

## Fact Sheet

### All-Way Stop Beacons

#### Project Description

Purchase of all-way stop beacons at various locations within the City. These locations will be determined by analyzing the City accident database for areas where collisions occurred with pedestrians and bicycles. An emphasis will be placed to prioritize school locations over other areas in the City.

#### Funding Source

Measure L – Traffic Management (Fiscal Year 2022-2023) - \$50,000

#### Project Budget

Construction (Total)	\$50,000
<b>TOTAL</b>	<b>\$50,000</b>
