

## High Efficiency Clothes Washer Rebate Program and Application

Offer available July 1, 2025 thru June 30, 2026 and subject to fund availability

City of Modesto water customers in single and multi-family homes may be eligible for a rebate when they replace their old clothes washer with a high efficiency clothes washer. The rebate amount may not exceed \$200 per City of Modesto water account. Funding is limited and applications will be accepted on a first come, first served basis. The City reserves the right to terminate this program at any time and for any reason.

The average American family washes about 300 loads of laundry each year. **ENERGY STAR** can help families cut their related energy and water costs. **ENERGY STAR** certified clothes washers use about 25% less energy and 40% less water than regular washers.
