculine shall include the feminine and neuter and vice versa, if the context so requires.

Section 8.9 Deed of Trust, Mortgage.

Any reference in this Deed of Trust to a mortgage shall also refer to a deed of trust and any reference to a deed of trust shall also refer to a mortgage.

Section 8.10 Actions.

Trustor agrees to appear in and defend any action or proceeding purporting to affect the Security.

Section 8.11 Substitution of Trustee.

Beneficiary may from time to time substitute a successor or successors to any Trustee named herein or acting hereunder to execute this Trust. Upon such appointment, and without conveyance to the successor trustee, the latter shall be vested with all title, powers, and duties conferred upon any Trustee herein named or acting hereunder. Each such appointment and substitution shall be made by written instrument executed by Beneficiary, containing reference to this Deed of Trust and its place of record, which, when duly recorded in the proper office of the

county or counties in which the Property is situated, shall be conclusive proof of proper appointment of the successor trustee.

Section 8.12 Statute of Limitations.

The pleading of any statute of limitations as a defense to any and all obligations secured by this Deed of Trust is hereby waived to the full extent permissible by law.

Section 8.13 Acceptance by Trustee.

Trustee accepts this Trust when this Deed of Trust, duly executed and acknowledged, is made public record as provided by law. Except as otherwise provided by law the Trustee is not obligated to notify any party hereto of pending sale under this Deed of Trust or of any action of proceeding in which Trustor, Beneficiary, or Trustee shall be a party unless brought by Trustee.

IN WITNESS WHEREOF, Trustor has executed this Deed of Trust as of the day and year first above written.

EXHIBIT A

LEGAL DESCRIPTION

The land is situated in the State of California, Stanislaus County, City of Modesto, and is described as follows:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-363**

RESOLUTION AUTHORIZING THE AWARD OF CONTRACT FOR THE FURNISHING OF SECURITY GUARD SERVICES FOR CITYWIDE USE, TO CYPRESS PRIVATE SECURITY, SAN JOSE, CA, FOR A ONE-YEAR AGREEMENT WITH SIX (6) ONE-YEAR EXTENSION OPTIONS AT THE SOLE DISCRETION OF THE CITY, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO ISSUE AN AGREEMENT FOR AN ESTIMATED ANNUAL COST OF \$397,000

WHEREAS, Stanislaus County recently completed a competitive RFP process for security guard services, and

WHEREAS, one local vendor submitted a proposal, and

WHEREAS, based on being ranked highest in total evaluation criteria Stanislaus County Board of Supervisors, approved Board Action No. 2012-294, authorizing the award of a Master Agreement to Cypress Private Security, San Jose, CA, and

WHEREAS, by accessing the terms or “piggybacking”, City staff recommends the award of contract for the furnishing of security guard services for Citywide use to Cypress Private Security, San Jose, CA, and

WHEREAS, Modesto Municipal Code (MMC), Section 8-3.203, generally requires all purchases, which meet or exceed \$50,000.00 for material, equipment or contractual services to be formally bid. However, there are exceptions to the rule set forth in the Modesto Municipal Code. One exception, MMC 8-3.204 (d), is available where the Purchasing Manager, in his discretion, determines that a process other than the usual formal bid procedure set forth in Section MMC 8-3.203 will result in procurement for the City at the lowest possible cost commensurate with the desired quality. Acting within his discretion, the Purchasing Manager invoked that exception for this purchase. The furnishing of security guard services for Citywide use, by accessing the terms of a

competitively bid contract from Stanislaus County, Board Action No. 2012-294, to Cypress Private Security, San Jose, CA, conforms to code, and

WHEREAS, funds shall be budgeted for the furnishing of security guard services in Appropriation Units: 0100-33040-53300, 0100-35010-53300, 0100-35220-53300, 4000-53250-53300, 4100-55050-53300, 4100-55080-53300, 4100-55090-53300, 4210-54313-53300, and 4530-53474-53300.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of proposal for the furnishing of security guard services for Citywide use to Cypress Private Security, San Jose, CA.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to issue an agreement for an estimated annual cost of \$397,000.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of September, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Burnside, Cogdill, Geer, Gunderson, Lopez, Muratore, Mayor Marsh

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-364**

RESOLUTION AUTHORIZING THE AWARD OF BID FOR THE PURCHASE OF FEDERAL BRAND AMMUNITION FOR THE MODESTO POLICE DEPARTMENT TO SAN DIEGO POLICE EQUIPMENT CO., INC., SAN DIEGO, CA, FOR A TWO (2) YEAR AGREEMENT WITH THREE (3) ONE-YEAR EXTENSION OPTIONS AT THE SOLE DISCRETION OF THE CITY, FOR AN ESTIMATED ANNUAL COST OF \$92,307

WHEREAS, the City Manager authorized the Purchasing Manager to issue formal Request for Bids (RFB) for the purchase of Federal Brand ammunition, and

WHEREAS, the Purchasing Division issued RFB No. 1213-02 Federal Brand Ammunition to seven (7) prospective bidders, none of which were local vendors, posted the RFB on the City's website and formally advertised as required by law, and

WHEREAS, bids were formally opened in the City Clerk's Office. One company chose to respond. The company provided a responsive and responsible bid, and

WHEREAS, based on providing a responsive and responsive bid, City staff recommends the award of bid for the purchase of Federal Brand ammunition to San Diego Police Equipment Co., Inc, San Diego, CA, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. The award of bid for the purchase of Federal Brand ammunition for the Modesto Police Department to San Diego Police Equipment, Co., Inc, San Diego, CA, conforms to the Modesto Municipal Code, and

WHEREAS, funds are budgeted in Fiscal Year 2012-13 for the purchase of Federal Brand ammunition in Appropriation Unit: 0100-19420-52300.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of bid for the purchase of Federal Brand ammunition for the Modesto Police Department to San Diego Police Equipment Co., Inc., San Diego, CA.

BE IT FURTHER RESOLVED that the Purchasing Manager, or his designee, is hereby authorized to issue a purchase agreement for an estimated annual cost of \$92,307.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of September, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-365**

RESOLUTION AUTHORIZING THE AWARD OF CONTRACT FOR THE PURCHASE OF A PACKER TRUCK FOR THE PARKS, RECREATION AND NEIGHBORHOODS DEPARTMENT, PRUNED REFUSE COLLECTION DIVISION, THROUGH THE PUBLIC WORKS DEPARTMENT, FLEET SERVICES DIVISION, BY "PIGGYBACKING" OFF THE CITY'S OWN COMPETITIVELY BID CONTRACT, TO WESTERN TRUCK CENTER, STOCKTON, CA, AND AUTHORIZING THE PURCHASING MANAGER TO ISSUE A PURCHASE ORDER FOR A TOTAL ESTIMATED COST OF \$197,269

WHEREAS, the City Manager authorized the Purchasing Manager to issue formal Request for Bids (RFB) for new vehicles and heavy equipment, throughout FY 12/13 through various competitive processes, with the Purchasing Division coming back to Council for award authorization. The packer truck is included in the FY 12/13 new vehicles and heavy equipment list authorized by the City Manager, and

WHEREAS, packer trucks are used by the Parks, Recreation and Neighborhoods Department, Pruned Refuse Collection Division. The packer truck has been subjected to a thorough evaluation and has met or exceeded the replacement criteria before being placed on the replacement list. The packer truck falls under the City's compliance program, approved by the California Air Resources Board, requiring a progressive program to remove older diesel trucks from service, and

WHEREAS, based on providing the lowest responsive and responsible bid, City staff recommends the award of contract for the purchase of a packer truck for the Parks, Recreation and Neighborhoods Department, Pruned Refuse Collection Division, by "piggybacking" off the City's own competitively bid contract, Council Resolution 2012-57, to Western Truck Center, Stockton, CA, for a total estimated cost of \$197,269, and

WHEREAS, in order to provide sufficient funding for the equipment purchase, a budget amendment is necessary in the Fleet Replacement Fund (5409-53246-57003), which is an increase of \$200,000 for Fiscal Year 2012-13. Adequate funding currently exists in the Parks, Recreation and Neighborhoods Department, Solid Waste Pruned Refuse Collection Division equipment replacement fund 4899-53235-45012, to reimburse Fleet for these purchases, and

WHEREAS, The Modesto Municipal Code (MMC), Section 8-3.203, generally requires all purchases, which meet or exceed \$50,000.00 for material, equipment or contractual services to be formally bid. However, there are exceptions to the rule set forth in the Modesto Municipal Code. One exception, MMC 8-3.204 (d), is available where the Purchasing Manager, in his discretion, determines that a process other than the usual formal bid procedure set forth in Section MMC 8-3.203 will result in procurement for the City at the lowest possible cost commensurate with the desired quality. Acting within his discretion, the Purchasing Manager invoked that exception for this purchase.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of contract for the purchase of a packer truck for the Parks, Recreation and Neighborhoods Department, Pruned Refuse Collection Division, through the Public Works Department, Fleet Services Division, by “piggybacking” off the City’s own competitively bid contract, to Western Truck Center, Stockton, CA.

BE IT FURTHER RESOLVED that the Purchasing Manager or his designee to issue a purchase order for a total estimated cost of \$197,269.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of September, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-366**

**RESOLUTION AMENDING THE FISCAL YEAR 2012-2013 ADOPTED
OPERATING BUDGET TO INCREASE THE FLEET REPLACEMENT FUND
FROM FLEET RESERVES BY \$200,000 FOR THE PURCHASE OF A PACKER
TRUCK**

WHEREAS, a budget amendment is necessary in the Fleet Replacement Fund 5409-53246-57003, by an increase of \$200,000 for Fiscal Year 2012-13, to provide sufficient funding for the equipment purchase of a packer truck, and

WHEREAS, the initial purchase of the equipment takes place in the Fleet Replacement Fund. After the purchase has been completed, the Fleet Replacement Fund is reimbursed by the departmental replacement fund. Adequate funding currently exists in the Parks, Recreation and Neighborhoods Department, Solid Waste Pruned Refuse Collection Division replacement fund 4899-53235-45012 to reimburse Fleet, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the annual Fleet Replacement Fund 5409-53246-57003, budget by increasing the budget for the purchase of a packer truck by \$200,000.

BE IT FURTHER RESOLVED that the Director of Finance, or her designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of September, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following votes:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-367**

**RESOLUTION APPROVING FIRST AMENDMENT TO THE CITY OF
MODESTO NSP2 LOAN AGREEMENT BETWEEN THE CITY OF MODESTO
AND THE HOUSING AUTHORITY OF THE COUNTY OF STANISLAUS
(HACS) TO INCORPORATE THE “BUY AMERICAN” REQUIREMENT IN
ACCORDANCE WITH NSP REGULATIONS FOR THE DEVELOPMENT OF
AFFORDABLE HOUSING FOR THE EMANCIPATED FOSTER AND
HOMELESS YOUTH PROGRAM AND AUTHORIZING THE CITY MANAGER,
OR HIS DESIGNEE, TO EXECUTE THE FIRST AMENDMENT TO THE NSP2
LOAN AGREEMENT AND RELATED DOCUMENTS**

WHEREAS, on January 14, 2010, the City of Modesto (City) was granted \$25 million under the Neighborhood Stabilization Program 2 of which \$6 million was specifically set-aside for an innovative program under the Housing Authority of the County of Stanislaus (HACS) and

WHEREAS, on January 11, 2011, the City and the HACS entered into a MOU to implement the Emancipated Foster Youth and/or Homeless Youth Program (EFY&HYP), and

WHEREAS, on March 27, 2012, by Resolution No. 2012-122, Council approved a NSP2 loan to the HACS in the amount of \$4.8 million for the construction of a 32 unit housing project for Emancipated Foster Youth and Homeless Youth Program, also known as Meadow Glen Apartments.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a first amendment to the NSP2 loan agreement between the City of Modesto and the Housing Authority of the County of Stanislaus (HACS) for the Meadow Glen Project to incorporate the “Buy American” requirement in accordance with NSP regulations.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the amendment to the NSP2 loan agreement and all related documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of September, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-368**

**RESOLUTION APPROVING THE PLANS AND SPECIFICATIONS FOR THE
EMERALD & MAZE STORM DRAIN PROJECT, ACCEPTING THE BID, AND
APPROVING A CONTRACT WITH ALLEN A. WAGGONER
CONSTRUCTION, INC. OF RIPON, CALIFORNIA IN THE AMOUNT OF
\$183,288, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO
EXECUTE THE CONTRACT**

WHEREAS, plans and specifications have been prepared for the Maze & Emerald Storm Drain Project, and City staff recommends approval by the City Council, and

WHEREAS, the bids received for the Maze & Emerald Storm Drain Project were opened at 11:00 a.m. on August 28, 2012, and later tabulated by the Director of Utility Planning and Projects for the consideration of the Council, and

WHEREAS, the Director of Utility Planning and Projects has recommended that the bid of \$183,288 received from Allen A. Waggoner Construction, Inc. of Ripon, California be accepted as the lowest responsible bid and the contract be awarded to Allen A. Waggoner Construction, Inc.,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the plans and specifications for the Maze & Emerald Storm Drain Project, accepts the bid of Allen A. Waggoner Construction, Inc. of Ripon, California, in the amount of \$183,288, and awards Allen A. Waggoner Construction, Inc. the contract for the Maze & Emerald Storm Drain Project.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the contract.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of September, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

MODESTO CITY COUNCIL
RESOLUTION NO. 2012-369

A RESOLUTION GRANTING SALARY CHANGES TO NON-SWORN UNREPRESENTED MANAGEMENT AND CONFIDENTIAL EMPLOYEES INCLUDING CHARTER OFFICERS AND EXECUTIVES, EFFECTIVE JULY 2, 2013, AND RESCINDING RESOLUTION NO. 2007-384

WHEREAS, by Resolution No. 2007-384 which became effective on June 26, 2007, the City Council amended the salary schedules for unrepresented Management and Confidential employees including Charter Officers and Executives, and

WHEREAS, the Council of the City of Modesto desires to approve a one and one-half (1.5%) percent across-the-board salary increase for non-sworn unrepresented Management and Confidential employees, including Executives and Charter Officers, effective July 2, 2013, and

WHEREAS, the salary schedule for the Management /Confidential non-sworn unrepresented employees is the only remaining salary schedule with a nine-step salary range, and

WHEREAS, the City desires consistency in the application of merit increases and therefore will modify the Management/Confidential non-sworn unrepresented salary schedule from a nine (9) step plan to a five (5) step plan, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. SALARY RANGES, RATES AND EFFECTIVE DATES. The salary rates, salary ranges and salary steps as set forth in the following **exhibits** which are **attached** hereto and made a part hereof provide for a one and one half (1.5%) percent across-the-board salary adjustment for non-sworn unrepresented Management and

Confidential employees effective July 2, 2013, subject to Pay-for-Performance criteria. For non-sworn Executive Management and Charter Officers, salary ranges shall be increased by one and one half (1.5%) percent effective July 2, 2013. For sworn unrepresented Management and Executives, salary ranges shall remain unchanged.

1. **Exhibit "A"** entitled "City Of Modesto Class Range Table, Unrepresented Management And Confidential Non-Sworn Classes, Effective July 2, 2013."
2. **Exhibit "B"** entitled "City Of Modesto Schedule Of Salary Ranges In City Service For FY 13/14 Effective July 2, 2013 - Schedule H Management/Confidential – Non-Sworn Unrepresented."
3. **Exhibit "C"** entitled "City Of Modesto Class Range Table, Executive Management, Effective July 2, 2013" which includes Charter Officers.
4. **Exhibit "D"** entitled "City Of Modesto Schedule Of Salary Ranges In City Service For FY 13/14, Effective July 2, 2013 - Executive Management."
5. **Exhibit "E"** entitled "City of Modesto Class Range Table, Fire Management Classes, Effective June 26, 2007.
6. **Exhibit "F"** entitled "City of Modesto Schedule Of Salary Ranges in City Service For FY 07/08, Effective June 26, 2007 – Schedule X, Fire Management – 80 Hrs. – Battalion Chief and Schedule Y, Fire Management – 112 Hrs. – Battalion Chief.
7. **Exhibit "G"** entitled "City of Modesto Schedule Of Salary Ranges in City Service For FY 07/08, Effective June 26, 2007 – Schedule E Management/Confidential – Fire – 80 hours – Division Chief."
8. **Exhibit "H"** entitled "City of Modesto Class Range Table, Police Management Classes (Unrepresented), Effective June 26, 2007."
9. **Exhibit "I"** City of Modesto Schedule Of Salary Ranges In City Service For FY 07/08, Effective June 26, 2007 – Schedule G Management/Confidential – Police – Unrepresented."

SECTION 2. CHARTER OFFICERS. The salaries for the positions of the Charter Officers shall be as follows:

<u>TITLE</u>	<u>HOURLY</u>	<u>BI-WEEKLY</u>	<u>MONTHLY</u>	<u>EFFECTIVE</u>
City Manager Greg Nyhoff	94.80	7,584.00	16,495.19	July 2, 2013
City Attorney Susana Alcalá Wood	76.44	6,115.20	13,300.55	July 2, 2013
City Clerk Stephanie Lopez	46.77	3,741.60	8,137.98	July 2, 2013

SECTION 3. USE OF CLASSES. The designated classes of positions may be used in any organizational unit of the City deemed proper by the City Manager.

SECTION 4. POSITIONS. The City Council authorizes and directs the City Manager, within the limits of funds budgeted therefor, to appoint employees in such number and in such classes in each department as may be necessary to properly operate the department under the Charter, ordinances and resolutions adopted by the City Council, including, but not limited to, creating additional positions to replace employees who are on disability leave or other leaves of absence.

SECTION 5. APPOINTMENTS AND SALARIES. The City Manager is hereby authorized to appoint, in accordance with the applicable provisions of the Modesto Municipal Code and Personnel Rules and within the limits of funds budgeted therefor, any person to a position in a class for which he is the appointing authority and for which the salary is hereby provided, to designate the definite salary rate or salary step at which such person is appointed, and the salary so designated is hereby fixed as the salary of such employee for the position.

SECTION 6. SPECIAL SALARY RATES. The City Manager is further authorized, subject to budgetary appropriation control by the City Council, to fix the salary range or rate for part-time, hourly or special positions in the Unclassified Service

for which the City Manager is the appointing authority and which are not designated herein.

SECTION 7. PART-TIME EMPLOYMENT. Employees appointed to any of the positions referred to herein who, with the approval of the City Manager, regularly work less hours per week than established for their class by rule 13.1 of the Personnel Rules, shall be paid in approximate proportion of the time worked.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that Resolution No. 2007-384 is hereby rescinded.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of September, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

MODESTO CITY COUNCIL
RESOLUTION NO. 2012-371

RESOLUTION SUSPENDING MANAGEMENT LEAVE CASHOUT FOR UNREPRESENTED EMPLOYEES, INCLUDING EXECUTIVES AND CHARTER OFFICERS FOR 2012; CONTINUING UNPAID FURLONGHS FOR NON-SWORN UNREPRESENTED EMPLOYEES THROUGH FISCAL YEAR 2012-13; FREEZE SICK LEAVE CONVERSION TO RETIREE MEDICAL FOR NON-SWORN UNREPRESENTED EMPLOYEES; INCORPORATING PREVIOUSLY AUTHORIZED BENEFITS FOR UNREPRESENTED MANAGEMENT EMPLOYEES, INCLUDING CHARTER OFFICERS AND EXECUTIVES; AND RESCINDING RESOLUTION NO. 2011- 197

WHEREAS, the City is seeking employee concessions as part of the effort to balance the City budget and address the City's budget shortfall, and

WHEREAS, unrepresented non-sworn employees and Charter Officers have agreed to take 40 hours of unpaid furloughs, and

WHEREAS, unrepresented employees and Charter Officers have agreed to forego cash out of Management Leave for 2012, and

WHEREAS, City will freeze sick leave conversion program for retiree medical as of October 22, 2012 for all non-sworn unrepresented employees, and

WHEREAS, the City will amend the current salary schedule from a 9-step to a 5 step plan and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. HEALTH, DENTAL AND VISION BENEFITS. The City's contribution to health, dental and vision benefits for Unrepresented Management and Confidential employees, including Charter Officers and Executives, shall remain in effect as follows:

<u>City Contribution (monthly)</u>	
<u>Sworn and Non-Sworn</u>	
	<u>1/1/2011</u>
Family	\$1100
Employee Only	\$621
Opt Out	\$450

The City shall deposit into the employee's deferred compensation account any balance remaining from the above listed contributions not needed to pay for the employee's health, dental or vision premiums. Effective July 22, 2008, for employees enrolled in the City-sponsored High Deductible Health Plan, any balance of said contributions shall be directed to the employee's Health Savings Account. Only in the event that an employee does not qualify for enrollment into a Health Savings Account, the City shall deposit any balance of the above contribution not needed to pay for the employee's combined premium into the employee's deferred compensation account.

Effective July 26, 2005, the City's contribution toward unrepresented employees with Family coverage shall not exceed the actual premium amount for the lowest cost health (HMO Plan), dental and vision plans offered by the City, regardless of the health plan selected by the employee or the contribution amounts listed above.

SECTION 2. UNIFORM ALLOWANCES. Uniform allowances for unrepresented Management and Confidential employees who are required to wear a uniform, are as follows:

<u>Positions</u>	<u>Effective Date</u>	<u>Allowance</u>
Sworn Police	January 1, 2008	\$94.00 (Per Reso. No. 2005-602)
Sworn Fire Management	July 1, 2007	\$85.00

SECTION 3 DEFERRED COMPENSATION 401(a) MONEY PURCHASE

PLANS. The 401(a) Money Purchase Plans shall provide for a City-paid contribution and equal mandatory employee contribution, effective January 1, 2006, of 5% for Charter Officers, 3% for Executives other than Charter Officers, and 2% for all other unrepresented Management and Confidential employees.

SECTION 4. COMPENSATORY TIME OFF CAP. Management and Confidential employees who are overtime-eligible shall be paid quarterly for all CTO over their established cap. For employees hired on or after December 6, 2005, the CTO cap shall be 100 hours. For employees hired before December 6, 2005, the cap shall be 160 hours.

SECTION 5. HOLIDAY CAP. Holiday time for unrepresented non-sworn employees may be accrued up to a maximum of 40 hours. When the employee reaches the 40 hour maximum, additional holiday time shall be compensated in cash at straight time rates on a quarterly basis.

SECTION 6. MANAGEMENT LEAVE. Commencing January 1, 2012, management employees in exempt regular positions shall be advanced 80 hours of Management Leave (Fire Battalion Chiefs on a 56-hour schedule shall be advanced 112 hours) January of each calendar year to be taken at the discretion of the employee and upon approval of City Manager, or designee, and shall be prorated for less than full-time employees. Management Leave will be forfeited if not used by the last pay period ending in December. An exempt employee hired after Management Leave has been advanced shall be eligible for a pro-rated portion of Leave.

In the event of separation from City employment of any person who has taken Management Leave prior to the time all of said leave is earned, the employee shall be

required to make full restitution to the City for that portion of leave taken but remaining unearned on the date of termination of employment. Employees separating from City service will be paid for earned Management Leave credit.

SECTION 7. MANAGEMENT LEAVE ANNUAL CASHOUT. For calendar year 2012 no employee will be permitted to cash out Management Leave.

The maximum number of hours available for cash out each December shall be 40 hours annually for Management employees.

Effective December 2007, the maximum annual cash out shall be 80 hours for Executives and Charter Officers, and 60 hours for Police Captains, Fire Battalion Chiefs, Fire Division Chiefs, Deputy Directors, Assistant City Attorney and Deputy City Attorney I/II/III/Senior. For Fire Battalion Chiefs on a 56-hour schedule, the maximum cash out shall be 84 hours.

SECTION 8. FIRE CHIEF OFFICER SHIFT STIPEND. Effective December 27, 2005, Fire Battalion Chiefs and Fire Division Chiefs assigned to work extra shifts in order to maintain a consistent staffing of two (2) Battalion Chiefs to the extent possible, may receive a stipend of one thousand dollars (\$1,000) per 24-hour shift. Criteria for assignment to extra shifts with the stipend shall be at the discretion of the Fire Chief, who shall also determine when staffing at the level of one Battalion Chief is acceptable. The Fire Chief shall annually determine the maximum number of assignments available for stipend, subject to funds budgeted and the needs of the City. As FLSA Exempt management employees, Fire Battalion Chiefs and Fire Division Chiefs may be required to work both emergency and non-emergency assignments without additional compensation.

SECTION 9. NEGATIVE VACATION. Effective March 7, 2006, use of negative vacation will be permitted only for extenuating circumstances and will require the approval of the City Manager, or designee.

SECTION 10. PROBATIONARY PERIOD. All original and promotional appointments to positions in the Classified Service shall be tentative and subject to a probationary period of one year from the date of appointment to the position. The purpose of the probationary period is to train, observe and evaluate the employee on conduct, performance, attitude, adaptability and job knowledge.

Initial Probation: It is understood that the probationary period will normally last for one year from the date of appointment, but may last longer than the one year if absences, either paid or unpaid, cause the probationary employee to work less than 1680 hours. In the event that an employee works less than 1680 hours in the first twelve months of employment, then the employee's probation shall be extended until he/she has worked 1680 hours.

Promotional Probation: It is understood that the probationary period, upon promotion, will normally last for one year from the date of promotion, but may last longer than the one year if absences, either paid or unpaid, cause the probationary employee to work less than 1560 hours. In the event that an employee works less than 1560 hours during the twelve months following his/her promotion, then the employee's probation shall be extended until he/she has worked 1560 hours.

During the probationary period an employee may be released at any time without right of appeal. Written notice of release shall be furnished to the probationer. An employee released during or at the conclusion of probation following a promotion, shall

be reinstated to the position previously held, at the former salary step, except if the reasons for release are cause for dismissal.

SECTION 11. DEFERRED COMPENSATION SERVICE DATES. The CITY shall continue to provide access to a 457 deferred compensation program authorized by the City Council for the voluntary participation of City employees. In addition, the CITY shall match on behalf of a participating employee in a regular position, one and one-half percent (1.5%) of an employee's regular rate of pay on a bi-weekly basis; provided, the employee is contributing at least one and one-half percent (1.5%). For such employees who have been continuously employed by the CITY for nine (9) or more years, the CITY shall contribute two and one-half percent (2.5%); provided the employee is contributing at least two and one-half percent (2.5%). Effective January 1, 2006, this increase in the City's contribution shall be effective with the first pay period to begin in the month following completion of nine (9) years of service, provided that the employee has completed any required documents.

SECTION 12. DOMESTIC PARTNERS. Benefits applicable to spouses shall be extended to registered domestic partners, as required by law.

SECTION 13. MEDICAL LEAVES OF ABSENCE. Effective December 6, 2005, employees requesting an Authorized Medical Leave of Absence without pay, due to a medical incapacity to perform the duties of their position, must provide written medical verification of a long-term disability, illness or injury.

SECTION 14. CATASTROPHIC LEAVE. Effective December 6, 2005, employees requesting Catastrophic Leave donations must provide a written medical

verification of long term illness or injury, or verification of a family member's illness or injury.

SECTION 15. HAZARDOUS MATERIALS CERTIFICATION PAY. Effective July 1, 2003, one (1) Fire Department Battalion Chief or Division Chief shall be authorized five (5%) percent Haz Mat Pay, when certified as a Hazardous Materials Specialist and assigned to administer the City of Modesto's participation in the Regional Hazardous Materials Response Team. This pay replaced the annual Haz Mat Stipend.

SECTION 16. MASTERS DEGREE INCENTIVE PAY. Effective June 29, 2004, employees who possess a Masters Degree or Juris Doctor from an accredited institution, shall be granted one and one half (1.5%) percent Masters Pay, subject to criteria as established by the City.

SECTION 17. REGISTRATION AND CERTIFICATION FEES. Effective July 1, 2003, when an employee is required by the City to obtain or renew a certificate, license or registration in order to carry out their assigned duties, except a California Class C Driver's License, the City will pay the fee for the actual certificate, license or registration, (and exam fee, if any).

SECTION 18. LEAVE CASHOUTS FOR SWORN FIRE MANAGEMENT EMPLOYEES. Sworn Fire Management employees in the classifications of Fire Battalion Chief, Fire Division Chief and Fire Chief working a 40 hour schedule shall be afforded the opportunity to cash out up to 61 hours of vacation leave per calendar year (at straight time rates) and up to 88 hours of holiday leave per calendar year (at time and one-half), effective July 1, 2003. Employees in the classification of Fire Battalion Chief working a 56 hour schedule shall be afforded the opportunity to cash out up to 72 hours

of vacation leave per calendar year (at straight time rates) effective June 20, 2000, and up to 132 hours of holiday leave per calendar year (at time and one-half). Holiday leave may not be carried over year-to-year regardless of the schedule worked.

SECTION 19. VEHICLE ALLOWANCE. Per Resolution No. 2001-271 effective July 1, 2001, the vehicle allowance for Executives and Charter Officers who receive an allowance, shall be \$400/month, and the City Manager is authorized to grant Deputy Directors either an assigned City vehicle or a vehicle allowance in the amount of \$300/month. The City Manager is also authorized to grant selected Management employees a vehicle allowance of \$100-\$200/month based on Department Director recommendation and an annual justification relating to extensive use of a personal vehicle while conducting City business. Effective May 27, 2008, per Resolution 2008-305, the vehicle allowance for Charter Officers is increased to a maximum of \$500/month.

SECTION 20. SICK LEAVE CASHOUT FOR SWORN FIRE MANAGEMENT EMPLOYEES. Effective June 22, 1999, Sworn Fire management employees who leave City service in good standing (other than retirement) after five (5) years of continuous service, shall be paid the first twenty-two hundred (2,200) hours of their current unused sick leave, reduced by hours previously converted to Deferred Compensation, as follows: (1) Ninety (90%) percent of accrued sick leave hours as of the date of the employee's initial promotion to a management classification shall be paid out at the current regular rate of pay (top step) for Fire Captain, and (2) In addition, twenty-five (25%) percent of the remaining sick leave hours accruing after promotion to a management classification shall be paid out at the employee's then current regular rate of pay.

SECTION 21. FURLOUGH. Effective September 11, 2012, all non-sworn employees shall take forty (40) hours of mandatory furloughs in fiscal year 2012-13. For the pay period beginning September 11, 2012 through pay period ending June 17, 2013, each employee shall have two (2) unpaid furlough hours deducted from his/her paycheck. Effective pay period beginning September 11, 2012, the City shall create for each employee a furlough bank of forty (40) hours for fiscal year 2012-13.

There is no cash value to the furlough bank hours. Unused furlough bank hours not taken by June 17, 2013 shall be forfeited. An employee who separates from City service and has not contributed the salary reduction equivalent to furlough bank hours taken shall authorize the City to reduce the employee's final check by the amount needed to cover the unpaid furlough bank hours.

SECTION 22. EMERGENCY MEDICAL TECHNICIAN CERTIFICATION PAY. Effective July 1, 1990, sworn Fire Management employees in the classifications of Fire Battalion Chief and Fire Division Chief who are certified as Medical First Responders, shall receive a monthly allowance equivalent to two and one-half percent (2.5%) of the base salary for their classification. Employees who are certified as Emergency Medical Technicians (EMT-I), shall receive a monthly allowance equivalent to five percent (5.0%) of the base salary for their classification. The EMT-I allowance shall be in lieu of the Medical First Responder allowance.

SECTION 23. MUTUAL AID ASSIGNMENT. Per Resolution 2001-485, effective September 25, 2001, Sworn Fire Management employees in the classification of Fire Battalion Chief and Fire Division Chief shall receive a stipend when assigned to fill Strike Team and Task Force Leader assignments. Fire Battalion Chiefs assigned as Strike

Team or Task Force Leader or Strike Team or Task Force Leader Trainee shall receive a stipend of \$1000 for a 24 hour period. Fire Division Chiefs assigned as Strike Team or Task Force Leader or Strike Team or Task Force Leader Trainee shall receive a stipend of \$1200 for a 24 hour period subject to the following conditions:

1. The assignment results from a request through the California Office of Emergency Services.
2. The assignment is subject to reimbursement through the "Cooperative Agreement for Local Government Fire Suppression."
3. Regularly scheduled work hours are not included and partial periods are prorated to the nearest hour.

The City Manager is authorized to adjust the stipend amount, from time to time, consistent with increases in overall Fire Management salaries and reimbursement rates.

SECTION 24. ASSISTANT CHIEF OF POLICE ASSIGNMENT PAY.

Effective May 26, 1998, subject to the approval of the City Manager, the Police Chief may appoint employees currently employed by the Police Department in the classification of Police Captain to the assignment of Assistant Chief of Police. Such appointment may be made without competitive examination and shall continue at the will and pleasure of the Police Chief. The Police Chief may end the assignment at any time and such employee shall return to an assignment as Police Captain (unless removed due to dismissal) at a step no lower than the step the employee held at time of assignment. The total number of assignments shall be at the sole discretion of the City Manager.

SECTION 25. RETIREEE HEALTH INSURANCE. Employees may elect on a one-time basis at retirement to purchase health, dental and/or vision insurance under a City-authorized plan and are responsible for all cost.

Non-sworn employees hired on or before December 31, 2010 and who retire from the City prior to October 23, 2012 after five (5) years of continuous service in good

standing may, on a one-time basis, exercise the option to have ninety percent (90%) of their unused sick leave accrued up to October 22, 2012, up to twenty-two hundred (2,200) hours, applied by the City upon retirement to premiums for health, dental and vision insurance plans covered by the CITY. Sworn employees hired on or before December 31, 2010 and who retire from the City after five (5) years of continuous service in good standing may, on a one-time basis, exercise the option to have ninety percent (90%) of their unused sick leave up to twenty-two hundred (2,200) hours, applied by the City upon retirement to premiums for health, dental and vision insurance plans covered by the CITY. Said insurance shall be provided in an amount up to that contributed to active employees subject to changes in the median priced health HMO plan for active employees, as needed to cover the cost of retiree health, dental and vision premium at the rate of one month of CITY contribution for each eight hours of sick leave.

Non-sworn employees hired on or before December 31, 2010 and who retire from the City on or after October 23, 2012 after five (5) years of continuous service in good standing may, on a one-time basis, exercise the option to have ninety percent (90%) of their unused sick leave accrued up to October 22, 2012, up to twenty-two hundred (2,200) hours, applied by the City upon retirement to premiums for health, dental and vision insurance plans covered by the CITY. Hours accrued by October 22, 2012 shall be held in a grandfathered sick leave conversion bank for such usage. Said insurance contribution shall be provided as needed to cover the cost of retiree health, dental and vision premiums up to a monthly rate of \$621 for retiree without dependents and up to \$1,100 for retirees with dependent coverage.

For non-sworn employees hired on or before December 31, 2010, the City shall contribute to a Defined Contribution retiree medical benefit plan for each eligible employee in the form of a deposit into a Health Reimbursement Arrangement (HRA) account effective July 2, 2013. The City shall contribute \$0.15 per pay status hour (no more than 80 hours bi-weekly), not including overtime, for each eligible full time employee up to a maximum of \$25.00 per month for full time employees. For a full time employee, this equates to a maximum of \$300 per year after the initial eligibility period is met.

For all unrepresented employees (sworn and non-sworn) hired on or after January 1, 2011, the City shall contribute to a Defined Contribution retiree medical benefit plan for each eligible employee in the form of a deposit into a Health Reimbursement Arrangement (HRA) account. An employee is eligible to receive a City HRA contribution upon completion of two full years. If an employee separates employment before meeting eligibility requirement, the employee shall receive no benefit. On the first pay period following completion of two full years of continuous City service, the CITY shall deposit \$2,400 into an HRA account established in the employee's name. Employees in regular positions budgeted less than eighty (80) hours per pay period or job-shared positions, shall receive a pro-rated lump sum contribution based on hours worked. After the initial contribution is made, the City shall contribute \$0.58 per pay status hour (no more than 80 hours biweekly), not including overtime, for each eligible full time employee, up to a maximum of \$100 per month. Employees hired on or after January 1, 2011 and subject to this defined contribution plan shall not be eligible for any sick leave conversion towards retiree medical premiums of any sort. The City's

contribution under this section represents the entire contribution towards employee retiree medical.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that Resolution No. 2011-197 is hereby rescinded.

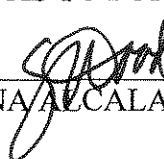

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of September, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-372**

RESOLUTION AMENDING A LABOR POLICY FOR PAYING AND REPORTING THE VALUE OF EMPLOYER PAID MEMBER CONTRIBUTIONS TO THE CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM (CALPERS) ON BEHALF OF MISCELLANEOUS UNREPRESENTED MANGEMENT AND CONFIDENTIAL EMPLOYEES

WHEREAS, by Resolution No 2012-19 adopted by the Council, the City adopted a labor policy providing for Public Employees' Retirement System (PERS) employee contributions to be paid by the City on behalf of employees and for reporting of employer-paid normal member contributions to PERS as compensation, and

WHEREAS, the governing body of the City of Modesto has the authority to implement Government Code Section 20636(c)(4) pursuant to Section 20691, and

WHEREAS, the governing body of the City of Modesto has a written labor policy or agreement which specifically provides for the normal member contributions to be paid by the employer, and reported as additional compensation, and

WHEREAS, one of the steps in the procedures to implement Section 20691 is the adoption by the governing body of the City of Modesto of a Resolution to commence paying and reporting the value of said Employer Paid Member Contributions, and

WHEREAS, the governing body has the authority to amend all members in a group or class of employment pursuant to Government Code Section 20691.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

For Miscellaneous employees hired before January 17, 2012 under Tier 1 retirement formula 2%@55, the City of Modesto elects to pay three and three-tenths percent (3.3%) of the normal member contributions of seven percent (7%) as employer

paid member contributions and report the same value to CalPERS as compensation earnable as additional compensation effective September 25, 2012.

Effective July 2, 2013 miscellaneous employees hired before January 17, 2012 under Tier 1 retirement formula 2%@55, the City of Modesto elects to pay zero percent (0%) of the normal member contributions of seven percent (7%) for all miscellaneous employees. No payment shall be implemented pursuant to the provisions of Section 20636 (c)(4) of the California Government Code.

For Miscellaneous employees hired on or after January 17, 2012 under Tier 2 retirement formula 2%@60, the City of Modesto elects to pay zero percent (0%) of the normal member contributions of seven percent (7%).

BE IT FURTHER RESOLVED that this Resolution shall become effective on September 25, 2012.

BE IT FURTHER RESOLVED that effective September 25, 2012 Resolution No. 2012-19 is hereby repealed in its entirety.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of September, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

August 31, 2012

Parks, Recreation & Neighborhoods Department

Stanislaus Grand Jury
1021 I Street, Floor 3
Modesto, CA 95354

RE: Neighborhood Stabilization 2 Program Response

Dear Members of the Civil Grand Jury;

First off, I would like to thank the members of the Civil Grand Jury for taking the time and energy to respond to the City of Modesto's request for review of the Neighborhoods Stabilization Program (NSP). As the members involved in this review realize, the program is complex, requiring the participating cities to work with local data and housing stock to design and create credible priorities, while working through an ever changing list of federal regulations and very difficult timelines set by the past legislation.

In our response we indicate that most of your recommendations have been implemented. The intent of the Neighborhood Stabilization Program was to stabilize economically depressed neighborhoods and create jobs. It should be noted that the scope of the program was quite extensive and the City of Modesto worked diligently to meet program goals within very tight deadlines set by federal legislation. That being said The Civil Grand Jury's Report, HUD's Office of the Inspector General Report, and HUD-sponsored technical assistance provided excellent recommendations and process reviews to confirm staff's strengths and weaknesses. I believe the City of Modesto has revised program guidelines and procedures, as appropriate based on these reports.

As required, the City of Modesto has attached its response to the findings and recommendations of the Grand Jury report and again, thanks to the members of the Civil Grand Jury for the research and diligence in this process.

Yours truly,

Greg Nyhoff, City Manager
City of Modesto, CA

1010 Tenth Street, Suite 4400, Modesto, CA 95353

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-375**

RESOLUTION RESCINDING RESOLUTION NO. 2012-240 ONLY AS IT APPLIES TO A NEIGHBORHOOD STABILIZATION PROGRAM 3 MEMORANDUM OF UNDERSTANDING (MOU) WITH THE HOUSING AUTHORITY OF THE COUNTY OF STANISLAUS (HACS), DATED JUNE 12, 2012, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO SIGN ANY AND ALL RELATED DOCUMENTS

WHEREAS, by Resolution No. 2011-41, Council approved the NSP3 Plan and

WHEREAS, The U.S. Department of Housing and Urban Development (HUD) approved the City's NSP3 Plan in the amount of \$2,951,549,011 and

WHEREAS, by Resolution No. 2012-240, Council approved an NSP3 MOU with the HACS, and

WHEREAS, an NSP3 MOU with the HACS contains clearer language than the previous and hereafter rescinded NSP3 MOU with the HACS, dated June 12, 2012 (Resolution No. 2012-240), as well as a revised allocation not to exceed \$998,395 for the acquisition and rehabilitation of at least six (6) eligible properties and

WHEREAS, this allocation represents the maximum amount of NSP3 funds that may be disbursed to the HACS.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby rescinds Resolution No. 2012-240 only as it applies to a Neighborhood Stabilization Program 3 (NSP3) Memorandum of Understanding (MOU) with the Housing Authority of the County of Stanislaus (HACS), dated June 12, 2012.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of September, 2012, by Councilmember Burnside, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-376**

RESOLUTION APPROVING A NEIGHBORHOOD STABILIZATION PROGRAM 3 (NSP3) MEMORANDUM OF UNDERSTANDING (MOU) WITH THE HOUSING AUTHORITY OF THE COUNTY OF STANISLAUS (HACS) AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE NSP3 MOU WITH THE HACS

WHEREAS, by Resolution No. 2011-41, Council approved the NSP3 Plan and

WHEREAS, The U.S. Department of Housing and Urban Development (HUD) approved the City's NSP3 Plan in the amount of \$2,951,549 and

WHEREAS, by Resolution No. 2012-240, Council approved an NSP3 MOU with the HACS, and

WHEREAS, by Resolution No. 2012-375, Council rescinded Resolution No. 2012-240 only as it applies to an NSP3 MOU with the HACS and

WHEREAS, an NSP3 MOU with the HACS contains clearer language than the previous and now rescinded NSP3 MOU with the HACS, as well as a revised allocation not to exceed \$998,395 for the acquisition and rehabilitation of at least six (6) eligible properties and

WHEREAS, this allocation represents the maximum amount of NSP3 funds that may be disbursed to the HACS.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Neighborhood Stabilization Program 3 Memorandum of Understanding with the Housing Authority of the County of Stanislaus.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the NSP3 MOU with the HACS.

STABILIZATION PROGRAM 3 (NSP3) LOAN DOCUMENTS FOR USE WITH
ALL ACQUISITION AND REHABILITATION LOAN TRANSACTIONS WITH
THE HOUSING AUTHORITY OF THE COUNTY OF STANISLAUS (HACS),
WHICH WILL BE BROUGHT BEFORE THE CITY COUNCIL FOR
APPROVAL OF INDIVIDUAL NSP3 PROJECTS**

WHEREAS, by Resolution No. 2011-41, Council approved the NSP3 Plan, and

WHEREAS, The U.S. Department of Housing and Urban Development (HUD)
approved the City's NSP3 Plan in the amount of \$2,951,549, and

WHEREAS, by Resolution No. 2012-240 Council approved an NSP3 MOU with
the HACS, and

WHEREAS, by Resolution No. 2012-375, Council rescinded Resolution No.
2012-240 only as it applies to an NSP3 MOU with the HACS and

WHEREAS, by Resolution No. 2012-376, Council approved an NSP3 MOU with
the HACS and

WHEREAS, standardized NSP3 Loan Documents have been prepared for use
with all HACS acquisition and rehabilitation loan transactions, which will be brought
before Council for approval of individual NSP3 projects.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto
that it hereby approves the standardized NSP3 Loan Documents for use with all
acquisition and rehabilitation loan transactions with the HACS, which will be brought

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-380**

RESOLUTION APPROVING AN AGREEMENT WITH GLOBAL LEADERSHIP ALLIANCE, INC. FOR PARTNERING PROCESS SERVICES FOR PHASE 2 BNR/TERTIARY TREATMENT FACILITY PROJECT IN AN AMOUNT NOT TO EXCEED \$84,200, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, during the development of the Phase 2 Tertiary project, the city included a provision in the project specifications for an optional partnering process with the contractor, and

WHEREAS, the contractor, G S E Construction Company (GSE), has notified the City of Modesto that they would like to participate in the partnering process, and

WHEREAS, the purpose of the partnering process is to achieve effective and efficient performance of the work through open communication, and

WHEREAS, the partnering process is a tool for controlling project costs and managing risks in order to achieve project excellence, and

WHEREAS, areas of influence include: 1) Setting measurable goals with commitment by all team members, as well as ongoing review of goals throughout the project, 2) Proactive discussion of potential project risks, creating mitigation, and prevention plans, 3) Creating open and direct verbal communication that leads to implicit trust so there are no surprises, 4) Resolving conflicts quickly, elevating to the next level when needed, without stalling the project, 5) Creating a teamwork mentality where everyone is accountable for the project success, 6) Establishing out-of-the box thinking and looking at innovative approaches as a team, and 7) Creating trusted business relationships, and

WHEREAS, consultant services were sought for the partnering facilitator in conformance with Administrative Directive 3.1, Selection Procedures for Professional Consultants Who Provide Architectural and Engineering Services for Capital Projects, and

WHEREAS, due to the need for an accelerated selection process and specialized nature of partnering, the Director of Utility Planning and Projects approved soliciting proposals from two firms that were recommended based on previous experience with the construction manager and contractor, and the apparent ability of these partnering firms to meet the City's objectives of partnering, and

WHEREAS, request for proposals were sent to the short listed consulting firms, and

WHEREAS, both consulting firms submitted proposals and were interviewed by a selection committee comprised of City staff and GSE's staff, and

WHEREAS, based on both the proposal and interview performances, the following ranking was established: 1) Global Leadership Alliance (GLA) (Top-ranked) and 2) Ventura Consulting, and

WHEREAS, GSE agreed with the selection of the top-ranked consultant and the City began negotiations with GLA for partnering facilitation for the Phase 2 Tertiary Project, and

WHEREAS, GLA's scope of services include an initial Kickoff Partnering Workshop for all project stakeholders and end users, including the owner, contractor, designer, major subcontractors and suppliers, and resource and utility agencies, and

WHEREAS, GLA's scope also includes 11 optional follow-up partnering workshops and a closeout workshop, as well as issuing and evaluating quarterly performance surveys completed by the project team, and

WHEREAS, staff has negotiated the scope and fees for the partnering services with GLA and believes the costs are reasonable for a project of this size and complexity, and

WHEREAS, if all optional workshops are held, the partnering facilitation costs will be 0.08% of the total construction costs for the project, which will be shared equally between GSE and the City, and

WHEREAS, based on the size and complexity of this project and the length of construction, there is an increased risk for change orders and claims to occur, and

WHEREAS, in addition, if all reimbursable partnering workshops are held, the Cost Sharing Agreement with GSE being requested for approval concurrently with this agreement will reduce the Partnering Process Services Expenditures with GLA to a net cost of \$38,400, thereby generating revenue by reimbursing the project account in the same amount, and

WHEREAS, in order to help minimize this risk, staff recommends approval of the partnering process agreement with GLA for Partnering Process Services,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Agreement with Global Leadership Alliance, Inc. for Partnering Process Services for Phase 2 Biological Nutrient Removal/Tertiary Treatment Facility for an amount not to exceed \$84,200.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of September, 2012, by Councilmember Burnside, who moved its adoption, which motion being duly seconded by Councilmember Lopez, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-381**

RESOLUTION APPROVING AN AGREEMENT WITH G S E CONSTRUCTION COMPANY, INC. FOR COST SHARING FOR PARTNERING PROCESS SERVICES FOR PHASE 2 BNR/TERTIARY TREATMENT FACILITY PROJECT IN AN AMOUNT NOT TO EXCEED \$38,400, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, in May 2012, the City awarded a construction contract with G S E Construction Company, Inc. for the construction of the Phase 2 Biological Nutrient Removal/Tertiary Treatment Facility, and

WHEREAS, the City and the Contactor desire to participate in partnering process services for the Phase 2 BNR/Tertiary Treatment Facility project; and

WHEREAS, the City and the Contractor have selected a qualified consultant to facilitate the partnering process; and

WHEREAS, the City and the Contractor have agreed to a fifty percent (50%) cost share of the expenses for the proposed partnering facilitator, with the exception of the first partnering workshop (\$7,400); and

WHEREAS, the City and the Contractor have agreed to a "not to exceed" cost proposal from the selected consultant related to partnering facilitation;

WHEREAS, the proposed partnering workshops are optional tasks and will only be authorized by the City under an approved task order to the selected consultant, and

WHEREAS, the parties agree to fund the total sum of their respective percentage share within thirty (30) days after execution of an approved task order to GLA so that the parties will have the entire anticipated funding on hand prior to the payment due date,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Cost Sharing Agreement with G S E Construction Company, Inc. for Partnering Process Services for Phase 2 Biological Nutrient Removal/Tertiary Treatment Facility for an amount not to exceed \$38,400.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-382**

**RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO
NEGOTIATIONS WITH THE CITY OF WATERFORD FOR THE SALE OF
THE WATERFORD AND HICKMAN WATER SYSTEMS**

WHEREAS, the City of Modesto owns and operates water systems in Waterford and Hickman, and

WHEREAS, both systems were acquired as part of the Del Este water system in 1995, and

WHEREAS, City of Waterford has approached the City with the desire to explore the purchase of the Waterford system, and

WHEREAS, both systems are separate and independent from the Modesto water system and there is no expectation that either will become part of the Modesto system in the future, and

WHEREAS, the small size of the Hickman system makes it inefficient to maintain if the Waterford system were to be sold, and

WHEREAS, City staff has indicated to Waterford that a purchase of the Waterford system would need to include the Hickman system,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the City Manager to enter into negotiations with the City of Waterford for the sales of the Waterford and Hickman water systems.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of September, 2012, by Councilmember Burnside, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-384**

**A RESOLUTION AMENDING RESOLUTION NOS. 2003-446 AND 2011-104,
RESCINDING RESOLUTION NOS. 96-227 AND 2000-232, AND ELIMINATING
THE STREET TREE DEVELOPMENT USER FEE**

WHEREAS, the City Council of the City of Modesto has adopted various ordinances and resolutions authorizing the establishment of development user fees, and

WHEREAS, Section 4-4.803.1 of the Modesto Municipal Code authorizes the City Council to establish fees for street trees required in subdivisions, and

WHEREAS, Resolution No. 96-227 establishes the charge for street trees in subdivisions, and

WHEREAS, Resolution No. 2000-232 provides the method of assessing the street tree fees at the time of final subdivision map filing to prevent overcharges from occurring, and

WHEREAS, a Development User Fee Study was conducted in 2003 by MuniFinancial, a Wildan Company, which recommended an update every five years, and

WHEREAS, the results and recommendations of the 2003 Development User Fee Study were adopted by Resolution No. 2003-446, and

WHEREAS, a Development User Fee Study was conducted in 2008 by Public Resource Management, and

WHEREAS, on November 23, 2009, the Finance Committee considered the 2008 Development User Fee Study and appointed a Comprehensive Fees Task Force for the purpose of coordinating all development related fee proposals and aligning all fee structures with the goals and policies of the General Plan and Strategic Plan, and

WHEREAS, the results of the 2011 Development User Fee Study and recommendations of the Comprehensive Fees Task Force were adopted by Resolution No. 2011-104, and

WHEREAS, both the 2003 and 2011 Development Fee Studies included the assessment of street tree fees in new subdivisions, and

WHEREAS, the service of furnishing and planting street trees in subdivisions is no longer provided by the City and is the sole responsibility of the developer,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby finds and determines that the developer is responsible for furnishing and planting street trees in new areas of development.

BE IT FURTHER RESOLVED that Resolution Nos. 2003-446 and 2011-104 are hereby amended as follows:

A. The street tree fee set forth in the 2011 Development User Fees Study, attached as **Exhibit A**, is no longer applicable and shall be eliminated upon adoption of this resolution.

B. All other provisions of Resolution Nos. 2003-446 and 2011-104, not in conflict with this resolution, shall remain in full force and effect.

BE IT FURTHER RESOLVED that Resolution Nos. 96-227 and 2000-232 are hereby rescinded.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25th day of September, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

Exhibit A

**2011
DEVELOPMENT USER FEES
SUMMARY REPORT**

DRAFT

January 28, 2011

**Prepared by:
City of Modesto Comprehensive Fees Task Force**

BACKGROUND:

Public Resource Management (PRM) Group was hired by the City in March, 2008 to conduct a comprehensive update of development user fees. At the City's direction, PRM examined services provided by all development service departments, including those not currently part of the fee recovery model. The final Development User Fee Cost Analysis Study (Attachment A) included new fees, eliminates others and modifies certain categories of fees.

Development user fees are those fees charged for services provided for the following:

- Building permits and inspections
- Planning applications
- Landscape plan check and inspections
- Fire Prevention plan check and inspections
- Land development engineering

The PRM Study was presented to the Finance Committee in March, 2009. The Committee directed staff to begin "stakeholder's workshops as it relates to all fees, including development user fees, and as part of that process, to also develop a timeline for when fees should be reviewed on a regular basis.

On November 23, 2009 the Finance Committee approved the formation of the multi-disciplinary Comprehensive Fee Task Force (CFTF) for the purpose of coordinating all development related fee proposals and aligning all fee structures with the goals and policies of the General Plan and Strategic Plan.

In July, staff presented an overview of development user fees to the CFTF along with the study and fee update conducted by Public Resources Management. Over the next several meetings, staff gave individual presentations on development user fee categories and made recommendations for improvement and adjustments to the Study's recommendations.

Building Permit/Inspection Fees

Although the PRM study did recommend increases in building permit and plan review fees it did not address the need to replace the valuation based fee schedule with a "cost for services" based system. Most of the building permit/inspection industry is replacing the valuation system due to recent court cases and legislation that highlight the requirement of a nexus between the fees charged for building permits and inspections and the cost of delivering the services. In addition, the City's general fund has been subsidizing the operations of the Building Safety Division for over 5 years. In the last several years that subsidy has been as much as \$1,000,000.

In May, the Building Safety Division contracted with Matrix Consulting Group to develop a Cost of Services study (Attachment B) and explore the possibility of implementing a cost based fee schedule. On May 27, 2010, the Chief Building Official presented preliminary findings to the

CFTF indicating that although many smaller permit fee categories would increase, some larger permit fee categories would go down.

Working with Matrix Consulting Group, staff tried to find a balance between raising fees on smaller permits and achieving full cost recovery. The result was a hybrid fee basis – Table M-1 (Attachment D). This table shows increases on fees for the smaller permits such as water heaters, and HVAC repairs, but not to full cost recovery. Staff believes that raising these small permit fees to full cost recovery will have a negative affect on compliance and fee recovery.

On September 9, 2010 the Chief Building Official presented the final Matrix Study Report (Attachment C) to the CFTF with a recommendation to accept the Matrix study with exception of Table M-1 and staff to develop a fee schedule upon that study. The CFTF voted to accept the Matrix study but without the Table M-1 and recommended this to the Finance Committee.

Planning Fees

The PRM Study relied primarily on data from 2007-2008 including staffing and time estimates. As a result of staff changes, increased efficiencies and process streamlining and improvements, Planning staff reviewed each fee activity and made adjustments. Most fees were reduced, although a few that were not recovering costs did go up.

In addition, Planning staff reviewed fee categories and made adjustments and additions to reflect all possible application types including Development Agreement Amendment, Variance for Single Family Home, Development Plan Review without interdepartmental review, Time Extension-Administrative Approval. Additionally, the fee for concept review was removed as recommended by the CFTF to further encourage developers to submit plans early in the process. The revised fee schedule reviewed and recommended by the CFTF is attached (Attachment G).

Finally, several fee policies have evolved since the PRM study. Planning staff recommended the adoption of several new policies to address issues such as the concurrent processing of planning applications, refunds and establishment of fees when none exists. The draft fee policies are attached (Attachment H).

Land Development Engineering Fees

Land Development Engineering staff reviewed the engineering fees recommended by the PRM study and made recommendations to the CFTF for the elimination of two fees, addition of new fees for stormwater quality and on-site storm drainage review, and the conversion to “time and materials” for improvement plan checks and rough grading permits. Conversion to “time and materials” is necessary to achieve cost recovery and to set the stage for further outsourcing opportunities. A summary of these changes is attached (Attachment I). All other fees as proposed in the study are recommended for approval by staff and the CFTF.

Summary of All Fees

In summary the CFTF recommends the following changes to the PRM Development user Fee Study:

- Change the methodology for building permit fees from valuation based to a cost based method.
- Change the structure of on and off site improvement plan checks from flat fee to time and materials deposit
- Reduce some planning fees due to process improvements and increased efficiencies
- Increase some planning fees that do not recover full cost for service delivery
- Establish new fees where services are provided but no fee is collected
- Eliminate fees that are no longer necessary
- Adopt fee policies pertaining to the concurrent processing of planning applications, fee reductions for multiple applications, refunds and authority for fee determination in the absence of an established fee.
- Maintain current fees for Landscape and Fire Prevention plan check and inspection.

NPU Vacant Building Monitoring Fee

In June of 2009, City Council adopted a Vacant and Boarded Building Ordinance (Title 9 Chapter 9 Article 6). This ordinance was adopted due to the foreclosure crisis in the Valley and intended to slow depreciation of property values and discourage crime in Modesto's neighborhoods. According to MMC 9-9.607 Vacant Building Monitoring Fee, NPU is requiring all vacant properties to be registered by the lending institution in order to monitor the condition of these properties. However, a fee was not proposed or adopted.

According to the attached internal study (Attachment E) the total cost for the year 2010 for this program was \$136,000. Most cities in California have a monitoring fee that is charged at the time of registration that will cover staff costs for monitoring and inspection of these properties. Staff is requesting Committee direction to develop a fee schedule for recovery of costs associated with the Vacant Boarded Building program, and return to the Finance Committee for review and recommendation of approval.

RECOMMENDATIONS:

- 1) CFTF recommends to accept the Matrix study and recommended Fee Schedule but without Table M-1.
- 2) CFTF recommends the revised Planning Fee schedule
- 3) CFTF recommends the new policies to address issues such as the concurrent processing planning applications, refunds and establishment of fees when none exists
- 4) CFTF recommends the revised Land Development Engineering fees, along with all other fees as proposed in the study
- 5) CFTF recommends development of a fee schedule for recovery of costs associated with the Vacant Boarded Building program

FISCAL IMPACT:

The recommended fee adjustments vary; there are increases as well as decreases. The cumulative impact should result in an increase in General Fund revenues contingent on the volume of development activity. Historically, development user fees have been highly subsidized by the General Fund ranging from \$250,000 to \$1,000,000. This effort seeks to move toward a more equitable cost-recovery based system where each development pays its fair share and the General Fund subsidy is reduced. User fees are the only development related fees that directly impact the General Fund.

Development user fees represent approximately seven percent of the total fee burden to a development. Therefore any incremental increase in user fees will be offset by fee reductions in Capital Facilities Fees and the wastewater connection fee which together currently comprise approximately 80% of the total fee burden to developments.

I. EXECUTIVE SUMMARY

INTRODUCTION

Public Resource Management Group (PRM) is pleased to present the City of Modesto with this summary of findings for the development user fee study.

The city last underwent a detailed cost of service study for all divisions in 2003. Since that time the city has made some minor adjustments to the original calculations, but has largely maintained the fee structure that was developed as a result of the previous study. The city is interested in more accurately understanding and reporting the true cost of providing various fee-related services, and exploring the possibilities of modifying current fees to better recover the fully burdened cost of providing services. In January 2008, the city contracted with PRM to perform this cost analysis using the proposed 2007/2008 fiscal year budget and staffing information.

This report is the culmination of the past ten months of work between PRM and city management and staff. PRM would like to take this opportunity to acknowledge all city management and staff who participated on this project for their efforts and coordination. Their responsiveness and continued interest in the outcome of this study contributed greatly to the success of this study.

STUDY SCOPE AND OBJECTIVES

This study included a review of fee-for-service activities within the following divisions:

- Planning
- Building
- Engineering
- Fire Prevention
- Parks Planning and Development Services Landscape Section (PPD Landscape)

The study was performed under the general direction of the Community and Economic Development Department with the participation of the above-mentioned divisions. The primary goals of the study were to:

Define and understand what it costs the city to provide various fee-related services.

Determine whether there are any opportunities to implement new fees.

Identify service areas where the city might adjust fees based on the full cost of services and other economic or policy considerations.

Provide a comparison of what other jurisdictions are charging for specific similar services.

The information summarized in this report addresses each of these issues and provides the City of Modesto with the tools necessary to make informed decisions about possible fee adjustments and the resulting impact on general fund revenues.

METHODOLOGY

A cost of service study analyzes two components of costs: the direct costs associated with providing each fee-for-service activity, and the indirect costs that support these activities. A brief discussion of each of these components follows.

Direct Costs. The direct costs associated with fee-for-service activities were analyzed in great detail in this study. PRM worked closely with staff and management within each of the four divisions to develop the analysis that is summarized in the following sections of this report. Fiscal year 2007/2008 proposed budget estimates were used to identify direct costs.

The first step in the process was to identify staff time spent directly on each of the user fee activities. Each staff person that participates in the user fee services identified time spent to complete each task associated with all user fee services. Annual volume statistics were also gathered in order to develop total annual workload information. Salary and benefit dollars were assigned to the time estimates to come up with the direct staff costs.

Indirect Costs. A proportionate share of other operating expenses and internal division administrative costs were layered onto the direct costs as a divisional overhead. Citywide overhead costs coming from the cost allocation plan (described below) were also added in as indirect overhead. Finally, crossover direct costs were added in as necessary (e.g. some Engineering staff costs were added to Planning staff costs to assist with various applications.). These four components of costs: 1) direct salary and benefits, 2) divisional overhead, 3) citywide overhead, and 4) crossover direct costs total up to the full cost of providing each service. The cost of each activity is then compared to the fee currently charged, and an under- or over-recovery of costs is identified.

STUDY FINDINGS

While the purpose of this study is to identify the cost of fee-related activities, one of the outcomes of the analysis is a complete picture of the full cost of all services provided. It's necessary to identify *all* costs, whether fee-related or not, so that there is a fair distribution of all citywide and divisional overhead costs (discussed in the following section of this report) across all activities, ensuring a clear relationship between the cost of the service and the fee that is charged. No service should be burdened with costs that cannot be directly or indirectly associated with that service.

Therefore the first task in this study is to separate the fee-for-service activities from the non-fee activities. Some non-fee related activities are appropriately funded by general fund monies (or other special revenue sources), such as Capital Improvement Project work performed by the Engineering division. The costs of these other services are identified and set aside from the user fee services.

Exhibit I below displays the split of the total costs of each division or program into either user fee-related or other service costs. It may be seen that of the \$10 million in total costs analyzed, \$5.8 million (or 58%) of that total is related to user fee services. It is this \$5.8 million that is the focus of this study and this represents the total potential of user fee-related revenues for the City of Modesto.

Exhibit I

**City of Modesto
Total Costs by User Fee Area
2008/2009**

<i>Division / Section</i>	<i>Total Costs</i>	<i>Costs, User Fee Services</i>		<i>Costs, Non-Fee Services¹</i>	
Planning	\$2,915,304	\$1,123,472	39%	\$1,791,832	61%
Building	\$3,545,392	\$3,545,392	100%	\$0	0%
Engineering ²	\$2,122,993	\$931,807	44%	\$1,191,186	56%
Fire Prevention	\$787,938	\$118,577	15%	\$669,361	85%
PPD Landscaping	\$586,897	\$51,488	9%	\$535,409	91%
Grand Total:	\$9,958,524	\$5,770,736	58%	\$4,187,788	42%

1 Non-fee services are calculated by identifying staff hours and budgeted expenses not directly or indirectly related to a fee-for-service activity.

2 Includes all of Land Development Engineering and a portion of Public Works Engineering

The next step in the process is to identify the source of funds for the user fee services. Exhibit II below breaks down the \$5.8 million in user fee services between costs that are recovered through current user fee charges and costs that are subsidized by the general fund. Overall, the city is experiencing a 50% cost recovery level for its fee-related services. For each division, cost recovery levels range from 41% for Fire Prevention to 104% for PPD Landscape. For PPD Landscape this indicates that overall fee revenue must be reduced. At the individual program or service level, individual fee recoveries range from 0% to a slight over-recovery of costs for selected fees. The information about individual fees may be found in subsequent sections of this report.

City of Modesto
Source of Funds
- User Fee Activities -
2008/2009

<i>Division / Section</i>	<i>Costs, User Fee Services</i>	<i>Current Fees</i>		<i>Not Funded by User Fees</i>	
Planning	\$1,123,472	\$584,614	52%	\$538,858	48%
Building	\$3,545,392	\$1,814,017	51%	\$1,731,375	49%
Engineering ²	\$931,807	\$402,423	43%	\$529,384	57%
Fire Prevention	\$118,577	\$48,684	41%	\$69,893	59%
PPD Landscaping	\$51,488	\$53,413	104%	(\$1,925)	-4%
Grand Total:	\$5,770,736	\$2,903,151	50%	\$2,867,585	50%

² Includes all of Land Development Engineering and a portion of Public Works Engineering

Exhibit II indicates that the general fund is subsidizing fee activities by \$2.9 million. This \$2.9 million represents a “window of opportunity” for the city to reduce costs and/or increase fees and general fund revenues, with a corresponding decrease in the subsidization of services. While it is not likely (nor would PRM recommend) that the city completely recover all costs for fees, it is possible for the city to implement moderate increases to current fees and implement new fees for some services. The study's primary objective is to provide the city's decision-makers with basic data needed for setting fees.

City of Modesto
User Fee Revenue Analysis
2008/09

<i>Division / Section</i>	<i>Costs, User Fee Services</i>	<i>Not Funded By User Fees</i>	<i>Revenues @</i>

Exhibit III above summarizes the report's financial analysis of the city's user fee program. Note that the Building cost recovery policy is to increase fees from 1999 valuations to 2008 valuations. This policy will increase fees to a 66% cost recovery level.

Cost Allocation Plan. Many of the costs that support *all* city programs and services are budgeted in centralized activities such as 1) City Finance, which provides payroll, budgeting, and accounting support, 2) Building Maintenance, which provides building maintenance and custodial services, and 3) Human Resources, which provides human resource services. The costs of these activities and other centralized services are considered indirect overhead that support fee-for-service activities as well as other programs and functions within the city.

As part of this study, PRM developed an indirect cost allocation plan that identifies and distributes these indirect costs to all operating programs and functions within the city's organizational structure. The cost allocation plan takes a detailed approach to analyzing indirect costs. PRM interviewed staff and analyzed data within each central service activity to determine:

What indirect support functions are provided (e.g. payroll, legal services, civic center maintenance, etc),

How to allocate centrally budgeted personnel and other operating expenses into these functions,

Which divisions receive benefit from these services (e.g. payroll services benefit all divisions that have budgeted staff, benefits all divisions), and

What is the best method of allocating these costs to the users (e.g. payroll services are allocated based on the number of full time employee equivalents (FTE's) per division).

The end result of this analysis is the allocation of all indirect costs to all operating divisions and programs. The indirect costs are then added to the direct costs to determine the full cost of *all* city operations – whether fee-related or not. This accounting exercise is important in that it can result in an increase in general fund revenues for reimbursement of support to enterprise and internal service funds, state or federally funded programs, and user fee services.

ECONOMIC & POLICY CONSIDERATIONS

Calculating the true cost of providing city services is a critical step in the process of establishing user fees and corresponding cost recovery levels. But although it is the most important factor, others must also be given consideration. City decision-makers must also consider the effects that establishing fees for services will have on the individuals purchasing those services as well as the community as a whole. The following economic and policy issues help illustrate these considerations.

- It may be a desired policy to establish fees at a level that permits lower income groups to participate in services that they might not otherwise be able to afford.

- A consideration of community-wide benefit versus specific benefit should be considered for certain services.
- In conjunction with the second point above, the issue of who is the *service recipient* versus the *service driver* should also be considered. For example, code enforcement activities benefit the community as a whole, but the service is driven by the individual or business owner that violates city code.
- Elasticity of demand is a factor in pricing certain city services; increasing the price of some services results in a reduction of demand for those services, and vice versa.
- Pricing services can encourage or discourage certain behaviors. Some examples of this would be to establish a low fee for a water heater permit to encourage homeowners to ensure their water heater is properly installed.
- Full cost vs direct cost recovery - There are two distinct philosophies regarding the degree of cost recovery for service delivery. Some public officials argue that user fees should be based on the amount of service directly rendered for a specific service. They state that the cost of maintaining staffing and facilities to render those services upon demand should be recovered from an agency's general fund.
- The counter argument is that maintaining an "administrative infrastructure" to provide services is as much a part of the government infrastructure for which new development may be charged, as are new streets, utilities, and other related infrastructure. In other words, fee-related services could not occur without a staffed and supplied organization that is capable of meeting the demands for services placed upon it by a particular individual or development activity. This infrastructure is required to sustain the permitting, application, inspecting and other services of the City. These costs are required for the provision of services and can be recoverable from applicants in the form of service fees.
- Building Division subsidy policy – Even after proposed fee increases the Building Division will be subsidized by approximately \$1,205,310. City management should establish a policy determining how much General Fund subsidy to provide to the Division. There is a fixed cost in making plan check and inspection services available to the public, even when construction activity is very low. To help with this decision, the Building analysis on page 17 presents Building Division processing costs at three levels: 1) Division only, 2) Division plus Community and Economic Development Department administration, and 3) Full Cost, including City indirect departments (City Manager, Finance, etc.).
- It is estimated that adoption of the recommended cost recovery policy could increase the specified fee revenue by \$1,623,114 in a typical year (a 57% increase over the current revenue total). This would bring the overall cost recovery level up to 78%.

II. PLANNING

The Planning Division provides services related to land use within the city limits. These services include: processing of all zoning and land use applications, preparation of special studies associated with long-range land use objectives, working with the development community to facilitate the review of new projects along with supporting the City Council, Planning Commission and Board of Zoning Adjustment. The total cost of all planning services, including non-fee services, is \$2,915,304. The total cost of fee related activity is \$1,123,472.

The following is a review of findings and highlights:

- Fee-for-service costs (excluding all non-fee services) total \$1,123,472 and are offset by current revenues of \$584,614. This translates into an overall user fee cost recovery rate of 52%. PRM has performed many user fee analyses for planning fees and finds this to be on the low to mid range of cost recovery levels. If all recommended fee adjustments are adopted, \$412,268 additional revenue will be realized.
- Cost recovery levels for individual fees range from 8% to 219%. Fees which exceed 100% cost recovery must be reduced.
- The Division's General Plan maintenance surcharge was evaluated and found to be insufficient to fund future updates. Government Code Section 65040.5(b) permits the imposition of a fee on building permits to recover General Plan updates. The surcharge is currently \$.26 per \$1,000 of building valuation permitted. The City estimates that a general plan update would cost approximately \$1,610,948. The fee recommended by the PRM Group amortizes the cost over a 10-year useful life resulting in a fee of \$.61 per \$1,000 of building permit valuation. The expected annual revenue for the General Plan Update fee is approximately \$161,095. Calculations are provided below:

City of Modesto General Plan Maintenance Fee Calculations			
Cost of Long Range Plans		Average Annual New Building Construction Valuation: (Based on latest five years of construction valuation data)	
General Plan Advisor	\$125,000		
MEIR, incld air quality, noise and biology analysis	700,000		
Transportation/Circulation	250,000		
Engineering Analysis/Services	150,000	2004 actual	280,409,588
Economic Development Analysis	75,000	2005 actual	356,155,358
Housing Element Update	90,000	2006 actual	298,025,900
Contingency	139,000	2007 actual	229,547,267

Total	<u>\$1,610,948</u>	8 year average:	<u>\$264,228,913</u>
Annual Long Range Plan Maintenance Cost:		Fee per \$1,000 of New Building Construction Valuation:	
<i>Estimated 10 year useful life</i>	<u>\$161,095</u>	$(\$161,095/\$264,228,913) \times \$1,000:$	<u>\$0.610</u>
Sample General Plan Maintenance Fee Calculations:			
<i>Proj. Type</i>	<i>Valuation</i>	<i>Fee</i>	
Restaurant	\$600,000	\$366	
House	\$350,000	\$213	

- The cost of services such as public counter assistance, meeting and training time are included as overhead to all service areas.
- The Public Works Department, Streets and Traffic Services Division reviews many Planning applications. Streets and Traffic Services review comprised \$333,780 of total Planning fee related costs.
- Some agencies choose to phase in fee increases over a fixed period of years with the eventual objective of 100% cost recovery.
- It should be noted that even with implementation of our fee recommendations the cost recovery rate for current planning as a whole will likely be less than 100% cost recovery due to non-fee related activities. The division devotes significant time to three non-fee activities: pre-application time with developers, activities directed by Council and assisting the public with general zoning and development information.

The summary charts on the following pages show the results of this division's cost analysis. Page 9 provides information on a "Per Unit" basis. Page 12 provides total annual information by multiplying the per-unit fees and costs by the volume of activity in order to project out total annual costs and revenues

- a *Concept Review is defined as a full interdepartmental pre-application review.*
- b *It is proposed that this entitlement be recovered on a flat fee basis, rather than on a deposit plus time and materials basis*
- c *This percentage fee is assessed against the dollar value of the EIR contract to recover staff review/coordination costs.*
- d *The proposed General Plan update surcharge is \$0.61 per \$1,000 of building construction valuation.*
- e *Fee only applies to building plans that are reviewed by Planning.*
- f *Note: For Solid Waste Permits, this revenue accrues to the solid waste fund. This category includes both Building and Planning permits.*
- all *Concurrent processing: when two or more related entitlement applications are submitted simultaneously for the same property and will be heard by the same decision-making body, the total fee shall be the highest fee plus 50% of the lesser entitlements.*
- all *Applications terminated prior to public hearing: 50% refund of application. For time and materials applications the applicant shall receive a refund of the balance of funds in the project account.*
- all *When any portion of a development is required to be charged on a time and materials basis, the whole development will be charged on a time and materials basis.*

- all *The CED Director is authorized to waive fees for special circumstances.*
- t&m *Initial deposit amounts shall be set as follows: EIR \$20,000. Other entitlements \$15,000. Maximum deposit per development is \$45,000.*
- t&m *Deposit minimum balance: when a deposit balance falls below \$10,000, a supplementary deposit will be required.*

III. BUILDING

The Building Division provides a variety of services at the request of property owners and developers seeking to build or modify a structure. The Division reviews building plans and inspects construction to ensure the plumbing, mechanical, electrical and structural codes are adhered to. The total costs of all building services, including divisional and citywide overhead is \$3,447,343. These costs are currently offset by \$1,633,326 in revenue. A 47% recovery.

Building permit and plan review fees generate a majority of the division's revenue. Building permit fees are based on the valuation (value) of the proposed construction project. Building permit fees are used to offset the costs of inspecting and documenting building construction. Currently, plan review fees are set equal to 65% of the permit fee, except for tract home non-model units, which are not charged to recognize redundancies when checking many similar tract housing plans.

Building permit fees are calculated based on the division's fee matrix, which translates project construction valuations into fees. Construction valuations are based on 1999 building valuation data (BVD) factors as published in Building Standards Magazine.

To establish a relationship between fees charged and costs expended PRM detailed sample developments from very small projects to very large projects. City staff then assigned time figures to each project. Time figures were derived from a time tracking database for each project size. These time figures were then multiplied against fully burdened labor rates to arrive at the total cost for each sample development.

Highlights from the analysis:

- This analysis justifies Building fees for the purpose of showing compliance with the State of California Attorney General's Opinion No. 92-506. In this opinion the Attorney General determined that municipalities may not rely solely on valuation-based fee schedule but must demonstrate that valuation-based fees do not exceed the reasonable cost of providing service. All proposed fee adjustments for the Building Division are equal to or less than the reasonable cost of providing service and accordingly comply with Attorney General Opinion No. 92-506.
- PRM recommends institution of 2008 building valuation data. The City is currently using 1999 building valuation data, which is very old and does not comply with the new International Code Council (ICC) categories. Implementing 2008 building valuation data will increase building fees by an average of 30%, generating \$544,205 additional revenue per year.
- Building Division subsidy policy – Even after proposed fee increases the Building Division will be subsidized by approximately \$1,205,310 per year. City management should establish a policy determining how much General Fund subsidy to provide to the Division. There is a fixed cost in making plan check and inspection services available to the public, even when construction activity is very low. To help with this decision, the Building analysis on page 17 presents Building Division processing costs at three levels: 1)

Division only, 2) Division plus CEDD admin, and 3) Full Cost, including City indirect departments (City Manager, Finance, etc.)

The following chart on page 17 displays the findings of the Building Analysis.

\$1,000,000 valuation project							
Plan Check & Counter	\$5,017	\$412	\$387	\$5,817	\$2,911		\$4,388
Inspection	\$5,978	\$491	\$461	\$6,931	\$4,478		\$6,751
Total for Category	\$10,996	\$904	\$848	\$12,747	\$7,389	58%	\$11,139

Notes:

The Department is currently using 1999 building valuation factors. It is recommended that 2008 valuation factors be instituted. Model units will be assessed a plan checking fee of 65% of the building permit fee.

Repeat unit dwellings will be assessed a plan checking fee of 30% of the building permit fee.

Custom homes are currently assessed a plan check fee of 50%. It is recommended the fee be increased to 65% of the building permit fee.

Reinstatement Fee: if a permit is not finalized within a two-year period, the permit must be reinstated. The reinstatement fee varies according to how complete the project is. The following schedule shall be followed for reinstatement fees:

Passed foundation inspection: 75% of original fee.

Passed frame inspection: 50% of original fee.

Passed drywall inspection: 25% of original fee.

PRM recommends institution of a Temporary Certificate of Occupancy fee of \$430.

PRM recommends institution of a Permit Extension fee of \$180.

PRM recommends Application Revisions be charged on an hourly basis of \$127 per hour.

PRM recommends Change of Address/ Owner be charged on an hourly basis of \$127 per hour.

PRM recommends that Mechanical, Plumbing and Electrical fees be increased by 30% to reflect increased processing costs.

Hourly Rate: for services not specifically addressed an hourly rate of \$127 shall be charged.

PRM recommends the following services be charged on a flat fee basis:

HVAC New:	\$270	Pool & Spa	\$910
HVAC Replacement	\$270	Spa	\$455
Reroof - Residential	\$290	Mobile Home Setup	\$582
Reroof - Commercial	\$370	Residential Additions	\$1.72/sq ft (\$500 minimum)
Pool	\$840	Water Heater	\$150

IV. LAND DEVELOPMENT ENGINEERING

The Land Development Engineering Division is responsible for overseeing the design and construction of both public improvements and private development. Technical services provided by this division include: project development, design, survey, inspection and contract administration. The total cost of all Land Development Engineering services is \$2,122,993. The total cost of fee related services is \$931,807. For analysis purposes, this section also incorporates fee-related costs from the Public Works Engineering Division. Because both division's work on many of the same fee services their efforts have been combined within this section.

Fee-related service costs total \$931,807. Offsetting revenue is roughly \$402,423 which results in a general fund subsidy of \$529,384 and a corresponding cost recovery level of 43%. Cost recovery levels for individual fees range from 4% for a 50 PCI trench restoration up to a cost recovery of 426% for a sewer main encroachment permit.

- The cost recovery rate of 43% is in the low end of what we typically see for Engineering divisions Statewide.
- If all fee adjustment recommendations are adopted \$522,556 in additional revenue would be realized.
- Some agencies choose to phase in fee increases over a fixed period of years with the eventual objective of 100% cost recovery.
- Many new fees are proposed for institution:

o Application Pre-inspection	\$95	o PUE and PE Dedication and Abandonment	\$460
o Fourth Check of a Plan	\$280		
o Will Serve Letter	\$460	o On-site Storm Drainage Review:	
o Stormwater Quality Fee	\$670	0 - 3 acres	\$1,680
o GIS Subdivision Mapping Fee	\$290	3.1 - 5 acres	\$2,510
o Microfilm Fee	\$1 per page	5.1 - 10 acres	\$3,350
o As-Built Process Fee	\$170	10.1 + acres	\$4,190

The summary charts on the following pages show the results of this division's cost analysis. Page 19 provides information on a "Per Unit" basis. Page 23 provides total annual information by multiplying the per-unit fees and costs by the volume of activity in order to project out total annual costs and revenues

Note: Uninitiated Street Work will be assessed a "double fees" penalty.

- 1 *Paving fees will apply if paving is performed by City.*
- 2 *A trench restoration fee shall be charged based on the Trench Restoration Fee Schedule.*
- 3 *Staking fees will apply if staking is performed by City.*
- 4 *Inspection to be charged on a T&M Basis.*
- 5 *Utility relocation required for City projects is not subject to a charge.*
- 6 *Improvements not otherwise listed such as water line extensions, irrigation lines, irrigation line replacements, storm drain lines, etc.*
- 7 *These fees are cumulative.*
- 8 *Land Surveyor portion of charge will be on a T&M basis because this effort varies significantly.*
- 9 *Significant additional connection fees apply. Accordingly, 50% subsidy is recommended.*
- 10 *The proposed fee does not include Land Surveyor time. Land Surveyor time will be charged on a time and materials basis.*

V FIRE PREVENTION

The mission of the Fire Prevention Bureau is to reduce the loss of life, health property and environmental quality through reducing the number of fires and hazardous materials incidents and determining the cause of those events that do occur. Three fee-related areas are employed to accomplish this mission:

- Fire/Life Safety Review for New Construction: Fees #2 - #6
- Sprinkler/Alarm System Reviews and Inspections: Fees #7 - #15
- Storage Tank Inspections: Fees #16 - #23

The total cost of all Fire Prevention fee-related services is \$118,577. Fee revenue totals \$45,884 for a cost recovery rate of 38.7%.

The following is a review of findings and highlights:

- If all Fire Prevention fee adjustments are adopted, the new schedule would generate \$119,669 per year, for a net increase of \$73,785. Projected revenue is \$1,092 higher than actual cost due to rounding of proposed fees.
- The Bureau occasionally uses labor rates to charge outside entities or in cases where a fee is appropriate but none currently exists. The following fully-burdened labor rates should be used in such cases:

Staff	Fully Burdened Labor Rate
Fire Marshal	\$167
Deputy Fire Marshal	\$93
Fire Technician	\$69
Clerical	\$53

The summary charts on the following pages show the results of this division's cost analysis. Page 28 provides information on a "Per Unit" basis. Page 30 provides total annual information by multiplying the per-unit fees and costs by the volume of activity in order to project annual costs and revenues.

VI PARKS PLANNING AND DEVELOPMENT LANDSCAPE

The Parks Planning and Development Services Landscape Section is responsible for providing neighborhood, community, and regional open space that meets the goals of the Modesto Urban Area General Plan. This Section is responsible for providing landscape review and inspection services for new development. All complete sets of building plans are routed to the Development Center for landscape and irrigation review.

The total cost of all PPD Landscape fee-related services is \$51,488. Fee revenue totals \$53,413 for a cost recovery rate of 104%. This means several of the Section's fees are too high and that overall fee revenue must be reduced.

The following is a review of findings and highlights:

- PPD Landscape fees are generating a slight revenue surplus. This could be due to a number of reasons. One possibility is that PPD Landscape has become more efficient in performing plan check services.
- If all recommendations are adopted, annual revenue will decrease by \$1,808. This net decrease will come from a combination of both fee increases and decreases.

The summary charts on the following pages show the results of this section's cost analysis. Page 33 provides information on a "Per Unit" basis. Page 35 provides total annual information by multiplying the per-unit fees and costs by the volume of activity in order to project annual costs and revenues.

VII FEE COMPARISON SURVEY

The following pages display a comparison of Modesto's current fee levels and Modesto's full processing cost to fees charged by other jurisdictions. Fees selected for comparison were those most commonly processed and those with the greatest revenue impact.

The figures presented in the comparison survey reflect a "market basket" of what other cities charge for similar services. It does not reflect each jurisdiction's cost, as these jurisdictions may not be aware of their full cost and/or may consciously price their services below full cost.

Modesto's proposed fees are in the high-end range of what survey participants charge for development services. However, for most services, Modesto is not the highest.

The fee comparison survey includes the following jurisdictions:

- Elk Grove
- Fresno
- Manteca
- Stanislaus County
- Stockton
- Tracy
- Turlock

5. CONCLUSION	18
ATTACHMENT – Cost Recovery Report Table	

1. EXECUTIVE SUMMARY

The Matrix Consulting Group assisted the City of Modesto's Building Safety Division in analyzing its current schedule of building permit fees as related to the estimated total costs of providing services. The Matrix Consulting Group worked closely with the Division to accomplish the following:

- Change the fee calculation methodology away from the traditional valuation-based approach to a "cost per type of project" approach
- Collect and analyze the necessary data for determining the estimated reasonable cost of providing services in accordance with California State Law and relevant legal opinions

The results of this Study provide a tool for understanding current service levels, the cost and demand for those services, and what fees for service can and should be charged.

1. GENERAL PROJECT APPROACH AND METHODOLOGY

The methodology employed by the Matrix Consulting Group is a widely known and accepted "bottom up" approach to cost analysis, where time spent per unit of fee activity is determined for each position within a department. Once time spent for a fee activity is determined, all applicable City costs are then considered in the calculation of the "full" cost of providing each service. An overview of types of costs applied in establishing the "full" cost of services provided by the Building Safety Division is provided in Chapter 3 of this report.

The work accomplished by the Matrix Consulting Group in the analysis of the proposed fees for service involved the following steps:

- **Departmental Staff Interviews:** The project team interviewed staff regarding their needs for clarification to the structure of existing fee items, or for addition of new fee items
- **Data Collection:** Data was collected for each item, including, time estimates and volume of activity. In addition, all budgeted costs and staffing levels for the FY 2010/11 fiscal year were entered into the Matrix Consulting Group's analytical software model
- **Cost Analysis:** The full cost of providing each service included in the analysis was established. Cross-checks such as revenue reports and allocation of not more than 100% of staff resources to both fee and non-fee related activities assured the validity of the data used in the Study.
- **Review and Approval of Results with City Staff:** Departments and City Management have reviewed and approved these documented results.

A more detailed description of user fee methodology, as well as legal and policy considerations are provided in subsequent chapters of this report.

2. SUMMARY OF RESULTS

Results of this analysis indicated, on average, an annual subsidy is provided to the fee payer for plan review and permitting services provided by the Building Safety Division. While some services showed an average overcharge, and others an average undercharge, the net impact of this analysis indicates the need for an overall increase in fees for service. At full cost recovery, the potential additional revenue obtained from implementing these revised and/or additional fees for services is approximately \$349,000 above what is currently collected for these services.

More information on the specific cost calculation results and resulting fee tables are included Chapter 4 as well as the attachment to this report.

3. POLICY RECOMMENDATION HIGHLIGHTS

The Matrix Consulting Group strongly recommends that the City use the information contained in this report and the Division's staff report to discuss, adopt, and implement policies regarding the following:

(1) Adopt a Fee Schedule Based on Project Type and Size Rather Than Valuation

The methodology applied in this Study is primarily based on the estimated level service required to process, plan check, and inspect projects according to type and size of project. It is more defensible and accurate than traditional valuation-based fees.

(2) Implement a Formal Cost Recovery Policy

Jurisdictions generally do not consciously subsidize building code enforcement and regulation activities. The project team recommends the City try to recover as much of the service costs as is as feasible. For most fee related services, the Matrix Consulting Group recommends setting fees at 100% cost recovery.

In addition, the City should perform a complete update of its User Fee Study on a periodic basis. In general, 3 to 5 years for fee and rate studies is considered a best management practice. The purpose of a comprehensive update is to completely revisit the analytical structure, service level estimates and assumptions applied in the previous study, and to account for any major shifts in cost components or organizational structures.

In between comprehensive updates, the City could utilize published industry economic factors such as CPI or other regional factors to update the cost calculations established in the Study on an annual basis. Alternatively, the City could also consider the use of its own anticipated labor cost increases such as step increases, benefit

enhancements, or cost of living raises. The latter example provides a more realistic reflection than a CPI, given the fact that labor costs generally comprise the majority of cost calculations for a jurisdiction. Use of an automatic increase mechanism based on the City's own labor costs also provides a factor that is specific to it and its operations, rather than one that is specific to a region or industry as a whole. Utilizing an annual increase mechanism would ensure that the City receives appropriate fee and revenue increases that reflect growth in costs.

2. LEGAL FRAMEWORK AND POLICY CONSIDERATIONS

A “user fee” is a charge for services provided by a governmental agency to a public citizen or group. In California, several constitutional laws such as Propositions 13, 4 and 218, State Government Codes 66014 and 66016, and more recently the Attorney General’s Opinion 92-506 set the parameters under which the user fees typically administered by local government are established and administered. Specifically, California State Law, Government Code 66014(a), stipulates that user fees charged by local agencies “...may not exceed the estimated reasonable cost of providing the service for which the fee is charged”.

1. GENERAL PRINCIPLES AND PHILOSOPHIES REGARDING USER FEES

Local governments are providers of many types of general services to their communities. While all services provided by local government are beneficial to constituents, some services can be classified as globally beneficial to all citizens, while others provide more of a direct benefit to a specific group or individual. The following table provides examples of services provided by local government within a continuum of the degree of community benefit received:

Services that Provide General “Global” Community Benefit	Services that Provide Both “Global” Benefit and also a Specific Group or Individual Benefit	Services that Provide a Primary Benefit to an Individual or Group, with less “Global” Community Benefit
<ul style="list-style-type: none"> • Police • Park Maintenance 	<ul style="list-style-type: none"> • Recreation / Community Services • Fire Suppression / Prevention 	<ul style="list-style-type: none"> • Building Permits • Planning and Zoning Approval • Site Plan Review • Engineering Development Review

Funding for local government is obtained from a myriad of revenue sources such as taxes, fines, grants, special charges, user fees, etc. In recent years, alternative tax revenues, which typically offset subsidies for services provided to the community, have become increasingly limited. These limitations have caused increased attention on user fee activities as a revenue source that can offset costs otherwise subsidized (usually) by the general fund. In the table above, services in the “global benefit” section tend to be funded primarily through voter approved tax revenues. In the middle of the table, one typically finds a mixture of taxes, user fee, and other funding sources. Finally, in the “individual / group benefit” section of the table, lie the services provided by local government that are typically funded almost entirely by user fee revenue.

The following are two central concepts regarding the establishment of user fees:

- **Fees should be assessed according to the degree of individual or private benefit gained from services.** For example, the processing and approval of a land use or building permit will generally result in monetary gain to the applicant, whereas Police services and Fire Suppression are examples of services that are essential to the safety of the community at large; and,
- **A profit making objective should not be included in the assessment of user fees.** In fact, California laws require that the charges for service be in direct proportion to the costs associated with providing those services. Once a charge for service is assessed at a level higher than the actual cost of providing a service, the term “user fee” no longer applies. The charge then becomes a tax subject to voter approval.

Therefore, it is commonly accepted that user fees are established at a level that will recover up to, and not more than, the cost of providing a particular service.

2. GENERAL POLICY CONSIDERATIONS REGARDING USER FEES

Undoubtedly, there are programs, circumstances, and services that justify a subsidy from a tax based or alternative revenue source. However, it is essential that

jurisdictions prioritize the use of revenue sources for the provision of services based on the continuum of benefit received.

Within the services that are typically funded by user fees, the Matrix Consulting Group recognizes several reasons why City staff or The Council may not advocate the full cost recovery of services. The following factors are key policy considerations in setting fees at less than 100 percent of cost recovery:

- **Limitations posed by an external agency.** The State or other agency will occasionally set a maximum, minimum, or limit the jurisdiction's ability to charge a fee at all. Examples include Transportation Permits commonly issued by Public Works departments, many types of Police records and processing fees, as well as charging for time spent copying and retrieving public documents in the City Clerk's office.
- **Encouragement of desired behaviors.** Keeping fees for certain services below full cost recovery may provide better compliance from the community. For example, if the cost of a permit for changing a water heater in a residential home is higher than the cost of the water heater itself, many citizens will avoid pulling the permit.
- **Affect on demand for a particular service.** Sometimes raising the "price" charged for services might reduce the number of participants in a program. This is largely the case for small residential projects, where the cost to the homeowner of obtaining a permit must be in accordance with the perceived value of the regulatory or public safety service received from the Building Safety Division.
- **Participation for individuals or groups that typically cannot afford services.** Policy makers may decide to fully subsidize or set fees at a level that will allow participation for certain segments of the community, such as for Senior programs or non-profit organizations.
- **Benefit received by user of the service and the community at large is mutual.** Many services that directly benefit a group or individual equally benefit the community as a whole. Examples include Recreation programs, Planning Design Review, historical dedications and certain types of special events, to name a few.

The Matrix Consulting Group recognizes the need for policy that intentionally subsidizes certain activities. The primary goals of a User Fee Study are to provide a fair

and equitable basis for determining the costs of providing services, and assure that the City is in compliance with State law.

Once the full cost of providing services is known, the next step is to determine the “rate” or “price” for services at a level which is up to, and not more than the full cost amount. The Council is responsible for this decision, which often becomes a question of balancing service levels and funding sources. The placement of a service or activity within the continuum of benefit received may require extensive discussion and at times fall into a “grey area”. However, with the resulting cost of services information from a User Fee Study, the Council can be assured that the adopted fee for service is reasonable, fair, and legal.

2. SPECIFIC LEGAL AND POLICY ISSUES REGARDING BUILDING PERMIT FEES.

For decades, most California jurisdictions (including the City of Modesto) have utilized the Uniform Building Codes (UBC) for performing plan check and inspection services, and based their fees for service on the UBC valuation tables published by ICBO. Under the Valuation Table method of establishing permitting fees, average costs (value) of construction per square foot are provided by “Valuation Tables” issued by the ICBO (International Conference of Building Officials) organization. The multipliers contained within these Tables are then multiplied by a project’s building occupancy type and size to establish the construction value of a project. Once a project’s value is determined from this Table, a graduated fee scale for value ranges is utilized to determine plan review and inspection fees.

The use of these Tables has come under considerable review and discussion over the past several years. Many, including the Attorney General of the State of

California, believe that the valuation tables do not provide a clear nexus between fees charged and levels of service provided. In 1993, the Attorney General issued opinion 92-506 pertaining to the following questions:

- Is a local agency prohibited from charging building permit and similar fees which exceed the estimated reasonable costs of providing the services rendered unless the amounts of the fees are approved by the electorate?
- May a local agency charge building permit and similar fees based upon the Uniform Building Code Valuation Tables, which are in excess of the estimated reasonable costs of providing the services rendered unless the amounts of the fees are approved by the electorate?
- If a local agency charges building permit and similar fees based upon the Uniform Building Code Valuation Tables without supporting evidence regarding the relationship between the fees and services rendered, are such fees valid?

The Attorney General presented the following conclusions in response to the questions raised above:

- A local agency is prohibited from charging building permit and similar fees which exceed the estimated reasonable costs of services rendered unless the amounts of fees are approved by the electorate
- A local agency may not charge building permit and similar fees based upon the Uniform Building Code Valuation Tables which are in excess of the estimated reasonable costs of providing the services rendered unless the amounts of the fees are approved by the electorate.
- If a local agency charges building permit and similar fees based on the Uniform Building Code Valuation Tables without supporting evidence regarding the relationship between the fees and the services rendered, such fees are invalid to the extent they exceed the reasonable costs of providing the services rendered.

In addition, the Attorney General noted that the valuation tables are contained in a private publication issued by a nongovernmental association (ICBO), which presents no evidence of the following critical factors pertaining to the establishment of charges for service:

- That the fees set by these tables approximate the estimated costs of the specified services in any particular local jurisdiction in California; and,
- That any cost analysis has been made by the ICBO with respect to relation between the tables and costs of providing services

Finally, the Attorney General concluded that the Government Code sections related to charges for service do not confirm the reasonableness of fees set forth by the ICBO valuation tables, and that a jurisdiction may not adopt or charge the fees set forth in the tables.

Although the Attorney General's opinion specifically discusses the use of the UBC Valuation Tables, the Matrix Consulting Group considers this opinion equally applicable to the IBC Valuation Tables recently re-issued by the ICC for the following reasons:

- The ICBO/ICC have historically issued Valuation Tables for both the UBC and IBC in order to accommodate jurisdictions in California and across the country that adopt different code systems.
- The methodology utilized by ICBO/ICC to establish the construction cost multipliers for both tables is the same, where national averages of construction cost by building occupancy type present factors that reflect the value of construction per square foot.

However, in addition to the Attorney General's opinion, the Matrix Consulting Group also notes the following significant issues with the Valuation Tables:

- Valuation Tables have no correlation to the specific cost of providing services encumbered by a jurisdiction. The true costs of providing building permitting services in any jurisdiction are actually correlated to the level of effort required by City staff, not the cost of construction.
- Valuation Tables' components are subject to economic factors, which fluctuate at a higher frequency than typical costs encumbered by government agencies such as salaries, benefits, and overhead.
- Valuation Table-based fees generally result in an imbalance of revenue between commercial versus residential development. Based on the Matrix Consulting

Group's experience in analyzing building permit operations, valuation based fees for commercial occupancies do not consider the economies of scale achieved in required effort and costs associated with plan review and inspection of large projects.

Even with the knowledge and points stated above, utilization of the Valuation Table methodology for establishing building permit fees still remains the standard fee setting mechanism for most jurisdictions in California. In recent years, however, many jurisdictions have implemented cost based charging systems that do not rely on the valuation tables.

There are analyses that can closer correlate the cost of providing services to the charges for service established using the Valuation Table methodology. However, the Matrix Consulting Group considers it a best management practice for jurisdictions to move away from the Valuation Table fee setting methodology traditionally employed by governmental agencies. By performing a more thorough analysis that connects staff hours and costs to various project types and sizes, a jurisdiction can establish and implement building permit fees that are more in line with the requirements set forth in Government Code 66014 (a), which provides that "...fees shall not exceed the estimated reasonable cost of providing the service for which the fee is charged".

3. METHODOLOGY

The Matrix Consulting Group utilizes a cost allocation methodology, commonly known and accepted as the “bottom-up” approach to establishing User Fees. The term means that several cost components are calculated for each fee or service. These components then build upon each other to comprise the total cost for providing the service. The components of a full cost calculation for the City of Modesto’s building permit services are shown in the tables below. The following presents a breakdown of costs included in the fee calculation results shown in the appendix to this report:

Cost Component	Description
Direct	Fiscal Year 2010/11 budgeted salaries, benefits and allowable departmental expenditures
Departmental Overhead	Building Safety Division administration / management and clerical support, as well as a relative portion of CED Administrative Costs
Citywide Overhead	City costs associated with central service costs such as payroll, human resources, budgeting, City management, etc. These costs are established through the City’s detailed Cost Allocation Plan.

The general steps utilized by the project team to determine allocations of cost components to a particular fee or service are:

- Create a list of building occupancy types and miscellaneous project items
- Identify average time to process, plan check, and inspect each occupancy and/or project item
- Utilize the comprehensive allocation of staff time to establish an allocation basis for the other cost components; and,
- Distribute the appropriate amount of the other cost components to each fee or service based on the staff time allocation basis, or other reasonable basis.

The result of these allocations provides detailed documentation for the reasonable estimate of the actual cost of providing each service. The following are

critical points about the use of time estimates and the validity of cost allocation models.

1. USE OF TIME ESTIMATES

Time estimates are a measure of the service levels required to perform a particular service. One of the key study assumptions utilized in the “bottom up” approach is the use of time estimates for the provision of each fee related service. Utilization of time estimates is a reasonable and defensible approach, especially since these estimates are developed by experienced staff members who understand the service levels and processes unique to the City of Modesto.

The project team worked closely with the City’s staff in developing time estimates with the following criteria:

- Estimates are representative of average times for providing service. Extremely difficult or abnormally simple projects are excluded from the analysis;
- Estimates provided by staff are reviewed and approved by the department, and often involve multiple iterations before a Study is finalized;

The Matrix Consulting Group agrees that while the use of time estimates is not a perfect approach, it is the best alternative available for setting a standard level of service for which to base a jurisdiction’s fees for service, and it meets the requirements of California law.

2. VALIDITY OF THE COST ALLOCATION ANALYTICAL MODEL

Various mathematical “cross-checks” validate the use of our cost allocation model for establishing fees for service. In addition to the collection of time estimate data for each fee or service included in the User Fee Study, annual volume of activity data assumptions are also a critical component. Collecting data on the estimated volume of activity for each fee or service provides assurance that 100% of staff resources are

accounted for and allocated to a fee for service, or “other non fee” related category. Since there are no objectives to make a profit in establishing user fees, it is very important to ensure that services are not estimated at a level that exceeds budgeted resource capacity. If at least and not significantly more than 100% of staff resources are accounted for, then no more than 100% of costs associated with providing services will be allocated to individual services in the Study.

4. BUILDING SAFETY DIVISION - DETAILED RESULTS

The motivation behind a cost of services (User Fee) analysis is for the City Council and City Staff to maintain services at a level that is both accepted and effective for the community, and also to maintain control over the policy and management of these services.

The Building Safety Division maintains all City building codes and standards. The Division assists residents and developers with all building permits. All new construction projects in the City must go through the Plan Review and Building Inspection process completed by the Division.

As shown in the following table, the net result of the Study found an overall undercharge for services performed by the Building and Safety Division.

Projected Annual Revenue at Current Fees	Projected Annual Revenue at Full Cost per Unit	Annual Revenue Surplus / (Subsidy)	Cost Recovery Rate
\$1,099,000	\$1,448,000	\$(349,000)	76%

**Note: Figures shown above are rounded to the nearest thousand for reporting purposes.*

The results of the analysis for the Building Safety Division identified an overall annual subsidy of approximately \$349,000 provided to the public for plan review and inspection services. At current fee levels, the Division is recovering approximately 74% of the total City costs associated with providing its services.

Discussion of results in this chapter is intended as a summary of extensive and voluminous cost allocation documentation produced during the Study. The full analytical results were provided to City staff under separate cover from this summary report. The

attached table to this report includes more detailed cost calculation results for the Building Safety Division from two perspectives:

- **First, on a “Per Unit” Basis:** comparing the full cost of providing each unit of service to the current fee for each unit of service (where applicable).
- **Second, on an annualized basis:** the project team utilized volume of activity estimates to project annual subsidies and revenue impacts associated with the implementation of each fee for service at full cost recovery levels.

It should be noted that the results presented in this report are not a precise measurement. In general, the a cost of service analysis takes a “snapshot in time”, where the most current fiscal year of adopted budgeted cost information is compared to the most current complete fiscal year of revenue and workload data available. Workload data may then be adjusted to reflect “reasonable and defensible” estimates for purposes of analysis. Changes to the structure of fee names, along with the use of time estimates allow only for a reasonable projection of subsidies and revenue. Consequently, the Council and City staff should rely conservatively upon these estimates to gauge the impact of implementation going forward.

The Division wished to consider alternatives to the Valuation Table methodology for establishing building permit fees, for many of the reasons previously discussed in Chapter 2. As such, the Matrix Consulting Group worked with City staff to undergo a thorough analysis that connects staff hours and costs by various project types to fees for service.

Attachment A displays the resulting Building and Safety services cost calculations by major grouping of project types.

- **New Construction and Tenant Improvements:** focuses on the full cost of services related to the permitting, plan review, and inspection of new occupancies, commercial tenant improvements, residential additions, and

residential remodels. Important points to note about the fee structure in this section:

- Project types and sizes in this section were established on a per project and / or square footage size basis.
 - Smaller and more routine type projects are charged on a flat / per unit basis
 - Complex, larger projects are charged on a deposit basis, with tracking of staff hours and billing based on fully burdened hourly rates. The deposit amount for each project can be set at an amount up to and not exceeding the number shown in the "Total Cost per Unit" column of the table.
- **Minor Remodels and Improvements:** presents full cost of services results related to small projects that do not fit directly into the structure identified for in the "New Construction and Tenant Improvements" section above. Common projects seen in this area include minor residential and commercial improvements such as re-roofs, window replacement, retaining walls, pools, etc. These project types and sizes were analyzed on a flat-fee, per project basis.
 - **MPE Simple Stand Alone Permits:** presents full cost of services results related to Mechanical, Plumbing and Electrical projects that are "stand-alone" or "singular" in nature, meaning they are not part of an application for a project shown in either section noted above.
 - **Fee Supporting and Other Non-Fee Related Activities:** Accounts for the amount of time spent by the Building Official and administrative support to the Neighborhood Preservation program. Costs associated with this activity are not included in the fees for service established above, and would require alternate funding sources.
 - **Blended Full Cost Recovery Hourly Rates:** Establishes a full cost recovery hourly rate for the plan review and inspection functions of the Division. These rates would be charged against any deposit-based project, or in the event that the Division received a rare project for which a fee was not established through this study. These hourly rates could also be charged for "service required in excess of standard" on smaller projects, such as excessive plan review revisions or failed inspections.

5. CONCLUSION

The City of Modesto engaged the Matrix Consulting Group to determine the total cost of services provided to its citizens and businesses building permitting services. To calculate the total cost services, Matrix Consulting Group employed both a widely accepted and defensible methodology, as well as the experience and input of City staff to complete the necessary data collection and discussion to complete the analysis. City leaders can now use this information to make informed decisions and set its fees to meet the fiscal and policy goal objectives of the City.

Overall, this Cost of Services Study concluded that the City under-recovers its costs by approximately \$349,000 per year providing its *fee-related* services. While the detailed documentation of the Study will show an over-collection for certain fees (on a per unit basis), and an undercharge for others, overall, the City is providing an annual subsidy to fee payers for all services included in the analysis.

The project team recommends the City try to recover as much of the service costs as is feasible. For most fee related services, the Matrix Consulting Group recommends setting fees at 100% cost recovery. However, as discussed in previous chapters of this report, several policy factors often warrant adoption of fee levels at less than 100%.

Community and Economic Development Department
Building Safety and Neighborhood Preservation Division

2011 Fee Schedule

Building Inspection and Plan Review Services

Effective July 1, 2011

Fee Policies and Procedures

Intent and Purpose

The intent of this fee schedule is to cover the cost of providing building inspection and plan review services for new construction projects to ensure compliance with the currently adopted Building Codes. Previous fee schedules were based on the cost of the project or valuation. To better provide cost recovery to City of Modesto and to be fully transparent to the general public this cost based fee system has been developed. However, the City of Modesto recognizes that some fees may not fully cover the cost of services for the following rationale:

- 1) **Encouragement of building code compliance.** Keeping fees for certain services below full cost recovery may provide better compliance from the community. If the cost of inspection and plan review is near the cost of construction citizens may be compelled to opt to proceed with the project without permits and inspection.
- 2) **Affect on demand for a particular service.** Raising a fee for service may reduce the number participants in a fee program. This is largely the case for small residential projects, where the cost to the homeowner of obtaining a permit must be in accordance with the perceived value of the service provided.

In order to effectively administer this fee system, the Chief Building Official and or the Community and Economic Development Director must be responsible for the assessment and interpretation of this schedule. It is the intent of this Department to seek the most reasonable fee category for the project description provided to cover the costs associated with the service of plan review and inspections.

Minimum fees and per hour charges

Minimum Fee Permit. This fee was established to provide the Building Safety Division flexibility in assisting citizens, contractors, designers and developers with code compliance prior to issuance of a project permit and still recover the cost associated with this service. It is a non refundable fee and includes but not limited to the following services:

- One stop inspection
- Code Consultation
- Re inspection Fee
- Small projects that do not fit in the fee schedule.

Per Hour Charges. At the discretion of the Chief Building Official and or the Community and Economic Development Director, an hourly charge may be applied to provide additional service not already covered by the original permit. It is a non refundable fee and includes but not limited to the following services:

- Plan review for revisions of approved plans.
- Unscheduled or out of sequence inspection.
- After hours inspection
- Re inspection

Fee Category Definitions

Accessory Building: a small structure 120 to 500 square feet that is accessory to the main structure. Used for storage only and is not habitable.

Apartment/Condo: a single building with multiple living units as defined by the California Building Code that are not classified as one or two family dwellings by the California Residential Code.

Custom Residential Dwelling: One or Two family dwelling as defined in the California Residential Code not a part of a "in process" subdivision. This may include "infill" lots.

Deposit: Monies collected at the time application that may or may not cover the cost of services provided. City staff will monitor time spent on projects that are deposit based. Plan review costs will be analyzed and the applicant will be given an itemized statement of these costs upon plan approval. Inspection costs will be analyzed upon final inspection approval. If a refund is due, it will be given to the applicant upon issuance of Certificate of Occupancy. The balance of additional costs will be due prior to issuance of the Certificate of Occupancy.

Garage: a residential or commercial accessory structure that is used for storage only and is not habitable. Commercial accessory garage under this fee schedule may not be larger than 720 square feet and may not be used for any other purpose than storage. Other commercial garage structures will fall under the New Building without interior improvements fee category.

Master Plan Review: A fee will be due once the master plans of a subdivision have been approved. This fee does not include the administration and lot review of the individual dwelling permits.

Mechanical Plumbing Electrical -- Minor. This fee includes but not limited to HVAC replacements and new systems, plumbing repairs and maintenance, electrical circuitry for new lighting and electrical outlets, service changes and similar projects in residential and small commercial applications. Large commercial systems such as boilers and advanced mechanical systems will be assessed at the MPE commercial and Industrial category.

Production Home: Single Family Dwellings as defined in the California Residential Code that are a part of a subdivision. This fee covers the cost of administration, lot line review and inspections of each individual single family dwelling. Each single family dwelling will require a permit.

Residential Remodel: This fee category covers small residential projects not covered in any other category. Structural plan review would not be covered in this fee category. Should a structural plan review be needed for the project, a structural plan review would be included in the fee at the per hour charge listed in this schedule.

Residential Fee Schedule

Custom Residential Dwelling including duplex (Includes MPE)	
Small Residential Units including granny flats up to 1,300 square Feet	\$1,911
Dwellings up to 5,000	\$2,801
Dwellings 5,000 or greater	\$2,801 deposit
Residential Dwelling - Tract Homes (Includes MPE)	
Master Plan Review per development	\$2,041
Production Home (each)	\$1,884
Residential Additions, Remodels, Minor Improvements and Repairs	
Additions less than or equal to 500 square feet (includes MPE)	\$1,492
Additions >500 square feet (includes MPE)	\$2,003 deposit
Residential Remodel (no structural review needed) (includes MPE)	\$694
Improvements*: Decks, Patio Enclosures and Covers, Carports, Covered porch, etc	\$524
Accessory Buildings: 120 to 500 square feet (>500 square feet see Garage)	\$514
Garage	\$1,014
Re-roofing*	\$275
Mobile Home Installation (Park installation and permanent foundation)	\$524

Commercial Fee Schedule

New Construction (Includes MPE)	
New Building with without Interior Improvements (Shell)	\$4,541 deposit
New Building with Interior Improvements	\$14,504 deposit
Apartment/Condo	\$4,555 deposit
Hotel/Motel	\$27,096 deposit
Commercial Additions (Includes MPE)	
<3,000 square feet	\$2,113
>3,000 square feet	\$2,113 deposit
Commercial Remodels, Tenant Improvements, Minor Improvements and Repairs	
Tennant Improvement 500 to 3,000 square feet (Includes MPE)	\$1,565
Tennant Improvement >3,000 square feet (Includes MPE)	\$1,905 deposit
Minor Improvements and Remodels: Decks, awnings, carports, Single interior partition and demising walls, tenant improvements up to 500 square feet.	\$1,047
Accessory Buildings < 500 square feet (>500 square feet see Garage)	\$514
Garage (up to 720 square feet)	\$1,014
Re-roofing	\$439
Accessibility Review	
ADA CBC Chapter 11 Accessibility Review (hourly rate)	\$183
Certified Access Specialist Review and Inspection* (hourly rate)	\$90/hr
Admin Processing Fee	\$32
<i>*Currently in process of a RFP for these services</i>	

Miscellaneous Fees

Mechanical Plumbing Electrical	
Mechanical Plumbing Electrical - Minor* (see definitions)	\$262
Water Heater Replacement*	\$262
Mechanical Plumbing Electrical - Commercial/Industrial	\$804
Electrical Photovoltaic – Residential	\$262
Electrical Photovoltaic – Commercial	\$864 deposit
Miscellaneous	
Demolition	\$237
Signs (all types)	\$252
Swimming Pool (All types)	\$432
Vacant Building Registration (NPU)	\$203
Minimum Fee*	\$190
May be charged at the Chief Building Official and or Director's discretion and is non refundable.	
Hourly rates	
Inspection	\$170
Plan Review(Non Structural)	\$183
Plan Review* (Structural)	\$200
<i>*Currently in process of a RFP for these services</i>	

*Corresponds to Table M-1 subsidy for City Council consideration.

Proposed Fees - Planning Applications

September 23, 2010

3 Second-story review, large family daycare

4 Fee subsidized - reduced to cover costs of noticing and holding hearing

5 Fee is currently subsidized (50% of actual cost)

6 Task Force recommendation - no fee

Planning Draft Fee Policies

Concurrent Processing: When two or more entitlement applications related to a single development proposal on the same parcel are submitted simultaneously, the application fees shall be the highest fee plus half of the fees for the remaining applications (exclusive of CEQA processing fees).

1. Time and Materials Fees:

- a. When multiple entitlement applications are filed for the same project and one or more of the applications is a time and materials fee, then the entire project shall be treated as a time and materials project for fee purposes.
- b. When deposited funds drop below 50% of the initial deposit amount, then additional funds shall be required to be deposited in an amount to be determined by the Director. This requirement may be waived by the Director if it is determined that additional funds are not needed to complete the entitlements or the entitlements are inactive.
- c. Once the project is completed, withdrawn or returned, the applicant shall be returned the balance of any remaining unused funds.

2. Refunds (non time & materials fees):

- a. If an application is withdrawn or returned before it is deemed complete or within two weeks of submittal, whichever occurs first, then the applicant shall be entitled to a full refund.
- b. If an application is withdrawn or returned after the initial period described above but no later than six months after submittal and prior to scheduling for a hearing or an administrative decision, then the applicant shall be refunded half of the application fees submitted.
- c. After six months from application submittal, or once an application has been scheduled for a public hearing or administrative decision, whichever occurs first, no refunds shall be given.

3. **Authority to determine fee when none exists:** If an application is made for an entitlement where no fee has been established, then the Director shall determine the appropriate fee based on the adopted fees for similar entitlements or entitlements requiring a similar process or amount of staff time.

Trench Restoration Fee Schedule
(See "NOTE" below)

PCI	Trench Depth over 4 feet	Trench Depth 4 feet or less
Between 100 and 70*	$(W+4) \times L = SF \times \2.50	$(W+2) \times L = SF \times \2.50
Between 69 and 26**	$(W+4) \times L = SF \times \1.25	$(W+2) \times L = SF \times \1.25
Between 25 and 0	No Fee	No fee

* \$2.50 per s.f. of Trench Influence Area

** \$1.25 per s.f. of Trench Influence Area

NOTE: The following companies have executed Pavement Maintenance Agreements with the City of Modesto and are **NOT** subject to the Trench Restoration Fee: AT&T, MID and PG&E

References: Previous Resolution 2003-446 and MMCs 5-6.08, 7-1.08, 7-1.108, 7-2.02, 7-2.15, 7-2.23, 7-2.28, 7-2.29, 7-2.32 and 7-2.33.

Encroachment Fees Schedule Notes & Footnotes

- 1 Additional fees charged if City employees perform paving or staking services.
- 2 A trench restoration fee of \$2.50/s.f. is charged in addition.
- 3 Applicant shall pay an additional \$3.75/l.f. for small laterals designed and drawn by the City.
- 4 Where no fee is shown, the work is to be performed by others as needed.
- 5 Utility relocation required for City projects is not subject to a charge.
- 6 Uninitiated Street Work will be assessed a "double fee" penalty.
- 7 Costs shall be paid for emergency or other work performed by City for public health and safety in addition to the following minimum charges:
 - a. Cleanup or dust control \$370.00 per street
 - b. Temporary paving \$233.00 per street
 - c. Temporary barricades \$142.00 each
- 8 Permits are required for all work done in all public rights-of-way, including public utility easements.
- 9 For lots greater than 100' frontage, each 100' or part thereof is considered to be one "lot" (distance to be measured to nearest 100 feet).
- 10 Improvements not otherwise listed such as water line extensions, irrigation lines, irrigation line replacements, storm drain lines, etc.
- 11 Chargeable only when paving is done by City. Developer/Owner shall repave all trenches, unless otherwise approved by the City Engineer.
- 12 To be calculated by the Public Works Director and other pertinent staff in each instance, based on the actual cost of doing the work, including overhead.
- 13 Inspection to be charged on a time and material basis.

Engineering Development Fees - Notes & Footnotes

Note: Uninitiated Street Work will be assessed a "double fee" penalty

- A. Land Surveyor portion of charge will be on a T&M basis because this effort varies significantly**
- B. Significant additional connection fees apply. Accordingly, 50% subsidy is recommended.**
- C. The proposed fee does not include Land Surveyor review cost. Land Surveyor time will be charged on a time & materials basis.**

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-385**

RESOLUTION AUTHORIZING THE SOLE SOURCE PROCUREMENT OF THE GOVNOW WEB PAY SYSTEM FOR THE FINANCE DEPARTMENT, CUSTOMER SERVICES DIVISION FROM SUNGARD PUBLIC SECTOR OF LAKE MARY, FLORIDA, AND AUTHORIZING THE PURCHASING MANAGER, OR HIS DESIGNEE, TO ISSUE A PURCHASE ORDER FOR AN ESTIMATED TOTAL COST OF \$78,194

WHEREAS, the City Finance Department Customer Services Division currently uses an antiquated web pay system that requires staff time to manually facilitate, and

WHEREAS, installing an automatically integrated and full featured web pay system would allow citizens to manage their accounts and make payments, saving valuable staff time, and

WHEREAS, the system is scalable and has the capacity to accommodate the addition of other divisions at a later time, and

WHEREAS, the expense of hiring additional staff can be avoided with the use of this system, and

WHEREAS, the GovNow solution is proprietary software provided solely by SunGard Public Sector and integrates Internet web based functionality into our current applications,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the sole source procurement of the GovNow Web Pay System from SunGard Public Sector, Lake Mary, Florida.

BE IT FURTHER RESOLVED that the Purchasing Manager, or his designee, is hereby authorized to issue a Purchase Order for an estimated total cost of \$78,194.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25th day of September, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-386**

RESOLUTION AUTHORIZING THE AWARD OF BID FOR THE FURNISHING OF HOT PATCH WORK FOR THE DEPARTMENT OF PUBLIC WORKS, WATER DIVISION, TO GARRETT THOMPSON CONSTRUCTION, INC., MODESTO, CA AS “PRIMARY” CONTRACTOR, UNITED PAVEMENT MAINTENANCE, HUGHSON, CA AS “SECONDARY” CONTRACTOR, AND PATCH CREW, MODESTO CA AS “THIRD” CONTRACTOR, FOR A TWO (2) YEAR AGREEMENT WITH THREE (3) ONE-YEAR EXTENSION OPTIONS AT THE SOLE DISCRETION OF THE CITY, AND AUTHORIZING THE PURCHASING MANAGER, OR HIS DESIGNEE, TO ISSUE PURCHASE AGREEMENTS FOR AN ESTIMATED ANNUAL COST OF \$749,700

WHEREAS, the City Manager authorized the Purchasing Manager to issue formal Request for Bids (RFB) for the furnishing of hot patch work, and

WHEREAS, the Purchasing Division issued RFB No. 1213-01 Hot Patch Work to twenty-five (25) prospective bidders, six (6) of which were local vendors, posted the RFB on the City’s website and formally advertised as required by law, and

WHEREAS, bids were formally opened in the City Clerk’s Office. Five (5) companies choose to respond, three (3) of which were local vendors. All five (5) companies provided responsive and responsible proposals, and

WHEREAS, in order to ensure continued services to the City, contracts shall be awarded to more than one contractor to provide for backup in case the primary contractor is unable to meet the City’s needs. A secondary position contractor may be awarded a specific job only if the primary contractor is unable to perform the service, or if the primary contractor is unable to complete the specific job within the time frame required by the City, and finally, if the primary contractor is unable to maintain acceptable quality standards required by the City, and

WHEREAS, based on providing responsive and responsible bids, City staff recommends the award of bids for the furnishing of hot patch work for the Department of Public Works, Water Division, to Garrett Thompson Construction, Inc., Modesto, CA as “primary” contractor, United Pavement Maintenance, Hughson, CA as “secondary” contractor, and Patch Crew, Modesto CA as “third” contractor, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. The award of bids for the furnishing of hot patch work for the Department of Public Works, Water Division, to Garrett Thompson Construction, Inc., Modesto, CA as “primary” contractor, United Pavement Maintenance, Hughson, CA as “secondary” contractor, and Patch Crew, Modesto CA as “third” contractor, conforms to the Modesto Municipal Code, and

WHEREAS, funds are budgeted in Fiscal Year 2012-13 for the furnishing of hot patch work in the Water Fund 4100 (Cost Center 55080, 55050) and Water CIP Fund 4180 (Projects-100574, 100573, 100687),

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of bid for the furnishing of hot patch work for the Department of Public Works, Water Division, to Garrett Thompson Construction Inc., Modesto, CA as “primary” contractor, United Pavement Maintenance, Hughson, CA as “secondary” contractor and Patch Crew, Modesto, CA as “third” contractor.

BE IT FURTHER RESOLVED that the Purchasing Manager, or his designee, is hereby authorized to issue a purchase agreement for an estimated annual cost of \$749,700.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25th day of September, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-387**

**A RESOLUTION APPROVING AN AGREEMENT BETWEEN THE CITY OF
MODESTO AND OFFICER JAMES MURPHY FOR THE PURCHASE OF
RETIRED CITY OF MODESTO POLICE CANINE, CAESAR; AND
AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE
THE AGREEMENT**

WHEREAS, the Police Chief for the City of Modesto, from time to time,
officially retires police canines from departmental service, and

WHEREAS, City of Modesto police canine handler, Officer James Murphy,
wishes to purchase and assume possession of his assigned canine, Caesar, upon the dog's
official retirement, and

WHEREAS, it is necessary to adopt a resolution authorizing the purchase of a
City of Modesto police canine by its assigned handler,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto
that it hereby approves the agreement between the City of Modesto and Officer Murphy
for the purchase of retired police canine, Caesar.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby
authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25th day of September, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-388**

**RESOLUTION APPROVING A PREQUALIFIED CONSULTANT LIST
CONSISTING OF BURCHARD & RINEHART, BENDER ROSENTHAL, INC.,
ASSOCIATED RIGHT OF WAY SERVICES, INC., HULBERG & ASSOCIATES,
INC., AND BC VALU FOR ON-CALL REAL PROPERTY APPRAISAL
SERVICES FOR VARIOUS CAPITAL IMPROVEMENT PROGRAM
PROJECTS FOR A PERIOD NOT TO EXCEED THREE YEARS**

WHEREAS, over the next several years, there are a number of capital improvement projects that will require acquisition of real property, as well as permanent and temporary easements, and

WHEREAS, obtaining value appraisals from qualified appraisers is an important component of these acquisitions, and

WHEREAS, in the past, both the Community and Economic Development (CED) Department and Utility Planning and Projects (UPP) Department utilized an on-call appraiser list to obtain the needed services, and

WHEREAS, the most recent on-call appraiser list expired in February 2012, prompting a process to develop a new list, and

WHEREAS, in accordance with Administrative Directive 3.1, Selection Procedures for Professional Consultants, staff solicited and formally advertised a Request for Qualifications for Real Property Appraisal Services to 14 firms, and

WHEREAS, a selection committee composed of staff members from UPP and CED carefully reviewed the nine replies received and selected six firms for interviews, after which five firms were selected as the most qualified to provide the needed services, and

WHEREAS, the firms of Burchard & Rinehart, Bender Rosenthal, Inc., Associated Right of Way Services, Inc., Hulberg & Associates, Inc., and BC Valu were chosen as the most qualified to provide the needed services,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the prequalified consultant list consisting of Burchard & Rinehart, Bender Rosenthal, Inc., Associated Right of Way Services, Inc., Hulberg & Associates, Inc., and BC Valu for On-Call Real Property Appraisal Services for various Capital Improvement Program projects for a period not to exceed three years.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25th day of September, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-389**

**RESOLUTION APPROVING A PREQUALIFIED CONSULTANT LIST TO
INCLUDE BARTLE WELLS ASSOCIATES, CAROLLO ENGINEERS, INC.,
THE FCS GROUP, HF&H CONSULTANTS, LLC, AND MUNICIPAL
FINANCIAL SERVICES FOR DEVELOPMENT OF UTILITY RATE AND
CONNECTION FEE STUDIES FOR A PERIOD NOT TO EXCEED THREE
YEARS**

WHEREAS, the City of Modesto has adopted programs to construct substantial improvements and repairs to our water, wastewater, and storm drain systems to address the challenges of population growth and limitations on conveyance and disposal, to meet expected, new, more restrictive permit conditions, and to improve reliability, and

WHEREAS, in order to fund these improvements and normal operating costs, it may be necessary to increase rates and connection fees in the future, and

WHEREAS, in order to take the first step in establishing a prequalified list of firms to provide utility cost of service and connection fee studies, a Request for Qualifications (RFQ) was issued, and

WHEREAS, in accordance with Administrative Directive 3.1, Selection Procedures for Professional Consultants, City staff solicited and formally advertised an RFQ to 177, including 16 local engineering and/or financial consulting firms, and

WHEREAS, Staff received nine Statements of Qualifications and after careful review by staff from the Utility Planning and Projects, Finance, and Public Works Departments, the following five firms were selected:

- Bartle Wells Associates
- Carollo Engineers, Inc.
- FCS Group
- HF&H Consultants LLC
- Municipal Financial Services,

and

WHEREAS, this prequalified list will be active for three years from the date of Council approval, at which time the City may decide to extend the list, and

WHEREAS, Request for Proposals will be issued to all firms on the prequalified list. Firms will then be selected based on an evaluation and ranking of all submitted proposals in accordance with City of Modesto policies, and

WHEREAS, the City will select a professional services firm that the City believes will best fit the needs and circumstances of each utility cost of service and connection fee study, and

WHEREAS, the City retains the right to recruit consultants for individual projects and not be restricted to only using the approved prequalified list, and

WHEREAS, it is intended that the staff will request proposals and negotiate a scope of work and agreement with the most qualified consultant before recruiting consultants that are not on the prequalified list, and

WHEREAS, the City will also select additional project teams, including Proposition 218 specialists, financial advisors, and if required, consulting engineers,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a prequalified consultant list consisting of Bartle Wells Associates, Carollo Engineers, Inc., the FCS Group, HF&H Consultants LLC, and Municipal Financial Services, for a period not to exceed three (3) years.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25th day of September, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-390**

**RESOLUTION AMENDING THE POSITION ALLOCATION FOR FISCAL
YEAR 2012-13 TO REFLECT THE RESTORATION OF POSITIONS THROUGH
THE USE OF SAVINGS ACHIEVED VIA LABOR CONCESSIONS**

WHEREAS, the current position allocation for Fiscal Year 2012-13 includes positions that were eliminated through the implementation of the Annual Operating Budget reductions approved by Council on June 21, 2012, and

WHEREAS, the Community and Economic Development department budget for Fiscal Year 2012-13 included a .6 position reduction of one (1) Infrastructure Financing Program (IFP) Administrator in IFP Admin, and

WHEREAS, the Finance department budget for Fiscal Year 2012-13 included a .5 position reduction of one (1) Financial Analyst II in the Accounting Division, and

WHEREAS, the Police department budget for Fiscal Year 2012-13 included 7.0 Police Officer position reductions, of which 5 have been restored through reducing of Worker's Compensation funding from the General Fund, and

WHEREAS, savings achieved through the negotiations MCMA and Unrepresented union groups were in the amount of \$506,012 for the General Fund and \$710,075 in Non-General Fund, and

WHEREAS, recommended use of these General Fund savings were presented to the City Council, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the Position Allocation for Fiscal Year 2012-13 as follows:

1. Community and Economic Development Department to restore .6 Infrastructure Financing Program Administrator position in Cost Center 14160.
2. Finance Department to restore .5 Financial Analyst II position in Cost Center 12110.
3. Police Department to restore 2.0 Police Officer positions in Cost Center 19320.

This resolution shall become effective on and after September 25th, 2012.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25th day of September, 2012, by Councilmember Cogdill, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-391**

**RESOLUTION ACCEPTING THE REPORT BACK ON SAVINGS RECEIVED
THROUGH LABOR CONCESSIONS**

WHEREAS, at the time Council adopted the Fiscal Year 2012-13 Operating Budget, staff was in negotiations with various bargaining groups, and

WHEREAS, Council adopted an operating budget that funded various positions through a decrease in funding from the General Fund to the Worker's Compensation Fund in the amount of \$610,783 and directed staff to report back on labor concession agreements and the savings achieved, and

WHEREAS, savings in the General Fund and Non-General Fund were achieved through labor concession agreements including those with the MCMA and Unrepresented union groups, and

WHEREAS, savings achieved through the negotiations MCMA and Unrepresented union groups were in the amount of \$506,012 for the General Fund and \$710,075 in Non-General Fund, and

WHEREAS, negotiations are ongoing and the most up-to-date concessions was presented to Council as part of staff's presentation, and

WHEREAS, recommended use of these General Fund savings were presented to the City Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby accepts the report back on savings received through labor concession agreements for the Fiscal Year 2012-2013 Annual Operating Budget.

BE IT FURTHER RESOLVED that the Director of Finance, or her designee, is hereby authorized to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25th day of September, 2012, by Councilmember Cogdill, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

OPERATING BUDGET TO CREATE A TRANSFER FROM THE GENERAL
FUND TO THE WORKER'S COMPENSATION FUND AND TO RESCIND THE
GENERAL FUND RATE HOLIDAY TAKEN IN FISCAL YEAR 2011-12**

WHEREAS, in Fiscal Year 2011-12 there was a General Fund rate holiday taken from the Worker's Compensation Fund in the amount of \$1,750,000,

WHEREAS, the General Fund has achieved unanticipated savings which allow the General Fund to make its Worker's Compensation Fund contribution, and

WHEREAS, recommended use of these General Fund reserves were presented to the City Council, and

WHEREAS, in order to reflect the General Fund's contribution to the Worker's Compensation Fund for Fiscal Year 2011-12, the Annual Operating Budget must be amended as shown in **Exhibit A**, which is **attached** hereto and incorporated by reference herein,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the amendment of the Fiscal Year 2011-12 Annual Operating Budget as shown in **Exhibit A**.

BE IT FURTHER RESOLVED that the Director of Finance, or her designee, is hereby authorized to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25th day of September, 2012, by Councilmember Cogdill, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-394**

RESOLUTION APPROVING THE SUBMISSION OF THE CITY OF MODESTO CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT FOR FISCAL YEAR 2011-2012 TO THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE ALL DOCUMENTS RELATED TO THE SUBMISSION OF THE CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT

WHEREAS, the City of Modesto receives several Federal grants from the U.S. Department of Housing and Urban Development (HUD), and

WHEREAS, the City of Modesto Consolidated Annual Performance and Evaluation Report (CAPER) reflects the activities of the City and its sub-recipients for the period of July 1, 2011, through June 30, 2012, and

WHEREAS, each year the City must review and report on the performance of activities funded under the Community Development Block Grant (CDBG), HOME Investment Partnership Grant, and Emergency Solutions Grant (ESG) funds, and

WHEREAS, reporting for American Recovery and Reinvestment Act (ARRA) and Neighborhood Stabilization Program (NSP) funds are a separate process and are not included in the CAPER, and

WHEREAS, the CAPER was made available for public review and comment for a 30-day period, and

WHEREAS, the draft CAPER was made noticed for public review and comment in the Modesto Bee on August 23, 2012 and Vida Del Valle on August 29, 2012, and

WHEREAS, all public comments, and staff responses to these comments, must be presented to the City Council for review and approval, and

WHEREAS, the Citizens' Housing and Community Development Committee met on September 5, 2012, and approved the draft CAPER and recommended it be forwarded to City Council for approval, and

WHEREAS, a duly noticed public hearing was held by the Council on September 25, 2012, at 5:30 p.m., in the Tenth Street Place Chambers, located at 1010 Tenth Street, Modesto, California, to consider submission of the CAPER.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the submission of the City of Modesto Consolidated Annual Performance and Evaluation Report for Fiscal Year 2011-2012, a copy of said report is on file in the office of the City Clerk.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute all documents related to the submission of the CAPER.

BE IT FURTHER RESOLVED that staff is hereby authorized to submit the report to the U.S. Department of Housing and Urban Development.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25th day of September, 2012, by Councilmember Lopez, who moved its adoption, with motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-395**

**RESOLUTION ACCEPTING THE STATE OF CALIFORNIA (CALTRANS)
FISCAL YEAR 2012-13 ENVIROMENTAL JUSTICE PLANNING GRANT IN
THE AMOUNT OF \$247,500, ON BEHALF OF THE COMMUNITY AND
ECONOMIC DEVELOPMENT DEPARTMENT AND AUTHORIZING THE CITY
MANAGER, OR HIS DESIGNEE, TO EXECUTE ANY NECESSARY GRANT
ACCEPTANCE AND ADMINISTRATION DOCUMENTS**

WHEREAS, the problems and challenges associated with the Crows Landing Road corridor and the surrounding neighborhoods are serious, well-documented and include high unemployment, lack of educational attainment, significant poverty levels, housing issues, health & safety concerns, and slow economic growth, and

WHEREAS, a cooperative arrangement between the City of Modesto and County of Stanislaus is a practical approach, and the best and most effective way to prepare a transportation corridor study that will lead to measurable implementation of positive change in the trends listed above by promoting and facilitating long-term enhanced sustainability and safety, and

WHEREAS, the City of Modesto intends to locally promote the fundamental values associated with embracing smart growth and sustainability principles, and social and environmental justice for all citizens and residents, in order to facilitate the realization of a better City, County and San Joaquin Valley.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby accepts of the State of California (Caltrans) Fiscal Year 2012-13 Environmental Justice grant award, in the amount of \$247,500, and committing staff time the equivalent of approximately \$24,750 to devote to grant-eligible work.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute any necessary grant acceptance and administration documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25th day of September, 2012, by Councilmember Geer, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

**RESOLUTION APPROVING AN OUTSIDE SERVICE AGREEMENT
BETWEEN THE CITY OF MODESTO AND RAED F. AFANI FOR WATER
SERVICE FOR THE PROPERTY LOCATED AT 4249 N. MCHENRY AVENUE
IN MODESTO, APN: 046-008-011 AND AUTHORIZING THE CITY MANAGER,
OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, the property located at 4249 N. McHenry Avenue is not connected to City's water system, and

WHEREAS, this property is located outside Modesto City limits, and inside the City's Sphere of Influence, and

WHEREAS, this property is inside, contiguous to, or near the former service area of the Del Este Water company, and

WHEREAS, City staff has completed an analysis and determined that it is reasonable for the City of Modesto to extend water service to this property, and

WHEREAS, it has been determined that a sufficient quantity of potable water is available for normal usage by the proposed development, and

WHEREAS, the proposed building meets all of the Stanislaus Consolidated Fire District's fire code requirements, and

WHEREAS, the water connection fees will be paid and associated permits be obtained prior to beginning any on site construction, and

WHEREAS, the property owner shall enter into a North McHenry outside service agreement for water with the City, as required for water service outside of City limits,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an outside service agreement for water service for a property located at 4249 N. McHenry Avenue (APN 046-008-011).

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreement.

RESOLUTION NO. 2012-399**

**RESOLUTION AUTHORIZING THE DIRECTOR OF FINANCE TO HAVE THE
AUTHORITY TO APPROVE UP TO \$25,000 OF CASH-ON-HAND CHANGE
FUNDS (AN INCREASE OF \$5,000)**

WHEREAS, the City has a cash-on-hand account which includes cash drawers for making change for customers who make cash payments in City departments, for making change in the City's various parking garages, for use in police investigative services, and petty cash drawers for reimbursements to employees making small miscellaneous business expenses, and

WHEREAS, on April 1, 2008, the City Council, by motion, approved a request from staff authorizing the Director of Finance the authority to approve cash-on-hand accounts up to a cumulative amount of \$20,000, and

WHEREAS, currently the total balance in the cash-on-hand account is \$19,380 which is \$820 below the maximum authorized amount, and

WHEREAS, the amount in the cash-on-hand account has grown due to an increase in the Police Investigative Services fund and the new Parking Garage 'Pay on Foot Stations', and

WHEREAS, the City staff would like to ensure responses in a timely manner for future requests related to the cash-on-hand account,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the Director of Finance to have the authority to approve up to \$25,000 of cash-on-hand change funds.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2nd day of October, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-400**

RESOLUTION AUTHORIZING THE SOLE SOURCE PROCUREMENT FOR THE PURCHASE AND DELIVERY OF SULFUR DIOXIDE FOR THE PUBLIC WORKS DEPARTMENT, WASTEWATER DIVISION, TO SIERRA CHEMICAL, SPARKS, NV, FOR A ONE YEAR AGREEMENT WITH FOUR (4) ONE-YEAR EXTENSION OPTIONS AT THE SOLE DISCRETION OF THE CITY, AND AUTHORIZING THE PURCHASING MANAGER, OR HIS DESIGNEE, TO ISSUE A PURCHASE AGREEMENT FOR AN ESTIMATED ANNUAL COST OF \$90,233

WHEREAS, sulfur dioxide is used at the Water Quality Control Secondary facility to dechlorinate secondary treated wastewater before it is discharged into the San Joaquin River. The dechlorination system consists of one 50,000-pound bulk storage tank and two (2) 1,900 pound sulfonators, and

WHEREAS, the City Manager authorized the Purchasing Manager to issue formal Request for Bids (RFB) for the furnishing of Ferric Chloride, and

WHEREAS, the Purchasing Division issued RFB No. 1112-09 Sulfur Dioxide, to eight (8) prospective bidders, posted the bid on the City's website and formally advertised as required by law. No local vendors provide this type of chemical, and

WHEREAS, bids were formally opened in the City Clerk's Office. No companies chose to respond, and

WHEREAS, City staff researched and discovered that Sulfur Dioxide is manufactured by one company in the United States, one in Mexico and two (2) in Canada. Manufacturers sell direct to distributors and customers in full rail cars only. Public Works Department, Wastewater Division, purchases Sulfur Dioxide by the truckload, which can only be provided by one distributor for Northern California, Sierra Chemical located in Sparks, NV, and

WHEREAS, sufficient funds are budgeted annually in the following appropriation unit: 4210-54312-52190, and

WHEREAS, the Modesto Municipal Code, MMC 8-3.203, generally requires all purchases, which meet or exceed \$50,000.00 for material, equipment or contractual services to be formally bid. However, there are exceptions to the rule set forth in the Modesto Municipal code. One exception, MMC 8-3.204 (b), which states that where the Purchasing Agency's requirements can be met solely by a single article or process,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the sole source procurement for the furnishing of Sulfur Dioxide for the Public Works Department, Wastewater Division, to Sierra Chemical, Sparks, NV.

BE IT FURTHER RESOLVED that the Purchasing Manager, or his designee, is hereby authorized to issue a purchase agreement for an estimated annual cost of \$90,233.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2nd day of October, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following vote:

MODESTO POLICE OFFICERS/SCHOOL RESOURCE OFFICERS TO
PROVIDE DIRECT LAW ENFORCEMENT SERVICES AT 12 SCHOOL SITES
IN AN AMOUNT NOT TO EXCEED \$448,000; AND AUTHORIZING THE CITY
MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, Modesto City Schools (MCS) would like to have the services of four Modesto police officers to provide prevention, intervention, and enforcement services to students, their families and staff at the following schools: Beyer, Davis, Downey, Johansen, Modesto, Enochs, Elliott, and Gregori High Schools, and Hanshaw, Mark Twain, Roosevelt and LaLoma, and

WHEREAS, the Modesto Police Department can provide specially trained, uniformed police officers to provide campus supervisor training, in-services, and consultations with site staff and District administrators, and

WHEREAS, the police officers can act as liaisons between the Modesto Police Department and MCS, and

WHEREAS, the police officers can take any law enforcement action at the district school sites, if warranted, and

WHEREAS, the term of this Agreement is July 1, 2012, to June 30, 2013, and

WHEREAS, the City will be compensated by MCS in an amount not to exceed \$448,000 for the services of four Modesto police officers,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Agreement between the City of Modesto and Modesto City Schools for the services of four Modesto Police Officers/School Resource Officers to

provide direct law enforcement services at 12 school sites in an amount not to exceed \$448,000.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-403**

RESOLUTION APPROVING AN AGREEMENT WITH GEORGE OSNER, AICP, FOR ON-CALL ENVIRONMENTAL PLANNING SUPPORT SERVICES FOR VARIOUS CITY PROJECTS FOR ONE YEAR, WITH TWO ONE-YEAR EXTENSION OPTIONS, AT THE SOLE DISCRETION OF THE CITY, IN AN AMOUNT NOT TO EXCEED \$25,000 PER YEAR, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT, AND UP TO TWO ONE-YEAR EXTENSION OPTIONS

WHEREAS, the Utility Planning & Projects Department (UP&P) will require environmental planning support services, which may be beyond the ability of department staff to accomplish in a timely manner, and

WHEREAS, City staff members from the Community & Economic Development Dept. (C&ED) are typically able to perform these services; however, it is beneficial to also have an on-call consultant available for instances of scheduling conflicts with C&ED's workload, or when specific expertise is needed, and

WHEREAS, retaining an on-call consultant will then allow the department to have quick access to specific environmental planning support services, when needed, and

WHEREAS, George Osner, AICP, a former planner for the City of Modesto, has demonstrated the ability to provide quality service in a timely manner on past and current projects, and

WHEREAS, Mr. Osner has proven experience in coordinating with City and agency staff to complete environmental planning services, as well as advising City staff on environmental regulations, and

WHEREAS, Mr. Osner is familiar with the City's existing infrastructure, policies, and personnel, and has an in-depth knowledge of California Environmental Quality Act (CEQA) requirements, and

WHEREAS, given Mr. Osner's experience and prior satisfactory performance, Mr. Osner is deemed the most qualified to provide the requested on-call services, and

WHEREAS, there are no known local consultants with Mr. Osner's combined knowledge of CEQA, and City infrastructure, staff, and policies, and

WHEREAS, staff therefore recommends approval of an Agreement for On-call Environmental Planning Support Services with consultant, George Osner, AICP, and

WHEREAS, C&ED was contacted regarding the use of an on-call environmental consultant, and

WHEREAS, if C&ED staff is available to accomplish this work, then individual projects could be performed by them instead of using the on-call consultant, and

WHEREAS, it is intended to utilize the on-call consultant primarily in an advisory or peer-review capacity, and

WHEREAS, extensive processing or preparation of lengthy documents would be performed by C&ED staff, or may require procurement of a separate consultant, and

WHEREAS, the Utility Planning and Projects Department will coordinate environmental items with C&ED staff throughout the life of the agreement, and

WHEREAS, Mr. Osner will submit a written scope of services outlining the specific work, schedule, and cost estimate associated with each task order, and

WHEREAS, Mr. Osner will perform no service until Capital Improvement Services management has approved the proposed specific task order and a written Notice to Proceed is prepared and sent to Mr. Osner prior to commencement of services, and

WHEREAS, Mr. Osner will be paid on an hourly basis for actual hours required to perform specific task orders at a set rate,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Agreement with George Osner, AICP, for On-call Environmental Planning Support Services for various City projects for one year, with two one-year extension options, at the sole discretion of the City, in an amount not to exceed \$25,000 per year. Total cost for three years is not to exceed \$75,000.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Agreement with Mr. Osner, and up to two one-year extension options.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2nd day of October, 2012, by Councilmember Gunderson, who moved its adoption, which motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION FINDING THAT THE FOLLOWING SUBSEQUENT PROJECT IS WITHIN THE SCOPE OF THE PROJECT COVERED BY THE MODESTO URBAN AREA GENERAL PLAN MASTER ENVIRONMENTAL IMPACT REPORT (SCH NO. 2007072023): AMENDING SECTION 9-3-9 OF THE ZONING MAP OF THE CITY OF MODESTO TO REZONE FROM MEDIUM DENSITY RESIDENTIAL ZONE, R-2, TO PROFESSIONAL OFFICE ZONE, P-O, PROPERTY LOCATED AT THE WEST SIDE OF COFFEE ROAD, OPPOSITE THORSEN AVENUE (MR. LYN BRIGHT)

WHEREAS, on October 14, 2008, the City Council of the City of Modesto certified the Final Master Environmental Impact Report (“Master EIR”) (SCH No. 2007072023) for the Modesto Urban Area General Plan, and

WHEREAS, Mr. Lyn Bright has proposed an amendment to Section 9-3-9 of the Zoning Map to rezone from Medium Density Residential Zone, R-2, to Professional Office Zone, P-O, property located on the west side of Coffee Road, opposite of Thorsen Avenue, and

WHEREAS, pursuant to Section 21157.1 of the Public Resources Code, the City of Modesto’s Community & Economic Development Department prepared an Environmental Assessment Initial Study EA/C&ED 2012-20 (“Initial Study”) which analyzed whether the subsequent project may cause any significant effect on the environment that was not examined in the Master EIR and whether the subsequent project was described in the Master EIR as being within the scope of the report, and

WHEREAS, in accordance with CEQA guidelines beginning on September 12, 2012, the City caused to be published a 20-day notice of the City’s intent to make a finding that the subsequent project conforms with the Master EIR, and

WHEREAS, said matter was considered by the City Council at a duly noticed public hearing which was held on October 2, 2012, at 5:30 p.m., in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council has reviewed and considered the Initial Study prepared for the proposed rezoning from Medium Density Residential Zone, R-2, to Professional Office Zone, P-O, a copy of which is **attached** hereto as **Exhibit "A"**, and incorporated herein by reference, and based on substantial evidence in the Initial Study makes the following findings:

1. An Initial Study was prepared by the City of Modesto that analyzed whether the subsequent project may cause any significant effect on the environment that was not examined in the Master EIR and whether the subsequent project was described in the Master EIR as being within the scope of the report.
2. The subsequent project will have no additional significant effect on the environment, as defined in subdivision (d) of Section 21158 of the Public Resources Code, that was not identified in the Master EIR.
3. No new or additional mitigation measures or alternatives are required.
4. The subsequent project is within the scope of the project covered by the Master EIR.
5. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the subsequent project or otherwise made conditions of approval of the subsequent project.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Community & Economic Development Director is hereby authorized and directed to file a notice of approval or determination within five (5) business days with the Stanislaus County Clerk pursuant to Section 21152 of the Public Resources Code.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2nd day of October, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Burnside, Geer, Gunderson, Lopez, Muratore, Mayor Marsh

NOES: Councilmembers: None

ABSENT: Councilmembers: Cogdill

ATTEST: 
STEPHANIE LOPEZ, City Clerk

City of Modesto

Master EIR Initial Study Environmental Checklist

I. PURPOSE

CEQA allows for the limited environmental review of subsequent projects under the City's Master Environmental Impact Report ("Master EIR" or "MEIR"). This Initial Study Environmental Checklist ("Initial Study") is used in determining whether the Coffee Road Rezone to P-O is "within the scope" of the project analyzed in the Modesto Urban Area General Plan Master EIR (SCH# 2007072023) (Public Resources Code section 21157.1). When the Initial Study supports this conclusion, the City will issue a finding of conformance.

A subsequent project is "within the scope" of the Master EIR when:

1. it will have no additional significant effects on the environment that were not addressed as significant effects in the Master EIR; and
2. no new or additional mitigation measures or alternatives are required.

"Additional significant effects" means a project-specific effect that was not addressed as a significant effect in the Master EIR. [Public Resources Code Section 21158(d)]

The determination must be based on substantial evidence in the record. "Substantial evidence" means facts, reasonable assumptions predicated upon facts, or expert opinion based on facts. It does not include speculation or unsubstantiated opinion. (CEQA Guidelines Section 15384)

II. PROJECT DESCRIPTION

- A. Title: Coffee Road Rezone to P-O
- B. Address or Location: West side of Coffee Road, opposite of Thorsen Avenue (APN 013-070-067)
- C. Applicant: Mr. Lyn Bright
- D. City Contact Person: Katharine Martin, Associate Planner

Project Manager: Katharine Martin
Department: Community and Economic Development Department, Planning Division
Phone Number: 209-577-5267
E-mail address: kamartin@modestogov.com

- E. Current General Plan Designation(s): Mixed Use (MU)
- F. Current Zoning Classification(s): Medium Density Residential (R-2)
- G. Surrounding Land Uses:
 - North: Low Density Residential (R-1); Preschool and Elementary School Uses
 - South: Medium-Density Residential (R-2); Duplex and Triplex Residential Uses
 - East: Single-Family Residential Uses (County of Stanislaus Unincorporated Area)
 - West: Low Density Residential (R-1); Single-Family Residential Uses

- H. Project Description, including the project type listed in Section II.C (Anticipated Future Projects) of the Master EIR (Attach additional maps/support materials as needed for complete record):

The applicant proposes to rezone the vacant, undeveloped 1.35-acre Medium Density Residential (R-2) parcel to Professional-Office (P-O) Zone. The applicant's representative has indicated that the owner intends to development the site with a medical office building in the future. A conceptual site plan was provided to illustrate how the site could be developed with a one or two story building. A future staff level approval (Development Plan Review) for any new development will be required if the rezoned is approved.

- I. Other Public Agencies Whose Approval is Required: None

III. FINDINGS/DETERMINATION (SELECT ONE ON THE BASIS OF THE ANALYSIS IN SECTION IV)

1. **Within the Scope** - The project is within the scope of the Master EIR and no new environmental document or Public Resources Code Section 21081 findings are required. All of the following statements are found to be true:

- A. The subsequent project will have no additional significant effect on the environment, as defined in subdivision (d) of Section 21158 of the Public Resources Code, that was not identified in the Master EIR.
- B. No new or additional mitigation measures or alternatives are required.
- C. The subsequent project is within the scope of the project covered by the Master EIR.
- D. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the subsequent project or otherwise made conditions of approval of the subsequent project.

2. **Mitigated Negative Declaration Required** - On the basis of the above determinations, the project is not within the scope of the Master EIR. A mitigated negative declaration will be prepared for the project. The following statements are all found to be true:

- A. The subsequent project is within the scope of the project covered by the Master EIR.
- B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the subsequent project or otherwise made conditions of approval of the subsequent project.
- C. The project will have one or more potential new significant effects on the environment that were not addressed as significant effects in the Master EIR. New or additional mitigation measures are being required of the project that will reduce the effects to a less-than-significant level.

3. **Focused EIR Required**- On the basis of the above determinations, the project is not within the scope of the Master EIR. A Focused EIR will be prepared for the project. All of the following statements are found to be true:

- A. The subsequent project is within the scope of the project covered by the Master EIR.
- B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the subsequent project or otherwise made conditions of approval of the subsequent project.
- C. The project will have one or more new significant effects on the environment that were not addressed as significant effects in the Master EIR. New or additional mitigation measures or alternatives are required as a result.

Title

Date

4. Within the Scope Analysis of this Document:

The Master EIR allows projects to be found within the scope of the MEIR if certain criteria are met. If the following statements are found to be true for all 21 impact categories included in this Initial Study, then the proposed project is addressed by the MEIR analysis and is within the scope of the MEIR. Any "No" response must be discussed.

		YES	NO
(1)	The lead agency for subsequent projects shall be the City of Modesto or a responsible agency identified in the Master EIR.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
(2)	City policies which reduce, avoid, or mitigate environmental effects will continue to be in effect and, therefore, would be applied to subsequent projects where appropriate. The policies are described in the list of policies in place and mitigation measures attached to the Initial Study template. Project impacts would be mitigated to a less-than-significant level using MEIR mitigations only.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
(3)	Federal, State, regional, and Stanislaus County regulations do not change in a manner that is less restrictive on development than current law (i.e., would not offer the same level of protection assumed under the Master EIR).	<input checked="" type="checkbox"/>	<input type="checkbox"/>
(4)	No specific information concerning the known or potential presence of significant resources is identified in future reports, or through formal or informal input received from responsible or trustee agencies or other qualified sources.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
(5)	The development will occur within the boundaries of the City's planning area as established in this Urban Area General Plan.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
(6)	Development within the project will comply with all appropriate mitigation measures contained and enumerated in the 2008 General Plan Master EIR.	<input checked="" type="checkbox"/>	<input type="checkbox"/>

5. Currency of the Master EIR Document

The MEIR should be reviewed on a regular basis to determine its currency, and whether additional analysis/mitigation should be incorporated into the MEIR via a Supplemental or Subsequent EIR (CEQA Section 21157.6). Staff has reviewed Sections 1 through 21 of this document in light of the criteria listed below to determine whether the MEIR is current. The analysis contained within the Master EIR is current as long as the following circumstances have not changed. Any "no" response must be explained.

		YES	NO
(1)	Certification of the General Plan Master EIR occurred less than five years prior to the filing of the application for this subsequent project.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
(2)	This project is described in the Master EIR and its approval will not affect the adequacy of the Master EIR for any subsequent project because the City can make the following findings:	<input checked="" type="checkbox"/>	<input type="checkbox"/>
(a)	No substantial changes have occurred with respect to the circumstances under which the Master EIR was certified.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
(b)	No new information, which was not known and could not have been known at the time the Master EIR was certified as complete, has become available.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
(c)	Policies remain in effect which require site-specific mitigation, and avoidance or other mitigation of impacts as a prerequisite to future development.	<input checked="" type="checkbox"/>	<input type="checkbox"/>

IV. ENVIRONMENTAL ANALYSIS

This Initial Study, in accordance with Section 21157.1(b) of the Public Resources Code, discloses whether the proposed project may cause any project-specific significant effect on the environment that was not examined in the Final Master EIR (MEIR) for the General Plan and whether new or additional mitigation measures or alternatives may be required as a result. The Initial Study thereby documents whether or not the project is "within the scope" of the Master EIR.

Pursuant to Public Resources Code Section 21157.1, no new environmental document or findings are necessary for projects that are determined to be within the scope of the MEIR. Adoption of the findings specified in Section III.1, above after completion of the Initial Study fulfills the City's obligation in that situation.

All environmental effects cited reflect 2025 conditions resulting from the Urban Area General Plan, as identified in the Master EIR.

The environmental impact analysis in the Master EIR for the Urban Area General Plan is organized in twenty-one subject areas. The following analysis is based on the impact analyses contained in Chapter V of the Master EIR. For ease of reference, the sections are numbered in the same order as the analyses in Chapter V.

1. TRAFFIC AND CIRCULATION

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable traffic and circulation impacts expected after application of mitigations/policies:

Direct Impacts

Effect: Increased automobile traffic will result in roadway segments (see MEIR on Table 1-7, pages V-1-32 to V-1-34) operating at LOS D, Modesto's significance threshold for automobile traffic, or lower (LOS E or F).

Effect: The substantial increase in traffic relative to the existing load and capacity of the street system will cause, either individually or cumulatively, the violation of automobile service standards established by StanCOG's Congestion Management Plan for designated roads and highways.

Effect: A substantial increase in automobile vehicle miles traveled and automobile vehicle hours of travel and a decrease in average automobile vehicle speed (see MEIR Table 1-6, page V-1-31).

Cumulative Impacts

Effect: Potential for growth inducement or acceleration of development resulting from highway and local road projects.

Effect: Substantial increase in traffic in relation to the existing traffic load and capacity of the street system, including a violation, either individually or cumulatively, of an automobile LOS standard established by the Congestion Management Plan for designated roads and highways.

Effect: Increased demand for capacity-enhancing alterations to existing roads or automobile traffic reduction.

Other impact categories affected by Traffic and Circulation are addressed throughout this Initial Study (see also Section 2, Degradation of Air Quality; Section 3, Generation of Noise; Section 7 Loss of Sensitive Wildlife and Plant Habitat; Section 8, Disturbance of Archaeological/Historic Sites; Section 14 Increased Demand for Fire Services; Section 18, Energy; Section 19, Visual Resources; Section 20, Land Use and Planning, and Section 21, Climate Change).

b. Master EIR and/or New Mitigation Measures Applied to the Project

Traffic and Circulation mitigation measures pertinent to this project are found on MEIR pages V-1-9 through V-1-28. All mitigation measures appropriate to the project, including any new measures, will be incorporated into or made conditions of approval of this project and are listed in Section V, Mitigation Measures Applied to Project.

Discussion:

The appropriate mitigation to be applied to this project includes none from the MEIR. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-1.B of the Master EIR provides analysis of Traffic and Circulation impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: A subsequent development project will have a new significant effect on the environment if it would exceed the following criteria:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
1. TRAFFIC AND CIRCULATION				
1) The proposed project exceeds traffic generation assumptions in the Master EIR for the site by 100 trips or more and City Engineering and Transportation staff has determined that the project would have additional potentially significant project-specific effects that are not avoided or reduced by the Master EIR's mitigation measures.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) Exceed, either individually or cumulatively, a level of service standard established by the county congestion management agency for designated roads or highways?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project would cause additional roadway segments in the General Plan area to exceed LOS D and/or cause additional violations of standards in the Congestion Management Plan, and/or cause an increase in automobile vehicle miles or vehicle hours of travel or a decrease in automobile travel speed, as compared to the impacts disclosed in the Master EIR.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4) The proposed project would cause emergency response times to exceed acceptable standards established by the Fire Department, as compared to impacts disclosed in the Master EIR (see Section 14, Increased Demand for Fire Services).	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
5) The proposed project would result in less parking than required by the Municipal Code or as determined by staff.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
6) The proposed project would conflict with adopted policies, plans, or programs that support alternative transportation, including, but not limited to the Regional Transportation Plan, the Sustainable Communities Strategy, the Bicycle Action Plan, and so on.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
7) The proposed project would result in an increase in automobile vehicle miles traveled on a per capita basis, in excess of that considered in the Urban Area General Plan MEIR.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1-3) The proposed project is consistent with the General Designation and the traffic volumes assumed in the MIER. The project will not result in an increase 100 additional trips than what was assumed in the MIER or a significant degradation in the Level of Service and therefore no new mitigation measures are necessary.
- (2) The project will not substantially increase hazards due to a design feature (e.g., sharp curves or dangerous intersections) or incompatible uses (e.g. farm equipment). The City Engineering and Traffic Department has evaluated the project and has determined that the existing design layout of the project is in accordance to City standards.
- (4) Police and Fire Staff have reviewed this proposal and have indicated that there is no emergency access problem.
- (5) No development is proposed with this rezoning; however, future development will be required to provide for parking as required by the City's Zoning Code.
- (6) The proposed project has been reviewed by Traffic, Planning and Transit staff and would not conflict with any adopted plans for alternative transportation.
- (7) The project would not cause an increase in vehicle miles traveled beyond what is assumed in the General Plan MEIR.

2. DEGRADATION OF AIR QUALITY

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable air quality impacts expected after application of mitigations/policies:

Direct Impacts

Effect: Expected automobile traffic will result in increased operational emissions of reactive organic gases (ROG) and oxides of nitrogen (NO_x) (see MEIR Table 2-8, page V-2-27).

Effect: Expected automobile traffic will result in increased emissions of particulate matter 10 microns or less (PM₁₀) and 2.5 microns or less in diameter (PM_{2.5}) (see MEIR Table 2-8, page V-2-27).

Effect: Expected automobile traffic will result in increased carbon monoxide (CO) levels in the project area (see MEIR Table 2-7, page V-2-26, and Table 2-8, page V-2-27).

Cumulative Impacts

The Master EIR indicates the same impacts identified as direct impacts above will contribute to regional impacts on air quality for the criteria pollutants ROG, NO_x, PM₁₀, and PM_{2.5}.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Air quality mitigation measure(s) pertinent to the proposed project are found on pages V-2-13 through V-2-24 of the Master EIR. All mitigation measures appropriate to the project will be incorporated into or made conditions of approval of this project and are listed in Section V, Mitigation Measures Applied to Project.

Discussion:

The application is a proposal to rezone a portion of the subject property from the R-2 Zone to the P-O Zone. The appropriate mitigation to be applied to any future development of the site includes: AQ-40 and AQ-42 through AQ-56 from the Master EIR. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-2.B of the Master EIR is the analysis of air quality impacts resulting from development of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not analyzed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
2. DEGRADATION OF AIR QUALITY				
1) The proposed project exceeds the project-level emissions thresholds established for CO, ROG, NO _x , PM ₁₀ , and PM _{2.5} by the San Joaquin Valley Air Pollution Control District (SJVAPCD) and is not consistent with the development assumptions for the project site, as established in the Urban Area General Plan and Master EIR.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project does not incorporate the best management practices established by the SJVAPCD for CO, ROG, NO _x , PM ₁₀ , and PM _{2.5} .	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project does not comply with the air quality policies in the Modesto Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4) The proposed project would expose sensitive receptors to pollutant concentrations in excess of those expected to occur as a result of implementation of the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
5) The proposed project would create objectionable odors affecting a substantial number of people.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) The proposed project to rezone from R-2 Medium Density Residential to P-O Professional Office is consistent with the Urban Area General Plan and the site's General Plan Land Use designation of MU "Mixed Use", which assumed traffic volumes and emissions consistent with the type and intensity of professional office uses that would be permitted by this rezoning.
- (2) Any future development at the site will be required to adhere to applicable City Zoning Ordinances, Standards, and applicable best management practices during the construction process.
- (3) The proposed project to rezone from R-2 Medium Density Residential to P-O Professional Office is consistent with the Urban Area General Plan and the site's General Plan Land Use designation of MU "Mixed Use". The Mixed Use land use designation allows for uses as permitted within the P-O Zone.
- (4-5) Any future development at the site will be required to adhere to applicable City Zoning Ordinances, Standards, and applicable best management practices during the construction process.

3. GENERATION OF NOISE

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable noise impacts expected after application of mitigations/policies:

Direct Impacts

Effect: Future automobile traffic noise levels and roadway construction and maintenance activities resulting from development of the Urban Area General Plan will exceed the City's noise thresholds at various locations, but particularly in areas adjacent to heavily traveled roadways (see MEIR Table 3-3, page V-3-10, and Figure VII-2 and Table 3-6, pages V-3-18 and V-3-19).

Effect: Expected noise from airport operations and airport construction projects may expose up to 468 dwellings and three churches to noise levels of 65 dB CNEL and up to eight dwellings to noise levels of 70 dB CNEL.

Effect: Expose noise-sensitive land uses to noise from the construction of bicycle and transit projects.

Effect: Expose noise-sensitive land uses to noise from freight and passenger rail operations.

Cumulative Impacts

Effect: Traffic from development in the City of Modesto would, when combined with traffic from new development in the County and other cities, contribute to a cumulative increase in roadside noise levels on major roads and highways throughout Stanislaus County.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Noise policies and mitigation measures pertinent to the project being analyzed in this Initial Study are found on pages V-3-11 through V-3-15 of the Master EIR. All mitigation measures appropriate to the project will be incorporated into or made conditions of approval of this project and any new measures are listed in Section V, Mitigation Applied to Project.

Discussion:

The application is a proposal to rezone the subject property from R-2 Medium Density Residential to the P-O Professional Office Zone. No development is proposed with the application. The appropriate mitigation to be applied to any future development of the site includes: N-1, N-2 and N-7 from the Master EIR. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-3.B of the MEIR discloses noise impacts resulting from development of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not analyzed in the Master EIR.

Significance Criteria: Determination of the proposed project’s effects are based on the following thresholds. Project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
3. GENERATION OF NOISE				
1) The proposed project will exceed the standards for noise level and hours of operation established by the Modesto noise ordinance.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project will not comply with the noise policies of, or otherwise be inconsistent with, the Modesto Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project will result in an increase in ambient noise levels in the project vicinity above those disclosed in the Master EIR.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4) The proposed project will result in a substantial temporary or periodic increase in ambient noise levels in the project vicinity above levels disclosed in the Master EIR implementation of the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) The application is a proposal to rezone the subject property from R-2 Medium Density Residential to the P-O Professional Office Zone to facilitate future development of the site. No development is proposed with the application. Any future development would be required to adhere to the City's noise ordinance.
- (2-4) The proposed project to rezone the subject property from R-2 Medium Density Residential to the P-O Professional Office Zone is consistent with the Urban Area General Plan and the site's General Plan Land Use designation of MU "Mixed Use". No development is proposed with the application; however, any increase in ambient noise levels would be construction-related and temporary. Any future development would be required to adhere to the City's noise ordinance.

4. EFFECTS ON AGRICULTURAL LANDS

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on agricultural lands expected after application of mitigations/policies:

Direct Impacts

Effect: Between 1995 and 2025, development of the Urban Area General Plan may convert up to approximately 26,000 acres of farmland in various categories in the Planned Urbanizing Area to urban uses.

Effect: Approximately 1,200 acres of urban development along a 28.5-mile boundary 350 feet wide between urban and agricultural uses could be affected by continued agricultural operations, including noise, dust, and chemical overspray or drift.

Cumulative Impacts

Effect: Growth within Modesto's planning area would contribute considerably to the loss of agricultural land within Stanislaus County, accounting for the conversion of as much as approximately 26,000 acres of farmland in various categories in the Planned Urbanizing Area from 1995 to 2025.

b. Master EIR and/or New Mitigation Measures Pertinent to the Project

Agricultural land mitigation measures pertinent to the proposed project are found on pages V-4-6 to and V-4-8 of the Master EIR. All mitigation measures appropriate to the project and any new mitigation to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project.

Discussion:

No new or additional mitigation measures or alternatives are required.

c. Project-Specific Effects

Section V-4.B of the Master EIR discloses the impacts resulting from the implementation of the Urban Area General Plan on agricultural lands. The following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
4. EFFECTS ON AGRICULTURAL LANDS				
1) The proposed project is inconsistent with the Urban Area General Plan's policies relating to agricultural land.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project will either directly or indirectly result in the development of land outside the 2008 Urban Area General Plan's planning area boundary.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project will conflict with existing zoning for agricultural use, or there is an existing Williamson Act contract on the project site.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4) The proposed project will involve other changes in the existing environment not anticipated in the Master EIR which, due to their location or nature, could result in conversion of farmland to non-agricultural use.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) The proposed project to rezone from R-2 Medium Density Residential to the P-O Professional Office Zone is consistent with the Urban Area General Plan and the site's General Plan Land Use designation of MU "Mixed Use". The site is surrounded by urban uses and would not result in development of land outside of the City's General Plan boundary.
- (2-4) The project site is not zoned for agricultural use. There is no existing Williamson Act contract on the property. The site is surrounded by urban uses and would not cause the conversion of additional farmland to a non-agricultural use.

5. INCREASED DEMAND FOR LONG-TERM WATER SUPPLIES

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on long-term water supplies expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts have been disclosed in the Master EIR.

Cumulative Impacts

Effect: Operational yields of the Modesto and Turlock subbasins, both of which underlie the City of Modesto, are unknown, although the City is participating in a study with the United States Geological Survey in order to quantify the operational yields of both subbasins. Groundwater withdrawals from both basins by the City, when combined with other users' withdrawals, may result in overdrafting both subbasins.

Effect: Despite available options, during drought years, significant water shortages are forecast for the San Joaquin River basin, which includes both the Modesto and Turlock subbasins, by 2020. Modesto would make a cumulatively considerable contribution to the cumulative impact on water supply under drought conditions.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Water supply mitigation measures pertinent to the proposed project are found on pages V-5-6 through V-5-12 of the Master EIR. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project.

Discussion:

The application is a proposal to rezone the subject property from R-2 Medium Density Residential to the P-O Professional Office Zone. No development is proposed with the application; however, the appropriate mitigation to be applied to any future development of the site includes: WS-11 and WS-13 from the Master EIR. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-5.B of the Master EIR discloses impacts on long-term water supplies resulting from implementation of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
5. INCREASED DEMAND FOR LONG-TERM WATER SUPPLIES				
1) The proposed project is inconsistent with water supply policies in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) Water demand for the proposed project will exceed estimates for similar projects or for development on the project site anticipated in the Urban Area General Plan or sufficient water supplies are not otherwise available to serve the project from existing entitlements and resources.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project would deplete groundwater supplies to a greater degree than anticipated in the Urban Area General Plan or would interfere with groundwater recharge.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

(1-3) The proposed project to rezone from R-2 Medium Density Residential Zone to the P-O Professional Office Zone is consistent with the Urban Area General Plan and the site's General Plan Land Use designation of MU "Mixed Use", which assumed water demand to be consistent with the type and intensity of development that would be permitted by this rezoning. The Mixed Use land use designation allows for uses as permitted within the P-O Zone. Any future development will be required to adhere to applicable City of Modesto Zoning Ordinances and Standards.

6. INCREASED DEMAND FOR SANITARY SEWER SERVICES

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on sanitary sewer services after application of mitigations/policies:

Direct Impacts

Effect: Development resulting from implementation of the Urban Area General Plan will require substantial new sewage treatment and disposal capacity, treatment plant improvements, sewer mains and collection lines, and pump stations. The Wastewater Master Plan anticipates the need for these facilities and its EIR evaluates the impact of developing those facilities. Potential impacts include degradation of water quality through erosion and chemical releases; localized flooding; construction noise; exposure of construction workers and the public to hazardous materials; and on the habitat of the elderberry longhorn beetle, burrowing owl, and Swainson's hawk, as well as certain other regulated habitats. All of these impacts are mitigated to a less-than-significant level.

Additional impacts that are not mitigated to a less-than-significant level include loss of farmland cause by construction of the Phase IA tertiary treatment facility at the Jennings Road Secondary Treatment Facility, an increase in pollutant loads from increased wastewater flows to the San Joaquin River, and an increase in noise and criteria air pollutants due to construction activities, including traffic.

Cumulative Impacts

Effect: No additional cumulative impacts were identified in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Sewer service mitigation measures pertinent to the proposed project are found on pages V-6-3 through V-6-8 of the Master EIR. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project.

Discussion:

The application is a proposal to rezone the subject property from R-2 Medium Density Residential to the P-O Professional Office Zone. No development is proposed with the application; however, the appropriate mitigation to be applied to any future development of the site includes: SS-4 from the Master EIR. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-6.B of the Master EIR discloses impacts on the Increased Demand for Sanitary Sewer Service resulting from implementation of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
6. INCREASED DEMAND FOR SANITARY SEWER SERVICES				
1) The proposed project is inconsistent with wastewater policies in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project will generate sewage flows greater than those anticipated in the Urban Area General Plan for the project site.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project will result in a determination by the wastewater treatment provider which serves or may serve the project that it has inadequate capacity to serve the project's projected demand in addition to the provider's existing commitments.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1-3) The proposed project to rezone from R-2 Medium Density Residential Zone to the P-O Professional Office Zone is consistent with the Urban Area General Plan and the site's General Plan Land Use designation of MU "Mixed Use", which assumed wastewater generation to be consistent with the type and intensity of development that would be permitted by this rezoning. The Mixed Use land use designation allows for uses as permitted within the P-O Zone. Any future development will be required to adhere to applicable City of Modesto Zoning Ordinances and Standards.

7. LOSS OF SENSITIVE WILDLIFE AND PLANT HABITAT

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on sensitive wildlife and plant habitat expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant impacts on sensitive wildlife and plant habitat are expected to occur with the application of the policies contained in the Urban Area General Plan.

Cumulative Impacts

Effect: Implementation of the Urban Area General Plan will contribute to the cumulative impact of habitat loss in the San Joaquin Valley. Requiring density development than has occurred in the past or that is expected in the future would minimize the City's contribution to the cumulative loss of habitat. Nonetheless, this is a significant and unavoidable impact.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Wildlife and plant habitat mitigation measures pertinent to the proposed project are found on pages V-7-17 through V-7-24 of the Master EIR. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project.

Discussion:

The appropriate mitigation to be applied to this project includes none from the Master EIR. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-7.B of the Master EIR discloses impacts on the Loss of Sensitive Wildlife and Plant Habitat resulting from implementation of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
7. LOSS OF SENSITIVE WILDLIFE AND PLANT HABITAT				
1) The project is inconsistent with the policies pertaining to the loss of sensitive wildlife and plant habitat contained in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) Consultation with the California Department of Fish and Game or the U.S. Fish and Wildlife Service determines that the project would have a significant effect on a candidate, sensitive, or special status species in excess of the impact disclosed in the Master EIR.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project would have a substantial adverse effect on federally protected wetlands as defined by Section 404 of the Clean Water Act through direct removal, filling, hydrological interruption, or other means, in excess of the impact disclosed in the Master EIR.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4) The proposed project would substantially interfere with the movement of any native resident or migratory fish or wildlife species or with established native resident or migratory wildlife corridors, or impede the use of native wildlife nursery sites.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
5) Conflict with local policies or ordinances protecting biological resources, such as a tree preservation policy or ordinance.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
6) The proposed project would conflict with provisions of an adopted habitat conservation plan, natural community conservation plan, or other approved local, regional, or state habitat conservation plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) The proposed project to rezone from R-2 Medium Density Residential Zone to the P-O Professional Office Zone is consistent with the Urban Area General Plan and the site's General Plan Land Use designation of MU "Mixed Use". The Mixed Use land use designation allows for uses as permitted within the P-O Zone. Any future development will be required to adhere to applicable City of Modesto Zoning Ordinances and Standards.
- (2-4) The project site is located within the Baseline Developed Area of the City and is therefore completely surrounded by developed urban area. It is not a biologically sensitive site as defined by Figure V-7-1 of the MEIR. The California Department of Fish and Game and the U.S. Fish and Wildlife Service were consulted in the production of the MEIR.

(5-6) The proposal to rezone the property is not in conflict with any local policies or ordinances protecting biological resources, nor is in conflict with any adopted habitat conservation plan.

8. DISTURBANCE OF ARCHAEOLOGICAL/HISTORICAL SITES

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on archaeological/historical sites expected after application of mitigations/policies:

Direct Impacts

Effect: Modification resulting in a substantial adverse change in the significance of a historic resource or the demolition of a listed or eligible historic resource.

Effect: The modification or demolition of a structure more than 50 years in age may be significant.

Effect: Discovery of archaeological resources in areas outside of the riparian corridors, as a result of construction activities.

Effect: Construction in an area of high archaeological sensitivity.

Cumulative Impacts

Effect: No additional cumulative impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Archaeological or historic mitigation measures pertinent to the project being analyzed in this Initial Study are found on page V-8-16 through V-8-20 of the Master EIR. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project:

Discussion:

There are no mitigation measures applicable to this project.

c. Project-Specific Effects

Section V-8.B of the MEIR discloses impacts on archaeological/historical resources resulting from implementation of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
8. DISTURBANCE OF ARCHAEOLOGICAL/HISTORICAL SITES				
1) The proposed project is inconsistent with the archaeological/historical resource policies in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project would demolish a building eligible for listing as a historic resource or remove a landmark from the Modesto inventory.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project would modify or demolish a structure more than 50 years in age.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4) The project would adversely affect a cultural resource that is either listed or eligible for listing in the California Register of Historical Resources.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
5) Conflict with local policies or ordinances protecting biological resources, such as a tree preservation policy or ordinance.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) The proposed project to rezone from R-2 Medium Density Residential Zone to the P-O Professional Office Zone is consistent with the Urban Area General Plan and the site's General Plan Land Use designation of MU "Mixed Use". The Mixed Use land use designation allows for uses as permitted within the P-O Zone. Any future development will be required to adhere to applicable City of Modesto Zoning Ordinances and Standards.
- (2-4) The area of the proposed rezone is vacant. The site is not eligible for listing as a historic resource, nor is categorized as an existing historic landmark.
- (5) The area of the proposed rezone is vacant. The site is not eligible for listing as a historic resource, nor is categorized as an existing historic landmark.

9. INCREASED DEMAND FOR STORM DRAINAGE

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on storm drainage expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR.

Cumulative Impacts

Effect: The population of Stanislaus County is projected to increase in a fashion similar to that of Modesto, resulting in additional urban development and associated increases in impervious surface area and associated increases in storm water runoff. Cumulative hydrologic impacts of storm water flows from Modesto urban areas and other areas of the County could occur due to the fixed capacity of MID and TID irrigation canals to convey drainage west to the San Joaquin River. If drainage channels in some areas prove insufficient to handle the increased drainage discharges, existing storm water runoff from urban and agricultural areas during large storm events would have to be interrupted until water levels receded to a point allowing the resumption of discharges to the channel. Ceasing discharges to drainage channels could cause inundation in and around the drainage conveyance pipeline systems, surface drainage channels, detention basins, and other urban areas. This cumulative impact is considered significant and unavoidable.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Storm Drainage mitigation measures pertinent to the project being analyzed in this Initial Study are found on pages V-9-4 through V-9-9. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project:

Discussion:

The application is a proposal to rezone the subject property from R-2 Medium Density Residential to the P-O Professional Office Zone. No development is proposed with the application; however, the appropriate mitigation to be applied to any future development of the site includes: SD-7 and SD-9 from the Master EIR. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-9.B of the MEIR discloses impacts on the demand for storm drainage resulting from development of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
9. INCREASED DEMAND FOR STORM DRAINAGE				
1) The proposed project is inconsistent with the storm drainage policies in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project would substantially increase the rate or amount of surface runoff in a manner that would result in flooding on- or offsite, as compared to impacts anticipated to result from	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
the Urban Area General Plan or create substantial unanticipated sources of polluted runoff.				
3) The proposed project does not utilize Low Impact Development strategies to reduce runoff from the site and increase infiltration, resulting in no net increase in runoff before and after development.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

(1-3) The proposed project to rezone from R-2 Medium Density Residential Zone to the P-O Professional Office Zone is consistent with the Urban Area General Plan and the site's General Plan Land Use designation of MU "Mixed Use", which assumed stormwater runoff to be consistent with the type and intensity of development that would be permitted by this rezoning. The Mixed Use land use designation allows for uses as permitted within the P-O Zone. Any future development will be required to adhere to applicable City of Modesto Zoning Ordinances and Standards.

10. FLOODING AND WATER QUALITY

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on flooding and water quality expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR.

Cumulative Impacts

Effect: No residual significant cumulative impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Flooding and Water Quality mitigation measures pertinent to the project being analyzed in this Initial Study are found on pages V-10-6 through V-10-9 of the Master EIR. All mitigation measures appropriate to the project will be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project:

Discussion:

The application is a proposal to rezone the subject property from R-2 Medium Density Residential to the P-O Professional Office Zone. No development is proposed with the application; however, the appropriate mitigation to be applied to any future development of the site includes: FWQ-13 from the Master EIR. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-10.B of the Master EIR provides analysis of Flooding and Water Quality impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
10. FLOODING AND WATER QUALITY				
1) The proposed project is inconsistent with the flooding and water quality policies in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project does not comply with the regulatory requirements of the federal Clean Water Act or the State Porter-Cologne Act.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project would place more housing within a 100-year flood hazard zone than assumed in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4) The proposed project would place structure within a 100-year flood hazard area so that they would impede or redirect floodwater or would substantially alter the existing on-site drainage pattern or a watercourse, in such a way as to cause flooding on- or offsite.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
5) The proposed project does not comply with Modesto's Guidance Manual for New Development Storm Water Quality Control Measures.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
6) The proposed project would violate water quality standards or waste discharge requirements.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
7) The proposed project would substantially alter the existing drainage pattern of the site or area or a watercourse in a manner that would result in substantial erosion or siltation on- or offsite in excess of the assumptions of the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
8) The proposed project would create or contribute runoff, which would exceed the capacity of existing or planned storm water drainage systems or provide substantial additional sources of polluted runoff, not expected as part of Urban Area General Plan implementation.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1-2) The proposed project to rezone from R-2 Medium Density Residential Zone to the P-O Professional Office Zone is consistent with the Urban Area General Plan and the site's General Plan Land Use designation of MU "Mixed Use". The Mixed Use land use designation allows for uses as permitted within the P-O Zone. Any future development will be required to adhere to applicable City of Modesto Zoning Ordinances and Standards.
- (3-4) The proposed project is to rezone from R-2 Medium Density Residential Zone to the P-O Professional Office Zone. The site is outside of the 100-year flood zone as defined by the FEMA 2008 Flood Insurance Rate Maps (FIRM).
- (5-8) Any future development will be required to adhere to applicable City of Modesto Zoning Ordinances and Standards.

11. INCREASED DEMAND FOR PARKS AND OPEN SPACE

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on parks and open space expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR.

Cumulative Impacts

Effect: No residual significant cumulative impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Parks and open space mitigation measures pertinent to the proposed project are found on pages V-11-3 through V-11-9 of the Master EIR. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project:

Discussion:

There are no mitigation measures applicable to the project.

c. Project-Specific Effects

Section V-11.B of the MEIR discloses impacts of the Urban Area General Plan on parks and open space. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. Project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
11. INCREASED DEMAND FOR PARKS AND OPEN SPACE				
1) The proposed project is inconsistent with the parks and open space policies in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project would eliminate parks or open space.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project would cause an increase in the use of existing neighborhood and regional parks or other recreational facilities such that substantial physical deterioration of the facility in question would occur or be accelerated or the proposed project would include recreational facilities or require the construction or expansion of recreational facilities which might have an adverse physical effect on the environment.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1-3) The proposed project to rezone from R-2 Medium Density Residential Zone to the P-O Professional Office Zone is consistent with the Urban Area General Plan and the site's General Plan Land Use designation of MU "Mixed Use". The Mixed Use land use designation allows for uses as permitted within the P-O Zone. Any future development will be required to adhere to applicable City of Modesto Zoning Ordinances and Standards.
- (2-3) The proposed rezone would not eliminate any parks or open spaces. The site is a vacant lot that if approved for development of Professional Office uses would not cause an increase in the use of existing parks or recreational areas.

12. INCREASED DEMAND FOR SCHOOLS

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on school facilities expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR. By statute, the impact of new students is considered to be mitigated below a level of significance by payment of school impact fees and the exercise of any or all of the financing options set out in Government Code Section 65997.

Cumulative Impacts

Effect: Similar to direct impacts of implementation of the Urban Area General Plan, no residual significant direct impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. As long these policies are applied to all subsequent projects, no new mitigation is necessary. Further, payment of school impact fees and compliance with SB 50 is statutorily deemed to be full mitigation of school impacts (Government Code Section 65995).

The following schools mitigation measures on pages V-12-5 through V-12-7 of the Master EIR are pertinent to the proposed project. All mitigation measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures are listed in Section V, Mitigation Applied to Project.

Discussion:

There are no mitigation measures applicable to the project.

c. Project-Specific Effects

Section V-12.B of the Master EIR discloses impacts resulting from implementation of the Urban Area General Plan associated with increased demand for schools. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
12. INCREASED DEMAND FOR SCHOOLS				
1) The proposed project is inconsistent with the policies relating to schools in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project does not comply with SB 50/Proposition 1A funding provisions, or succeeding measures which state that compliance results in less-than-significant impacts on schools.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

(1-2) The proposed project to rezone from R-2 Medium Density Residential Zone to the P-O Professional Office Zone is consistent with the Urban Area General Plan and the site's General Plan Land Use designation of MU "Mixed Use". The Mixed Use land use designation allows for uses as permitted within the P-O Zone. Any future development will be required to adhere to applicable City of Modesto Zoning Ordinances and Standards.

13. INCREASED DEMAND FOR POLICE SERVICES

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on police services expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR.

Cumulative Impacts

Effect: No residual significant cumulative impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Police services mitigation measures pertinent to the proposed project are found on pages V-13-2 through V-13-5 of the Master EIR. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project.

Discussion:

There are no mitigation measures applicable to the project.

c. Project-Specific Effects

Section V-13.B of the Master EIR discloses impacts on police services resulting from implementation of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
13. INCREASED DEMAND FOR POLICE SERVICES				
1) The proposed project is inconsistent with policies relating to police services in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project would result in the need for new or significantly altered facilities not considered as part of the Urban Area General Plan or Master EIR which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times, or other performance objectives.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) The proposed project to rezone from R-2 Medium Density Residential Zone to the P-O Professional Office Zone is consistent with the Urban Area General Plan and the site's General Plan Land Use designation of MU "Mixed Use". The Mixed Use land use designation allows for uses as permitted within the P-O Zone. Any future development will be required to adhere to applicable City of Modesto Zoning Ordinances and Standards.
- (2) The proposed rezone was referred to the City Police Department, who indicated no concerns with the project.

14. INCREASED DEMAND FOR FIRE SERVICES

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on fire services expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR.

Cumulative Impacts

Effect: No residual significant cumulative impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Fire Services mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-14-4 through V-14-7 of the Master EIR. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project.

Discussion:

There are no mitigation measures applicable to the project.

c. Project-Specific Effects

Section V-14.B of the Master EIR discloses impacts on fire services resulting from implementation of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
14. INCREASED DEMAND FOR FIRE SERVICES				
1) The proposed project is inconsistent with the fire service policies in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2) The proposed project would result in the need for new or significantly altered facilities not considered as part of the Urban Area General Plan or Master EIR which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times, or other performance objectives.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3) The proposed project, based upon substantial evidence, would cause the erosion or elimination of fire protection services in adjoining fire protection districts.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Discussion:

- (1) The proposed project to rezone from R-2 Medium Density Residential Zone to the P-O Professional Office Zone is consistent with the Urban Area General Plan and the site's General Plan Land Use designation of MU "Mixed Use". The Mixed Use land use designation allows for uses as permitted within the P-O Zone. Any future development will be required to adhere to applicable City of Modesto Zoning Ordinances and Standards, including fire safety standards.
- (2-3) The proposed rezone was referred to the Modesto Regional Fire Authority, who indicated no concerns regarding need for increased services or effects upon response times.

15. GENERATION OF SOLID WASTE

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on solid waste expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR.

Cumulative Impacts

Effect: No residual significant cumulative impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Solid waste mitigation measures pertinent to the proposed project are found on pages V-15-4 through V-15-7 of the Master EIR. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project.

Discussion:

No mitigation measures are applicable to this project.

c. Project-Specific Effects

Section V-15.B of the Master EIR discloses solid waste impacts resulting from implementation of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. Project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
15. GENERATION OF SOLID WASTE				
1) The project is inconsistent with the solid waste policies in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The County is unable to expand its solid waste disposal capacity, as expected, causing all new development to result in cumulative impacts on the County's disposal capacity.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1-2) The proposed project to rezone from R-2 Medium Density Residential Zone to the P-O Professional Office Zone is consistent with the Urban Area General Plan and the site's General Plan Land Use designation of MU "Mixed Use". The Mixed Use land use designation allows for uses as permitted within the P-O Zone. Any future development will be required to adhere to applicable City of Modesto Zoning Ordinances and Standards.

16. GENERATION OF HAZARDOUS MATERIALS

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts regarding hazardous materials expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR.

Cumulative Impacts

Effect: No residual significant cumulative impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Hazardous materials mitigation measures pertinent to the proposed project are found on pages V-16-8 through V-16-13 of the Master EIR. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project.

Discussion:

No mitigation measures are applicable to this project.

c. Project-Specific Effects

Section V-16.B of the Master EIR discloses impacts on hazardous materials resulting from implementation of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
16. GENERATION OF HAZARDOUS MATERIALS				
1) The project is inconsistent with the hazardous materials policies in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project would emit hazardous emissions or handle hazardous or acutely hazardous materials, substances, or waste within one-quarter mile of an existing or proposed school.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
3) The proposed project would be located on a site which is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and as a result, would create a significant hazard to the public or the environment.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4) The proposed project would be constructed on a contaminated site not known to the State of California as of March 2008.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) The proposed project to rezone from R-2 Medium Density Residential Zone to the P-O Professional Office Zone is consistent with the Urban Area General Plan and the site's General Plan Land Use designation of MU "Mixed Use". The Mixed Use land use designation allows for uses as permitted within the P-O Zone. Any future development will be required to adhere to applicable City of Modesto Zoning Ordinances and Standards.
- (2) The area proposed for rezoning is vacant and is overall is surrounded by urban residential uses. The Merryhill Country Preschool, Aspire University Charter School, and Sylvan Elementary School exists within one-quarter mile of the project site. However, the proposed rezone would allow for Professional Office uses only. Any future development will be required to adhere to applicable City of Modesto Zoning Ordinances and Standards.
- (3) The project is not located on a site which is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5.
- (4) The project site is not known to contain any contaminants.

17. GEOLOGY, SOILS, AND MINERAL RESOURCES

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts related to geology, soils, and mineral resources expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR.

Cumulative Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Geology, soils, and mineral resource mitigation measures pertinent to the proposed project are found on pages V-17-9 and V-17-10 of the Master EIR. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of the proposed project are listed in Section V, Mitigation Measures Applied to Project.

Discussion:

No mitigation measures are applicable to this project.

c. Project-Specific Effects

Section V-17.B of the Master EIR discloses geology, soils, and mineral resource impacts resulting from implementation of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. Project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
17. GEOLOGY, SOILS, AND MINERAL RESOURCES				
1) The project is inconsistent with policies relating to geology, soils, and mineral resources contained in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2) The proposed project would expose people or structures to potential substantial adverse effects including the risk of loss, injury, or death involving fault rupture, strong seismic activity; location on an expansive soil; result in the loss of topsoil; location on soils incapable of adequately supporting the use of septic tanks or alternative wastewater disposal systems in areas where sewers are not available for the disposal of wastewater; result in the loss of known mineral resources that would be of value to the region and the state; or result in the loss of availability of a locally important mineral resource recovery site delineated on a local general plan, specific plan, or other land use plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Discussion:

- (1) The proposed project to rezone from R-2 Medium Density Residential Zone to the P-O Professional Office Zone is consistent with the Urban Area General Plan and the site's General Plan Land Use designation of MU "Mixed Use". The Mixed Use land use designation allows for uses as permitted within the P-O Zone. Any future development will be required to adhere to applicable City of Modesto Zoning Ordinances and Standards.

- (2) The project would not be located on soil that is unstable, or that would become unstable as a result of the project.

18. ENERGY

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts pertaining to energy expected after application of mitigations/policies:

Direct Impacts

Effect: Continued development in the Planned Urbanizing Area would have an impact on available energy supplies. Energy consumption likely would increase substantially by 2025 as a result of implementation of the Urban Area General Plan.

Cumulative Impacts

Effect: Implementation of the Urban Area General Plan will have a cumulatively considerable impact on energy consumption.

b. Master EIR and/or New Mitigation Measures Applied to the Project

The following energy mitigation measures pertinent to the proposed project are found on pages V-18-2 through V-18-8 in the Master EIR. All mitigation measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section V, Mitigation Applied to Project.

Discussion:

No mitigation measures are applicable to this project.

c. Project-Specific Effects

Section V-18.B of the Master EIR discloses impacts of implementing the Urban Area General Plan on energy resources. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
18. ENERGY				
1) The proposed project is inconsistent with policies relating to energy in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project would result in energy consumption during construction, operation, maintenance, or removal that is more wasteful, inefficient, and unnecessary than assumed in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

(1-2) The proposed project to rezone from R-2 Medium Density Residential Zone to the P-O Professional Office Zone is consistent with the Urban Area General Plan and the site's General Plan Land Use designation of MU "Mixed Use". The Mixed Use land use designation allows for uses as permitted within the P-O Zone. Any future development will be required to adhere to applicable City of Modesto Zoning Ordinances and Standards.

19. EFFECTS ON VISUAL RESOURCES

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on visual resources expected after application of mitigations/policies:

Direct Impacts

Effect: New development in the Planned Urbanizing Area will occur in areas that are in agricultural production or are otherwise lightly developed, which could lead to the introduction of light and glare in areas that have little nighttime illumination.

Cumulative Impacts

Effect: No additional cumulative impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

The following visual resources mitigation measures pertinent to the proposed project are found on pages V-19-3 and V-19-4 in the Master EIR. All mitigation measures appropriate to the proposed project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section V, Mitigation Applied to Project.

Discussion:

No mitigation measures are applicable to this project.

c. Project-Specific Effects

Section V-18.B of the Master EIR discloses impacts of implementing the Urban Area General Plan on energy resources. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
19. EFFECTS ON VISUAL RESOURCES				
1) The proposed project is inconsistent with policies relating to visual resources in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project would degrade views from riverside areas and parks to a greater degree than assumed in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project would degrade views of riverside areas from public roadways and nearby properties to a greater degree than assumed in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) The proposed project to rezone from R-2 Medium Density Residential Zone to the P-O Professional Office Zone is consistent with the Urban Area General Plan and the site’s General Plan Land Use designation of MU “Mixed Use”. The Mixed Use land use designation allows for uses as permitted within the P-O Zone. Any future development will be required to adhere to applicable City of Modesto Zoning Ordinances and Standards.
- (2-3) The project site is not in the vicinity of parks or riverside areas. No views into parks or riverside areas would be blocked or degraded from roadways or properties adjacent to the site.

20. LAND USE AND PLANNING

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts pertaining to land use and planning expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR.

Cumulative Impacts

Effect: No residual significant cumulative impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

The following land use and planning mitigation measures pertinent to the proposed project are found on pages V-20-6 through V-20-17 in the Master EIR. All mitigation measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section V, Mitigation Applied to Project.

Discussion:

No mitigation measures are applicable to this project.

c. Project-Specific Effects

Section V-20.B of the Master EIR discloses impacts of implementing the Urban Area General Plan on land use and planning. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
20. LAND USE AND PLANNING				
1) The proposed project is inconsistent with land use and planning policies in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project contains elements that would physically divide an established community in a way not assumed in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project conflicts with a land use plan, policy or regulation established for the purpose of avoiding or mitigating an environmental impact by an agency that has jurisdiction over the proposed project.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4) The proposed project conflicts with an applicable habitat conservation plan or natural community conservation plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) The proposed project to rezone from R-2 Medium Density Residential Zone to the P-O Professional Office Zone is consistent with the Urban Area General Plan and the site's General Plan Land Use designation of MU "Mixed Use". The Mixed Use land use designation allows for uses as permitted within the P-O Zone. Any future development will be required to adhere to applicable City of Modesto Zoning Ordinances and Standards.
- (2) The site proposed for rezoning is vacant and is surrounded by urban uses. The project would not divide an established community.
- (3) The proposed rezoning does not represent a conflict with any land use plan, policy or regulation established for the purpose of avoiding or mitigating an environmental impact by an agency that has jurisdiction over the proposed project.
- (4) The proposed rezoning is not subject to any habitat conservation plan or natural community conservation plan.

21. CLIMATE CHANGE

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts pertaining to climate change expected after application of mitigations/policies:

Direct Impacts

Effect: Impacts resulting from implementation of the Urban Area General Plan are not substantial enough to result in a significant direct impact on climate change, as disclosed in the Master EIR.

Cumulative Impacts

Effect: Implementation of the Urban Area General Plan will have a cumulatively considerable impact on climate change.

b. Master EIR and/or New Mitigation Measures Applied to the Project

The following climate change mitigation measures pertinent to the proposed project are found on pages V-21-7 through V-21-10 in the Master EIR. All mitigation measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section V, Mitigation Applied to Project.

Discussion:

No mitigation measures are applicable to this project.

c. Project-Specific Effects

Section V-18.B of the Master EIR discloses impacts of implementing the Urban Area General Plan on climate change. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
21. CLIMATE CHANGE				
1) The proposed project is inconsistent with policies relating to climate change in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project would result in average automobile trip lengths or CO ₂ emissions higher than those assumed in the Master EIR.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project would conflict with the Sustainable Communities Strategy or Alternative Planning Strategy that the Air Resources Board has agreed will achieve the goals of AB 32.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1-3) The proposed project to rezone from R-2 Medium Density Residential Zone to the P-O Professional Office Zone is consistent with the Urban Area General Plan and the site's General Plan Land Use designation of MU "Mixed Use". The Mixed Use land use designation allows for uses as permitted within the P-O Zone. Any future development will be required to adhere to applicable City of Modesto Zoning Ordinances and Standards.

V. MITIGATION MEASURES APPLIED TO THE PROPOSED PROJECT

If the Initial Study results in the determination that a Finding of Conformance can be adopted for the proposed project Section A below applies. If the Initial Study results in the determination that a Finding of Conformance cannot be adopted and a Mitigated Negative Declaration/EIR must be prepared for the project then Section B, below applies.

A. Master EIR Mitigation Measures Applied to the Project

Pursuant to Public Resources Code Section 21157.1(c), in order for a Finding of Conformance to be made, all appropriate mitigation measures from the Master EIR shall be incorporated into the proposed project. Urban Area General Plan Policies/Master EIR mitigation measures shall be made part of the proposed project prior to approval by means of conditions of project approval or incorporation into the appropriate document or plan.

All applicable and appropriate mitigation measures have been applied to the project (see mitigation measures listed below).

B. New or Additional Mitigation Measures or Alternatives Required

Where the project's effects would exceed the significance criteria for each environmental impact category, a mitigated negative declaration or Focused EIR must be prepared. Staff has reviewed the project against the significance criteria thresholds established in the Master EIR for all impact categories in this Initial Study.

A Mitigated Negative Declaration or Focused EIR shall be prepared for the project. The following additional project-specific mitigation measures listed below are necessary to reduce the identified new significant effect:

Traffic and Circulation:

None

Degradation of Air Quality:

None

Generation of Noise:

None

Effects on Agricultural Lands:

None

Increased Demand for Long-Term Water Supplies:

None

Increased Demand for Sanitary Sewer Services:

None

Loss of Sensitive Wildlife and Plant Habitat:

None

Disturbance of Archaeological/Historic Sites:

None

Increased Demand for Storm Drainage:

None

Flooding and Water Quality:

None

Increased Demand for Parks and Open Space:

None

Increased Demand for Schools:

None

Increased Demand for Police Services:

None

Increased Demand for Fire Services:

None

Generation of Solid Waste:

None

Generation of Hazardous Materials:

None

Geology, Soils, and Mineral Resources:

None

Energy:

None

Effects on Visual Resources:

None

Land Use and Planning:

None

Climate Change:

None

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-405**

A RESOLUTION ACCEPTING THE STATE SUPPLEMENTAL LAW ENFORCEMENT GRANT, IN THE AMOUNT OF AT LEAST \$100,000, FROM THE STATE SUPPLEMENTAL LAW ENFORCEMENT SERVICES FUND FOR POLICE OVERTIME; AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE NECESSARY PROGRAM DOCUMENTS

WHEREAS, in 1996, the State Legislature passed, and the Governor signed, Assembly Bill 3229, the Supplemental Law Enforcement Services Act, and

WHEREAS, the purpose of the law is to provide additional resources for local law enforcement, and

WHEREAS, Supplemental Law Enforcement Services Fund (SLESF) monies cannot be transferred to, or intermingled with, the monies in any other fund except that monies may be transferred from the SLESF to the City's General Fund to the extent necessary to facilitate the appropriation and expenditure of funds, and

WHEREAS, SLESF monies cannot be used to supplant existing budgeted funds, and

WHEREAS, a SLESF has been established in each county, and

WHEREAS, the funding for each county and city is based upon proportionate population, and

WHEREAS, the allocation to the City of Modesto, for Fiscal Year (FY) 2012/2013, of at least \$100,000, to be made in four installments of \$25,000 each, and

WHEREAS, the City Council is required to hold a public hearing to consider and approve the SLESF Expenditure Plan,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that after holding a public hearing, it hereby accepts the Chief of Police's Expenditure

Plan for the FY 2012/2013 State Supplemental Law Enforcement Services Fund, allocation of at least \$100,000 for police overtime, training, technology, and equipment.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the necessary program documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2nd day of October, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Burnside, Cogdill, Geer, Gunderson, Lopez, Muratore, Mayor Marsh

NOES: Councilmembers: None

ABSENT: Councilmembers: None

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-406**

**RESOLUTION AMENDING THE FISCAL YEAR 2012/2013 MULTI-YEAR
OPERATING BUDGET TO APPROPRIATE REVENUES AND EXPENDITURES
OF AT LEAST \$100,000 FOR THE CITY OF MODESTO'S ALLOCATION
FROM THE STATE SUPPLEMENTAL LAW ENFORCEMENT SERVICES
FUND; AND AUTHORIZING THE DIRECTOR OF FINANCE, OR HER
DESIGNEE, TO IMPLEMENT THE PROVISIONS OF THIS RESOLUTION**

WHEREAS, in 1996, the State Legislature passed, and the Governor signed,
Assembly Bill 3229, the Supplemental Law Enforcement Services Act, and

WHEREAS, the purpose of the law is to provide additional resources for local
law enforcement, and

WHEREAS, Supplemental Law Enforcement Services Fund (SLESF) monies
cannot be transferred to, or intermingled with, monies in any other fund except that
monies may be transferred from the SLESF to the City's General Fund to the extent
necessary to facilitate the appropriation and expenditure of funds, and

WHEREAS, SLESF monies cannot be used to supplant existing budgeted funds,
and

WHEREAS, a SLESF has been established in each county, and

WHEREAS, the funding for each county and city is based upon proportionate
population, and

WHEREAS, the allocation to the City of Modesto for Fiscal Year (FY)
2012/2013 of at least \$100,000, to be made in four installments of \$25,000 each, and

WHEREAS, the City Council is required to hold a public hearing to consider and
approve the SLESF Expenditure Plan, and

WHEREAS, the adopted FY 2012/2013 Police SLESF allocation in the amount of at least \$100,000 will be applied to account number 1340-19999-100724-42140,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the FY 2012/2013 Multi-Year Operating Budget to appropriate revenues and expenditures of at least \$100,000 for the City of Modesto's allocation from the State Supplemental Law Enforcement Services Fund for police overtime, training, technology, and equipment. as shown in **Exhibit A** attached hereto.

BE IT FURTHER RESOLVED that the Director of Finance, or her designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2nd day of October, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following vote:

MODESTO CITY COUNCIL
RESOLUTION NO. 2012-407

RESOLUTION AMENDING THE FISCAL YEAR 2012-2013 ANNUAL
OPERATING BUDGET

WHEREAS, a financial analysis has been completed and it has been determined that a budget adjustment is required to the Annual Budgets of the City of Modesto for Fiscal Year 2012-2013,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the Fiscal Year 2012-2013 annual operating budget as shown in **Exhibit A**, which is **attached** hereto and incorporated by reference herein.

BE IT FURTHER RESOLVED that the Director of Finance, or her designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9th day of October, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following votes:

EXHIBIT A

COMMUNITY AND ECONOMIC DEVELOPMENT

An adjustment is necessary to approve establishing a new Capital Improvement Project # 100721 (Expand ATMS-Briggsmore); and approve a \$70,000 budget funded 100% by CMAQ funding.

An adjustment is necessary to approve establishing a new Capital Improvement Project #100719 (New Traffic Signals 2013 – Village One #2 CFD); and approve a \$30,000 budget in CMAQ and City Match funding.

An adjustment is necessary to approve establishing a new Capital Improvement Project #100720 (New Traffic Signals 2013 – Gas Tax); and approve a \$60,000 budget in CMAQ and City Match funding.

An adjustment is necessary to approve establishing a new Capital Improvement Project # 100707 (2014 Pavement Rehabilitation); and approve a \$275,000 budget funded 100% by CMAQ funding.

An adjustment is necessary to approve establishing a new Capital Improvement Project # 100708 (2015 Pavement Rehabilitation); and approve a \$275,000 budget funded 100% by CMAQ funding.

PARKS, RECREATION AND NEIGHBORHOODS

A budget adjustment is necessary to establish the budget in the amount of \$309,773 for the RLF Housing Loan Program (1150) that was inadvertently omitted from the Multi-Year adopted budget.

An adjustment is necessary to establish a transfer in the amount of \$72,142 from CDBG NSP Entitlement (Fund 1131) to Capital Grants – Parks CIP Projects (Fund 3150) and appropriate funds to Capital Improvement Project #100698-Airport Neighborhood Community Center for the rehabilitation of the community center.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-408**

**RESOLUTION AUTHORIZING FOUR (4) DESIGNATED CITY OF MODESTO
STAFF TO SERVE AS GENERAL SERVICES ADMINISTRATION SURPLUS
PROPERTY SCREENERS**

WHEREAS, the Federal Property and Administrative Services Act of 1949, as amended, provides for the transfer of federal surplus personal property to the State Agency for Surplus Property (SASP) within each state, and

WHEREAS, the Department of General Services (DGS) is the State of California's SASP, and

WHEREAS, surplus General Services Agency (GSA) personal property is made available to the City of Modesto at a reduced cost through the donation program administered by the State of California DGS, and

WHEREAS, federal surplus personal property can be used by all City departments and includes all types and categories of property including but not limited to the following: airplanes, boats, communication equipment, furniture, tools, and motor vehicles, and

WHEREAS, Council approval is required by the State of California DGS, Office of Procurement-Surplus Property, to authorize designated City of Modesto personnel to review/screen and obtain surplus Federal personal property that is available through the GSA Federal Surplus Personal Property Program, and

WHEREAS, the City's approval to participate in the program has expired and needs to be renewed, and

WHEREAS, a requirement of that renewal process is to authorize no more than five (5) designated City of Modesto staff to serve as "screeners", and

WHEREAS, the four (4) City staff designated as screeners are: Mark L. Averell, Cindy Medley, Steve Fischio, and Jolene Gonzales,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes Mark L. Averell, Cindy Medley, Steve Fischio and Jolene Gonzales to serve as General Services Administration Surplus Property Screeners.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9th day of October, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-409**

RESOLUTION AUTHORIZING THE AWARD OF CONTRACT FOR THE PURCHASE AND DELIVERY OF LIQUID POLYMERIC FLOCCULANTS FOR THE PUBLIC WORKS DEPARTMENT, WASTEWATER DIVISION, TO POLYDYNE, INC., RICEBORO, GA, FOR A ONE YEAR AGREEMENT WITH FOUR (4) ONE-YEAR EXTENSION OPTIONS AT THE SOLE DISCRETION OF THE CITY, AND AUTHORIZING THE PURCHASING MANAGER, OR HIS DESIGNEE, TO ISSUE A PURCHASE AGREEMENT FOR AN ESTIMATED ANNUAL COST OF \$31,740

WHEREAS, liquid polymeric flocculants are used at the Water Quality Control Secondary facility to enhance algae removal from the secondary treated wastewater before it is discharged into the San Joaquin River. The liquid polymeric flocculants are used in the Dissolved Air Flotation (DAF) system, and

WHEREAS, under the requirements of the City's National Pollutant Discharge Elimination System (NPDES) permit, the City is required to properly remove algae from the water that is discharged into the San Joaquin River. The permit is designed to protect the river habitat and surrounding environment. Liquid polymeric flocculants are essential to meet this requirement in the City's NPDES Permit. Failure to perform algae removal can result in fines, and

WHEREAS, there are no local vendors for this type of chemical. On April 16, 2012, the Bay Area Chemical Consortium (BACC), a group of public agencies, went through a competitive bid process for the purchase and delivery of liquid polymeric flocculants. The most responsive and responsible bidder that met the bid specifications was Polydyne, Inc., Riceboro, GA. The BACC Bid No. 08-2012 for liquid polymeric flocculants was awarded to Polydyne, Inc. The same bid pricing has been extended to the City of Modesto, and

WHEREAS, taking advantage of this process and awarding a contract by “piggybacking” on the terms of the BACC competitive bid process is an efficient and effective way to purchase the liquid polymeric flocculent, and saves the time and expense for the City to formally solicit RFB’s , and

WHEREAS, sufficient funds are budgeted in Fiscal Year 2013-14, in the following appropriation unit: 4210-54312-52190, and

WHEREAS, Modesto Municipal Code (MMC) Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000.00 for material, equipment, or contractual services to be formally bid. However, there are exceptions to the rule set forth in the Modesto Municipal Code. One exception, MMC Section 8-3.204(d), is available where the Purchasing Manager, in his or her discretion, determines that a process other than the usual formal bid procedure set forth in MMC Section 8-3.203 will result in procurement for the City at the lowest possible cost commensurate with the desired quality. Acting within his discretion, the Purchasing Manager invoked that exception for this purchase due to the cost savings of staff time and the limited number of competitors. There are no local vendors who can supply this type of chemical, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the authorizing the award of contract for the purchase and delivery of liquid polymeric flocculants for the Public Works Department, Water Quality Control Division, to Polydyne Inc., Riceboro, CA, for a one year agreement with four (4) one-year extension options at the sole discretion of the City.

BE IT FURTHER RESOLVED that the Purchasing Manager, or his designee, is hereby authorized to issue a purchase agreement for an estimated annual cost of \$31,740.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9th day of October, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-410**

A RESOLUTION AMENDING THE POSITION ALLOCATION IN THE MODESTO REGIONAL FIRE AUTHORITY ADOPTED BY THE CITY COUNCIL AS PART OF THE FY 12-13 BUDGET TO: (I) INCREASE ONE (1) EMERGENCY MEDICAL SERVICES COORDINATOR .75 ALLOCATION TO ONE (1) EMERGENCY MEDICAL SERVICES COORDINATOR 1.0 ALLOCATION IN COST CENTER 80121; (II) ADD ONE (1)-FIRE BATTALION CHIEF ALLOCATION IN COST CENTER 80121; (III) DELETE ONE (1) PUBLIC SAFETY BUSINESS SERVICES ANALYST ALLOCATION FROM COST CENTER 80121

WHEREAS, a Position Allocation for the Modesto Regional Fire Authority was adopted by Modesto City Council on June 21, 2012, as part of the Annual Budget of the City of Modesto for Fiscal Year 2012-2013, and

WHEREAS, the Modesto Regional Fire Authority has identified the fiscal resources necessary to increase one (1) Emergency Medical Services Coordinator .75 allocation to one (1) Emergency Medical Services Coordinator 1.0 position allocation to provide training, quality assurance, policy and procedure development and oversight of the Infection Control Program and the Exposure Control Program, and

WHEREAS, the Modesto Regional Fire Authority has revised their organizational structure and identified the need for one (1) Administrative Fire Battalion Chief to oversee the technical administrative responsibilities within MRFA and coordinate the health and safety program, and

WHEREAS, the Fire Battalion Chief-Administration will assume some of the duties of the Public Safety Business Services Analyst with the remaining responsibilities distributed to the other classes with the administrative unit.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the Position Allocation for Fiscal Year 2012-2013 as follows:

1. Increase one (1) Emergency Medical Services Coordinator .75 allocation to one (1) Emergency Medical Services Coordinator 1.0 allocation in Cost Center 80121.
2. Add one (1) Fire Battalion Chief allocation in Cost Center 80121 (\$3,431-\$4180 monthly).
3. Delete one (1) Public Safety Business Services Analyst allocation from Cost Center 80121.

This resolution shall become effective on and after October 9, 2012.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 9th day of October, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-411**

A RESOLUTION APPROVING AN AGREEMENT WITH THE HOUSING AUTHORITY OF THE COUNTY OF STANISLAUS IN THE AMOUNT NOT TO EXCEED \$67,389.00 TO PROVIDE UP TO 35-HOUR PER WEEK COMMUNITY POLICE OFFICER FOR THE WESTVIEW GARDENS HOUSING COMPLEX FOR A PERIOD OF TWELVE (12) MONTHS FROM JUNE 1, 2012 THROUGH MAY 31, 2013, WITH AN OPTION TO EXTEND THE AGREEMENT FOR AN ADDITIONAL TWELVE (12) MONTHS, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, the Housing Authority of the County of Stanislaus operates the Westview Gardens Housing Complex in Modesto, California, and

WHEREAS, by agreement, the Modesto Police Department has assigned a Police Officer to the Housing Complex for twenty (20) years, and

WHEREAS, the Housing Authority is desirous to continue this police service which will provide for the presence of one police officer for up to 35 hours per week for patrol, investigation, response to calls, presentation of community crime resistance education, drug traffic suppression and drug education, graffiti abatement program education and coordination of the exchange of information between residents and other services of the City, and

WHEREAS, the term of this Agreement is June 1, 2012 through May 31, 2013, and

WHEREAS, this Agreement shall automatically renew for one (1) year, until May 31, 2014, unless terminated by 30-day's written notice by either party, and

WHEREAS, the cost of providing this service to the Westview Gardens Housing Complex is up to \$67,389.00 and will be reimbursed for by the Housing Authority of Stanislaus County, and to the police department, and

WHEREAS, this Agreement was contemplated in the current budget and both revenue and expenses are appropriated at the proper levels.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Agreement with the Housing Authority of the County of Stanislaus in the amount not to exceed \$67,389.00 to provide a 35-hour per week Community Police Officer for the Westview Gardens Housing Complex for a period of twelve (12) months, from June 1, 2012 through May 31, 2013, with an option to extend the Agreement for twelve (12) months.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9th day of October, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-418**

**A RESOLUTION APPROVING AN AGREEMENT WITH THE SALVATION
ARMY TO CONSTRUCT IMPROVEMENTS AND GRANT REVOCABLE
LICENSE, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE,
TO EXECUTE THE AGREEMENT**

WHEREAS, on October 26, 2006, the City of Modesto Board of Zoning Adjustment, by Resolution No. 2006-22, granted a conditional use permit to the Salvation Army to allow a homeless shelter on the property located at 320 Ninth Street, Modesto, and

WHEREAS, in connection with improvements to the homeless shelter, the City requires the Salvation Army to provide for the storm drainage runoff, and

WHEREAS, due to the limitations of the site, storm drainage options are expensive, and

WHEREAS, the Salvation Army does not have funds budgeted for storm drain improvements, and

WHEREAS, the Salvation Army requested an exemption to use a portion of the adjacent City property located on D Street to retain storm water, and

WHEREAS, the Board of Zoning Adjustment, by Resolution No. 2006-22, required the installation a fence along the property line abutting the alley prior to occupancy, and

WHEREAS, in order to improve circulation of delivery vehicles on the east side of the building, the Salvation Army desires to use a portion of the City's adjacent property located on D Street, and

WHEREAS, the Agreement requires the Salvation Army to install "No Parking" signs to prohibit parking within the portion of the City property used as the off-site Storm Drainage System, and authorizes the Salvation Army to construct a fence on the City property, and

WHEREAS, the Agreement also outlines the requirements for maintaining the improvements, removal of the improvements, and the required surety bonds that the Salvation Army must furnish the City,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Agreement with the Salvation Army to Construct Improvement and Grant Revocable License.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23rd day of October, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-419**

RESOLUTION AUTHORIZING THE AWARD OF BID FOR THE FURNISHING OF MATERIAL HAULING SERVICES FOR THE DEPARTMENT OF PUBLIC WORKS, STREETS DIVISION AND WATER DIVISION, TO DESTINATION ANYWHERE, INC., TRACY, CA, AS "PRIMARY" CONTRACTOR, GCU TRUCKING, INC., OAKDALE, CA, AS "SECONDARY" CONTRACTOR, AND BOB HARKRADER & SONS TRUCKING, INC., CERES, CA, AS "THIRD" CONTRACTOR, FOR A TWO (2) YEAR AGREEMENT WITH THREE (3) ONE-YEAR EXTENSION OPTIONS AT THE SOLE DISCRETION OF THE CITY, AND AUTHORIZING THE PURCHASING MANAGER, OR HIS DESIGNEE, TO ISSUE PURCHASE AGREEMENTS FOR AN ESTIMATED ANNUAL COST OF \$83,650

WHEREAS, the City Manager authorized the Purchasing Manager to issue formal Request for Bids (RFB) for the furnishing of material hauling services, and

WHEREAS, the Purchasing Division issued RFB No. 1112-34 Material Hauling Services to seven (7) prospective bidders, three (3) of which were local vendors, posted the RFB on the City's website and formally advertised as required by law, and

WHEREAS, bids were formally opened in the City Clerk's Office. Three (3) companies choose to respond, none of which were local vendors. All three (3) companies provided responsive and responsible bids, and

WHEREAS, in order to ensure continued services to the City, contracts shall be awarded to more than one contractor to provide for backup in case the primary contractor is unable to meet the City's needs. A secondary position contractor may be awarded a specific job only if the primary contractor is unable to perform the service, or if the primary contractor is unable to complete the specific job within the time frame required by the City, and finally, if the primary contractor is unable to maintain acceptable quality standards required by the City, and

WHEREAS, based on providing responsive and responsible bids, City staff recommends the award of bid for the furnishing of material hauling services for the Department of Public Works, Streets Division and Water Division, to Destination Anywhere, Inc., Tracy, CA as “primary” contractor, GCU Trucking, Inc., Oakdale, CA as “secondary” contractor, and Bob Harkrader & Sons Trucking, Inc., Ceres, CA as “third” contractor, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. The award of bid for the furnishing of material hauling services for the Department of Public Works, Streets Division and Water Division, to Destination Anywhere, Inc., Tracy, CA as “primary” contractor, GCU Trucking, Inc., Oakdale, CA as “secondary” contractor, and Bob Harkrader & Sons Trucking, Inc., Ceres, CA as “third” contractor, conforms to the Modesto Municipal Code, and

WHEREAS, funds are budgeted in Fiscal Year 2012-13 for the furnishing of material hauling services in Appropriation Units: 1700-53130-53100, 4100-55050-5330 and 4100-55080-5330.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of bid for the furnishing of material hauling services for the Department of Public Works, Streets Division, to Destination Anywhere, Inc., Tracy, CA as “primary” contractor, GCU Trucking, Inc., Oakdale, CA as “secondary” contractor, and Bob Harkrader & Sons Trucking, Inc., Ceres, CA as “third” contractor.

BE IT FURTHER RESOLVED that the Purchasing Manager, or his designee, is hereby authorized to issue purchase agreements for an estimated annual cost of \$83,650.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23rd day of October, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-420**

RESOLUTION AUTHORIZING THE AWARD OF CONTRACT FOR THE PURCHASE AND INSTALLATION OF A PARKING ACCESS AND REVENUE CONTROL SYSTEM (PARCS) FOR THE PUBLIC WORKS DEPARTMENT, MODESTO CITY/COUNTY AIRPORT, BY ACCESSING THE TERMS OF A COMPETITIVELY BID CONTRACT OF THE CITY OF MODESTO, TO AMANO MCGANN INC., SACRAMENTO, CA, FOR AN ESTIMATED TOTAL COST OF \$71,806

WHEREAS, on September 6, 2011, Council authorized the creation of a paid parking option at the Modesto City/County Airport, Resolution 2011-382, and established a \$5.00 per day parking fee for those using the alternative parking lot, and

WHEREAS, staff is recommending award to Amano McGann, Inc., for the PARCS System. Amano McGann, Inc., was previously awarded a contract, Council Resolution 2010-076, to provide PARCS for the City's three (3) parking garages. The Modesto City/County Airport PARCS system will be connected to the existing PARCS system for consistency and support from the Parking Services Division, and

WHEREAS, The Modesto Municipal Code (MMC), Section 8-3.203, generally requires all purchases, which meet or exceed \$50,000.00 for material, equipment or contractual services to be formally bid. However, there are exceptions to the rule set forth in the Modesto Municipal Code. One exception, MMC 8-3.204 (d), is available where the Purchasing Manager, in his discretion, determines that a process other than the usual formal bid procedure set forth in Section MMC 8-3.203 will result in procurement for the City at the lowest possible cost commensurate with the desired quality. Acting within his discretion, the Purchasing Manager invoked that exception for this purchase, and

WHEREAS, sufficient funds are budgeted in Fiscal Year 2012/13 in the following appropriation unit: 4320-59999-57970-100433.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of contract for the purchase and installation of a Parking Access and Revenue Control System (PARCS) for the Public Works Department, Modesto City/County Airport, by accessing the terms of a competitively bid contract of the City of Modesto, to Amano McGann Inc., Sacramento, CA.

BE IT FURTHER RESOLVED that the Purchasing Manager, or his designee, is hereby authorized to issue a purchase order for an estimated total cost of \$71,806.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23rd day of October, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-422**

**A RESOLUTION RESCINDING MODESTO CITY COUNCIL RESOLUTION
NO. 2012-61**

WHEREAS, on February 14, 2012, the City Council, by Resolution No. 2012-61, approved the sole brand procurement of Accu-Tab PowerPro Chlorination Systems for the Public Works Department, Water Operations Division, from Clear Solutions West, Atwater, CA, for an annual cost not to exceed \$100,000, and a total cost over five (5) years of \$500,000, and authorized the Purchasing Manager, or his designee, to issue a purchase agreement for one year with four (4) one-year extension options, at the sole discretion of the City, and

WHEREAS, on June 14, 2012, PPG Industries, (PPG), the manufacturer of Accu-Tab calcium hypochlorite tablets and systems, severed their business relationship with their authorized Northern California distributor, Clear Solutions West, Atwater, CA, and

WHEREAS, on August 14, 2012, PPG Industries, Inc., provided a proposal to sell tablets and systems direct to the City of Modesto and honor current pricing.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby rescinds Resolution No. 2012-61, effective upon adoption of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23rd day of October, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Burnside, Cogdill, Geer, Lopez, Muratore,
Mayor Marsh

NOES: Councilmembers: None

ABSENT: Councilmembers: Gunderson

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-423**

**A RESOLUTION AUTHORIZING THE AWARD OF A SOLE SOURCE
PROCUREMENT FOR THE PURCHASE AND DELIVERY OF ACCU-TAB
CALCIUM HYPOCHLORITE TABLETS, ACCU-TAB POWERPRO
CHLORINATION SYSTEMS AND RELATED EQUIPMENT, FOR THE PUBLIC
WORKS DEPARTMENT, WATER OPERATIONS DIVISION, TO PPG
INDUSTRIES, MONROEVILLE, PA**

WHEREAS, the Public Works Department, Water Operations Division, has two (2) contracts approved by Council, for the purchase of Accu-tab calcium hypochlorite tablets and Accu-tab Chlorination Systems. The contracts are for the purchase of chlorine tablets and the systems to deliver chlorine to various water well sites. The contracts were issued to the authorized distributor for Accu-Tab products, Clear Solutions West, Atwater, CA, and

WHEREAS, on June 14, 2012, PPG Industries, (PPG), the manufacturer of Accu-Tab calcium hypochlorite tablets and systems, severed their business relationship with their authorized Northern California distributor, Clear Solutions West, Atwater, CA, and

WHEREAS, PPG will provide the Accu-tab calcium hypochlorite tablets and Accu-tab Chlorination Systems direct to their customers and will not use a distributor at this time, and

WHEREAS, PPG has provided a proposal to sell tablets and systems direct to the City of Modesto and honor current pricing, and

WHEREAS, PPG will also provide spare equipment for all warranty issues previously supported by Clear Solutions West, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. However, there are exceptions to the rule set forth in the Modesto

Municipal Code. MMC Section 8-3.204(b) states, "Where the Purchasing Agency's requirements can be met solely by a single article or process." The sole source procurement for the purchase of PPG tablets and systems conforms to the Modesto Municipal Code,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the sole source procurement for the purchase and delivery of Accu-Tab Calcium Hypochlorite tablets, Accu-Tab Powerpro Chlorination Systems and related equipment, for the Public Works Department, Water Operations Division, to PPG Industries, Monroeville, PA, for a one-year agreement, with four (4) one-year extension options at the sole discretion of the City.

BE IT FURTHER RESOLVED that the Purchasing Manager, or his designee, is hereby authorized to issue a purchase agreement for an estimated annual cost of \$170,000.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23rd day of October, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-424**

RESOLUTION APPROVING THE RELEASE OF FUNDS IN THE AMOUNT OF \$165,000 TO PURCHASE AND REHABILITATE REAL PROPERTY WHICH IS LOCATED AT 2513 PESCADERO PLACE TO BE CARRIED OUT BY THE HOUSING AUTHORITY OF THE COUNTY OF STANISLAUS (HACS) AND AUTHORIZE THE CITY MANAGER, OR HIS DESIGNEE, TO SIGN LOAN DOCUMENTS AND ALL RELATED CLOSING DOCUMENTS

WHEREAS, on January 26, 2012 a Special Council Study/Workshop session was held to outline a plan to move forward with expending the remaining NSP2 funds in the NSP2 General Acquisition and Rehabilitation activity, and

WHEREAS, on March 13, 2012, by Resolution 2012-104, Council approved the updated NSP2 Guidelines which included approving the HACS as the sub-recipient to expend the remaining NSP2 funds, and

WHEREAS, on September 4, 2012, City Council, by Resolution No. 2012-361, approved a NSP2 Memorandum of Understanding (MOU) with the HACS to expend the remaining funds budgeted in the NSP2 "General Acquisition and Rehabilitation" activity to not exceed \$2 million, and

WHEREAS, on September 4, 2012, by Resolution No. 2012-362, City Council approved all "boilerplate" loan agreement for the purchase and rehabilitation of 2513 Pescadero Place, and

WHEREAS, the CH&CDC sub-committee recommended the property acquisition and rehabilitation loan for real property located at 2513 Pescadero Place at its September 27, 2012 meeting, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the release of funds in the amount of \$165,000 to purchase and

rehabilitate real property which is located at 2513 Pescadero Place to be carried out by the Housing Authority of the County of Stanislaus that City.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is authorized to execute the loan documents and related closing documents for the release of funds.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23rd day of October, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-427**

RESOLUTION APPROVING A UTILITY AGREEMENT BETWEEN THE CITY OF MODESTO AND COUNTY OF STANISLAUS FOR THE KIERNAN AVENUE WATER MAIN EXTENSION PROJECT, IN AN AMOUNT NOT TO EXCEED \$148,600, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, the County of Stanislaus (County) intends to construct major improvements to the interchange at State Route 99 (SR99) and State Route 219 (SR219) (Kiernan Avenue) in the community of Salida, and

WHEREAS, the City of Modesto owns and maintains existing waterlines within the limits of the County's project, and

WHEREAS, as part of the interchange project, the County will replace the City's existing 8-inch water main with approximately 590 feet of new 16-inch pipeline, within the SR219 bridge crossing over SR99, to increase flow capacity and reliability of the Salida water system, and

WHEREAS, under the provisions of State Government Code, the County is responsible for costs to replace the existing 8-inch water line within the bridge since it will be directly impacted by the interchange project, and

WHEREAS, the City will be responsible for the additional cost to increase the pipeline size to 16 inches, and

WHEREAS, the estimated cost to install a new 16-inch pipeline is \$261,635, and the estimated cost to install a replaced 8-inch pipeline is \$113,035, and

WHEREAS, the City will be responsible for an estimated \$148,600, which is the difference between the estimated costs of the replaced 8-inch and the new 16-inch pipelines, and

WHEREAS, a Utility Agreement is necessary to clearly outline the responsibilities of both the City and the County for installation of the new 16-inch bridge waterline, and

WHEREAS, the draft Agreement was presented by County staff to the Stanislaus County Board of Supervisors at their regular meeting on July 24, 2012, and

WHEREAS, Board Action 2012-387 was approved, which authorized the County Director of Public Works to execute a future Utility Agreement with the City of Modesto for installation of the new 16-inch water pipeline, and

WHEREAS, City staff recommends approving a Utility Agreement with County of Stanislaus to replace the existing water pipeline with a 16-inch water pipeline within the Kiernan Avenue (SR219) bridge over SR99,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Utility Agreement between the City of Modesto and County of Stanislaus for the Kiernan Avenue Water Main Extension project, in an amount not to exceed \$148,600.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23rd day of October, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-428**

RESOLUTION APPROVING THE REVISED EXPENDITURE PLAN FOR THE NEIGHBORHOOD STABILIZATION PROGRAM FOR THE ADDITION OF 29 UNITS OF NEW SENIOR/SPECIAL NEEDS HOUSING, AND A REDUCTION OF THE TOTAL FUNDING ALLOCATION TO THE EMANCIPATED FOSTER AND HOMELESS YOUTH PROGRAM AND AUTHORIZE STAFF TO PREPARE ALL NECESSARY AND SPECIFIC DOCUMENTATION REQUIRED TO ENACT THIS PLAN

WHEREAS, on January 26, 2012 a Special Council Study/Workshop session was held to outline a plan to move forward with expending the remaining NSP2 funds in the NSP2 General Acquisition and Rehabilitation activity, and

WHEREAS, on March 13, 2012, by Resolution 2012-104, Council approved the updated NSP2 Guidelines which included approving the HACS as the sub-recipient to expend the remaining NSP2 funds, and

WHEREAS, on September 4, 2012, City Council, by Resolution No. 2012-361, approved a NSP2 Memorandum of Understanding (MOU) with the HACS to expend the remaining funds budgeted in the NSP2 "General Acquisition and Rehabilitation" activity to not exceed \$2 million, and

WHEREAS, in an effort to ensure that the NSP2 expenditure deadline is met PRND staff were presented with an opportunity to revive two previously approved projects that have been placed on hold due to lack of funding, and

WHEREAS, together with HUD TA, staff proposed adjustments to the NSP Expenditure Plan which includes the amendment of the HACS NSP2 and NSP3 MOUs to include NSP Eligible Use E – Redevelopment in order to create 11 units of new affordable senior housing on Downey Avenue in addition to the existing Housing Authority Acquisition and Rehabilitation Activities, and

WHEREAS, the HACS will utilize a not to exceed \$700,000 in NSP2 funds to acquire the two parcels (416 Downey from the Redevelopment Successor Agency and 412 Downey from CDBG) as well as completing the “pre-development” process, and

WHEREAS, of the \$700,000, \$584,000 will come from acquisition and rehabilitation activity and \$116,000 will come from the unneeded funds from the EFY&HY activity, and

The HACS previously approved allocation of NSP3 funds will remain the same (not to exceed \$998,395). This funding will be used for the construction of the project.

Any additional funds required to complete the project will be paid for by the HACS.

Adding this activity (new development) to the eligible uses will likely result in four (4) to five (5) fewer units being completed in the acquisition and rehabilitation pool, however this project will leverage 11 multi-family units of senior housing.

WHEREAS, the Revised Expenditure Plan also includes the City of Modesto entering into an MOU with STANCO to utilize Eligible Use E – Redevelopment under the NSP2 program in order to complete a previously approved HOME project “Bennett Place” that has also been on hold due to lack of funding, and.

WHEREAS, in order to accomplish this goal, PRND staff recommend the City of Modesto enter into an MOU with STANCO to utilize Eligible Use E – Redevelopment (better known as new construction) under the NSP2 program, and

WHEREAS, in order for the project to be successful an allocation of \$700,000 in NSP2 funds is necessary for predevelopment activities, and

WHEREAS, this funding will come from undistributed funds initially allocated for SCAP/CICV and funds that are not needed in the development of Meadow Glen, the 32 unit EFY&HY activity, and

WEHRAS, \$982,000 in additional funds will be needed and staff anticipates these funds to come from future NSP2 program income, and

WHEREAS, the Revised Expenditure Plan also recommends decreasing the total number of EFY&HY units and funding allocation, and

WHEREAS, the proposed Revised Expenditure Plan will increase the overall NSP2 unit count from 175 to 190 while completing two previously approved projects that have been dormant due to lack of funding, and

WHEREAS, PRND staff will return to Council on November 13, 2012 with all necessary and specific documentation required to enact the proposed Revised Expenditure NSP Plan including any MOU amendments, NSP Substantial Amendment, and all loan documentation, and

WHEREAS, on October 17, 2012 this action was recommended for Council approval by the Citizens' Housing and Community Development Committee.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Revised NSP Expenditure Plan and authorize staff to prepare all necessary and specific documentation required to enact this Plan.

BE IT FURTHER RESOLVED that staff will return to Council on November 13, 2012 with the required documents for Council review prior to implementing the Revised NSP Expenditure Plan.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23rd day of October, 2012, by Councilmember Cogdill, who moved its adoption, which motion being duly seconded by Councilmember Lopez, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-429**

RESOLUTION FINDING THAT THE FOLLOWING SUBSEQUENT PROJECT IS WITHIN THE SCOPE OF THE PROJECT COVERED BY THE MODESTO URBAN AREA GENERAL PLAN MASTER ENVIRONMENTAL IMPACT REPORT (SCH NO. 2007072023): AMENDMENT TO PLANNED DEVELOPMENT ZONE, P-D(585), PROPERTY LOCATED ON THE WEST SIDE OF LINCOLN AVENUE NORTH OF POPPYPATCH DRIVE SOUTH OF PENNY LANE, 421 LINCOLN AVENUE (STANISLAUS COUNTY AFFORDABLE HOUSING CORPORATION)

WHEREAS, on October 14, 2008, the City Council of the City of Modesto certified the Final Master Environmental Impact Report (“Master EIR”) (SCH No. 2007072023) for the Modesto Urban Area General Plan, and

WHEREAS, Stanislaus County Affordable Housing Corporation has proposed an amendment to Planned Development Zone, P-D(585) to expand the uses to allow non-seniors in addition to seniors in a previously-approved 18-unit senior housing development, property located on the west side of Lincoln Avenue north of Poppypatch Drive and south of Penny Lane, and

WHEREAS, pursuant to Section 21157.1 of the Public Resources Code, the City of Modesto’s Community & Economic Development Department prepared an Environmental Assessment Initial Study EA/C&ED EA/C&ED 2008-09, (“Initial Study”) previously prepared for the original approval of P-D(585), which analyzed whether the subsequent project may cause any significant effect on the environment that was not examined in the Master EIR and whether the subsequent project was described in the Master EIR as being within the scope of the report, and

WHEREAS, in accordance with CEQA guidelines beginning on October 5, 2012, the City caused to be published a 20-day notice of the City's intent to make a finding that the subsequent project conforms with the Master EIR, and

WHEREAS, said matter was considered by the City Council at a duly noticed public hearing which was held on October 23, 2012, at 5:30 p.m., in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council has reviewed and considered the Initial Study previously prepared for the original approval of P-D(585), a copy of which is **attached** hereto as **Exhibit "A"**, and incorporated herein by reference, and based on substantial evidence in the Initial Study makes the following findings:

1. An Initial Study was previously prepared by the City of Modesto that analyzed whether the subsequent project may cause any significant effect on the environment that was not examined in the Master EIR and whether the subsequent project was described in the Master EIR as being within the scope of the report.
2. The subsequent project will have no additional significant effect on the environment, as defined in subdivision (d) of Section 21158 of the Public Resources Code that was not identified in the Master EIR.
3. No new or additional mitigation measures or alternatives are required.
4. The subsequent project is within the scope of the project covered by the Master EIR.
5. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the subsequent project or otherwise made conditions of approval of the subsequent project.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Community & Economic Development Director is hereby authorized and directed to file a notice of approval or determination within five (5) business days with the Stanislaus County Clerk pursuant to Section 21152 of the Public Resources Code.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23rd day of October, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following vote:

EXHIBIT A
Initial Study
EA/C&ED 2008-09

City of Modesto

**Finding of Conformance to
General Plan Master EIR:**

Initial Study C&ED No. (2008-09)

For the proposed:

**Rezone from R-2 to Planned Development Zone, P-D, to Facilitate
Development of a 18-Unit Senior Housing Project**

**Prepared by:
City of Modesto
Community & Economic Development Department
Planning Division**

January 22, 2008

**City of Modesto
Master EIR Initial Study Checklist**

I. PURPOSE

CEQA allows for the limited environmental review of subsequent projects under the City's Master EIR. This Initial Study Checklist is used in determining whether the Planned Development Project is "within the scope" of the project analyzed in the Modesto Urban Area General Plan Master EIR (SCH# 1999082041) (Public Resources Code section 21157.1). When the Initial Study supports this conclusion, the City will issue a finding of conformity.

A subsequent project is "within the scope" of the Master EIR when:

1. it will have no additional significant effects on the environment that were not addressed as significant effects in the Master EIR; and
2. no new or additional mitigation measures or alternatives are required.

"Additional significant effects" means a project-specific effect that was not addressed as a significant effect in the Master EIR. (Public Resources Code Section 21158(d))

The determination must be based on substantial evidence in the record. "Substantial evidence" means facts, reasonable assumptions predicated upon facts, or expert opinion based on facts. It does not include speculation or unsubstantiated opinion. (State CEQA Guidelines Section 15384)

II. PROJECT DESCRIPTION

- A. Title: Rezone from R-2 to P-D, Planned Development Zone to Facilitate Development of an 18 unit Senior Housing Project
- B. Address or Location: North side of Poppypatch Dr., west of Lincoln Ave, located at 421 Lincoln Ave.
- C. Applicant: STANCO, 201 E. Rumble Road, Ste. E Modesto, CA 95355
- D. City Contact Person: David Wage

Project Manager: David Wage
Department: Community and Economic Development Department
Phone Number: (209) 577-5267
E-mail address: dwage@modestogov.com

- E. Current General Plan Designations: "MU" Mixed Use
- F. Current Zoning Classification: Medium Density Residential, R-2
- G. Surrounding Land Uses: North: Medium Density Residential, R-2
South: Medium Density Residential, R-2
East: Medium Density Residential, R-2
West: Low Density Residential, R-1

- H. Project Description, including the project type listed in Section II.C (Anticipated Future Projects) of the Master EIR (Attach additional maps/support materials as needed for complete record):

The 36,000 square foot site (.83-acre) project site is currently zoned R-2, Medium Density Residential. There is an existing single family home on the site. The applicant is proposing to rezone the property to P-D, Planned Development Zone, to facilitate development of an 18 unit senior housing project. The units will be covenant restricted for "very low income seniors." The proposed development will include the addition of two residential single story buildings that will contain a total of eight one-bedroom units and ten studio units. The existing home will be redeveloped as a community center to serve the residents.

- I. Other Public Agencies Whose Approval is Required:

None.

III. FINDINGS/DETERMINATION (SELECT ONE ON THE BASIS OF THE ANALYSIS IN SECTION IV)

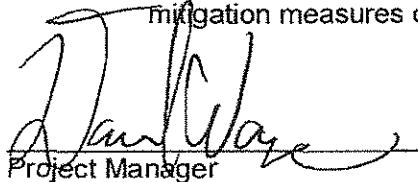

1. X **Within the Scope** - The project is within the scope of the Master EIR and no new environmental document or Public Resources Code Section 21081 findings are required. The following items are found to be true:
- A. The type of project is described in Chapter II of the Master EIR.
 - B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.
 - C. An Initial Study was prepared by the City of Modesto that analyzed whether the proposed subsequent project may cause any significant effect on the environment that was not examined in the MEIR and it has been determined that the project was described in the MEIR as being within the scope of the MEIR.
 - D. Based on the Initial Study, the City of Modesto finds and determines:
 - a) The proposed subsequent project will have no additional significant effect as defined in CEQA Section 21158 that was not identified in the MEIR.
 - b) No new or additional mitigation measures or alternatives are required.
 - E. The criteria for currency of the Master EIR were reviewed (section 5 below) and it was determined that the Master EIR is current for all areas of the Initial Study.

2. **Mitigated Negative Declaration Required** - On the basis of the above determinations, the project is not within the scope of the Master EIR. A mitigated negative declaration will be prepared for the project. The following items are found to be true:

- A. The type of project is described in Chapter II of the Master EIR.
- B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.
- C. The project will have one or more potential new significant effects on the environment that were not addressed as significant effects in the Master EIR. New or additional mitigation measures are being required of the project that will reduce the effects to a less-than-significant level.

3. **Focused EIR Required**- On the basis of the above determinations, the project is not within the scope of the Master EIR. A Focused EIR will be prepared for the project. The following items are found to be true:

- A. The type of project is described in Chapter II of the Master EIR.
- B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.
- C. The project will have one or more new significant effects on the environment that were not addressed as significant effects in the Master EIR. New or additional mitigation measures or alternatives are required as a result.

Assistant Planner
Title

January 22, 2008
Date

4. Within the Scope Analysis of this Document:

The Master EIR permits projects to be found within the scope of the MEIR if certain criteria are met. Basically, if the following statements are found to be true for all 20 sections of this Initial Study, then the project was covered by the MEIR analysis and is within the scope of the MEIR. Any "No" response must be discussed.

- | | YES | NO |
|---|-----|--------------------------|
| (1) The lead agency for subsequent projects shall be the City of Modesto or a responsible agency identified in the Master EIR. | X | <input type="checkbox"/> |
| (2) City policies which reduce, avoid or mitigate environmental effects, will continue to be in effect and therefore would be applied to subsequent projects where appropriate. The policies are described in the list of policies in place and mitigation measures attached to the Initial Study template. | X | <input type="checkbox"/> |
| (3) Federal, State, Regional and Stanislaus County regulations do not change in a manner that is less restrictive on development than current law (i.e., would not offer the same level of protection assumed under the Master EIR). | X | <input type="checkbox"/> |
| (4) No specific information concerning the known or potential presence of significant resources is identified in future reports, or through formal or informal input received from responsible or trustee agencies or other qualified sources. | X | <input type="checkbox"/> |
| (5) The development will occur within the boundaries of the City's planning area as established in this Urban Area General Plan. | X | <input type="checkbox"/> |
| (6) Development within the project will comply with all mitigation measures identified in the General Plan Master EIR. | X | <input type="checkbox"/> |

5. Currency of the Master EIR Document

The MEIR should be reviewed on a regular basis to determine its currency, and whether additional analysis/mitigation should be incorporated into the MEIR via a Supplemental or Subsequent EIR (CEQA Section 21157.6). Staff has reviewed sections 1 through 20 of this document in light of the criteria listed below to determine whether the MEIR is current. The analysis contained within the Master EIR is current as long as the following circumstances have not changed. Any "No" response must be discussed.

- | | YES | NO |
|---|-----|--------------------------|
| (1) Certification of the General Plan Master EIR occurred less than five years prior to the filing of the application for this subsequent project. | X | <input type="checkbox"/> |
| (2) This project was described in the Master EIR and its approval will not affect the adequacy of the Master EIR for any subsequent project because the City can make the following findings: | X | <input type="checkbox"/> |
| (3) No substantial changes have occurred with respect to the circumstances under which the Master EIR was certified. | X | <input type="checkbox"/> |
| (4) No new information, which was not known and could not have been known at the time the Master EIR was certified as complete, has become available. | X | <input type="checkbox"/> |

- (5) Policies remain in place that require site-specific mitigation, and avoidance or other mitigation of impacts as a prerequisite to future development. X

IV. ENVIRONMENTAL ANALYSIS

This Initial Study, in accordance with Section 21157.1(b) of the Public Resources Code, analyzes whether this project may cause any project-specific significant effect on the environment that was not examined in the Final Master EIR (MEIR) for the General Plan and whether new or additional mitigation measures or alternatives may be required as a result. The Initial Study thereby documents whether or not the project is "within the scope" of the Master EIR.

Pursuant to Public Resources Code Section 21157.1, no new environmental document or findings are necessary for projects that are determined to be within the scope of the MEIR. Adoption of a notice of conformity after completion of the Initial Study fulfills the City's obligation in that situation.

All environmental effects cited reflect year 2025 build-out of the Urban Area General Plan as identified in the MEIR.

The Master EIR for the General Plan organizes its analysis of environmental impacts into eighteen subject areas. The following analysis is based on the impact analyses contained in Chapter V of the Master EIR. For ease of cross-reference, the sections are numbered in the same order as the analyses in Chapter V.

In addition to the 18 Master EIR subject areas, the Initial Study checklist addresses the issues of land use/planning and aesthetics. The reason for including these additional issues is to ensure that consideration is being given to the full range of subjects of importance contained in Appendix G of the CEQA Guidelines. The format for the land use/planning and aesthetics sections differs from that of the other 18 subject areas since these two subjects were not addressed as distinct subjects in the Master EIR.

1. TRAFFIC AND CIRCULATION

a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant and unavoidable traffic and circulation impacts within certain areas of the "Baseline Developed Area":

Effect: Increased traffic will result in certain roadway segments operating at LOS "D" or worse.

Effect: The substantial increase in traffic relative to the existing load and capacity of the street system will cause, violation, either individually or cumulatively, of a LOS standard established by the County CMP for designated roads and highways.

Effect: Creation of need for Capacity-enhancing modifications to existing facilities.

Effect: Increase in energy consumption associated with the operation of highway projects, rail improvements, and aviation facilities.

Effect: Severe contrast with existing neighborhood or area character caused by highway and transit projects.

DISCUSSION:

The proposed senior complex is compatible with the existing surrounding residential development located in this neighborhood. Because the project is consistent with the surrounding uses, the proposed project will not change to a level that will cause a change to the existing road capacities or levels of service.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Traffic and Circulation mitigation measures that may be pertinent to this project are found on MEIR pages V-1-15 through V-1-21. All feasible measures appropriate to the project – including any new measures - will be incorporated into or made conditions of approval of this project and will be listed in Section IV, *Mitigation Measures Applied to Project*.

c. Project-Specific Effects

Section V-1.B of the MEIR provides analysis of Traffic and Circulation impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Significance Criteria: A subsequent development project will have a new significant effect on the environment if it would exceed the following criteria:

- | | YES | NO |
|---|--------------------------|-------------------------------------|
| (1) Does the project contribute one hundred (100) or more peak hour trips to or from the site during the adjacent roadway's peak hour or the development's peak hour, to adjoining roads and generates more trips than assumed for their general plan land use category and zoning in the Master EIR. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Note:

If a project exceeds an additional one hundred (100) or more peak hour trips contribution, a site access study may be conducted to determine to what extent the project would exceed the year 2025 level of service (LOS) expected for the adjoining roadways under the Master EIR. The site access study would recommend new, project-specific mitigation measures. If the project also exceeds the Master EIR's traffic generation assumption, as determined by Engineering & Transportation staff, a comprehensive traffic study would be required that will include off-site traffic impact analysis.

- | | YES | NO |
|--|--------------------------|-------------------------------------|
| (2) Substantially increase hazards due to a design feature (e.g., sharp curves or dangerous intersections) or incompatible uses (e.g. farm equipment). | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (3) Result in inadequate emergency access. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (4) Result in inadequate parking capacity. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

DISCUSSION:

- (1) Engineering and Transportation Staff reviewed the proposed project and have no comments pertaining to the project:
 - A. The proposed project will not generate traffic impacts to the adjacent roadways in excess of what was assumed under the MEIR. No traffic study is required.
 - B. A site access study is not required for this project.
- (2) The project will not substantially increase hazards due to a design feature (e.g., sharp curves or dangerous intersections) or incompatible uses (e.g. farm equipment). The City Engineering and Traffic Department has evaluated the project and has determined that the existing design layout of the project is in accordance to City standards.
- (3) Police and Fire Staff have reviewed this proposal and have indicated that there is no emergency access problem.
- (4) The proposed Senior Complex is parked at on-site space per-unit (18 spaces) which is adequate for the proposed project and consistent with past precedent for senior projects in the City of Modesto.

2. AIR QUALITY

a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to air quality:

Effect: Projected City traffic levels will result in increased ambient carbon monoxide (CO) levels in the project area. *This is a significant and unavoidable impact.*

Effect: Projected City traffic levels will result in increased ROG and NOX levels in the project area. *This is a significant and unavoidable impact.*

b. Master EIR and/or New Mitigation Measures Applied to the Project

Air Quality mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-2-11 through V-2-18 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project and are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

Mitigation Measures appropriate to this project include: AQ-17

c. Project-Specific Effects

Section V-2.B of the MEIR provides analysis of Air Quality impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- | | | YES | NO |
|-----|--|--------------------------|----|
| (1) | The project exceeds the emissions thresholds established for CO and NOx by the San Joaquin Valley Unified Air Pollution Control District's (SJVUAPCD) adopted CEQA Guidelines. | <input type="checkbox"/> | X |
| (2) | The project does not incorporate the best management practices for PM10 reduction established by the SJVUAPCD. | <input type="checkbox"/> | X |
| (3) | The project does not comply with the air quality policies of the Modesto Urban Area General Plan. | <input type="checkbox"/> | X |
| (4) | The project would expose sensitive receptors to substantial pollutant concentrations. | <input type="checkbox"/> | X |
| (5) | The project would create objectionable odors affecting a substantial number of people. | <input type="checkbox"/> | X |

DISCUSSION:

- (1) The project was referred to the San Joaquin Valley Unified Air Pollution Control District who determined that the project would not have a significant effect on the ambient air quality.
- (2) This project does incorporate the best management practices for PM10 reduction established by the SJVUAPD (see mitigations measures above).
- (3) Applicable General Plan Policies will be applied to the project. Therefore, project-specific effects will be less than significant for this impact (see mitigations measures above).
- (4) The project is not a significant contributor to pollution levels. PM10 emissions created through any construction will be mitigated as called for by the MEIR by the measures listed above.
- (5) The proposed project will not produce objectionable odors.

3. NOISE

a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant and unavoidable environmental impacts relative to noise:

Effect: Traffic noise levels for future conditions in the plan area have the potential to result in an excess of the City's Noise Significance Standards.

Effect: Noise level projections based on the traffic levels anticipated in the General Plan indicate that noise will exceed the City's General Plan and noise ordinance standards.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Noise policies and mitigation measures pertinent to the project being analyzed in this Initial Study are found on pages V-3-10 through V-3-15 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project and any new measures are listed in Section IV, Mitigation Applied to Project:

DISCUSSION:

Mitigation Measures appropriate to this project include: N-4, N-5 and N-6.

c. Project-Specific Effects

Section V-3.B of the MEIR provides analysis of noise impacts of development of the General Plan; the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- | | | YES | NO |
|-----|--|--------------------------|----|
| (1) | The project will exceed the standards for noise level and hours of operation established by the Modesto noise ordinance. | <input type="checkbox"/> | X |
| (2) | The project will exceed the noise policies of or otherwise be inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | X |
| (3) | The project will result in a substantial permanent increase in ambient noise levels in the project vicinity above levels existing without the project? | <input type="checkbox"/> | X |
| (4) | The project will result in a substantial temporary or periodic increase in ambient noise levels in the project vicinity above levels existing without the project. | <input type="checkbox"/> | X |

DISCUSSION:

- (1) The City's noise policy is incorporated into the conditions of approval as a mitigation measure.
- (2) The project is consistent with the noise policies of the General Plan. The noise mitigation measures called for by the General Plan for projects within the baseline-developed area are incorporated into the conditions of approval for the project.
- (3) The only permanent noise levels produced by the project would be associated with traffic. The increased traffic levels are within the scope of what the MEIR assumed for the site. Therefore, this project will not result in a substantial permanent increase in ambient noise levels.
- (4) The project will not result in a substantial temporary or periodic increase in ambient noise levels in the project vicinity. There will be some construction related noise, but the noise mitigation measures called for by the General Plan for projects within the baseline developed area, are incorporated into the conditions of approval for the project.

4. AGRICULTURAL LANDS

a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to agricultural lands:

Effect: Development within the urbanized Baseline Developed Area and Redevelopment Area will have a less-than-significant impact on agricultural lands.

Effect: Conversion of agricultural land will occur as available developable land is occupied within the City. This is a significant and unavoidable impact.

Effect: Growth within Modesto’s planning area would contribute considerably to the loss of agricultural land within Stanislaus County. This is a significant and unavoidable cumulative impact.

DISCUSSION:

The site is not zoned for agriculture or designated on the General Plan for future agricultural use. The proposed project will not affect areas zoned for agriculture or designated on the General Plan for future agricultural use. The project is an infill development and the surrounding properties are located within a fully developed urbanized area.

b. Master EIR and/or New Mitigation Measures Pertinent to the Project

Agricultural Land mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-4-7 and V-4-8 MEIR. All feasible measures appropriate to the project and any new mitigation to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Applied to Project:

DISCUSSION:

There are no mitigation measures applicable to this project.

c. Project-Specific Effects

Section V-4.B of the MEIR provides analysis of Agricultural Lands impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- | | YES | NO |
|--|--------------------------|---------------------------------------|
| (1) The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | <input checked="" type="checkbox"/> X |
| (2) The project will directly result in the development of land outside the March 2003 planning area boundaries. | <input type="checkbox"/> | <input checked="" type="checkbox"/> X |
| (3) The project will Conflict with existing zoning for agricultural use, or a Williamson Act contract. | <input type="checkbox"/> | <input checked="" type="checkbox"/> X |

- (4) The project will involve other changes in the existing environment which, due to their location or nature, could result in conversion of Farmland, to non-agricultural use. X

DISCUSSION:

- (1) The project is consistent with the General Plan land use policies. It is an infill project, proposed within the urbanized area of the City. There are no agricultural parcels affected by the proposal and no agricultural and will be converted.
- (2) The project is within the Baseline-Developed area of the City and therefore will not result in the development of land outside the March 2003 planning area boundaries.
- (3) The project site is not zoned for agriculture nor is it under Williamson Act contract.
- (4) The project will not involve changes to the existing environment that could result in the conversion of farmland to non-agricultural uses. The project is completely surrounded by urbanized land.

5. WATER SUPPLY

a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to water supply:

Effect: Urban Area General Plan policies are established to limit groundwater extractions to the safe yield of the aquifer and thereby avoid aquifer over drafting. In addition, the UWMP requires that new urban development would proceed in conjunction with the availability of water supplies and distribution facilities. It is assumed that increased entitlement of surface water supplies such as a water transfer from another water purveyor would undergo independent environmental review pursuant to CEQA. *This is a less-than-significant impact.*

Effect: Development to the future projected City population would require expansion of the MRWTP to its full 60 mgd capacity, development of additional groundwater wells, and construction of additional water distribution and treatment facilities. Construction of some of the required facilities would most likely require site-specific environmental impact assessments to be conducted under CEQA. *Consequently, the potential environmental impacts of the Urban Area General Plan are considered less-than-significant.*

Effect: During drought years, despite available options, significant water shortages are forecast for the San Joaquin River basin by the year 2020. Modesto would make a cumulatively considerable contribution to the cumulative impact on water supply under drought conditions. *This is a significant and unavoidable cumulative impact.*

b. Master EIR and/or New Mitigation Measures Applied to the Project

Water Supply mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-5-7 through V-5-8 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

There are no mitigation measures applicable to this project.

c. Project-Specific Effects

Section V-5.B of the MEIR provides analysis of Water Supply impacts of development of the General Plan; the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- | | YES | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | X |
| (2) Sufficient water supplies are not available to serve the project from existing entitlements and resources, new or expanded entitlements are needed. | <input type="checkbox"/> | X |

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan both in land use and intensity. The Mixed-Use General Plan designation allows a "recommended intensity of 14 dwelling units per acre," for the subject mixed use area. The Mixed-use area which surrounds the subject property is currently developed at density of 7.8 units per acre. The Mixed-use area could reach a density of 10.4 units per acre, assuming the build out of all undeveloped properties in the Mixed-use area at the maximum density. The proposed project will not result in a density greater than what is permitted in the General Plan for a Mixed-use area. The project is consistent with the General Plan.
- (2) The project was referred to Engineering and Transportation for comment and there was no determination that there is insufficient capacity to serve the project.

6. SANITARY SEWER SERVICES

a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to sanitary sewer services:

Effect: The City has already begun to implement the provisions of the Wastewater Master Plan (WMP) to meet future demand for sanitary sewer services. As City wastewater treatment facilities are expanded to meet the needs of the Baseline Developed, Redevelopment, and Planned Urbanizing Areas, the City will obtain the necessary wastewater discharge and NPDES permits from the Central Valley RWQCB, as required under Urban Area General Plan Policy V-D.2(a). Implementing the WMP, requirement of Best Management Practices for post-construction activities, as well as the Urban Area General Plan policy cited above, will avoid violation of wastewater discharge requirements. *As a result, this impact would be less-than-significant.*

Effect: The City has adopted the WMP specifically to ensure that sewer capacity will match the level of growth projected by the Urban Area General Plan. Development within the Baseline

Developed and the Planned Urbanizing Areas that is consistent with the Urban Area General Plan will not have a significant effect on capacity. Urban Area General Plan Policy III-D.1(d) will ensure that development in the Planned Urbanizing Area will fund the necessary improvements. *This is a less-than-significant impact.*

Note on the WMP Master EIR. The WMP Master EIR identified a number of impacts and mitigation measures. Its mitigation measures have been adopted by the City and are being implemented by the City under the WMP. Those impacts are being independently addressed under that Master EIR and do not need to be considered under this Initial Study. Refer to the WMP Master EIR for details.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Sewer Service mitigation measure(s) pertinent to the project being analyzed in this Initial Study, are found on pages V-6-4 through V-6-7 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

There are no mitigation measures applicable to this project.

c. Project-Specific Effects

Section V-6.B of the MEIR provides analysis of Sanitary Sewer Service impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- | | YES | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | X |
| (2) The project will result in a determination by the wastewater treatment provider which serves or may serve the project that it has inadequate capacity to serve the project's projected demand in addition to the provider's existing commitments. | <input type="checkbox"/> | X |

DISCUSSION:

(1) The project is consistent with the Modesto Urban Area General Plan both in land use and intensity. The Mixed-Use General Plan designation allows a "recommended intensity of 14 dwelling units per acre," for the subject mixed use area. The Mixed-use area which surrounds the subject property is currently developed at density of 7.8 units per acre. The Mixed-use area could reach a density of 10.4 units per acre, assuming the build out of all undeveloped properties in the Mixed-use area at the maximum density. The proposed project will not result in a density greater than what is permitted in the General Plan for a Mixed-use area. The project is consistent with the General Plan.

(2) The project was referred to Engineering and Transportation for comment and there was no indication that there is insufficient capacity to serve the project.

7. SENSITIVE WILDLIFE AND PLANT HABITAT

a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to sensitive wildlife and plant habitat:

Effect: Although many sensitive species live in riparian habitats within the planning area, the policies of the plan will ensure that impacts of the Urban Area General Plan will be less-than-significant.

Effect: Requiring higher residential density than the suburban norm and a compact pattern of growth within the designated planning area to the year 2025 will minimize the City's contribution to the cumulative loss of habitat. Nonetheless, this is a significant and unavoidable impact.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Wildlife and Plant Habitat mitigation measure pertinent to the project being analyzed in this Initial Study are found on pages V-7-19 through V-7-21. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

There are no mitigation measures applicable to this project regarding sensitive wildlife and plant habitat. The project site is not a biologically sensitive site as defined by Figures V-7-1a through V-7-1e of the MEIR.

c. Project-Specific Effects

Section V-7.B of the MEIR provides analysis of Wildlife and Plant Habitat impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- | | YES | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | X |
| (2) Consultation with the California Department of Fish and Game or the U.S. Fish and Wildlife Service determines that the project would have a significant effect on special status species. | <input type="checkbox"/> | X |
| (3) Conflict with any local policies or ordinances protecting biological resources, such as a tree preservation policy or ordinance. | <input type="checkbox"/> | X |

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan both in land use and intensity.

- (2) The project site is not a biologically sensitive site as defined by Figures V-7-1a through V 7-1e of the MEIR. The California Department of Fish and Game and the U.S. Fish and Wildlife Service were consulted in the production of the MEIR.
- (3) There is no conflict with any local policies or ordinances protecting biological resources.

8. ARCHAEOLOGICAL OR HISTORICAL SITES

a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to archaeological or historical sites:

Effect: If a site-specific project involves the modification or demolition of a qualifying structure more than 50 years in age, then the impact will be significant.

Effect: Areas of high probability for archaeological resources are located within the riparian corridors along the Tuolumne River, Dry Creek, and the Stanislaus River. There, the potential impact comes from earthmoving activities that could result in disturbance of resources or human remains. There is a low probability that archaeological resources will be uncovered in areas outside of the riparian corridors.

Effect: The City Zoning Ordinance requires that when substantial changes to a structure are proposed, the development will be required to comply with other Zoning Ordinance provisions such as parking or landscaping requirements. This could result in modifications to the structure, which substantially reduce its historical significance. This would be a less-than-significant impact with the imposition of new mitigation measure Cultural-1.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Archaeological or Historic mitigation measures pertinent to the project being analyzed in this Initial Study are found on page V-8-13 and V-8-14 MEIR.

DISCUSSION:

Mitigation Measures applicable to this project include: AH-8, Master EIR.

c. Project-Specific Effects

Section V-8.B of the MEIR provides analysis of Archaeological/Historical impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- | | | |
|---|--------------------------|----|
| | YES | NO |
| (1) The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | X |
| (2) The project would adversely affect a cultural resource that is either listed or eligible for listing in the California Register of Historical Resources, or that is listed by the City of Modesto as a Designated Landmark Preservation Site. | <input type="checkbox"/> | X |

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan in both land use and intensity.

- (2) The project would not adversely affect a cultural resource that is either listed or eligible for listing in the California Register of Historical Resources, or that is listed by the City of Modesto as a Designated Landmark Preservation Site. The mitigation measure called for by the General Plan is incorporated into the conditions of approval for the project.

9. STORM DRAINAGE

a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to storm drainage:

Effect: The potential impacts on storm water drainage that could occur from the project were qualitatively evaluated with respect to several factors including: extent of the projected increase in urban surface area compared to undeveloped ground; magnitude of projected changes to hydrologic and physical site characteristics of the study area compared to existing conditions; regulatory criteria and guidelines; and professional judgment. Because the Urban Area General Plan includes policies that require new development in all three sections of the planning area to install approved drainage facilities, the potential impacts of the Urban Area General Plan on storm water drainage are considered *less-than-significant*.

Effect: The population of Stanislaus County is projected to increase in a fashion similar to that of Modesto, resulting in additional urban development and associated increases in impervious areas and associated urban storm water drainage. Cumulative hydrologic impacts of storm water flows from Modesto urban areas and other areas of the County could occur due to the fixed capacity of MID and TID irrigation canals to convey drainage west to the San Joaquin River. If drainage channels in some areas prove insufficient to handle the increased drainage discharges, existing storm water runoff from urban and agricultural areas during large storm events would have to be interrupted until water levels receded to a point allowing the resumption of discharges to the channel. Ceasing discharges to drainage channels could cause inundation in and around the drainage conveyance pipeline systems, surface drainage channels, detention basins, and other urban areas. *This cumulative impact is considered significant and unavoidable.*

b. Master EIR and/or New Mitigation Measures Applied to the Project

Storm Drainage mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-9-4 through V-9-8.

DISCUSSION:

Mitigation measures appropriate to this project include: SD-7, MEIR. This mitigation measure is addressed by conditions of approval.

c. Project-Specific Effects

Section V-9.B of the MEIR provides analysis of Storm Drainage impacts of development of the General Plan; the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- | | YES | NO |
|--|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | X |
| (2) The project would substantially increase the rate or amount of surface runoff in a manner that would result in flooding on- or offsite. | <input type="checkbox"/> | X |
| (3) Create or contribute runoff water that would exceed the capacity of existing or planned storm water drainage systems or provide substantial additional sources of polluted runoff. | <input type="checkbox"/> | X |

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan both in land use and intensity. The Mixed-Use General Plan designation allows a "recommended intensity of 14 dwelling units per acre," for the subject mixed use area. The Mixed-use area which surrounds the subject property is currently developed at density of 7.8 units per acre. The Mixed-use area could reach a density of 10.4 units per acre, assuming the build out of all undeveloped properties in the Mixed-use area at the maximum density. The proposed project will not result in a density greater than what is permitted in the General Plan for a Mixed-use area. The project is consistent with the General Plan.
- (2) The project does not propose to increase the impervious surface, the residential development already exists. The project will meet the standards contained in the "Guidance Manual for New Development-Storm Water Quality Control Measures," adopted by the City as required by the above-listed mitigation measures.
- (3) The project will not contribute additional water runoff that would exceed the capacity of the storm drainage system.

10. FLOODING AND WATER QUALITY

a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to flooding and water quality:

Effect: Increased runoff can accelerate soil erosion, stream channel scouring, and sedimentation of channels, and also increase pollutant transport to waterways. The potential impacts of the project on flooding are considered less-than-significant because the Urban Area General Plan Update includes policies to restrict development in the floodplain and therefore would avoid exposing persons and property to flood hazards. In addition, new development under the Urban Area General Plan is required to install storm water drainage facilities that restrict the amount of post-development runoff from exceeding pre-development conditions.

Effect: The potential impacts of the project on surface-water quality are considered less-than-significant because the City policies and capital improvement projects for storm water drainage facilities would minimize discharges of urban pollutants to natural waterways. The City drainage program policies require new development to prepare drainage plans and implement urban

runoff control measures; larger Specific Plan developments must have storm drainage systems designed to control pollutant runoff. The City's implementation policies for the municipal NPDES storm water permit require new development to implement an appropriate selection of permanent pollution control measures. Permanent erosion control measures such as seeding and planting vegetation for new cut-and-fill slopes, directing runoff through vegetation, or otherwise reducing the offsite discharge of particulates and sediment are the most effective method of controlling offsite discharges of urban pollutants.

Effect: The City's future development will contribute to cumulative water quality effects. EPA regulations for NPDES storm water permits and new proposed regulatory additions to the rules have become much more comprehensive in recent years and are being implemented to reduce pollutant runoff from both large- and small-scale activities. Implementation of NPDES-permitting programs throughout the county will reduce potential water-quality impacts to a less-than-significant level.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Flooding and Water Quality mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-10-7 through V-10-10 MEIR. All feasible measures appropriate to the project have been incorporated into the conditions of approval.

DISCUSSION:

Mitigation measures appropriate to this project include: FWQ-14, MEIR. This mitigation measure is addressed by conditions of approval.

c. Project-Specific Effects

Section V-10.B of the MEIR provides analysis of Flooding and Water Quality impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project does not comply with the regulatory requirements of the federal Clean Water Act or the State Porter-Cologne Act.	<input type="checkbox"/>	X
(3) The project does not comply with Modesto's Guidance Manual for New Development Storm water Quality Control Measures.	<input type="checkbox"/>	X
(4) The project would create or contribute runoff water, which would exceed the capacity of existing or planned storm water drainage systems or provide substantial additional sources of polluted runoff.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan both in land use and intensity. The Mixed-Use General Plan designation allows a "recommended

intensity of 14 dwelling units per acre," for the subject mixed use area. The Mixed-use area which surrounds the subject property is currently developed at density of 7.8 units per acre. The Mixed-use area could reach a density of 10.4 units per acre, assuming the build out of all undeveloped properties in the Mixed-use area at the maximum density. The proposed project will not result in a density greater than what is permitted in the General Plan for a Mixed-use area. The project is consistent with the General Plan.

- (2) The project would comply with the Federal Clean Water Act and the Porter Cologne Act requirements.
- (3) The project will comply with the Guidance Manual for New Development Storm Water Quality Control Measures.
- (4) The project would not create or contribute to runoff water in excess of the capacity of existing or planned storm water drainage systems or provide additional sources of polluted runoff.

11. PARKS AND OPEN SPACE

a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to parks and open space:

Effect: Within the Baseline Developed and Redevelopment Areas, the Urban Area General Plan does not propose any elimination of existing park and/or open space land. *Impacts on parks and open space will be less-than-significant.*

Effect: The projected population of the Planned Urbanizing Area is 148,600, requiring 149 acres of neighborhood parks and 298 acres of community parks. The required minimum acreages can be met through the application of existing policies and regulations, including Government Code Section 66474, which require developers to pay Parks Capital Facilities Fees to fund the acquisition of appropriate parkland acreage. *This impact is less-than-significant.*

b. Master EIR and/or New Mitigation Measures Applied to the Project

Parks and Open Space Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-11-4 through V-11-19 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project, are listed in Section IV, Mitigation Applied to Project:

DISCUSSION:

There are no mitigation measures applicable to this project. It is not near any of the riparian area identified by Figures V-7-1a through V-7-1e of the MEIR.

c. Project-Specific Effects

Section V-11.B of the MEIR provides analysis of Parks and Recreation impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- | | YES | NO |
|---|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan both in land use and intensity. The Mixed-Use General Plan designation allows a "recommended intensity of 14 dwelling units per acre," for the subject mixed use area. The Mixed-use area which surrounds the subject property is currently developed at density of 7.8 units per acre. The Mixed-use area could reach a density of 10.4 units per acre, assuming the build out of all undeveloped properties in the Mixed-use area at the maximum density. The proposed project will not result in a density greater than what is permitted in the General Plan for a Mixed-use area. The project is consistent with the General Plan.

12. SCHOOLS

a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to schools:

Effect: The estimated increase in population over 1994/1995 would generate an additional 29,200 elementary school students, 7,330 middle school students, and 14,640 high school students above those enrollments. Assuming that existing facilities cannot sufficiently accommodate this increase and that all of the new students would require new school facilities, build out of the General Plan would result in the need for approximately 37 elementary schools, 8 middle schools, and 7 high schools beyond 1994/1995 levels. This would result in a significant impact on schools in that it would exceed current capacity. By statute, this impact is considered to be mitigated below a level of significance by payment of school impact fees and exercise of any or all of the financing options set out in Government Code Section 65997.

b. Master EIR and/or New Mitigation Measures Applied to the Project

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan.). As long as all anticipated subsequent projects apply these policies, no new mitigation is necessary. Further, payment of school impact fees and compliance with SB 50 is statutorily deemed to be full mitigation of school impacts (Government Code Section 65995). The proposed additional school policy will address the situation that would arise should AB 50 be repealed. It will authorize impact fees or other methods to finance additional school facilities.

The following schools mitigation measure(s) are pertinent to the project being analyzed in this Initial Study. See pages V-12-4 through V-12-7 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section IV, Mitigation Applied to Project:

DISCUSSION:

There are no mitigation measures applicable to this project.

c. Project-Specific Effects

Section V-12.B of the MEIR provides analysis of Schools impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- | | YES | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | X |
| (2) The project does not comply with SB 50/Proposition 1A funding provisions, or succeeding measures which provide that compliance results in less-than-significant impacts on schools. | <input type="checkbox"/> | X |

DISCUSSION:

- (1) The project is consistent with the General Plan in both land use and intensity.
- (2) The project was referred to Modesto City Schools who indicated no opposition to the project.

13. POLICE SERVICES

a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to police services:

Effect: The 1995 Master EIR identified two impacts on the demand for police services; however, it concluded that no significant impact, based on the mitigation measures identified in the 1995 Master EIR, would occur. Those mitigation measures are now policies of the Urban Area General Plan. *The impact is less-than-significant.*

Effect: Within the Planned Urbanizing Area, complying with the Urban Area General Plan policies, particularly the policy that requires a long-range financing strategy for each Comprehensive Plan Area, will allow the City to provide the resources necessary to extend service to the newly growing Planned Urbanizing areas. *These policies reduce the impact to a less-than-significant level.*

b. Master EIR and/or New Mitigation Measures Applied to the Project

Police Services mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-13-3 and V-13-4 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

No mitigation measures are applicable to this project.

c. Project-Specific Effects

Section V-13.B of the MEIR provides analysis of police services impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- | | YES | NO |
|--|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | X |
| (2) The project would result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives. | <input type="checkbox"/> | X |

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan both in land use and intensity. The Mixed-Use General Plan designation allows a "recommended intensity of 14 dwelling units per acre," for the subject mixed use area. The Mixed-use area which surrounds the subject property is currently developed at density of 7.8 units per acre. The Mixed-use area could reach a density of 10.4 units per acre, assuming the build out of all undeveloped properties in the Mixed-use area at the maximum density. The proposed project will not result in a density greater than what is permitted in the General Plan for a Mixed-use area. The project is consistent with the General Plan.
- (2) The project would not result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives. The project meets City Standards for emergency services access.

14. FIRE SERVICES

a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to fire services:

Effect: The Baseline Developed Area and Redevelopment Area are already developed. *Impacts on fire services of development in these areas will be less-than-significant.*

Effect: In the Planned Urbanizing Area, the Urban Area General Plan would result in the need for additional fire protection services due to increases in the number of employees, permanent population, and associated improvements. City policy requires that fire protection be in place concurrent with construction in the Planned Urbanizing Area. This policy will be implemented with the adoption of future Comprehensive Plans in the Planned Urbanizing Area. *This impact would be less-than-significant.*

b. Master EIR and/or New Mitigation Measures Applied to the Project

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Fire Services mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-14-3 through V-14-5 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project. are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

No mitigation measures are applicable to this project.

c. Project-Specific Effects

Section V-14.B of the MEIR provides analysis of fire services impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-than significant unless:

- | | YES | NO |
|--|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | X |
| (2) The project would result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives. | <input type="checkbox"/> | X |

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan both in land use and intensity. The Mixed-Use General Plan designation allows a "recommended intensity of 14 dwelling units per acre," for the subject mixed use area. The Mixed-use area which surrounds the subject property is currently developed at density of 7.8 units per acre. The Mixed-use area could reach a density of 10.4 units per acre, assuming the build out of all undeveloped properties in the Mixed-use area at the maximum density. The proposed project will not result in a density greater than what is permitted in the General Plan for a Mixed-use area. The project is consistent with the General Plan.
- (2) The project would not result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives. The project meets City Standards for emergency services access.

15. SOLID WASTE

a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to solid waste:

Effect: New development projects would exceed available landfill capacity, it is identified as a significant impact. The Fink Road Landfill may be closed by the time the City reaches build out, unless an expansion is approved by the County and the Integrated Waste Management Board. As the waste stream generated increases with population, additional landfills and methods for diversion would have to be utilized. New projects will also generate the need for additional collection and transfer facilities. This impact is significant and unavoidable. *The impact would be less-than-significant at such time as the Fink Road Landfill expansion is approved.*

Effect: New development projects can make a considerable contribution to the cumulative impact on landfill capacity of development in Stanislaus County. *This impact is significant and unavoidable.*

b. Master EIR and/or New Mitigation Measures Applied to the Project

Solid Waste Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-15-5 and V-15-6 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Applied to Project:

DISCUSSION:

No mitigation measures are applicable to this project.

c. Project-Specific Effects

Section V-15.B of the MEIR provides analysis of solid waste impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- | | YES | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | X |
| (2) The County is unable to expand its solid waste disposal capacity and the project would result in waste stream levels that exceed disposal capacity. | <input type="checkbox"/> | X |

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan "MU" (Mixed Use) designations in both land use and intensity.
- (2) This project was referred to the County and Solid Waste Division of the Engineering and Transportation Division for review, and no indication was given that there would be a problem serving this project.

16. HAZARDOUS MATERIALS

a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to hazardous materials:

Effect: The impacts of the project relative to hazardous materials are less-than-significant, based on the existing regulatory framework. New development will be required to comply with regulations monitoring and controlling the handling and use of hazardous and toxic materials.

b. Master EIR and/or New Mitigation Measures Applied to the Project

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under federal, state and county policies and regulations, and the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Hazardous Materials Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-16-9 through V-16-12 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

No mitigation measures are applicable to this project.

c. Project-Specific Effects

Section V-16.B of the MEIR provides analysis of hazardous materials impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- | | YES | NO |
|--|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | X |
| (2) The project does not comply with all applicable federal, state, and county standards and regulations relative to the handling, storage, disposal, and transport of hazardous or toxic materials or wastes. | <input type="checkbox"/> | X |
| (3) The project contains a contaminated site not identified as of March 2003. | <input type="checkbox"/> | X |
| (4) The project would emit hazardous emissions or handle hazardous or acutely hazardous materials, substances, or waste within one-quarter mile of an existing or proposed school. | <input type="checkbox"/> | X |
| (5) The project would be located on a site which is included on a list of hazardous materials sites compiled pursuant to Government Code | <input type="checkbox"/> | X |

Section 65962.5 and as a result, would create a significant hazard to the public or the environment.

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General "MU" (Mixed Use) designations in both land use and intensity.
- (2) This is an infill project, which involves the an existing residential project to be converted to residential condominiums. No hazardous materials will be involved with this project.
- (3) The project site is not known to contain any contaminants.
- (4) The project would not emit hazardous emissions or handle hazardous or acutely hazardous materials, substances, or waste.
- (5) The project would not be located on a site, which is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and as a result, would not create a significant hazard to the public or the environment.

17. LANDSLIDES AND SEISMIC ACTIVITY

a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to landslides and seismic activity:

Effect: There are areas of known sand and gravel resources within the Baseline Developed Area and Redevelopment Area. Future development will be subject to SMARA requirements, therefore, *the project impact will be less-than-significant.*

Effect: There are areas of known sand and gravel resources within the Planned Urbanizing Area. Future development will be subject to SMARA requirements, therefore, *the project impact will be less-than-significant.*

b. Master EIR and/or New Mitigation Measures Applied to the Project

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Landslide and Seismic Activity Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-17-6 and V-17-7 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

No mitigation measures are applicable to this project.

c. Project-Specific Effects

Section V-17.B of the MEIR provides analysis of landslides and seismic impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- | | YES | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | X |
| (2) The project would be located on soil that is unstable, or that would become unstable as a result of the project, and potentially result in on or off-site landslide, lateral spreading, subsidence, liquefaction or collapse. | <input type="checkbox"/> | X |

DISCUSSION:

- (1) The project is consistent with the General Plan in both land use and intensity.
- (2) The project would not be located on soil that is unstable, or that would become unstable as a result of the project.

18. ENERGY

a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to energy:

Effect: The Baseline Developed Area and Redevelopment Area are already developed. New development within the Redevelopment Area will comply with Title 24 standards as well as City Urban Area General Plan policies. *Impacts on energy by development in these areas (i.e., changes in levels of use above the current baseline) will be less-than-significant.*

Effect: Build out under the Urban Area General Plan will utilize an estimated 1,400 million cubic feet per month of natural gas, 1,300 million kilowatt hours (kwh) of electricity per year and 650,000 gallons of gasoline per day. PG&E has indicated that they have at the current time sufficient supplies of natural gas to serve the increased natural gas demands of the project. At present, gasoline supplies are apparently sufficient to serve the gasoline demands of the project. Title 24 of the California Code of Regulation, which ensures that the project will not exceed local, state, and federal energy standards. *The impact is less-than-significant.*

b. Master EIR and/or New Mitigation Measures Applied to the Project

The following energy mitigation measure(s) are pertinent to the project being analyzed in this Initial Study. See page V-18-3 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section IV, Mitigation Applied to Project.

DISCUSSION:

No mitigation measures are applicable to this project.

c. Project-Specific Effects

Section V-18.B of the MEIR provides analysis of energy impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- | | | | |
|-----|---|--------------------------|----|
| | | YES | NO |
| (1) | The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | X |

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan "MU" (Mixed Use) designations in both land use and intensity.

19. PLANNING AND LAND USE

The Master EIR was certified for the Modesto Urban Area General Plan. The significant effects described in the 18 subject areas contained in the Master EIR are based on the planning policies and diagrams adopted as part of the General Plan. Planning and land use were not among the 18 subject areas analyzed in the Master EIR because they essentially defined the project being evaluated in the EIR.

a. Project-Specific Effects

Determination of project effects will be based on the following threshold. A project-specific effect is less-than-significant unless:

- | | | | |
|-----|--|--------------------------|----|
| | | YES | NO |
| (1) | The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | X |
| (2) | The project includes a substantive amendment to the Modesto Urban Area General Plan. | <input type="checkbox"/> | X |
| (3) | The project would physically divide an established community | <input type="checkbox"/> | X |

Discussion:

- (1) The project is consistent with the Modesto Urban Area General Plan "MU" (Mixed Use) designations in both land use and intensity.
- (2) No amendment to the General Plan is required by this project.
- (3) The project is an infill project that will not result in division of a community.

20. AESTHETICS

The Master EIR was certified for the Modesto Urban Area General Plan. The significant effects described in the 18 subject areas contained in the Master EIR, are based on the planning

policies and diagrams adopted as part of the General Plan. At that level of detail, no significant effects on aesthetics were identified.

a. Project-Specific Effects

Determination of project effects will be based on the following threshold. A project-specific effect is less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project would have a substantial adverse effect on a scenic vista.	<input type="checkbox"/>	X
(3) The project would substantially degrade the existing visual character or quality of the project site and its surroundings.	<input type="checkbox"/>	X
(4) The project would create a new source of substantial light and glare, which would adversely affect day or nighttime views in the area.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the General Plan in both land use and intensity.
- (2) There are no Scenic Vistas from the location of the proposed development. It is completely surrounded by urbanization. Views to the Diablo and Sierra Mountain Ranges are already precluded from this site and its surroundings.
- (3) The project would not substantially degrade the existing visual character or quality of the project site and its surroundings.
- (4) The project would not create a substantial source of light or glare that would adversely affect daytime or nighttime views in the area. The development is already existing.

V. MITIGATION MEASURES APPLIED TO THE PROJECT

A. Master EIR Mitigation Measures Applied to the Project

Pursuant to CEQA Section 21157.1 (c), in order for a Finding of Conformance to be made, all feasible measures from the Master EIR appropriate to the project shall be incorporated into the project. The following adopted General Plan Policies and Master EIR Mitigation Measures (also contained in Section III, "Global List") shall be made part of the project prior to approval by means of conditions of project approval or incorporation into the appropriate document or plan:

All applicable and appropriate mitigation measures have been applied to the project.

Traffic and Circulation Measures:

N/A

Air Quality Measures:

1. When materials are transported off-site, all material shall be covered, or effectively wetted to limit visible dust emissions, and at least six inches of freeboard space from the top of the container shall be maintained.

Noise Measures:

1. The City's noise ordinance (Modesto Municipal Code Section 4-9.101) prohibits the "loud and raucous discharge into the open air of the steam of any steam equipment or exhaust from any stationary internal-combustion engine."

The noise ordinance prohibits the loud and raucous operation or use of any of the following before 7:00 a.m. or after 9:00 p.m. daily (except Saturday and Sunday and State or federal holidays, when the prohibited time shall be before 9:00 a.m. and after 9:00 p.m.):

- A. A hammer, or any other device or implement used to pound or strike an object.
- B. An impact wrench, or other tool or equipment powered by compressed air.
- C. A hand-powered saw.
- D. Any tool or piece of equipment powered by an internal-combustion engine such as, but not limited to, chain saw, backpack blower, and lawn mower.
- E. Any electrically powered (whether by alternating current electricity or by direct current electricity) tool or piece of equipment used for cutting, drilling, or shaping wood, plastic, metal, or other materials or objects, such as, but not limited to, a saw, drill, lathe, or router.
- F. Any of the following: heavy equipment (such as but not limited to bulldozer, steam shovel, road grader, back hoe), ground drilling and boring equipment (such as but not limited to derrick or dredge), hydraulic crane and boom equipment, portable power generator or pump, pavement equipment (such as but not limited to pneumatic hammer, pavement breaker, tamper, compacting equipment), pile-driving equipment, vibrating roller, sand blaster, gunite machine, trencher, concrete truck, and hot kettle pump.
- G. Any construction, demolition, excavation, erection, alteration, or repair activity. In the case of urgent necessity and in the interest of public health and safety, the Chief Building Official may issue a permit for exemption from these. Such period shall not exceed three (3) working days in length while the emergency continues but may be renewed for successive periods of three (3) days or less while the emergency continues. The Chief Building Official may limit such permit as to time of use and/or permitted action, depending upon the nature of the emergency and the type of action requested.
- H. Construction equipment and vehicles should be equipped with properly operating mufflers according to the manufacturers' recommendations. Air compressors and pneumatic equipment should be equipped with mufflers, and impact tools should be equipped with shrouds or shields.

Agricultural Land Measures:

N/A

Water Supply Measures:

N/A

Sanitary Sewer Service Measures:

N/A

Sensitive Wildlife and Plant Habitat Measures:

N/A

Archaeological or Historic Sites Measures:

N/A

Storm Drainage Measures:

1. The developer shall implement pre- and post- construction best management practices (BMPs) to minimize pollutants entering the storm system.

Flooding and Water Quality Measures:

1. The developer shall implement pre- and post- construction best management practices (BMPs) to minimize pollutants entering the storm system.

Parks and Open Space Measures:

N/A

Schools Measures:

N/A

Police Services:

N/A

Fire Services:

N/A

Generation of Solid Waste

N/A

Generation of Hazardous Materials

N/A

Potential for Landslides and Seismic Activity

N/A

Energy

N/A

Planning and Land Use

N/A

Aesthetics

N/A

B. New or Additional Mitigation Measures or Alternatives Required

Where the project's effects would exceed the specific thresholds defined for each environmental category, a mitigated negative declaration or Focused EIR must be prepared. Staff has reviewed the project against those thresholds set forth in the Master EIR for all applicable categories in this Initial Study. The following project-specific mitigation measures are necessary to reduce the identified new significant effect: **None**.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-430**

**RESOLUTION APPROVING AN AMENDMENT TO THE MODESTO URBAN
AREA GENERAL PLAN, PROPERTY LOCATED ON THE SOUTH SIDE OF
STANDIFORD AVENUE, WEST OF MCHENRY AVENUE (WINDWARD
PACIFIC BUILDERS)**

WHEREAS, on October 14, 2008, the City Council of the City of Modesto certified the Final Master Environmental Impact Report (“Master EIR”) (SCH No. 2007072023) for the Modesto Urban Area General Plan, and

WHEREAS, a new General Plan for the City of Modesto entitled “City of Modesto Urban Area General Plan”, as recommended by the Modesto City Planning Commission, was adopted by the Council of the City of Modesto by Resolution No. 95-409 on August 15, 1995, and

WHEREAS, said General Plan has been amended by Modesto City Council Resolution Nos. 95-584, 96-20, 96-338, 96-639, 97-3, 97-137, 97-158, 98-293, 99-162, 99-564, 2000-303, 2000-633, 2001-47, 2001-476, 2002-154, 2002-526, 2003-101, 2003-122, 2004-233, 2005-70, 2007-066, 2007-599, 2008-142, 2008-583, 2009-419, 2011-253 and 2011-254, copies of which are on file in the office of the City Clerk, and

WHEREAS, Government Code Section 65358 permits the amendment of General Plans by the legislative body, and

WHEREAS, Windward Pacific Builders (“Applicant”) submitted the Standiford Dental Office (“Project”) application (File No.GPA-12-001, RNZ-12-002 DPR-12-007) for a General Plan Amendment to redesignate approximately two acres from Residential (R) to Mixed-Use (MU) and to rezone the same property from Low Density Residential

(R-1), to Professional Office (P-O) to allow the conversion a single-family home into a dental office at 500 Standiford Avenue, (“Property”), and

WHEREAS, City staff determined that the project would require an amendment to the General Plan, and

WHEREAS, the Applicant has filed a General Plan Amendment (File No. GPA-12-001) to re-designate approximately two acres from Residential (R) to Mixed Use (MU), property located on the south side of Standiford Avenue, west of McHenry Avenue, and

WHEREAS, a Final Master Environmental Impact Report was prepared for the Urban Area General Plan Update (SCH No. 2007072023) which analyzed the potential environmental effects of the proposed Project, and

WHEREAS, the Planning Commission certifies it has received and reviewed the Initial Study, Environmental Assessment No. EA/C&ED 2012-21, which concluded that the project is within the scope of the General Plan Master EIR (SCH No. 2007072023) and that pursuant to Section 21157.1 of the Public Resources Code, no new environmental review is required, and

WHEREAS, on September 17, 2012, the Planning Commission held a duly noticed public hearing in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California, relating to this proposed amendment to the Modesto Urban Area General Plan, and

WHEREAS, after said public hearing, the Planning Commission adopted Resolution No. 2012-12, recommending to the City Council an amendment to the Modesto Urban Area General Plan, and

WHEREAS, said matter was set for a public hearing of the City Council to be held on October 23, 2012 in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California, at which date and time said duly noticed public hearing of the Council was held for the purpose of receiving public comment on the proposed amendment to the Modesto Urban Area General Plan.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby finds and determines that the proposed amendment to the Modesto Urban General Plan to as described in **Exhibit "A"**, **attached** hereto and incorporated herein by reference, is required for the public health, safety, and welfare of the citizens of Modesto.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the proposed amendment to the Modesto Urban Area General Plan is consistent with the Final Master Environmental Impact Report for the Urban Area General Plan (SCH No. 2007072023) and has been adequately analyzed by the Master Environmental Impact Report.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the proposed amendment to the Modesto Urban Area General Plan is consistent with the General Plan Housing Element. The change in General Plan land use designation could result in the possible conversion of three single-family homes to professional office uses; however this will not significantly impact the City's ability to meet its Regional Housing Needs Allocation (RHNA). The remaining sites identified in the Housing Element are adequate to accommodate the City's share of the regional housing need.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby adopts the proposed amendment to the Urban Area General Plan as described in **Exhibit "A", attached** hereto and incorporated herein by reference.

BE IT FURTHER RESOLVED that the project applicant shall indemnify, defend, and hold harmless the City of Modesto, its agents, officers, and employees from any and all claims, actions, or proceedings against the City of Modesto, its agents, officers, and employees to attack, set aside, void, or annul, any approval by the City of Modesto and its advisory agency, appeal board, or a legislative body concerning a general plan amendment for the Project (File No.GPA-12-001, RNZ-12-002 DPR-12-007), and related files. The City of Modesto shall promptly notify the applicant of any claim, action, or proceeding and shall cooperate fully in the defense. If the City fails to do so, the applicant shall not thereafter be responsible to defend, indemnify, or hold City harmless.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Community and Economic Development Department Director is hereby authorized and directed to forward certified copies of this resolution and said amendment to the Urban Area General Plan to the Board of Supervisors, and file a Notice of Determination within five (5) business days with the Stanislaus County Clerk pursuant to Section 21152 of the Public Resources Code.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23rd day of October, 2012, by Councilmember Cogdill, who moved its adoption, which motion being duly seconded by Councilmember Lopez, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Cogdill, Geer, Lopez, Mayor Marsh

NOES: Councilmembers: None

ABSENT: Councilmembers: Burnside, Gunderson, Muratore

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-431**

RESOLUTION FINDING THAT THE FOLLOWING SUBSEQUENT PROJECT IS WITHIN THE SCOPE OF THE PROJECT COVERED BY THE MODESTO URBAN AREA GENERAL PLAN MASTER ENVIRONMENTAL IMPACT REPORT (SCH NO. 2007072023): GENERAL PLAN AMENDMENT TO REDESIGNATE APPROXIMATELY 2 ACRES FROM RESIDENTIAL (R) TO MIXED-USE (MU) AND TO REZONE THE SAME PROPERTY FROM LOW DENSITY RESIDENTIAL (R-1), TO PROFESSIONAL OFFICE (P-O), PROPERTY LOCATED ON THE SOUTH SIDE OF STANDIFORD AVENUE, WEST OF MCHENRY AVENUE (WINDWARD PACIFIC BUILDERS)

WHEREAS, on October 14, 2008, the City Council of the City of Modesto certified the Final Master Environmental Impact Report ("Master EIR") (SCH No. 2007072023) for the Modesto Urban Area General Plan, and

WHEREAS, Windward Pacific Builders has proposed a General Plan Amendment to redesignate approximately two acres from Residential (R) to Mixed-Use (MU) and to rezone the same property from Low Density Residential (R-1), to Professional Office (P-O), property located on the south side of Standiford Avenue, west of McHenry Avenue; submitted by Windward Pacific Builders, and

WHEREAS, pursuant to Section 21157.1 of the Public Resources Code, the City of Modesto's Community & Economic Development Department prepared an Environmental Assessment Initial Study EA/C&ED 2012-21 ("Initial Study") which analyzed whether the subsequent project may cause any significant effect on the environment that was not examined in the Master EIR and whether the subsequent project was described in the Master EIR as being within the scope of the report, and

WHEREAS, in accordance with CEQA guidelines beginning on October 1, 2012, the City caused to be published a 20-day notice of the City's intent to make a finding that the subsequent project conforms with the Master EIR, and

WHEREAS, said matter was considered by the City Council at a duly noticed public hearing which was held on October 23, 2012, at 5:30 p.m., in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council has reviewed and considered the Initial Study prepared for the proposed General Plan Amendment and rezone to Professional Office, a copy of which is **attached** hereto as **Exhibit "A"**, and incorporated herein by reference, and based on substantial evidence in the Initial Study makes the following findings:

1. An Initial Study was prepared by the City of Modesto that analyzed whether the subsequent project may cause any significant effect on the environment that was not examined in the Master EIR and whether the subsequent project was described in the Master EIR as being within the scope of the report.
2. The subsequent project will have no additional significant effect on the environment, as defined in subdivision (d) of Section 21158 of the Public Resources Code, that was not identified in the Master EIR.
3. No new or additional mitigation measures or alternatives are required.
4. The subsequent project is within the scope of the project covered by the Master EIR.
5. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the subsequent project or otherwise made conditions of approval of the subsequent project.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Community & Economic Development Director is hereby authorized and directed to file a notice of approval or determination within five (5) business days with the Stanislaus County Clerk pursuant to Section 21152 of the Public Resources Code.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23rd day of October, 2012, by Councilmember Cogdill, who moved its adoption, which motion being duly seconded by Councilmember Lopez, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Cogdill, Geer, Lopez, Mayor Marsh

EA/C&ED 2012-21

City of Modesto

**Finding of Conformance to
General Plan Master EIR:**

**Initial Study Environmental Checklist
C&ED No. 2012-21**

For the proposed:

**Standiford Avenue General Plan Amendment, Rezone to
Professional Office and Dental Office Conversion**

**Prepared by:
City of Modesto
Community & Economic Development Department
Planning Division**

August 13, 2012

(Intentional Blank Page)

City of Modesto

Master EIR Initial Study Environmental Checklist

I. PURPOSE

CEQA allows for the limited environmental review of subsequent projects under the City's Master Environmental Impact Report ("Master EIR" or "MEIR"). This Initial Study Environmental Checklist ("Initial Study") is used in determining whether Standiford Dental Office Conversion is "within the scope" of the project analyzed in the Modesto Urban Area General Plan Master EIR (SCH# 2007072023) (Public Resources Code section 21157.1). When the Initial Study supports this conclusion, the City will issue a finding of conformance.

A subsequent project is "within the scope" of the Master EIR when:

1. it will have no additional significant effects on the environment that were not addressed as significant effects in the Master EIR; and
2. no new or additional mitigation measures or alternatives are required.

"Additional significant effects" means a project-specific effect that was not addressed as a significant effect in the Master EIR. [Public Resources Code Section 21158(d)]

The determination must be based on substantial evidence in the record. "Substantial evidence" means facts, reasonable assumptions predicated upon facts, or expert opinion based on facts. It does not include speculation or unsubstantiated opinion. (CEQA Guidelines Section 15384)

II. PROJECT DESCRIPTION

- A. Title: Standiford General Plan Amendment, Rezone to Professional Office and Dental Office Conversion
- B. Address or Location: South side of Standiford Avenue, west of McHenry Avenue (APN 055-029-008, 029 and 030)
- C. Applicant: Windward Pacific Builders 2813 Coffee Road Modesto, CA 95355
- D. City Contact Person: David Wage, Associate Planner

Project Manager: David Wage
Department: Community and Economic Development
Phone Number: (209) 577-5267
E-mail address: dwage@modestogov.com

- E. Current General Plan Designation(s): Residential (R)
- F. Current Zoning Classification(s): Low Density Residential (R-1)

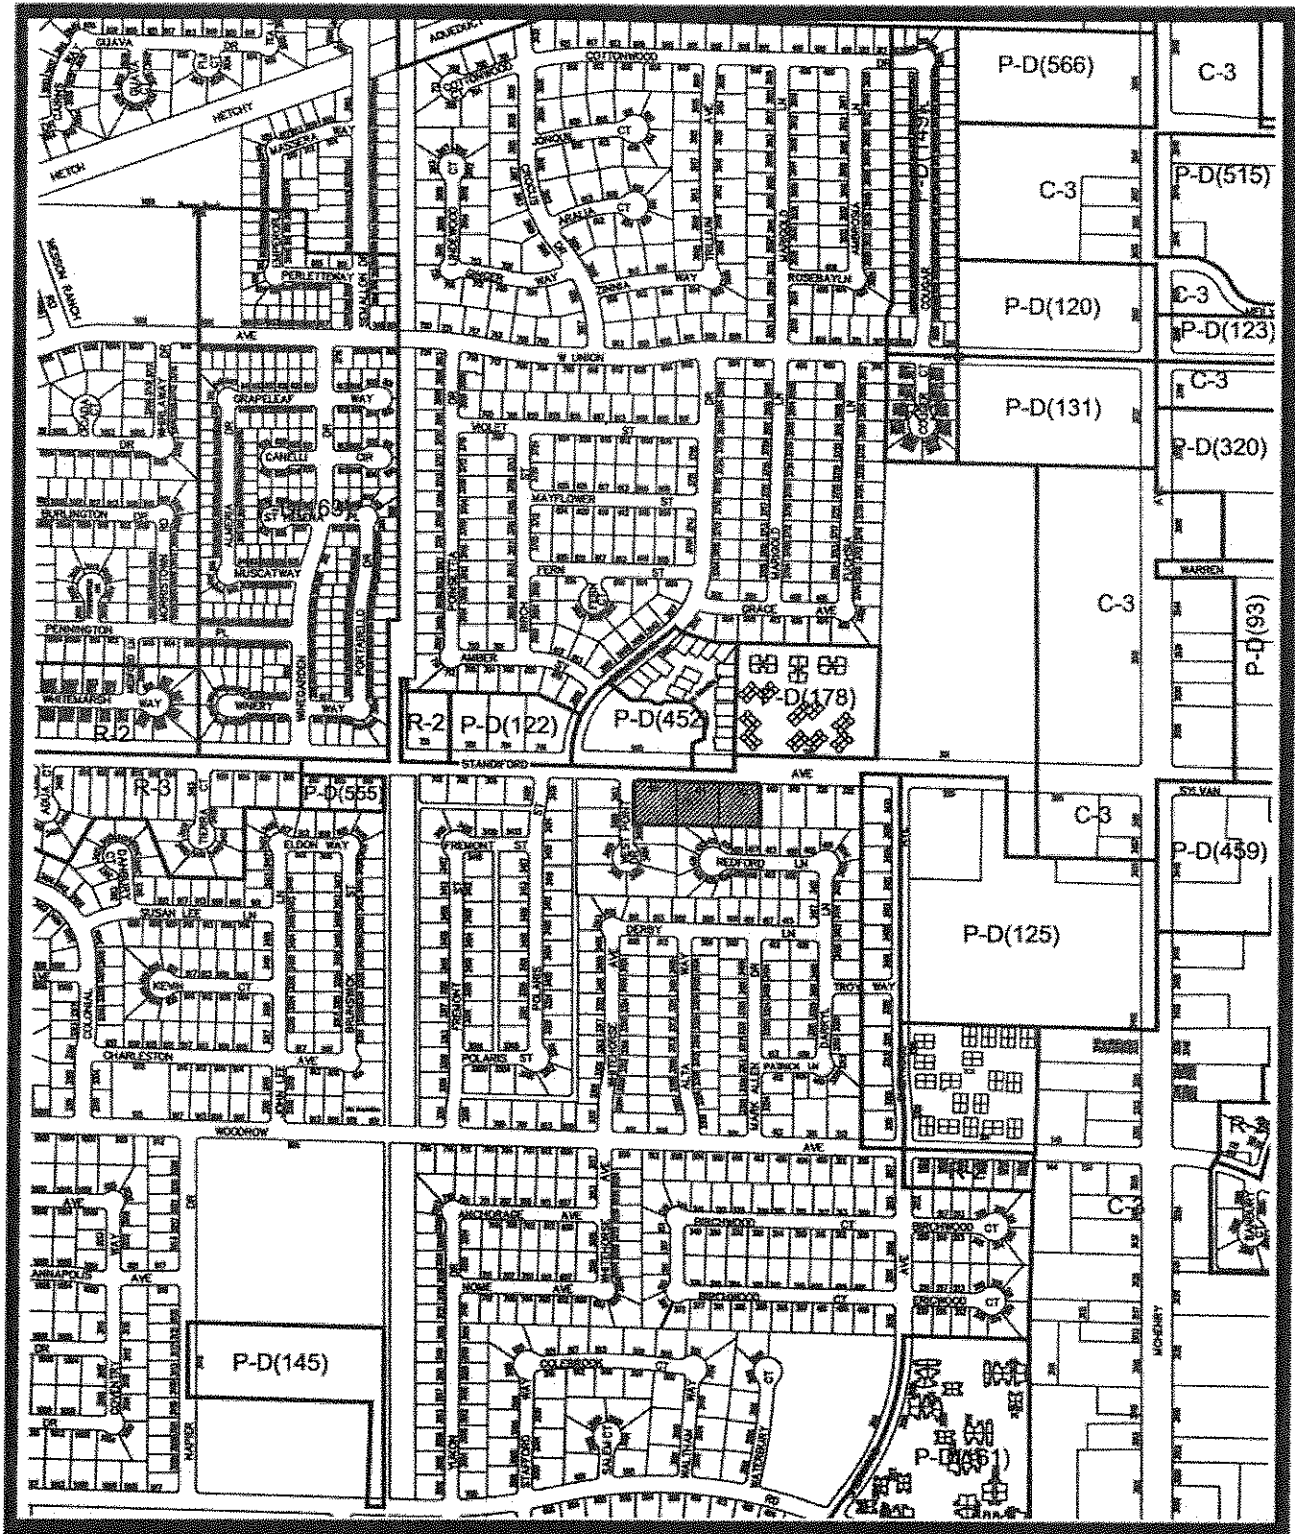

G. Surrounding Land Uses:

- North: Professional Office and Single Family Residential
- South: Single Family Residential
- East: Single Family Residential (Proposed Single-Family Residential)
- West: Single Family Residential

H. Project Description, including the project type listed in Section II.C (Anticipated Future Projects) of the Master EIR:

The project includes rezoning three parcels (approximately two acres) from Low Density Residential (R-1) to Professional Office (P-O) and amending the General Plan land use designation for the same property from Residential (R) to Mixed-Use (MU). The general plan amendment and rezoning is proposed to allow for the conversion of an approximately 3,200 square-foot single family home located at 500 Standiford Avenue into a dental office. The applicant has submitted a separate application for Development Plan Review to allow the conversion to a dental office. Consideration of the development plan (by the Community and Economic Development Director) is contingent upon approval of the proposed rezone and general plan amendment by the City Council. Staff referred the development plan to various City departments and outside agencies and no significant issues were identified. No new development is proposed for the other two parcels included in the project area at this time.

I. Other Public Agencies Whose Approval is Required: None.

AREA MAP OF PROPOSED GENERAL PLAN AMENDMENT
 & REZONING OF EXISTING R-1 TO P-O
 GPA-12-001 & RZN-12-002

III. FINDINGS/DETERMINATION (SELECT ONE ON THE BASIS OF THE ANALYSIS IN SECTION IV)

1. **Within the Scope** - The project is within the scope of the Master EIR and no new environmental document or Public Resources Code Section 21081 findings are required. All of the following statements are found to be true:

- A. The subsequent project will have no additional significant effect on the environment, as defined in subdivision (d) of Section 21158 of the Public Resources Code, that was not identified in the Master EIR.
- B. No new or additional mitigation measures or alternatives are required.
- C. The subsequent project is within the scope of the project covered by the Master EIR.
- D. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the subsequent project or otherwise made conditions of approval of the subsequent project.

2. **Mitigated Negative Declaration Required** - On the basis of the above determinations, the project is not within the scope of the Master EIR. A mitigated negative declaration will be prepared for the project. The following statements are all found to be true:

- A. The subsequent project is within the scope of the project covered by the Master EIR.
- B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the subsequent project or otherwise made conditions of approval of the subsequent project.
- C. The project will have one or more potential new significant effects on the environment that were not addressed as significant effects in the Master EIR. New or additional mitigation measures are being required of the project that will reduce the effects to a less-than-significant level.

3. **Focused EIR Required**- On the basis of the above determinations, the project is not within the scope of the Master EIR. A Focused EIR will be prepared for the project. All of the following statements are found to be true:

- A. The subsequent project is within the scope of the project covered by the Master EIR.
- B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the subsequent project or otherwise made conditions of approval of the subsequent project.
- C. The project will have one or more new significant effects on the environment that were not addressed as significant effects in the Master EIR. New or additional mitigation measures or alternatives are required as a result.

Title

Date

4. Within the Scope Analysis of this Document:

The Master EIR allows projects to be found within the scope of the MEIR if certain criteria are met. If the following statements are found to be true for all 21 impact categories included in this Initial Study, then the proposed project is addressed by the MEIR analysis and is within the scope of the MEIR. Any "No" response must be discussed.

		YES	NO
(1)	The lead agency for subsequent projects shall be the City of Modesto or a responsible agency identified in the Master EIR.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
(2)	City policies which reduce, avoid, or mitigate environmental effects will continue to be in effect and, therefore, would be applied to subsequent projects where appropriate. The policies are described in the list of policies in place and mitigation measures attached to the Initial Study template. Project impacts would be mitigated to a less-than-significant level using MEIR mitigations only.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
(3)	Federal, State, regional, and Stanislaus County regulations do not change in a manner that is less restrictive on development than current law (i.e., would not offer the same level of protection assumed under the Master EIR).	<input checked="" type="checkbox"/>	<input type="checkbox"/>
(4)	No specific information concerning the known or potential presence of significant resources is identified in future reports, or through formal or informal input received from responsible or trustee agencies or other qualified sources.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
(5)	The development will occur within the boundaries of the City's planning area as established in this Urban Area General Plan.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
(6)	Development within the project will comply with all appropriate mitigation measures contained and enumerated in the 2008 General Plan Master EIR.	<input checked="" type="checkbox"/>	<input type="checkbox"/>

5. Currency of the Master EIR Document

The MEIR should be reviewed on a regular basis to determine its currency, and whether additional analysis/mitigation should be incorporated into the MEIR via a Supplemental or Subsequent EIR (CEQA Section 21157.6). Staff has reviewed Sections 1 through 21 of this document in light of the criteria listed below to determine whether the MEIR is current. The analysis contained within the Master EIR is current as long as the following circumstances have not changed. Any "no" response must be explained.

		YES	NO
(1)	Certification of the General Plan Master EIR occurred less than five years prior to the filing of the application for this subsequent project.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
(2)	This project is described in the Master EIR and its approval will not affect the adequacy of the Master EIR for any subsequent project because the City can make the following findings:	<input checked="" type="checkbox"/>	<input type="checkbox"/>
(a)	No substantial changes have occurred with respect to the circumstances under which the Master EIR was certified.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
(b)	No new information, which was not known and could not have been known at the time the Master EIR was certified as complete, has become available.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
(c)	Policies remain in effect which require site-specific mitigation, and avoidance or other mitigation of impacts as a prerequisite to future development.	<input checked="" type="checkbox"/>	<input type="checkbox"/>

IV. ENVIRONMENTAL ANALYSIS

This Initial Study, in accordance with Section 21157.1(b) of the Public Resources Code, discloses whether the proposed project may cause any project-specific significant effect on the environment that was not examined in the Final Master EIR (MEIR) for the General Plan and whether new or additional mitigation measures or alternatives may be required as a result. The Initial Study thereby documents whether or not the project is "within the scope" of the Master EIR.

Pursuant to Public Resources Code Section 21157.1, no new environmental document or findings are necessary for projects that are determined to be within the scope of the MEIR. Adoption of the findings specified in Section III.1, above after completion of the Initial Study fulfills the City's obligation in that situation.

All environmental effects cited reflect 2025 conditions resulting from the Urban Area General Plan, as identified in the Master EIR.

The environmental impact analysis in the Master EIR for the Urban Area General Plan is organized in twenty-one subject areas. The following analysis is based on the impact analyses contained in Chapter V of the Master EIR. For ease of reference, the sections are numbered in the same order as the analyses in Chapter V.

1. TRAFFIC AND CIRCULATION

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable traffic and circulation impacts expected after application of mitigations/policies:

Direct Impacts

Effect: Increased automobile traffic will result in roadway segments (see MEIR on Table 1-7, pages V-1-32 to V-1-34) operating at LOS D, Modesto's significance threshold for automobile traffic, or lower (LOS E or F).

Effect: The substantial increase in traffic relative to the existing load and capacity of the street system will cause, either individually or cumulatively, the violation of automobile service standards established by StanCOG's Congestion Management Plan for designated roads and highways.

Effect: A substantial increase in automobile vehicle miles traveled and automobile vehicle hours of travel and a decrease in average automobile vehicle speed (see MEIR Table 1-6, page V-1-31).

Cumulative Impacts

Effect: Potential for growth inducement or acceleration of development resulting from highway and local road projects.

Effect: Substantial increase in traffic in relation to the existing traffic load and capacity of the street system, including a violation, either individually or cumulatively, of an automobile LOS standard established by the Congestion Management Plan for designated roads and highways.

Effect: Increased demand for capacity-enhancing alterations to existing roads or automobile traffic reduction.

Other impact categories affected by Traffic and Circulation are addressed throughout this Initial Study (see also Section 2, Degradation of Air Quality; Section 3, Generation of Noise; Section 7 Loss of Sensitive Wildlife and Plant Habitat; Section 8, Disturbance of Archaeological/Historic Sites; Section 14 Increased Demand for Fire Services; Section 18, Energy; Section 19, Visual Resources; Section 20, Land Use and Planning, and Section 21, Climate Change).

b. Master EIR and/or New Mitigation Measures Applied to the Project

Traffic and Circulation mitigation measures pertinent to this project are found on MEIR pages V-1-9 through V-1-28. All mitigation measures appropriate to the project, including any new measures, will be incorporated into or made conditions of approval of this project and are listed in Section V, Mitigation Measures Applied to Project.

Discussion:

No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-1.B of the Master EIR provides analysis of Traffic and Circulation impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: A subsequent development project will have a new significant effect on the environment if it would exceed the following criteria:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
1. TRAFFIC AND CIRCULATION				
1) The proposed project exceeds traffic generation assumptions in the Master EIR for the site by 100 trips or more and City Engineering and Transportation staff has determined that the project would have additional potentially significant project-specific effects that are not avoided or reduced by the Master EIR's mitigation measures.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) Exceed, either individually or cumulatively, a level of service standard established by the county congestion management agency for designated roads or highways?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project would cause additional roadway segments in the General Plan area to exceed LOS D and/or cause additional violations of standards in the Congestion Management Plan, and/or cause an increase in automobile vehicle miles or vehicle hours of travel or a decrease in automobile travel speed, as compared to the impacts disclosed in the Master EIR.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4) The proposed project would cause emergency response times to exceed acceptable standards established by the Fire Department, as compared to impacts disclosed in the Master EIR (see Section 14, Increased Demand for Fire Services).	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
5) The proposed project would result in less parking than required by the Municipal Code or as determined by staff.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
6) The proposed project would conflict with adopted policies, plans, or programs that support alternative transportation, including, but not limited to the Regional Transportation Plan, the Sustainable Communities Strategy, the Bicycle Action Plan, and so on.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
7) The proposed project would result in an increase in automobile vehicle miles traveled on a per capita basis, in excess of that considered in the Urban Area General Plan MEIR.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1 & 3) **No Impact:** The proposed project is generally consistent with the traffic volumes assumed in the MIER. The project will not result in an increase 100 additional trips than what was assumed in the MIER or degradation below LOS D and therefore no new mitigation measures are necessary.
- (2) **No Impact:** The project will not substantially increase hazards due to a design feature (e.g., sharp curves or dangerous intersections) or incompatible uses (e.g. farm equipment). The City Engineering and Traffic Department has evaluated the project and has determined that the existing design layout of the project conforms to City standards.
- (4) **No Impact:** Police and Fire Staff have reviewed this proposal and have indicated that there is no emergency access problem.
- (5) **No Impact:** City staff has reviewed the project and determined the project has provided sufficient parking for the proposed medical office building.
- (6) **No Impact:** The proposed project has been reviewed by Traffic, Planning and Transit staff and would not conflict with any adopted plans for alternative transportation.
- (7) **No Impact:** The proposed project is would not result in an increase in automobile miles traveled in excess of what was considered in the Urban Area General Plan.

2. DEGRADATION OF AIR QUALITY

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable air quality impacts expected after application of mitigations/policies:

Direct Impacts

Effect: Expected automobile traffic will result in increased operational emissions of reactive organic gases (ROG) and oxides of nitrogen (NO_x) (see MEIR Table 2-8, page V-2-27).

Effect: Expected automobile traffic will result in increased emissions of particulate matter 10 microns or less (PM₁₀) and 2.5 microns or less in diameter (PM_{2.5}) (see MEIR Table 2-8, page V-2-27).

Effect: Expected automobile traffic will result in increased carbon monoxide (CO) levels in the project area (see MEIR Table 2-7, page V-2-26, and Table 2-8, page V-2-27).

Cumulative Impacts

The Master EIR indicates the same impacts identified as direct impacts above will contribute to regional impacts on air quality for the criteria pollutants ROG, NO_x, PM₁₀, and PM_{2.5}.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Air quality mitigation measure(s) pertinent to the proposed project are found on pages V-2-13 through V-2-24 of the Master EIR. All mitigation measures appropriate to the project will be incorporated into or made conditions of approval of this project and are listed in Section V, Mitigation Measures Applied to Project.

Discussion:

The appropriate mitigation to be applied to this project includes AQ-40 and AQ-42 through AQ-56 from the MEIR. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-2.B of the Master EIR is the analysis of air quality impacts resulting from development of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not analyzed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
2. DEGRADATION OF AIR QUALITY				
1) The proposed project exceeds the project-level emissions thresholds established for CO, ROG, NO _x , PM ₁₀ , and PM _{2.5} by the San Joaquin Valley Air Pollution Control District (SJVAPCD) and is not consistent with the development assumptions for the project site, as established in the Urban Area General Plan and Master EIR.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
2) The proposed project does not incorporate the best management practices established by the SJVAPCD for CO, ROG, NO _x , PM ₁₀ , and PM _{2.5} .	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project does not comply with the air quality policies in the Modesto Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4) The proposed project would expose sensitive receptors to pollutant concentrations in excess of those expected to occur as a result of implementation of the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
5) The proposed project would create objectionable odors affecting a substantial number of people.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) **Less Than Significant Impact:** The project was referred to the San Joaquin Valley Unified Air Pollution Control District who determined that the project would not have a significant effect on the ambient air quality with the incorporation of the mitigation measures listed above.
- (2) **No Impact:** This project incorporates the best management practices for PM10 reduction established by the SJVUAPD (see mitigation measures above).
- (3) **No Impact:** Applicable General Plan Policies will be applied to the project; therefore, project-specific effects will be less than significant for this impact (see mitigation measures above).
- (4) **Less Than Significant Impact:** The land uses proposed are not in themselves significant contributors to air pollution levels and therefore the primary source of air pollution associated with the development would be traffic related. Since the traffic impacts are within the scope of the MEIR, so are the traffic-related air quality impacts. The PM10 emissions created through construction activities will be mitigated as called for by the MEIR with the mitigation measure listed above.
- (5) **No Impact:** The proposed project will not produce objectionable odors.

3. GENERATION OF NOISE

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable noise impacts expected after application of mitigations/policies:

Direct Impacts

Effect: Future automobile traffic noise levels and roadway construction and maintenance activities resulting from development of the Urban Area General Plan will exceed the City's noise thresholds at various locations, but particularly in areas adjacent to heavily traveled roadways (see MEIR Table 3-3, page V-3-10, and Figure VII-2 and Table 3-6, pages V-3-18 and V-3-19).

Effect: Expected noise from airport operations and airport construction projects may expose up to 468 dwellings and three churches to noise levels of 65 dB CNEL and up to eight dwellings to noise levels of 70 dB CNEL.

Effect: Expose noise-sensitive land uses to noise from the construction of bicycle and transit projects.

Effect: Expose noise-sensitive land uses to noise from freight and passenger rail operations.

Cumulative Impacts

Effect: Traffic from development in the City of Modesto would, when combined with traffic from new development in the County and other cities, contribute to a cumulative increase in roadside noise levels on major roads and highways throughout Stanislaus County.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Noise policies and mitigation measures pertinent to the project being analyzed in this Initial Study are found on pages V-3-11 through V-3-15 of the Master EIR. All mitigation measures appropriate to the project will be incorporated into or made conditions of approval of this project and any new measures are listed in Section V, Mitigation Applied to Project.

Discussion:

There mitigation to be applied to this project includes N-3 and N-7 from the Master EIR. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-3.B of the MEIR discloses noise impacts resulting from development of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not analyzed in the Master EIR.

Significance Criteria: Determination of the proposed project’s effects are based on the following thresholds. Project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
3. GENERATION OF NOISE				
1) The proposed project will exceed the standards for noise level and hours of operation established by the Modesto noise ordinance.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project will not comply with the noise policies of, or otherwise be inconsistent with, the Modesto Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project will result in an increase in ambient noise levels in the project vicinity above those disclosed in the Master EIR.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4) The proposed project will result in a substantial temporary or periodic increase in ambient noise levels in the project vicinity above levels disclosed in the Master EIR implementation of the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1,2,3) **No Impact:** The project is consistent with the noise policies of the General Plan. General Plan MEIR Mitigation Measure N-7 requires non-residential development to demonstrate that the project will incorporate measures to reduce noise impacts to a less than significant level. Consideration must be given to the Low Density (single-family) Residential threshold of significance, since the property to the east, west and south are developed with single-family residential uses. The MEIR maintains the "normally acceptable" level of noise for Commercial uses is 65dBA. The proposed professional office uses are not anticipated to generate noise levels that exceed the noise thresholds described above. Business activities for professional office uses are generally conducted indoors with the exception of traffic coming and going from the site. As each of the three parcels redevelop with professional office uses, they will be required to install a seven-foot-tall wall where adjacent to residentially zoned properties, which will provide further noise attenuation.
- (4) **No Impact:** The project will not result in a substantial temporary or periodic increase in ambient noise levels in the project vicinity. There will be some construction related noise, but the noise mitigation measure N-3 called for by the General Plan for projects within the baseline developed area, has been incorporated.

4. EFFECTS ON AGRICULTURAL LANDS

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on agricultural lands expected after application of mitigations/policies:

Direct Impacts

Effect: Between 1995 and 2025, development of the Urban Area General Plan may convert up to approximately 26,000 acres of farmland in various categories in the Planned Urbanizing Area to urban uses.

Effect: Approximately 1,200 acres of urban development along a 28.5-mile boundary 350 feet wide between urban and agricultural uses could be affected by continued agricultural operations, including noise, dust, and chemical overspray or drift.

Cumulative Impacts

Effect: Growth within Modesto's planning area would contribute considerably to the loss of agricultural land within Stanislaus County, accounting for the conversion of as much as approximately 26,000 acres of farmland in various categories in the Planned Urbanizing Area from 1995 to 2025.

b. Master EIR and/or New Mitigation Measures Pertinent to the Project

Agricultural land mitigation measures pertinent to the proposed project are found on pages V-4-6 to and V-4-8 of the Master EIR. All mitigation measures appropriate to the project and any new mitigation to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project.

Discussion:

No mitigation measures from the Master EIR are required. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-4.B of the Master EIR discloses the impacts resulting from the implementation of the Urban Area General Plan on agricultural lands. The following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
4. EFFECTS ON AGRICULTURAL LANDS				
1) The proposed project is inconsistent with the Urban Area General Plan's policies relating to agricultural land.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project will either directly or indirectly result in the development of land outside the 2008 Urban Area General Plan's planning area boundary.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project will conflict with existing zoning for agricultural use, or there is an existing Williamson Act contract on the project site.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4) The proposed project will involve other changes in the existing environment not anticipated in the Master EIR which, due to their location or nature, could result in conversion of farmland to non-agricultural use.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) **No Impact:** The project is consistent with the General Plan policies relating to agricultural land. It is an infill project proposed within the urbanized area of the City. The parcels are developed with single-family homes and no agricultural land will be converted for the development of the proposed projects.
- (2) **No Impact:** The project is within the Baseline-Developed area of the City and therefore will not result in the development of land outside the 2008 planning area boundaries.
- (3) **No Impact:** The project site is not zoned for agriculture nor is it under Williamson Act contract.

- (4) **No Impact:** The project will not involve changes to the existing environment that could result in the conversion of farmland to non-agricultural uses. The General Plan designates the property as Residential and is currently development with residential uses. The adjacent property is also designated Mixed Use and is already developed with urban uses.

5. INCREASED DEMAND FOR LONG-TERM WATER SUPPLIES

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on long-term water supplies expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts have been disclosed in the Master EIR.

Cumulative Impacts

Effect: Operational yields of the Modesto and Turlock subbasins, both of which underlie the City of Modesto, are unknown, although the City is participating in a study with the United States Geological Survey in order to quantify the operational yields of both subbasins. Groundwater withdrawals from both basins by the City, when combined with other users' withdrawals, may result in overdrafting both subbasins.

Effect: Despite available options, during drought years, significant water shortages are forecast for the San Joaquin River basin, which includes both the Modesto and Turlock subbasins, by 2020. Modesto would make a cumulatively considerable contribution to the cumulative impact on water supply under drought conditions.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Water supply mitigation measures pertinent to the proposed project are found on pages V-5-6 through V-5-12 of the Master EIR. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project.

Discussion:

No mitigation measures from the Master EIR are required. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-5.B of the Master EIR discloses impacts on long-term water supplies resulting from implementation of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
5. INCREASED DEMAND FOR LONG-TERM WATER SUPPLIES				
1) The proposed project is inconsistent with water supply policies in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) Water demand for the proposed project will exceed estimates for similar projects or for development on the project site anticipated in the Urban Area General Plan or sufficient water supplies are not otherwise available to serve the project from existing entitlements and resources.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project would deplete groundwater supplies to a greater degree than anticipated in the Urban Area General Plan or would interfere with groundwater recharge.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) **No Impact:** The project is consistent with the water supply policies in the General Plan.
- (2) **No Impact:** The project was referred to Land Development Engineering Staff who determined the water proposed development will not exceed estimates or water supplies for needed to serve other entitlements and resources.
- (3) **No Impact:** The proposed project is consistent with the land uses and water demands assumed in the General Plan. The project would not have a significant effect on ground water recharge or depletion of long-term water supplies.

6. INCREASED DEMAND FOR SANITARY SEWER SERVICES

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on sanitary sewer services after application of mitigations/policies:

Direct Impacts

Effect: Development resulting from implementation of the Urban Area General Plan will require substantial new sewage treatment and disposal capacity, treatment plant improvements, sewer mains and collection lines, and pump stations. The Wastewater Master Plan anticipates the need for these facilities and its EIR evaluates the impact of developing those facilities. Potential impacts include degradation of water quality through erosion and chemical releases; localized flooding; construction noise; exposure of construction workers and the public to hazardous materials; and on the habitat of the elderberry longhorn beetle, burrowing owl, and Swainson's hawk, as well as certain other regulated habitats. All of these impacts are mitigated to a less-than-significant level.

Additional impacts that are not mitigated to a less-than-significant level include loss of farmland cause by construction of the Phase IA tertiary treatment facility at the Jennings Road Secondary Treatment Facility, an increase in pollutant loads from increased wastewater flows to the San Joaquin River, and an increase in noise and criteria air pollutants due to construction activities, including traffic.

Cumulative Impacts

Effect: No additional cumulative impacts were identified in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Sewer service mitigation measures pertinent to the proposed project are found on pages V-6-3 through V-6-8 of the Master EIR. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project.

Discussion:

No mitigation measures from the Master EIR are required. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-6.B of the Master EIR discloses impacts on the Increased Demand for Sanitary Sewer Service resulting from implementation of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
6. INCREASED DEMAND FOR SANITARY SEWER SERVICES				
1) The proposed project is inconsistent with wastewater policies in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project will generate sewage flows greater than those anticipated in the Urban Area General Plan for the project site.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project will result in a determination by the wastewater treatment provider which serves or may serve the project that it has inadequate capacity to serve the project's projected demand in addition to the provider's existing commitments.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) **No Impact:** The project is consistent with the wastewater policies in the Modesto Urban Area General Plan.
- (2) **No Impact:** The project is consistent with the assumptions in the Urban Area General Plan and will generate sewer flows that are consistent with what was anticipated for the project site.
- (3) **No Impact:** The project was referred to Land Development Engineering Staff who determined there is adequate capacity to accommodate the proposed development in addition to existing commitments.

7. LOSS OF SENSITIVE WILDLIFE AND PLANT HABITAT

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on sensitive wildlife and plant habitat expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant impacts on sensitive wildlife and plant habitat are expected to occur with the application of the policies contained in the Urban Area General Plan.

Cumulative Impacts

Effect: Implementation of the Urban Area General Plan will contribute to the cumulative impact of habitat loss in the San Joaquin Valley. Requiring density development than has occurred in the past or that is expected in the future would minimize the City's contribution to the cumulative loss of habitat. Nonetheless, this is a significant and unavoidable impact.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Wildlife and plant habitat mitigation measures pertinent to the proposed project are found on pages V-7-17 through V-7-24 of the Master EIR.

Discussion:

No mitigation measures from the Master EIR are required. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-7.B of the Master EIR discloses impacts on the Loss of Sensitive Wildlife and Plant Habitat resulting from implementation of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
7. LOSS OF SENSITIVE WILDLIFE AND PLANT HABITAT				
1) The project is inconsistent with the policies pertaining to the loss of sensitive wildlife and plant habitat contained in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) Consultation with the California Department of Fish and Game or the U.S. Fish and Wildlife Service determines that the project would have a significant effect on a candidate, sensitive, or special status species in excess of the impact disclosed in the Master EIR.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project would have a substantial adverse effect on federally protected wetlands as defined by Section 404 of the Clean Water Act through direct removal, filling, hydrological interruption, or other means, in excess of the impact disclosed in the Master EIR.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4) The proposed project would substantially interfere with the movement of any native resident or migratory fish or wildlife species or with established native resident or migratory wildlife corridors, or impede the use of native wildlife nursery sites.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
5) Conflict with local policies or ordinances protecting biological resources, such as a tree preservation policy or ordinance.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
6) The proposed project would conflict with provisions of an adopted habitat conservation plan, natural community conservation plan, or other approved local, regional, or state habitat conservation plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) **No Impact:** The project is consistent with the General Plan policies related to the loss of sensitive wildlife and plant habitat.
- (2) **No Impact:** The project site is not a biologically sensitive site as defined by Figures V-7-1a through V 7-1e of the MEIR. The California Department of Fish and Game and the U.S. Fish and Wildlife Service were consulted in the production of the MEIR.

- (3) **No Impact:** The site does not qualify as a federally protected wetland per Section 404 of the Clean Water Act.
- (4) **No Impact:** The project site is not a biologically sensitive site as defined by Figures V-7-1a through V 7-1e of the MEIR. The movement of fish or birds or other wildlife would not be significantly effected by the project.
- (5) **No Impact:** There is no conflict with any local policies or ordinances protecting biological resources.
- (6) **No Impact:** There is no conflict with any adopted habitat conservation plan, natural community conservation plan, or other approved local, regional or state habitat conservation plan.

8. DISTURBANCE OF ARCHAEOLOGICAL/HISTORICAL SITES

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on archaeological/historical sites expected after application of mitigations/policies:

Direct Impacts

Effect: Modification resulting in a substantial adverse change in the significance of a historic resource or the demolition of a listed or eligible historic resource.

Effect: The modification or demolition of a structure more than 50 years in age may be significant.

Effect: Discovery of archaeological resources in areas outside of the riparian corridors, as a result of construction activities.

Effect: Construction in an area of high archaeological sensitivity.

Cumulative Impacts

Effect: No additional cumulative impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Archaeological or historic mitigation measures pertinent to the project being analyzed in this Initial Study are found on page V-8-16 through V-8-20 of the Master EIR. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project:

Discussion:

The appropriate mitigation to be applied to this project includes the measures listed in MEIR Table V-8-1 (b-f) from the Master EIR. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-8.B of the MEIR discloses impacts on archaeological/historical resources resulting from implementation of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
8. DISTURBANCE OF ARCHAEOLOGICAL/ HISTORICAL SITES				
1) The proposed project is inconsistent with the archaeological/historical resource policies in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project would demolish a building eligible for listing as a historic resource or remove a landmark from the Modesto inventory.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project would modify or demolish a structure more than 50 years in age.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4) The project would adversely affect a cultural resource that is either listed or eligible for listing in the California Register of Historical Resources.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
5) Conflict with local policies or ordinances protecting biological resources, such as a tree preservation policy or ordinance.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) **No Impact:** The project is consistent with the archeological and historical resource policies in the General Plan.
- (2) **No Impact:** There are no buildings that are proposed to be demolished as part of the project. None of the buildings on the project site are eligible for listing as a historic resource.
- (3) **No Impact:** The proposed project does not include demolition of building that are greater than 50 years of age.
- (4) **No Impact:** The project would not affect a resource that is listed or eligible for listing in the California Register of Historic Resources.
- (5) **No Impact:** The project does not conflict with local policies affecting biological resources.

9. INCREASED DEMAND FOR STORM DRAINAGE

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on storm drainage expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR.

Cumulative Impacts

Effect: The population of Stanislaus County is projected to increase in a fashion similar to that of Modesto, resulting in additional urban development and associated increases in impervious surface area and associated increases in storm water runoff. Cumulative hydrologic impacts of storm water flows from Modesto urban areas and other areas of the County could occur due to the fixed capacity of MID and TID irrigation canals to convey drainage west to the San Joaquin River. If drainage channels in some areas prove insufficient to handle the increased drainage discharges, existing storm water runoff from urban and agricultural areas during large storm events would have to be interrupted until water levels receded to a point allowing the resumption of discharges to the channel. Ceasing discharges to drainage channels could cause inundation in and around the drainage conveyance pipeline systems, surface drainage channels, detention basins, and other urban areas. This cumulative impact is considered significant and unavoidable.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Storm Drainage mitigation measures pertinent to the project being analyzed in this Initial Study are found on pages V-9-4 through V-9-9. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project:

Discussion:

No mitigation measures from the Master EIR are required. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-9.B of the MEIR discloses impacts on the demand for storm drainage resulting from development of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
9. INCREASED DEMAND FOR STORM DRAINAGE				
1) The proposed project is inconsistent with the storm drainage policies in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project would substantially increase the rate or amount of surface runoff in a manner that would result in flooding on- or offsite, as compared to impacts anticipated to result from the Urban Area General Plan or create substantial unanticipated sources of polluted runoff.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project does not utilize Low Impact Development strategies to reduce runoff from the site and increase infiltration, resulting in no net increase in runoff before and after development.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) **No Impact:** The project is consistent with the storm drain policies in the Urban Area General Plan.
- (2) **No Impact:** The project will not contribute additional water runoff that would exceed the capacity of the storm drainage system.
- (3) **No Impact:** The project will utilize low impact strategies and meet the standards contained in the "Guidance Manual for New Development-Storm Water Quality Control Measures."

10. FLOODING AND WATER QUALITY

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on flooding and water quality expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR.

Cumulative Impacts

Effect: No residual significant cumulative impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Flooding and Water Quality mitigation measures pertinent to the project being analyzed in this Initial Study are found on pages V-10-6 through V-10-9 of the Master EIR. All mitigation measures appropriate to the project will be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project:

Discussion:

No mitigation measures from the Master EIR are required. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-10.B of the Master EIR provides analysis of Flooding and Water Quality impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
10. FLOODING AND WATER QUALITY				
1) The proposed project is inconsistent with the flooding and water quality policies in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project does not comply with the regulatory requirements of the federal Clean Water Act or the State Porter-Cologne Act.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project would place more housing within a 100-year flood hazard zone than assumed in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4) The proposed project would place structure within a 100-year flood hazard area so that they would impede or redirect floodwater or would substantially alter the existing on-site drainage pattern or a watercourse, in such a way as to cause flooding on- or offsite.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
5) The proposed project does not comply with Modesto’s Guidance Manual for New Development Storm Water Quality Control Measures.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
6) The proposed project would violate water quality standards or waste discharge requirements.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
7) The proposed project would substantially alter the existing drainage pattern of the site or area or a watercourse in a manner that would result in substantial erosion or siltation on- or offsite in excess of the assumptions of the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
8) The proposed project would create or contribute runoff, which would exceed the capacity of existing or planned storm water drainage systems or provide substantial additional sources of polluted runoff, not expected as part of Urban Area General Plan implementation.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) **No Impact:** The project is consistent with the flooding and water quality policies in the General Plan.
- (2) **No Impact:** The project would comply with the Federal Clean Water Act and the Porter Cologne Act requirements.
- (3) **No Impact:** The project is not located within a 100-year flood plain and does not include the construction of new houses.
- (4) **No Impact:** The project is not located within a 100-year flood plain.
- (5) **No Impact:** The project will comply with the Guidance Manual for New Development Storm Water Quality Control Measures.
- (6) **No Impact:** The project will not violate water quality standards or waste discharge requirements.
- (7) **No Impact:** The project would not substantially alter the existing drainage pattern of the site, area or a watercourse in a manner that would result in erosion or siltation.
- (8) **No Impact:** The project will not contribute additional water runoff that would exceed the capacity of the storm drainage system or provide substantial additional sources of polluted runoff.

11. INCREASED DEMAND FOR PARKS AND OPEN SPACE

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on parks and open space expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR.

Cumulative Impacts

Effect: No residual significant cumulative impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Parks and open space mitigation measures pertinent to the proposed project are found on pages V-11-3 through V-11-9 of the Master EIR. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project:

Discussion:

No mitigation measures from the Master EIR are required. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-11.B of the MEIR discloses impacts of the Urban Area General Plan on parks and open space. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. Project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
11. INCREASED DEMAND FOR PARKS AND OPEN SPACE				
1) The proposed project is inconsistent with the parks and open space policies in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project would eliminate parks or open space.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project would cause an increase in the use of existing neighborhood and regional parks or other recreational facilities such that substantial physical deterioration of the facility in question would occur or be accelerated or the proposed project would include recreational facilities or require the construction or expansion of recreational facilities which might have an adverse physical effect on the environment.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) **No Impact:** The project is consistent with the parks and open space policies in the General Plan.
- (2) **No Impact:** The project would not eliminate an existing park or designated open space.
- (3) **No Impact:** The project would include redesignating three parcels from Residential to Mixed Use in the General plan and rezoning the property to allow for professional office uses. The future use of the parcels for professional office uses would not cause a increase in the use of existing neighborhood and regional parks.

12. INCREASED DEMAND FOR SCHOOLS

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on school facilities expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR. By statute, the impact of new students is considered to be mitigated below a level of significance by payment of school impact fees and the exercise of any or all of the financing options set out in Government Code Section 65997.

Cumulative Impacts

Effect: Similar to direct impacts of implementation of the Urban Area General Plan, no residual significant direct impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. As long these policies are applied to all subsequent projects, no new mitigation is necessary. Further, payment of school impact fees and compliance with SB 50 is statutorily deemed to be full mitigation of school impacts (Government Code Section 65995).

The following schools mitigation measures on pages V-12-5 through V-12-7 of the Master EIR are pertinent to the proposed project. All mitigation measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures are listed in Section V, Mitigation Applied to Project.

Discussion:

No mitigation measures from the Master EIR are required. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-12.B of the Master EIR discloses impacts resulting from implementation of the Urban Area General Plan associated with increased demand for schools. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
12. INCREASED DEMAND FOR SCHOOLS				
1) The proposed project is inconsistent with the policies relating to schools in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project does not comply with SB 50/Proposition 1A funding provisions, or succeeding measures which state that compliance results in less-than-significant impacts on schools.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) **No Impact:** The project is consistent with the policies relating to schools in the General Plan.
- (2) **No Impact:** The project was referred to Modesto City Schools who indicated no opposition to the project.

13. INCREASED DEMAND FOR POLICE SERVICES

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on police services expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR.

Cumulative Impacts

Effect: No residual significant cumulative impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Police services mitigation measures pertinent to the proposed project are found on pages V-13-2 through V-13-5 of the Master EIR. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project.

Discussion:

No mitigation measures from the Master EIR are required. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-13.B of the Master EIR discloses impacts on police services resulting from implementation of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
13. INCREASED DEMAND FOR POLICE SERVICES				
1) The proposed project is inconsistent with policies relating to police services in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project would result in the need for new or significantly altered facilities not considered as part of the Urban Area General Plan or Master EIR which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times, or other performance objectives.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) **No Impact:** The project is consistent with the policies relating to police services in the General Plan.
- (2) **No Impact:** The project would not result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives. The project meets City Standards for emergency services access.

14. INCREASED DEMAND FOR FIRE SERVICES

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on fire services expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR.

Cumulative Impacts

Effect: No residual significant cumulative impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Fire Services mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-14-4 through V-14-7 of the Master EIR. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project.

Discussion:

No mitigation measures from the Master EIR are required. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-14.B of the Master EIR discloses impacts on fire services resulting from implementation of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
14. INCREASED DEMAND FOR FIRE SERVICES				
1) The proposed project is inconsistent with the fire service policies in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project would result in the need for new or significantly altered facilities not considered as part of the Urban Area General Plan or Master EIR which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times, or other performance objectives.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
3) The proposed project, based upon substantial evidence, would cause the erosion or elimination of fire protection services in adjoining fire protection districts.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) **No Impact:** The project is consistent with the fire service policies in the General Plan.
- (2) **No Impact:** The project would not result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives.
- (3) **No Impact:** The project would not significantly impact adjacent fire districts or result in the elimination of fire projection services.

15. GENERATION OF SOLID WASTE

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on solid waste expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR.

Cumulative Impacts

Effect: No residual significant cumulative impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Solid waste mitigation measures pertinent to the proposed project are found on pages V-15-4 through V-15-7 of the Master EIR. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project.

Discussion:

No mitigation measures from the Master EIR are required. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-15.B of the Master EIR discloses solid waste impacts resulting from implementation of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. Project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
15. GENERATION OF SOLID WASTE				
1) The project is inconsistent with the solid waste policies in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The County is unable to expand its solid waste disposal capacity, as expected, causing all new development to result in cumulative impacts on the County's disposal capacity.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) **No Impact:** The project is consistent with the solid waste policies in the General Plan.
- (2) **No Impact:** This project is not anticipated to generate significant amounts of solid waste. The project was referred to the Solid Waste Division for review and there would not be a problem serving this project.

16. GENERATION OF HAZARDOUS MATERIALS

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts regarding hazardous materials expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR.

Cumulative Impacts

Effect: No residual significant cumulative impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Hazardous materials mitigation measures pertinent to the proposed project are found on pages V-16-8 through V-16-13 of the Master EIR. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project.

Discussion:

No mitigation measures from the Master EIR are required. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-16.B of the Master EIR discloses impacts on hazardous materials resulting from implementation of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
16. GENERATION OF HAZARDOUS MATERIALS				
1) The project is inconsistent with the hazardous materials policies in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project would emit hazardous emissions or handle hazardous or acutely hazardous materials, substances, or waste within one-quarter mile of an existing or proposed school.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project would be located on a site which is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and as a result, would create a significant hazard to the public or the environment.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4) The proposed project would be constructed on a contaminated site not known to the State of California as of March 2008.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) **No Impact:** The project is consistent with the hazardous materials policies in the General Plan.
- (2) **No Impact:** The project does comply with all applicable federal, state, and county standards and regulations relative to the handling, storage, disposal, and transport of hazardous or toxic materials or wastes. (No hazardous materials will be involved with this project).
- (3) **No Impact:** The project would not be located on a site, which is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and as a result, would not create a significant hazard to the public or the environment.
- (4) **No Impact:** The project site is not known to contain any contaminants.

17. GEOLOGY, SOILS, AND MINERAL RESOURCES

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts related to geology, soils, and mineral resources expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR.

Cumulative Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Geology, soils, and mineral resource mitigation measures pertinent to the proposed project are found on pages V-17-9 and V-17-10 of the Master EIR. All mitigation measures appropriate to the project to be incorporated into or made conditions of approval of the proposed project are listed in Section V, Mitigation Measures Applied to Project.

Discussion:

No mitigation measures from the Master EIR are required. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-17.B of the Master EIR discloses geology, soils, and mineral resource impacts resulting from implementation of the Urban Area General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. Project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
17. GEOLOGY, SOILS, AND MINERAL RESOURCES				
1) The project is inconsistent with policies relating to geology, soils, and mineral resources contained in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project would expose people or structures to potential substantial adverse effects including the risk off loss, injury, or death involving fault rupture, strong seismic activity; location on an expansive soil; result in the loss of topsoil; location on soils incapable of adequately supporting the use	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
of septic tanks or alternative wastewater disposal systems in areas where sewers are not available for the disposal of wastewater; result in the loss of known mineral resources that would be of value to the region and the state; or result in the loss of availability of a locally important mineral resource recovery site delineated on a local general plan, specific plan, or other land use plan.				

Discussion:

- (1) **No Impact:** The project is consistent with policies relating to geology, soils, and mineral resources in the General Plan.
- (2) **No Impact:** The project would not be located on soil that is unstable, or that would become unstable as a result of the project. There are no known mineral resources of value to the region and the state on the property.

18. ENERGY

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts pertaining to energy expected after application of mitigations/policies:

Direct Impacts

Effect: Continued development in the Planned Urbanizing Area would have an impact on available energy supplies. Energy consumption likely would increase substantially by 2025 as a result of implementation of the Urban Area General Plan.

Cumulative Impacts

Effect: Implementation of the Urban Area General Plan will have a cumulatively considerable impact on energy consumption.

b. Master EIR and/or New Mitigation Measures Applied to the Project

The following energy mitigation measures pertinent to the proposed project are found on pages V-18-2 through V-18-8 in the Master EIR. All mitigation measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section V, Mitigation Applied to Project.

Discussion:

No mitigation measures from the Master EIR are required. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-18.B of the Master EIR discloses impacts of implementing the Urban Area General Plan on energy resources. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
18. ENERGY				
1) The proposed project is inconsistent with policies relating to energy in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project would result in energy consumption during construction, operation, maintenance, or removal that is more wasteful, inefficient, and unnecessary than assumed in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) **No Impact:** The project is consistent with the energy policies in the General Plan.
- (2) **No Impact:** The project would not result in energy consumption during construction, operation, maintenance or removal that is more wasteful, inefficient and unnecessary than assumed in the General Plan.

19. EFFECTS ON VISUAL RESOURCES

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts on visual resources expected after application of mitigations/policies:

Direct Impacts

Effect: New development in the Planned Urbanizing Area will occur in areas that are in agricultural production or are otherwise lightly developed, which could lead to the introduction of light and glare in areas that have little nighttime illumination.

Cumulative Impacts

Effect: No additional cumulative impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

The following visual resources mitigation measures pertinent to the proposed project are found on pages V-19-3 and V-19-4 in the Master EIR. All mitigation measures appropriate to the proposed project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section V, Mitigation Applied to Project.

Discussion:

No mitigation measures from the Master EIR are required. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-18.B of the Master EIR discloses impacts of implementing the Urban Area General Plan on energy resources. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
19. EFFECTS ON VISUAL RESOURCES				
1) The proposed project is inconsistent with policies relating to visual resources in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project would degrade views from riverside areas and parks to a greater degree than assumed in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3) The proposed project would degrade views of riverside areas from public roadways and nearby properties to a greater degree than assumed in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) **No Impact:** The project is consistent with the policies relating the visual resources in the General Plan.
- (2) **No Impact:** The project would not impact views from riverside areas and parks.
- (3) **No Impact:** The project would not impact views of riverside areas from roadways or nearby properties.

20. LAND USE AND PLANNING

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts pertaining to land use and planning expected after application of mitigations/policies:

Direct Impacts

Effect: No residual significant direct impacts were disclosed in the Master EIR.

Cumulative Impacts

Effect: No residual significant cumulative impacts were disclosed in the Master EIR.

b. Master EIR and/or New Mitigation Measures Applied to the Project

The following land use and planning mitigation measures pertinent to the proposed project are found on pages V-20-6 through V-20-17 in the Master EIR. All mitigation measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section V, Mitigation Applied to Project.

Discussion:

No mitigation measures from the Master EIR are required. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-20.B of the Master EIR discloses impacts of implementing the Urban Area General Plan on land use and planning. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
20. LAND USE AND PLANNING				
1) The proposed project is inconsistent with land use and planning policies in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2) The proposed project contains elements that would physically divide an established community in a way not assumed in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
3) The proposed project conflicts with a land use plan, policy or regulation established for the purpose of avoiding or mitigating an environmental impact by an agency that has jurisdiction over the proposed project.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4) The proposed project conflicts with an applicable habitat conservation plan or natural community conservation plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) The proposed project includes redesignating approximately two acres (three parcels) from Residential to Mixed Use in the General plan. The General Plan states that the Mixed Use designation was created to "characterize areas of the Modesto Urban Area that are already developed (as of January 1, 1995) and contain a mixture of all or some of the following uses in close proximity to each other: single-family residential, multi-family residential, commercial, office and institutional. In addition, it is to provide for additional development opportunities for mixed uses throughout the Urban Area General Plan".

Redesignating the property to Mixed Use is consistent with the land use policies in the General Plan, described above which allow for professional office uses. The surrounding area is occupied with a variety of commercial and residential uses. The proposed redesignation to Mixed use will allow for additional development opportunities for mixed uses in the baseline developed area. In addition the project meets the location criteria in the General Plan for the Mixed Use area, which states that the designation should be applied to those areas of the Modesto Urban Area that are already developed and contain a mixture of uses.

- (2) **Less Than Significant Impact:** The project would not divide an established community. The three parcels that are proposed to be redesignated from Residential to Mixed Use front on Standiford Avenue, an arterial street. The parcels are developed with single family homes. One of the homes is proposed to be converted to a dental office. The building will maintain its residential character. The area to the north (on the north side of Standiford Avenue) is designated mixed use and developed with residential and professional office uses. The portions of the area to the east and west are designated Mixed-Use and developed with residential and commercial uses. The proposed change in land use designation is consistent with the pattern of mixed land uses along Standiford Avenue and will not divide the adjacent residential area to the south.
- (3) **No Impact:** The project is consistent with the land use plan, policies and regulations of the City of Modesto designed to mitigate project impacts.
- (4) **No Impact:** The project does not conflict with applicable habitat conservation plans or natural community conservation plans.

21. CLIMATE CHANGE

a. Significant Effects Identified in the Master EIR

The Master EIR discloses the following residual significant and unavoidable impacts pertaining to climate change expected after application of mitigations/policies:

Direct Impacts

Effect: Impacts resulting from implementation of the Urban Area General Plan are not substantial enough to result in a significant direct impact on climate change, as disclosed in the Master EIR.

Cumulative Impacts

Effect: Implementation of the Urban Area General Plan will have a cumulatively considerable impact on climate change.

b. Master EIR and/or New Mitigation Measures Applied to the Project

The following climate change mitigation measures pertinent to the proposed project are found on pages V-21-7 through V-21-10 in the Master EIR. All mitigation measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section V, Mitigation Applied to Project.

Discussion:

No mitigation measures from the Master EIR are required. No new or additional mitigation measures or alternatives are required to reduce project impacts to a less-than-significant level.

c. Project-Specific Effects

Section V-18.B of the Master EIR discloses impacts of implementing the Urban Area General Plan on climate change. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not disclosed in the Master EIR.

Significance Criteria: Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
21. CLIMATE CHANGE				
1) The proposed project is inconsistent with policies relating to climate change in the Urban Area General Plan.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
2) The proposed project would result in average automobile trip lengths or CO ₂ emissions higher than those assumed in the Master EIR.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

	Potentially Significant Impact	Less Than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
3) The proposed project would conflict with the Sustainable Communities Strategy or Alternative Planning Strategy that the Air Resources Board has agreed will achieve the goals of AB 32.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Discussion:

- (1) The City of Modesto General Plan Master EIR addressed potential climate change impacts due to development and other activities associated with the Urban Area General Plan (UAGP). The Urban Area General Plan Master EIR (MEIR) determined that buildout of the UAGP would make a cumulatively considerable contribution to global climate change. The UAGP nonetheless authorizes development that will contribute to global climate change by virtue of the production of greenhouse gases. The MEIR states the projected rate of growth of vehicle miles traveled (VMT) will increase the City's contribution to global climate change as the City develops. Development under the UAGP is expected to generate approximately 1,096,226.4 metric tons per year above 2005 emissions. The City Council adopted a Statement of Overriding Considerations in 2008, finding that the benefits of the UAGP outweighed the City's increased contribution to global climate change.

The MEIR identifies policies CL-3 through CL-26 as policies in effect that have been determined to reduce, avoid or mitigate air quality environmental impacts within the existing City limits and within the Planned Urbanizing Areas as they annex and develop. These policies include but are not limited to, the use of shade trees to reduce the heat island effect, current energy efficient building standards to reduce energy consumption, and the inclusion of facilities for alternative transportation. The proposed project will develop in accordance with climate change policies included in the UAGP and the MIER.

The General Plan designation for the site is Mixed Use. The proposed development is consistent with these designations in terms of land-use and intensity.

- (2) Climate change is an inherently cumulative impact because no single project can produce enough greenhouse gases to substantially alter the global climate. No thresholds have been set for individual or cumulative greenhouse gases. Nonetheless, the proposed project would result in greenhouse gas emissions due primarily to automobile travel and energy use for lighting, heating, cooling and other activities. The primary source of CO₂ emissions generated from the project would be related to automobile trips. As identified under the traffic and circulation discussion, traffic engineering staff has determined that the project will be in substantial conformance with the GP MEIR assumptions for traffic generation, the CO₂ emissions generated from the project would also be in substantial conformance with that which was assumed under the GP MEIR analysis.

The General Plan designation for the site is Residential. The project includes redesignating approximately two acres from Residential to Mixed Use. The subject property will be zoned to allow professional office uses. The proposed change in land use from residential to professional office is not anticipated to result in a significant difference from the impacts assumed in the MIER analysis.

- (3) A Sustainable Communities Strategy has not yet been implemented by the ARB. Future development will be required to comply with the provisions of the Sustainable Communities Strategy once it is established.

V. MITIGATION MEASURES APPLIED TO THE PROPOSED PROJECT

If the Initial Study results in the determination that a Finding of Conformance can be adopted for the proposed project Section A below applies. If the Initial Study results in the determination that a Finding of Conformance cannot be adopted and a Mitigated Negative Declaration/EIR must be prepared for the project then Section B, below applies.

A. Master EIR Mitigation Measures Applied to the Project

Pursuant to Public Resources Code Section 21157.1(c), in order for a Finding of Conformance to be made, all appropriate mitigation measures from the Master EIR shall be incorporated into the proposed project. Urban Area General Plan Policies/Master EIR mitigation measures shall be made part of the proposed project prior to approval by means of conditions of project approval or incorporation into the appropriate document or plan.

All applicable and appropriate mitigation measures have been applied to the project (see mitigation measures listed below).

B. New or Additional Mitigation Measures or Alternatives Required

Where the project's effects would exceed the significance criteria for each environmental impact category, a mitigated negative declaration or Focused EIR must be prepared. Staff has reviewed the project against the significance criteria thresholds established in the Master EIR for all impact categories in this Initial Study.

A Mitigated Negative Declaration or Focused EIR shall be prepared for the project. The following additional project-specific mitigation measures listed below are necessary to reduce the identified new significant effect:

Degradation of Air Quality:

AQ-40: The City of Modesto shall require all access roads, driveways, and parking areas serving new commercial and industrial development are to be constructed with materials that minimize particulate emissions in accordance with the requirements of SJVAPCD Regulation VIII and are appropriate to the scale and intensity of the use.

AQ-42: All disturbed areas, including storage piles, which are not being actively utilized for construction purposes, shall be effectively stabilized of dust emissions using water, chemical stabilizer/suppressant, covered with a tarp or other suitable cover or vegetative ground cover.

AQ-43: All on-site unpaved roads and off-site unpaved access roads shall be effectively stabilized of dust emissions using water or chemical stabilizer/suppressant.

AQ-44: All land clearing, grubbing, scraping, excavation, land leveling, grading, cut & fill, and demolition activities shall be effectively controlled of fugitive dust emissions utilizing application of water or by presoaking.

AQ-45: With the demolition of buildings up to six stories in height, all exterior surfaces of the building shall be wetted during demolition.

AQ-46: When materials are transported off-site, all material shall be covered, or effectively wetted to limit visible dust emissions, and at least six inches of freeboard space from the top of the container shall be maintained.

AQ-47: All operations shall limit or expeditiously remove the accumulation of mud or dirt from adjacent public streets at the end of each workday. (the use of dry rotary brushes is expressly prohibited except where preceded or accompanied by sufficient wetting to limit the visible dust emissions.) (Use of blower devices is expressly forbidden.)

AQ-48: Following the addition of materials to, or the removal of materials from, the surface of outdoor storage piles, said piles shall be effectively stabilized of fugitive dust emissions utilizing sufficient water or chemical stabilizer/suppressant.

AQ-49: Within urban areas, track out shall be immediately removed when it extends 50 or more feet from the site and at the end of each workday.

AQ-50: Any site with 150 or more vehicle trips per day shall prevent carryout and track out.

The following measures should be implemented at construction sites when required to mitigate significant PM10 impacts(note, these measures are to be implemented in addition to Regulation VIII requirements):

AQ-51: Limit traffic speeds on unpaved roads to 15 mph; and

AQ-52: Install sandbags or other erosion control measures to prevent silt runoff to public roadways from sites with a slope greater than one percent (1%).

AQ-53: Install wheel washers for all exiting trucks, or wash off all trucks and equipment leaving the site.

AQ-54: Install wind breaks at windward side(s) of construction areas.

AQ-55: Suspend excavation and grading activity when winds exceed 20 mph. Regardless of wind speed, an owner/operator must comply with Regulation VIII's 20 percent (20%) opacity limitation.

AQ-56: Limit the area subject to excavation, grading and other construction activity at any one time.

Generation of Noise:

N-3: Construction equipment and vehicles should be equipped with properly operating mufflers according to the manufacturers' recommendations. Air compressors and pneumatic equipment should be equipped with mufflers, and impact tools should be equipped with shrouds or shields. Equipment that is quieter than standard equipment should be utilized. Haul routes that affect the fewest number of people should be selected.

Disturbance of Archaeological/Historic Sites:

MEIR Table V-8-1 (b-f)

- b. Prior to excavation and construction, the prime construction contractor and any subcontractors shall be cautioned on the legal and/or regulatory implications of knowingly destroying cultural resources or removing artifacts, human remains, bottles, or other cultural materials from the project area.
- c. The project sponsor shall identify a qualified archeologist prior to any demolition, excavation, or construction. The City will approve the project sponsor's selection of a qualified archeologist. The archeologist would have the authority to temporarily halt excavation and construction activities in the immediate vicinity (ten-meter radius) of a find if significant or potentially significant cultural resources are exposed and/or adversely affected by construction operations.
- d. Reasonable time shall be allowed for the qualified archeologist to notify the proper authorities for a more detailed inspection and examination of the exposed cultural resources. During this time, excavation and construction would not be allowed in the immediate vicinity of the find; however, those activities could continue in other areas of the project site.
- e. If any find is determined to be significant by the qualified archeologist, representatives from the construction contractor and the City, the qualified archeologist, and a representative of the Native American community (if the discovery is an aboriginal burial) would meet to determine the appropriate course of action.

All cultural materials recovered as part of a monitoring program would be subject to scientific analysis, professional

MODESTO CITY COUNCIL
RESOLUTION NO. 2012-432

RESOLUTION APPROVING A PROPOSED AGREEMENT INCLUDING LANGUAGE CHANGES FOR A SUCCESSOR MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN THE CITY OF MODESTO AND MODESTO CITY EMPLOYEES' ASSOCIATION (MCEA) FOR A TERM OF JUNE 19, 2012 TO SEPTEMBER 23, 2013; AND AUTHORIZING THE DIRECTOR OF HUMAN RESOURCES AND CITY MANAGER TO TAKE THE NECESSARY ADMINISTRATIVE ACTION TO IMPLEMENT THE AGREEMENT

WHEREAS, the current Memorandum of Understanding (MOU) between the City of Modesto (CITY) and the Modesto City Employees' Association (MCEA) expired on June 18, 2012, and

WHEREAS, representatives of the CITY and the MCEA have met and conferred in good faith concerning wages, hours, terms and conditions of employment for employees in said bargaining unit, and

WHEREAS, the CITY and MCEA have reached agreement on language changes for a successor MOU which, upon execution, shall be **attached** hereto and made a part hereof, and

WHEREAS, the MOU provides as follows:

SECTION 1. TERM. The term of the MOU shall be from June 19, 2012 to September 23, 2013.

SECTION 2. SALARY RATES AND RANGES. On February 12, 2013, employees will receive a 1.5% salary increase.

SECTION 3. SICK LEAVE. Employees hired on or before December 31, 2010 who retire from the City on or after October 23, 2012 will have the option to have ninety percent (90%) of their unused sick leave accrued up to October 22, 2012 applied upon

retirement toward health insurance premiums. All sick leave hours accrued on or after October 23, 2012 shall not be converted toward retiree medical. When taking sick leave employees shall utilize hours accrued on or before October 22, 2012 prior to using hours accrued on or after October 23, 2012.

SECTION 4. LEAVE FOR EXPEDITED SICK LEAVE CONVERSION

CHANGE. For fiscal year 2012-2013, MCEA members shall receive thirty-two hours of paid special leave and will be required to take these hours on December 24, 26-28, 2012.

SECTION 5. CATASTROPHIC LEAVE. MCEA desires to initiate participation in State Disability Insurance (SDI) program for all employees in the unit. The City agrees to the coordination of benefits so long as there is no financial or administrative cost to the City. Two full quarters after implementation of SDI, the parties agree to eliminate the catastrophic leave program.

SECTION 6. RETIREE HEALTH INSURANCE. Employees hired on or before December 31, 2010 who retire from the City on or after October 23, 2012, the monthly contribution towards medical for retirees who converted sick leave hours accrued on or before October 22, 2012, shall be frozen and not exceed the following amounts: Up to \$1,100 for retirees with dependent coverage; up to \$621 for retirees without dependent coverage.

Employees hired on or before December 31, 2010 shall receive a contribution of \$50.00 per month into a Health Reimbursement Arrangement (HRA) account effective July 2, 2013.

Employees hired on or after January 1, 2011, shall receive a decreased contribution into a Health Reimbursement Arrangement (HRA) account from \$100 per month to \$50 per month effective July 2, 2013.

SECTION 7. RETIREMENT. Effective October 23, 2012 employees hired prior to January 17, 2012 (Tier 1) shall increase their portion of the employee contribution from four-tenths (0.4%) percent by six and six tenths (6.6%) percent for a total of seven (7%) percent contribution.

SECTION 8. LABOR MANAGEMENT COMMITTEE. The City and MCEA agree to meet and confer to resolve the following:

1. Discrepancies in administration and current practice of provisions in Article 19 Licenses and Certificates.
2. Discrepancies in administration and current practice of provisions in Article 20 Pay Differential.

SECTION 9. CONTINUATION OF REMAINING PROVISIONS. Except as provided above, the remaining provisions of the June 22, 2010, through June 18, 2012, MOU between the CITY and MCEA shall continue in the new MOU. The exact language of all provisions shall be set forth in the MOU between the CITY and MCEA.

WHEREAS, the Council considered this matter at its meeting of October 23, 2012,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves the language changes for a successor Memorandum of Understanding between the City of Modesto and the Modesto City Employees' Association, which covers a term from June 19, 2012 through September 23, 2013, and upon execution of same, a copy of the MOU will be on file in the office of the City Clerk.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23rd day of October, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-433**

RESOLUTION AMENDING A LABOR POLICY FOR PAYING AND REPORTING THE VALUE OF EMPLOYER PAID MEMBER CONTRIBUTIONS TO THE CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM (CALPERS) ON BEHALF OF EMPLOYEES REPRESENTED BY THE MODESTO CITY EMPLOYEES' ASSOCIATION (MCEA)

WHEREAS, by Resolution No 2012-15 adopted by the Council, the City adopted a labor policy providing for Public Employees' Retirement System (PERS) employee contributions to be paid by the City on behalf of employees and for reporting of employer-paid normal member contributions to PERS as compensation, and

WHEREAS, the governing body of the City of Modesto has the authority to implement Government Code Section 20636(c)(4) pursuant to Section 20691, and

WHEREAS, the governing body of the City of Modesto has a written labor policy or agreement which specifically provides for the normal member contributions to be paid by the employer, and reported as additional compensation, and

WHEREAS, one of the steps in the procedures to implement Section 20691 is the adoption by the governing body of the City of Modesto of a Resolution to commence paying and reporting the value of said Employer Paid Member Contributions, and

WHEREAS, the governing body has the authority to amend all members in a group or class of employment pursuant to Government Code Section 20691.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

For all Miscellaneous employees represented by the Modesto City Employees' Association the City of Modesto elects to pay zero percent (0%) of the normal member

contributions of seven percent (7%). No payment shall be implemented pursuant to the provisions of Section 20636 (c)(4) of the California Government Code.

BE IT FURTHER RESOLVED that this Resolution shall become effective on October 23, 2012.

BE IT FURTHER RESOLVED that effective October 23, 2012 Resolution No. 2012-15 is hereby repealed in its entirety.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23rd day of October, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following vote:

MODESTO CITY COUNCIL
RESOLUTION NO. 2012-434

RESOLUTION APPROVING A CITY OF MODESTO EMPLOYEE WELLNESS
POLICY THAT SUPPORTS A PROGRAM FOR HEALTHY LIFESTYLES AND
OFFERS OPPORTUNITES FOR EMPLOYEES TO OPTIMIZE THEIR
HEALTH AND WELL-BEING

WHEREAS, the City of Modesto wishes to promote and encourage their employees to be healthy and safe, and

WHEREAS, more than half of California's adults are overweight or obese and therefore at risk for many chronic conditions including diabetes, heart disease, cancer, arthritis, stroke and hypertension, and,

WHEREAS, the annual cost to California in medical bills, workers compensation and lost productivity from overweight individuals, obesity and physical inactivity exceeds \$41 billion, and,

WHEREAS, by supporting the health of employees would decrease chronic disease and health care costs and increase productivity,

NOW, THEREFORE, BE IT RESOLVED that the City Council of City of Modesto supports the initiative to raise awareness and empower employees to make positive health enhancing lifestyle choices and engage in practices that will benefit their quality of life.

BE IT FURTHER RESOLVED, by the Council of City of Modesto that the City Council hereby approves the wellness policy **attached** hereto.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23rd day of October, 2012, by Councilmember Burnside, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

City of Modesto Wellness Policy

"Just for the Health of It"

Purpose

The purpose of this policy is to create an environment that offers opportunities for employees to optimize their health and well-being; to describe the program's key initiatives; and to provide guidance on employee participation in wellness program activities.

Vision

Educate, encourage, and empower employees and their families to live a healthier lifestyle.

Mission

Raise awareness and empower employees to make positive health enhancing lifestyle choices and engage in practices that will benefit their quality of life for themselves and their families.

City Goals

The City of Modesto wellness program is a voluntary and confidential program open to all City of Modesto employees. The City of Modesto recognizes the importance of promoting and encouraging their employees to be healthy and safe. Healthier employees are more productive and effective workers, require less expensive medical care, and are more satisfied with their jobs and their employer. Employees typically spend more than one-third of their day at work and consume at least one meal during that time. Effective worksite wellness programs can reduce health risks and improve the quality of life for employees by creating a supportive environment.

Through program planning, services, and partnership with health insurance carriers, City of Modesto wellness program seeks to:

- Improve employee health and well-being
- Empower employees with health education and lifestyle skills that enable them to achieve positive lifestyle modifications
- Improve employee morale and employment satisfaction
- Encourage employees to take advantage of opportunities for physical activity before, during, or after the workday

- Encourage employees to take good care of their health and to use the medical care system wisely
- Provide a valued employee benefit
- Decrease employee absenteeism and increase productivity

Key Initiatives:

The City of Modesto's wellness program will focus on the following areas:

- Organization Commitment
- Food and Nutrition
- Physical Activity
- Mental Well-Being (Stress Management – Financial, Home & Work)
- Employee Education and Training

Organizational Commitment

The Human Resources Department will manage the City's Employee Wellness Program consisting of a wellness committee made up of six to eight members representing various departments. Membership on this committee is voluntary and is upon approval of Department Director. Committee members will meet at least 1 to 2 hours per month to attend meetings and organize wellness programs. The duties of the committee members are to provide enthusiastic support, promote health and wellness within their department, provide peer support and advocacy to boost wellness program participation, assist in wellness events, and find new avenues to maximize wellness resources and relationships.

Wellness efforts are supported by supervisors, executive management, directors, and City Council.

Food & Nutrition

The City will promote healthier food options in the workplace by changing to the following work environment:

- A minimum of at least one healthy food option will be offered at department sponsored events where food is provided. Healthier food options would include fruits, vegetables, whole grain products, baked rather than fried foods, and water.
- City will work with vending service contractor to offer healthier vending snack options and to develop and make available at point of purchase nutritional information for posting at the vending machine(s).
- Human Resources Department will provide employees practical nutrition information to assist employees in making healthier food choices. This may include nutrition lunch and learn classes and on-site lunchtime weight management classes.

Physical Activity

Employees are encouraged to seek opportunities to be more physically active during the course of their workday. Some ways this can be accomplished is by:

- Parking further from the building
- Walking meetings
- Taking stairs instead of the elevator
- Encourage walking during employees daily breaks and meal periods

Mental Well-Being

The City will promote education and awareness that helps employees identify causes of stress and assist in strategies for reducing and better managing stress. Stress management programs may address the following:

- Time management, organizational and planning skills
- Information on City of Modesto's Employee Assistance Program as a resource for individual assistance with stress-related problems
- Educational classes on financial well-being
- Promote work/life balance

Employee Education and Training

During an employee's normal working hours, the City will allow a total of four hours per fiscal year of City time to participate in City sponsored wellness classroom and/or online trainings. Participation in trainings must be authorized in advance by your supervisor prior to attendance. Employees may voluntarily attend as many trainings as they wish, but trainings in excess of four hours per fiscal year are on employee's own time. This time will be tracked by your department supervisor.

Employees are encouraged to take advantage of City sponsored health trainings, workshops, and webinars that will include, by not limited to:

- Nutrition and weight management
- Behavior health and substance use education and programs
- Financial planning
- Understanding your medical plan

Participation

All City of Modesto employees are eligible to participate in the Wellness Program. Employee participation in the activities of the Wellness Program is on a voluntary basis.

Wellness Rewards/Incentives

The City of Modesto will recognize employees that have made strides toward enhancing health and well-being in themselves through the initiation of Employee Health and Wellness quarterly drawing. Employees will be eligible for entry into drawing for each activity, program, or education class he/she participates in. Quarterly drawings will be held March 31st, June 30th, September 30th, and December 31st.

Strategic Plan Element

The Wellness Program supports the City of Modesto's strategic plan commitments #1, #5, and #6: build and promote partnerships that engage neighborhoods and create a sense of community, champion education partnerships, and promote Modesto.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-435**

RESOLUTION AUTHORIZING THE AWARD OF BID AND CONTRACT FOR THE CLAIRIFIER COATING REHABILITATION PROJECT FOR THE PUBLIC WORKS DEPARTMENT, WASTEWATER DIVISION, TO CERTIFIED COATINGS, COMPANY, FAIRFIELD, CA, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE A CONTRACT FOR AN ESTIMATED TOTAL COST OF \$317,362

WHEREAS, the City Manager authorized the Purchasing Manager to issue formal Requests for Bids (RFB) for the Clarifier Coating Rehabilitation Project, and

WHEREAS, the Purchasing Division issued RFB No. 1213-06 Clarifier Coating Rehabilitation Project to thirty-six (36) prospective bidders, none of which were local vendors, posted the RFB on the City's website and formally advertised as required by law. There are no local companies capable of providing this work, and

WHEREAS, bids were opened in the City Clerk's office. Three (3) companies chose to respond. All three (3) companies provided responsive and responsible bids, and

WHEREAS, Based on providing the lowest responsive and responsible bid, City staff recommends the award of bid and contract for the Clarifier Coating Rehabilitation Project to Certified Coatings Company, Fairfield, CA, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. The award of bid and contract for the Clarifier Coating Rehabilitation Project to Certified Coatings Company, Fairfield, CA, conforms to the Modesto Municipal Code, and

WHEREAS, Sufficient funds are budgeted in the following appropriation unit: 4210-59999-55010-100659, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of bid and contract for the Clarifier Coating Rehabilitation Project for the Public Works Department, Wastewater Division to Certified Coatings Company, Fairfield, CA.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to issue an agreement for an estimated total cost of \$317,362.

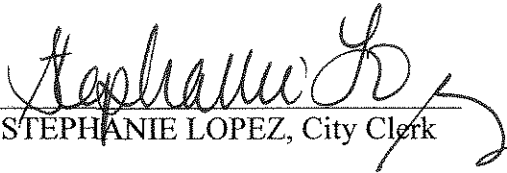

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7th day of November, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-436**

A RESOLUTION AMENDING THE POSITION ALLOCATION IN THE MODESTO REGIONAL FIRE AUTHORITY ADOPTED BY THE CITY COUNCIL AS PART OF THE FY 12/13 BUDGET TO: (I) ADD TWO (2) FIRE ENGINEER ALLOCATIONS IN COST CENTER 80133; (II) ADD ONE (1) ADMINISTRATIVE OFFICE ASSISTANT III ALLOCATION IN COST CENTER 80121

WHEREAS, a Position Allocation for the Modesto Regional Fire Authority was adopted by Modesto City Council on June 21, 2012, as part of the Annual Budget of the City of Modesto for Fiscal Year 2012-2013, and

WHEREAS, the Modesto Regional Fire Authority has revised their organizational structure and identified the need for two (2) Fire Engineer allocations to staff the Modesto City/County Airport and maintain a sufficient relief pool to minimize the impact of overtime due to shift vacancies, and

WHEREAS, as a result of the formation of the Modesto Regional Fire Authority JPA and agreement with a limited number of employees to remain with their respective parent agency until attrition occurred, one (1) Account Clerk allocation assigned to the Office of Emergency Services remained with Stanislaus County, and will be vacated following the incumbents retirement, and

WHEREAS, following the incumbents retirement date, MRFA will add one (1) Administrative Office Assistant III allocation in Cost Center 80121 concurrent with the deletion of the current position allocation from Stanislaus County,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the Position Allocation for Fiscal Year 2012-2013 as follows:

1. Add two (2) Fire Engineer allocations in Cost Center 80133 (\$3,431-\$4180 monthly).
2. Add one (1) Administrative Office Assistant III allocation in Cost Center 80121 (\$2,796-\$3,399 monthly).

This resolution shall become effective on and after November 6, 2012.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 6th day of November, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-437**

A RESOLUTION ACCEPTING A GRANT IN THE AMOUNT OF \$26,531, FROM THE CALIFORNIA OFFICE OF TRAFFIC SAFETY (OTS), THROUGH THE NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION, TO PARTICIPATE IN AN EXPANDED DISTRACTED DRIVING HIGH-VISIBILITY ENFORCEMENT DEMONSTRATION PROGRAM; AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE NECESSARY DOCUMENTS

WHEREAS, the City of Modesto Police Department desires to undertake a certain project designated as the Distracted Driving High-Visibility Enforcement Demonstration Program from the Office of Traffic Safety (OTS), through the National Highway Traffic Safety Administration, and

WHEREAS, the Police Department was awarded a grant in the sum of \$26,531 from OTS, and

WHEREAS, acceptance of said \$26,531 grant will increase enforcement for distracted driving violations and large media campaign using “Phone in One Hand, Ticket in the Other”, and

WHEREAS, the grant will pay overtime for officers to conduct special enforcement operations, and

WHEREAS, the term of this grant will be from November 1, 2012, through September 30, 2013,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby accepts the Distracted Driving High-Visibility Enforcement Demonstration Program in the amount of \$25,531, from the California Office of Traffic Safety, for distracted driving enforcement.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the necessary award documents.

RESOLUTION (i) AUTHORIZING THE PARKS, RECREATION AND NEIGHBORHOODS DEPARTMENT TO ENTER INTO AN AGREEMENT WITH THE SAN JOAQUIN VALLEY AIR POLLUTION CONTROL DISTRICT (DISTRICT) FOR THE CORDLESS ZERO-EMISSION COMMERCIAL LAWN AND GARDEN EQUIPMENT DEMONSTRATION PROGRAM; (ii) ACCEPT FUNDING NOT TO EXCEED \$9,869.01 FROM THE DISTRICT TO FUND THE EQUIPMENT FOR THE PROGRAM; AND AUTHORIZE THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE NECESSARY PROGRAM DOCUMENTS

WHEREAS, the Parks, Recreation and Neighborhoods Department was notified of a request for applications to receive funding from the San Joaquin Valley Air Pollution Control District, and

WHEREAS, funding is to be used for the purchase of zero-emission commercial lawn and garden equipment, and

WHEREAS, equipment cost is not to exceed \$9,869.01 with the City of Modesto contributing a refundable deposit of \$986.90, and

WHEREAS, equipment will be tested and its use reported to the District through June 1, 2015, and

WHEREAS, on October 12, 2012, the Parks, Recreation and Neighborhoods Department received notification that it was awarded \$9,869.01 for the purchase of zero-emission commercial lawn and garden equipment,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby (i) authorizes the Parks, Recreation and Neighborhoods Department to enter into an agreement with the San Joaquin Valley Air Pollution Control District (District) for the Cordless Zero-Emission Commercial Lawn and Garden Equipment

Demonstration Program; (ii) accept funding not to exceed \$9,869.01 from the District to fund the equipment for the program; and authorizing the City Manager, or his designee, to execute the necessary program documents.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-441**

RESOLUTION AUTHORIZING THE AWARD OF A SOLE SOURCE PROCUREMENT OF NITRATE ANALYZER EQUIPMENT AND MAINTENANCE SERVICES FOR THE DEPARTMENT OF PUBLIC WORKS, WATER OPERATIONS DIVISION, WITH HACH COMPANY, LOVELAND, CO, FOR A ONE YEAR AGREEMENT WITH TWO (2) ONE-YEAR EXTENSION OPTIONS AT THE SOLE DISCRETION OF THE CITY AND AUTHORIZING THE PURCHASING MANAGER, OR HIS DESIGNEE, TO ISSUE A PURCHASE AGREEMENT FOR AN ESTIMATED TOTAL ANNUAL COST OF \$46,570, WITH A THREE (3) YEAR TOTAL OF \$141,348

WHEREAS, in 2006, the California Department of Public Health (CDPH) operating permit states that the nitrate concentrations shall be monitored continuously by an online nitrate analyzer at certain drinking water facilities, and

WHEREAS, over the last six (6) years, ten (10) nitrate analyzers have been purchased and installed at the affected drinking water facilities in compliance with the CDPH permit, and

WHEREAS, the City's current agreement with HACH Company for all service and maintenance of the existing nitrate analyzers expired in September 2012, and

WHEREAS, Staff is recommending renewal of this agreement with the added option for replacement of nitrate units as needed, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. However, there are exceptions to the rule set forth in the Modesto Municipal Code. One exception, MMC Section 8-3.204(b), states whereas the purchasing agencies' requirements can be met solely by a single article or process; the sole source procurement for the purchase of HACH services and equipment conforms to the Modesto Municipal Code.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of a sole source procurement of nitrate analyzer equipment and services for the Department of Public Works, Water Operations Division with HACH Company, Loveland, CO, for a one year agreement with two (2) one-year extension options at the sole discretion of the City.

BE IT FURTHER RESOLVED that the Purchasing Manager, or his designee, is hereby authorized to issue a purchase agreement for an estimated annual cost of \$46,570.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 6th day of November, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-442**

RESOLUTION APPROVING SUBMITTAL OF APPLICATION(S) FOR ALL CALRECYCLE STREET-RELATED GRANTS FOR WHICH THE CITY OF MODESTO IS ELIGIBLE AND AUTHORIZING THE PUBLIC WORKS DIRECTOR, OR HIS DESIGNEE, TO EXECUTE ALL GRANT APPLICATIONS AND GRANT AGREEMENT DOCUMENTS AND ENTER INTO AN AGREEMENT TO RECEIVE THE GRANT FUNDS (IF AWARDED)

WHEREAS, Public Resources code sections 40000 et seq. authorize the Department of Resources Recycling and Recovery (CalRecycle) to administer various Grant Programs (grants) in furtherance of the State of California's (state) efforts to reduce, recycle and reuse solid waste generated in the State thereby preserving landfill capacity and protecting public health and safety and the environment, and

WHEREAS, in furtherance of this authority, CalRecycle is required to establish procedures governing the application, awarding, and management of the grants, and

WHEREAS, CalRecycle grant application procedures require, among other things, an Applicant's governing body to declare by Resolution certain authorizations related to the administration of CalRecycle grants.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes submittal of application(s) to CalRecycle for all street-related grants for which the City of Modesto is eligible; and

BE IT FURTHER RESOLVED that the Public Works Director, or his designee is hereby authorized and empowered to execute in the name of the City of Modesto all grant-related documents, and enter into an agreement to receive the grant funds (if awarded); and

BE IT FURTHER RESOLVED that these authorizations are effective for five (5) years from the date of adoption of this Resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 6th day of November, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-443**

RESOLUTION APPROVING AN ON-CALL AGREEMENT WITH ENVIRONMENTAL SCIENCE ASSOCIATES (ESA) TO PROVIDE THE CITY WITH ENVIRONMENTAL STUDIES IN SUPPORT OF A TREE TRIMMING AND REMOVAL PROJECT ON LANDS OWNED BY THE MODESTO CITY-COUNTY AIRPORT, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, the Federal Aviation Administration (FAA) and California Department of Transportation – Aeronautics have asked Modesto City-County Airport to pursue obstruction removal for significant tree penetrations into the protected airspace surrounding the Airport, and

WHEREAS, federal grant money will be used for this project, the FAA desires a permanent solution to this problem, and

WHEREAS, before tree trimming and removal can be done, a complete environmental analysis is required by the FAA, including studies under the National Environmental Policy Act (NEPA) and California Environmental Quality Act (CEQA), and

WHEREAS, Airport staff is seeking a consultant who can perform the environmental studies required prior to tree trimming and removal on lands adjacent to the Airport, and

WHEREAS, ESA is qualified, willing and able to provide the services to prepare and provide these required studies,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an On-Call Agreement with Environmental Science Associates to provide the City with Environmental Studies in support of removal tree trimming and

removal project on lands owned by the Modesto City-County Airport, for a sum not to exceed \$188,612 as full remuneration, through January 1, 2014.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to sign the Agreement and any related documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 6th day of November, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-444**

RESOLUTION APPROVING AN AGREEMENT WITH BROWN AND CALDWELL TO PROVIDE ANNUAL WASTEWATER RATE REVIEW SERVICES FOR CURRENT AND FUTURE YEARS THROUGH FISCAL YEAR 2015-16 AT A TOTAL COST NOT TO EXCEED \$120,000, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, the City of Modesto original hired Brown and Caldwell to prepare the Wastewater Rate Study that was adopted in July 2007, and

WHEREAS, on July 24, 2007, City Council, by Resolution 2007-463, established maximum wastewater rates beginning August 1, 2007, and

WHEREAS, on May 25, 2010, by Resolution 2010-222, City Council adopted a five-year rate plan in anticipation of debt financing the Phase 2 BNR/Tertiary Treatment Project, and

WHEREAS, This 2010 Resolution also required City Council to conduct an annual review of the proposed rate increases prior to implementation, and that this review will be completed 60 days in advance of the new rates becoming effective, and

WHEREAS, this new agreement will allow Brown and Caldwell to continue to prepare the annual review for the upcoming fiscal year and for each fiscal year through June 30, 2016, and

WHEREAS, the analysis provided will include any new rate tables that would be required when applying an approved rate change to the various customer categories, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Agreement with Brown and Caldwell to provide annual wastewater rate review services for current and future years through Fiscal Year 2015-16. Total cost for four years is not to exceed \$120,000.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Agreement with Brown and Caldwell.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 6th day of November, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-445**

**RESOLUTION REJECTING ALL BIDS FOR THE PRIMARY OUTFALL
REHABILITATION PROJECT - PHASE III AND AUTHORIZING CITY STAFF
TO RE-ADVERTISE THE PROJECT WITH A REDUCED SCOPE OF WORK**

WHEREAS, the bids received for the Primary Outfall Rehabilitation Project - Phase III were opened at 11:00 a.m. on October 16, 2012, and later tabulated by the Director of Utility Planning & Projects for the consideration of the Council, and

WHEREAS, City staff and the consultant determined that it would be in the best interest of the City to reject the sole bid, and

WHEREAS, the consultant will revise the plans and specifications to a reduced scope, segregating the proposed segments under the Tuolumne River and Primary Treatment Plant into a separate project to be constructed later, and

WHEREAS, City staff recommends re-advertising the project with a reduced scope of work,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby rejects all bids received for the Primary Outfall Rehabilitation Project - Phase III, opened in the office of the City Clerk on October 16, 2012.

BE IT FURTHER RESOLVED that staff is hereby authorized to re-advertise the project.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 6th day of November, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

MODESTO CITY COUNCIL
RESOLUTION NO. 2012-446

RESOLUTION AMENDING THE FISCAL YEAR 2012-2013 ANNUAL
OPERATING BUDGET

WHEREAS, a financial analysis has been completed and it has been determined that a budget adjustment is required to the Annual Budgets of the City of Modesto for Fiscal Year 2012-2013,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the Fiscal Year 2012-2013 annual operating budget as shown in **Exhibit A**, which is **attached** hereto and incorporated by reference herein.

BE IT FURTHER RESOLVED that the Director of Finance, or her designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13th day of November, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following votes:

AYES: Councilmembers: Burnside, Cogdill, Geer, Gunderson, Lopez,
Muratore

EXHIBIT A

HUMAN RESOURCES

An adjustment is necessary to establish a transfer in the amount of \$300,000 from the General Liability Fund 5330 to the Property Insurance Fund 5340, as a result of a refund from the Retrospective rating account of the City's excess liability pool. Once transferred to the Property Insurance Fund, these funds will be available to pay any future Property Insurance claims.

PARKS, RECREATION AND NEIGHBORHOODS

The following budget adjustment has multiple components; 1) In FY2011-12 a multi-year transfer was adopted in the amount of \$66,000 from Solid Waste Fund, 4890, to Project #100588 – Centre Plaza. An adjustment is necessary to re-appropriate \$50,000 of this transfer to Project #100688 – Energy Efficiency in Modesto Facilities; 2) an adjustment is necessary to reduce budgeted revenues in Project #100203, Install Foam Roof, by \$4,614, Project #100204, Install Solar Panels, by \$37,240 and Project #100206, Transportation Center Energy Upgrades, by \$85 as these projects are being closed and the funding is being re-appropriated to Project #100688 – Energy Efficiency in Modesto Facilities; 3) recognize revenue in the amount of \$457 in Project #100588 – Centre Plaza Lighting and \$41,482 in Project #100688 – Energy Efficiency in Modesto Facilities; 4) appropriate \$91,482 in Construction expense for Project #100688 – Energy Efficiency in Modesto Facilities.

POLICE

An adjustment is necessary to recognize additional State Law Enforcement Supplemental Fund (SLESF) revenue in the amount of \$217,675 and appropriate said revenues to Salary and Discretionary expense in the 2011-12 SLESF Operating Grant.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-447**

RESOLUTION APPROVING THE PLANS AND SPECIFICATIONS FOR THE AIRPORT NEIGHBORHOOD COMMUNITY CENTER PROJECT, ACCEPTING THE BID, APPROVING AN AGREEMENT WITH HARRIS BUILDERS, INC. OF HILMAR, CA IN THE AMOUNT OF \$327,450; AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, on May 24, 2011, the City Council, by Resolution No. 2011-177, approved the purchase of property located at 805/807 Empire Avenue as the site for the Airport Neighborhood Community Center (ANCC), and

WHEREAS, the Project renovation of an existing residential duplex into a community center includes: rough-in for a small commercial kitchen for future use, three offices, ADA compliant restrooms, meeting rooms, landscaping and site utilities, and

WHEREAS, the Project was advertised for bid on August 18, 2012, and bids were opened on October 23, 2012, with six (6) contractors submitting sealed bids, and

WHEREAS, upon review of the submitted bids, it was determined that Harris Builders, Inc. of Hilmar was the apparent low bidder, and

WHEREAS, the lowest responsible bid by Harris Builders, Inc. is 12.91% above the engineer's estimate; while the lowest responsible bid is greater than 10% above of the engineer's estimate, and

WHEREAS, staff and consulting Architect agree that the bid is a reasonable and competitive bid for the Project and bidder competition was clearly evident with six (6) contractors submitting responsible and competitive bids, and

WHEREAS, City staff recommends awarding the contract to Harris Builders, Inc. of Hilmar, CA in the amount of \$327,450,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the plans and specifications for the Airport Neighborhood Community Center Project, accepts the bid, and approves and agreement with Harris Builders, Inc. of Hilmar, CA in the amount of \$327,450.

BE IT FURTHER RESOLVED, that the City Manager, or his designee, is hereby authorized to execute the agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13th day of November, 2012, by Councilmember Lopez, who moved its adoption, with motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following vote:

PROPERTY AND MUTUAL RELEASE (AGREEMENT) BETWEEN THE CITY
OF MODESTO AND MISSION HOUSING DEVELOPMENT CORPORATION
AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO
EXECUTE THE AGREEMENT AND RELATED DOCUMENTS REQUIRED TO
CLOSE THE TRANSACTION**

WHEREAS, on August 24, 2010 the City of Modesto entered into a NSP2 loan agreement with MHDC in the amount of \$159,142 for the purpose of acquiring and rehabilitating the property at 625 Benson located in the Airport Neighborhood in order to create home ownership and generate program income, and

WHEREAS, two separate fires at the property resulted in unsafe conditions requiring the complete demolition of the remaining structures as well as a back-fill of the substructure beneath the house, and

WHEREAS, to ensure the City of Modesto meets the NSP2 National Objectives it is recommended that MHDC transfer ownership of the property to the City of Modesto and issue a check to in the amount of \$20,200 which is the amount received by MHDC for the insurance settlement for both fires, and

WHEREAS, the City of Modesto will then release MHDC of all NSP2 legally binding restrictions and obligations as they relate to the property located at 625 Benson, and

WHEREAS, the property will then be transferred to a suitable non-profit agency to be identified at a later date for the purpose of creating affordable housing on the now vacant lot, and

WHEREAS, this transaction is dependent upon approval from MHDC Board of Directors through a resolution, and

WHEREAS, should MHDC Board of Directors choose not to transfer the property to the City of Modesto, MHDC will then be responsible for producing a comparable affordable housing unit on the vacant lot by February 11, 2013 or risk being in default of current agreements, and

WHEREAS, this action was reviewed by the Citizens' Housing and Community Development Committee on November 7, 2012 and was recommended for Council approval, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the transfer of the NSP2 property located at 625 Benson from Mission Housing Development Corporation to the City of Modesto in order to meet the NSP2 National Objective of creating affordable housing for moderate to very low income households.

BE IT FURTHER RESOLVED, that the City Manager, or his designee, is hereby authorized to execute the Agreement to Convey Real Property and Mutual Release and related documents required to close the transaction.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-453**

A RESOLUTION APPROVING CITY STAFF TO WORK ON THE TRANSFER OF THE 416 DOWNEY AVENUE PARCEL FROM THE SUCCESSOR AGENCY, ACTING ON BEHALF OF THE RDA TO THE CITY OF MODESTO AS THE SUCCESSOR HOUSING ENTITY

WHEREAS, on December 10, 2008, the Redevelopment Agency (Agency) purchased 416 Downey Avenue for \$520,000 based on an appraisal prepared by Pacific Valley Appraisal Inc., on May 18, 2008, and

WHEREAS, the property consists of one rectangular shaped parcel containing approximately 11,250 square feet improved at the time, with one commercial office building containing a total of approximately 2,252 square feet that was once utilized as a fire station, and

WHEREAS, since then purchase of the property the commercial office building has been demolished and cleared, and

WHEREAS, this property along with 412 Downey Avenue, which was purchased on February 28, 2008 with Community Development Block Grant (CDBG) funds, were purchased with the purpose of developing 11 senior housing units, and

WHEREAS, on February 9, 2010, staff released an RFP soliciting affordable housing developers to submit a proposal on or before March 26, 2010, and

WHEREAS, staff received four applications and only one application met the threshold of the unit count and funding constraints.

WHEREAS, on June 22, 2010 the RDA and the City Council approved the Housing Authority of the County of Stanislaus as the selected developer, and

WHEREAS, at the time the RFP was released, additional RDA funding was

anticipated from the RDA's Housing Set-Aside fund, however due to the Court decision regarding RDA payments to the State of California and then later the dissolution of the RDA, there were no additional RDA funds available for this project, and

WHEREAS, on June 28, 2011, as part of the 2011-2012 State of California budget bill, companion bills Assembly Bill 1X 26 ("AB 26") and Assembly Bill 1X 27 ("AB 27") were enacted, dissolving the Agency unless the City elected to participate in an "Alternative Voluntary Redevelopment Program" established by AB 27 and paid an annual "community remittance" payment to the County of Stanislaus, and

WHEREAS, on August 1st, 2012, the City of Modesto in its capacity as the housing successor agency to the former Redevelopment Agency of the City of Modesto and as required by AB 1484, submitted to the Department of Finance (DOF) a list of all housing assets transferred to it by the dissolved RDA, with explanation of how assets met criteria set forth in law, and

WHEREAS, on September 5, 2012, the City of Modesto received a letter from DOF indicating that DOF was not objecting to any assets or transfers of assets identified in the form submitted by the City of Modesto, and

WHEREAS, the 416 Downey property was included in the list, and

WHEREAS, the City of Modesto has identified other sources of funding to move forward the senior housing project that will be located at 416 and 412 Downey,

WHEREAS, the sales price will be determined based on an appraisal submitted on October 2, 2012 by the Housing Authority which values the property at \$66,000, and

WHEREAS, the value of the property is based on bare land, and

WHEREAS, at the time of purchase there was a 2,252 square foot commercial office building that was once utilized as a fire station, and

WHEREAS, this building was demolished and cleared to proceed with the development of senior housing.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as the Successor Housing Entity to the former RDA that it hereby approves staff to work on the transfer of the 416 Downey Avenue parcel from the Successor Agency, acting on behalf of the RDA to the City of Modesto as the Successor Housing Entity is hereby adopted.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13th day of November, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

WHEREAS, on December 10, 2008, the Redevelopment Agency (Agency) purchased 416 Downey Avenue for \$520,000 based on an appraisal prepared by Pacific Valley Appraisal Inc., on May 18, 2008, and

WHEREAS, at the time of purchase, the approximately 11,250 square feet rectangular shaped parcel contained one (1) 2,525 square feet commercial office building that was once utilized as a fire station, and

WHEREAS, since the purchase of the property the commercial office building has been demolished and cleared, and

WHEREAS, this property along with 412 Downey Avenue, which was purchased on February 28, 2008 with Community Development Block Grant (CDBG) funds, was purchased with the intent of developing eleven (11) senior housing units, and

WHEREAS, on February 9, 2010, staff released an RFP soliciting affordable housing developers to submit a proposal on or before March 26, 2010, and

WHEREAS, staff received four applications and only one application met the threshold of the unit count and funding constraints.

WHEREAS, on June 22, 2010 the RDA and the City Council approved the Housing Authority of the County of Stanislaus as the selected developer, and

WHEREAS, at the time the RFP was released, additional RDA funding was

anticipated from the RDA's Housing Set-Aside fund, however due to the Court decision regarding RDA payments to the State of California and then later the dissolution of the RDA, there were no additional RDA funds available for this project, and

WHEREAS, on June 28, 2011, as part of the 2011-2012 State of California budget bill, companion bills Assembly Bill 1X 26 ("AB 26") and Assembly Bill 1X 27 ("AB 27") were enacted, dissolving the Agency unless the City elected to participate in an "Alternative Voluntary Redevelopment Program" established by AB 27 and paid an annual "community remittance" payment to the County of Stanislaus, and

WHEREAS, on August 1st, 2012, the City of Modesto in its capacity as the housing successor agency to the former Redevelopment Agency of the City of Modesto and as required by AB 1484, submitted to the Department of Finance (DOF) a list of all housing assets transferred to it by the dissolved RDA, with explanation of how assets met criteria set forth in law, and

WHEREAS, on September 5, 2012, the City of Modesto received a letter from DOF indicating that DOF was not objecting to any assets or transfers of assets identified in the form submitted by the City of Modesto which included the 416 Downey Avenue property, and

WHEREAS, the City of Modesto has identified other sources of funding to move forward the senior housing project that will be located at 416 and 412 Downey Avenue, and

WHEREAS, the sales price will be determined based on an appraisal submitted on October 2, 2012 by the Housing Authority which values the property at \$66,000, and

WHEREAS, the value of the property is based on bare land, and

WHEREAS, at time of purchase there was a 2,252 square foot commercial office building that was once utilized as a fire station, and

WHEREAS, this building was demolished and cleared to proceed with the development of senior housing.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as the Successor Housing Entity to the former RDA hereby approves City staff and the Successor Agency attorney's to work on drafting agreements for the sale of the 416 Downey parcel to the Housing Authority of the County of Stanislaus for the development of senior housing and bringing the agreements for approval at a later date.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreements and related documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13th day of November, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-459**

A RESOLUTION AUTHORIZING THE AWARD OF A SOLE SOURCE PROPOSAL AND CONTRACT TO CELPLAN TECHNOLOGIES, INC. OF RESTON, VA, TO PROVIDE AND INSTALL A VIDEO SURVEILLANCE SYSTEM AT THE NEW BUS MAINTENANCE FACILITY, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE A CONTRACT FOR AN AMOUNT EQUAL TO \$76,288.20

WHEREAS, the City of Modesto has constructed a new bus maintenance facility,
and

WHEREAS, the City wishes to procure a fully functional video surveillance system for said facility, and

WHEREAS, said system must be integrated into the City's existing video surveillance system utilized at the Transportation Center and in downtown Modesto, and

WHEREAS, the new installation must reuse equipment previously installed at the old bus facility, and

WHEREAS CelPlan Technologies, Inc. provided and installed the systems at the Transportation Center, the old bus facility and downtown Modesto, and

WHEREAS, procuring the hardware from the same firm that previously provided the viewing software ensures that only one vendor is responsible for a fully integrated and functional system, and

WHEREAS, using the same company that did the initial installation at the old bus facility eliminates potential issues relative to the functionality and compatibility of the relocated hardware, and

WHEREAS, staff compared CelPlan's pricing for this project with its pricing for the aforementioned City projects and believes the pricing is reasonable.

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. However, there are exceptions to the rule set forth in the Modesto Municipal Code. One exception, MMC8-3.204(b), states where as the purchasing agencies' requirements can be met solely by a single article or process: the sole source procurement for the purchase and installation of a video surveillance system conforms to the Modesto Municipal Code.

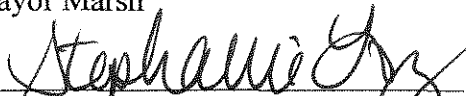

NOW THEREFORE, BE IT RESOLVED by the City of Modesto that it authorizes the award of a sole source proposal and contract to CelPlan Technologies, Inc. of Reston, VA, to provide and install a video surveillance system at the new Bus Maintenance Facility, and authorizing the City Manager, or his designee, to execute a contract for an amount equal to \$76,288.20

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13th day of November, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION AUTHORIZING THE AWARD OF A SOLE SOURCE PROCUREMENT OF REMOTE TERMINAL UNITS (RTU'S) AND ALL ASSOCIATED CIRCUIT BOARDS AND PARTS FOR THE HSQ MISER SCADA SYSTEMS, TO HSQ TECHNOLOGY, HAYWARD CA, FOR A TWO YEAR AGREEMENT WITH THREE (3) ONE YEAR EXTENSION OPTIONS AT THE SOLE DISCRETION OF THE CITY, AND AUTHORIZING THE PURCHASING MANAGER, OR HIS DESIGNEE, TO ISSUE A PURCHASE AGREEMENT FOR AN ESTIMATED ANNUAL COST OF \$75,000

WHEREAS, the Wastewater and Water Divisions utilize HSQ Technology (HSQ) to transmit and receive operational data from over 200 remotely located facilities such as wells, storage tanks, sewer lift stations, storm stations, and the Sutter and Jennings Treatment Plants for the HSQ Miser SCADA System, and

WHEREAS, HSQ utilizes Remote Terminal Units and the associated circuit boards and parts to ensure that there is no interruption of service in the transmission of this operational data, and

WHEREAS, HSQ has been providing service and technical support for approximately 17 years on approximately \$4 million worth of equipment that is used for our SCADA System, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. However, there are exceptions to the rule set forth in the Modesto Municipal Code. One exception, MMC8-3.204(b), states where as the purchasing agencies' requirements can be met solely by a single article or process: the sole source procurement for the sole source procurement of remote terminal units (RTU's) and all associated circuit boards conforms to the Modesto Municipal Code.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of a sole source procurement of Remote Terminal Units (RTU's) and all associated circuit boards and parts for the HSQ Miser SCADA Systems to HSQ Technology, Hayward, CA, for a two (2) year agreement with three (3) one-year extension options at the sole discretion of the City.

BE IT FURTHER RESOLVED that the Purchasing Manager, or his designee, is hereby authorized to issue a purchase agreement for an estimated annual cost of \$75,000.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13th day of November, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION APPROVING A PURCHASE AGREEMENT WITH CHEVRON U.S.A., INC. FOR A 1,564 SQ. FT. TEMPORARY CONSTRUCTION EASEMENT OF A PARCEL LOCATED AT 2101 SYLVAN AVENUE (APN 052-063-025), IN THE AMOUNT OF \$2,550, FOR THE DOWNSTREAM WATER SYSTEM IMPROVEMENTS TIER 2 PRESSURE REGULATING VALVES PROJECT, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT AND ALL RELATED DOCUMENTS REQUIRED

WHEREAS, the City of Modesto is continuing to make improvements to the City's water system to increase the overall dependability and efficiency of delivering quality drinking water to its users, and

WHEREAS, the improvements in this project include installing special pressure regulating valves throughout the City, and

WHEREAS, these valves are part of the City's Downstream Water System Improvements and will be used to control the flow of treated surface water to the City's distribution system, and

WHEREAS, due to safety and operational requirements, one of the valve stations will be located in an existing Public Utility Easement, and

WHEREAS, this valve station will require a Temporary Construction Easement for construction within the Public Utility Easement, and

WHEREAS, City staff has investigated the subject property to ensure it is suitable for this purpose, and recommends approving the Purchase Agreement for acquisition of the temporary property easement granted by Chevron,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Purchase Agreement with Chevron U.S.A., Inc. for a 1,564

square foot Temporary Construction Easement of a parcel located at 2101 Sylvan Avenue (APN 052-063-025), in the amount of \$2,550, for the Downstream Water System Improvements Tier 2 Pressure Regulating Valves Project.

RESOLUTION NO. 2012-466**

**RESOLUTION APPROVING AN APPLICATION BY MAGDY S. ELSAKR FOR
A STREET NAME CHANGE FROM BOB'S WAY TO ELSAKR WAY**

WHEREAS, Bob's Way is a street that runs north-south just east of Oakdale Road, from Sylvan Avenue to Post Office Drive in the northwest corner of Village One, and

WHEREAS, there are no existing businesses or residents that reside on Bob's Way nor are there existing addresses for this street in use at this time, and

WHEREAS, Magdy S. Elsagr has requested that the street be renamed Elsagr Way, and

WHEREAS, said matter was considered by the City Council at a duly noticed public hearing which was held on November 13, 2012, at 5:30 p.m., in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California, and

WHEREAS, Government Code Section 34091.1 states, "Whenever the legislative body finds that a name should be adopted and applied to any city street, or that the existing name of any city street should be changed, the legislative body may adopt a resolution designating a name for, or change the name of, such street,"

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto hereby approves the application by Magdy S. Elsagr for a street name change from Bob's Way to Elsagr Way, subject to the following condition:

Within 10 days of approval, the applicant shall deposit funds with the Community & Economic Development Department sufficient to pay for the cost of replacing the three street name signs.

BE IT FURTHER RESOLVED that in accordance with Section 34092 of the Government Code, the City Clerk is directed to transmit a certified copy of this resolution to the Stanislaus County Board of Supervisors.

BE IT FURTHER RESOLVED that City staff shall immediately notify affected public agencies, utility companies, and city departments regarding the street name change.

BE IT FURTHER RESOLVED that the City shall replace the street name signs.

BE IT FURTHER RESOLVED that the street name change shall become effective 30 days after adoption of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13th day of November, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-467**

RESOLUTION APPROVING AN AMENDMENT TO THE DEPARTMENT OF HOUSING & URBAN DEVELOPMENT ANNUAL ACTION PLAN FOR FISCAL YEAR 2012-13, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE RELATED DOCUMENTS

WHEREAS, the City of Modesto receives several Federal grants from the United States Department of Housing and Urban Development (HUD) and allocates those funds to various eligible activities, and

WHEREAS, the City Council, on May 8, 2012, by Resolution No. 2012-170, approved the Fiscal Year 2012-13 HUD Annual Action Plan (AAP), and

WHEREAS, any changes to the allocations adopted in the AAP are accomplished through an AAP amendment, and

WHEREAS, staff has proposed an amendment to the AAP as set forth in **Exhibit "A"**, **attached** hereto and incorporated herein by reference, and

WHEREAS, notice has been duly given to the community of the proposed amendment to the AAP, and to provide a 30-day comment period, which began October 12, 2012, and ends on November 13, 2012, and

WHEREAS, this first amendment will amend the Fiscal Year 2012-13 AAP to include the allocation of revolving loan and entitlement carryover funds, and

WHEREAS, the Citizens' Housing and Community Development Committee (CH&CDC) considered the proposed amendment to the HUD AAP at its November 7, 2012, meeting, and the Committee recommended that the City Council approve the amendment to the HUD AAP as proposed by staff, and

WHEREAS, a duly noticed public hearing was held by the City Council on

November 13, 2012, at 5:30 p.m., in the Tenth Street Place Chambers, located at 1010 Tenth Street, to consider approval of the proposed amendment to the Fiscal Year 2012-13 HUD AAP,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Amendment to the Fiscal Year 2012-13 HUD Annual Action Plan.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute any related documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13th day of November, 2012, by Councilmember Lopez, who moved its adoption, with motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Burnside, Cogdill, Geer, Gunderson, Lopez

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-468**

RESOLUTION AMENDING THE FY 2012-13 ANNUAL OPERATING AND CAPITAL IMPROVEMENT BUDGETS TO REFLECT THE APPROVED AMENDMENT TO THE ANNUAL ACTION PLAN FOR FISCAL YEAR 2012-13 AND THE REALLOCATION OF CARRYOVER FUNDS AS NOTED IN EXHIBIT A; AND AUTHORIZING THE DIRECTOR OF FINANCE, OR HER DESIGNEE, TO TAKE THE NECESSARY STEPS TO IMPLEMENT THE PROVISIONS OF THIS RESOLUTION

WHEREAS, the City of Modesto receives several Federal grants from the United States Department of Housing and Urban Development (HUD), and allocates those funds to various eligible activities, and

WHEREAS, on May 8, 2012, by Resolution No. 2012-170, the Modesto City Council approved the Fiscal Year 2012-13 HUD Annual Action Plan (AAP), and

WHEREAS, any changes to the allocations adopted in the AAP are accomplished through an AAP amendment, and

WHEREAS, this first amendment will amend the Fiscal Year 2012-13 HUD AAP to include the allocation of revolving loan and entitlement carryover funds as set forth in **Exhibit "A"**, **attached** hereto and incorporated herein by reference, and

WHEREAS, notice has been duly given to the community of the proposed amendment to the HUD AAP, and to provide a 30-day comment period, which began October 12, 2012 and ends on November 13, 2012, and

WHEREAS, the Citizens' Housing and Community Development Committee (CH&CDC) considered the proposed amendment to the HUD AAP at its November 7, 2012, meeting, and recommended that the Council approve, and

WHEREAS, a duly noticed public hearing was held by the City Council on November 13, 2012, at 5:30 p.m., in the Tenth Street Place Chambers, located at 1010

Tenth Street, to consider approval of the proposed amendment to the Fiscal Year 2012-13 HUD Annual Action Plan,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the FY 2012-13 Annual Operating and Capital Improvement Budgets to reflect the approved amendment to the Annual Action Plan for Fiscal Year 2012-2013, and the reallocation of carryover funds as noted in **Exhibit A**.

BE IT FURTHER RESOLVED, that the Director of Finance, or her designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13th day of November, 2012, by Councilmember Lopez, who moved its adoption, with motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-469**

**RESOLUTION APPROVING THE REVISED FUNDING PLAN FOR THE
NEIGHBORHOOD STABILIZATION PROGRAM (NSP) 2 & 3 FOR THE
ADDITION OF 29 UNITS OF NEW SENIOR/SPECIAL NEEDS HOUSING, AND
A REDUCTION OF THE TOTAL FUNDING ALLOCATION TO THE
EMANCIPATED FOSTER AND HOMELESS YOUTH PROGRAM AND
AUTHORIZE STAFF TO PREPARE ALL NECESSARY AND SPECIFIC
DOCUMENTATION REQUIRED TO ENACT THIS PLAN**

WHEREAS, on January 26, 2012 a Special Council Study/Workshop session was held to outline a plan to move forward with expending the remaining NSP2 funds in the NSP2 General Acquisition and Rehabilitation activity, and

WHEREAS, in an effort to ensure that the NSP2 expenditure deadline is met Parks, Recreation and Neighborhood Department Staff were presented with an opportunity to revive two previously approved projects that have been placed on hold due to lack of funding, and

WHEREAS, together with Housing Urban Development (HUD) Technical Assistance (TA), staff proposed a revised NSP 2 & 3 Expenditure Plan which includes the funding of a new affordable senior housing project located on Downey Avenue consisting of 11 units and the funding of a new affordable senior/special needs housing project located at 421 Lincoln Avenue consisting of 18 units, and

WHEREAS, the Downey Avenue project will be developed by the Housing Authority of the County of Stanislaus (HACS) which will utilize \$450,000 of current NSP2 funding and a not to exceed amount of \$301,605 from future NSP2 Program Income, \$998,395 of current NSP3 funding and \$500,000 from FY 12-13 HOME Entitlement to complete the acquisition, pre-development and construction phases of this project, and

WHEREAS, the 421 Lincoln Avenue project will be developed by Stanislaus County Affordable Housing Corporation (STANCO) which will utilize \$646,100 of current NSP2 funding and a not to exceed amount of \$748,382 from future NSP2 Program Income and \$558,000 of current NSP3 funding combined with a previously allocated \$940,421 of HOME Entitlement to help complete the pre-development and construction phases of this project, and

WHEREAS, the revised Expenditure Plan requires the reduction to the NSP2 Emancipated Foster Youth and Homeless Youth program overall unit count goal of 33 to 26, and

WHEREAS, the proposed Revised Expenditure Plan will increase the overall NSP2 unit count from 175 to 190 while completing two previously approved projects that have been dormant due to lack of funding, and

WHEREAS, on November 7, 2012 this action was recommended for Council approval by the Citizens' Housing and Community Development Committee.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Revised Expenditure Plan for the Neighborhood Stabilization Program (NSP) 2 & 3 for the addition of 29 units of New Senior/Special Needs Housing, and a reduction of the total funding allocation to the Emancipated Foster and Homeless Youth Program and authorize Staff to prepare all necessary and specific documentation required to enact this Plan.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13th day of November, 2012, by Councilmember Cogdill, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-477**

RESOLUTION ACCEPTING THE NEIGHBORHOOD STABILIZATION PROGRAM (NSP)2 SUBSTANTIAL AMENDMENT FOR SUBMITTAL TO HOUSING URBAN DEVELOPMENT (HUD) AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE TO EXECUTE ALL NECESSARY DOCUMENTS REQUIRED TO COMPLETE THE AMENDMENT

WHEREAS, on January 26, 2012 a Special Council Study/Workshop session was held to outline a plan to move forward with expending the remaining NSP2 funds in the NSP2 General Acquisition and Rehabilitation activity, and

WHEREAS, in an effort to ensure that the NSP2 expenditure deadline is met Parks, Recreation and Neighborhood Department Staff were presented with an opportunity to revive two previously approved projects that have been placed on hold due to lack of funding, and

WHEREAS, together with Housing Urban Development (HUD) Technical Assistance (TA), staff proposed a revised NSP 2 & 3 Expenditure Plan which includes the funding of a new affordable senior housing project located on Downey Avenue consisting of 11 units and the funding of a new affordable senior/special needs housing project located at 421 Lincoln Avenue consisting of 18 units, and

WHEREAS, the Downey Avenue project will be developed by the Housing Authority of the County of Stanislaus (HACS) which will utilize \$450,000 of current NSP2 funding and a not to exceed amount of \$301,605 from future NSP2 Program Income, \$998,395 of current NSP3 funding and \$500,000 from FY 12-13 HOME Entitlement to complete the acquisition, pre-development and construction phases of this project, and

WHEREAS, the 421 Lincoln Avenue project will be developed by Stanislaus County Affordable Housing Corporation (STANCO) which will utilize \$646,100 of current NSP2 funding and a not to exceed amount of \$748,382 from future NSP2 Program Income and \$558,000 of current NSP3 funding combined with a previously allocated \$940,421 of HOME Entitlement to help complete the pre-development and construction phases of this project, and

WHEREAS, the revised Expenditure Plan requires the reduction to the NSP2 Emancipated Foster Youth and Homeless Youth program overall unit count goal of 33 to 26, and

WHEREAS, the proposed Revised Expenditure Plan will increase the overall NSP2 unit count from 175 to 190 while completing two previously approved projects that have been dormant due to lack of funding, and

WHEREAS, on November 7, 2012 this action was recommended for Council approval by the Citizens' Housing and Community Development Committee, and

WHEREAS, together the Substantial Amendment once approved by HUD will fully complete the required changes to carry out the Revised Expenditure Plan for NSP 2 & 3.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Neighborhood Stabilization Program (NSP) 2 Substantial Amendment for submittal to Housing Urban development (HUD) and authorizing the City Manager or his designee to execute all necessary documents required to complete the amendment.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13th day of November, 2012, by Councilmember Cogdill, who moved its adoption, which motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Burnside, Cogdill, Geer, Gunderson, Lopez

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-478**

RESOLUTION AMENDING THE FY 2012-13 MULTI-YEAR BUDGET FOR PROJECT 100243 TO INCLUDE THE REALLOCATIONS AS APPROVED IN THE NSP2 SUBSTANTIAL AMENDMENT FOR THE REVISED FUNDING PLAN AS SET FORTH IN EXHIBIT "E", AND AUTHORIZING THE DIRECTOR OF FINANCE, OR HER DESIGNEE, TO TAKE THE NECESSARY STEPS TO IMPLEMENT THE PROVISIONS OF THIS RESOLUTION

WHEREAS, the City received a \$25 Million grant award under the American Recovery and Reinvestment Act of 2009 (ARRA) for NSP2, and

WHEREAS, any changes to the allocations adopted are accomplished through a Substantial Amendment, and

WHEREAS, in an effort to ensure that the NSP2 expenditure deadline is met Parks, Recreation and Neighborhood Department Staff were presented with an opportunity to revive two previously approved projects that have been placed on hold due to lack of funding, and

WHEREAS, on November 7, 2012 this action was recommended for Council approval by the Citizens' Housing and Community Development Committee, and

WHEREAS, together the Substantial Amendment once approved by HUD will fully complete the required changes to carry out the Revised Expenditure Plan for NSP 2, and

WHEREAS, notice has been duly given to the community of the proposed amendment through a 15-day comment period, which began on October 28, 2012 and ended on November 13, 2012, and

WHEREAS, this amendment will amend the Multi-Year NSP2 Project 100243 Budget to include the allocations as set forth in **Exhibit "E"**, **attached** hereto and incorporated herein by reference, and

WHEREAS, the Citizens' Housing and Community Development Committee (CH&CDC) considered the proposed amendment to the NSP2 Expenditure Plan at its November 7, 2012, meeting, and recommended that the Council approve, and

WHEREAS, a duly noticed public hearing was held by the City Council on November 13, 2012, at 5:30 p.m., in the Tenth Street Place Chambers, located at 1010 Tenth Street, to consider approval of the proposed funding allocations as described in the NSP2 Substantial Amendment.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the FY 2012-13 Multi-year budgets for project 100243 to include the reallocations as set forth in Exhibit "E".

BE IT FURTHER RESOLVED, that the Director of Finance, or her designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13th day of November, 2012, by Councilmember Cogdill, who moved its adoption, with motion being duly seconded by Councilmember Gunderson, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-479**

**RESOLUTION AMENDING THE FISCAL YEAR 2012-2013 PARKS,
RECREATION AND NEIGHBORHOODS DEPARTMENT OPERATING
BUDGET TO INCREASE FUNDING TO PROVIDE ONE ADDITIONAL
COMMUNITY FORESTRY TREE CREWS AND OVERTIME FUNDING FOR A
MISTLETOE ABATEMENT PROGRAM**

WHEREAS, the Parks, Recreation and Neighborhoods Department, Community Forestry Division, has seen significant budget reductions over the last ten years, and

WHEREAS, these budget reductions have resulted in a change in the pruning cycle from five years to over eight years, and

WHEREAS, the delayed pruning cycle has resulted in significant mistletoe infestation causing the loss of trees, and

WHEREAS, in order to combat this problem the Division will increase staffing by two Tree Trimmers, part-time staff, additional equipment, and overtime funding, and

WHEREAS, the on-going cost to increase staff and equipment is \$259,635, one-time startup cost is \$1,535, and one-time overtime funding is \$100,000, and

WHEREAS, the total Parks, Recreation and Neighborhoods Department Operating Budget increase in Fiscal Year 2012-2013 will be \$361,170 and will be funded through MCEA, MCMA, and Unrepresented group General Fund labor concessions,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the Fiscal Year 2012-2013 Parks, Recreation and Neighborhoods Department Operating Budget.

BE IT FURTHER RESOLVED that the Director of Finance, or her designee, is hereby authorized to implement the provisions of this resolution.

MODESTO CITY COUNCIL
RESOLUTION NO. 2012-483

RESOLUTION OF THE COUNCIL OF THE CITY OF MODESTO ADOPTING
AN AMENDED CONFLICT OF INTEREST CODE FOR CITY OF MODESTO;
AND RESCINDING RESOLUTION 2010-487

WHEREAS, pursuant to Government Code Section 87300, every local agency must adopt a Conflict of Interest Code, and

WHEREAS, the City Clerk is authorized to maintain a current list of the City agencies/departments which have adopted the Conflict of Interest Code, and

WHEREAS, The Political Reform Act requires every local government agency to review its Conflict of Interest Code on a biennial basis to determine if it is accurate or, alternatively, the need for amendment, and

WHEREAS, pursuant to Government Code Section 82011, this Council is the Code reviewing body for agencies of the City of Modesto, and

WHEREAS, the Council, at its meeting of December 4, 2012, considered the adoption of the Amended Conflict of Interest Code for the City of Modesto.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby adopts an amended Conflict of Interest Code for the City of Modesto **attached hereto.**

BE IT FURTHER RESOLVED that Resolution 2010-487, adopted by the City Council is hereby rescinded.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4nd day of December, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**CONFLICT OF INTEREST CODE
FOR THE CITY OF MODESTO**

The Political Reform Act (Government Code Section 8100, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. 18730) which contains the terms of a standard conflict of interest code. After public notice and hearing, the standard code may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act.

Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendix designating officials and employees and establishing disclosure categories, shall constitute the conflict of interest code of the City of Modesto.

Designated employees shall file their statements with the Office of the City Clerk which will make the statements available for public inspection and reproduction. (Gov. Code Section 81008.) Statements for all designated employees will be retained by the Office of the City Clerk.

REQUIRE THE PARCEL TO FORM OR ANNEX TO A COMMUNITY
FACILITIES DISTRICT**

WHEREAS, Government Code Section 65450 et. seq. permits cities and counties to adopt specific plans for the systematic implementation of the General Plan and to provide for a greater level of detail in planning sites or areas of special interest or value, and

WHEREAS, on October 16, 1990, the City Council, by Resolution No. 90-828A, adopted the Village One Specific Plan, to guide the development of 1,780 acres located in northeast Modesto, and

WHEREAS, Westurf Nursery (“Applicant”) contacted the City to construct a 5,496 +/- square foot retail nursery building expansion located at 1612 Claus Road, Modesto, CA (“Parcel”), and

WHEREAS, said Parcel resides within the Village One Specific Plan Area, Precise Plan Area 35 (commonly known as the “Industrial Triangle”), and

WHEREAS, the Village One Specific Plan states that no precise plan, final map, final development plan, building permit or other development entitlement for currently unvested property shall be consistent with this Specific Plan until and unless the affected parcel is required to form or annex to the Village One CFD, and

WHEREAS, the Village One Specific Plan does allow City to defer the requirement to form or annex to the Village One CFD if it meets the following criteria:

- 1) Residential properties of less than ten acres, until there is a land

- division, addition of any dwelling unit or change of use, or
- 2) The existing commercial properties in Precise Plan Area No. 2....unless there is a change of use, physical expansion of the existing buildings, construction of new buildings, or division of property, and

WHEREAS, since Applicant did not meet above-referenced deferral criteria, staff recommended Council approve an exception to the Village One Specific Plan for the following reasons:

- 1) Applicant did not trigger the need for preparation of a Precise Plan,
- 2) The existing business was operating on the site before the Parcel was annexed into the City limits,
- 3) Circumstances had changed since the Village One CFD #2 was formed in 2004. Reprioritization of the projects occurred two years ago. The infrastructure in CFD #2 that availed the subject parcel was intended to be part of a separate and distinct financing mechanism to be developed and implemented in the future, and

WHEREAS, on October 25, 2011, the City Council, by Resolution No. 2011-406, approved a One-Time Exception to the Village One Specific Plan to construct a 5,496 +/- square foot retail nursery building expansion, and

WHEREAS, the Applicant contacted the City to construct a 3,200 square foot shade structure on the Parcel, and

WHEREAS, the applicant has also indicated it has plans to construct an additional shade structure in the future, and

WHEREAS, since the reasons stated above also apply to the construction shade structures, staff recommends the Council approve an exception to the Village One Specific Plan, and

WHEREAS, upon future development, the Parcel will be required to adhere to the Village One Specific Plan as amended,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that is hereby approves an exception to the Village One Specific Plan to allow for the construction of shade structures located at 1612 Claus Road, Modesto, CA and not require the Parcel to form or annex to a Community Facilities District.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of December, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-486**

A RESOLUTION APPROVING THE AWARD OF PROPOSAL AND CONTRACTS FOR PROFESSIONAL ASSISTANCE WITH PLAN REVIEW AND INSPECTION SERVICES TO 4LEAF INC., BUREAU VERITAS, CSG CONSULTANTS INC., AND INTERWEST CONSULTING GROUP FOR A THREE (3) YEAR PROFESSIONAL SERVICES AGREEMENT WITH TWO (2) ONE-YEAR EXTENSION OPTIONS AT THE SOLE DISCRETION OF THE CITY, FOR AN ESTIMATED ANNUAL COST OF \$30,000, AND A TOTAL COST NOT TO EXCEED \$90,000

WHEREAS, on April 1, 2008, by Resolution No. 2008-171, the Council authorized the award of proposal and contracts for the furnishing of plan check services to Bureau Veritas, CSG Consultants, Scott Fazekas & Associates, and NAFFA International, and

WHEREAS, each of these contracts expired on April 1, 2012, and was based on the old valuation fee schedule, and

WHEREAS, in addition, recent state mandate requires the division to include services of Certified Access Specialists, which were not covered in the previous contracts, and

WHEREAS, the Building Safety Division's dependence on these consultants has increased due to reduction of a Plans Examiner position and the elimination of an Associate Civil Engineer position, and

WHEREAS, the plan review staff needs assistance in review of complex structural projects and a relief mechanism when the volume exceeds their ability to meet performance standards, and

WHEREAS, as commercial construction increases the Division will rely on these consultants on a regular basis, and

WHEREAS, in addition to plan review services, the Division has identified the need to contract for inspection services as well, and

WHEREAS, due to limited inspection staff resources the Division is concerned about its ability to continue to provide timely inspection services, and

WHEREAS, staffing reductions have severely limited back up capabilities, and

WHEREAS, the Division does not have an immediate need for these services on a consistent basis, any increase in permit volume would increase inspection turnaround times, and

WHEREAS, having inspection consultants available will not only allow the Division to maintain current performance levels but also account for any future increase in inspection volumes, and

WHEREAS, under the new business philosophy of including consultants as part of the Division's future to avoid "staffing up," the need to enter into new contracts is critical, and

WHEREAS, staff does not recommend this alternative, as in-house resources are limited and any increase in permit volume or unforeseen staff shortage will result in longer plan review and inspection turnaround times, and

WHEREAS, the City Manager authorized the Chief Building Official to issue formal Requests for Proposals (RFP) for professional assistance with plan review and inspection services, and

WHEREAS, the Building Safety Division issued an RFP for Plan Check and Inspection Services on May 7, 2012, posted the RFP on the City's website and formally advertised it as required by law, and

WHEREAS, seven (7) companies responded, including two (2) local vendors. All seven (7) companies provided responsive and responsible proposals, and

WHEREAS, an evaluation committee comprised of one (1) City staff member and three (3) technical experts outside the City evaluated and ranked the proposals, and

WHEREAS, based on being ranked highest in total evaluation criteria, the evaluation committee recommends the award of proposal and contracts for professional assistance with plan review and inspection services to 4LEAF Inc., Bureau Veritas, CSG Consultants Inc., and Interwest Consulting Group for an estimated annual cost of \$30,000, and a total cost not to exceed \$90,000, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services, to be formally bid, and

WHEREAS, the award of proposal and contracts for professional assistance with plan review and inspection services to 4LEAF Inc., Bureau Veritas, CSG Consultants Inc., and Interwest Consulting Group conforms to the Modesto Municipal Code,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the award of proposal and contracts for professional assistance with plan review and inspection services to 4LEAF Inc., Bureau Veritas, CSG Consultants Inc., and Interwest Consulting Group for a three (3) year professional services agreement with two (2) one-year extension options at the sole discretion of the City, for an estimated annual cost of \$30,000, and a total cost not to exceed \$90,000.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreements as recommended.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of December, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-487**

RESOLUTION AUTHORIZING THE AWARD OF BID FOR THE PURCHASE OF TWO (2) JOHN DEERE 410K BACKHOE LOADERS FOR THE PUBLIC WORKS DIVISION, WATER DIVISION, THROUGH THE FLEET SERVICES DIVISION, BY "PIGGYBACKING OFF A COMPETITIVE BID PROCESS" WITH THE STATE OF CALIFORNIA, DEPARTMENT OF GENERAL SERVICES, CALIFORNIA MULTIPLE AWARD SCHEDULES (CMAS) TO PAPE MACHINERY, FRENCH CAMP, CA, FOR AN ESTIMATED TOTAL COST OF \$220,770

WHEREAS, the Public Works Department, Fleet Services Division has requested the purchase of two (2) John Deere Backhoe Loaders for use by the Water Division. Backhoe Loaders are used by the Water Division to construct, maintain, and repair the water infrastructure.

WHEREAS, the Backhoe Loaders are replacements for 2000 and 2001 model year that are at the end of their useful life. The Backhoe Loaders have been subjected to a thorough evaluation and have met or exceeded the replacement criteria before being placed on the replacement list, and

WHEREAS, The City Manager authorized the Purchasing Manager to issue formal Request for Bids (RFB) for new vehicles and heavy equipment, throughout FY 12/13 through various competitive processes, with the Purchasing Division coming back to Council for award authorization. The two (2) John Deere Backhoe Loaders are included in the FY 12/13 new vehicles and heavy equipment list authorized by the City Manager, and

WHEREAS, the State of California, Department of General Services, went through a competitive bid process for the purchase of John Deere construction products and issued contract #4-08-23-022A. The most responsive and responsible bidder that met

the bid specifications was Pape Machinery, French Camp, CA. Pape Machinery was awarded the California Multiple Award Schedules (CMAS) contract #4-08-23-0022A for John Deere construction products and is extending the CMAS discount to the City of Modesto, and

WHEREAS, sufficient funds are budgeted in Fiscal Year 12/13, in Fleet Replacement account: 5410-53241-57003, and

WHEREAS, there are no local vendors for this type of equipment. Taking advantage of this process and awarding a contract by “piggybacking off a competitive bid process” of the State of California CMAS contract is an efficient and effective way to purchase the two (2) John Deere backhoe loaders, and saves the time and expense for the City to formally solicit RFB’s, and

WHEREAS, Modesto Municipal Code (MMC) Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000.00 for material, equipment or contractual services to be formally bid. However, there are exceptions to the rule set forth in the Modesto Municipal Code. One exception, MMC Section 8-3.204(d), is available where the Purchasing Manager, in his or her discretion, determines that a process other than the usual formal bid procedure set forth in MMC Section 8-3.203 will result in procurement for the City at the lowest possible cost commensurate with the desired quality, and

WHEREAS, acting within his discretion, the Purchasing Manager invoked that exception for this purchase due to the cost savings of staff time and the limited number of competitors. There are no local vendors who can supply this type of equipment. The purchase of a two (2) John Deere Backhoe Loaders by “piggybacking off a competitive

bid process” of the State of California CMAS contract with Pape Machinery, French Camp, CA, will conform to MMC Section 8-3.204(d), and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of bid for the purchase of two (2) John Deere Backhoe Loaders for the Department of Public Works, Water Division through the Fleet Services Division, to Pape Machinery, French Camp, CA.

BE IT FURTHER RESOLVED that the Purchasing Manager or his designee to issue a purchase order for a total estimated cost of \$220,279.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of December, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-488**

RESOLUTION AUTHORIZING THE AWARD OF BID FOR THE PURCHASE OF TWO (2) VAC-CON COMBINATION SEWER AND STORM DRAIN CLEANER TRUCKS FOR THE WATER QUALITY CONTROL DIVISION, WASTEWATER SECTION THROUGH THE PUBLIC WORKS DEPARTMENT, FLEET SERVICES DIVISION, BY "PIGGYBACKING OFF A COMPETITIVE BID PROCESS" WITH THE CITY AND COUNTY OF SAN FRANCISCO THROUGH MUNICIPAL MAINTENANCE EQUIPMENT, SACRAMENTO, CA, AND AUTHORIZING THE PURCHASING MANAGER TO ISSUE A PURCHASE ORDER FOR AN ESTIMATED TOTAL COST OF \$786,392

WHEREAS, the Water Quality Control Division, Wastewater Section utilizes Vac-Con combination sewer and storm drain cleaner trucks to clean, maintain and repair sewer pipes to comply with the Clean Water Act, and

WHEREAS, the Vac-Con combination sewer and storm drain cleaner trucks are used to clean out roots and grease in sewer lines, keeping them clear of blockages and reducing the potential for sewer system overflows. The trucks are also utilized to clean out storm drain lines and to provide flood control support during storm events, and

WHEREAS, the Vac-Con trucks are replacing two (2), 2003 model year units that are at the end of their useful life. The Vac-Con trucks have been subjected to a thorough evaluation and have met or exceeded the replacement criteria before being placed on the replacement list, and

WHEREAS, The City Manager authorized the Purchasing Manager to issue formal Request for Bids (RFB) for new vehicles and heavy equipment, throughout FY 12/13 through various competitive processes, with the Purchasing Division coming back to Council for award authorization, and

WHEREAS, on December 9, 2011, the City and County of San Francisco went through a competitive bid process for the purchase of a Vac-Con combination sewer and

storm drain cleaner truck. The most responsive and responsible bidder that met the bid specifications was Municipal Maintenance Equipment, Sacramento, CA, and

WHEREAS, Municipal Maintenance Equipment was awarded the City and County of San Francisco bid and is extending the same bid pricing to the City of Modesto, and

WHEREAS, there are no local vendors for this type of equipment and to take advantage of this process and award by “piggybacking off the competitive bid process” is an efficient and effective way to purchase these Vac-Con combination sewer and storm drain cleaner trucks, by saving the time and expense to the City to formally solicit RFB’s, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. However, there are exceptions to the rule set forth in the Modesto Municipal Code,

WHEREAS, one exception, MMC Section 8-3.204(d), is available where the Purchasing Manager, in his or her discretion, determines that a process other than the usual formal bid procedure set forth in MMC Section 8-3.203 will result in procurement for the City at the lowest possible cost commensurate with the desired quality. Acting within his discretion, the Purchasing Manager invoked that exception for this purchase due to the cost savings of staff time and the limited number of competitors. There are no local vendors can supply this type of equipment. The purchase of two (2) Vac-Con combination sewer and storm drain cleaner trucks, by “piggybacking off a competitive bid process” of the City and County of San Francisco contract with Municipal

Maintenance Equipment, Sacramento, CA, will conform to MMC Section 8-3.204(d),
and

WHEREAS, sufficient funds are budgeted in Fiscal year 2012-13 in the following
Fleet Equipment replacement account: 5410-53241-57003.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto
that it hereby authorizes the award of bid for the purchase of two (2) Vac-Con
combination sewer and storm drain cleaner trucks for the Water Quality Control
Division, Wastewater Sections through the Public Works Department, Fleet Services
Division, by "piggybacking off a competitive bid process" with the City and County of
San Francisco through Municipal Maintenance Equipment, Sacramento, CA.

BE IT FURTHER RESOLVED that the Purchasing Manager is hereby authorized
to issue a purchase order for an estimated total cost of \$786,392.

The foregoing resolution was introduced at a regular meeting of the Council of
the City of Modesto held on the 4th day of December, 2012, by Councilmember Lopez,

RESOLUTION NO. 2012-490**

RESOLUTION ACCEPTING THE AVOID THE TWELVE GRANT FROM THE STATE OF CALIFORNIA OFFICE OF TRAFFIC SAFETY, IN THE AMOUNT NOT TO EXCEED \$35,000, TO REDUCE ALCOHOL RELATED FATAL AND INJURY TRAFFIC COLLISIONS IN STANISLAUS COUNTY; AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE NECESSARY PROGRAM DOCUMENTS

WHEREAS, The City of Modesto Police Department desires to undertake a certain project designated as Avoid the Twelve from the State of California Office of Traffic Safety (OTS), and

WHEREAS, the goal of the grant in the amount of \$109,000 is to reduce alcohol related injuries and death within Stanislaus County and raise the awareness of the general public regarding the problems with drinking and driving, and

WHEREAS, the project was accepted for funding for a period of one year commencing on October 1, 2012 and ending on September 30, 2013, and

WHEREAS, the Ceres Police Department will administer the program, and

WHEREAS, the total amount of reimbursable overtime expenses for the Modesto Police Department for this grant shall not exceed \$35,000,

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby accepts the Avoid the Twelve Grant from the State of California Office of Traffic Safety, in the amount not to exceed \$35,000.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the necessary program documents.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-494**

RESOLUTION APPROVING SUBMITTAL OF APPLICATION TO THE ANTI-DRUG ABUSE (ADA) ENFORCEMENT PROGRAM GRANT FROM THE BOARD OF STATE AND COMMUNITY CORRECTIONS (BSCC), IN THE AMOUNT OF \$251,372, FOR THE STANISLAUS DRUG ENFORCEMENT AGENCY (SDEA), TO COMBAT MAJOR DRUG TRAFFICKING AND MANUFACTURING; AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE ALL GRANT APPLICATIONS AND GRANT AGREEMENT DOCUMENTS AND ENTER INTO AN AGREEMENT TO RECEIVE THE GRANT FUNDS (IF AWARDED)

WHEREAS, the Modesto Police Department is requesting approval to submit an application on behalf of the allotted funding for Stanislaus County from the Board of State and Community Corrections (BSCC) for the Stanislaus Anti-Drug Abuse Enforcement Program, and

WHEREAS, in California, these programs fall under the ADA Enforcement Team Program and are funded by the Edward Byrne Memorial Justice Assistance Grant (JAG), and

WHEREAS, the Stanislaus Anti-Drug Abuse Enforcement Program is part of the Stanislaus Drug Enforcement Agency (SDEA), and

WHEREAS, this program will integrate federal, state, and local law enforcement agencies, prosecutors, and probation officers for the purpose of enhancing inter-agency coordination and intelligence and facilitating multi-jurisdictional investigations to combat major drug trafficking and manufacturing, and

WHEREAS, the funding will allow the task force to work on special operations, service of warrants, arrests and seizure of drugs and assets, conduct probation searches, prosecute and convict arrestees, and major methamphetamine manufacturers and distributors, and

WHEREAS, the SDEA is responsible for compliance with all regulations pertaining to the BSCC grant, including all reporting requirements, and

WHEREAS, the City of Modesto is responsible for the financial reporting requirements, and

WHEREAS, federal grant funds received hereunder shall not be used to supplant expenditures, and

WHEREAS, the term of this program grant is October 1, 2012 through September 30, 2013, and

WHEREAS, partnering entities agree to abide by the statues and regulations governing the federal Justice Assistance Grant Program as well as the terms and conditions of the Grant Agreement as set forth by the BSCC,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes submittal of application to the Anti-Drug Abuse (ADA) Enforcement Team Program Grant from the Board of State and Community Corrections (BSCC), in the amount of \$251,372 for the Stanislaus Drug Enforcement Agency (SDEA) to combat major drug trafficking and manufacturing,

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the necessary program grant documents, and enter into an agreement to receive the grant funds and any extensions (if awarded).

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of December, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-495**

**RESOLUTION REJECTING ALL QUOTATIONS FOR THE PURCHASE AND
INSTALLATION OF SYNTHETIC TURF AT MARY E. GROGAN
COMMUNITY PARK, AND AUTHORIZING STAFF TO RE-ADVERTISE THE
PROJECT**

WHEREAS, the quotations received for the purchase and installation of synthetic turf at the Mary E. Grogan Community Park were received and opened on October 15, 2012, and

WHEREAS, City staff have reviewed and evaluated all quotations and specifications submitted and has determined it is in the best interest of the City to recommend that all quotations be rejected, and

WHEREAS, City staff will revise and broaden the technical specifications of the Request for Quotations (RFQ) so that manufacturers can submit qualified quotes, and

WHEREAS, City staff recommends re-advertising the project for the purchase and installation of synthetic turf at Mary E. Grogan Community Park with revisions to the project technical specifications,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby rejects all quotations received for the purchase and installation of synthetic turf at Mary E. Grogan Community Park opened on October 15, 2012.

BE IT FURTHER RESOLVED that staff is hereby authorized to re-advertise the project for the purchase and installation of synthetic turf at Mary E. Grogan Community Park with revisions to the project technical specifications.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of December, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Burnside, Cogdill, Geer, Gunderson, Lopez, Muratore, Mayor Marsh

NOES: Councilmembers: None

ABSENT: Councilmembers: None

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-496**

**RESOLUTION ACCEPTING THE PRELIMINARY DESIGN REPORT DATED
OCTOBER 2012 FOR THE DEL RIO TANK, PUMP STATION, AND NEW
WELL PROJECT AS COMPLETE**

WHEREAS, the City owns and operates the outlying water system in the community of Del Rio, located in Stanislaus County, and

WHEREAS, a hydraulic assessment of this system was performed in order to evaluate the system's ability to meet the community's current and build-out demands, and

WHEREAS, this assessment identified the need to construct a new 1,000 gallon per minute domestic well, 250,000 gallon storage tank, and one million gallon per day booster pump station in order to correct existing deficiencies in the system, and

WHEREAS, the City is currently obligated to provide these improvements by July 15, 2013 in accordance with the terms of a Settlement Agreement between the City and the Del Rio Community Association, and

WHEREAS, delays resulting from a change in the final project site have precluded meeting the original deadline; however, staff is moving forward with delivery of these improvements as soon as possible, and

WHEREAS, staff is also currently working with the Del Rio Community Association to extend the deadline, and

WHEREAS, given the unique and specialized expertise required for design of tanks and pump stations, staff determined a consultant would be necessary to provide design services for this project, and

WHEREAS, the scope of the consultant's work would first be the preparation of a 35% Preliminary Design Report (PDR), and

WHEREAS, in accordance with the Public Works Department's Major Scope Policy approved on September 26, 2006, all projects exceeding \$1,000,000 are required to be presented at Council at the 35% PDR report stage, and

WHEREAS, upon acceptance of the report by City Council, it is intended to execute a separate consultant agreement for preparation of final design documents, as well as bidding and construction phase services, and

WHEREAS, on June 12, 2012, by Resolution No. 2012-242, Council approved an agreement with NorthStar Engineering Group, Inc. (NorthStar) to complete the 35% design services for the Del Rio Tank, Pump Station and New Well project and summarize the project scope and cost estimates in a Preliminary Design Report (PDR), and

WHEREAS, since that time, NorthStar has successfully completed the 35% PDR, and staff now recommends acceptance of the 35% PDR by City Council, and

WHEREAS, this report will serve as the basis for the final design of the Del Rio Tank, Pump Station, and New Well project, and

WHEREAS, staff has determined the design presented in the 35% PDR for the Del Rio Tank, Pump Station and New Well project meets the City's operational needs, and staff recommends acceptance of the project 35% PDR,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby accepts the Preliminary Design Report dated October 2012 for the Del Rio Tank, Pump Station, and New Well project as complete.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of December, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Burnside, Geer, Gunderson, Lopez, Muratore, Mayor Marsh

NOES: Councilmembers: None

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-497**

RESOLUTION APPROVING AN AGREEMENT WITH NORTHSTAR ENGINEERING GROUP, INC. FOR FINAL DESIGN SERVICES FOR DEL RIO TANK, PUMP STATION, AND NEW WELL PROJECT IN AN AMOUNT NOT TO EXCEED \$350,391.97 FOR THE IDENTIFIED SCOPE OF SERVICES, PLUS \$35,039.00 FOR ADDITIONAL SERVICES (IF NEEDED), FOR A MAXIMUM TOTAL AMOUNT OF \$385,430.97, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT

WHEREAS, the City owns and operates the outlying water system in the community of Del Rio, located in Stanislaus County, and

WHEREAS, a hydraulic assessment of this system was performed in order to evaluate the system's ability to meet the community's current and build-out demands, and

WHEREAS, this assessment identified the need to construct a new 1,000 gallon per minute domestic well, 250,000 gallon storage tank, and one million gallon per day booster pump station in order to correct existing deficiencies in the system, and

WHEREAS, in addition, the City is obligated to provide these improvements by July 15, 2013 in accordance with the terms of a Settlement Agreement between the City and the Del Rio Community Association, and

WHEREAS, staff is currently working with the Del Rio Community Association to extend this deadline, but it is intended to move forward with delivery of these improvements as soon as possible, and

WHEREAS, in compliance with Administrative Directive 3.1, Selection Procedures for Professional Consultants who Provide Architectural and Engineering Services for Capital Projects, approval was granted by the Director of Utility Planning

and Projects to issue a combined Request for Qualifications and Request for Proposal (RFQ/RFP), and

WHEREAS, the RFQ/RFP was mailed to a list of 111 civil engineering firms for preparation of a 35% PDR for the Del Rio Tank, Pump Station and New Well project, and

WHEREAS, the RFQ/RFP specifically indicated that the City intended to execute an agreement for final design services with the selected consultant upon successful completion of the 35% PDR, and

WHEREAS, NorthStar Engineering Group, Inc. (NorthStar), a local firm, was determined to be the top-ranked consultant through the review and ranking process of the submitted proposals, and

WHEREAS, NorthStar's scope of work under the proposed final design services agreement includes preparation of biddable construction documents based on the design presented in the 35% PDR, and

WHEREAS, in addition, NorthStar will provide engineering support during the bidding and construction phases of the project, and

WHEREAS, staff has thoroughly reviewed the proposed scope of work, and has determined it to be comprehensive and appropriate for the engineering needs of the project, and

WHEREAS, the proposed fee has also been thoroughly reviewed and negotiated, and represents a 13.3% reduction from Northstar's originally proposed cost, and

WHEREAS, in addition, NorthStar has agreed to utilize its same hourly rates from the existing 35% PDR agreement, and these rates have been utilized for previous City projects since 2009, and

WHEREAS, on June 12, 2012, by Resolution No. 2012-242, Council approved an agreement with NorthStar to complete the 35% design services for the Del Rio Tank, Pump Station and New Well project and summarize the project scope and cost estimates in a PDR, and

WHEREAS, NorthStar has provided excellent quality service to date through preparation of the 35% PDR, and

WHEREAS, the proposed scope of work for the final design services agreement is comprehensive, and the negotiated fee is reasonable, and

WHEREAS, therefore, staff recommends approval of an agreement for final design services in accordance with the original RFQ/RFP, and

WHEREAS, City staff recommends approving an Agreement with NorthStar as the City does not have the staffing level or subject matter expertise to complete the Final Design Services for the Del Rio Tank, Pump Station and New Well project, and current workload levels do not provide for timely in-house solutions/responses,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Agreement with NorthStar Engineering Group, Inc. for final design services for the Del Rio Tank, Pump Station and New Well project in an amount not to exceed \$350,391.97 for the identified scope of services, plus \$35,039.00 for additional services (if needed), for a maximum total amount of \$385,430.97.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of December, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Muratore, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-498**

**RESOLUTION APPROVING A PREQUALIFIED CONSULTANT LIST
CONSISTING OF HARRIS AND ASSOCIATES AND HF&H CONSULTANTS,
LLC TO PROVIDE PROPOSITION 218 COMPLIANCE SERVICES FOR A
PERIOD NOT TO EXCEED THREE YEARS**

WHEREAS, the City of Modesto has adopted programs to construct substantial improvements and repairs to our water, wastewater, and storm drain systems to address the challenges of population growth and limitations on conveyance and disposal, to meet expected, new, more restrictive permit conditions, and to improve reliability, and

WHEREAS, in order to fund these improvements and normal operating costs, it may be necessary to increase rates and connection fees in the future, and a mandatory component of this process is Proposition 218 compliance, and

WHEREAS, in order to take the first step in establishing a prequalified list of consultants to provide Proposition 218 compliance services, a Request for Qualifications (RFQ) was issued, and

WHEREAS, in accordance with Administrative Directive 3.1, Selection Procedures for Professional Consultants, City staff solicited and formally advertised an RFQ to 177, including 16 local engineering and/or financial consulting firms, and

WHEREAS, due to the specialized nature of this service, staff received only two Statement of Qualifications (no local firms), and

WHEREAS, after review by staff from the Utility Planning and Projects and Finance Departments, the following two firms were selected:

- Harris and Associates
- HF&H Consultants, LLC,

and

WHEREAS, this prequalified list will be active for three years from the date of Council approval, at which time the City may decide to extend the list, and

WHEREAS, Request for Proposals will be issued to all firms on the prequalified list. Firms will then be selected based on an evaluation and ranking of all submitted proposals in accordance with City of Modesto policies, and

WHEREAS, the City will select a professional services firm that the City believes will best fit the needs and circumstances of each study, and

WHEREAS, the City retains the right to recruit consultants for individual projects and not be restricted to only using the approved list, and

WHEREAS, it is intended that the staff will request proposals and negotiate a scope of work and agreement with the most qualified consultant before recruiting consultants that are not on the prequalified list, and

WHEREAS, the City will also select additional project teams, including financial advisors, and if required, consulting engineers, as needed,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a prequalified consultant list consisting of Harris and Associates and HF&H Consultants, LLC to provide Proposition 218 compliance services for a period not to exceed three years.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of December, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-499**

RESOLUTION APPROVING THE REVISED PLANS AND SPECIFICATIONS FOR THE MODESTO WEST BASIN IMPROVEMENTS PROJECT, ACCEPTING THE BID, AND APPROVING A CONTRACT WITH HOBBS CONSTRUCTION INC. OF CLOVIS, CALIFORNIA IN THE AMOUNT OF \$392,358.30, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE CONTRACT

WHEREAS, revised plans and specifications have been prepared for the Modesto West Basin Improvements project and City staff recommends approval by the City Council, and

WHEREAS, the bids received for the Modesto West Basin Improvements project were opened at 11:00 a.m. on November 13, 2012, and later tabulated by the Director of Utility Planning & Projects for the consideration of the Council, and

WHEREAS, the Director of Utility Planning & Projects has recommended that the bid of \$392,358.30, received from Hobbs Construction Inc. of Clovis, California, be accepted as the lowest responsive and responsible bid and the contract be awarded to Hobbs Construction Inc.,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the revised plans and specifications for the Modesto West Basin Improvements project, accepts the bid of Hobbs Construction Inc. of Clovis, California, in the amount of \$392,358.30, and awards Hobbs Construction Inc. the contract for the Modesto West Basin Improvements project.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the contract.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-500**

**RESOLUTION FINDING THAT THE FOLLOWING PROJECT IS WITHIN THE
SCOPE OF THE PROJECT COVERED BY THE MODESTO WASTEWATER
MASTER PLAN MASTER ENVIRONMENTAL IMPACT REPORT (MEIR)
(SCH#2006052076): SCENIC LIFT STATION IMPROVEMENTS**

WHEREAS, on March 13, 2007, the City Council, by Resolution No. 2007-178 certified the Final Wastewater Master Plan Master Environmental Impact Report (MEIR) for the City of Modesto Wastewater Master Plan Update (SCH No. 2006052076, EA/PW2008-03), and

WHEREAS, the City of Modesto intends to rehabilitate and upgrade the Scenic Lift Station to replace deteriorated pumps, valves, piping, and electrical control gear, and to eliminate unsafe confined space entry conditions, and

WHEREAS, the project will also increase pump capacity as well as capacity of associated pipework in conformance with capacity planned for in the WWMP MEIR, all within the confines of the existing lift station, and

WHEREAS, associated site work will include construction of ornamental iron fencing in the front of the site, new curb, gutter, and sidewalk, front landscaping, and installation of one standard streetlight, and

WHEREAS, the Utility Planning and Projects Department has prepared an Initial Study, Environmental Assessment No. EA/PW 2008-03 for proposed Scenic Sewer Lift Station Improvements, and

WHEREAS, pursuant to Section 15162 (a) and 15177 of the CEQA Guidelines, the City of Modesto finds that no new effects could occur or no new mitigation measures would be required, therefore the activity is within the scope of the project covered by the

Master EIR and no new environmental document or Public Resources Code Section 21081 findings are required, and

WHEREAS, in accordance with CEQA guidelines on April 22, 2008, the City caused to be published a 30-day notice of the City's intent to make a finding that the proposed project conforms with the Master EIR, and

WHEREAS, said matter was considered by the City Council at a regular meeting on October 23, 2012, at 5:30 p.m., in the Tenth Street Place Chambers, 1010 Tenth Street, Modesto, California,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it has reviewed and considered the Initial Study prepared for the proposed Project, a copy of which is **attached** hereto as **Exhibit "A"** and incorporated herein by reference, and based on the substantial evidence included in said Initial Study makes the following findings:

- A. The type of Project under consideration is described in the Final Wastewater Master Plan Master Environmental Impact Report (MEIR).
- B. All applicable policies, regulations, and mitigation measures identified in the MEIR have been applied to the project or otherwise made conditions of approval of the project.
- C. An Initial Study was prepared by the City of Modesto that analyzed whether the proposed subsequent project may cause any significant effect on the environment that was not examined in the MEIR. It has been determined that the project is within the scope of the MEIR (SCH No. 2006052076), which analyzed the potential impacts of build out of the Wastewater Master Plan MEIR.
- D. Based on the Initial Study, the City of Modesto finds and determines:
 - 1) The proposed subsequent project will have no additional significant effect as defined in CEQA Section 21158 that was not identified in the MEIR;
 - 2) No new or additional mitigation measures or alternatives are required.

- E. The Initial Study, Environmental Assessment No. EA/PW 2008-03, provides the substantial evidence to support findings A through D, above.
- F. The criteria for currency of the Master EIR were reviewed and it was determined that the Master EIR is current for all areas of the Initial Study.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Director of Utility Planning and Projects is hereby authorized and directed to file a notice of determination within five (5) business days with the Stanislaus County Clerk, pursuant to Section 21152 of the Public Resources Code.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of December, 2012, by Councilmember Cogdill, who moved its adoption, which motion being duly seconded by Councilmember Lopez, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Burnside, Cogdill, Geer, Gunderson, Lopez, Muratore, Mayor Marsh

City of Modesto

Wastewater Master EIR Initial Study Environmental Checklist

I. PURPOSE

CEQA allows for the limited environmental review of subsequent projects under the City's Wastewater Master Plan Master EIR. This Initial Study Environmental Checklist ("Initial Study") is used in determining whether a subsequent project is "within the scope" of the project analyzed in the Modesto Wastewater Master Plan Master EIR (SCH# 2006052076) (Public Resources Code section 21157.1). When the Initial Study supports this conclusion, the City will issue a finding of conformity.

A subsequent project is "within the scope" of the Master EIR when:

1. It will have no additional significant effects on the environment that were not addressed as significant effects in the Master EIR; and
2. No new or additional mitigation measures or alternatives are required.

"Additional significant effects" means a project-specific effect that was not addressed as a significant effect in the Master EIR. (Public Resources Code Section 21158(d))

The determination must be based on substantial evidence in the record. "Substantial evidence" means facts, reasonable assumptions predicated upon facts, or expert opinion based on facts. It does not include speculation or unsubstantiated opinion. (State CEQA Guidelines Section 15384)

City staff consulted with appropriate Responsible Agencies and City Departments regarding potential environmental impacts associated with this project. Any significant comments and conditions are incorporated into this Initial Study. The City's Wastewater Master Plan MEIR (SCH# 2006052076) was also consulted which lists mitigation measures for each area of environmental study.

II. PROJECT DESCRIPTION

A. Title: Scenic Lift Station Improvements

B. Address or Location:

Applicant: Capital Improvement Services Division
Public Works Department
1010 Tenth Street
P. O. Box 642
Modesto, CA 95353

D. City Contact Person: Rich Ulm, Deputy Director/William Wong, Senior Civil Engineer

Project Manager: William Wong, Senior Civil Engineer
Department: Public Works Department
Phone Number: (209) 571-5801

E-mail address: wwong@modestogov.com

E. Current General Plan Designation(s): Residential

F. Current Zoning Classification(s): R-1

G. Surrounding Land Uses: North: Dry Creek, single family residential
South and East: Dry Creek channel with Creekside Golf Course
beyond
West: Residence

H. Project Description (Attach additional maps/support materials as needed for complete record):

The purpose of the project is to rehabilitate and upgrade the Scenic Lift Station to replace deteriorated pumps, valves, piping, and electrical control gear, and to eliminate unsafe confined space entry conditions. The project will also increase pump capacity as well as capacity of associated pipework in conformance with capacity planned for in the WWMP MEIR, all within the confines of the existing lift station. Associated site work will include construction of ornamental iron fencing in the front of the site, new curb, gutter, and sidewalk, front landscaping, and installation of one standard streetlight.

I. Other Public Agencies Whose Approval is Required: none

III. FINDINGS/DETERMINATION (SELECT ONE ON THE BASIS OF THE ANALYSIS IN SECTION IV)

- 1. X Within the Scope** - The project is within the scope of the Wastewater Master Plan Master EIR and no new environmental document or Public Resources Code Section 21081 findings are required. The following items are found to be true:
- A. The type of project is described in Chapter III of the Master EIR.
 - B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.
 - C. An Initial Study was prepared by the City of Modesto that analyzed whether the proposed subsequent project may cause any significant effect on the environment that was not examined in the MEIR and it has been determined that the project was described in the MEIR as being within the scope of the MEIR.
 - D. Based on the Initial Study, the City of Modesto finds and determines:
 - a) The proposed subsequent project will have no additional significant effect as defined in CEQA Section 21158 that was not identified in the MEIR.
 - b) No new or additional mitigation measures or alternatives are required.
 - E. The criteria for currency of the Master EIR were reviewed (section 5 below) and it was determined that the Master EIR is current for all areas of the Initial Study.
- 2. ___ Mitigated Negative Declaration Required** - On the basis of the above determinations, the project is not within the scope of the Wastewater Master Plan Master EIR. A mitigated negative declaration will be prepared for the project. The following items are found to be true:
- A. The type of project is described in Chapter III of the Master EIR.
 - B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.
 - C. The project will have one or more potential new significant effects on the environment that were not addressed as significant effects in the Master EIR. New or additional mitigation measures are being required of the project that will reduce the effects to a less-than-significant level.
- 3. ___ Focused EIR Required**- On the basis of the above determinations, the project is not within the scope of the Wastewater Master Plan Master EIR. A Focused EIR will be prepared for the project. The following items are found to be true:
- A. The type of project is described in Chapter III of the Master EIR.
 - B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.
 - C. The project will have one or more new significant effects on the environment that were not addressed as significant effects in the Master EIR. New or additional mitigation measures or alternatives are required as a result.

4. Within the Scope Analysis of this Document:

The Wastewater Master Plan Master EIR permits projects to be found within the scope of the MEIR if certain criteria are met. Basically, if the following statements are found to be true for all 20 sections of this Initial Study, then the project was covered by the MEIR analysis and is within the scope of the MEIR. Any "No" response must be discussed.

- | | YES | NO |
|---|-------------------------------------|--------------------------|
| (1) The lead agency for subsequent projects is the City of Modesto or a responsible agency identified in the Master EIR. | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| (2) City policies which reduce, avoid or mitigate environmental effects, will continue to be in effect and therefore would be applied to subsequent projects where appropriate. The policies are described in the list of policies in place and mitigation measures attached to the Initial Study template. | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| (3) Federal, State, Regional and Stanislaus County regulations do not change in a manner that is less restrictive on development than current law (i.e., would not offer the same level of protection assumed under the Master EIR). | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| (4) No specific information concerning the known or potential presence of significant resources is identified in future reports, or through formal or informal input received from responsible or trustee agencies or other qualified sources. | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| (5) The project will occur within the boundaries of the planning area as established in the Wastewater Master Plan. | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| (6) Development within the project will comply with all mitigation measures identified in the Wastewater Master Plan Master EIR. | <input checked="" type="checkbox"/> | <input type="checkbox"/> |

5. Currency of the Master EIR Document

The MEIR should be reviewed on a regular basis to determine its currency, and whether additional analysis/mitigation should be incorporated into the MEIR via a Supplemental or Subsequent EIR (CEQA Section 21157.6). Staff has reviewed sections 1 through 20 of this document in light of the criteria listed below to determine whether the MEIR is current. The analysis contained within the Master EIR is current as long as the following circumstances have not changed. Any no response must be discussed.

- | | YES | NO |
|---|-------------------------------------|--------------------------|
| (1) Certification of the Wastewater Master Plan Master EIR occurred less than five years prior to the filing of the application for this subsequent project. | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| (2) This project was described in the Master EIR and its approval will not affect the adequacy of the Master EIR for any subsequent project because the City can make the following findings. | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| (3) No substantial changes have occurred with respect to the circumstances under which the Master EIR was certified. | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| (4) No new information, which was not known and could not have been known at the time the Master EIR was certified as complete, has become available. | <input checked="" type="checkbox"/> | <input type="checkbox"/> |

IV. ENVIRONMENTAL ANALYSIS

This Initial Study, in accordance with Section 21157.1(b) of the Public Resources Code, analyzes whether this project may cause any project-specific significant effect on the environment that was not examined in the Final Master EIR (MEIR) for the Wastewater Master Plan and whether new or additional mitigation measures or alternatives may be required as a result. The Initial Study thereby documents whether or not the project is "within the scope" of the Wastewater Master Plan Master EIR.

Pursuant to Public Resources Code Section 21157.1, no new environmental document or findings are necessary for projects that are determined to be within the scope of the MEIR. Adoption of a notice of conformity after completion of the Initial Study fulfills the City's obligation in that situation.

All environmental effects cited reflect buildout of the project as identified in the MEIR.

The Master EIR for the Wastewater Master Plan organizes its analysis of environmental impacts into eleven subject areas plus Effects Found Not to be Significant (and additional five topics). The following analysis is based on the impact analyses contained in Chapter IV of the Master EIR.

1. AESTHETICS (Visual Resources)

a. Significant Effects Identified in the Master EIR

The significant effects described in the subject areas contained in the Master EIR are based on the policies, programs, and projects contemplated as part of the Modesto Wastewater Master Plan. At that level of detail, no significant effects on Visual Resources were identified. This topic is discussed in Chapter 4.I of the MEIR.

b. Master EIR and/or New Mitigation Measures Pertinent to the Project

No mitigation measures for this topic are identified in the MEIR. Any new mitigation to be incorporated into or made conditions of approval of this project is listed in Section V, Mitigation Applied to Project:

c. Project-Specific Effects

Section IV.I of the MEIR provides analysis of Visual Resources impacts of development of the General Plan; the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. A project-specific effect is less than significant unless:

- | | YES | NO |
|--|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Wastewater Master Plan. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (2) The project would have a substantial adverse effect on a scenic vista or scenic resources. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (3) The project would substantially degrade the existing visual character or quality of the project site and its surroundings. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (4) The project would create a new source of substantial light and glare, which would adversely affect day or nighttime views in the area. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Discussion:

- (1) The project is specifically provided for in the Modesto Wastewater Master Plan.
- (2) The project is rehabilitation of a lift station. The majority of the project is within an existing building. Minor re-landscaping, the installation of a decorative iron fence, and replacement of curb, gutter, and sidewalk are included, but will not result in visible impacts.
- (3) The project is rehabilitation of a lift station. The majority of the project is within an existing building. Minor re-landscaping, the installation of a decorative iron fence, and replacement of curb, gutter, and sidewalk are included, but will not result in visible impacts.
- (4) A single new standard street light will be installed oriented toward the street frontage. No lighting impacts will occur.

2. AGRICULTURAL RESOURCES

a. Significant Effects Identified in the Master EIR

The significant effects described in the subject areas contained in the Master EIR are based on the policies, programs, and projects contemplated as part of the Modesto Wastewater Master Plan. This topic is discussed in Chapter IV.B of the MEIR.

The Master EIR identified the following significant environmental impacts relative to agricultural lands:

Effect: Construction of the Phase IA tertiary treatment facilities at the Secondary Plant would directly result in the permanent loss of Prime Farmland (Significant and Unavoidable).

Effect: Construction of the proposed project components within the Planned Urbanizing Area would result in the cumulative loss of Prime Farmland (Significant and Unavoidable).

b. Master EIR and/or New Mitigation Measures Pertinent to the Project

Agricultural Land mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages IV.B.8 and IV.B.11 of the MEIR. All feasible measures appropriate to the project and any new mitigation to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project.

Discussion:

No mitigation measures from the MEIR are required to be applied to the project. No new or additional measures or alternatives are required for the project.

c. Project-Specific Effects

Section IV.B of the MEIR provides analysis of Agricultural Lands impacts of development of the General Plan; the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

- | | YES | NO |
|---|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Urban Area General Plan and/or the Modesto Wastewater Master Plan. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (2) The project will directly result in the development of land outside the Modesto Urban Area General Plan planning area boundaries. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (3) The project will conflict with existing zoning for agricultural use, or a Williamson Act contract. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (4) The project will involve other changes in the existing environment which, due to their location or nature, could result in additional conversion of Farmland to non-agricultural use. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Discussion:

- (1) The project is rehabilitation of an existing lift station, as provided for in the Modesto Wastewater Master Plan.
- (2) The project is rehabilitation of an existing lift station, with no direct development of additional land.
- (3) The project is rehabilitation of a lift station, on a site not zoned for agricultural use.
- (4) The project is rehabilitation of a lift station, as provided for in the Modesto Wastewater Master Plan.

3. AIR QUALITY

a. Significant Effects Identified in the Master EIR

The significant effects described in the subject areas contained in the Master EIR are based on the policies, programs, and projects contemplated as part of the Modesto Wastewater Master Plan. This topic is discussed in Chapter IV.G of the MEIR.

The Master EIR identified the following significant environmental impacts relative to air quality:

Effect: Emissions of criteria pollutants during construction of wastewater system improvements would contribute to existing violations of the ambient air quality standards in the region (Significant and Unavoidable).

Effect: Emissions of criteria pollutants during the operation of the proposed wastewater system improvements would contribute to existing violations of the ambient air quality standards in the region (Significant and Unavoidable).

Effect: The Wastewater Master Plan Update would accommodate growth that would cause direct and cumulatively considerable air quality impacts identified in the Modesto Urban Area General Plan (Significant and Unavoidable).

Effect: The wastewater treatment facilities would cause a cumulatively considerable net increase of pollutants for which the San Joaquin Valley is designated as nonattainment (Significant and Unavoidable).

b. Master EIR and/or New Mitigation Measures Applied to the Project

Air Quality mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages IV.G.16 through IV.G.28 of the MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project and are listed in Section V, Mitigation Measures Applied to Project.

Discussion:

Mitigation Measure G.1 in the MEIR shall be made a part of the proposed project to reduce the impacts of construction related PM₁₀ and impacts of ozone precursors from construction equipment exhaust to the extent possible.

c. Project-Specific Effects

Section IV.G of the MEIR provides analysis of Air Quality impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

		YES	NO
(1)	The project does not incorporate the best management practices for air pollutant reduction established by the SJVUAPCD.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(2)	The project does not comply with the air quality policies of the Modesto Urban Area General Plan.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(4)	The project would expose sensitive receptors to substantial pollutant concentrations.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(5)	The project would create objectionable odors affecting a substantial number of people.	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) Best management practices for air pollutant reduction established by the SJVUAPCD will be incorporated into the construction of the project.
- (2) The project is rehabilitation of an existing lift station, and will not increase air pollutant emissions when in operation.
- (3) The project is rehabilitation of an existing lift station, and will not increase air pollutant emissions when in operation.
- (4) The project is rehabilitation of an existing lift station, and will not increase air pollutant emissions when in operation.

4. BIOLOGICAL RESOURCES

a. Significant Effects Identified in the Master EIR

The significant effects described in the subject areas contained in the Master EIR are based on the policies, programs, and projects contemplated as part of the Modesto Wastewater Master Plan. This topic is discussed in Chapter IV.E of the MEIR.

The Master EIR identified the following significant environmental impacts relative to Biological Resources.

Effect: Construction of project facilities along the Tuolumne River adjacent to the Primary Plant, or in other riparian areas, could damage the habitat of the Valley Elderberry Longhorn Beetle (Less than Significant with Mitigation).

Effect: Construction of project facilities could cause loss of occupied Burrowing Owl habitat (Less than Significant with Mitigation).

Effect: Construction of project facilities could cause disturbance of nesting raptors (Less than Significant with Mitigation).

Effect: Construction of project facilities could cause impacts to biological resources and regulated habitats of Dry Creek (Beard Brook and of the Tuolumne River (Less than Significant with Mitigation).

Effect: Construction of project facilities or development facilitated by construction of project facilities could cause loss of Swainson's Hawk foraging habitat (Less than Significant with Mitigation).

Effect: Construction during the Swainson's Hawk breeding season could result in the accidental loss of fertile eggs or nestlings, or otherwise lead to nest abandonment (Less than Significant with Mitigation).

Effect: Construction of improvements to the Secondary Plant may cause impacts to regulated habitats (Less than Significant with Mitigation).

Effect: Microtunneling could cause impacts to riparian habitats under the jurisdiction of the California Department of Fish and Game and/or the U.S. Army Corps of Engineers (Less than Significant with Mitigation).

Effect: Growth facilitated by the project would result in cumulative loss of Swainson's Hawk and Burrowing Owl habitat (Less than Significant with Mitigation).

b. Master EIR and/or New Mitigation Measures Applied to the Project

Biological Resources mitigation measures pertinent to the project being analyzed in this Initial Study are found on pages IV.E.25 through IV.E.37. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project.

Discussion:

No mitigation measures from the MEIR are required to be applied to the project. No new or additional measures or alternatives are required for the project.

c. Project-Specific Effects

Section IV.E of the MEIR provides analysis of Biological Resources impacts of development of the General Plan; the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

- | | YES | NO |
|---|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Wastewater Master Plan. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (2) Consultation with the California Department of Fish and Game or the U.S. Fish and Wildlife Service determines that the project would have a significant effect on special status species. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (3) The project would conflict with any local policies or ordinances protecting biological resources, such as a tree preservation policy or ordinance. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Discussion:

- (1) The project is rehabilitation of an existing lift station, as provided for in the Modesto Wastewater Master Plan.
- (2) The project is rehabilitation of an existing lift station, and will not have any new effects on wildlife. All work will be confined to already-developed portions of the site.
- (3) The project is rehabilitation of an existing lift station. No local policies or ordinances will be affected.

5. CULTURAL RESOURCES

a. Significant Effects Identified in the Master EIR

The significant effects described in the subject areas contained in the Master EIR are based on the policies, programs, and projects contemplated as part of the Modesto Wastewater Master Plan. This topic is discussed in Chapter IV.L (pp. IV.L.10-13) of the MEIR

The Master EIR identified no significant environmental impacts relative to Cultural Resources.

b. Master EIR and/or New Mitigation Measures Applied to the Project

No Cultural Resources mitigation measures pertinent to the project being analyzed in this Initial Study are included in the MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project

Discussion:

No mitigation measures from the MEIR are required to be applied to the project. No new or additional measures or alternatives are required for the project.

c. Project-Specific Effects

Section IV.L (pp. IV.L.10-12) of the MEIR provides analysis of Cultural Resources impacts of development of the Wastewater Master Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

- | | YES | NO |
|--|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Wastewater Master Plan. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (2) The project would adversely affect a cultural (historical or archaeological) resource pursuant to § 15064.5. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (3) The project would directly or indirectly destroy a unique paleontological resource or site, or disturb any human remains, including those interred outside of formal cemeteries. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Discussion:

- (1) The project is rehabilitation of an existing lift station, as provided for in the Modesto Wastewater Master Plan.
- (2) The project is rehabilitation of an existing lift station, and will not have any new effects on cultural resources.
- (3) The project is rehabilitation of an existing lift station, and will not have any new effects on paleontological resources or human remains.

6. GEOLOGY AND SOILS

a. Significant Effects Identified in the Master EIR

The significant effects described in the subject areas contained in the Master EIR are based on the policies, programs, and projects contemplated as part of the Modesto Wastewater Master Plan. This topic is discussed in Chapter IV.L of the MEIR

The Master EIR identified no significant environmental impacts relative to Geology and Soils.

b. Master EIR and/or New Mitigation Measures Applied to the Project

No Geology and Soils mitigation measures pertinent to the project being analyzed in this Initial Study are included in the MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project

Discussion:

No mitigation measures from the MEIR are required to be applied to the project. No new or additional measures or alternatives are required for the project.

c. Project-Specific Effects

Section IV.L (pp. IV.L.7-9) of the MEIR provides analysis of Cultural Resources impacts of development of the Wastewater Master Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

- | | YES | NO |
|---|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Wastewater Master Plan. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (2) The project would be located on soil that is unstable, or that would become unstable as a result of the project, and potentially result in on or off-site landslide, lateral spreading, subsidence, liquefaction or collapse. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Discussion:

- (1) The project is rehabilitation of an existing lift station, as provided for in the Modesto Wastewater Master Plan.
- (2) The project is rehabilitation of an existing lift station, and will not have any new effects in relation to unstable soils.

7. HAZARDS AND HAZARDOUS MATERIALS

a. Significant Effects Identified in the Master EIR

The significant effects described in the subject areas contained in the Master EIR are based on the policies, programs, and projects contemplated as part of the Modesto Wastewater Master Plan. This topic is discussed in Chapter IV.J and IV.K of the MEIR

The Master EIR identified no significant environmental impacts relative to hazardous materials.

b. Master EIR and/or New Mitigation Measures Applied to the Project

Hazard and Hazardous Materials mitigation measures pertinent to the project being analyzed in this Initial Study are found on pages IV.K.11 through IV.K.15. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project.

Discussion:

No mitigation measures from the MEIR are required to be applied to the project. No new or additional measures or alternatives are required for the project.

c. Project-Specific Effects

Section IV.J and IV.K of the MEIR provides analysis of hazardous materials and contaminated soils and Demolition impacts of development of the Master Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Wastewater Master Plan.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(2) The project does not comply with all applicable federal, state, and county standards and regulations relative to the handling, storage, disposal, and transport of hazardous or toxic materials or wastes.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(3) The project contains a contaminated site not identified as of December 2006.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(4) The project would emit hazardous emissions or handle hazardous or acutely hazardous materials, substances, or waste within one-quarter mile of an existing or proposed school.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(5) The project would be located on a site which is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and as a result, would create a significant hazard to the public or the environment.	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) The project is rehabilitation of an existing lift station, as provided for in the Modesto Wastewater Master Plan.
- (2) The project is rehabilitation of an existing lift station. Diesel fuel will continue to be properly stored/used in conformance with all applicable regulations on-site in conjunction with the back-up generator; no change is contemplated in this activity.
- (3) The project is rehabilitation of an existing lift station, with no impact on contaminated sites.
- (4) The project is rehabilitation of an existing lift station. Diesel fuel will continue to be properly stored/used in conformance with all applicable regulations on-site in conjunction with the back-up generator; no change is contemplated in this activity.
- (5) The project is rehabilitation of an existing lift station, with no impact on contaminated sites.

8. HYDROLOGY AND WATER QUALITY

a. Significant Effects Identified in the Master EIR

The significant effects described in the subject areas contained in the Master EIR are based on the policies, programs, and projects contemplated as part of the Modesto Wastewater Master Plan. This topic is discussed in Chapter IV.D of the MEIR.

The Master EIR identified the following significant environmental impacts relative to Hydrology and Water Quality:

Effect: Excavation and construction activities could cause erosion and/or result in chemical releases causing degradation of water quality in nearby surface water and/or groundwater bodies (Less than Significant with Mitigation).

Effect: Elimination of the cross-connections between the stormwater drainage system and the wastewater collection system could result in localized flooding (Less than Significant with Mitigation).

Effect: Implementation of the proposed project at a rate that does not match projected growth may result in an incremental increase in operation-period surface water quality degradation due to the deficient effluent disposal system (Significant and Unavoidable).

Effect: Implementation of the proposed project may result in operation-period surface water degradation due to pollutant loading associated with treated wastewater discharges (Significant and Unavoidable).

Effect: Implementation of the proposed project may result in operation-period surface water degradation during daily operations and/or during flooding of the Primary Plant and sludge drying area (Significant).

Effect: The project would include construction activities within the San Joaquin River channel and on nearby levees and would include placement of a permanent structure in the San Joaquin River channel. These activities could affect river flow patterns and degrade water quality (Less than Significant with Mitigation).

b. Master EIR and/or New Mitigation Measures Applied to the Project

Hydrology and Water Quality mitigation measures pertinent to the project being analyzed in this Initial Study are found on pages IV.D.26 through IV.D.41 of the MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project:

Discussion:

Mitigation Measure D.1 in the MEIR shall be made a part of the proposed project to reduce the impacts to surface water quality through the construction period.

c. Project-Specific Effects

Section IV.D of the MEIR provides analysis of Hydrology and Water Quality impacts of development of the Master Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Wastewater Master Plan.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(2) The project does not comply with the regulatory requirements of the federal Clean Water Act or the State Porter-Cologne Act.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(3) The project does not comply with Modesto's Guidance Manual for New Development Storm water Quality Control Measures.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(4) The project would create or contribute runoff water, which would exceed the capacity of existing or planned storm water drainage systems or provide substantial additional sources of polluted runoff.	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) The project is rehabilitation of an existing lift station, as provided for in the Modesto Wastewater Master Plan.
- (2) Construction of the project will comply with the regulatory requirements of the federal Clean Water Act or the State Porter-Cologne Act as applicable.
- (3) Construction of the project will comply with Modesto's Guidance Manual for New Development Storm Water Quality Control Measures.
- (4) The project is rehabilitation of an existing lift station. No additional runoff will be created.

9. LAND USE AND PLANNING (Land Use, Plans, and Policies)

a. Significant Effects Identified in the Master EIR

The significant effects described in the subject areas contained in the Master EIR are based on the policies, programs, and projects contemplated as part of the Modesto Wastewater Master Plan. This topic is discussed in Chapter IV.A of the MEIR

The Master EIR identified no significant environmental impacts relative to Land Use and Planning.

b. Master EIR and/or New Mitigation Measures Applied to the Project

No Land Use and Planning mitigation measures pertinent to the project being analyzed in this Initial Study are included in the MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project.

Discussion:

No mitigation measures from the MEIR are required to be applied to the project. No new or additional measures or alternatives are required for the project.

a. Project-Specific Effects

Determination of project effects will be based on the following threshold. A project-specific effect is less than significant unless:

- | | YES | NO |
|---|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Urban Area General Plan or any applicable Specific Plan. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (2) The project includes a substantive amendment to the Modesto Urban Area General Plan or any Specific Plan. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (3) The project would physically divide an established community | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Discussion:

- (1) The project is rehabilitation of an existing lift station, as provided for in the Modesto Wastewater Master Plan.
- (2) The Project involves no amendment to any Plan.
- (3) The project is rehabilitation of an existing lift station, and will not physically divide an established community.

10. MINERAL RESOURCES

a. Significant Effects Identified in the Master EIR

The significant effects described in the subject areas contained in the Master EIR are based on the policies, programs, and projects contemplated as part of the Modesto Wastewater Master Plan. This topic is discussed in Chapter IV.L (p. IV.L.8) of the MEIR

The Master EIR identified no significant environmental impacts relative to Land Use and Planning.

b. Master EIR and/or New Mitigation Measures Applied to the Project

No Mineral resources mitigation measures pertinent to the project being analyzed in this Initial Study are included in the MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project.

Discussion:

No mitigation measures from the MEIR are required to be applied to the project. No new or additional measures or alternatives are required for the project.

a. Project-Specific Effects

Determination of project effects will be based on the following threshold. A project-specific effect is less than significant unless:

- | | YES | NO |
|---|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Wastewater Master Plan. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (2) The project would result in the loss of availability of a known mineral resource, either locally important or of regional/statewide significance. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Discussion:

- (1) The project is rehabilitation of an existing lift station, as provided for in the Modesto Wastewater Master Plan.
- (2) The project is rehabilitation of an existing lift station, and will have no effect on the availability of any mineral resource.

11. NOISE

a. Significant Effects Identified in the Master EIR

The significant effects described in the subject areas contained in the Master EIR are based on the policies, programs, and projects contemplated as part of the Modesto Wastewater Master Plan. This topic is discussed in Chapter IV.H of the MEIR

The Master EIR identified the following significant environmental impacts relative to Noise:

Effect: Construction of the proposed project facilities could cause substantial, though intermittent and short-term, increases in noise levels, which would add to noise levels predicted by the City's General Plan MEIR and the County General Plan (Less than Significant with Mitigation).

Effect: The proposed project would support cumulative development that could increase noise levels in areas where noise levels exceed, or would exceed, the noise and land use compatibility guidelines adopted by the City of Modesto and/or Stanislaus County, or the noise performance standards set by the City and County (Significant and Unavoidable).

b. Master EIR and/or New Mitigation Measures Applied to the Project

Noise mitigation measures pertinent to the project being analyzed in this Initial Study are found on pages IV.H.9 through IV.H.13 of the MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project.

Discussion:

Mitigation Measure H.1 in the MEIR shall be made a part of the proposed project to reduce noise impacts to sensitive receptors through the construction period.

c. Project-Specific Effects

Section IV.H of the MEIR provides analysis of noise impacts of development of the Master Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

		YES	NO
(1)	The project will exceed the standards for noise level and hours of operation established by the Modesto noise ordinance.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(2)	The project will exceed the noise policies of the Modesto Urban Area General Plan.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(3)	The project will result in a substantial permanent increase in ambient noise levels in the project vicinity above levels existing without the project?	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(4)	The project will result in a substantial temporary or periodic increase in ambient noise levels in the project vicinity above levels existing without the project.	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) The project is rehabilitation of an existing lift station. During the construction phase, construction activities will be subject to the provisions of the Modesto noise ordinance.
- (2) The project is rehabilitation of an existing lift station. During the construction phase, construction activities will be subject to the provisions of the Modesto Urban Area General Plan.
- (3) The project is rehabilitation of an existing lift station and will not result in any permanent increase in ambient noise levels.

- (4) The project is rehabilitation of an existing lift station. During the construction phase, construction activities will be subject to the provisions of the Modesto noise ordinance and the project will not result in substantial temporary increase in ambient noise levels.

12. POPULATION AND HOUSING

a. Significant Effects Identified in the Master EIR

The significant effects described in the subject areas contained in the Master EIR are based on the policies, programs, and projects contemplated as part of the Modesto Wastewater Master Plan. This topic is discussed in Chapter IV.L (p. IV.L.13) of the MEIR

The Master EIR identified no significant environmental impacts relative to population and Housing.

b. Master EIR and/or New Mitigation Measures Applied to the Project

No Population and Housing mitigation measures pertinent to the project being analyzed in this Initial Study are included in the MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project.

Discussion:

No mitigation measures from the MEIR are required to be applied to the project. No new or additional measures or alternatives are required for the project.

a. Project-Specific Effects

Determination of project effects will be based on the following threshold. A project-specific effect is less than significant unless:

- | | YES | NO |
|---|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Wastewater Master Plan and/or the Modesto Urban Area General Plan. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Discussion:

- (1) The project is rehabilitation of an existing lift station, as provided for in the Modesto Wastewater Master Plan and serving the area of the Modesto Urban Area General Plan.

13. COMMUNITY SERVICES: PARKS, SCHOOLS, POLICE, AND FIRE

a. Significant Effects Identified in the Master EIR

The significant effects described in the subject areas contained in the Master EIR are based on the policies, programs, and projects contemplated as part of the Modesto Wastewater Master Plan. This topic is discussed in Chapter IV.C and IV.L (p. IV.L.1-5) of the MEIR

The Master EIR identified no significant environmental impacts relative to Community Services.

b. Master EIR and/or New Mitigation Measures Applied to the Project

No Community Services mitigation measures pertinent to the project being analyzed in this Initial Study are included in the MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project.

Discussion:

No mitigation measures from the MEIR are required to be applied to the project. No new or additional measures or alternatives are required for the project.

a. Project-Specific Effects

Determination of project effects will be based on the following threshold. A project-specific effect is less than significant unless:

YES NO

- (1) The project is inconsistent with the Modesto Wastewater Master Plan and/or the Modesto Urban Area General Plan.

Discussion:

- (1) The project is rehabilitation of an existing lift station, as provided for in the Modesto Wastewater Master Plan and serving the area of the Modesto Urban Area General Plan.

14. TRANSPORTATION/TRAFFIC (Transportation)

a. Significant Effects Identified in the Master EIR

The significant effects described in the subject areas contained in the Master EIR are based on the policies, programs, and projects contemplated as part of the Modesto Wastewater Master Plan. This topic is discussed in Chapter IV.F of the MEIR

The Master EIR identified the following significant and unavoidable traffic impacts:

Effect: The Wastewater Master Plan Update would accommodate growth that would cause direct and cumulatively considerable traffic impacts identified in the Modesto Urban Area General Plan (Significant and Unavoidable).

b. Master EIR and/or New Mitigation Measures Applied to the Project

Traffic and Circulation mitigation measures that are pertinent to this project are found on MEIR pages IV.F.12. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project.

Discussion:

No mitigation measures from the MEIR are required to be applied to the project. No new or additional measures or alternatives are required for the project.

c. Project-Specific Effects

Section IV.F of the MEIR provides analysis of Traffic and Circulation impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Significance Criteria: A subsequent project will have a new significant effect on the environment if it would exceed the following criteria:

	YES	NO
(1) The project is inconsistent with the Modesto Wastewater Master Plan and/or the Modesto Urban Area General Plan.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(2) Substantially increase hazards due to a design feature (e.g., sharp curves or dangerous intersections) or incompatible uses (e.g. farm equipment).	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(3) Result in inadequate emergency access.	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) The project is rehabilitation of an existing lift station, as provided for in the Modesto Wastewater Master Plan and serving the area of the Modesto Urban Area General Plan.
- (2) The project is rehabilitation of an existing lift station, and will have no effect on traffic design.
- (3) The project is rehabilitation of an existing lift station, and will have no effect on emergency access.

15. UTILITIES AND SERVICES SYSTEMS: WATER SUPPLY, SANITARY SEWER, STORM DRAINAGE, SOLID WASTE, ENERGY

a. Significant Effects Identified in the Master EIR

The significant effects described in the subject areas contained in the Master EIR are based on the policies, programs, and projects contemplated as part of the Modesto Wastewater Master Plan. This topic is discussed in Chapter IV.L (p. IV.L.5, 9-10) of the MEIR

The Master EIR identified no significant environmental impacts relative to Community Services.

b. Master EIR and/or New Mitigation Measures Applied to the Project

No Community Services mitigation measures pertinent to the project being analyzed in this Initial Study are included in the MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project.

Discussion:

No mitigation measures from the MEIR are required to be applied to the project. No new or additional measures or alternatives are required for the project.

a. Project-Specific Effects

Determination of project effects will be based on the following threshold. A project-specific effect is less than significant unless:

- | | | | |
|-----|---|--------------------------|-------------------------------------|
| | | YES | NO |
| (1) | The project is inconsistent with the Modesto Wastewater Master Plan and/or the Modesto Urban Area General Plan. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Discussion:

- (1) The project is rehabilitation of an existing lift station, as provided for in the Modesto Wastewater Master Plan and serving the area of the Modesto Urban Area General Plan.

V. MITIGATION MEASURES APPLIED TO THE PROJECT

If the Initial Study results in the determination that a Finding of Conformance can be adopted for the proposed project Section A below applies. If the Initial Study results in the determination that a Finding of Conformance cannot be adopted and a Mitigated Negative Declaration/EIR must be prepared for the project then Section B, below applies.

A. Master EIR Mitigation Measures Applied to the Project

Pursuant to CEQA Section 21157.1(c), in order for a Finding of Conformance to be made, all feasible measures from the Master EIR appropriate to the project shall be incorporated into the project. The following adopted Master EIR Mitigation Measures shall be made part of the project prior to approval by means of conditions of project approval or incorporation into the appropriate document or plan:

All applicable and appropriate mitigation measures have been applied to the project (see mitigation measures listed below).

B. New or Additional Mitigation Measures or Alternatives Required

Where the project's effects would exceed the specific thresholds defined for each environmental category, a mitigated negative declaration or Focused EIR must be prepared. Staff has reviewed the project against those thresholds set forth in the Master EIR for all applicable categories in this Initial Study.

No new or additional mitigation measures are required for this project. The following measures from the Wastewater Master Plan Master EIR shall be applied to the project:

Aesthetics/Visual Resources Measures:

None.

Agricultural Resources Measures:

None.

Air Quality Measures:

Wastewater Master Plan EIR Mitigation Measure G.1

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-501**

RESOLUTION APPROVING THE PLANS AND SPECIFICATIONS FOR THE SCENIC SEWER LIFT STATION, ACCEPTING THE BID, AND APPROVING A CONTRACT WITH W.M. LYLES CO. OF FRESNO, CALIFORNIA IN THE AMOUNT OF \$1,575,344.20, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE CONTRACT

WHEREAS, plans and specifications have been prepared for the Scenic Sewer Lift Station, and City staff recommends approval by the City Council, and

WHEREAS, the bids received for the Scenic Sewer Lift Station were opened at 11:00 a.m. on October 2, 2012, and later tabulated by the Director of Utility Planning and Projects for the consideration of the Council, and

WHEREAS, the Director of Utility Planning and Projects has recommended that the bid of \$1,575,344.20 received from W.M. Lyles Co. of Fresno, California be accepted as the lowest responsible bid and the contract be awarded to W.M. Lyles Co.,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the plans and specifications for the Scenic Sewer Lift Station, accepts the bid of W.M. Lyles Co. of Fresno, California in the amount of \$1,575,344.20, and awards W.M. Lyles Co. the contract for the Scenic Sewer Lift Station.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the contract.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of December, 2012, by Councilmember Cogdill, who moved its adoption, which motion being duly seconded by Councilmember Lopez, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Burnside, Cogdill, Geer, Gunderson, Lopez, Muratore, Mayor Marsh

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-502**

**RESOLUTION AUTHORIZING THE ISSUANCE OF CHANGE ORDERS UP TO
10% OF THE ORIGINAL CONTRACT PRICE WITH W.M. LYLES CO.**

WHEREAS, the bids received for the Scenic Sewer Lift Station were opened at 11:00 a.m. on October 2, 2012, and later tabulated by the Director of Utility Planning and Projects for the consideration of the Council, and

WHEREAS, the Director of Utility Planning and Projects has recommended that the bid of \$1,575,344.20 received from W.M. Lyles Co. of Fresno, California be accepted as the lowest responsible bid and the contract for Scenic Sewer Lift Station be awarded to W.M. Lyles Co.,

WHEREAS, the Scenic Lift Station, located at 2812 Scenic Bend, pumps wastewater under Dry Creek to the gravity pipeline near Lincoln Avenue, and

WHEREAS, the lift station was last upgraded in 1986, and

WHEREAS, the tributary area of the station includes Village I and the proposed Tivoli development, and

WHEREAS, as these developments build-out, the increased sewage flow will make the need for this lift station more critical, while it becomes less reliable with age, and

WHEREAS, the cost for possible change orders during construction is estimated to be \$157,535 (10%), an amount which exceeds the Director's authority for the project as established by the Council's Change Order Approval Policy adopted by Resolution No. 94-443, on July 19, 1994,

NOW, THEREFORE BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the issuance of change orders up to 10% of the original contract price with W.M. Lyles Co.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of December, 2012, by Councilmember Cogdill, who moved its adoption, which motion being duly seconded by Councilmember Lopez, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-503**

RESOLUTION AMENDING THE FISCAL YEAR 2012-2013 CAPITAL IMPROVEMENT PROGRAM BUDGET IN THE AMOUNT OF \$511,732 TO BE TRANSFERRED INTO THE PROJECT FROM WASTEWATER FUND RESERVES IN ORDER TO FULLY FUND CONSTRUCTION, CONTINGENCY, CONSTRUCTION ADMINISTRATION, AND DESIGN SUPPORT DURING CONSTRUCTION FOR THE SCENIC SEWER LIFT STATION PROJECT

WHEREAS, certain budgetary transactions are necessary in the amount of \$511,732, in order to fund construction, contingency, construction administration, and design support during construction for the Scenic Sewer Lift Station project, and

WHEREAS, the Fiscal Year 2012-2013 Capital Improvement Program Budget must be amended as shown in **Exhibit A**, which is incorporated by reference herein,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the amendment of the Fiscal Year 2012-2013 Capital Improvement Program Budget as shown in **Exhibit A**.

BE IT FURTHER RESOLVED that the Director of Finance, or her designee, is hereby authorized to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of December, 2012, by Councilmember Cogdill, who moved its adoption, which motion being duly seconded by Councilmember Lopez, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Burnside, Cogdill, Geer, Gunderson, Lopez, Muratore, Mayor Marsh

ABSENT: Councilmembers: None

ATTEST: 
STEPHANIE LOPEZ, City Clerk

(SEAL)

APPROVED AS TO FORM:

By: 
SUSANA ALCALA WOOD, City Attorney

Exhibit A

Due to the increase of estimated construction, contingency, construction administration and design support during construction costs for CIP Account #100537 "Scenic Sewer Lift Station", the total project costs need to be increased by \$511,732. This would be done by adjusting Construction by \$369,935, Contingency by \$36,994, Construction Administration by \$93,580 and Engineering/Design/Administration by \$11,223.

To fund the above account, \$511,732 will be transferred from Wastewater Fund Reserves into CIP Project 100537 for the Scenic Sewer Lift Station project.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-504**

**RESOLUTION ACCEPTING THE CAPITAL FACILITIES FEES ANNUAL
REPORT FOR FISCAL YEAR 2011-2012, AND MAKING FINDINGS
RELATING TO EACH OF THE FEE CATEGORIES**

WHEREAS, Section 8-1.904 of the Modesto Municipal Code authorizes the City Council to establish Capital Facilities Fees (“CFF”) by resolution, and

WHEREAS, California Government Code Sections 66001 and 66006 require that the City make certain information available to the public and findings relating to the necessity of collecting fees for new development, and

WHEREAS, the City is collecting CFF for the purpose of constructing public improvements that will be needed as a result of new development, and

WHEREAS, on March 22, 2011, the City Council, by Resolution No. 2011-105, established the nexus for fees imposed by each land use, and

WHEREAS, the Streets CFF fund was established to accrue funds for arterial roadways, intersections, expressways, freeway interchanges and associated landscaping, and

WHEREAS, the Transit CFF fund was established to accrue funds for the expansion of the City’s transit system including additional buses and their associated facilities, and

WHEREAS, the Air Quality Mitigation CFF Fund was established to accrue funds to assist in the reduction of automobile travel, specifically for the development of park and ride lots, Class I Bike Trails, and

WHEREAS, the Police CFF Fund was established to accrue funds for additional policing needs including an additional station, police cars and associated equipment, a northeast area precinct, a training facility, a computer aided dispatch system, and an expanded radio system, and

WHEREAS, the Fire CFF Fund was established to accrue funds for the construction of additional fire stations, fire vehicles, and a new training station, and

WHEREAS, the Parks and Recreation CFF Fund was established to accrue funds for the development of additional regional parks, community centers, and neighborhood parks, and the expansion of the McClure museum, and

WHEREAS, the General Government CFF Fund was established to accrue funds for the expansion of City Hall, expansion of the City's corporation yards, and technology expansions, and

WHEREAS, the CFF program is a pay-as-you go program that enables improvements to be constructed when enough monies have been accumulated, and

WHEREAS, the Capital Facilities Fee Annual Report for Fiscal Year 2011-2012 has been completed and is on file with the City Clerk and is **attached** as **Exhibit "A"**, and

WHEREAS, a public hearing at the City Council in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California was set for November 27, 2012, to enable the public to have the opportunity to comment on the CFF collected,

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby finds and determines that the Capital Facilities Fee program, set forth in

City Council Resolution No. 2011-105, and incorporated herein by reference, is a necessary program to fund future infrastructure needed for new development.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby finds that the CFF revenue anticipated for the full development of infrastructure improvements for new development has not been fully collected to complete the financing of incomplete improvements. It is presently anticipated that there will be no regular sources of funding to develop CFF infrastructure improvements apart from CFF collections.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby finds that the anticipated dates for the full collection of fees is unknown at this time as fees are based on development activity which is not controlled by the City.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby finds that the funding for constructing and/or purchasing additional fire stations, fire vehicles, and a new training station, have not yet been accumulated and the approximate date is not yet known, but there is still a need as outlined in Resolution No. 2011-105, and therefore fees should still be collected for these purposes.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby finds that the funding for constructing and/or purchasing an additional police station, police cars and associated equipment, a northeast area precinct, a training facility, a computer aided dispatch system, and an expanded radio system, have not yet been accumulated and the approximate date is not yet known, but there is still a need as outlined in Resolution No. 2011-105, and therefore fees should still be collected for these purposes.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby finds that the funding for the development of additional regional parks, community centers, neighborhood parks, and the expansion of McClure museum have not yet been accumulated and the approximate date is not yet known, but there is still a need as outlined in Resolution No. 2011-105, and therefore fees should still be collected for these purposes.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby finds that the funding for the expansion of City Hall, expansion of the City's corporation yards, and additional technology expansions is not yet known, but there is still a need as outlined in Resolution No. 2011-105, and therefore fees should still be collected for these purposes.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby finds that the funding for the reduction of automobile travel, specifically for the development of park and ride lots and Class I Bike Trails is not yet known, but there is still a need as outlined in Resolution No. 2011-105, and therefore fees should still be collected for these purposes.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby finds that the funding for arterial roadways, intersections, expressways, freeway interchanges and all of their associated landscaping is not yet known, but there is still a need as outlined in Resolution No. 2011-105, and therefore fees should still be collected for these purposes.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby finds that the funding for the expansion of the transit system is not yet known, but

there is still a need as outlined in Resolution No. 2011-105, and therefore fees should still be collected for these purposes.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby accepts the Fiscal Year 2011-2012 Capital Facilities Fees Report as described in **Exhibit "A"**, attached hereto and incorporated herein by reference.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of December, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following vote:

LEGAL REQUIREMENTS

A. What Are Impact Fees?

California Government Code §66000 allows a local jurisdiction to establish an impact fee to mitigate the impacts of new development. These fees may be used for the purchase, construction, expansion, rehabilitation, or acquisition of public facilities, and must be consistent with the adopted fee program, which is updated every five years.

New development increases the demand for health and safety services provided by a city, affect the quality of the community's infrastructure, and increases the need for public facilities. Typically, impact fees are paid to a city at the time a building permit is issued and assist in paying for the cumulative impact of new development through infrastructure improvements and additions. Facilities partly funded by impact fees include police, fire and administrative buildings, park sites, bike trails, public landscape areas, community centers, transportation and transit facilities and roadway improvements. Impact fees cannot be used for maintenance of existing or future city facilities.

B. Establishing An Impact Fee Program

The City of Modesto ("City") impact fee program, more commonly known as the Capital Facilities Fees Program ("CFF Program"), was established in 1987 and has been updated periodically to reflect the changes in land values, projects and costs. Impact fees imposed on new development must have the proper nexus to any project on which they are imposed. The CFF Program sets forth the relationship between contemplated future developments, facilities needed to serve future development and the estimated cost of those improvements based on the current General Plan for build-out. Estimated project costs and the summary of fee apportionment for each CFF Program fee category are identified in the 2003 and 2011 CFF Program updates.

C. Adoption of a Capital Improvement Program (CIP)

California Government Code §66002 requires local agencies that have implemented an impact fee program to adopt a Capital Improvement Program (CIP) indicating the approximate location, size, and time of projects, plus an estimate for the costs of all facilities or improvements to be financed by the impact fees. At a minimum, a formal CIP is recommended as a five-year plan. The City annually produces a five-year CIP which assists in maintaining and updating the City's General Plan.

The City's CIP connects annual capital expenditures to a long-range plan for public improvements. The City's CIP also assists in maximizing the funds available, connecting the plan for public improvements to the City's capacity for funding, and projecting expenditures over a period of years. This type of fiscal management is particularly

LEGAL REQUIREMENTS (Con't.)

important during periods where budgetary demands exceed financial resources. The City's CIP Program is financed in part by the impact fees collected through the CFF Program.

D. Reporting

Annual reporting of a local agency's impact fee program is required by Government Code §66006. The impact fees collected must be segregated from general and other funds containing fees collected for other improvements. Interest on each impact fee fund or account must be credited to that fund or account and be used only for the purpose for which the impact fee was collected.

California Government Code §66006(b) requires that a local agency make the following information available to the public for each separate impact fee fund on an annual basis and that the local agency review that information at a public meeting. The law also requires the annual report include the following information for the prior fiscal year and be made available within 180 days after the last day of each fiscal year:

- Describe the type of impact fee in the account or fund.
- Identify the amount of the impact fee.
- Provide the beginning and ending balance of the account or fund.
- Provide the amount of impact fees collected and interest earned.
- Identify each public improvement on which impact fees were expended and the amount of the expenditures on each improvement, including the total percentage of the cost of the public improvement that was funded with the impact fee.
- Identify an approximate date by which the construction of the public improvement will commence, if the local agency determines that sufficient funds have been collected to complete financing on an incomplete public improvement and the public improvement remains incomplete.
- Describe each interfund transfer or loan made from the account or fund, including the public improvement on which the transferred or loaned impact fees will be expended, and, in the case of an interfund loan, the date on which the loan will be repaid and the rate of interest that the account or fund will receive on the loan.
- Provide the amount of refunds made due to sufficient funds being collected to complete financing on incomplete public improvements, and the amount of reallocation of impact funds made to administrative costs of refunding unexpended revenues exceeding the amount to be refunded.

If an agency no longer needs the funds for the purposes collected or fails to make the required findings or perform certain administrative tasks prescribed, the agency may be

LEGAL REQUIREMENTS (Con't.)

required to refund, on a prorated basis to owners of the properties upon which the impact fees for the improvement were imposed, the monies collected for that project and any interest earned on those funds.

California Government Code §66001(d) also requires that the local agency make all of the following findings every fifth year with respect to that portion of the account remaining unexpended, whether committed or uncommitted:

- Identify the purpose to which the impact fee is to be allocated.
- Demonstrate a reasonable relationship between the impact fee and the purpose for which is it charged.
- Identify all sources and amounts of funding anticipated to complete financing of incomplete improvements.
- Designate the approximate dates on which the funding is expected to be deposited into the appropriate account or fund.
- In any action imposing a fee as a condition of approval of a development project by a local agency, the local agency shall determine how there is a reasonable relationship between the amount of the impact fee and the cost of the public facility or portion of the public facility attributable to the development on which the impact fee is imposed.

DESCRIPTION OF CAPITAL FACILITIES FEES

The CFF Program mitigates the impacts associated with new development on certain public facilities. The CFF Program is used to finance the acquisition, construction, and improvement of public facilities as a result of new development. The City has the following eight (8) CFF Program fee categories:

Streets Capital Facilities Fee – Fund 3410

This fee is collected for roadway improvements such as expressways, interchanges, arterial and collector roads, turn lanes, intersections and traffic signals.

Public Transportation Capital Facilities Fee – Fund 3420

This fee is collected for new buses, bus shelters, bus stops, the bus maintenance facility, and the northeast transfer station.

Air Quality Mitigation Capital Facilities Fees – Fund 3430

This fee is collected for facilities that reduce automobile travel by facilitating alternative modes of travel such as the Amtrak station parking lot, park and ride lots, vanpooling, carpooling, Class I bike trails, bike storage, turn lanes, footpaths, and pedestrian accesses.

Police Capital Facilities Fee – Fund 3440

This fee is collected for the Police Tactical Training Center, police vehicles, parking facilities, communication systems, special equipment, and the future Northeast Area Precinct (to be shared with Fire).

Fire Capital Facilities Fee – Fund 3450

This fee is collected for fire facility expansions, fire vehicles, special equipment, and the future Northeast Area Precinct (to be shared with Police).

Parks Capital Facilities Fees – Fund 3460

This fee is collected for land and construction costs for neighborhood, community, and regional parks, sports facilities, and community buildings.

City Hall and Other Government Facilities Capital Facilities Fee – Fund 3470

This fee is collected for debt service payments on City Hall, related parking facilities, the corporation yard and related facilities, City vehicles, and the City's information technology expansion.

DESCRIPTION OF CAPITAL FACILITIES FEES (Con't.)

Administration Capital Facilities Fee – Fund 3480

This fee is collected for the administration of the CFF Program. This includes preparation of an Annual CFF Program Report, preparation of a Five-Year CFF Report, day-to-day management of the CFF Program including preparation of annual CIP budgets, CFF Program annual inflationary updates, land value analyses and updates and CFF Program Proformas.

CURRENT FEE SCHEDULES

The current CFF Program allows for an annual inflationary adjustment equal to the increase in the annual change in the San Francisco Bay Area Engineering News Record Construction Cost Index through the month of December of the preceding year. For Fiscal Year 2012-13, the CFF Program could have applied an inflationary adjustment of 0.9%. However, due to the continuing economic challenges faced by the City (few anticipated housing starts, continued decrease in housing values and a decrease in construction costs), staff recommended that the inflationary adjustment be frozen as it had been previously done in Fiscal Year 2011-12. On May 1, 2012, the City Council adopted Resolution No. 2012-141 and waived the annual inflationary adjustment for Fiscal Year 2012-13. Table 1 provides the adopted fee schedule for Fiscal Year 2011-12.

COMBINING STATEMENT OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCES

The Combining Statement of Revenues, Expenditures and Changes in Fund Balances provided in Table 2 outlines the beginning and ending balance of each fund for Fiscal Year 2011-2012. Expenditures are identified by general categories. All revenue, unless collected under the deferral program, is collected at the time a building permit is issued. Since the CFF Program is a "pay-as-you-go" program, the City must accrue enough revenue prior to commencing construction of a project, resulting in an "aging" of fund balances. The aging or accumulation occurs until enough revenue has been collected to construct a project.

FIVE YEAR REVENUE AND EXPENSE HISTORY

As previously discussed, most revenue is collected when a building permit is issued for new development. Overall, CFF Program revenues increased 1.28% between Fiscal Years 2010-11 and 2011-12 while expenditures increased 125.85% over the same time period. Even with the decline in revenue, due to previously accumulated revenues in the Streets and Parks Capital Facilities Fees funds, staff has continued to design and put projects out to

FIVE YEAR REVENUE AND EXPENSE HISTORY (Con't.)

bid. Tables 3 and 4 provide a five-year snapshot of the CFF Program revenues and expenditures, respectively. Table 5 offers a combined picture of revenues, expenses and fund balance levels over the past five years.

DEFERRED CAPITAL FACILITIES FEES

A. Single-Family Residential

In June of 2010, the City extended the deferral program of CFF for Single-Family Residential permits for a period of one (1) year. This program allowed the deferral of payment of CFF until issuance of a Certificate of Occupancy. Although the program ended in June 2011, several deferral agreements remain outstanding and are provided in Table 6.

B. Multi-Family, Commercial and Industrial

CFF Deferral Programs for Multi-Family, Commercial, and Industrial developments have been in place since 1991. Deferrals assist in off-setting the cost of new development by allowing applicants to pay a portion of the CFF due at the time of building permit issuance and the balance, plus interest, over a predetermined period of time. Table 7 details the three (3) active deferrals in Fiscal Year 2011-2012: Village Corners and Modesto Mufflers (Commercial) and Acme Construction (Industrial Warehouse & Office).

REFUNDS

A total of four (4) CFF refunds were issued in Fiscal Year 2011-2012. These refunds, outlined in Table 8, were for the removal of temporary trailers. The City's CFF Policies and Procedures (Resolution No. 2008-010) requires CFF to be paid at the time of building permit issuance and later refunded, less the administrative fees, if the temporary trailer is removed within five (5) years.

TRANSFERS

A total of fourteen (14) interfund transfers occurred in Fiscal Year 2011-2012. The transfers included loan payments for the City's new Financial System, the Tenth Street Place (City Hall) Debt Service payment and funding for various projects throughout the City. Table 9 offers details of each transfer.

CAPITAL IMPROVEMENT PROJECTS

Information on projects funded by the CFF Program can be found in Table 10. The information in the table includes a listing of current projects, estimated construction start and end dates, estimated project costs, percentage of project funded by the CFF Program and general accounting information.

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-505**

**RESOLUTION APPROVING THE SUBMITTAL OF THE UPDATED AIRPORT
CAPITAL IMPROVEMENT PLAN SUMMARY TO THE FEDERAL AVIATION
ADMINISTRATION AND CALTRANS AERONAUTICS**

WHEREAS, Modesto City-County Airport is a commercial service airport that is a part of the federal airport system and is eligible for federal funding, and

WHEREAS, as airport sponsor, the City is eligible for discretionary funding from the Federal Airport Improvement Program (AIP), and

WHEREAS, the Federal Aviation Administration (FAA) requires that the City submit a revised ACIP covering at least the next five years to maintain eligibility for future project funding, and

WHEREAS, in addition to updating cost estimates, the ACIP annual update is intended to reflect ongoing changes in City priorities, airport needs, and/or federal mandates, and

WHEREAS, keeping the ACIP current helps the FAA plan for the airport's long-term funding needs and better distribute the funds on a priority rating, and

WHEREAS, Caltrans uses the ACIP submission to develop the State Capital Improvement Plan (SCIP), and

WHEREAS, the Modesto City-County Airport ACIP update will be focusing on mandated safety and compliance issues (obstruction removal), current infrastructure needs, and planning for future airport needs, and

WHEREAS, the total package of capital improvements submitted to the FAA for the multi-year period ending in 2022 is estimated to cost \$12,884,060, and

WHEREAS, funding for projects that are approved will be borne by the FAA at 90% (\$11,595,681) with the Airport Fund providing the remaining 10% (\$1,288,409), and

WHEREAS, Passenger Facility Fees will generate most of the revenue for the 10% match, and

WHEREAS, the Airport Advisory Committee, at its September 20, 2012, meeting recommended forwarding this item to Council for consideration,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves submittal of the Airport Capital Improvement Plan Update, **attached** hereby as **Exhibit A**, to the Federal Aviation Administration and Caltrans Aeronautics.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of December, 2012, by Councilmember Burnside, who moved its adoption, which motion being duly seconded by Councilmember Lopez, was upon roll call carried and the resolution adopted by the following vote:

MODESTO CITY COUNCIL
RESOLUTION NO. 2012-506

RESOLUTION SUMMARILY VACATING A 10-FOOT WIDE PUBLIC UTILITY
EASEMENT LOCATED AT 616 COLUMBIA WAY IN THE CITY OF
MODESTO

WHEREAS, there is a public utility easement on the property located at 616
Columbia Way, and

WHEREAS, there are no utilities located within the easement, and

WHEREAS, the property owner has submitted a written request that the public
utility easement be vacated, and

WHEREAS, the public utility easement to be summarily vacated is more
particularly described in **Exhibit "A" attached** hereto and incorporated herein by this
reference, and

WHEREAS, California Streets and Highways Code Section 8333 states that, "The
legislative body of a local agency may summarily vacate a public service easement, in
any of the following cases: (a) The easement has not been used for the purpose for which
it was dedicated or acquired for five consecutive years immediately preceding the
proposed vacation" and

WHEREAS, the Land Development Engineering Division contacted all affected
City departments and public utility companies, and no objections to the proposed
vacations have been received, and

WHEREAS, the Council of the City of Modesto finds and declares that:

1. The summary vacation of this 10-foot wide public utility easement at
616 Columbia Way is made pursuant to California Streets and Highways Code Section
8333.

2. Streets and Highways Code Section 8333 allows for the summary vacation of a public service easement when “The easement has not been used for the purpose for which it was dedicated or acquired for five consecutive years immediately preceding the proposed vacation.”

3. California Environmental Quality Act (CEQA) Sec. 15061 (b)(3) exempts all activities where it can be seen with certainty that there is no possibility that the activity may have a significant effect on the environment. Since this is an abandonment of a utility easement that is no longer needed for utility purposes, it meets the criteria for exemption under this section.

4. That from and after the date this resolution is recorded, the public utility easement, which is proposed to be summarily vacated, will no longer constitute public easements,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the public utility easement located at 616 Columbia Way in the City of Modesto, which is more particularly described in **Exhibit “A” attached** hereto and incorporated herein by reference, is hereby summarily abandoned.

BE IT FURTHER RESOLVED that the City Clerk is hereby directed to sign the document to vacate the 10-foot wide public utility easement.

BE IT FURTHER RESOLVED that the City Clerk is hereby directed to record a certified copy of this resolution in the Stanislaus County Recorder’s Office. From and after the date this resolution is recorded, said easements shall no longer constitute public easements.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of December, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-511**

**RESOLUTION RECOMMENDING TO CONTINUE WITH THE
MEMORANDUM OF UNDERSTANDING (MOU) FOR EXEMPTION FROM
THE MOBILE HOME RENT STABILIZATION ORDINANCE BETWEEN THE
CITY OF MODESTO AND SIGNATORY MOBILE HOME PARKS WITH AN
AMENDMENT TO SUSPEND CONTRIBUTIONS TO THE RENTAL
ASSISTANCE PROGRAM UNTIL THE CITY HAS MATCHING FUNDS TO
RESUME THE PROGRAM AND AUTHORIZING THE MAYOR, CITY
ATTORNEY AND/OR CITY MANAGER, OR THEIR DESIGNEES, TO
EXECUTE THE MOU AND ANY RELATED DOCUMENTS**

WHEREAS, on September 4, 2007 the City Council introduced a Mobile Home Rent Stabilization Ordinance, Modesto Ordinance 4-19.05(c), including a draft MOU as proposed by the stakeholders group, which includes owners of local mobile home parks. In the proposed MOU, mobile home park owners agreed to provide funding, up to \$20 per space, per year, for a rental assistance program, if the City provided matching funds, and

WHEREAS, as a positive alternative to the Mobile Home ordinance, mobile home parks within the City of Modesto agreed to enter into an MOU agreement with the City of Modesto, and

WHEREAS, since this MOU has been in effect, each of the Signatory Park Owners has received an exemption from any rent control ordinance or regulation adopted by the City, and

WHEREAS, on September 25, 2007, by motion, the City Council approved the MOU with any change in circumstances requiring amendments to or revision of this MOU, and

WHEREAS, any of the Signatory Park Owners or the City may decide to withdraw from the MOU at any time upon providing at least one hundred and eighty days

(180) written notice to the other members of the Signatory Park Owners and to the Mayor and City Attorney of the City of Modesto, and

WHEREAS, in the event that the MOU is to be amended or revised, all parties to the MOU must agree in writing to such amendment or revision, and

WHEREAS, on June 28, 2011, as part of the 2011-2012 State of California budget bill, companion bills Assembly Bill 1X 26 and Assembly Bill 1X 27 were enacted, dissolving the Redevelopment Agency unless the City elected to participate in an Alternative Voluntary Redevelopment Program, established by AB 27 and paid an annual "commitment remittance" payment to the County of Stanislaus, and

WHEREAS, on December 29, 2011, the Supreme Court issued its opinion in the Legal Action, upholding AB 26, invalidating AB 27, extending certain statutory deadlines under Health and Safety Code Sections 34170 through 34191, and dissolving all redevelopment agencies throughout the State, effective February 1, 2012, and

WHEREAS, pursuant to AB 26, on January 24, 2012, the City Council adopted Resolution No. 2012-40 electing to serve as the Successor Agency to the former Agency, and

WHEREAS, the City Council adopted Resolution No. 2012-41 electing to retain the housing assets and functions previously performed by the Agency, and

WHEREAS, RDA funds were no longer available for the Mobile Home Rental Assistance Program, and

WHEREAS, City staff brought the five year review of the MOU to Citizens' Housing and Community Development Committee for guidance, and

WHEREAS, per the request received via e-mail, mobile home park owners have decided to continue the MOU for five more years through October 2017, and

WHEREAS, the Citizens' Housing and Community Development Committee (CH&CDC) considered this item at its October 17, 2012, meeting, and the Committee recommended that the City Council approve to continue with the MOU with an amendment to suspend contributions to the rental assistance program until the City has matching funds to resume the program.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves to continue with the MOU with an amendment to suspend contributions to the rental assistance program until the City has matching funds to resume the program.

BE IT FURTHER RESOLVED, that the Mayor, City Attorney and/or City Manager, or their designees, are hereby authorized to execute the MOU and any related documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of December, 2012, by Councilmember Lopez, who moved its adoption, with motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

WITH THE CITY OF MODESTO FOR THE DEVELOPMENT OF BENNETT
PLACE APARTMENTS LOCATED AT 421 LINCOLN, MODESTO AND
AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE
THE AGREEMENTS AND RELATED DOCUMENTS**

WHEREAS, on July 24, 2007, by Resolution No. 2007-442, the City Council approved HOME predevelopment funds for a project located at 416 Downey Avenue for \$250,000 of which \$52,040 has been spent to date with \$112,960 needed to complete the remaining predevelopment activities, and

WHEREAS, the remaining balance of \$85,000 was recommended and approved as part of the revised expenditure plan for NSP 2 & 3 for the Bennett Place Apartments project located at 421 Lincoln Avenue, and

WHEREAS, on June 24, 2008, City Council, by Resolution No. 2008-363, approved the allocation of \$940,427 in HOME funds to Stanislaus County Affordable Housing Corporation (STANCO) for the acquisition and development of 18 senior housing units for permanent supportive housing, and

WHEREAS, on October 6, 2009, an amendment to the HOME loan agreement was approved to: (1) reduce the number units assisted with HOME funds from eighteen (18) to eight (8) to conform to a state law allowing borrowers to seek additional financing for the Project from multiple funding sources, and (2) require STANCO to prepare and submit to the City a detailed project budget and project time line, and

WHEREAS, due to economic conditions, STANCO was unsuccessful in securing additional financing to fund the Project and as a result the Project has been delayed, and

WHEREAS, in order to get the project completed, Staff identified additional funding to allocate to the project which includes \$85,0000 of unspent HOME funds from fiscal year 2007-2008 and along with NSP funds, and

WHEREAS, due to the combination of funding sources, it is necessary to: modify the target population for the Project to include (a) seniors (b) emancipated foster youth, and (c) special needs population, including homeless and persons at risk of homelessness, and

WHEREAS, six (6) of the HOME assisted units of the Project need to be reserved for qualified persons/households whose income does not exceed 65% of the area median income (AMI), and

WHEREAS, two (2) HOME assisted units need to be reserved for persons/households whose income does not exceed 50% AMI, and

WHEREAS, STANCO will provide the City of Modesto a project budget and timeline, commencement of construction and completion of the Project plan.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an amendment to the HOME Investment Partnership Program (HOME) loan agreement with the City of Modesto for the development of Bennett Place Apartments located at 421 Lincoln Avenue, Modesto.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreements and related documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of December, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-520**

RESOLUTION APPROVING THE CITY OF MODESTO (I) TAKING OWNERSHIP OF REMAINING UNSOLD SINGLE-FAMILY PROPERTIES FROM NSP1 ACTIVE DEVELOPERS THROUGH A MUTUAL RELEASE IN EXCHANGE FOR PAYMENT OF DEVELOPER FEE, (II) REALLOCATING NSP1 ADMINISTRATION FUNDS TO INCREASE THE NSP1 SUBSIDY FOR THE AIRPORT NEIGHBORHOOD COMMUNITY CENTER, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE ALL NECESSARY AGREEMENTS AND RELATED DOCUMENTS REQUIRED TO ENACT ALL NSP1 GRANT CLOSE OUT TRANSACTIONS DEPICTED IN THIS RESOLUTION

WHEREAS, On May 12, 2009, the City Council, by Resolution No. 2009-212, approved the allocation of \$8.1 million in NSP1 funds received through U.S. Department of Housing and Urban Development (HUD), Community Development Block Grant Program, under the Housing and Economic Recovery Act of 2008 (HERA), AND

Whereas, under the terms of the NSP1 agreement, all remaining grant funds must be spent by March 19, 2013, and

WHEREAS, in an effort to ensure that the NSP1 expenditure deadline is met, Staff recommended the City of Modesto take ownership of any remaining unsold single-family properties from NSP1 from active developers through a mutual release in exchange for payment of developer fee, and

WHEREAS, staff recommended to increase the allocation of NSP1 funds for the Airport Neighborhood Community Center and decrease the allocation of Community Development Block Grant (CDBG) funds, and

WHEREAS, the exact amount is determined by the rate of completion for Airport Neighborhood Community Center Project 100698 in keeping with the NSP1 deadlines, and

WHEREAS, this recommendation does not change the approved budget/bid for the Airport Neighborhood Community Center and will not exceed the total allocation approved by Council, and

WHEREAS, while assisting the City with meeting the expenditure deadlines for the NSP1 grant, this reallocation will free up CDBG funds for use on other projects.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the City of Modesto (i) take ownership of any remaining unsold single-family properties from NSP1 from active developers through a mutual release in exchange for payment of developer fee and (ii) increase the allocation of NSP1 funds for the Airport Neighborhood Community Center Project 100698 and decrease the allocation of Community Development Block Grant (CDBG) funds.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to sign any and all related documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of December, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-521**

RESOLUTION APPROVING THE CITY OF MODESTO (I) TRANSFERRING FULL OWNERSHIP OF ALL UNSOLD CONDOMINIUMS TO ACTIVE NSP2 NON-PROFIT DEVELOPERS, (II) MODIFYING THE MAXIMUM TOTAL UNIT SUBSIDY FOR FUTURE ACQUISITION AND REHABILITATION PROPERTIES, (III) INCREASING THE HOUSING AUTHORITY OF THE COUNTY OF STANISLAUS (HACS) ALLOCATION FOR "GENERAL ACQUISITION AND REHABILITATION ACTIVITIES, (IV) ALLOCATING A MINIMUM OF \$100,000 IN NSP2 FUNDS TO TOWER PARK PROJECT, WITH A NOT TO EXCEED AMOUNT OF \$250,000, (V) TAKING OWNERSHIP OF REMAINING UNSOLD SINGLE-FAMILY PROPERTIES FROM NSP2 ACTIVE DEVELOPERS THROUGH A MUTUAL RELEASE IN EXCHANGE FOR PAYMENT OF DEVELOPER FEE, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE ALL NECESSARY AGREEMENTS AND RELATED DOCUMENTS TO THESE ACTIONS

WHEREAS, the City of Modesto received a \$25 million grant award under the American Recovery and Reinvestment Act of 2009 (ARRA) for NSP2, and

WHEREAS, under the terms of the agreement all NSP2 grant funds, including all funds budgeted for administrative oversight, must be spent fully expended by February 11, 2013, and

WHEREAS, in an effort to ensure that the NSP2 expenditure deadline is met, Staff recommended the City of Modesto transfer ownership of condominiums from current NSP2 developers to active non-profits or sub-recipients within the NSP2 program, and

WHEREAS, on March 13, 2012, the City Council, by Resolution, 2012-104, approved the revised NSP2 guidelines to set the maximum amount of total unit subsidy for acquisition and rehabilitation of NSP2 units at \$165,000 for single-family homes and \$125,000 for multi-family homes, and

WHEREAS, these guidelines, together with increasing real estate prices, have greatly restricted the number of properties available to the program as shown in graph “A” attached, and

WHEREAS, staff recommended an increase to the maximum amount for single-family homes subsidy for acquisition and rehabilitation of NSP2 units of 15% to \$189,750 which reflects current market trends as shown in graph “B” attached, and

WHEREAS, staff recommended the remaining single-family housing units that have not sold or are not in contract to be sold prior to January 11, 2013 be transferred to the City of Modesto in exchange for the transfer of property, the City of Modesto will pay each developer their current developer fee and release the developers of all NSP2 liability, and

WHEREAS, the properties will then be sold by the City of Modesto to an eligible household, which will allow the City to meet its national objective, and

WHEREAS, on September 4, 2012, by Resolution No. 2012-361, the City Council approved a Memorandum of Understanding (MOU) with the HACS to expend the remaining funds in NSP2 on “General Acquisition and Rehabilitation” activities not to exceed \$2 million, and

WHEREAS, staff recommended the MOU for the HACS be revised to now include all unspent NSP2 funds, including funds previously budgeted for administration oversight, to be used on NSP2 “General Acquisition and Rehabilitation” activities, and

WHEREAS, staff recommended providing additional eligible funding to Satellite Housing for a 46 unit multifamily apartment complex located at 17th and G Street (Tower Park Project) with eligible NSP2 funds to facilitate the predevelopment process.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the City of Modesto (i) transfer full ownership of all unsold condominiums to active NSP2 non-profit developers, (ii) modify the maximum total unit subsidy for future acquisition and rehabilitation properties, (iii) increase the HACS allocation in order to expend all remaining NSP2 funds on “General Acquisition and Rehabilitation” activities (iv) allocate a minimum of \$100,000 in NSP2 funds to Tower Park Project with a not to exceed amount of \$250,000, (v) take ownership of remaining unsold single-family properties from NSP2 active developers through a mutual release in exchange for payment of developer fee.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to sign any and all related documents required to enact all NSP2 grant close out transactions depicted in this Resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of December, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-522**

RESOLUTION AMENDING THE FY 2012-13 MULTI-YEAR BUDGET FOR NSP1 PROJECT 100265 AND NSP2 PROJECT 100243 AS DETERMINED BY THE REALLOCATION OF FUNDS AS SET FORTH IN ACTUAL GRANT CLOSE OUT PER THE DISASTER RECOVERY GRANT REPORTING SYSTEM (DRGR), AND AUTHORIZING THE DIRECTOR OF FINANCE, OR HER DESIGNEE, TO TAKE THE NECESSARY STEPS TO IMPLEMENT THE PROVISIONS OF THIS RESOLUTION

WHEREAS, on May 12, 2009, the City Council, by Resolution No. 2009-212, approved the allocation of \$8.1 million in NSP1 funds received through U.S. Department of Housing and Urban Development (HUD), Community Development Block Grant Program, under the Housing and Economic Recovery Act of 2008 (HERA), and

WHEREAS, under the terms of the agreement, all NSP1 grant funds must be spent by March 19, 2013, and

WHEREAS, the City received a \$25 Million grant award under the American Recovery and Reinvestment Act of 2009 (ARRA) for NSP2, and

WHEREAS, under the terms of the agreement, all NSP2 grant funds must be spent by February 11, 2013, and

WHEREAS, the Multi-Year NSP1 100265 and NSP2 Project 100243 budgets will be amended to include new allocations within the approved grants to be determined by the Disaster Recovery Grant Reporting System (DRGR), and

WHEREAS, staff will report back to City Council with the final allocations.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the FY 2012-13 multi-year budgets for NSP1 Project 100265 and NSP2 Project 100243 as determined by the reallocation of funds as set forth in actual grant close out per the Disaster Recovery Grant Reporting System (DRGR).

BE IT FURTHER RESOLVED, that the Director of Finance, or her designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of December, 2012, by Councilmember Lopez, who moved its adoption, with motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-523**

A RESOLUTION APPROVING A NEW CAPITAL IMPROVEMENT PROGRAM (CIP) ACCOUNT FOR THE PROJECT TITLED, "RECONFIGURATION OF 10TH AND 11TH STREETS BETWEEN D STREET AND MORTON BOULEVARD", WITH AN ESTIMATED INITIAL COST OF \$36,000

WHEREAS, Stanislaus Foods applied for and was issued an Encroachment Permit on July 24, 2012 for the temporary closure of 11th Street, from D Street to Morton Boulevard, from July 20, 2012 to September 30, 2012, and

WHEREAS, Stanislaus Food Products and City of Modesto agree to use their best efforts to reach an agreement within 90 days of issuance of the permit, addressing the permanent closure of 11th Street and opening of 10th Street, and

WHEREAS, Stanislaus Food Products paid the City of Modesto \$36,000, which monies will be used specifically for the first phase (Design Phase) of the closure of 11th Street and opening of 10th Street project, and

WHEREAS, on August 21, 2012, the CIP Task Force approved this project to develop preliminary plans and cost estimates for opening 11th Street and closing 10th Street between D Street and Morton Boulevard, and

WHEREAS, City staff recommends approving a new Capital Improvement Program Account for the project titled "Reconfiguration of 10th and 11th Streets between D Street and Morton Boulevard",

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a new Capital Improvement Program Account for the project titled "Reconfiguration of 10th and 11th Streets between D Street and Morton Boulevard".

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of December, 2012, by Councilmember Cogdill, who moved its adoption, which motion being duly seconded by Councilmember Burnside, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-525**

**RESOLUTION AUTHORIZING THE AWARD OF PROPOSAL AND
CONTRACT FOR THE REPOWERING OF MODEL YEAR 2003 GILLIG
TRANSIT BUSES FOR THE DEPARTMENT OF PUBLIC WORKS, TRANSIT
DIVISION, TO COMPLETE COACH WORKS, RIVERSIDE, CA, AND
AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE A
CONTRACT FOR AN ESTIMATED TOTAL COST OF \$1,285,746**

WHEREAS, the City Manager authorized the Purchasing Manager to issue formal Request for Proposals (RFP) for the repowering of Model Year 2003 Gillig Transit Buses, and

WHEREAS, the Purchasing Division issued RFP No. 1112-38 Repower Model Year 2003 Gillig Transit Buses to four (4) prospective proposers, none of which were local vendors, posted the RFP on the City's website and formally advertised as required by law, and

WHEREAS, there are no local companies capable of providing this work, and

WHEREAS, proposals were formally opened in the City Clerk's Office. Three (3) companies choose to respond. All three (3) companies provided responsive and responsible proposals, and

WHEREAS, an evaluation committee comprised of two (2) City staff members evaluated and graded the proposals, and

WHEREAS, based on being ranked highest in total evaluation criteria, the evaluation committee recommends the award of proposal and contract for the repowering of Model Year 2003 Gillig Transit Buses for the Department of Public Works, Transit Division, to Complete Coach Works, Riverside, CA, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. The award of proposal for the repowering of Model Year 2003 Gillig Transit Buses for the Department of Public Works, Transit Division, to Complete Coach Works, Riverside, CA, conforms to the Modesto Municipal Code, and

WHEREAS, funds are budgeted in Fiscal Year 2012-13 for the repowering of Model Year 2003 Gillig Transit Buses in Appropriation Unit: 4510-59999-55010-100449.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of proposal for the repowering of Model Year 2003 Gillig Transit Buses for the Department of Public Works, Transit Division, to Complete Coach Works, Riverside, CA.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute a contract for an estimated total cost of \$1,285,746.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of December, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL
RESOLUTION NO. 2012-526**

RESOLUTION APPROVING A PROPOSED EXTENSION AGREEMENT INCLUDING LANGUAGE CHANGES FOR A THE MEMORANDUM OF UNDERSTANDING BETWEEN THE CITY OF MODESTO AND THE MODESTO POLICE OFFICER ASSOCIATION (MPOA) FOR EXTENDING THE TERM OF THE AGREEMENT FROM JUNE 30, 2013 TO JUNE 30, 2014 AND AUTHORIZING THE DIRECTOR OF HUMAN RESOURCES AND CITY MANAGER TO TAKE THE NECESSARY ADMINISTRATIVE ACTION TO IMPLEMENT THE AGREEMENT

WHEREAS, the current Memorandum of Understanding (MOU) between the City of Modesto (CITY) and the Modesto Police Officer Association (MPOA) expires July 15, 2013, and

WHEREAS, representatives of the CITY and the MPOA have met and conferred in good faith concerning wages, hours, terms and conditions of employment for employees in said bargaining unit, and

WHEREAS, the CITY and MPOA have reached agreement on language changes for a one year extension of the current MOU which, upon execution, shall be attached hereto and made a part hereof, and

WHEREAS, the MOU provides as follows:

SECTION 1. TERM. The term of the MOU shall be extended from June 30, 2013 to June 30, 2014.

SECTION 2. SALARY. Section 4 B.5 shall be amended to change the date of the current salary range increase of 3% effective July 2, 2013 to March 12, 2013.

SECTION 3. SALARY PROGRESSION THROUGH THE STEP RANGES. Section 4.C. steps 2 - 4 will remain temporarily inoperative from the first pay period of fiscal year 2010 – 2011 through March 11, 2013 instead of the current contract period

that ran through June 30, 2013. Therefore, MPOA members will not receive any step increases during this period. Beginning March 12, 2013 instead of June 30, 2013 Section 4.C. steps 2 – 4 will become operative and employees will move to the next step of the salary range (one step) on the employees' next normal anniversary date.

SECTION 5. RETIREMENT. Section 11 has been amended to include a second tier pension benefit for new employees hired on or after September 11, 2012 and include changes to employee contribution for employees hire prior to September 11, 2012.

Effective December 18, 2012, employees under the 3%@50 CALPERS formula shall begin paying 6.5% of their 9% employee contributions which is an increase in payment of 5% by each employee. Employees under the 3%@55 CALPERS formula will continue to pay their 9% of the employee share of retirement contributions so no change for this group is recommended since they already pay their 9%.

1. SECTION 6. HEALTH, DENTAL AND VISION INSURANCE. Section 13 shall be amended as follows to redirect the January 2013 medical contribution to POST Pay:

- a. The increases in the City's contribution for fiscal plan year 2010 – 2011 in Section 13 of the MOU deferred until January 1, 2013 shall be eliminated. The CITY shall contribute the following amounts bi-weekly (based on 24 pay periods) toward the combined total premium for health, dental, and vision insurance plans, with the employee responsible for the balance of the premium cost, if any. The City's contribution shall remain at the amount listed below until such time as a new agreement is adopted.

1. \$550.00 bi-weekly (\$1,100.00/monthly) for employees with dependent coverage. For plan year beginning January 1, 2013 through December 31, 2013, active employees with dependent coverage who are enrolled in the CITY-sponsored High Deductible Health plan shall be eligible to receive a health savings incentive in the amount of \$35.00 bi-weekly (\$70.00/monthly).
2. \$310.50 bi-weekly (\$621.00/monthly) for employees without dependent coverage.
3. For employees who opt out of health coverage, the City contribution shall be equal to 80% of the designated CITY contribution for employees without dependent coverage.

SECTION 7. SPECIAL COMPENSATION. Section 5 (H) POST pay shall be amended effective January 1, 2013 to increase the intermediate POST pay from 2.5% to 3.2% and to increase the advance POST pay from 5% to 5.7% that represents the amounts redirected from the contributions towards medical that is due through the current contract on January 1, 2013.

2. SECTION 8. REOPENERS. The City and the Association agree to the following reopener:

- A. Sick leave conversion program for retiree health: MPOA and the City agree to begin meeting and conferring no later than December 31, 2012 on restructuring the current sick leave program all the way through the conclusion of the process of impasse and binding arbitration as provided for in the City's charter.

The exact language of all provisions shall be set forth in the LOU between the CITY and MPOA.

WHEREAS, the Council considered this matter at its meeting of December 11, 2012,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves the language changes for an extension agreement to the Memorandum of Understanding between the City of Modesto and the Modesto Police Officers' Association, which covers a term through June 30, 2014, and upon execution of same, a copy of the MOU will be on file in the office of the City Clerk.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of December, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

MODESTO CITY COUNCIL
RESOLUTION NO. 2012-527

RESOLUTION AMENDING A LABOR POLICY FOR PAYING AND REPORTING THE VALUE OF EMPLOYER PAID MEMBER CONTRIBUTIONS TO THE CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM (CALPERS) ON BEHALF OF EMPLOYEES REPRESENTED BY THE MODESTO POLICE OFFICERS' ASSOCIATION (MPOA) 2015-32

WHEREAS, by Resolution No 2012-350 adopted by the Council, the City adopted a labor policy providing for Public Employees' Retirement System (PERS) employee contributions to be paid by the City on behalf of employees and for reporting of employer-paid normal member contributions to PERS as compensation, and

WHEREAS, the governing body of the City of Modesto has the authority to implement Government Code Section 20636(c)(4) pursuant to Section 20691, and

WHEREAS, the governing body of the City of Modesto has a written labor policy or agreement which specifically provides for the normal member contributions to be paid by the employer, and reported as additional compensation, and

WHEREAS, one of the steps in the procedures to implement Section 20691 is the adoption by the governing body of the City of Modesto of a Resolution to commence paying and reporting the value of said Employer Paid Member Contributions, and

WHEREAS, the governing body has the authority to amend all members in a group or class of employment pursuant to Government Code Section 20691.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

Effective December 18, 2012, MPOA employees hired before September 11, 2012, the City of Modesto elects to pay two and one-half percent (2.5%) of the normal

member contributions of nine percent (9%) as employer paid member contributions and report the same value to CalPERS as compensation earnable as additional compensation.

Effective September 11, 2012, MPOA employees hired on or after September 11, 2012, the City of Modesto elects to pay zero percent (0%) of the normal member contributions of nine percent (9%). No payment shall be implemented pursuant to the provisions of Section 20636 (c)(4) of the California Government Code.

BE IT FURTHER RESOLVED that this Resolution shall become effective on December 18, 2012.

BE IT FURTHER RESOLVED that effective December 18, 2012 Resolution No. 2012-350 is hereby repealed in its entirety.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of December, 2012, by Councilmember Lopez, who moved its adoption, which motion being duly seconded by Councilmember Cogdill, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2012-528**

RESOLUTION APPROVING THE PLANS AND SPECIFICATIONS FOR THE HILLTOP AREA STRENGTHEN AND REPLACE WATER SYSTEM PROJECT, ACCEPTING THE BID, AND APPROVING A CONTRACT WITH DSS COMPANY DBA KNIFE RIVER CONSTRUCTION OF STOCKTON, CALIFORNIA IN THE AMOUNT OF \$967,368, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE CONTRACT

WHEREAS, plans and specifications have been prepared for the Hilltop Area Strengthen and Replace Water System project, and City staff recommends approval by the City Council, and

WHEREAS, the bids received for Hilltop Area Strengthen and Replace Water System were opened at 11:00 a.m. on November 13, 2012, and later tabulated by the Director of Utility Planning and Projects for the consideration of the Council, and

WHEREAS, the Director of Utility Planning and Projects has recommended that the bid of \$967,368 received from DSS Company dba Knife River Construction of Stockton, California be accepted as the lowest responsible bid and the contract be awarded to DSS Company dba Knife River Construction,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the plans and specifications for the Hilltop Area Strengthen and Replace Water System project, accepts the bid of DSS Company dba Knife River Construction of Stockton, California, in the amount of \$967,368, and awards DSS Company dba Knife River Construction the contract with for the Hilltop Area Strengthen and Replace Water System project.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the contract.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of December, 2012, by Councilmember Burnside, who moved its adoption, which motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following vote:

MODESTO CITY COUNCIL
RESOLUTION NO. 2012-529

RESOLUTION AMENDING THE FISCAL YEAR 2012-2013 CAPITAL IMPROVEMENT PROGRAM BUDGET IN THE AMOUNT OF \$441,841 TO BE TRANSFERRED INTO THE PROJECT FROM WATER FUND RESERVES IN ORDER TO FULLY FUND CONSTRUCTION, CONTINGENCY, CONSTRUCTION ADMINISTRATION, AND DESIGN SUPPORT DURING CONSTRUCTION FOR THE HILLTOP AREA STRENGTHEN AND REPLACE WATER SYSTEM PROJECT

WHEREAS, certain budgetary transactions are necessary in the amount of \$441,841, in order to fund construction, contingency, construction administration, and design support during construction for the Hilltop Area Strengthen and Replace Water System project, and

WHEREAS, the Fiscal Year 2012-2013 Capital Improvement Program Budget must be amended as shown in **Exhibit A**, which is incorporated by reference herein,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the amendment of the Fiscal Year 2012-2013 Capital Improvement Program Budget as shown in **Exhibit A**.

BE IT FURTHER RESOLVED that the Director of Finance, or her designee, is hereby authorized to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of December, 2012, by Councilmember Burnside, who moved its adoption, which motion being duly seconded by Councilmember Geer, was upon roll call carried and the resolution adopted by the following vote:

Exhibit A

Due to the increase of estimated construction, contingency, construction administration, and design support during construction costs for CIP Account #100649 "Hilltop Area Water Main Replacement", the total project costs need to be increased by \$441,841. This would be done by adjusting Construction by \$215,709, creating Contingency by adding \$96,500, creating Construction Administration by adding \$77,500, creating Construction City Force by adding \$30,000, and adding to Engineering/Design/Administration \$22,132.

To fund the above account, \$441,841 will be transferred from Water Fund Reserves into CIP Project 100649 for the Hilltop Area Strengthen and Replace Water System project.
