

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-001**

**A RESOLUTION REAPPOINTING TAMMY SPILLERS TO THE BOARD OF  
BUILDING APPEALS**

WHEREAS, Section 1102 of the Charter of the City of Modesto authorizes the City Council to appoint members to various Boards and Commissions, and

WHEREAS, the Economic Development Committee met on December 12, 2005, and recommends reappointment of TAMMY SPILLERS to the Board of Building Appeals.

NOW, THEREFORE, BE IT HEREBY RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. TAMMY SPILLERS is hereby reappointed to the Board of Building Appeals with a term expiration of January 1, 2010.

SECTION 2. The City Clerk is hereby directed to transmit a copy of this resolution to the reappointed member of the Board of Building Appeals, and the Secretary thereof.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 3<sup>rd</sup> day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen,  
Mayor Ridenour

RESOLUTION NO. 2006-002**

**A RESOLUTION REAPPOINTING BART BARINGER, FRANK C. BOOTS,  
DAVID BORING AND TOM SLATER TO THE DOWNTOWN IMPROVEMENT  
DISRICT ADVISORY BOARD**

WHEREAS, Section 1102 of the Charter of the City of Modesto authorizes the City Council to appoint members to various Boards and Commissions, and

WHEREAS, the Economic Development Committee met on December 12, 2005, and recommends reappointment of BART BARINGER, FRANK C. BOOTS, DAVID BORING and TOM SLATER to the Downtown Improvement District Advisory Board.

NOW, THEREFORE, BE IT HEREBY RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. BART BARINGER, FRANK C. BOOTS, DAVID BORING and TOM SLATER are hereby reappointed to the Downtown Improvement District Advisory Board with term expirations of January 1, 2010.

SECTION 2. The City Clerk is hereby directed to transmit a copy of this resolution to the reappointed members of Downtown Improvement District Advisory Board, and as Secretary thereof.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 3<sup>rd</sup> day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-003**

**A RESOLUTION AMENDING THE  
FISCAL YEAR 2005-2006 ANNUAL BUDGET**

WHEREAS, a monthly financial analysis has been completed and it has been determined that certain adjustments are required to the Annual Budget of the City of Modesto for the Fiscal Year 2005-2006,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that appropriations, revenues, and transfers for the 2005-2006 budget have been adjusted as shown in Schedule A.

BE IT FURTHER RESOLVED that the Finance Director is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 3rd day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following votes:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**COMMENTS/JUSTIFICATION**

On 11/1/2005, Council approved the purchase of a tractor for \$30,000 to continue construction progress at the Training site. The CIP was reduced by \$160,000 and \$30,000 was used for the purchase of the tractor and the difference established a PD Maintenance account. PD has determined that \$100,000 can be restored to the CIP to fund various projects at the Training Center.

**COMMENTS/JUSTIFICATION**

To ensure compliance with the Maintenance of Effort on the Traffic Congestion Relief Funds regarding the Prop 42 funding the City of Modesto receives from the State of California, it is necessary that the General Fund transfer going to the Streets, Traffic And Forestry fund 0700 be reallocated. As part of the agreement governing the funds the state requires the City maintain a certain level of General Fund funding that is expended on eligible expenditures outlined in the *Guidelines Relating to Traffic Cogestion Relief Funds*. To ensure compliance it is necessary to reduce the General Fund transfer to Community Forestry and and Curbs increase the transfer to Streets Maintenance and Annual Slurry. The total amountnof the transfer remains the same

**COMMENTS/JUSTIFICATION**

At the November 22, 2005 Council meeting, the City Council approved an increase of the \$50,000 supplemental budget request to \$88,000 (an increase of \$38,000) for funding of the City Golf Course primary CIP. Since Council wanted to restore the total allocation of \$100,000 for golf improvements that was revoked earlier in the calendar year and \$12,000 was previously approved for a Muni roof repair, the amount of \$88,000 was approved.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-004**

**A RESOLUTION AUTHORIZING THE AWARD OF BID AND CONTRACTS FOR THE PURCHASE OF REPLACEMENT PATROL URBAN RIFLES, SWAT RIFLES AND RIFLE ACCESSORIES FOR THE POLICE DEPARTMENT, CATEGORIZED IN TWO (2) EQUIPMENT GROUPS TO THE FOLLOWING COMPANIES, GROUP 1 – TACTICAL WEAPONS USA, APTOS, CA, FOR \$66,358 AND GROUP 2 – ADAMSON POLICE PRODUCTS, HAYWARD, CA, FOR \$5,264, FOR A TOTAL PRICE OF \$71,622**

WHEREAS, the rifles currently used in the Urban Rifle Program and SWAT are weapons that were obtained from the military give away program (with the exception of five (5) SWAT M16 rifles that were purchased in the late 1970's), and

WHEREAS, the department armory conducted safety inspections on all of the urban and SWAT rifles and found that fifty-percent (50%) failed the safety inspections, and

WHEREAS, the rifles that did pass inspection passed by a marginal amount indicating that they most likely will not pass at the next safety inspection (once several more rounds are fired through them), and

WHEREAS, the reason for the extremely high rate of failure is the age of the weapons and the wear from continual use, and

WHEREAS, after discussing the situation with the department armory, weapons experts and users, there was universal agreement that the most prudent course of action would be to replace the aging and failing weapons, rather than attempting to repair them, and

WHEREAS, although repair may be less expensive in the short term, it is not the most cost effective means in the long term, and

WHEREAS, this has been experienced over the years with the SWAT rifles, and

WHEREAS, the current Police Department weapons could have been replaced several times for the money spent on repairs over the years, and

WHEREAS, the full replacement package is recommended as a prudent fiscal response to the weapon failure situation, and

WHEREAS, there is clearly a demonstrated need for these weapons in modern law enforcement, and

WHEREAS, taking a posture of lower cost, short-term repairs, still leaves the Police Department with 25-35 year old weapons prone to failure and more expensive repairs in the future, and

WHEREAS, on September 27, 2005, by Resolution No. 2005-476 Council approved authorizing the Purchasing Supervisor to formally solicit bids for the purchase of patrol urban rifles, SWAT rifles and rifle accessories for the Police Department, and

WHEREAS, the Purchasing Division solicited Request for Bid (RFB) No. 0506-07 for the purchase of Colt brand (requested by the Police Department), patrol urban rifles, SWAT rifles and rifle accessories to seven (7) companies, (there are no wholesale distributors of Colt brand rifles in Modesto), posted the bid on the City's web site, and formally advertised as required by law, and

WHEREAS, all seven (7) companies chose to respond, and

WHEREAS, per RFB specification language bidders are required to furnish two (2) signed original bid documents and that failure to do so will result in disqualification, and

WHEREAS, one (1) bidder submitted only one signed original bid document, and

WHEREAS, based on not submitting the required number of signed original bid documents their bid was deemed to be non-responsive and could not be selected for consideration, and

WHEREAS, based on being the lowest responsive and responsible bidders, City staff recommends the award of Bid No. 0506-07 and contracts for the purchase of replacement patrol rifles, SWAT rifles and rifle accessories for the Police Department, categorized in two (2) equipment groups to the following companies, Group 1 – Tactical Weapons USA, Aptos, CA, for \$66,358 and Group 2 – Adamson Police Products, Hayward, CA, for \$5,264, for a total price of \$71,622,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby awards Bid No. 0506-07 and contracts for the purchase of replacement patrol rifles, SWAT rifles and rifle accessories for the Police Department, categorized in two (2) equipment groups to the following companies, Group 1 – Tactical Weapons USA, Aptos, CA, for \$66,358 and Group 2 – Adamson Police Products, Hayward, CA, for \$5,264, for a total price of \$71,622.

BE IT FURTHER RESOLVED that the Purchasing Supervisor is hereby authorized to issue purchase orders for the purchase of replacement patrol rifles, SWAT rifles and rifle accessories for the Police Department, categorized in two (2) equipment groups to the following companies Group 1 – Tactical Weapons USA, Aptos, CA, for \$66,358 and Group 2 – Adamson Police Products, Hayward, CA, for \$5,264, for a total price of \$71,622.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 3<sup>rd</sup> day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-005**

**A RESOLUTION AMENDING THE FISCAL YEAR 2005-06 BUDGET TO  
PROVIDE LEGAL SERVICES TO THE CITY OF MODESTO**

WHEREAS, the City Council has approved a contract in the amount of \$210,000 with Meyers, Nave, Riback, Silver & Wilson to provide legal services to the City, and

WHEREAS, \$210,000 needs to be appropriated from the General Fund Reserve Acct #0100-800-8000-8003 to the City Attorney's Account #0100-040-0401-0235 for these services,

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Modesto that it hereby approves the funding for the legal services contract as set forth in Attachment A, and directs that the necessary budgetary adjustments be made for FY2005-06.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 3<sup>rd</sup> of January 2006, by Councilmember Hawn, moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

December 13, 2005

Mr. George Britton, City Manager  
City of Modesto  
1010 Tenth Street  
Modesto, CA 95353

Re: Engagement of Legal Services/City of Modesto

Dear Mr. Britton:

Thank you and the Council for retaining Meyers, Nave, Riback, Silver & Wilson to represent the City of Modesto. We appreciate the opportunity to serve as your lawyers and look forward to working with you.

This letter sets forth our agreement concerning the legal services we will provide and our fee arrangements for those services. Please read this entire agreement before signing and returning it to us.

- 1. Scope of Engagement.** We will provide the legal services reasonably required to represent and advise you in connection with Interim City Attorney services. Our work is limited to such services. Richard R. Rudnansky has been selected to serve as the designated Interim City Attorney. We will also provide legal services for additional matters that you request of us, provided we agree to perform that additional work. A letter confirming such additional work shall bring such work within the scope of this agreement.
- 2. Fees and Personnel.** As compensation for our services, our fees will be based on our current standard billing rate for the personnel performing services under this agreement at the time such services are rendered; or at the current rate of the client's insurance carrier, if the carrier is providing for the cost of the defense. Our standard billing rates for attorneys and paralegals are attached as Attachment 1. I will be the principal in charge of representing your interests. This agreement retains the legal services of our law firm in addition to the services to be provided by Mr. Rudnansky. Hourly rates are subject to reasonable change, usually at the beginning of each year.
- 3. Disbursements and Expenses.** In addition to hourly fees, we may incur out-of-pocket expenses related to your representation. Our Statement of Fee and Billing Information, which sets forth the details of our disbursement and expense policy, is attached Attachment 2.
- 4. Billing and Payment Responsibilities.** We will send monthly statements which are due within 30 days of receipt. If you have any questions about an invoice, please promptly telephone or write me so that we may discuss these matters. Our Statement of Fee and Billing Information sets forth the details of our fee and billing policy.
- 5. Termination of Services.** The City may terminate our services at any time by written notice. After receiving such notice, we will cease providing services. We will cooperate with you in the orderly transfer of all related files and records to your new counsel.

Mr. George Britton, City Manager, City of Modesto  
Re: Engagement of Legal Services/City of Modesto  
December 13, 2005  
Page 2

We may terminate our services at any time with your consent or for good cause. Good cause exists if (a) any statement is not paid within 60 days of its date; (b) you fail to meet any other obligation under this agreement and continue in that failure for 15 days after we send written notice to you; (c) you have misrepresented or failed to disclose material facts to us, refused to cooperate with us, refused to follow our advice on a material matter, or otherwise made our representation unreasonably difficult; or (d) any other circumstance exists in which ethical rules of the legal profession mandate or permit termination, including situations where a conflict of interest arises. If we terminate our services, you agree to execute a substitution of attorneys promptly and otherwise cooperate in effecting that termination.

Termination of our services, whether by the City or by us, will not relieve the obligation to pay for services rendered and costs incurred before our services formally ceased.

**6. Insurance.** During the term of this engagement, this law firm shall take out and maintain general liability and property damage insurance in the amount of \$1,000,000; professional errors and omissions insurance, in an amount of \$2,000,000 per occurrence; and \$4,000,000 aggregate, which insurance may not be canceled or reduced in required limits of liability unless at least ten days advance written notice be given to you.

**7. No Guarantee of Outcome.** Any comments made by us about the potential outcome of this matter are expressions of opinion only and are not guarantees or promises about any outcome or results.

**8. Entire Agreement; Full Understanding; Modifications in Writing.** This letter contains our entire agreement about our representation. Any modifications or additions to this letter agreement must be made in writing.

**9. Joint Representation.** Our firm maintains *of counsel* agreements with certain legal specialists. Because these individuals are deemed independent contractors under the applicable provisions of the tax laws and not employees of the firm, it is necessary that you consent to dual representation by the firm and the specialist in the event the matter which you have engaged us to handle requires the use of that specialist. This arrangement has no effect whatsoever on the cost of your legal services, rather it is an ethical requirement that we disclose this fact and that you consent. You are consenting by signing this letter.

**10. Conflicts.** Our firm represents many public agencies in California. Since 1986, we have represented over five hundred public clients, including numerous cities, redevelopment agencies, special districts, counties and other public entities, and we are accepting new engagements all the time. It is virtually inevitable that we will work on projects from other clients having different governmental or political objectives, beliefs or views from the City of Modesto.

In view of the fact that the City of Modesto is a city, this letter confirms that the services which we are rendering to you are limited in scope and for the benefit of the City of Modesto only. Meyers Nave performs a variety of professional services for its clients and it is possible that we will represent public agency clients which are adverse to you on other matters. To avoid potential problems, you agree that you expressly

Mr. George Britton, City Manager, City of Modesto  
Re: Engagement of Legal Services/City of Modesto  
December 13, 2005  
Page 3

waive any actual or potential conflicts that might arise from such representation, that you will not attempt to disqualify Meyers Nave on such matters, and that our firm is free to represent its clients on such matters.

By signing this letter and returning it to us, you acknowledge that we have discussed these matters and you confirm that the City of Modesto does not object to our representation of clients on matters where their legal, governmental or political objectives and/or positions may be different from or adverse to those of the City of Modesto, and that the City of Modesto waives any conflict of interests with respect to our representation of such clients with differing legal, governmental or political interests. You further confirm that the City of Modesto will not assert any conflict of interest concerning such representation or attempt to disqualify this firm from representing such clients notwithstanding such adversity. While you would certainly be free to terminate our relationship, you agree that this firm nonetheless would be free to represent such clients even on those matters which you consider adverse, and that you waive any conflict of interest in connection therewith.

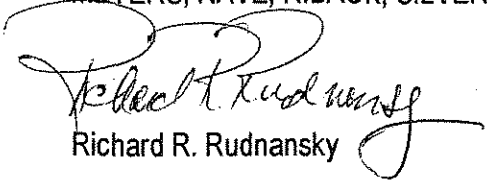

Needless to say, these acknowledgments do not permit our firm to represent another client in opposing the specific project for which you engage us without your specific written consent.

You may wish, and we encourage you, to consult legal counsel regarding the effect of this conflict waiver.

We would request that you review this letter carefully and, if it is consistent with your understanding of our respective responsibilities, please so indicate by returning a signed copy of this letter to me at your earliest convenience. Enclosed is an additional copy of this letter which you should retain for your records. Again, we thank you for allowing us the opportunity to serve as your lawyers.

Very truly yours,

MEYERS, NAVE, RIBACK, SILVER & WILSON

  
Richard R. Rudnansky

**Hourly rates set forth above are reviewed and amended annually  
in January of each year.**

## ATTACHMENT 2

### MEYERS, NAVE, RIBACK, SILVER & WILSON STATEMENT OF FEE AND BILLING INFORMATION

The following is a general description of our fee and billing policies. These general policies may be modified by the specific engagement letter or agreement to which this summary is attached.

**Professional Fees.** Our fees for professional services are based on the fair value of the services rendered. To help us determine the value of our services, our attorneys and paralegals maintain time records for each client and matter. Our attorneys and paralegals are assigned hourly rates which are based on years of experience, specialization, training and level of professional attainment. We adjust our rates periodically (usually at the beginning of each year) to take into account inflation and the increased experience of our professional personnel.

Before undertaking a particular assignment, we will, if requested, provide you with a fee estimate to the extent possible. Estimates are not possible for some matters, however, and cannot be relied on in many others because the scope of our work will not be clear at the outset. When a fee estimate is given, it is only an estimate; it is not a maximum or minimum fee quotation. The actual fee may be more or less than the quoted estimate.

**Retainer.** Our normal practice is to require a retainer to cover a portion of the anticipated attorneys' fees and costs. Any retainer will be placed in the firm's trust account. At the conclusion of our services, we will return to our client any unapplied retainer, after deducting payment for charges billed or to-be-billed for services and any remaining out-of-pocket expenses.

**Billing And Payment Procedures.** Unless other arrangements are made at the time of the engagement, invoices will be sent monthly. Invoices for outside services exceeding \$100 may be billed separately. Occasionally, however, we may defer billing for a given month or months if the accrued fees and costs do not warrant current billing or if other circumstances would make it appropriate to defer billing.

Our invoices contain a brief narrative description of the work performed; if requested, the initials of the attorney who performed the work will appear on the statement. The invoice will include a line item reflecting in-house administrative costs. The firm's in-house administrative costs include, but are not limited to, duplicating, facsimile charges, telephone charges, E-mail, postage, mileage and other administrative expenses. We have determined that the most effective method of accounting for these administrative costs is to charge a flat 8% of the professional fees incurred.

The firm will be reimbursed for all outside services incurred in the course of providing legal services to our client(s). Outside services will include, but are not limited to, all third-party expenses, delivery charges, travel expenses, outside research services, filing fees, expert witness and expert consultant fees. To defray the firm's costs for administering these services, there will be an additional cost advance charge of 2% for all outside services of \$100 or more.

If you have any questions regarding an invoice, the Finance Director or Executive Director are available to answer your questions. For any unresolved matters, the Bar Association has an arbitration mechanism that can be used to resolve such matters.

**Late Payments.** Statements for services are payable upon presentation and, in all events, within thirty (30) days after receipt. Occasionally a client has difficulty in making timely payments. To avoid burdening those clients who pay their statements promptly with the added costs we incur as a result of late payments, a late charge will be assessed on statements not paid within thirty (30) days. The maximum monthly late payment charge will be 1.5% per month. In the unlikely event we are required to institute legal proceedings to collect fees and costs, the prevailing party will be entitled to reasonable attorneys' fees and other costs of collection.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-006**

**A RESOLUTION REVISING THE POSITION CLASSIFICATION PLAN FOR  
THE CITY OF MODESTO**

WHEREAS, a Position Classification Plan for the City of Modesto was adopted by Modesto City Council Resolution 88-338 pursuant to Rule 2 of the Personnel Rules and Regulations of the City of Modesto, and

WHEREAS, the City Manager has recommended to the Council amendments to the Position Classification Plan, and

WHEREAS, Rule 2.2 of the City of Modesto Personnel Rules provides that revisions to the Classification Plan shall be effective upon adoption of resolution of the City Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION I. CLASSIFICATION CREATED. The Position Classification Plan of the City of Modesto is hereby amended to create the following classification:

**Weed and Seed Program Coordinator**

The job specification for this classification is being created to serve as a liaison to the community to support various areas of crime prevention and to manage the Weed and Seed Program. The job specification for the classification of Weed and Seed Program Coordinator as shown on the attached **Exhibit "A,"** which is hereby made a part of this resolution by reference, is hereby approved and made part of the Position Classification Plan of the City of Modesto.

SECTION 2. EFFECTIVE DATE. This resolution shall become effective on and after January 3, 2006.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 3<sup>rd</sup> day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

NOES: Councilmembers: None

ABSENT: Councilmembers: None

ATTEST: Jean Zahr  
JEAN ZAHR, City Clerk

APPROVED AS TO FORM:

By: Richard Rudnansky  
RICHARD RUDNANSKY, Interim City Attorney

## WEED AND SEED PROGRAM COORDINATOR

Class specifications are intended to present a descriptive list of the range of duties performed by employees in this class. Specifications are not intended to reflect all duties performed within the job.

### DEFINITION

To perform administrative management of the Weed and Seed Program including research, statistical and other technical work in complex areas involving grant funding, serving as a liaison to the community and supporting the Police Department in various areas of crime prevention.

### SUPERVISION RECEIVED AND EXERCISED

Receives general direction from an assigned Police Captain, the Assistant Police Chief and Police Chief.

May exercise direct supervision over professional, technical and clerical staff.

ESSENTIAL AND MARGINAL FUNCTION STATEMENTS - Essential and other important responsibilities and duties may include, but are not limited to, the following:

#### Essential Functions:

Plans, directs, and coordinates activities of the Weed and Seed Program and related neighborhood programs to ensure that objectives are accomplished according to federal, state and local regulations.

Prepares studies and reports related to resource allocation, revenue projections, funding source development, utilization of services and/or the review and administration of the Weed and Seed Program and related neighborhood programs.

Coordinates the preparation of status reports and conducts follow-up studies to review the impact of policy decisions, program development and revenue utilization; and makes related recommendations.

Reviews and analyzes crime patterns and statistics for designated areas.

Assists with grant applications and seeks funding opportunities for programs and services to serve the designated area.

Essential Functions: (Continued)

Provides administrative expertise on funding sources, contract development and grant application requirements.

Reviews, analyzes and tracks applicable State and Federal legislation; acts as legislative liaison to the police department; makes recommendations on departmental position on applicable topics.

Participates in recommending the appointment of personnel; provides or coordinates staff training; works with employees to improve performance, implements discipline procedures as necessary.

Acts as a liaison and provides technical assistance to community organizations in the Weed and Seed target areas to assist in finding resources and solutions for a variety of social issues.

Answers questions and provides information to citizens, outside agencies and City staff.

Prepares written and multimedia presentations and appears before the City Council, boards, commissions and other civic organizations representing the Police Department.

Attends various meetings and makes presentations to City Council, boards, and community groups on topics related to assigned area.

Reviews administrative practices and makes recommendations for improvements.

Marginal Functions:

Perform related duties as assigned.

QUALIFICATIONS

Knowledge of:

Funding sources and associated regulations and requirements related to grant administration.

Structure of City government and the legislative process.

Knowledge of: (Continued)

Principles and practices of organization, administration and personnel management.

Principles and practices of financial record keeping and reporting including budget preparation and administration.

Technical report writing procedures.

Basic business computer operations including the use of word processing software and other common desktop applications.

Ability to:

Formulate goals and objectives, prepare and evaluate research data.

Analyze problems; identify alternative solutions, project consequence and implement recommendations in support of goals.

Build and maintain positive relationships and respond appropriately to citizens, community organizations, and city staff on various issues and concerns.

Facilitate meetings, and negotiate solutions to community issues.

Communicate clearly and concisely, both orally and in writing.

Collect, organize and evaluate data and to develop logical conclusions.

Prioritize work assignments and meet deadlines.

Estimate and project revenues and expenditures.

Experience and Training Guidelines

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Experience:

Three years of related program management experience involving the administration of grant funds for a public agency or non-profit organization, including supervisory responsibility.

Training:

Equivalent to a Bachelor's degree from an accredited college or university with major coursework in public administration, political science or a related field.

WORKING CONDITIONS:

Environmental Conditions:

Office environment, occasionally travel from site to site.

Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for sitting for prolonged periods of time; traveling to and from sites and attending meetings.

MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-007

**A RESOLUTION AMENDING EXHIBIT "A" OF RESOLUTION  
NO. 2005-494 TO AMEND THE CLASS RANGE TABLE FOR REPRESENTED  
MANAGEMENT AND CONFIDENTIAL NON-SWORN CLASSES TO ADD  
WEED AND SEED PROGRAM COORDINATOR AT RANGE 435**

WHEREAS, the City Council desires to amend Exhibit "A" of Resolution No.  
2005-494,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto  
as follows:

SECTION I. AMENDMENT TO RESOLUTION NO. 2005-494. Resolution No.  
2005-494 effective October 4, 2005, is hereby amended as shown on the amended  
Exhibit "A" entitled "City of Modesto Class Range Table Represented Management and  
Confidential Non-Sworn Classes effective January 3, 2006", which is attached hereto and  
made a part hereof as though set forth in full herein. Said amended Exhibit "A" adds the  
classification of Weed and Seed Program Coordinator at Salary Range 435 (\$4,799 -  
\$5,847 per month).

SECTION 2. EFFECTIVE DATE. This resolution shall become effective on and  
after January 3, 2006.

The foregoing resolution was introduced in a regular meeting of the Council of  
the City of Modesto held on the 3rd Day of January, 2006, by Councilmember Hawn,  
who moved its adoption, which motion being duly seconded by Councilmember Dunbar,  
was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-008**

**A RESOLUTION APPROVING AN AGREEMENT WITH MOTOR COACH INDUSTRIES, INC (MCI) FOR THE PURCHASE OF ONE (1) 40-FOOT, 47-PASSENGER COMMUTER BUS AT A COST OF \$466,253.50 AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, the City desires to purchase one (1) 40-foot, 47-passenger commuter bus to improve service on the Modesto Area Express BART Commuter Express route, and

WHEREAS, the City is utilizing Lowcountry Regional Transit Authority's competitive bid process to purchase said bus from Motor Coach Industries, Inc. (MCI), and

WHEREAS, MCI provided the City with a quote based on the bid price MCI submitted to the Lowcountry Regional Transit Authority, and

WHEREAS, MCI has quoted the following total price F.O.B. Modesto, including state and local sales taxes: Four Hundred Sixty-Six Thousand, Two Hundred Fifty-Three and Fifty One-hundredths Dollars (\$466,253.50), and

WHEREAS, by an agenda report to the City Council dated December 14, 2005 from the Acting Public Works Director, City staff recommended to the Council that said bus be purchased from MCI at the quoted price,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the purchase of one (1) 40-foot, 47-passenger commuter bus from MCI at a cost of \$466,253.50 is hereby approved.

BE IT FURTHER RESOLVED that the Council hereby authorizes the City Manager, or his designee, to execute said purchase agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 3<sup>rd</sup> day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-009**

**A RESOLUTION APPROVING THE CONTINUATION OF COMPOSTING  
OPERATIONS WITH DISCOUNTED TIP FEES OF \$6.50/TON FOR PRUNED  
REFUSE AND FORESTRY MATERIALS, BEGINNING FISCAL YEAR 2006/07**

WHEREAS, in 1995 the City of Modesto began developing a compost facility to take waste materials from several different sources and divert them from disposal, and

WHEREAS, the Compost Facility (“Facility”) began operation in 1997, and

WHEREAS, the main materials targeted for diversion by the Facility were residential green waste, pruned refuse, forestry materials, and biosolids from wastewater treatment processes, and

WHEREAS, the primary goals of the Facility were to meet AB 939 waste diversion mandates, thus avoiding fines of up to \$10,000 per day, and to reuse the City’s wastewater biosolids, and

WHEREAS, compost facilities are regulated by several state agencies, and

WHEREAS, the primary permit is issued by the California Integrated Waste Management Board, and

WHEREAS, the regional offices of the State Water Resources Board and the State Air Resources Board also issue permits to compost facilities, and

WHEREAS, operations that are permitted to process biosolids must also meet the requirements of the Federal 40CFR Part 503 regulations, and

WHEREAS, the state considers the City’s compost facility to be a large-scale operation, and

WHEREAS, the lengthy permitting process that new facilities face, and the fact that the City's site can take many types of materials, including biosolids, make the City's facility a valuable asset, and

WHEREAS, the Facility was initially funded out of the Sewer Fund because it was originally set up to take biosolids, and

WHEREAS, biosolids compost markets have been limited in recent years and the Facility only processes small quantities for City applications, and

WHEREAS, in July, 2004, City Council adopted Resolution 2004-367 separating the Facility from the Sewer Fund and establishing Compost Operations as a separate Enterprise Fund due to the reduced tie between the Facility and the Sewer Fund, and

WHEREAS, as part of the action to set up the separate Compost Enterprise, the City Council authorized the facility to start charging an \$18.35/ton tip fee for green waste, pruned refuse, and forestry materials in Fiscal Year 2004/05, and

WHEREAS, with the tipping fee set at \$18.35/ton, the Compost Facility is currently operating in a "revenue positive" mode, and

WHEREAS, the tip fees for green waste became part of the monthly garbage rates and the Sewer Fund paid the tip fees for pruned refuse and forestry materials for Fiscal Year 2004/05 as budgets for those operations were already in place, and

WHEREAS, pruned refuse materials are viable for the Facility because the material is very clean and ideal for composting when mixed with green waste materials from the toters, and

WHEREAS, without tip fees and sales revenue from the pruned refuse materials, other tip fees must be adjusted to keep the Facility viable, and

WHEREAS, beginning in July, 2005, the City's Urban Forestry Division began taking its materials to local composting sites, due to savings in tipping fees, transportation and labor costs, and

WHEREAS, on November 22, 2005 by Resolution 2005-582, Council approved a supplemental request to fund Pruned Refuse operations and associated tip fees for the remainder of Fiscal Year 2005/06, as well as for Fiscal Year 2006/07 from the General Fund, and

WHEREAS, staff presented five (5) alternatives for Compost Operations to the Economic Development Committee on November 7, 2005 as follows:

1. Continuation of Composting Operations without Pruned Refuse Processing
2. Continuation of Composting Operations with Discounted Tip Fees for Pruned Refuse and Forestry
3. Continuation of Composting Operations without Discounted Tip Fees
4. Privatization of Compost Operations
5. Discontinuation of Compost Operations

WHEREAS, staff recommended Alternative #2 which continues Compost Operations and provides discounted tip fee of \$6.50/ton for Pruned Refuse and Forestry materials as these materials are much cleaner and make for a more marketable composting product, and

WHEREAS, Urban Forestry Division has agreed to sign a Memorandum of Understanding (MOU) indicating they will bring their pruned refuse product to the Facility for a period of five (5) years, and

WHEREAS, discounted tip fees will require an increase in tip fees to \$19/ton in Fiscal Year 2006/07 for all other customers to build up the contingency reserve, and

WHEREAS, the increased tip fee of \$19/ton is still below the market average of \$22.79/ton for the region, and

WHEREAS, this increased tip fee of \$19/ton equates to an increase of \$0.03 on the monthly garbage bills, and

WHEREAS, the Economic Development Committee considered this item at its November 7, 2005, meeting and recommended that the Council move forward with Alternative #2 Continuation of Composting Operations with Discounted Tip Fees for Pruned Refuse and Forestry Materials, beginning Fiscal Year 2006/07,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the continuation of Composting Operations with Discounted Tip Fees of \$6.50/ton for Pruned Refuse and Forestry Materials, beginning Fiscal Year 2006/07.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 3<sup>rd</sup> day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-012**

**A RESOLUTION AWARDED A CONTRACT TO CAROLLO ENGINEERS  
FOR ON-CALL ENGINEERING SERVICES FOR THE PUBLIC WORKS  
DEPARTMENT - WATER QUALITY CONTROL DIVISION FOR A ONE-YEAR  
AGREEMENT WITH THREE (3) ONE (1) YEAR EXTENSION OPTIONS IN AN  
AMOUNT NOT TO EXCEED \$44,000 ANNUALLY AND AUTHORIZING THE  
CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE CONTRACT**

WHEREAS, the Public Works Department, Water Quality Control Division performs a number of tasks requiring engineering services that, because of workload levels or staff experience, are beyond the ability of City's engineering staff to accomplish in a timely manner, and

WHEREAS, the Public Works Department, Water Quality Control Division has utilized the services of outside consultant engineers to perform targeted engineering services in the past, and

WHEREAS, consultant engineers assisted with the implementation of the Cannery Segregation Project and new pumping and pipeline facilities at Jennings Road, and

WHEREAS, in addition, consultant engineers assisted with mandated Regional Water Quality Control Board studies, ensured land application of bio-solids were in compliance and properly permitted, and provided guidance and troubleshooting for the ranch operation in civil and agronomic areas, and

WHEREAS, retaining on-call engineering services allows the Water Quality Control Division to have quick access to engineering services when needed, and

WHEREAS, on September 27, 2005, Council approved Resolution 2005-479 authorizing the Public Works Department to solicit Request for Proposals/Request for

Qualifications (RFP/RFQ) for On-Call Engineering Services for the Public Works  
Department - Water Quality Control Division, and

WHEREAS, staff solicited over 80 firms and formally advertised the RFP/RFQ,  
as required by law, and

WHEREAS, nine (9) proposals were received, however, two (2) proposals were  
rejected for not following RFP/RFQ guidelines, and

WHEREAS, proposals were evaluated using criteria established in the RFP/RFQ  
document, and.

WHEREAS, a committee consisting of four (4) City staff evaluated the proposals  
and interviewed the top four (4) firms, and

WHEREAS, it was determined that Carollo Engineers is the most-qualified firm  
based on the total RFP/RFQ evaluation score and interview results,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto  
that it hereby authorizes awarding a contract to Carollo Engineers for On-call  
Engineering Services for the Public Works Department - Water Quality Control Division  
for a one-year agreement, with three (3) one (1) year extension options, in an amount not  
to exceed \$44,000 per year.

BE IT FURTHER RESOLVED that the Council hereby authorizes the City  
Manager, or his designee, to execute the contract.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 3<sup>rd</sup> day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION APPROVING THE APPOINTMENTS  
TO COUNCIL COMMITTEES AND OTHER BOARDS, COMMISSION AND  
COMMITTEES**

WHEREAS, the City Councilmembers serve on Council Committees and various boards, commissions and committees and act as representative on behalf of the City of Modesto, and

WHEREAS, the recent election has created a vacancy on these committees,

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that the Councilmembers are hereby appointed to the designated committees as shown in the Council report.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10<sup>th</sup> day of January 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-015**

**A RESOLUTION APPROVING THE PLANS AND SPECIFICATIONS FOR THE PROJECT TITLED "JAMES C. ENOCHS HIGH SCHOOL OFF SITE IMPROVEMENTS," APPROVING AN AGREEMENT BETWEEN CITY OF MODESTO COMMUNITY FACILITIES DISTRICT NO. 2004-1 (VILLAGE ONE #2) AND MODESTO CITY SCHOOL DISTRICT WITH A MAXIMUM REIMBURSEMENT AMOUNT OF \$1,027,183 FOR IMPROVEMENTS ON SYLVAN AVENUE (ROSELLE TO MILLBROOK), AUTHORIZING THE DISTRICT ADMINISTRATOR TO EXECUTE SAID AGREEMENT, AND FINDING THAT THE PROPOSED AGREEMENT IS WITHIN THE SCOPE OF THE PREVIOUSLY CERTIFIED VILLAGE ONE SPECIFIC PLAN PROGRAM EIR, AS AMENDED BY THE VILLAGE ONE SUPPLEMENTAL EIR AND THE ADDENDUM TO THE EIR (SCH No. 90020181)**

WHEREAS, the City of Modesto desires to complete the core infrastructure needed to serve the Village One area, and

WHEREAS, Modesto City School District ("MCS") is constructing Enochs High School and is required to install certain improvements on the north side of Sylvan Avenue, between Roselle Avenue and Millbrook Avenue, certain improvements on Millbrook and the roundabout at Millbrook and Sylvan as part of its construction project, and

WHEREAS, MCS has agreed to install certain additional improvements on the south side of Sylvan Avenue, between Roselle Avenue and Millbrook Avenue, and

WHEREAS, the City Council has considered the proposed Acquisition & Shortfall Agreement ("Agreement") between City of Modesto Community Facilities District No. 2004-1 ("Village One #2") and MCS to acquire all such improvements to be installed by MCS and to reimburse MCS for the improvements on the south side of Sylvan Avenue, between Roselle Avenue and Millbrook Avenue, and

WHEREAS, said Agreement shall have a maximum reimbursement amount of \$1,027,183 plus contingency, and

WHEREAS, the bids received for “James C. Enochs High School Off Site Improvements” were opened at 2:00 p.m. on December 21, 2005 and later reviewed by City staff and MCS, and

WHEREAS, the MCS and the CFD Engineer have recommended that the bid of \$2,724,698.55 received from Top Grade Construction, Inc. be accepted as the lowest responsible bid, and

WHEREAS, MCS must award the contract to Top Grade Construction, Inc. in order for MCS to be eligible for reimbursement from Village One #2, and

WHEREAS, the City Council has received and considered the Written Checklist, Environmental Assessment No. EA/PW No. 2005-17, that concludes that MCS’s project entitled “James C. Enochs High School Offsite Improvements”, including the improvements for which MCS will be reimbursed under the proposed agreement, is within the scope of the previously certified Village One Specific Plan Program EIR, as amended by the Village One Supplemental EIR and the Addendum to the EIR (SCH No. 90020181), and that, pursuant to Sections 15168(c) and 15182 of the CEQA Guidelines, no new environmental review is required.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby finds and determines:

1. The plans and specifications for said Project are hereby approved.

2. In order for Modesto City School District (“MCS”) to be eligible for CFD reimbursement, MCS must award the contract to Top Grade Construction, Inc.
3. The proposed Acquisition and Shortfall Agreement between City of Modesto Community Facilities District No. 2004-1 and MCS (“Project”) is consistent with the Village One Specific Plan and the Modesto Urban Area General Plan.
4. That the District Administrator, or his designee, is hereby authorized to execute the Agreement.
5. As per Sections 15168(c) and 15182 of the California Environmental Quality Act ("CEQA") Guidelines, this Project is within the scope of the projects covered by the Village One Program EIR, as amended by the 1994 Supplemental EIR and the 2003 Addendum to the EIR (“Program EIR”) and no new environmental document or findings are required by CEQA.
6. There are no substantial changes proposed in the Project which result in new significant environmental effects or a substantial increase in the severity of previously identified significant effects and, therefore, no major revisions to the Program EIR, are required.
7. No substantial changes have occurred with respect to the circumstances under which the Project is undertaken which will result in new significant environmental effects or a substantial increase in

the severity of previously identified significant effects and therefore, no major revisions to the Program EIR, are required.

8. There is no new information of substantial importance that was not known and could not have been known with the exercise of reasonable diligence when the Program EIR, was adopted which shows any of the following:

- a. one or more significant effects which is not discussed in the Program EIR; or,
- b. significant effects which were previously examined will be substantially more severe than previously shown; or,
- c. previously infeasible mitigation measures or alternatives are now feasible and would substantially reduce one or more significant effects of the project, but the Project proponents decline to adopt the mitigation measure or alternative; or,
- d. mitigation measures or alternatives which are considerably different from those analyzed in the Program EIR would substantially reduce one or more significant effects on the environment, but the Project proponents decline to adopt the mitigation measure or alternative.

9. The City Council has received and considered the Written Checklist, Environmental Assessment EA/PW No. 2005-17, which provides the substantial evidence to support findings 5-8 above.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10<sup>th</sup> day of January 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-016**

**A RESOLUTION APPROVING A STANDARD AGREEMENT FOR  
CONSULTANT SERVICES WITH PRECISION INSPECTION COMPANY, INC.  
FOR BUILDING PERMIT INSPECTIONS AND PLAN CHECK SERVICES, IN  
AMOUNT NOT TO EXCEED \$75,000; AND AUTHORIZING THE CITY  
MANAGER TO EXECUTE THE AGREEMENT**

WHEREAS, the volume of plan checks and building inspections has continued to grow over the last several years, and

WHEREAS, staffing shortages exist in the plan review area, and

WHEREAS, the target time set for plan review is 10 working days for tenant improvement plans and residential plans and 15 working days for commercial plans, and

WHEREAS, the City currently sends commercial plans to Harris & Associates for plan review, and

WHEREAS, the increase in the plan review workload cannot be absorbed by Harris & Associates and meet the target time for plan reviews, and

WHEREAS, staff recommends the City enter into an Agreement with Precision Inspection Company, Inc. to assist in conducting building permit inspections and plan check services, and

WHEREAS, said Agreement includes a provision for building inspectors as may be required.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Standard Agreement for Consultant Services with Precision Inspection Company, to assist in conducting building permit inspections and plan check services for twelve (12) months in an amount not to exceed \$75,000.

BE IT FURTHER RESOLVED by the Council that the City Manager, or his designee, is hereby authorized to execute said Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10<sup>th</sup> day of January 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-017**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MODESTO  
GIVING AUTHORIZATION TO DESIGNATED CITY STAFF TO APPROVE  
ELECTRONIC BANK TRANSACTIONS AND APPROVING THE CORPORATE  
RESOLUTION RECOGNIZING THE AUTHORITY BESTOWED UPON THESE  
STAFF MEMBERS**

WHEREAS, The Finance Department elects to take advantage of the electronic banking functions offered by the city's depository, Bank of the West; and

WHEREAS, In order to maintain sound internal controls over the cash management function, the Finance Department seeks Council's approval to authorize staff members to approve electronic banking transactions; and

WHEREAS, The city's depository, Bank of the West, requires approval of a corporate resolution evidencing the authority vested in these employees to approve electronic banking transactions.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the following staff members to approve electronic banking transactions on behalf of the city. Furthermore, the Corporate Resolution evidencing the authorization now bestowed upon these individuals is approved.

SECTION 1. The following staff are hereby authorized to approve electronic banking transactions: Wayne Padilla, Finance Director; Gregory Baird, Deputy Finance Director; Cheryl Detmar, Deputy Finance Director; Barry Newlin, Accounting Manager.

SECTION 2. The Finance Director is authorized to execute the documentation required to provide Bank of the West with the names of the staff authorized to approve electronic banking transactions.

SECTION 3. The Corporate Resolution provided by Bank of the West and evidencing the authorization now bestowed upon these individuals shall be signed by the City Clerk and forwarded to the bank.

SECTION 4. This resolution shall become effective on and after January 10, 2006.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10<sup>th</sup> day of January 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-018**

**A RESOLUTION ACCEPTING THE RECOMMENDATION OF THE FINANCE  
COMMITTEE AND DIRECTING THE MAYOR'S OFFICE TO ISSUE A  
LETTER TO THE OFFICES OF THE STATE LEGISLATORS WHO  
REPRESENT THE CITY OF MODESTO REGARDING THE FUNDING  
INEQUITIES CREATED BY AB 8 AND ALSO AUTHORIZING THE MAYOR'S  
OFFICE TO SOLICIT INPUT AND SUPPORT FROM OTHER PUBLIC  
AGENCIES WITHIN STANISLAUS COUNTY**

WHEREAS, the Finance Committee reviewed staff's findings that property tax allocations to Stanislaus County public agencies were among the lowest in the state; and

WHEREAS, the Finance Committee made a finding that the City Council should consider contacting its state legislators and the other affected public agencies within Stanislaus County; and

WHEREAS, the City Council concurs that the level of property tax allocation made to the public agencies within Stanislaus County are among the lowest amounts distributed within the state; and

WHEREAS, the City Council wishes to address the funding inequity that has been created by Assembly Bill 8 by seeking a review of the state's property tax allocation policies through a written request directed to the state legislators who represent Stanislaus County in accordance with the direction given by the Finance Committee; and

WHEREAS, the City Council also seeks to garner support for this request from all other public agencies within Stanislaus County.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the Mayor's office to issue letters to the city's state legislators pointing out the funding inequity that exists within Stanislaus County and requesting that

the property tax allocation formula and policy implemented under Assembly Bill 8 should be reviewed by the offices of the state Legislative Analyst and Department of Finance.

BE IT FURTHER RESOLVED that the Mayor's office is directed to solicit input and support from all public agencies within Stanislaus County to emphasize the urgency of this request.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10<sup>th</sup> day of January 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION APPROVING A COOPERATIVE WORK AGREEMENT  
WITH THE STATE OF CALIFORNIA, ACTING BY, AND THROUGH THE  
DEPARTMENT OF TRANSPORTATION (CALTRANS) TO EXTEND THE  
DEADLINE FOR EXPENDITURE OF BICYCLE ACTION TRANSPORTATION  
FUNDING IN THE AMOUNT OF \$698,798 FOR THE VIRGINIA CORRIDOR  
TRAILWAY, PHASE III CONSTRUCTION, AND AUTHORIZING THE CITY  
MANAGER TO EXECUTE THE AGREEMENT**

WHEREAS, the Virginia Avenue Corridor Trail Project (“Project”) consists of conversion of the abandoned, 4.2 mile Union Pacific Railroad corridor – from City’s central business district at Needham Avenue to the northern City boundary at Bangs Avenue – to a premier linear park with Class I bikeway and pedestrian trail, and

WHEREAS, the City of Modesto was awarded a Bicycle Transportation Account (BTA) grant by the State of California in July 2003, in the amount of \$698,798 for Phase III, and

WHEREAS, the majority of these funds are to be allocated toward construction costs, with a current deadline of April 30, 2006, for submission of final request for payment to the state, and a June 30, 2006 deadline for expenditure of funds, and

WHEREAS, due to delays in Phase II construction, the Phase III construction start date has also been delayed, and the BTA funds will not be expended by the June 30, 2006, deadline, and

WHEREAS, a Cooperative Work Agreement with the State of California, acting by, and through the Department of Transportation (CalTrans), to extend the deadline for expenditure of these grant funds must be approved by the City Council, CalTrans, the

State Department of Finance and other State agencies, in order to extend the expenditure deadline to a maximum of eight years from date of appropriation,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves a Cooperative Work Agreement with the State of California, acting by, and through the Department of Transportation( CalTrans), to extend the deadline for expenditure of Bicycle Action Transportation Funding in the amount of \$698,798 for the Virginia Corridor Trailway, Phase III construction.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreement.

**A RESOLUTION APPROVING THE INSTALLATION OF A TRAFFIC SIGNAL  
AT THE PRESCOTT ROAD AND BANGS AVENUE INTERSECTION**

WHEREAS, the Economic Development Committee (EDC) first considered this item on October 13, 2003, and

WHEREAS, at the request of the property owners, the item was pulled from the agenda and staff was instructed to return to EDC for their reconsideration, and

WHEREAS, staff met with the property owners to discuss the proposed intersection traffic control and they favored the installation of a traffic signal, but they could also see the value of a roundabout, and

WHEREAS, staff presented this item to EDC at their December 8, 2003, meeting and staff's recommendation was for a roundabout, and

WHEREAS, the installation of a roundabout was unanimously approved by EDC at the December 8, 2003, meeting, and

WHEREAS, the EDC at its December 12, 2005, meeting reviewed and recommended to install a traffic signal at the Prescott Road and Bangs Avenue intersection, and

WHEREAS, the cost for installing a traffic signal at this location is equivalent to that of a roundabout,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the installation of a traffic signal at the Prescott Road and Bangs Avenue intersection.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10<sup>th</sup> day of January 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-022

A RESOLUTION ESTABLISHING LOCAL LIMITS FOR COPPER,  
MERCURY, AMMONIA, TOTAL DISSOLVED SOLIDS (TDS),  
ELECTROCONDUCTIVITY (EC), ARSENIC AND MOLYBDENUM INTO THE  
CITY OF MODESTO'S WASTEWATER SYSTEM AND SUPERSEDING  
RESOLUTION NO. 2005-273

WHEREAS, a federally mandated National Pollutant Discharge Elimination  
System (NPDES) Permit governs the City of Modesto's discharge of treated wastewater  
to the San Joaquin River, and

WHEREAS, the NPDES Permit is issued by the Regional Water Quality  
Board (RWQCB), which issues permits governing discharges by all Publicly Owned  
Treatment Works, "POTW", and

WHEREAS, the current NPDES Permit requires the City of Modesto to meet the  
established Maximum Allowable Headworks Loading (MAHL) for constituents identified  
as pollutants of concern, and

WHEREAS, the development and implementation of Local Limits is a  
requirement of the National Pretreatment Program and of the NPDES Permit for the City,  
RWQCB Order No. 5-01-120, and

WHEREAS, staff worked with representatives of the Central Valley  
Manufacturers' Council and industry to develop a resolution to establish a MAHL for  
molybdenum to meet both a requirement of the NPDES Permit and a Cease and Desist  
Order issued May 11, 2001, and

WHEREAS, on March 25, 2005, Resolution No. 2005-273 was approved by City  
Council, thereby setting the MAHL for molybdenum, and

WHEREAS, the City is now required under the NPDES Permit to establish additional MAHL limits for identified Pollutants of Concern, and

WHEREAS, the proposed resolution establishes a MAHL for molybdenum, copper, mercury, ammonia, arsenic, electroconductivity (EC) and Total Dissolved Solids (TDS), and

WHEREAS, the proposed Local Limits for flow into the City of Modesto Treatment Plant are as follows:

<b>Constituent Name</b>	<b>Local Limit (Not to Exceed)</b>
Ammonia	10,113 pounds/day
Arsenic	26 pounds/day
Copper	24.5 pounds/day
EC	1,597 micro ohms / centimeter
Mercury	0.0413 pounds/day
Molybdenum	1.31 pounds/day
TDS	184,646 pounds/day

, and

WHEREAS, any user that violates its local limit on copper, mercury, arsenic, ammonia, EC, TDS and molybdenum shall be subject to the penalties and enforcement procedures set forth in the City of Modesto Sewage Collection and Disposal Ordinance, and

WHEREAS, the Economic Development Committee heard this item at its December 12, 2005 meeting and recommended approval,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Publicly Owned Treatment Works owned by the City of Modesto, California shall issue discharge permits to all controllable sources of copper, mercury, arsenic, ammonia, EC, TDS and molybdenum which will establish a local limit for each user in a permit issued to that user.

BE IT FURTHER RESOLVED that these discharge permits shall contain limits on the discharge of copper, mercury, arsenic, ammonia, EC, TDS and molybdenum to the main treatment plant in amounts such that dischargers which comply with the permit limitations will not collectively discharge wastewater for treatment at the main treatment plant which will exceed the MAHL established for all Pollutants of Concern.

BE IT FURTHER RESOLVED that any permitted user which violates its local limit on copper, mercury, arsenic, ammonia, EC, TDS and molybdenum shall be subject to the penalties and enforcement procedures as set forth in the City of Modesto Sewage Collection and Disposal Ordinance.

BE IT FURTHER RESOLVED that Resolution No. 2005-273 is hereby superseded upon the effective date of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10<sup>th</sup> day of January, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION APPROVING AN AMENDMENT TO A PURCHASE  
AGREEMENT WITH KENNETH MOODY RELATING TO THE ACQUISITION  
OF PROPERTY LOCATED ON THE NORTHEAST CORNER OF SYLVAN  
AVENUE AND ROSELLE AVENUE, AND AUTHORIZING THE CITY  
MANAGER TO EXECUTE THE AMENDMENT**

WHEREAS, the City Council of the City of Modesto directed staff to enter into negotiations with Kenneth Moody (APN: 084-002-041) to purchase the necessary real properties for the Sylvan-Roselle Roundabout Project, and

WHEREAS, on July 12, 2005, the City of Modesto and Kenneth Moody entered into a Purchase Agreement to convey a portion of Kenneth Moody's property in fee simple title to the City of Modesto for the total purchase price of \$49,000, and

WHEREAS, said purchase price of \$49,000 included a line item in the amount of \$19,500 for the cost of repairing and/or resurfacing a portion of Kenneth Moody's parking lot on Kenneth Moody's property, and

WHEREAS, subsequent to said property sale, the City and Kenneth Moody have determined that the cost of said parking lot repair and/or resurfacing has increased, and

WHEREAS, subsequent to the close of escrow, the City agrees to pay Kenneth Moody the sum of \$8,917, as payment in full for the City's share of the additional cost of parking lot repair and/or resurfacing construction on Kenneth Moody's property.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that an Amendment to a Purchase Agreement between City of Modesto and Kenneth Moody (APN: 084-002-041) for the Sylvan-Roselle Roundabout Project in the total amount of \$8,917 is hereby approved.

BE IT FURTHER RESOLVED that the execution of said Amendment by the City Manager on behalf of the City of Modesto is hereby authorized.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of January, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

- Pruned Refuse Collection -Curbside or alley collection of tree or shrub prunings generated by homeowners during the months of January through November
- Leaf Collection – during the month of December, these same crews collect leaves rather than pruned refuse
- Forestry Refuse Collection – Forestry Division’s Tree Trimming crews also collect and dispose of trimmings generated by City trimming crews

, and

WHEREAS, the annual cost for providing all three services is \$1.7 million and is funded from several sources, and

WHEREAS, leaf collection is funded by the Storm Drain Fund at a cost of \$320,000 in FY 2005/06 and this funding remains in place, and

WHEREAS, forestry refuse collection is funded by the Gas Tax Fund at a cost of \$210,000 in FY 2005/06 and this funding remains in place, and

WHEREAS, pruned refuse collection has been funded by the Wastewater Fund due to the practice of co-composting pruned refuse with biosolids, and

WHEREAS, Council, by Resolution No. 2004-367, on July 13, 2004 approved the cost of pruned refuse collection be removed from the Wastewater Fund as the Composting Facility was no longer processing biosolids, and

WHEREAS, Council, by Resolution No. 2004-368, also on July 13, 2004 directed staff to meet with licensed solid waster collection companies to collect informal estimates for the cost to provide pruned refuse, leaf, and forestry materials collection services, and

WHEREAS, the decision to include leaf and forestry materials in the estimates was due to the economy of using the same crews and equipment for collection and transportation of all the different materials, and

WHEREAS, based on meetings staff held with the licensed solid waste collection companies to familiarize them with the specific details of the collection program, staff received an estimate of \$3.40 to \$3.80 per household per month from one company and \$3.60 per household per month from another company, and

WHEREAS, the City's current cost to provide these same services is \$2.51 per household per month, and

WHEREAS, on April 26, 2005, Council, by Resolution No. 2005-224, authorized the Purchasing Supervisor to prepare and release a formal Request for Proposals for Pruned Refuse, Leaf, and Forestry Materials Collection Services for a five (5) year period with an option to renegotiate for an additional five (5) year period and an option to provide a quotation for composting services, and

WHEREAS, on April 26, 2005, Council, by motion, also directed staff to meet and confer with MCEA and MCMA related to the potential displacement of full-time employees that might occur as a result of contracting out these services, and

WHEREAS, MCEA and MCMA agreed the City's current cost of \$2.51 per household per month would be used to compare with the proposals, and

WHEREAS, on September 2, 2005, the Purchasing Division of the Finance Department solicited Request for Proposals RFP No. 0405-38 for Yard Trimmings, Leaf, and Forestry Materials Collection Services to the three (3) local licensed solid waste collection companies, and

WHEREAS, on September 4, 2005 an evaluation committee, comprised of four (4) staff members and the Purchasing Supervisor, was formed to oversee the evaluation process, and

WHEREAS, on September 9, 2005 a proposers conference was held and only one prospective proposer was in attendance, and

WHEREAS, on September 27, 2005 RFPs were formally opened and only Gilton Solid Waste Management Inc. chose to submit a proposal, and

WHEREAS, Gilton's proposal included a cost of \$5.60 per household per month, and

WHEREAS, Gilton chose not to submit a proposal to provide composting services, and

WHEREAS, Gilton's cost to perform the same services as City staff was approximately \$2.1 million more per year, and

WHEREAS, the Economic Development Committee, at its November 7, 2005 meeting recommended approval of continuing collection of pruned refuse by City staff, and

WHEREAS, pruned refuse collection has been funded through FY 2006/07 by the Supplemental Budget process, and

WHEREAS, a funding source will need to be identified for continuance of this program,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby rejects the proposal received and approves the retention of Forestry Division staff to perform Pruned Refuse, Leaf and Forestry Materials Collection Services with previously-approved supplemental funding, through the end of Fiscal Year 2006/07.

BE IT FURTHER RESOLVED that the Council hereby directs staff to return to Council with a recommendation for a permanent funding source for Pruned Refuse Collection Services by May 9, 2006.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto, held on the 10<sup>th</sup> day of January 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-025**

**A RESOLUTION APPROVING AN AMENDMENT TO THE CITY OF  
MODESTO 2005-2006 HUD ANNUAL ACTION PLAN**

WHEREAS, the City of Modesto receives several Federal grants from the United States Department of Housing and Urban Development (HUD), and

WHEREAS, the Modesto City Council, at its May 24, 2005, meeting, by Resolution No. 2005-279, approved the adoption of the 2005-2006 Annual Action Plan, and

WHEREAS, City staff has proposed amendments to the Annual Action Plan, and said proposed amendments are as set forth in Exhibit "A" attached hereto and incorporated herein by reference, and

WHEREAS, notice has been duly given to notify the community of proposed amendments to the Annual Action Plan, and to provide a 30-day comment period, which began December 11, 2005, and ended on January 10, 2006, and

WHEREAS, the Citizens Housing and Community Development Committee (CH&CDC) considered the proposed changes to the Annual Action Plan at its December 9, 2005, meeting, and the Committee recommended that the City Council approve amendments to the Annual Action Plan as proposed by staff as well as budgetary adjustments as recommended by staff, and

WHEREAS, a duly noticed public hearing was held by the City Council on January 10, 2006, at 5:30 p.m., in the Tenth Street Place Chambers, located at 1010 Tenth Street, to consider approval of the proposed amendments to the 2005-2006 Annual Action Plan,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Amendment to the 2005-2006 Annual Action Plan as presented to the Council is hereby approved, and a copy of said Amendment to the 2005-2006 Annual Action Plan is attached hereto as Exhibit "A" and incorporated herein by reference.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the City Manager, or his designee, is hereby authorized to execute any documents with respect to the Amendment to be submitted to the Regional HUD office.

BE IT FURTHER RESOLVED that any and all documents necessary to implement the Action Plan shall require further Council approval.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of January 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-026**

**A RESOLUTION AMENDING THE FISCAL YEAR 2005-2006 ANNUAL  
OPERATING BUDGET TO REFLECT APPROVED CHANGES TO THE HUD  
ANNUAL ACTION PLAN**

WHEREAS, the City of Modesto receives several Federal grants from the United States Department of Housing and Urban Development (HUD), and

WHEREAS, the City Council, at its May 24, 2005, meeting, by Resolution No. 2005-279, approved the adoption of the 2005-2006 Annual Action Plan, and

WHEREAS, since adoption of the Annual Action Plan, staff has determined that changes should be made to programs and services provided to better meet the needs of the citizens of Modesto, and

WHEREAS, these program changes require reallocation of operating budget funds, and

WHEREAS, reallocation of these funds is more fully described on Exhibit "A", attached hereto and incorporated by reference, and

WHEREAS, the Citizens Housing and Community Development Committee (CH&CDC) considered the proposed changes to the Annual Action Plan at its December 9, 2005, meeting, and the Committee recommended that the City Council approve amendments to the Annual Action Plan as proposed by staff as well as budgetary adjustments as recommended by staff, and

WHEREAS, a duly noticed public hearing was held by the City Council on January 10, 2006, at 5:30 p.m., in the Tenth Street Place Chambers, located at 1010 Tenth

Street, to consider approval of the proposed amendments to the 2005-2006 Annual Action Plan,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Fiscal Year 2005-2006 Annual Operating Budget is hereby amended to reallocate the Community Development Block Grant (CDBG) as indicated on Exhibit "A" attached hereto and incorporated herein by reference.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of January 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-027**

**A RESOLUTION AMENDING THE FISCAL YEAR 2005-2006 FUNDING FOR  
THE CAPITAL IMPROVEMENT BUDGET TO REFLECT APPROVED  
CHANGES TO THE HUD ANNUAL ACTION PLAN**

WHEREAS, the City of Modesto receives several Federal grants from the United States Department of Housing and Urban Development (HUD), and

WHEREAS, the City Council, at its May 24, 2005, meeting, by Resolution No. 2005-279 approved the adoption of the 2005-2006 Annual Action Plan, and

WHEREAS, since adoption of the Annual Action Plan, staff has determined that additional revenue from prior years' carryover Community Development Block Grant (CDBG) program funds will be available for capital improvement projects, and

WHEREAS, staff recommends that the available funding be programmed for new and existing projects, and

WHEREAS, programming of these funds is more fully described on Exhibit "A", attached hereto and incorporated by reference, and

WHEREAS, the Citizens Housing and Community Development Committee (CH&CDC) considered the proposed changes to the Annual Action Plan at its December 9, 2005, meeting, and the Committee recommended that the City Council approve the amendments to the Annual Action Plan as proposed by staff as well as budgetary adjustments as recommended by staff, and

WHEREAS, a duly noticed public hearing was held by the City Council on January 10, 2006, at 5:30 p.m., in the Tenth Street Place Chambers, located at 1010 Tenth

Street, to consider approval of the proposed amendments to the 2004-2005 HUD Annual Action Plan,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Fiscal Year 2005-2006 funding for the Capital Improvement Plan Budget is hereby amended to estimate new revenue, appropriate new expenses and reallocate HUD Funds as indicated on Exhibit "A" attached hereto and incorporated herein by reference.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of January 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

NOES: Councilmembers: None

ABSENT: Councilmembers: None

Attest: Jean Zahr

RESOLUTION NO. 2006-028**

**A RESOLUTION AMENDING THE FISCAL YEAR 2005-2006 ANNUAL  
OPERATING BUDGET AND CAPITAL IMPROVEMENT BUDGET TO  
REFLECT REVENUES AND APPROPRIATIONS AS ADOPTED, AND  
CARRYOVER AMOUNTS FROM PRIOR YEAR**

WHEREAS, the City of Modesto receives several Federal grants from the United States Department of Housing and Urban Development (HUD), and

WHEREAS, the City Council, at its May 24, 2005, meeting, by Resolution No. 2005-279, approved the adoption of the 2005-2006 Annual Action Plan, and

WHEREAS, since adoption of the Annual Action Plan, staff has determined that some adjustments need to be made in order to align the City's budget to the HUD financial system, and

WHEREAS, some of these changes require a transfer of funds from the General Fund Reserve, and

WHEREAS, these changes are shown on Exhibit "A", attached hereto and incorporated by reference,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Fiscal Year 2005-2006 Annual Operating Budget and Capital Improvement Budget are hereby amended to reflect adjustments to the HUD fund as indicated on Exhibit "A" attached hereto and incorporated herein by reference.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of January 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

Create a new multi-year org, 3231, for the KKMC Collaborative for development and construction of the Collaborative's headquarters to be constructed in Mellis Park. The adjustment is required to re-appropriate unspent budget from FY 04-05 for an on-going HUD activity. This activity is committed in the HUD system, but it not budgeted in the City's system for 05-06.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-029**

**A RESOLUTION INCREASING THE PUBLIC WORKS DIRECTOR'S  
AUTHORITY TO ISSUE CHANGE ORDERS ON THE "MADDUX YOUTH  
CENTER RENOVATION AND EXPANSION" PROJECT FROM 8 PERCENT  
(\$186,940) TO 12.5 PERCENT (\$293,513) OF THE ORIGINAL CONTRACT  
PRICE WITH ACME CONSTRUCTION, INC. TOTAL ESTIMATED COST OF  
THIS PROJECT IS \$2,972,465, WHICH INCLUDES CONSTRUCTION  
CONTINGENCY, CONSTRUCTION ADMINISTRATION AND ENGINEERING  
DESIGN**

WHEREAS, on March 8, 2005, the City Council awarded a \$2,336,752 contract to Acme Construction, Inc. to construct the "Maddux Youth Center Renovation and Expansion" project, and

WHEREAS, the contractor started work on May 9, 2005, and

WHEREAS, changes to the Maddux Youth Center construction budget are necessary in order to complete portions of the project that were omitted, due to a limited budget at the beginning of the project scope, and

WHEREAS, funds were not budgeted for a new wooden gymnasium floor, irrigation within the project scope or funds for all necessary furnishings and equipment, and

WHEREAS, due to the availability of CDBG funds, as well as the need for these aspects of the project to be funded, staff is now recommending funding this item, and

WHEREAS, the cost of the extra work could be as high as 15 percent over the original contract price, an estimated \$293,513, an amount which exceeds the Director's authority for the project as established by the Council's Change Order Approval Policy adopted by Resolution No. 94-443 on July 19, 1994, and

WHEREAS, the Director currently has authority to approve change orders up to a cumulative amount of \$186,940, and seeks authority to issue change orders in an increased amount,

NOW, THEREFORE BE IT RESOLVED by the Council of the City of Modesto that it hereby increases the Public Works Director's authority level to issue change orders, from 8 percent (\$186,940) to 15 percent (\$293,513) of the original contract price for the project entitled "Maddux Youth Center Renovation and Expansion".

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of January, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-030**

**A RESOLUTION AMENDING SECTIONS 1 & 2 OF RESOLUTION NO. 80-129  
ENTITLED "A RESOLUTION APPROVING A DEVELOPMENT PLAN FOR  
PREZONED PLANNED DEVELOPMENT ZONE, P-D(255), (JOAQUIN  
CONSTRUCTION)." (LLOYD VARGAS)**

WHEREAS, the City Council, by Ordinance No. 1919-C.S., adopted on February 12, 1980, and which became effective on July 24, 1980, amended Section 25-3-8 of the Zoning Map to Planned Development Zone, P-D(255) to allow a 79 unit small lot subdivision on property located west of Carpenter Road north of Torrid Avenue, and

WHEREAS, Modesto City Council Resolution No. 80-129, which was approved on February 12, 1980, and amended by City Council Resolution No. 81-369 on May 12, 1981, approved a development plan for Planned Development Zone, P-D(255), and

WHEREAS, a verified application for an amendment to Planned Development Zone, P-D(255), was filed by Lloyd Vargas on September 23, 2005, to allow a property located at 1104 Diablo Avenue north of Torrid Avenue, to subdivide into three new residential units, and

WHEREAS, after a public hearing held on December 5, 2005, in the Tenth Street Place Chambers located at 1010 10<sup>th</sup> Street, Modesto, California, it was found and determined by the Planning Commission, by its Resolution No. 2005-46, that the amendment to Planned Development Zone P-D(255), as requested is required by public necessity, convenience, and general welfare for the following reasons:

1. The proposed Plan Development Amendment is consistent with the Modesto Urban Area General Plan. The General Plan designates this area as "R" (Residential), and the amendment to allow Residential uses will be consistent with the General Plan land use and intensity.

2. The type of project is described in Chapter II of the Modesto Urban Area General Plan Master EIR (MEIR).
3. The proposed project by reason of its plot plan design and conditions of approval will be compatible with the surrounding land uses.

WHEREAS, said matter was set for a public hearing of the City Council to be held on January 10, 2006, in the Tenth Street Place Chambers located at 1010 10<sup>th</sup> Street, Modesto, California, at which date and time said duly noticed public hearing was held, and

WHEREAS, after said public hearing the Council found and determined that the application of Lloyd Vargas for an amendment to Planned Development Zone, P-D(255) should be granted as consonant with public necessity, convenience and general welfare for the reasons set forth in Planning Commission Resolution No. 2005-46 and quoted above, and

WHEREAS, the Council has introduced Ordinance No. 3402-C.S. on the 10<sup>th</sup> day of January, 2006, amending Section 2 of Ordinance No. 1919-C.S. to allow three additional residential units, for a total of 81, to be established in Planned Development Zone, P-D(255).

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that Section 1 of Modesto City Council Resolution No. 80-129 entitled "A Resolution Approving a Development Plan for Pre-zoned Planned Development Zone, P-D(255), (Joaquin Construction)" is hereby amended to read as follows:

"SECTION 1. DEVELOPMENT PLAN. An amended development plan for Planned Development Zone, P-D(255), is hereby approved subject to the following conditions:

1. All development shall conform to the plot plan and building elevations titled "Zero-Lot Subdivision – 3 Lot Re-Zone Vargas Family." As amended in red, stamped approved by the Planning Commission on December 5, 2005.
2. Street improvements consistent with Standard Specifications shall be provided prior to the occupancy of any structures or when requested by the City Engineer or designee to alleviate a health, safety, or traffic problem in the area.
3. Prior to the issuance of a building permit, improvement plans for required improvements, shall be prepared by a Registered Civil Engineer and approved by the City Engineer or designee. Improvements shall be constructed in accordance with the approved plans.
4. Prior to the issuance of a building permit for any structure, a final subdivision or parcel map shall be recorded.
5. The property owner and developer shall, at their sole expense, defend, indemnify and hold harmless the City of Modesto, its agents, officers, directors and employees, from and against all claims, actions, attorneys' fees and costs, by reason of, or arising out of, this development approval. The obligation to defend, indemnify and hold harmless shall include but is not limited to any action to arbitrate, attack, review, set aside, void or annul this development approval on any grounds what so-ever. The City of Modesto shall promptly notify the developer of any such claim, action, or proceeding and shall cooperate fully in the defense.
6. The Capital Facilities Fees payable at the time of the issuance of a building permit for any construction in this development shall be based on the rates in effect at the time of issuance of the building permit.
7. All conditions of City Council Resolution No. 81-369, as amended by Planning Commission Resolution No. 84-86, not in conflict with this action shall remain in full force and effect."

"SECTION 2. DEVELOPMENT SCHEDULE. The Planned Development Zone is built-out and this proposal only consists of establishing three residential units on site, the following development schedule is hereby approved for the new development:

All development shall start construction on or before December 5, 2007, completion to be by December 5, 2008."

SECTION 3. CHANGES IN DEVELOPMENT PLAN. Any changes in the above approved development plan shall be made in accordance with the provisions of Section 10-2.1709 of the Modesto Municipal Code.

SECTION 4. COMPLIANCE WITH CODE PROVISIONS, ETC. In all other respects said planned development shall be accomplished in accordance with and in strict adherence to the provisions of Article 17 of Title 10 of the Modesto Municipal Code relating to Planned Development Zones and other applicable City laws, rules, regulations and procedures.

SECTION 5. EFFECTIVE DATE. This resolution shall not become effective unless and until Ordinance No. 3402-C.S. amending Ordinance No. 1919-C.S becomes effective.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10<sup>th</sup> day of January, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-031**

**A RESOLUTION FINDING THAT THE FOLLOWING PROJECT IS WITHIN  
THE SCOPE OF THE PROJECT COVERED BY THE MODESTO URBAN  
AREA GENERAL PLAN MASTER ENVIRONMENTAL IMPACT REPORT  
(SCH NO. 1999082041): AMENDING PLANNED DEVELOPMENT ZONE  
P-D(255), PROPERTY LOCATED AT 1104 DIABLO AVENUE (LLOYD  
VARGAS)**

WHEREAS, on March 4, 2003, the City Council of the City of Modesto certified the Final Master Environmental Impact Report (“Master EIR”) (SCH No. 1999082041) for the Modesto Urban Area General Plan, and

WHEREAS, Lloyd Vargas has proposed an amendment to Planned Development Zone P-D(255) to allow the establishment of three residential units at 1104 Diablo Avenue north of Torrid Avenue, and

WHEREAS, Section 21157.1 of the Public Resources Code, relating to reviewing subsequent project for a Master EIR, states that the lead agency shall prepare an Initial Study on any proposed subsequent project to analyze whether the subsequent project may cause any significant effect on the environment that was not examined in the master environmental impact report and whether the subsequent project was described in the master environmental impact report as being within the scope of the project, and

WHEREAS, the City’s Community and Economic Development Department by Environmental Assessment Initial Study EA/C&ED No. 2005-37 (“Initial Study”) reviewed the proposed amendment to P-D(255) to determine whether the project is within the scope of the project covered by the Modesto Urban Area General Plan Master EIR (“Master EIR”), and made the determination that the proposed project will have no additional significant effect on the environment that was not identified in the Master EIR,

and further, that no or new additional mitigation measures or alternatives are required, and that, therefore, the proposed project is within the scope of the project covered by the Master EIR, and

WHEREAS, the Planning Commission, by Resolution No. 2005-46 recommended to the City Council approval of the application of Lloyd Vargas to amend Planned Development Zone, P-D(255), for the property located on the east side of Diablo Avenue north of Torrid Avenue, to allow the establishment of three residential units on site as set forth in said Resolution No. 2005-46, and

WHEREAS, said matter was considered by the City Council at a duly noticed public hearing which was held on January 10, 2006, at 5:30 p.m., in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council has reviewed and considered the Initial Study prepared for the proposed amendment to P-D(255), a copy of which is attached hereto as Exhibit "A", and incorporated herein by reference, and based on the substantial evidence included in said Initial Study makes the following findings:

1. The proposed amendment to P-D(255) is consistent with the General Plan and will bring the subject property more in line with the surrounding zero-lot line homes.
2. The project is within the scope of the Master EIR and no new environmental document or Public Resources Code Section 21081 findings are required.
3. The type of project is described in Chapter II of the Master EIR.
4. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.

5. An Initial Study was prepared by the City of Modesto that analyzed whether the proposed subsequent project may cause any significant effect on the environment that was not examined in the MEIR and it has been determined that the project was described in the MEIR as being within the scope of the MEIR.
6. Based on the Initial Study, the City of Modesto finds and determines:
  - a. The proposed subsequent project will have no additional significant effect as defined in CEQA Section 21158 that was not identified in the MEIR.
  - b. No new or additional mitigation measures or alternatives are required.
7. The criteria for currency of the Master EIR were reviewed and it was determined that the Master EIR is current for all areas of the Initial Study.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Community & Economic Development Director is hereby authorized and directed to file a notice of determination within five (5) business days with the Stanislaus County Clerk pursuant to Section 21152 of the Public Resources Code.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10<sup>th</sup> day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

## Master EIR Initial Study Checklist

### I. PURPOSE

CEQA allows for the limited environmental review of subsequent projects under the City's Master EIR. This Initial Study Checklist is used in determining whether the proposed tentative subdivision map is "within the scope" of the project analyzed in the Modesto Urban Area General Plan Master EIR (SCH# 1999082041) (Public Resources Code section 21157.1). When the Initial Study supports this conclusion, the City will issue a finding of conformity.

A subsequent project is "within the scope" of the Master EIR when:

1. it will have no additional significant effects on the environment that were not addressed as significant effects in the Master EIR; and
2. no new or additional mitigation measures or alternatives are required.

"Additional significant effects" means a project-specific effect that was not addressed as a significant effect in the Master EIR. (Public Resources Code Section 21158(d))

The determination must be based on substantial evidence in the record. "Substantial evidence" means facts, reasonable assumptions predicated upon facts, or expert opinion based on facts. It does not include speculation or unsubstantiated opinion. (State CEQA Guidelines Section 15384)

### II. PROJECT DESCRIPTION

- A. Title: Amendment to P-D(255) and Subsequent Vesting Tentative Parcel Map
- B. Address or Location: 1104 Diablo Avenue, Modesto
- C. Applicant: Lloyd J. Vargas  
2831 S. Carpenter Road  
Modesto, CA 95358
- D. City Contact Person:

Project Manager: Bob Cannell  
Department: Community & Economic Development  
Phone Number: (209) 577-5274  
E-mail address: [bcannell@modestogov.com](mailto:bcannell@modestogov.com)

- E. Current General Plan Designation: R - Residential
- F. Current Zoning Classification(s): P-D(255), Low-Density Residential
- G. Surrounding Land Uses: North: Residential  
South: Residential  
East: Residential  
West: Residential
- H. Project Description, including the project type listed in Section II.C (Anticipated Future Projects) of the Master EIR (Attach additional maps/support materials as needed for complete record):

The applicant seeks approval of an amendment to P-D(255) to allow an existing house on a large lot to be replaced with three (3) new homes following a subsequent Vesting Tentative Parcel Map, creating three lots.

- I. Other Public Agencies Whose Approval is Required: None

**III. FINDINGS / DETERMINATION**

The project is within the scope of the Master EIR and no new environmental document or Public Resources Code Section 21081 findings are required. The following items are found to be true:

- A. The type of project is described in Chapter II of the Master EIR.
- B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.
- C. An Initial Study was prepared by the City of Modesto that analyzed whether the proposed subsequent project may cause any significant effect on the environment that was not examined in the MEIR and it has been determined that the project was described in the MEIR as being within the scope of the MEIR.
- D. Based on the Initial Study, the City of Modesto finds and determines:
  - a) The proposed subsequent project will have no additional significant effect as defined in CEQA Section 21158 that was not identified in the MEIR.
  - b) No new or additional mitigation measures or alternatives are required.
- E. The criteria for currency of the Master EIR were reviewed (section 5 below) and it was determined that the Master EIR is current for all areas of the Initial Study.

 Date

#### 4. Within the Scope Analysis of this Document:

The Master EIR permits projects to be found within the scope of the MEIR if certain criteria are met. Basically, if the following statements are found to be true for all 20 sections of this Initial Study, then the project was covered by the MEIR analysis and is within the scope of the MEIR. Any "No" response must be discussed.

- |   | YES | NO                       |
|---|-----|--------------------------|
| (1) The lead agency for subsequent projects shall be the City of Modesto or a responsible agency identified in the Master EIR.  | X   | <input type="checkbox"/> |
| (2) City policies that reduce, avoid, or mitigate environmental effects will continue to be in effect and therefore would be applied to subsequent projects where appropriate. The policies are described in the list of policies in place and mitigation measures contained within the Master EIR. | X   | <input type="checkbox"/> |
| (3) Federal, State, Regional and Stanislaus County regulations do not change in a manner that is less restrictive on development than current law (i.e., would not offer the same level of protection assumed under the Master EIR).  | X   | <input type="checkbox"/> |
| (4) No specific information concerning the known or potential presence of significant resources is identified in future reports, or through formal or informal input received from responsible or trustee agencies or other qualified sources.  | X   | <input type="checkbox"/> |
| (5) The development will occur within the boundaries of the City's planning area as established in this Urban Area General Plan.  | X   | <input type="checkbox"/> |
| (6) Development within the project will comply with all mitigation measures identified in the General Plan Master EIR.  | X   | <input type="checkbox"/> |

#### 5. Currency of the Master EIR Document

The MEIR should be reviewed on a regular basis to determine its currency, and whether additional analysis/mitigation should be incorporated into the MEIR via a Supplemental or Subsequent EIR (CEQA Section 21157.6). Staff has reviewed sections 1 through 20 of this document in light of the criteria listed below to determine whether the MEIR is current. The analysis contained within the Master EIR is current as long as the following circumstances have not changed. Any negative response must be discussed.

- |  | YES | NO                       |
|--|-----|--------------------------|
| (1) Certification of the General Plan Master EIR occurred less than five years prior to the filing of the application for this subsequent project. | X   | <input type="checkbox"/> |
| (2) This project was described in the Master EIR and its approval will not affect the adequacy of the Master EIR for any subsequent project.       | X   | <input type="checkbox"/> |
| (3) No substantial changes have occurred with respect to the circumstances under which the Master EIR was certified.                               | X   | <input type="checkbox"/> |

- (4) No new information, which was not known and could not have been known at the time the Master EIR was certified as complete, has become available. X
- (5) Policies that require site-specific mitigation remain in place, in addition to avoidance or other mitigation of impacts as a prerequisite to future development. X

**IV. ENVIRONMENTAL ANALYSIS**

This Initial Study, in accordance with Section 21157.1(b) of the Public Resources Code, analyzes whether this project may cause any project-specific significant effect on the environment that was not examined in the Final Master EIR (MEIR) for the General Plan and whether new or additional mitigation measures or alternatives may be required as a result. The Initial Study thereby documents whether or not the project is "within the scope" of the Master EIR.

Pursuant to Public Resources Code Section 21157.1, no new environmental document or findings are necessary for projects that are determined to be within the scope of the MEIR. Adoption of a notice of conformity after completion of the Initial Study fulfills the City's obligation in that situation.

All environmental effects cited reflect year 2025 buildout of the Urban Area General Plan as identified in the MEIR.

The Master EIR for the General Plan organizes its analysis of environmental impacts into eighteen subject areas. The following analysis is based on the impact analyses contained in Chapter V of the Master EIR. For ease of cross-reference, the sections are numbered in the same order as the analyses in Chapter V.

In addition to the 18 Master EIR subject areas, the Initial Study checklist addresses the issues of land use/planning and aesthetics. The reason for including these additional issues is to ensure that consideration is being given to the full range of subjects of importance contained in Appendix G of the CEQA Guidelines. The format for the land use/planning and aesthetics sections differs from that of the other 18 subject areas since these two subjects were not addressed as distinct subjects in the Master EIR.

**1. TRAFFIC AND CIRCULATION**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant and unavoidable traffic and circulation impacts:

Effect: Increased traffic will result in certain roadway segments operating at LOS D or worse.

Effect: The Substantial increase in traffic relative to the existing load and capacity of the street system will cause violation, either individually or cumulatively, of an LOS standard established by the County CMP for designated roads and highways.

Effect: Creation of need for Capacity-enhancing modifications to existing facilities.

Effect: Increase in energy consumption associated with the operation of highway projects, rail improvements, and aviation facilities.

Effect: Severe contrast with existing neighborhood or area character caused by highway and transit projects.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Traffic and Circulation mitigation measures that are pertinent to this project are found on MEIR pages V-1-15 through V-1-21. All feasible measures appropriate to the project – including any new measures - will be incorporated into or made conditions of approval of this project and will be listed in Section V, Mitigation Measures Applied to Project.

**c. Project-Specific Effects**

Section V-1.B of the MEIR provides analysis of Traffic and Circulation impacts of development of the General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Significance Criteria: A subsequent development project will have a new significant effect on the environment if it would exceed the following criteria:

- |   | YES                      | NO |
|---|--------------------------|----|
| (1) The project would contribute more than an additional 100 average daily trips (ADT) to adjoining roads and generates more trips than assumed for their general plan land use category and zoning in the Master EIR. City Engineering & Transportation Staff will review the project to determine whether the project contributes more than 100 ADT thresholds. Such Projects are presumed to generate more trips than assumed by the Master EIR. | <input type="checkbox"/> | X  |

Where a project exceeds an additional 100 ADT contribution, a site access study will be conducted to determine to what extent the project would exceed the year 2025 level of service (LOS) expected for the adjoining roadways under the Master EIR. The site access study will recommend new, project-specific mitigation measures. Where the project also exceeds the Master EIR's traffic generation assumption, as determined by Engineering & Transportation staff, a comprehensive traffic study will be required that will include off-site traffic impact analysis.

- |  | YES                      | NO |
|--|--------------------------|----|
| (2) Substantially increase hazards due to a design feature (e.g., sharp curves or dangerous intersections) or incompatible uses (e.g. farm equipment). | <input type="checkbox"/> | X  |
| (3) Result in inadequate emergency access.   | <input type="checkbox"/> | X  |
| (4) Result in inadequate parking capacity.   | <input type="checkbox"/> | X  |

Discussion:

The proposed project would generate less than 100 ADT, and would have no impact relative to transportation system design, incompatible uses, and emergency access, nor would it result in inadequate parking capacity.

## 2. AIR QUALITY

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to air quality:

Effect: Projected traffic levels will result in increased ambient carbon monoxide (CO) levels in the project area. This is a significant and unavoidable impact.

Effect: Projected traffic levels will result in increased ROG and NOX levels in the project area. This is a significant and unavoidable impact.

These are also cumulative impacts on air quality.

### b. Master EIR and/or New Mitigation Measures Applied to the Project

Air Quality mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-2-11 through V-2-18 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project and are listed in Section V, Mitigation Measures Applied to Project.

### c. Project-Specific Effects

Section V-2.B of the MEIR provides analysis of Air Quality impacts of development of the General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project exceeds the emissions thresholds established for CO and NOx by the San Joaquin Valley Unified Air Pollution Control District's (SJVUAPCD) adopted CEQA Guidelines.	<input type="checkbox"/>	X
(1) The project does not incorporate the best management practices for PM10 reduction established by the SJVUAPCD.	<input type="checkbox"/>	X
(2) The project does not comply with the air quality policies of the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(4) The project would expose sensitive receptors to substantial pollutant concentrations.	<input type="checkbox"/>	X
(5) The project would create objectionable odors affecting a substantial number of people.	<input type="checkbox"/>	X

Discussion:

The proposed project would not result in long-term air quality-related impacts. However, in order to minimize any short-term air quality-related impacts associated with construction, the appropriate mitigation measures will be applied from the MEIR.

**3. NOISE**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant and unavoidable environmental impacts relative to noise:

Effect: Traffic noise levels for future conditions in the plan area have the potential to exceed the City's Noise Significance Standards (see Table 3-3 MEIR).

Effect: Noise level projections based on the traffic levels anticipated in the General Plan indicate that noise will exceed the City's General Plan and noise ordinance standards.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Noise policies and mitigation measures pertinent to the project being analyzed in this Initial Study are found on pages V-3-10 through V-3-15 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project. New measures are listed in Section V: Mitigation Applied to Project.

**c. Project-Specific Effects**

Section V-3.B of the MEIR provides analysis of noise impacts of development of the General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

		YES	NO
(1)	The project will exceed the standards for noise level and hours of operation established by the Modesto noise ordinance.	<input type="checkbox"/>	X
(2)	The project will exceed the noise policies of or otherwise be inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(3)	The project will result in a substantial permanent increase in ambient noise levels in the project vicinity above levels existing without the project?	<input type="checkbox"/>	X
(4)	The project will result in a substantial temporary or periodic increase in ambient noise levels in the project vicinity above levels existing without the project.	<input type="checkbox"/>	X

Discussion:

The proposed project will not result in any substantial increase in noise levels that exist without the project, and construction-related noise is limited per the City of Modesto Municipal Code. The appropriate mitigation measures will be applied from the MEIR.

**4. AGRICULTURAL LANDS**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to agricultural lands:

Effect: Development within the urbanized Baseline Developed Area and Redevelopment Area will have a less-than-significant impact on agricultural lands.

Effect: Conversion of agricultural land will occur as available developable land is occupied within the City. This is a significant and unavoidable impact.

Effect: Growth within Modesto's planning area would contribute considerably to the loss of agricultural land within Stanislaus County. This is a significant and unavoidable cumulative impact.

**b. Master EIR and/or New Mitigation Measures Pertinent to the Project**

Agricultural Land mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-4-7 and V-4-8 MEIR. All feasible measures appropriate to the project and any new mitigation to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project.

**c. Project-Specific Effects**

Section V-4.B of the MEIR provides analysis of Agricultural Lands impacts of development of the General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project will directly result in the development of land outside the March 2003 planning area boundaries.	<input type="checkbox"/>	X
(3) The project will Conflict with existing zoning for agricultural use, or a Williamson Act contract.	<input type="checkbox"/>	X
(4) The project will Involve other changes in the existing environment which, due to their location or nature, could result in conversion of Farmland to non-agricultural use.	<input type="checkbox"/>	X

## Discussion:

The proposed project is in an urbanized area, and will have no effect on agricultural lands of any kind.

## **5. WATER SUPPLY**

### **a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to water supply:

Effect: Urban Area General Plan policies are established to limit groundwater extractions to the safe yield of the aquifer and thereby avoid aquifer over drafting. In addition, the UWMP requires that new urban development would proceed in conjunction with the availability of water supplies and distribution facilities. It is assumed that increased entitlement of surface water supplies such as a water transfer from another water purveyor would undergo independent environmental review pursuant to CEQA. This is a less-than-significant impact.

Effect: Development to the future projected City population would require expansion of the MRWTP to its full 60 mgd capacity, development of additional groundwater wells, and construction of additional water distribution and treatment facilities. Construction of some of the required facilities would most likely require site-specific environmental impact assessments to be conducted under CEQA. Consequently, the potential environmental impacts of the Urban Area General Plan are considered less-than-significant.

Effect: During drought years, despite available options, significant water shortages are forecast for the San Joaquin River basin by the year 2020. Modesto would make a cumulatively considerable contribution to the cumulative impact on water supply under drought conditions. This is a significant and unavoidable cumulative impact.

### **b. Master EIR and/or New Mitigation Measures Applied to the Project**

Water Supply mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-5-7 through V-5-8 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project.

### **c. Project-Specific Effects**

Section V-5.B of the MEIR provides analysis of Water Supply impacts of development of the General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

YES NO

- |     |   |                          |   |
|-----|---|--------------------------|---|
| (1) | The project is inconsistent with the Modesto Urban Area General Plan.   | <input type="checkbox"/> | X |
| (2) | Sufficient water supplies are not available to serve the project from existing entitlements and resources, new or expanded entitlements are needed. | <input type="checkbox"/> | X |

Discussion:

Water supplies are available to serve the existing residential area.

## 6. SANITARY SEWER SERVICES

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to sanitary sewer services:

Effect: The City has already begun to implement the provisions of the Wastewater Master Plan (WMP) to meet future demand for sanitary sewer services. As City wastewater treatment facilities are expanded to meet the needs of the Baseline Developed, Redevelopment, and Planned Urbanizing Areas, the City will obtain the necessary wastewater discharge and NPDES permits from the Central Valley RWQCB, as required under Urban Area General Plan Policy V-D.2(a). Implementing the WMP, requirement of Best Management Practices for post-construction activities, as well as the Urban Area General Plan policy cited above, will avoid violation of wastewater discharge requirements. As a result, this impact would be less-than-significant.

Effect: The City has adopted the WMP specifically to ensure that sewer capacity will match the level of growth projected by the Urban Area General Plan. Development within the Baseline Developed and the Planned Urbanizing Areas that is consistent with the Urban Area General Plan will not have a significant effect on capacity. Urban Area General Plan Policy III-D.1(d) will ensure that development in the Planned Urbanizing Area will fund the necessary improvements. This is a less-than-significant impact.

Note on the WMP Master EIR. The WMP Master EIR identified a number of impacts and mitigation measures. Its mitigation measures have been adopted by the City and are being implemented by the City under the WMP. Those impacts are being independently addressed under that Master EIR and do not need to be considered under this Initial Study. Refer to the WMP Master EIR for details.

### b. Master EIR and/or New Mitigation Measures Applied to the Project

Sewer Service mitigation measure(s) pertinent to the project being analyzed in this Initial Study, are found on pages V-6-4 through V-6-7 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project.

### c. Project-Specific Effects

Section V-6.B of the MEIR provides analysis of Sanitary Sewer Service impacts of development of the General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |   | YES                      | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.   | <input type="checkbox"/> | X  |
| (2) The project will result in a determination by the wastewater treatment provider who serves or may serve the project that there is not adequate capacity to serve the project's projected demand in addition to the provider's existing commitments. | <input type="checkbox"/> | X  |

#### Discussion:

The City of Modesto wastewater infrastructure has adequate capacity to serve the property.

## 7. SENSITIVE WILDLIFE AND PLANT HABITAT

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to sensitive wildlife and plant habitat:

Effect: Although many sensitive species live in riparian habitats within the planning area, the policies of the plan will ensure that impacts of the Urban Area General Plan will be less-than-significant.

Effect: Requiring higher residential density than the suburban norm and a compact pattern of growth within the designated planning area to the year 2025 will minimize the City's contribution to the cumulative loss of habitat. Nonetheless, this is a significant and unavoidable impact.

### b. Master EIR and/or New Mitigation Measures Applied to the Project

Wildlife and Plant Habitat mitigation measure pertinent to the project being analyzed in this Initial Study are found on pages V-7-19 through V-7-21. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project.

### c. Project-Specific Effects

Section V-7.B of the MEIR provides analysis of Wildlife and Plant Habitat impacts of development of the General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) Consultation with the California Department of Fish and Game or the U.S. Fish and Wildlife Service determines that the project would have a significant effect on special status species.	<input type="checkbox"/>	X
(3) Conflict with any local policies or ordinances protecting biological resources, such as a tree preservation policy or ordinance.	<input type="checkbox"/>	X

#### Discussion:

The proposed project would not have any impact on wildlife nor plant habitat.

## 8. ARCHAEOLOGICAL OR HISTORICAL SITES

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to archaeological or historical sites:

Effect: If a site-specific project involves the modification or demolition of a qualifying structure more than 50 years in age, then the impact will be significant.

Effect: Areas of high probability for archaeological resources are located within the riparian corridors along the Tuolumne River, Dry Creek, and the Stanislaus River. There, the potential impact comes from earthmoving activities that could result in disturbance of resources or human remains. There is a low probability that archaeological resources will be uncovered in areas outside of the riparian corridors.

Effect: The City Zoning Ordinance requires that when substantial changes to a structure are proposed, the development will be required to comply with other Zoning Ordinance provisions such as parking or landscaping requirements. This could result in modifications to the structure, which substantially reduce its historical significance. This would be a less-than-significant impact with the imposition of new mitigation measure Cultural-1.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Archaeological or Historic mitigation measures pertinent to the project being analyzed in this Initial Study are found on page V-8-13 and V-8-14 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project.

**c. Project-Specific Effects**

Section V-8.B of the MEIR provides analysis of Archaeological/Historical impacts of development of the General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |   | YES                      | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.   | <input type="checkbox"/> | X  |
| (2) The project would adversely affect a cultural resource that is either listed or eligible for listing in the California Register of Historical Resources, or that is listed by the City of Modesto as a Designated Landmark Preservation Site. | <input type="checkbox"/> | X  |

Discussion:

The proposed three-lot subdivision addition would have absolutely no impact whatsoever on archaeological /historical sites.

**9. STORM DRAINAGE**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to storm drainage:

Effect: The potential impacts on storm water drainage that could occur from the project were qualitatively evaluated with respect to several factors including: extent of the projected increase in urban surface area compared to undeveloped ground; magnitude of projected changes to hydrologic and physical site characteristics of the study area compared to existing conditions; regulatory criteria and guidelines; and professional judgment. Because the Urban Area General Plan includes policies that require new development in all three sections of the planning area to install approved drainage facilities, the potential impacts of the Urban Area General Plan on storm water drainage are considered less-than-significant.

Effect: The population of Stanislaus County is projected to increase in a fashion similar to that of Modesto, resulting in additional urban development and associated increases in impervious areas and associated urban storm water drainage. Cumulative hydrologic impacts of storm water flows from Modesto urban areas and other areas of the County could occur due to the fixed capacity of MID and TID irrigation canals to convey drainage west to the San Joaquin River. If drainage channels in some areas prove insufficient to handle the increased drainage discharges, existing storm water runoff from urban and agricultural areas during large storm events would have to be interrupted until water levels receded to a point allowing the resumption of discharges to the channel. Ceasing discharges to drainage channels could cause inundation in and around the drainage conveyance pipeline systems, surface drainage channels, detention basins, and other urban areas. This cumulative impact is considered significant and unavoidable.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Storm Drainage mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-9-4 through V-9-8. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project.

**c. Project-Specific Effects**

Section V-9.B of the MEIR provides analysis of Storm Drainage impacts of development of the General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project would substantially increase the rate or amount of surface runoff in a manner that would result in flooding on- or offsite.	<input type="checkbox"/>	X
(3) Create or contribute runoff water that would exceed the capacity of existing or planned storm water drainage systems or provide substantial additional sources of polluted runoff.	<input type="checkbox"/>	X

Discussion:

The proposed three-lot subdivision addition would have absolutely no impact on the rate nor amount of surface runoff. Furthermore, the storm water drainage system will accommodate all current on-site runoff.

## 10. FLOODING AND WATER QUALITY

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to flooding and water quality:

Effect: Increased runoff can accelerate soil erosion, stream channel scouring, and sedimentation of channels, and also increase pollutant transport to waterways. The potential impacts of the project on flooding are considered less-than-significant because the Urban Area General Plan Update includes policies to restrict development in the floodplain and therefore would avoid exposing persons and property to flood hazards. In addition, new development under the Urban Area General Plan is required to install storm water drainage facilities that restrict the amount of post-development runoff from exceeding pre-development conditions.

Effect: The potential impacts of the project on surface-water quality are considered less-than-significant because the City policies and capital improvement projects for storm water drainage facilities would minimize discharges of urban pollutants to natural waterways. The City drainage program policies require new development to prepare drainage plans and implement urban runoff control measures; larger Specific Plan developments must have storm drainage systems designed to control pollutant runoff. The City's implementation policies for the municipal NPDES storm water permit require new development to implement an appropriate selection of permanent pollution control measures. Permanent erosion control measures such as seeding and planting vegetation for new cut-and-fill slopes, directing runoff through vegetation, or otherwise reducing the offsite discharge of particulates and sediment are the most effective method of controlling offsite discharges of urban pollutants.

Effect: The City's future development will contribute to cumulative water quality effects. EPA regulations for NPDES storm water permits and new proposed regulatory additions to the rules have become much more comprehensive in recent years and are being implemented to reduce pollutant runoff from both large- and small-scale activities. Implementation of NPDES-permitting programs throughout the county will reduce potential water-quality impacts to a less-than-significant level.

### b. Master EIR and/or New Mitigation Measures Applied to the Project

Flooding and Water Quality mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-10-7 through V-10-10 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project.

### c. Project-Specific Effects

Section V-10.B of the MEIR provides analysis of Flooding and Water Quality impacts of development of the General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

		YES	NO
(1)	The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2)	The project does not comply with the regulatory requirements of the federal Clean Water Act or the State Porter-Cologne Act.	<input type="checkbox"/>	X
(3)	The project does not comply with Modesto's Guidance Manual for New Development Storm water Quality Control Measures.	<input type="checkbox"/>	X
(4)	The project would create or contribute runoff water, which would exceed the capacity of existing or planned storm water drainage systems or provide substantial additional sources of polluted runoff.	<input type="checkbox"/>	X

Discussion:

The proposed project is subject to all City of Modesto storm water quality control requirements.

**11. PARKS AND OPEN SPACE**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to parks and open space:

Effect: Within the Baseline Developed and Redevelopment Areas, the Urban Area General Plan does not propose any elimination of existing park and/or open space land. Impacts on parks and open space will be less-than-significant.

Effect: The projected population of the Planned Urbanizing Area is 148,600, requiring 149 acres of neighborhood parks and 298 acres of community parks. The required minimum acreages can be met through the application of existing policies and regulations, including Government Code Section 66474, which require developers to pay Parks Capital Facilities Fees to fund the acquisition of appropriate parkland acreage. This impact is less-than-significant.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Parks and Open Space Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-11-4 through V-11-19 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project. are listed in Section V, Mitigation Applied to Project.

**c. Project-Specific Effects**

Section V-11.B of the MEIR provides analysis of Parks and Recreation impacts of development of the General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

YES NO

- (1) The project is inconsistent with the Modesto Urban Area General Plan.  X

## 12. SCHOOLS

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to schools:

Effect: The estimated increase in population over 1994/1995 would generate an additional 29,200 elementary school students, 7,330 middle school students, and 14,640 high school students above those enrollments. Assuming that existing facilities cannot sufficiently accommodate this increase and that all of the new students would require new school facilities, build out of the General Plan would result in the need for approximately 37 elementary schools, 8 middle schools, and 7 high schools beyond 1994/1995 levels. This would result in a significant impact on schools in that it would exceed current capacity. By statute, this impact is considered to be mitigated below a level of significance by payment of school impact fees and exercise of any or all of the financing options set out in Government Code Section 65997.

### b. Master EIR and/or New Mitigation Measures Applied to the Project

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. As long as all anticipated subsequent projects apply these policies, no new mitigation is necessary. Further, payment of school impact fees and compliance with SB 50 is statutorily deemed to be full mitigation of school impacts (Government Code Section 65995). The proposed additional school policy will address the situation that would arise should AB 50 be repealed. It will authorize impact fees or other methods to finance additional school facilities.

The following schools mitigation measure(s) are pertinent to the project being analyzed in this Initial Study. See pages V-12-4 through V-12-7 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section V, Mitigation Applied to Project.

### c. Project-Specific Effects

Section V-12.B of the MEIR provides analysis of Schools impacts of development of the General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

YES NO

- (1) The project is inconsistent with the Modesto Urban Area General Plan.  YES  NO
- (2) The project does not comply with SB 50/Proposition 1A funding provisions, or succeeding measures, which provide that compliance results in less-than-significant impacts on schools.  YES  NO

Discussion:

The proposed three-lot subdivision addition would have no impact to schools.

**13. POLICE SERVICES**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to police services:

Effect: The 1995 Master EIR identified two impacts on the demand for police services; however, it concluded that no significant impact, based on the mitigation measures identified in the 1995 Master EIR, would occur. Those mitigation measures are now policies of the Urban Area General Plan. The impact is less-than-significant.

Effect: Within the Planned Urbanizing Area, complying with the Urban Area General Plan policies, particularly the policy that requires a long-range financing strategy for each Comprehensive Plan Area, will allow the City to provide the resources necessary to extend service to the newly growing Planned Urbanizing areas. These policies reduce the impact to a less-than-significant level.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Police Services mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-13-3 and V-13-4 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project.

**c. Project-Specific Effects**

Section V-13.B of the MEIR provides analysis of police services impacts of development of the General Plan. The following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

YES NO

- (1) The project is inconsistent with the Modesto Urban Area General Plan.  YES  NO
- (2) The project would result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives.  YES  NO

Discussion:

The proposed project would have no effect relative to provision of police services.

**14. FIRE SERVICES**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to fire services:

Effect: The Baseline Developed Area and Redevelopment Area are already developed. Impacts on fire services of development in these areas will be less-than-significant.

Effect: In the Planned Urbanizing Area, the Urban Area General Plan would result in the need for additional fire protection services due to increases in the number of employees, permanent population, and associated improvements. City policy requires that fire protection be in place concurrent with construction in the Planned Urbanizing Area. This policy will be implemented with the adoption of future Comprehensive Plans in the Planned Urbanizing Area. This impact would be less-than-significant.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Fire Services mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-14-3 through V-14-5 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project. are listed in Section V, Mitigation Measures Applied to Project.

**c. Project-Specific Effects**

Section V-14.B of the MEIR provides analysis of fire services impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |  | YES                      | NO |
|--|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.  | <input type="checkbox"/> | X  |
| (2) The project would result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives. | <input type="checkbox"/> | X  |

Discussion:

The proposed project would have no effect relative to provision of fire services.

**15. SOLID WASTE**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to solid waste:

Effect: Since the project would exceed available landfill capacity, it is identified as a significant impact. The Fink Road Landfill may be closed by the time the City reaches build out, unless an expansion is approved by the County and the Integrated Waste Management Board. As the waste stream generated increases with population, additional landfills and methods for diversion would have to be utilized. The project will also generate the need for additional collection and transfer facilities. This impact is significant and unavoidable. The impact would be less-than-significant at such time as the Fink Road Landfill expansion is approved.

Effect: The project makes a considerable contribution to the cumulative impact on landfill capacity of development in Stanislaus County. This impact is significant and unavoidable.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Solid Waste Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study, are found on pages V-15-5 and V-15-6 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project.

**c. Project-Specific Effects**

Section V-15.B of the MEIR provides analysis of solid waste impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

		YES	NO
(1)	The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2)	The County is unable to expand its solid waste disposal capacity and the project would result in waste stream levels that exceed disposal capacity.	<input type="checkbox"/>	X

Discussion:

The proposed project will have not impact relative to solid waste.

## 16. HAZARDOUS MATERIALS

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to hazardous materials:

Effect: The impacts of the project relative to hazardous materials are less-than-significant, based on the existing regulatory framework. New development will be required to comply with regulations monitoring and controlling the handling and use of hazardous and toxic materials.

### b. Master EIR and/or New Mitigation Measures Applied to the Project

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under federal, state and county policies and regulations, and the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Hazardous Materials Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-16-9 through V-16-12 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project.

### c. Project-Specific Effects

Section V-16.B of the MEIR provides analysis of hazardous materials impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project does not comply with all applicable federal, state, and county standards and regulations relative to the handling, storage, disposal, and transport of hazardous or toxic materials or wastes.	<input type="checkbox"/>	X
(3) The project contains a contaminated site not identified as of March 2003.	<input type="checkbox"/>	X
(4) The project would emit hazardous emissions or handle hazardous or acutely hazardous materials, substances, or waste within one-quarter mile of an existing or proposed school.	<input type="checkbox"/>	X
(5) The project would be located on a site that is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and as a result, would create a significant hazard to the public or the environment.	<input type="checkbox"/>	X

Discussion:

The proposed project would have no impacts relative to hazardous materials.

**17. LANDSLIDES AND SEISMIC ACTIVITY**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to landslides and seismic activity:

Effect: There are areas of known sand and gravel resources within the Baseline Developed Area and Redevelopment Area. Future development will be subject to SMARA requirements, therefore, the project impact will be less-than-significant.

Effect: There are areas of known sand and gravel resources within the Planned Urbanizing Area. Future development will be subject to SMARA requirements, therefore, the project impact will be less-than-significant.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Landslide and Seismic Activity Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-17-6 and V-17-7 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project.

**c. Project-Specific Effects**

Section V-17.B of the MEIR provides analysis of landslides and seismic impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

		YES	NO
(1)	The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2)	The project would be located on soil that is unstable, or that would become unstable as a result of the project, and potentially result in on or off-site landslide, lateral spreading, subsidence, liquefaction or collapse.	<input type="checkbox"/>	X

Discussion:

The proposed three-lot subdivision addition would have no potential to increase risks associated with landslides or seismic activity.

## 18. ENERGY

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to energy:

Effect: The Baseline Developed Area and Redevelopment Area are already developed. New development within the Redevelopment Area will comply with Title 24 standards as well as City Urban Area General Plan policies. Impacts on energy by development in these areas (i.e., changes in levels of use above the current baseline) will be less-than-significant.

Effect: Build out under the Urban Area General Plan will utilize an estimated 1,400 million cubic feet per month of natural gas, 1,300 million kilowatt hours (kwh) of electricity per year and 650,000 gallons of gasoline per day. PG&E has indicated that they have at the current time sufficient supplies of natural gas to serve the increased natural gas demands of the project. At present, gasoline supplies are apparently sufficient to serve the gasoline demands of the project. Title 24 of the California Code of Regulation, which ensures that the project will not exceed local, state, and federal energy standards. The impact is less-than-significant.

### b. Master EIR and/or New Mitigation Measures Applied to the Project

The following energy mitigation measure(s) are pertinent to the project being analyzed in this Initial Study. See page V-18-3 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section V, Mitigation Applied to Project.

### c. Project-Specific Effects

Section V-18.B of the MEIR provides analysis of energy impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |   | YES                      | NO                                  |
|---|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

## 19. PLANNING AND LAND USE

The Master EIR was certified for the Modesto Urban Area General Plan. The significant effects described in the 18 subject areas contained in the Master EIR are based on the planning policies and diagrams adopted as part of the General Plan. Planning and land use were not among the 18 subject areas analyzed in the Master EIR because they essentially defined the project being evaluated in the EIR.

**a. Project-Specific Effects**

Determination of project effects will be based on the following threshold. A project-specific effect is less-than-significant unless:

- |  | YES                      | NO |
|--|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.                | <input type="checkbox"/> | X  |
| (2) The project includes a substantive amendment to the Modesto Urban Area General Plan. | <input type="checkbox"/> | X  |
| (3) The project would physically divide an established community                         | <input type="checkbox"/> | X  |

Discussion:

The proposed three-lot subdivision addition is consistent with the Modesto Urban Area General Plan, and would not physically divide an established community.

**20. AESTHETICS**

The Master EIR was certified for the Modesto Urban Area General Plan. The significant effects described in the 18 subject areas contained in the Master EIR, are based on the planning policies and diagrams adopted as part of the General Plan. At that level of detail, no significant effects on aesthetics were identified.

**a. Project-Specific Effects**

Determination of project effects will be based on the following threshold. A project-specific effect is less-than-significant unless:

- |  | YES                      | NO |
|--|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.  | <input type="checkbox"/> | X  |
| (2) The project would have a substantial adverse effect on a scenic vista.   | <input type="checkbox"/> | X  |
| (3) The project would substantially degrade the existing visual character or quality of the project site and its surroundings.             | <input type="checkbox"/> | X  |
| (4) The project would create a new source of substantial light and glare, which would adversely affect day or nighttime views in the area. | <input type="checkbox"/> | X  |

## V. MITIGATION MEASURES APPLIED TO THE PROJECT

### A. Master EIR Mitigation Measures Applied to the Project

Pursuant to CEQA Section 21157.1(c), in order for a Finding of Conformance to be made, all feasible measures from the Master EIR appropriate to the project shall be incorporated into the project. The following adopted General Plan Policies and Master EIR Mitigation Measures (also contained in Section III, "Global List") shall be made part of the project prior to approval by means of conditions of project approval or incorporation into the appropriate document or plan:

**Traffic and Circulation Measures:** N/A

#### **Air Quality Measures:**

- A. The City of Modesto shall work with the SJVUAPCD to reduce particulate matter emissions from construction, grading, excavation, and demolition to the maximum extent feasible.
- B. All disturbed areas, including storage piles, which are not being actively utilized for construction purposes, shall be effectively stabilized of dust emissions using water, chemical stabilizer/suppressant, covered with a tarp or other suitable cover or vegetative ground cover
- C. All land clearing, grubbing, scraping, excavation, land leveling, grading, cut & fill, and demolition activities shall be effectively controlled of fugitive dust emissions utilizing application of water or by presoaking.

#### **Noise Measures:**

The City's Noise Ordinance (Modesto Municipal Code Section 4-9.101) prohibits the "loud and raucous discharge into the open air of the steam of any steam equipment or exhaust from any stationary internal-combustion engine."

The Noise Ordinance prohibits the loud and raucous operation or use of any of the following before 7:00 a.m. or after 9:00 p.m. daily (except Saturday and Sunday and State or Federal holidays, when the prohibited time shall be before 9:00 a.m. and after 9:00 p.m.):

- 1. A hammer, or any other device or implement used to pound or strike an object.
- 2. An impact wrench, or other tool or equipment powered by compressed air.
- 3. A hand-powered saw.
- 4. Any tool or piece of equipment powered by an internal-combustion engine such as, but not limited to, chain saw, backpack blower, and lawn mower.
- 5. Any electrically powered (whether by alternating current electricity or by direct current electricity) tool or piece of equipment used for cutting, drilling, or shaping wood, plastic, metal, or other materials or objects, such as, but not limited to, a saw, drill, lathe, or router.

6. Any of the following: heavy equipment (such as but not limited to bulldozer, steam shovel, road grader, back hoe), ground drilling and boring equipment (such as but not limited to derrick or dredge), hydraulic crane and boom equipment, portable power generator or pump, pavement equipment (such as but not limited to pneumatic hammer, pavement breaker, tamper, compacting equipment), pile-driving equipment, vibrating roller, sand blaster, gunite machine, trencher, concrete truck, and hot kettle pump.
7. Any construction, demolition, excavation, erection, alteration, or repair activity. In the case of urgent necessity and in the interest of public health and safety, the Chief Building Official may issue a permit for exemption from these. Such period shall not exceed three (3) working days in length while the emergency continues but may be renewed for successive periods of three (3) days or less while the emergency continues. The Chief Building Official may limit such permit as to time of use and/or permitted action, depending upon the nature of the emergency and the type of action requested.
8. Construction equipment and vehicles should be equipped with properly operating mufflers according to the manufacturers' recommendations. Air compressors and pneumatic equipment should be equipped with mufflers, and impact tools should be equipped with shrouds or shields.

**Agricultural Land Measures:** N/A

**Water Supply Measures:** N/A

**Sanitary Sewer Service Measures:** N/A

**Sensitive Wildlife and Plant Habitat Measures:** N/A

**Archaeological or Historic Sites Measures:**

If archaeological resources are discovered at any time during construction, all activity shall cease until the site is surveyed by a qualified archaeologist. The survey shall include mitigation measures, which shall be implemented before construction resumes. The survey shall follow the criteria presented in Appendix K of the State CEQA Guidelines.

**Storm Drainage Measures:** N/A

**Flooding and Water Quality Measures:** N/A

**Parks and Open Space Measures:** N/A

**Schools Measures:** N/A

**Police Services:** N/A

**Fire Services:** N/A

**Generation of Solid Waste:** N/A

**Generation of Hazardous Materials:** N/A

**Potential for Landslides and Seismic Activity:** N/A

**Energy:** N/A

**Planning and Land Use:** N/A

**Aesthetics:** N/A

## **B. New or Additional Mitigation Measures or Alternatives Required**

Where the project's effects would exceed the specific thresholds defined for each environmental category, a mitigated negative declaration or Focused EIR must be prepared. Staff has reviewed the project against those thresholds set forth in the Master EIR for all applicable categories in this Initial Study. The following project-specific mitigation measures are necessary to reduce the identified new significant effect: None.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-032**

**A RESOLUTION INCREASING BUILDING PERMIT FEES AND AMENDING  
RESOLUTION NOS. 89-1003, 89-1004, 89-1005, 89-1006, 92-255, 93-263, 2003-446  
AND 2005-278**

WHEREAS, California Government Code Section 66014 authorizes development user fees which include but is not limited to fees for building inspections, building permits, and filing and processing applications, and

WHEREAS, Section 9-1.08 of the Modesto Municipal Code authorizes the City Council to establish building permit, plan checking and investigation fees in accordance with a schedule approved by the City Council from time to time by resolution, and

WHEREAS, Section 4-3.08 of the Modesto Municipal Code authorizes the Council to establish by resolution, investigation and permit fees relating to the moving of houses, and

WHEREAS, said development user fees are set forth in City Council Resolution Nos. 89-1003, 89-1004, 89-1005, 89-1006, 92-255, 93-263, 2003-446, and 2005-278, and

WHEREAS, a Process Improvement Task Force (PITF) was established in April 2004 with the task of creating a Development Process Improvement Program to address concerns regarding the development review process, and

WHEREAS, the PITF conducted a thorough evaluation of the current planning, building, engineering and landscape permit and plan approval process, and

WHEREAS, on October 11, 2004, the Economic Development Committee reviewed the preliminary recommendations of the PITF and recommended their approval to the full Council as follows:

- A. Enhance processes, systems and technology for more effective communication, coordination and decision-making
- B. Centralize information through the use of technology to track parallel activities and plan checks
- C. Establish uniform policies for application of standard specifications
- D. Standardize all application and plan submittal requirements
- E. Improve interdepartmental project condition referral and implementation processes, and

WHEREAS, on January 4, 2005, the City Council approved Resolution No. 2005-26, adopting the Development Process Improvement Program Action Plan that identified City staff responsibilities requiring the commitment of additional resources, and

WHEREAS, staff proposed that the additional resources necessary to fund the Action Plan come from an increase in building permit fees, and

WHEREAS, the building permit fee increases are outlined in the Building Permit Fee Schedule attached hereto as Exhibit "A", and

WHEREAS, the Finance Committee reviewed the Development Process Improvement Program Action Plan on October 21, 2005, and approved the fee increase on December 13, 2005, and recommended its adoption to the full Council, and

WHEREAS, the Development Process Improvement Program Action Plan and fee increase has been reviewed with both the Construction Industry Liaison Committee and the Building Industry Association who had no objection to the proposed fee increase, and

WHEREAS, said matter was set for public hearing of the City Council to be held on January 10, 2006, in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California, at which date and time said duly noticed public hearing was held.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the building permit fee increase as set forth in the Building Permit Fee Schedule attached hereto as Exhibit "A", and incorporated herein by this reference.

BE IT FURTHER RESOLVED that the Council finds that the California Environmental Quality Act (CEQA) does not apply to the adoption of this resolution pursuant to Sections 15378(b)(4).

BE IT FURTHER RESOLVED that the Council finds that should any fee, provision, clause, paragraph or subparagraph be held invalid or unconstitutional, that invalidity or unconstitutionality shall not affect other provisions or applications thereof which can be given effect without the invalid fee, provision, clause, paragraph, or subparagraph, and to this end, the provisions are declared severable. By adopting this resolution, the City Council hereby declares that it would have adopted this resolution without that fee, provision, clause, paragraph or subparagraph.

BE IT FURTHER RESOLVED by the City Council that this resolution shall take effect in accordance with the law sixty (60) calendar days from the date of adoption of this resolution.

BE IT FURTHER RESOLVED that Resolution Nos. 89-1003, 89-1004, 89-1005, 89-1006, 92-255, 93-263, 2003-446 and 2005-278 are hereby amended effective upon the effective date of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

NOES: Councilmembers: None

ABSENT: Councilmembers: None

ATTEST: Jean Zahr  
JEAN ZAHR, City Clerk

APPROVED AS TO FORM

By: Richard Rudnansky  
RICHARD RUDNANSKY, Interim City Attorney

**BUILDING PERMIT FEE SCHEDULE  
CITY OF MODESTO  
2006**

**BUILDING PERMIT FEE:**

Total Valuation:

\$1.00	to	\$2,000.00.....	\$68.00	
\$2,001.00	to	\$25,000.00.....	\$68.00	for the first \$2,000 plus \$10.00 for each additional \$1,000 or fraction thereof, to and including \$25,000
\$25,001.00	to	\$50,000.00.....	\$298.00	for the first \$25,000 plus \$7.27 for each additional \$1,000 or fraction thereof, to and including \$50,000
\$50,001.00	to	\$100,000.00.....	\$480.00	for the first \$50,000 plus \$5.00 for each additional \$1,000 or fraction thereof, to and including \$100,000
\$100,001.00	to	\$500,000.00.....	\$732.00	for the first \$100,000 plus \$3.90 for each additional \$1,000 or fraction thereof, to and including \$500,000
\$500,001.00	to	\$1,000,000.00.....	\$2,300.00	for the first \$500,000 plus \$3.36 for each additional \$1,000 or fraction thereof, to and including \$1,000,000
\$1,000,001.00	and up.....		\$3,980.00	for the first \$1,000,000 plus \$2.24 for each additional \$1,000 or fraction thereof

**PLAN CHECK FEE:**

65% of Building Permit Fee

**RESIDENTIAL (NEW SINGLE-FAMILY AND DUPLEX)**

Master Plan "all inclusive" fee (residential).....	\$.45	per square foot (house and garage)
Custom House "all inclusive" fee (residential) .....	\$.55	per square foot (house and garage)
Addition "all inclusive" fee (residential).....	\$.55	per square foot

**OTHER RESIDENTIAL FEES**

Remodel fee (residential)

Building Permit fee based on valuation ..... see "Building Permit Fee" Table above  
Plan Check ..... 65% of building permit fee

- Plumbing ..... \$68.00
- Mechanical ..... \$68.00
- Electrical ..... \$68.00

Reroof fee (residential) ..... \$170.00

Pool (residential) ..... \$447.00

Pool with Spa (residential) ..... \$617.00

Spa (residential) ..... \$202.00

HVAC replacement (residential) ..... \$73.00

HVAC new (residential) ..... \$202.00

Plumbing Permit (residential) ..... \$73.00

Mechanical Permit (residential) ..... \$73.00

Electrical Permit (residential) ..... \$73.00

**COMMERCIAL AND MULTIFAMILY FEES**

- Building Fees (commercial) -- (new, additions, excluding warehouses)

Building Permit fee based on valuation ..... see "Building Permit Fee Table" above  
Plan Check ..... 65% of building permit fee

Electrical fee.....\$.075 per square foot  
minimum \$68.00

Plumbing fee .....\$.053 per square foot  
minimum \$68.00

Mechanical fee.....\$.053 per square foot  
minimum \$68.00

- Shell Building Fees (commercial) -- (finished building without tenants)

Building Permit fee based on valuation ..... see "Building Permit Fee Table" above  
Plan Check ..... 65% of building permit fee

Electrical fee.....\$.075 per square foot  
minimum \$68.00

Plumbing fee.....	\$.053	per square foot minimum \$68.00
Mechanical fee.....	\$.053	per square foot minimum \$68.00

- Shell Building Fees (commercial) -- (unfinished interior)

Building Permit fee based on valuation .....	see "Building Permit Fee Table" above
Plan Check .....	65% of building permit fee

Electrical fee.....	\$68.00
Plumbing fee.....	\$68.00
Mechanical fee.....	\$68.00

- Tenant Improvements fees (commercial) -- (including commercial remodel and warehouse remodel)

Building Permit fee based on valuation .....	see "Building Permit Fee Table" above
Plan Check .....	65% of building permit fee

Electrical fee.....	\$.075	per square foot minimum \$68.00
Plumbing fee.....	\$.053	per square foot minimum \$68.00
Mechanical fee.....	\$.053	per square foot minimum \$68.00

- Warehouse Permit fees (commercial)

Building Permit fee based on valuation .....	see "Building Permit Fee Table" above
Plan Check .....	65% of building permit fee

Less than 20,000 Square Feet:

Electrical fee.....	\$.075	per square foot minimum \$68.00
Plumbing fee.....	\$.053	per square foot minimum \$68.00
Mechanical fee.....	\$.053	per square foot minimum \$68.00

Over 20,000 Square Feet:

Electrical fee.....	\$1,570 + .033 per square foot over 20,000 sq ft
Plumbing fee.....	\$1,120 + .023 per square foot over 20,000 sq ft
Mechanical fee.....	\$1,120 + .023 per square foot over 20,000 sq ft

**OTHER COMMERCIAL, MULTIFAMILY, AND WAREHOUSE FEES NOT CATEGORIZED ABOVE**

Plumbing Permit (commercial).....	\$68.00
Mechanical Permit (commercial) .....	\$68.00
Electrical Permit (commercial) .....	\$68.00

**STRONG MOTION INSTRUMENTATION FEE (EARTHQUAKE TAX)**

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-033**

**A RESOLUTION AMENDING THE FISCAL YEAR 2005-2006 OPERATING  
BUDGET TO INCREASE THE REVENUE BUDGETS OF THE COMMUNITY &  
ECONOMIC DEVELOPMENT DEPARTMENT AND PUBLIC WORKS  
DEPARTMENT TO IMPLEMENT THE DEVELOPMENT PROCESS  
IMPROVEMENT PROGRAM**

WHEREAS, on January 4, 2005, the City Council adopted Resolution 2005-26 approving the Development Process Improvement Program Action Plan that identified City staff tasks requiring the commitment of additional resources, and

WHEREAS, staff proposed that the additional resources necessary to fund the Action Plan come from an increase in building permit fees, and

WHEREAS, implementation of the Action Plan requires the additional resources and staff for FY05/06 as follows:

- 1 Software Analyst
- 1 Senior Planner
- 1 Associate Civil Engineer
- 1 AOA II
- Staff Training and Education
- Software and Technology Additions
- Customer Outreach, and

WHEREAS, on October 21, 2005, the Finance Committee reviewed the expenses necessary to support the continued implementation of the Development Process Improvement Program Action Plan and, on December 13, 2005, the Finance Committee approved said expenses and recommended their approval to the full Council, and

WHEREAS, the Development Process Improvement Program Action Plan has been reviewed by both the Construction Industry Liaison Committee and the Building Industry Association who had no objection to the fee increases and additional appropriations.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby amends the Fiscal Year 2005-2006 budget for salaries and expenses and increases the position allocations as follows:

A. Amend the Community & Economic Development Department operating budget

and position allocation to:

- a. Increase revenues by \$75,000 to Account Number 0100-140-1401-4001
- b. Increase salaries by \$11,000 to Account Number 0100-140-1430-0182
- c. Increase service credit expenses by \$24,000 to Account Number 0100-140-1401-0255
- d. Increase miscellaneous expenses by \$40,000 to Account Number 0100-140-1401-0260
- e. Add the following positions:
  - i. 1 Senior Planner
  - ii. 1 Administrative Office Assistant II

B. Amend the Information Technology Department operating budget and position

allocation to:

- a. Increase service credit revenue by \$24,000 to Account 0100-7130-0742-4909
- b. Increase salaries by \$24,000 to Account 0100-7130-0742-0182
- c. Add the following position:
  - i. 1 Software Analyst

C. Amend the Public Works operating budget to:

- a. Increase revenues by \$34,000 to Account Number 0100-420-4213-4000
- b. Appropriate \$34,000 to Account Number 0100-420-4213-0182
- c. Add the following position:
  - i. 1 Associate Civil Engineer

BE IT FURTHER RESOLVED that the Finance Director, or designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10th day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-034**

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MODESTO,  
ACTING AS THE LEGISLATIVE BODY OF CITY OF MODESTO  
COMMUNITY FACILITIES DISTRICT NO. 2004-1 (VILLAGE ONE #2),  
AUTHORIZING THE SALE AND ISSUANCE OF SPECIAL TAX BONDS OF  
SAID COMMUNITY FACILITIES DISTRICT, APPROVING DOCUMENTS  
RELATING THERETO AND AUTHORIZING AND DIRECTING CERTAIN  
RELATED ACTIONS**

WHEREAS, the City Council of the City of Modesto acting as the legislative body of City of Modesto Community Facilities District No. 2004-1 (Village One #2) (hereinafter sometimes referred to as the “legislative body of the Community Facilities District” or the “City Council”) has heretofore undertaken proceedings and declared the necessity to issue bonds on behalf of City of Modesto Community Facilities District No. 2004-1 (Village One #2) (the “Community Facilities District”) pursuant to the terms and provisions of the Mello-Roos Community Facilities Act of 1982, as amended, being Chapter 2.5, Part 1, Division 2, Title 5, of the Government Code of the State of California (the “Act”); and

WHEREAS, based upon a resolution adopted by the legislative body of the Community Facilities District on April 6, 2004 and an election held on April 6, 2004 authorizing the issuance of bonds by the Community Facilities District, the Community Facilities District is now authorized to issue bonds in one or more series, pursuant to the Act, in an aggregate principal amount not to exceed \$75,000,000; and

WHEREAS, the legislative body of the Community Facilities District intends to accomplish the financing of certain public improvements and appurtenances and

appurtenant work in connection with the foregoing, including acquisition and construction costs thereof (the “Facilities”), and the incidental expenses incurred and to be incurred in connection with financing the facilities, including costs associated with the formation of the Community Facilities District and the issuance of bonds and the establishment of a bond reserve fund (the “Incidental Expenses”) through the issuance of bonds designated as the “City of Modesto Community Facilities District No. 2004-1 (Village One #2) Special Tax Bonds, Series 2006” (the “Bonds”); and

WHEREAS, the Community Facilities District has determined all requirements of the Act for the issuance of the Bonds have been satisfied; and

WHEREAS, in connection with the authorization, sale and issuance of the Bonds and the acquisition and construction of the facilities, forms of the following documents have been presented to this City Council for approval:

1. the Trust Indenture, by and between The Bank of New York Trust Company, N.A., as trustee (the “Trustee”), and the Community Facilities District (the “Indenture”);
2. the Continuing Disclosure Agreement, executed by the Community Facilities District (the “Continuing Disclosure Agreement”);
3. the Preliminary Official Statement relating to the Bonds (the “Preliminary Official Statement”); and

4. the Bond Purchase Agreement relating to the Bonds (the “Bond Purchase Agreement”) by and between the Community Facilities District and UBS Securities LLC (the “Underwriter”); and

WHEREAS, all acts, conditions and things required by the laws of the State of California to exist, to have happened and to have been performed precedent to and in connection with the issuance of the Bonds do exist, have happened and have been performed in regular and due time, form and manner as required by law, and the Community Facilities District is now authorized and empowered, pursuant to each and every requirement of law, to authorize the execution and delivery of certain documents in order to sell the Bonds in the manner and upon the terms herein provided;

WHEREAS, it appears that each of the documents which is now before the City Council is in appropriate form and is an appropriate document to be executed and delivered for the purpose intended.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MODESTO, ACTING AS THE LEGISLATIVE BODY OF CITY OF MODESTO COMMUNITY FACILITIES DISTRICT NO. 2004-1 (VILLAGE ONE #2), DOES HEREBY RESOLVE, DETERMINE, AND ORDER AS FOLLOWS:

SECTION 1. The above recitals, and each of them, are true and correct.

SECTION 2. The proposed forms of the Indenture and the Continuing Disclosure Agreement are hereby approved; and each of the Mayor of the City and his or his designee and the District Administrator or his or her designee (the “Authorized

Officers”), acting alone, and the City Clerk are hereby authorized and directed for and in the name and on behalf of the Community Facilities District to execute, acknowledge and deliver to the respective other parties, the Indenture and the Continuing Disclosure Agreement in substantially said forms, with such additions thereto, completions thereof and/or changes therein as the officers executing the same may approve as necessary or desirable (consistent with the provisions of this Resolution and with form of the Bond Purchase Agreement approved pursuant hereto), such approval to be conclusively evidenced by the execution and delivery thereof.

SECTION 3. The issuance of the Bonds pursuant to the Indenture in an aggregate principal amount (not in excess of \$40,000,000) approved by the District Administrator or his or her designee as being necessary and appropriate in order to provide financing for the Facilities and the Incidental Expenses and to fund the various funds and accounts created by the Indenture in the amounts described in the Preliminary Official Statement (or as determined by the District Administrator or his or her designee), is hereby authorized. The Bonds shall mature on the dates and in the amounts, and bear interest at the rates, set forth in the Bond Purchase Agreement to be executed on behalf of the Community Facilities District in accordance with Section 9 hereof. The sum of (i) the aggregate principal amount of the Bonds so authorized plus (ii) the principal amount of all other bonds outstanding that are secured by a special tax levied pursuant to the Act on property within the Community Facilities District or a special assessment levied on such property (as shown in the Preliminary Official Statement under the caption “THE COMMUNITY FACILITIES DISTRICT – Direct and Overlapping Debt”) does not exceed one-third of the value of the property within the Community Facilities District

that will be subject to the Special Tax, as such value is estimated in an appraisal prepared for the Community Facilities District by Bender Rosenthal, Inc. of Sacramento, California (a copy of which is set forth in Appendix B to the Preliminary Official Statement).

SECTION 4. In connection with the issuance of the Bonds, each of the Authorized Officers, acting alone, and the City Clerk are hereby authorized and directed for and in the name and on behalf of the Community Facilities District to execute, acknowledge and deliver to the respective other parties such additional agreements, as the officers executing the same may approve (including, but not limited to an Investment Agreement, as defined in the Indenture) as necessary or desirable to provide reductions in the yields of Bonds or additional debt service relief or cash flow savings or increased payments to the Community Facilities District, such approval to be conclusively evidenced by the execution and delivery thereof.

SECTION 5. The Community Facilities District will covenant, for the benefit of the owners of the Bonds, to commence and diligently pursue to completion any judicial foreclosure proceedings regarding delinquent special taxes for the payment of interest or principal of the Bonds, such foreclosure action to be commenced, paid for and pursued as more completely set forth in the Indenture.

SECTION 6. The form of the Bonds, as set forth in the form of the Indenture (as the Indenture may be modified pursuant to Section 2 hereof), is hereby approved; and the Mayor and the City Clerk are hereby authorized and directed to execute them by manual or facsimile signature in the name and on behalf of the Community Facilities District.

SECTION 7. The proposed form of the Preliminary Official Statement is hereby approved with such changes thereto as may be approved by the District Administrator or his or her designee in order to make such Preliminary Official Statement final as of its date, except for the omission of certain information, as permitted by Section 240.15c2-12(b)(1) of Title 17 of the Code of Federal Regulations (the "Rule"); and the distribution of the Preliminary Official Statement in connection with the sale of the Bonds, with such changes included, is hereby authorized. Each of the Authorized Officers, acting alone, is authorized and directed to execute and deliver a certificate relating to compliance with the Rule. Each of the Authorized Officers, acting alone, is authorized and directed to execute and deliver to the Underwriter a final Official Statement in substantially the form of the Preliminary Official Statement hereby approved with such changes as may be approved by the officer executing said document as necessary or desirable, such approval to be conclusively evidenced by the execution and delivery thereof; and the distribution of such final Official Statement in connection with the sale of the Bonds is hereby authorized.

SECTION 8. In accordance with the provisions of Section 53360.4 of the Act, the City Council hereby finds and determines that a negotiated sale of the Bonds to the Underwriter in accordance with the terms of the Bond Purchase Agreement will result in a lower overall cost to the Community Facilities District than a sale conducted pursuant to Section 53360 of the Act.

SECTION 9. The proposed form of the Bond Purchase Agreement and the sale of the Bonds pursuant thereto are hereby approved, provided that (a) the Underwriter's discount (exclusive of any original issue discount, if any) shall not exceed one and one-

half percent (1.50%) of the original aggregate principal amount of the Bonds, (b) any original issue discount shall conform to the City's policies with respect thereto (c) the true interest cost of the Bonds shall not exceed six and one half percent (6.50%), (d) the final maturity of the Bonds shall be a date not later than thirty-five (35) years from the date the Bonds are issued and (e) the maturity dates and purchase price of and interest rates and original issue discount applicable to the Bonds shall have been approved by the District Administrator or his or her designee; and, subject to such approval, each of the Authorized Officers, acting alone, and the City Clerk are hereby authorized and directed to evidence the Community Facilities District's acceptance of the offer made by said Bond Purchase Agreement by executing and delivering to the Underwriter said Bond Purchase Agreement in said form with such changes therein as the officers executing the same may approve as necessary or desirable, such approval to be conclusively evidenced by the execution and delivery thereof.

SECTION 10. In the event that the District Administrator is unavailable to execute and deliver any of the documents that the District Administrator is authorized to execute and deliver pursuant to the terms of this Resolution, then the City Manager or his or her designee is hereby authorized and directed to do so as an Authorized Officer hereunder.

SECTION 11. Each of the Authorized Officers and other officers of the City of Modesto, acting alone, is hereby authorized and directed, jointly and severally, to execute and sign any and all approvals, certificates, statements, requests, requisitions and orders of the Community Facilities District in connection with the issuance of the Bonds; and any action specifically authorized or directed by this Resolution to be undertaken by any

of such officers may be undertaken by either of the others with the same force and effect as if it had been undertaken by the officer specifically authorized or directed to do so.

SECTION 12. If and to the extent that any provision of this Resolution or of any of the documents approved pursuant hereto is inconsistent with the City's policies and procedures for the formation, annexation and administration of community facilities districts, said policies and procedures are hereby waived.

SECTION 13. If any section, paragraph or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any remaining provisions of this Resolution.

SECTION 14. All actions heretofore taken by the officers and agents of the Community Facilities District with respect to the establishment of the Community Facilities District and the sale and issuance of the Bonds are hereby approved, confirmed and ratified, and each of the Authorized Officers, acting alone, is hereby authorized and directed to do any and all things and take any and all actions and execute any and all certificates, agreements and other documents, which they, or any of them, may deem necessary or advisable in order to consummate the lawful issuance and delivery of the Bonds, in accordance with this Resolution, and any certificate, agreement, and other document described in the documents herein approved.

SECTION 15. This Resolution shall take effect from and after its adoption.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10<sup>th</sup> day of January 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-035**

**A RESOLUTION DENYING THE APPEAL OF CHARLES EVINS ON BEHALF  
OF NEW BETHANY MISSIONARY BAPTIST CHURCH FOR PAYMENT OF A  
FEE INCREASE IN THE FILING FEES FOR AN AMENDMENT TO A  
CONDITIONAL USE PERMIT**

WHEREAS, California Government Code Section 66014 authorizes fees for zoning variances and changes, use permits, building inspections, building permits, and filing and processing applications, and

WHEREAS, Sections 10-2.1704, 10-2.2506, 10-2605, 10-2.2.703 and 10-2.2803 of the Modesto Municipal Code authorizes the Council to establish by resolution the filing fees for each planning application filed pursuant to Chapter 2 of Title 10 of said Code, and

WHEREAS, on June 24, 2003, the Council established a policy to recover most fees at full cost, and

WHEREAS, the Council adopted Resolution No. 2003-446 on August 12, 2003, which established new filing fees for planning applications filed pursuant to Chapter 2 of Title 10 of the Municipal Code, and

WHEREAS, on December 9, 2005, Charles Evins on behalf of New Bethany Missionary Baptist Church has filed an application for an amendment to a conditional use permit and paid the filing fee of \$5,273 as established by Council Resolution, No. 2005-278, and

WHEREAS, Charles Evins appealed the payment of the filing fee by a letter submitted to the office of the City Clerk on December 13, 2005, and

WHEREAS, said appeal was set before the City Council on January 10, 2006, and

WHEREAS, after said meeting the City Council determined that the appeal of Charles Evins on behalf of New Bethany Missionary Baptist Church should be denied as being inconsistent with adopted City policy to recover the full costs of providing services on planning applications, as expressed in City Council Resolution No. 2003-466.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby denies the appeal of Charles Evins on behalf of New Bethany Missionary Baptist Church for payment of a fee increase in the filing fees for an amendment to a conditional use permit.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10<sup>th</sup> day of January 2006, by Councilmember O'Bryant, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-036**

**A RESOLUTION AUTHORIZING THE AWARD OF BID AND CONTRACT  
FOR TWO (2), NEW, CURRENT YEAR/MODEL, HYBRID  
GASOLINE/ELECTRIC, TOYOTA PRIUS SEDAN VEHICLES TO GEWEKE  
TOYOTA SCION OF LODI, CA., FOR A TOTAL ESTIMATED AMOUNT OF  
54,109.31 AND REJECTING THE BID OF GEWEKE TOYOTA SCION OF  
LODI, CA., FOR ONE (1) TOYOTA HIGHLANDER, SPORT UTILITY  
VEHICLE**

WHEREAS, the Public Works Department-Fleet Services has requested the purchase of two (2), new, current year/model, hybrid Toyota Prius Sedan vehicles, and one (1) new, current year model, hybrid gasoline/electric, Toyota Highlander Sport Utility vehicle, and

WHEREAS, Resolution No. 2005-381 authorized the Purchasing Supervisor to solicit formal bids for new vehicles and heavy equipment throughout FY 05/06 through various competitive processes, with the Purchasing Division coming back to Council for award authorization, and

WHEREAS, the Toyota Prius Sedans will be used by the Modesto Police Department Records Division for work such as issuing subpoenas and other miscellaneous work completed by police assistance employees, and

WHEREAS, current performance guidelines call for us to explore new technology and implement when it is prudent to do so, and

WHEREAS, the Fleet Services Division fully expects the state to impose new mandates for alternative fuel vehicles in municipal fleets, and

WHEREAS, in preparation to meet those mandates we are researching our options and developing a plan for integration of those vehicles into our fleet, and

WHEREAS, our first purchase of a Toyota Prius in 2001 has given us operating data to support the reliability of this equipment, and

WHEREAS, these purchases will expand the use to the records division of the Police Department for multiple local users including the issuance of subpoenas, and

WHEREAS, these purchases will be “banked” as credits toward future mandates, and

WHEREAS, the Toyota Prius is extremely fuel efficient and shows our community our desire to be environmentally responsible, and

WHEREAS, the Toyota Highlander was targeted for use by the wastewater treatment plant for miscellaneous transportation to complete errands throughout the City and between treatment sites, and

WHEREAS, the Purchasing Division solicited formal bids for two (2), new, current year/model, hybrid gasoline/electric, Toyota Prius Sedan vehicles and one (1), new, current year/model, hybrid gasoline/electric, Toyota Highlander, Sport Utility vehicles on Request for Bid (RFB) 0506-15, and

WHEREAS, fourteen (14) vendors were solicited, two (2) of which were local vendors, and

WHEREAS, out of the fourteen (14) vendors solicited, one (1) chose to respond, and

WHEREAS, the Purchasing Division and the Public Works-Fleet Services staff evaluated bids, and

WHEREAS, the total approximate cost for the two (2), new, current year/model hybrid gasoline/electric, Toyota Prius Sedan vehicles is approximately \$54,109.31 including freight and sales tax, and

WHEREAS, Geweke Toyota Scion of Lodi, CA., is the lowest responsive and responsible bidder, and

WHEREAS, the bid received on RFB 0506-15 from Geweke Toyota Scion of Lodi, CA., for one (1), new, current year/model, hybrid gasoline/electric, Toyota Highlander, Sport Utility Vehicle is over the budgeted amount of \$25,000.00, and

WHEREAS, Modesto Municipal Code Section 8-3.203 requires all purchases which meet or exceed \$50,000 for material and equipment or contractual services to be formally bid, and

WHEREAS, this Request for Bid (RFB) process conforms to City Code, and

WHEREAS, the City Council has appropriated funds for two (2), new, current year/model, hybrid gasoline/electric, Toyota Prius Sedan vehicles and one (1), new, current year/model, hybrid gasoline/electric, Toyota Highlander Sport Utility Vehicle in account numbers: 7210-480-5814-5327 and 6210-480-5212-5700 (FLEET EQUIPMENT REPLACEMENT), and

WHEREAS, the Purchasing Division has coordinated the solicitation of and evaluation of bids for two (2), new, current year/model, hybrid gasoline/electric, Toyota Prius Sedan vehicles and one (1), new, current year/model, hybrid gasoline/electric, Toyota Highlander, Sport Utility vehicle with the Public Works Department-Fleet Services staff, and

WHEREAS, City staff has recommended that the bid for one (1) Toyota Highlander, Sport Utility vehicle be rejected,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby awards the bid and contract for two (2) new, current year/model, hybrid gasoline/electric, Toyota Prius vehicles to Geweke Toyota Scion of Lodi, CA., for a total estimated annual cost of \$54,109.31.

BE IT FURTHER RESOLVED that the Purchasing Division is hereby authorized to issue a purchase order for two (2), new, current year/model, hybrid gasoline/electric, Toyota Prius vehicles for a total estimated cost of \$54,109.31.

BE IT FURTHER RESOLVED that the bid from Geweke Toyota Scion of Lodi, CA., for one (1) Toyota Highlander Sport Utility vehicle is hereby rejected.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 24<sup>th</sup> day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-037**

**A RESOLUTION AUTHORIZING THE AWARD OF BID AND CONTRACT  
FOR SEVEN (7), NEW, CURRENT YEAR/MODEL, HONDA POLICE  
MOTORCYCLES TO HONDA OF MODESTO FOR A TOTAL ESTIMATED  
AMOUNT OF 102,777.20**

WHEREAS, the Public Works Department-Fleet Services Division has requested the purchase of seven (7), new, current year/model, Honda Police Motorcycles, and

WHEREAS, Resolution No. 2005-381 authorized the Purchasing Supervisor to solicit formal bids for new vehicles and heavy equipment throughout FY 05/06 through various competitive processes, with the Purchasing Division coming back to Council for award authorization, and

WHEREAS, the Modesto Police Department currently has sixteen (16) Harley Davidson Police motorcycles, and

WHEREAS, based on a two (2) year replacement cycle, seven (7) of those motorcycles are scheduled to be replaced this year, and

WHEREAS, the two year warranty and current rotation replacement cycle results in lower operational costs on these motorcycles, and

WHEREAS, in October 2005, Fleet Service Division in conjunction with the Modesto Police Department did an analysis of the Harley and Honda motorcycles, and

WHEREAS, the analysis showed the Honda ST1300 outperformed the Harley in terms of rideability, performance, and braking efficiency as demonstrated in the following areas: more efficient braking system; capable of shorter stopping distances; 200 pounds lighter in weight; water-cooled engine; equipped with body panels that direct engine heat

away from the officer; more maneuverable; tighter turning radius; better around clearance; larger saddlebags; and protects better from the elements, and

WHEREAS, the Purchasing Division solicited formal bids for seven (7), new, current year/model, Honda Police motorcycles on Request for Bid, 0506-16, and

WHEREAS, twelve (12) vendors were solicited, one (1) of which is a local vendor, and

WHEREAS, out of twelve (12) vendors solicited, three (3) chose to respond, and

WHEREAS, one (1) bid received was deemed to be non-responsive because the vendor only submitted one signed original bid, and

WHEREAS, the Purchasing Division and Public Works-Fleet Services Division staff evaluated the bids, and

WHEREAS, the total cost for the seven (7), new, current year/model, Honda Police motorcycles is approximately \$102,777.20 including freight and sales tax, and

WHEREAS, Honda of Modesto was deemed to be the lowest responsive and responsible bidder, and

WHEREAS, Modesto Municipal Code Section 8-3.203 requires all purchases which meet or exceed \$50,000 for material and equipment or contractual services to be formally bid, and

WHEREAS, this Request for Bid (RFB) process conforms to City code, and

WHEREAS, the City Council has appropriated funds for seven (7), new, current year/model, Honda Police motorcycles in account numbers: 7210-480-5814-5322 (FLEET EQUIPMENT REPLACEMENT), and

WHEREAS, the Purchasing Division has coordinated the solicitation of and evaluation of bids for seven (7), new, current year/model, Honda Police motorcycles with the Public Works Department-Fleet Services staff,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby awards the bid and contract for seven (7) new, current year/model, Honda Police motorcycles to Honda of Modesto for a total estimated cost of \$102,777.20.

BE IT FURTHER RESOLVED that the Purchasing Division is hereby authorized to issue a purchase order for seven (7), new, current year/model, Honda Police motorcycles for a total estimated cost of \$102,777.20.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 24<sup>th</sup> day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-038**

**A RESOLUTION 1) APPROVING A GRANT APPLICATION FOR \$301,500 FROM THE STATE OF CALIFORNIA'S DEPARTMENT OF WATER RESOURCES' CALFED WATERSHED PROGRAM 2005 TO HELP CONTINUE THE TUOLUMNE RIVER COALITION INTO A SECOND PHASE OF WORK WITH THE TUOLUMNE RIVER AND 2) AUTHORIZING THE CITY OF MODESTO TO ACT AS THE FISCAL AGENT FOR THE TUOLUMNE RIVER COALITION FOR THE PROCUREMENT AND MANAGEMENT OF A PROJECT COORDINATOR FOR A PERIOD OF THREE YEARS**

WHEREAS, the State of California's Department of Resources' CALFED Watershed program has made funding available through its Watershed Program 2005 through Proposition 50, and

WHEREAS, the continuation and development of the Tuolumne River Coalition is consistent with the CALFED Watershed Program and the City of Modesto's interest in the Coalition and its effect on the Tuolumne River Regional Park, and

WHEREAS, said procedures established by the State of California's Department of Water Resources' CALFED program require the applicant's governing body to certify by resolution the approval of the applicant before submission of said application to the State, and

WHEREAS, the applicant will enter into a contract with the State of California for the Project, and

WHEREAS, in order to complete the project submitted to the CALFED Program the City of Modesto will act as the fiscal agent for the Tuolumne River Coalition for the procurement and management of a project coordinator for a period of three years,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby:

1. Approves the filing of an application for \$301,500 in local assistance funds from the State of California's Department of Water Resources through the CALFED Watershed program 2005; and
2. Certifies that the application has or will have sufficient funds to operate and maintain the Project; and
3. Certifies that the City of Modesto staff has reviewed, understands, and agrees to the General Provisions contained in the contract shown in the Procedural Guide; and
4. Authorizes the City of Modesto to act as the fiscal agent for the Tuolumne River Coalition for the procurement and management of a project coordinator for a period of three years.
5. Authorizes the City Manager, or his designee, as agent to conduct all negotiations, execute and submit all documents including, but not limited to, applications, agreements, payment requests and so on, which may be necessary for the completion of the Project.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 24th day of January, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-043**

**A RESOLUTION APPROVING A THIRD AMENDMENT TO THE  
AGREEMENT WITH CALLANDER ASSOCIATES LANDSCAPE  
ARCHITECTURE, INC., INCREASING THE CONTRACT AMOUNT BY  
\$14,340, PLUS \$10,000 FOR CONTINGENCIES, TO PROVIDE ADDITIONAL  
SERVICES RELATED TO THE BIDDING AND CONSTRUCTION  
ADMINISTRATION FOR THE ROTARY CENTENNIAL JUNCTION PHASE  
OF THE VIRGINIA AVENUE CORRIDOR BIKE TRAIL PROJECT, AND  
AUTHORIZING THE CITY MANAGER TO EXECUTE THE THIRD  
AMENDMENT**

WHEREAS, the Virginia Avenue Corridor Trail Project (“Project”) consists of conversion of the abandoned, 4.2 mile Union Pacific Railroad corridor – from City’s central business district at Needham Avenue to the northern City boundary at Bangs Avenue – to a premier linear park with Class I bikeway and pedestrian trail, and

WHEREAS, the City has hired Callander and Associates, a landscape architecture firm, to prepare the Specific Plan for the project, and

WHEREAS, the original Agreement included a professional service fee to Callander of \$304,000 and was approved by City Council on October 8, 2001, and

WHEREAS, since that time, the Agreement has been amended twice: first, for additional services related to the preparation of environmental documents; and second, for additional services related to construction documents for the first trail construction phase, also know as the Rotary Centennial Junction trail project, and

WHEREAS, a Third Amendment to the Agreement is needed so that Callander Associates may continue to devote the necessary staff time for construction support tasks associated with the Rotary Centennial Junction trail project, and

WHEREAS, the Transportation Policy Committee met on September 20, 2001, and recommended awarding a professional service contract to Callander Associates Landscape Architecture for the preparation of a Specific Plan for the 4.2 mile linear park/Class I bikeway in the Virginia Avenue Corridor, and

WHEREAS, the Safety and Communities Committee met on March 31, 2003, and recommended approval of an Amendment to the Agreement with Callander Associates to provide additional services related to the preparation of environmental documents for the Virginia Avenue Corridor Specific Plan project, and

WHEREAS, the Safety and Communities Committee met on November 3, 2003, and recommended approval of the Specific Plan, a Second Amendment to the Agreement with Callander Associates and expenditure of Proposition 40 Per Capita Funds in the amount of \$116,000 to fully fund this phase of project 0520-310-M139, and

WHEREAS, the Modesto Planning Commission met on December 15, 2003, and adopted resolutions to recommend that the City Council approve the Specific Plan and adopt the Mitigated Negative Declaration/Findings of No Significant Impact for the proposed Project,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves a Third Amendment to the Agreement with Callander Associates Landscape Architecture, Inc., increasing the contract amount by \$14,340, plus \$10,000 for contingencies, to provide additional services related to the bidding and construction administration for the Rotary Centennial Junction phase of the Virginia Avenue Corridor bike trail project.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the amendment to the agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 24<sup>th</sup> day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

IMPROVEMENT PROGRAM TO TRANSFER \$55,350 FROM 1350-800-8000-  
8003, PARKS CFF RESERVE, TO 1350-310-P406, STOCKARD COFFEE SHADE  
STRUCTURE**

WHEREAS, Stockard Coffee Neighborhood Park, located at 1800 Mable Avenue, is a 5-acre park sited next to Stockard Coffee Elementary School, and

WHEREAS, initial park development occurred in 2001 and included landscaping, a basketball court, play equipment, drinking fountain, picnic tables, pathways and space for a future shade structure and group picnic area, and

WHEREAS, staff now desires to develop the shade structure, and

WHEREAS, funding is available in 1350-800-8000-8003, the Parks Capital Facilities Fees Reserve,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves amending the Fiscal Year 2005-06 Capital Improvement Program to transfer \$55,350 from 1350-800-8000-8003, Parks CFF Reserve, to 1350-310-P406, Stockard Coffee Shade Structure.

BE IT FURTHER RESOLVED that the Finance Director, or her designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

RESOLUTION NO. 2006-045**

**A RESOLUTION REVISING THE POSITION CLASSIFICATION PLAN  
FOR THE CITY OF MODESTO**

WHEREAS, a Position Classification Plan for the City of Modesto was adopted by Modesto City Council Resolution 88-338 pursuant to Rule 2 of the Personnel Rules and Regulations of the City of Modesto, and

WHEREAS, the City Manager has recommended to the Council amendments to the Position Classification Plan, and

WHEREAS, Rule 2.2 of the City of Modesto Personnel Rules provides that revisions to the Classification Plan shall be effective upon adoption of resolution of the City Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION I. CLASSIFICATION CREATED. The Position Classification Plan of the City of Modesto is hereby amended to create the following classification:

Supervising Animal Control Officer

The job specification for this classification is being created to serve as a first level supervisor to the Animal Control Unit. The job specification for the classification of Supervising Animal Control Officer, as shown on the attached **Exhibit "A,"** which is hereby made a part of this resolution by reference, is hereby approved and made part of the Position Classification Plan of the City of Modesto.

SECTION 2. EFFECTIVE DATE. This resolution shall become effective on and after January 24, 2006.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 24th day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

## SUPERVISING ANIMAL CONTROL OFFICER

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

### DEFINITION

Plan, organize and supervise Animal Control operations; *to protect citizens from dangerous or hazardous animals*; to ensure proper enforcement of City and local ordinances governing the care and keeping of domestic and wild animals in the City; to capture and impound animals, as appropriate, to promote responsible pet ownership and to perform a variety of community relations, administrative and technical duties.

Note: When working in a field setting, the Supervising Animal Control Officer is required to carry a firearm and wear a ballistic vest.

### DISTINGUISHING CHARACTERISTICS

Supervising Animal Control Officer is the supervisory level in the Animal Control Officer series. The position is a working supervisor, with responsibility for supervising Animal Control Officers and assigned technical and administrative staff, while also functioning as a technically experienced field officer. This class is distinguished from Animal Control Officer II in that the latter is a journey level class, while Animal Control Supervisor is the supervisory level.

### SUPERVISION RECEIVED AND EXERCISED

Receives direction from a Police Lieutenant or other management staff. Exercises direct and indirect supervision over Animal Control Officers and assigned technical and administrative staff.

ESSENTIAL AND MARGINAL FUNCTION STATEMENTS – Essential and other important responsibilities and duties include, but are not limited to, the following:

#### Essential Functions:

Supervise, evaluate and coach assigned staff; maintain discipline and ensure all rules, policies and procedures are enforced; advise and counsel subordinates; prepare performance evaluations; follow up on problems and complaints; participate in selection of staff.

Exhibit "A"

Essential Functions: (Continued)

Schedule personnel for shifts, ensure sufficient shift coverage and adjust shift schedules to fill vacancies, determine overtime needs and authorize overtime; prioritize calls and assignments.

Oversee training and orientation of new staff; train department personnel on animal control techniques, animal handling, tranquilizing, animal behavior, and common diseases of animals, human behavior, handling stress, crisis intervention, and report writing.

Interpret animal control laws, regulations, ordinances policies and procedures; recommend, coordinate and implement unit policy and procedures; advise Animal Control Officers on complex issues or calls.

Investigate reports or complaints of dogs, cats or other animals creating nuisances, use tactical communication style to de-escalate situations and use mediation techniques to reconcile various complaints.

Investigate reports of animal cruelty or abuse, and take appropriate action.

Patrol City streets, roads and parks; search for stray or abandoned animals; capture and confine animals using appropriate procedures; impound and quarantine animals, as appropriate; enforce City animal control and licensing laws; issue citations for violations of animal control and licensing ordinances.

Administer vaccines and provide first aid medical treatment to animals; may euthanize severely injured animals.

Write incident reports, gather evidence, prepare and present cases at administrative hearings; prepare and maintain a variety of records and reports; maintain inventories of medications supplies.

Maintain contact with citizens regarding animal control issues and problems and preserve good relationships with the general public; explain ordinances relating to the care and keeping of animals to the public; provide information regarding policies and procedures used by Animal Control Officers; conduct educational seminars and presentations promote and provide education to the public regarding the keeping and caring of pets.

Work with other department personnel, city staff and the public in the areas of assigned functional responsibilities.

Exhibit "A"

Essential Functions: (Continued)

Attend meetings and respond to questions and complaints; receive and investigate complaints, resolve or recommend resolutions of complaints; implement corrective actions, policy amendments or other actions to address complaints.

May assist Police Officers on high risk operations including dynamic and tactical entries, searches, and in serving arrest warrants, when vicious dogs may be present.

May make warrantless arrests related to penal code 830.9; interview victims, complainants and witnesses.

Present and maintain a positive and professional image of the police department; participate in community oriented policing.

Marginal Functions:

Perform related duties as assigned.

QUALIFICATIONS

Knowledge of:

Principles and practices of supervision and training; basic principles of public sector personnel management.

Applicable rules and regulations relating to laws and regulations governing the licensing, quarantine, impounding, care, release and disposal of animals.

PC 830 and 832 related to animal control, powers of arrest and use of firearms.

Principles and practices of humane apprehension and care of animals.

Physical and behavioral characteristics of common breeds of domestic animals.

Police protocols and standard operating procedures.

First aid and CPR procedures and practices.

Symptoms of common animal diseases.

Exhibit "A"

Knowledge of: (Continued)

Methods and equipment used in handling various types of animals and reptiles.

General safety requirements.

Procedures and techniques for working with the public in a tactful but firm manner.

Basic personal computer operation.

Ability to:

Supervise, train, plan, organize and review the work of assigned staff; coach and counsel staff.

Exercise independent judgment and make sound decisions in emergency situations.

Communicate clearly and concisely, both orally and in writing; write defensible reports.

Evaluate and establish priorities; handle simultaneous events effectively.

Establish and maintain effective working relationships with coworkers, subordinates and supervisors, other departments, outside agencies and the public including the ability to resolve conflicts.

Interact with the public displaying a high degree of courtesy, tact, compassion and poise.

Administer humane euthanasia to animals, as necessary.

Maintain neat and accurate logs, records, and related forms; maintain inventories of supplies, medications and drugs

Perform a variety of animal control activities such as animal handling, capturing, and confining including mitigating the most complex cases.

Enforce animal regulations and ordinances.

Provide high level of expertise in conduct of investigations into more involved problems, i.e. animal abuse/cruelty cases.

Exhibit "A"

Ability to: (Continued)

Interpret and apply applicable laws, ordinances and regulations.

Learn the operation of standard equipment required for job performance including the use of a computer and police radio.

Use maps and learn City geography.

Use and care for firearms.

Experience and Training Guidelines

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

License or Certificate:

Possession of an appropriate, valid driver's license at time of application; valid California driver's License by time of appointment.

Possession of a POST approved P.C. 832 Certificate is required by the end of probationary period.

Possession of level one and level two certificates of completion from the National Animal Control Association (NACA) Training Academy is required by the end of probationary period. Failure to obtain the required certificates will result in release from probation.

Possession of a level three certificate of completion from the National Animal Control Association (NACA) Training Academy is desirable.

Experience:

Three years of progressively responsible experience in a governmental animal control agency or humane society performing animal control responsibilities including a minimum of one (1) year as a lead worker or supervisor

OR

Two (2) years as an Animal Control Officer II with the City of Modesto.

Exhibit "A"

Training:

Equivalent to the completion of the twelfth grade.

WORKING CONDITIONS

Environmental Conditions:

Field environment; travel from site to site. Hot and cold temperatures; inclement weather.

Physical Conditions:

Essential and marginal functions may require gaining and maintaining control of large and often aggressive animals; lifting/carrying medium-heavy objects of up to 75 lbs. of weight, maintaining physical condition necessary for standing, squatting, twisting, running, stooping and walking for prolonged periods of time; operating motor vehicle and other equipment.

Work Assignment:

Wear a Police Department approved uniform and related equipment including firearm and ballistic vest. Subject to irregular work shifts including evening, weekend and holiday shift assignments.

Must be able to pass a police background investigation.

**MODESTO CITY COUNCIL

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-047**

**A RESOLUTION REVISING THE POSITION CLASSIFICATION PLAN  
FOR THE CITY OF MODESTO**

WHEREAS, a Position Classification Plan for the City of Modesto was adopted by Modesto City Council Resolution 88-338 pursuant to Rule 2 of the Personnel Rules and Regulations of the City of Modesto, and

WHEREAS, the City Manager has recommended to the Council amendments to the Position Classification Plan, and

WHEREAS, Rule 2.2 of the City of Modesto Personnel Rules provides that revisions to the Classification Plan shall be effective upon adoption of resolution of the City Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION I. CLASSIFICATIONS AMENDED. The Position Classification Plan of the City of Modesto is hereby amended to revise the job specifications for the following classifications:

1. Equipment Operator
2. Senior Equipment Operator

Said classifications are being amended to revise the job specifications to better reflect the requirements of the various job classifications, specifically state and federal licensing and certification requirements.

SECTION 2. EFFECTIVE DATE. This resolution shall become effective on and after January 24, 2006.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 24th day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

## EQUIPMENT OPERATOR

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

### DEFINITION

To operate construction, maintenance and transportation equipment including cranes in a variety of maintenance activities including refuse collection, street repair, water and wastewater maintenance and related operations according to required standards; and to perform semi-skilled and skilled maintenance tasks.

### SUPERVISION RECEIVED AND EXERCISED

Receives general supervision from higher level supervisory and management staff.

May exercise functional and technical supervision over lower level maintenance staff.

ESSENTIAL AND MARGINAL FUNCTION STATEMENTS – Essential and other important responsibilities and duties may include, but are not limited to, the following:

#### Essential Functions:

Drive and operate construction equipment on routine assignments, including dump trucks, packer trucks, equipment trailers, tractors, vectors, rollers, cranes and loaders.

Load and transport heavy construction equipment to and from the work site using a large dump truck and trailer.

Identify equipment needs for each assigned project.

Pick up and transport refuse to the appropriate dumping site.

Operate jackhammer and other construction tools.

Perform minor repairs on equipment and report the need for major repairs; check and adjust fluid level; grease and lubricate moving parts as required.

Essential Functions: (Continued)

Perform additional construction and maintenance tasks such as concrete work, truck driving, asphalt spreading, jackhammering and a variety of repair activities when equipment is not in use.

Provide training to lower level staff in the operation of equipment.

Install traffic cones and barricades as necessary.

Clean and care for tools and equipment.

Perform on-call duties as required.

Marginal Functions:

Perform related duties as assigned.

QUALIFICATIONS

Knowledge of:

Operation and maintenance requirements of trucks and less complex power-driven equipment.

Practices, methods, and materials used in construction, maintenance, and sanitation work.

Traffic laws, ordinances, and rules involved in truck and equipment operations.

Safe work practices; working in and around open trenches.

Traffic control on construction sites.

Concrete tools and finishing.

Ability to:

Operate a variety of less complex-driven equipment.

Attach auxiliary pieces of equipment to power-driven equipment.

Locate utilities and understand Underground Service Alert (USA) procedures.

Ability to: (Continued)

Perform a variety of semi-skilled and skilled construction maintenance tasks.

Perform heavy manual labor, including, but not limited to, lifting and carrying 50 to 100 pounds of weight, climbing, bending, stooping, etc.

Understand and follow oral and written instructions.

Work independently or in a crew situation, as assigned.

Work in confined workspaces and follow confined space entry procedures.

Handle contaminated materials and equipment.

Establish and maintain cooperative-working relationships with those contacted in the course of work.

Experience and Training Guidelines

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Experience:

Two years of increasingly responsible experience performing maintenance work involving the operation of light and medium size equipment.

Training:

Formal or informal education or training which ensures the ability to read and write at a level necessary for successful job performance.

License or Certificate:

Possession of a valid Class A or Class B Commercial California Driver's License with specific endorsements, as assigned, is required within 45 days of appointment. Failure to obtain the required license may result in release from probation or termination.

When assigned, possession of a valid crane operators certificate, issued by the National Commission of Crane Operators is required within six months of assignment.

WORKING CONDITIONS

Environmental Conditions:

Field environment; travel from site to site; exposure to inclement weather conditions.

Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for walking, standing or moving for prolonged periods of time; operating motorized equipment and vehicles for an entire work shift.

## SENIOR EQUIPMENT OPERATOR

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

### DEFINITION

To operate the most difficult and complex heavy construction, maintenance and transportation equipment in a variety of maintenance activities including excavating, grading, trenching, exposing utilities, loading and related operations according to required standards; and to perform ~~semi-skilled~~ skilled maintenance tasks.

### SUPERVISION RECEIVED AND EXERCISED

Receives general supervision from higher level supervisory and management staff.

Exercises functional and technical supervision over lower level maintenance staff.

ESSENTIAL AND MARGINAL FUNCTION STATEMENTS - Essential and other important responsibilities and duties may include, but are not limited to, the following:

#### Essential Functions:

Operate heavy construction equipment such as backhoes, motor graders, large front-end loaders, and cranes for a variety of construction operations involving streets, drainage systems, water lines, sidewalks, curbs and gutters.

May provide lead supervision to a small crew of lower level maintenance staff.

Break out and load asphalt and concrete onto large dump trucks.

Grade and crown City streets, roads and alleys using a motor grader; roll asphalt asphalt milling machine, excavator and paving machine, when assigned to Streets.

Identify equipment needs for each assigned project.

Perform minor repairs on equipment and report the need for major repairs; check and adjust fluid level; grease and lubricate moving parts as required.

Essential Functions: (Continued)

Perform daily DMV vehicle inspections; document and inspect equipment for safety and wear.

Perform additional construction and maintenance tasks such as concrete work, truck driving, asphalt spreading, jackhammering and a variety of repair activities when equipment is not in use.

Provide training to lower level staff in the operation.

Marginal Functions:

Perform related duties as assigned.

QUALIFICATIONS

Knowledge of:

Operation and maintenance requirements of trucks and heavy power-driven equipment.

Practices, methods, and materials used in construction and maintenance work, based on assignment.

Traffic laws, ordinances, and rules involved in truck and heavy equipment operations.

Safe work practices; trench safety and shoring methods.

Working in and around open trenches, traffic, construction equipment and utilities.

Traffic control on construction sites.

Principles of personnel supervision and training.

Ability to:

Operate a variety of complex heavy power-driven equipment.

Locate utilities and be familiar with Underground Service Alert (U.S.A.) procedures.

Perform a variety of ~~semi-skilled~~ and skilled construction and maintenance tasks.

Ability to: (Continued)

Load equipment on tractors for transport.

Learn the geography and street system of the City the area, based on assignment.

When assigned to Water, work with and around hazardous materials specific to water systems and water treatment.

When assigned to Water, perform maintenance repair and installation of water system equipment and machinery.

Read blue prints; participate in construction meetings.

Perform maintenance on assigned equipment in an efficient, safe manner.

Understand and follow oral and written instructions.

Depending on assignment, follow appropriate procedures for handling hazardous materials such as asbestos and chlorine.

Work independently or in a crew situation, as assigned.

Set up and work in construction sites at night, in adverse weather, or in emergencies.

Supervise and train lower-level assigned maintenance staff.

Establish and maintain cooperative-working relationships with those contacted in the course of work.

Occasionally lift up to 100 pounds.

Experience and Training Guidelines

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Experience:

Three years of increasingly responsible experience performing maintenance work involving the operation of heavy construction equipment.

Training:

Formal or informal education or training which ensures the ability to read and write at a level necessary for successful job performance.

License or Certificate

Possession of, ~~or ability to obtain, an appropriate,~~ a Class B or valid Class A or Class B Commercial California driver's license with specific appropriate endorsements - as assigned - is required within 45 days of appointment. Failure to obtain the required license may result in release from probation or termination.

When assigned, possession of a valid crane operators certificate, issued by the National Commission of Crane Operators, is required within six months of assignment.

WORKING CONDITIONS:

Environmental Conditions:

Field environment; travel from site to site; exposure to noise, dust grease, smoke, fumes, gases, water and wastewater, and inclement weather conditions.

Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for heavy or moderate or light lifting, bending, stooping, kneeling, crawling, walking, climbing, standing or sitting for prolonged periods of time; operating motorized equipment and vehicles.

Work Assignment:

Depending on assignment may be subject to overtime and standby work assignments.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-048**

**A RESOLUTION ACCEPTING IMPROVEMENTS IN THE VILLAGIO  
SUBDIVISION, IN THE VILLAGE ONE SPECIFIC PLAN AREA, AND  
AUTHORIZING THE CITY CLERK TO RECORD A NOTICE OF COMPLETION  
AND AUTHORIZING RELEASE OF BONDS**

WHEREAS, K-D LAND & CATTLE INVESTMENTS, LLC, a California Limited Liability Company, is the subdivider of VILLAGIO SUDIVISION (“SUBDIVISION”), and

WHEREAS, K-D LAND & CATTLE INVESTMENTS, LLC, a California Limited Liability Company, has filed irrevocable subdivision bonds to secure faithful performance and payment for labor and materials in the amounts of \$579,900.00 and \$289,950.00, respectively, and

WHEREAS, K-D LAND & CATTLE INVESTMENTS, LLC, a California Limited Liability Company, has filed a warranty bond in the amount of \$57,990.00 to guarantee improvements in the VILLAGIO Subdivision, and

WHEREAS, the City Engineer, in a memorandum to Council, indicates that all work required by the Subdivision Agreement has been completed to the satisfaction of the Public Works Department, and

WHEREAS, the City Engineer has indicated that it would be in order for the City Council to accept the improvements in said subdivision as complete, and authorize the City Clerk to file a Notice of Completion and release the bonds upon expiration of the statutory periods,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that:

1. The improvements in the VILLAGIO Subdivision are hereby accepted and the City Clerk is hereby authorized to record a Notice of Completion for the improvements.
2. The City Clerk is hereby authorized to release the subdivision bond for faithful performance in the amount of \$579,900.00 upon recordation of the Notice of Completion.
3. The City Clerk is hereby authorized to release the subdivision bond for labor and materials in the amount of \$289,950.00 sixty (60) days after the recordation of the Notice of Completion, provided no claim is made thereon.
4. The City Clerk is hereby authorized to release the warranty bond to guarantee improvements in the amount of \$57,990.00 one year and one day after the effective date of this resolution, provided no claim is made thereon.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 24<sup>th</sup> day of January 2006, by Councilmember O'Bryant, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, O'Bryant, Olsen

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-049**

**A RESOLUTION APPROVING THE FINAL MAP OF THE PLAZA  
SUBDIVISION IN THE VILLAGE ONE SPECIFIC PLAN AREA OF THE CITY  
OF MODESTO AND AUTHORIZING THE CITY MANAGER TO EXECUTE A  
SUBDIVISION AGREEMENT WITH CENTEX HOMES, A NEVADA GENERAL  
PARTNERSHIP**

WHEREAS, CENTEX HOMES, A NEVADA GENERAL PARTNERSHIP, is possessed of a tract of land situated in the City of Modesto, County of Stanislaus, consisting of 33.3 acres, known as THE PLAZA ("SUBDIVISION"), in the Village One Specific Plan Area, and

WHEREAS, a tentative map of said tract was approved by the Planning Commission of the City of Modesto on the 6th day of June, 2005, and

WHEREAS, the Secretary of the Planning Commission of the City of Modesto and the City Engineer have certified that the final map of said tract substantially conforms to the approved tentative map, and

WHEREAS, the City Engineer of the City of Modesto has certified that the final map of said SUBDIVISION meets all of the provisions of the California Subdivision Map Act and the provisions of the Modesto Municipal Code relating to subdivisions, and that the map is technically correct,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that said final map be approved; that the dedications for public streets and easements as shown thereon within the boundaries of said tract be accepted on behalf of the public for public use; and that the City Clerk be authorized to certify the map of said tract on behalf of the City of Modesto after the fees and deposits required by the Modesto Municipal

Code in amounts determined by the City Engineer have been paid and after subdivider has furnished securities, as set forth in Section 4-4.605 of the Modesto Municipal Code, which shall secure the obligations set forth in Section 66499.3 of the Government Code of the State of California. Said securities shall be in forms acceptable to the City Attorney and in the amounts required by the City Engineer.

BE IT FURTHER RESOLVED that the City Manager and the City Clerk be authorized to execute and attest, respectively, an agreement with subdivider as required by Section 4-4.604(c) of the Modesto Municipal Code.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 24<sup>th</sup> day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-050**

**A RESOLUTION APPROVING A REQUEST FOR AN EXTENSION OF  
BUDGET AUTHORITY FOR VARIOUS STATE AND FEDERALLY FUNDED  
PROJECTS AND AUTHORIZING THE CITY MANAGER TO SIGN THE  
REQUEST**

WHEREAS, the State of California has placed limits for receiving reimbursement on grant funded projects administered through the Department of Transportation, and

WHEREAS, unspent funds that exceed the current June 30, 2006 cutoff will expire, and

WHEREAS, if a project is expected to go beyond the time limits specified by the State to conform to the June 30, 2006 expiration date, an extension request for budget authority needs to be submitted, and

WHEREAS, an extension of budget authority must be approved by the State Department of Finance, and

WHEREAS, if approved, the expenditure deadline would be extended to June 30, 2007, and

WHEREAS, the City Council must indicate concurrence with the request,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that a request to extend the life of the funds listed in the attached project list is hereby approved.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to sign the request for said extension.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 24<sup>th</sup> day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-053**

**A RESOLUTION AUTHORIZING REIMBURSEMENT IN THE AMOUNT OF \$1,040,100 FROM CITY OF MODESTO COMMUNITY FACILITIES DISTRICT NO. 2004-1 (VILLAGE ONE #2) TO THE CITY OF MODESTO'S CAPITAL FACILITIES FEES PROGRAM FOR FUNDS ADVANCED FOR THE CONSTRUCTION OF FREEDOM NEIGHBORHOOD PARK**

WHEREAS, the City of Modesto ("City") proposes to build a project entitled "Freedom Neighborhood Park" ("Project") which will be funded through City of Modesto Community Facilities District No. 2004-1 (Village One #2) ("Village One CFD #2") and the City of Modesto's Capital Facilities Fees program ("CFF"), and

WHEREAS, the Project is an authorized facility of the Village One CFD #2, and will be constructed as if it were under the direction and supervision of the Village One CFD #2, and

WHEREAS, the Village One CFD #2 has programmed \$1,040,100 for the Project as a Priority 2 item, and

WHEREAS, on or about November 8, 2005, the City solicited bids for the Project and,

WHEREAS, Goodland Landscape Construction, Inc., was deemed to be low bidder with a bid totaling \$2,113,090.33, and

WHEREAS, on January 24, 2006, the City Council awarded a contract to Goodland Landscape Construction, Inc., for construction of the Project, and

WHEREAS, Village One CFD #2 does not yet have monies available to contribute toward this Priority 2 project, and

WHEREAS, Government Code Section 53314.5 provides that the City may appropriate available monies to a revolving fund to be used for the construction of facilities of a community facilities district so long as the community facilities district reimburses the revolving fund within five (5) years, with interest at the current rate per annum received on similar types of investments by the City, and

WHEREAS, Government Code Section 53314.5 further provides that monies may not be disbursed from the revolving fund until the legislative body has established the method by, and term not exceeding five years within, which the community facilities district is to reimburse the fund, and

WHEREAS, the Parks CFF fund is advancing \$2,559,701 towards construction of the Project, and

WHEREAS, the City of Modesto is currently receiving a 3.356% rate of return on its investments,

WHEREAS, the Village Once CFD #2 shall reimburse the Parks CFF fund in the amount of \$1,040,100, together with interest at the current rate of 3.356% per annum, and

NOW, THEREFORE, BE IT RESOLVED that the Council of the City of Modesto hereby finds and determines as follows:

1. The project entitled "Freedom Park" ("Project") will be funded by City of Modesto Community Facilities District No. 2004-1 (Village One #2) and the City of Modesto's Capital Facilities Fees program ("CFF").
2. The Project is an authorized facility of the Village One CFD #2, as set forth in Exhibit A to the Rate and Method of Apportionment for Village One CFD #2.

3. Approximately \$1,040,100 of the Project is programmed to be funded through the Village One CFD #2 and is designated as a Priority 2 project for which CFD funds are not yet available.
4. The CFF program has been authorized to advance the sum of \$2,559,701 to the District for work that is funded through the Village One CFD #2 and designated as Priority 2 work.
5. Within sixty (60) days of the date of this Resolution, the District intends to issue bonds to fund the construction of certain authorized facilities, and intends to use a portion of the bond proceeds to reimburse the CFF program.
6. The Village One CFD #2 shall reimburse the CFF program in the principal amount of \$1,040,100 with interest at the rate of 3.356% per annum. Interest shall accrue on the principal amount from the date the first disbursement is made from the appropriate CIP account until the principal amount and all accrued interest has been paid in full.
7. The CFD shall reimburse the CFF program from tax monies within sixty (60) days after Priority 2 funds are available for the Project, or within five (5) years from the date of this Resolution, whichever occurs first. The CFD hereby recognizes and acknowledges that should tax monies not be available for Priority 2 projects within five (5) years after disbursement is made from the appropriate CIP fund, then the CFD shall be required to review and redesignate the priority status for the Priority 2 work to ensure that the reimbursement will occur within the period required by law

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 24th day of January 2006, Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-054**

**A RESOLUTION AMENDING THE CAPITAL IMPROVEMENT PROGRAM TO  
1) ESTIMATE \$70,824 IN ADDITIONAL REVENUE FROM THE 05/06  
CONGESTION MANAGEMENT AND AIR QUALITY (CMAQ) GRANT FUNDS;  
2) APPROPRIATE \$70,824 IN CMAQ GRANT FUNDS TO THE SHARON/MAID  
MARIANE ROUNDABOUT ACCOUNT #2300-160-A010; 3) REDUCE PRIMARY  
TRAFFIC CONTROL DEVICES PROJECT ACCOUNT # 2370-160-E602-6053 BY  
\$9,176 AND INCREASE GAS TAX FUND RESERVE ACCOUNT #0700-800-8000-  
8003 BY \$9,176; 4) APPROPRIATE \$9,176 FROM ACCOUNT #0700-800-8000-  
8003, THE GAS TAX FUND RESERVE, TO THE SHARON/MAID MARIANE  
ROUNDABOUT ACCOUNT #2300-160-A010; AND 5) APPROPRIATE \$89,000  
FROM ACCOUNT #1350-800-8000-8003, THE PARKS CFF FUND RESERVE, TO  
THE FREEDOM NEIGHBORHOOD PARK ACCOUNT #1350-310-Q233**

WHEREAS, in October 2002, the Parks, Recreation and Neighborhoods  
Department began a project to build a 7-acre neighborhood park located on the corner of  
Sharon Avenue and Maid Mariane Lane, and

WHEREAS, construction bids were opened on December 13, 2005, and  
Goodland Landscape Construction, Inc., was the low bidder, and

WHEREAS, the Engineer's estimate and the bids are considered reasonable  
whenever any of the bids are within 10% of the Engineer's estimate, and

WHEREAS, the low bidder was within 11.23% of the Engineer's estimate but  
still considered competitive, and

WHEREAS, staff does not feel that another bid would result in any lower cost for  
the work, and

WHEREAS, in order to fully fund construction of the project, the Capital  
Improvement Program needs to be amended, and

WHEREAS, \$70,824 is available in additional Congestion Management and Air  
Quality (CMAQ) funds from the 05/06 grant process, and

WHEREAS, \$9,176 is available from the Primary Traffic Control Devices Project Account # 2370-160-E602-6053, and

WHEREAS, \$89,000 is available from the Parks CFF Fund Reserve, account #1350-800-8000-8003, and

WHEREAS, expenditures for Freedom Neighborhood Park will be increase to reflect a balanced budget,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby amends the Capital Improvement Program to 1) estimate \$70,824 in additional revenue from the 05/06 Congestion Management and Air Quality (CMAQ) Grant Funds; 2) appropriate \$70,824 in CMAQ Grant Funds to the Sharon/Maid Mariane Roundabout account #2300-160-A010; 3) reduce Primary Traffic Control Devices project account # 2370-160-E602-6053 by \$9,176 and increase Gas Tax Fund Reserve account #0700-800-8000-8003 by \$9,176; 4) appropriate \$9,176 from account #0700-800-8000-8003, the gas tax fund reserve, to the Sharon/Maid Mariane Roundabout account #2300-160-A010; and 5) appropriate \$89,000 from account #1350-800-8000-8003, the Parks CFF Fund Reserve, to the Freedom Neighborhood Park account #1350-310-Q233..

BE IT FURTHER RESOLVED that the Finance Director, or his designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 24<sup>th</sup> day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**AMENDED**  
on Mar. 23, 2011  
By Resolution 2011-105

MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-055

Restated &  
**AMENDED**  
on 6-22-10  
By Resolution 2010-272

**A RESOLUTION AMENDING AND RESTATING RESOLUTION NO. 2003-309  
AND UPDATING THE 2003 CAPITAL FACILITIES FEES PROGRAM TO  
INCREASE LAND VALUES FOR PROPERTY ACQUISITION AND TO  
INCLUDE ADDITIONAL FUNDING FOR RIGHT OF WAY FOR  
EXPRESSWAYS**

WHEREAS, California Government Code Section 66000 et seq., and Modesto  
Municipal Code Sections 8-1.904 et seq. authorize the City Council, by ~~this resolution~~  
establish a Capital Facilities Fees Program (CFF) for the construction and acquisition of  
certain public facilities, and

WHEREAS, on June 24, 2003, Council adopted Resolution No. 2003-309 which  
amended Resolution No. 88-649 as amended and adopted the 2003 CFF for City facilities  
associated with capital items related to police, fire, parks, transit, streets, air quality, and  
governmental facilities and, administration of the CFF, and

WHEREAS, the fees collected pursuant to this resolution will be used to finance  
the public capital facilities identified in the 2003 CFF Update Report adopted June 24,  
2003 and on file with the City Clerk and some additional right of way acquisition which  
is necessary to construct expressways identified in the 2003 CFF Update Report, and

WHEREAS, to accommodate the timely development of expressways throughout  
the City of Modesto, it is necessary to have funding available to acquire the full right of  
way for expressways prior to the development of the property, and

WHEREAS, due to market conditions, land values have risen dramatically which  
will affect the City's ability to fund the capital facilities outlined in the 2003 CFF Update  
Report, and

AMENDED

~~WHEREAS~~, the Council has asked that any significant increases be presented on an ongoing basis to make certain that development is paying its share, and

WHEREAS, an appraisal documenting typical land values in the City of Modesto and County of Stanislaus has been prepared and City staff have studied the impact of those land values on the City's 2003 CFF, and

WHEREAS, in the Fall of 2005, the City's CFF Administrator prepared a report which documents the impact of current land values on the 2003 CFF and establishes the methodology for adjusting the land values and calculating the additional costs for acquiring all right of way necessary to develop expressways, a copy of which is attached as Exhibit A ("Report"). The Report illustrates, based on an appraiser's opinion, that land values have increased substantially, and

WHEREAS, based on the increases in costs due to increases in land values and the additional funding necessary to acquire full right of way for expressways, the Report proposes that the 2003 CFF should be adjusted to reflect these costs, and

WHEREAS, the Notice of Public Hearing was published in the Modesto Bee on December 1, 2005, and

WHEREAS, the matter was set for public hearing on December 14, 2005, at 5:30 p.m., in the City Council Chambers Basement Level, located at 1010 Tenth Street, at which date and time said hearing was opened and continued to January 10, 2006, and

WHEREAS, the public hearing was opened on January 10, 2006 and was continued to January 24, 2006 at 5:30 p.m. in the City Council Chambers, Basement Level, 1010 10<sup>th</sup> Street, Modesto, California, at which date and time the duly noticed public hearing of the Council was held, and

WHEREAS, the Council has determined that it is necessary and appropriate to update the 2003 CFF in order to reflect these additional costs, and to amend and restate Resolution No. 2003-309 accordingly, and

WHEREAS, Resolution No. 2003-309 is hereby amended solely with respect to the addition of right of way on expressways to be included as part of the CFF and land values associated with acquisition for the calculation of capital facilities fees, the establishment of a new fee structure to reflect these increased costs, and the reorganization of policies relating to the administration of CFF which have been placed in the "CFF Policies and Procedures" document, adopted by the Council by Resolution 2006-061 on January 24, 2006, and

WHEREAS, Resolution No. 2003-309 is reaffirmed in every other respect and repeated in its entirety herein for the sake of administrative convenience.

NOW, THEREFORE, BE IT RESOLVED by the City Council that Resolution No. 2003-309 is hereby amended and restated, and that the Council hereby finds and determines as follows:

- A-1. There is a reasonable relationship between the need for the public facilities designated in the reports and analysis, and in the City's General Plan and Specific Plans generated in accordance with that plan, and the City's Capital Improvement Plan, and the impacts of the type of development for which the corresponding fees are charged.
- B-1. There is a reasonable relationship between the fees, uses, and the types of development for which the fee is charged.

- C-1. There is a reasonable relationship between the amount of the various fees and the cost of the public facilities or portions of the public facilities attributable to the development and types of development upon which the various fees are imposed.
- D-1. The cost estimates set forth in the reports and analysis are reasonable cost estimates for constructing these facilities, and the fees expected to be generated by future development will not exceed the total costs of constructing the public facilities just referenced.
- E-1. The 2003 CFF Update Report and analysis establish a linkage or nexus between development in the City's Annexation Areas (unincorporated area of the City's General Plan Area) and the need for additional public facilities or improvements to existing public facilities within the City of Modesto as well as within the Annexation Areas. Therefore, the term "development" as used in the preceding four subparagraphs shall include but not be limited to, development in the City's Annexation Areas that may be approved or allowed by Stanislaus County, prior to the annexation of said Annexation Areas or portions thereof to the City of Modesto. Because of this clearly established nexus, it is the intention of the City Council of the City of Modesto that the fees created by this resolution for streets facilities, air quality facilities, and public transportation facilities be imposed by the County of Stanislaus on development approved of or allowed by the County of Stanislaus in the City's Annexation Areas area and collected by the City of Modesto, and

BE IT FURTHER RESOLVED that:

- A-2. The 2005 Capital Facilities Fees are hereby adopted as shown in Exhibit B, and
- B-2. The City Council finds that only projects shown in the adopted 2003 CFF Update Report including the acquisition of all right of way necessary to develop the expressways identified in the 2003 CFF Report, are eligible for receipt of CFF funds and individual projects shall be flexibly budgeted within total dollar limits of the capital programs of the two principal fee components as follows:
  - a. Fees for Community Facilities, which include Police, Fire, Parks, Government and Administration.
  - b. Fees for Transportation, which include Streets, Transit and Air Quality.

As long as the overall dollar amounts of the capital programs for these two components are not exceeded, individual eligible projects may vary from the estimates shown in the CFF Update Report, and

- C-2. The Council of the City of Modesto establishes the following guidelines for implementation and payment of the 2003 Capital Facilities Fees, so that a development project that is not vested under State law would be subject to the fees in place prior to adoption of Resolution No. 2003-309 on September 1, 2003, if the development project meets any of the following criteria:

- a. The development is the subject of a written Development Agreement (as defined by Government Code Section 65864, et seq.) between the City and the proposed developer, if within City limits, or the County, if outside City limits but within the Sphere of Influence, and the Development Agreement expressly vests the project at a specific, pre-September 3, 2003, CFF rate.
- b. The development is the subject of a building permit application which has been deemed complete by the City, if within City limits, or the County, if outside City limits but within the City's Sphere of Influence, prior to September 3, 2003; or, for development which is not subject to permit by the City or County, e.g., a hospital, an application equivalent to a building permit application which has been deemed complete by the State permitting agency prior to September 3, 2003.
- c. All vesting tentative subdivision and parcel maps for which an application is deemed complete, and approved, prior to September 3, 2003, until the expiration of the map's vesting status, and

D-2 The Council of the City of Modesto establishes the following guidelines for implementation and payment of the 2005 Capital Facilities Fees, so that a development project that is not vested under State law would be

subject to the fees in place prior to January 25, 2006, if the development project meets any of the following criteria:

- a. The development is the subject of a written Development Agreement (as defined by Government Code Section 65864, et seq.) between the City and the proposed developer, if within City limits, or the County, if outside City limits but within the Sphere of Influence, and the Development Agreement expressly vests the project at a specific, pre-January 25, 2006, CFF rate.
- b. The development is the subject of a building permit application which has been deemed complete by the City, if within City limits, or the County, if outside City limits but within the City's Sphere of Influence, prior to January 25, 2006; or, for development which is not subject to permit by the City or County, e.g., a hospital, an application equivalent to a building permit application which has been deemed complete by the State permitting agency prior on or before March 25, 2006.
- c. All vesting tentative subdivision and parcel maps for which an application is deemed complete, and approved, on or before January 24, 2006, until the expiration of the map's vesting status, and

- E-2. CFF shall be due and payable at the time a building permit is issued, unless otherwise approved by Council resolution, as set forth in Modesto Municipal Code Section 8-1.904, and
- F-2. The City Council shall annually review one or more components of the capital program that form the basis of calculating the Capital Facilities Fees. This policy in no way prevents the upward adjustment of fees due to annual inflation, and
- G-2. For purposes of the fees the following definitions of land use development categories shall apply. Uses not defined in these definitions shall be charged at rates to be determined by the CFF Administrator using land use determinations and trip generation estimates acceptable to the Administrator.

#### RESIDENTIAL

Single Family: Typically single family detached homes on individual lots, such as in residential subdivisions, but could also be in planned developments. Density of development may vary, but is typically ten (10) dwellings per acre or less.

Multiple Family: Includes multiple family dwelling units of several types, including high and low rise apartments, high and low rise condominiums, and multi-family residential planned unit developments greater than a density of ten (10) units per acre. This category also applies to mobile homes and hotel/motel uses.

Medium Density: Shall mean duplex or triplex buildings located on a single lot designed for occupancy by two or three families.

Senior Housing: Includes retirement communities restricted to adults or senior citizens, congregate care facilities, and similar residential uses.

#### BUSINESS PARK

A master planned campus-like development, with common infrastructure and common design standards, that features employment-intensive uses

and light manufacturing, and possibly service retail, and regional commercial uses. There are two basic types of business parks:

Business Park – Service

Within a master-planned Business Park area – a predominantly service-oriented business park that has a high amount of office/commercial uses relative to the industrial/warehousing uses, would characterize a service-oriented business park. Typical uses would include: offices including general office building, corporate headquarters, single tenant office building, office park and research and development uses; service retail, regional commercial and wholesale stores; restaurants; and recreational areas.

Business Park – Manufacturing

Within a master-planned Business Park area – a predominantly industrial-oriented business park with low amounts of office/service/retail uses. Typical uses would include: general light industrial uses, manufacturing and/or distribution with associated office, ware house, research, and related functions, and public facilities/utilities.

INDUSTRIAL

Manufacturing/Light Industrial/Industrial Park – facilities in which the primary activity is the production of finished items through manufacture, fabrication, processing, packaging, or treatment of raw materials or parts, except heavy industrial uses. Uses which are considered to be in this category include uses such as those listed below:

- 1) Electronics assembly, paper products
- 2) Metal fabricator
- 3) Bottling plant
- 4) Cabinet shop
- 5) Machine shop
- 6) Sheet-metal shop
- 7) Welding shop
- 8) Wholesale shop
- 9) Printing plant
- 10) Material testing labors manufacturer
- 11) Food processor, brewery, bakery
- 12) Recycling facility
- 13) Burning operations for lumber and wood products
- 14) Junk handling, processing, storage
- 15) Landfill, waste products disposal or transfer station

- 16) Manufacture, fabrication, processing, packaging and treatment of explosives, oil and great products, chemicals and chemical products.
- 17) Rock crushing
- 18) Pulp and paper mill
- 19) Reduction, processing and storage of offal, dead animals, bones or similar materials
- 20) Septic tank, cesspool servicing
- 21) Stockyard
- 22) Tannery
- 23) Vehicle salvaging, wrecking

Mixed Industrial Uses – when a development proposal contains more than an incidental mixture of uses, the general type of uses should be segregated and treated separately for the purpose of calculating development fees.

#### WAREHOUSE DISTRIBUTION/HEAVY

Warehouse Distribution – Facilities in which the primary activity is the storage of materials or in which the primary activity is receiving and shipping materials. Use which are considered to be in this category include uses such as those listed below:

- 1) Freight
- 2) Warehousing
- 3) Corporation yard, freight yard
- 4) Equipment rental yard
- 5) Moving and storage service
- 6) Bulk feed storage
- 7) Lumberyard
- 8) Sand, gravel, building materials dealer

#### OFFICE

Medical: Offices and clinics devoted to the practice of medical and dental professions or providing medical or dental services, including pseudo-medical services, but excluding hospitals and nursing homes, which are treated separately.

General: All other types of general and professional offices.

#### COMMERCIAL

Small Retail (less than 50,000 square feet)

Convenience markets, often with on-site gasoline pumps, usually 24-hours or extended hours.

Fast-food restaurants with or without sit-down facilities and with or without drive-up windows; generally food is ordered and taken

to be consumed outside the restaurant building, although some on-site seating is usually provided.

Sit-down restaurants where food is ordered and consumed in the restaurant, and customers generally stay less than one hour; frequently belong to chains and typically serve breakfast, lunch and dinner. This category also includes all drinking establishments—bars and cocktail lounges—except those in conjunction with low turnover restaurants. The latter are charged the low turnover rate.

Sit-down restaurants which generally have turnover rates of one hour or longer, typically do not serve breakfast, and may or may not serve lunch.

Banks – full service banking institutions with or without drive-up windows.

Savings and Loan institutions, including thrift and credit unions, with or without drive-up windows, which typically offer fewer financial services than banks and are typically smaller in gross floor area than banks. If a given Savings and Loan is 5,000 gross square feet or more, or provides full banking services, it should be treated as a bank.

Other retail includes a wide range of retail and service uses, both free-standing and in shopping centers, including but not limited to supermarkets, drug stores, department stores, general merchandise, building materials or lumber stores, specialty retail stores, discount stores, hardware/paint stores, video arcades, and new car sales. May include uses in small retail category if in a shopping center.

#### OTHER

Church: Structures primarily designed as a place for public worship.

Day Care and School: An educational, vocational or day care facility.

Hospital: A structure designed for health services, both inpatient and outpatient; that includes surgical care of the sick or injured of the physically ill and/or therapeutic treatment for the mentally ill. Included as an integral part of a hospital or laboratories, outpatient departments, training facilities, central service facilities, and hospital staff offices on the same site. The preceding ancillary uses are considered “professional offices” if located off-site, unless a multi-site campus is covered by a P-D Zone or hospital uses. A

separate set of offices on the same site for physicians is considered "professional offices".

Mini-Warehouse: A personal storage facility not associated with industrial use.

Nursing Home: Structures designed for use as a convalescent hospital, or a retirement home, or a twenty-four hour care center for seven or more persons in addition to members of the family.

For purposes of interpreting these definitions, the term "Commercial Use" shall mean those uses designated as permitted or conditional uses in the C-1, C-2 and C-3 Zones of Title 10 of the Modesto Municipal Code.

H-2. This resolution shall become effective on and after the date of its adoption, and that the fees shall become effective 60 days from the adoption of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 24<sup>th</sup> day of January 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant

NOES: Councilmembers: Olsen

ABSENT: Councilmembers: Mayor Ridenour

ATTEST: Jean Zahr

**City of Modesto**

**2005 Land Value Update  
To the  
2003 Capital Facilities Fees Program**

Presented to the  
Modesto City Council  
January 24, 2006

---

## **INTRODUCTION**

In an effort to keep pace with market conditions affecting the City's ability to construct public facilities, the City is endeavoring to update the land values of its Capital Facilities Fee Program, adopted in June of 2003, creating a new program element for the overall CFF program. The intent of this update is to ensure that new development pays for its share of future infrastructure necessary to serve the City of Modesto.

This 2005 Update only accounts for property acquisition costs by adjusting the land values contained in the Adopted 2003 CFF Program as well as account for the cost of forty feet of right of way acquisition on expressways.

## **BACKGROUND & REASONS FOR RECOMMENDATION**

Capital Facilities Fees, CFF, are collected at the time of building permit issuance, and are used to fund capital facilities such as the widening of Pelandale Avenue, construction of parks, and the expansion of the city's corporation yards to name a few. The collection of Capital Facilities Fees is in accordance with what is known as AB1600, codified in Section 66000 of the California Government Code.

In June 2003, the City Council adopted a comprehensive update of its Capital Facilities Fee Program. The update process was a substantial step in evaluating the City's anticipated capital infrastructure necessary to support new development. As a result of this intensive study, the fees were increased significantly to reflect the substantial amount of infrastructure necessary for new development. However, because of the significance of the increase, the Council put a "cap" on the fee for all but residential uses so as not to overburden job-creating developments. With the upswing in the real estate market, an increase in the economy, and a growing shortfall of funds to support the capital infrastructure, in December 2004 the Council removed the "cap".

The 2003 CFF Program contains a significant amount of acreage to be acquired either for the development of parks, right of way for the construction of roads, or land acquisition for the construction of a government building. Those land acquisition costs are the subject of this update. When the 2003 program was put into place, land values on average were assumed to be approximately \$124,000 per acre. Within most of the state, and in the Central Valley, land values have increased drastically, resulting in increased costs to the city to purchase the necessary land for city projects. In an effort to reflect this dramatic rise in land value costs, the land values reflected in the 2003 CFF program have been updated. Moreover, the line items for land acquisition have been increased which increase the fees.

In addition, current city policy dictates that for expressways, the first forty feet of right of way is a dedication requirement. This practice, however, has proven to be ineffective to develop the City's expressways as the City has to wait for a property owner to develop his parcel before the dedication to the City can be made. As a result, the 2005 CFF Update takes property acquisition for right of way on expressways and calculates that as part of this update.

## **LAND VALUE METHODOLOGY**

To evaluate *total* costs for the construction of projects, the CFF methodology calculates a range for right of way acquisition based on developed or undeveloped status, and includes design, construction, and

administration to determine the total project cost. The total project costs across all areas for consideration of the CFF program are then divided based on use and impact to determine the appropriate fee based on land use. The intent of this update is to strictly address the right of way acquisition of the cost component across all areas of the CFF program.

Buildout of the General Plan assumed a 46% increase in overall population to 371,000. Since the adoption of the 2003 CFF program, the population has increased to 207,634, an increase of 4%. Furthermore, of the \$1,254,907,000 in anticipated facility costs outlined in the overall 2003 CFF program, \$17,006,323, or 1% has been collected, representing a small fraction of funds available for facilities to be constructed.

**Land Value Determination:**

Rather than use anecdotal information relating to land values, Cogdill and Giomi, a local appraisal firm, examined completed and pending sales of lands within the city limits, outside and inside the City's sphere, as well as various stages of development and zoning to devise an overall composite of land value. That study is included as Attachment A. Since the valuation made multiple comparisons of lands uses and location, a weighted average was used that encompassed the percentage of buildout left in the sphere of influence by land use type as well as a consideration for developed and undeveloped land. This was done to avoid double counting of areas that have already paid their fees. The resulting per acre cost is \$350,000. Attachment B illustrates how the averages were weighted to make the comparisons for the various uses outlined in the appraiser's report.

**Table 1. Weighted Average Comparison for Properties Compared in Appraisal Report**

Land Use	Total SOI Acres Available	% of Total	Undeveloped (\$/sf)		Developed - No Structures (\$/sf)		Improvements \$/sf
			Low	High	Low	High	
			Business Park	1,963	27%	\$ 2.30	
Residential	5,135	70%	\$ 8.03	\$ 11.08	\$ 12.03	\$ 15.08	\$ 4.00
Commercial	234	3%	\$ 8.00	\$ 12.00	\$ 13.00	\$ 17.00	\$ 5.00
<b>Total</b>	<b>7,332</b>	<b>100%</b>					
<i>Weighted Average</i>			\$ 6.49	\$ 9.06	\$ 10.79	\$ 13.36	

	Units	Low	High
Average	\$/sf	\$7.78	\$12.08
Proposed	\$/sf	\$8.00	\$12.00
Average	\$/ac	338,872	526,164
Proposed	\$/ac	348,480	522,720

The 2003 CFF contemplated an *average* value of land within the sphere. The land value used in the 2003 CFF of \$120,000 per acre was low in comparison to the average land value at that time which was approximately \$200,000 per acre. Furthermore, the 2005 CFF Update for land valuation selected for

---

parkland acquisition is the lowest land value calculated in the Weighted Average Comparison for Properties Compared Appraisal Report (\$350,000 per acre) as shown above in Table 1.

There are multiple factors related to how the cost for a project is derived, including design, acquisition, and construction. This 2005 CFF Update only applies to acquisition. To apply an even methodology that would not over inflate costs, but would specifically look at acquisition, all costs associated with property or right of way were extracted from the inflationary index to avoid double counting. The land value of \$350,000 was applied to all acquisition costs. The overall percent increase was then multiplied to the land use category. It should be noted that the CFF Program does include a cost inflationary factor that is applied every July; however the index does not account for real estate costs and is only a construction cost indicator.

Attachment B illustrates the increase in costs by fee components, where the land value is applicable. Parks development and Air mitigation are the two areas where the impact is the most significant. This is due to the fact that a large proportion of those impacts require land acquisition. The most significant increases affect the residential uses, as they are the only uses that have both the parks and roadway components where the significant increases are affected. As noted above, the 2003 CFF Program makes an annual inflation adjustment based on the Engineering News Record which is effective July 1 of every year. Table 2 below summarizes various uses, the existing fee, the fee with adjusted land uses, and the adjusted fee with the 2005 inflation factor and land value increase.

**Table 2. Various Uses Outlining Existing Fees and Updated Fees Reflecting Land Value and Inflation Increases.**

Use	Existing Fee	2005 Updated Fee
Single Family	\$16,085	\$19,512/du
Senior Housing	\$8,352	\$10,314/du
Retail <50,000 sf	\$16.62/sf	\$17.78/sf
Medical Office	\$21.40/sf	\$22.89/sf

Attachment C outlines the revised fee per impacted component. Based on the methodology presented in the report, the total fee for a single-family home with an anticipated effective date of March 11 is \$19,512.

### **SUMMARY**

Updating the land values to compete with market demand is an integral part of ensuring that the City is adequately collecting the appropriate fees for new development. The intent on addressing this is to ensure that cost extraordinary increases are adjusted so to ensure that developers are paying their fair share. The 2005 Land Value Update is simply updating the estimated land value costs to keep in line with market demands with the intent of having enough funding on hand to purchase land for the betterment of the public.

Re: CFF Update - City Wide and  
Sphere of Influence Land Values

Dear Ms. Gedney:

In response to your request I proceeded with an analysis of the Modesto real estate market to determine values for various types of properties that are within the sphere of influence of the city of Modesto. More particularly I spent a substantial amount of time investigating potential subdivision land prices, paper lot values, industrial land prices, as well as properties that are located along the fringe of the city limits of Modesto that have future development potential for possible business park or residential expansion.

Because of the nature of this assignment and the difficulty in confirming data from potential buyers and sellers, some of the information I obtained is confidential and I have been asked not to disclose the exact location and/or exact details of certain transactions. I am obligated to respect the wishes of these buyers and sellers. I have, however, included some data that has been recorded which will provide certain market trends for properties in the general Modesto area.

1317 I Street Suite A • Modesto, CA 95354 • Ph (209) 523-9365 • Fax (209) 523-6344 • Toll Free (800) 223-9365

Amy S. Gedney  
CFD Administrative Officer  
City of Modesto  
September 14, 2004  
Page Two

The scope of this assignment includes but was not limited to the following:

- A market analysis of potential subdivision properties, both infill properties and also those located within the Village neighborhood of Modesto
- A search for properties on the fringe of Modesto, particularly around the Kiernan Avenue/Dale Road area, with potential influence from the Kaiser Hospital
- Large commercial shopping center land sales within the city limits of Modesto
- Typical infill industrial developed parcels (located in business parks, with utilities available)

Research sources included Comps Inc., other appraisers, real estate brokers, and a local title company's plant.

There have been several recent offers on a 12 acre infill property. Four developers have been bidding on this property over the last six months. The original offers were at approximately \$300,000 per acre, and the last offers (which included some contingent entitlements) was at \$6,000,000 or around \$500,000 per acre. The entitlements include a certain number of lots, mapping, and other factors that may, or may not, occur. I have been asked not to disclose the location of this parcel.

A recent subdivision acquisition within the Village neighborhood of Modesto was also analyzed. Again, the exact location and all details cannot be disclosed. It is the acquisition of a proposed 24 lot residential subdivision that is currently in escrow for \$1,800,000 or about \$75,000 per paper lot. Typically there are 4.5 to 5 lots per acre in this area. Adjusting for some entitlements indicates a raw land price (without mapping or entitlements) of approximately \$250,000 to \$325,000 per acre.

Amy S. Gedney  
CFD Administrative Officer  
City of Modesto  
September 14, 2004  
Page Three

A recent purchase of parcel within the Village area that is slightly under ten acres for \$3,687,542 was also analyzed. It is zoned PD and will allow some apartments to be developed on the site. Analysis of this transaction reflects a price per unit of slightly under \$16,000 per unit and roughly \$381,000 for this small parcel (which has a multi residential use).

A multi residential sale located in Riverbank reflects a price of around \$229,000 per acre.

An almond orchard near Faith Home and Hatch Roads, with residential development potential is being negotiated at between the \$210,000 to \$220,000 per acre range.

There appears to be an extremely strong demand for properties that have residential development potential within the general Modesto area.

Sales that are outside the city limits but have future development potential (within the next three to five years) are also in strong demand. Properties along Kiernan Avenue (between Stoddard Road and Dale Road) that are large blocks of approximately 20 acres in size, are selling for about \$100,000 to \$150,000 per acre. Again these parcels do not yet have residential zoning, are located in the county and need to complete the entitlement process before development can occur.

Also an analysis of industrial land sales in Modesto city limits indicates that one to three acre parcels in the northern portion of the city, located within business parks, with most utilities available, are commanding between \$5.00 to \$8.00 per square foot, depending upon size.

Sales of shopping center land within the city have indicated prices of from around \$8.00 to \$12.00 per square foot (land value only), with pad sales within these developments bringing \$18.00 to \$25.00 per square foot.

Based upon the market study, the concluded values for the various scenarios would be as follows:

Amy S. Gedney  
CFD Administrative Officer  
City of Modesto  
September 14, 2004  
Page Four

Subdivision Land - Within the City (Infill Properties)	\$350,000 to \$500,000 Per Acre
Subdivision Land - Within the Village Neighborhood and Other Surrounding Areas of Modesto	\$250,000 to \$350,000 Per Acre
Paper Lot Value in Modesto Area	\$70,000 to \$80,000 Per Lot
Business Park Development Parcels Located Within the County Near the Proposed Kaiser Hospital (Without Entitlements)	\$100,000 to \$150,000 Per Acre
Developed Industrial Parcels	\$5.00 to \$8.00 Per Square Foot
R-2 and R-3 (Multi Residential) Parcels (Infill Parcels)	250,000 to \$380,000 Per Acre
Shopping Center Land Value	\$8.00 to \$12.00 Per Square Foot

More detailed information is located in my office in this particular file and can be provided if so desired. The data is available for inspection if you wish to do so. If you have any questions concerning this analysis or my conclusions of value, feel free to give me a call.

Amy S. Gedney  
CFD Administrative Officer  
City of Modesto  
September 14, 2004  
Page Five

It should be noted that most of the data I analyzed are either pending sales or agreements that have been negotiated within the last six to eight months, and have yet to close escrow. I have specifically been asked not to disclose all of the details of these sales, but have reliable information that confirms the data are good market indications.

Respectfully,

COGDILL & GIOMI

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-056**

**A RESOLUTION AMENDING SECTION 1 AND 2 OF RESOLUTION NO. 85-240  
ENTITLED "A RESOLUTION APPROVING A DEVELOPMENT PLAN FOR  
PLANNED DEVELOPMENT ZONE, P-D (371), (ROBERT L. ERICKSON)."  
(CALIFORNIA EQUITY MANAGEMENT GROUP)**

WHEREAS, the City Council, by Ordinance No. 1616-C.S., adopted on May 2, 1977, and which became effective on June 1, 1977, amended Section 18-3-9 of the Zoning Map by rezoning the property located on the south side of Briggsmore Avenue east of Prescott Road, 2000 West Briggsmore Avenue, from Neighborhood Commercial Zone, C-1 to Planned Development Zone, P-D (159), to allow the addition of a Family Amusement Machine Center to be added on site, and

WHEREAS, Modesto City Council Resolution No. 77-435, which was adopted on May 2, 1977, approved the development plan for Planned Development Zone, P-D(159), and

WHEREAS, the City Council, by Ordinance No. 2173-C.S., which was adopted on February, 15, 1983, and which became effective on March 17, 1983, amended Planned Development Zone, P-D (159), to allow an outdoor bicycle race course, and

WHEREAS, Modesto City Council Resolution No. 83-75, which was adopted on February, 15, 1983, approved an amendment to the development plan for Planned Development Zone P-D (159), to allow an outdoor bicycle race course, and

WHEREAS, the City Council, by Ordinance No. 2327-C.S., which was adopted on May 7, 1985, and which became effective on June 6, 1985, amended Section 18-3-9 of the Zoning Map to rezone Planned Development P-D(159), to Planned Development Zone, P-D(371), to allow a mini-storage facility as a permitted use, and

WHEREAS, Modesto City Council Resolution No. 85-240, which was approved on May 7, 1985, approved the development plan for Planned Development Zone, P-D(371),

WHEREAS, the City Council, by Ordinance No. 3388-C.S., which was adopted on April, 26, 2005, and which became effective on May 27, 2005, amended Planned Development Zone, P-D(371), to allow all uses as permitted under the C-2 Zone, and

WHEREAS, Modesto City Council Resolution No. 2005-219, which was adopted on April 26, 2005, approved an amendment to the development plan for Planned Development Zone P-D (371), to expand the list of allowed uses to include all uses allowed under the C-2 Zone, and

WHEREAS, a verified application for an amendment to Planned Development Zone, P-D(371) was filed by California Equity Management Group on November 4, 2005, to allow the development of a commercial building, on the property located on the south side of West Briggsmore Avenue east of Prescott Road, 2000 West Briggsmore Avenue, and

WHEREAS, after a public hearing held on December 5, 2005, in the Tenth Street Place Chambers located at 1010 10<sup>th</sup> Street, Modesto, California, it was found and determined by the Planning Commission, by its Resolution No. 2005-47, that the amendment to Planned Development Zone P-D (371), as requested is required by public necessity, convenience, and general welfare for the following reasons:

1. The proposed amendment to Planned Development Zone P-D(371) is consistent with the Modesto Urban Area General Plan. The General Plan designates this area as "C" (Commercial), and the amendment to allow the development of a commercial building will be consistent with the General Plan land use and intensity.

2. The type of project is described in Chapter II of the Modesto Urban Area General Plan Master EIR (MEIR).

WHEREAS, said matter was set for a public hearing of the City Council to be held on January, 24, 2006, in the Tenth Street Place Chambers located at 1010 10<sup>th</sup> Street, Modesto, California, at which date and time said duly noticed public hearing was held, and

WHEREAS, after said public hearing the Council found and determined that the application of California Equity Management Group for an amendment to Planned Development Zone, P-D(371) should be granted as consonant with public necessity, convenience and general welfare for the reasons set forth in Planning Commission Resolution No. 2005-47 and quoted above, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that Section 1 and 2 of Modesto City Council Resolution No. 85-240 entitled "A Resolution Approving a Development Plan for Planned Development Zone, P-D(371), (Robert L. Erickson)" is hereby amended to read as follows:

"SECTION 1. DEVELOPMENT PLAN. An amended development plan for Planned Development Zone, P-D(371), is hereby approved subject to the following conditions:

1. All previous conditions and requirements imposed on the site will remain in effect for this new proposal. All conditions of Planned Development Zone P-D(371), as stated in Council Resolution No. 2005-219, not in conflict with this action shall remain in full force and effect.
2. All development shall conform to the plot plan and building elevations titled "Briggsmore Plaza" as amended in red, stamped approved by the Planning Commission on December 5, 2005.

3. Prior to the issuance of a building permit, a landscaping and irrigation plan shall be approved by the Parks, Recreation and Neighborhood Director or designee. Screen landscaping shall be installed along the eastern property line. Landscaping and the irrigation system shall be installed and maintained in accordance with the approved plan.
4. Fences or walls shall be constructed prior to occupancy and shall be as follows:

Eight (8) foot-high decorative masonry wall along the eastern property line adjacent to the residential development.
5. All landscaping, fences, and walls shall be maintained and the premises shall be kept free of weeds, trash, and other debris.
6. Prior to issuance of a building permit, improvement plans for required improvements shall be prepared by a Registered Civil Engineer and approved by the City Engineer or designee. Improvements shall be constructed in accordance with the approved plans.
7. Prior to issuance of a building permit the developer shall dedicate public utility easements as required by the utility companies and the City Engineer or designee.
8. Irrigation lines shall be removed, relocated, or protected as required by the Modesto Irrigation District and the City Engineer or designee. Easements for irrigation lines to remain shall be dedicated.
9. All outdoor lighting shall be shielded from adjacent residential properties as required by the City Engineer or designee.
10. Trash bins shall be kept in enclosures in accordance with plans approved by the Public Works Director or designee. Enclosures shall be constructed of building materials consistent with those used in the major buildings as approved by the Community and Economic Development Department Director or designee.
11. Trash enclosures shall be of a size and design to permit the storage and removal of required recyclable material receptacles, or a separate enclosure of the collection for recyclable materials shall be provided as approved by the Public Works Director or designee.
12. Trash cans shall be screened from view from any public street.

13. Prior to issuance of a building permit, the developer shall show on the plans submitted to Building & Development Services all fire hydrants as required by the Fire Chief. All hydrants required by the Fire Chief shall be installed and operable prior to construction of any structures.
14. A ten-foot-wide public utility easements, and a six-foot-wide planting easement located within the ten-foot-wide public utility easements, as required by the City Engineer or designee, shall be dedicated along all street frontages.
15. No operations conducted on the premises shall cause an unreasonable amount of noise, odor, dust, mud, smoke, vibration, or electrical interference detectable off the premises. All machinery or equipment shall be soundproofed as required by the Chief Building Official.
16. Prior to the issuance of a building permit, the developer shall submit a plan to provide on-site treatment of storm water, as approved by the Public Works Director or designee. Storm drain improvements shall be constructed in accordance with the approved plans.
17. All signs shall comply with the sign requirements of the C-3 Zone.
18. The property owner and developer shall, at their sole expense, defend, indemnify and hold harmless the City of Modesto, its agents, officers, directors and employees, from and against all claims, actions, damages, losses, or expenses of every type and description, including but not limited to payment of attorneys' fees and costs, by reason of, or arising out of, this development approval. The obligation to defend, indemnify and hold harmless shall include but is not limited to any action to arbitrate, attack, review, set aside, void or annul this development approval on any grounds whatsoever. The City of Modesto shall promptly notify the developer of any such claim, action, or proceeding and shall cooperate fully in the defense.
19. The Capital Facilities Fees payable at the time of the issuance of a building permit for any construction in this development shall be based on the rates in effect at time of issuance of the building permit.
20. Final plans shall show the location of the water mains, backflow preventors, and Fire Department connections.

21. Landscaping along Briggsmore frontage should be situated to maximize observation from the street. It is recommended that hedges be no higher than 36 inches.
22. Parking landscaping will be required to comply with current City Code requirements and provide one shade tree for every eight parking spaces.
23. Developer shall obtain coverage under the General Construction Activity Storm Water Permit (General Construction Permit) issued by the State Water Resources Control Board (SWRCB).
  - a. To obtain coverage under the General Permit, a Notice of Intent (NOI) shall be filled with the SWRCB. Submit one copy of the NOI to Development Services, when filed.
  - b. The General Construction Permit requires the developer to prepare and carry out a Stormwater Pollution Prevention Plan (SWPPP) for the project. Submit one copy of the SWPPP to Development Services, Storm water, for review.
24. Trash enclosures for the project shall be bermed to prevent storm water run-off and graded to drain to adjacent landscape areas.
25. Provide treatment (grass swale, vegetative strip, or other approved proprietary stormwater treatment device) to remove pollutants from first ½" of stormwater runoff from parking lot and other impervious areas. Roof run-off shall be routed directly to landscaped areas and will not require treatment.
26. Provide owner signed and notarized Stormwater Treatment Device Access and Maintenance Agreement to Development Services, Stormwater for recording. This shall be done prior to obtaining a Grading Permit
27. The final plans need to show utilities for off-site and any proposed connections. All Storm drainage shall be retained on site, and shall follow the New Development Guidelines for Storm Water.

In addition, the following recommended conditions of approval are mitigation measures from the Modesto Urban Area General Plan Master Environmental Impact Report that should be applied to the project:

28. All disturbed areas, including storage piles, which are not being actively utilized for construction purposes, shall be

effectively stabilized of dust emissions using water, chemical stabilizer/suppressant, covered with a tarp or other suitable cover or vegetative ground cover.

29. All land clearing, grubbing, scraping, excavation, land leveling, grading, cut & fill, and demolition activities shall be effectively controlled of fugitive dust emissions utilizing application of water or by presoaking
30. When materials are transported off-site, all material shall be covered, or effectively wetted to limit visible dust emissions, and at least six inches of freeboard space from the top of the container shall be maintained
31. All operations shall limit or expeditiously remove the accumulation of mud or dirt from adjacent public streets at the end of each workday. The use of dry rotary brushes is expressly prohibited except where preceded or accompanied by sufficient wetting to limit the visible dust emissions. Use of blower devices is expressly forbidden.)
32. Following the addition of materials to, or the removal of materials from, the surface of outdoor storage piles, said piles shall be effectively stabilized of fugitive dust emissions utilizing sufficient water or chemical stabilizer/suppressant
33. Within urban areas, track out shall be immediately removed when it extends 50 or more feet from the site and at the end of each workday
34. Install wheel washers for all exiting trucks, or wash off all trucks and equipment leaving the site.
35. Suspend excavation and grading activity when winds exceed 20 mph.
36. The City's Noise Ordinance (Modesto Municipal Code Section 4-9.101) prohibits the "loud and raucous discharge into the open air of the steam of any steam equipment or exhaust from any stationary internal-combustion engine."

The Noise Ordinance prohibits the loud and raucous operation or use of any of the following before 7:00 a.m. or after 9:00 p.m. daily (except Saturday and Sunday and State or federal holidays, when the prohibited time shall be before 9:00 a.m. and after 9:00 p.m.):

- A. A hammer or any other device or implement used to pound or strike an object.
- B. An impact wrench or other tool or equipment powered by compressed air.
- C. A hand-powered saw.
- D. Any tool or piece of equipment powered by an internal-combustion engine such as, but not limited to, chain saw, backpack blower, and lawn mower.
- E. Any electrically powered (whether by alternating current electricity or by direct current electricity) tool or piece of equipment used for cutting, drilling, or shaping wood, plastic, metal, or other materials or objects, such as, but not limited to, a saw, drill, lathe, or router.
- F. Any of the following: heavy equipment (such as but not limited to bulldozer, steam shovel, road grader, back hoe), ground drilling and boring equipment (such as but not limited to derrick or dredge), hydraulic crane and boom equipment, portable power generator or pump, pavement equipment (such as but not limited to pneumatic hammer, pavement breaker, tamper, compacting equipment), pile-driving equipment, vibrating roller, sand blaster, gunite machine, trencher, concrete truck, and hot kettle pump.
- G. Any construction, demolition, excavation, erection, alteration, or repair activity. In the case of urgent necessity and in the interest of public health and safety, the Chief Building Official may issue a permit for exemption from these. Such period shall not exceed three (3) working days in length while the emergency continues but may be renewed for successive periods of three (3) days or less while the emergency continues. The Chief Building Official may limit such permit as to time of use and/or permitted action, depending upon the nature of the emergency and the type of action requested.

- H. Construction equipment and vehicles should be equipped with properly operating mufflers according to the manufacturers' recommendations. Air compressors and pneumatic equipment should be equipped with mufflers, and impact tools should be equipped with shrouds or shields.
  
- 37. If archaeological resources are discovered at any time during construction, all activity shall cease until a qualified archaeologist surveys the site. The survey shall include mitigation measures, which shall be implemented before construction resumes. The survey shall follow the criteria presented in Appendix K.
  
- 38. The developer shall implement pre- and post- construction best management practices (BMPs) to minimize pollutants entering the storm system.”

“SECTION 2. DEVELOPMENT SCHEDULE. The following development schedule is hereby approved for said Planned Development Zone P-D(371):

All development shall start construction on or before December 5, 2007, completion to be by December 5, 2008.”

SECTION 3. CHANGES IN DEVELOPMENT PLAN. Any changes in the above approved development plan shall be made in accordance with the provisions of Section 10-2.1709 of the Modesto Municipal Code.

SECTION 4. COMPLIANCE WITH CODE PROVISIONS, ETC. In all other respects said planned development shall be accomplished in accordance with and in strict adherence to the provisions of Article 17 of Title 10 of the Modesto Municipal Code relating to Planned Development Zones and other applicable City laws, rules, regulations and procedures.”

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 24<sup>th</sup> day of January, 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-057**

**A RESOLUTION FINDING THAT THE FOLLOWING PROJECT IS WITHIN  
THE SCOPE OF THE PROJECT COVERED BY THE MODESTO URBAN  
AREA GENERAL PLAN MASTER ENVIRONMENTAL IMPACT REPORT  
(SCH NO. 1999082041): AMENDING PLANNED DEVELOPMENT ZONE P-D  
(371), PROPERTY LOCATED AT 2000 WEST BRIGGSMORE AVENUE  
(CALIFORNIA EQUITY MANAGEMENT GROUP)**

WHEREAS, on March 4, 2003, the City Council of the City of Modesto certified the Final Master Environmental Impact Report (“Master EIR”) (SCH No. 1999082041) for the Modesto Urban Area General Plan, and

WHEREAS, California Equity Management Group has proposed an amendment to Planned Development Zone P-D(371) to allow the development of a new commercial building at 2000 West Briggsmore Avenue, and

WHEREAS, Section 21157.1 of the Public Resources Code, relating to reviewing subsequent project for a Master EIR, states that the lead agency shall prepare an Initial Study on any proposed subsequent project to analyze whether the subsequent project may cause any significant effect on the environment that was not examined in the master environmental impact report and whether the subsequent project was described in the master environmental impact report as being within the scope of the project, and

WHEREAS, the City’s Community and Economic Development Department by Environmental Assessment Initial Study EA/C&ED No. 2005-38 (“Initial Study”) reviewed the proposed amendment to P-D(371) to determine whether the project is within the scope of the project covered by the Modesto Urban Area General Plan Master EIR (“Master EIR”), and made the determination that the proposed project will have no additional significant effect on the environment that was not identified in the Master EIR,

and further, that no or new additional mitigation measures or alternatives are required, and that, therefore, the proposed project is within the scope of the project covered by the Master EIR, and

WHEREAS, the Planning Commission, by Resolution No. 2005-47 recommended to the City Council approval of the application of California Equity Management Group to amend Planned Development Zone, P-D(371), for the property located on the south side of west Briggsmore Avenue east of Prescott Road, to allow the development of a new commercial building on site as set forth in said Resolution No. 2005-47, and

WHEREAS, said matter was considered by the City Council at a duly noticed public hearing which was held on January, 24, 2006, at 5:30 p.m., in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council has reviewed and considered the Initial Study prepared for the proposed amendment to P-D(371), a copy of which is attached hereto as Exhibit "A", and incorporated herein by reference, and based on the substantial evidence included in said Initial Study makes the following findings:

1. The proposed Plan Development Amendment is consistent with the Modesto Urban Area General Plan. The General Plan designates this area as "C," Commercial, and the amendment to allow a new commercial building will be consistent with the General Plan land use and intensity.
2. The type of project is described in Chapter II of the Modesto Urban Area General Plan Master EIR (MEIR).
3. All applicable policies, regulations, and mitigation measures identified in the MEIR have been applied to the project or otherwise made conditions of approval of the project.

4. An Initial Study was prepared by the City of Modesto that analyzed whether the proposed subsequent project may cause any significant effect on the environment that was not examined in the MEIR and it has been determined that the project was described in the MEIR as being within the scope of the MEIR.
5. Based on the Initial Study, the City of Modesto finds and determines:
  - a. The proposed subsequent project will have no additional significant effect as defined in CEQA Section 21158 that was not identified in the MEIR.
  - b. No new or additional mitigation measures or alternatives are required.
6. The Initial Study, Environmental Assessment No. EA/C&ED 2005-38, provides the substantial evidence to support finding numbers 2-5 noted above.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Community & Economic Development Director is hereby authorized and directed to file a notice of determination within five (5) business days with the Stanislaus County Clerk pursuant to Section 21152 of the Public Resources Code.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 24<sup>th</sup> day of January, 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**City of Modesto  
Master EIR Initial Study Checklist**

**I. PURPOSE**

CEQA allows for the limited environmental review of subsequent projects under the City's Master EIR. This Initial Study Checklist is used in determining whether the Planned Development Project is "within the scope" of the project analyzed in the Modesto Urban Area General Plan Master EIR (SCH# 1999082041) (Public Resources Code section 21157.1). When the Initial Study supports this conclusion, the City will issue a finding of conformity.

A subsequent project is "within the scope" of the Master EIR when:

1. it will have no additional significant effects on the environment that were not addressed as significant effects in the Master EIR; and
2. no new or additional mitigation measures or alternatives are required.

"Additional significant effects" means a project-specific effect that was not addressed as a significant effect in the Master EIR. (Public Resources Code Section 21158(d))

The determination must be based on substantial evidence in the record. "Substantial evidence" means facts, reasonable assumptions predicated upon facts, or expert opinion based on facts. It does not include speculation or unsubstantiated opinion. (State CEQA Guidelines Section 15384)

**II. PROJECT DESCRIPTION**

- A. Title: Briggsmore Plaza, Planned Development Amendment to P-D (371)
- B. Address or Location: 2000 W. Briggsmore Avenue
- C. Applicant: California Equity Management Group, P.O. Box 1747, Modesto, CA. 95353
- D. City Contact Person: Daniel De La O

Project Manager: Daniel De La O  
Department: Community and Economic Development Department  
Phone Number: (209) 577-5267  
E-mail address: ddelao@modestogov.com

- E. Current General Plan Designation(s): "C" Commercial Land Use
- F. Current Zoning Classification(s): P-D (371), Planned Development
- G. Surrounding Land Uses: North: Commercial (C-3 Commercial)  
South: Commercial (Both C-1 & C-3 Commercial)  
East: Residential Units (R-2 Residential)  
West: Commercial (C-1 Commercial)

- H. Project Description, including the project type listed in Section II.C (Anticipated Future Projects) of the Master EIR (Attach additional maps/support materials as needed for complete record):

The proposed project will involve an amendment to the existing Planned Development Zone P-D (371). In April 2005 the Council approved an amendment to P-D (371) that expanded the existing uses to include retail commercial uses (C-2 uses) on the site (#P-PDA-04-009). The applicant is now proposing to renovate the existing Roller King skating rink building (28,800 sq. ft. in size) and add a new 7,784 sq. ft. building on the property. Both buildings will be designated for retail commercial businesses and additional parking & landscaping will be added on the site.

- I. Other Public Agencies Whose Approval is Required:

None.

**III. FINDINGS/DETERMINATION (SELECT ONE ON THE BASIS OF THE ANALYSIS IN SECTION IV)**

1. X **Within the Scope** - The project is within the scope of the Master EIR and no new environmental document or Public Resources Code Section 21081 findings are required. The following items are found to be true:

- A. The type of project is described in Chapter II of the Master EIR.
- B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.
- C. An Initial Study was prepared by the City of Modesto that analyzed whether the proposed subsequent project may cause any significant effect on the environment that was not examined in the MEIR and it has been determined that the project was described in the MEIR as being within the scope of the MEIR.
- D. Based on the Initial Study, the City of Modesto finds and determines:
  - a) The proposed subsequent project will have no additional significant effect as defined in CEQA Section 21158 that was not identified in the MEIR.
  - b) No new or additional mitigation measures or alternatives are required.
- E. The criteria for currency of the Master EIR were reviewed (section 5 below) and it was determined that the Master EIR is current for all areas of the Initial Study.

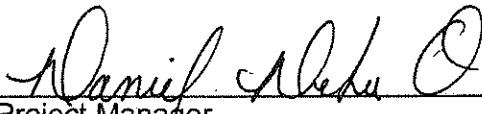

2.        **Mitigated Negative Declaration Required** - On the basis of the above determinations, the project is not within the scope of the Master EIR. A mitigated negative declaration will be prepared for the project. The following items are found to be true:

- A. The type of project is described in Chapter II of the Master EIR.

- B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.
- C. The project will have one or more potential new significant effects on the environment that were not addressed as significant effects in the Master EIR. New or additional mitigation measures are being required of the project that will reduce the effects to a less-than-significant level.

3.        **Focused EIR Required-** On the basis of the above determinations, the project is not within the scope of the Master EIR. A Focused EIR will be prepared for the project. The following items are found to be true:

- A. The type of project is described in Chapter II of the Master EIR.
- B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.
- C. The project will have one or more new significant effects on the environment that were not addressed as significant effects in the Master EIR. New or additional mitigation measures or alternatives are required as a result.

  
Project Manager

ASSISTANT PLANNER      11-22-05  
Title                                      Date

#### 4. Within the Scope Analysis of this Document:

The Master EIR permits projects to be found within the scope of the MEIR if certain criteria are met. Basically, if the following statements are found to be true for all 20 sections of this Initial Study, then the project was covered by the MEIR analysis and is within the scope of the MEIR. Any "No" response must be discussed.

- |   | YES | NO                       |
|---|-----|--------------------------|
| (1) The lead agency for subsequent projects shall be the City of Modesto or a responsible agency identified in the Master EIR.  | X   | <input type="checkbox"/> |
| (2) City policies which reduce, avoid or mitigate environmental effects, will continue to be in effect and therefore would be applied to subsequent projects where appropriate. The policies are described in the list of policies in place and mitigation measures attached to the Initial Study template. | X   | <input type="checkbox"/> |
| (3) Federal, State, Regional and Stanislaus County regulations do not change in a manner that is less restrictive on development than current law (i.e., would not offer the same level of protection assumed under the Master EIR).  | X   | <input type="checkbox"/> |
| (4) No specific information concerning the known or potential presence of significant resources is identified in future reports, or through formal or informal input received from responsible or trustee agencies or other qualified sources.  | X   | <input type="checkbox"/> |
| (5) The development will occur within the boundaries of the City's planning area as established in this Urban Area General Plan.  | X   | <input type="checkbox"/> |
| (6) Development within the project will comply with all mitigation measures identified in the General Plan Master EIR.  | X   | <input type="checkbox"/> |

#### 5. Currency of the Master EIR Document

The MEIR should be reviewed on a regular basis to determine its currency, and whether additional analysis/mitigation should be incorporated into the MEIR via a Supplemental or Subsequent EIR (CEQA Section 21157.6). Staff has reviewed sections 1 through 20 of this document in light of the criteria listed below to determine whether the MEIR is current. The analysis contained within the Master EIR is current as long as the following circumstances have not changed. Any "No" response must be discussed.

- |   | YES | NO                       |
|---|-----|--------------------------|
| (1) Certification of the General Plan Master EIR occurred less than five years prior to the filing of the application for this subsequent project.  | X   | <input type="checkbox"/> |
| (2) This project was described in the Master EIR and its approval will not affect the adequacy of the Master EIR for any subsequent project because the City can make the following findings: | X   | <input type="checkbox"/> |
| (3) No substantial changes have occurred with respect to the circumstances under which the Master EIR was certified.  | X   | <input type="checkbox"/> |

- (4) No new information, which was not known and could not have been known at the time the Master EIR was certified as complete, has become available. X
- (5) Policies remain in place that require site-specific mitigation, and avoidance or other mitigation of impacts as a prerequisite to future development. X

#### IV. ENVIRONMENTAL ANALYSIS

This Initial Study, in accordance with Section 21157.1(b) of the Public Resources Code, analyzes whether this project may cause any project-specific significant effect on the environment that was not examined in the Final Master EIR (MEIR) for the General Plan and whether new or additional mitigation measures or alternatives may be required as a result. The Initial Study thereby documents whether or not the project is "within the scope" of the Master EIR.

Pursuant to Public Resources Code Section 21157.1, no new environmental document or findings are necessary for projects that are determined to be within the scope of the MEIR. Adoption of a notice of conformity after completion of the Initial Study fulfills the City's obligation in that situation.

All environmental effects cited reflect year 2025 build-out of the Urban Area General Plan as identified in the MEIR.

The Master EIR for the General Plan organizes its analysis of environmental impacts into eighteen subject areas. The following analysis is based on the impact analyses contained in Chapter V of the Master EIR. For ease of cross-reference, the sections are numbered in the same order as the analyses in Chapter V.

In addition to the 18 Master EIR subject areas, the Initial Study checklist addresses the issues of land use/planning and aesthetics. The reason for including these additional issues is to ensure that consideration is being given to the full range of subjects of importance contained in Appendix G of the CEQA Guidelines. The format for the land use/planning and aesthetics sections differs from that of the other 18 subject areas since these two subjects were not addressed as distinct subjects in the Master EIR.

#### 1. TRAFFIC AND CIRCULATION

##### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant and unavoidable traffic and circulation impacts within certain areas of the "Baseline Developed Area":

Effect: Increased traffic will result in certain roadway segments operating at LOS "D" or worse.

Effect: The substantial increase in traffic relative to the existing load and capacity of the street system will cause, violation, either individually or cumulatively, of a LOS standard established by the County CMP for designated roads and highways.

Effect: Creation of need for Capacity-enhancing modifications to existing facilities.

Effect: Increase in energy consumption associated with the operation of highway projects, rail improvements, and aviation facilities.

Effect: Severe contrast with existing neighborhood or area character caused by highway and transit projects.

DISCUSSION:

This is an application to facilitate the development of a commercial building within an existing commercial site. The proposed project is compatible with the existing surrounding mix use of commercial development located along this area of Briggsmore Avenue. All City Departments including the Engineering and Transportation Department reviewed the proposed project for impacts and compliance to City regulations. The factors considered in making the determination that the project will have a new significant effect on the roadways is based on the peak hour trips generated by the project. If a project exceeds the peak hour trips contribution further studies are required. The Traffic Division Staff reviewed the proposal to add the new building on site. The square footage, uses, and layout of the site were analyzed. The Traffic Division indicated that the project would not generate traffic impacts to the adjacent roadways in excess of what was assumed under the Master EIR. No traffic study or site access study was required for this project.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Traffic and Circulation mitigation measures that may be pertinent to this project are found on MEIR pages V-1-15 through V-1-21. All feasible measures appropriate to the project – including any new measures - will be incorporated into or made conditions of approval of this project and will be listed in Section IV, *Mitigation Measures Applied to Project*.

**c. Project-Specific Effects**

Section V-1.B of the MEIR provides analysis of Traffic and Circulation impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Significance Criteria: A subsequent development project will have a new significant effect on the environment if it would exceed the following criteria:

YES NO

- |   |   |
|---|---|
| (1) Does the project contribute one hundred (100) or more peak hour trips to or from the site during the adjacent roadway's peak hour or the development's peak hour, to adjoining roads and generates more trips than assumed for their general plan land use category and zoning in the Master EIR. | <input type="checkbox"/> YES <input checked="" type="checkbox"/> NO |
|---|---|

Note:

If a project exceeds an additional one hundred (100) or more peak hour trips contribution, a site access study may be conducted to determine to what extent the project would exceed the year 2025 level of service (LOS) expected for the adjoining roadways under the Master EIR. The site access study would recommend new, project-specific mitigation measures. If the project also

exceeds the Master EIR's traffic generation assumption, as determined by Engineering & Transportation staff, a comprehensive traffic study would be required that will include off-site traffic impact analysis.

	YES	NO
(2) Substantially increase hazards due to a design feature (e.g., sharp curves or dangerous intersections) or incompatible uses (e.g. farm equipment).	<input type="checkbox"/>	X
(3) Result in inadequate emergency access.	<input type="checkbox"/>	X
(4) Result in inadequate parking capacity.	<input type="checkbox"/>	X

DISCUSSION:

- (1) Engineering and Transportation Staff reviewed the proposed project and have the following comments:
  - A. The proposed project will not generate traffic impacts to the adjacent roadways in excess of what was assumed under the MEIR. *No traffic study is required.*
  - B. A site access study is not required for this project.
- (2) The project will not substantially increase hazards due to a design feature (e.g., sharp curves or dangerous intersections) or incompatible uses (e.g. farm equipment). The City Engineering and Traffic Department has evaluated the project and has determined that the existing design layout of the project is in accordance to City standards.
- (3) Police and Fire Staff have reviewed this proposal and have indicated that there is no emergency access problem.
- (4) The project has been evaluated for compliance to the City of Modesto Parking regulations. The parking area will be located adjacent to the existing and proposed building. The project will provide a total of 122 spaces meeting the minimum requirement of 122 parking spaces. The design and layout of the proposed parking area will comply with both City standards and ADA (Americans with Disability Act) standards.

**2. AIR QUALITY**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to air quality:

Effect: Projected City traffic levels will result in increased ambient carbon monoxide (CO) levels in the project area. *This is a significant and unavoidable impact.*

Effect: Projected City traffic levels will result in increased ROG and NOX levels in the project area. *This is a significant and unavoidable impact.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Air Quality mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-2-11 through V-2-18 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project and are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

Mitigation Measures appropriate to this project include: AQ-17

**c. Project-Specific Effects**

Section V-2.B of the MEIR provides analysis of Air Quality impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

		YES	NO
(1)	The project exceeds the emissions thresholds established for CO and NOx by the San Joaquin Valley Unified Air Pollution Control District's (SJVUAPCD) adopted CEQA Guidelines.	<input type="checkbox"/>	X
(2)	The project does not incorporate the best management practices for PM10 reduction established by the SJVUAPCD.	<input type="checkbox"/>	X
(3)	The project does not comply with the air quality policies of the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(4)	The project would expose sensitive receptors to substantial pollutant concentrations.	<input type="checkbox"/>	X
(5)	The project would create objectionable odors affecting a substantial number of people.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project was referred to the San Joaquin Valley Unified Air Pollution Control District who determined that the project would not have a significant effect on the ambient air quality.
- (2) This project does incorporate the best management practices for PM10 reduction established by the SJVUAPD (see mitigations measures above).
- (3) Applicable General Plan Policies will be applied to the project. Therefore, project-specific effects will be less than significant for this impact (see mitigations measures above).

- (4) The project is not a significant contributor to pollution levels in that it involves only a building addition for an existing commercial site. PM10 emissions created through the construction phase will be mitigated as called for by the MEIR by the measures listed above.
- (5) The proposed project will not produce objectionable odors.

**3. NOISE**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant and unavoidable environmental impacts relative to noise:

Effect: Traffic noise levels for future conditions in the plan area have the potential to result in an excess of the City's Noise Significance Standards.

Effect: Noise level projections based on the traffic levels anticipated in the General Plan indicate that noise will exceed the City's General Plan and noise ordinance standards.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Noise policies and mitigation measures pertinent to the project being analyzed in this Initial Study are found on pages V-3-10 through V-3-15 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project and any new measures are listed in Section IV, Mitigation Applied to Project:

DISCUSSION:

Mitigation Measures appropriate to this project include: N-4, N-5 and N-6.

**c. Project-Specific Effects**

Section V-3.B of the MEIR provides analysis of noise impacts of development of the General Plan; the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

		YES	NO
(1)	The project will exceed the standards for noise level and hours of operation established by the Modesto noise ordinance.	<input type="checkbox"/>	X
(2)	The project will exceed the noise policies of or otherwise be inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(3)	The project will result in a substantial permanent increase in ambient noise levels in the project vicinity above levels existing without the project?	<input type="checkbox"/>	X

- (4) The project will result in a substantial temporary or periodic increase in ambient noise levels in the project vicinity above levels existing without the project.  X

**DISCUSSION:**

- (1) The City's noise policy is incorporated into the conditions of approval as a mitigation measure.
- (2) The project is consistent with the noise policies of the General Plan. The noise mitigation measures called for by the General Plan for projects within the baseline-developed area are incorporated into the conditions of approval for the project.
- (3) The only permanent noise levels produced by the project would be associated with traffic. The increased traffic levels are within the scope of what the MEIR assumed for the site. Therefore, this project will not result in a substantial permanent increase in ambient noise levels.
- (4) The project will not result in a substantial temporary or periodic increase in ambient noise levels in the project vicinity. There will be some construction related noise, but the noise mitigation measures called for by the General Plan for projects within the baseline developed area, are incorporated into the conditions of approval for the project.

**4. AGRICULTURAL LANDS**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to agricultural lands:

Effect: Development within the urbanized Baseline Developed Area and Redevelopment Area will have a less-than-significant impact on agricultural lands.

Effect: Conversion of agricultural land will occur as available developable land is occupied within the City. This is a significant and unavoidable impact.

Effect: Growth within Modesto's planning area would contribute considerably to the loss of agricultural land within Stanislaus County. This is a significant and unavoidable cumulative impact.

**DISCUSSION:**

The site is not zoned for agriculture or designated on the General Plan for future agricultural use. The proposed project will not affect areas zoned for agriculture or designated on the General Plan for future agricultural use. The project site and the surrounding property are located within a fully developed urbanized area.

**b. Master EIR and/or New Mitigation Measures Pertinent to the Project**

Agricultural Land mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-4-7 and V-4-8 MEIR. All feasible measures appropriate to the project and any new mitigation to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Applied to Project:

DISCUSSION:

There are no mitigation measures applicable to this project.

**c. Project-Specific Effects**

Section V-4.B of the MEIR provides analysis of Agricultural Lands impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project will directly result in the development of land outside the March 2003 planning area boundaries.	<input type="checkbox"/>	X
(3) The project will Conflict with existing zoning for agricultural use, or a Williamson Act contract.	<input type="checkbox"/>	X
(4) The project will Involve other changes in the existing environment which, due to their location or nature, could result in conversion of Farmland, to non-agricultural use.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the General Plan land use policies. It is an infill project, proposed within the urbanized area of the City. There are no agricultural parcels affected by the proposal and no agricultural land will be converted.
- (2) The project is within the Baseline-Developed area of the City and therefore will not result in the development of land outside the March 2003 planning area boundaries.
- (3) The project site is not zoned for agriculture nor is it under Williamson Act contract.
- (4) The project will not involve changes to the existing environment that could result in the conversion of farmland to non-agricultural uses. The project is completely surrounded by urbanization.

**5. WATER SUPPLY**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to water supply:

Effect: Urban Area General Plan policies are established to limit groundwater extractions to the safe yield of the aquifer and thereby avoid aquifer over drafting. In addition, the UWMP requires that new urban development would proceed in conjunction with the availability of water supplies and distribution facilities. It is assumed that increased entitlement of surface water supplies such as a water transfer from another water purveyor would undergo independent environmental review pursuant to CEQA. *This is a less-than-significant impact.*

Effect: Development to the future projected City population would require expansion of the MRWTP to its full 60 mgd capacity, development of additional groundwater wells, and construction of additional water distribution and treatment facilities. Construction of some of the required facilities would most likely require site-specific environmental impact assessments to be conducted under CEQA. *Consequently, the potential environmental impacts of the Urban Area General Plan are considered less-than-significant.*

Effect: During drought years, despite available options, significant water shortages are forecast for the San Joaquin River basin by the year 2020. Modesto would make a cumulatively considerable contribution to the cumulative impact on water supply under drought conditions. *This is a significant and unavoidable cumulative impact.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Water Supply mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-5-7 through V-5-8 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

There are no mitigation measures applicable to this project.

**c. Project-Specific Effects**

Section V-5.B of the MEIR provides analysis of Water Supply impacts of development of the General Plan; the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) Sufficient water supplies are not available to serve the project from existing entitlements and resources, new or expanded entitlements are needed.	<input type="checkbox"/>	X

## DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan both in land use and intensity.
- (2) The project was referred to Engineering and Transportation for comment and there was no determination that there is insufficient capacity to serve the project.

## **6. SANITARY SEWER SERVICES**

### **a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to sanitary sewer services:

Effect: The City has already begun to implement the provisions of the Wastewater Master Plan (WMP) to meet future demand for sanitary sewer services. As City wastewater treatment facilities are expanded to meet the needs of the Baseline Developed, Redevelopment, and Planned Urbanizing Areas, the City will obtain the necessary wastewater discharge and NPDES permits from the Central Valley RWQCB, as required under Urban Area General Plan Policy V-D.2(a). Implementing the WMP, requirement of Best Management Practices for post-construction activities, as well as the Urban Area General Plan policy cited above, will avoid violation of wastewater discharge requirements. *As a result, this impact would be less-than-significant.*

Effect: The City has adopted the WMP specifically to ensure that sewer capacity will match the level of growth projected by the Urban Area General Plan. Development within the Baseline Developed and the Planned Urbanizing Areas that is consistent with the Urban Area General Plan will not have a significant effect on capacity. Urban Area General Plan Policy III-D.1(d) will ensure that development in the Planned Urbanizing Area will fund the necessary improvements. *This is a less-than-significant impact.*

Note on the WMP Master EIR. The WMP Master EIR identified a number of impacts and mitigation measures. Its mitigation measures have been adopted by the City and are being implemented by the City under the WMP. Those impacts are being independently addressed under that Master EIR and do not need to be considered under this Initial Study. Refer to the WMP Master EIR for details.

### **b. Master EIR and/or New Mitigation Measures Applied to the Project**

Sewer Service mitigation measure(s) pertinent to the project being analyzed in this Initial Study, are found on pages V-6-4 through V-6-7 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

## DISCUSSION:

There are no mitigation measures applicable to this project.

### **c. Project-Specific Effects**

Section V-6.B of the MEIR provides analysis of Sanitary Sewer Service impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |   | YES                      | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.   | <input type="checkbox"/> | X  |
| (2) The project will result in a determination by the wastewater treatment provider which serves or may serve the project that it has inadequate capacity to serve the project's projected demand in addition to the provider's existing commitments. | <input type="checkbox"/> | X  |

**DISCUSSION:**

- (1) The project is consistent with the Modesto Urban Area General Plan both in land use and intensity.
- (2) The project was referred to Engineering and Transportation for comment and there was no indication that there is insufficient capacity to serve the project.

**7. SENSITIVE WILDLIFE AND PLANT HABITAT**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to sensitive wildlife and plant habitat:

Effect: Although many sensitive species live in riparian habitats within the planning area, the policies of the plan will ensure that impacts of the Urban Area General Plan will be less-than-significant.

Effect: Requiring higher residential density than the suburban norm and a compact pattern of growth within the designated planning area to the year 2025 will minimize the City's contribution to the cumulative loss of habitat. Nonetheless, this is a significant and unavoidable impact.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Wildlife and Plant Habitat mitigation measure pertinent to the project being analyzed in this Initial Study are found on pages V-7-19 through V-7-21. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

There are no mitigation measures applicable to this project regarding sensitive wildlife and plant habitat. The project site is not a biologically sensitive site as defined by Figures V-7-1a through V-7-1e of the MEIR.

**c. Project-Specific Effects**

Section V-7.B of the MEIR provides analysis of Wildlife and Plant Habitat impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |   | YES                      | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.   | <input type="checkbox"/> | X  |
| (2) Consultation with the California Department of Fish and Game or the U.S. Fish and Wildlife Service determines that the project would have a significant effect on special status species. | <input type="checkbox"/> | X  |
| (3) Conflict with any local policies or ordinances protecting biological resources, such as a tree preservation policy or ordinance.  | <input type="checkbox"/> | X  |

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan both in land use and intensity.
- (2) The project site is not a biologically sensitive site as defined by Figures V-7-1a through V-7-1e of the MEIR. The California Department of Fish and Game and the U.S. Fish and Wildlife Service were consulted in the production of the MEIR.
- (3) There is no conflict with any local policies or ordinances protecting biological resources.

**8. ARCHAEOLOGICAL OR HISTORICAL SITES**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to archaeological or historical sites:

Effect: If a site-specific project involves the modification or demolition of a qualifying structure more than 50 years in age, then the impact will be significant.

Effect: Areas of high probability for archaeological resources are located within the riparian corridors along the Tuolumne River, Dry Creek, and the Stanislaus River. There, the potential

impact comes from earthmoving activities that could result in disturbance of resources or human remains. There is a low probability that archaeological resources will be uncovered in areas outside of the riparian corridors.

Effect: The City Zoning Ordinance requires that when substantial changes to a structure are proposed, the development will be required to comply with other Zoning Ordinance provisions such as parking or landscaping requirements. This could result in modifications to the structure, which substantially reduce its historical significance. This would be a less-than-significant impact with the imposition of new mitigation measure Cultural-1.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Archaeological or Historic mitigation measures pertinent to the project being analyzed in this Initial Study are found on page V-8-13 and V-8-14 MEIR.

DISCUSSION:

Mitigation Measures applicable to this project include: AH-8, Master EIR.

**c. Project-Specific Effects**

Section V-8.B of the MEIR provides analysis of Archaeological/Historical impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

		YES	NO
(1)	The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2)	The project would adversely affect a cultural resource that is either listed or eligible for listing in the California Register of Historical Resources, or that is listed by the City of Modesto as a Designated Landmark Preservation Site.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan in both land use and intensity.
- (2) The project would not adversely affect a cultural resource that is either listed or eligible for listing in the California Register of Historical Resources, or that is listed by the City of Modesto as a Designated Landmark Preservation Site. The mitigation measure called for by the General Plan is incorporated into the conditions of approval for the project.

## 9. STORM DRAINAGE

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to storm drainage:

Effect: The potential impacts on storm water drainage that could occur from the project were qualitatively evaluated with respect to several factors including: extent of the projected increase in urban surface area compared to undeveloped ground; magnitude of projected changes to hydrologic and physical site characteristics of the study area compared to existing conditions; regulatory criteria and guidelines; and professional judgment. Because the Urban Area General Plan includes policies that require new development in all three sections of the planning area to install approved drainage facilities, the potential impacts of the Urban Area General Plan on storm water drainage are considered *less-than-significant*.

Effect: The population of Stanislaus County is projected to increase in a fashion similar to that of Modesto, resulting in additional urban development and associated increases in impervious areas and associated urban storm water drainage. Cumulative hydrologic impacts of storm water flows from Modesto urban areas and other areas of the County could occur due to the fixed capacity of MID and TID irrigation canals to convey drainage west to the San Joaquin River. If drainage channels in some areas prove insufficient to handle the increased drainage discharges, existing storm water runoff from urban and agricultural areas during large storm events would have to be interrupted until water levels receded to a point allowing the resumption of discharges to the channel. Ceasing discharges to drainage channels could cause inundation in and around the drainage conveyance pipeline systems, surface drainage channels, detention basins, and other urban areas. *This cumulative impact is considered significant and unavoidable.*

### b. Master EIR and/or New Mitigation Measures Applied to the Project

Storm Drainage mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-9-4 through V-9-8.

#### DISCUSSION:

Mitigation measures appropriate to this project include: SD-7, MEIR. This mitigation measure is addressed by conditions of approval.

### c. Project-Specific Effects

Section V-9.B of the MEIR provides analysis of Storm Drainage impacts of development of the General Plan; the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	<input checked="" type="checkbox"/>

- (2) The project would substantially increase the rate or amount of surface runoff in a manner that would result in flooding on- or offsite.  X
- (3) Create or contribute runoff water that would exceed the capacity of existing or planned storm water drainage systems or provide substantial additional sources of polluted runoff.  X

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan "C" (Commercial Land Use) designation in both land use and intensity.
- (2) The project will meet the standards contained in the "Guidance Manual for New Development-Storm Water Quality Control Measures," adopted by the City as required by the above-listed mitigation measures.
- (3) The project will not contribute additional water runoff that would exceed the capacity of the storm drainage system.

**10. FLOODING AND WATER QUALITY**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to flooding and water quality:

Effect: Increased runoff can accelerate soil erosion, stream channel scouring, and sedimentation of channels, and also increase pollutant transport to waterways. The potential impacts of the project on flooding are considered less-than-significant because the Urban Area General Plan Update includes policies to restrict development in the floodplain and therefore would avoid exposing persons and property to flood hazards. In addition, new development under the Urban Area General Plan is required to install storm water drainage facilities that restrict the amount of post-development runoff from exceeding pre-development conditions.

Effect: The potential impacts of the project on surface-water quality are considered less-than-significant because the City policies and capital improvement projects for storm water drainage facilities would minimize discharges of urban pollutants to natural waterways. The City drainage program policies require new development to prepare drainage plans and implement urban runoff control measures; larger Specific Plan developments must have storm drainage systems designed to control pollutant runoff. The City's implementation policies for the municipal NPDES storm water permit require new development to implement an appropriate selection of permanent pollution control measures. Permanent erosion control measures such as seeding and planting vegetation for new cut-and-fill slopes, directing runoff through vegetation, or otherwise reducing the offsite discharge of particulates and sediment are the most effective method of controlling offsite discharges of urban pollutants.

Effect: The City's future development will contribute to cumulative water quality effects. EPA regulations for NPDES storm water permits and new proposed regulatory additions to the rules

have become much more comprehensive in recent years and are being implemented to reduce pollutant runoff from both large- and small-scale activities. Implementation of NPDES-permitting programs throughout the county will reduce potential water-quality impacts to a less-than-significant level.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Flooding and Water Quality mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-10-7 through V-10-10 MEIR. All feasible measures appropriate to the project have been incorporated into the conditions of approval.

DISCUSSION:

Mitigation measures appropriate to this project include: FWQ-14, MEIR. This mitigation measure is addressed by conditions of approval.

**c. Project-Specific Effects**

Section V-10.B of the MEIR provides analysis of Flooding and Water Quality impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

		YES	NO
(1)	The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2)	The project does not comply with the regulatory requirements of the federal Clean Water Act or the State Porter-Cologne Act.	<input type="checkbox"/>	X
(3)	The project does not comply with Modesto's Guidance Manual for New Development Storm water Quality Control Measures.	<input type="checkbox"/>	X
(4)	The project would create or contribute runoff water, which would exceed the capacity of existing or planned storm water drainage systems or provide substantial additional sources of polluted runoff.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan "C" (Commercial Land Use) designation in both land use and intensity.
- (2) The project would comply with the Federal Clean Water Act and the Porter Cologne Act requirements.

- (3) Mitigation Measures as called for by FWQ-14 will be applied to the project so that the project will comply with the Guidance Manual for New Development Storm Water Quality Control Measures.
- (4) The project would not create or contribute to runoff water in excess of the capacity of existing or planned storm water drainage systems or provide additional sources of polluted runoff.

**11. PARKS AND OPEN SPACE**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to parks and open space:

Effect: Within the Baseline Developed and Redevelopment Areas, the Urban Area General Plan does not propose any elimination of existing park and/or open space land. *Impacts on parks and open space will be less-than-significant.*

Effect: The projected population of the Planned Urbanizing Area is 148,600, requiring 149 acres of neighborhood parks and 298 acres of community parks. The required minimum acreages can be met through the application of existing policies and regulations, including Government Code Section 66474, which require developers to pay Parks Capital Facilities Fees to fund the acquisition of appropriate parkland acreage. *This impact is less-than-significant.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Parks and Open Space Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-11-4 through V-11-19 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project, are listed in Section IV, Mitigation Applied to Project:

DISCUSSION:

There are no mitigation measures applicable to this project. It is not on or adjacent to any park sites, nor is it near any of the riparian area identified by Figures V-7-1a through V-7-1e of the MEIR.

**c. Project-Specific Effects**

Section V-11.B of the MEIR provides analysis of Parks and Recreation impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

YES NO

- (1) The project is inconsistent with the Modesto Urban Area General Plan.  YES  NO

## DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan "C" (Commercial Land Use) designation in both land use and intensity. There are no mitigation measures applicable to this project.

## 12. SCHOOLS

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to schools:

Effect: The estimated increase in population over 1994/1995 would generate an additional 29,200 elementary school students, 7,330 middle school students, and 14,640 high school students above those enrollments. Assuming that existing facilities cannot sufficiently accommodate this increase and that all of the new students would require new school facilities, build out of the General Plan would result in the need for approximately 37 elementary schools, 8 middle schools, and 7 high schools beyond 1994/1995 levels. This would result in a significant impact on schools in that it would exceed current capacity. By statute, this impact is considered to be mitigated below a level of significance by payment of school impact fees and exercise of any or all of the financing options set out in Government Code Section 65997.

### b. Master EIR and/or New Mitigation Measures Applied to the Project

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. ). As long as all anticipated subsequent projects apply these policies, no new mitigation is necessary. Further, payment of school impact fees and compliance with SB 50 is statutorily deemed to be full mitigation of school impacts (Government Code Section 65995). The proposed additional school policy will address the situation that would arise should AB 50 be repealed. It will authorize impact fees or other methods to finance additional school facilities.

The following schools mitigation measure(s) are pertinent to the project being analyzed in this Initial Study. See pages V-12-4 through V-12-7 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section IV, Mitigation Applied to Project:

## DISCUSSION:

There are no mitigation measures applicable to this project.

### c. Project-Specific Effects

Section V-12.B of the MEIR provides analysis of Schools impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

YES NO

- (1) The project is inconsistent with the Modesto Urban Area General Plan.  YES  NO
- (2) The project does not comply with SB 50/Proposition 1A funding provisions, or succeeding measures which provide that compliance results in less-than-significant impacts on schools.  YES  NO

DISCUSSION:

- (1) The project is consistent with the General Plan in both land use and intensity.
- (2) The project was referred to Modesto City Schools who indicated no opposition to the project.

**13. POLICE SERVICES**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to police services:

Effect: The 1995 Master EIR identified two impacts on the demand for police services; however, it concluded that no significant impact, based on the mitigation measures identified in the 1995 Master EIR, would occur. Those mitigation measures are now policies of the Urban Area General Plan. *The impact is less-than-significant.*

Effect: Within the Planned Urbanizing Area, complying with the Urban Area General Plan policies, particularly the policy that requires a long-range financing strategy for each Comprehensive Plan Area, will allow the City to provide the resources necessary to extend service to the newly growing Planned Urbanizing areas. *These policies reduce the impact to a less-than-significant level.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Police Services mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-13-3 and V-13-4 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

No mitigation measures are applicable to this project.

**c. Project-Specific Effects**

Section V-13.B of the MEIR provides analysis of police services impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

YES NO

- |     |  |                          |   |
|-----|--|--------------------------|---|
| (1) | The project is inconsistent with the Modesto Urban Area General Plan.  | <input type="checkbox"/> | X |
| (2) | The project would result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives. | <input type="checkbox"/> | X |

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan "C" (Commercial Land Use) designation in both land use and intensity.
- (2) The project would not result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives. The project meets City Standards for emergency services access.

**14. FIRE SERVICES**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to fire services:

Effect: The Baseline Developed Area and Redevelopment Area are already developed. *Impacts on fire services of development in these areas will be less-than-significant.*

Effect: In the Planned Urbanizing Area, the Urban Area General Plan would result in the need for additional fire protection services due to increases in the number of employees, permanent population, and associated improvements. City policy requires that fire protection be in place concurrent with construction in the Planned Urbanizing Area. This policy will be implemented with the adoption of future Comprehensive Plans in the Planned Urbanizing Area. *This impact would be less-than-significant.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Fire Services mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-14-3 through V-14-5 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project. are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

No mitigation measures are applicable to this project.

**c. Project-Specific Effects**

Section V-14.B of the MEIR provides analysis of fire services impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project would result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan "C" (Commercial Land Use) designation in both land use and intensity.
- (2) The project would not result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives. The project meets City Standards for emergency services access.

**15. SOLID WASTE**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to solid waste:

Effect: New development projects would exceed available landfill capacity, it is identified as a significant impact. The Fink Road Landfill may be closed by the time the City reaches build out, unless an expansion is approved by the County and the Integrated Waste Management Board. As the waste stream generated increases with population, additional landfills and methods for diversion would have to be utilized. New projects will also generate the need for additional collection and transfer facilities. This impact is significant and unavoidable. *The impact would be less-than-significant at such time as the Fink Road Landfill expansion is approved.*

Effect: New development projects can make a considerable contribution to the cumulative impact on landfill capacity of development in Stanislaus County. *This impact is significant and unavoidable.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Solid Waste Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study, are found on pages V-15-5 and V-15-6 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Applied to Project:

DISCUSSION:

No mitigation measures are applicable to this project.

**c. Project-Specific Effects**

Section V-15.B of the MEIR provides analysis of solid waste impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The County is unable to expand its solid waste disposal capacity and the project would result in waste stream levels that exceed disposal capacity.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan "C" (Commercial Land Use) designation in both land use and intensity.
- (2) This project was referred to the County and Solid Waste Division of the Engineering and Transportation Division for review, and no indication was given that there would be a problem serving this project.

**16. HAZARDOUS MATERIALS**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to hazardous materials:

Effect: The impacts of the project relative to hazardous materials are less-than-significant, based on the existing regulatory framework. New development will be required to comply with regulations monitoring and controlling the handling and use of hazardous and toxic materials.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under federal, state and county policies and regulations, and the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Hazardous Materials Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-16-9 through V-16-12 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

No mitigation measures are applicable to this project.

**c. Project-Specific Effects**

Section V-16.B of the MEIR provides analysis of hazardous materials impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project does not comply with all applicable federal, state, and county standards and regulations relative to the handling, storage, disposal, and transport of hazardous or toxic materials or wastes.	<input type="checkbox"/>	X
(3) The project contains a contaminated site not identified as of March 2003.	<input type="checkbox"/>	X
(4) The project would emit hazardous emissions or handle hazardous or acutely hazardous materials, substances, or waste within one-quarter mile of an existing or proposed school.	<input type="checkbox"/>	X
(5) The project would be located on a site which is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and as a result, would create a significant hazard to the public or the environment.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan "C" (Commercial Land Use) designation in both land use and intensity.

- (2) The project does comply with all applicable federal, state, and county standards and regulations relative to the handling, storage, disposal, and transport of hazardous or toxic materials or wastes. (No hazardous materials will be involved with this project).
- (3) The project site is not known to contain any contaminants.
- (4) The project would not emit hazardous emissions or handle hazardous or acutely hazardous materials, substances, or waste.
- (5) The project would not be located on a site, which is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and as a result, would not create a significant hazard to the public or the environment.

## 17. LANDSLIDES AND SEISMIC ACTIVITY

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to landslides and seismic activity:

Effect: There are areas of known sand and gravel resources within the Baseline Developed Area and Redevelopment Area. Future development will be subject to SMARA requirements, therefore, *the project impact will be less-than-significant.*

Effect: There are areas of known sand and gravel resources within the Planned Urbanizing Area. Future development will be subject to SMARA requirements, therefore, *the project impact will be less-than-significant.*

### b. Master EIR and/or New Mitigation Measures Applied to the Project

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Landslide and Seismic Activity Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-17-6 and V-17-7 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

### DISCUSSION:

No mitigation measures are applicable to this project.

### c. Project-Specific Effects

Section V-17.B of the MEIR provides analysis of landslides and seismic impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |   | YES                      | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.   | <input type="checkbox"/> | X  |
| (2) The project would be located on soil that is unstable, or that would become unstable as a result of the project, and potentially result in on or off-site landslide, lateral spreading, subsidence, liquefaction or collapse. | <input type="checkbox"/> | X  |

DISCUSSION:

- (1) The project is consistent with the General Plan in both land use and intensity.
- (2) The project would not be located on soil that is unstable, or that would become unstable as a result of the project.

**18. ENERGY**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to energy:

Effect: The Baseline Developed Area and Redevelopment Area are already developed. New development within the Redevelopment Area will comply with Title 24 standards as well as City Urban Area General Plan policies. *Impacts on energy by development in these areas (i.e., changes in levels of use above the current baseline) will be less-than-significant.*

Effect: Build out under the Urban Area General Plan will utilize an estimated 1,400 million cubic feet per month of natural gas, 1,300 million kilowatt hours (kwh) of electricity per year and 650,000 gallons of gasoline per day. PG&E has indicated that they have at the current time sufficient supplies of natural gas to serve the increased natural gas demands of the project. At present, gasoline supplies are apparently sufficient to serve the gasoline demands of the project. Title 24 of the California Code of Regulation, which ensures that the project will not exceed local, state, and federal energy standards. *The impact is less-than-significant.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

The following energy mitigation measure(s) are pertinent to the project being analyzed in this Initial Study. See page V-18-3 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section IV, Mitigation Applied to Project:

DISCUSSION:

No mitigation measures are applicable to this project.

**c. Project-Specific Effects**

Section V-18.B of the MEIR provides analysis of energy impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |   | YES                      | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | X  |

**DISCUSSION:**

- (1) The project is consistent with the Modesto Urban Area General Plan "C" (Commercial Land Use) designation in both land use and intensity.

**19. PLANNING AND LAND USE**

The Master EIR was certified for the Modesto Urban Area General Plan. The significant effects described in the 18 subject areas contained in the Master EIR are based on the planning policies and diagrams adopted as part of the General Plan. Planning and land use were not among the 18 subject areas analyzed in the Master EIR because they essentially defined the project being evaluated in the EIR.

**a. Project-Specific Effects**

Determination of project effects will be based on the following threshold. A project-specific effect is less-than-significant unless:

- |  | YES                      | NO |
|--|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.                | <input type="checkbox"/> | X  |
| (2) The project includes a substantive amendment to the Modesto Urban Area General Plan. | <input type="checkbox"/> | X  |
| (3) The project would physically divide an established community                         | <input type="checkbox"/> | X  |

**Discussion:**

- (1) The project is consistent with the Modesto Urban Area General Plan "C" (Commercial Land Use) designation in both land use and intensity.
- (2) No amendment to the General Plan is required by this project.
- (3) The project is infill development that will not divide an established community.

## 20. AESTHETICS

The Master EIR was certified for the Modesto Urban Area General Plan. The significant effects described in the 18 subject areas contained in the Master EIR, are based on the planning policies and diagrams adopted as part of the General Plan. At that level of detail, no significant effects on aesthetics were identified.

### a. Project-Specific Effects

Determination of project effects will be based on the following threshold. A project-specific effect is less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project would have a substantial adverse effect on a scenic vista.	<input type="checkbox"/>	X
(3) The project would substantially degrade the existing visual character or quality of the project site and its surroundings.	<input type="checkbox"/>	X
(4) The project would create a new source of substantial light and glare, which would adversely affect day or nighttime views in the area.	<input type="checkbox"/>	X

### DISCUSSION:

- (1) The project is consistent with the General Plan in both land use and intensity.
- (2) There are no Scenic Vistas from the location of the proposed development. It is completely surrounded by urbanization. Views to the Diablo and Sierra Mountain Ranges are already precluded from this site and its surroundings.
- (3) The project would not substantially degrade the existing visual character or quality of the project site and its surroundings.
- (4) The project would not create a substantial source of light or glare that would adversely affect daytime or nighttime views in the area. The existing site conforms to current City regulations regarding night glare to surrounding residences. These requirements shall remain in effect.

## V. MITIGATION MEASURES APPLIED TO THE PROJECT

### A. Master EIR Mitigation Measures Applied to the Project

Pursuant to CEQA Section 21157.1 ( c ), in order for a Finding of Conformance to be made, all feasible measures from the Master EIR appropriate to the project shall be incorporated into the project. The following adopted General Plan Policies and Master EIR Mitigation Measures (also contained in Section III, "Global List") shall be made part of the project prior to approval by means of conditions of project approval or incorporation into the appropriate document or plan:

All applicable and appropriate mitigation measures have been applied to the project.

**Traffic and Circulation Measures:**

N/A

**Air Quality Measures:**

1. All disturbed areas, including storage piles, which are not being actively utilized for construction purposes, shall be effectively stabilized of dust emissions using water, chemical stabilizer/suppressant, covered with a tarp or other suitable cover or vegetative ground cover
2. All land clearing, grubbing, scraping, excavation, land leveling, grading, cut & fill, and demolition activities shall be effectively controlled of fugitive dust emissions utilizing application of water or by presoaking.
3. When materials are transported off-site, all material shall be covered, or effectively wetted to limit visible dust emissions, and at least six inches of freeboard space from the top of the container shall be maintained.
4. All operations shall limit or expeditiously remove the accumulation of mud or dirt from adjacent public streets at the end of each workday. *(the use of dry rotary brushes is expressly prohibited except where preceded or accompanied by sufficient wetting to limit the visible dust emissions.) (Use of blower devices is expressly forbidden.)*
5. Following the addition of materials to, or the removal of materials from, the surface of outdoor storage piles, said piles shall be effectively stabilized of fugitive dust emissions utilizing sufficient water or chemical stabilizer/suppressant.
6. Within urban areas, track out shall be immediately removed when it extends 50 or more feet from the site and at the end of each workday.
7. Install wheel washers for all exiting trucks, or wash off all trucks and equipment leaving the site.
8. Suspend excavation and grading activity when winds exceed 20 mph.

**Noise Measures:**

1. The City's noise ordinance (Modesto Municipal Code Section 4-9.101) prohibits the "loud and raucous discharge into the open air of the steam of any steam equipment or exhaust from any stationary internal-combustion engine."

The noise ordinance prohibits the loud and raucous operation or use of any of the following before 7:00 a.m. or after 9:00 p.m. daily (except Saturday and Sunday and State or federal holidays, when the prohibited time shall be before 9:00 a.m. and after 9:00 p.m.):

- A. A hammer, or any other device or implement used to pound or strike an object.
- B. An impact wrench, or other tool or equipment powered by compressed air.
- C. A hand-powered saw.

- D. Any tool or piece of equipment powered by an internal-combustion engine such as, but not limited to, chain saw, backpack blower, and lawn mower.
- E. Any electrically powered (whether by alternating current electricity or by direct current electricity) tool or piece of equipment used for cutting, drilling, or shaping wood, plastic, metal, or other materials or objects, such as, but not limited to, a saw, drill, lathe, or router.
- F. Any of the following: heavy equipment (such as but not limited to bulldozer, steam shovel, road grader, back hoe), ground drilling and boring equipment (such as but not limited to derrick or dredge), hydraulic crane and boom equipment, portable power generator or pump, pavement equipment (such as but not limited to pneumatic hammer, pavement breaker, tamper, compacting equipment), pile-driving equipment, vibrating roller, sand blaster, gunite machine, trencher, concrete truck, and hot kettle pump.
- G. Any construction, demolition, excavation, erection, alteration, or repair activity. In the case of urgent necessity and in the interest of public health and safety, the Chief Building Official may issue a permit for exemption from these. Such period shall not exceed three (3) working days in length while the emergency continues but may be renewed for successive periods of three (3) days or less while the emergency continues. The Chief Building Official may limit such permit as to time of use and/or permitted action, depending upon the nature of the emergency and the type of action requested.
- H. Construction equipment and vehicles should be equipped with properly operating mufflers according to the manufacturers' recommendations. Air compressors and pneumatic equipment should be equipped with mufflers, and impact tools should be equipped with shrouds or shields.

**Agricultural Land Measures:**

N/A

**Water Supply Measures:**

N/A

**Sanitary Sewer Service Measures:**

N/A

**Sensitive Wildlife and Plant Habitat Measures:**

N/A

**Archaeological or Historic Sites Measures:**

1. If archaeological resources are discovered at any time during construction, all activity shall cease until a qualified archaeologist surveys the site. The survey shall include mitigation measures, which shall be implemented before construction resumes. The survey shall follow the criteria presented in Appendix K

**Storm Drainage Measures:**

1. The developer shall implement pre- and post- construction best management practices (BMPs) to minimize pollutants entering the storm system.

**Flooding and Water Quality Measures:**

1. The developer shall implement pre- and post- construction best management practices (BMPs) to minimize pollutants entering the storm system.

**Parks and Open Space Measures:**

N/A

**Schools Measures:**

N/A

**Police Services:**

N/A

**Fire Services:**

N/A

**Generation of Solid Waste**

N/A

**Generation of Hazardous Materials**

N/A

**Potential for Landslides and Seismic Activity**

N/A

**Energy**

N/A

**Planning and Land Use**

N/A

**Aesthetics**

N/A

**B. New or Additional Mitigation Measures or Alternatives Required**

Where the project's effects would exceed the specific thresholds defined for each environmental category, a mitigated negative declaration or Focused EIR must be prepared. Staff has reviewed the project against those thresholds set forth in the Master EIR for all applicable categories in this Initial Study. The following project-specific mitigation measures are necessary to reduce the identified new significant effect: **None**.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-058**

**A RESOLUTION CONDITIONALLY VACATING AND ABANDONING A  
PORTION OF THE SHARON AVENUE RIGHT-OF-WAY AT THE CLAUS  
ROAD INTERSECTION (WILLIAM LYON HOMES)**

WHEREAS, William Lyon Homes have filed an application to vacate and abandon a 118 foot long portion of the Sharon Avenue right-of-way, located at the Claus Road Intersection (“Proposed Abandonment”), and

WHEREAS, Streets and Highways Code Section 8320 et seq. prescribes the procedures to vacate and abandon public rights-of-way, and

WHEREAS, a title report was submitted by William Lyon Homes with the abandonment request which shows that fee title to the property underlying the proposed abandonment belongs to the adjacent land owners who are proponents of the abandonment, and

WHEREAS, the Proposed Abandonment has been referred to affected City departments and local utility companies, and no objection to the Proposed Abandonment has been received, and

WHEREAS, no utilities exist in the portion of Sharon Avenue right-of-way to be abandoned, and

WHEREAS, Government Code Section 65402(a) requires that prior to abandoning a public right-of-way, the Planning Commission shall make a determination as to whether the abandonment is consistent with the General Plan, and

WHEREAS, a hearing was held by the Planning Commission on December 5, 2005, in the Tenth Street Chambers, located at 1010 Tenth Street, Modesto, California, at

which hearing both oral and documentary was received and considered regarding the proposed vacation and abandonment, and

WHEREAS, by Planning Commission Resolution No. 2005-49, the Planning Commission rendered a report finding that the Proposed Abandonment is in conformance with the Modesto Urban Area General Plan and recommended that the Council vacate and abandon the portion of Sharon Avenue right-of-way, and

WHEREAS, a duly noticed public hearing was held by the Council of the City of Modesto on Tuesday, January 24, 2006, at 5:30 p.m., in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California, at which time all persons interested in or objecting to the Proposed Abandonment were afforded the opportunity to appear, and

WHEREAS, three notices were posted at the site of the proposed right-of-way abandonment for two successive weeks prior to the hearing, and notice was published in the Modesto Bee for two successive weeks prior to the hearing, per Streets & Highways Code sections 8323 and 8332, respectively, and,

WHEREAS, all things and acts necessary to be done as required by the State of California Streets and Highways Code, Section 8300 through 8363: Public Streets, Highways and Service Easements Vacation Law, in order to vacate and abandon the subject right-of-way have been done and accomplished, and

WHEREAS, the Proposed Abandonment should be conditioned on the construction of needed improvements and the reservation of the necessary utility easements to ensure that the abandoned right-of-way functions in a manner which is not detrimental to the public health, safety and welfare, and

NOW, THEREFORE, BE IT RESOLVED that the Council of the City of

Modesto finds and determines as follows:

1. That the portion of Sharon Avenue to be abandoned is unnecessary for present or future pedestrian or vehicular use.
2. That Environmental Assessment No. EA C&ED 2005-39 determined that the potential environmental effects of the subdivision are adequately addressed within the context of the previously adopted Village One Program EIR.
3. That the vacation and abandonment of the 118 foot long portion of Sharon Avenue right-of-way at the Claus Road intersection, is in conformance with the City of Modesto General Plan.

BE IT FURTHER RESOLVED that the Council hereby orders and declares the vacation and abandonment of a 118 foot long portion of the Sharon Avenue right-of-way, located at the Claus Road intersection, subject to the following conditions:

1. The applicants shall secure and construct the following improvements six months from the date of City Council approval of the abandonment or upon acceptance of the Floyd Avenue improvements to the satisfaction of the Engineering and Transportation Director:
  - a. Construction of curb, gutter and sidewalk along the western side of the abandoned portion of Sharon Avenue which incorporates part of the church property to the south and Lot No. 34 of the "Falling Leaf Subdivision" to the north. This includes the construction of the driveway serving the Church site for access as show on the "Falling Leaf Improvement Plans."
  - b. Demolition and removal of the pavement and concrete of the abandon Sharon Avenue to the edge of Claus Road.
  - c. The closure of the 118 foot portion of Sharon Avenue shall be in accordance with the City approved improvement plans and to the satisfaction of the Engineering and Transportation Director.

2. The abandonment of Sharon Avenue shall not become effective until the completion of the extension and improvements of Floyd Avenue to connect to Claus Road, to the satisfaction of the City Engineer and acceptance of the Floyd Avenue improvements by the City Council.

Said right-of-way to be vacated and abandoned is more particularly described in Exhibit "A" attached hereto, and by this reference made a part hereof as though set forth in full herein.

BE IT FURTHER RESOLVED that in the event two (2) years lapse from the date of conditional approval without the required conditions having been fulfilled, the conditional right-of-way abandonment shall expire and Sharon Avenue shall remain as public right-of-way.

BE IT FURTHER RESOLVED that the City Clerk shall not record this Resolution of abandonment until conditions 1 through 2 above have been fully satisfied to the satisfaction of the City's Community and Economic Director. Within ten (10) working days after said conditions have been fully satisfied, the City Clerk shall cause a certified copy of this Resolution, attested under seal of the City, to be recorded in the Office of the County Recorder of Stanislaus County.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 24th day of January, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen

NOES: Councilmembers: None

ABSENT: Councilmembers: Mayor Ridenour

Attest: Jean Zahr  
JEAN ZAHR, City Clerk

APPROVED AS TO FORM:

By: Richard R. Rudnansky  
RICHARD R. RUDNANSKY, Interim City Attorney

**Exhibit "A"**

## EXHIBIT 'A'

All that certain real property, situate in the East ½ of Section 13, Township 3 South, Range 9 East, Mount Diablo Meridian, City of Modesto, County of Stanislaus, State of California, more particularly described as follows:

COMMENCING at the East ¼ corner of said Section 13, said corner being marked with a 2" Iron Pipe with a brass disk in a monument well; thence along the East-West ¼ section line South 89°51'27" West, a distance of 120.29 feet to the TRUE POINT OF BEGINNING of this description; thence leaving said ¼ section line, South 04°41'02" East, a distance of 30.09 feet to a point, which is 30.00 feet distant at right angles with said ¼ section line; thence parallel with said ¼ section line, South 89°51'27" West, a distance of 118.48 feet to the beginning of a non-tangent curve concave to the West having a radius of 40.00 feet, to which beginning a radial line bears South 41°33'08" East; thence 60.75 feet northeasterly and northwesterly along said curve through a central angle of 87°01'16" to the beginning of a reverse curve concave to the northeast having a radius of 40.00 feet, to which beginning a radial line bears North 51°25'36" East; thence 6.20 feet northwesterly along said curve through a central angle of 08°53'01" to a point which is 30.00 feet distant at right angles from said ¼ section line; thence along a non-tangent line and parallel with said ¼ section line, North 89°51'27" East, a distance of 112.30 feet; thence South 04°41'02" East, a distance of 30.09 feet to the Point of Beginning.

SUBJECT TO all easements and/or rights of way of record.

Containing 6,400 square feet (0.15 Acres) more or less.

Rien Groenewoud, P.L.S. 6946  
License expiration date: 09-30-2005

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-059**

**A RESOLUTION FINDING THAT THE POTENTIAL ENVIRONMENTAL  
IMPACTS OF THE FOLLOWING PROJECT HAVE BEEN ADEQUATELY  
ADDRESSED BY THE VILLAGE ONE SPECIFIC PLAN PROGRAM EIR (SCH  
NO. 90020181): CONDITIONAL VACATION AND ABANDONMENT OF A  
PORTION OF SHARON AVENUE RIGHT-OF-WAY AT THE CLAUS ROAD  
INTERSECTION (WILLIAM LYON HOMES)**

WHEREAS, on September 9, 1990, the City Council of the City of Modesto certified the Final Program Environmental Impact Report (SCH# 90020181) for the Village One Specific Plan, and

WHEREAS, William Lyon Homes has proposed that a 118 foot portion of Sharon Avenue at the Claus Road intersection be vacated and abandoned by the City, and

WHEREAS, Section 21157.1 of the Public Resources Code, relating to reviewing subsequent project for a Master EIR, states that the lead agency shall prepare an Initial Study on any proposed subsequent project to analyze whether the subsequent project may cause any significant effect on the environment that was not examined in the master environmental impact report and whether the subsequent project was described in the master environmental impact report as being within the scope of the project, and

WHEREAS, the City's Community and Economic Development Department by Environmental Assessment Initial Study EA/C&ED No. 2005-39 ("Initial Study") reviewed the proposed abandonment to Sharon Avenue to determine whether the project is within the scope of the project covered by the Village One Program Environmental Impact Report (Program EIR), and made the determination that the proposed project will have no additional significant effect on the environment that was not identified in the EIR, and further, that no or new additional mitigation measures or alternatives are

required, and that, therefore, the proposed project is within the scope of the project covered by the Program EIR, and

WHEREAS, the Planning Commission, by Resolution No. 2005-49 recommended to the City Council approval of the application of William Lyon Homes to abandon a portion of Sharon Avenue, for the street section located at the Claus Road intersection, and

WHEREAS, said matter was considered by the City Council at a duly noticed public hearing which was held on January 24, 2006, at 5:30 p.m., in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council has reviewed and considered the Initial Study prepared for the proposed vacation and abandonment of a portion of Sharon Avenue, a copy of which is attached hereto as Exhibit "A", and incorporated herein by reference, and based on the substantial evidence included in said Initial Study makes the following findings:

1. The proposed street abandonment, together with the provisions for its design and improvements, is consistent with the City of Modesto General Plan, Village One Specific Plan and Precise Plan No. 24.
2. As per Sections 15168(c) and 15182 of the California Environmental Quality Act ("CEQA") Guidelines, this Project is within the scope of the projects covered by the Village One Program EIR, as amended by the 1994 Supplemental EIR and the 2003 Addendum to the EIR ("Program EIR") and no new environmental document or findings are required by CEQA.
3. There are no substantial changes proposed in the project which result in new significant environmental effects or a substantial increase in the severity of previously identified significant effects and, therefore, no major revisions to the Village One Program EIR.
4. No substantial changes have occurred with respect to the circumstances under which the project is undertaken which will

result in new significant environmental effects or a substantial increase in the severity of previously identified significant effects and, therefore, no major revisions to the Village One Program EIR.

5. There is no new information of substantial importance that was not known and could not have been known with the exercise of reasonable diligence when the Village One Program EIR, was adopted which shows any of the following:
  - a. one or more significant effects which is not discussed in the Village One Program EIR
  - b. significant effects which were previously examined will be substantially more severe than previously shown
  - c. previously infeasible mitigation measures or alternatives are now feasible and would substantially reduce one or more significant effects of the project, but the project proponents decline to adopt the mitigation measure or alternative
  - d. mitigation measures or alternatives which are considerably different from those analyzed in the Village One Program EIR, would substantially reduce one or more significant effects on the environment, but the project proponents decline to adopt the mitigation measure or alternative
6. The Initial Study, Environmental Assessment No. EA/C&ED 2005-39, provides the substantial evidence to support findings 2-5, above.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Community & Economic Development Director is hereby authorized and directed to file a notice of determination with the Stanislaus County Clerk within five (5) business days after adoption of this Resolution, pursuant to Section 21152 of the Public Resources Code.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 24th day of January 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen  
NOES: Councilmembers: None

# WRITTEN CHECKLIST

EA/C&ED No. 2005-39

## I. PURPOSE

This written checklist, pursuant to CEQA Guidelines Section 15168 (C) (4), serves to make a determination where subsequent activities of a Program EIR involve site-specific operations, based on evaluation of the site and the activity to determine whether the environmental effects of the operation were covered in the program EIR. Based on a review of the project and Section 15162(a), this determination would permit the lead agency (City of Modesto) to approve the activity as being within the scope of the project covered by the Program EIR. This determination includes whether any new environmental document is required beyond the adopted Village One Specific Plan Program EIR (SCH# 90020181) for the Sharon Avenue Street Abandonment (project).

The 1994 Supplemental EIR that amended and superseded the 1990 Program EIR is the document reviewed for projects within the Village One Specific Plan area. A summary of significant impacts and their mitigation measures from the 1994 Supplemental EIR is attached as Exhibit "A." Where appropriate those feasible mitigation measures developed in the Supplement to the program EIR shall be incorporated into the proposed project.

## II. PROJECT INFORMATION

1. **Project Title:** Sharon Avenue-Street Abandonment
2. **Lead Agency Name and Address:** City of Modesto
3. **Contact Person and Phone Number:** Daniel De La O, Assistant Planner  
City of Modesto Community & Economic  
Development Department (209) 577-5267
4. **Project Location:** Sharon Avenue is Generally Located in Northeast Modesto at the Clause Road and Sharon Avenue Intersection.

5. **Project Sponsor's Name and Address:** William Lyon Homes  
2603 Camino Ramón, Suite 150  
San Ramon, Ca. 94583
6. **General Plan Designation:** The General Plan land use designation for the project site is: Village Residential (VR). The proposed project is consistent with this designation.
7. **Zoning:** Specific Plan Holding Zone (SP-O)
8. **Description of Project:** Pursuant to the adopted Village One Specific Plan, and Precise Plan No. 24, the project applicant proposes the vacation and abandonment of a 118 feet portion of Sharon Avenue at the Clause Road intersection. The proposed abandonment of this section of street is a requirement as part of the Falling Leaf Subdivision project, which was previously approved by the Planning Commission in January 2005 under Resolution 2005-05. The project was conditioned to close this portion of the street in conjunction with the Floyd avenue improvements (to the north) and the development of the subdivision. The closure is consistent with the Village One Specific Plan Circulation
9. **Surrounding Land Uses and Setting:** The Village One Specific Plan Area is over half built, as planned and approved by the 1990 Village One Specific Plan. The project area is bounded by an existing ranchette and a vacant parcel designated for business park on the east, a vacant parcel designated for village residential to the south, an existing single-family subdivision to the west, and a vacant parcel to the north which is the site of the previously approved "Falling Leaf" subdivision.
10. **Other Public Agencies whose Approval Is Required:** None.

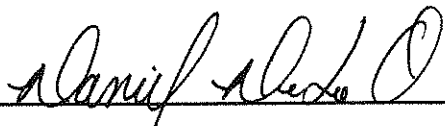

### III. DETERMINATION:

Based on the analysis contained in this document, staff finds that pursuant to Guidelines Section 15182 the following is true for the proposed project:

- (1) As per Sections 15168(c) and 15182 of the California Environmental Quality Act ("CEQA") Guidelines, this Project is within the scope of the projects covered by the Village One Program EIR, as amended by the 1994 Supplemental EIR and

the 2003 Addendum to the EIR ("Program EIR") and no new environmental document or findings are required by CEQA, and

- (2) There are no substantial changes proposed in the project which result in new significant environmental effects or a substantial increase in the severity of previously identified significant effects and, therefore, no major revisions to the Village One Program EIR, as amended by the 1994 Supplemental EIR are required, and
- (3) No substantial changes have occurred with respect to the circumstances under which the project is undertaken which will result in new significant environmental effects or a substantial increase in the severity of previously identified significant effects and, therefore, no major revisions to the Village One Program EIR, as amended by the 1994 Supplemental EIR are required, and
- (4) There is no new information of substantial importance that was not known and could not have been known with the exercise of reasonable diligence when the Village One Program EIR, as amended by the 1994 Supplemental EIR, was adopted which shows any of the following:
  - a. one or more significant effects which is not discussed in the Village One Program EIR, as amended by the 1994 Supplemental EIR; or,
  - b. significant effects which were previously examined will be substantially more severe than previously shown; or,
  - c. previously infeasible mitigation measures or alternatives are now feasible and would substantially reduce one or more significant effects of the project, but the project proponents decline to adopt the mitigation measure or alternative; or,
  - d. mitigation measures or alternatives which are considerably different from those analyzed in the Village One Program EIR, as amended by the 1994 Supplemental EIR, would substantially reduce one or more significant effects on the environment, but the project proponents decline to adopt the mitigation measure or alternative.

November 14, 2005

Project Manager

Date

## IV. PROJECT EVALUATION:

The following written Checklist based on Appendix G of the CEQA Guidelines serves to document the evaluation of the site and activity of the proposed project pursuant to CEQA Guidelines Section 15168 (c) (4) to determine whether the environmental effects of the operation were covered in the Program EIR.

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
<b>I. AESTHETICS.</b> Would the project:				
a. Have a substantial adverse effect on a scenic vista?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b. Substantially damage scenic resources, including, but not limited to, trees, rock outcroppings, and historic buildings along a scenic highway?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
c. Substantially degrade the existing visual character or quality of the site and its surroundings?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
d. Create a new source of substantial light or glare that would adversely affect daytime or nighttime views in the area?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Aesthetic and visual impacts are analyzed on pages III-100 through III-101 of the 1994 Supplement.

### Responses to Checklist Questions

- a. The Village One Specific Plan program EIR found that as the Specific Plan area is developed, it will eliminate views of the valley and the distant mountains from adjacent areas and reduce the area's visual open space. However, the program EIR found the effects of build out of Village One on scenic vistas to be less than significant because views from the project area are minimal. The proposed street abandonment would not change the extent or nature of construction in the Specific Plan area, or cause any other changes in the project area. Impacts on scenic vistas would therefore remain the same as those identified in the program EIR. There would be no additional impact. *No mitigation is required.*
- b. The Village One Specific Plan program EIR found that there are no scenic resources in the project area, and that development within the Specific Plan area would therefore not result in significant impacts on scenic resources. This

finding would not be affected by the proposed street abandonment project. There would be no impact. *No mitigation is required.*

- c. The Village One Specific Plan program EIR found that the development within the Specific Plan area would have a less-than-significant impact on the visual character of the area. The project only involves the closure of a portion of Sharon Avenue in conjunction with the development of the previously approved Falling Leaf subdivision. The project would not substantially degrade the existing visual character or quality of the site and its surroundings. For this reason, impacts on the visual character of the area would remain the same as those identified in the program EIR. There would be no additional impact. *No mitigation is required.*
- d. The proposed abandonment is consistent with the Village One Specific Plan and Precise Plan No. 24. For this reason, impacts associated with additional light and glare would remain the same as those identified in the program EIR. There would be no additional impact. *No mitigation is required.*

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

**II. AGRICULTURAL RESOURCES.** In determining whether impacts on agricultural resources are significant environmental effects, lead agencies may refer to the California Agricultural Land Evaluation and Site Assessment Model (1997) prepared by the California Department of Conservation. Would the project:

- |    |   |                          |                          |                          |                                     |
|----|---|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Convert Prime Farmland, Unique Farmland, or Farmland of Statewide Importance (Farmland), as shown on the maps prepared pursuant to the Farmland Mapping and Monitoring Program of the California Resources Agency, to non-agricultural use? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Conflict with existing zoning for agricultural use or conflict with a Williamson Act contract?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. | Involve other changes in the existing environment that, due to their location or nature, could result in conversion of Farmland to non-agricultural use?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Impacts on agricultural resources are analyzed on pages III-80 through III-94 of the 1994 Supplement.

## Responses to Checklist Questions

- a. The Village One Specific Plan program EIR found that land designated as Prime Farmland would be lost as a result of development in the Village One Specific Plan area. This impact was determined to be significant and not mitigable. The project would not affect this finding because the proposal involves the closure of an existing street and the adjacent area would remain the same. There would be no additional impact. *No mitigation is required.*
- b. The Village One Specific Plan program EIR presented information showing that any Williamson Act contracts in the Village One Specific Plan area would be automatically cancelled on annexation of the land to the City of Modesto, which has occurred, or would expire within 10 years of the time the original program EIR was prepared. The last Williamson Act contract covering land in the Village One Specific Plan area expired in 2001. There are no lands in the project area under Williamson Act contract. The Village One Specific Plan area has also been rezoned consistent with the specific plan, and no lands in the project area are now zoned for agricultural use. There would be no additional impact. *No mitigation is required.*
- c. The Village One Specific Plan program EIR identified a potential land use conflict between new residential uses in the specific plan area and adjacent agricultural uses. Such conflicts can lead to conversion of adjacent farmlands to other uses. The program EIR proposed mitigation measures for this potential impact that would reduce the impact's significance, although the EIR noted that the mitigation measure might not fully mitigate the impact. No additional mitigation measures are available for this impact. This finding would not be affected by the proposed project because the proposal involves only a street closure and the adjacent land uses would remain the same. There would be no additional impact. *No mitigation is required.*

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

**III. AIR QUALITY.** When available, the significance criteria established by the applicable air quality management or air pollution control district may be relied upon to make the following determinations. Would the project:

- a. Conflict with or obstruct implementation of the applicable air quality plan?

- |    |   |                          |                          |                          |                                     |
|----|---|--------------------------|--------------------------|--------------------------|-------------------------------------|
| b. | Violate any air quality standard or contribute substantially to an existing or projected air quality violation?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. | Result in a cumulatively considerable net increase of any criteria pollutant for which the project region is a nonattainment area for an applicable federal or state ambient air quality standard (including releasing emissions that exceed quantitative thresholds for ozone precursors)? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| d. | Expose sensitive receptors to substantial pollutant concentrations?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| e. | Create objectionable odors affecting a substantial number of people?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Impacts on air quality are analyzed on pages III-45 through III-54 of the 1994 Supplement.

## Responses to Checklist Questions

- a. / b. The Village One Specific Plan program EIR found that air pollution from project-related construction traffic and fireplaces & wood stoves in planned residential areas would violate air quality standards and contribute to an existing air quality violation. Construction traffic emissions would contribute to violation of the state and federal 8-hour carbon monoxide (CO) and particulate matter (PM10) standards and the federal ozone standard in the Modesto Urban Area and the San Joaquin Valley Air Basin. Urban traffic pollution would contribute to violations of the state ozone, CO, and PM10 standards in the Modesto Urban Area and San Joaquin Valley Air Basin. Residential pollution would contribute to violations of the pollutant standard index in the Modesto Urban Area. Partial mitigation for these impacts is included in the program EIR (Mitigation Measures 3–5), and the City of Modesto adopted a statement of overriding consideration for each impact. The proposed project would not change the amount of development and construction in the project area, no trips are generated by the abandonment and the types of land uses would not change. There would be no additional impact. *No mitigation is required.*
- c. The Village One Specific Plan program EIR found that air pollutant emissions associated with traffic at buildout of Village One would exacerbate the existing ozone, PM10, and CO violations in the Modesto area and cause a significant cumulative impact. Partial mitigation for these emissions is included in the program EIR (Mitigation Measures 4.5.3[a] and 4.5.3[b]), and the City of Modesto made a statement of overriding consideration for each impact. The proposed project would not change the amount of traffic associated with buildout of Village One or the types of land uses. There would be no additional impact. *No mitigation is required.*

- d. The Village One Specific Plan program EIR found that PM10 generated during construction would aggravate the respiratory problems of people living and working nearby, therefore exposing sensitive receptors in the area to pollutant concentrations and causing a significant impact. However, the program EIR outlines mitigation measures that will be implemented to reduce the impact to an acceptable level (Mitigation Measure 40). The proposed abandonment would not change the level of construction emissions. There would be no additional impact. *No additional mitigation is required.*
- e. The proposed street abandonment would not create odors. There would be no impact. *No mitigation is required.*

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
--------------------------------	--	------------------------------	-----------

**IV. BIOLOGICAL RESOURCES.** Would the project:

- |  |                          |                          |                          |                                     |
|--|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. Have a substantial adverse effect, either directly or through habitat modifications, on any species identified as a candidate, sensitive, or special-status species in local or regional plans, policies, or regulations, or by the California Department of Fish and Game or U.S. Fish and Wildlife Service? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. Have a substantial adverse effect on any riparian habitat or other sensitive natural community identified in local or regional plans, policies, or regulations, or by the California Department of Fish and Game or U.S. Fish and Wildlife Service?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. Have a substantial adverse effect on federally protected wetlands as defined by Section 404 of the Clean Water Act (including, but not limited to, marshes, vernal pools, coastal wetlands, etc.) through direct removal, filling, hydrological interruption, or other means?                                 | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| d. Interfere substantially with the movement of any native resident or migratory fish or wildlife species or with established native resident or migratory wildlife corridors, or impede the use of native wildlife nursery sites?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| e. Conflict with any local policies or ordinances protecting biological resources, such as a tree preservation policy or ordinance?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

- f. Conflict with the provisions of an adopted habitat conservation plan, natural community conservation plan, or other approved local, regional, or state habitat conservation plan?

Impacts on biological resources are analyzed on pages III-68 through III-79 of the 1994 Supplement.

## Responses to Checklist Questions

- a. The Village One Specific Plan program EIR found that the build out could result in the loss of foraging habitat for Swainson's Hawk, a state-listed threatened species, but found that mitigation measures identified in the program EIR would reduce the impact to a less-than-significant level. The project applicant hired a qualified biologist to survey the project site in order to determine whether the project site contains foraging habitat for the Swainson's Hawk. The Biologist determined that there would be no additional impact. No additional mitigation is required. (Swainson's Hawk Foraging Habitat Survey Village One Precise Plan No. 23 and 24, prepared by Rosemary Laird, URS Corporation. April 5, 2004).
- b. The Village One Specific Plan program EIR did not find that any riparian habitat or other designated sensitive natural community was present in the project area, and so found that the project would have a less-than-significant impact. The proposed street abandonment would not change the boundaries of the Specific Plan area. There would be no impact. *No mitigation is required.*
- c. The Village One Specific Plan program EIR found that buildout of the Village One Specific Plan area would result in the loss of lands that might be classified as wetlands by the U.S. Army Corps of Engineers but that, with mitigation, the impact would be less than significant. The proposed project would not change the Specific Plan area boundaries or the areas that would be disturbed. There would be no additional impact. *No mitigation is required.*
- d. The Village One Specific Plan program EIR did not identify any migratory corridors in the project area, nor did it find that the project would interfere with the movement of any species. The proposed project would not change the Specific Plan area boundaries. There would be no impact. *No mitigation is required.*
- e. / f. No local biological resource protection policies, ordinances, habitat conservation plans, or natural community conservation plans apply to the Village One Specific Plan area. There would be no impact. *No mitigation is required.*

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
<b>V. CULTURAL RESOURCES.</b> Would the project:				
a. Cause a substantial adverse change in the significance of a historical resource as defined in Section 15064.5?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b. Cause a substantial adverse change in the significance of an archaeological resource pursuant to Section 15064.5?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
c. Directly or indirectly destroy a unique paleontological resource or site or unique geologic feature?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
d. Disturb any human remains, including those interred outside of formal cemeteries?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

## Responses to Checklist Questions

- a.-d. Impacts on cultural resources resulting from the buildout of Village One (e.g., from construction of associated infrastructure) are addressed in the Opportunities/Constraints Report prepared for the Modesto Planning Commission (December 1, 1989). The report concluded that there are no known historic, archaeological, or paleontological resources in the Village One Specific Plan area. Based on the results of this report, (Cultural and Historic Resources Report, page 3) it was determined that the likelihood that the proposed residential development would change or disturb human remains or significant historic, archaeological, or paleontological resources was low.

The proposed project would not change the locations or types of construction in the project area nor the boundaries of the project area. The street abandonment will not result in effects on scattered existing structures. A Cultural Resources Assessment was prepared to determine if any of these affected structures are considered historic resources. No historic structures are located within the project area boundaries. Therefore, no mitigation measures are necessary.

Since no archaeological, or paleontological resources were found in the previous document to be located in the project area, and since the proposed project would not have a significant impact on historic structures, there would be no impact. *No mitigation is required.*

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

**VI. GEOLOGY AND SOILS.** Would the project:

- |    |  |                          |                          |                          |                                     |
|----|--|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Expose people or structures to potential substantial adverse effects, including the risk of loss, injury, or death involving:  |                          |                          |                          |                                     |
|    | 1. Rupture of a known earthquake fault, as delineated on the most recent Alquist-Priolo Earthquake Fault Zoning Map issued by the State Geologist for the area or based on other substantial evidence of a known fault? Refer to Division of Mines and Geology Special Publication 42. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
|    | 2. Strong seismic ground shaking?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
|    | 3. Seismic-related ground failure, including liquefaction?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
|    | 4. Landslides?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Result in substantial soil erosion or the loss of topsoil?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. | Be located on a geologic unit or soil that is unstable or that would become unstable as a result of the project and potentially result in an onsite or offsite landslide, lateral spreading, subsidence, liquefaction, or collapse?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| d. | Be located on expansive soil, as defined in Table 18-1-B of the Uniform Building Code (1994), creating substantial risks to life or property?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| e. | Have soils incapable of adequately supporting the use of septic tanks or alternative wastewater disposal systems in areas where sewers are not available for the disposal of wastewater?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Impacts associated with geology and soils are analyzed on pages III-105 through III-108 of the 1994 Supplement

## Responses to Checklist Questions

- a.-d. The program EIR, as supplemented, found that the project area is not subject to geologic or soil-related hazards that cannot be adequately mitigated through the implementation of existing city regulations, such as the building code. No significant impacts were identified, and no mitigation measures were required. The proposed project would not change the locations or types of construction in the project area nor the boundaries of the project area. There would be no additional impact. *No mitigation is required.*
- e. The Village One Specific Plan included provisions for the project to be served by public sewers. No septic tanks or alternative wastewater systems were proposed. The proposed project would not change the proposed method of wastewater disposal. There would be no impact. *No mitigation is required.*

Potentially Significant Impact	Less than Significant with Mitigation	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

### VII. HAZARDS AND HAZARDOUS MATERIALS.

Would the project:

- |    |  |                          |                          |                          |                                     |
|----|--|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Create a significant hazard to the public or the environment through the routine transport, use, or disposal of hazardous materials?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Create a significant hazard to the public or the environment through reasonably foreseeable upset and accident conditions involving the release of hazardous materials into the environment?                                   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. | Emit hazardous emissions or involve handling hazardous or acutely hazardous materials, substances, or waste within one-quarter mile of an existing or proposed school?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| d. | Be located on a site that is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and, as a result, would it create a significant hazard to the public or the environment?     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| e. | Be located within an airport land use plan area or, where such a plan has not been adopted, be within two miles of a public airport or public use airport, and result in a safety hazard for people residing or working in the | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

project area?

		Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
f.	Be located within the vicinity of a private airstrip and result in a safety hazard for people residing or working in the project area?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
g.	Impair implementation of or physically interfere with an adopted emergency response plan or emergency evacuation plan?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
h.	Expose people or structures to a significant risk of loss, injury, or death involving wild land fires, including where wild lands are adjacent to urbanized areas or where residences are intermixed with wild lands?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Impacts associated with hazards and hazardous materials are analyzed on pages III-80 through III-94 and III-109 through III-119 of the 1994 Supplement.

## Responses to Checklist Questions

- a.-c. The Village One Specific Plan does not allow any land uses that would use hazardous materials. The proposed street abandonment would not change land uses contemplated by the Specific Plan. There would be no impact. *No mitigation is required.*
- d. The Village One Specific Plan program EIR, as supplemented, found no hazardous materials were stored at or near the project site. No significant impacts were identified, and no mitigation measures were required. There would be no additional impact. *No mitigation is required.*
- e. The Village One Specific Plan area is not located in an airport land use plan area or within 2 miles of a public airport. There would be no impact. *No mitigation is required.*
- f. The Village One Specific Plan program EIR found that a private airstrip, the Eastside Mosquito Abatement District Airstrip, is located to the east of the Village One Specific Plan area. However, take-offs and landings were found to take place parallel to and outside the Specific Plan area boundaries, and flight patterns are generally situated to the east of the Specific Plan area. There would be no additional impact. *No mitigation is required.*

- g. Since the adoption of the Village One Specific Plan, the Modesto General Plan has been updated to include development of Village One consistent with the specific plan. City emergency plans are developed with the assumption that the Village One Specific Plan will be implemented. The proposed project would not change construction, land use, or other physical attributes of the Right-of-Way Acquisition. There would be no additional impact. *No mitigation is required.*
- h. The project site is located in an area of the City of Modesto planned for buildout of an urban neighborhood. Approximately 50% of the project area remains undeveloped, with a covering of dry brush and vegetation. The potential for wildland fires is low, and this potential will decrease further as buildout continues. There would be no additional impact. *No mitigation is required.*

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
--------------------------------	--	------------------------------	-----------

**VIII. HYDROLOGY AND WATER QUALITY.**

Would the project:

- |    |  |                          |                          |                          |                                     |
|----|--|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Violate any water quality standards or waste discharge requirements?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Substantially deplete groundwater supplies or interfere substantially with groundwater recharge, resulting in a net deficit in aquifer volume or a lowering of the local groundwater table level (e.g., the production rate of pre-existing nearby wells would drop to a level that would not support existing land uses or planned uses for which permits have been granted)? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. | Substantially alter the existing drainage pattern of the site or area, including through the alteration of the course of a stream or river, in a manner that would result in substantial erosion or siltation onsite or offsite?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| d. | Substantially alter the existing drainage pattern of the site or area, including through the alteration of the course of a stream or river, or substantially increase the rate or  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

	amount of surface runoff in a manner that would result in flooding onsite or offsite?				
e.	Create or contribute runoff water that would exceed the capacity of existing or planned storm water drainage systems or provide substantial additional sources of polluted runoff?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
f.	Otherwise substantially degrade water quality?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
		Potentially Significant Impact	Less than Significant with Mitigation	Less-than-Significant Impact	No Impact
g.	Place housing within a 100-year flood hazard area, as mapped on a federal Flood Hazard Boundary or Flood Insurance Rate Map or other flood hazard delineation map?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
h.	Place within a 100-year flood hazard area structures that would impede or redirect flood flows?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
i.	Expose people or structures to a significant risk of loss, injury, or death involving flooding, including flooding as a result of the failure of a levee or dam?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
j.	Contribute to inundation by seiche, tsunami, or mudflow?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Impacts associated with hydrology are analyzed on pages III-109 through III-119 of the 1994 Supplement.

## Responses to Checklist Questions

- a. The Village One Specific Plan program EIR did not find that development would violate any water quality standards or waste discharge requirements. The proposed project is consistent with the Village One Specific Plan, so there would be no additional impacts. *No mitigation is required.*
- b. The Village One Specific Plan program EIR found that buildout of the Village One Specific Plan area might interfere with local groundwater recharge. The project involves the abandonment of a portion of a street and as part of the conditions to approve the proposal all existing non-pervious surface will be

removed. Therefore, there would be no additional impact. *No mitigation is required.*

- c.-e. The Village One Specific Plan program EIR found that development will substantially alter the existing drainage pattern of the area but, because the project involves the abandonment of street and no development, it will not result in any erosion impacts. The proposed project would not change the amount of impervious surface or the proposed storm drain facilities. There would be no additional impact. *No mitigation is required.*
- f. The Village One Specific Plan program EIR did not find that development would substantially degrade water quality. The proposed project would not change water use or discharge associated with the buildout of the Village One Specific Plan area. There would be no additional impact. *No mitigation is required.*
- g.-i. According to the Village One Specific Plan program EIR, the project site is not situated in a 100-year flood hazard area or downstream from a levee or dam. There would be no impact. *No mitigation is required.*
- j. The project site is located in a flat, inland area not susceptible to seiche, tsunami, or mudflow. There would be no impact. *No mitigation is required.*

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

**IX. LAND USE AND PLANNING.** Would the project:

- |    |   |                          |                          |                          |                                     |
|----|---|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Physically divide an established community?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Conflict with any applicable land use plan, policy, or regulation of an agency with jurisdiction over the project (including, but not limited to, a general plan, specific plan, local coastal program, or zoning ordinance) adopted for the purpose of avoiding or mitigating an environmental effect? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. | Conflict with any applicable habitat conservation plan or natural community conservation plan?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Impacts associated with land use and planning are analyzed on pages III-80 through III-94 of the 1994 Supplement.

## Responses to Checklist Questions

- a. The proposed project would not result in any physical changes to the environment beyond those described in the Village One Specific Plan. The Village One area would continue to be developed as a planned community; therefore, the project would not divide an established community. There would be no impact, and *no mitigation is required*.
- b., c. The Village One Specific Plan has been adopted by the City of Modesto and has been incorporated into the Modesto General Plan. The proposed project would be consistent with the Village One Specific Plan. There are no other applicable land use or conservation plans for the project area. There would be no impact. *No mitigation is required*.

		Potentially Significant Impact	Less than Significant with Mitigation	Less-than- Significant Impact	No Impact
<b>X.</b>	<b>MINERAL RESOURCES.</b> Would the project:				
a.	Result in the loss of availability of a known mineral resource that would be of value to the region and the residents of the state?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b.	Result in the loss of availability of a locally important mineral resource recovery site delineated on a local general plan, specific plan, or other land use plan?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

## Responses to Checklist Questions

- a., b. No known mineral resources or important recovery sites are located in the Village One Specific Plan Area. There would be no impact. *No mitigation is required*.

Potentially Significant Impact	Less than Significant with Mitigation	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

**XI. NOISE.** Would the project:

- |    |  |                          |                          |                          |                                     |
|----|--|--------------------------|--------------------------|--------------------------|-------------------------------------|
| c. | Result in a substantial permanent increase in ambient noise levels in the project vicinity above levels existing without the project?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| d. | Result in a substantial temporary or periodic increase in ambient noise levels in the project vicinity above levels existing without the project?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| e. | Be located within an airport land use plan area, or, where such a plan has not been adopted, within two miles of a public airport or public use airport and expose people residing or working in the project area to excessive noise levels? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| f. | Be located in the vicinity of a private airstrip and expose people residing or working in the project area to excessive noise levels?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Impacts associated with noise are analyzed on pages III-55 through III-67 of the 1994 Supplement.

## Responses to Checklist Questions

- a., c. The Village One Specific Plan program EIR found that proposed residential housing in the project area would be exposed to noise levels exceeding general plan thresholds, but mitigation measures were incorporated to reduce the impact to a less-than-significant level. The proposed project would not change project-related noise-generating activities. There would be no additional impact. *No mitigation is required.*
- b. The Village One Specific Plan program EIR found that the buildout of Village One would not expose people to, or generate excessive, ground borne vibration or ground borne noise levels. There would be no impact. *No mitigation is required.*
- d. The Village One Specific Plan program EIR found that construction of the proposed project would result in a substantial temporary increase in ambient noise levels for residential housing. However, mitigation measures were incorporated into the program EIR to reduce the impact to a less-than-significant level. The proposed project would not change construction activities. There would be no additional impact. *No mitigation is required.*

- e. The Village One Specific Plan program EIR found that the Village One Specific Plan area is not located in an airport land use plan area or within 2 miles of a public airport. There would be no impact. *No mitigation is required.*
- f. The Village One Specific Plan program EIR found that a private airstrip, the Eastside Mosquito Abatement District Airstrip, is located east of the Village One Specific Plan area. However, take-offs and landings take place parallel to and outside the Specific Plan boundaries, and flight patterns are generally situated east of the project area. There would be no additional impact. *No mitigation is required.*

Potentially Significant Impact	Less than Significant with Mitigation	Less-than-Significant Impact	No Impact
--------------------------------	---------------------------------------	------------------------------	-----------

**XII. POPULATION AND HOUSING.** Would the project:

- |   |                          |                          |                          |                                     |
|---|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. Induce substantial population growth in an area, either directly (e.g., by proposing new homes and businesses) or indirectly (e.g., through extension of roads or other infrastructure)? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. Displace a substantial number of existing housing units, necessitating the construction of replacement housing elsewhere?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. Displace a substantial number of people, necessitating the construction of replacement housing elsewhere?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Impacts on population and housing are analyzed on pages III-95 through III-99 of the 1994 Supplement.

## Responses to Checklist Questions

- a.-c. The Village One Specific Plan program EIR found that buildout of the Village One Specific Plan area would not result in significant adverse impacts on population and housing units. *No mitigation is required.*

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
--------------------------------	--	------------------------------	-----------

**XIII. PUBLIC SERVICES.** Would the project:

- a. Result in substantial adverse physical impacts associated with the provision of new or physically altered governmental facilities or a need for new or physically altered governmental facilities, the construction of which could cause significant environmental impacts, in order to maintain acceptable service ratios, response times, or other performance objectives for any of the following public services:

Fire protection?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Police protection?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Schools?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Parks?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Other public facilities?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Impacts on public services are analyzed on pages III-120 through III-158 of the 1994 Supplement.

## Responses to Checklist Questions

- a. The Village One Specific Plan program EIR found that the only significant impact that buildout of the Village One Specific Plan area would have on public services would be in the areas of fire protection and law enforcement. Mitigation measures were identified in the program EIR to reduce the level of this impact to a less-than-significant level. No other significant impacts on public services were identified. The proposed project would not change the provision of public services. There would be no additional impact. *No mitigation is required.*

Potentially Significant Impact	Less than Significant with Mitigation	Less-than-Significant Impact	No Impact
--------------------------------	---------------------------------------	------------------------------	-----------

**XIV. RECREATION.** Would the project:

- |  |                          |                          |                          |                                     |
|--|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. Increase the use of existing neighborhood and regional parks or other recreational facilities such that substantial physical deterioration of the facility would occur or be accelerated? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. Include recreational facilities or require the  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

construction or expansion of recreational facilities that might have an adverse physical effect on the environment?

Impacts on recreation are analyzed on pages III-120 through III-158 of the 1994 Supplement.

## Responses to Checklist Questions

- a., b. No significant impacts on recreation were identified in the program EIR. The proposed project would not change the provision of parks and recreation facilities. There would be no additional impact. *No mitigation is required.*

	Potentially Significant Impact	Less than Significant with Mitigation	Less-than-Significant Impact	No Impact
<b>XV. TRANSPORTATION/TRAFFIC.</b> Would the project:				
a. Cause an increase in traffic that is substantial in relation to the existing traffic load and capacity of the street system (i.e., result in a substantial increase in the number of vehicle trips, the volume-to-capacity ratio on roads, or congestion at intersections)?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b. Cause, either individually or cumulatively, exceedance of a LOS standard established by the county congestion management agency for designated roads or highways?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
c. Result in a change in air traffic patterns, including an increase in traffic levels or a change in location that results in substantial safety risks?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
d. Substantially increase hazards because of a design feature (e.g., sharp curves or dangerous intersections) or incompatible uses (e.g., farm equipment)?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
	Potentially Significant Impact	Less than Significant with Mitigation	Less-than-Significant Impact	No Impact
e. Result in inadequate emergency access?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
f. Result in inadequate parking capacity?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

- g. Conflict with adopted policies, plans, or programs supporting alternative transportation (e.g., bus turnouts, bicycle racks)?

Impacts on transportation and traffic are analyzed on pages III-40 – III-44 of the 1994 Supplement.

## Responses to Checklist Questions

- a., b. The Village One Specific Plan program EIR found that buildout of the Village One Specific Plan area would cause an increase in traffic that is substantial in relation to the existing traffic load and capacity of the street system and would affect level of service at several intersections. Mitigation measures identified in the program EIR were identified to reduce impacts to a less-than-significant level for all intersections except the Briggsmore Avenue/Oakdale Avenue intersection. For that intersection, the impact was determined to be significant and not mitigable. The City of Modesto made a statement of overriding considerations for that impact at the time it certified the 1994 Supplement. The proposed abandonment will not itself generate additional traffic but will result in a modified circulation pattern. However, the proposed pattern is consistent with the Circulation diagram as specified in the Village One Specific Plan. The circulation pattern and the street closure are also consistent with Specific Plan No. 24. Therefore, the proposed project would not alter traffic patterns in the Specific Plan area or result in additional trips. There would be no additional impact. *No mitigation is required.*
- c. The Village One Specific Plan program EIR did not find that the buildout of the Village One Specific Plan area would result in a change in air traffic patterns. The proposed project does not include any elements that would affect air traffic patterns. There would be no impact. *No mitigation is required.*
- d. The Village One Specific Plan program EIR did not find that buildout of the Village One Specific Plan area included any hazardous design features or increased any incompatible uses for roads in the project area. The proposed project would not change roadway design or land uses. There would be no impact. *No mitigation is required.*
- e. The Village One Specific Plan program EIR did not find that buildout of the Village One Specific Plan area would result in inadequate emergency access in the Specific Plan area. The Specific Plan includes provision of adequate roadways to serve the Village One development. The abandonment does not eliminate points of entry to the existing or proposed developments. The street closure will not interfere with adequate emergency access, and will not interfere with emergency access to adjacent areas. Therefore, the impact on emergency service access is less than significant. There would be no additional impact. *No mitigation is required.*

- f. The Village One Specific Plan program EIR did not find that buildout of the Village One Specific Plan area would result in inadequate parking capacity in the Specific Plan area. The provision of parking, consistent with zoning requirements for the proposed project, is included in the project design. There would be no impact. *No mitigation is required.*
- g. The proposed project does not include any changes related to transportation policies, and would have no impact. *No mitigation is required.*

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than- Significant Impact	No Impact

| f. | Be served by a landfill with sufficient permitted capacity to accommodate the project's solid waste disposal needs?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

- g. Comply with federal, state, and local statutes and regulations related to solid waste?

Impacts on utilities and service systems are analyzed on pages III-120 through III-158 of the 1994 Supplement.

## Responses to Checklist Questions

- a. The City provides sewer services to the Village One area. All wastewater would be directed to city wastewater treatment facilities. No wastewater discharges would occur in the project area. The proposed project would not increase the amount of wastewater that will be generated at buildout of the Specific Plan area. There would be no additional impact. *No mitigation is required.*
- b., e. The Village One Specific Plan program EIR discusses the changes and new facilities that will be needed to accommodate buildout of the Village One Specific Plan area. The EIR found that, with mitigation, there would be no significant impact on water or wastewater infrastructure. There would be no additional impact as a result of the proposed project. *No mitigation is required.*
- c. The Village One Specific Plan program EIR discusses the changes and new facilities that will be needed in order to accommodate buildout of the Village One Specific Plan area. The EIR found that, with mitigation, there would be no significant impact on stormwater drainage facilities. An update to the Storm Drainage Master Plan has been prepared and is under consideration by the City. An addendum to the Village One program EIR for the Storm Drainage Master Plan has also been prepared and is under consideration by the City. The project would not result in any additional impacts or the need for any additional mitigation beyond that assessed in the Addendum to the Village One Program EIR for the Storm Drainage Master Plan.
- d. The Village One Specific Plan program EIR found that, with mitigation, the effects of buildout of the Village One Specific Plan area on water supply would be less than significant. There would be no additional impact resulting from the proposed project. *No mitigation is required.*
- f., g. The Village One Specific Plan program EIR found that the area's landfills have sufficient permitted capacity to accommodate the project's solid waste disposal needs. The proposed project would not result in any physical changes in the environment or the generation of any additional solid waste. There would be no impact. *No mitigation is required.*

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

**XVII. MANDATORY FINDINGS OF SIGNIFICANCE.**

- |    |  |                          |                          |                          |                                     |
|----|--|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Does the project have the potential to degrade the quality of the environment, substantially reduce the habitat of a fish or wildlife species, cause a fish or wildlife population to drop below self-sustaining levels, threaten to eliminate a plant or animal community, reduce the number or restrict the range of a rare or endangered plant or animal, or eliminate important examples of the major periods of California history or prehistory? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Does the project have impacts that are individually limited but cumulatively considerable? ("Cumulatively considerable" means that the incremental effects of a project are considerable when viewed in connection with the effects of past projects, the effects of other current projects, and the effects of probable future projects.)   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. | Does the project have environmental effects that will cause substantial adverse effects on human beings, either directly or indirectly?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Cumulative impacts are analyzed on page III-161 of the 1994 Supplement.

**Responses to Checklist Questions**

- a. As described above, the proposed project would not result in any significant impacts on the environment over and above those associated with implementation of the Village One Specific Plan and as analyzed in the Village One Specific Plan program EIR.
- b. As described above, the proposed project would not result in any significant impacts, either on a project or on cumulative level, over and above those associated with implementation of the Village One Specific Plan and as analyzed in the Village One Specific Plan program EIR.
- c. As described above, the proposed project would not result in any significant impacts affecting humans over and above those associated with implementation

of the Village One Specific Plan and as analyzed in the Village One Specific Plan program EIR.

## V. MITIGATION APPLIED TO PROJECT

The following mitigation measures developed in the 1994 Village One Specific Plan Supplement to the Program EIR are appropriate to the project and will be incorporated into the project. Therefore, the environmental effects of the project were covered by the program EIR.

1. "Construction noise is regulated by the City's Noise Ordinance, Section 4.9 – 103. Construction noise is generally permitted during the hours of 7:00 am to 9:00 pm. To avoid complaints from nearby residents, and possible citations, the full text of the ordinance should be reviewed by builders prior to construction. City construction projects will be monitored by Construction Inspection for conformance with the City's Noise Ordinance."
2. During construction activities, Building Inspection Division shall verify that contractors observe the requirements of City of Modesto Standard Specification 2.07(A)(5), Dust Control, and when necessary, Regulation VIII of the San Joaquin Valley Unified Air Pollution Control District to control the generation of PM 10 from construction related dust and emissions.

**RESCINDED**

JUN 27 2006

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-060**

**A RESOLUTION ADOPTING A REVISED SCHEDULE OF MAXIMUM RATES AND CHARGES FOR THE COLLECTION OF GARBAGE IN THE CITY OF MODESTO, AND RESCINDING RESOLUTION NO. 2005-337**

THIS RESOLUTION WAS  
APPROVED BY THE  
CITY COUNCIL OF MODESTO  
ON JUN 27 2006  
RESOLUTION NO. 2006-060

WHEREAS, with the adoption of Ordinance No. 3068-C.S. in November of 1997, the City no longer sets rates for the collection of garbage in Modesto, and instead performs a comprehensive review of cost information submitted by the contract garbage haulers, and

WHEREAS, the City sets a maximum rate that the haulers may charge for the various types of services provided under the contracts based on cost data provided by the lowest cost hauler, and

WHEREAS, Section f (2) of the City's Service Agreements with its solid waste collectors requires that when the City makes adjustments to the collection services provided under the Agreements, any additional costs should be covered by adjustments to the maximum rates, and

WHEREAS, in addition, maximum rates for solid waste collection services are reviewed annually as requested by the City's garbage collection companies, and

WHEREAS, the City's garbage collection companies have requested a mid-year adjustment in the maximum rates due to unanticipated and significant increases in the price of fuel, and

WHEREAS, the City has conducted an analysis of this request for a mid-year adjustment to the base maximum rates using the audited financial statements provided by the garbage haulers, supplemental data provided by the garbage haulers, and fuel price

information and forecast prices developed by the United States Department of Energy,  
and

WHEREAS, new maximum rates have been calculated based on a 2% adjustment to the base maximum rates for these fuel cost increases, and a recommendation for a new maximum rate schedule has been developed, and

WHEREAS, this mid-year adjustment to the maximum rates will be re-evaluated in conjunction with all other factors that influence the maximum rates, and

WHEREAS, the Economic Development Committee met on January 9, 2006, and supported the recommendation to approve a 2% mid-year adjustment to the maximum rate schedule for City solid waste collection services due to fuel price increases, and

WHEREAS, a report dated January 10, 2006, from the Parks, Recreation and Neighborhoods Department, a copy of which is on file in the office of the City Clerk, sets forth said recommendations, and

WHEREAS, said matter was set for a public hearing of the City Council to be held at 5:30 p.m. on January 24, 2006 in the Tenth Street Place Chambers, located at 1010 Tenth Street, Modesto California, and

WHEREAS, a duly noticed public hearing was held at said time and place, at which time evidence, both oral and documentary, was received and considered, and

WHEREAS, it was found and determined by the Council of the City of Modesto that the existing schedules of rates and charges for garbage service in the City of Modesto should be revised as recommended,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

1. That it hereby approves the Maximum Charges for Garbage Service as attached hereto, marked Exhibit "1" and incorporated herein by reference. Said Maximum Charges for Garbage Service includes twice-a-year bulky item pickup for residential customers and all other residential services as stipulated in the Service Agreements and shall become effective on February 1, 2006, and shall remain in effect until revised by Council.

BE IT FURTHER RESOLVED that any person who has prepaid garbage service charges for residential garbage service shall be entitled to receive garbage service for the balance of said prepaid period at the prepaid rates.

BE IT FURTHER RESOLVED that Resolution No. 2005-337 is hereby rescinded, effective February 1, 2006.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 24<sup>th</sup> day of January, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen

NOES: Councilmembers: None

ABSENT: Councilmembers: Mayor Ridenour

ATTEST: Jean Zahr  
JEAN ZAHR, City Clerk

APPROVED AS TO FORM:

By Richard Rudnansky  
RICHARD RUDNANSKY, Interim City Attorney

**MAXIMUM CHARGES FOR GARBAGE SERVICE**

**STANDARD CONTAINERS**

Maximum Monthly Rates  
(Once a Week Pickup Service)

Standard service shall include one, 96-gallon container for garbage/recyclables, one, 96-gallon container for green waste, blue bag recycling, a countertop container for kitchen scraps, drop-off of old TV and computer tubes, and two bulky item collections per year by appointment. Customer may opt for smaller containers; however, maximum rates apply.

The maximum rate for new sign ups for service or change in service which occur after July 1, 1996, shall be charged \$19.30 per month regardless of size of container. The maximum rate for each additional garbage container shall be \$14.40 per month.

The maximum rate for customers with 60 gallon containers who subscribed to service at an address prior to July 1, 1996 and who have not changed their service address shall be \$16.30. The maximum rate for each additional garbage container shall be \$14.40 per month.

The above maximum standard container rate shall apply for service when containers are placed in a location set forth in Section 5-5.11 of the Municipal Code.

**DETACHABLE CONTAINERS**

Number of Collections Per Week

Container Size	NUMBER OF COLLECTIONS PER WEEK					
	1	2	3	4	5	6
1 CY	32.17	53.85	75.50	97.17	118.84	140.51
1½ CY	43.03	75.50	108.04	140.26	173.37	205.53
2 CY	53.85	97.17	140.51	183.84	227.16	270.49
3 CY	75.50	140.51	205.50	270.49	335.50	400.49
4 CY	97.17	183.84	270.49	357.16	443.82	530.49
5 CY	118.84	227.16	335.50	443.82	552.16	660.48
6 CY	140.51	270.49	400.49	530.49	660.48	790.48

**DETACHABLE CONTAINER RENTAL RATES  
ARE INCLUDED IN ABOVE SCHEDULE**

Detachable container size	1 CY to 6 CY
Monthly rental rate	\$10.00
Weekly rental of Detachable Containers	Shall not exceed the rate for 1 pickup per week for each size container

**DROP BOX CONTAINERS**

Pick up charge - \$195.15 per pick up  
 Rental - \$0.85 per day up to 7 day maximum rental  
 \$3.00 per day additional for boxes kept 7 or more days without servicing  
 \$10 per day additional for boxes kept 21 or more days without servicing

Disposal charge - Actual charge to be paid by customer  
 Garbage company will provide up to 40 CY Drop Box containers for above stated charges subject only to load limit of transfer vehicle.

**COMPACTORS**

**Front Loader Type:**

Compactor Size	NUMBER OF COLLECTIONS PER WEEK					
	1	2	3	4	5	6
3 CY	152.12	304.24	456.36	608.48	760.60	912.72
4 CY	201.72	403.44	605.16	806.88	1008.60	1210.32

**Roll-Off Type:**

6 CY to 40 CY \$195.15 per pickup  
 Washing of compactor at the request of customer \$30.00  
 Disposal Charge: Actual charge to be paid by customer

**EXTRA PICKUPS**

Standard containers or equivalent \$3.50 plus \$1.38/container  
 Detachable containers \$12.00 plus \$2.75/cubic yard

**SPECIAL SERVICE CONDITIONS**

In situations where none of the above maximum rates reasonably apply, the cost of service is to be negotiated between the garbage company and the customer.

**DETACHABLE CONTAINER ONLY  
 REPLACEMENT AND CLEANING SERVICE**

	1 CY	1½ CY	2 CY	3 CY	4 CY	5 CY	6 CY	
	\$10.12	\$11.00	\$12.10	\$15.40	\$20.24	\$25.08	\$29.92	

**NOTATIONS**

1. The above maximum residential rates include the \$0.10 per month per household recycling fee payable to the City by the garbage company. In addition to garbage, maximum residential rates also include twice-a-year bulky item pickup, blue bag recycling, green waste collection, food waste containers, cathode ray tube drop-off, and illegal dumping removal from streets and alleys.
2. Pursuant to Section 11-6.16(c)(2) of the Modesto Municipal Code, the garbage company may require a deposit equivalent to two (2) months service charge from customers prior to beginning service.

Modesto, CA 95353

Re: Request for Rate Increase due to Fuel Price Increases

Jocelyn:

As I am sure you aware, diesel fuel prices have skyrocketed. Prices have continued to increase at an alarming rate in the past several months. Due to those increases, and their impact on our business, we are requesting your consideration of a rate increase.

The most current financial report that you have received from us covers the fiscal year ending June 30, 2004. Those statements were the basis for the rate review process that you completed and used to set our current rates. I have prepared an analysis of our fuel cost increases since those statements were completed. Included you will find a detail listing of the diesel portion of our fuel payments from July 2003 through August 2005. We went back as far as July 2003 to provide a perspective of where fuel costs were for the fiscal year that you have been working with. The detail includes the fiscal year ended June 30, 2005 purchases and the purchases so far in this fiscal year. The average price per gallon of diesel increased 25.95% from fiscal year ended June 30, 2004 to fiscal year ended June 30, 2005. With the recent accelerated increases we are now experiencing prices that reflect an increase of 69.51% over those of fiscal year ended June 30, 2004. In dollars, the impact for City of Modesto services at the most recent price is approximately \$255,000.00 more than those reflected in the last financial statements that you have. I have also included a worksheet that reflects the dollar impacts based on the fiscal year ended June 30, 2004.

Your assistance in this matter would be greatly appreciated. In the years that I have worked for Gilton we have not been faced with a situation quite like this one. The impact of this issue obviously goes further than just the City of Modesto. So you can imagine the magnitude of the problem on the whole company. I am very concerned with the implications that this situation is creating for our Company. If there is more information that I can provide to help you in your analysis please let me know. Please consider this request at your earliest convenience. Each day, as prices increase, the problem becomes more critical. My e-mail address is [bobp@gilton.com](mailto:bobp@gilton.com) and my phone number is (209) 573-6248.

Sincerely,

Robert Pritchard, CPA  
Controller

RE: Diesel Fuel Costs

Dear Ms. Reed:

Soaring fuel costs have put an unexpected burden on the cost of providing garbage service to the residents of Modesto. In accordance with Section f. (2) of the Service Agreement dated November 1, 1997, Modesto Disposal does hereby request a rate adjustment to cover these costs, retroactive to the beginning of the 2004-2005 fiscal year.

Attached is a spreadsheet showing Modesto Disposal's fuel cost increases for calendar years 2004 and 2005, by month, using the monthly data available. It also shows City of Modesto fiscal year fuel costs from our audited financials. Lastly, it projects the cost of diesel fuel through the next fiscal year.

The spreadsheet shows that diesel costs in the City of Modesto have increased by \$80,478, year over year, from the last fiscal year audited financials to the present fiscal year. I have used two methods for projecting fuel costs forward. The first is the percentage increase used to obtain the \$80,478 difference between fiscal years, projected forward. The second is the price per gallon increase from January 2005 to October 2005, projected forward. The latter projects an increased cost of \$194,834 for the 2005-2006 fiscal year and should be the more accurate of the two methods, since it contains more recent trend data. I am requesting that both of these numbers be considered in the rate adjustment.

Modesto Disposal appreciates your consideration of this unanticipated rate adjustment proposal. If you need clarification of any of the data on the attached spreadsheet, please contact me. As always, I am just a phone call away.

Sincerely,

Thomas Clark  
District Manager  
Modesto Disposal

WHEREAS, the City Council of the City of Modesto has adopted Modesto Municipal Code Sections 8-1.904 et seq. creating and establishing the authority for imposing and charging Capital Facilities Fees (CFF), and

WHEREAS, since the inception of the CFF Program, multiple fee rate programs and policies relating to the administration of CFF have been established, and

WHEREAS, policies relating to CFF are set forth in Council Resolution Nos. 99-32, 99-385, 2003-309, 2004-527 and 2005-391, and

WHEREAS, the City has been utilizing administrative guidelines to manage the CFF Program; however, these guidelines have not been formally adopted by the Council, and

WHEREAS, it would be beneficial and efficient for the administration of the CFF program to combine the policies mentioned above and the informal administrative guidelines into one document, called CFF Policies and Procedures.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby adopts Policies and Procedures for the Capital Facilities Fees Program, a copy of which is attached hereto as Exhibit "A", and incorporated herein by reference.

BE IT FURTHER RESOLVED that Resolution Nos. 99-32, 99-385, 2003-309, 2004-527 and 2005-391 are hereby amended and superceded solely with respect to the relocation and revision of any policy which has been incorporated into the attached

Policies and Procedures for the Capital Facilities Fee Program, effective upon the adoption of this resolution. Resolution Nos. 99-32, 99-385, 2003-309, 2004-527 and 2005-391 and are hereby reaffirmed in every other respect.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 24<sup>th</sup> day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES:	Councilmembers:	Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen
NOES:	Councilmembers:	None
ABSENT:	Councilmembers:	Mayor Ridenour

ATTEST: Jean Zahr  
JEAN ZAHR, City Clerk

APPROVED AS TO FORM:

## 1.00 INTRODUCTION

The following policies and procedures (“Policies and Procedures”) are for the administration of Capital Facilities Fees, (“CFF”), which are established to mitigate the impacts of new development as outlined in §66000 of the California Government Code. These fees may be used for the purchase, construction, expansion, rehabilitation, or acquisition of public facilities, and must be consistent with the adopted fee program, which is updated every five years.

The CFF Program is updated every five years. As a result, Resolution 2003-309 approved a comprehensive update of the CFF Program whereby new schedules and rates applicable to development were established. These policies and procedures have been developed to govern the administration of the CFF Program.

## 2.00 DEFINITIONS

The intent and meaning of the terms that are used shall be as defined in these CFF Policies and Procedures except as specifically noted, revised, or added.

- A. BUILDING INSPECTION – shall mean the Building Inspection Division of the Community and Economic Development Department for the City of Modesto.
- B. BUSINESS PARK LAND USE – shall mean a master planned campus-like development, with common infrastructure and common design standards that features employment-intensive uses and light manufacturing, possible service retail, and regional commercial uses.
  - 1. Service – shall mean a predominantly service-oriented business park that has a high amount of office/commercial uses relative to the industrial/warehousing uses. Typical uses would include: office including general office building, corporate headquarters, single tenant office building, office park and research development uses; service retail, regional commercial and wholesale stores; restaurants; and recreational areas.
  - 2. Manufacturing – shall mean a predominantly industrial-oriented business park with low amounts of office/service/retail uses. Typical uses would include: general light industrial uses, manufacturing and/or distribution with associated office, warehouse, research, and related functions, and public facilities/utilities.
- C. CFF ADMINISTRATOR – person or persons appointed by the City Manager responsible for the management of the Capital Facilities Fee Program.
- D. CFF REVIEW COMMITTEE – shall mean a committee comprised of city staff from the following departments or divisions of the City of Modesto: CFF Administrator,

City Attorney's Office, Planning, Building, Finance, Parks, Recreation and Neighborhoods, and Public Works as appointed by the City Manager.

- E. CHIEF BUILDING OFFICIAL – The Chief Building Official of the City of Modesto.
- F. CITY – shall mean the City of Modesto.
- G. CITY ATTORNEY – The City Attorney of the City of Modesto or his or her designee.
- H. CITY ENGINEER – The City Engineer of the City of Modesto or his or her designee.
- I. CITY MANAGER – The City Manager of the City of Modesto or his or her designee.
- J. COMMERCIAL – as used in this section, shall mean any of the following small retail (less than 50,000 square feet):
  - 1. Convenience markets, often with on-site gasoline pumps, usually 24-hours or extended hours.
  - 2. Fast-food restaurants with or without sit-down facilities and with or without drive-up windows; generally food is ordered and taken to be consumed outside the restaurant building, although some on-site seating is usually provided.
  - 3. Sit-down restaurants where food is ordered and consumed in the restaurant and customers generally stay less than one hour; frequently belonging to chains and typically serve breakfast, lunch and dinner. This category also includes all drinking establishments such as bars and cocktail lounges, except those in conjunction with low turnover restaurant. The later are charged the low turnover rate.
  - 4. Sit down restaurants, which generally have turnover rates of one hour or longer, typically do not serve breakfast, and may or may not serve lunch.
  - 5. Banks – full service banking institutions with or without drive-up windows.
  - 6. Savings and Loan institutions, including thrift and credit unions, with or without drive-up windows, which typically offer fewer financial services than banks and are typically smaller in gross floor area than banks. If a given Savings and Loan is 5,000 gross feet or more, or provides full banking services, it should be treated as a bank.
  - 7. Other retail includes a wide range of retail service uses, both free-standing and in shopping centers, including but not limited to supermarkets, drug stores, department stores, general merchandise, building materials or lumber stores,

specialty retail stores, discount stores, hardware/paint stores, video arcades, and new car sales. May include uses in small retail category if in a shopping center.

- K. DEVELOPMENT PROJECT – shall mean any project undertaken for the purpose of development. Development projects include projects involving the issuance of a permit for construction or reconstruction, but not a permit to operate.
- L. DEVELOPMENT SERVICES – shall mean the Development Services division of the Public Works Department, City of Modesto.
- M. FACILITIES or PUBLIC FACILITIES –shall mean any of the following:
1. Public buildings, including park, recreation, police, fire, and administrative buildings.
  2. Facilities for the storage, treatment, and distribution of nonagricultural water.
  3. Facilities for the collection, treatment, reclamation, and disposal of sewage.
  4. Facilities for the collection and disposal of storm waters and for flood control purposes.
  5. Facilities for the generation of electricity and the distribution of gas and electricity, facilities for the distribution of information including radio and communication like, towers, and satellite dishes.
  6. Transportation and transit facilities, including but not limited to streets and supporting improvements, roads, overpasses, bridges, harbors, ports, airports, parkways and related facilities.
  7. Parks and recreation facilities, including bike trails, public landscape areas and community centers.
  8. Public vehicles for public safety.
- N. FEE – shall mean a monetary exaction other than a tax or special assessment, whether established for a broad class of projects by legislation of general applicability or imposed on a specific project on an ad-hoc basis, that is charged by a local agency to the applicant in connection with approval of a development project for the purpose of defraying all or a portion of the cost of public facilities related to the development project, but does not include fees specified in §66477, fees for processing applications for governmental regulatory actions or approvals, fees collected under development agreements adopted pursuant to Article 2.5 (commencing with §65864) of Chapter 4, or fees collected pursuant to agreements with redevelopment agencies which provide for their development of property in furtherance or for the benefit of are development project for which a redevelopment plan has been adopted pursuant to the Community

Redevelopment Law (Part 1 (commencing with §33000) of Division 24 of the Health and Safety Code).

O. IMPROVEMENTS – See FACILITIES.

P. INDUSTRIAL LAND USE – as used in this section, shall mean any of the following:

1. Manufacturing/Light Industrial/Industrial Park:

- Electronics assembly, paper products
- Metal fabricator
- Bottling plant
- Cabinet shop
- Machine shop
- Sheet-metal shop
- Welding shop
- Wholesale shop
- Printing plant
- Material testing labors manufacturer
- Food processor, brewery, bakery
- Recycling facility
- Burning operations for lumber and wood products
- Junk handling, processing storage
- Landfill, waste products disposal or transfer station
- Manufacture, fabrication, processing, packaging and treatment of explosives, oil and great products, chemicals and chemical products.
- Rock crushing
- Pulp and paper mill
- Reduction, processing and storage of offal, dead animals, bones or similar materials
- Septic tank, cesspool services
- Stockyard
- Tannery
- Vehicle salvaging, wrecking

2. Mixed Industrial Uses – when a development proposal contains more than an incidental mixture of uses, the general type of uses should be segregated and treated separately for the purpose of calculating development fees.

Q. VERY LOW and LOW INCOME HOUSING – shall mean housing at rents affordable to households earning sixty percent (60%) or eighty percent (80%), respectively, or less of the Area Median Income as determined from time to time by the United States Department of Housing and Urban Development.

R. OFFICE LAND USE – as used in this section, shall mean any of the following:

1. Medical Office – shall mean offices and clinics devoted to the practice of medical and dental professions or providing medical or dental services, including pseudo-medical services, but excluding hospitals and nursing homes, which are treated separately.
  2. General Office – shall mean all other types of general and professional offices.
- S. OTHER COMMERCIAL LAND USE – as used in this section, shall mean any of the following:
1. Church – Structures primarily designed or used as a place of public worship.
  2. Daycare and School – An educational, vocational or daycare facility.
  3. Hospital – A structure designed for health services, both inpatient and outpatient; that includes surgical care of the sick or injures of the physically ill and/or therapeutic treatment for the mentally ill. Included as an integral part of a hospital or laboratories, outpatient departments, training facilities, central services facilities, and hospital staff offices on the same site. The preceding ancillary uses are considered “professional offices” if located “off-site” unless a multi-site campus is covered by a P-D Zone or hospital uses. A separate set of offices on the same site for physicians is considered “professional offices.”
  4. Mini-Warehouse – A personal storage facility not associated with industrial uses.
  5. Nursing Home – Structures designed for use as a convalescent hospital, or a retirement home, or a twenty-four hour care center for seven or more persons in addition to members of the family.
- T. PUBLIC FACILITIES – see FACILITIES.
- U. RESIDENTIAL LAND USE – as used in this section, shall mean any of the following:
1. Single-Family – shall mean single family detached homes on individual lots, such as in residential subdivision, but could also be in planned developments. Density of development may vary, but is typically ten (10) dwellings per acre or less.
  2. Multiple-Family – shall mean multiple family dwelling units of several types, including high and low rise apartments, high and low rise condominiums, and multi-family residential planned unit developments greater than a density of ten (10) units per acre. The category also applies to mobile homes and hotel/motel uses.
  3. Medium Density – shall mean duplex or triplex buildings located on a single lot designed for occupancy by two or three families.

4. Senior Housing – shall mean retirement communities restricted to adults or senior citizens, congregate care facilities, and similar residential uses.

V. WAREHOUSE DISTRIBUTION/HEAVY LAND USE – shall mean facilities in which the primary activity is the storage of materials or in which the primary activity is receiving and shipping materials. Use which are considered to be in this category include uses such as those listed below:

- Freight
- Warehousing
- Corporation yard, freight yard
- Equipment rental yard
- Moving and storage service
- Bulk feed storage
- Lumberyard

### 3.0 ADMINISTRATION

Overall administration and oversight of the CFF Program shall reside with the person or persons designated as CFF Administrator(s), as determined by the City Manager. The CFF Administrator(s) shall have the responsibility of ensuring that all issues relating to CFF are managed in accordance with applicable rules and regulations.

#### A. CFF REVIEW COMMITTEE

The CFF Review Committee, appointed by the City Manager, is hereby established to review policy matters related to the CFF Program in the event of appeals regarding fees, the administration of the CFF Program, and other issues that may arise as a result of the implementation of the CFF Program.

#### B. ANNUAL REPORT

As required by §66006 of the Government Code, each year an annual report will be prepared and made available to the public within 180 days after the last day of each fiscal year. The report shall contain the following information:

1. A description of the type of fee in the account or fund.
2. The amount of the fee.
3. The beginning and ending balance of the account or fund.
4. The amount of the fees collected and the interest earned.

5. An identification of each public facility on which fees were expended and the amount of the expenditures on each improvement, including the total percentage of the cost of the public improvement that was funded with fees.
6. An identification of an approximate date by which the construction of the public facility will commence if the local agency determines that sufficient funds have been collected to complete financing on an incomplete public facility, as identified in paragraph (2) of subdivision (a) of §66001, and the public facility remains incomplete.
7. A description of each interfund transfer or loan made from the account or fund, including the public improvement on which the transferred or loaned fees will be expended, and, in the case of an interfund loan, the date on which the loan will be repaid, and the rate of interest that the account or fund will receive on the loan.
8. The amount of refunds made pursuant to subdivision (e) of §66001 of the Government Code and any allocations pursuant to subdivision (f) of §66001.

### C. INFLATIONARY ADJUSTMENTS

#### 1. Timing of Adjustments

In an effort to ensure that the fees collected are adequate for inflation, an annual inflation adjustment shall be applied each year to the CFF. The CFF rates for all land use categories shall be administratively adjusted annually to account for inflation.

All fees shall be automatically adjusted annually for inflation by the City's Director of Public Works or designee. The annual inflation adjustment shall be the annual change in the San Francisco Bay Area Engineering News Record ("ENR") Construction Cost Index through the month of December of the year preceding each inflation adjustment. The inflation adjustment shall be made and become effective on or about July 1<sup>st</sup> of each year. The Director of Public Works or designee is hereby authorized and directed to administratively to make the inflation adjustments annually.

#### 2. Notification of Inflationary Adjustment

The City will provide at least one meeting with stakeholders and other interested parties at least 60 days in advance of the effective date of the inflationary adjustment.

While an administrative function, the automatic inflationary adjustment shall be submitted to the Council for their information. The item should be scheduled to allow for sufficient time for the increase to become effective at the beginning of the fiscal year or the programmed effective date of the fee increase if a particular fee has a start date that is different than the commencement of the fiscal year.

## D. CALCULATION AND COLLECTION OF FEES

Fees are due and payable at the time of building permit *issuance*. Building Inspection will calculate the fee based on the type of permit being issued and the definition of the fee that relates to that type of permit. Listed below are applications of fees based on circumstances where the fee category has not been explicitly detailed in the CFF Program, but where there is an analysis of how the fee is applied, exemptions of CFF, and deferrals of CFF.

### 1. CFF Policies for undefined uses:

#### a. Recreation Buildings:

For residential projects, the CFF on a dwelling unit or room basis are deemed adequate for ancillary recreation buildings that are oriented primarily to the residential development such as:

- Mobile home park clubhouse.
- Cabana, weight room, lounge, activity building for a single-family subdivision, apartment or condo complex.

For non-residential projects, CFF shall be based on the closest comparables. For example:

<b>Facility</b>	<b>Capital Facilities Fees</b>
Church multipurpose room or gym	Church rate
Gym for private school that also has a church	Daycare rate
Racquetball courts (freestanding or part of a recreation facility like the YMCA or SOS Club)	Commercial rate
Locker rooms, showers, etc., with health club	Commercial rate or equivalent

#### b. Multi-Use Buildings:

Multi-Use Buildings are handled on a case-by-case basis.

#### c. Temporary Trailers:

- A maximum term of two (2) years is used to define “temporary” use of trailers.
- Construction trailers are administratively exempt from CFF.
- All other temporary trailers are not exempt and pay full CFF. However, if an applicant who paid CFF on a temporary trailer removes that temporary trailer from a given site within five (5) years of payment of CFF, that applicant can apply in writing and be reimbursed for the entire CFF paid including average interest generated by City accounts less 2.5% CFF administrative fees.

- The deadline for receipt of written application for rebate by the City Building Inspection is six (6) years from the payment of CFF.
- d. Roof Structures – Erecting, Enclosing or Replacing w/Buildings:
- i. When an open area exists and a roof structure is to be added, 50% of the total CFF shall be charged. When one (1) or more sides are added, 100% of CFF shall be applied.
    - The roof provides shelter and is an enhancement of a business activity. Police surveillance and fire suppression can be provided more easily in an open structure without walls.
    - Once one (1) or more walls are added, it is basically a completed building and warrants full CFF.
  - ii. Canopy Construction
    - 50% CFF if the canopy is enclosed on one (1) or two (2) sides with walls.
    - 100% if canopy is enclosed on three (3) or four (4) sides with walls.

2. Exemptions:

Capital Facilities Fees established by these policies shall not be imposed on any of the following:

- a. Canopied and Enclosed Truck Loading Bays.
- b. Parking Garages.
- c. Restaurant Outdoor Dining Patios - Weather conditions limit outside dining areas to seasonal use; therefore, the patio dining area *shall not* be considered in determining square footage and parking requirements, provided they are not enclosed.
- d. Any Low or Very Low Income housing units constructed or expanded by the Housing Authority of the County of Stanislaus or any entity in which the Housing Authority is a major partner.

Any Low or Very Low Income or special needs housing, constructed or expanded by any other person or entity. The term of the exemption would be the term of the period deemed low income.

For a single-family affordable housing unit constructed by any person or entity, as used in this subparagraph, the term “single-family affordable housing unit” shall mean a single-family home purchased by a homebuyer earning sixty percent (60%) or less of the Area Median Income as determined from time to time by the United State Department of Housing and Urban Development to be used by the homebuyer as its principle

place of residence. The homebuyer would be granted a full CFF exemption provided there is not a resale or refinance for ten (10) years. If a resale or refinance should occur within the ten (10) year period, the full CFF exemption would be due, with no interest thereon.

The exemption authorized by this subparagraph may be granted by the City Council on a case-by-case basis after a public hearing. The public hearing shall focus on whether or not the unit to be constructed would be a single-family affordable housing unit. If approved by the City Council, the benefit of the CFF exemption would be transferred to the homebuyer at the time of purchase. The homebuyer would be required to sign a CFF exemption agreement, promissory note, and City trust deed to secure the note, as prepared by the City Attorney.

- e. The term for the CFF exemption would be the term of the period deemed low income.
- f. For each use listed above for which the fee is calculated on the basis of the total number of square feet of building space, the area of public or private garages shall not be included in the area of building space for the purpose of calculating the CFF for that use. As used herein, the term “public parking garage” and the term “private parking garage” shall mean the same as those terms are defined in the Uniform Building Code.
- g. Any alteration or addition to a residential structure, except to the extent that additional dwelling units are created.
- h. For new developments, when a structure is demolished and new structures are built, an exemption is appropriate for the structure that was destroyed provided:
  - i. Any replacement or reconstruction of a residential structure that has been destroyed or demolished, provided that the building permit for reconstruction is obtained within two (2) years after the building was destroyed or demolished except to the extent that additional units are created. Replacement or reconstruction limited to residential use only.
  - ii. Any replacement or reconstruction of a non-residential including multi-family structure that has been destroyed or demolished, unless the replacement or reconstruction increases the square footage of the structure, ten percent (10%) or more, changes the use of the structure to a higher density category, or will result in the generation of additional peak hour trip ends.
- i. Any replacement of an existing residential or non-residential structure that has been or will be vacated due to the fact that the title to the property has been acquired by a public entity through eminent domain proceedings or

the threat of such proceedings provided that the building permit for the replacement structure or structures is applied for within two (2) years after the transfer of title or within two (2) years after the property has been vacated, whichever occurs last. The exemption granted by this subparagraph shall not apply to the replacement of a non-residential structure to the extent it adds additional square feet, the use is devoted to a higher density category, or results in the generation of additional peak hour trip ends or to the replacement of a residential structure to the extent additional units are created.

- j. Maximum Number of CFF Exemptions for Residential Projects – 2% Cap: The total number of residential CFF exemptions shall not exceed two percent (2%) of the total CFF Program housing units.

Staff reports for requests for exemptions shall indicate the cumulative inventory of exempt units and the percent of anticipated total exempt units at build out. The staff report shall also provide a comparison of cumulative CFF exempt units to total units built since 1989. During recessions and other times of low production of market-rate housing, it is acknowledged that the cumulative, exempt units may exceed two percent (2%) of the total units built.

- k. Such other exemptions as the City Council may establish by Resolution from time to time.
- l. Process for the Authorization of an Exemption:
  - i. Exemption application must be completed.
  - ii. Notice of a Public Hearing shall be filed.
  - iii. The Exemption may be authorized by the City Council on a case-by-case basis after a public hearing. The public hearing shall focus on whether or not the units to be constructed or expanded are in fact “low income”.
  - iv. The term for the CFF exemption would be the term of the period deemed low income and would require affordability covenants as per §10-3.202 of the Modesto Municipal Code.
  - v. Once exemption is approved an agreement with the City shall be signed and CFF shall be secured by a Deed of Trust.

### 3. Deferral Qualifications:

Rather than paying CFF at the time a building permit is issued, the developer of a “qualified project” may elect to defer payment of all or a portion of those fees as hereinafter set forth. The purpose of this procedure is to specify the steps involved in this process, and the responsibilities of various City departments.

- a. Category "A" qualified projects shall include any non-residential project (except industrial/warehouse projects but including hotel/motel projects) on one (1) parcel of land or a group of contiguous parcels under the same ownership for which CFF exceed \$150,000.00. Category "A" qualified projects shall also include any industrial/warehouse projects on one (1) parcel of land or a group of contiguous parcels under the same ownership for which CFF exceeds \$50,000.00.

The property owner and/or developer in the case of "Category 'A' qualified projects" may enter into Deferred Payment Agreement with the City to pay ten percent (10%) of those fees at the time the building permit is issued with the remaining ninety percent (90%) to be paid in equal installments over the next ten (10) years (or less at the property owner's option).

- b. Category "B" qualified projects shall include any non-residential project (except industrial/warehouse projects but including hotel/motel projects) on one (1) parcel of land or a group of contiguous parcels under the same ownership for which CFF is more than \$25,000.00 but less than \$150,000.00. Category "B" qualified projects shall also include industrial warehouse projects on one (1) parcel of land or a group of contiguous parcels under the same ownership for which CFF is more than \$25,000.00 but less than \$50,000.00.

The property owner and/or developer in the case of "Category B qualified projects" may enter into a Deferred Payment Agreement with the City to pay twenty percent (20%) of those fees at the time the building permit is issued with the remaining eighty percent (80%) to be paid in equal installments over the next five (5) years (or less at the property owner's option).

- c. Other Projects, which may be designated by the City Council as "qualified projects," are privately constructed projects on the City/Council Airport where the CFF exceeds \$5,000.00.
- d. In all cases of Category A, B, and Other Projects, the unpaid balance of the fees will be subject to interest and collection charges. The annual interest rate shall be equal to the Wall Street Journal Prime Rate adjusted thereafter semi-annually every July and January. Adequate security acceptable to the City in the form of an irrevocable letter of credit in an amount sufficient to secure both principal and interest shall be provided for the duration of the deferral. The terms and conditions of the deferral shall be set forth in an agreement which shall also provide that the unpaid balance of the fee shall be due and payable on the sale or the transfer to the property. As an alternative to providing the irrevocable letter of credit, the agreement may, at the option of the property owner/developer, authorize the City to lien the property and collect the balance of the CFF due through property tax assessment.

- e. For those projects where a mitigated negative declaration or an Environmental Impact Report (EIR) has been certified, no CFF deferral shall be allowed to the extent that one (1) or more of the mitigation measures consists of payment of CFF or construction or installation of a public improvement, the cost of which, subject to funding availability, may be eligible for reimbursement of CFF.
- f. Rather than paying CFF at the time the building permit is issued for the construction of a single-family affordable housing unit, the developer may elect to defer payment of all or a portion of those fees on the following:
  - i. Any single-family affordable housing unit constructed by any person or entity. As used in this subparagraph and the preceding subparagraph, the term “single-family affordable housing unit” shall mean a single-family home purchased by a homebuyer earning between sixty-one percent (61%) and eighty percent (80%) Area Median Income as determined from time to time by the United States Department of Housing and Urban Development to be used by the homebuyer as its principal place of residence.
  - ii. The homebuyer may be granted a CFF deferral for up to five (5) years, with payments of principle and interest to begin in year six (6). Interest will not accrue during the deferral period, and the CFF would be paid over a ten (10) year period with five percent (5%) interest rate on the unpaid balance. The deferral authorized by this subparagraph may be granted by the City Council on a case-by-case basis after a public hearing. The public hearing shall focus on whether or not the unit to be constructed would be constructed as an affordable housing unit. If approved by the City Council, the benefit of the CFF deferral shall be transferred to the qualified homebuyer at the time of purchase. The homebuyer is required to sign a CFF deferral agreement, promissory note, and City trust deed to secure the note, as prepared by the City Attorney. If a resale or refinance should occur within the ten (10) year period, the remaining unpaid balance of the CFF, including interest, shall immediately become due and payable on the sale, transfer or refinancing of the Property.

#### 4. Processing of Requests for Deferrals:

- a. The CFF Administrator will complete the deferral agreement and will either obtain the letter of credit or file a lien for the total amount due. The original agreement and letter of credit or lien will be kept on file in the City Clerk’s office, with copies to Accounts Receivable.
- b. The developer will take copies of the completed documents to Building Inspection. No permits will be issued until all required documents are

received and approved by the CFF Administrator and City Attorney's office and the down payment has been collected.

5. Once the Payment has been received:

- a. Building Inspection will enter either ten percent (10%) or twenty percent (20%) of the total CFF on the permit, since this is the actual cash down payment due. The ten percent (10%) or twenty percent (20%) must be split to each CFF in the appropriate ration.
- b. A copy of the paid permit will be sent to Accounts Receivable.

6. Annual Installments:

- a. Letter of Credit on File – Accounts Receivable will send a reminder bill eleven (11) months after the permit is issued. The due date of the first installment will be one (1) year from the original permit date.
- b. If the Lien is Filed – The first installment will be added to the tax roll in August of the fiscal year after the permit is issued. Interest will be calculated from the original permit date through November 1<sup>st</sup> of the first installment year.

Example 1: Permit is issued on May 30, 2005. Finance will prorate interest from May 30 through November 1, 2005, and will cause the first principal and interest installment to be added to the tax roll in August 2005. The tax bill received in November 2005 will include the first installment.

Example 2: Permit is issued in August 1, 2005. Finance will prorate interest from August 1, 2005 through November 1, 2006, and will cause the first principal and interest installment to be added to the tax roll in August 2006. The tax bill received will include the first installment.

- c. In the event that the developer does not pay annual installments, Accounts Receivable shall contact the CFF Administrator, and 1) if a Letter of Credit is on file, the necessary amount will be drawn, and 2) if the property is liened, the City will receive its share upon the sale or transfer of the property.

7. Review & Appeal Process:

In the event of a dispute of what fee shall be applied to the permitted use, the CFF Administrator shall present the dispute to the CFF Review Committee who then shall make a final determination. The CFF Administrator shall send a written statement of decision and the grounds therefore.

In the event that the applicant disagrees with the CFF Review Committee's determination, the applicant may choose to make his case to the review committee or may make his case to the City Council according to the appeal rights outlined in the Modesto Municipal Code Section 1.4. The CFF Administrator shall present the basis for the dispute to the Council whereby the Council will make the final determination.

#### **4.0 EXACTION POLICIES FOR CFF-RELATED IMPROVEMENTS AND REIMBURSEMENTS**

##### **A. RESIDENTIAL STREETS**

Those residential and collector required by new development shall be dedicated and improved to City Standard Specifications, as those may be amended from time to time, by the abutting developer.

##### **B. EXPRESSWAYS**

With respect to expressways, expressway improvements or rights of way shall be dedicated as required by conditions of approval but developer shall be reimbursed the cost of said improvements and rights of way with CFF funds, subject to limitations of available CFF funding. All reimbursements shall be detailed in advance of construction or dedication in a reimbursement agreement in accordance with the municipal code.

Exceptions: 1) where interim improvements are required to facilitate current development pending future expressway improvement, such interim improvements shall be provided by the abutting developer 2) where extra facilities are required specifically for the particular development at hand (e.g. deceleration/acceleration lanes, slip ramps), such extra facilities shall be provided by and at the expense of the developer without reimbursement.

##### **C. ARTERIAL/MAJOR COLLECTOR STREETS**

When a developer is required to dedicate and improve more than 40 feet of arterial street or major collector street as measured from the new property line on each side of the street towards the centerline, the cost of right of way and improvements in excess of 40 feet shall be reimbursed to the developer with CFF funds, provided funding for said improvements are included in the CFF Program and subject to availability of CFF funds. All reimbursements shall be detailed in advance of construction or dedication in a reimbursement agreement in accordance with the municipal code.

With respect to existing streets, where at least 40 feet of dedication and improvements have previously been made (measured from the existing property line up to the street centerline), any additional dedication and improvements shall be subject to

appropriate reimbursement to the developer. On existing streets, if the street has not previously been improved to applicable City Standard Specifications, only dedication or improvements in excess of 40 feet (measured from the new property line towards the street centerline) will be subject to appropriate reimbursement.

Exception: where extra facilities are required specifically for the particular development at hand (e.g. deceleration/acceleration lanes, slip ramps), such extra facilities shall be provided by and at the expense of the developer without reimbursement.

## **5.0 PRIORITY POLICIES**

Within each category of fees collected for capital projects, there are competing demands for the use of those funds by multiple projects listed in the program. As a result, below are guiding policies used to establish priorities for the construction of the projects identified in the City's Capital Improvement Program. The following principles will be applied for transportation related construction priorities:

### **A. PRIORITY PRINCIPLES**

1. Address Critical Safety Issues.
2. Legal Obligations:
  - a. Projects must be included in the program to use CFF funding.
  - b. Honor all commitments in existing executed agreements.
3. Maximize Traffic Benefits For Dollars Spent:
  - a. Phase projects to maximize traffic benefits per unit cost.
  - b. Utilize lower cost traffic improvements such as restriping and signal modifications where possible.
  - c. Project amenities will follow later.
4. Economic Development:
  - a. Projects to complement high priority economic development.
5. Segment Completion:
  - a. Projects that complete segments of previously phased work.

### **B. PRIORITY TRANSPORTATION CORRIDORS**

The following corridors are of high priority for programming projects:

1. East-West Priority Corridors:
  - a. Pelandale Avenue
  - b. Briggsmore Avenue

2. North-South Priority Corridors:
  - a. Carpenter Road
  - b. Claus Road

## 6.0 REIMBURSEMENTS

Prior to the commencement of any work that is to be reimbursed, an agreement between the developer and the City must be approved per §8-3.102 of the Modesto Municipal Code.

### A. AGREEMENTS

Prior to the issuance of a construction permit, and prior to recording of a final map for dedication, the developer will be required to enter into all necessary agreements in a form provided by the City and consistent with these Policies and Procedures. These agreements may include, but not be limited to:

- Reimbursement Agreement
- Land Dedication Agreement (where required)
- Development Agreement
- Other agreements (as required)

It is the obligation of the developer, landowner, and or the developer's engineer to submit a request to the CFF Administrator for reimbursement. The request shall include: 1) engineer's estimate on reimbursement amount 2) all exhibits relating to the improvements or right of way including the plat and, where applicable, closure calculations. Requests will not be granted if the dedication has already been made, or the improvements have been started.

Developer may also be reimbursed for design costs incurred prior to the execution of a Reimbursement Agreement for completed and accepted, City-funded facilities as determined and approved by the CFF Administrator and the City's Engineer.

Prior to execution of any such agreements, the agreements shall be reviewed and approved by the CFF Administrator and the City Attorney. Other consultants may also review them, as the City believes are appropriate.

### B. TIMING & PAYMENT OF AGREEMENTS

The planning contained in the City's annually adopted Capital Improvement Program shall guide the amount and the schedule of reimbursements to be paid from CFF funds to reimburse developers for advances in cash which are determined by the City to benefit CFF eligible improvements. All such reimbursements shall be made pursuant to a written reimbursement agreement ("RA"), which must be executed, by both the City and the developer *prior to the start* of any potentially reimbursable work by the developer.

A RA will be required where development occurs fronting a planned CFF project, or which requires CFF work off-site, and all such work shall be done by developer advances, subject to reimbursement pursuant to the RA. RAs in an amount less than that stated in Modesto Municipal Code §8-3.102 as it currently reads, or as it may be amended in the future, may be approved by the City Manager alone. *The rate of reimbursement specified in an RA shall be the amount of the actual cost of the developer advanced project, subject to documentation and approval by City staff and not to exceed the City Engineer's estimate of the cost of the project as stated in the RA.*

With respect to timing of reimbursement, the CFF Administrator shall determine the fiscal year or years in which funds will become available in the appropriate CFF fund for reimbursement, and such years or dates shall be specified in the RA. Reimbursement shall actually be paid from the relevant CFF fund, pursuant to the provisions of any RA, and pursuant to the timing and rate provisions contained in the RA.

#### C. PAYMENT OF AGREEMENTS

Payment of a Reimbursement Agreement shall correspond to the CFF Update that the developer paid CFF, regardless of length of time. The corresponding inflation adjustment shall also apply to the payment of the agreement.

The CFF Administrator will be the initial contact for developers wishing to commence or process an RA in order to provide advances to CFF eligible projects.

### 7.0 **BIDDING PROCESS, PREVAILING WAGES, and LICENSES**

No permits shall be issued and no work shall commence until the developer and the CFF Administrator have executed a Reimbursement Agreement for the improvements to be constructed.

#### A. REIMBURSEMENT FOR WORK LESS THAN \$300,000

In retaining construction contractors for work which is reimbursable by the City of Modesto and where a Reimbursement Agreement (or other similar agreement) with the City is less than \$300,000.00, the developer shall abide by the following bid process:

##### 1. Three Competitive Bids:

The developer shall provide three (3) competitive bids. If the developer desires to award to a contractor other than the low bidder, a written request must be submitted to the City. The City may allow this if the developer can provide adequate justification.

2. Licensing:

The developer shall make sure that all contractors and subcontractors are licensed in accordance with §7000 through §7145 inclusive, of the California Business and Professions Code and maintain adequate insurance for any work or services performed. Developer, its contractors and subcontractors shall have and maintain a City business license during the term of any agreement.

3. Payment of Prevailing Wages:

In accordance with California Labor Code §1770, developer shall require the payment of prevailing wages based on the rates determined by the California Director of Industrial Relations. Unless otherwise directed by the City, developer's construction schedule shall provide adequate time for completion of the work such that no holiday or overtime labor shall be required. The City shall not reimburse developer for any labor costs which exceed the normal and customary straight time rates as described in the City of Modesto General Provisions, §4.19, for the work performed unless the City authorizes the use of overtime or legal holiday time, in advance and in writing.

The developer shall maintain certified payroll records for all labor costs incurred on all City reimbursable work for a minimum period of four (4) years from the issuance of the Notice of Completion. Said payroll records shall be made available to the City or any state regulatory agency for review, audit, inspection or copying upon request.

4. Indemnification:

Developer shall indemnify and hold the City harmless for ensuring that the project is bid and constructed in accordance with City standards, and in compliance with all applicable local, state and federal laws. Developer shall also indemnify and hold the City harmless for any damages, claims or actions arising out of said construction activities in a form approved by the City Attorney and the Risk Manager.

5. Overtime, Change Orders:

The City shall retain the right to be in attendance to inspect all bids and change orders. Any extra work or charges during construction for which reimbursement is sought shall be justified and documented. Except in the case of an emergency, any such charges shall be approved by the City in advance and in writing. In the case of an emergency, any such charges may be authorized by the City if the developer provides adequate justification that an emergency existed and that the extra work or charges incurred were reasonable. Said justification shall be provided within a reasonable time after the emergency ends and prior to reimbursement for any such charges.

**8.0 COMPLETION AND ACCEPTANCE OF WORK**

The completion and acceptance of work for reimbursement will follow Chapter 4, Title 4 of the Modesto Municipal Code.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-062**

**A RESOLUTION AMENDING EXHIBIT "A" OF RESOLUTION NO. 2005-485  
TO REVISE THE CLASS RANGE TABLE FOR GENERAL NON-SWORN  
CLASSES TO ESTABLISH A SALARY RANGE FOR ENVIRONMENTAL  
REVIEW SPECIALIST AT SALARY RANGE 132**

WHEREAS, the City Council desires to amend Exhibit "A" of Resolution No. 2005-485, which approved the Class Range Table for General Non-Sworn Classes,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. AMENDMENT TO RESOLUTION NO. 2005-485. Exhibit "A" entitled "City of Modesto Class Range Table General Non-Sworn Classes Effective September 27, 2005," attached to Resolution No. 2005-485, is hereby amended as shown on the amended Exhibit "A" entitled "City of Modesto Class Range Table General Non-Sworn Classes Effective January 24, 2006," which is attached hereto and made a part hereof as though set forth in full herein. Said amended Exhibit "A" establishes the salary range for Environmental Review Specialist at range 132.

SECTION 2. EFFECTIVE DATE. This resolution shall become effective on and after January 24, 2006.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 24<sup>th</sup> day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Marsh, O'Bryant, Olsen

NOES: Councilmembers: Keating

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-064A**

**A RESOLUTION REVISING THE POSITION CLASSIFICATION PLAN FOR  
THE CITY OF MODESTO**

WHEREAS, a Position Classification Plan for the City of Modesto was adopted by Modesto City Council Resolution 88-338 pursuant to Rule 2 of the Personnel Rules and Regulations of the City of Modesto, and

WHEREAS, the City Manager has recommended to the Council amendments to the Position Classification Plan, and

WHEREAS, Rule 2.2 of the City of Modesto Personnel Rules provides that revisions to the Classification Plan shall be effective upon adoption of resolution of the City Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. CLASSIFICATIONS AMENDED. The Position Classification Plan of the City of Modesto is hereby amended to revise the job specifications for the following classifications:

1. Accountant I
2. Accountant II
3. Transit Manager
4. Senior Accountant
5. Senior Community Development Program Specialist
6. Executive Assistant

Said job specifications for the above listed classifications are being amended to update the essential functions and experience and training guidelines to more accurately reflect the requirements of these classifications. The job specifications for the classifications are shown on the attached Exhibit "A", which is hereby made a part of this resolution by reference, is hereby approved and made part of the Position Classification Plan of the City of Modesto.

SECTION 2. NEW CLASSIFICATIONS CREATED. The Position Classification Plan of the City of Modesto is hereby amended to create job specifications for the following classifications:

1. Purchasing Manager
2. Events Supervisor
3. Events Coordinator
4. Equal Opportunity Analyst
5. Fire Business Services Analyst
6. Environmental Review Specialist
7. Supervising Accountant
8. Senior Auditor

Said job specifications for the above listed classifications are being established to more accurately reflect the requirements of these classifications. The job specifications for the classifications are shown on the attached Exhibit "B", which is hereby made a part of this resolution by reference, is hereby approved and made part of the Position Classification Plan of the City of Modesto.

SECTION 3. CLASSIFICATIONS DELETED. The Position Classification Plan of the City of Modesto is hereby amended to delete job specifications for the following classifications:

1. Events Supervisor I
2. Events Supervisor II
3. Purchasing Supervisor
4. Accountant II – City Clerk’s Office

Said job specifications for the above listed classifications are being deleted as they no longer reflect the requirements of the City.

SECTION 4. EFFECTIVE DATE. This resolution shall become effective on and after January 24, 2006.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 24<sup>th</sup> day of January 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the resolution adopted by the following vote:

**Resolution Exhibit A**  
**Amended Job Classifications**  
**City Council, Jan. 24, 2006**

ACCOUNTANT I  
ACCOUNTANT II

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

DEFINITION:

To perform professional level accounting and auditing work; to record and report financial transactions of the City in accordance with generally accepted accounting principles; review accounting records for accuracy; to prepare financial reports, statements, and special financial analyses for both internal and external customers; to review accounting transactions for accuracy.

DISTINGUISHING CHARACTERISTICS:

Accountant I – This is the entry level in the Accountant series. This class is distinguished from Accountant II by the performance of the more routine tasks and duties assigned to positions within the series. Since this class is typically used as a training class, employees may have only limited work experience.

Note: Positions in this class may be assigned confidential status.

Accountant II – This is the full journey level class within the Accountant series. Employees within this class are distinguished from the Accountant I by the ability to perform the full range of assigned duties with only instruction or assistance as unusual or unique situations arise. Positions in this class have responsibility for a specific accounting function, may provide accounting support to a Senior Accountant or higher level supervisory or management position, and may be assigned supervisory responsibility over technical or clerical staff. Positions in this class are flexibly staffed and are normally filled by advancement from the entry level.

SUPERVISION RECEIVED AND EXERCISED

Accountant I

Receives general supervision from a Supervising Accountant or higher level accounting staff.

May exercise technical and functional supervision over technical and clerical staff.

Accountant II

Receives direction from a Supervising Accountant or senior level management staff.

May exercise direct supervision over technical and clerical staff.

ESSENTIAL AND MARGINAL FUNCTION STATEMENTS – Essential and other important responsibilities and duties may include, but are not limited to, the following:

Essential Functions:

Maintains and reconciles a variety of ledgers and accounts; examines all accounting transactions to ensure accuracy; corrects financial records as necessary.

Assists in monitoring various accounts, verifying availability of funds and classification of expenditures; researches and analyzes transactions to resolve problems.

Conducts routine and special sales and use tax audits of local business organizations; conducts entrance and exit interviews.

**In addition to the above, the functions of the Accountant II may include:**

Assists in preparing financial reports for internal as well as external purposes.

Recommends changes in accounting and auditing systems, policies and procedures.

Reviews and evaluates laws, controls, grants and administrative policies for guidelines in performing accounting and fiscal operations.

Prepares a variety of financial documents and reports.

Prepares spreadsheets and other account data for the annual audit.

Prepares clear and concise reports, records, correspondence and other written material.

Marginal Functions:

Performs other related work as may be assigned.

## QUALIFICATIONS

### Knowledge of:

Generally accepted accounting principles and procedures.

Automated financial management systems, spreadsheet applications, word processing, and other related software.

Principles and procedures of account classification.

Principles of technical report preparation.

Modern office procedures, methods and computer equipment.

Basic statistical techniques.

### **In addition to the knowledge for Accountant I, Accountant II requires:**

Governmental accounting principles and practices as it pertains to assigned function.

Financial research and report preparation methods and techniques.

Account reconciliation principles.

Principles and practices of organization, administration and personnel management.

Applicable Federal, State and local laws, codes and regulations.

### Ability to:

Learn and apply accounting principles to the maintenance of financial and accounting transactions.

Learn and apply Federal, State and local laws and regulations to accounting.

Examine and verify routine financial documents and reports.

Prepare a variety of routine financial statements, reports and analyses.

Communicate clearly and concisely, both orally and in writing.

Use a variety of modern office equipment, including but not limited to, computer, calculator, typewriter, telephone, facsimile machine, and photocopy machine.

Establish and maintain cooperative working relationships with those contacted in the course of work.

**In addition to the ability for Accountant I, Accountant II requires:**

Apply generally accepted accounting principles in the maintenance of financial and accounting transactions.

Prepare, or assist in the preparation of, a variety of financial statements, reports and analyses.

Examine and verify a variety of financial documents and transactions and make necessary corrections.

Research, analyze and make effective recommendations on accounting work processes and fiscal practices.

Conduct fiscally sound audits of financial records.

Conduct audits in accordance with applicable audit standards.

Apply laws and regulations pertaining to accounting and auditing work.

#### Experience and Training Guidelines

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

##### **Accountant I:**

##### Experience:

Some professional general or governmental accounting experience is highly desirable.

Training:

Equivalent to a Bachelor's degree from an accredited college or university with major course work in accounting or a closely related field.

**Accountant II:**

Experience:

Two years of professional level accounting/auditing experience. Experience including governmental accounting, grant accounting and auditing is desirable.

Training:

Equivalent to a Bachelor's degree from an accredited college or university with major course work in accounting or closely a related field.

WORKING CONDITIONS

Environmental Conditions:

Office environment.

Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for sitting, standing, bending, and stooping for prolonged periods of time and occasional lifting; using various office equipment including a computer screen and keyboard.

## TRANSIT MANAGER

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

### DEFINITION

To manage, direct and coordinate the activities of the City's transit system.

### SUPERVISION RECEIVED AND EXERCISED

Receives general direction from the Director of Public Works.

Exercises direct supervision over professional, technical, and clerical staff.

ESSENTIAL AND MARGINAL FUNCTION STATEMENTS – Essential and other important responsibilities and duties may include, but are not limited to, the following:

Prepares special and required reports for various agencies and the City Council.

Responds to and resolves difficult and sensitive citizen inquiries and complaints.

Manages the downtown transportation center.

Assigns and supervises bus observers.

Orders and maintains supplies used by the transit system.

Marginal Functions:

Performs related duties as assigned.

QUALIFICATIONS

Knowledge of:

General principles and practices of management relating to a municipal transit system.

Municipal budget preparation and monitoring of complex programs.

State and Federal grant administration.

Supplies used in a transit system.

Pertinent Federal, State, and local laws, codes and regulations.

Ability to:

Manage complex transit system.

Prepare clear and concise written reports.

Make clear and concise oral presentations.

Prepare and administer a budget.

Establish and maintain cooperative working relationships with those contacted in the course of work.

Communicate clearly and concisely, both orally and in writing.

Experience and Training Guidelines

Experience:

Four years of increasingly responsible experience in the management and operation of a transit system.

Training:

Equivalent to a Bachelor's degree from an accredited college or university with major course work in business or public administration or a related field.

License or Certificate

Possession of, or ability to obtain, an appropriate, valid California driver's license.

WORKING CONDITIONS

Environmental Conditions:

Office environment.

Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for sitting, standing, bending, and stooping for prolonged periods of time and occasional lifting; using various office equipment including a computer screen and keyboard.

## SENIOR ACCOUNTANT

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

### DEFINITION

To perform the more complex professional level accounting and auditing work; to record and report financial transactions of the City in accordance with generally accepted accounting principles; review accounting records for accuracy; to prepare a variety of technical financial reports, statements, and special financial analysis for both internal and external customers; to invest temporarily idle City funds to obtain maximum investment earnings; and to provide technical staff assistance to management staff.

### SUPERVISION RECEIVED AND EXERCISED

Receives general direction from the Accounting Division Manager or other management level position.

May exercise direct or indirect supervision over assigned technical and clerical staff; however, supervision is not a preponderance of the duties assigned.

ESSENTIAL AND MARGINAL FUNCTION STATEMENTS - Essential and other important responsibilities and duties may include, but are not limited to, the following:

#### Essential Functions:

Performs the more complex professional level accounting work; reviews the work of less experienced staff and serves as technical advisor to staff and departments.

Reviews, interprets, and implements new governmental accounting standards, as required by Governmental Accounting Standards Board statement.

Plans and oversees the accounting for a variety of specialized accounting functions, such as treasury and investments, debt service, and joint powers agencies.

Designs and prepares specialized financial reports; reconciles complex balance sheet accounts and maintains detailed supporting documentation for audit.

Reviews and implements procedures pertaining to accounting issues, including but not limited to, investment and Council financial policies.

Prepares and interprets a variety of complex and technical financial reports for internal as well as external purposes.

Recommends changes in accounting and auditing systems, policies and procedures.

Reviews and evaluates laws, controls, grants, and administrative policies for guidelines in performing accounting and fiscal operations.

Resolves work problems and interprets administrative policies and technical procedures to subordinates, other departments, and the public; resolves difficult problems.

Coordinates assigned activities and functions with those of other divisions, departments and outside agencies and organizations.

Reconciles and maintains records for various accounts; maintains documentation.

Provides information to the public; responds to and resolves difficult or sensitive citizen or business inquiries and complaints.

## QUALIFICATIONS

### Knowledge of:

Generally accepted accounting principles and procedures and their application to a variety of complex accounting transactions and problems.

Advanced governmental accounting and auditing principles and practices.

Principles and practices of organization, administration and personnel management.

Appropriate municipal laws, rules and regulations with regards to municipal finance administration.

Automated financial management systems.

Modern office procedures, methods and computer equipment.

### Ability to:

Apply advanced accounting principles to the maintenance of financial and accounting transactions.

Analyze problems, identify alternative solutions, project consequences of proposed actions and implement recommendations in support of goals.

Interpret and apply complex accounting and financial guidelines.

Prepare clear and concise administrative and financial reports, correspondence, and other written documents.

Prepare accurate financial and statistical reports; maintain detailed records.

Interpret and explain department policies and procedures.

Assist in developing and administering Department policies and procedures.

Interpret and apply City policies, procedures, rules and regulations.

Prepare, examine, and verify financial documents and reports.

Oversee staff and activities of an accounting or auditing function.

Prepare a variety of complex audits, financial statements, reports and analyses.

Communicate clearly and concisely, both orally and in writing.

Establish and maintain cooperative working relationships with those contacted in the course of work.

#### Experience and Training Guidelines

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

##### Experience:

Four years of professional journey level accounting/auditing experience. Experience including governmental accounting, grant accounting and auditing is desirable.

##### Training:

Bachelor's degree from an accredited college or university with major course work in accounting or closely a related field.

#### WORKING CONDITIONS

##### Environmental Conditions:

Office environment.

Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for sitting, standing, bending, and stooping for prolonged periods of time and occasional lifting; using various office equipment including a computer screen and keyboard.

## SENIOR COMMUNITY DEVELOPMENT PROGRAM SPECIALIST

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

### DEFINITION

To provide administrative and technical support to the Housing and Neighborhoods Division of the Parks, Recreation, and Neighborhood Department; to perform research, statistical and other analytical work; and to provide professional level support to budget and financial accounting/monitoring and grant-related activities.

### SUPERVISION RECEIVED AND EXERCISED:

Receives general direction from a management level position.

May exercise technical and functional supervision over administrative staff.

### DISTINGUISHING CHARACTERISTICS

This class is distinguished from the Community Development Program Specialist II by the performance of advanced journey level duties involving budgetary and financial responsibilities, and providing administrative support to the Department in specific areas of responsibility including grant programs and budgeting.

ESSENTIAL AND MARGINAL FUNCTION STATEMENTS - Essential and other important responsibilities may include, but are not limited to, the following:

#### Essential Functions:

Acts as Budget Officer for the division and/or specific HUD programs; prepares and administers the division budget; manages the day-to-day fiscal operation and funding allocation; is responsible for budget monitoring; is responsible for gathering and compiling financial data for annual reports.

Undertakes independent analysis, program development and research, making recommendations and preparing corresponding staff reports.

Coordinates preparation of required annual HUD grant applications, reports and documents; compiles, analyzes and prepares annual funding reports.

Principles and practices of organization, administration, and personnel management.

Principles and practices of budget preparation and administration.

Modern office procedures, methods and computer equipment.

Principles and procedures of financial record keeping and reporting.

Technical report writing procedures.

Principles and practices of purchasing.

Principles of project management.

Principles of supervision, training, and performance evaluation.

Administrative research techniques, sources and availability of information.

Ability to:

Learn the process and structure of City and department.

Learn applicable Federal, State, and local laws, codes and regulations.

Analyze problems, identify alternative solutions, project consequences of proposed actions and implement recommendations in support of goals.

Analyze facts and make sound recommendations.

Prepare completed staff work for oral and written communications.

Plan, initiate and complete work assignments with a minimum of direction.

Communicate clearly and concisely, both orally and in writing.

Use and operate a personal computer with a variety of software.

Establish and maintain cooperative working relationships with those contacted in the course of work.

#### Experience and Training Guidelines

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

##### Experience:

Two years of increasingly responsible administrative and analytical experience in a public agency.

##### Training:

Equivalent to a Bachelor's degree from an accredited college or university with major course work in business or public administration or a related field.

#### WORKING CONDITIONS

##### Environment Conditions:

Office and field environment.

##### Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for sitting, standing, bending, and stooping for prolonged periods of time and occasional lifting; using various office equipment including a computer screen and keyboard and travel from site to site.

## ENVIRONMENTAL REVIEW SPECIALIST

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

### DEFINITION

To monitor and complete environmental review documents for Community Development Block Grant (CDBG), ESG, HOME, and related programs; to ensure compliance with the Davis Bacon Labor Act and Disadvantaged Business and Women Owned Business Enterprise requirements for HUD funded programs; and to perform special projects as assigned.

### SUPERVISION RECEIVED AND EXERCISED:

Receives general direction from a management level position.

May exercise technical and functional supervision over technical, clerical, or contract staff.

**ESSENTIAL AND MARGINAL FUNCTION STATEMENTS:** Essential and other important responsibilities may include, but are not limited to, the following:

#### Essential Functions:

Completes required environmental review documents and reports required by HUD for CDBG, ESG, HOME, and related programs to ensure compliance with HUD requirements.

Reviews HUD funded projects for compliance with Davis Bacon Labor Act and Disadvantaged and Women Owned Business Enterprise requirements.

Reviews and approves HUD funded capital improvement project bid packets prior to posting to ensure compliance with HUD, state, and federal requirements as it relates to salary review, Davis Bacon Labor Act, and environmental review.

Provides technical assistance related to CDBG funded or City owned buildings regarding asbestos and lead based paint regulations and removal.

Tracks public service projects and monitors compliance with Davis Bacon Labor Act compliance when applicable.

Uses GIS environmental mapping program to identify location of various projects and to produce maps containing census, ethnic, income, and related data, as required by HUD.

Receives, researches, and responds to questions from bidding contractors regarding compliance requirements.

Researches, reviews, analyzes, and applies Federal, State, and local laws and regulations regarding labor standards, environmental compliance issues, and HUD funding requirements.

Marginal Functions:

Performs related duties as assigned.

QUALIFICATIONS

Knowledge of:

Principles and practices of environmental planning and development as it relates to housing.

Federal, state, and local housing and community development programs and regulations.

Technical report writing.

Effective communication skills.

Modern office procedures, methods and computer equipment.

Ability to:

Understand, interpret, and apply department and program policies, procedures, rules, and regulations.

Understand, interpret, and apply federal, state, and local housing and community development programs and regulations.

Explain environmental programs, as they relate to housing, to the general public.

Establish and maintain effective working relationships with coworkers, other County employees, outside organizations, and the public.

Prepare technical reports including statistical charts, graphs, maps, and exhibits.

Deal effectively with individuals from a variety of ethnic and socio-economic backgrounds.

#### Experience and Training Guidelines

Any combination of experience and training that would likely provide the required knowledge and abilities are qualifying. A typical way to obtain the knowledge and abilities would be:

##### Experience:

Three years of experience working with HUD funded programs and state funded projects.

##### Training:

Equivalent to 60 semester units of college coursework.

##### Additional Special Requirements

Depending on assignment, any or a combination of the following certificates may be required: A.H.E.R.A. Asbestos Building Inspector/Manager Planner, Asbestos Contractor/Supervisor, Asbestos Project Designer, State of California Department of Health Services Certified Lead-Based Paint Inspector – Assessor and Supervisor.

#### WORKING CONDITIONS:

##### Environmental Conditions:

Office environment; exposure to computer screens; some field environment.

Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for sitting for prolonged periods of time.

## SUPERVISING ACCOUNTANT

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

### DEFINITION

Under general direction, supervises, plans and coordinates daily activities within the Finance Department involving areas of payroll, accounts payable, accounts receivable, and fixed assets; exercises direct supervision over assigned staff; provides highly responsible staff assistance to department management; performs specialized accounting and financial duties as assigned; develops, implements, monitors and evaluates computerized accounting systems, reports and procedures.

### SUPERVISION RECEIVED AND EXERCISED

Receives general direction from the Deputy Director of Finance.

Exercises direct supervision over professional, technical, and clerical staff.

ESSENTIAL AND MARGINAL FUNCTION STATEMENTS – Essential and other important responsibilities and duties may include, but are not limited to, the following:

#### Essential Functions:

Assists in the assessment, development, and maintenance of computerized financial systems through a review of present systems or in the selection of new systems and procedures; prepares recommendations for modifications or improvements.

Oversees and maintains of complex computer database in which the City's financial and payroll records reside.

Supervises and performs specialized accounting and recordkeeping duties within the City's accounting system.

Selects and recommends the appointment and termination of personnel; trains and orients staff; assigns and reviews work, evaluates performance and implements progressive discipline as required.

Analyzes and prepares fiscal reports in compliance with Federal, State and local laws, rules and regulations.

Provides primary assistance to the Finance Director and Deputy Director of Finance.

Makes recommendations regarding organization and operation of assigned areas of responsibility and recommends changes in policies and procedures.

Monitors financial systems, analyzes and reconciles financial records or statements and assists in internal control and auditing functions.

Provides information and assistance to other City staff or the public as it relates to the accounting activities of the department.

Performs special assignments and prepares reports as required.

Marginal Functions:

Performs related duties as assigned.

QUALIFICATIONS

Knowledge of:

Principles of fiscal accounting and financing; practices of centralized accounting, auditing and revenue administration.

Appropriate municipal laws, rules and regulations with regards to municipal finance administration.

Principles and practices of personnel management, supervision, training, discipline and performance evaluation.

Advanced computerized financial management, data processing, spreadsheet and word processing applications.

Modern office practices, procedures and equipment.

Mathematics and statistics as applied to area of assignment.

Ability to:

Manage, plan, organize and direct the work of staff.

Select, supervise, evaluate, train, and coach assigned staff.

Interpret and apply complex accounting and financial guidelines.

Prepare clear and concise administrative and financial reports, correspondence, and other written documents.

Prepare accurate financial and statistical reports; maintain detailed records.

Interpret and explain department policies and procedures.

Identify customer service issues and define appropriate and effective resolutions.

Perform accounting procedures related to assigned functions.

Communicate clearly and concisely, orally and in writing.

Develop and maintain cooperative working relationships with the general public, City officials, employees and representatives of various public and private agencies.

Operate a variety of financial and word processing computer software at a proficient level.

Experience and Training Guidelines:

Experience:

Four years of professional level accounting/auditing experience with one year in a lead capacity. Experience including governmental accounting, grant accounting and auditing is desirable.

Training:

Bachelor's degree from an accredited college or university with major course work in accounting or closely a related field.

WORKING CONDITIONS

Environmental Conditions:

Office environment.

Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for sitting, standing, bending, and stooping for prolonged periods of time and occasional lifting; using various office equipment including a computer screen and keyboard.

## SENIOR AUDITOR

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

### DEFINITION

To perform performance audits and investigations of City departments as directed by the Audit Committee of the City Council and approved by the City Council; to collect and analyze evidential data; to document work in the form of workpapers in accordance with audit standards; to prepare written reports and make presentations of findings and recommendations.

### SUPERVISION RECEIVED AND EXERCISED

Receives general supervision from the City Clerk and Auditor.

May exercise direct or indirect supervision over assigned professional, technical, clerical staff, or contract staff.

ESSENTIAL AND MARGINAL FUNCTION STATEMENTS - Essential and other important responsibilities and duties may include, but are not limited to, the following:

#### Essential Functions:

Coordinates and participates in conducting audits, investigations, and related activities, according to applicable audit standards.

Determines scope of audit and/or investigation and develops audit programs.

Develops audit findings and collaborates with key members of the audited department or program to address issues identified.

Appraises the quality of performance of designated operations in carrying out assigned responsibilities.

Maintains proper records of internal audit functions and activities, including budgets and costs, time records, and appropriate files.

Conducts follow-up investigations and audits as warranted.

OCTOBER, 2005

Testifies and represents the Office of the City Clerk and Auditor before Audit Committee of the City Council and City Council regarding findings and recommendations.

Assists with the development and implementation of Audit Division budget.

Prepares Request for Proposals and manages the contract for the City's external auditor.

Reviews program records, activity reports, transactions and related documents; analyzes operations and prepares reports of findings and recommendations relating to compliance, efficiency, and effectiveness of program.

Performs non-audit projects as assigned.

Marginal functions:

Perform related duties as assigned.

QUALIFICATIONS

Knowledge of:

Public administration, including government programs and operations.

Principles of governmental accounting and auditing practices and standards.

General research, analytical, and auditing techniques and their application.

Technical report writing.

Modern office procedures, methods and computer equipment.

Ability to:

Collect, compile, analyze, and interpret a variety of data and develop sound recommendations regarding findings.

Ascertain the extent of compliance with established policies and procedures.

Understand and apply instructions and legal and contractual requirements in terms of auditing programs.

Work with and control sensitive and confidential information.

Design and prepare audit programs, establish contact with operating personnel, conduct fieldwork, prepare workpapers, draft audit reports and follow up on audit recommendations.

Communicate clearly and concisely, both orally and in writing.

Establish and maintain cooperative working relationships with those contacted in the course of work.

Prepare a variety of technical reports that clearly describe findings and recommendations.

Interpret and apply City policies, procedures, rules and regulations.

#### Experience and Training Guidelines

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

##### Experience:

Four years of professional journey level accounting/auditing experience. Government experience in these areas is desirable.

##### Training:

Bachelor's degree from an accredited college or university with major course work in accounting, economics, finance, business, public administration or closely a related field. An MPA, MBA, or equivalent graduate degree from an accredited college or university and relevant certifications, including, Certified Public Accountant, Certified Internal Auditor, Certified Government Audit Professional, Certified Information Systems Auditor, or Certified Fraud Examiner desirable.

Additional Requirements

Must pass a background investigation, including fingerprinting, that will allow access to sensitive areas and information, such as in the Police Department.

WORKING CONDITIONS

Environmental Conditions:

Office environment.

Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for sitting, standing, bending, and stooping for prolonged periods of time and occasional lifting; using various office equipment including a computer screen and keyboard.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-065**

**A RESOLUTION ACCEPTING THE REPORT ON XCLAMATION FEST 2005,  
APPROVING XCLAMATION FEST 2006 HOSTED BY CHRIS RICCI  
PRESENTS, INC. IN DOWNTOWN MODESTO ON SATURDAY JULY 22, 2006,  
AND APPROVING A SHIFT IN THE DOWNTOWN LOCATION OF THE  
EVENT**

WHEREAS, on April 25, 2000, by Resolution No. 2000-189, the City Council approved a license agreement with Chris Ricci Presents, Inc., to hold an annual Xclamation Fest, and

WHEREAS, the Safety and Communities Committee met on September 13, 2004, and supported approval of the Xclamation Fest 2005 for July 23, 2005, and

WHEREAS, on October 26, 2004, by Resolution No. 2004-553, the City Council approved Xclamation Fest 2005 hosted by Chris Ricci Presents, Inc. and JCD Concepts 2000, Inc. in downtown Modesto on Saturday, July 23, 2005, and

WHEREAS, the sixth annual Xclamation Fest was held on Saturday, July 23, 2005, and

WHEREAS, this downtown music and arts festival was successful, both financially and for providing a safe, entertaining festival for Modesto residents, and

WHEREAS, the proposed date for the 2006 annual Xclamation Fest is Saturday, July 22, 2006, and

WHEREAS, the location for Xclamation Fest 2006 is proposed to be shifted one block from the previous Xclamation Fest downtown locations, as shown on Exhibit "A" attached hereto and incorporated herein by reference, and

WHEREAS, the Safety and Communities Committee met on December 5, 2005, and, on a 2 to 1 vote, supported staff's recommendation to approve Xclamation Fest 2006 for July 22, 2006, including a shift of the downtown location, and

WHEREAS, Mr. Ricci coordinates all Xclamation Fest events with the Modesto Police Department, the Downtown Improvement District, and the Modesto Centre Plaza staff in order to secure approvals and coordination for the event, and

WHEREAS, this event is of financial benefit to the City of Modesto and downtown merchants,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby accepts staff's report on Xclamation Fest 2005 held in Downtown Modesto on Saturday, July 23, 2005.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Council hereby approves Xclamation Fest 2006 to be held in Downtown Modesto on Saturday, July 22, 2006.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby approves a shift in the downtown location of the event, as shown on Exhibit "A" attached hereto and incorporated herein by reference.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 24<sup>th</sup> day of January 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-066**

**A RESOLUTION OF INTENTION TO ANNEX TERRITORY TO COMMUNITY FACILITIES DISTRICT NO. 2004-1 (VILLAGE ONE #2) AND TO AUTHORIZE THE LEVY OF SPECIAL TAXES THEREIN (ANNEXATION NO. 11)**

WHEREAS, pursuant to Chapter 3.5 Division 2 of Title 5 (commencing with Section 53311) of the California Government Code, commonly known as the “Mello-Roos Community Facilities Act of 1982” (the “Act”), proceedings for the annexation of territory to an existing community facilities district may, pursuant to Chapter 3.5 of the Act, be instituted by the adoption by the legislative body of a resolution of intention to annex such territory, and

WHEREAS, pursuant to the Act, this Council did, by its Resolution No. 2004-199, adopted on April 6, 2004 (the “Resolution of Formation”), establish the City’s Community Facilities District No. 2004-1 (Village One #2) (“the District”), and

WHEREAS, pursuant to the Act, this Council did, by its Resolution No. 2004-681, adopted on December 14, 2004, clarify the Rate and Method of Apportionment with respect to the Maximum Special Taxes to be generated by a parcel that has been rezoned, and

WHEREAS, pursuant to the Act, this Council did, by its Resolution No. 2004-683, adopted on December 14, 2004 (“Resolution of Creation of Tax Zone #2), create Tax Zone #2 within the District, and

WHEREAS, the One-Time Facilities Special Tax component of the special taxes is higher in Tax Zone #2 than in Tax Zone #1, and

WHEREAS, pursuant to the Act, this Council did, by its Resolution No. 2005-566, adopted on November 9, 2005, consolidate the map of the District and the map related to each annexation thereto, being Annexation Nos. 1 through 10, hereto recorded with the County Recorder, into a single map, and

WHEREAS, this Council hereby determines that the public convenience and necessity require the annexation of certain territory to the District, and

WHEREAS, the territory to be annexed is within the City limits, and

WHEREAS, it is intended that the territory be annexed to Tax Zone #2.

NOW, THEREFORE, BE IT RESOLVED, ORDERED AND FOUND by the City Council of the City of Modesto, California, that:

SECTION 1. The above recitals are true and correct.

SECTION 2. The boundaries of the District are shown on a map entitled "Consolidation of Boundary Maps of Community Facilities District No. 2004-1 (Village One #2)", on file with the County Recorder of the County of Stanislaus, Book 4 of Maps and Assessments and Community Facilities Districts, at Page 33.

SECTION 3. The territory proposed to be annexed to the District (the "Territory") is described in Exhibit A.

SECTION 4. The boundaries of the Territory are also shown on the map thereof, entitled "Annexation Map No. 11 of Community Facilities District No. 2004-1 (Village One #2), City of Modesto, County of Stanislaus, State of California," on file in the office of the City Clerk, which map is hereby approved and adopted. Pursuant to Sections 3110.5 and 3113 of the California Streets and Highways Code, the City Clerk

shall endorse her certificate on the original and one copy of the map evidencing the date and adoption of this Resolution, file the original in her office and, not later than ten days after the adoption of this Resolution, file a copy of the map with the County Recorder of the County of Stanislaus. The map shall contain the legends provided in Sections 3110, 3110.5, and 3313 of the California Streets and Highways Code, including a reference to the title, book, page and recording date of the original boundary map of the District.

SECTION 5. The public facilities and services to be provided for the District are set forth in the Resolution of Formation. It is intended that these same facilities and services be provided to the Territory.

SECTION 6. The special taxes to be levied in the District are set forth in the Resolution of Formation. It is intended that the same special taxes be levied in the Territory, except that the increase of the One-Time Facilities Special Tax component of the special taxes, as authorized by the Resolution of Creation of Tax Zone #2, shall be levied in the Territory.

SECTION 7. A public hearing on this Resolution will be held at 5:30 p.m., or as soon thereafter as practicable, on Tuesday, March 14, 2006, at the regular meeting place of the City Council, City Council Chambers, Basement Level, 1010 Tenth Street, Modesto, California 95353, such time being not less than 30 or more than 60 days following the adoption hereof.

SECTION 8. At the hearing, any interested persons for or against the annexation of the Territory to the District, and the levy of the special taxes therein, may appear and will be heard and considered. Any protest may be made orally or in writing. However, any protests pertaining to the regularity or sufficiency of the proceedings shall be in

writing and clearly set forth the irregularities and defects to which the objection is made. All written protests shall be filed with the City Clerk on or before the time fixed for the public hearing. Written protests may be withdrawn in writing at any time before the conclusion of the hearing.

SECTION 9. The City Clerk is directed to publish, not later than seven days prior thereto, a notice of the hearing, in the form required by the Act, in a newspaper of general circulation published in the area of the District, being *The Modesto Bee*, and otherwise in accordance with Section 6061 of the California Government Code, stating (a) the text or a summary of this Resolution, (b) the time and place of the hearing, and (c) that all interested persons for or against the annexation of the Territory to the District or the levying of the special taxes in the Territory will be heard.

SECTION 10. (a) If a majority (but at least six) of the registered voters residing within the District or a majority (but at least six) of the registered voters residing within the Territory, or the owners of one-half or more of the area of the land in the District and not exempt from the special tax, or the owners of one-half or more of the Territory, file written protests against the proposed annexation, and the protests are not withdrawn so as to reduce the value of the protests to less than a majority, no further proceedings to annex the Territory to the District, or to levy in the Territory the special taxes to be levied in the District, shall be taken for a period of one year from the date of the decision of the Council on the issues discussed at the hearing.

SECTION 11. At the conclusion of the hearing, if the Council determines to annex the Territory to the District, it will submit the levy of the special taxes to the qualified electors of the Territory in a special election.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7th day of February 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, O'Bryant, Olsen,  
Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-067**

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MODESTO  
DECLARING ITS INTENTION TO REIMBURSE ITSELF FROM THE  
PROCEEDS OF ONE OR MORE TAX-EXEMPT FINANCINGS FOR CERTAIN  
EXPENDITURES MADE AND/OR TO BE MADE IN CONNECTION WITH THE  
ACQUISITION, CONSTRUCTION AND EQUIPPING OF CERTAIN CAPITAL  
IMPROVEMENTS**

WHEREAS, the City of Modesto (the "City") is a political subdivision organized and existing under the laws of the State of California; and

WHEREAS, the City has paid, beginning no earlier than December 9, 2005 and will pay, on and after the date hereof, certain expenditures (the "Expenditures") in connection with the acquisition, construction and/or equipping of City's Tier 1 and Tier 2 water system improvements along with other capital expenditures and evaluations for City's water system (the "Project"), as more fully described in Exhibit A attached hereto; and

WHEREAS, the City Council of the City (the "City Council") has determined that those moneys previously advanced no more than 60 days prior to the date hereof and to be advanced on and after the date hereof to pay the Expenditures are available only for a temporary period and it is necessary to reimburse the City for the Expenditures from the proceeds of one or more issues of tax-exempt bonds (the "Bonds");

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL AS FOLLOWS:

Section 1. The City Council hereby declares the City's intent to reimburse the City with the proceeds of the Bonds for the Expenditures with respect to the Project made on and after December 9, 2005, which date is no more than 60 days prior to the date hereof. The City reasonably expects on the date hereof that it will reimburse the Expenditures with the proceeds of the Bonds.

Section 2. Each Expenditure was and will be either (a) of a type properly chargeable to a capital account under general federal income tax principles (determined in each case as of the date of the Expenditure), (b) a cost of issuance with respect to the Bonds, (c) a nonrecurring item that is not customarily payable from current revenues, or (d) a grant to a party that is not related to or an agent of the City so long as such grant does not impose any obligation or condition (directly or indirectly) to repay any amount to or for the benefit of the City.

Section 3. The maximum principal amount of the Bonds expected to be issued for the Project is \$75,000,000.00.

Section 4. The City will make a reimbursement allocation, which is a written allocation by the City that evidences the City's use of proceeds of the Bonds to reimburse an Expenditure, no later than 18 months after the later of the date on which the Expenditure is paid or the Project is placed in service or abandoned, but in no event more than three years after the date on which the Expenditure is paid. The City recognizes that exceptions are available for certain "preliminary expenditures," costs of issuance, certain *de minimis* amounts, expenditures by "small issuers" (based on the year of issuance and not the year of expenditure) and expenditures for construction projects of at least 5 years.

Section 5. This resolution shall take effect immediately upon its passage.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7<sup>th</sup> day of February 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

\$530,471

**COMMENTS/JUSTIFICATION**

This budget adjustment will set up the revenue and expense budget for making debt service payments on the Fairview Village bond issue. There will be an interest only payment due on March 1, 2006 in the amount of \$125,059. This budget will also recognize the interest payment paid on September 1, 2005 in the amount of \$32,655. This interest payment paid on September 1, 2005 is commonly referred to as capitalized interest and was deducted before the City received the net bond proceeds from the sale of the bonds. This budget adjustment also sets up the administrative budget for this bond issue to pay trustee fees, record the expenses for the Original Issue and Underwriter's Discounts and budget the FY 05-06 Special Tax revenue. There is no General Fund impact from these budget adjustments.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-069**

**A RESOLUTION AUTHORIZING THE PURCHASING SUPERVISOR TO  
FORMALLY SOLICIT REQUEST FOR BIDS FOR THE PURCHASE OF  
VARIABLE FREQUENCY DRIVE (VFD) UNITS FOR THE PUBLIC WORKS  
DEPARTMENT, WATER DIVISION FOR A TWO (2) YEAR AGREEMENT  
WITH THREE (3) ONE-YEAR EXTENSION OPTIONS, AT AN ESTIMATED  
ANNUAL COST OF \$90,000**

WHEREAS, the Public Works Department, Water Division has approximately seventy-five (75) VFD units in use throughout the City, and

WHEREAS, VFD's are used to stabilize water pressure in the City's water system, and

WHEREAS, a VFD controls the motor speed of the well pump, which allows a variance in water flow from the controlled station, and

WHEREAS, this controlled water flow allows the system to maintain a more level water pressure without large fluctuations, and

WHEREAS, VFD's also start the pump at a softer rotation (ramp speed), which helps prevent water hammer surging, thus reducing electrical costs, and

WHEREAS, historically, approximately twenty percent (20%) of the VFD's in use need to be replaced on an annual basis, due to wear, and

WHEREAS, a VFD ranges in size from 10-HP to 200-HP, depending on the size of the water pump motor, and has a unit cost of \$2,180 to \$10,500, and

WHEREAS, on October 1, 2002, Council approved Resolution No. 2002-481 authorizing the award of bid and contract for the purchase of variable frequency drive units to Wesco Distribution, Concord, CA, for a three (3) year agreement, and

WHEREAS, the current contract is due to expire on March 16, 2006, and

WHEREAS, in order to ensure continued water pressure to the City's water system, City staff is requesting authorization to re-bid VFD units for a two (2) year agreement with three (3) one year extension options, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000.00 for material, equipment or contractual services to be formally bid, and

WHEREAS, the issuance of a formal Request for Bid for the purchase of variable frequency drive units will conform to Modesto Municipal Code Section 8-3.203,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. The City Clerk is hereby authorized to call for public competitive sealed bids for the purchase of variable frequency drive units to be opened in the office of the City Clerk, 1010 Tenth Street, in the City of Modesto. The City Clerk shall be directed to give notice inviting such sealed bids in the time, form, and manner provided by law.

SECTION 2. After the sealed bids are opened they shall be tabulated and analyzed by the Purchasing Division and a report submitted to Council.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7<sup>th</sup> day of February 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmemeber Marsh, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-070**

**A RESOLUTION AUTHORIZING THE AWARD OF PROPOSAL AND  
CONTRACT FOR THE FURNISHING OF FORMS PRINTING AND MAILING  
SERVICES FOR THE FINANCE DEPARTMENT, CUSTOMER SERVICES  
DIVISION TO ABS PRESORT, INC., MODESTO, CA, FOR A TWO (2) YEAR  
AGREEMENT WITH THREE (3) ONE-YEAR EXTENSION OPTIONS, FOR AN  
ESTIMATED ANNUAL COST OF \$144,083**

WHEREAS, the Finance Department, Customer Services Division and Information and Technology (IT) Department manage and facilitate the printing and mailing distribution of the City's billing forms, and

WHEREAS, these forms are printed and mailed to both residential and commercial customers, and include, but are not limited to, business licenses, declarations, notices and utility bills, and

WHEREAS, currently, these forms are printed on a Xerox Docuprint 92C printer, which is housed in the IT Department computer room, and

WHEREAS, the City's current lease on this printer expired in December 2005, and the printer is currently rented on a month-to-month basis, and

WHEREAS, outsourcing the printing and designing of these forms would provide several benefits to the City, including

- enhanced customer services and technology;
- improve flexibility in areas such as design overlay;
- ability to change forms;
- report options;
- tracking history
- producing duplicate bills

- backup contingency plan for printing
- printing of multiple page bills via the Internet
- reproduce an original bill
- multiple ink color capability, and

WHEREAS, the current utility bill print program is custom designed by a retired individual who no longer lives in the area. Any upgrades or changes to the print program are dependent upon his availability, and

WHEREAS, this leaves the City vulnerable and enhances the desire to seek a more flexible, updated, electronic solution, and

WHEREAS, the IT Department has limited space in its computer room and the current printer occupies a large portion of the space, and

WHEREAS, by outsourcing the forms printing the City could recognize savings by eliminating the monthly rental payment on the printer and staff time to manage the printing process, and

WHEREAS, on March 22, 2005, by Resolution No. 2005-141 Council approved authorizing the Purchasing Supervisor to formally solicit Request for Proposals (RFP) for the furnishing of forms printing and mailing services, for a two (2) year agreement with three (3) one-year extension options for the Finance Department, Customer Services Division, and

WHEREAS, the Purchasing Division solicited RFP No. 0405-05 for the furnishing of forms printing and mailing services to thirty-five (35) companies, twenty-four (24) of which reside in Modesto, posted the proposal on the City's web site, and formally advertised as required by law, and

WHEREAS, of the thirty-five (35) companies solicited, six (6) companies chose to respond, and

WHEREAS, a committee comprised of City staff personnel evaluated the proposals, and

WHEREAS, the Purchasing Division facilitated the evaluation process and took no active role in evaluating the proposals, and

WHEREAS, RFP specification language allowed the City, should the City elect, to send representatives to visit a proposer's production facility to ensure that their company can provide the proper quality and level of services outlined in the RFP. On September 30, 2005, the evaluation committee toured the facilities of ABS Presort, Inc. and the Pre-Sort Center of Stockton. The tours consisted of the following:

- a walk through and demonstration of the company's order entry department;
- in-house contingency backup and disaster recovery programs, including machinery redundancy and backup power supply;
- quality assurance program;
- security of buildings and grounds;
- five-year equipment plan, and

WHEREAS, during the proposal evaluation process committee members found that two (2) proposers did not include a copy of their company's most recent Annual Report or Financial Statement or Dunn & Bradstreet Rating Report with their proposal, which is a mandatory requirement outlined in the RFP, and

WHEREAS, the failure to provide one (1) of these three (3) documents would deem the proposal incomplete, result in a fail rating in the evaluation criteria, and cause said proposal to receive no further consideration, and

WHEREAS, based on being the most responsive and responsible proposer, City staff recommends the award of RFP No. 0405-05 and contract for the furnishing of forms printing and mailing services for the Finance Department, Customer Services Division to ABS Presort Inc., Modesto, CA, for a two (2) year agreement with three (3) one-year extension options, for an estimated annual cost of \$144,083,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby awards RFP No. 0405-05 and contract for the furnishing of forms printing and mailing services for the Finance Department, Customer Services Division to ABS Presort Inc., Modesto, CA, for a two (2) year agreement with three (3) one-year extension options, for an estimated annual cost of \$144,083.

BE IT FURTHER RESOLVED that the Purchasing Supervisor is hereby authorized to issue a purchase agreement for the furnishing of forms printing and mailing services for the Finance Department, Customer Services Division to ABS Presort Inc., Modesto, CA, for a two (2) year agreement with three (3) one-year extension options, for an estimated annual cost of \$144,083.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7<sup>th</sup> day of February 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-071**

**A RESOLUTION AUTHORIZING THE AWARD OF PROPOSAL AND  
CONTRACT FOR THE ACQUISITION OF ORTHO-RECTIFIED AERIAL  
PHOTOGRAPHY SERVICES FOR THE INFORMATION TECHNOLOGY  
DEPARTMENT TO VARGIS, LLC, STERLING, VA, FOR A TOTAL  
ESTIMATED PRICE OF \$96,441**

WHEREAS, the City of Modesto last obtained high resolution, ortho-rectified aerial photography in March 2001, and

WHEREAS, as we progress further away from the March 2001 flight date, the benefits of using the City's current aerial photography are diminishing, and

WHEREAS, this is due to the growth and change of the City landscape, which is not reflected in that one-time snapshot taken in March 2001, and

WHEREAS, because the City continues to grow and change on a daily basis it is important that we obtain periodic aerial photography updates, and

WHEREAS, City staff obtained a rough cost estimate of \$100,000 to obtain Citywide aerials equivalent to the aerials taken in March 2001, and

WHEREAS, the aerial photography will directly overlay the newly completed City parcel map without visible discrepancies between the map and image, and

WHEREAS, aerial photography is utilized by nearly all of the City's departments including Public Works, Community and Economic Development, Recreation and Neighborhoods, Finance, City Manager's Office, Police and Fire, and

WHEREAS, all of these stakeholders use the aerials in a variety of ways, ultimately for one primary purpose, which is to provide a visual reference to what is on the ground at a given location, and

WHEREAS, displaying information (crimes, blight, emergency incidents, neighborhood boundaries, infrastructure) on top of an aerial picture that the public can relate to, can greatly enhance the legibility of a map and help solidify the point being made or the analysis being represented, and

WHEREAS, in addition to City staff's use of aerials, the general public and development community would also have access to the imagery via our public GIS enabled web site (<http://www.modestogov.com/gis>), and

WHEREAS, the adage that "a picture is worth a thousand words" is very much true when dealing with aerial photography, and

WHEREAS, the aerial acquisition date should occur during the annual leaf-off (fewest leaves on trees) period, which is typically in late January through February, and

WHEREAS, this time frame provides the City with the clearest view of what is on the ground as tree foliage blocks the view of the ground during other months, and

WHEREAS, as with the 2001 aerial acquisition, City crews will once again provide ground coordinates and will paint flight crosses for this project, and

WHEREAS, the imagery will be delivered in digital form, including both Geo-TIFF format and the "ECW" compressed imagery format, and

WHEREAS, updating the inventory of current aerial photography will provide staff with a current view of land use patterns and the overall growth of the City, and

WHEREAS, current imagery is necessary to accurately depict, locate, assess, inventory, or analyze land use/land use patterns, vacant lands, built vs. natural environments, transportation and utilities infrastructure, buildings inventory throughout the City, and

WHEREAS, many others will simply use the photography to provide a visual reference or backdrop that will help solidify the point being made or the analysis being represented, and

WHEREAS, on October 25, 2005, by Resolution No. 2005-526 Council approved authorizing the Purchasing Supervisor to formally solicit proposals for the acquisition of ortho-rectified aerial photography services for the Information Technology Department, and

WHEREAS, the Purchasing Division solicited Request for Proposal (RFP) No. 0506-13 for the acquisition of ortho-rectified aerial photography services to twenty-eight (28) companies, four of which reside in Modesto, posted the proposal on the City's web site, and formally advertised as required by law, and

WHEREAS, of the twenty-eight companies solicited, six (6) companies chose to respond, and

WHEREAS, a committee comprised of City staff personnel evaluated the proposals, and

WHEREAS, the Purchasing Division facilitated the evaluation process and took no active role in evaluating the proposals, and

WHEREAS, during the evaluation process committee members found that one (1) proposer could not meet the requirements specified in the RFP, specifically, the proposer could provide oblique imagery and as a side product ortho-rectified photography, but not to the specifications set forth in the RFP, and

WHEREAS, the RFP specifications required ortho-rectified photography that had a ground resolution of 3 inches; the proposer could only provide 6 inch ground resolution, and

WHEREAS, in addition, the proposer was unable to offer ortho-rectified photography exhibiting tonal balancing and a single “seamless” mosaic, which were specified in the RFP, and

WHEREAS, the evaluation committee failed the proposal and the proposal received no further consideration,

WHEREAS, based on being the most responsive and responsible proposer, City staff recommends the award of RFP No. 0506-13 and contract for the acquisition of ortho-rectified aerial photography services for the Information Technology Department to VARGIS, LLC, Sterling, VA, for a total estimated price of \$96,441,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby awards RFP No. 0506-13 and contract for the acquisition of ortho-rectified aerial photography services for the Information Technology Department to VARGIS, LLC, for a total estimated price of \$96,441.

BE IT FURTHER RESOLVED that the Purchasing Supervisor is hereby authorized to issue a purchase order for the acquisition of ortho-rectified aerial photography services for the Information Technology Department to VARGIS, LLC, Sterling, VA, for a total estimated price of \$96,441.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7<sup>th</sup> day of February 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-072**

**A RESOLUTION APPROVING A GRANT APPLICATION FOR \$50,000 FROM  
THE STEWARDSHIP COUNCIL YOUTH INVESTMENT PROGRAM 2005-06  
TO FUND A PART-TIME NURSERY WORKER AND TO IMPROVE THE  
FACILITIES AT THE CITY'S NURSERY TO SERVE THE TUOLUMNE RIVER  
REGIONAL PARK PROJECT AND AUTHORIZING THE CITY MANAGER TO  
EXECUTE THE GRANT APPLICATION**

WHEREAS, the Stewardship Council has made funding available through its Youth Investment Program 2005-06, and

WHEREAS, city desires to fund a part-time nursery worker and to improve the facilities at the City nursery to serve the Tuolumne River Regional Park Project, and

WHEREAS, the continuation and development of the Tuolumne River Regional Park and the City's interest and work with youth programs is consistent with the Stewardship Council's Youth Investment Program, and

WHEREAS, said procedures established by the Stewardship Council require the applicant's governing body to certify by resolution the approval of the application before submission of said application to the Stewardship Council, and

WHEREAS, the applicant will enter into a contract with the Stewardship Council for the Project, and

WHEREAS, staff will return to Council for acceptance of grant funding,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby:

1. Approves the filing of an application for \$50,000 in local assistance funds from the Stewardship Council's Youth Investment Program 2005-06; and
2. Certifies that the applicant has or will have sufficient funds to operate and maintain the Project; and

3. Certifies that the City of Modesto staff has reviewed, understands, and agrees to the General Provisions contained in the contract shown in the Procedural Guide; and
4. Authorizes the City Manager, or his designee, as agent to conduct all negotiations, execute and submit all documents including, but not limited to, applications, agreements, payment requests and so on, which may be necessary for the completion of the Project.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7<sup>th</sup> day of February 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-073**

**A RESOLUTION APPROVING AN EMERGENCY HOME REPAIR PROGRAM  
(EHRP) LOAN FOR WILMA FAE BAILEY, SECURED BY HER HOME AT 1525  
TERESA STREET, MODESTO, IN THE AMOUNT OF \$98,272, AND  
AUTHORIZING THE CITY MANAGER TO EXECUTE ALL RELATED  
DOCUMENTS**

WHEREAS, this home, located near Orangeburg Avenue and Kearney Avenue, is a 2 bedroom, 1 bath, 790 square foot home, and

WHEREAS, the home was built in 1946 and has been in the family for over 50 years and

WHEREAS, during this time, very little maintenance has been done and the home is reaching the end of its useful life, and

WHEREAS, significant replacement is needed in many areas to maintain this home in a livable condition, and

WHEREAS, the work to be done includes extensive termite work, foundation work, roof, windows, HVAC, bathroom and kitchen remodel, electrical, and plumbing work, and

WHEREAS, there is lead based paint on the exterior of the home which will be stabilized and the home will be repainted, but there is no lead based paint in the home's interior, and

WHEREAS, the loan amount exceeds the program guidelines of \$25,000, which are \$20,000 for EHRP and \$5,000 for environmental hazards, and

WHEREAS staff is recommending an exception to the maximum loan amount due to the circumstances, and

WHEREAS, Ms. Bailey, a senior, lives alone in the home and her income is less than 50% of the Area Median Income, and therefore, she is eligible for a deferred payment loan, and

WHEREAS, there is a first mortgage on the property that is relatively small, so that the loan to value ratio, including the City's loan, is estimated to be 42%, based on seven comparable sales during the last five months, and

WHEREAS, Ms. Bailey is eligible for a 3%, 20-year deferred payment loan and owner occupancy will be a requirement for her, and

WHEREAS, the City Council must approve all EHRP requests to be submitted to the City Manager's Office for signature and all loans over \$60,000 must go to the City Council to be approved, and

WHEREAS, the Citizens Housing and Community Development Committee met on January 19, 2006, and supported the recommendation to approve an Emergency Home Repair Program (EHRP) loan for Wilma Fae Bailey, secured by her home at 1525 Teresa Street, Modesto, in the amount of \$98,272,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves an Emergency Home Repair Program (EHRP) loan for Wilma Fae Bailey, secured by her home at 1525 Teresa Street, Modesto, in the amount of \$98,272.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute all related documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7<sup>th</sup> day of February 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION AWARDED THE CONTRACT TO MILLER-PEZZONI &  
ASSOCIATES, INC. (MILLER-PEZZONI) FOR ON-CALL ELECTRICAL  
ENGINEERING SERVICES FOR THE PUBLIC WORKS DEPARTMENT –  
CAPITAL IMPROVEMENT SERVICES DIVISION FOR A ONE-YEAR  
AGREEMENT WITH THREE (3) ONE (1) YEAR EXTENSION OPTIONS IN AN  
AMOUNT NOT-TO-EXCEED \$45,000 ANNUALLY AND AUTHORIZING THE  
CITY MANAGER, OR DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, the Public Works Department – Capital Improvement Services Division performs a number of tasks requiring electrical engineering services that, because of workload levels or staff experience, are beyond the ability of City's engineering staff to accomplish in a timely manner, and

WHEREAS, the Public Works Department – Capital Improvement Services Division has utilized the services of outside consultant engineers to perform targeted electrical engineering services in the past, and

WHEREAS, retaining on-call engineering services allows the Capital Improvement Services Division to have quick access to electrical engineering design when needed, using experienced staff and with a quick turnaround, thereby improving system efficiencies and minimizing down time, and

WHEREAS, staff solicited and formally advertised a Request for Qualifications (RFQ) for On-call Electrical Engineering Services to local consultants (consultants having offices within the Modesto urbanized area), and

WHEREAS, two (2) Statements of Qualifications were received and the firm of Miller-Pezzoni & Associates, Inc. was deemed the most qualified to provide the requested on-call electrical engineering services, and

WHEREAS, based on the City's previous experience, Miller-Pezzoni & Associates, Inc. has rendered satisfactory services to the City in past projects, and

WHEREAS, the consultant is paid on an hourly basis for actual hours required to perform individual projects at a set rate,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes awarding a contract to Miller-Pezzoni for On-call Electrical Engineering Services for the Public Works Department – Capital Improvement Services Division for a one -year agreement, with three (3) one (1) year extension options, in an amount not-to-exceed \$45,000 per year.

BE IT FURTHER RESOLVED that the Council hereby authorizes the City Manager, or his designee, to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7th day of February 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-076**

**A RESOLUTION AWARDDING THE CONTRACT TO COMPLERE  
ENGINEERING GROUP, INC. (COMPLERE) FOR ON-CALL STRUCTURAL  
ENGINEERING SERVICES FOR THE PUBLIC WORKS DEPARTMENT –  
CAPITAL IMPROVEMENT SERVICES DIVISION FOR A ONE-YEAR  
AGREEMENT WITH THREE (3) ONE (1) YEAR EXTENSION OPTIONS IN AN  
AMOUNT NOT-TO-EXCEED \$45,000 ANNUALLY AND AUTHORIZING THE  
CITY MANAGER, OR DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, the Public Works Department – Capital Improvement Services Division performs a number of tasks requiring structural engineering services that, because of workload levels or staff experience, are beyond the ability of City's engineering staff to accomplish in a timely manner, and

WHEREAS, the Public Works Department – Capital Improvement Services Division has utilized the services of outside consultant engineers to perform targeted structural engineering services in the past, and

WHEREAS, retaining on-call engineering services allows the Capital Improvement Services Division to have quick access to structural engineering design when needed, using experienced staff and with a quick turnaround, thereby improving system efficiencies and minimizing down time, and

WHEREAS, staff solicited and formally advertised a Request for Qualifications (RFQ) for On-call Structural Engineering Services to local consultants (consultants having offices within the Modesto urbanized area), and

WHEREAS, one (1) Statement of Qualifications was received and the firm of Complere Engineering Group, Inc. was deemed qualified to provide the requested on-call structural engineering services, and

WHEREAS, based on the City's previous experience, Complere Engineering Group, Inc. has rendered satisfactory services to the City in past projects, and

WHEREAS, the consultant is paid on an hourly basis for actual hours required to perform individual projects at a set rate,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes awarding a contract to Complere for On-call Structural Engineering Services for the Public Works Department – Capital Improvement Services Division for a one -year agreement, with three (3) one (1) year extension options, in an amount not-to-exceed \$45,000 per year.

RESOLUTION NO. 2006-077**

**A RESOLUTION APPROVING THE FINAL MAP OF VILLAGE RANCH UNIT  
NO. 2 SUBDIVISION IN THE VILLAGE ONE SPECIFIC PLAN AREA OF THE  
CITY OF MODESTO AND AUTHORIZING THE CITY MANAGER TO  
EXECUTE A SUBDIVISION AGREEMENT WITH CENTEX HOMES, A  
NEVADA GENERAL PARTNERSHIP**

WHEREAS, CENTEX HOMES, A NEVADA GENERAL PARTNERSHIP, is possessed of a tract of land situated in the City of Modesto, County of Stanislaus, consisting of 12.246 acres, known as VILLAGE RANCH UNIT NO. 2 (“SUBDIVISION”), in the Village One Specific Plan Area, and

WHEREAS, a tentative map of said tract was approved by the Planning Commission of the City of Modesto on the 25th day of August, 2003, and

WHEREAS, the Secretary of the Planning Commission of the City of Modesto and the City Engineer have certified that the final map of said tract substantially conforms to the approved tentative map, and

WHEREAS, the City Engineer of the City of Modesto has certified that the final map of said SUBDIVISION meets all of the provisions of the California Subdivision Map Act and the provisions of the Modesto Municipal Code relating to subdivisions, and that the map is technically correct,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that said final map be approved; that the dedications for public streets and easements as shown thereon within the boundaries of said tract be accepted on behalf of the public for public use; and that the City Clerk be authorized to certify the map of said tract on behalf of the City of Modesto after the fees and deposits required by the Modesto Municipal

Code in amounts determined by the City Engineer have been paid and after subdivider has furnished securities, as set forth in Section 4-4.605 of the Modesto Municipal Code, which shall secure the obligations set forth in Section 66499.3 of the Government Code of the State of California. Said securities shall be in forms acceptable to the City Attorney and in the amounts required by the City Engineer.

BE IT FURTHER RESOLVED that the City Manager and the City Clerk be authorized to execute and attest, respectively, an agreement with subdivider as required by Section 4-4.604(c) of the Modesto Municipal Code.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 7<sup>th</sup> day of February 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NUMBER 2006-079**

**A RESOLUTION ADOPTING POLICIES AND PROCEDURES FOR THE  
APPLICATION OF PUBLIC CONVENIENCE AND NECESSITY, AND  
RESCINDING RESOLUTION NUMBER 96-84**

WHEREAS, effective January 1, 1995, the Business and Professions Code regulations governing liquor license applications were revised allowing the State Department of Alcohol Beverage Control (ABC) to automatically deny an ABC license applicant, if records show an "undue concentration" of licenses in an affected geographical area, and

WHEREAS, on February 27, 1996, by Resolution No. 96-84, the City Council implemented a policy entitled, "Criteria for Variance to ABC Standards," and

WHEREAS, the City Council, as the local governing body, has been given the delegated authority to recommend approval of a liquor license if public convenience or necessity would best be served, and

WHEREAS, staff has developed a policy recommendation including a process and criteria for evaluating the applications, and

WHEREAS, at its meeting on January 4, 2006, the Safety and Communities Committee recommended approval of said policy, and

WHEREAS, said matter was set for a public hearing of the City Council to be held at 5:30 p.m. on February 7, 2006, in the Tenth Street Place Chambers, located at 1010 Tenth Street, Modesto, California, and

WHEREAS, a duly noticed public hearing was held at said time and place, at which time evidence, both oral and documentary, was received and considered,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby adopts the policy entitled "Policies and Procedures for the Application of Public Convenience and Necessity," marked Exhibit "A", attached hereto and incorporated herein by reference.

BE IT FURTHER RESOLVED that Resolution No. 96-84 is hereby rescinded upon the effective date of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7<sup>th</sup> day of February 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

Attachment A  
Proposed Policies and Procedures for the Application of  
Public Convenience and Necessity

**MODESTO POLICE DEPARTMENT  
GENERAL ORDER**

Number        ???

Date            July 5, 2005

**I.        SUBJECT:    **POLICIES & PROCEDURES FOR THE APPLICATION OF  
PUBLIC CONVENIENCE AND NECESSITY****

**II.        PURPOSE:**

To establish the policies and procedures for processing an Application of Public Convenience and Necessity and/or an application for Variance to ABC (Alcoholic Beverage Control) Standards due to "Undue Concentration" which were established pursuant to the Business & Professions Code effective January 1, 1995. These general orders describe the application, research, hearing and appeal process, and the billing process used to pay for administrative costs associated with the processing of these applications.

**III.        DEFINITIONS:**

a. *Un-due*

*Concentration -*

Means the case which the applicant premises for an original or premises-to-premises transfer of any retail license are located in an area where any of the following conditions exist:

(1) The applicant premises are located in a crime reporting district that has a twenty percent greater number of reported crimes than the average number of reported crimes as determined from all crime reporting districts within the jurisdiction of the Modesto Police Department.

(2) As to on-sale retail license applications, the ratio of on-sale retail licenses to population in the census tract or census division in which the application premises are located

exceeds the ratio of on-sale retail licenses to population in the county in which the application premises are located.

(3) As to off-sale retail licenses applications, the ratio of off-sale retail licenses to population in the census tract or census division in which the applicant premises are located exceeds the ratio of off-sale retail licenses to population in the county in which the applicant premises are located.

Sections 23958 and 23958.4 of the Business and Professions Code. Existing law provides that the Department of Alcoholic Beverage Control shall deny an application for a license if the issuance would, among other things, result in, or add to, an undue concentration of licenses. This current legislation relates to applications for on-sale and off-sale retail licenses where certain conditions exist under Section 23958.4 B&P.

The Department of Alcoholic Beverage Control shall further deny an application for a license if issuance of that license would tend to create a law enforcement problem, except as provided in Section 23958.5 B&P.

b. *Crime Reporting Districts:*

Means geographical areas within the City of Modesto that are identified by the local law enforcement agency in the compilation and maintenance of statistical information on reported crimes and arrests.

c. *PC&N:* Public Convenience and Necessity.

d. *Applicant:* Developer or property/business owner.

e. *City:* The City of Modesto

f. *Application Fee:* Required fee, as set forth by the City Council - \$1,000

g. *Hearing Officer(s):* Designee(s) authorized to review recommendation reports, conduct hearings, and render a decision pursuant to these policies and procedures. The Hearing Officer(s) will be a three-member panel selected by the City Manager.

h. *Transfers:* Pursuant to Business & Professions Code section 24070, a location "transfer" has occurred when the: 1) proposed site has had an active license within the preceding

twelve (12) months; or 2) proposed site has had an active license for at least thirty-six (36) of the last sixty months (60).

#### **IV. APPLICATION PROCESS**

When ABC denies a request for a liquor license due to “Undue Concentration” (B&P Section 23958), or if an application falls under the current moratorium for on-sale retail licenses applications and off-sale license(s) (B&P Section 23817.5, 23817.7 and 23817.8) the applicant may appeal the decision to the “local governing body” for a determination that “public convenience or necessity would be served by issuance of an ABC license (B&P Section 23958.4(b)(2)).

- a. The MPD Alcoholic Beverage Control (ABC) Investigator will be responsible for meeting with the applicant prior to or concurrent with the initiation of the application process. The MPD/ABC Investigator will provide the applicant with the current census track information, which includes current license information.
- b. An application for a transfer or location change will be handled in the same manner as an application for variance to ABC standards or an application of public convenience and necessity to pursuant to these general orders.
  - (1) *Application.* The applicant shall submit the application packet to the Modesto Police Department, Special Investigation Detail Sergeant, together with the application fee. The fee is to pay for the costs associated with the application process.
  - (2) *Application Packet.* The application packet shall include the following documents:
    - \$1,000 Application Fee
    - Completed application for variance to ABC standards or application of public convenience and necessity.
    - Stamped ABC application.
    - ABC application work sheet
    - Site plan and area location map depicting the layout, precise location and identification of surrounding land within 300 feet of site.
  - (3) *Project review.* Applicant and the MPD/ABC investigator may discuss the application including but not limited to further information that might be required and other issues as necessary. If necessary, the applicant may be required to submit a revised application or additional information.
  - (4) *Project Initiation.* The application is submitted to the Special

Investigations Detail Sergeant (SID). The SID Sergeant will review the application for completeness. Following this review the application packet will be sent to the MPD/ABC investigator. The MPD/ABC investigator will assign a case number and initiate an investigation of the application. The MPD/ABC investigator shall complete a summary report within forty-five (45) calendar days of receipt.

## V. INVESTIGATIVE PROCESS

The MPD/ABC investigator will be responsible for creating a summary report with recommendations to approve, approve with conditions, or deny the application. Once the summary report has been completed the MPD/ABC investigator will meet with the applicant and review the recommendation to approve, approve with conditions, or deny the license.

The summary report will include, but is not limited to, the following:

- Reporting district is determined
- Census tract information is determined
- Review of ABC information to determine accuracy
- Complete (RMS) search of location and adjacent reporting districts
- Determine total number of arrests for a one-year time period twelve (12) months prior to the date of the application

## VI. TRANSFERS

- a. *Transfer of a license from or to an existing location.* Any change to the license type shall be deemed the same as applying for a new license.
- b. *Criteria for transfer of license.* Transfers can be approved where they do not result in an over-concentration exceeding 150% of ABC standards. No variance shall be granted for transfer of any license that: 1) is regulated under the current beer and wine moratorium, as per Section 23817.5 of the ABC Control Act; and/or 2) is within 300 feet of any city neighborhood or community park or any school with an enrollment of at least 100 students.

*23817.5. (a) (1) The number of premises for which an off-sale beer and wine license is issued shall be limited to one for each 2,500, or fraction thereof, inhabitants of the city or county in which the premises are situated. No additional off-sale beer and wine license, other than a renewal or transfer or as permitted by Section 23821, shall be issued in any city or county where the number of premises for which all off-sale beer and wine licenses are issued is more than one for each 2,500, or fraction thereof, inhabitants of the city or county.*

*(2) The number of premises for which an off-sale beer and wine license is issued in a city and county, in combination with the number of premises for which an off-sale general license is issued in a city and county, shall be limited to one for each 1,250, or fraction thereof, inhabitants of the city and county in which the premises are situated. No additional off-sale beer and wine license, other than a renewal or transfer or as permitted by Section 23821, shall be issued in any city and county where the number of premises for which all off-sale beer and wine licenses in combination with off-sale general licenses are issued is more than one for each 1,250, or fraction thereof, inhabitants of the city and county.*

## **VII. CONDITIONS:**

Variations to ABC regulations will typically be conditional, Conditions shall remain attached to the license in the event of any type of transfer. Examples of possible conditions include, but is not limited to:

- Site lighting
- Security guards
- Beer or wine only
- No single containers
- Signage
- No loitering
- Business hours
- Removal of graffiti within 24 hours
- Age of patrons allowed on premise
- Restrictions on license privileges
- Noise restrictions
- What items may be sold
- No glass containers
- No consumption on premises
- Number of arcade games
- Where items may be sold

## **VIII. ADMINISTRATIVE HEARINGS**

An applicant has the right to contest the decision of the MPD/ABC investigator. If a hearing is desired the applicant must submit the required appeal form to the city clerk within (15) days of the date of mailing of the MPD/ABC investigators summary report.

Whenever a notice of appeal is filed with the City Clerk in proper form and with any fee that may be required, the City Clerk shall set said matter for hearing

before the hearing officers within thirty (30) days after the date of the filing of said notice of appeal with the City Clerk. The City Clerk shall give written notice of the time and place of said hearing to the applicant/appellant and any other persons requesting notice not less than ten (10) days prior to such hearing.

At such hearing the applicant/appellant shall show cause on the ground specified in the notice of appeal why the action accepted to should not be sustained. The applicant/appellant and all other interest parties may present oral or documentary evidence at the hearing. The hearing will be informal and technical rules of evidence will not apply. The hearing officers may continue the hearing from time to time. The hearing officers shall render its decision not more than ten (10) days after the close of the hearing.

a. *Approval.* A determination by the hearing officers that the applicant/appellant has established “public convenience or necessity” and the license should be granted. The applicant/appellant and the Alcoholic Beverage Control District Office will be notified in writing of the approval.

b. *Conditional Approval.* Approval as defined in subsection a, with conditions to protect public health, safety and welfare.

c. *Denial.* A decision by the hearing officers that the applicant/appellant has not established public convenience and necessity. The hearing officers determination is mailed to the applicant and the ABC District Office after the applicant/appellant has exhausted his/her appeal rights or the time to appeal has lapsed. The determination of the Hearing Officer(s) is final unless the applicant/appellant appeals the Hearing Officer(s) determination within the specified time period.

If the applicant/appellant wishes to appeal the decision of the hearing officers decision, he/she shall follow the appeal process set forth at Modesto Municipal Code section 1-4.01

## **IX. RE-APPLICATION PROCESS**

The Application of Public Convenience or Necessity and/or application for Variance to ABC (Alcoholic Beverage Control) Standards due to “Undue Concentration” application is directed at the “location” rather than the “applicant.” As such, an applicant who had his/her application denied, and/or loses his/her appeal to the Hearing Officer or to the City Council, must wait a period of one year from the denial decision date to re-applying for a permit for the same location.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-080**

**A RESOLUTION IMPLEMENTING A FEE SCHEDULE ASSOCIATED WITH  
THE PERMIT APPLICATION AND APPEALS PROCESS IN RELATION TO  
ABC LIQUOR LICENSES, AND RENAMING FEE SCHEDULE AND POLICY  
TO APPLICATION OF PUBLIC CONVENIENCE AND NECESSITY, AND  
RESCINDING RESOLUTION NO. 96-101**

WHEREAS, effective January 1, 1995, the Business and Professions Code regulations governing liquor license applications were revised allowing the State Department of Alcohol Beverage Control (ABC) to automatically deny an ABC license applicant, if records show an “undue concentration” of licenses in an affected geographical area, and

WHEREAS, certain types of applications which have not been approved by the Alcohol Beverage Control (ABC) board are now delegated to the City Council, as the local governing body, to consider recommending approval of ABC licenses, “if public convenience or necessity would best be served”, and

WHEREAS, City staff has developed policies and procedures for the Application of Public Convenience and Necessity, and

WHEREAS, at its meeting on January 4, 2006, the Safety and Communities Committee recommended approval of said policy, entitled “Policies and Procedures for the Application of Public Convenience and Necessity,” and said policy was approved by Council Resolution No. 2006-079 on February 7, 2006, and

WHEREAS, said policy includes conditions and criteria for evaluation of the permit applications and the appeal process, including proposed fees to cover staff costs associated with such reviews, and

WHEREAS, said matter was set for a public hearing of the City Council to be held at 5:30 p.m. on February 7, 2006, in the Tenth Street Place Chambers, located at 1010 Tenth Street, Modesto, California, and

WHEREAS, a duly noticed public hearing was held at said time and place, at which time evidence, both oral and documentary, was received and considered,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto, that the following fees associated with the permit application and appeals process in relation to ABC liquor licenses are hereby approved:

- |    |                            |            |
|----|----------------------------|------------|
| 1) | New Site application fee   | \$1,000.00 |
| 2) | City Council appellate fee | \$ 100.00  |

BE IT FURTHER RESOLVED that Resolution No. 96-101 is hereby rescinded upon the effective date of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7<sup>th</sup> day of February 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-081**

**A RESOLUTION ESTABLISHING ANGLE PARKING IN THE CITY OF  
MODESTO AND RESCINDING RESOLUTION NO. 2006-562**

WHEREAS, Article 10 of Chapter 2 of Title 3 of the Modesto Municipal Code authorizes the City Council, by resolution, to establish angle parking in the City of Modesto, and

WHEREAS, City staff received a request from New Bethany Missionary Baptist Church to install angle parking on Sierra Drive between 6th Street and the alley at the west property edge of the New Bethany Missionary Baptist Church to create additional on-street parking, and

WHEREAS, staff evaluated the traffic volumes and the speeds for this section of roadway and concluded that angle parking can be accommodated on Sierra Drive between 6th Street and the alley at the west property edge of the Bethany Missionary Baptist Church without creating a hazard and without impeding traffic flow,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. ANGLE PARKING. Angle parking in the City of Modesto is hereby established at the following locations:

- Portions of 10<sup>th</sup> Street, between I & K Streets (west side) (diagonal)
- 18<sup>th</sup> Street, between G and H Streets (west side) (diagonal)
- F Street, between 10<sup>th</sup> and 11<sup>th</sup> Streets (south side) (diagonal)
- I Street, between 9<sup>th</sup> and 12<sup>th</sup> Streets (both sides) (diagonal)
- P Street, between 9<sup>th</sup> and Needham Streets (both sides) (diagonal)

- Coldwell Avenue, between Tully Road and College Avenue
- 4<sup>th</sup> Street, between E Street and G Street (west side)
- 16<sup>th</sup> Street, between I Street and J Street (east side)
- Elm Street, between Jefferson and Washington Streets (diagonal)
- Jefferson Street, between 8<sup>th</sup> and Laurel Streets (diagonal)
- 13<sup>th</sup> Street, between H and L Streets (east side)
- J Street, between 7<sup>th</sup> Street and 8<sup>th</sup> Street (north side)
- 10<sup>th</sup> Street, between G Street and F Street (east side) (diagonal)
- F Street, between 10<sup>th</sup> Street and 11<sup>th</sup> Street (north side) (diagonal)
- 15<sup>th</sup> Street, between K Street and H Street (east side) (diagonal)
- F Street, between 9<sup>th</sup> Street and 10<sup>th</sup> Street (north side) (diagonal)
- 8<sup>th</sup> Street, between J Street and K Street (east side) (diagonal)
- 8<sup>th</sup> Street, between K Street and L Street (east side) (diagonal)
- Sierra Drive between F Street and 4<sup>th</sup> Street (north side)
- 8<sup>th</sup> Street between L Street and Jefferson Street (east side) (diagonal)
- M Street between 7<sup>th</sup> Street and 8<sup>th</sup> Street (south side) (diagonal)
- 10<sup>th</sup> Street between G Street and I Street (east side) (diagonal)
- Sierra Drive between 6<sup>th</sup> Street and the alley at the west property edge of New Bethany Missionary Baptist Church (diagonal)

SECTION 2. The Public Works Director is hereby directed to implement the provisions of this resolution.

SECTION 3. Resolution No. 2005-267 is hereby rescinded.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7<sup>th</sup> day of February 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

AYES:	Councilmembers:	Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-082**

**A RESOLUTION DENYING THE APPEAL OF CHARLES EVINS,  
ON BEHALF OF THE NEW BETHANY MISSIONARY BAPTIST  
CHURCH, LOCATED AT 315 SIXTH STREET, REGARDING THE  
DETERMINATION OF CAPITAL FACILITIES FEES**

WHEREAS, on June 24, 2003, the Modesto City Council adopted Resolution No. 2003-309 updating its Capital Facilities Fee (CFF) program for the establishment and collection of fees for future capital facilities, and

WHEREAS Resolution No. 2003-065 defines the categories of uses and rates on which the fees will be collected, and

WHEREAS, the categories identified in the CFF program include a broad range of uses based on square footage to ensure that each use pays its share of the CFF based on the anticipated impacts of the development, and

WHEREAS, the current City practice is to allow a reimbursement for the use of modulares if said modulares are removed within five years, and

WHEREAS, on November 15, 2005, a request was received from Charles Evins, on behalf of The New Bethany Missionary Baptist Church, to allow a credit of CFF for the removal of two modulares, and

WHEREAS, on December 7, 2005, Charles Evins of The New Bethany Missionary Baptist Church, was notified by letter from Amy Gedney, Infrastructure Financing Program Administrative Officer, that the CFF Committee had determined the CFF for a modular is reimbursable and the City would reimburse The New Bethany Missionary Baptist Church for the removal of two modulares but it would have to pay the fees in effect at the time a new permit was issued for the expansion of the church, and

WHEREAS, by letter from Charles Evins dated January 3, 2006, to Jean Zahr, City Clerk, The New Bethany Baptist Church appealed the City's determination to pay the capital facilities fees in place at the time a building permit is issued for new construction and requested a credit for the removal of two modulars, and

WHEREAS, said appeal was set for a public hearing before the City Council at its regular meeting place in the Tenth Street Place Chambers located at 1010 10<sup>th</sup> Street, Modesto, California, on February 7, 2006 at 5:30 p.m., at which date and time said duly noticed public hearing was held and evidence, both oral and documentary, was received and considered.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto, that it hereby makes the following findings:

1. The City Council has reviewed The New Bethany Missionary Baptist Church's request and has determined that the City does not issue credits.
2. Said appeal should be denied as recommended because the Modesto Municipal Code Section 8-1.904 specifically states that building permit fees shall be paid at the time the building permit is issued.
3. The project is not entitled to pay CFF at the 1998 CFF rate because the project is subject only to a conditional use permit which does not vest a project against increases in CFF.
4. The City of Modesto hereby denies the appeal of The New Bethany Missionary Baptist Church and its request for CFF credits for the temporary modulars for the reason set forth above.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7<sup>th</sup> day of February 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-086**

**A RESOLUTION APPROVING THE 2006-2007 LEGISLATIVE PLATFORM  
FOR THE CITY OF MODESTO**

WHEREAS, on October 26, 2004, by Resolution No. 2004-544, the City Council adopted the 2004-2005 Legislative Platform, and

WHEREAS, on April 26, 2005, by Resolution No. 2005-181, the City Council amended the 2004-2005 Legislative Platform, and

WHEREAS, this document provides City staff with the needed direction to determine whether or not the City should support pending federal and state legislation, and

WHEREAS, this document is a living document and should be reviewed and amended from time to time, and

WHEREAS, representatives from the City Manager's Office, the Community and Economic Development Department, the Personnel Department, the City Attorney's Office, the Fire Department, the Police Department, the Finance Department, the Parks, Recreation & Neighborhoods Department, and Public Works recently reviewed the document and recommended that the 2004-2005 Legislative Platform be amended and adopted as the 2006-2007 Legislative Platform as set forth in an agenda report from City Manager, George W. Britton, to the Mayor and Council, dated February 14, 2006,

NOW, THEREFORE, BE IT RESOLVED, that the Council of the City of Modesto hereby approves the 2006-2007 Legislative Platform as set forth in said agenda report from the City Manager to the Mayor and Council dated February 14, 2006, a copy of which is on file in the office of the City Clerk.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-087**

**A RESOLUTION APPOINTING THE SEVEN INDIVIDUALS RECOMMENDED  
BY THE CITY COUNCIL TO SERVE AS MEMBERS OF THE CHARTER  
REVIEW COMMITTEE WITH THE MAYOR'S APPOINTEE SERVING AS  
THE CHAIR AND THE VICE-MAYOR'S APPOINTEE SERVING AS THE VICE  
CHAIR OF THE CHARTER REVIEW COMMITTEE AND AUTHORIZING  
THE SEVEN COMMITTEE MEMBERS TO APPOINT THREE ADDITIONAL  
COMMITTEE MEMBERS FROM THE COMMUNITY**

WHEREAS, on November 6, 1962 the qualified voters of the City of Modesto at a Special Charter Election consolidated with the State of California General Election ratified the Charter of the City of Modesto, and

WHEREAS, this Charter became effective on January 14, 1963, and

WHEREAS, section 1604 of the Charter provides that the City Council shall cause the Charter to be reviewed at least every ten (10) years commencing with the year of 1980, and

WHEREAS, the Charter was amended in 1990 and again in 1999, and

WHEREAS, in Fall 2005, the City Council discussed the possible review and amendment of the City of Modesto Charter, and

WHEREAS, it was determined to initiate the review in 2006 for possible consideration at the 2007 municipal election, and

WHEREAS, at the January 10, 2006 City Council meeting, the Council approved the recommendation to consider and take action at the February 14, 2006 City Council meeting on the following:

- 1) Appoint seven Charter Review Committee representatives. Each Councilmember has provided a recommendation of one individual from the City of Modesto to

- serve on the Charter Review Committee. These committee members should be prepared to meet at least two or three times a month for up to one year.
- 2) The individual nominated by the Mayor shall be appointed to serve as the Chair of the Charter Review Committee and the individual nominated by the Vice-Mayor shall serve as the Vice-Chair of the committee. The seven committee members will select three additional members from the community to serve on the Charter Review Committee.
  - 3) The Mayor will appoint one Councilmember to serve as an ad hoc, non-voting member of the Charter Committee.
  - 4) Council will discuss and establish the scope of the Charter review and charge of the Charter Review Committee. With Council direction City staff will be asked to prepare a Draft "Scope of Review" for adoption by the City Council.

NOW, THEREFORE, BE IT RESOLVED, that the Council of the City of Modesto hereby approves the appointments of Thomas Wright, John Shores, Chris Harrigfeld, Marie Bairey, Susan Azevedo, Dave Cogdill, Jr. and George Petrulakis to serve as voting members of the Charter Review Committee with George Petrulakis serving as the Chair and Susan Azevedo serving as the Vice-Chair of the committee.

BE IT FURTHER RESOLVED that the Council of the City of Modesto hereby authorizes the seven Council-appointed committee members to select and appoint three additional members from the community to serve on the Charter Review Committee.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of February 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-087A**

**A RESOLUTION APPROVING AN AMENDMENT TO AGREEMENT  
BETWEEN CITY OF MODESTO COMMUNITY FACILITIES DISTRICT NO.  
2004-1 (VILLAGE ONE #2) AND BENDER ROSENTHAL, INC., INCREASING  
THE CONTRACT BY AN AMOUNT NOT TO EXCEED \$5,000, PROVIDING  
ADDITIONAL SERVICES RELATED TO THE CERTIFICATION OF THE  
APPRAISAL DATED OCTOBER 17, 2005 AND AUTHORIZING THE DISTRICT  
ADMINISTRATOR TO EXECUTE THE AMENDMENT**

WHEREAS, on February 25, 2005, a contract was executed between Community Facilities District No. 2004-1 (Village One #2) (“CFD No. 2004-1”) and Bender Rosenthal, Inc. (“Consultant”), in an amount not to exceed \$28,190, for services related to an appraisal of properties within CFD No. 2004-1, and

WHEREAS, on October 19, 2005, Change Order #1 was executed, in an amount not to exceed \$21,000, and authorized Bender Rosenthal to prepared an updated appraisal for the properties within CFD No. 2004-1, and

WHEREAS, Bender Rosenthal provided an updated appraisal dated October 17, 2005 (“Appraisal”), and

WHEREAS, Bond Counsel has determined that certification of the October 17, 2005 appraisal is required before it will provide certain opinions needed for the sale of the bonds for CFD No. 2004-1, and

WHEREAS, Bender Rosenthal has agreed to prepare a certification of the October 17, 2005, Appraisal, for an amount not to exceed \$5,000,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the District Administrator shall be authorized to execute the Amendment to the

Agreement with Bender Rosenthal in an amount not to exceed \$5,000 for certification of the October 17, 2005, Appraisal.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14<sup>th</sup> day of February 2006 by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-088**

**A RESOLUTION AUTHORIZING THE PURCHASING MANAGER TO  
FORMALLY SOLICIT REQUEST FOR PROPOSALS (RFP) FOR TEMPORARY  
LABOR SERVICES FOR THE CITY OF MODESTO FOR AN INITIAL THREE  
(3) YEAR PERIOD WITH TWO (2) ONE-YEAR EXTENSION OPTIONS**

WHEREAS, the City of Modesto's has an ongoing need for temporary labor services to fill in for vacancies created through retirements, resignations and terminations, and

WHEREAS, temporary labor services are also utilized on a seasonal basis during periods of high demand and to handle workload fluctuations, and

WHEREAS, historically the Personnel Department facilitated the hiring of temporary labor services, and

WHEREAS, in 1999 as part of assessing the Personnel Department's delivery of services several departments requested that they be permitted to deal with the temporary labor agencies directly, and

WHEREAS, based on departmental requests and workload issues at the time, the decision was made to allow departments to conduct their own transactions, and

WHEREAS, currently most departments are conducting separate transactions with the temporary labor agencies, and

WHEREAS, in most cases these separate transactions do not allow for the City to receive discounted rates based on citywide usage and economies of scales, and

WHEREAS, last fiscal year the City as a whole spent approximately \$1.9 million dollars on temporary labor services, and

WHEREAS, historically the largest departmental users of temporary labor services have been the Public Works and Parks, Recreation & Neighborhoods Departments, and

WHEREAS, by bidding temporary labor services staff will provide assurance that these services are being provided at competitive rates and that monitoring will be in place that will ensure compliance with established City policies, and

WHEREAS, Modesto Municipal Code, Section 8-3.203, generally requires all purchases, which meet or exceed \$50,000.00 for material, equipment or contractual services to be formally bid, and

WHEREAS, the issuance of a formal Request for Proposal for the furnishing of Temporary Labor Services will conform to Modesto Municipal Code Section 8-3.203,

NOW, THEREFORE, BE IT HEREBY RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. The City Clerk is hereby authorized to call for public competitive sealed proposals for Temporary Labor Services for the City of Modesto, for a three (3) year period, with two (2) one-year contract extension options at the sole discretion of the City, to be opened in the office of the City Clerk, 1010 Tenth Street, in the City of Modesto. The City Clerk shall be directed to give notice inviting such sealed proposals in the time, form, and manner provided by law.

SECTION 2. After the sealed proposals are opened, they shall be tabulated and analyzed and a report submitted to Council.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14<sup>th</sup> day of February 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-089**

**A RESOLUTION APPROVING AN ANNUAL CONTRACT WITH THE  
MODESTO BEE (MCCLATCHY NEWSPAPER GROUP) FOR WEEKLY  
ADVERTISING OF PARKS, RECREATION AND NEIGHBORHOODS  
DEPARTMENT PROGRAMS AND ACTIVITIES IN THE “BUZZ” SECTION  
AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE CONTRACT**

WHEREAS, the City currently uses the Modesto Bee (Bee) as its primary newspaper-advertising source, and

WHEREAS, the Bee is used for the advertisement of classified and legal advertisements as required by law, and for retail advertisements for public information purposes, and

WHEREAS, the Public Information Technician in the Parks, Recreation and Neighborhoods Department was recently contacted by Modesto Bee staff regarding a unique advertising opportunity in the “BUZZ” section of the newspaper, a weekly section that is geared to teens, but it is widely read by others, including parents and grandparents, and

WHEREAS, the Parks, Recreation and Neighborhoods Department would be able to secure the same advertising space weekly or bi-weekly, and would be able to change the ad each time to showcase relevant and timely programs, activities and services and to inform readers about these activities, and

WHEREAS, staff is recommending a weekly ad of 6 by 3 column inches, which would allow space for two separate programs to be advertised, if desired, at a total annual cost of \$18,720, and

WHEREAS, funding would come from the existing advertising budget for the particular programs being spotlighted,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves an annual contract in the amount of \$18,720 with the Modesto Bee (McClatchy Newspaper Group) for weekly advertising of Parks, Recreation and Neighborhoods Department programs and activities in the "BUZZ" section.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the contract.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-090**

**A RESOLUTION APPROVING AND AUTHORIZING SUBMISSION OF A) THE LOCAL TRANSPORTATION FUND (LTF) CLAIM FOR ROADS AND STREETS FISCAL YEAR 2005-2006 (\$2,696,657); B) THE FISCAL YEAR 2004-2005 LTF SUPPLEMENTAL ROADS AND STREETS (\$221,818); C) THE FISCAL YEAR 2005-2006 LTF CLAIM FOR NON-MOTORIZED (\$140,890); D) THE FISCAL YEAR 2004-2005 LTF SUPPLEMENTAL NON-MOTORIZED (\$3,577); E) THE LTF MATCH FOR REGIONAL SURFACE TRANSPORTATION PROGRAM (\$25,234)**

WHEREAS, on June 8, 2005, the City Council approved the fiscal year 2004-2005 annual claim for Local Transportation Funds (LTF) for transit purposes only, and

WHEREAS, on February 9, 2005, the Stanislaus Council of Governments (StanCOG) pursuant to California State Public Utility Codes (PUC) Section 99401.6 determined that there are no unmet transit needs or that there are no unmet transit needs that are reasonable to meet, and

WHEREAS, StanCOG has informed the Finance Department that it will allocate both the Annual and Supplemental LTF for use on local streets and roads pursuant to PUC Sections 99400 and 99233.11, and

WHEREAS, StanCOG has informed the Finance Department that it has allocated both the Annual and Supplemental LTF for pedestrian and bicycle facilities use pursuant to PUC Sections 99233.3 and 99234, and

WHEREAS, StanCOG has informed the Finance Department that the City of Modesto may claim \$2,696,657 of Annual fiscal year 2005-2006 LTF for street purposes, and \$140,890 for pedestrian and bicycle projects, and \$25,234 for Pavement Management, and

WHEREAS, StanCOG has informed the Finance Department that the City of Modesto may claim \$221,818 of Supplemental LTF for street purposes, and \$3,577 for pedestrian and bicycle projects, and

WHEREAS, Council action authorizing the above claim is required by StanCOG pursuant to PUC Section 99261 before LTF can be released to the City of Modesto, and

WHEREAS, the City of Modesto had a \$1,465,256 carryover of fiscal year 2004-2005 LTF funded Operations and Capital Improvement Project budget projects to fiscal year 2005-2006, and

WHEREAS, Council action authorizing the carryover claim is required by StanCOG pursuant to PUC Section 99261 before LTF can be budgeted by the City of Modesto for multi-year and fiscal year 2004-2005 Operations and Capital Improvement Projects,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves and authorizes the execution and submission of the claim for apportionment of the fiscal year 2005-2006 Annual (\$2,862,781) and fiscal year 2004-2005 Supplemental LTF (\$225,395) to StanCOG to obtain non-transit funds in the amount of \$3,088,176.

BE IT FURTHER RESOLVED, by the Council of the City of Modesto that it hereby approves and authorizes the execution and submission of the claim for apportionment of \$1,465,253 of carryover funds from fiscal year 2004-2005 to the fiscal year 2005-2006 Operations and Capital Improvement Budgets.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14<sup>th</sup> day of February 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-092**

**A RESOLUTION ACCEPTING IMPROVEMENTS IN THE UDONA GROVE  
SUBDIVISION, AND AUTHORIZING THE CITY CLERK TO RECORD A  
NOTICE OF COMPLETION AND AUTHORIZING RELEASE OF BONDS**

WHEREAS, WILLIAM EUGENE BUCHTA AND CHARISSE RENEE  
BUCHTA, husband and wife as joint tenants, INDERJIT S. TOOR AND HARINDER S.  
TOOR, individuals, are the Subdividers of UDONA GROVE SUDIVISION  
("SUBDIVISION"), and

WHEREAS, the Subdividers, have filed irrevocable subdivision bonds to secure  
faithful performance and payment for labor and materials in the amounts of \$109,108.80  
and \$109,108.80, respectively, and

WHEREAS, the Subdividers, have filed a warranty bond in the amount of  
\$10,910.88 to guarantee improvements in the UDONA GROVE SUDIVISION, and

WHEREAS, the City Engineer, in a memorandum to Council, indicates that all  
work required by the Subdivision Agreement has been completed to the satisfaction of  
the Public Works Department, and

WHEREAS, the City Engineer has indicated that it would be in order for the City  
Council to accept the improvements in said subdivision as complete, and authorize the  
City Clerk to file a Notice of Completion and release the bonds upon expiration of the  
statutory periods,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto  
that:

1. The improvements in the UDONA GROVE SUDIVISION are hereby accepted and the City Clerk is hereby authorized to record a Notice of Completion for the improvements.
2. The City Clerk is hereby authorized to release the subdivision bond for faithful performance in the amount of \$109,108.80 upon recordation of the Notice of Completion.
3. The City Clerk is hereby authorized to release the subdivision bond for labor and materials in the amount of \$109,108.80 sixty (60) days after the recordation of the Notice of Completion, provided no claim is made thereon.
4. The City Clerk is hereby authorized to release the warranty bond to guarantee improvements in the amount of \$10,910.88 one year and one day after the effective date of this resolution, provided no claim is made thereon.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-094**

**A RESOLUTION ACCEPTING THE 2006 EDWARD BYRNE JUSTICE ASSISTANCE GRANT PROGRAM IN THE AMOUNT OF \$79,092 FROM THE U.S. DEPARTMENT OF JUSTICE AND AUTHORIZING THE CITY MANAGER, OR HIS AUTHORIZED DESIGNEE, TO EXECUTE THE NECESSARY GRANT DOCUMENTS**

WHEREAS, the City of Modesto Police Department desires to undertake a project designated as the 2006 Edward Byrne Justice Assistance Grant to be funded by the U. S. Department of Justice, and

WHEREAS, acceptance of said \$79,092 grant will continue to assist in the funding for the Computer Aided Dispatch System (CAD), Integrated Public Safety System, and Records Management System (RMS), and

WHEREAS, there is no local match required for this program, and

WHEREAS, awards are made in the first fiscal year of the appropriation and may be expended during the following 3 years, for a total of 4 years, and

WHEREAS, the program requires a public hearing for application, or any future amendments, to be made public and an opportunity to comment, and

WHEREAS, these funds must be held in an interest-bearing 2006 Byrne Justice Assistant Grant Fund and must not be used to supplant existing budget funds, and

WHEREAS, the Modesto Police Department plans to budget these funds for technology, communication equipment, and field equipment, which is needed but was not included in the budget due to budget reductions,

NOW, THEREFORE, BE IT RESOLVED that the City Council hereby accepts the \$79,092 grant entitled the 2006 Edward Byrne Justice Assistance Grant from the U.S.

Department of Justice.

BE IT FURTHER RESOLVED that the City Manager, or his authorized designee, is hereby authorized to execute the necessary grant documents, including any extensions or amendments thereof and any subsequent contract with the Federal Government in relation thereto.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14<sup>th</sup> day of February 2006, by Councilmember O'Bryant, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-095**

**A RESOLUTION TO INCLUDE THE GRANT AMOUNTS IN THE FISCAL  
YEAR 2006/07 ADOPTED BUDGET TO ESTIMATE REVENUE AND  
APPROPRIATE FUNDS FOR THE 2006 BYRNE JUSTICE ASSISTANCE  
GRANT (BJAG) WITH THE U.S. DEPARTMENT OF JUSTICE**

WHEREAS, the Police Department can make application to the U.S. Department of Justice for the 2006 Byrne Justice Assistance Grant in the sum of \$79,092, and

WHEREAS, the funds will be used to assist in the continued funding of the Modesto Police Department's new Computer Aided Dispatch System (CAD), Integrated Public Safety System, and Records Management System (RMS) upgrade, and

WHEREAS, the grant will commence on October 1, 2006 and end on September 30, 2010, and

WHEREAS, the City shall be compensated \$79,092 from the U.S. Department of Justice for this program, and

WHEREAS, there is no local match required for this program,

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the 2006/2007 Operating Budget is hereby amended as follows:

	<u>Expenses:</u>		
To:	0400-190-2905-5000	\$79,092	2005 Byrne Justice Assistance Grant
	<u>Revenue:</u>		
From:	0400-190-2905-3508	\$79,092	Grant Revenue

BE IT FURTHER RESOLVED that the Finance Director, or his authorized designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14<sup>th</sup> day of February 2006, by Councilmember O'Bryant, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-096**

**A RESOLUTION APPROVING ROUTE AND SCHEDULE CHANGES FOR  
MODESTO AREA EXPRESS (MAX) ROUTES 21, 22, 24, 27, 28, 34 AND 36  
EFFECTIVE AUGUST 1, 2006, AND AUTHORIZING THE TRANSIT  
MANAGER TO IMPLEMENT THE CHANGES**

WHEREAS, the City of Modesto's Strategic Plan includes Strategy III.B.1:  
"Develop an efficient, well coordinated, county-wide, multi-modal transportation  
system", and

WHEREAS, Modesto Area Express (MAX) is a critical component of the  
transportation system for the City of Modesto, and

WHEREAS, to make the MAX system more efficient and productive, City staff is  
recommending extending and connecting Routes 24 and 34 to serve Village One and the  
new Enochs High School and revising Route 27 to provide more service on Mc Henry  
Avenue, and

WHEREAS, City staff is recommending the deletion of portions of Routes 24, 27,  
and 34 to enhance the efficiency of the MAX system, and

WHEREAS, additional efficiencies are to be gained by making schedule and/or  
route changes to Routes 21, 22, 28, and 36, and

WHEREAS, a public meeting was held on January 31, 2006, to allow for  
discussion of the proposed route changes, and

WHEREAS, the Economic Development Committee approved this item at its  
January 9, 2006 meeting, and

WHEREAS, by a report to the Council dated January 18, 2006, from the Public Works Department, City staff recommended implementing changes to Routes 21, 22, 24, 27, 28, 34 and 36, and

WHEREAS, said matter was set for a duly noticed public hearing of the City Council of the City of Modesto to be held on February 14, 2006, at 5:30 p.m., in the Tenth Street Place Chambers located at 1010 10<sup>th</sup> Street, Modesto, California, in accordance with Federal Transit Administration regulations, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the extension and connection of Routes 24 and 34, the revision of Route 27, the deletion of portions of Routes 24, 27, and 34, and schedule and/or route changes to Routes 21, 22, 28, and 36 as shown on Exhibits "A", "B" and "C" attached hereto and incorporated herein by reference and said changes shall become effective August 1, 2006.

BE IT FURTHER RESOLVED that the Transit Manager is authorized to implement said changes.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of February 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-097**

**A RESOLUTION COMMITTING \$331,389 TO THE UPCOMING FISCAL YEAR  
2006/07 OPERATING BUDGET FUNDS TO COVER OPERATION OF NEW BUS  
SERVICE DURING THAT FISCAL YEAR**

WHEREAS, the City Council has been requested in the staff report from Nicholas Pinhey, Public Works Director, to the City Council dated January 18, 2006, to approve the route and schedule changes for Modesto Area Express (MAX) Routes 21, 22, 24, 27, 28, 34 and 36 effective August 1, 2006, and

WHEREAS, funds for these route and schedule changes will be included in the fiscal year 2006/07 Operating Budget, and

WHEREAS, a commitment of fiscal year 2006/07 Operating Budget Funds in the amount of \$331,389 to increase the proposed transit services is necessary before work on said services begins, and

WHEREAS, funding for the \$331,389 will be provided through the following revenue sources:

Federal Transit Administration Funds	\$ 69,592
Passenger Fares	\$ 49,708
Local Transportation Funds (LTF)	\$212,089

NOW, THEREFORE, BE IT RESOLVED that the Council of the City of Modesto hereby commits funds in the amount of \$331,389 in upcoming fiscal year 2006/07 Operating Budget to cover operation of new bus service during that fiscal year.

RESOLUTION NO. 2006-105**

**A RESOLUTION AUTHORIZING THE CITY MANAGER TO TERMINATE  
THE AGREEMENT WITH PATTON BOGGS, LLP FOR FEDERAL LOBBYING  
SERVICES, AND APPROVING A TWO (2) YEAR AGREEMENT FOR  
FEDERAL LOBBYING SERVICES IN THE ANNUAL AMOUNT OF \$120,000  
WITH PILLSBURY WINTHROP SHAW PITTMAN, LLP AND AUTHORIZING  
THE CITY MANAGER TO EXECUTE THE AGREEMENT**

WHEREAS, the City of Modesto has determined it is desirable to retain a consultant to represent the City's interests at the federal level, and

WHEREAS, since 2001, Ms. Elizabeth V. Moeller of Patton Boggs, LLP has provided federal lobbying services to the City of Modesto and has been able to secure significant federal funding for Modesto projects, and

WHEREAS, on February 10, 2006, she notified the City that she had moved from the firm Patton Boggs, LLP to Pillsbury Winthrop Shaw Pittman, LLP, and

WHEREAS, in order to maintain the relationship the City has established with Ms. Moeller as the City's federal lobbying representative, City staff recommends terminating its agreement with Patton Boggs, LLP and authorizing the City Manager or his designee to execute a new agreement with Pillsbury Winthrop Shaw Pittman, LLP, and

WHEREAS, Ms. Moeller has been an exceptional advocate for the City of Modesto having helped secure over \$27.75 million in federal funding for City projects over the last four years, and

WHEREAS, due to the tremendous success and the excellent relationship the City has developed with Ms. Moeller staff recommends terminating the current agreement

with Patton Boggs, LLP and entering into a new agreement with Pillsbury Winthrop Shaw Pittman, LLP to maintain this established and successful relationship, and

WHEREAS, the City of Modesto has negotiated a new two (2) year Agreement for Consultant Services in the annual amount of \$120,000 with Pillsbury Winthrop Shaw Pittman, LLP to perform federal legislative lobbying services from April 1, 2006 through March 31, 2008,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the City Manager to terminated the agreement with Patton Boggs, LLP for federal lobbying services.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby approves a two (2) year Agreement for Consultant Services in the annual amount of \$120,000 with Pillsbury Winthrop Shaw Pittman, LLP to perform federal legislative lobbying services from April 1, 2006 through March 31, 2008, a copy of which is attached hereto as Exhibit "A" and incorporated herein by reference.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

**STANDARD  
AGREEMENT FOR CONSULTANT SERVICES**

*THIS AGREEMENT*, made and entered into in the City of Modesto, State of California, this \_\_\_\_ day of \_\_\_\_\_, 2006, by and between the *CITY OF MODESTO*, a municipal corporation of the State of California, hereinafter referred to as *CITY*, and *PILLSBURY WINTHROP SHAW PITTMAN LLP*, hereinafter referred to as *CONSULTANT*.

This agreement is made with regard to the following recitals:

- A. The City has determined that it is appropriate to retain a consultant to represent the City's interests in Washington, D.C.
- B. Consultant represents that it is qualified, willing and able to provide the services to provide such services.

*NOW, THEREFORE*, in consideration of this agreement, and the mutual promises, covenants, and stipulations hereinafter contained, the parties agree as follows:

1. SCOPE OF SERVICES

Consultant shall provide the services as set forth and described in the documents attached hereto and referred to as Exhibit A. The Consultant shall perform the services as described in Exhibit A in a manner compatible with the standards of its profession. Over the term of this agreement, the scope of services can be amended by mutual acceptance of both parties.

2. TERM OF AGREEMENT

This Agreement is effective as of April 1, 2006, and will continue in effect until March 31, 2008, unless terminated earlier in accordance with the provisions of the termination clause in this agreement. Upon mutual agreement of the parties, this Agreement may be extended for an additional term not to exceed five years on the same terms and conditions as set forth herein. The

City Manager has the authority to execute said extension, if any, on behalf of the City of Modesto.

3. COMPENSATION

Consultant agrees to perform the services set forth in Exhibit A for a flat fee of ten thousand dollars (\$10,000) per month beginning on April 1, 2006 and ending on March 31, 2008. Compensation for any extension of this Agreement will be in an amount mutually agreed upon by the parties hereto.

The compensation shall be paid pursuant in the manner and at the times set forth below: On or before the fifteenth (15<sup>th</sup> day of each month), Consultant shall submit to the City a report for monthly payment for the work performed during the previous month.

4. OBLIGATIONS OF CONSULTANT

Throughout the term of this Agreement, Consultant shall possess, or secure all licenses, permits, qualifications and approvals legally required to conduct business. Consultant warrants that it has all of the necessary professional capabilities and experience, as well as all tools, instrumentalities, facilities and other resources necessary to provide the City with services contemplated by this Agreement. Consultant further warrants that it will follow the best current, generally accepted and professional practices to make findings, render opinions, prepare factual presentations, and provide professional advice and recommendations regarding the services to be provided pursuant to this Agreement. Consultant will also file all necessary and required legal documentation for disclosure of the extent and nature of lobbying services for the City and will provide a copy of said documentation to the City on an annual basis.

5. PERFORMANCE BY KEY EMPLOYEE

Consultant has represented to City that Elizabeth Vella Moeller will be the person primarily responsible for the performance of the services referred to in this Agreement. City has entered into this Agreement in reliance on that representation by Consultant. Consultant shall not change this personnel assignment without the written consent of City's Project Manager which shall not be unreasonably withheld.

6. OWNERSHIP OF DOCUMENTS/TITLE TO DATA

**Ownership of Documents**

All reports, drawings, designs, graphics, working papers and other incidental work or materials furnished hereunder shall become and remain the property of the City, and may be used by City as it may require without any additional cost to City. No reports shall be used by the Consultant for purposes other than this contract without the express prior written consent of City.

**Title to Data**

If, as part of the agreement, Consultant is required to produce data such as, but not limited to, drawings, plans, specifications, calculations, models, flow diagrams, visual aids and other related materials, the originals of all such data generated under this agreement will be delivered to City upon the completion or termination of services under the contract.

All materials, documents, data or information obtained from the City data files or any City medium furnished to Consultant in the performance of this Agreement will at all times remain the property of the City. Such data or information may not be used or copied for direct or indirect use by Consultant after termination of this Agreement without written consent of the City.

7. NEWS AND INFORMATION RELEASE

Consultant agrees that it will not issue any news releases in connection with either the award of this Agreement, or any subsequent amendment of or efforts under this Agreement, without first obtaining review and approval of said news releases from City through the City Manager.

8. AVOIDANCE OF POTENTIAL CONFLICTS

Whenever the federal objectives of existing or future clients conflict with those of the City, the Consultant shall notify the City. The Consultant shall not advocate or promote federal objectives on behalf of existing or potential clients that are determined by the City to be in direct conflict with the City's federal objectives without the prior consent of the City.

9. AMENDMENTS

Both parties to this Agreement understand that it may become desirable or necessary during the execution of this Agreement, for City or Consultant to modify the scope of services provided for under this Agreement. Any material extension or change in the scope of work or the provisions of this Agreement shall be discussed with City and the change and cost shall be memorialized in a written amendment to the original contract prior to the performance of the additional work.

Until a change order is so executed, City will not be responsible to pay any charges Consultant may incur in performing such additional services, and Consultant shall not be required to perform any such additional services.

10. INDEPENDENT CONTRACTOR

All acts of Consultant, its agents, officers, and employees and all other acting on behalf of Consultant relating to the performance of this Agreement, shall be performed as

independent contractors and not as agents, officers, or employees of City. Consultant, by virtue of this Agreement, has no authority to bind or incur any obligation on behalf of the City. Consultant has no authority or responsibility to exercise any rights or power vested in the City. No agent, officer, or employee of the City is to be considered an employee of Consultant. It is understood by both Consultant and City that this agreement shall not under any circumstances be construed or considered to create an employer-employee relationship or a joint venture.

Consultant, its agents, officers and employees are and, at all times during the terms of this Agreement, shall represent and conduct themselves as independent contractors and not as employees of City.

Consultant shall determine the method, details and means of performing the work and services to be provided by Consultant under this Agreement. Consultant shall be responsible to City only for the requirements and results specified in this Agreement, and, except as expressly provided in this Agreement, shall not be subjected to City's control with respect to the physical action or activities of the Consultant in fulfillment of this Agreement. Consultant has control over the manner and means of performing the services under this Agreement. Consultant is permitted to provide services to others during the same period service is provided to City under this Agreement. If necessary, Consultant has the responsibility for employing other persons or firms to assist Consultant in fulfilling the terms and obligations under this Agreement.

If in the performance of this Agreement any third persons are employed by Consultant, such persons shall be entirely and exclusively under the direction, supervision, and control of Consultant. All terms of employment including hours, wages, working conditions, discipline, hiring and discharging or any other term of employment or requirement of law shall be determined by the Consultant.

It is understood and agreed that as an independent contractor and not an employee of City neither the Consultant or Consultant's assigned personnel shall have any entitlement as a City employee, right to act on behalf of the City in any capacity whatsoever as an agent, or to bind the City an obligation whatsoever.

It is further understood and agreed that Consultant must issue W-2 forms or other forms as required by law for income and employment tax purposes for all of Consultant's personnel.

As an independent contractor, Consultant hereby indemnifies and holds City harmless from any and all claims that may be made against City based upon any contention by any third party that an employer-employee relationship exists by reason of this Agreement.

11. ASSIGNMENT

Neither this Agreement nor any portion thereof shall be subcontracted or assigned without the express prior written consent of the City in each and every instance.

12. PATENT/COPYRIGHT MATERIALS

Unless otherwise expressly provided in the contract, Consultant shall be solely responsible for obtaining the right to use any patented or copyrighted materials in the performance of this Agreement. Consultant shall furnish a warranty of such right to use to City at the request of City.

13. NOTICES

Any and all notices permitted or required to be given hereunder shall be deemed duly given and effective (1) upon actual delivery, if delivery is by hand; or (2) five (5) days after delivery into the United States mail if delivery is by postage paid registered or certified (return receipt requested) mail. Each such notice shall be sent to the parties at the address respectively

indicated below or to any other address as the respective parties may designate from time to time.

FOR CITY:

Name: George W. Britton, City Manager  
Address: City of Modesto  
Post Office Box 642  
Modesto, CA 95353-9003

FOR CONSULTANT:

Name: Elizabeth Vella Moeller  
Address: Pillsbury Winthrop Shaw Pittman LLP  
2300 N Street NW  
Washington DC 20037

14. INSURANCE REQUIREMENTS

The Consultant shall provide at its own expense and maintain at all times the following insurance with insurance companies licensed in the State of California and shall provide evidence of such insurance to the City as may be required by the Risk Manager of the City. The policies or certificates thereof shall provide that, thirty (30) days prior to cancellation or material change in the policy, notices of same shall be given to the Risk Manager of the City by registered mail, return receipt requested, for all of the following stated insurance policies.

(a) General Liability insurance with a minimum limit of liability per occurrence of \$1,000,000 for bodily injury and \$100,000 for property damage or \$1,000,000 combined single limit. This insurance shall indicate on the certificate of insurance the following coverages and indicate the policy aggregate limit applying to: premises and operations; broad form contractual; independent consultants and subcontractors; products and completed operations; and professional liability.

(b) Automobile Liability insurance with a minimum limit of liability per occurrence of \$1,000,000 for bodily injury and \$1,000,000 for property damage or \$1,000,000 combined single limit. This insurance shall cover any automobile for bodily injury and property damage.

(c) Professional Liability insurance with a minimum limit of \$1,000,000 per claim and policy aggregate.

If at any time any of said policies shall be unsatisfactory to the City, as to form or substance, or if a company issuing such policy shall be unsatisfactory to the City, the Consultant shall promptly obtain a new policy, submit the same to the Risk Manager for approval and submit a certificate thereof as hereinabove provided. Upon failure of the Consultant to furnish, deliver or maintain such insurance and certificates as above provided, this Agreement, at the election of the City, may be forthwith declared suspended, or terminated. Failure of the Consultant to obtain and/or maintain any required insurance shall not relieve the Consultant from any liability under this Agreement, nor shall the insurance requirements be construed to conflict with or otherwise limit the obligations of the Consultant concerning indemnification. The city, its agents, officers, employees, and volunteers shall be named as an additional insured on all insurance policies required herein, except Worker's Compensation. The Worker's Compensation insurer shall agree to waive all rights of subrogation against the City, its agents, officers, employees, and volunteers for losses arising from work performed by Consultant for the City. The Consultant's insurance policy(ies) shall include a provision that the coverage is primary as respects the City; shall include no special limitations to coverage provided to additional insured; and, shall be placed with insurer(s) with acceptable Best's rating of A:VII or with approval of the Risk Manager. The Consultant must deliver certificates evidencing

existence of the insurance called for in the contract specifications to the City Clerk at the time the contract is signed.

15. TERMINATION OF AGREEMENT

Termination on Occurrence of Stated Events

This Agreement shall terminate automatically on the date on which either of the following events occur: (1) bankruptcy or insolvency of Consultant or (2) legal dissolution of Consultant. In the event of the death of key principal(s) of Consultant the City shall have the option to terminate this Agreement.

Termination by City for Default of Consultant

Should Consultant default in the performance of this Agreement or materially breach any of its provisions, at its option City may terminate this Agreement by giving written notification to Consultant. The termination date shall be the effective date of the notice. For the purposes of this section, material breach of this Agreement shall include but not be limited to any of the following: failure to perform required services or duties, willful destruction of City's property by Consultant, dishonesty or theft.

Termination by Consultant for Default of City

Should City default in the performance of this Agreement or materially breach any of its provisions, at its option Consultant may terminate this Agreement by giving written notice to City. The termination date shall be the effective date of the notice. For the purposes of this section, material breach of this Agreement shall include but not be limited to any of the following: failure to cooperate reasonably with Consultant, willful destruction of Consultant's property by city, dishonesty or theft.

Termination by City for Lack of Budgeted Funds

The City may terminate this Agreement effective July 1 of any given year upon the City's determination to not appropriate sufficient funds for this Agreement for the ensuing fiscal year. In such event City shall give Consultant not less than 30 days written notice.

Termination for Failure to Make Agreed Upon Payments

Should City fail to pay Consultant all or any part of the payments set forth in this Agreement on the date due, at its option Consultant may terminate this Agreement if the failure is not remedied within thirty (30) days after Consultant notifies City in writing of such failure to pay. The termination date shall be the effective date of the notice.

Termination by City for Change of Consultant's Tax Status

If City determines that Consultant does not meet the requirements of federal and state tax laws for independent contractor status, City may terminate this Agreement by giving written notice to City. The termination date shall be the effective date of the notice.

Voluntary Termination

The parties may terminate this contract at any time upon mutual written Agreement. In addition, either party may terminate this Agreement for any reason upon thirty (30) days written notice to the other.

In the Event of Termination

If this Agreement is terminated pursuant to this paragraph, Consultant shall cease all its work on the project as of the termination date and shall see to it that its employees, subcontractors and agents are notified of such termination and cease their work. If City so requests, and at City's cost, Consultant shall provide sufficient oral or written status reports to make City reasonably aware of the status of Consultant's work. Further, if City so requests, and

at City's cost, Consultant shall deliver to City any work products whether in draft or final form which have been produced to date.

If the Agreement is terminated pursuant to any of the subsections contained in this paragraph, City will pay Consultant for the final month in which Consultant provided services on a pro rata basis as determined by City in its sole discretion.

16. CITY PROJECT MANAGER

The City Project Manager shall be the designated Deputy City Manager or such other person as shall be designated in writing by the City Manager.

(a) The Project Manager is authorized to approve work and billings hereunder, to give notices referred to herein, to terminate this Agreement as provided herein, and to carry out any other actions referred to herein.

17. INDEMNITY

Consultant, its agents, officers and employees shall defend, indemnify, and hold harmless City, its agents, officers, and employees from and against all claims, damages, losses, judgment, liabilities, expenses, and other costs including litigation costs and attorney's fees from every cause, including but not limited to injury to person or property or wrongful death arising directly or indirectly out of any act or omission of Consultant whether or not the act or omission arises from the sole negligence or other liability of City, or its agents, officers, and employees or volunteers relating to or during the performance of its obligations under this agreement.

Consultant's obligation to defend, indemnify, and hold the City, its agents, officers, and employees harmless under the provisions of this paragraph is not limited to or restricted by any requirement in this Agreement for Consultant to procure and maintain a policy of insurance.

18. ENTIRE AGREEMENT

This Agreement and its exhibits contain the entire understanding between Consultant and City. Additional or new terms contained in this Agreement which vary from Consultant's proposal are controlling and are deemed accepted by Consultant by shipment of any article or other commencement of performance hereunder. All previous proposals, offers and communications relative to this Agreement, whether oral or written, are hereby superceded except to the extent that they have been incorporated into this Agreement. No future waiver or exception to any of the terms, conditions, and provisions of this Agreement shall be considered valid unless specifically agreed to in writing by all the parties.

19. PARTIAL VALIDITY

If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions shall nevertheless continue in full force without being impaired or invalidated in any way.

20. WAIVER

The waiver of any party to this Agreement of a breach of any provision hereof shall be in writing and shall not operate or be construed as a waiver of any other or subsequent breach hereof unless specifically stated in writing.

21. AUDIT

The City's duly authorized representative shall have access at all reasonable times to all reports, contract records, contract documents, contract files, and personnel necessary to audit and verify Consultant's charges to City under this Agreement.

Consultant agrees to retain reports, records, documents, files and other materials related to charges under this Agreement for a period of four (4) years following the date of final

payment for Consultant services. City's representative shall have the right to reproduce any of the aforesaid documents.

22. GOVERNING LAW

This Agreement shall be governed according to the laws of the State of California.

23. HEADINGS NOT CONTROLLING

Headings used in the Agreement are for reference purposes only and shall not be considered in construing this Agreement.

24. COMPLIANCE WITH LAWS

Consultant shall insure compliance with all safety and hourly requirements for employees, in accordance with federal, state, and county safety and health regulations and laws. Consultant shall fully comply with all applicable federal, state, and local laws, ordinances, regulations and permits. Consultant will have a City of Modesto business license.

*IN WITNESS WHEREOF, the City of Modesto, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. \_\_\_\_\_, adopted by the Council of the City of Modesto on the \_\_\_ day of \_\_\_\_\_, 2006, and Consultant has caused this agreement to be duly executed.*

EXHIBIT "A"  
SCOPE OF SERVICES

The Consultant shall provide the following services for the City:

- A. Consultant shall, at the direction of the City Manager and/or designee, develop a prioritized program of federal legislative funding targets and will develop strategies to successfully promote the City's objectives. This program will target projects in the broad categories of:
  - 1. Economic Development
  - 2. Health & Safety
  - 3. Diversity & Culture
- B. Consultant shall represent the City's federal objectives with members of Congress, appropriate congressional committees, federal agencies and congressional staff. In addition, consultant shall maintain effective liaison with major public interest groups and coalitions.
- C. Consultant shall monitor specified federal legislation, legislative committees, federal agencies, rule making, and the activities of appropriate interest groups, which are of a critical nature to the City of Modesto.
- D. Consultant shall identify grant opportunities for City projects and assist the City with submission of completed applications to the appropriate federal agencies.
- E. Consultant shall notify the City when testimony or personal communication is required to protect the City's federal interest. Consultant will assist the City in preparation of written and oral testimony and will coordinate federal visits.
- F. Consultant shall provide the City Manager and/or designee with periodic communications, both oral and written, outlining the activities undertaken on the City's behalf.

**MODESTO CITY COUNCIL  
RESOLUTION 2006-108**

**A RESOLUTION APPROVING A DEFERRED PAYMENT AGREEMENT AND NOTICE OF LIEN WITH PETER AND CHARLENE REECE, JOSEPH AND SHERYL PIMENTEL, AND STEPHEN AND KATHLEEN HUGHES FOR THE PAYMENT OF \$27,657.79 FOR CAPITAL FACILITIES FEES AT THE TIME OF BUILDING PERMIT ISSUANCE AND \$110,631.15 PLUS INTEREST IN NO MORE THAN FIVE (5) ANNUAL INSTALLMENTS AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE AGREEMENT**

WHEREAS, Owner owns certain real property located within the City of Modesto, County of Stanislaus, State of California, more particularly described on Exhibit "A", attached hereto and incorporated herein by reference (Property), and

WHEREAS, Owner desires to obtain three building permits from the City for the construction of Village Corners, a commercial development consisting of three buildings approximately 25,226 square feet, located at 3948 Sylvan Avenue, Modesto, California (Project), and

WHEREAS, Owner desires to defer payment of Capital Facilities Fees (CFF), in the amount of \$138,288.93 which are due and payable at the time of issuance of the building permits, and

WHEREAS, the City has determined that it is appropriate to defer payment of said fees pursuant to Modesto City Council Resolution No. 2006-061,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Deferred Payment Agreement and Notice of Lien ("Agreement") with Peter and Charlene Reece, Joseph and Sheryl Pimentel, and Stephen and Kathleen Hughes for the payment of \$27,657.79 for capital facilities fees at the time of building permit issuance and \$110,631.15 plus interest in no more than five (5) annual installments is hereby approved.

BE IT FURTHER RESOLVED that the City Manager is authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28th day of February 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

AYES:	Councilmembers:	Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-106**

**A RESOLUTION AUTHORIZING MID-VALLEY ENGINEERING (MVE) TO  
INSTALL FOURTEEN (14) BOLLARDS IN THE PUBLIC RIGHT-OF-WAY AT ITS  
BUSINESS OFFICE LOCATED AT 1117 L STREET, MODESTO, CALIFORNIA,  
APPROVING AN INDEMNITY AND HOLD HARMLESS AGREEMENT WITH MVE,  
AND AUTHORIZING THE CITY MANGER TO EXECUTE SAID AGREEMENT**

WHEREAS, Mid-Valley Engineering (MVE) is located on the northwest corner of the intersection of 12<sup>th</sup> and L Streets and is concerned with the traffic accidents that have occurred at this intersection over the last few years, and

WHEREAS, according to Modesto Police Department records sixty (60) collisions have been investigated at that location between January 1, 2000 and May 24, 2005, and

WHEREAS, two accidents have resulted in vehicles leaving the roadway and colliding with the Mid-Valley Engineering office building, and

WHEREAS, the owners of MVE desire to install fourteen (14) bollards around their office building at 1117 L Street, Modesto, California, and

WHEREAS, seven (7) of the bollards will be installed in front of the building along 56.31 feet of L Street and seven (7) will be installed along the side of the MVE building that is parallel to 12th Street, and

WHEREAS, the Citizens Redevelopment Advisory Committee considered this item at its February 1, 2006, meeting and recommended Council approval,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes Mid-Valley Engineering (MVE) to install fourteen (14) bollards in the public right-of-way two (2) feet away from the curb at its business office located at 1117 L Street, Modesto, California.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby authorizes the City Manager to execute an Indemnity and Hold Harmless Agreement with MVE that releases the City of Modesto from any liability related to the bollards that will be installed in front of and along the side of the MVE business office, and authorizes the City Manager to execute said Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of February 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-107**

**A RESOLUTION APPROVING AN AGREEMENT BETWEEN CITY OF  
MODESTO COMMUNITY FACILITIES DISTRICT NO. 2004-1 (VILLAGE ONE  
#2) AND PETER & CHARLENE REECE, JOSEPH & CHERYL PIMENTEL  
AND STEPHEN & KATHLEEN HUGHES WITH A MAXIMUM  
REIMBURSEMENT AMOUNT OF \$246,726.45 PLUS CONTINGENCY FOR  
IMPROVEMENTS ON SYLVAN AVENUE (PORTION AT CLAUS ROAD) AND  
A STORM DRAIN LINE (PORTION BETWEEN LITT AND CLAUS ROAD)  
AND AUTHORIZING THE DISTRICT ADMINISTRATOR TO EXECUTE SAID  
AGREEMENT**

WHEREAS, the City of Modesto desires to complete the core infrastructure needed to serve the Village One area, and

WHEREAS, Peter & Charlene Reece, Joseph & Cheryl Pimentel and Stephen & Kathleen Hughes (collectively "Landowner") have agreed to install certain improvements on Sylvan Avenue (portion at Claus Road) and a storm drain line (portion between Litt and Claus Road), and

WHEREAS, the City Council has considered the proposed Acquisition & Shortfall Agreement ("Agreement") between City of Modesto Community Facilities District No. 2004-1 ("Village One #2") and Landowner to acquire all such improvements to be installed by Landowner pursuant to the Agreement, and

WHEREAS, said Agreement shall have a maximum reimbursement amount of \$246,726.45 plus contingency,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby finds and determines:

1. The proposed Acquisition and Shortfall Agreement between City of Modesto Community Facilities District No. 2004-1 and Peter &

Charlene Reece, Joseph & Cheryl Pimentel and Stephen & Kathleen Hughes (collectively "Landowner") for improvements on Sylvan Avenue (portion at Claus Road) and a storm drain line (portion between Litt and Claus Road) are hereby approved.

2. That the District Administrator, or his designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of February 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-109**

**A RESOLUTION AUTHORIZING THE PURCHASING SUPERVISOR TO  
SOLICIT FORMAL REQUEST FOR BIDS (RFB) FOR JANITORIAL PAPER  
PRODUCTS FOR AN INITIAL THREE (3) YEAR PERIOD, WITH TWO (2)  
ONE-YEAR CONTRACT EXTENSION OPTIONS FOR A TOTAL ESTIMATED  
ANNUAL COST OF \$43,400**

WHEREAS, the Finance Department-Central Stores has requested the purchase of janitorial paper products, and

WHEREAS, Central Stores will purchase the required janitorial paper products from account number 7110-120-8311-0439, and

WHEREAS, departments purchase the janitorial paper products from Central Stores with accounts designated for that purpose, and

WHEREAS, departments may pick up the materials at Central Stores, or transmit their request to Central Stores for delivery, and

WHEREAS, the following objectives will be achieved with a contract for janitorial paper products:

- Custodial personnel will not be performing unrelated duties.
- Materials will be purchased from the awarded vendor at the lowest competitive price.
- Processing of invoices and accounting of material for multiple departments is available from one location – Central Stores, and

WHEREAS, specifications for janitorial paper products have been developed over time through collaboration between Central Stores staff and division staff requesting the janitorial paper products, and

WHEREAS, by soliciting competitive bids, the City will achieve the best value for janitorial paper products and meet Modesto Municipal Code (MMC) requirements for formal bids, and

WHEREAS, the Modesto Municipal Code Section 8-3.203 requires all purchases which meet or exceed \$50,000 for material and equipment or contractual services to be formally bid, and

WHEREAS, this Request for Bid (RFB) conforms to City Code, and

WHEREAS, the funds for inventory purchases have been appropriated in account number 7110-120-8311-0439 (INVENTORY PURCHASES STORES), and

WHEREAS, material is purchased using these funds and recouped through sales to City divisions,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Purchasing Supervisor is hereby authorized to solicit formal Request for Bids for the janitorial paper products as follows:

SECTION 1. The City Clerk is hereby authorized to call for public formal bids for janitorial paper products, for an initial three (3) year period, with two (2) one-year contract extension options at the sole discretion of City, to be opened in the office of the City Clerk, 1010 10<sup>th</sup> Street, in the City of Modesto. The City Clerk is hereby directed to give notice inviting such sealed bids in the time, form, and manner provided by law.

SECTION 2. After bids are opened, they shall be tabulated and analyzed and a report submitted to the Council.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of February 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-110**

**A RESOLUTION AUTHORIZING THE AWARD OF BID AND CONTRACT  
FOR MATERIAL HAULING SERVICES TO BOB HARKRADER & SONS  
TRUCKING INC. OF CERES, CA. FOR AN INITIAL TWO (2)-YEAR PERIOD,  
WITH THREE (3) ONE-YEAR CONTRACT EXTENSION OPTIONS FOR A  
TOTAL ESTIMATED ANNUAL COST OF \$400,000.00**

WHEREAS, the Public Works Department-Streets Division has requested material (asphalt grindings & hot asphalt) hauling service, and

WHEREAS, Resolution 2005-402 authorized the Purchasing Supervisor to solicit formal bids for material hauling services, and

WHEREAS, the Streets Division is responsible for maintaining (paving) residential streets, alleys, and major arterial and collector streets, and

WHEREAS, to repave a street, a grinding operation removes the worst sections of roadways from two (2) to twelve (12) inches deep, and

WHEREAS, this operation requires larger end dump trucks that haul the material away to the Fire Training Center where it is stockpiled and use to repair alleys in the winter months, and

WHEREAS, in the past, asphalt grindings were hauled away by using rented dump trucks, or by staff borrowing dump trucks from other divisions, and

WHEREAS, the Streets Division currently does not have the trucks or the staff resources to haul away the materials during the paving season, and

WHEREAS, the paving season runs from April 15<sup>th</sup> to November 15<sup>th</sup>, and

WHEREAS, if the Streets Division had to provide the trucks to support paving

operations, street crews productivity would be reduced by approximately 80%, and

WHEREAS, by having a material hauling service in place, staff can place 700 tons of asphalt a day; and without material hauling service, staff is limited to 14 tons a day, and

WHEREAS, the initial estimated total annual cost for material hauling services of \$250,000 has been revised to \$400,000 based on new Proposition 42 funding, and

WHEREAS, the Purchasing Division solicited formal bids for material hauling services on Request for Bid (RFB) 0506-05, and

WHEREAS, twenty-one (21) vendors were solicited, eleven (11) of which were local vendors, and

WHEREAS, out of the twenty-one vendors solicited, two (2) chose to respond, and

WHEREAS, Purchasing Division and Public Works Department-Streets Division staff evaluated bids, and

WHEREAS, bids were received from Thornberry of Ceres, CA. and Bob Harkrader & Sons Trucking Inc. of Ceres, CA. for material hauling services, and

WHEREAS, both vendors quoted an hourly straight time labor rate of \$80.00, and

WHEREAS, based on feedback from vendor references, Bob Harkrader & Sons Trucking Inc. had best performed work as outlined in RFB 0506-05, technical requirement for material hauling services, and

WHEREAS, based on the evaluation of bids per RFB 0506-05, Bob Harkrader & Sons Trucking Inc. of Ceres, CA. is the most responsive bidder for material hauling services, and

WHEREAS, the City Council has appropriated funds for material hauling service in account numbers: 1130-320-3223-6041 (CDBG Direct Program) and 0700-480-4617-0360 (Streets, Traffic & Forestry), and

WHEREAS, the present funding will support approximately \$250,000 and could increase to \$400,000 based on additional funds that could be available based on new Proposition 42 funding, and

WHEREAS, the Modesto Municipal Code, Section 8-3.203 requires all purchases, which meet or exceed \$50,000 for material and equipment or contractual services to be formally bid, and

WHEREAS, this Request for Bid process conforms to the Municipal Code, and

WHEREAS, the Purchasing Division has coordinated the solicitation and evaluation of bids for material hauling services with the Public Works Department-Street Division staff,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby awards the bid and contract for material hauling services to Bob Harkrader & Sons Trucking Inc. of Ceres, CA. for an initial two (2) year period, with three (3) one-year contract extension options at the sole discretion of the City, for a total estimated annual cost of \$400,000.

BE IT FURTHER RESOLVED that the Purchasing Division is hereby authorized to issue a purchase order for material hauling services in the total estimated annual cost of \$400,000.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

ASSOCIATION IN STANISLAUS COUNTY FOR USE OF AMPLIFIED MUSIC  
AT MANCINI BOWL FOR A RALLY FOR RECOVERY EVENT TO BE HELD  
ON SEPTEMBER 9, 2006**

WHEREAS, staff from the Parks, Recreation and Neighborhoods Department has received a letter from The Alumni Association In Stanislaus County, requesting use of amplified music at Mancini Bowl on Saturday, September 9, 2006, for a Rally For Recovery event, and

WHEREAS, City Council Policy No. 6-007 prohibits the use of amplified music in public without City Council approval, and

WHEREAS, the Safety and Communities Committee met on February 6, 2006, and supported the request for amplified music,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves a request from The Alumni Association In Stanislaus County for the use of amplified music at Mancini Bowl for a Rally For Recovery event on September 9, 2006.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-112**

**A RESOLUTION GRANTING APPROVAL TO THE FOURTH OF JULY  
CELEBRATION COMMITTEE OF THE MODESTO JAYCEES TO HOLD A  
PARADE, PICNIC IN THE PARK AND FIREWORKS DISPLAY FOR THE  
FOURTH OF JULY CELEBRATION IN THE CITY OF MODESTO, SUBJECT  
TO CERTAIN CONDITIONS, AND RESCINDING RESOLUTIONS NOS. 96-308  
AND 2003-208**

WHEREAS, the Fourth of July Celebration Committee of the Modesto Jaycees (hereinafter referred to as the Committee) has filed a request with the City Council for permission to have a parade, picnic in the park and fireworks display which will be held to celebrate the Fourth of July, and

WHEREAS, the Committee has requested the use of Graceada Park for the Fourth of July Celebration, and

WHEREAS, the Council deems it appropriate to grant approval and assistance to the Committee relating to its Fourth of July Celebration, subject to certain conditions,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the following, subject to the conditions set forth, relating to the Committee's Fourth of July Celebration parade, picnic in the park and fireworks display:

**1. Parade**

- a. "I" Street, between 11<sup>th</sup> and 12<sup>th</sup> Streets will be barricaded between 9:30 a.m. and 2:30 p.m. on the Fourth of July for the parade.
- b. The parade route to be used on the Fourth of July shall be subject to approval of the Police Chief and the Public Works Director: starting at 10<sup>th</sup> and F Streets, north on 10<sup>th</sup> to J Street; east on J Street to 11<sup>th</sup> Street; south on 11<sup>th</sup> Street to I Street; east on I street to 16<sup>th</sup> Street; then disband.

c. Responsibilities of the City

- 1) Barricades will be provided by the City of Modesto and will be placed by City staff.
- 2) City personnel will erect City's reviewing stand with canvas top on "I" Street close to the cannon in the Courthouse Park prior to 8:00 a.m. and will remove said reviewing stand thereafter.
- 3) The City will supply three (3) street sweepers for the parade route.

d. Responsibilities of the Committee

- 1) Committee is granted permission to use a public address system at the reviewing stand for the parade. Said public address system shall be furnished by the Committee at its expense.
- 2) Committee may place other public address systems along the parade route at its expense.

**2. Picnic in the Park**

a. The Committee is granted permission to use Graceada Park relating to the Picnic in the Park Fourth of July celebration, subject to the following conditions:

- 1) The City shall allow the Committee the use of amplified instrumentation at the event during the designated event times at a volume not to disturb the adjoining neighborhoods.
- 2) The Committee shall adhere to all Alcoholic Beverage control requirements.

3) All alcoholic beverages shall remain within the enclosed "beer garden" sales area.

4) The Picnic in the Park Fourth of July Celebration shall not continue beyond the hour of 6:00 p.m. on the said date(s).

b. If the Fourth of July falls on Friday, Saturday, Sunday or Monday, the Fourth of July Celebration Committee has the option to use Graceada Park for two (2) consecutive days, one of which shall be the Fourth of July.

c. The City will waive all fees for use of facilities at Graceada Park, including, but not limited to, Mancini Bowl and the picnic area.

d. Responsibilities of the City

1) The City will provide barricades to be placed on the streets around the perimeter of Graceada Park to provide curbside parking for the Committee during park activities.

2) The City shall provide two (2) barbecue trailers to be located in Graceada Park at mutually agreed to locations.

3) The City shall provide a technician to connect the Committee's sound system to the electrical power at Mancini Bowl.

4) The City shall provide twenty (20) trash receptacles in Graceada Park and shall remove them following the event.

e. Responsibilities of the Committee

1) The Committee shall provide, at its expense, one (1) security guard that is licensed and insured to provide security for the beer garden from the time the beer garden is erected, during the event, and until the beer garden and contents are removed.

2) The Committee shall be responsible for providing a technician for electrical services for the food booths, sound systems and light systems.

3) The Committee shall supply a minimum of ten (10) chemical toilets for use in Graceada Park for the Picnic in the Park.

### **3. Fireworks Display**

a. The Committee is granted permission to use the bluff land adjacent to Dryden Park Golf Course (part of the Tuolumne River Regional Park) for display of fireworks on the evening of the Fourth of July, subject to the following conditions:

1) That the weather conditions will not create any fire hazard to the surrounding area;

2) That the City will be reimbursed for any damages which may occur to the bluff land adjacent to Dryden Park Golf Course, City's two (2) adjacent golf courses, and John Thurman Field;

3) That arrangements be cleared by the Parks, Recreation and Neighborhoods Department Director, Fire Chief and the Police Chief; and

4) That the fireworks display be conducted according to the requirements of the Fire Chief of the City of Modesto.

b. Responsibilities of the City

1) The City will provide two (2) standby fire trucks.

c. Responsibilities of the Committee

1) The Committee will provide, at its expense, twelve (12) chemical toilets to be situated at locations designated by the Park Operations Superintendent, or his designee.

2) The Committee shall require its Fireworks Display Contractor to maintain liability insurance in the amount of two million dollars (\$2,000,000.00) per occurrence/aggregate limits in a form satisfactory to the City. Such insurance must name the Fourth of July Celebration Committee, the City of Modesto and the Modesto Jaycees as “additionally insured”.

#### **4. General Provisions**

a. Dial-A-Ride service will operate on its regular schedule for handicapped and senior citizens on the Fourth of July.

b. For Fiscal Year 2005-06, the City has allocated \$8,750 in grant funds to the Committee for the Fourth of July Celebration. The City will continue to allocate funds to the Celebration, with the amount to be increased or decreased by the same percentage adopted by the City Council for other local organizations receiving funds under the Cultural Promotions budget organization.

c. The City will provide police assistance during the parade, picnic in the park and fireworks display as deemed necessary by the Police Chief.

d. The Committee will endeavor to secure sufficient funds to reimburse the City for its actual costs, except for grant funds specified above.

e. The City of Modesto shall indemnify and hold harmless the committee from any and all liability, costs, damages, or injuries to persons or damage to property, which may arise out of or in any way be connected with the ordinary and customary condition of City property and facilities, or which may arise out of the negligent acts or omissions of any officer, agent or employee of the City of Modesto.

f. The Committee shall indemnify, defend and hold harmless the City of Modesto, its officers, agents and employees from any and all liability, costs, damages or injuries to persons or damage to property which may arise out of or in any way be connected with the Committee's sponsored Fourth of July parade, use of the bluff land adjacent to Dryden Park Golf Course, City's two (2) adjacent golf courses and John Thurman Field, and the streets and areas adjacent thereto for the Committee's fireworks display and the use of City facilities for the Committee's parade and picnic in the park.

g. The Committee shall provide to the City Clerk current and valid certificate(s) of insurance that are in compliance with the City of Modesto Standard Insurance requirements. Such insurance, at a minimum, shall include Commercial General Liability coverage in a primary amount of not less than \$2,000,000 per occurrence; include the City of Modesto as additionally insured; provide the City with then (10) days written notice prior to cancellation, alteration or material change in coverage. The Committee shall also file acceptable verification of coverage for legal liquor liability. Such verifications shall be submitted to the Risk Manager and shall meet with Risk Management's approval one (1) week prior to the date of the event. Upon approval, said verification shall be filed with the City Clerk.

BE IT FURTHER RESOLVED that future Fourth of July Celebrations consisting of parades, picnics in the park and/or fireworks displays are hereby approved so long as each such event and activity complies with all ordinances, rules, regulations, orders, conditions or the like as the same now exists or as hereafter may be promulgated and all authorizations or approvals are first obtained from the City Manager, Police Chief, Fire

Chief, Parks, Recreation and Neighborhoods Department Director or such other City officers as may be appropriate.

BE IT FURTHER RESOLVED that the City Clerk shall furnish the Committee with a copy of this resolution. The Committee shall file a written acceptance of this resolution with the City Clerk, and no right shall be conferred hereby until said acceptance is filed.

BE IT FURTHER RESOLVED that Resolution No 96-308, adopted June 11, 1996, is hereby rescinded.

BE IT FURTHER RESOLVED that Resolution No. 2003-208, adopted April 22, 2003, is hereby rescinded.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of February 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-113**

**A RESOLUTION REVISING THE POSITION CLASSIFICATION PLAN  
FOR THE CITY OF MODESTO**

WHEREAS, a Position Classification Plan for the City of Modesto was adopted by Modesto City Council Resolution 88-338 pursuant to Rule 2 of the Personnel Rules and Regulations of the City of Modesto, and

WHEREAS, the City Manager has recommended to the Council amendments to the Position Classification Plan, and

WHEREAS, Rule 2.2 of the City of Modesto Personnel Rules provides that revisions to the Classification Plan shall be effective upon adoption of resolution of the City Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. CLASSIFICATION CREATED. The Position Classification Plan of the City of Modesto is hereby amended to create the following classification:

Emergency Medical Services Coordinator

Said classification is being created to administer the emergency medical services program of the Fire Department. The job specification for the classification of Emergency Medical Services Coordinator, as shown on the attached Exhibit "A," which is hereby made a part of this resolution by reference, is hereby approved and made part of the Position Classification Plan of the City of Modesto.

SECTION 2. CLASSIFICATION AMENDED. The Position Classification Plan of the City of Modesto is hereby amended to revise the following classification:

Fire Division Chief

Said job specification is being amended to incorporate the Fire Marshal functions including emergency preparedness and other changes to more accurately reflect the requirements of this classification. The job specification for classification of Fire Division Chief, as shown on the attached Exhibit "B", which is hereby made a part of this resolution by reference, is hereby amended and made part of the Position Classification Plan of the City of Modesto.

SECTION 3. CLASSIFICATION DELETED. The Position Classification Plan of the City of Modesto is hereby amended to delete the following classification:

Fire Marshal

Said classification is no longer being used.

SECTION 4. EFFECTIVE DATE. This resolution shall become effective on and after February 28, 2006.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 28th day of February 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

## EMERGENCY MEDICAL SERVICES COORDINATOR

Class specifications are intended to present a descriptive list of the range of duties performed by employees in this class. Specifications are not intended to reflect all duties performed within the job.

### DEFINITION

To administer emergency medical services (EMS) programs of the Fire Department including training, equipment, certifications, legislative requirements, vaccinations, medical exposures and EMS contracts.

### SUPERVISION RECEIVED AND EXERCISED

Receives general direction from a Fire Division Chief.

May exercise direct supervision over assigned staff.

### ESSENTIAL AND MARGINAL FUNCTION STATEMENTS

Essential and other important responsibilities and duties may include, but are not limited to, the following:

#### Essential Functions:

Develop, implement, administer and evaluate operations and activities of EMS programs; recommend improvements and modifications; prepare various reports on operations and activities.

Ensure all EMS programs, operations and personnel comply with State and local laws, regulations, protocols, licensure and accreditation requirements; assist Emergency Medical Technicians (EMTs) and Paramedics with re-certification needs.

Provide and coordinate the department's continuous EMS education program in accordance with State and local regulations.

Coordinate and provide training for the cardio pulmonary resuscitation (CPR) program for department personnel and the public.

Track, maintain records and generate reports regarding certification, re-certification and other educational licensing requirements.

Essential Functions: (Continued)

Implement and monitor the Department's continuous quality improvement program for Basic Life Support (BLS) and Advanced Life Support (ALS).

Develop, implement, review, monitor and revise training courses and manuals for BLS and ALS to ensure Fire Department personnel meet established standards.

Observe patient care provided by Paramedics, including furnishing Paramedics with training, counseling and orientation as needed.

Participate in evaluating Paramedic personnel to ensure performance standards compliance; may provide technical expertise regarding Paramedic performance in disciplinary actions.

Review and update the Department's exposure control program. This may include assisting with drafting policies and procedures, providing training, and writing exposure follow-up reports. Work with the Risk Division on required "Designated Officer" duties and responsibilities.

Analyze and interpret relevant legislation, regulations and local protocols that may impact Paramedic, EMT or other department EMS programs; make written recommendations as necessary.

Evaluate, select and purchase equipment and supplies used in EMS programs; maintain equipment and supply inventory.

Attend various City Council, Commission, board and other governmental meetings; prepare and present agenda items to the City Council.

Answer questions and provide information to the public, outside agencies and City staff; investigate complaints and recommend corrective action as necessary to resolve complaints.

Assist in developing and implementing an EMS public education program; coordinate, schedule and participate in presenting public awareness and educational programs.

Recommend goals and objectives; assist in the development of policies and procedures.

Assist in the preparation, review and monitoring of the EMS budget.

Exhibit "A"

Marginal Functions:

Perform related duties as assigned.

QUALIFICATIONS

Knowledge of:

Principles, terminology, procedures, medications and equipment used in the administration of emergency medical response, including advanced life support services.

Principles and practices of emergency medicine, including clinical assessment techniques and the principles of patient prioritization and stabilization.

Principles and practices related to the development, management and administration of EMS systems and quality assurance programs.

State and local statutes and regulations pertaining to EMS training, service delivery and quality improvement.

Effective training techniques and learning processes.

Principles and practices of budget preparation and administration.

Ability to:

Coordinate and effectively manage all aspects of an EMS quality assurance program.

Monitor, evaluate and provide feedback regarding the work performance of EMTs and Paramedics.

Plan, develop, coordinate and conduct EMS training based upon a continuous quality improvement plan.

Coordinate, develop and conduct a variety of training programs for department staff and the public.

Research and analyze operational and technical issues and develop appropriate recommendations for action.

Exhibit "A"

Ability to: (Continued)

Interpret, explain and apply applicable laws, codes, regulations, standards, policies and procedures.

Develop and maintain accurate record keeping systems.

Use a computer and applicable software programs.

Communicate clearly and concisely, both orally and in writing; make effective oral presentations.

Establish and maintain effective working relationships with those contacted in the course of work.

EXPERIENCE AND TRAINING GUIDELINES

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Experience:

Three years of progressively responsible supervisory or administrative experience in the field of health care services or hospital administration.

Two years academic training or clinical experience in the practice of emergency medicine or pre-hospital care in the last five years is desirable.

Training:

Equivalent to a Bachelor's degree from an accredited college or university with major coursework in health administration or related field.

License or Certificate:

Possession of, or the ability to obtain an appropriate, valid California driver's license.

Must possess the following valid, current certificates:

License or Certificate: (Continued)

- American Heart Association (AHA) CPR and Automatic External Defibrillator (AED) Instructor
- Basic Life Support Instructor

The following certificates are desirable:

- Advanced Cardiac Life Support (ACLS) Instructor
- Pediatric Advanced Life Support (PALS) Instructor

Based on departmental approval, equivalent certification may be accepted in lieu of the above.

California licensure as a registered nurse or physician assistant or certification as an EMT-Paramedic is desirable.

WORKING CONDITIONS

Environmental Conditions:

Office and field environment. Travel from site to site. Exposure to temperature swings from indoors to outdoors; extreme noise of sirens and emergency equipment; working outdoors at emergency scenes with Paramedics and EMTs.

Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for sitting for prolonged periods of time; traveling to and from sites and attending meetings. May be required to squat, stand, lift and carry equipment (weighing up to 25 pounds) occasionally. May be required to use various office equipment including a computer screen and keyboard.

## FIRE DIVISION CHIEF

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

### DEFINITION

To manage, direct and coordinate the activities of a major division including Support Services, and Operations and the Fire Prevention Bureau; to coordinate division activities with other divisions and departments; and to provide highly complex staff assistance to the Fire Chief.

### SUPERVISION RECEIVED AND EXERCISED

Receives direction from the Fire Chief.

Exercises direct supervision over lower level division staff.

### EXAMPLES OF DUTIES ESSENTIAL AND MARGINAL FUNCTION STATEMENTS -

Essential and other important responsibilities and duties may include, but are not limited to, the following:

#### Essential Functions:

Recommend goals and objectives; assist in the development of policies and procedures.

Direct, oversee and participate in the development of the Division work plan; assign work activities, projects and programs; monitor workflow; implement policies and procedures; review and evaluate work products, methods and procedures.

Prepare the Division budget; assist in budget implementation; participate in the forecast of additional funds needed for staffing, equipment, materials, and supplies; administer the approved budget.

Participate in recommending the appointment of personnel; provide or coordinate staff training; work with employees to correct deficiencies; implement discipline procedures; recommend employee terminations.

Direct the development, implementation and coordination of training programs and standards of assigned personnel to learn and maintain technical competency.

Answer questions and provide information to the public; investigate complaints and recommend corrective action as necessary to resolve complaints.

Essential Functions: (Continued)

Respond to emergencies as required.

When assigned to Support Services:

Manage, direct and organize Support Services Division activities, including community emergency preparedness, equipment repair, supply and maintenance, purchasing and budget control, fire station maintenance, mapping and run cards, affirmative action, public information, and other programs as assigned.

When assigned to the Fire Prevention Bureau:

Supervise, direct and organize fire prevention activities, including community emergency preparedness, inspection of residential, commercial, industrial, institutional, public assembly, and public lodging facilities to obtain compliance with all applicable Federal, State and local laws and ordinances; investigation of all fires to determine cause, origin, and damages; investigation of all suspected arson fires to pursue to conclusion; maintenance of records of fire losses, inspections, investigations, fire deaths, and injuries; plan check of building fire suppression and detection systems; inspection and control of hazardous materials; review of annexations and subdivisions; and other programs as assigned.

When assigned to Fire Suppression:

Manage, direct and organize Fire Suppression Division activities, including: Suppression of all fires; abatement of hazardous material incidents; delivery of first responder emergency medical services; department training programs; company fire prevention programs; communications; personnel coordination; fire hydrant maintenance; and other programs as assigned.

Marginal Functions:

Perform related duties as assigned.

QUALIFICATIONS

Knowledge of:

Applicable Federal, State and local laws and ordinances and fire safety standards.

Budget preparation and administration. ing procedures and techniques:

Principles and practices of supervision, training and personnel management.

Exhibit "B"

Knowledge of: (Continued)

Modern principles of Fire Department administration.

Modern principles and practices of fire suppression and prevention.

Use and maintenance of fire fighting equipment and apparatus.

Building, electrical, mechanical and fire codes.

Safe work practices.

Effective methods of preparation and presentation of information for and to the public, the City Council, and other community groups.

Technical reports writing procedures and procedures for writing proposals and contracts.

Personal computers and relevant software programs.

Ability to:

Organize, direct and implement a variety of division programs.

Work with and control sensitive, ~~Handle delicate and confidential information, and matters.~~

Prepare and administer a division budget.

Select, ~~s~~Supervise, train, coach and evaluate assigned staff.

Develop requests for proposals and contracts.

Meet and deal tactfully, and establish and maintain cooperative working relationships with the public, news media, and other governmental agencies.

Effectively represent the department before the Council, Council Committees, boards, commissions, public agencies and private groups.

~~Appear before the City Council, boards, commissions and numerous civic groups representing the Department.~~

Operate personal computers and software to produce spreadsheets, charts, and graphs for presentations and maintaining statistical data.

Exhibit "B"

Ability to: (Continued)

Establish and maintain cooperative working relationships with those contacted in the course of work.

Communicate clearly and concisely, both orally and in writing.

Make sound decisions in a manner consistent with job duties and departmental or City policies.

EXPERIENCE AND TRAINING GUIDELINES

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Experience:

One year of increasingly responsible experience comparable to that of a Fire Battalion Chief.

Training:

Equivalent to a Bachelor or Associate of Arts degree from an accredited college or university with major course work in fire science, public administration, business administration or a related field.

License or Certificate

Possession of, or ability to obtain, an appropriate, valid California driver's license.

WORKING CONDITIONS

Environmental Conditions:

Office and field environment.

Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for sitting for prolonged periods of time; traveling to and from sites, attending meetings and using a personal computer and other office equipment.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-114**

**A RESOLUTION AMENDING EXHIBIT "A" OF RESOLUTION  
NO. 2005-494 TO AMEND THE CLASS RANGE TABLE FOR REPRESENTED  
MANAGEMENT AND CONFIDENTIAL NON-SWORN CLASSES TO CREATE  
THE CLASSIFICATION OF EMERGENCY MEDICAL SERVICES  
COORDINATOR AT RANGE 435 (\$4,967 - \$6,052/MONTH) AND TO DELETE  
THE CLASSIFICATION OF FIRE MARSHAL FROM RANGE 441 OF THE  
CLASS RANGE TABLE**

WHEREAS, the City Council desires to amend Exhibit "A" of Resolution No. 2005-494, which approved the Class Range Table for Represented Management and Non-Sworn Classes,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION I. AMENDMENT TO RESOLUTION NO. 2005-494. Resolution No. 2005-494 effective October 4, 2005, is hereby amended as shown on the amended Exhibit "A" entitled "City of Modesto Class Range Table Represented Management and Confidential Non-Sworn Classes effective February 28, 2006", which is attached hereto and made a part hereof as though set forth in full herein. Said amended Exhibit "A" establishes the salary range for Emergency Medical Services Coordinator at Range 435 (\$4,967 - \$6,052 per month) and deletes the Fire Marshal from Range 441 of the Class Range Table.

SECTION 2. EFFECTIVE DATE. This resolution shall become effective on and after February 28, 2006.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 28th day of February 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-115**

**A RESOLUTION AUTHORIZING SEVERANCE PAY, HEALTH BENEFITS,  
INTERVIEW LEAVE AND JOB QUALIFICATIONS FOR EMPLOYEES  
SUBJECT TO AN AUTHORIZED REDUCTION IN FORCE, SUBJECT TO A  
SIGNED AGREEMENT WITH GROVER LANDSCAPE SERVICES FOR  
OUTSOURCING OF THE PARKS LANDSCAPING FUNCTION AND SUBJECT  
TO INDIVIDUAL EMPLOYEE SETTLEMENT AGREEMENTS, TO SUNSET  
120 DAYS AFTER THE INITIAL NOTICES OF LAYOFF TO AFFECTED  
EMPLOYEES**

WHEREAS, by Resolution No. 2005-581 which was adopted November 22, 2005, the City Council directed staff to negotiate a landscape maintenance service agreement with Grover Landscape Services, Inc. for parks, sound walls and public landscaping owned and/or maintained by the City of Modesto, and

WHEREAS, this Council action followed a managed competition process as outlined by Council policy, and

WHEREAS, once this agreement is negotiated, it will result in the reduction of fourteen (14) authorized positions in the classification of Maintenance Worker II in the Parks, Recreation and Neighborhoods Department, and

WHEREAS, this reduction in force may result in the lay off of current, regular City employees, and

WHEREAS, current Personnel Rules and the Modesto City Employees' Association Implementation Document of 2005-2007 provide that employees who are laid off receive only those benefits to which any departing employee would be entitled, and

WHEREAS, City staff is recommending to the Council that laid off employees should receive Severance Pay equivalent to a minimum of four (4) weeks of the

employee's salary and City health contribution upon the effective date of the layoff and thereby provide a limited cash payment to assist the laid off employee who is faced with loss of job and income, and

WHEREAS, City staff is recommending that in addition, employees with six (6) or more full years of service are eligible for additional severance as follows: severance pay in the amount of one (1) week of salary for each complete year of service in excess of five (5) full years of service, to a maximum of four (4) additional weeks, and

WHEREAS, City staff is also recommending that employees who are notified of pending lay off should receive Interview Leave which would provide paid leave time for employees to seek other employment prior to their date of layoff, and

WHEREAS, City staff is recommending that where an employee volunteers to be laid off and is in the classification or the approved bumping chain of a position authorized for layoff, the City Manager may authorize said employee to be laid off, with all rights to receive severance benefits, and

WHEREAS, employees unable to pass the 100-pound lifting requirement of the Maintenance Worker positions in Public Works will engage in a discussion with management and other appropriate personnel on a case-by-case basis (in the same manner as other reasonable accommodation requests) and,

WHEREAS, any accommodation reached will be consistent with state and federal guidelines, and

WHEREAS, each employee who receives a notice of layoff and who elects to accept severance benefits upon layoff shall enter into a settlement agreement with the City, which includes the employees written release in favor of the City.

NOW, THEREFORE, BE IT HEREBY RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. Eligibility for Benefits: City employees who are laid off due to an authorized reduction in force as a result of the outsourcing agreement signed with Grover Landscape Services, Inc. shall be eligible to receive severance benefits subject to the terms and conditions as set forth below. All severance benefit entitlements shall be in addition to any other benefits to which the employee would otherwise be entitled pursuant to the City's Personnel Rules or appropriate Memorandum of Understanding. The City Manager is authorized to postpone an employee's date of layoff or demotion for up to ninety (90) days, at his discretion, if deemed necessary to meet the needs of the City.

SECTION 2. Eligibility for One Hundred and Sixty (160) Work Hours of Severance Pay: All non-sworn employees in regular positions in the classified service who are laid off due to a reduction in force shall be entitled to receive upon separation from service, severance pay equivalent to One Hundred Sixty (160) work hours. Severance pay shall be calculated based upon the employee's regular base pay, excluding acting pay, assignment pay, shift differential, or other special pays.

SECTION 3. Eligibility for Additional Severance Pay: All non-sworn employees in regular positions in the classified service who are laid off due to a reduction in force and who have six (6) or more complete years of continuous service are eligible for additional severance pay as follows:

A. Severance pay equivalent to forty (40) work hours of salary for each completed year of service in excess of five (5) completed years of service, up to a maximum of one hundred and sixty (160) work hours. Additional severance pay shall be calculated based upon the employee's regular base pay, excluding acting pay, assignment pay, shift differential, or other special pays.

SECTION 4. Severance Pay Options: At the time of separation, an employee may elect to receive severance pay in a lump sum payment or in the form of a contribution to the employee's deferred compensation plan or a combination thereof subject to all appropriate IRS regulations and limitations.

SECTION 5. Eligibility for Health Contribution: Employees who receive severance pay shall also be eligible to receive the City's contribution to health, dental and vision premiums for a period of four (4) to eight (8) weeks following layoff. The amount of this contribution shall be the same as that provided to active employees, except that the amount shall not include the equivalent of any in-lieu deferred compensation. The duration of the premium contributions shall be for the same number of weeks as the severance pay provision (4-8 weeks depending on years of service). The contribution shall be paid directly to the insurance carriers.

SECTION 6. Eligibility for Counseling Benefit: Employees who receive severance pay shall also be eligible for an extension of the City's Employee Assistance Program (EAP) benefit for a period of six (6) months from date of layoff. Said benefit shall provide for a maximum of six (6) EAP visits per family.

SECTION 7. Eligibility for Interview Leave: All non-sworn employees in regular positions in the classified service who are provided notice by his/her Department

Director that the employee may be laid off due to a reduction in force shall be entitled, prior to separation, to a maximum of fifteen (15) work hours of paid leave time for purposes of participating in employment interviews or examinations with any other employer.

Authorized interview leave shall be subject to prior written approval of the employee's supervisor and with consideration for the needs of the City. Written verification of scheduled interviews or examinations may be required by the employee's supervisor. Interview leave in excess of fifteen (15) work hours may be granted with the prior written approval of the employee's Department Director. Interview leave shall not be subject to cash out or conversion to any other benefit.

SECTION 8. Job Qualifications: Employees unable to pass the 100-pound lifting requirement of the Maintenance Worker positions in Public Works will engage in a discussion with management and other appropriate personnel on a case-by-case basis (in the same manner as other reasonable accommodation requests). Any accommodation reached will be consistent with state and federal guidelines.

SECTION 9. Voluntary Layoff: The City Manager may authorize any employee in a regular position in the classified service who volunteers to be laid off, and is in the classification or the approved bumping chain of a position authorized for layoff, to be laid off, with all rights to receive severance pay, health contributions and interview leave as provided herein.

SECTION 10. Written Release: Each eligible employee who receives a notice of layoff and elects to take advantage of the severance benefits upon layoff, which are authorized by this resolution, shall execute a settlement agreement with the City, which

includes a written release in favor of the City and an acknowledgment by their Employee Association representative, in a form approved the City Attorney. The City Manager is hereby authorized to execute said settlement agreements.

SECTION 11. Agreement with MCEA: Prior to execution of any settlement agreements as set forth in Section 10, above, the City shall execute an agreement with the Modesto City Employees' Association in a form approved by the City Attorney, agreeing to the provision of severance benefits as authorized herein.

SECTION 12 Term: Severance benefits, as set forth in this Resolution shall terminate effective 120 days after the initial notices of layoff to affected employees, unless extended by resolution of the Modesto City Council.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of February 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

AYES:	Councilmembers:	Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-116**

**A RESOLUTION AMENDING THE FISCAL YEAR 2005-2006 BUDGET TO  
RECOGNIZE AND APPROPRIATE NEW CONGESTION MITIGATION AND  
AIR QUALITY (CMAQ) GRANT REVENUES OF \$4,510,404 FOR FISCAL  
YEAR 2005-2006**

WHEREAS, on May 3, 2005, Council approved the City's applications for  
Congestion Mitigation and Air Quality (CMAQ) grant funding, and

WHEREAS, CMAQ funds are awarded to the City by StanCOG and are dispersed  
both competitively and based upon population, and

WHEREAS, the City received notification of its fiscal year 2005-2006 CMAQ  
award, which totals \$5,094,781, and

WHEREAS, the City's matching share for the CMAQ projects is \$584,377 all of  
which is currently budgeted within the existing CIP, and

WHEREAS, the Economic Development Committee (EDC) at its February 13,  
2006, meeting reviewed the CMAQ projects and recommended that City Council approve  
the projects,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto  
that it hereby approves amending the Fiscal Year 2005-2006 Annual Budget to recognize  
and appropriate new Congestion Mitigation and Air Quality (CMAQ) grant revenues of  
\$4,510,404,

BE IT FURTHER REVOLVED that the Council hereby authorizes the Finance  
Director to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of February 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-117**

**A RESOLUTION AMENDING THE 2005-2006 CAPITAL IMPROVEMENT  
PROGRAM (CIP) TO INCLUDE CMAQ-FUNDED CIP PROJECTS**

WHEREAS, on May 3, 2005, Council approved the City's applications for Congestion Mitigation and Air Quality (CMAQ) grant funding, including competitive projects submitted for funding, and

WHEREAS, CMAQ funds may be used to fund up to 88.53% of covered project costs, and

WHEREAS, the Economic Development Committee (EDC) at its February 13, 2006, meeting reviewed the CMAQ projects and recommended Council approval, and

WHEREAS, acceptance and appropriation of the CMAQ funding requires amending the City's CIP to include the CMAQ projects, and

WHEREAS, the new projects are classified as secondary projects and fall beneath primary projects already approved by Council, and

WHEREAS, primary projects serve as the budgetary control device within the CIP, and

WHEREAS, secondary projects are related projects, which fall beneath the primary project category, and

WHEREAS, the City Manager has authority to move funds between secondary projects within a single primary project,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the 2005-2006 Capital Improvement Program (CIP) to include CMAQ-funded CIP projects and authorizes the City Manager to move funds

between secondary projects within a single primary project to include CMAQ-funded CIP projects.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of February 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-118**

**A RESOLUTION APPROVING A NEW FIVE-YEAR LEASE AGREEMENT  
BETWEEN THE CITY OF MODESTO AND THE CALIFORNIA CENTRAL  
VALLEY SQUADRON OF THE COMMEMORATIVE AIR FORCE (CAF) FOR  
AIRPORT HANGAR NO. 1 AT THE ESTABLISHED ANNUAL RATE OF  
\$17,172.00, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE,  
TO EXECUTE THE AGREEMENT ON BEHALF OF THE CITY**

WHEREAS, the Airport Hangar No. 1, one of the oldest aircraft storage hangars in California, is currently vacant, and

WHEREAS, the California Central Valley Squadron of the Commemorative Air Force (CAF) has been a tenant at Modesto City-County Airport for the past 18 years, and

WHEREAS, the CAF wishes to lease all of Airport Hangar No. 1 for use as an air museum and as a hub for their local CAF activities while preserving and maintaining the Hangar in its historic 1928 condition, and

WHEREAS, the CAF presented a bid package containing financial information and references for review and was subsequently determined to be the preferred lessee for Hangar No. 1, and

WHEREAS, the lease agreement is expected to provide revenues of approximately \$17,172.00 a year to the Airport Enterprise Fund Revenue Account No. 6310-440-5412-4413, and

WHEREAS, on December 21, 2005 the Airport Advisory Committee unanimously agreed with staff's recommendation to lease Hangar No. 1 to the CAF, and

WHEREAS, the Economic Development Committee, at its February 13, 2006 meeting, approved the prospective lease of Hangar No. 1 to the CAF,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a five- year Airport Lease Agreement between the City of Modesto and the Commemorative Air Force (CAF) for the use of Hangar No. 1.

BE IT FURTHER RESOLVED that the City Manager, or his authorized designee, is hereby authorized to execute the Airport Lease Agreement on behalf of the City.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of February 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-119**

**A RESOLUTION APPROVING AN EXTENSION OF THE AIRPORT GROUND  
LEASE AGREEMENT FOR HANGAR NO. 7 BETWEEN THE CITY OF  
MODESTO AND JAMES C. SORENSEN FOR AN ADDITIONAL 15- YEAR  
PERIOD AT THE ESTABLISHED ANNUAL RATE OF \$828.00 AND  
AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE  
THE LEASE AGREEMENT ON BEHALF OF THE CITY**

WHEREAS, the City of Modesto entered into a 20-year ground lease with James C. Sorenson in 1982 for development of an airport hangar (now known as Hangar No. 7), and

WHEREAS, the original 20-year lease has been in a holdover status since February 2002, and

WHEREAS, James C. Sorensen has requested a lease extension for a period of an additional 15 years, and

WHEREAS, in recent years the City has granted 35-year leases to other ground lease tenants for development of land parcels with aircraft hangars, and

WHEREAS, Hangar No. 7 is the home of an air museum which displays classic aircraft and is a frequent venue for airport hospitality functions and school tours, and

WHEREAS, the lease agreement is expected to continue providing annual revenues of \$828.00 to the Airport Enterprise Fund Revenue Account 6310-440-5412-6201, and

WHEREAS, the Economic Development Committee, at its February 13, 2006 meeting, recommended approval of this ground lease extension,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an extension of the Airport Ground Lease Agreement for Hangar No. 7 between the City of Modesto and James C. Sorensen for an additional 15-year period at the established annual rate of \$828.00.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Airport Ground Lease Agreement on behalf of the City.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of February 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-120**

**A RESOLUTION REJECTING THE TWO BIDS FOR THE PROJECT TITLED  
"SHADE STRUCTURES FOR MODESTO PARKS" AND AUTHORIZING  
STAFF TO RE-ADVERTISE THE PROJECT AT A FUTURE DATE**

WHEREAS, the bids received for Shade Structures for Modesto Parks were opened at 11:00 a.m. on January 17, 2006, and later tabulated by the Public Works Director for the consideration of the Council, and

WHEREAS, during the bid evaluation process staff determined that the two bids for the project unreasonably exceeded the consultant architect's estimate. Therefore, staff recommends the bids be rejected and staff be allowed to re-advertise the project,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the two bids received for "Shade Structures for Modesto Parks," opened in the office of the City Clerk on January 17, 2006, are hereby rejected.

BE IT FURTHER RESOLVED that staff is hereby authorized to re-advertise the project at a future date.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of February 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-121**

**A RESOLUTION APPROVING AN AMENDMENT TO THE AGREEMENT  
WITH ROSS G. STEPHENSON ASSOCIATES, INC., IN THE AMOUNT OF  
\$30,253, EXPANDING THE SCOPE OF WORK BY EXPANDING THE LIMITS  
OF THE PROJECT TITLED "ROSELLE & FLOYD INTERSECTION  
WIDENING," AND AUTHORIZING THE DISTRICT ADMINISTRATOR TO  
EXECUTE THE AMENDMENT**

WHEREAS, on October 26, 2004, the City Council approved a Professional Services Agreement with Ross G. Stephenson Associates, Inc., in the amount of \$92,385, to develop engineering plans for the design of the Roundabout at the Floyd & Roselle Intersection, and

WHEREAS, the City has requested that the contract be modified to allow for additional roadway widening on Roselle from the Roundabout at Floyd to Belharbour, and on Floyd from the Roundabout at Roselle to approximately 300' east, and

WHEREAS, widening on Floyd Avenue, east of Oakdale Road, the construction of the new Enochs High School, and continued residential and commercial development in the area will ease traffic congestion, and

WHEREAS, widening the roadways with one construction project will keep from waiting for development and constructing in phases, and

WHEREAS, all construction funds are programmed in the Community Facilities District 2004-1 (Village One #2), and

WHEREAS, modifying the design contract with Ross G. Stephenson Associates, Inc., will have a financial impact to the project of \$30,253.00 for the cost of additional scope of work, and

WHEREAS, Ross G. Stephenson Associates, Inc., will expedite the completion of the design of the expanded Floyd & Roselle Intersection Widening project,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Amendment to Agreement with Ross G. Stephenson Associates, Inc., in the amount of \$30,253, expanding the scope of work by expanding the limits of the project titled "Roselle & Floyd Intersection Widening."

BE IT FURTHER RESOLVED that the District Administrator, or his designee, is hereby authorized to execute the Amendment to Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of February 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-122**

**A RESOLUTION APPROVING THE FINAL MAP OF SCENIC BEND ESTATES  
SUBDIVISION IN THE CITY OF MODESTO AND AUTHORIZING THE CITY  
MANAGER TO EXECUTE A SUBDIVISION AGREEMENT WITH JAMES E.  
COLEMAN AND SUSANN G. COLEMAN**

WHEREAS, JAMES E. COLEMAN AND SUSANN G. COLEMAN, Husband and Wife as community property, are possessed of a tract of land situated in the City of Modesto, County of Stanislaus, consisting of 4.75 acres, known as SCENIC BEND ESTATES ("SUBDIVISION"), and

WHEREAS, a tentative map of said tract was approved by the Planning Commission of the City of Modesto on the 14<sup>th</sup> day of February, 2005, and

WHEREAS, the Secretary of the Planning Commission of the City of Modesto and the City Engineer have certified that the final map of said tract substantially conforms to the approved tentative map, and

WHEREAS, the City Engineer of the City of Modesto has certified that the final map of said SUBDIVISION meets all of the provisions of the California Subdivision Map Act and the provisions of the Modesto Municipal Code relating to subdivisions, and that the map is technically correct,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that said final map be approved; that the dedications for public streets and easements as shown thereon within the boundaries of said tract be accepted on behalf of the public for public use; and that the City Clerk be authorized to certify the map of said tract on behalf of the City of Modesto after the fees and deposits required by the Modesto Municipal Code in amounts determined by the City Engineer have been paid; and after subdivider

has furnished securities, as set forth in Section 4-4.605 of the Modesto Municipal Code, which shall secure the obligations set forth in Section 66499.3 of the Government Code of the State of California. Said securities shall be in forms acceptable to the City Attorney and in the amounts required by the City Engineer.

BE IT FURTHER RESOLVED that the City Manager and the City Clerk be authorized to execute and attest, respectively, an agreement with subdivider as required by Section 4-4.604(c) of the Modesto Municipal Code.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of February 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-123**

**A RESOLUTION ACCEPTING THE STAFF REPORT ON WASTE  
MANAGEMENT'S PERFORMANCE DURING THE PERIOD OF JANUARY 1,  
2004 THROUGH DECEMBER 31, 2005, AND AUTHORIZING STAFF TO  
ENTER INTO NEGOTIATIONS WITH WASTE MANAGEMENT FOR A NEW  
LONGER-TERM SERVICE AGREEMENT**

WHEREAS, on November 1, 1997, the City executed a Service Agreement with Modesto Garbage Company, Inc., D.B.A. Modesto Disposal Service, which was then a subsidiary of USA Waste of California, which later acquired Waste Management and changed the name of the corporate parent to Waste Management, for a term through January 1, 2007, and

WHEREAS, while the term of this Service Agreement with Waste Management was for 10 years, due to concerns about the corporation's problems in other cities, the City Council added a provision to the Service Agreement to allow the City to terminate the agreement on January 1, 2004, if the City found the company did not meet certain performance standards to the satisfaction of the City, and

WHEREAS, pursuant to Modesto Municipal Code Section 5-5.33, the City Council held a public hearing, on Thursday, November 13, 2003, at 5:30 p.m. in the Tenth Street Place Chambers located at 1010 10<sup>th</sup> Street, Modesto, California, at which hearing the Council heard a report from City staff detailing that over a 3-year period, the company had violated multiple provisions of Section b.1. of their Service Agreement, and

WHEREAS, at said hearing, having considered evidence presented by staff as well as testimony from the Company and members of the public, the Council terminated the Service Agreement with Waste Management (D.B.A. Modesto Disposal Service)

effective January 1, 2004, authorized the City Manager to execute a one (1) year Interim Agreement with Waste Management allowing them to continue providing service through January 2005, authorized the City Manager to extend the Interim Agreement for a total of two (2) one-year extensions if the company fully complied with the service requirements of the City, and required Waste Management to compensate the City for staff time expended in the resolution of customer service complaints, and

WHEREAS, the Interim Agreement required the City to review Waste Management's performance at 9-month intervals to determine whether the company was making progress in complying with the terms and conditions of the Agreement, and

WHEREAS, as a result of the first 9-month review, the Interim Agreement was extended through January 2006, and

WHEREAS, as a result of the second 9-month review, the Interim Agreement was extended through January 2007, and staff was directed to conduct a final performance review covering the period through December 31, 2005, and

WHEREAS, staff has conducted the final review, and believes that the performance improvements reflected by the service logs and the improved operations at Waste Management's transfer station warrant entering into a longer-term agreement with Waste Management, and

WHEREAS, staff presented a recommendation to the Economic Development Committee at its February 13, 2006, that staff be authorized to enter into negotiations on a longer term agreement with Waste Management, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto, that it hereby authorizes staff to enter into negotiations with Waste Management on a new longer term contract.

The foregoing resolution was introduced at a public meeting of the Council of the City of Modesto held on the 28th day of February 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

MODESTO CITY COUNCIL  
RESOLUTION MOTION

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-124**

**A RESOLUTION APPROVING AUDIT COMMITTEE RECOMMENDATIONS  
TO ACCEPT THE AUDITOR'S REPORT ON PUBLIC WORKS DEPARTMENT  
WASTEWATER DIVISION OPERATIONS, TO REQUEST THE CITY  
ATTORNEY TO REVIEW THE CITY CHARTER AND MUNICIPAL CODE  
FOR VIOLATIONS LISTED IN THE AUDITOR'S REPORT, AND TO  
PERFORM AN AUDIT OF THE PUBLIC WORKS DEPARTMENT  
WASTEWATER DIVISIONS UTILIZING AN EXTERNAL AUDIT FIRM**

WHEREAS, at its April 5, 2005, meeting the Modesto City Council, by motion, assigned to the City Clerk & Auditor's Office an engagement to perform agreed-upon-procedures in the Public Works wastewater divisions, and

WHEREAS, the report on this assignment was presented to the Audit Committee on February 1, 2006,

WHEREAS, the Audit Committee accepted the report, and made the following three recommendations to the Modesto City Council:

- 1) to accept the Senior Auditor's report on this engagement,
- 2) to request the Interim City Attorney to review the City Charter and Municipal Code for possible violations listed in the auditor's report, and
- 3) to perform an audit of the Public Works Department utilizing services of an external audit firm, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby 1) accepts the auditor's report on agreed-upon procedures performed in the Public Works Department Wastewater Divisions, 2) requests the City Attorney to review the City Charter and Municipal Code for possible violations listed in the auditor's report, and to determine responsible parties for those violations, and 3) authorizes Gary

Nienhuis, Senior Auditor, to obtain proposals from external audit firms for a financial audit of the Public Works Department Wastewater Operations, commencing with the date of formation of the Public Works Department by integration of the former Operations and Maintenance Department and the former Engineering and Transportation Department.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28th day of February 2006, by Councilmember O'Bryant, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION APPROVING THE ISSUANCE OF A 30-DAY INTENT TO  
TERMINATE LETTER AND TERMINATION OF THE AGREEMENT  
BETWEEN THE CITY OF MODESTO AND FORESIGHT CONSULTING**

WHEREAS, the City entered into an agreement for the preparation of a study to determine water, waste water and connection fees with Foresight Consulting in December 2003; and

WHEREAS, a review of the actual requirements for the preparation of the wastewater user fees and wastewater connection fees has established that a firm with more staffing and software resources is needed to complete the studies of these fees; and

WHEREAS, the City Council has determined that it is in the best interests of the City to terminate the agreement with Foresight Consulting by issuing a 30-day Intent to Terminate Letter as provided for in the agreement;

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the Finance Director to issue a 30-day Intent to Terminate Letter to Foresight Consulting immediately.

BE IT FURTHER RESOLVED that the agreement with Foresight Consulting will terminate at the end of the 30-day period prescribed in the Intent to Terminate Letter.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of February 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-125**

**A RESOLUTION APPROVING THE APPEAL BY CHARLES EVINS, ON  
BEHALF OF THE NEW BETHANY MISSIONARY BAPTIST CHURCH, TO AN  
ADMINISTRATIVE DECISION BY THE CITY ATTORNEY'S OFFICE  
REQUIRING THE RECORDATION OF A PARKING COVENANT TO SATISFY  
OFF-STREET PARKING REQUIREMENTS**

WHEREAS, on February 26, 2004, by Resolution No. 2004-07, the Board of Zoning Adjustment approved in concept a proposal by the New Bethany Missionary Baptist Church ("Church") to construct a 300-seat auditorium on property located at 315 6<sup>th</sup> Street; and

WHEREAS, Condition No. 2 of Resolution No. 2004-07 requires that prior to issuance of a building permit for the expansion, the Church shall submit revised plans showing all off-street parking as required by Article 20 of the Modesto Municipal Code; and,

WHEREAS, the Church is required to provide a total of 38 off-street parking spaces for the proposed expansion, 4 of which can be accommodated on the Church's property; and

WHEREAS, the Church has proposed to provide the additional 34 off-street parking spaces through a joint use parking arrangement on property owned by Wille Electric, a neighboring business; and,

WHEREAS, Modesto Municipal Code Section 2.2002(h) allows joint use parking arrangements between properties owned by different parties provided a covenant is recorded against the property on which the parking is located, in a form consistent with the requirements set forth in Section 2.2002(h) and in a form approved by the City Attorney; and,

WHEREAS, in December 2005, Reverend Charles Evins, on behalf of the Church, verbally requested that the City Attorney's office waive the requirement that the parking covenant be recorded; and,

WHEREAS, on December 15, 2005, the City Attorney's Office issued a letter denying Reverend Evins' request and advised him of his right to appeal the decision to the Board of Zoning Adjustment; and,

WHEREAS, on January 13, 2006, Reverend Evins filed a timely appeal to the decision of the City Attorney's Office pursuant to Modesto Municipal Code Section 10-2.2801; and,

WHEREAS, on February 2, 2006, at 10:00 a.m. or as soon thereafter as the matter could be heard, at the Council Chambers, 1010 Tenth Street, Modesto, California, the Board of Zoning Adjustment heard and considered the appeal by Reverend Evins at which hearing evidence both oral and documentary was received and considered; and,

WHEREAS, at the close of the hearing, the Board of Zoning Adjustment determined that the appeal should be referred to the City Council for a final determination, with a recommendation that the appeal be denied; and,

WHEREAS, on February 28, 2006, at 5:30 p.m. or as soon thereafter as the matter could be heard, at the Council Chambers, 1010 Tenth Street, Modesto, California, the City Council held a duly noticed public hearing to consider the above-mentioned appeal at which hearing evidence both oral and documentary was received and considered.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that:

1. The foregoing recitals are true and correct.

2. The Council has received and considered all oral and documentary evidence as presented at the appeal.
3. The Council finds and determines that The New Bethany Missionary Church is located in an existing building which has been on the site for over 100 years, that the Church is located in the downtown area and that it is a nonprofit use.
4. Based on the above findings and considerations, the Council hereby grants the appeal of Charles Evins, on behalf of the New Bethany Missionary Church, to the administrative decision by the City Attorney's Office requiring the recordation of a parking covenant to satisfy off-street parking requirements for the proposed expansion of the Church.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of February 2006, by Councilmember Dunbar, who moved its adoption which motion being duly seconded by Councilmember Olsen, which upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-126**

**A RESOLUTION ACCEPTING WITH REGRET THE RESIGNATION OF  
JAMES DAVIS FROM THE AIRPORT ADVISORY COMMITTEE**

WHEREAS, JAMES DAVIS was appointed a member of the Airport Advisory Committee on March 23, 2004, and

WHEREAS, JAMES DAVIS has tendered his resignation from the aforementioned committee, and

WHEREAS, JAMES DAVIS has been a devoted and sincere public servant and has contributed greatly to our civic progress,

NOW, THEREFORE, BE IT RESOLVED that the resignation of JAMES DAVIS from the Airport Advisory Committee hereby is accepted with regret.

BE IT FURTHER RESOLVED that the Council of the City of Modesto, on its own behalf, and on behalf of the citizens of this City, hereby expresses its sincere appreciation to JAMES DAVIS for his outstanding service to the community.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7<sup>th</sup> day of March 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Hawn, Dunbar, Keating, Marsh, O'Bryant, Olsen,  
Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-127**

**A RESOLUTION APPROVING AMENDMENT NO. 2 TO THE AGREEMENT  
BETWEEN THE CITY OF MODESTO AND JONES AND STOKES  
ASSOCIATES FOR WORK ON AN ENVIRONMENTAL IMPACT REPORT  
FOR A PROPOSED COMMERCIAL/OFFICE PROJECT, THE PROMENADE,  
AND AUTHORIZING THE CITY MANAGER TO EXECUTE AMENDMENT  
NO. 2 TO THE AGREEMENT IN AN AMOUNT NOT TO EXCEED \$41,626**

WHEREAS, Setrok Limited Partnership has applied for a general plan amendment and rezoning to a planned development zone to allow 198,350 square feet of specialty retail shops and restaurants, a 68,000 square foot multi-screen theater, 91,350 square feet of offices and a 108-room, three-story hotel on property located on the west side of Dale Road, north of the Vintage Faire Mall (The Promenade), and

WHEREAS, Section 21080.1 of the California Public Resources Code requires the City of Modesto, as lead agency, to make a determination of whether an environmental impact report is required for projects, and

WHEREAS, the City has determined that an environmental impact report is required for the proposed Promenade project, and

WHEREAS, on December 10, 2002, the City Council approved a list of environmental service providers, including the firm of Jones and Stokes, to assist with the preparation of environmental impact reports and other environmental documents, and

WHEREAS, City staff selected Jones and Stokes to prepare the environmental impact report for The Promenade because they had an organized project team at the time of the selection interviews and the sub-consultant they had selected to do the traffic analysis had just completed work in this quadrant of the City for the Kaiser Medical Center project, and

WHEREAS, on July 13, 2004, the City Council adopted Resolution No. 2004-349, approving an agreement with Jones and Stokes Associates for work on an environmental impact report ("EIR") for a proposed commercial/office project, the Promenade, in an amount not to exceed \$173,552 ("Agreement"), and

WHEREAS, on May 24, 2005, the City Council adopted Resolution No. 2005-260, approving Amendment No. 1 for additional traffic analysis and services beyond the scope of the Agreement to provide consistency between the Promenade and Kaiser Environmental Impact Reports, in an amount not to exceed \$59,956, and

WHEREAS, additional issues have arisen in providing focused analyses at key intersections and access points to the center and in coordinating the EIR with the update to the City's Master utility documents that require services beyond the scope of Amendment No. 1, requiring a second amendment in an amount not to exceed \$41,626,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that Amendment No.2 to the Agreement between the City of Modesto and Jones and Stokes to perform additional tasks related to the preparation of the Draft EIR, in an amount not to exceed \$41,626, is hereby approved.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute Amendment No. 2 to the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7<sup>th</sup> day of March 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-128**

**A RESOLUTION AUTHORIZING APPROVAL OF THE FIRST DRINKING WATER AGREEMENT BETWEEN THE CITY OF MODESTO AND THE TURLOCK IRRIGATION DISTRICT (TID) FOR DESIGN, ENVIRONMENTAL REVIEW, PERMITTING, LAND PURCHASES, AND RELATED ACTIVITIES ASSOCIATED WITH TID'S PROPOSED REGIONAL SURFACE WATER SUPPLY PROJECT, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, the Turlock Irrigation District (TID) has solicited interest from the City, as well as other local communities, for participation in their proposed Regional Surface Water Supply Project (RSWSP), and

WHEREAS, a report entitled the "Proposed Regional Surface Water Supply Project" (Brown and Caldwell, 2003), provides a program level description of the project, and

WHEREAS, additional water is needed in the South Modesto area because the current local groundwater supply is not sufficient to meet existing demands, and

WHEREAS, this project would be expected to provide existing users with a reliable water source and keep pace with the City's projected growth in the South Modesto area, and

WHEREAS, the execution of the proposed "First Drinking Water Agreement" between the City and TID will allow work on the project to proceed up to construction, and allow City to reimburse TID for their expenses incurred to that point, and

WHEREAS, the cities of Ceres, Turlock, and Hughson have entered into the same agreement with TID, securing their participation in the project, and

WHEREAS, the treatment plant would be owned and operated by TID, with each participating community contributing their fair-share of the project's costs, and

WHEREAS, West-Yost and Associates prepared a report in June 2003, that projected a water supply requirement from the proposed RSWSP for the South Modesto area of 11.5 million gallons per day, and

WHEREAS, TID developed preliminary cost estimates for various alternatives (depending on which agencies participate) that put the City's share of the Phase 1, 2, & 3 costs between \$2 and \$3 million dollars, and

WHEREAS, Phase 1 of the RSWSP primarily includes preliminary design, water rights issues, and environmental review. Phase 2 includes final design, permitting, land purchases, right-of-ways acquisitions, legal review, and preparatory financial work.

Phase 3 includes final financing work and obtaining construction bids, and

WHEREAS, opting out at any time after execution of the "First Drinking Water Agreement" would require the City to reimburse TID for the City's fair share of costs incurred to that point, and

WHEREAS, a subsequent "Water Sales Agreement" would be entered into at the conclusion of Phase 3 that will address a number of the outstanding issues the First Drinking Water Agreement does not, and

WHEREAS, TID is currently seeking a commitment from the City for participation in Phases 1, 2, & 3 of the project, and

WHEREAS, TID is not asking for any funds from the City until the plant is up and running and water is being delivered. At that point (in approximately five years), all

of the City's fair-share costs incurred to that point would be rolled into an annual financing plan, and

WHEREAS, prior to the City's commitment to proceed with the project beyond the end of Phase 3 (i.e. into construction), the City would need to reevaluate the existing utility rates and connection fees because neither of them included the cost for construction of the proposed project in their derivation, and

WHEREAS, this project has been discussed at the Economic Development Committee (April 2003 and January 2004), Finance Committee (November 2005), and Council (January 2004) with direction given to staff each time to continue working with TID regarding the City's potential participation in the RSWSP, and

WHEREAS, the specifics of the proposed "First Drinking Water Agreement" was recently discussed at the February 16, 2006, Finance Committee where a favorable recommendation was given to be forwarded to the Council for their review, and

WHEREAS, the proposed "First Drinking Water Agreement" is not considered a "project", subject to environmental review; therefore, the California Environmental Quality Act (CEQA) does not apply, and

WHEREAS, the environmental review and documentation for the RSWSP would be prepared by TID as part of the Phase 1 work, and the related downstream improvement projects will be evaluated in the same or a parallel environmental document, and

WHEREAS, additional downstream improvements will be needed to convey and fully integrate surface water from a new TID treatment plant with the City's existing distribution system in the South Modesto area,

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the "First Drinking Water Agreement" with respect to the design, environmental review, permitting, land purchases, and related activities for the Turlock Irrigation District's proposed Regional Surface Water Supply Project between the City of Modesto and the Turlock Irrigation District.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the City Manager, or his designee, is hereby authorized and directed to execute said Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7<sup>th</sup> day of March 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-129**

**A RESOLUTION AUTHORIZING THE SOLICITATION OF PROPOSALS  
FROM QUALIFIED CONSULTING FIRMS TO PERFORM WORK FOR THE  
ASSOCIATED DOWNSTREAM FACILITIES NEEDED TO CONVEY AND  
FULLY INTEGRATE ANY SURFACE WATER FROM A NEW TID  
TREATMENT PLANT WITH THE CITY'S EXISTING DISTRIBUTION  
SYSTEM IN ACCORDANCE WITH APPROVED PROCEDURES**

WHEREAS, the Turlock Irrigation District (TID) has solicited interest from the City, as well as other local communities, for participation in their proposed Regional Surface Water Supply Project (RSWSP), and

WHEREAS, a report entitled the "Proposed Regional Surface Water Supply Project" (Brown and Caldwell, 2003), provides a program level description of the project, and

WHEREAS, additional water is needed in the South Modesto area because the current local groundwater supply is not sufficient to meet existing demands, and

WHEREAS, this project would be expected to provide existing users with a reliable water source and keep pace with the City's projected growth in the South Modesto area, and

WHEREAS, the execution of the proposed "First Drinking Water Agreement" between the City and TID will allow work on the project to proceed up to construction, and allow City to reimburse TID for their expenses incurred to that point, and

WHEREAS, the cities of Ceres, Turlock, and Hughson have entered into the same agreement with TID, securing their participation in the project, and

WHEREAS, additional downstream improvements will be needed to convey and fully integrate surface water from a new TID treatment plant with the City's existing distribution system in the South Modesto area, and

WHEREAS, it is important that the City proceed in parallel with TID's RSWSP to identify, plan, and design the downstream facilities that will be needed to fully integrate a future surface water supply with the City's existing system in the South Modesto area, and

WHEREAS, it is equally important that those downstream facilities be on a financing and construction schedule ahead of the treatment plant so that they are in place prior to the plant becoming fully operational, and

WHEREAS, staff requests authorization to solicit proposals from qualified consulting firms to perform work for the associated downstream facilities needed to convey and fully integrate any surface water from a new TID treatment plant with the City's existing distribution system,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the solicitation of proposals from qualified consulting firms to perform work for the associated downstream facilities needed to convey and fully integrate any surface water from a new TID treatment plant with the City's existing distribution system, including design, environmental review, permitting, land purchases, and other related activities, in accordance with approved procedures.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-130**

**A RESOLUTION APPROVING AN AMENDMENT TO THE AGREEMENT  
WITH CAROLLO ENGINEERS FOR THE PROVISION OF ADDITIONAL  
PROFESSIONAL ENGINEERING SERVICES IN SUPPORT OF PHASE 2 OF  
THE WASTEWATER MASTER PLAN (WWMP) UPDATE IN THE AMOUNT  
OF \$91,888, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE,  
TO EXECUTE THE AMENDMENT TO THE AGREEMENT**

WHEREAS, on October 4, 2005 the City Council approved an agreement in the amount of \$379,200 with Carollo Engineering to prepare Phase 2 of the Wastewater Master Plan (WWMP) Update, and

WHEREAS, the Phase 2 scope of work included an evaluation of the City's wastewater treatment and disposal systems, and

WHEREAS, much of the data obtained during the WWMP update is being utilized as part of a separate, but related effort to update the wastewater system rates and connection fees, and

WHEREAS, recent FEMA flood maps show that much of the Sutter Avenue primary plant is located within a flood zone and the City's current National Pollutant Discharge Elimination System (NPDES) permit requires that flood protection be provided for all treatment facilities, and

WHEREAS, an analysis is required to compare the alternatives of providing flood protection at Sutter Avenue versus abandoning the existing primary treatment facilities and constructing new primary facilities at the Jennings Road site, and

WHEREAS, because funds from the "Wastewater Engineering/Planning Support" task of the original budget were expended after staff and the consultant were directed, at the November 29, 2005 Finance Committee meeting, to work with the food processing

dischargers to investigate preliminary impacts of providing additional capacity for the food processing dischargers, additional unidentified work may be required under this scope, and

WHEREAS, the additional work was not included in the original October 4, 2005 scope of work and the total cost for additional services provided as part of this proposed amendment to the Phase 2 original agreement is \$91,888, and

WHEREAS, the Finance Committee, at its January 23, 2006 meeting, recommended approval of this amendment to the agreement to the full Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Amendment to the Agreement with Carollo Engineering in the amount of \$91,888 to provide professional engineering services in support of Phase 2 of the Wastewater Master Plan (WWMP) Update.

BE IT FURTHER RESOLVED that the City Manager, or his authorized designee, is hereby authorized to execute the agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7th day of March 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-131**

**A RESOLUTION AMENDING THE CURRENT CAPITAL IMPROVEMENT  
BUDGET IN ORDER TO FULLY FUND THE AGREEMENT WITH CAROLLO  
ENGINEERS BY APPROPRIATING \$101,077 FROM ACCOUNT 6210-800-8000-  
8003 (SEWER RESERVES) TO CIP ACCOUNT 6210-430-A208 (WASTEWATER  
MASTER PLAN UPDATE)**

WHEREAS, the CIP account 6210-430-A208 (Wastewater Master Plan Update) only provides \$379,200 for the Original Agreement with Carollo Engineers for consultant engineering services for Phase 2 scope of work, and

WHEREAS, based on recent FEMA flood maps, additional analysis is required to compare the alternatives of providing flood protection at Sutter Avenue versus abandoning the existing primary treatment facilities and constructing new primary facilities at the Jennings Road site, and

WHEREAS, funds were expended under the “Wastewater Engineering/Planning Support” task of the original budget, after staff and the consultant were directed, at the November 29, 2005 Finance Committee meeting, to work with the food processing dischargers to investigate preliminary impacts of providing additional capacity for the food processing dischargers, and an amendment to reauthorize funds for this task is being requested to cover additional scope items not identified at this time, and

WHEREAS, the original engineer’s report was based on a preliminary evaluation of treatment and effluent disposal needs for the future, and additional work will be required to update and finalize the Engineer’s Report to reflect the more detailed analysis that is being developed within the Phase 2 Master Plan, and

WHEREAS, certain budgetary transactions are necessary to fully fund said Amendment to the Agreement in the amount of \$91,888 for consultant engineering services, including additional meetings, and \$9,189 for contract administration by City staff for a total of \$101,077, and

WHEREAS, the total amount of \$101,077 is to be transferred from account 6210-430-8000-8003 (Sewer Reserves) into CIP account 6210-430-A208 (Wastewater Master Plan Update),

NOW, THEREFORE, BE IT RESOLVED that the Council of the City of Modesto hereby approves the transfer of funds as set forth herein to fully fund the Amendment to Agreement with Carollo Engineers for consultant engineering services for the Phase 2 of the Wastewater Master Plan Update project.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7th day of March 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION APPROVING THE PLANS AND SPECIFICATIONS FOR THE CELESTE/ROSE/SCENIC SANITARY SEWER IMPROVEMENT PROJECT, ACCEPTING THE BID AND APPROVING A \$3,707,105 CONTRACT WITH CALIFORNIA TRENCHLESS, INC., FOR THE PROJECT TITLED, "CELESTE/ROSE/SCENIC SANITARY SEWER IMPROVEMENT PROJECT", AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE CONTRACT**

WHEREAS, plans and specifications have been prepared for the "Celeste/Rose/Scenic Sanitary Sewer Improvement Project" and City staff recommends approval to the City Council, and

WHEREAS, the bids received for "Celeste/Rose/Scenic Sanitary Sewer Improvement Project" were opened at 11:00 a.m. on January 17, 2006, and later tabulated by the Public Works Director for the consideration of the Council, and

WHEREAS, the Public Works Director has recommended that the bid of \$3,707,105 received from California Trenchless, Inc., be accepted as the lowest responsible bid and the contract be awarded to California Trenchless, Inc.,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the plans and specifications for the "Celeste/Rose/Scenic Sanitary Sewer Improvement Project".

BE IT FURTHER RESOLVED that the Council hereby accepts the bid of \$3,707,105.00, and hereby awards California Trenchless, Inc., the contract titled "Celeste/Rose/Scenic Sanitary Sewer Improvement Project."

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the contract.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-134**

**A RESOLUTION APPROVING A LANDSCAPE MAINTENANCE SERVICE AGREEMENT FOR A PERIOD OF FIVE (5) YEARS, WITH THE OPTION TO RENEGOTIATE ONE (1) ADDITIONAL FIVE (5) YEAR PERIOD WITH GROVER LANDSCAPE SERVICES, INC. AT THE SOLE DISCRETION OF THE CITY, FOR PARKS, RIGHT-OF-WAYS AND PUBLIC LANDSCAPING OWNED AND/OR MAINTAINED BY THE CITY OF MODESTO, WITH AN ANNUAL CONSIDERATION OF \$1,737,981.00 IN YEARS 1 THROUGH 3 OF THE AGREEMENT \$1,790,120.43 IN YEAR 4 AND \$1,843,924.04 IN YEAR 5, AUTHORIZING THE CITY MANAGER TO EXECUTE THE AGREEMENT, AND AUTHORIZING THE PARKS, RECREATION AND NEIGHBORHOODS DEPARTMENT DIRECTOR TO NEGOTIATE ANY INCREASES TO THE AGREEMENT UP TO \$50,000 ANNUALLY**

WHEREAS, the City of Modesto's Parks, Recreation and Neighborhoods Department, Parks Services Division provides landscape maintenance services to over 530 acres of landscaping for 66 parks and about 150 other landscaped sites including public buildings, street medians, sound walls, traffic islands and other miscellaneous sites, and

WHEREAS, funding for this maintenance is provided primarily by the City's General Fund, although a number of sites are funded from other sources including the Tuolumne River Regional Park JPA, Parking Fund, Storm Drain Fund and several Community Facility Districts, and

WHEREAS, over the past four to five years there has been a dramatic decline in landscape maintenance service levels, and

WHEREAS, in order to evaluate the potential to reduce costs and/or improve the level of service, City management staff recommended that consideration be given to issuing a Request for Proposals for the purpose of improving landscape maintenance standards, and

WHEREAS, on December 14, 2004, Council approved Resolution No. 2004-691, authorizing the Purchasing Supervisor to formally solicit Request for Proposals (RFP) for Landscape Maintenance Services for all parks, right-of-ways and public landscaping owned and/or managed by the City of Modesto for a five (5) year period with an option to renegotiate for an additional five (5) year period at an estimated annual cost of \$1,200,000, and

WHEREAS, an evaluation committee was formed, and the formal bid process was followed, with a proposers' conference and several follow-up meetings with the 2 proposers, Grover Landscape Services, Inc. (Grover) and the Modesto City Employees Association (MCEA), and

WHEREAS, Best and Final Offers from the 2 proposers were received on September 6, 2005, and

WHEREAS, based on the evaluation criteria, the determination that MCEA was unresponsive regarding "B" sites, and the proposed costs, the evaluation committee recommended that staff be authorized to negotiate an agreement with Grover Landscape Services, Inc., and

WHEREAS, on November 22, 2005, by Resolution No. 2005-581, the City Council adopted a resolution authorizing the award of proposal for the furnishing of landscape maintenance services to Grover Landscape Services, Inc. and directed staff to negotiate a landscape maintenance service agreement (Agreement) with Grover Landscape Services, Inc. for parks, right-of-ways and public landscaping owned and/or maintained by the City of Modesto, and

WHEREAS, during negotiations, staff identified additional sites that were not included in the original RFP site lists and requested that the maintenance level be increased at some sites, which increased the final consideration to \$1,737,981.00 in years 1 through 3 of the Agreement \$1,790,120.43 in year 4 and \$1,843,924.04 in year 5, and

WHEREAS, staff has negotiated a final agreement with Grover Landscape Services, Inc., a copy of which is attached hereto as Exhibit "1" and incorporated herein by reference, and

WHEREAS, the Finance Committee met on October 24, 2005, and supported the recommendation to award the proposal for landscape maintenance services to Grover Landscape Services, Inc. and to direct staff to negotiate an agreement with Grover Landscape Services Inc.,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves a landscape maintenance service agreement for a period of five (5) years, with the option to renegotiate one (1) additional five (5) year period with Grover Landscape Services, Inc. at the sole discretion of the City, for parks, right-of-ways and public landscaping owned and/or maintained by the City of Modesto, with an annual consideration of \$1,737,981.00 in years 1 through 3 of the Agreement \$1,790,120.43 in year 4 and \$1,843,924.04 in year 5.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreement.

BE IT FURTHER RESOLVED that the Parks, Recreation and Neighborhoods Department Director is hereby authorized to negotiate any increases to the Agreement up to \$50,000 annually.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7<sup>th</sup> day of March 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

Attest: Jean Morris  
JEAN MORRIS, City Clerk

APPROVED AS TO FORM:

By: Richard Rudnansky  
RICHARD RUDNANSKY, Interim City Attorney

Letter of Agreement  
Between  
City of Modesto  
And  
Modesto City Employees' Association

Whereas, the parties acknowledge that in accordance with the provisions of Article 40 ((Layoff and Demotion) of the MCEA Implementation Document of 2005-2007, some MCEA-represented employees may be notified that their positions will be eliminated as part of the Parks Landscaping Managed Competition process,

Whereas, the parties have met and conferred in good faith on issues relating to the impact of these possible lay offs,

Therefore, the parties agree to the following:

**Order of Lay Off**

Evaluations due on or before January 23, 2006 will be used to establish order of layoff for positions eliminated with the implementation of the Parks Managed Competition outsourcing.

**Severance Package**

**Employees in this Bargaining Unit:**

- ❖ Shall be paid Severance Pay in the amount of two (2) pay periods base salary upon layoff
- ❖ With six (6) or more years of service are eligible for additional Severance Pay in the amount of one week (40 hours) of base salary for each complete year of service in excess of five (5) full years of service, to a maximum of four (4) additional weeks
- ❖ Who receive Severance Pay shall also be eligible to receive the City's contribution to health, dental and vision in the same manner as active employees, except that the amount shall not include the equivalent of any in-lieu deferred compensation. The duration of the premium contributions shall be for the same number of weeks as the severance pay provision noted above.

**"Catch" Positions**

- ❖ A "catch" position is a vacant position in the same classification or a classification at a lower Salary Range than that of the employee subject to layoff, that is in their customary promotional progression.
- ❖ The order by which employees are given "catch" positions is decided by their total City service, mitigated by performance evaluations per MOU Article 40F, regardless of classification and across department and bargaining unit lines, within a reasonable and/or customary promotional progression. If two or more employees qualify for a "catch" to a single vacancy and that vacancy is in one of

- the employee's current department, that employee has claim to that position first.
- ❖ The City will attempt to provide "underfill" positions, when available, to catch employees subject to layoff. If several employees are in underfill positions and a Maintenance Worker vacancy occurs, the most senior Maintenance Worker in the overfill position will have the first right of refusal to the position.
  - ❖ Employees offered an underfill position are only guaranteed that continued underfill opportunity for one year from the date of the initial layoff notice (assuming no future layoffs are required within that year).

### **Interview Leave**

- ❖ Will be granted to employees who have been notified that they may be laid off or to employees who elect to demote in lieu of layoff.
- ❖ This leave will be available upon notification to the employee by his/her Department Director that they may be laid off.
- ❖ An employee may be granted up to fifteen (15) hours of paid leave for the purpose of participating in employment interviews or examinations with other employers. As with other leave requests, Interview Leave is subject to approval, in advance, by the supervisor. Employees must provide supervisors with sufficient advance notice and employees may be required to provide verification of the scheduled interview or examination.
- ❖ Interview Leave in excess of fifteen (15) hours may be granted with the written approval of the Department Director

### **Employee Assistance Program (EAP)**

- ❖ The EAP counseling benefit will be extended to the laid off employee and/or spouse for a period of six (6) months from date of layoff, not to exceed six (6) visits per family. This benefit will be at no cost to the employee.

### **Reinstatement**

- ❖ Employees who are laid off shall have their names placed on a departmental reinstatement list, by classification and by reverse order of layoff. Vacant positions within the department and the classification series (customary promotional progression) shall first be offered to employees on the appropriate classification reinstatement list for that department. Employees who are laid off will also be considered for vacancies in other departments. Employees on a reinstatement list will be strongly considered for vacancies, Citywide, for their specific classification, and may be given preference prior to the City considering applicants on a valid eligible list for that classification.
- ❖ If the "new" vacancy is an employee's former position, he/she has claim to that position.
- ❖ If two employees qualify for reinstatement to a single vacancy and that vacancy is in one of the employee's "home" department, that employee has claim to that position first.

- ❖ If two employees qualify for reinstatement to a single vacancy and that vacancy is not in either of the employees' "home" departments, total City service will be considered for who has first claim to the position.
- ❖ The eligibility of individuals on the reinstatement list shall extend for a period of two (2) years from date of layoff. Eligibles not responding to a written notification of an opening within fourteen (14) calendar days shall have their names removed from the reinstatement list. It is the individual's responsibility to keep the City of Modesto Personnel Department informed of any change of address.
- ❖ The City encourages Departments to consider employees on these reinstatement lists for interviews when filling vacancies that would be considered lateral moves or demotions for the employee (where the vacancy is at the same, or lower, Salary Range as the employee, where the employee holds the minimum knowledges, skills, abilities, experience and/or education of the vacant position, but where the vacant position is not in the customary promotional progression of the laid off employee).

### **Job Qualifications**

- ❖ Employees unable to pass the 100-pound lifting requirement of the Maintenance Worker positions in Public Works will engage in a discussion with management and other appropriate personnel on a case-by-case basis (in the same manner as other reasonable accommodation requests).
- ❖ Any accommodation reached will be consistent with state and federal guidelines.

### **Transition and Timing**

- ❖ Upon approval of the City Manager, up to three months transition time (for cross-training, redistributing work, etc) from the date an employee is notified of a layoff until the layoff or bumping takes place.

### **Volunteers for Lay-Off**

- ❖ If an employee volunteers to be laid off and is in the classification or the approved bumping chain of a position authorized for layoff, the City Manager may authorize said employee to be laid off, with all rights to receive severance benefits.

### **2004 Reorganization of O&M, E&T and PRN – Effects on Bumping:**

Any employee in the Parks, Recreation and Neighborhood Department assigned to the Parks Operation Organization, the Building Services Organization, or the Solid Waste Division (now or at the time of any future reduction in FY 06) will have the ability to bump into any position in the Public Works Department and/or the "opposite" Organization in PR&N.

Any employee in the Public Works Department (now or at the time of any future reduction in FY 06) will have the limited ability to bump into any position in the Parks,

Recreation & Neighborhood Department in the Parks Operation Organization, the Building Services Organization or the Solid Waste Division only.

Should the Meter Reading/Repair function of the Public Works Department be transferred to the Finance Department on or before June 30, 2006, the above effects on bumping will be extended to the employees involved in this function, assigned to the Finance Department.

**Sunset:**

Unless otherwise noted in this document, provisions Sunset 120 days after the initial notices of layoff to affected employees.

**This Agreement becomes effective on February 6, 2006.**

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-135**

**A RESOLUTION APPROVING THE TRANSFER OF APPROXIMATELY \$440,000 IN FUNDS FROM THE FLEET FUND TO THE PARK FUND RESERVE; AMENDING THE CAPITAL IMPROVEMENT PROGRAM BUDGET TO APPROPRIATE \$340,000 FROM THE PARK FUND RESERVE TO A NEW PROJECT, PARK SYSTEM IMPROVEMENTS; APPROVING THE ALLOCATION OF \$100,000 FROM THE PARK FUND RESERVE TO THE STANISLAUS COMMUNITY FOUNDATION, SUBJECT TO THE ABILITY OF THE FINANCE DIRECTOR TO ARRANGE SUITABLE INVESTMENTS AND OVERSIGHT OF THIS DEPOSIT, TO ESTABLISH A PARK SYSTEM MAINTENANCE ACCOUNT; AND USING THE PROCEEDS FROM THE SALE OF THE SURPLUS VEHICLES TO OFFSET A PORTION OF THE FLEET FUND LOAN TO THE GENERAL FUND**

WHEREAS, on November 22, 2005, by Resolution No. 2005-581, the City Council adopted a resolution authorizing the award of proposal for the furnishing of landscape maintenance services to Grover Landscape Services, Inc. and directed staff to negotiate a landscape maintenance service agreement (Agreement) with Grover Landscape Services, Inc. for parks, right-of-ways and public landscaping owned and/or maintained by the City of Modesto, and

WHEREAS, staff has successfully negotiated an agreement with Grover Landscape Services, Inc., and

WHEREAS, as a result of the implementation of said agreement, some of the vehicles assigned to the Parks Services Division will no longer be needed and will therefore be surplus and sold, and

WHEREAS, the funds that have been paid into the Fleet Replacement Fund (Fund 7210) will not be needed to replace this equipment, and

WHEREAS, in a report dated November 22, 2005, which was accepted by Council, staff recommended that the revenue from the sale of said vehicles be used to off-

set a portion of a loan from the Fleet Fund to the General Fund, and that the funds in the Fleet Replacement Fund be used for park-system capital projects, and

WHEREAS, staff is recommending that the estimated \$440,000 in Fleet Replacement Funds that has been collected for vehicles no longer needed by the Parks Services Division be transferred to the Park Fund (Fund 1400) reserve, and

WHEREAS, staff is further recommending that \$100,000 of those funds be placed with the Stanislaus Community Foundation to establish a park fund to be used for future infrastructure needs, subject to the ability of the Finance Director to arrange suitable investments and oversight of this deposit, and

WHEREAS staff is recommending that the balance to be used to establish a new Capital Improvement Program Project to be used for design of non-potable wells at Beyer, Davis and Downey Community Parks, to construct at least one well (based on final costs) to decrease future landscape water costs, and to provide for improvements to the park system's infrastructure, with Mancini Bowl seating replacement as the highest priority, with other projects to include replacement of leaking restroom roofs, drinking fountains and irrigation systems,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the transfer of the funding collected in the Fleet Replacement Fund for vehicles that are being surplused and sold as a result of the landscape maintenance agreement, estimated at \$440,000, from the Fleet Fund to the Park Fund Reserve.

BE IT FURTHER RESOLVED that the Council hereby approves amending the Capital Improvement Program budget to appropriate \$340,000 from the Park Fund Reserve to a new project, Park System Improvements.

BE IT FURTHER RESOLVED that the Council hereby approves the allocation of \$100,000 from the Park Fund Reserve to the Stanislaus Community Foundation, subject to the ability of the Finance Director to arrange suitable investments and oversight of this deposit, to establish a park system maintenance account.

BE IT FURTHER RESOLVED that the Council hereby approves using the proceeds from the sale of the surplus vehicles to offset a portion of the Fleet Fund Loan to the General Fund.

BE IT FURTHER RESOLVED that the Finance Director, or his designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7<sup>th</sup> day of March 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-136**

**A RESOLUTION APPROVING THE TRANSFER OF APPROXIMATELY \$36,658 FROM THE FLEET FUND TO THE TUOLUMNE RIVER REGIONAL PARK CAPITAL FUND RESERVE; ESTIMATING APPROXIMATELY \$2,570 IN REVENUE FROM THE SALE OF SURPLUS VEHICLES; AND APPROPRIATING APPROXIMATELY \$2,570 IN REVENUE TO THE TUOLUMNE REGIONAL PARK CAPITAL FUND RESERVE**

WHEREAS, on November 22, 2005, by Resolution No. 2005-581, the City Council adopted a resolution authorizing the award of proposal for the furnishing of landscape maintenance services to Grover Landscape Services, Inc. and directed staff to negotiate a landscape maintenance service agreement (Agreement) with Grover Landscape Services, Inc. for parks, right-of-ways and public landscaping owned and/or maintained by the City of Modesto, and

WHEREAS, staff has successfully negotiated an agreement with Grover Landscape Services, Inc., and

WHEREAS, as a result of the implementation of said agreement, some of the vehicles assigned to the Tuolumne River Regional Park will no longer be needed and will therefore be surplus and sold, and

WHEREAS, the funds that have been paid into the Fleet Replacement Fund (Fund 7210) will not be needed to replace this equipment, and

WHEREAS, staff is recommending that the that total amount paid into the Fleet Replacement Funds that has been collected for vehicles no longer needed by the Tuolumne River Regional Park, estimated at \$36,658, be transferred to the Tuolumne River Regional Park Capital Fund (Fund 8910) reserve, and

WHEREAS, staff is recommending that the proceeds from the sale of these vehicles, estimated at \$2,570, be allocated to the Tuolumne River Regional Park Capital Fund (Fund 8910) reserve,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves the transfer of the funding collected in the Fleet Replacement Fund for vehicles that are being surplused and sold as a result of the landscape maintenance agreement, estimated at \$36,658, from the Fleet Fund to the Tuolumne River Regional Park Capital Fund Reserve.

BE IT FURTHER RESOLVED that the Council hereby approves estimating approximately \$2,570 in revenue from the sale of surplus vehicles and appropriating approximately \$2,570 in revenue to the Tuolumne Regional Park Capital Fund Reserve.

BE IT FURTHER RESOLVED that the Finance Director, or his designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7<sup>th</sup> day of March 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-137**

**A RESOLUTION APPROVING THE PLANS & SPECIFICATIONS FOR THE  
TWIN PONDS PUMP STATIONS AT PRESCOTT AND SNYDER, ACCEPTING  
THE BID AND APPROVING A \$1,570,354.40 CONTRACT WITH TNT  
INDUSTRIAL CONTRACTORS, INC., FOR THE PROJECT TITLED, "TWIN  
PONDS PUMP STATIONS AT PRESCOTT AND SNYDER" AND  
AUTHORIZING THE CITY MANAGER TO EXECUTE THE CONTRACT**

WHEREAS, City staff has recommended approval of the plans and specifications for the "Twin Ponds Pump Stations at Prescott and Snyder" project, and

WHEREAS, the bids received for "Twin Ponds Pump Stations at Prescott and Snyder" were opened at 11:00 a.m. on January 17, 2006, and later tabulated by the Public Works Director for the consideration of the Council, and

WHEREAS, the Public Works Director has recommended that the bid of \$1,570,354.40 received from TNT Industrial Contractors, Inc., be accepted as the lowest responsible bid and the contract be awarded to TNT Industrial Contractors, Inc.,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the plans and specifications for said project.

BE IT FURTHER RESOLVED that the Council hereby accepts the bid of TNT Industrial Contractors, Inc., in the amount of \$1,570,354.40, and hereby awards TNT Industrial Contractors, Inc., the contract titled "Twin Ponds Pump Stations at Prescott and Snyder".

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the contract.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7th day of March 2006, by Councilmember Marsh, who

moved its adoption, which motion being duly seconded by Councilmember O'Bryant,  
was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-138**

**A RESOLUTION ADOPTING A MITIGATED NEGATIVE DECLARATION  
(SCH #2005062110) AND A MITIGATION MONITORING AND REPORTING  
PROGRAM FOR THE TWIN PONDS PUMP STATIONS PROJECT**

WHEREAS, Section 15070 of the CEQA Guidelines relating to Initial Study/Mitigated Negative Declarations permits a lead agency to prepare an Initial Study/Mitigated Negative Declaration on any proposed Project to analyze whether the Project may cause any significant effect on the environment, and

WHEREAS, the proposed Twin Ponds Pump Stations project located on the west side of Prescott Road between Snyder Avenue and Pelandale Avenue consists of two new storm water pump stations that pump storm water runoff from two existing detention basins into the Modesto Irrigation District's Lateral #6, and

WHEREAS, Stantec Consulting Inc., under contract with the City, prepared an Initial Study, Mitigated Negative Declaration and Mitigation Monitoring Plan (SCH #2005062110) for the Twin Ponds Pump Stations Project, which identified potentially significant impacts from the proposed Project, which could be mitigated to a level of insignificance by incorporating feasible mitigation measures into the Project, and

WHEREAS, feasible mitigation measures were incorporated into the Project and agreed to by the City before the Initial Study/Mitigated Negative Declaration was released for public review, which measures will avoid or mitigate the identified effects to a point where clearly no significant effects will occur, and

WHEREAS, a 30-day public review period for the proposed Initial Study/Mitigated Negative Declaration began on June 21, 2005 and ended on July 20, 2005, and

WHEREAS, the City did not receive any public comments on the draft Initial Study/Mitigated Negative Declaration so, following the public review, there were no comments to respond to or suggested technical revisions to be made to the document or any of the proposed mitigation measures, and

WHEREAS, the Mitigation Monitoring Plan (MMP) is included and described within the Initial Study/Mitigated Negative Declaration,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council has reviewed and considered the Initial Study/Mitigated Negative Declaration and Mitigation Monitoring Plan prepared for the Twin Ponds Pump Stations Project, and based on the substantial evidence provided in said Initial Study/Mitigated Negative Declaration makes the following findings:

1. The recitals set forth above are true and correct.
2. The Initial Study/Mitigated Negative Declaration prepared for the proposed project has identified additional potentially significant environmental effects. These additional potentially significant effects are potential impacts to aesthetics, air quality, biological resources, cultural resources, hydrology and water quality, noise, transportation/traffic, utilities and service systems.
3. Before the Initial Study/Mitigated Negative Declaration was released for public review, feasible mitigation measures were made by or agreed to by the City, which will avoid or mitigate the effects to a point where clearly no significant effect will occur.
4. There is no substantial evidence, in light of the whole record before the public agency, that the project, as revised, may have a significant effect on the environment (Public Resources Code Section 21064.5(2)).

5. The Initial Study/Mitigated Negative Declaration reflects the independent judgment of the lead agency.
6. As required by Public Resources Code Section 21081.6 et seq., the Mitigation Monitoring and Reporting Program is hereby adopted, a copy of which is included in the Mitigated Negative Declaration, which is on file with the City Clerk.
7. The Initial Study/Mitigated Negative Declaration, Environmental Assessment (EA/PW 2005-14, SCH No. 2005062110) provides the substantial evidence to support findings 1 through 6, above.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby adopts the Initial Study/Mitigated Negative Declaration (SCH No. 2005062110), a copy of which is on file with the City Clerk and incorporated herein by reference.

BE IT FURTHER RESOLVED that the City of Modesto Public Works Department, Capital Improvement Services, is the custodian of the documents and other materials, which constitute the record of proceedings upon which its decision is based. The records are located at the office of the City of Modesto Public Works Deputy Director, 1010 Tenth Street, Fourth Floor, Modesto, CA 95354.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Public Works Director is hereby authorized and directed to file a Notice of Determination within five (5) business days with the Stanislaus County Clerk pursuant to Section 21152 of the Public Resources Code.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7th day of March 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-139**

**A RESOLUTION AMENDING THE FY 05-06 CIP BUDGET BY DECREASING THE APPROPRIATION FOR THE SNYDER AVENUE WIDENING PROJECT (A102) BY \$456,000 AND RETURNING THOSE FUNDS TO RESERVES, THEN REAPPROPRIATING \$538,425 FROM RESERVES AND INCREASING THE APPROPRIATION TO THE TWIN PONDS PUMP STATIONS PROJECT (Q318) BY \$538,425 TO FULLY FUND THE TWIN PONDS PUMP STATION PROJECT**

WHEREAS, on October 25, 2005, Council Resolution No. 2005-537 adopted the 2005/2006 Capital Improvement Program, and

WHEREAS, the 2005/2006 Capital Improvement Program included a project titled "Storm Drain Basins Pump Stations (Q318)," and

WHEREAS, concurrent with this resolution, by Resolution No. 2006-137 Council approved the plans and specifications, accepted the bid and approved a \$1,570,354.40 contract with TNT Industrial Contractors, Inc., for the project titled, "Twin Ponds Pump Stations," and

WHEREAS, the budgeted amount for construction, contingency and construction administration for the Twin Ponds Pump Station Project was \$1,366,000 and the current estimate is \$1,904,425, and

WHEREAS, staff recommends reducing the Snyder Avenue Widening Project (A102) by \$456,000 and appropriating the \$456,000 plus an additional \$82,425 from Pelandale-Snyder CFD reserves to fully fund the Twin Ponds Pump Station project (Q318),

NOW, THEREFORE, BE IT RESOLVED that the Council of the City of Modesto hereby approves amending the FY 05-06 CIP budget by decreasing the appropriation for the Snyder Avenue Widening Project (A102) by \$456,000 and returning

those funds to reserves, then reappropriating \$538,425 from Pelandale-Snyder CFD reserve funds and increasing the appropriation to the Twin Ponds Pump Stations project (Q318) by \$538,425 to fully fund the Twin Ponds Pump Station Project.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 7th day of March 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-144**

**A RESOLUTION AUTHORIZING THE AWARD OF BID AND CONTRACT FOR FOURTEEN (14), NEW, CURRENT YEAR/MODEL TRUCKS TO THE FOLLOWING VENDORS: MELROSE FORD OF OAKLAND, CALIFORNIA, FOR FIVE (5) VEHICLES FOR A PURCHASE PRICE OF APPROXIMATELY \$85,282.59; AMERICAN CHEVROLET OF MODESTO CALIFORNIA, FOR TWO (2) VEHICLES FOR A PURCHASE PRICE OF APPROXIMATELY \$39,879.68; AND COALINGA MOTORS INC, OF COALINGA, CALIFORNIA, FOR SEVEN (7) VEHICLES FOR A PURCHASE PRICE OF APPROXIMATELY \$142,103.30. THE APPROXIMATE TOTAL AMOUNT FOR ALL FOURTEEN (14), NEW, CURRENT YEAR/MODEL TRUCKS IS \$267,265.57.**

WHEREAS, the Public Works Department-Fleet Services Division has requested the purchase of fourteen (14), new, current year/model trucks, and

WHEREAS, the vehicles requested consist of and will be used as follows:

- Two (2), ¾ ton, regular cab, long bed, 2WD pickups-These trucks are to replace two (2) current pickups in the Curbs, Gutters and Sidewalks Department. The old trucks are being replaced because they have reached the end of their service life, and were on the scheduled replacement list approved by Council.
- One (1), ¾ ton, regular cab, long bed, 4WD pickup-This truck is a new addition to the Water Quality Lab vehicles.
- One (1), ¾ ton, crew cab, long bed, 2WD pickup-This truck is to replace a current pickup in the Water Department. The old truck is being replaced because it has reached the end of its service life, and was on the scheduled replacement list approved by Council.
- One (1), ½ ton, extended cab, full size, short bed, 2WD pickup-This truck is to replace a current pickup in the Field Operations Division. The old truck is being replaced because it has reached the end of its service life, and was on the scheduled replacement list approved by Council.
- One (1), ½ ton, extended cab, full size, short bed, 2WD pickup-This truck is to replace a current pickup in the Streets Department. The old truck is being replaced because it has reached the end of its service life, and was on the scheduled replacement list approved by Council.

- One (1), ½ ton, regular cab, full size, 2WD pickup-This truck is to replace a current pickup in the Transportation Transit Division. The old truck is being replaced because it has reached the end of its service life, and was on the scheduled replacement list approved by Council.
- One (1), ½ ton, crew cab, mid size, 2WD pickup- This truck is a new addition to the Water Operations Department. This vehicle will be used for an added position in the department.
- One (1), ½ ton, extended cab, full size, short bed, 2WD pickup- This truck is to replace a current pickup in the Curbs, Gutters and Sidewalk Department. The old truck is being replaced because it has reached the end of its service life, and was on the scheduled replacement list approved by Council.
- Two (2), ½ ton, extended cab, mid size, 2WD pickups-These trucks are to replace two (2) current pickups in the Construction Administration Department. The old trucks are being replaced because they have reached the end of their service life, and were on the scheduled replacement list approved by Council.
- One (1), ½ ton, extended cab, short bed, 2WD pickup- This truck is to replace a current pickup in the Electrical Division. The old truck is being replaced because it has reached the end of its service life, and was on the scheduled replacement list approved by Council.
- One (1), ½ ton, regular cab, full size, 2WD pickup- This truck is to replace a current pickup in the Modesto Centre Plaza Department. The old truck is being replaced because it has reached the end of its service life, and was on the scheduled replacement list approved by Council.
- One (1), ½ ton, crew cab, mid size, 2WD pickup- This truck is to replace a current pickup in the City Hall Motor Pool. The old truck is being replaced because it has reached the end of its service life, and was on the scheduled replacement list approved by Council, and

WHEREAS, Resolution No. 2005-381 authorized the Purchasing Supervisor to solicit bids for new vehicles and heavy equipment throughout FY 05/06 through various competitive processes, with the Purchasing Division coming back to Council for award and authorization, and

WHEREAS, the Purchasing Division solicited formal bids for fourteen (14) new, current year/model trucks on Request for Bid (RFB) 0506-18, and

WHEREAS, Seventy-seven (77) vendors were solicited of which ten (10) were local vendors, and

WHEREAS, out of seventy-seven (77) vendors solicited, seven (7) chose to respond to for the RFB, and

WHEREAS, the 2% local vendor preference was a factor in determining the lowest responsive and responsible bidder on two (2) of the fourteen (14), new, current year/model trucks, and

WHEREAS, the Purchasing Division and Public Works-Fleet Services Division staff evaluated bids, and

WHEREAS, Melrose Ford of Oakland, California was deemed to be the lowest responsive and responsible bidder for the following vehicles:

- One (1),  $\frac{3}{4}$  ton, regular cab, long bed, 4WD pickup;
- One (1),  $\frac{1}{2}$  ton, crew cab, mid-size, 2WD pickup;
- Two (2),  $\frac{1}{2}$  ton, extended cab, mid- size, 2WD pickups;
- One (1),  $\frac{1}{2}$  ton, crew cab, mid-size pickup,

in the approximate amount of \$85,282.59, and

WHEREAS, American Chevrolet of Modesto, California was deemed to be the lowest responsive and responsible bidder for the following vehicles:

- One (1),  $\frac{1}{2}$  ton, extended cab, full size, short bed, 2WD, short bed pickup;
- One (1),  $\frac{1}{2}$  ton, extended cab, 2WD pickup,

in the approximate amount of \$39,879.68, and

WHEREAS, Coalinga Motors, Inc. of Coalinga, California was deemed to be the lowest responsive and responsible bidder for the following vehicles:

- Two (2), ¾ ton, regular cab, long bed, 2WD pickups;
- One (1), ¾ ton, crew cab, long bed, 2WD pickup; one (1), ½ ton, extended cab, full size, 2WD pickup;
- One (1), ½ ton, regular cab, full-size, long bed, 2WD pickup;
- One (1), ½ ton, extended cab, short bed, 2WD pickup;
- One (1), ½ ton, regular cab, full-size, 2WD pickup,

in the approximate amount of \$142,103.30, and

WHEREAS, the total cost of the fourteen (14), new, current year/model, trucks is approximately \$267,265.57 including freight and sales tax, and

WHEREAS, Modesto Municipal Code (MMC) Section 8-3.203, requires all purchases, which meet or exceed \$50,000 for material, equipment, or contractual services to be formally bid, and

WHEREAS, the code also states that purchase whose total maximum cost to the City exceeds \$50,000 shall receive preliminary approval of Council (MCC 8-3.203(a)), and

WHEREAS, the fourteen (14), new, current year/model trucks received said approval with Resolution No. 2005-381, and

WHEREAS, this Request for Bid (RFB) process conforms to City Code, and

WHEREAS, funds are available in account number 7210-480-5814-5281 (Fleet Equipment, Replacement), 7210-480-5814-5282 (Fleet Equipment, Replacement), 6210-480-5215-5700 (Sewer Operations Fund), 7210-1480-5814-5280 (Fleet Equipment,

Replacement), 7210-480-5814-5293 (Water Fund), 7210-480-5814-5318 (Fleet Equipment, Replacement), 7210-480-5814-5316 (Fleet Equipment, Replacement), 7210-480-5814-5242 (Fleet Equipment, Replacement), 7210-480-5814-5284 (Fleet Equipment, Replacement), 7210-480-5814-5301 (Fleet Equipment, Replacement), 7210-480-5814-5302 (Fleet Equipment, Replacement), 0100-480-1961-5500 (General Fund), 7210-480-5814-5317 (Fleet Equipment, Replacement), 6100-480-5012-5700 (Water Fund) in the amount of \$313,500.00 for fourteen (14), new, current year/model trucks,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of bid and contract for fourteen (14) new, current year/model trucks in the total approximate amount of \$267,265.57 to the following vendors:

Melrose Ford of Oakland, California for the following vehicles:

- One (1),  $\frac{3}{4}$  ton, regular cab, long bed, 4WD pickup;
- One (1),  $\frac{1}{2}$  ton, crew cab, mid-size, 2WD pickup;
- Two (2),  $\frac{1}{2}$  ton, extended cab, mid- size, 2WD pickups;
- One (1),  $\frac{1}{2}$  ton, crew cab, mid-size pickup,

in the approximate amount of \$85,282.59.

American Chevrolet of Modesto, California for the following vehicles:

- One (1),  $\frac{1}{2}$  ton, extended cab, full size, short bed, 2WD, short bed pickup;
- One (1),  $\frac{1}{2}$  ton, extended cab, 2WD pickup,

in the approximate amount of \$39,879.68

Coalinga Motor, Inc. of Coalinga, California for the following vehicles:

- Two (2),  $\frac{3}{4}$  ton, regular cab, long bed, 2WD pickups;

- One (1), ¾ ton, crew cab, long bed, 2WD pickup; one (1), ½ ton, extended cab, full size, 2WD pickup;
- One (1), ½ ton, regular cab, full-size, long bed, 2WD pickup;
- One (1), ½ ton, extended cab, short bed, 2WD pickup;
- One (1), ½ ton, regular cab, full-size, 2WD pickup,

in the approximate amount of \$142,103.30.

BE IT FURTHER RESOLVED that the Purchasing Supervisor is hereby authorized to issue purchase orders for fourteen (14) new, current year/model trucks as set forth herein.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14<sup>th</sup> day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen

MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-145

**AMENDED**  
on August 6, 2008  
By Resolution 2008-432

**A RESOLUTION AUTHORIZING THE PURCHASING MANAGER TO PURCHASE COMPUTER EQUIPMENT, SOFTWARE, LICENSES AND PROFESSIONAL SERVICES FROM DELL CORPORATION UNDER THE STATE OF CALIFORNIA DEPARTMENT OF GENERAL SERVICES AND THE WESTERN STATES CONTRACTING ALLIANCE (WSCA) CONTRACT, FOR A TOTAL ESTIMATED COST OF \$330,000 FOR STARTUP AND YEARLY REOCCURRING COSTS OF \$160,000 FOR AN INITIAL 5-YEAR COMMITMENT**

WHEREAS, the City of Modesto standardized on Novell products for their file, print, messaging and overall systems management platform, and

WHEREAS, Novell was the industry leader, with over 80% of the market share and, Novell's products offered functionality and features that were not available from other vendors, and

WHEREAS, over the next decade, Novell and other vendors continued to improve on their products and offer advanced features, however Novell's maturity and proven products insured its continued use by the City, and

WHEREAS, after the year 2000, Novell's strengths in management and stability began to be matched by its weaknesses in mobile computing and internet-centric product offerings, and

WHEREAS, during this same timeframe, the City of Modesto moved from a traditional "file-and-print, inside-user-centric" environment to more dynamic "internet-based, mobile computing, citizen-centric" model, and

WHEREAS, the City began to require additional, more robust functionality, and Novell began to become weaker in these exact areas, and

AMENDED

~~WHEREAS~~, the recent release of Microsoft's Active Directory and Exchange in late 2003 provided the City the ability to evaluate its newer, more robust and secure capabilities, and

WHEREAS, City staff findings resulted in the determination that Microsoft's products have matured sufficiently on both manageability and security to warrant implementation in the City's environment, and

WHEREAS, the Modesto Municipal Code (MMC) generally requires all purchases exceeding \$50,000 for material and equipment of this type to be formally bid, and

WHEREAS, per MMC Section 8-3.204(d) the Purchasing Supervisor may determine that a process other than the formal bid procedure set forth in MMC Section 8-3.203 will result in procurement for the City at the lowest possible cost commensurate with the desired quality, and

WHEREAS, at its February 16<sup>th</sup>, 2006, meeting the Finance Committee recommended that Staff go before the full Council for approval to issue an RFP for the Microsoft platform migration, and

WHEREAS, by piggybacking off the Western States Contracting Alliance (WSCA) contract, this purchase will conform to MMC Section 8-3.204(d), and

WHEREAS, cost estimates for the migration of the City's directory and messaging platforms are \$330,000 for startup, and yearly reoccurring costs of \$160,000 for an initial 5-year commitment, and

WHEREAS, funding has been earmarked for this project in the Technology Reserve Fund,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the acquisition and migration of City's current Novell-based software system to a Microsoft based system through a State of California pre-negotiated WSCA contract and authorizes the City Manager to execute the contract.

BE IT FURTHER RESOLVED that the Purchasing Division is hereby authorized to prepare a purchase order for computers, software, licenses and professional services from Dell Corporation under the State of California, Department of General Services and the Western States Contracting Alliance (WSCA) contract for a total estimated start-up cost of \$330,000 and yearly reoccurring costs of \$160,000 for an initial 5-year commitment,

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14<sup>th</sup> day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmemeber Marsh, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen

NOES: Councilmembers: None

ABSENT: Councilmembers: Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-146**

**A RESOLUTION AMENDING THE BUDGET TO APPROPRIATE 330,000  
FROM THE IT RESERVE FUND 7130-80-8000-8003 TO THE CIP TO  
PURCHASE COMPUTER EQUIPMENT, SOFTWARE, LICENSES AND  
PROFESSIONAL SERVICES FROM DELL CORPORATION UNDER THE  
STATE OF CALIFORNIA, DEPARTMENT OF GENERAL SERVICES AND  
THE WESTERN STATES CONTRACTING ALLIANCE (WSCA) CONTRACT  
FOR A TOTAL ESTIMATED COST OF \$330,000 FOR STARTUP AND YEARLY  
REOCCURRING COSTS OF \$160,000 FOR AN INITIAL 5-YEAR  
COMMITMENT**

WHEREAS, the Information Technology Department (IT) has requested the purchase of computer equipment, software, licenses and professional services from Dell Corporation under the State of California, Department of General Services and the Western States Contracting Alliance (WSCA) contract, and

WHEREAS, the Microsoft migration exchange project is crucial to the City's daily business functions, and

WHEREAS, under the State of California, Department of General Services and the Western States Contracting Alliance (WSCA) contract, the City of Modesto is guaranteed the lowest cost for these products and services, and

WHEREAS, Dell Corporation is a participant in the WSCA contract and has provided the City of Modesto with the lowest bid at an estimated cost of \$330,000 for computer equipment, software, licenses and professional services, and

WHEREAS, Council desires to amend the budget for said purchase,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the Finance Department to amend the budget to appropriate \$330,000 from the IT Reserve Fund 7130-80-8000-8003 to the CIP to purchase computer equipment, software, licenses and professional services from Dell Corporation under the

State of California Department of General Services and the Western States Contracting Alliance (WSCA) contract.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14<sup>th</sup> day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-147**

**A RESOLUTION APPROVING THE TIMELINE FOR CITIZEN  
PARTICIPATION CALENDAR OF EVENTS FOR 2006-2007 HUD ANNUAL  
ACTION PLAN, AND CDBG AND ESG PUBLIC SERVICE GRANTS**

WHEREAS, the Department of Housing and Urban Development (HUD) regulations require that the City of Modesto have a Citizen Participation Plan that contains the City's procedures for community participation in development of the Annual Action Plan and use of Community Development Block Grant (CDBG), HOME, and Emergency Shelter Grant (ESG) funds, and

WHEREAS, the Fiscal Year 2006-2007 public service process was separated into two stages to allow for a strengthened public outreach campaign to the full Modesto community concerning the priorities and goals for the utilization of HUD funding, and

WHEREAS, the first stage in the Citizen Participation Plan was originally brought to the CH&CDC on October 28, 2005; it identified the process for the Public Service Grant and Emergency Shelter Grant for the Fiscal Year 2006-2007, and

WHEREAS, the second stage of this process is the formulation of the Annual Action Plan to include the required citizen participation meetings and public outreach campaign, and

WHEREAS, the Citizen Participation Plan will contain the Annual Action Plan, public advertisement dates, and public service grant activities recommended by the CH&CDC at its February 24, 2006, meeting, and

WHEREAS, the Citizens Housing and Community Development Committee met on February 24, 2006, and supported the recommended Timeline for the Citizen

Participation Calendar of Events for 2006-2007 HUD Annual Action Plan, and CDBG  
And ESG Public Service Grants,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the timeline for the Citizen Participation Calendar of Events for the Annual Action Plan, and the CDBG and ESG Public Service Grants, for Fiscal Year 2006-2007, a copy of which is attached hereto as Exhibit "A" and incorporated herein by reference.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-148**

**A RESOLUTION APPROVING AN AGREEMENT WITH PACIFIC DESIGN ASSOCIATES, INC., IN THE AMOUNT OF \$5,000.00, FOR CONSULTANT SERVICES FOR THE 1029 9<sup>TH</sup> STREET BUILDING ESTIMATE, AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE AGREEMENT**

WHEREAS, in the next year, City staff anticipates using consultant, Pacific Design Associates, Inc., (Pacific Design), to aid the City in negotiating the insurance settlement on the 1029 9<sup>th</sup> Street Building project in the not to exceed amount of \$5,000.00, and

WHEREAS, on November 24, 2004, the City entered into an agreement with Pacific Design, a local architectural firm, to evaluate the fire damage to said building and create preliminary estimates for insurance purposes, and

WHEREAS, out of the negotiations, Driver Alliant Insurance Services (DAIS) requested that further analysis be done to justify the cost of the damaged kitchen equipment, and

WHEREAS, recently, DAIS has requested further negotiations with the City, and the City's Risk Manager has requested that Pacific Design attend the meetings for assistance, and

WHEREAS, Staff recommends a new agreement with Pacific Design to include future meetings, and estimate analysis that may result from upcoming negotiations, and

WHEREAS, Pacific Design calculated the City's current estimates for the value of the 1029 9<sup>th</sup> Street Building, therefore, their presence during negotiations is important. In addition, using outside professional services will enable negotiations to be completed in a timely manner, and

WHEREAS, based on the City's previous experience, Pacific Design has rendered satisfactory services to the City in past projects, and

WHEREAS, City desires to pay the Agreement for consultant services with Pacific Design on a time and materials basis in a total amount not to exceed \$5,000.00 in full remuneration of performing mediation services to aid the City in negotiating the insurance settlement on the 1029 9<sup>th</sup> Street Building project and to execute the Agreement for Consultant Services with Pacific Design in said amount,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Agreement with Pacific Design, in the not to exceed amount of \$5,000.00, for consultant services to aid the City in negotiating the insurance settlement for the 1029 9<sup>th</sup> Street Building project.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14<sup>th</sup> day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-149**

**A RESOLUTION APPROVING THE PLANS AND SPECIFICATIONS FOR THE ROSE/CELESTE SEWER LIFT STATION PROJECT, ACCEPTING THE BID AND APPROVING A \$1,505,875.00 CONTRACT WITH PRESTON PIPELINES, INC., FOR THE PROJECT TITLED, "ROSE/CELESTE SEWER LIFT STATION PROJECT," AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE CONTRACT**

WHEREAS, plans and specifications have been prepared for the "Rose/Celeste Sewer Lift Station Project" and City staff recommends approval to the City Council, and

WHEREAS, the bids received for "Rose/Celeste Sewer Lift Station Project" were opened at 11:00 a.m. on January 10, 2006, and later tabulated by the Public Works Director for the consideration of the Council, and

WHEREAS, the Public Works Director has recommended that the bid of \$1,505,875.00 received from Preston Pipelines, Inc., be accepted as the lowest responsible bid and the contract be awarded to Preston Pipelines, Inc.,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the plans and specifications for the "Rose/Celeste Sewer Lift Station Project".

BE IT FURTHER RESOLVED that the Council hereby accepts the bid of \$1,505,875.00, and hereby awards Preston Pipelines, Inc., the contract titled "Rose/Celeste Sewer Lift Station Project."

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the contract.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-150**

**A RESOLUTION ADOPTING A MITIGATED NEGATIVE DECLARATION  
(SCH #2005092032) AND A MITIGATION MONITORING AND REPORTING  
PROGRAM FOR THE ROSE/CELESTE SEWER LIFT STATION PROJECT**

WHEREAS, Section 15070 of the CEQA Guidelines relating to Initial Study/Mitigated Negative Declarations permits a lead agency to prepare an Initial Study/Mitigated Negative Declaration on any proposed Project to analyze whether the Project may cause any significant effect on the environment, and

WHEREAS, the Rose/Celeste Sewer Lift Station was last upgraded in 1979, the two - 10 horsepower pumps are continuously operating for 12-14 hours per day with one pump running 90% of the time, the lift station is located in the middle of the Rose/Celeste intersection, 20 feet deep, with no standby power, and

WHEREAS, Stantec Consulting Inc., under contract with the City, prepared an Initial Study, Mitigated Negative Declaration and Mitigation Monitoring Plan (SCH #2005092032) for the Rose/Celeste Sewer Lift Station Project, which identified potentially significant impacts from the proposed Project, which could be mitigated to a level of insignificance by incorporating feasible mitigation measures into the Project, and

WHEREAS, feasible mitigation measures were incorporated into the Project and agreed to by the City before the Initial Study/Mitigated Negative Declaration was released for public review, which measures will avoid or mitigate the identified effects to a point where clearly no significant effects will occur, and

WHEREAS, a 30-day public review period for the proposed Initial Study/Mitigated Negative Declaration began on September 8, 2005 and ended on October 10, 2005, and

WHEREAS, the City did not receive any public comments on the draft Initial Study/Mitigated Negative Declaration so, following the public review, there were no comments to respond to or suggested technical revisions to be made to the document or any of the proposed mitigation measures, and

WHEREAS, the Mitigation Monitoring Plan (MMP) is included and described within the Initial Study/Mitigated Negative Declaration,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council has reviewed and considered the Initial Study/Mitigated Negative Declaration and Mitigation Monitoring Plan prepared for the Rose/Celeste Sewer Lift Station Project, and based on the substantial evidence provided in said Initial Study/Mitigated Negative Declaration makes the following findings:

1. The recitals set forth above are true and correct.
2. The Initial Study/Mitigated Negative Declaration prepared for the proposed project has identified additional potentially significant environmental effects. These additional potentially significant effects are potential impacts to aesthetics, air quality, biological resources, cultural resources, hydrology and water quality, noise, transportation/traffic, utilities and service systems.
3. Before the Initial Study/Mitigated Negative Declaration was released for public review, feasible mitigation measures were made by or agreed to by the City which will avoid or mitigate the effects to a point where clearly no significant effect will occur.
4. There is no substantial evidence, in light of the whole record before the public agency, that the project, as revised, may have a significant effect on the environment (Public Resources Code Section 21064.5(2)).

5. The Initial Study/Mitigated Negative Declaration reflects the independent judgment of the lead agency.
6. As required by Public Resources Code Section 21081.6 et seq., the Mitigation Monitoring and Reporting Program is hereby adopted, a copy of which is included in the Mitigated Negative Declaration, which is on file with the City Clerk.
7. The Initial Study/Mitigated Negative Declaration, Environmental Assessment (EA/PW 2005-15, SCH No. 2005092032) provides the substantial evidence to support findings 1 through 6, above.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby adopts the Initial Study/Mitigated Negative Declaration (SCH No. 2005092032), a copy of which is on file with the City Clerk and incorporated herein by reference.

BE IT FURTHER RESOLVED that the City of Modesto Public Works Department, Capital Improvement Services, is the custodian of the documents and other materials, which constitute the record of proceedings upon which its decision is based. The records are located at the office of the City of Modesto Public Works Deputy Director, 1010 Tenth Street, Fourth Floor, Modesto, CA 95354.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Public Works Director is hereby authorized and directed to file a Notice of Determination within five (5) business days with the Stanislaus County Clerk pursuant to Section 21152 of the Public Resources Code.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14<sup>th</sup> day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-151**

**A RESOLUTION AMENDING THE FY 05/06 CIP BUDGET BY INCREASING  
THE ROSE/CELESTE SEWER LIFT STATION APPROPRIATION BY  
\$1,289,141 BY MOVING \$1,289,141 FROM ACCOUNT 6210-800-8000-8003  
WASTEWATER CONTINGENCY RESERVES TO FULLY FUND THE  
ROSE/CELESTE SEWER LIFT STATION PROJECT**

WHEREAS, on October 25, 2005, Council Resolution No. 2005-537 adopted the 2005/2006 Capital Improvement Program, and

WHEREAS, the 2005/2006 Capital Improvement Program included a project titled "Rose/Celeste Sewer Lift Station," and

WHEREAS, bid were opened and Preston Pipelines, Inc. was the apparent low bidder in the amount of \$1,505,875.00, and

WHEREAS, the apparent low bid was 36% higher than the consultant engineer's construction estimate, and

WHEREAS, a budget adjustment appropriating \$1,289,141 from Account 6210-800-8000-8003 Wastewater Contingency Reserves is needed to fully fund the Rose/Celeste Sewer Lift Station Project,

NOW, THEREFORE, BE IT RESOLVED that the Council of the City of Modesto hereby approves funding transfers as set forth herein to fully fund the Rose/Celeste Sewer Lift Station Project.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14<sup>th</sup> day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-152**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MODESTO CALLING  
AN ELECTION FOR THE PURPOSE OF SUBMITTING THE LEVY OF THE CITY OF  
MODESTO COMMUNITY FACILITIES DISTRICT NO. 2004-1 (VILLAGE ONE #2)  
SPECIAL TAXES TO THE QUALIFIED ELECTORS OF THE TERRITORY  
PROPOSED TO BE ANNEXED TO THE DISTRICT (ANNEXATION NO. 11)**

WHEREAS, this Council did, on February 7, 2006, adopt its Resolution No. 2006-066 (the "Resolution of Intention to Annex") to indicate its intention to annex certain territory to the City's Community Facilities District No. 2004-1 (Village One #2) (the "District") and authorize the levy of the District special taxes within the territory proposed to be annexed (the "Annexed Territory"), pursuant to Chapter 2.5 of Part 1 of Division 2 of Title 5 (commencing with Section 53311) of the California Government Code, commonly known as the "Mello-Roos Community Facilities Act of 1982" (the "Act"), and set a hearing thereon; and

WHEREAS, pursuant to the Act, this Council did, by its Resolution No. 2004-681, adopted on December 14, 2004, clarify the Rate and Method of Apportionment with respect to the Maximum Special Taxes to be generated by a parcel that has been rezoned, and

WHEREAS, pursuant to the Act, this Council did, by its Resolution No. 2004-683, adopted on December 14, 2004 ("Resolution of Creation of Tax Zone #2), create Tax Zone #2 within the District; and

WHEREAS, the One-Time Facilities Special Tax component of the special taxes is higher in Tax Zone #2 than in Tax Zone #1; and

WHEREAS, the Annexed Territory will be annexed to and subject to the special taxes in Tax Zone #2; and

WHEREAS, notice of the hearing was duly published as required by law, as evidenced by the proof of publication on file with the City Clerk; and

WHEREAS, a map of the Annexed Territory, entitled "Annexation Map No. 11 of Community Facilities District No. 2004-1 ("Village One #2) of the City of Modesto, County of Stanislaus, State of California," was recorded on February 9, 2006, in the Office of the County Recorder of the County of Stanislaus, in Book 4 of Maps of Assessment and Community Facilities Districts, at page 36; and

WHEREAS, at the time and date set for the hearing (March 14, 2006) pursuant to the Resolution of Intention to Annex, this Council held the public hearing on Tuesday, March 14, 2006, as required by the Act, related to the proposed annexation and the levy of the District special taxes for Tax Zone #2 within the Annexed Territory, and all other matters set forth in the Resolution of Intention to Annex; and

WHEREAS, at the hearing all persons desiring to be heard on all matters pertaining to the proposed annexation and the levy of the District special taxes for Tax Zone #2 within the Annexed Territory, and all other matters set forth in the Resolution of Intention to Annex, including all interested persons for or against the proposed annexation to the District and the levy of the District special taxes for Tax Zone #2 within the Annexed Territory were heard and considered, and a full and fair hearing was held thereon; and

WHEREAS, at the hearing evidence was presented to this Council on the matters before it, and this Council, at the conclusion of the hearing, was fully advised as to all matters related to the proposed annexation and the levy of the District special taxes for Tax Zone #2 within the Annexed Territory, and all other matters set forth in the Resolution of Intention to Annex; and

WHEREAS, written protests against the proposed annexation and the levy of the District special taxes for Tax Zone #2 within the Annexed Territory have not been filed with the City Clerk by 50 percent or more of the registered voters or six registered voters, whichever is more, residing within the District or residing within the Annexed Territory, or the owners of one-half or more of the land in the District, or in the Annexed Territory; and

WHEREAS, the Stanislaus County Registrar of Voters has certified there are less than 12 registered voters residing in the Annexed Territory; accordingly, the qualified electors are the landowners; and

WHEREAS, the City Clerk, being the Council's designated election official for purposes of the election herein called, has concurred in the election date herein set forth for the election;

NOW THEREFORE, BE IT RESOLVED, ORDERED AND FOUND by the City Council of the City of Modesto that:

SECTION 1. The foregoing recitals are true and correct.

SECTION 2. All prior proceedings taken with respect to the annexation of the Annexed Territory to the District, and the levy of the District special taxes for Tax Zone #2 within the Annexed Territory were valid and in conformity with the requirements of the Act. This determination shall be final and conclusive upon all persons.

SECTION 3. The proposed annexation of the Annexed Territory to the District and the levy of the District special taxes for Tax Zone #2 within the Annexed Territory have not been precluded by majority protest pursuant to Section 53339.5 of the Act.

SECTION 4. As stated in the Resolution of Intention to Annex, it is the intention of this Council, subject to the approval of the qualified electors of the Annexed Territory, to annex the Annexed Territory to the District and levy the District special taxes for Tax Zone #2 within the

Annexed Territory. Upon such approval the Council will be authorized to levy the District special taxes for Tax Zone #2 within the Annexed Territory.

SECTION 5. A special election is hereby called at which the question of levying the District special taxes for Tax Zone #2 within the Annexed Territory shall be submitted to the qualified electors of the Annexed Territory. The election shall be held in accordance with and subject to the Act, all of the terms of which shall, unless waived as herein provided, be applicable to such election. The ballot measure shall be substantially in the form attached hereto as Exhibit A.

SECTION 6. Fewer than 12 persons have been registered to vote within the Annexed Territory for each of the 90 days preceding the close of the hearing referenced herein. Accordingly, the vote shall be by the landowners of the Annexed Territory, and each such landowner shall have one vote for each acre or portion thereof that he or she owns within the Annexed Territory. The ballots shall be distributed by mail with return postage prepaid, or by personal service, to each landowner, all as provided in Section 53326 of the Act.

Since the City Clerk has received an appropriate waiver of time limits and other requirements pertaining to the conduct of the election by the owner of all of the land in the Annexed Territory (the "Landowner"), the election shall be held on the 14th day of March 2006. The election shall be conducted by the City Clerk in the manner required by this resolution, the Act and applicable laws.

The hour on such date when the ballots are required to be received in the office of the City Clerk is noon, Pacific Time. If all qualified electors have voted prior to such time, the election shall be closed.

SECTION 7. In accordance with Section 53327(b) of the Act, analysis and arguments, as required by Section 53327(a) of the Act are hereby waived, as the City Clerk has received the unanimous consent to such waivers from the Landowner.

SECTION 8. The publication of this Resolution as notice of the special election is hereby waived as the City Clerk has received the unanimous consent to such waiver from the Landowner.

SECTION 9. The Annexed Territory shall constitute a single election precinct for the purpose of holding the election.

SECTION 10. The City Clerk is hereby authorized to take any and all steps necessary for the holding of the election, and to perform and render all services and proceedings incidental to and in connection with the election.

SECTION 11. The City Clerk shall canvass the returns and certify the results of the election to this Council. If two-thirds or more of the votes cast are in favor of levying the District special taxes for Tax Zone #2 in the Annexed Territory, this Council may thereafter, order the annexation of the Annexed Territory to the District and levy the District special taxes in the Annexed Territory in the amount and for the purposes specified in Resolution No. 2004-199 adopted by this Council on April 6, 2004 (the "Resolution of Formation"). The Special Tax will be levied only at the rate and apportioned only in the manner specified in the Resolution of Formation, as clarified by the City Council on December 14, 2004 (Resolution No. 2004-681) and at the rates set forth in Tax Zone #2 created by the City Council on December 14, 2004 (Resolution No. 2004-683).

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14th of March 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-153**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MODESTO  
CANVASSING THE RESULTS OF THE MARCH 14, 2006, ELECTION HELD  
WITHIN THE TERRITORY PROPOSED TO BE ANNEXED TO CITY OF  
MODESTO COMMUNITY FACILITIES DISTRICT NO. 2004-1 (VILLAGE ONE  
#2), AND ORDERING ANNEXATION OF THE TERRITORY TO THE  
DISTRICT (ANNEXATION NO. 11)**

WHEREAS, this Council is conducting proceedings pertaining to the annexation of certain territory to the City's Community Facilities District No. 2004-1 (Village One #2) (the "District") and the levy of the District special taxes (the "District Special Taxes") within such territory, as described in its Resolution No. 2006-066, entitled "A Resolution of the City Council of the City of Modesto of Intention to Annex Territory to Community Facilities District No. 2004-1 (Village One #2) and to Authorize the Levy of Special Taxes therein (Annexation No. 11)" adopted on February 7, 2006, pursuant to Chapter 2.5 of Part 1 of Division 2 of Title 5 (commencing with Section 53311) of the California Government Code, commonly known as the "Mello-Roos Community Facilities Act of 1982" (the "Act"); and

WHEREAS, pursuant to the Act, this Council did, by its Resolution No. 2004-681, adopted on December 14, 2004, clarify the Rate and Method of Apportionment with respect to the Maximum Special Taxes to be generated by a parcel that has been rezoned; and

WHEREAS, pursuant to the Act, this Council did, by its Resolution No. 2004-683, adopted on December 14, 2004 ("Resolution of Creation of Tax Zone #2), create Tax Zone #2 within the District; and

WHEREAS, the territory to be annexed will be subject to the tax rates in Tax Zone #2; and

WHEREAS, the owners of all the property within the territory proposed to be annexed to the District waived those provisions related to the timing and conduct of the election referenced in Sections 5, 6, 7 and 8 of this Council's Resolution No. 2006-?, adopted on March 14, 2006, and, as a result, this Council called an election within the territory proposed to be annexed to the District (the "Election") for March 14, 2006, or as soon thereafter as practicable, relative to the foregoing; and

WHEREAS, on March 14, 2006, the Election was held; and

WHEREAS, the City Clerk has certified that at the Election the proposition of levying the District Special Taxes within the territory proposed to be annexed to the District was approved by more than two-thirds (2/3) of the votes cast at the Election;

NOW, THEREFORE, BE IT RESOLVED, ORDERED AND FOUND by the City Council of the City of Modesto that:

SECTION 1. The Election was duly and validly conducted in conformity with all applicable laws pertaining thereto. It is hereby determined that the owners of the territory proposed to be annexed is as set forth in the Certificate of City Clerk as to Distribution of Official Ballots, submitted to this Council and on file with the City Clerk.

SECTION 2. The ballot proposition presented to the qualified electors of the territory proposed to be annexed at the Election received at least two-thirds (2/3) of the votes cast at the Election. A copy of the City Clerk's certificate of election results is attached.

**CERTIFICATE OF CITY CLERK**

I, JEAN ZAHR, City Clerk of the City of Modesto, hereby certify that, pursuant to Resolution No. 2006-153, A Resolution of the City Council of the City of Modesto Calling an Election for the Purpose of Submitting the Levy of the City of Modesto Community Facilities District No. 2004-1 (Village One #2) Special Taxes to the Qualified Electors of the Territory Proposed to be Annexed to the District (Annexation No. 11) adopted on February 7, 2006, by the City Council of the City of Modesto, I did conduct the Special Tax Election on March 14, 2006, and that the election was conducted by mail or in person at the City Hall of the City of Modesto.

I further certify that the following shows the full text of the measure submitted to the voters at the election and the full and true totals of all votes cast for and against the measure.

**Proposition A.** Shall special taxes for Tax Zone #2, with maximum rates, method of apportionment, and manner of collection as provided in Exhibit A to the City’s Resolution No. 2004-683, entitled “A Resolution of the City Council of the City of Modesto Creating Tax Zone #2 in Community Facilities District No. 2004-1 (Village One #2), Approving an Increase in the One-Time Facilities Special Tax Therein, and Approving Updates of the Rate and Method of apportionment of Special Taxes for the District”, adopted by the City Council of the City of Modesto on December 14, 2004, which is incorporated herein by this reference, be levied within the territory proposed to be annexed to Tax Zone #2 of the City of Modesto Community Facilities District No. 2004-1 (Village One #2) pursuant to the City’s Resolution No. 2006-066, entitled “A Resolution of the City Council of the City of Modesto of Intention to Annex Territory to Community Facilities District No. 2004-1 (Village One #2) and to Authorize the Levy of Special Taxes therein (Annexation No. 11)” adopted by the City Council of the City of Modesto on February 7, 2006, for the purposes set forth in Resolution No. 2004-199, entitled “A Resolution of the City Council of the City of Modesto of Formation, Establishing City of Modesto Community Facilities District No. 2004-1 (Village One #2), Authorizing the Levy of Special Taxes within the District, Preliminarily Establishing an Appropriations Limit for the District, and Calling an Election for the Purpose of Submitting the Levy of the Special Taxes and the Establishment of the Appropriations Limit to the Qualified Electors of the District”, adopted by the City Council of the City of Modesto on April 6, 2004, which is incorporated herein by this reference?

SECTION 3. Pursuant to Section 53339.8 of the Act, it is hereby ordered that the territory proposed to be annexed to the District pursuant to Resolution No. 2006-066 be annexed to and be a part of the District with full legal effect, and that the District Special Taxes be levied within the territory so annexed as set forth in the Resolution of Creation of Tax Zone #2.

SECTION 4. The City Clerk is hereby directed to enter this resolution on the minutes of this City Council, which shall constitute the official declaration of the result of the Election.

SECTION 5. The City Clerk is further authorized and directed to record an amendment to the Notice of Special Tax Lien with the County Recorder of the County of Stanislaus, within 15 days from the date hereof, in accordance with the provisions of Sections 3114.5 and 3117.7 of the California Streets and Highways Code.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 14<sup>th</sup> day of March 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

WILLIAM GLICK FROM THE CITIZENS ADVISORY COMMITTEE ON  
RECYCLING**

WHEREAS, WILLIAM GLICK was appointed a member of the Citizens  
Advisory Committee on Recycling on February 24, 2004; and

WHEREAS, WILLIAM GLICK has tendered his resignation from the Citizens  
Advisory Committee on Recycling; and

WHEREAS, WILLIAM GLICK has been a devoted and sincere public servant  
and has contributed greatly to our civic progress,

NOW, THEREFORE, BE IT RESOLVED that the resignation of WILLIAM  
GLICK from the Citizens Advisory Committee on Recycling be, and hereby is accepted  
with regret.

BE IT FURTHER RESOLVED that the Council of the City of Modesto, on its  
own behalf, and on behalf of the citizens of this City, hereby expresses its sincere  
appreciation to WILLIAM GLICK for his outstanding service to the community.

The foregoing resolution was introduced at a regular meeting of the Council of  
the City of Modesto held on the 28<sup>th</sup> day of March 2006, by Councilmember Dunbar,  
who moved its adoption, which motion being duly seconded by Councilmember

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-155**

**A RESOLUTION OF THE CITY OF MODESTO AUTHORIZING AN  
APPLICATION TO THE HOUSING AND COMMUNITY DEVELOPMENT  
DEPARTMENT OF THE STATE OF CALIFORNIA FOR AN ENTERPRISE  
ZONE EXPANSION**

WHEREAS, the Housing & Community Development Department of the State of California (“HCD”) oversees an Enterprise Zone Program with the goal of stimulating growth in economically depressed areas of the State, and

WHEREAS, on November 16, 2005, HCD approved the Stanislaus Enterprise Zone which includes approximately 8,134 acres located within the City limits, and

WHEREAS, current law allows for a total of a fifteen percent (15%) acreage expansion within Stanislaus County, and

WHEREAS, in response to said Enterprise Zone expansion opportunity, the City has determined that certain properties meet the qualification for expansion by virtue of their location in areas zoned for either commercial or industrial uses and interest has been expressed by certain business owners within said areas, and

WHEREAS, based on this determination, the City will submit an application to HCD for a Stanislaus Enterprise Zone expansion encompassing approximately 1,327 acres located within City limits, and

WHEREAS, the City has jurisdiction over a portion of the application area and is adopting this resolution for those certain areas located within the City limits as shown on Exhibit A - “Stanislaus Enterprise Zone: Modesto Expansion Map”, which is attached hereto and made a part hereof by this reference, and

WHEREAS, the City acknowledges that the Stanislaus Economic Development and Workforce Alliance (“The Alliance”) shall be designated as the agency responsible for the submission of the expansion application, under the oversight of the member cities of Modesto, Turlock, Ceres, and the County.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Modesto that the boundary of the proposed Enterprise Zone expansion is hereby approved as shown in Exhibit A - “Stanislaus Enterprise Zone: Modesto Expansion Map”.

BE IT FURTHER RESOLVED that, should HCD approve the expansion application, the City agrees to complete all actions as required by HCD.

BE IT FURTHER RESOLVED that the City understands and acknowledges that there are other qualifying areas within Stanislaus County that are not currently described, and that inclusion of these areas in the Stanislaus Enterprise Zone would provide significant economic benefit to all communities within Stanislaus County, and therefore the City agrees to work cooperatively and expeditiously with other members of the Stanislaus Enterprise Zone to obtain approval of future expansion requests as they are submitted.

BE IT FURTHER RESOLVED that the Director of Community & Economic Development or designee, is hereby authorized and directed to execute and submit all required documentation, including the application, memorandum of understanding, and other necessary documents, on behalf of the City of Modesto, subject to any minor conforming technical or clarifying changes approved by the City Attorney, to the

California Housing & Community Development Department for review and approval of the Enterprise Zone boundary expansion as shown in Exhibit A.

The forgoing resolution was introduced in a regular meeting of the City Council of the City of Modesto held on the 28<sup>th</sup> day of March, 2006 by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

# Stanislaus Enterprise Zone: Modesto Expansion Map

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-156**

**A RESOLUTION APPROVING AMENDMENT NO. 3 TO THE AGREEMENT  
BETWEEN THE CITY OF MODESTO AND TURNSTONE CONSULTING  
CORPORATION FOR THE PREPARATION OF A MARKET ANALYSIS ON  
THE PROPOSED REGIONAL COMMERCIAL DEVELOPMENT FOR THE  
TIVOLI (FORMERLY ROSELLE NEIGHBORHOOD) SPECIFIC PLAN  
ENVIRONMENTAL IMPACT REPORT, AND AUTHORIZING THE CITY  
MANAGER TO EXECUTE THE AGREEMENT IN AN AMOUNT NOT TO  
EXCEED \$44,725**

WHEREAS, Dave Romano, P.E./AICP, of Russell A. Newman P.L.C., has applied for a specific plan, referred to as the Tivoli (formerly Roselle Neighborhood) Specific Plan, to allow for the orderly and future development within the approximate 454-acre planning area bounded by Sylvan Avenue on the south, the extension of Claratina Avenue on the north, Roselle Avenue on the east and Oakdale Road on the west, and

WHEREAS, the Tivoli Specific Plan will also involve the following associated entitlements: rezoning to a Specific Plan-Overlay (SP-O) Zone; Annexation of the project site into the City of Modesto including approval by the Local Agency Formation Commission; adoption of a specific plan; a General Plan Amendment to 1) reclassify two sites consisting of approximately 67 acres from Village Residential to Regional Commercial, 2) allow Village Residential designation in TSP to exceed the recommended 5.1 units per gross acre, 3) allow commercial development for the Village Residential designation in TSP to exceed the recommended 4%, 4) allow for the TSP neighborhood center focus that combines a neighborhood park and elementary school, 5) reclassify Claratina Avenue from Oakdale Road to Roselle Avenue from a four-lane Expressway to a Principal Arterial with a Class I bike path, 6) reclassify Sylvan Avenue from east of Oakdale Road to Roselle Avenue from a Principal Arterial to a Minor Arterial, 7) amend

Oakdale Road from Sylvan Avenue to Claribel Avenue as a Principal Arterial to include Class 2 Bike Lanes, one lane on each side of the street; adoption of a Facilities Master Plan and a Infrastructure Finance Plan for the Tivoli Specific Plan area; formation of a Community Facilities District to fund the construction of “backbone” public infrastructure, maintenance of applicable public facilities, and applicable public services; approval of a Development Agreement to guide development within the Tivoli Specific Plan area; and subsequent entitlements, including abandonment of a portion of Mable Avenue, approval of Area Plans , Final Development Plans, tentative maps, Conditional Use Permits, and other City entitlement approvals, and

WHEREAS, Section 21080.1 of the California Public Resources Code requires the City of Modesto, as lead agency, to make a determination of whether an environmental impact report is required for projects, and

WHEREAS, the City has determined that an environmental impact report is required for the proposed Tivoli Specific Plan project and related applications, and

WHEREAS, by Resolution No. 2002-622, adopted on December 10, 2002, the City Council approved a list of environmental service providers, including the firm of Turnstone Consulting Corporation, to assist with the preparation of environmental impact reports and other environmental documents, and

WHEREAS, City staff selected Turnstone Consulting Corporation to prepare the environmental impact report for the Tivoli Specific Plan because of their extensive experience on similar projects in other jurisdictions, and

WHEREAS, the City Council adopted Resolution Number 2005-014 on January 4, 2005, approving an agreement with Turnstone Consulting Corporation for the preliminary work on the Environmental Impact Report for the Tivoli Specific Plan, and

WHEREAS, the City Council adopted Resolution Number 2005-184 on April 26, 2005, approving Amendment No. 1 to the agreement with Turnstone Consulting Corporation for the Biological Study and Traffic Study for the Tivoli Specific Plan, and

WHEREAS, the City Council adopted Resolution Number 2005-502 on October 11, 2005, approving Amendment No. 2 to the agreement with Turnstone Consulting Corporation for the preparation of the Draft Environmental Impact Report on the Tivoli Specific Plan, and

WHEREAS, City staff has negotiated a scope of work for a third amendment to the contract, involving the preparation of a market analysis on the proposed regional commercial development for the Tivoli Specific Plan Environmental Impact Report in an amount not to exceed \$44,725.00, and

WHEREAS, City staff will be returning to Council for a fourth contract amendment for preparation of the Final EIR,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves Amendment No. 3 to the Agreement between the City of Modesto and Turnstone Consulting Corporation for the preparation of a market analysis on the proposed regional commercial development for the Tivoli Specific Plan Environmental Impact Report in an amount not to exceed \$44,725.00, a copy of which is on file in the City Clerk's office.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute Amendment No. 3 to the Agreement and the City Clerk is hereby authorized to attest thereto.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-157**

**A RESOLUTION APPROVING A POLICY FOR INVESTMENT OF PUBLIC  
FUNDS, POLICY NO. 1.019**

WHEREAS, pursuant to Section 2-3.401 of the Modesto Municipal Code, it is the function of the City of Modesto (“City”) Finance Department to deposit and invest funds in accordance with sound treasury management, and

WHEREAS, the City is also governed by Sections 53600 et seq. of the California Government Code, which requires that local agencies annually adopt an investment policy, and

WHEREAS, the City Council approved a contract on February 3, 2004 with Public Financial Management (PFM), an investment services advisor, to provide investment management, research and supervision of the City’s Managed Funds, and

WHEREAS, PFM has reviewed the City’s Investment Policy and is not recommending changes to the City’s general investment philosophy, and

WHEREAS, a copy of the policy is marked Attachment “A”, attached hereto and incorporated herein by reference,

NOW, THEREFORE, BE IT RESOLVED that the Council of the City of Modesto hereby approves the Policy for Investment of Public Funds, Policy No. 1.019.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

<p><b>SUBJECT: INVESTMENT POLICY</b></p>		

**PURPOSE**

The purpose of this document is to identify various policies and procedures that enhance opportunities for a prudent and systematic investment policy and to organize and formalize investment-related activities.

**BACKGROUND**

Under Section 2-3.401 of the Municipal Code, it is the function of the Finance Department to deposit and invest funds in accordance with sound treasury management. As a charter city, Modesto operates its pooled idle cash investment under the “prudent investor” rule which states that:

“When investing, reinvesting, purchasing, acquiring, exchanging, selling, or managing public funds, a trustee shall act with the care, skill, prudence, and diligence under the circumstances then prevailing, including, but not limited to, the general economic conditions and the anticipated needs of the agency, that a prudent person acting in a like capacity and familiarity with those matters would use in the conduct of funds of a like character and with like aims, to safeguard the principal and maintain the liquidity needs of the agency.”

The City is also governed by Sections 53600 et seq. of the California Government Code. This affords the City a broad spectrum of investment opportunities, so long as the investment is deemed prudent and allowable under current legislation of the State of California and the charter of the City of Modesto.

On an annual basis, the Finance Director/Treasurer will render to the City Council the statement of investment policy. The report will be considered, with any changes, by the City Council at a public meeting.

**INVESTMENT REPORT**

The Finance Director/Treasurer shall provide the City Council with a monthly report of investment transactions. In addition, the Finance Director/Treasurer shall render a quarterly report to the City Council, City Manager and the internal auditor within 30 days following the end of the quarter. The report shall contain the following:

1. The type of investment, issuer, purchase date, date of maturity, credit rating, overall portfolio yield based on cost, total par and dollar amount invested on all securities, investments

2. The weighted average maturity of the portfolio.
3. A description of any funds, investments or programs that are under management of contracted parties, including lending programs. Funds and investments held by contracted parties shall be reported at market value and the source of valuation shall be reported.
4. The market value as of the date of the report, and the source of the valuation.
5. A statement of compliance with the investment policy or manner in which the portfolio is not in compliance.
6. A statement denoting the City's ability to meet its expenditure requirements for the next six months or provide an explanation as to why sufficient money shall, or may, not be available.

### **INVESTMENT CRITERIA**

Public funds are invested in the following manner in order of priority:

1. **Safety of Principal**

The duty of the Finance Director/Treasurer is to protect, preserve and maintain cash and investments on behalf of the citizens of the community. To guard against loss of principal, only prudent and safe investments will be considered.

2. **Liquidity**

The receipt of revenues and maturities of investments should be scheduled so that adequate cash will be available to meet disbursements. An adequate portion of the portfolio should be maintained in liquid short-term instruments which can be readily converted to cash if necessary.

3. **Yield**

Yield is the potential dollar earnings, or rate of return, an investment can provide. Yield becomes a consideration only after the basic requirements of safety and liquidity have been met.

### **SAFEKEEPING AND CUSTODY**

All security transactions entered into by the City shall be conducted on a delivery-versus payment basis. Securities will be held by third party custodian designated by the Finance Director/Treasurer and evidenced by safekeeping receipts.

The only exception to the foregoing are Local Agency Investment Pools, Certificates of Deposit, and money market funds since the purchased securities are not deliverable. In all cases, purchased securities shall be held in the City's name.

## **PERFORMANCE STANDARDS**

The investment portfolio shall be designed with the objective of obtaining a rate of return throughout budgetary and economic cycles, commensurate with the investment risk constraints and the cash flow needs. The City will measure the portfolio's performance against a market benchmark that is commensurate with the City's investment risk constraints and the cash flow characteristics of the portfolio.

## **AUTHORIZED INVESTMENTS**

Commencing with Section 53601 of Article 1, Chapter 4 of the Government Code of the State of California, surplus money may be invested in the following:

- A. City of Modesto bonds.** Bonds issued by the City.
- B. U.S. Treasury securities.** United States Treasury notes, bonds, bills or certificates of indebtedness or those for which the faith and credit of the United States are pledged for the principal and interest.
- C. State of California securities.** Registered State of California warrants, treasury notes or bonds, provided that the securities are rated AAA by a nationally recognized statistical rating agency
- D. California municipal securities.** Bonds, notes, warrants or other evidence of indebtedness of any local agency within California, provided that the securities are rated AAA by a nationally recognized statistical rating agency
- E. Federal Agency securities.** Obligations issued by a federal agency or United States government-sponsored enterprise.
- F. Bankers' Acceptances.** Bankers' Acceptances issued by domestic or foreign banks, which are eligible for purchase by the Federal Reserve System, the short-term paper of which is rated in the highest category by a nationally recognized statistical rating agency.

Purchases of Bankers' Acceptances may not exceed 180 days maturity or 40 percent of the City's surplus money. The maximum amount permitted to be invested in the Banker's Acceptances of any one commercial bank is the greater of 10 percent of the City's surplus funds or \$1 million.

**G. Commercial Paper.** Commercial paper of "prime" quality of the highest ranking or of the highest letter and number rating as provided for by a nationally recognized statistical-rating organization. The entity that, issues the commercial paper shall meet all of the following conditions in either paragraph (1) or paragraph (2):

- (1) The entity meets the following criteria: (a) is organized and operating within the United States as a general corporation. (b) Has total assets in excess of \$500 million. (c) Has debt other than commercial paper, if any, that is rated "A" or higher by a nationally

recognized statistical-rating organization (NRSRO).

(2) The entity meets the following criteria: (a) is organized within the United States as a special purpose corporation, trust, or limited liability company. (b) Has program wide credit enhancements including, but not limited to, over collateralization, letters of credit, or surety bond.

Investments in commercial paper are limited to a maximum of 25% of the portfolio. Purchases shall not exceed 10 percent of the outstanding paper of the issuing corporation. The maximum investment maturity is restricted to 270 days.

**H. Certificates of Deposit.** FDIC insured or fully collateralized time certificates of deposit in financial institutions located in California. Eligible investments are restricted to those issuing institutions that have been in business at least five years. The maximum term for deposits shall be one year. Investments in certificates of deposit are further limited to 20% of surplus funds. All time deposits must be collateralized in accordance with California Government Code section 53561. The City, at its discretion, may waive the collateralization requirements for any portion of the deposit that is covered by federal insurance.

**I. Negotiable Certificates of Deposit.** Negotiable certificates of deposit issued by a nationally- or state-chartered bank or a state or federal savings and loan association or by a state-licensed branch of a foreign bank; provided that the senior debt obligations of the issuing institution are rated "AA" or better by Moody's or Standard & Poor's. Investments in negotiable certificates of deposit are limited to 30 percent of the portfolio.

**J. Repurchase Agreements.** Repurchase Agreements used solely as short-term investments not to exceed 90 days.

The following collateral restrictions will be observed: Only U.S. Treasury securities or Federal Agency securities as described in 1 and 2 will be acceptable collateral. All securities underlying Repurchase Agreements must be delivered to the City's custodian bank versus payment or be handled under a tri-party repurchase agreement. The total of all collateral for each Repurchase Agreement must equal or exceed, on the basis of market value plus accrued interest, 102 percent of the total dollar value of the money invested by the City for the term of the investment. For any Repurchase Agreement with a term of more than one day, the value of the underlying securities must be reviewed on a regular basis.

Market value must be calculated each time there is a substitution of collateral.

The City or its trustee shall have a perfected first security interest under the Uniform Commercial Code in all securities subject to Repurchase Agreement.

The City may enter into Repurchase Agreements with (1) primary dealers in U.S. Government securities who are eligible to transact business with, and who report to, the Federal Reserve Bank of New York, and (2) California and non-California banking

institutions having assets in excess of \$1 billion and in the highest short-term rating category as provided by Moody's Investors Service, Inc. or Standard & Poor's Corporation.

The City will have specific written agreements with each firm with which it enters into Repurchase Agreements.

**K. Reverse Repurchase Agreements.** The City may invest in reverse repurchase agreements only with "primary dealers" with which the City has entered into a master repurchase agreement contract. The City may invest in reverse repurchase agreements with the following conditions: The City may only use reverse repurchase agreements to (1) cover a temporary cash shortage, or (2) augment earnings. Reverse repurchase agreements may not be used to leverage the portfolio.

In addition, if a reverse repurchase agreement is authorized, it may be utilized only if the security to be sold on reverse repurchase agreement has been owned and fully paid for by the City for a minimum of 30 days prior to the sale; the total of all reverse repurchase agreements on investments owned by the City does not exceed 20% of the portfolio; and the agreement does not exceed a term of 92 days, unless the agreement includes a written codicil guaranteeing a minimum earning or spread for the entire period between the sale of the security using a reverse repurchase agreement and the final maturity date of the same security. The proceeds of the reverse repurchase agreement may not be invested in securities whose maturity exceeds the term of the Reverse Repurchase Agreement.

**L. Medium-term corporate notes .** Medium-term corporate notes defined as all corporate and depository institution debt securities with a maximum remaining maturity of five years or less, issued by corporations organized and operating within the United States or by depository institutions licensed by the U.S. or any state and operating within the U.S. Medium-term notes shall be rated in a rating category "AA-" or its equivalent or better by a nationally recognized rating service. Purchase of medium-term corporate notes may not exceed 30 percent of the City's investment portfolio.

**M. Money market funds.** Shares of beneficial interest issued by diversified management companies that are money market funds registered with the Securities and Exchange Commission under the Investment Company Act of 1940 (money market funds).

**N. State of California Local Agency Investment Fund (LAIF).**

**O. Mortgage and asset-backed securities.** Any mortgage pass-through security, collateralized mortgage obligation, mortgage-backed or other pay-through bond, equipment lease-backed certificate, consumer receivable-backed bond that has been issued by a Federal Agency and has a maximum of five years maturity.

#### **MAXIMUM MATURITY**

Investment maturities shall be based on a review of cash flow forecasts. Maturities will be scheduled so as to permit the City to meet all projected obligations.

Maximum maturity of an authorized investment is limited to five years.

Proceeds of sales or funds set aside for the repayment of any notes (e.g., Tax and Revenue Anticipation Notes) shall not be invested for a term that exceeds the term of the notes.

### **INELIGIBLE INVESTMENTS**

Any security type or structure not specifically approved by this policy is hereby specifically prohibited. Security types which are thereby prohibited include, but are not limited to,

Investment in inverse floaters, range notes, or interest only strips that are derived from a pool of mortgages is prohibited.

Investment in any security that could result in a zero interest accrual if held to maturity is prohibited.

### **RESTRICTIONS SET BY THE FINANCE DIRECTOR/TREASURER**

A. Prior approval of the Finance Director/Treasurer is required for the following transactions:

- Sale of securities
- Swaps and trades
- Purchase of collateralized mortgage obligations (CMO)
- Purchase of mortgage-backed obligations
- Purchase of corporate notes
- Purchase transaction in excess of \$3 million

B. The following investments are not deemed appropriate for the City and will not be utilized:

- Futures and options
- Small Business Administration notes

### **AUTHORIZED INVESTMENT PERSONNEL**

Pursuant to the Government Code, the City Council delegates the authority to invest or to reinvest funds, or to sell or exchange securities so purchased, to the Finance Director/Treasurer for a one-year period. The Finance Director/Treasurer is charged with the responsibility for carrying out the policies of the City Council and shall assume full responsibility for investment transactions until the delegation of authority is revoked or expires.

Idle cash management and investment transactions are the responsibility of the Finance Department, which is under the control of the Finance Director/Treasurer. The Finance Director/Treasurer may designate an individual(s) ["Designee"] to be responsible for the daily management of the City's portfolio of treasury investments. The Designee may also be directed to monitor and forecast the City's cash flows, and prepare periodic investment reports that are

submitted to the City Council. The Accounting Division of the Finance Department monitors all treasury transactions and prepares accounting records of all investment transactions as to type of investment, amount, yield, and maturity. No other person has authority to make investment transactions without the written authority of the Finance Director/Treasurer. Pursuant to Government Code chapter 53600, all persons investing monies are trustees and therefore fiduciaries subject to the prudent investor standard. Financial market security transactions will be executed by delivery versus payment and the securities will be held by a third party custodian.

Subject to required procurement procedures, the City may engage the support services of outside professionals in regard to its financial program, so long as it can be demonstrated or anticipated that these services produce a net financial advantage or necessary financial protection of the City's resources.

### **POLICY REVIEW**

The investment policy shall be adopted by resolution of the City Council on, at minimum, an annual basis. This investment policy shall be reviewed at least annually to ensure its consistency with the overall objectives of preservation of principal, liquidity and yield, and its relevance to current law and financial and economic trends. Any amendments to the policy shall be forwarded to City Council for approval.

This policy and the internal controls related to the investment of City funds will be reviewed by the City's independent external auditors in the conduct of their annual audit of the City.

## APPENDIX A - GLOSSARY

### Bankers Acceptances (BAs)

Bankers Acceptance is a time bill of exchange drawn on and accepted by a commercial bank to<sup>1</sup> finance the exchange of goods. When a bank “accepts” such a bill, the time draft becomes, in effect, a predated certified check payable to the bearer at some future specified date. Little risk is involved for the investor because the commercial bank assumes primary liability once the draft is accepted.

### Certificates of Deposit (CDS)

A certificate of deposit is issued against funds deposited in a commercial bank for a definite period of time and earning a specified rate of return. They are issued in two forms, negotiable and non-negotiable:

**A negotiable certificate of deposit** may be sold by one holder to another prior to maturity. This is possible because the issuing bank agrees to pay the amount of the deposit, plus earned interest, to the Bearer of the certificate at maturity.

**A non-negotiable certificate of deposit** is collateralized and is not a money market instrument since it cannot be traded in the secondary market. It is issued on a fixed maturity basis and often pays a higher interest rate than is permissible on other savings or time deposit accounts.

### Collateralized Mortgage Obligation (CMO)

A CMO is a pool of mortgages sold as a single investment with interest paid monthly, quarterly, or semi-annually. Mortgage securities pay a higher rate than U.S. Treasury securities due to risk of prepayment and default.

### Commercial Paper (CP)

This is a short-term promissory note issued by a corporation to raise working capital. The interest rates tend to be higher than other investments of similar liquidity.

### Derivatives

A financial instrument with a value derived from the value of one or more underlying assets or indexes of asset values. The term “derivative products” refers to instruments or features such as collateralized mortgage obligations (CMOs), interest-only (IOs) and principal-only (POs), forwards, futures, currency and interest rate swaps, options, floaters/inverse floaters, and caps/floors/collars.

### Federal Agency Securities

Certain agencies created by Congress and sponsored by the federal government issue debt that is considered to be of prime quality and have a very high standing in the bond market. The major federal agencies are described as follows:

**Federal National Mortgage Association (FNMA, “Fannie Mae”)** provides funds to the mortgage market primarily by purchasing loans from local lenders.

**Federal Home Loan Mortgage Corporation (FHLMC, "Freddie Mac")** purchases conventional mortgages and sells mortgage-backed securities.

**Student Loan Marketing Association (SLMA, "Sallie Mae")** facilitates that flow of private capital into various federally-guaranteed student loan programs maintained through banks, S&Ls, educational institutions and other participating lenders.

**Federal Farm Credit System (FFCB)** sells securities to provide mortgage loans and short-term and intermediate-term credit to farmers, ranchers, and agricultural cooperatives.

**Federal Home Loan Bank (FHLB)** acts as a credit reserve system for the thrift industry to stabilize the flow of funds to member savings and loan and savings banks.

### **Futures**

Exchange traded contracts specifying a future date of delivery or receipt of a specific product (physical commodity or financial instrument). Futures are used by business as a hedge against unfavorable price changes, and by speculators who hope to profit from such changes.

### **Local Agency Investment Fund (LAIF)**

State of California LAIF is designed to provide a convenient and safe means of investing temporarily idle monies by the State Treasurer. LAIF provides high liquidity and generally pays higher yields than can be realized by individual local agencies (for similar maturities) due to economies of scale.

### **Medium-Term Notes**

Issued by corporations (in the form of secured or unsecured debt) for the purpose of raising working capital and purchasing capital assets.

### **Options**

A right to buy (call) or sell (put) a fixed amount of a given stock at a specified price within a limited period of time. The purchaser hopes that the stock's price will go up (if he bought a call) or down (if he bought a put) by an amount sufficient to provide a profit when he sells the option. If the price is static or moves in the opposite direction, the price paid for the option is lost entirely.

### **Repurchase Agreement**

As authorized in Government Code Section 5360i(1), these investment vehicles are (generally short-term) agreements between the local agency and seller for the purchase of Government securities to be resold at a specific date and for a specific amount.

### **Reverse Repurchase Agreement**

This transaction is the opposite of a repurchase agreement. The dealer buys securities with a contractual agreement to sell them back at a prearranged date. The local agency pays the dealer's interest for the use of the funds. The money "borrowed" on a "reverse repo" can be reinvested in higher yielding instruments.

**U.S. Treasury Securities**

The highest quality, most liquid debt investments available in the fixed income market-place; unconditionally backed by the “full faith and credit” of the U.S. Government. Treasury bills are short-term instruments (maturity of three months to one year); Treasury notes and bonds are currently issued with maturities of two to ten years.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-158**

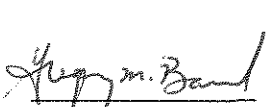

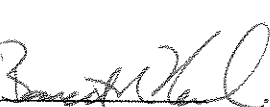

**A RESOLUTION AUTHORIZING INVESTMENT OF CITY MONIES IN THE  
LOCAL AGENCY INVESTMENT FUND**

**WHEREAS**, pursuant to Chapter 730 of the statutes of 1976, Section 16429.1 was added to the California Government Code to create a Local Agency Investment Fund in the State Treasury for the deposit of money of a local agency for purposes of investment by the State Treasurer; and

**WHEREAS**, the City Council does hereby find that the deposit and withdrawal of money in the Local Agency Investment Fund, in accordance with the provisions of Section 16429.1 of the Government Code, for the purpose of investment as stated therein as in the best interests of the City of Modesto.

**NOW THEREFORE, BE IT RESOLVED**, that the City Council does hereby authorize the deposit and withdrawal of City monies in the Local Agency Investment Fund in the State Treasury in accordance with the provisions of Section 16429.1 of the Government Code for the purpose of investment as stated therein, and verification by the State Treasurer's Office of all banking information provided in that regard.

**BE IT FURTHER RESOLVED**, that the following City of Modesto officers **or their successors in office** shall be authorized to order the deposit or withdrawal of monies in the Local Agency Investment Fund:

			
M. Wayne Padilla Finance Director	Gregory M. Baird Deputy Finance Dir	Cheryl Detmar Deputy Finance Dir	Barry Newlin Accounting Div Mgr

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28th day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

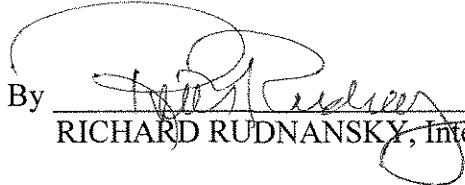

AYES: Councilmembers: Dunbar, Hawn, Keating, O'Bryant, Olsen, Mayor Ridenour

NOES: Councilmembers: None

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-159**

**A RESOLUTION AUTHORIZING THE AWARD OF BID AND CONTRACT TO  
HERITAGE FORD OF MODESTO, CALIFORNIA FOR FIFTEEN (15) NEW,  
CURRENT YEAR/MODEL, CHP CLASS "E" POLICE INTERCEPTOR SEDANS  
IN THE APPROXIMATE AMOUNT OF \$392,110.58**

WHEREAS, the Public Works Department-Fleet Services Division has requested the purchase of fifteen (15) new, current year/model, CHP Class "E" Police Interceptor sedans, and

WHEREAS, delivery of these vehicles will be coordinated to coincide with the lifecycles of the current patrol fleet in order to meet the replacement needs over the next twelve (12) months, and

WHEREAS, Resolution No. 2005-381 authorizes the Purchasing Supervisor to solicit formal bids for new vehicles and heavy equipment throughout FY 05/06 through various competitive processes, with the Purchasing Division coming back to Council for award authorization, and

WHEREAS, the Purchasing Division solicited formal bids for fifteen (15) new, current year/model, CHP Class "E" Police Interceptor sedans on Request for Bid (RFB) 0506-26, and

WHEREAS, eighteen (18) vendors were solicited, one (1) of which was a local vendor, and

WHEREAS, out of eighteen (18) vendors solicited, three (3) chose to respond, and

WHEREAS, the City's 2% local vendor preference was not a factor in determining the lowest responsive and responsible bidder for the CHP, Class "E", Police Interceptor sedans, and

WHEREAS, the Purchasing Division and the Public Works Department-Fleet Services staff evaluated the bids, and

WHEREAS, the approximate cost of the fifteen (15) new, current year/model, CHP, Class "E", Police Interceptor sedans is approximately \$392,110.58 including freight and sales tax, and

WHEREAS, Heritage Ford of Modesto, California was deemed to be the lowest responsive and responsible bidder, and

WHEREAS, Modesto Municipal Code (MMC) Section 8-3.203 requires all purchases, which meet or exceed \$50,000 for material, equipment, or contractual services to be formally bid, and

WHEREAS, the Code states that purchases whose total maximum cost to the City exceeds \$50,000 shall receive preliminary approval of the Council (MMC 8-3.203(a)), and

WHEREAS, this request for award of bid and contract conforms to City Code, and

WHEREAS, funds are available in the following accounts: 7210-480-5814-5323, 7210-480-5814-5326 and 7210-480-5814-5324 (Fleet Equipment, Replacement), and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of bid and contract for fifteen (15) new, current

year/model, CHP, Class "E" Police Interceptor sedans to Heritage Ford of Modesto, California in the approximate amount of \$392,110.58.

BE IT FURTHER RESOLVED that the Purchasing Supervisor is hereby authorized to issue a purchase order to Heritage Ford of Modesto, California for fifteen (15) new, current year/model, CHP, Class "E", Police Interceptor sedans in the approximate amount of \$392,110.58.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-160**

**A RESOLUTION AUTHORIZING THE AWARD OF BID AND CONTRACT TO  
JM SQUARED ASSOCIATES, INC. OF CONCORD, CALIFORNIA FOR TWO  
(2) NEW FAIRBANKS MORSE VERTICAL PROPELLER PUMPS FOR A  
TOTAL APPROXIMATE AMOUNT OF \$133,980.38**

WHEREAS, the Public Works Department-Secondary Treatment Plant, located at 7007 Jennings Road, Modesto, California has requested the purchase of two (2) new Fairbanks Morse Vertical Propeller pumps, and

WHEREAS, the two (2) pumps at the secondary treatment facility are nearing the end of their life cycle and need to be replaced, and

WHEREAS, these pumps are used to move water from facultative ponds into Storage Pond No. 1 as part of the process to moving treated water received from the Primary Treatment Facility, and

WHEREAS, the treatment process involves moving water from the facultative pond into the storage pond, and

WHEREAS, there are currently four (4) pumps in a series that are alternated when moving the water, and

WHEREAS, over the past three (3) years staff has replaced two (2) of the four (4) pumps as they reached the end of their life cycle, and

WHEREAS, the two (2) pumps were replaced with the same Fairbank pump staff is requesting authorization to purchase for the remaining two (2) pumps, and

WHEREAS, it is necessary to replace the last two (2) original Flygt Submersible pumps in the Storage Pond Forebay at the Secondary Treatment Plant with two (2) new

Fairbanks Morse Vertical Propeller pumps to match the existing of Fairbanks Morse Vertical Propeller pumps, and

WHEREAS, the two (2) new pumps need to match the existing vertical propeller pumps at this site for the following reasons:

- By having four (4) pumps at this site confirming exactly to each other will allow for one (1) spare shaft, impeller, split mechanical seal and motor.
- This reduction in spare parts will minimize the capital cost, storage space, and operational cost for training employees to operate and maintain only one (1) brand of pump for this system.
- These replacement parts cost approximately \$25,000.
- The propeller is 24 inches in diameter and weighs approximately 500 pounds.
- The shaft is approximately 15 feet long.

WHEREAS, JM Squared Associates Inc. of Concord, California is the only authorized Fairbanks Morse pump distributor for OEM parts and pumps in the Northern California territory, and

WHEREAS, Modesto Municipal Code Section 8-3.203 requires all purchases which meet or exceed \$50,000 for material and equipment or contractual services to be formally bid, and

WHEREAS, per Modesto Municipal Code Section 8-3.204(d), the Purchasing Supervisor may determine that a process other than the formal bid procedure set forth in Section 8-3.203 will result in a procurement for the City at the lowest possible cost commensurate with the desired quality, and

WHEREAS, this request for authorization to do a "sole source" award will conform to code, and

WHEREAS, the City Council has appropriated funds for two (2) new Fairbanks Morse pumps in account number 6210-480-B589-6070 (R&R STOR POND1 LSPMP1 SECONDARY),

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of bid and contract for two (2) new Fairbanks Morse Vertical Propeller pumps to JM Squared Associates, Inc. of Concord, California for a total approximate amount of \$133,980.38.

BE IT FURTHER RESOLVED that the Purchasing Manager is hereby authorized to issue a purchase order to JM Squared, Inc. for two (2) new Fairbanks Morse Vertical Propeller pumps as set forth herein.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-161**

**A RESOLUTION AUTHORIZING THE AWARD OF BID AND CONTRACT FOR SEVEN (7) NEW, CURRENT YEAR/MODEL TRUCKS TO THE FOLLOWING VENDORS: ALTEC INDUSTRIES OF DIXON, CALIFORNIA FOR ONE (1) VEHICLE FOR A PURCHASE PRICE OF APPROXIMATELY \$89,074.01; WESTERN TRUCK PARTS & EQUIPMENT COMPANY OF SACRAMENTO, CALIFORNIA FOR TWO (2) VEHICLES FOR A PURCHASE PRICE OF APPROXIMATELY \$328,990.56; AND COALINGA MOTORS INC. OF COALINGA, CALIFORNIA FOR FOUR (4) VEHICLES FOR A PURCHASE PRICE OF APPROXIMATELY \$114,942.79. THE APPROXIMATE TOTAL AMOUNT FOR ALL SEVEN (7) TRUCKS IS \$533,007.36**

WHEREAS, the Public Works Department-Fleet Services Division has requested the purchase of seven (7) new, current year/model trucks, and

WHEREAS, the vehicles requested consist of and will be used as follows:

One (1), one (1) ton, DRW utility truck-This truck is to replace a current pickup in Electrical Department. The old truck is being replaced because it has reached the end of its service life, and was on the scheduled replacement list approved by council.

Two (2), trucks with packer body-These trucks are to replace (2) current trucks in the Pruned Refuse Department. The old trucks are being replaced because they have reached the end of their service life, and were on the scheduled replacement list approved by council.

One (1), truck with Aerial Bucket Altec AT37-G, Ford Super Duty F550-This truck is to replace a current pickup in the Electrical Department. The old truck is being replaced because it has reached the end of its service life, and was on the scheduled replacement list approved by council.

Two (2), ¾ ton, extended cab, chassis with low profile utility body trucks-These two trucks are a new addition to the Water Department. These trucks were approved in the supplemental budget update for added work crews.

One (1), ¾ ton, regular cab, long bed, 2WD pickup-This truck is a new addition to the Water Department. This truck was approved in the supplemental budget update for added work crews.

WHEREAS, Resolution No. 2005-381 authorize the Purchasing Supervisor to solicit bids for new vehicles and heavy equipment throughout FY 05/06 using various competitive processes, with the Purchasing Division coming back to Council for award authorization, and

WHEREAS, the Purchasing Division solicited formal bids for seven (7) new, current year/model trucks on Request for Bid (RFB) 0506-20, and

WHEREAS, Sixty-seven (67) vendors were solicited of which nine (9) were local vendors, and

WHEREAS, out of sixty-seven (67) vendors solicited, six (6) chose to respond to the RFB, and

WHEREAS, the 2% local vendor preference was a factor in determining the lowest responsive and responsible bidder for one (1) of the seven (7) trucks, and

WHEREAS, the two (2) trucks with packer bodies received consideration for the 2% local vendor preference, and

WHEREAS, the Purchasing Divisions and Public Works-Fleet Service Division staff evaluated the bids, and

WHEREAS, Altec Industries of Dixon, California was deemed to be the lowest responsive and responsible bidder for the following vehicle:

- One (1), truck with Aerial Tower Altec AT37-G, Ford Super Duty F550 truck,

in the approximate amount of \$89,074.01, and

WHEREAS, Western Truck Parts & Equipment Company of Sacramento, California was deemed to be the lowest responsive and responsible bidder for the following vehicle:

- Two (2), trucks with packer bodies, options two (2) and five (5)

in the approximate amount of \$328,990.56, and

WHEREAS, Coalinga Motors Inc. of Coalinga, California was deemed to be the lowest responsive and responsible bidder for the following vehicles:

- One (1), one (1) ton, DRW utility trucks;
- Two (2), ¾ ton, extended cab, chassis with low profile utility body trucks;
- One (1), ¾ ton, regular cab, long bed, 2WD pickup,

in the approximate amount of \$114,942.79, and

WHEREAS, the approximate amount for seven (7) new, current year/model trucks is \$533,007.36, and

WHEREAS, Modesto Municipal Code (MMC) Section 8-3.203, requires all purchases, which meet or exceed \$50,000 for material, equipment, or contractual services to be formally bid, and

WHEREAS, the Code states that purchases whose total maximum cost to the City exceeds \$50,000 should receive preliminary approval of Council (MCC 8-3.203(a)), and

WHEREAS, this request for award of bid and contract conforms to City Code, and

WHEREAS, funds are available in the following accounts: 7210-480-5814-5258 (Fleet Equipment, Replacement); 7210-480-5814-5277 (Fleet Equipment, Replacement); 7210-480-5814-5278 (Fleet Equipment, Replacement); 7210-480-5814-5319 (Fleet

Equipment, Replacement); 6100-480-5013-5700 (Water Fund); and 6100-480-5013-5700 (Water Fund) in the amount of \$555,000 for seven (7) new, current year/model trucks,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of bid and contract for seven (7) new, current year/model trucks in the approximate total amount of \$532,944.68 to the following vendors:

Altec Industries of Dixon, California for the following vehicle:

- One (1), truck with Aerial Tower Altec AT37-G, Ford Super Duty F550 truck,

in the approximate amount of \$89,074.01, and

Western Truck Parts & Equipment Company of Sacramento, California for the following vehicle:

- Two (2), trucks with packer bodies, options two (2) and five (5)

in the approximate amount of \$328,990.56,

Coalinga Motors Inc. of Coalinga, California for the following vehicles:

- One (1), one (1) ton, DRW utility truck;
- Two (2), ¾ ton, extended cab, chassis with low profile utility body trucks;
- One (1), ¾ ton, regular cab, long bed, 2WD pickup,

in the approximate total amount of \$114,942.79.

BE IT FURTHER RESOLVED that the Purchasing Supervisor is hereby authorized to issue purchase orders for seven (7) new, current year/model trucks as set forth herein.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of March 2006, by Councilmember Dunbar,

who moved its adoption, which motion being duly seconded by Councilmember

O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-162**

**A RESOLUTION APPROVING DOWNTOWN ROCKS, TO BE HOSTED BY  
THE PRODUCING GROUP, LLC, IN DOWNTOWN MODESTO ON FOUR  
EVENINGS BETWEEN JUNE 1, 2006, AND SEPTEMBER 30, 2006**

WHEREAS, during the summer of 2004, the State Theatre sponsored a summer concert series in downtown Modesto called Downtown Rocks, and

WHEREAS, these family-oriented concerts were successful in bringing thousands of people to downtown Modesto to enjoy quality music, and

WHEREAS, because of changes at the State Theatre, the concert series was not repeated in the summer of 2005, and

WHEREAS, Chris Ricci Presents, Inc., is requesting that Downtown Rocks be revived for the summer of 2006, and

WHEREAS, Chris Ricci has formed a new entertainment partnership called The Producing Group, LLC that is proposing to present up to four headliner concerts between the dates of June 1 and September 30, 2006, and

WHEREAS, Chris Ricci Presents, Inc. has been the promoter of the successful Xclamation Fest, held in July in downtown Modesto, for the last six years, and

WHEREAS, as with Xclamation Fest, the cost of producing Downtown Rocks would be assumed by the promoters, and

WHEREAS, the use of City staff and/or equipment would be reimbursed by The Producing Group, LLC and in addition, the City of Modesto would receive 10% of the gross ticket sales, and

WHEREAS, the Safety and Communities Committee met on March 6, 2006, and supported the recommendation to approve Downtown Rocks, with the particular dates for the event to be coordinated with the Police Department in relation to other events occurring in downtown Modesto, and the location be coordinated with the Police Department, Public Works Department and Parks, Recreation and Neighborhoods Department,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves Downtown Rocks, to be hosted by The Producing Group, LLC, in downtown Modesto on four evenings between June 1, 2006, and September 30, 2006.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-163**

**A RESOLUTION APPROVING A REQUEST FROM THE LIVING WATER  
BIBLE CHURCH FOR USE OF AMPLIFIED MUSIC AT MANCINI BOWL FOR  
A WORSHIP CONCERT TO BE HELD ON JUNE 2, 2006**

WHEREAS, staff from the Parks, Recreation and Neighborhoods Department has received a letter from the Living Water Bible Church, requesting use of amplified music at Mancini Bowl on Friday, June 2, 2006, from 5:00 p.m. to 10:00 p.m. for a worship concert, and

WHEREAS, City Council Policy No. 6-007 prohibits the use of amplified music in public without City Council approval, and

WHEREAS, the Safety and Communities Committee met on March 6, 2006, and supported the request for amplified music,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves a request from the Living Water Bible Church for the use of amplified music at Mancini Bowl for a worship concert event on June 2, 2006 from 5:00 p.m. to 11:00 p.m.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-164**

**A RESOLUTION SUPPORTING OPPOSITION TO THE SIGNIFICANT  
REDUCTION OF COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)  
FUNDING IN THE PRESIDENT'S 2007 BUDGET PROPOSAL, AND  
AUTHORIZING STAFF TO SEND LETTERS SUPPORTING THE OPPOSITION  
TO THE RESPECTIVE LEGISLATIVE COMMITTEES**

WHEREAS, in early February, President Bush released his budget proposal for fiscal year 2007, and

WHEREAS, although the proposed budget covers various funding proposals, of particular concern for the City of Modesto is the proposed reduction in funding of the Community Development Block Grant (CDBG) program, and

WHEREAS, while details regarding the 2007 budget proposal are still under study, it appears that the CDBG program would be reduced nationwide by \$1 billion, which represents a potential reduction of 27% in program funding, and

WHEREAS, the President's proposed budget is a real investment in building a society based on ownership and reaching out to those people and places in need to make sure every American has a place to call home, and formula changes will be proposed to direct more of the program's base funding to communities that cannot meet their own needs, and bonus funds will be available to communities that demonstrate the greatest progress in expanding homeownership and opportunity for their residents, and

WHEREAS, it appears that the President's budget proposal will meet significant resistance, and

WHEREAS, in 2006, the President attempted to eliminate the CDBG program and met immense opposition and many groups rallied to save the CDBG program last year and new groups are mobilizing opposition efforts to the reductions, and

WHEREAS, the CDBG Program has served communities for 30 years as a resource to help cities, counties and States meet their community development, affordable housing, and economic development needs, and

WHEREAS, as an entitlement area, the City of Modesto will receive \$2,428,846 in funding for Fiscal Year 2006-2007 (this represents a 10% reduction from the current year), and

WHEREAS, the proposed 27% cut in funding could significantly reduce the City's capacity to assist some of Modesto's most vulnerable citizens, including persons who are homeless, low-income seniors and families, children, victims of domestic violence, persons with HIV/AIDS and persons who are victims of Fair Housing discrimination, and

WHEREAS, if the proposed reduction percentage was applied across the board, a loss of \$655,788 would result for the City of Modesto in CDBG funding, and

WHEREAS, the Citizens Housing and Community Development Committee (CH&CDC) met on February 24, 2006, and supported staff's recommendation,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby supports the opposition to the significant reduction of Community Development Block Grant (CDBG) funding in the President's 2007 Budget Proposal.

BE IT FURTHER RESOLVED that the Council hereby authorizes staff to send letters supporting the opposition to the reduction of Community Development Block

Grant (CDBG) funding in the President's 2007 Budget Proposal to the respective legislative committees.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-165**

**A RESOLUTION APPROVING A SIXTY (60) DAY EXTENSION TO A 6-MONTH PROVISIONAL APPOINTMENT FOR DESIRREE ABSHIRE, SENIOR COMMUNITY DEVELOPMENT PROGRAM SPECIALIST**

WHEREAS, the Parks, Recreation and Neighborhoods Department has a vacancy for the position of Senior Community Development Program Specialist, and

WHEREAS, Desirree Abshire was provisionally appointed as Senior Community Development Program Specialist on October 4, 2005, and

WHEREAS, a successful recruitment for the Senior Community Development Program Specialist is nearing completion, and

WHEREAS, the Parks, Recreation and Neighborhoods Department desires to extend the provisional appointment of Desirree Abshire to this position until a successful candidate can be hired, and

WHEREAS, Modesto Personnel Rule 7.5 (c) requires Council approval if a provisional appointment is to exceed the six-month period authorized by said rule, and

WHEREAS, staff is requesting that the City Council approve a sixty (60) day extension to this provisional appointment,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that a sixty (60) day extension to the six-month provisional appointment of Desirree Abshire to the position of Senior Community Development Program Specialist is hereby approved.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-166**

**A RESOLUTION REVISING THE POSITION CLASSIFICATION PLAN FOR  
THE CITY OF MODESTO**

WHEREAS, a Position Classification Plan for the City of Modesto was adopted by Modesto City Council Resolution 88-338 pursuant to Rule 2 of the Personnel Rules and Regulations of the City of Modesto, and

WHEREAS, the City Manager has recommended to the Council amendments to the Position Classification Plan, and

WHEREAS, Rule 2.2 of the City of Modesto Personnel Rules provides that revisions to the Classification Plan shall be effective upon adoption of resolution of the City Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION I. CLASSIFICATION AMENDED. The Position Classification Plan of the City of Modesto is hereby amended to revise the job specification for the classification of Supervising Animal Control Officer. The job specification for this classification is being amended to change the required experience to include additional enforcement experience not specific to animal control. The job specification for the classification of Supervising Animal Control Officer, as shown on the attached **Exhibit "A,"** which is hereby made a part of this resolution by reference, is hereby approved and made part of the Position Classification Plan of the City of Modesto.

SECTION 2. EFFECTIVE DATE. This resolution shall become effective on and after March 28, 2006.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 28th day of March, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

## SUPERVISING ANIMAL CONTROL OFFICER

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

### DEFINITION

Plan, organize and supervise Animal Control operations; *to protect citizens from dangerous or hazardous animals*; to ensure proper enforcement of City and local ordinances governing the care and keeping of domestic and wild animals in the City; to capture and impound animals, as appropriate, to promote responsible pet ownership and to perform a variety of community relations, administrative and technical duties.

Note: When working in a field setting, the Supervising Animal Control Officer is required to carry a firearm and wear a ballistic vest.

### DISTINGUISHING CHARACTERISTICS

Supervising Animal Control Officer is the supervisory level in the Animal Control Officer series. The position is a working supervisor, with responsibility for supervising Animal Control Officers and assigned technical and administrative staff, while also functioning as a technically experienced field officer. This class is distinguished from Animal Control Officer II in that the latter is a journey level class, while Animal Control Supervisor is the supervisory level.

### SUPERVISION RECEIVED AND EXERCISED

Receives direction from a Police Lieutenant or other management staff. Exercises direct and indirect supervision over Animal Control Officers and assigned technical and administrative staff.

ESSENTIAL AND MARGINAL FUNCTION STATEMENTS – Essential and other important responsibilities and duties include, but are not limited to, the following:

#### Essential Functions:

Supervise, evaluate and coach assigned staff; maintain discipline and ensure all rules, policies and procedures are enforced; advise and counsel subordinates; prepare performance evaluations; follow up on problems and complaints; participate in selection of staff.

Essential Functions: (Continued)

Schedule personnel for shifts, ensure sufficient shift coverage and adjust shift schedules to fill vacancies, determine overtime needs and authorize overtime; prioritize calls and assignments.

Oversee training and orientation of new staff; train department personnel on animal control techniques, animal handling, tranquilizing, animal behavior, and common diseases of animals, human behavior, handling stress, crisis intervention, and report writing.

Interpret animal control laws, regulations, ordinances policies and procedures; recommend, coordinate and implement unit policy and procedures; advise Animal Control Officers on complex issues or calls.

Investigate reports or complaints of dogs, cats or other animals creating nuisances, use tactical communication style to de-escalate situations and use mediation techniques to reconcile various complaints.

Investigate reports of animal cruelty or abuse, and take appropriate action.

Patrol City streets, roads and parks; search for stray or abandoned animals; capture and confine animals using appropriate procedures; impound and quarantine animals, as appropriate; enforce City animal control and licensing laws; issue citations for violations of animal control and licensing ordinances.

Administer vaccines and provide first aid medical treatment to animals; may euthanize severely injured animals.

Write incident reports, gather evidence, prepare and present cases at administrative hearings; prepare and maintain a variety of records and reports; maintain inventories of medications supplies.

Maintain contact with citizens regarding animal control issues and problems and preserve good relationships with the general public; explain ordinances relating to the care and keeping of animals to the public; provide information regarding policies and procedures used by Animal Control Officers; conduct educational seminars and presentations promote and provide education to the public regarding the keeping and caring of pets.

Work with other department personnel, city staff and the public in the areas of assigned functional responsibilities.

Essential Functions: (Continued)

Attend meetings and respond to questions and complaints; receive and investigate complaints, resolve or recommend resolutions of complaints; implement corrective actions, policy amendments or other actions to address complaints.

May assist Police Officers on high risk operations including dynamic and tactical entries, searches, and in serving arrest warrants, when vicious dogs may be present.

May make warrantless arrests related to penal code 830.9; interview victims, complainants and witnesses.

Present and maintain a positive and professional image of the police department; participate in community oriented policing.

Marginal Functions:

Perform related duties as assigned.

QUALIFICATIONS

Knowledge of:

Principles and practices of supervision and training; basic principles of public sector personnel management.

~~Applicable rules and regulations relating to laws and regulations governing the licensing, quarantine, impounding, care, release and disposal of animals.~~

~~PC 830 and 832 related to animal control, powers of arrest and use of firearms.~~

Principles and practices of humane apprehension and care of animals.

Physical and behavioral characteristics of common breeds of domestic animals.

Police protocols and standard operating procedures.

First aid and CPR procedures and practices.

~~Symptoms of common animal diseases.~~

~~Methods and equipment used in handling various types of animals and reptiles.~~

Exhibit "A"

Knowledge of: (Continued)

General safety requirements.

Procedures and techniques for working with the public in a tactful but firm manner.

Basic personal computer operation.

Ability to:

Supervise, train, plan, organize and review the work of assigned staff; coach and counsel staff.

Learn applicable rules and regulations relating to laws and regulations governing the licensing, quarantine, impounding, care, release and disposal of animals.

Learn PC 830 and 832 related to animal control, powers of arrest and use of firearms.

Identify symptoms of common animal diseases.

Learn methods and equipment used in handling various types of animals and reptiles.

Exercise independent judgment and make sound decisions in emergency situations.

Communicate clearly and concisely, both orally and in writing; write defensible reports.

Evaluate and establish priorities; handle simultaneous events effectively.

Establish and maintain effective working relationships with coworkers, subordinates and supervisors, other departments, outside agencies and the public including the ability to resolve conflicts.

Interact with the public displaying a high degree of courtesy, tact, compassion and poise.

Administer humane euthanasia to animals, as necessary.

Maintain neat and accurate logs, records, and related forms; maintain inventories of supplies, medications and drugs

Exhibit "A"

Ability to: (Continued)

Perform a variety of animal control activities such as animal handling, capturing, and confining including mitigating the most complex cases.

Enforce animal regulations and ordinances.

Provide high level of expertise in conduct of investigations into more involved problems, i.e. animal abuse/cruelty cases.

Interpret and apply applicable laws, ordinances and regulations.

Learn the operation of standard equipment required for job performance including the use of a computer and police radio.

Use maps and learn City geography.

Use and care for firearms.

Experience and Training Guidelines

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

License or Certificate:

Possession of an appropriate, valid driver's license at time of application; valid California driver's License by time of appointment.

Possession of a POST approved P.C. 832 Certificate is required by the end of probationary period.

Possession of level one and level two certificates of completion from the National Animal Control Association (NACA) Training Academy is required by the end of probationary period. Failure to obtain the required certificates will result in release from probation.

Possession of a level three certificate of completion from the National Animal Control Association (NACA) Training Academy is desirable.

Experience:

Three years of progressively responsible experience in a governmental animal control agency or humane society performing animal control responsibilities including a minimum of one (1) year as a lead worker or supervisor.

OR

Three years of progressively responsible public contact experience in a public agency interpreting or enforcing codes and regulations at a level comparable to Police Clerk I/II, Community Service Officer, Code Enforcement Officer or a related field. Experience including lead responsibility is highly desirable.

Training:

Equivalent to the completion of the twelfth grade.

WORKING CONDITIONS

Environmental Conditions:

Field environment; travel from site to site. Hot and cold temperatures; inclement weather.

Physical Conditions:

Essential and marginal functions may require gaining and maintaining control of large and often aggressive animals; lifting/carrying medium-heavy objects of up to 75 lbs. of weight, maintaining physical condition necessary for standing, squatting, twisting, running, stooping and walking for prolonged periods of time; operating motor vehicle and other equipment.

Work Assignment:

Wear a Police Department approved uniform and related equipment including firearm and ballistic vest. Subject to irregular work shifts including evening, weekend and holiday shift assignments.

Must be able to pass a police background investigation.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-168**

**A RESOLUTION APPROVING AN AGREEMENT WITH THE HOUSING  
AUTHORITY OF STANISLAUS COUNTY IN THE AMOUNT OF \$52,183 TO  
PROVIDE A COMMUNITY POLICE OFFICER FOR THE WESTVIEW  
GARDENS HOUSING COMPLEX FOR A PERIOD OF TWELVE (12) MONTHS  
FROM JANUARY 1, 2006 THROUGH DECEMBER 31, 2006, WITH AN OPTION  
TO EXTEND THE AGREEMENT FOR AN ADDITIONAL TWELVE (12)  
MONTHS, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE,  
TO EXECUTE THE AGREEMENT**

WHEREAS, the Housing Authority of Stanislaus County operates the Westview Gardens federal housing complex in Modesto, California, and

WHEREAS, by agreement, the Modesto Police Department has assigned a Police Officer to the complex for fourteen (14) years, and

WHEREAS, the Housing Authority is desirous to continue this special police service which will provide for the presence of the same police officer for thirty (30) hours per week for patrol, investigation, response to calls for police service, presentation of community crime resistance education, drug traffic suppression and drug education, graffiti abatement program education and coordination of the exchange of information between residents and other non-enforcement services of the City, and

WHEREAS, the term of this agreement is January 1, 2006 through December 31, 2006, and

WHEREAS, the agreement shall be automatically be renewed for one (1) year, until December 31, 2007, unless terminated by a 30-day written notice by either party, and

WHEREAS, the cost of providing this special police service to the Westview Gardens Housing Complex is \$52,183 and will be paid for by the Housing Authority of Stanislaus County, and

WHEREAS, this special police service benefits the City of Modesto in reducing calls for police service to the Westview Gardens Housing Complex,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the agreement with the Housing Authority of Stanislaus County in the amount of \$52,183 for special police services for the Westview Gardens Housing Complex for a period of twelve (12) months, from January 1, 2006 through December 31, 2006, with an option to extend the agreement for twelve (12) months.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the City Manager or his designee is hereby authorized to execute the agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-169**

**A RESOLUTION APPROVING THE SUBMITTAL OF THE MODESTO CITY-COUNTY AIRPORT'S REVISED AIRPORT CAPITAL IMPROVEMENT PLAN (ACIP) TO THE FEDERAL AVIATION ADMINISTRATION (FAA)**

WHEREAS, Modesto City-County Airport is a commercial service airport that is part of the federal airport system and eligible for federal funding through the Airport Improvement Program, and

WHEREAS, the Federal Aviation Administration (FAA) prioritizes airport funding needs through the Airport Capital Improvement Plans (ACIP) submitted by the nation's airports, and

WHEREAS, the FAA requires airports to update their ACIPs annually, and

WHEREAS, since the City's latest ACIP was submitted to the FAA the Airport Master Plan is in the process of being updated; however, a new airport layout plan has been published with the FAA, and

WHEREAS, the FAA is requesting the City submit a revised 5-year ACIP, and

WHEREAS, the Economic Development Committee considered this item at its March 13, 2006 meeting and recommended approval,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves submittal of the Modesto City-County Airport's revised Airport Capital Improvement Plan to the FAA.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION APPROVING THE SUBMITTAL OF A FEDERAL AIRPORT  
IMPROVEMENT PROGRAM (AIP) GRANT APPLICATION IN THE AMOUNT  
OF \$1 MILLION TO THE FEDERAL AVIATION ADMINISTRATION (FAA),  
AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO  
EXECUTE THE APPLICATION**

WHEREAS, Modesto City-County Airport is a commercial service airport and is eligible for Federal Airport Improvement Program (AIP) entitlement and discretionary funds, and

WHEREAS, the Federal Aviation Administration (FAA) has requested the City submit a new funding application for the Modesto City-County Airport capital funding, along with a revised Airport Capital Improvement Plan (ACIP), and

WHEREAS, the Economic Development Committee at its March 13, 2006 meeting recommended approval of the submittal of a AIP grant application for \$1 million to the FAA, and

WHEREAS, the Federal grant application is consistent with the City's approved revised ACIP, and

WHEREAS, the AIP includes projects totaling \$1.052 million, and

WHEREAS, the \$1 million Federal AIP Grant will pay 95% of the total projects and Passenger Facility Charges (PFCs) collected by the airlines from enplaning passengers will pay the remaining 5%,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves submitting a Federal AIP grant application in the amount of \$1 million to the FAA.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the grant application.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-171**

**A RESOLUTION AUTHORIZING THE TRANSFER OF FUNDS IN THE  
AMOUNT OF \$381,800 FROM COLLECTION SYSTEM REHABILITATION  
PROJECT (B574) TO TUOLUMNE RIVER BANK EROSION PROJECT (B447)  
TO COVER THE COSTS OF THIS PROJECT**

WHEREAS, due to recent rains, erosion on a portion of the Tuolumne River embankment near Neece Drive occurred, and

WHEREAS, this erosion has left a gravity sewer pipe undermined and unsupported in two locations of approximately two (2) linear feet each, and

WHEREAS, at one of these locations a manhole's concrete footing is partially exposed and unsupported as well, and

WHEREAS, the same conditions exist for approximately 200 feet upstream and 100 feet downstream along the river's edge, and

WHEREAS, HDR Engineering was contracted through an existing On-Call Engineering contract to review repairs needed to permanently fix the problem, and

WHEREAS, the magnitude of repairs recommended by HDR requires this to be a public works project, and

WHEREAS, the estimated cost to complete this new project is \$381,800, and

WHEREAS, funds are available in the Collection System Rehabilitation Project (6210-480-B574) in the amount of \$381,800 and it is necessary to transfer these funds to the new project titled Tuolumne River Bank Erosion Project (6210-480-B447) to perform the necessary repairs, and

WHEREAS, the Economic Development Committee considered this item at its March 13, 2006 meeting and recommended approval,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the transfer of funds in the amount of \$381,800 from Collection System Rehabilitation Project (B574) to Tuolumne River Bank Erosion Project (B447) to cover the cost of this new project.

BE IT FURTHER RESOLVED that City staff is hereby authorized to make the necessary budget adjustments in coordination with the Finance Department.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-172**

**A RESOLUTION AUTHORIZING AWARD OF A CONTRACT TO  
KLEINFELDER IN THE AMOUNT OF \$61,800, WITH CONTINGENCY FUNDS  
IN THE AMOUNT OF \$20,000, FOR PERMITTING ASSISTANCE AND  
ENVIRONMENTAL REVIEW SUPPORT FOR THE TUOLUMNE RIVER BANK  
EROSION PROJECT, AND AUTHORIZE THE CITY MANAGER, OR HIS  
DESIGNEE, TO EXECUTE THE CONTRACT**

WHEREAS, due to recent rains, erosion on a portion of the Tuolumne River embankment near Neece Drive occurred, and

WHEREAS, this erosion has left a gravity sewer pipe undermined and unsupported in two locations of approximately two (2) linear feet each, and

WHEREAS, at one of these locations a manhole's concrete footing is partially exposed and unsupported as well, and

WHEREAS, the same conditions exist for approximately 200 feet upstream and 100 feet downstream along the river's edge, and

WHEREAS, HDR Engineering was contracted through an existing On-Call Engineering contract to review repairs needed to permanently fix the problem, and

WHEREAS, the magnitude of repairs recommended by HDR requires this to be a public works project, and

WHEREAS, several permits and an environmental review will be required because the improvement and restoration repairs will affect the river directly, and

WHEREAS, quotations were requested from more than 80 environmental consultants because this will be a complicated and time-consuming process, and

WHEREAS, six (6) proposals were received and Kleinfelder was selected at a cost of \$61,800, with a contingency of \$20,000 for any additional studies or permits required, and

WHEREAS, contingency funds will require Deputy Director approval in writing before any funds are used, and

WHEREAS, funds are budgeted in the Tuolumne River Bank Erosion Project (B447) after transfer of funds to this project from Collection System Rehabilitation Project (B574) which has been authorized under a separate resolution, and

WHEREAS, the Economic Development Committee considered this item at its March 13, 2006 meeting and recommended approval,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes award of a contract to Kleinfelder in the amount of \$61,800, with a contingency fund in the amount of \$20,000, for permitting assistance and environmental review support for the Tuolumne River Bank Erosion Project.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the contract.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of March, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-173**

**A RESOLUTION AUTHORIZING THE SOLICITATION OF A REQUEST FOR  
PROPOSALS (RFPs) FOR PERFORMANCE OF THE TUOLUMNE RIVER  
BANK EROSION PROJECT**

WHEREAS, due to recent rains, erosion on a portion of the Tuolumne River embankment near Neece Drive occurred, and

WHEREAS, this erosion has left a gravity sewer pipe undermined and unsupported in two locations of approximately two (2) linear feet each, and

WHEREAS, at one of these locations a manhole's concrete footing is partially exposed and unsupported as well, and

WHEREAS, the same conditions exist for approximately 200 feet upstream and 100 feet downstream along the river's edge, and

WHEREAS, HDR Engineering was contracted through an existing On-Call Engineering contract to review repairs needed to permanently fix the problem, and

WHEREAS, the magnitude of repairs recommended by HDR requires this to be a public works project, and

WHEREAS, the Public Works Department desires to solicit a Request for Proposals (RFPs) for construction service for the Tuolumne River Bank Erosion Project, and

WHEREAS, funds are budgeted in the Tuolumne River Bank Erosion Project (B447) after transfer of funds to this project from Collection System Rehabilitation Project (B574) which has been authorized under a separate resolution, and

WHEREAS, the Economic Development Committee considered this item at its March 13, 2006 meeting and recommended approval,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes solicitation of Request for Proposals (RFPs) for construction service for the Tuolumne River Bank Erosion Project.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of March, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION AMENDING THE CAPITAL IMPROVEMENT PROGRAM  
(CIP) BUDGET TO INCREASE THE EXPENDITURE APPROPRIATION OF  
MY-2300-160-N064, "EXPAND ATMS COLLEGE AVE," TO REFLECT THE  
INCREASE OF CONSTRUCTION COSTS BY AN APPROPRIATION  
TRANSFER FROM 0700-700-N064, IN THE AMOUNT OF \$65,610**

WHEREAS, the bids received for the "Expand ATMS-College Avenue" project were opened at 11:00 a.m., on January 31, 2006, and later tabulated by the Public Works Director for the consideration of the Council, and

WHEREAS, the Public Works Director has recommended that the bid of \$119,076.43 received from Adesta Limited Partnership be accepted as the lowest responsible bid, and the contract be awarded to Adesta Limited Partnership, and

WHEREAS, the City has obtained CMAQ funding to pay for up to \$135,989.68, of the project costs and the remaining portion of \$17,618.91, is matching funds from Gas Tax, and

WHEREAS, \$7,526 in additional local matching funds is required to fully fund the construction of this project, and

WHEREAS, there are sufficient funds in the Gas Tax account to fully fund 2300-160-N064,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the CIP budget is hereby amended to increase the expenditure appropriation of 2300-160-N064, to reflect the anticipated increase of the construction costs.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-176**

**A RESOLUTION AUTHORIZING THE PURCHASING MANAGER TO ISSUE  
REQUEST FOR PROPOSALS (RFP) TO ANALYTICAL LABORATORIES FOR  
RECEIVING WATER AND EFFLUENT DATA TESTING AND ALLOWING  
THE CONTINUED USE OF CALTEST LABORATORY FOR ANALYTICAL  
TESTING SERVICES DURING THE RFP PROCESS TO MEET NPDES  
PERMIT REQUIREMENTS**

WHEREAS, On September 10, 2001, the Regional Water Quality Control Board (Regional Board) issued a Water Code Section 13267 letter to the City requiring submittal of ambient receiving water and effluent data regarding priority pollutants, and

WHEREAS, the 13267 letter requirements are in addition to the City's existing National Pollution Discharge Elimination System (NPDES) permit requirements for ambient and effluent monitoring, and

WHEREAS, all samples required by the Regional Board must be Environmental Laboratory Accreditation Program certified, and

WHEREAS, staff evaluated contracting options for analytical work in 2001 and chose Caltest Analytical as the lead analytical work for this monitoring plan, and

WHEREAS, Caltest has performed the City's lead analytical work for the past several years because they have been able to meet our NPDES testing requirements relating to testing criteria and time constraints, and

WHEREAS, Purchasing approved Caltest in 2001, as a sole source vendor; and staff has continued to use them for the NPDES required monitoring and testing, and

WHEREAS, during a recent internal review of expenditures, it was determined that Caltest costs were over \$50,000, and

WHEREAS, after this review, staff identified other laboratories within the Western United States that may be able to meet our testing requirements, and

WHEREAS, staff is requesting authorization for the Purchasing Manager to issue a Request for Proposals to insure we are receiving the best price for this service, and

WHEREAS, as Caltest is currently meeting our analytical testing, holding times, and reporting requirements, staff is also requesting that we be allowed to continue to use Caltest until a vendor is selected and a contract in place, and

WHEREAS, the Economic Development Committee considered this item at its March 13, 2006 meeting and recommended approval,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the Purchasing Manager to issue Request for Proposals (RFPs) for Analytical Laboratories for Receiving Water and Effluent Data Testing, and

BE IT FURTHER RESOLVED by the Council of the City of Modesto also authorizes the continued use of Caltest Laboratory for analytical testing services during the RFP process to meet NPDES Permit requirements.

RESOLUTION NO. 2006-177**

**A RESOLUTION APPROVING A WATER MAIN REIMBURSEMENT  
AGREEMENT BETWEEN THE CITY OF MODESTO AND JOSEPH  
PIMENTEL, PETER REECE, AND STEPHEN HUGHES, RELATED TO THE  
INSTALLATION OF 1623 LINEAL FEET OF A 12" WATER MAIN IN THE  
AMOUNT NOT TO EXCEED \$133,692.00 AND AUTHORIZING THE CITY  
MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, JOSEPH PIMENTEL, PETER REECE, AND STEPHEN HUGHES ("Developer"), are in the process of developing a commercial property located at the southwest corner of Sylvan Avenue and Claus Road, commonly known as Village Corners, and

WHEREAS, in connection with the development of said Village Corners, Developer is required to install 1623 linear feet of a 12" water main and appurtenances thereto, located at the southwest corner of Sylvan Avenue and Claus Road ("Improvements"). The Improvements are designed to serve a large portion of the Village One Specific Plan area, and

WHEREAS, the Improvements will serve other properties in addition to this development and, the other properties have or will pay fees to the City to assist in paying the cost of constructing the Improvements and the owners of said other properties have not participated in constructing the Improvements, and

WHEREAS, Modesto Municipal Code Section 4-4.802.1 authorizes the City to enter into an agreement with the Developer for reimbursement of costs of improvements, and

WHEREAS, Developer has requested, and City has agreed, that Developer be reimbursed for the actual costs in the amount of \$133,692.00 required to construct the Improvements, and

WHEREAS, City will inspect the construction of the Improvements and will accept the Improvements as part of City's public water system,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the water main reimbursement agreement between the CITY OF MODESTO and JOSEPH PIMENTEL, PETER REECE, AND STEPHEN HUGHES related to the installation of 1623 lineal feet of 12" water main in the amount not to exceed \$133,692.00.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-178**

**A RESOLUTION APPROVING THE PARCEL MAP OF EASTGATE CENTER  
LOCATED AT THE SOUTHWEST CORNER OF BRIGGSMORE AVENUE AND  
OAKDALE ROAD IN THE CITY OF MODESTO AND AUTHORIZING THE  
CITY MANAGER TO EXECUTE A PARCEL MAP AGREEMENT WITH  
WARNER M. SOELLING, A SINGLE MAN AS HIS SOLE AND SEPARATE  
PROPERTY**

WHEREAS, WARNER M. SOELLING (“Subdivider”), is possessed of a tract of land situated in the City of Modesto, County of Stanislaus, consisting of 4.36 acres, known as EASTGATE CENTER (“PARCEL”), and

WHEREAS, a tentative map of said tract was approved by the Planning Commission of the City of Modesto on the 1st day of March, 2004, and

WHEREAS, the Secretary of the Planning Commission of the City of Modesto and the City Engineer have certified that the final map of said tract substantially conforms to the approved tentative map, and

WHEREAS, the City Engineer of the City of Modesto has certified that the final map of said PARCEL meets all of the provisions of the California Subdivision Map Act and the provisions of the Modesto Municipal Code relating to subdivisions, and that the map is technically correct,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that said parcel map be approved; that the dedications for public streets and easements as shown thereon within the boundaries of said tract be accepted on behalf of the public for public use; and that the City Engineer be authorized to certify the map of said tract on behalf of the City of Modesto after the fees and deposits required by the Modesto Municipal Code in amounts determined by the City Engineer have been paid and after

SUBDIVIDER has furnished securities, as set forth in Section 4-4.605 of the Modesto Municipal Code, which shall secure the obligations set forth in Section 66499.3 of the Government Code of the State of California. Said securities shall be in forms acceptable to the City Attorney and in the amounts required by the City Engineer.

BE IT FURTHER RESOLVED that the City Manager and the City Clerk be authorized to execute and attest, respectively, an agreement with Warner M. Soelling, a single man as his sole and separate property as regulated by Section 4-4.503(f) and 4-4.605(a) of the Modesto Municipal Code.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-181**

**A RESOLUTION DENYING THE APPEAL OF GRACE  
LUTHERAN CHURCH AND SCHOOL FOR MODIFICATION OF  
CAPITAL FACILITIES FEES**

WHEREAS, on January 24, 2006, the Modesto City Council adopted Resolution No. 2006-61 updating its Capital Facilities Fee (CFF) program for the establishment and collection of fees for future capital facilities, and

WHEREAS Resolution No. 2006-61 defines the categories of uses and rates on which the fees will be collected, and

WHEREAS, the categories identified in the CFF program include a broad range of uses based on square footage to ensure that each use pays its share of the CFF based on the anticipated impacts of the development, and

WHEREAS, the current City practice is to charge churches with schools the daycare rate for multi-purpose rooms on square footage as a result of the comprehensive study undertaken to enact the CFF program which went into effect in September 2003, and

WHEREAS, on December 8, 2005, a request was received from Grace Lutheran Church and School to collect CFF at the church rate rather than the daycare rate for the for the proposed 17,520 square foot multi-purpose building, and

WHEREAS, on December 14, 2005, Grace Lutheran Church and School was notified by letter from Amy Gedney, Infrastructure Financing Program Administrative Officer, that the CFF Committee had determined that CFF for a multi-purpose room should be collected at the daycare rate, and

WHEREAS, by letter from Grace Lutheran Church and School dated March 6, 2006, to Jean Morris, City Clerk, Grace Lutheran Church and School appealed the City's determination that multi-purpose rooms for churches with schools should be charged CFF at the daycare rate, and

WHEREAS, said appeal was set for a public hearing on March 28, 2006 at 5:30 p.m., before the City Council at its regular meeting place in the Tenth Street Place Chambers located at 1010 10<sup>th</sup> Street, Modesto, California, at which date and time said duly noticed public hearing was held and evidence, both oral and documentary, was received and considered,

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto, that it hereby makes the following findings:

1. The City Council has reviewed Grace Lutheran Church & School's request based on traffic data and has determined that churches with schools fall within the normal range for daycare uses as outlined in the CFF program based on the afternoon peak hour rates per 1,000 sq. feet for the range of retail uses as denoted in the Institute of Transportation Manual.

2. Said appeal should be denied as recommended because churches with schools fall within the normal range for daycare uses as outlined in the CFF program.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the appeal of Grace Lutheran Church and School regarding modification of Capital Facilities Fees for churches with schools is hereby denied and the decision of the CFF Committee is hereby affirmed for the reasons set forth above.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of March 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-182**

**A RESOLUTION FINDING THAT THE FOLLOWING PROJECT IS WITHIN  
THE SCOPE OF THE PROJECT COVERED BY THE MODESTO URBAN  
AREA GENERAL PLAN MASTER ENVIRONMENTAL IMPACT REPORT  
(SCH NO. 1999082041): AMENDING SECTION 5-4-9 OF THE ZONING MAP  
TO REZONE FROM PLANNED DEVELOPMENT ZONE, P-D(37), TO LOW-  
DENSITY RESIDENTIAL ZONE, R-1, PROPERTY LOCATED AT 819 SUNSET  
AVENUE (SPORTSMEN OF STANISLAUS COUNTY)**

WHEREAS, on March 4, 2003, the City Council of the City of Modesto certified the Final Master Environmental Impact Report (“Master EIR”) (SCH No. 1999082041) for the Modesto Urban Area General Plan, and

WHEREAS, Sportsmen of Stanislaus County has proposed that the zoning designation for the property located on the west side of Sunset Avenue south of the Rouse Avenue intersection, be amended to rezone from Planned Development Zone, P-D(37), to Low-Density Residential, (R-1), and

WHEREAS, Section 21157.1 of the Public Resources Code, relating to reviewing subsequent project for a Master EIR, states that the lead agency shall prepare an Initial Study on any proposed subsequent project to analyze whether the subsequent project may cause any significant effect on the environment that was not examined in the master environmental impact report and whether the subsequent project was described in the master environmental impact report as being within the scope of the project, and

WHEREAS, the City’s Community and Economic Development Department by Environmental Assessment Initial Study EA/C&ED No. 2006-14 (“Initial Study”) reviewed the proposed amendment to the Zoning Map and Planned Development project to determine whether the project is within the scope of the project covered by the Modesto Urban Area General Plan Master EIR (“Master EIR”), and made the

determination that the proposed project will have no additional significant effect on the environment that was not identified in the Master EIR, and further, that no or new additional mitigation measures or alternatives are required, and that, therefore, the proposed project is within the scope of the project covered by the Master EIR, and

WHEREAS, the Planning Commission, by Resolution No. 2006-13 recommended to the City Council approval of the application of Sportsmen of Stanislaus County to amend section 5-4-9 of the zoning map to rezone from Planned Development Zone, P-D(37), to Low-Density Residential, (R-1), for the property located on the west side of Sunset Avenue south of Rouse Avenue as set forth in said Resolution No. 2006- , and

WHEREAS, said matter was considered by the City Council at a duly noticed public hearing which was held on March 28, 2006, at 5:30 p.m., in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council has reviewed and considered the Initial Study prepared for the proposed rezone to R-1 Low-Density Residential, a copy of which is attached hereto as Exhibit "A", and incorporated herein by reference, and based on the substantial evidence included in said Initial Study makes the following findings:

1. The type of project is described in Chapter II of the Modesto Urban Area General Plan Master EIR (MEIR).
2. All applicable policies, regulations, and mitigation measures identified in the MEIR have been applied to the project or otherwise made conditions of approval of the project.
3. An Initial Study was prepared by the City of Modesto that analyzed whether the proposed subsequent project may cause any significant effect on the environment that was not examined in the

MEIR and it has been determined that the project was described in the MEIR as being within the scope of the MEIR.

4. Based on the Initial Study, the City of Modesto finds and determines:
  - a. The proposed subsequent project will have no additional significant effect as defined in CEQA Section 21158 that was not identified in the MEIR.
  - b. No new or additional mitigation measures or alternatives are required.
5. The Initial Study, Environmental Assessment No. EA/C&ED 2006-14, provides the substantial evidence to support finding numbers 3-4, noted above.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Community & Economic Development Director is hereby authorized and directed to file a notice of determination within five (5) business days with the Stanislaus County Clerk pursuant to Section 21152 of the Public Resources Code.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 28<sup>th</sup> day of March 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

EXHIBIT A

Initial Study

EA/C&ED No. 2006-14

**City of Modesto**

**Finding of Conformance to  
General Plan Master EIR:**

**Initial Study C&ED No. (2006- 14)**

**For the proposed:**

**Amendment to Planned Development P-D(37) and Rezone  
P-PDA-05-013 & P-RZN-05-001, SOS Club**

**Prepared by:  
City of Modesto  
Community & Economic Development Department  
Planning Division**

**2/07/06**

**City of Modesto  
Master EIR Initial Study Checklist**

**I. PURPOSE**

CEQA allows for the limited environmental review of subsequent projects under the City's Master EIR. This Initial Study Checklist is used in determining whether the Planned Development Project is "within the scope" of the project analyzed in the Modesto Urban Area General Plan Master EIR (SCH# 1999082041) (Public Resources Code section 21157.1). When the Initial Study supports this conclusion, the City will issue a finding of conformity.

A subsequent project is "within the scope" of the Master EIR when:

1. it will have no additional significant effects on the environment that were not addressed as significant effects in the Master EIR; and
2. no new or additional mitigation measures or alternatives are required.

"Additional significant effects" means a project-specific effect that was not addressed as a significant effect in the Master EIR. (Public Resources Code Section 21158(d))

The determination must be based on substantial evidence in the record. "Substantial evidence" means facts, reasonable assumptions predicated upon facts, or expert opinion based on facts. It does not include speculation or unsubstantiated opinion. (State CEQA Guidelines Section 15384)

**II. PROJECT DESCRIPTION**

- A. Title: Rezone & Planned Development Zone Amendment – SOS Club
- B. Address or Location: West side of Sunset Avenue South of the Rouse Avenue intersection, 819 Sunset Ave.
- C. Applicant: Sportsmen of Stanislaus County, 819 Sunset Ave., Modesto, CA. 95353
- D. City Contact Person: Daniel De La O

Project Manager: Daniel De La O  
Department: Community and Economic Development Department  
Phone Number: (209) 577-5267  
E-mail address: ddelao@modestogov.com

- E. Current General Plan Designation(s): "MU" Mixed Use Land Use
- F. Current Zoning Classification(s): P-D(37), Planned Development Zone
- G. Surrounding Land Uses: North: Residential Units (R-2 Zone Properties)  
South: Golf Course (R-1 Zone Property)  
East: Residential Units (R-2 Zone Properties)  
West: Residential Units (R-1 & R-2 Zone Properties)

- H. Project Description, including the project type listed in Section II.C (Anticipated Future Projects) of the Master EIR (Attach additional maps/support materials as needed for complete record):

The proposal comprises two components: (1) A rezone of the northern portion of the SOS site and (2) an Amendment P-D(37) for the expansion of the existing parking lot. The rezone involves the northern parcel of P-D(37). This property will be rezoned to R-1 (Low-Density Residential). The SOS Facility is removing this property from the P-D Zone to allow for the development of a residential subdivision. Located on the property currently are two ball fields, and additional parking that serve the facility. The Second component of this proposal consists of an amendment to the Planned Development Zone P-D(37) to allow the expansion of the existing parking lot adjacent to the main building. The expansion will replace the parking that will be eliminated by the development of the future subdivision to the north.

- I. Other Public Agencies Whose Approval is Required:

None.

**III. FINDINGS/DETERMINATION (SELECT ONE ON THE BASIS OF THE ANALYSIS IN SECTION IV)**

1. X **Within the Scope** - The project is within the scope of the Master EIR and no new environmental document or Public Resources Code Section 21081 findings are required. The following items are found to be true:

- A. The type of project is described in Chapter II of the Master EIR.
- B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.
- C. An Initial Study was prepared by the City of Modesto that analyzed whether the proposed subsequent project may cause any significant effect on the environment that was not examined in the MEIR and it has been determined that the project was described in the MEIR as being within the scope of the MEIR.
- D. Based on the Initial Study, the City of Modesto finds and determines:
  - a) The proposed subsequent project will have no additional significant effect as defined in CEQA Section 21158 that was not identified in the MEIR.
  - b) No new or additional mitigation measures or alternatives are required.
- E. The criteria for currency of the Master EIR were reviewed (section 5 below) and it was determined that the Master EIR is current for all areas of the Initial Study.

2.        **Mitigated Negative Declaration Required** - On the basis of the above determinations, the project is not within the scope of the Master EIR. A mitigated negative declaration will be prepared for the project. The following items are found to be true:

- A. The type of project is described in Chapter II of the Master EIR.

B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.

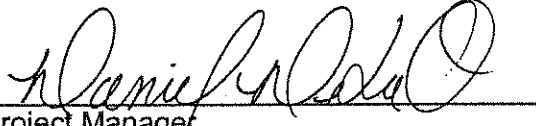

C. The project will have one or more potential new significant effects on the environment that were not addressed as significant effects in the Master EIR. New or additional mitigation measures are being required of the project that will reduce the effects to a less-than-significant level.

3.        **Focused EIR Required-** On the basis of the above determinations, the project is not within the scope of the Master EIR. A Focused EIR will be prepared for the project. The following items are found to be true:

A. The type of project is described in Chapter II of the Master EIR.

B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.

C. The project will have one or more new significant effects on the environment that were not addressed as significant effects in the Master EIR. New or additional mitigation measures or alternatives are required as a result.

  
Project Manager

ASSISTANT PLANNER      2/19/06  
Title    Date

#### 4. Within the Scope Analysis of this Document:

The Master EIR permits projects to be found within the scope of the MEIR if certain criteria are met. Basically, if the following statements are found to be true for all 20 sections of this Initial Study, then the project was covered by the MEIR analysis and is within the scope of the MEIR. Any "No" response must be discussed.

- |   | YES | NO                       |
|---|-----|--------------------------|
| (1) The lead agency for subsequent projects shall be the City of Modesto or a responsible agency identified in the Master EIR.  | X   | <input type="checkbox"/> |
| (2) City policies which reduce, avoid or mitigate environmental effects, will continue to be in effect and therefore would be applied to subsequent projects where appropriate. The policies are described in the list of policies in place and mitigation measures attached to the Initial Study template. | X   | <input type="checkbox"/> |
| (3) Federal, State, Regional and Stanislaus County regulations do not change in a manner that is less restrictive on development than current law (i.e., would not offer the same level of protection assumed under the Master EIR).  | X   | <input type="checkbox"/> |
| (4) No specific information concerning the known or potential presence of significant resources is identified in future reports, or through formal or informal input received from responsible or trustee agencies or other qualified sources.  | X   | <input type="checkbox"/> |
| (5) The development will occur within the boundaries of the City's planning area as established in this Urban Area General Plan.  | X   | <input type="checkbox"/> |
| (6) Development within the project will comply with all mitigation measures identified in the General Plan Master EIR.  | X   | <input type="checkbox"/> |

#### 5. Currency of the Master EIR Document

The MEIR should be reviewed on a regular basis to determine its currency, and whether additional analysis/mitigation should be incorporated into the MEIR via a Supplemental or Subsequent EIR (CEQA Section 21157.6). Staff has reviewed sections 1 through 20 of this document in light of the criteria listed below to determine whether the MEIR is current. The analysis contained within the Master EIR is current as long as the following circumstances have not changed. Any "No" response must be discussed.

- |   | YES | NO                       |
|---|-----|--------------------------|
| (1) Certification of the General Plan Master EIR occurred less than five years prior to the filing of the application for this subsequent project.  | X   | <input type="checkbox"/> |
| (2) This project was described in the Master EIR and its approval will not affect the adequacy of the Master EIR for any subsequent project because the City can make the following findings: | X   | <input type="checkbox"/> |
| (3) No substantial changes have occurred with respect to the circumstances under which the Master EIR was certified.  | X   | <input type="checkbox"/> |

- (4) No new information, which was not known and could not have been known at the time the Master EIR was certified as complete, has become available. X
- (5) Policies remain in place that require site-specific mitigation, and avoidance or other mitigation of impacts as a prerequisite to future development. X

#### IV. ENVIRONMENTAL ANALYSIS

This Initial Study, in accordance with Section 21157.1(b) of the Public Resources Code, analyzes whether this project may cause any project-specific significant effect on the environment that was not examined in the Final Master EIR (MEIR) for the General Plan and whether new or additional mitigation measures or alternatives may be required as a result. The Initial Study thereby documents whether or not the project is "within the scope" of the Master EIR.

Pursuant to Public Resources Code Section 21157.1, no new environmental document or findings are necessary for projects that are determined to be within the scope of the MEIR. Adoption of a notice of conformity after completion of the Initial Study fulfills the City's obligation in that situation.

All environmental effects cited reflect year 2025 build-out of the Urban Area General Plan as identified in the MEIR.

The Master EIR for the General Plan organizes its analysis of environmental impacts into eighteen subject areas. The following analysis is based on the impact analyses contained in Chapter V of the Master EIR. For ease of cross-reference, the sections are numbered in the same order as the analyses in Chapter V.

In addition to the 18 Master EIR subject areas, the Initial Study checklist addresses the issues of land use/planning and aesthetics. The reason for including these additional issues is to ensure that consideration is being given to the full range of subjects of importance contained in Appendix G of the CEQA Guidelines. The format for the land use/planning and aesthetics sections differs from that of the other 18 subject areas since these two subjects were not addressed as distinct subjects in the Master EIR.

#### 1. TRAFFIC AND CIRCULATION

##### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant and unavoidable traffic and circulation impacts within certain areas of the "Baseline Developed Area":

Effect: Increased traffic will result in certain roadway segments operating at LOS "D" or worse.

Effect: The substantial increase in traffic relative to the existing load and capacity of the street system will cause, violation, either individually or cumulatively, of a LOS standard established by the County CMP for designated roads and highways.

Effect: Creation of need for Capacity-enhancing modifications to existing facilities.

Effect: Increase in energy consumption associated with the operation of highway projects, rail improvements, and aviation facilities.

Effect: Severe contrast with existing neighborhood or area character caused by highway and transit projects.

**DISCUSSION:**

This is an application to rezone a portion of an existing planned development zone and expansion of an existing parking lot (P-D amendment). The addition of the project is compatible with the existing surrounding mix use of residential development and recreational uses located along this area. Because the project is consistent with the surrounding mix use, the proposed land use will not change to a level that will cause a change to the existing road capacities or levels of service.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Traffic and Circulation mitigation measures that may be pertinent to this project are found on MEIR pages V-1-15 through V-1-21. All feasible measures appropriate to the project – including any new measures - will be incorporated into or made conditions of approval of this project and will be listed in Section IV, *Mitigation Measures Applied to Project*.

**c. Project-Specific Effects**

Section V-1.B of the MEIR provides analysis of Traffic and Circulation impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Significance Criteria: A subsequent development project will have a new significant effect on the environment if it would exceed the following criteria:

	YES	NO
(1) Does the project contribute one hundred (100) or more peak hour trips to or from the site during the adjacent roadway's peak hour or the development's peak hour, to adjoining roads and generates more trips than assumed for their general plan land use category and zoning in the Master EIR.	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Note:

If a project exceeds an additional one hundred (100) or more peak hour trips contribution, a site access study may be conducted to determine to what extent the project would exceed the year 2025 level of service (LOS) expected for the adjoining roadways under the Master EIR. The site access study would recommend new, project-specific mitigation measures. If the project also exceeds the Master EIR's traffic generation assumption, as determined by Engineering & Transportation staff, a comprehensive traffic study would be required that will include off-site traffic impact analysis.

- |     |  | YES                      | NO |
|-----|--|--------------------------|----|
| (2) | Substantially increase hazards due to a design feature (e.g., sharp curves or dangerous intersections) or incompatible uses (e.g. farm equipment). | <input type="checkbox"/> | X  |
| (3) | Result in inadequate emergency access.   | <input type="checkbox"/> | X  |
| (4) | Result in inadequate parking capacity.   | <input type="checkbox"/> | X  |

**DISCUSSION:**

- (1) Engineering and Transportation Staff reviewed the proposed project and have the following comments:
  - A. The proposed project will not generate traffic impacts to the adjacent roadways in excess of what was assumed under the MEIR. No traffic study is required.
  - B. A site access study is not required for this project.
- (2) The project will not substantially increase hazards due to a design feature (e.g., sharp curves or dangerous intersections) or incompatible uses (e.g. farm equipment). The City Engineering and Traffic Department has evaluated the project and has determined that the existing design layout of the project, as conditioned, is in accordance to City standards.
- (3) Police and Fire Staff have reviewed this proposal and have indicated that there is no emergency access problem.
- (4) The project has been evaluated for compliance to the City of Modesto Parking regulations. The design and layout of the proposed parking area will comply with both City standards and ADA (Americans with Disability Act) standards.

**2. AIR QUALITY**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to air quality:

Effect: Projected City traffic levels will result in increased ambient carbon monoxide (CO) levels in the project area. *This is a significant and unavoidable impact.*

Effect: Projected City traffic levels will result in increased ROG and NOX levels in the project area. *This is a significant and unavoidable impact.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Air Quality mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-2-11 through V-2-18 MEIR. All feasible measures appropriate to the project

will be incorporated into or made conditions of approval of this project and are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

Mitigation Measures appropriate to this project include: AQ-17

**c. Project-Specific Effects**

Section V-2.B of the MEIR provides analysis of Air Quality impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project exceeds the emissions thresholds established for CO and NOx by the San Joaquin Valley Unified Air Pollution Control District's (SJVUAPCD) adopted CEQA Guidelines.	<input type="checkbox"/>	X
(2) The project does not incorporate the best management practices for PM10 reduction established by the SJVUAPCD.	<input type="checkbox"/>	X
(3) The project does not comply with the air quality policies of the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(4) The project would expose sensitive receptors to substantial pollutant concentrations.	<input type="checkbox"/>	X
(5) The project would create objectionable odors affecting a substantial number of people.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project was referred to the San Joaquin Valley Unified Air Pollution Control District who determined that the project would not have a significant effect on the ambient air quality.
- (2) This project does incorporate the best management practices for PM10 reduction established by the SJVUAPD (see mitigations measures above).
- (3) Applicable General Plan Policies will be applied to the project. Therefore, project-specific effects will be less than significant for this impact (see mitigations measures above).
- (4) The project is not a significant contributor to pollution levels in that it involves only a building addition for an existing church. PM10 emissions created through the construction phase will be mitigated as called for by the MEIR by the measures listed above.

- (5) The proposed project will not produce objectionable odors.

### 3. NOISE

#### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant and unavoidable environmental impacts relative to noise:

Effect: Traffic noise levels for future conditions in the plan area have the potential to result in an excess of the City's Noise Significance Standards.

Effect: Noise level projections based on the traffic levels anticipated in the General Plan indicate that noise will exceed the City's General Plan and noise ordinance standards.

#### b. Master EIR and/or New Mitigation Measures Applied to the Project

Noise policies and mitigation measures pertinent to the project being analyzed in this Initial Study are found on pages V-3-10 through V-3-15 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project and any new measures are listed in Section IV, Mitigation Applied to Project:

#### DISCUSSION:

Mitigation Measures appropriate to this project include: N-4, N-5 and N-6.

#### c. Project-Specific Effects

Section V-3.B of the MEIR provides analysis of noise impacts of development of the General Plan; the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

		YES	NO
(1)	The project will exceed the standards for noise level and hours of operation established by the Modesto noise ordinance.	<input type="checkbox"/>	X
(2)	The project will exceed the noise policies of or otherwise be inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(3)	The project will result in a substantial permanent increase in ambient noise levels in the project vicinity above levels existing without the project?	<input type="checkbox"/>	X
(4)	The project will result in a substantial temporary or periodic increase in ambient noise levels in the project vicinity above levels existing without the project.	<input type="checkbox"/>	X

**DISCUSSION:**

- (1) The City's noise policy is incorporated into the conditions of approval as a mitigation measure.
- (2) The project is consistent with the noise policies of the General Plan. The noise mitigation measures called for by the General Plan for projects within the baseline-developed area are incorporated into the conditions of approval for the project.
- (3) The only permanent noise levels produced by the project would be associated with traffic. The traffic levels are within the scope of what the MEIR assumed for the site. Therefore, this project will not result in a substantial permanent increase in ambient noise levels.
- (4) The project will not result in a substantial temporary or periodic increase in ambient noise levels in the project vicinity. There will be some construction related noise, but the noise mitigation measures called for by the General Plan for projects within the baseline developed area, are incorporated into the conditions of approval for the project.

**4. AGRICULTURAL LANDS**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to agricultural lands:

Effect: Development within the urbanized Baseline Developed Area and Redevelopment Area will have a less-than-significant impact on agricultural lands.

Effect: Conversion of agricultural land will occur as available developable land is occupied within the City. This is a significant and unavoidable impact.

Effect: Growth within Modesto's planning area would contribute considerably to the loss of agricultural land within Stanislaus County. This is a significant and unavoidable cumulative impact.

**DISCUSSION:**

The site is not zoned for agriculture or designated on the General Plan for future agricultural use. The proposed project will not affect areas zoned for agriculture or designated on the General Plan for future agricultural use. The project site and the surrounding property are located within a fully developed urbanized area.

**b. Master EIR and/or New Mitigation Measures Pertinent to the Project**

Agricultural Land mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-4-7 and V-4-8 MEIR. All feasible measures appropriate to the project and any new mitigation to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Applied to Project:

DISCUSSION:

There are no mitigation measures applicable to this project.

**c. Project-Specific Effects**

Section V-4.B of the MEIR provides analysis of Agricultural Lands impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project will directly result in the development of land outside the March 2003 planning area boundaries.	<input type="checkbox"/>	X
(3) The project will Conflict with existing zoning for agricultural use, or a Williamson Act contract.	<input type="checkbox"/>	X
(4) The project will Involve other changes in the existing environment which, due to their location or nature, could result in conversion of Farmland, to non-agricultural use.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the General Plan land use policies. It is an infill project, proposed within the urbanized area of the City. There are no agricultural parcels affected by the proposal and no agricultural and will be converted.
- (2) The project is within the Baseline-Developed area of the City and therefore will not result in the development of land outside the March 2003 planning area boundaries.
- (3) The project site is not zoned for agriculture nor is it under Williamson Act contract.
- (4) The project will not involve changes to the existing environment that could result in the conversion of farmland to non-agricultural uses. The project is completely surrounded by urbanization.

**5. WATER SUPPLY**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to water supply:

Effect: Urban Area General Plan policies are established to limit groundwater extractions to the safe yield of the aquifer and thereby avoid aquifer over drafting. In addition, the UWMP requires that new urban development would proceed in conjunction with the availability of water supplies and distribution facilities. It is assumed that increased entitlement of surface water supplies such as a water transfer from another water purveyor would undergo independent environmental review pursuant to CEQA. *This is a less-than-significant impact.*

Effect: Development to the future projected City population would require expansion of the MRWTP to its full 60 mgd capacity, development of additional groundwater wells, and construction of additional water distribution and treatment facilities. Construction of some of the required facilities would most likely require site-specific environmental impact assessments to be conducted under CEQA. *Consequently, the potential environmental impacts of the Urban Area General Plan are considered less-than-significant.*

Effect: During drought years, despite available options, significant water shortages are forecast for the San Joaquin River basin by the year 2020. Modesto would make a cumulatively considerable contribution to the cumulative impact on water supply under drought conditions. *This is a significant and unavoidable cumulative impact.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Water Supply mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-5-7 through V-5-8 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

There are no mitigation measures applicable to this project.

**c. Project-Specific Effects**

Section V-5.B of the MEIR provides analysis of Water Supply impacts of development of the General Plan; the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) Sufficient water supplies are not available to serve the project from existing entitlements and resources, new or expanded entitlements are needed.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan both in land use and intensity.

- (2) The project was referred to Engineering and Transportation for comment and there was no determination that there is insufficient capacity to serve the project.

## 6. SANITARY SEWER SERVICES

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to sanitary sewer services:

Effect: The City has already begun to implement the provisions of the Wastewater Master Plan (WMP) to meet future demand for sanitary sewer services. As City wastewater treatment facilities are expanded to meet the needs of the Baseline Developed, Redevelopment, and Planned Urbanizing Areas, the City will obtain the necessary wastewater discharge and NPDES permits from the Central Valley RWQCB, as required under Urban Area General Plan Policy V-D.2(a). Implementing the WMP, requirement of Best Management Practices for post-construction activities, as well as the Urban Area General Plan policy cited above, will avoid violation of wastewater discharge requirements. *As a result, this impact would be less-than-significant.*

Effect: The City has adopted the WMP specifically to ensure that sewer capacity will match the level of growth projected by the Urban Area General Plan. Development within the Baseline Developed and the Planned Urbanizing Areas that is consistent with the Urban Area General Plan will not have a significant effect on capacity. Urban Area General Plan Policy III-D.1(d) will ensure that development in the Planned Urbanizing Area will fund the necessary improvements. *This is a less-than-significant impact.*

Note on the WMP Master EIR. The WMP Master EIR identified a number of impacts and mitigation measures. Its mitigation measures have been adopted by the City and are being implemented by the City under the WMP. Those impacts are being independently addressed under that Master EIR and do not need to be considered under this Initial Study. Refer to the WMP Master EIR for details.

### b. Master EIR and/or New Mitigation Measures Applied to the Project

Sewer Service mitigation measure(s) pertinent to the project being analyzed in this Initial Study, are found on pages V-6-4 through V-6-7 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

### DISCUSSION:

There are no mitigation measures applicable to this project.

### c. Project-Specific Effects

Section V-6.B of the MEIR provides analysis of Sanitary Sewer Service impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |   | YES                      | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.   | <input type="checkbox"/> | X  |
| (2) The project will result in a determination by the wastewater treatment provider which serves or may serve the project that it has inadequate capacity to serve the project's projected demand in addition to the provider's existing commitments. | <input type="checkbox"/> | X  |

**DISCUSSION:**

- (1) The project is consistent with the Modesto Urban Area General Plan both in land use and intensity.
- (2) The project was referred to Engineering and Transportation for comment and there was no indication that there is insufficient capacity to serve the project.

**7. SENSITIVE WILDLIFE AND PLANT HABITAT**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to sensitive wildlife and plant habitat:

Effect: Although many sensitive species live in riparian habitats within the planning area, the policies of the plan will ensure that impacts of the Urban Area General Plan will be less-than-significant.

Effect: Requiring higher residential density than the suburban norm and a compact pattern of growth within the designated planning area to the year 2025 will minimize the City's contribution to the cumulative loss of habitat. Nonetheless, this is a significant and unavoidable impact.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Wildlife and Plant Habitat mitigation measure pertinent to the project being analyzed in this Initial Study are found on pages V-7-19 through V-7-21. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

**DISCUSSION:**

There are no mitigation measures applicable to this project regarding sensitive wildlife and plant habitat. The project site is not a biologically sensitive site as defined by Figures V-7-1a through V-7-1e of the MEIR.

### c. Project-Specific Effects

Section V-7.B of the MEIR provides analysis of Wildlife and Plant Habitat impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |   | YES                      | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.   | <input type="checkbox"/> | X  |
| (2) Consultation with the California Department of Fish and Game or the U.S. Fish and Wildlife Service determines that the project would have a significant effect on special status species. | <input type="checkbox"/> | X  |
| (3) Conflict with any local policies or ordinances protecting biological resources, such as a tree preservation policy or ordinance.  | <input type="checkbox"/> | X  |

#### DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan both in land use and intensity.
- (2) The project site is not a biologically sensitive site as defined by Figures V-7-1a through V-7-1e of the MEIR. The California Department of Fish and Game and the U.S. Fish and Wildlife Service were consulted in the production of the MEIR.
- (3) There is no conflict with any local policies or ordinances protecting biological resources.

### 8. ARCHAEOLOGICAL OR HISTORICAL SITES

#### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to archaeological or historical sites:

Effect: If a site-specific project involves the modification or demolition of a qualifying structure more than 50 years in age, then the impact will be significant.

Effect: Areas of high probability for archaeological resources are located within the riparian corridors along the Tuolumne River, Dry Creek, and the Stanislaus River. There, the potential impact comes from earthmoving activities that could result in disturbance of resources or human remains. There is a low probability that archaeological resources will be uncovered in areas outside of the riparian corridors.

Effect: The City Zoning Ordinance requires that when substantial changes to a structure are proposed, the development will be required to comply with other Zoning Ordinance provisions

such as parking or landscaping requirements. This could result in modifications to the structure, which substantially reduce its historical significance. This would be a less-than-significant impact with the imposition of new mitigation measure Cultural-1.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Archaeological or Historic mitigation measures pertinent to the project being analyzed in this Initial Study are found on page V-8-13 and V-8-14 MEIR.

DISCUSSION:

Mitigation Measures applicable to this project include: AH-8, Master EIR.

**c. Project-Specific Effects**

Section V-8.B of the MEIR provides analysis of Archaeological/Historical impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project would adversely affect a cultural resource that is either listed or eligible for listing in the California Register of Historical Resources, or that is listed by the City of Modesto as a Designated Landmark Preservation Site.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan in both land use and intensity.
- (2) The project would not adversely affect a cultural resource that is either listed or eligible for listing in the California Register of Historical Resources, or that is listed by the City of Modesto as a Designated Landmark Preservation Site. The mitigation measure called for by the General Plan is incorporated into the conditions of approval for the project.

**9. STORM DRAINAGE**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to storm drainage:

Effect: The potential impacts on storm water drainage that could occur from the project were qualitatively evaluated with respect to several factors including: extent of the projected increase in urban surface area compared to undeveloped ground; magnitude of projected changes to hydrologic and physical site characteristics of the study area compared to existing conditions; regulatory criteria and guidelines; and professional judgment. Because the Urban Area General Plan includes policies that require new development in all three sections of the planning area to install approved drainage facilities, the potential impacts of the Urban Area General Plan on storm water drainage are considered *less-than-significant*.

Effect: The population of Stanislaus County is projected to increase in a fashion similar to that of Modesto, resulting in additional urban development and associated increases in impervious areas and associated urban storm water drainage. Cumulative hydrologic impacts of storm water flows from Modesto urban areas and other areas of the County could occur due to the fixed capacity of MID and TID irrigation canals to convey drainage west to the San Joaquin River. If drainage channels in some areas prove insufficient to handle the increased drainage discharges, existing storm water runoff from urban and agricultural areas during large storm events would have to be interrupted until water levels receded to a point allowing the resumption of discharges to the channel. Ceasing discharges to drainage channels could cause inundation in and around the drainage conveyance pipeline systems, surface drainage channels, detention basins, and other urban areas. *This cumulative impact is considered significant and unavoidable.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Storm Drainage mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-9-4 through V-9-8.

DISCUSSION:

Mitigation measures appropriate to this project include: SD-7, MEIR. This mitigation measure is addressed by conditions of approval.

**c. Project-Specific Effects**

Section V-9.B of the MEIR provides analysis of Storm Drainage impacts of development of the General Plan; the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

		YES	NO
(1)	The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2)	The project would substantially increase the rate or amount of surface runoff in a manner that would result in flooding on- or offsite.	<input type="checkbox"/>	X
(3)	Create or contribute runoff water that would exceed the capacity of existing or planned storm water drainage systems or provide substantial additional sources of polluted runoff.	<input type="checkbox"/>	X

## DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan in both land use and intensity.
- (2) The project will meet the standards contained in the "Guidance Manual for New Development-Storm Water Quality Control Measures," adopted by the City as required by the above-listed mitigation measures.
- (3) The project will not contribute additional water runoff that would exceed the capacity of the storm drainage system.

## 10. FLOODING AND WATER QUALITY

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to flooding and water quality:

Effect: Increased runoff can accelerate soil erosion, stream channel scouring, and sedimentation of channels, and also increase pollutant transport to waterways. The potential impacts of the project on flooding are considered less-than-significant because the Urban Area General Plan Update includes policies to restrict development in the floodplain and therefore would avoid exposing persons and property to flood hazards. In addition, new development under the Urban Area General Plan is required to install storm water drainage facilities that restrict the amount of post-development runoff from exceeding pre-development conditions.

Effect: The potential impacts of the project on surface-water quality are considered less-than-significant because the City policies and capital improvement projects for storm water drainage facilities would minimize discharges of urban pollutants to natural waterways. The City drainage program policies require new development to prepare drainage plans and implement urban runoff control measures; larger Specific Plan developments must have storm drainage systems designed to control pollutant runoff. The City's implementation policies for the municipal NPDES storm water permit require new development to implement an appropriate selection of permanent pollution control measures. Permanent erosion control measures such as seeding and planting vegetation for new cut-and-fill slopes, directing runoff through vegetation, or otherwise reducing the offsite discharge of particulates and sediment are the most effective method of controlling offsite discharges of urban pollutants.

Effect: The City's future development will contribute to cumulative water quality effects. EPA regulations for NPDES storm water permits and new proposed regulatory additions to the rules have become much more comprehensive in recent years and are being implemented to reduce pollutant runoff from both large- and small-scale activities. Implementation of NPDES-permitting programs throughout the county will reduce potential water-quality impacts to a less-than-significant level.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Flooding and Water Quality mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-10-7 through V-10-10 MEIR. All feasible measures appropriate to the project have been incorporated into the conditions of approval.

DISCUSSION:

Mitigation measures appropriate to this project include: FWQ-14, MEIR. This mitigation measure is addressed by conditions of approval.

**c. Project-Specific Effects**

Section V-10.B of the MEIR provides analysis of Flooding and Water Quality impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project does not comply with the regulatory requirements of the federal Clean Water Act or the State Porter-Cologne Act.	<input type="checkbox"/>	X
(3) The project does not comply with Modesto's Guidance Manual for New Development Storm water Quality Control Measures.	<input type="checkbox"/>	X
(4) The project would create or contribute runoff water, which would exceed the capacity of existing or planned storm water drainage systems or provide substantial additional sources of polluted runoff.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan in both land use and intensity.
- (2) The project would comply with the Federal Clean Water Act and the Porter Cologne Act requirements.
- (3) Mitigation Measures as called for by FWQ-14 will be applied to the project so that the project will comply with the Guidance Manual for New Development Storm Water Quality Control Measures.
- (4) The project would not create or contribute to runoff water in excess of the capacity of existing or planned storm water drainage systems or provide additional sources of polluted runoff.

**11. PARKS AND OPEN SPACE**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to parks and open space:

Effect: Within the Baseline Developed and Redevelopment Areas, the Urban Area General Plan does not propose any elimination of existing park and/or open space land. *Impacts on parks and open space will be less-than-significant.*

Effect: The projected population of the Planned Urbanizing Area is 148,600, requiring 149 acres of neighborhood parks and 298 acres of community parks. The required minimum acreages can be met through the application of existing policies and regulations, including Government Code Section 66474, which require developers to pay Parks Capital Facilities Fees to fund the acquisition of appropriate parkland acreage. *This impact is less-than-significant.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Parks and Open Space Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-11-4 through V-11-19 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project, are listed in Section IV, Mitigation Applied to Project:

DISCUSSION:

There are no mitigation measures applicable to this project. It is not on or adjacent to any park sites, nor is it near any of the riparian area identified by Figures V-7-1a through V-7-1e of the MEIR.

**c. Project-Specific Effects**

Section V-11.B of the MEIR provides analysis of Parks and Recreation impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

YES NO

- (1) The project is inconsistent with the Modesto Urban Area General Plan.  YES  NO

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan in both land use and intensity. There are no mitigation measures applicable to this project.

## 12. SCHOOLS

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to schools:

Effect: The estimated increase in population over 1994/1995 would generate an additional 29,200 elementary school students, 7,330 middle school students, and 14,640 high school students above those enrollments. Assuming that existing facilities cannot sufficiently accommodate this increase and that all of the new students would require new school facilities, build out of the General Plan would result in the need for approximately 37 elementary schools, 8 middle schools, and 7 high schools beyond 1994/1995 levels. This would result in a significant impact on schools in that it would exceed current capacity. By statute, this impact is considered to be mitigated below a level of significance by payment of school impact fees and exercise of any or all of the financing options set out in Government Code Section 65997.

### b. Master EIR and/or New Mitigation Measures Applied to the Project

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. ). As long as all anticipated subsequent projects apply these policies, no new mitigation is necessary. Further, payment of school impact fees and compliance with SB 50 is statutorily deemed to be full mitigation of school impacts (Government Code Section 65995). The proposed additional school policy will address the situation that would arise should AB 50 be repealed. It will authorize impact fees or other methods to finance additional school facilities.

The following schools mitigation measure(s) are pertinent to the project being analyzed in this Initial Study. See pages V-12-4 through V-12-7 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section IV, Mitigation Applied to Project:

### DISCUSSION:

There are no mitigation measures applicable to this project.

### c. Project-Specific Effects

Section V-12.B of the MEIR provides analysis of Schools impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |   | YES                      | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.   | <input type="checkbox"/> | X  |
| (2) The project does not comply with SB 50/Proposition 1A funding provisions, or succeeding measures which provide that compliance results in less-than-significant impacts on schools. | <input type="checkbox"/> | X  |

DISCUSSION:

- (1) The project is consistent with the General Plan in both land use and intensity.
- (2) The project was referred to Modesto City Schools who indicated no opposition to the project.

**13. POLICE SERVICES**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to police services:

Effect: The 1995 Master EIR identified two impacts on the demand for police services; however, it concluded that no significant impact, based on the mitigation measures identified in the 1995 Master EIR, would occur. Those mitigation measures are now policies of the Urban Area General Plan. *The impact is less-than-significant.*

Effect: Within the Planned Urbanizing Area, complying with the Urban Area General Plan policies, particularly the policy that requires a long-range financing strategy for each Comprehensive Plan Area, will allow the City to provide the resources necessary to extend service to the newly growing Planned Urbanizing areas. *These policies reduce the impact to a less-than-significant level.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Police Services mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-13-3 and V-13-4 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

No mitigation measures are applicable to this project.

**c. Project-Specific Effects**

Section V-13.B of the MEIR provides analysis of police services impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |  | YES                      | NO |
|--|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.  | <input type="checkbox"/> | X  |
| (2) The project would result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives. | <input type="checkbox"/> | X  |

## DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan in both land use and intensity.
- (2) The project would not result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives. The project meets City Standards for emergency services access.

### 14. FIRE SERVICES

#### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to fire services:

Effect: The Baseline Developed Area and Redevelopment Area are already developed. *Impacts on fire services of development in these areas will be less-than-significant.*

Effect: In the Planned Urbanizing Area, the Urban Area General Plan would result in the need for additional fire protection services due to increases in the number of employees, permanent population, and associated improvements. City policy requires that fire protection be in place concurrent with construction in the Planned Urbanizing Area. This policy will be implemented with the adoption of future Comprehensive Plans in the Planned Urbanizing Area. *This impact would be less-than-significant.*

#### b. Master EIR and/or New Mitigation Measures Applied to the Project

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Fire Services mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-14-3 through V-14-5 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project. are listed in Section IV, Mitigation Measures Applied to Project:

## DISCUSSION:

No mitigation measures are applicable to this project.

#### c. Project-Specific Effects

Section V-14.B of the MEIR provides analysis of fire services impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |  | YES                      | NO |
|--|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.  | <input type="checkbox"/> | X  |
| (2) The project would result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives. | <input type="checkbox"/> | X  |

**DISCUSSION:**

- (1) The project is consistent with the Modesto Urban Area General Plan in both land use and intensity.
- (2) The project would not result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives. The project meets City Standards for emergency services access.

**15. SOLID WASTE**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to solid waste:

Effect: New development projects would exceed available landfill capacity; it is identified as a significant impact. The Fink Road Landfill may be closed by the time the City reaches build out, unless an expansion is approved by the County and the Integrated Waste Management Board. As the waste stream generated increases with population, additional landfills and methods for diversion would have to be utilized. New projects will also generate the need for additional collection and transfer facilities. This impact is significant and unavoidable. *The impact would be less-than-significant at such time as the Fink Road Landfill expansion is approved.*

Effect: New development projects can make a considerable contribution to the cumulative impact on landfill capacity of development in Stanislaus County. *This impact is significant and unavoidable.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Solid Waste Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study, are found on pages V-15-5 and V-15-6 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Applied to Project:

**DISCUSSION:**

No mitigation measures are applicable to this project.

**c. Project-Specific Effects**

Section V-15.B of the MEIR provides analysis of solid waste impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The County is unable to expand its solid waste disposal capacity and the project would result in waste stream levels that exceed disposal capacity.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan in both land use and intensity.
- (2) This project was referred to the County and Solid Waste Division of the Engineering and Transportation Division for review, and no indication was given that there would be a problem serving this project.

**16. HAZARDOUS MATERIALS**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to hazardous materials:

Effect: The impacts of the project relative to hazardous materials are less-than-significant, based on the existing regulatory framework. New development will be required to comply with regulations monitoring and controlling the handling and use of hazardous and toxic materials.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under federal, state and county policies and regulations, and the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Hazardous Materials Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-16-9 through V-16-12 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

No mitigation measures are applicable to this project.

**c. Project-Specific Effects**

Section V-16.B of the MEIR provides analysis of hazardous materials impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-than significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project does not comply with all applicable federal, state, and county standards and regulations relative to the handling, storage, disposal, and transport of hazardous or toxic materials or wastes.	<input type="checkbox"/>	X
(3) The project contains a contaminated site not identified as of March 2003.	<input type="checkbox"/>	X
(4) The project would emit hazardous emissions or handle hazardous or acutely hazardous materials, substances, or waste within one-quarter mile of an existing or proposed school.	<input type="checkbox"/>	X
(5) The project would be located on a site, which is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and as a result, would create a significant hazard to the public or the environment.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan in both land use and intensity.
- (2) The project does comply with all applicable federal, state, and county standards and regulations relative to the handling, storage, disposal, and transport of hazardous or toxic materials or wastes. (No hazardous materials will be involved with this project).
- (3) The project site is not known to contain any contaminants.
- (4) The project would not emit hazardous emissions or handle hazardous or acutely hazardous materials, substances, or waste.
- (5) The project would not be located on a site, which is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and as a result, would not create a significant hazard to the public or the environment.

**17. LANDSLIDES AND SEISMIC ACTIVITY**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to landslides and seismic activity:

Effect: There are areas of known sand and gravel resources within the Baseline Developed Area and Redevelopment Area. Future development will be subject to SMARA requirements, therefore, *the project impact will be less-than-significant.*

Effect: There are areas of known sand and gravel resources within the Planned Urbanizing Area. Future development will be subject to SMARA requirements, therefore, *the project impact will be less-than-significant.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Landslide and Seismic Activity Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-17-6 and V-17-7 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

No mitigation measures are applicable to this project.

**c. Project-Specific Effects**

Section V-17.B of the MEIR provides analysis of landslides and seismic impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

		YES	NO
(1)	The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2)	The project would be located on soil that is unstable, or that would become unstable as a result of the project, and potentially result in on or off-site landslide, lateral spreading, subsidence, liquefaction or collapse.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the General Plan in both land use and intensity.
- (2) The project would not be located on soil that is unstable, or that would become unstable as a result of the project.

**18. ENERGY**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to energy:

Effect: The Baseline Developed Area and Redevelopment Area are already developed. New development within the Redevelopment Area will comply with Title 24 standards as well as City Urban Area General Plan policies. *Impacts on energy by development in these areas (i.e., changes in levels of use above the current baseline) will be less-than-significant.*

Effect: Build out under the Urban Area General Plan will utilize an estimated 1,400 million cubic feet per month of natural gas, 1,300 million kilowatt hours (kwh) of electricity per year and 650,000 gallons of gasoline per day. PG&E has indicated that they have at the current time sufficient supplies of natural gas to serve the increased natural gas demands of the project. At present, gasoline supplies are apparently sufficient to serve the gasoline demands of the project. Title 24 of the California Code of Regulation, which ensures that the project will not exceed local, state, and federal energy standards. *The impact is less-than-significant.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

The following energy mitigation measure(s) are pertinent to the project being analyzed in this Initial Study. See page V-18-3 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section IV, Mitigation Applied to Project:

DISCUSSION:

No mitigation measures are applicable to this project.

**c. Project-Specific Effects**

Section V-18.B of the MEIR provides analysis of energy impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	<input checked="" type="checkbox"/> X

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan in both land use and intensity.

**19. PLANNING AND LAND USE**

The Master EIR was certified for the Modesto Urban Area General Plan. The significant effects described in the 18 subject areas contained in the Master EIR are based on the planning policies and diagrams adopted as part of the General Plan. Planning and land use were not among the 18 subject areas analyzed in the Master EIR because they essentially defined the project being evaluated in the EIR.

**a. Project-Specific Effects**

Determination of project effects will be based on the following threshold. A project-specific effect is less-than-significant unless:

- |  | YES                      | NO |
|--|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.                | <input type="checkbox"/> | X  |
| (2) The project includes a substantive amendment to the Modesto Urban Area General Plan. | <input type="checkbox"/> | X  |
| (3) The project would physically divide an established community                         | <input type="checkbox"/> | X  |

Discussion:

- (1) The project is consistent with the Modesto Urban Area General Plan in both land use and intensity.
- (2) No amendment to the General Plan is required by this project.
- (3) The project is infill development that will not divide an established community.

**20. AESTHETICS**

The Master EIR was certified for the Modesto Urban Area General Plan. The significant effects described in the 18 subject areas contained in the Master EIR, are based on the planning policies and diagrams adopted as part of the General Plan. At that level of detail, no significant effects on aesthetics were identified.

**a. Project-Specific Effects**

Determination of project effects will be based on the following threshold. A project-specific effect is less-than-significant unless:

		YES	NO
(1)	The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2)	The project would have a substantial adverse effect on a scenic vista.	<input type="checkbox"/>	X
(3)	The project would substantially degrade the existing visual character or quality of the project site and its surroundings.	<input type="checkbox"/>	X
(4)	The project would create a new source of substantial light and glare, which would adversely affect day or nighttime views in the area.	<input type="checkbox"/>	X

**DISCUSSION:**

- (1) The project is consistent with the General Plan in both land use and intensity.
- (2) There are no Scenic Vistas from the location of the proposed development. It is completely surrounded by urbanization. Views to the Diablo and Sierra Mountain Ranges are already precluded from this site and its surroundings.
- (3) The project would not substantially degrade the existing visual character or quality of the project site and its surroundings.
- (4) The project would not create a substantial source of light or glare that would adversely affect daytime or nighttime views in the area.

**V. MITIGATION MEASURES APPLIED TO THE PROJECT**

**A. Master EIR Mitigation Measures Applied to the Project**

Pursuant to CEQA Section 21157.1 (c), in order for a Finding of Conformance to be made, all feasible measures from the Master EIR appropriate to the project shall be incorporated into the project. The following adopted General Plan Policies and Master EIR Mitigation Measures (also contained in Section III, "Global List") shall be made part of the project prior to approval by means of conditions of project approval or incorporation into the appropriate document or plan:

All applicable and appropriate mitigation measures have been applied to the project.

**Traffic and Circulation Measures:**

N/A

**Air Quality Measures:**

1. All land clearing, grubbing, scraping, excavation, land leveling, grading, cut & fill, and demolition activities shall be effectively controlled of fugitive dust emissions utilizing application of water or by presoaking.
2. When materials are transported off-site, all material shall be covered, or effectively wetted to limit visible dust emissions, and at least six inches of freeboard space from the top of the container shall be maintained.

### **Noise Measures:**

1. The City's noise ordinance (Modesto Municipal Code Section 4-9.101) prohibits the "loud and raucous discharge into the open air of the steam of any steam equipment or exhaust from any stationary internal-combustion engine."

The noise ordinance prohibits the loud and raucous operation or use of any of the following before 7:00 a.m. or after 9:00 p.m. daily (except Saturday and Sunday and State or federal holidays, when the prohibited time shall be before 9:00 a.m. and after 9:00 p.m.):

- A. A hammer, or any other device or implement used to pound or strike an object.
- B. An impact wrench, or other tool or equipment powered by compressed air.
- C. A hand-powered saw.
- D. Any tool or piece of equipment powered by an internal-combustion engine such as, but not limited to, chain saw, backpack blower, and lawn mower.
- E. Any electrically powered (whether by alternating current electricity or by direct current electricity) tool or piece of equipment used for cutting, drilling, or shaping wood, plastic, metal, or other materials or objects, such as, but not limited to, a saw, drill, lathe, or router.
- F. Any of the following: heavy equipment (such as but not limited to bulldozer, steam shovel, road grader, back hoe), ground drilling and boring equipment (such as but not limited to derrick or dredge), hydraulic crane and boom equipment, portable power generator or pump, pavement equipment (such as but not limited to pneumatic hammer, pavement breaker, tamper, compacting equipment), pile-driving equipment, vibrating roller, sand blaster, gunite machine, trencher, concrete truck, and hot kettle pump.
- G. Any construction, demolition, excavation, erection, alteration, or repair activity. In the case of urgent necessity and in the interest of public health and safety, the Chief Building Official may issue a permit for exemption from these. Such period shall not exceed three (3) working days in length while the emergency continues but may be renewed for successive periods of three (3) days or less while the emergency continues. The Chief Building Official may limit such permit as to time of use and/or permitted action, depending upon the nature of the emergency and the type of action requested.
- H. Construction equipment and vehicles should be equipped with properly operating mufflers according to the manufacturers' recommendations. Air compressors and pneumatic equipment should be equipped with mufflers, and impact tools should be equipped with shrouds or shields.

### **Agricultural Land Measures:**

N/A

### **Water Supply Measures:**

N/A

**Sanitary Sewer Service Measures:**

N/A

**Sensitive Wildlife and Plant Habitat Measures:**

N/A

**Archaeological or Historic Sites Measures:**

1. If archaeological resources are discovered at any time during construction, all activity shall cease until a qualified archaeologist surveys the site. The survey shall include mitigation measures, which shall be implemented before construction resumes. The survey shall follow the criteria presented in Appendix K

**Storm Drainage Measures:**

1. The developer shall implement pre- and post- construction best management practices (BMPs) to minimize pollutants entering the storm system.

**Flooding and Water Quality Measures:**

1. The developer shall implement pre- and post- construction best management practices (BMPs) to minimize pollutants entering the storm system.

**Parks and Open Space Measures:**

N/A

**Schools Measures:**

N/A

**Police Services:**

N/A

**Fire Services:**

N/A

**Generation of Solid Waste**

N/A

**Generation of Hazardous Materials**

N/A

**Potential for Landslides and Seismic Activity**

N/A

**Energy**

N/A

**Planning and Land Use**

N/A

**Aesthetics**

N/A

**B. New or Additional Mitigation Measures or Alternatives Required**

Where the project's effects would exceed the specific thresholds defined for each environmental category, a mitigated negative declaration or Focused EIR must be prepared. Staff has reviewed the project against those thresholds set forth in the Master EIR for all applicable categories in this Initial Study. The following project-specific mitigation measures are necessary to reduce the identified new significant effect: **None**.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-183**

**A RESOLUTION RESCINDING MODESTO CITY COUNCIL RESOLUTION  
NOS. 2003-513, 2002-391, AND 94-671**

WHEREAS, in December 2005, the Governor of the State of California signed into law Assembly Bill 1234 (AB 1234), and

WHEREAS, AB 1234 establishes new requirements for expense reimbursements for local appointed and elected officials, and

WHEREAS, these new requirements cause the City of Modesto to update various policies and procedures related to the reimbursement of expenses for elected and appointed officials, and

WHEREAS, it is the determination of the Interim City Attorney that these changes should be codified as part of the Modesto Municipal Code, and

WHEREAS, it is necessary to rescind prior City Council Resolutions 2003-513, 2002-391, and 94-671 which addressed reimbursement or expense allowances for public officials,

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby rescinds Resolution Nos. 2003-513, 2002-391, and 94-671 effective upon the date Ordinance No. 3406-C.S. goes into effect.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto, held on the 28<sup>th</sup> day of March 2006, by Councilmember Keating, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-184**

**A RESOLUTION APPROVING A FIFTH AMENDMENT TO AGREEMENT  
FOR AUDITOR SERVICES WITH MAZE & ASSOCIATES, AN  
ACCOUNTANCY CORPORATION, TO EXTEND THE CONTRACT TERM  
TWO YEARS, FOR A TOTAL OF FIVE YEARS, AT A COST NOT TO EXCEED  
\$149,679 FOR FISCAL YEAR 2006 AUDIT AND \$154,167 FOR FISCAL YEAR  
2007 AUDIT, AND, AUTHORIZING THE CITY MANAGER TO EXECUTE THE  
AMENDMENT**

WHEREAS, the City of Modesto entered into a contract with Maze & Associates (Auditor) on April 1, 2003, to perform its annual financial statement audits, and

WHEREAS, said contract contains a provision for a three year term, and

WHEREAS, said contract contains a provision whereby the City may, at its option, elect to extend this contract two years, upon written notice of such extension to Auditor, and

WHEREAS, Auditor has made a proposal to City to conduct financial statement audits for Fiscal Year 2006 at a cost not to exceed \$149,679, and for Fiscal Year 2007 at a cost not to exceed \$154,167, and

WHEREAS, the Audit Committee, at its February 1, 2006, meeting recommended Council approve a two-year extension of said contract, to have Maze & Associates perform the Fiscal Year 2006 and Fiscal Year 2007 financial statement audits,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Fifth Amendment to Agreement for Auditor Services with Maze & Associates to extend the contract term two years, for a total of five years, perform these services at a price not to exceed \$149,679 for Fiscal Year 2006, and for Fiscal Year 2007 at a cost not to exceed \$154,167.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Amendment to Agreement for Auditor Services.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-185**

**A RESOLUTION APPROVING A REIMBURSEMENT AGREEMENT WITH  
STANISLAUS COUNTY AND STANISLAUS COUNCIL OF GOVERNMENTS  
(STANCOG) FOR THE COST OF PROJECT COORDINATION SERVICES FOR  
THE SR 219 WIDENING AND DALE/KIERNAN INTERSECTION  
IMPROVEMENT PROJECTS WITH THE COST TO THE CITY NOT TO  
EXCEED \$60,000, AND AUTHORIZING THE CITY MANAGER TO EXECUTE  
THE AGREEMENT**

WHEREAS, Plans to widen State Route 219 (Kiernan Avenue) from two lanes to a four lane expressway have been in development for several years, and

WHEREAS, due to state financial troubles and escalating right-of-way acquisition costs the California Department of Transportation has struggled to move this project forward, and

WHEREAS, with the development of the new Kaiser hospital on Dale Road and the prospect of future development the intersection at Dale Road and Kiernan Avenue requires widening and signalization, and

WHEREAS, increased traffic requires the widening of Kiernan Avenue to a four lane expressway from State Route 99 to the Dale Road/Kiernan Avenue intersection, and

WHEREAS, in order to expedite the construction of these critical projects, representatives from the City, County and StanCOG recommend that the firm of Gray, Bowen and Company be retained to assist StanCOG in managing the project development and delivery process, in partnership with Caltrans, for these important projects with an overall goal of beginning construction as quickly as possible, and

WHEREAS, Gray, Bowen and Company, Inc. has had considerable success with expediting the delivery of high profile Caltrans projects in partnership with local agencies, and

WHEREAS, example projects include the widening of State Route 41 across the San Joaquin River for Madera County (needed for Valley Children's Hospital) and the addition of the I-680 High Occupancy Vehicle lane over the Sunol Grade for the Alameda County Congestion Management Agency, and

WHEREAS, Representatives from the City of Modesto, Stanislaus County, and StanCOG have met and agreed to the following arrangement,

- 1) StanCOG will prepare an Agreement with Gray, Bowen and Company, Inc. that details the project coordination services which shall be provided by Gray, Bowen and Company, Inc. for the SR 219 widening and the Dale Road/Kiernan Avenue intersection projects.
- 2) The StanCOG Executive Director will provide monthly update reports to the City and County Chief Executive Office on the progress of the SR 219 widening project and the Dale Road/Kiernan Avenue intersection project.
- 3) The City and the County will pay to StanCOG, on a 50/50 cost-sharing basis, the sum not to exceed \$120,000 (\$60,000.00 for City; \$60,000.00 for County) to pay for the services of Gray, Bowen and Company, Inc. through the contractual relationship between StanCOG and Gray, Bowen and Company, Inc.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a reimbursement agreement with Stanislaus County and Stanislaus Council of Governments (StanCOG) for the cost of project coordination services for the SR 219 Widening and Dale/Kiernan intersection improvement projects with the cost to the City not to exceed \$60,000,

BE IT FURTHER RESOLVED by the Council that the City Manger or his designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

MODESTO AND GOODWIN CONSULTING GROUP, INC. FOR  
PREPARATION OF A FISCAL IMPACT ANALYSIS, IN AN AMOUNT NOT TO  
EXCEED \$28,500 PLUS 10% CONTINGENCY, AND AUTHORIZING THE CITY  
MANAGER TO EXECUTE SAID AGREEMENT**

WHEREAS, the City Council is desirous of identifying both long and short term funding options for police and fire services, and

WHEREAS, a fiscal impact analysis will allow the City to review the costs associated with police and fire services and potential tax rates associated therewith, and

WHEREAS, a Request for Proposals for a fiscal impact analysis was issued and five proposal were received, and

WHEREAS, staff from the City Manager's Office and Finance Department, and Councilmember Dunbar, who participated as an observer, interviewed the five firms, and

WHEREAS, Goodwin Consulting Group Inc. was selected to prepare the fiscal impact analysis,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Agreement with Goodwin Consulting Group, Inc. in an amount not to exceed \$28,500 plus 10% contingency, for preparation of a fiscal impact analysis.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-187**

**A RESOLUTION AMENDING THE FISCAL YEAR 05-06 OPERATING  
BUDGET AND APPROVING AN APPROPRIATION TRANSFER OF \$28,500  
FROM GENERAL FUND RESERVES (0100-800-8000-8003) TO THE CITY  
MANAGER'S OPERATING BUDGET (0100-020-0201-0235) FOR THE  
PREPARATION OF A FISCAL IMPACT ANALYSIS BY GOODWIN  
CONSULTING GROUP, INC.**

WHEREAS, the City Council is desirous of identifying both long and short term funding options for police and fire services, and

WHEREAS, a fiscal impact analysis will allow the City to review the costs associated with police and fire services and potential tax rates associated therewith, and

WHEREAS, a Request for Proposals for a fiscal impact analysis was issued, and

WHEREAS, Goodwin Consulting Group Inc. was selected to prepare the fiscal impact analysis in an amount not to exceed \$28,500, plus a 10% contingency for preparation of the analysis, and

WHEREAS, the 2005-2006 fiscal year budget did not contemplate preparation of a fiscal impact analysis, and

WHEREAS, staff proposes allocating \$28,500 from General Fund Reserves (0100-800-8000-8003) to the City Manager's Operating Budget (0100-020-0201-0235), and

WHEREAS, at its meeting of March 27, 2006, the Finance committee approved this request and further recommended approval to the City Council,

NOW, THEREFORE BE IT RESOLVED by the Council of the City of Modesto that the following appropriation is hereby approved to provide the funding for said fiscal impact analysis:

Appropriations

FROM: 0100-800-8000-8003 \$ 28,500.00  
TO: 0100-020-0201-0235 \$ 28,500.00

BE IT FURTHER RESOLVED that City staff is hereby authorized to make the necessary budget adjustments in coordination with the Finance Department to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

MODESTO AND CRAWFORD MULTARI & CLARK ASSOCIATES FOR THE  
PREPARATION OF COMMERCIAL AND INDUSTRIAL DESIGN GUIDELINES IN  
AN AMOUNT NOT TO EXCEED \$49,680.00 AND AUTHORIZING THE CITY  
MANAGER TO EXECUTE THE AGREEMENT**

WHEREAS, the City of Modesto is experiencing substantial increases in requests for non-residential development, which has raised concerns that new development should have some guidance to meet acceptable design standards, and

WHEREAS, the Economic Development Committee of the City Council at its February 13, 2006, meeting recommended the City Council consider an agreement between the City of Modesto and Crawford Multari & Clark Associates for the preparation of Commercial and Industrial Design Guidelines, and

WHEREAS, City staff recommends Crawford Multari & Clark Associates to prepare Commercial and Industrial Design Guidelines because of their extensive experience on similar projects in other jurisdictions, and

WHEREAS, City Staff anticipates that the Commercial and Industrial Design Guidelines will involve one phase in an amount not to exceed \$49,680,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the agreement between the City of Modesto and Crawford Multari & Clark Associates to prepare Commercial and Industrial Design Guidelines is hereby approved in an amount not to exceed 49,680.00.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-190**

**A RESOLUTION AUTHORIZING THE AWARD OF PROPOSAL AND  
CONTRACT FOR THE PURCHASE OF AN AUTOMATED METER READ  
(AMR) SYSTEM TO BADGER METER, INC., MILWAUKEE, WI, FOR A TWO  
(2) YEAR AGREEMENT WITH THREE (3) ONE-YEAR EXTENSION OPTIONS  
AT THE SOLE DISCRETION OF THE CITY, FOR AN ESTIMATED ANNUAL  
COST OF \$432,800**

WHEREAS, the implementation of an Automated Meter Read System (AMR), installed with the fifteen (15) year Meter Installation Plan, will allow Water Operations to:

- More effectively manage: The additional workload resulting from the increase in the number of meters that will be read and billed on a monthly basis will require better technology than the City currently uses. The City's current collection method of meter reading is fifteen (15) years old and the technology has reached it maximum capacity.
- Minimize staffing requirements: Under the City's current meter reading practices significant staffing would be required to read the entire water system. Through more efficient and accurate methods, AMR will allow the City to read the increasing number of meters without adding personnel that would be required with a manual reading system.
- Aid water conservation efforts: The deployment of AMR technology will also give the City advanced leak detection capabilities. With AMR the City will have the ability to identify and address potential leaks. The AMR's leak detection capability and reading accuracy will contribute to the City's conservation efforts. City staff anticipates many customers will make a concerted effort to conserve

water once their bill is based on actual usage.

- Improved efficiency: With AMR City staff will be able to increase the number of daily meter reads. The current daily average manually performed by a Meter Reader is 350. With AMR the City will be able to increase the number of reads to 8 to 10 thousand reads per day. Automated reading also will result in fewer errors, providing more accurate billing data and less staff time tracking down erroneous reads, and

WHEREAS, on December 7, 2004, Council approved Resolution No. 2004-653 authorizing the Purchasing Supervisor to formally solicit Request for Proposals (RFP) for the purchase of an AMR System to be installed as part of the Water Meter Installation program, for a two (2) year agreement with three (3) one-year extension options at the sole discretion of the City, and

WHEREAS, the Purchasing Division solicited RFP No. 0405-07 for the purchase of an AMR System to forty (40) prospective proposers, five (5) of which were local companies, posted the proposal on the City's web site, and formally advertised as required by law, and

WHEREAS, on February 22, 2005, RFP's were formally opened in the City Clerk's office. Of the forty (40) prospective proposers solicited, four (4) companies chose to respond, of which, three (3) companies furnished responsive and responsible proposals, and

WHEREAS, RFP language requires proposers to sign Exhibit "A" and Exhibit "B" of their proposal submittal, thereby acknowledging, that they are in full compliance with all requirements of RFP No. 0405-07, and any addendum to such proposal, and that

failure to comply shall result in disqualification, and

WHEREAS, one (1) company did not sign the "Proposal Acknowledgement" Exhibit "A", and

WHEREAS, the company's proposal submittal was disqualified and received no consideration, and

WHEREAS, on April 15, 2005, an evaluation committee was formed comprised of five (5) City staff personnel to evaluate the proposals, and

WHEREAS, the Purchasing Division facilitated the evaluation process and took no active role in evaluating the proposals, and

WHEREAS, on April 19, 2005, the evaluation committee met and proposal evaluation packets were given to committee members for evaluation. After the meeting the committee members individually evaluated and scored the proposals, and

WHEREAS, the evaluation committee rated and scored the proposals based on the following evaluation categories:

<u>Evaluation Category</u>	<u>Possible Points</u>
• Completeness of Response	5
• Understanding of the Project	20
• Relevant Experience	15
• Warranty Program	15
• Equipment, Maint. and System Training Program	20
• Cost	25
• Value Add	<u>5</u>
• Total Possible Points:	<u>105</u>

The following is a breakdown of the committee's average score for each proposer:

Category	Possible Points	Badger Meter, Inc.	Itron, Inc.	Itron, Inc./ USM&T
Completeness of Response	5	5	4.8	4.8
Understanding of the Project	20	19.4	19	17.6
Relevant Experience	15	12.8	12.2	13.2
Warranty Program	15	15	12.2	13.2
Equip, Maint. & Sys Training Prog.	20	17	18	19
Cost	25	25	22	19
Value Add	5	4.6	3.8	2.6
<b>Total:</b>	<b>105</b>	<b>98.8</b>	<b>92</b>	<b>89.4</b>

WHEREAS, Badger Meter, Inc. is the City's current supplier for water meters, and.

WHEREAS, the City is currently in the third year of a five-year contract with Badger Meter, Inc., and

WHEREAS, Badger Meter, Inc. *Orion* AMR system is designed to be compatible with other meter manufactures. The register is the key interface component with the meter, and

WHEREAS, if the City were to award future bids to another meter manufacturer, interface with this AMR system will be specifically required, and

WHEREAS, the City currently has meters in the ground from several different manufacturers, and

WHEREAS, many of these meters can be attached to the *Orion* AMR system

through their registers, and

WHEREAS, wherever possible, these meters will be retrofitted with registers from their manufacturers that are compatible with the *Orion* AMR, and

WHEREAS, however, due to the age of many of the existing meters, some will require a complete change out to new meters with AMR, as the City would not plan to attach new technology with a life of 15 to 20 years, to a 15-year-old meter, and

WHEREAS, this AMR system will result in all new meter installs and a retrofit or replacement program for existing meters in the system, and

WHEREAS, on November 18, 2005, a letter was received by one of the proposers, US Metering & Technology (USM&T), citing that they were not afforded competitive pricing from Badger Meter, Inc. on Badger Meter registers, and

WHEREAS, at the proposers conference the representative of Badger Meter, Inc. stated that pricing would be afforded to all companies, and

WHEREAS, because USM&T was no longer an authorized distributor of Badger Meter, Inc. products due to termination of their authorized Badger Meter, Inc. distributorship in December 2004, Badger Meter, Inc. could not legally quote USM&T a competitor meter dealer, and

WHEREAS, according to Badger Meter, Inc. they informed USM&T of this fact prior to the proposal opening date, and

WHEREAS, USM&T did submit pricing on two (2) City proposed AMR System options, Option 3 and Option 4, however their pricing was not competitive, and

WHEREAS, USM&T's proposed annual price for each of the two (2) options was 29% higher than the lowest proposed price, which was provided by Badger Meter, Inc., and

WHEREAS, USM&T submitted the highest pricing of all three (3) proposers, and

WHEREAS, additionally, when cost is removed from the rating equation Badger Meter, Inc. still scored highest in overall rating by the Evaluation Committee, and

WHEREAS, based on ranking in total evaluation criteria, the Evaluation Committee's recommendation for award of proposal and contract for the purchase of an AMR System to Badger Meter, Inc. specifically noting that Badger Meter, Inc. AMR equipment:

- Meets the needs of the City.
- Can interface to a fixed base system.
- Is the most cost effective equipment for the City.
- Has a G.P.S. system, which can interface with the City's map guide.

WHEREAS, based on being the most responsive and responsible proposal, City staff recommends the award of RFP No. 0405-07 and contract for the purchase of an Automated Meter Read System to Badger Meter, Inc., Milwaukee, WI, for a two (2) year agreement with three (3) one-year extension options at the sole discretion of the City, at an estimated annual cost of \$432,800,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby awards RFP No. 0405-07 and contract for the purchase of an Automated Meter Read System to Badger Meter, Inc., Milwaukee, WI, for a two (2) year agreement

with three (3) one-year extension options at the sole discretion of the City, at an estimated annual cost of \$432,800.

BE IT FURTHER RESOLVED that the Purchasing Manager is hereby authorized to issue a purchase agreement to Badger Meter, Inc., for a two (2) year agreement with three (3) one-year extension options at the sole discretion of the City, at an estimated annual cost of 432,800.

BE IT FURTHER RESOLVED that City staff is hereby directed to prepare an implementation plan to begin installation of the Automated Meter Read System within sixty (60) days of contract award.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

US METERING & TECHNOLOGY

November 18, 2005

Mr. Ken Masasso  
Senior Buyer  
Finance Department  
City of Modesto  
1010 Tenth Street  
Suite 5300  
Modesto, CA 95353

Re: RFP NO. 0405-07 – Automated Meter Read System

Dear Mr. Masasso,

It has come to the attention of US Metering and Technology that the City of Modesto is planning to award the Automated Meter Read System RFP to Badger Meter, Inc. during the City Council meeting on November 22, 2005.

This award raises several concerns to us at US Metering & Technology and may be in direct conflict of the spirit and intent of the RFP and the high standards in which the City conducted the RFP process.

As indicated in the RFP (page 7, section 1.2) in which it is stated "*It is not the City's intent to specify equipment and/or software unique to a single manufacture*" as well at the Proposer's Conference on January 7, 2005 in which it was stated that the city's did not prefer to sole source through the specification of the RFP.

It is our contention at US Metering & Technology that our response was greatly diminished by being incomplete on three out of the five pricing options. As discussed at the January 7<sup>th</sup> Proposer Conference it was a concern of US Metering & Technology as well as that of Groeniger & Company that the Request for Proposal was somewhat sole sourcing in nature. This topic was discussed and it was proposed by Brian Helphand of Badger Meter Company that his company would make available any and all required registers for this project to all interested parties at a competitive cost. This promise was made in front the representatives from the City of Modesto, Groeniger & Company and US Metering & Technology.

Subsequent to the Proposer Conference US Metering & Technology made several requests to Badger Meter Company for pricing for RTR and ADE registers as outlined in Exhibit B. Badger meter was contacted by email and refused to fulfill the agreed-upon request (copies of the emails and "read notifications" are available upon request) and made no pricing or products available to US Metering & Technology.

US METERING & TECHNOLOGY

Two additional concerns of US Metering & Technology are in section **1.3 Hardware and Software Minimum Requirements** of the City of Modesto's RFP.

*"Requirement number 1.3.24. The AMR system shall adapt to future advanced meter-reading technologies and convert to a fixed network system, without changing the endpoint hardware".*

Badger Meter Company's Orion's AMR endpoint does not migrate to Badger's own stand-alone fixed network system which could be owned and operated by the City of Modesto. The only fixed networks that the Orion can migrate to, or is compatible with, is the DCSI TWACS power line carrier for electric meters or the Hunt Technology Turtle power line carrier for electric meters. Both of which require a substantial investment with a third party electric utility. The Orion clearly does not meet the minimum of this requirement.

*"Requirement number 1.3.49. The AMR transmitter shall be capable of being installed on existing or new major meter manufacturers' water meters"*

The Badger Orion literature states compatibility with other meters, of various major manufacturers. The Orion product has not been tested nor approved by other meter manufactures. This constitutes a one way acceptance, which without approval other meter manufactures may not honor their respective warranty of either the water meter or register. And, to this point it is unknown if there are other water utilities that have meters other than Badger installed with Orion.

In light of the aforementioned concerns US Metering & Technology request that the City of Modesto either reevaluate US Metering & Technology response or reissue the RFP. If you have any question or if we can be of any further assistance, please do not hesitate in contacting US Metering & Technology.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Ross Thomson'.

Subject: Automatic Meter Reading System - RFP 040-07

Dear Mr. Masasso,

Below, please find additional information per the above referenced RFP and my letter dated 2-8-05.

Badger Meter provided Badger RTR/ADE register pricing to both Datamatic and Itron directly. Due to legal contractual agreements with our existing exclusive Badger Meter Distributor in California called National Meter and Automation Inc. Badger Meter could NOT legally quote USM&T a competitive meter distributor. USM&T was no longer an authorized distributor of Badger Meter products due to the termination of their authorized Badger Meter distributorship in December of 2004. Badger Meter did inform USM&T of this fact before the bid.

Per spec Section 1.3.24 about migrating to a Fixed Based Network:

Badger Meter developed the ability for Orion to connect our meters with both established and emerging fixed base network technologies including power line carrier (PLC), broadband over power line (BPL) and municipal Wi-Fi Fixed Based Systems. This will allow many options for the City of Modesto to migrate their Orion AMR system into multiple fixed based systems with their existing Orion products. Please see our website under product news at [www.badgermeter.com](http://www.badgermeter.com) to find out additional information. Modesto Irrigation district is currently piloting a Power Line Carrier System. Badger's RFP response included additional information about Fixed Based Networks and Orion.

Per spec Section 1.3.49 about radio transmitters must work with all major meter manufacturers and their encoders:

**BadgerMeter, Inc.**

1905 TO 2005 ~ A CENTURY OF

FLOW MEASUREMENT SOLUTIONS

4545 West Brown Deer Road  
Milwaukee, Wisconsin 53223

P.O. Box 245036  
Milwaukee, WI 53224-9536

(414) 355-0400

Most major meter manufacturers use the same meter encoder protocol (identical sequenced data streams). The Orion radio transmitter is compatible with such encoders with this industry standard protocol. Badger Meter will stand behind this statement.

The radio transmitter just receives the data from the encoder and transmits the water meter reading to the Orion reading equipment. Badger Meter has done numerous tests with all major meter manufacturers' encoders to ensure connectivity, again something Badger Meter stands behind.

Please call me if you have any questions.

Sincerely,

Rick Green

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-191**

**A RESOLUTION DECLARING AS SURPLUS FROM FEBRUARY 1, 2006 THROUGH JANUARY 31, 2007 THE FOLLOWING ITEMS: STOLEN, UNCLAIMED AND/OR SEIZED PROPERTY FROM THE POLICE DEPARTMENT, EXCESS PROPERTY ACCUMULATED BY THE CITY, AND SURPLUS CITY VEHICLES AND AUTHORIZING THE PURCHASING DIVISION TO SELL SAME BY SEALED BID, CONSIGNMENT, PUBLIC AUCTION, AND ONLINE AUCTION, OR AS SCRAP. THE AUCTION HOUSE, LOCATED AT 824 W. KIERNAN AVENUE IN ACCORDANCE WITH AUCTIONEERING AGREEMENT DATED AUGUST 14, 2001 WILL CONDUCT THE PUBLIC AUCTION**

WHEREAS, Section 801 of the City Charter authorizes the City Manager to sell obsolete, unclaimed, or surplus personal property of the City with the approval of the City Council, and

WHEREAS, the City's surplus items consist of: (1), obsolete traffic signal equipment; (2), lost, stolen, unclaimed and/or seized property, and excess property accumulated by the City; unclaimed bicycles accumulated at the Police Department Evidence and Property Room; and (3), and surplus City vehicles, and

WHEREAS, by Resolution Number 2001-423, the current auction agreement calls for auctioneering services to be provided by the Auction House; and

WHEREAS, public auctions are conducted at their facility located at 824 W. Kiernan Avenue in Modesto, and

WHEREAS, The Auction House will pick up the surplus items and advertise them in the Modesto Bee along with the time and dates of the auction, and

WHEREAS, they also advertise with flyers and by television promotion, and

WHEREAS, historically, the estimated gross revenue to be received from the sale of surplus property ranges from \$100,000.00 to 175,000, and

WHEREAS, as of December 29, 2005, the City has sold \$161,693 of surplus property, and

WHEREAS, revenues from the sale of surplus Fleet vehicles/equipment (less administrative fees) are deposited into the Fleet Replacement Fund, 7210, and

WHEREAS, all revenues received (less administrative fees) from the sale of non-rolling stock are deposited in the General Fund per (MCC 2-7.08), and

WHEREAS, the current auctioneer, The Auction House, charges a 6.75% Commission Fee on all rolling stock, (motor drive vehicles), and a 15% Commission Fee for miscellaneous surplus or non-rolling stock (bicycles, office furniture, computers, etc.), and

WHEREAS, by authorizing the Purchasing Division to process property, as items become surplus, from February 1, 2006 through January 31, 2007, without returning to City Council for subsequent approvals, the City will save substantial staff and processing time and be compliant with City Charter and Modesto Municipal Code (MMC), and

WHEREAS, additionally, this streamlined process, which has been in place for a number of years, will improve delivery of surplus property to The Auction House, the City's auctioneer, and

WHEREAS, the list of property to be sold will be on file with the City Clerk, and

WHEREAS, the City could sell all surplus as scrap or choose to donate it to charitable organizations, and

WHEREAS, after the auction, the Purchasing Division will prepare a recap memorandum to account for the items sold and the proceeds obtained from the auction, and

WHEREAS, the Purchasing Division on a routine basis coordinates the management of surplus property with both City staff and Central Stores,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. The City Council hereby authorizes the City Purchasing Division to seek City Council approval each year for the disposition of surplus property in accordance with Section 801 of the City Charter and Modesto Municipal Code (MMC), and hereby declares as surplus from February 1, 2006, through January 31, 2007, the property items set forth above.

SECTION 2. The City Manager, or his designated representative, is hereby authorized and directed to sell on consignment to the highest bidder any surplus properties as set forth on the list on file in the City Clerk's office.

SECTION 3. If said property cannot be sold on consignment as listed above, the City Manager, or his designated representative, is hereby authorized and directed to sell on a sealed bid basis to the highest bidder any surplus properties as set forth on the list on file in the City Clerk's office.

SECTION 4. If said property cannot be sold on consignment or on a sealed bid basis as provided, then said property may be sold online pursuant to Resolution No. 2006-192, adopted on April 4, 2006.

SECTION 5. If said property cannot be sold on consignment online or on a sealed bid basis as provided for above, then said property may be sold at public auction utilizing the current agreement with The Auction House which was entered into on August 14, 2001, and approved by Council Resolution No. 2003-423. Said resolution provides for

auctioneering services to be provided by The Auction House, subject to the appropriate insurance being on file in the office of the City Clerk, and subject to at least five (5) days notice being given before the time fixed for the sale. The City Clerk shall cause notice thereof to be published in the Modesto Bee, the official newspaper of the City of Modesto. Said notice shall set forth the time and place of the sale and shall state that the list of items to be offered for sale can be inspected in the office of the City Clerk.

SECTION 6. If said property cannot be sold on consignment, on a sealed bid basis, online or through the public auction process, then said property may be sold for scrap.

SECTION 7. The City Central Stores Manager is hereby authorized to contact The Auction House to coordinate pick-up for surplus property after the Purchasing Division has approved the necessary surplus property forms.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-192**

**A RESOLUTION APPROVING A ONE (1) YEAR TRIAL AGREEMENT WITH  
PUBLICSURPLUS.COM OF PROVO, UTAH FOR ONLINE AUCTIONING OF  
SELECTED SURPLUS PROPERTY FOR THE PERIOD OF FEBRUARY 1, 2006  
THROUGH JANUARY 31, 2007**

WHEREAS, Section 801 of the City Charter authorizes the City Manager to sell obsolete, unclaimed, or surplus personal property of the City with the approval of the City Council, and

WHEREAS, the City's surplus items consist of: (1), obsolete traffic signal equipment; (2), lost, stolen, unclaimed and/or seized property, and excess property accumulated by the City; unclaimed bicycles accumulated at the Police Department Evidence and Property Room; and (3), and surplus City vehicles, and

WHEREAS, by Resolution No. 2001-423, the current auction agreement calls for auctioneering services to be provided by the Auction House, and

WHEREAS, the Purchasing Division would like to explore selling selected surplus property online through PublicSurplus.com, and

WHEREAS, the items sold online would consist of surplus items that could possibly bring a higher price over use of a conventional auction, and

WHEREAS, PublicSurplus.com is an Internet auction service company, and

WHEREAS, the Public Surplus Internet auction system was created with unique capabilities exclusively for public agencies, and

WHEREAS, the City of Tucson conducted a competitive Request for Proposal (RFP) process for online auction services, and

WHEREAS, the award of contract went to PublicSurplus.com, and

WHEREAS, this contract has a clause to allow other agencies to “piggyback” on it, and

WHEREAS, Agencies can use the system to organize, automate, and manage their entire surplus inventory operations, and

WHEREAS, System capabilities includes the following:

- PublicSurplus.com helps agencies comply with State, and Local Regulations and policies by automatically maintaining audit records, and
- PublicSurplus.com is able to attract larger numbers of buyers from an Agency’s own community, as well as specialty buyers from across the United States, and
- There is no cost to Agencies for registering, listing or re-listing items for sale, and
- There is an 8% fee payable only when items sell, and
- No commitment is required and use by an agency is solely at their discretion, and

WHEREAS, historically, the estimated gross revenue to be received from the sale of surplus property ranges from \$100,000.00 to 175,000, and

WHEREAS, as of December 29, 2005, the City has sold \$161,693 of surplus property, and

WHEREAS, revenues from the sale of surplus Fleet vehicles/equipment (less administrative fees) are deposited into the Fleet Replacement Fund, 7210, and

WHEREAS, all revenues received (less administrative fees) from the sale of non-rolling stock are deposited in the General Fund per (MCC 2-7.08), and

WHEREAS, the current auctioneer, The Auction House charges a 6.75% Commission Fee on all rolling stock, (motor drive vehicles), and a 15% Commission Fee fro miscellaneous surplus or non-rolling stick (bicycles, office furniture, computers, etc.), and

WHEREAS, PublicSurplus.com will charge an 8% commission fee only when the item has sold, and

WHEREAS, the buyer is responsible for freight costs, and

WHEREAS, exploring other means of surplus property sales will help to ensure that the City takes full advantage of its surplus revenue recovery options, and

WHEREAS, the list of property to be sold will be on filed with the City Clerk, and

WHEREAS, the City could sell all surplus as scrap or choose to donate it to charitable organizations, and

WHEREAS, after the auction, the Purchasing Division will prepare a recap memorandum to account for the items sold and the proceeds obtained from the auction, and

WHEREAS, the Purchasing Division on a routine basis coordinates the management of surplus property with both City staff and Central Stores, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. A one (1) year trial agreement with PublicSurplus.com of Provo, Utah for online auctioning of selected surplus property for the period of February 1, 2006 through January 31, 2007 is hereby approved.

SECTION 2. The City Manager or his designee, is hereby authorized to execute said one-year trial agreement with PublicSurplus.com for the online auctioning of selected surplus property for the period of February 1, 2006 through January 31, 2007.

SECTION 3. The Central Stores Manager is hereby authorized to contact PublicSurplus.com to coordinate the online sale of surplus property after the Purchasing Division has approved the necessary surplus property forms.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

RICHARD RUDNANSKY, Interim City Attorney

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-193**

**A RESOLUTION AUTHORIZING THE PURCHASING SUPERVISOR TO  
FORMALLY SOLICIT REQUEST FOR BIDS (RFB) FOR ONE (1)  
HORIZONTAL GRINDER, WITH PREVENTATIVE MAINTENANCE, FOR AN  
ESTIMATED ANNUAL COST OF \$128,000, AND A TOTAL ESTIMATED COST  
OVER FIVE (5) YEARS OF \$640,000**

WHEREAS, the Parks, Recreation & Neighborhoods Department Solid Waste Division has requested the lease/purchase of one (1) horizontal grinder, and

WHEREAS, this unit will replace the current tub grinder at the City's Composting Facility that has become unreliable and costly to keep operational, and

WHEREAS, this unit has met its life expectancy and funds are available to begin the lease-purchase, and

WHEREAS, a grinder is an important piece of equipment used to produce compost, and

WHEREAS, the material to be composted must be ground into chips before it is placed into long rows similar to hay when it is harvested, and

WHEREAS, these long rows are called windrows, and

WHEREAS, a windrow turner machine is then used to mix the composting material, and

WHEREAS, this helps stimulate the microorganisms in the material, which break down coarse organic matter into compost, and

WHEREAS, it is important that the material in the windrows is small enough to break down rapidly in order to help the material mature into a high quality-composting product, and to be in compliance with the facility permit, and

WHEREAS, staff currently operates a tub grinder at its composting site on Jennings Road, which was purchased in 1996 and has been used heavily from that point forward, and

WHEREAS, at this time the grinder is worn down and in need of constant repairs, and

WHEREAS, since 2002 over \$137,000 has been expended for needed repairs just to keep the machine running, and

WHEREAS, the grinder clutch recently failed and had to be replaced, the feed mill area had to be patched and rebuilt, and other major components have failed or could fail at any time, and

WHEREAS, since this piece of equipment is a key component to the success of the composting operation, it is imperative that staff have access to a reliable grinder, and

WHEREAS, in addition to being very expensive to operate, the breakdowns also impact staff productivity and efficiency, and

WHEREAS, on many occasions staff has been forced to cease producing compost to make the necessary repairs to the grinder, and

WHEREAS, this is an inefficient use of time and adds greatly to the compost production costs, and

WHEREAS, the tub style of grinder currently used by the City also has a slower production rate than the current generation of horizontal grinders, and

WHEREAS, with the current inbound loading rate at the facility on the increase, facility staff has had to operate the tub grinder every day, instead of only a couple of days a week, and

WHEREAS, this also affects the ability to carry out other operations at the site, such as transporting material to the windrows, turning the windrows, pushing up alleys, pulling finished material off the field, screening, and loading outbound trucks, and

WHEREAS, when the City initially began composting operations, tub grinders were considered to be more versatile than horizontal grinders because they could handle the larger materials such as stumps and large logs, and

WHEREAS, however, they are also much more dangerous to operate than the horizontal grinders because they tend to eject large pieces of material into the air, which is a consideration not only for employee safety, but also for the safety of delivery and transport vehicles entering and leaving the site, and

WHEREAS, horizontal grinder technology has also changed greatly over the last eight (8) years, and

WHEREAS, some of the new machines have a much faster throughput and superior performance in handling the materials that come in from containerized yard waster (which makes up the majority of the materials handled at the facility), and

WHEREAS, they are also better at handling hard-to-grind materials such as palm fronds, and can accommodate other organic materials mixed in with the green waste, such as cardboard or paper, and

WHEREAS, this flexibility in processing other materials will be important to the City in meeting waste diversion mandates, as the amount of organic materials that are diverted through composting needs to be increased to meet the mandates, and

WHEREAS, the new generation of horizontal grinders is also able to process larger materials, and

WHEREAS, for any materials such as very large stumps or large logs that cannot be processed by the horizontal grinder, staff is proposing to stockpile these materials on site and contract with an orchard removal company to periodically come in and grind them, and

WHEREAS, required features for the new horizontal grinder the City lease/purchases are as follows: 1,000 hp engine; throughput of 175 tons per hour; minimum gross weight of 99,000 pounds; heavy duty, pin style mill; replaceable plates in all wear areas; 70 inch wide mill to accommodate large wood from tree removals; large hopper area behind the mill to prevent plugging with wet materials, and, 60 inch wide discharge conveyor, and

WHEREAS, the existing tub grinder will be declared surplus and sold via sealed bid, with a minimum sealed bid price, and

WHEREAS, the Modesto Municipal Code (MMC Section 8-3.203, generally requires all purchases, which meet or exceed \$50,000 for material, equipment, or contractual services to be formally bid, and

WHEREAS, this Request for Bid conforms to the Municipal Code, and

WHEREAS, funds are available in accounts: 7210-800—8000-8003 (FLEET SERVICES-REPLACEMENT/GRINDER) and 7210-800-8000-8003 (FLEET SERVICES-REPLACEMENT/LOADERS), and

WHEREAS, funds have continued to be set aside in the Fleet Services account for the replacement of two (2) loaders used at the facility, although the facility currently has a lease/purchase arrangement for this equipment, and funds are already allocated in the operating budget to make the lease payments, and

WHEREAS, staff is therefore proposing to use a portion of the \$80,000 in replacement funds available for the loader to make up the balance of the first annual payment for the grinder, and

WHEREAS, the proformas for future budget years have built in the additional cost of the annual lease/purchase payments for the grinder on an on-going basis, and

WHEREAS, at its November 7, 2005, meeting the Economic Development Committee considered the lease/purchase of a grinder in Fiscal year 2006-2007 as part of their considerations for the continued operations of the Compost Facility, and concurred with the staff recommendations that the facility continue operations,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Purchasing Supervisor is hereby authorized to solicit formal Request for Bids for the lease/purchase of one (1) horizontal grinder for the City of Modesto Compost Facility for an estimated annual cost of \$128,000, and a total estimated cost over five (5) years as follows:

SECTION 1. The City Clerk is hereby authorized to call for public formal bids for the lease/purchase of one (1) horizontal grinder for the City of Modesto Compost Facility for an estimated annual cost of \$128,000, and a total estimated cost over five (5) years of \$640,000 to be opened in the office of the City Clerk, 1010 10<sup>th</sup> Street, in the City of Modesto. The City Clerk is hereby directed to give notice inviting such sealed bids in the time, form, and manner provided by law.

SECTION 2. After bids are opened, they shall be tabulated and analyzed and a report submitted to the Council.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen,  
Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-195**

**A RESOLUTION CONSENTING TO THE AMENDMENT OF THE ENERGY  
AGREEMENT BETWEEN CONVANTA STANISLAUS, INC. AND PACIFIC  
GAS AND ELECTRIC COMPANY (PG&E)**

WHEREAS, the City of Modesto and the County of Stanislaus (the Contracting Communities) are joint partners in the Waste-to-Energy Facility with Covanta Stanislaus, Inc., and

WHEREAS, in the mid-1980's, the Contracting Communities entered into a long-term Service Agreement with Covanta Stanislaus, Inc. (then Ogden Martin Systems of Stanislaus) for the construction and operation of the facility, and

WHEREAS, the "Power Purchase Agreement For Long-Term Energy and Capacity Between Stanislaus Waste Energy Company (Covanta) and Pacific Gas and Electric Company" (Energy Agreement), a "Standard Offer #4 Agreement", is incorporated as Schedule 11 in the Service Agreement, and

WHEREAS, pursuant to Section 9.03 of the Service Agreement, no amendment to the Energy Agreement (Standard Offer # 4 Power Purchase Agreement) shall be made without the consent of the Contracting Communities, and

WHEREAS, such consent of the Contracting Communities shall not be unreasonably withheld, and

WHEREAS, in July, 2001, the Contracting Communities adopted resolutions consenting to the amendment of the Energy Agreement between Covanta and PG&E for a 5-year, fixed price term at \$0.0537 per kilowatt plus a capacity payment, and

WHEREAS, the term of the amended Agreement expires on July 15, 2006, and

WHEREAS, the Independent Energy Producers Association, to which the Contracting Communities belong, has negotiated the terms of a new amendment to the Energy Agreement on behalf of its members, which will have a new energy price of \$0.0645 per kilowatt, and

WHEREAS, starting on the day one year after commencement of the Fixed Price Period, the fixed energy price shall be escalated 1% and annually thereafter at each anniversary of the commencement of the Fixed Price Period, and

WHEREAS, PG&E will continue to pay the Capacity Payments, and

WHEREAS, the cumulative impact of the increase in the base energy payments will be an increase in energy revenues to the project of approximately \$1.3 million per year, and

WHEREAS, City and County staff have evaluated the potential benefits of consenting to the execution of a long-term, fixed-price contract, and have determined that such a contract would be beneficial to the ratepayers of the City and County in that the fixed prices will minimize risk and add stability to the finances of the project, and the additional revenues generated by the new contract would be set aside in the reserves for rate stabilization, capital projects, and for end-of-contract contingencies, and

WHEREAS, at its March 23, 2006 meeting, the Waste-to-Energy Executive Committee directed staff to bring a recommendation to the City Council and Board of Supervisors to adopt resolutions consenting to the amendment of the Energy Agreement Between Covanta Stanislaus, Inc. and Pacific Gas and Electric Company,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby consents to the amendment of the Energy Agreement between Covanta

Stanislaus, Inc. and Pacific Gas and Electric Company, under the terms negotiated by the Independent Energy Producers Association as described herein.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-196**

**A RESOLUTION THAT NO ACTION BE TAKEN AT THIS TIME TO CALL THE HOUSING MAINTENANCE PROGRAM LOAN TO MS. GENEVA TITTLE, SECURED BY REAL PROPERTY AT 417 YOSEMITE AVENUE, DUE AND PAYABLE, AND THAT THE STATUS OF THE LOAN BE REVIEWED ON OR BEFORE MARCH 10, 2011, ON CONDITION THAT STAFF MAY REVIEW THE LOAN STATUS AT ANYTIME BEFORE MARCH 10, 2011, AND RECOMMEND OPTIONS TO COUNCIL INCLUDING PURSUIT OF REMEDIES TO CALL THE LOAN OR ENFORCE LOAN PROVISIONS INCLUDING FORECLOSURE PROCEEDINGS**

WHEREAS, in March 1986, a deferred payment 20-year Housing Maintenance Program Loan at 3% interest was made to Ms. Geneva Tittle for rehabilitation of her home at 417 Yosemite Avenue, and

WHEREAS, this loan required owner occupancy, and

WHEREAS, since that time Ms. Geneva Tittle has passed away, and

WHEREAS, legal title to the property remains in Ms. Geneva Tittle's name, and

WHEREAS, Ms. Geneva Tittle's son, Mr. Charles Tittle, has resided in the home since Ms. Geneva Tittle's death and continues to reside in the home, and

WHEREAS, staff is recommending that no action be taken now to call the loan due and payable, and

WHEREAS, staff recommends that the status of the loan be reviewed on or before March 10, 2011, on the condition that staff may review the loan anytime before March 10, 2011, and recommend options to Council including the initiation of remedies to call the loan due and payable or enforce loan provisions, including foreclosure proceedings, and

WHEREAS, the Housing Rehabilitation Loan Committee met on March 2, 2006, and supported staff's recommendation,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that no action be taken at this time to call the loan made to Ms. Geneva Tittle secured by the residential property at 417 Yosemite Avenue.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the status of the loan be reviewed on or before March 10, 2011, on condition that staff may review the loan at anytime before March 10, 2011, and recommend options to Council including pursuit of remedies to call the loan due and payable or enforce loan provisions, including foreclosure proceedings.

**A RESOLUTION APPROVING A CODE ENFORCEMENT MEMORANDUM OF  
UNDERSTANDING (MOU) BETWEEN THE CITY OF MODESTO AND THE  
COUNTY OF STANISLAUS FOR THE WEED AND SEED AREA**

WHEREAS, on June 1, 2005, the City of Modesto (City) and County of Stanislaus (County) were officially, and jointly, designated as an official U.S. Department of Justice Weed and Seed area; the U.S. Department of Justice created the Weed and Seed Program in 1991 and started with three pilot sites, and

WHEREAS, due to the success in those three pilot sites, the number of designated sites has quickly risen to over 250 sites throughout the United States, and

WHEREAS, there are 19 sites in the State of California, including sites in Sacramento and Fresno, and

WHEREAS, the Executive Office of Weed and Seed (EOWS) currently oversees the grant management, technical assistance, training programs and resources to support designated Weed and Seed sites, and

WHEREAS, the City and County Weed and Seed designated area is from State Route 99 Southwest on H Street/Paradise Road to Carpenter Road; from Carpenter Road south to the Tuolumne River, the River east to State Route 99 and State Route 99 north to H Street, and

WHEREAS, the Weed and Seed strategy is a community based multi-agency approach to law enforcement, crime prevention and neighborhood restoration, with the "Weeding" aspect of the strategy consists of law enforcement and prosecutors' efforts to weed out criminals who participate in violent crime and illegal drug activity through

enforcement, prosecution, and adjudication and supervision efforts and the “Seeding” involving bringing in prevention, intervention, treatment and neighborhood revitalization services to the area, and

WHEREAS, the Steering Committee of residents within the designated Weed and Seed area, as well as County and City jurisdictions have been operating since a meeting held on February 28, 2003, and have approved the Steering Committee, the designated area and the Strategic Plan, and

WHEREAS, one of the important elements of the Weed and Seed strategy is code enforcement, and

WHEREAS, the purpose of this MOU is to facilitate cooperation between the County's “Code Enforcement Unit” and the City’s “Neighborhood Preservation Unit” and to enhance the quality of life for the residents within the Project Area pro-actively, rather than reactively, by enforcing the parties’ respective ordinances, cleaning blighted neighborhoods, and removing or boarding-up abandoned and dilapidated homes or structures, and

WHEREAS, the City and the County acknowledge that working together is the most efficient way to attain neighborhood restoration, with both the City and the County committed to the Weed and Seed area, and

WHEREAS, both agencies have started initial education and enforcement within the boundaries of the Weed and Seed area, and

WHEREAS, the MOU attached hereto and incorporated herein by reference will solidify each agency’s commitment to this project and outlines cooperative efforts between both agencies, and

WHEREAS, the Safety and Communities Committee met on March 6, 2006, and supported the establishment of the MOU,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves a Code Enforcement Memorandum of Understanding (MOU) between the City of Modesto and the County of Stanislaus for the Weed and Seed area.

BE IT FURTHER RESOLVED that the Council hereby authorizes the City Manager to execute the MOU.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**WEED AND SEED PROJECT**

MODESTO AREA WEED AND SEED PROJECT

This Memorandum of Understanding (MOU) is made and entered into by and between the County of Stanislaus (the "County") and the City of Modesto (the "City") on \_\_\_\_\_, 2006.

INTRODUCTION

Weed and Seed is a neighborhood restoration project combining the resources of many agencies and local residents to create a grassroots movement to "weed" out crime and blight of the neighborhood and "seed in activities, programs and training that will keep the "weeds" out.

Weed and Seed is a 5-year, community-based, multi-agency approach to law enforcement, crime prevention, and neighborhood restoration. "Weeding" consists of law enforcement and prosecutorial efforts to weed out criminals who participate in violent crime and illegal drug activity through enforcement, adjudication, and prosecution and supervision efforts. "Seeding" brings prevention, intervention, treatment, and neighborhood revitalization services to the Project Area.

The Project Area is depicted in the map attached hereto as Exhibit "A" and consists of the area south of "H" Street and Paradise Road, east of Carpenter Road, north of the Tuolumne River, and west of State Route 99. Within the boundaries are Marshall Park, César Chávez Park, Tuolumne River Regional Park, Bellenita Park, Dryden Golf Course, Municipal Golf Course, Fire House #2; and the Southwest Police Department. The Project Area includes incorporated and unincorporated areas. (The "Project Area")

NOW, THEREFORE, the parties agree as follows:

## 1. PURPOSE

The City of Modesto Parks, Recreation and Neighborhoods Department's Neighborhood Preservation Unit (the "NPU") and the Stanislaus County's Code Enforcement Unit (the "CEU") are tasked with code enforcement for their respective entities. The purpose of this MOU is to facilitate cooperation between the parties' code enforcement units and to enhance the quality of life for the residents within the Project Area by pro-actively, rather than reactively, enforcing the parties' respective ordinances, cleaning blighted neighborhoods, and removing or boarding-up abandoned and dilapidated homes or structures. The City and the County acknowledge that working together is the most efficient way to attain neighborhood restoration.

## 2. OBLIGATION OF THE CITY

The NPU will supply at least one staff member to perform code enforcement in the incorporated areas of the City within the Project Area for a minimum of twelve hours per week.

## 3. OBLIGATION OF THE COUNTY

The CEU will supply at least one staff member to perform code enforcement in the unincorporated County areas within the Project Area for a minimum of twelve hours per week.

## 4. MUTUAL OBLIGATIONS

4.1 The CEU and NPU staff members will work together in the Project Area by visiting problem properties in the area together and will assist each other by, among other things, being a resource of information. The CEU and NPU staff members will jointly designate a time and a place for assembly each day enforcement activities are to take place in the Project Area.

4.2 The CEU and NPU staff members will meet at least once a month with law enforcement personnel assigned to the Project area to discuss problem properties.

4.3 Costs associated with staffing the Project Area under this MOU shall be the responsibility of the respective employer.

4.4 All costs associated with code enforcement shall be the responsibility of the party having jurisdiction where the violations have occurred.

5. TERMINATION

This MOU will terminate after five years from the date entered above. However, either party may terminate this MOU upon 30 days written notice to the other party.

6. INDEMNITY

Neither party, nor any of its officers or employees, shall be responsible for any damage or liability occurring by reason of anything done or omitted to be done by the other party under or in connection with any work delegated to that party under this MOU. The parties further agree, pursuant to Government Code section 895.4, that each party shall fully indemnify and hold harmless the other party and its agents, officers, employees and contractors from and against all claims, damages, losses, judgments, liabilities, expenses and other costs, including litigation costs and attorney fees, arising out of, resulting from, or in connection with any work delegated to or action taken or omitted to be taken by such party under this MOU.

In Witness Whereof, the parties hereto have executed this MOU on the date and year first written above.

CITY OF MODESTO:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-198**

**A RESOLUTION APPROVING CHANGES TO THE COMMUNITY  
DEVELOPMENT BLOCK GRANT (CDBG) POLICY AND PROCEDURES  
MANUAL FOR THE HOUSING MAINTENANCE PROGRAM (HMP)**

WHEREAS, the Housing Maintenance Program was established by City Council in 1976 to ensure that an entire selected area, known as a Target Area, would be brought to compliance with the Modesto Housing Code, and

WHEREAS, a Target Area is a geographic area, located in a low-income census tract that is in need of substantial revitalization to preserve the existing housing stock, and

WHEREAS, any Target Area recommended by City staff must meet specific requirements defined by California Health and Safety Code sections 33030 and 33320.1, and

WHEREAS, the Target Area was approved by the City Council on January 18, 1994, Resolution No. 94-42, and

WHEREAS, the philosophy of a Target Area is that, through revitalization and on-going maintenance, not only will existing housing stock be preserved, but also an entire neighborhood will become safer and more attractive, and

WHEREAS, the CDBG Policy and Procedures Manual was last revised and approved by City Council Resolution No. 99-148 on April 13, 1999, and

WHEREAS, in December 2005, the San Francisco Office of the Department of Housing and Urban Development (HUD) recommended the City of Modesto update its

current guidelines to affirm the intent of service and assistance to Modesto's low- and moderate-income community, and

WHEREAS, HUD eligibility requires that every CDBG-funded activity must meet one of three national objectives:

1) Provide a benefit to low- and moderate-income persons;

2) Prevent or eliminate slum or blight; and 3) Meet an urgent community development need that threatens the health or welfare of the community, and

WHEREAS, currently, the Housing Maintenance Program Target Area program falls under HUD's first objective, which is to benefit low- and moderate-income persons, that is households with incomes less than 80% of MAI, and

WHEREAS, recommended changes for the Housing Maintenance Program are:

1. Limit funding of Housing Maintenance Program Loans to households with income less than 80% of MAI, and

2. Provide one-time maximum recommended loans in the amount of \$7,500 per household for incomes between 80% and 120% MAI to correct Notice and Order violations only in the existing Highway Village mandatory Target Area, and

WHEREAS, this information was presented to the Housing Rehabilitation and Loan Committee (HRLC) on February 2, 2006, and the Citizens Housing and Community Development Committee (CH&CDC) on February 24, 2006, and

WHEREAS, both the HRLC and the CH&CDC recommended these changes,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves the following changes to the Community Development

Block Grant (CDBG) Policy and Procedures Manual for the Housing Maintenance Program (HMP):

1. Limit funding of Housing Maintenance Program Loans to households with income less than 80% of MAI, and
2. Provide one-time maximum recommended loans in the amount of \$7,500 per household for incomes between 80% and 120% MAI to correct Notice and Order violations only in the existing Highway Village mandatory Target Area.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-199**

**A RESOLUTION AMENDING THE FISCAL YEAR 2005/2006 CAPITAL IMPROVEMENT PROGRAM TO 1) TRANSFER \$30,000 FROM 2300-310-M182-6060, MADDUX YOUTH CENTER, CONSTRUCTION ADMINISTRATION, TO 2300-310-M182-6070, EQUIPMENT; 2) TRANSFER \$3,217 FROM 2300-310-M182-6040, MADDUX YOUTH CENTER, CONSTRUCTION, TO 2300-310-M182-6070, EQUIPMENT; AND 3) RE-ALLOCATE \$70,000 IN ROBERTI-Z'BERG-HARRIS BLOCK GRANT FUNDING FROM THE STATE OF CALIFORNIA CLEAN WATER, CLEAN AIR, SAFE NEIGHBORHOOD PARKS AND COASTAL PROTECTION BOARD ACT OF 2002 (PROPOSITION 40) IN PROJECT 2330-310-P500-6040, KING-KENNEDY KITCHEN AND AUDITORIUM CONSTRUCTION TO 2300-310-M182-6070, MADDUX YOUTH CENTER EQUIPMENT**

WHEREAS, the Parks, Recreation & Neighborhoods Department, Parks Planning & Development Division, has requested amending the Fiscal Year 2005/2006 Capital Improvement Program to purchase necessary furnishings, i.e., fitness equipment, office and lounge furniture and member card scanner, to appropriately furnish the newly remodeled Maddux Youth Center for the building opening in spring 2006, and

WHEREAS, the appropriation transfer request is as follows:

- Transfer \$30,000 from 2300-310-M182-6060, Maddux Youth Center, Construction Administration, to 2300-310-M182-6070, Equipment; and
- Transfer \$3,217 from 2300-310-M182-6040, Maddux Youth Center, Construction, to 2300-310-M182-6070, Equipment; and
- Re-allocate \$70,000 in Roberti-Z'Berg-Harris Block Grant funding from the State of California Clean Water, Clean Air, Safe Neighborhood Parks and Central Protection Bond Act of 2002 (Proposition 40) in project 2330-310-P500-6040, King-Kennedy Kitchen and Auditorium

Construction to 2300-310-M182-6070, Maddux Youth Center

Equipment, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves a transfer of \$30,000 from 2300-310-M182-6060, Maddux Youth Center, Construction Administration, to 2300-310-M182-6070, Equipment; a transfer of \$3,217 from 2300-310-M182-6040, Maddux Youth Center, Construction, to 2300-310-M182-6070, Equipment; and a reallocation of \$70,000 in Roberti-Z' Berg-Harris Block Grant funding from the State of California Clean Water, Clean Air, Safe Neighborhood Parks and Central Protection Bond Act of 2002 (Proposition 40) in project 2330-310-P500-6040, King-Kennedy Kitchen and Auditorium Construction to 2300-310-M182-6070, Maddux Youth Center Equipment,

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-200**

**A RESOLUTION AUTHORIZING THE PURCHASING MANAGER TO  
SOLICIT AND AWARD INFORMAL REQUEST FOR BIDS (RFB) FOR THE  
PURCHASE OF FURNISHINGS, FIXTURES AND EQUIPMENT (DEFINED IN  
SIX (6) GROUPS) FOR THE MADDUX YOUTH CENTER, AT AN ESTIMATED  
TOTAL COST OF \$87,806**

WHEREAS, the Maddux Youth Center was built in 1952 and is located in the existing Cesar Chavez Park; the old center housed a gym, a weight room, and offices for staff, and

WHEREAS, on March 8, 2005, City Council approved Resolution No. 2005-123 authorizing the renovation, expansion and remodel of the youth center to meet the needs of the neighborhood and the community's youth; as such a 2,500-square-foot addition on the south side of the building will be utilized for a computer lab, as well as additional restrooms, and a multi-purpose room, and

WHEREAS, a 3,500-square-foot addition to the northeast side of the building would accommodate the activities of the Police Activities League (PAL) Youth Boxing Program; renovation to the existing 9,451-square-foot structure includes a new roof with skylights, a new air handling system, replacement of interior and exterior doors, enclosure of existing windows, abatement of the asbestos in the flooring, and installation of new flooring in the facility, excluding the gym, and

WHEREAS, on January 10, 2006, Council approved Resolution No. 2006-027, authorizing the use of funds for necessary furnishings and equipment for the Maddux Youth Center; however, there was no language in the Resolution authorizing the Purchasing Manager to solicit bids for the furnishings and equipment, and

WHEREAS, currently, the Maddux Youth Center is under the last phase of construction and slated to be opened in early summer 2006; City staff has prepared specifications for the necessary furnishings, i.e., fitness equipment, office and lounge furniture and membership card scanner, to appropriately furnish the building for the opening, and

WHEREAS, the Modesto Municipal Code, MMC 8-3.203, generally requires all purchases which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid; however, one exception to the code (8-3.204 (d)), allows for the Purchasing Manager, in his/her discretion, to use a process other than the formal bid procedure to procure items for the City at the lowest possible cost commensurate with the desired quality, and

WHEREAS, based on the nature of this request, the Purchasing Manager evoked that exception for this purchase; the solicitation of informal competitive bids for the purchase of furnishing, fixtures and equipment for the Maddux Youth Center will conform to MMC Section 8-3.203 and demonstrate that a competitive process was met,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby authorizes the Purchasing Manager to solicit informal competitive bids for the purchase of furnishings, fixtures and equipment for the Maddux Youth Center, evaluate bid responses for the best overall value to the City, and issue purchase orders to the selected vendors, at an estimated total cost of \$87,806.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-201**

**A RESOLUTION AMENDING THE FISCAL YEAR 2005-06 CAPITAL  
IMPROVEMENT PROGRAM TO ESTABLISH A CIP PROJECT, COMPOST  
MAINTENANCE BUILDING, AND TRANSFERRING \$35,000 FROM THE  
COMPOST FUND RESERVE, 6290-800-8000-8003 TO THE NEW PROJECT TO  
COMPLETE THE COMPOST MAINTENANCE BUILDING**

WHEREAS, in FY 2005-2006, engineered foundations and a concrete slab were poured and a 50 by 60 foot metal building was erected at the City's Compost Facility on Jennings Road, and

WHEREAS, the purpose of this building was to be able to perform daily maintenance on the heavy equipment and trucks used in composting operations, and

WHEREAS, previously, staff at the site was maintaining this expensive equipment outside on a paved area of the Compost site, which created traffic and weather related safety hazards and also subjected employees to unacceptable working conditions, as they had no shelter from wet weather during the winter or heat during the summer, while they were working on the equipment, and

WHEREAS, this maintenance building was purchased and constructed over a period of two years, and should have been included in the CIP, and

WHEREAS, the total cost of the metal building and the foundation and slab exceeded the \$50,000 limit for public works projects and should have been put out to formal competitive bid, with the successful bid awarded by the City Council, and

WHEREAS, informal bids were solicited for the metal building and the foundation/slab, bids for each component were solicited separately, and did not receive Council approval, and

WHEREAS, this project became the subject of an internal audit report, which found that the construction of the building did not comply with the City Charter and Municipal Code with regard to obtaining bids for public works projects, and

WHEREAS, work on the building was halted until the work needed to complete the maintenance building was in compliance with the Charter and Municipal Code, and

WHEREAS, the remaining work on the exterior of the maintenance building is the installation of heavy-duty, motorized roll-up doors to secure the building and provide a weather-tight work area, and

WHEREAS, preliminary estimates for these doors and the motors indicate that completion of this work will be approximately \$20,000, and

WHEREAS, in addition, the interior of the building needs to be completed, including the installation of storage cabinets, workbenches, and shelving, and the purchase of a welder and various tools for working on the equipment, and

WHEREAS, preliminary estimates for the completion of the interior indicate that this work will cost approximately \$15,000, and

WHEREAS, staff is therefore requesting that the City Council approve amending the Fiscal Year 2005-06 Capital Improvement Program to establish a CIP project, Compost Maintenance Building, and transferring \$35,000 from the Compost Fund Reserve, 6290-800-8000-8003 to the new project to complete the Compost Maintenance Building, and

WHEREAS, following Council approval, bids will be obtained for the remaining work, and

WHEREAS, the Economic Development Committee met on March 13, 2006, and supported the recommendation to amend the Fiscal Year 2005-06 Capital Improvement Program to establish a CIP project, Compost Maintenance Building, and transferring \$35,000 from the Compost Fund Reserve, 6290-800-8000-8003 to the new project to complete the Compost Maintenance Building,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the Fiscal Year 2005-06 Capital Improvement Program to establish a CIP project, Compost Maintenance Building, and transferring \$35,000 from the Compost Fund Reserve, 6290-800-8000-8003 to the new project to complete the Compost Maintenance Building.

BE IT FURTHER RESOLVED that the Finance Director, or her designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION REVISING THE POSITION CLASSIFICATION PLAN  
FOR THE CITY OF MODESTO**

WHEREAS, a Position Classification Plan for the City of Modesto was adopted by Modesto City Council Resolution 88-338 pursuant to Rule 2 of the Personnel Rules and Regulations of the City of Modesto, and

WHEREAS, the City Manager has recommended to the Council amendments to the Position Classification Plan, and

WHEREAS, Rule 2.2 of the City of Modesto Personnel Rules provides that revisions to the Classification Plan shall be effective upon adoption of resolution of the City Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION I. CLASSIFICATION CREATED. The Position Classification Plan of the City of Modesto is hereby amended to create the following classification:

Compost Facility Supervisor

The job specification for this classification is being created to serve as a first level supervisor to the compost facility. The job specification for the classification of Compost Facility Supervisor, as shown on the attached **Exhibit "A,"** which is hereby made a part of this resolution by reference, is hereby approved and made part of the Position Classification Plan of the City of Modesto.

SECTION 2. EFFECTIVE DATE. This resolution shall become effective on and after April 4, 2006.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 4th day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

## COMPOST FACILITY SUPERVISOR

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

### DEFINITION

To assign and supervise the work of crews engaged in compost site operations, maintenance, repair and/or construction work; and to provide staff assistance to higher-level management staff.

### SUPERVISION RECEIVED AND EXERCISED

Receives direction from higher level supervisory and management staff.

Exercises direct supervision over compost facility staff.

May provide supervision to technical support staff.

### ESSENTIAL AND MARGINAL FUNCTION STATEMENTS

Essential and other important responsibilities may include, but are not limited to, the following:

#### Essential Functions:

Plan, prioritize, assign, supervise, and review the work of staff involved in the operations, maintenance, repair and construction of City compost facility activities, infrastructure, equipment, grounds, and land.

Assist in estimating and scheduling work to be done and in determining type and quantities needed for such work.

Assist in project management.

Develop and maintain preventative maintenance, asset and equipment inventory programs.

Supervise the use of special equipment involved in composting.

Maintain accurate and up-to-date records and conduct monitoring and testing programs as required by state and federal laws and regulations.

## Exhibit "A"

Essential Functions: (Continued)

Coach and evaluate subordinate staff on work performance.

Evaluate composting operations and activities, recommend improvements and modifications; prepare various reports on operations, maintenance, and activities.

Assist in developing and administering work unit and/or Division budget.

Participate in the selection of staff; provide or coordinate staff training; work with employees to correct deficiencies; implement discipline procedures.

Answer questions and provide information to the public; investigate complaints and recommend corrective action as necessary to resolve complaints.

Coordinate work unit safety program including ensuring that training is provided as appropriate.

Provide training for staff in the full range of compost facility operations, maintenance, repair, and construction.

Oversee operation of a full range of heavy and light equipment as needed such as grinders, screens, windrow turners, backhoes, loaders, dump trucks, and various trucks.

Provide technical advice and assistance to subordinate staff.

Maintain time, material, and equipment use records.

Requisition supplies and materials.

Marginal Functions:

Perform related duties as assigned.

QUALIFICATIONS

Knowledge of:

Materials, methods, practices, equipment and elements of compost facility operations.

Types and level of operations, maintenance and repair activities generally performed in a compost operation.

Exhibit "A"

Knowledge of: (Continued)

Principles of supervision, training, and performance evaluation.

Safe work practices.

Pertinent sections of health & safety, labor codes, and state and federal laws and regulations pertaining to compost facility operations.

Word processing and spreadsheet applications, and Internet usage necessary for job performance.

Report writing.

Cost accounting.

Ability to:

Plan, estimate, direct, coordinate, schedule and review the work of others.

Operate and maintain equipment and tools used in the field.

Identify and implement effective courses of action to complete assigned work.

Keep records and make reports.

Supervise, train and evaluate assigned staff.

Communicate clearly and concisely, both orally and in writing.

Establish and maintain cooperative-working relationships with those contacted in the course of work.

Coordinate work assignments with other divisions, departments, agencies and volunteer groups.

Experience and Training Guidelines:

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Exhibit "A"

Experience:

Five years of increasingly responsible experience performing compost facility operations, construction, repair and maintenance work, including two years of supervisory or four years of lead or journey responsibility.

Training:

Equivalent to completion of the twelfth grade.

License or Certificate:

Possession of a valid Class A or Class B Commercial California Driver's License with specific endorsements, as assigned, is required within 45 days of appointment. Failure to obtain the required license may result in release from probation or termination.

When assigned, possession of a valid crane operators certificate, issued by the National Commission of Crane Operators is required within six months of assignment.

WORKING CONDITIONS

Environmental Conditions:

Field environment, hot and cold temperatures, and inclement weather; exposure to noise, dust, grease, smoke, fumes, gasses and potentially hazardous chemicals; work with wastewater bio-solids.

Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for walking or standing for prolonged periods of time, and operating vehicles.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-203**

**A RESOLUTION AMENDING EXHIBIT "A" OF RESOLUTION  
NO. 2005-494 TO AMEND THE CLASS RANGE TABLE FOR REPRESENTED  
MANAGEMENT AND CONFIDENTIAL NON-SWORN CLASSES TO ADD  
COMPOST FACILITY SUPERVISOR AT SALARY RANGE 432**

WHEREAS, the City Council desires to amend Exhibit "A" of Resolution No. 2005-494, which approved the Class Range Table for Represented Management and Non-Sworn Classes,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION I. AMENDMENT TO RESOLUTION NO. 2005-494 Exhibit "A" entitled, "City of Modesto Class Range Table Represented Management and Confidential Non-Sworn Classes Effective October 4, 2005", attached to Resolution No. 2005-494, is hereby amended as shown on the amended Exhibit "A" entitled "City of Modesto Class Range Table Represented Management and Confidential Non-Sworn Classes Effective April 4, 2006", which is attached hereto and made a part hereof as though set forth in full herein. Said amended Exhibit "A" adds the classification of Compost Facility Supervisor at Salary Range 432 (\$4,612 - \$5,620 per month).

SECTION 2. EFFECTIVE DATE. This resolution shall become effective on and after April 4, 2006.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NUMBER 2006-204**

**A RESOLUTION ACCEPTING A MINI-GRANT IN THE AMOUNT OF \$64,996  
FROM THE CALIFORNIA OFFICE OF TRAFFIC SAFETY FOR THE  
CALIFORNIA SEAT BELT COMPLIANCE CAMPAIGN MINI-GRANT, CLICK  
IT OR TICKET, FOR OVERTIME SEAT BELT ENFORCEMENT, AND  
AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE  
THE NECESSARY DOCUMENTS**

WHEREAS, the Modesto Police Department submitted an application in the amount of \$64,996 from the California Office of Traffic and Safety for a California Seat Belt Compliance Campaign Mini-Grant, Click It or Ticket, and

WHEREAS, the program is for a 3-week period and allows for overtime seat belt enforcement, and

WHEREAS, the Police Department, in a combined effort with the California Highway Patrol, and California Office of Traffic Safety's strategy is to focus public information and enforcement on persons who fail to use seat belts during the May 2006 Buckle Up America/Operation, and

WHEREAS, acceptance of this grant enhances Healthy and Safe Strategic Action Plan, H.1.B.8., which calls for obtaining public service grants, and

WHEREAS, the total mini-grant project will be \$64,996 with no local match required of the City,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby accepts the mini-grant in the amount of \$64,996 from the California Office of Traffic and Safety a California Seat Belt Compliance Campaign Mini-Grant, Click It or Ticket for overtime seat belt enforcement.

BE IT FURTHER RESOLVED that the City Manager, or his authorized designee, is hereby authorized to execute the necessary documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NUMBER 2006-205**

**A RESOLUTION AMENDING THE FISCAL YEAR 2005/06 BUDGET TO  
APPROPRIATE \$64,996 FOR REVENUE AND EXPENSE FROM THE  
CALIFORNIA OFFICE OF TRAFFIC SAFETY FOR THE CALIFORNIA SEAT  
BELT COMPLIANCE CAMPAIGN MINI-GRANT, CLICK IT OR TICKET, FOR  
OVERTIME SEAT BELT ENFORCEMENT**

WHEREAS, the City of Modesto Police Department was awarded funding in the sum of \$64,996 from the California Office of Traffic Safety for the California Seat Belt Compliance Campaign Mini-grant, Click It or Ticket, and

WHEREAS, the federal award funds were made available for overtime seat belt enforcement, and

WHEREAS, the Police Department wishes to enforce seat belt compliance, and

WHEREAS, the total grant project will be \$64,996, with no local match required of the City, and

WHEREAS, the Council of the City of Modesto authorized the City Manager, or his designee, to accept the California Seat Belt Compliance Campaign, Click It or Ticket, mini-grant funding,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto, that the 2005/06 Operating Budget is hereby amended as follows:

Appropriate:

To:	0410-190-2904-0130	\$64,996	Overtime
-----	--------------------	----------	----------

Revenue:

To:	0410-190-2904-3490	\$64,996	Click It or Ticket Mini-Grant
-----	--------------------	----------	-------------------------------

BE IT FURTHER RESOLVED that the Finance Director, or her authorized

designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-206**

**A RESOLUTION APPROVING SENIOR POLICE MANAGEMENT  
(LIEUTENANTS AND ABOVE) TO ATTEND HOMELAND SECURITY  
MASTER OF ARTS DEGREE PROGRAM ON CITY OF MODESTO TIME**

WHEREAS, The Naval Postgraduate School (NPS) is offering a Master of Arts Degree in Homeland Security, and

WHEREAS, the Homeland Security graduate program is sponsored by the Department of Homeland Security (DHS) Office for Domestic Preparedness (ODP), and

WHEREAS, this fully accredited program provides leaders with the knowledge and skills to develop strategies, plans and programs to prevent terrorist attacks within the United States and reduce America's vulnerability to terrorism, and

WHEREAS, the degree program requires 18 months of continuous enrollment and coursework and a thesis, and

WHEREAS, each quarter requires only two weeks in residence at the NPS campus, located in Monterey, California and the remainder of the coursework is completed via distance learning, and

WHEREAS, the Modesto Police Department feels the experience and training gained in this program would benefit the City of Modesto and the Police Department in our Homeland Security capabilities, and

WHEREAS, the Police Department will send senior police management (Lieutenants and above) to attend this course on City of Modesto time, and

WHEREAS, DHS/ODP will pay all tuition, books, travel and lodging during each two week in residence session at NPS, and

WHEREAS, there is no fiscal impact to the City of Modesto, and

WHEREAS, all applicants accepted into the program must serve in a Homeland Security capacity for at least two years following graduation (this may be the applicant's current position, or one accepted after participating in the program, so long as it is related to Homeland Security), and

WHEREAS, the Safety and Communities Committee unanimously supported this action at its meeting of March 6, 2006,

NOW, THEREFORE, BE IT RESOLVED that the Council of the City of Modesto hereby approves senior police management employees (Lieutenants and above) to attend Homeland Security Master of Arts Degree Program on City of Modesto time.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the necessary documents to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-209**

**A RESOLUTION APPROVING AN AGREEMENT WITH STANISLAUS COUNTY OFFICE OF EDUCATION IN THE AMOUNT OF \$13,750 FOR THE PROVISION OF CLERICAL, SALARIES AND ASSOCIATED COSTS BEYOND WHAT THE CURRENT CONTRACT INCLUDES FOR THE GANG AWARENESS AND PREVENTION PROGRAM (GAPP) / WAKE-UP PROGRAM AT CHRYSLER ELEMENTARY SCHOOL, PRESCOTT JUNIOR HIGH SCHOOL AND SCHOOLS WITHIN STANISLAUS COUNTY, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, Stanislaus County Office of Education has entered into an agreement with the City of Modesto which allows Modesto Police Officers to provide, supervise and facilitate the Gang Awareness and Prevention Program (GAPP)/WAKE-UP Program, at Chrysler Elementary, Prescott Junior High School and schools within Stanislaus County, and

WHEREAS, the Modesto Police Department has developed a juvenile education, prevention and intervention program called "GAPP" to work with juveniles developing or exhibiting behaviors associated with gang or violence/hate, and

WHEREAS, juveniles developing or exhibiting incorrigible behavior can be referred to the WAKE-UP Program, and

WHEREAS, the Modesto Police Department can provide specially trained, uniformed police officers to provide prevention and intervention programs, and

WHEREAS, the officers' presence with the students provides mentoring and protection of youth in our community, and

WHEREAS, clerical support is needed to assist with this program, and wasn't included in the original agreement, and

WHEREAS, the term of this agreement is January 1, 2006, to June 30, 2006, and

WHEREAS, the City shall be compensated \$13,750 for the services of clerical, salaries, and associated costs beyond what the current contract specifies, and

WHEREAS, there is no fiscal impact to the City of Modesto,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the agreement with Stanislaus County Office of Education in the amount of \$13,750 for the provision of clerical, salaries and associated costs beyond what the current contract includes for Police Department staff involved with the GAPP and WAKE-UP programs.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-211**

**A RESOLUTION AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE,  
TO APPLY TO THE STANISLAUS COUNCIL OF GOVERNMENTS FOR  
FEDERAL CONGESTION MITIGATION AND AIR QUALITY (CMAQ) FUNDS  
FOR VARIOUS PROJECTS RELATING TO THE REDUCTION OF AIR  
POLLUTION AND AUTHORIZING THE CITY MANAGER, OR HIS  
DESIGNEE, TO EXECUTE THE NECESSARY DOCUMENTS TO OBTAIN  
SAID FUNDING**

WHEREAS, on February 8, 2006, the Stanislaus Council of Governments (StanCOG) Policy Board approved guidelines to allocate Congestion Mitigation and Air Quality (CMAQ) program funds to eligible proposers for the Federal Fiscal Year 2007/08 and 2008/09, and

WHEREAS, on February 13, 2006, StanCOG staff distributed a call for CMAQ project nominations to local jurisdictions, further stipulating that \$13,097,360 of CMAQ funding was available for distribution among local agencies County-wide, and

WHEREAS, pursuant to StanCOG guidelines for distribution to local governments in Stanislaus County, including an estimate of funds available to each, the City of Modesto anticipates \$2,587,345 in funds for eligible projects of its own choosing, and can also compete for as much as \$6.28 million available for projects that do the most to reduce air pollution in the county, and

WHEREAS, City staff has identified 16 projects for funding which will contribute to the attainment of national ambient air quality standards, and

WHEREAS, the Economic Development Committee reviewed said projects generally at its meeting on March 13, 2006, and recommended approval of the projects for CMAQ funding, and

WHEREAS, CMAQ grants require an 11.47% local match of funds, and

WHEREAS, the match required for many of the projects may be funded out of Local Gas Tax Funds, Local Transportation Funds, or Transit Fare Box Revenues, and

WHEREAS, applications for each project are required to be submitted to the Stanislaus Council of Governments by April 10, 2006, and

WHEREAS, the Stanislaus Council of Governments will make a recommendation to the StanCOG Policy Board for project funding,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the City Manager, or his designee, to apply to the Stanislaus Council of Governments for Federal Congestion Mitigation and Air Quality (CMAQ) funds to be used for various projects set forth in the attached Exhibit "A", recommended by City staff which will reduce air pollution.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute all applications and documents necessary to obtain said funding.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-212**

**A RESOLUTION APPROVING AN AGREEMENT WITH ALTERNATE STREET DESIGN, IN AN AMOUNT NOT TO EXCEED \$2,800, TO PERFORM DESIGN SERVICES FOR THE CLARATINA AND LITT ROUNDABOUT, AND AUTHORIZING THE CITY MANAGER, OR DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, staff is currently in design of the Claratina Avenue Plan Line from McHenry Avenue to the Burlington Northern Santa Fe Railroad tracks, and

WHEREAS, the Plan Line will indicate where future right-of-way will be reserved for the extension of Claratina Avenue, and

WHEREAS, when the Plan Line is nearing completion Council will be asked to review and approve the alignment, and

WHEREAS, during Plan Line design, staff determined that a preliminary layout for a roundabout should be prepared at the Claratina Avenue and Litt Road intersection, and

WHEREAS, a proposal was solicited to design the preliminary layout for the roundabout and Alternate Street Design submitted a proposal in an amount not to exceed \$2,800.00, to prepare the preliminary layout of the proposed roundabout, and

WHEREAS, Capital Improvement Services (CIS) staff recommends the consulting firm of Alternate Street Design be awarded a contract to perform the design services as current workload and experience levels do not provide for timely in-house solutions/responses, and

WHEREAS, the Florida firm of Alternate Street Design is deemed the most qualified to provide the requested design services, has excellent knowledge of roundabout design and has demonstrated satisfactory services to the City on past projects, and

WHEREAS, City desires to enter into an Agreement with Alternate Street Design, for a contract in an amount not to exceed \$2,800.00 to perform design services for a roundabout at the Claratina Avenue and Litt Road Intersection,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Agreement with Alternate Street Design, in an amount not to exceed \$2,800.00, for design services for the Claratina Avenue and Litt Road roundabout project.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-213**

**A RESOLUTION APPROVING AN AGREEMENT WITH COLE  
MANAGEMENT & ENGINEERING, INC., IN THE AMOUNT OF \$205,784.00,  
TO PERFORM CONSTRUCTION MANAGEMENT SERVICES FOR THE  
CELESTE/ROSE/SCENIC SANITARY SEWER IMPROVEMENTS PROJECT,  
AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE  
AGREEMENT**

WHEREAS, on March 7, 2006, City Council awarded a construction contract in the amount of \$3,707,105.00 to California Trenchless, Inc., to construct the Celeste/Rose/Scenic Sanitary Sewer Improvements Project, and

WHEREAS, the Celeste/Rose/Scenic Sanitary Sewer Improvements Project is a large specialized project that will require augmentation of the City's capacity to provide construction management and inspection, and

WHEREAS, in accordance with Administrative Directive 3.1, Capital Improvement Services (CIS) staff mailed a Request for Proposals to four specialized construction management firms and only two submitted proposals, and

WHEREAS, City's Selection Committee reviewed the proposals submitted and held interviews with both firms, and the firm of Cole Management & Engineering, Inc., was deemed the most qualified to provide construction management services, and

WHEREAS, the firm of Cole Management & Engineering, Inc., has excellent knowledge of pipe reaming and specializes in construction management and inspection, and

WHEREAS, CIS staff recommends the consulting firm of Cole Management & Engineering, Inc., be awarded a contract to perform the construction management services as current workload and experience levels do not provide for timely in-house solutions/responses, and

WHEREAS, City desires to enter into an Agreement with Cole Management & Engineering, Inc., for a contract in an amount not-to-exceed \$205,784.00 to perform construction management services for the Celeste/Rose/Scenic Sanitary Sewer Improvements Project, and

WHEREAS, the consultant will be paid on a time and materials basis for actual hours required performing individual tasks at a set rate,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Agreement with Cole Management & Engineering, Inc., in an amount not-to-exceed \$205,784.00, for construction management services for the Celeste/Rose/Scenic Sanitary Sewer Improvements Project.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of April, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-214**

**A RESOLUTION APPROVING THE PLANS AND SPECIFICATIONS FOR THE  
"2006 CAPE SEALS", ACCEPTING THE BID AND APPROVING AN \$880,840.64  
CONTRACT WITH BOND BLACKTOP, INC., FOR THE PROJECT TITLED,  
"2006 CAPE SEALS," AND AUTHORIZING THE CITY MANAGER TO  
EXECUTE THE CONTRACT**

WHEREAS, plans and specifications have been prepared for the "2006 Cape Seals" and City staff recommends approval to the City Council, and

WHEREAS, the bids received for "2006 Cape Seals" were opened at 11:00 a.m. on March 14, 2006, and later tabulated by the Public Works Director for the consideration of the Council, and

WHEREAS, the Public Works Director has recommended that the bid of \$880,840.64 received from Bond Blacktop, Inc., be accepted as the lowest responsible bid and the contract be awarded to Bond Blacktop, Inc.,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the plans and specifications for the "2006 Cape Seals."

BE IT FURTHER RESOLVED that the Council hereby accepts the bid of \$880,840.64, and hereby awards Bond Blacktop, Inc., the contract titled "2006 Cape Seals."

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the contract.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4th day of April 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-215**

**A RESOLUTION AUTHORIZING THE TRANSFER OF FUNDS IN THE  
AMOUNT OF \$55,000 FROM ANNUAL R & R PRIMARY SITE (B576) TO  
REPLACEMENT OF STAIRCASES – PRIMARY TREATMENT PLANT (B462)  
TO COVER THE COST OF THIS NEW PROJECT**

WHEREAS, the Primary Treatment Plant's Digester #1 was originally built in 1969 and has the original staircase that has low rails on the sides and does not have a landing, and

WHEREAS, California Code of Regulations Title 8, Section 1626 states, "handrails, when used in connection with stairs, shall be not be less than thirty-four (34) inches or more than thirty-eight (38) inches above the tread nosing," and

WHEREAS, the current staircase handrails are only twenty-seven (27) inches above the tread nosing, creating a safety hazard and do not meet current Cal-OSHA Regulations, and

WHEREAS, due to this safety hazard and the necessity to be Cal-OSHA compliant, a new staircase needs to be installed at this facility, and

WHEREAS, the Influent Screw Pump Pit was built in 1997 and currently has a ladder for entry, causing this to be considered a "confined space" location, and

WHEREAS, Clarifiers #1 and #2 do not have staircases and/or ladders available for use and are also classified as "confined spaces," and

WHEREAS, California Code of Regulations, Title 8, Section 5158 states, "Confined Space: A space defined by the concurrent existence of the following conditions: a) Existing ventilation is insufficient to remove dangerous air contamination, oxygen enrichment and/or oxygen deficiency which may exist or develop; b) Ready

access or egress for the removal of suddenly disabled employee is difficult due to the location and/or size of the opening,” and

WHEREAS, the Influent Screw Pump Pit and Clarifiers #1 and #2 all qualify as “confined spaces” and require personnel to wear rescue air tanks, gas detectors, and harnesses each time work is necessary within these locations, and

WHEREAS, confined space entry also requires retrieval systems be available, notification to the Fire Department for standby rescue services, and there must also be two people at the top for every one person down in the space, and

WHEREAS, installation of a permanent staircase at the Influent Screw Pump Pit will allow for easier removal of a suddenly disabled employee and the pit will no longer be considered a confined space, and

WHEREAS, purchasing a portable staircase to be moved between Clarifiers #1 and #2 would provide for the easy removal of a suddenly disabled employee and these clarifiers would no longer be considered confined spaces, and

WHEREAS, these three staircases would also improve staff’s ability to work at these facilities; and, by eliminating the “confined space” designation, reduce staff and equipment costs when working at these sites, and

WHEREAS, the estimated cost to complete this new project is \$55,000, and

WHEREAS, funds are available in the Annual R & R Primary Site (B576) in the amount of \$55,000 and it is necessary to transfer these funds to the new project titled Replacement of Staircases – Primary Treatment Plant (B462) to cover the cost of the project, and

WHEREAS, the Economic Development Committee considered this item at its March 13, 2006 meeting and recommended approval,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the transfer of funds in the amount of \$55,000 from Annual R & R Primary Site (B576) to Replacement of Staircases – Primary Treatment Plant (B462) to cover the cost of this new project.

BE IT FURTHER RESOLVED that City staff is hereby authorized to make the necessary budget adjustments in coordination with the Finance Department.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-218**

**A RESOLUTION AMENDING THE FY 05-06 OPERATING AND CAPITAL IMPROVEMENT PROGRAM BUDGET TO DECREASE 0100-800-8000-8003 GENERAL FUND RESERVE BY \$500,000 ONE-TIME ALLOCATION, DECREASING 1350-800-8000-8003 PARKS CFF FUND RESERVE BY \$35,483, AND INCREASING NEIGHBORHOOD CENTER AT MARSHALL PARK CIP FUND 1300-310-M163 BY \$535,483.00**

WHEREAS, the Parks, Recreation & Neighborhoods Department, Parks Planning & Development Division has requested amending the Fiscal Year 2005-2006 Capital Improvement Program to fully fund the construction project for the Neighborhood Center at Marshall Park, and

WHEREAS, the appropriation transfer requests are as follows:

- Decrease \$500,000 from the General Fund Reserve (0100-800-8000-8003)
- Decrease \$35,483 from Parks CFF Fund Reserve (1350-800-8000-8003)
- Increase \$535,483 to the Neighborhood Center at Marshall Park Capital Improvement Project (1300-310-M163),

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a reduction of \$500,000 from the General Fund Reserve (0100-800-8000-8003), a reduction of \$35,483 from Parks CFF Fund Reserve (1350-800-8000-8003), an increase of \$535,483 to the Neighborhood Center at Marshall Park Capital Improvement Project (1300-310-M163).

RESOLUTION NO. 2006-219**

**A RESOLUTION TO APPROVE REQUESTING A PROPOSAL FROM MAZE &  
ASSOCIATES TO CONDUCT A BROAD-SCOPE AGREED-UPON  
PROCEDURES ENGAGEMENT IN THE ENTIRE PUBLIC WORKS  
DEPARTMENT, WITH THE FIRM TO PROVIDE IN ITS REPORT  
RECOMMENDATIONS FOR FOLLOW-UP AUDITS OR CONSULTANT  
MANAGEMENT REVIEWS, WHERE WARRANTED, TO COVER FISCAL  
YEARS 2003, 2004, AND 2005**

WHEREAS, on February 28, 2006, the Council received a report from the City Clerk & Auditor's Senior Auditor on certain improper activities in the wastewater operations divisions of the City of Modesto Public Works Department, and

WHEREAS, at its March 7, 2006, meeting, Council, by motion, directed its Audit Committee to propose to Council the type and extent of an engagement by an external audit firm, designed to find possible improper activities in the entire Public Works Department, and

WHEREAS, the Audit Committee agreed at its March 20, 2006, meeting to recommend to Council a broad-scope agreed-upon procedures engagement by an external audit firm, to cover Fiscal Years 2003, 2004, and 2005, with the firm to recommend follow-up audits or management reviews where warranted, and

WHEREAS, as a result of a selection process in 2003, Council selected Maze & Associates (Auditor) as the City's external financial audit firm, and

WHEREAS, Auditor has the qualifications for the proposed work, and is familiar with the City's financial systems,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves requesting a proposal from Maze & Associates to conduct a

broad-scope agreed-upon procedures engagement in the entire Public Works Department, with the firm to provide recommendations to Council for follow-up audits or consultant management reviews where warranted, covering Fiscal Years 2003, 2004, and 2005., and

BE IT FURTHER RESOLVED that the City Clerk & Auditor, is hereby authorized to request a proposal from Auditor for these services.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-220**

**A RESOLUTION ACCEPTING THE DOMESTIC WASTEWATER NEAR-TERM CAPACITY STUDY PREPARED BY CAROLLO ENGINEERS AND ADOPTING THE ASSUMPTIONS AND RECOMMENDATIONS INCLUDED THEREIN AND DIRECTING STAFF TO PURSUE AND DEVELOP A FINANCING PROGRAM TO FUND THE PROPOSED IMPROVEMENTS IDENTIFIED IN THE DOMESTIC WASTEWATER NEAR-TERM CAPACITY STUDY**

WHEREAS, the City of Modesto awarded Carollo Engineers of Walnut Creek, California the contract to update the City's 1995 Wastewater Master Plan (WWMP), which is typically updated every five to seven years, and

WHEREAS, during the process of developing the WWMP, it was determined that due to the changing regulatory climate and the limitations of current treated wastewater disposal into the San Joaquin River, it is anticipated that the City will need to ultimately plan for the implementation of advanced wastewater treatment facilities, and

WHEREAS, the controlling factor for disposal of treated wastewater is based on the availability of river flow during the allowable discharge period, which is based on both climatic conditions and management of upstream facilities, and

WHEREAS, the City needs to plan for additional disposal capacity, to limit the risks of exceeding current Waste Discharge Requirements (WDRs) and the National Pollution Discharge Elimination System (NPDES) permit during a low river flow year, and

WHEREAS, due to the lengthy process for permitting, design and construction of a full-scale advanced treatment facility, effluent disposal improvements that could be reasonably implemented within a short timeframe will be required to allow continued

development, and Carollo was directed to develop a Domestic Wastewater Near-Term Capacity Study (Capacity Study) to analyze short-term solutions for effluent disposal, while continuing to develop and implement long-term solutions, and

WHEREAS, a five-year time period was defined as the timeframe, within which the City could continue to allow new connections with the initial phase projects, and

WHEREAS, the Capacity Study considered six (6) alternatives for the five-year time period, and

WHEREAS, discussions with Regional Water Quality Control Board staff on March 10, 2006, indicated that requirements for additional river discharge would become more stringent and that permitting for year round discharge of tertiary treatment could be incorporated into the permit update process that is currently underway, and

WHEREAS, based on the outcome of the Regional Board meeting, Alternative 2, Tertiary Treatment Year Round with Dissolved Air Flotation (DAF), is considered the most feasible, and least costly alternative, which provides an acceptable level of risk, and

WHEREAS, this item was reviewed at the Finance Committee meeting on March 16, 2006, and a favorable recommendation was made to forward the Capacity Study, including its assumptions and recommendations, and to direct staff to pursue and develop a financing program to fund the proposed improvements identified in the Capacity Study to the Council for acceptance,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby accepts the Domestic Wastewater Near-Term Capacity Study and adopts its assumptions and recommendations.

BE IT FURTHER RESOLVED that the Council hereby directs City staff to pursue development of a financing program to fund the proposed improvements identified in the Domestic Wastewater Near-Term Capacity Study.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-221**

**A RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN AND DELIVER A LETTER TO THE REGIONAL WATER QUALITY CONTROL BOARD INDICATING THE CITY'S INTENTIONS OF IMPLEMENTING THE RECOMMENDATIONS IN THE DOMESTIC WASTEWATER NEAR-TERM CAPACITY STUDY, REQUESTING THE INCLUSION OF YEAR ROUND TERTIARY RIVER DISCHARGE IN THE CITY'S UPDATED NATIONAL POLLUTION DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT AND INDICATING THE CITY'S INTENT TO UPGRADE ITS CURRENT SECONDARY TREATED DISCHARGE TO TERTIARY TREATED DISCHARGE IN THE FUTURE**

WHEREAS, the City of Modesto is currently updating its 1995 Wastewater Master Plan (WWMP), and

WHEREAS, during the process of developing the WWMP it was determined that due to the changing regulatory climate and the limitations of current treated wastewater disposal into the San Joaquin River, it is anticipated that the City will need to ultimately plan for the implementation of advanced wastewater treatment facilities, and

WHEREAS, due to the lengthy process for permitting, design, and construction of a full-scale advanced treatment facility, a Domestic Wastewater Near-Term Capacity Study (Capacity Study) to analyze short-term solutions for effluent disposal, was developed to allow continued sewer connections, and

WHEREAS, the Capacity Study considered six (6) alternatives that could be developed within a short time period, and

WHEREAS, the City is currently undergoing its regularly scheduled 5 year National Pollution Discharge Elimination System (NPDES) permit update with the Regional Water Quality Control Board (RWQCB), and

WHEREAS, staff met with RWQCB staff on March 10, 2006, to discuss the permit issues and challenges for each of the alternatives being considered, and

WHEREAS, from these discussions it was evident that Alternative 2-year round tertiary treatment with Dissolved Air Flotation (DAF) would be much easier to permit in a short time frame than other alternatives, and

WHEREAS, the Regional Board staff also recommended that City present a letter to the RWQCB indicating the City's intent to transition to tertiary treatment with the current update process, which could save a considerable amount of time when compared to requesting an amendment to the permit at a later date, and

WHEREAS, the Finance Committee reviewed the draft letter and Final Draft of the Domestic Wastewater Near-Term Capacity Study at its March 27, 2006, meeting and recommended approval to the full Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the City Manager to sign and deliver a letter to the Regional Water Quality Control Board indicating the City's intentions of implementing the recommendations in the Domestic Wastewater Near-Term Capacity Study, requesting the inclusion of year round tertiary river discharge in the City's updated NPDES permit and indicating the City's intent to upgrade its current secondary treated discharge to tertiary treated discharge in the future.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION AMENDING THE FISCAL YEAR 2005/06 BUDGET TO  
TRANSFER \$285,000 FROM THE TRAFFIC SAFETY RESERVE FOR  
PAYMENT TO REDFLEX FOR RED LIGHT PHOTO ENFORCEMENT  
EQUIPMENT AND MAINTENANCE**

WHEREAS, on June 8, 2004, Council approved Resolution 2004-301 implementing the automated red light enforcement program and approved a five-year base contract with Redflex Traffic Systems, and

WHEREAS, Redflex was contracted to install red light photo enforcement equipment and maintenance services at up to ten (10) City designated intersections under a phased implementation plan, and

WHEREAS, costs for the red light photo enforcement equipment and maintenance service is \$6,030 per month for each camera location by Redflex, and

WHEREAS, the City of Modesto currently has four intersections with one camera system for a total expense of \$24,120 per month, and

WHEREAS, there is a cost neutrality clause in the City's contract with Redflex that if City revenues collected do not pay for the expenses during the first twelve-month period, then Redflex will reimburse any excess expense, and

WHEREAS, based on current information it is anticipated that the revenue will meet or exceed the expenses during the initial twelve-month period, and

WHEREAS, the Traffic Safety Reserve has monies available for this service,

WHEREAS, at its February 6, 2006, meeting the Safety and Communities Committee recommended consideration of this item by the full Council.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the 2005/06 Operating Budget is hereby amended as indicated below:

Appropriate:

From: 0600-800-8000-8003 \$285,000 Traffic Safety Reserve

To: 0600-190-1906-0235 \$285,000 Traffic Safety/Professional Services

BE IT FURTHER RESOLVED that the Finance Director, or his designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-223**

**A RESOLUTION APPROVING THE AIRLINE REVENUE GUARANTEE  
AGREEMENT BETWEEN THE CITY OF MODESTO AND SKYWEST  
AIRLINES TO PROVIDE NEW AIR SERVICE BETWEEN MODESTO AND  
LOS ANGELES, AND AUTHORIZING THE CITY MANAGER, OR HIS  
DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, Modesto City-County Airport is a commercial service airport with current air service operated by SkyWest Airlines as United Express, flying between Modesto and San Francisco, and

WHEREAS, SkyWest Airlines has agreed to provide a minimum of three (3) scheduled flights between Modesto (MOD) and Los Angeles (LAX) airports daily, and

WHEREAS, direct air service between Modesto and Los Angeles is expected to serve approximately 1.2 million local travelers, and

WHEREAS, a determined level of revenue is guaranteed to the airline for LAX service, and

WHEREAS, an airline revenue agreement is pursuant to grant funds requirements provided by the U.S. Department of Transportation "Small Communities Air Service Grant" (DOT Grant) that was awarded to the Modesto City-County Airport in August 2005, and

WHEREAS, the Airport Enterprise Fund will guarantee a determined level of revenue (\$2,043 per segment) to Sky West Airlines, and

WHEREAS, if revenues fall short of the determined level, City will reimburse Sky West in an amount not to exceed \$550,000, and

WHEREAS, \$495,000 of this \$550,000 will be provided by DOT Grant funds,  
and

WHEREAS, \$55,000 will be pledged by City in non-Airport funds coming from  
the business community or the City's General Fund, and

WHEREAS, the Airport Enterprise Fund will also forego approximately \$45,000  
in additional landing fees for the year reflected in the following table as fee waivers "in-  
kind":

<b>Funding Action Plan for New Air Service to Los Angeles</b>						
<b>Description</b>			<b>Funding</b>			<b>Total</b>
	<b>US DOT</b>	<b>Airport</b>	<b>Airport</b>	<b>Non-Airport</b>	<b>Non-Airport</b>	
	<b>Cash</b>	<b>Cash</b>	<b>In-Kind</b>	<b>Cash</b>	<b>In-Kind</b>	
<b>Marketing:</b>

<b>Total</b>	<b>\$550,000</b>	<b>\$35,000</b>	<b>\$55,000</b>	<b>\$65,000</b>		<b>\$705,000</b>

and,

WHEREAS, the Airport Advisory Committee met on February 15, 2006 and  
endorsed the addition of LAX flights by SkyWest Airlines, and

WHEREAS, the Economic Development Committee met on March 13, 2006 and  
supported the Airline Revenue Grant Agreement proposed for SkyWest Airlines to  
provide new air service between MOD and LAX,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Airline Revenue Guarantee Agreement between the City of Modesto and SkyWest Airlines to provide new air service between Modesto and Los Angeles.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 4<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-224**

**A RESOLUTION AMENDING THE FISCAL YEAR 05-06 OPERATING  
BUDGET AND APPROVING A BUDGET ADJUSTMENT IN THE AMOUNT OF  
\$55,000 FROM GENERAL FUND RESERVES (0100-800-8000-8003) TO THE  
PUBLIC WORKS OPERATING BUDGET (0100-430-4306-0264) TO CREATE A  
SET ASIDE ACCOUNT FOR THE NON-AIRPORT PORTION OF AIRLINE  
REVENUE GUARANTEES**

WHEREAS, Modesto City-County Airport is a commercial service airport with current air service operated by SkyWest Airlines as United Express, flying between Modesto and San Francisco, and

WHEREAS, SkyWest Airlines has agreed to provide a minimum of three (3) scheduled flights between Modesto (MOD) and Los Angeles (LAX) airports daily, and

WHEREAS, direct air service between Modesto and Los Angeles is expected to serve approximately 1.2 million local travelers, and

WHEREAS, a determined level of revenue is guaranteed to the airline for LAX service, and

WHEREAS, an airline revenue agreement is pursuant to grant funds requirements provided by the U.S. Department of Transportation "Small Communities Air Service Grant" (DOT Grant) that was awarded to the Modesto City-County Airport in August 2005, and

WHEREAS, the Airport Enterprise Fund will guarantee a determined level of revenue (\$2,043 per segment) to Sky West Airlines, and

WHEREAS, if revenues fall short of the determined level, City will reimburse Sky West in an amount not to exceed \$550,000, and

WHEREAS, \$495,000 of this \$550,000 will be provided by DOT Grant funds,  
and

WHEREAS, \$55,000 will be pledged by City in non-Airport funds coming from  
the business community or the City's General Fund, and

WHEREAS, staff proposes allocating \$55,000 from General Fund Reserves  
(0100-800-8000-8003) to the Public Works Department's Operating Budget (0100-430-  
4306-0264) to create a set aside account for the non-Airport portion of the airline revenue  
guarantee, and

WHEREAS, said \$55,000 will be returned to General Fund Reserve should the  
funding not be needed for the airline revenue guarantee,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto  
that it hereby approves amending the Fiscal Year 05-06 Operating Budget and approving  
a budget adjustment of \$55,000 from General Fund Reserves (0100-800-8000-8003) to  
the Public Works Department's Operating Fund (0100-430-4306-0264) to create a set  
aside account for the non-Airport portion of the airline revenue guarantee.

RESOLUTION NO. 2006-225**

**A RESOLUTION AMENDING RESOLUTION NO. 2006-087 TO AUTHORIZE  
THE SEVEN CHARTER REVIEW COMMITTEE MEMBERS APPOINTED BY  
THE CITY COUNCIL TO APPOINT FOUR ADDITIONAL COMMITTEE  
MEMBERS FROM THE COMMUNITY AND APPROVING THE FOUR  
APPOINTEES SELECTED BY THE CURRENT MEMBERS OF THE CHARTER  
REVIEW COMMITTEE**

WHEREAS, on February 14, 2006 the City Council adopted resolution no. 2006-087 authorizing the seven Council-appointed Charter Review Committee members to select and appoint three additional members from the community to serve on the Charter Review Committee, and

WHEREAS, on March 29, 2006 and March 30, 2006 the seven Council appointed Charter Review Committee members interviewed 24 members of the community to fill the final three vacancies on the committee, and

WHEREAS, after much deliberation and discussion the seven-committee members narrowed the field of applicants to the four individuals they felt were the most qualified to sit on the committee, and

WHEREAS, the seven Committee members would like to appoint the following four individuals to serve on the Charter Review Committee:

- 1) Solange G. Altman
- 2) Carolina Bernal
- 3) Jeremiah Williams
- 4) Sandra Lucas

NOW, THEREFORE, BE IT RESOLVED, that the Council of the City of Modesto hereby approves the appointments of Solange G. Altman, Carolina Bernal,

Jeremiah Williams, and Sandra Lucas to serve as voting members of the Charter Review Committee.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-228**

**A RESOLUTION OF INTENTION TO ANNEX TERRITORY TO COMMUNITY FACILITIES DISTRICT NO. 2004-1 (VILLAGE ONE #2) AND TO AUTHORIZE THE LEVY OF SPECIAL TAXES THEREIN (ANNEXATION NO. 12)**

WHEREAS, pursuant to Chapter 3.5 Division 2 of Title 5 (commencing with Section 53311) of the California Government Code, commonly known as the “Mello-Roos Community Facilities Act of 1982” (the “Act”), proceedings for the annexation of territory to an existing community facilities district may, pursuant to Chapter 3.5 of the Act, be instituted by the adoption by the legislative body of a resolution of intention to annex such territory, and

WHEREAS, pursuant to the Act, this Council did, by its Resolution No. 2004-199, adopted on April 6, 2004 (the “Resolution of Formation”), establish the City’s Community Facilities District No. 2004-1 (Village One #2) (“the District”), and

WHEREAS, pursuant to the Act, this Council did, by its Resolution No. 2004-681, adopted on December 14, 2004, clarify the Rate and Method of Apportionment with respect to the Maximum Special Taxes to be generated by a parcel that has been rezoned, and

WHEREAS, pursuant to the Act, this Council did, by its Resolution No. 2004-683, adopted on December 14, 2004 (“Resolution of Creation of Tax Zone #2), create Tax Zone #2 within the District, and

WHEREAS, the One-Time Facilities Special Tax component of the special taxes is higher in Tax Zone #2 than in Tax Zone #1, and

WHEREAS, pursuant to California Streets and Highways Code Section 3113.5, this Council did, by its Resolution No. 2005-566, adopted on November 9, 2005, direct that all prior modifications, amendments and annexations to the District be consolidated into a single map of the District, specifically all prior boundary maps and amendments thereto related to formation of the District and Annexation Nos. 1 through 10 to the District, and

WHEREAS, On November 23, 2005, said boundary maps were consolidated into a single map entitled "Consolidation of Boundary Maps of Community Facilities District No. 2004-1 (Village One #2)" and recorded with the County Recorder of the County of Stanislaus at Book 4 of Maps of Assessments and Communities Facilities Districts, at Page 33, and

WHEREAS, this Council hereby determines that the public convenience and necessity require the annexation of certain territory to the District, and

WHEREAS, the territory to be annexed is within the City limits, and

WHEREAS, it is intended that the territory be annexed to Tax Zone #2.

NOW, THEREFORE, BE IT RESOLVED, ORDERED AND FOUND by the City Council of the City of Modesto, California, that:

SECTION 1. The above recitals are true and correct.

SECTION 2. The boundaries of the District are shown on a map entitled "Consolidation of Boundary Maps of Community Facilities District No. 2004-1 (Village One #2)", on file with the County Recorder of the County of Stanislaus, at Book 4 of Maps of Assessments of Community Facilities Districts, at Page 33, and the map entitled

“Annexation Map No. 11 of Community Facilities District No. 2004-1 (Village One #2)” on file with the County Recorder at Book 4 of Maps of Assessment and Community Facilities Districts, at Page 36.

SECTION 3. The territory proposed to be annexed to the District (the “Territory”) is described in Exhibit A.

SECTION 4. The boundaries of the Territory are also shown on the map thereof, entitled “Annexation Map No. 12 of Community Facilities District No. 2004-1 (Village One #2), City of Modesto, County of Stanislaus, State of California,” on file in the office of the City Clerk, which map is hereby approved and adopted. Pursuant to Sections 3110.5 and 3113 of the California Streets and Highways Code, the City Clerk shall endorse her certificate on the original and one copy of the map evidencing the date and adoption of this Resolution, file the original in her office and, not later than ten days after the adoption of this Resolution, file a copy of the map with the County Recorder of the County of Stanislaus. The map shall contain the legends provided in Sections 3110, 3110.5, and 3313 of the California Streets and Highways Code, including a reference to the title, book, page and recording date of the original boundary map of the District.

SECTION 5. The public facilities and services to be provided for the District are set forth in the Resolution of Formation. It is intended that these same facilities and services be provided to the Territory.

SECTION 6. The special taxes to be levied in the District are set forth in the Resolution of Formation. It is intended that the same special taxes be levied in the Territory, except that the increase of the One-Time Facilities Special Tax component of

the special taxes, as authorized by the Resolution of Creation of Tax Zone #2, shall be levied in the Territory.

SECTION 7. A public hearing on this Resolution will be held at 5:30 p.m., or as soon thereafter as practicable, on Tuesday, June 13, 2006, at the regular meeting place of the City Council, City Council Chambers, Basement Level, 1010 Tenth Street, Modesto, California 95353, such time being not less than 30 or more than 60 days following the adoption hereof.

SECTION 8. At the hearing, any interested persons for or against the annexation of the Territory to the District, and the levy of the special taxes therein, may appear and will be heard and considered. Any protest may be made orally or in writing. However, any protests pertaining to the regularity or sufficiency of the proceedings shall be in writing and clearly set forth the irregularities and defects to which the objection is made. All written protests shall be filed with the City Clerk on or before the time fixed for the public hearing. Written protests may be withdrawn in writing at any time before the conclusion of the hearing.

SECTION 9. The City Clerk is directed to publish, not later than seven days prior thereto, a notice of the hearing, in the form required by the Act, in a newspaper of general circulation published in the area of the District, being *The Modesto Bee*, and otherwise in accordance with Section 6061 of the California Government Code, stating (a) the text or a summary of this Resolution, (b) the time and place of the hearing, and (c) that all interested persons for or against the annexation of the Territory to the District or the levying of the special taxes in the Territory will be heard.

SECTION 10. (a) If a majority (but at least six) of the registered voters residing within the District or a majority (but at least six) of the registered voters residing within the Territory, or the owners of one-half or more of the area of the land in the District and not exempt from the special tax, or the owners of one-half or more of the Territory, file written protests against the proposed annexation, and the protests are not withdrawn so as to reduce the value of the protests to less than a majority, no further proceedings to annex the Territory to the District, or to levy in the Territory the special taxes to be levied in the District, shall be taken for a period of one year from the date of the decision of the Council on the issues discussed at the hearing.

SECTION 11. At the conclusion of the hearing, if the Council determines to annex the Territory to the District, it will submit the levy of the special taxes to the qualified electors of the Territory in a special election.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-229**

**A RESOLUTION APPROVING A CFD TAX REIMBURSEMENT AGREEMENT  
BETWEEN THE CITY OF MODESTO AND PETER AND CHARLENE REECE,  
JOSEPH AND SHERYL PIMENTEL, AND STEPHEN AND KATHLEEN  
HUGHES AND AUTHORIZING THE CITY MANAGER TO EXECUTE SAID  
AGREEMENT**

WHEREAS, Peter and Charlene Reece, Joseph and Sheryl Pimentel, and Stephen and Kathleen Hughes (collectively "Owner"), own certain real property located within the City of Modesto, County of Stanislaus, State of California, more particularly described on Exhibit "A" and commonly known as Village Corners ("Property"), and

WHEREAS, in June 2001, Owner petitioned to have the Property annexed to City of Modesto Community Facilities District No. 1996-1, and

WHEREAS, on March 15, 2006, Owner obtained a building permit from City for the construction of three (3) commercial buildings (approximately 25,226 sq ft) and associated on-site and off-site improvements located at 3948 Sylvan Avenue, Modesto, California ("Project") in order to retain its vesting in the City of Modesto 1998 Capital Facilities Fees Program, and

WHEREAS, as a condition precedent to obtaining the building permit for the Project, Owner was required to pay the One-Time Facilities Tax obligation at the rate established for CFD No. 1996-1, and

WHEREAS, Owner desires to annex the Property into City of Modesto Community Facilities District No. 2004-1 (Village One #2) ("CFD No. 2004-1"), and

WHEREAS, the One-Time Facilities Tax obligation for the Property is higher in CFD No. 1996-1 than it would be in CFD No. 2004-1; and

WHEREAS, the Annual Maintenance Tax obligation for the Property is lower in CFD No. 1996-1 than it would be in CFD No. 2004-1; and

WHEREAS, CFD No. 2004-1 contains an Annual Facilities Tax component but CFD No. 1996-1 does not; and

WHEREAS Owner has made application with the City to annex the Property into CFD No. 2004-1 and paid the related annexation fee; and

WHEREAS, upon successful annexation of the Property into CFD No. 2004-1, the Property's tax obligation for CFD 1996-1 will cease and the City will remove the tax lien associated with CFD No. 1996-1; and

WHEREAS, Owner desires to be reimbursed by the City for the difference in the amount of the One-Time Facilities Tax between CFD 1996-1 and CFD 2004-1, after the Property has been annexed into CFD 2004-1,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a CFD Tax Reimbursement Agreement between the City of Modesto and Peter and Charlene Reece, Joseph and Sheryl Pimentel, and Stephen and Kathleen Hughes.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

COUNTY OF STANISLAUS, STATE OF CALIFORNIA

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-230**

**A RESOLUTION APPROVING AN EXTENSION TO AN AGREEMENT  
BETWEEN THE CITY OF MODESTO AND BANK OF THE WEST FOR  
BANKING SERVICES INCLUDING PAYABLES, PAYROLL, CASHIERING  
AND INVESTMENTS AND AUTHORIZING THE CITY MANAGER TO  
EXECUTE THE EXTENSION TO SAID AGREEMENT**

WHEREAS, by Resolution No. 94-734, the City of Modesto and Bank of the West entered into an agreement for banking services, and

WHEREAS, the current banking services agreement with Bank of the West expired on January 31, 1998, and

WHEREAS, City's purchasing policy and standard business practices call for the City to maintain an in-force agreement for banking services, and

WHEREAS, additional time is needed for the City of Modesto to evaluate banking service proposals through a formal bid process.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the banking extension agreement with Bank of the West.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the extension to the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-232**

**A RESOLUTION AMENDING THE ORIGINAL AWARD OF BID AND CONTRACT TO MELROSE FORD OF OAKLAND, CA. FOR FIVE (5) VEHICLES AND RESTATING THE RESOLUTION TO AUTHORIZE THE AWARD OF BID AND CONTRACT FOR FIVE (5), NEW, CURRENT YEAR/MODEL TRUCKS TO THE FOLLOWING VENDORS: AMERICAN CHEVROLET OF MODESTO CALIFORNIA, FOR TWO (2) VEHICLES FOR A PURCHASE PRICE OF APPROXIMATELY \$43,117.59 AND COALINGA MOTORS INC, OF COALINGA, CALIFORNIA, FOR THREE (3) VEHICLES FOR A PURCHASE PRICE OF APPROXIMATELY \$48,279.02. THE APPROXIMATE TOTAL AMOUNT FOR ALL FIVE (5), NEW, CURRENT YEAR/MODEL TRUCKS IS \$91,396.61**

WHEREAS, the Public Works Department-Fleet Services Division has requested the purchase of five (5), new, current year/model trucks, and

WHEREAS, the vehicles requested consist of and will be used as follows:

- One (1), ¾ ton, regular cab, long bed, 4WD pickup-This truck is a new addition to the Water Quality Lab vehicles.
- One (1), ½ ton, crew cab, mid size, 2WD pickup- This truck is a new addition to the Water Operations Department. This vehicle will be used for an added position in the department.
- Two (2), ½ ton, extended cab, mid size, 2WD pickups-These trucks are to replace two (2) current pickups in the Construction Administration Department. The old trucks are being replaced because they have reached the end of their service life, and were on the scheduled replacement list approved by Council.
- One (1), ½ ton, crew cab, mid size, 2WD pickup- This truck is to replace a current pickup in the City Hall Motor Pool. The old truck is being replaced because it has reached the end of its service life, and was on the scheduled replacement list approved by Council, and

WHEREAS, Resolution No. 2005-381 authorized the Purchasing Supervisor to solicit bids for new vehicles and heavy equipment throughout FY 05/06 through various competitive processes, with the Purchasing Division coming back to Council for award and authorization, and

WHEREAS, the Purchasing Division solicited formal bids for fourteen (14) new, current year/model trucks on Request for Bid (RFB) 0506-18, with a bid opening date of January 24, 2006, and

WHEREAS, Seventy-seven (77) vendors were solicited of which ten (10) were local vendors, and

WHEREAS, out of seventy-seven (77) vendors solicited, seven (7) chose to respond to the RFB, and

WHEREAS, including the second lowest responsive and responsible bidders for the five vehicles awarded to Melrose Ford, the 2% local vendor preference was a factor in determining the lowest responsive and responsible bidder on two (2) of the five (5), new, current year/model trucks, and

WHEREAS, the Purchasing Division and Public Works-Fleet Services Division staff evaluated bids, and

WHEREAS, Resolution No. 2006-144 authorized the award of bid and contract to Melrose Ford, Oakland CA. for five (5) new, current year/model trucks, and

WHEREAS, Melrose Ford could not accept a purchase order because the manufacturer cut-off date of March 15 had expired, and they could not honor prices quoted for the five (5) vehicles, and

WHEREAS, American Chevrolet of Modesto, CA. is the second lowest responsive and responsible bidder for two (2) vehicles, item 6.0 and 11.0, and

WHEREAS, Coalinga Motors of Coalinga, CA. is the second lowest responsive and responsible bidder for three (3) vehicles, items 13.0 and 16.0, and

WHEREAS, the Purchasing Division and Public Works-Fleet Services Division staff evaluated bids, and

WHEREAS, American Chevrolet of Modesto, CA. was deemed to be the second lowest responsive and responsible bidder for the following vehicles:

- One (1), ¾ ton, regular cab, long bed, 4WD pickup;
- One (1), ½ ton, crew cab, mid-size, 2WD pickup,

In the approximate amount of \$43,117.59, and

WHEREAS, Coalinga Motors of Coalinga, CA. was deemed to be the second lowest responsive and responsible bidder for the following vehicles:

- Two (2), ½ ton, extended cab, mid- size, 2WD pickups;
- One (1), ½ ton, crew cab, mid-size, 2WD pickup,

in the approximate amount of \$48,279.02, and

WHEREAS, the total cost of the five (5) new, current year/model, trucks is approximately \$91,396.61 including freight and sales tax, and

WHEREAS, Modesto Municipal Code (MMC) Section 8-3.203, requires all purchases, which meet or exceed \$50,000 for material, equipment, or contractual services to be formally bid, and

WHEREAS, the code also states that purchases whose total maximum cost to the City exceeds \$50,000 shall receive preliminary approval of Council (MCC 8-3.203(a)), and

WHEREAS, the five (5) new, current year/model trucks received said approval with Resolution No. 2005-381, and

WHEREAS, this Request for Bid (RFB) process conforms to City Code, and

WHEREAS, funds are available in account number 7210-480-5814-5242 (Fleet Equipment, Replacement), 7210-480-5814-5301 (Fleet Equipment, Replacement), 7210-480-5814-5302 (Fleet Equipment, Replacement), 7210-480-5814-5310 (Fleet Equipment, Replacement), and 6100-480-5012-5700 (Water Fund) in the amount of \$92,980 for five (5) new, current year/model trucks,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of bid and contract for five (5) new, current year/model trucks in the total approximate amount of \$91,396.61 to the following vendors:

American Chevrolet of Modesto, CA. for the following vehicles:

- One (1),  $\frac{3}{4}$  ton, regular cab, long bed, 4WD pickup;
- One (1),  $\frac{1}{2}$  ton, crew cab, mid-size, 2WD pickup

in the approximate amount of \$43,117.59.

Coalinga Motors of Coalinga, CA. for the following vehicles:

- Two (2),  $\frac{1}{2}$  ton, extended cab, mid-size, 2WD pickups;
- One (1),  $\frac{1}{2}$  ton, crew cab, mid-size, 2WD pickup,

in the approximate amount of \$48,279.02.

BE IT FURTHER RESOLVED that the Purchasing Supervisor is hereby authorized to issue purchase orders for five (5) new, current year/model trucks as set forth herein.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen,  
Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-233**

**A RESOLUTION AUTHORIZING THE AWARD OF BID AND CONTRACT FOR TRAFFIC SIGNAL HARDWARE FOR AN INITIAL ONE (1) YEAR PERIOD, WITH ONE (1) YEAR CONTRACT EXTENSION PURCHASE OPTION, AT THE SOLE DISCRETION OF CITY, TO THE FOLLOWING VENDORS: TRAFFIC PARTS, INC. OF SPRING, TX. IN THE APPROXIMATE TOTAL ANNUAL AMOUNT OF \$2,680.08; WESTERN PACIFIC SIGNAL, LLC OF SAN LEANDRO, CA. IN THE APPROXIMATE TOTAL ANNUAL AMOUNT OF \$60,017.26; AND JAM SERVICES OF LIVERMORE, CA. IN THE APPROXIMATE TOTAL ANNUAL AMOUNT OF \$7,316.53. THE APPROXIMATE TOTAL ANNUAL PURCHASE AMOUNT FOR TRAFFIC SIGNAL HARDWARE IS \$70,013.87**

WHEREAS, the Public Works Department-Electrical Division has requested the purchase of traffic signal hardware, and

WHEREAS, traffic signal hardware will be utilized to restock necessary inventory, and

WHEREAS, the hardware is needed to replace or upgrade damaged or obsolete equipment such as: traffic signal framework and indications, pedestrian pushbuttons and assemblies, and walk/don't walk pedestrian signal indications, and

WHEREAS, for the most part, the traffic signal hardware must be upgraded periodically due to normal aging (wear and tear), and

WHEREAS, some traffic signal hardware is damaged in vehicular accidents, by trucks, or by vandals and graffiti, and

WHEREAS, upgrades also include routine maintenance change-outs of traffic signal indications from metal indications to polycarbonate indications, and

WHEREAS, the purchase of this equipment is necessary to properly maintain the City's traffic signal operations, and service our vehicular and pedestrian traffic safely, and

WHEREAS, Resolution No. 2005-572 authorized the Purchasing Supervisor to solicit bids for traffic signal hardware for an initial one-year period, with one-year contract extension options, and

WHEREAS, the Purchasing Division solicited formal bids for traffic signal hardware on Request for Bid 0506-17, with a bid opening date of February 28, 2006, and

WHEREAS, ten (10) vendors were solicited of which two (2) were local vendors, and

WHEREAS, out of ten (10) vendors solicited, five (5) chose to respond to the RFB, and

WHEREAS, two (2) bids were deemed to be non-responsive because the vendor did not submit two (2) signed original bid documents, and

WHEREAS, the 2% local vendor preference was not a factor in determining the lowest responsive and responsible bidder, and

WHEREAS, the Modesto Municipal Code (MMC) Section 8-3.203 generally requires all purchases which meet or exceed \$50,000 for material, and equipment, or contractual services to be formally bid, and

WHEREAS, the code also states that purchases whose total maximum cost to the City exceeds \$50,000 shall receive preliminary approval of Council, MMC (8-3.203 (a)), and

WHEREAS, the traffic signal hardware received said approval with Resolution No. 2005-572, and

WHEREAS, this Request for Bid (RFB) process conforms to City Code, and

WHEREAS, the City Council has appropriated funds for traffic signal hardware in account numbers: 0700-160-1612-0365 (STREET, TRAFFIC & FORESTRY, ELECTRICAL DIVISION EQUIPMENT MAINTENANCE AND REPAIR), and 1410-160-E695-6040 (TULLY, MT VERNON, COLDWELL SIGNAL UPGRADES), and

WHEREAS, the Purchasing Division has coordinated the solicitation and evaluation of bids for traffic signal hardware with the Public Works Department-Electrical Division staff,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of bid and contract for an initial one-year period, with one-year contact extension option, at the sole discretion of City, in the approximate total annual amount of \$70,013.87 to the following vendors:

- Traffic Parts, Inc. of Spring, TX. in the approximate total annual amount of \$2,680.08;
- Western Pacific Signal, LLC of San Leandro, CA. in the approximate total annual amount of \$60,017.26;
- Jam Services of Livermore, CA. in the approximate total annual amount of \$7,316.53.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25<sup>th</sup> day of August 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-234**

**A RESOLUTION AUTHORIZING THE CITY MANAGER TO APPLY FOR  
NATIONAL ASSISTANCE TO FIREFIGHTERS GRANT PROGRAM FUNDS IN  
THE AMOUNT OF \$229,373 AND TO EXECUTE THE NECESSARY GRANT  
APPLICATION DOCUMENTS**

WHEREAS, the Congress, under Public Law 107-73, has authorized the establishment of the Federal Fire Protection and Control Act and has appropriated \$539.5 million dollars to carryout the Assistance to Firefighter's Grant Program, and

WHEREAS, the Department of Homeland Security, Office of Grants and Training is responsible for administration of the program, setting up necessary rules and procedures governing application by local agencies under the program, and

WHEREAS, said adopted procedures established by the Department of Homeland Security, Office of Grants and Training require the applicant to provide 20% local matching funds, and

WHEREAS, the City of Modesto and Modesto Fire Department qualify to submit a grant request,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby:

1. Authorizes the filing of an application for Assistance to Firefighter's Grant Program funds in the amount of \$229,373.
2. Certifies that said agency has matching funds from the following source: Fire Department Operating Budget, and can finance 100 percent of the project, 80% of which will be reimbursed.

3. Authorizes the City Manager, or designee, as agent of the City to execute and submit the necessary grant application documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-235**

**A RESOLUTION APPROVING THE FORMATION OF A SOLID WASTE  
ADVISORY COMMITTEE AND DIRECTING STAFF TO PROCEED WITH  
THE RECRUITMENT OF CITIZEN REPRESENTATIVES TO SERVE ON THE  
COMMITTEE**

WHEREAS, in July 2004, the City Council adopted Resolution No. 2004-367 separating the Compost Facility from the Sewer Fund and establishing Compost Operations as a separate Enterprise Fund, and

WHEREAS, on January 3, 2006, by Resolution No. 2006-009A, the City Council approved the transfer of the Compost Facility from the Public Works Department, Wastewater Division to the Solid Waste Division of the Parks, Recreation and Neighborhoods Department, and

WHEREAS, with the shift of Compost Facility (Facility) operations and budget oversight to Solid Waste, staff recommends the formation of a Council-appointed Solid Waste Advisory Committee, and

WHEREAS, the Committee will be comprised of the Deputy City Manager, the Finance Director, the Public Works Director, two citizen/consumer representatives, and two citizen/non-profit representatives, and

WHEREAS, this Committee will provide a rate review function to ensure that modifications to the rate structures at the Facility receive both internal and external review, as well as input into future modifications or expansions of Facility operations as well as flow control to meet solid waste diversion needs, and

WHEREAS, the Committee will meet quarterly to address the needs of the Facility due to the fluctuation in the market, and

WHEREAS, the Committee will also ultimately participate in the review of proposed maximum garbage rates, and

WHEREAS, the Economic Development Committee considered this item at its November 7, 2005, meeting as part of the move of Compost operations from the Wastewater Division of the Public Works Department to the Solid Waste Division of the Parks, Recreation and Neighborhoods Department, and approved the recommendation,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the formation of a Solid Waste Advisory Committee.

BE IT FURTHER RESOLVED that the Council hereby directs staff to proceed with the recruitment of citizen representatives on the Committee.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25<sup>th</sup> day of April 2006, by Mayor Ridenour, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-236**

**A RESOLUTION APPROVING THE INCREASE OF PAY RANGES OF VITAL  
PART-TIME EMPLOYEES IN THE PARKS, RECREATION AND  
NEIGHBORHOODS DEPARTMENT BY 7.5%, AND HOLDING THE PARKS,  
RECREATION AND NEIGHBORHOODS DEPARTMENT HARMLESS FROM  
INCREASES TO THESE PART-TIME SALARY CLASSIFICATIONS**

WHEREAS, the Parks, Recreation and Neighborhoods Department currently consists of eight different working divisions: Administration, Parks Planning and Development, Park Services, Building and Parking Services, Recreation and Neighborhood Services, Solid Waste, Tenth Street Place, and Cultural and Enterprise Services, and

WHEREAS, many divisions of the department are dependent on part-time employees to implement programs on a daily basis, and

WHEREAS, the Department budgets for and funds over \$1.4 million for salaries and benefits of part-time employees, and

WHEREAS, due to the number of part-time employees involved in the programs and the difficulty in recruiting and retaining qualified employees, the Parks, Recreation and Neighborhoods Department is requesting that the City Council consider part-time salary issues within two divisions of the department, Recreation and Neighborhood Services and Building and Parking Services, and

WHEREAS, the two issues are: 1) the need to increase the pay ranges of vital part-time employees by 7.5%, and 2) the impact to the Parks, Recreation and Neighborhoods Department budget from increases to these part-time salary classifications, and

WHEREAS, part-time employees are vital to many of the Parks, Recreation and Neighborhoods Department programs and functions, and without these part-time staff members, the City of Modesto would not be able to operate the majority of the programs within the Recreation work unit, such as youth camps, adult sports leagues, youth and adult aquatic programs, and programs for seniors, disabled clients, as well as pre-school programs, and after-school enrichment activities, and

WHEREAS, currently, the Parking Unit is dependent on garage attendants and lead garage attendants to collect fees at the city-owned parking structures, and

WHEREAS, in order to properly staff part-time employees who are of high quality and in the quantity needed, the City needs to be competitive in the employment market, and

WHEREAS, Parks, Recreation and Neighborhoods Department staff as well as staff in the Personnel Department believe that increasing the pay ranges of vital part-time employees by 7.5% will go a long way in helping the City become more competitive in the part-time employment arena, will also help the City remain at a competitive salary level, and will bring increases to vital classifications and help retain current quality employees and hopefully increase recruitment efforts in the future, and

WHEREAS, the proposed increase of 7.5% would raise the minimum wage paid to these employees to \$7.25, which would put all salaries at, or above, the proposed new minimum wage, if approved at the State level as shown on Exhibit "A", attached hereto and incorporated herein by reference, and

WHEREAS, the Parks, Recreation and Neighborhoods Department is requesting that its budget be “held harmless” from increases to these part-time salary classifications, and

WHEREAS, if the Department is not “held harmless” for part-time salary increases, as it is for full-time staff increases, the Department will need to cut \$52,349 from its General Fund budget, which would result in elimination of some programs, and

WHEREAS, the Finance Committee met on March 27, 2006, and recommended that the City Council approve an increase in the pay ranges of vital part-time employees in the Parks, Recreation and Neighborhoods Department by 7.5%, and

WHEREAS, the Finance Committee also supported holding the Parks, Recreation and Neighborhoods Department budget harmless from increases to these part-time salary classifications,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an increase in the pay ranges of vital part-time employees in the Parks, Recreation and Neighborhoods Department by 7.5% as shown on Exhibit “A”, attached hereto and incorporated herein by reference, effective July 1, 2006.

BE IT FURTHER RESOLVED that the Council hereby holds the Parks, Recreation and Neighborhoods Department budget harmless from increases to these part-time salary classifications in its Fiscal Year 06-07 operating budget.

BE IT FURTHER RESOLVED that the Personnel Director, or her designee, is hereby authorized to implement the proposed changes to the part-time salary schedule as shown on Exhibit “A”, attached hereto and incorporated herein by reference.

BE IT FURTHER RESOLVED that the Finance Director, or his designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-237**

**A RESOLUTION APPROVING THE IMPLEMENTATION OF THE  
REORGANIZATION OF THE RECREATION UNIT AND AUTHORIZING  
STAFF TO IMPLEMENT THE CHANGES**

WHEREAS, the Recreation and Neighborhood Division within the Parks, Recreation and Neighborhoods Department consists of three separate work units: the Neighborhood Preservation Unit (NPU), the Housing and Urban Development (HUD) Fund Unit, and the Recreation Unit, and

WHEREAS, each work unit has distinct functions that create community and enhance neighborhoods, and

WHEREAS, the Recreation Unit currently consists of five (5) Recreation Supervisor II positions, eight (8) 0.75 FTE Recreation Coordinators positions, and numerous part-time City employees, such as lifeguards, recreation leaders, class instructors, and sports officials, and

WHEREAS, this work unit is responsible for planning, implementing, and evaluating the majority of recreation and enrichment programs sponsored by the City of Modesto, and

WHEREAS, currently, the Recreation Unit is in transition; since December 2005, two experienced Recreation Supervisor IIs have left employment with the City (one retirement, one resignation), one 0.75 FTE Recreation Coordinator has resigned, and several additional members of the supervisory staff are eligible for and considering retirement in the near future, and

WHEREAS, the Department is also due to open the expanded and remodeled Maddux Youth Center in June 2006, and the Neighborhood Center at Marshall Park in June 2007, and

WHEREAS, due to the current and anticipated vacancies as well as the expanding facilities, staff believes now is the time for a major reorganization of this work unit, and

WHEREAS, the most significant change recommended is to hire a Recreation Program Manager to supervise the Recreation Unit which would provide focused leadership within the Recreation Unit, add special event support and improve facility management, and

WHEREAS, funding for the proposed reorganization comes from the existing operating budget due to personnel vacancies, and

WHEREAS, staff believes that the proposed reorganization will give the Recreation Unit the necessary staffing and additional support to face some of the upcoming challenges, including the opening of two new or improved facilities, and the imminent arrival of a new, less experienced supervisory staff that will join the City within the next year, and

WHEREAS, additionally, the Deputy Director, who currently provides direct supervision to the Recreation Supervisors, is challenged by her current span of control which includes management of nine (9) employees in three different and complicated work units, and

WHEREAS, with the current vacancies, the proposed reorganization can be accomplished with no additional funding to the Department's base budget, and

WHEREAS, the Finance Committee met on March 27, 2006, and recommended this proposal,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the implementation of a reorganization of the Recreation Unit.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that staff is authorized to implement the approved reorganization.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-238**

**A RESOLUTION AUTHORIZING THE PURCHASING SUPERVISOR TO  
FORMALLY SOLICIT REQUEST FOR BIDS FOR THE PURCHASE OF  
MATRIX, HIGH DENSITY, STACKING CHAIRS FOR THE MODESTO  
CENTRE PLAZA, FOR A TOTAL ESTIMATED COST OF \$144,681**

WHEREAS, the current inventory of chairs for the Modesto Centre Plaza was purchased for its opening in 1988, and

WHEREAS, the condition of the chair inventory has deteriorated over the years, and

WHEREAS, the number of usable chairs has been reduced over the years due to breakage and wear and tear, and

WHEREAS, there is a need to replace the entire inventory with two thousand (22,000) matrix, high density, stacking chairs, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000.00 for material, equipment or contractual services to be formally bid, and

WHEREAS, the issuance of a formal Request for Bid for the purchase of replacement matrix, high density, stacking chairs will conform to Modesto Municipal Code Section 8-3.203,

NOW, THEREFORE, BE IT HEREBY RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. The City Clerk is hereby authorized to call for public competitive sealed bids for the purchase of matrix, high density, stacking chairs to be opened in the office of the City Clerk, 1010 Tenth Street, in the City of Modesto. The City Clerk shall

be directed to give notice inviting such sealed bids in the time, form, and manner provided by law.

SECTION 2. After the sealed bids are opened they shall be tabulated and analyzed by the Purchasing Division and a report submitted to Council.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmemeber Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-239**

**A RESOLUTION APPROVING A GRANT APPLICATION FOR \$49,000 IN  
FUNDING FROM THE FEDERAL LAND AND WATER CONSERVATION  
FUND FOR THE CONSTRUCTION OF A WALKING TRAIL IN THE  
GATEWAY PARCEL OF THE TUOLUMNE RIVER REGIONAL PARK, AND  
AUTHORIZING THE CITY MANAGER TO EXECUTE THE GRANT  
APPLICATION AND CONTRACT DOCUMENTS**

WHEREAS, the Congress, under Public Law 88-578, has authorized the establishment of a Federal Land and Water Conservation Fund Grant-In-Aid program, providing matching funds to the State of California and its political subdivisions for acquiring lands and developing facilities for public outdoor recreation purposes; and

WHEREAS, the State of California Department of Parks and Recreation is responsible for administration of the program in the State, setting up necessary rules and procedures governing Applications by local agencies under the program, and

WHEREAS, said adopted procedures established by the State of California Department of Parks and Recreation require the applicant to certify by resolution the approval of applications and the availability of eligible matching funds prior to submission of said applications to the State; and

WHEREAS, development of a walking trail in the Gateway Parcel of the Tuolumne River Regional Park is consistent with the Statewide Comprehensive Recreation Resources Plan *California Outdoor Recreation Plan – 2002*, and

WHEREAS, the Project must be compatible with the land use plans of those jurisdictions immediately surrounding the Project,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby:

1. Approves the filing of an Application for \$49,000 for Federal Land and Water Conservation Fund assistance, and
2. Certifies that said agency has matching funds from the following source(s): Tuolumne River Regional Park Capital Improvement Project 06/07 annual allocation, and can finance 100 percent of the Project, half of which will be reimbursed, and
3. Certifies that the Project is compatible with the land use plans of those jurisdictions immediately surrounding the Project, and
4. Appoints the City Manager as agent of the Applicant to conduct all negotiations and execute and submit all documents, including, but not limited to, applications, contracts, amendments, payment requests, and compliance with all applicable current state and federal laws which may be necessary for the completion of the aforementioned Project following acceptance and approval by the City Council.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-240**

**A RESOLUTION APPROVING AN AMENDMENT TO A STANDARD AGREEMENT BETWEEN THE CITY OF MODESTO AND PRECISION INSPECTION COMPANY INC., INCREASING THE SCOPE OF SERVICES TO INCLUDE INSPECTIONS, BID PREPARATION, AND REHABILITATION CONTRACT MONITORING SERVICES FOR THE PARKS, RECREATION AND NEIGHBORHOODS DEPARTMENT FOR AN AMOUNT NOT TO EXCEED \$50,000, AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE AMENDMENT TO THE AGREEMENT**

WHEREAS, on January 10, 2006, by Resolution No. 2006-016, the City Council approved a Standard Agreement between the City and Precision Inspection Company, Inc. for services that include building permit inspections and plan checking services for the Community and Economic Development Department, in an amount not to exceed \$75,000, and

WHEREAS, recent staffing changes have left the Parks, Recreation and Neighborhoods Department in need of similar technical consulting services available through Precision Inspection Company, Inc., and

WHEREAS, the Parks, Recreation and Neighborhoods Department administers the Federally-funded Housing Rehabilitation Program which provides funds, technical assistance, and contract administration services for rehabilitation activities in homes occupied by low-income households, and

WHEREAS, the unanticipated staffing changes have left the Rehabilitation unit without technical staffing to complete inspections, prepare and review bid specification documents and plans, and monitor small rehabilitation construction contracts, and

WHEREAS, as a result of these staffing shortages, the remaining staff will not be able to operate the Housing Rehabilitation Programs, in total, which will not only create a

complete break in customer service and planned work flow, but could endanger HUD funding as program goals, objectives and outcomes may not be achieved, and

WHEREAS, an amendment to the Standard Agreement with Precision Inspection Company, Inc. will enable the Housing Rehabilitation Programs to continue to operate until Housing Rehabilitation Specialist and Senior Housing Rehabilitation Specialist positions are filled, and

WHEREAS, \$50,000 in funding is available in salary savings in the Housing Rehabilitation organization operating budget (1130-320-3256-0110), which will be transferred to 1130-320-3256-0235, and

WHEREAS, the Housing Rehabilitation Loan Committee (HRLC) met on April 06, 2006, and recommended approval of an Amendment to the Agreement with Precision Inspection Company, Inc. to provide consultant services for inspections, bid preparation, and rehabilitation contract monitoring services for an amount not to exceed \$50,000,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Amendment to the Agreement with Precision Inspection Company, Inc., increasing the contract amount by \$50,000, to provide consultant services for inspections, bid preparation, and rehabilitation contract monitoring services to the Parks, Recreation and Neighborhoods Department.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the amendment to the agreement.

BE IT FURTHER RESOLVED that the Finance Director, or his designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-241**

**A RESOLUTION APPROVING AN AGREEMENT WITH THE HOUSING  
AUTHORITY OF STANISLAUS COUNTY TO PROVIDE A \$750,000 LOAN TO  
PURCHASE A 12-UNIT MULTI-FAMILY HOUSING DEVELOPMENT  
LOCATED AT 1901 PARAMONT WAY ("PARAMONT PROJECT"), FOR  
RENTAL TO LOW-INCOME HOUSEHOLDS, AND AUTHORIZING THE CITY  
MANAGER TO EXECUTE THE AGREEMENT**

WHEREAS, on March 29, 2006, Richard Chubon, Executive Director for the Housing Authority of Stanislaus County, contacted the City of Modesto, Parks, Recreation and Neighborhoods Department regarding the purchase of a 12-unit multi-family housing development located at 1901 Paramount Way ("Paramont Project"), and

WHEREAS, the Paramont Project is listed for sale at \$1,575,000, or \$154 per square foot, with twelve (12) 2-bedroom/1-bath units, each with 865 square feet of living space, and

WHEREAS, the building was constructed in August 2005, and

WHEREAS, the building is a two-story, apartment over design, with wood framing, stucco and tile roofs, and all units are equipped with fire sprinklers, and

WHEREAS, an identical project built by the same contractor and located across the street sold in June 2005, for \$2,100,000, and

WHEREAS, the complex exceeds code requirements with 14 covered parking spaces and 12 uncovered spaces, for a total 26 off-street parking spaces, and

WHEREAS, amenities include units with 9-foot ceilings, carpeting; kitchen appliances including dishwashers and an on-site laundry facility, and

WHEREAS, the complex is located in a neighborhood served by Freedom Elementary School and will also be served by the new Daniel Savage Middle School, and

WHEREAS, the 6 ground floor units are handicap accessible; however, to provide full handicapped accessibility, further modifications would be needed, and

WHEREAS, the Housing Authority is proposing the following affordability mix:

- 4 units – to be rented at 80% Area Median Income level
- 4 units – to be rented at 60% Area Median Income level
- 4 units – to be rented at 50% Area Median Income level

and,

WHEREAS, to achieve this affordability mix, the Housing Authority has requested that the City provide a loan of \$750,000, with the following proposed terms:

- Loan Maturity – 55 years
- Interest Rate
  - First 30 years at 1% interest, deferred principal and interest residual receipt loan with 50% of first 10-year cash flow committed to reserves\*
  - Last 25 years at 3% interest, fully amortized payments on remaining loan balance
- Affordability Period – 55 years

*\*This provision ensures that project's replacement reserves will be adequately funded.*

and

WHEREAS, the remaining Paramount Project financing will be provided by a Housing Authority Tax Exempt Note in the amount of \$800,000 and capital contribution from the Housing Authority in the amount of \$79,000, and

WHEREAS, the Housing Authority also proposes a transition plan to avoid displacing any current tenants of Paramount Project, and

WHEREAS, at the time of acquisition, all occupied units will be provided with the “right of continued occupancy” and as these occupied units are vacated, they will be transitioned to affordable units, and

WHEREAS, this plan avoids displacement of current tenants, and the Housing Authority feels it is likely that some of the current tenants may qualify under the project's proposed affordability provisions, and

WHEREAS, the City has a great need for more affordable housing for very-low and low-income households; as indicated in the City of Modesto Housing Element, our share of regional housing needs for very-low income households is 3,360 units, and for low-income households 2,609 units, and

WHEREAS, the proposed acquisition of Paramount Project will provide 12 units of quality affordable rental housing in an expedient fashion at a per-unit cost of approximately \$135,000; including fees and development cost, and

WHEREAS, the Citizens Housing and Community Development Committee (CH&CDC) met on April 21, 2006 and approved staff's recommendation,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an agreement with the Housing Authority of Stanislaus County to provide a \$750,000 loan, to purchase a 12-unit multi-family housing development located at 1901 Paramount Way ("Paramount Project"), for rental to low-income households with an affordability period of fifty-five (55) years.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the loan agreement and affordable housing covenant.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25<sup>th</sup> day of April 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-242**

**A RESOLUTION REVISING THE POSITION CLASSIFICATION PLAN  
FOR THE CITY OF MODESTO**

WHEREAS, a Position Classification Plan for the City of Modesto was adopted by Modesto City Council Resolution No. 88-338 pursuant to Rule 2 of the Personnel Rules and Regulations of the City of Modesto, and

WHEREAS, the City Manager has recommended to the Council amendments to the Position Classification Plan, and

WHEREAS, Rule 2.2 of the City of Modesto Personnel Rules provides that revisions to the Classification Plan shall be effective upon adoption of resolution of the City Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION I. CLASSIFICATIONS AMENDED. The Position Classification Plan of the City of Modesto is hereby amended to revise the job specifications for the following classifications:

1. Maintenance Mechanic - Pumps
2. Operations and Maintenance Crewleader

Said classifications are being amended to revise the job specifications to better reflect the requirements of the various job classifications, specifically state and federal licensing and certification requirements.

SECTION 2. EFFECTIVE DATE. This resolution shall become effective on and after April 25, 2006.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 25<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

~~WATER QUALITY CONTROL SUPERINTENDENT~~  
WASTEWATER TREATMENT PLANT MANAGER

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

DEFINITION

To plan, organize and supervise the maintenance, operation, modification, and improvement of the City's wastewater treatment plant ~~facilities, sewer system, and related facilities to ensure~~ ensure that the quality of wastewater discharged from the ~~sewerage system~~ meets Federal and State requirements; and to perform a variety of technical tasks relative to assigned area of responsibility.

SUPERVISION RECEIVED AND EXERCISED

Receives general direction from the Deputy Director of Public Works - Operations.

Exercises direct supervision over professional, technical, maintenance and clerical staff.

ESSENTIAL AND MARGINAL FUNCTION STATEMENTS – Essential and other important responsibilities and duties may include, but are not limited to, the following:

Essential Functions:

Manage, direct and organize wastewater division activities.

Recommend goals and objectives; assist in the development of policies and procedures.

Direct, oversee and participate in the development of the Division work plan; assign work activities, projects and programs; monitor workflow; implement policies and procedures; review and evaluate work products, methods and procedures.

Prepare the Division budget; assist in budget implementation; participate in the forecast of additional funds needed for staffing, equipment, materials, and supplies; administer the approved budget.

Participate in recommending the appointment of personnel; provide or coordinate staff training; work with employees to correct deficiencies; implement discipline procedures; recommend employee terminations.

~~Oversee the~~ Work with the operations of a biochemical testing laboratory on testing and results; review plant-operating data, including laboratory tests, to determine if operational changes are necessary.

Exhibit "A"

Essential Functions: (Continued)

~~Supervise the maintenance and repairs of the City sewer system; Review~~ sampling stations and sampling techniques to assure proper sampling results.

~~Inspect~~ ~~Direct the operation of primary and secondary plants to ensure proper~~ operation, cleaning, ~~and safety and emergency response~~ procedures.

Supervise public relations activities; conduct guided tours; speak at clubs and schools.

Make recommendations for improvement and construction of wastewater treatment facilities; evaluate new products and processes to determine applicability to system.

Participate in the design and construction of tertiary and other modifications to the wastewater treatment plants.

Supervise the preparation of a variety of reports required by regulatory agencies involved in the control of water pollution.

Supervise the preparation of payroll reports, employee evaluations, and other wastewater functions and activities for City officials.

Insure an adequate inventory of supplies, parts, and equipment for the wastewater treatment plant and related facilities.

Act on behalf of the Deputy Director – Operations during absences.

Marginal Functions:

Perform related duties as assigned.

QUALIFICATIONS

Knowledge of:

Wastewater treatment systems and plant operations.

Materials, methods, tools, and equipment used in the operation and maintenance of wastewater treatment plant ~~sewer~~ facilities.

Knowledge of: (Continued)

Principles, objectives and tests used in a biochemical laboratory.

Design and engineering of wastewater treatment and ~~sewage conveyance~~ facilities.

Safety principles and practices.

Pertinent Federal, State, and local laws, codes and regulations.

Select, supervise, train and evaluate assigned staff.

Prepare and administer a budget.

Engineering principles and practices of sampling.

Ability to:

Plan, organize, direct and evaluate the work of a secondary wastewater treatment plant, ~~sewer system~~, and its related facilities.

Analyze problems, identify alternative solutions, project consequences of proposed actions and implement recommendations in support of goals.

Maintain accurate operational records and prepare reports.

Interpret and apply Federal, State and local policies, procedures, laws and regulations.

Prepare and administer a budget.

Read and interpret ~~blueprints~~ plans and specifications, and understand diagrams.

Supervise, train and evaluate assigned staff.

Communicate clearly and concisely, both orally and in writing.

Establish and maintain cooperative-working relationships with those contacted in the course of work.

Experience and Training Guidelines

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Experience:

Six years of responsible experience in the operation and maintenance of a wastewater treatment plant, or major part thereof, including two years of supervisory or lead responsibility.

Training:

Equivalent to a Bachelor's degree from an accredited college or university with major course work in civil engineering, environmental science, construction technology or a related field.

License or Certificate

Possession of, or ability to obtain, an appropriate, valid California driver's license.

Possession of a valid Grade ~~V~~ IV Wastewater Treatment Plant Operator Certificate issued by the State of California State Water Resources Control Board or equivalent. Possession of a Grade V Wastewater Treatment Plant Operator Certificate issued by the State of California State Water Resources Control Board is required within 18 months of appointment. Failure to obtain this certification will result in demotion to a previously held classification or termination from City service.

WORKING CONDITIONS

Environmental Conditions:

Office and field environment.

Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for sitting for prolonged periods of time and travel from site to site.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-244**

**A RESOLUTION AMENDING EXHIBIT "A" OF RESOLUTION  
NO. 2005-494 TO AMEND THE CLASS RANGE TABLE FOR REPRESENTED  
MANAGEMENT AND CONFIDENTIAL NON-SWORN CLASSES TO CHANGE  
THE TITLE OF WATER QUALITY CONTROL SUPERINTENDENT TO  
WASTEWATER TREATMENT PLANT MANAGER AT SALARY RANGE 446**

WHEREAS, the City Council desires to amend Exhibit "A" of Resolution No. 2005-494, which approved the Class Range Table for Represented Management and Non-Sworn Classes,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION I. AMENDMENT TO RESOLUTION NO. 2005-494. Exhibit "A" entitled "City of Modesto Class Range Table Represented Management and Confidential Non-Sworn Classes effective October 4, 2005", attached to Resolution No. 2005-494, is hereby amended as shown on the amended Exhibit "A" entitled "City of Modesto Class Range Table Represented Management and Confidential Non-Sworn Classes effective April 25, 2006", which is attached hereto and made a part hereof as though set forth in full herein. Said amended Exhibit "A" changes the title of Water Quality Control Superintendent to Wastewater Treatment Plant Manager remaining at salary range 446.

SECTION 2. EFFECTIVE DATE. This resolution shall become effective on and after April 25, 2006.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 25th day of April 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION REVISING THE POSITION CLASSIFICATION PLAN  
FOR THE CITY OF MODESTO**

WHEREAS, a Position Classification Plan for the City of Modesto was adopted by Modesto City Council Resolution No. 88-338 pursuant to Rule 2 of the Personnel Rules and Regulations of the City of Modesto, and

WHEREAS, the City Manager has recommended to the Council amendments to the Position Classification Plan, and

WHEREAS, Rule 2.2 of the City of Modesto Personnel Rules provides that revisions to the Classification Plan shall be effective upon adoption of resolution of the City Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION I. CLASSIFICATION AMENDED. The Position Classification Plan of the City of Modesto is hereby amended to revise the job specification for the classification of Emergency Medical Services Coordinator. The job specification for this classification is being amended to change the required certification to be obtained within one year of appointment and to change the experience to include additional transferable skills. The job specification for the classification of Emergency Medical Services Coordinator, as shown on the attached **Exhibit "A,"** which is hereby made a part of this resolution by reference, is hereby approved and made part of the Position Classification Plan of the City of Modesto.

SECTION 2. EFFECTIVE DATE. This resolution shall become effective on and after April 25, 2006.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 25th day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

NOES: Councilmembers: None

ABSENT: Councilmembers: None

## EMERGENCY MEDICAL SERVICES COORDINATOR

Class specifications are intended to present a descriptive list of the range of duties performed by employees in this class. Specifications are **not** intended to reflect all duties performed within the job.

### DEFINITION

To administer and coordinate emergency medical services (EMS) programs of the Fire Department including training, equipment, certifications, legislative requirements, vaccinations, medical exposures and EMS contracts.

### SUPERVISION RECEIVED AND EXERCISED

Receives general direction from a Fire Division Chief.

May exercise direct supervision over assigned staff.

### ESSENTIAL AND MARGINAL FUNCTION STATEMENTS

Essential and other important responsibilities and duties may include, but are not limited to, the following:

#### Essential Functions:

Develop, implement, administer and evaluate operations and activities of EMS programs; recommend improvements and modifications; prepare various reports on operations and activities.

Ensure all EMS programs, operations and personnel comply with State and local laws, regulations, protocols, licensure and accreditation requirements; assist Emergency Medical Technicians (EMTs) and Paramedics with re-certification needs.

Provide and coordinate the department's continuous EMS education program in accordance with State and local regulations.

Coordinate and provide training for the cardio pulmonary resuscitation (CPR) program for department personnel and the public.

Track, maintain records and generate reports regarding certification, re-certification and other educational licensing requirements.

Exhibit "A"

Essential Functions: (Continued)

Implement-Coordinate and monitor the Department's continuous quality improvement program for Basic Life Support (BLS) and Advanced Life Support (ALS).

Develop, implement, review, monitor and revise training courses and manuals for BLS and ALS to ensure Fire Department personnel meet established standards.

Observe patient care provided by Paramedics Department employees which may require ~~including~~ furnishing Paramedics employees with training, counseling and orientation as needed.

Participate in evaluating Paramedic Department personnel to ensure performance standards compliance; may provide technical expertise regarding Paramedic medical performance in disciplinary actions.

Review and update the Department's exposure control program. This may include assisting with drafting policies and procedures, providing training, and writing exposure follow-up reports. Work with the Risk Division on required "Designated Officer" duties and responsibilities.

Analyze and interpret relevant legislation, regulations and local protocols that may impact Paramedic, EMT or other department EMS programs; make written recommendations as necessary.

Participate in evaluating and making recommendations for the ~~Evaluate,~~ ~~select and purchase~~ of equipment and supplies used in EMS programs; ~~assist in maintain~~ equipment maintenance and ~~supply~~ medical inventory control.

Attend various City Council, Commission, board and other governmental meetings; prepare and present agenda items to the City Council.

Answer questions and provide information to the public, outside agencies and City staff; investigate complaints and recommend corrective action as necessary to resolve complaints.

Assist in developing and implementing EMS public education programs; coordinate, schedule and participate in presenting public awareness and educational programs.

Exhibit "A"

Essential Functions: (Continued)

Recommend goals and objectives; assist in the development of policies and procedures.

Assist in the preparation, review and monitoring of the EMS budget.

Marginal Functions:

Perform related duties as assigned.

QUALIFICATIONS

Knowledge of:

Principles, terminology, procedures, medications and equipment used in the administration of emergency medical response, including advanced life support services.

Principles and practices of emergency medicine, including clinical assessment techniques and the principles of patient prioritization and stabilization.

Principles and practices related to the development, management and administration of EMS systems and quality assurance programs.

State and local statutes and regulations pertaining to EMS training, service delivery and quality improvement.

Effective training techniques and learning processes.

Principles and practices of budget preparation and administration.

Ability to:

Coordinate and effectively manage all aspects of an EMS quality assurance program.

Monitor, evaluate and provide feedback regarding the work performance of EMTs and Paramedics.

Plan, develop, coordinate and conduct EMS training based upon a continuous quality improvement plan.

Exhibit "A"

Ability to: (Continued)

Coordinate, develop and conduct a variety of training programs for department staff and the public.

Research and analyze operational and technical issues and develop appropriate recommendations for action.

Interpret, explain and apply applicable laws, codes, regulations, standards, policies and procedures.

Develop and maintain accurate record keeping systems.

Use a computer and applicable software programs.

Communicate clearly and concisely, both orally and in writing; make effective oral presentations.

Establish and maintain effective working relationships with those contacted in the course of work.

EXPERIENCE AND TRAINING GUIDELINES

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Experience:

Three years of progressively responsible supervisory or administrative experience related to the training and/or delivery of health care services, fire services, or emergency medical care. ~~in the field of health care services or hospital administration.~~ Part of the required experience must include lead or supervisory responsibility.

Two years academic training experience or clinical experience in the practice of emergency medicine or pre-hospital care ~~in the last five years~~ is desirable.

Training:

Equivalent to a Bachelor's degree from an accredited college or university with major coursework in health services, fire science, public health ~~administration or related field.~~

Exhibit "A"

License or Certificate:

Possession of, ~~or the ability to obtain~~ an appropriate, valid California driver's license by date of appointment.

Must possess the following ~~valid, current~~ certificates within one year of appointment. Failure to obtain the required certificate within one year will result in release from probation or termination.

- American Heart Association (AHA) ~~CPR and Automatic External Defibrillator (AED)~~ - Basic Life Support (BLS) Instructor
- ~~Basic Life Support Instructor~~

The following certificates are desirable:

- Advanced Cardiac Life Support (ACLS) Instructor
- Pediatric Advanced Life Support (PALS) Instructor

Based on departmental approval, equivalent certification may be accepted in lieu of the above.

California licensure as a registered nurse or physician assistant or certification as an EMT-Paramedic is desirable.

WORKING CONDITIONS

Environmental Conditions:

Office and field environment. Travel from site to site. Exposure to temperature swings from indoors to outdoors; extreme noise of sirens and emergency equipment; working outdoors at emergency scenes with Paramedics and EMTs.

Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for sitting for prolonged periods of time; traveling to and from sites and attending meetings. May be required to squat, stand, lift and carry equipment (weighing up to 25 pounds) occasionally. May be required to use various office equipment including a computer screen and keyboard.

**MODESTO CITY COUNCIL  
RESOLUTION NUMBER 2006-246**

**A RESOLUTION AMENDING THE FISCAL YEAR 2005/06 BUDGET,  
ESTIMATING REVENUE OF \$12,000 FROM ASSET FORFEITURES TO  
POLICE OPERATIONS FOR THE PURCHASE OF TWO POLICE CANINES  
AND THE ASSOCIATED COSTS FOR THEIR PURCHASE**

WHEREAS, there will be two police canines retired from the Police Department Canine Unit, and

WHEREAS, the Police Department needs to replace these dogs to maintain its canine unit at full capacity, and

WHEREAS, costs for the dogs and their air transport back to Modesto is \$12,000, and

WHEREAS, the Asset Forfeiture Trust Fund has monies available for this purchase, and

WHEREAS, the Safety and Communities Committee considered this item at its April 3, 2006, meeting and recommended forwarding this item to the full Council for its consideration,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the 2005/06 Operating Budget is hereby amended as indicated below:

Appropriate:

To:	0100-190-1961-5000	\$12,000	Police Field Operations
-----	--------------------	----------	-------------------------

Revenue:

From:	0100-190-1961-7202	\$12,000	Seized Forfeitures
-------	--------------------	----------	--------------------

BE IT FURTHER RESOLVED that the Finance Director, or his designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-247**

**A RESOLUTION APPROVING AN AGREEMENT WITH THE SACRAMENTO COUNTY SHERIFF'S DEPARTMENT IN THE AMOUNT OF \$80,000 ANNUALLY TO PROVIDE A MODESTO POLICE SERGEANT TO SUPERVISE THE SATELLITE OFFICE OF THE SACRAMENTO VALLEY HIGH TECHNOLOGY TASK FORCE, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, there is currently a need for reducing high technology crimes, which is one of the fastest growing criminal activities, and

WHEREAS, the Sacramento Valley High Tech Crimes Task Force (SVHTCTF), is a division of the Sacramento County Sheriff's Department, and

WHEREAS, a satellite office of the SVHTCTF was created and opened in Turlock, CA in 2001, and

WHEREAS, for the last five years, a Sergeant from the Stanislaus County Sheriff's Department has supervised the satellite office, and

WHEREAS, the Modesto Police Department has been requested to assume the supervisory responsibilities of the satellite office, and

WHEREAS, the vision of the SVHTCTF is to reduce the escalation of criminal activities related to the utilization of computers and high technology, and

WHEREAS, the SVHTCTF is currently funded annually via grant award through the State Office of Emergency Services, and

WHEREAS, the Sacramento Sheriff's Department has agreed to pay the City of Modesto Eighty-Thousand Dollars (\$80,000) per year as remuneration for the Modesto Police Department providing the services of a full-time sergeant to supervise the satellite office, and

WHEREAS, the Sacramento Sheriff's Department will also provide the Modesto Police Department Sergeant a vehicle for the duration of the agreement, and

WHEREAS, the City of Modesto will be responsible for the fuel and maintenance of the vehicle, and

WHEREAS, the agreement shall be automatically renewed unless terminated by a thirty (30) day written notice by either party, and

WHEREAS, the cost of providing this Police Sergeant to the Sacramento Valley High Technology Task Force for Fiscal Year 06/07 budget is estimated at \$126,000 for salaries benefits, fuel and maintenance, and Sacramento Valley High Technology Task Force will reimburse the Modesto Police Department \$80,000 for this service, and

WHEREAS, this special police service benefits the City of Modesto in reducing high technology crimes, and

WHEREAS, the Safety and Communities Committee unanimously supported this action at its meeting of April 3, 2005,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the agreement with the Sacramento County Sheriff's Department in the amount of \$80,000 annually to provide a Modesto Police Sergeant to supervise the satellite office of the Sacramento Valley High Technology Task Force.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the City Manager, or his designee, is hereby authorized to execute the agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25<sup>th</sup> day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-249**

**A RESOLUTION AUTHORIZING A "SOLE SOURCE" PURCHASE OF UP TO  
200 LOCKABLE TRASH CONTAINERS OVER THE COURSE OF FIVE (5)  
YEARS FROM VICTOR STANLEY, INC. OF DUNKIRK, MD FOR A TOTAL  
COST NOT TO EXCEED \$225,000**

WHEREAS, over the past several years approximately 150 trash containers have been placed at various bus stop locations, and

WHEREAS, several problems have occurred trying to maintain these containers as the lids are removable and the containers are not lockable, and

WHEREAS, staff has researched other containers with locks and that are sturdy enough to withstand the constant abuse endured by street furniture, and

WHEREAS, staff has also conferred with other agencies and the Downtown Improvement District (DID) regarding lockable containers they placed into the downtown area in 2003, and

WHEREAS, through an informal bid process, staff purchased six (6) containers on a trial basis from Victor Stanley, Inc., the lowest bidder and the vendor of the DID-purchased containers, and

WHEREAS, these containers have proven to be very durable and have retained their aesthetic appeal during the trial period, and

WHEREAS, the Modesto Municipal Code (MMC) 8-3.203, generally requires all purchases exceeding \$50,000 for material and equipment to be formally bid, and

WHEREAS, per MMC 8-3.204 (d) the Purchasing Supervisor may determine that a process other than the formal bid procedures set forth in Section 8-3.203 will result in a procurement for the City at the lowest possible cost commensurate with the desired quality, and

WHEREAS, this request for authorization to do a “sole source” purchase will conform to the MMC, and

WHEREAS, staff will initially purchase 15 containers at an approximate cost of \$16,750 as storage space is limited, and

WHEREAS, staff plans to then purchase 13 to 15 additional shipments over the course of five (5) years at approximately the same amount for a total cost of approximately \$225,000 for 200 containers, and

WHEREAS, these containers will replace the current containers and will also be placed at new bus stops, and

WHEREAS, funding for the purchase of these containers is budgeted in 6510-165-1677-5947 Bus Stop Improvements, and

WHEREAS, Federal Transit Administration (FTA) revenue will cover 80% of the cost and Local Transportation Fund (LTF) funds will cover the remaining 20%,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes a “sole source” purchase of up to 200 lockable trash containers over the course of five (5) years from Victor Stanley, Inc. of Dunkirk, MD for a total cost not to exceed \$225,000.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25<sup>th</sup> day of April 2006, by Councilmember Olsen, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION APPROVING AN AGREEMENT BETWEEN THE CITY OF  
MODESTO AND THE NEW OWNERS OF PAK MAIL AT 3801 YOSEMITE  
BOULEVARD, SUITE E, TO CONTINUE OPERATING AS A BUS PASS  
OUTLET FOR MODESTO AREA EXPRESS, AND AUTHORIZING THE CITY  
MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, in October 1989, Council approved the plan to establish outlets to sell monthly bus passes, and

WHEREAS, there are currently nine (9) outlets strategically located around Modesto, and

WHEREAS, PAK Mail is located at 3801 Yosemite Boulevard, Suite E and is currently under new ownership, and

WHEREAS, approving this agreement will maintain the program's geographic coverage of Modesto,

NOW, THEREFORE, BE IT RESOLVED that the Council of the City of Modesto hereby approves an agreement with the new owners of PAK Mail at 3801 Yosemite Boulevard, Suite E, to continue operating as a bus pass outlet for Modesto Area Express.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreement.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-251**

**A RESOLUTION AWARDING A CONTRACT TO WEST YOST ASSOCIATES,  
INC. FOR ON-CALL WATER SYSTEM IMPACT STUDIES AND RELATED  
ENGINEERING SERVICES FOR THE PUBLIC WORKS DEPARTMENT –  
CAPITAL IMPROVEMENT SERVICES DIVISION FOR A ONE-YEAR  
AGREEMENT WITH THREE (3) ONE (1) YEAR EXTENSION OPTIONS AND  
AUTHORIZING THE CITY MANAGER, OR DESIGNEE, TO EXECUTE THE  
AGREEMENT**

WHEREAS, the Public Works Department – Capital Improvement Services Division performs a number of tasks requiring water system engineering services that, because of workload levels and/or staff experience, are beyond the ability of City's engineering staff to accomplish in a timely manner, and

WHEREAS, the Public Works Department – Capital Improvement Services Division has utilized the services of specialized consulting engineers to perform targeted water system engineering services in the past, and

WHEREAS, retaining on-call engineering firms allows the Capital Improvement Services Division to have quick access to specific water system engineering services, when needed, and

WHEREAS, on –call engineering firms can provide services for projects using experienced engineering staff and offer a quick turnaround, which is essential to efficient response to the large undertaking of numerous specific plan applications presently scheduled for review and processing by City staff. The goal is to standardize the outcome of the review process and reduce response time for the applicant, which will reflect on overall project budget and cost savings to the project proponent, and

WHEREAS, West Yost Associates is familiar with the City's existing infrastructure, having provided prior services in conjunction with the City's overall utilities master planning efforts, and have demonstrated satisfactory services to the City on past projects, and

WHEREAS, the firm of West Yost Associates is also deemed the most qualified to provide the requested on-call water system engineering services in a timely and cost effective manner. As an example, West Yost Associates recently completed the City's Water System Hydraulic Model Update, a difficult and detailed computer modeling study of the City's existing system, and

WHEREAS, West Yost Associates has an intimate knowledge of the shortcomings and opportunities of the City's utility networks, therefore, staff recommends the consulting firm of West Yost Associates be awarded a contract for On-call Water System Impact Studies and Related Engineering Services, and

WHEREAS, the consultant is paid on an hourly basis for actual hours required to perform specific task orders at a set rate,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes awarding a contract to West Yost Associates for On-call Water System Impact Studies and Related Engineering Services for the Public Works Department – Capital Improvement Services Division for a one -year agreement, with three (3) one (1) year extension options, in an amount not-to-exceed \$100,000 per year, and will not exceed \$25,000 for each specific task order. The consultant will submit a written scope of services outlining the specific work, schedule and cost estimate associated with each task order. The consultant will perform no service until CIS

management has approved the proposed specific task order and a written Notice to Proceed (NTP) is prepared and sent to the consultant prior to commencement of services.

BE IT FURTHER RESOLVED that the Council hereby authorizes the City Manager, or his designee, to execute the Agreement.

**A RESOLUTION AMENDING THE CURRENT CAPITAL IMPROVEMENT BUDGET IN ORDER TO PARTIALLY FUND THE AGREEMENT WITH WEST YOST ASSOCIATES, INC. BY APPROPRIATING \$25,000 FROM ACCOUNT 6100-800-8000-8003 (WATER RESERVES) TO CIP ACCOUNT 6180-430-W436-6052 (WATER SYSTEM ANALYSIS-PRIMARY)**

WHEREAS, the CIP account 6180-430-W436-6052 (Water System Analysis-Primary) only provides approximately \$25,000 for the Agreement with West Yost Associates, Inc. to fund consultant work for non-developer paid task orders for On-call Water System Impact Studies and Related Engineering Services, and

WHEREAS, the Capital Improvement Services (CIS) Division performs a number of tasks requiring water engineering services that, because of workload levels and/or staff experience, are beyond the ability of the City's engineering staff to accomplish in a timely manner, and

WHEREAS, retaining on-call water system engineering firms allows the division to have quick access to specific water engineering services, when needed, and

WHEREAS, this action will be consistent with the Council goal to keep our infrastructure modern, efficient, effective, to provide dependable service delivery and ensure that adequate public facilities are provided to serve new growth and improve or maintain existing levels of services within the City of Modesto, and

WHEREAS, certain budgetary transactions are necessary to partially fund said Agreement in the amount of \$25,000 for consultant work, specifically non-developer paid task orders for On-call Water System Impact Studies and Related Engineering Services, and for contract administration by City staff, and

WHEREAS, the total amount of \$25,000 is to be transferred from account 6100-430-8000-8003 (Water Reserves) into CIP account 6180-430-W436-6052 (Water System Analysis-Primary),

NOW, THEREFORE, BE IT RESOLVED that the Council of the City of Modesto hereby approves the transfer of funds as set forth herein to partially fund the Agreement with West Yost Associates, Inc. to fund consultant work for non-developer paid task orders for On-call Water System Impact Studies and Related Engineering Services.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25th day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-255**

**A RESOLUTION AUTHORIZING THE PURCHASING MANAGER TO ISSUE A  
REQUEST FOR PROPOSALS FOR PRETREATMENT PROGRAM SOFTWARE  
AT AN APPROXIMATE COST OF \$60,000**

WHEREAS, the City's National Pollution Discharge Elimination System (NPDES) permit requires the tracking of industrial and other permitted customers to ensure compliance with pretreatment regulations, and

WHEREAS, the current process of using a Microsoft Access database does not allow for all-inclusive compliance tracking of usage or provide for current data monitoring, and

WHEREAS, since 2003 Public Works Environmental Services staff has been using individually developed spreadsheets to track compliance and a Microsoft Access database for billing industrial customers for sewer usage, and

WHEREAS, in 2004 staff researched purchasing an upgraded PreWin program to be used for pretreatment; however, it was unable to meet the necessary billing requirements, and

WHEREAS, funds for the purchase of Pretreatment Software are budgeted in 6210-480-5217-0235, and

WHEREAS, at this time, there are several programs available to help meet the current NPDES permit requirements, and

WHEREAS, the Economic Development Committee considered this item at its April 5, 2006 meeting and recommended its approval and consideration by the full Council, and

WHEREAS, the Modesto Municipal Code, MMC 8-3.203, generally requires all purchases, which meet or exceed \$50,000 for material, equipment, or contractual services to be formally bid, and

WHEREAS, the issuance of a formal Request for Proposal for the purchase of a new pretreatment software program to meet the current NPDES permit requirements will conform to MMC Section 8-3.203,

NOW, THEREFORE, BE IT HEREBY RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. The City Clerk is hereby authorized to call for public competitive sealed proposals for the purchase of a new pretreatment software program to be opened in the office of the City Clerk, 1010 Tenth Street, in the City of Modesto. The City Clerk shall be directed to give notice inviting such sealed bids in the time, form, and manner provided by law.

SECTION 2. After the sealed proposals are opened they shall be tabulated and analyzed by the Purchasing Division and Environmental Services and a report submitted to Council.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby authorizes solicitation of bids for the purchase of a new pretreatment software program at an approximate cost of \$60,000.

RESOLUTION NO. 2006-258**

**A RESOLUTION ACCEPTING THE CFD IMPROVEMENTS FOR SHADOW  
CREEK APARTMENTS ALONG FLOYD AVENUE AND ROSELLE AVENUE, IN  
THE VILLAGE ONE SPECIFIC PLAN AREA, AND AUTHORIZING THE CITY  
CLERK TO RECORD A NOTICE OF COMPLETION**

WHEREAS, AMERICAN HOME BUILDERS, INC., A WASHINGTON  
COPORATION is the developer of SHADOW CREEK APARTMENTS  
("DEVELOPMENT"), and

WHEREAS, AMERICAN HOME BUILDERS, INC., A WASHINGTON  
COPORATION, has filed irrevocable bonds to secure faithful performance and payment  
for labor and materials in the amounts of \$164,662.00 and \$164,662.00, respectively, and

WHEREAS, AMERICAN HOME BUILDERS, INC., A WASHINGTON  
COPORATION, has filed a warranty bond in the amount of \$17,384.08 to guarantee the  
CFD improvements in the DEVELOPMENT, and

WHEREAS, the City Engineer, in a memorandum to Council, indicates that all  
work required by the Acquisition and Shortfall Agreement ("AGREEMENT") between  
the City of Modesto Community Facilities District No. 2004-1 (Village One #2), a  
District created pursuant to the provision of the California Government Code Section  
53311.5 et. seq. ("DISTRICT"), on the one hand, and American Home Builders, Inc., a  
Washington Corporation ("DEVELOPER"), on the other hand, has been completed to the  
satisfaction of the Public Works Department, and

WHEREAS, the City Engineer has indicated that it would be in order for the City  
Council to accept the CFD improvements in said development as complete, and authorize

the City Clerk to record a Notice of Completion and release the bonds upon expiration of the statutory periods,

WHEREAS, the CFD Engineer shall issue a Notice of Completion as required by the AGREEMENT,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that:

1. The CFD improvements, which include all streets, sidewalks, curb & gutter, parkway landscaping & irrigation, streetlights, storm drain facilities, and signing and striping per the AGREEMENT, are hereby accepted. The City Clerk and the CFD Engineer are hereby authorized to record a Notice of Completion for the improvements.
2. The City Clerk is hereby authorized to release the bond for faithful performance in the amount of \$164,662.00 upon recordation of the Notice of Completion.
3. The City Clerk is hereby authorized to release the bond for labor and materials in the amount of \$164,662.00 sixty (60) days after the recordation of the Notice of Completion, provided no claim is made thereon.
4. The City Clerk is hereby authorized to release the warranty bond to guarantee improvements in the amount of \$17,384.08 one year and one day after the effective date of this resolution, provided no claim is made thereon.

**A RESOLUTION ACCEPTING CFD IMPROVEMENTS FOR THE HACIENDA  
DEL SOL UNIT 2 SUBDIVISION, IN THE VILLAGE ONE SPECIFIC PLAN  
AREA, AND AUTHORIZING THE CITY CLERK TO RECORD A NOTICE OF  
COMPLETION**

WHEREAS, CENTEX HOMES, A NEVADA GENERAL PARTNERSHIP, is the subdivider of HACIENDA DEL SOL UNIT 2 SUBDIVISION("SUBDIVISION"), and

WHEREAS, CENTEX HOMES, A NEVADA GENERAL PARTNERSHIP, has filed irrevocable bonds to secure faithful performance and payment for labor and materials in the amounts of \$314,899.00 and \$314,899.00, respectively, and

WHEREAS, CENTEX HOMES, A NEVADA GENERAL PARTNERSHIP, has filed a warranty bond in the amount of \$31,489.90 to guarantee the CFD improvements in the SUBDIVISION, and

WHEREAS, the City Engineer, in a memorandum to Council dated March 25, 2006, indicates that all work required by the Acquisition and Shortfall Agreement ("AGREEMENT") between the City of Modesto Community Facilities District No. 2004-1 (Village One #2), a District created pursuant to the provision of the California Government Code Section 53311.5 et. seq.("DISTRICT"), on the one hand, and Hashem Naraghi, Trustee of the Nora Naraghi Separate Property Trust Under Agreement Dated November 7, 2000 and Centex Homes, a Nevada General Partnership (collectively "DEVELOPER"), on the other hand, has been completed to the satisfaction of the Public Works Department, and

WHEREAS, the City Engineer has indicated that it would be in order for the City Council to accept the CFD improvements in said subdivision as complete, and authorize the City Clerk to record a Notice of Completion and release the bonds upon expiration of the statutory periods,

WHEREAS, the CFD Engineer shall issue a Notice of Completion as required by the AGREEMENT,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that:

1. The CFD improvements, which include 1562 lineal feet of 48" Storm Drain line and all appurtenances per the AGREEMENT in the SUBDIVISION, are hereby accepted. The City Clerk and the CFD Engineer are hereby authorized to record a Notice of Completion for the improvements.
2. The City Clerk is hereby authorized to release the bond for faithful performance in the amount of \$314,899.00 upon recordation of the Notice of Completion.
3. The City Clerk is hereby authorized to release the bond for labor and materials in the amount of \$314,899.00 sixty (60) days after the recordation of the Notice of Completion, provided no claim is made thereon.
4. The City Clerk is hereby authorized to release the warranty bond to guarantee improvements in the amount of \$31,489.90 one year and one day after the effective date of this resolution, provided no claim is made thereon.

RESOLUTION NO. 2006-260**

**A RESOLUTION REJECTING THE SOLE BID FOR THE PROJECT TITLED  
“2006 WATER WELL DEVELOPMENT” AND AUTHORIZING STAFF TO RE-  
ADVERTISE THE PROJECT AT A FUTURE DATE**

WHEREAS, the bid received for “2006 Water Well Development” was opened at 11:00 a.m. on March 28, 2006, and later tabulated by the Public Works Director for the consideration of the Council, and

WHEREAS, a sole bid by Maggiora Bros. Drilling, Inc., was 44% above the engineer’s estimate, and

WHEREAS, the sole bid for the project unreasonably exceeded the engineer’s estimate, and

WHEREAS, during the bid evaluation process staff determined that there was insufficient bid competition. Therefore, staff recommends the bid be rejected and staff be allowed to re-advertise the project,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the sole bid received for “2006 Water Well Development,” opened in the office of the City Clerk on March 28, 2006, is hereby rejected.

BE IT FURTHER RESOLVED that staff is hereby authorized to re-advertise the project at a future date.

RESOLUTION NO. 2006-261**

**A RESOLUTION DIRECTING STAFF TO SPECIFY A 4-FOOT BY 8-FOOT  
SIGN BE PLACED ON ALL MAJOR CAPITAL IMPROVEMENT PROJECTS  
DESIGNATING FUNDING SOURCES FOR CONSTRUCTION**

WHEREAS, the Building Industry Association of Central California requested a sign be placed on large construction projects designating individual funding sources, and

WHEREAS, a simple sign will contribute clarification and assist in providing public information, and

WHEREAS, the sign should include the name of the project, and

WHEREAS, the sign should also include the funding sources for construction, and

WHEREAS, a sign will be placed on all construction projects in excess of \$1,000,000, and

WHEREAS, each sign will have a white laminate background with white letters, and a brown City logo, and be clearly visible from the roadway,

WHEREAS, on March 13, 2006, the Economic Development Committee recommended a 4-foot by 8-foot public information sign be placed on all major construction projects,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the installation of 4-foot by 8-foot signs on all major capital improvement projects in excess of \$1,000,000, designating funding sources for construction.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25th day of April 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-262**

**A RESOLUTION DENYING THE APPEAL OF BETHANY  
CHRISTIAN SERVICES FOR THE IMPOSITION OR  
MODIFICATION OF CAPITAL FACILITIES FEES FOR THE  
CONSTRUCTION OF AN OFFICE BUILDING LOCATED ON  
THE EAST SIDE OF HAHN DRIVE, SOUTH OF STANDIFORD**

WHEREAS, on January 24, 2006, the Modesto City Council adopted Resolution No. 2006-61 updating its Capital Facilities Fee (CFF) program for the establishment and collection of fees for future capital facilities, and

WHEREAS Resolution No. 2006-61 defines the categories of uses and rates on which the fees will be collected, and

WHEREAS, the categories identified in the CFF program include a broad range of uses based on square footage to ensure that each use pays its share of the CFF based on the anticipated impacts of the development, and

WHEREAS, Bethany Christian Services intends on constructing an 8,000 square foot office building located on Hahn Drive, and

WHEREAS, as a result of the comprehensive study undertaken to enact the CFF program which went into effect in September 2003, the current City practice is to charge office buildings the CFF office rate, regardless of tax status, and

WHEREAS, by letter from Bethany Christian Services dated March 6, 2006, to Jean Morris, City Clerk, Bethany Christian Services is appealing the City's determination of CFF, and

WHEREAS, said appeal was set for a public hearing on April 25, 2006 at 5:30 p.m., before the City Council at its regular meeting place in the Tenth Street Place

Chambers located at 1010 10<sup>th</sup> Street, Modesto, California, at which date and time said duly noticed public hearing was held and evidence, both oral and documentary, was received and considered, and

WHEREAS, after said public hearing, the Council found and determined that the appeal of Bethany Christian Services' to staff's decision regarding the imposition or modification of CFF fees should be denied and staff's decision should be affirmed for the reasons set forth below.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto, that it hereby makes the following findings:

1. The City collects fees to offset the impacts any new development will have on infrastructure and does not exempt non-profit organizations from their responsibility of paying CFF for impacts created by their development.
2. The City Council has reviewed Bethany Christian Services' request and has determined that they should be charged the CFF office rate, rather than the church rate for the construction of a two-story 8,000 square foot building with the proposed use being that of an office and not a church.
3. The City collects CFF to offset the impacts created by new development uses. Those uses have corresponding fees that are associated with the impacts created by the new development and the costs of improvements to the City's infrastructure. Since the proposed use is not a single-family use, it should not be charged the single-family fee, but the office rate based on square footage.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the appeal of Bethany Christian Services regarding the imposition and modification of

Capital Facilities Fees for office buildings that are constructed by non-profit groups with religious affiliations is hereby denied for the reasons stated above.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25<sup>th</sup> day of April 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-263**

**A RESOLUTION AMENDING THE GENERAL FUND FISCAL YEAR 05-06  
OPERATING BUDGET TO REFLECT REVISED REVENUE PROJECTIONS**

WHEREAS, each year the City Council adopts revenue forecasts for the upcoming fiscal year based on staff analysis, and

WHEREAS, those forecasts are reviewed from time to time to assure their validity, and

WHEREAS, there have been changes in the revenue forecasts which require amending the previously adopted revenue projections for FY 05-06 General Fund revenue, and

WHEREAS, these new revenue projections are identified in a staff report to City Council from Finance Department Director, Wayne Padilla dated March 16, 2006, a copy of which is on file in the Office of the City Clerk, and

WHEREAS, the Finance Committee reviewed said revenue information at their meeting of March 16, 2006,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the General Fund operating budget for FY 05-06 to reflect the aforementioned revised revenue projections.

BE IT FURTHER RESOLVED that this action will increase overall major revenue projections in the General Fund for FY 05-06 by an estimated \$6.6 million dollars.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 25<sup>th</sup> day of April 2006, by Councilmember O'Bryant, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-263A**

**A RESOLUTION AUTHORIZING THE PURCHASING MANAGER TO  
FORMALLY SOLICIT REQUEST FOR PROPOSALS, FOR ENTERPRISE  
RESOURCE PLANNING (ERP) PROFESSIONAL SERVICES**

WHEREAS, the City of Modesto conducted a comprehensive analysis to improve business processes and ensure that technology was being used in the most effective and efficient way to support operations, and

WHEREAS, interviews and business process workshops were conducted with associated departments, management and staff, and

WHEREAS, the analysis identified the need for integration and consolidation of existing City systems to improve business processes, and

WHEREAS, this analysis recommended technology improvements and suggested the procurement of an Enterprise Resource Planning (ERP) system, and

WHEREAS, solicitation of independent professional services will assist City in the areas of validating and justifying Enterprise Resource Planning (ERP) system requirements, and to assist in the development of an ERP RFP, the evaluation of the proposals received, and subsequent selection of a vendor and contract negotiations, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000.00 for material, equipment or contractual services to be formally bid,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the Purchasing Manager to solicit Request For Proposals for Enterprise Resource Planning Professional Service as set forth above.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2<sup>nd</sup> day of May, 2006 by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmemeber Hawn, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-264**

**A RESOLUTION APPROVING AN AGREEMENT WITH STANISLAUS COUNTY, BEHAVIORAL HEALTH AND RECOVERY SERVICES (BHRS), IN THE AMOUNT OF \$32,000 TO PROVIDE PARTY PATROL POLICE OFFICERS AND CONDUCT JUVENILE ALCOHOL EDUCATION, PREVENTION AND INTERVENTION PROGRAMS FOR THE CITY OF MODESTO AND STANISLAUS COUNTY, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, Stanislaus County, Behavioral Health and Recovery Services (BHRS) requires Party Patrol Police Officers to contact, identify and hold accountable minors drinking illegally at home parties and in violation of the law, and

WHEREAS, the Modesto Police Department has developed a first-time offender juvenile alcohol education, prevention and intervention program, and

WHEREAS, minors contacted by the Party Patrol will be cited and required to attend diversion classes with their parents, and

WHEREAS, the goal of the class is to make minors and parents aware of the dangers related to minors consuming alcohol, and

WHEREAS, the Modesto Police Department has seen a reduction in alcohol related injuries and deaths related to juveniles and alcohol since Party Patrol was established, and

WHEREAS, the term of this agreement is February 10, 2006, to September 30, 2006, and

WHEREAS, the City shall be compensated \$32,000 for the services of Party Patrol Police Officers and the juvenile alcohol education, prevention and intervention program, and

WHEREAS, there is no fiscal impact to the City of Modesto, and

WHEREAS, the Safety and Communities Committee unanimously supported this action at its meeting of April 3, 2006,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the agreement with Stanislaus County, Behavioral Health and Recovery Services (BHRS) in the amount of \$32,000 for the provision of Party Patrol Police Officers and the juvenile alcohol education, prevention and intervention program for the City of Modesto and Stanislaus County.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2<sup>nd</sup> day of May 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

WHEREAS, there is no fiscal impact to the City of Modesto, and

WHEREAS, the Safety and Communities Committee unanimously supported this action at its meeting of April 3, 2006,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the 2005/2006 Operating Budget is hereby amended as follows:

Appropriate:

Expense:  
To: 0100-190-1921-0130 \$32,000 Officers' Overtime Hours Cost

Revenue:  
To: 0100-190-1921-3730 \$32,000 School/County Contribution

BE IT FURTHER RESOLVED that the Finance Director, or his designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2<sup>nd</sup> day of May 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-266**

**A RESOLUTION APPROVING A CITY OF MODESTO/CALIFORNIA  
DEPARTMENT OF TRANSPORTATION (CALTRANS) "LETTER OF INTENT"  
(LOI) FOR THE KAISER BUILD DALE ROAD/KIERNAN AVENUE (STATE  
ROUTE 219) INTERSECTION RECONSTRUCTION**

WHEREAS, Council Resolution No. 2004-451 approved the Kaiser Medical Center Conditions of Approval, and

WHEREAS, the Kaiser Medical Center Conditions of Approval included a project titled, "Dale Road and Kiernan Avenue," an interim capacity and operational improvement project at Dale Road/Kiernan Avenue (SR 219) intersection, and

WHEREAS, the Dale Road/SR 219 Intersection is located in the northwest quadrant of the City of Modesto and will provide access to the Kaiser Modesto Medical Center, and

WHEREAS, the northwest portion of the City is undergoing rapid commercial and residential development along with the Kaiser Modesto Medical Center construction, all of which will generate considerable traffic at this intersection, and

WHEREAS, during peak traffic flow periods, intersection traffic is frequently backed up several hundred feet along SR 219 and blocks both through and turning traffic in all legs of the intersection, and

WHEREAS, Traffic Engineers rate service levels for roadways and intersections from "A" for excellent, to "F" for failure; and presently, the SR 219/Dale Road Intersection operates at Level of Service "F" during peak flow times, and with continued development in the northwest portion of the City, this condition will only be exasperated as more traffic is added to the intersection, and

WHEREAS, the City and Caltrans anticipate completion of the construction of the Dale Road/SR 219 intersection reconstruction by November 2007, and

WHEREAS, the current critical path of the project is to complete review and approval of the combined Project Report/Project Study Report (PR/PSR) by May 2006; Final Project Design by December 2006; Right-of-Way Certification by March 2007; and Start of Construction by April 2007, and

WHEREAS, to achieve a November 2007 completion milestone, the necessary design approval and environmental clearance, right-of-way certification, and start of construction must be completed as scheduled, and

WHEREAS, a major constraint on these critical path activities is the approval of the Letter of Intent, which allows Caltrans staff to complete the PR/PSR review process and recommend approval by the Caltrans District Director, and

WHEREAS, approval of the PR/PSR by the District Director is effectively an authorization by Caltrans to start final design,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Letter of Intent for the design and construction of the intersection improvements at Dale Road and Kiernan Avenue (SR219).

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2nd day of May 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-267**

**A RESOLUTION APPROVING THE PLANS AND SPECIFICATIONS FOR THE  
“MODESTO POLICE DEPARTMENT TRAINING CENTER RANGE  
BUILDING”, ACCEPTING THE BID AND APPROVING A \$286,192.17  
CONTRACT WITH BARHAM, INC., FOR THE PROJECT TITLED,  
“MODESTO POLICE DEPARTMENT TRAINING CENTER RANGE  
BUILDING,” AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE  
CONTRACT**

WHEREAS, plans and specifications have been prepared for the “Modesto Police Department Training Center Range Building” and City staff recommends approval to the City Council, and

WHEREAS, the bids received for “Modesto Police Department Training Center Range Building” were opened at 11:00 a.m. on March 21, 2006, and later tabulated by the Public Works Director for the consideration of the Council, and

WHEREAS, the Public Works Director has recommended that the bid of \$286,192.17 received from Barham, Inc., be accepted as the lowest responsible bid and the contract be awarded to Barham, Inc.,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the plans and specifications for the “Modesto Police Department Training Center Range Building.”

BE IT FURTHER RESOLVED that the Council hereby accepts the bid of \$286,192.17, and hereby awards Barham, Inc., the contract titled “Modesto Police Department Training Center Range Building.”

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the contract.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2nd day of May 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-268**

**A RESOLUTION AMENDING THE FY 05-06 OPERATING AND CAPITAL IMPROVEMENT PROGRAM BUDGET TO DECREASE THE TOOL, SHOP AND FIELD SUPPLIES IN THE SUPPORT DIVISION BY \$19,000 (0100-190-1921-0308) AND AN ACCOUNT SET UP FOR TRAINING SITE MAINTENANCE WITHIN THE POLICE DEPARTMENT BUDGET BY \$10,000 (0100-190-1930-5763) TO OBTAIN THE ONE-TIME ALLOCATION INCREASE TO THE POLICE TACTICAL TRAINING CENTER CIP FUND 1300-190-M168 BY \$29,000**

WHEREAS, plans and specifications have been prepared for the “Modesto Police Department Training Center Range Building” and City staff recommends approval to the City Council, and

WHEREAS, the bids received for “Modesto Police Department Training Center Range Building” were opened at 11:00 a.m. on March 21, 2006, and later tabulated by the Public Works Director for the consideration of the Council, and

WHEREAS, the Public Works Director has recommended that the bid of \$286,192.17 received from Barham, Inc., be accepted as the lowest responsible bid and the contract be awarded to Barham, Inc., and

WHEREAS, the Engineer’s estimate and the bids are considered reasonable whenever any of the bids are within 10% of the Engineer’s estimate, and

WHEREAS, the low bidder was within 4.79% of the Engineer’s estimate, and

WHEREAS, the Public Works Director has determined that \$29,000 in additional funds are required to fully fund the construction of this project, and

WHEREAS, the Finance Department has indicated that there are sufficient funds in 0100-190-1921-0308 and 0100-190-1930-5763 for the appropriation of this project

within the FY 2005-2006 Capital Improvement Program Budget to fully fund MY-1300-190-M168,

WHEREAS, the Public Works Department, Engineering Design Division has requested amending the Fiscal Year 2005-2006 Capital Improvement Program to fully fund the construction project for the Modesto Police Department Training Center Range Building, and

WHEREAS, the appropriation transfer requests are as follows:

- Decrease \$29,000 from 0100-190-1921-0308 and 0100-190-1930-5763
- Increase \$29,000 to the Police Tactical Training Center account: (MY-1300-190-M168-6040),

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the FY 05-06 Operating and Capital Improvement Program budget to decrease the Tool, Shop and Field Supplies in the Support Division by \$19,000 (0100-190-1921-0308) and an account set up for Training Site Maintenance within the Police Department budget by \$10,000 (0100-190-1930-5763) to obtain the one-time allocation increase to the Police Tactical Training Center CIP Fund 1300-190-M168 by \$29,000 to fully fund the Modesto Police Department Training Center Range Building Project.

BE IT FURTHER RESOLVED that the Finance Director, or his designee, is hereby authorized to take the steps necessary to amend the Capital Improvement Program Budget.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2nd day of May 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-269**

**A RESOLUTION AUTHORIZING THE PUBLIC WORKS DEPARTMENT TO  
JOIN THE CALIFORNIA ASSOCIATION OF SANITATION AGENCIES  
(CASA) AT A COST OF \$9,573 FOR THE REMAINDER OF THE CALENDAR  
YEAR AND INCLUDE \$12,753 IN FY 06/07 BUDGET FOR ANNUAL DUES**

WHEREAS, the California Association of Sanitation Agencies (CASA) is an association of local public sanitation agencies that provides collection, treatment, disposal, or reclamation of wastewater, and

WHEREAS, CASA provides an excellent forum for elected officials, managers, and staff of California wastewater agencies to keep up to date on legislation, regulations, and legal developments that impact their agencies and cities, and

WHEREAS, CASA recently amended its bylaws to allow cities to join, and

WHEREAS, the cities of Los Angeles, San Francisco, San Diego, and Sacramento are now members of CASA, and

WHEREAS, CASA offers a wide range of services to its members, including legislative advocacy at the state and federal levels, a regulatory affairs program, a legal affairs program, a biosolids program, and a variety of other services, and

WHEREAS, this organization provides an excellent opportunity for city council members, city attorneys, and wastewater management to learn the most current industry information at workshops held three times each year, and

WHEREAS, the City will benefit from membership in this organization because of the ever-changing regulatory climate, advanced treatment facilities, and new NPDES permit requirements, and

WHEREAS, dues for CASA are based on an agency's wastewater operations and maintenance budget, and are prorated based on when the agency applies for membership during the calendar year, and

WHEREAS, staff anticipates a cost of \$9,573 for membership in 2006 and funds are budgeted in 6210-480-5212-0401, and

WHEREAS, annual dues in the amount of \$12,763, starting January 2007 will be budgeted in FY 06/07 budget in 6210-480-5209-0401, and

WHEREAS, the Economic Development Committee considered this item at its April 5, 2006 meeting and recommended its approval and consideration by the full Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the Public Works Department to join the California Association of Sanitation Agencies (CASA) at a cost of \$9,573 for the remainder of the calendar year and to include \$12,763 in the FY 06/07 budget for annual dues.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2nd day of May 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-270**

**A RESOLUTION AUTHORIZING THE PURCHASING MANAGER TO  
SOLICIT FORMAL REQUEST FOR PROPOSALS (RFP) FOR THE PURCHASE  
OF WATER QUALITY CONTROL LABORATORY EQUIPMENT (PHASE 1)  
FOR THE WATER QUALITY CONTROL DIVISION AT AN ESTIMATED  
COST OF \$342,750**

WHEREAS, on October 25, 2005, Council, by Resolution 2005-537, approved the Capital Improvement Program (CIP) budget for FY 05-06, and

WHEREAS, a project to remodel the Water Quality Control (WQC) Lab (B584-WQC Lab Remodel) is included in this CIP, and

WHEREAS, this project includes the purchase of new advanced technology equipment to be used in various types of water analyses, and the remodel of the existing laboratory to house the new equipment, and

WHEREAS, Phase 1 of the scope of the project includes funding in the amount of \$342,750 for the purchase of the new advanced technology equipment, and

WHEREAS, authorization for bids for the WQC Lab Remodel has been approved under a separate resolution, and

WHEREAS, the WQC Lab analyzes drinking water samples from the Water Division and stormwater and NPDES samples (wastewater and river waters) per permit regulations, and

WHEREAS, some samples are sent to an outside lab for analysis, and

WHEREAS, the new laboratory equipment will allow the performance of a variety of water testing in-house rather than contracting with an outside laboratory, and

WHEREAS, this will save expenditures, as well as, response time for both the Water Division and the WQC Lab, and

WHEREAS, with the addition of this equipment and after certification by the Department of Health, staff anticipates future revenues from an increased ability to perform additional tests in-house for other outside divisions, agencies and cities by laboratory staff, and

WHEREAS, the Modesto Municipal Code, MMC 8-3.203, generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid, and

WHEREAS, the issuance of a formal Request for Proposal for the purchase of water quality control laboratory equipment will conform to MMC Section 8-3.203,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. The City Clerk is hereby authorized to call for public competitive sealed proposals for the purchase of water quality control laboratory equipment to be opened in the office of the City Clerk, 1010 Tenth Street, in the City of Modesto. The City Clerk shall be directed to give notice inviting such sealed bids in the time, form, and manner provided by law.

SECTION 2. After the sealed proposals are opened they shall be tabulated and analyzed by the Purchasing Division and the Water Quality Control Division and a report submitted to Council.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2nd day of May 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION AUTHORIZING THE SOLICITATION OF BIDS FOR THE  
REMODEL OF THE WATER QUALITY CONTROL (WQC) LAB AT AN  
ESTIMATED TOTAL COST OF \$140,000**

WHEREAS, on October 25, 2005, Council, by Resolution 2005-537, approved the Capital Improvement Program (CIP) budget for Fiscal Year 05-06, and

WHEREAS, a project to remodel the Water Quality Control lab (B584-WQC Lab Remodel) is included in this CIP, and

WHEREAS, this project will create additional space within the existing laboratory to house new advanced technology equipment used in various types of water analyses, and

WHEREAS, authorization for request for proposals for the new equipment has been authorized under a separate resolution, and

WHEREAS, after completion of the remodel, laboratory staff will be able to perform a variety of water testing in-house rather than contracting with an outside laboratory, and

WHEREAS, City staff contracted with Pacific Design Associates Inc. for the design of drawings and specifications for the WQC Lab remodel, and

WHEREAS, Pacific Design Associates Inc. expects to have these drawings and specifications completed by the end of April, and

WHEREAS, the Public Works Department desires to solicit bids for the remodel of the WQC Lab, and

WHEREAS, funds are budgeted in WQC Lab Remodel (B584),

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes solicitation of bids for the remodel of the WQC Lab at an estimated cost of \$140,000.

MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-272

THIS RESOLUTION WAS  
RESCINDED BY MODESTO  
CITY COUNCIL RESOLUTION  
NO. 2007-282

WHEREAS, Section 7-3.401 of the Modesto Municipal Code authorizes Council, by resolution, to establish rental charges and fees for activities and services at the Modesto City-County Airport/Harry Sham Field, and

WHEREAS, Modesto City Council Resolution No. 2003-267 provides for Airport rate increases based upon the Consumer Price Index (CPI) for All Urban Consumers for the western United States, and

WHEREAS, during the past year the Consumer Price Index (CPI) of the western United States increased at a rate of three and one-tenths percent (3.1%), and

WHEREAS, Modesto City Council Resolution No. 2005-252 established the current Airport Rental Charges and Fees and contained provisions for a rate increase to go into effect July 1, 2005 based upon an increase in the Consumer Price Index, and

WHEREAS, the Modesto City-County Airport Advisory Committee recommended adoption of the 3.1% rate increase at its meeting on March 15, 2006, and

WHEREAS, by an agenda report to the Economic Development Committee on April 5, 2006 from the Public Works Director, City staff recommended a rate increase of 3.1% for aircraft hangars, office space, and tie-down rentals, and

WHEREAS, a duly noticed public hearing was held by the Council on May 2, 2006 at 5:30 p.m. in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California, at which hearing all interested persons were given the opportunity to

be heard relative to the proposal to increase the rates and charges for the Modesto City-County Airport's aircraft hangars, office space, and tie-down rentals,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. HANGARS. Rental charges for the rental of hangars at the Modesto City-County Airport/Harry Sham Field are hereby established as follows, payable in advance:

(a) T-Hangars

Hangar A	.....	\$121/*\$148 unit per month
End Units	.....	\$140/*\$167 unit per month
Hangar B	.....	\$146/*\$173 unit per month
End Units	.....	\$181/*\$208 unit per month
Hangar C	.....	\$154/*\$182 unit per month
End Units	.....	\$187/*\$213 unit per month
Hangar D	.....	\$138/*\$165 unit per month
End Units	.....	\$164/*\$192 unit per month
Hangar E	.....	\$201 unit per month
End Units	.....	\$235 unit per month
Hangar F	.....	\$201 unit per month
End Units	.....	\$235 unit per month
Hangar G	.....	\$201 unit per month
Hangar H	.....	\$201 unit per month
Hangar I	.....	\$394 unit per month
Hangar J	.....	\$201 unit per month
Hangar K	.....	\$226 unit per month
End Unit	.....	\$338 unit per month
Storage	.....	\$80 per month

Portable Land Rent ..... \$59 unit per month

(\* T-Hangars A – D with electrical service)

(b) Storage Hangars:

Hangar No. 1 .... \$1,475.00 per month

Hangar No. 2 .... \$1,231.00 per month

Hangar No. 3 .... \$648.00 per month

Hangar No. 4 .... \$1,103.00 per month

Hangar No. 5 .... \$1,098.00 per month

Hangar No. 6 .... \$643.00 per month

A five percent (5%) discount will be made in any of the above rental charges when a year's lease is entered into and the year's rental charges are paid in advance.

SECTION 2. TIE-DOWN FEES. Tie-down charges and fees at the Modesto City-County Airport/Harry Sham Field are hereby established as follows, payable in advance:

- (a) Tail-in Tie-Down – Permanent, light single and multi-engine (under 12,500 lbs.) \$37.00 per month
- (b) Taxi-in Tie-Down – Permanent, light single and multi-engine (under 12,500 lbs.) \$59.00 per month
- (c) Taxi-in Tie-Down – Permanent, large multi-engine (over 12,500 lbs.) \$.043 per square foot per month
- (d) Taxi-in Tie-Down – Transient, helicopter/single-engine aircraft \$7.00 per day
- (e) Taxi-in Tie-Down – Transient, twin-engine aircraft (under 12,500 lbs.) \$9.00 per day

- (f) Taxi-In Tie-Down – Transient, twin-engine aircraft (over 12,000 lbs.)  
\$13.00 per day
- (g) Jets – \$13.00 per day

A five-percent (5%) discount will be made in the rental charges set forth in subparagraphs (a), (b), and (c), above when a year's lease is entered into and the year's rental charges are paid in advance.

A volume discount may be given to Fixed Base Operators (FBO) that operate flight schools for light single and multi-engine aircraft (under 12,500 lbs.) for tie-down spaces as set forth in subsections (a) and (b) above. For every two tail-in spaces the FBO agrees to lease, one taxi-in tie-down may be leased for the same price as a tail-in tie-down.

Overnight tie-down of aircraft belonging to or in the custody or possession of a lessee at the Modesto City-County Airport/Harry Sham Field shall be subject to the normal tie-down charge as specified by this section.

SECTION 3. OFFICE SPACE. The monthly charge for office spaces at the Modesto City-County Airport/Harry Sham Field are hereby established as follows:

- (a) Old Administration Building ..... \$.81 per square foot
- (b) Office Building No. 1 ..... \$.81 per square foot
- (c) Office Building No. 2 ..... \$.81 per square foot
- (d) Hangar Office Space ..... \$.367 per square foot

SECTION 4. TEMPORARY USE OF AIRPORT PASSENGER TERMINAL. Organization and service providers desiring to temporarily use the passenger terminal will be charged a daily rate:

- (a) Ticket counter ..... \$.069 per square foot
- (b) Other areas ..... \$.069 per square foot

SECTION 5. NONSCHEDULED TRANSIENT AIRCRAFT CARRYING

PASSENGERS AND/OR CARGO FOR HIRE. Aircraft landing at the Modesto City-County Airport/Harry Sham Field shall pay a landing fee as follows:

- (a) All light single, multi-engine aircraft and helicopters - \$10.00 per landing
- (b) All large single and multi-engine aircraft – \$.66 per 1,000 pounds of gross weight, but not less than \$10.00 per landing
- (c) All transient aircraft owned and operated by individuals, companies, and corporations carrying their own products shall not be charged for the first two (2) trips per calendar months. All other trips for the same calendar month shall be charged for at the same rates applied to nonscheduled aircraft carrying cargo for hire.
- (d) No landing fee shall be charged for any aircraft, which lands at the airport due to any mechanical or other emergency, except weather, provided that such emergency is reported to the Airport Control Tower prior to landing.

SECTION 6. PASSENGER FACILITY CHARGE (PFC). Commercial air

carrying passengers excluding “frequent flyers” or similar airline bonus award enplaning at Modesto City-County Airport/Harry Sham Field shall pay a PFC as approved by Federal Aviation Regulations (FAR) Part 158.

- (a) Enplane passenger by airline \$3.00 per ticket passengers.

SECTION 7. ADVERTISEMENT CALLBOARD. Firms wishing to advertise in

the airport passenger terminal shall have an approved agreement with the City of Modesto. A monthly charge shall be assessed for the use of the advertisement callboard as follows

<u>Display Size</u>	<u>Display Only</u>	<u>Display &amp; Telephone</u>
7.5” x 9.5”	\$30.00	\$50.00

7.5" x 21"	\$35.00	\$55.00
19" x 21"	\$40.00	\$60.00

SECTION 8. FAX SERVICE. Persons wishing to use the airport administration office fax machine shall be charged for the service. Airport personnel is authorized to collect as follows:

- (a) Incoming Service ..... \$.50 per page
- (b) Outgoing Service ..... Area code 209 - \$1.00 per page  
Other area codes - \$2.00 first page  
\$1.50 - all other pages

SECTION 9. PERMANENTLY BASED COMMERCIAL SERVICES. Any person engaging in a commercial enterprise permanently based at the Modesto City-County Airport/Harry Sham Field shall pay to the City a fee equivalent to the City Business License Fees set forth in Chapter 1 of Title 6 of the Modesto Municipal Code, except that a minimum fee of \$100 will be paid for each aircraft sold, for the privilege of engaging in business in the City of Modesto and on the Airport. Said sum shall be payable at the time and in the manner provided for in Chapter 1 of Title 6 of the Modesto Municipal Code.

SECTION 10. FUEL FLOWAGE FEES. A fuel flowage fee of six cents (\$.06) per gallon of fuel sold or dispensed on the Airport shall be collected for the City of Modesto by the fuel vendors, except that reduced fuel flowage fees collected from scheduled air carriers can be negotiated for volume purchases.

SECTION 11. TEMPORARILY BASED COMMERCIAL SERVICES. Any person engaging in a commercial enterprise, temporarily based at the Modesto City-County Airport/Harry Sham Field, shall pay to the City a license fee in the sum of Two Hundred and no/100ths (\$200.00) Dollars, payable in advance.

Each such operator shall also pay to the City as a minimum an additional sum of Ninety and no/100ths (\$90.00) Dollars per month, or any portion thereof, payable in advance, for the privilege of using the Airport and its facilities.

SECTION 12. OFF-AIRPORT CAR RENTAL OPERATOR FEE. Off-airport operators picking up customers at the Modesto City-County Airport/Harry Sham Field will pay to the City of Modesto the greater of ten percent (10%) of gross on time mileage of vehicles rented or the monthly charge for passenger terminal advertisement space and callboard phone service. Additionally, the operators will be assessed a parking fee at the same rate on-airport car rental operators are charged for vehicles left in the public parking area overnight.

SECTION 13. MOTOR VEHICLE STORAGE CHARGES. Any person who parks a motor vehicle at the Modesto City-County Airport/Harry Sham Field for longer than thirty (30) days at a time shall pay to the City a parking fee of Twenty-five and no/100ths (\$25.00) Dollars per month, payable in advance.

SECTION 14. PENALTIES. A five percent (5%) per month penalty charge shall be made on any of the charges and fees established by this resolution when such charges and fees are not paid within thirty (30) days after they are due and payable. No penalties will be collected on the PFC.

SECTION 15. ANNUAL ADJUSTMENT OF RENTS, FEES AND CHARGES. Commencing July 1, 2005, the rents, fees and charges set forth in Sections 1, 2, and 4 of this resolution may be adjusted annually as of the first day of July.

Said rents, fees, and charges shall be adjusted in the following manner: The base for computing the adjustment is the National Consumer Price Index for the West Urban

(all urban consumers), published by the United States Department of Labor, Bureau of Labor Statistics ("Index"), with a base year of 1982 – 1984 = 100 ("Beginning Index"). The Index published most immediately preceding the Adjustment Date in question ("Adjustment Index") is to be used in determining the amount of the adjustment. If the Adjustment Index has increased over the Beginning Index, the rents, fees and charges set forth in this resolution shall be set by multiplying the rents, fees and charges set forth in this resolution by a fraction, the numerator of which is the Adjustment Index and the denominator of which is the Beginning Index.

In no case shall the minimum rents, fees and charges be less than existing approved and adopted rents, fees and charges nor shall any increase in a year be greater than five (5%) percent. If the indexes change so that the base year differs from that in effect on July 1, 2005, the Index shall be converted in accordance with the conversion factor published by the United States Department of Labor, Bureau of Labor Statistics. If the Index is discontinued or revised at any time after the effective date of this resolution, such other government index or computation with which it is replaced shall be used in order to obtain substantially the same result as would be obtained if the Index had not been discontinued or revised.

SECTION 16. EFFECTIVE DATE. This resolution shall go into effect and be in full force and operation on July 1, 2006.

SECTION 17. SUPERSEDE. This resolution rescinds Council Resolution No. 2005-252.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2<sup>nd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

APPROVING A TAX-EXEMPT BOND FINANCING TO BE ISSUED BY THE  
CALIFORNIA STATEWIDE COMMUNITIES DEVELOPMENT AUTHORITY  
TO BENEFIT KAISER PERMANENTE**

WHEREAS, Kaiser Foundation Hospitals, Kaiser Foundation Health Plan, Inc., Kaiser Health Plan Asset Management, Inc., Kaiser Hospital Asset Management, Inc., each a nonprofit public benefit corporation (collectively, "Kaiser"), have requested that the California Statewide Communities Development Authority (the "Authority") issue bonds in one or more series in an aggregate principal amount not to exceed \$800,000,000 (the "Bonds") for the purpose of, among other things, financing and refinancing the cost of acquisition, construction, improvement, equipping, renovation, rehabilitation, remodeling and other capital projects (the "Financing") of certain health, parking and other support facilities owned or operated by Kaiser Foundation Hospitals or one of its affiliates, including the facility known as Modesto Hospital and Medical Office Building (the "Facilities") located in the City of Modesto (the "City"); and

WHEREAS, the Kaiser Facilities are situated (or to be situated) generally at the following addresses and up to the approximate expenditure amount noted for such facilities: (i) Modesto Hospital and Medical Office Building, 4609 Dale Rd., Modesto, CA (approximate expenditure amount of \$475,000,000); and (ii) Kaiser's facilities located elsewhere in California (approximate expenditure amount of \$840,000,000). The above location expenditure amounts include expected equity contributions by Kaiser or its affiliates and additional contingencies and therefore total to more than the not-to-exceed amount of the Bonds. The facilities listed above are owned and operated by

Kaiser or one of its affiliates, each a California nonprofit public benefit corporation and an organization as described in Section 501(c)(3) of the Code; and

WHEREAS, pursuant to Section 147(f) of the Internal Revenue Code of 1986 (the “Code”), the issuance of the Bonds by the Authority must be approved by the City because the Facilities are located within the territorial limits of the City; and

WHEREAS, the City Council of the City (the “Council”) is the elected legislative body of the City and is one of the applicable elected representatives required to approve the issuance of the Bonds under Section 147(f) of the Code; and

WHEREAS, the Authority has requested that the Council approve the issuance of the Bonds by the Authority in order to satisfy the public approval requirement of Section 147(f) of the Code and the requirements of Section 9 of the Amended and Restated Joint Exercise of Powers Agreement, dated as of June 1, 1988 (the “Agreement”), among certain local agencies, including the City; and

WHEREAS, the Authority is also requesting that the Council approve the issuance of any refunding bonds hereafter issued by the Authority for the purpose of refinancing the Bonds which financed the Facilities (the “Refunding Bonds”), but only in such cases where federal tax laws would not require additional consideration or approval by the Council; and

WHEREAS, pursuant to Section 147(f) of the Code, the Council has, following notice duly given, held a public hearing regarding the issuance of the Bonds, and now desires to approve the issuance of the Bonds by the Authority;

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Modesto as follows:

Section 1. The Council hereby approves the issuance of the Bonds and Refunding Bonds by the Authority. It is the purpose and intent of the Council that this Resolution constitute approval of the issuance of the Bonds and Refunding Bonds by the Authority, for the purposes of (a) Section 147(f) of the Code by the applicable elected representative of the governmental unit having jurisdiction over the area in which the Facilities are to be located, in accordance with said Section 147(f) and (b) Section 9 of the Agreement.

Section 2. The City Manager, or his designee, is hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they deem necessary or advisable in order to carry out, give effect to and comply with the terms and intent of this Resolution and the financing transaction approved hereby.

Section 3. This Resolution shall take effect immediately upon its adoption.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2<sup>nd</sup> day of May, 2006, by Councilmember Hawn, who moved its adoptions, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

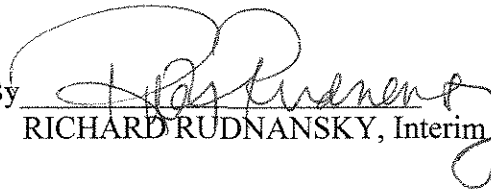

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen,  
Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-274**

**A RESOLUTION APPROVING \$339,326 IN COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PUBLIC SERVICE FUNDING FOR FY 2006-2007, EXTENDING FY 2005-2006 CONTRACTS FOR HOMELESS SERVICES FUNDED WITH CDBG REVOLVING LOAN FUND (RLF) FROM ONE TO TWO YEARS, AND FUNDING SAID CONTRACTS FOR A TOTAL OF \$56,750 FOR FY 2006-2007 AND EXTENDING FY 2005-2006 CONTRACTS FUNDED WITH EMERGENCY SHELTER GRANT (ESG) FROM ONE TO TWO YEARS, AND FUND SAID CONTRACTS FOR A TOTAL OF \$104,098 FOR FY 2006-2007, AND AUTHORIZING THE CITY MANAGER OR HIS DESIGNEE TO SIGN AND EXECUTE THE AGREEMENTS**

WHEREAS, the City of Modesto receives several Federal grants from the United States Department of Housing and Urban Development (HUD), and

WHEREAS, the City receives a Community Development Block Grant (CDBG) and an Emergency Shelter Grant (ESG), and

WHEREAS, the City receives these grants annually because of its population size, number of households living below the poverty level, and the number of housing units that are considered substandard, and

WHEREAS, a maximum of fifteen percent (15%) of the City's available CDBG entitlement plus an amount up to 15% of prior year's program income and the prior year's program income from the Revolving Loan Fund, may be allocated for the purposes of providing assistance that is consistent with the functions of CDBG funding to very-low, low and moderate income persons and families residing within the city limits of Modesto, and

WHEREAS, in Fiscal Year 2006-2007, 15% of the City's available CDBG entitlement plus prior year program income is \$394,326, and 15% of prior year's CDBG Revolving Loan Fund program income is \$56,750, and

WHEREAS, the available ESG entitlement is \$104,098, and

WHEREAS, a total of \$55,000 is set aside for city-administered programs, and

WHEREAS, a total of \$56,750 is set aside for homeless services only, and

WHEREAS, the Citizens Housing and Community Development Committee (CH&CDC) recommended that staff extend the public services contracts from one to two years for non-profit agencies that utilize the CDBG RLF Homeless Services Funds and the Emergency Shelter Grant Funds (ESG), at its meeting on October 28, 2005, and

WHEREAS, this recommendation was based on the premise that an extended contract would allow the non-profit agencies the ability to leverage funds to increase services, and reductions in the administrative workload would increase the ability of the non-profit agencies to augment current homeless services; additionally, this will result in a minimum of 30 hours of City's staff time that can be redirected, and

WHEREAS, at its March 24, 2006, meeting, the Citizens Housing & Community Development Committee (CH&CDC) recommended allocation of \$339,326 in available funds to qualified non-profit agencies for public services as set forth in Exhibit "1", attached hereto and incorporated by reference, and

WHEREAS, CH&CDC also recommended that \$56,750 be allocated for services for the homeless as set forth in Exhibit "2", attached hereto and incorporated by reference, and

WHEREAS, the CH&CDC recommended \$104,098 be allocated for emergency shelter services as set forth in Exhibit "3", attached hereto and incorporated by reference, and

WHEREAS, at a public meeting on March 24, 2006, the Citizens Housing and Community Development Committee recommended funding as set forth in Exhibits "1", "2" and "3" attached hereto and incorporated by reference,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves the allocation of \$339,326 in Community Development Block Grant (CDBG) funds for public services as set forth in Exhibit "1".

BE IT FURTHER RESOLVED that the Council hereby approves the allocation of \$56,750 in CDBG Revolving Loan funds for services for the homeless as set forth in Exhibit "2".

BE IT FURTHER RESOLVED that the Council hereby approves the allocation of Emergency Shelter Grant (ESG) funds of \$104,098 for emergency shelter services for Fiscal Year 2006-2007 as set forth in Exhibit "3".

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the City Manager or his authorized designee is hereby authorized to execute any documents with respect to implementation of the allocation of Fiscal Year 2006-2007 CDBG, CDBG Revolving Loan Fund, and ESG Public Service Grant funds.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2<sup>nd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-275**

**A RESOLUTION AUTHORIZING STAFF TO PREPARE A REQUEST FOR  
INFORMATION (RFI) TO SECURE A FAIR HOUSING/FAIR HOUSING  
SUPPORT SERVICES**

WHEREAS, the City of Modesto receives several Federal grants from the United States Department of Housing and Urban Development (HUD), and

WHEREAS, the City receives a Community Development Block Grant (CDBG) and an Emergency Shelter Grant (ESG), and

WHEREAS, the City receives these grants annually because of its population size, number of households living below the poverty level, and the number of housing units that are considered substandard, and

WHEREAS, for Fiscal Year 2006-2007, there are no Public Service grant applicants recommended to provide Fair Housing/Fair Housing Support Services, and

WHEREAS, Fair Housing is a required annual activity by HUD and provision of this service is necessary to meet service goals through the Housing and Community Development Act of 1974 and the 2005-2009 Consolidated Plan, and

WHEREAS, staff is seeking approval to prepare a Request for Information (RFI) to select a Fair Housing provider, and

WHEREAS, staff will bring forward a recommendation for a provider at a future meeting,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes staff to prepare a Request for Information (RFI) to select a Fair Housing provider.

BE IT FURTHER RESOLVED that staff is hereby directed to bring forward its recommendation for a provider at a future meeting.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2<sup>nd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-276**

**A RESOLUTION FINDING THAT THE FOLLOWING PROJECT IS WITHIN  
THE SCOPE OF THE PROJECT COVERED BY THE MODESTO URBAN  
AREA GENERAL PLAN MASTER ENVIRONMENTAL IMPACT REPORT  
(SCH NO. 1999082041): PAMELA MONTEROSSO PARK**

WHEREAS, on March 4, 2003, by Resolution No. 2003-123, the City Council of the City of Modesto certified the Final Master Environmental Impact Report (“Master EIR”) (SCH NO. 1999082041) for the Modesto Urban Area General Plan, and

WHEREAS, Section 21157.1 of the Public Resources Code, relating to reviewing subsequent projects for a Master EIR, states that the lead agency shall prepare an Initial Study on any proposed subsequent project to analyze whether the subsequent project may cause any significant effect on the environment that was not examined in the master environmental impact report and whether the subsequent project was described in the master environmental impact report as being within the scope of the project, and

WHEREAS, the City’s Parks, Recreation and Neighborhoods Department, by Environmental Assessment Initial Study, EA/PR&N No. 2006-05 (“Initial Study”), reviewed the proposed development and construction of the Pamela Monterosso Park project to determine whether the proposed project is within the scope of the project covered by the Modesto Urban Area General Plan Master Environmental Impact Report, and made the determination that the proposed project will have no additional significant effect on the environment that was not identified in the Master EIR and, further, that no new or additional mitigation measures or alternatives are required, and that, therefore, the proposed project is within the scope of the project covered by the Master EIR, and

WHEREAS on May 2, 2006, concurrently with this resolution, the City Council considered approving and adopting the Pamela Monterosso Park project, which includes: adoption of the Master Plan and Design Development Report, and

WHEREAS, in accordance with the CEQA guidelines, on April 8, 2006, the City caused to be published a 20-day notice of the City's intent to make a finding of conformance with the Initial Study and the Modesto Urban Area General Plan EIR, and

WHEREAS, said matter was considered by the City Council at a duly noticed public hearing which was held on May 2, 2006, at 5:30 p.m., in the Tenth Street Place Chambers located at 1010 10<sup>th</sup> Street, Modesto, California,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council has reviewed and considered the Initial Study No. EA/ PR&N 2006-05, entitled "Proposed Design and Development of Pamela Monterosso Park", for the proposed project, a copy of which is attached hereto as Exhibit "A" and incorporated herein by reference, and based on the substantial evidence included in said Initial Study makes the following findings:

- A. The type of project is described in Chapter II of the Master EIR.
- B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.
- C. An Initial Study (EA/PR&N #2006-05) was prepared by the City of Modesto that analyzed whether the proposed subsequent project may cause any significant effect on the environment that was not examined in the MEIR and it has been determined that the project was described in the MEIR as being within the scope of the MEIR.
- D. Based on the Initial Study, the City of Modesto finds and determines:
  - a) The proposed subsequent project will have no additional significant effect as defined in CEQA Section 21158 that was not identified in the MEIR.
  - b) No new or additional mitigation measures or alternatives are required.

A copy of said Environmental Assessment No. EA/PR&N 2006-05, entitled "Proposed Design and Development of Pamela Monterosso Park", is on file and available in the City Clerk's Office.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Parks, Recreation and Neighborhoods Director is hereby authorized and directed to file a Notice of Determination within five (5) business days with the Stanislaus County Clerk pursuant to Section 21152 of the Public Resources Code.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2<sup>nd</sup> day of May 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

## Master EIR Initial Study Checklist

### I. PURPOSE

CEQA allows for the limited environmental review of subsequent projects under the City's Master EIR. This Initial Study Checklist is used in determining whether Pamela Monterosso Park is "within the scope" of the project analyzed in the Modesto Urban Area General Plan Master EIR (SCH# 1999082041) (Public Resources Code section 21157.1). When the Initial Study supports this conclusion, the City will issue a finding of conformity.

A subsequent project is "within the scope" of the Master EIR when:

1. it will have no additional significant effects on the environment that were not addressed as significant effects in the Master EIR; and
2. no new or additional mitigation measures or alternatives are required.

"Additional significant effects" means a project-specific effect that was not addressed as a significant effect in the Master EIR. (Public Resources Code Section 21158(d))

The determination must be based on substantial evidence in the record. "Substantial evidence" means facts, reasonable assumptions predicated upon facts, or expert opinion based on facts. It does not include speculation or unsubstantiated opinion. (State CEQA Guidelines Section 15384)

This Initial Study has provided environmental review based on the MEIR and the Phase I ESA and Limited Phase II Sampling report (and supplementary information) prepared by American Geological Services, Inc. 2002 (available at the City).

### II. PROJECT DESCRIPTION

- A. Title: Pamela Monterosso Park
- B. Address or Location: The 3.02-acre project site is located at the southern terminus of Coffee Road and Scenic Drive, in the City of Modesto and consists of APN# 034-018-01, 034-015-02 and 034-018-03. The majority of the project site is undeveloped and covered with low-lying ruderal vegetation.
- C. Applicant: City of Modesto, PO Box 642, Modesto, CA 95353
- D. City Contact Person: Loren R. Holt, Project Coordinator, Parks, Recreation and Neighborhoods, (209) 571-5573, lholt@modestogov.com
- E. Current General Plan Designation(s): Open Space (below the 100-year flood zone), Mixed Use (above the 100-year flood zone), Redevelopment Area (RDA) in the northernmost triangular parcel adjacent to Scenic Drive

- F. Current Zoning Classifications: Commercial (C-3) and Residential (R-1)
- G. Surrounding Land Uses: The project is bounded on the west by commercial office buildings and associated parking areas, to the north by Scenic Drive, Coffee Road, and existing commercial and residential development, to the east by residential development (single-family homes), and to the south by Dry Creek.
- H. Project Description, including the project type listed in Section II.C (Anticipated Future Projects) of the Master EIR (Attach additional maps/support materials as needed for complete record):

#### *Project Objectives*

The project objectives are as follows:

- Development of the Pamela Monterosso Park. This includes a parking area and turnaround (eight [8] parking spaces), bicycle rack, public kiosk, picnic tables and benches, and one (1) building pad with utility hookups (for a public restroom) and a concrete pad with electrical hookup for a food service cart
- Construction of 0.2 miles of winding trail connecting the trailhead to the Peggy Mensinger Trail via the existing elevated bridge
- Extensive planting/landscaping along the trail including planting of native plants and trees
- Preservation and protection of existing oak trees and ruderal vegetation throughout the site and along Dry Creek
- Enhancement and expansion of the City of Modesto's recreational trail system
- Beautification of the existing site
- Improved safety

#### *Project Characteristics*

The project would develop the Pamela Monterosso Park (see **Figure 2, Proposed Project**). Preliminary development plans include a parking lot (eight [8] spaces) that would connect to a vehicular turnaround. The entrance to the trail would be via a sidewalk connecting to Scenic Drive from the north and via the turnaround from the west, and bollards would be installed to protect the entrance to the trailhead from vehicle traffic. The northern portion of the trailhead would include trail signage, bicycle racks, a vendor cart pad, a drinking fountain, and a public restroom. The southern portion of the trailhead would include an informational kiosk. Park benches, picnic tables, and trash receptacles would be available throughout the trailhead area.

#### *Trail Development and Landscaping*

The trail would be nine (9)-feet wide and 1050-feet long and made of semi-permeable asphalt. Trail lighting, benches, and trash receptacles would border the trail at regular intervals. Oak trees and native plant species would be used to landscape the trailhead area in the northwestern portion of the site and intermittent stands of oaks would be planted along the trail pathway. All oaks currently on the project site would remain.

#### *Access and Circulation*

As discussed, the trailhead would include a small parking lot and turnaround that connects to a commercial parking lot that connects to the intersection of Coffee Road and Scenic Drive. Access would be from the sidewalk along Scenic Drive and from the

bicycle path along Coffee Road. A bus stop is located on Scenic Drive just outside the project site entrance.

#### *Site Lighting*

The project would include twelve (14)-foot high exterior lighting near the parking lot and trailhead, and at 150-foot intervals along the trail. These lights would match the existing lights used on the adjacent commercial office development to the west. Lighting would illuminate the trail pathway and provide additional security for trail users.

#### *Proposed Demolition*

The project would demolish all except approximately one (1)-foot of the existing asphalt trail (to maintain the stability of the retaining wall). The existing retaining wall and chain link fencing adjacent to the residential development (to the north) would remain. The asphalt trail, retaining wall, and chain link fencing between the intersection of Coffee Road and Scenic Drive and the boundary of adjacent development (the western 1/3 of the existing asphalt trail) would be removed. A six (6)-foot high chain link fence would be installed between the project site and adjacent residential property. Climbing vines would be planted in appropriate areas.

#### *Grading*

The project would require minor grading at the western central portion of the site to increase the height of the creek bank and in various places along the winding trail to comply with American with Disabilities Act (ADA) trail requirements. The existing dirt piles on the site would be leveled out and used for grading purposes.

#### *Drainage*

Surface runoff from the project site naturally drains south to Dry Creek. The project would generate minor amounts of wastewater (public bathrooms, water fountain, etc.), which would use the existing drainage infrastructure from the adjacent commercial office development to the north. Drainage from the proposed drinking fountain and restroom would connect to sanitary sewer infrastructure in adjacent development.

#### *Utilities*

The project would tie into existing utility infrastructure (electricity and water) already in Scenic Drive. Development at the project site that would require utility hookups would include the public restroom, food cart, water fountain, and site lighting.

#### *Construction Schedule*

The project construction schedule is proposed for the summer or fall of 2006.

Other Public Agencies Whose Approval is Required: None

III. **FINDINGS/DETERMINATION (SELECT ONE ON THE BASIS OF THE ANALYSIS IN SECTION IV)**

1.  **Within the Scope** - The project is within the scope of the Master EIR and no new environmental document or Public Resources Code Section 21081 findings are required. The following items are found to be true:

- A. The type of project is described in Chapter II of the Master EIR.
- B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.
- C. An Initial Study was prepared by the City of Modesto that analyzed whether the proposed subsequent project may cause any significant effect on the environment that was not examined in the MEIR and it has been determined that the project was described in the MEIR as being within the scope of the MEIR.
- D. Based on the Initial Study, the City of Modesto finds and determines:
  - a) The proposed subsequent project will have no additional significant effect as defined in CEQA Section 21158 that was not identified in the MEIR.
  - b) No new or additional mitigation measures or alternatives are required.
- E. The criteria for currency of the Master EIR were reviewed (section 5 below) and it was determined that the Master EIR is current for all areas of the Initial Study.

2.  **Mitigated Negative Declaration Required** - On the basis of the above determinations, the project is not within the scope of the Master EIR. A mitigated negative declaration will be prepared for the project. The following items are found to be true:

- A. The type of project is described in Chapter II of the Master EIR.
- B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.
- C. The project will have one or more potential new significant effects on the environment that were not addressed as significant effects in the Master EIR. New or additional mitigation measures are being required of the project that will reduce the effects to a less-than-significant level.

3.  **Focused EIR Required**- On the basis of the above determinations, the project is not within the scope of the Master EIR. A Focused EIR will be prepared for the project. The following items are found to be true:

- A. The type of project is described in Chapter II of the Master EIR.
- B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.

- C. The project will have one or more new significant effects on the environment that were not addressed as significant effects in the Master EIR. New or additional mitigation measures or alternatives are required as a result.

#### 4. Within the Scope Analysis of this Document:

The Master EIR permits projects to be found within the scope of the MEIR if certain criteria are met, basically, if the following statements are found to be true for all 20 sections of this Initial Study, then the project was covered by the MEIR analysis and is within the scope of the MEIR. Any "No" response must be discussed.

- |   | YES                                 | NO                       |
|---|-------------------------------------|--------------------------|
| (1) The lead agency for subsequent projects shall be the City of Modesto or a responsible agency identified in the Master EIR.  | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| (2) City policies which reduce, avoid or mitigate environmental effects, will continue to be in effect and therefore would be applied to subsequent projects where appropriate. The policies are described in the list of policies in place and mitigation measures attached to the Initial Study template. | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| (3) Federal, State, Regional and Stanislaus County regulations do not change in a manner that is less restrictive on development than current law (i.e., would not offer the same level of protection assumed under the Master EIR).  | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| (4) No specific information concerning the known or potential presence of significant resources is identified in future reports, or through formal or informal input received from responsible or trustee agencies or other qualified sources.  | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| (5) The development will occur within the boundaries of the City's planning area as established in this Urban Area General Plan.  | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| (6) Development within the project will comply with all mitigation measures identified in the General Plan Master EIR.  | <input checked="" type="checkbox"/> | <input type="checkbox"/> |

#### Discussion:

- (2) None
- (3) None
- (4) None
- (5) None
- (6) None

#### 5. Currency of the Master EIR Document

The MEIR should be reviewed on a regular basis to determine its currency, and whether additional analysis/mitigation should be incorporated into the MEIR via a Supplemental or Subsequent EIR (CEQA Section 21157.6). Staff has reviewed sections 1 through 20 of this

document in light of the criteria listed below to determine whether the MEIR is current. The analysis contained within the Master EIR is current as long as the following circumstances have not changed. Any no response must be discussed.

- |   | YES                                 | NO                       |
|---|-------------------------------------|--------------------------|
| (1) Certification of the General Plan Master EIR occurred less than five years prior to the filing of the application for this subsequent project.  | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| (2) This project was described in the Master EIR and its approval will not affect the adequacy of the Master EIR for any subsequent project because the City can make the following findings: | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| (3) No substantial changes have occurred with respect to the circumstances under which the Master EIR was certified.  | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| (4) No new information, which was not known and could not have been known at the time the Master EIR was certified as complete, has become available.   | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| (5) Policies remain in place that requires site-specific mitigation, and avoidance or other mitigation of impacts as a prerequisite to future development.                                    | <input checked="" type="checkbox"/> | <input type="checkbox"/> |

Discussion:

- (1) None
- (2) None
- (3) None
- (4) None
- (5) None

**IV. ENVIRONMENTAL ANALYSIS**

This Initial Study, in accordance with Section 21157.1(b) of the Public Resources Code, analyzes whether this project may cause any project-specific significant effect on the environment that was not examined in the Final Master EIR (MEIR) for the General Plan and whether new or additional mitigation measures or alternatives may be required as a result. The Initial Study thereby documents whether or not the project is "within the scope" of the Master EIR.

Pursuant to Public Resources Code Section 21157.1, no new environmental document or findings are necessary for projects that are determined to be within the scope of the MEIR. Adoption of a notice of conformity after completion of the Initial Study fulfills the City's obligation in that situation.

All environmental effects cited reflect year 2025 build out of the Urban Area General Plan as identified in the MEIR.

The Master EIR for the General Plan organizes its analysis of environmental impacts into eighteen subject areas. The following analysis is based on the impact analyses contained in Chapter V of the Master EIR. For ease of cross-reference, the sections are numbered in the same order as the analyses in Chapter V.

In addition to the 18 Master EIR subject areas, the Initial Study checklist addresses the issues of land use/planning and aesthetics. The reason for including these additional issues is to ensure that consideration is being given to the full range of subjects of importance contained in Appendix G of the CEQA Guidelines. The format for the land use/planning and aesthetics sections differs from that of the other 18 subject areas since these two subjects were not addressed as distinct subjects in the Master EIR.

## **1. TRAFFIC AND CIRCULATION**

### **a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant and unavoidable traffic and circulation impacts:

Effect: Increased traffic will result in certain roadway segments operating at LOS D or worse.

Effect: The Substantial increase in traffic relative to the existing load and capacity of the street system will cause, violation, either individually or cumulatively, of an LOS standard established by the County CMP for designated roads and highways.

Effect: Creation of need for Capacity-enhancing modifications to existing facilities.

Effect: Increase in energy consumption associated with the operation of highway projects, rail improvements, and aviation facilities.

Effect: Severe contrast with existing neighborhood or area character caused by highway and transit projects.

### **b. Master EIR and/or New Mitigation Measures Applied to the Project**

Traffic and Circulation mitigation measures that are pertinent to this project are found on MEIR pages V-1-15 through V-1-21. All feasible measures appropriate to the project – including any new measures - will be incorporated into or made conditions of approval of this project and will be listed in Section IV, Mitigation Measures Applied to Project.

#### Discussion:

The proposed project is consistent with the MEIR Traffic and Circulation Needs section (pages V-1-1 through V-1-39).

### **c. Project-Specific Effects**

Section V-1.B of the MEIR provides analysis of Traffic and Circulation impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Significance Criteria: A subsequent development project will have a new significant effect on the environment if it would exceed the following criteria:

- |  | YES                      | NO                                  |
|--|--------------------------|-------------------------------------|
| (1) The project exceeds the Master EIRs traffic generation assumptions for this site and City Engineering and Transportation staff has determined that the project would have additional project-specific effects that are not avoided or reduced by the Master EIRs program of mitigation measures. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (2) Substantially increase hazards due to a design feature (e.g., sharp curves or dangerous intersections) or incompatible uses (e.g. farm equipment).   | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (3) Result in inadequate emergency access.   | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (4) Result in inadequate parking capacity.   | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Discussion:

- (1) Engineering and Transportation Department has reviewed the project and determined that the project is within the scope of the Master EIR and no further traffic study is required (see attached memo).
- (2) The project would be accessed from Scenic Drive or Coffee Road (a stoplight controlled intersection). The parking lot and turnaround would not create sharp curves or block visibility to and from the parking lot. Furthermore, final project plans are subject to review and approval by the City of Modesto, Public Works Department, Traffic Engineering & Operations Division.
- (3) The project would be accessed via an adjacent parking lot which is accessed by (vehicles turning into from) Scenic Drive or (across the intersection) from Coffee Road into the parking lot area. Emergency vehicles could easily access this area via Scenic Drive or Coffee Road. Emergency access to the trail would be in compliance with all emergency access provisions of the Fire Marshal.
- (4) The existing trail is used primarily by local residents, many within the immediate neighborhood. The new parking area would increase parking over existing conditions. Based on the current use patterns the provision of eight spaces would be adequate for the projected demand.

**2. AIR QUALITY**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to air quality:

Effect: Projected traffic levels will result in increased ambient carbon monoxide (CO) levels in the project area. This is a significant and unavoidable impact.

Effect: Projected traffic levels will result in increased ROG and NOX levels in the project area. This is a significant and unavoidable impact.

These are also cumulative impacts on air quality.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Air Quality mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-2-11 through V-2-18 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project and are listed in Section IV, Mitigation Measures Applied to Project:

Discussion:

The proposed project is consistent with the MEIR Degradation of Air Quality section (pages V-2-1 through IV-2-26).

**c. Project-Specific Effects**

Section V-2.B of the MEIR provides analysis of Air Quality impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |  | YES                      | NO                                  |
|--|--------------------------|-------------------------------------|
| (1) The project exceeds the emissions thresholds established for CO and NOx by the San Joaquin Valley Unified Air Pollution Control District's (SJVUAPCD) adopted CEQA Guidelines. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (2) The project does not incorporate the best management practices for PM10 reduction established by the SJVUAPCD.   | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (3) The project does not comply with the air quality policies of the Modesto Urban Area General Plan.  | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (4) The project would expose sensitive receptors to substantial pollutant concentrations.  | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (5) The project would create objectionable odors affecting a substantial number of people.   | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Discussion:

- (1) The project land uses would improve the existing land uses, which would not conflict with the air quality plan or generate air quality impacts in conflict with this plan. The operation of a trail with limited parking would not conflict with the air quality plan or adversely impact air quality. Bike racks will be provided at the site to encourage alternative transportation to and from the trail. Project construction would be temporary and would not require the use of heavy machinery and would not generate or contribute substantially to air quality pollutants.

- (2) Project construction would result in disturbance and construction of approximately 3.02 acres over a six (6)-month period. This project will be constructed according to SJVAPCD Guidelines, and will implement all of the control measures for construction activities identified in SJVAPCD under Regulation VIII and discussed in the MEIR as New Mitigation Measure Air-1 (page V-2-24).
- (3) See number 1. The operation of a trail with limited parking would not conflict with the air quality plan or adversely impact air quality. Bike racks will be provided at the site to encourage alternative transportation to and from the trail. The project is consistent with and complies with existing air quality policies of the Modesto Urban Area General Plan.
- (4) The closest sensitive receptors to the project site are single-family residential lots to the north and east of the project site. The project would not generate or contribute substantially to air quality pollutants.
- (5) The project would not generate or contribute to any objectionable odors.

### **3. NOISE**

#### **a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant and unavoidable environmental impacts relative to noise:

Effect: Traffic noise levels for future conditions in the plan area have the potential to result in exceedances of the City's Noise Significance Standards (see Table 3-3 MEIR).

Effect: Noise level projections based on the traffic levels anticipated in the General Plan indicate that noise will exceed the City's General Plan and noise ordinance standards.

#### **b. Master EIR and/or New Mitigation Measures Applied to the Project**

Noise policies and mitigation measures pertinent to the project being analyzed in this Initial Study are found on pages V-3-10 through V-3-15 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project. and any new measures are listed in Section IV, Mitigation Applied to Project:

Discussion:

The proposed project is consistent with the MEIR Generation of Noise section (pages V-3-1 through V-3-22).

#### **c. Project-Specific Effects**

Section V-3.B of the MEIR provides analysis of noise impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |  | YES                                 | NO                                  |
|--|-------------------------------------|-------------------------------------|
| (1) The project will exceed the standards for noise level and hours of operation established by the Modesto noise ordinance.   | <input type="checkbox"/>            | <input checked="" type="checkbox"/> |
| (2) The project will exceed the noise policies of or otherwise be inconsistent with the Modesto Urban Area General Plan.   | <input type="checkbox"/>            | <input checked="" type="checkbox"/> |
| (3) The project will result in a substantial permanent increase in ambient noise levels in the project vicinity above levels existing without the project?             | <input type="checkbox"/>            | <input checked="" type="checkbox"/> |
| (4) The project will result in a substantial temporary or periodic increase in ambient noise levels in the project vicinity above levels existing without the project. | <input checked="" type="checkbox"/> | <input type="checkbox"/>            |

Discussion:

- (1) Noise levels on site during a visit on March 25, 2005 ranged from 46.0 dB(A) to 68.0 dB(A). Noise levels were greatest at the upland (northwestern) portion of the project site, closest to Scenic Drive. On average, noise levels on the site were 62-65 dB(A). Based on Table V-3-3, of the Noise Section of the MEIR, noise levels of 70.0 db(A) and below are considered normally acceptable for playgrounds and neighborhood parks. The project would replace existing uses with similar uses, and would generate noise levels similar to existing noise levels. The project would not expose persons to or generate noise levels in excess of the City standards.
- (2) See number 1.
- (3) See number 1. The project would replace existing uses with similar uses, and would generate noise levels similar to existing noise levels.
- (4) The City of Modesto Noise Ordinance (Modesto Municipal Code Section 4-9.101) prohibits the use of construction equipment (including hammers, saws, heavy equipment, etc.) before 7:00 AM or after 9:00 PM daily (except for Saturdays and Sundays and State or federal holidays, (when the prohibited time shall be before 9:00 AM and after 9:00 PM). Furthermore, the General Plan requires all development projects located within the Baseline Developed Area and Redevelopment Area to incorporate explicit noise mitigation to mitigate noise levels. The project will comply with the Noise Ordinance and General Plan requirements during construction, which would reduce temporary noise impacts.

#### 4. AGRICULTURAL LANDS

##### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to agricultural lands:

Effect: Development within the urbanized Baseline Developed Area and Redevelopment Area will have a less-than-significant impact on agricultural lands.

Effect: Conversion of agricultural land will occur as available developable land is occupied within the City. This is a significant and unavoidable impact.

Effect: Growth within Modesto's planning area would contribute considerably to the loss of agricultural land within Stanislaus County. This is a significant and unavoidable cumulative impact.

**b. Master EIR and/or New Mitigation Measures Pertinent to the Project**

Agricultural Land mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-4-7 and V-4-8 MEIR. All feasible measures appropriate to the project and any new mitigation to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Applied to Project:

Discussion:

The proposed project is consistent with the MEIR Agricultural Lands section (pages V-4-1 through V-4-12).

**c. Project-Specific Effects**

Section V-4.B of the MEIR provides analysis of Agricultural Lands impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(2) The project will directly result in the development of land outside the March 2003 planning area boundaries.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(3) The project will Conflict with existing zoning for agricultural use, or a Williamson Act contract.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(4) The project will Involve other changes in the existing environment which, due to their location or nature, could result in conversion of Farmland, to non-agricultural use.	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) The project site is currently occupied by an existing trail. The site is disturbed and covered in annual grasses and ruderal vegetation. The project site is not listed as farmland (prime, unique, or of statewide importance) on Figure V-4-1, Important Farmland Within City of Modesto Planning Areas, in the MEIR.

- (2) The project site is located within a highly-urbanized area of Modesto and is surrounded by residential and commercial uses.
- (3) The project site is not zoned for agricultural uses, nor is it under Williamson Act contract. The project would not conflict with these designations.
- (4) The project site is located within a highly-urbanized area of Modesto and is surrounded by residential and commercial uses. The trail improvements would not directly or indirectly affect agricultural lands.

## **5. WATER SUPPLY**

### **a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to water supply:

Effect: Urban Area General Plan policies are established to limit groundwater extractions to the safe yield of the aquifer and thereby avoid aquifer over drafting. In addition, the UWMP requires that new urban development would proceed in conjunction with the availability of water supplies and distribution facilities. It is assumed that increased entitlement of surface water supplies such as a water transfer from another water purveyor would undergo independent environmental review pursuant to CEQA. This is a less-than-significant impact.

Effect: Development to the future projected City population would require expansion of the MRWTP to its full 60 mgd capacity, development of additional groundwater wells, and construction of additional water distribution and treatment facilities. Construction of some of the required facilities would most likely require site-specific environmental impact assessments to be conducted under CEQA. Consequently, the potential environmental impacts of the Urban Area General Plan are considered less-than-significant.

Effect: During drought years, despite available options, significant water shortages are forecast for the San Joaquin River basin by the year 2020. Modesto would make a cumulatively considerable contribution to the cumulative impact on water supply under drought conditions. This is a significant and unavoidable cumulative impact.

### **b. Master EIR and/or New Mitigation Measures Applied to the Project**

Water Supply mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-5-7 through V-5-8 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

Discussion:

This project will build a trail and would result in very little added consumption of water. All plantings will be of native plant material which would require limited added water during the plant establishment phase and no additional water once the plants have been established.

**c. Project-Specific Effects**

Section V-5.B of the MEIR provides analysis of Water Supply impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |   | YES                      | NO                                  |
|---|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.   | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (2) Sufficient water supplies are not available to serve the project from existing entitlements and resources, new or expanded entitlements are needed. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Discussion:

- (1) According to the City of Modesto, Public Works Department, no new or expanded water services are needed to serve this project. The project would hook up to existing water mains in Scenic Drive.
- (2) The installation of drinking fountains and restrooms would not generate a substantial increase in water demand. As indicated in Item 1 above, the increased demand would be met by existing services.

**6. SANITARY SEWER SERVICES**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to sanitary sewer services:

Effect: The City has already begun to implement the provisions of the Wastewater Master Plan (WMP) to meet future demand for sanitary sewer services. As City wastewater treatment facilities are expanded to meet the needs of the Baseline Developed, Redevelopment, and Planned Urbanizing Areas, the City will obtain the necessary wastewater discharge and NPDES permits from the Central Valley RWQCB, as required under Urban Area General Plan Policy V-D.2(a). Implementing the WMP, requirement of Best Management Practices for post-construction activities, as well as the Urban Area General Plan policy cited above, will avoid violation of wastewater discharge requirements. As a result, this impact would be less-than-significant.

Effect: The City has adopted the WMP specifically to ensure that sewer capacity will match the level of growth projected by the Urban Area General Plan. Development within the Baseline Developed and the Planned Urbanizing Areas that is consistent with the Urban Area General Plan will not have a significant effect on capacity. Urban Area General Plan Policy III-D.1(d) will ensure that development in the Planned Urbanizing Area will fund the necessary improvements. This is a less-than-significant impact.

Note on the WMP Master EIR. The WMP Master EIR identified a number of impacts and mitigation measures. Its mitigation measures have been adopted by the City and are being implemented by the City under the WMP. Those impacts are being independently addressed under that Master EIR and do not need to be considered under this Initial Study. Refer to the WMP Master EIR for details.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Sewer Service mitigation measure(s) pertinent to the project being analyzed in this Initial Study, are found on pages V-6-4 through V-6-7 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

Discussion:

The proposed project is consistent with the MEIR Increased Demand for Sanitary Sewer Services section (V-6-1 through V-6-12).

**c. Project-Specific Effects**

Section V-6.B of the MEIR provides analysis of Sanitary Sewer Service impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |   | YES                      | NO                                  |
|---|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.   | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (2) The project will result in a determination by the wastewater treatment provider which serves or may serve the project that it has adequate capacity to serve the project's projected demand in addition to the provider's existing commitments. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Discussion:

- (1) The proposed project is consistent with the Modesto Urban Area General Plan.
- (2) The project would generate a minor amount of wastewater associated with the construction of a public restroom. Drainage from the drinking fountain and restroom would connect to sanitary sewer infrastructure in adjacent development, which has adequate capacity to serve the project.

**7. SENSITIVE WILDLIFE AND PLANT HABITAT**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to sensitive wildlife and plant habitat:

Effect: Although many sensitive species live in riparian habitats within the planning area, the policies of the plan will ensure that impacts of the Urban Area General Plan will be less-than-significant.

Effect: Requiring higher residential density than the suburban norm and a compact pattern of growth within the designated planning area to the year 2025 will minimize the City's contribution to the cumulative loss of habitat. Nonetheless, this is a significant and unavoidable impact.

### **b. Master EIR and/or New Mitigation Measures Applied to the Project**

Wildlife and Plant Habitat mitigation measure pertinent to the project being analyzed in this Initial Study are found on pages V-7-19 through V-7-21. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

#### Discussion:

The appropriate mitigation to be applied to this project includes: NONE from the MEIR, and no new or additional mitigation measures or alternatives are required.

### **c. Project-Specific Effects**

Section V-7.B of the MEIR provides analysis of Wildlife and Plant Habitat impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(2) Consultation with the California Department of Fish and Game or the U.S. Fish and Wildlife Service determines that the project would have a significant effect on special status species.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(3) Conflict with any local policies or ordinances protecting biological resources, such as a tree preservation policy or ordinance.	<input type="checkbox"/>	<input checked="" type="checkbox"/>

#### Discussion:

- (1) This project is consistent with the Modesto Urban Area General Plan.
- (2) There are no sensitive natural communities within the project boundaries. The valley oak and riparian habitats bordering the site are considered to be sensitive plant

communities by the CDFG and this project does not include the removal of any trees or vegetation from these sensitive plant communities.

- (3) The proposed trail would be constructed within the upland, annual grassland area and does not involve the removal of any trees, riparian-associated vegetation, or alterations to the banks of Dry Creek.

## **8. ARCHAEOLOGICAL OR HISTORICAL SITES**

### **a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to archaeological or historical sites:

Effect: If a site-specific project involves the modification or demolition of a qualifying structure more than 50 years in age, then the impact will be significant.

Effect: Areas of high probability for archaeological resources are located within the riparian corridors along the Tuolumne River, Dry Creek, and the Stanislaus River. There, the potential impact comes from earthmoving activities that could result in disturbance of resources or human remains. There is a low probability that archaeological resources will be uncovered in areas outside of the riparian corridors.

Effect: The City Zoning Ordinance requires that when substantial changes to a structure are proposed, the development will be required to comply with other Zoning Ordinance provisions such as parking or landscaping requirements. This could result in modifications to the structure, which substantially reduce its historical significance. This would be a less-than-significant impact with the imposition of new mitigation measure Cultural-1.

### **b. Master EIR and/or New Mitigation Measures Applied to the Project**

Archaeological or Historic mitigation measures pertinent to the project being analyzed in this Initial Study are found on page V-8-13 and V-8-14 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Applied to Project:

#### Discussion:

A records search conducted by the Central California Information Center (CCIC) at Stanislaus State University on April 4, 2005 indicated that no prehistoric or historic archaeological resources have been reported or found at the project site. The project would replace the existing trail with the Pamela Monterosso Park. Construction and development of the park would not cause a substantial adverse change in the site, or affect potential archaeological resources.

**c. Project-Specific Effects**

Section V-8.B of the MEIR provides analysis of Archaeological/Historical impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |   | YES                      | NO                                  |
|---|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.   | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (2) The project would adversely affect a cultural resource that is either listed or eligible for listing in the California Register of Historical Resources, or that is listed by the City of Modesto as a Designated Landmark Preservation Site. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Discussion:

- (1) This project is consistent with the Modesto Area General Urban Plan.
- (2) There are no buildings currently on the project site and there are no known archaeological resources on the project site.

**9. STORM DRAINAGE**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to storm drainage:

Effect: The potential impacts on storm water drainage that could occur from the project were qualitatively evaluated with respect to several factors including: extent of the projected increase in urban surface area compared to undeveloped ground; magnitude of projected changes to hydrologic and physical site characteristics of the study area compared to existing conditions; regulatory criteria and guidelines; and professional judgment. Because the Urban Area General Plan includes policies that require new development in all three sections of the planning area to install approved drainage facilities, the potential impacts of the Urban Area General Plan on storm water drainage are considered less-than-significant.

Effect: The population of Stanislaus County is projected to increase in a fashion similar to that of Modesto, resulting in additional urban development and associated increases in impervious areas and associated urban storm water drainage. Cumulative hydrologic impacts of storm water flows from Modesto urban areas and other areas of the County could occur due to the fixed capacity of MID and TID irrigation canals to convey drainage west to the San Joaquin River. If drainage channels in some areas prove insufficient to handle the increased drainage discharges, existing storm water runoff from urban and agricultural areas during large storm events would have to be interrupted until water levels receded to a point allowing the resumption of discharges to the channel. Ceasing discharges to drainage channels could cause inundation in and around the drainage conveyance pipeline systems, surface drainage

channels, detention basins, and other urban areas. This cumulative impact is considered significant and unavoidable.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Storm Drainage mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-9-4 through V-9-8. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

Discussion:

The proposed project is consistent with the MEIR Increased Demand for Storm Drainage section (pages V-9-1 through V-9-13).

**c. Project-Specific Effects**

Section V-9.B of the MEIR provides analysis of Storm Drainage impacts of development of the General Plan; the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(2) The project would substantially increase the rate or amount of surface runoff in a manner that would result in flooding on- or offsite.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(3) Create or contribute runoff water that would exceed the capacity of existing or planned storm water drainage systems or provide substantial additional sources of polluted runoff.	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) This project is consistent with the Modesto Urban Area General Plan.
- (2) According to City of Modesto, Public Works Department, the project would hook up to existing storm drainage infrastructure of the adjacent commercial office building to the west. Therefore, the project would not require new construction or expansion of existing facilities
- (3) This project would construct a trail located adjacent to the Dry Creek. Plantings would be native vegetation which would help slow the runoff of storm water into the creek. Since the project site is currently not developed, the project would not increase any storm water runoff.

## 10. FLOODING AND WATER QUALITY

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to flooding and water quality:

Effect: Increased runoff can accelerate soil erosion, stream channel scouring, and sedimentation of channels, and also increase pollutant transport to waterways. The potential impacts of the project on flooding are considered less-than-significant because the Urban Area General Plan Update includes policies to restrict development in the floodplain and therefore would avoid exposing persons and property to flood hazards. In addition, new development under the Urban Area General Plan is required to install storm water drainage facilities that restrict the amount of post-development runoff from exceeding pre-development conditions.

Effect: The potential impacts of the project on surface-water quality are considered less-than-significant because the City policies and capital improvement projects for storm water drainage facilities would minimize discharges of urban pollutants to natural waterways. The City drainage program policies require new development to prepare drainage plans and implement urban runoff control measures; larger Specific Plan developments must have storm drainage systems designed to control pollutant runoff. The City's implementation policies for the municipal NPDES storm water permit require new development to implement an appropriate selection of permanent pollution control measures. Permanent erosion control measures such as seeding and planting vegetation for new cut-and-fill slopes, directing runoff through vegetation, or otherwise reducing the offsite discharge of particulates and sediment are the most effective method of controlling offsite discharges of urban pollutants.

Effect: The City's future development will contribute to cumulative water quality effects. EPA regulations for NPDES storm water permits and new proposed regulatory additions to the rules have become much more comprehensive in recent years and are being implemented to reduce pollutant runoff from both large- and small-scale activities. Implementation of NPDES-permitting programs throughout the county will reduce potential water-quality impacts to a less-than-significant level.

### b. Master EIR and/or New Mitigation Measures Applied to the Project

Flooding and Water Quality mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-10-7 through V-10-10 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Applied to Project:

#### Discussion:

The proposed project is consistent with the MEIR Flooding and Water Quality section (pages V-10-1 through V-10-16).

### c. Project-Specific Effects

Section V-10.B of the MEIR provides analysis of Flooding and Water Quality impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |  | YES                      | NO                                  |
|--|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.  | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (2) The project does not comply with the regulatory requirements of the federal Clean Water Act or the State Porter-Cologne Act.   | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (3) The project does not comply with Modesto's Guidance Manual for New Development Storm water Quality Control Measures.   | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (4) The project would create or contribute runoff water, which would exceed the capacity of existing or planned storm water drainage systems or provide substantial additional sources of polluted runoff. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

#### Discussion:

- (1) This project is consistent with the Modesto Urban Area General Plan.
- (2) The project would be subject to the federal Clean Water Act, the State Porter-Cologne Act and all local requirements.
- (3) The project complies with Modesto's Guidance Manual.
- (4) The project will be subject to applicable Federal, State and City storm-water standards, and will therefore, not substantially increase polluted runoff. Most runoff from the site would continue to drain into Dry Creek, which historically has had sufficient capacity to carry runoff into the existing storm-water drainage system.

## 11. PARKS AND OPEN SPACE

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to parks and open space:

Effect: Within the Baseline Developed and Redevelopment Areas, the Urban Area General Plan does not propose any elimination of existing park and/or open space land. Impacts on parks and open space will be less-than-significant.

Effect: The projected population of the Planned Urbanizing Area is 148,600, requiring 149 acres of neighborhood parks and 298 acres of community parks. The required minimum acreages

can be met through the application of existing policies and regulations, including Government Code Section 66474, which require developers to pay Parks Capital Facilities Fees to fund the acquisition of appropriate parkland acreage. This impact is less-than-significant.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Parks and Open Space Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-11-4 through V-11-19 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Applied to Project:

Discussion:

This project creates park and open land.

**c. Project-Specific Effects**

Section V-11.B of the MEIR provides analysis of Parks and Recreation impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

YES NO

- (1) The project is inconsistent with the Modesto Urban Area General Plan.

Discussion:

- (1) The project would replace the existing trail with the Pamela Monterosso Park. The project would serve to improve and augment existing City recreation facilities.

**12. SCHOOLS**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to schools:

Effect: The estimated increase in population over 1994/1995 would generate an additional 29,200 elementary school students, 7,330 middle school students, and 14,640 high school students above those enrollments. Assuming that existing facilities cannot sufficiently accommodate this increase and that all of the new students would require new school facilities, build out of the General Plan would result in the need for approximately 37 elementary schools, 8 middle schools, and 7 high schools beyond 1994/1995 levels. This would result in a significant impact on schools in that it would exceed current capacity. By statute, this impact is

considered to be mitigated below a level of significance by payment of school impact fees and exercise of any or all of the financing options set out in Government Code Section 65997.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. ). As long as all anticipated subsequent projects apply these policies, no new mitigation is necessary. Further, payment of school impact fees and compliance with SB 50 is statutorily deemed to be full mitigation of school impacts (Government Code Section 65995). The proposed additional school policy will address the situation that would arise should AB 50 be repealed. It will authorize impact fees or other methods to finance additional school facilities.

The following schools mitigation measure(s) are pertinent to the project being analyzed in this Initial Study. See pages V-12-4 through V-12-7 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section IV, Mitigation Applied to Project:

Discussion:

This project creates a trail head for an existing trail and does not include any residential development. Therefore, no new schools would be needed.

**c. Project-Specific Effects**

Section V-12.B of the MEIR provides analysis of Schools impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(2) The project does not comply with SB 50/Proposition 1A funding provisions, or succeeding measures which provide that compliance results in less-than-significant impacts on schools.	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) This project is consistent with the Modesto Urban Area General Plan.
- (2) This project creates a trail head for an existing trail and does not include any residential development. Therefore, no new schools would be needed.

### 13. POLICE SERVICES

#### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to police services:

Effect: The 1995 Master EIR identified two impacts on the demand for police services; however, it concluded that no significant impact, based on the mitigation measures identified in the 1995 Master EIR, would occur. Those mitigation measures are now policies of the Urban Area General Plan. The impact is less-than-significant.

Effect: Within the Planned Urbanizing Area, complying with the Urban Area General Plan policies, particularly the policy that requires a long-range financing strategy for each Comprehensive Plan Area, will allow the City to provide the resources necessary to extend service to the newly growing Planned Urbanizing areas. These policies reduce the impact to a less-than-significant level.

#### b. Master EIR and/or New Mitigation Measures Applied to the Project

Police Services mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-13-3 and V-13-4 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

Discussion:

The proposed project is consistent with the MEIR Increased Demand for Police Services section (pages V-13-1 through V-13-7).

#### c. Project-Specific Effects

Section V-13.B of the MEIR provides analysis of police services impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |  | YES                      | NO                                  |
|--|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.  | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (2) The project would result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Discussion:

- (1) This project is consistent with the Modesto Urban Area General Plan.
- (2) The project would replace the existing trail with the Pamela Monterosso Park. The project would be similar in nature to existing uses, and would incorporate improved trail lighting, promoting bicycle/pedestrian safety and security. Therefore, there would not be any anticipated increase in the demand for police services.

**14. FIRE SERVICES**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to fire services:

Effect: The Baseline Developed Area and Redevelopment Area are already developed. Impacts on fire services of development in these areas will be less-than-significant.

Effect: In the Planned Urbanizing Area, the Urban Area General Plan would result in the need for additional fire protection services due to increases in the number of employees, permanent population, and associated improvements. City policy requires that fire protection be in place concurrent with construction in the Planned Urbanizing Area. This policy will be implemented with the adoption of future Comprehensive Plans in the Planned Urbanizing Area. This impact would be less-than-significant.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Fire Services mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-14-3 through V-14-5 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project. are listed in Section IV, Mitigation Measures Applied to Project:

Discussion:

The proposed project is consistent with the MEIR Increased Demand for Fire Services section (pages V-14-1 through V-14-9).

**c. Project-Specific Effects**

Section V-14.B of the MEIR provides analysis of fire services impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	<input checked="" type="checkbox"/>

- (2) The project would result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives.

Discussion:

- (1) This project is consistent with the Modesto Urban Area General Plan.
- (2) The project would replace the existing trail with the Pamela Monterosso Park. The project would be similar in nature to existing uses. The project would not require the need for new fire protection services.

## 15. SOLID WASTE

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to solid waste:

Effect: Since the project would exceed available landfill capacity, it is identified as a significant impact. The Fink Road Landfill may be closed by the time the City reaches build out, unless an expansion is approved by the County and the Integrated Waste Management Board. As the waste stream generated increases with population, additional landfills and methods for diversion would have to be utilized. The project will also generate the need for additional collection and transfer facilities. This impact is significant and unavoidable. The impact would be less-than-significant at such time as the Fink Road Landfill expansion is approved.

Effect: The project makes a considerable contribution to the cumulative impact on landfill capacity of development in Stanislaus County. This impact is significant and unavoidable.

### b. Master EIR and/or New Mitigation Measures Applied to the Project

Solid Waste Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study, are found on pages V-15-5 and V-15-6 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Applied to Project:

Discussion:

The proposed project is consistent with the MEIR Generation of Solid Waste section (pages V-15-1 through IV-15-10).

### c. Project-Specific Effects

Section V-15.B of the MEIR provides analysis of solid waste impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |   | YES                      | NO                                  |
|---|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.   | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (2) The County is unable to expand its solid waste disposal capacity and the project would result in waste stream levels that exceed disposal capacity. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Discussion:

- (1) This project is consistent with the Modesto Urban Area General Plan.
- (2) There would be very little solid waste generated by the use of the trail. Trail users typically carry out what they bring onto the trail and waste receptacles would be provided at the entrance to the trail. The project would be similar to existing uses and the solid waste generation by the project would be similar to existing conditions.

## 16. HAZARDOUS MATERIALS

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to hazardous materials:

Effect: The impacts of the project relative to hazardous materials are less-than-significant, based on the existing regulatory framework. New development will be required to comply with regulations monitoring and controlling the handling and use of hazardous and toxic materials.

### b. Master EIR and/or New Mitigation Measures Applied to the Project

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under federal, state and county policies and regulations, and the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Hazardous Materials Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-16-9 through V-16-12 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

Discussion:

The proposed project is consistent with the MEIR Generation of Hazardous Materials section (pages V-16-1 through V-16-15).

**c. Project-Specific Effects**

Section V-16.B of the MEIR provides analysis of hazardous materials impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(2) The project does not comply with all applicable federal, state, and county standards and regulations relative to the handling, storage, disposal, and transport of hazardous or toxic materials or wastes.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(3) The project contains a contaminated site not identified as of March 2003.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(4) The project would emit hazardous emissions or handle hazardous or acutely hazardous materials, substances, or waste within one-quarter mile of an existing or proposed school.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
(5) The project would be located on a site which is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and as a result, would create a significant hazard to the public or the environment.	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Discussion:

- (1) This project is consistent with the Modesto Urban Area General Plan.
- (2) The project would replace the existing trail with the Pamela Monterosso Park. The project would be similar to existing uses and would not introduce hazardous materials to the project site. The construction and operation of the trail would not use hazardous materials and therefore would not create a potential hazard to the public.
- (3) A Phase I ESA conducted on October 4, 2002 by American Geological Services, Inc. did not find any evidence of hazardous materials on the project site.
- (4) The project would not involve the transport, use or disposal of hazardous materials.
- (5) See Item 2 & 3.

**17. LANDSLIDES AND SEISMIC ACTIVITY**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to landslides and seismic activity:

Effect: There are areas of known sand and gravel resources within the Baseline Developed Area and Redevelopment Area. Future development will be subject to SMARA requirements, therefore, the project impact will be less-than-significant.

Effect: There are areas of known sand and gravel resources within the Planned Urbanizing Area. Future development will be subject to SMARA requirements, therefore, the project impact will be less-than-significant.

### **b. Master EIR and/or New Mitigation Measures Applied to the Project**

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Landslide and Seismic Activity Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-17-6 and V-17-7 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

#### Discussion:

The proposed project is consistent with the MEIR Potential for Landslides and Seismic Activity section (pages V-17-1 through V-17-12).

### **c. Project-Specific Effects**

Section V-17.B of the MEIR provides analysis of landslides and seismic impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |   | YES                      | NO                                  |
|---|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.   | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (2) The project would be located on soil that is unstable, or that would become unstable as a result of the project, and potentially result in on or off-site landslide, lateral spreading, subsidence, liquefaction or collapse. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

#### Discussion:

- (1) This project is consistent with the Modesto Urban Area General Plan.
- (2) Project construction and grading will be upland of the bluff and will be subject to the City's erosion control regulations.

## 18. ENERGY

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to energy:

Effect: The Baseline Developed Area and Redevelopment Area are already developed. New development within the Redevelopment Area will comply with Title 24 standards as well as City Urban Area General Plan policies. Impacts on energy by development in these areas (i.e., changes in levels of use above the current baseline) will be less-than-significant.

Effect: Build out under the Urban Area General Plan will utilize an estimated 1,400 million cubic feet per month of natural gas, 1,300 million kilowatt hours (kwh) of electricity per year and 650,000 gallons of gasoline per day. PG&E has indicated that they have at the current time sufficient supplies of natural gas to serve the increased natural gas demands of the project. At present, gasoline supplies are apparently sufficient to serve the gasoline demands of the project. Title 24 of the California Code of Regulation, which ensures that the project will not exceed local, state, and federal energy standards. The impact is less-than-significant.

### b. Master EIR and/or New Mitigation Measures Applied to the Project

The following energy mitigation measure(s) are pertinent to the project being analyzed in this Initial Study. See page V-18-3 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section IV, Mitigation Applied to Project:

#### Discussion:

The proposed project is consistent with the MEIR Energy section (pages V-18-1 through IV-18-7).

### c. Project-Specific Effects

Section V-18.B of the MEIR provides analysis of energy impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |   | YES                      | NO                                  |
|---|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

#### Discussion:

- (1) This project is consistent with the Modesto Urban Area General Plan.

## 19. PLANNING AND LAND USE

The Master EIR was certified for the Modesto Urban Area General Plan. The significant effects described in the 18 subject areas contained in the Master EIR are based on the planning policies and diagrams adopted as part of the General Plan. Planning and land use were not among the 18 subject areas analyzed in the Master EIR because they essentially defined the project being evaluated in the EIR.

### a. Project-Specific Effects

Determination of project effects will be based on the following threshold. A project-specific effect is less-than-significant unless:

- |  | YES                      | NO                                  |
|--|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.                | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (2) The project includes a substantive amendment to the Modesto Urban Area General Plan. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (3) The project would physically divide an established community                         | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

#### Discussion:

- (1) This project is consistent with the Modesto Urban Area General Plan.
- (2) The project requires no need to amend the Modesto Urban Area General Plan.
- (3) The project will construct a trail head and improve an existing trail. This project will not divide and established community.

## 20. AESTHETICS

The Master EIR was certified for the Modesto Urban Area General Plan. The significant effects described in the 18 subject areas contained in the Master EIR, are based on the planning policies and diagrams adopted as part of the General Plan. At that level of detail, no significant effects on aesthetics were identified.

### a. Project-Specific Effects

Determination of project effects will be based on the following threshold. A project-specific effect is less-than-significant unless:

- |  | YES                      | NO                                  |
|--|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.    | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (2) The project would have a substantial adverse effect on a scenic vista.   | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| (3) The project would substantially degrade the existing visual character or | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

quality of the project site and its surroundings.

- (4) The project would create a new source of substantial light and glare, which would adversely affect day or nighttime views in the area.

Discussion:

- (1) This project is consistent with the Modesto Urban Area General Plan.
- (2) This project will build a trail head and improve an existing trail. This project will improve the site and allow better access to the scenic vista of Dry Creek.
- (3) See Item 2.
- (4) This project will introduce some light along the pathway, but it will be projected down onto the pathway and not be allowed to escape to the sides or upward. This light will not adversely affect night time views.

## **V. MITIGATION MEASURES APPLIED TO THE PROJECT**

If the Initial Study results in the determination that a Finding of Conformance can be adopted for the proposed project Section A below applies. If the Initial Study results in the determination that a Finding of Conformance cannot be adopted and a Mitigated Negative Declaration/EIR must be prepared for the project then Section B, below applies.

### **A. Master EIR Mitigation Measures Applied to the Project**

Pursuant to CEQA Section 21157.1(c), in order for a Finding of Conformance to be made, all feasible measures from the Master EIR appropriate to the project shall be incorporated into the project. The following adopted General Plan Policies and Master EIR Mitigation Measures (also contained in Section III, "Global List") shall be made part of the project prior to approval by means of conditions of project approval or incorporation into the appropriate document or plan:

All applicable and appropriate mitigation measures have been applied to the project (see mitigation measures listed below).

### **B. New or Additional Mitigation Measures or Alternatives Required**

Where the project's effects would exceed the specific thresholds defined for each environmental category, a mitigated negative declaration or Focused EIR must be prepared. Staff has reviewed the project against those thresholds set forth in the Master EIR for all applicable categories in this Initial Study.

A Mitigated Negative Declaration/EIR shall be prepared for the project and the following additional project-specific mitigation measures listed below are necessary to reduce the identified new significant effect:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-277**

**A RESOLUTION APPROVING THE DESIGN DEVELOPMENT REPORT AND  
MASTER PLAN INCLUDED THEREIN FOR PAMELA MONTEROSSO PARK**

WHEREAS, the City of Modesto currently owns the approximately 5.5 acre Pamela Monterosso Park site immediately to the south of Scenic Drive at the southern terminus of Coffee Road, and

WHEREAS, staff has prepared a Design Development Report and Master Plan included therein for Pamela Monterosso Park, and

WHEREAS, prior to adopting the Design Development Report, the California Environmental Quality Act (CEQA) requires that the City of Modesto consider the environmental consequences of the proposed project, and

WHEREAS, by an agenda report dated April 13, 2006, from the Parks, Recreation and Neighborhoods Director, staff recommended to the Council approving the Pamela Monterosso Park Design Development Report, a copy of said report is on file in the office of the City Clerk, and

WHEREAS, the Pamela Monterosso Park Design Development Report dated April 12, 2006, is within the scope of the Modesto Urban Area General Plan Master Environmental Impact Report (SCH #1999082041), and

WHEREAS, on May 2, 2006, concurrent with this resolution, the Modesto City Council adopted Resolution No. 276, finding that the Pamela Monterosso Park project is within the scope of the Project covered by the Modesto Urban Area General Plan Master Environmental Impact Report (SCH No. 1999082041),

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby finds that the Pamela Monterosso Park Design Development Report is complete and adequate, and it hereby approves the Pamela Monterosso Park Design Development Report, and Master Plan included therein, a copy of which is on file in the office of the City Clerk.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2<sup>nd</sup> day of May 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-278**

**A RESOLUTION APPROVING A THIRD AMENDMENT TO THE CONTRACT  
FOR CONSULTANT SERVICES WITH MAZE & ASSOCIATES FOR  
ADDITIONAL WORK AT A COST NOT TO EXCEED \$33,380, AND  
AUTHORIZING THE CITY MANAGER TO EXECUTE THE CONTRACT  
AMENDMENT**

WHEREAS, on April 6, 2004, the Modesto City Council, by Resolution No. 2004-171 entered into an original contract with Maze & Associates to perform non-audit services for the City, and

WHEREAS, on January 25, 2005, the Modesto City Council adopted Resolution No. 2005-044 approving execution of a First Amendment to said contract with Maze & Associates, to perform additional, non-audit services for the City, and

WHEREAS, on October 25, 2005, the Modesto City Council adopted Resolution No. 2005-525 approving execution of a Second Amendment to said contract with Maze & Associates, to perform additional, non-audit services for the City, and

WHEREAS, the City Manager executed said original contract, and the First and Second Amendments thereto, on behalf of the City of Modesto, and

WHEREAS, the City has requested Maze & Associates to perform additional work in addition to the originally contracted work, namely, to perform Agreed-Upon Procedures in the Public Works Department, for the three subsequent fiscal years 2003, 2004, and 2005, in an amount not to exceed \$33,380, and

WHEREAS, this additional work increases the total contract price to an amount not to exceed \$145,250, and

WHEREAS, the contract for these services requires Modesto City Council approval for such additional work,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Third Amendment to the Agreement for Consultant Services with Maze & Associates, authorizing the additional work proposed, at a cost not to exceed \$33,380.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said contract amendment.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9<sup>th</sup> day of 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-279**

**A RESOLUTION ACCEPTING THE PARKS, RECREATION AND  
NEIGHBORHOODS DEPARTMENT FUND DEVELOPMENT PROGRESS  
REPORT – JULY 2004 THRU MARCH 2006**

WHEREAS, in recent years the City of Modesto Parks, Recreation and Neighborhoods Department has faced an increase in the demand for services and the prospect of dwindling resources, and

WHEREAS, the City of Modesto Parks, Recreation and Neighborhoods Department, in an effort to be proactive in securing future funding for its parks, programs and facilities, created a dedicated fund development function, and

WHEREAS, this action included hiring a Fund Development Specialist responsible for securing grant funding and increasing co-sponsorships and donations, and forming a Fund Development Advisory Team, and

WHEREAS, since July 2004, using the fund development strategies already adopted by Council, the Strategic Funding plan has many of its designated proposals “in process” or completed, and

WHEREAS, at its meeting on March 27, 2006, the Finance Committee supported acceptance of the Fund Development Report for July 2004 through March 2006, and

WHEREAS, by a report dated April 18, 2006, the City of Modesto Parks, Recreation and Neighborhoods Department submitted a Fund Development Progress Report for July 2004 through March 2006 to the City Council, which outlines the department’s fund development efforts and achievements during this period, a copy of which is attached hereto as Exhibit “A” and incorporated herein by reference,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby accepts the Parks, Recreation and Neighborhoods Fund Development Progress Report for July 2004 through March 2006, attached hereto as Exhibit "A" and incorporated herein by reference.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9<sup>th</sup> day of May 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

## **Fund Development Progress Report**

### **Background:**

In recent years, the Modesto Parks, Recreation and Neighborhoods Department has faced an increase in the demand for facilities and services and a decrease in funding for those facilities and services. Parks and recreation systems all over the country are facing the same challenges and others, including

- Competition for scarce resources
- State and local budget shortfalls
- Dwindling alternate funding sources
- National focus on funding for public safety.

Noting these trends nationally and locally, Modesto Parks, Recreation and Neighborhoods staff took proactive steps in securing the future of its programs and reducing dependence on the General Fund: These actions taken were:

- Increase co-sponsorship efforts
- Increase number of grant submissions
- Dedicate a "fund development" function.

On May 25, 2004, the Council adopted a resolution accepting the Parks, Recreation and Neighborhoods Department Fund Development Program Report. Within the report the Council authorized and directed staff to:

- Negotiate an agreement with the Stanislaus Community Foundation
- Develop a policy and marketing plan for Corporate Naming Rights and to identify properties to include in the naming rights inventory
- Develop a policy and marketing plan for Corporate Program Sponsorships
- Develop a plan to sell or lease remnant parcels of City-owned open space
- Pursue Exclusive Vendor/Official Sponsor Contracts
- Develop a policy and marketing plan for Presentation Sponsors
- Develop a methodology to create private-public partnerships to secure Neighborhood Improvement Sponsors.

Staff has had a very successful two years pursuing the goals outlined in the Fund Development Program. Although not always a straight line, we are moving in uncharted areas within fund development and every roadblock moves us to a turn in the path where we have become successful.

Since the Council adoption of the Fund Development Report, several of the items that Council authorized staff to accomplish have been completed or are in the process of implementation and/or completion.

### **NEGOTIATE AN AGREEMENT WITH THE STANISLAUS COMMUNITY FOUNDATION**

On December 7, 2004, the Council approved an agreement with the Stanislaus Community Foundation to act as the City's 501(c)(3) and fiscal agent for acceptance of endowments and

gifts for open space development and program activities. On February 22, 2005, the Council, acting as the Tuolumne River Regional Park's fiscal agent, approved an Agreement with the Stanislaus Community Foundation to serve as TRRP's fiscal agent for acceptance of endowment and gifts for open space development and program activities.

Currently the Stanislaus Community Foundation Parks Account holds a fund balance of \$47,375.00 for the City. The monies collected are for a diverse collection of projects such as the Parade of Lights, Movies at Mancini, the Rogers Boy Fountain as well as the John Kenealy Memorial and John Muir Park Partners. The generosity of our citizens has been exemplary.

**DEVELOP A POLICY AND MARKETING PLAN FOR CORPORATE NAMING RIGHTS AND TO IDENTIFY PROPERTIES TO INCLUDE IN THE NAMING RIGHTS INVENTORY AND DEVELOP A POLICY AND MARKETING PLAN FOR PRESENTATION SPONSORS**

In September 2004, staff came to Council and was granted authorization to issue a Request for Proposal to search for a qualified company to develop a policy and marketing plan for program sponsorship and the development of presentation sponsors. Staff issued an RFP in the fall for 2004 and at the request of possible vendors, extended the time for the response. Staff received one response and it was deemed unacceptable due to the high price tag.

Staff went back to the "drawing board" and developed a shortened list of projects for sponsorships and with this carved out work piece visited some local agencies that have a good reputation and knowledge of the area, to offer them the possibility of working within this shortened scope of work. Only one company responded – Market Place Media. Staff did not limit the company from pursuing sponsorship outside the scope of work but is trying to focus on these specific programs:

- Activity Guide sponsorship (3 per year)
- Movies at Mancini (both teen and family nights)
- Brown Bag Lunch series
- Christmas Parade of Lights
- City Park and Activities Sponsorship

Within these parameters, Market Place Media has found sponsors to completely support the Winter 2005 activity guide and continues to work on sponsorship packages for the current edition. They are working with local radio stations to sponsor fund raising efforts for the aquatic activities of the City as well as sponsorships for a fall 2006 Brown Bag Lunch series. Staff has also added the possibility of issuing advertising/sponsorships on the backs of the parking garage tickets. This is currently in the works and could produce revenue to enhance the parking garage needs.

In September of 2004 the Council also directed staff to develop a policy and marketing plan for Corporate Naming Rights and to identify properties to include in the naming rights inventory. Staff believes the City's most prominent venue for a corporate naming right property is the Modesto Centre Plaza. Ken McCall of Pacific Media was generous enough to give his and his companies time to the project of creating media information to use when discussing the proposal with individual sponsor prospects. Thurman Field has also been discussed as the next possible venue for corporate sponsorship opportunities. There have been a few quiet

discussions with a few prominent individuals within the community as to the possibility of their participation in this project and/or support.

### **DEVELOP A PLAN TO SELL OR LEASE REMNANT PARCELS OF CITY-OWNED OPEN SPACE**

A Request for Proposal from qualified and experienced firms who might be interested in contracting with the City's Parks, Recreation and Neighborhood Department to provide high-quality property management for certain specified City-owned properties was sent out in October 2004 per direction from the City Council. Wolverine Property Management was signed to deliver property management services to the city for these properties.

- 4205 Gomes Road
- 801 N. McClure Road
- 660 El Vista Dr.
- 1204 River Road
- 1318 W. Hatch Road
- McClure Farmhouse

With the professional management firm of Wolverine Properties working with our Building Services Division to manage the department's rentals it has freed up much needed City manpower to work on other projects but has also assured us that we are placing the correct value on our properties and they are being handled by experienced property managers.

In 2005 the Council declared City-owned property at the northwest corner of 17<sup>th</sup> and G Streets as well as the former John Muir School site on Morris Street as surplus to the City's needs. The City is currently working with the Modesto Redevelopment Agency to use the 17<sup>th</sup> and G Street site to develop an affordable housing project. The Morris Street site is going through the environmental process as well as the surplus property procedures with other public agencies.

### **DEVELOP A METHODOLOGY TO CREATE PRIVATE-PUBLIC PARTNERSHIPS TO SECURE NEIGHBORHOOD IMPROVEMENT SPONSORS.**

Sponsorship is a two-way medium. It creates a relationship between sponsors and their target markets. Sponsorship says to consumers that the sponsor understand them and that the sponsor cares about what they care about. Sponsorship has now finally come into its own as the most powerful of all marketing media. Sponsorship is about how much value you can provide to a sponsor. It is important that both parties achieve their objectives and recognize that they have achieved something of value. That is the magic word that separates sponsorship from philanthropy – Value. (Grey & Sildum-Reid; The Sponsorship Seekers toolkit: 2005)

Staff is working on an expansion of the N.E.A.T (Neighborhood Environmental Action Team) program to harness the private partners who wish to sponsor the clean up along road right-of-ways through honor farm work teams. The cost of the sponsorship is to pay for the deputies who guard the honor farm crews. We have recently received a new application from NEXUS gaming company to help along Briggsmore Avenue.

Philanthropy, which in a public arena is sometimes referred to as citizen philanthropy, is what is happening in some of Modesto's neighborhoods. Specifically, neighborhoods in the John Muir Park area as well as the George E. Rogers Park which have banded together to develop a plan for their parks and green spaces and have fund raised monies to help with the maintenance and operations of their parks. Working with City Park staff there are other neighborhoods that will follow in their footsteps and sponsor the parks in their neighborhoods.

### **Landscape Maintenance Agreement**

Additionally, while not specifically outlined in the initial Fund Development Program. PR&N staff, with direction from Council, wrote an RFP for Landscape Maintenance and has successfully negotiated a contract with Grover Landscaping. This agreement will save the City \$377,000+ annually and receive a one time influx of cash of \$430,000, of which \$100,000 will be directed to the Stanislaus Community Foundation.

### **Grants awarded and pending**

The City of Modesto's Parks, Recreation and Neighborhood Department has been very successful in obtaining grants for the departments projects. Over \$12 million in grants have been awarded to the department since the last Fund Development Report in 2003. Attached in Appendix A is the list of the grant awards.

Staff has also been notified that the City was given an "earmark" in the current Federal Transportation bill specifically for the Virginia corridor for \$3 million dollars.

Since the last Fund Development report the department has grant application pending for \$5,022,543.00. Attached is Appendix B, which lists the current pending grant applications.

### **Upcoming Grant Opportunities in 2006**

- Land and Water Conservation Fund (Competitive Grant)  
Applications for funding through this source have been very successful in the past. We plan to submit a request in May for a picnic shelter for Marshall Park
- Habitat Conservation Fund (Competitive Grant)
- Recreational Trails Program (Competitive Grant)
- San Joaquin Valley Air Pollution Control District – REMOVE II (Competitive Grant) – The City is positioned very well to receive additional funding for 2006 for the Virginia Corridor. When the District awarded the City the REMOVE II grant in 2005 they encouraged staff to submit for 2006, also.
- Omega Nu (Competitive Grant) Staff will be requesting funding for Senior Club projects.
- Staff is looking in funding from foundations that do not traditionally give to governmental agencies but since we are affiliated with the Stanislaus Community Foundation they will partner with us to find funding with foundations. Our first project that staff is working on is funding equipment for the remodeled Maddux Youth Center. A proposal has been developed to present to foundations that support activities such as are held at Maddux

The Fund Development Specialist has developed a spreadsheet to manage the grants that the City has been awarded, as well as information on pending grants and those grants we are anticipating sending application.

### **The Fund Development Advisory Team**

The Fund Development Advisory Team was reinstated and revamped in 2004. Members are representatives from all areas of the Department. In a collaborative forum, led by the Fund Development Specialist, the team is responsible for addressing key topic related to fund development. The team format benefits the department through the pooling of knowledge, and by streamlining and coordinating the donation and sponsorship seeking processes.

The team has assisted in the development of the scope of work for the Request for Proposal for marketing of the sponsorships and advertising. Subsequently they came back to the table to reduce and prioritize the scope of work, which eventually was contracted to Market Place Media. They have also worked on the sponsorship catalogue for the Virginia Corridor, which is currently in production. Right now, the group is working on sponsorship activities for the renovated Maddux Youth Center.

### **Staff Development**

The key component to fund development is to make sure that all members of the department are attuned to the Fund Development program. With this in mind the Fund Development Specialist has spoken at the division staff meetings to discuss the Fund Development program. It is critical that each member of the department understands that they are the eyes and ears of the fund development program and can be ambassadors to help the department gather funding to promote the programs, parks and facilities.

The Fund Development Specialist is a member of the Association of Fundraising Professionals and as such continues to network and join in learning seminars on fund development through their bimonthly meetings. Several training programs offered by the non-profit Foundation Center of San Francisco have been presented to help develop grant writing skills as well as grant management and budgeting.

It is a critical time in Fund Development but many of the strategies and proposals that were "new" ideas presented to the Council in 2002 have been accomplished or developed past more than the "talking stages".

## Appendix A

### Parks Recreation and Neighborhoods Department Grants Awarded 2004-2006

Source	Project	Amount Awarded
Proposition 40	TRRP Gateway Project	\$ 1,140,000.00
Federal TE 06-07	Virginia Corridor Phase III	\$ 700,000.00

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-280**

**A RESOLUTION APPROVING AN AGREEMENT WITH HDR ENGINEERING,  
INC. FOR ENGINEERING SERVICES RELATED TO THE WASTE-TO-  
ENERGY PROJECT END-OF-CONTRACT ISSUES AT A MULTI-YEAR COST  
NOT TO EXCEED \$146,390, AND AUTHORIZING THE CITY MANAGER TO  
EXECUTE THE AGREEMENT**

WHEREAS, the County of Stanislaus and the City of Modesto have a Service Agreement with Covanta Stanislaus for the operation of the Waste-to-Energy Facility, and

WHEREAS, this Agreement requires Covanta to operate the facility in conformance with State and Federal regulations, and

WHEREAS, the Agreement stipulates that the cost of operating and maintaining the facility be part of the Service Fee paid to Covanta, and

WHEREAS, the Service Agreement between Covanta Stanislaus, Inc, the City of Modesto, and the County of Stanislaus will expire on December 31, 2009, and

WHEREAS, the decisions regarding the future of the facility are highly complex, and subject to fluctuations in market pricing for power as well as regulatory changes, and

WHEREAS, because of these factors, the Waste-to-Energy Executive Committee directed staff to put together a group of experts to assist in the end-of-contract decision making process, and

WHEREAS, to protect the interests of the City and County communities, it will be important to have a current assessment of the condition of the facility, which will require the services of a consulting engineer, and

WHEREAS, the Executive Committee therefore authorized the development and issuance of a Request For Proposals (RFP) for these services, and

WHEREAS, the RFP for these services was prepared by the County Purchasing Agent in conformance with County purchasing specifications and issued in February 2006, and

WHEREAS, one firm, HDR Engineering, Inc., responded to the RFP, and

WHEREAS, HDR has previously performed engineering services for the project, and served as the Consulting Engineer during the 2000 refinance of the Certificates of Participation for the project and HDR has also had extensive experience in performing evaluations of various waste-to-energy facilities, including several Covanta facilities, and

WHEREAS, County Purchasing has prepared a contract, which has been reviewed and approved by County Counsel and the City Attorney's office, and

WHEREAS, in order to proceed, the City Council and County Board of Supervisors must authorize the execution of this contract, and

WHEREAS, the contract has two primary tasks, and

WHEREAS, the first task is to assess the physical and operating condition of the Facility and its ability to perform as anticipated throughout the balance of contract term at a multi-year cost not to exceed \$68,390, and

WHEREAS, second, upon completion of Task 1 in 2006, and at the discretion of the City and County, HDR may be requested to perform an evaluation of the existing Service Agreement to identify key issues, improvements to be included in any new Service Agreement, development of negotiation posture and assist in the negotiation of a

new Service Agreement or extension/amendment for the Facility operation at a cost not to exceed \$78,000,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an agreement with HDR Engineering, Inc. for engineering services related to the Waste-to-Energy project end-of-contract issues at a multi-year cost not to exceed \$146,390.

BE IT FURTHER RESOLVED that the City Manager or his designee is hereby authorized to execute the agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9<sup>th</sup> day of May 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-281**

**A RESOLUTION APPROVING A COOPERATIVE AGREEMENT BETWEEN  
THE CITY OF MODESTO AND THE HOUSING AUTHORITY OF  
STANISLAUS COUNTY FOR ACQUISITION OF RENTAL PROPERTY AT  
1901 PARAMONT WAY ("PARAMONT PROJECT"), AND AUTHORIZING  
THE CITY MANAGER TO EXECUTE THE COOPERATIVE AGREEMENT  
AND RELATED DOCUMENTS**

WHEREAS, on April 25, 2006, by Resolution No. 2006-240, the City Council approved a \$750,000 loan to the Housing Authority of Stanislaus County, to provide partial financing to purchase a 12-unit multi-family housing development located at 1901 Paramont Way ("Paramont Project"), for rental to low-income households, and

WHEREAS, the Housing Authority of Stanislaus County will obtain the remainder of required financing through a Housing Authority Tax Exempt Bond, and

WHEREAS, the Housing Authority of Stanislaus County has the capacity to issue bonds to finance the acquisition of the housing units, and

WHEREAS, under Section 34209 of the California Health and Safety Code, the Housing Authority of Stanislaus County may only operate with the City of Modesto if the consent of the City Council has been obtained, and

WHEREAS, the Paramont Project features twelve (12) 2-bedroom/1-bath units, each with 865 square feet of living space, and

WHEREAS, on April 27, 2006, the Housing Authority of the County of Stanislaus submitted a request for the City Council to consider and approve a Cooperative Agreement, and

WHEREAS, the City of Modesto and the Housing Authority of Stanislaus County wish to cooperate with one another for the purposes of acquisition of the Paramount Project, and

WHEREAS, the Cooperative Agreement is not financially binding on the City, but will assist the Housing Authority of Stanislaus County's efforts in pursuing bond financing for the acquisition of a proposed 12-unit residential rental housing facility located at 1901 Paramount Way, Modesto,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that (1) for the purposes of Section 34209 of the California Health and Safety Code, it hereby consents to the operation of the Housing Authority of Stanislaus County within the City of Modesto as necessary or appropriate to undertake and complete the financing described hereinabove, and (2) it hereby approves a Cooperative Agreement between the City of Modesto and the Housing Authority of the County of Stanislaus for acquisition of the 12-unit multi-family housing project located at 1901 Paramount Way ("Paramount Project").

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Cooperative Agreement and related documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9<sup>th</sup> day of May 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-282**

**A RESOLUTION APPROVING A SECOND AMENDMENT TO AN  
AGREEMENT WITH GEOLOGICAL TECHNICS, INC., IN THE AMOUNT OF  
\$19,858.00, CONTRACT TOTAL OF \$44,978.00, FOR CONSULTANT SERVICES  
TO MONITOR SOIL AND GROUNDWATER CONTAMINATION  
DISCOVERED DURING CONSTRUCTION OF THE POLICE  
HEADQUARTERS FACILITY AT 10<sup>TH</sup> AND "G" STREETS, AND  
AUTHORIZING THE CITY MANAGER TO EXECUTE THE AGREEMENT**

WHEREAS, during the course of constructing the Police Headquarters Facility at 10<sup>th</sup> and "G" Streets the contractor encountered contaminated soil that had to be monitored, and

WHEREAS, on April 12, 2004, the City entered into an agreement with Geological Technics, Inc., a local environmental services firm, to monitor the soil and groundwater contamination that was discovered, and

WHEREAS, on September 8, 2005, the first amendment to the consultant agreement was executed for additional geological services that were necessary to complete the scope of services provided for under the original agreement, and

WHEREAS, it was determined that additional services would be needed from Geological Technics, Inc., to allow final closure of the contamination site, and

WHEREAS, Staff recommends execution of a second amendment to the agreement with Geological Technics, Inc. for services associated with the closure of the contamination site at the Police Headquarters Facility at 10<sup>th</sup> and "G" Streets,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Second Amendment to the Agreement with Geological Technics, Inc., in the amount of \$19,858.00, thereby increasing the total not to exceed

amount to \$44,978.00, for consultant services in conjunction with soil and groundwater contamination monitoring.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Amendment to Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9<sup>th</sup> day of May 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-283**

**A RESOLUTION AMENDING THE FY 05-06 OPERATING AND CAPITAL IMPROVEMENT PROGRAM BUDGET TO DECREASE THE WATER CONTINGENCY, ACCOUNT NUMBER 6100-800-8000-8003, BY \$19,858.00 TO INCREASE THE MODESTO SYSTEM IMPROVEMENTS – SECONDARY CONSTRUCTION ACCOUNT NUMBER 6180-480-W615-6040 BY \$19,858.00**

WHEREAS, during the course of constructing the Police Headquarters Facility at 10<sup>th</sup> and “G” Streets the contractor encountered contaminated soil that had to be monitored, and

WHEREAS, funds were not included in the current budget to pay for consultant services associated with soil and groundwater contamination at the Police Headquarters Facility at 10<sup>th</sup> and “G” Streets, and

WHEREAS, additional monitoring services are needed from Geological Technics, Inc. to allow closer of the monitoring wells and the contamination site,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a reduction of \$19,858.00 from the Water Contingency (6100-800-8000-8003), and an increase of \$19,858.00 to the Modesto System Improvements – Secondary Construction Account (6180-480-W615-6040).

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9th day of May 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-284**

**A RESOLUTION APPROVING THE CITY OF MODESTO STANDARD  
SPECIFICATIONS, 2006 EDITION**

WHEREAS, in January 2005, the Public Works Department initiated an update to the City of Modesto Standard Specifications in response to suggestions from the development community and City staff, and

WHEREAS, Section 4-4.801 of the Modesto Municipal Code provides for the adoption by the City Council of "Standard Specifications of the City of Modesto", said Standard Specifications to be prepared by the Public Works Director and recommended by the Planning Commission, and

WHEREAS, the current Standard Specifications were adopted in September 1997 with the last major update in November 2001, with supplemental updates in November 2002 and December 2004, and

WHEREAS, the Public Works Department, Development Services Division, has recommended a major update to the 2001 Edition, which includes the addition of several Standard Details, and

WHEREAS, the proposed update to the Standard Specifications will make them a valuable tool for the development and construction industries, improve overall user-friendliness, and provide greater efficiency and consistency in the design and construction of public improvements, and

WHEREAS, the proposed update to the Standard Specifications was considered by the Building Industry Association and the Construction Industry Liaison Committee and notices of an informal public hearing by the Planning Commission to consider the

proposed update were sent to the Building Industry Association, and Stanislaus County Public Works, and

WHEREAS, the Planning Commission, by Resolution No. 2006-33, adopted on May 1, 2006, recommended to the City Council the adoption of the City of Modesto Standard Specifications, 2006 Edition, a copy of which is on file in the offices of the City Clerk, Public Works Director and to the Planning Commission, and

WHEREAS, the proposed City of Modesto Standard Specifications, 2006 Edition, as prepared by the Public Works Director and recommended by the Planning Commission, were considered by the City Council at its regular meeting on May 9, 2006, at which time the Council determined that the proposed update to the Standard Specifications should be adopted,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto it hereby approves the City of Modesto Standard Specifications, 2006 Edition, copies of which are on file in the office of the City Clerk, Public Works Director and to the Planning Commission.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9<sup>th</sup> day of May 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-285**

**A RESOLUTION AUTHORIZING THE AWARD OF PROPOSAL AND DIRECTING STAFF TO ENTER INTO CONTRACT NEGOTIATIONS FOR THE FURNISHING OF TEMPORARY LABOR SERVICES FOR THE CITY OF MODESTO WITH THE FOLLOWING COMPANIES AS "PRIMARY" CONTRACTORS, ADECCO USA, INC., MODESTO, CA, LABOR READY SOUTHWEST, INC., MODESTO, CA, REMEDY INTELLIGENT STAFFING, INC., MODESTO, CA, VALLEY STAFFING SERVICES, MODESTO, CA AND WESTAFF (USA), INC., MODESTO, CA, FOR A TWO (2) YEAR AGREEMENT, WITH THREE (3) ONE-YEAR EXTENSION OPTIONS, AT THE SOLE DISCRETION OF THE CITY**

WHEREAS, City departments intermittently have the need of temporary employees to fill in for vacancies created through retirements, resignations, and terminations, and

WHEREAS, temporary employees are also utilized on a seasonal basis during periods of high demand and to handle workload fluctuations, and

WHEREAS, historically, the Personnel Department facilitated the hiring of most temporary labor services for City departments, and

WHEREAS, the Personnel Department would meet with the using department to help determine the skill set needed, and

WHEREAS, the Personnel Department would contact the temporary labor agency and arrange for candidates to be sent out for interviews and the using department would conduct the interviews, and

WHEREAS, the Personnel Department would negotiate the rates on specific or group placements based on their knowledge of the market, and

WHEREAS, while Personnel was the primary contact with temporary labor agencies, user departments gradually began working directly with the agencies in order to expedite the process, and

WHEREAS, in 1999 as part of assessing the Personnel Department's delivery of services, several departments requested that the process be restructured to permit all departments to routinely deal with the temporary labor agencies directly, and

WHEREAS, the request was based on the need for expediency in hiring temporary labor and also to have direct control over the process, and

WHEREAS, based on the departmental requests and workload issues at the time, the decision was made to allow all departments to conduct their own transactions, and

WHEREAS, the Personnel Department continued to assist those departments that requested such assistance, although for the most part, departments conducted separate transactions with temporary agencies in order to meet their service level requirements, and

WHEREAS, last fiscal year the City as a whole spent approximately \$1.9 million dollars on temporary labor services, and

WHEREAS, historically the largest departmental users of temporary labor have been the Public Works and Parks, Recreation & Neighborhoods Departments, and

WHEREAS, an RFP was issued to accomplish the following:

- Consolidation of Citywide requirements obtaining the best services for the price offered.
- Consistency of service delivery and the ability to provide activity reports to better monitor the cost and utilization of temporary services Citywide.
- Concise monitoring will allow quarterly reporting on usage hours and

expenditures, and

WHEREAS, on February 14, 2006, Council approved Resolution No. 2006-088 authorizing the Purchasing Manager to formally solicit Request for Proposals (RFP) for the furnishing of Temporary Labor Services for the City of Modesto, for a two (2) year agreement with three (3) one-year extension options, and

WHEREAS, the Purchasing Division solicited Request for Proposal No. 0506-27 for the furnishing of Temporary Labor Services for the City of Modesto to thirty-four (34) prospective proposers, twenty-one (21) of which were local companies, posted the proposal on the City's web site, and formally advertised as required by law, and

WHEREAS, on March 28, 2006, RFP's were formally opened in the City Clerk's office. Of the thirty-four (34) prospective proposers solicited, ten (10) companies chose to respond, and

WHEREAS, on March 24, 2006, an evaluation committee was formed comprised of six (6) City staff personnel from the Parks Recreation and Neighborhoods, Public Works and Personnel/Risk Management Departments to evaluate the proposal submittals, and

WHEREAS, Councilmember Hawn was invited to observe the evaluation process, and

WHEREAS, the Purchasing Division facilitated the evaluation process but was not a grading participant, and

WHEREAS, on March 30, 2006, the evaluation committee met and proposal evaluation packets were given to each committee member to individually review and score, and

WHEREAS, after the meeting, committee members individually evaluated and scored the proposals, and

WHEREAS, on April 12, 2006, the evaluation committee met to discuss the proposal submittals and how they individually rated and scored each submittal, and

WHEREAS, committee member scores were combined and averaged to arrive at a committee score, and

WHEREAS, on April 19, 2006, proposer interviews were held for the top candidates to clarify any questions committee members had of their proposal submittals, and

WHEREAS, immediately following the interviews the committee members had an open discussion of the candidates and then came to a consensus for award recommendation, and

WHEREAS, the evaluation committee rated and scored the proposals based on the following evaluation categories:

<u>Evaluation Category</u>	<u>Possible Points</u>
• References	15
• Service Capabilities	40
• Company History Statement	10
• Relevant Experience	20
• Cost	<u>40</u>
• Total Possible Points:	<u>125</u>

COST (Tabulated cost):

- Lowest cost to City by job title, 40 points.
- Cost formula used in determining possible points: Lowest overall total cost divided by the next lowest overall total. Take that percentage and multiply by 40 points for total possible points. Round to whole number, and

WHEREAS, based on being ranked highest in total evaluation criteria as determined by the evaluation committee, the following companies are the primary contractors for the job titles listed below, and

WHEREAS, contingent upon successful contract negotiations, the primary contractors will furnish temporary labor services to the City of Modesto, beginning July 1, 2006, for a two (2) year agreement, with three (3) one-year extension options, at the sole discretion of the City, and

Job Title Position	Primary Contractor
Account Clerk	Westaff (USA), Inc., Modesto, CA
Administrative Office Assistant I	
Administrative Office Assistant III

Software Analyst I	Valley Staffing Services	TEK Systems, Inc.
Software Analyst II	Valley Staffing Services	TEK Systems, Inc.
Systems Technician II	Remedy Intelligent Staffing, Inc.	TEK Systems, Inc.
Water Conservation Specialist	Valley Staffing Services	Remedy Intelligent Staffing, Inc.

WHEREAS, additional resources will be required to appropriately monitor and report on this contract, and

WHEREAS, staff will be returning to Council with a recommendation and funding request in the near future, and

WHEREAS, based on being the most responsive and responsible proposals, City staff recommends the award of RFP No. 0506-27 and enter into contract negotiations for the furnishing of Temporary Labor Services for the City of Modesto with the following companies as “primary” contractors, Adecco USA, Inc., Modesto, CA, Labor Ready Southwest, Inc., Modesto, ca, Remedy Intelligent Staffing, Inc., Modesto, CA, Valley Staffing Services, Modesto, CA and Westaff (USA), Inc., Modesto, CA, for a two (2) year agreement, with three (3) one-year extension options, at the sole discretion of the City,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby awards RFP No. 0506-27 and authorize the hiring of temporary labor from the primary contractors on a provisional basis.

BE IT FURTHER RESOLVED, that the Council of the City of Modesto authorize the hiring of temporary labor from the primary contractors on a provisional basis, and directs staff to enter into contract negotiations for the furnishing of Temporary Labor Services for the City of Modesto, beginning July 1, 2006, with the following companies as “primary” contractors, Adecco USA, Inc., Modesto, CA, Labor Ready Southwest, Inc., Modesto, CA, Remedy Intelligent Staffing, Inc., Modesto, CA, Valley Staffing Services, Modesto, CA and Westaff (USA), Inc., Modesto, CA, for a two (2) year agreement, with three (3) one-year extension options, at the sole discretion of the City, for the approval and signature of the City Manager.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9<sup>th</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-286**

**A RESOLUTION APPROVING AN ECONOMIC DEVELOPMENT "BANK"  
PROJECT FUNDING AGREEMENT BETWEEN THE COUNTY OF  
STANISLAUS ("COUNTY") AND THE CITY OF MODESTO FOR THE  
DEVELOPMENT OF THE KIERNAN BUSINESS PARK EAST AND  
AUTHORIZING THE CITY MANAGER TO EXECUTE THE AGREEMENT**

WHEREAS, on February 13, 2001, the Stanislaus County Board of Supervisors ("Board") approved the formation of a Community Economic Development "Bank" ("Bank") for the purpose of providing resources for economic development projects throughout the County, and

WHEREAS, the purpose of the "Bank" is to use said funds within the nine cities and communities within Stanislaus County to leverage State, Federal and private dollars to finance infrastructure that makes possible greater opportunities for job retention and creation, and

WHEREAS, the Board directed the Stanislaus County Chief Executive Officer ("CEO") to meet with City Managers of the nine cities in the County to develop a structure for the "Bank" and a process for approving funding allocations from the "Bank". The County's CEO and City Managers recommended that the Workforce Investment Board (WIB) act as the "Board of Directors" for the "Bank", and

WHEREAS, on June 16, 2001, the WIB agreed to act as the Board of Directors of the "Bank" and established an advisory committee consisting of nine City Managers and the County CEO, and

WHEREAS, the WIB and the Stanislaus County Economic Development Corporation formed a new combined nonprofit organization called the Stanislaus

Economic Development and Workforce Alliance (“Alliance”) and the Alliance has assumed the responsibility of the WIB to act as the “Board of Directors” of the “Bank”, and

WHEREAS, the Alliance Board issued a Request for Proposals in May 2005, and City of Modesto staff submitted a proposal to the Alliance Board requesting \$357,375 in financing to be applied toward the Kiernan Business Park East Implementation Plan, which includes preparation of an amendment to the Kiernan Business Park Specific Plan (“Amendment”), preparation of a Facilities Master Plan, Finance Plan and appropriate CEQA documentation for the Amendment, and creation of a financing mechanism, such as, but not limited to a community facilities district for the principal purpose of master planning and financing the various public facilities necessary to serve the development of Kiernan Business Park East (collectively the “Project”), and

WHEREAS, the City of Modesto submitted an application to the Alliance Board requesting \$357,375 in financing to be applied to the Kiernan Business Park East Implementation Plan, and was approved, and

WHEREAS, Modesto’s request for \$142,625 was subsequently approved by the Board of Supervisors on December 14, 2004, and

WHEREAS, the City of Modesto submitted a second application to the Alliance Board requesting \$142,625 in financing to be applied to the Kiernan Business Park East Implementation Plan, in addition to the already approved \$357,375, for a total “Bank” contribution of \$500,000, and

WHEREAS, Modesto's additional request for \$142,625 was approved by the Alliance Board on July 18, 2005 and was subsequently approved by the Board of Supervisors on August 2, 2005, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Economic Development "Bank" Project Funding Agreement between the County of Stanislaus and City of Modesto for an Economic Development Bank loan in the amount of \$500,000 for the development of the Kiernan Business Park East Implementation Plan, is hereby approved.

BE IT FURTHER RESOLVED THAT the City Manager or his designee is hereby authorized to execute said Agreement on behalf of the City of Modesto.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9<sup>th</sup> day of May 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES:	Councilmembers:	Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**EXHIBIT "A"**

**ECONOMIC DEVELOPMENT "BANK" PROJECT FUNDING AGREEMENT**

**(Included in the City Council Packet as Attachment "B")**

**ECONOMIC DEVELOPMENT "BANK"  
PROJECT FUNDING AGREEMENT**  
(Kiernan Business Park East)

This Economic Development "Bank" Project Funding Agreement ("Agreement") is made and entered into on May 9, 2006 ("Effective Date"), by and between the County of Stanislaus ("County") and the City of Modesto, (the "Applicant").

**RECITALS**

This Agreement is made with the reference to the following recitals:

A. On February 13, 2001, the County Board of Supervisors authorized the establishment of an economic development "Bank" with an annual appropriation of \$1.5 million dollars. The "Bank" funds are to be used for economic development within the County. The Board directed the Chief Executive Officer ("CEO") to meet with City Managers of the nine cities in the County to develop a structure for the "Bank" and a process for approving funding allocations from the "Bank." The County's CEO and City Managers recommended that the Workforce Investment Board (WIB) act as the "Board of Directors" for the "Bank"; and

B. On June 16, 2001, the WIB agreed to act as the Board of Directors of the "Bank" and established an advisory committee consisting of the nine City Managers and the County CEO; and

C. On September 17, 2001, the WIB approved guiding principles, application documents, an evaluation system and criteria that measures the public benefit of promoting economic development and providing jobs; and

D. The WIB and the Stanislaus County Economic Development Corporation formed a new combined nonprofit organization called the Stanislaus Economic Development and Workforce Alliance ("Alliance") and the Alliance has assumed the responsibility of the WIB to act as the "Board of Directors" of the "Bank"; and

E. In response to a Request for Proposals for economic development projects, the Applicant submitted two separate Economic Development "Bank" Applications For Funding, copies of which are collectively attached hereto as Exhibit A, requesting a loan for the development of the Kiernan Business Park East, which will contain industrial and medical offices used to enhance the local economy, generate jobs for residents, and create a better jobs/housing balance (the "Project"); and

F. Upon the review and recommendation of proposals for use of the "Bank" funds for the current and prior fiscal years, including the Applicant's proposal, by the Economic Development "Bank" Advisory Committee and the Alliance Board of

Directors, the Board of Supervisors approved funding of the Project;

NOW, THEREFORE, the Applicant and County enter into this Agreement pursuant to California Government Code section 6502 on the following terms and conditions.

## TERMS AND CONDITIONS

### 1. OBLIGATIONS OF THE COUNTY

1.1 County agrees to advance sums as needed up to \$500,000.00 to the Applicant from the "Bank" for the purpose of completing the Project as described in the Applicant's application, attached hereto and incorporated herein by reference as Exhibit A ("Loan").

1.2 The County Auditor-Controller shall set up an account payable from the "Bank" to the Applicant in the amount of \$500,000.00.

1.3 Payments from the "Bank" to the Applicant shall be made upon the Applicant presenting invoices or other documentation showing that the amounts requested have been invoiced or paid, and are within the scope of the work as described in Exhibit A.

1.4 The payments of up to \$500,000.00 from the "Bank" to the Applicant shall be set up as an advance by the County Auditor-Controller, which shall be retired over time by the Applicant as provided for in Section 2.2. No interest shall accrue on the Loan, or any portion thereof. The County shall designate that the County Auditor-Controller provide the Applicant with the status of the receivable account upon receiving a written request from the Applicant; otherwise, a statement showing the status of the account will be provided to the Applicant at the end of each fiscal year.

### 2. OBLIGATIONS OF THE APPLICANT

2.1 Applicant agrees to utilize the funds received from the County described in Section 1.1 exclusively for the purposes described in Exhibit A.

2.2 Applicant agrees to pursue the Project with reasonable diligence and use its best efforts to complete the Project by March 1, 2009. Applicant shall repay the Loan when funds are actually available for the repayment when the Applicant establishes and receives monies from a "Financing Mechanism" established by the Applicant, which may include, but is not limited to, a CFD established within the Kiernan Business Park East area, Loan repayment from the developer(s) of the Kiernan Business Park East area, Specific Plan reimbursement fees, or other funding mechanism established by the Applicant. The parties understand and agree that the payment obligations set forth herein are payable solely from the Financing Mechanism and from no other source, that the Applicant shall not be obligated to make any

payment hereunder except out of revenue from the above sources, and that the Applicant is not liable to maintain any funding sources out of its General Fund or by tax levies for the purposes of repaying the Loan. It is intended that the Loan be repaid within five years from the completion of the project, provided funds are made available as set forth herein. If Loan is not on schedule for repayment within five years of completion of project due to unforeseen circumstances, the Applicant and the County shall renegotiate another repayment schedule. Applicant has used, and will continue to use best efforts to ensure that the terms and conditions of this Agreement are met.

2.3 Applicant agrees that the Project described in Exhibit A will begin within one year of the commitment of funds by the "Bank" to the Project, which will commence on the date the Board of Supervisors approves funding of the Project. For purposes of this Agreement, the Project will "begin" as of the date Applicant receives a complete application for a Specific Plan Amendment for the Kiernan Business Park East area. Failure to begin the Project as described in Exhibit A within one year of the commitment of funding may result in the forfeiture by the Applicant of funding for the Project. Should the Project fail to begin within one year from the date the funds are approved by the Board of Supervisors, the Applicant agrees to meet with the County to determine the status and/or feasibility of the Project.

2.4 Applicant agrees to assume full fiscal responsibility for the appropriate use of the funds and assume responsibility for any disallowed expenditures.

2.5 Applicant, upon receiving a written request from the County's Chief Executive Officer or designee, shall provide proof that the Applicant has expended the funds received from the "Bank" as contemplated by this Agreement and is repaying funds received as required by the terms of this Agreement.

2.6 Applicant agrees that, as part of the footnotes of its financial statement audit, it will include disclosure of Loan balances for the end of each fiscal year of the audit. Applicant further agrees that it will provide the County with quarterly reports on the progress of the Project, which reports shall include a recap of the quarterly expenses by category that have been paid from proceeds of the loan. Cumulative values for these expenses from prior quarters shall also be included in these reports.

2.7 Applicant agrees to timely (within 30 days) notify the County if, for any reason, the Project is suspended for a period of six months or is terminated by the Applicant or the developer(s).

2.8 Applicant agrees to timely (within 30 days) notify the County, when the Project has been completed. For purposes of this Agreement, the Project will be "completed" as of the date Applicant first issues building permits within the Kiernan Business Park East.

2.9 Applicant agrees that the County will be the first to be repaid from the revenue stream or streams referenced in Paragraphs 1.4 and 2.2 above.

**3. MUTUAL OBLIGATIONS:**

3.1 Any notices or communications required or permitted hereunder shall be in writing and sufficiently given if delivered in person or sent by certified or registered mail, return receipt requested, postage prepaid as follows:

County:

Chief Executive Officer  
County of Stanislaus  
1010 Tenth Street, Suite 6800  
Modesto, CA 95354

Applicant:

Community and Economic Development Director  
City of Modesto  
P.O. Box 642  
Modesto, CA 95353

3.2 The provisions of this Agreement shall constitute the entire Agreement between the parties and unless modified by written agreement duly executed by the parties hereto, shall continue in full force and effect.

3.3 Venue for any actions initiated by either party shall be in the Superior Court of Stanislaus County and California law shall apply to all the Agreement's terms and conditions.

3.4 Applicant and County further covenant to cooperate with one another in all respects necessary to ensure the successful consummation of the action contemplated by this Agreement, and each will take all actions within its authority to ensure cooperation of its officials, officers, agents and employees.

3.5 The parties agree to hold each other harmless from and against any and all claims, actions, lawsuits, losses, damages and liabilities arising from any contention, allegation, or negligent act or omission based on acts necessary to effectuate the purpose of the Agreement.

IN WITNESS WHEREOF, the City of Modesto, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. 2006-\_\_\_\_, adopted by the Council of the City of Modesto on the 9th day of May, 2006, and County has caused this Agreement to be duly executed in duplicate as of the Effective Date.

**ECONOMIC DEVELOPMENT "BANK"  
APPLICATION FOR FUNDING  
Cover Sheet**

CHIEF EXECUTIVE

2005 MAY 24 P

**Concept**

It is the purpose of the Economic Development "Bank" to make funds available to countywide collaborative entities for economic development projects that will result in job retention and creation. Stanislaus County has committed to contributing \$1.5 million per year to the "Bank" for economic development projects. It is expected that additional funds will be contributed to the "Bank" from grants or participating entities. Funds from the Economic Development "Bank" are intended to benefit the cities, the county and the community by leveraging these funds to match State, Federal and private dollars, in order to construct much-needed infrastructure and to promote programs that are conducive to countywide economic development.

**Eligibility**

Stanislaus County, Cities in Stanislaus County, Municipal Advisory Committees in Partnership with Stanislaus County, Community Service Districts in Partnership with Stanislaus County, Non-Profits and Schools in Partnership with a City and/or the County.

Applications for funds should be submitted on this form.

**Applicant Information**

Applying Entity: City of Modesto, CA  
Contact Name: Brad Kilger Title: Community & Economic Development Director  
Mailing Address: 1010 Tenth Street, Suite 3300, P.O. Box 642, Modesto, CA 95353  
Phone/Fax/email: Phone: (209) 577-5218 / Fax: (209) 491-5798 / bkilger@modestogov.com  
Project Title: Kiernan Business Park-East (KBPE) Implementation Plan

Please provide a brief description of your project (25 words or less). The development will contain industrial, residential, commercial and medical office uses to enhance the local economy, generate jobs for residents, and create a better jobs/housing balance.

Which part of the County or City will this project benefit? Both County and City areas within the Kiernan Business Park-East project area will benefit economically. Please refer to Attachment A – "Kiernan Avenue Business Park Specific Planning Area," Attachment B – "Kiernan Avenue Business Park-East Implementation Plan," and Attachment C – A proposed site plan drawing.

Total Project Budget: The cost of the Implementation Plan is \$ 1,000,000. A loan of \$142,625 is being requested to supplement \$500,000 from the property owners, and an ED "Bank" loan of \$357,375 for a total "Bank" contribution of \$500,000. Please refer to Attachment D – "Project Budget".

Please submit an attached one-page categorized project budget showing the project components and how the Economic Development "Bank" funds will be used in conjunction with contributions from other sources.

Amount Requested \$ 142,625

How will this loan be repaid? The loan will be repaid from a combination of collected CFD fees and property tax revenues. The payments and interest rate can be negotiated at the time of the award.

Signature/Endorsement by Mayor or Council Chair 

This application and attachments are complete and accurate to the best of my knowledge.

Signature of Applicant  Print Name Brad Kilger

## The Application

1. Describe the project. What public benefit, need, problem or issues does it address? How does it promote economic development and job creation/retention?

An Economic Development Bank loan is being requested to help finance and complete the critical facilities master plan and finance plan. These planning tools function as an essential component of the Kiernan Business Park-East to provide timely construction of facilities needed to accommodate and guide future development. The facilities master plan and finance plan will be accomplished in association with an amendment to the Kiernan Business Park Specific Plan.

Modesto, and the Central Valley in general, have suffered for some time from relatively high unemployment and few high-income job opportunities. While Modesto's population has grown, and continues to grow, at a rapid pace<sup>1</sup>, the number of employment opportunities has failed to keep up<sup>2</sup>. The Kiernan Avenue area represents an important economic resource to the City of Modesto. The completion of the Business Park will have a significant impact on the local economy and the job market, creating a total of 8,164 new moderate to high-income jobs.

The 189-acre proposed project site is within the Kiernan Business Park Specific Plan (152 acres) and the Kiernan-Carver CPD (37 acres). The site is located 1.7 miles east of State Route (SR) 99, and is bounded by Kiernan (State Highway 219) on the north, Dale Road on the west, Bangs on the south and the extension of American Avenue on the east.

The proposed project site consists of underdeveloped parcels (primarily agricultural and residential uses) adjacent to Nagel Nursery and the construction of the Kaiser Hospital. Within the project area, 86.39 acres are annexed to the City (KBP-CPD), 65.42 acres are not annexed to the City (KBP-CPD) and 37.3 acres are not annexed to the City (KC-CPD) and not included in the Kiernan Business Park CPD. The zoning designation for the Kiernan Business Park is Business Park and the zoning designation for the Kiernan Carver CPD is village residential.

The development of the Kiernan Business Park will accommodate industrial uses and a medical campus in the vicinity of Kiernan Avenue, because of its location adjacent to Highway 99 and North Modesto, a prime job-creating location. The Kiernan Business Park will assist in implementing Modesto's long-range objectives to enhance its local economy, generate jobs for residents, and create a better jobs/housing balance.

With the progress of the Gateway Business Complex north of Kiernan Avenue, and construction of the Kaiser Medical Campus, staff has been receiving increased interest from property owners in the area, especially for properties east of Dale Road that are within the City's incorporated boundary. In order to facilitate this development, an infrastructure facilities master plan and financing plan must be prepared to provide for the sharing of costs among the developing properties. A Community Facilities District must also be formed to generate tax-exempt funding for public facilities needed to serve the project.

---

<sup>1</sup> Modesto's population growth from 2000-2004 ranked 5<sup>th</sup> fastest in the state with a current estimate of 206,200, and a growth rate of 9.2%. (Ranking of incorporated places of 100,000 or more) *California Department of Finance / U.S. Census Bureau, Census 2000.*

<sup>2</sup> The County's job growth from 2000-2004 gained a mere 8,200 new jobs for a 4-year growth rate of 5.1%. *EDD-Labor Market Information Division.*

2. What are the projected outcomes for the proposed project?

The primary outcome is to create a mixed-use land-planning concept within the amendment to the Kiernan Specific Plan. The specific plan amendment will produce the following deliverables:

- EIR Update: The EIR for the Kiernan Business Park Specific Plan will be updated to reflect changing conditions, new information and examine the impacts from the proposed project.
- Facilities Master Plan: This will establish the base infrastructure for roads, water, sanitary sewer, storm drainage facilities, parks and other public facilities to mitigate the impacts of new development in KBPE.
- The Finance Plan: A market study will look at the recommended combination of Business Park, office, commercial and multi-family land uses based on analysis of the competitive marketplace and existing supply and demand. Additionally, the facilities in need of financing will be delineated.
- Capital Facility (CFD) Plan: This section describes the implementation strategy and financing strategy for public facilities in the Specific Plan area. This section will update the current development review process, specific plan amendment procedures, funding of capital facilities, phasing, and tentative map process. The formation of the CFD will be completed in conjunction with preparation of the specific plan amendment. One-time special tax rates and other provisions of the CFD will be outlined. A comparison of one-time and annual tax rates that will be levied on property on various stages of entitlement and development will be provided. The finance plan should explain how the KBPE CFD's will be monitored and administered on an ongoing basis.
- Land Use Plan: The land plan will address land use opportunities based on the Kaiser facility and other possible market forces, which serve as a catalyst for related medical office development in the area.
- Concept Master Plan: The concept plan will graphically depict the physical layout envisioned for the planning area. The plan would describe building placement, vehicular circulation elements, parking requirements, landscape/hardscape, entryway/gateway features, and location of storm drainage basin(s). This task would also calculate site area, building square footage/coverage, and include development phasing.
- New Job Results: New jobs will be the primary goal in developing KBPE. Current employment in the Business Park is currently very limited, with employment opportunities ranging from low-income to high-income. It is calculated that future employment opportunities to be created by development of the KBPE will exceed 26 jobs per acre for approximately 5,000 jobs. These future employment opportunities will consist of moderate to high-income paying jobs.

3. How will the stated outcomes be accomplished and measured?

Upon project build out, the success of the project will be measured against the following set of performance measures:

- Number of new jobs created within the Business Park and jobs per square foot of developed property.
- Wages & benefits earned by those employed within the Business Park.
- Total dollar amount of developer's investment within the Business Park.

4. Who will be involved in evaluating the outcome of the project?

Modesto City staff will be the principal project evaluation team in charge of keeping accurate record of project progress and success, and of collecting and compiling data for progress reports. Project status updates are submitted to the Modesto City Council on a periodic basis, as project progress warrants. It is further understood that project progress report(s) will be submitted to the Economic Development Bank Advisory Committee on a schedule to be negotiated at the time funding is approved.

5. Describe the extent of collaborative efforts and identify the partners and the level of each partner's participation in this project, if any.

The property owners have established a cooperative partnership with the City and will take the lead in preparation of the necessary land use, infrastructure and financing plans for the project. The City will contribute by expediting plan reviews and by forming a CFD.

6. What is your repayment schedule?

It is anticipated that the CFD formation will be the catalyst for a repayment funding mechanism. Once the development process has been complete, the CFD will begin taxation. The earliest estimates are of having the CFD in place by 2009. Repayment terms can be negotiated at the time of the loan award.

7. How will the project be continued (if necessary) after "Bank" funding has been exhausted? List other funding sources and length of funding, if available.

This loan is expected to contribute to the public sector share of funding for the components of the facilities master plan and finance plan. The additional \$142,625 will supplement the ED Bank Loan of \$357,375 approved in February 2005. Any additional costs beyond the expected \$1 million project cost will be borne by the property owners.

8. What accounting method/system will you use to track expenditures for the duration of the project?

GAAP (Generally Accepted Accounting Procedures) under the administration of the City's Finance Department.

Local Property Owner Match	\$500,000
ED "Bank" Loan Application Match	\$500,000

**ECONOMIC DEVELOPMENT "BANK"**  
**APPLICATION FOR FUNDING**  
**Cover Sheet**

**Concept**

It is the purpose of the Economic Development "Bank" to make funds available to countywide collaborative entities for economic development projects that will result in job retention and creation. Stanislaus County has committed to contributing \$1.5 million per year to the "Bank" for economic development projects. Funds from the Economic Development "Bank" are intended to benefit the cities, the county and the community by leveraging these funds to match State, Federal and private dollars, in order to construct much-needed infrastructure and to promote programs that are conducive to countywide economic development.

**Eligibility**

Stanislaus County, Cities in Stanislaus County, Municipal Advisory Committees in Partnership with Stanislaus County, Community Service Districts in Partnership with Stanislaus County, Non-Profits and Schools in Partnership with a City and/or the County.

Applications for funds should be submitted on this form.

**Applicant Information**

Applying Entity City of Modesto, CA

Contact Name: Brad Kilger Title: Community & Economic Development Director

Mailing Address 1010 Tenth Street, Suite 3300, P.O. Box 642, Modesto, CA 95353

Project Title Kiernan Business Park East (KBPE)

Please provide a brief description of your project (25 words or less). The development will contain industrial and medical office uses to enhance its local economy, generate jobs for residents, and create a better jobs/housing balance.

Which part of the County or City will this project benefit? Both County and City areas within the Kiernan Business Park East project area will benefit economically.

Please refer to Attachment A – "Project Map"

Total Project Budget Until applicable studies are complete, the only known cost is the Implementation Plan cost of \$ 714,750. Please refer to Attachment B – "Project Budget"

Please submit an attached one-page categorized project budget showing the project components and how the Economic Development "Bank" funds will be used in conjunction with contributions from other sources.

Amount Requested \$ 357,375

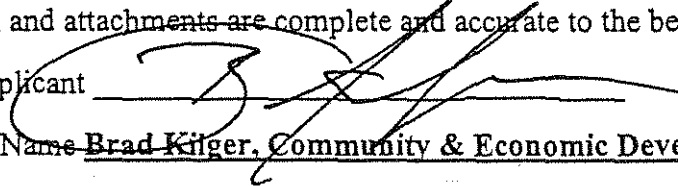

How will this loan be repaid? The loan will be repaid from a combination of collected CFD fees and property tax revenues. The payments and interest rate can be negotiated at time of award.

# The Application

1. Describe the project. What public benefit, need, problem or issues does it address? How does it promote economic development and job creation/retention?

Modesto, and the Central Valley in general, have suffered for some time from relatively high unemployment and few high-income job opportunities. While Modesto's population has grown, and continues to grow, at a rapid pace<sup>1</sup>, the number of employment opportunities has failed to keep up<sup>2</sup>. The Kiernan Avenue area represents an important economic resource to the City of Modesto. The completion of the Business Park will have a significant impact on the local economy and the job market, creating a total of 8,164 new moderate to high-income jobs. The area consists of approximately 614 acres located adjacent to the City of Modesto's northern border, east of Highway 99, and south of Kiernan Avenue in a portion of unincorporated Stanislaus County.

The development of the Kiernan Business Park will accompany industrial uses and a medical campus in the vicinity of Kiernan Avenue, because of its location adjacent to Highway 99 and North Modesto, a prime job-creating location. The Kiernan Business Park will assist in implementing Modesto's long-range objectives to enhance its local economy, generate jobs for residents, and create a better jobs/housing balance.

With the recent progress of the Gateway Business Complex north of Kiernan Avenue, and announcement of the Kaiser Campus, staff has been receiving increased interest from property owners in the area, especially properties east of Dale Road that are within the City's incorporated boundary. In order to facilitate this development, an infrastructure facilities master plan/financing plan must be prepared to provide for the sharing of costs among the developing properties. A Community Facilities District also must be formed to generate tax-exempt funding for public facilities needed to serve the project. The portion of the Kiernan Business Park, east of Dale Road, contains approximately 333 acres, divided into 23 parcels. The area is referred to as Kiernan Business Park East (KBPE). Approximately 264 acres within KBPE is contained within the City of Modesto's incorporated boundary, while approximately 69 acres divided into 5 parcels are located outside the existing City limits (within the General Plan Boundary and the Modesto Sphere of Influence).

An Economic Development Bank loan is being requested to help the City finance and complete the critical Business Park facilities master plan and finance plan. These planning tools function as an essential component of the Kiernan Specific Plan to provide timely construction of facilities needed to accommodate and guide future development. The facilities master plan and facilities finance plan will be accomplished in association with a specific plan amendment to the Kiernan Business Park Specific Plan.

2. What are the projected outcomes for the proposed project?

- Facilities Master Plan: This will establish the base infrastructure for roads, water, sanitary sewer, storm drainage facilities, parks and other public facilities to mitigate the impacts of new development in KBPE.

---

<sup>1</sup> Modesto's population growth from 2000-2004 ranked 5<sup>th</sup> fastest in the state with a current estimate of 206,200, and a growth rate of 9.2%. (Ranking of incorporated places of 100,000 or more) *California Department of Finance / U.S. Census Bureau, Census 2000.*

<sup>2</sup> The County's job growth from 2000-2004 gained a mere 5,960 new jobs for a 4 year growth rate of 3.7%. *EDD-Labor Market Information Division.*

- The Finance Plan: A market study will look at the recommended combination of Business Park, office, commercial and multi-family land uses based on analysis of the competitive marketplace and existing supply and demand. Additionally, the facilities in need of financing will be delineated.
- Capital Facility (CFD) Plan: The formation of the CFD will be completed in conjunction with preparation of the specific plan amendment. One-time special tax rates and other provisions of the CFD will be outlined. A comparison of one-time and annual tax rates that will be levied on property on various stages of entitlement and development will be provided. The finance plan should explain how the KBPE CFD's will be monitored and administered on an ongoing basis.
- Land Use Plan: The land plan will address land use opportunities based on the Kaiser facility and other possible market forces, which serve as a catalyst for related medical office development in the area.
- Implementation: This section describes the implementation strategy and financing strategy for public facilities in the Specific Plan area. This section will update the current development review process, specific plan amendment procedures, funding of capital facilities, phasing, and tentative map process.
- Concept Master Plan: The concept plan will graphically depict the physical layout envisioned for the planning area. The plan would describe building placement, vehicular circulation elements, parking requirements, landscape/hardscape, entryway/gateway features, and location of storm drainage basin(s). This task would also calculate site area, building square footage/coverage, and include development phasing.
- New Job Results: New jobs will be the primary goal in developing KBPE. Current employment in the Business Park is currently very limited, with a total employment of 26 jobs per acre. The current employment opportunities range from low-income to high-income. In stark contrast, it is calculated that future employment opportunities to be created by development of the KWPE will a total of 8,164 jobs. These future employment opportunities will be moderate to high-income paying jobs.

### 3. How will the stated outcomes be accomplished and measured?

Upon project build out, the success of the project will be measured against the following set of performance measures:

- Number of new jobs created within the Business Park and jobs per square foot of developed property.
- Wages & benefits earned by those employed within the Business Park.
- Total dollar amount of developer's investment within the Business Park.

### 4. Who will be involved in evaluating the outcome of the project?

Modesto City staff will be the principal project evaluation team in charge of keeping accurate record of project progress and success, and of collecting and compiling data for progress reports. Project status updates are submitted to the Modesto City Council on a periodic basis, as project progress warrants. It is further understood that project progress report(s) will be submitted to the Economic Development Bank Advisory Committee on a schedule to be negotiated at the time funding is approved.

**5. Describe the extent of collaborative efforts and identify the partners and the level of each partner's participation in this project, if any.**

The City is partnered with the various property owners, the County of Stanislaus and other City departments to provide financial and non-financial assistance in developing the Kiernan Business Park. The property owners have been involved in public meetings to offer feedback, as well as funding commitments for the project.

**6. What is your repayment schedule?**

It is anticipated that the CFD formation will be the catalyst for a repayment funding mechanism. Once the development process has been complete, the CFD will begin taxation. The earliest estimates are of having the CFD in place by 2009. Repayment terms can be negotiated at the time of the loan award.

**7. How will the project be continued (if necessary) after "Bank" funding has been exhausted? List other funding sources and length of funding, if available.**

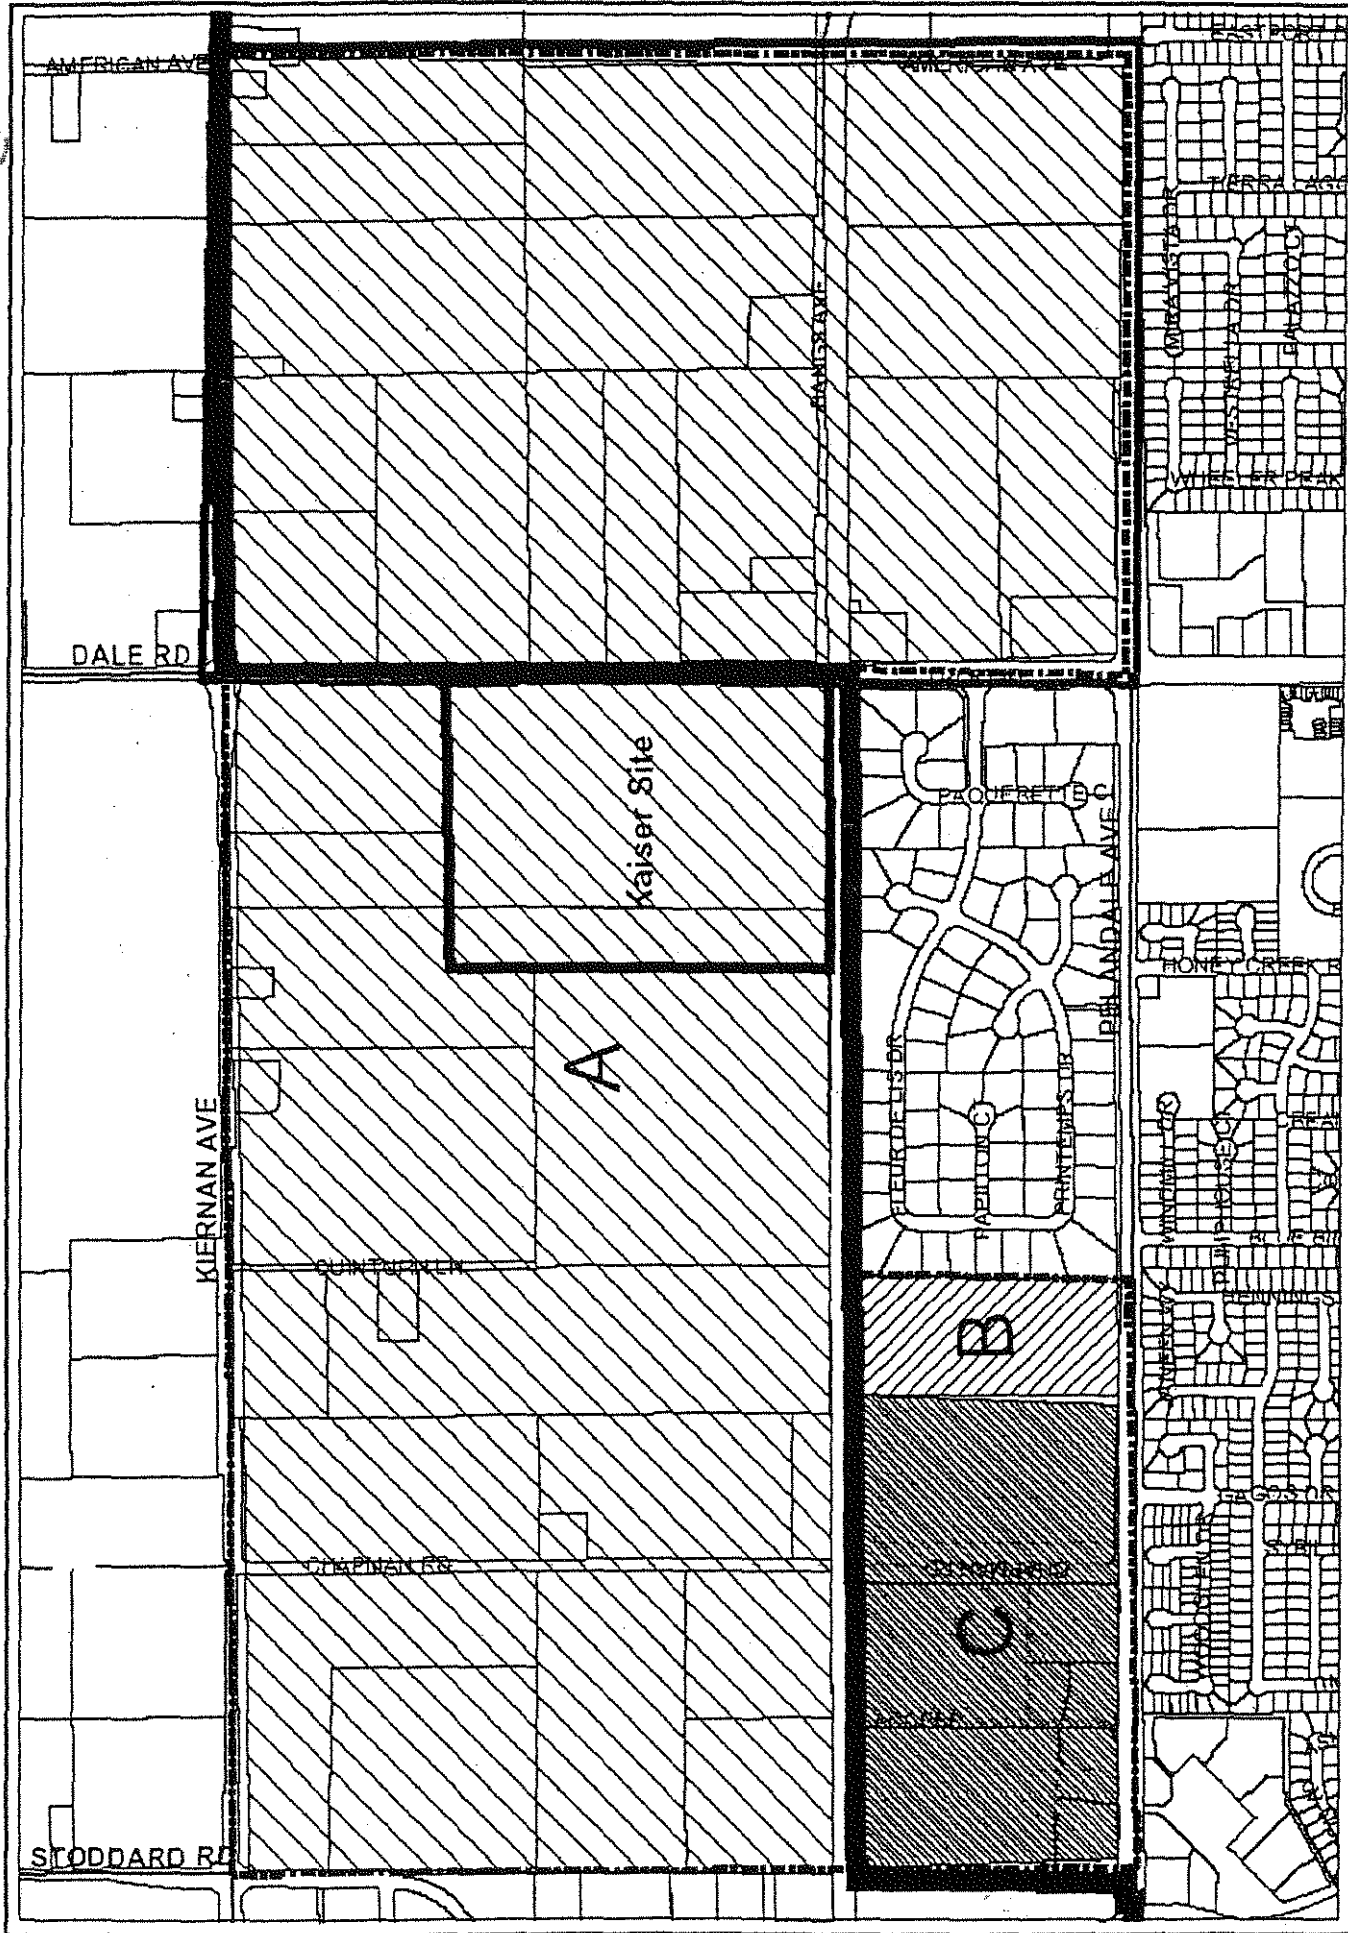

This loan is expected to be a one-time application for the components of the facilities master plan and finance plan. Any additional funding will come from Modesto's General Fund, or CFD fees as collected within that funding structure.

**8. What accounting method/system will you use to track expenditures for the duration of the project?**

GAAP (Generally Accepted Accounting Procedures) under the administration of the City's Finance Department.

### City of Modesto

--- Proposed Kaiser  
Annexation Area  
--- Kaiser Site

The Kiernan Business Park encompasses 614 acres situated in north Modesto. It is a prime location for new business and industrial uses due to its proximity to Highway 99.

Two major expressways also border the Kiernan Business Park, Kiernan Avenue (Hwy. 219) on the north and Pelandale Avenue on the south. Utilities, including sewer and water service are available.

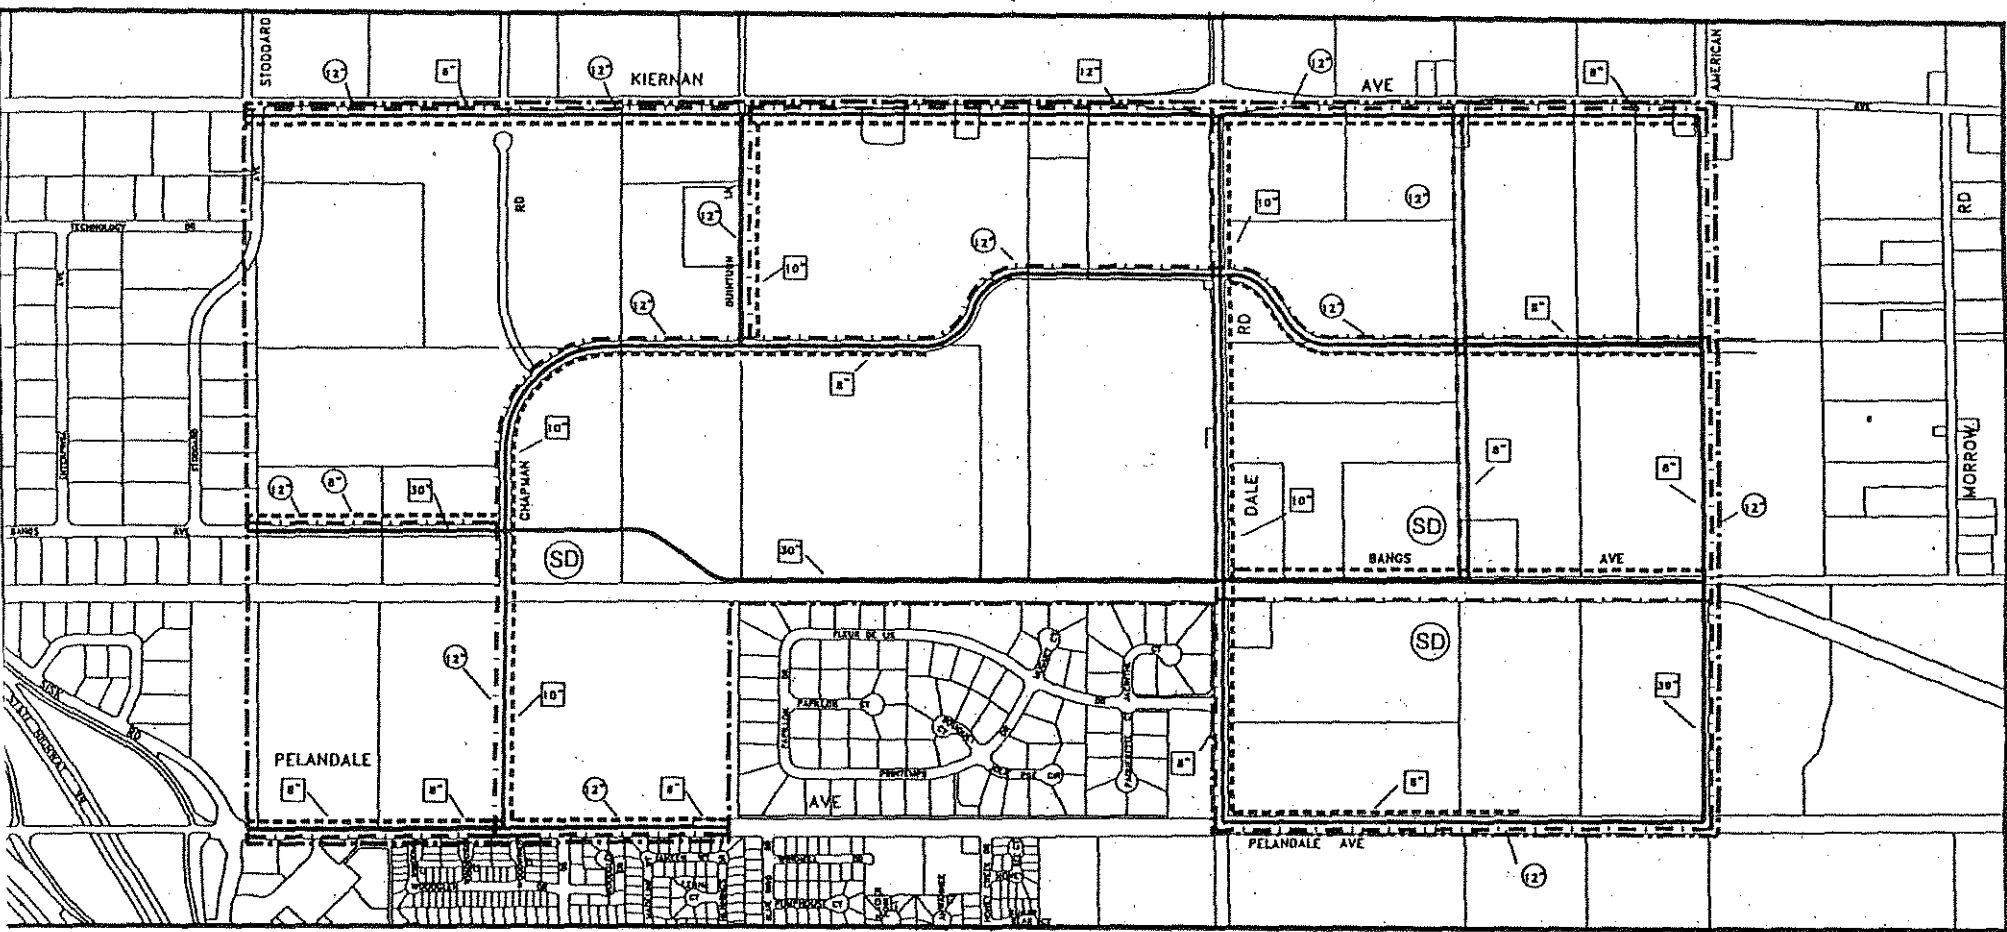

The suitability of the area for development is exemplified by the recent announcement by Kaiser Medical of their plans to build a new 1.2 million square foot state of the art full service hospital and medical campus on Dale Road in the center of the Kiernan Business Park.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-287**

**A RESOLUTION APPROVING AN ADVANCED FUNDING AND COST SHARING AGREEMENT BETWEEN THE CITY OF MODESTO (“CITY”) AND CHOPRA DEVELOPMENT ENTERPRISES (“APPLICANT”) FOR KIERNAN BUSINESS PARK EAST, AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE AGREEMENT**

WHEREAS, the Applicant is in the process of preparing an amendment to the Kiernan Business Park Specific Plan (“Amendment”) and has requested that the City review and process the proposed Amendment, prepare a Facilities Master Plan, Finance Plan and appropriate CEQA documentation for the Amendment and create an appropriate financing mechanism for the purpose of master planning and financing the various public facilities which are necessary to serve the development of Kiernan Business Park East, (collectively the “Project”), and

WHEREAS, the City has secured loans from the Stanislaus County Economic Development Bank (“ED Bank”) in the amount of \$500,000 which will be applied toward the estimated costs to assist with the public planning and environmental review process for the project, and

WHEREAS, the purpose of the Advanced Funding and Cost-Sharing Agreement (“Exhibit A”) for the project is to provide monies for the City’s costs for preparing the Project on a time and materials basis, to provide mechanisms by which the funds deposited under the Agreement shall be applied and by which Applicant may make additional deposits if determined necessary, to reimburse the City and the ED Bank for the amounts advanced, and to reimburse Applicant for monies advanced for the benefit of other landowners in the KBPE, and

WHEREAS, the Advanced Funding and Cost-Sharing Agreement (“Exhibit A”) sets forth the conditions of receipt and repayment of the \$500,000 loan which is attached hereto and made a part herein by this reference,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Advanced Funding and Cost-Sharing agreement between the City and Chopra Development Enterprises for Kiernan Business Park East is hereby approved.

BE IT FURTHER RESOLVED THAT the City Manager, or his designee, is hereby authorized to execute the agreement on behalf of the City of Modesto.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9<sup>th</sup> day of May 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES:	Councilmembers:	Dunbar, Hawn, Keating, Marsh, O’Bryant, Olsen, Mayor Ridenour
NOES:	Councilmembers:	None
ABSENT:	Councilmembers:	None

RICHARD RUDNANSKY Interim City Attorney

**EXHIBIT "A"**

**ADVANCED FUNDING AND COST-SHARING AGREEMENT**

**(Included in the City Council Packet as Attachment "C")**

**ADVANCED FUNDING AND COST-SHARING AGREEMENT  
FOR KIERNAN BUSINESS PARK EAST**

THIS ADVANCED FUNDING AGREEMENT FOR KIERNAN BUSINESS PARK EAST ("Agreement"), dated as of \_\_\_\_\_, 2005, is entered into by and between the CITY OF MODESTO, a municipal corporation ("City"), and CHOPRA DEVELOPMENT ENTERPRISES, INC., a California corporation ("Applicant").

**RECITALS:**

A. Applicant has the right to acquire ownership interests in real property located within a portion of the Kiernan Business Park Specific Plan commonly known as the Kiernan Business Park East ("KBPE"), shown in Exhibit A attached hereto and incorporated herein by this reference, and is interested in pursuing development of properties in KBPE.

B. Applicant is in the process of preparing an Amendment to the Kiernan Business Park Specific Plan ("Amendment") and has requested that the City review and process the proposed Amendment, prepare a Facilities Master Plan, Finance Plan, and appropriate CEQA documentation for the Amendment ("Planning Documents") and create an appropriate financing mechanism, such as, but not limited to, a communities facilities district ("Financing Mechanism") for the principal purpose of master planning and financing the various public facilities which are necessary to serve or desirable for the development of KBPE (collectively the "Project").

C. The estimated cost for completing the Project is approximately ONE MILLION FIVE HUNDRED THOUSAND DOLLARS AND NO CENTS (\$1,500,000.00) ("Project Costs").

D. Applicant is prepared to deposit with the City one third of the Estimated Costs less expenses advanced by Applicant to date and approved by City's Community and Economic Development Director ("CEDD") which are incorporated in the Project Costs, in an amount not to exceed FIVE HUNDRED THOUSAND DOLLARS AND NO CENTS (\$500,000.00) in order to provide the City with an initial source of funds with which to pay expenses expected to be incurred in connection with the Project. Additional deposits shall be provided as needed.

E. City has secured loans from the Stanislaus County Economic Development Bank ("ED Bank") in the amount of \$500,000.00 (collectively "Loan") which will be applied toward the Estimated Costs in order to assist with the public planning and environmental review process for the KBPE.

F. The City and Applicant are desirous of entering into this Advanced Funding and Cost-Sharing Agreement for KBPE in order to provide monies for the City's costs for preparing the Project on a time and materials basis, to provide mechanisms by which the funds deposited under this Agreement shall be applied and by which Applicant may make additional deposits if determined necessary, to reimburse the City and the ED Bank for the amounts advanced, and to reimburse Applicant for monies advanced for the benefit of other landowners in the KBPE.

## AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth herein, the parties hereto agree as follows:

1. Recitals. Each of the above recitals is incorporated herein and is true and correct.

2. Proposed Preparation of the Planning Documents and Creation of the Financing Mechanism.

(a) Applicant agrees to pay all costs of reviewing, processing and approving the Amendment, preparing the Planning Documents and creating a Financing Mechanism, if any, for KBPE. City agrees to contribute any proceeds which it actually receives from the Loan, in an amount up to but not to exceed \$500,000.00, to pay a portion of the costs associated with review, processing and approval of the CEQA documentation for the Amendment, preparation of the Planning Documents and creation of a Financing Mechanism. The parties understand and agree that the City's obligation to contribute toward the Project Costs as set forth herein shall be payable solely from revenues received from the Loan and from no other source, and that the City is not liable to maintain or create any funding sources, including its General Fund or tax levies for the purposes of contributing to the Project Costs; provided, however, that if City establishes a Financing Mechanism for KBPE then City will make reasonable efforts to include a provision for reimbursement to Applicant as a component of said Financing Mechanism, to the extent legally permissible.

(b) Within ten (10) calendar days after the City Council approves this Agreement, Applicant shall deposit the sum of \$500,000 less expenses advanced by Applicant to date and approved by City CEDD which are incorporated in the Project Costs ("Initial Deposit"), with City to be held in trust by the City and used solely for the purposes set forth in this Agreement. Upon receipt by the City of the Initial Deposit and all documents deemed necessary by the City to proceed with the Project, the City will commence work on the Project on a time and materials basis. In connection therewith, the City has either retained, or will retain, the consultants that the City determines necessary or convenient to assist it with the Project and, if the City determines to proceed with the formation of the CFD, to assist it in connection therewith and with the possible issuance of bonds.

(c) After the Initial Deposit and the Loan proceeds have been expended on the Project, Applicant shall make additional advances to the City, as provided by subparagraph (d), below, until the Project has been completed or terminated, and all costs associated with the Project have been fully paid.

(d) Applicant shall make additional advances to the City within ten (10) business days following receipt from the City of a request for an additional advance to cover the costs referred to herein. In the event that the Applicant does not deliver the requested amount to the City within such ten (10) business day period, the City will have no obligation to proceed with any activity relating to the Project. The Applicant may notify the City at any time, in writing, of its intention to abandon the Project. Immediately upon City's receipt of such notice, but in no case later than two (2) business days, the City shall instruct in writing its consultants to cease work

immediately. The Applicant shall be responsible for all costs and expenses incurred by the City or any City consultant or advisor relating to the Project until City issues this cease work notice.

(e) Applicant agrees that, notwithstanding the Applicant's funding and reimbursement obligations under this Agreement, the consultants selected by the City shall be the contractors exclusively of the City and not of the Applicant. Except for those disclosures required by law including, without limitation, the Public Records Act, all conversations, notes, memoranda, correspondence, and other forms of communication by and between the City and its consultants shall be, to the extent permissible by law, privileged and confidential and not subject to disclosure to the Applicant. Applicant agrees that it shall have no claim to, nor shall it assert any right in any reports, correspondence, plans, maps, drawings, news releases or any and all other documents or work product produced by City's consultants. Applicant understands that it will not be a third party beneficiary to City's contracts with the consultants. City will consult with Developer prior to replacing its current consultants; however, Applicant agrees that City may select other consultants to replace its current consultants and may do so without obtaining Developer's approval.

3. City and Applicant to Cooperate with each other and with the City's Consultants.

(a) City and Applicant shall work cooperatively and in good faith to facilitate completion of Project as quickly as possible and in the most cost effective way. City and Applicant shall meet and consult on dates and times as may be mutually agreed upon to discuss the progress and any key issues involved in the Project; provided, however, that Applicant's role is advisory only and that City shall control all aspects of the Project. The final work product to be produced by City's Consultants shall be subject to the City's approval and control.

(b) City shall prepare a tentative timeline of processing steps through adoption of the Specific Plan and posting of CEQA notices ("Project Schedule"). The Project Schedule shall be prepared in consultation with the Applicant. City and Applicant shall use reasonable efforts to process Applicant's application in accordance with the Project Schedule. Applicant acknowledges that changes to the Project, delays in resolving infrastructure issues or obtaining information necessary to process the application, the public comment process and other issues beyond the City's control may result in delays to the Project Schedule.

(c) City and Applicant shall establish a KBPE Development Team that regularly shall meet in person or teleconference to coordinate the work contemplated by this Agreement. City's team members shall include at least one representative from all necessary City departments.

(d) City and Applicant shall each appoint one team leader. The City's development team leader shall coordinate the City's various departments in their interaction with the Applicant's development team. The Applicant's development team leader shall coordinate the Applicant's team in its interaction with the City's development team and shall ensure Applicant's team timely makes any decisions necessary to move the Project to hearing.

(e) City and Applicant agree that water, wastewater, and storm water infrastructure issues are critical to timely moving the Project to hearing and to ensure the economic viability of the Project. The parties agree to work on these issues in a manner sufficient to ensure

that CEQA review of the project is not unduly delayed, and that the magnitude of infrastructure costs are identified as early in the process as practical.

(f) Prior to making any final decisions regarding the scope of work of any contract or consultant, City will provide the proposed scope of work to the Applicant for review and comment.

(g) Each party shall timely review documents and provide comments so that the Project Schedule can be maintained.

(h) Prior to making any final decisions regarding adoption of the proposed Amendment, the Planning Documents or Financing Mechanism, if any, City will send a draft of the proposed document to Applicant for review and comment.

(i) Applicant agrees to cooperate in good faith with the City's consultants. Applicant agrees that it will instruct its agents, employees, consultants, contractors and attorneys to reasonably cooperate with the City's consultants and to provide all necessary documents or information reasonably requested of it by the City's consultants; provided, however, that the foregoing shall not require the disclosure of any documents or information of the Applicant which by law is privileged, proprietary, confidential, or exempt from disclosure under the Public Records Act.

#### 4. Repayment of Loan.

(a) City has entered into an Economic Development "Bank" Project Funding Agreement with the County of Stanislaus ("County") dated of even date herewith ("Loan Agreement"), a copy of which is attached hereto as Exhibit B and incorporated herein by reference. The purpose of the Loan Agreement is to secure the \$500,000.00.

(b) Applicant acknowledges that City has entered into the Loan Agreement for the sole purpose of assisting Applicant with the costs of preparing the Amendment and Planning Documents and creating a Financing Mechanism in order to facilitate the development of KBPE. Applicant further acknowledges and agrees that it has or will receive a direct and substantial benefit as a result of City's commitment to the Loan Agreement and, therefore, will fully guarantee any and all obligations of the City under the Loan Agreement in the event that City is unable to create a Financing Mechanism which includes adequate provision for repayment of the Loan. Applicant further acknowledges that City has entered into the Loan Agreement in reliance on Applicant's agreement to guarantee City's obligations under the Loan Agreement.

(c) City and Applicant agree to use best efforts to create a Financing Mechanism which includes sufficient provisions to ensure reimbursement of the Loan in accordance with the terms of the Loan Agreement. If such a Financing Mechanism is not or cannot be created for any reason whatsoever, or if such Financing Mechanism is insufficient to ensure reimbursement of the Loan in accordance with the Loan Agreement, then Applicant unconditionally guarantees and promises to pay to City and/or the ED Bank when due, any and all payments which are necessary to repay the Loan in full, according to the terms of the Loan Agreement, and shall hold the City harmless from and fully satisfy any and all of City's obligations under the Loan Agreement. Applicant shall make payment to City or ED Bank of any amount necessary to repay the Loan when

due, or within ten (10) business days of receipt of a demand from City for payment of the same, whichever occurs later.

(d) Prior to or concurrent with execution of this Agreement, Applicant shall furnish, or cause to be furnished a security in the amount of FIVE HUNDRED THOUSAND AND 00/100 DOLLARS (\$500,000.00) to secure and guarantee faithful performance of Applicant's obligation to repay the Loan, including but not limited to payment of all administrative and legal costs incurred by City to enforce this obligation. The security shall be in the form of cash, assignment of a certificate of deposit or passbook savings account, or a letter of credit acceptable to the City Attorney. Unless otherwise agreed by City in writing, Applicant shall secure and maintain the performance security until the later of (1) repayment in full of the Loan and satisfaction in full of all City's obligations under the Loan Agreement or (2) establishment of a Financing Mechanism which includes adequate provision for repayment of the Loan.

5. Reimbursement Procedure.

(a) If a Financing Mechanism is created, including but not limited to formation of a CFD and issuance of bonds, proceeds in excess of the amount determined by the City to be required in order to administer the Financing Mechanism and to satisfy the requirements of the City's policies and procedures, including but not limited to City's CFD Policies and Procedures with respect to capitalized interest and reserves, and to pay for facilities and incidental expenses, may be used to reimburse the Applicant and the City for the amounts that the Applicant and the City have advanced in connection with this Agreement; provided, however, that any such reimbursement monies available first shall be to the City for the purpose of repaying the Loan and satisfying any outstanding payment obligation from Applicant to City, then to Applicant. City shall pay interest on any monies to be reimbursed to Applicant through the Financing Mechanism, if legally permissible.

(b) In the event that the Planning Documents are not prepared or approved and/or a Financing Mechanism is not created for any reason, or in the event that a Financing Mechanism is created but no revenue stream is generated for any reason, the City shall refund any funds which have been advanced by the Applicant pursuant to this Agreement and which have not been expended, obligated or otherwise committed for any authorized purpose, subject to the complete reimbursement to the City of any direct and indirect costs paid by Loan proceeds for review and processing of the proposed Amendment, preparation of the Planning Documents and/or creation of the Financing Mechanism. If the amounts advanced by the Applicant are insufficient to fully reimburse the City for all said direct and indirect costs and monies received from the Loan, then the Applicant shall pay to the City the amount of the deficiency within ten (10) days after receipt of a demand by City. City shall not be required to pay interest on any amount required to be refunded pursuant to this Agreement. The City shall be entitled to pay any refund or reimbursement required pursuant to the provisions hereof to the entity that is the signatory to this Agreement irrespective of any changes in the ownership of the property or the organization of the Applicant.

6. Abandonment of the Project. The Applicant understands that, subject to the satisfaction of all applicable legal requirements, the decision to review, process, prepare or approve the proposed Amendment, Planning Documents and Financing Mechanism shall be each in the sole discretion of the City. No provision of this Agreement shall be construed as a promise, warranty or agreement by the City to review, process, prepare or approve the proposed Amendment, Planning

Documents or Financing Mechanism. The City shall have no liability to Applicant for a decision not to review, process, prepare or approve the proposed Amendment, Planning Documents and Financing Mechanism.

7. Indemnification and Hold Harmless. The Applicant hereby assumes the defense of, and shall indemnify and save harmless, the City and each of its officers, directors, agents, contractors, and employees, from and against all actions, damages, claims, losses or expenses of every type and description to which they may be subjected or put, by reason of or arising out of any acts or omissions of Applicant or any of the Applicant's officers, employees, contractors and agents in connection with the proposed review, processing, preparation or approval of the proposed Amendment, Planning Documents and/or creation of a Financing Mechanism provided by or on behalf of the Applicant or its consultants, except for any action, damages, claims, losses or expenses arising out of the sole negligence or willful misconduct of the City, its officers, directors, employees or agents.

8. Notices. Any and all notices permitted or required to be given hereunder shall be deemed duly given and effective (1) upon actual delivery, if delivery is by hand; or (2) five (5) days after delivery into the United States mail if delivery is by postage paid registered or certified (return receipt requested) mail. Each such notice shall be sent to the parties at the address respectively indicated below or to any other address as the respective parties may designate from time to time.

9. Assignment. Applicant may not assign its interest in this Agreement without the prior written consent of the City, which consent shall not be unreasonably withheld. Any assignment or attempt to assign this Agreement without the prior written consent of CITY shall be deemed null and void as of the date of the purported assignment. All covenants, stipulations, and agreements in this Agreement shall bind any such representatives, successors and assigns.

10. Severability. If any part of this Agreement is held to be illegal or unenforceable by a court of competent jurisdiction, the remainder of this Agreement shall be given effect to the fullest extent permitted by law.

11. Entire Agreement. This Agreement contains the entire agreement between the parties with respect to the matters provided for herein. All previous proposals, offers and communications relative to this Agreement, whether oral or written, are hereby superseded except to the extent that they have been incorporated into this Agreement. No future waiver of or exception to any of the terms, conditions, and provisions of this Agreement shall be considered valid unless specifically agreed to in writing by all the parties.

12. Amendments. This Agreement may be amended or modified only by written instrument signed by all parties. Any amendment or addendum to this Agreement shall expressly refer to this Agreement.

13. Governing Law. This Agreement and any dispute arising hereunder shall be governed by and interpreted in accordance with the laws of the State of California.

14. No Third Party Beneficiaries. No person or entity shall be deemed to be a third party beneficiary hereof, and nothing in this Agreement (either express or implied) is intended to confer upon any person or entity, other than the City (and its officers, directors, employees and agents providing services under this Agreement) and the Applicant, any rights, remedies, obligations or liabilities under or by reason of this Agreement.

15. Singular and Plural; Gender. As used herein, the singular of any word includes the plural, and terms in the masculine gender shall include the feminine.

16. Termination. This Agreement shall terminate and be of no further force and effect on the third anniversary of the date of this Agreement unless expressly amended by the parties; provided, however, that the Applicant's obligations under Sections 4 and 7 and the City's obligation to provide reimbursement in accordance with Section 5 for expenses incurred prior to the termination date shall survive termination or expiration of this Agreement.

17. Time is of the Essence. Except as otherwise expressly stated, time is of the essence in the performance of each and every action required pursuant to this Agreement.

18. Language Construction. The language of each and all paragraphs, terms and/or provisions of this Agreement, shall, in all cases and for any and all purposes, and in any way and all circumstances whatsoever, be construed as a whole, according to its fair meaning, and not for or against any party hereto and with no regard whatsoever to the identity or status of any person or persons who drafted all or any portion of this Agreement.

19. Representations of Authority. Each party signing this Agreement on behalf of a party which is not a natural person hereby represents and warrants to the other party that all necessary legal prerequisites to that party's execution of this Agreement have been satisfied and that he or she has been authorized to sign this Agreement and bind the party on whose behalf he or she signs.

20. Relationship of Parties. Nothing contained in this Agreement shall be interpreted or understood by any of the parties, or by any third person, as creating the relationship of employer and employee, principal and agent, limited or general partnership, or joint venture between City and Owner or its agents, employees or contractors. Except as City may specify in writing, Owner shall have no authority to act as an agent of City or to bind City to any obligation.

21. Title of Parts and Sections. Any titles of the sections or subsections of this Agreement are inserted for convenience of reference only and shall be disregarded in interpreting any part of Agreement's provisions.

22. Waiver. The waiver by any party to this Agreement of any action, obligation, or commitment required by this Agreement or of a breach of any provision hereof shall be in writing and shall not operate or be construed as a waiver of any other or subsequent breach hereof or of any action, obligation, or commitment required by this Agreement unless specifically stated in writing.

23. Discretion of the City. City's execution of this Agreement in no way limits the discretion of City in the permit and approval process in connection with any construction or improvements within or outside the KBPE which are within City's jurisdiction.

IN WITNESS WHEREOF, the CITY OF MODESTO, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. 2006-\_\_\_\_, adopted by the Council of the City of Modesto on the \_\_\_\_ day of \_\_\_\_\_, 2006, and Applicant has caused this Agreement to be executed in duplicate, effective as of the date first written above.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-288**

**A RESOLUTION AMENDING THE FISCAL YEAR 2005-2006 OPERATING  
BUDGET TO INCREASE THE COMMUNITY & ECONOMIC DEVELOPMENT  
DEPARTMENT REVENUE BUDGET BY \$500,000 AND TO APPROPRIATE  
\$500,000 FOR CONTRACT PROFESSIONAL SERVICES**

WHEREAS, on August 2, 2005, the Stanislaus County Board of Supervisors approved an Economic Development Bank loan of \$142, 625 to be used by the City of Modesto for the Kiernan Business Park Implementation Plan, supplementing a previously approved loan of \$357, 375, for a total loan for these purposes of \$500,000, and

WHEREAS, revenue projections for these projects were not included in the FY 2004/2005 budget, and

WHEREAS, Planning studies, including a Specific Plan amendment and Environmental Impact Report are to be completed using contract assistance, and

WHEREAS, the City has entered into an Economic Development Project Funding Agreement with Stanislaus County for the use of these funds and an Advanced Funding and Cost-Sharing Agreement with Chopra Development Enterprises for the balance of costs and for reimbursement, and

WHEREAS, the City Council on August 2, 2005, considered and approved further study of the concept for the Kiernan Business Park-East Specific Plan and EIR updates, and provided direction to staff to finalize the funding agreements and to schedule the agreements for review and consideration by the City Council.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby amends the Fiscal Year 2005-2006 operating budget to create a multi-year operating organization (0800-140-1454 – Kiernan Business Park East Economic

Development "Bank" Loan) to recognize \$500,000 in revenue, and to appropriate \$500,000 for contract professional services.

BE IT FURTHER RESOLVED that the Finance Director, or designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9<sup>th</sup> day of May 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-289**

**A RESOLUTION APPROVING AN AGREEMENT BETWEEN THE CITY OF  
MODESTO AND TURNSTONE CONSULTING CORPORATION FOR THE  
PREPARATION OF A DRAFT ENVIRONMENTAL IMPACT REPORT FOR  
THE PROPOSED KIERNAN BUSINESS PARK-EAST SPECIFIC PLAN  
AMENDMENT PROJECT, AND AUTHORIZING THE CITY MANAGER TO  
EXECUTE THE AGREEMENT IN AN AMOUNT NOT TO EXCEED \$483,202.00**

WHEREAS, Dr. Aruna Chopra, has applied for a specific plan amendment and associated applications, referred to as the Kiernan Business Park-East project, to allow for orderly future development within the approximate 155-acre planning area located on the east side of Dale Road, between Kiernan Avenue and Bangs Avenue, and

WHEREAS, the Kiernan Business Park-East project will also involve the following associated entitlements: rezoning a portion of the area to a Specific Plan-Overlay (SP-O) Zone; Annexation of a portion of the area; amendment of the Kiernan Business Park Specific Plan; a General Plan Amendment to modify the land use mix within the Kiernan Business Park-East area; preparation of a Facilities Master Plan and associated Finance plan, formation of a Capital Facilities District (CFD); development agreement; and applicable subsequent approvals such as Tentative Subdivision or Parcel Maps, other Conditional Use Permits/Final Development Plan or plan approvals, and

WHEREAS, Section 21080.1 of the California Public Resources Code requires the City of Modesto, as lead agency, to make a determination of whether an environmental impact report is required for projects, and

WHEREAS, the City has determined that an environmental impact report (EIR) is required for the proposed Kiernan Business Park-East project and related applications, and

WHEREAS, the City has determined that the EIR for the Kieran Business Park-East project should be completed in phases with Phase I being preparation of a Notice of Preparation and Initial Study, and preparation of the Draft EIR and Phase II will be preparation of the Final EIR.

WHEREAS, by Resolution No. 2002-622, adopted on December 10, 2002, the City Council approved a list of environmental service providers, including the firm of Turnstone Consulting Corporation, to assist with the preparation of environmental impact reports and other environmental documents, and

WHEREAS, City staff selected Turnstone Consulting Corporation to prepare the environmental impact report for the Kiernan Business Park-East project because of their extensive experience on similar projects in other jurisdictions.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Agreement between the City of Modesto and Turnstone Consulting Corporation for the preparation of a Draft Environmental Impact Report for the proposed Kiernan Business Park-East project is hereby approved, in an amount not to exceed \$483,202.00, a copy of which is on file in the City Clerk's office.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement and the City Clerk is hereby authorized to attest thereto.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9th day of May 2006, by Councilmember Keating, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-290**

**A RESOLUTION APPROVING SPECIFIC PLAN AMENDMENT NO. 21 TO  
THE VILLAGE ONE SPECIFIC PLAN TO MODIFY POLICIES RELATED TO  
THE DEVELOPMENT OF THE VILLAGE ONE TOWN CENTER HOUSING  
PROJECT, PROPERTY LOCATED AT THE NORTHEAST CORNER OF  
ROSELLE AVENUE AND BELHARBOUR DRIVE. (STANISLAUS COUNTY  
HOUSING AUTHORITY)**

WHEREAS, Government Code Section 65450 et. seq. permits cities and counties to adopt specific plans for the systematic implementation of the General Plan and to provide for a greater level of detail in planning sites or areas of special interest or value, and

WHEREAS, on October 16, 1990, the City Council by Resolution No. 90-828A adopted the Village One Specific Plan, to guide the development of 1,780 acres located in northeast Modesto, and

WHEREAS, Government Code Section 65453 permits the amendment of specific plans as often as deemed necessary by the legislative body, and

WHEREAS, the City Council on June 18, 1991, by Resolution No. 91-405, adopted Specific Plan Amendment No. 1 to the Village One Specific Plan to adopt an amended Affordable Housing Program, and

WHEREAS, the City Council on May 5, 1992, by Resolution No. 92-222, adopted Specific Plan Amendment No. 2 to the Village One Specific Plan to improve technical correctness, readability, and comprehension, and

WHEREAS, the City Council on February 1, 1994, by Resolution No. 94-72, adopted Specific Plan Amendment No. 3 to the Village One Specific Plan to rewrite and reorganize the Plan to be more implementation oriented, and

WHEREAS, the City Council on May 24, 1994, by Resolution No. 94-297, certified the Final Supplemental EIR for Village One (SCH No. 90020181) which provided environmental analysis for the revisions in Specific Plan Amendment No. 4, and

WHEREAS, the City Council on May 24, 1994, by Resolution No. 94-298, adopted Specific Plan Amendment No. 4 to the Village One Specific Plan to widen Floyd Avenue from three-to-five lanes, realign the Claus/Sylvan intersection, delete the non-potable water supply for public landscaping, and integrate mitigation monitoring into the Specific Plan, and

WHEREAS, the City Council on June 28, 1994, by Resolution No. 94-372, adopted Specific Plan Amendment No. 5 to the Village One Specific Plan to revise the Residential Design Policies for cul-de-sacs, alleys, garage orientation, and plan processing, and

WHEREAS, the City Council on June 28, 1994, by Resolution No. 94-373, adopted Specific Plan Amendment No. 6 to the Village One Specific Plan to revise the school and park sites within the Specific Plan and redistribute residential units among the Village One Precise Plan Areas, and

WHEREAS, the City Council on October 10, 1995, by Resolution No. 95-487, adopted Specific Plan Amendment No. 7 to the Village One Specific Plan to reduce costs and to implement recommendations to increase the marketability of development within the Village One area, and

WHEREAS, the City Council on May 14, 1996, by Resolution No. 96-245, adopted Specific Plan Amendment No. 7.1 to the Village One Specific Plan to delete the multiple-family development designation from Precise Plan Areas Nos. 8 and 33, and

Resolution No. 26-246 to amend the Design Standard portion of the Village One Specific Plan pertaining to single-family dwelling setbacks and three-car garages, limited to Precise Plan Areas Nos. 8, 32, and 33, and

WHEREAS, the City Council on June 4, 1996, by Resolution No. 96-295, adopted Specific Plan Amendment No. 8 to the Village One Specific Plan to incorporate changes previously approved in Specific Plan Amendment No. 7 into the Specific Plan document itself, to make minor editorial changes to the Specific Plan, and to incorporate changes resulting from development of a revised Village One Facilities Master Plan, and

WHEREAS, the City Council on August 13, 1996, by Resolution No. 96-453, adopted Specific Plan Amendment No. 9 to the Village One Specific Plan to modify the standards for dwelling setbacks and three-car garages for the entire Specific Plan area, and

WHEREAS, the City Council on May 6, 1997, by Resolution No. 97-225, adopted Specific Plan Amendment No. 10 to the Village One Specific Plan to eliminate redundancy with the General Plan Housing Element policies and to eliminate language that was too restrictive, and

WHEREAS, the City Council on June 3, 1997, by Resolution No. 97-300, adopted Specific Plan Amendment No. 11 to the Village One Specific Plan to exempt public facilities from precise plan requirements, to streamline the Specific Plan amendment process, and to provide minor clarification to various policies and diagrams, and

WHEREAS, the City Council on October 21, 1997, by Resolution No. 97-602, adopted Specific Plan Amendment No. 12 to the Village One Specific Plan to allow

changes in public service providers, delete the requirement for a business park market study, revise Amtrak station language, revise the business park precise plan diagram, and allow regional commercial uses in the business park, and

WHEREAS, the City Council on February 17, 1998, by Resolution No. 98-97, adopted Specific Plan Amendment No. 13 to the Village One Specific Plan to redesignate 9.8 acres in Precise Plan Area No. 3 from Multi-Family Residential to Village Residential, and

WHEREAS, the City Council on August 17, 1999, by Resolution No. 99-416, adopted Specific Plan Amendment No. 14 to the Village One Specific Plan to modify the mix of land uses allowed in the southeast quadrant of Precise Plan Area No. 20, and

WHEREAS, the City Council on September 26, 2000, by Resolution No. 2000-507, adopted Specific Plan Amendment No. 15 to the Village One Specific Plan to reduce the noise setback along Claus Road, and

WHEREAS, the City Council on May 7, 2002, by Resolution No. 2002-230, adopted Specific Plan Amendment No. 16 to the Village One Specific Plan to move 4.1 acres from Precise Plan Area No. 6 to Precise Plan Area No. 7, and

WHEREAS, the City Council on April 1, 2003, by Resolution No. 2003-177, adopted Specific Plan Amendment No. 17 to the Village One Specific Plan to allow for a revised infrastructure financing plan for Village One, including the formation of a new community facilities district for the remaining undeveloped, unvested property in Village One, and

WHEREAS, the City Council on December 7, 2004, by Resolution No. 2004-650, adopted Specific Plan Amendment No. 18 to the Village One Specific Plan to change the

land use designations of Precise Plan Areas 23 and 24 from Commercial, Village Residential, and Multi-Family Residential to Village Residential and Medium-Density Residential and to amend some of the Village One design and development standards, and

WHEREAS, the City Council on March 8, 2005, by Resolution No. 2005-129, adopted Specific Plan Amendment No. 19 to the Village One Specific Plan to change the land use designation of a portion of Precise Plan Area No. 1 from Very Low Density Residential to Office and High School and to allow City Council approval of a Final Development Plan concurrent with approval of Precise Plan Area No. 1, and

WHEREAS, the City Council on November 1, 2005, by Resolution No. 2005-547, adopted Specific Plan Amendment No. 20 to the Village One Specific Plan to allow for a revised layout for the Village Center Retail Center, property located at the southeast corner of Roselle and Floyd; and

WHEREAS, Stanislaus County Housing Authority has filed an application to amend the Village One Specific Plan to modify policies related to the development of the Village One Town Center Housing Project located at the northeast corner of Roselle Avenue and Belharbour Drive, and

WHEREAS, on October 10, 2003, the proposed Specific Plan amendment was referred to Stanislaus County, Sylvan Elementary School District, Modesto City High School District, Stanislaus LAFCO, and the City of Modesto Public Works Department, the water system purveyor for the area in which the project is located, for a 45-day review period in accordance with Government Code Sections 65453 and 65352, and

WHEREAS, on February 27, 2005, at 7:00 p.m. the Planning Commission held a duly noticed public hearing in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California, at which hearing evidence both oral and documentary was received and considered concerning the proposed Village One Specific Plan amendment, and

WHEREAS, after said public hearing, the Modesto City Planning Commission by Resolution No. 2006-10, recommended to the City Council approval of an amendment to the Village One Specific Plan to modify policies related to the development of the Village Center at the northeast corner of Roselle Avenue and Belharbour Drive, and

WHEREAS, said matter was considered by the City Council at a duly noticed public hearing on May 9, 2006, at 5:30 p.m., in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California, at which hearing evidence both oral and documentary was received and considered, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby finds and determines that the proposed Amendment No. 21 to the Village One Specific Plan to modify policies related to the development of the Village One Town Center Housing Project at the northeast corner of Roselle Avenue and Belharbour Drive is consistent with the 2003 Modesto Urban Area General Plan, including the adopted Housing Element, because it will not adversely affect and is consistent with the Housing Element's primary goals and objectives of ensuring that the City maintains a sufficient site inventory to meet its RHNA and providing for the development of low-income housing units within the City, that the proposed amendment will facilitate the development of the Village One Town Center Housing Project which will designate some

of the residential units for needed affordable housing, and that the revised layout will facilitate the development of needed street improvements along Roselle Avenue and Belharbour Drive for the Village One Town Center Housing Project.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Village One Specific Plan is hereby amended to modify policies related to the development of the Village One Town Center Housing Project at the northeast corner of Roselle Avenue and Belharbour Drive as shown on Exhibit "A" attached hereto and incorporated herein by reference.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Council has reviewed and considered the amendments for the proposed Village One Town Center Housing Project, and the Council hereby makes the following additional finding:

The proposed Village One Town Center Housing Project is in conformance with the Regional Housing Needs Allocation (RHNA) program, which has been achieved with the following identified sites: 18 units at 3333 Carver Road, 5 units at Hope Village, and 27 units within the existing Village One Town Center Housing Project.

BE IT FURTHER RESOLVED by the Council that the City Clerk is hereby authorized and directed to send certified copies of this resolution and said amendment to the Village One Specific Plan to the Board of Supervisors of the County of Stanislaus.

BE IT FURTHER RESOLVED that the project applicant shall indemnify, defend, and hold harmless the City of Modesto, its agents, officers, and employees from any and all claims, actions, or proceedings against the City of Modesto, its agents, officers, and employees to attack, set aside, void, or annul, any approval by the City of Modesto and its advisory agency, appeal board, or a legislative body concerning this Specific Plan Amendment (File No. SPA-03-003). The City of Modesto shall promptly notify the

applicant of any claim, action, or proceeding and shall cooperate fully in the defense. If the City fails to do so, the applicant shall not thereafter be responsible to defend, indemnify, or hold City harmless.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9<sup>th</sup> day of May 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Marsh, O'Bryant, Mayor Ridenour  
NOES: Councilmembers: Keating, Olsen

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-291**

**A RESOLUTION FINDING THAT THE FOLLOWING PROJECT IS WITHIN THE SCOPE OF THE VILLAGE ONE PROGRAM ENVIRONMENTAL IMPACT REPORT (SCH NO. 90020181), AS AMENDED BY THE SUPPLEMENTAL EIR: SPECIFIC PLAN AMENDMENT NO. 21 TO THE VILLAGE ONE SPECIFIC PLAN TO AMEND THE VILLAGE ONE SPECIFIC PLAN TO MODIFY POLICIES RELATED TO THE DEVELOPMENT OF THE VILLAGE ONE TOWN CENTER HOUSING PROJECT, AND AN AMENDMENT TO THE PRECISE PLAN FOR THE SOUTHEAST QUADRANT OF AREA NO. 20 TO MODIFY POLICIES AND DIAGRAMS TO ACCOMMODATE A PROPOSAL FOR THE VILLAGE ONE TOWN CENTER HOUSING PROJECT, PROPERTY LOCATED AT THE NORTHEAST CORNER OF ROSELLE AVENUE AND BELHARBOUR DRIVE. (STANISLAUS COUNTY HOUSING AUTHORITY)**

WHEREAS, the Modesto City Council has adopted Resolution No. 90-757 certifying that the Village One Final Environmental Impact Report ("EIR") (State Clearinghouse No. 90020181) is complete and adequate pursuant to Section 15090 of the California Environmental Quality Act ("CEQA") Guidelines, and

WHEREAS, the Modesto City Council has adopted Resolution No. 94-297 which certified the Final Supplemental EIR for Village One; thus, the 1990 Village One Program EIR has been amended and updated by the 1994 Supplemental EIR, adopted by Resolution No. 94-297 on May 24, 1994, and

WHEREAS, on May 6, 2003, the City Council adopted Resolution No. 2003-223 which adopted an Addendum to Village One Specific Plan Program Environmental Impact Report for the Village One Facilities Master Plan Update – May 2003 (“VI FMP”), and

WHEREAS, an application has been filed by Stanislaus County Housing Authority for an amendment to the Village One Specific Plan to modify design policies related to the development of the Village One Town Center Housing Project at the

northeast corner of Roselle Avenue and Belharbour Drive, and to amend the Precise Plan for Area No. 20 to modify policies and diagrams to accommodate the design of a proposal for the Village One Town Center Housing Project, and

WHEREAS, the City's Community and Economic Development Department reviewed the proposed Project to determine if said Project might have a significant effect on the environment, and

WHEREAS, City staff has prepared a Written Checklist, Environmental Assessment No. EA/C&ED 2005-01, which concluded that the proposed Project is within the scope of the Village One Program EIR (SCH No. 90020181), as amended by the Village One Supplemental EIR, and the Addendum to Village One Specific Plan Program Environmental Impact Report for the Village One Facilities Master Plan, and

WHEREAS, the Planning Commission, by Resolution No. 2006-10, adopted on February 27, 2006, recommended to the City Council approval of Amendment No. 21 to the Village One Specific Plan to modify design policies related to the development of the Village One Town Center Housing Project located at the northeast corner of Roselle Avenue and Belharbour Drive, and to amend the Precise Plan for Area No. 20 to modify policies and diagrams to accommodate the design of a proposal for the Village One Town Center Housing Project, and

WHEREAS, said matter was considered by the City Council at a duly noticed public hearing which was held on May 9, 2006, at 5:30 p.m., in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council has reviewed and considered Environmental Assessment No. EA/C&ED

2005-01, entitled "Village One Town Center Housing Project," for the proposed Project, and the Council hereby makes the following findings:

1. The proposed Specific Plan Amendment is consistent with the Modesto Urban Area General Plan, as the overall land use, intensity and circulation of the Village One Specific Plan and Village One Town Center Housing Project would not be changed by the amendment.
2. The proposed amendment to the Precise Plan for Area No. 20 is consistent with the Village One Specific Plan as amended.
3. As per Sections 15168(c) and 15182 of the California Environmental Quality Act ("CEQA") Guidelines, this Project is within the scope of the projects covered by the Village One Program EIR, as amended by the 1994 Supplemental EIR and the 2003 Addendum to the EIR ("Program EIR") and no new environmental document or findings are required by CEQA.
4. There are no substantial changes proposed in the Project which result in new significant environmental effects or a substantial increase in the severity of previously identified significant effects and, therefore, no major revisions to the Program EIR are required.
5. No substantial changes have occurred with respect to the circumstances under which the project is undertaken which will result in new significant environmental effects or a substantial increase in the severity of previously identified significant effects and therefore, no major revisions to the Program EIR, are required.
6. There is no new information of substantial importance that was not known and could not have been known with the exercise of reasonable diligence when the Program EIR was adopted, which shows any of the following:
  - a. one or more significant effects which is not discussed in the Program EIR; or,
  - b. significant effects which were previously examined will be substantially more severe than previously shown; or,
  - c. previously infeasible mitigation measures or alternatives are now feasible and would substantially reduce one or more significant effects of the project, but the Project proponents decline to adopt the mitigation measure or alternative; or,

d. mitigation measures or alternatives which are considerably different from those analyzed in the Program EIR would substantially reduce one or more significant effects on the environment, but the project proponents decline to adopt the mitigation measure or alternative.

7. The Initial Study, Environmental Assessment EA/PR&N 2005-01, provides the substantial evidence to support findings 3-6, noted above.

A copy of said Environmental Assessment No. EA/C&ED 2005-01, entitled "Village One Town Center Housing Project, is on file with the City Clerk.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Council has reviewed and considered the amendments for the proposed Village One Town Center Housing Project, and the Council hereby makes the following additional findings:

The proposed Village One Town Center Housing Project is in conformance with the Regional Housing Needs Allocation (RHNA) program, which has been achieved with the following identified sites: 18 units at 3333 Carver Road, 5 units at Hope Village, and 27 units within the existing Village One Town Center Housing Project.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Community & Economic Development Director is hereby authorized and directed to file a notice of determination within five (5) business days with the Stanislaus County Clerk pursuant to Section 21152 of the Public Resources Code.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9th day of May, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-292**

**A RESOLUTION APPROVING SUBMITTAL OF A GRANT APPLICATION TO  
THE FEDERAL TRANSIT ADMINISTRATION (FTA) REQUESTING \$2,954,800  
IN SECTION 5307 FORMULA FUNDS AND \$88,530 IN CONGESTION  
MITIGATION AND AIR QUALITY (CMAQ) FUNDS TO HELP OFFSET THE  
COST OF PROVIDING PUBLIC TRANSPORTATION SERVICE IN THE  
MODESTO AREA, AND AUTHORIZING THE CITY MANAGER, OR HIS  
DESIGNEE, TO EXECUTE ALL GRANT APPLICATION AND GRANT  
AGREEMENT DOCUMENTS**

WHEREAS, the Federal Transit Administration (FTA) has been delegated authority to award federal financial assistance for transportation related projects, and

WHEREAS, the City of Modesto has provided all annual certifications and assurances to the Federal Transit Administration required for the projects, and

WHEREAS, each year the City of Modesto submits a grant application for Section 5307 and CMAQ funds from the formula apportionment made available to the Modesto Urbanized area by the FTA, and

WHEREAS, the City of Modesto has received authority from the Designated Recipient, StanCOG, to apply for Section 5307 Urban Area Formula Program Assistance for no more than \$2,954,800 for FY 2005-2006, and

WHEREAS, the City of Modesto, through a competitive process, received approval from StanCOG to apply for Congestion Management and Air Quality (CMAQ) funds for no more than \$88,530 for FY 2005-2006, and

WHEREAS, the projects in the Section 5307 and CMAQ grant application are in the Federal Transportation Improvement Program (FTIP) adopted by StanCOG February 9, 2005, and

WHEREAS, the grant for Federal assistance will impose certain obligations on the City of Modesto, and may require the City to provide the local share of the project costs, and

WHEREAS, by a report to the Council dated April 20, 2006, from the Public Works Director, City staff recommended submitting a grant application for \$2,954,800 in Section 5307 formula FTA funds and \$88,530 in CMAQ funds to partially offset the operational and capital costs of the City's public transit program, and

WHEREAS, the Modesto City Council conducted a Public Hearing on May 9, 2006, at 5:30 p.m., in the Tenth Street Place Chambers located in the Basement of 1010 Tenth Street, Modesto, California, in accordance with FTA regulations,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the submittal of an application for Federal Section 5307 and CMAQ assistance on behalf of the City of Modesto with the Federal Transit Administration (FTA) for Federal assistance authorized by 49 U.S.C. Chapter 53, Title 23, United States Code, or other Federal statutes authorizing a project administered by the Federal Transit Administration.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute all grant application and grant agreement documents.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute all necessary grant documents with the Federal Transit Administration on behalf of the City of Modesto.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9<sup>th</sup> day of May 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-293**

**A RESOLUTION FINDING THAT THE FOLLOWING PROJECT IS WITHIN THE SCOPE OF THE VILLAGE ONE PROGRAM ENVIRONMENTAL IMPACT REPORT (SCH NO. 90020181), AS AMENDED BY THE SUPPLEMENTAL EIR: APPLICATION FOR A PRECISE PLAN FOR AREA NO. 30 OF THE VILLAGE ONE SPECIFIC PLAN AND FOR CONCURRENT REZONING FROM SPECIFIC PLAN-HOLDING ZONE, SP-H, TO SPECIFIC PLAN-OVERLAY ZONE, SP-O, PROPERTY LOCATED ON THE EAST SIDE OF FINE AVENUE, SOUTH OF SHARON AVENUE, NORTH SIDE OF MERLE AVENUE AND WEST OF CLAUS ROAD (CARY POPE)**

WHEREAS, the Modesto City Council has adopted Resolution No. 90-757 certifying that the Village One Final Environmental Impact Report ("EIR") (State Clearing House No. 90020181) is complete and adequate pursuant to Section 15090 of the California Environmental Quality Act ("CEQA") Guidelines, and

WHEREAS, the Modesto City Council has adopted Resolution No. 94-297 which certified the Final Supplemental EIR for Village One; thus, the 1990 Village One Program EIR has been amended and updated by the 1994 Supplemental EIR, adopted by Resolution No. 94-297 on May 24, 1994, and

WHEREAS, on May 6, 2003, the City Council adopted Resolution No. 2003-223 which adopted an Addendum to Village One Specific Plan Program Environmental Impact Report for the Village One Facilities Master Plan Update – May 2003 ("VI FMP"), and

WHEREAS, an application has been filed by Cary Pope for a Precise Plan for Area No. 30, property located on the east side of Fine Avenue, south of Sharon Avenue, north side of Merle Avenue, and west of Claus Road, and

WHEREAS, the applicant has applied for approval of a rezoning from Specific Plan-Holding Zone, SP-H, to a Specific Plan-Overlay, SP-O, and

WHEREAS, the City's Community & Economic Development Department reviewed the proposed Project to determine if said Project might have a significant effect on the environment, and

WHEREAS, City staff has prepared a Written Checklist, Environmental Assessment No. EA/C&ED 2005-35, which concluded that the proposed Project is within the scope of the Village One Program EIR (SCH No. 90020181), as amended by the Village One Supplemental EIR, and the addendum to Village One Specific Plan Program Environmental Impact Report for the Village One Facilities Master Plan, and

WHEREAS, the Planning Commission, by Resolution No. 2006-09, adopted on February 27, 2006, and City staff, by a report dated April 11, 2006, from the Community and Economic Development Department, recommended to the City Council approval of a Precise Plan for Area No. 30, and recommended approval of an amendment to Section 13-3-9 of the Zoning Map to rezone from Specific Plan-Holding Zone, SP-H to Specific Plan-Overlay Zone, SP-O, property located on the east side of Fine Avenue, south of Sharon Avenue, north side of Merle Avenue, and west of Claus Road, and

WHEREAS, said matter was considered by the City Council at a duly noticed public hearing which was held on May 9, 2006, at 5:30 p.m., in the Tenth Street Place Chambers located at 1010 10<sup>th</sup> Street, Modesto, California,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council has reviewed and considered the Written Checklist, Environmental Assessment No. EA/C&ED 2005-35, entitled "Determination: Project within the Scope of the Village One Specific Plan Program Environmental Impact Report Initial Study EA/C&ED No. 2005-35 For the Proposed Precise Plan and Concurrent Zoning for

Precise Plan Area No. 30 in the Village One Specific Plan Area”, for the proposed project, and the Council hereby makes the following findings:

1. The proposed Precise Plan and rezoning is consistent with the Village One Specific Plan and Modesto Urban Area General Plan, and
2. As per Sections 15168 of the California Environmental Quality Act (“CEQA”) Guidelines, this project is within the scope of the projects covered by the Program EIR, and no new environmental document or findings are required by CEQA, and
3. There are no substantial changes proposed in the project, which result in new significant environmental effects, or a substantial increase in the severity of previously identified significant effects and, therefore, no major revisions to the Program EIR are required.
4. No substantial changes have occurred with respect to the circumstances under which the project is undertaken which will result in new significant environmental effects or a substantial increase in the severity of previously identified significant effects and therefore, no major revisions to the Program EIR, are required.
5. There is no new information of substantial importance that was not known and could not have been known with the exercise of reasonable diligence when the Program EIR, was adopted which shows any of the following:
  - a. One or more significant effects which is not discussed in the Program EIR; or,
  - b. Significant effects which were previously examined will be substantially more severe than previously shown; or,
  - c. Previously infeasible mitigation measures or alternatives are now feasible and would substantially reduce one or more significant effects of the project, but the Project proponents decline to adopt the mitigation measure or alternative; or,
  - d. Mitigation measures or alternatives which are considerably different from those analyzed in the Program EIR would substantially reduce one or more significant effects on the environment, but the project proponents decline to adopt the mitigation measure or alternative.
6. The Written Checklist, Environmental Assessment No. EA/C&ED 2005-35, provides the substantial evidence to support findings 3-6, noted above.

A copy of said Written Checklist, Environmental Assessment No. EA/C&ED 2005-35, entitled "Determination: Project within the Scope of the Village One Specific Plan Program Environmental Impact Report Initial Study EA/C&ED No. 2005-35 for the proposed Precise Plan and Concurrent Zoning for Precise Plan Area No. 30 in the Village One Specific Plan Area", is attached hereto as Exhibit "A", and incorporated herein by reference.

# WRITTEN CHECKLIST

EA/C&ED No. 2005-35

## I. PURPOSE

This written checklist, pursuant to CEQA Guidelines Section 15168 (C) (4), serves to make a determination where subsequent activities of a Program EIR involve site-specific operations, based on evaluation of the site and the activity to determine whether the environmental effects of the operation were covered in the program EIR. Based on a review of the project and Section 15162(a), this determination would permit the lead agency (City of Modesto) to approve the activity as being within the scope of the project covered by the Program EIR. This determination includes whether any new environmental document is required beyond the adopted Village One Specific Plan Program EIR (SCH# 90020181) for the proposed Precise Plan and concurrent zoning for Precise Plan Area No. 30).

The 1994 Supplemental EIR that amended and superseded the 1990 Program EIR is the document reviewed for projects within the Village One Specific Plan area. A summary of significant impacts and their mitigation measures from the 1994 Supplemental EIR is attached as Exhibit "A." Where appropriate those feasible mitigation measures developed in the Supplement to the program EIR shall be incorporated into the proposed project.

## II. PROJECT INFORMATION

1. **Project Title:** Precise Plan No. 30 and Concurrent Rezoning, Village One Specific Plan
2. **Lead Agency Name and Address:** City of Modesto
3. **Contact Person and Phone Number:** Robert S. Cannell, Senior Planner  
Modesto Community & Economic Development  
Department  
209/577-5274

- 4. Project Location:** North of Merle Avenue, South of Sharon Avenue,  
East of Fine Avenue, all West of Claus Road  
Modesto, California
- 5. Project Sponsor's Name and Address:** Cary Pope (Landowner within PPA #30)  
3837 Merle Avenue  
Modesto, CA 95355
- Engineer: O'Dell Engineering  
1165 Scenic Drive  
Modesto, CA 95350
- 6. General Plan Designation:** The General Plan land use designation for the  
project site is: Village Residential (VR).
- 7. Zoning:** Specific Plan Overlay (SP-H)
- 8. Description of Project:** The proposed Precise Plan contains a concept plan for approx-  
imately 174 single-family lots in accordance with the Specific Plan. The Precise Plan  
proposal ties into the circulation system with three local streets connecting existing  
peripheral street system.
- 9. Surrounding Land Uses and Setting:** The Village One Specific Plan Area is well over half  
built, as planned and approved by the 1990 Village One Specific Plan. The project area is  
bounded by developing subdivisions, Sequoia Estates to the south, Banyon Estates and  
Falling Leaf to the north, two schools and a City park to the west.
- 10. Other Public Agencies whose Approval Is Required:** None.

### III. DETERMINATION:

Based on the analysis contained in this document, staff finds that pursuant to Guidelines  
Section 15162 the following is true for the proposed project:

- (1) Major revisions to the Village One Program EIR as amended by the 1994  
Supplement, are not required because the project will not involve new significant  
environmental effects or increase severity of effects previously identified, and
- (2) Major revisions to the Village One Program EIR as amended by the 1994  
Supplement, are not required because no substantial changes to circumstances  
have occurred that involve new significant environmental effects or increase  
severity of effects previously identified, and

- (3) No new information of substantial importance that was not known has become available that shows:
- a. one or more significant effects is not discussed in the Village One Program EIR as amended by the 1994 Supplement,
  - b. identified significant effects will be more severe,
  - c. previously infeasible mitigation measures are now feasible,
  - d. project proponents have declined to adopt mitigation measures that would substantially reduce significant effects.
- (4) Because no new significant effects have been identified and no new mitigation is required for the project, the environmental effects of the operation of the proposed project were covered by the Village One Program EIR as updated by the 1994 Supplement. Therefore, pursuant to CEQA Section 15168 (C) (4) no new environmental document is required.
- (5) Therefore, the projects known as Precise Plan 30 is within the scope of the Village One Program EIR.

Robert S. Cannell      11-14-05

Project Manager

Date

## IV. PROJECT EVALUATION:

The following written Checklist based on Appendix G of the CEQA Guidelines serves to document the evaluation of the site and activity of the proposed project pursuant to CEQA Guidelines Section 15168 (c) (4) to determine whether the environmental effects of the operation were covered in the Program EIR.

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
<b>I. AESTHETICS.</b> Would the project:				
a. Have a substantial adverse effect on a scenic vista?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b. Substantially damage scenic resources, including, but not limited to, trees, rock outcroppings, and historic buildings along a scenic highway?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
c. Substantially degrade the existing visual character or quality of the site and its surroundings?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
d. Create a new source of substantial light or glare that would adversely affect daytime or nighttime views in the area?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Aesthetic and visual impacts are analyzed on pages III-100 through III-101 of the 1994 Supplement.

### Responses to Checklist Questions

- a. The Village One Specific Plan program EIR found that as the Specific Plan area is developed, it will eliminate views of the valley and the distant mountains from adjacent areas and reduce the area's visual open space. However, the program EIR found the effects of buildout of Village One on scenic vistas to be less than significant because views from the project area are minimal. The proposed residential project would not change the extent or nature of construction in the Specific Plan area, or cause any other changes in the project area. Impacts on scenic vistas would therefore remain the same as those identified in the program EIR. There would be no additional impact. No mitigation is required.
- b. The Village One Specific Plan program EIR found that there are no scenic resources in the project area, and that development within the Specific Plan area would therefore not result in significant impacts on scenic resources. This finding would not be affected by the proposed residential project. There would be no impact. No mitigation is required.

- c. The Village One Specific Plan program EIR found that the development within the Specific Plan area would have a less-than-significant impact on the visual character of the area. The proposed residential project would not change the design or layout of the development proposed within the Village One Specific Plan. For this reason, impacts on the visual character of the area would remain the same as those identified in the program EIR. There would be no additional impact. No mitigation is required.
- d. The proposed residential development is consistent with the Village One Specific Plan. For this reason, impacts associated with additional light and glare would remain the same as those identified in the program EIR. There would be no additional impact. No mitigation is required.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
--------------------------------	--	------------------------------	-----------

**II. AGRICULTURAL RESOURCES.** In determining whether impacts on agricultural resources are significant environmental effects, lead agencies may refer to the California Agricultural Land Evaluation and Site Assessment Model (1997) prepared by the California Department of Conservation. Would the project:

- |    |   |                          |                          |                          |                                     |
|----|---|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Convert Prime Farmland, Unique Farmland, or Farmland of Statewide Importance (Farmland), as shown on the maps prepared pursuant to the Farmland Mapping and Monitoring Program of the California Resources Agency, to non-agricultural use? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Conflict with existing zoning for agricultural use or conflict with a Williamson Act contract?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. | Involve other changes in the existing environment that, due to their location or nature, could result in conversion of Farmland to non-agricultural use?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Impacts on agricultural resources are analyzed on pages III-80 through III-94 of the 1994 Supplement.

## Responses to Checklist Questions

- a. The Village One Specific Plan program EIR found that land designated as Prime Farmland would be lost as a result of development in the Village One Specific Plan area. This impact was determined to be significant and not mitigable. The proposed residential development would not affect this finding because the project area would remain the same. There would be no additional impact. No mitigation is required.
- b. The Village One Specific Plan program EIR presented information showing that any Williamson Act contracts in the Village One Specific Plan area would be automatically cancelled on annexation of the land to the City of Modesto, which has occurred, or would expire within 10 years of the time the original program EIR was prepared. The last Williamson Act contract covering land in the Village One Specific Plan area expired in 2001. There are no lands in the project area under Williamson Act contract. The Village One Specific Plan area has also been rezoned consistent with the specific plan, and no lands in the project area are now zoned for agricultural use. There would be no additional impact. No mitigation is required.
- c. The Village One Specific Plan program EIR identified a potential land use conflict between new residential uses in the specific plan area and adjacent agricultural uses. Such conflicts can lead to conversion of adjacent farmlands to other uses. The program EIR proposed mitigation measures for this potential impact that would reduce the impact's significance, although the EIR noted that the mitigation measure might not fully mitigate the impact. No additional mitigation measures are available for this impact. This finding would not be affected by the proposed project because the project area and proposed land uses would remain the same. There would be no additional impact. No mitigation is required.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

**III. AIR QUALITY.** When available, the significance criteria established by the applicable air quality management or air pollution control district may be relied upon to make the following determinations. Would the project:

- |    |   |                          |                          |                          |                                     |
|----|---|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Conflict with or obstruct implementation of the applicable air quality plan?                                    | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Violate any air quality standard or contribute substantially to an existing or projected air quality violation? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
c. Result in a cumulatively considerable net increase of any criteria pollutant for which the project region is a nonattainment area for an applicable federal or state ambient air quality standard (including releasing emissions that exceed quantitative thresholds for ozone precursors)?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
d. Expose sensitive receptors to substantial pollutant concentrations?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
e. Create objectionable odors affecting a substantial number of people?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Impacts on air quality are analyzed on pages III-45 through III-54 of the 1994 Supplement.

## Responses to Checklist Questions

- a. / b. The Village One Specific Plan program EIR found that air pollution from project-related construction traffic and fireplaces & wood stoves in planned residential areas would violate air quality standards and contribute to an existing air quality violation. Construction traffic emissions would contribute to violation of the state and federal 8-hour carbon monoxide (CO) and particulate matter (PM10) standards and the federal ozone standard in the Modesto Urban Area and the San Joaquin Valley Air Basin. Urban traffic pollution would contribute to violations of the state ozone, CO, and PM10 standards in the Modesto Urban Area and San Joaquin Valley Air Basin. Residential pollution would contribute to violations of the pollutant standard index in the Modesto Urban Area. Partial mitigation for these impacts is included in the program EIR (Mitigation Measures 3-5), and the City of Modesto adopted a statement of overriding consideration for each impact. The proposed residential project would not change the amount of development and construction in the project area, so trips generated by the project would not be affected and the types of land uses would not change. There would be no additional impact. No mitigation is required.
- c. The Village One Specific Plan program EIR found that air pollutant emissions associated with traffic at buildout of Village One would exacerbate the existing ozone, PM10, and CO violations in the Modesto area and cause a significant cumulative impact. Partial mitigation for these emissions is included in the program EIR (Mitigation Measures 4.5.3[a] and 4.5.3[b]), and the City of Modesto made a statement of overriding consideration for each impact. The proposed residential development would not change the amount of traffic associated with buildout of Village One or the types of land uses, so trips generated by the project would not be affected. There would be no additional impact. No mitigation is required.

- d. The Village One Specific Plan program EIR found that PM10 generated during construction would aggravate the respiratory problems of people living and working nearby, therefore exposing sensitive receptors in the area to pollutant concentrations and causing a significant impact. However, the program EIR outlines mitigation measures that will be implemented to reduce the impact to an acceptable level (Mitigation Measure 40). The proposed residential development would not change the level of construction emissions. There would be no additional impact. No mitigation is required.
- e. The proposed residential development would not create odors. There would be no impact. No mitigation is required.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

**IV. BIOLOGICAL RESOURCES.** Would the project:

- |  |                          |                          |                                     |                                     |
|--|--------------------------|--------------------------|-------------------------------------|-------------------------------------|
| a. Have a substantial adverse effect, either directly or through habitat modifications, on any species identified as a candidate, sensitive, or special-status species in local or regional plans, policies, or regulations, or by the California Department of Fish and Game or U.S. Fish and Wildlife Service? | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/>            |
| b. Have a substantial adverse effect on any riparian habitat or other sensitive natural community identified in local or regional plans, policies, or regulations, or by the California Department of Fish and Game or U.S. Fish and Wildlife Service?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/>            | <input checked="" type="checkbox"/> |
| c. Have a substantial adverse effect on federally protected wetlands as defined by Section 404 of the Clean Water Act (including, but not limited to, marshes, vernal pools, coastal wetlands, etc.) through direct removal, filling, hydrological interruption, or other means?                                 | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/>            | <input checked="" type="checkbox"/> |
| d. Interfere substantially with the movement of any native resident or migratory fish or wildlife species or with established native resident or migratory wildlife corridors, or impede the use of native wildlife nursery sites?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/>            | <input checked="" type="checkbox"/> |

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
e. Conflict with any local policies or ordinances protecting biological resources, such as a tree preservation policy or ordinance?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
f. Conflict with the provisions of an adopted habitat conservation plan, natural community conservation plan, or other approved local, regional, or state habitat conservation plan?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Impacts on biological resources are analyzed on pages III-68 through III-79 of the 1994 Supplement.

## Responses to Checklist Questions

- a. The Village One Specific Plan program EIR found that the buildout could result in the loss of foraging habitat for Swainson's Hawk, a state-listed threatened species. However, a Swainson's Hawk survey was conducted by a qualified biologist for the project site. The ensuing report (attached) found that the development of the project site would result in a less than significant impact to foraging habitat for Swainson's Hawk. Therefore, no mitigation is required.
- b. The Village One Specific Plan program EIR did not find that any riparian habitat or other designated sensitive natural community was present in the project area, and so found that the project would have a less-than-significant impact. The proposed residential development would not change the boundaries of the Specific Plan area. There would be no impact. No mitigation is required.
- c. The Village One Specific Plan program EIR found that buildout of the Village One Specific Plan area would result in the loss of lands that might be classified as wetlands by the U.S. Army Corps of Engineers, but that, with mitigation, the impact would be less than significant. The proposed residential development would not change the Specific Plan area boundaries or the areas that would be disturbed. There would be no additional impact. No mitigation is required.
- d. The Village One Specific Plan program EIR did not identify any migratory corridors in the project area, nor did it find that the project would interfere with the movement of any species. The proposed residential development would not change the Specific Plan area boundaries. There would be no impact. No mitigation is required.
- e. / f. No local biological resource protection policies, ordinances, habitat conservation plans, or natural community conservation plans apply to the Village One Specific Plan area. There would be no impact. No mitigation is required.

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
<b>V. CULTURAL RESOURCES.</b> Would the project:				
a. Cause a substantial adverse change in the significance of a historical resource as defined in Section 15064.5?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b. Cause a substantial adverse change in the significance of an archaeological resource pursuant to Section 15064.5?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
c. Directly or indirectly destroy a unique paleontological resource or site or unique geologic feature?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
d. Disturb any human remains, including those interred outside of formal cemeteries?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

## Responses to Checklist Questions

- a.-d. Impacts on cultural resources resulting from the buildout of Village One (e.g., from construction of associated infrastructure) are addressed in the Opportunities/Constraints Report prepared for the Modesto Planning Commission (December 1, 1989). The report concluded that there are no known historic, archaeological, or paleontological resources in the Village One Specific Plan area. Based on the results of this report, (Cultural and Historic Resources Report, page 3) it was determined that the likelihood that the proposed residential development would change or disturb human remains or significant historic, archaeological, or paleontological resources was low.

The proposed project would not change the locations or types of construction in the project area nor the boundaries of the project area. Development of the proposed project will not result in effects on scattered existing structures. A Cultural Resources Assessment was prepared to determine if any of these affected structures are considered historic resources. The Cultural Resources Assessment is attached to this document as Appendix A. No historic structures are located within the project area boundaries. Therefore, no mitigation measures are necessary.

Since no archaeological, or paleontological resources were found in the previous document to be located in the project area, and since the proposed project would not have a significant impact on historic structures, there would be no impact. No mitigation is required.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
--------------------------------	--	------------------------------	-----------

**VI. GEOLOGY AND SOILS.** Would the project:

- |    |  |                          |                          |                          |                                     |
|----|--|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Expose people or structures to potential substantial adverse effects, including the risk of loss, injury, or death involving:  |                          |                          |                          |                                     |
|    | 1. Rupture of a known earthquake fault, as delineated on the most recent Alquist-Priolo Earthquake Fault Zoning Map issued by the State Geologist for the area or based on other substantial evidence of a known fault? Refer to Division of Mines and Geology Special Publication 42. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
|    | 2. Strong seismic groundshaking?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
|    | 3. Seismic-related ground failure, including liquefaction?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
|    | 4. Landslides?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Result in substantial soil erosion or the loss of topsoil?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. | Be located on a geologic unit or soil that is unstable or that would become unstable as a result of the project and potentially result in an onsite or offsite landslide, lateral spreading, subsidence, liquefaction, or collapse?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| d. | Be located on expansive soil, as defined in Table 18-1-B of the Uniform Building Code (1994), creating substantial risks to life or property?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| e. | Have soils incapable of adequately supporting the use of septic tanks or alternative wastewater disposal systems in areas where sewers are not available for the disposal of wastewater?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Impacts associated with geology and soils are analyzed on pages III-105 through III-108 of the 1994 Supplement.

## Responses to Checklist Questions

- a.-d. The program EIR, as supplemented, found that the project area is not subject to geologic or soil-related hazards that cannot be adequately mitigated through the implementation of existing city regulations, such as the building code. No significant impacts were identified, and no mitigation measures were required. The proposed residential development would not change the locations or types of construction in the project area nor the boundaries of the project area. There would be no additional impact. No mitigation is required.
- e. The Village One Specific Plan included provisions for the project to be served by public sewers. No septic tanks or alternative wastewater systems were proposed. The proposed residential project would not change the proposed method of wastewater disposal. There would be no impact. No mitigation is required.

Potentially Significant Impact	Less than Significant with Mitigation	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

### VII. HAZARDS AND HAZARDOUS MATERIALS.

Would the project:

- |    |  |                          |                          |                          |                                     |
|----|--|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Create a significant hazard to the public or the environment through the routine transport, use, or disposal of hazardous materials?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Create a significant hazard to the public or the environment through reasonably foreseeable upset and accident conditions involving the release of hazardous materials into the environment?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. | Emit hazardous emissions or involve handling hazardous or acutely hazardous materials, substances, or waste within one-quarter mile of an existing or proposed school?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| d. | Be located on a site that is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and, as a result, would it create a significant hazard to the public or the environment?                   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| e. | Be located within an airport land use plan area or, where such a plan has not been adopted, be within two miles of a public airport or public use airport, and result in a safety hazard for people residing or working in the project area? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

		Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
f.	Be located within the vicinity of a private airstrip and result in a safety hazard for people residing or working in the project area?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
g.	Impair implementation of or physically interfere with an adopted emergency response plan or emergency evacuation plan?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
h.	Expose people or structures to a significant risk of loss, injury, or death involving wildland fires, including where wildlands are adjacent to urbanized areas or where residences are intermixed with wildlands?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Impacts associated with hazards and hazardous materials are analyzed on pages III-80 through III-94 and III-109 through III-119 of the 1994 Supplement.

## Responses to Checklist Questions

- a.-c. The Village One Specific Plan does not allow any land uses that would use hazardous materials. The proposed residential development would not change land uses contemplated by the Specific Plan. There would be no impact. No mitigation is required.
- d. The Village One Specific Plan program EIR, as supplemented, found no hazardous materials were stored at or near the project site. No significant impacts were identified, and no mitigation measures were required. There would be no additional impact. No mitigation is required.
- e. The Village One Specific Plan area is not located in an airport land use plan area or within 2 miles of a public airport. There would be no impact. No mitigation is required.
- f. The Village One Specific Plan program EIR found that a private airstrip, the Eastside Mosquito Abatement District Airstrip, is located to the east of the Village One Specific Plan area. However, take-offs and landings were found to take place parallel to and outside the Specific Plan area boundaries, and flight patterns are generally situated to the east of the Specific Plan area. There would be no additional impact. No mitigation is required.
- g. Since the adoption of the Village One Specific Plan, the Modesto General Plan has been updated to include development of Village One consistent with the specific plan. City emergency plans are developed with the assumption that the Village One Specific Plan will be implemented. The proposed residential development would not change construction, land use, or other physical attributes of the Right-of-Way Acquisition. There would be no additional impact. No mitigation is required.

- h. The project site is located in an area of the City of Modesto planned for buildout of an urban neighborhood. Approximately 50% of the project area remains undeveloped, with a covering of dry brush and vegetation. The potential for wildland fires is low, and this potential will decrease further as buildout continues. There would be no additional impact. No mitigation is required.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

**VIII. HYDROLOGY AND WATER QUALITY.**

Would the project:

- |    |  |                          |                          |                          |                                     |
|----|--|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Violate any water quality standards or waste discharge requirements?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Substantially deplete groundwater supplies or interfere substantially with groundwater recharge, resulting in a net deficit in aquifer volume or a lowering of the local groundwater table level (e.g., the production rate of pre-existing nearby wells would drop to a level that would not support existing land uses or planned uses for which permits have been granted)? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. | Substantially alter the existing drainage pattern of the site or area, including through the alteration of the course of a stream or river, in a manner that would result in substantial erosion or siltation onsite or offsite?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| d. | Substantially alter the existing drainage pattern of the site or area, including through the alteration of the course of a stream or river, or substantially increase the rate or amount of surface runoff in a manner that would result in flooding onsite or offsite?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| e. | Create or contribute runoff water that would exceed the capacity of existing or planned stormwater drainage systems or provide substantial additional sources of polluted runoff?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| f. | Otherwise substantially degrade water quality?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
g. Place housing within a 100-year flood hazard area, as mapped on a federal Flood Hazard Boundary or Flood Insurance Rate Map or other flood hazard delineation map?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
h. Place within a 100-year flood hazard area structures that would impede or redirect floodflows?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
i. Expose people or structures to a significant risk of loss, injury, or death involving flooding, including flooding as a result of the failure of a levee or dam?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
j. Contribute to inundation by seiche, tsunami, or mudflow?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Impacts associated with hydrology are analyzed on pages III-109 through III-119 of the 1994 Supplement.

## Responses to Checklist Questions

- a. The Village One Specific Plan program EIR did not find that residential development would violate any water quality standards or waste discharge requirements. The proposed project is consistent with the Village One Specific Plan, so there would be no additional impacts. No mitigation is required.
- b. The Village One Specific Plan program EIR found that buildout of the Village One Specific Plan area might interfere with local groundwater recharge. However, the impact was found to be less than significant because the Specific Plan area is not a major groundwater recharge area and it includes a recharge/discharge plan for disposal of stormwater runoff and recharge of groundwater. The proposed project would not change the amount of impervious surface in the Specific Plan area or the proposed storm drain facilities. There would be no additional impact. No mitigation is required.
- c.-e. The Village One Specific Plan program EIR found that development will substantially alter the existing drainage pattern of the area but, because the project will incorporate an urban storm drain system, will not result in any erosion impacts. The proposed project would not change the amount of impervious surface or the proposed storm drain facilities. There would be no additional impact. No mitigation is required.

- f. The Village One Specific Plan program EIR did not find that development would substantially degrade water quality. The proposed project would not change water use or discharge associated with the buildout of the Village One Specific Plan area. There would be no additional impact. No mitigation is required.
- g.-i. According to the Village One Specific Plan program EIR, the project site is not situated in a 100-year flood hazard area or downstream from a levee or dam. There would be no impact. No mitigation is required.
- j. The project site is located in a flat, inland area not susceptible to seiche, tsunami, or mudflow. There would be no impact. No mitigation is required.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
--------------------------------	--	------------------------------	-----------

**IX. LAND USE AND PLANNING.** Would the project:

- |  |                          |                          |                          |                                     |
|--|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. Physically divide an established community?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. Conflict with any applicable land use plan, policy, or regulation of an agency with jurisdiction over the project (including, but not limited to, a general plan, specific plan, local coastal program, or zoning ordinance) adopted for the purpose of avoiding or mitigating an environmental effect? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. Conflict with any applicable habitat conservation plan or natural community conservation plan?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Impacts associated with land use and planning are analyzed on pages III-80 through III-94 of the 1994 Supplement.

## Responses to Checklist Questions

- a. The proposed project would not result in any physical changes to the environment beyond those described in the Village One Specific Plan. Village One would continue to be developed as a planned community; therefore, the project would not divide an established community. There would be no impact, and no mitigation is required.
- b., c. The Village One Specific Plan has been adopted by the City of Modesto and has been incorporated into the Modesto General Plan. The proposed project would be consistent with the Village One Specific Plan. There are no other applicable land use or conservation plans for the project area. There would be no impact. No mitigation is required.

	Potentially Significant Impact	Less than Significant with Mitigation	Less-than-Significant Impact	No Impact
<b>X. MINERAL RESOURCES.</b> Would the project:				
a. Result in the loss of availability of a known mineral resource that would be of value to the region and the residents of the state?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b. Result in the loss of availability of a locally important mineral resource recovery site delineated on a local general plan, specific plan, or other land use plan?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

## Responses to Checklist Questions

- a., b. No known mineral resources or important recovery sites are located in the Village One Specific Plan Area. There would be no impact. No mitigation is required.

<b>XI. NOISE.</b> Would the project:				
c. Result in a substantial permanent increase in ambient noise levels in the project vicinity above levels existing without the project?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
d. Result in a substantial temporary or periodic increase in ambient noise levels in the project vicinity above levels existing without the project?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
e. Be located within an airport land use plan area, or, where such a plan has not been adopted, within two miles of a public airport or public use airport and expose people residing or working in the project area to excessive noise levels?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
f. Be located in the vicinity of a private airstrip and expose people residing or working in the project area to excessive noise levels?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Impacts associated with noise are analyzed on pages III-55 through III-67 of the 1994 Supplement.

- a., c. The Village One Specific Plan program EIR found that proposed residential housing in the project area would be exposed to noise levels exceeding general plan thresholds, but mitigation measures were incorporated to reduce the impact to a less-than-significant level. The proposed project would not change project-related noise-generating activities. There would be no additional impact. No mitigation is required.
- b. The Village One Specific Plan program EIR found that the buildout of Village One would not expose people to, or generate excessive, groundborne vibration or groundborne noise levels. There would be no impact. No mitigation is required.
- d. The Village One Specific Plan program EIR found that construction of the proposed project would result in a substantial temporary increase in ambient noise levels for residential housing. However, mitigation measures were incorporated into the program EIR to reduce the impact to a less-than-significant level. The proposed project would not change construction activities. There would be no additional impact. No mitigation is required.
- e. The Village One Specific Plan program EIR found that the Village One Specific Plan area is not located in an airport land use plan area or within 2 miles of a public airport. There would be no impact. No mitigation is required.
- f. The Village One Specific Plan program EIR found that a private airstrip, the Eastside Mosquito Abatement District Airstrip, is located east of the Village One Specific Plan area. However, take-offs and landings take place parallel to and outside the Specific Plan boundaries, and flight patterns are generally situated east of the project area. There would be no additional impact. No mitigation is required.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

**XII. POPULATION AND HOUSING.** Would the project:

- |   |                          |                          |                          |                                     |
|---|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. Induce substantial population growth in an area, either directly (e.g., by proposing new homes and businesses) or indirectly (e.g., through extension of roads or other infrastructure)? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. Displace a substantial number of existing housing units, necessitating the construction of replacement housing elsewhere?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. Displace a substantial number of people, necessitating the construction of replacement housing elsewhere?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Impacts on population and housing are analyzed on pages III-95 through III-99 of the 1994 Supplement.

## Responses to Checklist Questions

- a.-c. The Village One Specific Plan program EIR found that buildout of the Village One Specific Plan area would not result in significant adverse impacts on population and housing units. No mitigation is required.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

### XIII. PUBLIC SERVICES. Would the project:

- a. Result in substantial adverse physical impacts associated with the provision of new or physically altered governmental facilities or a need for new or physically altered governmental facilities, the construction of which could cause significant environmental impacts, in order to maintain acceptable service ratios, response times, or other performance objectives for any of the following public services:

Fire protection?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Police protection?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Schools?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Parks?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Other public facilities?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Impacts on public services are analyzed on pages III-120 through III-158 of the 1994 Supplement.

## Responses to Checklist Questions

- a. The Village One Specific Plan program EIR found that the only significant impact that buildout of the Village One Specific Plan area would have on public services would be in the areas of fire protection and law enforcement. Mitigation measures were identified in the program EIR to reduce the level of this impact to a less-than-significant level. No other significant impacts on public services were identified. The proposed project would not change the provision of public services. There would be no additional impact. No mitigation is required.

Potentially Significant Impact	Less than Significant with Mitigation	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

**XIV. RECREATION.** Would the project:

- |    |   |                          |                          |                          |                                     |
|----|---|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Increase the use of existing neighborhood and regional parks or other recreational facilities such that substantial physical deterioration of the facility would occur or be accelerated? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Include recreational facilities or require the construction or expansion of recreational facilities that might have an adverse physical effect on the environment?                        | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Impacts on recreation are analyzed on pages III-120 through III-158 of the 1994 Supplement.

## Responses to Checklist Questions

- a., b. No significant impacts on recreation were identified in the program EIR. The proposed project would not change the provision of parks and recreation facilities. There would be no additional impact. No mitigation is required.

Potentially Significant Impact	Less than Significant with Mitigation	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

**XV. TRANSPORTATION/TRAFFIC.** Would the project:

- |    |   |                          |                          |                          |                                     |
|----|---|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Cause an increase in traffic that is substantial in relation to the existing traffic load and capacity of the street system (i.e., result in a substantial increase in the number of vehicle trips, the volume-to-capacity ratio on roads, or congestion at intersections)? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Cause, either individually or cumulatively, exceedance of a level-of-service standard established by the county congestion management agency for designated roads or highways?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. | Result in a change in air traffic patterns, including either an increase in traffic levels or a change in location that results in substantial safety risks?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

	Potentially Significant Impact	Less than Significant with Mitigation	Less-than-Significant Impact	No Impact
d. Substantially increase hazards because of a design feature (e.g., sharp curves or dangerous intersections) or incompatible uses (e.g., farm equipment)?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
e. Result in inadequate emergency access?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
f. Result in inadequate parking capacity?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
g. Conflict with adopted policies, plans, or programs supporting alternative transportation (e.g., bus turnouts, bicycle racks)?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Impacts on transportation and traffic are analyzed on pages III-40 – III-44 of the 1994 Supplement.

## Responses to Checklist Questions

- a., b. The Village One Specific Plan program EIR found that buildout of the Village One Specific Plan area would cause an increase in traffic that is substantial in relation to the existing traffic load and capacity of the street system and would affect level of service at several intersections. Mitigation measures identified in the program EIR were identified to reduce impacts to a less-than-significant level for all intersections except the Briggsmore Avenue/Oakdale Avenue intersection. For that intersection, the impact was determined to be significant and not mitigable. The City of Modesto made a statement of overriding considerations for that impact at the time it certified the 1994 Supplement. The proposed project would not alter traffic patterns in the Specific Plan area or result in additional trips. There would be no additional impact. No mitigation is required.
- c. The Village One Specific Plan program EIR did not find that the buildout of the Village One Specific Plan area would result in a change in air traffic patterns. The proposed project does not include any elements that would affect air traffic patterns. There would be no impact. No mitigation is required.
- d. The Village One Specific Plan program EIR did not find that buildout of the Village One Specific Plan area included any hazardous design features or increased any incompatible uses for roads in the project area. The proposed project would not change roadway design or land uses. There would be no impact. No mitigation is required.
- e. The Village One Specific Plan program EIR did not find that buildout of the Village One Specific Plan area would result in inadequate emergency access in the Specific Plan area. The Specific Plan includes provision of adequate roadways to serve the Village One development. The proposed project would not change roadway design or land uses contained within the Specific Plan. There would be no additional impact. No mitigation is required.

- f. The Village One Specific Plan program EIR did not find that buildout of the Village One Specific Plan area would result in inadequate parking capacity in the Specific Plan area. The provision of parking, consistent with zoning requirements for the proposed project, is included in the project design. There would be no impact. No mitigation is required.
- g. The proposed project does not include any changes related to transportation policies, and would have no impact. No mitigation is required.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

**XVI. UTILITIES AND SERVICE SYSTEMS.**

Would the project:

- |    |   |                          |                          |                          |                                     |
|----|---|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Exceed wastewater treatment requirements of the applicable Regional Water Quality Control Board?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Require or result in the construction of new water or wastewater treatment facilities or expansion of existing facilities, the construction of which could cause significant environmental effects?                           | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. | Require or result in the construction of new stormwater drainage facilities or expansion of existing facilities, the construction of which could cause significant environmental effects?                                     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| d. | Have sufficient water supplies available to serve the project from existing entitlements and resources, or would new or expanded entitlements be needed?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| e. | Result in a determination by the wastewater treatment provider that serves or may serve the project that it has adequate capacity to serve the project's projected demand in addition to the provider's existing commitments? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| f. | Be served by a landfill with sufficient permitted capacity to accommodate the project's solid waste disposal needs?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| g. | Comply with federal, state, and local statutes and regulations related to solid waste?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Impacts on utilities and service systems are analyzed on pages III-120 through III-158 of the 1994 Supplement.

## Responses to Checklist Questions

- a. The City provides sewer services to the Village One area. All wastewater would be directed to city wastewater treatment facilities. No wastewater discharges would occur in the project area. The proposed project would not increase the amount of wastewater that will be generated at buildout of the Specific Plan area. There would be no additional impact. No mitigation is required.
- b., e. The Village One Specific Plan program EIR discusses the changes and new facilities that will be needed to accommodate buildout of the Village One Specific Plan area. The EIR found that, with mitigation, there would be no significant impact on water or wastewater infrastructure. There would be no additional impact as a result of the proposed project. No mitigation is required.
- c. The Village One Specific Plan program EIR discusses the changes and new facilities that will be needed in order to accommodate buildout of the Village One Specific Plan area. The EIR found that, with mitigation, there would be no significant impact on stormwater drainage facilities. An update to the Storm Drainage Master Plan has been prepared and is under consideration by the City. An addendum to the Village One program EIR for the Storm Drainage Master Plan has also been prepared and is under consideration by the City. The project would not result in any additional impacts or the need for any additional mitigation beyond that assessed in the Addendum to the Village One Program EIR for the Storm Drainage Master Plan.
- d. The Village One Specific Plan program EIR found that, with mitigation, the effects of buildout of the Village One Specific Plan area on water supply would be less than significant. There would be no additional impact resulting from the proposed project. No mitigation is required.
- f., g. The Village One Specific Plan program EIR found that the area's landfills have sufficient permitted capacity to accommodate the project's solid waste disposal needs. The proposed project would not result in any physical changes in the environment or the generation of any additional solid waste. There would be no impact. No mitigation is required.

**XVII. MANDATORY FINDINGS OF SIGNIFICANCE.**

- |    |  |                          |                          |                          |                                     |
|----|--|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Does the project have the potential to degrade the quality of the environment, substantially reduce the habitat of a fish or wildlife species, cause a fish or wildlife population to drop below self-sustaining levels, threaten to eliminate a plant or animal community, reduce the number or restrict the range of a rare or endangered plant or animal, or eliminate important examples of the major periods of California history or prehistory? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Does the project have impacts that are individually limited but cumulatively considerable? ("Cumulatively considerable" means that the incremental effects of a project are considerable when viewed in connection with the effects of past projects, the effects of other current projects, and the effects of probable future projects.)   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. | Does the project have environmental effects that will cause substantial adverse effects on human beings, either directly or indirectly?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Cumulative impacts are analyzed on page III-161 of the 1994 Supplement.

**Responses to Checklist Questions**

- a. As described above, the proposed project would not result in any significant impacts on the environment over and above those associated with implementation of the Village One Specific Plan and as analyzed in the Village One Specific Plan program EIR.
- b. As described above, the proposed project would not result in any significant impacts, either on a project or on cumulative level, over and above those associated with implementation of the Village One Specific Plan and as analyzed in the Village One Specific Plan program EIR.
- c. As described above, the proposed project would not result in any significant impacts affecting humans over and above those associated with implementation of the Village One Specific Plan and as analyzed in the Village One Specific Plan program EIR.

## V. MITIGATION APPLIED TO PROJECT

The following mitigation measures developed in the 1994 Village One Specific Plan Supplement to the Program EIR are appropriate to the project and will be incorporated into the project. Therefore, the environmental effects of the project were covered by the program EIR.

1. Prior to the Final Inspection, Building Inspection Division shall verify that all fireplaces and wood stoves in residential units are equipped to meet the performance and emissions standards set forth in Part 60, Title 40, Subpart AAA Code of Federal Regulations, February 26, 1988.
2. Construction noise is regulated by the City's Noise Ordinance, Section 4.9 – 103. Construction noise is generally permitted during the hours of 7:00 am to 9:00 pm. To avoid complaints from nearby residents, and possible citations, the full text of the ordinance should be reviewed by builders prior to construction. City construction projects will be monitored by Construction Inspection for conformance with the City's Noise Ordinance.
3. During construction activities, Building Inspection Division shall verify that contractors observe the requirements of City of Modesto Standard Specification 2.07(A)(5), Dust Control, and when necessary, Regulation VIII of the San Joaquin Valley Unified Air Pollution Control District to control the generation of PM 10 from construction related dust and emissions.
4. "All deeds for lots sold in this subdivision shall contain the following statement:  
  
"This lot is located near existing agricultural operations. Residents may be subjected to customary and accepted farming practices that produce noise, dust, smoke and other impacts. The grantee accepts the potential impacts of customary farming practices, which may include the application and use of various, chemicals through spraying, spreading or other customary means in accordance with applicable state and federal regulations regarding such applications. The grantee also acknowledges the need to avoid activities that conflict with nearby farm uses."

September 13, 2004

Mr. John Degele  
O'Dell Engineering  
1165 Scenic Drive  
Modesto, CA 95350

Dear Mr. Degele:

I conducted a field reconnaissance survey of the Modesto Properties on September 9, 2004. One parcel was evaluated, APN 85-07-18, in the area bounded by Fine Avenue, Sharon Avenue, Claus Road, and Merle Avenue. The purpose of this survey was to evaluate the properties for potential Swainson's hawk foraging or nesting habitat. I evaluated the property and conducted a visual survey of the surrounding area within a 0.5 mile radius. No Swainson's hawks or Swainson's hawk nest sites were observed on the properties. However, the California Natural Diversity Database (CNDDDB 2003) documents four occurrences within 10 miles of the properties. One of these occurrences, Number 713, was last documented in April 1999.

The Swainson's hawk is state listed as threatened, and is also protected by the Migratory Bird Treaty Act of 1918 (16 USC 703-711). Sections 3503, 3503.5, and 3800 of the California Fish and Game Code prohibit the take, possession, or destruction of birds, their nests, or eggs. The California Department of Fish and Game (CDFG) considers loss of foraging habitat within a 10-mile radius of an active Swainson's hawk nest as an impact to this species. Nests are considered active if they have been used at least once during the last five years (CDFG 1994). CDFG also considers any intensive new disturbance within 0.25-mile of an active nest that may cause nest abandonment or forced fledging as an impact to the species.

The California Department of Fish and Game Staff Report Regarding Mitigation for Impacts to Swainson's Hawk (*Buteo swainsoni*) in the Central Valley of California states that the following vegetation types/agricultural crops are considered appropriate foraging habitat for the Swainson's hawk: alfalfa, fallow fields, beet, tomato, and other low-growing row or field crops, dry-land and irrigated pasture, rice land (when not flooded), and cereal grain crops (including corn after harvest).

The parcel I evaluated consists of a residence and a ruderal field, which was mowed at the time of the site visit. The parcel is bordered on all sides by a mixture of developed properties and small pastures, some pastures being grazed by cattle at the time of the site visit.

Assumptions used to evaluate impacts from the proposed development:

- Direct impacts to Swainson's hawks are correlated with the loss of plant communities that provide their primary foraging or nesting habitats.
- Indirect impacts to Swainson's hawks can occur where remaining fragments of undeveloped habitat are isolated from larger areas of contiguous habitat. The remaining habitats are expected to have lower biological values than those prevailing before development.
- Records of Swainson's hawk nests in the 2003 version of the CNDDB are the most reliable current records of Swainson's hawks within the vicinity of the project.
- The site visit was conducted after normal Swainson hawk nesting season, therefore no nesting birds would be likely to be observed.
- Not all lands meeting the strict definition of foraging habitat, irrespective of their quality, size, and location in the landscape, contribute equally to the health and vigor of adults, and their eggs and nestlings.

The Modesto property has low potential for utilization by foraging Swainson's hawk because the prey resources are minimized by disturbance and ruderal vegetation. Disturbance from the developed areas would make the area unappealing to nesting or foraging Swainson's hawks. The sparsely vegetated or mowed pasture areas would provide poor quality habitat for prey species and the smaller prey base is less likely to provide foraging habitat for Swainson's hawks.

I trust that this information meets your needs. However, if you have questions, or if I can be of further assistance, please contact me at (510) 874-3239.

Sincerely,

URS CORPORATION

Rosemary Laird,  
Biologist

**Qualifications:**

- A Master of Science from the College of William and Mary and a Bachelor of Science in Conservation Resource Studies from the University of California at Berkeley.
- Seven years of experience as a biologist and ecologist working with threatened and endangered animal species. I have worked for both the National Marine Fisheries Service and Ducks Unlimited, a wildlife conservation organization.
- Experience conducting wildlife surveys for large infrastructure projects.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-294**

**A RESOLUTION APPROVING THE CITY OF MODESTO DRAFT 2006-2007  
HUD ANNUAL ACTION PLAN, AND AUTHORIZING THE CITY MANAGER  
OR HIS DESIGNEE TO SIGN THE REQUIRED CERTIFICATION AND  
DOCUMENTS FOR SUBMITTAL TO THE DEPARTMENT OF HOUSING AND  
URBAN DEPARTMENT (HUD)**

WHEREAS, the City of Modesto receives Community Development Block Grant (CDBG), HOME Investment Partnership Grant (HOME), and Emergency Shelter Grant (ESG) funds from the U. S. Department of Housing and Urban Development (HUD), and

WHEREAS, the City receives these grants annually because of its population size, number of households living below the poverty line, and the number of housing units that are considered substandard, and

WHEREAS, submittal of an Annual Action Plan is required to receive the City's entitlement grants from HUD, and

WHEREAS, the Citizens Housing and Community Development Committee (CH&CDC) recommended support of this item at its April 21, 2006, meeting, and

WHEREAS, a duly noticed public hearing was held by the City Council at its meeting of May 9, 2006, to consider submission of an application to the U.S. Department of Housing and Development (HUD) pertaining to the 2006-2007 HUD Annual Action Plan, which describes how the City intends to spend Federal assistance received from HUD in the areas of Community Development, Housing Production and Homeless Assistance,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the 2006-2007 HUD Annual Action Plan as presented to the Council for the

Community Development Block Grant (CDBG), HOME Investment Partnership Program (HOME) and the Emergency Shelter Grant (ESG), a copy of which is on file in the Office of the City Clerk, is hereby approved.

BE IT FURTHER RESOLVED that the City Manager, or his authorized designee, is hereby authorized to execute any and all documents necessary in relation to grant agreements, and City staff is hereby authorized to submit an application to the U.S. Department of Housing and Urban Development (HUD) pertaining to the 2006-2007 Annual Action Plan which describes how the City intends to spend Federal assistance received from HUD in the areas of Community Development, Housing Production and Homeless Assistance.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9<sup>th</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES:	Councilmembers:	Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour
NOES:	Councilmembers:	None
ABSENT:	Councilmembers:	None

Attest: Jean Morris  
JEAN MORRIS, City Clerk

APPROVED AS TO FORM:

By: Richard Rudnansky  
RICHARD RUDNANSKY, Interim City Attorney

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-295**

**A RESOLUTION AUTHORIZING THE TRANSFER OF FUNDS IN THE AMOUNT OF \$450,000 FROM CAPITAL IMPROVEMENT PROJECTS #W361 (DOWNSTREAM IMPROVEMENTS), #W612 (GACS WELL TREATMENT WELLS 50 AND 303), #W718 (DEL VALLE TANK 7 VALVE/EQUIPMENT), AND WATER OPERATIONS ORGANIZATION #5013 (WELL SITE IMPROVEMENTS) TO CAPITAL IMPROVEMENT PROJECT #W376 (SOUTH MODESTO PUMP STATION) TO COVER ADDITIONAL PROJECT COSTS**

WHEREAS, the South Modesto Water System Improvement Project budget was developed based on improvements identified in the West-Yost Study, and

WHEREAS, the budget prepared for this project included minimal electrical upgrades as estimated by the electrical engineer, and

WHEREAS, during the development of final specifications, staff realized the addition of two (2) pumps at each of the three (3) tank sites would exceed capacity of the available electrical services, and

WHEREAS, a full electrical engineering analysis to determine the necessary upgrades was required, and

WHEREAS, this analysis determined that two (2) of the well sites needed new power services from Turlock Irrigation District (TID) and all three well sites needed new controllers and switch boxes to manage the electrical loads, and

WHEREAS, in order to complete these projects prior to start of next peak water use season, staff ordered the pumps, electrical cabinets, and switching hardware needed for these upgrades, and

WHEREAS, the additional costs for these upgrades are approximately \$450,000, and

WHEREAS, monies are available from three (3) active CIP projects: W361 for which work may be deferred (\$150,000), W612 (\$195,712) and W718 (\$46,486) which projects are now complete and have cost savings, and from Water Operations Organization 5013 (\$57,802) which also has recognized savings for fiscal year 2006, and

WHEREAS, these funds need to be transferred to CIP Project W376 (South Modesto Pump Station) which was previously established for additional work required by city forces,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the transfer of funds in the amount of \$450,000 from Capital Improvement Projects #W361 (Downstream Improvements), #W612 (GACs Well Treatment Wells 50 and 303), #W718 (Del Valle Tank 7 Valve/Equipment), and Water Operations Organization #5013 (Well Site Improvements) to Capital Improvement Project #W376 (South Modesto Pump Station) to cover additional project costs.

BE IT FURTHER RESOLVED that City staff is hereby authorized to make the necessary budget adjustments in coordination with the Finance Department.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 9<sup>th</sup> day of May 2006, by Councilmember Keating, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Keating, Marsh, Olsen, Mayor Ridenour

NOES: Councilmembers: O'Bryant

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-296**

**A RESOLUTION APPOINTING SUSANA ALCALA WOOD TO THE POSITION  
OF MODESTO CITY ATTORNEY AND APPROVING EMPLOYMENT  
AGREEMENT**

WHEREAS, the Modesto City Attorney is one of three charter officers under the City Charter of Modesto, and

WHEREAS, the City Council by charter is authorized to appoint the City Attorney, and

WHEREAS, former City Attorney Michael D. Milich has retired from his position as City Attorney, and

WHEREAS, the City Council has completed a selection process for a new City Attorney, and

WHEREAS, Susana Alcala Wood has been selected by the City Council to become the new City Attorney, and

WHEREAS, Susana Alcala Wood has accepted said selection, and

WHEREAS, the City Council of the City of Modesto and Susana Alcala Wood desire to agree to an employment contract for the position of City Attorney,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby appoints Susana Alcala Wood as the City Attorney for the City of Modesto effective June 12, 2006.

BE IT FURTHER RESOLVED that the Council approves the employment agreement attached hereto as Exhibit "A".

BE IT FURTHER RESOLVED that the Council authorizes the Mayor to execute said employment agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

RICHARD RUDNASKY, Interim City Attorney

## EMPLOYMENT AGREEMENT

This agreement, made and entered into this 23rd day of May, 2006, by and between the CITY OF MODESTO, State of California, a municipal corporation, hereinafter called "CITY," and Susana Alcala Wood, hereinafter referred to as "EMPLOYEE," both of whom understand as follows:

### RECITALS

WHEREAS, Section 900 of the CITY's Charter provides that the City Attorney of Modesto, California (City Attorney), shall be appointed by and serve at the pleasure of the City Council of the City of Modesto ("COUNCIL"), and

WHEREAS, CITY desires to employ the services of EMPLOYEE as City Attorney of the City of Modesto as provided by said City Charter; and

WHEREAS, COUNCIL desires to employ EMPLOYEE as City Attorney and to provide certain benefits, establish certain conditions of employment and set working conditions of EMPLOYEE; and

WHEREAS, EMPLOYEE desires to serve as City Attorney; and

WHEREAS, it is the desire of the parties hereto to provide the terms and conditions by which CITY shall receive and retain the services of EMPLOYEE and to provide for her to remain in such employment, to act as a deterrent against malfeasance or dishonesty for personal gain on her part; and to provide for terminating her services at such time as she may be unable to fully discharge her duties or when Council may otherwise desire to terminate her employ.

### SECTION 1. Duties

CITY hereby agrees to employ said Susana Alcala Wood as City Attorney of said CITY to perform the functions and duties specified in Section 902 of the Modesto City Charter and by

Article 2, Chapter 3, of Title II of the Modesto Municipal Code, and to perform other legally permissible and proper duties and functions as Council shall from time to time assign.

SECTION 2. Term

a. Effective June 12, 2006, EMPLOYEE shall fulfill the powers, functions and duties of City Attorney and shall serve in this capacity until such time as this agreement is terminated pursuant to Section 4, below.

b. Nothing in this agreement shall prevent, limit or otherwise interfere with the right of COUNCIL to terminate the services of EMPLOYEE at any time subject only to the provisions set forth in Section 4, below.

c. Nothing in this agreement shall prevent, limit or otherwise interfere with the right of EMPLOYEE to resign at any time from her position as City Attorney, subject only to the provisions as set forth in Section 4, below.

d. EMPLOYEE agrees to remain in exclusive employ of CITY, and neither to accept other employment or to become employed by any other employer until this agreement is terminated.

SECTION 3. Suspension

a. COUNCIL may suspend EMPLOYEE with full pay and benefits at any time during the term of this agreement, but only if:

(1) There are affirmative votes of four (4) members of COUNCIL for suspension and EMPLOYEE agrees; or

(2) After a public hearing, four (4) members of COUNCIL affirmatively vote to suspend EMPLOYEE for just cause provided, however, that EMPLOYEE shall have been

given written notice setting forth any charges at least ten (10) days prior to such hearing by COUNCIL members bring such charges.

SECTION 4. Termination and Severance

a. EMPLOYEE may terminate this Agreement, with or without cause, by giving the CITY sixty (60) days written notice in advance of termination unless the parties agree otherwise. During the notice period, all the rights and obligations of the parties under this agreement shall remain in full force and effect. EMPLOYEE will not receive any severance pay if EMPLOYEE's resignation is solely voluntary on EMPLOYEE's part.

b. The COUNCIL may terminate this Agreement upon affirmative votes of four (4) members of the COUNCIL, with or without cause. COUNCIL shall give EMPLOYEE a minimum of sixty (60) days written notice prior to terminating EMPLOYEE as City Attorney, provided however that if EMPLOYEE is terminated for cause as defined in this agreement, the sixty (60) day written notice requirement shall not apply and EMPLOYEE may be terminated effective immediately upon written notice.

c. If the COUNCIL discharges EMPLOYEE without cause during the term of this Agreement, and EMPLOYEE is willing and able to perform his duties under this Agreement, then EMPLOYEE shall be entitled to a severance payment equal to six (6) months of EMPLOYEE's then current annual base salary. This provision will not apply in the event the COUNCIL discharges EMPLOYEE for cause, in which case EMPLOYEE will not be entitled to any severance payment or continuation of benefits. The determination of whether there is good cause for termination shall be in the sole discretion of the COUNCIL.

d. For purposes of this agreement, cause shall mean:

(1) Willful and repeated failure to perform the duties of City Attorney;

- (2) Conviction of an employment-related illegal act;
- (3) Conviction of a felony; or
- (4) Malfeasance materially related to the job.

e. Notwithstanding the provisions of this section and in accordance with Article IX, Section 900 of the City Charter, COUNCIL shall not terminate this agreement during or within ninety (90) days next succeeding the election of a member of the COUNCIL.

#### SECTION 5. Disability

If EMPLOYEE is permanently disabled or is otherwise unable to perform her duties because of sickness, accident, injury, mental incapacity or health for a period of four (4) successive weeks beyond any accrued sick leave, COUNCIL shall have the option to terminate this agreement, subject to the severance pay requirements of Section 4, subparagraph (c). However, EMPLOYEE shall be compensated for any accrued sick leave, vacation, holidays, and other accrued benefits including but not limited to long term disability. However, nothing in this provision is intended to be in conflict with the Family and Medical Leave Act, Government Code Section 12945.2. In the event that there is any unintentional conflict, the provisions of the Family and Medical Leave Act shall supersede this provision and apply.

#### SECTION 6. Salary

Effective the 12th day of June, 2006, CITY agrees to pay EMPLOYEE for her services rendered pursuant to this agreement an annual base salary of \$144,000.00, payable in installments at the same time as other employees of CITY are paid.

#### SECTION 7. Other Supplemental Benefits

a. Vacation Leave. Upon the effective date of this agreement, EMPLOYEE shall be credited with one hundred and twenty (120) hours of vacation leave and commence accruing

vacation at the rate of one hundred sixty (160) hours during year one (1), one hundred sixty four (164) hours during year two (2), one hundred sixty eight (168) hours during year three (3) and one hundred seventy two (172) hours during year four (4). In recognition of EMPLOYEES's seventeen (17) years of prior service in municipal government, EMPLOYEE shall accrue vacation at the maximum accrual rate of two hundred (200) hours annually after completion of four (4) years of service with CITY. This vacation accrual is in addition to the standard eighty (80) hours of Management Leave afforded annually to executives and charter officers. EMPLOYEE shall be credited with a pro-rata share of Management leave hours for calendar year 2006 hours, upon effective date of this agreement.

b. Automobile. EMPLOYEE's functions and duties require that she shall have the use of an automobile during her employment with the CITY. CITY shall reimburse EMPLOYEE the monthly sum of \$400 for the expense of owning, operating, and maintaining and insuring her personal automobile.

c. Deferred Compensation. CITY shall offer to EMPLOYEE the same 457 deferred compensation plan, and EMPLOYEE shall participate in the mandatory 401(a) plan and CITY contributions as provided to other charter officers.

d. Other Benefits. Employee and her dependents shall continue to be eligible for and receive such disability, health, and life insurance and sick leave as provided to other Management and Confidential employees of CITY. EMPLOYEE shall be credited with sixty (60) hours of sick leave upon commencement of employment. EMPLOYEE shall be included in the Public Employees' Retirement System (PERS). CITY shall pay 6.6% of the "EMPLOYEE's share" and the full "CITY contribution" on behalf of EMPLOYEE. All actions taken by COUNCIL relating to fringe benefits for employees for unrepresented management and

confidential employees shall be considered actions granting the same benefits to EMPLOYEE. As used herein, fringe benefits include but are not limited to vacation, sick leave, holidays, retirement (PERS) benefits and payments, health insurance, dental insurance and life insurance. CITY shall also pay EMPLOYEE's annual California State bar dues.

SECTION 8. Professional Development

In its discretion, COUNCIL shall budget for and pay travel and subsistence expenses of EMPLOYEE for professional and official travel, meetings, courses, institutes and seminars adequate to continue her professional development and to adequately pursue necessary official and other functions on behalf of the CITY, including but not limited to the annual conference of the League of California Cities and the annual League of California Cities City Attorney's Department Conference.

SECTION 9. Indemnification

CITY shall defend, save harmless and indemnify EMPLOYEE against any tort, professional liability claim or demand or any other legal action, whether groundless or otherwise, arising out of any alleged act or omission occurring in the course and scope of performance of EMPLOYEE's functions and duties. CITY may compromise and settle any claim or suit and shall pay the amounts of all settlements or judgments rendered against EMPLOYEE and/or CITY thereon.

SECTION 10. Performance Evaluation

- a. COUNCIL shall review and evaluate EMPLOYEE's performance at least once a year.
- b. Annually, the COUNCIL may define such goals and performance objectives as COUNCIL determines necessary for the proper operation of CITY and the attainment of the
