1.0 Introduction

1.1 Background & Purpose

Health and Safety Code Section 34191.5, added by AB 1484 (signed into law on June 27, 2012), requires each Successor Agency (“SA”) to prepare and approve a Long-Range Property Management Plan (“LRPMP”) that addresses the disposition and use of the real properties of the former redevelopment agency. Properties held by a successor agency cannot be disposed of until the State Department of Finance (“DOF”) has approved the LRPMP. This document is the LRPMP for the Successor Agency to the former Modesto Redevelopment Agency.
