COUNCIL's policy objectives and may further establish a relative priority among those various goals and objectives, said goals and objectives to be reduced to writing. Said goals and objectives shall generally be attainable within the time limitations as specified in the annual operating and capital budgets and appropriations provided.

c. In effecting the provisions of this section, the COUNCIL and EMPLOYEE mutually agree to abide by the provisions of applicable law.

d. EMPLOYEE will timely cause to be placed on the COUNCIL agenda each year a "closed session" for purposes of her performance evaluation.

SECTION 11. Additional Term of Employment

COUNCIL, in consulting with EMPLOYEE, shall fix any such other terms and conditions of employment as it may determine from time to time relating to the performance of EMPLOYEE, provided that such terms and conditions are reduced to writing and included in an amendment to this agreement.

SECTION 12. Notices

Notices pursuant to this agreement shall be given by deposit in the custody of the United States Postal Service, postage pre-paid, addressed as follows, or as such address may be changed from time to time upon notice to the other:

CITY:

Mayor  
City of Modesto  
City Hall  
P.O. Box 642  
1010 10<sup>th</sup> Street  
Modesto, CA 95354

EMPLOYEE:

Susana Alcala Wood  
City Hall  
P.O. Box 642  
1010 10<sup>th</sup> Street  
Modesto, CA 95354

Alternatively, notices required pursuant to this agreement may be personally served in the same manner as is applicable to civil judicial practice. Notice shall be deemed given as of the

date of personal service or as of the date of deposit of such written notice in the course of transmission in the United States Postal Services.

SECTION 13. General Provisions

- a. The text herein shall constitute the entire agreement between the parties.
- b. This agreement shall be binding upon and inure to the benefit of the heirs at law and executors of EMPLOYEE.
- c. This agreement shall become effective commencing the 12th day of June, 2006.
- d. If any provision, or any portion thereof, contained in this agreement is held unconstitutional, invalid or unenforceable, the remainder of this agreement, or portion thereof, shall be deemed severable, shall not be affected, and shall remain in full force and effect.

IN WITNESS WHEREOF the CITY has caused this agreement to be signed and executed in its behalf by its Mayor, and duly attested by its City Clerk, <sup>under authority of Reso #2006-200</sup> and EMPLOYEE has signed and executed this agreement, both in duplicate, the day and year first above written, on May 23, 2006 and EMPLOYEE has caused this Agreement to be duly executed.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-297**

**A RESOLUTION AMENDING THE ORDER OF BUSINESS FOR REGULAR  
MEETINGS OF THE CITY COUNCIL**

WHEREAS, Section 2-1.08 of Chapter 1 of Title 2 of the Modesto Municipal Code states that the Order of Business for Council meetings shall be set forth by Council resolution, and

WHEREAS, that same section provides for changes in the Order of Business to be made from time to time, and

WHEREAS, the Council has expressed an interest in amending the Order of Business, and

WHEREAS, the Order of Business shall be:

1. Roll Call
2. Pledge of Allegiance to the Flag
3. Invocation
4. City Clerk's Announcements
5. Declaration of Conflicts of Interest
- 6. Reports from Closed Session**
7. Acknowledgements and Presentations
8. Miscellaneous
  - a. Legislation
  - b. Appointments
  - c. Other
9. Oral Communications
10. Consent Calendar
11. Council Comments and Reports
- 12. City Manager Comments and Reports**
13. Written Communications

- 14. Unfinished Business
- 15. Hearings
- 16. New Business
- 17. Matters Too Late for the Agenda
- 18. Adjournment
- 19. Closed Session Items

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves amending the Order of Business to include the City Manager Comments and Reports and Reports from Closed Session.

BE IT FURTHER RESOLVED that this resolution shall not be effective until such time as Ordinance No. 3412-C.S. becomes effective.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

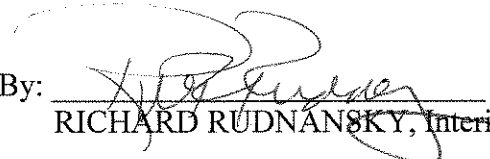

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-298**

**A RESOLUTION AUTHORIZING STAFF TO PROCEED WITH A  
REQUEST FOR PROPOSALS FOR CONSULTANT SERVICES  
FOR SPECIAL TAX CONSULTING AND ASSESSMENT  
ENGINEERING**

WHEREAS, the City desires to continue to form funding mechanisms for development areas, and

WHEREAS, the City last issued a Request for Proposals (“RFP”) for a Special Tax Consultant in 1997, and

WHEREAS, City staff wishes to contract with a consultant who will assist the City in processing the formation and annual administration of all future Community Facilities Districts (“CFDs”) and/or Assessment Districts (“ADs”), and

WHEREAS, it is the intent of the RFP to select a consultant who will assist the City in the formation and annual administration of all future CFDs and/or ADs for a term of three years, with a renewal option at the sole discretion of City, and

WHEREAS, Requests for Proposals shall be evaluated on the basis of specific selection criteria, with Selection Interviews tentatively scheduled for June 20, 2006,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby authorizes staff to proceed with a Request for Proposals for consultant services for Special Tax Consulting and Assessment Engineering.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-299**

**A RESOLUTION AUTHORIZING THE ADDITION OF GOODWIN  
CONSULTING GROUP TO THE SHORT LIST OF APPROVED  
CONSULTANTS FOR THE PREPARATION OF FACILITIES MASTER PLANS  
AND INFRASTRUCTURE FINANCE PLANS**

WHEREAS, the City has adopted specific plan guidelines to implement the goals and policies of the General Plan, and

WHEREAS, it is the intent of the specific plan process to provide standards for development at a more focused level of detail, and

WHEREAS, these specific plans then become the basis for the formulation of the Infrastructure Finance Plans and Facilities Master Plans, and

WHEREAS, the City Council authorized the issuance of a Request for Qualifications to address qualifications of consultants who will assist the City in developing Facilities Master Plans and Infrastructure Finance Plans, and

WHEREAS, on December 14, 2005, the City Council authorized the retention of two firms for consultant services for Facilities Master Plans and Infrastructure Finance Plans and directed staff to expand the consultant short list, and

WHEREAS, Goodwin Consulting Group has demonstrated their ability to prepare Facilities Master Plans and Infrastructure Finance Plans within the existing framework of the City's organization, and meets the criteria for placement on the consultant short list,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby authorizes the addition of Goodwin Consulting Group to the short list of consultant services for Facilities Master Plans and Infrastructure Finance Plans.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-300**

**A RESOLUTION APPROVING AN AMENDMENT TO AGREEMENT FOR  
CONSULTANT SERVICES BETWEEN THE CITY OF MODESTO AND  
IMPACT SCIENCES INC. FOR PREPARATION OF AN ENVIRONMENT  
IMPACT REPORT FOR THE PROPOSED PELANDALE/MCHENRY SPECIFIC  
PLAN PROJECT IN AN AMOUNT NOT TO EXCEED \$235,272 AND  
AUTHORIZING THE CITY MANAGER TO EXECUTE THE AMENDMENT**

WHEREAS, Michael P. Evans of Meritage Homes has applied for a specific plan, commonly known as the Pelandale/McHenry Specific Plan, to allow for the orderly and future development within the approximate 80-acre planning area bounded by Pelandale Avenue on the north, McHenry Avenue on the east and the Modesto City Limits on the south and west generally located in north Modesto, and

WHEREAS, the proposed Pelandale/McHenry Specific Plan will also involve the following associated entitlements: rezoning to a Specific Plan-Overlay (SP-O) zone, annexation of the project site; a general plan amendment to 1) modify the land use development densities, and 2) modify the land use designations and boundaries by changing the general plan land use designation of 30 acres of Regional Commercial (RC) and 50 acres of Residential (R) to 4.0 acres Commercial (C), 51 acres of Residential (R) and 26.5 acres of Open Space for an 80-acre site located at the southwest corner of the Pelandale and McHenry Avenues, preparation of a Facilities Master Plan and associated Finance Plan, and formation of a community facilities district (CFD) (collectively "Project"), and

WHEREAS, Section 21080.1 of the California Public Resources Code requires the City of Modesto, as lead agency, to make a determination of whether an environmental impact report is required for the Project, and

WHEREAS, On October 11, 2005, the City approved an Agreement with Impact Sciences Inc. to prepare an Initial Study in accordance with Section 15063 of the CEQA Guidelines for the proposed Pelandale/ McHenry Specific Plan project and related applications, and

WHEREAS, when the original Agreement was approved in October, 2005, staff recognized that an amendment could be necessary, depending on the results of the Initial Study, and

WHEREAS, the Initial Study being prepared by Impact Sciences Inc. preliminarily determined that an Environmental Impact Report will be necessary to ensure that the City of Modesto complies with the requirements of the California Environmental Quality Act

WHEREAS, based on this preliminary determination, the City now desires to proceed with an Environmental Impact Report, and

WHEREAS, City staff recommends the existing Agreement between the City of Modesto and Impact Sciences Inc. be amended in an amount not to exceed \$235,272 to allow Impact Sciences Inc. to prepare an Environmental Impact Report based on the scope of services supplied to City staff, and

WHEREAS, the applicant will pay for the Environmental Impact Report, including staff time spent on the project, and the applicant has deposited funds with the City to cover the full amount of this Amendment to Agreement For Consultant Services,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Amendment to Agreement For Consultant Services (“Amendment”) between the City of Modesto and Impact Sciences Inc. for the preparation

of an Environmental Impact Report for the proposed Pelandale/McHenry Specific Plan, in an amount not to exceed \$235,372. A copy of the Amendment Agreement is on file with the City Clerk's Office.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Amendment.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-301**

**A RESOLUTION APPROVING THREE (3) AGREEMENTS BETWEEN THE  
CITY OF MODESTO AND IGNACIO HERNANDEZ (APN: 085-050-004);  
ALTAGRACIA RAMIREZ (APN: 085-050-005); AND ROBERT J. HESS AND  
PATRICIA M. HESS (APN: 085-050-006) FOR THE FLOYD-ROSELLE  
ROUNABOUT PROJECT**

WHEREAS, the City Council of the City of Modesto directed staff to enter into negotiations with Ignacio Hernandez (APN: 085-050-004); Altagracia Ramirez (APN: 085-050-005); and Robert J. Hess and Patricia M. Hess (APN: 085-050-006) to purchase the necessary real property for the Floyd-Roselle Roundabout Project, and

WHEREAS, said real properties were appraised and City offered the appraised values, and

WHEREAS, said real properties need to be acquired for this roundabout project, and

WHEREAS, an agreement is needed for the acquisition of each parcel of the needed real property.

WHEREAS, a Written Checklist Environmental Assessment (EA/PW No: 2006-09) has been prepared, which is attached hereto and made a part hereof by this reference, and

WHEREAS, pursuant to said Environmental Assessment it has been determined that, pursuant to Sections 15168 (c) and 15182 of the California Environmental Quality Act Guidelines ("CEQA"), this Project is within the scope of the projects covered by the Village One Program EIR (SCH No. 90020181), as amended by the 1994 Supplemental

EIR and the 2003 Addendum to the EIR and no new environmental document or findings are required by CEQA.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that three (3) agreements between City of Modesto and Ignacio Hernandez (APN: 085-050-004); Altagracia Ramirez (APN: 085-050-005); and Robert J. Hess and Patricia M. Hess (APN: 085-050-006) to purchase the necessary real property for the Floyd-Roselle Roundabout Project in the amount of \$104,825 are hereby approved.

BE IT FURTHER RESOLVED that the City Manager or his designee are hereby authorized to execute said Agreements.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

# WRITTEN CHECKLIST

EA/PW No. 2006-09

## I. PURPOSE

This written checklist, pursuant to CEQA Guidelines Section 15168 (C) (4), serves to make a determination where subsequent activities of a Program EIR involve site-specific operations, based on evaluation of the site and the activity to determine whether the environmental effects of the operation were covered in the program EIR. Based on a review of the project and Section 15162(a), this determination would permit the lead agency (City of Modesto) to approve the activity as being within the scope of the project covered by the Program EIR. This determination includes whether any new environmental document is required beyond the adopted Village One Specific Plan Program EIR (SCH# 90020181) for the proposed Floyd Avenue and Roselle Avenue Improvements (project).

On September 11, 1990, the Modesto City Council certified a Final Program Environmental Impact Report for the Village One Specific Plan. This Program EIR analyzed the impacts of build-out of the Village One Specific Plan, which includes the area in which this project is proposed. Subsequently, on May 24, 1994, the City Council certified a Supplemental to the Village One Program EIR. This supplement updated and modified the original EIR.

In Addition, on May 6, 2003, the City Council determined that the environmental effects of the Village One Facilities Master Plan Update (May 2003) and the Storm Drainage Master Plan Update projects have been addressed by the Village One Program EIR, as amended by the Supplemental EIR or are less than significant. Addenda for the Village One Facilities Master Plan Update (May 2003) and the Storm Drainage Master Plan Update were then prepared and certified by the City Council.

The 1994 Supplemental EIR that amended and superseded the 1990 Program EIR is the document reviewed for projects within the Village One Specific Plan area. Where appropriate feasible mitigation measures developed in the Supplement to the program EIR shall be incorporated into the proposed project as outlined in Section V of this Checklist.

## II. PROJECT INFORMATION

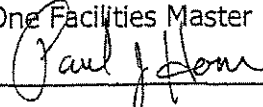

1. **Project Title:** Floyd Avenue and Roselle Avenue Improvements
2. **Lead Agency Name and Address:** City of Modesto, P.O. Box 642, Modesto, CA 95353
3. **Contact Person and Phone Number:** Paul Horn, Project Coordinator  
Modesto Capital Improvement Services  
209/571-5175
4. **Project Location:** Floyd Avenue between Grouse Crossing Way and Fine Avenue, and Roselle Avenue between Kodiak Drive and Belharbour Drive, Modesto, California (see attached Exhibit A)
5. **Project Sponsor's Name and Address:** City of Modesto – Capital Facilities District  
P.O. Box 642  
Modesto, CA 95353
6. **General Plan Designation:** The General Plan land use designation is Village Residential (VR)
7. **Zoning:** Specific Plan-Overlay (SP-O) Zone
8. **Description of Project:** Pursuant to the General Plan and adopted Village One Specific Plan, the City of Modesto will construct road improvements to Floyd Avenue between Grouse Crossing Way and Fine Avenue, and Roselle Avenue between Kodiak Drive and Belharbour Drive implementing these Plans and as anticipated therein. These improvements include construction of a two-lane roundabout at the intersection of Roselle and Floyd Avenues. The roundabout will have a 120-foot diameter from curb to curb, with an inner landscaped area. Splitter islands will be located on all four approaches to guide vehicles into the roundabout, and the posted speed limit within the roundabout area will be 15 mph. Completion of this project is in specific furtherance of Mitigation Measure 7 of the Village One Supplemental EIR, which calls for completion of 4-lane improvements on Roselle Avenues. Mitigation Measure 14 calls for improvement of the Roselle/Floyd intersection to provide adequate capacity for projected traffic; the roundabout proposed at this location has been determined by the City's Traffic Engineer to provide the required capacity (memo dated December 19, 2005 from Firoz Vohra, Deputy Director of Public Works). Improvements to Floyd and Roselle will be to the City's 4-lane standard as specified in the Village One Facilities Master Plan, to include two northbound and two southbound lanes and a 16-foot-wide landscaped median on Roselle, and two eastbound and two westbound lanes and a 16-foot-wide landscaped median on Floyd. Bus turnouts will be included.

9. **Surrounding Land Uses and Setting:** The Village One Specific Plan Area is over half built, as planned and approved by the 1990 Village One Specific Plan. The project area is adjoined on the west by single-family subdivisions. On the north east corner is multi-family, the south east corner is commercial, with single-family subdivisions to the east.
10. **Other Public Agencies whose Approval Is Required:** None.

### III. DETERMINATION:

Based on the analysis contained in this document, staff finds that pursuant to Guidelines Section 15162 the following is true for the proposed project:

- (1) Major revisions to the Village One Program EIR as amended by the 1994 Final Supplemental EIR (SCH No. 90020181), with Addenda for the Village One Storm Drainage Master Plan and the Village One Facilities Master Plan Update, are not required because the project will not involve new significant environmental effects or increase severity of effects previously identified, and
- (2) Major revisions to the Village One Program EIR as amended by the 1994 Final Supplemental EIR, with Addenda for the Village One Storm Drainage Master Plan and the Village One Facilities Master Plan Update, are not required because no substantial changes to circumstances have occurred that involve new significant environmental effects or increase severity of effects previously identified, and
- (3) No new information of substantial importance that was not known has become available that shows:
  - a. one or more significant effects is not discussed in the Village One Program EIR as amended by the 1994 Final Supplemental EIR, with Addenda for the Village One Storm Drainage Master Plan and the Village One Facilities Master Plan Update,
  - b. identified significant effects will be more severe,
  - c. previously infeasible mitigation measures are now feasible,
  - d. project proponents have declined to adopt mitigation measures that would substantially reduce significant effects.
- (4) Because no new significant effects have been identified and no new mitigation is required for the project, the environmental effects of the operation of the proposed project were covered by the Village One Program EIR as updated by the 1994 Final Supplemental EIR, with Addenda for the Village One Storm Drainage Master Plan and the Village One Facilities Master Plan Update. Therefore, pursuant to CEQA Section 15168 (C) (4) no new environmental document is required.
- (5) Therefore, the Floyd Avenue and Roselle Avenue Improvements project is within the scope of the Village One Program EIR as updated by the 1994 Final Supplemental EIR, with Addenda for the Village One Storm Drainage Master Plan and the Village One Facilities Master Plan Update.

  
Project Manager

  
Date

## IV. PROJECT EVALUATION:

The following written Checklist based on Appendix G of the CEQA Guidelines serves to document the evaluation of the site and activity of the proposed project pursuant to CEQA Guidelines Section 15168 (c) (4) to determine whether the environmental effects of the operation were covered in the Program EIR.

I. <b>AESTHETICS.</b> Would the project:	Potentially Significant , Impact	Less than Significant with Mitigation Incorporated	Less-than- Significant Impact	No Impact
a.     Have a substantial adverse effect on a scenic vista?				
b.     Substantially damage scenic resources, including, but not limited to, trees, rock outcroppings, and historic buildings along a scenic highway?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
c.     Substantially degrade the existing visual character or quality of the site and its surroundings?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
d.     Create a new source of substantial light or glare that would adversely affect daytime or nighttime views in the area?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Aesthetic and visual impacts are analyzed on pages III-100 through III-103 of the 1994 Supplement.

### Responses to Checklist Questions

- a,b.   The Village One Specific Plan program EIR found that, as Village One is built, it will eliminate views of the valley and the distant mountains from adjacent areas and reduce the area's visual open space. However, the program EIR found the effects of Village One Development on scenic vistas and resources to be less than significant because views from the project area are minimal and there are no scenic resources in the area. The proposed Floyd Avenue and Roselle Avenue Improvements project would not change the extent or nature of construction in the specific plan area, or cause any other changes in the project area. Impacts on scenic vistas and resources would therefore remain the same as those identified in the program EIR. There would be no additional impact. No mitigation is required.

- c. The Village One Specific Plan program EIR found that Village One would have a less-than-significant impact on the visual character of the area. The proposed Floyd Avenue and Roselle Avenue Improvements project would not change the design or layout of the construction proposed under the Village One Specific Plan. For this reason, impacts on the visual character of the area would remain the same as those identified in the program EIR. There would be no additional impact. No mitigation is required.
- d. The proposed Floyd Avenue and Roselle Avenue Improvements project will incorporate the normal street lighting for a street of this type as found throughout the community and as specified in the City of Modesto Standard Specifications. This lighting is consistent with that studied in the Village One Specific Plan program EIR and would not change the extent or nature of construction in the specific plan area, or cause any other changes in the project area. For this reason, impacts associated with additional light and glare would remain the same as those identified in the program EIR. There would be no additional impact. No mitigation is required.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
--------------------------------	--	------------------------------	-----------

**II. AGRICULTURAL RESOURCES.** In determining whether impacts on agricultural resources are significant environmental effects, lead agencies may refer to the California Agricultural Land Evaluation and Site Assessment Model (1997) prepared by the California Department of Conservation. Would the project:

- |    |   |                          |                          |                          |                                     |
|----|---|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Convert Prime Farmland, Unique Farmland, or Farmland of Statewide Importance (Farmland), as shown on the maps prepared pursuant to the Farmland Mapping and Monitoring Program of the California Resources Agency, to non-agricultural use? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Conflict with existing zoning for agricultural use or conflict with a Williamson Act contract?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. | Involve other changes in the existing environment that, due to their location or nature, could result in conversion of Farmland to non-agricultural use?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Impacts on agricultural resources are analyzed on pages III-80 through III-94 of the 1994 Supplement.

## Responses to Checklist Questions

- a. The Village One Specific Plan program EIR found that approximately 670 acres of land designated as Prime Farmland and 588 acres of land designated as Unique Farmland would be lost as a result of the the Village One project. This impact was determined to be significant and not mitigable. The City made a statement of overriding considerations when it certified the 1994 Supplement. The proposed Floyd Avenue and Roselle Avenue Improvements project would not affect this finding because the project area would remain the same. There would be no additional impact. No mitigation is required.
- b. The Village One Specific Plan program EIR presented information showing that any Williamson Act contracts in the project area would be automatically cancelled on annexation of the land to the City of Modesto, which has occurred, or would expire within 10 years of the time the original program EIR was prepared. The last Williamson Act contract covering land in the project area has expired. There are now no lands in the project area under Williamson Act contract. The project area has also been rezoned consistent with the specific plan, and no lands in the project area are now zoned for agricultural use. There would be no additional impact. No mitigation is required.
- c. The Village One Specific Plan program EIR identified a potential land use conflict between new residential uses in the specific plan area and adjacent agricultural uses. Such conflicts can lead to conversion of adjacent farmlands to other uses. The program EIR proposed mitigation measures for this potential impact that would reduce the impact's significance, although the EIR noted that the mitigation measure might not fully mitigate the impact. No additional mitigation measures are available for this impact. The proposed Floyd Avenue and Roselle Avenue Improvements project would not affect this finding because the project area and proposed land use would remain the same. There would be no additional impact. No mitigation is required.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

III. **AIR QUALITY.** When available, the significance criteria established by the applicable air quality management or air pollution control district may be relied upon to make the following determinations. Would the project:

- |    |   |                          |                          |                          |                                     |
|----|---|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Conflict with or obstruct implementation of the applicable air quality plan?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Violate any air quality standard or contribute substantially to an existing or projected air quality violation?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. | Result in a cumulatively considerable net increase of any criteria pollutant for which the project region is a nonattainment area for an applicable federal or state ambient air quality standard (including releasing emissions that exceed quantitative thresholds for ozone precursors)? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| d. | Expose sensitive receptors to substantial pollutant concentrations?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| e. | Create objectionable odors affecting a substantial number of people?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Impacts on air quality are analyzed on pages III-45 through III-54 of the 1994 Supplement.

## Responses to Checklist Questions

- a., b. The Village One Specific Plan program EIR found that air pollution from project-related construction and construction traffic, project-related industrial/business park and urban area traffic, and fireplaces and wood stoves in planned residential areas would violate air quality standards and contribute to an existing air quality violation. Construction activities would temporarily increase TSP and PM10 standards in the project vicinity and could result in violation of the state and federal 24-hour PM10 standards in the project vicinity. Construction traffic emissions would contribute to violation of the state and federal 8-hour carbon monoxide (CO) and particulate matter (PM10) standards and the federal ozone standard in the Modesto Urban Area and the San Joaquin Valley Air Basin. Urban traffic pollution would contribute to violations of the state ozone, CO, and PM10 standards in the Modesto Urban Area and San Joaquin Valley Air Basin. Residential pollution would contribute to violations of the pollutant standard index in the Modesto Urban Area. Partial mitigation for these impacts is included in the program EIR, and the City of Modesto adopted a statement of overriding consideration for each impact. The proposed Floyd Avenue and Roselle Avenue Improvements would not change the amount of development and construction in the project area, so trips generated by the project would not be affected and the types of land uses would not change. There would be no additional impact. No mitigation is required.
- c. The Village One Specific Plan program EIR found that air pollutant emissions associated with traffic at build-out of Village One would exacerbate the existing ozone, PM10, and CO violations in the Modesto area and cause a significant cumulative impact. Partial mitigation for

these emissions is included in the 1994 supplement to the program EIR (Mitigation Measure # 2) and the City of Modesto made a statement of overriding consideration for each impact. The proposed Floyd Avenue and Roselle Avenue Improvements would not change the amount of traffic associated with build-out of Village One or the types of land uses, so trips generated by the project would not be affected. There would be no additional impact. No additional mitigation is required.

- d. The Village One Specific Plan program EIR found that PM10 generated during construction would aggravate the respiratory problems of people living and working nearby, therefore exposing sensitive receptors in the area to pollutant concentrations and causing a significant impact. However, the program EIR outlines mitigation measures that will be implemented to reduce the impact to an acceptable level (Mitigation Measure #40). The proposed Floyd Avenue and Roselle Avenue Improvements would not change the level of construction emissions. There would be no additional impact. No additional mitigation is required.
- e. The Floyd Avenue and Roselle Avenue Improvements project does not contain any components that would create odors. The proposed Floyd Avenue and Roselle Avenue Improvements would not change planned uses of the project area. There would be no impact. No mitigation is required.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

**IV. BIOLOGICAL RESOURCES.** Would the project:

- |    |   |                          |                          |                          |                                     |
|----|---|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Have a substantial adverse effect, either directly or through habitat modifications, on any species identified as a candidate, sensitive, or special-status species in local or regional plans, policies, or regulations, or by the California Department of Fish and Game or U.S. Fish and Wildlife Service? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Have a substantial adverse effect on any riparian habitat or other sensitive natural community identified in local or regional plans, policies, or regulations, or by the California Department of Fish and Game or U.S. Fish and Wildlife Service?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. | Have a substantial adverse effect on federally protected wetlands as defined by Section 404 of the Clean Water Act (including, but not limited to, marshes, vernal pools, coastal wetlands, etc.) through direct removal, filling, hydrological interruption, or other means?                                 | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

- |    |   |                          |                          |                          |                                     |
|----|---|--------------------------|--------------------------|--------------------------|-------------------------------------|
| d. | Interfere substantially with the movement of any native resident or migratory fish or wildlife species or with established native resident or migratory wildlife corridors, or impede the use of native wildlife nursery sites? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| e. | Conflict with any local policies or ordinances protecting biological resources, such as a tree preservation policy or ordinance?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| f. | Conflict with the provisions of an adopted habitat conservation plan, natural community conservation plan, or other approved local, regional, or state habitat conservation plan?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Impacts on biological resources are analyzed on pages III-68 through III-79 of the 1994 Supplement.

## Responses to Checklist Questions

- a. The Village One Specific Plan program EIR found that development within the Village One area could result in the loss of foraging habitat for Swainson's hawk, a state-listed threatened species, but found that mitigation measures identified in the program EIR would reduce the impact to a less-than-significant level. The proposed Floyd Avenue and Roselle Avenue Improvements would not change project area boundaries. Further, the area to be developed is adjacent to an existing roadway and is heavily disturbed; and has no current utility as foraging habitat. There would be no additional impact. No mitigation is required. A Swanson Hawk survey was completed in conjunction with the proposed commercial development to the southeast (copy on file), which confirms that the area is not in use as a foraging habitat.
- b. The Village One Specific Plan program EIR did not find that any riparian habitat or other designated sensitive natural community was present in the Floyd Avenue and Roselle Avenue Improvements area, and so found that the project would have a less-than-significant impact. The proposed Floyd Avenue and Roselle Avenue Improvements would not change project area boundaries. There would be no additional impact. No mitigation is required.
- c. The Village One Specific Plan program EIR found that two areas indicated as "drainage areas with wetland vegetation", designated in Figure 34, page 4.9-2 of the Program EIR, could result in the loss of lands that might be classified as wetlands by the U.S. Army Corps of Engineers. Floyd Avenue and Roselle Avenue Improvements is not located in one of those two areas and would not change the project area boundaries or the areas that would be disturbed. There would be no additional impact. No mitigation is required.

- d. The Village One Specific Plan program EIR did not identify any migratory corridors in the Floyd Avenue and Roselle Avenue Improvements area, nor did it find that the project would interfere with the movement of any species. The proposed Floyd Avenue and Roselle Avenue Improvements would not change the project area boundaries. There would be no impact. No mitigation is required.
- e., f. No local biological resource protection policies, ordinances, habitat conservation plans, or natural community conservation plans apply to the Village One Specific Plan area. There would be no impact. No mitigation is required.

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
<b>V. CULTURAL RESOURCES.</b> Would the project:				
a. Cause a substantial adverse change in the significance of a historical resource as defined in Section 15064.5?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b. Cause a substantial adverse change in the significance of an archaeological resource pursuant to Section 15064.5?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
c. Directly or indirectly destroy a unique paleontological resource or site or unique geologic feature?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
d. Disturb any human remains, including those interred outside of formal cemeteries?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

## Responses to Checklist Questions

- a.-d. Impacts on cultural resources resulting from Village One (e.g., from construction of associated infrastructure) are addressed in the Opportunities/Constraints Report prepared for the Modesto Planning Commission (December 1, 1989). The report concluded that there are no known historic, archaeological, or paleontological resources in the Village One Specific Plan area. Based on the results of this report, (Cultural and Historic Resources Report, page 4 & 5, Exhibit D) it was determined that the likelihood that Floyd Avenue and Roselle Avenue Improvements would change or disturb human remains or significant historic, archaeological, or paleontological resources was low.

The proposed Floyd Avenue and Roselle Avenue Improvements would not change the locations or types of construction in the project area nor the boundaries of the project area. Construction of the roadway will not result in any effects on historic structures. Since no archaeological, or

paleontological resources were found in the previous document to be located in the project area, and since the proposed project would not have a significant impact on historic structures, there would be no impact. No mitigation is required.

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
<b>VI. GEOLOGY AND SOILS. Would the project:</b>				
a. Expose people or structures to potential substantial adverse effects, including the risk of loss, injury, or death involving:				
1. Rupture of a known earthquake fault, as delineated on the most recent Alquist-Priolo Earthquake Fault Zoning Map issued by the State Geologist for the area or based on other substantial evidence of a known fault? Refer to Division of Mines and Geology Special Publication 42.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2. Strong seismic groundshaking?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3. Seismic-related ground failure, including liquefaction?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4. Landslides?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b. Result in substantial soil erosion or the loss of topsoil?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
c. Be located on a geologic unit or soil that is unstable or that would become unstable as a result of the project and potentially result in an onsite or offsite landslide, lateral spreading, subsidence, liquefaction, or collapse?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
d. Be located on expansive soil, as defined in Table 18-1-B of the Uniform Building Code (1994), creating substantial risks to life or property?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
e. Have soils incapable of adequately supporting the use of septic tanks or alternative wastewater disposal systems in areas where sewers are not available for the disposal of wastewater?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Impacts associated with geology and soils are analyzed on pages III-105 through III-108 of the 1994 Supplement.

## Responses to Checklist Questions

- a.-d. The program EIR, as supplemented, found that the project area is not subject to geologic or soil-related hazards that cannot be adequately mitigated through the implementation of existing city regulations, such as the building code. No significant impacts were identified, and no mitigation measures were required. The proposed Floyd Avenue and Roselle Avenue Improvements would not change the locations or types of construction in the project area nor the boundaries of the project area. There would be no additional impact. No mitigation is required.
- e. The Village One Specific Plan included provisions for the project to be served by public sewers. No septic tanks or alternative wastewater systems were proposed. The proposed Floyd Avenue and Roselle Avenue Improvements project would not change the proposed method of wastewater disposal. There would be no impact. No mitigation is required.

		Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
<b>VII. HAZARDS AND HAZARDOUS MATERIALS.</b>					
	Would the project:				
a.	Create a significant hazard to the public or the environment through the routine transport, use, or disposal of hazardous materials?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b.	Create a significant hazard to the public or the environment through reasonably foreseeable upset and accident conditions involving the release of hazardous materials into the environment?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
c.	Emit hazardous emissions or involve handling hazardous or acutely hazardous materials, substances, or waste within one-quarter mile of an existing or proposed school?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
d.	Be located on a site that is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and, as a result, would it create a significant hazard to the public or the environment?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
e.	Be located within an airport land use plan area or, where such a plan has not been adopted,	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

be within two miles of a public airport or public use airport, and result in a safety hazard for people residing or working in the project area?

- |    |  |                          |                          |                          |                                     |
|----|--|--------------------------|--------------------------|--------------------------|-------------------------------------|
| f. | Be located within the vicinity of a private airstrip and result in a safety hazard for people residing or working in the project area?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| g. | Impair implementation of or physically interfere with an adopted emergency response plan or emergency evacuation plan?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| h. | Expose people or structures to a significant risk of loss, injury, or death involving wildland fires, including where wildlands are adjacent to urbanized areas or where residences are intermixed with wildlands? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Impacts associated with hazards and hazardous materials are analyzed on pages III-80 through III-94 and III-109 through III-119 of the 1994 Supplement.

## Responses to Checklist Questions

- a.-c. The Village One Specific Plan does not allow any land uses that would use hazardous materials. The proposed Floyd Avenue and Roselle Avenue Improvements would not change land uses or project area boundaries. There would be no impact. No mitigation is required.
- d. The Village One Specific Plan program EIR, as supplemented, found no hazardous materials were stored at the roadway site. No significant impacts were identified, and no mitigation measures were required. The proposed Floyd Avenue and Roselle Avenue Improvements would not change the locations or types of construction in the project area nor the boundaries of the project area. There would be no additional impact. No mitigation is required.
- e. The Village One Specific Plan program EIR found that the roadway would not be located in an airport land use plan area or within 2 miles of a public airport. The proposed Floyd Avenue and Roselle Avenue Improvements would not change the project area boundaries. There would be no impact. No mitigation is required.
- f. The Village One Specific Plan program EIR found that a private airstrip, the Eastside Mosquito Abatement District Airstrip, is located east of the eastern border of the Village One project area. However, take-offs and landings were found to take place parallel to and outside the area's border, and flight patterns are generally situated to the east of the project area. The proposed Floyd Avenue and Roselle Avenue Improvements would not change the project area boundaries. There would be no additional impact. No mitigation is required.

- g. Since the adoption of the Village One Specific Plan, the Modesto General Plan has been updated to include development of Village One consistent with the specific plan. City emergency plans are developed with the assumption that the Village One Specific Plan will be implemented. The proposed Floyd Avenue and Roselle Avenue Improvements would not change construction, land use, or other physical attributes of Village One. There would be no additional impact. No mitigation is required.
- h. The Village One project is located in an area of the City of Modesto planned for build-out of an urban neighborhood. Currently, less than 50% of the project area remains undeveloped, with a covering of dry brush and vegetation. The potential for wild land fires is low, and this potential will decrease as build-out continues. Adoption of the proposed Floyd Avenue and Roselle Avenue Improvements would not change the schedule or amounts of development. There would be no additional impact. No mitigation is required.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

**VIII. HYDROLOGY AND WATER QUALITY.**

Would the project:

- |    |  |                          |                          |                          |                                     |
|----|--|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Violate any water quality standards or waste discharge requirements?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Substantially deplete groundwater supplies or interfere substantially with groundwater recharge, resulting in a net deficit in aquifer volume or a lowering of the local groundwater table level (e.g., the production rate of pre-existing nearby wells would drop to a level that would not support existing land uses or planned uses for which permits have been granted)? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. | Substantially alter the existing drainage pattern of the site or area, including through the alteration of the course of a stream or river, in a manner that would result in substantial erosion or siltation onsite or offsite?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| d. | Substantially alter the existing drainage pattern of the site or area, including through the alteration of the course of a stream or river, or substantially increase the rate or amount of surface runoff in a manner that would result in flooding onsite or offsite?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| e. | Create or contribute runoff water that would exceed the capacity of existing or planned  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

stormwater drainage systems or provide substantial additional sources of polluted runoff?

- |    |  |                          |                          |                          |                                     |
|----|--|--------------------------|--------------------------|--------------------------|-------------------------------------|
| f. | Otherwise substantially degrade water quality?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| g. | Place housing within a 100-year flood hazard area, as mapped on a federal Flood Hazard Boundary or Flood Insurance Rate Map or other flood hazard delineation map? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| h. | Place within a 100-year flood hazard area structures that would impede or redirect floodflows?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| i. | Expose people or structures to a significant risk of loss, injury, or death involving flooding, including flooding as a result of the failure of a levee or dam?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| j. | Contribute to inundation by seiche, tsunami, or mudflow?   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Impacts associated with hydrology are analyzed on pages III-109 through III-119 of the 1994 Supplement.

## Responses to Checklist Questions

- a. The Village One Specific Plan program EIR did not find that the Village One project would violate any water quality standards or waste discharge requirements. The proposed Floyd Avenue and Roselle Avenue Improvements would not change water use or discharge associated with the Village One project. There would be no additional impact. No mitigation is required.
- b. The Village One Specific Plan program EIR found that the Village One project might interfere with local groundwater recharge. However, the impact was found to be less than significant because the project area is not a major groundwater recharge area and the project includes a recharge/discharge plan for disposal of storm-water runoff and recharge of groundwater. In Addition, in 2003 two addenda to the Village One program EIR were prepared and certified. One related to the Facilities Master Plan Update and the other related to the Storm Drainage Master Plan Update.

The proposed Floyd Avenue and Roselle Avenue Improvements would not change the amount of impervious surface in the project area or the proposed storm drain facilities. There would be no additional impact. No additional mitigation is required.

- c.-e. The Village One Specific Plan program EIR found that the Village One project will substantially alter the existing drainage pattern of the area but, because the project will incorporate an urban storm drain system, will not result in any erosion impacts. The proposed Floyd Avenue and Roselle

Avenue Improvements would not change the amount of impervious surface or the proposed storm drain facilities. There would be no additional impact. No mitigation is required.

- f. The Village One Specific Plan program EIR did not find that the Village One project would otherwise substantially degrade water quality. The proposed Floyd Avenue and Roselle Avenue Improvements would not change water use or discharge from that already determined. There would be no additional impact. No mitigation is required.
- g.-i. According to the Village One Specific Plan program EIR, the Village One project is not situated in a 100-year flood hazard area or downstream from a levee or dam. The proposed Floyd Avenue and Roselle Avenue Improvements would not change the project area boundaries. There would be no impact. No mitigation is required.
- j. The Village One project area is located in a flat, inland area not susceptible to seiche, tsunami, or mudflow. The proposed Floyd Avenue and Roselle Avenue Improvements would not change the project area boundaries. There would be no impact. No mitigation is required.

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
<b>IX. LAND USE AND PLANNING.</b> Would the project:				
a. Physically divide an established community?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b. Conflict with any applicable land use plan, policy, or regulation of an agency with jurisdiction over the project (including, but not limited to, a general plan, specific plan, local coastal program, or zoning ordinance) adopted for the purpose of avoiding or mitigating an environmental effect?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
c. Conflict with any applicable habitat conservation plan or natural community conservation plan?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Impacts associated with land use and planning are analyzed on pages III-80 through III-94 of the 1994 Supplement.

## Responses to Checklist Questions

- a. The proposed Floyd Avenue and Roselle Avenue Improvements would not result in any physical changes to the environment beyond those proposed as a part of the Village One project. Village One would continue to be developed as a planned community; therefore, the proposed Floyd Avenue and Roselle Avenue Improvements would not divide an established community. There would be no impact, and no mitigation is required.
- b., c. The Village One Specific Plan has been adopted by the City of Modesto and has been incorporated into the Modesto General Plan. The proposed Floyd Avenue and Roselle Avenue Improvements would be consistent with the Village One Specific Plan as amended by subsequent addenda. There are no other applicable land use or conservation plans for the project area. There would be no impact. No mitigation is required.

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than- Significant Impact	No Impact
<b>X. MINERAL RESOURCES.</b> Would the project:				
a. Result in the loss of availability of a known mineral resource that would be of value to the region and the residents of the state?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b. Result in the loss of availability of a locally important mineral resource recovery site delineated on a local general plan, specific plan, or other land use plan?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

## Responses to Checklist Questions

- a., b. No known mineral resources or important recovery sites are located in the Village One Specific Plan Area. There would be no impact. No mitigation is required.

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
<b>XI. NOISE.</b> Would the project:				
a. Expose persons to or generate noise levels in excess of standards established in a local general plan or noise ordinance or applicable standards of other agencies?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b. Expose persons to or generate excessive groundborne vibration or groundborne noise levels?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
c. Result in a substantial permanent increase in ambient noise levels in the project vicinity above levels existing without the project?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
d. Result in a substantial temporary or periodic increase in ambient noise levels in the project vicinity above levels existing without the project?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
e. Be located within an airport land use plan area, or, where such a plan has not been adopted, within two miles of a public airport or public use airport and expose people residing or working in the project area to excessive noise levels?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
f. Be located in the vicinity of a private airstrip and expose people residing or working in the project area to excessive noise levels?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Impacts associated with noise are analyzed on pages III-55 through III-67 of the 1994 Supplement.

## Responses to Checklist Questions

- a., c. The Village One Specific Plan program EIR found that traffic associated with the Village One project would expose existing residential uses on Claus Road, Floyd Avenue, Briggsmore Expressway, Oakdale Road, Roselle Avenue and Sylvan Avenue, to noise levels exceeding the general plan thresholds for residential uses. Mitigation measures identified in the program EIR were determined to reduce the level of impact, but in some cases not to a less-than-significant level. The City made a statement of overriding considerations when it certified the 1994 Supplement.

The proposed Floyd Avenue and Roselle Avenue Improvements project would not change project-related noise-generating activities. There would be no additional impact. No mitigation is required.

- b. The Village One Specific Plan program EIR found that the Village One project would not expose people to, or generate excessive, groundborne vibration or groundborne noise levels. The proposed Floyd Avenue and Roselle Avenue Improvements project would not change project-related noise-generating activities. There would be no impact. No mitigation is required.
- d. The Village One Specific Plan program EIR found that construction of the Village One project would result in a substantial temporary increase in ambient noise levels for residential housing. However, mitigation measures were incorporated into the program EIR to reduce the impact to a less-than-significant level. The proposed Floyd Avenue and Roselle Avenue Improvements would not change construction activities. There would be no additional impact. No additional mitigation is required.
- e. The Village One Specific Plan program EIR found that the Village One project would not be located in an airport land use plan area or within 2 miles of a public airport. The proposed Floyd Avenue and Roselle Avenue Improvements would not change the project area. There would be no impact. No mitigation is required.
- f. The Village One Specific Plan program EIR found that a private airstrip, the Eastside Mosquito Abatement District Airstrip, is located east of the eastern border of the Village One project area. However, take-offs and landings take place parallel to and outside the area's border, and flight patterns are generally situated east of the project area. The adjacent land use would be a business park, which would not be significantly affected by the limited noise generated at the airstrip. The proposed Floyd Avenue and Roselle Avenue Improvements would not change land use designations or the boundaries of the project area. There would be no additional impact. No mitigation is required.

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
<b>XII. POPULATION AND HOUSING.</b> Would the project:				
a. Induce substantial population growth in an area, either directly (e.g., by proposing new homes and businesses) or indirectly (e.g., through extension of roads or other infrastructure)?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b. Displace a substantial number of existing housing units, necessitating the construction of replacement housing elsewhere?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
c. Displace a substantial number of people, necessitating the construction of replacement housing elsewhere?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Impacts on population and housing are analyzed on pages III-95 through III-99 of the 1994 Supplement.

## Responses to Checklist Questions

- a.-c. The Village One Specific Plan program EIR found that the Village One project would result in no significant impacts on population and housing units. The proposed Floyd Avenue and Roselle Avenue Improvements would not change the amount of housing or employment in the specific plan area. There would be no impact. No mitigation is required.

**XIII. PUBLIC SERVICES.** Would the project:

- a. Result in substantial adverse physical impacts associated with the provision of new or physically altered governmental facilities or a need for new or physically altered governmental facilities, the construction of which could cause significant environmental impacts, in order to maintain acceptable service ratios, response times, or other performance objectives for any of the following public services:

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
Fire protection?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Police protection?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Schools?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Parks?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Other public facilities?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Impacts on public services are analyzed on pages III-120 through III-158 of the 1994 Supplement.

## Responses to Checklist Questions

- a. The Village One Specific Plan program EIR found that the only significant impact the Village One project would have on public services would be in the areas of fire protection and law enforcement. Mitigation measures were identified in the program EIR to reduce the level of this impact to a less-than-significant level. No other significant impacts on public services were identified. The proposed Floyd Avenue and Roselle Avenue Improvements would not change the provision of public services. There would be no additional impact. No mitigation is required.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

**XIV. RECREATION.** Would the project:

- |    |   |                          |                          |                          |                                     |
|----|---|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Increase the use of existing neighborhood and regional parks or other recreational facilities such that substantial physical deterioration of the facility would occur or be accelerated? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Include recreational facilities or require the construction or expansion of recreational facilities that might have an adverse physical effect on the environment?                        | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Impacts on recreation are analyzed on pages III-120 through III-158 of the 1994 Supplement.

## Responses to Checklist Questions

- a., b. No significant impacts on recreation were identified in the program EIR. The proposed Floyd Avenue and Roselle Avenue Improvements would not change the provision of parks and recreation facilities. There would be no additional impact. No mitigation is required.

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
<b>XV. TRANSPORTATION/TRAFFIC.</b> Would the project:				
a. Cause an increase in traffic that is substantial in relation to the existing traffic load and capacity of the street system (i.e., result in a substantial increase in the number of vehicle trips, the volume-to-capacity ratio on roads, or congestion at intersections)?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b. Cause, either individually or cumulatively, exceedance of a level-of-service standard established by the county congestion management agency for designated roads or highways?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
c. Result in a change in air traffic patterns, including either an increase in traffic levels or a change in location that results in substantial safety risks?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
d. Substantially increase hazards because of a design feature (e.g., sharp curves or dangerous intersections) or incompatible uses (e.g., farm equipment)?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
e. Result in inadequate emergency access?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
f. Result in inadequate parking capacity?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
g. Conflict with adopted policies, plans, or programs supporting alternative transportation (e.g., bus turnouts, bicycle racks)?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Impacts on transportation and traffic are analyzed on pages III-40 – III-44 of the 1994 Supplement.

## Responses to Checklist Questions

- a., b. The Village One Specific Plan program EIR found that the Village One project would cause an increase in traffic that is substantial in relation to the existing traffic load and capacity of the street system and would affect level of service at several intersections. Mitigation measures identified in the program EIR were identified to reduce impacts to a less-than-significant level for all intersections except the Briggsmore Avenue/Oakdale Avenue intersection. For that intersection, the impact

was determined to be significant and not mitigable. The City of Modesto made a statement of overriding considerations for that impact at the time it certified the 1994 Supplement. The proposed Floyd Avenue and Roselle Avenue Improvements would not alter traffic patterns in the project area or result in additional trips. There would be no additional impact. No mitigation is required.

- c. The Village One Specific Plan program EIR did not find that the Village One project would result in a change in air traffic patterns. The proposed Floyd Avenue and Roselle Avenue Improvements does not include any elements that would affect air traffic patterns. There would be no impact. No mitigation is required.
- d. The Village One Specific Plan program EIR did not find that the Village One project included any hazardous design features or increased any incompatible uses for roads in the project area. The proposed Floyd Avenue and Roselle Avenue Improvements incorporates roadway (including roundabout) design consistent with City of Modesto Standard Specifications. There would be no impact. No mitigation is required.
- e. The Village One Specific Plan program EIR did not find that the Village One project would result in inadequate emergency access in the project area. Project design included provision of adequate roadways to serve the Village One development. The proposed Floyd Avenue and Roselle Avenue Improvements would not change roadway layout or land uses. There would be no additional impact. No mitigation is required.
- f. The Village One Specific Plan program EIR did not find that the Village One project would result in inadequate parking capacity in the project area. The provision of parking, consistent with zoning requirements for all land uses, will be required. The proposed Floyd Avenue and Roselle Avenue Improvements would not change land use standards related to parking or amounts or intensity of development. There would be no impact. No mitigation is required.
- g. The Village One Specific Plan has been adopted by the City of Modesto. Policies of the specific plan are coordinated with the policies of the general plan, including those applicable to transportation. The proposed Floyd Avenue and Roselle Avenue Improvements does not include any changes related to transportation policies, and would have no impact. No mitigation is required.

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than-Significant Impact	No Impact
<b>XVI. UTILITIES AND SERVICE SYSTEMS. Would the project:</b>				
a. Exceed wastewater treatment requirements of the applicable Regional Water Quality Control Board?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b. Require or result in the construction of new water or wastewater treatment facilities or expansion of existing facilities, the construction of which could cause significant environmental effects?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
c. Require or result in the construction of new stormwater drainage facilities or expansion of existing facilities, the construction of which could cause significant environmental effects?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
d. Have sufficient water supplies available to serve the project from existing entitlements and resources, or would new or expanded entitlements be needed?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
e. Result in a determination by the wastewater treatment provider that serves or may serve the project that it has adequate capacity to serve the project's projected demand in addition to the provider's existing commitments?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
f. Be served by a landfill with sufficient permitted capacity to accommodate the project's solid waste disposal needs?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
g. Comply with federal, state, and local statutes and regulations related to solid waste?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Impacts on utilities and service systems are analyzed on pages III-120 through III-158 of the 1994 Supplement.

## Responses to Checklist Questions

- a. The City provides sewer services to the Village One area. All wastewater would be directed to city wastewater treatment facilities. No wastewater discharges would occur in the project area. The proposed Floyd Avenue and Roselle Avenue Improvements would not increase the amount of

wastewater that will be generated at build-out of the Village One project. There would be no additional impact. No mitigation is required.

- b., e. The Village One Specific Plan program EIR discusses the changes and new facilities that will be needed for the Village One project. The EIR found that, with mitigation, there would be no significant impact on water or wastewater infrastructure. The proposed Floyd Avenue and Roselle Avenue Improvements would not change the project demand for water or wastewater service. There would be no additional impact. No mitigation is required.
  
- c. The Village One Specific Plan program EIR discusses the changes and new facilities that will be needed for the Village One project. The EIR found that, with mitigation, there would be no significant impact on storm water drainage facilities. An update to the Storm Drainage Master Plan has been completed and Adopted by the Modesto City Council. An addendum to the Village One program EIR for the Storm Drainage Master Plan has also been completed and adopted by the Modesto City Council.  
  
The proposed Floyd Avenue and Roselle Avenue Improvements would not change the project drainage plans or expected volume of storm-water. The project would not result in any additional impacts or the need for any additional mitigation beyond that assessed in the Addenda to the Village One Program EIR for the Storm Drainage Master Plan. No Mitigation is required
  
- d. The Village One Specific Plan program EIR found that, with mitigation, the effects of the Village One project on water supply would be less than significant. The proposed Floyd Avenue and Roselle Avenue Improvements would not change the Village One project's demand for water. There would be no additional impact. No mitigation is required.
  
- f., g. The Village One Specific Plan program EIR found that the area's landfills have sufficient permitted capacity to accommodate the Village One project's solid waste disposal needs. The proposed Floyd Avenue and Roselle Avenue Improvements would not result in any generation of additional solid waste. There would be no impact. No mitigation is required.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less-than- Significant Impact	No Impact
--------------------------------------	--	-------------------------------------	--------------

**XVII. MANDATORY FINDINGS OF SIGNIFICANCE.**

- |    |  |                          |                          |                          |                                     |
|----|--|--------------------------|--------------------------|--------------------------|-------------------------------------|
| a. | Does the project have the potential to degrade the quality of the environment, substantially reduce the habitat of a fish or wildlife species, cause a fish or wildlife population to drop below self-sustaining levels, threaten to eliminate a plant or animal community, reduce the number or restrict the range of a rare or endangered plant or animal, or eliminate important examples of the major periods of California history or prehistory? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| b. | Does the project have impacts that are individually limited but cumulatively considerable? ("Cumulatively considerable" means that the incremental effects of a project are considerable when viewed in connection with the effects of past projects, the effects of other current projects, and the effects of probable future projects.)   | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| c. | Does the project have environmental effects that will cause substantial adverse effects on human beings, either directly or indirectly?  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Cumulative impacts are analyzed on page III-161 of the 1994 Supplement.

## Responses to Checklist Questions

- a. As described above, the proposed Floyd Avenue and Roselle Avenue Improvements would not result in any significant impacts on the environment over and above those associated with implementation of the Village One Specific Plan and as analyzed in the Village One Specific Plan program EIR and subsequent supplements and addenda.
- b. As described above, the proposed Floyd Avenue and Roselle Avenue Improvements would not result in any significant impacts, either on a project or on cumulative level, over and above those associated with implementation of the Village One Specific Plan and as analyzed in the Village One Specific Plan program EIR and subsequent supplements and addenda.
- c. As described above, the proposed Floyd Avenue and Roselle Avenue Improvements would not result in any significant impacts affecting

humans over and above those associated with implementation of the Village One Specific Plan and as analyzed in the Village One Specific Plan program EIR and subsequent supplements and addenda.

## V. MITIGATION APPLIED TO PROJECT

The following mitigation measures developed in the 1994 Village One Specific Plan Supplement to the Program EIR are appropriate to the project and will be incorporated into the project. Therefore, the environmental effects of the project were covered by the program EIR.

I. Aesthetics

None

II. Agricultural Resources

None

III. Air Quality

None

IV. Biological Resources

None

V. Cultural Resources

None

VI. Geology and Soils

None

VII. Hazards and Hazardous Materials

None

VIII. Hydrology and Water Quality

None

IX. Land Use and Planning

None

X. Mineral Resources

None

XI. Noise

None

**XII. Population and Housing**

None

**XIII. Public Services**

None

**XIV. Recreation**

None

**XV. Transportation/Traffic**

Completion of this project is in specific furtherance of Mitigation Measure 7 of the Village One Supplemental EIR, which call for completion of 4-lane improvements on Roselle Avenue. Mitigation Measure 14 calls for improvement of the Roselle/Floyd intersection to provide adequate capacity for projected traffic; the roundabout proposed at this location has been determined by the City's Traffic Engineer to provide the required capacity.

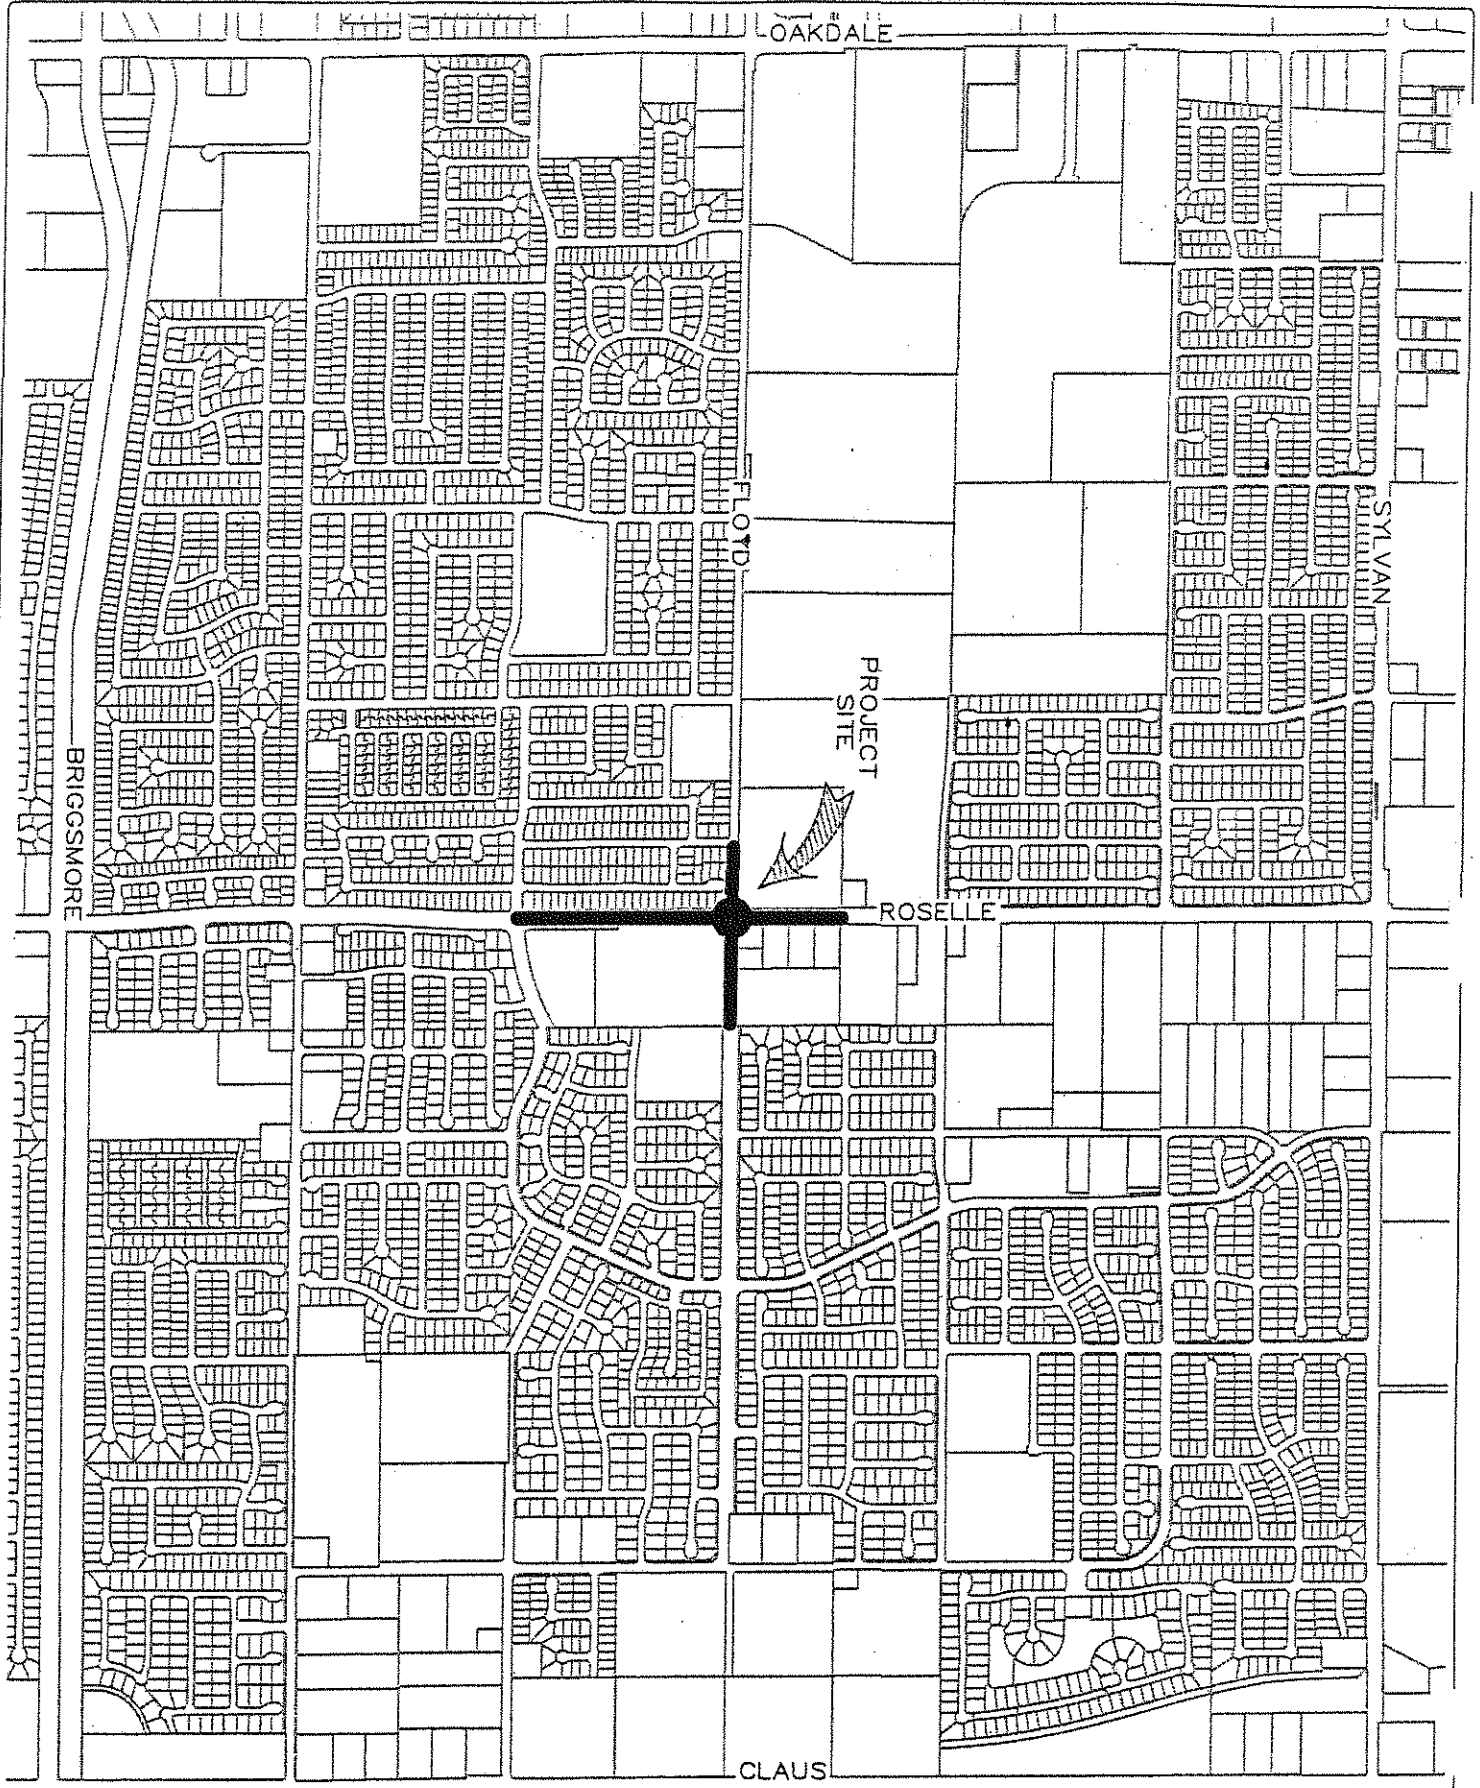

**XVI. Utilities and Service Systems**

None

**XVII. Mandatory Findings of Significance**

None

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-302**

**A RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN  
ACCEPTANCE FORMS FOR GRANT DEEDS FOR THE ACQUISITION OF  
PROPERTIES OWNED BY IGNACIO HERNANDEZ (APN: 085-050-004);  
ALTAGRACIA RAMIREZ (APN: 085-050-005); AND ROBERT J. HESS AND  
PATRICIA M. HESS (APN: 085-050-006) FOR THE FLOYD-ROSELLE  
ROUNABOUT PROJECT**

WHEREAS, Section 27281 of the Government Code requires a public agency to accept real property prior to the recordation of a deed or adopt a resolution accepting real property, and

WHEREAS, the City of Modesto desires to acquire portions of the following parcels for right of way for the Floyd-Roselle Roundabout Project from: Ignacio Hernandez (APN: 085-050-004); Altagracia Ramirez (APN: 085-050-005); and Robert J. Hess and Patricia M. Hess (APN: 085-050-006).

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the City Manager is hereby authorized to sign an acceptance form on behalf of the City of Modesto for three (3) Grant Deeds for the acquisition of portions of the properties owned by Ignacio Hernandez (APN: 085-050-004); Altagracia Ramirez (APN: 085-050-005); and Robert J. Hess and Patricia M. Hess (APN: 085-050-006) for the Floyd-Roselle Roundabout Project.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-303**

**A RESOLUTION APPROVING A LIST OF QUALIFIED UTILITY RATE  
PROFESSIONALS TO ASSIST CITY WITH UTILITY USER FEE STUDIES  
(WATER, WASTEWATER (SEWER), STORM DRAIN),  
WATER/WASTEWATER (SEWER) CONNECTION FEE STUDY AND PEER  
REVIEWS FOR A PERIOD OF FIVE (5) YEARS**

WHEREAS, the last City of Modesto Wastewater (Sewer) Rate Study was completed in 1998, and

WHEREAS, Public Works and Finance representatives developed a list of needs for new studies. In March 2006, a Request for Qualifications (“RFQ”) was mailed to 25 vendors and posted to our web site for Utility User Fee Studies (Water, Sewer, Storm Drain), Water/Wastewater Connection Fee Study and Peer Reviews, and

WHEREAS, the objectives of the fee studies are to ensure that the City's water and wastewater (sewer) utilities are adequately funded, and to have a strategy for identifying and financing future operating and capital needs. More importantly, these studies ensure that the City's user rates and fees are fair and equitable to its customers, and

WHEREAS, on March 30 2006, the qualification committee consisting of an outside banker, a Council member observer, and representatives from Public Works, Finance, and the City Manager’s Office reviewed 9 RFQs and found all firms submitting a statement of qualification to be qualified firms and recommended that only the top 5 firms be placed on an “approved” list for a period of 5 years and that interviews take place with the top 3 firms. The five firms to be considered for the “approved list” includes CH2MHill, Brown and Caldwell, CDM, Hilton, Farnkopf & Hobson, and

MuniFinancial. On April 14<sup>th</sup> 2006, the selection committee comprised of staff from Public Works and Finance, with a Council member observer, conducted interviews with the top 3 firms, and

WHEREAS, a result of the formal presentations and interviews, the selection committee recommended Brown and Caldwell to conduct 2 rate projects (Wastewater (Sewer) Rate Study and Wastewater (Sewer) Connection Fee Study) and Hilton, Farnkopf and Hobson to conduct Peer Reviews of the studies as well as conduct the Water Connection Fee Study Review and Update,

WHEREAS, the Wastewater (Sewer) Rate Study, Wastewater (Sewer) Connection Fee study and Peer Review Selection Status was brought before the Finance Committee on April 24, 2006 as an informational item,

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Modesto that it hereby approves a list consisting of the top 5 qualified utility rate professional firms (CH2MHill, Brown and Caldwell, CDM, Hilton, Farnkopf & Hobson, and MuniFinancial) for a period of five (5) years.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-304**

**A RESOLUTION APPROVING AN AGREEMENT FOR CONSULTANT SERVICES WITH BROWN AND CALDWELL FOR THE PREPARATION OF A WASTEWATER (SEWER) RATE STUDY IN THE AMOUNT OF \$108,000 AND A WASTEWATER (SEWER) CONNECTION FEE STUDY IN THE AMOUNT OF \$35,800, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE SAID AGREEMENT**

WHEREAS, Public Works and Finance representatives developed a list of needs for new studies, and

WHEREAS, the objectives of the rate/fee studies are to ensure that the City's water and wastewater (sewer) utilities are adequately funded, and have a strategy for identifying and financing future operating and capital needs, and

WHEREAS, as a result of the formal presentations and interviews, the selection committee recommended to City Council an Agreement For Consultant Services with Brown and Caldwell for the preparation of a Wastewater (Sewer) Rate Study in the amount of \$108,000 and a Wastewater (Sewer) Connection Fee Study in the amount of \$35,800, and authorizing the City Manager, or his designee, to execute said agreement,

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Modesto that it hereby approves an Agreement For Consultant Services with Brown and Caldwell for the preparation of a Wastewater (Sewer) Rate Study in the amount of \$108,000 and a Wastewater (Sewer) Connection Fee Study in the amount of \$35,800.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-305**

**A RESOLUTION APPROVING AN AGREEMENT FOR CONSULTANT SERVICES WITH HILTON, FARNKOPFT AND HOBSON FOR THE PREPARATION OF A PEER REVIEW FOR THE WASTEWATER (SEWER) RATE STUDY IN THE AMOUNT OF \$21,850 AND A PEER REVIEW FOR THE WASTEWATER (SEWER) CONNECTION FEE STUDY IN THE AMOUNT OF \$18,450, AND PREPARTION OF THE WATER CONNECTION FEE REVIEW AND UPDATE IN THE AMOUNT OF \$19,590, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE SAID AGREEMENT**

WHEREAS, Public Works and Finance representatives developed a list of needs for new utility studies, and

WHEREAS, the objectives of the rate/fee studies are to ensure that the City's water and wastewater utilities are adequately funded, and have a strategy for identifying and financing future operating and capital needs, and

WHEREAS, the Building Industry Association (BIA) requested a review and update for the Water Connection Fees, and

WHEREAS, the City Council has recommended to staff that peer reviews for Wastewater (Sewer) Rate Study, and Wastewater (Sewer) Connection Fee Study be conducted, and

WHEREAS, as a result of the formal presentations and interviews, the selection committee recommended to City Council an Agreement For Consultant Services with Hilton, Farnkopft and Hobson for the preparation of a Peer Review for the Wastewater (Sewer) Rate Study in the amount of \$21,850 and a Peer Review for the Wastewater (Sewer) Connection Fee Study in the amount of \$18,450, and preparation of a Water Connection Fee Review and Update in the amount of \$19,590,

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Modesto that it hereby approves an Agreement For Consultant Services with Hilton, Farnkopft and Hobson for the preparation of a Peer Review for the Wastewater (Sewer) Rate Study in the amount of \$21,850 and a Peer Review for the Wastewater (Sewer) Connection Fee Study in the amount of \$18,450, and preparation of a Water Connection Fee Review and Update in the amount of \$19,590.

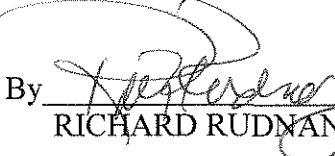

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> of May, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-306**

**A RESOLUTION APPROVING AN AGREEMENT FOR CONSULTANT SERVICES WITH HARRIS AND ASSOCIATES FOR THE WASTEWATER (SEWER) RATES PROPOSITION 218 PROPERTY NOTICING AND PROTEST HEARING PROCESS IN THE AMOUNT OF \$79,800, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE SAID AGREEMENT**

WHEREAS, Public Works and Finance representatives developed a list of needs for new utility studies, and

WHEREAS, the objectives of the rate/fee studies are to ensure that the City's water and wastewater utilities are adequately funded, and have a strategy for identifying and financing future operating and capital needs, and

WHEREAS, the City Council adheres to Proposition 218 when increasing sewer rates, and

WHEREAS, City staff desires the assistance of Harris and Associates with regard to Protest Noticing and the Public Hearing Process related to an increase in Wastewater (Sewer) Rates, and Harris and Associates has agreed to assist with regard to the Wastewater (Sewer) Rates Proposition 218 Property Noticing and Protest Hearing Process for the amount of \$79,800,

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Modesto that it hereby approves an Agreement For Consultant Services with Harris and Associates for the Wastewater (Sewer) Rates Proposition 218 Property Noticing and Protest Hearing Process in the amount of \$79,800,

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-307**

**A RESOLUTION AMENDING THE FY 05-06 OPERATING BUDGET TO  
APPROPRIATE FUNDS TO CONDUCT UTILITY RATE STUDIES, REVIEWS  
AND RELATED ACTIVITIES AND CARRYING FORWARD THE BALANCES  
INTO THE FY 06/07 BUDGET IN ORDER TO COMPLETE THE RATE  
PROJECTS**

WHEREAS, Public Works and Finance representatives developed a list of needs for new utility studies, and

WHEREAS, the objectives of the rate/fee studies are to ensure that the City's water and wastewater utilities are adequately funded, and have a strategy for identifying and financing future operating and capital needs, and

WHEREAS, the utility rate projects include a Wastewater (Sewer) Rate Study (\$108,000); Wastewater (Sewer) Connection Fee Study (\$ 35,800); Wastewater (Sewer) Rate Study Peer Review (\$21,850); Wastewater (Sewer) Connection Fee Peer Review (\$18,450); Water Connection Fee Review and Update (\$19,590); Wastewater (Sewer) Rate Protest Notice and Public Hearing Process (\$79,800); and (\$15,000) in Wastewater (Sewer) data extract, development, testing, and other costs, and

WHEREAS, in 2005 the Wastewater (Sewer) Rate Study's budget was estimated at \$150,000 and the Wastewater (Sewer) Connection Fee Study at \$50,000. \$122,160 of Wastewater (Sewer) money remains and will be transferred from the Finance Department to the Wastewater (Sewer) Fund in the administration account: 6210-480-5212-0235, to be used towards the Wastewater (Sewer) related rate projects. The sum of \$15,000 will be used for data extracts and analysis, parcel database development, testing and miscellaneous expenses, while \$107,160 will be used for rate/fee study invoices. An

additional \$156,740 will be appropriated from the Wastewater (Sewer) reserves to the administration account to combine with the remaining \$107,160 to pay for the \$263,900 of Wastewater (Sewer) Rate projects and related peer reviews, and

WHEREAS, after July 1, 2006, the entire \$278,900 (or remaining balance) will be transferred from the old administration account: 6210-480-5212-0235 to the new Wastewater (Sewer) administration account: 6210-480-5209-0235, and

WHEREAS, the Water Connection Fee Review, \$19,590 will be appropriated from the Water Fund Reserves and transferred to the: 6100-480-5000-0235 account and this amount will be rolled over to FY 06/07 to complete the review,

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Modesto that it hereby approves a resolution amending the FY 05-06 Operating Budget to Appropriate Funds into the proper professional services accounts to conduct rate studies, reviews and related activities in the Wastewater (Sewer) fund in the amount of \$278,900 and in the water fund in the amount of \$19,590 and said balances will be carried forward into the FY 06/07 budget in order to complete the rate projects.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-308**

**A RESOLUTION APPROVING AMENDMENT NO. 2 OF THE MASTER  
PROPERTY TAX AGREEMENT WITH THE COUNTY OF STANISLAUS,  
AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE  
THE AMENDMENT, AND ACCEPT \$490,216 IN GENERAL FUND REVENUE  
FOR CORRECTED PROPERTY TAX ALLOCATION**

WHEREAS, the County of Stanislaus entered into a Master Property Tax Agreement with its nine cities on May 7, 1996, and

WHEREAS, on March 23, 2004, the City and County entered into Amendment No. 1 to the Master Property Tax Agreement which added a 1.8 acre parcel to the property tax revenue provisions of the original agreement, and

WHEREAS, pursuant to the Master Property Tax Agreement, the county agreed to share future growth in the assessed valuation of land increases in property tax revenue above the base amount, with 70% of the tax growth going to the County and 30% to the Cities, and

WHEREAS, City staff has identified the need to clarify the Master Property Tax Agreement with regard to the manner in which the calculation of said 70%/30% split was made, and

WHEREAS, County met with city representatives to review the allocation methodology and implementing language contained in the Master Property Tax Agreement, and

WHEREAS, County and city representatives concluded that the allocation methodology did not reflect the original intent of the Master Property Tax Agreement and that said Agreement should be amended to remove any ambiguity, and

WHEREAS, on September 21, 2005, representatives from the cities and County met again and developed recommended changes to the existing Master Property Tax Agreement, and

WHEREAS, representatives of the cities and County met with the County Auditor-Controller staff to review the revised allocations, and

WHEREAS, on March 7, 2006, the Chief Executive Office confirmed their review of the revised allocations to the cities and affirmed that the methodology was sound and complied with the spirit of the agreement, and

WHEREAS, the County Auditor-Controller will issue a check to the City of Modesto in the amount of \$490, 216 to correct City's allocation,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto, that it hereby approves the Amendment No. 2 of the Master Property Tax Agreement with the County.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Amendment.

BE IT FURTHER RESOLVED that City staff is hereby authorized and directed to accept \$490,216 from the County and to deposit \$490, 216 into the General Fund Reserves.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the Resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen,  
Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-309**

**A RESOLUTION AUTHORIZING THE PURCHASING MANAGER TO ISSUE FORMAL REQUEST FOR BIDS (RFB) FOR THE PURCHASE OF RENTAL EQUIPMENT ON A CITY WIDE BASIS FOR AN INITIAL THREE (3) YEAR PERIOD, WITH TWO (2) ADDITIONAL ONE-YEAR CONTRACT EXTENSION OPTIONS, AT THE SOLE DISCRETION OF THE CITY, FOR AN ESTIMATED ANNUAL COST OF \$350,000**

WHEREAS, the Public Works Department has requested the purchase of rental equipment, and is the primary user of rental equipment, and

WHEREAS, various divisions within the Public Works Department may have a need for rental equipment for City projects, and

WHEREAS, rental equipment has been used in the following projects over the last year:

1. The Water Division utilizes trailers, loaders and trenchers for City projects. The trailers are used to haul materials on large projects and loaders for large construction projects and the trenchers are used for water service replacement projects.
2. The Electrical Division's use of routine, short-term rental equipment is needed for routine repair projects, accident/damage recoveries and during installation of new streetlights and traffic signals. Concrete saws and trenchers are the most frequently used pieces of equipment for routine operations, and
3. The Primary and Secondary Water Quality Control (WQC) facilities use various types of rental equipment for maintenance of the primary and secondary treatment plants, as well as the Ranch and Compost facilities.

The equipment is not used frequently enough to justify its purchase by the City and is not available through the City Fleet Services Division. Each year, managers, re-evaluate the rental cost of various pieces of rental equipment to determine if purchase of the equipment is more economical than renting.

4. The Forestry/Parks Divisions utilizes trenchers to install irrigation equipment for various City projects.

and

WHEREAS, rental equipment used over the last fiscal year consisted of: trenchers, rollers, concrete saws, saws, trailers, one-half ton pickups, water trucks, dump trucks, forklifts, loaders, crane trucks, compactors, air compressors, and jack hammers, and

WHEREAS, by soliciting competitive bids, the City will achieve the best value for rental equipment and meet Modesto Municipal Code, (MMC) requirement for formal bids, and

WHEREAS, Modesto Municipal Code Section 8-3.203 requires all purchases, which meet or exceed \$50,000 for materials, equipment or contractual services to be formally bid, and

WHEREAS, this Request for Bid (RFB) for the purchase of rental equipment on a City wide basis process conforms to Modesto Municipal Code Section 8-3.203, and

WHEREAS, the City Council has appropriated funds for rental equipment in the following accounts: 6180-Various-85 (Water Fund-CIP), 0100-350-32522-0216 (General Fund), 6210-480-5213-0216 (Sewer Operations), 6210-480-5214-0216 (Sewer

Operations), 0700-480-4622-0218 (Street, Traffic & Forestry), 0700-160-1612-0365 (Street, Traffic & Forestry), 0700-160-1612-0308 (Street , Traffic & Forestry), and

WHEREAS, the Purchasing Division has coordinated the drafting of bid specifications for rental equipment with the Public Works Department staff,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. The City Clerk is hereby authorized to call for public competitive sealed bids for the purchase of rental equipment, for an initial three (3) year period, with two (2) additional one-year contract extension options, at the sole discretion of City, to be opened in the office of the City Clerk, 1010 10<sup>th</sup> Street, in the City of Modesto. The City Clerk is hereby directed to give notice inviting such sealed bids in the time, form, and manner provided by law.

SECTION 2. After bids are opened they shall be tabulated and analyzed by the Purchasing Division and a report submitted to the Council.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

NOES: Councilmembers: None

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-310**

**A RESOLUTION AUTHORIZING THE PURCHASING MANAGER TO ISSUE FORMAL REQUEST FOR BIDS (RFB) FOR DIGESTER CLEANING FOR AN INITIAL THREE (3) YEAR PERIOD, WITH TWO (2) ADDITIONAL ONE-YEAR CONTRACT EXTENSION OPTIONS, AT THE SOLE DISCRETION OF THE CITY, FOR AN ESTIMATED ANNUAL COST OF \$35,936, WITH FUNDING BUDGETED IN FY 2006/2007**

WHEREAS, the Public Works Department-Water Quality Control Division has requested the cleaning of digesters, and

WHEREAS, digesters are utilized to reduce the volume of organic waste that is removed from the waste water in the Primary clarifiers, and

WHEREAS, cleaning of digesters removes solids that will not break down in the digestion process, and

WHEREAS, this cleaning ensures that proper operating and energy efficiency is maintained, and

WHEREAS, the anaerobic digester process does not break down inorganic material such as sand and plastic, and

WHEREAS, cleaning of anaerobic digesters is standard operating procedure for all wastewater treatment plants, and

WHEREAS, by soliciting competitive bids, the City will achieve the best value for digester cleaning and meet Modesto Municipal Code (MMC) requirements for formal bids, and

WHEREAS, Modesto Municipal Code Section 8-3.203 requires all purchases, which meet or exceed \$50,000 for material, equipment, or contractual services to be formally bid, and

WHEREAS, this Request for Bid (RFB) for digester cleaning conforms to Modesto Municipal Code Section 8-3.203, and

WHEREAS, the City Council has appropriated funds for digester cleaning in account number 6210-480-5213-0235 (SEWER OPERATIONS FUND) for FY 2006/2007, and

WHEREAS, the Public Works Department has included \$35,936 in their operating budget for sewer operations fund, which includes finding for digester cleaning, and

WHEREAS, the estimated annual cost for digester cleaning is \$35,936, and

WHEREAS, the Purchasing Division has coordinated the drafting of bid specifications for digester cleaning with Public Works Department-Water Quality Control,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. The City Clerk is hereby authorized to call for public competitive sealed bids for digester cleaning for an initial three (3) year period, with two (2), additional one-year contract extension options, at the sole discretion of the City, to be opened in the office of the City Clerk, 1010 10<sup>th</sup> Street, in the City of Modesto. The City Clerk is hereby directed to give notice inviting such sealed bids in the time, form, and manner provided by law.

SECTION 2. After sealed bids are opened they shall be tabulated and analyzed by the Purchasing Division and a report submitted to the Council.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-311**

**A RESOLUTION AUTHORIZING THE AWARD OF BID AND CONTRACT TO COOPER CONTROLS AND ELECTRICAL SERVICES OF ACAMPO, CA FOR INDUSTRIAL FLOW METER CALIBRATIONS FOR AN INITIAL THREE (3) YEAR PERIOD, WITH TWO (2) ADDITIONAL ONE-YEAR CONTRACT EXTENSION OPTIONS, AT THE SOLE DISCRETION OF THE CITY, FOR A TOTAL ESTIMATED ANNUAL COST OF \$12,832**

WHEREAS, the Public Works Department-Environmental Compliance Section has requested that a certified impartial vendor perform industrial and Water Quality Control Facility (WQCF) flow meter calibrations, and

WHEREAS, the Environmental Compliance Section is responsible for monitoring flow meter data to determine industry compliance with City issued Pretreatment Wastewater Discharge Permit requirements, and

WHEREAS, pretreatment permits require industries to install and maintain effluent meters, and

WHEREAS, meter calibration confirms compliance with permit requirements, and

WHEREAS, impartial meter calibration reduces potential challenges, based on effluent meter accuracy, should a permitted industry not meet compliance with a permit limit requirement, and

WHEREAS, industrial flow meter calibration is needed because local industries that meet the requirements in the Code of Federal Regulation (40 CFR, 403.12) must be enrolled in the City's Pretreatment Program, and

WHEREAS, these industries are assigned permit limits for pollutants that are discharged to the City sewer system, and

WHEREAS, flow meter data is required to track compliance with permitted discharge limits, and

WHEREAS, flow meter data is required to calculate industrial sewer billing for flow, Biochemical Oxygen Demand (BOD) and Total Suspended Solids (TSS), and

WHEREAS, the effluent flow meter provides a signal for flow proportional sampling equipment to collect samples, and

WHEREAS, accurate flow measurement ensures valid and representative sample collection at each industry, and

WHEREAS, sample results and flow data are required to calculate industrial user compliance with permit concentration limits for BOD and TSS, and

WHEREAS, the WQCP and the Jennings Road Facility site have both the influent (measures incoming flows) and effluent (measures discharge flows) meters, and

WHEREAS, the industries enrolled in the pretreatment program have effluent meters, and must be calibrated semi-annually, and

WHEREAS, industry effluent meters and all meters (influent, effluent and operational process) within the WQCF system are checked before the start of the cannery-processing season, and

WHEREAS, the second calibration is scheduled for approximately six months later, and

WHEREAS, the City of Modesto WQCF NPDES Permit, Board Order 5-01-120, requires submission of a written report each year by January 30<sup>th</sup>, to the California Regional Water Quality Control Board, United States Environmental Protection Agency

(USEPA), Regional Administrator, and the State Water Resource Control Pretreatment Program Manager, and

WHEREAS, the report must contain a statement certifying when the flow meters and other monitoring instruments and devices were last calibrated, including who performed the calibration, and

WHEREAS, the City contracts with a certified third party vendor to ensure impartial meter calibrations, and

WHEREAS, Resolution No. 2005-475 authorized the Purchasing Manager to solicit bids for industrial flow meter calibrations, and

WHEREAS, the Purchasing Division solicited formal bids for industrial flow meter calibration on Request for Bid (RFB) 0506-12, with a bid opening date of March 14, 2006, and

WHEREAS, thirteen (13) vendors were solicited, of which none were local vendors, and

WHEREAS, out of thirteen (13) vendors solicited, two (2) chose to respond, and

WHEREAS, the Purchasing Division and Public Works Department-Environmental Compliance Section evaluated bids, and

WHEREAS, Cooper Controls and Electrical Services was deemed to be the lowest responsive and responsible bidder, and

WHEREAS, the total approximate annual amount for industrial flow meter calibrations is \$12,932 with a five-year total approximate amount of \$64,160, and

WHEREAS, Modesto Municipal Code Section 8-3.203 requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid, and

WHEREAS, the code also states that purchases whose total maximum cost to the City exceeds \$50,000 shall receive preliminary approval of Council, MCC (8-3.203 (a), and

WHEREAS, this requirement for industrial flow meter calibration received said approval with Resolution No. 2005-475, and

WHEREAS, this Request for Bid (RFB) process conforms to City Code, and

WHEREAS, the City Council has appropriated funds for industrial flow meter calibrations in account number 6210-480-5217-0235-50 (SEWER OPERATIONS FUND),

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes award of bid and contract for industrial flow meter calibrations to Cooper Controls and Electrical Services of Acampo, CA for an initial three (3) year period, with two (2) additional one-year contract extension options, at the sole discretion of the City, for a total approximate annual cost of \$12,832.

BE IT FURTHER RESOLVED that the Purchasing Manager is hereby authorized to issue a purchase order for industrial flow meter calibrations as set forth herein.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-312**

**RESOLUTION AUTHORIZING THE PURCHASING MANAGER TO ISSUE FORMAL REQUEST FOR BIDS (RFB) FOR THE PURCHASE OF LIQUID SULPHUR DIOXIDE FOR AN INITIAL THREE (3) YEAR PERIOD, WITH TWO (2) ADDITIONAL ONE-YEAR CONTRACT EXTENSION OPTIONS, AT THE SOLE DISCRETION OF THE CITY, FOR AN ESTIMATED ANNUAL COST OF \$60,000, WITH FUNDING BUDGETED IN FY 2006/2007**

WHEREAS, the Public Works Department-Water Quality Control Plant (WQCP) has requested the purchase of sulphur dioxide (SO<sub>2</sub>), and

WHEREAS, liquid sulphur dioxide is used at the Secondary Water Quality Control facility to dechlorinate secondary treated wastewater before it is discharged into the San Joaquin River, and

WHEREAS, the Secondary Water Control Plant was constructed in 1967, and

WHEREAS, a liquid sulphur dioxide system was installed in 1985, and

WHEREAS, the system consists of one (1) 50,000 pound bulk storage tank and two (2) 1,900 pound sulfonators, and

WHEREAS, failure to perform dechlorination can result in fines up to \$10,000 per day, and

WHEREAS, the City of Modesto is responsible for the proper disinfection of water that is discharged into the San Joaquin River based on the Regional Water Quality Control Board (RWQCB) permit. The RWQCB permit is designed to protect the river habitat and surrounding environment, and

WHEREAS, the river discharge season is from October 1<sup>st</sup> through May 31<sup>st</sup>, and

WHEREAS, by soliciting competitive bids, the City will achieve the best value for liquid sulphur dioxide and meet Modesto Municipal Code (MMC) requirements for formal bids, and

WHEREAS, Modesto Municipal Code Section 8-3.203 requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid, and

WHEREAS, this Request for Bid (RFB) for the purchase of liquid sulphur dioxide conforms to Modesto Municipal Code Section 8-3-203, and

WHEREAS, the City Council has appropriated funds and made funds available in account number 6210-480-5214-0312 (SEWER OPERATIONS FUND) for FY 2006/2007, and

WHEREAS, the Public Works Department has included \$60,000 in their operating budget for sewer operations fund, which includes funding for liquid sulphur dioxide, and

WHEREAS, the estimated annual cost for liquid sulphur dioxide is \$60,000 for FY 2006/2007.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. The City Clerk is hereby authorized to call for public competitive sealed bids for the purchase of liquid sulphur dioxide, for an initial three (3) year period, with two (2) additional one-year contract extension options, at the sole discretion of the City, to be opened in the office of the City Clerk, 1010 10<sup>th</sup> Street, in the City of

Modesto. The City Clerk is hereby directed to give notice inviting such sealed bids in the time, form, and manner provided by law.

SECTION 2. After bids are opened they shall be tabulated and analyzed by the Purchasing Division and a report submitted to the Council.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-313**

**A RESOLUTION AUTHORIZING THE PURCHASING MANAGER TO SOLICIT FORMAL REQUEST FOR BIDS (RFB) FOR THE PURCHASE OF LIQUID FERRIC CHLORIDE FOR AN INITIAL THREE (3) YEAR PERIOD, WITH TWO (2) ADDITIONAL ONE-YEAR CONTRACT EXTENSION OPTIONS, AT THE SOLE DISCRETION OF THE CITY, FOR AN ESTIMATED ANNUAL COST OF \$66,300, WITH FUNDING BUDGETED IN FY 2006/2007**

WHEREAS, the Water Quality Control Plant (WQCP) has requested the purchase of liquid ferric chloride, and

WHEREAS, odors and corrosion are generated in the wastewater collections system and treatment process due to natural occurring levels of hydrogen sulfide, and

WHEREAS, to properly control the hydrogen sulfide gas, staff must inject a non-hazardous solution of iron, in the form of ferric chloride, into the influent wastewater at the primary treatment plant, and

WHEREAS, ferric chloride can be safely handled and does not require specialized control or safety devices for use, and

WHEREAS, the WQCP has estimated the normal annual usage of liquid ferric chloride to be approximately 147,680 gallons or approximately 2,840 gallons per week, and

WHEREAS, by soliciting competitive bids, the City will achieve the best value for liquid ferric chloride and meet Modesto Municipal Code (MMC) requirements for formal bids, and

WHEREAS, Modesto Municipal Code Section 8-3.203 requires all purchases which meet or exceed \$50,000 for material, and equipment or contractual services to be formally bid, and

WHEREAS, this Request for Bid (RFB) for the purchase of liquid ferric chloride process conforms to Modesto Municipal Code, and

WHEREAS, the City Council has appropriated funds and made funds available for liquid ferric chloride in account number: 6210-480-5213-0312 (SEWER OPERATIONS FUND) for FY 2006/2007, and

WHEREAS, the Public Work Department has included \$66,300 in their operating budget for sewer operations fund for FY 2006/2007, which includes funding for liquid ferric chloride, and

WHEREAS, the estimated annual cost for liquid ferric chloride based on normal usage volume is \$66,300,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. The City Clerk is hereby authorized to call for public competitive sealed bids for the purchase of liquid ferric chloride, for an initial three (3) year period, with two (2) additional one-year contract extension options, at the sole discretion of the City, to be opened in the office of the City Clerk, 1010 10<sup>th</sup> Street, in the City of Modesto. RESOLUTION NO. 2006-314**

**A RESOLUTION AUTHORIZING NO AWARD OF PROPOSAL AND  
CONTRACT FOR THE INTEGRATED PUBLIC SAFETY SYSTEM RFP  
RELEASED IN OCTOBER 2004, BY GARTNER CONSULTING, ON BEHALF  
OF THE CITY OF MODESTO**

WHEREAS, Gartner Consulting released an Integrated Public Safety System RFP on behalf of the City of Modesto in October 2004, and

WHEREAS, the RFP responses and proposals were reviewed, evaluated, and ranked by the inter-agency selection team, and

WHEREAS, a single solution or vendor consensus could not be reached after having extensive discussions and evaluations, and

WHEREAS, the Executive team for the RFP process agreed that under the existing RFP requirements, a vendor could not be selected, and

WHEREAS, Section I-K paragraph 2 in the RFP states, "SR911 members agencies and the City reserve the right to reject any or all proposals, or to make no award." Section I.R in the RFP further states, "SR911 and the City reserve the right to reject any or all bids and any item or items therein."

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes no award of proposal and contract for the Integrated Public Safety System RFP released in October 2004, by Gartner Consulting, on behalf of the City of Modesto.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmemeber Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-315**

**A RESOLUTION AUTHORIZING THE AGENCY-APPROVED CONSULTANT  
(THAYER CONSULTING), TO RE-ISSUE A FORMAL REQUEST FOR  
PROPOSAL (RFP) FOR INTEGRATED PUBLIC SAFETY SYSTEMS**

WHEREAS, in December 2003, the Joint Powers Agency (JPA) approved a project with Gartner Consulting to select a replacement/upgrade system for our Computer Aided Dispatch System (CAD) and Integrated Public Safety System, and

WHEREAS, Gartner Consulting issued a Request For Proposal (RFP) with responses due on or before January 11, 2005, and

WHEREAS, after an in-depth review, it was determined that the proposed solutions provided in the submitted proposal responses did not meet all of the requirements of the participating agencies, and

WHEREAS, as a result, the evaluation committee could not make a recommendation to award the proposal, and

WHEREAS, on October 12, 2004, City Council approved the request to issue a RFP for CAD and Integrated Public Safety system, and

WHEREAS, the primary Gartner Consultant is now employed with the agency-approved Thayer Consulting LLC and continues to work on the CAD project, and

WHEREAS, this project represents a joint effort between the City and the County, with costs to be shared equally, and

WHEREAS, funding sources for the project are yet to be determined, but City and County are continuing to jointly pursue several possible funding sources for the implementation phase of this project, including Local, State, and Federal grants, and

WHEREAS, City desires to reissue the Integrated Public Safety System RFP in order to take advantage of new technologies that are available to Public Safety organizations.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the JPA's Consultant, Thayer Consulting LLC, to re-issue a formal request for proposal (RFP) for Integrated Public Safety Systems.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23rd day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Council member Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-316**

**A RESOLUTION APPROVING AN AGREEMENT WITH SIDLEY AUSTIN LLP FOR OUTSIDE LEGAL COUNSEL SERVICES RELATED TO THE WASTE-TO-ENERGY PROJECT AT A NOT-TO-EXCEED COST OF \$100,000 PER YEAR IN ANY SINGLE CALENDAR YEAR WITH A COMBINED NOT-TO-EXCEED COST OF THIS MULTI-YEAR AGREEMENT OF \$500,000, AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE AGREEMENT**

WHEREAS, the County of Stanislaus and the City of Modesto have a Service Agreement with Covanta Stanislaus for the operation of the Waste-to-Energy Facility, and

WHEREAS, this Agreement requires Covanta to operate the facility in conformance with State and Federal regulations, and

WHEREAS, the Agreement stipulates that the cost of operating and maintaining the facility be part of the Service Fee paid to Covanta, and

WHEREAS, the Service Agreement between Covanta Stanislaus, Inc, the City of Modesto, and the County of Stanislaus will expire on December 31, 2009, and

WHEREAS, the decisions regarding the future of the facility are highly complex and subject to fluctuations in market pricing for power as well as regulatory changes, and

WHEREAS, because of these factors, the Waste-to-Energy Financing Agency and Executive Committee directed staff to put together a group of experts to assist in the end-of-contract decision making process, and

WHEREAS, to protect the interests of the City of Modesto and County communities, it will be important to have assistance from an outside legal firm familiar with the waste-to-energy industry to provide input into any issuance of new debt on the

facility, to assist in the negotiation of an extension of the Agreement or a new agreement, and to provide expert legal advice on other issues related to the facility, and

WHEREAS, at its March 23, 2006, meeting the Waste-to-Energy Financing Agency concurred with staff's recommendation, and

WHEREAS, because of the complexity of the various contractual agreements related to the facility and its operations it would be a waste of JPA resources to use any other firm than Sidley Austin LLP due to the time and expense that would be incurred educating another firm in the project and Agreement details, and

WHEREAS, the Financing Agency therefore directed staff to proceed with the development of a new Agreement with Sidley Austin LLP, and to take the new Agreement to the Council and Board of Supervisors to authorize its execution, and

WHEREAS, County Purchasing has prepared a new Agreement, which has been reviewed and approved by County Counsel and the City Attorney's office, and

WHEREAS, the Agreement is for a term of five (5) years at a not-to-exceed cost of \$100,000 per year in any single calendar year with a combined not-to-exceed cost of this multi-year Agreement of \$500,000, and

WHEREAS, funds are budgeted annually in the Waste-to-Energy project budget for outside legal services, and there is no impact on the City General Fund of any services related to the Waste-to-Energy project, and

WHEREAS, in order to proceed the City Council and County Board of Supervisors must authorize the execution of this Agreement,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves an Agreement with Sidley Austin LLP for outside legal

counsel services related to the Waste-to-Energy Project at a not-to-exceed cost of \$100,000 per year in any single calendar year with a combined not-to-exceed cost of this multi-year Agreement of \$500,000.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION AUTHORIZING STAFF TO SEND INVITATIONS TO  
QUALIFIED AND INVOLVED NON-PROFIT 501(c)3 ORGANIZATIONS TO  
SUBMIT "LETTERS OF INTEREST" TO BE CONSIDERED TO ENTER INTO  
A MANAGEMENT AGREEMENT WITH THE CITY OF MODESTO TO  
OPERATE THE KING-KENNEDY MEMORIAL CENTER (KKMC)**

WHEREAS, in March 1966, the Westside Neighborhood Center Steering Committee was formed to discuss and try to address some of the social issues which were occurring on the west side of Modesto, and

WHEREAS, the Westside Neighborhood Center, Inc. (WNCI), a non-profit organization, requested that the City of Modesto file an application with the federal Housing and Urban Development Department (HUD) for funds to construct a neighborhood center under the Neighborhood Facilities Grant Program, and

WHEREAS, in March 1968, the City of Modesto entered into an agreement with the WNCI, which stated that, the Westside Neighborhood Center Inc. would operate and staff the new facility which was designed to carry out a program of health, recreational, social or similar community services, and

WHEREAS, in January 1969, the City and WNCI entered into another agreement, which stated that due to the lack of an anticipated funding source, the WNCI did not have the funding to operate the new facility, and according to the application filed with HUD for the building funds, the City of Modesto made a commitment to operate the neighborhood facility, and

WHEREAS, in May 1969, the name of the community center was changed to the King-Kennedy Memorial Center (KKMC) and a dedication ceremony occurred on June 29, 1969, and

WHEREAS, the City of Modesto dedicates \$400,799 annually for the facilities, staffing and programming budget at KKMC, and

WHEREAS, staff from the Parks, Recreation and Neighborhoods Department believes that the timing may be right to inquire if a non-profit community group is interested in operating the KKMC under a management agreement, and

WHEREAS, at its meeting on May 1, 2006, the Safety and Communities Committee supported staff's recommendation,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby authorizes staff to send invitations to qualified and involved non-profit 501(c)3 organizations to submit "Letters of Interest" to be considered to enter into a management agreement with the City of Modesto to operate the King-Kennedy Memorial Center (KKMC).

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-318**

**AMENDED**  
on August 6, 2008  
By Resolution 2008-460  
2008-461

**A RESOLUTION APPROVING A MEMORANDUM OF UNDERSTANDING  
(MOU) BETWEEN THE CITY OF MODESTO AND THE MODESTO CITY  
EMPLOYEES ASSOCIATION (MCEA) FOR A TERM OF MAY 23, 2006  
THROUGH JULY 23, 2007 AND RESCINDING RESOLUTION NO. 2005-484  
EFFECTIVE MAY 22, 2006**

WHEREAS, the Memorandum of Understanding (MOU) between the City of Modesto (CITY) and the Modesto City Employees Association (MCEA) expired on July 25, 2005, and

WHEREAS, the CITY and MCEA have been operating under the terms and conditions of an Implementation Document, imposed by City Council on September 27, 2005, pursuant to Resolution Number 2005-484, and

WHEREAS, representatives of the CITY and the MCEA have met and conferred in good faith concerning wages, hours, terms and conditions of employment for employees in said bargaining unit, and

WHEREAS, pursuant to an Agenda Report dated May 9, 2006, a copy of which report is on file in the office of the City Clerk, the CITY and MCEA have reached agreement on a new MOU which, upon execution, shall replace the Implementation Document and shall be attached hereto and made a part hereof, and

WHEREAS, the MOU provides as follows:

SECTION 1. SALARY INCREASE. The current salary schedule effective February 21, 2006 shall remain in full force and effect through February 19, 2007. An across-the-board salary increase of 2.5% shall be effective February 20, 2007. This

AMENDED

~~salary increase is~~ in lieu of the 3% increase previously authorized by Resolution No. 2005-484, and which would have been effective on February 20, 2007.

SECTION 2. HEALTH, DENTAL AND VISION BENEFITS. The City's contribution to employees' Health, Dental and Vision coverage shall be as follows:

	<u>7/26/05</u>	<u>7/25/06</u>
Family	\$617	\$812
Single	400	445
Opt Out	350	375

SECTION 3. ADDITIONAL CHANGES. Other negotiated additions, deletions or amendments to the text of the Memorandum of Understanding deal with standby, licenses and certificates, fatigued employees, call back, pay differentials, coveralls, sick leave accrual, health contributions, outside employment renegotiations, maintenance of membership, job actions, and full understanding and waiver, and

WHEREAS, the Council considered this matter at its meeting of May 23, 2006,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Memorandum of Understanding (MOU) between the City of Modesto and the Modesto City Employees Association (MCEA), which covers a term from May 23, 2006 through July 23, 2007, and upon execution of same, a copy of the MOU will be on file in the office of the City Clerk.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that Resolution No. 2005-484 is hereby rescinded effective May 22, 2006.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-322**

**A RESOLUTION GRANTING HEALTH CONTRIBUTION CHANGES TO  
UNREPRESENTED MANAGEMENT AND CONFIDENTIAL EMPLOYEES,  
INCLUDING CHARTER OFFICERS AND EXECUTIVES EFFECTIVE MAY 23,  
2006, AND RESCINDING SECTION 3 OF RESOLUTION NO. 2005-602,  
EFFECTIVE MAY 22, 2006**

WHEREAS, by Section 3 of Resolution No. 2005-602 which became effective December 27, 2005, the City Council increased the City's contribution to health, dental and vision benefits for unrepresented Management and Confidential employees for FY 05-06 and FY 06-07, and

WHEREAS, the Council of the City of Modesto desires to approve an additional increase in the City's contribution to health, dental and vision benefits for non-sworn employees with Family coverage by \$20/month effective July 25, 2006, in addition to increases previously authorized by Resolution No. 2005-602,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the City's contribution to health, dental and vision benefits for unrepresented Management and Confidential employees, for both sworn and non-sworn employees and for Charter Officers and Executives, is hereby designated to be the following:

	<u>City Contribution - Sworn and Non-Sworn</u> <u>Effective July 26, 2005</u>	<u>Effective July 25, 2006</u>
Family	\$722/month	\$812/month
Employee Only	\$435/month	\$480/month
Opt Out	\$385/month	\$390/month

Effective July 26, 2005, the City's contribution toward unrepresented employees with Family coverage shall not exceed the actual premium amount for the lowest cost health (HMO Plan), dental and vision plans offered by the City, regardless of the health plan selected by the employee or the contribution amounts listed above.

Effective July 26, 2005, the City's contribution toward unrepresented employees with Employee Only coverage shall not be less than the actual premium amount for the lowest cost health, (HMO Plan), dental and vision plans offered by the City, regardless of the health plan selected by the employee or the contribution amounts listed above.

BE IT FURTHER RESOLVED that Section 3 of Resolution No. 2005-602 is hereby rescinded effective May 22, 2006.

BE IT FURTHER RESOLVED that all other sections and provisions of Resolution No. 2005-602 shall remain in full force and effect.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006- 323**

**A RESOLUTION APPROVING AN AMENDMENT TO PURCHASE  
AGREEMENT WITH ALVIN LUCHESSA AND WILLIAM LUCHESSA  
RELATING TO THE ACQUISITION OF PROPERTY LOCATED ON THE  
NORTHEAST CORNER APN: 046-02-01 (PORTION) OF PELANDALE  
AVENUE AND TULLY ROAD IN THE AMOUNT OF \$4,420.80, AND  
AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE  
THE AMENDMENT**

WHEREAS, on July 12, 2005, the City Council of the City of Modesto approved a Purchase Agreement between the City of Modesto and Alvin Luchessa and William Luchessa to purchase a portion of the necessary real property owned by Alvin & William Luchessa (APN: 046-002-001) at the northeast corner of Pelandale Avenue and Tully road related to the Pelandale Intersection Improvements and Signalization Project in the total amount of \$124,235.80, and

WHEREAS, said purchase price of \$124,235.80 included compensation for removal of 30 almond trees in the amount of \$4,420.80, and

WHEREAS, the Pelandale Signalization project proceeded on construction and actually removed 30 additional almond trees for which Alvin Luchessa and William Luchessa have asked compensation for in the amount of \$4,420.80, and

WHEREAS, City staff agrees to pay Alvin Luchessa and William Luchessa the sum of \$4,420.80, as just compensation in full for the interference to, loss of production of and removal of the additional 30 almond trees and no further payment of any kind shall accrue,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that an Amendment to Purchase Agreement between City of Modesto and Alvin

Luchessa and William Luchessa (APN:046-002-001) for the Pelandale Intersection Improvements and Signalization Project for removal of the 30 additional almond trees in the total amount of \$4,420.80 is hereby approved.

BE IT FURTHER RESOLVED that the execution of said Amendment by the City Manager, or his designee, on behalf of the City of Modesto is hereby authorized.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION APPROVING AN AMENDMENT TO A PURCHASE AGREEMENT WITH ALVIN LUCHESSA AND WILLIAM LUCHESSA RELATING TO THE ACQUISITION OF PROPERTY LOCATED ON THE NORTHWEST CORNER APN: 046-07-37 (PORTION) OF PELANDALE AVENUE AND TULLY ROAD IN THE AMOUNT OF \$2,763.00, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AMENDMENT**

WHEREAS, on July 12, 2005, the City Council of the City of Modesto approved a Purchase Agreement between the City of Modesto and Alvin Luchessa and William Luchessa to purchase a portion of the necessary real property owned by Alvin Luchessa and William Luchessa (APN: 046-007-037) at the northwest corner of Pelandale Avenue and Tully Road related to the Pelandale Intersection Improvements and Signalization Project in the total amount of \$142,380.60, and

WHEREAS, said purchase price of \$142,380.60 included compensation for removal of 30 almond trees in the amount of \$3,315.60, and

WHEREAS, the Pelandale Signalization project proceeded on construction and actually removed 25 additional almond trees for which Alvin Luchessa and William Luchessa have asked compensation for in the amount of \$2,763.00, and

WHEREAS, City staff agrees to pay Alvin Luchessa and William Luchessa the sum of \$2,763.00, as just compensation in full for the interference to, loss of production of and removal of the additional 25 almond trees and no further payment of any kind shall accrue,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that an Amendment to a Purchase Agreement between City of Modesto and Alvin

Luchessa and William Luchessa (APN:046-007-037) for the Pelandale Intersection Improvements and Signalization Project for removal of the 25 additional almond trees in the total amount of \$2,763.00 is hereby approved.

BE IT FURTHER RESOLVED that the execution of said Amendment by the City Manager, or his designee, on behalf of the City of Modesto is hereby authorized.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23rd day of May, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-326**

**A RESOLUTION APPROVING AN AGREEMENT WITH APPLIED PROCESS TECHNOLOGY, INC., TO INSTALL A PILOT TEST PROGRAM FOR NITRATE DESTRUCTION AT THE GRAYSON WATER SYSTEM IN THE NOT-TO-EXCEED AMOUNT OF \$45,000.00, AND AUTHORIZING THE CITY MANAGER, OR DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, the City of Modesto operates the Grayson Water System that has two water wells (Wells #274 and #295), which both have concentrations of Nitrates that exceed the State of California limitations, and

WHEREAS, to treat the water, the City has contracted with Basin Water to install an Ion/Exchange system to remove the Nitrates. The Ion/Exchange system is working satisfactorily, however, there is a brine waste stream (approximately 7% of the treated water) that is generated and must be disposed of through a maintenance agreement.

WHEREAS, the Ion/Exchange produces a brine solution of 2,000– 5,000 gallons/day that is delivered to the East Bay Municipal Utilities District (East Bay MUD) for disposal. If East Bay MUD ever declines our brine solution, the City has no other alternatives for its disposal, and

WHEREAS, the existing Ion/Exchange system has a high cost of operation of approximately \$150,000/year, and

WHEREAS, Applied Process Technology (Applied) has contacted the City to negotiate the installation of a Pilot Test Program for a new form of nitrate destruction technology that is more efficient and cost effective than the current system to reliably transform nitrates into nitrogen gas reducing waste product to 5% that can go directly into the sanitary sewer, and has asked compensation in the not-to-exceed amount of \$45,000.00, and

WHEREAS, water samples will be tested, and the State of California Department of Health Services (DHS) will be kept informed of the results. Within 12 months of successful completion of the pilot test and approval from DHS, Applied will provide a 20 Year Life-Cycle cost for a filtration unit capable of treating 1,000 gallons per minute, and

WHEREAS, City staff agrees to pay Applied Process Technology, Inc. the not-to-exceed sum of \$45,000.00, as just compensation,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Agreement between City of Modesto and Applied Process Technology, Inc. for the Nitrate Removal Pilot Program – Grayson Water System project in the not-to-exceed amount of \$45,000.00.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-327**

**A RESOLUTION APPROVING A LEASE AGREEMENT BETWEEN THE CITY OF MODESTO AND LOUIS BOER, JR., AN INDIVIDUAL, FOR LEASE OF CITY-OWNED PROPERTY LOCATED AT THE NORTHWEST CORNER OF FRAZINE ROAD AND LA COSTE LANE, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE LEASE AGREEMENT**

WHEREAS, City acquired approximately 12 acres consisting of almond and peach orchards located at the northwest corner of Frazine Road and La Coste Lane, and

WHEREAS, this land was acquired as part of a larger purchase to provide land for the Regional Water Treatment Plant storage tanks, and

WHEREAS, this property has been leased to Alcorn Farms for \$800 per year for the last 12 years, and

WHEREAS, the lease agreement with the Alcorn Farms has lapsed without request for renewal, and

WHEREAS, staff advertised for new tenants and received applications from three (3) interested parties, and

WHEREAS, after credit and reference checks on the three (3) applicants were completed, Louis Boer, Jr. was selected for the lease, and

WHEREAS, the term of the new agreement includes an annual rent of \$1,500 plus 15% of the net profit above \$1,500 on the sale of the crops, and

WHEREAS, lessee is responsible for paying property and irrigation taxes, as well as maintaining the property and trees, and

WHEREAS, rental and profit share revenues will be deposited in the Water Enterprise Fund Account No. 6100-480-5012-6201, and

WHEREAS, the Finance Committee considered this item at its April 24, 2006 meeting and recommended its approval and consideration by the full Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the lease agreement between the City of Modesto and Louis Boer, Jr., and individual, for the lease of the city-owned property located at the northwest corner of Frazine road and La Coste Lane.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the lease agreement.

The foregoing resolution was introduced at regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-328**

**A RESOLUTION APPROVING THE DAY SPA USE IN THE SUMMIT  
BUSINESS PARK AND GRANTING AN APPEAL OF A STAFF  
DETERMINATION REGARDING A PROPOSED USE PERMIT FOR  
PROPERTY LOCATED AT 4345 SPYRES WAY, SOUTH OF BANGS AVENUE  
AND WEST OF McHENRY AVENUE IN THE KIERNAN/McHENRY  
COMPREHENSIVE PLANNING DISTRICT**

WHEREAS, the City of Modesto and the County of Stanislaus have entered into an agreement which states in part that the County will amend its General Plan to limit development within the City's Sphere of Influence to agricultural uses, churches, and such other uses that may be mutually agreed upon and which excludes some areas from this limitation, and

WHEREAS, Stanislaus County has adopted a General Plan policy which sets forth the procedure for referring development proposals within the Cities' Spheres of Influence for those uses that are neither a church nor an agricultural use and indicates that proposals should be evaluated against the general plan land use designation and that cities should also submit conditions to ensure that development complies with city development standards, and

WHEREAS, the City of Modesto adopted Policy 4.028, effective January 8, 1991, which establishes that staff determinations regarding County development referrals must be appealed to the City Council and identifying various distinct areas within the City's Sphere of Influence, noting that staff responses will consist of recommendations, suggested modifications, and suggested conditions of approval, and

WHEREAS, the City of Modesto received a development referral from Stanislaus County on March 10, 2006, and

WHEREAS, the subject site is located in the City's Sphere of Influence and within the Kiernan/McHenry Community Planning District, in which the site is designated BP, Business Park, and

WHEREAS, City staff determined that the proposed use is inconsistent with the general plan designation of BP, Business Park, and

WHEREAS, on April 13, 2006, an appeal to the staff determination was filed with the Office of the City Clerk by L Street Architects, and

WHEREAS, said appeal was set for a duly noticed public hearing before the City Council on Tuesday, May 9, 2006, at 5:30 p.m. in the Tenth Street Place Chambers, located at 1010 Tenth Street, Modesto, California, and

WHEREAS, said appeal was continued with the consent of the appellant to a duly noticed public hearing before the City Council on Tuesday, May 23, 2006, at 5:30 p.m. in the Tenth Street Place Chambers, located at 1010 Tenth Street, Modesto, California, at which time said public hearing was held, and evidence both oral and documentary was received and considered, and

WHEREAS, upon evaluating the conditionally permitted uses of the BP, Business Park Zone, staff has determined that, if the site were within the City and zoned BP, a day spa would fall within the "personal services" provision of the BP Zone, which allows such uses, when incidental to and serving the needs of already established industries and employment-intensive offices within the Zone, and

WHEREAS, the proposed day spa use is limited in size to no more than 13,000 square feet in the Summit Business Park, which can accommodate a maximum of one million square feet of development of which 13,000 square feet is less than one-and-one-

half percent and therefore is incidental to the entire Summit Business Park, and the business is limited in scope to a day spa including a luxury hair salon, therapeutic massage salon, and personal fitness center, therefore approving this use supports the intent of the BP, Business Park Zone.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the appeal of L Street Architects to the staff determination is hereby granted for the following reasons:

1. A day spa is consistent with the “personal services” provision of the BP Zone, which allows such uses when incidental to and serving the needs of already established industries and employment-intensive offices within the Zone.
2. The proposed day spa use is limited in size to no more than 13,000 square feet in the Summit Business Park, which can accommodate a maximum of one million square feet of development of which 13,000 square feet is less than one-and-one-half percent and therefore is incidental to the entire Business Park.
3. The proposed day spa is limited in scope to a day spa including a luxury hair salon, therapeutic massage salon, and personal fitness center.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the following condition be recommended to the Stanislaus County Board of Supervisors:

1. Recommend the Stanislaus County Board of Supervisors approve the request on the condition that this use be subject to reviewed by the appropriate jurisdiction to establish and ensure its legitimacy consistent with Title 5, Chapter 2, Article 1, Section 5-2.101 et seq. of the Modesto Municipal Code.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>d</sup> day of May, 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-329**

**A RESOLUTION APPROVING AN AGREEMENT FOR CONSULTANT  
SERVICES BETWEEN THE CITY OF MODESTO AND EDAW, INC. FOR THE  
PREPARATION OF ENVIRONMENTAL DOCUMENTS FOR THE EXPANSION  
OF GOULD MEDICAL CENTER IN AN AMOUNT NOT TO EXCEED \$98,016.00  
AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE  
AGREEMENT**

WHEREAS, Gould Medical Center proposes to expand its facility on Coffee Road in order to better serve its customers, and

WHEREAS, the project is subject to the California Environmental Quality Act, and

WHEREAS, the Community and Economic Development Department maintains a prequalified list of environmental consultants, of which EDAW, Inc. is one, and

WHEREAS, City staff recommends EDAW, Inc. to prepare the appropriate environmental documents because of their extensive experience on similar projects in other jurisdictions, and

WHEREAS, the scope of work, as proposed by EDAW, Inc. and modified by City staff constitutes an amount not to exceed \$98,016.00, and

WHEREAS, the preparation of environmental documents is to be entirely funded from developer fees and to have no direct fiscal impact on the City.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Agreement for Consultant Services between the City of Modesto and EDAW, Inc. is hereby approved in an amount not to exceed \$98,016.00.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement for Consultant Services.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-330**

**A RESOLUTION AUTHORIZING A TRANSFER FROM WASTEWATER  
RESERVES TO CIP B628 FOR EMERGENCY REPAIRS FOR EMERALD  
AVENUE SEWER LINES**

WHEREAS, there are 24" and 27" parallel sewer lines located on Emerald Avenue between California Avenue and Muriel Avenue and adjacent to Mark Twain Jr. High School, and

WHEREAS, these two pipelines are the downstream continuance of a 30" sewer trunk line, and

WHEREAS, a 500-ft. section of the 24" sewer line has failed due to corrosion and is need of emergency replacement, and

WHEREAS, an approximate 200-ft. section of this nearly 54-year-old pipe has fallen into the flow line creating an obstruction, and

WHEREAS, viewing these lines through closed circuit television (CCTV) indicates erosion in the earth above the pipe, which could cause the road to collapse, and

WHEREAS, if the road collapses, a sinkhole could potentially form as well as a complete blockage in the pipe creating a Sanitary Sewer Overflow (SSO), and

WHEREAS, due to the nature of the emergency and concerns regarding the safety of citizens in the area, staff has closed the southbound lanes of Emerald Avenue between Muriel Avenue and Lenore Drive to all traffic, and

WHEREAS, staff has completed an assessment of the area and is working with construction companies to complete the work within 30 days, and

WHEREAS, staff recommended continuing the upstream 30" line north 517 feet, replacing both the 24" and the 27" lines at the same time, and

WHEREAS, replacing both the 24" and 27" lines reduces the risk of further damage to the pipes due to their close proximity, and

WHEREAS, the recommendation to extend the 30" sewer line is consistent with the Wastewater Master Plan, and

WHEREAS, Municipal Code 8-3.102 Section Contracting Authority (e) authorizes the City Manager to approve and authorize all contracts for emergency public works projects in the amount of \$200,000 or less, and

WHEREAS, cost estimates for the replacement will exceed \$200,000 and may total \$500,000 to complete the pipeline replacement in the timeframe required, and

WHEREAS, current Wastewater Division Operating budgets cannot absorb the cost of these emergency repairs,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes a transfer from Wastewater Reserves to CIP Account # 6210-480-B628-6040 Emerald Avenue Emergency Repairs – Construction.

BE IT FURTHER RESOLVED that the Finance Department is hereby authorized to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 23<sup>rd</sup> day of May, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-335**

**A RESOLUTION AUTHORIZING THE PURCHASING MANAGER TO ISSUE A FORMAL REQUEST FOR BIDS (RFB) FOR THE PURCHASE OF WATER VALVES AND FIRE HYDRANTS FOR AN INITIAL THREE (3) YEAR PERIOD, WITH TWO (2) ADDITIONAL ONE-YEAR CONTRACT EXTENSION OPTIONS, AT THE SOLE DISCRETION OF THE CITY, FOR AN ESTIMATED ANNUAL COST OF \$240,000.00**

WHEREAS, the Finance Department-Central Stores Division has requested the purchase of water valves and fire hydrants, and

WHEREAS, water valves and fire hydrants are used exclusively by the Public Works Department-Water Division, and

WHEREAS, the City's fire hydrants are being replaced at a rate of thirty (30) per week, and

WHEREAS, the water valves are used to replace existing valves which may be non-operable, to extend existing water lines, and for new service laterals to new businesses, and

WHEREAS, the hydrants being replaced have outlets less than four inches, and

WHEREAS, the new hydrants have a four and one half-inch (4½") outlet, which allows for greater flow of water in the event of a fire, and

WHEREAS, hydrants are also used in new developments, and

WHEREAS, the removed hydrants are then made available for sale, to the public, and

WHEREAS, by soliciting competitive bids, the City will achieve the best value for water valve and fire hydrants and meet Modesto Municipal Code (MMC) requirements for formal bids, and

WHEREAS, MMC Section 8-3.203 requires all purchases which meet or exceed \$50,000 for material and equipment or contractual services to be formally bid, and

WHEREAS, this Request for Bids (RFB) for the purchase of water valves and fire hydrants process conforms to Modesto Municipal City Code Section 8-3.203, and

WHEREAS, the alternatives would be not to competitively bid these products, or to solicit bids for the products on an “order by order” basis, thus losing any quantity related discounts afforded by vendors, and

WHEREAS, the water valves and fire hydrants are purchased through Central Stores-7110-120-8311-0439 (Inventory Purchases) and are sold as needed to the Water Division, and

WHEREAS, the Water Division has budgeted and made available funds for water valves and fire hydrants in account number 6100-480-5012-0360-50 Real Property Maintenance and Repair Supplies. and

WHEREAS, anticipated expense for the water valves and fire hydrants is \$240,000.00 per year, and

WHEREAS, all annual extensions are based upon continuous funding for that purpose by the City Council, and

WHEREAS, failure to fund any annual extension will result in an immediate termination of the contract without redress,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the Purchasing Manager to solicit formal Request for Bids (RFB) for water valves and fire hydrants for an initial three (2) year period, with a two

(2) additional one-year contract extension options, at the sole discretion of the City, for the estimated annual cost of \$240,000 as follows:

SECTION 1. The City Clerk is hereby authorized to call for public competitive sealed bids for the purchase of water valves and fire hydrants for an initial three (3) year period, with two (2) additional one-year contract extension options, at the sole discretion of the City, for an estimated annual cost of \$240,000, to be opened in the office of the City Clerk, 1010 10<sup>th</sup> Street, in the City of Modesto. The City Clerk is hereby directed to give notice inviting such sealed bids in the time, form, and manner provided by law.

SECTION 2. After sealed bids are opened they shall be tabulated and analyzed by the Purchasing Division and a report submitted to the Council.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 6<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-336**

**A RESOLUTION AUTHORIZING THE PURCHASING MANAGER TO ISSUE FORMAL REQUEST FOR BIDS (RFB) FOR THE PURCHASE OF CONCRETE BOXES AND COVERS, CAST IRON COVERS AND FRAMES FOR AN INITIAL THREE (3) YEAR PERIOD, WITH TWO (2) ADDITIONAL ONE-YEAR CONTRACT EXTENSION OPTIONS, AT THE SOLE DISCRETION OF THE CITY, FOR AN ESTIMATED ANNUAL COST OF \$138,000**

WHEREAS, the Finance Department-Central Stores Division has requested the purchase of concrete boxes and covers, cast iron covers and frames, and

WHEREAS, the Central Stores Division of the Finance Department inventories various materials for use by the Public Works Department and Parks and Recreation Department for City projects for City projects, and

WHEREAS, materials include concrete boxes and covers, and cast iron covers and frames (See Exhibit C), and

WHEREAS, concrete boxes and covers, and cast iron covers and frames are used to house water valves and meters, and

WHEREAS, the need and specifications for this material has been developed over time through collaboration between Central Stores staff and division personnel requesting the materials, and

WHEREAS, competitively bidding and inventorying these materials benefits the City in many ways, and

WHEREAS, some of the benefits include:

- Consolidation of Citywide requirements to obtain firm pricing for a specified period of time, thereby avoiding price increases in a potentially volatile market

- Materials are readily available in one location and crews are on the job more quickly and for longer periods
- Reduction of staff time used in processing one-time bids throughout the year, and

WHEREAS, Modesto Municipal Code Section 8-3.203 requires all purchases which meet or exceed \$50,000 for material, equipment, or contractual services to be formally bid, and

WHEREAS, this Request for Bid (RFB) for the purchase of concrete boxes and covers and cast iron covers and frames conforms to Modesto Municipal Code Section 8-3.203, and

WHEREAS, City staff can purchase these materials by using established blanket purchase orders with several local vendors, and

WHEREAS, studies have shown, however, that this purchasing method will result in 50-75% higher costs than they same materials obtained from the same vendors through the competitive bid process, and

WHEREAS, the funds for inventory purchases have been appropriated in account number 7110-120-8311-0439 (Inventory Purchase Stores), and

WHEREAS, material is purchased using these funds and recouped through sales to City Divisions, and

WHEREAS, the Purchasing Division has coordinated the drafting of bid specifications with Central Stores staff based upon City divisional usage data compiled over the past several years,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. The City Clerk is hereby authorized to call for public competitive bids for the purchase of concrete boxes and covers, cast iron covers and frames for an initial three (3) year period, with two (2), additional one-year contract extension options, at the sole discretion of the City, for an estimated annual cost of \$138,000, to be opened in the office of the City Clerk, 1010 10<sup>th</sup> Street, in the City of Modesto. The City Clerk is hereby directed to give notice inviting such sealed bids in the time, form, and manner provided by law.

SECTION 2. After sealed bids are opened they shall be tabulated and analyzed by the Purchasing Division and a report submitted to the Council.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 6<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION REVISING THE POSITION CLASSIFICATION PLAN FOR  
THE CITY OF MODESTO**

WHEREAS, a Position Classification Plan for the City of Modesto was adopted by Modesto City Council Resolution 88-338 pursuant to Rule 2 of the Personnel Rules and Regulations of the City of Modesto, and

WHEREAS, the City Manager has recommended to the Council amendments to the Position Classification Plan, and

WHEREAS, Rule 2.2 of the City of Modesto Personnel Rules provides that revisions to the Classification Plan shall be effective upon adoption of resolution of the City Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION I. CLASSIFICATION CREATED. The Position Classification Plan of the City of Modesto is hereby amended to create the following classification:

Recreation Program Manager

The job specification for this classification is being created as part of a reorganization in the PR&N Department and will provide general oversight and supervision of the Recreation Unit. The job specification for the classification of Recreation Program Manager, as shown on the attached **Exhibit "A,"** which is hereby made a part of this resolution by reference, is hereby approved and made part of the Position Classification Plan of the City of Modesto.

SECTION 2. CLASSIFICATION DELETED. The Position Classification Plan of the City of Modesto is hereby amended to delete the classification of Recreation Superintendent, as it is no longer being used.

SECTION 2. EFFECTIVE DATE. This resolution shall become effective on and after June 6, 2006.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 6th day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

NOES: Councilmembers: None

ABSENT: Councilmembers: None

## RECREATION PROGRAM MANAGER

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

### DEFINITION

Under general direction, the Recreation Program Manager is responsible to manage, direct and coordinate the activities of the Recreation Work Unit including youth and adult recreation programs, sports, special events, social services, and community services, to oversee the maintenance and operations of recreation facilities; to coordinate recreational activities with other divisions and departments; and to provide highly complex staff assistance to the Parks, Recreation and Neighborhoods Director.

### SUPERVISION EXERCISED AND RECEIVED

Receives general direction from the Deputy Director of Recreation and Neighborhoods Division.

Exercises direct supervision over professional, technical and clerical staff.

ESSENTIAL AND MARGINAL FUNCTION STATEMENTS – Essential and other important responsibilities and duties may include, but are not limited to, the following:

#### Essential Functions:

Direct, oversee and participate in the development of the unit's work plan; assign work activities, projects and programs; monitor workflow; implement policies and procedures; recommend goals and objectives.

Administer recreation programs and activities including youth and adult recreation programs, sports activities and leagues, aquatics programs, adult and youth classes, special events and recreation facilities maintenance and operations.

Participate in the selection of staff; provide and coordinate staff training, work with employees to correct deficiencies; implement disciplinary procedures as necessary; implement timely performance evaluations of staff and recreation programs.

Essential Functions: (Continued)

Lead a team of co-workers and subordinates in a team-orientated environment.

Develop, prepare and submit all required or requested reports and or studies including any quarterly reports and annual reports.

Prepare the Recreation Division budget; assist in budget implementation; participate in the forecast of additional funds needed for staffing, equipment, materials, and supplies; administer the approved budget.

Coordinate division activities with those of other departments and outside agencies and organizations; promote public relations; prepare and present staff reports and other necessary correspondence.

Prepare and present information to the public; work with diverse, grass roots neighborhood groups, leaders and residents; investigate complaints and recommend corrective action as necessary to resolve complaints.

Prepare and make presentations to the City Council, various committees, advisory groups and neighborhood groups. Prepare policy statements and alternatives for City Council consideration in a number of areas, including but not limited to: recreation activities, recreation facilities and recreation staffing.

Applicable federal, state and local laws, codes and regulations.

Serve as a liaison to the assigned citizens committees.

Marginal Functions:

Performs related duties as assigned.

QUALIFICATIONS:

Knowledge of:

Principles and practices of organization, administration, supervision, training and personnel management.

Principles and practices of general Parks and Recreation programs.

Understanding issues that affect the different clients involved in recreation activities and the challenges for different groups of participants.

Knowledge of: (Continued)

Record keeping and reporting procedures, including computerized systems.

Methods and techniques of statistical analysis, effective technical report preparation and presentation (both oral and graphic).

Principles of budgeting and expenditure control, including any federal and/or grant reporting requirements, as necessary.

Ability to:

Effectively manage assigned areas of the departmental program.

Interpret and apply pertinent laws, rules and regulations.

Ensure program compliance with Federal, State and local rules, laws and regulations.

Prepare and administer a budget.

Supervise contracts with outside agencies for compliance.

Supervise one-stop facility with consisting of multiple agencies.

Supervise, train, coach and evaluate assigned staff.

Prepare and analyze technical and comprehensive administrative reports, statements and correspondence.

Communicate clearly and concisely, both orally and in writing.

Establish and maintain cooperative-working relationships with those contacted in the course of work.

Work effectively with diverse, grass roots neighborhood groups, leaders and residents.

Experience and Training Guidelines:

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Experience:

Five years of responsible, administrative level experience involving recreation or social service program development and implementation including one year of administrative and supervisor responsibility.

Training:

Equivalent to a Bachelor's degree from an accredited college with major coursework in recreation and park administration, public administration or a related field.

License or Certificate:

Possession of, or the ability to obtain, an appropriate, valid California driver's license.

WORKING CONDITIONS

Environmental Conditions:

Office and field environment; travel from site to site.

Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for walking, standing or sitting for prolonged periods of time using a personal computer and attending meetings.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-338**

**A RESOLUTION AMENDING EXHIBIT "A" OF RESOLUTION NO. 2006-321  
TO AMEND THE CLASS RANGE TABLE FOR REPRESENTED  
MANAGEMENT AND CONFIDENTIAL NON-SWORN CLASSES TO ADD  
RECREATION PROGRAM MANAGER AT SALARY RANGE 441 AND TO  
DELETE RECREATION SUPERINTENDENT FROM THE CLASS RANGE  
TABLE**

WHEREAS, the City Council desires to amend Exhibit "A" of Resolution No. 2006-321, which approved the Class Range Table for Represented Management and Confidential Non-Sworn Classes,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION I. AMENDMENT TO RESOLUTION NO. 2006-321 Exhibit "A" entitled, "City of Modesto Class Range Table Represented Management and Confidential Non-Sworn Classes Effective May 23, 2006", attached to Resolution No. 2006-321, is hereby amended as shown on the amended Exhibit "A" entitled "City of Modesto Class Range Table Represented Management and Confidential Non-Sworn Classes Effective June 6, 2006", which is attached hereto and made a part hereof as though set forth in full herein. Said amended Exhibit "A" adds the classification of Recreation Program Manager at Salary Range 441 (\$5,760 - \$7,018 per month) and deletes the classification of Recreation Superintendent from the Class Range Table.

SECTION 2. EFFECTIVE DATE. This resolution shall become effective on and after June 6, 2006.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 6<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-339**

**A RESOLUTION APPROVING AN AGREEMENT FOR THE PURCHASE OF  
RETIRED CITY OF MODESTO POLICE CANINE BY THE ASSIGNED  
MODESTO POLICE DEPARTMENT CANINE HANDLER, OFFICER  
PARSONS, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE,  
TO EXECUTE AN AGREEMENT WITH THE OFFICER FOR PURCHASE OF  
HIS POLICE CANINE**

WHEREAS, the Police Chief for the City of Modesto, from time to time,  
officially retires police canines from departmental service, and

WHEREAS, City of Modesto police canine handler, Officer Parsons, wishes to  
purchase and assume possession of his assigned canine, Tony, upon the dog's official  
retirement, and

WHEREAS, it is necessary to adopt a resolution authorizing the purchase of City  
of Modesto police canines by their assigned department handler,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto  
that it hereby approves the agreement with Officer Parsons for the purchase of his retired  
police canine, Tony, in the amount of One Dollar (\$1.00) as more fully set forth in the  
Modesto Police Department Canine Transfer Contract attached hereto as Exhibit "A" and  
incorporated herein by this reference.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby  
authorized to execute said contract.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 6<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

Modesto Police Department Canine  
Transfer Contract – Officer Parsons

## MODESTO POLICE DEPARTMENT CANINE TRANSFER CONTRACT

This AGREEMENT, made and entered into in the City of Modesto, State of California, this 17 day of April, 2006, by and between the City of Modesto, a municipal corporation of the State of California, hereinafter referred to as "CITY", and Todd Parsons, canine handler for the Modesto Police Department, hereinafter referred to as "HANDLER".

This AGREEMENT is made with regard to the following recitals:

A. *HANDLER* wishes to assume ownership and take possession of that certain retired City of Modesto police canine named "Tony". *HANDLER* was previously the assigned canine handler for "Tony". Tony has worked eight (8) years on patrol and is being retired due to his age and health. Tony is currently ten (10) years of age.

B. *HANDLER* wishes to maintain ownership of the above-referenced dog, and the CITY wishes to divest itself of both ownership and vicarious or direct liability for the subject dog.

C. CITY does hereby agree to relinquish all of its right, title and ownership interest in said dog whatsoever, effective upon *HANDLER*'s execution and return of this document and payment of the sum of one and no/100ths dollars (\$1.00) to the City of Modesto.

NOW, THEREFORE, in consideration of this AGREEMENT, the parties hereto agree as follows:

1. *HANDLER* does agree to assume ownership of the Modesto police canine named "Tony", and to assume any and all risks, including, but not limited to, risk of injury or death to third persons, and to hold CITY, its police department, and its employees and/or agents or volunteers harmless from any and all liability, claims, administrative proceedings or other responsibility whatsoever arising from any injuries or damages that may occur on or after the date

ownership of the dog is transferred pursuant to this AGREEMENT. That date is hereby fixed by agreement by and among the parties hereto as being **April 18, 2006**.

2. *HANDLER* further agrees to assume all liability for risks and dangers relating to his/her ownership of the subject police dog on and after the aforementioned date, and to indemnify and hold CITY harmless in the event that any legal or administrative action, whether by claim, demand or otherwise, is made by any person or entity as a consequence of or arising out of any event, act or disturbance involving the subject police dog on or after the date ownership is transferred. These hold harmless provisions shall extend to any direct or vicarious liability arising from any and all losses, liabilities, charges (including reasonable attorney fees and court costs), and any other expenses whatsoever which may arise in any manner after the new owners assumption of ownership on the date identified herein.

3. *HANDLER* must retain ownership of "Tony" for at least eighteen (18) months prior to any sale of the aforementioned retired police canine.

4. The retired police canine "Tony" shall revert to CITY should the purchaser, *HANDLER* determine he/she can no longer care for the aforementioned dog within the period of time commencing on the date of this AGREEMENT and ending eighteen (18) months from the date fixed by this AGREEMENT.

5. *HANDLER* acknowledges that he/she has read the foregoing AGREEMENT and understands that it is contractual in nature and understands each of its provisions.

IN WITNESS WHEREOF, the CITY OF MODESTO, a municipal corporation, has caused this Agreement to be executed in duplicate by its City Manager and attested by its City Clerk under authority of Resolution No. 99-370 adopted by the City Council of the City of Modesto on the 20th day of July, 1999.

**MODESTO CITY COUNCIL  
RESOLUTION NUMBER 2006-340**

**A RESOLUTION ACCEPTING THE 2006 EDWARD BYRNE JUSTICE ASSISTANCE GRANT PROGRAM IN THE AMOUNT OF \$79,092 FROM THE U.S. DEPARTMENT OF JUSTICE AND AUTHORIZING THE CITY MANAGER, OR HIS AUTHORIZED DESIGNEE, TO EXECUTE THE NECESSARY GRANT DOCUMENTS**

WHEREAS, by Resolution No. 2006-094, the City Council authorized submittal of an application to the U.S. Department of Justice on February 14, 2006, for the 2006 Byrne Justice Assistant Grant in the amount of \$79,092, and

WHEREAS, on April 26, 2006, the U.S. Department of Justice (DOJ) notified the Modesto Police Department that they were awarded the 2006 Byrne Justice Assistance Grant in the amount of \$79,092, and

WHEREAS, acceptance of said \$79,092 grant will assist in the continued funding for the Stanislaus Regional 911 Computer Aided Dispatch System (CAD), Integrated Public Safety System, and Records Management System (RMS), and

WHEREAS, there is no local match required for this program,

NOW, THEREFORE, BE IT RESOLVED that the Council hereby accepts the 2006 Edward Byrne Justice Assistance Grant from the U.S. Department of Justice in the amount of \$79,092.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the necessary grant documents, including any extensions or amendments thereof and any subsequent contract with the Federal Government in relation thereto.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 6<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-342**

**A RESOLUTION APPROVING AND AUTHORIZING SUBMISSION OF THE  
CITY'S TRANSPORTATION DEVELOPMENT ACT TRANSIT CLAIM FOR FISCAL  
YEAR 2006/07 IN THE AMOUNT OF \$7,077,421 TO THE STANISLAUS  
COUNCIL OF GOVERNMENTS (STANCOG) AND AUTHORIZING THE CITY  
MANAGER TO EXECUTE THE TRANSIT CLAIM**

WHEREAS, the greatest portion of the City's funding for the Transit Service Program is made available under the Transportation Development Act (TDA), which includes Local Transportation Fund (LTF) funds and State Transit Assistance Fund (STA) funds, and

WHEREAS, StanCOG has informed the Finance Department that LTF and STA funding has been apportioned by the State to StanCOG for allocation to public transit agencies pursuant to Sections 99233.3 and 99234 of the California Public Utilities Code (PUC), and

WHEREAS, the City has developed an application for Fiscal Year 2006/07 TDA reimbursement pursuant to Section 99233.3 of the California PUC, and

WHEREAS, the City's Transit TDA Claim for Fiscal Year 2006/07 is \$7,077,421, composed of \$5,375,503 in LTF funds and \$1,701,918 in STA funds, and

WHEREAS, the total Transit Operating Budget for Fiscal Year 2006/07 is \$12,123,014, and

WHEREAS, the added Transit Capital Budget for Fiscal Year 2006/07 is \$1,882,082, and

WHEREAS, Council action authorizing submission of the Claim is required by StanCOG pursuant to Section 99261 of the California PUC before any TDA funding can be released to the City,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the TDA transit claim for Fiscal Year 2006/07 in the amount of \$7,077,421.

BE IT FURTHER RESOLVED that the City Manager, or his authorized designee, is hereby authorized to execute and submit the TDA transit claim to StanCOG for Fiscal Year 2006/07.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-343**

**A RESOLUTION APPROVING AN AMENDMENT TO AGREEMENT WITH WEST YOST ASSOCIATES, INC. (WEST YOST) FOR ADDITIONAL WORK IN THE AMOUNT OF \$6,000, TO COMPLETE THE WATER CAPACITY STUDY FOR PELANDALE/MCHENRY DEVELOPMENT PROJECT AND AUTHORIZING THE CITY MANAGER TO EXECUTE SAID AMENDMENT TO AGREEMENT**

WHEREAS, West Yost & Associates (West Yost) was hired to conduct the Water Capacity Study for the Pelandale/McHenry development, and the McHenry/Claratina development, and

WHEREAS, on March 8, 2005, the City Manager approved an agreement with West Yost to prepare both Water Capacity Studies for the Pelandale/McHenry and the McHenry/Claratina Development Projects in the amount of \$26,500, and

WHEREAS, the costs associated for West Yost to prepare the Water Capacity Study specifically for the Pelandale/McHenry Development Project portion is in the amount of \$21,400, of which \$19,117.85 has been expended at this time, and

WHEREAS, in the course of preparing the Water Capacity Study for the Pelandale/McHenry Development Project portion, refinements to that site plan and actual land-use density were provided to City staff and, as a result, City staff concluded additional work under the tasks is required to incorporate these refinements into the draft study, and

WHEREAS, the additional work under the tasks is beyond the scope of the original agreement and is considered critical to the successful completion of the Water Capacity Study, and

WHEREAS, the additional work to be performed by West Yost is as follows: 1) Incorporate refinements to the Pelandale/McHenry Specific Pan into the City's hydraulic water system model; 2) Conduct a revised hydraulic analysis and incorporate any additional City comments into the July 2005 Draft Technical Memorandum (TM); 3) Prepare a revised Draft TM which addresses City comments, incorporate any new, additional findings due to the refinements to the proposed Pelandale/McHenry Specific Plan, and provide this revised draft to City for final review and comment; 4) As needed teleconference meeting with City Staff to receive any additional City comments, and then prepare a Final TM; 5) Provide City with fifteen (15) hard copies of the revised Draft TM; 6) Provide City with fifteen (15) hard copies of the Final TM, and

WHEREAS, City agrees to pay West Yost the sum of \$6,000.00 for the additional work to complete the Water Capacity Study for the Pelandale/McHenry Development Project,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Amendment to Agreement between the City of Modesto and West Yost for additional work in the amount of \$6,000 to complete the Water Capacity Study for the Pelandale/McHenry Development Project.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Amendment to Agreement.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-345**

**A RESOLUTION APPROVING A ONE (1)-YEAR AGREEMENT FOR CONSULTANT TESTING SERVICES WITH CONSOLIDATED ENGINEERING LABORATORIES TO PERFORM CONSTRUCTION MATERIALS TESTING SERVICES FOR VARIOUS PUBLIC WORKS PROJECTS CONSTRUCTED DURING THE 2006/2007 FISCAL YEAR, WITH TWO (2), ONE (1)-YEAR EXTENSION OPTIONS, AT THE SOLE DISCRETION OF CITY, IN AN AMOUNT NOT-TO-EXCEED \$52,795.00 IN THE FIRST YEAR, \$57,167.25 IN THE SECOND YEAR AND \$60,025.10 IN THE THIRD YEAR; AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE SAID AGREEMENT AND UP TO TWO (2) ONE (1)-YEAR EXTENSION OPTIONS. TOTAL COST FOR THREE YEARS IS NOT TO EXCEED \$169,987.35**

WHEREAS, the Construction Administration Office in the Capital Improvement Services Division of the Public Works Department finds it necessary to utilize the services of a material testing firm during the course of administering the construction on public improvement projects, and

WHEREAS, the consultant services are required to help achieve compliance with the specification requirements of the various projects, and

WHEREAS, staff does not have the required equipment or certifications to perform all the required testing services, and

WHEREAS, bids were opened on April 25, 2006, for the Construction Materials Testing Services, and

WHEREAS, the firm of Consolidated Engineering Laboratories was the low responsive bidder,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a one (1)-year Agreement For Consultant Testing Services between City of Modesto and Consolidated Engineering Laboratories to perform

Construction Materials Testing Services for various Public Works projects constructed during the 2006/2007 fiscal year, with two (2), one (1)-year extension options, at the sole discretion of City, in an amount not-to-exceed \$52,795.00 in the first year, \$57,167.25 in the second year and \$60,025.10 in the third year. Total cost for three years is not to exceed \$169,987.35.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Agreement and up to two (2) one (1)-year extension options.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 6th day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-346**

**A RESOLUTION AUTHORIZING ADDITIONAL WORK FOR THE  
INSTALLATION OF THE DUPLEX MOVED FROM 2512 & 2524 SYLVAN  
AVENUE TO THE MODESTO POLICE DEPARTMENT TACTICAL TRAINING  
CENTER FOR A TOTAL COST NOT TO EXCEED \$90,864**

WHEREAS, on April 26, 2005, the City Council approved Resolution No. 2005-221 to acquire property and two structures for the 2500 Sylvan Avenue Widening project, and

WHEREAS, on August 9, 2005, the City Council, by Resolution No. 2005-413, approved soliciting bids from house moving companies to relocate the two structures, and

WHEREAS, the Modesto Police Department needed a permanent structure at the Tactical Training Center, and

WHEREAS, Valley Wide Movers, Inc., submitted the only bid, and

WHEREAS, Valley Wide Movers, Inc., relocated the Duplex to the Modesto Police Department Tactical Training Center for the amount of \$39,000, and

WHEREAS, on December 9, 2005, the Modesto Police Department advertised a separate informal bid to install the foundation, and

WHEREAS, Azevedo Concrete submitted the only bid, and

WHEREAS, Azevedo Concrete set the concrete foundation for the Duplex for a total amount of \$19,864, and

WHEREAS, the combined cost of moving the duplex and setting the foundation has exceeded \$50,000, and

WHEREAS, additional utility connections and miscellaneous improvements remain prior to occupancy for a cost not to exceed \$32,000, and

WHEREAS, the total work to relocate the duplex will exceed \$50,000 and require agreement by the full Council, and

WHEREAS, findings were made to satisfy the California Environmental Quality Act (CEQA), and

WHEREAS, the installation of a small structure to an existing facility is categorically exempt under CEQA,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the additional work for the installation of the Duplex, moved from 2512 and 2524 Sylvan Avenue to the Modesto Police Department Tactical Training Center, for a total cost not to exceed \$90,864.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 6<sup>th</sup> day of June 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-347**

**A RESOLUTION AMENDING THE FY05-06 OPERATING AND CAPITAL  
IMPROVEMENT PROGRAM BUDGET TO DECREASE 0100-190-1901-0239  
POLICE ADMINISTRATION BY \$32,000 ALLOCATION TO INCREASE THE  
POLICE TACTICAL TRAINING CENTER CIP FUND 1300-190-M168 BY  
\$32,000**

WHEREAS, on April 26, 2005, the City Council approved Resolution No. 2005-221 to acquire property and two structures for the 2500 Sylvan Avenue Widening project, and

WHEREAS, on August 9, 2005, the City Council, by Resolution No. 2005-413, approved soliciting bids from house moving companies to relocate the two structures, and

WHEREAS, the Modesto Police Department needed a permanent structure at the Tactical Training Center, and

WHEREAS, Valley Wide Movers, Inc., submitted the only bid, and

WHEREAS, Valley Wide Movers, Inc., relocated the Duplex to the Modesto Police Department Tactical Training Center for the amount of \$39,000, and

WHEREAS, on December 9, 2005, the Modesto Police Department advertised a separate informal bid to install the foundation, and

WHEREAS, Azevedo Concrete submitted the only bid, and

WHEREAS, Azevedo Concrete set the concrete foundation for the Duplex for a total amount of \$19,864, and

WHEREAS, the combined cost of moving the duplex and setting the foundation has exceeded \$50,000, and

WHEREAS, additional utility connections and miscellaneous improvements remain prior to occupancy for a cost not to exceed \$32,000, and

WHEREAS, the total work to relocate the duplex will exceed \$50,000 and require agreement by the full Council, and

WHEREAS, the Public Works Director has determined that \$32,000 in additional funds is required to fully fund the additional utility connections and miscellaneous improvements, and

WHEREAS, the Police Department has indicated that there are sufficient funds in the Police Administration Account 0100-190-1921-0239 for the appropriation of this project within the FY 2005-2006 Capital Improvement Program Budget to fully fund MY-1300-190-M168,

WHEREAS, the appropriation transfer requests are as follows:

- Decrease \$32,000 from the Police Administration Account (0100-190-1901-0239)
- Increase \$32,000 to the Police Tactical Training Center account: (MY-1300-190-M168-6040),

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a reduction of \$32,000 from the Police Administration Account (0100-190-1901-0239), and an increase of \$32,000 to the Police Tactical Training Center account: (MY-1300-190-M168-6040) to fully fund the Modesto Police Department Training Center Duplex Installation.

BE IT FURTHER RESOLVED that the Finance Director, or his designee, is hereby authorized to take the steps necessary to amend the Capital Improvement Program Budget.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 6<sup>th</sup> day of June 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-348**

**A RESOLUTION APPROVING AN AGREEMENT WITH CAD MASTERS, INC., FOR ON-CALL AUTOCAD DESIGN, DRAFTING AND RELATED ENGINEERING SUPPORT SERVICES FOR VARIOUS PUBLIC WORKS – CAPITAL IMPROVEMENT SERVICES PROJECTS FOR ONE (1) YEAR WITH THREE (3) ONE (1) YEAR EXTENSION OPTIONS AT THE SOLE DISCRETION OF CITY IN AN AMOUNT NOT TO EXCEED \$40,000 PER YEAR, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT AND UP TO THREE (3) ONE (1) YEAR EXTENSION OPTIONS. TOTAL COST FOR FOUR (4) YEARS IS NOT TO EXCEED \$160,000**

WHEREAS, the Public Works Department – Capital Improvement Services Division performs a number of tasks requiring AutoCAD design, drafting and related engineering support services that, because of workload levels and/or staff experience, are beyond the ability of City’s engineering staff to accomplish in a timely manner, and

WHEREAS, the Public Works Department – Capital Improvement Services Division has utilized the services of specialized consulting design and drafting firms to perform targeted AutoCAD design, drafting and related engineering support services, and

WHEREAS, retaining an on-call AutoCAD design and drafting consultant allows the Capital Improvement Services Division to have quick access to specific AutoCAD design, drafting and related engineering support services when needed, and

WHEREAS, the Public Works Department – Capital Improvement Services Division has a large undertaking of numerous Capital Improvement Projects presently scheduled for review and processing by City staff, and

WHEREAS, an on-call AutoCAD design and drafting consultant can provide services for projects using an expert AutoCAD trainer/operator in design and drafting and offer a quick turnaround, which is essential to efficient response, and

WHEREAS, the goal is to standardize the outcome of the review process and reduce response time which will reflect on overall project budget and cost savings to the Capital Improvement Program, and

WHEREAS, CAD Masters has provided prior services in conjunction with the City's design engineering planning efforts, and has demonstrated satisfactory services to the City on past projects, and

WHEREAS, CAD Masters is familiar with the City's existing production drawings that will conform to the City's CAD standards, is fully equipped to complete all or a portion of the design and drafting for the City's engineering projects and can provide on-site project management and assistance by Principal Engineer (PE) Level technicians, and

WHEREAS, CAD Masters has provided design and drafting support to the City on key projects including the Briggsmore Avenue Roselle to Claus widening, the Pelandale Avenue Expressway-Dale to Prescott, and the Pelandale Avenue Expressway-Prescott to McHenry projects. In addition, CAD Masters has previously provided AutoCAD training and classes for City staff, and

WHEREAS, CAD Masters technicians have an intimate knowledge of advanced AutoCAD software and conversion procedures and can provide rendered images on various products and data file formats, dimensions and media as specified, and

WHEREAS, CAD Masters is deemed the most qualified to provide the requested on-call AutoCAD design and drafting services in a timely and cost effective manner, and

WHEREAS, City staff recommends consultant, CAD Masters be awarded a one-year contract for On-call AutoCAD Design, Drafting and Related Engineering Support Services, with three (3) one (1) year extension options at the sole discretion of City, and

WHEREAS, the consultant is paid on an hourly basis for actual hours required to perform specific task orders at a set rate, and

WHEREAS, the consultant will submit a written scope of services outlining the specific work, schedule and cost estimate associated with each task order, and

WHEREAS, CAD Masters will perform no service until Capital Improvement Services management has approved the proposed specific task order and a written Notice to Proceed (NTP) is prepared and sent to CAD Masters prior to commencement of services,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Agreement with CAD Masters, Inc., for On-call AutoCAD Design, Drafting and Related Engineering Support Services for various Public Works – Capital Improvement Services projects for one (1) year with three (3) one (1) year extension options at the sole discretion of City in an amount not to exceed \$40,000 per year, and authorizing the City Manager, or his designee, to execute the Agreement and up to three (3) one (1) year extension options. Total cost for four (4) years is not to exceed \$160,000.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Agreement with CAD Masters, Inc., and up to three (3) one (1) year extension options.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 6<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-349**

**A RESOLUTION OF INTENTION TO LEVY AND COLLECT ASSESSMENTS  
FOR LANDSCAPE MAINTENANCE ASSESSMENT DISTRICT NO. 1 FOR DRY  
CREEK MEADOWS SUBDIVISIONS NOS. 1 – 6**

WHEREAS, Resolution No. 88-935, adopted by the Council of the City of Modesto on December 13, 1988, initiated proceedings for the formation of Landscape Assessment District No. 1 for the purpose of administering the maintenance of landscaping in the public right-of-way within the street medians and adjacent to the access control walls in Dry Creek Meadows Subdivisions Nos. 1-6, and

WHEREAS, said assessment district was formed in accordance with the “Landscape and Lighting Act of 1972”, (Street and Highways Code Sections 22500 through 22679), and

WHEREAS, Section 22623 of the Streets and Highways Code requires the City Engineer, the person designated by this Council as Engineer of Work for Assessment District No. 1, to prepare and file an annual report, and

WHEREAS, the City Engineer, said Engineer of Work, has prepared and filed said annual report with the City Clerk, and

WHEREAS, the Council has approved said annual report by motion, and

WHEREAS, Section 22623 of the Street and Highways Code requires the legislative body (the City Council) to adopt a resolution of intention which shall include the following:

- a. Declaration of intention of the legislative body (the City Council) to levy and collect assessments within the assessment district for the fiscal year stated in the annual report.
- b. General description of the existing improvements and proposed improvements and any substantial changes proposed to be made in the existing improvements.
- c. Reference to the assessment district by its distinctive designation and indication of the general location of the district.
- d. Reference to said annual report, on file with the City Clerk, for a full and detailed description of the improvements, the boundaries of the assessment district and any zones therein, and the proposed assessments upon assessable lots and parcels of land within the district.
- e. Notice of the time, as fixed by the Streets and Highways Code Section 22625, and the place for hearing by the legislative body (the City Council) on the levy of the proposed assessment.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that:

1. The City Council intends to levy and collect assessments within Landscape Maintenance Assessment District No. 1 during the fiscal year 2006-07.
2. There are no proposed new improvements or any substantial changes in existing improvements in Dry Creek Meadows Subdivisions Nos. 1-6 and that

the existing improvements to be made in said assessment district are generally described as follows:

The City shall provide maintenance, in perpetuity, of landscaping and any and all improvements required for such maintenance including, but not limited to landscape irrigation systems in the following locations:

- a. Street medians in Creekwood Drive
- b. Areas adjacent to the access control walls along Creekwood Drive
- c. Areas adjacent to the access control walls along Claus Road

3. Landscape Maintenance Assessment District No. 1 is located in the County of Stanislaus, within the City Limits of the City of Modesto and is more specifically located on the west side of Claus Road, between Modesto Irrigation District Lateral No. 2 and State Route 132 (Yosemite Boulevard).

4. Said annual report filed with the City Clerk and approved by the Council by motion does provide a full and detailed description of the improvements, the boundaries of the assessment district and any zones therein, and the proposed assessments upon assessable lots and parcels of land within Landscape Maintenance Assessment District No. 1.

5. On Wednesday, the 2nd day of August, 2006, at the hour of 5:30 p.m., the City Council will conduct a public hearing on the question of the levy of the proposed annual assessment. The hearing will be held at the meeting place of the City

Council located in the Tenth Street Place Chambers located at 1010 10<sup>th</sup> Street, Modesto, California.

6. The City Clerk is authorized and directed to give the notice of hearing required by the "Landscape and Lighting Act of 1972".

7. The levy and collection of assessments as set forth in this resolution are exempt from the procedural and substantive requirements of Proposition 218 pursuant to Article XIII, Section 5(a) of the California Constitution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 6<sup>th</sup> day of June, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-350**

**A RESOLUTION OF INTENTION TO LEVY AND COLLECT ASSESSMENTS  
FOR LANDSCAPE MAINTENANCE ASSESSMENT DISTRICT NO. 2 FOR DRY  
CREEK MEADOWS SUBDIVISIONS NOS. 7-10, CREEKWOOD MEADOWS  
SUBDIVISION AND YOSEMITE MEADOWS SUBDIVISION UNITS 1 & 2**

WHEREAS, Resolution No. 89-460 adopted by the Council of the City of Modesto on April 4, 1989, initiated proceedings for the formation of Landscape Assessment District No. 2 for the purpose of administering the maintenance of landscaping in the public right of way within the street medians and adjacent to the access control walls in Dry Creek Meadows Subdivisions Nos. 7-10, Creekwood Meadows Subdivision and Yosemite Meadows Subdivision Units Nos. 1 & 2, and

WHEREAS, said assessment district was formed in accordance with the “Landscaping and Lighting Act of 1972”, (Streets and Highways Code Sections 22500 through 22679), and

WHEREAS, Section 22623 of the Streets and Highways Code requires the City Engineer, the person designated by this Council as Engineer of Work for Assessment District No. 2, to prepare and file an annual report, and

WHEREAS, the City Engineer, said Engineer of Work, has prepared and filed said annual report with the City Clerk, and

WHEREAS, the Council has approved said annual report by motion, and

WHEREAS, Section 22623 of the Streets and Highways Code requires the legislative body (the City Council) to adopt a resolution of intention which shall include the following:

- a. Declaration of intention of the legislative body (the City Council) to levy and collect assessments within the assessment district for the fiscal year stated in said annual report.
- b. General description of the existing improvements and proposed improvements and any substantial changes proposed to be made in the existing improvements.
- c. Reference to the assessment district by its distinctive designation and indication of the general location of the district.
- d. Reference to said annual report, on file with the City Clerk, for a full and detailed description of the improvements, the boundaries of the assessment district and any zones therein, and the proposed assessments upon assessable lots and parcels of land within the district.
- e. Notice of the time, as fixed by Streets and Highways Code Section 22625, and the place for hearing by the legislative body (the City Council) on the levy of the proposed assessment.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that:

1. The City Council intends to levy and collect assessments within Landscape Maintenance Assessment District No. 2 during the fiscal year 2006-07.
2. There are no proposed new improvements or any substantial changes in the existing improvements within the existing Landscape Maintenance

Assessment District No. 2, and the existing improvements to be made in said assessment district are generally described as follows:

The City shall provide maintenance, in perpetuity, of landscaping and any and all improvements required for such maintenance including, but not limited to landscape irrigation systems in the following locations:

- a. Street medians in Creekwood Drive
- b. Areas adjacent to the access control walls along Creekwood Drive
- c. Areas adjacent to the access control walls along Claus Road

3. Landscape Maintenance Assessment District No. 2 is located in the County of Stanislaus, within the City limits of the City of Modesto and is more specifically located on the west side of Claus Road, between Modesto Irrigation District Lateral No. 2 and State Route 132 (Yosemite Boulevard).

4. Said annual report filed with the City Clerk and approved by the Council by motion does provide a full and detailed description of the improvements, the boundaries of the assessment district and any zones therein, and the proposed assessments upon assessable lots and parcels of land within Landscape Maintenance Assessment District No. 2.

5. On Wednesday, the 2nd day of August, 2006, at the hour of 5:30 p.m., the City Council will conduct a public hearing on the question of the levy of the proposed annual assessment. The hearing will be held at the meeting place of the City

Council located in the Tenth Street Place Chambers located at 1010 10<sup>th</sup> Street, Modesto, California.

6. The City Clerk is authorized and directed to give the notice of hearing required by the "Landscaping and Lighting Act of 1972".

7. The levy and collection of assessments as set forth in this resolution shall follow the procedural and substantive requirements of Proposition 218 pursuant to Article 13D, Section 5(a) of the California Constitution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 6<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-352**

**A RESOLUTION OF NECESSITY DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY REQUIRE THE ACQUISITION OF CERTAIN REAL PROPERTY AND IMPROVEMENTS TO REAL PROPERTY FROM JOAN L. WHITACRE, SURVIVING TRUSTEE OF THE WHITACRE FAMILY 1993 TRUST OF DECEMBER 16, 1993 AND DIRECTING THE FILING OF EMINENT DOMAIN PROCEEDINGS FOR THE FLOYD/ROSELLE INTERSECTION CONTROL PROJECT.**

**REAL PROPERTY AND IMPROVEMENTS TO REAL PROPERTY LOCATED AT 3019 FLOYD AVENUE (APN 085-050-007 (PORTION)) AND 2606 ROSELLE AVENUE (APN 085-050-008 (PORTION)) (OWNER ON THE COUNTY OF STANISLAUS ASSESSMENT ROLL: JOAN L. WHITACRE, SURVIVING TRUSTEE ON THE WHITACRE FAMILY 1993 TRUST).**

WHEREAS, in accordance with the Modesto Urban Area General Plan, it is desirable and necessary for the City of Modesto to acquire portions of real property and improvements to real property on APN 085-050-007 commonly identified as 3019 Floyd Avenue and APN 085-050-008 commonly identified as 2606 Roselle and more particularly described and depicted in Exhibits "A", "B", "C" and "D", attached hereto and made a part hereof by reference, in order to implement the Floyd/Roselle Intersection Control project (the "Project"), and

WHEREAS, the City of Modesto is vested with the power of eminent domain to acquire real property by virtue of Article I, Section 19, of the Constitution of the State of California, and the California Eminent Domain Law, California Code of Civil Procedure Section 1230.010, et seq., and pursuant to Section 37350.5 of the Government Code of California, and

WHEREAS, pursuant to the provisions of Section 1245.235 of the Code of Civil Procedure of the State of California, notice has been duly given to all persons whose

property is to be acquired by eminent domain, all of whom have been given a reasonable opportunity to appear and be heard before the Modesto City Council on the following matters:

- (a) Whether the public interest and necessity require the Project;
- (b) Whether the Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury;
- (c) Whether the property sought to be acquired is necessary for the Project; and
- (d) Whether the offers required by Government Code Section 7267.2 have been made to the owner(s) of record.

and,

WHEREAS, the hearing was held on June 13, 2006, at 5:30 p.m. in the Tenth Street Place Chambers located at 1010 10th Street, Modesto, California, at which time evidence both oral and documentary was received and considered,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that based upon the evidence presented, the Council by vote of two-thirds or more of its members hereby FINDS, DETERMINES, AND ORDERS as follows:

- 1. The public interest and necessity require the Project;
- 2. The Project is planned and located in the manner which will be most compatible with the greatest public good and the least private injury;
- 3. The taking of the fee simple title in and to the real property and improvements to real property more particularly described in said Exhibits "A", "B", "C" and "D" is necessary for the Project;
- 4. The offers required by Section 7267.2 of the Government Code of the State of California have been made to the owner/ owners representative of record of the real property;
- 5. All conditions and statutory requirements necessary to exercise the power of eminent domain to acquire the property described herein have been complied with by the City of Modesto;

6. The Office of the City Attorney of the City of Modesto or counsel retained by the Office of the City Attorney of the City of Modesto is hereby authorized and directed to institute and conduct to conclusion an action in eminent domain for the acquisition of the estates and interests aforesaid and to take such action as it may deem advisable or necessary in connection therewith
  
7. The Office of the City Attorney of the City of Modesto or counsel retained by the Office of the City Attorney of the City of Modesto is hereby authorized and empowered to deposit with the State Treasury Condemnation Fund the probable amount of compensation, based on appraisals, and to apply to the Court for an order of prejudgment possession of the subject property for said public uses and purposes.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 6th day of June 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-362

**A RESOLUTION ACCEPTING WITH REGRET THE RESIGNATION OF  
WILLIAM SCROGGINS FROM THE BOARD OF ZONING ADJUSTMENT**

WHEREAS, WILLIAM SCROGGINS was appointed a member of the Board of Zoning Adjustment on February 28, 2006, and

WHEREAS, WILLIAM SCROGGINS has tendered his resignation from the aforementioned committee, and

WHEREAS, WILLIAM SCROGGINS has been a devoted and sincere public servant and has contributed greatly to our civic progress,

NOW, THEREFORE, BE IT RESOLVED that the resignation of WILLIAM SCROGGINS from the Board of Zoning Adjustment hereby is accepted with regret.

BE IT FURTHER RESOLVED that the Council of the City of Modesto, on its own behalf, and on behalf of the citizens of this City, hereby expresses its sincere appreciation to WILLIAM SCROGGINS for his outstanding service to the community.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-363**

**A RESOLUTION AUTHORIZING CHANGES TO THE CONGESTION  
MITIGATION AIR QUALITY FUNDING FOR CITY OF MODESTO PROJECTS  
IN THE 2004 FEDERAL TRANSPORTATION IMPROVEMENT PROGRAM AS  
CONSTITUTED IN AMENDMENT #14**

WHEREAS, Stanislaus Council of Governments (StanCOG) is the designated metropolitan planning organization for the Stanislaus Region and is responsible for managing state and federal funds through a document called the Federal Transportation Improvement Program (FTIP), and

WHEREAS, this document contains the entire list of projects to which state and federal funds have been awarded by StanCOG, Caltrans, or other agencies, and

WHEREAS, the StanCOG Policy Board adopted the latest version of the FTIP on August 11, 2004, and

WHEREAS, in order to best utilize these funds this document must be amended from time to time to add new projects, modify project descriptions or funding amounts, change program-funding year, or delete projects, and

WHEREAS, StanCOG is currently preparing an amendment to the 2004 FTIP that will add, amend and delete various transportation projects for jurisdictions throughout Stanislaus County, and

WHEREAS, the recommended changes that are included in Amendment #14 for the City of Modesto are:

**1) Delete Project: Orangeburg Avenue onto McHenry Avenue – Construct Right Turn Lane**

Right of way costs were not originally included in the project. As a result, the additional cost for the right of way versus the benefit of the project cannot be justified. The

\$350,000 originally planned for this project will be transferred to the Dale Road and Kiernan Avenue – Intersection Improvements project.

**2) Add Project: Intersection of Dale Road and Kiernan Avenue – Intersections Improvements**

The \$350,000 that was allocated to the Orangeburg Avenue onto McHenry Avenue project will now be transferred to the Dale Road at Kiernan Avenue – Intersection Improvement

**3) Amend Project: Construct New Traffic Signals Downtown**

Reduce scope to one signal and reduce funding by \$152,040. These funds will be transferred into the Arterial Roundabouts @ 2 Locations project.

**4) Delete Project: Dale Road – Construct Right-Turn Lane Onto Pelandale**

The Dale Road/Pelandale Avenue improvement project is being funded by the Kaiser project and the City is requesting that the \$203,618 in CMAQ funds previously assigned to this project be allocated to the Arterial Roundabouts @ 2 Locations project.

**5) Amend Project: Arterial Roundabouts @ 2 Locations**

One of the roundabouts included in this project is the Sylvan and Roselle intersection roundabout. This amendment will increase the CMAQ funding for this project by \$355,658 (See Items 3 and 4 above).

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes changes to the Congestion Mitigation Air Quality funding for City of Modesto projects in the 2004 Federal Transportation Improvement Program as constituted in Amendment #14, a copy of which is on file in the office of the City Clerk.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-364**

**A RESOLUTION AMENDING THE  
FISCAL YEAR 2005-2006 ANNUAL BUDGET**

WHEREAS, a financial analysis has been completed and it has been determined that certain adjustments are required to the Annual Budget of the City of Modesto for the Fiscal Year 2005-2006,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that appropriations, revenues, and transfers for the 2005-2006 budget have been adjusted as shown in Schedule A.

BE IT FURTHER RESOLVED that the Finance Director is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following votes:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-365**

**A RESOLUTION AWARDING A PROFESSIONAL SERVICES CONTRACT TO  
COOPERATIVE PERSONNEL SERVICES (CPS) FOR CLASSIFICATION AND  
COMPENSATION SERVICES**

WHEREAS, the City Council approved a supplemental budget allocation of \$20,000 for job audit services during the FY 2005-06 supplemental budget process, and

WHEREAS, it is necessary to use outside classification and compensation services due to staffing constraints within the Personnel Department, and

WHEREAS, in the course of preparing the Request for Proposals (RFP), staff determined that it was appropriate to add various engineering classes to the RFP because of recruitment difficulties, and

WHEREAS, the addition of these classes increased the cost beyond that originally anticipated in the supplemental budget process, and

WHEREAS, Cooperative Personnel Services has the experience and professional expertise to complete this work and has provided the City with a cost proposal of \$40,135,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of contract for classification and compensation services to Cooperative Personnel Services in an amount not to exceed \$40,135.

BE IT FURTHER RESOLVED that the Council hereby authorizes the City Manager, or his designee, to execute said contract.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION AUTHORIZING A TRANSFER FROM THE GENERAL FUND  
RESERVES TO FULLY FUND CLASSIFICATION AND COMPENSATION  
SERVICES PROVIDED BY COOPERATIVE PERSONNEL SERVICES**

WHEREAS, the City Council approved a supplemental budget allocation of \$20,000 for job audit services during the FY 2005-06 supplemental budget process, and

WHEREAS, in the course of preparing the Request for Proposals (RFP), staff determined that it was appropriate to add various engineering classes to the RFP because of recruitment difficulties, and

WHEREAS, the addition of these classes increased the cost beyond that originally anticipated in the supplemental budget process, and

WHEREAS, Cooperative Personnel Services has the experience and professional expertise to complete this work and has provided the City with a cost proposal of \$40,135, and

WHEREAS, funding is unavailable to fund the increased contract costs with the Personnel Department's Operating Budget,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes a transfer of \$20,135 from the General Fund reserves to the Personnel Department's Operating Budget to fully fund the contract in the amount of \$40,135.

BE IT FURTHER RESOLVED that the Finance Department is hereby authorized to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13<sup>th</sup> day of June 2006 by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-367**

**A RESOLUTION APPROVING A FOURTH AMENDMENT TO AGREEMENT  
FOR WEB CONSULTING SERVICES WITH MICAHLYNN RIVERA, IN AN  
AMOUNT NOT TO EXCEED \$55,000; AND AUTHORIZING THE CITY  
MANAGER TO EXECUTE THE AMENDMENT TO AGREEMENT**

WHEREAS, the Community & Economic Development Department (CEDD) website is an important tool used to provide the public with information about the Department's services, and

WHEREAS, the Community & Economic Development Department has four (4) websites that were designed, developed, created and are maintained by the department's web consultant, Micahlynn Rivera, and

WHEREAS, the Community & Economic Development Department website, [www.modestogov.com/ced](http://www.modestogov.com/ced) represents the department within the City of Modesto website and serves as a portal to all department information including links to Planning Commission information, Board of Zoning information, CED division information, and detailed contact information for department staff, and

WHEREAS, on average the CEDD website has over 7,700 visitors per month, and

WHEREAS, The Development Center website, [www.modestogov.com/development](http://www.modestogov.com/development), provides extensive information on development related issues such as each step in the building permit and review process including basic descriptions, application examples, steps to start the process, and a list of information required to submit an application as well as links to all related forms and information, and

WHEREAS, The Development Center website includes additional online resources including a building permit fee calculator, monthly water/sewer cost calculator, and a growing collection of development related documents and guides to assist the community through the development process, and

WHEREAS, on average The Development Center website has over 2,700 visitors per month, and

WHEREAS, the Business Development website, [www.choosemodesto.com](http://www.choosemodesto.com), serves as a tool for site selectors and businesses looking to relocate to the City of Modesto, and contains an expansive collection of data related to the City as well as comparison statistics for four other cities, and

WHEREAS, on average [www.choosemodesto.com](http://www.choosemodesto.com) has over 6,100 visitors per month, and

WHEREAS, the Redevelopment Agency website, [www.modestorda.com](http://www.modestorda.com), serves as the official site of the Modesto Redevelopment Agency and is home to program information, related documents, meeting agendas, minutes, project information and a photo gallery featuring the progress of the Redevelopment Agency, and

WHEREAS, on average the Redevelopment Agency website has over 1,000 visitors per month, and

WHEREAS, the Web Consultant also provides assistance to the City Manager's Department and other City departments in the areas of graphic design and development of publications used to provide information to the public, and

WHEREAS, the Web Consultant has unique skills and abilities that are critical in maintaining current web services and meeting future goals and demands, and

WHEREAS, the City desires to extend Consultant's contract through June 30, 2007, for an additional amount not to exceed \$55,000 for services as set forth in Exhibit "A" attached hereto,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Fourth Amendment to Agreement for website consulting services with Micahlynn Rivera through June 30, 2007, in an amount not to exceed \$55,000.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Fourth Amendment to Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13<sup>th</sup> day of June, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-368**

**A RESOLUTION ESTABLISHING THE CALCULATION FOR THE  
APPROPRIATION LIMIT FOR THE FISCAL YEAR 2006-2007 ANNUAL  
BUDGET**

WHEREAS, Proposition 4 of the California State Constitution requires the City to establish an appropriation limit calculation each fiscal year, and

WHEREAS, Article XIII B of the California Constitution specifies that appropriations made by State and local governments may increase annually by a factor comprised of the change in population combined with either the change in California per capita personal income or the change in the local assessment roll due to local nonresidential construction, and

WHEREAS, the attached schedule shows the preferred price and population factors to be used and the appropriation limit with the recommended factors in calculating the limit are the price factor of "state growth in per capita income" and the population factor of "growth rate in Stanislaus County", and

WHEREAS, a copy of said report is on file in the City of Modesto Finance Department,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the appropriation limit calculation is hereby established as shown on Schedule A, attached hereto, and made a part hereof.

BE IT FURTHER RESOLVED that the Finance Director is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following votes:

RESOLUTION NO. 2006-369**

**A RESOLUTION APPROVING A STANDARD AGREEMENT FOR  
CONSULTANT SERVICES WITH ROBERT SARHAD INVESTIGATIONS, AND  
AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE  
THE AGREEMENT**

WHEREAS, the City desires to obtain the private investigation firm of Robert Sarhad Investigations with respect to administrative investigations, and

WHEREAS, the firm of Robert Sarhad Investigations is specially trained, experienced and competent to perform such services, and

WHEREAS, the public interest, economy and general welfare will be served by this agreement,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Standard Agreement For Consultant Services” with the firm of Robert Sarhad Investigations with respect to administrative investigations.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 13<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-370**

**A RESOLUTION APPROVING AN AGREEMENT WITH THE DEPARTMENT OF CALIFORNIA HIGHWAY PATROL (CHP) IN THE AMOUNT OF \$20,000 FOR MODESTO POLICE OFFICER AND/OR A SERGEANT OVERTIME TO REDUCE THE PEDESTRIAN-INVOLVED COLLISIONS IN THE MODESTO POLICE DEPARTMENT JURISDICTION FOR THE PEDESTRIAN SAFETY PROJECT GRANT, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, the Office of Traffic Safety awarded the California Highway Patrol (CHP) a Pedestrian Safety Project Grant to address pedestrian-involved collisions on two selected segments of roadway, and

WHEREAS, the Modesto CHP area was selected as the second of the two corridors, SR 132 from Carpenter Rd. to Claus Rd to the Hwy. 99 corridor, because of its high incidence of pedestrian-involved collisions on Highway 99, and

WHEREAS, the California Highway Patrol requires uniformed Modesto Police Officer and/or Sergeant overtime to perform law enforcement activities on the portion of SR 99 within the City of Modesto jurisdiction, and

WHEREAS, the Modesto Police Department would like to collaborate with the CHP to reduce pedestrian fatalities and injuries, and

WHEREAS, the term of this Agreement is May 1, 2006, to April 30, 2007, and

WHEREAS, the City shall be compensated \$20,000 for the services of a uniformed Modesto Police Officer and/or Sergeant for salary and overtime benefits, and

WHEREAS, the City will not be compensated for overhead or indirect costs,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an agreement with the Department of California Highway Patrol

in the amount of \$20,000 for the provision of Modesto Police Officer and/or Sergeant overtime to address the pedestrian fatal and injury collision problem in the Modesto Police Department jurisdiction for the Pedestrian Safety Project Grant.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

DEPARTMENT BUDGET, ALLOCATING MULTI-YEAR APPROPRIATIONS  
AND REVENUE OF \$20,000 TO FUND MODESTO POLICE OFFICER AND/OR  
SERGEANT OVERTIME FOR THE DEPARTMENT OF CALIFORNIA  
HIGHWAY PATROL PEDESTRIAN SAFETY PROJECT GRANT**

WHEREAS, the Department of California Highway Patrol (CHP) has been awarded an Office of Traffic Safety grant to reduce pedestrian-involved collisions, and

WHEREAS, the Modesto CHP area, SR 132 from Carpenter Rd. to Claus Rd. to the Hwy 99 corridor, was selected as the second of the two corridors for high incidences of pedestrian-involved collisions on Hwy. 99, and

WHEREAS, the CHP requires Modesto Police Officer and/or Sergeant overtime to perform law enforcement activities on the portion of SR 99 within the City of Modesto jurisdiction, and

WHEREAS, the term of this Agreement is May 1, 2006 to April 30, 2007, and

WHEREAS, the City shall be compensated \$20,000 for the services of a uniformed Modesto Police Officer and/or Sergeant for salary and overtime benefits, and

WHEREAS, the City will not be compensated for overhead or indirect costs,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the 2005/06 and 2006/07 Police Department budget, allocating multi-year appropriations and revenue of \$20,000 is hereby amended as follows:

Appropriate:

To:	0420-190-2066-0130	\$20,000	CHP Pedestrian
-----	--------------------	----------	----------------

Revenue:

To:	0420-190-2066-4025	\$20,000	PD Contract Services
-----	--------------------	----------	----------------------

BE IT FURTHER RESOLVED that the Finance Director, or his designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

**MODESTO CITY COUNCIL  
RESOLUTION NUMBER 2006-372**

**A RESOLUTION AMENDING THE 2006/07 PROPOSED FISCAL YEAR  
BUDGET TO APPROPRIATE \$14,950 IN 0100-190-1901-0110 AND \$9,700 IN  
0100-190-1941-0110 FROM THE GENERAL FUND RESERVES**

WHEREAS, the Modesto Police Department recommends reallocating the current Public Information Officer (PIO) who is a Police Officer to a Sergeant position to better serve the needs of the department, and

WHEREAS, the PIO currently oversees the work of several assistant PIO's who may hold the rank of Detective or Sergeant, and it will allow for better efficiency and communication between line and command staff and overall accountability throughout the department, and

WHEREAS, with a Sergeant in charge, other administrative functions can be considered for the PIO, including the supervision of part-time retired sworn personnel who handle department background investigations and/or other full-time staff, and

WHEREAS, reallocating the Alcohol Beverage Control (ABC) Officer to a Detective position will allow a long-term assignment relating to ABC issues and investigations, and

WHEREAS, the position has evolved and the current duties and responsibilities, which include planning and conducting sting and undercover operations, are more consistent with other Detective positions within the Investigations Division, and

WHEREAS, the position requires considerable specialized training and the three-year rotation guide that applies to Police Officer special assignments results in the incumbent rotating out too quickly, and

WHEREAS, the upgrade of the Police Officer to Detective assignment for this position will allow for the department to be more responsive to ABC issues,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the 2006/07 Fiscal Year Budget is hereby amended as indicated below:

To:	0100-190-1901-0110	\$14,950	Police/Admin. Salaries
To:	0100-190-1941-0110	\$ 9,700	Police/ISD Salaries
From:	0100-800-8000-8003	\$24,650	General Fund Reserve

BE IT FURTHER RESOLVED that the Finance Director, or his designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-373**

**A RESOLUTION ACCEPTING THE 2006 ALCOHOLIC BEVERAGE CONTROL (ABC) GRANT PROJECT IN THE AMOUNT OF \$125,000 FROM THE STATE DEPARTMENT OF ALCOHOLIC BEVERAGE CONTROL TO REDUCE CRIME AND EXCESSIVE CALLS FOR SERVICE IN AND AROUND STANISLAUS COUNTY'S DISORDERLY AND DISRUPTIVE ABC LICENSED ESTABLISHMENTS AND TO REDUCE SALES OF ALCOHOL TO MINORS AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE NECESSARY GRANT DOCUMENTS**

WHEREAS, the City of Modesto Police Department desires to undertake a certain project designated as the Modesto ABC Project to be funded in part from funds made available through the Grant Assistance to Local Law Enforcement Agencies Project administered by the Department of Alcoholic Beverage Control (hereafter referred to as ABC), and

WHEREAS, acceptance of said \$125,000 grant will allow agencies in Stanislaus County and other outlying areas to work in collaboration to proactively address alcohol related crimes in Stanislaus County,

NOW, THEREFORE, BE IT RESOLVED that the City Council hereby accepts the \$125,000 grant entitled the Modesto ABC Project from the State Department of Alcoholic Beverage Control.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the necessary grant documents, including any extensions or amendments thereof and any subsequent contract with the State in relation thereto.

BE IT FURTHER RESOLVED that any liability arising out of the performance of said grant contract, including civil court actions for damages, shall be the responsibility

of the grant recipient and the authorizing agency. The State of California and ABC disclaim responsibility for any such liability.

BE IT FURTHER RESOLVED that grant funds received hereunder shall not be used to supplant expenditures controlled by this body.

BE IT FURTHER RESOLVED that this award is not subject to local hiring freezes.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-375**

**A RESOLUTION AUTHORIZING THE MODESTO IRRIGATION DISTRICT (MID) TO EXECUTE AN AGREEMENT WITH BUREAU VERITAS (BV) IN AN AMOUNT NOT TO EXCEED \$120,000 TO PROVIDE BUILDING CODE AND SAFETY ASSESSMENT PLAN REVIEW SERVICES AS PART OF THE DESIGN WORK RELATED TO THE PHASE TWO EXPANSION OF THE MODESTO REGIONAL WATER TREATMENT PLANT (MRWTP)**

WHEREAS, the City and MID have been working together for several years planning the 30 million gallon per day (mgd) Phase Two Expansion of the MRWTP (from the plant's original 30 mgd capacity) and the associated Downstream Improvements, and

WHEREAS, the two portions of this project are needed to provide existing users with a reliable water source and to keep pace with the City's projected growth, and

WHEREAS, as related to the on-going design work being performed by Black & Veatch (B&V), MID staff is recommending that a consulting firm specializing in California Code compliance be hired to assure that the design documents related to the Phase Two Expansion portion of the project are in conformance to current building code standards, and

WHEREAS, B&V are developing plans and related documents to comply with code standards, however, their work is not required to be submitted to the local plan checking authority (Stanislaus County Building Department) since, under California law, MID is exempt from this process, and

WHEREAS, MID is recommending that the Phase Two Expansion design documents undergo this additional level of plan checking, and

WHEREAS, the project plans, specifications, and related documents submitted by B&V to MID at the 30%, 90%, and 100% completion stages will be checked against the current California Building, Plumbing, Electrical, Mechanical, Fire, Energy, and other applicable codes, and

WHEREAS, this Agreement between MID and BV will provide for building code and safety assessment plan review work, and

WHEREAS, the cost of the services described in the Agreement will not exceed \$120,000, and

WHEREAS, as with certain other aspects of this project, MID will initially front the cost for this work, but the Revised and Restated Treatment and Delivery Agreement requires that the City reimburse MID for such costs once the project's financing structure is in place, and

WHEREAS, the cost for these services were included in the original project budget and are not an additional cost above that amount, and

WHEREAS, this action is consistent with the Council's goal that the City's water system is sufficient to meet all current needs and to provide for future economic growth,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes Modesto Irrigation District (MID) to enter into an agreement with Bureau Veritas (BV) in an amount not to exceed \$120,000 to provide building code and safety assessment plan review services as part of the design work related to the Phase Two Expansion of the Modesto Regional Water Treatment Plant (MRWTP).

BE IT FURTHER RESOLVED that the Modesto Irrigation District (MID), is hereby authorized to execute said Agreement with Bureau Veritas (BV) in an amount not

to exceed \$120,000 to provide building code and safety assessment plan review services as part of the design work related to the Phase Two Expansion of the Modesto Regional Water Treatment Plant (MRWTP).

RESOLUTION NO. 2006-376**

**A RESOLUTION ACCEPTING IMPROVEMENTS IN THE TRAILS AT DRY CREEK SUBDIVISION ALONG PARKER ROAD, AND AUTHORIZING THE CITY CLERK TO RECORD A NOTICE OF COMPLETION AND AUTHORIZING THE RELEASE OF SECURITIES UPON EXPIRATION OF STATUTORY PERIODS**

WHEREAS, JOHN J. MACHADO AND JUDY A. MACHADO, Co-Trustees of the Machado Family Trust Agreement, are the subdividers of TRAILS AT DRY CREEK ("SUBDIVISION"), and

WHEREAS, JOHN J. MACHADO AND JUDY A. MACHADO, Co-Trustees of the Machado Family Trust Agreement, have filed irrevocable letters of credit to secure faithful performance and payment for labor and materials in the amounts of \$1,058,000.00 and \$529,000.00, respectively, and

WHEREAS, JOHN J. MACHADO AND JUDY A. MACHADO, Co-Trustees of the Machado Family Trust Agreement, have filed a warranty letter of credit in the amount of \$46,845.76 to guarantee improvements in the TRAILS AT DRY CREEK Subdivision, and

WHEREAS, the City Engineer, in a memorandum to Council, indicates that all public improvements required by the Subdivision Agreement has been completed to the satisfaction of the Public Works Department, and

WHEREAS, the City Engineer has indicated that it would be in order for the City Council to accept the public improvements in said subdivision as complete, and authorize the City Clerk to record a Notice of Completion and release the securities upon expiration of the statutory periods,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto

that:

1. The public improvements in the TRAILS AT DRY CREEK Subdivision are hereby accepted and the City Clerk is hereby authorized to record a Notice of Completion for the public improvements.
2. The City Clerk is hereby authorized to release the subdivision security for faithful performance in the amount of \$1,058,000.00 upon recordation of the Notice of Completion.
3. The City Clerk is hereby authorized to release the subdivision security for labor and materials in the amount of \$529,000.00 sixty (60) days after the recordation of the Notice of Completion, provided no claim is made thereon.
4. The City Clerk is hereby authorized to release the warranty security to guarantee the public improvements in the amount of \$46,845.76 one year and one day after the effective date of this resolution, provided no claim is made thereon.

RESOLUTION NO. 2006-377**

**A RESOLUTION AUTHORIZING STAFF TO PROCEED WITH A REQUEST  
FOR PROPOSALS AND APPROVING THE PROPOSED EVALUATION  
CRITERIA FOR A DESIGN/BUILD WATER WELL 226 – ARSENIC  
TREATMENT PROJECT**

WHEREAS, effective January 1, 2006, the United States Federal Environmental Protection Agency (EPA) set new standards for arsenic in drinking water, and

WHEREAS, the new EPA standards reduced the arsenic from 50 parts per billion (ppb) to 10 ppb, and

WHEREAS, the City of Modesto tests all water wells for arsenic compliance, and

WHEREAS, City Water Well No. 226 located at the Conant Avenue/Brenner Way intersection had a reading of 12 ppb for the first quarter of 2006, and

WHEREAS, the 12 ppb amount exceeds the new EPA limitation and well treatment is now necessary, and

WHEREAS, Ion Exchange using Iron Infused Resin is a proven method of removing arsenic from drinking water, and

WHEREAS, staff proposes the City issue a Request for Proposals to provide a Design/Build Ion Exchange Arsenic Treatment facility, and

WHEREAS, qualified consultant/construction firms will be contacted to submit a Design and Cost Proposal, and

WHEREAS, a Committee designated by the Director of Public Works will evaluate all Proposals received based on criteria set forth in the RFP, and

WHEREAS, the Committee will recommend a consultant/construction company to provide the Arsenic Treatment Facility, and

WHEREAS, the City Council will consider approval of the Proposal,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes staff to proceed with a Request for Proposals to secure an Ion Exchange Arsenic Treatment facility at City Water Well No. 226.

BE IT FURTHER RESOLVED that the proposed evaluation criteria for a design/build of Water Well 226-Arsenic Treatment Project is hereby approved.

IMPROVEMENTS AND PROVIDING SANITARY SEWER SERVICE FOR  
STANISLAUS COUNTY OUTLINE AREA KNOWN AS SHACKELFORD**

WHEREAS, Stanislaus County administered the design and construction of the Shackelford Sanitary Sewer System, and

WHEREAS, City of Modesto has inspected and approved the facilities constructed, and

WHEREAS, the City of Modesto collection system can service the Shackelford outline area defined as bordered by Pecos Avenue on the north, Rio Grande Avenue on the south, Crows Landing on the west, and Main Street on the east, and

WHEREAS, the Shackelford area requires a positive sewer service to replace aging residential septic systems,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby accepts the Shackelford Sanitary Sewer Improvements and will provide Sanitary Sewer Service for the Stanislaus County outline area known as Shackelford.

BE IT FURTHER RESOLVED that the Council hereby directs City staff to provide for the operation and maintenance of the Shackelford Sanitary Sewer system.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-379**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF  
MODESTO CALLING AN ELECTION FOR THE PURPOSE OF  
SUBMITTING THE LEVY OF THE CITY OF MODESTO COMMUNITY  
FACILITIES DISTRICT NO. 2004-1 (VILLAGE ONE #2) SPECIAL  
TAXES TO THE QUALIFIED ELECTORS OF THE TERRITORY  
PROPOSED TO BE ANNEXED TO THE DISTRICT (ANNEXATION NO.  
12)**

WHEREAS, this Council did, on April 25, 2006, adopt its Resolution No. 2006-228 (the "Resolution of Intention to Annex") to indicate its intention to annex certain territory to the City's Community Facilities District No. 2004-1 (Village One #2) (the "District") and authorize the levy of the District special taxes within the territory proposed to be annexed (the "Annexed Territory"), pursuant to Chapter 2.5 of Part 1 of Division 2 of Title 5 (commencing with Section 53311) of the California Government Code, commonly known as the "Mello-Roos Community Facilities Act of 1982" (the "Act"), and set a hearing thereon; and

WHEREAS, pursuant to the Act, this Council did, by its Resolution No. 2004-681, adopted on December 14, 2004, clarify the Rate and Method of Apportionment with respect to the Maximum Special Taxes to be generated by a parcel that has been rezoned, and

WHEREAS, pursuant to the Act, this Council did, by its Resolution No. 2004-683, adopted on December 14, 2004, create Tax Zone #2 within the District; and

WHEREAS, the One-Time Facilities Special Tax component of the special taxes is higher in Tax Zone #2 than in Tax Zone #1; and

WHEREAS, the Annexed Territory will be annexed to and subject to the special taxes in Tax Zone #2; and

WHEREAS, notice of the hearing was duly published as required by law, as evidenced by the proof of publication on file with the City Clerk; and

WHEREAS, a map of the Annexed Territory, entitled "Annexation Map No. 12 of Community Facilities District No. 2004-1 (Village One #2) of the City of Modesto, County of Stanislaus, State of California," was recorded on April 26, 2006, in the Office of the County Recorder of the County of Stanislaus, in Book 4 of Maps of Assessment and Community Facilities Districts, at page 42; and

WHEREAS, at the time and date set for the hearing (June 13, 2006) pursuant to the Resolution of Intention to Annex, this Council held the public hearing, as required by the Act, related to the proposed annexation and the levy of the District special taxes for Tax Zone #2 within the Annexed Territory, and all other matters set forth in the Resolution of Intention to Annex; and

WHEREAS, at the hearing all persons desiring to be heard on all matters pertaining to the proposed annexation and the levy of the District special taxes for Tax Zone #2 within the Annexed Territory, and all other matters set forth in the Resolution of Intention to Annex, including all interested persons for or against the proposed annexation to the District and the levy of the District special taxes for Tax Zone #2 within the Annexed Territory were heard and considered, and a full and fair hearing was held thereon; and

WHEREAS, at the hearing evidence was presented to this Council on the matters before it, and this Council, at the conclusion of the hearing, was fully advised as to all matters related to the proposed annexation and the levy of the District special taxes for

Tax Zone #2 within the Annexed Territory, and all other matters set forth in the Resolution of Intention to Annex; and

WHEREAS, written protests against the proposed annexation and the levy of the District special taxes for Tax Zone #2 within the Annexed Territory have not been filed with the City Clerk by 50 percent or more of the registered voters or six registered voters, whichever is more, residing within the District or residing within the Annexed Territory, or the owners of one-half or more of the land in the District, or in the Annexed Territory; and

WHEREAS, the Stanislaus County Registrar of Voters has certified there are less than 12 registered voters residing in the Annexed Territory; accordingly, the qualified electors are the landowners; and

WHEREAS, the City Clerk, being the Council's designated election official for purposes of the election herein called, has concurred in the election date herein set forth for the election;

NOW THEREFORE, BE IT RESOLVED, ORDERED AND FOUND by the City Council of the City of Modesto that:

SECTION 1. The foregoing recitals are true and correct.

SECTION 2. All prior proceedings taken with respect to the annexation of the Annexed Territory to the District, and the levy of the District special taxes for Tax Zone #2 within the Annexed Territory were valid and in conformity with the requirements of the Act. This determination shall be final and conclusive upon all persons.

SECTION 3. The proposed annexation of the Annexed Territory to the District and the levy of the District special taxes for Tax Zone #2 within the Annexed Territory have not been precluded by majority protest pursuant to Section 53339.5 of the Act.

SECTION 4. As stated in the Resolution of Intention to Annex, it is the intention of this Council, subject to the approval of the qualified electors of the Annexed Territory, to annex the Annexed Territory to the District and levy the District special taxes for Tax Zone #2 within the Annexed Territory. Upon such approval the Council will be authorized to levy the District special taxes for Tax Zone #2 within the Annexed Territory.

SECTION 5. A special election is hereby called at which the question of levying the District special taxes for Tax Zone #2 within the Annexed Territory shall be submitted to the qualified electors of the Annexed Territory. The election shall be held in accordance with and subject to the Act, all of the terms of which shall, unless waived as herein provided, be applicable to such election. The ballot measure shall be substantially in the form attached hereto as Exhibit A.

SECTION 6. Fewer than 12 persons have been registered to vote within the Annexed Territory for each of the 90 days preceding the close of the hearing referenced herein. Accordingly, the vote shall be by the landowners of the Annexed Territory, and each such landowner shall have one vote for each acre or portion thereof that he or she owns within the Annexed Territory. The ballots shall be distributed by mail with return postage prepaid, or by personal service, to each landowner, all as provided in Section 53326 of the Act.

Since the City Clerk has received an appropriate waiver of time limits and other requirements pertaining to the conduct of the election by the owner of all of the land in the Annexed Territory (the "Landowner"), the election shall be held on the 13th day of June 2006. The election shall be conducted by the City Clerk in the manner required by this resolution, the Act and applicable laws.

The hour on such date when the ballots are required to be received in the office of the City Clerk is 8:00 p.m., Pacific Time, provided that if all qualified electors have voted prior to such time, the election shall be closed upon the receipt of all of the ballots.

SECTION 7. In accordance with Section 53327(b) of the Act, analysis and arguments, as required by Section 53327(a) of the Act are hereby waived, as the City Clerk has received the unanimous consent to such waivers from the Landowner.

SECTION 8. The publication of this Resolution as notice of the special election is hereby waived as the City Clerk has received the unanimous consent to such waiver from the Landowner.

SECTION 9. The Annexed Territory shall constitute a single election precinct for the purpose of holding the election.

SECTION 10. The City Clerk is hereby authorized to take any and all steps necessary for the holding of the election, and to perform and render all services and proceedings incidental to and in connection with the election.

SECTION 11. The City Clerk shall canvass the returns and certify the results of the election to this Council. If two-thirds or more of the votes cast are in favor of levying the District special taxes for Tax Zone #2 in the Annexed Territory, this Council may thereafter order the annexation of the Annexed Territory to the District and levy the

District special taxes in the Annexed Territory in the amount and for the purposes specified in Resolution No. 2004-199 adopted by this Council on April 6, 2004 (the "Resolution of Formation"). The Special Tax will be levied only at the rate and apportioned only in the manner specified in the Resolution of Formation, as clarified by the City Council on December 14, 2004 (Resolution No. 2004-681), and at the rates set forth in Tax Zone #2 created by the City Council on December 14, 2004 (Resolution No. 2004-683).

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

AYES:	Councilmembers:	Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour
NOES:	Councilmembers:	None
ABSENT:	Councilmembers:	None

RESOLUTION NO. 2006-380**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MODESTO  
CANVASSING THE RESULTS OF THE JUNE 13, 2006, ELECTION HELD  
WITHIN THE TERRITORY PROPOSED TO BE ANNEXED TO CITY OF  
MODESTO COMMUNITY FACILITIES DISTRICT NO. 2004-1 (VILLAGE ONE  
#2), AND ORDERING ANNEXATION OF THE TERRITORY TO THE  
DISTRICT (ANNEXATION NO. 12)**

WHEREAS, this Council is conducting proceedings pertaining to the annexation of certain territory to the City's Community Facilities District No. 2004-1 (Village One #2) (the "District") and the levy of the District special taxes (the "District Special Taxes") within such territory, as described in its Resolution No. 2006-228, entitled "A Resolution of the City Council of the City of Modesto of Intention to Annex Territory to Community Facilities District No. 2004-1 (Village One #2) and to Authorize the Levy of Special Taxes therein (Annexation No. 12)" adopted on April 25, 2006, pursuant to Chapter 2.5 of Part 1 of Division 2 of Title 5 (commencing with Section 53311) of the California Government Code, commonly known as the "Mello-Roos Community Facilities Act of 1982" (the "Act"); and

WHEREAS, pursuant to the Act, this Council did, by its Resolution No. 2004-681, adopted on December 14, 2004, clarify the Rate and Method of Apportionment with respect to the Maximum Special Taxes to be generated by a parcel that has been rezoned; and

WHEREAS, pursuant to the Act, this Council did, by its Resolution No. 2004-683, adopted on December 14, 2004 ("Resolution of Creation of Tax Zone #2"), create Tax Zone #2 within the District; and

WHEREAS, the territory to be annexed will be subject to the tax rates in Tax Zone #2; and

WHEREAS, the owners of all the property within the territory proposed to be annexed to the District waived those provisions related to the timing and conduct of the election referenced in Sections 5, 6, 7 and 8 of this Council's Resolution No. 2006-379, adopted on June 13, 2006, and, as a result, this Council called an election within the territory proposed to be annexed to the District (the "Election") for June 13, 2006, or as soon thereafter as practicable, relative to the foregoing; and

WHEREAS, on June 13, 2006, the Election was held; and

WHEREAS, the City Clerk has certified that at the Election the proposition of levying the District Special Taxes within the territory proposed to be annexed to the District was approved by more than two-thirds (2/3) of the votes cast at the Election;

NOW, THEREFORE, BE IT RESOLVED, ORDERED AND FOUND by the City Council of the City of Modesto that:

SECTION 1. The Election was duly and validly conducted in conformity with all applicable laws pertaining thereto. It is hereby determined that the owner or owners of the territory proposed to be annexed are as set forth in the Certificate of City Clerk as to Distribution of Official Ballots, submitted to this Council and on file with the City Clerk.

SECTION 2. The ballot proposition presented to the qualified electors of the territory proposed to be annexed at the Election received at least two-thirds (2/3) of the votes cast at the Election. A copy of the City Clerk's certificate of election results is attached.

SECTION 3. Pursuant to Section 53339.8 of the Act, it is hereby ordered that the territory proposed to be annexed to the District pursuant to Resolution No. 2006-228 be annexed to and be a part of the District with full legal effect, and that the District Special Taxes be levied within the territory so annexed as set forth in the Resolution of Creation of Tax Zone #2.

SECTION 4. The City Clerk is hereby directed to enter this resolution on the minutes of this City Council, which shall constitute the official declaration of the result of the Election.

SECTION 5. The City Clerk is further authorized and directed to record an amendment to the Notice of Special Tax Lien with the County Recorder of the County of Stanislaus, within 15 days from the date hereof, in accordance with the provisions of Sections 3114.5 and 3117.7 of the California Streets and Highways Code.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 13<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-381

A RESOLUTION EXTENDING THE TERM OF SAM PIERSTORFF AS POET  
LAUREATE OF THE CITY OF MODESTO THROUGH JUNE 30, 2008

WHEREAS, on July 13, 1993, by Resolution No. 93-412, the City Council established a non-salaried honorary position to be known as "The Poet Laureate of the City of Modesto", and

WHEREAS, the Culture Commission has the responsibility for nominating and recommending appointments to the Poet Laureate position, and

WHEREAS, on June 22, 2004, by Resolution 2004-304, the City Council appointed Sam Pierstorff as the Poet Laureate of the City of Modesto for a two-year term from July 1, 2004, through June 30, 2006, and

WHEREAS, the Culture Commission met on February 27, 2006, and concluded that Sam Pierstorff had appropriately fulfilled his obligations as Poet Laureate and recommended that his term be extended through June 30, 2008,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves extending the term of Sam Pierstorff's appointment as the Poet Laureate of the City of Modesto through June 30, 2008.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 27th day of June 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

A RESOLUTION ACCEPTING WITH REGRET THE RESIGNATION OF  
HENRY DOTINGA FROM THE COMMUNITY QUALITIES FORUM

WHEREAS, HENRY DOTINGA was appointed a member of the Community  
Qualities Forum on March 22, 2005, and

WHEREAS, HENRY DOTINGA has tendered his resignation from the  
Community Qualities Forum, and

WHEREAS, HENRY DOTINGA has been a devoted and sincere public servant  
and has contributed greatly to our civic progress.

NOW, THEREFORE, BE IT RESOLVED that the resignation of HENRY  
DOTINGA from the Community Qualities Forum be, and hereby is accepted with regret.

BE IT FURTHER RESOLVED that the Council of the City of Modesto, on its  
own behalf, and on behalf of the citizens of this City, hereby expresses its sincere  
appreciation to HENRY DOTINGA for his outstanding service to the community.

The foregoing resolution was introduced at a regular meeting of the Council of

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-384**

**A RESOLUTION APPROVING A CFD RIGHT OF WAY ACQUISITION AGREEMENT BETWEEN CITY OF MODESTO COMMUNITY FACILITIES DISTRICT NO. 2004-1 (VILLAGE ONE #2) AND VILLAGE ONE PLAZA, A LIMITED LIABILITY COMPANY, FOR APPROXIMATELY 0.397 ACRES ON THE SOUTHEAST CORNER OF FLOYD AVENUE AND ROSELLE AVENUE, AUTHORIZING THE CITY MANAGER TO EXECUTE THE AGREEMENT AND FINDING THAT THE POTENTIAL ENVIRONMENTAL EFFECTS OF THIS AGREEMENT HAVE BEEN ADEQUATELY ADDRESSED BY THE PREVIOUSLY CERTIFIED VILLAGE ONE SPECIFIC PLAN PROGRAM EIR AS MODIFIED BY THE 1994 FINAL SUPPLEMENTAL EIR (SCH NO. #90020181), AND AS AMENDED BY THE 2003 ADDENDUM TO THE EIR**

WHEREAS, the City of Modesto desires to complete the core infrastructure needed to serve the Village One area, and

WHEREAS, Village One Plaza, A Limited Liability Company (“Developer”) has agreed to sell approximately 0.397 acres on the southeast corner of Floyd and Avenue and Roselle Avenue to the City of Modesto so that certain improvements to the intersection of Floyd Avenue and Roselle Avenue can occur, and

WHEREAS, the City Council has considered the proposed CFD Right Of Way Acquisition Agreement (“Agreement”) between City of Modesto Community Facilities District No. 2004-1 (Village One #2) and Developer, and

WHEREAS, said agreement shall have a maximum reimbursement amount of \$143,118.50, and

WHEREAS, the City Council has received and considered the Written Checklist, Environmental Assessment EA/PW No. 2006-09, which concludes that acquisition of the right of way for which the Developer will be reimbursed under the proposed agreement, is within the scope of the previously certified Village One Specific Plan Program EIR as

modified by the 1994 Final Supplemental EIR (SCH No. 90020181), and as amended by the 2003 Addendum to the EIR, and that, pursuant to Sections 15168(c) and 15182 of the CEQA Guidelines, no new environmental review is required.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby finds and determines:

1. The proposed CFD Right of Way Acquisition Agreement between City of Modesto Community Facilities District No. 2004-1 and Village One Plaza, A Limited Liability Company, (“Project”) is consistent with the Village One Specific Plan and the Modesto Urban Area General Plan.
2. As per Sections 15168(c) and 15182 of the California Environmental Quality Act ("CEQA") Guidelines, this Project is within the scope of the projects covered by the Village One Program EIR, as amended by the 1994 Supplemental EIR and the 2003 Addendum to the EIR (“Program EIR”) and no new environmental document or findings are required by CEQA.
3. There are no substantial changes proposed in the Project which result in new significant environmental effects or a substantial increase in the severity of previously identified significant effects and, therefore, no major revisions to the Program EIR, are required.
4. No substantial changes have occurred with respect to the circumstances under which the Project is undertaken which will

result in new significant environmental effects or a substantial increase in the severity of previously identified significant effects and therefore, no major revisions to the Program EIR, are required.

5. There is no new information of substantial importance that was not known and could not have been known with the exercise of reasonable diligence when the Program EIR, was adopted which shows any of the following:

- a. one or more significant effects which is not discussed in the Program EIR; or,
- b. significant effects which were previously examined will be substantially more severe than previously shown; or,
- c. previously infeasible mitigation measures or alternatives are now feasible and would substantially reduce one or more significant effects of the project, but the Project proponents decline to adopt the mitigation measure or alternative; or,
- d. mitigation measures or alternatives which are considerably different from those analyzed in the Program EIR would substantially reduce one or more significant effects on the environment, but the Project proponents decline to adopt the mitigation measure or alternative.

6. The Written Checklist, Environmental Assessment EA/PW No. 2006-09, provides the substantial evidence to support findings 1-5, above.

BE IT FURTHER RESOLVED that the CFD Right of Way Acquisition Agreement between the City of Modesto Community Facilities District No. 2004-1 (Village One #2) and Village One Plaza, LLC, for right of way acquisition for construction of certain improvements to the intersection of Floyd Avenue and Roselle Avenue is hereby approved.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement and all related property documents as Grantee on behalf of the City of Modesto.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 27<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-385**

**A RESOLUTION AUTHORIZING THE AWARD OF CONTRACTS FOR THE FURNISHING OF TEMPORARY LABOR SERVICES FOR THE CITY OF MODESTO TO THE FOLLOWING COMPANIES AS "PRIMARY" CONTRACTORS: ADECCO USA, INC., MODESTO, CA, REMEDY INTELLIGENT STAFFING, INC., MODESTO, CA, VALLEY STAFFING SERVICES, MODESTO, CA AND WESTAFF (USA), INC., MODESTO, CA; AND WITH THE FOLLOWING COMPANIES AS "SECONDARY/THIRD" POSITION CONTRACTORS: AEROTEK, INC., STOCKTON, CA AND TEKSYSTEMS, INC., RANCHO CORDOVA, CA, TO BEGIN JULY 1, 2006, FOR A TWO (2) YEAR AGREEMENT, WITH THREE (3) ONE-YEAR EXTENSION OPTIONS, AT THE SOLE DISCRETION OF THE CITY**

WHEREAS, last fiscal year the City as a whole spent approximately \$1.9 million dollars on temporary labor services, and

WHEREAS, historically the largest departmental users of temporary labor have been the Public Works and Parks, Recreation & Neighborhoods Departments, and

WHEREAS, a Request for Proposal (RFP) addresses the following issues:

- Citywide contract
- Possible risk exposure
- Consolidate Citywide requirements
- Consistency of service delivery
- Tracking and Reporting, and

WHEREAS, on February 14, 2006, Council approved Resolution No. 2006-088 authorizing the Purchasing Manager to formally solicit Request for Proposals for the furnishing of Temporary Labor Services for the City of Modesto, for a two (2) year agreement with three (3) one-year extension options, and

WHEREAS, an RFP was issued to accomplish the following:

- Consolidation of Citywide requirements obtaining the best services for the price offered.
- Consistency of service delivery and the ability to provide activity reports to better monitor the cost and utilization of temporary services Citywide.
- Concise monitoring will allow quarterly reporting on usage hours and expenditures, and

WHEREAS, the Purchasing Division solicited Request for Proposal No. 0506-27 for the furnishing of Temporary Labor Services for the City of Modesto to thirty-four (34) prospective proposers, twenty-one (21) of which were local companies, posted the proposal on the City's web site, and formally advertised as required by law, and

WHEREAS, on March 28, 2006, RFP's were formally opened in the City Clerk's office. Of the thirty-four (34) prospective proposers solicited, ten (10) companies chose to respond, and

WHEREAS, on March 30, 2006, the evaluation committee met and proposal evaluation packets were given to each committee member to individually review and score, and

WHEREAS, on April 12, 2006, the evaluation committee met to discuss the proposal submittals and how they individually rated and scored each submittal. Committee member scores were combined and averaged to arrive at a committee score, and

WHEREAS, on April 19, 2006, proposer interviews were held for the top candidates to clarify any questions committee members had regarding their proposal

submittals. Immediately following the interviews the committee members had an open discussion of the candidates and then came to a consensus for award recommendation.

WHEREAS, based on being ranked highest in total evaluation criteria, as determined by the evaluation committee, the following companies were selected as primary contractors:

- Adecco USA, Inc., Modesto, CA
- Labor Ready Southwest, Inc., Modesto, CA
- Remedy Intelligent Staffing, Inc., Modesto, CA
- Valley Staffing Services, Modesto, CA
- Weststaff (USA), Inc., Modesto, CA, and

WHEREAS, in order to provide for backup, as determined by the evaluation committee, the following companies were selected as secondary/third position contractors:

- Aerotek, Inc., Stockton, CA
- Labor Ready Southwest, Inc., Modesto, CA
- Remedy Intelligent Staffing, Inc., Modesto, CA
- TEKsystems, Inc., Modesto, CA
- Valley Staffing Services, Modesto, CA, and

WHEREAS, on May 9, 2006, Council approved Resolution No. 2006-285 authorizing the award of proposal, and directing staff to enter into contract negotiations for the furnishing of Temporary Labor Services for the City of Modesto with the following companies as “primary” contractors, Adecco USA, Inc., Modesto, CA, Labor Ready Southwest, Inc., Modesto, CA, Remedy Intelligent Staffing, Inc., Modesto, CA,

Valley Staffing Services, Modesto, CA and Westaff (USA), Inc., Modesto, CA, to begin July 1, 2006, for a two (2) year agreement, with three (3) one-year extension options, at the sole discretion of the City, and

WHEREAS, additionally, contracts would also be awarded to companies as secondary and third position contractors, in order to provide for backup, as determined by the evaluation committee and contingent upon successful contract negotiations, and

WHEREAS, during contract negotiations, Labor Ready Southwest, Inc., a “primary” contractor was not able to accept the City’s indemnity language for automobile liability coverage, and therefore made a business decision not to enter into a contract with the City, sighting “that they could not meet the full commitments of the contract with the City of Modesto”. Because of Labor Ready Southwest, Inc. decision not to accept a contract, job title positions awarded to Labor Ready Southwest, Inc. had to be re-assigned to the next highest rated proposers, as outlined in the following matrix:

Job Title Position	Primary Contractor
Water Conservation Specialist	Valley Staffing Services, Modesto, CA

Job Title Position	Secondary Position Contractor
Administrative Office Assistant I	Valley Staffing Services
Computer Operator	Valley Staffing Services
Equipment Operator	Remedy Intelligent Staffing, Inc., Modesto, CA
Maintenance Worker I	Aerotek, Inc., Stockton, CA
Maintenance Worker II	Remedy Intelligent Staffing, Inc., Modesto, CA

Job Title Position	Third Position Contractor
Account Clerk	Remedy Intelligent Staffing, Inc., Modesto, CA

and,

WHEREAS, City departments intermittently have the need for temporary employees to:

- Fill vacancies created through retirements, resignations, and terminations.
- Fill need during periods of high demand and handle workload fluctuations, and

WHEREAS, based on being ranked highest in total evaluation criteria, as determined by the evaluation committee, City staff recommends the award of contracts for the furnishing of Temporary Labor Services for the City of Modesto with the following companies as “primary” contractors, Adecco USA, Inc., Modesto, CA, Remedy Intelligent Staffing, Inc., Modesto, CA, Valley Staffing Services, Modesto, CA and Westaff (USA), Inc., Modesto, CA, and with the following companies as “secondary/third” position contractors, Aerotek, Inc., Stockton, CA and TEKsystems, Inc, Rancho Cordova, CA, to begin July 1, 2006, for a two (2) year agreement, with three (3) one-year extension options, at the sole discretion of the City,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of contracts for the furnishing of Temporary Labor Services for the City of Modesto to the following companies as “primary” contractors: Adecco USA, Inc., Modesto, CA, Remedy Intelligent Staffing, Inc., Modesto, CA, Valley Staffing Services, Modesto, CA and Westaff (USA), Inc., Modesto, CA; and with the following companies as “secondary/third” position contractors: Aerotek, Inc., Stockton, CA and TEKsystems, Inc, Rancho Cordova, CA, to begin July 1, 2006, for a two (2) year agreement, with three (3) one-year extension options, at the sole discretion of the City.

BE IT FURTHER RESOLVED, that the City Manager, or his designee, is hereby authorized to execute the contracts for the furnishing of Temporary Labor Services for the City of Modesto with the following companies as "primary" contractors: Adecco USA, Inc., Modesto, CA, Remedy Intelligent Staffing, Inc., Modesto, CA, Valley Staffing Services, Modesto, CA and Westaff (USA), Inc., Modesto, CA; and with the following companies as "secondary/third" position contractors: Aerotek, Inc., Stockton, CA and TEKsystems, Inc, Rancho Cordova, CA, to begin July 1, 2006, for a two (2) year agreement, with three (3) one-year extension options, at the sole discretion of the City.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 27<sup>th</sup> day of June 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION APPROVING A STANDARD AGREEMENT FOR  
CONSULTANT SERVICES BETWEEN THE CITY OF MODESTO AND  
SHIBUMI CONSULTING SERVICES, LLC, AND AUTHORIZING THE CITY  
MANAGER TO EXECUTE THE AGREEMENT**

WHEREAS, the Customer Service Division of the City of Modesto Finance Department desires to enter into consulting service agreement with Shibumi Consulting Service, LLC for a two (2) year period, not to exceed \$50,000 per fiscal year, and

WHEREAS, in 1999 the HTE Utility billing System was implemented, requiring the City of Modesto to seek additional support for the new Utility Billing System, and

WHEREAS, Mark Roberts, owner and sole proprietor of Shibumi Consulting, provides software support, additional training and specialized report writing to City in regards to the HTE Utility Billing System, and

WHEREAS, the Council of the City of Modesto is required to approve all contractual agreements that may exceed \$50,000 in fees for contracted services, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that a Standard Agreement For Consulting Services between the City of Modesto and Shibumi Consulting Services, LLC is hereby approved.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Agreement.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-387**

**A RESOLUTION AUTHORIZING FIVE (5) DESIGNATED CITY OF MODESTO  
STAFF TO SERVE AS GENERAL SERVICES ADMINISTRATION (GSA)  
SURPLUS PROPERTY SCREENERS**

WHEREAS, The Federal Property and Administrative Services Act of 1949, as amended, provides for the transfer of federal surplus personal property to the State Agency for Surplus Property (SASP) within each state, and

WHEREAS, the Department of General Services (DGS) is the State of California's State Agency for Surplus Property (SASP), and

WHEREAS, each SASP is responsible for administering the surplus property donation program within its respective state, and

WHEREAS, surplus GSA personal property is made available to the City of Modesto at a reduced cost through the donation program administered by the State of California, Department of General Services, and

WHEREAS, federal surplus personal property can be used by all City departments, and

WHEREAS, federal surplus personal property includes all types and categories of property including but not limited to the following: airplanes, boats, communication equipment, furniture, tools, and motor vehicles, and

WHEREAS, Council approval is required by the State of California, Department of General Services, Office of Procurement, -Surplus Property, to authorize designated City of Modesto personnel to review ( screen) and obtain surplus Federal personal

property that is available through the General Services Administration's ( GSA) Federal Surplus Personal Property Program, and

WHEREAS, in previous years the City was able to designate fifteen (15) "screeners" through the GSA's Federal Surplus Personal Property Program, and

WHEREAS, the City's approval to participate in the program has expired and needs to be renewed, and

WHEREAS, a new requirement of that renewal process is to authorize no more than five (5) designated City of Modesto staff to serve as "screeners", and

WHEREAS, the five (5) City staff designated as screeners are: Mark L. Averell, Jim Richards, Lori Martinez, Gary L. Watts, and Cindy Medley,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes Mark L. Averell, Jim Richards, Lori Martinez, Gary L. Watts, and Cindy Medley as the five (5) designated City of Modesto staff to serve as "screeners" as required by the State Department of General Services, Office of Procurement-Surplus Property, to review and obtain surplus Federal personal property that is available through the General Services Administration's (GSA) Federal Surplus Personal property Program.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-388**

**A RESOLUTION AUTHORIZING THE AWARD OF BID AND CONTRACT  
FOR TWO (2) NEW, CURRENT YEAR/MODEL, ELGIN EAGLE STREET  
SWEEPERS TO RICKER MACHINERY COMPANY OF OAKLAND, CA. FOR  
THE ESTIMATED COST OF \$418,620.77**

WHEREAS, the Public Works Department-Fleet Services Division has requested the purchase of two (2) new, current year/model, Elgin Eagle Street Sweepers, and

WHEREAS, the two (2) Elgin Eagle street sweepers will be used to replace current equipment, and

WHEREAS, the old equipment is being replaced because it has reached the end of its useful service life, and

WHEREAS, Resolution No. 2005-381 authorized the Purchasing Supervisor to solicit bids for new vehicles and heavy equipment throughout FY 05/06 using various competitive processes, with the Purchasing Division coming back to Council for award authorization, and

WHEREAS, the Purchasing Division solicited formal bids for two (2) new, current year/model, Elgin Eagle street sweepers on Request for Bid (RFB) 0506-25, with a bid opening date of March 14, 2006, and

WHEREAS, twelve (12) vendors were solicited of which one (1) was a local vendor, and

WHEREAS, out of twelve (12) vendors solicited, three (3) vendors chose to respond to the RFB, and

WHEREAS, the bid submitted by Municipal Maintenance Equipment, Inc. was deemed to be non-responsive because their bid did not meet bid specifications, and

WHEREAS, the 2% local vendor preference was not a factor in determining the lowest responsive and responsible bidder, and

WHEREAS, the Purchasing Division and Public Works-Fleet Division staff evaluated bids, and

WHEREAS, based on the evaluation of bids, Ricker Machinery Company of Oakland, CA. is hereby deemed to be the lowest responsive and responsible bidder for two (2) new, current year/model, Elgin Eagle Street Sweepers, and

WHEREAS, the estimated total amount for two (2) new, current year/model, Elgin Eagle Street Sweepers is \$418,620.77, and

WHEREAS, the Modesto Municipal Code (MMC) Section 8-3.203, requires all purchases which meet or exceed \$50,000 for material and equipment or contractual services to be formally bid, and

WHEREAS, the code also states that purchases whose total maximum cost to the City exceeds \$50,000 shall receive preliminary approval of Council, MMC (8-3.203 (a)), and

WHEREAS, the two (2) new, current year/model, Elgin Eagle Street Sweepers received said approval with Resolution No. 2005-381, and

WHEREAS, this Request for Bid (RFB) process conforms to the Modesto Municipal Code, and

WHEREAS, the City Council could choose to reject the bids for two (2) new, current year/model, Elgin Eagle Street Sweepers,

WHEREAS, the City Council has appropriated funds in account number 7210-480-5814-5274 (Fleet Equipment, Replacement) and account number 6280-480-5313-5700 (Storm Drainage Fund),

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of bid and contract for two (2) new, current year/model, Elgin Eagle Street Sweepers to Ricker Machinery Company of Oakland, CA. for the estimated cost of \$418,620.77.

BE IT FURTHER RESOLVED by the Council of the City of Modesto, that it hereby authorizes the Purchasing Manager to issue a purchase order to Ricker Machinery Company of Oakland, CA. for the estimated cost of \$418,620.77.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 27<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-389**

**A RESOLUTION APPROVING TWO (2) ANNUAL RETAIL ADVERTISING CONTRACTS WITH THE MODESTO BEE (MCCLATCHY NEWSPAPER GROUP), TO COINCIDE WITH THE FISCAL YEAR CALENDAR, CONSISTING OF, ONE (1) CONTRACT FOR A 500-COLUMN-INCH “NO-COMMITMENT” ADVERTISING RATE OF \$50.87 PER COLUMN INCH AND THE OTHER CONTRACT FOR A “12X COMMITMENT” BUSINESS PACKAGE ADVERTISING PLAN “D”, AT A STANDARD AD SIZE AVERAGE RATE OF \$29.46 PER COLUMN INCH AND AUTHORIZING THE CITY MANAGER TO EXECUTE BOTH CONTRACTS**

WHEREAS, the City of Modesto is currently using the Modesto Bee (McClatchy Newspaper Group) as its primary advertising source for its advertising requirements, and

WHEREAS, the advertising services are required for classified and legal advertisements as required by law, and for retail advertisements for public information purposes, and

WHEREAS, in May of 2002 Council directed staff to consolidate the procurement of advertising through a central source in order to obtain the best contractual pricing available for the City, and

WHEREAS, Council has also requested that the annual retail advertising contracts be put in place to coincide with the fiscal year calendar, and

WHEREAS, the City's Purchasing Manager annually meets with the Modesto Bee and based on advertising volume commitments over the prior year identifies two (2) retail contract options which would best meet the City's retail advertising needs, and

WHEREAS, in June of 2005 staff went before Council with a recommendation to approve two (2) annual retail advertising contracts with the Modesto Bee to coincide with the fiscal year calendar, and

WHEREAS, in June of 2005, by Resolution No. 2005-322, Council approved both contracts and authorized the City Manager to sign the retail advertising contracts, and

WHEREAS, both retail contracts will expire on June 30, 2006, and

WHEREAS, staff once again met with the Modesto Bee to discuss what contract renewal options would be available to the City, and

WHEREAS, the Modesto Bee has agreed to renew both retail advertising contracts for another year based on the fiscal year calendar, and

WHEREAS, a price increase associated with the contract renewal will put the “non-profit no-commitment” contract rate at \$50.87 per column inch, and

WHEREAS, this year the “12x -commitment business package” rate will once again include a single insertion in the Saturday Shopper and Vida with the average per column inch rate remaining at \$29.46, and

WHEREAS, the Purchasing Manager has determined that a process other than the formal bid procedure will result in a procurement of advertising for the City at the lowest cost commensurate with the desired quality, as provided for in MMC 8-3.204(d), and

WHEREAS, once signed, both advertising contracts shall be implemented and tracked by the City’s Purchasing Manager, and with the City’s Public Information Technician assisting departments with their advertising needs,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves two (2), twelve (12) month retail advertising contracts with the Modesto Bee (McClatchy Newspaper Group), to coincide with the fiscal year calendar, consisting of one contract for a 500 column inch “no-commitment” non-profit rate at

\$50.87 per column inch and the other contract for a "12x-commitment" business package advertising plan "D" at an average rate of \$29.46 per column inch, based on a standard 2x5 inch ad size run three (3) times in the Bee, combined with one-time insertions in both the Saturday Shopper and Vida as outlined in plan "D".

BE IT FURTHER RESOLVED that the City Manager or his designee, is hereby authorized to execute the contracts.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 27<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-390**

**A RESOLUTION APPROVING A THREE (3) YEAR WALK-IN PAYMENT  
SERVICES AGREEMENT BETWEEN THE CITY OF MODESTO AND  
CHECKFREEPAY CORPORATION, AND AUTHORIZING THE CITY  
MANAGER TO EXECUTE SAID CONTRACT**

WHEREAS, in October, 2003, the City of Modesto entered into an agreement with CheckFreePay for electronic processing of utility payments made at designated pay stations, and

WHEREAS, the Customer Service Division of the City of Modesto Finance Department desires to renew a three (3) year agreement with CheckFreePay for electronic utility pay station collection and remittal services, and

WHEREAS, CheckFreePay Corporation's designated pay station agents collect and electronically remit approximately 6,500 City of Modesto utility payments each month providing convenient citywide pay stations where citizens may pay their City of Modesto utility bills, and

WHEREAS, the Council of the City of Modesto is required to approve all contractual agreements that may exceed \$50,000 in fees for contracted services,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a three (3) year Walk-In Payment Processing Services Agreement between the City of Modesto and CheckFreePay Corporation to provide electronic pay station collection and remittance processing services.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said contract.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 27<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-391**

**A RESOLUTION AUTHORIZING THE FINANCE DEPARTMENT TO  
PURCHASE QUERY REPORTING SOFTWARE FROM SUNGARD, HTE, A  
SOLE SOURCE VENDOR, FOR UTILITY BILLING AND COLLECTION  
SERVICES, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE,  
TO EXECUTE THE SOFTWARE LICENSE AND SERVICES AGREEMENT**

WHEREAS, the City of Modesto, Finance Department, Customer Service Division is tasked with the responsibility of managing, providing and distributing a large amount of utility billing and consumption data to various entities including other City departments, and

WHEREAS, following the 1999 installation of the current utility billing software system an alternative reporting tool, Crystal Reports, was chosen as the Citywide standard. Consequently, the Finance Department requires the assistance of an outside consultant to extract data from this reporting system, and

WHEREAS, the Query Reporting Software available from Sungard, HTE, will provide a technical tool to query data and quickly create professional reports without external assistance,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the purchase of the Query Reporting Software from Sungard HTE, a sole source vendor, in the amount of \$34,000.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Software License and Services Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 27<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION AMENDING THE BUDGET TO APPROPRIATE WATER,  
WASTEWATER AND GENERAL FUNDS IN ORDER TO PAY FOR THE COST  
OF A NEW UTILITY DATA EXTRACTION PROGRAM FROM SUNGARD HTE**

WHEREAS, the City Council has approved the purchase of the Query Reporting (Q-Rep) software program for the purpose of supporting utility system data extraction using city staff, and

WHEREAS, the cost of the new software, including installation and training is \$34,000.00 and is allocable to the water and wastewater utility funds, and

WHEREAS, a new appropriation from water and wastewater fund reserves is needed to provide sufficient resources within the General Fund to pay for the cost of the new software,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes amending the budget as shown in Attachment A to this resolution, which is incorporated herein by reference.

BE IT FURTHER RESOLVED that the Finance Director, or his designee, is hereby directed to implement the provisions of this resolution.

CONTRACT**

WHEREAS, the Customer Service Division of the City of Modesto Finance Department desires to enter into collection service contract with Access Capital Services, Inc. for delinquent receivables, and

WHEREAS, the Finance Department currently has no contracted services for collection of delinquent receivables, and

WHEREAS, on March 25, 2005, an RFP was issued to agencies which focus on collections for government entities and provide enhanced technology services, and

WHEREAS, out of the four (4) proposals received, Access Capital Services, Inc., was found most qualified to meet the City's collection needs offering lower collection rates, advanced technology and experience with government agencies and court collections, and

WHEREAS, the Council of the City of Modesto is required to approve all contractual agreements that may exceed \$50,000 in fees for contracted services, and

WHEREAS, on August 10, 2005, the Finance Committee recommended approval of said contract and supported its presentation to full Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the collection service contract between the City of Modesto and Access Capitol Services, Inc.

RESOLUTION NO. 2006-394**

**A RESOLUTION APPROVING THE FY 2006-2007 BUDGET FOR THE  
STANISLAUS RESOURCE RECOVERY (“WASTE-TO-ENERGY”) FACILITY**

WHEREAS, on December 17, 1985, the City of Modesto and County of Stanislaus entered into an agreement for administration of the City/County Service Agreement with the Stanislaus Waste Energy Company (now Covanta Stanislaus) for supply and acceptance of solid waste, and

WHEREAS, since that time, the City has been a partner with Stanislaus County and Covanta Stanislaus in the Stanislaus Resource Recovery Facility (the “Waste-to-Energy” or “WTE” Facility), and

WHEREAS, the Agreement established a Solid Waste-to-Energy Executive Committee (“Executive Committee”), which prepares an annual budget for each fiscal year, and submits said annual budget to the City Council and Board of Supervisors for approval by August 1<sup>st</sup> of a year, and

WHEREAS, said Executive Committee may also recommend adjustments to an approved annual budget as necessary to provide sufficient funding for project activities, and

WHEREAS, the Fiscal Year 2006-07 WTE budget was based on the Assumptions, Revenues, Expenditures and Tip Fee Calculation shown on Attachment A, a copy of which is attached hereto and incorporated herein by reference, and

WHEREAS, at its May 11, 2006, meeting, the Executive Committee also considered the proposed FY 2006/2007 Budget as shown on Attachment B, a copy of which is attached hereto and incorporated herein by reference, and the Executive

Committee unanimously approved forwarding this proposed FY 2006-2007 Budget to the Modesto City Council and the Stanislaus County Board of Supervisors for approval,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves the FY 2006-2007 Waste-to-Energy Project Budget, a copy of which is attached hereto as Attachment B and incorporated herein by reference, as recommended by the Executive Committee.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-395**

**A RESOLUTION APPROVING THE INSTALLATION OF AN ELECTRONIC  
OUTDOOR MESSAGE BOARD ONTO AN OUTSIDE WALL OF THE  
REMODELED MADDUX YOUTH CENTER AT 615 SIERRA DRIVE**

WHEREAS, Acme Construction Company of Modesto has been working on the Maddux Youth Center \$2.3 million Remodel/Addition project for the past ten months, and

WHEREAS, the finishing touches are being applied to the interior walls and ceilings, with completion expected by in mid-June, 2006, and

WHEREAS, staff has determined that due to the expanded programming that will be facilitated at the new Center, a new outdoor electronic message board is needed to advise of upcoming events, classes and activities, and

WHEREAS, the building contractor has been asked to provide a 3-foot tall by 9-foot wide electronic, programmable message board, mounted to the exterior of the 3<sup>rd</sup> Street side of the building, and

WHEREAS, this message board will be lighted and will follow current Municipal Code regulations by being programmed to change copy no more frequently than (5) second intervals,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves the installation of an electronic outdoor message board onto an outside wall of the remodeled Maddux Youth Center at 615 Sierra Drive.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 27<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-396**

**A RESOLUTION APPROVING AN AMENDMENT TO TWO (2) PROMISSORY  
NOTES BETWEEN THE CITY OF MODESTO AND STANISLAUS COUNTY  
AFFORDABLE HOUSING, INC. (STANCO) TO CHANGE THE TERMS OF  
THE PROMISSORY NOTES FOR THE CARVER ESTATES PROJECT AND  
AUTHORIZING THE CITY MANAGER TO EXECUTE THE AMENDMENTS  
TO THE PROMISSORY NOTES**

WHEREAS, the City of Modesto provided two HOME loans to STANCO for the development of Carver Estates, consisting of eighteen (18) affordable apartment units, fourteen (14) units of which are for low-income households and four (4) units are for very low-income households, and

WHEREAS, on November 23, 2005, STANCO submitted an official letter to the City of Modesto indicating that the loan terms, in effect, make STANCO appear unbankable and unable to carry on its mission of developing more affordable housing, and

WHEREAS, this condition is due to the accounting principal that, although the interest of these loans is deferred for 25 years under the terms of both agreements, STANCO is required to book the interest of both loans causing STANCO's financial picture to appear insolvent, and

WHEREAS, STANCO is requesting a change in the terms of the promissory note for both loans executed by STANCO, and

WHEREAS, staff is hesitant to waive the interest in total since future program income could be lost and such action could trigger similar requests by other agencies, further affecting program income and future development of affordable housing, and

WHEREAS, staff understands STANCO's position, however, staff recommended to the CH&CDC that the Carver Estates loans be amended so that interest charges would not accrue for ten (10) years, and

WHEREAS, at its December 9, 2005, meeting, the CH&CDC accepted staff recommendations to defer the interest on the Carver Estates loans for 10 years,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an amendment to two (2) promissory notes between the City of Modesto and Stanislaus County Affordable Housing, Inc. to change the terms of the promissory notes for the Carver Estates project to provide for deferral on interest charges for the first ten (10) years of each loan and directs that such amendments be made to each promissory note.

BE IT FURTHER RESOLVED that said loans shall not accrue interest for the first ten (10) years of each loan.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the amended promissory notes.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 27<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-397**

**A RESOLUTION APPROVING AN AMENDMENT TO THE HOME LOAN AGREEMENT AND PROMISSORY NOTE FOR A LOAN OF \$933,600 FOR THE CONSTRUCTION OF 20 AFFORDABLE RENTAL UNITS IN THE VILLAGE ONE TOWN CENTER HOUSING PROJECT (PREVIOUSLY KNOWN AS BELHARBOR ESTATES) AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE AMENDMENT TO THE HOME AGREEMENT AND PROMISSORY NOTE**

WHEREAS, in fiscal year 2002-2003, the City of Modesto loaned \$245,000 to the Housing Authority to fund project pre-development costs for affordable housing in Village I, and

WHEREAS, the City pledged \$933,600, 80% of that year's HOME funds, for the construction of this project, and

WHEREAS, since the last update to the Council, the project description for the Village One multi-family housing has changed, and

WHEREAS, the Loan Agreement has several provisions which have not been met due to circumstances beyond the control of the Housing Authority, and

WHEREAS, the Housing Authority of the County of Stanislaus is requesting that the City grant the Housing Authority an extension of time under the provisions of the agreement, and

WHEREAS, the Housing Authority is also requesting that the amount of the permanent loan be reduced from \$5,100,000 to \$1,350,000, and

WHEREAS, at its June 23, 2006, meeting, the Citizens Housing and Community Development (CH&CDC) will consider staff recommendations amend the loan agreement and promissory note to reflect these changes, and

WHEREAS, staff will provide Council with any comments and concerns that are brought forth at the CH&CDC meeting,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves an amendment to the HOME Loan Agreement and Promissory Note for a loan of \$933,000 for the construction of 20 affordable rental units in the Village One Town Center Housing project.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the amendment to the loan agreement and amendment to the promissory note.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 27<sup>th</sup> day of June 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2004-564 OF A SECOND HOME INVESTMENT PROGRAM  
LOAN FOR \$1,030,791 FOR THE CONSTRUCTION 20 AFFORDABLE RENTAL  
UNITS IN THE VILLAGE ONE TOWN CENTER HOUSING PROJECT AND  
AUTHORIZING THE CITY MANAGER TO EXECUTE THE HOME LOAN  
AGREEMENT AND RELATED LOAN DOCUMENTS**

WHEREAS, on October 26, 2004, the City Council, by Resolution No. 2004-564, approved an additional allocation of \$1,030,791 from Fiscal Year 2004-2005 HOME funds to the Housing Authority of the County of Stanislaus for the development of the Village One multi-family housing project, and

WHEREAS, at that time, staff submitted a report indicating that this project will add 50 affordable rental units to the City's housing stock, and

WHEREAS, since the last update to the Council, the project description for the Village One multi-family housing has changed, and

WHEREAS, due to the delays in the project, an agreement for the allocation of funds approved in Resolution No. 2004-564 has not been executed, and

WHEREAS, staff is now requesting that the City Council confirm the allocation of these funds, and

WHEREAS, at its June 23, 2006, meeting, the Citizens Housing and Community Development (CH&CDC) will consider staff recommendations for the loan agreement and related loan documents to reflect these changes, and

WHEREAS, staff will provide Council with any comments and concerns that are brought forth at the CH&CDC meeting,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby confirms the approval by Council Resolution No. 2004-564 of a second construction HOME loan for \$1,030,791 for the construction 20 affordable rental units in the Village One Town Center Housing project.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the HOME Loan Agreement and related documents.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-404**

**A RESOLUTION APPROVING AN AGREEMENT WITH STANISLAUS  
COUNTY OFFICE OF EDUCATION IN THE AMOUNT OF \$44,678 FOR THE  
PROVISION OF ONE MODESTO POLICE OFFICER AT PETERSEN  
ALTERNATIVE CENTER FOR EDUCATION (P.A.C.E.) CAMPUS AND  
TRAINING, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE,  
TO EXECUTE THE AGREEMENT**

WHEREAS, the Stanislaus County Office of Education requires one Modesto Police Officer to provide direct law enforcement services, expertise and training and act as a School Police Officer at Petersen Alternative Center for Education (P.A.C.E.) campus, and

WHEREAS, the Modesto Police Department can provide a specially trained, uniformed police officer who will take any enforcement action at the school site, if warranted, and

WHEREAS, the officer's presence with the students provides mentoring and protection of youth in our community, and

WHEREAS, the term of this agreement is August 23, 2006 to June 30, 2007, and

WHEREAS, the City shall be compensated by the Stanislaus Office of Education in the amount of \$44,678 for the services of this Modesto Police Officer, and

WHEREAS, the City will match the amount of \$44,678 in partnership with the Stanislaus County Office of Education,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the agreement between the City of Modesto and the Stanislaus County Office of Education in the amount of \$44,678 for the provision of one Modesto Police Officer at Petersen Alternative Center for Education (P.A.C.E.).

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreement.

**A RESOLUTION AMENDING THE FISCAL YEAR 2005-06 CAPITAL IMPROVEMENT PLAN TO: A) CLOSE OUT MULTI-YEAR ORGANIZATIONS 0400-310-3163 (ROOSEVELT NEIGHBORHOOD PARK), 0400-310-3132 (SHERWOOD PARK PLAY EQUIPMENT REPLACEMENT), 0400-310-3133 (CHRYSLER PARK PLAY EQUIPMENT REPLACEMENT), 0400-310-3134 (WHITMORE PARK PLAY EQUIPMENT REPLACEMENT), 0400-310-3136 (SYLVAN PARK PLAY EQUIPMENT REPLACEMENT); B) INCREASE BUDGETED REVENUES BY \$15,053 AND APPROPRIATE \$15,053 IN EXPENDITURES TO PROJECT 0400-310-3137-6040, CATHERINE EVERETT PLAY EQUIPMENT REPLACEMENT; C) INCREASE BUDGETED REVENUES BY \$35,000 FROM THE PER CAPITA GRANT PROGRAM UNDER THE CALIFORNIA CLEAN WATER, CLEAN AIR, SAFE NEIGHBORHOOD PARKS AND COASTAL PROTECTION ACT OF 2002 AND APPROPRIATE SAID REVENUE TO PROJECT 2300-310-N442-6040, PLAY EQUIPMENT UPGRADES; D) REALLOCATE \$15,053 IN REVENUE FROM THE PER CAPITA GRANT PROGRAM UNDER THE CALIFORNIA CLEAN WATER, CLEAN AIR, SAFE NEIGHBORHOOD PARKS AND COASTAL PROTECTION ACT OF 2002 FROM PROJECT 0400-310-3137, CATHERINE EVERETT PLAY EQUIPMENT REPLACEMENT TO 2300-310-N442-6040, PLAY EQUIPMENT UPGRADES; AND E) REALLOCATE \$24,724 IN REVENUE FROM PARKS INFRASTRUCTURE ACCOUNT 1400-310-M185-6050 TO PROJECT 2300-310-N442-6040, PLAY EQUIPMENT UPGRADES.**

WHEREAS, various multi-year organizations have been established for the purpose of funding play equipment replacement at various neighborhood parks, and

WHEREAS, by Resolution No. 2002-140, the City Council authorized staff to apply for \$1,708,000 in grant funds for the Per Capita grant program under the Safe Neighborhood Parks, Clean Water, Clean Air and Coastal Protection Bond Act of 2000 (Proposition 12), and

WHEREAS, \$500,000 in Proposition 12 Per Capita funding was allocated to various multi-year organizations for playground equipment replacement, and

WHEREAS, several of these projects have been completed and have unexpended funds which may be re-allocated to other playground equipment replacement projects, and

WHEREAS, \$1,578 is available from multi-year organization 0400-310-3163, Roosevelt Neighborhood Park Play Equipment Replacement, and

WHEREAS, \$2,689 is available from multi-year organization 0400-310-3132, Sherwood Neighborhood Park Play Equipment Replacement, and

WHEREAS, \$5,136 is available from multi-year organization 0400-310-3133, Chrysler Neighborhood Park Play Equipment Replacement, and

WHEREAS, \$702 is available from multi-year organization 0400-310-3134, Whitmore Neighborhood Park Play Equipment Replacement, and

WHEREAS, \$4,948 is available from multi-year organization 0400-310-3136, Sylvan Neighborhood Park Play Equipment Replacement, and

WHEREAS, by Resolution No. 2005 -361, the City Council authorized staff to apply for \$873,000 in grant funds for the Per Capita grant program under the California Clean Water, Clean Air, Safe Neighborhood Parks and Coastal Protection Bond Act of 2002 (Proposition 40), and

WHEREAS, staff recommended that \$500,000 of the Proposition 40 Per Capita funding be directed to replacement of playground equipment in neighborhood parks, and

WHEREAS, \$465,000 of the Proposition 40 Per Capita funding has been allocated to replacement of playground equipment in neighborhood parks, and

WHEREAS, the balance of \$35,000 needs to be allocated, and

WHEREAS, \$15,053 in Proposition 40 Per Capita Funds needs to be reallocated from multi-year organization 0400-310-3137, Catherine Everett Play Equipment Replacement to Project 2300-310-N442-6040, Play Equipment Upgrades to accurately reflect Per Capita funding allocations, and

WHEREAS, \$24,724 in the Parks Infrastructure CIP account 1400-310-M185-6050 and is available to be transferred to Project 2300-310-N442-6040, Play Equipment Upgrades to complete the funding needed to award the construction contract,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Fiscal Year 2005-06 Capital Improvement Program is hereby amended to:

1. Close out multi-year organizations 0400-310-3163 (Roosevelt Neighborhood Park), 0400-310-3132 (Sherwood Park Play Equipment Replacement), 0400-310-3133 (Chrysler Park Play Equipment Replacement), 0400-310-3134 (Whitmore Park Play Equipment Replacement), 0400-310-3136 (Sylvan Park Play Equipment Replacement), increase budgeted revenues by \$15,053 and appropriate \$15,053 in expenditures to project 0400-310-3137-6040, Catherine Everett Play Equipment Replacement;
2. Increase budgeted revenues by \$35,000 from the Per Capita grant program under the California Clean Water, Clean Air, Safe Neighborhood Parks and Coastal Protection Act of 2002 and appropriate said revenue to project 2300-310-N442-6040, Play Equipment Upgrades; and
3. Reallocate \$15,053 in revenue from the Per Capita grant program under the California Clean Water, Clean Air, Safe Neighborhood Parks and Coastal

Protection Act of 2002 from project 0400-310-3137, Catherine Everett Play  
Equipment Replacement to 2300-310-N442-6040, Play Equipment Upgrades; and

4. Reallocate \$24,724 from the CIP project 1400-310-M185-6050, Parks  
Infrastructure to project 2300-310-N442-6040, Play Equipment Upgrades.

BE IT FURTHER RESOLVED that the Finance Director, or his designee, is  
hereby authorized to take the necessary steps to implement the provisions of this  
resolution.

The foregoing resolution was introduced at a regular meeting of the Council of  
the City of Modesto held on the 27th day of June, 2006, by Councilmember Hawn, who

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-410**

**A RESOLUTION APPROVING ADJUSTMENTS TO THE MAXIMUM RATES BY MODESTO  
SCHEDULE FOR CITY RESIDENTIAL, COMMERCIAL, AND INDUSTRIAL  
SOLID WASTE COLLECTION SERVICES, AND RESCINDING RESOLUTION  
NO. 2006-060**

WHEREAS, with the adoption of Ordinance No. 3068-C.S. in November of 1997, the City no longer sets rates for the collection of garbage in Modesto, and instead performs a comprehensive review of cost information submitted by the contract garbage haulers, and

WHEREAS, the City sets a maximum rate that the haulers may charge for the various types of services provided under the contracts based on cost data provided by the lowest cost hauler, and

WHEREAS, Section f (2) of the City's Service Agreements with its solid waste collectors requires that when the City makes adjustments to the collection services provided under the Agreements, any additional costs should be covered by adjustments to the maximum rates, and

WHEREAS, in addition, maximum rates for solid waste collection services are reviewed annually as requested by the City's garbage collection companies, and

WHEREAS, the City has conducted an analysis using the audited financial statements provided by the garbage haulers, supplemental data provided by the garbage haulers, and fuel price information and forecast prices developed by the United States Department of Energy, and

WHEREAS, new maximum rates have been calculated, and a recommendation for a new maximum rate schedule has been developed, and

WHEREAS, the Economic Development Committee met on June 12, 2006, and supported the recommendation to approve adjustments to the maximum rate schedule for City solid waste collection services, and

WHEREAS, a report dated June 13, 2006, from the Parks, Recreation and Neighborhoods Department, a copy of which is on file in the office of the City Clerk, sets forth said recommendations, and

WHEREAS, said matter was set for a public hearing of the City Council to be held at 5:30 p.m. on June 27, 2006, in the Tenth Street Place Chambers, located at 1010 Tenth Street, Modesto California, and

WHEREAS, a duly noticed public hearing was held at said time and place, at which time evidence, both oral and documentary, was received and considered, and

WHEREAS, it was found and determined by the Council of the City of Modesto that the existing schedules of rates and charges for garbage service in the City of Modesto should be revised as recommended,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

1. That it hereby approves the Maximum Charges for Garbage Service as attached hereto, marked Exhibit "1" and incorporated herein by reference. Said Maximum Charges for Garbage Service includes twice-a-year bulky item pickup for residential customers and all other residential services as stipulated in the Service Agreements and shall become effective on July 1, 2006, and shall remain in effect until revised by Council.

BE IT FURTHER RESOLVED that any person who has prepaid garbage service charges for residential garbage service shall be entitled to receive garbage service for the balance of said prepaid period at the prepaid rates.

BE IT FURTHER RESOLVED that Resolution No. 2006-060 is hereby rescinded, effective July 1, 2006.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 27<sup>th</sup> day of June, 2006, by Councilmember O'Bryant, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

## MAXIMUM CHARGES FOR GARBAGE SERVICE

### STANDARD CONTAINERS

Maximum Monthly Rates  
(Once a Week Pickup Service)

Standard container service shall include the following:

- One 96-gallon container for garbage/recyclables
- One 96-gallon container for green waste
- Blue bag recycling
- Countertop container for kitchen scraps
- Drop-off of old TV and computer tubes
- Two bulky item collections per year by appointment

Standard container service customers may opt for smaller containers; however, maximum rates apply. Containers must be placed in a location set forth in Section 5-5.11 of the Municipal Code.

#### **1. Standard container service –**

- a. The maximum rate for new sign ups for service or changes in service that occur after July 1, 1996, shall be **\$19.60 per month** regardless of size of container. **A fuel component of \$0.85 per month is included in the maximum rate for the quarter beginning July 1, 2006 and ending September 30, 2006.** The fuel component may be adjusted quarterly.
- b. The maximum rate for each additional garbage container shall be **\$14.62 per month.**

#### **2. 60-gallon container service (grandfathered customers) –**

- a. The maximum rate for customers with 60-gallon containers who subscribed to service at an address prior to July 1, 1996 and who have not changed their service address shall be **\$16.55 per month.** **A fuel component of \$0.85 per month is included in the maximum rate for the quarter beginning July 1, 2006 and ending September 30, 2006.** The fuel component may be adjusted quarterly.
- b. The maximum rate for each additional garbage container shall be **\$14.62 per month.**

- 3. Fuel Component adjustments -** The fuel component shall be analyzed quarterly and adjustments shall be made as necessary. The adjustment shall be based on the average price of fuel for a preceding quarter as follows: July 1/January-March; October 1/April-June; January 1/July-September; April 1/October-December. Average prices shall be determined based on published prices for California from the Department of Energy, Energy Information Agency.

3 CY	152.12	304.24	456.36	608.48	760.60	912.72
4 CY	201.72	403.44	605.16	806.88	1008.60	1210.32

**Roll-Off Type:**

1. **6 CY to 40 CY** \$202.10 per pickup
2. **Medical waste compactors** \$265.00 per pickup
3. **Washing compactor** \$30.00
4. **Disposal Charge:** Actual charge to be paid by customer

### EXTRA PICKUPS

1. **Standard containers or equivalent** \$3.50 plus \$1.38/container
2. **Detachable containers** \$12.00 plus \$2.75/cubic yard

### SPECIAL SERVICE CONDITIONS

In situations where none of the above maximum rates reasonably apply, the cost of service is to be negotiated between the garbage company and the customer.

### DETACHABLE CONTAINER ONLY REPLACEMENT AND CLEANING SERVICE

1 CY	1½ CY	2 CY	3 CY	4 CY	5 CY	6 CY
\$10.12	\$11.00	\$12.10	\$15.40	\$20.24	\$25.08	\$29.92

### NOTATIONS

1. The above maximum rates include a \$0.25 per month per household recycling fee, a \$0.05 per cubic yard commercial recycling fee, and a \$0.25 per ton industrial recycling fee, payable to the City by the garbage company.
2. Pursuant to Section 11-6.16(c)(2) of the Modesto Municipal Code, the garbage company may require a deposit equivalent to two (2) months service charge from customers prior to beginning service.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-411**

**A RESOLUTION APPROVING AN AGREEMENT FOR THE DISPOSITION OF  
THAT CERTAIN REAL PROPERTY IDENTIFIED AS ASSESSORS PARCEL  
NUMBER 106-006-002 (17<sup>th</sup> & G STREETS – “TOWER PARK”) AND  
AUTHORIZING THE CITY MANAGER TO EXECUTE ALL DOCUMENTS  
RELATED TO THE DISPOSITION OF SAID PROPERTY**

WHEREAS, the City of Modesto currently owns one (1) parcel of land (“Parcel”) which is more particularly described as Assessor’s Parcel Number 106-006-002 and is depicted in “Exhibit A” which is attached hereto and made a part hereof by this reference, and

WHEREAS, on May 10, 2005 said Parcel was declared surplus to the City’s needs and Council directed staff to dispose of said Parcel in accordance with applicable laws, and

WHEREAS, all required documents were completed for the publication of said Parcel to qualified buyers in accordance with Section 54220, et seq. of the Government Code of the State of California, and

WHEREAS, in response to said publication, the Modesto Redevelopment Agency expressed interest in acquiring said Parcel for purposes of developing an affordable housing project, and

WHEREAS, at the direction of the City, City staff has completed their negotiations with Agency staff which negotiations included a review of the fair market appraisal provided by the City as well as a review of land market values in proximity to said Parcel, and

WHEREAS, City and Agency staffs have mutually agreed and are recommending that the City sell said Parcel to the Agency for the fair market value of Seven hundred, seventy thousand dollars and no cents (\$770,000), and

WHEREAS, the City did conduct a public hearing on June 27, 2006 to receive input on said disposition,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the disposition of the real property located at 17<sup>th</sup> Street & G Streets in Modesto, California (APN: 106-006-002) to the Modesto Redevelopment Agency in the amount of \$770,000 is hereby approved.

BE IT FURTHER RESOLVED that the City Manager, or designee, is hereby authorized and directed to take all appropriate actions and execute all documents related to said property disposition.

The foregoing resolution was introduced at a special meeting of the City Council of the City of Modesto held on the 27<sup>th</sup> day of June 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

AYES:	Councilmembers:	Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-412**

**A RESOLUTION APPROVING A MITIGATED NEGATIVE DECLARATION  
(SCH No: 2006052134) FOR THE 17<sup>TH</sup> & G STREET PARK (TOWER PARK)  
DISPOSITION FOR AFFORDABLE HOUSING PROJECT**

WHEREAS, on August 15, 1995, the City Council of the City of Modesto certified the Final Master Environmental Impact Report ("Master EIR") (SCH No. 92052017) for the Modesto Urban Area General Plan, and

WHEREAS, on May 10, 2005, the City Council declared the City-owned parcel located at 17<sup>th</sup> & G Streets in the City of Modesto (Assessors Parcel No. 106-006-002) as surplus to the City's needs and directed staff to offer the parcel for sale in accordance with the Government Code (hereinafter referred to as "Project"), and

WHEREAS, Section 21157.1 of the Public Resources Code, relating to reviewing subsequent projects for a Master EIR, states that the lead agency shall prepare an Initial Study on any proposed subsequent project to analyze whether the subsequent project may cause any significant effect on the environment that was not examined in the master environmental impact report as being within the scope of the project, and

WHEREAS, the City's Community & Economic Development Department prepared an Initial Study leading to a Mitigated Negative Declaration (SCH No. 2006052134) which reviewed the proposed subsequent Project to the City's General Plan Master EIR and said Initial Study determined that the property disposition alone would have no direct effects, but that the subsequent development of affordable housing proposed by the Modesto Redevelopment Agency would have new impacts, which

impacts could be reduced to less-than-significant levels by new or additional mitigation measures, and

WHEREAS, the Initial Study/Mitigated Negative Declaration was released for public review pursuant to CEQA Section 21092 in order to avoid or mitigate the identified effects to a point where clearly no significant effect on the environment will occur, and

WHEREAS, Government Code Section 21175.5 permits the adoption of Mitigated Negative Declarations, and

WHEREAS, the City's Community & Economic Development Department by Environmental Assessment Initial Study EA No. 2006-15, determined that a Mitigated Negative Declaration should be adopted for the proposed project under the General Plan Master Environmental Impact Report (SCH No. 92052017), and

WHEREAS, the Draft Mitigated Negative Declaration (SCH No. 2006052134) was released for public review and comment for the required 30-day period ending on June 19, 2006, and

WHEREAS, the Final Mitigated Negative Declaration (SCH No. 2006052134), incorporates all comments received during the circulation period and response to comments, including the Mitigation Monitoring and Reporting Program, and

WHEREAS, no new unavoidable significant effect was identified and mitigation measures or project revisions were required to be added in order to reduce potential effects to less than significance as a result of public comments on the Draft Mitigated Negative Declaration,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it has reviewed and considered the Initial Study/Mitigated Negative Declaration prepared for the proposed Project as defined in this resolution, including the Mitigation Monitoring and Reporting Program, a copy of which is on file with the City Clerk and incorporated herein by reference, and based on the substantial evidence included in said Initial Study makes the following findings:

1. An Initial Study/Mitigated Negative Declaration prepared for the proposed project pursuant to CEQA Section 21157.1, has identified additional significant environmental effects that were not analyzed in the General Plan Master EIR. These additional significant effects are potential impacts to the sale of City park land.
2. No additional mitigation measures, beyond those included in the MEIR, were determined to be required before the Mitigated Negative Declaration and Initial Study were released for public review.
3. There is no substantial evidence in light of the whole record before the public agency that the project, as revised, may have a significant effect on the environment (CEQA Section 21064.5(2)).
4. Based on the above referenced Initial Study and based on the Project as defined in this resolution, no significant effect on the environment will occur and staff finds that a Mitigated Negative Declaration and the Mitigation Monitoring and Reporting Program

should be adopted pursuant to CEQA Section 21157.5 et seq. for the proposed projects.

5. The Mitigated Negative Declaration and the Mitigation Monitoring and Reporting Program will therefore be certified.
6. Finding 1 above provides the substantial evidence to support the certification and adoption of the Initial Study/Mitigated Negative Declaration and City Council finds that the document reflects the independent judgment of the lead agency.
7. As required by CEQA Section 21081.6 et seq., a Mitigation Monitoring and Reporting Program will be adopted by incorporating the mitigation measures into the project plan (Section 21081.6 (b)).

BE IT FURTHER RESOLVED that the project applicant shall indemnify, defend and hold harmless the City of Modesto, its agents, officers, and employees from any and all claims, actions, or proceedings against the City of Modesto, its agents, officers, and employees to attack, set aside, void, or annul, any approval by the City of Modesto and its advisory agency, appeal board, or a legislative body concerning the project. The City of Modesto shall promptly notify the applicant of any claim, action or proceeding and shall cooperate fully in the defense. If the City fails to do so, the applicant shall not thereafter be responsible to defend, indemnify, or hold City harmless.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Community & Economic Development Department Director is hereby authorized and

directed to file a notice of determination within five (5) business days with the Stanislaus County Clerk pursuant to Section 21152 of the Public Resources Code.

The foregoing resolution was introduced at the regular meeting of the Council of the City of Modesto held on the 27<sup>th</sup> day of June 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

Ayes:	Councilmembers:	Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-413**

**A RESOLUTION APPOINTING A WATER BOND FINANCING TEAM  
CONSISTING OF JONES HALL, BOND COUNSEL; STRADLING YOCCA  
CARLSON & RAUTH, DISCLOSURE COUNSEL; PUBLIC FINANCIAL  
MANAGEMENT INC., FINANCIAL ADVISOR; BANC OF AMERICA  
SECURITIES LLC, UNDERWRITER, AND CITY STAFF WITH RESPECT TO  
THE PROPOSED ISSUANCE OF CERTAIN WATER REVENUE BONDS FOR  
FUTURE CONSIDERATION OF COUNCIL, AND AUTHORIZING SAID  
WATER BOND FINANCING TEAM TO PROCEED WITH ACTIONS  
NECESSARY FOR BOND DOCUMENT DEVELOPMENT**

WHEREAS, pursuant to the City of Modesto Water Revenue Bond Law, constituting Chapter 6 of Title VIII of the Modesto Municipal Code (the “Bond Law”), the City of Modesto, California (the “City”) is authorized to issue revenue bonds to provide funds to finance the costs of the acquisition, construction and equipping of improvements to the water system of the City (the “Enterprise”) or for the purpose of refunding bonds issued for such purposes, and

WHEREAS, staff has identified the need to restructure water debt, issue water revenue bonds and prepare for the Modesto Irrigation District to issue bonds which will be considered as parity debt for the City of Modesto, and

WHEREAS, the City desires to appoint certain professionals to assist the City in connection with such proposed issuance, and to authorize such professionals and City staff to take all actions necessary, including the preparation of documents to effect such issuance, for future consideration by this City Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto, that it hereby appoints Jones Hall, San Francisco, California, as Bond Counsel (“Bond Counsel”); Stradling Yocca Carlson & Rauth, A Professional Corporation of Newport

Beach, California, as the Disclosure Counsel to the City in connection with the issuance of water revenue bonds of the City; Public Financial Management Inc., San Francisco, California, as Financial Advisor (“Financial Advisor”), and Banc of America Securities LLC as the Underwriter.

BE IT FURTHER RESOLVED that City staff is hereby authorized and directed to proceed with any and all actions deemed necessary or advisable, including directing the finance professionals appointed pursuant to this Resolution, to begin preparation of documents in connection with the proposed issuance of the City’s water revenue bonds, for future consideration by the City Council

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 27<sup>th</sup> day of June, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the Resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-416**

**A RESOLUTION ADOPTING PIERCE MANUFACTURING'S APPARATUS AS  
THE STANDARD APPARATUS FOR THE MODESTO FIRE DEPARTMENT**

WHEREAS, the Modesto Fire Department uses sixteen engine companies and three truck companies in its current fire/life safety delivery system, and

WHEREAS, front line apparatus consists of twelve engine companies and three truck companies, and

WHEREAS four reserve engines are utilized when front line apparatus are out-of-service for repairs and/or when additional apparatus is needed to maintain our system delivery, and

WHEREAS, in 1989 the Modesto Fire Department established an apparatus committee consisting of our Senior Fire Mechanic and representation from all suppression ranks, and

WHEREAS, their charge was to develop apparatus specifications and to review the capabilities of fire apparatus manufacturing facilities, and

WHEREAS, Pierce Manufacturing was the successful manufacturer during this process, and

WHEREAS, the City has since purchased twelve engines and three trucks from Pierce Manufacturing, and

WHEREAS, product quality, reliability, and technical support realized from Pierce Manufacturing over the past twelve years have contributed to maintaining our operational costs and system reliability, and

WHEREAS, Pierce Manufacturing apparatus is sold in Northern California exclusively through Golden State Fire Apparatus, a business located and operated in the City of Modesto, and

WHEREAS, the Safety and Communities Committee approved this request on May 22, 2006 for recommendation to the full Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby adopts Pierce Manufacturing's apparatus as the standard apparatus for the Modesto Fire Department.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-418**

**A RESOLUTION REJECTING THE SOLE BID FOR SIX (6) NEW, CURRENT YEAR/MODEL UTILITY TRUCKS, AND AUTHORIZING THE PURCHASING MANAGER TO ISSUE A NEW REQUEST FOR BID FOR SIX (6) NEW, CURRENT YEAR/MODEL UTILITY TRUCKS FOR AN ESTIMATED TOTAL COST OF \$332,000**

WHEREAS, the Public Works Department-Fleet Services Division has requested the purchase of six (6), new, current year/model utility trucks, and

WHEREAS, the vehicles requested consist of and will be used as follows:

- One (1), one (1) ton, DRW utility truck-This truck is to replace a current utility truck in the Traffic ENGINEERING Department. The old truck is being replaced because it has reached the end of its service life, and was on the scheduled replacement list approved by Council.
- One (1), crew cab & chassis F550 truck with utility body- This truck is to replace a current pickup in the Streets Department. The old truck is being replaced because it has reached the end of its service life, and was on the scheduled replacement list approved by Council.
- Two (2), Stencil trucks-These trucks are to replace two (2) current Stencil trucks in the Traffic Engineering Department. The old trucks are being replaced because they have reached the end of their service life, and were on the scheduled replacement list approved by Council.
- One (1), ¾ ton, regular cab, 2WD pickup- This truck is to replace a current pickup in the Streets Department. The old pickup is being replaced because it has reached the end of its service life, and was on the scheduled replacement list approved by Council
- One (1), ¾ ton, crew cab, dumping flatbed/liftgate pickup- This truck is to replace a current crew cab pickup with dump at John Therman Ball Field. The old pickup is being replaced because it has reached the end of its service life, and was on, and was on the scheduled replacement list approved by Council

, and

WHEREAS, Resolution No. 2005-381 authorized the Purchasing Supervisor to solicit bids for new vehicles and heavy equipment throughout FY 05/06 through various

competitive processes, with the Purchasing Division coming back to Council for award and authorization, and

WHEREAS, the Purchasing Division solicited formal bids for six (6) new, current year/model utility trucks on Request for Bid (RFB) 0506-29, with a bid opening date of May 16, 2006, and

WHEREAS, twenty-eight (28) vendors were solicited of which five (5) were local vendors, and

WHEREAS, out of twenty-eight (28) vendors solicited, one (1) chose to respond to the RFB, and

WHEREAS, only one bid was received for one (1) crew cab & chassis F550 truck with utility body, with the bid amount exceeding the budgeted amount of \$70,000, and

WHEREAS, the City can achieve the best value for dollars spent by rebidding the six (6) vehicles, and

WHEREAS, Modesto Municipal Code (MMC) Section 8-3.203, requires all purchases, which meet or exceed \$50,000 for material, equipment, or contractual services to be formally bid, and

WHEREAS, the code also states that purchases whose total maximum cost to the City exceeds \$50,000 shall receive preliminary approval of Council (MCC 8-3.203(a)), and

WHEREAS, the six (6) new, current year/model utility trucks received said approval with Resolution No. 2005-381, and

WHEREAS, this Request for Bid (RFB) process conforms to City Code, and

WHEREAS, funds are available in the following accounts: 7210-480-5814-5295 (Fleet Equipment, Replacement), 7210-480-5814-5291 (Fleet Equipment, Replacement), 7210-480-5814-5294 (Fleet Equipment, Replacement), 7210-480-5814-5311 (Fleet Equipment, Replacement), and 7210-480-5814-5290 (Fleet Equipment, Replacement), and 7210-480-5814-5292 (Fleet Equipment, Replacement) in the estimated amount of \$332,000 for six (6) new, current year/model utility trucks, and

WHEREAS, the Purchasing Division and Public Works-Fleet Services Division staff evaluated bids,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby rejects the sole bid received for one (1) crew cab & chassis F550 truck with utility body, and authorizes the Purchasing Manager to issue a new Request for Bid for six (6) new, current year/model utility trucks for the estimated total cost of \$332,000.

BE IT FURTHER RESOLVED that the Purchasing Manager is hereby authorized to issue a new Request for Bid (0506-29-1) for six (6) new, current year/model utility trucks as set forth herein.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 5<sup>th</sup> day of July 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-419**

**A RESOLUTION AUTHORIZING THE PERSONNEL DIRECTOR TO  
PREPARE AND RELEASE A REQUEST FOR PROPOSALS FOR A  
PROFESSIONAL SERVICES CONTRACT TO CONDUCT A  
COMPREHENSIVE CLASSIFICATION STUDY OF SELECT POSITIONS FOR  
THE CITY OF MODESTO**

WHEREAS, the City's Classification Plan is long overdue for a comprehensive review, and

WHEREAS, the City Council has entered into agreements with the Modesto City Employees' Association (MCEA) and the Modesto Confidential and Management Association (MCMA), to conduct a comprehensive study of all positions that had not been reviewed within the 18 month period prior to the implementation of this comprehensive review, and

WHEREAS, the review will also exclude positions subject to review by the Clerical Review Committee, and

WHEREAS, this review will include non-sworn management classifications in the unrepresented group, and

WHEREAS, a comprehensive review is beyond the workload capacity of Personnel Department staff, and

WHEREAS, existing policy requires Council approval of all Requests for Proposals in excess of \$50,000. This study is anticipated to exceed \$50,000,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Personnel Director is hereby authorized to prepare and release a Request for Proposals as follows:

SECTION 1. The City Clerk is hereby authorized to call for public competitive sealed proposals for a Comprehensive Classification Study for the City of Modesto to be opened in the office of the City Clerk, 1010 Tenth Street, in the City of Modesto. The City Clerk shall be directed to give notice inviting such sealed proposals in the time, form, and manner provided by law.

SECTION 2. After the sealed proposals are opened, they shall be tabulated and analyzed and a report submitted to Council.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 5th day of July 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the resolution adopted by the following vote:

WHEREAS, the City Council desires to provide training for designated management and employee association representatives in interest-based bargaining principles and techniques and provide negotiations facilitation services, and

WHEREAS, the FY 06-07 costs associated with this training and negotiations facilitation with the Modesto City Fire Fighters Association are estimated at \$26,000, and

WHEREAS, this expenditure has not yet been budgeted,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Fiscal Year 2006-07 Operating Budget is hereby amended to transfer \$26,000 from the General Fund Reserve, 0100-800-8000-8003, to Personnel Department, Professional Services, 0100-030-0301-0235.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5<sup>th</sup> day of July 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-422**

**A RESOLUTION APPROVING THE PLANS & SPECIFICATIONS FOR THE “RECONSTRUCTION OF THE SYLVAN AVENUE AND ROSELLE AVENUE INTERSECTION”, ACCEPTING THE BID AND APPROVING A \$2,819,992.25 CONTRACT WITH A. TEICHERT & SON, INC., DBA TEICHERT CONSTRUCTION, FOR THE PROJECT TITLED, “RECONSTRUCTION OF THE SYLVAN AVENUE AND ROSELLE AVENUE INTERSECTION” AND AUTHORIZING THE DISTRICT ADMINISTRATOR TO EXECUTE THE CONTRACT, AND FINDING THAT THE PROJECT IS WITHIN THE SCOPE OF THE PREVIOUSLY CERTIFIED VILLAGE ONE SPECIFIC PLAN PROGRAM EIR, AS AMENDED BY THE VILLAGE ONE SUPPLEMENTAL EIR AND THE ADDENDUM TO THE EIR (SCH NO. 90020181)**

WHEREAS, City staff has recommended approval of the plans and specifications for the “Reconstruction of The Sylvan Avenue and Roselle Avenue Intersection” project, and

WHEREAS, the bid received for “Reconstruction of the Sylvan Avenue and Roselle Avenue Intersection” project was opened at 11:00 a.m. on June 6, 2006, and later tabulated by the Public Works Director for the consideration of the Council, and

WHEREAS, the Public Works Director has recommended that the bid of \$2,819,992.25 received from Teichert Construction, be accepted as the lowest responsible bid and the contract be awarded to Teichert Construction, and

WHEREAS, the City Council has received and considered the Written Checklist, Environmental Assessment No. EA/PW No. 2005-17, that concludes that the project entitled “Reconstruction of the Sylvan Avenue and Roselle Avenue Intersection,” is within the scope of the previously certified Village One Specific Plan Program EIR, as amended by the Village One Supplemental EIR and the Addendum to the EIR (SCH No.

90020181), and that, pursuant to Sections 15168(c) and 15182 of the CEQA Guidelines, no new environmental review is required,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the plans and specifications for said project, and accepts the bid of Teichert Construction, in the amount of \$2,819,992.25, and hereby awards Teichert Construction, the contract titled "Reconstruction of the Sylvan Avenue and Roselle Avenue Intersection."

BE IT FURTHER RESOLVED that the District Administrator, or his designee, is hereby authorized to execute the contract.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby finds and determines:

1. As per Sections 15168(c) and 15182 of the California Environmental Quality Act ("CEQA") Guidelines, this Project is within the scope of the projects covered by the Village One Program EIR, as amended by the 1994 Supplemental EIR and the 2003 Addendum to the EIR ("Program EIR") and no new environmental document or findings are required by CEQA.
2. There are no substantial changes proposed in the Project which result in new significant environmental effects or a substantial increase in the severity of previously identified significant effects and, therefore, no major revisions to the Program EIR are required.
3. No substantial changes have occurred with respect to the circumstances under which the Project is undertaken which will result in

new significant environmental effects or a substantial increase in the severity of previously identified significant effects and therefore, no major revisions to the Program EIR, are required.

4. There is no new information of substantial importance that was not known and could not have been known with the exercise of reasonable diligence when the Program EIR, was adopted which shows any of the following:

- a. one or more significant effects which is not discussed in the Program EIR; or,
- b. significant effects which were previously examined will be substantially more severe than previously shown; or,
- c. previously infeasible mitigation measures or alternatives are now feasible and would substantially reduce one or more significant effects of the project, but the Project proponents decline to adopt the mitigation measure or alternative; or,
- d. mitigation measures or alternatives which are considerably different from those analyzed in the Program EIR would substantially reduce one or more significant effects on the environment, but the Project proponents decline to adopt the mitigation measure or alternative.

The City Council has received and considered the Written Checklist, Environmental Assessment EA/PW No. 2005-17, which provides the substantial evidence to support findings 1-4 above.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 5<sup>th</sup> day of July 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-423**

**A RESOLUTION AMENDING THE FY 06-07 OPERATING AND CAPITAL IMPROVEMENT PROGRAM BUDGET TO DECREASE THE WATER CONTINGENCY ACCOUNT NUMBER 6100-800-8000-8003 BY \$175,354 TO INCREASE A NEW CIP FOR SYLVAN/ROSELLE ROUNDABOUT WATER IMPROVEMENTS-SECONDARY CONSTRUCTION ACCOUNT NUMBER 6180-480-W798-6040 BY \$159,413 AND CONSTRUCTION ADMINISTRATION ACCOUNT NUMBER 6180-480-W798-6060 BY \$15,941**

WHEREAS, the Village One Facilities Master Plan was updated in May 2003 and contains a prioritization list that contains all of the infrastructure projects that remain to be built in Village One, and

WHEREAS, the Sylvan/Roselle intersection improvement project was listed as a Priority 1 project, and

WHEREAS, the Sylvan/Roselle intersection improvement project includes the extension of waterlines that are part of the ultimate distribution and transmission grid identified by West Yost & Associates in the Hydraulic Model and the Tivoli Capacity Study, and

WHEREAS, this budget amendment is to provide funding for this project to include the following water line extensions and necessary valves: 1) Extension of 700 feet of 12" water line from the Sylvan/Roselle intersection up Roselle Avenue to the project limits, 2) Extension of 717 feet of 12" water line from the Sylvan/Roselle intersection west along Sylvan to the project limits, and 3) Extension of 421 feet of 16" water line from the Sylvan/Roselle intersection up Roselle Avenue, and

WHEREAS, the primary purpose for installing this waterline at this time is to avoid cutting new pavement at a later date, and

WHEREAS, these water improvements including valves and connections total \$175,354 for construction and construction management, and

WHEREAS, funds were not included in the Village One #2 Community Facilities District to pay for these water improvements, and

WHEREAS, the water improvement portion of Teichert Construction's contract (and associated construction management costs) will be funded under the new secondary CIP Account 6180-480-W798-Sylvan/Roselle Roundabout Water Improvements-Secondary by a transfer of funds to decrease the Water Contingency Account 6100-800-8000-8003 by \$175,354, and

WHEREAS, these costs will be ultimately paid by connection charges and development fees,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a reduction of \$175,354 from the Water Contingency (6100-800-8000-8003), and an increase of \$159,413 to the new CIP for Sylvan/Roselle Roundabout Water Improvements – Secondary Construction Account (6180-480-W798-6040) and \$15,941 to Construction Administration Account (6180-480-W798-6060).

BE IT FURTHER RESOLVED that the Finance Director, or his designee, is hereby authorized to take the steps necessary to amend the Capital Improvement Program Budget.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 5<sup>th</sup> day of July 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-424**

**A RESOLUTION APPROVING AN AMENDMENT TO AGREEMENT WITH MARK THOMAS & COMPANY, INC., FOR DESIGN AND RIGHT-OF-WAY SUPPORT SERVICES IN THE AMOUNT OF \$26,213.00, CONTRACT TOTAL OF \$204,900.00, FOR ADDITIONAL WORK NOT INCLUDED IN THE ORIGINAL AGREEMENT AND FOR REIMBURSABLE EXPENSES FOR THE PROJECT TITLED “PELANDALE AVENUE AT SISK ROAD AND STATE ROUTE 99 NORTHBOUND ON RAMP”, AND AUTHORIZING THE CITY MANAGER, OR DESIGNEE, TO EXECUTE THE AMENDMENT TO AGREEMENT**

WHEREAS, on September 7, 2004, the City Council by Resolution No. 2004-451 adopted the 2004/2005 Capital Improvement Program, and

WHEREAS, the 2004/2005 Capital Improvement Program included an intersection improvement project titled, “CIP H424: Pelandale Avenue - Sisk Road to SR99 Northbound On-Ramp”, and

WHEREAS, the intersection improvements at Pelandale Avenue at Sisk Road to SR99 Northbound On-Ramp are scheduled to commence in fiscal year 2006, and

WHEREAS, the project scope of work proposes extending the outside lane on Pelandale Avenue at the Costco frontage to Sisk Road and adding merging and weaving capacity for traffic entering the northbound SR99 on-ramp from Pelandale Avenue and Sisk Road, and

WHEREAS, extending the outside lane requires adjustment of existing MID irrigation lines; and adding the merging lane at the SR99 on-ramp requires additional right-of-way support services as determined by the City Attorney for right-of-way acquisition along the Pelandale, and

WHEREAS, the City has evaluated the cost and time benefit of phasing the MID irrigation line adjustment and the additional right-of-way support services in this combined amendment,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Amendment to Agreement with Mark Thomas & Company, Inc., for additional work to CIP H424: Pelandale Avenue - Sisk Road to SR99 Northbound On-Ramp in the amount of \$26,213 (Twenty-Six Thousand Two Hundred Thirteen Dollars) for providing complete plans, specifications, and cost estimates for extending the MID 30 inch irrigation line at Pelandale Avenue and Sisk Road, and providing additional Right-of-Way support services for the impacted parcels as requested by the City Attorney.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Amendment to Agreement.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 5<sup>th</sup> day of July 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-425**

**A RESOLUTION APPROVING AND ADOPTING THE WATER SUPPLY ASSESSMENT (WSA) PREPARED FOR THE PROPOSED TIVOLI PROJECT (PROJECT), LOCATED IN THE NORTHEAST AREA OF THE CITY SPHERE OF INFLUENCE, WITHIN THE ROSELLE – CLARIBEL COMPREHENSIVE PLANNING DISTRICT (CPD) BORDERED BY SYLVAN AVENUE ON THE SOUTH, OAKDALE ROAD ON THE WEST AND ROSELLE AVENUE ON THE EAST. THE WSA HAS DETERMINED THAT AN ASSURED LONG-RANGE WATER SUPPLY FOR THE PROJECT CAN BE MADE ON THE CONDITION THAT TWO NEW WELLS IN THE VICINITY OF THE PROJECT ARE CONSTRUCTED TO ACCESS THE GROUNDWATER SUPPLY IN ADDITION TO THE PHASE 2 MODESTO IRRIGATION DISTRICT (MID) PROJECT AND CONJUNCTIVE USE WATER MANAGEMENT MEASURES AS IDENTIFIED IN THE WSA**

WHEREAS, Senate Bill 610 (SB 610) requires water suppliers to conduct Water Supply Assessment (WSA) studies for projects meeting the legislative criteria to determine if a sufficient water supply is available to meet the demands of the proposed project, and requires the governing legislative body to approve and adopt such assessments, and

WHEREAS the proposed Tivoli Project (Project) is 480 acres of land, located in the northeast area of the City Sphere of Influence within the Roselle –Clarabelle Comprehensive Planning District (CPD) bordered by Sylvan Avenue on the south Oakdale Road on the west and Roselle Avenue on the east, proposed to be developed with mixed use of low, medium, medium high density residential dwelling units, neighborhood and regional commercial uses, mixed use commercial, professional office, elementary school site and park open space, and

WHEREAS, Public Works staff completed a WSA for the Project, and

WHEREAS, a determination was made that an assured water supply for the Project is available on the condition that two new wells be developed in the vicinity of the Project prior to its completion in addition to the implementation of the Phase 2 Modesto Irrigation District (MID) project and conjunctive use water management measures as outlined in the WSA.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Water Supply Assessment dated July 2006 for the proposed Tivoli Specific Plan is hereby approved and adopted, a copy of which is on file with the City Clerk.

BE IT FURTHER RESOLVED that pursuant to the California Water Code Section 10912, the Council hereby finds and determines that an assured water supply is available to meet the demands of the proposed Tivoli Specific Plan, and that the WSA for the proposed Tivoli Specific Plan provides substantial evidence to support this determination.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 5th day of July 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION ACCEPTING THE WASTEWATER/SEWER NEAR TERM  
CAPACITY FUNDING REPORT AND DIRECTING STAFF TO RETURN WITH  
A PLAN TO COMPLETE THE FINANCING FOR THE PHASE 1 AND PHASE  
1A CAPITAL COSTS**

WHEREAS, the City Council has reviewed the Wastewater/Sewer Near Term Capacity Funding Report; and

WHEREAS, the Wastewater/Sewer Near Term Capacity Funding Report recommends a plan for financing those costs that are necessary to meet the near term capacity needs of the wastewater system; and

WHEREAS, the City Council concurs with the recommendations contained in the Wastewater/Sewer Near Term Capacity Funding Report;

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby accepts the Wastewater/Sewer Near Term Capacity Funding Report and directs city staff to return with a plan to complete the financing for the Phase 1 and Phase 1A capital costs.

BE IT FURTHER RESOLVED that this resolution shall become effective immediately upon adoption.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 5<sup>th</sup> day of July 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-427**

**A RESOLUTION APPROVING THE STANISLAUS COUNTY 30-YEAR  
COUNTYWIDE TRANSPORTATION FINANCIAL EXPENDITURE PLAN  
(EXPENDITURE PLAN) AND AUTHORIZING THE IMPOSITION OF A ONE  
HALF OF ONE PERCENT TAX ON RETAIL TRANSACTIONS TO FUND  
PROGRAMS AND PROJECTS DESCRIBED IN THE EXPENDITURE PLAN**

WHEREAS, the Stanislaus Council of Governments is designated the Stanislaus County Local Transportation Authority (Authority), pursuant to the provisions of Public Utilities Code Section I, Division 19 commencing with Section 180000, and

WHEREAS, pursuant to the provisions of the Public Utilities Code, a retail transactions and use tax ordinance applicable in the incorporated and unincorporated territory of a county may be imposed by the Authority if the tax ordinance is adopted by a two-thirds vote of the Authority and imposition of the tax is subsequently approved by a two-thirds vote of the electors voting on the measure at an election called for that purpose by the Board of Supervisors, at the request of the Authority, and a county transportation expenditure plan is adopted, and

WHEREAS, pursuant to the provisions of Public Utilities Code the Expenditure Plan which supports the tax ordinance must be approved by the Board of Supervisors and the city councils representing both a majority of the cities in the county and a majority of the population residing in the incorporated areas of the county, and

WHEREAS, the Stanislaus County 30-Year Countywide Transportation Financial Expenditure Plan (Expenditure Plan) was prepared by the Stanislaus Council of Governments in concert with community leaders, elected officials, management and

technical staff from member cities and the County and interested members of the general public, and

WHEREAS, the Expenditure Plan is aimed at remedying the existing and future deficiency in transportation funding in Stanislaus County while promoting reduced traffic congestion and improved air quality, and

WHEREAS, the Expenditure Plan calls for pavement management, street repairs, safety and operational improvements on local streets and roads, projects to reduce congestion on streets and highways, commuter rail transit and paratransit for seniors and disabled persons, and

WHEREAS, revenue to fund the Expenditure Plan will come from the passage of the one half percent (1/2 %) sales tax and will be limited to a 30-year period.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Stanislaus County 30-year Expenditure Plan.

BE IT FURTHER RESOLVED that the Council hereby authorizes the imposition of a one-half of one percent tax on retail transactions to fund programs and projects described in the Stanislaus County 30-year Expenditure Plan, a copy of which is on file in the Office of the City Clerk.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 5<sup>th</sup> day of July 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION APPROVING AMENDMENT NO. 1 TO THE STANDARD CONSULTANT AGREEMENT BETWEEN THE CITY OF MODESTO AND GEORGE OSNER, AICP, FOR ON-CALL PLANNING AND ENVIRONMENTAL SUPPORT SERVICES FOR THE COMMUNITY & ECONOMIC DEVELOPMENT DEPARTMENT AND PUBLIC WORKS DEPARTMENT, IN AN AMOUNT NOT TO EXCEED \$90,000 AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE AGREEMENT**

WHEREAS, on November 14, 2005, the City of Modesto entered into a Standard Agreement for consultant services with George Osner, AICP, Planning Consultant, to provide planning services for the Community & Economic Development Department, in an amount not to exceed \$49,000, and

WHEREAS, the term of the current agreement continues through acceptance of payment for all services authorized by the City, in an amount not to exceed \$49,999, and services rendered as of June 21, 2006 total \$49,999, and

WHEREAS, Mr. Osner, AICP, is currently providing planning services to the Community & Economic Development Department, including interpreting and applying environmental quality laws, and regulations to ensure City projects are in compliance with State and Federal laws, assisting in preparing request for proposals, preparing amendments to the Zoning Code for review and consideration, preparing ordinances for review and consideration, developing recommendations and preparing planning reports on various development proposals and applications and special studies, preparing appropriate planning, statistical, financial and narrative reports with technical studies, preparing planning applications, brochures and handout material associated with the development review process, and

WHEREAS, Amendment No. 1 to the Standard Consultant Agreement with George Osner, AICP, Planning Consultant, expands the services to include planning services to the Community & Economic Development, Planning Division and to the Public Works Department, Capital Improvement Services Division, and

WHEREAS, the Community & Economic Development Department, Planning Division and the Public Works Department, Capital Improvement Services Division

perform a number of tasks requiring planning, environmental and processing support services that, because of workload levels, and/or staff experience, are beyond the ability of the City's planning and engineering staff to accomplish in a timely manner, and

WHEREAS, the Community & Economic Development Department, Planning Division, and the Public Works Department, Capital Improvement Services Division has utilized the services of specialized consulting firms to perform targeted planning services, and

WHEREAS, George Osner, AICP, is familiar with the City's standards, policies, municipal code and operating procedures, having provided prior services in conjunction with the City's overall urban and environmental planning efforts, and has demonstrated satisfactory services to the City on past and current projects, and

WHEREAS, staff has selected Mr. Osner, AICP, to provide on-call planning and environmental support services because of his extensive experience in the planning field and on similar projects, and

WHEREAS, Mr. Osner, AICP, will be paid on an hourly basis for actual hours required to perform specific tasks orders at a set rate, and

WHEREAS, funding for the services to the Community and Economic Development Department is allocated in the FY 06/07 CEDD budget in the amount of \$50,000, located in the 0235 Professional Services Object of organization 1430, and

WHEREAS, costs for on-call environmental planning support services for the Public Works Department, Capital Improvement Services (CIS) Division, will not exceed \$40,000.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves Amendment No. 1 to the Agreement between the City of Modesto and George Osner, AICP, Planning Consultant, for on-call planning and environmental support services for the Community & Economic Development Department, Planning Division and Public Works Department, Capital Improvement Services Division in an amount not to exceed \$90,000, a copy of which is on file in the City Clerk's office.

## STANDARD AGREEMENT FOR CONSULTANT SERVICES

THIS AGREEMENT, made and entered into in the City of Modesto, State of California, this \_\_\_ day of \_\_\_\_\_, 2006 by and between the CITY OF MODESTO, a municipal subdivision of the State of California, hereinafter referred to as "CITY", and Marcia Herrmann Design, \_\_\_\_\_, hereinafter referred to as "CONSULTANT".

This Agreement is made with regard to the following recitals:

A. The CITY intends to create a comprehensive marketing plan that is intended to compliment and supplement the marketing efforts of The Stanislaus County Alliance by focusing on the following four targeted areas: (1) Modesto Area Commercial Brokers, (2) Local Business which are experiencing strong growth, with an emphasis on the Financial and Medical sectors, (3) Local Branches of Regional or National Companies which are experiencing strong growth. (Satellites) and, (4) Agribusiness companies with emphasis on technology.

B. The CITY has determined that it needs assistance with the preparation of said marketing plan.

C. CONSULTANT represents that it is qualified, willing and able to provide the design and marketing assistance referenced above.

D. CONSULTANT acknowledges that it will coordinate its work with the CITY's Business Development Division team members including the CITY's management staff, as needed.

NOW, THEREFORE, in consideration of this agreement, and the mutual promises, covenants, and stipulations hereinafter contained, the parties agree as follows:

### 1. SCOPE OF SERVICES.

CONSULTANT shall undertake and complete the preparation of the scope of work as set forth and described in the documents attached hereto and referred to as Exhibit "A" or "project". The CONSULTANT shall perform the services as described in Exhibit "A" in a manner compatible with the standards of its profession, and shall produce a fully complete project that is acceptable to CITY.

**2. TERM OF AGREEMENT.**

This Agreement is effective as of the date first above written and will continue in effect until CITY's acceptance of and payment for all services authorized by CITY and performed by CONSULTANT, unless terminated earlier in accordance with the provisions of the termination clause in this Agreement.

CITY hereby gives CONSULTANT notice to proceed with the preparation of the project in the manner described in Exhibit "A", as of the effective date of this agreement. CONSULTANT shall diligently proceed with the preparation of the project and agrees to complete said preparation within the time period set forth in Exhibit "A", as measured from the date this Agreement is signed by the City Manager.

**3. COMPENSATION.**

CONSULTANT agrees to work on a time and materials basis for a sum not to exceed \$ 36,000, as remuneration for performing the services called for in Exhibit "A", which is attached hereto and incorporated herein by this reference, and for performance by CONSULTANT of all of its duties and obligations under this Agreement. Monthly billing of time and materials shall be based upon the current schedule of hourly rates set forth in Exhibit "A".

**4. OBLIGATIONS OF CONSULTANT.**

Throughout the term of this Agreement, CONSULTANT shall possess, or secure all licenses, permits, qualifications and approvals legally required to conduct business. CONSULTANT warrants that it has all of the necessary professional capabilities and experience, as well as all tools, instrumentalities, facilities and other resources necessary to provide the CITY with the services contemplated by this Agreement. CONSULTANT further warrants that it will follow the best current, generally accepted and professional practices to make findings, render opinions, prepare factual presentations, and provide professional advice and recommendations regarding this project.

**5. PERFORMANCE BY KEY EMPLOYEE.**

CONSULTANT has represented to CITY that Marcia Herrmann will be the person primarily responsible for the performance of the services referred to in this Agreement. CITY has entered into this Agreement in reliance on that representation by CONSULTANT.

**6. OWNERSHIP OF DOCUMENTS/TITLE TO DATA.**

**Ownership of Documents**

All reports, drawings, designs, graphics, working papers and other incidental work or materials furnished hereunder shall become and remain the property of the CITY, and may be used by CITY as it may require without any additional cost to CITY. No reports shall be used by the CONSULTANT for purposes other than this contract without the express prior written consent of CITY. Any reuse of such materials by CITY for any project other than the project which is the subject of this agreement shall be at CITY's sole risk.

## **Title to Data**

If, as a part of the agreement, CONSULTANT is required to produce data such as, but not limited to, drawings, plans, specifications, calculations, models, flow diagrams, visual aids and other related materials, the originals of all such data generated under this agreement will be delivered to CITY upon the completion or termination of services under the contract.

All materials, documents, data or information obtained from the CITY data files or any CITY medium furnished to CONSULTANT in the performance of this Agreement will at all times remain the property of the CITY. Such data or information may not be used or copied for direct or indirect use by CONSULTANT after termination of this Agreement without written consent of the CITY.

### **7. NEWS AND INFORMATION RELEASE.**

CONSULTANT agrees that it will not issue any news releases in connection with either the award of this Agreement, or any subsequent amendment of or efforts under this Agreement, without first obtaining review and approval of said news releases from CITY through the City Manager.

### **8. INTEREST OF CONTRACTOR.**

CONSULTANT warrants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. CONSULTANT warrants that, in performance of this Agreement, CONSULTANT shall not employ any person having any such interest. CONSULTANT agrees to file a Statement of Economic Interests with the City Clerk at the start and end of this contract if so required at the option of CITY.

9. **AMENDMENTS.**

Both parties to this Agreement understand that it may become desirable or necessary during the execution of this Agreement, for CITY or CONSULTANT to modify the scope of services provided for under this Agreement. Any material extension or change in the scope of work shall be discussed with CITY and the change and cost shall be memorialized in a written amendment to the original contract prior to the performance of the additional work.

Until a change order is so executed, CITY will not be responsible to pay any charges CONSULTANT may incur in performing such additional services, and CONSULTANT shall not be required to perform any such additional services.

10. **INDEPENDENT CONTRACTOR.**

All acts of CONSULTANT, its agents, officers, and employees and all others acting on behalf of CONSULTANT relating to the performance of this Agreement, shall be performed as independent contractors and not as agents, officers, or employees of CITY. CONSULTANT, by virtue of this Agreement, has no authority to bind or incur any obligation on behalf of CITY. CONSULTANT has no authority or responsibility to exercise any rights or power vested in the CITY. No agent, officer, or employee of the CITY is to be considered an employee of CONSULTANT. It is understood by both CONSULTANT and CITY that this Agreement shall not under any circumstances be construed or considered to create an employer-employee relationship or a joint venture.

CONSULTANT, its agents, officers and employees are and, at all times during the terms of this Agreement, shall represent and conduct themselves as independent contractors and not as employees of CITY.

CONSULTANT shall determine the method, details and means of performing the work and services to be provided by CONSULTANT under this Agreement. CONSULTANT shall be responsible to CITY only for the requirements and results specified in this Agreement, and, except as expressly provided in this Agreement, shall not be subjected to CITY's control with respect to the physical action or activities of the CONSULTANT in fulfillment of this Agreement. CONSULTANT has control over the manner and means of performing the services under this Agreement. CONSULTANT is permitted to provide services to others during the same period service is provided to CITY under this Agreement. If necessary, CONSULTANT has the responsibility for employing other persons or firms to assist CONSULTANT in fulfilling the terms and obligations under this Agreement.

If in the performance of this Agreement any third persons are employed by CONSULTANT, such persons shall be entirely and exclusively under the direction, supervision, and control of CONSULTANT. All terms of employment including hours, wages, working conditions, discipline, hiring, and discharging or any other term of employment or requirement of law shall be determined by the CONSULTANT.

It is understood and agreed that as an independent contractor and not an employee of CITY neither the CONSULTANT or CONSULTANT's assigned personnel shall have any entitlement as a CITY employee, right to act on behalf of the CITY in any capacity whatsoever as an agent, or to bind the CITY to any obligation whatsoever.

It is further understood and agreed that CONSULTANT must issue W-2 forms or other forms as required by law for income and employment tax purposes for all of CONSULTANT's personnel.

As an independent contractor, CONSULTANT hereby indemnifies and holds CITY harmless from any and all claims that may be made against CITY based upon any contention by any third party that an employer-employee relationship exists by reason of this Agreement.

**11. ASSIGNMENT.**

Neither this Agreement nor any portion thereof shall be subcontracted or assigned without the express prior written consent of the CITY in each and every instance.

**12. PATENT/COPYRIGHT MATERIALS.**

Unless otherwise expressly provided in the contract, CONSULTANT shall be solely responsible for obtaining the right to use any patented or copyrighted materials in the performance of this Agreement. CONSULTANT shall furnish a warranty of such right to use to CITY at the request of CITY.

**13. NOTICES.**

Any and all notices permitted or required to be given hereunder shall be deemed duly given and effective (1) upon actual delivery, if delivery is by hand; or (2) five (5) days after delivery into the United States mail if delivery is by postage paid registered or certified (return receipt requested) mail. Each such notice shall be sent to the parties at the address respectively indicated below or to any other address as the respective parties may designate from time to time.

FOR CONSULTANT: Marcia Herrmann

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

FOR CITY: City of Modesto  
Attention: Linda Boston  
1010 Tenth Street, Suite 3300

14. **INSURANCE REQUIREMENTS.**

The CONSULTANT shall provide at its own expense and maintain at all times the following insurance with insurance companies licensed in the State of California and shall provide evidence of such insurance to the CITY as may be required by the Risk Manager of the CITY. The policies or certificates thereof shall provide that, thirty (30) days prior to cancellation or material change in the policy, notices of same shall be given to the Risk Manager of the CITY by registered mail, postage pre-paid, for all of the following stated insurance policies.

(a) Worker's Compensation - in compliance with the statutes of the State of California, plus employer's liability with a minimum limit of liability of \$500,000.

(b) General Liability insurance with a minimum limit of liability per occurrence of \$1,000,000 for bodily injury and \$100,000 for property damage or \$1,000,000 combined single limit. This insurance shall indicate on the certificate of insurance the following coverages and indicate the policy aggregate limit applying to: premises and operations; broad form contractual; independent CONSULTANTS and subcontractors; products and completed operations; and professional liability.

(c) Automobile Liability insurance with a minimum limit of liability per occurrence of \$1,000,000 for bodily injury and \$100,000 for property damage or \$1,000,000 combined single limit. This insurance shall cover any automobile for bodily injury and property damage.

(d) Professional Liability insurance with a minimum limit of \$1,000,000 per claim and policy aggregate.

If at any time any of said policies shall be unsatisfactory to the CITY, as to form or substance, or if a company issuing such policy shall be unsatisfactory to the CITY, the CONSULTANT shall promptly obtain a new policy, submit the same to the Risk Manager for approval and submit a certificate thereof as hereinabove provided. Upon failure of the CONSULTANT to furnish, deliver or maintain such insurance and certificates as above provided, this Agreement, at the election of the CITY, may be forthwith declared suspended, or terminated. Failure of the CONSULTANT to obtain and/or maintain any required insurance shall not relieve the CONSULTANT from any liability under this Agreement, nor shall the insurance requirements be construed to conflict with or otherwise limit the obligations of the CONSULTANT concerning indemnification. The CITY, its agents, officers, employees, and volunteers shall be named as an additional insured on all insurance policies required herein, except Workers' Compensation and Professional Liability. The Workers' Compensation insurer shall agree to waive all rights of subrogation against the CITY, its agents, officers, employees, and volunteers for losses arising from work performed by CONSULTANT for the CITY. The CONSULTANT's insurance policy(ies) shall include a provision that the coverage is primary as respects the CITY; shall include no special limitations to coverage provided to additional insured; and, shall be placed with insurer(s) with acceptable Best's rating of A:VII or with approval of the Risk Manager.

The CONSULTANT must deliver certificates evidencing existence of the insurance called for in the contract specifications to the City Clerk at the time the contract is signed. CONSULTANT shall provide CITY with separate endorsements evidencing proof of the CITY's additional insured status as to both the general liability and

automobile liability insurance policies. In addition, CONSULTANT shall provide CITY with a Workers Compensation subrogation waiver by way of a separate endorsement. All endorsements referenced above must include the applicable policy number.

For any claims related to this project, the CONSULTANT'S insurance coverage shall be primary insurance as respects the Entity, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the Entity, its officers, officials, employees, or volunteers shall be excess of the CONSULTANT'S insurance and shall not contribute with it.

## **15. TERMINATION OF AGREEMENT.**

### **Termination on Occurrence of Stated Events**

This Agreement shall terminate automatically on the date on which any of the following events occur: (1) bankruptcy or insolvency of CONSULTANT, (2) legal dissolution of CONSULTANT, or (3) death of key principal(s) of CONSULTANT.

### **Termination by CITY for Default of CONSULTANT**

Should CONSULTANT default in the performance of this Agreement or materially breach any of its provisions, at its option CITY may terminate this Agreement by giving written notification to CONSULTANT. The termination date shall be the effective date of the notice. For the purposes of this section, material breach of this Agreement shall include but not be limited to any of the following: failure to perform required services or duties, willful destruction of CITY's property by CONSULTANT, dishonesty or theft.

### **Termination by CONSULTANT for Default of CITY**

Should CITY default in the performance of this Agreement or materially breach any of its provisions, at its option CONSULTANT may terminate this Agreement by giving written notice to CITY. The termination date shall be the effective date of the notice. For the purposes of this section, material breach of this Agreement shall include but not be limited to any of the following: failure to cooperate reasonably with

CONSULTANT, willful destruction of CONSULTANT's property by CITY, dishonesty or theft.

**Termination by CITY for Lack of Budgeted Funds**

The CITY may terminate this Agreement effective July 1 of any given year upon the CITY's determination to not appropriate sufficient funds for this Agreement for the ensuing fiscal year. In such event CITY shall give CONSULTANT not less than 30 days written notice.

**Termination for Failure to Make Agreed-Upon Payments**

Should CITY fail to pay CONSULTANT all or any part of the payments set forth in this Agreement on the date due, at its option CONSULTANT may terminate this Agreement if the failure is not remedied within thirty (30) days after CONSULTANT notifies CITY in writing of such failure to pay. The termination date shall be the effective date of the notice.

**Termination by CITY for Change of CONSULTANT's Tax Status**

If CITY determines that CONSULTANT does not meet the requirements of federal and state tax laws for independent contractor status, CITY may terminate this Agreement by giving written notice to CONSULTANT. The termination date shall be the effective date of the notice.

**Voluntary Termination**

Termination of this contract is in the unilateral discretion of either party upon ten (10) calendar days notice to the other.

**In the Event of Termination**

If this Agreement is terminated pursuant to this Paragraph, CONSULTANT shall cease all its work on the project as of the termination date and shall see to it that its employees, subcontractors and agents are notified of such termination and cease their work. If CITY so requests, and at CITY's cost, CONSULTANT shall provide sufficient oral or written status reports to make CITY reasonably aware of the status of

CONSULTANT's work on the project. Further, if CITY so requests, and at CITY's cost, CONSULTANT shall deliver to CITY any work products whether in draft or final form which have been produced to date.

If the Agreement is terminated pursuant to any of the subsections contained in this paragraph, CITY will pay CONSULTANT an amount based on the percentage of work completed on the termination date, this percentage shall be determined by CITY in its sole discretion. If the Agreement is terminated pursuant to the subparagraph entitled Termination by CITY for Default of CONSULTANT, CONSULTANT understands and agrees that CITY may, in CITY's sole discretion, refuse to pay CONSULTANT for that portion of CONSULTANT's services which were performed by CONSULTANT on the project prior to the termination date and which remain unacceptable and/or not useful to CITY as of the termination date.

**16. INDEMNITY.**

CONSULTANT shall defend, indemnify, and hold harmless CITY, its agents, officers, and employees from and against all claims, damages, losses, judgment, liabilities, expenses, and other costs including litigation costs and attorney's fees from every cause, including but not limited to injury to person or property or wrongful death arising directly or indirectly out of any wrongful or negligent act or omission of CONSULTANT, its agents, officers and employees, accept if the act or omission arises from the sole negligence or other liability of CITY, or its agents, officers, and employees or volunteers relating to or during the performance of its obligations under this agreement.

CONSULTANT's obligation to defend, indemnify, and hold the CITY, its agents, officers, and employees harmless under the provisions of this paragraph is not

limited to or restricted by any requirement in this Agreement for CONSULTANT to procure and maintain a policy of insurance.

**17. ENTIRE AGREEMENT.**

This Agreement and its exhibits contain the entire understanding between CONSULTANT and CITY. Additional or new terms contained in this Agreement which vary from CONSULTANT's proposal are controlling and are deemed accepted by CONSULTANT by shipment of any article or other commencement of performance hereunder. All previous proposals, offers and communications relative to this Agreement, whether oral or written, are hereby superseded except to the extent that they have been incorporated into this Agreement. No future waiver of or exception to any of the terms, conditions, and provisions of this Agreement shall be considered valid unless specifically agreed to in writing by all the parties.

**18. PARTIAL INVALIDITY.**

If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions shall nevertheless continue in full force without being impaired or invalidated in any way.

**19. WAIVER.**

The waiver by any party to this Agreement of a breach of any provision hereof shall be in writing and shall not operate or be construed as a waiver of any other or subsequent breach hereof unless specifically stated in writing.

**20. AUDIT.**

The CITY's duly authorized representative shall have access at all reasonable times to all reports, contract records, contract documents, contract files, and personnel necessary to audit and verify CONSULTANT's charges to CITY under this Agreement.

CONSULTANT agrees to retain reports, records, documents, and files related to charges under this Agreement for a period of four (4) years following the date of final payment for CONSULTANT services. CITY's representative shall have the right to reproduce any of the aforesaid documents.

21. **GOVERNING LAW.**

This Agreement shall be governed according to the laws of the State of California.

22. **HEADINGS NOT CONTROLLING.**

Headings used in the Agreement are for reference purposes only and shall not be considered in construing this Agreement.

23. **COMPLIANCE WITH LAWS.**

CONSULTANT shall insure compliance with all safety and hourly requirements for employees, in accordance with federal, state, and county safety and health regulations and laws. CONSULTANT shall fully comply with all applicable federal, state, and local laws, ordinances, regulations and permits. CONSULTANT will have a City of Modesto business license.

IN WITNESS WHEREOF, the City of Modesto, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. \_\_\_\_\_, adopted by the Council of the City of Modesto on the \_\_\_\_ day of \_\_\_\_\_, 2006, and has caused this agreement to be duly executed.

## EXHIBIT "A"

### SCOPE OF WORK and SCHEDULE OF FEES

The information below describes the cost for concepts, design and research to develop a brand campaign for the City of Modesto Economic Development Department. Marcia Herrmann Design will update the visual presence of the City of Modesto's Economic Development Department. The current company portfolio reflects a series of different visual treatments that were created at various points in time to fulfill different business objectives. As a result the materials lack visual cohesiveness and clarity. After reviewing the past, present, and future objectives and gleaning a healthy understanding of the process that the City of Modesto Economic Development division offers businesses the brand strategy has been defined as follows. The design marketing materials will target males between 35-50 along with the following industries:

- Modesto Area Commercial Brokers
- Local Business which are experiencing strong growth, with an emphasis on the Financial and Medical sectors
- Local Branches of Regional or National Companies which are experiencing strong growth. (Satellites)
- Agribusiness companies with emphasis on technology.

The design marketing materials listed below will keep the identified target market in mind at all times. These demographics involve individuals who have limited time. They are looking for quick information that answer questions like - What does Modesto have to offer? Might Modesto fit with my clients needs? Can Modesto be a good fit for our business? Should we stay in Modesto or relocate? The visuals need to be strong **not** necessarily clever. The audience needs to get the message instantly and the information needs to be consistent with the promises building brand trust along the way. The concepts will be reflective of the final promise and tag line and become the mantra of the City of Modesto Economic Development division.

#### **Marketing Materials will be divided into two phases with two proposals:**

Phase 1: Finalizing the promise and tag lines, Corporate Identity design, Direct Mailer Postcards and Modesto Economic Development Brochure.

Phase 2: Website analysis and art direction, advertising campaign design and media placement. Phase 2 proposal will be sent once the concepts have been approved from Phase 1.

#### **Finalizing Promise and Tag lines**

\$125 per hour not to exceed 15 hours \$1,875

Time Frame - finalized by mid June once proposal accepted

#### **Corporate Identity / Logo development:**

The items to be included in the corporate identity package are the development of the corporate logo which is the entry point for any new brand development. The corporate logo facilitates brand consistency on all future collateral materials. Once the logo is selected it will be applied to the following business papers:

Letterhead, #10 business envelopes, window envelopes, mailing labels, 4-8 employee business cards, digital logo and digital fax form. Please let us know if we have forgotten any other business papers that will be needed.

#### **Design Cost for Corporate Identity**

Design of logo \$3,500

Design and layout of all stationery items \$1,800

Pre press costs for making all items print ready

\$700

Time Frame - 4-6 weeks project to begin once proposal accepted

Not to exceed \$6,000

## **2) Direct Mailer Postcards**

The direct mail pieces are designed and printed in advance to convey new information to target markets in a timely manner. The postcards can be customized on the back with additional messages or information before being sent out. They are stored at the printer and are not trimmed out until they are ready to be sent to the mailing house. This allows for quick response and flexibility to your departments marketing needs. Based on the various concepts and topics listed below 8-12 cards will be designed. These postcard concepts can effectively be used as advertisements in magazines, newsletters and or billboards. When applied to advertising additional expense would be required based on size variations and production specifications rather than concept development.

The mailers will concepts will include:

A) Logo introduction - (1 card)

B) Promise introductions (1 card )

C) Recipe for success (case studies of local successful businesses) (2-4 cards)

D) Shepherding - (2 cards)

E) Testimonials (2 - 4 cards)

F) Stanislaus County Facts and Figures (1 card)

G) Department Profile

1) planning

2) permits and fees

*(making these areas user friendly - 2 cards)*

Total cost for 8 - 12 postcards

Time frame 6-8 weeks once logo and promise have been completed

Not to exceed \$13,000

### **3) The City of Modesto Economic Development Information Brochure**

This brochure will provide quick information about what the City of Modesto Economic Development Department offers businesses. The brochure will provide facts and figures about Modesto, answer common questions, supply tips on how to get started. It should also describe the process the business will experience and how The Modesto City Economic Development division can make their interaction with the city rewarding. These will be used as handouts or can be sent with letters in #10 business envelopes.

Time Frame 6-8 weeks - brochure design begins once direct mailer design concepts have been approved.

Not to exceed \$4,000

#### **Additional expenses:**

All vendor costs or out of pocket expenses required for production of camera ready art include i.e. color mock-ups, extensive photoshop work, file preparation, purchase of royalty free photography and illustration and copy writing.

Not to exceed \$8,000

**The items listed above will not exceed the total of \$32, 875 without sales tax**

**Does the city pay sales tax? (CA tax \$2,424.53 = \$35, 299.53)**

This does not include printing, specialty illustrations and professional photography. Phase 2 will be sent once the concepts have been approved from Phase 1.

**Terms of engagement: 1/2 up front required to begin projects. \$17,649.77**

Remaining balance will be submitted with issued P.O. number once the above projects have been completed.

MHD reserves the right to modify the proposal should delays occur beyond MHD control or the time frame has been exceeded or a new target direction is requested. Should the brief need to be modified after job has begun change orders will be submitted to the client to keep costs and accountability established by both parties.

**Contract will be sent once proposal has been accepted. Once deposit and signed contract are received work will commence.**

MODESTO CITY COUNCIL  
RESOLUTION NO. 2006 - 431

A RESOLUTION AMENDING THE FISCAL YEAR 2005-2006 ANNUAL BUDGET

WHEREAS, a monthly financial analysis has been completed and it has been determined that certain adjustments are required to the Annual Budget of the City of Modesto for the Fiscal Year 2005-2006,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that appropriations, revenues, and transfers for the 2005-2006 budget have been adjusted as shown in **Schedule A.**

BE IT FURTHER RESOLVED that the Finance Director is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11<sup>th</sup> day of July 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following votes:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen,  
Mayor Ridenour

**SCHEDULE A**

***Finance Department***

Capital Improvement Support Fund - Finance staff supports a variety of capital projects and some of these costs are credited to the Capital Improvement Support account. Projects worked on for the Public Works Engineering Divisions get reimbursed from CalTrans for administrative and financial charges related to capital projects. This action recognizes revenue received for this work. The budget adjustments are shown below:

From:	Acct #0300-120-1240-0255	\$(51,250)
To (Expense):	Acct #0300-410-4112-0255	\$ 25,625
	Acct #0300-420-4212-0255	\$ 25,625
To (Revenue):	Acct #0300-410-4112-4909	\$ 25,625
	Acct #0300-420-4212-4909	\$ 25,625

Copier Fund #7100 – The Engineering/Solid Waste divisions are in need of a new copier. Fund #7100 has enough available cash in their reserve account to purchase the replacement copier. Funds in the amount of \$25,000 will be moved to the Operating Account as shown below:

From:	Acct #7100-800-8000-8003	\$(25,000)
To:	Acct #7100-120-1252-5500	\$ 25,000

***Public Works Department***

Local Transportation Fund (LTF) – When the City receives LTF monies from the State; it is deposited into the LTF Reserve Account. This budget adjustment moves funds in the amount of \$2,477,274 to the Special Gas Tax Fund to pay for a variety of streets projects as shown below:

From:	Acct #0510-800-8000-8003	\$(2,477,274)
To:	Acct #0700-800-8000-8003	\$ 2,477,274

***Community and Economic Development Department***

Creation of Multi-Year Operating Organization for a Developer funded Project:

The City of Modesto Financial Policies, adopted by the City Council on June 6, 2006, require City Council approval for the creation of any multi-year budget organization. We are therefore requesting approval of organization 0800-140-1455, Vintage Faire Mall Expansion Project, for the purpose of processing all planning related documents in connection with this project. The total cost of this project is anticipated to be \$100,000 with all funding to be provided by the applicant.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2005-432**

**A RESOLUTION APPROVING A TWO-YEAR LEASE RENEWAL WITH STANISLAUS COUNTY AFFORDABLE HOUSING CORPORATION (STANCO) FOR THE USE OF A CITY OWNED HOUSE AT 308 LOCUST STREET BY STANCO'S TRANSITIONAL HOUSING PROGRAM AT THE COST OF \$1.00 PER YEAR AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE LEASE AGREEMENT.**

WHEREAS, in 1988, the City received the property at 308 Locust Street during the foreclosure process on a housing rehabilitation loan, and

WHEREAS, this house was then used for temporary relocations for households being required to move while their units were being rehabilitated under the Housing Maintenance Program, and

WHEREAS, in 1997, the City began leasing the home to Stanislaus County Affordable Housing Corporation (STANCO) at the cost of \$1.00 per year; the house was not needed for relocations at that time and had been vacant, and

WHEREAS, STANCO has expressed interest in renewing the lease which expires on July 13, 2006, and

WHEREAS, City staff anticipates relatively few temporary relocations from the Housing Maintenance Program during the next year and the home is not located near the current mandatory target area of Highway Village, and

WHEREAS, the Citizens Housing and Community Development Committee (CH&CDC) recommended support of this item at its June 23, 2006, meeting,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a two-year lease renewal with Stanislaus County Affordable Housing Corporation (STANCO) for the use of a city-owned house at 308 Locust Street by STANCO's transitional housing program at the cost of \$1.00 per year.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the lease renewal.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11<sup>th</sup> day of July, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-433**

**A RESOLUTION APPROVING AN AMENDMENT TO THE FISCAL YEAR 2005-2006 EMERGENCY SHELTER GRANT (ESG) AGREEMENT WITH THE SALVATION ARMY FOR THEIR WINTER EMERGENCY SHELTER AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO SIGN AND EXECUTE THE AMENDED AGREEMENT AND RELATED DOCUMENTS.**

WHEREAS, on April 26, 2005, by Resolution No. 2005-202, the City Council approved the allocation of the public service grant funding for Fiscal year 2005-2006, and

WHEREAS, on April 26, 2005, the City Council authorized staff to conduct a second round of review for proposals for CDBG Homeless Services for \$22,199 and Emergency Shelter Grant (ESG) funds for \$81,380, and

WHEREAS, during the second round, staff recommended allocating the ESG funds to two (2) non-profit organizations for three (3) projects, and

WHEREAS, the Salvation Army was allocated funds for rent for its Winter Emergency Shelter in the amount of \$51,784, and,

WHEREAS, on January 1, 2006, the Salvation Army requested an amendment to the ESG Winter Shelter Agreement to reallocate \$24,000 from the winter shelter's rent to staff costs due to the fact that the organization now owns the winter shelter building and no longer pays rent, and

WHEREAS, the Citizens Housing and Community Development Committee (CH&CDC) recommended amending this agreement at its June 23, 2006, meeting,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an amendment to the Fiscal Year 2005-2006 Emergency Shelter Grant (ESG) Agreement with the Salvation Army for their Winter Emergency Shelter to reallocate \$24,000 from the winter shelter's rent to staff costs.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the City Manager or his authorized designee is hereby authorized to sign and execute the amended agreement and related documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11<sup>th</sup> day of July, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

DOCUMENTS.**

WHEREAS, on April 26, 2005, by Resolution No. 2005-202, the City Council approved the allocation of the public service grant funding for Fiscal year 2005-2006, and

WHEREAS, on April 26, 2005, the City Council authorized staff to conduct a second round of review for proposals for CDBG Homeless Services for \$22,199 and Emergency Shelter Grant (ESG) funds for \$81,380, and

WHEREAS, during the second round, staff recommended allocating the ESG funds to two non-profit organizations for three projects, and

WHEREAS, Community Housing and Support Services was allocated funds for Sewer Repair at Laura's House in the amount of \$13,500, and

WHEREAS, on May 19, 2006, the Community Housing and Shelter Services (CHSS) requested an amendment to the ESG Laura's House Sewer Repair Agreement to enable them to utilize \$2,530 of the total monies allocated for emergency deck repair, since there was a safety issue regarding the deck, and

WHEREAS, the Citizens Housing and Community Development Committee (CH&CDC) recommended amending this agreement at its June 23, 2006, meeting,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an amendment to the Fiscal Year 2005-2006 Emergency Shelter Grant (ESG) Agreement with Community Housing and Support Services (CHSS) for Laura's House Sewer to

repair a bathroom on the second floor, instead of repairing a damaged ceiling and garbage disposal at an estimated cost of \$2,891.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the City Manager or his authorized designee is hereby authorized to sign and execute the amended agreement and related documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11<sup>th</sup> day of July, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-437**

**A RESOLUTION APPROVING AN AMENDMENT TO AGREEMENT WITH THE MODESTO SENIOR HOUSING INVESTORS CHANGING THE TERMS OF THE HOME LOAN FOR SHERWOOD MANOR AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE HOME AMENDMENT TO THE AGREEMENT.**

WHEREAS, on February 14, 1994, the City Council, by Resolution No. 94-425, approved the allocation of a loan in the amount of \$85,000 in HOME funds to Modesto Senior Housing Investors for the development of a senior housing project known as Sherwood Manor located at 725 Maze Blvd., Modesto, and

WHEREAS, this is a 38 unit elderly affordable housing complex, although only two units are HOME assisted, and

WHEREAS, one of the HOME units must be rented to a household earning no more than fifty percent (50%) of the Area Median Income (AMI), and the other unit must be rented to a household earning no more than sixty percent (60%) of the AMI, and

WHEREAS, the City of Modesto and Modesto Senior Housing Investors executed an agreement with the following terms: the interest compounds annually; the interest was at the applicable Federal Rate in effect on the date of the loan closing, which was 6.01% annually; the loan is amortized for 30 years; and, the City could at its discretion forgive the loan if the property provides affordable units for senior citizens, and

WHEREAS, the Modesto Senior Housing Investors are requesting that the City of Modesto forgive the loan or reduce the compounded interest rate to a simple interest rate retroactive to 1994, and

WHEREAS, staff has calculated the interest accumulated for the past 10 years to be \$67,367; the interest plus the principal due in 30 years will be \$489,580, and

WHEREAS, if the terms of the loan change to a 3% simple interest, the balloon payment at the end of the 30 years will be \$161,500, and

WHEREAS, staff is recommending to reduce the compound interest rate to a simple interest rate, and to change the interest rate to an annual rate of 3%, and

WHEREAS, the intent of the HOME funds is to provide funding for the development of affordable housing; by reducing the rate and charging a simple rate this senior complex will be able to maintain its affordability and to repay the loan, and

WHEREAS, at this point staff is not recommending forgiveness of the loan in order to collect program income for future affordable housing development, and

WHEREAS, the Citizens Housing and Community Development Committee met on June 23, 2006, and supported the recommendation to reduce the compound interest rate to a simple interest rate, and to change the interest rate to an annual rate of 3%,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves the amendment to agreement with the Modesto Senior Housing Investors changing the terms of the HOME loans for Sherwood Manor.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the amendment to agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11<sup>th</sup> day of July, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-443**

**A RESOLUTION APPROVING AN AMENDMENT TO AGREEMENT WITH WOOD RODGERS INC. FOR DESIGN SERVICES IN THE AMOUNT OF \$51,060.00, CONTRACT TOTAL OF \$695,383.00, FOR ADDITIONAL WORK NOT INCLUDED IN THE ORIGINAL AGREEMENT AND FOR REIMBURSABLE EXPENSES FOR THE PROJECT TITLED “PELANDALE AVENUE 6-LANE WIDENING - DALE ROAD TO MCHENRY AVENUE” AND AUTHORIZING THE CITY MANAGER, OR DESIGNEE, TO EXECUTE THE AMENDMENT TO AGREEMENT.**

WHEREAS, the widening of Pelandale Avenue to full six-lane expressway status is scheduled to commence fiscal year 2006, and

WHEREAS, the roadway improvements will convert Pelandale Avenue to full Expressway status with three (3) new westbound lanes and two (2) new eastbound lanes from Dale Road to McHenry Avenue, and

WHEREAS, within the project limits of the Pelandale Avenue widening project, the City plans to install an extension of an existing 12 inch water main requiring open cut excavation, and

WHEREAS, the City has evaluated the cost and time benefit of phasing the waterline construction with the Pelandale Avenue roadwork, and

WHEREAS, the construction of the waterline prior to final pavement installation on Pelandale Avenue will avoid future traffic disruption, eliminate the need to remove and restore sections of newly constructed asphalt pavement, and will offer the most effective cost and time alternative for both projects, and

WHEREAS, an amendment to the current consultant design contract for the Pelandale Avenue 6-Lane Widening – Dale Road to McHenry Avenue Project is necessary in order to facilitate design and construction of the waterline, and

WHEREAS, the roadway improvements will convert Pelandale Avenue to full Expressway status with three (3) new westbound lanes and two (2) new eastbound lanes from Dale Road to McHenry Avenue, and

WHEREAS, at the Pelandale/McHenry intersection the City plans to extend the easterly limit of work by 1,800 feet to accommodate required lane transition design east of McHenry Avenue, and

WHEREAS, an amendment to the current consultant design contract for providing the lane transition design east of McHenry Avenue to accommodate the Pelandale 6-Lane Widening Project is necessary in order to facilitate design and construction of the overall project.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Amendment to Agreement between the City of Modesto and Wood Rodgers, Inc. in the amount of \$51,060 (Fifty-one Thousand Sixty Dollars) for additional work to complete plans, specifications, and cost estimates for the construction of 3,900 linear feet of 12 inch waterline to be located within the Pelandale Avenue right-of-way, and providing complete plans, specifications, and cost estimates for construction of an eastbound lane transition east of McHenry Avenue and including design plans in the Pelandale Avenue 6-Lane Widening – Dale Road to McHenry Avenue project.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Amendment to Agreement.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-444**

**A RESOLUTION APPROVING AN AMENDMENT TO AGREEMENT WITH STANTEC CONSULTING, INC., FOR ADDITIONAL WORK REQUESTED BY THE CITY, IN THE AMOUNT OF \$8,000, TO COMPLETE THE EVALUATION OF THE STORM DRAIN CROSS CONNECTIONS TO THE SANITARY SEWER SYSTEM AND AUTHORIZING THE CITY MANAGER, OR DESIGNEE, TO EXECUTE THE AMENDMENT**

WHEREAS, part of the ongoing work to update the Wastewater Master Plan and complete the Engineer's Report (needed to update the wastewater utility rates and connection fees), is to determine how best to minimize the amount of storm water runoff entering into the sanitary sewer system, and

WHEREAS, on August 23, 2005, the City entered into an Agreement with Stantec Consulting, Inc., (Stantec) for \$25,000, to conduct a study that would determine how best to eliminate as many of the storm drainage cross connections to the sanitary sewer system as possible, and

WHEREAS, the original scope of work included an examination of possible methods to eliminate indirect cross connections associated with the pumping, of standing surface water into the sanitary sewer system within storm drainage "hot zones" (areas that experience frequent flooding), and

WHEREAS, in order for the outcome of this work to be more usable for the ongoing wastewater studies, an amendment to the current consultant contract for the Storm Drain Cross Connections to the Sanitary Sewer System is necessary for the following additional technical analysis to be completed: 1) That the cross connection locations be evaluated for a lower cost initial phase of implementation, and 2) That the study include possible solutions for removing storm drainage cross connections in the downtown area, and

WHEREAS, the additional work identified above is specialized and City staff does not have the time or expertise to conduct this level of analysis to enable this project to be completed in a timely manner, and

WHEREAS, the original Agreement was for \$25,000 and the additional work associated with this Amendment is \$8,000, which will increase the total Agreement to an amount not-to-exceed \$33,000, and

WHEREAS, the current budgeted amount of \$8,000 for the Amendment to Agreement is available in the CIP Account "Wastewater Master Plan Update" 6210-430-A208-6010 to cover the cost for these additional services,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Amendment to Agreement between City of Modesto and Stantec Consulting, Inc. in the amount of \$8,000 for additional services related to the Evaluation of the Storm Drainage Cross Connections to the Sanitary Sewer System analysis.

BE IT FURTHER RESOLVED that the City Manager, or designee, is hereby authorized to execute said Amendment to Agreement.

**A RESOLUTION APPROVING THE ACCEPTANCE OF AN AIRPORT IMPROVEMENT PROGRAM GRANT IN THE AMOUNT OF \$285,000 FROM THE FEDERAL AVIATION ADMINISTRATION TO FUND THE IMPLEMENTATION OF AN AIRPORT NOISE PROGRAM AT THE MODESTO CITY-COUNTY AIRPORT AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE ACCEPTANCE OF THE GRANT ON BEHALF OF THE CITY.**

WHEREAS, Modesto City-County Airport's noise contours have changed due to newer and quieter aircraft that use the airport, and

WHEREAS, on March 28, 2006, the City Council authorized staff to submit a grant application to the Federal Aviation Administration (FAA), in the amount of \$1 million for funding of Airport Capital Improvement Plan projects approved by the FAA, and

WHEREAS, the FAA notified the City that an AIP Grant Offer of \$285,000 has been made for funding of airport development or noise program implementation, and,

WHEREAS, this Grant Offer must be accepted on or before July 30, 2006, and

WHEREAS, acceptance of the grant will provide the City with the funds to conduct a Part 150 noise study,

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the acceptance of an Airport Improvement Program grant in the amount of \$285,000 from the Federal Aviation Administration to fund the implementation of an Airport Noise program at the Modesto City-County Airport.

**A RESOLUTION ACCEPTING A DEED OF AVIGATION AND HAZARD EASEMENT FROM BEARD LAND IMPROVEMENT COMPANY THAT ALLOWS AIRCRAFT FLIGHT OVER COMMERCIAL PROPERTY ON FINCH ROAD ADJACENT TO THE MODESTO CITY-COUNTY AIRPORT, AND AUTHORIZING THE CITY MANAGER TO SIGN THE ACCEPTANCE OF THIS EASEMENT ON BEHALF OF THE CITY.**

WHEREAS, Beard Land Improvement Company intends to sell real property located on Finch Road in the City of Modesto adjacent to Modesto City-County Airport, and

WHEREAS, Modesto City-County Airport is an active airport with commercial and general aviation aircraft arrivals and departures that will be flying over and near the parcel of land that is being sold, and

WHEREAS, Beard Land Improvement Company has provided the City of Modesto with a Deed of Avigation and Hazard Easement (Deed), at no cost, that will assign perpetual, assignable easement in and over the real property named in that document, and

WHEREAS, the Deed gives the Airport certain rights that ensure safe flight over that property, and authorizes access to the property for specific purposes stated in the Deed, and

WHEREAS, the Deed dedicates easement and right-of-way that will allow continued flight operations at Modesto City-County Airport,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby accepts the Deed of Avigation and Hazard Easement from Beard Land Improvement Company, that allows aircraft flight over commercial property on Finch Road adjacent to the Modesto City-County Airport.

BE IT FURTHER RESOLVED that the Council hereby authorizes the City Manager, or his designee, to sign the Deed of Avigation and Hazard Easement on behalf of the City of Modesto.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11<sup>th</sup> day of July, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-447**

**A RESOLUTION APPROVING CONSULTANT SERVICES AGREEMENT  
WITH NICHOLS CONSULTING ENGINEERS, CHTD. IN THE AMOUNT OF  
\$27,250.00 FOR PAVEMENT TESTING, EVALUATION, AND ANALYSIS  
REPORT IN CONNECTION WITH DESIGN OF 9<sup>TH</sup> STREET, H STREET AND I  
STREET REHABILITATION, AND AUTHORIZING THE CITY MANAGER,  
OR DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, 9<sup>th</sup> Street from L Street to MID Lateral No. 4, 9<sup>th</sup> Street from B Street to D Street, H Street from 17<sup>th</sup> Street to Burney Street, and I Street from 14<sup>th</sup> Street to Downey Avenue are included in the City's 05-06 Pavement Maintenance Program for rehabilitation, and

WHEREAS, pavement testing and analysis of the deflection results are needed to determine thickness of required overlays or to determine the need for street reconstruction if overlay of the existing pavement is not feasible, and

WHEREAS, the firm of Nichols Consulting Engineers is deemed the most qualified to provide the requested pavement testing services and have demonstrated satisfactory pavement testing services to the City in the past, and

WHEREAS, as an example, Nichols Consulting Engineers provided pavement testing, evaluation and analysis report in connection with Kansas Avenue-Carpenter Road to Emerald Avenue, and

WHEREAS, Nichols Consulting Engineers is a highly qualified firm recognized for their expertise in pavement testing and analysis, and they have rendered excellent services to the City in the past, and

WHEREAS, as a result, City staff recommends that City Council approve an Agreement with the consulting firm of Nichols Consulting Engineers, Chtd.,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Agreement with Nichols Consulting Engineers, Chtd., in the amount of \$27,250.00 for the pavement testing, evaluation, and analysis report in connection with design of 9<sup>th</sup> Street, H Street and I Street Rehabilitation.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Agreement.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-448**

**A RESOLUTION APPROVING THE PLANS AND SPECIFICATIONS FOR THE PUMP STATION FOR WELL 64 AT MCKINNEY COLONY PARK PROJECT, ACCEPTING THE BID AND APPROVING A \$965,618.06 CONTRACT WITH AMERINE SYSTEMS, INC., FOR THE PROJECT TITLED, "PUMP STATION FOR WELL 64 AT MCKINNEY COLONY PARK," AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE CONTRACT**

WHEREAS, plans and specifications have been prepared for the "Pump Station For Well 64 at McKinney Colony Park" and City staff recommends approval to the City Council, and

WHEREAS, the bids received for "Pump Station For Well 64 at McKinney Colony Park" were opened at 11:00 a.m. on June 13, 2006, and later tabulated by the Public Works Director for the consideration of the Council, and

WHEREAS, the Public Works Director has recommended that the bid of \$965,618.06 received from Amerine Systems, Inc., of Oakdale, California be accepted as the lowest responsible bid and the contract be awarded to Amerine Systems, Inc.,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the plans and specifications for said project, and accepts the bid of Amerine Systems, Inc., in the amount \$965,618.06, and hereby awards Amerine Systems, Inc., the contract titled "Pump Station For Well 64 at McKinney Colony Park".

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the contract.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-449**

**A RESOLUTION REJECTING THE SOLE BID FOR THE PROJECT TITLED  
“SYLVAN AVENUE PEDESTRIAN OVERCROSSING” AND AUTHORIZING  
STAFF TO RE-ADVERTISE THE PROJECT AT A FUTURE DATE**

WHEREAS, the sole bid received for “Sylvan Avenue Pedestrian Overcrossing” was opened at 11:00 a.m. on May 2, 2006, and later tabulated by the Public Works Director for the consideration of the Council, and

WHEREAS, a sole bid by MCM Construction, Inc., was 112.5% above the engineer’s estimate, and

WHEREAS, the sole bid for the project exceeded the engineer’s estimate by an excessive amount, and

WHEREAS, the plans included a metal canopy over the pedestrian walkway to complement the high school architecture, and

WHEREAS, the sole bid included a bid for the canopy that was approximately 23% of the total bid, and

WHEREAS, staff recommends that the canopy be deleted from the plans and replaced with a Caltrans' standard fence, and

WHEREAS, during the bid evaluation process staff determined that there was insufficient bid competition. Therefore, staff recommends the bid be rejected and staff be allowed to re-advertise the project,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the sole bid received for “Sylvan Avenue Pedestrian Overcrossing,” opened in the office of the City Clerk on May 2, 2006, is hereby rejected.

BE IT FURTHER RESOLVED that staff is hereby authorized to re-advertise the project at a future date.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11<sup>th</sup> day of July, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006 – 450**

**A RESOLUTION APPROVING THE “POLICY REGARDING THE DETERMINATION OF REASONABLE CERTAINTY FOR THE PROVISION OF WASTEWATER TREATMENT AND DISPOSAL CAPACITY” FOR THE DETERMINATION OF REASONABLE CERTAINTY FOR THE IMPLEMENTATION OF UTILITY IMPROVEMENTS.**

WHEREAS, the City of Modesto is in the process of updating its 1995 Wastewater Master Plan (WWMP), and

WHEREAS, the WWMP will be used for overall planning for both the wastewater collection and the wastewater treatment and disposal system, and

WHEREAS, the WWMP will provide staff with tools to identify improvements that are needed to repair existing deficiencies, accommodate future development, and meet anticipated regulatory requirements, and

WHEREAS, permitting, design, and construction of a full scale advance treatment facility is a lengthy process it is essential to consider short-term improvements as an interim step to allow for continued development within the City, and

WHEREAS, on October 4, 2005, by Resolution No. 2005-496, the City Council authorized Carollo Engineers of Walnut Creek, California (Carollo) to develop a Near-term Capacity Study (Study) to analyze interim solutions for treated effluent disposal, and

WHEREAS, this Study concluded that adding Dissolved Air Flotation (DAF) with tertiary treatment for year-round discharge into the San Joaquin River is the most cost effective and compatible alternative to reduce the City’s risk of exceeding its regulatory permits, and to meet the City’s long-term wastewater treatment and disposal objectives, and

WHEREAS, the Finance Committee considered this item at its March 13, 2006 meeting and recommended approval to the full Council, and

WHEREAS, at its April 4, 2006 meeting, the Council, by Resolution No. 2006-220, adopted the Study's findings and recommendations, and

WHEREAS, staff developed a proposed policy to address how to proceed with annexations and related actions ahead of the completion of wastewater improvements and facilities for the disposal of tertiary treated effluent, and

WHEREAS, this proposed policy is based on a concept of making a determination of "reasonable certainty", which would only be applied on a case-by-case basis, and would only be needed during times where wastewater capacity is not available "on paper", and

WHEREAS, staff presented the proposed policy to the Economic Development Committee (EDC) on June 12, 2006, and

WHEREAS, the EDC provided several comments and suggestions regarding the proposed policy, and

WHEREAS, staff incorporated the comments and suggestions into a draft policy format attached hereto as Exhibit "A", and

WHEREAS, the Economic Development Committee, at its July 10, 2006 meeting, and recommended approval by full Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the "Policy Regarding the Determination of Reasonable Certainty for the Provision of Wastewater Treatment and Disposal Capacity" for the determination of reasonable certainty for the implementation of utility improvements attached hereto as **Exhibit "A"** and incorporated herein by reference.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11<sup>th</sup> day of July, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

APPROVED AS TO FORM:

BY: Susana Alcala Wood  
SUSANA ALCALA WOOD, City Attorney

**POLICY REGARDING THE DETERMINATION OF  
REASONABLE CERTAINTY FOR THE PROVISION OF WASTEWATER  
TREATMENT AND DISPOSAL CAPACITY**

**PURPOSE:** To clarify the provision of wastewater treatment and disposal capacity for the purpose of annexations during the development of interim wastewater facilities and improvements.

**BACKGROUND:** The City of Modesto is updating its 1995 Wastewater Master Plan (WWMP). The WWMP demonstrates that there is approximately 1.6 million gallon per day discharge capacity deficit for treated effluent. The WWMP has identified wastewater treatment improvements that can be implemented in a short period of time to as an interim step to provide disposal capacity and allow development to proceed within the City of Modesto.

The wastewater disposal capacity deficit makes it difficult to proceed with annexations due to the need to demonstrate the ability to serve areas proposed for annexation. The disposal capacity issue hinders economic development and the development of housing, therefore a policy that defines reasonable certainty for the delivery of wastewater treatment and disposal capacity is essential for continued development. The following policy provides a framework for making a determination of reasonable certainty. It should be noted that this policy only applies to the Near Term Capacity Improvements that are being made as part of the WWMP update and this policy will no longer be needed once the improvements are completed.

**POLICY:** It is the policy of the City of Modesto that a finding of reasonable certainty can be made for the provision of wastewater treatment and disposal capacity for the purposes of annexation based on the following guidelines:

- 1) An adopted engineering solution (capital improvement plan) is in place that provides a schedule and anticipated dates of completion for the development and construction of the required facilities and improvements.
- 2) A financing program, or mechanism to fund the required facilities and improvements is identified and being developed per the schedule for completion.
- 3) The necessary regulatory approvals (i.e. environmental documentation, permits) to proceed with the required facilities and improvements per the schedule for completion are either obtained or in the process of being obtained.
- 4) A review of the timing for the need of sewer service for development and the timing for the completion of the required facilities and improvements is completed to ensure that the City's wastewater disposal capacity remains within an acceptable percentile for river disposal.

**IMPLEMENTATION:** The City Public Works Department shall apply the guidelines to proposed annexations to determine if there is reasonable certainty regarding the provision of wastewater treatment and disposal capacity for the area being considered for annexation. This determination will be presented to the City Council as a part of the annexation process. This determination will not be required once the Near Term Capacity Improvements are completed. The completion of these improvements will allow for the "sunsetting" of this policy.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-451**

**A RESOLUTION ACCEPTING THE PUBLIC IMPROVEMENTS IN THE  
KODIAK VILLAGE III SUBDIVISION, IN THE VILLAGE ONE SPECIFIC PLAN  
AREA, AND AUTHORIZING THE CITY CLERK TO RECORD A NOTICE OF  
COMPLETION AND AUTHORIZING TO RELEASE THE SECURITIES UPON  
EXPIRATION OF THE STATUTORY PERIODS**

WHEREAS, PPC TUOLUMNE GROVE 2 LLC, a California Limited Liability Company, is the subdivider of KODIAK VILLAGE III SUBDIVISION (“SUBDIVISION”), and

WHEREAS, PPC TUOLUMNE GROVE 2 LLC, a California Limited Liability Company, has filed irrevocable subdivision bonds to secure faithful performance and payment for labor and materials in the amounts of \$379,116.97 and \$189,558.49, respectively, and

WHEREAS, PPC TUOLUMNE GROVE 2 LLC, a California Limited Liability Company, has filed a warranty bond in the amount of \$37,911.70 to guarantee improvements in the KODIAK VILLAGE III SUBDIVISION, and

WHEREAS, the City Engineer, in a memorandum to Council, indicates that all work required by the Subdivision Agreement has been completed to the satisfaction of the Public Works Department, and

WHEREAS, the City Engineer has indicated that it would be in order for the City Council to accept the improvements in said subdivision as complete, and authorize the City Clerk to record a Notice of Completion and release the bonds upon expiration of the statutory periods,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto

that:

1. The improvements in the KODIAK VILLAGE III SUBDIVISION are hereby accepted and the City Clerk is hereby authorized to record a Notice of Completion for the improvements.
2. The City Clerk is hereby authorized to release the subdivision bond for faithful performance in the amount of \$379,116.97 upon recordation of the Notice of Completion.
3. The City Clerk is hereby authorized to release the subdivision bond for labor and materials in the amount of \$189,558.49 sixty (60) days after the recordation of the Notice of Completion, provided no claim is made thereon.
4. The City Clerk is hereby authorized to release the warranty bond to guarantee improvements in the amount of \$37,911.70 one year and one day after the effective date of this resolution, provided no claim is made thereon.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11<sup>th</sup> day of July, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-452**

**A RESOLUTION GRANTING THE APPEAL OF DAVID O. ROMANO TO A  
PLANNING COMMISSION DECISION DETERMINING THAT A  
SUPERMARKET IS NOT CONSISTENT WITH THE REGIONAL  
COMMERCIAL GENERAL PLAN AND SPECIFIC PLAN DESIGNATIONS  
FOR THE NORTHPOINTE SHOPPING CENTER LOCATED AT THE  
NORTHEAST CORNER OF PELANDALE AVENUE AND CHAPMAN ROAD**

WHEREAS, on December 16, 1999, by Ordinance No. 3163-C.S. the City Council approved P-D(537) to allow the development of a regional shopping center located on the north side of Pelandale Avenue on either side of Chapman Road, which has subsequently been partially developed as the Northpointe Shopping Center, and

WHEREAS, the Modesto Urban Area General Plan designates the site of the Northpointe Shopping Center site as Regional Commercial “to provide for large-scale commercial areas for the sale of goods and services which meet the needs of the region as well as the community”, and

WHEREAS, the shopping center site is located in the Kiernan Business Park Specific Plan, which also designates the site as Regional Commercial “to accommodate limited retail uses that are generally dependent on a regional rather than a local population for their support”, and

WHEREAS, an application to locate a grocery store in the undeveloped portion of the shopping center located at the northeast corner of Pelandale Avenue and Chapman Road, was filed by Dave Romano on May 9, 2006, and

WHEREAS, the Community and Economic Development Director determined to refer the application to the Planning Commission for a determination as to whether a grocery store would be consistent with the Regional Commercial General Plan and Specific Plan Designations for the site, and

WHEREAS, a hearing was held by the Planning Commission on June 5, 2006, in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California, at which hearing evidence both oral and documentary was received and considered, and

WHEREAS, the Planning Commission determined by its Resolution No. 2006-45, after much deliberation, that a grocery store use is not consistent with the Regional Commercial General Plan and Specific Plan Designations for the Northpointe Shopping Center site, on the basis that the Commission was concerned that allowing a grocery store use in an area designated as Regional Commercial is contrary to the City Council-adopted definitions in the Modesto Urban Area General Plan and Kiernan Business Park Specific Plan, and

WHEREAS, an appeal to the Planning Commission's determination was filed with the Office of the City Clerk by David O. Romano, on June 9, 2006, and

WHEREAS, said appeal was set for a duly noticed public hearing before the City Council at its regular meeting place located in the Tenth Street Place Chambers located at 1010 10<sup>th</sup> Street, Modesto, California, at 5:30 p.m. on July 11, 2006, at which time said public hearing was held and evidence both oral and documentary was received and considered, and

WHEREAS, after said public hearing the Council of the City of Modesto found and determined that the appeal to the decision of the Planning Commission should be granted and the decision of the Planning Commission should be reversed for the following reason:

A grocery store use in the Northpointe Shopping Center, which is designated as Regional Commercial in the Modesto Urban Area General Plan and Kiernan Business Park Specific Plan, is consistent with the City Council-adopted definitions, as the Northpointe Shopping Center is a well-established regional commercial center which already contains two regional-serving anchor stores, and a grocery store would be considered an ancillary use in this context.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the appeal of David O. Romano to the decision of the Planning Commission determining that a supermarket is not consistent with the Regional Commercial General Plan and Specific Plan designations for the Northpointe Shopping Center located at the northeast corner of Pelandale Avenue and Chapman Road is granted and the Council hereby determines that a grocery store use in the Northpointe Shopping Center is consistent with the Regional Commercial General Plan and Specific Plan designations for the Northpointe Shopping Center for the reasons cited above.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11<sup>th</sup> day of July, 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**William R. Luchessa, Trustee of THE WILLIAM R. LUCHESSA 2004 Trust  
Alvin Luchessa and Natividad Luchessa, Trustees of the Alvin Luchessa and Natividad  
Luchessa 2004 Trust, Property Owners  
Property Address: 4305 Tully Road, Stanislaus County, California  
Assessor's Parcel No.: 046-007-037**

WHEREAS, the City's Capital Improvement Program (CIP), amended on February 22, 2005, by Council Resolution No. 2005-118, included a project to widen Pelandale Avenue to six lanes, the Pelandale Avenue Widening Project (the "Project"), and

WHEREAS, the City of Modesto and the County of Stanislaus entered into the Pelandale Avenue Joint Powers Agreement on December 6, 2005, to facilitate cooperation between the City and the County for the improvement of Pelandale Avenue between State Route 99 and a point 1,400 feet east of McHenry Avenue for the Project, which Project area is partially located within the City limits and partially within the unincorporated area of the County, and

WHEREAS, pursuant to the Pelandale Avenue Joint Powers Agreement, the County of Stanislaus consents to the acquisition of Project rights-of-way by the City outside its boundaries in the unincorporated area of the County, and

WHEREAS, the Pelandale Avenue Joint Powers Agreement gives the City of Modesto the right and power to acquire, by purchase or eminent domain, all property or rights-of-way necessary for completion of the Project, including property outside its boundaries in the unincorporated area of the County, and

WHEREAS, the Project, when completed, will improve traffic circulation within the City and the County and to areas east of Coffee Road, and

WHEREAS, the City of Modesto is vested with the power of eminent domain to acquire real property for the Project by virtue of Article 1, Section 19, of the Constitution of the State of California, Government Code Sections 37350.5, 37353, 39792, 40401 and 40404; Sections 1240.010, 1240.020, 1240.030, 1240.040, 1240.050, 1240.110, 1240.120, 1240.140, 1240.150,

and 1240.350 of the Code of Civil Procedure of the State of California; and California Government Code section 1810; and<sup>[m1]</sup>, the Pelandale Avenue Joint Powers Agreement by and between the City of Modesto and the County of Stanislaus, and

WHEREAS, it is desirable and necessary for the City of Modesto to acquire certain real property interests on Assessor's Parcel Nos. 046-002-001 and 046-007-037, including fee title together with all improvements situated thereon and together with all rights appurtenant thereto, as described in Exhibits A<sup>[m2]</sup> and A-1 and C and C-1 hereto, and temporary construction easements as described in Exhibits B and B-1 and D and D-1 hereto, which exhibits are attached hereto and made a part hereof by this reference and hereinafter referenced as the "Subject Property," in order to construct, widen and/or improve Pelandale Avenue between Dale Road and McHenry Avenue in the City of Modesto and the County of Stanislaus (the "Project"), and

WHEREAS, Assessor's Parcel Nos. 046-002-001 and 046-007-037 are currently encumbered by a Williamson Act contract; and

WHEREAS, the location of the Project generally, and specifically on these parcels, is not based primarily on a consideration of the lower cost of acquiring land in an agricultural preserve, but rather on the current location of Pelandale Avenue, the residential neighborhoods abutting Pelandale Avenue, and the purpose of increasing circulation on a six lane expressway, and

WHEREAS, there is no other land within or outside the preserve on which it is reasonably feasible to locate the Project, and

WHEREAS, the appraisal of the land was without consideration of the involved Williamson Act contract pursuant to Civil Code section 51295, and

WHEREAS, pursuant to the provisions of Section 1245.235 of the Code of Civil Procedure of the State of California, notice has been duly given to all persons whose property is to be acquired by eminent domain and whose names and addresses appear on the last Stanislaus County equalized assessment roll, all of whom have been given a reasonable opportunity to appear and be heard before the City of Modesto on the following matters:

- (a) Whether the public interest and necessity require the Project;
- (b) Whether the Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury;
- (c) Whether the property sought to be acquired is necessary for the Project;
- (d) Whether the offer required by Government Code Section 7267.2 has been made to the owner(s) of record, and

WHEREAS, pursuant to the provisions of Section 7267.2 of the Government Code of the State of California, the City of Modesto has made an offer to the owner or owners of record to acquire the Subject Property for just compensation, and

WHEREAS, the City of Modesto has satisfied the provisions and complied with all requirements of the California Environmental Quality Act ("CEQA") for the Project,

**NOW, THEREFORE, IT IS FOUND, DETERMINED, AND ORDERED** as follows:

1. The public interest and necessity require the Project for the acquisition of the fee simple and the temporary construction easement in and through the above-identified parcels of land.
2. The Project is planned and located in the manner which will be most compatible with the greatest public good and the least private injury.
3. The Project is planned and located in the manner which was not based primarily, nor in part, on a consideration of the lower cost of acquiring land in an agricultural preserve.
4. There is no other land within or outside the agricultural preserve on which it is reasonably feasible to plan and locate the Project.
5. The taking of the fee simple title in and to the real property or other interests as may be more particularly described in Exhibits A, B, C, and D and depicted in [m3]Exhibits A-1, B-1, C-1 and D-1, are necessary for the Project.
6. The offer required by Section 7267.2 of the Government Code of the State of California has been made to the owner or owners of record of the real property and without consideration of the Williamson Act contract pursuant to Civil Code section 51295.
7. The Subject Property is being acquired for a compatible use under California Code of Civil Procedure Section 1240.510 in that the City's use of the Subject Property will not interfere with or impair the continued use of the Subject Property for public utilities as they now exist or may reasonably be expected to exist in the future.
8. The Subject Property is being acquired for a more necessary public use under California Code of Civil Procedure Section 1240.610 in that the City's use of the Subject Property is a more necessary public use than the use to which the property is appropriated.
9. The Office of the City Attorney of the City of Modesto and Special Counsel, Meyers, Nave, Riback, Silver & Wilson, are hereby authorized, empowered and directed to acquire in the name of the City of Modesto, by condemnation, the Subject Property in accordance with the provisions of the Eminent Domain Law, the Code of Civil Procedure and the Constitution of California; to prepare, prosecute and conduct to conclusion in the name of the City of Modesto such

proceedings in the proper court as are necessary for such acquisition and to take such action as may be deemed advisable or necessary in connection therewith; and, to deposit the probable amount of just compensation based on an appraisal.

10. An order for prejudgment possession may be obtained in said actions and warrants issued to the State Treasury Condemnation Fund, in the amounts determined by the Court to be so deposited, as a condition to the right of immediate possession and use the Subject Property for said public uses and purposes.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of July 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**APN: 046-002-001**

A portion of that certain real property of the Lands of Alvin Luchessa et al. as described in Book 2005 Stanislaus County Records, at Page 0231745, in the City of Modesto, State of California and being more particularly described as follows:

Commencing at the southeast corner of said Lands of Luchessa; thence northerly along the east line, North  $01^{\circ}07'02''$  West, 5.65 feet to the northerly right-of-way of Pelandale Avenue and as described in Document #05-158866, Stanislaus County Records and the **TRUE POINT OF BEGINNING**; thence from said true point of beginning along said northerly right-of-way, North  $86^{\circ}11'59''$  West, 274.14 feet; thence North  $88^{\circ}44'19''$  West, 238.36 feet; thence North  $80^{\circ}20'53''$  West, 82.30 feet; thence North  $88^{\circ}44'37''$  West, 234.19'; thence North  $45^{\circ}12'51''$  West, 119.38 feet; thence leaving said northerly right-of-way along the easterly right-of-way of Tully Road described in aforesaid Document #05-158866, North  $01^{\circ}07'02''$  West, 204.02 feet; thence North  $04^{\circ}07'23''$  West, 67.13 feet; thence leaving said easterly right-of-way, North  $88^{\circ}52'56''$  East, 18.00 feet; thence South  $01^{\circ}07'07''$  East, 38.64 feet; thence 7.88 feet along the arc of a 40.00 foot radius curve to the left through a central angle of  $11^{\circ}17'14''$ ; thence South  $12^{\circ}24'19''$  East, 41.22 feet; thence 11.82 feet along the arc of a 60.00 foot radius curve to the right through a central angle of  $11^{\circ}17'15''$ ; thence South  $01^{\circ}07'04''$  East, 50.00 feet; thence 9.60 feet along the arc of a 60.00 foot radius curve to the right through a central angle of  $09^{\circ}10'01''$ ; thence South  $08^{\circ}02'07''$  West, 54.77 feet; thence 6.40 feet along the arc of a 40.00 foot radius curve to the left through a central angle of  $09^{\circ}10'01''$ ;

thence South 01°07'04" East, 40.00 feet; thence 76.47 feet along the arc of a 50.00 foot radius curve to the left through a central angle of 87°37'34"; thence South 88°44'37" East, 336.21 feet; thence South 87°03'14" East, 315.39 feet; thence South 88°44'37" East, 196.44 feet; thence South 01°07'02" East, 62.26 to the true point of beginning.

Containing 1.17 acres of land, more or less.

The Basis of Bearings for this survey being the same as shown on that certain Parcel Map filed for Record in Book 36, at page 21, Stanislaus County Records.

*See Exhibit "A-1", plat to accompany description, attached hereto and made a part hereof.*

**EXHIBIT A**  
**DESCRIPTION OF**  
**TEMPORARY CONSTRUCTION EASEMENT**  
**APN: 046-002-001**

A portion of that certain real property of the Lands of Alvin Luchessa et al. as described in Book 2005 Stanislaus County Records, at Page 0231745, in the City of Modesto, State of California and being more particularly described as follows:

Beginning at the southeast corner of said Lands of Luchessa; thence northerly along the East line, North 01°07'02" West, 67.91 feet to the Northerly right-of-way of Pelandale Avenue and as described in Document No. \_\_\_\_\_, Stanislaus County Records and the **TRUE POINT OF BEGINNING**; thence from said True Point of Beginning along said Northerly right-of-way, North 88°44'37" West, 196.44 feet; thence North 87°03'14" West, 315.39 feet; thence North 88°44'37" West, 336.21 feet to a point of curvature; thence 76.47 feet along the a 50.00 foot radius curve to the right through a central angle of 87°37'34"; thence North 01°07'04" West, 40.00 feet to a point of curvature; thence 6.40 feet along a 40.00 foot radius curve to the right through a central angle of 09°10'01"; thence North 08°02'57" East, 54.77 feet to a point of curvature; thence 9.60 feet along a 60.00 foot radius curve to the left through a central angle of 09°10'01"; thence North 01°07'04" West, 50.00 feet to a point of curvature; thence 11.82 feet along a 60.00 foot radius curve to the left through a central angle of 11°17'15"; thence North 12°24'19" West, 41.22 feet to a point of curvature; thence 7.88 feet along a 40.00 foot radius curve to the right through a central angle of 11°17'15"; thence North 01°07'04" West, 38.64 feet; thence leaving said right-of-way of Pelandale Avenue, North 88°52'56" East, 10.00 feet; thence South 01°07'04" East, 38.64 feet to a point of curvature; thence 5.91 feet along a 30.00 foot radius curve to the left through a central angle of 11°17'15"; thence South 12°24'19" East, 41.22 feet to a point of curvature; thence 13.79 feet along a 70.00 foot radius curve to the right through a central angle of 11°17'15"; thence South 01°07'04" East, 50.00 feet to a point of curvature; thence 11.20 feet along a 70.00 foot radius curve to the right through a central angle of 09°10'01"; thence South 08°02'57" West, 54.77 feet to a point of curvature; thence 4.80 feet along a 30.00 foot radius curve to the left through a central angle of 09°10'01"; thence South 01°07'04" East, 40.00 feet to a point of curvature; thence

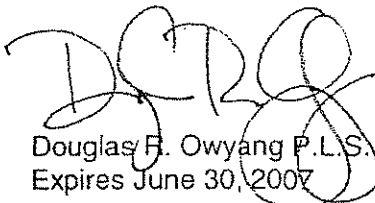

61.17 feet along a 40.00 foot radius curve to the left through a central angle of 87°37'34";  
thence South 88°44'37" East, 336.36 feet; thence South 87°03'14" East, 315.39 feet;  
thence South 88°44'37" East, 195.87 feet to the Easterly line of said Lands of Luchessa;  
thence along said Easterly line, South 01°07'02" East, 10.01 feet to the True Point of  
Beginning.

Containing 0.27 acres of land, more or less.

Temporary Construction Easement Expiration Date: \_\_\_\_\_

The Basis of Bearings for this survey being the same as shown on that certain  
Parcel Map filed for Record in Book 36, at page 21, Stanislaus County Records.

### DESCRIPTION OF RIGHT-OF-WAY APN: 046-007-037

All that certain real property being a portion of the Lands of Alvin Luchessa et al. described in Document No. 2004-130052 and also shown as Lot 1 of Nash Tract, filed for record in Book 4 of Maps at Page 10, Stanislaus County Records, in the City of Modesto, State of California and being more particularly described as follows:

Commencing at the southwest corner of said Lot 1; thence northerly along the West line of said Lot 1, North 01°06'37" West, 80.25 feet to the northwesterly corner of the existing right-of-way of Pelandale Avenue, as described in Doc. No. 1999-0074265 Stanislaus County Records, said point also being the **True Point of Beginning**; thence from the True Point of Beginning along the West line of Lot 1, North 01°06'37" West, 68.30 feet; thence leaving said West line of said Lot 1, North 83°57'36" East, 116.62 feet to a point of curvature; thence 889.17 feet along a 6630.23 foot radius curve to the right through a central angle of 07°41'02" to a point of reverse curvature; thence 8.14 feet along a 40.00 foot radius curve to the left through a central angle of 11°39'28"; thence North 79°59'10" East, 29.30 feet to a point of curvature; thence 11.80 feet along a 60.00 foot radius curve to the right through a central angle of 11°16'08"; thence South 88°44'42" East, 50.00 feet to a point of curvature; thence 9.46 feet along a 60.00 foot radius curve to the right through a central angle of 09°02'06"; thence South 79°42'36" East, 55.78 feet to a point of curvature; thence 6.31 feet along a 40.00 foot radius curve to the left through a central angle of 09°02'06"; thence South 88°44'42" East, 39.21 feet to a point of curvature; thence 80.61 feet along a 50.00 foot radius curve to the left through a central angle of 92°22'21"; thence North 01°07'04" West, 191.90 feet; thence North 88°52'56" East, 25.81 feet to the existing westerly right-of-way of Tully Road, as described in Doc. No. 2005-0158868 Stanislaus County Records; thence southerly along said westerly right-of-way of Tully Road, South 07°17'51" West, 9.81 feet; thence South 01°07'02" East, 196.27 feet; thence South 31°18'41" West, 99.78 feet; thence along the existing northerly right-of-way of Pelandale Avenue, as described in said Doc. No. 2005-0158868 Stanislaus County Records, North 88°44'42" West, 312.94 feet; thence South 86°31'50" West, 554.48 feet to a point of curvature; thence along the northerly right-of-way of Pelandale Avenue,

as described in Doc. No. 1999-0074265 Stanislaus County Records, from a radial line which bears South  $03^{\circ}16'41''$  East, 240.66 feet along a non-tangent 5000.00 foot radius curve to the left through a central angle of  $02^{\circ}45'28''$ ; thence South  $83^{\circ}57'51''$  West, 129.36 feet to the True Point of Beginning.

Containing 1.913 acres of land, more or less.

The Basis of Bearings for this description being North  $87^{\circ}34'42''$  West between GPS Monuments 2722 and 2723, as shown in Book 22 of Surveys at Page 51, Stanislaus County Records.

*See Exhibits "A-1" and "A-2", plats to accompany description, attached hereto and made a part hereof.*

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-454**

**A RESOLUTION DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY  
REQUIRE THE ACQUISITION OF CERTAIN PROPERTY INTERESTS AND  
DIRECTING THE FILING OF EMINENT DOMAIN PROCEEDINGS FOR THE  
PELANDALE AVENUE CAPITAL IMPROVEMENT PROJECT**

**Olga Edna Luchessa, Property Owners**

**Property Address: 1043 Bangs Avenue, Stanislaus County, California**

**Assessor's Parcel No.: 046-002-002**

WHEREAS, the City's Capital Improvement Program (CIP), amended on February 22, 2005, by Council Resolution No. 2005-118, included a project to widen Pelandale Avenue to six lanes, the Pelandale Avenue Widening Project (the "Project"), and

WHEREAS, the City of Modesto and the County of Stanislaus entered into the Pelandale Avenue Joint Powers Agreement on December 6, 2005, to facilitate cooperation between the City and the County for the improvement of Pelandale Avenue between State Route 99 and a point 1,400 feet east of McHenry Avenue for the Project, which Project area is partially located within the City limits and partially within the unincorporated area of the County, and

WHEREAS, pursuant to the Pelandale Avenue Joint Powers Agreement, the County of Stanislaus consents to the acquisition of Project rights-of-way by the City outside its boundaries in the unincorporated area of the County, and

WHEREAS, the Pelandale Avenue Joint Powers Agreement gives the City of Modesto the right and power to acquire, by purchase or eminent domain, all property or rights-of-way necessary for completion of the Project, including property outside its boundaries in the unincorporated area of the County, and

WHEREAS, the Project, when completed, will improve traffic circulation within the City and the County and to areas east of Coffee Road, and

WHEREAS, the City of Modesto is vested with the power of eminent domain to acquire real property for the Project by virtue of Article 1, Section 19, of the Constitution of the State of California, Government Code Sections 37350.5, 37353, 39792, 40401 and 40404; Sections 1240.010, 1240.020, 1240.030, 1240.040, 1240.050, 1240.110, 1240.120, 1240.140, 1240.150, and 1240.350 of the Code of Civil Procedure of the State of California; and California Government Code section 1810; and, the Pelandale Avenue Joint Powers Agreement by and between the City of Modesto and the County of Stanislaus, and

WHEREAS, it is desirable and necessary for the City of Modesto to acquire certain real property interests on Assessor's Parcel No. 046-002-002, including fee title together with all improvements situated thereon and together with all rights appurtenant thereto, as described in Exhibits A and A-1 hereto, and a temporary construction easement as described in Exhibits B

and B-1 hereto, which exhibits are attached hereto and made a part hereof by this reference and hereinafter referenced as the "Subject Property," in order to construct, widen and/or improve Pelandale Avenue between Dale Road and McHenry Avenue in the City of Modesto and the County of Stanislaus (the "Project"), and

WHEREAS, Assessor's Parcel No. 046-002-002 is currently encumbered by a Williamson Act contract, and

WHEREAS, the location of the Project generally, and specifically on this parcel, is not based primarily on a consideration of the lower cost of acquiring land in an agricultural preserve, but rather on the current location of Pelandale Avenue, the residential neighborhoods abutting Pelandale Avenue, and the purpose of increasing circulation on a six lane expressway, and

WHEREAS, there is no other land within or outside the preserve on which it is reasonably feasible to locate the Project, and

WHEREAS, the appraisal of the land was without consideration of the involved Williamson Act contract pursuant to Civil Code section 51295, and

WHEREAS, pursuant to the provisions of Section 1245.235 of the Code of Civil Procedure of the State of California, notice has been duly given to all persons whose property is to be acquired by eminent domain and whose names and addresses appear on the last Stanislaus County equalized assessment roll, all of whom have been given a reasonable opportunity to appear and be heard before the City of Modesto on the following matters:

- (a) Whether the public interest and necessity require the Project;
- (b) Whether the Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury;
- (c) Whether the property sought to be acquired is necessary for the Project;
- (d) Whether the offer required by Government Code Section 7267.2 has been made to the owner(s) of record, and

WHEREAS, pursuant to the provisions of Section 7267.2 of the Government Code of the State of California, the City of Modesto has made an offer to the owner or owners of record to acquire the Subject Property for just compensation, and

WHEREAS, the City of Modesto has satisfied the provisions and complied with all requirements of the California Environmental Quality Act ("CEQA") for the Project,

**NOW, THEREFORE, IT IS FOUND, DETERMINED, AND ORDERED** as follows:

1. The public interest and necessity require the Project for the acquisition of the fee simple and the temporary construction easement in and through the above-identified parcel of land.
2. The Project is planned and located in the manner which will be most compatible with the greatest public good and the least private injury.
3. The Project is planned and located in the manner which was not based primarily, nor in part, on a consideration of the lower cost of acquiring land in an agricultural preserve.
4. There is no other land within or outside the agricultural preserve on which it is reasonably feasible to plan and locate the Project.
5. The taking of the fee simple title in and to the real property or other interests as may be more particularly described in Exhibits A and B and depicted in Exhibits A-1 and B-1 are necessary for the Project.
6. The offer required by Section 7267.2 of the Government Code of the State of California has been made to the owner or owners of record of the real property and without consideration of the Williamson Act contract pursuant to Civil Code section 51295.
7. The Subject Property is being acquired for a compatible use under California Code of Civil Procedure Section 1240.510 in that the City's use of the Subject Property will not interfere with or impair the continued use of the Subject Property for public utilities as they now exist or may reasonably be expected to exist in the future.
8. The Subject Property is being acquired for a more necessary public use under California Code of Civil Procedure Section 1240.610 in that the City's use of the Subject Property is a more necessary public use than the use to which the property is appropriated.
9. The Office of the City Attorney of the City of Modesto and Special Counsel, Meyers, Nave, Riback, Silver & Wilson, are hereby authorized, empowered and directed to acquire in the name of the City of Modesto, by condemnation, the Subject Property in accordance with the provisions of the Eminent Domain Law, the Code of Civil Procedure and the Constitution of California; to prepare, prosecute and conduct to conclusion in the name of the City of Modesto such proceedings in the proper court as are necessary for such acquisition and to take such action as may be deemed advisable or necessary in connection therewith; and, to deposit the probable amount of just compensation based on an appraisal.
10. An order for prejudgment possession may be obtained in said actions and warrants issued to the State Treasury Condemnation Fund, in the amounts

determined by the Court to be so deposited, as a condition to the right of immediate possession and use the Subject Property for said public uses and purposes.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of July 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen,  
Mayor Ridenour

NOES: Councilmembers: None

ABSENT: Councilmembers: None

ATTEST: Jean Morris  
JEAN MORRIS, City Clerk

APPROVED AS TO FORM:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-455**

**A RESOLUTION DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY  
REQUIRE THE ACQUISITION OF CERTAIN PROPERTY INTERESTS AND  
DIRECTING THE FILING OF EMINENT DOMAIN PROCEEDINGS FOR THE  
PELANDALE AVENUE CAPITAL IMPROVEMENT PROJECT**

**Red Rock Ranch, Property Owners  
Property Address: Northeast Corner of Pelandale Avenue and Carver Road,  
Stanislaus County, California  
Assessor's Parcel No.: 046-007-021**

WHEREAS, the City's Capital Improvement Program (CIP), amended on February 22, 2005, by Council Resolution No. 2005-118, included a project to widen Pelandale Avenue to six lanes, the Pelandale Avenue Widening Project (the "Project"), and

WHEREAS, the City of Modesto and the County of Stanislaus entered into the Pelandale Avenue Joint Powers Agreement on December 6, 2005, to facilitate cooperation between the City and the County for the improvement of Pelandale Avenue between State Route 99 and a point 1,400 feet east of McHenry Avenue for the Project, which Project area is partially located within the City limits and partially within the unincorporated area of the County, and

WHEREAS, pursuant to the Pelandale Avenue Joint Powers Agreement, the County of Stanislaus consents to the acquisition of Project rights-of-way by the City outside its boundaries in the unincorporated area of the County, and

WHEREAS, the Pelandale Avenue Joint Powers Agreement gives the City of Modesto the right and power to acquire, by purchase or eminent domain, all property or rights-of-way necessary for completion of the Project, including property outside its boundaries in the unincorporated area of the County, and

WHEREAS, the Project, when completed, will improve traffic circulation within the City and the County and to areas east of Coffee Road, and

WHEREAS, the City of Modesto is vested with the power of eminent domain to acquire real property for the Project by virtue of Article 1, Section 19, of the Constitution of the State of California, Government Code Sections 37350.5, 37353, 39792, 40401 and 40404; Sections 1240.010, 1240.020, 1240.030, 1240.040, 1240.050, 1240.110, 1240.120, 1240.140, 1240.150, and 1240.350 of the Code of Civil Procedure of the State of California; and, California Government Code section 1810; and, the Pelandale Avenue Joint Powers Agreement by and between the City of Modesto and the County of Stanislaus, and

WHEREAS, it is desirable and necessary for the City of Modesto to acquire certain real property interests on Assessor's Parcel No. 046-007-021, including fee title together with all improvements situated thereon and together with all rights appurtenant thereto, as described in

Exhibits A and A-1 hereto, and a temporary construction easement as described in Exhibits B and B-1 hereto, which exhibits are attached hereto and made a part hereof by this reference and hereinafter referenced as the "Subject Property," in order to construct, widen and/or improve Pelandale Avenue between Dale Road and McHenry Avenue in the City of Modesto and the County of Stanislaus (the "Project"), and

WHEREAS, Assessor's Parcel No. 046-007-021 is currently encumbered by a Williamson Act contract, and

WHEREAS, the location of the Project generally, and specifically on this parcel, is not based primarily on a consideration of the lower cost of acquiring land in an agricultural preserve, but rather on the current location of Pelandale Avenue, the residential neighborhoods abutting Pelandale Avenue, and the purpose of increasing circulation on a six lane expressway, and

WHEREAS, there is no other land within or outside the preserve on which it is reasonably feasible to locate the Project, and

WHEREAS, the appraisal of the land was without consideration of the involved Williamson Act contract pursuant to Civil Code section 51295, and

WHEREAS, pursuant to the provisions of Section 1245.235 of the Code of Civil Procedure of the State of California, notice has been duly given to all persons whose property is to be acquired by eminent domain and whose names and addresses appear on the last Stanislaus County equalized assessment roll, all of whom have been given a reasonable opportunity to appear and be heard before the City of Modesto on the following matters:

- (a) Whether the public interest and necessity require the Project;
- (b) Whether the Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury;
- (c) Whether the property sought to be acquired is necessary for the Project;
- (d) Whether the offer required by Government Code Section 7267.2 has been made to the owner(s) of record, and

WHEREAS, pursuant to the provisions of Section 7267.2 of the Government Code of the State of California, the City of Modesto has made an offer to the owner or owners of record to acquire the Subject Property for just compensation, and

WHEREAS, the City of Modesto has satisfied the provisions and complied with all requirements of the California Environmental Quality Act ("CEQA") for the Project,

**NOW, THEREFORE, IT IS FOUND, DETERMINED, AND ORDERED** as follows:

1. The public interest and necessity require the Project for the acquisition of the fee simple and the temporary construction easement in and through the above-identified parcel of land.
2. The Project is planned and located in the manner which will be most compatible with the greatest public good and the least private injury.
3. The Project is planned and located in the manner which was not based primarily, nor in part, on a consideration of the lower cost of acquiring land in an agricultural preserve.
4. There is no other land within or outside the agricultural preserve on which it is reasonably feasible to plan and locate the Project.
5. The taking of the fee simple title in and to the real property or other interests as may be more particularly described in Exhibits A and B and depicted in Exhibits A-1 and B-1 are necessary for the Project.
6. The offer required by Section 7267.2 of the Government Code of the State of California has been made to the owner or owners of record of the real property and without consideration of the Williamson Act contract pursuant to Civil Code section 51295.
7. The Subject Property is being acquired for a compatible use under California Code of Civil Procedure Section 1240.510 in that the City's use of the Subject Property will not interfere with or impair the continued use of the Subject Property for public utilities as they now exist or may reasonably be expected to exist in the future.
8. The Subject Property is being acquired for a more necessary public use under California Code of Civil Procedure Section 1240.610 in that the City's use of the Subject Property is a more necessary public use than the use to which the property is appropriated.
9. The Office of the City Attorney of the City of Modesto and Special Counsel, Meyers, Nave, Riback, Silver & Wilson, are hereby authorized, empowered and directed to acquire in the name of the City of Modesto, by condemnation, the Subject Property in accordance with the provisions of the Eminent Domain Law, the Code of Civil Procedure and the Constitution of California; to prepare, prosecute and conduct to conclusion in the name of the City of Modesto such proceedings in the proper court as are necessary for such acquisition and to take such action as may be deemed advisable or necessary in connection therewith; and, to deposit the probable amount of just compensation based on an appraisal.
10. An order for prejudgment possession may be obtained in said actions and warrants issued to the State Treasury Condemnation Fund, in the amounts

determined by the Court to be so deposited, as a condition to the right of immediate possession and use the Subject Property for said public uses and purposes.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of July 2006, by Councilmember O'Bryant, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen,  
Mayor Ridenour

NOES: Councilmembers: None

ABSENT: Councilmembers: None

ATTEST: Jean Morris  
JEAN MORRIS, City Clerk

APPROVED AS TO FORM:

By Susana Alcala Wood  
SUSANA ALCALA WOOD, City Attorney

# **EXHIBIT A**

**EXHIBIT A**  
**DESCRIPTION OF**  
**RIGHT-OF-WAY**  
**APN: 046-007-021**

All that certain real property being a portion of the Lands of Red Rock Ranch as described in Volume 1695 Stanislaus County Records, at Page 50, said lands also being a portion of Lot 2 of Nash Tract, filed for record in Book 4 of Maps at Page 10, Stanislaus County Records, in the City of Modesto, State of California and being more particularly described as follows:

Commencing at the southeast corner of said Lot 2; thence northerly along the East line of said Lot 2, North 01°06'35" West, 80.21 feet to the **True Point of Beginning**; thence from the True Point of Beginning leaving said East line of Lot 2, South 83°57'36" West, 270.44 feet along the existing northerly right-of-way of Pelandale Avenue, as described in Document No. 1998-0025335 Stanislaus County Records, to a point of curvature; thence 276.61 feet along a 5000.00 foot radius curve to the right through a central angle of 03°10'11"; thence continuing along the northerly right-of-way of Pelandale Avenue, as described in Doc. No. 2005-51105822 Stanislaus County Records, North 86°28'08" West, 290.37 feet; thence North 88°39'12" West, 236.54 feet; thence North 80°02'39" West, 82.57 feet; thence North 88°24'49" West, 263.84 feet; thence North 57°04'25" West, 79.87 feet; thence along the easterly right-of-way of Carver Road, as described in said Doc. No. 2005-51105822 Stanislaus County Records, North 00°36'42" West, 220.18 feet; thence North 02°59'57" West, 24.01 feet; thence North 01°45'31" West, 28.11 feet; thence leaving said easterly right-of-way of Carver Road, North 89°23'18" East, 6.34 feet; thence South 00°36'42" East, 10.00 feet to a point of curvature; thence 7.88 feet along a 40.00 foot radius curve to the left through a central angle of 11°16'59"; thence South 11°53'41" East, of 41.23 feet to a point of curvature; thence 11.82 feet along a 60.00 foot radius curve to the right through a central angle of 11°16'59"; thence South 00°36'42" East, 50.00 feet to a point of curvature; thence 9.60 feet along a 60.00 foot radius curve to the right through a central angle of 09°09'52"; thence South 08°33'10" West, 54.77 feet to a point of curvature; thence 6.40 feet along a 40.00 foot radius curve to the left through a central angle of 09°09'52"; thence South 00°36'42" East, 40.00 feet to a point of curvature; thence 76.62 feet along a 50.00 foot radius curve to the left through a central angle of 87°47'44";

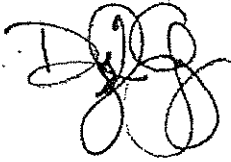

thence South 88°24'26" East, 249.35 feet; thence South 87°20'31" East, 157.02 feet to a point of curvature; thence 748.82 feet along a 4932.54 foot radius curve to the left through a central angle of 08°41'53"; thence North 83°57'36" East, 276.49 feet to a point on the East line of said Lot 2; thence along said East line of Lot 2, South 01°06'35" East, 68.34 feet to the True Point of Beginning.

Containing 1.84 acres of land, more or less.

The Basis of Bearings for this description being North 87°34'42" West between GPS Monuments 2722 and 2723, as shown in Book 22 of Surveys at Page 51, Stanislaus County Records.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-456**

**A RESOLUTION DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY  
REQUIRE THE ACQUISITION OF CERTAIN PROPERTY INTERESTS AND  
DIRECTING THE FILING OF EMINENT DOMAIN PROCEEDINGS FOR THE  
PELANDALE AVENUE CAPITAL IMPROVEMENT PROJECT**

**The Burchell Nursery, Inc., Property Owners  
Property Address: 4201 McHenry Avenue, Stanislaus County, California  
Assessor's Parcel No.: 046-008-016**

**The Burchell Nursery, Inc., Property Owners  
Property Address: Parcel West of 4201 McHenry Avenue, Stanislaus County, California  
Assessor's Parcel No.: 046-008-024**

WHEREAS, the City's Capital Improvement Program (CIP), amended on February 22, 2005, by Council Resolution No. 2005-118, included a project to widen Pelandale Avenue to six lanes, the Pelandale Avenue Widening Project (the "Project"), and

WHEREAS, the City of Modesto and the County of Stanislaus entered into the Pelandale Avenue Joint Powers Agreement on December 6, 2005, to facilitate cooperation between the City and the County for the improvement of Pelandale Avenue between State Route 99 and a point 1,400 feet east of McHenry Avenue for the Project, which Project area is partially located within the City limits and partially within the unincorporated area of the County, and

WHEREAS, pursuant to the Pelandale Avenue Joint Powers Agreement, the County of Stanislaus consents to the acquisition of Project rights-of-way by the City outside its boundaries in the unincorporated area of the County, and

WHEREAS, the Pelandale Avenue Joint Powers Agreement gives the City of Modesto the right and power to acquire, by purchase or eminent domain, all property or rights-of-way necessary for completion of the Project, including property outside its boundaries in the unincorporated area of the County, and

WHEREAS, the Project, when completed, will improve traffic circulation within the City and the County and to areas east of Coffee Road, and

WHEREAS, the City of Modesto is vested with the power of eminent domain to acquire real property for the Project by virtue of Article 1, Section 19, of the Constitution of the State of California, Government Code Sections 37350.5, 37353, 39792, 40401 and 40404; Sections 1240.010, 1240.020, 1240.030, 1240.040, 1240.050, 1240.110, 1240.120, 1240.140, 1240.150, and 1240.350 of the Code of Civil Procedure of the State of California; and, California Government Code section 1810; and, the Pelandale Avenue Joint Powers Agreement by and between the City of Modesto and the County of Stanislaus, and

WHEREAS, it is desirable and necessary for the City of Modesto to acquire certain real property interests on Assessor's Parcel Nos. 046-008-016 and 046-008-024, including fee title together with all improvements situated thereon and together with all rights appurtenant thereto, as described in Exhibits A and A-1 and C and C-1 respectively, and a temporary construction easement as described in Exhibits B and B-1 and D and D-1 respectively, which exhibits are attached hereto and made a part hereof by this reference and hereinafter referenced as the "Subject Property," in order to construct, widen and/or improve Pelandale Avenue between Dale Road and McHenry Avenue in the City of Modesto and the County of Stanislaus (the "Project"), and

WHEREAS, Assessor's Parcel No. 046-008-016 is currently encumbered by a Williamson Act contract, and

WHEREAS, the location of the Project generally, and specifically on Assessor's Parcel No. 046-008-016, is not based primarily on a consideration of the lower cost of acquiring land in an agricultural preserve, but rather on the current location of Pelandale Avenue, the residential neighborhoods abutting Pelandale Avenue, and the purpose of increasing circulation on a six lane expressway, and

WHEREAS, there is no other land within or outside the preserve on which it is reasonably feasible to locate the Project, and

WHEREAS, the appraisal of the land of Assessor's Parcel No. 046-008-016 was without consideration of the involved Williamson Act contract pursuant to Civil Code section 51295, and

WHEREAS, pursuant to the provisions of Section 1245.235 of the Code of Civil Procedure of the State of California, notice has been duly given to all persons whose property is to be acquired by eminent domain and whose names and addresses appear on the last Stanislaus County equalized assessment roll, all of whom have been given a reasonable opportunity to appear and be heard before the City of Modesto on the following matters:

- (a) Whether the public interest and necessity require the Project;
- (b) Whether the Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury;
- (c) Whether the property sought to be acquired is necessary for the Project;
- (d) Whether the offer required by Government Code Section 7267.2 has been made to the owner(s) of record, and

WHEREAS, pursuant to the provisions of Section 7267.2 of the Government Code of the State of California, the City of Modesto has made an offer to the owner or owners of record to acquire the Subject Property for just compensation, and

WHEREAS, the City of Modesto has satisfied the provisions and complied with all requirements of the California Environmental Quality Act ("CEQA") for the Project,

**NOW, THEREFORE, IT IS FOUND, DETERMINED, AND ORDERED** as follows:

1. The public interest and necessity require the Project for the acquisition of the fee simple and the temporary construction easements in and through the above-identified parcels of land.
2. The Project is planned and located in the manner which will be most compatible with the greatest public good and the least private injury.
3. The Project is planned and located in the manner which was not based primarily, nor in part, on a consideration of the lower cost of acquiring land in an agricultural preserve.
4. There is no other land within or outside the agricultural preserve on which it is reasonably feasible to plan and locate the Project.
5. The taking of the fee simple title in and to the real property or other interests as may be more particularly described in Exhibits A, B, C and D and depicted in Exhibits A-1, B-1, C-1 and D-1 are necessary for the Project.
6. The offer required by Section 7267.2 of the Government Code of the State of California has been made to the owner or owners of record of the real property and without consideration of the Williamson Act contract pursuant to Civil Code section 51295.
7. The Subject Property is being acquired for a compatible use under California Code of Civil Procedure Section 1240.510 in that the City's use of the Subject Property will not interfere with or impair the continued use of the Subject Property for public utilities as they now exist or may reasonably be expected to exist in the future.
8. The Subject Property is being acquired for a more necessary public use under California Code of Civil Procedure Section 1240.610 in that the City's use of the Subject Property is a more necessary public use than the use to which the property is appropriated.
9. The Office of the City Attorney of the City of Modesto and Special Counsel, Meyers, Nave, Riback, Silver & Wilson, are hereby authorized, empowered and directed to acquire in the name of the City of Modesto, by condemnation, the Subject Property in accordance with the provisions of the Eminent Domain Law, the Code of Civil Procedure and the Constitution of California; to prepare, prosecute and conduct to conclusion in the name of the City of Modesto such proceedings in the proper court as are necessary for such acquisition and to take

such action as may be deemed advisable or necessary in connection therewith; and, to deposit the probable amount of just compensation based on an appraisal.

10. An order for prejudgment possession may be obtained in said actions and warrants issued to the State Treasury Condemnation Fund, in the amounts determined by the Court to be so deposited, as a condition to the right of immediate possession and use the Subject Property for said public uses and purposes.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of July 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen,  
Mayor Ridenour

NOES: Councilmembers: None

ABSENT: Councilmembers: None

ATTEST: Jean Morris  
JEAN MORRIS, City Clerk

APPROVED AS TO FORM:

By Susana Alcala Wood  
SUSANA ALCALA WOOD, City Attorney

## **EXHIBIT A**

### **DESCRIPTION OF RIGHT-OF-WAY APN: 046-008-016**

All that certain real property being a portion of The Lands of The Burchell Nursery Inc., as described in Doc. No. 2001-0049517, Stanislaus County Official Records, County of Stanislaus, State of California and being more particularly described as follows:

#### **PARCEL A**

Commencing at the Southwest corner of said lands; thence North  $01^{\circ}13'55''$  West, 36.64 feet along the Westerly line to the **TRUE POINT OF BEGINNING**; thence continuing along said Westerly line, North  $01^{\circ}13'55''$  West, 35.38 feet; thence leaving said Westerly line along the Northerly line of said Lands of Burchell Nursery and being the Southerly right-of-way of Pelandale Avenue, South  $88^{\circ}48'55''$  East, 182.05 feet to a point of curvature; thence along the right-of-way as described in Document No.2005-0054446 Stanislaus County Records, 66.29 feet along the arc of a 50.00 foot radius curve to the right through a central angle of  $75^{\circ}57'34''$  to the Easterly line of said Lands of Burchell Nursery and being the Westerly right-of-way of McHENRY Avenue; thence South  $01^{\circ}13'55''$  East, 25.16 feet to the Southeast corner of said Lands and a point of curvature; thence leaving said Westerly line, from a radial bearing which bears North  $77^{\circ}53'52''$  East, 67.48 feet along the arc of a non-tangent 50.00 foot radius curve to the left through a central angle of  $77^{\circ}19'43''$ ; thence North  $89^{\circ}25'45''$  West, 172.31 feet to the true point of beginning.

Containing 7533 square feet of land, more or less.

#### **PARCEL B**

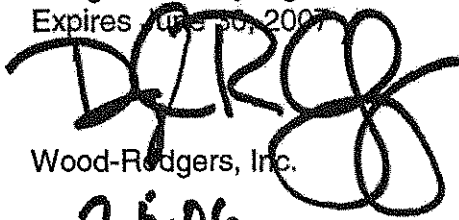

Commencing at the Southwest corner of said lands; thence along the Southerly line, South  $88^{\circ}48'10''$  East, 75.33 feet to a point of curvature; thence leaving said Southerly line, from a radial bearing which bears South  $33^{\circ}26'11''$  East, 22.71 feet along the arc of a non-tangent 80.00 foot radius curve to the left through a central angle of  $16^{\circ}15'55''$  to a point of reverse curvature; thence 82.96 feet along the arc of a 37.00 foot radius curve to the right through a central angle of  $128^{\circ}27'53''$  to the Southerly Lands of Burchell Nursery; thence along said Southerly line, North  $88^{\circ}48'10''$  West, 81.46 feet to the true point of beginning.

Containing 1,613 square feet of land, more or less.

The Basis of Bearings for this description being the same as that certain Map filed for record in Book 33 of Maps, at Page 17, Stanislaus County Records.

*See Exhibit "A-1", plat to accompany description, attached hereto and made a part hereof.*

### DESCRIPTION OF RIGHT-OF-WAY APN: 046-008-024

All that certain real property being a portion of The Lands of The Burchell Nursery Inc., as described in Doc. No. 1996-0051105, Stanislaus County Official Records, County of Stanislaus, State of California and being more particularly described as follows:

Commencing at the southeast corner of said lands; thence North  $01^{\circ}13'55''$  West, 36.65 feet along the East line to a point of curvature and the **TRUE POINT OF BEGINNING**; thence from said true point of beginning and leaving said East line, from a radial bearing which bears South  $00^{\circ}28'37''$  West, 125.28 feet along a non-tangent 1782.00 foot radius curve to the right through a central angle of  $04^{\circ}01'42''$ ; thence North  $83^{\circ}48'05''$  West, 411.01 feet to a point of curvature; thence 31.30 feet along a 18.00 foot radius curve to the left through a central angle of  $99^{\circ}38'37''$ ; thence South  $86^{\circ}33'16''$  West, 13.00 feet; thence North  $89^{\circ}54'43''$  West, 43.37 feet to the West line of said lands; thence North  $01^{\circ}13'55''$  West, 27.52 feet along said West line to the southerly right-of-way of Pelandale Avenue, as described in Doc. No. 1989-097322, Stanislaus County Official Records, said point also being a point of curvature; thence along said right-of-way from a radial which bears South  $04^{\circ}50'32''$  West, 383.68 feet along a non-tangent 5050.00 foot radius curve to the left through a central angle of  $04^{\circ}21'11''$ ; thence South  $89^{\circ}30'39''$  East, 226.63 feet to the northeast corner of said Lands of The Burchell Nursery Inc.; thence South  $01^{\circ}13'55''$  East, 37.88 feet along the East line of said lands to the true point of beginning.

Containing 0.284 acres of land, more or less.

The Basis of Bearings for this description being the same as that certain Map filed for record in Book 33 of Maps, at Page 17, Stanislaus County Records.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-457**

**A RESOLUTION DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY  
REQUIRE THE ACQUISITION OF CERTAIN PROPERTY INTERESTS AND  
DIRECTING THE FILING OF EMINENT DOMAIN PROCEEDINGS FOR THE  
PELANDALE AVENUE CAPITAL IMPROVEMENT PROJECT**

**Vintage Faire Christian Center Church, Property Owner  
Property Address: 4204 Dale Road, Modesto, California  
Assessor's Parcel No.: 078-018-035**

WHEREAS, the City's Capital Improvement Program (CIP), amended on February 22, 2005, by Council Resolution No. 2005-118, included a project to widen Pelandale Avenue to six lanes, the Pelandale Avenue Widening Project (the "Project"), and

WHEREAS, the City of Modesto and the County of Stanislaus entered into the Pelandale Avenue Joint Powers Agreement on December 6, 2005, to facilitate cooperation between the City and the County for the improvement of Pelandale Avenue between State Route 99 and a point 1,400 feet east of McHenry Avenue for the Project, which Project area is partially located within the City limits and partially within the unincorporated area of the County, and

WHEREAS, pursuant to the Pelandale Avenue Joint Powers Agreement, the County of Stanislaus consents to the acquisition of Project rights-of-way by the City outside its boundaries in the unincorporated area of the County, and

WHEREAS, the Pelandale Avenue Joint Powers Agreement gives the City of Modesto the right and power to acquire, by purchase or eminent domain, all property or rights-of-way necessary for completion of the Project, including property outside its boundaries in the unincorporated area of the County, and

WHEREAS, the Project, when completed, will improve traffic circulation within the City and the County and to areas east of Coffee Road, and

WHEREAS, the City of Modesto is vested with the power of eminent domain to acquire real property for the Project by virtue of Article 1, Section 19, of the Constitution of the State of California, Government Code Sections 37350.5, 37353, 39792, 40401 and 40404, and Sections 1240.010, 1240.020, 1240.030, 1240.040, 1240.050, 1240.110, 1240.120, 1240.140, 1240.150, and 1240.350 of the Code of Civil Procedure of the State of California and the Pelandale Avenue Joint Powers Agreement by and between the City of Modesto and the County of Stanislaus, and

WHEREAS, it is desirable and necessary for the City of Modesto to acquire certain real property interests on Assessor's Parcel No. 078-018-035, including fee title together with all improvements situated thereon and together with all rights appurtenant thereto, as described in Exhibits A and A-1 hereto, and a temporary construction easement as described in Exhibits B and B-1 hereto, which exhibits are attached hereto and made a part hereof by this reference and

hereinafter referenced as the "Subject Property," in order to construct, widen and/or improve Pelandale Avenue between Dale Road and McHenry Avenue in the City of Modesto and the County of Stanislaus (the "Project"), and

WHEREAS, pursuant to the provisions of Section 1245.235 of the Code of Civil Procedure of the State of California, notice has been duly given to all persons whose property is to be acquired by eminent domain and whose names and addresses appear on the last Stanislaus County equalized assessment roll, all of whom have been given a reasonable opportunity to appear and be heard before the City of Modesto on the following matters:

- (a) Whether the public interest and necessity require the Project;
- (b) Whether the Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury;
- (c) Whether the property sought to be acquired is necessary for the Project;
- (d) Whether the offer required by Government Code Section 7267.2 has been made to the owner(s) of record, and

WHEREAS, pursuant to the provisions of Section 7267.2 of the Government Code of the State of California, the City of Modesto has made an offer to the owner or owners of record to acquire the Subject Property for just compensation, and

WHEREAS, the City of Modesto has satisfied the provisions and complied with all requirements of the California Environmental Quality Act ("CEQA") for the Project,

**NOW, THEREFORE, IT IS FOUND, DETERMINED, AND ORDERED** as follows:

1. The public interest and necessity require the Project for the acquisition of the fee simple and the temporary construction easement in and through the above-identified parcel of land.
2. The Project is planned and located in the manner which will be most compatible with the greatest public good and the least private injury.
3. The taking of the fee simple title in and to the real property or other interests as may be more particularly described in Exhibits A and B and depicted in Exhibits A-1 and B-1 are necessary for the Project.
4. The offer required by Section 7267.2 of the Government Code of the State of California has been made to the owner or owners of record of the real property.
5. The Subject Property is being acquired for a compatible use under California Code of Civil Procedure Section 1240.510 in that the City's use of the Subject Property will not interfere with or impair the continued use of the Subject

Property for public utilities as they now exist or may reasonably be expected to exist in the future.

6. The Subject Property is being acquired for a more necessary public use under California Code of Civil Procedure Section 1240.610 in that the City's use of the Subject Property is a more necessary public use than the use to which the property is appropriated.
7. The Office of the City Attorney of the City of Modesto and Special Counsel, Meyers, Nave, Riback, Silver & Wilson, are hereby authorized, empowered and directed to acquire in the name of the City of Modesto, by condemnation, the Subject Property in accordance with the provisions of the Eminent Domain Law, the Code of Civil Procedure and the Constitution of California; to prepare, prosecute and conduct to conclusion in the name of the City of Modesto such proceedings in the proper court as are necessary for such acquisition and to take such action as may be deemed advisable or necessary in connection therewith; and, to deposit the probable amount of just compensation based on an appraisal.
8. An order for prejudgment possession may be obtained in said actions and warrants issued to the State Treasury Condemnation Fund, in the amounts determined by the Court to be so deposited, as a condition to the right of immediate possession and use the Subject Property for said public uses and purposes.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of July 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen,  
Mayor Ridenour

NOES: Councilmembers: None

ABSENT: Councilmembers: None

ATTEST: Jean Morris

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-458**

**A RESOLUTION DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY  
REQUIRE THE ACQUISITION OF CERTAIN PROPERTY INTERESTS AND  
DIRECTING THE FILING OF EMINENT DOMAIN PROCEEDINGS FOR THE  
PELANDALE AVENUE CAPITAL IMPROVEMENT PROJECT**

**Hans J. Wagner, Donald E. Wagner, Trustee of The Donald E. Wagner Trust,  
Property Owners  
Property Address: Northwest Corner of Pelendale Avenue and American Avenue,  
Modesto, California  
Assessor's Parcel No.: 078-018-021**

WHEREAS, the City's Capital Improvement Program (CIP), amended on February 22, 2005, by Council Resolution No. 2005-118, included a project to widen Pelendale Avenue to six lanes, the Pelendale Avenue Widening Project (the "Project"), and

WHEREAS, the City of Modesto and the County of Stanislaus entered into the Pelendale Avenue Joint Powers Agreement on December 6, 2005, to facilitate cooperation between the City and the County for the improvement of Pelendale Avenue between State Route 99 and a point 1,400 feet east of McHenry Avenue for the Project, which Project area is partially located within the City limits and partially within the unincorporated area of the County, and

WHEREAS, pursuant to the Pelendale Avenue Joint Powers Agreement, the County of Stanislaus consents to the acquisition of Project rights-of-way by the City outside its boundaries in the unincorporated area of the County, and

WHEREAS, the Pelendale Avenue Joint Powers Agreement gives the City of Modesto the right and power to acquire, by purchase or eminent domain, all property or rights-of-way necessary for completion of the Project, including property outside its boundaries in the unincorporated area of the County, and

WHEREAS, the Project, when completed, will improve traffic circulation within the City and the County and to areas east of Coffee Road, and

WHEREAS, the City of Modesto is vested with the power of eminent domain to acquire real property for the Project by virtue of Article 1, Section 19, of the Constitution of the State of California, Government Code Sections 37350.5, 37353, 39792, 40401 and 40404, and Sections 1240.010, 1240.020, 1240.030, 1240.040, 1240.050, 1240.110, 1240.120, 1240.140, 1240.150, and 1240.350 of the Code of Civil Procedure of the State of California and the Pelendale Avenue Joint Powers Agreement by and between the City of Modesto and the County of Stanislaus, and

WHEREAS, it is desirable and necessary for the City of Modesto to acquire certain real property interests on Assessor's Parcel No. 078-018-021, including fee title together with all improvements situated thereon and together with all rights appurtenant thereto, as described in Exhibits A and A-1 hereto, and a temporary construction easement as described in Exhibits B

and B-1 hereto, which exhibits are attached hereto and made a part hereof by this reference and hereinafter referenced as the "Subject Property," in order to construct, widen and/or improve Pelandale Avenue between Dale Road and McHenry Avenue in the City of Modesto and the County of Stanislaus (the "Project"), and

WHEREAS, pursuant to the provisions of Section 1245.235 of the Code of Civil Procedure of the State of California, notice has been duly given to all persons whose property is to be acquired by eminent domain and whose names and addresses appear on the last Stanislaus County equalized assessment roll, all of whom have been given a reasonable opportunity to appear and be heard before the City of Modesto on the following matters:

- (a) Whether the public interest and necessity require the Project;
- (b) Whether the Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury;
- (c) Whether the property sought to be acquired is necessary for the Project;
- (d) Whether the offer required by Government Code Section 7267.2 has been made to the owner(s) of record, and

WHEREAS, pursuant to the provisions of Section 7267.2 of the Government Code of the State of California, the City of Modesto has made an offer to the owner or owners of record to acquire the Subject Property for just compensation, and

WHEREAS, the City of Modesto has satisfied the provisions and complied with all requirements of the California Environmental Quality Act ("CEQA") for the Project,

**NOW, THEREFORE, IT IS FOUND, DETERMINED, AND ORDERED** as follows:

1. The public interest and necessity require the Project for the acquisition of the fee simple and the temporary construction easement in and through the above-identified parcel of land.
2. The Project is planned and located in the manner which will be most compatible with the greatest public good and the least private injury.
3. The taking of the fee simple title in and to the real property or other interests as may be more particularly described in Exhibits A and B and depicted in Exhibits A-1 and B-1 are necessary for the Project.
4. The offer required by Section 7267.2 of the Government Code of the State of California has been made to the owner or owners of record of the real property.
5. The Subject Property is being acquired for a compatible use under California Code of Civil Procedure Section 1240.510 in that the City's use of the Subject Property will not interfere with or impair the continued use of the Subject

Property for public utilities as they now exist or may reasonably be expected to exist in the future.

6. The Subject Property is being acquired for a more necessary public use under California Code of Civil Procedure Section 1240.610 in that the City's use of the Subject Property is a more necessary public use than the use to which the property is appropriated.
7. The Office of the City Attorney of the City of Modesto and Special Counsel, Meyers, Nave, Riback, Silver & Wilson, are hereby authorized, empowered and directed to acquire in the name of the City of Modesto, by condemnation, the Subject Property in accordance with the provisions of the Eminent Domain Law, the Code of Civil Procedure and the Constitution of California; to prepare, prosecute and conduct to conclusion in the name of the City of Modesto such proceedings in the proper court as are necessary for such acquisition and to take such action as may be deemed advisable or necessary in connection therewith; and, to deposit the probable amount of just compensation based on an appraisal.
8. An order for prejudgment possession may be obtained in said actions and warrants issued to the State Treasury Condemnation Fund, in the amounts determined by the Court to be so deposited, as a condition to the right of immediate possession and use the Subject Property for said public uses and purposes.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of July 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-459**

**A RESOLUTION DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY  
REQUIRE THE ACQUISITION OF CERTAIN PROPERTY INTERESTS AND  
DIRECTING THE FILING OF EMINENT DOMAIN PROCEEDINGS FOR THE  
PELANDALE AVENUE CAPITAL IMPROVEMENT PROJECT**

**Reza Vossoughi and Sharon Ann Vossoughi; Mehdi Vossoughi; Ataollah Ahsani;  
Shahram Sharafi and Fatemeh Falahat-Pisheh (Sharafi); Zahra Sharafi (Mohebbi);  
Mana Developments, Property Owners  
Property Address: North side of Pelandale Avenue, One Parcel West of American Avenue,  
Stanislaus County, California  
Assessor's Parcel No.: 078-018-027**

WHEREAS, the City's Capital Improvement Program (CIP), amended on February 22, 2005, by Council Resolution No. 2005-118, included a project to widen Pelandale Avenue to six lanes, the Pelandale Avenue Widening Project (the "Project"), and

WHEREAS, the City of Modesto and the County of Stanislaus entered into the Pelandale Avenue Joint Powers Agreement on December 6, 2005, to facilitate cooperation between the City and the County for the improvement of Pelandale Avenue between State Route 99 and a point 1,400 feet east of McHenry Avenue for the Project, which Project area is partially located within the City limits and partially within the unincorporated area of the County, and

WHEREAS, pursuant to the Pelandale Avenue Joint Powers Agreement, the County of Stanislaus consents to the acquisition of Project rights-of-way by the City outside its boundaries in the unincorporated area of the County, and

WHEREAS, the Pelandale Avenue Joint Powers Agreement gives the City of Modesto the right and power to acquire, by purchase or eminent domain, all property or rights-of-way necessary for completion of the Project, including property outside its boundaries in the unincorporated area of the County, and

WHEREAS, the Project, when completed, will improve traffic circulation within the City and the County and to areas east of Coffee Road, and

WHEREAS, the City of Modesto is vested with the power of eminent domain to acquire real property for the Project by virtue of Article 1, Section 19, of the Constitution of the State of California, Government Code Sections 37350.5, 37353, 39792, 40401 and 40404, and Sections 1240.010, 1240.020, 1240.030, 1240.040, 1240.050, 1240.110, 1240.120, 1240.140, 1240.150, and 1240.350 of the Code of Civil Procedure of the State of California and the Pelandale Avenue Joint Powers Agreement by and between the City of Modesto and the County of Stanislaus, and

WHEREAS, it is desirable and necessary for the City of Modesto to acquire certain real property interests on Assessor's Parcel No. 078-018-027, including fee title together with all improvements situated thereon and together with all rights appurtenant thereto, as described in Exhibits A and A-1 hereto, and a temporary construction easement as described in Exhibits B

and B-1 hereto, which exhibits are attached hereto and made a part hereof by this reference and hereinafter referenced as the "Subject Property," in order to construct, widen and/or improve Pelandale Avenue between Dale Road and McHenry Avenue in the City of Modesto and the County of Stanislaus (the "Project"), and

WHEREAS, pursuant to the provisions of Section 1245.235 of the Code of Civil Procedure of the State of California, notice has been duly given to all persons whose property is to be acquired by eminent domain and whose names and addresses appear on the last Stanislaus County equalized assessment roll, all of whom have been given a reasonable opportunity to appear and be heard before the City of Modesto on the following matters:

- (a) Whether the public interest and necessity require the Project;
- (b) Whether the Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury;
- (c) Whether the property sought to be acquired is necessary for the Project;
- (d) Whether the offer required by Government Code Section 7267.2 has been made to the owner(s) of record, and

WHEREAS, pursuant to the provisions of Section 7267.2 of the Government Code of the State of California, the City of Modesto has made an offer to the owner or owners of record to acquire the Subject Property for just compensation, and

WHEREAS, the City of Modesto has satisfied the provisions and complied with all requirements of the California Environmental Quality Act ("CEQA") for the Project,

**NOW, THEREFORE, IT IS FOUND, DETERMINED, AND ORDERED** as follows:

1. The public interest and necessity require the Project for the acquisition of the fee simple and the temporary construction easement in and through the above-identified parcel of land.
2. The Project is planned and located in the manner which will be most compatible with the greatest public good and the least private injury.
3. The taking of the fee simple title in and to the real property or other interests as may be more particularly described in Exhibits A and B and depicted in Exhibits A-1 and B-1 are necessary for the Project.
4. The offer required by Section 7267.2 of the Government Code of the State of California has been made to the owner or owners of record of the real property.
5. The Subject Property is being acquired for a compatible use under California Code of Civil Procedure Section 1240.510 in that the City's use of the Subject Property will not interfere with or impair the continued use of the Subject

Property for public utilities as they now exist or may reasonably be expected to exist in the future.

6. The Subject Property is being acquired for a more necessary public use under California Code of Civil Procedure Section 1240.610 in that the City's use of the Subject Property is a more necessary public use than the use to which the property is appropriated.
7. The Office of the City Attorney of the City of Modesto and Special Counsel, Meyers, Nave, Riback, Silver & Wilson, are hereby authorized, empowered and directed to acquire in the name of the City of Modesto, by condemnation, the Subject Property in accordance with the provisions of the Eminent Domain Law, the Code of Civil Procedure and the Constitution of California; to prepare, prosecute and conduct to conclusion in the name of the City of Modesto such proceedings in the proper court as are necessary for such acquisition and to take such action as may be deemed advisable or necessary in connection therewith; and, to deposit the probable amount of just compensation based on an appraisal.
8. An order for prejudgment possession may be obtained in said actions and warrants issued to the State Treasury Condemnation Fund, in the amounts determined by the Court to be so deposited, as a condition to the right of immediate possession and use the Subject Property for said public uses and purposes.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 11th day of July 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-461**

**A RESOLUTION AFFIRMING THE EXISTENCE OF A LOCAL EMERGENCY**

**WHEREAS**, Chapter 4 of Title III of the Modesto City Charter empowers the Modesto City Council to proclaim the existence of a local emergency when the City of Modesto is affected or likely to be affected by a public calamity, and

**WHEREAS**, the Modesto City Council was not in session and could not be immediately called into session, and

**WHEREAS**, the Director of Emergency Services/City Manager found that conditions of extreme peril caused by the persistent record breaking heat wave, with sustained high temperatures over a period of several days had threatened the safety of persons and property within the City of Modesto, in particular, those most vulnerable to extreme heat conditions such as the elderly and medically fragile residents. This public calamity had already caused heat related illness and deaths in the City of Modesto and Stanislaus County, and

**WHEREAS**, the Office of Emergency Services was advised by the County Public Health Officer that the excessive heat had resulted in a public health emergency, particularly related to the elderly and medically fragile residents throughout the City of Modesto, and

**WHEREAS**, these conditions warranted and necessitated the proclamation of the existence of a local emergency, and

**WHEREAS**, during the local emergency, the Director of Emergency Services/City Manager or designees took emergency actions including but not limited to:

opening and assisting in the operation of cooling centers in City facilities, providing free transportation for heat victims and at-risk citizens to recovery facilities; restoring suspended water service without customary payment; providing electrical and air conditioning services and equipment to care facilities experiencing cooling failure; directing the use of overtime and call-out to respond to heat emergencies; authorizing the use of temporary cooling equipment where existing cooling equipment failed or was failing, and expending public funds on unbudgeted emergency response, and

**WHEREAS**, the Director of Emergency Services/City Manager terminated the Proclamation of Local Emergency on July 31, 2006.

**NOW, THEREFORE, BE IT RESOLVED** that a state of local emergency existed throughout the City of Modesto based upon the effect of extraordinarily high temperatures on the health of residents of the City of Modesto, especially the elderly and medically fragile, and

**BE IT FURTHER RESOLVED** that during the local emergency the powers, functions, and duties of the emergency organization of the City of Modesto prescribed by State law, by Modesto City Charter, ordinances and resolutions of the City of Modesto, and by the City of Modesto's approved Emergency Plan were implemented as part of the local emergency response, and

**BE IT FURTHER RESOLVED** that a local emergency did exist, that the City Council affirms the Director of Emergency Services/City Manager's Proclamation of a Local Emergency, and that the actions taken to address the local emergency were appropriate and consistent with the Modesto City Charter, ordinances and resolutions of the City of Modesto, and the City of Modesto's approved Emergency Plan.

The foregoing resolution was introduced at a Special meeting of the Council of the City of Modesto held on the 1<sup>st</sup> day of August 2006 by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following votes:

AYES: Councilmembers: Dunbar, Hawn, Olsen, Mayor Ridenour

NOES: Councilmembers: None

ABSENT: Councilmembers: Keating, Marsh, O'Bryant

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-462**

**A RESOLUTION AMENDING THE  
FISCAL YEAR 2005-2006 ANNUAL BUDGET**

WHEREAS, a monthly financial analysis has been completed and it has been determined that certain Year-End adjustments are required to the Annual Budget of the City of Modesto for the Fiscal Year 2005-2006,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that appropriations, revenues, and transfers for the 2005-2006 budget have been adjusted as shown in Schedule A.

BE IT FURTHER RESOLVED that the Finance Director is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2<sup>nd</sup> day of August 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following votes:

AYES: Councilmembers: Dunbar, Hawn, Marsh, O'Bryant, Olsen, Mayor Ridenour

NOES: Councilmembers: None

## Schedule A

### *Finance Department*

Improvement District #28 – Capital Projects. In 1998, the City Council authorized the disbursement of surplus funds in Improvement District #28. This project is complete and the bonds are paid in full. This adjustment will set up an expense budget for the final disbursement of surplus funds remaining for this project. There is no General Fund impact.

From:	Reserve Acct #1210-800-8000-8003	\$(27,597)
To:	Operating Acct #1210-120-1200-0540	\$ 27,597

Village One #2. In January 2006, the City Council approved the bond financing for Village One #2 projects. This budget adjustment sets up the budgets to properly record the bond proceeds and costs of issuance. There is no General Fund impact.

To:	Bond Financing Revenue Acct #2692-020-0251-8301	\$4,465,357
To:	Operating Acct #2692-020-0251-0454 (Cost of Issuance)	\$825,563
	Operating Acct #2692-020-0251-0455 (Discount-Original Issue)	\$5,218
	Operating Acct #2692-020-0251-0452 (Interest Expense)	\$695,562
	Operating Acct #2692-800-8000-8251 (Debt Service Reserve)	\$2,739,014
	Operating Acct #2692-020-0251-0454 (Contingency Reserve)	\$200,000

### *Parks, Recreation & Neighborhoods Department*

Fund 7800 – Building Services. The Building Services Fund is currently in a deficit. The Finance Committee agreed that this deficit would be cleared through allocation of costs to various funds that are serviced by the Building Services Division. This will be completed as part of the Fiscal Year 2005-06 closing process. This budget adjustment will transfer \$15,571 from the Building Services Reserve to their operating accounts to clear the negative appropriations as shown below:

From:	Contingency Reserve Acct #7800-800-8000-8003	\$(15,571)
To:	Operating Acct #7800-350-3512-0140	\$ 6,700
	Operating Acct #7800-350-3513-0110	\$ 2,800
	Operating Acct #7800-350-3514-0110	\$ 6,071

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-463**

**A RESOLUTION AUTHORIZING THE AWARD OF BID AND CONTRACT FOR THE FURNISHING OF BIO-SOLIDS REMOVAL, TRANSPORT AND LAND APPLICATION SERVICES FOR THE PUBLIC WORKS DEPARTMENT, WATER QUALITY CONTROL DIVISION, TO JIM BRISCO ENTERPRISES, INC., MERCED, CA, FOR A TWO (2) YEAR AGREEMENT, WITH THREE (3) ONE-YEAR EXTENSION OPTIONS AT THE SOLE DISCRETION OF THE CITY, FOR A TOTAL ESTIMATED ANNUAL COST OF \$257,818**

WHEREAS, the Public Works Department, Wastewater Treatment Plant (WWTP) located at 1221 Sutter Avenue, Modesto, removes de-watered bio-solids from drying beds located at the site, and

WHEREAS, bio-solids are byproducts of the wastewater treatment process, and

WHEREAS, the accumulated bio-solids are the result of the designed solids removal process from the WWTP, and

WHEREAS, removal of the dried bio-solids provides renewed drying bed space for this revolving process, and

WHEREAS, when dried, the bio-solids are removed from the drying beds and transported to the Secondary Treatment Plant where they are screened, rototilled, hydrated and applied to the City's Ranch fields as a soil amendment. Some bio-solids may also be composted at the City's Compost Facility, and

WHEREAS, on August 9, 2005, Council approved Resolution No. 2005-400 authorizing the Purchasing Supervisor to issue formal Request for Bids (RFB) for the removal and transportation of wastewater bio-solids for the Public Works Department, Water Quality Control Division, for a two (2) year agreement, with three (3) one-year extension options at the sole discretion of the City, and

WHEREAS, on March 24, 2006, the Purchasing Division issued Request for Bid No. 0506-21 for the furnishing of bio-solids removal, transport and land application services to twenty-seven (27) prospective bidders, fifteen (15) of which were local companies, posted the bid on the City's web site, and formally advertised as required by law, and

WHEREAS, on April 25, 2006, RFB's were formally opened in the City Clerk's office. Of the twenty-seven (27) prospective bidders, one (1) company chose to respond, and

WHEREAS, City staff contacted a few of the prospective bidders to find out why they chose not to respond; a common answer was that they were too busy to take on more business, and

WHEREAS, based on providing a responsive and responsible bid, City staff recommends the award of bid and contract for the furnishing of Bio-Solids Removal, Transport and Land Application Services for the Public Works Department, Water Quality Control Division, to Jim Brisco Enterprises, Inc., Merced, CA, for a two (2) year agreement, with three (3) one-year extension options at the sole discretion of the City, for a total estimated annual cost of \$257,818, and

WHEREAS, the Modesto Municipal Code, MMC 8-3.203, generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. The award of bid and contract for the furnishing of bio-solids removal, transport and land application services for the Public Works Department, Water Quality Control Division, conforms to code, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of bid and contract for the furnishing of Bio-Solids Removal, Transport and Land Application Services for the Public Works Department, Water Quality Control Division, to Jim Brisco Enterprises, Inc., Merced, CA, for a two (2) year agreement, with three (3) one-year extension options at the sole discretion of the City, for a total estimated annual cost of \$257,818.

BE IT FURTHER RESOLVED that the Purchasing Manager is hereby authorized to issue a purchase agreement for the furnishing of Bio-Solids Removal, Transport and Land Application Services for the Public Works Department, Water Quality Control Division, to Jim Brisco Enterprises, Inc., Merced, CA, for a two (2) year agreement, with three (3) one-year extension options at the sole discretion of the City, for a total estimated annual cost of \$257,818.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2<sup>nd</sup> day of August 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-464**

**A RESOLUTION AUTHORIZING THE AWARD OF BID AND CONTRACTS FOR THE FURNISHING OF PUMP STATION REJUVENATION SERVICES FOR THE PUBLIC WORKS DEPARTMENT, WATER DIVISION, TO AMERINE SYSTEMS, INC., OAKDALE, CA AS THE "PRIMARY" CONTRACTOR, HOWK SYSTEMS, MODESTO, CA AS THE "SECONDARY" CONTRACTOR AND DON PEDRO PUMP, HUGHSON, CA AS THE "THIRD" CONTRACTOR, FOR A TWO (2) YEAR AGREEMENT, WITH THREE (3) ONE-YEAR EXTENSION OPTIONS AT THE SOLE DISCRETION OF THE CITY, FOR A TOTAL ESTIMATED ANNUAL COST OF \$328,737**

WHEREAS, the City of Modesto owns and operates 113 water well sites, which have a producing capacity of 109.97 million gallons per day (MGD) of water, and

WHEREAS, this water system services approximately 76,000 customer locations, for a total of 280,000 people, and

WHEREAS, when a pump station begins to deteriorate it starts to lose its pumping efficiency. Lower pumping efficiency usually equates to a drop in water pressure prompting low-pressure alarms and a reduction in fire suppression capabilities, and

WHEREAS, ineffective fire suppression capabilities can pose a potential threat to life and property, thus any drop in water pressure due to pump deterioration could potentially have catastrophic consequences, and

WHEREAS, the Public Works Department, Water Division, maintains these water well sites keeping the integrity of the pump stations at a high level in order to better service the City's customers, and

WHEREAS, by obtaining annual pricing for pump station rejuvenation services the City eliminates the need to bid this type of service every time there is a required pump repair, and

WHEREAS, needed repairs can be made in a few days instead of two (2) or more weeks. This is extremely important in the summer months, and

WHEREAS, funding for pump station rejuvenation services comes from the Water Enterprise Fund, which derives its funding from user fees, and

WHEREAS, in order to ensure continued services to the City, contracts have been awarded to more than one (1) contractor to provide for backup in case the primary contractor is unable to meet the City's needs, and

WHEREAS, a secondary or third position contractor may be awarded a specific job only if the primary contractor is unable to perform the service, or if the primary contractor is unable to complete the specific job within the time frame required by the City, and finally, if the primary contractor is unable to maintain acceptable quality standards required by the City, and

WHEREAS, on May 3, 2005, Council approved Resolution No. 2005-230 authorizing the Purchasing Supervisor to issue formal Request for Bids (RFB) for the furnishing of pump station rejuvenation services for the Public Works Department, Water Division, for a two (2) year agreement, with three (3) one-year extension options at the sole discretion of the City, and

WHEREAS, on March 6, 2006, the Purchasing Division issued Request for Bid No. 0506-02 for the furnishing of pump station rejuvenation services to seventeen (17)

prospective bidders, six (6) of which were local companies, posted the bid on the City's web site, and formally advertised as required by law, and

WHEREAS, on April 4, 2006, RFB's were formally opened in the City Clerk's office. Of the seventeen (17) prospective bidders, three (3) companies chose to respond, and

WHEREAS, based on providing responsive and responsible bids, City staff recommends the award of bid and contracts for the furnishing of Pump Station Rejuvenation Services for the Public Works Department, Water Division, to Amerine Systems, Inc., Oakdale, CA as the "primary" contractor, Howk Systems, Modesto, CA as the "secondary" contractor and Don Pedro Pump, Hughson, CA as the "third" contractor, for a two (2) year agreement, with three (3) one-year extension options at the sole discretion of the City, for a total estimated annual cost of \$328,737, and

WHEREAS, the Modesto Municipal Code, MMC 8-3.203, generally requires all purchases, which meet or exceed \$50,000 for material, equipment or contractual services to be formally bid. The award of bid and contracts for the furnishing of pump station rejuvenation services for the Public Works Department, Water Division, conforms to code.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of bid and contracts for the furnishing of Pump Station Rejuvenation Services for the Public Works Department, Water Division, to Amerine Systems, Inc., Oakdale, CA as the "primary" contractor, Howk Systems, Modesto, CA as the "secondary" contractor and Don Pedro Pump, Hughson, CA as the "third" contractor,

for a two (2) year agreement, with three (3) one-year extension options at the sole discretion of the City, for a total estimated annual cost of \$328,737.

BE IT FURTHER RESOLVED that the Purchasing Manager is hereby authorized to issue a purchase agreement for the furnishing of Pump Station Rejuvenation Services for the Public Works Department, Water Division, to Amerine Systems, Inc., Oakdale, CA as the "primary" contractor, Howk Systems, Modesto, CA as the "secondary" contractor and Don Pedro Pump, Hughson, CA as the "third" contractor, for a two (2) year agreement, with three (3) one-year extension options at the sole discretion of the City, for a total estimated annual cost of \$328,737.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2<sup>nd</sup> day of August 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-465**

**A RESOLUTION AUTHORIZING THE PURCHASING MANAGER TO SOLICIT BIDS FOR NEW VEHICLES AND HEAVY EQUIPMENT THROUGHOUT FY 06/07 THROUGH VARIOUS COMPETITIVE PROCESSES AND IN A CUMULATIVE AMOUNT NOT TO EXCEED THE BUDGETED AMOUNT OF \$2,098,500 AND AUTHORIZING THE PURCHASING MANAGER TO PURCHASE SEVENTEEN (17) USED VEHICLES AT WHOLESALE AUCTION OR THROUGH OTHER COMPETITIVE PROCESSES FOR AN ESTIMATED BUDGETED AMOUNT OF \$306,000**

WHEREAS, the City has an ongoing need to purchase vehicles and heavy equipment throughout the year, and

WHEREAS, the expenditures for vehicles and heavy equipment have been approved by Council through the budget process, and

WHEREAS, the vehicles and heavy equipment are purchased by means of formal and informal bid processes, auction, negotiation, and by accessing the terms in State and other public agencies' competitively bid contracts, and

WHEREAS, in past years Council has authorized the Purchasing Manager to solicit bids and go to auction for said vehicles and heavy equipment for the entire fiscal year without having to go before Council for authorization to issue bids, and

WHEREAS, each vehicle and/or heavy equipment staff report that first goes to Council for bid authorization and then after the bid process goes back to Council for authorization to award takes approximately 120-180 days to complete and on average accounts for approximately fifteen (15) hours of staff time to process, and

WHEREAS, by authorizing the Purchasing Manager to purchase budgeted vehicles and heavy equipment for the entire fiscal year without returning to Council for subsequent approval for the solicitation of bids, the following benefits are realized:

- Reduces staff time when preparing for and conducting the bidding process,
- Avoids the possibility of missing manufacturer cut-off ordering dates,
- Improves delivery time of new vehicles allowing them to be put into service sooner,
- Improves reaction time as “good deals “ become available, and

WHEREAS, by authorizing the Purchasing Manager or his designee to solicit bids and attend auctions to purchase vehicles and equipment for the entire fiscal year without having to go before Council for bid/purchasing approval the City will save substantial staff and processing time, and

WHEREAS, the request for authorization to award bid and contract for new vehicles and equipment will still come before Council and conform to Modesto Municipal Code (MMC) 8-3.203(a), and

WHEREAS, the Purchasing Division will continue to work at increasing local vendor inclusion in the bidding process, and

WHEREAS, upon Council approval the Purchasing Manager will solicit bids for new vehicles and heavy equipment throughout FY 06/07 through various competitive processes and in a cumulative amount not to exceed the budgeted amount of \$2,098,500, and

WHEREAS, upon Council approval the Purchasing Manager, or his designee, will purchase seventeen (17) used vehicles at auction or through various competitive processes for an estimated total budgeted amount of \$306,000,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Purchasing Manager is hereby authorized to solicit bids for new vehicles and equipment throughout FY 06/07 through various competitive processes and in a cumulative amount not to exceed the budgeted amount of \$2,098,500, returning to Council for authorization to award said new vehicles and equipment.

BE IT FURTHER RESOLVED that the Purchasing Manager, or his designee, is hereby authorized to purchase seventeen (17) used vehicles for an estimated budgeted amount of \$306,000 at auction or through various competitive processes without returning to Council for authorization to award said used vehicles.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 2nd day of August 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-466

A RESOLUTION ALLOCATING A NEW MANGER OF BUDGET AND  
FINANCIAL ANALYSIS TO THE FINANCE DEPARTMENT BEGINNING  
WITH THE 2006-2007 FISCAL YEAR

WHEREAS, during the 2004-2005 fiscal year, the Manager of Budget and Financial Analysis position was cut from the Finance Department's position allocation as a cost saving measure; and

WHEREAS, the responsibility for the development of the annual city budget has been placed in the City Manager's Office for the last two years; and

WHEREAS, the City Council now wishes to restore the Manager of Budget and Financial Analysis to the Finance Department in order to return responsibility for budget preparation and oversight to that department;

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the Personnel Department to include the Manager of Budget and Financial Analysis to the Finance Department's position allocation.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2<sup>nd</sup> day of August 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-467**

**A RESOLUTION AUTHORIZING AN EXTENSION TO A MUNICIPAL  
MASTER LEASE (“AS AMENDED”) WITH DELL MARKETING L.P., FOR  
INFORMATION TECHNOLOGY HARDWARE PRODUCTS AND SERVICES  
FOR A PERIOD OF 48-MONTHS, AND AUTHORIZING THE CITY  
MANAGER, OR HIS DESIGNEE TO EXECUTE EQUIPMENT SCHEDULE NO.  
2228457 DATED JULY 7, 2006 TO MUNICIPAL MASTER LEASE  
AGREEMENT**

WHEREAS, in 1998 the City established a Technology and Equipment Replacement Fund (TERF) for the purpose of replacing obsolete technology equipment, and

WHEREAS, in 1999 the City went through a formal bid process to establish a computer standard throughout the city, and

WHEREAS, Dell Marketing was the lowest responsive and responsible bidder to the formal bid process, and

WHEREAS, in 2003 the City entered into a Municipal Master Lease with Dell Marketing for Information Technology (IT) Hardware Products and Services, and

WHEREAS, the City leased Dell computers as part of the Municipal Master Lease for a period of 36 months, and

WHEREAS, the terms of the lease agreement expire in September 2006, requiring an extension of the agreement, and

WHEREAS, IT views this program as a cost effective measure for the City, emphasizing reduction of the Total Cost of Ownership (TCO) for the City’s technology equipment and helping streamline the City’s technology refresh program that affects all departments, and

WHEREAS, Dell Marketing has been providing personal computers to the City for the past seven years, and

WHEREAS, during that time the City has received Dell contractual pricing by taking advantage of the Western States Contracting Alliance (WSCA) pricing, and

WHEREAS, WSCA is a coalition of fifteen western states which was formed as a means by which participating states could join together to receive cost effective pricing on personal computers based on economies of scale, and

WHEREAS, the City is desirous of extending the lease agreement for a period of 48 months in the amount of \$154,665.88 per year, using the existing Municipal Master Lease (“as Amended”) with Dell Marketing for Information Technology Hardware Products and Services, and

WHEREAS, this item was presented to the Finance Committee meeting on July 24, 2006 and

WHEREAS the Finance Committee recommended this item be forwarded to Council for consideration,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves extending the lease agreement utilizing the Municipal Master Lease (“as amended”) with Dell Marketing L.P. for Information Technology hardware products and services for a period of 48 months (4 years) at a cost of \$154,665.88 per year.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute Equipment Schedule No. 2228457 dated July 7, 2006.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 2<sup>nd</sup> day of August 2006, by Councilmember O'Bryant, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the resolution adopted by the following vote:

LANDSCAPE SERVICES, INC. CONTRACT UP TO AN ADDITIONAL \$50,000  
FOR CONTRACT YEAR 1, ENDING MARCH 20, 2007**

WHEREAS, on March 7, 2006, by Resolution No. 2006-134, the City Council authorized a landscape maintenance agreement, effective March 21, 2006, between Grover Landscape Services, Inc. and the City, and

WHEREAS, Resolution No. 2006-134 also provided the Director of the Parks, Recreation and Neighborhoods Department the authority to approve increases or decreases up to \$50,000 annually in the Grover Landscape Services, Inc. contract, and

WHEREAS, recent, unanticipated, one-time park additions have caused the director to reach the maximum allowable approval limit of \$50,000, and

WHEREAS, it is anticipated that there will be a need for additional increases or decreases in the Grover Landscape Services, Inc. contract during the contract year, and

WHEREAS, there is a need to increase the department director's ability to negotiate contract increases and decreases by an additional \$50,000 for the current contract year ending March 20, 2007,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby authorizes the Director of the Parks, Recreation and Neighborhoods Department to negotiate and approve any increases or decreases in the Grover Landscape Services, Inc. contract up to an additional \$50,000 for Contract Year 1, ending March 20, 2007.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 2<sup>nd</sup> day of August 2006, by Councilmember Olsen, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-469**

**A RESOLUTION APPROVING THE SUBMISSION OF A NOTICE OF  
INTEREST FOR \$1.5 MILLION FROM THE STATE OF CALIFORNIA OFFICE  
OF EMERGENCY SERVICES (OES) HAZARD MITIGATION GRANT FOR  
THE TUOLUMNE RIVER REGIONAL PARK GATEWAY PROJECT,  
SPECIFICALLY FOR THE FLOOD MITIGATION PORTION OF THE  
PROJECT**

WHEREAS, the State of California Office of Emergency Services has made funding available through its Hazard Mitigation Grant Program, and

WHEREAS, the procedures established by the Office of Emergency Services Hazard Mitigation Grant Program require an applicant's governing body to certify by resolution the approval of the application before submission of said Notice of Interest to the State, and

WHEREAS, the applicant will enter into a contract with the State of California for the Project, and

WHEREAS, the Tuolumne River Regional Park Joint Powers Authority agreement assigns management rights and responsibilities to the City of Modesto, and

WHEREAS, staff feels that development of the Gateway portion of the Tuolumne River Regional Park, as it relates to flood mitigation on Dry Creek, to be an excellent "fit" for this specific funding program and desires to submit a Notice of Interest for said Hazard Mitigation Grant Program,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby:

1. Approves the submission of a Notice of Interest for \$1.5 million in funds from the State of California Office of Emergency Service through the

Hazard Mitigation Grant Program for development of the Gateway portion of the Tuolumne River Regional Park as it relates to flood mitigation;

2. Certifies that the applicant has or will have sufficient funds to operate and maintain the Project; and
3. Certifies that the City of Modesto staff has reviewed, understands, and agrees to the General Provisions contained in the contract shown in the Procedural Guide; and
4. Authorizes the City Manager, or his designee, to act as agent to conduct all negotiations, execute and submit all documents including, but not limited to, applications, agreements, payment requests and so on, which may be necessary for the completion of the Project following acceptance and approval by the City Council.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 2<sup>nd</sup> day of August 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-470**

**A RESOLUTION REVISING THE POSITION CLASSIFICATION PLAN  
FOR THE CITY OF MODESTO**

WHEREAS, a Position Classification Plan for the City of Modesto was adopted by Modesto City Council Resolution No. 88-338 pursuant to Rule 2 of the Personnel Rules and Regulations of the City of Modesto, and

WHEREAS, the City Manager has recommended to the Council amendments to the Position Classification Plan, and

WHEREAS, Rule 2.2 of the City of Modesto Personnel Rules provides that revisions to the Classification Plan shall be effective upon adoption of resolution of the City Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION I. CLASSIFICATION AMENDED. The Position Classification Plan of the City of Modesto is hereby amended to revise the job specification for the classification of Operations Supervisor. The job specification for this classification is being amended to update the essential functions to more accurately reflect the current job duties. The job specification for the classification of Operations Supervisor, as shown on the attached **Exhibit "A,"** which is hereby made a part of this resolution by reference, is hereby approved and made part of the Position Classification Plan of the City of Modesto.

SECTION 2. EFFECTIVE DATE. This resolution shall become effective on and after August 2, 2006.

The foregoing resolution was introduced in a special meeting of the Council of the City of Modesto held on the 2<sup>nd</sup> day of August 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

## OPERATIONS SUPERVISOR

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are **not** intended to reflect all duties performed within the job.

### DEFINITION

To supervise, coordinate, schedule and participate in the physical operations, maintenance and repair of the Modesto Centre Plaza (MCP) and John Thurman Field (JTF) facilities; to administer service contracts including janitorial, landscaping, heating and air conditioning; to supervise full-time and temporary employees on building maintenance and set-up crews; to accept responsibility for events set-up, production, and teardown.

### SUPERVISION RECEIVED AND EXERCISED

Receives general direction from the ~~Assistant Parks and Recreation Director~~ Events Supervisor.

Exercises direct supervision over subordinate technical, maintenance, temporary and contracted staff.

### ESSENTIAL AND MARGINAL FUNCTION STATEMENTS -

Essential and other important responsibilities may include, but are not limited to, the following:

#### Essential Functions:

Administer service contracts and supervise personnel in the efficient maintenance of the Modesto Centre Plaza and John Thurman Field buildings, grounds and related structures.

Assign work to employees; oversee work procedures and inspect work in progress and upon completion; communicate with clients to clarify needs and to make recommendations for event setup.

Supervise, Direct, schedule and participate with full-time and temporary employees in the set-up, function, and teardown of equipment for events; plan details for the set up of tables, chairs, stages, and other similar equipment for activities such as meetings, conventions, and exhibitions based upon specified general arrangements.

Exhibit "A"

Essential Functions: (Continued)

Work cooperatively with clients to provide seamless customer service.

Communicate with vendors and evaluate new products; coordinate with purchasing on bidding process and other division purchases.

Assist in developing and administering work unit and or division budget.

Responsible for event production needs, including in-house equipment and outside rentals.

Evaluate operations and activities of assigned responsibilities; recommend improvements and modifications; prepare various reports on operations and activities.

~~Instructs and trains assigned personnel in the performance of their tasks and duties.~~

Participate in the selection of staff; provide or coordinate staff training; work with employees to correct deficiencies; implement discipline procedures.

Inspect total facility to locate and determine the extent of repair or maintenance work to be performed.

Supervise and estimate labor and material costs for work to be performed; write specifications; arrange for estimates and bid proposals; inspect work performed by contractors; inspect and maintain sound and lighting equipment.

Supervise and coordinate contract services for landscape and custodial work.

Insure the proper use and care of tools, materials, and safety equipment; insure that work performed by assigned staff is in conformance with work standards; conduct safety information meetings; assure adherence to safety, cleanliness, fire prevention rules and standards including evacuation plans.

Serves as chairperson on the safety committee.

Monitors security camera systems and addresses other safety and security issues.

Acts as systems administrator for the facility management system.

Essential Functions: (Continued)

Keeps Maintain a variety of records, operational manual, evacuation manual and account for materials, keys, equipment, and supplies used.

Marginal Functions:

Perform related duties as assigned.

QUALIFICATIONS

Knowledge of:

Event set-up, production, and teardown requirements.

Standard event set-up patterns.

Principles of maintaining plazas, buildings, conference facilities and related structures.

Principles of supervision, training, work coordination and planning scheduling and performance evaluation.

Safe principles and work practices and related State and Federal laws and regulations.

Word processing, spreadsheet applications, internet usage, and specialized scheduling and facility management software necessary for job performance.

English composition and report writing.

Ability to:

Work with Modesto Centre Plaza users as principal production contact; project service and hospitality while applying and enforcing complex rules, regulations and practices.

Assign, supervise and plan the work of personnel assigned to MCP.

Provide training to assigned MCP personnel.

Supervise, train and evaluate assigned staff.

Ability to: (Continued)

Evaluate maintenance policies and objectives.

~~Make~~ Prepare estimates of cost and time for all aspects of maintenance, repair, and construction work.

Ability to: (Continued)

Prepare rough sketches of maintenance and repair jobs.

~~Diagnose malfunctions and determine effective courses of action for correcting them:~~

~~Identify and implement effective courses of action to completed assigned work; use lead by example methodology.~~

Operate a forklift skillfully.

~~Perform heavy manual labor, meaning lifting, carrying fifty (50) to one hundred (100) pounds of weight. Perform medium lifting up to fifty lbs. of weight.~~

Adapt to changing safety requirements; think and act quickly in emergency situations.

Adapt available tools, supplies, and equipment to particular community convention center maintenance problems.

Develop, implement, and enforce fire and safety regulations and procedures.

Communicate effectively orally and in writing.

Keep records and prepare routine and special reports.

Understand and carry out oral and written instructions.

Establish and maintain cooperative work relationships with those contacted during the course of work.

Experience and Training Guidelines

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Experience:

A combination of three years experience involving the management of facility maintenance, with experience in event production, and/or theatrical sound and lighting, and/or banquet, and meeting convention services. A portion of the experience must include lead or supervisory responsibility.

Training:

Equivalent to a Bachelors degree in facility management, recreation, business administration, or a related field.

License or Certificate

Possession of an appropriate California Drivers License is required within one month of appointment.

WORKING CONDITIONS

Environmental Conditions:

Office and field environment; travel from site to site. Hot and cold temperatures; inclement weather.

Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for walking or standing for prolonged periods of time; lifting up to 50 lbs. and operating motorized equipment and vehicles.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-471**

**A RESOLUTION APPROVING THE AGREEMENTS BETWEEN THE CITY OF  
MODESTO AND PACIFICARE, KAISER PERMANENTE, AMERICAN  
SPECIALTY HEALTH PLANS (chiropractic coverage) AND PACIFICARE  
BEHAVIORAL HEALTH; CONTINUING DENTAL AND VISION COVERAGE  
THROUGH THE CITY'S SELF-INSURED PROGRAM AND AUTHORIZING  
THE RISK MANAGER TO SERVE AS THE COORDINATOR FOR THE  
VARIOUS PLANS AND AUTHORIZING THE CITY MANAGER TO EXECUTE  
ALL NECESSARY AGREEMENTS**

WHEREAS, the City of Modesto provides its employees with employee and dependent health insurance coverage, and

WHEREAS, the Employee Benefits Committee (EBC) has met and reviewed and evaluated coverage for Fiscal Year 2006/2007, and

WHEREAS, the rates charged by health insurance carriers will increase by 16.8% for Kaiser and 17.5% for PacifiCare, and

WHEREAS, mental health rates will increase by 13%, and

WHEREAS, the City's self-insured vision rates, the City's self-insured dental rates and the chiropractic rates will remain the same, and

WHEREAS, the EBC voted to continue to offer both PacifiCare and Kaiser, and

WHEREAS, PacifiCare continues to offer Preferred Provider Option (PPO) to all employees, and a new HMO Low Option along with the standard HMO option and,

WHEREAS, the EBC recommended maintaining the health plan design, and the drug co-pays at current rates,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves execution of agreements with PacifiCare, Kaiser Permanente, American Specialty Health Plans, and PacifiCare Behavioral Health.

BE IT FURTHER RESOLVED that the Council hereby approves the continuation of dental and vision coverage through the City's self-insured program as recommended by the Employee Benefits Committee.

BE IT FURTHER RESOLVED that the Risk Manager is hereby authorized to serve as the coordinator for the various plans.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute all necessary agreements relating to employee and dependent health care as set forth herein.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 2<sup>nd</sup> day of August 2006 by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-476**

**A RESOLUTION APPROVING THE EXPANSION OF THE MODESTO AREA DIAL-A-RIDE (MADAR) SERVICE AREA TO INCLUDE: (1) AREAS NORTH OF PELANDALE AND SYLVAN AVENUES IN THE NORTHWEST AND NORTHEAST PARTS OF MODESTO THAT ARE GENERALLY WITHIN ¾ MILE OF MODESTO AREA EXPRESS FIXED-ROUTE BUS SERVICE; (2) AREAS WITHIN ¾ MILE OF MAX ROUTES THAT SERVE THE CITY OF MODESTO AMTRAK STATION ON HELD AVENUE AS WELL AS THE COMMUNITY OF EMPIRE; AND, (3) A NEW SUBDIVISION IN NORTH SALIDA OFF OF PIRRONE AND HAMMETT ROADS THAT CAN BEST BE SERVED BY MODESTO AREA DIAL-A-RIDE**

WHEREAS, Modesto Area Dial-A-Ride (MADAR) provides federally mandated paratransit service within the Modesto urbanized area, and

WHEREAS, on July 22, 2006, Modesto Area Express (MAX) initiated changes to several routes that extended service to the new Kaiser Hospital complex on Dale Road, and Enochs High School on Sylvan Avenue, and

WHEREAS, the Americans with Disabilities Act (ADA) requires paratransit service provided by MADAR to complement local fixed-route transit service, and

WHEREAS, in order to serve areas not previously served, a change to the Modesto Area Dial-A-Ride service area is needed, and

WHEREAS, the Economic Development Committee approved the proposed MADAR service-hour expansion at the July 10, 2006, meeting,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the following neighborhoods be added to the Modesto Area Dial-A-Ride service area as indicated by the service area map attached hereto as Exhibit "A":

1. Areas north of Pelandale and Sylvan Avenues in the northwest and northeast parts of Modesto that are generally within ¾ mile of Modesto Area Express fixed-route bus service.

2. Areas within ¾ mile of MAX routes that serve the City of Modesto Amtrak Station on Held Avenue as well as the community of Empire.

3. A new subdivision in north Salida off of Pirrone and Hammett roads that can best be served by Modesto Area Dial-A-Ride.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-477**

**A RESOLUTION APPROVING ONE (1) AGREEMENT FOR THE ACQUISITION OF A PORTION OF A PARCEL ALONG MID LATERAL NO. 4, SOUTH OF ELM AVENUE AND WEST OF ROSEMORE AVENUE OWNED BY ALAN MANGINI (APN: 007-038-015), INCLUDING AN ACCESS UTILITY EASEMENT TO THE CITY OF MODESTO FOR THE WATER DOWNSTREAM IMPROVEMENTS: TIER TWO WEST TANK PROJECT AND MAKING CERTAIN FINDINGS PURSUANT TO GOVERNMENT CODE SECTION 51292 RELATING TO THE WILLIAMSON ACT CONTRACT AND AUTHORIZING THE CITY MANAGER TO EXECUTE SAID AGREEMENT**

WHEREAS, the City Council of the City of Modesto previously resolved to proceed with the expansion of City's water distribution system. As part of the expansion, aboveground water storage tanks must be constructed in each quadrant of the City to support increased water flow. A minimum of five (5) acres of land is necessary to accommodate each tank and appurtenances for operation, along with an access utility easement, and

WHEREAS, staff identified a parcel owned by Alan Mangini (APM 007-038-015) of sufficient size and optimum location for the water tank project and said property was appraised to determine fair market value, and

WHEREAS, the City Council of the City of Modesto directed staff to enter into negotiations with Alan Mangini to purchase a portion of his real property (hereafter the "subject property") for the Water Downstream Improvements: Tier Two West Tank Project, including an access utility easement, and

WHEREAS, the subject property is under the Williamson Act Contract but was appraised without consideration for the Williamson Act Contract and City offered the landowner the appraised value, and

WHEREAS, in December 1982 and January 1983, respectively, the City and LAFCO protested the execution of the Williamson Act Contract (Council Res: No. 82-928; LAFCO Res: No. 83-04) for said property and made the following finding: “The Williamson Act Contracts are inconsistent with the publicly desirable future use and control of the land.” which action designates that, when annexed in future, the Williamson Act would automatically terminate, and

WHEREAS, staff has reviewed the subject property as it relates to the Williamson Act (Government Code Section 51200 et seq.) and recommends making certain findings pursuant to Government Code Section 51292 relating to the Williamson Act Contract (“preserve”) and to other relevant codes as follows:

- a. The water tank site location is not based primarily on a consideration of the lower cost of acquiring land in an agricultural preserve
- b. There is no other land within or outside the preserve on which it is reasonably feasible to locate the public improvements,
- c. The proposed project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury, and

WHEREAS, four (4) other properties were identified as potential sites for the project. Staff evaluated each alternate site and concluded that none of the alternate sites is reasonably feasible to locate, construct and operate the water tank. Eminent domain would be required to acquire any of the alternate sites as none of the owners is willing to sell. The acquisition of any of the alternate sites would likely result in significant private disruption and injury. Acquisition of the subject property for the water tank project is most compatible with the greatest public good and least private injury, and

WHEREAS, the subject property needs to be acquired for this Water Tank project, and

WHEREAS, an agreement is needed for the acquisition of the subject property, and

WHEREAS, a Phase I environmental review has been completed on this proposed property acquisition which indicates no known contamination and no Phase II review is required, and

WHEREAS, on July 12, 2005, the Council adopted Resolution No. 2005-378 certifying the Subsequent Environmental Impact Report (“SEIR”) (SCH No. 2004022013), and

WHEREAS, it has been determined that, pursuant to Sections 15168 (c) and 15182 of the California Environmental Quality Act Guidelines (“CEQA”), this project is within the scope of the SEIR for the Modesto Regional Water Treatment Plant Phase Two Expansion and the City of Modesto Downstream Improvements,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the following findings are hereby made:

- a. The water tank site location is not based primarily on a consideration of the lower cost of acquiring land in an agricultural preserve.
- b. There is no other land within or outside the preserve on which it is reasonably feasible to locate the public improvements.
- c. The proposed project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.

BE IT FURTHER RESOLVED that the Council hereby approves one (1) Agreement between City of Modesto and Alan Mangini (APN: 007-038-015) to purchase the necessary real property for the Water Downstream Improvements: Tier Two West Tank Project in the amount of \$230,000.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Agreement.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 2nd day of August 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-479**

**A RESOLUTION APPROVING THE PLANS AND SPECIFICATIONS FOR THE WELL #63 DEVELOPMENT AT MILDRED PERKINS PARK PROJECT, ACCEPTING THE BID AND APPROVING A \$256,845 CONTRACT WITH CALWATER DRILLING COMPANY, INC., FOR THE PROJECT TITLED, "WELL #63 DEVELOPMENT AT MILDRED PERKINS PARK," AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE CONTRACT**

WHEREAS, plans and specifications have been prepared for the "Well #63 Development at Mildred Perkins Park" and City staff recommends approval to the City Council, and

WHEREAS, the bids received for "Well #63 Development at Mildred Perkins Park" were opened at 11:00 a.m. on June 20, 2006, and later tabulated by the Public Works Director for the consideration of the Council, and

WHEREAS, the Public Works Director has recommended that the bid of \$256,845 received from Calwater Drilling Company, Inc., Turlock, California be accepted as the lowest responsible bid and the contract be awarded to Calwater Drilling Company, Inc.,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the plans and specifications for said project, and accepts the bid of Calwater Drilling Company, Inc., in the amount \$256,845, and hereby awards Calwater Drilling Company, Inc., the contract titled "Well #63 Development at Mildred Perkins Park."

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the contract.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 2nd day of August 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-480**

**A RESOLUTION ACCEPTING THE WORK BY MCM CONSTRUCTION, INC.,  
FOR THE PROJECT TITLED "9<sup>TH</sup> STREET BRIDGE REPLACEMENT  
PROJECT" AS COMPLETE, AUTHORIZING THE CITY CLERK TO FILE A  
NOTICE OF COMPLETION, AND AUTHORIZING PAYMENT OF AMOUNTS  
DUE TOTALING \$20,297,749.77**

WHEREAS, a report has been filed by the Public Works Director that the project titled "9<sup>th</sup> Street Bridge Replacement Project" has been completed by MCM Construction, Inc., in accordance with the contract agreement dated October 14, 2003,

NOW, THEREFORE, BE IT RESOLVED by the Council that the "9<sup>th</sup> Street Bridge Replacement Project" is hereby accepted as complete from said contractor, MCM Construction, Inc., that the Notice of Completion be filed with the Recorder of Stanislaus County and that payment of amounts due totaling \$20,297,749.77, as provided in the contract, be authorized.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 2nd day of August, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-481**

**A RESOLUTION ACCEPTING PUBLIC IMPROVEMENTS IN THE  
BRIDGEWOOD TOWNHOUSE SUBDIVISION, AND AUTHORIZING THE CITY  
CLERK TO RECORD A NOTICE OF COMPLETION AND AUTHORIZING  
RELEASE OF BONDS**

WHEREAS, GRANITE BAY HOLDINGS, a Limited Liability Corporation, is the subdivider of Bridgewood Townhouse (“SUBDIVISION”), and

WHEREAS, GRANITE BAY HOLDINGS, a Limited Liability Corporation, has filed irrevocable subdivision bonds to secure faithful performance and payment for labor and materials in the amounts of \$202,300.56 and \$101,150.28, respectively, and

WHEREAS, GRANITE BAY HOLDINGS, a Limited Liability Corporation, has filed a warranty bond in the amount of \$20,230.06 to guarantee public improvements in the BRIDGEWOOD TOWNHOUSE Subdivision, and

WHEREAS, the City Engineer, in a memorandum to Council, indicates that all work required by the Subdivision Agreement has been completed to the satisfaction of the Public Works Department, and

WHEREAS, the City Engineer has indicated that it would be in order for the City Council to accept the public improvements in said subdivision as complete, and authorize the City Clerk to record a Notice of Completion and release the bonds upon expiration of the statutory periods,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that:

1. The public improvements in the BRIDGEWOOD TOWNHOUSE Subdivision are hereby accepted and the City Clerk is hereby authorized to record a Notice of Completion for the public improvements.
2. The City Clerk is hereby authorized to release the subdivision bond for faithful performance in the amount of \$202,300.56 upon recordation of the Notice of Completion.
3. The City Clerk is hereby authorized to release the subdivision bond for labor and materials in the amount of \$101,150.28 sixty (60) days after the recordation of the Notice of Completion, provided no claim is made thereon.
4. The City Clerk is hereby authorized to release the warranty bond to guarantee public improvements in the amount of \$20,230.06 one year and one day after the effective date of this resolution, provided no claim is made thereon.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2<sup>nd</sup> day of August 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-482**

**A RESOLUTION ORDERING THE LEVY AND COLLECTION OF CHARGES  
WITHIN LANDSCAPE ASSESSMENT DISTRICT NO. 1 FOR DRY CREEK  
MEADOWS SUBDIVISIONS NOS. 1-6**

WHEREAS, the City of Modesto has by Resolution No. 2006-349 adopted on June 6, 2006, declared its intent to levy charges or assessments for the purpose of administering the maintenance of landscaping in the public right-of-way within the street medians and adjacent to the access control walls in Dry Creek Meadows Subdivisions Nos. 1-6 under the provisions of the "Landscaping and Lighting Act of 1972", and

WHEREAS, the cost for Fiscal Year 2006-07 is \$26.00 annual assessment per lot, and

WHEREAS, the charges against the real property are not levied with regard to property values but rather by allocated cost reports prepared by City Engineering, and

WHEREAS, the City of Modesto has determined and certifies that the charges are either exempt from or in compliance with all the provisions of Proposition 218, which was passed by the voters in November 1996, and

WHEREAS, the City of Modesto has further determined the charges are in compliance with all laws pertaining to the levy of such charges,

NOW, THEREFORE, BE IT RESOLVED that the Council of the City of Modesto hereby orders the levy and collection of \$26.00 annual assessment per lot within Landscape Maintenance Assessment District No. 1 for Dry Creek Meadows Subdivisions Nos. 1-6 for the 2006-07 Fiscal Year, and that a certified copy of this resolution shall be

delivered to the Auditor–Controller of the County of Stanislaus for placement of such charges on the 2006-07 County Tax Roll.

BE IT FURTHER RESOLVED that the diagram of said assessment district and amount of levy thereon is hereby confirmed.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 2nd day of August 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

WITHIN LANDSCAPE MAINTENANCE ASSESSMENT DISTRICT NO. 2 FOR  
DRY CREEK MEADOWS SUBDIVISIONS NOS. 7-10, CREEKWOOD  
MEADOWS SUBDIVISION, AND YOSEMITE MEADOWS SUBDIVISION  
UNITS 1 & 2**

WHEREAS, the City of Modesto has by Resolution No. 2006-350, adopted on June 6, 2006, declared its intent to levy charges or assessments for the purpose of administering the maintenance of landscaping in the public right-of-way within the street medians and adjacent to the access control walls in Dry Creek Meadows Subdivisions Nos. 7-10, Creekwood Meadows Subdivision and Yosemite Meadows Subdivision Units No. 1 & 2, under the provisions of the "Landscaping and Lighting Act of 1972", and

WHEREAS, the cost for Fiscal Year 2006-07 is \$114.90 per acre for commercial property and \$22.62 for each residential property, and

WHEREAS, the charges against the real property are not levied with regard to property values but rather by allocated cost reports prepared by City Engineering, and

WHEREAS, the City of Modesto has determined and certifies that the charges are either exempt from or in compliance with all the provisions of Proposition 218, which was passed by the voters in November 1996, and

WHEREAS the City of Modesto has further determined that the charges are in compliance with all laws pertaining to the levy of such charges.

NOW, THEREFORE, BE IT RESOLVED that the Council of the City of Modesto hereby orders the levy and collection of \$114.90 per acre for commercial property and \$22.62 for each residential property within Landscape Maintenance Assessment District No. 2 for Dry Creek Meadows Subdivisions Nos. 7-10, Creekwood

Meadows Subdivision and Yosemite Meadows Subdivision Units 1& 2 for the 2006-07 fiscal year, and that a certified copy of this resolution shall be delivered to the Auditor-Controller of the County of Stanislaus for placement of such charges on the 2006-07 County Tax Roll.

BE IT FURTHER RESOLVED that the diagram of said assessment district and amount of levy thereon is hereby confirmed.

RESOLUTION NO. 2006-484**

**A RESOLUTION APPROVING AN AGREEMENT TO PROVIDE CERTAIN  
LESS THAN COUNTY-WIDE FIRE SERVICES BETWEEN THE STANISLAUS  
COUNTY REGIONAL FIRE AUTHORITY AND THE CITY OF MODESTO,  
FOR COUNTYWIDE FIRE INVESTIGATION SERVICES IN THE AMOUNT OF  
\$469,546, AUTHORIZING THE CITY MANAGER TO EXECUTE SAID  
AGREEMENT**

WHEREAS, the Modesto Fire Department presented a proposal to the Stanislaus County Regional Fire Authority for consolidation of fire investigation services to include the portion of Stanislaus County currently served through the less than county-wide fire investigation contract and the City of Modesto, and

WHEREAS, the Stanislaus County Regional Fire Authority voted to accept the proposal on June 22, 2006, and

WHEREAS, the proposal in the amount of \$469,546, covers staffing (salary, benefits, incentives, overtime and training), equipment (phone, radio, tools), a vehicle, vehicle maintenance and fuel, and

WHEREAS, the contract amount of \$469,546 will be paid from Less than County-wide Fire Service Fees, and

WHEREAS, the Safety and Communities Committee approved this request on July 31, 2006 for recommendation to the full Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a 5-Year Agreement To Provide Certain Less Than County-Wide Fire Services between the Stanislaus County Regional Fire Authority and the City of Modesto for fire investigation services in the amount of \$469,546.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

RESOLUTION NO. 2006-485**

**A RESOLUTION AUTHORIZING THE PERSONNEL DIRECTOR TO  
ESTABLISH AN ELIGIBILITY LIST FOR FIRE CAPTAIN FROM  
INTERESTED AND QUALIFIED CANDIDATES CURRENTLY SERVING AS  
FIRE INVESTIGATORS WITH THE STANISLAUS CONSOLIDATED FIRE  
PROTECTION DISTRICT**

WHEREAS, the Modesto Fire Department presented a proposal to the Stanislaus County Regional Fire Authority for consolidation of fire investigation services to include the portion of Stanislaus County currently served through the less than county-wide fire investigation contract and the City of Modesto, and

WHEREAS, the Stanislaus County Regional Fire Authority voted to accept the proposal on June 22, 2006, and

WHEREAS, the proposal included the consideration of current Fire Investigators from Stanislaus Consolidated Fire Protection District to fill the three (3) additional Fire Investigator positions created by the contract based on the proposal, and

WHEREAS, the Personnel Director is responsible for the preparation of eligibility lists consisting of the names of persons qualifying for appointment to designated classifications, and

WHEREAS, the City desires to establish an eligibility list for Fire Captain comprised solely of qualified applicants currently employed by Stanislaus Consolidated Fire Protection District,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the Personnel Director to establish an eligibility list for Fire Captain from interested and qualified candidates currently serving as Fire Investigators with Stanislaus Consolidated Fire Protection District.

The foregoing resolution was introduced at a special meeting of the Council of the City of Modesto held on the 2nd day of August 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION APPROVING AN AMENDMENT TO THE STANDARD AGREEMENT FOR CONSULTANT SERVICES BETWEEN THE CITY OF MODESTO AND CITYGATE ASSOCIATES, LLC, FOR PLANNING MANAGER SERVICES, AND AUTHORIZING THE CITY MANAGER OR HIS DESIGNEE TO EXECUTE THE AMENDMENT FOR AN ADDITIONAL SUM NOT EXCEED \$80,000.00 (EIGHTY THOUSAND AND NO/100 DOLLARS), FOR A TOTAL CONTRACT AMOUNT NOT TO EXCEED \$100,000.00 (ONE HUNDRED THOUSAND AND NO/100 DOLLARS)**

WHEREAS, the City's Community & Economic Development Department Planning Manager position plays an essential role in guiding the ongoing and future growth and development of the community, and

WHEREAS, the Planning Division Manager position is currently vacant and the CITY is actively recruiting to fill the vacant position, and

WHEREAS, the CITY has determined that it needs to appoint an Interim Planning Manager to provide leadership services for the Planning Division during the recruitment period, and

WHEREAS, Citygate Associates, LLC, has entered into a Standard Agreement for Consultant Services with the City to provide such services in an amount not to exceed \$20,000.00, and

WHEREAS, the City desires to amend Consultant's contract for an additional amount not to exceed \$80,000.00 for services as set forth in Exhibit "A" attached hereto,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Amendment to Agreement for Planning Manager services with Citygate Associates, LLC, for an additional sum not to exceed \$80,000.00 and for a total contract amount not to exceed \$100,000.00.

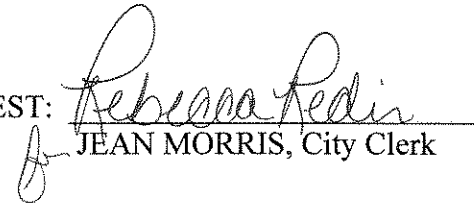

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Amendment to Agreement.

## **EXHIBIT "A"**

### **SCOPE OF WORK**

The consultant shall fulfill the obligations and duties of the Planning Manager for the City of Modesto on an interim part-time basis during the City's recruitment to fill the position on a permanent basis. Such duties will include:

- Leading, managing, supervising and administering the Planning Division;
- Directing and organizing the Planning Division activities in the areas of urban growth management, specific plans, land use entitlements, annexation, environmental review, and the City's General Plan;
- Coordinating staff reports and facilitate Planning Division teams relating to current planning, annexations, environmental reviews and analysis;
- Advising the Planning Commission and City Council on matters relating to the Planning Division;
- Administering the Planning Division's budget;
- Directing, overseeing and participating in the development and implementation of the Planning Division work plan, assigning work activities, projects and programs;
- Monitoring workflow;
- Implementing policies and procedures;
- Coordinating Planning Division activities with those of other City departments and outside agencies and organizations.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-492**

**A RESOLUTION APPROVING THE PURCHASE OF ONE (1) PIERCE  
QUANTUM FIRE ENGINE FROM GOLDEN STATE FIRE APPARATUS,  
MODESTO, CA FOR A TOTAL COST OF \$418,540.39**

WHEREAS, the Modesto Fire Department uses sixteen engine companies and three truck companies in its current fire/life safety delivery system, and

WHEREAS, front line apparatus consists of twelve engine companies and three truck companies, and

WHEREAS four reserve engines are utilized when front line apparatus are out-of-service for repairs and/or when additional apparatus is needed to maintain our system delivery, and

WHEREAS, in 1989 the Modesto Fire Department established an apparatus committee consisting of our Senior Fire Mechanic and representation from all suppression ranks, and

WHEREAS, their charge was to develop apparatus specifications and to review the capabilities of fire apparatus manufacturing facilities, and

WHEREAS, Pierce Manufacturing was the successful manufacturer during this process, and

WHEREAS, the City has since purchased twelve engines and three trucks from Pierce Manufacturing, and

WHEREAS, product quality, reliability, and technical support realized from Pierce Manufacturing over the past twelve years have contributed to the maintaining our operational costs and system reliability, and

WHEREAS, Pierce Manufacturing apparatus is sold in Northern California exclusively through Golden State Fire Apparatus a business located and operated in the City of Modesto, and

WHEREAS, on June 27, 2006, by Resolution No. 2006-416, Council adopted Pierce Manufacturing's apparatus as the standard apparatus for the Modesto Fire Department,

WHEREAS, the Pierce purchase agreement ensures that the City will be paying the lowest cost commensurate with the desired quality by only allowing for price increases based on the Consumer Price Increase (CPI) OR 4%, which ever is lower, and by also allowing the City to access the terms (piggyback) of any recent Piece bid awards throughout California. Therefore while acting within his discretion, the Purchasing Manager has invoked the exception.

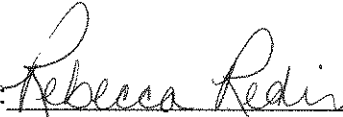

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the purchase of one (1) Pierce Quantum Fire Engine from Golden State Fire Apparatus for a total cost of \$418,540.39.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8th day of August 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-494**

**A RESOLUTION APPROVING A LICENSE AGREEMENT WITH LOS ENCINOS MORAGA ASSOCIATES, LP, ALLOWING THE CITY ACCESS TO ROSEBURG LANE FOR THE PURPOSE OF ROAD RESURFACING, AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE AGREEMENT**

WHEREAS, the Virginia Avenue Corridor Trail Project (“Project”) consists of conversion of the abandoned, 4.2 mile Union Pacific Railroad corridor from City’s central business district at Needham Avenue to the northern City boundary at Bangs Avenue into a premier linear park with Class I bikeway and pedestrian trail, and

WHEREAS, the project will provide a key north-south component to the City’s non-motorized transportation system, and it will provide links to three of the City’s existing east-west Class I bike trails (the Dry Creek and Tuolumne River corridors and the Hetch-Hetchy Right-of-Way corridor) as well as numerous Class II bike lanes and Class III bike routes along roadways, and

WHEREAS, Modesto’s five Rotary Clubs have committed to combining resources with the City in providing funding, in-kind labor and materials for this project phase, to be known as the “Five Rotary Clubs of Modesto Centennial Junction” section of the Project, and

WHEREAS, on January 6, 2004, the City Council adopted the environmental document in the form of a Mitigated Negative Declaration /Finding of No Significant Impact, EA/PR&N 2003-07 (SCH# 20023102131) and approved the Specific Plan, and

WHEREAS, Roseburg Lane is an access roadway that leads to the Roseburg Square shopping center from Orangeburg Avenue, and

WHEREAS, Los Encinos Moraga Associates, LP owns an easement over a parcel of property that includes Roseburg Lane, and

WHEREAS, currently, the City of Modesto is in negotiations with Los Encinos Moraga Associates, LP to obtain their easement interest in this parcel, and

WHEREAS, the Roseburg Lane road surface is in very poor condition and in need of resurfacing and the resurfacing of Roseburg Lane is an improvement deemed necessary to provide a finished look and function to the Rotary project, with the expense of this resurfacing to be borne by the City, and

WHEREAS, in order to resurface Roseburg Lane, a License Agreement is required from Los Encinos Moraga Associates, LP, allowing access by the City to use the licensed area for the purpose of road resurfacing, and

WHEREAS, at its meeting on January 3, 2005, the Safety and Communities Committee supported the agreement between the City of Modesto and the five Rotary Clubs to combine resources and provide funding and in-kind labor and materials for constructing the "Rotary Clubs of Modesto Centennial Junction" section of the Virginia Corridor Trail,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves a License Agreement between the City of Modesto and Los Encinos Moraga Associates, LP, allowing the City access to Roseburg Lane for the purpose of road resurfacing.

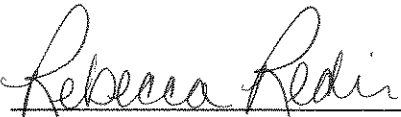

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the License Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8<sup>th</sup> day of August 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-495**

**A RESOLUTION REVISING THE POSITION CLASSIFICATION PLAN FOR  
THE CITY OF MODESTO**

WHEREAS, a Position Classification Plan for the City of Modesto was adopted by Modesto City Council Resolution No. 88-338 pursuant to Rule 2 of the Personnel Rules and Regulations of the City of Modesto, and

WHEREAS, the City Manager has recommended to the Council amendments to the Position Classification Plan, and

WHEREAS, Rule 2.2 of the City of Modesto Personnel Rules provides that revisions to the Classification Plan shall be effective upon adoption of resolution of the City Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION I. CLASSIFICATIONS AMENDED. The Position Classification Plan of the City of Modesto is hereby amended to revise the job specifications for the following classifications:

1. Fire Equipment Mechanic
2. Operations and Maintenance Crewleader
3. Equipment Mechanic Crewleader

Said classifications are being amended to revise the job specifications to update the essential functions and certification requirements to more accurately reflect the job requirements of the various classifications. The job specifications for the classifications of Fire Equipment Mechanic, as shown on the attached Exhibit "A", Operations &

Maintenance Crewleader, as shown on the attached Exhibit "B", and Equipment Mechanic Crewleader, as shown on the attached Exhibit "C", which are hereby made a part of this resolution by reference, are hereby approved and made part of the Position Classification Plan of the City of Modesto.

SECTION 2. EFFECTIVE DATE. This resolution shall become effective on and after August 8, 2006.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 8<sup>th</sup> day of August 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

FIRE EQUIPMENT MECHANIC

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

DEFINITION

To make minor and major mechanical repairs to fire suppression equipment including fire engines, water pumps and related equipment.

SUPERVISION RECEIVED AND EXERCISED

Receives general supervision from the Operations Commander.

ESSENTIAL AND MARGINAL FUNCTION STATEMENTS – Essential and other important responsibilities and duties may include, but are not limited to, the following:

Essential Functions:

Inspect, diagnose, and locate mechanical difficulties on city fire suppression equipment.

Weld, fabricate and assemble parts and equipment for city fire suppression equipment; weld, braze, cut shape and fasten metal parts; ~~fabricate and weld hydraulic lines~~; vehicle frames, chassis, and exhaust systems.

Use welding equipment, drill presses, ~~metal brakes, metal shears, lathes, grinders~~ and a large assortment of other power and hand tools and measurement instruments required for journey level fabrication work.

Overhaul, repair, and adjust engines, transmissions, ~~differentials, clutches~~, fire engine pumps and valves and hydraulic systems.

Tune up engines, replacing electrical and electronic parts and cleaning and adjusting carburetors; chain saws, portable power units and generators.

Replace or repair faulty parts including wheel bearings, ~~clutches~~, or oil seals, shock absorbers, exhaust systems, steering mechanisms, and related parts and equipment.

Install, repair and replace ~~two-way communication~~ emergency lighting and siren equipment.

Essential Functions:(Continued)

Prepare and replace such components as generators, distributors, relays, lights and switches.

Diagnose and repair computerized control systems, ignition systems, power steering and cooling systems.

Repair, adjust and replace brake systems including disc, hydraulic and air brakes.

Assist in the purchasing of equipment maintenance parts and materials.

Maintain computer based work, time, and material records.

Perform smog certification on City owned vehicles.

Participate in the development of bid specifications.

Marginal Functions:

Perform related duties as assigned.

QUALIFICATIONS

Knowledge of:

Operating and repair characteristics of a wide variety of City fire suppression equipment.

Operation and care of internal combustion engines and hydraulic equipment.

Methods, materials, equipment and tools used in routine welding and fabrication work.

Tools, equipment, and procedures used in the overhaul, repair, and adjustment of gas and diesel powered equipment.

Safe work practices.

Computers and electronics in vehicle applications.

Ability to:

Perform journey level equipment mechanical work including the trouble shooting of equipment for both major and minor repairs work.

Work independently in the absence of supervision.

Accurately determine mechanical repair needs and estimate the cost and time of repairs.

Use a variety of tools and equipment with skill.

Maintain a variety of shop and repair records.

Troubleshoot and repair electronic and computer controlled systems.

Follow and understand wiring diagrams.

Understand and follow oral and written directions.

Establish and maintain cooperative-working relationships with those contacted in the course of work.

Perform heavy manual labor, including, but not limited to, lifting and carrying up to 100 lbs. of weight.

Experience and Training Guidelines

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Experience:

Three years of responsible equipment maintenance and repair experience including practical experience in the maintenance of both diesel and gas powered equipment. Experience in the repair and maintenance of fire apparatus is desirable.

Training:

Formal or informal education or training which ensures the ability to read and write at a level necessary for successful job performance including specialized training in maintenance and repair of gas and diesel powered equipment.

Exhibit "A"

License or Certificate

Possession of a valid Class B California Driver's License with appropriate endorsements is required within 45 days of appointment. Failure to obtain the license within this period shall be grounds for release from probation.

~~Possession of, or ability to obtain, an appropriate, valid Vehicle Inspection Pollution Controls license:~~

Possession of a valid certificate in air conditioning repair under Section 609 of the Federal Clean Air Act is required by time of appointment.

Special Requirement

Possession of a complete set of mechanic hand tools through 1-1/2 inch and tool box.

WORKING CONDITIONS

Environmental Conditions:

Field environment, travel from site to site, exposure to hot and cold temperatures, inclement weather, hazards of confined spaces and other hazardous materials.

Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for heavy lifting up to 100 pounds, walking, standing, bending, stooping and crawling for prolonged periods of time; operating motorized equipment and vehicles.

## OPERATIONS AND MAINTENANCE CREWLEADER

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

### DEFINITION

Crewleaders assign work, train, and provide field supervision of crews engaged in a variety of water, storm/wastewater, streets, and urban forestry operations, maintenance, repair and/or construction work; and to provide lead worker assistance to supervisory and/or management staff.

### SUPERVISION RECEIVED AND EXERCISED

Receives supervision from supervisory and management staff.

Exercises direct field supervision over crews engaged in maintenance and repair activities.

### ESSENTIAL AND MARGINAL FUNCTION STATEMENTS

Essential and other important responsibilities may include, but are not limited to, the following:

#### Essential Functions:

Provide field supervision to crews involved in a variety of water, storm/wastewater, streets, sidewalks, and urban forestry operations, maintenance, repair and/or construction work.

Assist in the design, planning, prioritizing, assignment, and inspection of various maintenance, repair, and construction projects.

Provide feedback to supervisory staff regarding field performance of crews for the purpose of evaluating employee performance.

Assist in developing and monitoring of the Division budget.

Participate in the selection of staff; provide or coordinate staff training; work with employees to correct deficiencies through coaching.

## Exhibit "B"

Essential Functions: (Continued)

Answer questions and provide information to the public; investigate complaints and recommend corrective action as necessary to resolve complaints.

Participate and encourage work unit participation in team building activities including self-directed work teams.

Operate and oversee the operation of a full range of heavy and light equipment as needed such as backhoes, loaders, dump trucks, rollers, tractors, vactor trucks, aerial towers and various trucks.

May operate a mobile crane.

Maintain time, material and equipment use records; prepare various reports related to work activities including technical reports in response to regulatory activities.

Prepare project cost estimates; requisition supplies and materials.

When assigned to utility divisions, may assist in activities that ensure adherence to environmental quality standards.

Perform standby duty as assigned.

Marginal Functions:

Perform related duties as assigned.

**Additional duties when assigned to Water Operations:**

Operate portable sample pump.

Pack, lubricate, clean and paint pumping equipment and motors.

Flush distribution system to maintain water quality.

Maintain and operate chemical feed systems and perform dosage computations.

Install, maintain, and calibrate water meters, hypo chlorinators and on-line analyzers.

**Additional duties when assigned to Water Operations: (Continued)**

Monitor and maintain Granular Activated Carbon (GAC) filters; assist in removal and replacement of carbon, backwashes as required.

Monitor and maintain wellhead water treatment units and storage reservoirs. Perform minor adjustments as required.

Perform the function of shift operator as defined by the California Department of Health Services regulations.

Perform concrete repair including sawing, pouring, finishing and jack hammering.

**QUALIFICATIONS**

**Knowledge of:**

Materials, methods, practices, equipment and elements of construction technology as they relate to the assigned operations, construction, maintenance and repair activities.

Types and level of maintenance and repair activities generally performed in streets, water, storm/wastewater collection, fleet, park or urban forestry program.

Principles of personnel supervision and training.

Safe work practices; regulatory safety programs and procedures.

Pertinent sections of health, safety and labor codes.

Word processing and spreadsheet applications and Internet usage necessary for job performance.

English composition and technical report writing.

Cost accounting.

**Ability to:**

Plan, estimate, direct, coordinate, schedule and review the work of others.

Operate and maintain equipment and tools used in the field.

Ability to: (Continued)

Identify and implement effective courses of action to complete assigned work; use lead by example methodology.

Keep records and make reports.

Lead by example and train assigned staff.

Communicate clearly and concisely, both orally and in writing.

Establish and maintain cooperative-working relationships with those contacted in the course of work.

Coordinate work assignments with other divisions, departments, and agencies and volunteer groups.

Perform medium-heavy manual labor, including but not limited to lifting and carrying up to seventy-five (75) pounds of weight, climbing, bending, stooping, etc.

Experience and Training Guidelines:

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Experience:

Three years of increasingly responsible experience performing utility operations, construction and maintenance work in the assigned area of responsibility (such as utility infrastructure, sidewalks, parks, or urban forestry).

Training:

Formal or informal education that ensures the ability to read, write, and communicate at a level necessary for successful job performance.

License or Certificate:

Possession of an appropriate, valid Class A or Class B Commercial California Driver's license with appropriate endorsements, as assigned, within 45 days of appointment. Failure to obtain the required license may result in release from probation or termination.

License or Certificate: (Continued)

When assigned, possession of a valid crane operator certificate, issued by the National Commission of Crane Operators, is required within six months of assignment.

**When Assigned to Streets and Traffic Operations:**

Any employees hired, transferred, or promoted into this position shall possess a work zone safety certificate from International Municipal Signal Association (IMSA), Traffic Control Supervisor Association (TCSA), International Transportation Engineers (ITE), American Public Works Association (APWA), or the American Traffic Safety Services Association (ATSSA) at time of final filing.

**When Assigned to Water Distribution:**

Possession of a Grade III water distribution operator certificate issued by the State of California at time of final filing.

Possession of a certificate issued by the American Water Works Association (AWWA) for backflow device testing and/or Grade I Water Conservation Practitioner is highly desirable.

**When Assigned to Water Division – Pumps:**

Possession of a Grade III water distribution operator certificate issued by the State of California at time of final filing.

Possession of a Grade II water treatment certificate issued by the State of California at time of final filing.

**When Assigned to Urban Forestry:**

Possession of a Pesticide Applicator's Certificate within one year of appointment.

**When Assigned to Wastewater Collections:**

Any employees hired, transferred, or promoted into this position shall possess a Grade II Certificate Wastewater Collection System Maintenance Technologist issued by the California Water Environment Association (CWEA) at time of final filing.

WORKING CONDITIONS

Environmental Conditions:

Field environment; travel from site to site; hot and cold temperatures; inclement weather.

Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for walking or standing for prolonged periods of time; operating motorized equipment and vehicles.

Work Assignments:

Depending on assignment may be subject to overtime and standby work assignments.

## EQUIPMENT MECHANIC CREWLEADER

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are **not** intended to reflect all duties performed within the job.

### DEFINITION

To lead skilled and semi-skilled mechanics in the most difficult and complex vehicle and equipment maintenance and repair work; and to personally make the most complex mechanical repairs to automotive, diesel, public safety and other power driven equipment.

### SUPERVISION RECEIVED AND EXERCISED

Receives general supervision from higher-level equipment maintenance staff.

Exercises functional and technical supervision over lower level equipment maintenance staff.

### ESSENTIAL AND MARGINAL FUNCTION STATEMENTS-

Essential and other important responsibilities may include, but are not limited to, the following:

#### Essential Functions:

Lead, train and assist journey level and semi-skilled mechanics; assign work to mechanics; assist the Fleet Maintenance Supervisor in the day-to-day supervision activities.

Inspect, diagnose, and locate mechanical difficulties on City automobiles, trucks, and a variety of diesel and gasoline powered maintenance and heavy construction equipment.

Weld, fabricate and assemble parts and equipment for City automotive and heavy equipment; weld, braze, cut shape and fasten metal parts; fabricate and weld, vehicle frames, chassis and exhaust systems.

Use welding equipment, drill presses, lathes, grinders and large assortment of other power and hand tools and measurement instruments required for journey level fabrications work.

Exhibit "C"

Essential Functions: (Continued)

Overhaul, repair, and adjust engines, transmissions, differentials, clutches, fire engine pumps and valves and heavy construction equipment hydraulic systems.

Tune up engines, replacing electrical and electronic parts and cleaning and adjusting carburetors and fuel injection systems.

Replace or repair faulty parts including wheel bearings, clutches or oil seals, shock absorbers, exhaust systems, steering mechanisms, and related parts and equipment.

Repair or replace such components as generators, alternators, distributors, relays, lights and switches, computerized control systems, ignition systems, air conditioning systems, power steering and cooling systems.

Assist in the purchasing of equipment maintenance parts and materials.

Maintain work, time and material records.

Perform smog certification on City-owned vehicles.

Marginal Functions:

Perform related duties as assigned.

QUALIFICATIONS

Knowledge of:

Tools, equipment, and procedures used in the overhaul, repair, and adjustment of gas and diesel powered equipment.

Operation and care of internal combustion engines, fire suppression pumping systems, hydraulic equipment.

Methods, materials equipment and tools used in welding and fabrications work.

Operating and repair characteristics of a wide variety of City owned equipment.

Safe work practices.

Principles of personnel supervision and training.

Basic computer skills.

Ability to:

Lead and train skilled and semi-skilled mechanics.

Perform skilled welding and fabrication work.

Perform minor and major mechanical work on mechanical equipment.

Use a variety of tools and equipment with skill.

Maintain a variety of shop and repair records.

Understand and carry out oral and written directions.

Understand and operate a computerized Fleet Management System.

Perform journey level equipment mechanical work including the trouble-shooting of equipment for both major and minor repair work.

Work independently in the absence of supervision.

Accurately determine mechanical repair needs and estimate the cost and time of repairs.

Establish and maintain cooperative working relationships with those contacted in the course of work.

Experience and Training Guidelines

Any combination of experience and training what would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Experience:

Four years of increasingly responsible experience performing automotive and equipment maintenance and repair duties comparable to those of an Equipment Mechanic.

Training:

Equivalent to completion of the twelfth grade and specialized training in the maintenance and repair of gas and diesel powered equipment.

License or Certificate

Possession of, or ability to obtain, an appropriate, valid class California driver's license.

Possession of a valid Class A or B Commercial California Driver's License with appropriate endorsements, as assigned, is required within 45 days of appointment. Failure to obtain the required license within this period may result in release from probation.

Possession of, or ability to obtain, an appropriate, valid Vehicle Inspections Pollution Controls license.

In compliance with Environmental Protection Agency (EPA) regulations, possession of an appropriate Motor Vehicle Air Conditioning Certification is required within one year of appointment. Failure to obtain this certification within this period shall be grounds for release from probation.

Possession of Certification from the National Institute for Automotive Service Excellence in at least five (5) areas heavy-duty class is required within one year of appointment. Failure to obtain this certification within this period shall be grounds for release from probation.

Special Requirements

Possession of a complete set of mechanic hand tools through 1-1/2" and toolbox.

WORKING CONDITIONS

Environmental Conditions:

Office and field environment; travel from site to site. Hot and cold temperatures; inclement weather.

Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for walking or standing for prolonged periods of time; lifting up to 100 lbs. and operating motorized equipment and vehicles.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-496**

**A RESOLUTION APPROVING AN AGREEMENT BETWEEN CITY OF  
MODESTO AND SAVE MART SUPERMARKETS, A CORPORATION, TO  
OPERATE AS A BUS PASS OUTLET FOR MODESTO AREA EXPRESS AT  
THE SAVE MART LOCATED AT 801 OAKDALE ROAD, MODESTO, CA 95355,  
AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO  
EXECUTE THE AGREEMENT**

WHEREAS, in October 1989, Council approved the plan to establish outlets to sell monthly bus passes, and

WHEREAS, there are currently nine (9) outlets strategically located around Modesto, and

WHEREAS, Save Mart Supermarkets has a store located at 801 Oakdale Road, and

WHEREAS, approving an agreement between the City of Modesto and Save Mart Supermarkets to operate a bus pass outlet will maintain the program's geographic coverage of Modesto,

NOW, THEREFORE, BE IT RESOLVED that the Council of the City of Modesto hereby approves an agreement between the City of Modesto and Save Mart Supermarkets, to operate a bus pass outlet for Modesto Area Express at the Save Mart located at 801 Oakdale Road.

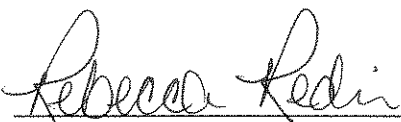

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8th day of August 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-497**

**A RESOLUTION ACCEPTING THE RANCHO ENCANTADO BIKE TRAIL IN  
THE FAIRVIEW VILLAGE SPECIFIC PLAN AREA AND AUTHORIZING THE  
CITY CLERK TO FILE A NOTICE OF COMPLETION**

WHEREAS, Del Valle Homes, a California Corporation (“DEVELOPER”), is the developer of the Galas Subdivision, also known as the Rancho Encantado Subdivision (“DEVELOPMENT”), and

WHEREAS, a condition of DEVELOPMENT was to construct a Class 1 bike trail (“IMPROVEMENTS”) along an existing City of Modesto sewer easement located within the DEVELOPMENT, and

WHEREAS, the City Engineer, in a memorandum to staff, indicates that the IMPROVEMENTS, which is only one of several facilities included in the Acquisition and Shortfall Agreement (“AGREEMENT”) between the City of Modesto Community Facilities District No. 2003-1 (Fairview Village), a District created pursuant to the provision of the California Government Code Section 53311.5 et. seq. (“DISTRICT”) and the Developer, has been completed to the satisfaction of the Public Works Department, and,

WHEREAS, DEVELOPER filed with the City and/or DISTRICT adequate improvement securities to secure faithful performance of this Agreement and to secure payment for labor and materials, and

WHEREAS, DEVELOPER has filed several warranty bonds to guarantee the IMPROVEMENTS in the DEVELOPMENT, and

WHEREAS, the City Engineer has indicated that it would be in order for the City Council to accept the IMPROVEMENTS in said development as complete, and authorize the City Clerk to record a Notice of Completion,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the IMPROVEMENTS, which include a meandering walkway, landscaping & irrigation, lighting and signage per the AGREEMENT, are hereby accepted and the City Clerk is hereby authorized to record a Notice of Completion for the improvements.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8<sup>th</sup> day of August 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-498**

**A RESOLUTION APPROVING AN AGREEMENT FOR THE ACQUISITION OF  
A PORTION OF A PARCEL OF LAND ALONG PELANDALE AVENUE AT  
TULLY ROAD OWNED BY BIG VALLEY GRACE COMMUNITY CHURCH,  
INC. (APN: 046-003-006), INCLUDING A TEMPORARY CONSTRUCTION  
EASEMENT TO THE CITY OF MODESTO FOR THE PELANDALE  
EXPRESSWAY 6-LANE WIDENING PROJECT, AND AUTHORIZING THE  
CITY MANAGER TO EXECUTE SAID AGREEMENT**

WHEREAS, Council Resolution No. 2004-451 adopted the 2004/2005 Capital Improvement Program, and

WHEREAS, the 2004/2005 Capital Improvement Program included a project to widen Pelandale Avenue to full 6-Lane Expressway status from Dale Road to McHenry Avenue, project titled, "CIP H461: Pelandale Expressway 6-Lane Widening - Dale Road to McHenry Avenue", and

WHEREAS, the 6-Lane widening of Pelandale Avenue from Dale Road to McHenry is scheduled to commence in fiscal year 2006, and

WHEREAS, the project scope of work requires (1) acquisition of additional permanent right-of-way along the south and north roadsides, and (2) temporary construction easements outside the permanent right-of-way limits on both sides of the roadway, and

WHEREAS, the City has evaluated the cost and time benefit of acquiring the additional right-of-way, and

WHEREAS, by Resolution No. 2005-118, adopted on February 22, 2005, the City Council previously resolved to proceed with the widening of Pelandale Avenue to full 6-lane status, and as part of this widening, to acquire necessary right-of-way to construct the additional lanes, and

WHEREAS, a 265 sq ft partial right-of-way take was identified for permanent acquisition and a 6,273 sq ft Temporary Construction Easement was identified for a limited duration on a parcel at Pelandale Avenue at Tully Road owned by Big Valley Grace Community Church, Inc., (APN: 046-003-006), and

WHEREAS, the City Council of the City of Modesto directed staff to enter into negotiations with Big Valley Grace Community Church, Inc., to purchase the portion of its real property as described herein above (hereafter the “subject property”) for the Pelandale Expressway 6-Lane Widening Project, and

WHEREAS, a purchase agreement has been completed between the City and Big Valley Grace Community Church,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Agreement for Purchase of Real Property between the City of Modesto and Big Valley Grace Community Church to purchase the necessary real property for the Pelandale Expressway 6-Lane Widening Project in the amount of \$9,200.00.

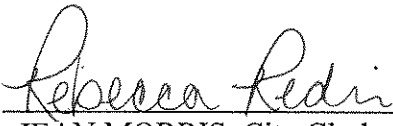

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8th day of August, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

WHEREAS, the 6-lane widening of Pelandale Avenue from Dale Road to McHenry is scheduled to commence in fiscal year 2006, and

WHEREAS, the project scope of work requires (1) acquisition of additional permanent right-of-way along the south and north roadsides, and (2) temporary construction easements outside the permanent right-of-way limits on both sides of the roadway, and

WHEREAS, the City has evaluated the cost and time benefit of acquiring the additional right-of-way, and

WHEREAS, by Resolution No. 2005-118, adopted on February 22, 2005, the City Council previously resolved to proceed with the widening of Pelandale Avenue to full 6-

lane status, and as part of this widening, to acquire necessary right-of-way to construct the additional lanes, and

WHEREAS, a 1.078 acre partial right-of-way take was identified for permanent acquisition and a 7,085 sq ft Temporary Construction Easements was identified for a limited duration on a parcel at Pelandale Avenue at American Avenue owned by Hans J. Wagner and Donald E. Wagner (APN: 078-018-021), and

WHEREAS, the City Council of the City of Modesto directed staff to enter into negotiations with Hans J. Wagner and Donald E. Wagner to purchase the portion of their real property as described herein above (hereafter the “subject property”) for the Pelandale Expressway 6-Lane Widening Project, and

WHEREAS, a purchase agreement has been completed between the City and Hans J. Wagner and Donald E. Wagner,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Agreement for Purchase of Real Property between the City of Modesto and Hans J. Wagner and Donald E. Wagner to purchase the necessary real property for the Pelandale Expressway 6-Lane Widening Project in the amount of \$385,000.00.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8th day of August 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-502**

**A RESOLUTION APPROVING THE ACCEPTANCE OF AN AIRPORT  
IMPROVEMENT PROGRAM GRANT IN THE AMOUNT OF \$550,000  
FROM THE FEDERAL AVIATION ADMINISTRATION TO FUND A  
PROJECT TO REHABILITATE HANGAR TAXILANES AND INSTALL  
AIRFIELD GUIDANCE SIGNS AND MARKINGS AT THE MODESTO  
CITY-COUNTY AIRPORT AND AUTHORIZING THE CITY MANAGER,  
OR HIS DESIGNEE, TO EXECUTE THE ACCEPTANCE OF THE GRANT  
ON BEHALF OF THE CITY**

WHEREAS, Modesto City-County Airport's hangar taxilanes and guidance signs and markings have deteriorated over the years, and

WHEREAS, on March 28, 2006, the City Council authorized staff to submit a grant application to the Federal Aviation Administration (FAA), in the amount of \$1 million for funding of Airport Capital Improvement Plan projects approved by the FAA, and

WHEREAS, the FAA notified the City that an Airport Improvement Plan (AIP) Grant Offer of \$550,000 has been made for funding of a project consisting of the following: "rehabilitate hangar taxilanes; install airfield guidance signs and markings", and

WHEREAS, this Grant Offer must be accepted on or before August 15, 2006, and

WHEREAS, acceptance of the grant will provide the City with funding to install new signage to replace old and sun bleached signs on and around the airfield, as well as install slot drains to resolve drainage problems around existing T-hangars, and to slurry seal the pavement adjacent to the aircraft storage hangars, and

WHEREAS, the Economic Development Committee approved submittal of the application for AIP Grant on March 13, 2006, and the Airport Advisory Committee also approved the application for the grant and endorses acceptance of the Grant,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the acceptance of an Airport Improvement Program grant in the amount of \$550,000 from the Federal Aviation Administration to “rehabilitate hangar taxilanes; install airfield guidance signs and markings” at the Modesto City-County Airport.

BE IT FURTHER RESOLVED that the Council hereby authorizes the City Manager, or his designee, to execute the acceptance of the grant on behalf of the City of Modesto.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8<sup>th</sup> day of August 2006 by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carrier and the resolution adopted by the following vote:

**A RESOLUTION APPROVING THE POLICY TITLED “WATER AND SEWER SERVICE POLICY REGARDING AFFORDABLE HOUSING DEVELOPMENT PURSUANT TO SECTION 65589.7 OF THE GOVERNMENT CODE” FOR IMPLEMENTATION OF SENATE BILL 1087 (SB 1087) REQUIREMENTS FOR WATER AND SEWER SERVICE**

WHEREAS, California Government Code Section 65589.7 was amended in October 2005 by Senate Bill 1087 (SB 1087) to require each public agency or private entity providing water and sewer services to grant a priority for the provision of these services to proposed developments that include housing units affordable to lower income households, and

WHEREAS, public agencies or private entities providing water and sewer services must adopt written policies and procedures no later than July 1, 2006, and at least every five years thereafter, to implement the provisions of Section 65589.7, and

WHEREAS, Public Works staff prepared a draft policy for compliance with the requirements of Section 65589.7, and

WHEREAS, at its June 12, 2006, meeting, the Council Economic Development Committee reviewed the draft policy and directed staff to follow up on four areas of the draft policy, and

WHEREAS, staff followed up on the four areas addressed at the Committee meeting and revised the policy, and

WHEREAS, the revised policy attached hereto as Exhibit “A” outlines the steps necessary for implementation of SB 1087 Code requirements,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Policy titled "Water And Sewer Service Policy Regarding Affordable Housing Development Pursuant To Section 65589.7 Of The Government Code" attached hereto as Exhibit "A" and incorporated herein by reference, for the Implementation of Senate Bill 1087 Requirements for Water and Sewer Service.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8th day of August 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**WATER AND SEWER SERVICE POLICY REGARDING  
AFFORDABLE HOUSING DEVELOPMENT PURSUANT  
TO SECTION 65589.7 OF THE GOVERNMENT CODE**

**PURPOSE:** In order to clarify its position regarding the provision of water and sewer service to proposed developments within all of the City of Modesto's water and sewer service areas that include housing units affordable to lower income households within the City's water and sewer service areas, Council has adopted a policy statement in accordance with Section 65589.7 of the Government Code.

**BACKGROUND:** Section 65589.7 of the Government Code was amended in October 2005 to require that each public agency or private entity providing water and sewer services grant a priority for the provision of these services to proposed developments that include housing units affordable to lower income households. Furthermore, public agencies or private entities providing water and sewer services must adopt written policies and procedures no later than July 1, 2006, and at least every five years thereafter, to implement the provisions of Section 65589.7.

Within the City of Modesto's water and sewer service areas a proposed development can be defined as including affordable housing by providing any of the following information:

- 1) Projects with housing that will be sold or rented to households with less than 80 percent of median income.
- 2) Affordability covenants that are recorded with the property.
- 3) Market rate apartments built at a minimum density of 15 units per net acre.
- 4) Other specific types of housing that, by their nature, are considered to satisfy affordable housing, such as emergency shelters, homes used for transitional housing, second units, mobile homes, boarding houses, farm labor housing, single-room occupancy units, or density bonus units.
- 5) Housing units that qualify for the City of Modesto's Capital Facility Fee waivers.

For proposed developments within the City of Modesto's water and sewer service areas (but outside the City limits), the City may review and consider the requirements set forth in the adopted housing elements of those jurisdictions to determine whether the project may be entitled to a priority consistent with this policy.

**POLICY:** It is the policy of the City of Modesto that proposed development within all of the City's water and sewer service areas shall be granted a priority for water and sewer service provided that at least ten percent of the total housing units in the proposed development are affordable to lower income households, that their affordability will be determined by HUD standards of affordability, that covenants be recorded over the property to ensure affordability, and that the findings are made per the implementation procedures outlined in the "Implementation" section. The proposed developments shall be within the current limits of a city or county areas that are served by the City of Modesto (defined service areas).

**IMPLEMENTATION FINDINGS:** Proposed development within the City's water and sewer service areas that include housing units affordable to lower income households shall be granted a priority for water and sewer service provided that the following specific written findings are made:

**Water Service:**

- 1) That the City of Modesto's water supply system is not experiencing a water shortage emergency, or under the water shortage restrictions pursuant to Chapter 3 (commencing with Section 350) of Division 1 of the Water Code relating to water emergencies.
- 2) That the City of Modesto's water supply system is not subject to a compliance order issued by the State Department of Health Services that prohibits new water service connections.
- 3) That sufficient water supplies are available to serve the proposed development as identified in the City of Modesto's most recently adopted Urban Water Management Plan.
- 4) That the City of Modesto's water supply system has sufficient water treatment, transmission, and distribution capacity to serve the needs of the proposed development as demonstrated by a written engineering analysis and report.

**Sewer Service:**

- 5) That the City of Modesto has sufficient wastewater collection and treatment system capacity to serve the needs of the proposed development as demonstrated by a written engineering analysis and report.
- 6) That the City of Modesto is not under an order by the Central Valley Regional Water Quality Control Board that prohibits new sewer service connections.

In addition to the above requirements, the following items are specific conditions on the proposed developments:

- 7) That, based on the size and location of the project, the applicant agrees to finance any additional water and sewer capacity studies determined necessary by the City of Modesto.
- 8) That the project applicant has agreed to comply with all reasonable terms, conditions, and standards of the City of Modesto relating to the provision of water and sewer services applicable to development projects, as identified in the written analysis reports.
- 9) That the project applicant has agreed to comply with all local, state, and federal laws and regulations relating to the provision of water and sewer services applicable to development projects.
- 10) That the project applicant has agreed to pay all fees and charges relating to the provision of water and sewer services for development projects.

Findings for sewer service do not apply to areas outside the City of Modesto where the City of Modesto only provides water service. Similarly, findings for water service do not apply to areas outside the City of Modesto where only sewer service is provided.

**IMPLEMENTATION:** The City Public Works and Community and Economic Development Departments shall institute an implementation program wherein projects with housing affordable to lower income households per HUD standards are given processing priority over projects not containing such affordable housing.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-509**

**A RESOLUTION ACCEPTING THE WORK BY GROVER LANDSCAPE SERVICES, INC., FOR THE PROJECT TITLED "COMMUNITY GATEWAY" AS COMPLETE, AUTHORIZING THE CITY CLERK TO FILE A NOTICE OF COMPLETION, AND AUTHORIZING PAYMENT OF AMOUNTS DUE TOTALING \$388,609.85**

WHEREAS, a report has been filed by the Public Works Director that the project titled "Community Gateway" has been completed by Grover Landscape Services, Inc., in accordance with the contract agreement dated May 24, 2005,

EMERGENCY REPAIR EMERALD ACCOUNT 6210-480-B628

WHEREAS, the work by Allen A. Waggoner Construction, Inc., for the project titled "Emerald Avenue Sewer Emergency Repairs" is complete, and

WHEREAS, the cost to complete the project remained within the \$500,000 budget, and

WHEREAS, the remaining contingency funds are no longer required,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the transfer of funds in the amount of \$81,027 to Wastewater Reserves account 6210-800-8000-8003 from Emergency Repair Emerald account 6210-480-B628.

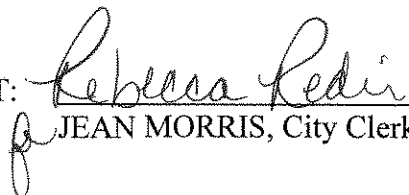

BE IT FURTHER RESOLVED that City staff is hereby authorized to make the necessary budget adjustments in coordination with the Finance Department.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8<sup>th</sup> day of August 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-513**

**A RESOLUTION ACCEPTING PUBLIC IMPROVEMENTS IN THE LAGOS  
SUBDIVISION, IN THE VILLAGE ONE SPECIFIC PLAN AREA, AND  
AUTHORIZING THE CITY CLERK TO RECORD A NOTICE OF COMPLETION  
AND AUTHORIZING RELEASE OF BONDS**

WHEREAS, JOHN LAGOS and MARIE T. LAGOS, husband and wife, as community property, are the subdividers of LAGOS SUDIVISION (“SUBDIVISION”), and

WHEREAS, JOHN LAGOS and MARIE T. LAGOS, husband and wife, as community property, have filed irrevocable subdivision bonds to secure faithful performance and payment for labor and materials in the amounts of \$1,142,316.00 and \$571,158.00, respectively, and

WHEREAS, JOHN LAGOS and MARIE T. LAGOS, husband and wife, as community property, have filed a warranty bond in the amount of \$114,231.60 to guarantee improvements in the SUBDIVISION, and

WHEREAS, the City Engineer, in a memorandum to Council, indicates that all work required by the Subdivision Agreement has been completed to the satisfaction of the Public Works Department, and

WHEREAS, the City Engineer has indicated that it would be in order for the City Council to accept the improvements in said SUBDIVISION as complete, and authorize the City Clerk to record a Notice of Completion and release the bonds upon expiration of the statutory periods,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that:

1. The public improvements in the SUBDIVISION are hereby accepted and the City Clerk is hereby authorized to record a Notice of Completion for the SUBDIVISION improvements.
2. The City Clerk is hereby authorized to release the subdivision bond for faithful performance in the amount of \$1,142,316.00 upon recordation of the Notice of Completion.
3. The City Clerk is hereby authorized to release the subdivision bond for labor and materials in the amount of \$571,158.00 sixty (60) days after the recordation of the Notice of Completion, provided no claim is made thereon.
4. The City Clerk is hereby authorized to release the warranty bond to guarantee the SUBDIVISION improvements in the amount of 114,231.60 one year and one day after the effective date of this resolution, provided no claim is made thereon.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8<sup>th</sup> day of August 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-514**

**A RESOLUTION AUTHORIZING CITY STAFF CITY STAFF TO ISSUE A  
REQUEST FOR PROPOSALS FOR PROJECT APPROVAL AND  
ENVIRONMENTAL DOCUMENT (PA&ED) FOR PELANDALE/SR99 AVENUE  
INTERCHANGE UPGRADE, AND AUTHORIZE THE MAYOR TO APPOINT  
ONE COUNCIL MEMBER TO THE PROJECT DEVELOPMENT TEAM AND  
SELECTION COMMITTEE**

WHEREAS, the SR99/Pelandale Avenue interchange is located in the northwest quadrant of the City of Modesto and provides access to commercial and residential properties in this region, and

WHEREAS, the northwest portion of the City is undergoing rapid commercial and residential development, which has generated considerable traffic at this interchange. During peak traffic flow periods, exiting traffic is frequently backed up down the off ramps and blocks the rightmost travel lanes of SR99, and

WHEREAS, the City Council approved \$1.3M for Project Approval and Environmental Document (PA&ED) and issue a Request for Proposals for said work, and approved staff's request to explore City taking the lead on the State Route 99/Pelandale Avenue Interchange Improvements and

WHEREAS, Following Council's approval, staff made a formal request to StanCOG to apply for lead agency status on the Pelandale Interchange Improvement Project, and

WHEREAS, on May 4, 2006, staff received a letter from Caltrans to StanCOG concurring with the City's request to take lead agency status.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves City staff to issue a Request for Proposals Project Approval and Environmental Document (PA&ED) for Pelandale/SR99 Avenue Interchange Upgrade, and

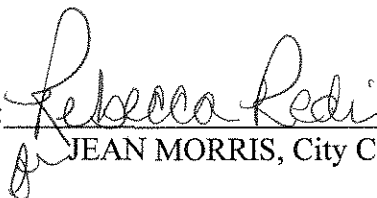

BE IT FURTHER RESOLVED that the City Council hereby authorizes City staff to issue a Request for Proposals for said work.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006- 514A**

**A RESOLUTION AMENDING RESOLUTION NO. 96-625 TITLED “A  
RESOLUTION ESTABLISHING A VEHICLE IMPOUND FEE FOR  
SUSPENDED, REVOKED OR UNLICENSED DRIVERS” TO INCREASE THE  
FEE FOR VEHICLE IMPOUNDS AND DESIGNATING THE EXISTING  
TRAFFIC OFFENDER FUND ESTABLISHED BY MODESTO MUNICIPAL  
CODE SECTION 8-1.1001, ET SEQ. AS THE TRAFFIC OFFENDER FUND FOR  
THE PURPOSES OF ACCEPTING A GRANT FROM THE STATE OF  
CALIFORNIA OFFICE OF TRAFFIC AND SAFETY FOR VEHICLE  
IMPOUND/DUI/SELECTIVE TRAFFIC ENFORCEMENT**

WHEREAS, the State of California Office of Traffic and Safety has tentatively approved funding the City of Modesto a \$1,000,000 grant for Vehicle Impound/DUI/Selective Traffic Enforcement Program (the “Grant”), and

WHEREAS, a Traffic Offender Fund (the “Fund”) must be established for the Vehicle Impound Program, and

WHEREAS, the City of Modesto currently has a Traffic Offender Fund which states the “fund shall be made exclusively for the purposes of traffic safety programs within the City of Modesto”, as set forth in Section 8-1.1001 et seq. of the Modesto Municipal Code (MMC).

WHEREAS, City staff requests the existing Traffic Offender Fund established by Modesto Municipal Code Section 8-1.001, et seq. also be designated as the Traffic Offender Fund as required by the Grant, and

WHEREAS the existing Traffic Offender Fund is funded by vehicle impound fee which was adopted by the City Council on November 19, 1996 by Resolution No. 96-625, which established the fee at \$80.00 per vehicle; and,

WHEREAS, one of the requirements of the Grant is that the City of Modesto must be able to sustain the enforcement program by creating a self-sustaining Vehicle

Impound Program which will continue after the Grant monies are expended, to satisfy the National Highway Traffic Safety program income requirements, and

WHEREAS, pursuant to the terms of the Grant, as well as the National Highway Traffic Safety program, the City's Vehicle Impound Program must be established by December 31, 2006, and self-sustaining by the end of the Grant period, and

WHEREAS, the Police Department currently charges an \$80.00 vehicle impound fee, and

WHEREAS, based on a 2004 study, the calculated rate of our cost, per tow, is \$187.62, and with inflation, MOU changes of rates for personnel, based on 2006 study costs today are calculated at \$251.31 per towed vehicle, and

WHEREAS, Command staff feels that increasing the vehicle impound fee from \$80.00 to \$160.00 would be too substantial and that a gradual increase over two years would be to the best interest of the community, and should be increased from \$80.00 to \$160.00 in FY 06-07, and

WHEREAS, in order to meet Grant requirements, a public hearing is recommended to increase the vehicle impound fee, and it is recommended said fees be increased from \$80.00 to \$160.00 in FY 06-07, and

WHEREAS, City Staff will return to Council when the requested fee study is completed, and

WHEREAS, all collected fees will be placed in the Traffic Offender Fund, and pursuant to the agreement with the State of California Office of Traffic Safety, each fiscal year \$210,000 of the Vehicle Impound Fees collected will be transferred to the General Fund, and

WHEREAS, any and all additional fees collected above and beyond the \$210,000 will remain in the Traffic Offender Fund to be used solely for traffic safety programs within the City of Modesto, as administered by the Modesto Police Department, and

WHEREAS, the monies in the Traffic Offender Fund will cover the administrative costs incurred by the City relating to the removal, impoundment, storage, and release of vehicles allowed by the authority of Section 22850.5 of the California Vehicle Code, and

WHEREAS, the Traffic Offender Fund will be subject to a financial audit by the State of California Office of Traffic Safety, and

WHEREAS, the Vehicle Impound Fee will receive a “Sunset” review by the City Council in FY 2013-2014, to determine if the program should be terminated, modified, or remain in place, and

WHEREAS, at its meeting of July 24, 2006, the Finance Committee recommended (1) increasing the vehicle impound fee to \$187.62 based on the 2004 study or (2) increasing the vehicle impound fee to \$250.00 based on a current study, and

WHEREAS, said matter was set for a public hearing of the City Council to be held at 5:30 p.m. on August 8, 2006, in the Tenth Street Place Chambers, located at 1010 Tenth Street, Modesto, California, and

WHEREAS, a duly noticed public hearing was held at said time and place, at which time evidence, both oral and documentary, was received and considered,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

1. The City Council hereby designates the current Traffic Offender Fund established by MMC Section 8-1.1001 et seq. as the Traffic Offender Fund required to be established pursuant to the terms of the Grant.

2. The City Council hereby authorizes an increase in the Vehicle Impound Fee from \$80.00 to \$250.00 for reimbursement of costs incurred in the enforcement of, education for, and prosecution of drivers with a suspended or revoked license and unlicensed drivers to meet the California Office of Traffic Safety requirements to accept the Vehicle Impound/DUI/Selective Traffic Enforcement Program (STEP) Grant for \$1,000,000.

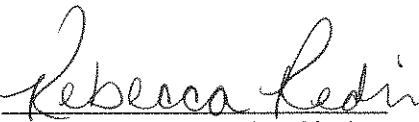

3. Resolution No. 96-625 is hereby amended effective August 8, 2006, and all other provision of Resolution No. 96-625 not in conflict with this resolution shall remain in full force and effect.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8<sup>th</sup> day of August 2006, by Councilmember O'Bryant, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-515**

**A RESOLUTION AMENDING THE FY 06-07 OPERATING BUDGET TO  
RECOGNIZE REVENUE AND APPROPRIATE FUNDS OF \$315,000 INTO THE  
“TRAFFIC OFFENDER FUND”**

WHEREAS, the State of California Office of Traffic and Safety has tentatively approved grant funding to the City of Modesto in the amount of \$1,000,000 for Vehicle Impound/DUI/Selective Traffic Enforcement Program (the “Grant”), and

WHEREAS, one of the requirements of the Grant is that the City shall be able to sustain the enforcement program by creating a self-sustaining Vehicle Impound Program which will continue after the Grant monies are expended, and

WHEREAS, the Police Department currently charges an \$80.00 vehicle impound fee, and

WHEREAS, in order to meet Grant requirements, a public hearing was held on August 8, 2006 and Resolution No. 2006-514A was adopted by the City Council to increase the vehicle impound fee from \$80.00 to \$160.00 in FY 06-07, and

WHEREAS, City Staff will return to Council when the requested fee study is completed, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the 2006/07 Operating Budget is hereby amended to recognize revenue and appropriate funds of \$315,000 into Account No. 0100-190-1961-4028.

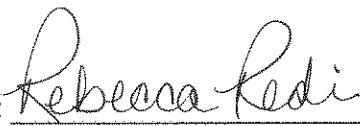

BE IT FURTHER RESOLVED that Resolution No. 2006-514A is hereby adopted upon the effective date of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8<sup>th</sup> day of August, 2006, by Councilmember O'Bryant, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-516**

**A RESOLUTION APPROVING STAFF'S PROPOSED RESPONSE TO THE  
FINDINGS AND RECOMMENDATION OF THE STANISLAUS COUNTY 2005-  
2006 CIVIL GRAND JURY REPORT RELATING TO CITY OF MODESTO  
COMMUNITY FACILITIES DISTRICT NO. 1997-1 (NORTH BEYER PARK)  
AND AUTHORIZING THE CITY MANAGER TO SUBMIT SAID RESPONSE**

WHEREAS, the City received a report from the Stanislaus County 2005-2006 Civil Grand Jury ("Grand Jury Report") dated June 26, 2006, relating to the City of Modesto Community Facilities District No. 1997-1 (North Beyer Park) ("CFD 1997-1"), and

WHEREAS, City staff has prepared a response ("City's Response") to the Grand Jury Report, and

WHEREAS, the City Council has considered the City's Response,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that City staff's proposed response to the Findings and Recommendation of the Stanislaus County 2005-2006 Civil Grand Jury Report related to City of Modesto Community Facilities District No. 1997-1 (North Beyer Park) is hereby approved.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to submit the City of Modesto's response to the Findings and Recommendation of the Stanislaus County 2005-2006 Civil Grand Jury Report related to City of Modesto Community Facilities District No. 1997-1 (North Beyer Park) to the attention Presiding Judge Marie Sovey Silveira, Stanislaus County Superior Court.

BE IT FURTHER RESOLVED that a copy of the City of Modesto's response to the Findings and Recommendation of the Stanislaus County 2005-2006 Civil Grand Jury

Report related to City of Modesto Community Facilities District No. 1997-1 (North Beyer Park) shall be placed on file with the City Clerk's Office.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-517**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MODESTO  
AUTHORIZING ENTRY INTO AN INTEREST RATE SWAP TRANSACTION  
AND CERTAIN ACTIONS RELATING THERETO**

WHEREAS, the City of Modesto (the “City”) is a municipal corporation and a chartered city of the State of California (the “State”), organized and existing under its Charter, the Constitution and the laws of the State; and

WHEREAS, pursuant to its Charter, the City has the power to exercise any rights, powers and privileges granted or prescribed by the general laws of the State; and

WHEREAS, the City has previously entered into a Master Installment Purchase Contract, dated as of November 1, 1997 (the “Master Installment Purchase Contract”), with the Modesto Public Financing Authority (the “Authority”) in order to provide for the financing and refinancing from time to time of the costs of acquisition and construction of various additions, betterments, extensions and improvements to the City’s municipal water system; and

WHEREAS, the City has previously executed and delivered certificates of participation evidencing and representing interests in certain installment payments to be made by the City to the Authority pursuant to the Master Installment Purchase Contract, as heretofore supplemented; and

WHEREAS, the Master Installment Purchase Agreement provides that the City may incur additional obligations payable on a parity thereunder, including by execution of a supplemental installment purchase contract; and

WHEREAS, the City anticipates entering into a supplemental installment purchase contract (the “2006 Supplemental Installment Purchase Contract”) to the Master Installment Purchase Contract and executing and delivering additional certificates of participation (the “2006 Certificates”) evidencing and representing interests in the installment payments to be made under the 2006 Supplemental Installment Purchase Contract (the “2006 Payments”) for the purpose, *inter alia*, of financing the costs of various additional improvements to the water system; and

WHEREAS, the 2006 Certificates are expected to be executed and delivered as auction rate certificates, the interest on which will be adjusted periodically as provided in the trust agreement pursuant to which such 2006 Certificates will be delivered; and

WHEREAS, Section 5922 of the California Government Code provides that in connection with, or incidental to, the issuance or carrying of bonds (defined to include installment purchase agreements and certificates of participation therein) any public entity may enter into any contracts which the public entity determines to be necessary or appropriate to place the obligations represented by the bonds, in whole or in part, on the interest rate, currency, cash flow or other basis desired by the public entity, including without limitation contracts commonly known as interest rate swap agreements or contracts providing for payments based on levels of, or changes in, interest rates or stock or other indices, or contracts to exchange cash flows or a series of payments, in each case to hedge payment, rate, spread or similar exposure; and

WHEREAS, the City desires to authorize certain officers of the City to enter into an interest rate swap transaction with Bank of America, N.A. as authorized by Section

5922 of the California Government Code in connection with its obligation to pay the 2006 Payments relating to the auction rate 2006 Certificates with a view to economically provide for fixed payments in connection with the related portion of the interest component of the 2006 Payments and to achieve savings by paying a lower fixed swap amount compared to using a fixed rate interest component for such 2006 Payments; and

WHEREAS, the terms and conditions of such interest rate swap transaction shall be as set forth in the ISDA Master Agreement, as amended and supplemented by the U.S. Municipal Counterparty Schedule to the Master Agreement and the Credit Support Annex to such Schedule, each in the form submitted to this meeting (such ISDA Master Agreement, as so amended and supplemented, as the same may be modified and completed in accordance with this Resolution being referred to as the “Swap Agreement”); and

WHEREAS, the interest rate swap transaction authorized hereby shall constitute a Transaction under the Swap Agreement (a “Transaction”), the specific terms of which shall be contained in a Confirmation (a “Confirmation”) to be delivered on or about the date such Transaction is agreed upon by the parties;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Modesto, as follows:

Section 1. The form of Swap Agreement presented to this meeting, and on file with the City Clerk, is hereby approved. Each of the City Manager and the Finance Director, acting singly, is hereby authorized and directed for, on behalf of, and in the name of the City, to execute and deliver the Swap Agreement in substantially said form,

with such changes, insertions and deletions to the Swap Agreement (including such changes, insertions and deletions as may be undertaken in connection with arranging for the regularly scheduled swap payments to be made by the City thereunder to be insured through a municipal bond insurance company, if, upon the advice of the City's financial advisors, such insurance shall be beneficial to the City) as may be consistent with this Resolution and the determinations made pursuant hereto and as may be approved by the officer executing the Swap Agreement, such approval to be conclusively evidenced by the execution and delivery thereof.

Section 2. Each of the City Manager and the Finance Director, acting singly, is hereby authorized to enter into a Transaction in connection with the 2006 Certificates and the 2006 Payments evidenced and represented thereby to accept and execute the Confirmation describing the Transaction; provided, however, that the following limitations shall be applicable to the Confirmation and Transaction: (i) the term of the Transaction shall not extend beyond the final maturity of the 2006 Certificates; (ii) the initial notional amount of the Transaction shall not exceed the par amount of the 2006 Certificates, and after the 2006 Certificates are executed and delivered shall not at any time exceed the unpaid amount of the principal component of the 2006 Payments; (iii) the variable rate to be received under the Transaction shall not be less than 60% of the one-month London Interbank Offering Rate (LIBOR); (iv) the expected net debt service on the 2006 Certificates calculated using the fixed swap rate to be paid by the City to the Bank of America, N.A., as counterparty, will be at least 5.0% less on a net present value basis than the net debt service on the 2006 Certificates if such 2006 Certificates were issued on a traditional fixed interest rate basis; and (v) the City shall have procured an

insurance policy securing its obligations to make regularly scheduled payments due in respect of such Transaction as provided in Section 3 of this Resolution.

Section 3. The securing of the City's obligations under the Transaction through the use of an insurance policy and the execution and delivery of the Credit Support Annex, concurrent with the execution of the other agreements authorized by this Resolution at any time hereafter prior to or concurrent with the delivery of the 2006 Certificates, is hereby authorized and approved. Each of the City Manager and the Finance Director, acting singly, is hereby authorized to take such actions as may be necessary to procure such insurance policy and to execute the Credit Support Annex to secure the City's obligations under the Transaction.

Section 4. The City Council of the City hereby finds and determines that the Transaction authorized hereby is designed to reduce the amount of rate risk and result in a lower cost of borrowing when used in combination with the execution and delivery of the 2006 Certificates.

Section 5. The City Manager, the Finance Director, the City Clerk and the other appropriate officers of the City are hereby authorized and directed, acting singly, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to consummate the transactions contemplated by this Resolution and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution, the Swap Agreement and the Confirmation. Any actions heretofore taken by such officers in connection therewith are hereby ratified, confirmed and approved.

Section 6. The City Clerk is hereby authorized and directed to attest the signature of the City Manager, the Finance Director or such other City officers as may be required or appropriate in connection with the execution and delivery of the Swap Agreement, the Confirmation or any related document or instrument .

Section 7. This Resolution shall take effect immediately upon its adoption.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 8th day of August 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the Resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-523**

**A RESOLUTION APPROVING A SIXTH AMENDMENT TO AGREEMENT FOR AUDITOR SERVICES WITH MAZE & ASSOCIATES, AN ACCOUNTANCY CORPORATION, TO PROVIDE FOR AUDITS OF THE STANISLAUS DRUG ENFORCEMENT AGENCY (SDEA), TO BE PAID BY SDEA, AT A COST NOT TO EXCEED \$6,145 FOR THE FISCAL YEAR 2006 AUDITS AND \$6,300 FOR FISCAL YEAR 2007 AUDITS, AND, AUTHORIZING THE CITY MANAGER TO EXECUTE THE AMENDMENT TO AGREEMENT.**

WHEREAS, the City of Modesto entered into a contract with Maze & Associates ("Auditor") on April 1, 2003, to perform its annual financial statement audits, and

WHEREAS, several Stanislaus County cities and agencies previously formed a Joint Powers Agency named the Stanislaus Drug Enforcement Agency (SDEA), and

WHEREAS, City of Modesto is providing accounting services for SDEA, and

WHEREAS, the SDEA governing Board desires that its financial operations be audited in conjunction with the City of Modesto financial audits, and

WHEREAS, the SDEA governing Board, at its August 16, 2006, meeting agreed to pay to costs for such audits, and

WHEREAS, Auditor has made a proposal to City to conduct these audits for Fiscal Year 2006 at a cost not to exceed \$6,145, and for Fiscal Year 2007 at a cost not to exceed \$6,300, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Sixth Amendment to Agreement for Auditor Services with Maze & Associates to provide audits of the SDEA financial operations for Fiscal Year 2006 at a cost not to exceed \$6,145, and for Fiscal Year 2007 at a cost not to exceed \$6,300.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Amendment to Agreement for Auditor Services.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5<sup>th</sup> day of September, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**STANDARD  
AGREEMENT FOR CONSULTANT SERVICES**

THIS AGREEMENT, made and entered into in the City of Modesto, State of California, this 15<sup>th</sup> day of July, 2006, by and between the CITY OF MODESTO, a municipal corporation of the State of California, hereinafter referred to as "City", and AARON READ & ASSOCIATES a California corporation, hereinafter referred to as "Consultant".

This Agreement is made with regard to the following recitals:

- A. The City has determined that it is appropriate to retain a consultant to represent the City's interests in Sacramento, California.
- B. Consultant represents that it is qualified, willing and able to provide such services.

NOW, THEREFORE, in consideration of this Agreement, and the mutual promises, covenants, and stipulations hereinafter contained, the parties agree as follows:

**1. SCOPE OF SERVICES.**

Consultant shall monitor actions of the Governor, state agencies and the state legislature as they affect transportation and other issues of interest to the City of Modesto. Consultant will provide legislative advocacy services when directed to so do by City. The Consultant shall perform said services as described in a manner compatible with the standards of its profession.

**2. TERM OF AGREEMENT.**

This Agreement is effective as of July 1, 2006, and will continue in effect until June 30, 2008, unless terminated earlier in accordance with the provisions of the termination clause in this Agreement.

**3. COMPENSATION.**

Consultant agrees to perform the services set forth in Paragraph 1 for a flat fee of six thousand one hundred ninety-five dollars (\$6,195.00) per month for the first year from July 1, 2006 to June 30, 2007 and for a flat fee of six thousand six hundred eleven dollars (\$6,612.00) per month for the second year from July 1, 2007 to June 30, 2008. City shall reimburse ARA for travel expenses, but only if such expenses are pre-approved by City in writing. City shall have no obligation to reimburse ARA for telephone and electronic communication, utilities, postage, express mail, photocopying, printing and materials, and other miscellaneous expenses.

The compensation shall be paid pursuant in the manner and at the times set forth below:

On or before the fifteenth (15<sup>th</sup>) day of each month, Consultant shall submit to the City a report for monthly payment for the work performed during the previous month.

**4. OBLIGATIONS OF Consultant.**

Throughout the term of this Agreement, Consultant shall possess, or secure all licenses, permits, qualifications and approvals legally required to conduct business. Consultant warrants that it has all of the necessary professional capabilities and experience, as well as all tools, instrumentalities, facilities and other resources necessary to provide the City with the services contemplated by this Agreement. Consultant further warrants that it will follow the best current, generally accepted and professional practices to make findings, render opinions, prepare factual presentations, and provide professional advice and recommendations regarding this project.

**5. PERFORMANCE BY KEY EMPLOYEE.**

Consultant has represented to City that Terry McHale and Robyn Black, will be the persons primarily responsible for the performance of the services referred to in this Agreement. City has entered into this Agreement in reliance on that representation by Consultant. Consultant shall not change this personnel assignment without the written consent of City's Project Manager, which shall not be unreasonably withheld.

**6. OWNERSHIP OF DOCUMENTS/TITLE TO DATA.**

**Ownership of Documents**

All reports, drawings, designs, graphics, working papers and other incidental work or materials furnished hereunder shall become and remain the property of the City, and may be used by City as it may require without any additional cost to City. No reports shall be used by the Consultant for purposes other than this contract without the express prior written consent of City.

**Title to Data**

If, as a part of the Agreement, Consultant is required to produce data such as, but not limited to, drawings, plans, specifications, calculations, models, flow diagrams, visual aids and other related materials, the originals of all such data generated under this Agreement will be delivered to City upon the completion or termination of services under the contract.

All materials, documents, data or information obtained from the City data files or any City medium furnished to Consultant in the performance of this Agreement will at all times remain the property of the City. Such data or information may not be used or copied for direct or indirect use by Consultant after termination of this Agreement without written consent of the City.

**7. NEWS AND INFORMATION RELEASE.**

Consultant agrees that it will not issue any news releases in connection with either the award of this Agreement, or any subsequent amendment of or efforts under this Agreement, without first obtaining review and approval of said news releases from City through the City Manager.

**8. AVOIDANCE OF POTENTIAL CONFLICTS.**

Whenever the state legislative objectives of existing or potential clients could conflict with those of the City, the Consultant and City shall take necessary steps to resolve such possible conflict. The Consultant shall not advocate or promote any state legislative objectives on behalf of existing or potential clients that are determined by the City to be in conflict with the City's state transportation objectives.

**9. AMENDMENTS.**

Both parties to this Agreement understand that it may become desirable or necessary during the execution of this Agreement, for City or Consultant to modify the scope of services provided for under this Agreement. Any material extension or change in the scope of work shall be discussed with City and the change and cost shall be memorialized in a written amendment to the original contract prior to the performance of the additional work.

Until a change order is so executed, City will not be responsible to pay any charges Consultant may incur in performing such additional services, and Consultant shall not be required to perform any such additional services.

**10. INDEPENDENT CONTRACTOR.**

All acts of Consultant, its agents, officers, and employees and all others acting on behalf of Consultant relating to the performance of this Agreement, shall be performed

as independent contractors and not as agents, officers, or employees of City. Consultant, by virtue of this Agreement, has no authority to bind or incur any obligation on behalf of City. Consultant has no authority or responsibility to exercise any rights or power vested in the City. No agent, officer, or employee of the City is to be considered an employee of Consultant. It is understood by both Consultant and City that this Agreement shall not under any circumstances be construed or considered to create an employer-employee relationship or a joint venture.

Consultant, its agents, officers and employees are and, at all times during the terms of this Agreement, shall represent and conduct themselves as independent contractors and not as employees of City.

Consultant shall determine the method, details and means of performing the work and services to be provided by Consultant under this Agreement. Consultant shall be responsible to City only for the requirements and results specified in this Agreement, and, except as expressly provided in this Agreement, shall not be subjected to City's control with respect to the physical action or activities of the Consultant in fulfillment of this Agreement. Consultant has control over the manner and means of performing the services under this Agreement. Consultant is permitted to provide services to others during the same period service is provided to City under this Agreement. If necessary, Consultant has the responsibility for employing other persons or firms to assist Consultant in fulfilling the terms and obligations under this Agreement.

If in the performance of this Agreement any third persons are employed by Consultant, such persons shall be entirely and exclusively under the direction, supervision, and control of Consultant. All terms of employment including hours, wages, working

conditions, discipline, hiring, and discharging or any other term of employment or requirement of law shall be determined by the Consultant.

It is understood and agreed that as an independent contractor and not an employee of City neither the Consultant or Consultant's assigned personnel shall have any entitlement as a City employee, right to act on behalf of the City in any capacity whatsoever as an agent, or to bind the City to any obligation whatsoever.

It is further understood and agreed that Consultant must issue W-2 forms or other forms as required by law for income and employment tax purposes for all of Consultant's personnel.

As an independent contractor, Consultant hereby indemnifies and holds City harmless from any and all claims that may be made against City based upon any contention by any third party that an employer-employee relationship exists by reason of this Agreement.

**11. ASSIGNMENT.**

Neither this Agreement nor any portion thereof shall be subcontracted or assigned without the express prior written consent of the City in each and every instance.

**12. PATENT/COPYRIGHT MATERIALS.**

Unless otherwise expressly provided in the contract, Consultant shall be solely responsible for obtaining the right to use any patented or copyrighted materials in the performance of this Agreement. Consultant shall furnish a warranty of such right to use to City at the request of City.

**13. NOTICES.**

Any and all notices permitted or required to be given hereunder shall be deemed duly given and effective (1) upon actual delivery, if delivery is by hand; or (2) five (5)

days after delivery into the United States mail if delivery is by postage paid registered or certified (return receipt requested) mail. Each such notice shall be sent to the parties at the address respectively indicated below or to any other address as the respective parties may designate from time to time.

FOR Consultant:

Name: Aaron Read & Associates  
Address: 1415 L Street, Suite 1100  
Sacramento, CA ~~95353-9003~~ 95814  
Attention: Terry McHale  
Phone: (916) 448-3444

FOR CITY:

Name: City of Modesto  
Address: PO Box 642  
Modesto, CA 95353  
Attention: George W. Britton  
Phone: (209) 577-5224

#### 14. INSURANCE REQUIREMENTS.

The Consultant shall provide at its own expense and maintain at all times the following insurance with insurance companies licensed in the State of California and shall provide evidence of such insurance to the City as may be required by the Risk Manager of the City. The policies or certificates thereof shall provide that, thirty (30) days prior to cancellation or material change in the policy, notices of same shall be given to the Risk Manager of the City by certified mail, return receipt requested, for all of the following stated insurance policies.

(a) Worker's Compensation - in compliance with the statutes of the State of California, plus employer's liability with a minimum limit of liability of \$500,000.

(b) General Liability insurance with a minimum limit of liability per occurrence of \$1,000,000 for bodily injury and \$100,000 for property damage or \$1,000,000

combined single limit. This insurance shall indicate on the certificate of insurance the following coverages and indicate the policy aggregate limit applying to: premises and operations; broad form contractual; independent consultants and subcontractors; products and completed operations; and professional liability.

(c) Automobile Liability insurance with a minimum limit of liability per occurrence of \$1,000,000 for bodily injury and \$100,000 for property damage or \$1,000,000 combined single limit. This insurance shall cover any automobile for bodily injury and property damage.

(d) Professional Liability insurance with a minimum limit of \$1,000,000 per claim and policy aggregate.

If at any time any of said policies shall be unsatisfactory to the City, as to form or substance, or if a company issuing such policy shall be unsatisfactory to the City, the Consultant shall promptly obtain a new policy, submit the same to the Risk Manager for approval and submit a certificate thereof as hereinabove provided. Upon failure of the Consultant to furnish, deliver or maintain such insurance and certificates as above provided, this Agreement, at the election of the City, may be forthwith declared suspended, or terminated. Failure of the Consultant to obtain and/or maintain any required insurance shall not relieve the Consultant from any liability under this Agreement, nor shall the insurance requirements be construed to conflict with or otherwise limit the obligations of the Consultant concerning indemnification. The City, its agents, officers, employees, and volunteers shall be named as an additional insured on all insurance policies required herein, except Workers' Compensation and Professional Liability. The Workers' Compensation insurer shall agree to waive all rights of subrogation against the City, its agents, officers, employees, and volunteers for losses arising from work performed by

Consultant for the City. The Consultant's insurance policy(ies) shall include a provision that the coverage is primary as respects the City; shall include no special limitations to coverage provided to additional insured; and, shall be placed with insurer(s) with acceptable Best's rating of A:VII or with approval of the Risk Manager. The Consultant must deliver certificates evidencing existence of the insurance listed above to the City Clerk at the time the contract is signed.

**CONSULTANT shall provide CITY with separate endorsements evidencing proof of the CITY's additional insured status as to both the general liability and automobile liability insurance policies. In addition, CONSULTANT shall provide CITY with a Workers Compensation subrogation waiver by way of a separate endorsement. All endorsements referenced above must include the applicable policy number.**

For any claims related to this project, the CONSULTANT'S insurance coverage shall be primary insurance as respects the Entity, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the Entity, its officers, officials, employees, or volunteers shall be excess of the CONSULTANT'S insurance and shall not contribute with it.

**15. TERMINATION OF AGREEMENT.**

**Termination on Occurrence of Stated Events**

This Agreement shall terminate automatically on the date on which any of the following events occur: (1) bankruptcy or insolvency of Consultant, (2) legal dissolution of Consultant, or (3) death of key principal(s) of Consultant.

### **Termination by City for Default of Consultant**

Should Consultant default in the performance of this Agreement or materially breach any of its provisions, at its option City may terminate this Agreement by giving written notification to Consultant. The termination date shall be the effective date of the notice. For the purposes of this section, material breach of this Agreement shall include but not be limited to any of the following: failure to perform required services or duties, willful destruction of City's property by Consultant, dishonesty or theft.

### **Termination by Consultant for Default of City**

Should City default in the performance of this Agreement or materially breach any of its provisions, at its option Consultant may terminate this Agreement by giving written notice to City. The termination date shall be the effective date of the notice. For the purposes of this section, material breach of this Agreement shall include but not be limited to any of the following: failure to cooperate reasonably with Consultant, willful destruction of Consultant's property by City, dishonesty or theft.

### **Termination by City for Lack of Budgeted Funds**

The City may terminate this Agreement effective July 1 of any given year upon the City's determination to not appropriate sufficient funds for this Agreement for the ensuing fiscal year. In such event City shall give Consultant not less than 30 days written notice.

### **Termination for Failure to Make Agreed-Upon Payments**

Should City fail to pay Consultant all or any part of the payments set forth in this Agreement on the date due, at its option Consultant may terminate this Agreement if the failure is not remedied within thirty (30) days after Consultant notifies City in writing of such failure to pay. The termination date shall be the effective date of the notice.

### **Termination by City for Change of Consultant's Tax Status**

If City determines that Consultant does not meet the requirements of federal and state tax laws for independent contractor status, City may terminate this Agreement by giving written notice to Consultant. The termination date shall be the effective date of the notice.

### **Voluntary Termination**

The parties may terminate this contract upon mutual written Agreement.

### **In the Event of Termination**

If this Agreement is terminated pursuant to this Paragraph, Consultant shall cease all its work on the project as of the termination date and shall see to it that its employees, subcontractors and agents are notified of such termination and cease their work. If City so requests, and at City's cost, Consultant shall provide sufficient oral or written status reports to make City reasonably aware of the status of Consultant's work on the project. Further, if City so requests, and at City's cost, Consultant shall deliver to City any work products whether in draft or final form which have been produced to date.

If the Agreement is terminated pursuant to any of the subsections contained in this paragraph, City will pay Consultant an amount based on the percentage of work completed on the termination date, this percentage shall be determined by City in its sole discretion. If the Agreement is terminated pursuant to the subparagraph entitled Termination by City for Default of Consultant, Consultant understands and agrees that City may, in City's sole discretion, refuse to pay Consultant for that portion of Consultant's services which were performed by Consultant on the project prior to the termination date and which remain unacceptable and/or not useful to City as of the termination date.

**16. CITY PROJECT MANAGER**

The City Project Manager shall be the City Manager or such other person as shall be designated in writing by the City Manager.

The Project Manager is authorized to approve work and billings hereunder, to give notices referred to herein, to terminate this Agreement as provided herein, and to carry out any other actions referred to herein.

**17. INDEMNITY.**

The Consultant shall hold the City, its agents, officers, employees, and volunteers, harmless from and save, defend and indemnify them against any and all claims, losses, liabilities, judgments or damages from every cause, including but not limited to injury to person or property or wrongful death, including reasonable costs and expenses of defense of any judicial or administrative action, arising directly or indirectly out of any negligent or intentional act or omission of Consultant, or its agents, officers, employees, or volunteers relating to or during the performance of its obligations under this Agreement.

Consultant's obligation to defend, indemnify, and hold the City, its agents, officers, and employees harmless under the provisions of this paragraph is not limited to or restricted by any requirement in this Agreement for Consultant to procure and maintain a policy of insurance.

**18. ENTIRE AGREEMENT.**

This Agreement and its exhibits contain the entire understanding between Consultant and City. Additional or new terms contained in this Agreement which vary from Consultant's proposal are controlling and are deemed accepted by Consultant by shipment of any article or other commencement of performance hereunder. All previous proposals, offers and

communications relative to this Agreement, whether oral or written, are hereby superseded except to the extent that they have been incorporated into this Agreement. No future waiver of or exception to any of the terms, conditions, and provisions of this Agreement shall be considered valid unless specifically agreed to in writing by all the parties.

**19. PARTIAL INVALIDITY.**

If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions shall nevertheless continue in full force without being impaired or invalidated in any way.

**20. WAIVER.**

The waiver by any party to this Agreement of a breach of any provision hereof shall be in writing and shall not operate or be construed as a waiver of any other or subsequent breach hereof unless specifically stated in writing.

**21. AUDIT.**

The City's duly authorized representative shall have access at all reasonable times to all reports, contract records, contract documents, contract files, and personnel necessary to audit and verify Consultant's charges to City under this Agreement.

Consultant agrees to retain reports, records, documents, and files related to charges under this Agreement for a period of four (4) years following the date of final payment for Consultant services. City's representative shall have the right to reproduce any of the aforesaid documents.

**22. GOVERNING LAW.**

This Agreement shall be governed according to the laws of the State of California.

**23. HEADINGS NOT CONTROLLING.**

Headings used in the Agreement are for reference purposes only and shall not be considered in construing this Agreement.

**24. COMPLIANCE WITH LAWS.**

Consultant shall insure compliance with all safety and hourly requirements for employees, in accordance with federal, state, and county safety and health regulations and laws. Consultant shall fully comply with all applicable federal, state, and local laws, ordinances, regulations and permits.

**25. CITY BUSINESS LICENSE.**

Consultant will have a City of Modesto business license.

IN WITNESS WHEREOF, the City of Modesto, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. \_\_\_\_\_, adopted by the Council of the City of Modesto on the eighth day of August, 2006\_\_\_\_, and CONSULTANT has caused this Agreement to be duly executed.

**ADVANCED FUNDING AGREEMENT  
FOR THE KIERNAN BUSINESS PARK SOUTH SPECIFIC PLAN AREA**

THIS ADVANCED FUNDING AGREEMENT FOR THE KIERNAN BUSINESS PARK SOUTH AREA (this "Agreement"), dated as of \_\_\_\_\_, 2006, is entered into by and between the CITY OF MODESTO, CITY OF MODESTO, a municipal corporation of the State of California (the "City") and MANA DEVELOPMENTS and HANS J. WAGNER (collectively the "Applicant").

**RECITALS:**

A. Applicant has a legal interest in real property located within a portion of the Kiernan Business Park South Specific Plan Area ("Specific Plan"), shown in Exhibit A attached hereto and incorporated herein by this reference, and is interested in pursuing development of properties in the Specific Plan.

B. Applicant has requested that the City prepare a Facilities Master Plan and Infrastructure Finance Plan ("FMP/IFP"), and create an appropriate financing mechanism, such as a community facilities district ("CFD") for the principal purpose of master planning and financing the various public facilities and services which are necessary to serve or desirable for the development of the Specific Plan (collectively the "Project").

C. City has either retained, or will retain outside consultants, to assist it with the Project and, if the City determines to proceed with the formation of a CFD, to assist it in connection therewith and with the possible issuance of bonds.

D. The scope of work for the Project ("Scope"), including the estimated costs for completing the Project ("Estimated Costs"), is attached as Exhibit B.

E. Applicant is prepared to deposit with the City the amount needed to fund the Scope plus 30% for staff time and expenses in order to provide the City with an initial source of funds with which to pay expenses expected to be incurred in connection with the Project. Additional deposits will be provided by Applicant, as required by the City.

F. The City and Applicant are desirous of entering into this Agreement in order to provide monies for the City's costs for the preparing the Project on a time and materials basis, to provide mechanisms by which the funds deposited under this Agreement shall be applied and by which Applicant may make additional deposits, and to reimburse Applicant for monies advanced for the benefit of other landowners in the Project.

G. Pursuant to California Government Code Section 53314.9 and the City's CFD Policies and Procedures, the City Council of the City is authorized to accept advances of funds or work-in-kind from any source, including, but not limited to, private persons or private entities, and may provide, by resolution, for the use of those funds or work-in-kind for any authorized purpose, including, but not limited to, paying any costs incurred in connection with the planning and formation of a community facilities district. The City Council of the City is also authorized to enter into an agreement, by resolution, with the person or entity advancing the funds or work-in-kind to repay all or a portion of the funds advanced or to reimburse the person or entity for the cost or value of the work-in-kind provided that certain conditions are met. The conditions to be satisfied with

respect to funds advanced require that (1) the proposal to repay the funds or to pay the cost or value of the work-in-kind must be included in the resolution of intention for the proposed community facilities district and in the resolution of formation for the proposed community facilities district, (2) any proposed special tax is approved by the qualified electors of the community facilities district and, if a proposed special tax is not approved, any funds advanced which have not been committed for any authorized purpose by the time of the election must be returned to the person or entity advancing funds and (3) any work-in-kind accepted shall have been performed or constructed as if the work had been performed or constructed under the direction and supervision, or under the authority, of the local agency.

H. The City and the Applicant are desirous of entering into this Agreement in accordance with Government Code Section 53314.9 and the City's CFD Policies and Procedures in order to provide a mechanism by which the Applicant may make additional deposits if determined necessary pursuant to the City's CFD Policies and Procedures and, when and if bonds are issued and proceeds are available, the CFD can reimburse the Applicant for the amounts advanced by the Applicant.

### AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth herein, the parties hereto agree as follows:

1. Recitals. Each of the above recitals is incorporated herein and is true and correct.
2. Proposed Preparation of the Facilities Master Plan and Infrastructure Financing Plan.
  - a. Applicant agrees to pay all costs of preparing, processing and approving the FMP/IFP.
  - b. Within ten (10) calendar days after the City Council approves this Agreement, Applicant shall deposit with the City the sum of TWO HUNDRED FIFTY THOUSAND AND 0/100 (\$250,000.00) DOLLARS ("Initial Deposit") to fund the Scope of work for the Project. The Initial Deposit will be held in trust by the City and used solely for the purposes set forth in this Agreement. Upon receipt by the City of the Initial Deposit and all documents deemed necessary by the City to proceed with the Project, the City will commence work on the Project on a time and materials basis and will provide a Notice to Proceed to its Consultant to proceed with the Project. In connection therewith, the City has either retained, or will retain, the consultants that the City determines necessary or convenient to assist it with the Project and, if the City determines to proceed with the formation of the CFD, to assist it in connection therewith and with the possible issuance of bonds.
  - c. After the Initial Deposit has been expended on the Project, Applicant shall make additional advances to the City as provided by subparagraph (d), below, until the Project has been completed or terminated, and all costs associated with the Project have been fully paid. City will commence work on subsequent Tasks as identified in the Scope on a time and materials basis and will provide a Notice to Proceed to Consultant for each such Task within ten (10) calendar days after it

has received an additional deposit sufficient to cover the estimated costs for said Task plus 30% for staff time and expenses associated with said Task. The consultants shall submit invoices to the City for payments based on work completed; such invoices will be promptly sent by the City to the Applicant, which will have five (5) business days to challenge the work performed, and the City will in good faith consider the position of the Applicant prior to approving payment. Applicant understands and agrees that City shall have the right, in its sole discretion, to approve and pay all such consultant invoices, and may do so without obtaining Applicant's approval.

- d. Applicant shall make additional advances to the City within ten (10) business days following receipt from the City of a request for an additional advance to cover the costs referred to herein. In the event that Applicant does not deliver the requested amount to the City within such ten (10) business day period, the City will have no obligation to proceed with any activity relating to the Project. The Applicant may notify the City at any time, in writing, of its intention to abandon the Project. Immediately upon City's receipt of such notice, but in no case later than two (2) business days, the City shall instruct in writing its consultants to cease work immediately. The Applicant shall be responsible for all costs and expenses incurred by the City or any City consultant or advisors relating to the Project until City issues this cease work notice. Within 60 calendar days after issuance of a cease work notice, City agrees to return to Applicant all unexpended amounts of the Initial Deposit (and any subsequent deposits) which exceed all costs and expenses incurred by City relating to the Project.
- e. Applicant agrees that, notwithstanding the Applicant's funding and reimbursement obligation under this Agreement, the consultants selected by the City shall be the contractors exclusively of the City and not of the Applicant. Except for those disclosures required by law including, without limitation the Public Records Act, all conversations, notes, memoranda, correspondence, and other forms of communication by and between the City and its consultants shall be, to the extent permissible by law, privileged and confidential and not subject to disclosure to the Applicant. Applicant agrees that it shall have no claim to, nor shall it assert any right in any reports, correspondence, plans, maps, drawings, news releases or any and all other documents or work project produced by City's consultants. Applicant understands that it will not be a third party beneficiary to City's contracts with the consultant. City will consult with Applicant prior to replacing its current consultants; however, Applicant agrees that City may select other consultants to replace its current consultants and may do so without obtaining Applicant's approval.
- f. City and Applicant shall work cooperatively and in good faith to facilitate completion of Project as quickly as possible and in the most cost effective way. City and Applicant shall meet and consult on dates and times as may be mutually agreed upon to discuss the progress and any key issues involved in the Project; provided, however, that Applicant's role is advisory only and that City shall control all aspects of the Project. The final work product to be produced by City's consultants shall be subject to the City's sole approval and control.

3. Proposed Formation of the CFD and Issuance of Bonds.

- a. Applicant agrees to pay all costs of preparing, processing and forming a CFD for the Specific Plan area.
- b. Upon receipt by the City of a completed application for the formation of the CFD, the formation deposit for the CFD, and all documents related thereto as described in the City's CFD Policies and Procedures, the City will undertake to analyze the appropriateness of forming the CFD and the issuance of bonds by it. In connection therewith, the City has either retained or will retain, at the Applicant's expense, the consultants that the City determines necessary or convenient to assist it in studying the proposed formation of the CFD and, if the City determines to proceed with the formation of the CFD, to assist it in connection therewith and with the possible issuance of bonds.
- c. Pursuant to the City's CFD Policies and Procedures, the Applicant shall make additional advances to the City within ten (10) days following receipt from the City of a request for an additional advance to cover the costs referred to herein. In the event the Applicant does not deliver the requested amount to the City within such ten (10) day period, the City will have no obligation to proceed with any activity relating to the formation of the CFD and/or the issuance of bonds. The Applicant may notify the City at any time, in writing, of its intention to abandon the formation of the CFD or the issuance of bonds. Upon receipt of such notice, the City shall instruct its consultants to cease work as soon as practicable. The Applicant shall be responsible for all costs and expenses incurred by the City or any City consultant or advisor relating to the proposed formation of the CFD and/or bond issuance until work with respect to the proposed formation or bond issuance ceases following the receipt of the Applicant's notice of abandonment. Within 60 calendar days after receipt of the Applicant's notice of abandonment, City agrees to return to Applicant all unexpended amounts of the Initial Deposit (and any subsequent deposits) which exceed all costs and expenses incurred by City relating to the Project.

4. Reimbursement Procedure. If the CFD is formed and bonds are issued, bond proceeds in excess of the amount determined by the City's District Administrator to be required in order to satisfy the requirements of the City's CFD Policies and Procedures with respect to capitalized interest and reserves and to pay for the Facilities and other Incidental Expenses may be used to reimburse the Applicant for the amounts that the Applicant has advanced to the City in connection with this Agreement, all as provided for in the City's CFD Policies and Procedures. In the event that the CFD is not formed for any reason, or in the event that the CFD is formed and bonds are not issued for any reason, the City shall return any funds which have been advanced by the Applicant pursuant to this Agreement and which have not been expended, obligated or otherwise committed for any authorized purpose, subject to the complete reimbursement to the City of all of its direct and indirect costs. If the amounts previously advanced by the Applicant are insufficient to fully reimburse the City for all of its direct and indirect costs, the Applicant shall promptly pay to the City the amount of the deficiency. The City shall be entitled to pay any refund required pursuant to the provisions hereof to the entity that is the signatory to this Agreement irrespective of any changes in the ownership of the property or the organization of the Applicant, and the City shall not be required to pay interest on any amount required to be refunded pursuant to this Agreement.

5. Abandonment of the Project. The Applicant understands that, subject to the satisfaction of all applicable legal requirements, the decision to review, process, prepare or approved the proposed Project, shall be each in the sole discretion of the City. No provision of this Agreement shall be construed as a promise, warranty or agreement by the City to review, process, prepare or approve the proposed Project. The City shall have no liability to Applicant for a decision not to review, process, prepare or approve the proposed Project.

6. Abandonment of Proposed CFD. The Applicant understands that, subject to the satisfaction of all applicable legal requirements, the decision to form the CFD and the decision to issue bonds shall be each in the sole discretion of the City. No provision of this Agreement shall be construed as a promise, warranty or agreement by the City to form the CFD or to issue bonds. Should the proceedings to form the CFD be abandoned for any reason, the City shall provide written notification of such abandonment to the Applicant and shall return to the Applicant all unexpended amounts of the Initial Deposit (and any subsequent deposits) which exceed all costs and expenses incurred by the City relating to formation of the CFD. Said monies shall be returned within 60 days of the issuance of the written notice of abandonment. Except for such reimbursement, the City shall have no liability to Applicant for a decision not to form the CFD or issue bonds.

7. Indemnification and Hold Harmless. The Applicant hereby assumes the defense of, and indemnifies and saves harmless, the City and each of its officers, directors and employees, from and against all actions, damages, claims, losses or expenses of every type and description to which they may be subjected or put, by reason of or arising out of any acts or omissions of the Applicant or any of the Applicant's officers, employees, contractors and agents in connection with the proposed formation of the CFD or any work-in-kind provided by or on behalf of the Applicant or its consultants, except for any action, damages, claims, losses or expenses arising out of the sole negligence or willful misconduct of the City, its officers, directors, employees or agents.

8. Notices. Any and all notices permitted or required to be given hereunder shall be deemed duly given and effective (1) upon actual delivery, if delivery is by hand; or (2) five (5) days after delivery into the United States mail if delivery is by postage paid registered or certified (return receipt requested) mail. Each such notice shall be sent to the parties at the address respectively indicated below or to any other address as the respective parties may designate from time to time.

Each party may change its address for delivery of notice by delivering written notice of such change of address to the other party.

9. Assignment. The Applicant may not assign its interest in this Agreement without the prior written consent of the City, which consent shall not be unreasonably withheld. Any assignment or attempt to assign this Agreement without the prior written consent of City shall be deemed null and void as of the date of the purported assignment. All covenants, stipulations, and agreements in this Agreement shall bind any such representatives, successors and assigns.

10. Severability. If any part of this Agreement is held to be illegal or unenforceable by a court of competent jurisdiction, the remainder of this Agreement shall be given effect to the fullest extent permitted by law.

11. Entire Agreement. This Agreement contains the entire agreement between the parties with respect to the matters provided for herein. All previous proposals, offers and communications relative to this Agreement, whether oral or written, are hereby superseded except to the extent that they have been incorporated into this Agreement. No future waiver of or exception to any of the terms, conditions, and provisions of this Agreement shall be considered valid unless specifically agreed to in writing by all the parties.

12. Amendments. This Agreement may be amended or modified only by written instrument signed by all parties. Any amendment or addendum to this Agreement shall expressly refer to this Agreement.

13. Governing Law. This Agreement and any dispute arising hereunder shall be governed by and interpreted in accordance with the laws of the State of California.

14. No Third Party Beneficiaries. No person or entity shall be deemed to be a third party beneficiary hereof; and nothing in this Agreement (either express or implied) is intended to confer upon any person or entity, other than the City (and its officers, directors, employees and agents providing services under this Agreement) and the Applicant, any rights, remedies, obligations or liabilities under or by reason of this Agreement.

15. Singular and Plural; Gender. As used herein, the singular of any word includes the plural, and terms in the masculine gender shall include the feminine.

16. Termination. This Agreement shall terminate and be of no further force and effect on the third (3<sup>rd</sup>) anniversary of the date of this Agreement unless expressly amended by the parties; provided, however, that the Applicant's obligations under Section 7 shall survive the termination and the City's obligation to provide reimbursement in accordance with Section 4 for expenses incurred prior to the termination date shall also survive termination.

17. Time is of the Essence. Except as otherwise expressly stated, time is of the essence in the performance of each and every action required pursuant to this Agreement.

18. Language Construction. The language of each and all paragraphs, terms and/or provisions of this Agreement, shall, in all cases and for any and all purposes, and in any way and all circumstances whatsoever, be construed as a whole, according to its fair meaning, and not for or against any party hereto and with no regard whatsoever to the identity or status of any person or persons who drafted all or any portion of this Agreement.

19. Representations of Authority. Each party signing this Agreement on behalf of a party which is not a natural person hereby represents and warrants to the other party that all necessary legal prerequisites to that party's execution of this Agreement have been satisfied and that he or she has been authorized to sign this Agreement and bind the party on whose behalf he or she signs.

20. Relationship of Parties. Nothing contained in this Agreement shall be interpreted or understood by any of the parties, or by any third person, as creating the relationship of employer and employee, principal and agent, limited or general partnership, or joint venture between City and Applicant or its agents, employees or contractors. Except as City may specify in writing, Applicant shall have no authority to act as an agent of City or to bind City to any obligation.

21. Title of Parts and Sections. Any titles of the sections or subsections of this Agreement are inserted for convenience of reference only and shall be disregarded in interpreting any part of this Agreement's provisions.

22. Waiver. The waiver by any party to this Agreement of any action, obligation, or commitment required by this Agreement or of a breach of any provision hereof shall be in writing and shall not operate or be construed as a waiver of any other or subsequent breach hereof or of any action, obligation, or commitment required by this Agreement unless specifically stated in writing.

23. Discretion of the City. City's execution of this Agreement in no way limits the discretion of City in the permit and approval process in connection with any entitlements within City's jurisdiction, including those related to the Project, or with the design, construction or funding of any onsite or offsite infrastructure improvements within the City's jurisdiction.

IN WITNESS WHEREOF, the CITY OF MODESTO, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. 2006-\_\_\_\_, adopted by the Council of the City of Modesto on the \_\_\_\_\_ day of \_\_\_\_\_, 2006, and \_\_\_\_\_, has caused this Agreement to be executed in duplicate, effective as of the date first written above.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-528**

**A RESOLUTION OF INTENTION TO ANNEX TERRITORY TO  
COMMUNITY FACILITIES DISTRICT NO. 2004-1 (VILLAGE ONE #2)  
AND TO AUTHORIZE THE LEVY OF SPECIAL TAXES THEREIN  
(ANNEXATION NO. 13)**

WHEREAS, pursuant to Chapter 2.5 Division 2 of Title 5 (commencing with Section 53311) of the California Government Code, commonly known as the “Mello-Roos Community Facilities Act of 1982” (the “Act”), proceedings for the annexation of territory to an existing community facilities district may, pursuant to Article 3.5 of the Act, be instituted by the adoption by the legislative body of a resolution of intention to annex such territory, and

WHEREAS, pursuant to the Act, this Council did, by its Resolution No. 2004-199, adopted on April 6, 2004 (the “Resolution of Formation”), establish the City’s Community Facilities District No. 2004-1 (Village One #2) (the “District”), and

WHEREAS, pursuant to the Act, this Council did, by its Resolution No. 2004-681, adopted on December 14, 2004, clarify the Rate and Method of Apportionment with respect to the Maximum Special Taxes to be generated by a parcel that has been rezoned, and

WHEREAS, pursuant to the Act, this Council did, by its Resolution No. 2004-683, adopted on December 14, 2004 (“Resolution of Creation of Tax Zone #2), create Tax Zone #2 within the District, and

WHEREAS, the One-Time Facilities Special Tax component of the special taxes is higher in Tax Zone #2 than in Tax Zone #1, and

WHEREAS, pursuant to California Streets and Highways Code Section 3113.5, this Council did, by its Resolution No. 2005-566, adopted on November 9, 2005, direct that all prior

modifications, amendments and annexations to the District be consolidated into a single map of the District, specifically all prior boundary maps and amendments thereto related to formation of the District and Annexation Nos. 1 through 10 to the District, and

WHEREAS, on November 23, 2005, said boundary maps were consolidated into a single map entitled “Consolidation of Boundary Maps of Community Facilities District No. 2004-1 (Village One #2)” and recorded with the County Recorder of the County of Stanislaus at Book 4 of Maps of Assessments and Communities Facilities Districts, at Page 33 (the “Consolidated Boundary Map”), and

WHEREAS, subsequent to the recordation of the Consolidated Boundary Map, additional territory was annexed to the District through Annexations Nos. 11 and 12, and

WHEREAS, this Council hereby determines that the public convenience and necessity require the annexation of additional certain territory to the District, and

WHEREAS, the territory to be annexed is within the City limits, and

WHEREAS, it is intended that the territory be annexed to Tax Zone #2,

NOW, THEREFORE, BE IT RESOLVED, ORDERED AND FOUND by the City Council of the City of Modesto, California, that:

SECTION 1. The above recitals are true and correct.

SECTION 2. The current boundaries of the District are shown on the Consolidated Boundary Map as supplemented by the map entitled “Annexation Map No. 11 of Community Facilities District No. 2004-1 (Village One #2)” on file with the County Recorder at Book 4 of Maps of Assessment and Community Facilities Districts, at Page 36, and the map entitled “Annexation Map No. 12 of Community Facilities District No. 2004-1 (Village One #2) on file

with the County Recorder at Book 4 of Maps of Assessment and Community Facilities Districts, at Page 42.

SECTION 3. The territory proposed to be annexed to the District (the "Territory") is described in **Exhibit A**.

SECTION 4. The boundaries of the Territory are also shown on the map thereof, entitled "Annexation Map No. 13 of Community Facilities District No. 2004-1 (Village One #2), City of Modesto, County of Stanislaus, State of California," on file in the office of the City Clerk, which map is hereby approved and adopted. Pursuant to Sections 3110.5 and 3113 of the California Streets and Highways Code, the City Clerk shall endorse her certificate on the original and one copy of the map evidencing the date and adoption of this Resolution, file the original in her office and, not later than ten days after the adoption of this Resolution, file a copy of the map with the County Recorder of the County of Stanislaus. The map shall contain the legends provided in Sections 3110, 3110.5, and 3313 of the California Streets and Highways Code, including a reference to the title, book, page and recording date of the original boundary map of the District.

SECTION 5. The public facilities and services to be provided for the District are set forth in the Resolution of Formation. It is intended that these same facilities and services be provided to the Territory.

SECTION 6. The special taxes to be levied in the District are set forth in the Resolution of Formation. It is intended that the same special taxes be levied in the Territory, except that the increase of the One-Time Facilities Special Tax component of the special taxes, as authorized by the Resolution of Creation of Tax Zone #2, shall be levied in the Territory.

SECTION 7. A public hearing on this Resolution will be held at 5:30 p.m., or as soon thereafter as practicable, on Tuesday, October 10, 2006, at the regular meeting place of the City Council, City Council Chambers, Basement Level, 1010 Tenth Street, Modesto, California 95353, such time being not less than 30 or more than 60 days following the adoption hereof.

SECTION 8. At the hearing, any interested persons for or against the annexation of the Territory to the District, and the levy of the special taxes therein, may appear and will be heard and considered. Any protest may be made orally or in writing. However, any protests pertaining to the regularity or sufficiency of the proceedings shall be in writing and clearly set forth the irregularities and defects to which the objection is made. All written protests shall be filed with the City Clerk on or before the time fixed for the public hearing. Written protests may be withdrawn in writing at any time before the conclusion of the hearing.

SECTION 9. The City Clerk is directed to publish, not later than seven days prior thereto, a notice of the hearing, in the form required by the Act, in a newspaper of general circulation published in the area of the District, being *The Modesto Bee*, and otherwise in accordance with Section 6061 of the California Government Code, stating (a) the text or a summary of this Resolution, (b) the time and place of the hearing, and (c) that all interested persons for or against the annexation of the Territory to the District or the levying of the special taxes in the Territory will be heard.

SECTION 10. (a) If a majority (but at least six) of the registered voters residing within the District or a majority (but at least six) of the registered voters residing within the Territory, or the owners of one-half or more of the area of the land in the District and not exempt from the special tax, or the owners of one-half or more of the Territory, file written protests against the proposed annexation, and the protests are not withdrawn so as to reduce the value of the protests

to less than a majority, no further proceedings to annex the Territory to the District, or to levy in the Territory the special taxes to be levied in the District, shall be taken for a period of one year from the date of the decision of the Council on the issues discussed at the hearing.

SECTION 11. At the conclusion of the hearing, if the Council determines to annex the Territory to the District, it will submit the levy of the special taxes to the qualified electors of the Territory in a special election.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of September 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

AYES:	Councilmembers:	Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour
NOES:	Councilmembers:	None
ABSENT:	Councilmembers:	None

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-529**

**A RESOLUTION AUTHORIZING THE PURCHASING MANAGER TO SOLICIT FORMAL REQUEST FOR BIDS (RFB) FOR HOT PATCH WORK FOR AN INITIAL TWO (2) YEAR PERIOD, WITH THREE (3) ADDITIONAL ONE-YEAR CONTRACT EXTENSION OPTIONS, AT THE SOLE DISCRETION OF THE CITY, FOR AN ESTIMATED ANNUAL COST OF \$200,000, WITH FUNDING BUDGETED IN FY 2006/2007.**

WHEREAS, the Public Works Department-Water Division is requesting contractual assistance to perform hot patch work throughout Modesto and the outlying areas included in the City of Modesto's ten (10) water systems for an initial two (2) year period, with three (3) additional one-year contract extension options, at the sole discretion of the City, and

WHEREAS, the outlying areas system include Waterford, Hickman, Salida, Del Rio, parts of Ceres, parts of Turlock, Grayson, Empire and other County areas just outside the City limits, and

WHEREAS, hot patch work consists of asphalt repairs to street cuts made in order to make repairs and improvements to the water system, and

WHEREAS, the City crews perform some of this work, but often in-house resources are not available to perform the hot patch work as needed, and

WHEREAS, by soliciting competitive bids, the City will achieve the best value for hot patch work and meet Modesto Municipal Code (MMC) requirements for formal bids, and

WHEREAS, the Modesto Municipal Code Section 8-3.203 requires all purchases which meet or exceed \$50,000 for material and equipment or contractual services to be formally bid, and

WHEREAS, this Request for Bid (RFB) conforms to City Code, and

WHEREAS, the Purchasing Division has coordinated the drafting of bid specifications for hot patch work with the Public Works Department-Water Division staff, and

WHEREAS, the City Council has appropriated funds and made funds available for hot patch work in the following accounts for FY 2006/2007: 6100-480-5012-0360-04 (Water Fund Operating Budget), 6180-430-W430-6052 (Water Fund-CIP-Wellhead Treatment Primary CIP), 6180-480-W426-6052 (Water Fund-CIP-Extend Water Mains Primary CIP), and 6180-480-W428-6052 (Water Fund-CIP-Strength/Replace H2O System Primary CIP),

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Purchasing Manager is hereby authorized to solicit formal Request for Bids for hot patch work as follows:

SECTION 1. The City Clerk is hereby authorized to call for public formal bids for hot patch work, for an initial two (2) year period, with three (3) additional one-year contract extension options, at the sole discretion of the City, to be opened in the office of the City Clerk, 1010 10<sup>th</sup> Street, in the City of Modesto. The City Clerk is hereby directed to give notice inviting such sealed bids in the time, form, and manner provided by law.

SECTION 2. After bids are opened, they shall be tabulated and analyzed and a report submitted to the Council.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5<sup>th</sup> day of September, 2006, by Councilmember Dunbar,

who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-530**

**A RESOLUTION APPROVING AN AGREEMENT WITH COMMUNITY HOUSING AND SHELTER SERVICES (CHSS) TO PROVIDE \$12,200 IN COMMUNITY DEVELOPMENT BLOCK GRANT – HOMELESS SERVICES (CDBG-HS) FUNDING FOR THEIR WINTER EMERGENCY SHELTER FOR FISCAL YEAR 2005-2006 AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT AND RELATED DOCUMENTS.**

WHEREAS, each year staff prepares the Annual Action Plan (AAP) before the beginning of the fiscal year that starts on July 1, indicating how the City will be expending the funds received from the Department of Housing and Urban Development (HUD) for the following three grants: Community Development Block Grant (CDBG); HOME Investment Partnership Program (HOME); and, Emergency Shelter Grant (ESG), and

WHEREAS, there are two other funding sources that must be estimated at the time the AAP is prepared, the amount of program income that has been generated at the end of the fiscal year (June 30) through the repayment of program loans and the carryover or unused funds that will be available for reprogramming at the end of the fiscal year (June 30), and

WHEREAS, on January 10, 2006, the City Council, by Resolution No. 2006-025, approved an amendment to the AAP which included reallocation of additional Community Development Block Grant – Homeless Services (CDBG-HS) funding in the amount of \$61,000 for public service grant funding for fiscal year 2005-2006, and

WHEREAS, the agencies that provided Winter Shelter Programs to the homeless, were under contract with the City of Modesto, and could spend the funds in a short period of time received the additional funds, and

WHEREAS, of the \$61,000 reprogrammed CDBG-HS funds, Community Housing and Shelter Services (CHSS) received an allocation of \$12,200 to purchase motel vouchers to shelter up to 43 homeless families, providing up to 305 shelter nights allowing families to stay together, and

WHEREAS, the Citizens Housing and Community Development Committee met on December 9, 2005, and supported the recommendation to provide \$12,200 in Community Development Block Grant – Homeless Services (CDBG-HS) funds to Community Housing and Shelter Services (CHSS) to purchase motel vouchers,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves an agreement with Community Housing and Shelter Services (CHSS) to provide \$12,200 in Community Development Block Grant – Homeless Services (CDBG-HS) funding for Fiscal Year 2005-2006 to purchase motel vouchers to shelter up to 43 homeless families.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreement.

WHEREAS, there are two other funding sources that must be estimated at the time the AAP is prepared: 1) the carryover or unused entitlement funds, that will be available for reprogramming at the end of the fiscal year (June 30), and 2) the amount of program income that will have been generated by the end of the fiscal year (June 30) through unspent funds budgeted for program loans and the repayment of program loans (Revolving Loan Fund (RLF) Program Income), and

WHEREAS, staff has now determined the amount of the entitlement carryover placed in the CDBG Fund Reserve on June 30, 2006 (\$835,410) and the program income, considered new revenue (\$1,027,919), and

WHEREAS, staff is recommending that \$369,000 in Community Development Block Grant Carryover revenue be allocated to a new CIP for Phase II of the King-Kennedy Memorial Center Kitchen/Auditorium Remodel,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves amending the Fiscal Year 06-07 Capital Improvement Plan to estimate 1) transfer \$11,000 from 1150-800-8000-8003, Revolving Loan Fund Reserve to 2330-800-8000-8003, Capital Grants-Parks Reserve; and 2) allocate \$11,000 to CIP project 2330-310-NCIP, King-Kennedy Kitchen/Auditorium Phase II.

BE IT FURTHER RESOLVED by the Council that it hereby approves amending the Fiscal Year 06-07 Capital Improvement Plan to establish a new CIP, 2330-310-NCIP, King-Kennedy Kitchen/Auditorium Phase II and to allocate \$369,000 from the Fund 2330 Reserve to said CIP.

BE IT FURTHER RESOLVED that the Finance Director, or his designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5<sup>th</sup> day of September, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-538**

**A RESOLUTION AMENDING THE FISCAL YEAR 06-07 OPERATING  
BUDGET TO REDUCE FUNDING TO 1130-320-3223, STREET PAVING, BY  
\$53,890.**

WHEREAS, in Fiscal Year 2005-06, a single-year operating organization was created for the purpose of funding street paving in low income areas, and

WHEREAS, annually, a portion of the City's entitlement from the federal Department of Housing and Urban Development is allocated to street paving projects in low income areas, and

WHEREAS, a new multi-year organization was created in Fiscal Year 2006-07 for street paving, and

WHEREAS, there was a balance of \$175,391 in the 05-06 Street Paving budget organization on June 30, 2006, which was transferred to the new organization, and

WHEREAS, after the new organization was created, charges of \$53,890 were made against the 05-06 organization, and

WHEREAS, in order to accurately reflect available funds, funding in the multi-year organization needs to be reduced by \$53,890,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves amending the Fiscal Year 06-07 operating budget to reduce funding to 1130-320-3223, Street Paving, by \$53,890.

BE IT FURTHER RESOLVED that the Finance Director, or his designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

**A RESOLUTION APPROVING A REQUEST FROM EL NUEVO PACTO FOR USE OF AMPLIFIED MUSIC AT MANCINI BOWL FOR A MUSICAL EVENT TO BE HELD ON OCTOBER 7, 2006, FROM 2:00 PM TO 7:00 PM.**

WHEREAS, staff from the Parks, Recreation and Neighborhoods Department has received a request from El Nuevo Pacto, requesting use of amplified music at Mancini Bowl on Saturday, October 7, 2006, from 2:00 p.m. to 7:00 p.m. for a musical event, and

WHEREAS, El Nuevo Pacto is planning to host a free musical event that will feature three to five live bands, and

WHEREAS, El Nuevo Pacto is requesting permission to use amplified music for the bands, and

WHEREAS, City Council Policy No. 6-007 prohibits the use of amplified music in public without City Council approval,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves a request from El Nuevo Pacto for the use of amplified music at Mancini Bowl for a musical event on October 7, 2006, from 2:00 p.m. to 7:00 p.m.

RESOLUTION NO. 2006-540**

**A RESOLUTION AUTHORIZING THE PURCHASING MANAGER TO ISSUE  
FORMAL REQUEST FOR BIDS (RFB) FOR THE PURCHASE AND  
INSTALLATION OF NEW CARPET FOR THE LOBBY AND DOWNSTAIRS  
MEETING AREA OF THE MODESTO CENTRE PLAZA.**

WHEREAS, the existing carpet in the lobby and downstairs meeting rooms at the Modesto Centre Plaza is eight (8) years old, and

WHEREAS, the existing carpet had begun to deteriorate in numerous areas, along with several permanent stains and burn marks, and

WHEREAS, replacement of this carpet is necessary in order to continue serving the clients at the Modesto Centre Plaza in a professional atmosphere, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000.00 for material, equipment or contractual services to be formally bid, and

WHEREAS, the cost of replacement shall include the removal and disposal of the existing carpet, as well as the labor for the installation of the new carpet, and

WHEREAS, the issuance of a formal Request for Bid for the purchase and installation of new carpet for the Modesto Centre Plaza lobby and meeting rooms, will conform to Modesto Municipal Code Section 8-3.203,

NOW, THEREFORE, BE IT HEREBY RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. The City Clerk is hereby authorized to call for public competitive sealed bids for the purchase and installation of new carpet for the Modesto Centre Plaza to be opened in the office of the City Clerk, 1010 Tenth Street, in the City of Modesto.

The City Clerk shall be directed to give notice inviting such sealed bids in the time, form, and manner provided by law.

SECTION 2. After the sealed bids are opened they shall be tabulated and analyzed by the Purchasing Division and a report submitted to Council.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th of September, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006 - 541**

**A RESOLUTION ACCEPTING THE 2006 GANG RESISTANCE EDUCATION AND TRAINING (G.R.E.A.T.) PROGRAM GRANT IN THE AMOUNT OF \$250,000 FROM THE U.S. DEPARTMENT OF JUSTICE, BUREAU OF JUSTICE ASSISTANCE, FOR TWO POLICE OFFICERS TO EDUCATE STUDENTS TO REDUCE THEIR INVOLVEMENT IN DELINQUENT BEHAVIOR, VIOLENCE, AND GANG MEMBERSHIP; AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE NECESSARY PROGRAM DOCUMENTS.**

WHEREAS, the City of Modesto Police Department desires to undertake a certain Program designated as the 2006 Gang Resistance Education and Training (G.R.E.A.T.) Program to be funded in part by a grant from the U.S. Department of Justice, Bureau of Justice Assistance, and

WHEREAS, said \$250,000 Program grant will fund 75% of the cost of two full-time Police Officers to educate middle school and elementary school students to reduce their involvement in delinquent behavior, violence, and gang membership, and

WHEREAS, \$66,305 will be appropriated from the General Fund reserves to fund 25% of the cost of two full-time Police Officers to educate middle school and elementary school students to reduce their involvement in delinquent behavior, violence, and gang membership, and

WHEREAS, said Program grant will fund 20% of an existing Police Sergeant's position to oversee the G.R.E.A.T. Program, and

WHEREAS, said Program grant will also fund one temporary part-time Police Clerk,

NOW, THEREFORE, BE IT RESOLVED that the City Council hereby accepts the 2006 Gang Resistance Education and Training (G.R.E.A.T.) Program grant in

the amount of \$250,000 from the U.S. Department of Justice, Bureau of Justice Assistance.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the necessary program documents, including any extentions, amendments, or subsequent contracts with the U.S. Department of Justice, Bureau of Justice Assistance in relation thereto.

BE IT FURTHER RESOLVED that the grant funds received hereunder shall not be used to supplant expenditures controlled by this body.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5<sup>th</sup> day of September, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION APPROVING THE REMOVAL OF THE PROTECTED/PERMISSIVE LEFT-TURN OPERATION AT THE FOLLOWING SIGNALIZED INTERSECTIONS: OAKDALE ROAD AND ORANGEBURG AVENUE (NORTH/SOUTH DIRECTION)/STANDIFORD AVENUE AND TULLY ROAD (EAST/WEST DIRECTION)/STANDIFORD AVENUE AND PRESCOTT ROAD (NORTH/SOUTH DIRECTION)/STANDIFORD AVENUE AND CARVER ROAD (EAST/WEST DIRECTION)/BRIGGSMORE AVENUE AND TULLY ROAD (NORTH/SOUTH DIRECTION)/CARPENTER ROAD AND WOODLAND AVENUE (NORTH/SOUTH DIRECTION)/PELANDALE AVENUE AND SISK ROAD (EAST/WEST DIRECTION). FUNDS ARE BUDGETED IN ACCOUNT NO. 0700-160-1612-0365-02, "STREET LIGHT & TRAFFIC MAINTENANCE"**

WHEREAS, our most recent protected/permissive (P/P) signal evaluation tabulates intersections with P/P phasing with corresponding speeds and total vs. left-turn related accidents, and

WHEREAS, the data trends, rather than single data point, are used in our evaluation and appropriate phasing decisions, and

WHEREAS, after reviewing the data presented in the attached evaluation, staff is suggesting replacing the P/P phase operation with fully protected left-turn phase operation at the following intersections:

- Oakdale Road and Orangeburg Avenue (north/south direction)
- Standiford Avenue and Tully Road (east/west direction)
- Standiford Avenue and Prescott Road (north/south direction)
- Standiford Avenue and Carver Road (east/west direction)
- Briggsmore Avenue and Tully Road (north/south direction)
- Carpenter Road and Woodland Avenue (north/south direction)

- Pelandale Avenue and Sisk Road (east/west direction), and

WHEREAS, in response to the increasing traffic collision trend, staff recommends replacing the P/P phasing at the above-mentioned intersections with protected left-turn only phasing, and

WHEREAS, at its meeting on July 31, 2006, the Safety and Communities Committee recommended approval of this item,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the removal of the P/P left-turn operation at the following signalized intersections:

- Oakdale Road and Orangeburg Avenue (north/south direction)
- Standiford Avenue and Tully Road (east/west direction)
- Standiford Avenue and Prescott Road (north/south direction)
- Standiford Avenue and Carver Road (east/west direction)

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-550**

**A RESOLUTION APPROVING THE PLANS AND SPECIFICATIONS AND  
AWARDING THE BID AND APPROVING A \$294,292 CONSTRUCTION  
CONTRACT WITH RICHARD A. HEAPS, FOR THE PROJECT ENTITLED  
“TRAFFIC SIGNAL MODIFICATIONS LA LOMA AVENUE AT SANTA ANA  
AVENUE; NEEDHAM STREET AT 12<sup>TH</sup> STREET/VIRGINIA AVENUE,” AND  
AUTHORIZING THE CITY MANAGER TO EXECUTE THE CONTRACT**

WHEREAS, City staff has reviewed the plans and specifications for the project entitled, “Traffic Signal Modifications La Loma Avenue at Santa Ana Avenue; Needham Street at 12<sup>th</sup> Street/Virginia Avenue” and recommends approval to the City Council, and

WHEREAS, the bids received for the “Traffic Signal Modifications La Loma Avenue at Santa Ana Avenue; Needham Street at 12<sup>th</sup> Street/Virginia Avenue” project were opened at 11:00 a.m. on July 11, 2006, and later tabulated by the Public Works Director for the consideration of the Council, and

WHEREAS, the Public Works Director has recommended that the bid of \$294,292 received from Richard A. Heaps be accepted as the lowest responsible bid, and the contract be awarded to Richard A. Heaps,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the plans and specifications for the “Traffic Signal Modifications La Loma Avenue at Santa Ana Avenue; Needham Street at 12<sup>th</sup> Street/Virginia Avenue” project.

BE IT FURTHER RESOLVED that the Council accepts the bid of Richard A. Heaps in the amount of \$294,292, and hereby awards Richard A. Heaps the contract for “Traffic Signal Modifications La Loma Avenue at Santa Ana Avenue; Needham Street at 12<sup>th</sup> Street/Virginia Avenue.”

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the contract.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5<sup>th</sup> day of September, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Oslen,  
Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-553**

**A RESOLUTION INCREASING THE PUBLIC WORKS DIRECTOR'S AUTHORITY TO ISSUE CHANGE ORDERS ON THE "2003-2004 PAVEMENT MAINTENANCE PROGRAM - COFFEE ROAD RECONSTRUCTION FROM 365' NORTH OF SYLVAN AVENUE TO 2,500' NORTH OF SYLVAN AVENUE" PROJECT FROM \$148,988.48 TO \$164,153.25, APPROXIMATELY 15 AND 16.5 PERCENT RESPECTIVELY OF THE ORIGINAL CONTRACT PRICE WITH TOP GRADE CONSTRUCTION, INC.**

WHEREAS, on March 22, 2005, by Resolution No. 2005-155, the City Council awarded a \$993,256.50 contract to Top Grade Construction, Inc. to construct the "2003/04 Pavement Maintenance Program – Coffee Road Reconstruction from 365' North of Sylvan Avenue to 2,500' North of Sylvan Avenue" project, and

WHEREAS, the contractor started work on May 23, 2005, and

WHEREAS, extra work was necessary that was not foreseen under the original contract to allow completion of the project to design requirements, and

WHEREAS, the cost of the extra work was estimated to be as high as \$148,988.48, an amount which exceeded the Director's authority for the project as established by the Council's Change Order Approval Policy adopted by Resolution No. 94-443 on July 19, 1994, and

WHEREAS, on November 9, 2005, the Council by Resolution No. 2005-558, increased the Public Works Director's authority to approve change orders up to a cumulative amount of \$148,988.48, and

WHEREAS, during the course of constructing the project, the Contractor was required to perform additional work that was not anticipated at the start of construction to achieve a completed project that conforms to the contract specification requirements of the project, and

WHEREAS, the added unanticipated cost increased the total change order cost for the project to \$164,153.25, which exceeds the previously approved Director's Authority increase to \$148,988.48, and

WHEREAS, an increase in the Director's Authority to issue change orders on this project to \$164,153.25 is being requested.,

NOW, THEREFORE BE IT RESOLVED by the Council of the City of Modesto that it hereby increases the Public Works Director's authority level to issue change orders, from \$148,988.48 to \$164,153.25, approximately 15 and 16.5 percent respectively, of the original contract price for the project entitled "2003/04 Pavement Maintenance Program – Coffee Road Reconstruction from 365' North of Sylvan Avenue to 2,500' North of Sylvan Avenue."

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of September, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006 –557**

**A RESOLUTION APPROVING AN AGREEMENT WITH RED OAK CONSULTING IN THE AMOUNT OF \$43,000 TO CONDUCT AN ORGANIZATIONAL AND MANAGEMENT ANALYSIS OF THE WATER QUALITY CONTROL DIVISION, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT.**

WHEREAS, the Water Quality Control Division (WQC) would like to hire Red Oak Consulting to conduct an organizational and management analysis, bringing practical, customized recommendations specific to the WQC organization's new management, and

WHEREAS, over the past several years there have been several managerial and operational changes at both the Sutter and Jennings Treatment Plant, and

WHEREAS, this evaluation will involve the following departments: Wastewater Collections, Wastewater Treatment Primary, Wastewater Treatment Secondary, Wastewater Monitoring/Control, Environmental Services, Storm Water Collections and Storm Drainage Admin/Monitor, and

WHEREAS, both the Director and Deputy Director of Public Works want to ensure that WQC can effectively meet the goals of their organization for the present operation and into the future as new collection and treatment facilities are expanded, and

WHEREAS, staff requests that Red Oak Consulting evaluate the following:

1. Organizational functions and management structure effectiveness; 2. Operations effectiveness and efficiency and 3. Use of performance measures, and

WHEREAS, one of the key issues facing the wastewater industry is the lack of qualified, experienced operators; the lack of operational staff is an industry wide issue, and

WHEREAS, currently the department has several staff members in journey-level positions either eligible for retirement now or in the near future, and

WHEREAS, Red Oak Consulting has special knowledge of the industry, and understands the challenges for recruiting qualified operators, and

WHEREAS, this evaluation is vital to the organization's mission and will dovetail completely with the ongoing citywide organization assessment being conducted by Management Partners, and

WHEREAS, funds are budgeted in 6210-480-5212-0235,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an agreement with Red Oak Consulting in the amount of \$43,000 to conduct an organizational and management analysis of the Water Quality Control Division.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5<sup>th</sup> day of September, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006 –558**

**A RESOLUTION REJECTING THE SOLE BID FOR THE PROJECT TITLED “STAIRCASE REPLACEMENTS AT PRIMARY TREATMENT PLANT” AND AUTHORIZING STAFF TO RENEGOTIATE WITH ORIGINAL BIDDERS AND AUTHORIZING THE PURCHASING MANAGER, OR HIS DESIGNEE TO ISSUE A PURCHASE ORDER FOR THE AWARDED BIDDER(S).**

WHEREAS, on 11/12/05, an informal Request for Quotations was sent out to vendors for this work to be completed, the following responses were received:

	OHI Company	G & S Enterprises	BWM Inc.
Influent Screw Pump Pit	\$13,254.70	\$16,453.00	\$28,309.00
Clarifier Walk Over Stairs	\$9,969.00	\$8,739.00	\$20,787.00
Digester #1	\$13,484.00	\$28,875.00	\$33,744.34

, and

WHEREAS, on 12/23/05 a Request for Purchase was sent to Purchasing to award to G & S Enterprises for the Clarifier Walk Over Stairs and the Digester #1 and OHI Company for the Influent Screw Pump Pit, and

WHEREAS, purchasing reviewed the responses and made the determination that a formal bid was required as the total project has a total dollar amount over \$50,000, and

WHEREAS, on 3/14/06, staff received Council authorization per Resolution No. 2006-216 for a Request for Proposals for these staircases, and

WHEREAS, informal bid proposal packages were sent to over 50 contractors with staff received only one bid response from G & S Enterprise as follows:

	G & S Enterprises
Influent Screw Pump Pit	\$18,263.00
Clarifier Walk Over Stairs	\$10,012.00
Digester #1	\$34,650.00

, and

WHEREAS, these quotes represented an increase in costs of \$12,802 or 23%, and

WHEREAS, on 6/06/06, staff went to Council to request that the sole bid be rejected and authorization be given to re-advertise the project, and

WHEREAS, the project went out as a formal bid package on 7/12/06, and

WHEREAS, the sole bid was received for replacement of staircases at the Primary Treatment Plant and was opened at 2 p.m. on August 8, 2006, and

WHEREAS, as the bid quotes are increasing in price dramatically, staff has requested and received approval from the City Manager to ask Council authorization to reject the sole bid and authorize staff to negotiate a cost with the previous bidders, and

WHEREAS, as stated in Modesto Municipal Code, Section 8-3.203(e) "*The Council, after rejecting bids, or if no bids are received, may declare and determine that, in its opinion, based on estimates approved by the City Manager, the purchase in question may be made without a formal bid procedure and, after the adoption of a resolution to this effect by at least five (5) affirmative votes of the Council, may proceed to have said purchase made in the manner stated without further observation of the provisions of this section*" and with approval from City Manager, staff is requesting authorization to reject the sole bid and negotiate a cost with the previous bidders and have the Purchasing Department issue purchase orders for the awarded bidder(s).

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the sole bid for the replacement of staircases at the Primary Treatment Plant opened on August 8, 2006, is hereby rejected.

BE IT FURTHER RESOLVED that staff is hereby authorized to renegotiate with original bidders.

BE IT FURTHER RESOLVED that the Purchasing Manager, or his designee, is hereby authorized to issue a Purchase Order for the awarded bidder(s).

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-559**

**A RESOLUTION SUMMARILY VACATING A PUBLIC UTILITY EASEMENT  
LOCATED ON 3048 HAHN DR OR APN 076-042-015 IN THE CITY OF  
MODESTO**

WHEREAS, Chapter 4, Part 3 of Division 9, Section 8333, et seq of the California Streets and Highway Code authorizes a city council, by resolution, to summarily vacate public service easements where the easement has not been used for the purpose for which it was dedicated or acquired for five consecutive years, and

WHEREAS, on or about January 28, 1981, Rex Properties, the then owner of the property, dedicated to the City of Modesto a Public Utility Easement for a proposed project located on 3048 Hahn Dr or APN 076-042-015, and

WHEREAS, the Public Utility Easement is more particularly described in **Exhibit "A"** attached hereto and incorporated herein by this reference, and

WHEREAS, the City of Modesto has received a request from Lynette Redal Stime, LCSW Northern California, Director of BETHANY CHRISTIAN SERVICES, the owner of the property, to vacate the Public Utility Easement, and

WHEREAS, the Public Works Department contacted all public utility companies, and none of these agencies have any objection to the proposed vacation, and

WHEREAS, the Council of the City of Modesto finds and declares that:

1. The vacation of this easement is made pursuant to Chapter 4, Part 3 of Division 9, Section 8333(a) of the California Streets and Highways Code.
2. The easement which is proposed to be vacated is a public utility easement located on 3048 Hahn Dr or APN 076-042-015 in the City of Modesto. This easement has not

been used for utilities for over five (5) consecutive years. And is located through an existing building as well as a proposed building.

3. That from and after the date this resolution is recorded, the public utility easement which is proposed for vacation will no longer constitute a public service easement.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the public utility easement located on 3048 Hahn Dr or APN 076-042-015 in the City of Modesto, which is more particularly described in **Exhibit "A"**, attached hereto and incorporated herein by reference, be and is hereby vacated.

BE IT FURTHER RESOLVED that the City Clerk is hereby directed to record a certified copy of this resolution in the Stanislaus County Recorder's Office. From and after the date this resolution is recorded, said public utility easement shall no longer constitute a public service easement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of September, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-560**

**A RESOLUTION APPROVING A STANDARD AGREEMENT FOR CONSULTANT SERVICES BETWEEN THE CITY OF MODESTO AND FEHR AND PEERS TRANSPORTATION CONSULTANTS FOR WORK ON A TRANSPORTATION STUDY FOR VINTAGE FAIRE MALL VILLAGE EXPANSION PROJECT AND AUTHORIZING THE CITY MANAGER, OR DESIGNEE TO EXECUTE THE AGREEMENT IN AN AMOUNT NOT TO EXCEED \$69,845.00**

WHEREAS, on May 15, 2006, Macerich Company applied for an amendment to P-D(109) to build-out the remaining portion of the original 1.3 million-square-foot Vintage Faire Mall entitlement to allow for an additional 59,296 square feet of specialty retail shops and restaurants, on property located on the west side of Dale Road, east side of Sisk Road (Vintage Faire Mall Village Expansion), and

WHEREAS, Section 21080.1 of the California Public Resources Code requires the City of Modesto, as lead agency, to make a determination of whether an environmental impact report, negative declaration or mitigated negative declaration is required for projects, and

WHEREAS, the City has determined that a transportation study is required as a component of the environmental analysis for the Vintage Faire Mall Village Expansion in order to make a determination on the level of environmental impacts for the project as required by CEQA, and

WHEREAS, City staff selected Fehr and Peers Transportation Consultants to prepare a transportation study for the Vintage Faire Mall Village Expansion because of their knowledge of the immediate area surrounding the Vintage Faire Mall due to their work on the Kaiser Medical Center, Promenade, and Kiernan Business Park Specific Plan projects.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Standard Agreement for Consultant Services between the City of Modesto and Fehr and Peers Transportation Consultants for work on a transportation study for the Vintage Faire Mall Village Expansion Project in an amount not to exceed \$69,845 is hereby approved.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of September, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-561**

**A RESOLUTION PERMITTING PARKING ON THE SIERRA DRIVE BRIDGE  
OVER STATE HIGHWAY 99 IN THE CITY OF MODESTO**

WHEREAS, City staff received a request from the New Bethany Missionary Baptist Church to permit parking on the Sierra Drive Bridge over State Highway 99, and

WHEREAS, California Vehicle Code Section 22500(k) requires parking on bridge decks be authorized by city council prior to installation, and

WHEREAS, on February 7, 2006, City staff was directed by Council to work with Caltrans to determine if this request could be accommodated, and

WHEREAS, Caltrans has determined the Sierra Drive Bridge over State Highway 99 to be under City of Modesto's jurisdiction, and

WHEREAS, staff evaluated the traffic volumes and speeds for this section of roadway and concluded that parking can be accommodated on the Sierra Drive Bridge over State Highway 99,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes parking on the Sierra Drive Bridge over State Highway 99.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5<sup>th</sup> day of September 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-562**

**A RESOLUTION ESTABLISHING ANGLE PARKING IN THE CITY OF  
MODESTO AND RESCINDING RESOLUTION NO. 2006-081**

WHEREAS, Article 10 of Chapter 2 of Title 3 of the Modesto Municipal Code 2007-452 authorizes the City Council, by resolution, to establish angle parking in the City of Modesto, and

WHEREAS, City staff received a request from New Bethany Missionary Baptist Church to install angle parking on Sierra Drive between 5th Street and 6th Street and on 6<sup>th</sup> Street from Sierra Drive to the north property line of the New Bethany Missionary Baptist Church to create additional on-street parking, and

WHEREAS, staff evaluated the traffic volumes and the speeds for these sections of roadway and concluded that angle parking can be accommodated on Sierra Drive, between 5th Street and 6<sup>th</sup> Street and on 6<sup>th</sup> Street, from Sierra Drive to north property line of the New Bethany Missionary Baptist Church without creating a hazard and without impeding traffic flow, and

WHEREAS, a condition prior to installation of angle parking space markings New Bethany Missionary Baptist Church shall complete a landscape bulb-out return, built to current City Standards, and

WHEREAS, City Council determined that if New Bethany Missionary Baptist Church chose not to construct the required landscaped bulb-out return for angled parking they would be permitted parallel parking on both sides of the Sierra Drive Bridge over State Highway 99 which is the standard permitted parking.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. ANGLE PARKING. Angle parking in the City of Modesto is hereby established at the following locations:

- Portions of 10<sup>th</sup> Street, between I & K Streets (west side) (diagonal)
- 18<sup>th</sup> Street, between G and H Streets (west side) (diagonal)
- F Street, between 10<sup>th</sup> and 11<sup>th</sup> Streets (south side) (diagonal)
- I Street, between 9<sup>th</sup> and 12<sup>th</sup> Streets (both sides) (diagonal)
- P Street, between 9<sup>th</sup> and Needham Streets (both sides) (diagonal)
- Coldwell Avenue, between Tully Road and College Avenue
- 4<sup>th</sup> Street, between E Street and G Street (west side)
- 16<sup>th</sup> Street, between I Street and J Street (east side)
- Elm Street, between Jefferson and Washington Streets (diagonal)
- Jefferson Street, between 8<sup>th</sup> and Laurel Streets (diagonal)
- 13<sup>th</sup> Street, between H and L Streets (east side)
- J Street, between 7<sup>th</sup> Street and 8<sup>th</sup> Street (north side)
- 10<sup>th</sup> Street, between G Street and F Street (east side) (diagonal)
- F Street, between 10<sup>th</sup> Street and 11<sup>th</sup> Street (north side) (diagonal)
- 15<sup>th</sup> Street, between K Street and H Street (east side) (diagonal)
- F Street, between 9<sup>th</sup> Street and 10<sup>th</sup> Street (north side) (diagonal)
- 8<sup>th</sup> Street, between J Street and K Street (east side) (diagonal)
- 8<sup>th</sup> Street, between K Street and L Street (east side) (diagonal)
- Sierra Drive between F Street and 4<sup>th</sup> Street (north side)
- 8<sup>th</sup> Street between L Street and Jefferson Street (east side) (diagonal)
- M Street between 7<sup>th</sup> Street and 8<sup>th</sup> Street (south side) (diagonal)
- 10<sup>th</sup> Street between G Street and I Street (east side) (diagonal)

- Sierra Drive between 6<sup>th</sup> Street and the alley at the west property edge of New Bethany Missionary Baptist Church (diagonal)
- Sierra Drive between 5<sup>th</sup> Street and 6<sup>th</sup> Street (north side) (diagonal)
- 6<sup>th</sup> Street, Sierra Drive to north property line of New Bethany Missionary Baptist Church (west side) (diagonal)

SECTION 2. The Public Works Director is hereby directed to implement the provisions of this resolution.

SECTION 3. Resolution No. 2006-081 is hereby rescinded.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-563**

**A RESOLUTION AMENDING SECTIONS 1 AND 2 OF RESOLUTION NO. 2004-045 ENTITLED "A RESOLUTION APPROVING A DEVELOPMENT PLAN FOR PLANNED DEVELOPMENT ZONE, P-D(564), (SOELLING)." (ISMAIL)**

WHEREAS, the City Council, by Ordinance No. 3342-C.S., adopted on January 13, 2004, and which became effective on February 26, 2004, granted Planned Development Zone, P-D(564) to allow 24,925 square feet of office, a 7,350 square foot restaurant, and a 8,625 square foot financial/retail building as provided in the C-1 Zone on property located on the southwest corner of Briggsmore Avenue and Oakdale Road, and

WHEREAS, Modesto City Council Resolution No. 2004-045, adopted by the Council on January 13, 2006, approved a development plan for Planned Development Zone, P-D(564), and contained the conditions of approval thereof, and

WHEREAS, a verified application for an amendment to Planned Development Zone, P-D(564), was filed by Bobby and John Ismail on March 29, 2006, to allow a restaurant as permitted in the C-2 Zone to provide for a restaurant with a pub, property located on the southwest corner of Briggsmore Avenue and Oakdale Road, and

WHEREAS, after a public hearing held on July 17, 2006, in the Tenth Street Place Chambers located at 1010 10<sup>th</sup> Street, Modesto, California, it was found and determined by the Planning Commission, by its Resolution No. 2006-47, that the amendment to Planned Development Zone P-D(564), as requested is required by public necessity, convenience, and general welfare for the following reasons:

- a. The proposed restaurant with a pub is consistent with the current General Plan land use designation for the site.

- b. The proposed restaurant with a pub is compatible with the adjacent office and commercial uses.
- c. The proposed pizza pub will provide a much-needed social gathering place in underserved East Modesto.

WHEREAS, said matter was set for a public hearing of the City Council to be held on September 5, 2006, in the Tenth Street Place Chambers located at 1010 10<sup>th</sup> Street, Modesto, California, at which date and time said duly noticed public hearing was held, and

WHEREAS, after said public hearing the Council found and determined that the application of Bobby and John Ismail for an amendment to Planned Development Zone, P-D(564) should be granted as consonant with public necessity, convenience and general welfare for the reasons set forth in Planning Commission Resolution No. 2006-47 and quoted above, and

WHEREAS, the Council has introduced Ordinance No. 3424-C.S. on the 5<sup>th</sup> day of September, 2006, amending Section 2 of Ordinance No. 3342-C.S. to allow a restaurant as permitted in the C-2 Zone to provide for a restaurant with a pub to be established in Planned Development Zone, P-D(564).

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that Sections 1 and 2 of Modesto City Council Resolution No. 2004-045 entitled "A Resolution Approving a Development Plan for Planned Development Zone, P-D(564), (Soelling)" are hereby amended to read as follows:

"SECTION 1. DEVELOPMENT PLAN. An amended development plan for Planned Development Zone, P-D(564), is hereby approved subject to the following conditions:

1. All development shall conform to the plot plan and elevations titled "Uno's Pizzeria and Chicago Grill at Eastgate Plaza" as amended in red, stamped approved by the City Council.
2. All signs shall be placed below the main building ridgeline as required by Section 10-2.2110(c) of the Municipal Code.
3. The applicant shall determine, to the satisfaction of the Stanislaus County Department of Environmental Resources (DER), that a site containing (or formerly containing) residences or farm buildings, or structures, has been fully investigated (via Phase I and II studies) prior to the issuance of a grading permit. Any discovery of under-ground storage tanks, former underground storage tank locations, buried chemicals, buried refuse, or contaminated soil shall be brought to the immediate attention of DER.
4. Prior to the issuance of a building permit, the developer shall submit three sets of food facility construction plans to the Department of Environmental Resources.
5. The property owner and developer shall, at their sole expense, defend, indemnify and hold harmless the City of Modesto, its agents, officers, directors and employees, from and against all claims, actions, damages, losses, or expenses of every type and description, including but not limited to payment of attorneys' fees and costs, by reason of, or arising out of, this development approval. The obligation to defend, indemnify and hold harmless shall include but is not limited to any action to arbitrate, attack, review, set aside, void or annul this development approval on any grounds whatsoever. The City of Modesto shall promptly notify the developer of any such claim, action, or proceeding and shall cooperate fully in the defense.
6. All conditions of City Council Resolution No. 2004-045, and Planning Commission Resolution 2006-46, not in conflict with this action shall remain in full force and effect."

"SECTION 2. DEVELOPMENT SCHEDULE. The following development schedule is hereby approved for said Planned Development Zone, P-D(564):

Phase I – Construction to start on or before January 13, 2007, and be completed by not later than January 13, 2008.

Phase II – Construction to start on or before January 13, 2008, and be completed by not later than January 13, 2009."

SECTION 3. CHANGES IN DEVELOPMENT PLAN. Any changes in the above approved development plan shall be made in accordance with the provisions of Section 10-2.1709 of the Modesto Municipal Code.

SECTION 4. COMPLIANCE WITH CODE PROVISIONS, ETC. In all other respects said planned development shall be accomplished in accordance with and in strict adherence to the provisions of Article 17 of Title 10 of the Modesto Municipal Code relating to Planned Development Zones and other applicable City laws, rules, regulations and procedures.

SECTION 5. EFFECTIVE DATE. This resolution shall not become effective unless and until Ordinance No. 3424-C.S. amending Ordinance No. 3342-C.S becomes effective.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5<sup>th</sup> day of September, 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-564**

**A RESOLUTION FINDING THAT THE FOLLOWING PROJECT IS WITHIN THE SCOPE OF THE PROJECT COVERED BY THE MODESTO URBAN AREA GENERAL PLAN MASTER ENVIRONMENTAL IMPACT REPORT (SCH NO. 1999082041): AMENDMENT TO P-D(564), PROPERTY LOCATED ON THE SOUTHWEST CORNER OF BRIGGSMORE AVENUE AND OAKDALE ROAD (ISMAIL)**

WHEREAS, on March 4, 2003, the City Council of the City of Modesto certified the Final Master Environmental Impact Report (“Master EIR”) (SCH No. 1999082041) for the Modesto Urban Area General Plan, and

WHEREAS, Bobby and John Ismail have proposed an amendment to P-D(564) to change the use for the restaurant located on the northeast corner of the project site from a restaurant as permitted in the C-1 Zone to a restaurant as permitted in the C-2 Zone, property located at the southwest corner of Briggsmore Avenue and Oakdale Road. and

WHEREAS, Section 21157.1 of the Public Resources Code, relating to reviewing subsequent projects for a Master EIR, states that the lead agency shall prepare an Initial Study on any proposed subsequent project to analyze whether the subsequent project may cause any significant effect on the environment that was not examined in the master environmental impact report and whether the subsequent project was described in the master environmental impact report as being within the scope of the project, and

WHEREAS, the City’s Community & Economic Development Department by Environmental Assessment Initial Study EA/C&ED 2006-42 (“Initial Study”) reviewed the proposed Amendment of P-D(564) to determine whether the project is within the scope of the project covered by the Modesto Urban Area General Plan Master EIR (“Master EIR”), and concluded that the proposed project is within the scope of the Master EIR and will have no additional significant effect on the environment that was not

identified in the Master EIR, and further, that no new additional mitigation measures or alternatives are required, and that, therefore, the proposed project is within the scope of the project covered by the Master EIR, and

WHEREAS, in accordance with CEQA guidelines on August 14, 2006 the City caused to be published a 20-day notice of the City's intent to make a finding that the proposed project conforms with the Master EIR, and

WHEREAS, said matter was considered by the City Council at a duly noticed public hearing which was held on September 5, 2006, at 5:30 p.m., in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council has reviewed and considered the Initial Study prepared for the proposed Amendment to P-D(564), a copy of which is attached hereto as **Exhibit "A"**, and incorporated herein by reference, and based on the substantial evidence included in said Initial Study makes the following findings:

1. The type of project is described in Chapter II of the Master EIR.
2. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.
3. An Initial Study was prepared by the City of Modesto that analyzed whether the proposed subsequent project may cause any significant effect on the environment that was not examined in the MEIR and it has been determined that the project was described in the MEIR as being within the scope of the MEIR.
5. Based on the Initial Study, the City of Modesto finds and determines:
  - a. The proposed subsequent project will have no additional significant effect as defined in CEQA Section 21158 that was identified in the MEIR.
  - b. Through implementation of the conditions of approval for this project, including payment of the

current water connection fees, all feasible mitigation measures have been incorporated into the project, as set forth in and required by the MEIR.

c. No new or additional mitigation measures or alternatives are required.

6. The Initial Study, Environmental Assessment No. EA/C&ED 2006-42, provides the substantial evidence to support finding Nos. 2-5, noted above.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Community & Economic Development Director is hereby authorized and directed to file a notice of approval or determination within five (5) business days with the Stanislaus County Clerk pursuant to Section 21152 of the Public Resources Code.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5th day of September, 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**Prepared by:  
City of Modesto  
Community & Economic Development Department  
Planning Division**

**7/5/06**

**City of Modesto**  
**Master EIR Initial Study Environmental Checklist**

**I. PURPOSE**

CEQA allows for the limited environmental review of subsequent projects under the City's Master EIR. This Initial Study Environmental Checklist ("Initial Study") is used in determining whether the proposed project for P-D(564) is "within the scope" of the project analyzed in the Modesto Urban Area General Plan Master EIR (SCH# 1999082041) (Public Resources Code section 21157.1). When the Initial Study supports this conclusion, the City will issue a finding of conformity.

A subsequent project is "within the scope" of the Master EIR when:

1. it will have no additional significant effects on the environment that were not addressed as significant effects in the Master EIR; and
2. no new or additional mitigation measures or alternatives are required.

"Additional significant effects" means a project-specific effect that was not addressed as a significant effect in the Master EIR. (Public Resources Code Section 21158(d))

The determination must be based on substantial evidence in the record. "Substantial evidence" means facts, reasonable assumptions predicated upon facts, or expert opinion based on facts. It does not include speculation or unsubstantiated opinion. (State CEQA Guidelines Section 15384)

**II. PROJECT DESCRIPTION**

- A. Title: Planned Development Amendment for P-D(564)
- B. Address or Location: Southwest corner of Briggsmore Ave. and Oakdale Road
- C. Applicant: Warner Soelling, 1500 Santa Paula Drive #11, Modesto, Ca. 95355
- D. City Contact Person: Josh Bridegroom/ Daniel DeLaO

Project Manager: Josh Bridegroom  
Department: Community and Economic Development Department  
Phone Number: (209) 577-5267  
E-mail address: jbridegroom@modestogov.com

- E. Current General Plan Designation(s): MU
- F. Current Zoning Classification(s): P-D(564)
- G. Surrounding Land Uses: North: Briggsmore Avenue  
South: Single Family Residential  
East: Oakdale Road  
West: Single Family Residential

- H. Project Description, including the project type listed in Section II.C (Anticipated Future Projects) of the Master EIR (Attach additional maps/support materials as needed for complete record):

This is an application for an amendment to the previously approved Planned Development Zone P-D(564). The amendment request is regarding the proposed 7,350-square-foot restaurant that will be located on the southwest corner of Briggsmore Avenue and Oakdale Road. The application for the amendment is to change the use for the restaurant from a restaurant as permitted in the C-1 Zone to a restaurant as permitted in the C-2 Zone, which allows a pub.

- I. Other Public Agencies Whose Approval is Required: None

**III. FINDINGS/DETERMINATION (SELECT ONE ON THE BASIS OF THE ANALYSIS IN SECTION IV)**

1.  **Within the Scope** - The project is within the scope of the Master EIR and no new environmental document or Public Resources Code Section 21081 findings are required. The following items are found to be true:

- A. The type of project is described in Chapter II of the Master EIR.
- B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.
- C. An Initial Study was prepared by the City of Modesto that analyzed whether the proposed subsequent project may cause any significant effect on the environment that was not examined in the MEIR and it has been determined that the project was described in the MEIR as being within the scope of the MEIR.
- D. Based on the Initial Study, the City of Modesto finds and determines:
  - a) The proposed subsequent project will have no additional significant effect as defined in CEQA Section 21158 that was not identified in the MEIR.
  - b) No new or additional mitigation measures or alternatives are required.
- E. The criteria for currency of the Master EIR were reviewed (section 5 below) and it was determined that the Master EIR is current for all areas of the Initial Study.

2.  **Mitigated Negative Declaration Required** - On the basis of the above determinations, the project is not within the scope of the Master EIR. A mitigated negative declaration will be prepared for the project. The following items are found to be true:

- A. The type of project is described in Chapter II of the Master EIR.
- B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.

C. The project will have one or more potential new significant effects on the environment that were not addressed as significant effects in the Master EIR. New or additional mitigation measures are being required of the project that will reduce the effects to a less-than-significant level.

3.      **Focused EIR Required-** On the basis of the above determinations, the project is not within the scope of the Master EIR. A Focused EIR will be prepared for the project. The following items are found to be true:

A. The type of project is described in Chapter II of the Master EIR.

B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.

C. The project will have one or more new significant effects on the environment that were not addressed as significant effects in the Master EIR. New or additional mitigation measures or alternatives are required as a result.

#### 4. Within the Scope Analysis of this Document:

The Master EIR permits projects to be found within the scope of the MEIR if certain criteria are met. Basically, if the following statements are found to be true for all 20 sections of this Initial Study, then the project was covered by the MEIR analysis and is within the scope of the MEIR. Any "No" response must be discussed.

- |   | YES | NO                       |
|---|-----|--------------------------|
| (1) The lead agency for subsequent projects shall be the City of Modesto or a responsible agency identified in the Master EIR.  | X   | <input type="checkbox"/> |
| (2) City policies which reduce, avoid or mitigate environmental effects, will continue to be in effect and therefore would be applied to subsequent projects where appropriate. The policies are described in the list of policies in place and mitigation measures attached to the Initial Study template. | X   | <input type="checkbox"/> |
| (3) Federal, State, Regional and Stanislaus County regulations do not change in a manner that is less restrictive on development than current law (i.e., would not offer the same level of protection assumed under the Master EIR).  | X   | <input type="checkbox"/> |
| (4) No specific information concerning the known or potential presence of significant resources is identified in future reports, or through formal or informal input received from responsible or trustee agencies or other qualified sources.  | X   | <input type="checkbox"/> |
| (5) The development will occur within the boundaries of the City's planning area as established in this Urban Area General Plan.  | X   | <input type="checkbox"/> |
| (6) Development within the project will comply with all mitigation measures identified in the General Plan Master EIR.  | X   | <input type="checkbox"/> |

#### 5. Currency of the Master EIR Document

The MEIR should be reviewed on a regular basis to determine its currency, and whether additional analysis/mitigation should be incorporated into the MEIR via a Supplemental or Subsequent EIR (CEQA Section 21157.6). Staff has reviewed sections 1 through 20 of this document in light of the criteria listed below to determine whether the MEIR is current. The analysis contained within the Master EIR is current as long as the following circumstances have not changed. Any no response must be discussed.

- |   | YES | NO                       |
|---|-----|--------------------------|
| (1) Certification of the General Plan Master EIR occurred less than five years prior to the filing of the application for this subsequent project.  | X   | <input type="checkbox"/> |
| (2) This project was described in the Master EIR and its approval will not affect the adequacy of the Master EIR for any subsequent project because the City can make the following findings: . | X   | <input type="checkbox"/> |
| (3) No substantial changes have occurred with respect to the circumstances under which the Master EIR was certified.  | X   | <input type="checkbox"/> |

- (4) No new information, which was not known and could not have been known at the time the Master EIR was certified as complete, has become available. X
- (5) Policies remain in place that require site-specific mitigation, and avoidance or other mitigation of impacts as a prerequisite to future development. X

**IV. ENVIRONMENTAL ANALYSIS**

This Initial Study, in accordance with Section 21157.1(b) of the Public Resources Code, analyzes whether this project may cause any project-specific significant effect on the environment that was not examined in the Final Master EIR (MEIR) for the General Plan and whether new or additional mitigation measures or alternatives may be required as a result. The Initial Study thereby documents whether or not the project is "within the scope" of the Master EIR.

Pursuant to Public Resources Code Section 21157.1, no new environmental document or findings are necessary for projects that are determined to be within the scope of the MEIR. Adoption of a notice of conformity after completion of the Initial Study fulfills the City's obligation in that situation.

All environmental effects cited reflect year 2025 buildout of the Urban Area General Plan as identified in the MEIR.

The Master EIR for the General Plan organizes its analysis of environmental impacts into eighteen subject areas. The following analysis is based on the impact analyses contained in Chapter V of the Master EIR. For ease of cross-reference, the sections are numbered in the same order as the analyses in Chapter V.

In addition to the 18 Master EIR subject areas, the Initial Study checklist addresses the issues of land use/planning and aesthetics. The reason for including these additional issues is to ensure that consideration is being given to the full range of subjects of importance contained in Appendix G of the CEQA Guidelines. The format for the land use/planning and aesthetics sections differs from that of the other 18 subject areas since these two subjects were not addressed as distinct subjects in the Master EIR.

**1. TRAFFIC AND CIRCULATION**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant and unavoidable traffic and circulation impacts:

Effect: Increased traffic will result in certain roadway segments operating at LOS D or worse.

Effect: The Substantial increase in traffic relative to the existing load and capacity of the street system will cause, violation, either individually or cumulatively, of an LOS standard established by the County CMP for designated roads and highways.

Effect: Creation of need for Capacity-enhancing modifications to existing facilities.

Effect: Increase in energy consumption associated with the operation of highway projects, rail improvements, and aviation facilities.

Effect: Severe contrast with existing neighborhood or area character caused by highway and transit projects.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Traffic and Circulation mitigation measures that are pertinent to this project are found on MEIR pages V-1-15 through V-1-21. All feasible measures appropriate to the project – including any new measures - will be incorporated into or made conditions of approval of this project and will be listed in Section V, Mitigation Measures Applied to Project.

**c. Project-Specific Effects**

Section V-1.B of the MEIR provides analysis of Traffic and Circulation impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Significance Criteria: A subsequent development project will have a new significant effect on the environment if it would exceed the following criteria:

	YES	NO
(1) The project exceeds the Master EIRs traffic generation assumptions for this site and City Engineering and Transportation staff has determined that the project would have additional project-specific effects that are not avoided or reduced by the Master EIRs program of mitigation measures.	<input type="checkbox"/>	X
(2) Substantially increase hazards due to a design feature (e.g., sharp curves or dangerous intersections) or incompatible uses (e.g. farm equipment).	<input type="checkbox"/>	X
(3) Result in inadequate emergency access.	<input type="checkbox"/>	X
(4) Result in inadequate parking capacity.	<input type="checkbox"/>	X

Discussion:

(1) Engineering and Transportation Staff reviewed the proposed project and have the following comments:

A. The proposed project will not generate traffic impacts to the adjacent roadways in excess of what was assumed under the MEIR. No traffic study is required.

B. A site access study is not required for this project.

(2) The project will not substantially increase hazards due to a design feature (e.g., sharp curves or dangerous intersections) or incompatible uses (e.g. farm equipment). The City Engineering and Traffic Department has evaluated the project and has determined that the existing design layout of the project, as conditioned, is in accordance to City standards.

- (3) Fire and Police Staff have reviewed this proposal and have not indicated that there is an emergency access problem. The project meets the City's Standards with regard to the maneuverability of emergency vehicles, provided hydrant and FDC locations are provided in the appropriate locations. This can be accommodated by the proposed site plan and will be handled at the time of the issuance of a building permit.
- (4) The project meets City Standards for number of parking spaces required on-site.

**2. AIR QUALITY**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to air quality:

Effect: Projected traffic levels will result in increased ambient carbon monoxide (CO) levels in the project area. This is a significant and unavoidable impact.

Effect: Projected traffic levels will result in increased ROG and NOX levels in the project area. This is a significant and unavoidable impact.

These are also cumulative impacts on air quality.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Air Quality mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-2-11 through V-2-18 of the MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project and are listed in Section V, Mitigation Measures Applied to Project:

Discussion:

Mitigation Measures appropriate to this project include: AQ-17

**c. Project-Specific Effects**

Section V-2.B of the MEIR provides analysis of Air Quality impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	YES	NO
(1) The project exceeds the emissions thresholds established for CO and NOx by the San Joaquin Valley Unified Air Pollution Control District's (SJVUAPCD) adopted CEQA Guidelines.	<input type="checkbox"/>	<input checked="" type="checkbox"/>

- (2) The project does not incorporate the best management practices for PM10 reduction established by the SJVUAPCD.  X
- (3) The project does not comply with the air quality policies of the Modesto Urban Area General Plan.  X
- (4) The project would expose sensitive receptors to substantial pollutant concentrations.  X
- (5) The project would create objectionable odors affecting a substantial number of people.  X

Discussion:

- (1) The project is within the scope of the Master EIR for traffic related impacts. Therefore, it should be within the scope of the Master EIR for CO and NOx emissions in that these pollutants are traffic induced.
- (2) This project does incorporate the best management practices for PM10 reduction established by the SJVUAPD (see mitigations measures above).
- (3) Applicable General Plan Policies will be applied to the project. Therefore, project-specific effects will be less than significant for this impact (see mitigations measures above).
- (4) The project is not a significant contributor to pollution levels in that it is an office complex. Thus, the main source of pollution that would come with the development is traffic related. Since the traffic impacts are within the scope of the MEIR, so are the traffic-related pollution concentration impacts. PM10 emissions created through the construction phase will be mitigated as called for by the MEIR by the measure listed above.
- (5) The development should not produce objectionable odors; in that office buildings and restaurants generally do not.

**3. NOISE**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant and unavoidable environmental impacts relative to noise:

Effect: Traffic noise levels for future conditions in the plan area have the potential to result in exceedances of the City's Noise Significance Standards (see Table 3-3 of the MEIR).

Effect: Noise level projections based on the traffic levels anticipated in the General Plan indicate that noise will exceed the City's General Plan and noise ordinance standards.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Noise policies and mitigation measures pertinent to the project being analyzed in this Initial Study are found on pages V-3-10 through V-3-15 of the MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project. and any new measures are listed in Section V, Mitigation Applied to Project:

Discussion:

Mitigation Measures appropriate to this project include: N-4, N-5 and N-6.

**c. Project-Specific Effects**

Section V-3.B of the MEIR provides analysis of noise impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

		YES	NO
(1)	The project will exceed the standards for noise level and hours of operation established by the Modesto noise ordinance.	<input type="checkbox"/>	X
(2)	The project will exceed the noise policies of or otherwise be inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(3)	The project will result in a substantial permanent increase in ambient noise levels in the project vicinity above levels existing without the project?	<input type="checkbox"/>	X
(4)	The project will result in a substantial temporary or periodic increase in ambient noise levels in the project vicinity above levels existing without the project.	<input type="checkbox"/>	X

Discussion:

- (1) The City's noise policy is incorporated into the conditions of approval as a mitigation measure.
- (2) The project is consistent with what the General Plan assumed for the site both in land use and intensity and is consistent with the noise policies of the General Plan. The noise mitigation measures called for by the General Plan for projects within the baseline developed area, are incorporated into the conditions of approval for the project.
- (3) The only permanent noise levels produced by the project would be associated with traffic. The increased traffic levels are within the scope of what the MEIR assumed for the site. Therefore, this project will not result in a substantial permanent increase in ambient noise levels.
- (4) The project will not result in a substantial temporary or periodic increase in ambient noise levels in the project vicinity. The noise mitigation measures called for by the

General Plan for projects within the baseline-developed area are incorporated into the conditions of approval for the project.

#### 4. AGRICULTURAL LANDS

##### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to agricultural lands:

Effect: Development within the urbanized Baseline Developed Area and Redevelopment Area will have a less-than-significant impact on agricultural lands.

Effect: Conversion of agricultural land will occur as available developable land is occupied within the City. This is a significant and unavoidable impact.

Effect: Growth within Modesto's planning area would contribute considerably to the loss of agricultural land within Stanislaus County. This is a significant and unavoidable cumulative impact.

##### b. Master EIR and/or New Mitigation Measures Pertinent to the Project

Agricultural Land mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-4-7 and V-4-8 of the MEIR. All feasible measures appropriate to the project and any new mitigation to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project:

Discussion:

There are no mitigation measure applicable to this project.

##### c. Project-Specific Effects

Section V-4.B of the MEIR provides analysis of Agricultural Lands impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

		YES	NO
(1)	The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2)	The project will directly result in the development of land outside the March 2003 planning area boundaries.	<input type="checkbox"/>	X
(3)	The project will Conflict with existing zoning for agricultural use, or a Williamson Act contract.	<input type="checkbox"/>	X

- (4) The project will involve other changes in the existing environment which, due to their location or nature, could result in conversion of Farmland, to non-agricultural use.  X

Discussion:

- (1) The project is consistent with the General Plan land use policies. It is an infill project, proposed within the urbanized area of the City. There are no agricultural parcels affected by the proposal and no agricultural land will be converted.
- (2) The project is within the baseline-developed area of the City and therefore will not result in the development of land outside the March 2003 planning area boundaries.
- (3) The project site is not zoned for agriculture, nor is it under Williamson Act contract.
- (4) The project will not involve changes to the existing environment that could result in the conversion of farmland to non-agricultural uses. The project is completely surrounded by urbanization.

## 5. WATER SUPPLY

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to water supply:

Effect: Urban Area General Plan policies are established to limit groundwater extractions to the safe yield of the aquifer and thereby avoid aquifer over drafting. In addition, the UWMP requires that new urban development would proceed in conjunction with the availability of water supplies and distribution facilities. It is assumed that increased entitlement of surface water supplies such as a water transfer from another water purveyor would undergo independent environmental review pursuant to CEQA. This is a less-than-significant impact.

Effect: Development to the future projected City population would require expansion of the MRWTP to its full 60 mgd capacity, development of additional groundwater wells, and construction of additional water distribution and treatment facilities. Construction of some of the required facilities would most likely require site-specific environmental impact assessments to be conducted under CEQA. Consequently, the potential environmental impacts of the Urban Area General Plan are considered less than significant.

Effect: During drought years, despite available options, significant water shortages are forecast for the San Joaquin River basin by the year 2020. Modesto would make a cumulatively considerable contribution to the cumulative impact on water supply under drought conditions. This is a significant and unavoidable cumulative impact.

### b. Master EIR and/or New Mitigation Measures Applied to the Project

Water Supply mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-5-7 through V-5-8 of the MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project:

Discussion:

Mitigation Measures appropriate to this project include: WS-11

**c. Project-Specific Effects**

Section V-5.B of the MEIR provides analysis of Water Supply impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

		YES	NO
(1)	The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2)	Sufficient water supplies are not available to serve the project from existing entitlements and resources, new or expanded entitlements are needed.	<input type="checkbox"/>	X

Discussion:

- (1) The project is consistent with the Modesto Urban Area General Plan both in land use and intensity.
- (2) The City has determined that it is experiencing a cumulative deficiency in water supply for new development throughout the City's service area. According to the City's recent long-term water supply analyses, the anticipated growth of the City's urban area will increase overall demand for water. By 2010, the demand will exceed the City's assured supply, which is currently provided through treated surface water and the pumping of the groundwater basin (up to the safe yield). Water demand exceeding the assured supply in the future is a significant cumulative environmental impact. (See Stanislaus Natural Heritage Project v. County of Stanislaus (1995) 48 Cal.App.4th 182.) Each new development, which creates a demand on the City's water system, contributes to this significant cumulative impact.

The City has thus implemented a long-term program for securing and developing additional water supplies, including the expansion of the Modesto Surface Water Treatment Facility, and has established a mitigation fee program, in the form of increased water connection fees, in order to fund the cost of developing these new water supplies. Payment of the new water connection fees represents a project's fair share of the cost of mitigating this significant cumulative impact, and the applicants have agreed to a condition requiring payment of the new water connection fees.

## **6. SANITARY SEWER SERVICES**

### **a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to sanitary sewer services:

Effect: The City has already begun to implement the provisions of the Wastewater Master Plan (WMP) to meet future demand for sanitary sewer services. As City wastewater treatment facilities are expanded to meet the needs of the Baseline Developed, Redevelopment, and Planned Urbanizing Areas, the City will obtain the necessary wastewater discharge and NPDES permits from the Central Valley RWQCB, as required under Urban Area General Plan Policy V-D.2(a). Implementing the WMP, requirement of Best Management Practices for post-construction activities, as well as the Urban Area General Plan policy cited above, will avoid violation of wastewater discharge requirements. As a result, this impact would be less than significant.

Effect: The City has adopted the WMP specifically to ensure that sewer capacity will match the level of growth projected by the Urban Area General Plan. Development within the Baseline Developed and the Planned Urbanizing Areas that is consistent with the Urban Area General Plan will not have a significant effect on capacity. Urban Area General Plan Policy III-D.1(d) will ensure that development in the Planned Urbanizing Area will fund the necessary improvements. This is a less-than-significant impact.

Note on the WMP Master EIR. The WMP Master EIR identified a number of impacts and mitigation measures. Its mitigation measures have been adopted by the City and are being implemented by the City under the WMP. Those impacts are being independently addressed under that Master EIR and do not need to be considered under this Initial Study. Refer to the WMP Master EIR for details.

### **b. Master EIR and/or New Mitigation Measures Applied to the Project**

Sewer Service mitigation measure(s) pertinent to the project being analyzed in this Initial Study, are found on pages V-6-4 through V-6-7 of the MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project:

#### Discussion:

There are no mitigation measure applicable to this project.

### **c. Project-Specific Effects**

Section V-6.B of the MEIR provides analysis of Sanitary Sewer Service impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

- |   | YES                      | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.   | <input type="checkbox"/> | X  |
| (2) The project will result in a determination by the wastewater treatment provider which serves or may serve the project that it has adequate capacity to serve the project's projected demand in addition to the provider's existing commitments. | <input type="checkbox"/> | X  |

Discussion:

- (1) The project is consistent with the Modesto Urban Area General Plan both in land use and intensity.
- (2) The project was referred to Public Works for comment and there was no indication that there is insufficient capacity to serve the project.

**7. SENSITIVE WILDLIFE AND PLANT HABITAT**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to sensitive wildlife and plant habitat:

Effect: Although many sensitive species live in riparian habitats within the planning area, the policies of the plan will ensure that impacts of the Urban Area General Plan will be less than significant.

Effect: Requiring higher residential density than the suburban norm and a compact pattern of growth within the designated planning area to the year 2025 will minimize the City's contribution to the cumulative loss of habitat. Nonetheless, this is a significant and unavoidable impact.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Wildlife and Plant Habitat mitigation measure pertinent to the project being analyzed in this Initial Study are found on pages V-7-19 through V-7-21. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project:

Discussion:

There are no mitigation measure applicable to this project. The project site is not a biologically sensitive site as defined by Figures V-7-1a through V-7-1e of the MEIR.

**c. Project-Specific Effects**

Section V-7.B of the MEIR provides analysis of Wildlife and Plant Habitat impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

- |   | YES                      | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.   | <input type="checkbox"/> | X  |
| (2) Consultation with the California Department of Fish and Game or the U.S. Fish and Wildlife Service determines that the project would have a significant effect on special status species. | <input type="checkbox"/> | X  |
| (3) Conflict with any local policies or ordinances protecting biological resources, such as a tree preservation policy or ordinance.  | <input type="checkbox"/> | X  |

Discussion:

- (1) The project is consistent with the Modesto Urban Area General Plan both in land use and intensity.
- (2) The project site is not a biologically sensitive site as defined by Figures V-7-1a through V-7-1e of the MEIR. The California Department of Fish and Game and the U.S. Fish and Wildlife Service were consulted in the production of the MEIR.
- (3) There is no conflict with any local policies or ordinances protecting biological resources

**8. ARCHAEOLOGICAL OR HISTORICAL SITES**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to archaeological or historical sites:

Effect: If a site-specific project involves the modification or demolition of a qualifying structure more than 50 years in age, then the impact will be significant.

Effect: Areas of high probability for archaeological resources are located within the riparian corridors along the Tuolumne River, Dry Creek, and the Stanislaus River. There, the potential impact comes from earthmoving activities that could result in disturbance of resources or human remains. There is a low probability that archaeological resources will be uncovered in areas outside of the riparian corridors.

Effect: The City Zoning Ordinance requires that when substantial changes to a structure are proposed, the development will be required to comply with other Zoning Ordinance provisions such as parking or landscaping requirements. This could result in modifications to the structure, which substantially reduce its historical significance. This would be a less-than-significant impact with the imposition of new mitigation measure Cultural-1.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Archaeological or Historic mitigation measures pertinent to the project being analyzed in this Initial Study are found on page V-8-13 and V-8-14 of the MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project:

Discussion:

Mitigation Measures applicable to this project include: AH-12, Master EIR.

**c. Project-Specific Effects**

Section V-8.B of the MEIR provides analysis of Archaeological/Historical impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

		YES	NO
(1)	The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2)	The project would adversely affect a cultural resource that is either listed or eligible for listing in the California Register of Historical Resources, or that is listed by the City of Modesto as a Designated Landmark Preservation Site.	<input type="checkbox"/>	X

Discussion:

- (1) The project is consistent with the Modesto Urban Area General Plan in both land use and intensity.
- (2) The project would not adversely affect a cultural resource that is either listed or eligible for listing in the California Register of Historical Resources, or that is listed by the City of Modesto as a Designated Landmark Preservation Site. The mitigation measure called for by the General Plan is incorporated into the conditions of approval for the project.

**9. STORM DRAINAGE**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to storm drainage:

Effect: The potential impacts on storm water drainage that could occur from the project were qualitatively evaluated with respect to several factors including: extent of the projected increase in urban surface area compared to undeveloped ground; magnitude of projected changes to hydrologic and physical site characteristics of the study area compared to existing conditions; regulatory criteria and guidelines; and professional judgment. Because the Urban Area General

Plan includes policies that require new development in all three sections of the planning area to install approved drainage facilities, the potential impacts of the Urban Area General Plan on storm water drainage are considered less than significant.

Effect: The population of Stanislaus County is projected to increase in a fashion similar to that of Modesto, resulting in additional urban development and associated increases in impervious areas and associated urban storm water drainage. Cumulative hydrologic impacts of storm water flows from Modesto urban areas and other areas of the County could occur due to the fixed capacity of MID and TID irrigation canals to convey drainage west to the San Joaquin River. If drainage channels in some areas prove insufficient to handle the increased drainage discharges, existing storm water runoff from urban and agricultural areas during large storm events would have to be interrupted until water levels receded to a point allowing the resumption of discharges to the channel. Ceasing discharges to drainage channels could cause inundation in and around the drainage conveyance pipeline systems, surface drainage channels, detention basins, and other urban areas. This cumulative impact is considered significant and unavoidable.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Storm Drainage mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-9-4 through V-9-8. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project:

Discussion:

Mitigation measures appropriate to this project include: SD-7, MEIR.

**c. Project-Specific Effects**

Section V-9.B of the MEIR provides analysis of Storm Drainage impacts of development of the General Plan; the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project would substantially increase the rate or amount of surface runoff in a manner that would result in flooding on- or offsite.	<input type="checkbox"/>	X
(3) Create or contribute runoff water that would exceed the capacity of existing or planned storm water drainage systems or provide substantial additional sources of polluted runoff.	<input type="checkbox"/>	X

### Discussion:

- (1) The project is consistent with the Modesto Urban Area General Plan in both land use and intensity.
- (2) The project proposes to increase the impervious surface. However, it should be designed to meet the standards contained in the "Guidance Manual for New Development-Storm Water Quality Control Measures," adopted by the City and applied to the project as a Mitigation Measure. With the application of the appropriate mitigation, the effect will be less than significant.
- (3) The project will contribute additional water runoff. However, with the application of the mitigation measures called for in the conditions of approval for the project, the effect will be less than significant.

## **10. FLOODING AND WATER QUALITY**

### **a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to flooding and water quality:

Effect: Increased runoff can accelerate soil erosion, stream channel scouring, and sedimentation of channels, and also increase pollutant transport to waterways. The potential impacts of the project on flooding are considered less than significant because the Urban Area General Plan Update includes policies to restrict development in the floodplain and therefore would avoid exposing persons and property to flood hazards. In addition, new development under the Urban Area General Plan is required to install storm water drainage facilities that restrict the amount of post-development runoff from exceeding pre-development conditions.

Effect: The potential impacts of the project on surface-water quality are considered less than significant because the City policies and capital improvement projects for storm water drainage facilities would minimize discharges of urban pollutants to natural waterways. The City drainage program policies require new development to prepare drainage plans and implement urban runoff control measures; larger Specific Plan developments must have storm drainage systems designed to control pollutant runoff. The City's implementation policies for the municipal NPDES storm water permit require new development to implement an appropriate selection of permanent pollution control measures. Permanent erosion control measures such as seeding and planting vegetation for new cut-and-fill slopes, directing runoff through vegetation, or otherwise reducing the offsite discharge of particulates and sediment are the most effective method of controlling offsite discharges of urban pollutants.

Effect: The City's future development will contribute to cumulative water quality effects. EPA regulations for NPDES storm water permits and new proposed regulatory additions to the rules have become much more comprehensive in recent years and are being implemented to reduce pollutant runoff from both large- and small-scale activities. Implementation of NPDES-permitting programs throughout the county will reduce potential water-quality impacts to a less-than-significant level.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Flooding and Water Quality mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-10-7 through V-10-10 of the MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project:

Discussion:

Mitigation measures appropriate to this project include: FWQ-14, MEIR.

**c. Project-Specific Effects**

Section V-10.B of the MEIR provides analysis of Flooding and Water Quality impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project does not comply with the regulatory requirements of the federal Clean Water Act or the State Porter-Cologne Act.	<input type="checkbox"/>	X
(3) The project does not comply with Modesto's Guidance Manual for New Development Storm water Quality Control Measures.	<input type="checkbox"/>	X
(4) The project would create or contribute runoff water, which would exceed the capacity of existing or planned storm water drainage systems or provide substantial additional sources of polluted runoff.	<input type="checkbox"/>	X

Discussion:

- (1) The project is consistent with the General Plan Designation for the site both in land use and intensity.
- (2) The project would comply with the Federal Clean Water Act and the Porter Cologne Act requirements.
- (3) Mitigation Measures as called for by FWQ-14 will be applied to the project so that the project will comply with the Guidance Manual for New Development Storm Water Quality Control Measures.
- (4) The project would not create or contribute to runoff water in excess of the capacity of existing or planned storm water drainage systems or provide additional sources of polluted runoff. The appropriate mitigation measures will be applied to the project.

## 11. PARKS AND OPEN SPACE

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to parks and open space:

Effect: Within the Baseline Developed and Redevelopment Areas, the Urban Area General Plan does not propose any elimination of existing park and/or open space land. Impacts on parks and open space will be less than significant.

Effect: The projected population of the Planned Urbanizing Area is 148,600, requiring 149 acres of neighborhood parks and 298 acres of community parks. The required minimum acreages can be met through the application of existing policies and regulations, including Government Code Section 66474, which require developers to pay Parks Capital Facilities Fees to fund the acquisition of appropriate parkland acreage. This impact is less than significant.

### b. Master EIR and/or New Mitigation Measures Applied to the Project

Parks and Open Space Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-11-4 through V-11-19 of the MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project:

Discussion:

There are no mitigation measures applicable to this project.

### c. Project-Specific Effects

Section V-11.B of the MEIR provides analysis of Parks and Recreation impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

- |   | YES                      | NO                                  |
|---|--------------------------|-------------------------------------|
| (1) The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Discussion:

- (1) The project is consistent with the General Plan in both land use and intensity.

## 12. SCHOOLS

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to schools:

Effect: The estimated increase in population over 1994/1995 would generate an additional 29,200 elementary school students, 7,330 middle school students, and 14,640 high school students above those enrollments. Assuming that existing facilities cannot sufficiently accommodate this increase and that all of the new students would require new school facilities, build out of the General Plan would result in the need for approximately 37 elementary schools, 8 middle schools, and 7 high schools beyond 1994/1995 levels. This would result in a significant impact on schools in that it would exceed current capacity. By statute, this impact is considered to be mitigated below a level of significance by payment of school impact fees and exercise of any or all of the financing options set out in Government Code Section 65997.

### b. Master EIR and/or New Mitigation Measures Applied to the Project

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. ). As long as all anticipated subsequent projects apply these policies, no new mitigation is necessary. Further, payment of school impact fees and compliance with SB 50 is statutorily deemed to be full mitigation of school impacts (Government Code Section 65995). The proposed additional school policy will address the situation that would arise should AB 50 be repealed. It will authorize impact fees or other methods to finance additional school facilities.

The following schools mitigation measure(s) are pertinent to the project being analyzed in this Initial Study. See pages V-12-4 through V-12-7 of the MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section V, Mitigation Applied to Project:

#### Discussion:

There are no mitigation measures applicable to this project.

### c. Project-Specific Effects

Section V-12.B of the MEIR provides analysis of Schools impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

- |  | YES                      | NO |
|--|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.  | <input type="checkbox"/> | X  |
| (2) The project does not comply with SB 50/Proposition 1A funding provisions, or succeeding measures, which provide that compliance results in less-than-significant impacts on schools. | <input type="checkbox"/> | X  |

Discussion:

- (1) The project is consistent with the General Plan in both land use and intensity.
- (2) The project includes no residential student-gathering component.

**13. POLICE SERVICES**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to police services:

Effect: The 1995 Master EIR identified two impacts on the demand for police services; however, it concluded that no significant impact, based on the mitigation measures identified in the 1995 Master EIR, would occur. Those mitigation measures are now policies of the Urban Area General Plan. The impact is less than significant.

Effect: Within the Planned Urbanizing Area, complying with the Urban Area General Plan policies, particularly the policy that requires a long-range financing strategy for each Comprehensive Plan Area, will allow the City to provide the resources necessary to extend service to the newly growing Planned Urbanizing areas. These policies reduce the impact to a less-than-significant level.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Police Services mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-13-3 and V-13-4 of the MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project:

Discussion:

No mitigation measures are applicable to this project.

**c. Project-Specific Effects**

Section V-13.B of the MEIR provides analysis of police services impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project would result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives.	<input type="checkbox"/>	X

Discussion:

- (1) The project is consistent with the General Plan in both land use and intensity.
- (2) The project would not result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives. The project meets City Standards for emergency services access.

## **14. FIRE SERVICES**

### **a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to fire services:

Effect: The Baseline Developed Area and Redevelopment Area are already developed. Impacts on fire services of development in these areas will be less than significant.

Effect: In the Planned Urbanizing Area, the Urban Area General Plan would result in the need for additional fire protection services due to increases in the number of employees, permanent population, and associated improvements. City policy requires that fire protection be in place concurrent with construction in the Planned Urbanizing Area. This policy will be implemented with the adoption of future Comprehensive Plans in the Planned Urbanizing Area. This impact would be less than significant.

### **b. Master EIR and/or New Mitigation Measures Applied to the Project**

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Fire Services mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-14-3 through V-14-5 of the MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project. are listed in Section V, Mitigation Measures Applied to Project:

Discussion:

No mitigation measures are applicable to this project.

### **c. Project-Specific Effects**

Section V-14.B of the MEIR provides analysis of fire services impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

- |  | YES                      | NO |
|--|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.  | <input type="checkbox"/> | X  |
| (2) The project would result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives. | <input type="checkbox"/> | X  |

Discussion:

- (1) The project is consistent with the General Plan in both land use and intensity.
- (2) The project would not result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives. The project meets City Standards for emergency services access.

**15. SOLID WASTE**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to solid waste:

Effect: Since the project would exceed available landfill capacity, it is identified as a significant impact. The Fink Road Landfill may be closed by the time the City reaches build out, unless an expansion is approved by the County and the Integrated Waste Management Board. As the waste stream generated increases with population, additional landfills and methods for diversion would have to be utilized. The project will also generate the need for additional collection and transfer facilities. This impact is significant and unavoidable. The impact would be less than significant at such time as the Fink Road Landfill expansion is approved.

Effect: The project makes a considerable contribution to the cumulative impact on landfill capacity of development in Stanislaus County. This impact is significant and unavoidable.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Solid Waste Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study, are found on pages V-15-5 and V-15-6 of the MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Applied to Project:

Discussion:

No mitigation measures are applicable to this project.

### c. Project-Specific Effects

Section V-15.B of the MEIR provides analysis of solid waste impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

- |   | YES                      | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.   | <input type="checkbox"/> | X  |
| (2) The County is unable to expand its solid waste disposal capacity and the project would result in waste stream levels that exceed disposal capacity. | <input type="checkbox"/> | X  |

#### Discussion:

- (1) The project is consistent with the General Plan in both land use and intensity.
- (2) This project was referred to the County and Solid Waste Division of the Public Works Department for review, and no indication was given that there would be a problem serving this project.

## 16. HAZARDOUS MATERIALS

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to hazardous materials:

Effect: The impacts of the project relative to hazardous materials are less than significant, based on the existing regulatory framework. New development will be required to comply with regulations monitoring and controlling the handling and use of hazardous and toxic materials.

### b. Master EIR and/or New Mitigation Measures Applied to the Project

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under federal, state and county policies and regulations, and the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Hazardous Materials Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-16-9 through V-16-12 of the MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project:

#### Discussion:

No mitigation measures are applicable to this project.

**c. Project-Specific Effects**

Section V-16.B of the MEIR provides analysis of hazardous materials impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project does not comply with all applicable federal, state, and county standards and regulations relative to the handling, storage, disposal, and transport of hazardous or toxic materials or wastes.	<input type="checkbox"/>	X
(3) The project contains a contaminated site not identified as of March 2003.	<input type="checkbox"/>	X
(4) The project would emit hazardous emissions or handle hazardous or acutely hazardous materials, substances, or waste within one-quarter mile of an existing or proposed school.	<input type="checkbox"/>	X
(5) The project would be located on a site which is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and as a result, would create a significant hazard to the public or the environment.	<input type="checkbox"/>	X

Discussion:

- (1) The project is consistent with the General Plan in both land use and intensity.
- (2) The project does comply with all applicable federal, state, and county standards and regulations relative to the handling, storage, disposal, and transport of hazardous or toxic materials or wastes.
- (3) The project site is not known to contain any contaminants.
- (4) The project would not emit hazardous emissions or handle hazardous or acutely hazardous materials, substances, or waste. It is an office complex.
- (5) The project would not be located on a site, which is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and as a result, would not create a significant hazard to the public or the environment.

**17. LANDSLIDES AND SEISMIC ACTIVITY**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to landslides and seismic activity:

Effect: There are areas of known sand and gravel resources within the Baseline Developed Area and Redevelopment Area. Future development will be subject to SMARA requirements; therefore, the project impact will be less than significant.

Effect: There are areas of known sand and gravel resources within the Planned Urbanizing Area. Future development will be subject to SMARA requirements, therefore, the project impact will be less than significant.

### **b. Master EIR and/or New Mitigation Measures Applied to the Project**

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Landslide and Seismic Activity Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-17-6 and V-17-7 of the MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section V, Mitigation Measures Applied to Project:

#### Discussion:

No mitigation measures are applicable to this project.

### **c. Project-Specific Effects**

Section V-17.B of the MEIR provides analysis of landslides and seismic impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project would be located on soil that is unstable, or that would become unstable as a result of the project, and potentially result in on or off-site landslide, lateral spreading, subsidence, liquefaction or collapse.	<input type="checkbox"/>	X

#### Discussion:

- (1) The project is consistent with the General Plan in both land use and intensity.
- (2) The project would not be located on soil that is unstable, or that would become unstable as a result of the project.

## 18. ENERGY

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to energy:

Effect: The Baseline Developed Area and Redevelopment Area are already developed. New development within the Redevelopment Area will comply with Title 24 standards as well as City Urban Area General Plan policies. Impacts on energy by development in these areas (i.e., changes in levels of use above the current baseline) will be less than significant.

Effect: Build out under the Urban Area General Plan will utilize an estimated 1,400 million cubic feet per month of natural gas, 1,300 million kilowatt hours (kwh) of electricity per year and 650,000 gallons of gasoline per day. PG&E has indicated that they have at the current time sufficient supplies of natural gas to serve the increased natural gas demands of the project. At present, gasoline supplies are apparently sufficient to serve the gasoline demands of the project. Title 24 of the California Code of Regulation, which ensures that the project will not exceed local, state, and federal energy standards. The impact is less than significant.

### b. Master EIR and/or New Mitigation Measures Applied to the Project

The following energy mitigation measure(s) are pertinent to the project being analyzed in this Initial Study. See page V-18-3 of the MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section V, Mitigation Applied to Project:

Discussion:

No mitigation measures are applicable to this project.

### c. Project-Specific Effects

Section V-18.B of the MEIR provides analysis of energy impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less than significant unless:

- |   | YES                      | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | X  |

Discussion:

- (1) The project is consistent with the General Plan in both land use and intensity.

## 19. PLANNING AND LAND USE

The Master EIR was certified for the Modesto Urban Area General Plan. The significant effects described in the 18 subject areas contained in the Master EIR are based on the planning policies and diagrams adopted as part of the General Plan. Planning and land use were not among the 18 subject areas analyzed in the Master EIR because they essentially defined the project being evaluated in the EIR.

### a. Project-Specific Effects

Determination of project effects will be based on the following threshold. A project-specific effect is less than significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project includes a substantive amendment to the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(3) The project would physically divide an established community	<input type="checkbox"/>	X

#### Discussion:

- (1) The project is consistent with the General Plan in both land use and intensity.
- (2) No amendment to the General Plan is required by this project.
- (3) The project will not divide an established community.

## 20. AESTHETICS

The Master EIR was certified for the Modesto Urban Area General Plan. The significant effects described in the 18 subject areas contained in the Master EIR, are based on the planning policies and diagrams adopted as part of the General Plan. At that level of detail, no significant effects on aesthetics were identified.

### a. Project-Specific Effects

Determination of project effects will be based on the following threshold. A project-specific effect is less than significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project would have a substantial adverse effect on a scenic vista.	<input type="checkbox"/>	X
(3) The project would substantially degrade the existing visual character or quality of the project site and its surroundings.	<input type="checkbox"/>	X

- (4) The project would create a new source of substantial light and glare, which would adversely affect day or nighttime views in the area.  X

Discussion:

- (1) The project is consistent with the General Plan in both land use and intensity.
- (2) There are no Scenic Vistas from the location of the proposed development. It is completely surrounded by urbanization. Views to the Diablo and Sierra Mountain Ranges are already precluded from this site and its surroundings.
- (3) The project would not substantially degrade the existing visual character or quality of the project site and its surroundings.
- (4) The project would not create a substantial source of light or glare that would adversely affect daytime or nighttime views in the area.

**V. MITIGATION MEASURES APPLIED TO THE PROJECT**

If the Initial Study results in the determination that a Finding of Conformance can be adopted for the proposed project Section A below applies. If the Initial Study results in the determination that a Finding of Conformance cannot be adopted and a Mitigated Negative Declaration/EIR must be prepared for the project then Section B, below applies.

**A. Master EIR Mitigation Measures Applied to the Project**

Pursuant to CEQA Section 21157.1(c), in order for a Finding of Conformance to be made, all feasible measures from the Master EIR appropriate to the project shall be incorporated into the project. The following adopted General Plan Policies and Master EIR Mitigation Measures shall be made part of the project prior to approval by means of conditions of project approval or incorporation into the appropriate document or plan:

All applicable and appropriate mitigation measures have been applied to the project (see mitigation measures listed below).

**B. New or Additional Mitigation Measures or Alternatives Required**

Where the project's effects would exceed the specific thresholds defined for each environmental category, a mitigated negative declaration or Focused EIR must be prepared. Staff has reviewed the project against those thresholds set forth in the Master EIR for all applicable categories in this Initial Study.

A Mitigated Negative Declaration/EIR shall be prepared for the project and the following additional project-specific mitigation measures listed below are necessary to reduce the identified new significant effect:

**Traffic and Circulation Measures:**

N/A

### Air Quality Measures:

1. All disturbed areas, including storage piles, which are not being actively utilized for construction purposes, shall be effectively stabilized of dust emissions using water, chemical stabilizer/suppressant, covered with a tarp or other suitable cover or vegetative ground cover
2. All land clearing, grubbing, scraping, excavation, land leveling, grading, cut & fill, and demolition activities shall be effectively controlled of fugitive dust emissions utilizing application of water or by presoaking.
3. When materials are transported off-site, all material shall be covered, or effectively wetted to limit visible dust emissions, and at least six inches of freeboard space from the top of the container shall be maintained.
4. All operations shall limit or expeditiously remove the accumulation of mud or dirt from adjacent public streets at the end of each workday. *(the use of dry rotary brushes is expressly prohibited except where preceded or accompanied by sufficient wetting to limit the visible dust emissions.) (Use of blower devices is expressly forbidden.)*
5. Following the addition of materials to, or the removal of materials from, the surface of outdoor storage piles, said piles shall be effectively stabilized of fugitive dust emissions utilizing sufficient water or chemical stabilizer/suppressant.
6. Within urban areas, track out shall be immediately removed when it extends 50 or more feet from the site and at the end of each workday.
7. Install wheel washers for all exiting trucks, or wash off all trucks and equipment leaving the site;
8. Suspend excavation and grading activity when winds exceed 20 mph; and
9. Limit the area subject to excavation, grading and other construction activity at any one time.

### Noise Measures:

1. The City's noise ordinance (Modesto Municipal Code Section 4-9.101) prohibits the "loud and raucous discharge into the open air of the steam of any steam equipment or exhaust from any stationary internal-combustion engine."

The noise ordinance prohibits the loud and raucous operation or use of any of the following before 7:00 a.m. or after 9:00 p.m. daily (except Saturday and Sunday and State or federal holidays, when the prohibited time shall be before 9:00 a.m. and after 9:00 p.m.):

- A. A hammer, or any other device or implement used to pound or strike an object.
- B. An impact wrench, or other tool or equipment powered by compressed air.
- C. A hand-powered saw.

- D. Any tool or piece of equipment powered by an internal-combustion engine such as, but not limited to, chain saw, backpack blower, and lawn mower.
- E. Any electrically powered (whether by alternating current electricity or by direct current electricity) tool or piece of equipment used for cutting, drilling, or shaping wood, plastic, metal, or other materials or objects, such as, but not limited to, a saw, drill, lathe, or router.
- F. Any of the following: heavy equipment (such as but not limited to bulldozer, steam shovel, road grader, back hoe), ground drilling and boring equipment (such as but not limited to derrick or dredge), hydraulic crane and boom equipment, portable power generator or pump, pavement equipment (such as but not limited to pneumatic hammer, pavement breaker, tamper, compacting equipment), pile-driving equipment, vibrating roller, sand blaster, gunite machine, trencher, concrete truck, and hot kettle pump.
- G. Any construction, demolition, excavation, erection, alteration, or repair activity. In the case of urgent necessity and in the interest of public health and safety, the Chief Building Official may issue a permit for exemption from these. Such period shall not exceed three (3) working days in length while the emergency continues but may be renewed for successive periods of three (3) days or less while the emergency continues. The Chief Building Official may limit such permit as to time of use and/or permitted action, depending upon the nature of the emergency and the type of action requested.
- H. Construction equipment and vehicles should be equipped with properly operating mufflers according to the manufacturers' recommendations. Air compressors and pneumatic equipment should be equipped with mufflers, and impact tools should be equipped with shrouds or shields.

**Agricultural Land Measures:**

N/A

**Water Supply Measures:**

1. Prior to issuance of a building permit for each of the buildings within the development, the applicant shall pay the water connection fees at the rate in effect at the time of issuance of the building permit.

**Sanitary Sewer Service Measures:**

N/A

**Sensitive Wildlife and Plant Habitat Measures:**

N/A

**Archaeological or Historic Sites Measures:**

1. If archaeological resources are discovered at any time during construction, all activity shall cease until the site is surveyed by a qualified archaeologist. The survey shall include mitigation measures, which shall be implemented before construction resumes. The survey shall follow the criteria presented in Appendix K

**Storm Drainage Measures:**

1. Prior to the issuance of a building permit, the developer shall submit a plan for approval by the Operations and Maintenance Director to provide on-site treatment of storm water in accordance with the guidance manual for new development stormwater quality control measures. Storm drain improvements shall be constructed in accordance with the approved plans.
2. The developer shall implement pre- and post- construction best management practices (BMPs) to minimize pollutants entering the storm system.

**Flooding and Water Quality Measures:**

1. Prior to the issuance of a building permit, the developer shall submit a plan for approval by the Operations and Maintenance Director to provide on-site treatment of storm water in accordance with the guidance manual for new development stormwater quality control measures. Storm drain improvements shall be constructed in accordance with the approved plans.
2. The developer shall implement pre- and post- construction best management practices (BMPs) to minimize pollutants entering the storm system.

**Parks and Open Space Measures:**

N/A

**Schools Measures:**

N/A

**Police Services:**

N/A

**Fire Services:**

N/A

**Generation of Solid Waste**

N/A

**Generation of Hazardous Materials**

N/A

**Potential for Landslides and Seismic Activity**

N/A

**Energy**

N/A

**Planning and Land Use**

N/A

**Aesthetics**

N/A

**B. New or Additional Mitigation Measures or Alternatives Required**

Where the project's effects would exceed the specific thresholds defined for each environmental category, a mitigated negative declaration or Focused EIR must be prepared. Staff has reviewed the project against those thresholds set forth in the Master EIR for all applicable categories in this Initial Study. The following project-specific mitigation measures are necessary to reduce the identified new significant effect: ***None***.

MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-565

**AMENDED**  
on August 12, 2008  
By Resolution 2008-481

**A RESOLUTION APPROVING A DEVELOPMENT PLAN FOR PLANNED DEVELOPMENT ZONE, P-D(575) (BRIJ GUPTA)**

WHEREAS, a verified application for an amendment to Section 9-3-9 of the Zoning Map was filed by Brij Gupta on March 1, 2006, to reclassify from Low-Density Residential Zone, R-1, to Planned Development Zone, P-D(575), to allow development of medical and professional offices, property located on the west side of Coffee Road north of E. Rumble Road, described as follows,

R-1 to P-D(575)

All that portion of the east half of the southeast quarter of Section 9, Township 3 South, Range 9 East, Mount Diablo Base and Meridian, particularly described as follows:

Commencing on the southeast corner of said Section 9; thence north 89° 37' west along the section line 20.00 feet; thence north 0° 50' 30" west along the west line of a 40 foot country road 657.00 feet to the true point of beginning of this description; thence continuing north 0° 50' 30" west along the west line of a 40 foot country road 158.00 feet; thence north 89° 37' west 278.00 feet; thence south 0° 50' 30" east 158.00 feet; Thence south 89° 37' east 278.00 feet to the true point of beginning of this description.

Excepting there from that portion deeded to the City of Modesto recorded June 11, 1990 as Instrument No. 051426, Stanislaus County Records.

Also including the west one-half of Coffee Road immediately adjacent to the above described property;

WHEREAS, after a public hearing held on June 19, 2006, in the Tenth Street Place Chambers, 1010 Tenth Street, Modesto, California, and continued to July 17, 2006, to allow sufficient time for the applicant and neighboring party to reach and draw up an Agreement to share in the costs and future maintenance of the shared driveway, it was found and determined by the Planning Commission, by its Resolution No. 2006-49,

AMENDED

that rezoning of the property as requested is required by public necessity, convenience, and general welfare for the following reasons:

1. The proposed Planned Development corresponds with Professional Office Zoning (P-O) for which the subject property is designated in the "Coffee Road Zoning & Development Policy" adopted by the Planning Commission on January 18, 1972 (Amended on February 6, 1989). The Policy calls for higher intensity land uses such as Professional Office (P-O) Zones along the Coffee Road frontage.
2. That the proposed Planned Development Zone, by reason of its plot plan design and conditions of approval, will be compatible with the surrounding land uses.  
and

WHEREAS, the Planning Commission recommended approval to the City Council of the proposed rezoning from R-1 to P-D(575) to allow development of medical and professional offices on property located on the west side of Coffee road north of E. Rumble Road, and

WHEREAS, said matter was set for a public hearing of the City Council to be held on September 5, 2006, in the Tenth Street Place Chambers located at 1010 10<sup>th</sup> Street, Modesto, California, at which date and time said duly noticed public hearing was held, and

WHEREAS, after said public hearing the Council found and determined that the application of Brij Gupta for a Planned Development Zone, P-D(575), should be granted as consonant with public necessity, convenience and general welfare for the reasons set forth in Planning Commission Resolution No. 2006-49 and quoted above, and

WHEREAS, the Council has introduced Ordinance No. 3425-C.S. on the 5th day of September, 2006, reclassifying the above-described property from Low Density Residential Zone, R-1, to Planned Development Zone, P-D(575).

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto  
as follows:

SECTION 1. DEVELOPMENT PLAN. The development plan for Planned  
Development Zone, P-D(575), is hereby approved subject to the following conditions:

1. All development shall conform to the plot plan and elevations titled "Gupta Professional Office Complex Plot Plan" as amended in red, stamped approved by the City Council on September 5, 2006.
2. Prior to the issuance of a building permit, a landscaping and irrigation plan shall be approved by the Parks, Recreation and Neighborhood Director or designee. Screen landscaping shall be installed along the west property line. Landscaping and the irrigation system shall be installed and maintained in accordance with the approved plan.
3. Prior to the issuance of a building permit, the developer shall (a) make a fair share contribution to the owners of the parcel immediately to the south of the project site at APN: 013-068-035 for the development of the shared reciprocal driveway located on APN: 013-068-035, consistent with the letter agreement dated June 29, 2006, and (b) enter into a reciprocal easement agreement provide for a fair share contribution toward future ongoing maintenance of the shared reciprocal driveway located on APN: 013-068-035 and (c) submit written documentation confirming its compliance with this condition, in a form satisfactory to the Community and Economic Development Director or designee.
4. Fences or walls shall be constructed prior to occupancy and shall be as follows:
  - a. Install a seven-foot-high masonry wall along the western and northern property lines.
5. All landscaping, fences, and walls shall be maintained and the premises shall be kept free of weeds, trash, and other debris.
6. Street dedication consistent with Standard Specifications shall be made prior to the issuance of a building permit or at any time requested by the City Engineer or designee to alleviate a health, safety, or traffic problem in the area.

7. The project shall dedicate ten feet of street right-of-way along Coffee Road and install street improvements per City Standards, including, but not limited to, curb, gutter, sidewalk, streetlights, and street pavement. Street improvements consistent to Standard Specifications shall be provided prior to the occupancy of any structures or when requested by the City Engineer or designee to alleviate a health, safety, or traffic problem in the area.
8. Prior to issuance of a building permit, improvement plans for required improvements shall be prepared by a Registered Civil Engineer and approved by the City Engineer or designee. Improvements shall be constructed in accordance with the approved plans. The project shall install street improvements per City Standards, including, but not limited to, curb, gutter, sidewalk, streetlights, and street pavement. New street improvements shall provide appropriate connection to existing curb, gutter, and sidewalk on adjacent properties as approved by the City Engineer or designee to alleviate health, safety, or traffic problem in the area.
9. Prior to issuance of a building permit the developer shall dedicate public utility easements as required by the utility companies and the City Engineer or designee.
10. Irrigation lines shall be removed, relocated, or protected as required by the Modesto Irrigation District and the City Engineer or designee. Easements for irrigation lines to remain shall be dedicated.
11. All outdoor lighting shall be shielded from adjacent residential properties as required by the City Engineer or designee.
12. Trash enclosures shall comply with the provisions of Public Resources Code Section 42911, to include adequate, accessible and convenient areas for the collection and loading of recyclable materials to be shown on the approved plans and in accordance with plans approved by the Public Works Director or designee. Enclosures shall be constructed of building materials consistent with those used in the major buildings as approved by the Community and Economic Development Department Director or designee.
13. Prior to issuance of a building permit, the developer shall show on the plans submitted to Building and Development Services all fire hydrants as required by the Fire Chief. All hydrants required by the Fire Chief shall be installed and operable prior to construction of any structures.

14. Ten-foot-wide public utility easements, and planting easements located within the ten-foot-wide public utility easements, as required by the City Engineer or designee shall be dedicated along all street frontages.
15. No operations conducted on the premises shall cause an unreasonable amount of noise, odor, dust, mud, smoke, vibration, or electrical interference detectable off the premises. All machinery or equipment shall be soundproofed as required by the Chief Building Official.
16. All signs shall comply with the sign requirements of the P-O Zone.
17. The property owner and developer shall, at their sole expense, defend, indemnify and hold harmless the City of Modesto, its agents, officers, directors and employees, from and against all claims, actions, damages, losses, or expenses of every type and description, including but not limited to payment of attorneys' fees and costs, by reason of, or arising out of, this development approval. The obligation to defend, indemnify and hold harmless shall include but is not limited to any action to arbitrate, attack, review, set aside, void or annul this development approval on any grounds whatsoever. The City of Modesto shall promptly notify the developer of any such claim, action, or proceeding and shall cooperate fully in the defense.
18. The Capital Facilities Fees payable at the time of the issuance of a building permit for any construction in this subdivision map shall be based on the rates in effect at time of issuance of the building permit.
19. The developer shall, in a manner approved by the City Attorney, provide a vehicular access way for future on-site traffic circulation for the benefit of the properties to the south; substantially as shown in red on the plot plan.
20. The onsite storm water will need to be mitigated in accordance with the current storm water standards in the "Guidance Manual for New Development – Storm-water Quality Control Measures.
21. Wastewater facilities shall be sized and located to accommodate the peak flow rates according to the procedures and methodologies of the Sanitary Sewer System Design Standards (Section 5) of the City's Standard Specifications.

22. Prior to issuance of a building permit, the applicant shall provide to the Chief Building Official a parking survey that depicts the overall building footage for medical and professional occupancy in relation to the required parking. The maximum parking permitted for medical is 66.6% and the maximum parking permitted for professional is 33.3%.

In addition, the following recommended Conditions of Approval are mitigation measures from the Modesto Urban Area General Plan Master Environmental Impact Report that should be applied to the project:

23. All disturbed areas, including storage piles, which are not being actively utilized for construction purposes, shall be effectively stabilized of dust emissions using water, chemical stabilizer/suppressant, covered with a tarp or other suitable cover or vegetative ground cover.
24. All land clearing, grubbing, scraping, excavation, land leveling, grading, cut and fill, and demolition activities shall be effectively controlled of fugitive dust emissions utilizing application of water or by presoaking.
25. When materials are transported off-site, all material shall be covered, or effectively wetted to limit visible dust emissions, and at least six inches of freeboard space from the top of the container shall be maintained.
26. All operations shall limit or expeditiously remove the accumulation of mud or dirt from adjacent public streets at the end of each workday. The use of dry rotary brushes is expressly prohibited except where preceded or accompanied by sufficient wetting to limit the visible dust emissions. Use of blower devices is expressly forbidden.
27. Following the addition of materials to, or the removal of materials from, the surface of outdoor storage piles, said piles shall be effectively stabilized of fugitive dust emissions utilizing sufficient water or chemical stabilizer/suppressant.
28. The City's Noise Ordinance (Modesto Municipal Code Section 4-9.101) prohibits the "loud and raucous discharge into the open air of the steam of any steam equipment or exhaust from any stationary internal-combustion engine."

The Noise Ordinance prohibits the loud and raucous operation or use of any of the following before 7:00 a.m. or after 9:00 p.m. daily (except Saturday and Sunday and State or Federal holidays,

when the prohibited time shall be before 9:00 a.m. and after 9:00 p.m.):

- a. A hammer or any other device or implement used to pound or strike an object.
- b. An impact wrench or other tool or equipment powered by compressed air.
- c. A hand-powered saw.
- d. Any tool or piece of equipment powered by an internal-combustion engine such as, but not limited to, chain saw, backpack blower, and lawn mower.
- e. Any electrically powered (whether by alternating current electricity or by direct current electricity) tool or piece of equipment used for cutting, drilling, or shaping wood, plastic, metal, or other materials or objects, such as, but not limited to, a saw, drill, lathe, or router.
- f. Any of the following: heavy equipment (such as but not limited to bulldozer, steam shovel, road grader, back hoe), ground drilling and boring equipment (such as but not limited to derrick or dredge), hydraulic crane and boom equipment, portable power generator or pump, pavement equipment (such as but not limited to pneumatic hammer, pavement breaker, tamper, compacting equipment), pile-driving equipment, vibrating roller, sand blaster, gunite machine, trencher, concrete truck, and hot kettle pump.
- g. Any construction, demolition, excavation, erection, alteration, or repair activity. In the case of urgent necessity and in the interest of public health and safety, the Chief Building Official may issue a permit for exemption from these. Such period shall not exceed three (3) working days in length while the emergency continues but may be renewed for successive periods of three (3) days or less while the emergency continues. The Chief Building Official may limit such permit as to time of use and/or permitted action, depending upon the nature of the emergency and the type of action requested.
- h. Construction equipment and vehicles should be equipped with properly operating mufflers according to the manufacturers' recommendations. Air compressors and pneumatic equipment should be equipped with mufflers, and impact tools should

be equipped with shrouds or shields.

29. If archaeological resources are discovered at any time during construction, all activity shall cease until the site is surveyed by a qualified archaeologist. The survey shall include mitigation measures, which shall be implemented before construction resumes. The survey shall follow the criteria as presented in Appendix K.
30. The developer shall implement pre- and post-construction best management practices (BMPs) to minimize pollutants entering the storm system.

SECTION 2. DEVELOPMENT SCHEDULE. The following development schedule is hereby approved for said Planned Development Zone, P-D(575):

The entire construction program to be accomplished in one phase, construction to begin on or before September 5, 2008 and completion to be not later than September 5, 2009.

SECTION 3. CHANGES IN DEVELOPMENT PLAN. Any changes in the above approved development plan shall be made in accordance with the provisions of Section 10-2.1709 of the Modesto Municipal Code.

SECTION 4. COMPLIANCE WITH CODE PROVISIONS, ETC. In all other respects said planned development shall be accomplished in accordance with and in strict adherence to the provisions of Article 17 of Title 10 of the Modesto Municipal Code relating to Planned Development Zones and other applicable City laws, rules, regulations and procedures.

SECTION 5. EFFECTIVE DATE. This resolution shall not become effective unless and until the ordinance reclassifying the above-described property to Planned Development Zone, P-D(575), becomes effective.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5<sup>th</sup> day of September, 2006, by Councilmember Marsh,

who moved its adoption, which motion being duly seconded by Councilmember

O'Bryant was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen,  
Mayor Ridenour

NOES: Councilmembers: None

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-566**

**A RESOLUTION FINDING THAT THE FOLLOWING PROJECT IS WITHIN THE SCOPE OF THE PROJECT COVERED BY THE MODESTO URBAN AREA GENERAL PLAN MASTER ENVIRONMENTAL IMPACT REPORT (SCH NO. 1999082041): AMENDING SECTION 9-3-9 OF THE ZONING MAP TO REZONE FROM LOW DENSITY RESIDENTIAL ZONE, R-1, TO PLANNED DEVELOPMENT ZONE, P-D(575), PROPERTY LOCATED AT 3125 COFFEE ROAD. (BRIJ GUPTA)**

WHEREAS, on March 4, 2003, the City Council of the City of Modesto certified the Final Master Environmental Impact Report ("Master EIR") (SCH No. 1999082041) for the Modesto Urban Area General Plan, and

WHEREAS, Mid-Valley Engineering has proposed that the zoning designation for the property located on the west side of Coffee Road north of the Rumble Road/Coffee Road intersection, be amended to rezone from Low Density Residential, (R-1), to Planned Development Zone, P-D(575), to allow for the development of a 12,000 square foot medical and professional office building and associated off-street parking, and

WHEREAS, Section 21157.1 of the Public Resources Code, relating to reviewing subsequent project for a Master EIR, states that the lead agency shall prepare an Initial Study on any proposed subsequent project to analyze whether the subsequent project may cause any significant effect on the environment that was not examined in the master environmental impact report and whether the subsequent project was described in the master environmental impact report as being within the scope of the project, and

WHEREAS, the City's Community and Economic Development Department by Environmental Assessment Initial Study EA/C&ED No. 2006-39 ("Initial Study") reviewed the proposed amendment to the Zoning Map and Planned Development project

to determine whether the project is within the scope of the project covered by the Modesto Urban Area General Plan Master EIR (“Master EIR”), and made the determination that the proposed project will have no additional significant effect on the environment that was not identified in the Master EIR, and further, that no or new additional mitigation measures or alternatives are required, and that, therefore, the proposed project is within the scope of the project covered by the Master EIR, and

WHEREAS, in accordance with CEQA guidelines on August 14, 2006, the City caused to be published a 20-day notice of the City’s intent to make a finding that the proposed project conforms with the Master EIR, and

WHEREAS, the Planning Commission, by Resolution No. 2006-49 recommended to the City Council approval of the application of Mid-Valley Engineering to amend section 9-3-9 of the zoning map to rezone from Low-Density Residential, (R-1), to Planned Development Zone, P-D(575), for the property located on the west side of Coffee Road north of Rumble Road, to allow the future development of a medical and professional office building and associated parking as set forth in said Resolution No. 2006-49, and

WHEREAS, said matter was considered by the City Council at a duly noticed public hearing, which was held on September 5, 2006, at 5:30 p.m., in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto, California

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council has reviewed and considered the Initial Study prepared for the proposed rezoning to Planned Development Zone P-D(575) for medical and professional offices, a copy of which is attached hereto as **Exhibit “A”**, and incorporated herein by reference,

and based on the substantial evidence included in said Initial Study makes the following findings:

1. The type of project is described in Chapter II of the Master EIR (SCH No. 1999082041).
2. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.
3. An Initial Study was prepared by the City of Modesto that analyzed whether the proposed subsequent project may cause any significant effect on the environment that was not examined in the MEIR and it has been determined that the project was described in the MEIR as being within the scope of the MEIR.
4. Based on the Initial Study, the City of Modesto finds and determines:
  - a. The proposed subsequent project will have no additional significant effect as defined in CEQA Section 21158 that was not identified in the MEIR.
  - b. No new or additional mitigation measures or alternatives are required.
  - c. The project is within the scope of the MEIR.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Community & Economic Development Director is hereby authorized and directed to file a notice of determination within five (5) business days with the Stanislaus County Clerk pursuant to Section 21152 of the Public Resources Code.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5<sup>th</sup> day of September, 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember O'Bryant, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**Initial Study**

**EA/C&ED No. 2006-39**

# **City of Modesto**

## **Finding of Conformance to General Plan Master EIR:**

**Initial Study C&ED No. (2006-39)**

**For the proposed:**

**PDZ- Planned Development Zone  
3125 Coffee Road - Gupta**

**Prepared by:  
City of Modesto  
Community & Economic Development Department  
Planning Division**

**06/01/06**

**City of Modesto  
Master EIR Initial Study Checklist**

**I. PURPOSE**

CEQA allows for the limited environmental review of subsequent projects under the City's Master EIR. This Initial Study Checklist is used in determining whether the Planned Development Project is "within the scope" of the project analyzed in the Modesto Urban Area General Plan Master EIR (SCH# 1999082041) (Public Resources Code section 21157.1). When the Initial Study supports this conclusion, the City will issue a finding of conformity.

A subsequent project is "within the scope" of the Master EIR when:

1. it will have no additional significant effects on the environment that were not addressed as significant effects in the Master EIR; and
2. no new or additional mitigation measures or alternatives are required.

"Additional significant effects" means a project-specific effect that was not addressed as a significant effect in the Master EIR. (Public Resources Code Section 21158(d))

The determination must be based on substantial evidence in the record. "Substantial evidence" means facts, reasonable assumptions predicated upon facts, or expert opinion based on facts. It does not include speculation or unsubstantiated opinion. (State CEQA Guidelines Section 15384)

**II. PROJECT DESCRIPTION**

- A. Title: PDZ – Gupta Professional Office Complex
- B. Address or Location: 3125 Coffee Road
- C. Applicant: Mid-Valley Engineering, 1117 "L" Street, Modesto, CA. 95354
- D. City Contact Person: Rita Doscher

Project Manager: Rita Doscher  
Department: Community and Economic Development Department  
Phone Number: (209) 577-5267  
E-mail address: rdoscher@modestogov.com

- E. Current General Plan Designation(s): "MU" Mixed Use
- F. Current Zoning Classification(s): R-1, Low-Density Residential Zone
- G. Surrounding Land Uses: North: Residential Units (R-2 Residential)  
South: P-D(573) Professional Offices  
East: Residential & Apartments (R-1 & P-D (84))  
West: Residential Dwellings (R-1 Residential)

- H. Project Description, including the project type listed in Section II.C (Anticipated Future Projects) of the Master EIR (Attach additional maps/support materials as needed for complete record):

This is an application to rezone the above reference property from R-1 (Single Family Residential) to P-D (Planned Development Zone) in order to facilitate development of a medical and professional office complex. The proposed development will consist of two single story medical office buildings each 4,000 square feet in size, and two single story professional office buildings each 2,000 square feet in size. In addition the proposed development will provide on site parking, landscaping, and street improvements. The proposed buildings will front onto Coffee Road and access into the site shall be provided by way of a 30-foot wide off-site reciprocal driveway located on the parcel just to the south of the development. The parking area will be located to the rear of the property and will provide a total of 54 spaces exceeding the minimum requirement of 52 parking spaces.

- I. Other Public Agencies Whose Approval is Required:

None.

**III. FINDINGS/DETERMINATION (SELECT ONE ON THE BASIS OF THE ANALYSIS IN SECTION IV)**

1. X **Within the Scope** - The project is within the scope of the Master EIR and no new environmental document or Public Resources Code Section 21081 findings are required. The following items are found to be true:
- A. The type of project is described in Chapter II of the Master EIR.
  - B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.
  - C. An Initial Study was prepared by the City of Modesto that analyzed whether the proposed subsequent project may cause any significant effect on the environment that was not examined in the MEIR and it has been determined that the project was described in the MEIR as being within the scope of the MEIR.
  - D. Based on the Initial Study, the City of Modesto finds and determines:
    - a) The proposed subsequent project will have no additional significant effect as defined in CEQA Section 21158 that was not identified in the MEIR.
    - b) No new or additional mitigation measures or alternatives are required.
  - E. The criteria for currency of the Master EIR were reviewed (section 5 below) and it was determined that the Master EIR is current for all areas of the Initial Study.
2. \_\_\_\_\_ **Mitigated Negative Declaration Required** - On the basis of the above determinations, the project is not within the scope of the Master EIR. A mitigated negative declaration will be prepared for the project. The following items are found to be true:

- A. The type of project is described in Chapter II of the Master EIR.
  - B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.
  - C. The project will have one or more potential new significant effects on the environment that were not addressed as significant effects in the Master EIR. New or additional mitigation measures are being required of the project that will reduce the effects to a less-than-significant level.
3.        **Focused EIR Required-** On the basis of the above determinations, the project is not within the scope of the Master EIR. A Focused EIR will be prepared for the project. The following items are found to be true:
- A. The type of project is described in Chapter II of the Master EIR.
  - B. All applicable policies, regulations, and mitigation measures identified in the Master EIR have been applied to the project or otherwise made conditions of approval of the project.
  - C. The project will have one or more new significant effects on the environment that were not addressed as significant effects in the Master EIR. New or additional mitigation measures or alternatives are required as a result.

#### 4. Within the Scope Analysis of this Document:

The Master EIR permits projects to be found within the scope of the MEIR if certain criteria are met. Basically, if the following statements are found to be true for all 20 sections of this Initial Study, then the project was covered by the MEIR analysis and is within the scope of the MEIR. Any "No" response must be discussed.

- |   | YES | NO                       |
|---|-----|--------------------------|
| (1) The lead agency for subsequent projects shall be the City of Modesto or a responsible agency identified in the Master EIR.  | X   | <input type="checkbox"/> |
| (2) City policies which reduce, avoid or mitigate environmental effects, will continue to be in effect and therefore would be applied to subsequent projects where appropriate. The policies are described in the list of policies in place and mitigation measures attached to the Initial Study template. | X   | <input type="checkbox"/> |
| (3) Federal, State, Regional and Stanislaus County regulations do not change in a manner that is less restrictive on development than current law (i.e., would not offer the same level of protection assumed under the Master EIR).  | X   | <input type="checkbox"/> |
| (4) No specific information concerning the known or potential presence of significant resources is identified in future reports, or through formal or informal input received from responsible or trustee agencies or other qualified sources.  | X   | <input type="checkbox"/> |
| (5) The development will occur within the boundaries of the City's planning area as established in this Urban Area General Plan.  | X   | <input type="checkbox"/> |
| (6) Development within the project will comply with all mitigation measures identified in the General Plan Master EIR.  | X   | <input type="checkbox"/> |

#### 5. Currency of the Master EIR Document

The MEIR should be reviewed on a regular basis to determine its currency, and whether additional analysis/mitigation should be incorporated into the MEIR via a Supplemental or Subsequent EIR (CEQA Section 21157.6). Staff has reviewed sections 1 through 20 of this document in light of the criteria listed below to determine whether the MEIR is current. The analysis contained within the Master EIR is current as long as the following circumstances have not changed. Any "No" response must be discussed.

- |   | YES | NO                       |
|---|-----|--------------------------|
| (1) Certification of the General Plan Master EIR occurred less than five years prior to the filing of the application for this subsequent project.  | X   | <input type="checkbox"/> |
| (2) This project was described in the Master EIR and its approval will not affect the adequacy of the Master EIR for any subsequent project because the City can make the following findings: | X   | <input type="checkbox"/> |
| (3) No substantial changes have occurred with respect to the circumstances under which the Master EIR was certified.  | X   | <input type="checkbox"/> |

- (4) No new information, which was not known and could not have been known at the time the Master EIR was certified as complete, has become available. X
- (5) Policies remain in place that require site-specific mitigation, and avoidance or other mitigation of impacts as a prerequisite to future development. X

**IV. ENVIRONMENTAL ANALYSIS**

This Initial Study, in accordance with Section 21157.1(b) of the Public Resources Code, analyzes whether this project may cause any project-specific significant effect on the environment that was not examined in the Final Master EIR (MEIR) for the General Plan and whether new or additional mitigation measures or alternatives may be required as a result. The Initial Study thereby documents whether or not the project is “within the scope” of the Master EIR.

Pursuant to Public Resources Code Section 21157.1, no new environmental document or findings are necessary for projects that are determined to be within the scope of the MEIR. Adoption of a notice of conformity after completion of the Initial Study fulfills the City’s obligation in that situation.

All environmental effects cited reflect year 2025 build-out of the Urban Area General Plan as identified in the MEIR.

The Master EIR for the General Plan organizes its analysis of environmental impacts into eighteen subject areas. The following analysis is based on the impact analyses contained in Chapter V of the Master EIR. For ease of cross-reference, the sections are numbered in the same order as the analyses in Chapter V.

In addition to the 18 Master EIR subject areas, the Initial Study checklist addresses the issues of land use/planning and aesthetics. The reason for including these additional issues is to ensure that consideration is being given to the full range of subjects of importance contained in Appendix G of the CEQA Guidelines. The format for the land use/planning and aesthetics sections differs from that of the other 18 subject areas since these two subjects were not addressed as distinct subjects in the Master EIR.

**1. TRAFFIC AND CIRCULATION**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant and unavoidable traffic and circulation impacts within certain areas of the “Baseline Developed Area”:

Effect: Increased traffic will result in certain roadway segments operating at LOS “D” or worse.

Effect: The substantial increase in traffic relative to the existing load and capacity of the street system will cause, violation, either individually or cumulatively, of a LOS standard established by the County CMP for designated roads and highways.

Effect: Creation of need for Capacity-enhancing modifications to existing facilities.

Effect: Increase in energy consumption associated with the operation of highway projects, rail improvements, and aviation facilities.

Effect: Severe contrast with existing neighborhood or area character caused by highway and transit projects.

This is an application to rezone the project site from R-1 (Single Family Residential) to P-D (Planned Development Zone) in order to facilitate development of a medical and professional office complex. The addition of the office complex is compatible with the existing surrounding mix use of residential development and professional office complexes located along this area of Coffee Road. Because the project is consistent with the surrounding mix use of professional office and residential developments, the use and activities will not change to a level that will cause a change to the existing road capacities or levels of service.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Traffic and Circulation mitigation measures that may be pertinent to this project are found on MEIR pages V-1-15 through V-1-21. All feasible measures appropriate to the project – including any new measures - will be incorporated into or made conditions of approval of this project and will be listed in Section IV, *Mitigation Measures Applied to Project*.

**c. Project-Specific Effects**

Section V-1.B of the MEIR provides analysis of Traffic and Circulation impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Significance Criteria: A subsequent development project will have a new significant effect on the environment if it would exceed the following criteria:

- |  | YES                      | NO                                  |
|--|--------------------------|-------------------------------------|
| (1) The project would contribute one hundred (100) or more peak hour trips to or from the site during the adjacent roadway's peak hour or the development's peak hour, to adjoining roads and generates more trips than assumed for their general plan land use category and zoning in the Master EIR. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Note:

If a project exceeds an additional one hundred (100) or more peak hour trips contribution, a site access study may be conducted to determine to what extent the project would exceed the year 2025 level of service (LOS) expected for the adjoining roadways under the Master EIR. The site access study would recommend new, project-specific mitigation measures. If the project also exceeds the Master EIR's traffic generation assumption, as determined by Engineering & Transportation staff, a comprehensive traffic study would be required that will include off-site traffic impact analysis.

	YES	NO
(2) Substantially increase hazards due to a design feature (e.g., sharp curves or dangerous intersections) or incompatible uses (e.g. farm equipment).	<input type="checkbox"/>	X
(3) Result in inadequate emergency access.	<input type="checkbox"/>	X
(4) Result in inadequate parking capacity.	<input type="checkbox"/>	X

**DISCUSSION:**

- (1) Engineering and Transportation Staff reviewed the proposed project and have the following comments:
  - A. The proposed project will not generate traffic impacts to the adjacent roadways in excess of what was assumed under the MEIR. No traffic study is required.
  - B. A site access study is not required for this project.
- (2) The project will not substantially increase hazards due to a design feature (e.g., sharp curves or dangerous intersections) or incompatible uses (e.g. farm equipment). The City Engineering and Traffic Department has evaluated the project and has determined that the existing design layout of the project is in accordance to City standards. The previously approved site plan was designed to accommodate commercial uses and emergency access.
- (3) Police and Fire Staff have reviewed this proposal and have indicated that there is no emergency access problem.
- (4) The project has been evaluated for compliance to the City of Modesto Parking regulations. The parking area will be located to the rear of the property and will provide a total of 54 spaces exceeding the minimum requirement of 52 parking spaces. The design and layout of the proposed parking area will comply with both City standards and ADA (Americans with Disability Act) standards.

**2. AIR QUALITY**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to air quality:

Effect: Projected City traffic levels will result in increased ambient carbon monoxide (CO) levels in the project area. *This is a significant and unavoidable impact.*

Effect: Projected City traffic levels will result in increased ROG and NOX levels in the project area. *This is a significant and unavoidable impact.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Air Quality mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-2-11 through V-2-18 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project and are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

Mitigation Measures appropriate to this project include: AQ-17

**c. Project-Specific Effects**

Section V-2.B of the MEIR provides analysis of Air Quality impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project exceeds the emissions thresholds established for CO and NOx by the San Joaquin Valley Unified Air Pollution Control District's (SJVUAPCD) adopted CEQA Guidelines.	<input type="checkbox"/>	X
(2) The project does not incorporate the best management practices for PM10 reduction established by the SJVUAPCD.	<input type="checkbox"/>	X
(3) The project does not comply with the air quality policies of the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(4) The project would expose sensitive receptors to substantial pollutant concentrations.	<input type="checkbox"/>	X
(5) The project would create objectionable odors affecting a substantial number of people.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project was referred to the San Joaquin Valley Unified Air Pollution Control District who determined that the project would not have a significant effect on the ambient air quality.
- (2) This project does incorporate the best management practices for PM10 reduction established by the SJVUAPD (see mitigations measures above).
- (3) Applicable General Plan Policies have been applied to the previously approved project site. Therefore, project-specific effects will be less than significant for this impact (see mitigations measures above).

- (4) The project is not a significant contributor to pollution levels in that it involves only a building addition for an existing church. PM10 emissions created through the construction phase will be mitigated as called for by the MEIR by the measures listed above.
- (5) The proposed project will not produce objectionable odors.

**3. NOISE**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant and unavoidable environmental impacts relative to noise:

Effect: Traffic noise levels for future conditions in the plan area have the potential to result in an excess of the City's Noise Significance Standards.

Effect: Noise level projections based on the traffic levels anticipated in the General Plan indicate that noise will exceed the City's General Plan and noise ordinance standards.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Noise policies and mitigation measures pertinent to the project being analyzed in this Initial Study are found on pages V-3-10 through V-3-15 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project and any new measures are listed in Section IV, Mitigation Applied to Project:

DISCUSSION:

Mitigation Measures appropriate to this project include: N-4, N-5 and N-6.

**c. Project-Specific Effects**

Section V-3.B of the MEIR provides analysis of noise impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project will exceed the standards for noise level and hours of operation established by the Modesto noise ordinance.	<input type="checkbox"/>	X
(2) The project will exceed the noise policies of or otherwise be inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(3) The project will result in a substantial permanent increase in ambient noise levels in the project vicinity above levels existing without the project?	<input type="checkbox"/>	X

- (4) The project will result in a substantial temporary or periodic increase in ambient noise levels in the project vicinity above levels existing without the project.  X

**DISCUSSION:**

- (1) The City's noise policy is incorporated into the conditions of approval as a mitigation measure.
- (2) The project is consistent with the noise policies of the General Plan. The noise mitigation measures called for by the General Plan for projects within the baseline developed area, are incorporated into the conditions of approval for the project.
- (3) The only permanent noise levels produced by the project would be associated with traffic. The increased traffic levels are within the scope of what the MEIR assumed for the site. Therefore, this project will not result in a substantial permanent increase in ambient noise levels.
- (4) The project will not result in a substantial temporary or periodic increase in ambient noise levels in the project vicinity. There will be some construction related noise, but the noise mitigation measures called for by the General Plan for projects within the baseline developed area, are incorporated into the conditions of approval for the project.

**4. AGRICULTURAL LANDS**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to agricultural lands:

Effect: Development within the urbanized Baseline Developed Area and Redevelopment Area will have a less-than-significant impact on agricultural lands.

Effect: Conversion of agricultural land will occur as available developable land is occupied within the City. This is a significant and unavoidable impact.

Effect: Growth within Modesto's planning area would contribute considerably to the loss of agricultural land within Stanislaus County. This is a significant and unavoidable cumulative impact.

The site is not zoned for agriculture or designated on the General Plan for future agricultural use. The proposed project will not affect areas zoned for agriculture or designated on the General Plan for future agricultural use. The project site and the surrounding property are located within a fully developed urbanized area.

**b. Master EIR and/or New Mitigation Measures Pertinent to the Project**

Agricultural Land mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-4-7 and V-4-8 MEIR. All feasible measures appropriate to the project and any new mitigation to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Applied to Project:

DISCUSSION:

There are no mitigation measure applicable to this project.

**c. Project-Specific Effects**

Section V-4.B of the MEIR provides analysis of Agricultural Lands impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project will directly result in the development of land outside the March 2003 planning area boundaries.	<input type="checkbox"/>	X
(3) The project will Conflict with existing zoning for agricultural use, or a Williamson Act contract.	<input type="checkbox"/>	X
(4) The project will Involve other changes in the existing environment which, due to their location or nature, could result in conversion of Farmland, to non-agricultural use.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the General Plan land use policies. It is an infill project, proposed within the urbanized area of the City. There are no agricultural parcels affected by the proposal and no agricultural and will be converted.
- (2) The project is within the Baseline-Developed area of the City and therefore will not result in the development of land outside the March 2003 planning area boundaries.
- (3) The project site is not zoned for agriculture nor is it under Williamson Act contract.
- (4) The project will not involve changes to the existing environment that could result in the conversion of farmland to non-agricultural uses. The project is completely surrounded by urbanization.

**5. WATER SUPPLY**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to water supply:

Effect: Urban Area General Plan policies are established to limit groundwater extractions to the safe yield of the aquifer and thereby avoid aquifer over drafting. In addition, the UWMP requires that new urban development would proceed in conjunction with the availability of water supplies and distribution facilities. It is assumed that increased entitlement of surface water supplies such as a water transfer from another water purveyor would undergo independent environmental review pursuant to CEQA. *This is a less-than-significant impact.*

Effect: Development to the future projected City population would require expansion of the MRWTP to its full 60 mgd capacity, development of additional groundwater wells, and construction of additional water distribution and treatment facilities. Construction of some of the required facilities would most likely require site-specific environmental impact assessments to be conducted under CEQA. *Consequently, the potential environmental impacts of the Urban Area General Plan are considered less-than-significant.*

Effect: During drought years, despite available options, significant water shortages are forecast for the San Joaquin River basin by the year 2020. Modesto would make a cumulatively considerable contribution to the cumulative impact on water supply under drought conditions. *This is a significant and unavoidable cumulative impact.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Water Supply mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-5-7 through V-5-8 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

There are no mitigation measures applicable to this project.

**c. Project-Specific Effects**

Section V-5.B of the MEIR provides analysis of Water Supply impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

		YES	NO
(1)	The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2)	Sufficient water supplies are not available to serve the project from existing entitlements and resources, new or expanded entitlements are needed.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan MU (Mixed Use) both in land use and intensity.
- (2) The project was referred to Engineering and Transportation for comment and there was no determination that there is insufficient capacity to serve the project.

**6. SANITARY SEWER SERVICES**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to sanitary sewer services:

Effect: The City has already begun to implement the provisions of the Wastewater Master Plan (WMP) to meet future demand for sanitary sewer services. As City wastewater treatment facilities are expanded to meet the needs of the Baseline Developed, Redevelopment, and Planned Urbanizing Areas, the City will obtain the necessary wastewater discharge and NPDES permits from the Central Valley RWQCB, as required under Urban Area General Plan Policy V-D.2(a). Implementing the WMP, requirement of Best Management Practices for post-construction activities, as well as the Urban Area General Plan policy cited above, will avoid violation of wastewater discharge requirements. *As a result, this impact would be less-than-significant.*

Effect: The City has adopted the WMP specifically to ensure that sewer capacity will match the level of growth projected by the Urban Area General Plan. Development within the Baseline Developed and the Planned Urbanizing Areas that is consistent with the Urban Area General Plan will not have a significant effect on capacity. Urban Area General Plan Policy III-D.1(d) will ensure that development in the Planned Urbanizing Area will fund the necessary improvements. *This is a less-than-significant impact.*

Note on the WMP Master EIR. The WMP Master EIR identified a number of impacts and mitigation measures. Its mitigation measures have been adopted by the City and are being implemented by the City under the WMP. Those impacts are being independently addressed under that Master EIR and do not need to be considered under this Initial Study. Refer to the WMP Master EIR for details.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Sewer Service mitigation measure(s) pertinent to the project being analyzed in this Initial Study, are found on pages V-6-4 through V-6-7 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

There are no mitigation measure applicable to this project.

**c. Project-Specific Effects**

Section V-6.B of the MEIR provides analysis of Sanitary Sewer Service impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project will result in a determination by the wastewater treatment provider which serves or may serve the project that it has inadequate capacity to serve the project's projected demand in addition to the provider's existing commitments.	<input type="checkbox"/>	X

**DISCUSSION:**

- (1) The project is consistent with the Modesto Urban Area General Plan MU (Mixed Use) both in land use and intensity.
- (2) The project was referred to Engineering and Transportation for comment and there was no indication that there is insufficient capacity to serve the project.

**7. SENSITIVE WILDLIFE AND PLANT HABITAT**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to sensitive wildlife and plant habitat:

Effect: Although many sensitive species live in riparian habitats within the planning area, the policies of the plan will ensure that impacts of the Urban Area General Plan will be less-than-significant.

Effect: Requiring higher residential density than the suburban norm and a compact pattern of growth within the designated planning area to the year 2025 will minimize the City's contribution to the cumulative loss of habitat. Nonetheless, this is a significant and unavoidable impact.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Wildlife and Plant Habitat mitigation measure pertinent to the project being analyzed in this Initial Study are found on pages V-7-19 through V-7-21. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

There are no mitigation measures applicable to this project regarding sensitive wildlife and plant habitat. The project site is not a biologically sensitive site as defined by Figures V-7-1a through V-7-1e of the MEIR.

**c. Project-Specific Effects**

Section V-7.B of the MEIR provides analysis of Wildlife and Plant Habitat impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) Consultation with the California Department of Fish and Game or the U.S. Fish and Wildlife Service determines that the project would have a significant effect on special status species.	<input type="checkbox"/>	X
(3) Conflict with any local policies or ordinances protecting biological resources, such as a tree preservation policy or ordinance.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan MU (Mixed Use) both in land use and intensity.
- (2) The project site is not a biologically sensitive site as defined by Figures V-7-1a through V-7-1e of the MEIR. The California Department of Fish and Game and the U.S. Fish and Wildlife Service were consulted in the production of the MEIR.
- (3) There is no conflict with any local policies or ordinances protecting biological resources.

**8. ARCHAEOLOGICAL OR HISTORICAL SITES**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to archaeological or historical sites:

Effect: If a site-specific project involves the modification or demolition of a qualifying structure more than 50 years in age, then the impact will be significant.

Effect: Areas of high probability for archaeological resources are located within the riparian corridors along the Tuolumne River, Dry Creek, and the Stanislaus River. There, the potential impact comes from earthmoving activities that could result in disturbance of resources or human remains. There is a low probability that archaeological resources will be uncovered in areas outside of the riparian corridors.

Effect: The City Zoning Ordinance requires that when substantial changes to a structure are proposed, the development will be required to comply with other Zoning Ordinance provisions such as parking or landscaping requirements. This could result in modifications to the structure, which substantially reduce its historical significance. This would be a less-than-significant impact with the imposition of new mitigation measure Cultural-1.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Archaeological or Historic mitigation measures pertinent to the project being analyzed in this Initial Study are found on page V-8-13 and V-8-14 MEIR. The project does not involve physical development and as a result no measures will be incorporated into or made conditions of approval of this project.

DISCUSSION:

Mitigation Measures applicable to this project include: AH-8, Master EIR.

**c. Project-Specific Effects**

Section V-8.B of the MEIR provides analysis of Archaeological/Historical impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project would adversely affect a cultural resource that is either listed or eligible for listing in the California Register of Historical Resources, or that is listed by the City of Modesto as a Designated Landmark Preservation Site.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan MU (Mixed Use) in both land use and intensity.
- (2) The project would not adversely affect a cultural resource that is either listed or eligible for listing in the California Register of Historical Resources, or that is listed by the City of Modesto as a Designated Landmark Preservation Site. The mitigation measure called for by the General Plan is incorporated into the conditions of approval for the project.

## 9. STORM DRAINAGE

### a. Significant Effects Identified in the Master EIR

The Master EIR identified the following significant environmental impacts relative to storm drainage:

Effect: The potential impacts on storm water drainage that could occur from the project were qualitatively evaluated with respect to several factors including: extent of the projected increase in urban surface area compared to undeveloped ground; magnitude of projected changes to hydrologic and physical site characteristics of the study area compared to existing conditions; regulatory criteria and guidelines; and professional judgment. Because the Urban Area General Plan includes policies that require new development in all three sections of the planning area to install approved drainage facilities, the potential impacts of the Urban Area General Plan on storm water drainage are considered *less-than-significant*.

Effect: The population of Stanislaus County is projected to increase in a fashion similar to that of Modesto, resulting in additional urban development and associated increases in impervious areas and associated urban storm water drainage. Cumulative hydrologic impacts of storm water flows from Modesto urban areas and other areas of the County could occur due to the fixed capacity of MID and TID irrigation canals to convey drainage west to the San Joaquin River. If drainage channels in some areas prove insufficient to handle the increased drainage discharges, existing storm water runoff from urban and agricultural areas during large storm events would have to be interrupted until water levels receded to a point allowing the resumption of discharges to the channel. Ceasing discharges to drainage channels could cause inundation in and around the drainage conveyance pipeline systems, surface drainage channels, detention basins, and other urban areas. *This cumulative impact is considered significant and unavoidable.*

### b. Master EIR and/or New Mitigation Measures Applied to the Project

Storm Drainage mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-9-4 through V-9-8. The site is fully developed and this new proposal will only involve an amendment to the Planned development zone with no physical changes to the property. No measures will be incorporated into or made conditions of approval of this project.

### DISCUSSION:

Mitigation measures appropriate to this project include: SD-7, MEIR. This mitigation measure is addressed by conditions of approval.

### c. Project-Specific Effects

Section V-9.B of the MEIR provides analysis of Storm Drainage impacts of development of the General Plan; the following is an analysis of whether the proposed project would result in a new, significant, project-specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |  | YES                      | NO |
|--|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.  | <input type="checkbox"/> | X  |
| (2) The project would substantially increase the rate or amount of surface runoff in a manner that would result in flooding on- or offsite.  | <input type="checkbox"/> | X  |
| (3) Create or contribute runoff water that would exceed the capacity of existing or planned storm water drainage systems or provide substantial additional sources of polluted runoff. | <input type="checkbox"/> | X  |

**DISCUSSION:**

- (1) The project is consistent with the Modesto Urban Area General Plan MU (Mixed Use) designation in both land use and intensity.
- (2) The project will meet the standards contained in the "Guidance Manual for New Development-Storm Water Quality Control Measures," adopted by the City as required by the above-listed mitigation measures.
- (3) The project will not contribute additional water runoff that would exceed the capacity of the storm drainage system.

**10. FLOODING AND WATER QUALITY**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to flooding and water quality:

Effect: Increased runoff can accelerate soil erosion, stream channel scouring, and sedimentation of channels, and also increase pollutant transport to waterways. The potential impacts of the project on flooding are considered less-than-significant because the Urban Area General Plan Update includes policies to restrict development in the floodplain and therefore would avoid exposing persons and property to flood hazards. In addition, new development under the Urban Area General Plan is required to install storm water drainage facilities that restrict the amount of post-development runoff from exceeding pre-development conditions.

Effect: The potential impacts of the project on surface-water quality are considered less-than-significant because the City policies and capital improvement projects for storm water drainage facilities would minimize discharges of urban pollutants to natural waterways. The City drainage program policies require new development to prepare drainage plans and implement urban runoff control measures; larger Specific Plan developments must have storm drainage systems designed to control pollutant runoff. The City's implementation policies for the municipal NPDES storm water permit require new development to implement an appropriate selection of permanent pollution control measures. Permanent erosion control measures such as seeding and planting vegetation for new cut-and-fill slopes, directing runoff through vegetation, or otherwise reducing the offsite discharge of particulates and sediment are the most effective method of controlling offsite discharges of urban pollutants.

Effect: The City's future development will contribute to cumulative water quality effects. EPA regulations for NPDES storm water permits and new proposed regulatory additions to the rules have become much more comprehensive in recent years and are being implemented to reduce pollutant runoff from both large- and small-scale activities. Implementation of NPDES-permitting programs throughout the county will reduce potential water-quality impacts to a less-than-significant level.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Flooding and Water Quality mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-10-7 through V-10-10 MEIR. All feasible measures appropriate to the project have been incorporated into or made conditions of approval of the previously approved development. This project will not involve any modification to the existing site that would require additional measures applied to the new proposal.

DISCUSSION:

Mitigation measures appropriate to this project include: FWQ-14, MEIR. This mitigation measure is addressed by conditions of approval.

**c. Project-Specific Effects**

Section V-10.B of the MEIR provides analysis of Flooding and Water Quality impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project does not comply with the regulatory requirements of the federal Clean Water Act or the State Porter-Cologne Act.	<input type="checkbox"/>	X
(3) The project does not comply with Modesto's Guidance Manual for New Development Storm water Quality Control Measures.	<input type="checkbox"/>	X
(4) The project would create or contribute runoff water, which would exceed the capacity of existing or planned storm water drainage systems or provide substantial additional sources of polluted runoff.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan MU (Mixed Use) designation in both land use and intensity.
- (2) The project would comply with the Federal Clean Water Act and the Porter Cologne Act requirements.

- (3) Mitigation Measures as called for by FWQ-14 will be applied to the project so that the project will comply with the Guidance Manual for New Development Storm Water Quality Control Measures.
- (4) The project would not create or contribute to runoff water in excess of the capacity of existing or planned storm water drainage systems or provide additional sources of polluted runoff.

**11. PARKS AND OPEN SPACE**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to parks and open space:

Effect: Within the Baseline Developed and Redevelopment Areas, the Urban Area General Plan does not propose any elimination of existing park and/or open space land. *Impacts on parks and open space will be less-than-significant.*

Effect: The projected population of the Planned Urbanizing Area is 148,600, requiring 149 acres of neighborhood parks and 298 acres of community parks. The required minimum acreages can be met through the application of existing policies and regulations, including Government Code Section 66474, which require developers to pay Parks Capital Facilities Fees to fund the acquisition of appropriate parkland acreage. *This impact is less-than-significant.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Parks and Open Space Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-11-4 through V-11-19 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project, are listed in Section IV, Mitigation Applied to Project:

DISCUSSION:

There are no mitigation measure applicable to this project. It is not on or adjacent to any park sites, nor is it near any of the riparian area identified by Figures V-7-1a through V-7-1e of the MEIR.

**c. Project-Specific Effects**

Section V-11.B of the MEIR provides analysis of Parks and Recreation impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	<input checked="" type="checkbox"/>

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan MU (Mixed Use) designation in both land use and intensity. There are no mitigation measures applicable to this project.

**12. SCHOOLS**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to schools:

Effect: The estimated increase in population over 1994/1995 would generate an additional 29,200 elementary school students, 7,330 middle school students, and 14,640 high school students above those enrollments. Assuming that existing facilities cannot sufficiently accommodate this increase and that all of the new students would require new school facilities, build out of the General Plan would result in the need for approximately 37 elementary schools, 8 middle schools, and 7 high schools beyond 1994/1995 levels. This would result in a significant impact on schools in that it would exceed current capacity. By statute, this impact is considered to be mitigated below a level of significance by payment of school impact fees and exercise of any or all of the financing options set out in Government Code Section 65997.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. ). As long as all anticipated subsequent projects apply these policies, no new mitigation is necessary. Further, payment of school impact fees and compliance with SB 50 is statutorily deemed to be full mitigation of school impacts (Government Code Section 65995). The proposed additional school policy will address the situation that would arise should AB 50 be repealed. It will authorize impact fees or other methods to finance additional school facilities.

The following schools mitigation measure(s) are pertinent to the project being analyzed in this Initial Study. See pages V-12-4 through V-12-7 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section IV, Mitigation Applied to Project:

DISCUSSION:

There are no mitigation measures applicable to this project.

**c. Project-Specific Effects**

Section V-12.B of the MEIR provides analysis of Schools impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

YES NO

- (1) The project is inconsistent with the Modesto Urban Area General Plan.  X
- (2) The project does not comply with SB 50/Proposition 1A funding provisions, or succeeding measures which provide that compliance results in less-than-significant impacts on schools.  X

DISCUSSION:

- (1) The project is consistent with the General Plan MU (Mixed Use) in both land use and intensity.
- (2) The project was referred to Modesto City Schools who indicated no opposition to the project.

**13. POLICE SERVICES**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to police services:

Effect: The 1995 Master EIR identified two impacts on the demand for police services; however, it concluded that no significant impact, based on the mitigation measures identified in the 1995 Master EIR, would occur. Those mitigation measures are now policies of the Urban Area General Plan. *The impact is less-than-significant.*

Effect: Within the Planned Urbanizing Area, complying with the Urban Area General Plan policies, particularly the policy that requires a long-range financing strategy for each Comprehensive Plan Area, will allow the City to provide the resources necessary to extend service to the newly growing Planned Urbanizing areas. *These policies reduce the impact to a less-than-significant level.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Police Services mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-13-3 and V-13-4 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

No mitigation measures are applicable to this project.

**c. Project-Specific Effects**

Section V-13.B of the MEIR provides analysis of police services impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

YES NO

- (1) The project is inconsistent with the Modesto Urban Area General Plan.  YES  NO
- (2) The project would result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives.  YES  NO

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan MU (Mixed Use) designation in both land use and intensity.
- (2) The project would not result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives. The project meets City Standards for emergency services access.

**14. FIRE SERVICES**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to fire services:

Effect: The Baseline Developed Area and Redevelopment Area are already developed. *Impacts on fire services of development in these areas will be less-than-significant.*

Effect: In the Planned Urbanizing Area, the Urban Area General Plan would result in the need for additional fire protection services due to increases in the number of employees, permanent population, and associated improvements. City policy requires that fire protection be in place concurrent with construction in the Planned Urbanizing Area. This policy will be implemented with the adoption of future Comprehensive Plans in the Planned Urbanizing Area. *This impact would be less-than-significant.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Fire Services mitigation measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-14-3 through V-14-5 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project. are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

No mitigation measures are applicable to this project.

**c. Project-Specific Effects**

Section V-14.B of the MEIR provides analysis of fire services impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project would result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives.	<input type="checkbox"/>	X

**DISCUSSION:**

- (1) The project is consistent with the Modesto Urban Area General Plan MU (Mixed Use) designation in both land use and intensity.
- (2) The project would not result in the need for construction of new or significantly altered facilities which could cause new significant environmental impacts in order to maintain acceptable service ratios, response times or other performance objectives. The project meets City Standards for emergency services access.

**15. SOLID WASTE**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to solid waste:

Effect: New development projects would exceed available landfill capacity, it is identified as a significant impact. The Fink Road Landfill may be closed by the time the City reaches build out, unless an expansion is approved by the County and the Integrated Waste Management Board. As the waste stream generated increases with population, additional landfills and methods for diversion would have to be utilized. New projects will also generate the need for additional collection and transfer facilities. This impact is significant and unavoidable. *The impact would be less-than-significant at such time as the Fink Road Landfill expansion is approved.*

Effect: New development projects can make a considerable contribution to the cumulative impact on landfill capacity of development in Stanislaus County. *This impact is significant and unavoidable.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

Solid Waste Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study, are found on pages V-15-5 and V-15-6 MEIR. All feasible measures appropriate to the project

to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Applied to Project:

**DISCUSSION:**

No mitigation measures are applicable to this project.

**c. Project-Specific Effects**

Section V-15.B of the MEIR provides analysis of solid waste impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |   | YES                      | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.   | <input type="checkbox"/> | X  |
| (2) The County is unable to expand its solid waste disposal capacity and the project would result in waste stream levels that exceed disposal capacity. | <input type="checkbox"/> | X  |

**DISCUSSION:**

- (1) The project is consistent with the Modesto Urban Area General Plan MU (Mixed Use) designation in both land use and intensity.
- (2) This project was referred to the County and Solid Waste Division of the Engineering and Transportation Division for review, and no indication was given that there would be a problem serving this project.

**16. HAZARDOUS MATERIALS**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to hazardous materials:

Effect: The impacts of the project relative to hazardous materials are less-than-significant, based on the existing regulatory framework. New development will be required to comply with regulations monitoring and controlling the handling and use of hazardous and toxic materials.

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under federal, state and county policies and regulations,

and the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Hazardous Materials Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-16-9 through V-16-12 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

**DISCUSSION:**

No mitigation measures are applicable to this project.

**c. Project-Specific Effects**

Section V-16.B of the MEIR provides analysis of hazardous materials impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project does not comply with all applicable federal, state, and county standards and regulations relative to the handling, storage, disposal, and transport of hazardous or toxic materials or wastes.	<input type="checkbox"/>	X
(3) The project contains a contaminated site not identified as of March 2003.	<input type="checkbox"/>	X
(4) The project would emit hazardous emissions or handle hazardous or acutely hazardous materials, substances, or waste within one-quarter mile of an existing or proposed school.	<input type="checkbox"/>	X
(5) The project would be located on a site which is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and as a result, would create a significant hazard to the public or the environment.	<input type="checkbox"/>	X

**DISCUSSION:**

- (1) The project is consistent with the Modesto Urban Area General Plan MU (Mixed Use) designation in both land use and intensity.
- (2) The project does comply with all applicable federal, state, and county standards and regulations relative to the handling, storage, disposal, and transport of hazardous or toxic materials or wastes. (No hazardous materials will be involved with this project).
- (3) The project site is not known to contain any contaminants.

- (4) The project would not emit hazardous emissions or handle hazardous or acutely hazardous materials, substances, or waste.
- (5) The project would not be located on a site which is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and as a result, would not create a significant hazard to the public or the environment.

**17. LANDSLIDES AND SEISMIC ACTIVITY**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to landslides and seismic activity:

Effect: There are areas of known sand and gravel resources within the Baseline Developed Area and Redevelopment Area. Future development will be subject to SMARA requirements, therefore, *the project impact will be less-than-significant.*

Effect: There are areas of known sand and gravel resources within the Planned Urbanizing Area. Future development will be subject to SMARA requirements, therefore, *the project impact will be less-than-significant.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

The Master EIR did not identify any new mitigation measures. Mitigation relies upon the implementation of the policies in place under the Modesto Urban Area General Plan. These are identified and described in the list of policies in place and MEIR mitigation measures attached to the Initial Study template.

Landslide and Seismic Activity Mitigation Measure(s) pertinent to the project being analyzed in this Initial Study are found on pages V-17-6 and V-17-7 MEIR. All feasible measures appropriate to the project to be incorporated into or made conditions of approval of this project are listed in Section IV, Mitigation Measures Applied to Project:

DISCUSSION:

No mitigation measures are applicable to this project.

**c. Project-Specific Effects**

Section V-17.B of the MEIR provides analysis of landslides and seismic impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |   |                          |                                     |
|---|--------------------------|-------------------------------------|
|   | YES                      | NO                                  |
| (1) The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

- (2) The project would be located on soil that is unstable, or that would become unstable as a result of the project, and potentially result in on or off-site landslide, lateral spreading, subsidence, liquefaction or collapse.  X

DISCUSSION:

- (1) The project is consistent with the General Plan MU (Mixed Use) designation in both land use and intensity.
- (2) The project would not be located on soil that is unstable, or that would become unstable as a result of the project.

**18. ENERGY**

**a. Significant Effects Identified in the Master EIR**

The Master EIR identified the following significant environmental impacts relative to energy:

Effect: The Baseline Developed Area and Redevelopment Area are already developed. New development within the Redevelopment Area will comply with Title 24 standards as well as City Urban Area General Plan policies. *Impacts on energy by development in these areas (i.e., changes in levels of use above the current baseline) will be less-than-significant.*

Effect: Build out under the Urban Area General Plan will utilize an estimated 1,400 million cubic feet per month of natural gas, 1,300 million kilowatt hours (kwh) of electricity per year and 650,000 gallons of gasoline per day. PG&E has indicated that they have at the current time sufficient supplies of natural gas to serve the increased natural gas demands of the project. At present, gasoline supplies are apparently sufficient to serve the gasoline demands of the project. Title 24 of the California Code of Regulation, which ensures that the project will not exceed local, state, and federal energy standards. *The impact is less-than-significant.*

**b. Master EIR and/or New Mitigation Measures Applied to the Project**

The following energy mitigation measure(s) are pertinent to the project being analyzed in this Initial Study. See page V-18-3 MEIR. All feasible measures appropriate to the project will be incorporated into or made conditions of approval of this project. Those measures will be listed in Section IV, Mitigation Applied to Project:

DISCUSSION:

No mitigation measures are applicable to this project.

**c. Project-Specific Effects**

Section V-18.B of the MEIR provides analysis of energy impacts of development of the General Plan, the following is an analysis of whether the proposed project would result in a new, significant, project -specific effect not previously analyzed in the MEIR.

Determination of project effects will be based on the following thresholds. The project-specific effects will be less-than-significant unless:

- |   | YES                      | NO |
|---|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan. | <input type="checkbox"/> | X  |

DISCUSSION:

- (1) The project is consistent with the Modesto Urban Area General Plan MU (Mixed Use) designation in both land use and intensity.

**19. PLANNING AND LAND USE**

The Master EIR was certified for the Modesto Urban Area General Plan. The significant effects described in the 18 subject areas contained in the Master EIR are based on the planning policies and diagrams adopted as part of the General Plan. Planning and land use were not among the 18 subject areas analyzed in the Master EIR because they essentially defined the project being evaluated in the EIR.

**a. Project-Specific Effects**

Determination of project effects will be based on the following threshold. A project-specific effect is less-than-significant unless:

- |  | YES                      | NO |
|--|--------------------------|----|
| (1) The project is inconsistent with the Modesto Urban Area General Plan.                | <input type="checkbox"/> | X  |
| (2) The project includes a substantive amendment to the Modesto Urban Area General Plan. | <input type="checkbox"/> | X  |
| (3) The project would physically divide an established community                         | <input type="checkbox"/> | X  |

Discussion:

- (1) The project is consistent with the Modesto Urban Area General Plan MU (Mixed Use) designation in both land use and intensity.
- (2) No amendment to the General Plan is required by this project.
- (3) The project is infill development that will not divide an established community.

**20. AESTHETICS**

The Master EIR was certified for the Modesto Urban Area General Plan. The significant effects described in the 18 subject areas contained in the Master EIR, are based on the planning policies and diagrams adopted as part of the General Plan. At that level of detail, no significant effects on aesthetics were identified.

**a. Project-Specific Effects**

Determination of project effects will be based on the following threshold. A project-specific effect is less-than-significant unless:

	YES	NO
(1) The project is inconsistent with the Modesto Urban Area General Plan.	<input type="checkbox"/>	X
(2) The project would have a substantial adverse effect on a scenic vista.	<input type="checkbox"/>	X
(3) The project would substantially degrade the existing visual character or quality of the project site and its surroundings.	<input type="checkbox"/>	X
(4) The project would create a new source of substantial light and glare, which would adversely affect day or nighttime views in the area.	<input type="checkbox"/>	X

DISCUSSION:

- (1) The project is consistent with the General Plan MU (Mixed Use) designation in both land use and intensity.
- (2) There are no Scenic Vistas from the location of the proposed development. It is completely surrounded by urbanization. Views to the Diablo and Sierra Mountain Ranges are already precluded from this site and its surroundings.
- (3) The project would not substantially degrade the existing visual character or quality of the project site and its surroundings. This is an existing site, which had received previous City approval.
- (4) The project would not create a substantial source of light or glare that would adversely affect daytime or nighttime views in the area. The existing site conforms to current City regulations regarding night glare to surrounding residences. These requirements shall remain in effect.

**V. MITIGATION MEASURES APPLIED TO THE PROJECT**

**A. Master EIR Mitigation Measures Applied to the Project**

Pursuant to CEQA Section 21157.1 ( c), in order for a Finding of Conformance to be made, all feasible measures from the Master EIR appropriate to the project shall be incorporated into the project. The following adopted General Plan Policies and Master EIR Mitigation Measures (also contained in Section III, "Global List") shall be made part of the project prior to approval by means of conditions of project approval or incorporation into the appropriate document or plan:

All applicable and appropriate mitigation measures have been applied to the project.

### **Traffic and Circulation Measures:**

N/A

### **Air Quality Measures:**

1. All disturbed areas, including storage piles, which are not being actively utilized for construction purposes, shall be effectively stabilized of dust emissions using water, chemical stabilizer/suppressant, covered with a tarp or other suitable cover or vegetative ground cover
2. All land clearing, grubbing, scraping, excavation, land leveling, grading, cut & fill, and demolition activities shall be effectively controlled of fugitive dust emissions utilizing application of water or by presoaking.
3. When materials are transported off-site, all material shall be covered, or effectively wetted to limit visible dust emissions, and at least six inches of freeboard space from the top of the container shall be maintained.
4. All operations shall limit or expeditiously remove the accumulation of mud or dirt from adjacent public streets at the end of each workday. *(the use of dry rotary brushes is expressly prohibited except where preceded or accompanied by sufficient wetting to limit the visible dust emissions.) (Use of blower devices is expressly forbidden.)*
5. Following the addition of materials to, or the removal of materials from, the surface of outdoor storage piles, said piles shall be effectively stabilized of fugitive dust emissions utilizing sufficient water or chemical stabilizer/suppressant.

### **Noise Measures:**

1. The City's noise ordinance (Modesto Municipal Code Section 4-9.101) prohibits the "loud and raucous discharge into the open air of the steam of any steam equipment or exhaust from any stationary internal-combustion engine."

The noise ordinance prohibits the loud and raucous operation or use of any of the following before 7:00 a.m. or after 9:00 p.m. daily (except Saturday and Sunday and State or federal holidays, when the prohibited time shall be before 9:00 a.m. and after 9:00 p.m.):

- A. A hammer, or any other device or implement used to pound or strike an object.
- B. An impact wrench, or other tool or equipment powered by compressed air.
- C. A hand-powered saw.
- D. Any tool or piece of equipment powered by an internal-combustion engine such as, but not limited to, chain saw, backpack blower, and lawn mower.

- E. Any electrically powered (whether by alternating current electricity or by direct current electricity) tool or piece of equipment used for cutting, drilling, or shaping wood, plastic, metal, or other materials or objects, such as, but not limited to, a saw, drill, lathe, or router.
- F. Any of the following: heavy equipment (such as but not limited to bulldozer, steam shovel, road grader, back hoe), ground drilling and boring equipment (such as but not limited to derrick or dredge), hydraulic crane and boom equipment, portable power generator or pump, pavement equipment (such as but not limited to pneumatic hammer, pavement breaker, tamper, compacting equipment), pile-driving equipment, vibrating roller, sand blaster, gunite machine, trencher, concrete truck, and hot kettle pump.
- G. Any construction, demolition, excavation, erection, alteration, or repair activity. In the case of urgent necessity and in the interest of public health and safety, the Chief Building Official may issue a permit for exemption from these. Such period shall not exceed three (3) working days in length while the emergency continues but may be renewed for successive periods of three (3) days or less while the emergency continues. The Chief Building Official may limit such permit as to time of use and/or permitted action, depending upon the nature of the emergency and the type of action requested.
- H. Construction equipment and vehicles should be equipped with properly operating mufflers according to the manufacturers' recommendations. Air compressors and pneumatic equipment should be equipped with mufflers, and impact tools should be equipped with shrouds or shields.

**Agricultural Land Measures:**

N/A

**Water Supply Measures:**

N/A

**Sanitary Sewer Service Measures:**

N/A

**Sensitive Wildlife and Plant Habitat Measures:**

N/A

**Archaeological or Historic Sites Measures:**

1. If archaeological resources are discovered at any time during construction, all activity shall cease until the site is surveyed by a qualified archaeologist. The survey shall include mitigation measures, which shall be implemented before construction resumes. The survey shall follow the criteria presented in Appendix K

**Storm Drainage Measures:**

1. The developer shall implement pre- and post- construction best management practices (BMPs) to minimize pollutants entering the storm system.

**Flooding and Water Quality Measures:**

1. The developer shall implement pre- and post- construction best management practices (BMPs) to minimize pollutants entering the storm system.

**Parks and Open Space Measures:**

N/A

**Schools Measures:**

N/A

**Police Services:**

N/A

**Fire Services:**

N/A

**Generation of Solid Waste**

N/A

**Generation of Hazardous Materials**

N/A

**Potential for Landslides and Seismic Activity**

N/A

**Energy**

N/A

**Planning and Land Use**

N/A

**Aesthetics**

N/A

## B. New or Additional Mitigation Measures or Alternatives Required

Where the project's effects would exceed the specific thresholds defined for each environmental category, a mitigated negative declaration or Focused EIR must be prepared. Staff has reviewed the project against those thresholds set forth in the Master EIR for all applicable categories in this Initial Study. The following project-specific mitigation measures are necessary to reduce the identified new significant effect: **None**.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-567**

**A RESOLUTION AMENDING SECTIONS 1 & 2 OF RESOLUTION NO. 73-972 ENTITLED "A RESOLUTION APPROVING A DEVELOPMENT PLAN FOR PLANNED-DEVELOPMENT ZONE, P-D(118) (JOHN QUARESMA – TULLY & ROSEBURG)," (JEFF & HEATHER SUTTON)**

WHEREAS, the City Council, by Ordinance No. 1303-C.S., adopted on December 10, 1973, and which became effective on January 9, 1974, granted Planned Development Zone, P-D(118) to allow for a mixture of professional offices, two-story apartments, three one-story single family dwellings with two-car garages, utility and maintenance buildings, a storage, laundry and recreation building, and swimming pool, property located at Tully Road and Roseburg Avenue, and

WHEREAS, Modesto City Council Resolution No. 73-972, adopted by the City Council on November 26, 1973, approved a development plan for Planned Development Zone, P-D(118), and contained the conditions of approval thereof, and

WHEREAS, a verified application for an amendment to Planned Development Zone, P-D(118), was filed by Jeff and Heather Sutton on May 31, 2006, to allow the construction of a new two-story residence with a three-car garage, property located at 1124 Notre Dame Avenue, and

WHEREAS, after a public hearing held on July 17, 2006, in the Tenth Street Place Chambers located at 1010 10<sup>th</sup> Street, Modesto, California, it was found and determined by the Planning Commission, by its Resolution No. 2006-52, that the amendment to Planned Development Zone P-D(118), as requested is required by public necessity, convenience, and general welfare for the following reasons:

1. The requested P-D Amendment to P-D(118) to allow the building of up to three two-story residences with a maximum three-car garage is consistent with the current General Plan designation of R for Residential.
2. The proposed amendment to Planned Development Zone P-D(118) is categorically exempt from the California Environmental Quality Act under Section 15303(a) of the CEQA Guidelines, which include but are not limited to: the construction of up to three single-family residences in an urbanized area in a residential zone.

WHEREAS, said matter was set for a public hearing of the City Council to be held on September 5, 2006, in the Tenth Street Place Chambers located at 1010 10<sup>th</sup> Street, Modesto, California, at which date and time said duly noticed public hearing was held, and

WHEREAS, after said public hearing the Council found and determined that the application of Jeff and Heather Sutton for an amendment to Planned Development Zone, P-D(118) should be granted as consonant with public necessity, convenience and general welfare for the reasons set forth in Planning Commission Resolution No. 2006-52 and quoted above, and

WHEREAS, the Council has introduced Ordinance No. 3426-C.S. on the 5<sup>th</sup> day of September, 2006, amending Section 2 of Ordinance No. 1303-C.S. to allow the construction of a new two-story residence with a three-car garage, to be established in Planned Development Zone, P-D(118),

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that Sections 1 & 2 of Modesto City Council Resolution No. 73-972 entitled "A Resolution Approving a Development Plan for Planned Development Zone, P-D(118), (John Quaresma – Tully & Roseburg)" is hereby amended to read as follows:

“SECTION 1. DEVELOPMENT PLAN. An amended development plan for Planned Development Zone, P-D(118), is hereby approved subject to the following conditions:

1. All development shall conform to the site plan and elevations titled “Sutton Residence – 1124 Notre Dame Avenue”, stamped approved by the Planning Commission on July 17, 2006.
2. Prior to the issuance of a building permit for construction of a two-story addition or new two-story construction, parcels 45 and 47 in Block 842, the two remaining single-family homes fronting on Notre Dame Avenue shall be subject to plot plan approval by the Director or designee in accordance with Article 27, and Article 5, Section 10-2.508 of the Modesto Municipal Code.
3. All conditions of City Council Resolution No. 73-972, and Planning Commission Resolution No. 2006-52, not in conflict with this action shall remain in full force and effect.
4. The property owner and developer shall, at their sole expense, defend, indemnify and hold harmless the City of Modesto, its agents, officers, directors and employees, from and against all claims, actions, damages, losses, or expenses of every type and description, including but not limited to payment of attorneys’ fees and costs, by reason of, or arising out of, this development approval. The obligation to defend, indemnify and hold harmless shall include but is not limited to any action to arbitrate, attack, review, set aside, void or annul this development approval on any grounds whatsoever. The City of Modesto shall promptly notify the developer of any such claim, action, or proceeding and shall cooperate fully in the defense.
5. The Capital Facilities Fees payable at the time of the issuance of a building permit for any construction in this development shall be based on the rates in effect at time of issuance of the building permit.
6. Prior to the issuance of a building permit and/or grading permit if required, the applicant shall provide a Phase I study (and Phase II study if necessary) to the satisfaction of the Stanislaus County Department of Environmental Resources (DER).”

“SECTION 2. DEVELOPMENT SCHEDULE. The following development schedule is hereby approved for said Planned Development Zone, P-D(118):

The entire construction program be accomplished in one phase, construction to begin on or before September 5, 2008, and completion to be not later than September 5, 2009.”

SECTION 3. CHANGES IN DEVELOPMENT PLAN. Any changes in the above approved development plan shall be made in accordance with the provisions of Section 10-2.1709 of the Modesto Municipal Code.

SECTION 4. COMPLIANCE WITH CODE PROVISIONS, ETC. In all other respects said planned development shall be accomplished in accordance with and in strict adherence to the provisions of Article 17 of Title 10 of the Modesto Municipal Code relating to Planned Development Zones and other applicable City laws, rules, regulations and procedures.

SECTION 5. EFFECTIVE DATE. This resolution shall not become effective unless and until Ordinance No. 3426C.S. amending Ordinance No. 1303-C.S becomes effective.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5<sup>th</sup> day of September, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen,  
Mayor Ridenour

NOES: Councilmembers: None

ABSENT: Councilmembers: None

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-568**

**A RESOLUTION APPROVING AN AGREEMENT BETWEEN THE CITY OF  
MODESTO AND JONES AND STOKES ASSOCIATES FOR THE PREPARATION OF  
A MAINTENANCE UPDATE TO THE MODESTO URBAN AREA GENERAL PLAN  
AND AN UPDATE TO THE GENERAL PLAN MASTER ENVIRONMENTAL  
IMPACT REPORT (MEIR) IN AN AMOUNT NOT TO EXCEED \$937,280 AND  
AUTHORIZING THE CITY MANAGER TO EXECUTE THE AGREEMENT**

WHEREAS, on March 7, 2006, the City Council by Motion directed staff to proceed with preparation of a Request For Proposals (RFP) for the consultant selection process/work program for a maintenance update to the Modesto Urban Area General Plan and update to the General Plan Master EIR (MEIR), and

WHEREAS, RFP's were sent to 14 firms on April 7, 2006, and

WHEREAS, City staff received two responses, and

WHEREAS, the selection committee consisted of management staff from the Planning Division, Community & Economic Development Department, and

WHEREAS, City staff recommends that Jones and Stokes Associates be accepted to prepare a Maintenance Update to the Modesto Urban Area General Plan and an update to the General Plan MEIR because of their extensive experience on similar projects in other jurisdictions, and

WHEREAS, City staff anticipates the project will involve one phase in an amount not to exceed \$937,280,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the agreement between the City of Modesto and Jones and Stokes

Associates to prepare a Maintenance Update to the Modesto Urban Area General Plan and an update to the General Plan MEIR in an amount not to exceed \$937,280.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5<sup>th</sup> day of September, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-569**

**A RESOLUTION AMENDING THE FISCAL YEAR 2006-2007 OPERATING BUDGET TO CREATE A MULTI-YEAR OPERATING ORGANIZATION 0800-140-1440 – GENERAL PLAN/MEIR UPDATE AND TO APPROPRIATE \$625,000 TO THIS ACCOUNT FROM THE GENERAL FUND RESERVES (0100-800-8000-8003) FOR CONTRACT PROFESSIONAL SERVICES (\$525,000) AND STAFF CHARGES (\$100,000).**

WHEREAS, on March 7, 2006, the City Council by motion directed staff to proceed with the consultant selection process/work program for a maintenance update to the Modesto Urban Area General Plan and update to the General Plan Master EIR (MEIR), and

WHEREAS, the City has entered into an Agreement with Jones and Stokes Associates for the General Plan/MEIR Update, in an amount not to exceed \$937,280, for completion of the General Plan/MEIR Update, and

WHEREAS, staff time on the General Plan/MEIR Update is estimated at \$100,000 through the end of Fiscal Year 2006/07, and

WHEREAS, funding currently available for the General Plan/MEIR Update, in the amount of \$412,638 (Account No. 0800 140 1440 0235), is not sufficient to complete the work program, and

WHEREAS, funding for the work program will be drawn from the amount currently budgeted for the General Plan/MEIR Update in account No. 0800-140-1440 0235, and from a budget appropriation of \$625,000 from the general fund reserve to org 0800-040-1440-0235 (\$525,000) for contract professional expenses and 0255 (\$100,000) for staff charges for time working on this project.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby amends the Fiscal Year 2006-2007 operating budget to create a multi-year operating organization 0800-140-1440 – General Plan/MEIR Update and to appropriate \$625,000 to this account from the General Fund Reserves (0100-800-8000-8003) for contract professional services (\$525,000) and staff charges (\$100,000) for time working on this project.

BE IT FURTHER RESOLVED that the Finance Director, or designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 5<sup>th</sup> day of September, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar was upon roll call carried and the resolution adopted by the following vote:

AYES:	Councilmembers:	Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006 -570**

**A RESOLUTION REJECTING ALL APPLICATIONS/PROPOSALS FOR A CITY OF  
MODESTO NON-EXCLUSIVE, NON-CONSENSUAL FRANCHISE TOW PROGRAM**

WHEREAS, the Modesto City Council authorized the issuance of a Request for Applications/Request for Proposal for a City of Modesto Non-Exclusive, Non-Consensual Franchise Tow Program, and

WHEREAS, on July 15, 2005, the City of Modesto solicited Requests for Application/Request for Proposal for the Franchise Tow Program, and

WHEREAS, on September 6, 2005, the City of Modesto received thirteen (13) applications for Non-Exclusive Franchise, and

WHEREAS, on February 14, 2006, the City Council was advised of the Franchise Tow Evaluation Committee's recommendation for six (6) approved companies, and

WHEREAS, the City Council referred the recommendations to the City Manager for recommendation and report pursuant to Modesto Municipal Code Section 11-2.04, and

WHEREAS, the City Manager conducted a review and provided a report to the City Council, and

WHEREAS, the City Manager recommends that because of procedural flaws in the evaluation and rating process all proposals/applications received in response to the City of Modesto's Request for Proposals/Application process, Specifications No. 0405-24 for City of Modesto generated Non-Exclusive, Non-Consensual Franchise Tow Program be rejected,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto in accordance with Modesto Municipal Code Title 11, Chapter 2, that all proposals/applications received in response to the City of Modesto's request for Proposal/Application process No. 0405-24 for the City of Modesto generated Non-Exclusive, Non-Consensual Franchise Tow Program be rejected.

The foregoing resolution was introduced at regular meeting of the Council of the City of Modesto held on the 12<sup>th</sup> day of September, 2006 by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following votes:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen,

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-571**

**A RESOLUTION APPROVING AN AGREEMENT BETWEEN THE CITY OF MODESTO AND BRUCE A. WHITACRE, SUCCESSOR TRUSTEE OF THE WHITACRE FAMILY 1993 TRUST DATED 12-16-93 (APN: 085-050-007; 085-050-008) FOR THE FLOYD-ROSELLE ROUNDABOUT PROJECT AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE AGREEMENT.**

WHEREAS, the City Council of the City of Modesto directed staff to enter into negotiations with Bruce A. Whitacre, successor trustee of the Whitacre Family 1993 Trust dated 12-16-93 (APN: 085-050-007; 085-050-008) to purchase the necessary real property for the Floyd-Roselle Roundabout Project, and

WHEREAS, said real properties were appraised and City offered the appraised values, and

WHEREAS, said real properties need to be acquired for this roundabout project, and

WHEREAS, an agreement is needed for the acquisition of each parcel of the needed real property, and

WHEREAS, a Written Checklist Environmental Assessment (EA/PW No: 2006-09) has been prepared and is on file with the City of Modesto Community & Economic Development Department, and

WHEREAS, pursuant to said Environmental Assessment it has been determined that, pursuant to Sections 15168 (c) and 15182 of the California Environmental Quality Act Guidelines (“CEQA”), this Project is within the scope of the projects covered by the Village One Program EIR (SCH No. 90020181), as amended by the 1994 Supplemental EIR and the 2003 Addendum to the EIR, and no new environmental document or findings are required by CEQA,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that an agreement between City of Modesto and BRUCE A. WHITACRE, SUCCESSOR TRUSTEE OF THE WHITACRE FAMILY 1993 TRUST DATED 12-16-93 (APN: 085-050-007; APN: 085-050-008) to purchase the necessary real property for the Floyd-Roselle Roundabout Project in the amount of \$125,000 is hereby approved.

BE IT FURTHER RESOLVED that the City Manager, or his designee, are hereby authorized to execute said Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12<sup>th</sup> day of September, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-573**

**A RESOLUTION AUTHORIZING THE PURCHASE OF TWO (2) NEW, CURRENT YEAR/MODEL, STENCIL PAINT TRUCKS BY “ACCESSING THE TERMS” OF A CONTRACT THROUGH LINE MASTER ENGINEERING, INC. OF LONG BEACH, CALIFORNIA FOR A TOTAL ESTIMATED COST OF \$173,583.10.**

WHEREAS, the Public Works Department-Fleet Services Division has requested the purchase of two (2) new, current year/model, stencil paint trucks, and

WHEREAS, the two (2) new stencil paint trucks will replace (2) current stencil paint trucks in the Traffic Engineering Department, and

WHEREAS, the old trucks are being replaced because they have reached the end of their useful life, and were on the schedule replacement list approved by Council, and

WHEREAS, Resolution No. 2005-381 authorized the Purchasing Manager to solicit bids for new vehicles and heavy equipment throughout FY 05/06 using various competitive processes, with the Purchasing Division coming back to Council for award authorization, and

WHEREAS, the Purchasing Division solicited formal bids for six (6) new, current year/model utility trucks, which included two (2) new, current year/model stencil paint trucks on Request for Bid 0506-29, with a bid opening date of May 16, 2006,

WHEREAS, twenty-eight (28) vendors were solicited of which five (5) were local vendors, and

WHEREAS, out of twenty-eight (28) vendors solicited, one (1) chose to respond to the RFB, and

WHEREAS, the sole bid received was for one (1) crew cab & chassis F550 truck with utility body, with the bid amount exceeding the budgeted amount of \$70,000, and

WHEREAS, Resolution No. 2006-418 authorized the rejection of the sole bid for six (6) new, current year/model utility trucks, and

WHEREAS, the Public Works Department has an urgent need for the two (2) stencil paint trucks, and

WHEREAS, the Purchasing Division working in conjunction with the Public Works Department Fleet Service staff was able to identify a competitive bid contract made by the City of Ukiah with Line Master Engineering, Inc. of Long Beach, California for stencil paint trucks, and

WHEREAS, Line Master Engineering Inc. of Long Beach, California has extended the same base pricing for stencil paint trucks to other government agencies as quoted to the City of Ukiah, except for upgrades, and

WHEREAS, the City of Modesto may purchase these stencil paint trucks by “accessing the terms” through the City of Ukiah’s purchase order No. 036800 with Line Master Engineering Inc. of Long Beach, California, and

WHEREAS, the total estimated cost for the two (2) new, current year/model, stencil paint trucks is \$173,583.10, and

WHEREAS, Modesto Municipal Code (MMC) Section 8-3.203 requires all purchases which meet or exceed \$50,000 for material and equipment or contractual services to be formally bid, and

WHEREAS, Pursuant to MMC Section 8-3.204(d) the Purchasing Manager may determine that a process other than the formal bid process set forth in Section 8-3.203 will result in procurements for the City at the lowest possible cost commensurate with the desired quality, and

WHEREAS, by “accessing the terms” of the City of Ukiah, California contract, the purchase of this equipment will conform to MMC Section 8-3.204(d), and

WHEREAS, the City Council has appropriated funds in the following accounts:  
7210-480-5814-5290 (Fleet Equipment, Replacement), 7210-480-5814-5292 (Fleet  
Equipment, Replacement), 0700-480-4622-0360 (Streets, Traffic & Forestry),

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto  
that it hereby authorizes the purchase of two (2) new, current year/model, stencil paint  
trucks by "accessing the terms" of a competitively bid contract through the City of  
Ukiah's purchase order No. 036800 with Line Master Engineering, Inc. of Long Beach,  
California for a total estimated cost of \$173,583.10.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it  
hereby authorizes the Purchasing Manager to issue a purchase order to Line Master  
Engineering, Inc. of Long Beach, California. for the estimated cost of \$173, 583.10.

The foregoing resolution was introduced at a regular meeting of the  
Council of the City of Modesto held on the 12th day of September, 2006, by  
Councilmember Dunbar, who moved its adoption, which motion being duly seconded by  
Councilmember Hawn, was upon roll call carried and the resolution adopted by the

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-574**

**A RESOLUTION AMENDING THE FY 06-07 OPERATIONS BUDGET TO TRANSFER \$23,583.10 FROM ACCOUNT NUMBER 0700-480-4622-0360 TO ACCOUNT NUMBER 7210-480-5814-5290 (\$11,791.55), AND ACCOUNT NUMBER 7210-480-5814-5292 (\$11,791.55) FLEET EQUIPEMENT REPLACEMENT FUNDS**

WHEREAS, the Public Works Department-Fleet Services Division has requested the purchase of two (2) new current year/model stencil paint trucks, and

WHEREAS, the two (2) new, current year/model stencil paint trucks will replace two (2) current stencil paint trucks in the Public Works Department Traffic Engineering Division, and

WHEREAS, the current two (2) stencil paint trucks have met their useful life expectancy and were on the scheduled vehicle replacement list approved by Council in the budget process, and

WHEREAS, an appropriation transfer in the amount of \$23,583.10 from Streets, Traffic & Forestry will allow better account monitoring of the capitalization process,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Finance Director, or his designee, is hereby authorized to amend the FY06-07 operating budget to transfer \$23,583.10 from 0700-480-4622-0360 Streets, Traffic & Forestry to account number 7210-480-5814-5291 (\$11,791.55) and account number 7210-480-5814-5292 (\$11,791.55), Fleet Equipment Replacement Funds.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-575**

**A RESOLUTION AUTHORIZING THE AWARD OF BID AND CONTRACT FOR THE PURCHASE OF WATER VALVES AND FIRE HYDRANTS FOR AN INITIAL TWO (2) YEAR PERIOD, WITH THREE (3) ADDITIONAL ONE-YEAR CONTRACT EXTENSION OPTIONS, AT THE SOLE DISCRETION OF THE CITY, TO THE FOLLOWING VENDORS: AMERICAN AVK COMPANY OF FRESNO, CA. FOR AN ESTIMATED ANNUAL COST OF \$169,065.09; FERGUSON ENTERPRISES OF MODESTO, CA. FOR AN ESTIMATED ANNUAL COST OF \$21,925.10; AND GROENIGER & COMPANY OF MODESTO, CA. FOR AN ESTIMATED ANNUAL COST OF \$8,375.25, FOR THE TOTAL ESTIMATED ANNUAL COST OF APPROXIMATELY \$200,000.**

WHEREAS, the Finance Department-Central Stores Division has requested the purchase of water valves and fire hydrants, and

WHEREAS, water valves and fire hydrants are used exclusively by the Public Works Department-Water Division, and

WHEREAS, the City's fire hydrants are being replaced at a rate of thirty (30) per week, and

WHEREAS, the water valves are used to replace existing valves which may be non-operable, to extend existing water lines, and for new service laterals to new businesses, and

WHEREAS, the new hydrants have a four and one half-inch (4½") outlet, which allows for greater flow of water in the event of a fire, and

WHEREAS, hydrants are also used in new developments, and

WHEREAS, Resolution No. 2006-335 authorized the Purchasing Manager to solicit bids for water valves and fire hydrants for an initial two (2) year period, with three (3) additional one-year contract extension options, at the sole discretion of the City, and

WHEREAS, the Purchasing Division solicited formal bids for water valves and

fire hydrants on Request for Bid (RFB) 0506-33, with a bid opening dated of July 11, 2006, and

WHEREAS, thirty-one (31) vendors were solicited of which two (2) were local vendors, and

WHEREAS, out of the thirty-one (31) vendors solicited three (3) chose to respond, and

WHEREAS, the Purchasing Division and Finance Department-Central Stores staff evaluated bids, and

WHEREAS, based on the evaluation of bids American AVK Company of Fresno, CA. was deemed to be the lowest responsive and responsible bidder for line items 1-2, 4-5, and 10-14 for an estimated annual cost of \$169,065.09; Ferguson Enterprises of Modesto, CA. was deemed to be the lowest responsive and responsible bidder for line items 3, 6-9, 15-19 and 21 for an estimated annual cost of \$21,925.10; and Groeniger & Company of Modesto, CA. was deemed to be the lowest responsive and responsible bidder for line item 20 for an estimated annual cost of \$8,375.25; and

WHEREAS, Modesto Municipal Code, (MMC) Section 8-3.203 requires all purchases which meet or exceed \$50,000 for material and equipment or contractual services to be formally bid, and

WHEREAS, Section 8-3.203 (a) of the MMC states that purchases whose total maximum cost to the City exceeds \$50,000 shall require preliminary approval of Council, and

WHEREAS, this requirement for the purchase of water valves and fire hydrants received said approval by Resolution No. 2006-335, and

WHEREAS, this Request for Bids (RFB) process conforms to the Modesto Municipal Code, and

WHEREAS, the water valves and fire hydrants are purchased through Central Stores-7110-120-8311-0439 (Inventory Purchases) and are sold as needed to the Water Division, and

WHEREAS, the Water Division has budgeted and made available funds for the purchase of water valves and fire hydrants in account number 6100-480-5012-0360-50 Real Property Maintenance and Repair Supplies,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the award of bid and contract for the purchase of water valves and fire hydrants for an initial two (2) year period, with three (3) additional one-year contract extension options, at the sole discretion of the City, for the total estimated annual cost of \$200,000 to the following vendors:

- American AVK Company of Fresno, California for an estimated annual cost of \$169,065.09;
- Ferguson Enterprises of Modesto, California for an estimated annual cost of \$21,925.10;
- Groeniger & Company of Modesto, California for an estimated annual cost of \$8,375.25

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby authorizes the Purchasing Manager to issue a purchase order to the following vendors:

- American AVK Company of Fresno, California for an estimated annual cost of \$169,065.09;
- Ferguson Enterprises of Modesto, California for an estimated annual cost of \$21,925.10;

**A RESOLUTION APPROVING THE QUARTERLY FUEL ADJUSTMENT TO THE MAXIMUM RATE SCHEDULE FOR RESIDENTIAL AND COMMERCIAL SOLID WASTE COLLECTION SERVICES, AND RESCINDING**

**RESOLUTION NO. 2006-410.**

WHEREAS, pursuant to Chapter 6 of Title 11 of the Modesto Municipal Code, the City no longer sets rates for the collection of garbage in Modesto, and instead performs a comprehensive review of cost information submitted by the contract garbage haulers, and

WHEREAS, the City sets a maximum rate that the haulers may charge for the various types of services provided under the contracts based on cost data provided by the lowest cost hauler, and

WHEREAS, Section f (2) of the City's Service Agreements with its solid waste collectors requires that when the City makes adjustments to the collection services provided under the Agreements, any additional costs should be covered by adjustments to the maximum rates, and

WHEREAS, on June 27, 2006, by Resolution No. 2006-410, the Council approved making quarterly adjustments to the component of the maximum rates for residential and commercial service that is attributable to the cost of fuel, and

WHEREAS, the methodology approved by the Council uses the average diesel fuel prices from the Department of Energy/Energy Information Agency (DOE/EIA) for a prior quarter to set the fuel component for a subsequent quarter, and

WHEREAS, for this quarter's adjustment, which would become effective October 1, 2006, average diesel fuel prices for April-June were used, and

WHEREAS, the maximum allowable fuel component for residential rates is therefore \$1.00 per month, and the new maximum residential rate for standard container service is therefore \$19.75 per month, and

WHEREAS, the maximum allowable fuel component for commercial customers for the quarter beginning October 1, 2006, is \$0.20 per cubic yard, and

WHEREAS, the maximum rate for a one (1) yard bin collected once a week is \$33.47, which includes the \$0.87 per month fuel allocation, and

WHEREAS, the Economic Development Committee met on June 12, 2006, and supported the recommendation to implement adjustments to the maximum rate schedule for City solid waste collection services,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the quarterly fuel adjustment to the maximum rate schedule for City residential and commercial solid waste collection services as shown on **Exhibit "1"** attached hereto and incorporated herein by reference.

BE IT FURTHER RESOLVED that any person who has prepaid garbage service charges for residential garbage service shall be entitled to receive garbage service for the balance of said prepaid period at the prepaid rates.

BE IT FURTHER RESOLVED that Resolution No. 2006-410 is hereby rescinded, effective October 1, 2006.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12<sup>th</sup> day of September, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen,  
Mayor Ridenour

## MAXIMUM CHARGES FOR GARBAGE SERVICE

### STANDARD CONTAINERS

Maximum Monthly Rates  
(Once a Week Pickup Service)

Standard container service shall include the following:

- One, 96-gallon container for garbage/recyclables
- One, 96-gallon container for green waste
- Blue bag recycling
- Countertop container for kitchen scraps
- Drop-off of old TV and computer tubes
- Two bulky item collections per year by appointment

Standard container service customers may opt for smaller containers; however, maximum rates apply. Containers must be placed in a location set forth in Section 5-5.11 of the Municipal Code.

#### **1. Standard container service –**

- a. The maximum rate for new sign ups for service or changes in service that occur after July 1, 1996, shall be **\$19.75 per month** regardless of size of container. **A fuel component of \$1.00 per month is included in the maximum rate for the quarter beginning October 1, 2006 and ending December 31, 2006.** The fuel component may be adjusted quarterly.
- b. The maximum rate for each additional garbage container shall be **\$14.62 per month.**

#### **2. 60-gallon container service (grandfathered customers) –**

- a. The maximum rate for customers with 60-gallon containers who subscribed to service at an address prior to July 1, 1996 and who have not changed their service address shall be **\$16.70 per month.** **A fuel component of \$1.00 per month is included in the maximum rate for the quarter beginning October 1, 2006 and ending December 31, 2006.** The fuel component may be adjusted quarterly.
- b. The maximum rate for each additional garbage container shall be **\$14.62 per month.**

- 3. Fuel Component adjustments -** The fuel component shall be analyzed quarterly and adjustments shall be made as necessary. The adjustment shall be based on the average price of fuel for a preceding quarter as follows: July 1/January-March; October 1/April-June; January 1/July-September; April 1/October-December. Average prices shall be determined based on published prices for California from the Department of Energy, Energy Information Agency.

**DETACHABLE CONTAINERS\***  
**Maximum Monthly Rates**  
**Number of Collections Per Week**

Container Size	NUMBER OF COLLECTIONS PER WEEK					
	1	2	3	4	5	6
1 CY	\$ 33.47	\$ 56.45	\$ 79.40	\$102.37	\$ 125.34	\$ 148.31
1½ CY	\$ 44.99	\$ 79.40	\$113.90	\$148.06	\$ 183.13	\$ 217.23
2 CY	\$ 56.45	\$ 102.37	\$148.31	\$194.24	\$ 240.16	\$ 286.09
3 CY	\$ 79.40	\$ 148.31	\$217.20	\$286.09	\$ 355.00	\$ 423.89
4 CY	\$102.37	\$ 194.24	\$286.09	\$377.96	\$ 469.82	\$ 561.69
5 CY	\$125.34	\$ 240.16	\$355.00	\$469.82	\$ 587.66	\$ 699.48
6 CY	\$148.31	\$ 286.09	\$423.89	\$561.69	\$ 699.48	\$ 837.28

\* A detachable container rental rate of \$10.00 per month is included in the above schedule.

- Weekly rental/Detachable Containers** - Shall not exceed the rate for 1 pickup per week for each size container.
- Fuel Component** - A fuel component of \$0.20 per cubic yard (\$0.87 per month for a 1 cubic yard container collected once a week) is included in the maximum rate for the quarter beginning October 1, 2006, and ending December 31, 2006. The fuel component shall be analyzed quarterly and adjustments shall be made as necessary. The adjustment shall be based on the average price of fuel for a preceding quarter as follows: July 1/January-March; October/April-June; January 1/July-September; April 1/October-December. Average prices shall be determined based on published prices for California from the Department of Energy.

**DROP BOX CONTAINERS**

- Pick up charge** - \$202.10 per pick up
- Rental**
  - \$0.85 per day up to 7 day maximum rental
  - \$3.00 per day for boxes kept 7 or more days without servicing
  - \$10 per day for boxes kept 21 or more days without servicing

**3. Disposal charge** - Actual charge to be paid by customer  
Garbage company will provide up to 40 CY Drop Box containers for above stated charges subject only to load limit of transfer vehicle.

**COMPACTORS**  
Maximum Monthly Rates

**Front Loader Type:**

Compactor Size	NUMBER OF COLLECTIONS PER WEEK

|-----------------------------|--------------------------------------|
| 1. 6 CY to 40 CY            | \$202.10 per pickup                  |
| 2. Medical waste compactors | \$265.00 per pickup                  |
| 3. Washing compactor        | \$30.00                              |
| 4. Disposal Charge:         | Actual charge to be paid by customer |

**EXTRA PICKUPS**

- |                                      |                                |
|--------------------------------------|--------------------------------|
| 1. Standard containers or equivalent | \$3.50 plus \$1.38/container   |
| 2. Detachable containers             | \$12.00 plus \$2.75/cubic yard |

**SPECIAL SERVICE CONDITIONS**

In situations where none of the above maximum rates reasonably apply, the cost of service is to be negotiated between the garbage company and the customer.

**DETACHABLE CONTAINER ONLY  
REPLACEMENT AND CLEANING SERVICE**

1 CY	1½ CY	2 CY	3 CY	4 CY	5 CY	6 CY
\$10.12	\$11.00	\$12.10	\$15.40	\$20.24	\$25.08	\$29.92

**NOTATIONS**

- The above maximum rates include a \$0.25 per month per household recycling fee, a \$0.05 per cubic yard commercial recycling fee, and a \$0.25 per ton industrial recycling fee, payable to the City by the garbage company.
- Pursuant to Section 11-6.15(c)(2) of the Modesto Municipal Code, the garbage company may require a deposit equivalent to two (2) months service charge from customers prior to beginning service.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-580**

**A RESOLUTION REVISING THE POSITION CLASSIFICATION PLAN  
FOR THE CITY OF MODESTO.**

WHEREAS, a Position Classification Plan for the City of Modesto was adopted by Modesto City Council Resolution No. 88-338 pursuant to Rule 2 of the Personnel Rules and Regulations of the City of Modesto, and

WHEREAS, the City Manager has recommended to the Council amendments to the Position Classification Plan, and

WHEREAS, Rule 2.2 of the City of Modesto Personnel Rules provides that revisions to the Classification Plan shall be effective upon adoption of resolution of the City Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION I. CLASSIFICATION AMENDED. The Position Classification Plan of the City of Modesto is hereby amended to revise the job specification for the classification of Recreation Coordinator. The job specification for this classification is being amended to update the essential functions and certification requirements to more accurately reflect the job requirements. The job specification for the classification of Recreation Coordinator, as shown on the attached **Exhibit "A,"** which is hereby made a part of this resolution by reference, is hereby approved and made part of the Position Classification Plan of the City of Modesto.

SECTION 2. EFFECTIVE DATE. This resolution shall become effective on and after September 12, 2006.

The foregoing resolution was introduced in a regular meeting of the Council of the City of Modesto held on the 12th day of September, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

## RECREATION COORDINATOR

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

### DEFINITION

To plan, organize and supervise major recreational programs such as adult and youth recreation activities, social services, sports and aquatics, special events, camps and classes.

### SUPERVISION RECEIVED AND EXERCISED

Receives direction from a Recreation Supervisor II.

ESSENTIAL AND MARGINAL FUNCTION STATEMENTS – Essential and other important responsibilities and duties may include, but are not limited to, the following:

#### Essential Functions:

Plan, organize, supervise and evaluate recreation programs.

Assist with hiring of part-time personnel necessary for programs, special events, camps and classes.

Conduct orientation meetings for part time staff; assign and train part-time staff; and work with part time employees to correct performance and/or program deficiencies.

Schedule specific program hours. Schedule and assign staff to provide program coverage, including contacting off-duty employees to make necessary adjustments in schedules.

Maintain and submit reports and records.

Monitor the certification of instructor-lifeguards in the aquatics programs; monitor first aid certification of recreation leaders in the park program.

Maintain close contact with school officials and community groups regarding program offerings and coordination of services.

Essential Functions: (Continued)

Participate in training recreation staff and volunteers in procedures and the use of equipment as required.

Monitor and coach assigned staff ensuring all rules, policies and procedures are enforced; follow up on problems and complaints; participate in selection of hourly staff.

Track expenditures and provide input for program budget needs.

Marginal Functions:

Perform other related work as may be assigned.

QUALIFICATIONS:

Knowledge of:

Principles and techniques used in developing a well-balanced recreation program.

Principles and practices of office management, fiscal record keeping and scheduling.

Personal computers including word processing and spreadsheets.

Recreational, social and cultural needs of the community.

Ability to:

Communicate in a clear and concise manner.

Train and coach hourly and volunteer staff.

Write concise reports and maintain accurate records.

Think clearly, quickly and accurately in emergencies.

Identify and analyze potential problems, situations and needs; accurately and quickly carry out solutions.

Perform medium manual labor, meaning lifting and carrying up to fifty (50) pounds of weight.

Ability to: (Continued)

Establish and maintain cooperative-working relationships with those contacted during work.

Coordinate, organize and implement recreation and leisure activities and special events.

Operate programs within allocated budget.

Monitor programs to ensure compliance with related regulations, policies and procedures.

Experience and Training Guidelines

Any combination of experience and training that would likely provide the required knowledge and abilities are qualifying. A typical way to obtain the knowledge and abilities would be:

Experience:

Three (3) years of increasingly responsible experience in development, administration or facilitation of a related program (such as aquatics, sports, senior activities, special population, after school activities, physical education), including experience in supervision of part-time staff.

Training:

Equivalent to an Associates of Arts degree with an emphasis in recreation, physical education, social services or a related field.

License or Certificate

Possession of valid Class C drivers' license issued by California Department of Motor Vehicles at the time of appointment.

When Assigned to Aquatics

Possession of American Red Cross Water Safety Instructor Certificate is required within six months of appointment. Failure to obtain the license within this period shall be grounds for release from probation or termination.

When Assigned to Aquatics (Continued)

Possession of American Red Cross Lifeguard Certificate, or comparable certificate accepted by the department, is required within six months of appointment. Failure to obtain the license within this period shall be grounds for release from probation or termination

Possession of American Red Cross Standard First Aid certificate is required within six months of appointment. Failure to obtain the license within this period shall be grounds for release from probation or termination.

Possession of Cardiopulmonary Resuscitation (CPR) certificate is required within six months of appointment. Failure to obtain the license within this period shall be grounds for release from probation or termination.

WORKING CONDITIONS

Environmental Conditions:

Office and field environment, travel from site to site; hot and cold temperatures; inclement weather.

Physical Conditions:

Essential and marginal functions may require maintaining physical condition necessary for walking or standing for prolonged periods of time; operating motorized equipment and vehicles.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006 - 581**

**A RESOLUTION APPROVING AN AGREEMENT WITH PHILIP S. TROMPETTER, Ph.D., A PSYCHOLOGICAL CORPORATION, AND JOCELYN E. ROLAND, PSYCHOLOGIST, IN THE AMOUNT OF \$51,336.20, TO PROVIDE COUNSELING AND PSYCHOTHERAPY SERVICES, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT.**

WHEREAS, Philip S. Trompetter, Ph.D., A Psychological Corporation, and Joycelyn E. Roland, Psychologist, can provide counseling/therapy to all full-time, regular sworn officers and reserves, participate in Modesto Police SWAT activations and hostage negotiations, consult on cases with the Investigative Services Division and Administration, and provide crisis debriefing, and

WHEREAS, the Memorandum of Understanding between the City of Modesto and the Modesto Police Officers' Association provides for mental health services for sworn police officers, and

WHEREAS, Philip S. Trompetter, Ph.D., is the only psychological corporation in the area that offers this service, and

WHEREAS, the term of this agreement is for one year commencing on July 1, 2006, and ending June 30, 2007, and

WHEREAS, sufficient funds are budgeted in the Police Department's budget account 010-190-1921-0235 for Services, Professional and Other,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the agreement with Philip S. Trompetter, Ph.D., A Psychological Corporation, and Jocelyn E. Roland, Psychologist, in the amount of \$51,336.20, to provide counseling and psychotherapy services.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12<sup>th</sup> day of September, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-582**

**A RESOLUTION APPROVING THE 2006/2007 FISCAL YEAR ANNUAL ANTICIPATED DBE PARTICIPATION LEVEL (AADPL) GOAL OF 7.5%, AND AUTHORIZING THE CITY MANAGER OR HIS DESIGNEE TO EXECUTE THE DISADVANTAGED BUSINESS ENTERPRISE (DBE) RACE-NEUTRAL IMPLEMENTATION AGREEMENT AND PROGRAM PLAN FOR FEDERALLY FUNDED STREET, AIRPORT, AND TRANSIT PROJECTS**

WHEREAS, the City of Modesto, in order to receive federal financial assistance from the U.S. Department of Transportation (DOT) through the California Department of Transportation (Caltrans) and as a condition of receiving this assistance, is required to sign the California Department of Transportation's Disadvantaged Business Enterprise Race-Neutral Implementation Agreement for federally funded street, airport, and transit projects, and

WHEREAS, the City of Modesto wishes to enter into a Disadvantaged Business Enterprise (DBE) Race-Neutral Implementation Agreement, and adopt the required Annual Anticipated DBE Participation Level (AADPL) goal of 7.5%.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it is the goal of the City of Modesto that if any United States Department of Transportation funds are used for contract services, it will assure that no portion of the projected goal will be attained by using race-and gender-conscious means in accordance with 49 CFR Part 26 and other applicable statutes, regulations, and executive orders.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that an Annual Anticipated DBE Participation Level (AADPL) goal of 7.5% is hereby established for the City of Modesto for the 2006/2007 Fiscal Year.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the City Manager or his designee is authorized to execute the DBE Race-Neutral Implementation Agreement and Program Plan with the Federal Transit Administration.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12<sup>th</sup> day of September, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION AUTHORIZING THE CITY MANAGER TO PAY UP TO \$2,000 FOR PARTICIPATION IN THE “UNIFIED CERTIFICATION PROGRAM” (UCP) FOR CERTIFYING DISADVANTAGED BUSINESS ENTERPRISE (DBE) CONTRACTORS**

WHEREAS, Federal regulations (49 CFR Part 26) necessitate that the City participate in the California Unified Certification Program (UCP), and

WHEREAS, this program is the vehicle for certifying Disadvantaged Business Enterprise (DBE) contractors, and

WHEREAS, Federal regulations require that all jurisdictions receiving federal funds must participate in training costs for the certifying agencies, and

WHEREAS, in order to continue receiving federal funding on street, airport, and transit projects, the City must adopt a Unified Certification Program (UCP) consistent with federal regulations and receive approval, and

WHEREAS, financial participation in the Unified Certification Program is also required in order to continue receiving Federal funding on street projects,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the City Manager, or his designee, is hereby authorized to pay up to \$2,000 for participation in the “Unified Certification Program” (UCP) for certifying DBE contractors.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12<sup>th</sup> day of September, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-584**

**A RESOLUTION AMENDING THE ADOPTED CAPITAL IMPROVEMENT PROGRAM BUDGET FOR FISCAL YEAR 2006-07 AND APPROPRIATING \$285,000 IN FEDERAL AVIATION ADMINISTRATION GRANT FUNDING (95%) AND \$15,000 IN PASSENGER FACILITY CHARGES REVENUE (5%) TO ESTABLISH A CAPITAL IMPROVEMENT PROJECT TITLED "NOISE STUDY" (6320-430-A803).**

WHEREAS, Modesto City-County Airport's Master Plan includes the requirement for a Noise Study, and

WHEREAS, the future use levels of the airport will impact the noise levels in the areas adjacent to the airport, and

WHEREAS, the Federal Aviation Administration (FAA) made a Grant Offer to the City of Modesto of \$285,000 for funding of "airport development or noise program implementation", and

WHEREAS, on July 11, 2006, by Resolution No. 2006-445, the City Council accepted the \$285,000 Grant Offer from the FAA for funding of "airport development or noise program implementation", and

WHEREAS, Passenger Facility Charges (PFC) Revenue will cover the additional \$15,000 to fully fund this project,

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto, that an amendment to the adopted Capital Improvement Program Budget for fiscal year 2006-07 is hereby approved, establishing a Capital Improvement Project titled "Noise Study" (6320-440-A803).

BE IT FURTHER RESOLVED that The Council hereby authorizes the Finance Director, or his designee, to make the necessary amendments to the

budget in coordination with the Finance Department to appropriate funding in the amount of \$285,000 from FAA grant funds and \$15,000 in PFC Revenue to Account No. 6320-440-A803.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of September 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Hawn was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-585**

**A RESOLUTION APPROVING A REIMBURSEMENT AGREEMENT BETWEEN THE CITY OF MODESTO AND KAISER PERMANENTE HOSPITAL IN AN AMOUNT NOT-TO-EXCEED \$180,880 FOR THE CITY'S SHARE OF CONSTRUCTION COST FOR PELANDALE AVENUE/DALE ROAD INTERSECTION EAST LEG IMPROVEMENTS, AUTHORIZING THE CITY MANAGER, OR DESIGNEE, TO EXECUTE THE AGREEMENT, AND FINDING THAT THE PROPOSED PROJECT IS CONSISTENT WITH AND COVERED BY THE KAISER MODESTO MEDICAL CENTER-CORNERSTONE BUSINESS PARK PROJECT EIR**

WHEREAS, Council Resolution No. 2004-541 adopted the 2004/2005 Capital Improvement Program, and

WHEREAS, the 2004/2005 Capital Improvement Program included a project titled, "CIP H422 Pelandale Avenue/Dale Road Intersection Improvements", and

WHEREAS, the intersection improvements at Pelandale Avenue and Dale Road are scheduled to commence in fiscal year 2006, and

WHEREAS, the construction plans for the intersection improvements consist of Kaiser Build Remote Off-Site capacity and operational improvements on the north, south, and west legs of the intersection, and City Build CIP H422 capacity and operational improvements on the east leg, and

WHEREAS, the overall improvements to the intersection include the addition of a second westbound left-turn lane, addition of two additional eastbound lanes at the departure leg of the intersection, three westbound through lanes, and a westbound right turn lane with a northbound transition lane in the northeast quadrant of the intersection, and

WHEREAS, the City has evaluated the cost and time benefit of combining the construction of the Kaiser Build and City Build improvements to allow construction at the same time under the same construction contract, and

WHEREAS, the construction of Kaiser Build and City Build improvements under one construction contract will avoid the traffic disruption resulting from two projects at the same location at different times, will eliminate the need to sawcut and remove newly constructed pavement to establish join lines, and will offer the most effective cost and time alternative for both Kaiser and the City, and

WHEREAS, a reimbursement agreement between the City and Kaiser to compensate Kaiser for the City's portion of the construction is necessary in order to combine the projects and facilitate construction of the subject improvements, and

WHEREAS, the potential impacts of this project have been adequately addressed within the context of a previously completed and certified Environmental Impact Report, or Negative Declaration SCH No. 2003072085. No changes have been proposed in this project subsequent to the just referenced action, which would require important revisions of the environmental document. No substantial changes have occurred in the circumstances under which the project is undertaken which would require such changes. Pursuant to Section 15070 of the CEQA Guidelines, no new environmental review need be completed, and this subsequent activity is entirely consistent with the anticipated project(s) that are analyzed in the previous environmental determination,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Reimbursement Agreement between the City of Modesto and Kaiser Permanente Hospital for construction of the East Leg of the Pelandale

Avenue/Dale Road Intersection Improvement in an amount not-to-exceed \$180,880 for providing complete and in-place east leg improvements to the Pelandale Avenue/Dale Road intersection in accordance with the final plans, specifications, and cost estimates dated March 7, 2006, and identified as Kaiser Modesto Remote Off-Site Improvements as approved by the City Engineer April 5, 2006.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12th day of September, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Olsen, was upon roll call carried and the resolution adopted by the following vote:

**A RESOLUTION APPROVING AN AGREEMENT WITH FORD AVIATION CONSULTING, INC., FOR AN AMOUNT NOT TO EXCEED \$35,000, TO PREPARE A NEW PASSENGER FACILITY CHARGE (PFC) APPLICATION TO OBTAIN PFC FUNDING FOR MODESTO CITY-COUNTY AIRPORT, AND AUTHORIZING THE CITY MANAGER TO EXECUTE SAID AGREEMENT.**

WHEREAS, the Passenger Facility Charge (PFC) Program, administered by the Federal Aviation Administration (FAA), allows for collection of PFC fees for every enplaned passenger at commercial airports controlled by public agencies, and

WHEREAS, the Modesto City-County Airport is controlled by public agencies and is therefore eligible for PFC funds, and

WHEREAS, PFC funds are used to pay for FAA-approved projects that enhance safety, security, or capacity; reduce noise; or increase air carrier competition, at airports, and

WHEREAS, in order to collect the PFC payments, a new PFC Application for Modesto City-County Airport must be submitted to and approved by the FAA, and

WHEREAS, there is a need for technical expertise to draft and submit the new PFC Application, and

WHEREAS, Ford Aviation Consultants, Inc., has submitted a proposal to prepare a new PFC Application for Modesto City-County Airport, and

WHEREAS, the Economic Development Committee endorsed support for approval of this Agreement at its August 7, 2006 meeting,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Agreement with Ford Aviation Consultants, Inc., for an amount not to exceed \$35,000, to prepare a new Passenger Facility Charge Application to obtain PFC funding for the Modesto City-County Airport.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-587**

**A RESOLUTION ADOPTING THE DESIGN GUIDELINES FOR  
COMMERCIAL AND INDUSTRIAL DEVELOPMENT, DIRECTING STAFF TO  
BEGIN A WORK PROGRAM TO IMPLEMENT THE DESIGN GUIDELINES  
FOR COMMERCIAL AND INDUSTRIAL DEVELOPMENT, DIRECTING  
STAFF TO ANNUALLY REVIEW AND UPDATE THE DESIGN GUIDELINES  
AS NEEDED, AND DIRECTING STAFF TO PROVIDE QUARTERLY REPORTS  
TO THE PLANNING COMMISSION REGARDING PROJECTS BEING  
CONSIDERED UNDER THE DESIGN GUIDELINES**

WHEREAS, the City is experiencing a substantial increase in requests for non-residential development resulting in concerns that new development should have some guidance to meet acceptable design standards, and Strategy V.A.4, which promotes the creation of walkable communities, and

WHEREAS, the 2001-2004 Strategic Plan, adopted October 23, 2001, includes Strategy V.A.5, which promotes the fostering of distinctive, attractive communities with a strong sense of place, and

WHEREAS, Action V.A.5.a of the 2001-2004 Strategic Plan, which promotes the establishment of aesthetic criteria for evaluation of projects, supports Strategy V.A.5 of the Strategic Plan, and

WHEREAS, the Urban Area General Plan provides that, “. . .The Urban Area General Plan presents a blueprint for the preservation of Modesto’s ‘quality of life’ while providing direction for the growth of business and industry to meet the needs of the future generations . . .”, which supports the concept of Design Guidelines, and

WHEREAS, Title 10 of the Modesto Municipal Code establishes regulations for the use of land and buildings for the public health, safety and general welfare and to

provide the physical, economic and social advantages resulting from an orderly, planned use of land resources, and

WHEREAS, the proposed “Design Guidelines for Commercial and Industrial Development” for commercial and industrial development in order to:

- A. Help keep Modesto architecturally distinctive and not allow it to become “anywhere USA”
  - 1. Maintain a high quality of craftsmanship in development through use of building styles, design elements, and materials that are found in the architectural vernacular of Modesto.
  - 2. Integrate local cultural and historical themes into building and site design where appropriate.
  - 3. Enhance and bring greater attention to gateways and key corridors to enhance the overall city image, beautify its entrances, visual corridors, and vistas to attract visitors and improve the overall experience for citizens.
  - 4. Design for surrounding context and scale of urban form and land uses.
  - 5. Require design excellence for infill and redevelopment sites.
  - 6. Minimize the use of “stock” plans and design in corporate and franchise architecture.
  - 7. Integrate public squares, public space and art that respond to local cultural and historical themes in development.
  
- B. Design for the pedestrian scale in appropriate areas.
  - 1. Encourage pedestrian oriented buildings and site planning in commercial development.
  - 2. Incorporate design elements that respond to, and take advantage of environmental conditions such as wind, sun, shade, et cetera, to improve the pedestrian experience, and that will provide an enjoyable pedestrian experience.
  - 3. Encourage an appropriate scale of building height to street width in commercial areas and minimize parking between buildings and the street.
  - 4. Respect the natural environment by protecting natural resources and integrating the natural environment and open space into building and site planning, wherever possible.
  - 5. Continue and improve streetscape landscaping
  - 6. Control outdoor lighting to provide necessary security, but not create spillage onto adjacent properties or interfere with views of night skies, and

- C. Assist in guiding the style and appearance of future development by giving potential developers a very good idea of what style of development is acceptable and desirable to the City.
- D. Providing a comprehensive set of guidelines early in the development process regarding City development expectations for builders, investors and residents so the “rules” are known up front. This will allow expedited City review of development proposals.
- E. Ensuring new development is consistent and compatible with the design and character of existing neighborhoods.
- F. Providing flexibility to encourage distinctive design themes in various areas of the community.

WHEREAS, the proposed “Design Guidelines for Commercial and Industrial Development” is intended to be implemented in all commercial and industrial zones; and

WHEREAS, public workshops were held by the Planning Commission on July 6, 2006, at 7:00 p.m. and July 27, 2006, at 7:00 p.m. in Room B300, Tenth Street Place, 1010 Tenth Street, Modesto, California, at which time public comments were received and considered, and

WHEREAS, a duly noticed public hearing was held by the Planning Commission on August 21, 2006, at 7:00 p.m., in the, Tenth Street Place Chambers, located at 1010 Tenth Street, Modesto, California, at which time and place comments were received and evidence, both oral and documentary, was received and considered, and

WHEREAS, at said meeting, the Planning Commission voted unanimously to recommend that the City Council adopt the “Design Guidelines for Commercial and Industrial Development” and to direct staff to begin a work program for implementation, and

WHEREAS, at said meeting, the Planning Commission further unanimously voted to add to the original recommendation that said “Design Guidelines for

Commercial and Industrial Development” be reviewed and updated, as needed to ensure they reflect the City’s vision for itself, and

WHEREAS, the Planning Commission desires to be informed about design review on a continuing basis and desires that staff prepare and present a list of projects being considered under the “Design Guidelines for Commercial and Industrial Development” on a quarterly basis, and

WHEREAS, a public hearing was held by the City Council of the City of Modesto on September 12, 2006, at 5:30 p.m. in the Tenth Street Place Chambers, located at 1010 Tenth Street, Modesto, California, at which time and place comments were received and evidence both oral and documentary was received and considered, and

WHEREAS, “Design Guidelines for Commercial and Industrial Development” is a policy document and therefore is not a project pursuant to Section 15378(b)(2) of the CEQA Guidelines,

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Modesto that it hereby adopts the “Design Guidelines for Commercial and Industrial Development,” a copy of which is on file with the City Clerk’s office.

BE IT FURTHER RESOLVED that City staff is hereby directed to (1) begin a work program for Implementation Option C, which would amend all commercial and industrial zones to require staff review of site plans and elevations for all commercial and industrial development, (2) annually review the Design Guidelines and update the Design Guidelines as needed, and (3) provide a list of projects being considered under the “Design Guidelines for Commercial and Industrial Development,” on a quarterly basis.

The foregoing resolution was introduced at the regular meeting of the Council of the City of Modesto held on the 12th day of September, 2006, by Councilmember Olsen, who moved its adoption, which motion being duly seconded by Councilmember Marsh was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-588**

**A RESOLUTION ACCEPTING THE WALKER PARKING CONSULTANTS PARKING ASSESSMENT REPORT AND, AS RECOMMENDED BY THE CITY COUNCIL FINANCE COMMITTEE, DIRECTING STAFF TO: A) IMPLEMENT RECOMMENDATIONS #2 (ENFORCE PENALTIES FOR EMPLOYEE MISUSE OF PARKING); #3 (INCREASE MONTHLY PASSES AND EQUALIZE RATES TO SURFACE LOTS); #7 (INCREASE RESPONSIBILITY OF LEAD GARAGE ATTENDANTS); AND #8 (CONDUCT BOOTH AUDITS); B) INCLUDE A PORTION OF RECOMMENDATION #4 IN THE FISCAL YEAR 2006-07 CAPITAL IMPROVEMENT PROGRAM (AUTOMATED PAY STATIONS); C) INCLUDE IN THE SUPPLEMENTAL REQUESTS FOR FISCAL YEAR 2006-07 THE REQUESTS FOR NEW POSITIONS IN RECOMMENDATIONS #4, #5 AND #6 (6 PARKING SERVICE REPRESENTATIVES, 1 PARKING SUPERVISOR AND 1 ADMINISTRATIVE ANALYST); AND D) PLACE ON HOLD PENDING FURTHER STUDY RECOMMENDATIONS #1 (AMEND TIME ALLOWANCES FOR VALIDATIONS ) AND #9 (INSTALL ON-STREET METERS), INCLUDING THE ADDITION OF REVIEWING ALTERNATE PLACES FOR CITY AND COUNTY EMPLOYEE.**

WHEREAS, the City of Modesto Parks, Recreation and Neighborhoods Department's Parking Services Division operates and services the City's parking garages and surface parking lots, and

WHEREAS, more specifically, the Division is responsible for operation, maintenance and collections of fees for 2,434 parking spaces located in three parking structures and ten surface lots, and

WHEREAS, on September 13, 2005, following the City's established three-bid process, the City hired Walker Parking Consultants to complete an assessment of the City-owned parking facilities (the Walker Report), and

WHEREAS, Walker's assessment included the financial condition of the Parking Services Division, a review of the current parking agreements, rates, equipment, management, administration and operations, and the feasibility of privatization of the parking system, and

WHEREAS, the specific recommendations in the Walker Report are to:

1. Implement a structured validation system at Tenth Street Place, involving time limits based on type of retail tenant and/or tenant need and supply retail tenants with Valometer ® machines and track and monitor validation usage;
2. Amend the enforcement of City/County employee parking to provide penalties for misuse or taking advantage of City provided parking that are consistent with the agreement with the Doubletree Hotel;
3. Implement a rate increase of \$20 per month to bring the monthly parking pass rate from \$40 to \$60; implement annual rate increases of 3% for monthly passes until they are equivalent to 50% of the regular hourly parking fee for 160 hours a month; and standardize parking rates, resulting in the surface lots having the same per hour charge as the garages;
4. Install automated pay stations at 9<sup>th</sup>, 10<sup>th</sup> and 11<sup>th</sup> Street Garages, and the Centre Plaza and other surface lots;
5. Designate a Parking Supervisor;
6. Create an Administrative Analyst position, to perform the daily and monthly auditing of all parking activity;
7. Increase responsibilities of the Lead Garage Attendants to assist with ensuring revenue integrity;
8. Perform a booth audit for each parking facility; and
9. Install on-street meters and implement rate structure of 25¢ per 12-minute increment (\$1.25 per hour), and

WHEREAS, on July 24, 2006, and August 9, 2006, the recommendations in the Walker Report were presented to the Finance Committee, and

WHEREAS, at its August 9, 2006, meeting, the Finance Committee recommended that staff proceed with implementation of: enforcement of penalties for employee misuse of parking;

increasing monthly passes and equalization of rates to surface lots; installation of automated pay stations; increasing responsibility of Lead Garage Attendants; conducting booth audits; and hiring of Parking Service Representatives, a Parking Supervisor and an Administrative Analyst, and

WHEREAS, the Finance Committee further recommended that amending the time allowances for validations and installation of on-street meters be placed on hold pending further study,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby accepts the Walker Parking Consultants Parking Assessment Report.

BE IT FURTHER RESOLVED that the Council hereby directs staff to implement the recommendations to: enforce penalties for employee misuse of parking; increase monthly passes and equalize rates to surface lots; increase responsibility of Lead Garage Attendants; and conduct booth audits.

BE IT FURTHER RESOLVED that the Council hereby directs staff to include purchase and installation of automated pay stations in the Fiscal Year 2006-07 Capital Improvement Program.

BE IT FURTHER RESOLVED that the Council hereby directs staff to include the requests for 6 Parking Service Representatives, 1 Parking Supervisor and 1 Administrative Analyst in the supplemental requests for Fiscal Year 2006-07.

BE IT FURTHER RESOLVED by the Council that the recommendations to amend the time allowances for validations and install on-street meters are hereby placed on hold pending further study.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 12<sup>th</sup> day of September, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar was upon roll call carried and the resolution adopted by the following vote:

**CONFLICT OF INTEREST CODE  
OF THE  
OFFICE OF THE CITY ATTORNEY  
OF THE CITY OF MODESTO**

The Political Reform Act (Government Code Section 8100, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. 18730) which contains the terms of a standard conflict of interest code. After public notice and hearing it may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendix designating officials and employees and establishing disclosure categories, shall constitute the conflict of interest code of the Office of the City Attorney.

Designated employees shall file their statements with the Office of the City Clerk and Auditor which will make the statements available for public inspection and reproduction. (Gov. Code Section 81008). Statements for all designated employees will be retained by the Office of the City Clerk & Auditor.

OF THE  
FIRE DEPARTMENT**

OF THE CITY OF MODESTO

The Political Reform Act (Government Code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. 18730) which contains the terms of a standard conflict of interest code. After public notice and hearing it may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendix designating officials and employees and establishing disclosure categories, shall constitute the conflict of interest code of the Fire Department.

Designated employees shall file their statements with the Office of the City Clerk and Auditor which will make the statements available for public inspection and reproduction. (Gov. Code Section 81008). Statements for all designated employees will be retained by the Office of the City Clerk & Auditor.

An investment, interest in real property, or income is reportable if the business entity in which the investment is held, the interest in real property, or the income, or source of income may foreseeably be affected materially by any decision made or participated in by the designated employee by virtue of the employee's position.

Group 1: Designated employees in this group shall report all business positions, all investments, interests in real property, income, loans or gifts from individuals or businesses - Schedules A, B, C, D, E and F - from all sources located in or doing business within the jurisdiction. (Real property shall be deemed to be "within the jurisdiction" if the property or any part of it is located within or not more than two miles outside the boundaries of the city or within two miles of any land owned or used by the City.)

Group 2: Designated employees in this group shall report all business positions, all investments, income, loans or gifts from individuals or businesses - Schedules A, C, D, E and F - from business entities located in or doing business within the jurisdiction which manufacture or sell fire-related equipment or parts.

Group 3: A consultant is any person who under contract provides information, advice, recommendation or counsel to any agency. The head of the department which hires a consultant shall determine on a case-by-case basis the appropriate disclosure of economic interest which the consultant is required to file with the City Clerk on beginning and ending the job.

RESOLUTION NO. 2006-599**

**A RESOLUTION APPROVING A MASTER PROFESSIONAL SERVICES AGREEMENT FOR CONSULTANT SERVICES WITH HARRIS AND ASSOCIATES FOR THE PREPARATION OF FACILITIES MASTER PLANS, INFRASTRUCTURE FINANCE PLANS, AND FOR FORMATION OF COMMUNITY FACILITIES DISTRICTS AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE AGREEMENT**

WHEREAS, the City, has determined that Facilities Master Plans (“FMPs”), and Infrastructure Finance Plans, (“IFPs”) should be prepared for new Specific Plan areas to provide for the public facilities and services needed to serve these areas and to provide for phasing and funding mechanisms, such as Community Facilities District (“CFDs”) to ensure that the infrastructure necessary to serve development will be available in a timely manner, and

WHEREAS, the City has also determined that various technical studies and finance-related studies are needed to support the preparation of the FMPs and IFPs, and

WHEREAS, Harris and Associates (“Consultant”) has been pre-qualified and approved by the Council to provide the services to prepare said FMPs and IFPs , and

WHEREAS, City and Consultant desire to enter into a Master Professional Services Agreement for Consultant Services (“Master Agreement”) pursuant to which Consultant shall prepare FMPs, IFPs, technical studies and related on-call services as assigned by City, and

WHEREAS, prior to commencement of services under the Master Agreement, all work and services to be provided to City by Consultant shall be outlined in a Task Order for each project and shall be approved by the City in accordance with City’s policies regarding contracting authority,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Master Professional Services Agreement for Consultant Services between the City of Modesto and Harris and Associates for the preparation of Facilities Master Plans, Infrastructure Finance Plans, and for formation of Community Facilities Districts is hereby approved.

BE IT FURTHER RESOLVED that the City Manager, or designee, is hereby authorized to execute the Master Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of September, 2006, by Councilmember O'Bryant, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

AYES:	Councilmembers:	Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour
NOES:	Councilmembers:	None
ABSENT:	Councilmembers:	None

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-600**

**A RESOLUTION APPROVING TASK ORDER NO. 1 TO THE MASTER  
PROFESSIONAL SERVICES AGREEMENT FOR CONSULTANT SERVICES  
WITH HARRIS AND ASSOCIATES FOR THE PREPARATION OF A  
FACILITIES MASTER PLAN, INFRASTRUCTURE FINANCE PLAN, AND FOR  
FORMATION OF A COMMUNITY FACILITIES DISTRICT FOR THE  
KIERNAN BUSINESS PARK EAST SPECIFIC PLAN AREA**

WHEREAS, the City Council is desirous of creating a Facilities Master Plan (“FMP”) and Infrastructure Finance Plan (“IFP”) for the Kiernan Business Park East Specific Plan Area (“Project”), and

WHEREAS, Chopra Development Enterprises (“Applicant”) has a legal interest in real property located within a portion of the Kiernan Business Park East Specific Plan Area, shown in **Exhibit “A”**, and is interested in pursuing development of properties in the Specific Plan Area, and

WHEREAS, on September 26, 2006, the Council of the City of Modesto approved a Master Professional Services Agreement for Consultant Services with Harris and Associates for the preparation of FMPs, IFPs, technical studies and related on-call services as assigned by City, and

WHEREAS, Harris and Associates (“Consultant”) has prepared Task Order No. 1 (“Task Order”) for the Project, attached as **Exhibit “B”**, and

WHEREAS, Applicant has advanced a deposit in the amount of two hundred and sixty-three thousand dollars (\$263,000) to the City to fund a portion of Task Order No. 1 and to pay staff and consultant expenses expected to be incurred in connection with the Project, and

WHEREAS, additional deposits will be provided by Applicant, as required by the City and as necessary to fund the Task Order, and

WHEREAS, the City will issue Notices to Proceed to the City's Consultant only for those subtasks for which the Applicant has deposited funds,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that Task Order No. 1, attached as **Exhibit "B"** hereto are hereby approved.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26 day of September, 2006, Councilmember O'Bryant, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

NOES: Councilmembers: None

ABSENT: Councilmembers: None

**EXHIBIT B**

**City of Modesto**  
**TASK ORDER NO. 1**  
**for**  
**Harris & Associates'**  
**Master Professional Services Agreement**

**Kiernan Business Park East**

This Task Order No. 1 is made and entered into by and between the City of Modesto, a municipal corporation (hereinafter "CITY"), and Harris & Associates, Inc., a California Corporation (hereinafter "CONSULTANT") and is effective as of \_\_\_\_\_.

**RECITALS**

- A. CONSULTANT has entered into a Master Professional Services Agreement, (hereinafter "Agreement") , dated \_\_\_\_\_ ("AGREEMENT") with the CITY, by which the CONSULTANT has agreed to provide professional engineering and financial engineering services for various development projects, which is incorporated herein by reference.
- B. At the request of CITY and in compliance with the terms of the AGREEMENT, CONSULTANT has prepared the Task Order No. 1, a copy of which is attached hereto as Exhibit A.
- C. CITY and CONSULTANT desire that CONSULTANT perform the services as identified in the attached Scope of Work.

**NOW THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:**

1. **INCORPORATION OF MASTER PROFESSIONAL SERVICES AGREEMENT.** This Task Order hereby incorporates by reference all terms and conditions set forth in the Master Professional Services Agreement, unless expressly modified by this Task Order. The AGREEMENT and this Task Order shall, to the fullest extent possible, be read and considered as fully integrated documents and shall be interpreted so as to avoid inconsistencies, comply with all applicable laws and ensure that the objectives of the parties will be fully realized.

Nothing in this Task Order is intended to supersede, terminate, modify or otherwise affect any provision of the AGREEMENT, except to the extent that a provision of this AGREEMENT is in direct and irreconcilable conflict with a provision of the AGREEMENT. Then, and only in that event, the provisions of the AGREEMENT shall prevail over the contradictory provision of the Task Order.

2. **SCOPE OF SERVICES.** CONSULTANT shall perform the services described in Exhibit "A" attached hereto and incorporated herein by reference. CONSULTANT shall not replace its Authorized Representative, nor shall CONSULTANT use any subcontractors or subconsultants not listed in this Task Order, without the prior written consent of CITY.

- 3. **TIME OF PERFORMANCE.** CONSULTANT shall commence performance within five (5) working days after receipt of a Notice to Proceed from City, and shall complete all required services no later than the dates set forth in Exhibit "A".
- 4. **COMPENSATION.** For services performed by CONSULTANT in accordance with this Task Order, CONSULTANT agrees to accept a sum not to exceed \$524,421.00. CONSULTANT shall be paid at the times and in the manner set forth in Paragraph 3 of the Master Professional Services Agreement, unless expressly provided otherwise in the attached Scope of Work.
- 5. **SIGNATURES.** The individuals executing this Task Order represent and warrant that they have the right, power, legal capacity, and authority to enter into and to execute this Task Order on behalf of the respective legal entities of the CONSULTANT and CITY. This Task Order shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns.

IN WITNESS WHEREOF, the City of Modesto, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. 2006-\_\_\_\_\_, adopted by the Council of the City of Modesto on the \_\_\_\_ day of \_\_\_\_\_, 2006, and has caused this Agreement to be duly executed in duplicate as of the Effective Date set forth above.

## EXHIBIT A

**Harris & Associates  
Scope of Work  
For Task Order No. 1  
Kiernan Business Park East  
Preparation of the Capacity Studies, Infrastructure Finance Plan,  
Facilities Master Plan and Community Facilities District  
September 11, 2006**

The following Scope of Work is for preparation of the capacity studies for the support of the Kiernan Business Park East Draft EIR. In addition, following identification of necessary mitigation measures, this scope details the preliminary scope for preparation of a Benefit and Burden Analysis, Infrastructure Finance Plan, Facilities Master Plan and Community Facilities District. The Harris Team includes five sub consultants on this project: West Yost and Associates for Water, Carollo Engineers for Wastewater, Omni Means for Traffic, Stantec for Storm Drainage and Goodwin Consulting Group. The work will be performed on a time and materials basis. The cost estimate for Harris' hours and the sub-consultants are summarized in Exhibit B including hourly rate schedule. The following provides Harris and Associates' (Harris) approach and level of effort for this scope of work.

### Task 1.1 – Project Coordination and Preparation of Capacity Studies

Harris will coordinate with all parties and will peer review the capacity studies prepared by each of the subconsultants, listed below, for the Draft Environmental Impact Report (EIR) to be prepared by Turnstone Consulting. Harris will attend up to eight (8) meetings with City staff during the preparation of the Draft EIR and Final EIR. The City and EIR Consultant will provide the Harris team with a complete "Project Description" which details proposed layout, traffic circulation and land use with anticipated densities included.

#### Water Capacity Study - West Yost Associates(WYA)

Based on the provided information regarding land use, roadway alignments, etc. WYA will calculate the water demands for Phase 1, Phase 2 and the total project. WYA will modify the existing water system hydraulic model to be representative of the new demands of the proposed project. WYA will then use this modified hydraulic model to evaluate the potential hydraulic impacts of the increased water demands and various fire flow analyses from Phase 1 of the Project. If the City's existing water system cannot meet the City's minimum water system design criteria with the increased demands, then WYA will make recommendations for whatever new water supply sources and/or water system infrastructure facilities will be required to mitigate the hydraulic impacts of the Project. WYA will prepare an estimate of the probable construction cost for the infrastructure required to provide adequate supply. In addition, the report will contain a section which will include an evaluation of water supply availability in response to SB610.

#### Wastewater – Carollo Engineers

Using development layout and land use data provided by the City, Carollo will update the hydraulic model to reflect changes in planning assumptions created by the Project since they prepared the Draft Wastewater Master Plan for the City in 2005. Carollo will revise the sewer improvements to reflect changes in planning assumptions. The Collection system and WWTP improvements will be revised as necessary to accommodate growth based on revisions to the hydraulic model and updates to the

WWTP Master Plan currently being prepared by Carollo. Carollo will develop probable construction cost estimates to reflect changes in the Capacity Study and a cost allocation associated with proposed recommended improvements.

Storm Drain - Stantec

Using previously prepared studies and additional project information, Stantec will use a combination of empirical calculations and hydrologic modeling to determine 10-year and 100-year peak discharges and 100-year 24-hour storm runoff volumes that will be generated by the Project. The storm drainage infrastructure plan proposed to serve Watershed D as represented in the Draft Storm Drainage Master Plan will be modified to accommodate project development requirements. The Consultant will attend a meeting with the City and MID staff to determine if MID is likely to be willing to accept discharges from a detention/retention basin that will serve the project into their Lateral No. 6 that extends adjacent to the project along the alignment of Bangs Road. Initial MID requirements pertaining to such a discharge will also be determined at the meeting.

**Level of Effort and Costs for Task 1.1:**

<b>Firm</b>	<b>Hours</b>	<b>Costs</b>	<b>Meetings in Scope</b>
Harris – PM	168	\$28,340	8
West Yost – Water	420	\$65,333	4
Carollo – Wastewater	161	\$24,667	2
Stantec – Drainage	192	\$22,467	2
Mark-ups on Subs		\$16,870	
<b>Totals</b>	<b>---</b>	<b>\$157,677</b>	

**Deliverables for Task 1.1**

Water: 10 to 15 page Technical Memorandum (TM) of both Draft and Final TMs, as five (5) hard copies and a PDF file of each submittal.

Wastewater: Draft, Final Draft and Final Report of the Wastewater Capacity Study as five (5) hard copies and a PDF file of each submittal.

Storm Drain: Technical Report of the drainage infrastructure plan for the project. The Technical Report will be submitted at Initial Draft, Final Draft, and Final stages of completion as five (5) hard copies and a PDF file of each submittal.

**Task 1.2 – Engineering Support during the EIR process**

Harris & Associates will coordinate all consultants and issues regarding the technical studies and issues between consultants.

WYA will provide up to 40 hours engineering support to the Project EIR Consultant during the preparation of the Draft and Final EIR by answering questions and/or requests for further information.

Carollo will provide up to 60 hours of engineering support to the Project EIR Consultant during the preparation of the Draft and Final EIR by answering questions and/or requests for further information.

Stantec will provide up to 40 hours engineering support to the Project EIR Consultant during the preparation of the Draft and Final EIR by answering questions and/or requests for further information.

**Level of Effort and Costs for Task 1.2:**

<b>Firm</b>	<b>Hours</b>	<b>Costs</b>	<b>Meetings in Scope</b>
Harris - PM	100	\$16,020	4
West Yost - Water	40	\$ 7,000	2
Carollo - Wastewater	60	\$12,000	2
Stantec - Drainage	40	\$ 5,700	2
Mark-ups on Subs		\$ 3,705	
<b>Totals</b>	---	<b>\$44,425</b>	

**Deliverables for Task 1.2**

Written response to questions or requests for more information regarding sewer, water and storm drainage issues during the EIR preparation including peer review and coordination with other EIR consultants including traffic.

Upon completion of the identification of mitigation measures in the Draft and Final EIR, the following additional tasks have been identified for general scoping purposes. They include Task 1.3, Preparation of the project Benefit & Burden Analysis, Task 1.4, Preparation of Infrastructure Finance Plan (IFP), Task 1.5, Preparation of the Facilities Master Plan (FMP) and Task 1.6, Preparation of a Community Facilities District.

**Task 1.3 – Preparation of a Benefit and Burden Analysis**

Harris will assemble all of the technical studies prepared for the project, all recommended mitigation measures, and land use data in electronic format. The land use data will include the development layout, irrigation areas (potable water demand), land uses, acreage, dwelling units, square footage of non-residential building space, pavement areas, and planned layout of the arterial streets and internal street network which will be the responsibility of the project on and off-site infrastructure, as outlined for the project.

Based on the sub-consultants' capacity studies, Harris will describe each type of capital facility that has been and will need to be constructed to serve the project. This data will be given to each of the sub-consultants so that they can prepare the necessary reports to support the development of the Infrastructure Finance Plan (IFP). The report will include conceptual layouts and cost estimates of the infrastructure needed to support build-out of the development.

Based on the existing technical studies for the EIR and the new studies to support the IFP, Harris will prepare a Benefit and Burden Analysis. The analysis will define the infrastructure and cost burden that each land use will receive from the infrastructure that will be included in the IFP and detailed in the Facilities Master Plan (FMP). It will also identify the cost burden that each acre of land will have towards public facility improvements, by land use, at build-out of the development area. The benefit and burden analysis will also identify those projects which will likely need to be funded up-front by the developer in order to allow the development to proceed regardless of how the developer chooses to phase the construction of the project. This analysis will not define how these costs will be paid for. The analysis will be prepared for the entire development at build out. As the project is further defined, if a phased Benefit and Burden Analysis is proposed, additional scope and consultant fees will be required.

Harris will participate in one (1) City Council presentation associated with this task, as well as three (3) meetings with staff and the developer. Harris will also set meetings related to each infrastructure analysis with the sub consultants and various City departments as necessary. The Benefit and Burden analysis will define water, sewer, traffic, park, storm drainage and public and government facilities impacts.

Harris will provide ten (10) copies of the Draft Benefit and Burden Analysis for review by the City staff. Once written comments have been received, at the City's direction, a final draft will be prepared for review by the developers. At this point, Harris will try to reach consensus among the parties in order to proceed with a facility cost summary that all agree is appropriate. Twenty (20) final copies, including 1 electronic copy, will be provided to the City once all final comments have been received and incorporated.

Harris will assist the City in the preparation of the City Council staff report associated with the presentation of the Tivoli Development Benefit and Burden Analysis.

**Estimated Level of Effort and Costs for Task 1.3:**

<b>Firm</b>	<b>Hours</b>	<b>Costs</b>	<b>Meetings in Scope</b>
Harris - PM	322	\$ 45,870	3 w/staff; 1 w/Council
West Yost - Water	24	\$ 4,560	1 w/staff
Carollo - Wastewater	24	\$ 4,320	1 w/staff
Stantec - Drainage	24	\$ 3,600	1 w/staff
Omni-Means - Traffic	80	\$ 11,000	1 w/staff
Mark-ups on Subs		\$ 3,522	
<b>Totals</b>	<b>474</b>	<b>\$ 72,872</b>	

**Deliverables for Task 1.3**

- 10 copies of the draft Benefit and Burden Analysis
- 10 copies of a final draft of the Benefit and Burden Analysis
- 20 copies of the final Benefit and Burden Analysis
- 1 electronic copy of the final Benefit and Burden Analysis.

<sup>1.5</sup>  
**Task ~~1.4~~ – Infrastructure Finance Plan**

After the Benefit and Burden analysis is completed and prior to beginning the Infrastructure Finance Plan or Facilities Master Plan, Harris will meet with the developer and the City to determine how all of the infrastructure project costs will be paid for by the developer including: 1) “build and dedicate”, 2) condition of approval on the development mapping, 3) defined points within a development agreement, 4) part of a land secure financing district and/or 5) paid for by the development impact fees for the development.

Harris will work with the developer(s) to set project phasing. Harris, the sub-consultants and the City will build upon the Benefit and Burden analysis, and shall meet with and proceed with the coordination of all Finance Plan Consultants, including City CFD staff, the Appraiser, and Bond Counsel (assumed to have separate contracts with the City) regarding assumptions upon which the Project IFP shall be performed.

The purpose of the IFP will be to clearly describe what is expected to occur with regard to land uses, infrastructure costs and financing. This is an iterative process that will require consensus building among all of the stakeholders. Harris will play an integral role in generating this consensus.

The IFP will define the financing details related to water, sewer, storm drainage, traffic, public facilities and parks. For those portions of the infrastructure that are associated with impact fees, a cash flow analysis will be provided defining when each project is anticipated and can be funded.

Harris will prepare a Draft Infrastructure Finance Plan which will include, for each program improvement described in the Technical Analyses performed by the Sub- Consultants: a project detail sheet, the project description, the itemized project costs, the capital improvement program (CIP) numbers, a priority list of projects, and cash flow projections based upon estimated revenue from fees and debt financing.

Upon approval of the draft plan, Harris will assist City staff in two (2) City Council presentations for the IFP. The first presentation will be a public meeting to present the IFP and receive comments. The second presentation will adopt the IFP and associated Development Impact Fees.

Harris will assist the City in the preparation of all required City Council staff reports, resolutions and public notices associated with the adoption of the IFP.

Harris will provide ten (10) copies for City staff review. At the City’s direction, Harris will complete a final draft to be presented to stakeholders.

<sup>1.5</sup>  
**Level of Effort and costs for Task ~~1.4~~:**

<b>Firm</b>	<b>Hours</b>	<b>Costs</b>	<b>Meetings in Scope</b>
Harris - PM	365	\$56,535	4 w/staff; 2 w/Council
West Yost - Water	24	\$4,560	1 w/staff
Carollo - Wastewater	24	\$4,320	1 w/staff
Stantec - Drainage	24	\$3,600	1 w/staff
Omni-Means - Traffic	80	\$11,000	1 w/staff
Subs Mark-ups		\$3,522	
<b>Totals</b>	<b>517</b>	<b>\$79,677</b>	

1.5

**Deliverables for Task 1.4**

- 10 copies of the draft Infrastructure Finance Plan
- 10 copies of a final draft of the Infrastructure Finance Plan
- 20 copies of the final Infrastructure Finance Plan
- 1 electronic copy of the final Infrastructure Finance Plan.

1.4

**Task 1.5 – Facilities Master Plan**

Harris will prepare the Facilities Master Plan, which includes the following:

- Introduction
- Sanitary Sewer System
- Storm Drainage System
- Construction Phasing
- Circulation System
- Potable Water System
- Parks (provided by City)

Harris will prepare the "Kiernan Business Park East Facilities Master Plan". It will incorporate all of the information provided by the sub consultants related to infrastructure requirements. This task assumes that no aerial or field surveying is required but will be available from the other work being completed by the developer. If survey information is not available, then an additional task to provide this service will be needed.

This scope of work assumes that twenty (20) sheets of drawings will be created during this process.

Harris assumes that the adoption of the FMP will occur as part of the IFP process discussed in Task 1.4. 1.5.

Ten (10) copies of the 30% design level drawings will be submitted to the City for review. The 30% submittal would be a submittal of all drawings anticipated to be submitted and would include alignments and planned locations of all facilities. Once the City has submitted written comments to Harris, 90% drawings will be completed. Ten (10) copies of the 90% drawings will be submitted to the City for final review. The 90% submittal would include all alignments for roads and pipes including face of curb, edge of pavement, existing right-of-way, future right-of-way, and existing buildings, profiles for all roads and pipes including slopes, and elevation call-outs, cross section of roads including lane widths, landscaping widths and side walk widths, intersection details including lengths of turn lanes, lane configurations, face of curb, edge of pavement, existing right of way, future right of way, and any existing buildings and location of any planned detention basins, parks, schools, and any other pertinent facilities. The 90% would also include all notes, all call-outs, any details that are to be incorporated such as curb and gutter, sidewalk, etc. or reference to the City's design standards.

Twenty (20) copies of the final drawings, including an electronic copy, will be provided to the City when all comments have been addressed.

1.4

Task 1.5 assumes 4 meetings with the City and/or developers to discuss the drawings.

**1.4**

**Level of Effort and costs for Task 1.5:**

<b>Firm</b>	<b>Hours</b>	<b>Costs</b>	<b>Meetings in Scope</b>
Harris - PM	812	\$ 99,060	4 w/staff
West Yost - Water	40	\$7,600	
Carollo - Wastewater	40	\$7,200	
Stantec - Drainage	40	\$6,000	
Omni-Means - Traffic	40	\$6,000	
Subs Mark-ups		\$4,020	
<b>Totals</b>	<b>972</b>	<b>\$129,880</b>	

**Deliverables for Task 1.5 1.4**

- 10 copies of the 30% level drawings of the Facilities Master Plan
- 10 copies of a 90% level drawings of the Facilities Master Plan
- 20 copies of the final Facilities Master Plan
- 1 electronic copy of the final Facilities Master Plan

**Task 1.6 – Community Facilities District**

Harris will prepare the Community Facilities District, which includes the following:

Goodwin Consulting Group, Inc. (GCG) will serve as special tax consultant to assist the City of Modesto (City) in the formation of a Mello-Roos Community Facilities District (CFD) that will fund public improvements and public services required to serve the Kiernan East project. GCG will meet with City staff, property owners, the City’s financial advisor, bond counsel and other members of the financing team to compile data and to discuss the structure and components of the Mello-Roos cash flow analysis. This task will include (i) determining the initial boundaries of the CFD and future annexation areas both inside and outside existing City limits, (ii) identifying proposed land uses, public facilities to be financed, annual storm drain and landscape maintenance costs, anticipated absorption rates, and timing and number of bond issues, (iii) discussing assumptions to be used for the initial allocation of special taxes to land uses within the CFD and reviewing the advantages and disadvantages associated with various allocation methods, (iv) evaluating the potential for separate CFDs, improvement areas or tax zones based on the objectives of the City and developers, and (v) coordinating with the financial advisor regarding the anticipated bond structure, including special tax/debt service escalator, bond interest rate, short-term reinvestment rate, capitalized interest, reserve fund, and other features that may affect the size of bond issues and the corresponding annual debt service.

Mello-Roos Cash Flow Analysis GCG will use the information compiled to prepare an analysis of the annual cash flow of the CFD. The analysis will identify the maximum special tax that will be needed to maintain required debt service coverage on bonded indebtedness issued on behalf of the CFD. In addition, the cash flow will (i) estimate the special tax burden on undeveloped property based on a given absorption scenario, (ii) determine the size of the initial and subsequent bond sales taking into consideration minimum value-to-lien requirements set forth in state law and City policy, and (iii) evaluate the increased bonding capacity that is created from an escalating special tax and debt service or other unique bond structure.

GCG will present the cash flow analysis at a second meeting and discuss alternatives that the working group would like analyzed. Subsequent iterations of the analysis will be prepared based on feedback

from City staff, affected property owners, the financial advisor, bond counsel and other members of the working group. Ultimately, through review and discussion of each alternative, the team will select a special tax structure which GCG will incorporate in the Rate and Method of Apportionment of Special Tax outlined below.

Rate and Method of Apportionment of Special Tax Based on the special tax structure selected pursuant to Task B-2 above, GCG will prepare the Rate and Method of Apportionment of Special Tax (RMA), which will serve as the official special tax formula for the CFD. The RMA will provide detail and direction as to how the special tax should be levied in future years to ensure adequate revenues are available for timely repayment of debt service on bonded indebtedness issued by the CFD. The RMA will be included as an exhibit to the Resolution of Intention to Form the CFD, which will be adopted by the City Council as part of the first set of actions taken towards forming the CFD.

In addition to providing guidance relative to the annual levy of special taxes in the CFD, the RMA will provide some or all of the following items:

- Identification of the maximum special tax for each special tax category, including each category of developed and undeveloped property
- Provision for a back-up special tax or alternate mechanism to be used to maintain maximum special tax revenues in the event that land uses change in future years
- A detailed prepayment formula that will provide flexibility for a property owner to prepay all or a portion of the special tax obligation after some or all bonds have been issued for the CFD
- If additional property is expected to annex into the CFD, a description of the “catch-up tax” that will apply to annexing parcels to equalize the cumulative special tax burdens (if applicable)

Contributions and Review of Other CFD Formation Documents In coordination with the working group, GCG will review, prepare and contribute to other documents required in the CFD formation proceedings. Specifically, GCG will prepare the CFD Report required, pursuant to Section 53321.5 of the Government Code, to be filed with the City Clerk prior to the public hearing. GCG will also review all CFD formation documents and, based on results of the cash flow analysis, assist in calculating the maximum bond authorization and appropriations limit for the CFD. GCG will also ensure that the CFD boundary map is consistent with the areas expected to be included in the CFD when the maximum special tax and/or bonding capacity is calculated.

In preparation for the issuance of bonds, GCG will review the bond purchase agreement, fiscal agent agreement and/or bond indenture to assure that the flow of special tax revenues and interest earnings as set forth in these documents are consistent with assumptions used in the Mello-Roos cash flow analysis. In addition, GCG will review the preliminary official statement and, at the request of the financial advisor or underwriter, prepare one or more of the following:

- A table demonstrating special tax coverage based on the projected stream of revenues compared to annual debt service on the bonds
- If multiple landowners/developers are included within the CFD, a table showing diversification of special tax burdens among the major participants
- Incorporating information provided in the appraisal, a table identifying the value-to-lien ratios for each assessor parcel or major property owner
- A table summarizing a sample tax bill for individual residential units within each tax category to demonstrate compliance with City policy pertaining to the total effective tax rate

- Any other tables requested by the financial advisor and/or underwriter to assist in disclosure related to the special tax formula

Certification of Special Tax Revenues and Acceptance of Associated Liability GCG will execute the Certificate of Special Tax Consultant, which commits to bond buyers that the minimum debt service coverage will be maintained by application of GCG's tax formula regardless of land use changes that occur within the CFD in future years.

Task 1.6 assumes 4 meetings with the City and/or developers.

**Level of Effort and costs for Task 1.6:**

<b>Firm</b>	<b>Hours</b>	<b>Costs</b>	<b>Meetings in Scope</b>
<b>Harris – PM</b>	78	\$ 11,140	4 w/staff
<b>Goodwin Consult Grp</b>		\$25,000	4 w/staff
<b>Subs Mark-ups</b>		\$3,750	
<b>Totals</b>		<b>\$ 39,890</b>	

**Deliverables for Task 1.6**

*See Above*

Harris & Assoc Anticipated Schedule for Kiernan Business Park East

Note: The schedule for tasks 2, 4 and 5 are based on working concurrently on the benefit and burden analysis and IFP while the EIR is being prepared. This poses some risk to the developer due to the fact that if the EIR changes, the reports will have to be modified and this would require additional scope of work. The final reports would not be adopted until the adoption of the Final EIR. Should the EIR take longer than shown on this schedule, the IFP and FMP would not be completed as shown.

**EXHIBIT B**

Harris & Associates Estimation of Man-hours and Costs for Kiernan Business Park East September 11, 2006

Harris & Associates

RANGE OF HOURLY RATES:  
DESIGN AND PUBLIC WORKS SERVICE GROUPS

Effective January 1 – December 31, 2006

<u>ENGINEERING DESIGN AND PUBLIC WORKS SERVICES GROUPS</u>	<u>HOURLY RATE</u>
Jim Bissell, P.E.	\$190
Steve Roberts, P.E.	\$190
Dennis Anderson, P.E.	\$180
Alison Bouley, P.E.	\$160
Project Directors	\$170-240
Project Managers	\$120-190
Project Engineers	\$80-160
Construction Manager	\$120-190
Administration	\$50-90

Notes:

1. These individuals include professionals and support personnel who might work on Harris projects. Support personnel include technicians and administrative staff.
2. Rates are subject to adjustment due to promotions during the effective period of this schedule. A new rate schedule will become effective and apply to this contract on January 1, 2007.
3. Unless otherwise indicated in the agreement, hourly rates include most direct costs such as vehicle usage and mileage, equipment usage (including computer and telephone), and printing and copying (except large quantities such as construction documents for bidding purposes).
4. Billing rates for independent contractors and hourly employees are determined on a case-by-case basis.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-601**

**A RESOLUTION AMENDING THE FISCAL YEAR 2006-2007 OPERATING  
BUDGET TO CREATE A MULTI-YEAR ACCOUNT (2900-020-0261) AND  
APPROPRIATING \$263,000, FUNDED BY CHOPRA DEVELOPMENT  
ENTERPRISES, FOR THE PREPARATION OF A FACILITIES MASTER PLAN,  
INFRASTRUCTURE FINANCE PLAN, AND FOR FORMATION OF A  
COMMUNITY FACILITIES DISTRICT FOR THE KIERNAN BUSINESS PARK  
EAST SPECIFIC PLAN AREA**

WHEREAS, the Kiernan Business Park East Specific Plan Area is in need of a Facilities Master Plan (“FMP”), and Infrastructure Finance Plan (“IFP”) to plan for necessary facilities and associated costs for buildout of that specific plan area, and

WHEREAS, on September 26, 2006, the Council of the City of Modesto approved a Master Professional Services Agreement for Consultant Services (“Agreement”) with Harris and Associates for the preparation of FMPs, IFPs, technical studies and related on-call services as assigned by City, and

WHEREAS, on September 26, 2006, the Council of the City of Modesto approved Task Order No. 1 to the Agreement for the preparation of a FMP, IFP, and for formation of a Community Facilities District (“CFD”), and

WHEREAS, an Advanced Funding Agreement between the City and Chopra Development Enterprises (“Applicant”) has been approved by the City Council, and

WHEREAS, Applicant has deposited with the City the amount of two hundred and sixty-three thousand dollars (\$263,000) to fund a portion of the costs for the Project and provide for reimbursement as appropriate, and

WHEREAS, additional deposits will be provided by Applicant, as required by the City and as necessary to fund Task Order No. 1, and

WHEREAS, the City will issue Notices to Proceed to the City's Consultant only for those subtasks for which the Applicant has deposited funds,

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Modesto that it hereby amends the Fiscal Year 2006-2007 operating budget to create a multi-year account for the preparation of the Kiernan Business Park East Specific Plan Area Facilities Master Plan and Infrastructure Finance Plan and appropriate \$184,100 to (2900-020-0261-0235) for professional services and \$78,900 to (2900-020-0261-0255) for city services.

BE IT FURTHER RESOLVED that the Finance Director, or designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of September, 2006, by Councilmember O'Bryant, who moved its adoption, which motion being duly seconded by Councilmember Dunbar was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

NOES: Councilmembers: None

ABSENT: Councilmembers: None

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-602**

**A RESOLUTION APPROVING TASK ORDER NO. 2 TO THE MASTER  
PROFESSIONAL SERVICES AGREEMENT FOR CONSULTANT SERVICES  
WITH HARRIS AND ASSOCIATES FOR THE PREPARATION OF A  
FACILITIES MASTER PLAN, INFRASTRUCTURE FINANCE PLAN, AND FOR  
FORMATION OF A COMMUNITY FACILITIES DISTRICT FOR THE  
KIERNAN BUSINESS PARK SOUTH SPECIFIC PLAN AREA**

WHEREAS, the City Council is desirous of creating a Facilities Master Plan (“FMP”) and Infrastructure Finance Plan (“IFP”) for the Kiernan Business Park South Specific Plan Area (“Project”), and

WHEREAS, Mana Developments and Hans J. Wagner (collectively the “Applicant”) has a legal interest in real property located within a portion of the Kiernan Business Park South Specific Plan Area, shown in **Exhibit “A”**, and is interested in pursuing development of properties in the Specific Plan Area, and

WHEREAS, on September 26, 2006, the Council of the City of Modesto approved a Master Professional Services Agreement for Consultant Services with Harris and Associates for the preparation of FMPs, IFPs, technical studies and related on-call services assigned by City, and

WHEREAS, Harris and Associates (“Consultant”) has prepared Task Order No. 2 for the Project (“Task Order”), attached as **Exhibit “B”**, and

WHEREAS, Applicant has advanced a deposit to the City in the amount of two hundred fifty thousand dollars (\$250,000) to fund a portion of Task Order No. 2 and to pay staff and consultant expenses expected to be incurred in connection with the Project, and

WHEREAS, additional deposits will be provided by Applicant, as required by the City and as necessary to fund the Task Order, and

WHEREAS, the City will issue Notices to Proceed to the City's Consultant only for those subtasks for which the Applicant has deposited funds,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that Task Order No. 2, attached as Exhibit "B" hereto are hereby approved.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of September, 2006, Councilmember O'Bryant, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**EXHIBIT B**

City of Modesto  
TASK ORDER NO. 2  
for  
Harris & Associates'  
Master Professional Services Agreement

Kiernan Business Park South

This Task Order No. 2 is made and entered into by and between the City of Modesto, a municipal corporation (hereinafter "CITY"), and Harris & Associates, Inc., a California Corporation (hereinafter "CONSULTANT") and is effective as of \_\_\_\_\_.

RECITALS

- A. CONSULTANT has entered into a Master Professional Services Agreement, (hereinafter "Agreement"), dated \_\_\_\_\_ ("AGREEMENT") with the CITY, by which the CONSULTANT has agreed to provide professional engineering and financial engineering services for various development projects, which is incorporated herein by reference.
- B. At the request of CITY and in compliance with the terms of the AGREEMENT, CONSULTANT has prepared the Scope of Work, a copy of which is attached hereto as Exhibit A.
- C. CITY and CONSULTANT desire that CONSULTANT perform the services as identified in the attached Scope of Work.

**NOW THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:**

1. **INCORPORATION OF MASTER PROFESSIONAL SERVICES AGREEMENT.** This Task Order hereby incorporates by reference all terms and conditions set forth in the Master Professional Services Agreement, unless expressly modified by this Task Order. The AGREEMENT and this Task Order shall, to the fullest extent possible, be read and considered as fully integrated documents and shall be interpreted so as to avoid inconsistencies, comply with all applicable laws and ensure that the objectives of the parties will be fully realized.

Nothing in this Task Order is intended to supersede, terminate, modify or otherwise affect any provision of the AGREEMENT, except to the extent that a provision of this AGREEMENT is in direct and irreconcilable conflict with a provision of the AGREEMENT. Then, and only in that event, the provisions of the AGREEMENT shall prevail over the contradictory provision of the Task Order.

2. **SCOPE OF SERVICES.** CONSULTANT shall perform the services described in Exhibit "A" attached hereto and incorporated herein by reference. CONSULTANT shall not replace its Authorized Representative, nor shall CONSULTANT use any subcontractors or subconsultants not listed in this Task Order, without the prior written consent of CITY.

3. **TIME OF PERFORMANCE.** CONSULTANT shall commence performance within five (5) working days after receipt of a Notice to Proceed from City, and shall complete all required services no later than the dates set forth in Exhibit "A".
4. **COMPENSATION.** For services performed by CONSULTANT in accordance with this Task Order, CONSULTANT agrees to accept a sum not to exceed \$281,390.00. CONSULTANT shall be paid at the times and in the manner set forth in Paragraph 3 of the Master Professional Services Agreement, unless expressly provided otherwise in the attached Scope of Work.
5. **SIGNATURES.** The individuals executing this Task Order represent and warrant that they have the right, power, legal capacity, and authority to enter into and to execute this Task Order on behalf of the respective legal entities of the CONSULTANT and CITY. This Task Order shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns.

IN WITNESS WHEREOF, the City of Modesto, a municipal corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. 2006-\_\_\_\_\_, adopted by the Council of the City of Modesto on the \_\_\_\_ day of \_\_\_\_\_, 2006, and has caused this Agreement to be duly executed in duplicate as of the Effective Date set forth above.

## EXHIBIT A

**Harris & Associates  
Scope of Work  
For Task Order No. 2  
Kiernan Business Park South  
Preparation of the Capacity Studies, Infrastructure Finance Plan,  
Facilities Master Plan and Community Facilities District  
September 12, 2006**

The following Scope of Work is for preparation of the capacity studies for the support of the Kiernan Business Park East Draft EIR. In addition, following identification of necessary mitigation measures, this scope details the preliminary scope for preparation of a Benefit and Burden Analysis, Infrastructure Finance Plan, Facilities Master Plan and Community Facilities District. The Harris Team includes six sub consultants on this project: West Yost and Associates for Water, Carollo Engineers for Wastewater, Fehr & Peers for Traffic, Omni Means for traffic finance planning, Stantec for Storm Drainage and Goodwin Consulting Group. The work will be performed on a time and materials basis. The cost estimate for Harris' hours and the sub-consultants are summarized in Exhibit B including hourly rate schedule. The following provides Harris and Associates' (Harris) approach and level of effort for this scope of work.

### Task 2.1 – Project Coordination and Preparation of Capacity Studies

Harris will coordinate with all parties and will peer review the capacity studies prepared by each of the subconsultants, listed below, for the Kiernan South Project (and in conjunction with the Draft EIR to be prepared by Turnstone Consulting for the Kiernan East Project). Harris will attend up to six (6) meetings with City staff during the preparation of the capacity studies. The City and developer will provide the Harris team with a complete "Project Description" which details the proposed layout, traffic circulation and land use with anticipated densities included.

#### Water Capacity Study - West Yost Associates(WYA)

Based on the provided information regarding land use, roadway alignments, etc. WYA will calculate the water demands for the project. WYA will modify the existing water system hydraulic model to be representative of the new demands of the proposed project. WYA will then use this modified hydraulic model to evaluate the potential hydraulic impacts of the increased water demands and various fire flow analyses from the Project. If the City's existing water system cannot meet the City's minimum water system design criteria with the increased demands, then WYA will make recommendations for whatever new water supply sources and/or water system infrastructure facilities will be required to mitigate the hydraulic impacts of the Project. WYA will prepare an estimate of the probable construction cost for the infrastructure required to provide adequate supply. It is assumed that the Kiernan South project does not need an evaluation of water supply availability in response to SB610.

#### Wastewater – Carollo Engineers

Using development layout and land use data provided by the City, Carollo will update the hydraulic model to reflect changes in planning assumptions created by the Project since they prepared the Draft Wastewater Master Plan for the City in 2005. Carollo will revise the sewer improvements to reflect changes in planning assumptions. The Collection system and WWTP improvements will be revised as necessary to accommodate growth based on revisions to the hydraulic model and updates to the

WWTP Master Plan currently being prepared by Carollo. Carollo will develop probable construction cost estimates to reflect changes in the Capacity Study and a cost allocation associated with proposed recommended improvements.

Storm Drain - Stantec

Using previously prepared studies and additional project information, Stantec will use a combination of empirical calculations and hydrologic modeling to determine 10-year and 100-year peak discharges and 100-year 24-hour storm runoff volumes that will be generated by the Project. The storm drainage infrastructure plan proposed to serve Watershed D as represented in the Draft Storm Drainage Master Plan will be modified to accommodate project development requirements. The Consultant will attend a meeting with the City and MID staff to determine if MID is likely to be willing to accept discharges from a detention/retention basin that will serve the project into their Lateral No. 6 that extends adjacent to the project along the alignment of Bangs Road. Initial MID requirements pertaining to such a discharge will also be determined at the meeting.

Traffic - Fehr & Peers

In conjunction with their traffic analysis for the adjacent properties and developments, Fehr & Peers will be developing traffic projections for near-term conditions and for far-term (2025) conditions. The far-term forecasts will include development of Kiernan Business Park South according to its General Plan designation, as estimated by the City of Modesto's traffic model. They can be used to size the roadways adjacent to the site. In addition, F&P will develop near-term and 2025 traffic forecasts to determine the size of the internal streets (number of travel lanes) and to size the access locations (lane configurations at the intersections of the internal roadways with Bangs and Dale).

**Level of Effort and Costs for Task 2.1:**

<b>Firm</b>	<b>Hours</b>	<b>Costs</b>	<b>Meetings in Scope</b>
Harris – PM	168	\$28,340	8
West Yost – Water	210	\$32,667	2
Carollo – Wastewater	80	\$12,333	2
Stantec – Drainage	96	\$11,233	2
Fehr & Peers - Traffic	100	\$15,000	2
Mark-ups on Subs		\$10,685	
<b>Totals</b>	<b>---</b>	<b>\$110,258</b>	

**Deliverables for Task 2.1**

Water: 10 to 15 page Technical Memorandum (TM) of both Draft and Final TMs, as five (5) hard copies and a PDF file of each submittal.

Wastewater: Draft, Final Draft and Final Report of the Wastewater Capacity Study as five (5) hard copies and a PDF file of each submittal.

Storm Drain: Technical Report of the drainage infrastructure plan for the project. The Technical Report will be submitted at Initial Draft, Final Draft, and Final stages of completion as five (5) hard copies and a PDF file of each submittal.

Traffic: Draft and Final Report of the Traffic Study as five (5) hard copies and a PDF file of each submittal.

**Task <sup>2.3</sup>~~2.2~~ – Infrastructure Finance Plan**

Prior to beginning the Infrastructure Finance Plan or Facilities Master Plan, Harris will meet with the developer and the City to determine how all of the infrastructure project costs will be paid for by the developer including: 1) “build and dedicate”, 2) condition of approval on the development mapping, 3) defined points within a development agreement, 4) part of a land secure financing district and/or 5) paid for by the development impact fees for the development. In addition, Harris will work with the developer(s) to set project phasing. Harris and sub-consultants will meet with and/or coordinate with developer and developer’s engineer, City CFD staff, the Appraiser, and Bond Counsel (assumed to have separate contracts with the City) regarding assumptions upon which the Project IFP shall be performed.

The purpose of the IFP will be to clearly describe what is expected to occur with regard to land uses, infrastructure costs and financing. This is an iterative process that will require consensus building among all of the stakeholders. Harris will play an integral role in generating this consensus.

The IFP will define the financing details related to water, sewer, storm drainage, traffic, public facilities and parks. For those portions of the infrastructure that are associated with impact fees, a cash flow analysis will be provided defining when each project is anticipated and can be funded.

Harris will prepare a Draft Infrastructure Finance Plan which will include, for each program improvement described in the Technical Analyses performed by the Sub- Consultants: a project detail sheet, the project description, the itemized project costs, the capital improvement program (CIP) numbers, a priority list of projects, and cash flow projections based upon estimated revenue from fees and debt financing.

Upon approval of the draft plan, Harris will assist City staff in two (2) City Council presentations for the IFP. The first presentation will be a public meeting to present the IFP and receive comments. The second presentation will adopt the IFP and associated Development Impact Fees.

Harris will assist the City in the preparation of all required City Council staff reports, resolutions and public notices associated with the adoption of the IFP.

Harris will provide ten (10) copies for City staff review. At the City’s direction, Harris will complete a final draft to be presented to stakeholders.

**Level of Effort and costs for Task <sup>2.3</sup>~~2.2~~:**

<b>Firm</b>	<b>Hours</b>	<b>Costs</b>	<b>Meetings in Scope</b>
Harris - PM	330	\$45,710	4 w/staff; 2 w/Council
West Yost - Water	24	\$4,560	2 w/staff
Carollo - Wastewater	24	\$4,320	2 w/staff
Stantec - Drainage	24	\$3,600	2 w/staff
Omni-Means - Traffic	60	\$8,250	2 w/staff
Subs Mark-ups		\$3,110	
<b>Totals</b>	<b>462</b>	<b>\$69,550</b>	

**2.3**  
Deliverables for Task ~~2.2~~

- 10 copies of the draft Infrastructure Finance Plan
- 10 copies of a final draft of the Infrastructure Finance Plan
- 20 copies of the final Infrastructure Finance Plan
- 1 electronic copy of the final Infrastructure Finance Plan.

**2.2**  
Task ~~2.3~~ – Facilities Master Plan

Harris will prepare the Facilities Master Plan, which includes the following:

- Introduction
- Sanitary Sewer System
- Storm Drainage System
- Construction Phasing
- Circulation System
- Potable Water System
- Parks (provided by City)

Harris will prepare the "Kiernan Business Park South Facilities Master Plan". It will incorporate all of the information provided by the sub consultants related to infrastructure requirements. This task assumes that no aerial or field surveying is required but will be available from the other work being completed by the developer. If survey information is not available, then an additional task to provide this service will be needed.

This scope of work assumes that ten (10) sheets of drawings will be created during this process.

Harris assumes that the adoption of the FMP will occur as part of the IFP process discussed in Task ~~2.2.2.3~~.

Ten (10) copies of the 30% design level drawings will be submitted to the City for review. The 30% submittal would be a submittal of all drawings anticipated to be submitted and would include alignments and planned locations of all facilities. Once the City has submitted written comments to Harris, 90% drawings will be completed. Ten (10) copies of the 90% drawings will be submitted to the City for final review. The 90% submittal would include all alignments for roads and pipes including face of curb, edge of pavement, existing right-of-way, future right-of-way, and existing buildings, profiles for all roads and pipes including slopes, and elevation call-outs, cross section of roads including lane widths, landscaping widths and side walk widths, intersection details including lengths of turn lanes, lane configurations, face of curb, edge of pavement, existing right of way, future right of way, and any existing buildings and location of any planned detention basins, parks, schools, and any other pertinent facilities. The 90% would also include all notes, all call-outs, any details that are to be incorporated such as curb and gutter, sidewalk, etc. or reference to the City's design standards.

Twenty (20) copies of the final drawings, including an electronic copy, will be provided to the City when all comments have been addressed.

**2.2**  
Task ~~2.3~~ assumes 3 meetings with the City and/or developers to discuss the drawings.

**2.2**

**Level of Effort and costs for Task ~~2.3~~:**

<b>Firm</b>	<b>Hours</b>	<b>Costs</b>	<b>Meetings in Scope</b>
Harris – PM	348	\$ 44,540	3 w/staff
West Yost – Water	24	\$4,560	
Carollo - Wastewater	24	\$4,320	
Stantec - Drainage	24	\$3,600	
Omni-Means - Traffic	24	\$3,600	
Subs Mark-ups		\$2,412	
<b>Totals</b>	<b>524</b>	<b>\$63,032</b>	

**Deliverables for Task ~~2.3~~ <sup>2.2</sup>**

- 10 copies of the 30% level drawings of the Facilities Master Plan
- 10 copies of a 90% level drawings of the Facilities Master Plan
- 20 copies of the final Facilities Master Plan
- 1 electronic copy of the final Facilities Master Plan

**Task 2.4 – Community Facilities District**

Harris will prepare the Community Facilities District, which includes the following:

Goodwin Consulting Group, Inc. (GCG) will serve as special tax consultant to assist the City of Modesto (City) in the formation of a Mello-Roos Community Facilities District (CFD) that will fund public improvements and public services required to serve the Kiernan South project. GCG will meet with City staff, property owners, the City’s financial advisor, bond counsel and other members of the financing team to compile data and to discuss the structure and components of the Mello-Roos cash flow analysis. This task will include (i) confirming land uses for the Bank of Stockton site and future property that will be designated as future annexation area for the CFD, (ii) identifying proposed land uses, public facilities to be financed, annual storm drain and landscape maintenance costs, anticipated absorption rates, and timing and number of bond issues, (iii) discussing assumptions to be used for the initial allocation of special taxes to land uses within the CFD and reviewing the advantages and disadvantages associated with various allocation methods, (iv) evaluating the potential for separate CFDs, improvement areas or tax zones based on the objectives of the City and developers, and (v) coordinating with the financial advisor regarding the anticipated bond structure, including special tax/debt service escalator, bond interest rate, short-term reinvestment rate, capitalized interest, reserve fund, and other features that may affect the size of bond issues and the corresponding annual debt service.

Mello-Roos Cash Flow Analysis GCG will use the information compiled to prepare an analysis of the annual cash flow of the CFD. The analysis will identify the maximum special tax that will be needed to maintain required debt service coverage on bonded indebtedness issued on behalf of the CFD. In addition, the cash flow will (i) estimate the special tax burden on undeveloped property based on a given absorption scenario, (ii) determine the size of the initial and subsequent bond sales taking into consideration minimum value-to-lien requirements set forth in state law and City policy, and (iii) evaluate the increased bonding capacity that is created from an escalating special tax and debt service or other unique bond structure.

GCG will present the cash flow analysis at a second meeting and discuss alternatives that the working group would like analyzed. Subsequent iterations of the analysis will be prepared based on feedback from City staff, affected property owners, the financial advisor, bond counsel and other members of the working group. Ultimately, through review and discussion of each alternative, the team will select a special tax structure which GCG will incorporate in the Rate and Method of Apportionment of Special Tax outlined below.

Rate and Method of Apportionment of Special Tax Based on the special tax structure selected pursuant to Task B-2 above, GCG will prepare the Rate and Method of Apportionment of Special Tax (RMA), which will serve as the official special tax formula for the CFD. The RMA will provide detail and direction as to how the special tax should be levied in future years to ensure adequate revenues are available for timely repayment of debt service on bonded indebtedness issued by the CFD. The RMA will be included as an exhibit to the Resolution of Intention to Form the CFD, which will be adopted by the City Council as part of the first set of actions taken towards forming the CFD.

In addition to providing guidance relative to the annual levy of special taxes in the CFD, the RMA will provide some or all of the following items:

- Identification of the maximum special tax for each special tax category, including each category of developed and undeveloped property
- Provision for a back-up special tax or alternate mechanism to be used to maintain maximum special tax revenues in the event that land uses change in future years
- A detailed prepayment formula that will provide flexibility for a property owner to prepay all or a portion of the special tax obligation after some or all bonds have been issued for the CFD
- If additional property is expected to annex into the CFD, a description of the “catch-up tax” that will apply to annexing parcels to equalize the cumulative special tax burdens (if applicable)

Contributions and Review of Other CFD Formation Documents In coordination with the working group, GCG will review, prepare and contribute to other documents required in the CFD formation proceedings. Specifically, GCG will prepare the CFD Report required, pursuant to Section 53321.5 of the Government Code, to be filed with the City Clerk prior to the public hearing. GCG will also review all CFD formation documents and, based on results of the cash flow analysis, assist in calculating the maximum bond authorization and appropriations limit for the CFD. GCG will also ensure that the CFD boundary map is consistent with the areas expected to be included in the CFD when the maximum special tax and/or bonding capacity is calculated.

In preparation for the issuance of bonds, GCG will review the bond purchase agreement, fiscal agent agreement and/or bond indenture to assure that the flow of special tax revenues and interest earnings as set forth in these documents are consistent with assumptions used in the Mello-Roos cash flow analysis. In addition, GCG will review the preliminary official statement and, at the request of the financial advisor or underwriter, prepare one or more of the following:

- A table demonstrating special tax coverage based on the projected stream of revenues compared to annual debt service on the bonds
- If multiple landowners/developers are included within the CFD, a table showing diversification of special tax burdens among the major participants
- Incorporating information provided in the appraisal, a table identifying the value-to-lien ratios for each assessor parcel or major property owner

- A table summarizing a sample tax bill for individual residential units within each tax category to demonstrate compliance with City policy pertaining to the total effective tax rate
- Any other tables requested by the financial advisor and/or underwriter to assist in disclosure related to the special tax formula

Certification of Special Tax Revenues and Acceptance of Associated Liability GCG will execute the Certificate of Special Tax Consultant, which commits to bond buyers that the minimum debt service coverage will be maintained by application of GCG's tax formula regardless of land use changes that occur within the CFD in future years.

Task 2.4 assumes 4 meetings with the City and/or developers.

**Level of Effort and costs for Task 2.4:**

<b>Firm</b>	<b>Hours</b>	<b>Costs</b>	<b>Meetings in Scope</b>
<b>Harris – PM</b>	66	\$ 9,800	4 w/staff
<b>Goodwin Consult Grp</b>		\$25,000	4 w/staff
<b>Subs Mark-ups</b>		\$3,750	
<b>Totals</b>		<b>\$ 38,550</b>

## EXHIBIT B - 1

Harris &amp; Associates

**RANGE OF HOURLY RATES:  
DESIGN AND PUBLIC WORKS SERVICE GROUPS**

Effective January 1 – December 31, 2006

<b><u>ENGINEERING DESIGN AND PUBLIC WORKS SERVICES GROUPS</u></b>	<b><u>HOURLY RATE</u></b>
Jim Bissell, P.E.	\$190
Steve Roberts, P.E.	\$190
Dennis Anderson, P.E.	\$180
Alison Bouley, P.E.	\$160
Project Directors	\$170-240
Project Managers	\$120-190
Project Engineers	\$80-160
Construction Manager	\$120-190
Administration	\$50-90

## Notes:

1. These individuals include professionals and support personnel who might work on Harris projects. Support personnel include technicians and administrative staff.
2. Rates are subject to adjustment due to promotions during the effective period of this schedule. A new rate schedule will become effective and apply to this contract on January 1, 2007.
3. Unless otherwise indicated in the agreement, hourly rates include most direct costs such as vehicle usage and mileage, equipment usage (including computer and telephone), and printing and copying (except large quantities such as construction documents for bidding purposes).
4. Billing rates for independent contractors and hourly employees are determined on a case-by-case basis.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-604**

**A RESOLUTION APPROVING A CFF RIGHT OF WAY REIMBURSEMENT AGREEMENT BETWEEN THE CITY OF MODESTO AND PPC THOMAS TERRACE, LP, A CALIFORNIA LIMITED PARTNERSHIP, WITH A MAXIMUM REIMBURSEMENT AMOUNT OF \$756,076 FOR RIGHT OF WAY LOCATED AT THE NORTHWEST CORNER OF BRIGGSMORE AVENUE AND CLAUS ROAD, AUTHORIZING THE CITY MANAGER TO EXECUTE THE AGREEMENT AND FINDING THAT THE AGREEMENT IS WITHIN THE SCOPE OF THE PREVIOUSLY CERTIFIED VILLAGE ONE SPECIFIC PLAN PROGRAM EIR, AS AMENDED BY THE VILLAGE ONE SUPPLEMENTAL EIR AND THE ADDENDUM TO THE EIR (SCH No. 90020181)**

WHEREAS, the City of Modesto's General Plan calls for Claus Road to be constructed as a Class A expressway, and

WHEREAS, the future Claus Road will be developed as an expressway and additional right of way is necessary for the future realignment of Claus Road, and

WHEREAS, PPC Thomas Terrace, LP, A California Limited Partnership, ("Developer") has a legal interest in a certain tract of land located west of Claus Road in the Village One Specific Plan area of the City of Modesto, commonly known as the Thomas Terrace Subdivision ("Subdivision"), and

WHEREAS, as a condition of approval of the Subdivision, the Developer is required to dedicate 145,847 square feet of right of way for the future interchange for Claus Road and for the construction of the Claus Road bike trail (collectively "the Dedication"), and

WHEREAS, the Dedication will be made through the recordation of the final map for the Subdivision ("Final Map") and the Dedication will be effective upon recordation of said Final Map, and

WHEREAS, a portion of the Dedication is reimbursable through the City's Capital Facilities Fees ("CFF") program, and

WHEREAS, the City and the Developer are proposing to enter into a CFF Right of Way Reimbursement Agreement ("Agreement") between the City of Modesto and Developer to provide for reimbursement for (a portion of) the ROW to be dedicated, and

WHEREAS, said Agreement shall have a maximum reimbursement amount of \$756,076, of which \$692,239 will be allocated from the Streets CFF fund, and \$63,737 will be allocated from the Air Quality CFF fund not later than fifteen (15) days after recordation of the Final Map for the Subdivision or October 31, 2006, whichever occurs later, and

WHEREAS, the City Council has received and considered the Written Checklist, Environmental Assessment No. EA/C&ED 2004-58, which concludes that the dedication of the right of way for which the Developer will be reimbursed under the proposed Agreement, is within the scope of the previously certified Village One Specific Plan Program EIR, as amended by the Village One Supplemental EIR and the Addendum to the EIR (SCH No. 90020181), and that, pursuant to Sections 15168(c) and 15182 of the CEQA Guidelines, no new environmental review is required,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby finds and determines that:

1. The proposed CFF Right of Way Reimbursement Agreement between the City of Modesto and PPC Thomas Terrace, LP ("Project") is

consistent with the Village One Specific Plan and the Modesto Urban Area General Plan.

2. The reimbursement for the proposed right of way is included in the 2003 CFF program.
3. As per Sections 15168(c) and 15182 of the California Environmental Quality Act ("CEQA") Guidelines, this Project is within the scope of the projects covered by the Village One Program EIR, as amended by the 1994 Supplemental EIR and the 2003 Addendum to the EIR ("Program EIR") and no new environmental document or findings are required by CEQA.
4. There are no substantial changes proposed in the Project which result in new significant environmental effects or a substantial increase in the severity of previously identified significant effects and, therefore, no major revisions to the Program EIR, are required.
5. No substantial changes have occurred with respect to the circumstances under which the Project is undertaken which will result in new significant environmental effects or a substantial increase in the severity of previously identified significant effects and, therefore, no major revisions to the Program EIR, are required.
6. There is no new information of substantial importance that was not known and could not have been known with the exercise of reasonable diligence when the Program EIR, was adopted which shows any of the following:

- a. one or more significant effects which is not discussed in the Program EIR; or,
- b. significant effects which were previously examined will be substantially more severe than previously shown; or,
- c. previously infeasible mitigation measures or alternatives are now feasible and would substantially reduce one or more significant effects of the project, but the Project proponents decline to adopt the mitigation measure or alternative; or,
- d. mitigation measures or alternatives which are considerably different from those analyzed in the Program EIR would substantially reduce one or more significant effects on the environment, but the Project proponents decline to adopt the mitigation measure or alternative.

7. The Written Checklist, Environmental Assessment EA/C&ED 2004-58, provides the substantial evidence to support findings 3-7, above.

BE IT FURTHER RESOLVED that the CFF Right of Way Reimbursement Agreement between the City of Modesto and PPC Thomas Terrace, LP is hereby approved.

BE IT FURTHER RESOLVED that the City Manager, or designee, is authorized to execute the Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26<sup>th</sup> day of September, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-606**

**A RESOLUTION APPROVING AN ADVANCED FUNDING  
AGREEMENT FOR THE KIERNAN BUSINESS PARK WEST SPECIFIC  
PLAN AREA BETWEEN THE CITY OF MODESTO AND KAISER  
FOUNDATION HOSPITALS FOR FORMATION OF CITY OF  
MODESTO COMMUNITY FACILITIES DISTRICT NO. 2006-1  
(KIERNAN BUSINESS PARK WEST) AND AUTHORIZING THE CITY  
MANAGER TO EXECUTE THE AGREEMENT**

WHEREAS, Kaiser Foundation Hospitals, a California Non-Profit Public Benefit Corporation, (the “Developer”) has agreed to advance all funds necessary to form a community facilities district (“CFD”) for a portion of the Kiernan Business Park Specific Plan Area commonly known as Kiernan Business Park West (“KBP West”), and

WHEREAS, the parties agreed to enter into an Advanced Funding Agreement For The City of Modesto Community Facilities District No. 2006-1 (Kiernan Business Park West) by and between the City and the Developer relating to advances made and to be made by the Developer to the City, and providing for potential reimbursement to the Developer if and when certain funds from the community facilities district become available, a copy of which is attached as **Exhibit A.**

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Advanced Funding Agreement For The City of Modesto Community Facilities District No. 2006-1 (Kiernan Business Park West) between the City of Modesto and Kaiser Foundation Hospitals is hereby approved.

BE IT FURTHER RESOLVED that the City Manager, or designee, is hereby authorized to execute the Advanced Funding Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26<sup>th</sup> day of September, 2006, by Councilmember Marsh who moved its adoption, which motion being duly seconded by Councilmember Keating was upon roll call carried and the resolution adopted by the following vote:

**ADVANCED FUNDING AGREEMENT  
FOR THE CITY OF MODESTO  
COMMUNITY FACILITIES DISTRICT NO. 2006-1  
(KIERNAN BUSINESS PARK WEST)**

THIS ADVANCED FUNDING AGREEMENT FOR THE CITY OF MODESTO COMMUNITY FACILITIES DISTRICT NO. 2006-1 (KIERNAN BUSINESS PARK WEST) (this "Agreement"), dated as of \_\_\_\_\_, 2006, is entered into by and between the CITY OF MODESTO, a Municipal Corporation (the "City"), and KASIER FOUNDATION HOSPITALS, A CALIFORNIA NON-PROFIT PUBLIC BENEFIT CORPORATION (the "Developer").

*RECITALS:*

A. The Developer has requested that the City form a community facilities district to be known as "City of Modesto Community Facilities District No. 2006-1 (Kiernan Business Park West)" (the "CFD") for the principal purpose of financing and maintaining various public facilities necessary or desirable in connection with the development of the Developer's project in the Kiernan Business Park Specific Plan Area.

B. In accordance with the City's "Policies & Procedures for the Formation, Annexation, and Administration of Community Facilities Districts Created Pursuant to the Provisions of the Mello-Roos Community Facilities Act of 1982" (the "City's CFD Policies and Procedures"), the Developer has heretofore deposited with the City the sum of \$64,500 in order to provide the City with a source of funds with which to pay expenses expected to be incurred in connection with the possible formation of the CFD.

C. Pursuant to California Government Code Section 53314.9 and the City's CFD Policies and Procedures, the City Council of the City is authorized to accept advances of funds or work-in-kind from any source, including, but not limited to, private persons or private entities, and may provide, by resolution, for the use of those funds or work-in-kind for any authorized purpose, including, but not limited to, paying any costs incurred by the City in connection with the formation of a community facilities district. The City Council of the City is also authorized to enter into an agreement, by resolution, with the person or entity advancing the funds or work-in-kind to repay all or a portion of the funds advanced or to reimburse the person or entity for the cost or value of the work-in-kind provided that certain conditions are met. The conditions to be satisfied with respect to funds advanced require that (1) the proposal to repay the funds or to pay the cost or value of the work-in-kind must be included in the resolution of intention for the proposed community facilities district and in the resolution of formation for the proposed community facilities district, (2) any proposed special tax is approved by the qualified electors of the community facilities district and, if a proposed special tax is not approved, any funds advanced which have not been committed for any authorized purpose by the time of the election must be returned to the person or entity advancing funds and (3) any work-in-kind accepted shall have been performed or constructed as if the work had been performed or constructed under the direction and supervision, or under the authority, of the local agency.

D. The City and the Developer are desirous of entering into this Agreement in accordance with Government Code Section 53314.9 and the City's CFD Policies and Procedures in order to provide a mechanism by which the Developer may make additional deposits if determined necessary pursuant to the City's CFD Policies and Procedures and, when and if bonds are issued and proceeds are available, the CFD can reimburse the Developer for the amounts advanced by the Developer.

### AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth herein, the parties hereto agree as follows:

1. Recitals. Each of the above recitals is incorporated herein and is true and correct.
2. Proposed Formation of the CFD and Issuance of Bonds.

(a) Upon receipt by the City of a completed application for the formation of the CFD and all documents related thereto as described in the City's CFD Policies and Procedures, the City will undertake to analyze the appropriateness of forming the CFD and the issuance of bonds by it. In connection therewith, the City has either retained or will retain, at the Developer's expense, the consultants that the City determines necessary or convenient to assist it in studying the proposed formation of the CFD and, if the City determines to proceed with the formation of the CFD, to assist it in connection therewith and with the possible issuance of bonds.

(b) Pursuant to the City's CFD Policies and Procedures, the Developer shall make additional advances to the City within ten (10) days following receipt from the City of a request for an additional advance to cover the costs referred to herein. In the event the Developer does not deliver the requested amount to the City within such ten (10) day period, the City will have no obligation to proceed with any activity relating to the formation of the CFD and/or the issuance of bonds. The Developer may notify the City at any time, in writing, of its intention to abandon the formation of the CFD or the issuance of bonds. Upon receipt of such notice, the City shall instruct its consultants to cease work as soon as practicable. The Developer shall be responsible for all costs and expenses incurred by the City or any City consultant or advisor relating to the proposed formation of the CFD and/or bond issuance until work with respect to the proposed formation or bond issuance ceases following the receipt of the Developer's notice of abandonment.

(c) Developer agrees that, notwithstanding the Developer's reimbursement obligations under this Agreement, the consultants selected by the City shall be the contractor exclusively of the City and not of the Developer. Except for those disclosures required by law including, without limitations, the Public Records Act, all conversations, notes, memoranda, correspondence, and other forms of communication by and between the City and its consultants shall be, to the extent permissible by law, privileged and confidential and not subject to disclosure to the Developer. The Developer agrees that it shall have no claim to, nor shall it

assert any right in any reports, correspondence, plans, maps, drawings, news releases or any and all other documents or work product produced by the City's consultants. Developer understands that it will not be a third party beneficiary to City's contracts with the consultants. The Developer agrees that the City may select other consultants to replace its current consultants and may do so without consulting with the Developer or obtaining the Developer's approval

3. Developer to Cooperate with the City's Consultants. Developer agrees to cooperate in good faith with the City's consultants. Developer agrees that it will instruct its agents, employees, consultants, contractors and attorneys to reasonably cooperate with the City's consultants and to provide all necessary documents or information reasonably requested of them by the City's consultants; provided, however, that the foregoing shall not require the disclosure of any documents or information of the Developer which by law is privileged, proprietary, confidential, or exempt from disclosure under the Public Records Act.

4. Reimbursement Procedure. If the CFD is formed and bonds are issued, bond proceeds in excess of the amount determined by the City's District Administrator to be required in order to satisfy the requirements of the City's CFD Policies and Procedures with respect to capitalized interest and reserves and to pay for the Facilities and other Incidental Expenses may be used to reimburse the Developer for the amounts that the Developer has advanced to the City in connection with this Agreement, all as provided for in the City's CFD Policies and Procedures. In the event that the CFD is not formed for any reason, or in the event that the CFD is formed and bonds are not issued for any reason, the City shall return any funds which have been advanced by the Developer pursuant to this Agreement and which have not been expended, obligated or otherwise committed for any authorized purpose, subject to the complete reimbursement to the City of all of its direct and indirect costs. If the amounts previously advanced by the Developer are insufficient to fully reimburse the City for all of its direct and indirect costs, the Developer shall pay to the City the amount of the deficiency within ten (10) days after receipt of a demand by City. The City shall be entitled to pay any refund required pursuant to the provisions hereof to the entity that is the signatory to this Agreement irrespective of any changes in the ownership of the property or the organization of the Developer, and the City shall not be required to pay interest on any amount required to be refunded pursuant to this Agreement.

5. Abandonment of Proposed CFD. The Developer understands that, subject to the satisfaction of all applicable legal requirements, the decision to form the CFD and the decision to issue bonds shall be each in the sole discretion of the City. No provision of this Agreement shall be construed as a promise, warranty or agreement by the City to form the CFD or to issue bonds. The City shall have no liability to Developer for a decision not to form the CFD or issue bonds.

6. Indemnification and Hold Harmless. The Developer hereby assumes the defense of, and indemnifies and saves harmless, the City and each of its officers, directors, agents, contractors, and employees, from and against all actions, damages, claims, losses or expenses of every type and description to which they may be subjected or put, by reason of or arising out of any acts or omissions of the Developer or any of the Developer's officers, employees, contractors and agents in connection with the proposed formation of the CFD or any work-in-

kind provided by or on behalf of the Developer or its consultants, except for any action, damages, claims, losses or expenses arising out of the sole negligence or willful misconduct of the City, its officers, directors, employees or agents.

7. Notices. Any and all notices permitted or required to be given hereunder shall be deemed duly given and effective (1) upon actual delivery, if delivery is by hand; or (2) five (5) days after delivery into the United States mail if delivery is by postage paid registered or certified (return receipt requested) mail. Each such notice shall be sent to the parties at the address respectively indicated below or to any other address as the respective parties may designate from time to time.

8. Assignment. The Developer may not assign its interest in this Agreement without the prior written consent of the City, which consent shall not be unreasonably withheld. Any assignment or attempt to assign this Agreement without the prior written consent of CITY shall be deemed null and void as of the date of the purported assignment. All covenants, stipulations, and agreements in this Agreement shall bind any such representatives, successors and assigns.

9. Severability. If any part of this Agreement is held to be illegal or unenforceable by a court of competent jurisdiction, the remainder of this Agreement shall be given effect to the fullest extent permitted by law.

10. Entire Agreement. This Agreement contains the entire agreement between the parties with respect to the matters provided for herein. All previous proposals, offers and communications relative to this Agreement, whether oral or written, are hereby superseded except to the extent that they have been incorporated into this Agreement. No future waiver of or exception to any of the terms, conditions, and provisions of this Agreement shall be considered valid unless specifically agreed to in writing by all the parties.

11. Amendments. This Agreement may be amended or modified only by written instrument signed by all parties. Any amendment or addendum to this Agreement shall expressly refer to this Agreement.

12. Governing Law. This Agreement and any dispute arising hereunder shall be governed by and interpreted in accordance with the laws of the State of California.

13. No Third Party Beneficiaries. No person or entity shall be deemed to be a third party beneficiary hereof; and nothing in this Agreement (either express or implied) is intended to confer upon any person or entity, other than the City (and its officers, directors, employees and agents providing services under this Agreement) and the Developer, any rights, remedies, obligations or liabilities under or by reason of this Agreement.

14. Singular and Plural; Gender. As used herein, the singular of any word includes the plural, and terms in the masculine gender shall include the feminine.

15. Termination. This Agreement shall terminate and be of no further force and effect on the first anniversary of the date of this Agreement unless expressly amended by the parties; provided, however, that the Developer's obligations under Section 6 shall survive the termination and the City's obligation to provide reimbursement in accordance with Section 4 for expenses incurred prior to the termination date shall also survive termination.

16. Time is of the Essence. Except as otherwise expressly stated, time is of the essence in the performance of each and every action required pursuant to this Agreement

17. Language Construction. The language of each and all paragraphs, terms and/or provisions of this Agreement, shall, in all cases and for any and all purposes, and in any way and all circumstances whatsoever, be construed as a whole, according to its fair meaning, and not for or against any party hereto and with no regard whatsoever to the identity or status of any person or persons who drafted all or any portion of this Agreement.

18. Representations of Authority. Each party signing this Agreement on behalf of a party which is not a natural person hereby represents and warrants to the other party that all necessary legal prerequisites to that party's execution of this Agreement have been satisfied and that he or she has been authorized to sign this Agreement and bind the party on whose behalf he or she signs.

19. Relationship of Parties. Nothing contained in this Agreement shall be interpreted or understood by any of the parties, or by any third person, as creating the relationship of employer and employee, principal and agent, limited or general partnership, or joint venture between City and Owner or its agents, employees or contractors. Except as City may specify in writing, Owner shall have no authority to act as an agent of City or to bind City to any obligation.

20. Title of Parts and Sections. Any titles of the sections or subsections of this Agreement are inserted for convenience of reference only and shall be disregarded in interpreting any part of Agreement's provisions.

IN WITNESS WHEREOF, the CITY OF MODESTO, a Municipal Corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. 2006-\_\_\_\_, adopted by the Council of the City of Modesto on the \_\_\_\_ day of \_\_\_\_\_, 2006, and KAISER FOUNDATION HOSPITALS, a California non-profit public benefit corporation, has caused this Agreement to be executed in duplicate, effective as of the date first written above.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-607**

**A RESOLUTION AUTHORIZING THE PURCHASING MANAGER TO SOLICIT FORMAL REQUEST FOR BIDS (RFB) FOR BRASS SERVICE FITTINGS FOR AN INITIAL TWO (2) YEAR PERIOD, WITH THREE (3) ONE-YEAR CONTRACT EXTENSION OPTIONS, AT THE SOLE DISCRETION OF THE CITY, FOR AN ESTIMATED ANNUAL COST OF \$100,000, WITH FUNDING BUDGETED IN FY 2006/2007**

WHEREAS, the Central Stores Division of the Finance Department inventories various materials for use by the Public Works Department and the Parks, Recreation and Neighborhoods Department for City projects, and

WHEREAS, said materials include brass service fittings used mainly by the Water Division, and

WHEREAS, these items are stocked at Central Stores and charged to the appropriate job/account number designed for such work, and

WHEREAS, the needs and specifications for these materials have been developed over time through collaboration between Central Stores staff and division personnel requesting the materials, and

WHEREAS, by soliciting bids, the City will achieve the best value for brass service fittings and meet Modesto Municipal Code requirements for formal bids, and

WHEREAS, the Modesto Municipal Code Section 8-3.203 requires all purchases which meet or exceed \$50,000 for material and equipment or contractual services to be formally bid, and

WHEREAS, this Request for Bid (RFB) for the purchase of brass service fittings conforms to the Modesto Municipal Code, and

WHEREAS, the funds for inventory purchases have been appropriated in account number 7110-120-8311-0439,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. The City Clerk is hereby authorized to call for public formal bids for brass service fittings, for an initial two (2) year period, with three (3) one-year contract extension options at the sole discretion of City, to be opened in the office of the City Clerk, 1010 10<sup>th</sup> Street, in the City of Modesto. The City Clerk is hereby directed to give notice inviting such sealed bids in the time, form, and manner provided by law.

SECTION 2. After bids are opened, they shall be tabulated and analyzed and a report submitted to the Council.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26<sup>th</sup> day of September, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006 - 608**

**A RESOLUTION APPROVING A POLICY FOR INVESTMENT OF PUBLIC FUNDS**

WHEREAS, pursuant to Section 2-3.401 of the Modesto Municipal Code, it is the function of the City of Modesto ("City") Finance Department to deposit and invest funds in accordance with sound treasury management, and

WHEREAS, the City is also governed by Sections 53600 et seq. of the California Government Code, which requires that local agencies annually adopt an investment policy, and

WHEREAS, the City Council approved a contract on February 3, 2004 with Public Financial Management (PFM), an investment services advisor, to provide investment management, research and supervision of the City's Managed Funds, and

WHEREAS, a revision has been made to the policy and a copy of the policy is marked **Attachment "A"**, attached hereto and incorporated herein by reference,

NOW, THEREFORE, BE IT RESOLVED that the Council of the City of Modesto hereby approves the Policy for Investment of Public Funds.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of September, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

<p align="center"><b>SUBJECT: INVESTMENT POLICY</b></p>		

**PURPOSE**

The purpose of this document is to identify various policies and procedures that enhance opportunities for a prudent and systematic investment policy and to organize and formalize investment-related activities.

**BACKGROUND**

Under Section 2-3.401 of the Municipal Code, it is the function of the Finance Department to deposit and invest funds in accordance with sound treasury management. As a charter city, Modesto operates its pooled idle cash investment under the “prudent investor” rule which states that:

“When investing, reinvesting, purchasing, acquiring, exchanging, selling, or managing public funds, a trustee shall act with the care, skill, prudence, and diligence under the circumstances then prevailing, including, but not limited to, the general economic conditions and the anticipated needs of the agency, that a prudent person acting in a like capacity and familiarity with those matters would use in the conduct of funds of a like character and with like aims, to safeguard the principal and maintain the liquidity needs of the agency.”

The City is also governed by Sections 53600 et seq. of the California Government Code. This affords the City a broad spectrum of investment opportunities, so long as the investment is deemed prudent and allowable under current legislation of the State of California and the charter of the City of Modesto.

On an annual basis, the Finance Director/Treasurer will render to the City Council the statement of investment policy. The report will be considered, with any changes, by the City Council at a public meeting.

**INVESTMENT REPORT**

The Finance Director/Treasurer shall provide the City Council with a monthly report of investment transactions. In addition, the Finance Director/Treasurer shall render a quarterly report to the City Council, City Manager and the internal auditor within 30 days following the end of the quarter. The report shall contain the following:

1. The type of investment, issuer, purchase date, date of maturity, credit rating, overall portfolio yield based on cost, total par and dollar amount invested on all securities, investments

and monies.

2. The weighted average maturity of the portfolio.
3. A description of any funds, investments or programs that are under management of contracted parties, including lending programs. Funds and investments held by contracted parties shall be reported at market value and the source of valuation shall be reported.
4. The market value as of the date of the report, and the source of the valuation.
5. A statement of compliance with the investment policy or manner in which the portfolio is not in compliance.
6. A statement denoting the City's ability to meet its expenditure requirements for the next six months or provide an explanation as to why sufficient money shall, or may, not be available.

**INVESTMENT CRITERIA**

Public funds are invested in the following manner in order of priority:

1. **Safety of Principal**

The duty of the Finance Director/Treasurer is to protect, preserve and maintain cash and investments on behalf of the citizens of the community. To guard against loss of principal, only prudent and safe investments will be considered.

2. **Liquidity**

The receipt of revenues and maturities of investments should be scheduled so that adequate cash will be available to meet disbursements. An adequate portion of the portfolio should be maintained in liquid short-term instruments which can be readily converted to cash if necessary.

3. **Yield**

Yield is the potential dollar earnings, or rate of return, an investment can provide. Yield becomes a consideration only after the basic requirements of safety and liquidity have been met.

**SAFEKEEPING AND CUSTODY**

All security transactions entered into by the City shall be conducted on a delivery-versus payment basis. Securities will be held by third party custodian designated by the Finance Director/Treasurer and evidenced by safekeeping receipts.

The only exception to the foregoing are Local Agency Investment Pools, Certificates of Deposit, and money market funds since the purchased securities are not deliverable. In all cases, purchased securities shall be held in the City's name.

**PERFORMANCE STANDARDS**

The investment portfolio shall be designed with the objective of obtaining a rate of return throughout budgetary and economic cycles, commensurate with the investment risk constraints and the cash flow needs. The City will measure the portfolio's performance against a market benchmark that is commensurate with the City's investment risk constraints and the cash flow characteristics of the portfolio.

**AUTHORIZED INVESTMENTS**

Commencing with Section 53601 of Article 1, Chapter 4 of the Government Code of the State of California, surplus money may be invested in the following:

- A. City of Modesto bonds.** Bonds issued by the City.
- B. U.S. Treasury securities.** United States Treasury notes, bonds, bills or certificates of indebtedness or those for which the faith and credit of the United States are pledged for the principal and interest.
- C. State of California securities.** Registered State of California warrants, treasury notes or bonds, provided that the securities are rated AAA by a nationally recognized statistical rating agency
- D. California municipal securities.** Bonds, notes, warrants or other evidence of indebtedness of any local agency within California, provided that the securities are rated AAA by a nationally recognized statistical rating agency
- E. Federal Agency securities.** Obligations issued by a federal agency or United States government-sponsored enterprise.
- F. Bankers' Acceptances.** Bankers' Acceptances issued by domestic or foreign banks, which are eligible for purchase by the Federal Reserve System, the short-term paper of which is rated in the highest category by a nationally recognized statistical rating agency.

Purchases of Bankers' Acceptances may not exceed 180 days maturity or 40 percent of the City's surplus money. The maximum amount permitted to be invested in the Banker's Acceptances of any one commercial bank is the greater of 10 percent of the City's surplus funds or \$1 million.

**G. Commercial Paper.** Commercial paper of "prime" quality of the highest ranking or of the highest letter and number rating as provided for by a nationally recognized statistical-rating organization. The entity that, issues the commercial paper shall meet all of the following conditions in either paragraph (1) or paragraph (2):

- (1) The entity meets the following criteria: (a) is organized and operating within the United States as a general corporation. (b) Has total assets in excess of \$500 million. (c)

**ATTACHMENT A**

Has debt other than commercial paper, if any, that is rated "A" or higher by a nationally recognized statistical-rating organization (NRSRO).

(2) The entity meets the following criteria: (a) is organized within the United States as a special purpose corporation, trust, or limited liability company. (b) Has program wide credit enhancements including, but not limited to, over collateralization, letters of credit, or surety bond.

Investments in commercial paper are limited to a maximum of 25% of the portfolio. Purchases shall not exceed 10 percent of the outstanding paper of the issuing corporation. The maximum investment maturity is restricted to 270 days.

**H. Certificates of Deposit.** FDIC insured or fully collateralized time certificates of deposit in financial institutions located in California. Eligible investments are restricted to those issuing institutions that have been in business at least five years. The maximum term for deposits shall be one year. Investments in certificates of deposit are further limited to 20% of surplus funds. All time deposits must be collateralized in accordance with California Government Code section 53561. The City, at its discretion, may waive the collateralization requirements for any portion of the deposit that is covered by federal insurance.

**I. Negotiable Certificates of Deposit.** Negotiable certificates of deposit issued by a nationally- or state-chartered bank or a state or federal savings and loan association or by a state-licensed branch of a foreign bank; provided that the senior debt obligations of the issuing institution are rated "AA" or better by Moody's or Standard & Poor's. Investments in negotiable certificates of deposit are limited to 30 percent of the portfolio.

**J. Repurchase Agreements.** Repurchase Agreements used solely as short-term investments not to exceed 90 days.

The following collateral restrictions will be observed: Only U.S. Treasury securities or Federal Agency securities as described in 1 and 2 will be acceptable collateral. All securities underlying Repurchase Agreements must be delivered to the City's custodian bank versus payment or be handled under a tri-party repurchase agreement. The total of all collateral for each Repurchase Agreement must equal or exceed, on the basis of market value plus accrued interest, 102 percent of the total dollar value of the money invested by the City for the term of the investment. For any Repurchase Agreement with a term of more than one day, the value of the underlying securities must be reviewed on a regular basis.

Market value must be calculated each time there is a substitution of collateral.

The City or its trustee shall have a perfected first security interest under the Uniform Commercial Code in all securities subject to Repurchase Agreement.

The City may enter into Repurchase Agreements with (1) primary dealers in U.S. Government securities who are eligible to transact business with, and who report to, the

#### ATTACHMENT A

Federal Reserve Bank of New York, and (2) California and non-California banking institutions having assets in excess of \$1 billion and in the highest short-term rating category as provided by Moody's Investors Service, Inc. or Standard & Poor's Corporation.

The City will have specific written agreements with each firm with which it enters into Repurchase Agreements.

**K. Reverse Repurchase Agreements.** The City may invest in reverse repurchase agreements only with "primary dealers" with which the City has entered into a master repurchase agreement contract. The City may invest in reverse repurchase agreements with the following conditions: The City may only use reverse repurchase agreements to (1) cover a temporary cash shortage, or (2) augment earnings. Reverse repurchase agreements may not be used to leverage the portfolio.

In addition, if a reverse repurchase agreement is authorized, it may be utilized only if the security to be sold on reverse repurchase agreement has been owned and fully paid for by the City for a minimum of 30 days prior to the sale; the total of all reverse repurchase agreements on investments owned by the City does not exceed 20% of the portfolio; and the agreement does not exceed a term of 92 days, unless the agreement includes a written codicil guaranteeing a minimum earning or spread for the entire period between the sale of the security using a reverse repurchase agreement and the final maturity date of the same security. The proceeds of the reverse repurchase agreement may not be invested in securities whose maturity exceeds the term of the Reverse Repurchase Agreement.

**L. Medium-term corporate notes .** Medium-term corporate notes defined as all corporate and depository institution debt securities with a maximum remaining maturity of five years or less, issued by corporations organized and operating within the United States or by depository institutions licensed by the U.S. or any state and operating within the U.S. Medium-term notes shall be rated in a rating category "AA-" or its equivalent or better by a nationally recognized rating service. Purchase of medium-term corporate notes may not exceed 30 percent of the City's investment portfolio.

**M. Money market funds.** Shares of beneficial interest issued by diversified management companies that are money market funds registered with the Securities and Exchange Commission under the Investment Company Act of 1940 (money market funds).

**N. State of California Local Agency Investment Fund (LAIF).**

**O. Mortgage and asset-backed securities.** Any mortgage pass-through security, collateralized mortgage obligation, mortgage-backed or other pay-through bond, equipment lease-backed certificate, consumer receivable-backed bond that has been issued by a Federal Agency and has a maximum of five years maturity.

#### MAXIMUM MATURITY

Investment maturities shall be based on a review of cash flow forecasts. Maturities will be

scheduled so as to permit the City to meet all projected obligations.

Maximum maturity of an authorized investment is limited to five years.

Proceeds of sales or funds set aside for the repayment of any notes (e.g., Tax and Revenue Anticipation Notes) shall not be invested for a term that exceeds the term of the notes.

**INELIGIBLE INVESTMENTS**

Any security type or structure not specifically approved by this policy is hereby specifically prohibited. Security types which are thereby prohibited include, but are not limited to,

Investment in inverse floaters, range notes, or interest only strips that are derived from a pool of mortgages is prohibited.

Investment in any security that could result in a zero interest accrual if held to maturity is prohibited.

**RESTRICTIONS SET BY THE FINANCE DIRECTOR/TREASURER**

A. Prior approval of the Finance Director/Treasurer is required for the following transactions:

- Sale of securities
- Swaps and trades
- Purchase of collateralized mortgage obligations (CMO)
- Purchase of mortgage-backed obligations
- Purchase of corporate notes
- Purchase transaction in excess of \$3 million

B. The following investments are not deemed appropriate for the City and will not be utilized:

- Futures and options
- Small Business Administration notes

**AUTHORIZED INVESTMENT PERSONNEL**

Pursuant to the Government Code, the City Council delegates the authority to invest or to reinvest funds, or to sell or exchange securities so purchased, to the Finance Director/Treasurer for a one-year period. The Finance Director/Treasurer is charged with the responsibility for carrying out the policies of the City Council and shall assume full responsibility for investment transactions until the delegation of authority is revoked or expires.

Idle cash management and investment transactions are the responsibility of the Finance Department, which is under the control of the Finance Director/Treasurer. The Finance Director/Treasurer may designate an individual(s) ["Designee"] to be responsible for the daily management of the City's portfolio of treasury investments. The Designee may also be directed

## ATTACHMENT A

to monitor and forecast the City's cash flows, and prepare periodic investment reports that are submitted to the City Council. The Accounting Division of the Finance Department monitors all treasury transactions and prepares accounting records of all investment transactions as to type of investment, amount, yield, and maturity. No other person has authority to make investment transactions without the written authority of the Finance Director/Treasurer. Pursuant to Government Code chapter 53600, all persons investing monies are trustees and therefore fiduciaries subject to the prudent investor standard. Financial market security transactions will be executed by delivery versus payment and the securities will be held by a third party custodian.

Subject to required procurement procedures, the City may engage the support services of outside professionals in regard to its financial program, so long as it can be demonstrated or anticipated that these services produce a net financial advantage or necessary financial protection of the City's resources.

### POLICY REVIEW

The investment policy shall be adopted by resolution of the City Council on, at minimum, an annual basis. This investment policy shall be reviewed at least annually to ensure its consistency with the overall objectives of preservation of principal, liquidity and yield, and its relevance to current law and financial and economic trends. Any amendments to the policy shall be forwarded to City Council for approval.

This policy and the internal controls related to the investment of City funds will be reviewed by the City's independent external auditors ~~in the conduct~~ as part of their annual audit of the City.

**APPENDIX A - GLOSSARY****Bankers Acceptances (BAs)**

Bankers Acceptance is a time bill of exchange drawn on and accepted by a commercial bank to<sup>1</sup> finance the exchange of goods. When a bank “accepts” such a bill, the time draft becomes, in effect, a predated certified check payable to the bearer at some future specified date. Little risk is involved for the investor because the commercial bank assumes primary liability once the draft is accepted.

**Certificates of Deposit (CDS)**

A certificate of deposit is issued against funds deposited in a commercial bank for a definite period of time and earning a specified rate of return. They are issued in two forms, negotiable and non-negotiable:

**A negotiable certificate of deposit** may be sold by one holder to another prior to maturity. This is possible because the issuing bank agrees to pay the amount of the deposit, plus earned interest, to the Bearer of the certificate at maturity.

**A non-negotiable certificate of deposit** is collateralized and is not a money market instrument since it cannot be traded in the secondary market. It is issued on a fixed maturity basis and often pays a higher interest rate than is permissible on other savings or time deposit accounts.

**Collateralized Mortgage Obligation (CMO)**

A CMO is a pool of mortgages sold as a single investment with interest paid monthly, quarterly, or semi-annually. Mortgage securities pay a higher rate than U.S. Treasury securities due to risk of prepayment and default.

**Commercial Paper (CP)**

This is a short-term promissory note issued by a corporation to raise working capital. The interest rates tend to be higher than other investments of similar liquidity.

**Derivatives**

A financial instrument with a value derived from the value of one or more underlying assets or indexes of asset values. The term “derivative products” refers to instruments or features such as collateralized mortgage obligations (CMOs), interest-only (IOs) and principal-only (POs), forwards, futures, currency and interest rate swaps, options, floaters/inverse floaters, and caps/floors/collars.

**Federal Agency Securities**

Certain agencies created by Congress and sponsored by the federal government issue debt that is considered to be of prime quality and have a very high standing in the bond market. The major federal agencies are described as follows:

**Federal National Mortgage Association (FNMA, “Fannie Mae”)** provides funds to the mortgage market primarily by purchasing loans from local lenders.

## ATTACHMENT A

**Federal Home Loan Mortgage Corporation (FHLMC, “Freddie Mac”)** purchases conventional mortgages and sells mortgage-backed securities.

**Student Loan Marketing Association (SLMA, “Sallie Mae”)** facilitates that flow of private capital into various federally-guaranteed student loan programs maintained through banks, S&Ls, educational institutions and other participating lenders.

**Federal Farm Credit System (FFCB)** sells securities to provide mortgage loans and short-term and intermediate-term credit to farmers, ranchers, and agricultural cooperatives.

**Federal Home Loan Bank (FHLB)** acts as a credit reserve system for the thrift industry to stabilize the flow of funds to member savings and loan and savings banks.

### **Futures**

Exchange traded contracts specifying a future date of delivery or receipt of a specific product (physical commodity or financial instrument). Futures are used by business as a hedge against unfavorable price changes, and by speculators who hope to profit from such changes.

### **Local Agency Investment Fund (LAIF)**

State of California LAIF is designed to provide a convenient and safe means of investing temporarily idle monies by the State Treasurer. LAIF provides high liquidity and generally pays higher yields than can be realized by individual local agencies (for similar maturities) due to economies of scale.

### **Medium-Term Notes**

Issued by corporations (in the form of secured or unsecured debt) for the purpose of raising working capital and purchasing capital assets.

### **Options**

A right to buy (call) or sell (put) a fixed amount of a given stock at a specified price within a limited period of time. The purchaser hopes that the stock’s price will go up (if he bought a call) or down (if he bought a put) by an amount sufficient to provide a profit when he sells the option. If the price is static or moves in the opposite direction, the price paid for the option is lost entirely.

### **Repurchase Agreement**

As authorized in Government Code Section 5360i(1), these investment vehicles are (generally short-term) agreements between the local agency and seller for the purchase of Government securities to be resold at a specific date and for a specific amount.

### **Reverse Repurchase Agreement**

This transaction is the opposite of a repurchase agreement. The dealer buys securities with a contractual agreement to sell them back at a prearranged date. The local agency pays the dealer’ interest for the use of the funds. The money “borrowed” on a “reverse repo” can be reinvested in higher yielding instruments.

## ATTACHMENT A

### **U.S. Treasury Securities**

The highest quality, most liquid debt investments available in the fixed income market-place; unconditionally backed by the “full faith and credit” of the U.S. Government. Treasury bills are short-term instruments (maturity of three months to one year); Treasury notes and bonds are currently issued with maturities of two to ten years.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-609**

**A RESOLUTION APPROVING THE PURCHASE OF A FIRE DEPARTMENT HEAVY  
RESCUE VEHICLE IN THE AMOUNT OF \$502,951.52 AND THE CREATION OF AN  
INTEFUND LOAN BETWEEN THE GENERAL FUND AND FUND 7200 (FLEET  
MANAGEMENT FUND)**

WHEREAS, the Modesto Fire Department recommends the replacement of an existing fire rescue vehicle with the purchase of a new vehicle from Pierce Manufacturing, and

WHEREAS, at it's April 3, 2006 meeting, the Safety and Communities Committee approved this recommendation, and

WHEREAS, on June 27, 2006 the City Council previously adopted Resolution No. 2006-416 which approved the use of Pierce Manufacturing as the sole provider of apparatus to the City of Modesto Fire Department, and

WHEREAS, the Fire Department anticipates savings of at least \$120,000.00 per year in future fleet vehicle replacement charges, and

WHEREAS, Fund 7200 (Fleet Management Fund) has sufficient unappropriated fund balance reserves that can be used to provide an interfund loan to the General Fund for the purpose of financing the rescue vehicle purchase; and

WHEREAS, the City Council accepts staff's recommendation to finance the purchase of the heavy rescue vehicle through the use of an interfund loan between the General Fund and Fund 7200 (Fleet Management Fund); and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the purchase of a fire rescue vehicle in the amount of \$502,951.52

BE IT FURTHER RESOLVED that the Finance Director is instructed to take all steps necessary to create an interfund loan between the General Fund and Fund 7200 (Fleet Management Fund) in order to finance the purchase of this vehicle, in accordance with the city's financial policies.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26<sup>th</sup> day of September 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen,  
Mayor Ridenour

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-610**

**A RESOLUTION ACCEPTING A \$23,000 HABITAT CONSERVATION FUND GRANT FROM THE STATE OF CALIFORNIA RESOURCES AGENCY FOR THE TREES FOR TOTS TREE PLANTING PROGRAM IN THE GATEWAY PARCEL OF THE TUOLUMNE RIVER REGIONAL PARK AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE GRANT CONTRACT.**

WHEREAS, staff has been notified by the State of California Resources Agency that the City has been awarded \$23,000 in funding from the Habitat Conservation Fund under the California Wildlife Protection Act of 1990, and

WHEREAS, said funding will allow for the funding of the Trees for Tots tree planting program in the Gateway Parcel of the Tuolumne Regional River Park (TRRP), and

WHEREAS, the Habitat Conservation Grant funding requires a 50% match, and

WHEREAS, the match funding will come from the FY 06-07 apportionments from the City of Modesto, City of Ceres and Stanislaus County allocated to TRRP capital projects, and

WHEREAS, in order to accept the funding, the City Manager, or his designee, must be authorized to execute the Grant Contract,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby accepts \$23,000 in grant funding from the Habitat Conservation Fund under the California Wildlife Protection Act of 1990.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Grant Contract

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of September, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-611**

**A RESOLUTION APPROVING THE APPLICATION FOR \$125,000 IN FUNDING FROM THE FEDERAL RECREATIONAL TRAILS PROGRAM, FOR THE RIVERWALK TRAIL IN THE GATEWAY PARCEL OF THE TUOLUMNE REGIONAL RIVER PARK AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE GRANT APPLICATION.**

WHEREAS, the SAFETEA-LU Act provides federal funds to the State of California for grants to state, local and non-profit organizations for the acquisition, development and/or maintenance of motorized and non-motorized trails, and

WHEREAS, the State Department of Parks and Recreation has been delegated the responsibility for the administration of the program within the State, setting up necessary procedures governing project application under the program, and

WHEREAS, the City desires to apply for grant funds in the amount of \$125,000 from the Recreational Trails Program for the Riverwalk Trail in the Gateway Parcel of the Tuolumne River Regional Park, and

WHEREAS, the procedures established by the State Department of Parks and Recreation require the applicant to certify by resolution the approval of the application before submission of said application to the State, and

WHEREAS, the Riverwalk trail in the Gateway Parcel of the Tuolumne River Regional Park is consistent with the Recreational Trails Program grant project criteria, and

WHEREAS, as the fiscal and administrative authority for the Tuolumne River Regional Park, the City of Modesto will enter into an agreement with the State of California for development of the project,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby:

1. Approves the filing of an application for the Recreational Trails Program;
2. Certifies that the Tuolumne River Regional Park Joint Powers Authority has or will have available, prior to commencement of any work on the project included in this application, sufficient funds to operate and maintain the project; and
3. Appoints the City Manager, or his designee, as agent of the City of Modesto to conduct all negotiations, execute and submit all documents, including but not limited to applications, agreements, amendments, payment requests and so on, which may be necessary for the completion of the aforementioned project, upon acceptance of said grant by the City Council.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26<sup>th</sup> day of September, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-612**

**A RESOLUTION APPROVING A FIVE (5) -YEAR LEASE AGREEMENT BETWEEN THE CITY OF MODESTO AND METRO PCS CALIFORNIA/FLORIDA, INC., A DELAWARE CORPORATION, D/B/A METRO PCS, FOR A CELLULAR TOWER SITE LOCATED ON A PORTION OF DOWNEY COMMUNITY PARK, WITH THREE (3) FIVE (5) -YEAR OPTIONS TO EXTEND THE LEASE, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE LEASE AGREEMENT.**

WHEREAS, Metro PCS California/Florida, Inc., a Delaware corporation, d/b/a Metro PCS, desires to lease a cellular tower site located on a portion of Downey Community Park for a period of five (5) years, with three (3) five (5) -year options to extend the lease, for the installation of cellular telephone equipment, and

WHEREAS, the City of Modesto is willing to lease a portion of Davis Community Park to Metro PCS for said use for the sum of \$1,900.00 per month with an annual rental increase of 3% and an adjustment equal to the Consumer Price Index for the San Francisco/Oakland/San Jose Metropolitan Statistical Area (MSA) at the beginning of each renewal period, and

WHEREAS, Metro PCS will replace an existing ball field light pole that will meet its structural requirements, and

WHEREAS, the new light pole installed by Metro PCS will become the property of the City of Modesto, and

WHEREAS, at its August 24, 2006, meeting, by Resolution No. 2006-18, the Board of Zoning Adjustment approved a conditional use permit, subject to the following conditions:

1. Prior to issuance of a building permit, the applicant shall submit a set of revised plot plans and structural elevations titled "Metro PCS – Modesto Scenic Drive, Site No. SAC-347-A", located at 1200 Brighton Avenue, showing all changes required by the Board of Zoning. All development shall conform to this revised plan as amended in red, stamped approved by the Board of Zoning Adjustment on August 24, 2006.

2. Upon completion and City approval of the replacement light standard/cellular monopole, any subsequent modifications to the monopole will require City

approval, and Building and Development Services with the Community & Economic Development Department shall be notified of any changes and revised plans submitted for approval.

3. Prior to issuance of a building permit, the applicant shall coordinate installation work and submit a landscape and irrigation plan to the City of Modesto Parks, Recreation and Neighborhoods Department for review and approval.

4. All landscaping, fences, and walls shall be maintained and the premises shall be kept free of weeds, trash and other debris.

5. The Capital Facilities Fees payable at the time of the issuance of a building permit for construction shall be based on the rates in effect at time of issuance of the building permit.

6. The Applicant shall record a "Notice of Conditions" in the Stanislaus County Recorder's Office on a form available in the Community and Economic Development Department.

7. The property owner and developer shall, at their sole expense defend, and hold harmless the City of Modesto, its agents, officers, and employees from and against any and all claims, actions, damages, losses or expenses of every type and description, including, but not limited to payment of attorneys' fees and costs, by reason of, or arising out of, this development approval. The obligation to defend, indemnify and hold harmless shall include but is not limited to any action to arbitrate, attack, review, set aside, void or annul this development approval on any grounds whatsoever. The City of Modesto shall promptly notify the developer of any claim, action, or proceeding and shall cooperate fully in the defense.

8. Construction activities shall follow guidelines listed in the California Stormwater Quality Association (CASQA) Best Management Practice Handbook for Construction to prevent any drag out of soil or sediments onto the public roadway or into the City storm drain system

9. Prior to placement of any stationary lead-acid battery systems or on-site generators, a permit shall be obtained from the Fire Department.

10. All improvement plans pursuant to construction shall be prepared by a California licensed civil engineer and in accordance with City of Modesto standards.

11. No operations conducted on the premises shall cause an unreasonable amount of noise, odor, dust, mud, smoke, vibration or electrical interference detectable off the premises. All machinery or equipment shall be soundproofed as required by the Parks, Recreation and Neighborhoods Director. The Noise Ordinance prohibits the loud and raucous operation or use of any tools or equipment before 7:00 a.m. or after 9:00 p.m. daily (except Saturday and Sunday and State and Federal holidays, when the prohibited time shall be before 9:00 a.m. and after 9:00 p.m.).

12. Prior to final inspection with the Building and Development Services Division, the applicant shall install signage approved by the Parks, Recreation and Neighborhoods Director or designee to be located on the entrance gate to the cellular communications facility indicating the cell tower provider and the hours permitted for operation and maintenance of the cellular communications facility, which shall be limited to the hours of operation for Downey Community Park and in accordance with City Municipal Code Noise Ordinance Section 4-9.101.

13. Prior to the issuance of a building permit, applicant shall provide the City's Parks, Recreation and Neighborhoods Director or designee ("Parks Director") with the name, address and telephone number of applicant's contact person designated to receive notices, complaints, documents and other correspondence related to ownership, operation and maintenance of the cell tower facilities. Applicant and its successors in interest shall notify the Parks Director of any changes to the contact information within ten (10) working days after such a change is made. Applicant and its successors in interest shall provide the Parks Director with advance notice of any transfer or change of ownership of any facilities authorized by the conditional use permit, and,

WHEREAS, by Resolution 2006-18, the Board of Zoning Adjustment also adopted the findings of Initial Study, Environmental Assessment No. EA/C&ED 2006-54, “Wireless Antenna on Replacement Ball Field Light Pole in Downey Park”, which find and determine:

1. The proposed project is within the scope of the Modesto Urban Area General Plan Master Environmental Impact Report (SCH No. 1999082041).
2. Pursuant to Section 21157.1 of CEQA, no new environmental review is required.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Five (5) -Year Lease Agreement between the City of Modesto and Metro PCS California/Florida, Inc., a Delaware Corporation, d/b/a/ Metro PCS, for a cellular site located on a portion of Downey Community Park, with three, five-year options to extend the lease.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Lease Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26<sup>th</sup> day of September, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-613**

**A RESOLUTION APPROVING A FIVE (5) -YEAR LEASE AGREEMENT BETWEEN THE CITY OF MODESTO AND OMNIPOINT COMMUNICATIONS, D/B/A T-MOBILE FOR A CELLULAR TOWER SITE LOCATED ON A PORTION OF CREEKSIDE MUNICIPAL GOLF COURSE, WITH THREE (3) FIVE (5) -YEAR OPTIONS TO EXTEND THE LEASE, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE LEASE AGREEMENT.**

WHEREAS, Omnipoint Communications, d/b/a T-Mobile, desires to lease a cellular tower site located on a portion of Creekside Golf Course for a period of five (5) years, with three (3) five (5) -year options to extend the lease, for the installation of cellular telephone equipment, and

WHEREAS, the City of Modesto is willing to lease a portion of Creekside Municipal Golf Course to T-Mobile for said use for the sum of \$1,800.00 per month with an annual rental increase of 3% and an adjustment equal to the Consumer Price Index for the San Francisco/Oakland/San Jose Metropolitan Statistical Area (MSA) at the beginning of each renewal term, and

WHEREAS, within thirty (30) days of execution of the agreement, T-Mobile will make a lump sum contribution to the City of Modesto's golf program in the amount of \$10,000, and

WHEREAS, T-Mobile will install a 75-foot high stealth cellular monopole on the northeast corner of the golf course adjacent to Dry Creek Regional Park and to place cellular equipment on the ground in the vicinity of the pole, and

WHEREAS, at its August 24, 2006, meeting, by Resolution No. 2006-19, the Board of Zoning Adjustment approved a conditional use permit, subject to the following conditions:

1. All development shall conform to the plot plan and elevation plans titled "T-Mobile – Modesto GC, Site No. SC13443A", stamped approved by the Board of Zoning Adjustment on August 24, 2006.

2. Prior to issuance of a building permit, the applicant shall coordinate the design and installation work of the chain-link fence with the City of Modesto's Parks, Recreation and Neighborhoods Department for review and approval before a permit is issued.

3. All landscaping, fences, and walls shall be maintained and the premises shall be kept free of weeds, trash and other debris.

4. The Capital Facilities Fees payable at the time of the issuance of a building permit for construction shall be based on the rates in effect at time of issuance of the building permit.

5. The Applicant shall record a "Notice of Conditions" in the Stanislaus County Recorder's Office on a form available in the Community and Economic Development Department.

6. The property owner and developer shall, at their sole expense defend, and hold harmless the City of Modesto, its agents, officers, and employees from and against any and all claims, actions, damages, losses or expenses of every type and description, including, but not limited to payment of attorneys' fees and costs, by reason of, or arising out of, this development approval. The obligation to defend, indemnify and hold harmless shall include but is not limited to any action to arbitrate, attack, review, set aside, void or annul this development approval on any grounds whatsoever. The City of Modesto shall promptly notify the developer of any claim, action, or proceeding and shall cooperate fully in the defense.

7. Construction activities shall follow guidelines listed in the California Stormwater Quality Association (CASQA) Best Management Practice Handbook for Construction to prevent any drag out of soil or sediments onto the public roadway or into the City storm drain system

8. All improvement plans pursuant to construction shall be prepared by a California licensed civil engineer and in accordance with City of Modesto standards.

9. Prior to placement of any stationary lead-acid battery systems or on-site generators, a permit shall be obtained from the Fire Department.

10. All outdoor lighting shall be shielded from adjacent residential properties as required by the City Engineer or designee, and shall be at a height and of a type that is least intrusive to the adjacent neighborhood, as determined by the City Engineer or designee and the City of Modesto's Parks, Recreation and Neighborhoods Department Director or designee.

11. No operations conducted on the premises shall cause an unreasonable amount of noise, odor, dust, mud, smoke, vibration or electrical interference detectable off the premises. All machinery or equipment shall be soundproofed as required by the Parks, Recreation and Neighborhoods Director. The Noise Ordinance prohibits the loud and raucous operation or use of any tools or equipment before 7:00 a.m. or after 9:00 p.m. daily (except Saturday and Sunday and State and Federal holidays, when the prohibited time shall be before 9:00 a.m. and after 9:00 p.m.).

13. Prior to the issuance of a building permit, applicant shall provide the City's Parks, Recreation and Neighborhoods Director or designee ("Parks Director") with the name, address and telephone number of applicant's contact person designated to receive notices, complaints, documents and other correspondence related to ownership, operation and maintenance of the cell tower facilities. Applicant and its successors in interest shall notify the Parks Director of any changes to the contact information within ten (10) working days after such a change is made. Applicant and its successors in

interest shall provide the Parks Director with advance notice of any transfer or change of ownership of any facilities authorized by the conditional use permit, and

WHEREAS, by Resolution 2006-19, the Board of Zoning Adjustment also adopted the findings of Initial Study, Environmental Assessment No. EA/C&ED 2006-55, "Conditional Use Permit to allow addition of a 75-Foot-High Monopole with Attached Cellular Antenna and Related Communication Equipment Facility", which find and determine:

1. The proposed project is within the scope of the Modesto Urban Area General Plan Master Environmental Impact Report (SCH No. 1999082041).
2. Pursuant to Section 21157.1 of CEQA, no new environmental review is required.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Five (5) -Year Lease Agreement between the City of Modesto and T-Mobile California/Florida, Inc., a Delaware Corporation, d/b/a/ T-Mobile, for a cellular site located on a portion of Downey Community Park, with three (3), five (5) -year options to extend the lease.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Lease Agreement.

RESOLUTION NO. 2006 -614**

**A RESOLUTION ACCEPTING THE 2006 ANTI-DRUG ABUSE ENFORCEMENT PROGRAM GRANT FROM THE GOVERNOR'S OFFICE OF EMERGENCY SERVICES (OES), IN THE AMOUNT OF \$253,754, FOR THE STANISLAUS ANTI-DRUG TASK FORCE TO COMBAT MAJOR DRUG TRAFFICKING AND MANUFACTURING, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE NECESSARY PROGRAM DOCUMENTS.**

WHEREAS, in June 2006 the Modesto Police Department applied for funding from the Governor's Office of Emergency Services (OES) for the Stanislaus Anti-Drug Task Force, and

WHEREAS, the Stanislaus Anti-Drug Task Force is part of the Stanislaus Drug Enforcement Agency (SDEA), and

WHEREAS, this program will integrate federal, state, and local law enforcement agencies, prosecutors, and probation officers for the purpose of enhancing interagency coordination and intelligence and facilitating multi-jurisdictional investigations to combat major drug trafficking and manufacturing, and

WHEREAS, SDEA has been a recipient of a Byrne grant award from the Office of Emergency Services (OES) for the past 16 years, and

WHEREAS, said grant is used to add additional personnel and needed equipment to the countywide Joint Powers Agreement unit, and

WHEREAS, the term of this Agreement is July 1, 2006, through June 30, 2007,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby accepts the 2006 Anti-Drug Abuse Enforcement Program grant

from the Governor's Office of Emergency Services (OES), in the amount of \$253,754, for the Stanislaus Anti-Drug Task Force to combat major drug trafficking and manufacturing.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the necessary program grant documents.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006 -615**

**A RESOLUTION AUTHORIZING THE PURCHASING MANAGER TO ISSUE A FORMAL REQUEST FOR BIDS FOR THE PURCHASE OF SPECIALIZED LABORATORY FURNITURE FOR THE WATER QUALITY CONTROL DIVISION LABORATORY AT AN ESTIMATED TOTAL COST OF \$72,000.**

WHEREAS, on October 25, 2005, Council, by Resolution 2005-537, approved the Capital Improvement Program (CIP) budget for FY 05-06, and

WHEREAS, a project to remodel the Water Quality Control (WQC) Lab (B584-WQC Lab Remodel) is included in this CIP, and

WHEREAS, the furniture purchased under this Request for Bids is specialized furniture designed to house the new laboratory equipment at an estimated total cost of \$72,000, and

WHEREAS, Modesto Municipal Code Section 8-3.203 generally requires all purchases which meet or exceed \$50,000 for materials, equipment, or contractual services to be formally bid, and

WHEREAS, staff has contacted ISEC Inc. regarding the purchase of this specialized laboratory furniture and was informed that the pricing was based on California Multiple Award Schedules (CMAS) program pricing, and

WHEREAS, after submitting a purchase order for the purchase of this furniture, it was determined that this CMAS pricing did not go through a competitive bidding process, and

WHEREAS, staff is requesting authorization for the Purchasing Manager to solicit formal Request for Bids for this specialized furniture,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Purchasing Manager is hereby authorized to solicit formal bids as follows:

SECTION 1. The City Clerk is hereby authorized to call for public competitive sealed bids, for the purchase of specialized furniture for the new water quality control laboratory equipment, to be opened in the office of the City Clerk, 1010 Tenth Street, in the City of Modesto. The City Clerk shall be directed to give notice inviting such sealed bids in the time, form, and manner provided by law.

SECTION 2. After the sealed bids are opened they shall be tabulated and analyzed by the Purchasing Division and the Water Quality Control Division and a report submitted to Council.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of September, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-616**

**A RESOLUTION AUTHORIZING THE PURCHASING MANAGER TO ISSUE FORMAL REQUEST FOR BIDS (RFB) FOR THE PURCHASE OF FOUR (4) LIGHTED CROSSWALK UNITS FOR A TOTAL ESTIMATED COST OF \$80,000**

WHEREAS, the Public Works Department-Traffic Engineering & Operations organization requested the purchase of four (4) Lighted Crosswalk Units, and

WHEREAS, staff recommends installation of the lighted crosswalks at the following locations:

1. Lucern Avenue and Hunter Avenue
2. Sheldon Drive and Pembroke Drive
3. Evergreen Avenue and Dougfir Drive
4. 11<sup>th</sup> Street and the 10<sup>th</sup> Street Parking Garage, and

WHEREAS, staff's recommendation to install lighted crosswalks at the above locations is based on the prioritization process approved by Council on March 19, 2002, and

WHEREAS, by issuing a formal RFB, the City will achieve the best value for the purchase of four (4) Lighted Crosswalk Units, and

WHEREAS, the Modesto Municipal Code MMC Section 8-3.203 generally requires all purchases, which meet or exceed \$50,000 for material, equipment, or contractual services to be formally bid, and

WHEREAS, the issuance of a formal RFB for the purchase of four (4) Lighted Crosswalk Units conforms to this code, and

WHEREAS, funding from an Office of Traffic Safety (OTS) grant in the amount of \$80,000 has been awarded to the City to pay for the purchase of the lighted crosswalk equipment, and

WHEREAS, the lighted crosswalk installation costs are budgeted in Account No. 2370-160-E736, "Pedestrian and Bicyclist Safety Enhancement Program," and

WHEREAS, the Economic Development Committee (EDC) at their August 8, 2005 meeting discussed the item and concurs with staff's recommendation to install four (4) lighted crosswalk units,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. The City Clerk is hereby authorized to call for public competitive sealed bids for the purchase of four (4) lighted crosswalk units to be opened in the Office of the City Clerk, 1010 10<sup>th</sup> Street, in the City of Modesto. The City Clerk is hereby directed to give notice inviting such sealed bids in the time, form, and manner provided by law.

SECTION 2. After bids are opened, they shall be tabulated and analyzed by the Purchasing Division, and a report submitted to the Council.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26<sup>th</sup> day of September, 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-617**

**A RESOLUTION APPROVING AN AMENDMENT TO AGREEMENT WITH  
KLEINFELDER, INC., FOR CONTINUED WELL MONITORING AND REPORTING  
SERVICES FROM THE 3RD QUARTER 2006 THROUGH THE 2ND QUARTER 2007  
OF THE PROJECT TITLED "9<sup>TH</sup> STREET STORM DRAINAGE BASIN AT KANSAS –  
9<sup>TH</sup> –NEEDHAM " IN THE AMOUNT OF \$14,152, AND AUTHORIZING THE CITY  
MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AMENDMENT**

WHEREAS, during excavation of the 9<sup>th</sup> Street Storm Drainage Basin, as part of the Kansas-Needham Overhead construction, petroleum products were discovered, and

WHEREAS, the site had been assessed for the potential of soil contamination from the former Bulk Plant constructed in the 1920s. No contamination was found during the previous 1990s study, and

WHEREAS, the Bulk Plant had above ground tanks, but may have had underground piping that leaked, and

WHEREAS, on April 22, 2005, the City entered into an Agreement with Kleinfelder, Inc., for a Sensitive Receptor Survey and Limited Soil Sampling and Analysis at the request of Stanislaus County Department of Environment Resources (SCDER). Additionally, Kleinfelder has written a Corrective Action Plan (CAP) for the cleanup of the site, and

WHEREAS, Kleinfelder has developed and implemented a site work plan that was reviewed and approved by SCDER and Regional Water Quality Control Board (RWQCB), and collected soil and groundwater samples, installed monitoring wells, laboratory analysis, and submitted reports, and

WHEREAS, Kleinfelder has completed the 2<sup>nd</sup> quarter 2006 Ground Water Sampling and Analysis report and SCDER has requested continued monitoring through the 2<sup>nd</sup> quarter 2007. It is hoped in the 3<sup>rd</sup> quarter annual monitoring will commence followed by site cleanup, and

WHEREAS, the Amendment to Agreement continues the ground water monitoring per SCDER and the RWQCB, and

WHEREAS, the original Agreement was for \$30,513 and the additional work associated with this Amendment is \$14,152, which will increase the total Agreement to an amount not-to-exceed \$44,665, and

WHEREAS, the current budgeted amount of \$14,152 for the Amendment to Agreement is available in the CIP Account 0700-430-F265-6001 "Kansas/Needham Overhead Project" to cover the cost for these additional services,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Amendment to Agreement between City of Modesto and Kleinfelder, Inc., for additional services related to the Groundwater Monitoring and Reporting at the former Kansas-Needham Overhead Storm Drainage Basin Site in the amount of \$14,152.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Amendment to Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of September, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-618**

**A RESOLUTION ADOPTING A MITIGATED NEGATIVE DECLARATION  
AND A MITIGATION MONITORING AND REPORTING PROGRAM FOR THE  
DISSOLVED AIR FLOTATION FACILITY PROJECT**

WHEREAS, the City of Modesto operates and maintains a secondary treatment system and wastewater reclamation facility at 7007 Jennings Road, and

WHEREAS, during the late fall, winter, and early spring months, discharge of treated wastewater is allowed into the San Joaquin River if it is of adequate quality, and

WHEREAS, at times during the allowed river discharge period, especially in the fall months, discharge is not possible due to the high concentration of algae in the stored effluent, and

WHEREAS, installation of the Dissolved Air Flotation facility will improve the quality of the effluent discharge and allow the City to discharge to the San Joaquin River, and

WHEREAS, Section 15070 of the CEQA Guidelines relating to Initial Study/Mitigated Negative Declarations (EA/PW No. 2006-11) provides for a lead agency to prepare an Initial Study on any proposed Project to analyze whether the Project may cause any significant effect on the environment, and

WHEREAS, the City of Modesto Department of Public Works has prepared an Initial Study/Mitigated Negative Declaration as provided for by CEQA, and

WHEREAS, a 30-day public review period for the proposed Initial Study/Mitigated Negative Declaration began on August 3, 2006 and ended on September 5, 2006, and

WHEREAS, the City received public comments on the draft Initial Study/Mitigated Negative Declaration and no changes to the document were necessary as a result, and

WHEREAS, the Mitigation Monitoring Plan (MMP) is included and described within the Initial Study/Mitigated Negative Declaration,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council has reviewed and considered the Initial Study/Mitigated Negative Declaration (EA/PW No. 2006-11) and Mitigation Monitoring Plan prepared for the Dissolved Air Flotation Facility Project, and based on the substantial evidence provided in said Initial Study/Mitigated Negative Declaration makes the following findings:

1. The recitals set forth above are true and correct.
2. The Initial Study/Mitigated Negative Declaration prepared for the proposed project has identified potentially significant environmental effects.
3. Before the Initial Study/Mitigated Negative Declaration was released for public review, feasible mitigation measures were made by or agreed to by the City, which will avoid or mitigate the effects to a point where clearly no significant effect will occur.
4. There is no substantial evidence, in light of the whole record before the public agency, that the project, as revised, may have a significant effect on the environment (Public Resources Code Section 21064.5(2)).
5. The Initial Study/Mitigated Negative Declaration reflects the independent judgment of the lead agency.
6. As required by Public Resources Code Section 21081.6 et seq., the Mitigation Monitoring and Reporting Program is hereby adopted, a copy of which is included in the Mitigated Negative Declaration, which is on file with the City Clerk.
7. The Initial Study/Mitigated Negative Declaration, Environmental Assessment (EA/PW 2006-11) provides the substantial evidence to support findings 1 through 6, above.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that it hereby adopts the Initial Study/Mitigated Negative Declaration EA/PW 2006-11, a copy of which is on file with the City Clerk and incorporated herein by reference.

BE IT FURTHER RESOLVED that the City of Modesto Public Works Department, Capital Improvement Services, is the custodian of the documents and other materials, which constitute the record of proceedings upon which its decision is based. The records are located at the office of the City of Modesto Public Works Deputy Director, 1010 Tenth Street, Fourth Floor, Modesto, CA 95354.

BE IT FURTHER RESOLVED by the Council of the City of Modesto that the Public Works Director is hereby authorized and directed to file a Notice of Determination within five (5) business days with the Stanislaus County Clerk pursuant to Section 21152 of the Public Resources Code.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of September, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-619**

**A RESOLUTION APPROVING AN AGREEMENT FOR THE ACQUISITION OF A PORTION OF A PARCEL OF LAND CURRENTLY ENCUMBERED BY A WILLIAMSON ACT CONTRACT ALONG PELANDALE AVENUE AT MCHENRY AVENUE OWNED BY BURCHELL NURSERY, INC. - APN: 046-008-016, PARCELS A AND PARCEL B, INCLUDING TEMPORARY CONSTRUCTION EASEMENT; AND A PORTION OF A PARCEL APN 046-008-024, OWNED BY BURCHELL NURSERY, INC.; INCLUDING TEMPORARY CONSTRUCTION EASEMENT FROM DETROIT LANE TO APPROXIMATELY 383 FT EAST OF DETROIT LANE TO THE CITY OF MODESTO FOR THE PELANDALE EXPRESSWAY 6-LANE WIDENING PROJECT, AND AUTHORIZING THE CITY MANAGER TO EXECUTE SAID AGREEMENT**

WHEREAS, Council Resolution No. 2004-451 adopted the 2004/2005 Capital Improvement Program, and

WHEREAS, the 2004/2005 Capital Improvement Program included a project to widen Pelandale Avenue to full 6-Lane Expressway status from Dale Road to McHenry Avenue, project titled, "CIP H461: Pelandale Expressway 6-Lane Widening - Dale Road to McHenry Avenue", and

WHEREAS, the 6-lane widening of Pelandale Avenue from Dale Road to McHenry is scheduled to commence in fiscal year 2006, and

WHEREAS, the project scope of work requires (1) acquisition of additional permanent right-of-way along the south and north roadsides, and (2) temporary construction easements outside the permanent right-of-way limits on both sides of the roadway, and

WHEREAS, the City has evaluated the cost and time benefit of acquiring the additional right-of-way, and

WHEREAS, by Resolution No. 2005-118, adopted on February 22, 2005, the City Council previously resolved to proceed with the widening of Pelandale Avenue to full 6-lane status, and as part of this widening, to acquire necessary right-of-way to construct the additional lanes, and

WHEREAS, the roadway widening at Pelandale Avenue between Detroit Land and McHenry Avenue requires a permanent right-of-way take of approximately 9,146 sq ft (0.21 acres) with a 6,244 sq ft Temporary Construction Easement (TCE) at the Burchell Nursery, Inc., property, APN: 046-008-016; and 12,371 sq ft (0.284 acres) with a 5,662 sq ft TCE at the Burchell Nursery, Inc., property, APN: 046-008-0024, and

WHEREAS, the City Council of the City of Modesto directed staff to enter into negotiations with Burchell Nursery, Inc., to purchase the portion of their real property as described herein above (hereafter the "subject property") for the Pelandale Expressway 6-Lane Widening Project, and

WHEREAS, a purchase agreement has been completed between the City and Burchell Nursery, Inc., and

WHEREAS, by Resolution No. 2006-456, adopted July 11, 2006, the City Council previously resolved that the public interest and necessity require the acquisition of these certain property interests, being portions of APN 046-008-016 and APN 046-008-024 including temporary construction easements, and directed the filing of eminent domain proceedings for the Pelandale Avenue Capitol Improvement Project. Council also made findings in compliance with Government Code Section 51292 related to acquisition of real property encumbered by the Williamson Act relating to APN 046-008-016,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Agreement for Purchase of Real Property between the City of Modesto and Burchell Nursery, Inc., (APN 046-008-016 and APN 046-008-024) to purchase the necessary real property for the Pelandale Expressway 6-Lane Widening Project in the amount of \$106,000.00.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of September, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-620**

**A RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN ACCEPTANCE FORMS FOR THE GRANT DEEDS FOR THE ACQUISITION OF A PORTION OF TWO PARCELS OF LAND ALONG PELANDALE AVENUE AT MCHENRY AVENUE AND ALONG PELANDALE AVENUE EAST OF DETROIT LANE OWNED BY BURCHELL NURSERY, INC. (APN: 046-008-016 AND 046-008-024), AND TEMPORARY CONSTRUCTION EASEMENTS TO THE CITY OF MODESTO FOR THE PELANDALE EXPRESSWAY 6-LANE WIDENING PROJECT**

WHEREAS, Section 27281 of the Government Code requires a public agency to accept real property prior to the recordation of a deed or adopt a resolution accepting real property, and

WHEREAS, the City of Modesto desires to acquire a portion of two parcels (APN: 046-008-016 and APN: 046-008-024) for the Pelandale Expressway 6-Lane Widening Project,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the City Manager, or his designee, is hereby authorized to sign an acceptance form on behalf of the City of Modesto for two (2) Grant Deeds for the acquisition of a portion of two properties owned by Burchell Nursery, Inc., (APN: 046-008-016 and 046-008-024) and two (2) Temporary Construction Easements (APN: 046-008-016 and 046-008-024) for the Pelandale Expressway 6-Lane Widening Project.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of September, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-621**

**A RESOLUTION APPROVING AN AGREEMENT WITH WEST YOST ASSOCIATES, INC., FOR THE SOUTH MODESTO INTERIM WATER SUPPLY STUDY IN THE NOT-TO-EXCEED AMOUNT OF \$130,000, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, the existing water system in the South Modesto area has several deficiencies, including but not limited to supply, storage, transmission, and distribution facilities, and

WHEREAS, these system deficiencies impact the City's ability to deliver adequate system pressure and provide sufficient supply/storage during high water demand periods to existing City customers, and

WHEREAS additional future demands are placed on the system due to new development and in-fill projects, particularly over the next 5-year period, and

WHEREAS an Interim Water Supply Study needs to be developed for the South Modesto Area to provide both interim and long-term solutions to address these existing and future issues and recommend solutions for the near-term, the next 5-years, and

WHEREAS, the Public Works Department – Capital Improvement Services (CIS) Division performs a number of tasks requiring water engineering and related services. However, the City's engineering staff lacks the specific ability to accomplish a large-scale study such as the South Modesto Interim Water Supply Study in a timely manner, and

WHEREAS, the Public Works Department – Capital Improvement Services Division has utilized the services of specialized consulting engineers to perform targeted water system engineering services in the past, and

WHEREAS, West Yost Associates is familiar with the City's existing infrastructure, having provided prior services in conjunction with the City's overall utilities master planning efforts, and have demonstrated satisfactory services to the City on past projects, and

WHEREAS, the firm of West Yost Associates is deemed the most qualified to provide the requested Interim Water Supply Study in a timely and cost effective manner. As an example, West Yost Associates recently completed the City's Water System Hydraulic Model Update, a difficult and detailed computer modeling study of the City's existing system for which the firm was selected based on competitive basis, and

WHEREAS, West Yost Associates has an intimate knowledge of the shortcomings and opportunities of the City's utility networks; therefore, staff recommends the consulting firm of West Yost Associates be awarded a contract for the South Modesto Interim Water Supply Study,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Agreement between City of Modesto and West Yost Associates, Inc., for the South Modesto Water Interim Water Supply Study in the not-to-exceed amount of \$130,000.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of September, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006 -622**

**A RESOLUTION APPROVING AN AGREEMENT WITH THE CALIFORNIA ENERGY COMMISSION FOR THE CITY OF MODESTO TO ENTER INTO AN ENERGY PARTNERSHIP PROGRAM, AND AUTHORIZING THE PUBLIC WORKS DIRECTOR, OR HIS DESIGNEE, TO EXECUTE ALL RELATED DOCUMENTS.**

WHEREAS, digester gas is a byproduct of the wastewater treatment process, and

WHEREAS, the Primary Wastewater Treatment Facility does not fully use the digester gas generated from the treatment plant's digesters, and

WHEREAS, installation of a cogeneration unit at the Primary Wastewater Treatment Facility would allow digester gas to be used to provide energy, including heat, for the Treatment Plant, and

WHEREAS, On June 13, 2006, staff returned to Council with the revised scope and costs from Carollo Engineers as directed by Economic Development Committee (EDC), and

WHEREAS, Council directed staff to return to EDC with more information regarding funding of a feasibility study by the California Energy Commission (CEC) and a listing of all grants, incentives and low interest loans available for this project, and

WHEREAS, staff has worked with CEC in identifying a Scope of Work for the Cogeneration project that will be performed through an Energy Partnership Program by a CEC selected and funded consultant, and

WHEREAS, the Economic Development Committee considered this item at its September 11, 2006 meeting and recommended its approval and consideration by the full Council, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an agreement with the California Energy Commission for the City of Modesto to enter into an Energy Partnership Program and

BE IT FURTHER RESOLVED that the Public Works Director, or his designee, is hereby authorized to execute all the related documents.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of September, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-623**

**A RESOLUTION APPROVING AN AGREEMENT WITH CAROLLO ENGINEERS IN AN AMOUNT NOT TO EXCEED \$116,343 FOR CONSULTANT SERVICES ASSISTANCE IN THE PREPARATION OF A PRELIMINARY DESIGN REPORT AND DEVELOPMENT OF A REQUEST FOR PROPOSALS (RFP) FOR A DIGESTER GAS FIRED COGENERATION SYSTEM AT THE PRIMARY WASTEWATER TREATMENT PLANT, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT.**

WHEREAS, digester gas is a byproduct of the wastewater treatment process, and

WHEREAS, the Primary Wastewater Treatment Facility does not fully use the digester gas generated from the treatment plant's digesters, and

WHEREAS, installation of a cogeneration unit at the Primary Wastewater Treatment Facility would allow digester gas to be used to provide energy, including heat, for the Treatment Plant, and

WHEREAS, staff expects increased revenue from the sale of electrical power and a decrease in natural gas expenses, and

WHEREAS, due to the nature of the project, its complexity and the need for a collaborative relationship with energy providers, the services of a consultant with significant experience in developing specifications and contracts for cogeneration projects is necessary, and

WHEREAS, the consultant will evaluate other sources of digester fuel such as oil and grease, food wastes, and industrial by-products, and

WHEREAS, the consultant will also help with the evaluation of several types of cogeneration facilities (such as internal combustion engines, gas turbines, microturbines, etc), preparing and RFP and evaluating vendor responses to the RFP and assisting in the selection process, and

WHEREAS, staff solicited proposals to 43 firms, formally advertised the RFP, and received nine (9) proposals, and

WHEREAS, these proposals were evaluated using criteria established in the RFP by a committee of four (4) City staff, and

WHEREAS, five (5) firms were formally interviewed, and

WHEREAS, Carollo Engineers was determined to be the most-qualified firm based on the total RFP evaluation score and interview results, and

WHEREAS, the Economic Development Committee (EDC) considered this item at its April 5, 2006 meeting, and

WHEREAS, EDC made the following recommendations:

1. The contract for consultant services include and evaluate the design and/or building and/or ownership and/or operation of a digester gas fired cogeneration unit at the Primary Wastewater Treatment Plant and send the amended scope of work to Council for consideration.
2. Staff negotiate the revised scope including cost with Carollo Engineers prior to Council consideration,
3. Return to EDC prior to any formal Council action

, and

WHEREAS, On June 13, 2006, staff returned to Council with the revised scope and costs from Carollo Engineers as directed by EDC, and

WHEREAS, staff has revised the scope for Carollo Engineers at a cost of \$116,343, and

WHEREAS, funds are budgeted in 6210-48-5213-0235,

WHEREAS, the Economic Development Committee considered this item at its September 11, 2006 meeting and recommended its approval and consideration by the full Council, and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an agreement with the Carollo Engineers in an amount not to exceed \$116,343 for consultant services assistance in the preparation of a Preliminary Design Report and development of a Request for Proposals (RFP) for a digester gas fired cogeneration system at the Primary Wastewater Treatment Plant.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreement.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-624**

**A RESOLUTION APPROVING A PUBLIC WORKS DEPARTMENT POLICY  
REGARDING PROCEDURES TO DEFINE PROJECT SCOPE ON MAJOR  
CAPITAL IMPROVEMENT PROGRAM PROJECTS**

WHEREAS, the City's adopted Capital Improvement Program (CIP) often contains projects for which the project scope has not been fully developed, and

WHEREAS, this leads to the risk of a project scope changing significantly between the time it is initially approved by Council and the time Council is asked to award a construction contract for the project, and

WHEREAS, these changes in scope may involve significant changes in the project budget and schedule as well, and

WHEREAS, Council directed staff to develop a project scope policy that will apply to major projects, and

WHEREAS, for the purposes of this policy, a major project has been defined as a project for which the budget exceeds \$1,000,000, and

WHEREAS, said Major Project Scope Policy is attached hereto as **Exhibit "A"**, and made a part hereof,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the Major Project Scope Policy to be applied to all major capital improvement projects in excess of \$1,000,000,

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of September, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**Public Works Department**

Policy # \_\_\_\_\_

**Background:**

During the development of a major Capital Improvement Program (CIP) project there is the potential that the scope of the project may change to the extent it significantly exceeds the original scope of work approved by Council. This may result in significant budget and schedule overruns. Most often scope changes are legitimate, justifiable changes that are needed to address issues that become apparent during the development of the project. However, it may create a situation where Council is asked to significantly increase the project's budget after a major investment has been made in the project design in terms of both funds and time, thereby reducing the options available to the policy makers. The purpose of this policy is to provide policy direction to reduce the occurrence of this situation without unduly burdening the development of CIP projects.

For the purpose of this policy a major project is defined as a project with an approved CIP budget of more than \$1 million. If a project is budgeted at less than \$1 million during the CIP process but through normal inflation the ultimate project cost exceeds \$1 million this policy does not apply provided that the scope did not change during the development of the project.

**Policy:**

All major CIP projects shall conform to one of the two procedures outlined below. The Public Works Director, or his/her designee, shall approve which procedure will be applied to the appropriate projects.

**Procedure "A"**

1. Following approved procedures, a firm shall be selected to provide preliminary design services for the project. A contract for these preliminary design services shall be presented to Council for approval.
2. The purpose of the preliminary design services shall be to clearly define the scope of work of the project to the greatest extent possible and produce a Preliminary Design Report (PDR). The PDR shall define the issues related to the project including environmental, utility, right of way, and technical issues. The report shall include an opinion of probable cost for the project including appropriate contingencies based on the identified issues.
3. Staff shall present the PDR to Council for approval of the project scope and budget prior to proceeding with final design.
4. Following approved procedures, a firm shall be selected to provide final design services for the project based on the PDR.
5. Staff may recommend, and with Council approval, use of the same firm for the PDR and final design phases of the project based on the initial selection process for the design services.
6. Staff shall present a contract for Council approval for final design services in accordance with approved procedures.
7. If during the course of final design the scope of the project changes significantly for previously unforeseen reasons, a report of the scope change shall be presented to Council as soon as practical once the extent of the scope change is known.

**Procedure "B"**

1. Following approved procedures, a firm shall be selected to provide all applicable professional services required to implement the project. A contract for these professional services shall be presented to Council for approval.

2. The scope of services shall include clearly defining the scope of work for the project to the greatest extent possible and producing a Preliminary Design Report (PDR). The PDR shall define the issues related to the project including environmental, utility, right of way, and technical issues. The report shall include an opinion of probable cost for the project including appropriate contingencies based on the identified issues.
3. If the PDR indicates that the project will exceed the project budget by more than 10%, staff will present the report to Council along with any alternatives to reduce the project budget for approval prior to proceeding to final design. Staff may also at this time present any adjustments to the consultant's contract that may be appropriate based on the results of the PDR.
4. If the Council approves the PDR or if the PDR indicates that the project is within 10% of the approved budget, staff will authorize the consultant to proceed with final design.
5. If during the course of final design the scope of the project changes significantly, for previously unforeseen reasons, a report of the scope change shall be presented to Council as soon as practical once the extent of the scope change is known.

Nothing in this policy is intended to restrict what work staff can perform. Any of the above work may be performed by City staff if appropriate.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-625**

**A RESOLUTION APPROVING THE CITY OF MODESTO  
CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION  
REPORT (CAPER) FOR FISCAL YEAR 2005-2006, AND AUTHORIZING  
THE CITY MANAGER, OR HIS DESIGNEE, TO SUBMIT THE REPORT  
TO THE U.S. DEPARTMENT OF HOUSING AND URBAN  
DEVELOPMENT (HUD).**

WHEREAS, the City of Modesto receives several Federal grants from the U.S.  
Department of Housing and Urban Development (HUD), and

WHEREAS, the Consolidated Annual Performance and Evaluation Report (CAPER)  
reflects the activities of the City and its sub-recipients for the period of July 1, 2005, through  
June 30, 2006, and

WHEREAS, each year the City must review and report on the performance of activities  
funded under the Community Development Block Grant (CDBG), HOME Investment  
Partnership Grant, and Emergency Shelter Grant (ESG) funds, and

WHEREAS, the CAPER must be made available for public review and comment for a  
minimum 15-day period, and

WHEREAS, the CAPER was made available for public review and comment from  
September 9, 2006, through September 26, 2006, and

WHEREAS, all public comments, and staff responses to these comments, must be  
presented to the City Council for review and approval, and

WHEREAS, the Citizens Housing and Community Development Committee (CH&CDC)  
met on September 8, 2006, and reviewed and recommended the CAPER, and

WHEREAS, a duly noticed public hearing was held by the Council on September 26,  
2006, at 5:30 p.m., in the Tenth Street Place Chambers located at 1010 Tenth Street, Modesto,  
California, to consider approval of the CAPER,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto as

follows:

1. That the Consolidated Annual Performance and Evaluation Report for Fiscal Year 2005-2006 is hereby approved, and a copy of said report is on file in the office of the City Clerk.
2. That the City Manager, or his authorized designee, is hereby authorized, after having made any necessary correction, to submit said report to the U.S. Department of Housing and Urban Development (HUD).

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26<sup>th</sup> day of September, 2006, by Councilmember Olsen, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-626**

**A RESOLUTION GRANTING THE APPEAL OF BRETT MENEZES AND  
REVERSING PLANNING COMMISSION DECISION APPROVING AN  
AMENDMENT TO PLANNED DEVELOPMENT ZONE, P-D(339)**

WHEREAS, an application for an amendment to Planned Development Zone, P-D(339), to allow a 75-foot-high cell antenna monopole and related communication equipment facility, property located at 2612 Woodland Avenue, was filed on February 21, 2006, by Baran Telecom, and

WHEREAS, a public hearing was held by the Planning Commission on August 7, 2006, and continued to August 21, 2006, in the Tenth Street Place Chambers, located at 1010 Tenth Street, Modesto, California at which hearing it was found and determined by the Planning Commission, by its Resolution No. 2006-55, that amendment of Planned Development Zone, P-D(339), as proposed, is required by public necessity, convenience and general welfare for the following reason:

1. The seventy-foot-high monopole with six encapsulated cellular antenna with radome enclosure surrounded by a six-foot-high chain-link fence, is consistent with the General Plan and other similar facilities previously approved by the City of Modesto.

WHEREAS, on August 31, 2006, an appeal to the Planning Commission decision was filed in the office of the City Clerk by Brett Menezes, 2624 Woodland Avenue, which appeal cited among other things, unsightliness, possible health effects, decline in home values, and the location in the middle of a residential neighborhood, and

WHEREAS, said appeal was set for a duly noticed public hearing before the City Council to be held on September 26, 2006, in the Tenth Street Place Chambers, located at 1010 Tenth Street, Modesto, California at which hearing evidence both oral and documentary was received and considered, and

WHEREAS, after said public hearing the Council of the City of Modesto found and determined that the appeal to the decision of the Planning Commission should be granted and the decision of the Planning Commission should be reversed for the reasons set forth as follows:

1. The proposed location of the 75-foot-high monopole antennae and related communication equipment would contribute an unwarranted visual intrusion into a residential area.
2. The applicant has failed to adequately demonstrate the actual need for the facility at this precise location and has not demonstrated that he has exhausted all alternate site locations to properly serve the surrounding area.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the appeal of Brett Menezes to the decision of the Planning Commission approving an amendment to Planned Development, P-D(339) to allow a 75-foot-high monopole antenna and related communication equipment at 2612 Woodland Avenue is hereby granted for the reasons set forth above and the amendment to P-D(339) is denied.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 26th day of September 2006, by Councilmember Olsen, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006-627**

**A RESOLUTION ACCEPTING THE PELANDALE-CLARATINA  
AVENUE/MCHENRY AVENUE INTERCHANGE EVALUATION REPORT,  
PREPARED BY RAJAPPAN AND MEYER, CONSULTING ENGINEERS, INC.,  
DATED JUNE 2006**

WHEREAS, the Modesto Urban Area General Plan designates Pelandale-Claratina Avenue as a 6-lane expressway and McHenry Avenue as a 6-lane principal arterial, and

WHEREAS, the General Plan designates an interchange at the intersections of these roadways, and

WHEREAS, City staff retained the services of Rajappan and Meyer, Consulting Engineers to prepare a report evaluating alternative designs for this intersection, and

WHEREAS, the report evaluated three types of intersections including:

1. Widened at-grade intersection
2. Compact diamond interchange
3. Single point interchange, and

WHEREAS, for each alternative, the report evaluated the effectiveness at an interim 2013 condition and at 2025 condition, the right-of-way necessary, and cost estimates of construction, and

WHEREAS, the report determined that, Alternate 3, the Single Point Interchange, is the preferred alternative,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council has reviewed and accepts the Pelandale-Claratina Avenue/McHenry

Avenue Interchange Evaluation Report, prepared by Rajappan and Meyer, Consulting Engineers, In., dated June 2006.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-630**

**A RESOLUTION APPROVING AN ADVANCED FUNDING AGREEMENT FOR THE KIERNAN BUSINESS PARK SOUTH SPECIFIC PLAN AREA BETWEEN THE CITY OF MODESTO AND MINER JOAQUIN BUILDING CORPORATION, A CALIFORNIA CORPORATION, FOR FORMATION OF CITY OF MODESTO COMMUNITY FACILITIES DISTRICT NO. 2006-2 (KIERNAN BUSINESS PARK SOUTH) AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE AGREEMENT**

WHEREAS, Miner Joaquin Building Corporation, a California Corporation, (the “Developer”) has agreed to advance all funds necessary to form a community facilities district (“CFD”) for a portion of the Kiernan Business Park Specific Plan Area commonly known as Kiernan Business Park South (“KBP West”), and

WHEREAS, the parties agreed to enter into an Advanced Funding Agreement For The City of Modesto Community Facilities District No. 2006-1 (Kiernan Business Park West) (“Agreement”) by and between the City and the Developer relating to advances made and to be made by the Developer to the City, and providing for potential reimbursement to the Developer if and when certain funds from the community facilities district become available, copy of which is attached as **Exhibit A**,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Advanced Funding Agreement For The City of Modesto Community Facilities District No. 2006-1 (Kiernan Business Park West) between the City of Modesto and Miner Joaquin Building Corporation is hereby approved.

BE IT FURTHER RESOLVED that the City Manager, or designee, is hereby authorized to execute the Advanced Funding Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 3rd day of October, 2006, by Councilmember Hawn who moved its adoption, which motion being duly seconded by Councilmember Keating was upon roll call carried and the resolution adopted by the following vote:

**ADVANCED FUNDING AGREEMENT  
FOR THE CITY OF MODESTO  
COMMUNITY FACILITIES DISTRICT NO. 2006-2  
(KIERNAN BUSINESS PARK SOUTH)**

THIS ADVANCED FUNDING AGREEMENT FOR THE CITY OF MODESTO COMMUNITY FACILITIES DISTRICT NO. 2006-2 (KIERNAN BUSINESS PARK SOUTH) (this "Agreement"), dated as of \_\_\_\_\_, 2006, is entered into by and between the CITY OF MODESTO, a municipal corporation (the "City"), and MINER JOAQUIN BUILDING CORPORATION, a California Corporation (the "Developer").

*RECITALS:*

A. The Developer has requested that the City form a community facilities district to be known as "City of Modesto Community Facilities District No. 2006-2 (Kiernan Business Park South)" (the "CFD") for the principal purpose of financing and maintaining various public facilities necessary or desirable in connection with the development of the Developer's project in the Kiernan Business Park Specific Plan Area.

B. In accordance with the City's "Policies & Procedures for the Formation, Annexation, and Administration of Community Facilities Districts Created Pursuant to the Provisions of the Mello-Roos Community Facilities Act of 1982" (the "City's CFD Policies and Procedures"), the Developer has heretofore deposited with the City the sum of \$64,500 in order to provide the City with a source of funds with which to pay expenses expected to be incurred in connection with the possible formation of the CFD.

C. Pursuant to California Government Code Section 53314.9 and the City's CFD Policies and Procedures, the City Council of the City is authorized to accept advances of funds or work-in-kind from any source, including, but not limited to, private persons or private entities, and may provide, by resolution, for the use of those funds or work-in-kind for any authorized purpose, including, but not limited to, paying any costs incurred by the City in connection with the formation of a community facilities district. The City Council of the City is also authorized to enter into an agreement, by resolution, with the person or entity advancing the funds or work-in-kind to repay all or a portion of the funds advanced or to reimburse the person or entity for the cost or value of the work-in-kind provided that certain conditions are met. The conditions to be satisfied with respect to funds advanced require that (1) the proposal to repay the funds or to pay the cost or value of the work-in-kind must be included in the resolution of intention for the proposed community facilities district and in the resolution of formation for the proposed community facilities district, (2) any proposed special tax is approved by the qualified electors of the community facilities district and, if a proposed special tax is not approved, any funds advanced which have not been committed for any authorized purpose by the time of the election must be returned to the person or entity advancing funds and (3) any work-in-kind accepted shall have been performed or constructed as if the work had been performed or constructed under the direction and supervision, or under the authority, of the local agency.

D. The City and the Developer are desirous of entering into this Agreement in accordance with Government Code Section 53314.9 and the City's CFD Policies and Procedures in order to provide a mechanism by which the Developer may make additional deposits if determined necessary pursuant to the City's CFD Policies and Procedures and, when and if bonds are issued and proceeds are available, the CFD can reimburse the Developer for the amounts advanced by the Developer.

### AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth herein, the parties hereto agree as follows:

1. Recitals. Each of the above recitals is incorporated herein and is true and correct.
2. Proposed Formation of the CFD and Issuance of Bonds.

(a) Upon receipt by the City of a completed application for the formation of the CFD and all documents related thereto as described in the City's CFD Policies and Procedures, the City will undertake to analyze the appropriateness of forming the CFD and the issuance of bonds by it. In connection therewith, the City has either retained or will retain, at the Developer's expense, the consultants that the City determines necessary or convenient to assist it in studying the proposed formation of the CFD and, if the City determines to proceed with the formation of the CFD, to assist it in connection therewith and with the possible issuance of bonds.

(b) Pursuant to the City's CFD Policies and Procedures, the Developer shall make additional advances to the City within ten (10) days following receipt from the City of a request for an additional advance to cover the costs referred to herein. In the event the Developer does not deliver the requested amount to the City within such ten (10) day period, the City will have no obligation to proceed with any activity relating to the formation of the CFD and/or the issuance of bonds. The Developer may notify the City at any time, in writing, of its intention to abandon the formation of the CFD or the issuance of bonds. Upon receipt of such notice, the City shall instruct its consultants to cease work as soon as practicable. The Developer shall be responsible for all costs and expenses incurred by the City or any City consultant or advisor relating to the proposed formation of the CFD and/or bond issuance until work with respect to the proposed formation or bond issuance ceases following the receipt of the Developer's notice of abandonment.

(c) Developer agrees that, notwithstanding the Developer's reimbursement obligations under this Agreement, the consultants selected by the City shall be the contractor exclusively of the City and not of the Developer. Except for those disclosures required by law including, without limitations, the Public Records Act, all conversations, notes, memoranda, correspondence, and other forms of communication by and between the City and its consultants shall be, to the extent permissible by law, privileged and confidential and not subject to disclosure to the Developer. The Developer agrees that it shall have no claim to, nor shall it assert any right in any reports, correspondence, plans, maps, drawings, news releases or any and all other documents or work product produced by the City's consultants. Developer understands that it will not be a third party beneficiary to City's contracts with the consultants. The Developer agrees that the City may

select other consultants to replace its current consultants and may do so without consulting with the Developer or obtaining the Developer's approval

3. Developer to Cooperate with the City's Consultants. Developer agrees to cooperate in good faith with the City's consultants. Developer agrees that it will instruct its agents, employees, consultants, contractors and attorneys to reasonably cooperate with the City's consultants and to provide all necessary documents or information reasonably requested of them by the City's consultants; provided, however, that the foregoing shall not require the disclosure of any documents or information of the Developer which by law is privileged, proprietary, confidential, or exempt from disclosure under the Public Records Act.

4. Reimbursement Procedure. If the CFD is formed and bonds are issued, bond proceeds in excess of the amount determined by the City's District Administrator to be required in order to satisfy the requirements of the City's CFD Policies and Procedures with respect to capitalized interest and reserves and to pay for the Facilities and other Incidental Expenses may be used to reimburse the Developer for the amounts that the Developer has advanced to the City in connection with this Agreement, all as provided for in the City's CFD Policies and Procedures. In the event that the CFD is not formed for any reason, or in the event that the CFD is formed and bonds are not issued for any reason, the City shall return any funds which have been advanced by the Developer pursuant to this Agreement and which have not been expended, obligated or otherwise committed for any authorized purpose, subject to the complete reimbursement to the City of all of its direct and indirect costs. If the amounts previously advanced by the Developer are insufficient to fully reimburse the City for all of its direct and indirect costs, the Developer shall pay to the City the amount of the deficiency within ten (10) days after receipt of a demand by City. The City shall be entitled to pay any refund required pursuant to the provisions hereof to the entity that is the signatory to this Agreement irrespective of any changes in the ownership of the property or the organization of the Developer, and the City shall not be required to pay interest on any amount required to be refunded pursuant to this Agreement.

5. Abandonment of Proposed CFD. The Developer understands that, subject to the satisfaction of all applicable legal requirements, the decision to form the CFD and the decision to issue bonds shall be each in the sole discretion of the City. No provision of this Agreement shall be construed as a promise, warranty or agreement by the City to form the CFD or to issue bonds. The City shall have no liability to Developer for a decision not to form the CFD or issue bonds.

6. Indemnification and Hold Harmless. The Developer hereby assumes the defense of, and indemnifies and saves harmless, the City and each of its officers, directors, agents, contractors, and employees, from and against all actions, damages, claims, losses or expenses of every type and description to which they may be subjected or put, by reason of or arising out of any acts or omissions of the Developer or any of the Developer's officers, employees, contractors and agents in connection with the proposed formation of the CFD or any work-in-kind provided by or on behalf of the Developer or its consultants, except for any action, damages, claims, losses or expenses arising out of the sole negligence or willful misconduct of the City, its officers, directors, employees or agents.

7. Notices. Any and all notices permitted or required to be given hereunder shall be deemed duly given and effective (1) upon actual delivery, if delivery is by hand; or (2) five (5) days

after delivery into the United States mail if delivery is by postage paid registered or certified (return receipt requested) mail. Each such notice shall be sent to the parties at the address respectively indicated below or to any other address as the respective parties may designate from time to time.

Developer: Miner Joaquin Building Corporation  
P.O. Box 1110  
Stockton, CA 95201  
Attn: John Dentoni  
Phone: (209) 929-1433  
Facsimile: (209) 465-5483

City: City of Modesto  
1010 Tenth Street, Suite 6100  
Modesto, California 95354  
Attention: IFP Administrative Officer  
Phone: (209) 577-5211  
Facsimile: (209) 571-5128

8. Assignment. The Developer may not assign its interest in this Agreement without the prior written consent of the City, which consent shall not be unreasonably withheld. Any assignment or attempt to assign this Agreement without the prior written consent of CITY shall be deemed null and void as of the date of the purported assignment. All covenants, stipulations, and agreements in this Agreement shall bind any such representatives, successors and assigns.

9. Severability. If any part of this Agreement is held to be illegal or unenforceable by a court of competent jurisdiction, the remainder of this Agreement shall be given effect to the fullest extent permitted by law.

10. Entire Agreement. This Agreement contains the entire agreement between the parties with respect to the matters provided for herein. All previous proposals, offers and communications relative to this Agreement, whether oral or written, are hereby superseded except to the extent that they have been incorporated into this Agreement. No future waiver of or exception to any of the terms, conditions, and provisions of this Agreement shall be considered valid unless specifically agreed to in writing by all the parties.

11. Amendments. This Agreement may be amended or modified only by written instrument signed by all parties. Any amendment or addendum to this Agreement shall expressly refer to this Agreement.

12. Governing Law. This Agreement and any dispute arising hereunder shall be governed by and interpreted in accordance with the laws of the State of California.

13. No Third Party Beneficiaries. No person or entity shall be deemed to be a third party beneficiary hereof; and nothing in this Agreement (either express or implied) is intended to confer upon any person or entity, other than the City (and its officers, directors, employees and agents

providing services under this Agreement) and the Developer, any rights, remedies, obligations or liabilities under or by reason of this Agreement.

14. Singular and Plural; Gender. As used herein, the singular of any word includes the plural, and terms in the masculine gender shall include the feminine.

15. Termination. This Agreement shall terminate and be of no further force and effect on the first anniversary of the date of this Agreement unless expressly amended by the parties; provided, however, that the Developer's obligations under Section 6 shall survive the termination and the City's obligation to provide reimbursement in accordance with Section 4 for expenses incurred prior to the termination date shall also survive termination.

16. Time is of the Essence. Except as otherwise expressly stated, time is of the essence in the performance of each and every action required pursuant to this Agreement

17. Language Construction. The language of each and all paragraphs, terms and/or provisions of this Agreement, shall, in all cases and for any and all purposes, and in any way and all circumstances whatsoever, be construed as a whole, according to its fair meaning, and not for or against any party hereto and with no regard whatsoever to the identity or status of any person or persons who drafted all or any portion of this Agreement.

18. Representations of Authority. Each party signing this Agreement on behalf of a party which is not a natural person hereby represents and warrants to the other party that all necessary legal prerequisites to that party's execution of this Agreement have been satisfied and that he or she has been authorized to sign this Agreement and bind the party on whose behalf he or she signs.

19. Relationship of Parties. Nothing contained in this Agreement shall be interpreted or understood by any of the parties, or by any third person, as creating the relationship of employer and employee, principal and agent, limited or general partnership, or joint venture between City and Owner or its agents, employees or contractors. Except as City may specify in writing, Owner shall have no authority to act as an agent of City or to bind City to any obligation.

20. Title of Parts and Sections. Any titles of the sections or subsections of this Agreement are inserted for convenience of reference only and shall be disregarded in interpreting any part of Agreement's provisions.

IN WITNESS WHEREOF, the CITY OF MODESTO, a Municipal Corporation, has authorized the execution of this Agreement in duplicate by its City Manager and attestation by its City Clerk under authority of Resolution No. 2006-\_\_\_\_, adopted by the Council of the City of Modesto on the \_\_\_\_ day of \_\_\_\_\_, 2006, and Miner Joaquin Building Corporation, has caused this Agreement to be executed in duplicate, effective as of the date first written above.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006 -631**

**A RESOLUTION DECLARING THE CITY OF MODESTO'S  
INTENTION TO REIMBURSE THE CITY FOR CERTAIN  
EXPENDITURES MADE AND/OR TO BE MADE IN CONNECTION  
WITH THE ACQUISITION, CONSTRUCTION AND EQUIPPING  
OF CERTAIN CAPITAL IMPROVEMENTS FROM THE  
PROCEEDS OF ONE OR MORE TAX-EXEMPT FINANCINGS**

WHEREAS, the City of Modesto (the "City") is a political subdivision organized and existing under the laws of the State of California, and

WHEREAS, the City has paid, beginning no earlier than 60 days prior to the date hereof, and will pay, on and after the date hereof, certain expenditures (the "Expenditures") in connection with the acquisition, construction and/or equipping of certain capital improvements for the City's wastewater system (the "Project"), as more fully described in **Exhibit A** attached hereto, and

WHEREAS, the City Council of the City (the "City Council") has determined that those moneys previously advanced no more than 60 days prior to the date hereof and to be advanced on and after the date hereof to pay the Expenditures are available only for a temporary period, and it is necessary to reimburse the City for the Expenditures from the proceeds of one or more issues of tax-exempt bonds (the "Bonds"),

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby declares the City's intention to reimburse the City with the proceeds of said Bonds for the Expenditures with respect to the Project made prior to the issuance of the Bonds, but no more than 60 days prior to the date hereof. The City reasonably expects on the date hereof that it will reimburse the Expenditures with the proceeds of said Bonds. Each Expenditure was and will be either: (a) of a type properly chargeable to a capital account under general federal income tax principles (determined in each case as of the date of the Expenditure), (b) a cost of issuance with respect to the Bonds, or (c) a nonrecurring item that is not customarily payable from current revenues.

The maximum principal amount of the Bonds expected to be issued for the Project is \$30 million. The City will make a reimbursement allocation, which is a written allocation by the City that evidences the City's use of proceeds of the Bonds to reimburse an Expenditure, no later than 18 months after the later of the date on which the Expenditure is paid or the Project is placed in service or abandoned, but in no event more than three years after the date on which the Expenditure is paid. The City recognizes that exceptions are available for certain "preliminary expenditures," costs of issuance, certain *de minimis* amounts, expenditures by "small issuers" (based on the year of issuance and not the year of expenditure) and expenditures for construction projects of at least 5 years.

BE IT FURTHER RESOLVED that this resolution shall take effect immediately upon its passage.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 3rd day of October, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

## EXHIBIT A

### DESCRIPTION OF PROJECT

The project includes various improvements to the City's wastewater system identified in the City's Domestic Wastewater Near Term Capacity Study dated March 2006. The improvements include, but are not limited to, design, acquisition, construction and installation of facilities necessary to implement dissolved air flotation treatment for effluent discharge into the San Joaquin River and the initial phases of tertiary treatment processes and facilities and related facilities.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-632**

**A RESOLUTION APPOINTING TEN (10) MODESTO AREA HIGH  
SCHOOL STUDENTS TO THE CITY OF MODESTO YOUTH  
COMMISSION.**

WHEREAS, Section 1102 of the Charter of the City of Modesto authorizes the City Council to appoint members to various Boards and Commissions, and

WHEREAS, as authorized by Resolution No. 89-443, principals from the High Schools within the City Limits of the City of Modesto have recommended students to serve as Modesto Youth Commissioners,

NOW, THEREFORE, BE IT HEREBY RESOLVED by the Council of the City of Modesto as follows:

SECTION 1. Three (3) Modesto area high school students are hereby appointed to the City of Modesto Youth Commission, with a one-year term limit, as follows:

Central Catholic High School  
Leslie Hermann

Valley Charter High School  
Heather Cumpston

Downey High School  
Jessica Ramirez

SECTION 2. Seven (7) Modesto area high school students are hereby appointed to the City of Modesto Youth Commission, with a two-year term limit, as follows:

Beyer High School  
Eric Farrar

Chelsea Miller

Big Valley Grace High School  
Eugene Tiscornia

Modesto Christian High School  
Kelsey Meyer

Central Catholic High School  
David Misslbeck

Valley Charter High School  
Garrett Wilson

Downey High School

Modesto High School  
Julie Bernardo

SECTION 3. The City Clerk is hereby directed to transmit a copy of this resolution to the newly appointed members of the City of Modesto Youth Commission, and the Secretary thereof.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 3rd day of October, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-633**

**A RESOLUTION AMENDING THE AGREEMENT WITH CALLANDER ASSOCIATES LANDSCAPE ARCHITECTURE, INC. TO PROVIDE ADDITIONAL SERVICES RELATED TO REVISING THE PLANS AND SPECIFICATIONS DUE TO ADDITIONAL SUBMITTAL REQUIREMENTS FROM CALTRANS AND A CHANGE IN THE SCOPE OF THE PROJECT DUE TO FUNDING AVAILABILITY, FOR AN ADDITIONAL AMOUNT NOT TO EXCEED \$31,665.00, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AMENDMENT TO THE AGREEMENT.**

WHEREAS, at the March 13, 2001, City Council Meeting, by Resolution No. 2001-115, the Council authorized the City Manager to submit an application and negotiate an agreement for the use of Transportation Enhancement Activities (TEA) funds for a landscape beautification project within and near the Briggsmore / State Route 99 Interchange, and

WHEREAS, on March 13, 2001, the City Council also committed matching funds of up to \$75,000 for this project from the General Fund, and

WHEREAS, in late March of 2001, the City Manager submitted an application for \$1,000,000 in State TEA funds for this project, and the City was notified in the Fall of 2002 that funding had been identified for this project and Amendment #34 to the Federal Transportation Improvement Program (FTIP) was approved, and

WHEREAS, Amendment #34 identified \$1,000,000 of State TEA funds, \$200,000 of Regional TEA funds and \$100,000 of Caltrans Minor Program funds for the Highway 99 Briggsmore Expressway Landscape Improvements Project, and

WHEREAS, in the Fall of 2002, City staff began working with Caltrans District 10 to prepare a cooperative agreement for the funding of the construction of landscape enhancements within and near the Briggsmore / State Route 99 Interchange, and

WHEREAS, the project area included landscape enhancements to the Briggsmore Interchange and along State Route 99 for 0.5 miles to the south and 0.8 miles to the north of the Briggsmore Expressway along the northbound and southbound lanes, and

WHEREAS, on May 3, 2004, the Safety and Communities Committee endorsed approval of the cooperative agreement, and

WHEREAS, on May 25, 2004, the Modesto City Council approved the cooperative agreement and authorized the City Manager to execute said agreement, and

WHEREAS on September 28, 2004, the City Council awarded the design contract for this project to Callander Associates Landscape Architecture, Inc. at a cost not to exceed \$133,500.00, and

WHEREAS, Callander Associates and City staff have been coordinating with Caltrans staff for the past two years to develop a conceptual design and construction documentation for the project, and

WHEREAS, Parks Planning and Development staff has held many stakeholders meetings during this process to ensure Caltrans review of the design, and

WHEREAS, in addition, a public comment period beginning on February 7, 2005, and ending on March 2, 2005, was conducted to obtain public input on the project design, and

WHEREAS, throughout the above described process, Caltrans has required many documents and design elements that were not revealed in the original contract agreement, including but not limited to a "Project Report", a Storm Water Data Report, additional design and engineering for slope and gore paving, Structural Engineering, and Geotechnical reports, and

WHEREAS, some of these items were paid for with the additional services portion of the existing contract, but the changes and requirements have become so extensive that they can no longer be funded in the current additional services portion of the existing contract, and

WHEREAS, at this time, requirements from Caltrans necessitate an amendment to the agreement in an amount not to exceed \$31,665.00, to complete the construction documentation, and

WHEREAS, funds are budgeted in Capital Improvement Project 1350-310-A080, Briggsmore-99,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that the Council hereby approves an Amendment to the Agreement with Callander Associates Landscape Architecture, Inc. to provide additional services related to revising the plans and specifications due to additional submittal requirements from Caltrans and a change in the scope of the project due to funding availability, for an additional amount not to exceed \$31,665.00.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 3<sup>rd</sup> day of October 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-634**

**A RESOLUTION APPROVING A PROFESSIONAL SERVICES AGREEMENT WITH O'DELL ENGINEERING, INC. TO DESIGN THE FLOYD AVENUE ROAD IMPROVEMENTS BETWEEN ROSELLE AVENUE AND FINE AVENUE IN THE NOT-TO-EXCEED AMOUNT OF \$160,735, AND AUTHORIZING THE COMMUNITY FACILITIES DISTRICT ADMINISTRATOR, OR HIS DESIGNEE, TO EXECUTE THE AGREEMENT**

WHEREAS, following a Request for Qualifications which was sent to all local engineering firms, eight firms were asked to provide a proposal for the Floyd Avenue design, and

WHEREAS, a selection team interviewed eight consulting firms, and

WHEREAS, the Selection Committee determined that O'Dell Engineering, Inc., rated highest for the design of the Floyd Avenue Road Improvement Project, in accordance with Administrative Directive 3.1, and

WHEREAS, the District Engineer has recommended that O'Dell Engineering, Inc., be accepted as the most qualified engineering consulting firm for engineering design services for the "Floyd Avenue Road Improvement project from Roselle Avenue to Fine Avenue", and

WHEREAS, the District Engineer has recommended accepting the proposal of O'Dell Engineering, Inc., in an amount not-to-exceed \$160,735,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Agreement between City of Modesto Community Facilities District and O'Dell Engineering, Inc. for engineering design services for the project titled "Floyd Avenue Road Improvement Project From Roselle Avenue to Fine Avenue" in the not-to-exceed amount of \$160,735.

BE IT FURTHER RESOLVED that the District Administrator, or his designee, is hereby authorized to execute said Agreement.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 3rd day of October, 2006, by Councilmember Dunbar, who moved its adoption, which motion being duly seconded by Councilmember Marsh, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-635**

**A RESOLUTION AUTHORIZING STAFF TO SOLICIT COMPETITIVE PROPOSALS FOR A NEW MODESTO AREA EXPRESS (MAX) CONTRACT**

WHEREAS, on May 28, 2002 the City entered into an agreement with MV Transportation to operate the Modesto Area Express (MAX) bus service, and

WHEREAS, said agreement is due to expire on May 31, 2007, and

WHEREAS, concurrent with this request to solicit competitive proposals for MAX bus service, a contract amendment will extend the current MV Transportation contract through June 29, 2007, and

WHEREAS, a new contract is necessary to replace the contract amendment that will expire on June 29, 2007, and

WHEREAS, solicitation of proposals through the use of a request for proposals (RFP) process is the best method of selecting a new contractor, and

WHEREAS, by an agenda report to the City Council dated September 18, 2006, from the Public Works Director, City staff recommended to the Council that an RFP process, as described in said agenda report, be utilized to solicit proposals for a new contract to replace the contract extension with MV Transportation that will expire June 29, 2007, and

WHEREAS, the Council Economic Development Committee at its September 11, 2006 meeting recommended approval of this item,

NOW, THEREFORE BE IT RESOLVED by the Council of the City of Modesto that City staff is hereby directed to solicit proposals for a new MAX operating contract through the RFP process described in said agenda report.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 3<sup>rd</sup> day of October, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

WHEREAS, on May 28, 2002 the City entered into an agreement with MV Transportation, Inc. to operate the Modesto Area Express (MAX) bus service, and

WHEREAS, said agreement is due to expire on May 31, 2007, and

WHEREAS, City wishes to extend said agreement through June 29, 2007, to provide for the best transition possible between MV Transportation, Inc. and any successor contractor that might be selected through the request for proposals (RFP) process being considered concurrently with this item at the October 3, 2006 Council meeting, and

WHEREAS, MV Transportation has agreed to said contract extension, and

WHEREAS, by an agenda report to the City Council dated September 18, 2006, from the Public Works Director, City staff recommended to the Council that the existing contract with MV Transportation be extended through June 29, 2007.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves an Amendment to the existing contract with MV Transportation to extend the expiration date of the current contract through June 29, 2007

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute said Amendment

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 3rd day of October, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Keating, was upon roll call carried and the resolution adopted by the following vote:

RESOLUTION NO. 2006 -637**

**A RESOLUTION AMENDING THE FISCAL YEAR 2006-2007 CAPITAL  
IMPROVEMENT PROGRAM BUDGET TO RE-APPROPRIATE NEW  
AND EXISTING PROJECTS AND RECOGNIZE ADDITIONAL  
REVENUE FOR FY 2006-2007**

WHEREAS, a financial analysis has been completed and it has been determined that certain adjustments are required to the Capital Improvement Budget of the City of Modesto for the Fiscal Year 2006-2007, and

WHEREAS, specific projects have unspent budgets as of July 1, 2006 which need to be reallocated into FY 2006-2007, and

WHEREAS, additional revenues for fiscal year 2006-2007 have been identified, and

WHEREAS, the Planning Commission at their regular meeting of September 21, 2006 approved for conformance with the City's General Plan the amended Capital Improvement Program budget, and

WHEREAS, at a special Finance Committee meeting of September 21, 2006 the committee recommended approval of the Capital Improvement Program budget, and

WHEREAS, at the City Council meeting of October 3, 2006 the City Council held a Public Hearing regarding the Capital Improvement Program budget,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that existing projects and new projects which are referenced in the Amended 2006-2007 Capital Improvement Program under the CIP Budget by Fund section of the budget documents hereby be re-appropriated into the BY 2006-2007 budget.

BE IT FURTHER RESOLVED that additional revenues, which are referenced in the Amended 2006-2007 Capital Improvement Program under the Revenues by Source section of the budget document, hereby be recognized.

BE IT FURTHER RESOLVED that the Finance Director or his designee, is hereby authorized to take the necessary steps to implement the provisions of this resolution.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 3rd day of October, 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-638**

**A RESOLUTION APPROVING AMENDMENT NO. 1 TO THE STANDARD AGREEMENT FOR CONSULTANT SERVICES BETWEEN THE CITY OF MODESTO AND STOCKTON BLUE, TO ALLOW FOR FUTURE SCANNING, STORAGE, BACKUP AND MAINTENANCE OF PLAN DOCUMENTS; FOR \$50,001, FOR A TOTAL CONTRACT AMOUNT NOT TO EXCEED \$100,000.**

WHEREAS, the City of Modesto entered into a contract with Stockton Blue on April 7, 2004 to perform the conversion of existing microfilmed and paper plans to Tiff files, for the upload and maintenance of files on PlanWell Internet server, to burn back up CDs with PlanWell viewer and indexing, as well as the future scanning and Plan Well updates, and

WHEREAS, Stockton Blue has completed the conversion of all microfilmed and existing paper plans to Tiff files, in accordance with the original Standard Agreement, and

WHEREAS, Stockton Blue has completed the upload of all converted plans on PlanWell Internet server, in accordance with the original Standard Agreement, and

WHEREAS, Stockton Blue has completed burning the CDs with all converted plans, in accordance with the original Standard Agreement, and

WHEREAS, the need for storage, maintenance and future scanning of plans is an on-going necessity, and

WHEREAS, there are limitations of office space to store/house plans in our previous fashion, and

WHEREAS, there is a need to keep pace with technology that provides the most efficient access to information for our customers, and

WHEREAS, the Community and Economic Development Department desires to extend Consultant's contract for future services for an additional \$50,001, for a total contract amount not to exceed \$100,000.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that Amendment No. 1 to the Agreement between the City of Modesto and Stockton Blue to provide future services in the amount of \$50,001, for a total contract amount not to exceed \$100,000, is hereby approved.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute Amendment No. 1 to the Agreement.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-639**

**A RESOLUTION APPROVING A MASTER PROFESSIONAL SERVICES AGREEMENT BETWEEN THE CITY OF MODESTO AND HARRIS AND ASSOCIATES FOR PROJECT MANAGEMENT SERVICES IN CONJUNCTION WITH PROCESSING OF THE FAIRVIEW SPECIFIC PLAN AMENDMENT IN AN AMOUNT NOT TO EXCEED \$359,840 AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE AGREEMENT**

WHEREAS, the City Council has directed staff to proceed with processing of the proposed Fairview Specific Plan Amendment, and

WHEREAS, The City has an approved consultant list for the preparation of Facilities Master Plans (FMP) and Infrastructure Master Plans (IMP), and

WHEREAS, processing of the Fairview Specific Plan Amendment must take place prior to, and in coordination with, preparation of the FMP and IMP for this service area, and

WHEREAS, City staff recommends that Harris and Associates be accepted to provide project management services associated with processing the proposed Fairview Specific Plan Amendment because of their extensive experience on similar projects in other jurisdictions, and

WHEREAS, City staff anticipates the project will involve one phase in an amount not to exceed \$359,840,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves the agreement between the Harris and Associates to provide project management services associated with processing the proposed Fairview Specific Plan Amendment in an amount not to exceed \$359,840.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the Agreement.

## Schedule A

### *Finance Department*

Non-Departmental General Fund Accounts. The expense budgets for three areas were inadvertently left out of the FY 2006-07 adopted operating budget. This transaction will restore funding for Utility Users Tax (UUT) Collection reimbursement, Property Tax Collection reimbursement, and the Senior/Disabled Discount, each of which are described below.

The UUT Collection reimburses Modesto Irrigation District for collecting UUT on behalf of the City. This is applicable only to MID since they are another governmental agency. No other utility provider is reimbursed for collection of UUT.

The Property Tax Collection reimburses Stanislaus County for assessing, collecting and remitting annual property taxes to the City, per SB2557. Applicable costs of the County Assessor, Tax Collector and Auditor Controller are analyzed and allocated to all of the taxing agencies receiving property taxes, including the City and Redevelopment Agency.

The Senior/Disabled Discount is a subsidy to assist low-income and disabled seniors pay their utility bills. Based on the sign-up rate and the 15% water rate increase, it is estimated that the Senior/Disabled Discount will be approximately \$89,000 in FY2007.

This budget adjustment will appropriate funds from the General Fund Reserve to the expense accounts as follows:

From:	General Fund Reserve Acct #0100-800-8000-8003	\$(295,000)
To:	Utility Tax Collection Acct #0100-510-9510-0431	\$ 35,000
	Property Tax Collection Acct #0100-510-9510-0432	\$ 170,000
	Senior/Disabled Discount Acct #0100-510-9510-0440	\$ 90,000

### State Booking Fee

The State budget adopted in July authorized an appropriation for the reimbursement to cities of their prior year jail booking fee costs. Based on the actual amount paid for jail booking fees during the 2005-06 fiscal year, the City will receive \$279,416 in new revenue. Since this revenue was not budgeted for FY2007, this budget adjustment will increase the revenue budget amount as shown below:

To:	Jail Booking Revenue Acct #0100-190-1901-4045	\$279,416
-----	---	-----------

## Schedule A

### *Parks, Recreation & Neighborhoods Department*

Youth Financial Assistance Program (Leisure Bucks) - In FY2005-06, the County gave the City \$8,000 which was earmarked for County youth participating in the City Leisure Bucks Program. At year-end, there was \$3,551 still available to assist youth during the FY2006-07 budget year. A budget adjustment transferring funds from the General Fund Reserve to the Leisure Bucks Operating Account as shown below:

From:	General Fund Reserve Acct #0100-800-8000-8003	\$(3,551)
To:	Youth Scholarships Operating Acct #0100-350-3801-1061	\$ 3,551

Community Development Block Grant (CDBG) Program - A small amount of work remains on two projects within the CDBG Program. The Mark Twain Play Equipment project needs \$386 and the Chrysler 99 Play Equipment project needs \$268. Revenue funds in the amount of \$654 need to be carried over to the FY2007 budget to complete these two projects as shown below:

To:	CDBG Revenue Acct #1130-320-3233-3511	\$386
	CDBG Revenue Acct #1130-320-3234-3511	\$268
To:	Mark Twain Play Equipment Acct #1130-320-3233-6010	\$386
	Chrysler 99 Play Equipment Acct #1130-320-3234-6010	\$268

Play Equipment Upgrades (15 parks) – The 15 parks being upgraded are divided into groups. Group I is complete. Remaining funds from Group I are now being transferred to help fund Group II. Originally, remaining funds from Capital Project #M185 (Parks Infrastructure Preservation) were to be moved; however, to make better use of the resources allocated in the capital accounts, staff is requesting funds in the amount of \$24,724 be moved from Capital Project #P493 (Park System Improvements) to Capital Project #N442 (Play Equipment Upgrades) as shown below:

From:	Capital Project Acct #1400-310-P493-6040	\$(24,724)
To:	Capital Project Acct #2300-310-N442-6040	\$ 24,724

Centre Plaza FF&E – The Furniture, Fixtures & Equipment Fund (FF&E) is budgeted from the Centre Plaza Contingency Reserves for specific projects or purchases. There are purchases that were not completed or encumbered in Fiscal Year 2005-06 and the remaining funds need to be re-appropriated in FY2006-07 as follows:

From:	Centre Plaza FF&E Reserves Acct #6710-800-8000-8003	\$(26,960)
To:	Centre Plaza FF&E Repair & Mntc. Acct #6710-340-3420-0223	\$ 26,960

## Schedule A

### *City Manager's Office*

Additional Survey Work – The City is currently working with the consulting group, Management Partners, to complete an organizational assessment and business plan for the City. Additional survey work was identified as a need during the initial round of interviews in late July. A budget transfer from the General Fund Reserve Account in the amount of \$5,000 to the City Manager's operating account is needed to pay for the additional survey work as shown below:

From:	General Fund Reserve Acct #0100-800-8000-8003	\$(5,000)
To:	Professional Services Acct #0100-020-0201-0235	\$ 5,000

### *Public Works Department*

Proposition 42 Funding – The City received Prop 42 funds in the amount of \$1,516,292 in July 2006. These funds need to be appropriated as shown below:

To:	Proposition 42 Revenue Acct #0700-480-4612-3230	\$758,146
	Proposition 42 Revenue Acct #0700-430-4380-3230	\$758,146
From:	Streets Mtc/Asphalt Operating Acct #0700-480-4612-5005	\$758,146
	Annual Slurry Seals Operating Acct #0700-430-4380-5006	\$758,146

**MODESTO CITY COUNCIL  
RESOLUTION NO.2006-641**

**A RESOLUTION APPOINTING A NEW WATER BOND COUNSEL TO THE FINANCING TEAM CONSISTING OF SIDLEY AUSTIN, BOND COUNSEL AND PAY JONES HALL FOR PRELIMINARY WORK COMPLETED WITH RESPECT TO THE PROPOSED ISSUANCE OF CERTAIN WATER REVENUE BONDS FOR FUTURE CONSIDERATION OF COUNCIL, AND AUTHORIZING SAID WATER BOND FINANCING TEAM TO PROCEED WITH ACTIONS NECESSARY FOR BOND DOCUMENT DEVELOPMENT.**

WHEREAS, pursuant to the City of Modesto Water Revenue Bond Law, constituting Chapter 6 of Title VIII of the Modesto Municipal Code (the “Bond Law”), the City of Modesto, California (the “City”) is authorized to issue revenue bonds to provide funds to finance the costs of the acquisition, construction and equipping of improvements to the water system of the City (the “Enterprise”) or for the purpose of refunding bonds issued for such purposes, and

WHEREAS, staff has identified the need to restructure water debt, issue water revenue bonds and prepare for the Modesto Irrigation District to issue bonds which will be considered as parity debt for the City of Modesto, and

WHEREAS, the City desires to appoint certain professionals to assist the City in connection with such proposed issuance, and to authorize such professionals and City staff to take all actions necessary, including the preparation of documents to effect such issuance, for future consideration by this City Council,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto, that it hereby appoints Sidley Austin, San Francisco, California, as Bond Counsel (“Bond Counsel”) to the City and approves payments to Jones Hall as preliminary work completed in connection with the issuance of water revenue bonds of the City.

BE IT FURTHER RESOLVED that City staff is hereby authorized and directed to proceed with any and all actions deemed necessary or advisable, including directing the finance professionals appointed pursuant to this Resolution, to begin preparation of documents in connection with the proposed issuance of the City's water revenue bonds, for future consideration by the City Council

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10<sup>th</sup> day of October, 2006, by Councilmember Marsh who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the Resolution adopted by the following vote:

RESOLUTION NO. 2006-645**

**A RESOLUTION APPROVING A GRANT APPLICATION FOR \$1.5 MILLION FOR THE CALIFORNIA RIVER PARKWAYS GRANT PROGRAM UNDER THE WATER SECURITY, CLEAN DRINKING WATER, COASTAL AND BEACH PROTECTION ACT OF 2002 (Proposition 50) AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE APPLICATION**

WHEREAS, the Legislature and Governor of the State of California have provided funds for the California River Parkways Grant Program under the Water, Security, Clean Drinking Water, Coastal and Beach Protection Act of 2002 - Proposition 50, and

WHEREAS, City staff believes the City's development of the Gateway portion of the Tuolumne River Regional Park to be an excellent "fit" for this specific funding project, and

WHEREAS, the State Resources Agency has been delegated the responsibility for the administration of this grant program, including establishing necessary procedures, and

WHEREAS, said procedures established by the State Resources Agency require a resolution certifying the approval of the application by the Council of the City of Modesto before submission of this application to the State, and

WHEREAS, the City of Modesto, if selected, will enter an agreement with the State of California to carry out the Project,

NOW, THEREFORE, BE IT RESOLVED by the City of Modesto that the Council hereby:

1. Approves the filing of an application for the Tuolumne River Regional Park Gateway Project;
2. Certifies that the City of Modesto understands the assurances and certification in the application;
3. Certifies that the City of Modesto will have sufficient funds to operate and maintain the project consistent with the land tenure requirements;

4. Certifies that it will comply with the provisions of Section 1771.8 of the State Labor code regarding payment of prevailing wages on Projects awarded Proposition 50 funds;

5. If applicable, certifies that the Project will comply with any laws and regulations including, but not limited to, legal requirements for building codes, health and safety codes, disabled access laws, and, that prior to commencement of construction, all applicable permits will have been obtained; and

6. Appoints the City Manager, or his designee, as agent to conduct all negotiations, execute and submit all documents including but not limited to applications, agreements, payment requests and so on, which may be necessary for the completion of the aforementioned Project, upon acceptance of said grant by the City Council.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-646**

**A RESOLUTION APPROVING A SECOND AMENDMENT TO A STANDARD AGREEMENT BETWEEN THE CITY OF MODESTO AND PRECISION INSPECTION COMPANY INC., INCREASING THE NUMBER OF HOURS OF HOUSING REHABILITATION SERVICES TO INCLUDE ADDITIONAL INSPECTIONS, BID PREPARATION, AND REHABILITATION CONTRACT MONITORING SERVICES PROVIDED TO THE PARKS, RECREATION AND NEIGHBORHOODS DEPARTMENT FOR AN AMOUNT NOT TO EXCEED \$15,000, AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO EXECUTE THE AMENDMENT TO THE AGREEMENT.**

WHEREAS, on January 10, 2006, by Resolution No. 2006-016, the City Council approved a Standard Agreement between the City and Precision Inspection Company, Inc. (Precision) for services that include building permit inspections and plan checking services for the Community and Economic Development Department, in an amount not to exceed \$75,000, and

WHEREAS, staffing changes left the Parks, Recreation and Neighborhoods Department in need of similar technical consulting services available through Precision Inspection Company, Inc., and

WHEREAS, On April 25, 2006, by Resolution No. 2006-240, the Council approved an amendment to the agreement with Precision to increase the Scope of Services to include inspections, bid preparation, and rehabilitation contract monitoring services for the Parks, Recreation and Neighborhoods Department for an amount not to exceed \$50,000, and

WHEREAS, Precision has provided a Senior Housing Rehabilitation Specialist and a Rehabilitation Specialist II to complete inspections, write specifications, oversee procurement of rehabilitation services and monitor rehabilitation contracts for the HUD funded rehabilitation programs, and

WHEREAS, Precision has now billed the amount allowed by the previously amended services agreement, and

WHEREAS, the Neighborhood Services Division would like to extend the Service Agreement with Precision for an additional amount not to exceed \$15,000 to ensure continued services with clients while current City staff provides cross over training of new staff, and

WHEREAS, the Housing Rehabilitation Loan Committee reviewed the proposed Scope of Work at its April 6, 2006, meeting, and recommended that the Precision Agreement be amended to include the work needed by the Parks, Recreation and Neighborhoods Department,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby approves a Second Amendment to the Agreement with Precision Inspection Company, Inc., increasing the contract amount by \$15,000, to increase the number of hours of housing rehabilitation services for inspections, bid preparation, and rehabilitation contract monitoring services to the Parks, Recreation and Neighborhoods Department.

BE IT FURTHER RESOLVED that the City Manager, or his designee, is hereby authorized to execute the amendment to the agreement.

**MODESTO CITY COUNCIL  
RESOLUTION NO. 2006-647**

**A RESOLUTION AUTHORIZING THE PURCHASING MANAGER TO ISSUE FORMAL REQUEST FOR BIDS (RFB) FOR THE PURCHASE OF AMMUNITION FOR THE POLICE DEPARTMENT, FOR A TWO (2) YEAR AGREEMENT WITH THREE (3) ONE-YEAR EXTENSION OPTIONS, AT THE SOLE DISCRETION OF THE CITY, FOR A TOTAL ESTIMATED ANNUAL AMOUNT OF \$75,000.**

WHEREAS, the Modesto Police Department maintains an inventory of Federal brand ammunition for issuance to sworn staff and for training purposes, and

WHEREAS, a one-time purchase is made each fiscal year to replenish the supply for the Department, and

WHEREAS, the FBI established a standardized bullet testing protocol, and

WHEREAS, about six years ago the Modesto Police Department tested several bullet brands using the FBI protocol, and

WHEREAS, at the time the department was using Remington, and

WHEREAS, the best performing bullet was the Speer Gold Dot; however, this brand is very expensive, and

WHEREAS, the next best performing brand was Federal, and

WHEREAS, Federal is competitively priced when compared to Remington and Winchester, and

WHEREAS, for this reason, the department purchases Federal Brand, and

WHEREAS, there are several authorized dealers of Federal Brand ammunition on the West Coast, and

WHEREAS, Modesto Municipal Code, Section 8-3.203, generally requires all purchases, which meet or exceed \$50,000.00 for material, equipment or contractual services to be formally bid, and

WHEREAS, the issuance of a formal Request for Bid for the purchase of ammunition for the Police Department conforms to the code requirements, and

WHEREAS, Funds are budgeted and made available in 0100-190-1921-0308 for the purchase of ammunition, in FY 06/07,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Modesto that it hereby authorizes the Purchasing Manager to issue formal Request for Bids (RFB) for the purchase of ammunition for the Police Department, for a two (2) year agreement, with three (3) one-year extension options at the sole discretion of the City, for a total estimated annual amount of \$75,000 as follows:

SECTION 1. The City Clerk is hereby authorized to call for public competitive sealed bids for the purchase of ammunition, for a two (2) year agreement, with three (3) one-year extension options at the sole discretion of the City, to be opened in the office of the City Clerk, 1010 Tenth Street, in the City of Modesto. The City Clerk shall be directed to give notice inviting such sealed bids in the time, form, and manner provided by law.

SECTION 2. After the sealed bids are opened, they shall be tabulated and analyzed and a report submitted to Council.

The foregoing resolution was introduced at a regular meeting of the Council of the City of Modesto held on the 10<sup>th</sup> day of October, 2006, by Councilmember Marsh, who moved its adoption, which motion being duly seconded by Councilmember Hawn, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen, Mayor Ridenour

**CITY OF MODESTO  
RESOLUTION NO. 2006-648**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MODESTO RELATING TO WATER REVENUE CERTIFICATES OF PARTICIPATION, 2006 SERIES A; APPROVING THE FORMS OF AND AUTHORIZING THE EXECUTION AND DELIVERY OF A 2006 SUPPLEMENTAL INSTALLMENT PURCHASE CONTRACT, A PURCHASE CONTRACT, A CONTINUING DISCLOSURE AGREEMENT, AND AN INSURANCE AND REIMBURSEMENT AGREEMENT; AUTHORIZING THE DISTRIBUTION OF AN OFFICIAL STATEMENT IN CONNECTION THEREWITH; AND AUTHORIZING CERTAIN OTHER RELATED ACTIONS**

WHEREAS, the City of Modesto is a charter city and municipal corporation duly organized and existing under and by virtue of the Constitution and laws of the State of California (the "City"); and

WHEREAS, the City and the Modesto Public Financing Authority (the "Authority"), a joint exercise of powers authority duly organized and existing under and by virtue of the laws of the State of California, have previously entered into a Master Installment Purchase Contract, dated as of November 1, 1997 (the "Master Installment Purchase Contract") in order to provide for the financing and refinancing from time to time of the costs of acquisition and construction of various additions, betterments, extensions and improvements to the City's Water Utility System; and

WHEREAS, the City previously refinanced certain improvements to its Water Utility System, pursuant to the 1997 Supplemental Installment Purchase Contract, dated as of November 1, 1997, by and between the City and the Authority, supplementing the Master Installment Purchase Contract, with proceeds of the City's \$25,585,000 in aggregate principal amount of Refunding Revenue Certificates of Participation (1997 Water Utility System Refinancing Project) executed and delivered pursuant to a Trust Agreement, dated as of

November 1, 1997, by and between the Authority and State Street Bank and Trust Company of California, N.A. (which has been succeeded by U.S. Bank National Association), as trustee; and

WHEREAS, pursuant to Article III of the Master Installment Purchase Contract, the City may incur additional obligations payable on a parity thereunder, including by execution of a supplemental installment purchase contract; and

WHEREAS, the City now desires to finance the cost of various additional improvements to its Water Utility System (the "2006 Project"), and in connection therewith the City and the Authority propose to execute and enter into a 2006 Supplemental Installment Purchase Contract (the "2006 Supplemental Installment Purchase Contract"), supplementing the Master Installment Purchase Contract, whereby the City will purchase the 2006 Project from the Authority, and the City will be obligated to make installment payments to the Authority as the purchase price therefor; and

WHEREAS, pursuant to a Trust Agreement (the "2006 Trust Agreement") proposed to be executed and entered into by and between the Authority and The Bank of New York Trust Company, N.A., as trustee (the "2006 Trustee"), the Authority proposes to assign certain of its rights under the 2006 Supplemental Installment Purchase Contract, including its right to receive the payments to be made by the City thereunder; and

WHEREAS, in consideration of such assignment and the execution and entering into of the 2006 Trust Agreement by the 2006 Trustee and the Authority, the 2006 Trustee has agreed to execute and deliver Water Revenue Certificates of Participation, Series 2006 A (the "2006 Certificates"), evidencing and representing proportionate interests of the owners thereof in installment payments to be made by the City; and

WHEREAS, the 2006 Certificates are expected to be initially executed and delivered as auction rate securities; and

WHEREAS, the City proposes to execute and enter into a Purchase Contract (the "Purchase Contract") with Banc of America Securities LLC (the "Underwriter") and the Authority, pursuant to which the Underwriter will purchase the 2006 Certificates for reoffering to the public; and

WHEREAS, the City proposes to deem final for purposes of Rule 15c(2) 12 of the Securities Exchange Act of 1934, as amended, and to execute and deliver an Official Statement (the "Official Statement") relating to the 2006 Certificates and to authorize the distribution of such Official Statement to prospective and actual purchasers of the 2006 Certificates; and

WHEREAS, the City proposes to execute and enter into a Continuing Disclosure Agreement (the "Continuing Disclosure Agreement") with the 2006 Trustee, as dissemination agent (the "Dissemination Agent"), for the benefit of the owners of the 2006 Certificates and to assist the Underwriter in complying with Rule 15c(2)-12 of the Securities Exchange Act of 1934, as amended; and

WHEREAS, the City proposes to execute and deliver an Insurance and Reimbursement Agreement (the "Insurance and Reimbursement Agreement") with the 2006 Trustee and MBIA Insurance Corporation, as insurer of the 2006 Certificates and of certain swap payments to be made by the City under the interest rate swap agreement previously authorized by the City Council to be entered into by the City in connection with the 2006 Certificates (the "Insurer"), in order to secure the obligations of the City to reimburse the Insurer for any payment made by the

Insurer under the municipal bond insurance policy for the 2006 Certificates and the swap insurance policy for the interest rate swap agreement relating to the 2006 Certificates; and

WHEREAS, all acts, conditions and things required by the laws of the State of California to exist, to have happened and to have been performed precedent to and in connection with the consummation of the transactions authorized hereby do exist, have happened and have been performed in regular and due time, form and manner as required by law, and the City is now duly authorized and empowered, pursuant to each and every requirement of law, to consummate such transactions for the purpose, in the manner and upon the terms herein provided;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Modesto, as follows:

Section 1. Findings. The City Council hereby specifically finds and determines that the actions authorized hereby constitute and are with respect to the public affairs of the City and that the statements, findings and determinations of the City set forth above and in the preambles of the documents approved herein are true and correct and that the consummation of the transactions contemplated therein shall result in significant public benefits to the City.

Section 2. 2006 Supplemental Installment Purchase Contract. The 2006 Supplemental Installment Purchase Contract, proposed to be executed and entered into by and between the City and the Authority, in the form presented at this meeting and on file with the City Clerk of the City, is hereby approved. Each of the City Manager and the Finance Director, acting singly, is hereby authorized and directed, for and in the name and on behalf of the City, to execute and deliver to the Authority the 2006 Supplemental Installment Purchase Contract in substantially said form, with such changes therein as such officer executing the 2006 Supplemental

Installment Purchase Contract may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof; provided, that the schedule of the installment payments to be contained in the 2006 Supplemental Installment Purchase Contract and to be **attached** as an exhibit thereto shall be determined by the City Manager or the Finance Director of the City upon the sale of the 2006 Certificates, the aggregate principal amount of 2006 Certificates to be executed and delivered shall not exceed \$52,000,000, the final principal payment date of the 2006 Certificates shall not be later than 35 years from the initial installment payment, and the 2006 Certificates initially shall be issued as auction rate securities.

Section 3. Purchase Contract. The Purchase Contract, proposed to be executed and entered into by and among the City, the Authority, and the Underwriter, in the form presented at this meeting and on file with the City Clerk, is hereby approved, and each of the City Manager and the Finance Director, acting singly, is hereby authorized and directed, for and in the name and on behalf of the City, to execute and deliver to the Underwriter and the Authority the Purchase Contract in substantially said form, with such changes therein as such officer executing the Purchase Contract may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof.

Section 4. Official Statement. The Official Statement, in the form presented at this meeting and on file with the City Clerk, is hereby approved. Each of the Mayor, the City Manager and the Finance Director, acting singly, is hereby authorized and directed to cause the Official Statement, in substantially said form, with such changes therein as such officer may require or approve, to be deemed final for purposes of Rule 15c(2)-12 of the Securities Exchange Act of 1934, as amended, and to be distributed to potential and actual purchasers of the 2006 Certificates. Each of the Mayor, the City Manager and the Finance Director, acting singly, is

hereby authorized and directed, for and in the name and on behalf of the City, to execute and deliver the Official Statement in substantially said form, with such changes therein as such officer executing the Official Statement may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof.

Section 5. Continuing Disclosure Agreement. The Continuing Disclosure Agreement, proposed to be executed and entered into by and between the City and the 2006 Trustee, as Dissemination Agent thereunder, in the form presented at this meeting and on file with the City Clerk, is hereby approved and each of the City Manager and the Finance Director, acting singly, is hereby authorized and directed for and in the name and on behalf of the City to execute and deliver to the 2006 Trustee the Continuing Disclosure Agreement in substantially said form, with such changes therein as such officer executing the Continuing Disclosure Agreement may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof.

Section 6. Insurance and Reimbursement Agreement. The Insurance and Reimbursement Agreement, proposed to be executed and entered into by and among the City, the 2006 Trustee and the Insurer, in the form presented at this meeting and on file with the City Clerk, is hereby approved and each of the City Manager and the Finance Director, acting singly, is hereby authorized and directed for and in the name and on behalf of the City to execute and deliver to the 2006 Trustee and the Insurer the Insurance and Reimbursement Agreement in substantially said form, with such changes therein as such officer executing the Insurance and Reimbursement Agreement may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof.

Section 7. Attestations. The City Clerk is hereby authorized and directed to attest the signature of the Mayor, the City Manager and the Finance Director and to affix and attest the seal of the City, as may be required or appropriate in connection with the execution and delivery of the 2006 Certificates and the documents approved by this Resolution.

Section 8. Other Actions. The officers of the City are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or desirable in order to consummate the transactions authorized hereby and to consummate the sale, execution and delivery of the 2006 Certificates and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution, the 2006 Supplemental Installment Purchase Contract, the Purchase Contract, the Continuing Disclosure Agreement, the Insurance and Reimbursement Agreement, the Official Statement, and the 2006 Certificates; and all such actions heretofore taken by such officers are hereby ratified, confirmed and approved.

Section 9. Effective Date. This Resolution shall take effect immediately upon its passage.

The foregoing resolution was introduced at a meeting of the City of Modesto held on the 10th day of October, 2006, by Councilmember Hawn, who moved its adoption, which motion being duly seconded by Councilmember Dunbar, was upon roll call carried and the resolution adopted by the following vote:

AYES: Councilmembers: Dunbar, Hawn, Keating, Marsh, O'Bryant, Olsen,  
Mayor Ridenour

## 2006 SUPPLEMENTAL INSTALLMENT PURCHASE CONTRACT

The 2006 Supplemental Installment Purchase Contract (the "2006 Supplemental Contract"), dated as of November 1, 2006, by and between the City of Modesto, California, a charter city and municipal corporation duly organized and existing under and by virtue of the Constitution and laws of the State of California (the "City"), and the Modesto Public Financing Authority, a joint exercise of powers authority duly organized and existing under and by virtue of the laws of the State of California (the "Authority");

### WITNESSETH:

WHEREAS, the City and the Authority have executed and entered into a Master Installment Purchase Contract, dated as of November 1, 1997 (the "Master Contract"), for the acquisition from time to time of various additions, betterments, extensions and improvements to the Water Utility System of the City; and

WHEREAS, the City previously refinanced certain improvements to its Water Utility System (the "1997 Project") pursuant to the 1997 Supplemental Installment Purchase Contract, dated as of November 1, 1997 (the "1997 Supplemental Contract"), by and between the Authority and the City, supplementing the Master Contract, under which the City is obligated to make certain payments (the "1997 Payments") to the Authority as payment of the purchase price for the 1997 Project; and

WHEREAS, pursuant to Article III of the Master Contract, the City may incur additional Parity Obligations, including pursuant to a Supplemental Contract to the Master Contract, subject to the terms and conditions set forth therein; and

WHEREAS, the City now desires to finance the costs of various additional improvements (the "2006 Project") to the Water Utility System, and in connection therewith to enter into this 2006 Supplemental Installment Purchase Contract (the "2006 Supplemental Contract") with the Authority, supplementing the Master Contract, pursuant to which the City will obligate itself to make certain payments (the "2006 Payments") to the Authority as payment of the purchase price of the 2006 Project; and

WHEREAS, pursuant to the 2006 Trust Agreement (as defined herein), the Authority has assigned to The Bank of New York Trust Company, N.A., as trustee (the "Trustee") under the 2006 Trust Agreement, certain of its rights under the 2006 Supplemental Contract, including its right to receive the 2006 Payments to be made by the City under this 2006 Supplemental Contract; and

WHEREAS, in consideration of such assignment and the execution and entering into of the 2006 Trust Agreement by the Trustee and the Authority, the Trustee has agreed to execute and deliver \$\_\_\_\_\_ Water Revenue Certificates of Participation, 2006 Series A (the "2006 Certificates"), evidencing and representing proportionate interests in the 2006 Payments payable hereunder; and

WHEREAS, the City has determined that the foregoing is necessary and proper for the City; and

WHEREAS, the City and the Authority have determined that all acts, conditions and things required by law to exist, to have happened and to have been performed precedent to and in connection with the execution and delivery of the 2006 Supplemental Contract do exist, have happened and have been performed in regular and due time, form and manner as required by law, and the parties hereto are now duly authorized to execute and enter into the 2006 Supplemental Contract;

NOW, THEREFORE, IN CONSIDERATION OF THE PREMISES AND OF THE MUTUAL AGREEMENTS AND COVENANTS CONTAINED HEREIN AND FOR OTHER VALUABLE CONSIDERATION, THE PARTIES HERETO DO HEREBY AGREE AS FOLLOWS:

## ARTICLE I

### DEFINITIONS

Section 1.01. Definitions. Except as provided in Section 1.02 hereof or unless the context otherwise requires, the terms defined in this Section shall for all purposes hereof and of any opinion or report or other document mentioned herein have the meanings defined herein, the following definitions to be equally applicable to both the singular and plural forms of any of the terms defined herein:

“Continuing Disclosure Agreement” means the Continuing Disclosure Agreement, dated November \_\_, 2006, by and between the City and the Trustee, delivered in connection with the execution and delivery of the 2006 Certificates.

“Rebate Requirement” shall have the meaning given such term in Section 2.06(b) hereof.

“Special Counsel” shall have the meaning given such term in the 2006 Trust Agreement.

“2006 Certificate Insurance Policy” means the municipal bond insurance policy issued by the 2006 Certificate Insurer guaranteeing the scheduled payment of principal of and interest evidenced and represented by the 2006 Certificates.

“2006 Certificate Insurer” means MBIA Insurance Corporation, its successors and assigns.

“2006 Certificates” means the City of Modesto Water Revenue Certificates of Participation, 2006 Series A, evidencing and representing proportionate interests of the owners thereof in the 2006 Payments to be made by the City, executed and delivered pursuant to the 2006 Trust Agreement.

“2006 Insurance Agreement” means the Insurance and Reimbursement Agreement, dated as of November 1, 2006, by and among the City, the Authority, the Trustee and the 2006 Certificate Insurer, which 2006 Insurance Agreement shall constitute a Parity Bank Agreement for purposes of the Master Contract and hereof.

“2006 Interest Rate Swap Agreement” means, collectively, the ISDA Master Agreement (Local Currency–Single Jurisdiction 1992), the U.S. Municipal Counterparty Schedule thereto, a Credit Support Annex and a Confirmation, each dated \_\_\_\_\_, 2006, between Bank of America, N.A., as a Qualified Counterparty, and the City.

“2006 Payment Date” means each Interest Payment Date and each day on which payments of principal evidenced and represented by the 2006 Certificates become due (whether at maturity or because of prepayment or acceleration).

“2006 Payments” means the Payments scheduled to be paid by the City under and pursuant to the terms hereof.

“2006 Project” means the improvements to the Water Utility System to be financed with the proceeds of the 2006 Certificates, as shown on Exhibit B hereto.

“2006 Project Account” means the account of the Improvement Fund established pursuant to Section 2.06(a) hereof.

“2006 Rebate Fund” means the City of Modesto Water Utility System 2006 Rebate Fund established pursuant to Section 2.06(b) hereof.

“2006 Supplemental Contract” means this 2006 Supplemental Installment Purchase Contract, dated as of November 1, 2006, by and between the City and the Authority, as originally executed and as it may from time to time be amended or supplemented in accordance herewith.

“2006 Supplemental Contract Payment Account” means the account by that name within the Parity Obligation Payment Fund established pursuant to Section 2.04 hereof.

“2006 Swap Insurance Policy” the interest rate swap insurance policy issued by the 2006 Certificate Insurer guaranteeing certain payments due by the City under the 2006 Interest Rate Swap Agreement.

“2006 Tax Certificate” means the Tax Certificate concerning certain matters pertaining to the use and investment of proceeds of the 2006 Certificates executed and delivered by the City on the date of initial delivery of the 2006 Certificates, including any and all exhibits attached thereto.

“2006 Trust Agreement” means that certain Trust Agreement, dated as of November 1, 2006, by and between the Authority and the Trustee, as originally executed and as it may from time to time be amended or supplemented in accordance with its terms.

Section 1.02. Clarification and Definitions in Master Contract and 2006 Trust Agreement.

(a) To cure a possible ambiguity therein, the definition of “Parity Obligations” contained in Section 1.01 of the Master Contract is hereby clarified to read as follows:

“Parity Obligations” means the payment obligations under the Treatment and Delivery Agreement which constitute debt service, the payment obligations under the CDWR Loan Agreement, and all Supplemental Contracts and all other obligations hereafter incurred by the City the payment of which constitutes a charge and lien on the Gross Revenues equal to and on a parity with the charge and lien upon the Gross Revenues for the payment of the Payments, other than (i) such portion of the payment obligations (including certain payments due upon an early termination thereof) under any Parity Payment Agreement to the extent such obligations are expressly subordinate to Parity Obligations pursuant to the terms of such Parity Payment Agreement and (ii) Parity Bank Agreements; provided that no amounts have been drawn under any such Parity Bank Agreements which have not been reimbursed by the City.

(b) Except as otherwise herein defined or unless the context otherwise requires, the terms defined in the Master Contract or the 2006 Trust Agreement shall for all purposes hereof

and of any amendment hereof or supplement hereto and of any report or other document mentioned herein have the meanings defined therein, such definitions to be equally applicable to both the singular and plural forms of any of the terms defined therein. With respect to any defined term which is given a different meaning under this 2006 Supplemental Contract than under the Master Contract or the 2006 Trust Agreement, as used herein it shall have the meaning given herein.

## ARTICLE II

### TERMS OF THE 2006 SUPPLEMENTAL CONTRACT

Section 2.01. Authority for the 2006 Supplemental Contract. The City has reviewed all proceedings heretofore taken relative to the authorization of this 2006 Supplemental Contract and has found, as a result of such review, and hereby finds and determines that all acts, conditions and things required by law to exist, happen or be performed precedent to and in connection with the execution hereof do exist, have happened and have been performed in due time, form and manner as required by law, and the City is now duly authorized, pursuant to each and every requirement of law, to execute and enter into the 2006 Supplemental Contract in the manner and form provided herein for the financing of the costs of the 2006 Project.

Section 2.02. Purpose of the 2006 Supplemental Contract. In accordance with Section 2.01 of the Master Contract, the Authority hereby agrees to finance the costs of acquisition and construction of the 2006 Project and to sell the 2006 Project to the City. The City agrees to acquire the 2006 Project from the Authority pursuant to the terms hereof, to cause the acquisition and construction of the 2006 Project as agent for the Authority in accordance with Section 2.01 of the Master Contract and in accordance with the terms hereof and of the 2006 Trust Agreement. Immediately upon completion of each separately acquirable component of the 2006 Project, all right, title and interest in and to each such component of the 2006 Project shall transfer to the City from the Authority without any further action by the City or the Authority.

Section 2.03. 2006 Supplemental Contract Payment Account. There is hereby established within the Parity Obligation Payment Fund the 2006 Supplemental Contract Payment Account. On or before the third Business Day immediately preceding each 2006 Payment Date or the date on which any net payment or insured termination payment is due under the 2006 Interest Rate Swap Agreement, the City shall, from the money in the Parity Obligation Payment Fund, deposit in the 2006 Supplemental Contract Payment Account (i) a sum equal to the amount of the interest and principal components of the 2006 Payments becoming due and payable under the 2006 Supplemental Contract on the next succeeding 2006 Payment Date and (ii) the net payments and any insured termination payment, if applicable, due under the 2006 Interest Rate Swap Agreement, except that no such deposit need be made if the amount then on deposit in the 2006 Supplemental Contract Payment Account is at least equal to the amount of the interest and principal components of the 2006 Payments becoming due and payable under the 2006 Supplemental Contract on the next succeeding 2006 Payment Date plus the net payments and any insured termination payment paid by the 2006 Certificate Insurer, if applicable, due under the 2006 Interest Rate Swap Agreements on such next succeeding due date therefor. Moneys on deposit in the 2006 Supplemental Contract Payment Account shall (i) be transferred by the City to the Trustee on the Business Day immediately preceding each 2006 Payment Date to make and satisfy the 2006 Payment due on such 2006 Payment Date and (ii) be transferred by the City on the due date therefor to satisfy the net payment and any insured termination payment paid by the 2006 Certificate Insurer, if applicable, due under the 2006 Interest Rate Swap Agreement, all in accordance with the Master Contract.

Section 2.04. Payment of 2006 Payments. The City shall, subject to any rights of prepayment provided in Section 2.05 hereof, pay the Authority as the purchase price for the 2006

Project the sum of \$ \_\_\_\_\_, without offset or deduction of any kind, by paying the principal installments of the 2006 Payments annually on October 1 in each year in accordance with Exhibit A attached hereto and incorporated herein, together with interest installments of the 2006 Payments, which interest installments shall be payable in accordance with Section 2.03 hereof in the amounts and on the 2006 Payment Dates so as to enable interest evidenced by the 2006 Certificates to be paid on a timely basis, and which interest shall constitute interest paid on the principal amount of the City's obligation hereunder.

The obligation of the City to pay the 2006 Payments is, subject to Section 7.01 of the Master Contract, absolute and unconditional, and until such time as the 2006 Payments shall have been paid in full (or provision for the payment thereof shall have been made pursuant to Article VI of the Master Contract), the City will not discontinue or suspend any 2006 Payments required to be paid by it under this Section 2.04 when due, whether or not the Water Utility System or any part thereof (including the 2006 Project) is operating or operable, or its use is suspended, interfered with, reduced, curtailed or terminated in whole or in part, and such payments shall not be subject to reduction whether by offset, abatement or otherwise and shall not be conditional upon the performance or nonperformance by any party to any agreement for any cause whatsoever.

The City shall receive a credit against its obligation to pay 2006 Payments that constitute Sinking Fund Payments under the 2006 Trust Agreement if, during the 12-month period immediately preceding the Sinking Fund Payment date with respect to such Sinking Fund Payment, the City or the Authority has deposited Term Certificates with the Trustee (together with a request of the Authority or the City to apply such Certificates so deposited to the Sinking Fund Payment due on said Sinking Fund Payment date) and the full principal amount evidenced and represented thereby has been applied to reduce said Sinking Fund Payment in accordance with Section 2.03 of the 2006 Trust Agreement.

In addition to the 2006 Payments, the City shall also pay such amounts ("Additional Payments") as shall be required for the payment of all fees and administrative costs of the Authority and the Trustee under the 2006 Trust Agreement or otherwise relating to the 2006 Certificates, including, without limitation, payments required to satisfy the Rebate Requirement, all expenses, compensation and indemnification of the Authority and the Trustee payable hereunder and under the 2006 Trust Agreement, fees of auction agents, broker-dealers, remarketing agents, auditors, accountants, attorneys or engineers, and all other necessary administrative costs of the Authority or charges required to be paid by it to comply with the terms of this 2006 Supplemental Contract, the 2006 Certificates, the 2006 Certificate Insurance Policy, and the 2006 Trust Agreement.

Section 2.05. Prepayment of 2006 Payments.

(a) The City may optionally prepay 2006 Payments as follows:

(1) The City may prepay all or a portion of the 2006 Payments in accordance with Section 6.01(c) of the Master Contract by depositing cash or Federal Securities with the Trustee subject to the terms and conditions set forth in Article IX of the 2006 Trust

Agreement, sufficient to pay the principal of, premium, if any, and interest evidenced by the 2006 Certificates to be paid or prepaid with such 2006 Payments; or

(2) The City may prepay all or a portion of the 2006 Payments from any source of available funds, on any date on which 2006 Certificates may be optionally prepaid, by paying (A) all or a portion (in an amount equal to an Authorized Denomination under the 2006 Trust Agreement), as elected by the City, of such 2006 Payments, (B) an amount equal to the accrued but unpaid interest on the 2006 Certificates to be prepaid from the proceeds of such prepaid 2006 Payments to the date of such prepayment, and (C) an amount equal to any premium to be paid upon the optional prepayment of the 2006 Certificates to be prepaid from the proceeds of such prepaid 2006 Payments.

(b) The 2006 Payments shall be subject to mandatory prepayment to the extent required to effect the mandatory prepayment of Liquidity Provider Certificates in accordance with Section 2.03(b) of the 2006 Trust Agreement.

(c) If less than all of the 2006 Payments are prepaid pursuant to this Section 2.05 then, as of the date of such prepayment pursuant to this Section, the schedule of 2006 Payments attached as Exhibit B hereto shall be recalculated by the City in order to take such prepayment into account. The City shall deliver a copy of such revised schedule to the Trustee and such revised schedule shall automatically supersede and replace the previous form of Exhibit B.

(d) Before making any prepayment pursuant to this Section, the City shall give written notice to the Authority specifying the date on which the prepayment will be paid and the order thereof, which date shall be not less than 50 days from the date such notice is given; provided, that notwithstanding any such prepayment, the City shall not be relieved of its obligations hereunder, including specifically its obligations under this article, until the 2006 Payments and all amounts due under the 2006 Insurance Agreement shall have been fully paid (or provision for payment thereof shall have been made pursuant to Article VI of the Master Contract).

#### Section 2.06. Establishment of 2006 Funds and Accounts.

(a) 2006 Project Account. There is hereby established the "2006 Project Account" within the Improvement Fund, which account the City agrees to maintain until the completion of the acquisition and construction of the 2006 Project. As provided in the Master Contract, all money in the 2006 Project Account of the Improvement Fund shall be used and withdrawn by the City to pay the costs of the acquisition and construction of the 2006 Project (or to reimburse the City for such costs) upon receipt of a Request of the City. The City shall maintain on file a record of all expenditures from the 2006 Project Account of the Improvement Fund, including appropriate Requests of the City evidencing the person to whom payment is to be made, the amount of money to be paid, the purpose for which the obligation to be paid was incurred and that such payment was a proper charge against the 2006 Project Account of the Improvement Fund and has not been the subject of a previous Request of the City. When the acquisition and construction of the 2006 Project has been completed to the satisfaction of the City, any

remaining balance in the 2006 Project Account allocable to the 2006 Project shall be transferred by the City to the Revenue Fund.

(b) 2006 Rebate Fund. The City hereby agrees to establish and maintain, so long as any 2006 Certificates remain Outstanding, a fund separate from any other fund established and maintained hereunder designated the "City of Modesto Water Utility System 2006 Rebate Fund." All amounts at any time on deposit in the 2006 Rebate Fund shall be held by the City to the extent required to satisfy the requirement to make rebate payments to the United States (the "Rebate Requirement") pursuant to Section 148 of the Code and the Treasury Regulations promulgated thereunder (the "Treasury Regulations"). Such amounts shall be free and clear of any lien under the Master Contract and the 2006 Supplemental Contract and shall be governed by this Section 2.06(b) and by the 2006 Tax Certificate.

(1) Within 60 days of the end of each Certificate Year (as such term is defined in the 2006 Tax Certificate), or such other period ending no later than 60 days after the end of the fifth Certificate Year, (i) the City shall calculate or cause to be calculated with respect to the 2006 Supplemental Contract the amount that would be considered the "rebate amount" within the meaning of Section 1.148-3 of the Treasury Regulations, using as the "computation date" for this purpose the end of such Certificate Year, and (ii) the City shall deposit to the 2006 Rebate Fund from amounts on deposit in the Revenue Fund or other amounts received by the City, if and to the extent required, amounts sufficient to cause the balance in the 2006 Rebate Fund to be equal to the "rebate amount" so calculated.

The City shall not be required to deposit any amount to the 2006 Rebate Fund in accordance with preceding sentence if the amount on deposit in the 2006 Rebate Fund prior to the deposit required to be made under this paragraph (1) equals or exceeds the "rebate amount" calculated in accordance with the preceding sentence. Such excess may be withdrawn from the 2006 Rebate Fund to the extent permitted under paragraph (2) of this Section.

The City shall not be required to calculate the "rebate amount," and shall not be required to deposit any amount to the 2006 Rebate Fund in accordance with this paragraph (1), with respect to all or a portion of the proceeds of the 2006 Certificates (including amounts treated as proceeds of the 2006 Certificates) (i) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(g) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (ii) to the extent such proceeds are subject to an election by the City under Section 148(f)(4)(C)(vii) of the Code to pay a 11/2% penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (iii) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a "bona fide debt service fund."

(2) Any funds remaining in the 2006 Rebate Fund after payment of all the 2006 Payments hereunder and any amounts described in clause (ii) of paragraph (3) of

this Section, or provision made therefor, including accrued interest, shall be transferred by the City to the Revenue Fund.

(3) Subject to the exceptions contained in paragraph (1) of this Section to the requirement to calculate the "rebate amount" and make deposits to the 2006 Rebate Fund, the City shall pay to the United States, from amounts on deposit in the 2006 Rebate Fund,

(i) not later than 60 days after the end of (A) the fifth Certificate Year, and (B) each fifth Certificate Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the "rebate amount" calculated as of the end of such Certificate Year in accordance with Section 1.148-3 of the Treasury Regulations; and

(ii) not later than 60 days after the payment of all 2006 Certificates, an amount equal to 100% of the "rebate amount" calculated as of the date of such payment (and any income attributable to the "rebate amount" determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations.

(4) Each payment required to be made pursuant to paragraph (3) of this Section shall be made to the Internal Revenue Service on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, which shall be completed by or on behalf of the City.

(5) In the event that, prior to the time any payment is required to be made from the 2006 Rebate Fund, the amount in the 2006 Rebate Fund is not sufficient to make such payment when such payment is due, the City shall calculate the amount of such deficiency and deposit an amount equal to such deficiency into the 2006 Rebate Fund prior to the time such payment is due.

(6) In the event that immediately following the calculation required by paragraph (1) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the 2006 Rebate Fund exceeds the "rebate amount" calculated in accordance with said subsection, the City shall transfer the excess from the 2006 Rebate Fund to the Revenue Fund.

(7) The City shall retain records of all determinations made hereunder until six years after the final payment or discharge of all 2006 Certificates.

(8) Notwithstanding anything in the Master Contract or the 2006 Supplemental Contract to the contrary, the Rebate Requirement shall survive the payment in full or discharge of the 2006 Certificates and the 2006 Payments.

Section 2.07. Tax Covenants. The City hereby covenants it shall not take any action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income of the portion of the 2006 Payments constituting interest under Section 103 of the Code. The City shall not, directly or indirectly, use or permit the use of proceeds of the 2006 Supplemental Contract or any of the property financed or refinanced with proceeds of the 2006 Supplemental Contract, or any portion thereof, by any person other than a

governmental unit (as such term is used in Section 141 of the Code), in such manner or to such extent as would result in the loss of exclusion from gross income for federal income tax purposes of the portion of the 2006 Payments constituting interest.

The City shall not take any action, or fail to take any action, if any such action or failure to take action would cause any obligations delivered in connection with the 2006 Supplemental Contract to be "private activity bonds" within the meaning of Section 141 of the Code, and in furtherance thereof, shall not make any use of the proceeds of the 2006 Supplemental Contract or any of the property financed or refinanced with proceeds of the 2006 Supplemental Contract, or any portion thereof, or any other funds of the City, that would cause any of the 2006 Certificates on other obligations delivered in connection with the 2006 Supplemental Contract to be "private activity bonds" within the meaning of Section 141 of the Code. To that end, so long as any 2006 Payments are unpaid, the City, with respect to such proceeds and property and such other funds, will comply with applicable requirements of the Code and all regulations of the United States Department of the Treasury issued thereunder to the extent such requirements are, at the time, applicable and in effect. The City shall establish reasonable procedures necessary to ensure continued compliance with Section 141 of the Code and the continued qualification of any obligations delivered in connection with the 2006 Supplemental Contract as "governmental bonds."

The City shall not, directly or indirectly, use or permit the use of any proceeds of the 2006 Supplemental Contract, or of any property financed or refinanced thereby, or other funds of the City, or take or omit to take any action, that would cause any obligations delivered in connection with the 2006 Supplemental Contract to be "arbitrage bonds" within the meaning of Section 148 of the Code. To that end, the City shall comply with all requirements of Section 148 of the Code and all regulations of the United States Department of the Treasury issued thereunder to the extent such requirements are, at the time, in effect and applicable to the 2006 Supplemental Contract.

The City shall not make any use of the proceeds of the 2006 Supplemental Contract or any other funds of the City, or take or omit to take any other action, that would cause the 2006 Supplemental Contract to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

In furtherance of the foregoing tax covenants, the City covenants that it will comply with the provisions of the 2006 Tax Certificate, which is incorporated herein as if fully set forth herein. These covenants shall survive payment in full or discharge of the 2006 Certificates and the 2006 Payments.

The Authority and the City covenant that, in the event of any change in the 2006 Trust Agreement, this 2006 Supplemental Contract or other relevant documents relating to the 2006 Certificates, or any other actions taken or omitted by the City or the Authority, upon the advice or with the approving opinion of Special Counsel other than Sidley Austin LLP, Special Counsel in connection with the original execution and delivery of the 2006 Certificates, the Authority and the City will, upon the making of any such change, or the taking or omission of any such other action, cause to be delivered an opinion of Special Counsel (together with a reliance letter thereon addressed to the 2006 Certificate Insurer and the Trustee) nationally recognized in the

area of municipal bonds to the effect that the portion of each 2006 Payment due under this 2006 Supplemental Contract designated as and comprising interest with respect to the 2006 Certificates is excluded from gross income for federal income tax purposes.

Section 2.08. Continuing Disclosure. The City hereby covenants and agrees that it will comply with and carry out all of its obligations under the Continuing Disclosure Agreement delivered in connection with the execution and delivery of the 2006 Certificates. Notwithstanding any other provision of the Master Contract or hereof, failure of the City to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default under the Master Contract or hereunder.

Section 2.09. Provisions Related to the 2006 Certificate Insurance Policy. For so long as, and only during such time as, the 2006 Certificate Insurance Policy is in effect and the 2005 Certificate Insurer is not in default thereunder, the following provisions shall be in effect, and any conflict between the provisions of this Section 2.09 and the provisions of any other Section hereof shall be governed by the provisions of this Section 2.09:

(a) In determining whether a payment default has occurred hereunder, or whether a 2006 Payment has been made hereunder, no effect shall be given to payments made under the 2006 Certificate Insurance Policy.

(b) Any acceleration of the unpaid 2006 Payments pursuant to Section 5.01 of the Contract or any annulment thereof shall be subject to the prior written consent of the 2006 Certificate Insurer.

(c) Neither the City nor the Authority will use the 2006 Certificate Insurer's name in any public document including, without limitation, a press release or presentation, announcement or forum without the 2006 Certificate Insurer's prior consent; provided, however, such prohibition on the use of the 2006 Certificate Insurer's name shall not relate to the use of the 2006 Certificate Insurer's standard approved form of disclosure in public documents issued in connection with the 2006 Certificates to be issued in accordance with the terms of the 2006 Certificate Insurer's commitment letter; and provided further such prohibition shall not apply to the use of the 2006 Certificate Insurer's name in order to comply with public notice, public meeting or public reporting requirements.

(d) The 2006 Certificate Insurer shall be a third-party beneficiary of this 2006 Supplemental Contract.

(e) The Authority and the City shall provide the 2006 Certificate Insurer with a copy of any notice required to be given by such party hereunder, such notice to be delivered at the address for the 2006 Certificate Insurer set forth in the 2006 Trust Agreement.

Section 2.10. 2006 Interest Rate Swap Agreement. The City and the Authority hereby agree and acknowledge that the 2006 Interest Rate Swap Agreement (excluding the obligations thereunder to post collateral under certain circumstances and to make termination payments upon any early termination event or event of default except to the extent such termination payment is insured under the terms of the 2006 Swap Insurance Policy) constitutes a Parity Payment Agreement and a Parity Obligation payable solely from and secured by a pledge of Gross

Revenues on a parity with all other existing and future Parity Obligations. The City and the Authority hereby agree and acknowledge that obligations under the 2006 Interest Rate Swap Agreement to post collateral under certain circumstances or to make termination payments upon an early termination event or event of default under the 2006 Interest Rate Swap Agreement (other than to the extent such termination payment is insured under the terms of the 2006 Swap Insurance Policy) are Subordinate Obligations payable solely from and secured by a pledge of Gross Revenues on a subordinate basis to the Parity Obligations. Amounts payable by the City as a termination payment under the 2006 Interest Rate Swap Agreement upon an event of default with respect to the City thereunder and the designation of an early termination by the 2006 Certificate Insurer pursuant to the terms of the 2006 Interest Rate Swap Agreement (which payments are insured under the terms of the 2006 Swap Insurance Policy constitute a Parity Obligation payable solely from and secured by a pledge of Gross Revenues on a parity with all other existing and future Parity Obligations. In the event any obligation of the City to post collateral or to make payments upon an early termination or event of default under the 2006 Interest Rate Swap Agreement constituting a Subordinate Obligation shall arise, the City shall establish a fund as necessary for the purpose of satisfying such obligation. As provided and on the dates under Section 2.04 of the Master Contract and Section 2.03 hereof, the City shall from the money in the Revenue Fund deposit in the 2006 Supplemental Contract Payment Account of the Parity Obligation Payment Fund a sum equal to the scheduled payments next due on the 2006 Interest Rate Swap Agreement. The City shall not be required to advance any moneys derived from any source of income other than the Gross Revenues for the payments due under the 2006 Interest Rate Swap Agreement or for the performance of any agreements or covenants required to be performed by it contained in the 2006 Interest Rate Swap Agreement. The general fund of the City is not liable, and neither the faith and credit nor the taxing power of the City is pledged, for the payments under the 2006 Interest Rate Swap Agreement.

Section 2.11. Maintaining Liquidity Facility. The City agrees that at any time when the 2006 Certificates bear interest in a Daily Mode, a Weekly Mode, a Flexible Mode or a Term Mode, it will maintain a Liquidity Facility, as required by Section 3.11 of the 2006 Trust Agreement, acceptable to the 2006 Certificate Insurer, in the Required Stated Amount or in such other amount as may be required by the 2006 Certificate Insurer and the Rating Agencies then rating the 2006 Certificates. The City shall replace such Liquidity Facility if the Liquidity Facility's rating is withdrawn, suspended or lowered below a rating that is acceptable to the 2006 Certificate Insurer. The City covenants that it will not voluntarily terminate a Liquidity Facility then in effect without either: (i) providing for an Alternate Liquidity Facility prior to the effective date of the termination; or (ii) converting the Daily Mode, Weekly Mode, Flexible Mode or Term Mode to a Fixed Rate Mode. If 2006 Certificates bearing interest in the Daily Mode, the Weekly Mode, the Flexible Mode or the Term Mode are then Outstanding, the Trustee shall not release the applicable Liquidity Facility until it has received the Alternate Liquidity Facility. The City shall give, or cause to be given pursuant to Section 3.11(c) of the 2006 Trust Agreement, written notice of its intention to terminate a Liquidity Facility and exercise its option to provide an Alternate Liquidity Facility to the Trustee and each of the other Notice Parties thirty (30) days before the proposed termination date of the Liquidity Facility and the effective date of such Alternate Liquidity Facility. The City shall provide notice of any expiration, termination, extension or substitution of the Liquidity Facility to the Rating Agencies.

## ARTICLE III

### MISCELLANEOUS

Section 3.01. Amendment of 1997 Supplemental Contract. Section 2.11(e) of the 1997 Supplemental Contract is hereby amended to read as follows:

“(e) Except for any Supplemental Contract delivered for the purpose of providing for the execution of Parity Obligations in compliance with Article III of the Contract, any amendment of or supplement to the Contract shall be subject to the prior written consent of the 1997 Certificate Insurer as if and to the extent the 1997 Certificate Insurer shall be deemed the sole Owner of the 1997 Certificates for purposes of obtaining the required consent of the Owners of the 1997 Certificates thereto pursuant to Section [4.05] of the 1997 Trust Agreement. Any rating agency rating the Certificates must receive notice of each such amendment or supplement and a copy thereof at least 15 days in advance of its execution or adoption. The 1997 Certificate Insurer shall be provided with a full transcript of all proceedings relating to the execution of any such amendment or supplement.”

Section 3.02. Terms of the 2006 Supplemental Contract Subject to the Master Contract. This 2006 Supplemental Contract constitutes a Parity Obligation and a Supplemental Contract under the Master Contract and, as such, shall be subject to the provisions of the Master Contract and shall have all of the advantages, benefits, interests and security afforded Parity Obligations and Supplemental Contracts pursuant to the Master Contract. Every term and condition contained in the Master Contract shall apply to the 2006 Supplemental Contract with the same force and effect as if the same were herein set forth at length, with such omissions, variations and modifications thereof as may be appropriate to make the same conform to the 2006 Supplemental Contract.

Section 3.03. Assignment of the 2006 Supplemental Contract. The City hereby acknowledges that the Authority, for good and valuable consideration, has transferred, assigned and sent over to the Trustee, pursuant to the provisions of the 2006 Trust Agreement, all of the 2006 Payments and any and all rights and privileges it has under the Master Contract and hereunder. The Trustee shall not assume any responsibilities for any duties or covenants or warranties of the Authority hereunder.

Section 3.04. California Law. This 2006 Supplemental Installment Purchase Contract shall be construed and governed in accordance with the laws of the State of California.

IN WITNESS WHEREOF, the parties hereto have executed and attested the 2006 Supplemental Installment Purchase Contract by their officers thereunto duly authorized as of the day and year first written above.

Pursuant to Section 2.03 of the 2006 Supplemental Contract, the 2006 Payments should be made no later than three (3) Business Days preceding the due date therefor. In addition to the foregoing principal payments, the 2006 Payments shall include interest payable on each Interest Payment Date under the 2006 Trust Agreement in an amount equal to the interest due on the 2006 Certificates on each Interest Payment Date.

## **EXHIBIT B**

### **Description of the 2006 Project**

The City of Modesto (City) is proposing to fund the costs of improvements required to be made by the City in connection with the expansion of the Modesto Regional Water Treatment Plant (MRWTP), including the construction of several new downstream water facilities, and various water distribution system improvements to the Water System to ensure the reliability of water supply to both existing and future customers. The 2006 Project will include the acquisition of land and right-of-way, and design and construction costs related to the new facilities and improvements. The facilities include the acquisition, construction and installation of three storage tanks and connecting transmission facilities, construction and improvement of transmission/distribution mains and associated pump stations, and installation of motor-operated control valves which will control the flow of treated surface water from the MRWTP to the City system. The 2006 Project facilities and improvements will help replace lost reliable groundwater production capacity, improve the City's ability to maintain desired system operational pressures during high demand periods and meet other operational criteria. These facilities will also improve system distribution capabilities to future customers.

Proceeds of the 2006 Certificates may also be used for other improvements to the Water Utility System approved by the City Council.

**EXHIBIT C**

**FORM OF 2006 PROJECT ACCOUNT REQUEST**

Request of the City  
Requisition From 2006 Project Account of the Improvement Fund

TO: City Treasurer of the City of Modesto

RE: Disbursement from the 2006 Project Account of the Improvement Fund pursuant to Section 2.06(a) of the 2006 Supplemental Installment Purchase Contract, dated as of November 1, 2006 (the "2006 Supplemental Contract"), by and between the City of Modesto (the "City"), and the Modesto Public Financing Authority (the "Authority")

REQUEST NO. \_\_\_\_\_

You are hereby instructed to pay to the parties listed on Schedule A hereto the sum listed opposite such parties names as a payment of the cost of the projects (collectively, the "2006 Project") for the items listed on the Schedule attached hereto and the expenses incidental thereto (which may include reimbursement to the City for certain of such costs or expenses) from the 2006 Project Account of the Improvement Fund as provided in Section 2.06(a) of the 2006 Supplemental Contract. This cost has been properly incurred, is a proper charge under the 2006 Supplemental Contract against payment of the costs of the 2006 Project (as defined in the 2006 Supplemental Contract) and has not been the basis of any previous disbursements. The amount remaining in the 2006 Project Account of the Improvement Fund, together with interest earnings thereon will, after payment of the amount set forth in this requisition, be sufficient to pay all remaining costs of the 2006 Project as presently estimated.

I hereby certify that:

(i) an obligation in the stated amount has been properly incurred under and pursuant to the 2006 Supplemental Contract and each such obligation is a proper charge against the Improvement Fund and has not been subject of any previous Request of the City;

(ii) there has not been filed with or served upon the City or the Authority a stop notice or any other notice of any lien, right to lien or attachment upon, or claim affecting the right to receive payment of, any of the money payable to the person named in this Request of the City which has not been released or will not be released with the payment of such obligation, other than materialmen's or mechanics' liens accruing by mere operation of laws;

(iii) in the case of each payment made under any contract for installation or construction, insofar as such obligation was incurred for work, materials, equipment or supplies, such work was actually performed or such materials, equipment or supplies were actually installed in furtherance of the 2006 Project or delivered at the site for that purpose or delivered for storage or fabrication at a place or places approved by the City;

(iv) in the case of increased costs of the 2006 Project, the amount of such increase has been made available by the City; and

(v) no event of default under the Contract has occurred and is continuing.

Very truly yours,

---

**PURCHASE CONTRACT**

\_\_\_\_\_, 2006

Modesto Public Financing Authority  
1010 10th Street  
Modesto, California 95354

City of Modesto  
1010 10th Street  
Modesto, California 95354

Ladies and Gentlemen:

Banc of America Securities LLC (the "Underwriter") offers to enter into this Purchase Contract (the "Purchase Contract") with the Modesto Public Financing Authority (the "Authority") and the City of Modesto (the "City") for the purchase by the Underwriter of the City of Modesto Water Revenue Certificates of Participation 2006 Series A (the "Certificates") that will be executed and delivered pursuant to the Trust Agreement, dated as of November 1, 2006 (the "Trust Agreement"), between the Authority and The Bank of New York Trust Company, N.A., as trustee (the "Trustee").

This offer is made subject to the Authority's and the City's acceptance by execution of this Purchase Contract and delivery of the same to the Underwriter on or before 11:59 p.m. on the date hereof, and, if not so accepted, will be subject to withdrawal by the Underwriter upon notice delivered to the Authority and the City at any time prior to such acceptance. Upon the Authority's and the City's acceptance hereof, the Purchase Contract will be binding upon the Authority, the City and the Underwriter. Capitalized terms used in this Purchase Contract and not otherwise defined herein shall have the respective meanings set forth for such terms in the Trust Agreement.

**Section 1. Purchase, Sale and Delivery.** Upon the terms and conditions and upon the basis of the representations set forth in this Purchase Contract, the Underwriter agrees to purchase, and the Authority and the City agree to cause the sale and delivery to the Underwriter, all (but not less than all) of the Certificates at a purchase price of \$\_\_\_\_\_ (being an amount equal to the principal amount of the Certificates less an underwriter's discount of \$\_\_\_\_\_.)

In connection with the execution and delivery of the Certificates, the Trustee and The Bank of New York Trust Company, N.A., as auction agent (the "Auction Agent") will enter into an Auction Agreement, dated as of November 1, 2006 (the "Auction Agreement") providing, among other things, the auction procedures the Auction Agent will follow for the purposes of determining the Auction Rate applicable to the Certificates and the Authority and the Auction Agent will enter into a Broker-Dealer Agreement, dated as of November 1, 2006 (the "Broker-Dealer Agreement") with Banc of America Securities LLC, as the broker-dealer with respect to the Certificates for the purposes of conducting each Auction. The Auction Agreement and the Broker-Dealer Agreement are referred to collectively as the "Auction Rate Agreements."

**Section 2. Terms; Authorizing Instruments; Purpose.**

(a) The Certificates will be dated their date of delivery and mature on October 1, 2036. The Certificates will initially be executed and delivered as auction rate securities and initially evidence and represent interest for the first Auction Period as shown in Exhibit A attached hereto and thereafter at the rate calculated in accordance with the Trust Agreement. The Certificates will evidence and represent the proportionate interests of the owners thereof in the 2006 Payments to be paid to the Authority by the City pursuant to the Contract.

(b) The proceeds of the sale of the Certificates will be used to (1) finance certain additional additions, betterments, extensions and improvements to the City's water system (the "Water Utility System"), (2) fund a deposit to the Parity Reserve Fund to be maintained under the Contract pursuant to the Trust Agreement, (3) capitalize interest on the Certificates and pay Broker-Dealer fees and Auction Agent fees through October 1, 2007 and (4) pay certain expenses related to the execution and delivery of the Certificates.

(c) The payment of the principal and interest evidenced by the Certificates when due will be guaranteed by a municipal bond insurance policy (the "Insurance Policy") issued by MBIA Insurance Corporation (the "Insurer") simultaneously with the delivery of the Certificates.

**Section 3. Official Statement; Continuing Disclosure.**

(a) The City has delivered the final official statement, dated \_\_\_\_\_, 2006 (as amended and supplemented from time to time pursuant to Section 5(i) or Section 6(i) of this Purchase Contract, the "Official Statement") to the Underwriter pursuant to Section 4 herein.

(b) The City has authorized the use of the Official Statement and the information contained therein by the Underwriter in connection with the public offering and the sale of the Certificates prior to the date hereof.

(c) In connection with issuance of the Certificates, and in order to assist the Underwriter with complying with the provisions of Rule 15c2-12, the City will enter into a continuing disclosure agreement countersigned by The Bank of New York Trust Company, N.A., as dissemination agent (the "Continuing Disclosure Agreement"), under which the City will undertake to provide certain financial and operating data as required by Rule 15c2-12. The form of the Continuing Disclosure Agreement is attached as an appendix to the Official Statement.

**Section 4. Agreement to Notify Underwriter Regarding Official Statement.** The City has supplied or caused to be supplied to the Underwriter the Official Statement in sufficient quantity as requested by the Underwriter to comply with Securities and Exchange Commission Rule 15c2-12(b)(4) and the rules of the Municipal Securities Rulemaking Board (the "MSRB"). The Underwriter hereby agrees that it will not send any confirmation requesting payment for the purchase of any Certificates unless the confirmation is accompanied by or preceded by the delivery of a copy of the Official Statement. The Underwriter agrees to: (i) provide the City with final pricing information on the Certificates on a timely basis prior to the Closing Date (as defined in Section 7 hereof), (ii) promptly file a copy of the Official Statement, including any supplements prepared by the City, with a nationally recognized municipal securities information repository, (iii) promptly notify the City of the end of the underwriting period (as such term is defined in Rule 15c2-12); provided, that the underwriting period will be assumed to have ended on the Closing Date unless the Underwriter shall have notified the City in writing to the contrary; and (iv) take any and all other actions necessary to comply with applicable Securities and Exchange Commission rules and MSRB rules governing the offering, sale and delivery of the Certificates to ultimate purchasers.

**Section 5. Representations, Warranties and Covenants of the City.** The City hereby represents, warrants and agrees with the Underwriter that:

(a) The City is and will be on the Closing Date a charter city and municipal corporation, organized and existing pursuant to the Constitution laws of the State of California (the "State"), with the full power and authority to execute and deliver the Official Statement, and to enter into the 2006 Supplemental Contract, the Continuing Disclosure Agreement and this Purchase Contract (collectively, the "2006 City Agreements" and, together with the Master Contract and the 1997 Supplemental Contract, the "City Agreements").

(b) The city council of the City (the "City Council") has taken official action by resolution (the "1997 City Resolution") adopted by a majority of the members of the City Council at a meeting duly called, noticed and conducted, at which a quorum was present and acting throughout, on October 21, 1997, all action necessary to be taken by it for the execution, delivery and due performance of the Master Contract and 1997 Supplemental Contract and the taking of any and all such action as may be required on the part of the City to carry out, give effect to and consummate the transactions contemplated thereby and by resolution (the "2006 City Resolution" and, together with the 1997 Resolution, the "City Resolutions") adopted by a majority of the members of the City Council at a meeting duly called, noticed and conducted, at which a quorum was present and acting throughout, on [October 10], 2006, all action necessary to be taken by it for the execution, delivery and due performance of the City Agreements and the Official Statement and the taking of any and all such action as may be required on the part of the City to carry out, give effect to and consummate the transactions contemplated thereby.

(c) The execution and delivery of the 2006 City Agreements and the Official Statement, and compliance with the provisions on the City's part contained herein and therein, will not in any material respect conflict with or constitute a breach of or default under any law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the City is a party or is otherwise subject, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien,

charge or other security interest or encumbrance of any nature whatsoever upon any of the properties or assets of the City under the terms of any such law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument, except as provided in the 2006 City Agreements.

(d) The City is not in any material respect in breach of or default under any applicable law or administrative regulation of the State or the United States of America or any applicable judgment or decree or any loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the City is a party or is otherwise subject, and no event has occurred and is continuing which, with the passage of time or the giving of notice or both, would constitute a default or an event of default under any such instrument.

(e) Except as disclosed in the Official Statement, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body pending or, to the best knowledge of the City, threatened against the City in any material respect affecting the existence of the City or the titles of its officers to their respective offices or seeking to prohibit, restrain or enjoin the sale, execution or delivery of the Certificates or the pledge of the Payments under the Contract or in any way contesting or affecting the validity or enforceability of the City Agreements or contesting the powers of the City or its authority to enter into, adopt or perform its obligations under any of the foregoing, or which would have a material adverse effect on the City's ability to perform its obligations under the City Agreements or contesting in any way the completeness or accuracy of the Official Statement, or any amendment or supplement thereto.

(f) The City will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order (i) to qualify the Certificates for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate, and (ii) to determine the eligibility of the Certificates for investment under the laws of such states and other jurisdictions, and will use its best efforts to continue such qualification in effect so long as required for distribution of the Certificates; provided, however, that in no event shall the City be required to take any action which would subject it to general or unlimited service of process in any jurisdiction in which it is not now so subject.

(g) As of the date hereof, and except for statements regarding the Insurer and DTC and excluding the information contained in the Official Statement under the captions "THE AUTHORITY" and "LITIGATION" (solely as it relates to the Authority), as to which the City does not make any representation or warranty, the Official Statement does not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(h) As of the date thereof and at all times subsequent thereto to and including the date which is 25 days following the End of the Underwriting Period (as defined in subparagraph (k) hereof) for the Certificates, and except for statements regarding the Insurer and DTC and excluding the information contained in the Official Statement under the captions "THE AUTHORITY" and "LITIGATION" (solely as it relates to the Authority), as to which the City

does not make any representation or warranty, the Official Statement did not and will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(i) If between the date hereof and the date which is 25 days after the End of the Underwriting Period for the Certificates, and except for statements regarding the Insurer and DTC and excluding the information contained in the Official Statement under the captions "THE AUTHORITY" and "LITIGATION" (solely as it relates to the Authority), as to which the City does not make any representation or warranty, an event occurs which would cause the information contained in the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, the City will notify the Underwriter, and, if in the opinion of the City, the Underwriter or their respective counsel, such event requires the preparation and publication of a supplement or amendment to the Official Statement, the City will forthwith prepare and furnish to the Underwriter (at the expense of the City) a reasonable number of copies of an amendment of or supplement to the Official Statement (in form and substance satisfactory to the Underwriter) which will amend or supplement the Official Statement so that it will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading. For the purposes of this subsection, between the date hereof and the date which is 25 days after the End of the Underwriting Period for the Certificates, the City will furnish such information with respect to itself as the Underwriter may from time to time reasonably request.

(j) If the information contained in the Official Statement is amended or supplemented pursuant to subparagraph (i) hereof, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such subparagraph) at all times subsequent thereto up to and including the date which is 25 days after the End of the Underwriting Period for the Certificates, the portions of the Official Statement so supplemented or amended (including any financial and statistical data contained therein), except for statements regarding the Insurer and DTC and excluding the information contained in the Official Statement under the captions "THE AUTHORITY" and "LITIGATION" (solely as it relates to the Authority), as to which the City does not make any representation or warranty, will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(k) As used herein and for the purposes of the foregoing, the term "End of the Underwriting Period" for the Certificates shall mean the earlier of (i) the Closing Date unless the City shall have been notified in writing to the contrary by the Underwriter on or prior to the Closing Date, or (ii) the date on which the End of the Underwriting Period for the Certificates has occurred under Rule 15c2-12; provided, however, that the City may treat as the End of the Underwriting Period for the Certificates the date specified as such in a notice from the Underwriter stating the date which is the End of the Underwriting Period.

(l) The financial statements of, and other financial information regarding, the Water Utility System contained in the Official Statement fairly present the financial position and results of the operations of the Water Utility System as of the dates and for the periods therein set forth, and, to the best of the City's knowledge, (i) the audited financial statements have been prepared in accordance with generally accepted accounting principles consistently applied, and (ii) the other financial information has been determined on a basis substantially consistent with that of the City's audited financial statements included in the Official Statement and except as disclosed in the Official Statement or otherwise disclosed in writing to the Underwriter, there has not been any materially adverse change in the financial condition of the City since June 30, 2005 and there has been no occurrence, circumstance or combination thereof which is reasonably expected to result in any such materially adverse change.

(m) Except as disclosed in the Official Statement or otherwise disclosed in writing to the Underwriter, the City has not previously failed to comply in all material respects with any undertakings under Rule 15c2-12.

**Section 6. Representations, Warranties and Covenants of the Authority.** The Authority hereby represents, warrants and agrees with the Underwriter that:

(a) The Authority is a public body corporate and politic, organized and existing pursuant to the laws of the State of California, including Section 6500 et seq. of the California Government Code, as amended, and the Joint Exercise of Powers Agreement, dated as of December 1, 1989 (the "JPA Agreement"), by and between the Authority and the Industrial Development Authority of the City of Modesto.

(b) The governing board of the Authority (the "Governing Board") has taken official action by resolution (the "1997 Authority Resolution") adopted by a majority of the members of the Governing Board at a meeting duly called, noticed and conducted, at which a quorum was present and acting throughout, on \_\_\_\_\_, 199\_, all action necessary to be taken by it for the execution, delivery and due performance of the Contract, and the taking of any and all such action as may be required on the part of the Authority to carry out, give effect to and consummate the transactions contemplated thereby and by resolution (the "2006 Authority Resolution" and, together with the 1997 Authority Resolution, the "Authority Resolutions" and, together with the City Resolutions, the "Resolutions") adopted by a majority of the members of the Governing Board at a meeting duly called, noticed and conducted, at which a quorum was present and acting throughout, on [October 10], 2006, all action necessary to be taken by it for the execution, delivery and due performance of the Trust Agreement, the Contract, the Auction Rate Agreements and this Purchase Contract (collectively, the "2006 Authority Agreements" and, together with the Master Contract and the 1997 Supplemental Contract, the "Authority Agreements") and the Official Statement and the taking of any and all such action as may be required on the part of the Authority to carry out, give effect to and consummate the transactions contemplated thereby.

(c) The execution and delivery of the 2006 Authority Agreements and the Official Statement, and compliance with the provisions on the Authority's part contained herein and therein, will not in any material respect conflict with or constitute a breach of or default under any law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note,

resolution, agreement or other instrument to which the Authority is a party or is otherwise subject, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the properties or assets of the Authority under the terms of any such law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument, except as provided in the 2006 Authority Agreements.

(d) The Authority is not in any material respect in breach of or default under any applicable law or administrative regulation of the State or the United States of America or any applicable judgment or decree or any loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Authority is a party or is otherwise subject, and no event has occurred and is continuing which, with the passage of time or the giving of notice or both, would constitute a default or an event of default under any such instrument.

(e) Except as disclosed in the Official Statement, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body pending or, to the best knowledge of the Authority, threatened against the Authority in any material respect affecting the existence of the Authority or the titles of its officers to their respective offices or seeking to prohibit, restrain or enjoin the sale, execution or delivery of the Certificates or the collection of the Payments under the Contract or in any way contesting or affecting the validity or enforceability of the Authority Agreements or contesting the powers of the Authority or its authority to enter into, adopt or perform its obligations under any of the foregoing, or which would have a material adverse effect on the Authority's ability to perform its obligations under the Authority Agreements or contesting in any way the completeness or accuracy of the Official Statement, or any amendment or supplement thereto.

(f) The Authority will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order (i) to qualify the Certificates for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate, and (ii) to determine the eligibility of the Certificates for investment under the laws of such states and other jurisdictions, and will use its best efforts to continue such qualification in effect so long as required for distribution of the Certificates; provided, however, that in no event shall the Authority be required to take any action which would subject it to general or unlimited service of process in any jurisdiction in which it is not now so subject.

(g) As of the date hereof, the information contained in the Official Statement under the captions "THE AUTHORITY" and "LITIGATION" (solely as it relates to the Authority) does not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(h) As of the date thereof and at all times subsequent thereto to and including the date which is 25 days following the End of the Underwriting Period (as defined in subparagraph (k) hereof) for the Certificates, the information contained in the Official Statement under the captions "THE AUTHORITY" and "LITIGATION" (solely as it relates to the Authority) did not and will not contain any untrue statement of a material fact or omit to state a material fact

necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(i) If between the date hereof and the date which is 25 days after the End of the Underwriting Period for the Certificates, an event occurs which would cause the information contained in the Official Statement under the captions "THE AUTHORITY" or "LITIGATION" (solely as it relates to the Authority), as then supplemented or amended, to contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, the Authority will notify the Underwriter, and, if in the opinion of the Authority, the Underwriter or their respective counsel, such event requires the preparation and publication of a supplement or amendment to the Official Statement, the Authority will forthwith prepare and furnish to the Underwriter (at the expense of the Authority) a reasonable number of copies of an amendment of or supplement to the Official Statement (in form and substance satisfactory to the Underwriter) which will amend or supplement the Official Statement so that it will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading. For the purposes of this subsection, between the date hereof and the date which is 25 days after the End of the Underwriting Period for the Certificates, the Authority will furnish such information with respect to itself as the Underwriter may from time to time reasonably request.

(j) If the information contained in the Official Statement under the captions "THE AUTHORITY" or "LITIGATION" (solely as it relates to the Authority) is amended or supplemented pursuant to subparagraph (i) hereof, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such subparagraph) at all times subsequent thereto up to and including the date which is 25 days after the End of the Underwriting Period for the Certificates, the portions of the Official Statement so supplemented or amended will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(k) As used herein and for the purposes of the foregoing, the term "End of the Underwriting Period" for the Certificates shall mean the earlier of (i) the Closing Date unless the City shall have been notified in writing to the contrary by the Underwriter on or prior to the Closing Date, or (ii) the date on which the End of the Underwriting Period for the Certificates has occurred under Rule 15c2-12; provided, however, that the City may treat as the End of the Underwriting Period for the Certificates the date specified as such in a notice from the Underwriter stating the date which is the End of the Underwriting Period.

## **Section 7. The Closing.**

(a) At 8:00 a.m., San Francisco time, on [November 2], 2006, or on such earlier or later date as we mutually agree upon (the "Closing Date"), the City will deliver or cause to be delivered to the Underwriter, at a location or locations to be designated by the Underwriter in New York, New York, the Certificates (delivered through the Trustee via the F.A.S.T. delivery book-entry system of The Depository Trust Company, New York, New York ("DTC")), duly executed, and at the offices of Sidley Austin LLP ("Special Counsel") in San Francisco,

California, or such other place as we mutually agree upon, the other documents described herein. The Underwriter shall accept such delivery and pay the purchase price of the Certificates as set forth in Section 1 of this Purchase Contract in immediately available funds to the order of the Trustee, less the premium for the Insurance Policy in the aggregate amount of \$\_\_\_\_\_, which the Underwriter will wire directly to the Insurer.

(b) The Certificates shall be issued in fully registered form and shall be prepared and delivered as one certificate for each maturity registered in the name of a nominee of DTC. It is anticipated that CUSIP identification numbers will be inserted on the Certificates, but neither the failure to provide such numbers nor any error with respect thereto shall constitute a cause for failure or refusal by the Underwriter to accept delivery of the Certificates in accordance with the terms of this Purchase Contract.

**Section 8. Conditions to Underwriter's Obligations.** The Underwriter has entered into this Purchase Contract in reliance upon the representations and warranties of the City and the Authority contained herein and to be contained in the documents and instruments to be delivered on the Closing Date, and upon the performance by the City and the Authority of their respective obligations to be performed hereunder and under such documents and instruments to be delivered at or prior to the Closing Date. The Underwriter's obligations under this Purchase Contract are and shall also be subject to the following conditions:

(a) The representations and warranties of the City and the Authority contained in this Purchase Contract shall be true and correct in all material respects on the date of this Purchase Contract and on and as of the Closing Date as if made on the Closing Date;

(b) As of the Closing Date, the Official Statement may not have been amended, modified or supplemented, except in any case as may have been agreed to by the Underwriter;

(c) (i) As of the Closing Date, the Resolutions, the City Agreements and the Authority Agreements shall be in full force and effect, and shall not have been amended, modified or supplemented, except as may have been agreed to by the Underwriter; and (ii) the City and the Authority shall perform or have performed all of their respective obligations required under or specified in the Resolutions, the City Agreements and the Authority Agreements to be performed at or prior to the Closing Date;

(d) As of the Closing Date, all necessary official action of the City and the Authority relating to the City Agreements, the Authority Agreements, the Resolutions, and the Official Statement, shall have been taken and shall be in full force and effect and shall not have been amended, modified or supplemented in any material respect;

(e) Subsequent to the date of this Purchase Contract, up to and including the Closing Date, there shall not have occurred any change in or particularly affecting the City or the Water Utility System, as these matters are described in the Official Statement, which in the reasonable professional judgment of the Underwriter materially impairs the investment quality of the Certificates;

(f) As of or prior to the Closing Date, the Underwriter shall have received each of the following documents:

(1) Certified copies of the 2006 City Resolution and the 2006 Authority Resolution.

(2) The 2006 City Agreements and 2006 Authority Agreements, each duly executed on behalf of the respective parties thereto.

(3) The Insurance Policy, together with such legal opinions and certificates as may be reasonably requested by Special Counsel, executed on behalf of the Insurer by its duly authorized officer.

(4) The Official Statement duly executed on behalf of the City and the Authority.

(5) An approving opinion of Special Counsel, dated the Closing Date, as to the validity of the Certificates and the exclusion of interest with respect to the Certificates from federal gross income and State income taxation, addressed to the City substantially in the form attached as an appendix to the Official Statement, with a reliance letter to the Underwriter.

(6) A supplemental opinion of Special Counsel, addressed to the Underwriter, to the effect that:

(i) The Certificates are not subject to registration pursuant to the registration requirements of the Securities Act of 1933, are municipal securities within the meaning of the Securities Exchange Act of 1934, as amended, and the Trust Agreement is exempt from qualification as an Trust Agreement pursuant to the Trust Indenture Act of 1939.

(ii) The Purchase Contract has been duly authorized, executed and delivered by the City and the Authority, and, assuming due authorization, execution and delivery by the other parties thereto, constitute the legal, valid and binding agreement of the City and the Authority enforceable in accordance with its terms, subject to laws relating to bankruptcy, insolvency or other laws affecting the enforcement of creditors' rights generally and the application of equitable principles if equitable remedies are sought and to the limitations on legal remedies against public agencies in the State of California; and

(iii) The statements in the Official Statement under the captions "THE 2006 CERTIFICATES" (excluding information under the sub-caption "Special Considerations for Purchasers of Auction Rate Certificates"), "SECURITY FOR THE 2006 CERTIFICATES" and "TAX MATTERS" and in APPENDIX B – "DEFINITIONS AND SUMMARY OF PRINCIPAL LEGAL DOCUMENTS," APPENDIX C – "ARS PROVISIONS" and APPENDIX D – "PROPOSED FORM OF OPINION OF SPECIAL COUNSEL" to the extent they purport to summarize certain provisions of the City Agreements, the Authority Agreements, the Certificates and the opinion of such counsel, present a fair and accurate summary of such provisions and opinion for purposes of use in the Official Statement.

(7) The opinion of the City Attorney, dated the Closing Date and addressed to the Underwriter, to the effect that (i) the City is a charter city and municipal corporation organized and existing pursuant to the Constitution and laws of the State; (ii) the City Resolutions were duly adopted at meetings of the City Council which were called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting throughout; (iii) to the best knowledge of such counsel after reasonable investigation, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened against or affecting the City, challenging the existence of the City or the titles of its officers to their respective offices or seeking to prohibit, restrain or enjoin the sale, execution or delivery of the Certificates or the pledge of the Payments under the Contract or in any way contesting or affecting the validity or enforceability of the City Agreements or contesting the powers of the City or its authority to enter into, adopt or perform its obligations under any of the foregoing, or which would have a material adverse effect on the City's ability to perform its obligations under the City Agreements or contesting in any way the completeness or accuracy of the Official Statement; (iv) the execution and delivery of the 2006 City Agreements and the Official Statement, the adoption of the City Resolutions, and compliance by the City with the provisions of the foregoing, under the circumstances contemplated thereby, do not and will not in any material respect conflict with or constitute, on the part of the City, a breach or default under any agreement or instrument to which the City is a party or by which it is bound or, to the best knowledge of such counsel, any existing law, regulation, court order or consent decree to which the City is subject; (v) the Official Statement has been duly authorized, executed and delivered, and the City Agreements have been duly authorized, executed and delivered by the City and, assuming due authorization, execution and delivery by the other parties thereto, constitute legal, valid and binding agreements of the City enforceable in accordance with their respective terms, subject to laws relating to bankruptcy, insolvency or other laws affecting the enforcement of creditors' rights generally and the application of equitable principles if equitable remedies are sought and to the limitations on legal remedies against cities in the State of California; (vi) except as described in the Official Statement, no authorization, approval, consent, or other order of the State or any other governmental authority or agency within the State having jurisdiction over the City is required for the valid authorization, execution, delivery and performance by the City of the City Agreements or for the adoption of the City Resolutions which has not been obtained; and (vii) to the best of such counsel's knowledge, the information contained in the Official Statement (except for any financial or statistical data or forecasts, estimates, projections, assumptions or expressions of opinion, and information relating to DTC, the book-entry system, the Insurer, the Insurance Policy as to which no opinion need be expressed), does not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading;

(8) The opinion of counsel to the Authority, dated the Closing Date and addressed to the Underwriter, to the effect that (i) the Authority is a joint exercise of powers authority, duly organized and existing pursuant to the JPA Agreement and the laws of the State; (ii) the Authority Resolutions were duly adopted at meetings of the Governing Board which were called and held pursuant to law and with all public notice

required by law and at which a quorum was present and acting throughout; (iii) to the best knowledge of such counsel after reasonable investigation, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened against or affecting the Authority, challenging the existence of the Authority or the titles of its officers to their respective offices or seeking to prohibit, restrain or enjoin the sale, execution or delivery of the Certificates or the collection of the Payments under the Contract or in any way contesting or affecting the validity or enforceability of the Authority Agreements or contesting the powers of the Authority or its authority to enter into, adopt or perform its obligations under any of the foregoing, or which would have a material adverse effect on the Authority's ability to perform its obligations under the Authority Agreements or contesting in any way the completeness or accuracy of the Official Statement; (iv) the execution and delivery of the 2006 Authority Agreements, the adoption of the Authority Resolutions, and compliance by the Authority with the provisions of the foregoing, under the circumstances contemplated thereby, do not and will not in any material respect conflict with or constitute, on the part of the Authority, a breach or default under the JPA Agreement or any other agreement or other instrument to which the Authority is a party or by which it is bound or, to the best knowledge of such counsel, any existing law, regulation, court order or consent decree to which the Authority is subject; (v) the Authority Agreements have been duly authorized, executed and delivered by the Authority and, assuming due authorization, execution and delivery by the other parties thereto, constitute legal, valid and binding agreements of the Authority enforceable in accordance with their respective terms, subject to laws relating to bankruptcy, insolvency or other laws affecting the enforcement of creditors' rights generally and the application of equitable principles if equitable remedies are sought and to the limitations on legal remedies against authorities in the State of California; (vi) except as described in the Official Statement, no authorization, approval, consent, or other order of the State or any other governmental authority or agency within the State having jurisdiction over the Authority is required for the valid authorization, execution, delivery and performance by the Authority of the Authority Agreements or for the adoption of the Authority Resolutions which has not been obtained; and (vii) to the best of such counsel's knowledge, the information regarding the Authority contained in the Official Statement (except for any financial or statistical data or forecasts, estimates, projections, assumptions or expressions of opinion, information relating to DTC, the book-entry system, the Insurer, the Insurance Policy as to which no opinion need be expressed) does not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading;

(9) A certificate, dated the Closing Date, signed by a duly authorized representative of the City satisfactory to the Underwriter, in form and substance satisfactory to the Underwriter, to the effect that:

(i) the representations and warranties of the City contained in Section 5 of this Purchase Contract are accurate in all material aspects, as and if made on the Closing Date;

(ii) the City Agreements have been duly executed and delivered and each constitutes a valid and legally binding obligation of the City enforceable in accordance with its terms, subject to laws relating to bankruptcy, insolvency or other laws affecting the enforcement of creditors' rights generally and the application of equitable principles if equitable remedies are sought;

(iii) the City Resolutions are in full force and effect at the Closing Date and have not been amended, modified or supplemented, except as agreed to by the City and the Underwriter;

(iv) the City has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied on or prior to the Closing Date;

(v) subsequent to the date of the Official Statement and on or prior to the date of such certificate, there has been no material adverse change in the condition (financial or otherwise) of the City or the Water Utility System, whether or not arising in the ordinary course of the operations of the City, as described in the Official Statement; and

(vi) the Official Statement does not contain any untrue or misleading statement of a material fact and does not omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they are made, not misleading.

(10) A certificate, dated the Closing Date, signed by a duly authorized representative of the Authority satisfactory to the Underwriter, in form and substance satisfactory to the Underwriter, to the effect that:

(i) the representations and warranties of the Authority contained in Section 6 of this Purchase Contract are accurate in all material aspects, as and if made on the Closing Date;

(ii) the Authority Agreements have been duly executed and delivered and each constitutes a valid and legally binding obligation of the Authority enforceable in accordance with its terms, subject to laws relating to bankruptcy, insolvency or other laws affecting the enforcement of creditors' rights generally and the application of equitable principles if equitable remedies are sought;

(iii) the Authority Resolutions are in full force and effect at the Closing Date and have not been amended, modified or supplemented, except as agreed to by the Authority and the Underwriter;

(iv) the Authority has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied on or prior to the Closing Date; and

(v) the information contained in the Official Statement under the captions "THE AUTHORITY" and "LITIGATION" (solely as it relates to the

Authority) does not contain any untrue or misleading statement of a material fact and does not omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they are made, not misleading.

(11) A certificate of an authorized officer of the Insurer, dated the Closing Date to the effect that the information relating to the Insurer, the Insurance Policy contained in the Official Statement, as of its date and as of the Closing Date, is true and correct in all material respects.

(12) The opinion, dated the Closing Date and addressed to the Underwriter and the City, of Stradling Yocca Carlson & Rauth, a Professional Corporation, disclosure counsel ("Disclosure Counsel") to the effect that:

(i) the Certificates are not subject to the registration requirements of the Securities Act of 1933, as amended, and the Trust Agreement is exempt from qualification pursuant to the Trust Indenture Act of 1939, as amended. No opinion is expressed with respect to the Insurance Policy; and

(ii) based on Disclosure Counsel's participation in conferences with representatives of the Underwriter, Orrick, Herrington & Sutcliffe LLP, as Underwriter's counsel ("Underwriter's Counsel"), the City, the City Attorney, the Authority, counsel to the Authority, Public Financial Management, Inc., as financial advisor, Special Counsel and others, during which conferences the contents of the Official Statement and related matters were discussed, and in reliance thereon and on the records, documents, certificates and opinions described therein, Disclosure Counsel advises the Underwriter and the City that, during the course of its engagement as disclosure counsel on this matter, no information came to its attention that caused it to believe that the Official Statement as of its date and as of the date of such opinion (except for any financial or statistical data or forecasts, numbers, charts, estimates, projections, assumptions or expressions of opinion, Appendices A through D and F through H or any information about book-entry, the DTC, the Insurer, the Insurance Policy included therein, as to which no opinion or view need be expressed) contained or contains any untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(13) The opinion of counsel of the Trustee, dated the Closing Date, addressed to the City and the Underwriter to the effect that:

(i) The Trustee is a national banking association duly organized, validly existing and in good standing under the laws of the United States of America, having full powers and authority and being qualified to enter into, accept and administer the trust created under the Trust Agreement and to enter into the Trust Agreement, the Continuing Disclosure Agreement and the Auction Agreement.

(ii) The performance by the Trustee of the duties required under the Trust Agreement, the Continuing Disclosure Agreement and the Auction Agreement has been duly authorized by all necessary corporate action on the part of the Trustee, and under present law do not contravene any law or government regulation or order presently binding on the Trustee or contravene any law or governmental regulation or order presently binding on the Trustee or the articles of association/articles of incorporation/charter, as applicable, or the bylaws of the Trustee or contravene any provision of or constitute a default under any indenture, trust agreement, contract or other instrument to which the Trustee is a party or by which the Trustee is bound.

(iii) The performance by the Trustee of the duties required under the Trust Agreement, the Continuing Disclosure Agreement and the Auction Agreement does not require the consent or approval of, the giving of notice to, the registration with, or the taking of any other action in respect of, any federal, state or other governmental agency or authority.

(iv) The Trust Agreement, the Continuing Disclosure Agreement and the Auction Agreement have been duly authorized, executed and delivered by the Trustee, and, assuming due authorization, execution and delivery by the other parties thereto, the Trust Agreement, the Continuing Disclosure Agreement and the Auction Agreement constitute legal, valid and binding agreements of the Trustee enforceable in accordance with their respective terms, subject to laws relating in bankruptcy, insolvency or other laws affecting the enforcement of creditors' rights generally and the application of equitable principles if equitable remedies are sought.

(v) The Trustee has duly authorized the execution and delivery of the Trust Agreement, the Continuing Disclosure Agreement and the Auction Agreement.

(vi) All approvals, consents and orders of any governmental authority or agency having jurisdiction in the matter which would constitute a condition precedent to the performance by the Trustee of its duties and obligations under the Trust Agreement, the Continuing Disclosure Agreement and the Auction Agreement have been obtained and are in full force and effect.

(14) A certificate or certificates, dated the Closing Date, in form and substance acceptable to the Underwriter, of an authorized officer of the Trustee to the effect that:

(i) The Trustee is a national banking association duly organized and validly existing under the laws of the United States of America.

(ii) The Trustee has full corporate trust powers and authority to serve as Trustee under the Trust Agreement and to perform its obligations and duties under the Trust Agreement, the Continuing Disclosure Agreement and the Auction Agreement, and the Trust Agreement, the Continuing Disclosure

Agreement and the Auction Agreement have been executed by a duly authorized officer of the Trustee.

(iii) The Certificates have been duly executed and delivered by the Trustee.

(iv) The Trustee's action in serving as Trustee under the Trust Agreement is in full compliance with, and does not conflict with, any applicable law or governmental regulation currently in effect, and does not conflict with or violate any contract to which the Trustee is a party or any administrative or judicial decision by which the Trustee is bound.

(15) An arbitrage certificate relating to the Certificates duly signed on behalf of the City.

(16) Evidence of required filings with the California Debt and Investment Advisory Commission.

(17) A copy of the executed Blanket Issuer Letter of Representations by and between the City and DTC relating to the book entry system.

(18) Evidence that insured ratings on the Certificates of "AAA" by Standard & Poor's Ratings Services ("S&P") and "Aaa" by Moody's Investors Service, Inc. ("Moody's") and underlying ratings on the Certificates of "A+" by S&P and "A2" by Moody's are in full force and effect on the Closing Date.

(19) A Certificate of the Auction Agent, dated the Closing Date, executed by an authorized representative of the Auction Agent, to the effect that: (i) the Auction Rate Agreements have been duly authorized, executed and delivered by the Auction Agent; (ii) the Auction Agent has full power and authority to carry out its obligations under the Auction Rate Agreements; and (iii) there is no action, suit, proceeding, inquiry or investigation at law or in equity before or by any court, public board or body pending or known to be threatened against or affecting the Auction Agent where an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Auction Rate Agreements;

(20) Such additional legal opinions, certificates, proceedings, instruments and other documents as the Underwriter or Special Counsel may reasonably request to evidence compliance by the City and the Authority with legal requirements, the truth and accuracy, as of the Closing Date, of the representations of the City and the Authority herein contained and of the Official Statement and the due performance or satisfaction by the City at or prior to such time of all agreements then to be performed and all conditions then to be satisfied by the City.

All of the opinions, letters, certificates, instruments and other documents mentioned in this Purchase Contract shall be deemed to be in compliance with the provisions of this Purchase Contract if, but only if, they are in form and substance satisfactory to the Underwriter. If the City or the Authority is unable to satisfy the conditions to the obligations of the Underwriter to

purchase, to accept delivery of and to pay for the Certificates contained in this Purchase Contract or if the obligations of the Underwriter to purchase, to accept delivery of and to pay for the Certificates shall be terminated for any reason permitted by this Purchase Contract, this Purchase Contract shall terminate and neither the Underwriter, the City nor the Authority shall be under further obligations hereunder, except that the respective obligations of the Authority, the City and the Underwriter set forth in Section 9 of this Purchase Contract shall continue in full force and effect.

**Section 9. Conditions to the Authority's and the City's Obligations.** The performance by the Authority and the City of their respective obligations under this Purchase Contract are conditioned upon: (i) the performance by the Underwriter of its obligations hereunder and (ii) receipt by the Authority and the City of opinions addressed to the Authority and the City, and receipt by the Underwriter of opinions addressed to the Underwriter, and the delivery of certificates being delivered on the Closing Date by persons and entities other than the City and the Authority.

**Section 10. Termination Events.** The Underwriter shall have the right to terminate the Underwriter's obligations under this Purchase Contract to purchase, to accept delivery of and to pay for the Certificates by notifying the City of its election to do so if, after the execution hereof and prior to the Closing: (1) the marketability of the Certificates or the market price thereof, in the reasonable opinion of the Underwriter, has been materially and adversely affected by any decision issued by a court of the United States (including the United States Tax Court) or of the State of California, by any ruling or regulation (final, temporary or proposed) issued by or on behalf of the Department of the Treasury of the United States, the Internal Revenue Service, or other governmental agency of the United States, or any governmental agency of the State of California, or by a tentative decision or announcement by any member of the House Ways and Means Committee, the Senate Finance Committee, or the Conference Committee with respect to contemplated legislation or by legislation enacted by, pending in, or favorably reported to either the House of Representatives or either House of the Legislature of the State of California, or formally proposed to the Congress of the United States by the President of the United States or to the Legislature of the State of California by the Governor of the State of California in an executive communication, affecting the tax status of the City or the Authority, its property or income, its obligations (including the Certificates) or the interest thereon or any tax exemption granted or authorized by the Internal Revenue Code of 1986, as amended; (2) the United States shall have become engaged in new hostilities which have resulted in a declaration of war or a national emergency, or there shall have occurred any other outbreak or escalation or re-escalation of hostilities, or a local, national or international calamity or crisis, financial or otherwise, the effect of such outbreak, calamity or crisis being such as, in the reasonable opinion of the Underwriter, would affect materially and adversely the ability of the Underwriter to market the Certificates; (3) there shall have occurred a general suspension of trading on the New York Stock Exchange or the declaration of a general banking moratorium by the United States, New York State or California State authorities; (4) a stop order, ruling, regulation or official statement by, or on behalf of, the Securities and Exchange Commission shall be issued or made to the effect that the execution and delivery of the Certificates is or would be in violation of any provision of the Securities Act of 1933, as then in effect, or of the Securities Exchange Act of 1934, as then in effect, or of the Trust Indenture Act of 1939, as then in effect; (5) legislation shall be enacted by the House of Representatives or the Senate of the Congress of the United States of America, or a

decision by a court of the United States of America shall be rendered, or a ruling or regulation by or on behalf of the Securities and Exchange Commission or other governmental agency having jurisdiction of the subject matter shall be made or proposed to the effect that the Certificates are not exempt from registration, qualification or other similar requirements of the Securities Act of 1933, as then in effect, or of the Trust Indenture Act of 1939, as then in effect; (6) in the reasonable judgment of the Underwriter, the market price of the Certificates, or the market price generally of obligations of the general character of the Certificates, might be materially and adversely affected because additional material restrictions not in force as of the date hereof shall have been imposed upon trading in securities generally by any governmental authority or by any national securities exchange; (7) the Comptroller of the Currency, The New York Stock Exchange, or other national securities exchange, or any governmental authority, shall impose, as to the Certificates or obligations of the general character of the Certificates, any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of, or financial responsibility requirements of the Underwriter; (8) a general banking moratorium shall have been established by federal, New York or State authorities; (9) any legislation, ordinance, rule or regulation shall be introduced in or be enacted by any governmental body, department or agency in the State or a decision of a court of competent jurisdiction within the State shall be rendered, which, in the reasonable opinion of the Underwriter, after consultation with the City, materially adversely affects the market price of the Certificates; (10) any federal or California court, authority or regulatory body shall take action materially and adversely affecting the collection or pledge of the Payments under the Contract; (11) any event occurring, or information becoming known which, in the reasonable opinion of the Underwriter, makes untrue in any material respect any statement or information contained in the Official Statement, or has the effect that the Official Statement contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading; or (12) the withdrawal or downgrading of the rating of the Certificates to less than "Aaa" by Moody's or less than "AAA" by S&P.

#### **Section 11. Payment of Expenses.**

(a) The Underwriter shall be under no obligation to pay, and the City shall pay the following expenses incident to the performance of the City's obligations hereunder:

- (i) the fees and disbursements of Special Counsel and Disclosure Counsel;
- (ii) the cost of printing and delivering the Certificates, the Official Statement (and any amendment or supplement prepared pursuant to Section 5 or 6 of this Purchase Contract);
- (iii) the fees and disbursements of accountants, advisers and of any other experts or consultants retained by the City;
- (iv) the premium for the Insurance Policy; and
- (v) any other expenses and costs of the City incident to the performance of its obligations in connection with the authorization, issuance and sale of the Certificates, including,

but not limited to, out of pocket expenses and regulatory expenses, and any other expenses agreed to by the parties.

(b) The Underwriter shall pay all expenses incurred by them in connection with the public offering and distribution of the Certificates including, but not limited to:

(i) all advertising expenses in connection with the offering of the Certificates;  
and

(ii) the fees and expenses of Underwriter's Counsel;

(iii) all out-of-pocket disbursements and expenses incurred by the Underwriter in connection with the offering and distribution of the Certificates, except as provided in (a) above or as otherwise agreed to by the Underwriter and the City.

**Section 12. Notices.** Any notice or other communication to be given to the City under this Purchase Contract may be given by delivering the same in writing to the City at the address set forth on the first page of this Purchase Contract, and any notice or other communication to be given to the Underwriter under this Purchase Contract may be given by delivering the same in writing to Banc of America Securities LLC, CA5-801-18-36, 600 Montgomery Street, Suite 1800, San Francisco, California 94111-2719, Attention: Scott Nagelson, Principal.

**Section 13. Survival of Representations, Warranties, Agreements.** All of the City's representations, warranties and agreements contained in this Purchase Contract shall remain operative and in full force and effect regardless of: (a) any investigations made by or on behalf of the Underwriter; or (b) delivery of and payment for the Certificates pursuant to this Purchase Contract. The agreements contained in this Section and in Section 9 shall survive any termination of this Purchase Contract.

**Section 14. Benefit; No Assignment.** This Purchase Contract is made solely for the benefit of the City, the Authority and the Underwriter (including its successors and assigns), and no other person shall acquire or have any right hereunder or by virtue hereof. The rights and obligations created by this Purchase Contract are not subject to assignment by the Underwriter, the Authority or the City without the prior written consent of the other party hereto.

**Section 15. Severability.** In the event that any provision of this Purchase Contract is held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision of this Purchase Contract.

**Section 16. Counterparts.** This Purchase Contract may be executed in any number of counterparts, all of which taken together shall constitute one agreement, and any of the parties hereto may execute the Purchase Contract by signing any such counterpart.

**Section 17. Governing Law.** The validity, interpretation and performance of this Purchase Contract shall be governed by the laws of the State of California.

**Section 18. Effectiveness.** This Purchase Contract shall become effective upon the execution of the acceptance hereof by an authorized officer of the City, and shall be valid and enforceable as of the time of such acceptance.

Very truly yours,

*In the opinion of Sidley Austin LLP, San Francisco, California, Special Counsel, based on existing statutes, regulations, rulings and judicial decisions and assuming compliance with certain covenants in the documents pertaining to the 2006 Certificates and requirements of the Internal Revenue Code of 1986, as amended, as described herein, the portion of each 2006 Payment due under the 2006 Contract designated as and comprising interest with respect to the 2006 Certificates is not includable in the gross income of the owners of the 2006 Certificates for federal income tax purposes. In the further opinion of Special Counsel, the portion of each 2006 Payment due under the 2006 Contract designated as and comprising interest with respect to the 2006 Certificates is not treated as an item of tax preference in calculating the federal alternative minimum taxable income of individuals and corporations. Such portion of each 2006 Payment, however, is included as an adjustment in the calculation of federal corporate alternative minimum taxable income and may therefore affect a corporation's alternative minimum tax liability. In the further opinion of Special Counsel, the portion of each 2006 Payment due under the 2006 Contract designated as and comprising interest with respect to the 2006 Certificates is exempt from personal income taxes imposed by the State of California. See "TAX MATTERS" herein.*

**\$46,200,000**

**CITY OF MODESTO, CALIFORNIA  
WATER REVENUE CERTIFICATES OF PARTICIPATION  
2006 SERIES A**

**Dated: Date of Delivery**

**Price: 100%**

**Due: October 1, 2036**

The 2006 Certificates are being executed and delivered pursuant to the 2006 Trust Agreement, dated as of November 1, 2006, by and between the Modesto Public Financing Authority and The Bank of New York Trust Company, N.A., as trustee, for the principal purpose of financing the acquisition, installation and construction of certain improvements to the City of Modesto's Water Utility System. The 2006 Certificates are payable solely from installment payments to be made by the City of Modesto to the Authority pursuant to the Master Installment Purchase Contract, dated as of November 1, 1997, as supplemented by the 2006 Supplemental Installment Purchase Contract, dated as of November 1, 2006, by and between the City and the Authority. The obligation of the City to make such installment payments is a special obligation of the City payable solely from Gross Revenues of its Water Utility System and certain funds and accounts created under the 2006 Trust Agreement. As described herein, those Gross Revenues are also pledged to the payment of certain other Parity Obligations of the City.

The 2006 Certificates will be initially executed and delivered as Auction Rate Securities in denominations of \$25,000 or any integral multiple thereof. The interest with respect to the 2006 Certificates will initially be evidenced at ARS Rates for generally successive 7-day Auction Periods. Each ARS Rate will, except in certain cases, be equal to the annual interest rate that results from the implementation of the ARS Provisions described in APPENDIX C hereto. At the election of the City, the Auction Period for the 2006 Certificates may be changed or the 2006 Certificates may be converted to other Interest Periods as described herein. The 2006 Certificates will be subject to mandatory tender for purchase upon a conversion to an Interest Period other than the ARS Rate Period in the manner described herein. While the 2006 Certificates evidence interest at the ARS Rate, a beneficial owner of a 2006 Certificate may sell, transfer or dispose of a 2006 Certificate only in accordance with the ARS Provisions. *This Official Statement describes the 2006 Certificates only while they evidence interest at the ARS Rate.*

The 2006 Certificates are being executed and delivered in book-entry form only and when executed and delivered will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York. Purchasers of the 2006 Certificates will not receive certificates representing their beneficial ownership in the 2006 Certificates but will receive credit balances on the books of their respective nominees. The principal of and interest evidenced by the 2006 Certificates are payable by the Trustee to Cede & Co.; and such interest and principal payments are to be disbursed to the beneficial owners of the 2006 Certificates through their nominees.

While in an ARS Rate Period, the 2006 Certificates are subject to optional prepayment and mandatory sinking fund prepayment prior to maturity as described herein. The 2006 Certificates will not be subject to optional tender, nor will they be purchased in the event Sufficient Clearing Bids do not exist in any Auction, although they will be subject to mandatory purchase upon conversion to another Interest Period, as described herein.

The scheduled payments of principal of and interest with respect to the 2006 Certificates when due will be guaranteed under an insurance policy to be issued concurrently with the delivery of the 2006 Certificates by MBIA Insurance Corporation.

[MBIA'S LOGO]

**THE OBLIGATION OF THE CITY TO PAY INSTALLMENTS OF PRINCIPAL AND INTEREST IS A SPECIAL OBLIGATION OF THE CITY PAYABLE SOLELY FROM THE GROSS REVENUES OF ITS WATER UTILITY SYSTEM LESS MAINTENANCE AND OPERATIONS COSTS THEREOF (AS DEFINED IN THE MASTER INSTALLMENT PURCHASE CONTRACT), ALL AS FURTHER DESCRIBED HEREIN. SAID OBLIGATION DOES NOT CONSTITUTE A DEBT OF THE CITY OR THE STATE OF CALIFORNIA, OR ANY POLITICAL SUBDIVISION THEREOF, WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION OR RESTRICTION. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE CITY OR THE STATE, OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE INSTALLMENT PAYMENTS OR THE INTEREST THEREON.**

*THIS COVER PAGE CONTAINS CERTAIN INFORMATION FOR GENERAL REFERENCE ONLY. IT IS NOT A SUMMARY OF THIS ISSUE. INVESTORS ARE ADVISED TO READ THE ENTIRE OFFICIAL STATEMENT TO OBTAIN INFORMATION ESSENTIAL TO THE MAKING OF AN INFORMED INVESTMENT DECISION.*

*The 2006 Certificates are offered when, as and if delivered and received by the Underwriter, subject to the approval of legality by Sidley Austin LLP, San Francisco, California, Special Counsel, and certain other conditions. Certain legal matters will be passed upon for the Underwriter by Orrick, Herrington & Sutcliffe LLP; for the City and the Authority by the City Attorney of the City and by Stradling Yocca Carlson & Rauth, a Professional Corporation, Newport Beach, California, Disclosure Counsel; for the Trustee by its General Counsel; and for the 2006 Certificate Insurer by its General Counsel. It is anticipated that the 2006 Certificates will be available for delivery to The Depository Trust Company or its agent on or about November 2, 2006.*

<i>Initial Auction Date</i>	<i>Auction Day Generally</i>	<i>Auction Period Generally</i>	<i>Initial Interest Payment Date</i>	<i>Interest Payment Day Generally</i>	<i>CUSIP<sup>†</sup></i>
_____, 2006	_____	7 Day	_____, 2006	[Thursday]	607802 ____

The 2006 Certificates will evidence interest from the date of original delivery through the Initial Auction Date set forth above at the rate established by Banc of America Securities LLC, Underwriter for the 2006 Certificates, prior to the date of delivery. Thereafter, the 2006 Certificates will evidence interest for generally successive 7-day Auction Periods, until the Auction Period is changed or the 2006 Certificates are converted to a different Interest Period as described herein. Interest will be payable on the Initial Interest Payment Date set forth above and thereafter on the day following the end of each Auction Period for the 2006 Certificates unless the Auction Period is changed to a daily Auction Period or a Special Auction Period of more than 182 days or unless a different Interest Period is applicable to the Certificates.

The Bank of New York will act as the Auction Agent and Banc of America Securities LLC will act as the Broker-Dealer for the 2006 Certificates.

All the information which the City of Modesto intends to present investors regarding the City, the Authority, and the 2006 Certificates is contained in this Official Statement. While the City maintains an internet website for various purposes, none of the information on that website is intended to assist investors in making any investment decision, or to provide any continuing information, with respect to the 2006 Certificates or any other obligations of the City. Moreover, none of the information on the website is incorporated herein by reference. No dealer, broker, salesperson or other person has been authorized by the City, the Authority, the 2006 Certificate Insurer or the Underwriter to give any information or to make any representations other than those contained in this Official Statement in connection with the offering made hereby and, if given or made, such other information or representations must not be relied upon as having been authorized by the City, the Authority, the 2006 Certificate Insurer or the Underwriter. This Official Statement does not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the 2006 Certificates by a person in any jurisdiction in which it is unlawful for such person to make such an offer, solicitation or sale.

This Official Statement is not to be construed as a contract with the purchasers of the 2006 Certificates. Statements contained in this Official Statement which involve estimates, forecasts or matters of opinion, whether or not expressly so described herein, are intended solely as such and are not to be construed as a representation of facts.

The information set forth herein has been obtained from sources which are believed to be reliable, but it is not guaranteed as to accuracy or completeness. The information and expression of opinions herein are subject to change without notice and neither delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, create any implication that there has been no change in the affairs of the City or the 2006 Certificate Insurer since the date hereof. All summaries of documents contained herein are made subject to the provisions of such documents and do not purport to be complete statements of any or all such provisions.

---

The Underwriter has provided the following sentence for inclusion in this Official Statement:

*The Underwriter has reviewed the information in this Official Statement in accordance with, and as part of, its responsibilities to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Underwriter does not guarantee the accuracy or completeness of such information.*

**CAUTIONARY INFORMATION REGARDING FORWARD-LOOKING STATEMENTS IN  
THIS OFFICIAL STATEMENT**

Certain statements included or incorporated by reference in this Official Statement constitute "Forward-Looking Statements" within the meaning of the United States Private Securities Litigation Reform Act of 1995, Section 21E of the United States Securities Exchange Act of 1934, as amended, and Section 27A of the United States Securities Act of 1933, as amended. Such statements are generally identifiable by the terminology used, such as "plan," "expect," "estimate," "budget" and other similar words and include, but are not limited to, statements that describe possible future connections to and revenues and expenses of the Water Utility System.

The achievement of certain results or other expectations contained in such forward-looking statements involves known and unknown risks, uncertainties and other factors which may cause actual results, performance or achievements described to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. While the City has agreed to provide certain on-going financial and operating data (see "CONTINUING DISCLOSURE" and APPENDIX E hereto), it does not plan to issue any updates or revisions to those forward-looking statements if or when its expectations or events, conditions or circumstances on which statements are based change.

---

THE 2006 CERTIFICATES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, IN RELIANCE UPON AN EXEMPTION CONTAINED IN SUCH ACT. THE 2006 CERTIFICATES HAVE NOT BEEN REGISTERED OR QUALIFIED UNDER THE SECURITIES LAWS OF ANY STATE.

**\$46,200,000**  
**CITY OF MODESTO, CALIFORNIA**  
**WATER REVENUE CERTIFICATES OF PARTICIPATION**  
**2006 SERIES A**

**INTRODUCTION**

**General**

This Official Statement, including the cover page and all appendices attached hereto, provides certain information concerning the City of Modesto Water Revenue Certificates of Participation, 2006 Series A (the "2006 Certificates"), evidencing and representing the proportionate interests of the Owners thereof in 2006 Payments to be made by the City of Modesto, California (the "City"). Descriptions and summaries of various documents hereinafter set forth do not purport to be comprehensive or definitive, and reference is made to each document for complete details of all terms and conditions thereof. Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to them in APPENDIX B — "DEFINITIONS AND SUMMARY OF PRINCIPAL LEGAL DOCUMENTS" or in APPENDIX C — "ARS PROVISIONS."

The 2006 Certificates are being executed and delivered primarily to finance the acquisition and construction of various additions, betterments, extensions and improvements (collectively, the "2006 Project") to the City's water system (the "Water Utility System") as further described under the caption "THE 2006 PROJECT" below. Proceeds derived from the sale of the 2006 Certificates will also be used to fund the Parity Reserve Fund, to fund interest with respect to the 2006 Certificates in an amount estimated to equal to the interest estimated to accrue through October 1, 2007, and to pay the costs of executing and delivering the 2006 Certificates and the fees of the Broker-Dealer and the Auction Agent through October 1, 2007. See "ESTIMATED SOURCES AND USES OF FUNDS."

**The 2006 Certificates**

The 2006 Certificates represent the proportionate undivided interests of the registered owners thereof (the "Owners") in installment payments (the "2006 Payments") payable by the City under the Master Installment Purchase Contract, dated as of November 1, 1997 (the "Master Contract"), by and between the City and the Modesto Public Financing Authority, a California joint exercise of powers agency (the "Authority"), as supplemented by the 1997 Supplemental Installment Purchase Contract, dated as of November 1, 1997, by and between the City and the Authority (the "1997 Contract") and by the 2006 Supplemental Installment Purchase Contract, dated as of November 1, 2006 by and between the City and the Authority (the "2006 Contract" and, collectively with the Master Contract and the 1997 Contract, the "Contract"). The 2006 Certificates are being executed and delivered pursuant to the Trust Agreement, dated as of November 1, 2006 (the "2006 Trust Agreement"), by and between the Authority and The Bank of New York Trust Company, N.A., as trustee (the "Trustee"). Pursuant to the 2006 Trust Agreement, the Authority has assigned to the Trustee for the benefit of the Owners of the 2006 Certificates substantially all its rights under the Contract, including its right to receive 2006 Payments payable under the Contract and its right to enforce payment by the City of the 2006 Payments when due.

The 2006 Certificates will be dated as of the date on which they are executed and delivered and will mature on October 1, 2036 (the "Maturity Date"). The 2006 Certificates will be initially

issued in denominations of \$25,000 and any integral multiple thereof as Auction Rate Securities ("ARS") and will initially evidence interest at ARS Rates determined in accordance with the ARS Provisions set forth in the 2006 Trust Agreement. When they evidence interest at ARS Rates, the 2006 Certificates are referred to as "ARS Certificates." See APPENDIX C — "ARS PROVISIONS." The 2006 Certificates are subject to mandatory tender for purchase upon conversion to a new Interest Period, and they are also subject to optional and mandatory prepayment prior to the Maturity Date as described herein. See "THE 2006 CERTIFICATES."

### **Security for the 2006 Certificates**

*General.* The 2006 Certificates represent the proportionate, undivided interests of the Owners in the 2006 Payments. The City is required to make the 2006 Payments pursuant to the provisions of the Contract. The 2006 Payments represent the purchase price of the improvements to the Water Utility System (the "2006 Project") which the Authority is selling to the City.

*The Master Contract.* The Master Contract establishes the terms and conditions upon which certain obligations of the City will be incurred and secured. Pursuant to the Master Contract, all Gross Revenues (as defined in the Master Contract) of the Water Utility System are pledged to the payment of the 2006 Payments, all payments required to be made under all other Parity Obligations and Maintenance and Operations Costs; and amounts on deposit in the Parity Reserve Fund are pledged to the payment of the 1997 Payments (defined below), the 2006 Payments and any other obligations hereafter issued in connection with a Supplemental Contract. The City has previously incurred, and may in the future incur, obligations payable from Gross Revenues on a parity with the 2006 Payments ("Parity Obligations") pursuant to the terms and conditions of the Master Contract. See "SECURITY FOR THE 2006 CERTIFICATES — Existing and Future Parity Obligations." To provide additional security for the 2006 Certificates and Parity Obligations, the Master Contract contains a rate covenant which requires the City to fix, prescribe, and collect certain minimum rates, fees and charges for the water service, calculated in accordance with the Master Contract. See "SECURITY FOR THE 2006 CERTIFICATES — Rate Covenant."

*The 1997 Contract.* The City has previously financed and refinanced certain improvements to its Water Utility System pursuant to the 1997 Contract, under which the City is obligated to make certain payments (the "1997 Payments") to the Authority as payment of the purchase price for those improvements. The 1997 Payments are payable from Gross Revenues on a parity with the 2006 Payments.

*The 2006 Contract.* The 2006 Contract is a Parity Obligation executed and delivered under the provisions of the Master Contract. In consideration of the Authority's agreement to finance the 2006 Project pursuant to the provisions of the 2006 Contract, the City agrees to pay to the Authority, solely from Gross Revenues, the 2006 Payments as provided in the 2006 Contract. The obligation of the City to make the 2006 Payments from Gross Revenues is absolute and unconditional; and, until such time as the 2006 Payments have been paid in full (or provision for the payment thereof shall have been made pursuant to the Master Contract), the City will not discontinue or suspend any such payments required to be made by it under the 2006 Contract when due whether or not the Water Utility System or any part thereof is operating or operable, or its use is suspended, interfered with, reduced, curtailed or terminated in whole or in part. See "SECURITY FOR THE 2006 CERTIFICATES — The 2006 Contract."

THE OBLIGATION OF THE CITY TO PAY THE 2006 PAYMENTS IS A SPECIAL OBLIGATION OF THE CITY PAYABLE SOLELY FROM GROSS REVENUES OF THE WATER UTILITY SYSTEM AND DOES NOT CONSTITUTE A DEBT OF THE CITY OR OF THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF IN CONTRAVENTION OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION OR RESTRICTION. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE CITY OR THE STATE OF CALIFORNIA, OR ANY POLITICAL SUBDIVISION, THEREOF IS PLEDGED TO THE PAYMENT OF THE 2006 PAYMENTS.

### **Certificate Insurance**

MBIA Insurance Corporation (“MBIA” or the “2006 Certificate Insurer”) has issued a commitment to issue, simultaneously with the delivery of the 2006 Certificates, a municipal bond insurance policy (the “2006 Certificate Insurance Policy”) relating to the 2006 Certificates, effective as of the date of delivery of the 2006 Certificates. By the terms of the 2006 Certificate Insurance Policy, MBIA agrees to pay the principal and interest represented by the 2006 Certificates which come due for payment but which are unpaid, to the extent that the Trustee has not received sufficient funds from the City with which to make such payment. See “CERTIFICATE INSURANCE” and APPENDIX G — “SPECIMEN CERTIFICATE INSURANCE POLICY.”

In connection with the issuance of the 2006 Certificate Insurance Policy, the City and the Trustee will enter into an agreement with MBIA (the “Insurance and Reimbursement Agreement”), and the City’s obligations thereunder will be Parity Obligations.

### **Swap Agreement**

In connection with the execution and delivery of the 2006 Certificates, the City has entered into an interest rate swap agreement in the form of an ISDA Master Agreement, the U.S. Municipal Counterparty Schedule thereto, a Credit Support Annex and a Confirmation, each dated September 27, 2006 (collectively, the “Swap Agreement”) with Bank of America, N.A. (the “Swap Provider”). The Swap Agreement will become effective on November 2, 2006 and is scheduled to expire on the Maturity Date of the 2006 Certificates; and the notional amount of the Swap Agreement is scheduled to be reduced on the same dates and in the same amounts as the principal evidenced by the 2006 Certificates is scheduled to be reduced. Pursuant to the Swap Agreement, the City will be required to make periodic payments to the Swap Provider calculated on the basis of a fixed rate of interest on an initial notional amount equal to the principal amount represented by the 2006 Certificates. In return, the Swap Provider will be required to make periodic payments to the City calculated on the basis of a variable rate of interest equal to a percentage of LIBOR on the same notional amount. The amounts payable by each party pursuant to the Swap Agreement are netted against the payments to be received by such party thereunder.

Certain of the amounts that may be payable by the City to the Swap Provider will be insured pursuant to a policy of interest rate swap insurance to be issued by MBIA pursuant to the Insurance and Reimbursement Agreement (the “Swap Policy”).

The City’s obligations under the Swap Agreement to make scheduled payments and certain termination payments (but only if such termination payments are insured pursuant to the Swap Policy) are Parity Obligations. No arrangements made in respect of the Swap Agreement will alter the City’s obligation to make the 2006 Payments.

Both the City and the Swap Provider have the right to terminate the Swap Agreement prior to its stated termination date under certain conditions. Any such termination could result in an obligation on the part of the City or the Swap Provider to make termination payments to the other party, and the amount of such termination payments could be substantial. Any obligation on the part of the City to make such a termination payment (other than a termination payment that is insured under the terms of the Swap Policy) will not be a Parity Obligation and will be subordinate to the City's liabilities with respect to Parity Obligations.

Neither the Trustee nor the Owners will have any rights under the Swap Agreement or against the Swap Provider.

The Swap Provider and Banc of America Securities LLC, the Underwriter and Broker-Dealer, are affiliates, both being subsidiaries of the Bank of America Corporation.

### **The City**

The City was incorporated in 1884, is the county seat of Stanislaus County, had an estimated population of approximately 208,107 as of January 1, 2006, and covers approximately 36 square miles. The City operates under a council-manager form of government pursuant to a charter adopted in 1963. It is located in Central California, approximately 93 miles east of San Francisco. See APPENDIX H — "CERTAIN INFORMATION ABOUT THE CITY."

### **The Water Utility System**

The Water Utility System provides potable water service to residential, commercial and industrial consumers located within the incorporated area of the City and in neighboring areas of Stanislaus County. The City owns, operates and maintains the Water Utility System, which is the sole retail provider of water service in the City. See "THE WATER UTILITY SYSTEM."

### **Tax Matters**

For description of the tax status of interest with respect to the 2006 Certificates, see "TAX MATTERS" herein and see the complete copy of the proposed form of opinion of Special Counsel set forth in APPENDIX D — "PROPOSED FORM OF OPINION OF SPECIAL COUNSEL."

### **Continuing Disclosure**

The City has agreed to provide, or cause to be provided, certain annual financial information and operating data to each nationally recognized municipal securities information repository and any public or private repository or entity designated by the State as a state repository for purposes of the Securities and Exchange Commission's Rule 15c2-12(b)(5) by no later than 270 days after the end of each Fiscal Year and, in a timely manner, notice of certain material events to said repositories or to the Municipal Securities Rulemaking Board. The City has agreed to do so in order to assist the Underwriter in complying with Rule 15c2-12(b)(5). See "CONTINUING DISCLOSURE" herein for a further discussion of the City's disclosure obligation and APPENDIX E — "FORM OF CONTINUING DISCLOSURE AGREEMENT" for the form of its Continuing Disclosure Agreement.

## THE 2006 PROJECT

The 2006 Project consists of improvements required to be made by the City in connection with the Modesto Irrigation District's expansion of the Modesto Regional Water Treatment Plant (the "Water Treatment Plant"), including the construction of several new downstream water facilities and various water distribution system improvements to insure the reliability of water supply to both existing and future customers. The 2006 Project includes the acquisition of land and rights of way as well as design and construction costs related to the new facilities and improvements. The facilities include the acquisition, construction and installation of three storage tanks and connecting transmission facilities, construction and improvement of transmission/distribution mains and associated pump stations, and installation of motor-operated control valves which will control the flow of treated surface water from the Water Treatment Plant to the City system. The 2006 Project facilities and improvements will help replace less reliable groundwater production capacity, improve the City's ability to maintain desired system operational pressures during high-demand periods and meet other operational criteria. These facilities will also improve system distribution capabilities to future customers. Proceeds of the 2006 Certificates may also be used for other improvements to the Water Utility System approved by the City Council.

The Water Treatment Plant was constructed and is owned and operated by the Modesto Irrigation District ("MID"). Pursuant to an agreement with the City (the "Treatment and Delivery Agreement"), MID has agreed to an expansion of the Water Treatment Plant, doubling its rated capacity from approximately 30 million gallons per day to approximately 60 million gallons per day. (The Water Treatment Plant has been designed to accommodate a possible further expansion subject to a future agreement between the City and MID.) In order to finance this expansion, MID is expected to issue bonds in the spring of 2007 in an amount that will yield approximately \$53,000,000 to \$60,000,000 in net proceeds.

## ESTIMATED SOURCES AND USES OF FUNDS

The table below sets forth the estimated sources and uses of the proceeds of the 2006 Certificates:

<b>Sources:</b>	
Principal Amount of the 2006 Certificates	\$ _____,000
Less: Underwriter's Discount	( _____ )
Total	<u>\$ _____</u>
<b>Uses:</b>	
Parity Reserve Fund <sup>(1)</sup>	\$ _____
2006 Capitalized Interest and Fees Subaccount <sup>(2)</sup>	_____
2006 Project Account of Improvement Fund <sup>(3)</sup>	_____
Costs of Issuance <sup>(4)</sup>	_____
Total	<u>\$ _____</u>

- <sup>(1)</sup> The Reserve Fund Requirement, which is described herein under the caption "SECURITY FOR THE 2006 CERTIFICATES — Parity Reserve Fund," will be satisfied in connection with the execution and delivery of the 2006 Certificates by the deposit of this amount together with the existing 1997 Certificate Reserve Policy.
- <sup>(2)</sup> Represents estimated interest with respect to the 2006 Certificates and Auction Agent and Broker-Dealer fees due through October 1, 2007.
- <sup>(3)</sup> A portion of the proceeds deposited to the 2006 Project Account will be used to reimburse the City for certain costs of the 2006 Project paid for by the City prior to the execution and delivery of the 2006 Certificates.
- <sup>(4)</sup> Includes the premium for the 2006 Certificate Insurance Policy, fees and expenses of Special Counsel, Disclosure Counsel, Financial Advisor, Trustee, and Auction Agent, and printing and other miscellaneous expenses.

## THE 2006 CERTIFICATES

### General

The 2006 Certificates represent the proportionate, undivided interests of the Owners in the 2006 Payments. The 2006 Certificates initially will be executed and delivered as Auction Rate Securities in the principal amount set forth on the cover page to this Official Statement. The 2006 Certificates will be dated the date of their initial execution and delivery and will mature on the Maturity Date set forth on the cover page of this Official Statement, subject to earlier prepayment. While they are in an ARS Rate Period, the 2006 Certificates will be issuable in fully registered form without coupons in denominations of \$25,000 or any integral multiple thereof. Upon delivery, the 2006 Certificates will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository for the 2006 Certificates. Ownership interests in the 2006 Certificates may be purchased in book entry form only. See "Book-Entry-Only System."

### Book-Entry-Only System

The 2006 Certificates will be executed and delivered in book-entry form only. Purchasers of the 2006 Certificates will not receive certificates representing their ownership interests in the 2006 Certificates purchased. All payments with respect to the 2006 Certificates are to be made by the Trustee directly to DTC. DTC is expected to credit such payments to the respective accounts of its Direct Participants which, in turn, are expected to make payment thereof to the purchasers of the 2006 Certificates.

As long as Cede & Co. is the registered owner of the 2006 Certificates, references herein to the Owners of the 2006 Certificates shall refer to Cede & Co. and not to the beneficial owners of the 2006 Certificates (the "Beneficial Owners"). *Neither the Authority nor the City gives any assurance that DTC, its Participants or others will distribute payments with respect to the 2006 Certificates or notices concerning the 2006 Certificates to the Beneficial Owners thereof or that DTC will otherwise serve and act in the manner described in this Official Statement.* See APPENDIX F — "INFORMATION CONCERNING DTC" for a further description of DTC and its book-entry system. The information presented therein is based solely on information provided by DTC.

The Authority may decide to discontinue the use of book-entry transfers through DTC (or a successor Securities Depository). In that event, the 2006 Certificates will be printed and delivered to the Beneficial Owners and will be governed by the provisions of the 2006 Trust Agreement with respect to the payment of principal and interest and rights of exchange and transfer.

### **Interest Rate Provisions**

Initially, the ARS Rate for the 2006 Certificates will be determined in most cases for generally successive 7-day Auction Periods through the implementation of the ARS Provisions summarized in APPENDIX C — "ARS PROVISIONS." Interest with respect to the 2006 Certificates while they are in an ARS Rate Period will be payable on the date specified for such payment on the inside front cover hereof and on the Business Day immediately following each Auction Period (generally a \_\_\_\_\_) unless the Auction Period is a daily Auction Period or a Special Auction Period of longer than 182 days. The Auction Period for the 2006 Certificates may be changed in accordance with the procedures set forth in the ARS Provisions; and, at the election of the Authority, the Interest Period for the 2006 Certificates may be changed to one that is not an ARS Rate Period.

*This Official Statement in general describes the 2006 Certificates only while the 2006 Certificates are in an ARS Rate Period. In the event the 2006 Certificates are converted to another Interest Period, the City will deliver a new offering document. Investors should not rely upon the information in this Official Statement in the event the 2006 Certificates are converted to an Interest Period other than an ARS Rate Period.*

### **ARS Provisions**

While the 2006 Certificates are in an ARS Rate Period, except as specifically otherwise provided in the 2006 Trust Agreement, the provisions of the 2006 Trust Agreement summarized in APPENDIX B — "DEFINITIONS AND SUMMARY OF PRINCIPAL LEGAL DOCUMENTS" and the ARS Provisions summarized in APPENDIX C — "ARS PROVISIONS" will govern the interest rates per annum and the payment terms of the 2006 Certificates. Banc of America Securities LLC will act as the initial broker-dealer with respect to the 2006 Certificates (in that capacity, the "Broker-Dealer"), and The Bank of New York (the "Auction Agent") will act as the initial Auction Agent.

### **ARS Rate**

While the 2006 Certificates are in an ARS Rate Period interest with respect to them will be payable at rates established pursuant to the Auction Procedures described in APPENDIX C — "ARS PROVISIONS." In general, for each Auction Period (i) if Sufficient Clearing Bids exists, the rate

applicable to the 2006 Certificates shall be the Winning Bid Rate, provided that if all of the ARS Certificates are the subject of Submitted Hold Orders, such rate shall be the All Hold Rate and (ii) if Sufficient Clearing Bids do not exist, such rate shall be the Maximum Interest Rate. In no case may the ARS Rate exceed the Maximum Interest Rate.

The Initial Period will commence on the date on which the 2006 Certificates are executed and delivered and will extend to but not include \_\_\_\_\_, 2006. Thereafter, each Auction Period shall be established pursuant to the ARS Provisions.

The first Interest Payment Date with respect to the 2006 Certificates will be the date specified as such on the inside front cover hereof. Thereafter, "Interest Payment Date" with respect to the 2006 Certificates while they are in an ARS Rate Period means (a) when used with respect to any Auction Period other than a daily Auction Period or a Special Auction Period, the Business Day immediately following such Auction Period, (b) when used with respect to a daily Auction Period, the first Business Day of the month immediately succeeding such Auction Period, (c) when used with respect to a Special Auction Period of (i) 7 or more but fewer than 183 days, the Business Day immediately following such Special Auction Period or (ii) more than 182 days, each April 1 and October 1 and the Business Day immediately following such Special Auction Period.

Interest with respect to the 2006 Certificates accruing at an ARS Rate shall be commuted on the basis of a 360-day year for the actual number of days elapsed if the Auction Period is less than 180 days and on the basis of a 360-day year composed of 12 30-day months if the Auction Period is 180 days or more.

#### **Mandatory Tender for Purchase Upon Conversion**

The interest rate applicable to the 2006 Certificates may be converted from the ARS Rate to another rate at the election of the Authority upon the satisfaction of certain conditions as set forth in the 2006 Trust Agreement. In the event of such a conversion, the 2006 Certificates will be subject to mandatory tender for purchase on the first day of a new Interest Period at a Purchase Price equal to the principal amount thereof; and the Trustee is required to give notice of such mandatory tender in the manner set forth in the 2006 Trust Agreement.

#### **Special Considerations for Purchasers of Auction Rate Securities**

Prospective purchasers of the 2006 Certificates should note the following:

During an ARS Rate Period, the 2006 Certificates will not be supported by a liquidity facility of any kind, and the Beneficial Owner of a 2006 Certificate may sell, transfer or dispose of a 2006 Certificate only pursuant to a Bid or Sell Order in accordance with the ARS Provisions or through a Broker-Dealer. The ability of a Beneficial Owner to sell his or her Certificate in any Auction is directly contingent upon the Auction Agent's receipt of sufficient bids to purchase all of the 2006 Certificates at an interest rate not in excess of the Maximum Interest Rate. Thus, if an Existing Owner were to submit a Sell Order or a Bid subject to an interest rate that is determined to be greater than the Maximum Interest Rate and Sufficient Clearing Bids are not obtained on such Auction Date, such Existing Owner may not have its 2006 Certificates purchased through the Auction Procedures on such Auction Date. In such event, no assurance can be given that a broker-dealer will purchase or will otherwise be able to locate a purchaser for such 2006 Certificates or that Sufficient Clearing Bids will be obtained on any succeeding Auction Date. The Broker-Dealer has

advised the City that it intends to make a market in the 2006 Certificates between Auctions. However, the Broker-Dealer is not obligated to make such a market; and no assurance can be given that such a secondary market for the 2006 Certificates will develop. If a Beneficial Owner places a Bid to retain 2006 Certificates at an Auction only at a specified rate and that specified rate exceeds the rate set at the Auction, he or she will not retain his or her 2006 Certificates. Moreover, if a Beneficial Owner submits a Hold Order for 2006 Certificates and the Auction establishes a below-market rate, the Beneficial Owner may receive a below-market rate of return on his or her 2006 Certificates. See APPENDIX C — “ARS PROVISIONS.”

As noted above, if there are more 2006 Certificates offered for sale than there are buyers for those Certificates in any Auction the Auction will fail and the Beneficial Owner of a 2006 Certificate may not be able to sell it at that time. The relative buying and selling interest of market participants in the 2006 Certificates and in the auction rate securities market as a whole vary over time and may be adversely affected by, among other things, news relating to the issuer of such securities, the attractiveness of alternative investments, the perceived risk of owning the security (whether related to credit, liquidity or any other risk), the tax treatment accorded the instruments, the accounting treatment accorded auction rate securities, including recent clarifications of U.S. generally accepted accounting principles relating to the treatment of ARS, reactions to regulatory actions or press reports, financial reporting cycles and market sentiment generally. Shifts of demand in response to any of factors listed above cannot be predicted and may be short-lived or exist for longer periods.

During an Auction Period in which there is no duly appointed Broker-Dealer, it will not be possible to hold Auctions, and the provisions of the 2006 Trust Agreement which are described in the next paragraph will apply. The Broker-Dealer Agreement, dated as of November 1, 2006, among the Auction Agent, the Authority and the Broker-Dealer (the “Broker-Dealer Agreement”) provides that the Auction Agent may terminate the Broker-Dealer Agreement at any time, upon the written direction of the Authority, upon 5 Business Days’ notice to the other parties. The Broker-Dealer Agreement permits the Broker-Dealer to resign at any time upon 30 days’ notice to the Authority, the Auction Agent and the Trustee, but it also permits the Broker-Dealer to suspend its duties thereunder on five Business Days’ notice if the Broker-Dealer determines in its reasonable judgment, that it is not advisable to attempt to auction the 2006 Certificates for any of the following reasons: (i) a pending or proposed change in applicable tax laws, (ii) hostilities involving the United States, (iii) a down-rating of the 2006 Certificates, or (iv) an imposition of material restrictions on the 2006 Certificates or similar obligations.

The 2006 Trust Agreement provides that in the event the Auction Agent fails to calculate or, for any reason (including, but not limited to, the lack of a duly appointed Broker-Dealer), fails to provide the Auction Rate for any Auction Period, then (i) if the preceding Auction Period was a period of 35 days or less, the new Auction Period shall be the same as the preceding Auction Period and the ARS Rate for the new Auction Period shall be the same as the ARS Rate for the preceding Auction Period, and (ii) if the preceding Auction Period was a period of greater than 35 days, the preceding Auction Period will be extended to the next seventh day following the day that would have been the last day of such Auction Period had it not been extended (or if such seventh day is not followed by a Business Day, then to the next succeeding day which is followed by a Business Day) and the ARS Rate in effect for the preceding Auction Period will continue in effect for the Auction Period as so extended. Notwithstanding the foregoing, the 2006 Trust Agreement provides that no ARS Rate shall be extended for more than 35 days and, if at the end of 35 days, the Auction Agent fails to calculate or provide the Auction Rate, the ARS Rate shall be the Maximum Interest Rate.

During an Auction Period in which there is no duly appointed Auction Agent, it will not be possible to hold Auctions, and the Auction Rate for the next Auction Period shall be the Maximum Interest Rate and the Auction Period shall be a seven-day Auction Period. Thereafter, succeeding Auction Periods shall be seven-day Auction Periods until subsequently changed in accordance with the ARS Provisions, and the Auction Rate for succeeding Auction Periods shall be determined in accordance with the ARS Provisions. See APPENDIX C — “ARS PROVISIONS.” The Auction Agreement, dated as of November 1, 2006, between the Trustee and the Auction Agent and acknowledged and agreed to by the Authority (the “Auction Agreement”), provides that the Auction Agent may resign from its duties as Auction Agent by giving (i) at least 90 days’ written notice to the Authority and the Trustee, provided that a successor Auction Agent approved by the 2006 Certificate Insurer has been appointed or (ii) at least 45 days’ notice if the Auction Agent has not been paid its fee, even if a successor Auction Agent has not been appointed. In addition, the Auction Agreement provides that the Trustee shall remove the Auction Agent at any time at the written direction of the Authority.

Ratings assigned to the 2006 Certificates do not address the likelihood that any Auction will be successful or that a Beneficial Owner will be able to sell Certificates in any Auction. However, reduction in ratings may affect the ability of any Beneficial Owner of Certificates to sell such Certificates in any Auction.

The Broker-Dealer routinely submits orders for its own account in auctions involving other auction rate securities and may do so in any particular Auction involving the 2006 Certificates. If the Broker-Dealer submits an Order for its own account in any Auction it will have an advantage over other Bidders in that it would have knowledge of other Orders placed through it in that Auction (but it would not have knowledge of Orders placed through other Broker-Dealers, if there were any). As a result of bidding by the Broker-Dealer in an Auction, the ARS Rate is likely to be higher or lower than the rate that would have prevailed had the Broker-Dealer not bid. The Broker-Dealer may bid in an Auction in order to prevent what would otherwise be a failed Auction or the implementation of an ARS Rate that the Broker-Dealer believes, in its sole judgment, does not reflect a market rate for the 2006 Certificates. However, the Broker-Dealer is not obligated to continue to place such Bids or to place such a Bid in connection with any particular Auction. A Bid by the Broker-Dealer is likely to affect the allocation of the 2006 Certificates being auctioned (including displacing other prospective Bidders); and in certain instances, this is likely to prevent the Auction Rate from becoming the Maximum Interest Rate. The Broker-Dealer may also encourage additional or revised investor bidding in order to prevent an “all-hold” Auction or an Auction clearing at a rate which the Broker-Dealer believes, in its sole judgment at the time of making its Bid, to be too low given prevailing market conditions. The Broker-Dealer may, but is not obligated to, advise Beneficial Owners of the 2006 Certificates that the rate which will apply in an “all-hold” Auction is often a lower rate than would apply if such Beneficial Owners submit Bids; and such advice, if given, may facilitate the submission of Bids by Beneficial Owners that would avoid the occurrence of an “all-hold” Auction. The Broker-Dealer may, but is not obligated to, encourage additional or revised investor bidding in order to prevent an “all-hold” Auction.

In May 2006 the Securities and Exchange Commission (the “SEC”) announced the institution of proceedings (Administrative Proceeding 33-8684) against 15 broker-dealers (including the Broker-Dealer) for engaging in one or more practices in the auction rate securities market between January 2003 and June 2004 that were not adequately disclosed to investors, which constituted violations of the securities laws. Information concerning the proceedings and the alleged violative conduct is set forth in the SEC’s Press Release No. 2006-83. While neither admitting nor denying

the findings in the SEC's order, the Broker-Dealer, along with the other firms named in the order, consented to the entry of the order which censured each firm and required each firm to (i) cease and desist from committing or causing any violations and future violations of Sections 17(a)(2) of the Securities Act; (ii) pay a penalty; (iii) provide certain disclosure of its material and current auction practices and procedures; and (iv) have its chief executive officer or general counsel certify, not later than six months after the date of the order, that it has implemented procedures that are reasonably designed to prevent and detect failures to conduct the auction process in accordance with the auction procedures disclosed in the disclosure documents and other supplemental disclosures and that the firm is in compliance with the order. The Broker-Dealer's penalty of \$750,000 (rather than the \$1,500,000 penalty assessed to other firms with relatively larger shares of the auction rate securities market) was; according to the SEC, based on the quality of the Broker-Dealer's self-monitoring capabilities in the auction rate securities area which it had demonstrated to the SEC. No assurances are given as to how the settlement might affect the market for auction rate securities in general or for the 2006 Certificates in particular.

### **Prepayment**

***Optional Prepayment.*** During an ARS Rate Period, each 2006 Certificate may be prepaid at the option of the Authority at a prepayment price equal to 100% of the principal amount thereof, without premium, on any Interest Payment Date immediately following the end of an Auction Period, provided that, in the event of a partial optional prepayment, the aggregate principal amount of the affected 2006 Certificates that will remain Outstanding after any such optional prepayment shall not be less than \$10,000,000 unless otherwise consented to by the Broker-Dealer.

***Mandatory Sinking Fund Prepayment.*** The 2006 Certificates are subject to mandatory prepayment from Sinking Fund Payments prior to the Maturity Date, in part by lot, on October 1 of each year on and after October 1, 2008, in accordance with the schedule set forth below upon notice hereinafter described, from and in the amount of the principal installment of the 2006 Payments due and payable on such dates, at a prepayment price equal to the sum of the principal amount evidenced and represented thereby plus accrued and unpaid interest evidenced and represented thereby to the Prepayment Date, without a prepayment premium; provided that, during an ARS Rate Period, if such October 1 is not an Interest Payment Date, the Prepayment Date relating to such mandatory sinking fund payment shall occur on the ARS Interest Payment Date immediately preceding such October 1. In addition, if any 2006 Certificates have been optionally prepaid, the amounts of such Sinking Fund Payments shall be reduced as directed by the Authority, or if not so directed, proportionality in increments of Authorized Denominations, by the principal amount evidenced and represented by all such 2006 Certificates so optionally prepaid.

<i>Mandatory Sinking Fund Payment Date (October 1)</i>	<i>Sinking Fund Payment</i>	<i>Mandatory Sinking Fund Payment Date (October 1)</i>	<i>Sinking Fund Payment</i>
2008	\$ 250,000	2023	\$ 2,275,000
2009	250,000	2024	2,375,000
2010	275,000	2025	2,450,000
2011	275,000	2026	2,550,000
2012	275,000	2027	2,650,000
2013	300,000	2028	2,750,000
2014	300,000	2029	2,875,000
2015	300,000	2030	2,975,000
2016	325,000	2031	3,100,000
2017	325,000	2032	3,225,000
2018	350,000	2033	3,350,000
2019	375,000	2034	3,475,000
2020	375,000	2035	3,625,000
2021	375,000	2036 (maturity)	3,775,000
2022	400,000		

**Notice of Prepayment.** When the prepayment of 2006 Certificates is authorized as described above, the Trustee is required to give notice thereof. Such notice must state the date of such notice, the prepayment price, the place of prepayment (including the name and appropriate address of the Trustee), the CUSIP number (if any) of the 2006 Certificates to be prepaid, and, if less than all of the 2006 Certificates are to be prepaid, the distinctive certificate numbers thereof to be prepaid and, in the case of 2006 Certificates to be prepaid in part only, the respective portions of the principal amount evidenced and represented thereby to be prepaid. Each such notice shall also state that on said date there will become due and payable on each of said 2006 Certificates the prepayment price thereof and, in the case of a 2006 Certificate to be prepaid in part only, the specified portion of the principal amount evidenced and represented thereby to be prepaid, together with accrued and unpaid interest evidenced and represented thereby to the prepayment date, and that from and after such prepayment date interest evidenced and represented thereby shall cease to accrue; and such notice shall require that said 2006 Certificates be then surrendered at the address of the Trustee specified in the prepayment notice.

Such notice must be mailed by the Trustee, at least 30 but not more 60 days before the date fixed for prepayment to the respective Owners of the 2006 Certificates designated for prepayment at their addresses appearing on the registration books of the Trustee. Such notice is also required to be provided to Securities Depositories and Information Services. Failure to receive such notice shall not invalidate any of the proceedings taken in connection with such prepayment.

Any prepayment may be cancelled if the notice of such prepayment has not been mailed to the respective Owners of the 2006 Certificates or if such notice expressly conditioned the prepayment upon the occurrence of one or more events. Notice of any such cancellation shall be given in the same manner as the notice of prepayment was given at least 3 Business Days prior to the date scheduled for prepayment.

**Effect of Prepayment.** If notice of prepayment has been duly given as described above and money for the payment of the prepayment price of the 2006 Certificates called for prepayment

together with any accrued interest to the date fixed for prepayment is held by the Trustee, then on the prepayment date designated in such notice, the 2006 Certificates so called for prepayment will become due and payable on the date fixed for prepayment at the prepayment price specified in such notice; and from and after the date so designated, interest evidenced and represented by such 2006 Certificates so called for prepayment shall cease to accrue, such 2006 Certificates shall cease to be entitled to any lien, benefit or security under the 2006 Trust Agreement, and the Owners of such 2006 Certificates shall have no rights in respect thereof except to receive payment of the prepayment price thereof.

### **Purchase in Lieu of Prepayment**

Subject to the provisions of the 2006 Trust Agreement, the Authority has the option to purchase any 2006 Certificate on any date on which it would be subject to optional prepayment at a purchase price equal to the then applicable prepayment price plus accrued interest thereon to the date of purchase.

### **Parity Obligations**

The City has previously incurred obligations payable from Gross Revenues of its Water Utility System on a parity with the 2006 Payments; and, under the terms of the Master Contract, the City may incur additional such obligations in the future. In addition to the 1997 Payments and its obligation to make the scheduled payments required pursuant to the Swap Agreement, its obligation to make termination payments under the Swap Agreement (but only if such payments are insured under the Swap Policy) and its obligations under the Insurance and Reimbursement Agreement, the City currently has outstanding unpaid Parity Obligations with MID and the State of California Department of Water Resources ("CDWR"). See "SECURITY FOR THE 2006 CERTIFICATES — Existing and Future Parity Obligations."

## **SECURITY FOR THE 2006 CERTIFICATES**

### **General**

Each 2006 Certificate represents a proportionate, undivided interest in the 2006 Payments to be made by the City under the 2006 Contract. Pursuant to the 2006 Trust Agreement, the Authority has assigned substantially all of its right, title and interest in the 2006 Contract to the Trustee for the benefit of the Owners of the 2006 Certificates. The rights so assigned include the Authority's right to receive the 2006 Payments and its right to exercise any remedies provided in the 2006 Contract in the event of a default by the City thereunder.

Pursuant to the 2006 Contract, the City will purchase the 2006 Project from the Authority at the purchase price specified in the 2006 Contract, which is equal to the aggregate principal amount evidenced by the 2006 Certificates. The City is obligated to make such purchase by paying the 2006 Payments specified in the 2006 Contract including the interest on such payments.

### **2006 Payments**

Pursuant to the 2006 Trust Agreement, the Authority transfers, assigns and sets over to the Trustee all of the 2006 Payments and any and all rights and privileges it has under the 2006 Contract

with respect to the 2006 Certificates, including, without limitation, the right to collect and receive directly all of the 2006 Payments and the right to hold and enforce any security interest.

The 2006 Payments under the 2006 Contract represent the purchase price of the 2006 Project, which the City is transferring to the Authority and the Authority in turn is selling to the City pursuant to the 2006 Contract for the purpose of financing the 2006 Project. The obligation of the City to pay the 2006 Payments from Gross Revenues is absolute and unconditional; and, until such time as the 2006 Payments shall have been paid in full (or provision for the payment thereof shall have been made pursuant to the Master Contract), the City will not discontinue or suspend any 2006 Payments required to be paid by it under the 2006 Contract when due, whether or not the Water Utility System or any part thereof (including the 2006 Project) is operating or operable, or its use is suspended, interfered with, reduced, curtailed or terminated in whole or in part; and such payments are not subject to reduction whether by offset, abatement or otherwise and are not conditional upon the performance or nonperformance by any party to any agreement for any cause whatsoever. Notwithstanding anything contained in the Contract, however, the City is not required to advance any moneys derived from any source of income other than the Gross Revenues for the payment of the 2006 Payments or for the performance of any agreements or covenants required to be performed by it contained in the Contract.

As more fully described below, under the Contract, Gross Revenues of the Water Utility System are pledged as security for the payment of the 1997 Payments, the 2006 Payments, any other Parity Obligations and the Maintenance and Operation Costs, as defined below.

“Water Utility System” is defined under the Master Contract to mean (i) all property rights, contractual rights and facilities of the City relating to water, including all facilities, properties, structures or works for the treatment, conservation, storage, transmission and distribution of water now owned by the City and (ii) all additions, betterments, extensions or improvements to such facilities, properties, structures or works or any part thereof hereafter acquired and constructed.

“Gross Revenues” is defined under the Master Contract to mean all gross income and revenue received or receivable by the City from the ownership or operation of the Water Utility System, determined in accordance with Generally Accepted Accounting Principles, including all rates, fees and charges (including all Connection Fees, contributions in aid of construction, and charges and standby water availability charges legally available for debt service) received by the City for the Water Service and the other services and facilities of the Water Utility System and all net proceeds of insurance covering business interruption loss relating to the Water Utility System and all other income and revenue howsoever derived by the City from the ownership or operation of the Water Utility System or arising from the Water Utility System, and including all Payment Agreement Receipts, and including all income from the deposit or investment of any money in the Revenue Fund or, to the extent deposited in the Revenue Fund, in the Parity Reserve Fund, but excluding in all cases any proceeds of taxes and any refundable deposits made to establish credit and advances.

“Maintenance and Operation Costs” is defined under the Master Contract to mean the costs paid or incurred by the City for maintaining and operating the Water Utility System, determined in accordance with Generally Accepted Accounting Principles, including, but not limited to, (a) all reasonable expenses of management and repair and other expenses necessary to maintain and preserve the Water Utility System in good repair and working order, (b) all costs of water purchased by the City including all costs under the Treatment and Delivery Agreement by and among the City, the Del Este Water Company and MID (which has since been amended and restated) which do not

constitute debt service thereunder, (c) all administrative costs of the City that are charged directly or apportioned to the operation of the Water Utility System, such as salaries and wages of employees, overhead, taxes (if any) and insurance premiums, payments into pension funds, and (d) all other reasonable and necessary costs of the City or charges required to be paid by it to comply with the terms of the Master Contract or of any resolution authorizing the execution of any Parity Obligation or of such Parity Obligation, such as compensation, reimbursement and indemnification of the trustee or remarketing agent for any such Parity Obligation, letter of credit fees for any such Parity Obligations, and fees and expenses of Independent Certified Public Accountants and Independent Consultants, but excluding in all cases (1) depreciation, replacement and obsolescence charges or reserves therefor and amortization of intangibles, premiums and discounts, (2) interest expense, (3) amounts paid from funds of the City other than Gross Revenues, and (4) in-lieu transfers or recoupment of contributed capital to the City's general fund.

### **Pledge of Gross Revenues**

Pursuant to the Contract, all Gross Revenues of the Water Utility System are irrevocably pledged to the payment of the 1997 Payments, the 2006 Payments, any other Parity Obligations and the Maintenance and Operation Costs; and the Gross Revenues of the Water Utility System may not be used for any other purpose while any of the 1997 Payments or the 2006 Payments remain unpaid; provided, however, that out of Gross Revenues there may be apportioned such sums for such purposes as are expressly permitted by the Contract. Such pledge constitutes a first pledge of and charge and lien upon the Gross Revenues of the Water Utility System for the payment of the amounts due with respect to the Contract, other Parity Obligations and the Maintenance and Operation Costs in accordance with the terms of the Contract.

### **Rate Covenant**

Pursuant to the Master Contract, the City covenants that it will at all times fix, prescribe and collect rates, fees and charges for the Water Service during each Fiscal Year which are reasonably fair and nondiscriminatory and which will be at least sufficient to yield Adjusted Annual Net Revenues for such Fiscal Year equal to at least 125% of Annual Debt Service to be paid during such Fiscal Year (the "Rate Covenant").

"Adjusted Annual Net Revenues" is defined under the Master Contract to mean, for any Fiscal Year or any designated 12-month period in question, the Adjusted Annual Gross Revenues during such Fiscal Year or 12-month period less the Maintenance and Operation Costs during such Fiscal Year or 12-month period.

"Adjusted Annual Gross Revenues" is defined under the Master Contract to mean, for any Fiscal Year or any designated 12-month period in question, the Gross Revenues during such Fiscal Year or 12-month period, plus deposits to the City of Modesto Water Utility System Revenue Fund (the "Revenue Fund") from amounts on deposit in the Rate Stabilization Fund, but only as and to the extent specified in the Master Contract, minus (y) amounts transferred from the Revenue Fund to the Rate Stabilization Fund in accordance with the Master Contract and, (z) for purposes of determining compliance with the rate covenant described above only, earnings from the investments in the Parity Reserve Fund that are deposited in the Revenue Fund in such Fiscal Year or 12-month period.

"Adjusted Annual Debt Service" is defined under the Master Contract to mean, for any Fiscal Year or any designated 12-month period in question, the Annual Debt Service for such Fiscal Year or

12-month period minus the sum of (i) for purposes of the rate covenant described above only, the earnings from the investments in the Parity Reserve Fund that are deposited in the Revenue Fund in such Fiscal Year or 12-month period, and (ii) the amount of the Annual Debt Service paid from the proceeds of Parity Obligations or interest earned thereon (other from the Parity Reserve Fund), all as set forth in a Certificate of the City.

“Annual Debt Service” is generally defined under the Master Contract to mean, for any Fiscal Year or any designated 12-month period in question, the payments required to be made with respect to all Outstanding Parity Obligations in such Fiscal Year or 12-month period; provided, that for purposes of determining compliance with the rate covenant described above, the Reserve Fund Requirement and conditions for the execution of Parity Obligations, certain additional provisions are applicable as described in APPENDIX B — “DEFINITIONS AND SUMMARY OF PRINCIPAL LEGAL DOCUMENTS.”

The City’s ability to comply with the Rate Covenant may be limited by provisions of the California Constitution. See “THE WATER UTILITY SYSTEM — Impact of Proposition 218 on Water Utility System Fees and Charges.” The opinion of Sidley Austin LLP, Special Counsel, with respect to the 2006 Certificates will state that the enforceability of the Contract is subject to the limitations on the imposition by the City of certain fees and charges relating to the Water Utility System under Articles XIII C and XIII D of the California Constitution. See APPENDIX D — “PROPOSED FORM OF OPINION OF SPECIAL COUNSEL.” The City’s ability to comply with the Rate Covenant may also be adversely affected by other factors. See “RISK FACTORS.”

### **Parity Reserve Fund**

The Parity Reserve Fund was initially established pursuant to a trust agreement, dated as of November 1, 1997 (the “1997 Trust Agreement”), which provided for the execution and delivery of the City’s Refunding Revenue Certificates of Participation (1997 Water Utility System Refinancing Project) (the “1997 Certificates”). The 1997 Certificates represent the proportionate, undivided interests in the 1997 Payments pursuant to the 1997 Contract. All amounts on deposit in the Parity Reserve Fund are available to be transferred to pay principal and interest evidenced and represented by both the 1997 Certificates and the 2006 Certificates and any other obligations in connection with a future supplement to the Contract (collectively, the “Parity Certificates”) as described in greater detail below.

In connection with the execution and delivery of the 1997 Certificates, the City caused to be delivered to the then Trustee to be held in the Parity Reserve Fund in satisfaction of the Reserve Fund Requirement a municipal bond debt service reserve fund policy (the “1997 Certificate Reserve Policy”) issued by Financial Guaranty Insurance Company, doing business in California as FGIC Insurance Company (“FGIC”). The 1997 Certificate Reserve Policy unconditionally guarantees the payment of that portion of the principal and interest represented by the Parity Certificates which has become due for payment, but which is unpaid by reason of nonpayment by the City, provided that the aggregate amount paid under the 1997 Certificate Reserve Policy may not exceed the maximum amount then available thereunder (currently, \$1,935,855). FGIC is required to make such payments to the Trustee on the later of the date on which such principal and interest is due or on the business day next following the day on which FGIC shall have received telephonic or telegraphic notice, subsequently confirmed in writing, or written notice by registered or certified mail from the Trustee of the nonpayment of such amount by the City. The term “nonpayment” in this context includes any payment of principal or interest made to an owner of a Parity Certificate which has been recovered

from such owner pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final nonappealable order of a court having competent jurisdiction. The 1997 Certificate Reserve Policy is non-cancellable and covers failure to pay principal represented by the Parity Certificates on their respective stated payment dates or dates on which the same shall have been called for mandatory sinking fund prepayment, and not on any other date on which Parity Certificates may have been accelerated, and also covers the failure to pay an installment of interest on the stated date for its payment. Additional information with respect to the 1997 Certificate Reserve Policy is available in the Official Statement relating to the 1997 Certificates (the "1997 Official Statement").

FGIC, a New York stock insurance corporation, is a direct, wholly owned subsidiary of FGIC Corporation, a Delaware corporation. Information with respect to FGIC is available from the company at 125 Park Avenue, New York, New York 10017, Attention: Corporate Communications Department. FGIC's telephone number is (212) 312-3000.

Pursuant to the 2006 Trust Agreement, the Trustee will maintain the Parity Reserve Fund so long as the Contract has not been discharged or any 2006 Certificates remain Outstanding. A portion of the proceeds of the 2006 Certificates in an amount sufficient to cause the balance on deposit in the Parity Reserve Fund to equal the Reserve Fund Requirement will be deposited in the Parity Reserve Fund.

"Reserve Fund Requirement" is defined under the Master Contract to mean, as of any date of determination and excluding any Parity Obligations which are not Supplemental Contracts and the debt service thereon, the least of (a) 10% of the initial offering price to the public of the Parity Obligations as determined under the Code, or (b) the Maximum Annual Debt Service, or (c) 125% of the Average Annual Debt Service, all as computed and determined by the City and specified in writing to the Trustee; provided, that such requirement (or any portion thereof) may be provided by one or more policies of municipal bond insurance or surety bonds issued by a municipal bond insurer or by a letter of credit issued by a bank or other institution if the obligations insured by such insurer or issued by such bank or other institution, as the case may be, have ratings at the time of issuance of such policy or surety bond or letter of credit equal to "Aa" or higher assigned by Moody's (if Moody's is then rating any of the Parity Obligations) and "AA" or higher assigned by S&P (if S&P is then rating any of the Parity Obligations) and that maintain at all times ratings at least equal to the lowest ratings (without giving effect to municipal bond insurance or other credit enhancement) on any of the Parity Obligations provided by Moody's (if Moody's is then rating any of the Parity Obligations) and by S&P (if S&P is then rating any of the Parity Obligations) (all such instruments collectively, "Reserve Funding Instruments"). If at any time, obligations insured by any such municipal bond insurer issuing a policy of municipal bond insurance or surety bond or a bank or other institution issuing a letter of credit as permitted by the definition of Reserve Fund Requirement shall no longer maintain such ratings as required in accordance with the immediately preceding sentence, the City shall provide or cause to be provided cash or a substitute municipal bond insurance policy or surety bond or a letter of credit meeting such requirements.

Pursuant to the 2006 Trust Agreement, the Trustee is to (i) withdraw and use all cash, if any, on deposit in the Parity Reserve Fund prior to using and withdrawing any amounts derived from payments under any Reserve Funding Instruments and (ii) draw on all Reserve Funding Instruments on a pro rata basis, based on the draw limit of each Reserve Funding Instrument. Amounts received by the Trustee from the City pursuant to the Master Contract as a replenishment of amounts

withdrawn from the Parity Reserve Fund shall be applied first on a pro rata basis to reimburse draws on Reserve Funding Instruments and then to replenish cash withdrawn from the Parity Reserve Fund.

The 1997 Certificate Reserve Policy is scheduled to terminate on October 1, 2022, which is the final payment date with respect to the 1997 Certificates. Subsequent to October 1, 2022, the Annual Debt Service with respect to the 2006 Certificates is scheduled to increase substantially. As a result thereof, in the absence of additional deposits to the Parity Reserve Fund the balance then on deposit in the Parity Reserve Fund will be less than the Reserve Fund Requirement; and the Authority will be required to immediately deposit or cause to be deposited with the Trustee for deposit in the Parity Reserve Fund cash or one or more Reserve Funding Instruments in an aggregate amount equal to the amount necessary to restore the Parity Reserve Fund to an amount equal to the Reserve Fund Requirement.

Moneys on deposit in the Parity Reserve Fund will be transferred by the Trustee to the debt service fund established pursuant to the 1997 Trust Agreement and/or to the 2006 Debt Service Fund established pursuant to the 2006 Trust Agreement to pay principal and interest evidenced and represented by the 1997 Certificates and by the 2006 Certificates, respectively, on any date on which interest is payable with respect thereto in the event amounts on deposit in the applicable debt service fund are insufficient for such purposes. The Trustee will also, from such amounts on deposit in the Parity Reserve Fund, transfer or cause to be transferred to any applicable debt service fund established under any other trust agreement under which any obligations are issued in connection with a Supplemental Contract, without preference or priority between transfers made pursuant to this sentence and the preceding sentence, and in the event of any insufficiency of such moneys ratably without discrimination or preference, that sum or sums, if any, equal to the amount required to be deposited therein pursuant to such trust agreement under which any obligations are issued in connection with a Supplemental Contract. Following the valuation of investments in the Parity Reserve Fund on or before each October 1, all moneys on deposit in the Parity Reserve Fund in excess of the Reserve Fund Requirement will be transferred by the Trustee to the City for deposit in the Revenue Fund. However, prior to the completion of the 2006 Project (which completion shall be evidenced by delivery to the Trustee of a Certificate of the City to such effect), investment earnings on amounts deposited to the Parity Reserve Fund from proceeds of the 2006 Certificates are required to be transferred to the City for deposit in the 2006 Project Account of the Improvement Fund established pursuant to the 2006 Contract.

#### **Flow of Funds**

***Contract Provisions.*** The City agrees and covenants in the Contract that all Gross Revenues it receives will be deposited when and as received in the Revenue Fund, which the City established under the Master Contract and which the City agrees and covenants to maintain separate and apart from other moneys of the City so long as any Parity Obligations remain unpaid, and all money on deposit in the Revenue Fund is to be applied and used as follows. The City will pay at the following times in the following order of priority:

- (1) ***Payment of Maintenance and Operation Costs and Parity Obligation Payment Fund Deposits.*** The City will, from the money in the Revenue Fund, without preference or priority, and in the event of any insufficiency of such moneys, ratably, without preference or priority (i) pay charges for Maintenance and Operation Costs of the Water Utility System (including amounts reasonably required to be set aside in contingency reserves for Maintenance and Operation Costs the payment of which is not then immediately required)

as such charges are due and payable, and (ii) deposit in the City of Modesto Water Utility System Parity Obligation Payment Fund established under the Master Contract, on the last Business Day of each month (1) an amount equal to the interest which has accrued or will accrue under all Parity Obligations during the next succeeding month calculated as if such interest has accrued or will accrue on a daily basis during such period, and (2) an amount equal to the principal which has accrued or will accrue (as a result of maturity, mandatory sinking fund payments or mandatory prepayment or otherwise) under all Parity Obligations during the next succeeding month calculated as if such principal has accrued or will accrue on a daily basis during such period, plus (3) the net payments due or which will be due on all Parity Payment Agreements calculated as if such net payments accrued or will accrue on a daily basis during such period, except that no such deposit need be made if the City then holds money in the Parity Obligation Payment Fund at least equal to the amount of interest and principal due or becoming due and payable under all Parity Obligations on the next succeeding date on which interest or principal becomes due and payable under any Parity Obligation plus the net payments due on all Parity Payment Agreements on such next succeeding due date therefor. Moneys on deposit in the Parity Obligation Payment Fund will be transferred by the City to make and satisfy the payments due on the next applicable date on which interest or principal becomes due and payable under any Parity Obligation or any net payment becomes due and payable by the City under any Parity Payment Agreement at least one Business Day prior to such next applicable due date.

(2) *Parity Reserve Fund Deposits.* On or before the last Business Day of each month, the City will, from the remaining money on deposit in the Revenue Fund after deposits and transfers pursuant to paragraph (1) above, transfer to the Trustee for deposit in the Parity Reserve Fund that sum, if any, necessary to restore the Parity Reserve Fund to an amount equal to the Reserve Fund Requirement. The City will also, from such remaining moneys in the Revenue Fund, transfer or cause to be transferred to the applicable reserve fund or account for any Parity Obligations for which a separate reserve has been funded, without preference or priority between transfers made in accordance with this sentence and the preceding sentence, and in the event of any insufficiency of such moneys ratably without any discrimination or preference, the sum or sums, if any, equal to the amount required to be deposited therein pursuant to such Parity Obligations.

After making the foregoing deposits and transfers, the City may apply any remaining money in the Revenue Fund for any lawful purpose of the City, including for the payment of any Subordinate Obligations in accordance with the instruments authorizing such Subordinate Obligations.

Pursuant to the Master Contract, the City has established the Rate Stabilization Fund, which has a balance of \$3,000,000 on deposit therein. The City may deposit in the Rate Stabilization Fund any Gross Revenues, after providing for the payment of Parity Obligations and Maintenance and Operation Costs, and any other money received and available to be used therefor, provided that deposits from such Gross Revenues for each Fiscal Year may be made until (but not after) 180 days after the end of such Fiscal Year. The City may withdraw amounts from the Rate Stabilization Fund only for inclusion in Adjusted Annual Net Revenues, such withdrawal to be made until (but not after) 180 days after the end of such Fiscal Year. All interest or other earnings upon deposits in the Rate Stabilization Fund will be accounted for as Gross Revenues. Notwithstanding the foregoing, no Gross Revenues will be deposited in the Rate Stabilization Fund to the extent that such amount was included by the City in Adjusted Annual Net Revenues for purposes of determining compliance with the rate covenant set forth in the Master Contract or the conditions for the execution of Parity

Obligations contained in the Master Contract and deduction of the amounts to be deposited in the Rate Stabilization Fund would have caused noncompliance with such rate covenant or conditions.

The City's ability to set rates, fees and charges for the Water Service at levels which would permit the City to make deposits into the Rate Stabilization Fund may be limited by amendments to the California Constitution. See "THE WATER UTILITY SYSTEM — Impact of Proposition 218 on Water Utility System Fees and Charges." See also "THE WATER UTILITY SYSTEM — Summary of Projected Operating Results" for currently anticipated deposits into and withdrawals from the Rate Stabilization Fund.

The 2006 Contract establishes within the Parity Obligation Payment Fund the 2006 Supplemental Contract Payment Account. On or before the third Business Day immediately preceding each 2006 Payment Date or the date on which any net payment or insured termination payment is due under the Swap Agreement, the City shall, from the money in the Parity Obligation Payment Fund, deposit in the 2006 Supplemental Contract Payment Account (i) a sum equal to the amount of the interest and principal components of the 2006 Payments becoming due and payable under the 2006 Supplemental Contract on the next succeeding 2006 Payment Date and (ii) the net payments and any insured termination payment, if applicable, due under the Swap Agreement, except that no such deposit need be made if the amount then on deposit in the 2006 Supplemental Contract Payment Account is at least equal to the amount of the interest and principal components of the 2006 Payments becoming due and payable under the 2006 Contract on the next succeeding 2006 Payment Date plus the net payments and any insured termination payment due under the Swap Agreement on such next succeeding due date therefor. Moneys on deposit in the 2006 Supplemental Contract Payment Account shall (i) be transferred by the City to the Trustee on the Business Day immediately preceding each 2006 Payment Date to make and satisfy the 2006 Payment due on such 2006 Payment Date and (ii) be transferred by the City on the due date therefor to satisfy the net payment and any insured termination payment due under the Swap Agreement, all in accordance with the Master Contract.

**2006 Trust Agreement Provisions.** Pursuant to the 2006 Trust Agreement, the Trustee is required to deposit the 2006 Payments in a separate fund established by it and designated as the 2006 Debt Service Fund. The 2006 Debt Service Fund will contain two accounts: the 2006 Interest Account (with a 2006 Capitalized Interest and Fees Subaccount therein) and the 2006 Principal Account (with a 2006 Prepayment Subaccount and a 2006 Sinking Fund Subaccount therein).

On the Business Day immediately preceding each Interest Payment Date, the Trustee is required to set aside from the 2006 Debt Service Fund and deposit in the 2006 Interest Account an amount equal to the amount of interest evidenced and represented by the 2006 Certificates becoming due and payable on each such Interest Payment Date, except that the Trustee is required to make such transfer from the 2006 Capitalized Interest and Fees Subaccount to the 2006 Interest Account until the 2006 Capitalized Interest and Fees Subaccount is depleted. The Trustee is also required to apply amounts on deposit in the 2006 Capitalized Interest and Fees Subaccount to pay Auction Agent and Broker-Dealer fees as the same shall become due on each due date therefor through October 1, 2007. No deposit is required to be made in the 2006 Interest Account if the amount contained therein is at least equal to the aggregate amount of interest evidenced and represented by the 2006 Certificates becoming due and payable on the applicable Interest Payment Date. All money in the 2006 Interest Account is required to be used and withdrawn by the Trustee solely for the purpose of paying the interest as it shall become due and payable (including accrued interest evidenced and represented by any 2006 Certificates purchased or prepaid prior to their respective Certificate Payment Date).

On the Business Day immediately preceding each October 1, commencing on October 1, 2008, the Trustee is required to set aside from the 2006 Debt Service Fund and deposit in the 2006 Principal Subaccount (i) an amount equal to the principal amount evidenced and represented by the Outstanding Serial Certificates with a Certificate Payment Date of such October 1 (at the time of the execution and delivery of the 2006 Certificates, none of the 2006 Certificates will be Serial Certificates) and (ii) in the 2006 Sinking Fund Subaccount the amount of all Sinking Fund Payments required to be made on such October 1. Amounts to be applied to the optional prepayment of the principal component of the 2006 Certificates are to be deposited in the 2006 Prepayment Subaccount. No deposit need be made in the 2006 Principal Account if the amount contained therein is at least equal to the aggregate amount of the principal evidenced and represented by the Outstanding Serial Certificates with a Certificate Payment Date of such October 1 and the amount contained in the 2006 Sinking Fund Subaccount is at least equal to the aggregate amount of all Sinking Fund Payments required to be made on such October 1.

All money in the 2006 Principal Account is required to be used and withdrawn by the Trustee solely for the purpose of paying the principal evidenced and represented by the Serial Certificates as they shall become due and payable, whether at their respective Certificate Payment Dates or on prior prepayment, and all money in the 2006 Sinking Fund Subaccount is required to be used and withdrawn by the Trustee only to purchase or to prepay or pay Term Certificates, and with respect to the 2006 Sinking Fund Subaccount, on each Sinking Fund Payment Date, the Trustee is required to apply the Sinking Fund Payment required on that date to the prepayment (or payment at the Certificate Payment Date, as the case may be) of the Term Certificates upon the notice and in the manner provided in the 2006 Trust Agreement, provided that at any time prior to giving notice of such prepayment, the Trustee may, upon the Written Request of the Authority and receipt of sufficient moneys therefor, purchase for cancellation Term Certificates in accordance with the 2006 Trust Agreement.

### **Existing and Future Parity Obligations**

Upon the execution and delivery of the 2006 Certificates, the obligation of the City to pay the 2006 Payments will be secured on a parity lien basis with certain existing Parity Obligations. In the Master Contract (as clarified in the 2006 Contract), "Parity Obligations" is specifically defined as the payment obligations under the Treatment and Delivery Agreement which constitute debt service, the payment obligations under the CDWR Loan Agreement, and all Supplemental Contracts and all other obligations hereafter incurred by the City the payment of which constitutes a charge and lien on the Gross Revenues equal to and on a parity with the charge and lien upon the Gross Revenues for the payment of the Payments, other than (i) such portion of the payment obligations (including certain payments due upon an early termination thereof) under any Parity Payment Agreement to the extent such obligations are expressly subordinate to Parity Obligations pursuant to the terms of such Parity Payment Agreement and (ii) Parity Bank Agreements; provided that no amounts have been drawn under any such Parity Bank Agreements which have not been reimbursed by the City. Under the Master Contract "CDWR Loan" means the loan to the City from the State of California Department of Water Resources in the principal amount of \$3,607,343.72 (of which \$2,058,028.02 was outstanding as of October 1, 2006); and "Treatment and Delivery Agreement" means the Treatment and Delivery Agreement by and among the City of Modesto, the Del Este Water Company and MID. The Treatment and Delivery Agreement has since been amended and restated and is now called "Amended and Restated Treatment and Delivery Agreement Between Modesto Irrigation District and City of Modesto." Under the Treatment and Delivery Agreement, the City has agreed to pay all debt service on bonds issued by MID for the construction of the Water Treatment Plant, a raw water

charge, project operation, administrative services and maintenance costs, insurance on the plant and the cost of electrical energy provided to the plant. The outstanding principal amount of bonds issued for the Water Treatment Plant as of September 1, 2006 was \$73,780,000, and MID is expected to issue, or to cause to be issued, bonds yielding net proceeds of approximately \$53,000,000 to \$60,000,000 in the spring of 2007 in order to provide financing for the expansion of the Water Treatment Plan. See "THE WATER UTILITY SYSTEM — Treatment and Delivery Agreement" for a description of the Treatment and Delivery Agreement and "THE WATER UTILITY SYSTEM — Summary of Projected Operating Results" for additional information concerning existing Parity Obligations. See also APPENDIX B — "DEFINITIONS AND SUMMARY OF PRINCIPAL DOCUMENTS." In addition to the Parity Obligations specifically defined as such in the Master Contract, the Swap Agreement (to the extent described above), the 1997 Contract and the Insurance and Reimbursement Agreement also constitute Parity Obligations. The principal amount of the 1997 Payments currently outstanding is \$19,670,000.

In addition to the existing Parity Obligations, the City may at any time execute additional Parity Obligations, but subject to the specific conditions set forth in the Master Contract, including the conditions that there be on file with the Trustee either:

(1) A Certificate of the City demonstrating that during any 12 consecutive calendar months out of the immediately preceding 18 calendar month period, the Adjusted Annual Net Revenues were at least equal to 125% of the Maximum Annual Debt Service for all existing Parity Obligations plus the Parity Obligations proposed to be executed; provided, that for the purpose of providing this Certificate, the City may adjust the foregoing Adjusted Annual Net Revenues to reflect:

(i) An allowance for Gross Revenues that would have been derived from each new connection to the Water Utility System that was made prior to the execution of such Parity Obligations but which, during all or any part of said 12 month period, was not in existence, in an amount equal to the estimated additional Gross Revenues that would have been derived from each such connection if it had been made prior to the beginning of said 12 month period, and

(ii) An allowance for Gross Revenues that would have been derived from any increase in the rates, fees and charges fixed and prescribed for Water Service which became effective prior to the execution of such Parity Obligations but which, during all or any part of said 12 month period, was not in effect, in an amount equal to the estimated additional Gross Revenues that would have been derived from such increase in rates, fees and charges if it had been in effect prior to the beginning of said 12 month period; or

(2) A Consultant's Report showing that the Adjusted Annual Net Revenues for the Fiscal Year next following the end of the period during which interest on the Parity Obligations proposed to be executed is to be capitalized or, if no interest is capitalized, the Fiscal Year in which the Parity Obligations proposed to be executed are executed, will be at least equal to 125% of the Maximum Annual Debt Service; provided, that for the purpose of providing the Consultant's Report, the Independent Consultant may adjust the foregoing Adjusted Annual Net Revenues to reflect:

(i) An allowance for Gross Revenues that would have been derived from any increase in the rates, fees and charges prescribed for Water Service in effect and being charged, or rates, fees and charges for Water Service that are expected to be charged in accordance with a program of specific rates, fees, charges, rate levels or increases in overall Gross Revenue approved by a resolution of the City Council; and

(ii) An allowance for Gross Revenues from customers of the Water Utility System anticipated to be served by the facilities or improvements financed in substantial part by the Parity Obligations proposed to be executed together with any additional Parity Obligations expected to be executed prior to the Fiscal Year of determination.

Notwithstanding the foregoing, the Master Contract specifies that there shall be no limitations on the ability of the City to execute any Parity Obligation at any time to refund any outstanding Parity Obligation.

### CERTIFICATE INSURANCE

*The following information has been provided by MBIA Insurance Corporation. It has not been verified by the Authority or the City, and neither the Authority nor the City guarantees its accuracy or completeness.*

#### **Certificate Insurance Policy**

The following information has been furnished by MBIA Insurance Corporation ("MBIA") for use in this Official Statement. Reference is made to Appendix G for a specimen of MBIA's policy (the "2006 Certificate Insurance Policy").

MBIA does not accept any responsibility for the accuracy or completeness of this Official Statement or any information or disclosure contained herein, or omitted herefrom, other than with respect to the accuracy of the information regarding the 2006 Certificate Insurance Policy and MBIA set forth under the heading "CERTIFICATE INSURANCE." Additionally, MBIA makes no representation regarding the 2006 Certificates or the advisability of investing in the 2006 Certificates.

The 2006 Certificate Insurance Policy unconditionally and irrevocably guarantees the full and complete payment required to be made by or on behalf of the City to the Trustee or its successor of an amount equal to (i) the principal of (either at the stated maturity or by an advancement of maturity pursuant to a mandatory sinking fund payment) and interest evidenced by, the 2006 Certificates as such payments shall become due but shall not be so paid (except that in the event of any acceleration of the due date of such principal by reason of mandatory or optional prepayment or acceleration resulting from default or otherwise, other than any advancement of maturity pursuant to a mandatory sinking fund payment, the payments guaranteed by the 2006 Certificate Insurance Policy shall be made in such amounts and at such times as such payments of principal would have been due had there not been any such acceleration, unless MBIA elects in its sole discretion, to pay in whole or in part any principal due by reason of such acceleration); and (ii) the reimbursement of any such payment which is subsequently recovered from any Owner of the 2006 Certificates pursuant to a final judgment by a court of competent jurisdiction that such payment constitutes an avoidable preference to such Owner within the meaning of any applicable bankruptcy law (a "Preference").

The 2006 Certificate Insurance Policy does not insure against loss of any prepayment premium which may at any time be payable with respect to any 2006 Certificates. The 2006 Certificate Insurance Policy does not, under any circumstance, insure against loss relating to: (i) optional or mandatory prepayments (other than mandatory sinking fund prepayments); (ii) any payments to be made on an accelerated basis; (iii) payments of the purchase price of 2006 Certificates upon tender by an owner thereof; or (iv) any Preference relating to (i) through (iii) above. The 2006 Certificate Insurance Policy also does not insure against nonpayment of principal or interest evidenced by the 2006 Certificates resulting from the insolvency, negligence or any other act or omission of the Trustee or any paying agent for the 2006 Certificates.

Upon receipt of telephonic or telegraphic notice, such notice subsequently confirmed in writing by registered or certified mail, or upon receipt of written notice by registered or certified mail, by MBIA from the Trustee or any Owner of a 2006 Certificate the payment of an insured amount for which is then due, that such required payment has not been made, MBIA on the due date of such payment or within one business day after receipt of notice of such nonpayment, whichever is later, will make a deposit of funds, in an account with U.S. Bank Trust National Association, in New York, New York, or its successor, sufficient for the payment of any such insured amounts which are then due. Upon presentment and surrender of such 2006 Certificates or presentment of such other proof of ownership of the 2006 Certificates, together with any appropriate instruments of assignment to evidence the assignment of the insured amounts due on the 2006 Certificates as are paid by MBIA, and appropriate instruments to effect the appointment of MBIA as agent for such Owners of the 2006 Certificates in any legal proceeding related to payment of insured amounts on the 2006 Certificates, such instruments being in a form satisfactory to U.S. Bank Trust National Association, U.S. Bank Trust National Association shall disburse to such owners or the Trustee payment of the insured amounts due on such 2006 Certificates, less any amount held by the Trustee for the payment of such insured amounts and legally available therefor.

### **MBIA Insurance Corporation**

MBIA Insurance Corporation ("MBIA") is the principal operating subsidiary of MBIA Inc., a New York Stock Exchange listed company (the "Company"). The Company is not obligated to pay the debts of or claims against MBIA. MBIA is domiciled in the State of New York and licensed to do business in and subject to regulation under the laws of all 50 states, the District of Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, the Virgin Islands of the United States and the Territory of Guam. MBIA, either directly or through subsidiaries, is licensed to do business in the Republic of France, the United Kingdom and the Kingdom of Spain and is subject to regulation under the laws of those jurisdictions.

The principal executive offices of MBIA are located at 113 King Street, Armonk, New York 10504 and the main telephone number at that address is (914) 273-4545.

**Regulation.** As a financial guaranty insurance company licensed to do business in the State of New York, MBIA is subject to the New York Insurance Law which, among other things, prescribes minimum capital requirements and contingency reserves against liabilities for MBIA, limits the classes and concentrations of investments that are made by MBIA and requires the approval of policy rates and forms that are employed by MBIA. State law also regulates the amount of both the aggregate and individual risks that may be insured by MBIA, the payment of dividends by MBIA, changes in control with respect to MBIA and transactions among MBIA and its affiliates.

The 2006 Certificate Insurance Policy is not covered by the Property/Casualty Insurance Security Fund specified in Article 76 of the New York Insurance Law.

**Financial Strength Ratings of MBIA.** Moody's Investors Service, Inc. rates the financial strength of MBIA "Aaa."

Standard & Poor's, a division of The McGraw-Hill Companies, Inc. rates the financial strength of MBIA "AAA."

Fitch Ratings rates the financial strength of MBIA "AAA."

Each rating of MBIA should be evaluated independently. The ratings reflect the respective rating agency's current assessment of the creditworthiness of MBIA and its ability to pay claims on its policies of insurance. Any further explanation as to the significance of the above ratings may be obtained only from the applicable rating agency.

The above ratings are not recommendations to buy, sell or hold the 2006 Certificates, and such ratings may be subject to revision or withdrawal at any time by the rating agencies. Any downward revision or withdrawal of any of the above ratings may have an adverse effect on the market price of the 2006 Certificates. MBIA does not guaranty the market price of the 2006 Certificates nor does it guaranty that the ratings on the 2006 Certificates will not be revised or withdrawn.

**MBIA Financial Information.** As of December 31, 2005, MBIA had admitted assets of \$11.0 billion (audited), total liabilities of \$7.2 billion (audited), and total capital and surplus of \$3.8 billion (audited), each as determined in accordance with statutory accounting practices prescribed or permitted by insurance regulatory authorities. As of June 30, 2006, MBIA had admitted assets of \$11.3 billion (unaudited), total liabilities of \$6.9 billion (unaudited), and total capital and surplus of \$4.3 billion (unaudited), each as determined in accordance with statutory accounting practices prescribed or permitted by insurance regulatory authorities.

For further information concerning MBIA, see the consolidated financial statements of MBIA and its subsidiaries as of December 31, 2005 and December 31, 2004 and for each of the three years in the period ended December 31, 2005, prepared in accordance with generally accepted accounting principles, included in the Annual Report on Form 10-K of the Company for the year ended December 31, 2005 and the consolidated financial statements of MBIA and its subsidiaries as of June 30, 2006 and for the six month periods ended June 30, 2006 and June 30, 2005 included in the Quarterly Report on Form 10-Q of the Company for the period ended June 30, 2006, which are hereby incorporated by reference into this Official Statement and shall be deemed to be a part hereof.

Copies of the statutory financial statements filed by MBIA with the State of New York Insurance Department are available over the Internet at the Company's web site at <http://www.mbia.com> and at no cost, upon request to MBIA at its principal executive offices.

**Incorporation of Certain Documents by Reference.** The following documents filed by the Company with the Securities and Exchange Commission (the "SEC") are incorporated by reference into this Official Statement:

- (1) The Company's Annual Report on Form 10-K for the year ended December 31, 2005; and
- (2) The Company's Quarterly Report on Form 10-Q for the quarter ended June 30, 2006.

Any documents, including any financial statements of MBIA and its subsidiaries that are included therein or attached as exhibits thereto, filed by the Company pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act after the date of the Company's most recent Quarterly Report on Form 10-Q or Annual Report on Form 10-K, and prior to the termination of the offering of the 2006 Certificates offered hereby shall be deemed to be incorporated by reference in this Official Statement and to be a part hereof from the respective dates of filing such documents. Any statement contained in a document incorporated or deemed to be incorporated by reference herein, or contained in this Official Statement, shall be deemed to be modified or superseded for purposes of this Official Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Official Statement.

The Company files annual, quarterly and special reports, information statements and other information with the SEC under File No. 1-9583. Copies of the Company's SEC filings (including (1) the Company's Annual Report on Form 10-K for the year ended December 31, 2005, and (2) the Company's Quarterly Reports on Form 10-Q for the quarters ended March 31, 2006 and June 30, 2006 are available (i) over the Internet at the SEC's web site at <http://www.sec.gov>; (ii) at the SEC's public reference room in Washington, D.C. (iii) over the Internet at the Company's web site at <http://www.mbia.com>; and (iv) at no cost, upon request to MBIA at its principal executive offices.

In the event MBIA were to become insolvent, any claims arising under a policy of financial guaranty insurance are excluded from coverage by the California Insurance Guaranty Association, established pursuant to Article 14.2 (commencing with Section 1063) of Chapter 1 of Part 2 of Division 1 of the California Insurance Code.

## **THE WATER UTILITY SYSTEM**

### **History of the Water Utility System**

The origin of the City's municipal water system dates back to 1876 when a privately-owned utility, later known as the Modesto Water Company, was established to provide water service to the village of Modesto. In 1895, the City purchased the Modesto Water Company, and in subsequent years it purchased other local water systems that have been incorporated in the present Water Utility System.

In April 1992, the City entered into the original Treatment and Delivery Agreement with MID and the Del Este Water Company ("Del Este"), providing for a supply of treated water for the City and Del Este from the Water Treatment Plant, which was constructed and is owned and operated by MID. See "Sources of Water" below. In July 1995, the City purchased substantially all of the assets and assumed substantially all of the liabilities of Del Este, the last private water company within City limits. The acquisition included Del Este's other water service areas including the communities of Salida, Waterford, Empire, Hickman, Grayson, and parts of Turlock, Ceres and Del Rio Estates. As a consequence of the varying operating conditions among these communities, the

City initially operated the Water Utility System in three separate zones. However, the three zones were essentially merged into a single zone for rate purposes when the City Council adopted a new rate structure that went into effect on January 1, 2005.

The original Treatment and Delivery Agreement provided the terms and conditions under which the City agreed to provide payments for, and MID agreed to finance, construct, own and operate, the Water Treatment Plant. Pursuant to the terms of the original Treatment and Delivery Agreement, the City was entitled to receive 30 million gallons per day of treated water from the Phase One Water Treatment Plant. The original Treatment and Delivery Agreement was amended and restated in 2005 to provide for the funding and construction of Phase Two of the Water Treatment Plant. Upon completion of Phase Two, the City will be entitled to receive 60 million gallons per day of treated water for use within the portion of the City's service area that is within MID's authorized service area. See "Treatment and Delivery Agreement" below.

In general terms, the City's total water service area consists of one large contiguous area and several outlying, non-contiguous service areas. The contiguous water area includes all of the property currently within the corporate boundaries of the City as well as the property located within its sphere of influence and properties located within the communities of Ceres, Empire and Salida. There are five outlying non-contiguous water service areas. They are the communities of Del Rio, Grayson, Hickman and Waterford, as well as portions of the City of Turlock.

A map showing the City's water service area appears on page \_\_\_\_.

#### **Existing Facilities**

The principal facilities of the existing Water Utility System consist of 125 domestic wells (111 of which are currently active), over 900 miles of mains, seven storage tanks, the MID's Water Treatment Plant and a terminal storage area serving surface water and/or groundwater to its customers through nearly 77,000 water connections. A diagram showing the principal components of the existing Water Utility System appears on page \_\_\_\_.

MID surface water is treated at the Water Treatment Plant and conveyed to the City via transmission mains for direct use in the contiguous portion of the City's water service area. The City's facilities are designed to deliver both surface water and groundwater. The Water Treatment Plant does not provide surface water to the outlying portions of the City's water service areas including those portions that are outside of MID's authorized service boundaries.

Groundwater is pumped directly from the wells into the distribution system, which consists of 900 miles of water mains and pipelines. Most of the larger water mains are 10- and 12-inch diameter pipelines which have been installed by the City. The installation of smaller pipelines in subdivisions is typically the responsibility of the subdivider. Seven ground level tanks and booster pump stations provide storage capacities ranging from 500,000 to 1,300,000 gallons each.

The following table sets forth statistical information relating to the Water Utility System during the periods shown.

**WATER UTILITY SYSTEM STATISTICS**  
**Calendar Years**

	2001	2002	2003	2004	2005
Number of Service Accounts	70,317	71,847	72,907	73,916	74,779
Total Water Production (MG) <sup>(1)</sup>	26,320	27,060	27,000	26,580	25,720
Capacity (MGD) <sup>(2)</sup>	166	166	166	166	166
Peak Daily Distribution (MGD)	124.6	131.2	133.6	124.9	129.8
Average Daily Distribution (MGD)	72.4	75.4	73.7	72.4	70.4

(1) "MG" means million gallons.

(2) "MGD" means million gallons per day. The actual capacity of the Water Utility System during each of the years shown varied slightly from the 166 MGD figure depending upon the number and capacity of the wells going in and out of service in each of said years.

Source: City of Modesto.

During the five year period covered by the table the City's population grew by approximately 7.4% while the aggregate volume of water sold remained essentially flat. Thus, on a per capita basis, consumption of water in the City's service area has been reduced over the course of this period. This reduction has been the result of many variables including water conservation efforts, weather, system repairs, more efficient water consumption by customers and the availability of alternative water sources (onsite private wells).

#### Sources of Water

The City's primary sources of water supply are surface water provided by MID under the Treatment and Delivery Agreement (described below) and its local groundwater sources. During the 1990's, MID, the City, and Del Este partnered to develop a new municipal water supply. This was implemented by the original Treatment and Delivery Agreement, under which the 30 MGD Water Treatment Plant and delivery system came on line in January 1995. The Water Treatment Plant serves as the baseline supply, and seasonal demands are served by the groundwater wells. In general the Water Treatment Plant currently supplies approximately 60% of the City's water requirement during the winter and approximately 35% thereof during the summer season. Groundwater supplies the remainder. MID is expected to commence the expansion of the Water Treatment Plant in 2007, and the expansion is expected to increase the capacity of the Water Treatment Plant to 60 MGD.

The following table sets forth the total water production for the Water Utility System during the last five calendar years.

**WATER UTILITY SYSTEM**  
**Service Area Total Production (Billion Gallons)**

<i>Year Ending December 31</i>	<i>Groundwater</i>	<i>Surface Water</i>	<i>Total</i>
2001	14.94	11.38	26.32
2002	16.01	11.05	27.06
2003	15.49	11.51	27.00
2004	15.15	11.43	26.58
2005	15.13	10.59	25.72

Source: City of Modesto.

Outside of the City corporate limits there are no regulations controlling the number of water wells that are drilled or the quantity of water pumped from such wells. Prior to the availability of surface water from the Water Treatment Plant, the groundwater pumpage had been increasing and water levels had been declining since the early 1950's. As a result thereof, the groundwater resources of the Water Utility System were subject to long-term overdraft, i.e., the depletion of the water table was greater than the replenishment, of an average of 3,000 acre-feet per year. With the introduction of surface water from the Water Treatment Plant, this long-term overdraft was halted, and the City's dependency upon groundwater was reduced. The City expects that the expansion of the Water Treatment Plant and the installation of the various capital projects associated therewith, including the 2006 Project, will further reduce its reliance on groundwater supplies.

**Treatment and Delivery Agreement**

In April 1992, MID entered into the original Treatment and Delivery Agreement with the City and Del Este. Pursuant to the Treatment and Delivery Agreement, MID agreed to finance, construct, own and operate the Water Treatment Plant and certain related facilities, and the City agreed to pay the costs of acquisition, construction and operation of the Water Treatment Plant. Pursuant to the Treatment and Delivery Agreement, the City was initially allocated a 70% share of the Water Treatment Plant, and was likewise responsible for 70% of its costs; Del Este was allocated a 30% share and was likewise responsible for 30% of its cost.

The Modesto Irrigation District Financing Authority ("MIDFA") issued its Series 1992A Water Notes in the aggregate principal amount of \$39,990,000 to provide construction financing for Del Este's 30% of the estimated acquisition and construction costs of the Water Treatment Plant. MIDFA also issued its Series 1992A Water Bonds and Series 1992B Water Bonds in the aggregate principal amount of \$77,385,000 in order to finance the City's 70% share of the estimated acquisition and construction costs of the Water Treatment Plant. In 1995, MIDFA issued its Series 1995C Water Bonds in an aggregate principal amount of \$24,235,000 to repay the Series 1992A Water Notes; and in 1998, MIDFA issued its Series 1998D Water Bonds in an aggregate principal amount of \$94,715,000 to defease all of the outstanding Series 1992B Water Bonds and Series 1995C Water Bonds. (MIDFA's Series 1998D Water Bonds are referred to as the "Domestic Water Bonds.")

In July 1995, the City purchased substantially all of the assets and liabilities of Del Este and in accordance with the provisions of the original Treatment and Delivery Agreement assumed all interests, rights and obligations of Del Este under the original Treatment and Delivery Agreement.

Accordingly, Del Este had no further obligation to make payments under the Treatment and Delivery Agreement or otherwise with respect to the Domestic Water Bonds.

Construction of the Water Treatment Plant began in October 1992, and the Water Treatment Plant was placed into operation in May 1995. It is located directly south of the Modesto Reservoir on an approximately 30-acre site, about 15 miles east of the City. Treated water is pumped from a five million gallon treated water storage reservoir through approximately 14 miles of transmission pipeline to two five million gallon terminal-storage reservoirs. The water is then distributed to distribution mains in the City water system.

The water which MID treats and delivers to the City through the Water Treatment Plant is available to MID through (i) various water rights owned by MID, including a pre-1914 water right, which total approximately 300,000 acre feet of Tuolumne River water every year and (ii) water available to it under a license held by MID and Turlock Irrigation District (License 11058) which authorizes the two districts to store up to 1,046,800 acre feet of water in New Don Pedro Reservoir between November 1 and the succeeding July 31 for irrigation and recreational use. MID petitioned for and received an order from the State Water Resources Control Board (WR Order 2005-0022-DWR) which amended License 11058 and authorized a long-term transfer of up to 67,200 acre feet of water per year to the City and which added municipal and industrial uses to the uses of water permitted under the transfer. This long-term transfer is effective through December 31, 2054. During the period of the long-term transfer, MID is required to comply with all of the terms and conditions required by the Federal Energy Regulatory Commission for the New Don Pedro Project. In addition, pursuant to California Water Code Sections 100 and 275 as well as the common law public trust doctrine, all rights and privileges under the long-term transfer order, including method of diversion, method of use and quantity of water diverted, are subject to the continuing authority of the State Water Board in accordance with law and in the interest of the public welfare to protect public trust uses and to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of diversion.

The original Treatment and Delivery Agreement provided that the City would receive 30 million gallons per day of treated water. The terms of the original Treatment and Delivery Agreement were subsequently amended and restated to provide for an expansion of the Water Treatment Plant upon the completion of which the City will be entitled to receive 60 million gallons per day of treated water on an average annual basis.

In accordance with the Treatment and Delivery Agreement, MID owns, operates, and maintains the Water Treatment Plant for the purposes of treatment and delivery of water to the City. MID may not assign its maintenance and operation responsibility for the Water Treatment Plant without the consent of the City. The City is granted a permanent beneficial interest in the Water Treatment Plant output, which may not be transferred or assigned without the consent of MID.

The City has agreed to pay all costs and expenses of all phases of the Water Treatment Plant, including (i) payments of Debt Service in connection with the financing of the Water Treatment Plant (a Parity Obligation), (ii) raw water charges for raw water furnished to the Water Treatment Plant by MID, (iii) payments of operation, maintenance, repair, replacement and modification costs attributable to the operation of the Water Treatment Plant, (iv) costs of administrative services of MID attributable to the operation of the Water Treatment Plant and the administration of the Treatment and Delivery Agreement, (v) costs of insurance required to be maintained by MID pursuant to the Treatment and Delivery Agreement (as described below), (vi) cost of electric energy

provided to the Water Treatment Plant by MID, and (vii) other payments or costs (and deductions from payments or costs from the reserve and contingency fund and the certain reserve funds relating to the Domestic Water Bonds) and other amounts as specified by the Treatment and Delivery Agreement.

Some of the key provisions of the Treatment and Delivery Agreement, as amended and restated, are:

The City will continue to receive raw water at the same unit cost as MID's agricultural users.

The City will reimburse MID for all capital and operating costs associated with the treatment of the water.

Reductions in water deliveries required as a result of a drought will be borne proportionately by the City and MID's agricultural customers.

MID's commitments to its agricultural customers and to the City must be met before MID may transfer any water for delivery outside of its boundaries.

The Policy Committee, which advises the Board of Directors of MID and City Council of the City on matters related to the project, consists of two members of the City Council and two members of the MID Board.

*Delivery of Treated Water.* MID currently makes available 33,602 acre feet of treated water from the Water Treatment Plant to the City annually, subject to a lesser allocation of treated water in the event of drought or other contingencies as provided in the Treatment and Delivery Agreement. As noted above, upon completion of the expansion of the Water Treatment Plant, the amount of treated water to which the City will be entitled will be approximately doubled. The City may exchange groundwater for use by MID's irrigation system for treated water in the event of a reduced allocation. The City will bear all costs, including the costs of additional capital facilities, if any are necessary, associated with delivering the groundwater supply to MID's irrigation system. MID may not sell any treated water from the Water Treatment Plant without first offering such water to the City. Treated water delivered by MID to the City must be utilized by the City within MID's irrigation service area. MID will consult with the City regularly with respect to the scheduling of delivery of treated water from the Water Treatment Plant, MID shall be excused from its obligation to deliver treated water in the event that MID is rendered unable, wholly or in part, by force majeure to carry out its obligations under the Treatment and Delivery Agreement. Upon the occurrence of any event of force majeure which impacts MID's ability to deliver treated water, the provisions of the Treatment and Delivery Agreement shall be determinative as to whether the City is excused from its obligation to pay debt service and fixed costs pursuant to the Treatment and Delivery Agreement.

Pursuant to the Treatment and Delivery Agreement two advisory committees are formed for the purposes of the Water Treatment Plant, the Policy Committee and the Technical Committee. Each of these Committees include representatives from MID and the City.

The Board of Directors of MID has the authority to make final decisions with respect to the Water Treatment Plant, subject to the rights of the City to review and advise MID with respect to certain budgetary matters as provided in the Treatment and Delivery Agreement.

**Conservation Program.** The City has an ongoing water conservation program which includes limitations on watering hours and certain water uses. In the event of drought, the City will likely expand its water conservation program to include additional water use restrictions, such as imposing limitations on the landscaping of new developments.

## **Water Quality**

Land use in the vicinity of the City is a mixture of rural, residential, agricultural, commercial and industrial uses. Potential sanitary hazards include the percolation of agricultural chemicals and fertilizers in adjacent fields and underground storage of fuels in single contained tanks. All wells are adequately located away from sewer lines and sewage disposal facilities. Above-ground on-site fuel storage tanks are or will be provided with a containment system.

Historically, the overall well system has not required major treatment facilities to deliver potable water supplies to date. However, over the past ten years, the number of natural and man-made contaminants which the City is required to monitor has increased from 22 to 96 and there have been significant changes in the maximum contaminant levels permitted under regulations adopted by federal and State regulatory agencies. As a result, concerns over water quality have necessitated the closure of wells with poor water quality and has led to the requirement for treatment of several groundwater wells. The City has commenced litigation to protect, and/or to recover damages to, its groundwater supplies. See "DBCP Settlement Agreement" and "PCE Litigation" below.

The operation of the wells is performed automatically in response to system pressure and reservoir water level. All wells are monitored in accordance with State water quality monitoring regulations. Samples are collected for general physical, general mineral, inorganic chemical, radioactivity and organic chemical analysis. Additional monitoring is conducted for bacteriological and general mineral analysis on a routine basis. Bacteriological quality of the groundwater sources is generally good. Follow-up samples on positive total coliform test results are generally negative,

In addition to water wells as a domestic supply source, the City manages approximately 9,500 rock wells for the drainage of stormwater. Stormwater runoff occurs when rainfall intensity exceeds the infiltration rate of the soil. Suspended solids, heavy metals, and oil and grease are the major types of pollutants conveyed by runoff water to drainage facilities. The pollutant loading in runoff typically increases with increased urbanization. About 70 percent of the City service area employs rock wells which vary in depth from 25 to 50 feet. As a precaution to any risk of pollutants from stormwater and other wastewater entering the rock wells and percolating into the usable groundwater aquifer, the City seals its water wells at appropriate depths in relation to rock wells. After 40 years of operation of rock wells, no pollutants attributable to urban drainage have been detected in the drinking water supply. Recent studies of the federal Environmental Protection Agency conclude that properly operated rock wells provide significant treatment and removal of pollutants from percolating water.

## **DBCP Settlement Agreement**

In January 1997, the City came to a settlement in litigation with certain defendants who are the manufacturers and distributors of dibromochloropropane ("DBCP"), which was impacting the drinking water quality throughout the combined City and former Del Este water systems. The settlement agreement (the "Settlement Agreement") compensated the City for past expenses related to complying with drinking water standards and providing well-head treatment. The Settlement

Agreement and the damage recovery covers the City's entire current and projected service area over the 40 years following the execution of the Settlement Agreement. The Settlement Agreement provides a formula by which the majority of future capital and operating expenses for DBCP mitigation will be compensated by the defendants. The Settlement Agreement includes cost escalation indexes and requires that these payments be used in the area where the damage occurs, as a protection for the defendants against possible Del Este ratepayer actions. The Settlement Agreement puts a variety of operating obligations on the City to ensure that the contamination is managed economically and in compliance with applicable regulations.

The annual proceeds from Settlement Agreement are included in the Historical Operating Results and the Projected Operating Results of the Water Utility System described below. For operating costs, the City receives a specified amount for each well which is receiving well head treatment for DBCP, escalated annually by the Producer Price Index ("PPI"). For each additional or new well requiring GAC equipment, 90% of the capital costs, escalated by the PPI, will be compensated. The actual amount will depend on the type of GAC unit needed for the specific well. The process for compensation provides that the City file an annual claim with the trustee, for operation and maintenance and capital costs for the preceding year. The defendants are required to maintain a certain balance in the trustee account, the balance declining over the 40 year life of the Settlement Agreement. The City is responsible for any difference between actual operating and capital expense and the stipulated compensation formula. Any shortfall would then be covered by the City through appropriate action, including without limitation a rate adjustment to assure compliance with the covenants in the Settlement Agreement.

Water supplied by the City has and continues to meet all federal and State requirements for quality standards. The City has in place a program to monitor and evaluate proposed regulatory water quality standards. The City anticipates that it will be able to meet increasingly stringent water standards.

### **PCE Litigation**

The City of Modesto Redevelopment Agency brought an action in 1998 against numerous defendants, alleging causes of action for strict liability, negligence, negligence per se, continuing trespass, private and public nuisance, private and public nuisance per se, response costs and declaratory relief under the Carpenter-Presley-Tanner Hazardous Substance Account Act (Health & Safety Code Section 25300 *et seq.*), ultrahazardous activity, and cost recovery under the Polanco Redevelopment Act (Health & Safety Code Section 33459 *et seq.*) (San Francisco County Superior Court Case No. 999345). Simultaneously with the filing of that action, the City, along with the City of Modesto Sewer District No. 1, brought another action against a nearly identical group of defendants seeking damages for solvent contamination under many of the same legal theories; but this action did not include a Polanco Redevelopment Act cause of action (San Francisco County Superior Court Case No. 999643). The defendants included chlorinated solvent manufacturers, distributors of solvents and dry cleaning equipment, chlorinated solvent equipment manufacturers, and dry cleaning retailers.

The complaints alleged that two cleaning solvents, perchloroethylene ("PERC" or "PCE") and trichloroethylene, cause risks to health and the environment, that dry cleaners customarily dumped solvent wastewater into the public sewer systems, and that dry cleaners experienced a habitual problem of chlorinated solvents leaking into the environment. According to the complaints, the defendants who manufactured and supplied solvents and equipment instructed dry cleaners that

chlorinated solvents could be discharged into sewers and/or failed to issue recalls or warnings regarding the equipment and solvents.

The plaintiffs tried five "bellweather" suits before a jury from February to June of 2006, and won a verdict for compensatory damages of \$3.1 million and a verdict for punitive damages of \$175 million, later lowered to \$12 million. This result has stalled settlement negotiations while both sides appeal various liability and damage issues. In any event, previous settlements and insurance payments have rendered the litigation essentially cost neutral to the City's Water and Sewer Enterprise Funds, which have funded the litigation to date on a roughly equal basis. It is not anticipated that the cost/settlement ratio will change dramatically in the 15 months following the execution and delivery of the 2006 Certificates, which is as far as the City believes reasonable forecasting may be done on the cost issue.

### **Employees**

The Public Works Director has primary responsibility for the management of the Water Utility System, as well as for the sewer system, solid waste system, streets and storm drains. The Water Utility System currently has 75 full-time employees. Employees are represented by the Modesto City Employees Association whose current Memorandum of Understanding expires in July, 2007. The City has never experienced a labor strike.

### **Retirement Programs**

All permanent employees of the City are covered under the Public Employees' Retirement System (PERS) of the State of California, a defined benefit plan. Pension costs are funded by monthly contributions from the City. Required contributions by the City during fiscal year 2005-06 were \$11,748,699 of which \$566,188 was allocated to the Water Utility System. The City's net assets available for benefits as of June 30, 2004 (the latest data available) were \$44,341,594 less than pension benefit obligations.

As of June 30, 2006, most employee contributions (9 percent for fire and police and 7 percent for miscellaneous employees, including Water Utility System employees) are paid by the City on behalf of the employees. The City is also required to contribute all remaining amounts necessary to fund the benefits for its members, using the actuarial basis recommended by the PERS actuaries and actuarial consultants and adopted by the Board of Administration.

In addition to the defined benefit plan described above, the City also maintains a program providing "other post-employment benefits" ("OPEB") for its employees. The City has created an internal service fund to track the OPEB liability, annual expenses and revenues and has been disclosing its liability for OPEB in its Comprehensive Annual Financial Statements for over ten years.

As of October 4, 2004 the Entry Age Actuarial Accrued Liability was \$55,726,958. The City has been funding the current cost of annual benefits and a portion of the long-term cost in each of the years that the liability has been disclosed in its financial statements.
